For the purposes of this part, the term *State formula grant program* means a program whose authorizing statute or implementing regulations provide a formula for allocating program funds among eligible States.

ELIGIBILITY FOR A GRANT OR SUBGRANT

§ 76.50 Statutes determine eligibility and whether subgrants are made.

(a) Under a program covered by this part, the Secretary makes a grant:

(1) To the State agency designated by the authorizing statute for the program; or

(2) To the State agency designated by the State in accordance with the authorizing statute.

(b) The authorizing statute determines the extent to which a State may:

(1) Use grant funds directly; and

(2) Make subgrants to eligible applicants.

(c) The regulations in part 76 on subgrants apply to a program only if subgrants are authorized under that program.

(d) The authorizing statute determines the eligibility of an applicant for a subgrant.

(Authority: 20 U.S.C. 1221e-3, 3474, and 6511(a))

[45 FR 22517, Apr. 3, 1980. Redesignated at 45 FR 77368, Nov. 21, 1980, as amended at 52 FR 27804, July 24, 1987; 54 FR 21776, May 19, 1989]

§ 76.51 A State distributes funds by formula or competition.

If a program statute authorizes a State to make subgrants, the statute:

(a) Requires the State to use a formula to distribute funds;

(b) Gives the State discretion to select subgrantees through a competition among the applicants or through some other procedure; or

§ 76.52

(c) Allows some combination of these procedures.

(Authority: 20 U.S.C. 1221e-3, 3474, and 6511(a))

§ 76.52 Eligibility of faith-based organizations for a subgrant and non-discrimination against those organizations.

(a)(1) A faith-based organization is eligible to apply for and to receive a subgrant under a program of the Department on the same basis as any other private organization, with respect to programs for which such other organizations are eligible.

(2) In the selection of subgrantees and contractors, States may not discriminate for or against a private organization on the basis of the organization's religious character or affiliation and must ensure that all decisions about subgrants are free from political interference, or even the appearance of such interference, and are made on the basis of merit, not on the basis of religion or religious belief or a lack thereof.

(b) The provisions of § 76.532 apply to a faith-based organization that receives a subgrant from a State under a State-administered program of the Department.

(c)(1) A private organization that engages in explicitly religious activities, such as religious worship, instruction, or proselytization, must offer those activities separately in time or location from any programs or services supported by a subgrant from a State under a State-administered program of the Department, and attendance or participation in any such explicitly religious activities by beneficiaries of the programs and services supported by the subgrant must be voluntary.

(2) The limitations on explicitly religious activities under paragraph (c)(1) of this section do not apply to a faith-based organization that provides services to a beneficiary under a program supported only by "indirect Federal financial assistance."

(3) For purposes of 2 CFR 3474.15, 34 CFR 76.52, 76.712, 76.713, and 76.714, the following definitions apply:

34 CFR Subtitle A (7-1-20 Edition)

(i) Direct Federal financial assistance means that the Department, grantee, or subgrantee selects a provider and either purchases services from that provider (such as through a contract) or awards funds to that provider (such as through a grant, subgrant, or cooperative agreement) to carry out services under a program of the Department. Federal financial assistance shall be treated as direct unless it meets the definition of "indirect Federal financial assistance."

(ii) Indirect Federal financial assistance means that the choice of a service provider under a program of the Department is placed in the hands of the beneficiary, and the cost of that service is paid through a voucher, certificate, or other similar means of government-funded payment. Federal financial assistance provided to an organization is "indirect" under this definition if—

(A) The government program through which the beneficiary receives the voucher, certificate, or other similar means of government-funded payment is neutral toward religion;

(B) The organization receives the assistance as the result of the decision of the beneficiary, not a decision of the government; and

(C) The beneficiary has at least one adequate secular option for use of the voucher, certificate, or other similar means of government-funded payment.

NOTE TO PARAGRAPH (c)(3): The definitions of "direct Federal financial assistance" and "indirect Federal financial assistance" do not change the extent to which an organization is considered a "recipient" of "Federal financial assistance" as those terms are defined under 34 CFR parts 100, 104, 106, and 110.

(d)(1) A faith-based organization that applies for or receives a subgrant from a State under a State-administered program of the Department may retain its independence, autonomy, right of expression, religious character, and authority over its governance.

(2) A faith-based organization may, among other things—

(i) Retain religious terms in its name;

(ii) Continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs;

Office of the Secretary, Education

§ 76.102

(iii) Use its facilities to provide services without removing or altering religious art, icons, scriptures, or other symbols from these facilities;

(iv) Select its board members and otherwise govern itself on a religious basis; and

(v) Include religious references in its mission statement and other chartering or governing documents.

(e) A private organization that receives any Federal financial assistance under a program of the Department shall not discriminate against a beneficiary or prospective beneficiary in the provision of program services or in outreach activities on the basis of religion or religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. However, an organization that participates in a program funded by indirect financial assistance need not modify its program activities to accommodate a beneficiary who chooses to expend the indirect aid on the organization's program.

(f) If a State or subgrantee contributes its own funds in excess of those funds required by a matching or grant agreement to supplement Federally funded activities, the State or subgrantee has the option to segregate those additional funds or commingle them with the funds required by the matching requirements or grant agreement. However, if the additional funds are commingled, this section applies to all of the commingled funds.

(g) A religious organization's exemption from the Federal prohibition on employment discrimination on the basis of religion, in section 702(a) of the

Civil Rights Act of 1964, 42 U.S.C. 2000e-1, is not forfeited when the organization receives financial assistance from the Department.

CONSOLIDATED GRANT APPLICATIONS FOR INSULAR AREAS

AUTHORITY: Title V, Pub. L. 95-134, 91 Stat. 1159 (48 U.S.C. 1469a).

§ 76.125 What is the purpose of these regulations?

(a) Sections 76.125 through 76.137 of this part contain requirements for the submission of an application by an Insular Area for the consolidation of two or more grants under the programs described in paragraph (c) of this section.

(b) For the purpose of §§ 76.125-76.137 of this part the term *Insular Area* means the Virgin Islands, Guam, American Samoa, the Trust Territory of the Pacific Islands, or the Commonwealth of the Northern Mariana Islands.

(c) The Secretary may make an annual consolidated grant to assist an Insular Area in carrying out one or more State-administered formula grant programs of the Department.

[47 FR 17421, Apr. 22, 1982, as amended at 54 FR 21776, May 19, 1989; 57 FR 30341, July 8, 1992]

§ 76.126 What regulations apply to the consolidated grant applications for insular areas?

The following regulations apply to those programs included in a consolidated grant:

(a) The regulations in §§ 76.125 through 76.137; and

(b) The regulations that apply to each specific program included in a consolidated grant for which funds are used.

(Authority: 48 U.S.C. 1469a)

[47 FR 17421, Apr. 22, 1982]

§ 76.127 What is the purpose of a consolidated grant?

