400, section 1.*

Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

Title 1 through Title 16.....	as of January 1
Title 17 through Title 27.....	as of April 1
Title 28 through Title 41.....	as of July 1
Title 42 through Title 50.....	as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, July 1, 2020), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cut-off date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.

Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

PAST PROVISIONS OF THE CODE

Provisions of the Code that are no longer in force and effect as of the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on any given date in the past by using the appropriate List of CFR Sections Affected (LSA). For the convenience of the reader, a “List of CFR Sections Affected” is published at the end of each CFR volume. For changes to the Code prior to the LSA listings at the end of the volume, consult previous annual editions of the LSA. For changes to the Code prior to 2001, consult the List of CFR Sections Affected compilations, published for 1949-1963, 1964-1972, 1973-1985, and 1986-2000.

“[RESERVED]” TERMINOLOGY

The term “[Reserved]” is used as a place holder within the Code of Federal Regulations. An agency may add regulatory information at a “[Reserved]” location at any time. Occasionally “[Reserved]” is used editorially to indicate that a portion of the CFR was left vacant and not dropped in error.

INCORPORATION BY REFERENCE

What is incorporation by reference? Incorporation by reference was established by statute and allows Federal agencies to meet the requirement to publish regulations in the Federal Register by referring to materials already published elsewhere. For an incorporation to be valid, the Director of the Federal Register must approve it. The legal effect of incorporation by reference is that the material is treated as if it were published in full in the Federal Register (5 U.S.C. 552(a)). This material, like any other properly issued regulation, has the force of law.

What is a proper incorporation by reference? The Director of the Federal Register will approve an incorporation by reference only when the requirements of 1 CFR part 51 are met. Some of the elements on which approval is based are:

- (a) The incorporation will substantially reduce the volume of material published in the Federal Register.
- (b) The matter incorporated is in fact available to the extent necessary to afford fairness and uniformity in the administrative process.
- (c) The incorporating document is drafted and submitted for publication in accordance with 1 CFR part 51.

What if the material incorporated by reference cannot be found? If you have any problem locating or obtaining a copy of material listed as an approved incorporation by reference, please contact the agency that issued the regulation containing that incorporation. If, after contacting the agency, you find the material is not available, please notify the Director of the Federal Register, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001, or call 202-741-6010.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Authorities and Rules. A list of CFR titles, chapters, subchapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

§ 401.1 Is the Secretary's decision not to make an award under the Native American Career and Technical Education Program subject to a hearing?

(a) After receiving written notice from an authorized official of the Department that the Secretary will not award a grant or cooperative agreement to an eligible applicant, an Indian tribal organization has 30 calendar days to make a written request to the Secretary for a hearing to review the Secretary's decision.

[81 FR 55551, Aug. 19, 2016]

§ 462.3 What definitions apply?

(a) *Definitions in the Adult Education and Family Literacy Act (Act).* The following terms used in these regulations are defined in section 203 of the Adult Education and Family Literacy Act, 20 U.S.C. 3292 (Act):

Adult education,
Eligible provider,
Individual of limited English proficiency,
Individual with a disability,
Literacy.

(b) *Other definitions.* The following definitions also apply to this part:

Adult basic education (ABE) means instruction designed for an adult whose educational functioning level is equivalent to a particular ABE literacy level listed in the NRS educational functioning level table in the Guidelines.

Adult education population means individuals—

(1) Who have attained 16 years of age;

(2) Who are not enrolled or required to be enrolled in secondary school under State law; and

(3) Who—

(i) Are basic skills deficient;

(ii) Do not have a secondary school diploma or its recognized equivalent, and have not achieved an equivalent level of education; or

(iii) Are English language learners.

Adult secondary education (ASE) means instruction designed for an adult whose educational functioning level is equivalent to a particular ASE literacy level listed in the NRS educational functioning level table in the Guidelines.

Content domains, content specifications, or NRS skill areas mean, for the purpose of the NRS, reading, writing, and speaking the English language, mathematics, problem solving, English language acquisition, and other literacy skills as defined by the Secretary.

