Natural Resources Revenue Off., Interior

(b) In the event that a value cannot be established in accordance with paragraph (a) of this section, then the value of production will be determined in accordance with §1206.257(c)(2)(v) of this subpart and the value shall be the lessee's gross proceeds accruing from the disposition of the enhanced product, reduced by ONRR-approved processing costs and procedures including a rate of return on investment equal to two times the Standard and Poor's BBB applicable rate under 1206.259(b)(2)(v) of this subpart.

Subpart G—Other Solid Minerals

§ 1206.301 Value basis for royalty computation.

- (a) The gross value for royalty purposes shall be the sale or contract unit price times the number of units sold, *Provided, however*, That where the authorized officer determines:
- (1) That a contract of sale or other business arrangement between the lessee and a purchaser of some or all of the commodities produced from the lease is not a bona fide transaction between independent parties because it is based in whole or in part upon considerations other than the value of the commodities, or
- (2) That no bona fide sales price is received for some or all of such commodities because the lessee is consuming them, the authorized officer shall determine their gross value, taking into account: (i) All prices received by the lessee in all bona fide transactions, (ii) Prices paid for commodities of like quality produced from the same general area, and (iii) Such other relevant factors as the authorized officer may deem appropriate; and Provided further, That in a situation where an estimated value is used, the authorized officer shall require the payment of such additional royalties, or allow such credits or refunds as may be necessary to adjust royalty payment to reflect the actual gross value.
- (b) The lessee is required to certify that the values reported for royalty purposes are bona fide sales not involving considerations other than the sale of the mineral, and he may be required

by the authorized officer to supply supporting information.

Subpart H—Geothermal Resources

Source: 72 FR 24459, May 2, 2007, unless otherwise noted.

§ 1206.350 What is the purpose of this subpart?

- (a) This subpart applies to all geothermal resources produced from Federal geothermal leases issued pursuant to the Geothermal Steam Act of 1970 (GSA), as amended by the Energy Policy Act of 2005 (EPAct) (30 U.S.C. 1001 et seq.). The purpose of this subpart is to prescribe how to calculate royalties and direct use fees for geothermal production.
- (b) The ONRR may audit and adjust all royalty and fee payments.
- (c) In some cases, the regulations in this subpart may be inconsistent with a statute, settlement agreement, written agreement, or lease provision. If this happens, the statute, settlement agreement, written agreement, or lease provision will govern to the extent of the inconsistency. For purposes of this paragraph, the following definitions apply:
- (1) "Settlement agreement" means a settlement agreement between the United States and a lessee resulting from administrative or judicial litigation.
- (2) "Written agreement" means a written agreement between the lessee and the ONRR Director or Assistant Secretary, Policy, Management and Budget of the Department of the Interior that:
- (i) Establishes a method to determine the royalty from any lease that ONRR expects at least would approximate the value or royalty established under this subpart; and
- (ii) Includes a value or gross proceeds determination under \$1206.364 of this subpart.