An Insular Area may apply for a consolidated grant for two or more of the programs listed in § 76.125(c). This procedure is intended to:

(a) Simplify the application and reporting procedures that would otherwise apply for each of the programs included in the consolidated grant; and

(b) Provide the Insular Area with flexibility in allocating the funds under the consolidated grant to

§ 76.128

achieve any of the purposes to be served by the programs that are consolidated.

(Authority: 48 U.S.C. 1469a)

[47 FR 17421, Apr. 22, 1982]

§ 76.128 What is a consolidated grant?

A consolidated grant is a grant to an Insular Area for any two or more of the programs listed in § 76.125(c). The amount of the consolidated grant is the sum of the allocations the Insular Area receives under each of the programs included in the consolidated grant if there had been no consolidation.

Example. Assume the Virgin Islands applies for a consolidated grant that includes programs under the Adult Education Act, Vocational Education Act, and Chapter 1 of the Education Consolidation and Improvement Act. If the Virgin Islands' allocation under the formula for each of these three programs is \$150,000; the total consolidated grant to the Virgin Islands would be \$450,000.

(Authority: 48 U.S.C. 1469a)

[47 FR 17421, Apr. 22, 1982]

§ 76.129 How does a consolidated grant work?

(a) An Insular Area shall use the funds it receives under a consolidated grant to carry out, in its jurisdiction, one or more of the programs included in the grant.

Example. Assume that Guam applies for a consolidated grant under the Vocational Education Act, the Handicapped Preschool and School Programs-Incentive Grants, and the Adult Education Act and that the sum of the allocations under these programs is \$700,000. Guam may choose to allocate this \$700,000 among all of the programs authorized under the three programs. Alternatively, it may choose to allocate the entire \$700,000 to one or two of the programs; for example, the Adult Education Act Program.

(b) An Insular Area shall comply with the statutory and regulatory requirements that apply to each program under which funds from the consolidated grant are expended.

Example. Assume that American Samoa uses part of the funds under a consolidated grant for the State program under the Adult Education Act. American Samoa need not submit to the Secretary a State plan that requires policies and procedures to assure all students equal access to adult education pro-

34 CFR Subtitle A (7-1-20 Edition)

grams. However, in carrying out the program, American Samoa must meet and be able to demonstrate compliance with this equal access requirement.

(Authority: 48 U.S.C. 1469a)

[47 FR 17421, Apr. 22, 1982]

§ 76.130 How are consolidated grants made?

(a) The Secretary annually makes a single consolidated grant to each Insular Area that meets the requirements of §§ 76.125 through 76.137 and each program under which the grant funds are to be used and administered.

(b) The Secretary may decide that one or more programs cannot be included in the consolidated grant if the Secretary determines that the Insular Area failed to meet the program objectives stated in its plan for the previous fiscal year in which it carried out the programs.

(c) Under a consolidated grant, an Insular Area may use a single advisory council for any or all of the programs that require an advisory council.

(d) Although Pub. L. 95-134 authorizes the Secretary to consolidate grant funds that the Department awards to an Insular Area, it does not confer eligibility for any grant funds. The eligibility of a particular Insular Area to receive grant funds under a Federal education program is determined under the statute and regulations for that program.

(Authority: 48 U.S.C. 1469a)

[47 FR 17421, Apr. 22, 1982]

§ 76.131 How does an insular area apply for a consolidated grant?

(a) An Insular Area that desires to apply for a grant consolidating two or more programs listed in § 76.125(c) shall submit to the Secretary an application that:

(1) Contains the assurances in § 76.132; and

(2) Meets the application requirements in paragraph (c) of this section.

(b) The submission of an application that contains these requirements and assurances takes the place of a separate State plan or other similar document required by this part or by the authorizing statutes and regulations

Office of the Secretary, Education

§ 76.132

for programs included in the consolidated grant.

(c) An Insular Area shall include in its consolidated grant application a program plan that:

(1) Contains a list of the programs in § 76.125(c) to be included in the consolidated grant;

(2) Describes the program or programs in § 76.125(c) under which the consolidated grant funds will be used and administered;

(3) Describes the goals, objectives, activities, and the means of evaluating program outcomes for the programs for which the Insular Area will use the funds received under the consolidated grant during the fiscal year for which it submits the application, including needs of the population that will be met by the consolidation of funds; and

(4) Contains a budget that includes a description of the allocation of funds—including any anticipated carryover funds of the program in the consolidated grant from the preceding year—among the programs to be included in the consolidated grant.

§ 76.132 What assurances must be in a consolidated grant application?

(a) An Insular Area shall include in its consolidated grant application assurances to the Secretary that it will:

(1) Follow policies and use administrative practices that will insure that non-Federal funds will not be supplanted by Federal funds made available under the authority of the programs in the consolidated grant;

(2) Comply with the requirements (except those relating to the submission of State plans or similar documents) in the authorizing statutes and implementing regulations for the programs under which funds are to be used and administered, (except requirements for matching funds);

(3) Provide for proper and efficient administration of funds in accordance with the authorizing statutes and implementing regulations for those pro-

grams under which funds are to be used and administered;

(4) Provide for fiscal control and fund accounting procedures to assure proper disbursement of, and accounting for, Federal funds received under the consolidated grant;

(5) Submit an annual report to the Secretary containing information covering the program or programs for which the grant is used and administered, including the financial and program performance information required under 2 CFR 200.327 and 200.328.

(6) Provide that funds received under the consolidated grant will be under control of, and that title to property acquired with these funds will be in, a public agency, institution, or organization. The public agency shall administer these funds and property;

(7) Keep records, including a copy of the State Plan or application document under which funds are to be spent, which show how the funds received under the consolidated grant have been spent.

(8) Adopt and use methods of monitoring and providing technical assistance to any agencies, organizations, or institutions that carry out the programs under the consolidated grant and enforce any obligations imposed on them under the applicable statutes and regulations.

(9) Evaluate the effectiveness of these programs in meeting the purposes and objectives in the authorizing statutes under which program funds are used and administered;

(10) Conduct evaluations of these programs at intervals and in accordance with procedures the Secretary may prescribe; and

(11) Provide appropriate opportunities for participation by local agencies, representatives of the groups affected by the programs, and other interested institutions, organizations, and individuals in planning and operating the programs.

(b) These assurances remain in effect for the duration of the programs they cover.

(a) After an Insular Area receives a consolidated grant, it may reallocate the funds in a manner different from the allocation described in its consolidated grant application. However, the funds cannot be used for purposes that are not authorized under the programs in the consolidated grant under which funds are to be used and administered.

(b) If an Insular Area decides to reallocate the funds it receives under a consolidated grant, it shall notify the Secretary by amending its original application to include an update of the information required under § 76.131.

(Authority: 48 U.S.C. 1469a)

[47 FR 17421, Apr. 22, 1982]

§ 76.134 What is the relationship between consolidated and non-consolidated grants?

(a) An Insular Area may request that any number of programs in § 76.125(c) be included in its consolidated grant and may apply separately for assistance under any other programs listed in § 76.125(c) for which it is eligible.

