### Subpart C—Payments

#### § 1041.7 Identification of unfair and abusive practice.

It is an unfair and abusive practice for a lender to make attempts to withdraw payment from consumers’ accounts in connection with a covered loan after the lender’s second consecutive attempts to withdraw payments from the accounts from which the prior attempts were made have failed due to a lack of sufficient funds, unless the lender obtains the consumers’ new and specific authorization to make further withdrawals from the accounts.

#### § 1041.8 Prohibited payment transfer attempts.

(a) *Definitions*. For purposes of this section and § 1041.9:

(1) *Payment transfer* means any lender-initiated debit or withdrawal of funds from a consumer’s account for the purpose of collecting any amount due or purported to be due in connection with a covered loan.

## § 1041.8

(i) *Means of transfer.* A debit or withdrawal meeting the description in paragraph (a)(1) of this section is a payment transfer regardless of the means through which the lender initiates it, including but not limited to a debit or withdrawal initiated through any of the following means:

(A) Electronic fund transfer, including a preauthorized electronic fund transfer as defined in Regulation E, 12 CFR 1005.2(k).

(B) Signature check, regardless of whether the transaction is processed through the check network or another network, such as the automated clearing house (ACH) network.

(C) Remotely created check as defined in Regulation CC, 12 CFR 229.2(ff).

(D) Remotely created payment order as defined in 16 CFR 310.2(cc).

(E) When the lender is also the account-holder, an account-holding institution's transfer of funds from a consumer's account held at the same institution, other than such a transfer meeting the description in paragraph (a)(1)(ii) of this section.

(ii) *Conditional exclusion for certain transfers by account-holding institutions.* When the lender is also the account-holder, an account-holding institution's transfer of funds from a consumer's account held at the same institution is not a payment transfer if all of the conditions in this paragraph (a)(1)(ii) are met, notwithstanding that the transfer otherwise meets the description in paragraph (a)(1) of this section.

(A) The lender, pursuant to the terms of the loan agreement or account agreement, does not charge the consumer any fee, other than a late fee under the loan agreement, in the event that the lender initiates a transfer of funds from the consumer's account in connection with the covered loan for an amount that the account lacks sufficient funds to cover.

(B) The lender, pursuant to the terms of the loan agreement or account agreement, does not close the consumer's account in response to a negative balance that results from a transfer of funds initiated in connection with the covered loan.

(2) *Single immediate payment transfer at the consumer's request means:*

(i) A payment transfer initiated by a one-time electronic fund transfer within one business day after the lender obtains the consumer's authorization for the one-time electronic fund transfer.

(ii) A payment transfer initiated by means of processing the consumer's signature check through the check system or through the ACH system within one business day after the consumer provides the check to the lender.

(b) *Prohibition on initiating payment transfers from a consumer's account after two consecutive failed payment transfers—(1) General.* A lender must not initiate a payment transfer from a consumer's account in connection with any covered loan that the consumer has with the lender after the lender has attempted to initiate two consecutive failed payment transfers from that account in connection with any covered loan that the consumer has with the lender. For purposes of this paragraph (b), a payment transfer is deemed to have failed when it results in a return indicating that the consumer's account lacks sufficient funds or, if the lender is the consumer's account-holding institution, it is for an amount that the account lacks sufficient funds to cover.

(2) *Consecutive failed payment transfers.* For purposes of the prohibition in this paragraph (b):

(i) *First failed payment transfer.* A failed payment transfer is the first failed payment transfer from the consumer's account if it meets any of the following conditions:

(A) The lender has initiated no other payment transfer from the account in connection with the covered loan or any other covered loan that the consumer has with the lender.

(B) The immediately preceding payment transfer was successful, regardless of whether the lender has previously initiated a first failed payment transfer.

(C) The payment transfer is the first payment transfer to fail after the lender obtains the consumer's authorization for additional payment transfers pursuant to paragraph (c) of this section.

(ii) *Second consecutive failed payment transfer.* A failed payment transfer is

the second consecutive failed payment transfer from the consumer's account if the immediately preceding payment transfer was a first failed payment transfer. For purposes of this paragraph (b)(2)(ii), a previous payment transfer includes a payment transfer initiated at the same time or on the same day as the failed payment transfer.

(iii) *Different payment channel.* A failed payment transfer meeting the conditions in paragraph (b)(2)(ii) of this section is the second consecutive failed payment transfer regardless of whether the first failed payment transfer was initiated through a different payment channel.

(c) *Exception for additional payment transfers authorized by the consumer—(1) General.* Notwithstanding the prohibition in paragraph (b) of this section, a lender may initiate additional payment transfers from a consumer's account after two consecutive failed payment transfers if the additional payment transfers are authorized by the consumer in accordance with the requirements and conditions in this paragraph (c) or if the lender executes a single immediate payment transfer at the consumer's request in accordance with paragraph (d) of this section.

(2) *General authorization requirements and conditions—(i) Required payment transfer terms.* For purposes of this paragraph (c), the specific date, amount, and payment channel of each additional payment transfer must be authorized by the consumer, except as provided in paragraph (c)(2)(ii) or (iii) of this section.

