

which must be included in the submission. The Secretary may request further detailed information, when appropriate.

(d) A party wishing to be approved as a DAPIA shall submit a copy of a manufactured home design that it has approved (or if it has not approved a design, one that it has evaluated and a deviation report showing where the design is not in conformance with the standards) and a copy of a quality assurance manual that it has approved (or if it was not approved a manual, one that it has evaluated and a deviation report showing where the manual is inadequate).

(e) A party wishing to be approved as an IPIA shall submit a copy of a certification report which it has prepared for a manufactured home plant or, if it has not prepared such a report, an evaluation of a manufacturing plant which it has inspected with a description of what changes shall be made before a certification report can be issued. A party that has not previously inspected manufactured homes may nevertheless be accepted on the basis of the qualifications of its personnel and its commitment to perform the required functions.

§ 3282.354 Submittal of false information or refusal to submit information.

The submittal of false information or the refusal to submit information required under this subpart may be sufficient cause for the Secretary to revoke or withhold acceptance.

§ 3282.355 Submission acceptance.

(a) A party whose submission is determined by the Department to be adequate shall be granted provisional acceptance until December 15, 1976, or for a six month period from the date of such determination, whichever is later.

(b) Final acceptance of a party to act as a primary inspection agency will be contingent upon adequate performance during the period of provisional acceptance as determined through monitoring carried out under subpart J and upon satisfactory acceptance under

§ 3282.361(e) or § 3282.362(e). Final acceptance shall be withheld if performance is inadequate.

(c) Continued acceptance as a primary inspection agency shall be contingent upon continued adequacy of performance as determined through monitoring carried out under subpart J. If the Secretary determines that a primary inspection agency that has been granted final acceptance is performing inadequately, the Secretary shall suspend the acceptance, and the primary inspection agency shall be entitled to a Formal or Informal Presentation of Views as set out in subpart D of this part.

§ 3282.356 Disqualification and requalification of primary inspection agencies.

(a) The Secretary, based on monitoring reports or on other reliable information, may determine that a primary inspection agency which has been accepted under this subpart is not adequately carrying out one or more of its required functions. In so determining, the Secretary shall consider the impact of disqualification on manufacturers and other affected parties and shall seek to assure that the manufacturing process is not disrupted unnecessarily. Whenever the Secretary disqualifies a primary inspection agency under this section, the primary inspection agency shall have a right to a Formal or Informal Presentation of Views under subpart D of this part.

(b) Interested persons may petition the Secretary to disqualify a primary inspection agency under the provisions of § 3282.156(b).

(c) A primary inspection agency which has been disqualified under paragraph (a) may resubmit an application under § 3282.353. The submission shall include a full explanation of how problems or inadequacies which resulted in disqualifications have been rectified and how the primary inspection agency shall assure that such problems shall not recur.

(d) When appropriate, the Secretary shall publish in the FEDERAL REGISTER or otherwise make available to the

public for comment a disqualified PIA's application for requalification, subject to the provisions of § 3282.54.

(e) Both provisional and final acceptance of any IPIA (or DAPIA) automatically expires at the end of any period of one year during which it has not acted as an IPIA (or DAPIA). An IPIA (or DAPIA) has not acted as such unless it has actively performed its services as an IPIA (or DAPIA) for at least one manufacturer by which it has been selected. An IPIA (or DAPIA) whose acceptance has expired pursuant to this section may resubmit an application under § 3282.353 in order to again be qualified as an IPIA (or DAPIA), when it can show a bona fide prospect of performing IPIA (or DAPIA) services.

[41 FR 19852, May 13, 1976, as amended at 45 FR 59311, Sept. 9, 1980; 51 FR 34468, Sept. 29, 1986]

§ 3282.357 Background and experience.

All private organizations shall submit statements of the organizations' experience in the housing industry, including a list of housing products, equipment, and structures for which evaluation, testing and follow-up inspection services have been furnished. They shall also submit statements regarding the length of time these services have been provided by them. In addition, all such submissions shall include a list of other products for which the submitting party provides evaluation, inspection, and listing or labeling services and the standard applied to each product, as well as the length of time it has provided these additional services.

§ 3282.358 Personnel.

(a) Each primary inspection agency shall have qualified personnel capable of carrying out all of the functions for which the primary inspection agency is seeking to be approved or disapproved. Where a State intends to act as the exclusive IPIA in the State, it shall show that it has adequate personnel to so act in all plants in the State.

(b) Each submission shall indicate the total number of personnel employed by the submitting party, the number of personnel available for this program, and the locations of the ac-

tivities of the personnel to be used in the program.

(c) Each submission shall include the names and qualifications of the administrator and the supervisor who will be directly responsible for the program, and résumés of their experience.

(d) Each submission shall contain the information set out in paragraphs (d)(1) through (d)(9) of this section. Depending upon the functions (DAPIA or IPIA) to be undertaken by a particular primary inspection agency, some of the categories of personnel listed may not be required. In such cases, the submission should indicate which of the categories of information are not required and explain why they are not needed. The submission should identify which personnel will carry out each of the functions the party plans to perform. The qualifications of the personnel to perform one or more of the functions will be judged in accordance with the requirements of ASTM Standard E-541 except that the requirement for registration as a professional engineer or architect may be waived for personnel whose qualifications by experience or education equal those of a registered engineer or architect. The categories of personnel to be included in the submission are as follows:

(1) The names of engineers practicing structural engineering who will be involved in the evaluation, testing, or followup inspection services, and résumés of their experience.

(2) The names of engineers practicing mechanical engineering who will be involved in the evaluation, testing, or followup, inspection services and résumés of their experience.

(3) The names of engineers practicing electrical engineering who will be involved in the evaluation, testing, or followup inspection services and résumés of their experience.

(4) The names of engineers practicing fire protection engineering who will be involved in the evaluation, testing, or followup inspection services, and résumés of their experience.

(5) The names of all other engineers assigned to this program, the capacity in which they will be employed, and résumés of their experience.
