**§ 1026.220 Customer identification programs for futures commission merchants and introducing brokers.**

(a) *Customer identification program: Minimum requirements*—(1) *In general.* Each futures commission merchant and introducing broker must implement a written Customer Identification Program (CIP) appropriate for its size and business that, at a minimum, includes each of the requirements of paragraphs (a)(1) through (a)(5) of this section. The CIP must be a part of each futures commission merchant's and intro-

ducing broker's anti-money laundering compliance program required under 31 U.S.C. 5318(h).

(2) *Identity verification procedures.* The CIP must include risk-based procedures for verifying the identity of each customer to the extent reasonable and practicable. The procedures must enable each futures commission merchant and introducing broker to form a reasonable belief that it knows the true identity of each customer. The procedures must be based on the futures commission merchant's or introducing broker's assessment of the relevant risks, including those presented by the various types of accounts maintained, the various methods of opening accounts, the various types of identifying information available, and the futures commission merchant's or introducing broker's size, location and customer base. At a minimum, these procedures must contain the elements described in paragraph (a)(2) of this section.

(i)(A) *Customer information required.* The CIP must include procedures for opening an account that specify identifying information that will be obtained from each customer. Except as permitted by paragraph (a)(2)(i)(B) of this section, each futures commission merchant and introducing broker must obtain, at a minimum, the following information prior to opening an account:

(1) Name;

(2) Date of birth, for an individual;

(3) Address, which shall be:

(i) For an individual, a residential or business street address;

(ii) For an individual who does not have a residential or business street address, an Army Post Office (APO) or Fleet Post Office (FPO) box number, or the residential or business street address of a next of kin or another contact individual; or

(iii) For a person other than an individual (such as a corporation, partnership or trust), a principal place of business, local office or other physical location; and

(4) Identification number, which shall be:

(i) For a U.S. person, a taxpayer identification number; or

(ii) For a non-U.S. person, one or more of the following: A taxpayer identification number, a passport number and country of issuance, an alien identification card number, or the number and country of issuance of any other government-issued document evidencing nationality or residence and bearing a photograph or similar safeguard.

NOTE TO PARAGRAPH (a)(2)(i)(A)(4)(ii): When opening an account for a foreign business or enterprise that does not have an identification number, the futures commission merchant or introducing broker must request alternative government-issued documentation certifying the existence of the business or enterprise.

(B) *Exception for persons applying for a taxpayer identification number.* Instead of obtaining a taxpayer identification number from a customer prior to opening an account, the CIP may include procedures for opening an account for a customer that has applied for, but has not received, a taxpayer identification number. In this case, the CIP must include procedures to confirm that the application was filed before the customer opens the account and to obtain the taxpayer identification number within a reasonable period of time after the account is opened.

(ii) *Customer verification.* The CIP must contain procedures for verifying the identity of each customer, using information obtained in accordance with paragraph (a)(2)(i) of this section, within a reasonable time before or after the customer's account is opened. The procedures must describe when the futures commission merchant or introducing broker will use documents, non-documentary methods, or a combination of both methods, as described in this paragraph (a)(2)(ii).

(A) *Verification through documents.* For a futures commission merchant or introducing broker relying on documents, the CIP must contain procedures that set forth the documents the futures commission merchant or introducing broker will use. These documents may include:

(1) For an individual, an unexpired government-issued identification evidencing nationality or residence and bearing a photograph or similar safeguard, such as a driver's license or passport; and

(2) For a person other than an individual (such as a corporation, partnership or trust), documents showing the existence of the entity, such as certified articles of incorporation, a government-issued business license, a partnership agreement, or a trust instrument.

(B) *Verification through non-documentary methods.* For a futures commission merchant or introducing broker relying on non-documentary methods, the CIP must contain procedures that set forth the non-documentary methods the futures commission merchant or introducing broker will use.

(1) These methods may include contacting a customer; independently verifying the customer's identity through the comparison of information provided by the customer with information obtained from a consumer reporting agency, public database, or other source; checking references with other financial institutions; or obtaining a financial statement.

(2) The futures commission merchant's or introducing broker's non-documentary procedures must address situations where an individual is unable to present an unexpired government-issued identification document that bears a photograph or similar safeguard; the futures commission merchant or introducing broker is not familiar with the documents presented; the account is opened without obtaining documents; the customer opens the account without appearing in person at the futures commission merchant or introducing broker; and where the futures commission merchant or introducing broker is otherwise presented with circumstances that increase the risk that the futures commission merchant or introducing broker will be unable to verify the true identity of a customer through documents.

(C) *Additional verification for certain customers.* The CIP must address situations where, based on the futures commission merchant's or introducing broker's risk assessment of a new account opened by a customer that is not an individual, the futures commission merchant or introducing broker will obtain information about individuals with authority or control over such account in order to verify the customer's identity.