(b) Those programs that an Insular Area decides to exclude from consolidation—for which it must submit separate plans or applications—are implemented in accordance with the applicable program statutes and regulations. The excluded programs are not subject to the provisions for allocation of funds among programs in a consolidated grant.

(Authority: 48 U.S.C. 1469a)

[47 FR 17421, Apr. 22, 1982]

§ 76.135 Are there any requirements for matching funds?

INDIRECT COST RATES

§ 76.560 General indirect cost rates; exceptions.

(a) The differences between direct and indirect costs and the principles for determining the general indirect cost rate that a grantee may use for grants under most programs are specified in the cost principles for—

(1) All grantees, other than hospitals and commercial (for-profit) organizations, at 2 CFR part 200, subpart E—Cost Principles;

(2) Hospitals, at 45 CFR part 75, Appendix XI, Principles for Determining Costs Applicable to Research and Development Under Awards and Contracts With Hospitals; and

(3) Commercial (for-profit) organizations, at 48 CFR part 31, Contract Cost Principles and Procedures.

(b) A grantee must have a current indirect cost rate agreement to charge indirect costs to a grant. To obtain an indirect cost rate, a grantee must submit an indirect cost proposal to its

cognizant agency and negotiate an indirect cost rate agreement.

(c) The Secretary may establish a temporary indirect cost rate for a grantee that does not have an indirect cost rate agreement with its cognizant agency.

(d) The Secretary accepts an indirect cost rate negotiated by a grantee's cognizant agency, but may establish a restricted indirect cost rate for a grantee to satisfy the statutory requirements of certain programs administered by the Department.

§ 76.561 Approval of indirect cost rates.

(a) If the Department of Education is the cognizant agency, the Secretary approves an indirect cost rate for a State agency and for a subgrantee other than a local educational agency. For the purposes of this section, the term local educational agency does not include a State agency.

(b) Each State educational agency, on the basis of a plan approved by the Secretary, shall approve an indirect cost rate for each local educational agency that requests it to do so. These rates may be for periods longer than a year if rates are sufficiently stable to justify a longer period.

(c) The Secretary generally approves indirect cost rate agreements annually. Indirect cost rate agreements may be approved for periods longer than a year if the Secretary determines that rates will be sufficiently stable to justify a longer rate period.

§ 76.563 Restricted indirect cost rate—programs covered.

Sections 76.564 through 76.569 apply to agencies of State and local governments that are grantees under programs with a statutory requirement prohibiting the use of Federal funds to supplant non-Federal funds, and to

§ 76.564 Restricted indirect cost rate—formula.

(a) An indirect cost rate for a grant covered by § 76.563 or 34 CFR 75.563 is determined by the following formula:

Restricted indirect cost rate = (General management costs + Fixed costs) ÷ (Other expenditures)

(b) General management costs, fixed costs, and other expenditures must be determined under §§ 76.565 through 76.567.

(c) Under the programs covered by § 76.563, a subgrantee of an agency of a State or a local government (as those terms are defined in 2 CFR 200.90 and 200.64, respectively), or a grantee subject to 34 CFR 75.563 that is not a State or local government agency may use—

(1) An indirect cost rate computed under paragraph (a) of this section; or

(2) An indirect cost rate of eight percent unless the Secretary determines that the subgrantee or grantee would have a lower rate under paragraph (a) of this section.

(d) Indirect costs that are unrecovered as a result of these restrictions may not be charged directly, used to satisfy matching or cost-sharing requirements, or charged to another Federal award.

§ 76.565 General management costs—restricted rate.

(a) As used in § 76.564, *general management costs* means the costs of activities that are for the direction and control of the grantee's affairs that are organization-wide. An activity is not organization-wide if it is limited to one activity, one component of the grantee, one subject, one phase of operations, or other single responsibility.

(b) General management costs include the costs of performing a service function, such as accounting, payroll

34 CFR Subtitle A (7-1-20 Edition)

preparation, or personnel management, that is normally at the grantee's level even if the function is physically located elsewhere for convenience or better management. The term also includes certain occupancy and space maintenance costs as determined under § 76.568.

(c) The term does not include expenditures for—

(1) Divisional administration that is limited to one component of the grantee;

(2) The governing body of the grantee;

(3) Compensation of the chief executive officer of the grantee;

(4) Compensation of the chief executive officer of any component of the grantee; and

(5) Operation of the immediate offices of these officers.

(d) For purposes of this section—

(1) The chief executive officer of the grantee is the individual who is the head of the executive office of the grantee and exercises overall responsibility for the operation and management of the organization. The chief executive officer's immediate office includes any deputy chief executive officer or similar officer along with immediate support staff of these individuals. The term does not include the governing body of the grantee, such as a board or a similar elected or appointed governing body; and

(2) Components of the grantee are those organizational units supervised directly or indirectly by the chief executive officer. These organizational units generally exist one management level below the executive office of the grantee. The term does not include the office of the chief executive officer or a deputy chief executive officer or similar position.

[59 FR 59583, Nov. 17, 1994]

§ 76.566 Fixed costs—restricted rate.

As used in § 76.564, *fixed costs* means contributions of the grantee to fringe benefits and similar costs, but only those associated with salaries and wages that are charged as indirect costs, including—

(a) Retirement, including State, county, or local retirement funds, Social Security, and pension payments;

(b) Unemployment compensation payments; and

(c) Property, employee, health, and liability insurance.

[59 FR 59583, Nov. 17, 1994]

§ 76.567 Other expenditures—restricted rate.

(a) As used in § 76.564, *other expenditures* means the grantee's total expenditures for its federally- and non-federally-funded activities in the most recent year for which data are available. The term also includes direct occupancy and space maintenance costs as determined under § 76.568 and costs related to the chief executive officers of the grantee and components of the grantee and their offices (see § 76.565(c) and (d)).

(b) The term does not include—

(1) General management costs determined under § 76.565;

(2) Fixed costs determined under § 76.566;

(3) Subgrants;

(4) Capital outlay;

(5) Debt service;

(6) Fines and penalties;

(7) Contingencies; and

(8) Election expenses. However, the term does include election expenses that result from elections required by an applicable Federal statute.

[59 FR 59583, Nov. 17, 1994]

§ 76.568 Occupancy and space maintenance costs—restricted rate.

(a) As used in the calculation of a restricted indirect cost rate, *occupancy and space maintenance costs* means such costs as—

(1) Building costs whether owned or rented;

(2) Janitorial services and supplies;

(3) Building, grounds, and parking lot maintenance;

(4) Guard services;

(5) Light, heat, and power;

(6) Depreciation, use allowances, and amortization; and

(7) All other related space costs.

(b) Occupancy and space maintenance costs associated with organization-wide service functions (accounting, payroll, personnel) may be included as general management costs if a space allocation or use study supports the allocation.

(c) Occupancy and space maintenance costs associated with functions that are not organization-wide must be included with other expenditures in the indirect cost formula. These costs may be charged directly to affected programs only to the extent that statutory supplanting prohibitions are not violated. This reimbursement must be approved in advance by the Secretary.

