

prior to the approval action. Policy actions include all proposed FEDERAL REGISTER policy documents and other policy-related Federal actions (40 CFR 1508.18). The decision as to whether a proposed policy action is categorically excluded from an EA shall be made by the Program Environmental Clearance Officer (PECO) in Headquarters as early as possible. Where the PECO has any doubt as to whether a proposed action qualifies for exclusion, the PECO shall request a determination by the AS/CPD. The EA and FONSI may be combined into a single document.

§ 50.17 Decision points for projects.

Either an EA and FONSI or an EIS for individual projects shall be completed before the applicable program decision points below for projects not meeting the criteria of § 50.20. Compliance with applicable authorities cited in § 50.4 shall be completed before the applicable program decision points below unless the project meets the criteria for exclusion under § 50.19.

(2) *Public Housing: HUD approval of the proposal.*

(3) *Loan Guarantee Recovery Fund Program (24 CFR part 573).* HUD issuance of a letter of commitment or initial equivalent indication of HUD approval.

(b) *Rehabilitation projects.* Use the decision points under “new construction” for HUD programs cited in paragraph (a) of this section; otherwise the decision point is the HUD project approval.

(d) *Property Disposition.* Multifamily structures, college housing, nursing homes, manufactured homes and parks, group practice facilities, vacant land and one to four family structures: HUD approval of the Disposition Program.

cises environmental responsibility under this part where a recipient lacks legal capacity to do so or HUD determines to do so in place of a non-recipient responsible entity under 24 CFR part 58 (see § 50.1(d)), the decision point is: HUD’s execution of an agreement or contract, whichever comes first, or in the case of Section 8 Project-Based Certificate Assistance and Moderate Rehabilitation, HUD notification to the Public Housing Agency to proceed with execution of an Agreement to Enter into Housing Assistance Payments (HAP) Contract.

(f) *Section 50.3(h).* Notwithstanding the other paragraphs of this section, the decision point for grant programs in which HUD approval of funding for an applicant’s program must occur before the applicant’s selection of properties for use in its program is: HUD approval of specific properties.

(g) *Stewart B. McKinney Homeless Assistance Act Programs.* Where the recipients are nonprofit organizations or governmental entities with special or limited purpose powers, the decision point is: HUD project approval.

(h) *Programs not specifically covered in this section.* Consult with the AS/CPD for decision points.

(22) Approval of the sale of a HUD-held mortgage.

(23) Approval of the foreclosure sale of a property with a HUD-held mortgage; however, appropriate restrictions will be imposed to protect historic properties.

(24) HUD guarantees under the Loan Guarantee Recovery Fund Program (24 CFR part 573) of loans that refinance existing loans and mortgages, where any new construction or rehabilitation financed by the existing loan or mortgage has been completed prior to the filing of an application under the program, and the refinancing will not allow further construction or rehabilitation, nor result in any physical impacts or changes except for routine maintenance; however, compliance with §§ 50.4 (b)(1) and (c)(1) and 51.303(a) is required.

(4) Approval of handbooks, notices and other documents that provide operating instructions and procedures in

connection with activities under a FEDERAL REGISTER document that has previously been subject to a required environmental review.

(i) The NOFA specifically refers to the environmental review provisions of the regulation or guideline; or

(ii) The regulation or guideline contains no environmental review provisions because it concerns only activities listed in paragraph (b) of this section.

(6) Statutorily required and/or discretionary establishment and review of interest rates, loan limits, building cost limits, prototype costs, fair market rent schedules, HUD-determined prevailing wage rates, income limits and exclusions with regard to eligibility for or calculation of HUD housing assistance or rental assistance, and similar rate and cost determinations and related external administrative or fiscal requirements or procedures which do not constitute a development decision that affects the physical condition of specific project areas or building sites.