This verification method applies only when the futures commission merchant or introducing broker cannot verify the customer's true identity after using the verification methods described in paragraphs (a)(2)(ii)(A) and (B) of this section.

(iii) *Lack of verification.* The CIP must include procedures for responding to circumstances in which the futures commission merchant or introducing broker cannot form a reasonable belief that it knows the true identity of a customer. These procedures should describe:

(A) When an account should not be opened;

(B) The terms under which a customer may conduct transactions while the futures commission merchant or introducing broker attempts to verify the customer's identity;

(C) When an account should be closed after attempts to verify a customer's identity have failed; and

(D) When the futures commission merchant or introducing broker should file a Suspicious Activity Report in accordance with applicable law and regulation.

(3) *Recordkeeping.* The CIP must include procedures for making and maintaining a record of all information obtained under procedures implementing paragraph (a) of this section.

(i) *Required records.* At a minimum, the record must include:

(A) All identifying information about a customer obtained under paragraph (a)(2)(i) of this section;

(B) A description of any document that was relied on under paragraph (a)(2)(ii)(A) of this section noting the type of document, any identification number contained in the document, the place of issuance, and if any, the date of issuance and expiration date;

(C) A description of the methods and the results of any measures undertaken to verify the identity of a customer under paragraphs (a)(2)(ii)(B) and (C) of this section; and

(D) A description of the resolution of each substantive discrepancy discovered when verifying the identifying information obtained.

(ii) *Retention of records.* Each futures commission merchant and introducing broker must retain the records made

under paragraph (a)(3)(i)(A) of this section for five years after the account is closed and the records made under paragraphs (a)(3)(i)(B), (C), and (D) of this section for five years after the record is made. In all other respects, the records must be maintained pursuant to the provisions of 17 CFR 1.31.

(4) *Comparison with government lists.* The CIP must include procedures for determining whether a customer appears on any list of known or suspected terrorists or terrorist organizations issued by any Federal government agency and designated as such by Treasury in consultation with the Federal functional regulators. The procedures must require the futures commission merchant or introducing broker to make such a determination within a reasonable period of time after the account is opened, or earlier if required by another Federal law or regulation or Federal directive issued in connection with the applicable list. The procedures also must require the futures commission merchant or introducing broker to follow all Federal directives issued in connection with such lists.

(5)(i) *Customer notice.* The CIP must include procedures for providing customers with adequate notice that the futures commission merchant or introducing broker is requesting information to verify their identities.

(ii) *Adequate notice.* Notice is adequate if the futures commission merchant or introducing broker generally describes the identification requirements of this section and provides such notice in a manner reasonably designed to ensure that a customer is able to view the notice, or is otherwise given notice, before opening an account. For example, depending upon the manner in which the account is opened, a futures commission merchant or introducing broker may post a notice in the lobby or on its Web site, include the notice on its account applications or use any other form of written or oral notice.

(iii) *Sample notice.* If appropriate, a futures commission merchant or introducing broker may use the following sample language to provide notice to its customers:

## § 1026.300

### Important Information About Procedures for Opening a New Account

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

(6) *Reliance on another financial institution.* The CIP may include procedures specifying when the futures commission merchant or introducing broker will rely on the performance by another financial institution (including an affiliate) of any procedures of its CIP, with respect to any customer of the futures commission merchant or introducing broker that is opening an account, or has established an account or similar business relationship with the other financial institution to provide or engage in services, dealings, or other financial transactions, provided that:

(i) Such reliance is reasonable under the circumstances;

(ii) The other financial institution is subject to a rule implementing 31 U.S.C. 5318(h), and is regulated by a Federal functional regulator; and

(iii) The other financial institution enters into a contract requiring it to certify annually to the futures commission merchant or introducing broker that it has implemented its anti-money laundering program, and that it will perform (or its agent will perform) specified requirements of the futures commission merchant's or introducing broker's CIP.

(b) *Exemptions.* The CFTC, with the concurrence of the Secretary, may by order or regulation exempt any futures commission merchant or introducing broker that registers with the CFTC or any type of account from the requirements of this section. In issuing such exemptions, the CFTC and the Secretary shall consider whether the exemption is consistent with the purposes of the Bank Secrecy Act, and in the public interest, and may consider other necessary and appropriate factors.

## 31 CFR Ch. X (7-1-20 Edition)

(c) *Other requirements unaffected.* Nothing in this section relieves a futures commission merchant or introducing broker of its obligation to comply with any other provision of this chapter, including provisions concerning information that must be obtained, verified, or maintained in connection with any account or transaction.