§ 76.569 Using the restricted indirect cost rate.

(a) Under the programs referenced in § 76.563, the maximum amount of indirect costs under a grant is determined by the following formula:

Indirect costs = (Restricted indirect cost rate) × (Total direct costs of the grant minus capital outlays, subgrants, and other distorting or unallowable items as specified in the grantee's indirect cost rate agreement)

(b) If a grantee uses a restricted indirect cost rate, the general management and fixed costs covered by that rate must be excluded by the grantee from the direct costs it charges to the grant.

PARTICIPATION OF STUDENTS ENROLLED IN PRIVATE SCHOOLS

§ 76.650 Private schools; purpose of §§ 76.651-76.662.

(a) Under some programs, the authorizing statute requires that a State and its subgrantees provide for participation by students enrolled in private schools. Sections 76.651-76.662 apply to

those programs and provide rules for that participation. These sections do not affect the authority of the State or a subgrantee to enter into a contract with a private party.

(b) If any other rules for participation of students enrolled in private schools apply under a particular program, they are in the authorizing statute or implementing regulations for that program.

(Authority: 20 U.S.C. 1221e-3 and 3474)

NOTE: Some program statutes authorize the Secretary—under certain circumstances—to provide benefits directly to private school students. These “bypass” provisions—where they apply—are implemented in the individual program regulations.

§ 76.651 Responsibility of a State and a subgrantee.

(a)(1) A subgrantee shall provide students enrolled in private schools with a genuine opportunity for equitable participation in accordance with the requirements in §§ 76.652-76.662 and in the authorizing statute and implementing regulations for a program.

(2) The subgrantee shall provide that opportunity to participate in a manner that is consistent with the number of eligible private school students and their needs.

(3) The subgrantee shall maintain continuing administrative direction and control over funds and property that benefit students enrolled in private schools.

(b)(1) A State shall ensure that each subgrantee complies with the requirements in §§ 76.651-76.662.

(2) If a State carries out a project directly, it shall comply with these requirements as if it were a subgrantee.

(Authority: 20 U.S.C. 1221e-3 and 3474)

§ 76.652 Consultation with representatives of private school students.

(a) An applicant for a subgrant shall consult with appropriate representatives of students enrolled in private schools during all phases of the development and design of the project covered by the application, including consideration of:

(1) Which children will receive benefits under the project;

(2) How the children's needs will be identified;

(3) What benefits will be provided;
 (4) How the benefits will be provided;
 and

(5) How the project will be evaluated.

(b) A subgrantee shall consult with appropriate representatives of students enrolled in private schools before the subgrantee makes any decision that affects the opportunities of those students to participate in the project.

(c) The applicant or subgrantee shall give the appropriate representatives a genuine opportunity to express their views regarding each matter subject to the consultation requirements in this section.

(Authority: 20 U.S.C. 1221e-3 and 3474)

§ 76.653 Needs, number of students, and types of services.

A subgrantee shall determine the following matters on a basis comparable to that used by the subgrantee in providing for participation of public school students:

(a) The needs of students enrolled in private schools.

(b) The number of those students who will participate in a project.

(c) The benefits that the subgrantee will provide under the program to those students.

(Authority: 20 U.S.C. 1221e-3 and 3474)

§ 76.654 Benefits for private school students.

(a) *Comparable benefits.* The program benefits that a subgrantee provides for students enrolled in private schools must be comparable in quality, scope, and opportunity for participation to the program benefits that the subgrantee provides for students enrolled in public schools.

(b) *Same benefits.* If a subgrantee uses funds under a program for public school students in a particular attendance area, or grade or age level, the subgrantee shall insure equitable opportunities for participation by students enrolled in private schools who:

(1) Have the same needs as the public school students to be served; and

(2) Are in that group, attendance area, or age or grade level.

(c) *Different benefits.* If the needs of students enrolled in private schools are different from the needs of students en-

rolled in public schools, a subgrantee shall provide program benefits for the private school students that are different from the benefits the subgrantee provides for the public school students.

(Authority: 20 U.S.C. 1221e-3 and 3474)

§ 76.655 Level of expenditures for students enrolled in private schools.

(a) Subject to paragraph (b) of this section, a subgrantee shall spend the same average amount of program funds on:

(1) A student enrolled in a private school who receives benefits under the program; and

(2) A student enrolled in a public school who receives benefits under the program.

(b) The subgrantee shall spend a different average amount on program benefits for students enrolled in private schools if the average cost of meeting the needs of those students is different from the average cost of meeting the needs of students enrolled in public schools.

(Authority: 20 U.S.C. 1221e-3 and 3474)

§ 76.656 Information in an application for a subgrant.

An applicant for a subgrant shall include the following information in its application:

(a) A description of how the applicant will meet the Federal requirements for participation of students enrolled in private schools.

(b) The number of students enrolled in private schools who have been identified as eligible to benefits under the program.

(c) The number of students enrolled in private schools who will receive benefits under the program.

(d) The basis the applicant used to select the students.

(e) The manner and extent to which the applicant complied with § 76.652 (consultation).

(f) The places and times that the students will receive benefits under the program.

(g) The differences, if any, between the program benefits the applicant will provide to public and private school

§ 76.657

students, and the reasons for the differences.

(Authority: 20 U.S.C. 1221e-3 and 3474)

§ 76.657 Separate classes prohibited.

A subgrantee may not use program funds for classes that are organized separately on the basis of school enrollment or religion of the students if:

- (a) The classes are at the same site; and
- (b) The classes include students enrolled in public schools and students enrolled in private schools.

(Authority: 20 U.S.C. 1221e-3 and 3474)

§ 76.658 Funds not to benefit a private school.

(a) A subgrantee may not use program funds to finance the existing level of instruction in a private school or to otherwise benefit the private school.

(b) The subgrantee shall use program funds to meet the specific needs of students enrolled in private schools, rather than:

- (1) The needs of a private school; or
- (2) The general needs of the students enrolled in a private school.

(Authority: 20 U.S.C. 1221e-3 and 3474)

§ 76.659 Use of public school personnel.

A subgrantee may use program funds to make public personnel available in other than public facilities:

- (a) To the extent necessary to provide equitable program benefits designed for students enrolled in a private school; and
- (b) If those benefits are not normally provided by the private school.

(Authority: 20 U.S.C. 1221e-3 and 3474)

§ 76.660 Use of private school personnel.

A subgrantee may use program funds to pay for the services of an employee of a private school if:

- (a) The employee performs the services outside of his or her regular hours of duty; and
- (b) The employee performs the services under public supervision and control.

(Authority: 20 U.S.C. 1221e-3 and 3474)

§ 76.661 Equipment and supplies.

(a) Under some program statutes, a public agency must keep title to and exercise continuing administrative control of all equipment and supplies that the subgrantee acquires with program funds. This public agency is usually the subgrantee.

