

§ 168.11 Range improvements; ownership; new construction.

Except as provided by the Relocation Act, range improvements placed on the permitted land shall be considered affixed to the land unless specifically excepted therefrom under the permit terms. Written permission to construct or remove improvements must be obtained from the Hopi Tribe.

§ 168.12 Special permit requirements and provisions.

All grazing permits shall contain the following provisions:

(a) Because the lands covered by the permit are in trust status, all of the permittees' obligations on the permit and the obligations of his sureties are to the United States as well as to the beneficial owners of the lands.

(b) The permittee agrees he will not use, cause, or allow to be used any part of the permitted area for any unlawful conduct or purpose.

(c) The permit authorizes only the grazing of livestock.

§ 168.13 Fences.

Fencing will be erected by the Federal Government around the perimeter of the 1882 Executive Order Area, Land Management District 6, and on the boundary of the former Joint Use Area partitioned to each tribe by the Judgment of Partition of April 18, 1979. Fencing of other areas in the former Joint Use Area will be required for a range recovery program in accordance with the range units established under § 168.4. Such fencing shall be erected at Government expense and ownership shall be clearly identified by appropriate posting on the fencing. Intentional destruction of Federal property will be treated as a violation of 18 U.S.C. 1164.

§ 168.14 Livestock trespass.

The owner of any livestock grazing in trespass on the Hopi Partitioned Lands Area is liable to a civil penalty of \$1 per head per day for each animal in trespass, together with the replacement value of the forage consumed and a reasonable value for damages to property injured or destroyed. The Superintendent may take appropriate action to collect all such penalties and dam-

(e) Grazing livestock in excess of those numbers and kinds authorized on a livestock grazing permit approved by the Area Director.

§ 168.15 Control of livestock diseases and parasites.

Whenever livestock within the Hopi Partitioned Lands become infected with contagious or infectious diseases or parasites or have been exposed thereto, such livestock must be treated and the movement thereof restricted in accordance with applicable laws.

§ 168.16 Impoundment and disposal of unauthorized livestock.

Unauthorized livestock within any range unit of the Hopi Partitioned Lands which are not removed therefrom within the periods prescribed by the regulation will be impounded and disposed of by the Superintendent as provided herein.

(a) When the Area Director determines that unauthorized livestock use is occurring and has definite knowledge of the kind of unauthorized livestock, and knows the name and address of the owners, such livestock may be impounded any time five days after written notice of intent to impound unauthorized livestock is mailed by certified mail or personally delivered to such owners or their agent.

(b) When the Area Director determines that unauthorized livestock use is occurring but does not have complete knowledge of the number and

class of livestock or if the name and address of the owner thereof are unknown, such livestock will be impounded anytime 15 days after the date of a General Notice of Intent to Impound unauthorized livestock is first published in the local newspaper, posted at the nearest chapter house, and in one or more local trading posts.

(c) Unauthorized livestock on the Hopi Partitioned Lands which are owned by persons given notice under paragraph (a) of this section, and any unauthorized livestock in areas for which a notice has been posted and published under paragraph (b) of this section, will be impounded without further notice anytime within the twelve-month period immediately following the effective date of the notice.

(d) Following the impoundment of unauthorized livestock a notice of sale of impounded livestock will be published in the local newspaper, posted at the nearest chapter house, and in one or more local trading posts. The notice will describe the livestock and specify the date, time and place of sale. The date set shall be at least 5 days after the publication and posting of such notice.

(e) The owners or their agent may redeem the livestock anytime before the time set for the sale by submitting proof of ownership and paying for all expenses incurred in gathering, impounding and feeding or pasturing the livestock and any trespass fees and/or damages caused by the animals.

(f) Livestock erroneously impounded shall be returned to the rightful owner and all expenses accruing thereto shall be waived.

(g) If the livestock are not redeemed before the time fixed for their sale, they shall be sold at public sale to the highest bidder, provided his bid is at or above the minimum amount set by the Superintendent based upon U.S.D.A.'s current Agricultural Statistic's Report for Arizona. If a bid at or above the minimum is not received the livestock may be sold at private sale at or above the minimum amount, reoffered at public sale, condemned and destroyed, or otherwise disposed of. When livestock are sold pursuant to this regulation, the superintendent shall furnish

the buyer a bill of sale or other written instrument evidencing the sale.

(h) The proceeds of any sale of impounded livestock shall be applied as follows:

(1) To the payment of all expenses incurred by the United States in gathering, impounding, and feeding or pasturing the livestock;

(2) In payment of any penalties or damages assessed pursuant to §168.14 of this part which penalties or damages shall be credited to the Hopi tribe as provided in said section;

(3) Any remaining amount shall be paid over to the owner of said livestock upon his submitting proof of ownership.