**§ 1026.320 Reports by futures commission merchants and introducing brokers in commodities of suspicious transactions.**

(a) *General*—(1) Every futures commission merchant (“FCM”) and introducing broker in commodities (“IB-C”) within the United States shall file with FinCEN, to the extent and in the manner required by this section, a report of any suspicious transaction relevant to a possible violation of law or regulation. An FCM or IB-C may also file with FinCEN a report of any suspicious transaction that it believes is relevant to the possible violation of any law or regulation but whose reporting is not required by this section. Filing a report of a suspicious transaction does not relieve an FCM or IB-C from the responsibility of complying with any other reporting requirements imposed by the CFTC or any registered futures association or registered entity as those terms are defined in the Commodity Exchange Act (“CEA”), 7 U.S.C. 21 and 7 U.S.C. 1a(29).

(2) A transaction requires reporting under the terms of this section if it is conducted or attempted by, at, or through an FCM or IB-C, it involves or aggregates funds or other assets of at least \$5,000, and the FCM or IB-C knows, suspects, or has reason to suspect that the transaction (or a pattern

of transactions of which the transaction is a part):

(i) Involves funds derived from illegal activity or is intended or conducted in order to hide or disguise funds or assets derived from illegal activity (including, without limitation, the ownership, nature, source, location, or control of such funds or assets) as part of a plan to violate or evade any Federal law or regulation or to avoid any transaction reporting requirement under Federal law or regulation;

(ii) Is designed, whether through structuring or other means, to evade any requirements of this chapter or of any other regulations promulgated under the Bank Secrecy Act;

(iii) Has no business or apparent lawful purpose or is not the sort in which the particular customer would normally be expected to engage, and the FCM or IB-C knows of no reasonable explanation for the transaction after examining the available facts, including the background and possible purpose of the transaction; or

(iv) Involves use of the FCM or IB-C to facilitate criminal activity.

(3) The obligation to identify and properly and timely to report a suspicious transaction rests with each FCM and IB-C involved in the transaction, provided that no more than one report is required to be filed by any of the FCMs or IB-Cs involved in a particular transaction, so long as the report filed contains all relevant facts.

(b) *Filing procedures*—(1) *What to file.* A suspicious transaction shall be reported by completing a Suspicious Activity Report (“SAR”), and collecting and maintaining supporting documentation as required by paragraph (d) of this section.

(2) *Where to file.* The SAR shall be filed with FinCEN in a central location, to be determined by FinCEN, as indicated in the instructions to the SAR.

(3) *When to file.* A SAR shall be filed no later than 30 calendar days after the date of the initial detection by the reporting FCM or IB-C of facts that may constitute a basis for filing a SAR under this section. If no suspect is identified on the date of such initial detection, an FCM or IB-C may delay

filing a SAR for an additional 30 calendar days to identify a suspect, but in no case shall reporting be delayed more than 60 calendar days after the date of such initial detection. In situations involving violations that require immediate attention, such as terrorist financing or ongoing money laundering schemes, the FCM or IB-C shall immediately notify by telephone an appropriate law enforcement authority in addition to filing timely a SAR. FCMs and IB-Cs wishing voluntarily to report suspicious transactions that may relate to terrorist activity may call FinCEN's Financial Institutions Hotline at 1-866-556-3974 in addition to filing timely a SAR if required by this section. The FCM or IB-C may also, but is not required to, contact the CFTC to report in such situations.

(c) *Exceptions.* (1) An FCM or IB-C is not required to file a SAR to report—

(i) A robbery or burglary committed or attempted of the FCM or IB-C that is reported to appropriate law enforcement authorities;

(ii) A violation otherwise required to be reported under the CEA (7 U.S.C. 1 *et seq.*), the regulations of the CFTC (17 CFR chapter I), or the rules of any registered futures association or registered entity as those terms are defined in the CEA, 7 U.S.C. 21 and 7 U.S.C. 1a(29), by the FCM or IB-C or any of its officers, directors, employees, or associated persons, other than a violation of 17 CFR 42.2, as long as such violation is appropriately reported to the CFTC or a registered futures association or registered entity.

(2) An FCM or IB-C may be required to demonstrate that it has relied on an exception in paragraph (c)(1) of this section, and must maintain records of its determinations to do so for the period specified in paragraph (d) of this section. To the extent that a Form 8-R, 8-T, U-5, or any other similar form concerning the transaction is filed consistent with CFTC, registered futures association, or registered entity rules, a copy of that form will be a sufficient record for the purposes of this paragraph (c)(2).