(b) The subgrantee may place equipment and supplies in a private school for the period of time needed for the project.

(c) The subgrantee shall insure that the equipment or supplies placed in a private school:

- (1) Are used only for the purposes of the project; and
- (2) Can be removed from the private school without remodeling the private school facilities.

(d) The subgrantee shall remove equipment or supplies from a private school if:

- (1) The equipment or supplies are no longer needed for the purposes of the project; or
- (2) Removal is necessary to avoid use of the equipment or supplies for other than project purposes.

EQUITABLE SERVICES UNDER THE CARES ACT

§ 76.665 Providing equitable services to students and teachers in non-public schools.

(a) *In general.* (1) A local educational agency (LEA) receiving funds under a CARES Act program must provide equitable services to students and teachers in non-public elementary and secondary schools in the LEA “in the same manner” as provided under section 1117 of the Elementary and Secondary Education Act of 1965 (ESEA), as determined in consultation with representatives of non-public schools.

(2) For purposes of this section, the CARES Act programs are the Governor's Emergency Education Relief (GEER) Fund (Section 18002), formula grants to LEAs under the Elementary and Secondary School Emergency Relief (ESSER) Fund (Section 18003(c)), and ESSER SEA Reserve (Section 18003(e)).

(b) *Consultation.* (1) An LEA must promptly consult with representatives of non-public elementary and secondary schools during the design and development of the LEA's plans to spend funds from a CARES Act program and before the LEA makes any decision affecting the opportunities of students and teachers in non-public schools to benefit from those funds. As provided in section 1117(b)(1) of the ESEA, the LEA and non-public school officials shall both have the goal of reaching timely agreement on how to provide equitable and effective programs for non-public school students and teachers.

(2) Consultation must occur in accordance with section 1117(b) of the ESEA, except to the extent inconsistent with the CARES Act and this section, such as section 1117(b)(1)(E) and (J)(ii).

(c) *Determining proportional share.* (1) To determine the proportional share of funds for equitable services to students and teachers in non-public elementary and secondary schools for each CARES Act program, an LEA must use one of the following measures. The LEA need not use the same measure for each CARES Act program.

(i) An LEA using *all* its funds under a CARES Act program to serve *only* students and teachers in public schools participating under Title I, Part A of the ESEA may calculate the proportional share in accordance with paragraph (c)(1)(ii) of this section or by using—

(A) The proportional share of Title I, Part A funds it calculated under section 1117(a)(4)(A) of the ESEA for the 2019–2020 school year; or

(B) The number of children, ages 5 through 17, who attend each non-public school in the LEA that will participate under a CARES Act program and are from low-income families compared to the total number of children, ages 5

through 17, who are from low-income families in both Title I schools and participating non-public elementary and secondary schools in the LEA.

(ii) Any other LEA must calculate the proportional share based on enrollment in participating non-public elementary and secondary schools in the LEA compared to the total enrollment in both public and participating non-public elementary and secondary schools in the LEA.

(2) An LEA must determine the proportional share of funds available for services for students and teachers in non-public elementary and secondary schools based on the total amount of CARES Act funds received by the LEA under a CARES Act program prior to any allowable expenditures or transfers by the LEA.

(3) An LEA using funds from a CARES Act program in Title I schools under paragraph (c)(1)(i) of this section must comply with the supplement not supplant requirement in section 1118(b) of the ESEA, which would prohibit the LEA from allocating CARES Act funds to Title I schools and then redirecting State or local funds to non-Title I schools, among other things.

(d) *Equity.* (1) Educational services and other benefits for students and teachers in non-public elementary and secondary schools must be equitable in comparison to services and other benefits for public school students and teachers participating in CARES Act programs, and must be provided in a timely manner.

(2) The measure an LEA uses to determine the proportional share under paragraph (c)(1) of this section does not limit the obligation of the LEA to provide the opportunity to receive services to students and teachers in any non-public elementary or secondary school in the LEA.

(e) *Secular, neutral, and nonideological.* Educational services and benefits, including materials and equipment, an LEA provides to students and teachers in non-public elementary and secondary schools under the CARES Act programs must be secular, neutral, and nonideological.

(f) *Public control of funds.* An LEA must—

§§ 76.666–76.669

34 CFR Subtitle A (7–1–20 Edition)

(1) Maintain control of CARES Act funds;

(2) Keep title to and exercise continuing administrative control of all materials, equipment, and property purchased with CARES Act funds; and

§ 76.703 When a State may begin to obligate funds.

(a)(1) The Secretary may establish, for a program subject to this part, a date by which a State must submit for review by the Department a State plan and any other documents required to be submitted under guidance provided by the Department under paragraph (b)(3) of this section.

(2) If the Secretary does not establish a date for the submission of State plans and any other documents required under guidance provided by the Department, the date for submission is three months before the date the Secretary may begin to obligate funds under the program.

(b)(1) This paragraph (b) describes the circumstances under which the submission date for a State plan may be deferred.

(2) If a State asks the Secretary in writing to defer the submission date for a State plan because of a Presidentially declared disaster that has occurred in that State, the Secretary may defer the submission date for the State plan and any other document required under guidance provided by the Department if the Secretary determines that the disaster significantly impairs the ability of the State to submit a timely State plan or other document required under guidance provided by the Department.

(3)(i) The Secretary establishes, for a program subject to this part, a date by which the program office must deliver

guidance to the States regarding the contents of the State plan under that program.

(ii) The Secretary may only establish a date for the delivery of guidance to the States so that there are at least as many days between that date and the date that State plans must be submitted to the Department as there are days between the date that State plans must be submitted to the Department and the date that funds are available for obligation by the Secretary on July 1, or October 1, as appropriate.

(iii) If a State does not receive the guidance by the date established under paragraph (b)(3)(i) of this section, the submission date for the State plan under the program is deferred one day for each day that the guidance is late in being received by the State.

NOTE: The following examples describe how the regulations in §76.703(b)(3) would act to defer the date that a State would have to submit its State plan.

Example 1. The Secretary decides that State plans under a forward-funded program must be submitted to the Department by May first. The Secretary must provide guidance to the States under this program by March first, so that the States have at least as many days between the guidance date and the submission date (60) as the Department has between the submission date and the date that funds are available for obligation (60). If the program transmits guidance to the States on February 15, specifying that State plans must be submitted by May first, States generally would have to submit State plans by that date. However, if, for example, a State did not receive the guidance until March third, that State would have until May third to submit its State plan because the submission date of its State plan would be deferred one day for each day that the guidance to the State was late.

Example 2. If a program publishes the guidance in the FEDERAL REGISTER on March third, the States would be considered to have received the guidance on that day. Thus, the guidance could not specify a date for the submission of State plans before May second, giving the States 59 days between the date the guidance is published and the submission date and giving the Department 58 days between the submission date and the date that funds are available for obligation.

(c)(1) For the purposes of this section, the submission date of a State plan or other document is the date that the Secretary receives the plan or document.

