(a) Except as provided in § 5.23 of this part, no retail foreign exchange dealer, futures commission merchant, or in the case of an introduced account no introducing broker, may open an account that will engage in retail forex transactions for a retail forex customer, unless the retail foreign exchange dealer, futures commission merchant or introducing broker first:

(1)(i) In the case of a retail foreign exchange dealer or a person required to register as an introducing broker solely by reason of this part, furnishes the retail forex customer with a separate written disclosure statement containing only the language set forth in paragraph (b) of this section and the disclosure required by paragraph (e) of this section;

(b) The language set forth in the written disclosure statement required by paragraph (a) of this section shall be as follows:

RISK DISCLOSURE STATEMENT

OFF-EXCHANGE FOREIGN CURRENCY
TRANSACTIONS INVOLVE THE LEVER-
AGED TRADING OF CONTRACTS DENOMI-
NATED IN FOREIGN CURRENCY CON-
DUCTED WITH A FUTURES COMMISSION
MERCHANT OR A RETAIL FOREIGN EX-
CHANGE DEALER AS YOUR

COUNTERPARTY. BECAUSE OF THE LEVERAGE AND THE OTHER RISKS DISCLOSED HERE, YOU CAN RAPIDLY LOSE ALL OF THE FUNDS YOU DEPOSIT FOR SUCH TRADING AND YOU MAY LOSE MORE THAN YOU DEPOSIT.

YOU SHOULD BE AWARE OF AND CAREFULLY CONSIDER THE FOLLOWING POINTS BEFORE DETERMINING WHETHER SUCH TRADING IS APPROPRIATE FOR YOU.

(1) TRADING IS NOT ON A REGULATED MARKET OR EXCHANGE—YOUR DEALER IS YOUR TRADING PARTNER WHICH IS A DIRECT CONFLICT OF INTEREST. BEFORE YOU ENGAGE IN ANY RETAIL FOREIGN EXCHANGE TRADING, YOU SHOULD CONFIRM THE REGISTRATION STATUS OF YOUR COUNTERPARTY.

The off-exchange foreign currency trading you are entering into is not conducted on an interbank market, nor is it conducted on a futures exchange subject to regulation as a designated contract market by the Commodity Futures Trading Commission. The foreign currency trades you transact are trades with the futures commission merchant or retail foreign exchange dealer as your counterparty. WHEN YOU SELL, THE DEALER IS THE BUYER. WHEN YOU BUY, THE DEALER IS THE SELLER. As a result, when you lose money trading, your dealer is making money on such trades, in addition to any fees, commissions, or spreads the dealer may charge.

(2) AN ELECTRONIC TRADING PLATFORM FOR RETAIL FOREIGN CURRENCY TRANSACTIONS IS NOT AN EXCHANGE. IT IS AN ELECTRONIC CONNECTION FOR ACCESSING YOUR DEALER. THE TERMS OF AVAILABILITY OF SUCH A PLATFORM ARE GOVERNED ONLY BY YOUR CONTRACT WITH YOUR DEALER.

Any trading platform that you may use to enter off-exchange foreign currency transactions is only connected to your futures commission merchant or retail foreign exchange dealer. You are accessing that trading platform only to transact with your dealer. You are not trading with any other entities or customers of the dealer by accessing such platform. The availability and operation of any such platform, including the consequences of the unavailability of the trading platform for any reason, is governed only by the terms of your account agreement with the dealer.

(3) YOUR DEPOSITS WITH THE DEALER HAVE NO REGULATORY PROTECTIONS.

All of your rights associated with your retail forex trading, including the manner and denomination of any payments made to you, are governed by the contract terms established in your account agreement with the futures commission merchant or retail foreign exchange dealer. Funds deposited by you with a futures commission merchant or

retail foreign exchange dealer for trading off-exchange foreign currency transactions are not subject to the customer funds protections provided to customers trading on a contract market that is designated by the Commodity Futures Trading Commission. Your dealer may commingle your funds with its own operating funds or use them for other purposes. In the event your dealer becomes bankrupt, any funds the dealer is holding for you in addition to any amounts owed to you resulting from trading, whether or not any assets are maintained in separate deposit accounts by the dealer, may be treated as an unsecured creditor's claim.