(d) *Retention of records.* An FCM or IB-C shall maintain a copy of any SAR filed and the original or business record equivalent of any supporting

documentation for a period of five years from the date of filing the SAR. Supporting documentation shall be identified as such and maintained by the FCM or IB-C, and shall be deemed to have been filed with the SAR. An FCM or IB-C shall make all supporting documentation available to FinCEN or any Federal, State, or local law enforcement agency, or any Federal regulatory authority that examines the FCM or IB-C for compliance with the BSA, upon request; or to any registered futures association or registered entity (as defined in the Commodity Exchange Act, 7 U.S.C. 21 and 7 U.S.C. 1(a)(29)) (collectively, a self-regulatory organization ("SRO")) that examines the FCM or IB-C for compliance with the requirements of this section, upon the request of the Commodity Futures Trading Commission.

(e) *Confidentiality of SARs.* A SAR, and any information that would reveal the existence of a SAR, are confidential and shall not be disclosed except as authorized in this paragraph (e). For purposes of this paragraph (e) only, a SAR shall include any suspicious activity report filed with FinCEN pursuant to any regulation in this chapter.

(1) *Prohibition on disclosures by futures commission merchants and introducing brokers in commodities—(i) General rule.* No FCM or IB-C, and no director, officer, employee, or agent of any FCM or IB-C, shall disclose a SAR or any information that would reveal the existence of a SAR. Any FCM or IB-C, and any director, officer, employee, or agent of any FCM or IB-C that is subpoenaed or otherwise requested to disclose a SAR or any information that would reveal the existence of a SAR, shall decline to produce the SAR or such information, citing this section and 31 U.S.C. 5318(g)(2)(A)(i), and shall notify FinCEN of any such request and the response thereto.

(ii) *Rules of Construction.* Provided that no person involved in any reported suspicious transaction is notified that the transaction has been reported, this paragraph (e)(1) shall not be construed as prohibiting:

(A) The disclosure by an FCM or IB-C, or any director, officer, employee, or agent of an FCM or IB-C, of:

(1) A SAR, or any information that would reveal the existence of a SAR, to FinCEN or any Federal, State, or local law enforcement agency, or any Federal regulatory authority that examines the FCM or IB-C for compliance with the BSA; or to any SRO that examines the FCM or IB-C for compliance with the requirements of this section, upon the request of the Commodity Futures Trading Commission; or

(2) The underlying facts, transactions, and documents upon which a SAR is based, including but not limited to, disclosures:

(i) To another financial institution, or any director, officer, employee, or agent of a financial institution, for the preparation of a joint SAR; or

(ii) In connection with certain employment references or termination notices, to the full extent authorized in 31 U.S.C. 5318(g)(2)(B); or

(B) The sharing by an FCM or IB-C, or any director, officer, employee, or agent of the FCM or IB-C, of a SAR, or any information that would reveal the existence of a SAR, within the FCM's or IB-C's corporate organizational structure for purposes consistent with Title II of the BSA as determined by regulation or in guidance.

(2) *Prohibition on disclosures by government authorities.* A Federal, State, local, territorial, or Tribal government authority, or any director, officer, employee, or agent of any of the foregoing, shall not disclose a SAR, or any information that would reveal the existence of a SAR, except as necessary to fulfill official duties consistent with Title II of the BSA. For purposes of this section, "official duties" shall not include the disclosure of a SAR, or any information that would reveal the existence of a SAR, in response to a request for disclosure of non-public information or a request for use in a private legal proceeding, including a request pursuant to 31 CFR 1.11.

(3) *Prohibition on disclosures by Self-Regulatory Organizations.* Any self-regulatory organization registered with or designated by the Commodity Futures Trading Commission, or any director, officer, employee, or agent of any of the foregoing, shall not disclose a SAR, or any information that would reveal

the existence of a SAR except as necessary to fulfill self-regulatory duties upon the request of the Commodity Futures Trading Commission, in a manner consistent with Title II of the BSA. For purposes of this section, "self-regulatory duties" shall not include the disclosure of a SAR, or any information that would reveal the existence of a SAR, in response to a request for disclosure of non-public information or a request for use in a private legal proceeding.

(f) *Limitation on liability.* An FCM or IB-C, and any director, officer, employee, or agent of any FCM or IB-C, that makes a voluntary disclosure of any possible violation of law or regulation to a government agency or makes a disclosure pursuant to this section or any other authority, including a disclosure made jointly with another institution, shall be protected from liability to any person for any such disclosure, or for failure to provide notice of such disclosure to any person identified in the disclosure, or both, to the full extent provided by 31 U.S.C. 5318(g)(3).

(g) *Compliance.* FCMs or IB-Cs shall be examined by FinCEN or its delegates for compliance with this section. Failure to satisfy the requirements of this section may be a violation of the Bank Secrecy Act and of this chapter.

(h) *Applicability date.* This section applies to transactions occurring after May 18, 2004.
