border” means the vehicle is operated or transported within one mile of a United States land border. Participating States or localities may implement this provision in accordance with local conditions, provided that a participating State or locality may not extend the applicable geographic area beyond one mile from the United States land border. By enrolling in a program with this condition, the owner must state that the vehicle is not normally driven across a border or into a port, and that the owner understands that the operation or transport of the vehicle within a mile of a United States land border or into a port provides sufficient grounds for a law enforcement officer to believe that the vehicle is not being operated by or with the consent of the owner even if the law enforcement officer has no other basis for believing that the vehicle is being operated unlawfully.

§ 29.13 No new conditions without consent.

After the program has begun, new conditions under which a vehicle may be stopped may only be added to an existing program if the owner consents to the new condition or conditions.

§ 30.4 What are the Attorney General's general responsibilities under the Order?

(c) In considering comments received under these regulations, the Attorney General considers the objectives set forth in 31 U.S.C. 6506(b).

§ 30.5 What is the Attorney General's obligation with respect to Federal interagency coordination?

(1) The state has not adopted a process under the Order; or

(2) The assistance or development involves a program or activity not selected for the state process.

This notice may be made by publication in the FEDERAL REGISTER or other means which the Department in its discretion deems appropriate.

§ 30.8 How does the Attorney General provide an opportunity to comment on proposed Federal financial assistance and direct Federal development?

(a) Except in unusual circumstances, the Attorney General gives state processes or directly affected state, areawide, regional, and local officials and entities:

(1) At least 30 days from the date established by the Attorney General to comment on proposed federal financial assistance in the form of noncompeting continuation awards; and

(2) At least 60 days from the date established by the Attorney General to comment on proposed direct federal de-

(b) This section also applies to comments in cases in which the review, coordination, and communication with the Department have been delegated.

(c) Applicants for programs and activities subject to section 204 of the Demonstration Cities and Metropolitan Act shall allow areawide agencies a 60-day opportunity for review and comments.

§ 30.9 How does the Attorney General receive and respond to comments?

(2) That office or official transmits a state process recommendation for a program selected under § 30.6.

(b)(1) The single point of contact is not obligated to transmit comments from state, areawide, regional, or local officials and entities where there is no state process recommendation.

(2) If a state process recommendation is transmitted by a single point of contact, all comments from state, areawide, regional, and local officials and entities that differ from it must also be transmitted.

(c) If a state has not established a process, or is unable to submit a state process recommendation, state, areawide, regional, and local officials and entities may submit comments either to the applicant or to the Department.

(d) If a program or activity is not selected for a state process, state, areawide, regional, and local officials and entities may submit comments either to the applicant or to the Department. In addition, if a state process recommendation for a nonselected program or activity is transmitted to the Department by the single point of contact, the Attorney General follows the procedures of § 30.10 of this part.

(e) The Attorney General considers comments which do not constitute a state process recommendation submitted under these regulations and for

§ 30.10

28 CFR Ch. I (7–1–20 Edition)

which the Attorney General is not required to apply the procedures of § 30.10 of this part, when such comments are provided by a single point of contact, by the applicant, or directly to the Department by a commenting party.

§ 30.10 How does the Attorney General make efforts to accommodate inter-governmental concerns?

(a) If a state process provides a state process recommendation to the Department through its single point of contact, the Attorney General either:

(1) Accepts the recommendation;

(2) Reaches a mutually agreeable solution with the state process; or

(3) Provides the single point of contact with a written explanation of the decision, in such form as the Attorney General in his or her discretion deems appropriate. The Attorney General may also supplement the written explanation by providing the explanation to the single point of contact by telephone, other telecommunication, or other means.

(b) In any explanation under paragraph (a)(3) of this section, the Attorney General informs the single point of contact that:

(1) The Department will not implement its decision for at least ten days after the single point of contact receives the explanation; or

(2) The Attorney General has reviewed the decision and determined that, because of unusual circumstances, the waiting period of at least ten days is not feasible.

(c) For purposes of computing the waiting period under paragraph (b)(1) of this section, a single point of contact is presumed to have received written notification five days after the date of mailing of such notification.

§ 30.11 What are the Attorney General's obligations in interstate situations?

(a) The Attorney General is responsible for:

(1) Identifying proposed federal financial assistance and direct federal development that have an impact on interstate areas;

(4) Responding pursuant to § 30.10 if the Attorney General receives a recommendation from a designated areawide agency transmitted by a single point of contact in cases in which the review, coordination, and communication with the Department have been delegated.

(b) The Attorney General uses the procedures in § 30.10 if a state process provides a state process recommendation to the Department through a single point of contact.

§ 30.12 How may a state simplify, consolidate, or substitute federally required state plans?

(a) As used in this section:

(1) *Simplify* means that a state may develop its own format, choose its own submission date, and select the planning period for a state plan.

(2) *Consolidate* means that a state may meet statutory and regulatory requirements by combining two or more plans into one document and that the state can select the format, submission date, and planning period for the consolidated plan.

(3) *Substitute* means that a state may use a plan or other document that it has developed for its own purposes to meet federal requirements.

(b) If not inconsistent with law, a state may decide to try to simplify, consolidate, or substitute federally required state plans without prior approval by the Attorney General.

(c) The Attorney General reviews each state plan that a state has simplified, consolidated, or substituted and accepts the plan only if its contents meet federal requirements.