(4) YOU ARE LIMITED TO YOUR DEALER TO OFFSET OR LIQUIDATE ANY TRADING POSITIONS SINCE THE TRANSACTIONS ARE NOT MADE ON AN EXCHANGE OR MARKET, AND YOUR DEALER MAY SET ITS OWN PRICES.

Your ability to close your transactions or offset positions is limited to what your dealer will offer to you, as there is no other market for these transactions. Your dealer may offer any prices it wishes, and it may offer prices derived from outside sources or not in its discretion. Your dealer may establish its prices by offering spreads from third party prices, but it is under no obligation to do so or to continue to do so. Your dealer may offer different prices to different customers at any point in time on its own terms. The terms of your account agreement alone govern the obligations your dealer has to you to offer prices and offer offset or liquidating transactions in your account and make any payments to you. The prices offered by your dealer may or may not reflect prices available elsewhere at any exchange, interbank, or other market for foreign currency.

(5) PAID SOLICITORS MAY HAVE UNDISCLOSED CONFLICTS

The futures commission merchant or retail foreign exchange dealer may compensate introducing brokers for introducing your account in ways which are not disclosed to you. Such paid solicitors are not required to have, and may not have, any special expertise in trading, and may have conflicts of interest based on the method by which they are compensated. Solicitors working on behalf of futures commission merchants and retail foreign exchange dealers are required to register. You should confirm that they are, in fact registered. You should thoroughly investigate the manner in which all such solicitors are compensated and be very cautious in granting any person or entity authority to trade on your behalf. You should always consider obtaining dated written confirmation of any information you are relying on from your dealer or a solicitor in making any trading or account decisions.

FINALLY, YOU SHOULD THOROUGHLY INVESTIGATE ANY STATEMENTS BY

Commodity Futures Trading Commission

§ 5.6

ANY DEALERS OR SALES REPRESENTATIVES WHICH MINIMIZE THE IMPORTANCE OF, OR CONTRADICT, ANY OF THE TERMS OF THIS RISK DISCLOSURE. SUCH STATEMENTS MAY INDICATE POTENTIAL SALES FRAUD.

THIS BRIEF STATEMENT CANNOT, OF COURSE, DISCLOSE ALL THE RISKS AND OTHER ASPECTS OF TRADING OFF-EXCHANGE FOREIGN CURRENCY TRANSACTIONS WITH A FUTURES COMMISSION MERCHANT OR RETAIL FOREIGN EXCHANGE DEALER.

I hereby acknowledge that I have received and understood this risk disclosure statement.

Signature of Customer

(c) The acknowledgment required by paragraph (a) of this section must be retained by the retail foreign exchange dealer, futures commission merchant or introducing broker in accordance with § 1.31 of this chapter.

(d) This section does not relieve a retail foreign exchange dealer, futures commission merchant or introducing broker from any other disclosure obligation it may have under applicable law.

(e)(1) Immediately following the language set forth in paragraph (b) of this section, the statement required by paragraph (a) of this section shall include, for each of the most recent four calendar quarters during which the counterparty maintained retail forex customer accounts:

(i) The total number of non discretionary retail forex customer accounts maintained by the retail foreign exchange dealer or futures commission merchant;

(ii) The percentage of such accounts that were profitable during the quarter; and

(iii) The percentage of such accounts that were not profitable during the quarter.

(2) Identification of retail forex customer accounts for the purpose of this disclosure and the calculation in determining whether each such account was profitable or not profitable must be made in accordance with § 5.18(i) of this part. Such statement of profitable trades shall include the following legend: PAST PERFORMANCE IS NOT

NECESSARILY INDICATIVE OF FUTURE RESULTS. Each retail foreign exchange dealer or futures commission merchant shall provide, upon request, to any retail forex customer or prospective retail forex customer the total number of non discretionary retail forex accounts maintained by such foreign exchange dealer or futures commission merchant, the percentage of such accounts that were profitable and the percentage of such accounts that were not profitable, calculated in accordance with § 5.18(i) of this part, for each calendar quarter during the most recent five year period during which such retail foreign exchange dealer or futures commission merchant maintained non discretionary retail forex customer accounts.