Educational functioning levels mean the ABE, ASE, and ESL literacy levels, as provided in the Guidelines, that describe a set of skills and competencies that students demonstrate in the NRS skill areas.

English as a Second Language (ESL) means instruction designed for an adult whose educational functioning level is equivalent to a particular ESL English language proficiency level listed in the NRS educational functioning level table in the Guidelines.

Guidelines means the *Implementation Guidelines: Measures and Methods for the National Reporting System for Adult Education* (OMB Control Number: 1830-0027) (also known as NRS Implementation Guidelines) posted on the Internet at: www.nrsweb.org.

Local eligible provider means an “eligible provider” as defined in the Act that operates an adult education program that is required to report under the NRS.

State means “State” and “Outlying area” as defined in the Act.

Test means a standardized test, assessment, or instrument that has a formal protocol on how it is to be administered. These protocols include, for example, the use of parallel, equated forms, testing conditions, time allowed for the test, standardized scoring, and the amount of instructional time a student needs before post-testing. Violation of these protocols often invalidates the test scores. Tests are not limited to traditional paper and pencil (or computer-administered) instruments for which forms are constructed prior to administration to examinees. Tests may also include adaptive tests that use computerized algorithms for selecting and administering items in real time; however, for such instruments, the size of the item pool and the method of item selection must ensure negligible overlap in items across pre- and post-testing.

Test administrator means an individual who is trained to administer tests the Secretary determines to be suitable under this part.

Test publisher means an entity, individual, organization, or agency that owns a registered copyright of a test or

is licensed by the copyright holder to sell or distribute a test.

(Authority: 29 U.S.C. 3292, *et seq.*, unless otherwise noted)

[73 FR 2315, Jan. 14, 2008, as amended at 81 FR 55551, Aug. 19, 2016]

§ 462.4 What are the transition rules for using tests to measure educational gain for the National Reporting System for Adult Education (NRS)?

A State or an eligible provider may continue to measure educational gain for the NRS using tests that the Secretary has identified in the most recent notice published in the FEDERAL REGISTER until the Secretary announces through a notice published in the FEDERAL REGISTER a date by which such tests may no longer be used.

(Authority: 29 U.S.C. 3292)

[81 FR 55551, Aug. 19, 2016]

Subpart B—What Process Does the Secretary Use To Review the Suitability of Tests for Use in the NRS?

§ 462.10 How does the Secretary review tests?

(a) The Secretary only reviews tests under this part that are submitted by a test publisher.

(b) A test publisher that wishes to have the suitability of its test determined by the Secretary under this part must submit an application to the Secretary, in the manner the Secretary may prescribe, by October 1, 2016, April 1, 2017, October 1, 2017, April 1, 2018, October 1, 2018, and by October 1 of each year thereafter.

(Authority: 29 U.S.C. 3292)

[73 FR 2315, Jan. 14, 2008, as amended at 81 FR 55552, Aug. 19, 2016]

(2) The name, address, e-mail address, and telephone and fax numbers of a contact person to whom the Secretary may address inquiries.

(3) A summary of the precise editions, forms, levels, and, if applicable, sub-tests and abbreviated tests that the test publisher is requesting that the Secretary review and determine to be suitable for use in the NRS.

(c) *Development.* Documentation of how the test was developed, including a description of—

(1) The nature of samples of examinees administered the test during pilot or field testing, such as—

(i) The number of examinees administered each item;

(ii) How similar the sample or samples of examinees used to develop and evaluate the test were to the adult education population of interest to the NRS; and

(iii) The steps, if any, taken to ensure that the examinees were motivated while responding to the test; and

(2) The steps taken to ensure the quality of test items or tasks, such as—

(i) The extent to which items or tasks on the test were reviewed for fairness and sensitivity; and

(ii) The extent to which items or tasks on the test were screened for the adequacy of their psychometric properties.

