

§ 361.635

34 CFR Ch. III (7-1-18 Edition)

merit staff for the provision of Wagner-Peyser Act services or services from other programs with merit staffing requirements must be included in the competition for and final contract with the one-stop operator when Wagner-Peyser Act services or services from other programs with merit staffing requirements are being provided.

§ 361.635 What is the compliance date of the provisions of this subpart?

(a) No later than July 1, 2017, one-stop operators selected under the competitive process described in this subpart must be in place and operating the one-stop center.

(b) By November 17, 2016, every Local WDB must demonstrate it is taking steps to prepare for competition of its one-stop operator. This demonstration may include, but is not limited to, market research, requests for information, and conducting a cost and price analysis.

§ 361.700 What are the one-stop infrastructure costs?

(a) Infrastructure costs of one-stop centers are nonpersonnel costs that are necessary for the general operation of the one-stop center, including:

- (1) Rental of the facilities;
- (2) Utilities and maintenance;
- (3) Equipment (including assessment-related products and assistive technology for individuals with disabilities); and
- (4) Technology to facilitate access to the one-stop center, including technology used for the center's planning and outreach activities.

(b) Local WDBs may consider common identifier costs as costs of one-stop infrastructure.

(c) Each entity that carries out a program or activities in a local one-stop center, described in §§ 361.400 through 361.410, must use a portion of the funds available for the program and activities to maintain the one-stop delivery system, including payment of the infrastructure costs of one-stop centers. These payments must be in accordance with this subpart; Federal cost principles, which require that all costs must be allowable, reasonable, necessary, and allocable to the pro-

gram; and all other applicable legal requirements.

§ 361.705 What guidance must the Governor issue regarding one-stop infrastructure funding?

(a) The Governor, after consultation with chief elected officials, the State WDB, and Local WDBs, and consistent with guidance and policies provided by the State WDB, must develop and issue guidance for use by local areas, specifically:

(1) Guidelines for State-administered one-stop partner programs for determining such programs' contributions to a one-stop delivery system, based on such programs' proportionate use of such system, and relative benefit received, consistent with Office of Management and Budget (OMB) Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR part 200, including determining funding for the costs of infrastructure; and

(2) Guidance to assist Local WDBs, chief elected officials, and one-stop partners in local areas in determining equitable and stable methods of funding the costs of infrastructure at one-stop centers based on proportionate use and relative benefit received, and consistent with Federal cost principles contained in the Uniform Guidance at 2 CFR part 200.

(b) The guidance must include:

(1) The appropriate roles of the one-stop partner programs in identifying one-stop infrastructure costs;

(2) Approaches to facilitate equitable and efficient cost allocation that results in a reasonable cost allocation methodology where infrastructure costs are charged to each partner based on its proportionate use of the one-stop centers and relative benefit received, consistent with Federal cost principles at 2 CFR part 200; and

(3) The timelines regarding notification to the Governor for not reaching local agreement and triggering the State funding mechanism described in § 361.730, and timelines for a one-stop partner to submit an appeal in the State funding mechanism.