§ 5.6 Maintenance of minimum financial requirements by retail foreign exchange dealers and futures commission merchants offering or engaging in retail forex transactions.

(a) Each futures commission merchant offering or engaging in retail forex transactions or who files an application for registration as a futures commission merchant that will offer or engage in retail forex transactions and each person registered as a retail foreign exchange dealer or who files an application for registration as a retail foreign exchange dealer, who knows or should have known that its adjusted net capital at any time is less than the minimum required by § 5.7 of this part or by the capital rule of a registered futures association of which it is a member, must:

(1) Give telephonic notice, to be confirmed in writing by facsimile notice, that the applicant's or registrant's adjusted net capital is less than that required by § 5.7 of this part. The notice must be given immediately after the applicant or registrant knows or should know that its adjusted net capital is less than that required by any of the aforesaid rules to which the applicant or registrant is subject; and

(2) Provide together with such notice documentation in such form as necessary to adequately reflect the applicant's or registrant's capital condition

§5.6

17 CFR Ch. I (4-1-20 Edition)

as of any date such person's adjusted net capital is less than the minimum required. The applicant or registrant must provide similar documentation for other days as the Commission may request.

(b) Each applicant or registrant, who knows or should have known that its adjusted net capital at any time is less than the greatest of:

(1) \$22,000,000;

(2) 110 percent of the amount required by §5.7(a)(1)(i)(B) of this part; or

(3) 110 percent of the amount of adjusted net capital required by a registered futures association of which the futures commission merchant or retail foreign exchange dealer is a member, must file written notice to that effect within 24 hours of such event.

(c) If an applicant or registrant at any time fails to make or keep current the books and records required by these regulations, such applicant or registrant must, on the same day such event occurs, provide facsimile notice of such fact, specifying the books and records which have not been made or which are not current, and within 48 hours after giving such notice file a written report stating what steps have been and are being taken to correct the situation.

(d) Whenever any applicant or registrant discovers or is notified by an independent public accountant, pursuant to §1.16(e)(2) of this chapter, of the existence of any material inadequacy, as specified in §1.16(d)(2) of this chapter, such applicant or registrant must give facsimile notice of such material inadequacy within 24 hours, and within 48 hours after giving such notice file a written report stating what steps have been and are being taken to correct the material inadequacy.

(e) Whenever any self-regulatory organization learns that a member registrant has failed to file a notice or written report as required by §5.6 of this part, that self-regulatory organization must immediately report this failure by telephone, confirmed in writing immediately by facsimile notice, as provided in paragraph (h) of this section.

(f) A retail foreign exchange dealer or a futures commission merchant offering or engaging in retail forex trans-

actions shall provide written notice of a substantial reduction in capital as compared to that last reported in a financial report filed with the Commission pursuant to §5.12 of this part. This notice shall be provided as follows:

(1) If any event or series of events, including any withdrawal, advance, loan or loss cause, on a net basis, a reduction in net capital of 20 percent or more, notice must be provided within two business days of the event or series of events causing the reduction; and

(2) If the equity capital of the retail foreign exchange dealer or futures commission merchant offering or engaging in retail forex transactions or the equity capital of a subsidiary or affiliate of the retail foreign exchange dealer or futures commission merchant offering or engaging in retail forex transactions consolidated pursuant to §1.17(f) of this chapter would be withdrawn by action of a stockholder or a partner or a limited liability company member or by redemption or repurchase of shares of stock by any of the consolidated entities or through the payment of dividends or any similar distribution, or an unsecured advance or loan would be made to a stockholder, partner, sole proprietor, limited liability company member, employee or affiliate, such that the withdrawal, advance or loan would cause, on a net basis, a reduction in excess adjusted net capital of 30 percent or more, notice must be provided at least two business days prior to the withdrawal, advance or loan that would cause the reduction: Provided, however, That the provisions of paragraphs (f)(1) and (f)(2) of this section do not apply to any retail foreign exchange transaction in the ordinary course of business between a retail foreign exchange dealer and any affiliate where the retail foreign exchange dealer makes payment to or on behalf of such affiliate for such transaction and then receives payment from such affiliate for such transaction within two business days from the date of the transaction.