(3) The procedures used to assign items to—

(2) Whether the items or tasks measure skills that are not associated with the NRS educational functioning levels;

(3) Whether aspects of a particular NRS educational functioning level are not covered by any of the items or tasks;

(4) The procedures used to establish the content validity of the test;

(5) The number of subject-matter experts who provided judgments linking the items or tasks to the NRS educational functioning levels and their qualifications for doing so, particularly their familiarity with adult education

and the NRS educational functioning levels; and

(6) The extent to which the judgments of the subject matter experts agree.

(f) *Match of scores to NRS educational functioning levels.* Documentation of the adequacy of the procedure used to translate the performance of an examinee on a particular test to an estimate of the examinee's standing with respect to the NRS educational functioning levels in the Guidelines, including—

(1) The correlation between raw (or scale) scores across alternate forms of the test or, in the case of computerized adaptive tests, across alternate administrations of the test;

(2) The consistency with which examinees are classified into the same NRS educational functioning levels across forms of the test. Information regarding classification consistency should be reported for each NRS educational functioning level that the test is being considered for use in measuring;

(3) The adequacy of the research design leading to the estimates of the reliability of the test, including—

(i) The size of the sample(s);

(ii) The similarity between the sample(s) used in the data collection and the adult education population; and

(iii) The steps taken to ensure the motivation of the examinees; and

(4) Any other information explaining the methodology and procedures used to measure the reliability of the test.

(h) *Construct validity.* Documentation of the appropriateness of a given test for measuring educational gain for the NRS, *i.e.*, documentation that the test measures what it is intended to measure, including—

(1) The extent to which the raw or scale scores and the educational functioning classifications associated with the test correlate (or agree) with scores or classifications associated with other tests designed or intended to assess educational gain in the same adult education population as the NRS;

(2) The extent to which the raw or scale scores are related to other relevant variables, such as teacher evaluation, hours of instruction, or other measures that may be related to test performance;

(3) The adequacy of the research designs associated with these sources of evidence (*see* paragraph (g)(3) of this section); and

(4) Other evidence demonstrating that the test measures gains in educational functioning resulting from adult education and not from other construct-irrelevant variables, such as practice effects.

(i) *Other information.* (1) A description of the manner in which test administration time was determined, and an analysis of the speededness of the test.

(2) Additional guidance on the interpretation of scores resulting from any modifications of the tests for an individual with a disability.

(3) The manual provided to test administrators containing procedures and instructions for test security and administration.

(4) A description of the training or certification required of test administrators and scorers by the test publisher.

(5) A description of retesting (e.g., re-administration of a test because of problems in the original administration such as the test taker becomes ill during the test and cannot finish, there are external interruptions during testing, or there are administration errors) procedures and the analysis upon

§ 462.12

34 CFR Ch. IV (7–1–20 Edition)

which the criteria for retesting are based.

(6) Such other evidence as the Secretary may determine is necessary to establish the test's compliance with the criteria and requirements the Secretary uses to determine the suitability of tests as provided in § 462.13.

(j) *Previous tests.* (1) For a test used to measure educational gain in the NRS before the effective date of these regulations that is submitted to the Secretary for review under this part, the test publisher must provide documentation of periodic review of the content and specifications of the test to ensure that the test continues to reflect NRS educational functioning levels.

(2) For a test first published five years or more before the date it is submitted to the Secretary for review under this part, the test publisher must provide documentation of periodic review of the content and specifications of the test to ensure that the test continues to reflect NRS educational functioning levels.

(3) For a test that has not changed in the seven years since the Secretary determined, under § 462.13, that it was suitable for use in the NRS that is again being submitted to the Secretary for review under this part, the test publisher must provide updated data supporting the validity of the test for use in classifying adult learners with respect to the NRS educational functioning levels and the measurement of educational gain as defined in § 462.43 of this part.