(2) The Secretary does not determine whether a State plan is substantially approvable until the plan and any documents required under guidance provided by the Department have been submitted.

(3) The Secretary notifies a State when the Department has received the State plan and all documents required under guidance provided by the Department.

(d) If a State submits a State plan in substantially approvable form (or an amendment to the State plan that makes it substantially approvable), and submits any other document required under guidance provided by the Department, on or before the date the State plan must be submitted to the Department, the State may begin to obligate funds on the date that the funds are first available for obligation by the Secretary.

(e) If a State submits a State plan in substantially approvable form (or an amendment to the State plan that makes it substantially approvable) or any other documents required under guidance provided by the Department after the date the State plan must be submitted to the Department, and—

(1) The Department determines that the State plan is substantially approvable on or before the date that the funds are first available for obligation by the Secretary, the State may begin to obligate funds on the date that the funds are first available for obligation by the Secretary; or

(2) The Department determines that the State plan is substantially approvable after the date that the funds are first available for obligation by the Secretary, the State may begin to obligate funds on the earlier of the two following dates:

(i) The date that the Secretary determines that the State plan is substantially approvable.

(ii) The date that is determined by adding to the date that funds are first available for obligation by the Secretary—

(A) The number of days after the date the State plan must be submitted to the Department that the State plan or other document required under guidance provided by the Department is submitted; and

§ 76.703

(B) If applicable, the number of days after the State receives notice that the State plan is not substantially approvable that the State submits additional information that makes the plan substantially approvable.

(f) Additional information submitted under paragraph (e)(2)(ii)(B) of this section must be signed by the person who submitted the original State plan (or an authorized delegate of that officer).

(g)(1) If the Department does not complete its review of a State plan during the period established for that review, the Secretary will grant pre-award costs for the period after funds become available for obligation by the Secretary and before the State plan is found substantially approvable.

(2) The period established for the Department's review of a plan does not include any day after the State has received notice that its plan is not substantially approvable.

NOTE: The following examples describe how the regulations in § 76.703 would be applied in certain circumstances. For the purpose of these examples, assume that the grant program established an April 1 due date for the submission of the State plan and that funds are first available for obligation by the Secretary on July 1.

Example 1. Paragraph (d): A State submits a plan in substantially approvable form by April 1. The State may begin to obligate funds on July 1.

Example 2. Paragraph (e)(1): A State submits a plan in substantially approvable form on May 15, and the Department notifies the State that the plan is substantially approvable on June 20. The State may begin to obligate funds on July 1.

Example 3. Paragraph (e)(2)(i): A State submits a plan in substantially approvable form on May 15, and the Department notifies the State that the plan is substantially approvable on July 15. The State may begin to obligate funds on July 15.

Example 4. Paragraph (e)(2)(ii)(A): A State submits a plan in substantially approvable form on May 15, and the Department notifies the State that the plan is substantially approvable on August 21. The State may begin to obligate funds on August 14. (In this example, the plan is 45 days late. By adding 45 days to July 1, we reach August 14, which is earlier than the date, August 21, that the Department notifies the State that the plan is substantially approvable. Therefore, if the State chose to begin drawing funds from the Department on August 14, obligations made on or after that date would generally be allowable.)

34 CFR Subtitle A (7-1-20 Edition)

Example 5. Paragraph (e)(2)(i): A State submits a plan on May 15, and the Department notifies the State that the plan is not substantially approvable on July 10. The State submits changes that make the plan substantially approvable on July 20 and the Department notifies the State that the plan is substantially approvable on July 25. The State may begin to obligate funds on July 25. (In this example, the original submission is 45 days late. In addition, the Department notifies the State that the plan is not substantially approvable and the time from that notification until the State submits changes that make the plan substantially approvable is an additional 10 days. By adding 55 days to July 1, we reach August 24. However, since the Department notified the State that the plan was substantially approvable on July 25, that is the date that the State may begin to obligate funds.)

Example 6. Paragraph (e)(2)(ii)(B): A State submits a plan on May 15, and the Department notifies the State that the plan is not substantially approvable on August 1. The State submits changes that make the plan substantially approvable on August 20, and the Department notifies the State that the plan is substantially approvable on September 5. The State may choose to begin drawing funds from the Department on September 2, and obligations made on or after that date would generally be allowable. (In this example, the original submission is 45 days late. In addition, the Department notifies the State that the plan is not substantially approvable and the time from that notification until the State submits changes that make the plan substantially approvable is an additional 19 days. By adding 64 days to July 1, we reach September 2, which is earlier than September 5, the date that the Department notifies the State that the plan is substantially approvable.)

Example 7. Paragraph (g): A State submits a plan on April 15 and the Department notifies the State that the plan is not substantially approvable on July 16. The State makes changes to the plan and submits a substantially approvable plan on July 30. The Department had until July 15 to decide whether the plan was substantially approvable because the State was 15 days late in submitting the plan. The date the State may begin to obligate funds under the regulatory deferral is July 29 (based on the 15 day deferral for late submission plus a 14 day deferral for the time it took to submit a substantially approvable plan after having received notice). However, because the Department was one day late in completing its review of the plan, the State would get pre-award costs to cover the period of July 1 through July 29.

(h) After determining that a State plan is in substantially approvable

Office of the Secretary, Education

§ 76.704 New State plan requirements that must be addressed in a State plan.

(a) This section specifies the State plan requirements that must be addressed in a State plan if the State plan requirements established in statutes or regulations change on a date close to the date that State plans are due for submission to the Department.

(b)(1) A State plan must meet the following requirements:

(i) Every State plan requirement in effect three months before the date the State plan is due to be submitted to the Department under 34 CFR 76.703; and

(ii) Every State plan requirement included in statutes or regulations that will be effective on or before the date that funds become available for obligation by the Secretary and that have been signed into law or published in the FEDERAL REGISTER as final regulations three months before the date the State plan is due to be submitted to the Department under 34 CFR 76.703.

(2) If a State plan does not have to meet a new State plan requirement under paragraph (b)(1) of this section, the Secretary takes one of the following actions:

(i) Require the State to submit assurances and appropriate documentation to show that the new requirements are being followed under the program.

(ii) Extend the date for submission of State plans and approve pre-award costs as necessary to hold the State harmless.

(3) If the Secretary requires a State to submit assurances under paragraph (b)(2) of this section, the State shall incorporate changes to the State plan as soon as possible to comply with the new requirements. The State shall sub-

mit the necessary changes before the start of the next obligation period.

(a) If the authorizing statute for a program requires a State to make subgrants on the basis of a formula (see § 76.5), the State may not authorize an applicant for a subgrant to obligate funds until the later of the following two dates:

(1) The date that the State may begin to obligate funds under § 76.703; or

§ 76.712 Beneficiary protections: Written notice.