(3) Upon receipt of such notice from a futures commission merchant offering or engaging in retail forex transactions or a retail foreign exchange dealer, the Director of the Division of Swap Dealer

and Intermediary Oversight or the Director's designee may require that the futures commission merchant offering or engaging in retail forex transactions or retail foreign exchange dealer provide or cause a Material Affiliated Person (as that term is defined in § 5.10(a)(2) of this part) to provide, within three business days from the date of the request or such shorter period as the Director or designee may specify, such other information as the Director or designee determines to be necessary based upon market conditions, reports provided by the retail foreign exchange dealer or futures commission merchant offering or engaging in retail forex transactions, or other available information.

(g) Whenever a person registered as a futures commission merchant offering or engaging in retail forex transactions or a retail foreign exchange dealer knows or should know that the total amount of its retail forex obligation exceeds the amount of the aggregate retail forex assets the registrant maintains in accordance with the provisions of § 5.8 of this chapter, the registrant must report such deficiency immediately by telephone notice, confirmed immediately in writing by facsimile notice.

(h) Every notice and written report required to be given or filed with the Commission by this section by an applicant must be filed with the regional office of the Commission with jurisdiction over the state in which the applicant's principal place of business is located, and with the National Futures Association. Every notice and written report required to be given or filed with the Commission by this section by a registrant or self-regulatory organization must be filed with the regional office of the Commission with jurisdiction over the state in which the registrant's principal place of business is located, and with the registrant's designated self-regulatory organization. In addition, every notice and written report required to be given by this section must also be filed with the Chief Accountant of the Division of Swap Dealer and Intermediary Oversight at the Commission's principal office in Washington, DC.

(i) In lieu of filing paper copies with the Commission, all filings or other notices prepared by a futures commission merchant or retail foreign exchange dealer pursuant to this section may be submitted to the Commission in electronic form using a form of user authentication assigned in accordance with procedures established by or approved by the Commission, and otherwise in accordance with instructions issued by or approved by the Commission, if the futures commission merchant, retail foreign exchange dealer or a designated self-regulatory organization has provided the Commission with the means necessary to read and to process the information contained in such report. Any such electronic submission must clearly indicate the registrant or applicant on whose behalf such filing is made and the use of such user authentication in submitting such filing will constitute and become a substitute for the manual signature of the authorized signer.

§ 5.7 Minimum financial requirements for retail foreign exchange dealers and futures commission merchants offering or engaging in retail forex transactions.

(a)(1)(i) Each futures commission merchant offering or engaging in retail forex transactions and each retail foreign exchange dealer must maintain adjusted net capital equal to or in excess of the greatest of:

- (A) \$20,000,000;
- (B) \$20,000,000 plus five percent of the futures commission merchant's or retail foreign exchange dealer's total retail forex obligation in excess of \$10,000,000;
- (C) any amount required under § 1.17 of this chapter, as applicable; or
- (D) the amount of adjusted net capital required by a registered futures association of which the futures commission merchant or retail foreign exchange dealer is a member.

(ii) Section 1.17 of this chapter shall apply to retail foreign exchange dealers as if such retail foreign exchange dealers were futures commission merchants, or as applicable, applicants or registrants, as stated in § 1.17 for the

§5.7

17 CFR Ch. I (4-1-20 Edition)

purpose of determining the adjusted net capital under this section. For the purpose of applying this section, “applicant” or “registrant” shall include retail foreign exchange dealers and futures commission merchants offering or engaging in retail forex transactions and applicants therefore.

(2) No person applying for registration as a retail foreign exchange dealer or a futures commission merchant that will engage in retail forex transactions shall be so registered unless such person affirmatively demonstrates to the satisfaction of a registered futures association that it complies with the financial requirements of this section.