(4) If a test has been substantially revised—for example by changing its mode of administration, administration procedures, structure, number of items, content specifications, item types, forms, sub-tests, or number of hours between pre- and post-testing from the most recent edition reviewed by the Secretary under this part—the test publisher must provide an analysis of the revisions, including the reasons for the revisions, the implications of the revisions for the comparability of scores on the current test to scores on the previous test, and results from validity, reliability, and equating or

[73 FR 2315, Jan. 14, 2008, as amended at 81 FR 55552, Aug. 19, 2016]

§ 462.12 What procedures does the Secretary use to review the suitability of tests?

(a) *Review.* (1) When the Secretary receives a complete application from a test publisher, the Secretary selects experts in the field of educational testing and assessment who possess appropriate advanced degrees and experience in test development or psychometric research, or both, to advise the Secretary on the extent to which a test meets the criteria and requirements in § 462.13.

(2) The Secretary reviews and determines the suitability of a test only if an application—

(i) Is submitted by a test publisher;

(ii) Meets the deadline established by the Secretary;

(iii) Includes a test that—

(A) Has two or more secure, parallel, equated forms of the same test—either traditional paper and pencil or computer-administered instruments—for which forms are constructed prior to administration to examinees; or

(B) Is an adaptive test that uses computerized algorithms for selecting and administering items in real time; however, for such an instrument, the size of the item pool and the method of item selection must ensure negligible overlap in items across pre- and post-testing;

(iv) Includes a test that samples one or more of the major content domains of the NRS educational functioning levels of ABE, ASE or ESL with sufficient numbers of questions to represent adequately the domain or domains; and

(v) Includes the information prescribed by the Secretary, including the information in § 462.11 of this part.

(b) *Secretary's determination.* (1) The Secretary determines whether a test meets the criteria and requirements in § 462.13 after taking into account the advice of the experts described in paragraph (a)(1) of this section.

(2) For tests that contain multiple sub-tests measuring content domains

other than those of the NRS educational functioning levels, the Secretary determines the suitability of only those sub-tests covering the domains of the NRS educational functioning levels.

(c) *Suitable tests.* If the Secretary determines that a test satisfies the criteria and requirements in § 462.13 and, therefore, is suitable for use in the NRS, the Secretary—

(1) Notifies the test publisher of the Secretary's decision; and

(2) Annually publishes in the FEDERAL REGISTER and posts on the Internet at www.nrsweb.org a list of the names of tests and test forms and the educational functioning levels the tests are suitable to measure in the NRS. A copy of the list is also available from the U.S. Department of Education, Office of Career, Technical, and Adult Education, Division of Adult Education and Literacy, 400 Maryland Avenue SW., Room 11152, Potomac Center Plaza, Washington, DC 20202-7240.

(d) *Unsuitable tests.* (1) If the Secretary determines that a test does not satisfy the criteria and requirements in § 462.13 and, therefore, is not suitable for use in the NRS, the Secretary notifies the test publisher of the Secretary's decision and of the reasons why the test does not meet those criteria and requirements.

(2) The test publisher may resubmit an application to have the suitability of its test determined by the Secretary under this part on October 1 in the year immediately following the year in which the Secretary notifies the publisher.

(i) An analysis of why the information and documentation submitted meet the criteria and requirements in § 462.13, notwithstanding the Secretary's earlier decision to the contrary; and

(ii) Any additional documentation and information that address the Secretary's reasons for determining that the test was unsuitable.

(3) The Secretary reviews the additional information submitted by the test publisher and makes a final determination regarding the suitability of the test for use in the NRS.

(i) If the Secretary's decision is unchanged and the test remains unsuit-

able for use in the NRS, the Secretary notifies the test publisher, and this action concludes the review process.

(ii) If the Secretary's decision changes and the test is determined to be suitable for use in the NRS, the Secretary follows the procedures in paragraph (c) of this section.

(e) *Revocation.* (1) The Secretary's determination regarding the suitability of a test may be revoked if the Secretary determines that—

(i) The information the publisher submitted as a basis for the Secretary's review of the test was inaccurate; or

(ii) A test has been substantially revised—for example, by changing its mode of administration, administration procedures, structure, number of items, content specifications, item types, forms or sub-tests, or number of hours between pre- and post-testing.