(a) A faith-based organization that receives a grant, subgrant, or contract under a State-administered program of the Department supported in whole or in part by direct Federal financial assistance must give written notice to a beneficiary or prospective beneficiary of certain protections. This notice must state that:

(1) The organization may not discriminate against a beneficiary or prospective beneficiary on the basis of religion, or religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice;

(2) The organization may not require a beneficiary to attend or participate in any explicitly religious activities that are offered by the organization, and any participation by the beneficiaries in such activities must be purely voluntary;

(3) The organization must separate in time or location any privately funded explicitly religious activities from activities supported by direct Federal financial assistance;

(4) If a beneficiary or prospective beneficiary objects to the religious character of the organization, the organization will undertake reasonable efforts to identify and refer the beneficiary to an alternative provider to which the beneficiary has no objection; and

(5) A beneficiary or prospective beneficiary may report violations of these protections to, or may file a written complaint regarding a denial of services or benefits, with the State agency administering the program or subgrantee that made the award under which the violation occurred.

(b)(1) A faith-based organization that receives a subgrant or contract under a State-administered program of the Department must provide beneficiaries with the written notice required under paragraph (a) of this section prior to the time they enroll in or receive services from the organization.

(2) When the nature of the services provided or exigent circumstances make it impracticable to provide the written notice in advance of the actual services, the organization must advise beneficiaries of their protections at the earliest available opportunity.

(c) The notice that a faith-based organization must use to notify beneficiaries or prospective beneficiaries of their rights under paragraph (a) of this

§ 76.713 Beneficiary protections: Referral requirements.

(a) If a beneficiary or prospective beneficiary of a State-administered program of the Department supported in whole or in part by direct Federal financial assistance objects to the religious character of a faith-based organization that provides services under the program, that organization must promptly undertake reasonable efforts to identify and refer the beneficiary to an alternative provider to which the beneficiary or prospective beneficiary has no objection.

(b)(1) A faith-based organization may satisfy the requirement in paragraph (a) of this section by referring a beneficiary or prospective beneficiary to another faith-based organization if the beneficiary or prospective beneficiary does not object to that provider.

(2) If the beneficiary or prospective beneficiary requests a secular provider, and one is available, the faith-based organization must make a referral to that provider.

(c) The faith-based organization must make a referral to an alternative provider that—

(1) Is in reasonable geographic proximity to the location where the beneficiary or prospective beneficiary is receiving or would receive services (except for services provided by telephone, internet, or similar means);

(2) Offers services that are similar in substance and quality to those offered by the organization; and

(3) Has the capacity to accept additional beneficiaries.

(d)(1) When a faith-based organization makes a referral to an alternative provider, the organization must maintain a record of the referral in its grant records, including the date of the referral, the name of the alternative provider, its address, and contact information for the alternative provider.

§ 76.714

(2) When the organization determines that it is unable to identify an alternative provider, the organization must promptly notify the State or subgrantee that made the award under which the referral could not be made. If the organization is unable to identify an alternative provider, the State agency or subgrantee that made the award under which the referral could not be made must determine whether there is any other suitable alternative provider to which the beneficiary or prospective beneficiary may be referred. If the entity that made the award under which the referral could not be made cannot make a referral, that entity must promptly notify the grantee or the Department, as appropriate, and the grantee or the Department must determine whether a suitable referral can be made.

(3) For reports that the Secretary requires to be submitted in an electronic manner, the Secretary may establish a transition period of up to two years following the date the State otherwise would be required to report the data in the electronic manner, during which time a State will not be required to comply with that specific electronic submission requirement, if the State submits to the Secretary—

Subpart H—How Does a State or Local Educational Agency Allocate Funds to Charter Schools?

SOURCE: 64 FR 71965, Dec. 22, 1999, unless otherwise noted.

GENERAL

§ 76.785 What is the purpose of this subpart?

The regulations in this subpart implement section 10306 of the Elementary and Secondary Education Act of 1965 (ESEA), which requires States to take measures to ensure that each charter school in the State receives the funds for which it is eligible under a covered program year during its first year of operation and during subsequent years in which the charter school expands its enrollment.

(Authority: 20 U.S.C. 8065a)

§ 76.786 What entities are governed by this subpart?

The regulations in this subpart apply to—

(a) State educational agencies (SEAs) and local educational agencies (LEAs) that fund charter schools under a covered program, including SEAs and LEAs located in States that do not participate in the Department's Public Charter Schools Program;

(b) State agencies that are not SEAs, if they are responsible for administering a covered program. State agencies that are not SEAs must comply with the provisions in this subpart that are applicable to SEAs; and

(c) Charter schools that are scheduled to open or significantly expand their enrollment during the academic year and wish to participate in a covered program.

(Authority: 20 U.S.C. 8065a)

§ 76.787 What definitions apply to this subpart?

For purposes of this subpart—

Academic year means the regular school year (as defined by State law, policy, or practice) and for which the State allocates funds under a covered program.

Charter school has the same meaning as provided in title X, part C of the ESEA.

Charter school LEA means a charter school that is treated as a local educational agency for purposes of the applicable covered program.

Covered program means an elementary or secondary education program administered by the Department under which the Secretary allocates funds to States on a formula basis, except that the term does not include a program or portion of a program under which an SEA awards subgrants on a discretionary, noncompetitive basis.

Local educational agency has the same meaning for each covered program as provided in the authorizing statute for the program.

Significant expansion of enrollment means a substantial increase in the number of students attending a charter school due to a significant event that is unlikely to occur on a regular basis, such as the addition of one or more grades or educational programs in major curriculum areas. The term also includes any other expansion of enrollment that the SEA determines to be significant.

(Authority: 20 U.S.C. 8065a)

RESPONSIBILITIES FOR NOTICE AND
INFORMATION

§ 76.788 What are a charter school LEA's responsibilities under this subpart?

(a) *Notice.* At least 120 days before the date a charter school LEA is scheduled to open or significantly expand its enrollment, the charter school LEA or its authorized public chartering agency must provide its SEA with written notification of that date.

(b) *Information.* (1) In order to receive funds, a charter school LEA must provide to the SEA any available data or information that the SEA may reasonably require to assist the SEA in esti-

imating the amount of funds the charter school LEA may be eligible to receive under a covered program.

(2)(i) Once a charter school LEA has opened or significantly expanded its enrollment, the charter school LEA must provide actual enrollment and eligibility data to the SEA at a time the SEA may reasonably require.

(ii) An SEA is not required to provide funds to a charter school LEA until the charter school LEA provides the SEA with the required actual enrollment and eligibility data.

(c) *Compliance.* Except as provided in § 76.791(a), or the authorizing statute or implementing regulations for the applicable covered program, a charter school LEA must establish its eligibility and comply with all applicable program requirements on the same basis as other LEAs.

(Approved by the Office of Management and Budget under control number 1810-0623)

(Authority: 20 U.S.C. 8065a)

§ 76.789 What are an SEA's responsibilities under this subpart?

(a) *Information.* Upon receiving notice under § 76.788(a) of the date a charter school LEA is scheduled to open or significantly expand its enrollment, an SEA must provide the charter school LEA with timely and meaningful information about each covered program in which the charter school LEA may be eligible to participate, including notice of any upcoming competitions under the program.