(3) Each registrant must be in compliance with this section at all times and must be able to demonstrate such compliance to the satisfaction of the Commission or the registrant’s designated self-regulatory organization.

(4) A registrant who is not in compliance with this section, or is unable to demonstrate such compliance as required by paragraph (a)(3) of this section, shall, as directed by and under the supervision of the Commission or the registrant’s designated self-regulatory organization, either liquidate or transfer all retail forex accounts (including the novation of retail forex contracts) and refund or transfer all funds associated with such retail forex accounts and immediately cease offering or engaging in retail forex transactions until such time as the firm is able to demonstrate to the Commission or the registrant’s designated self-regulatory organization such compliance: *Provided, however,* That if such registrant immediately demonstrates to the satisfaction of the Commission or the registrant’s designated self-regulatory organization the ability to achieve compliance, the Commission or the registrant’s designated self-regulatory organization may in its discretion allow such registrant up to a maximum of 10 business days, or such additional time as determined by the Commission, in which to achieve compliance without having to liquidate positions or transfer accounts and cease doing business as required above. Nothing in this paragraph (a)(4) shall be construed as preventing the Commission or the registrant’s designated self-

regulatory organization from taking action against a registrant for non-compliance with any of the provisions of this section.

(b) For the purposes of this section:

(1) Where the applicant or registrant has an asset or liability which is defined in Securities Exchange Act Rule 15c3-1 (§240.15c3-1 of this title) the inclusion or exclusion of all or part of such asset or liability for the computation of adjusted net capital shall be in accordance with §240.15c3-1 of this title, unless specifically stated otherwise in this section or in §1.17 of this chapter.

(2) The adjusted net capital of an applicant or registrant for the purpose of this section shall be determined by the application of §1.17 pursuant to paragraph (a)(1)(ii) of this section, with the following additions:

(i) All positions in retail forex accounts and other financial positions and instruments of the applicant or registrant must be marked to market and adjusted daily by referencing to current market prices or rates of exchange.

(ii) Current assets must exclude any retail forex account which liquidates to a deficit or contains a debit ledger balance only and is not secured in accordance with §1.17(c)(3).

(iii) Current assets must exclude any unsecured receivable accrued from any over-the-counter transaction in foreign currency, options on foreign currency or options on contracts for the purchase or sale of foreign currency, or arising from the deposit of collateral or compensating balances with respect to such transactions, unless such unsecured receivable is from a person who is an eligible contract participant that also is:

(A) A bank or trust company regulated by a United States banking regulator;

(B) A broker-dealer registered with the Securities and Exchange Commission and a member of the Financial Industry Regulatory Authority;

(C) A futures commission merchant registered with the Commission and a member of the National Futures Association;

(D) A retail foreign exchange dealer registered with the Commission and a

member of the National Futures Association;

(E) An entity regulated as a foreign equivalent of any of the persons listed in paragraphs (b)(2)(iii)(A) through (D) of this section, if such person is regulated in a money center country as defined in § 1.49 of this chapter and recognized by the futures commission merchant's or retail foreign exchange dealer's designated self-regulatory organization as a foreign equivalent;

(F) Any other entity approved by the futures commission merchant's or retail foreign exchange dealer's designated self-regulatory organization.

(iv) The value attributed to any retail forex transaction that is an option shall be the difference between the option's exercise value or striking value and the market value of the underlying. In the case of a call, if the market value of the underlying is less than the exercise value or striking value of such call, it shall be given no value; and, in the case of a put, if the market value of the underlying is more than the exercise value or striking value of the put, it shall be given no value.

(v)(A) In computing adjusted net capital, the capital deductions set forth in § 1.17(c)(5)(ii) of this chapter shall apply to retail forex transactions other than options. The capital deductions which apply are six percent for net positions in Euros, British pounds, Canadian dollars, Japanese yen, or Swiss francs and 20 percent for net positions in all other foreign currencies, *Provided, however*, That there shall be no capital deductions for retail forex transactions covered (as defined in § 1.17(j) of this chapter) by the applicant or registrant by open futures contracts to the extent such futures contracts are not otherwise designated as cover for any other net capital purposes. For purposes of this paragraph (b)(2)(v)(A), such retail forex transactions shall be treated as if they were inventory and cover were therefore applicable. A retail foreign exchange dealer or futures commission merchant may not use an affiliate (unless approved by the firm's designated self-regulatory organization) or any person that is considered unregulated under the rules of the firm's designated self-regulatory organization to cover

its currency positions for purposes of this section.