(2) The Secretary notifies the test publisher of the—

(i) Secretary's decision to revoke the determination that the test is suitable for use in the NRS; and

(ii) Reasons for the Secretary's revocation.

(3) Within 30 days after the Secretary notifies a test publisher of the decision to revoke a determination that a test is suitable for use in the NRS, the test publisher may request that the Secretary reconsider the decision. This request must be accompanied by documentation and information that address the Secretary's reasons for revoking the determination that the test is suitable for use in the NRS.

(4) The Secretary reviews the information submitted by the test publisher and makes a final determination regarding the suitability of the test for use in the NRS.

(5) If the Secretary revokes the determination regarding the suitability of a test, the Secretary publishes in the FEDERAL REGISTER and posts on the Internet at www.nrsweb.org a notice of that revocation along with the date by which States and eligible providers must stop using the revoked test. A copy of the notice of revocation is also available from the U.S. Department of Education, Office of Career, Technical, and Adult Education, Division of Adult Education and Literacy, 400 Maryland

§ 462.13 What criteria and requirements does the Secretary use for determining the suitability of tests?

In order for the Secretary to consider a test suitable for use in the NRS, the test or the test publisher, if applicable, must meet the following criteria and requirements:

(a) The test must measure the NRS educational functioning levels of members of the adult education population.

(b) The test must sample one or more of the major content domains of the NRS educational functioning levels of ABE, ASE or ESL with sufficient numbers of questions to adequately represent the domain or domains.

(c)(1) The test must meet all applicable and feasible standards for test construction and validity provided in the 1999 edition of the *Standards for Educational and Psychological Testing*, prepared by the Joint Committee on Standards for Educational and Psychological Testing of the American Educational Research Association, the American Psychological Association, and the National Council on Measurement in Education incorporated by reference in this section. The Director of the Federal Register approves this incorporation by reference in accordance with 5 U.S.C. 552(a) and 1 CFR part 51. You may obtain a copy from the American Psychological Association, Inc., 750 First Street, NE., Washington, DC 20002. You may inspect a copy at the Department of Education, room 11159, 550 12th Street, SW., Washington, DC 20202 or at the National Archives and Records Administration (NARA). For information on the availability of this material at NARA, call (202) 741-6030, or go to: http://www.archives.gov/federal_register/code_of_federal_regulations/ibr_locations.html.

(2) If requested by the Secretary, a test publisher must explain why it believes that certain standards in the 1999 edition of the *Standards for Educational and Psychological Testing* were

34 CFR Ch. IV (7-1-20 Edition)

not applicable or were not feasible to meet.

(d) The test must contain the publisher's guidelines for retesting, including time between test-taking, which are accompanied by appropriate justification.

(e) The test must—

(1) Have two or more secure, parallel, equated forms of the same test—either traditional paper and pencil or computer administered instruments—for which forms are constructed prior to administration to examinees; or

(2) Be an adaptive test that uses computerized algorithms for selecting and administering items in real time; however, for such an instrument, the size of the item pool and the method of item selection must ensure negligible overlap in items across pre- and post-testing. Scores associated with these alternate administrations must be equivalent in meaning.

(f) For a test that has been modified for individuals with disabilities, the test publisher must—

(1) Provide documentation that it followed the guidelines provided in the Testing Individuals With Disabilities section of the 1999 edition of the *Standards for Educational and Psychological Testing*;

(2) Provide documentation of the appropriateness and feasibility of the modifications relevant to test performance; and

(3)(i) Recommend educational functioning levels based on the information obtained from adult education students who participated in the pilot or field test and who have the disability for which the test has been modified; and

(ii) Provide documentation of the adequacy of the procedures used to translate the performance of adult education students with the disability for whom the test has been modified to an estimate of the examinees' standing with respect to the NRS educational functioning levels.

§ 462.14 How often and under what circumstances must a test be reviewed by the Secretary?