(b) *Allocation of Funds.* (1) An SEA must allocate funds under a covered program in accordance with this subpart to any charter school LEA that—

(i) Opens for the first time or significantly expands its enrollment during an academic year for which the State awards funds by formula or through a competition under the program;

(ii) In accordance with § 76.791(a), establishes its eligibility and complies with all applicable program requirements; and

(iii) Meets the requirements of § 76.788(a).

(2) In order to meet the requirements of this subpart, an SEA may allocate

§ 76.791

funds to, or reserve funds for, an eligible charter school LEA based on reasonable estimates of projected enrollment at the charter school LEA.

(3)(i) The failure of an eligible charter school LEA or its authorized public chartering agency to provide notice to its SEA in accordance with § 76.788(a) relieves the SEA of any obligation to allocate funds to the charter school within five months.

(ii) Except as provided in § 76.792(c), an SEA that receives less than 120 days' actual notice of the date an eligible charter school LEA is scheduled to open or significantly expand its enrollment must allocate funds to the charter school LEA on or before the date the SEA allocates funds to LEAs under the applicable covered program for the succeeding academic year.

(iii) The SEA may provide funds to the charter school LEA from the SEA's allocation under the applicable covered program for the academic year in which the charter school LEA opened or significantly expanded its enrollment, or from the SEA's allocation under the program for the succeeding academic year.

ALLOCATION OF FUNDS BY STATE
EDUCATIONAL AGENCIES

§ 76.791 On what basis does an SEA determine whether a charter school LEA that opens or significantly expands its enrollment is eligible to receive funds under a covered program?

(a) For purposes of this subpart, an SEA must determine whether a charter school LEA is eligible to receive funds under a covered program based on actual enrollment or other eligibility data for the charter school LEA on or after the date the charter school LEA opens or significantly expands its enrollment.

(b) For the year the charter school LEA opens or significantly expands its enrollment, the eligibility determination may not be based on enrollment or eligibility data from a prior year, even if the SEA makes eligibility determinations for other LEAs under the

34 CFR Subtitle A (7-1-20 Edition)

program based on enrollment or eligibility data from a prior year.

(Authority: 20 U.S.C. 8065a)

§ 76.792 How does an SEA allocate funds to eligible charter school LEAs under a covered program in which the SEA awards subgrants on a formula basis?

(a) For each eligible charter school LEA that opens or significantly expands its enrollment on or before November 1 of an academic year, the SEA must implement procedures that ensure that the charter school LEA receives the proportionate amount of funds for which the charter school LEA is eligible under each covered program.

(b) For each eligible charter school LEA that opens or significantly expands its enrollment after November 1 but before February 1 of an academic year, the SEA must implement procedures that ensure that the charter school LEA receives at least a *pro rata* portion of the proportionate amount of funds for which the charter school LEA is eligible under each covered program. The *pro rata* amount must be based on the number of months or days during the academic year the charter school LEA will participate in the program as compared to the total number of months or days in the academic year.

(c) For each eligible charter school LEA that opens or significantly expands its enrollment on or after February 1 of an academic year, the SEA may implement procedures to provide the charter school LEA with a *pro rata* portion of the proportionate amount of funds for which the charter school LEA is eligible under each covered program.

(Authority: 20 U.S.C. 8065a)

§ 76.793 When is an SEA required to allocate funds to a charter school LEA under this subpart?

Except as provided in §§ 76.788(b) and 76.789(b)(3):

(a) For each eligible charter school LEA that opens or significantly expands its enrollment on or before November 1 of an academic year, the SEA must allocate funds to the charter school LEA within five months of the date the charter school LEA opens or significantly expands its enrollment; and

(b)(1) For each eligible charter school LEA that opens or significantly expands its enrollment after November 1, but before February 1 of an academic year, the SEA must allocate funds to the charter school LEA on or before the date the SEA allocates funds to LEAs under the applicable covered program for the succeeding academic year.

(2) The SEA may provide funds to the charter school LEA from the SEA's allocation under the program for the academic year in which the charter school LEA opened or significantly expanded its enrollment, or from the SEA's allocation under the program for the succeeding academic year.

(Authority: 20 U.S.C. 8065a)

§ 76.794 How does an SEA allocate funds to charter school LEAs under a covered program in which the SEA awards subgrants on a discretionary basis?

(a) *Competitive programs.* (1) For covered programs in which the SEA awards subgrants on a competitive basis, the SEA must provide each eligible charter school LEA in the State that is scheduled to open on or before the closing date of any competition under the program a full and fair opportunity to apply to participate in the program.

(2) An SEA is not required to delay the competitive process in order to allow a charter school LEA that has not yet opened or significantly expanded its enrollment to compete for funds under a covered program.

(b) *Noncompetitive discretionary programs.* The requirements in this subpart do not apply to discretionary programs or portions of programs under which the SEA does not award subgrants through a competition.

(Authority: 20 U.S.C. 8065a)

ADJUSTMENTS

§ 76.796 What are the consequences of an SEA allocating more or fewer funds to a charter school LEA under a covered program than the amount for which the charter school LEA is eligible when the charter school LEA actually opens or significantly expands its enrollment?

(a) An SEA that allocates more or fewer funds to a charter school LEA than the amount for which the charter school LEA is eligible, based on actual enrollment or eligibility data when the charter school LEA opens or significantly expands its enrollment, must make appropriate adjustments to the amount of funds allocated to the charter school LEA as well as to other LEAs under the applicable program.

(b) Any adjustments to allocations to charter school LEAs under this subpart must be based on actual enrollment or other eligibility data for the charter school LEA on or after the date the charter school LEA first opens or significantly expands its enrollment, even if allocations or adjustments to allocations to other LEAs in the State are based on enrollment or eligibility data from a prior year.

(Authority: 20 U.S.C. 8065a)

§ 76.797 When is an SEA required to make adjustments to allocations under this subpart?

(a) The SEA must make any necessary adjustments to allocations under a covered program on or before the date the SEA allocates funds to LEAs under the program for the succeeding academic year.

(b) In allocating funds to a charter school LEA based on adjustments made in accordance with paragraph (a) of this section, the SEA may use funds from the SEA's allocation under the applicable covered program for the academic year in which the charter school LEA opened or significantly expanded its enrollment, or from the SEA's allocation under the program for the succeeding academic year.

§ 76.799

APPLICABILITY OF THIS SUBPART TO
LOCAL EDUCATIONAL AGENCIES

§ 76.799 Do the requirements in this subpart apply to LEAs?

(a) Each LEA that is responsible for funding a charter school under a covered program must comply with the requirements in this subpart on the same basis as SEAs are required to comply with the requirements in this subpart.

(b) In applying the requirements in this subpart (except for §§ 76.785, 76.786, and 76.787) to LEAs, references to SEA (or State), charter school LEA, and LEA must be read as references to LEA, charter school, and public school, respectively.