(ii) *Application of specific date requirement to re-initiating a returned payment transfer.* If a payment transfer authorized by the consumer pursuant to this paragraph (c) is returned for nonsufficient funds, the lender may re-initiate the payment transfer, such as by representing it once through the ACH system, on or after the date authorized by the consumer, provided that the returned payment transfer has not triggered the prohibition in paragraph (b) of this section.

(iii) *Special authorization requirements and conditions for payment transfers to collect a late fee or returned item fee.* A lender may initiate a payment transfer

pursuant to this paragraph (c) solely to collect a late fee or returned item fee without obtaining the consumer's authorization for the specific date and amount of the payment transfer only if the consumer has authorized the lender to initiate such payment transfers in advance of the withdrawal attempt. For purposes of this paragraph (c)(2)(iii), the consumer authorizes such payment transfers only if the consumer's authorization obtained under paragraph (c)(3)(iii) of this section includes a statement, in terms that are clear and readily understandable to the consumer, that payment transfers may be initiated solely to collect a late fee or returned item fee and that specifies the highest amount for such fees that may be charged and the payment channel to be used.

(3) *Requirements and conditions for obtaining the consumer's authorization—(i) General.* For purposes of this paragraph (c), the lender must request and obtain the consumer's authorization for additional payment transfers in accordance with the requirements and conditions in this paragraph (c)(3).

(ii) *Provision of payment transfer terms to the consumer.* The lender may request the consumer's authorization for additional payment transfers no earlier than the date on which the lender provides to the consumer the consumer rights notice required by §1041.9(c). The request must include the payment transfer terms required under paragraph (c)(2)(i) of this section and, if applicable, the statement required by paragraph (c)(2)(iii) of this section. The lender may provide the terms and statement to the consumer by any one of the following means:

(A) In writing, by mail or in person, or in a retainable form by email if the consumer has consented to receive electronic disclosures in this manner under §1041.9(a)(4) or agrees to receive the terms and statement by email in the course of a communication initiated by the consumer in response to the consumer rights notice required by §1041.9(c).

(B) By oral telephone communication, if the consumer affirmatively contacts the lender in that manner in response to the consumer rights notice

required by § 1041.9(c) and agrees to receive the terms and statement in that manner in the course of, and as part of, the same communication.

(iii) *Signed authorization required*—(A) *General.* For an authorization to be valid under this paragraph (c), it must be signed or otherwise agreed to by the consumer in writing or electronically and in a retainable format that memorializes the payment transfer terms required under paragraph (c)(2)(i) of this section and, if applicable, the statement required by paragraph (c)(2)(iii) of this section. The signed authorization must be obtained from the consumer no earlier than when the consumer receives the consumer rights notice required by § 1041.9(c) in person or electronically, or the date on which the consumer receives the notice by mail. For purposes of this paragraph (c)(3)(iii)(A), the consumer is considered to have received the notice at the time it is provided to the consumer in person or electronically, or, if the notice is provided by mail, the earlier of the third business day after mailing or the date on which the consumer affirmatively responds to the mailed notice.

(B) *Special requirements for authorization obtained by oral telephone communication.* If the authorization is granted in the course of an oral telephone communication, the lender must record the call and retain the recording.

(C) *Memorialization required.* If the authorization is granted in the course of a recorded telephonic conversation or is otherwise not immediately retainable by the consumer at the time of signature, the lender must provide a memorialization in a retainable form to the consumer by no later than the date on which the first payment transfer authorized by the consumer is initiated. A memorialization may be provided to the consumer by email in accordance with the requirements and conditions in paragraph (c)(3)(ii)(A) of this section.

(4) *Expiration of authorization.* An authorization obtained from a consumer pursuant to this paragraph (c) becomes null and void for purposes of the exception in this paragraph (c) if:

(i) The lender subsequently obtains a new authorization from the consumer pursuant to this paragraph (c); or

(ii) Two consecutive payment transfers initiated pursuant to the consumer's authorization fail, as specified in paragraph (b) of this section.

(d) *Exception for initiating a single immediate payment transfer at the consumer's request.* After a lender's second consecutive payment transfer has failed as specified in paragraph (b) of this section, the lender may initiate a payment transfer from the consumer's account without obtaining the consumer's authorization for additional payment transfers pursuant to paragraph (c) of this section if:

(1) The payment transfer is a single immediate payment transfer at the consumer's request as defined in paragraph (a)(2) of this section; and

(2) The consumer authorizes the underlying one-time electronic fund transfer or provides the underlying signature check to the lender, as applicable, no earlier than the date on which the lender provides to the consumer the consumer rights notice required by § 1041.9(c) or on the date that the consumer affirmatively contacts the lender to discuss repayment options, whichever date is earlier.

(e) *Prohibition against evasion.* A lender must not take any action with the intent of evading the requirements of this section.

### § 1041.9 Disclosure of payment transfer attempts.

(a) *General form of disclosures*—(1) *Clear and conspicuous.* Disclosures required by this section must be clear and conspicuous. Disclosures required by this section may contain commonly accepted or readily understandable abbreviations.

(2) *In writing or electronic delivery.* Disclosures required by this section must be provided in writing or, so long as the requirements of paragraph (a)(4) of this section are satisfied, through electronic delivery. The disclosures must be provided in a form that can be viewed on paper or a screen, as applicable. This paragraph (a)(2) is not satisfied by a disclosure provided orally or through a recorded message.