(B) In computing adjusted net capital, the capital deductions set forth in § 1.17(c)(5)(vi) of this chapter shall apply to all retail forex transactions that are options.

(C) For the purpose of applying capital deductions on open proprietary futures positions under § 1.17(c)(5)(x) of this chapter, net or individual positions in retail forex transactions shall not constitute cover under § 1.17(j) for the purpose of applying such charges.

(c) An applicant or registrant must prepare, and keep current, ledgers or other similar records which show or summarize, with appropriate references to supporting documents, each transaction affecting the applicant's or registrant's asset, liability, income, expense and capital accounts, and in which (except as otherwise permitted in writing by the Commission) all the applicant's or registrant's asset, liability and capital accounts are classified into the account classification subdivisions specified on Form 1-FR-FCM. Each applicant or registrant shall prepare and keep current such records.

(d) An applicant or registrant must make and keep as a record in accordance with § 5.14 of this part formal computations of its adjusted net capital and of its minimum financial requirements pursuant to this section as of the close of business each month and on other such dates called for by the Commission, the National Futures Association, or another self-regulatory organization of which the firm is a member. Such computations must be completed and made available for inspection by any representative of the Commission, the National Futures Association, a self-regulatory organization of which the firm is a member, or the United States Department of Justice commencing the first month-end after the date the application for registration is filed.

(e) In computing its adjusted net capital pursuant to §5.7 of this part, a retail foreign exchange dealer or futures commission merchant may not include aggregate retail forex assets as current assets or otherwise record any property received from retail forex customers as an asset without recording a cor-

§5.9 Security deposits for retail forex transactions.

(a) Each futures commission merchant engaging, or offering to engage, in retail forex transactions and each retail foreign exchange dealer must collect from each retail forex customer a minimum security deposit for each retail forex transaction equal to the applicable percentage as set by the registered futures association of which they are a member; *Provided*, that the registered futures association's security deposit requirement cannot be less than:

(d) A major currency pair security deposit percentage is only applicable when both sides of a retail over-the-counter foreign exchange transaction involve major currencies.

(e) Any registered futures association whose members serve as counterparties to retail forex transaction shall designate which currencies are "major

§5.23 Notice of bulk transfers and bulk liquidations.

(a) *Notice and disclosure to retail forex customers of a bulk transfer.* (1) A retail foreign exchange dealer, futures commission merchant or introducing broker must obtain the written prior and specific consent of its retail forex customer to the assignment of any position or transfer of any account of the retail forex customer to another retail foreign exchange dealer, futures commission merchant or introducing broker, unless made at the retail forex customer's request.

(2) Absent a request of the retail forex customer or the consent described in paragraph (a)(1) of this section, assignments of positions and transfers of accounts of retail forex customers may be permitted under rules of the retail forex dealer's, futures commission merchant's, or introducing broker's designated self-regulatory organization that establish notice and other requirements with respect to the assignment of positions and transfers of accounts of retail forex customers. If such rules permit implied consent as a result of the failure of the retail forex customer to object after having received notice of the proposed assignment or transfer, such rules must provide that the notice must include a statement that the retail forex customer is not required to accept the proposed assignment or transfer and may direct the transferor firm to liquidate the positions of the retail forex customer or transfer the account to a firm of the retail forex customer's selection.

(3) For assignments and transfers made under this section, other than at the retail forex customer's request, the transferee retail foreign exchange dealer, futures commission merchant or introducing broker must provide to the retail forex customer the risk disclosure statements and forms of acknowledgment required by part 5 of this chapter and receive the required signed acknowledgments within sixty days of such assignments or transfers.