(a) The Secretary's determination that a test is suitable for use in the NRS is in effect for a period of seven years from the date of the Secretary's written notification to the test publisher, unless otherwise indicated by the Secretary. After that time, if the test publisher wants the test to be used in the NRS, the test must be reviewed again by the Secretary so that the Secretary can determine whether the test continues to be suitable for use in the NRS.

(b) If a test that the Secretary has determined is suitable for use in the NRS is substantially revised—for example, by changing its mode of administration, administration procedures, structure, number of items, content specifications, item types, forms, subtests, or number of hours between pre- and post-testing—and the test publisher wants the test to continue to be used in the NRS, the test publisher must submit, as provided in § 462.11(j)(4), the substantially revised test or version of the test to the Secretary for review so that the Secretary can determine whether the test continues to be suitable for use in the NRS.

(i) States that submit employment and training activities carried out by HUD under a Combined State Plan would submit any other required planning documents for HUD programs directly to HUD, according to the requirements of Federal law and regulations.

§ 463.143 What is the development, submission, and approval process of the Combined State Plan?

(a) For purposes of § 463.140(a), if a State chooses to develop a Combined State Plan it must submit the Combined State Plan in accordance with the requirements described below and sec. 103 of WIOA, as explained in the joint planning guidelines issued by the Secretaries of Labor and Education.

(b) The Combined State Plan must be developed with the assistance of the State WDB, as required by 20 CFR 679.130(a) and WIOA sec. 101(d), and must be developed in coordination with administrators with optimum policy-making authority for the core programs and required one-stop partners.

(c) The State must provide an opportunity for public comment on and input into the development of the Combined State Plan prior to its submission.

(1) The opportunity for public comment for the portions of the Combined State Plan that cover the core programs must include an opportunity for comment by representatives of Local WDBs and chief elected officials, businesses, representatives of labor organizations, community-based organizations, adult education providers, institutions of higher education, other stakeholders with an interest in the services provided by the six core programs, and the general public, including individuals with disabilities.

(2) Consistent with the “Sunshine Provision” of WIOA in sec. 101(g), the State WDB must make information regarding the Combined State Plan available to the public through electronic means and regularly occurring open meetings in accordance with State law. The Combined State Plan must describe the State’s process and timeline for ensuring a meaningful opportunity for public comment on the portions of the plan covering core programs.

(3) The portions of the plan that cover the Combined State Plan partner programs are subject to any public comment requirements applicable to those programs.

(d) The State must submit to the Secretaries of Labor and Education and to the Secretary of the agency with re-

sponsibility for approving the program’s plan or deeming it complete under the law governing the program, as part of its Combined State Plan, any plan, application, form, or any other similar document that is required as a condition for the approval of Federal funding under the applicable program or activity. Such submission must occur in accordance with a process identified by the relevant Secretaries in paragraph (a) of this section.

(e) The Combined State Plan will be approved or disapproved in accordance with the requirements of sec. 103(c) of WIOA.

(1) The portion of the Combined State Plan covering programs administered by the Departments of Labor and Education must be reviewed, and approved or disapproved, by the appropriate Secretary within 90 days beginning on the day the Combined State Plan is received by the appropriate Secretary from the State, consistent with paragraph (f) of this section. Before the Secretaries of Labor and Education approve the Combined State Plan, the vocational rehabilitation services portion of the Combined State Plan described in WIOA sec. 102(b)(2)(D)(iii) must be approved by the Commissioner of the Rehabilitation Services Administration.

(2) If an appropriate Secretary other than the Secretary of Labor or the Secretary of Education has authority to approve or deem complete a portion of the Combined State Plan for a program or activity described in § 463.140(d), that portion of the Combined State Plan must be reviewed, and approved, disapproved, or deemed complete, by the appropriate Secretary within 120 days beginning on the day the Combined State Plan is received by the appropriate Secretary from the State consistent with paragraph (f) of this section.

(f) The appropriate Secretaries will review and approve or deem complete the Combined State Plan within 90 or 120 days, as appropriate, as described in paragraph (e) of this section, unless the Secretaries of Labor and Education or appropriate Secretary have determined in writing within that period that:

(1) The Combined State Plan is inconsistent with the requirements of

the six core programs or the Federal laws authorizing or applicable to the program or activity involved, including the criteria for approval of a plan or application, or deeming the plan complete, if any, under such law;

(2) The portion of the Combined State Plan describing the six core programs or the program or activity described in paragraph (a) of this section involved does not satisfy the criteria as provided in sec. 102 or 103 of WIOA, as applicable; or

(3) The Combined State Plan is incomplete, or otherwise insufficient to determine whether it is consistent with a core program's requirements, other requirements of WIOA, or the Federal laws authorizing, or applicable to, the program or activity described in § 463.140(d), including the criteria for approval of a plan or application, if any, under such law.

(g) If the Secretary of Labor, the Secretary of Education, or the appropriate Secretary does not make the written determination described in paragraph (f) of this section within the relevant period of time after submission of the Combined State Plan, that portion of the Combined State Plan over which the Secretary has jurisdiction will be considered approved.

(h) The Secretaries of Labor and Education's written determination of approval or disapproval regarding the portion of the plan for the six core programs may be separate from the written determination of approval, disapproval, or completeness of the program-specific requirements of Combined State Plan partner programs and activities described in § 463.140(d) and included in the Combined State Plan.

(i) *Special rule.* In paragraphs (f)(1) and (3) of this section, the term "criteria for approval of a plan or application," with respect to a State or a core program or a program under the Carl D. Perkins Career and Technical Education Act of 2006 (20 U.S.C. 2301 *et seq.*), includes a requirement for agreement between the State and the appropriate Secretaries regarding State performance measures or State performance accountability measures, as the case may be, including levels of performance.

§ 463.145 What are the requirements for modifications of the Combined State Plan?

(a) For the core program portions of the Combined State Plan, modifications are required, at a minimum:

(1) By the end of the first 2-year period of any 4-year State Plan. The State WDB must review the Combined State Plan, and the Governor must submit modifications to the Combined State Plan to reflect changes in labor market and economic conditions or other factors affecting the implementation of the Combined State Plan;

(2) When changes in Federal or State law or policy substantially affect the strategies, goals, and priorities upon which the Combined State Plan is based;

(3) When there are changes in the statewide vision, strategies, policies, State negotiated levels of performance as described in § 463.170(b), the methodology used to determine local allocation of funds, reorganizations that change the working relationship with system employees, changes in organizational responsibilities, changes to the membership structure of the State WDB or alternative entity, and similar substantial changes to the State's workforce development system.

(b) In addition to the required modification review described in paragraph (a)(1) of this section, a State may submit a modification of its Combined State Plan at any time during the 4-year period of the plan.

(c) For any Combined State Plan partner programs and activities described in § 463.140(d) that are included in a State's Combined State Plan, the State—

(1) May decide if the modification requirements under WIOA sec. 102(c)(3) that apply to the core programs will apply to the Combined State Plan partner programs, as long as consistent with any other modification requirements for the programs, or may comply with the requirements applicable to only the particular program or activity; and

(2) Must submit, in accordance with the procedure described in § 463.143, any modification, amendment, or revision required by the Federal law authorizing, or applicable to, the Combined

§ 463.150

State Plan partner program or activity.

(i) If the underlying programmatic requirements change (*e.g.*, the authorizing statute is reauthorized) for Federal laws authorizing such programs, a State must either modify its Combined State Plan or submit a separate plan to the appropriate Federal agency in accordance with the new Federal law authorizing the Combined State Plan partner program or activity and other legal requirements applicable to such program or activity.

(ii) If the modification, amendment, or revision affects the administration of only that particular Combined State Plan partner program and has no impact on the Combined State Plan as a whole or the integration and administration of the core and other Combined State Plan partner programs at the State level, modifications must be submitted for approval to only the appropriate Secretary, based on the approval standards applicable to the original Combined State Plan under § 463.143, if the State elects, or in accordance with the procedures and requirements applicable to the particular Combined State Plan partner program.

(3) A State also may amend its Combined State Plan to add a Combined State Plan partner program or activity described in § 463.140(d).

(d) Modifications of the Combined State Plan are subject to the same public review and comment requirements that apply to the development of the original Combined State Plan as described in § 463.143(c) except that, if the modification, amendment, or revision affects the administration of a particular Combined State Plan partner program and has no impact on the Combined State Plan as a whole or the integration and administration of the core and other Combined State Plan partner programs at the State level, a State may comply instead with the procedures and requirements applicable to the particular Combined State Plan partner program.

(e) Modifications for the core program portions of the Combined State Plan must be approved by the Secretaries of Labor and Education, based on the approval standards applicable to the original Combined State Plan

34 CFR Ch. IV (7–1–20 Edition)

under § 463.143. This approval must come after the approval of the Commissioner of the Rehabilitation Services Administration for modification of any portion of the Combined State Plan described in sec. 102(b)(2)(D)(iii) of WIOA.

Subpart I—Performance Accountability Under Title I of the Workforce Innovation and Opportunity Act

AUTHORITY: Secs. 116, 189, and 503 of Pub. L. 113–128, 128 Stat. 1425 (Jul. 22, 2014).

SOURCE: 81 FR 56051, Aug. 19, 2016, unless otherwise noted.

§ 463.150 What definitions apply to Workforce Innovation and Opportunity Act performance accountability provisions?

(a) *Participant*. A reportable individual who has received services other than the services described in paragraph (a)(3) of this section, after satisfying all applicable programmatic requirements for the provision of services, such as eligibility determination.

(1) For the Vocational Rehabilitation (VR) program, a participant is a reportable individual who has an approved and signed Individualized Plan for Employment (IPE) and has begun to receive services.

(2) For the Workforce Innovation and Opportunity Act (WIOA) title I youth program, a participant is a reportable individual who has satisfied all applicable program requirements for the provision of services, including eligibility determination, an objective assessment, and development of an individual service strategy, and received 1 of the 14 WIOA youth program elements identified in sec. 129(c)(2) of WIOA.

(3) The following individuals are not participants:

(i) Individuals in an Adult Education and Family Literacy Act (AEFLA) program who have not completed at least 12 contact hours;

(ii) Individuals who only use the self-service system.

(A) Subject to paragraph (a)(3)(ii)(B) of this section, self-service occurs when individuals independently access any

workforce development system program's information and activities in either a physical location, such as a one-stop center resource room or partner agency, or remotely via the use of electronic technologies.

(B) Self-service does not uniformly apply to all virtually accessed services. For example, virtually accessed services that provide a level of support beyond independent job or information seeking on the part of an individual would not qualify as self-service.

(iii) Individuals who receive information-only services or activities, which provide readily available information that does not require an assessment by a staff member of the individual's skills, education, or career objectives.

(4) Programs must include participants in their performance calculations.

(b) *Reportable individual.* An individual who has taken action that demonstrates an intent to use program services and who meets specific reporting criteria of the program, including:

(1) Individuals who provide identifying information;

(2) Individuals who only use the self-service system; or

(3) Individuals who only receive information-only services or activities.

(c) *Exit.* As defined for the purpose of performance calculations, exit is the point after which a participant who has received services through any program meets the following criteria:

(1) For the adult, dislocated worker, and youth programs authorized under WIOA title I, the AEFLA program authorized under WIOA title II, and the Employment Service program authorized under the Wagner-Peyser Act, as amended by WIOA title III, exit date is the last date of service.

(i) The last day of service cannot be determined until at least 90 days have elapsed since the participant last received services; services do not include self-service, information-only services or activities, or follow-up services. This also requires that there are no plans to provide the participant with future services.

(ii) [Reserved].

(2)(i) For the VR program authorized under title I of the Rehabilitation Act

of 1973, as amended by WIOA title IV (VR program):

(A) The participant's record of service is closed in accordance with § 463.56 because the participant has achieved an employment outcome; or

(B) The participant's service record is closed because the individual has not achieved an employment outcome or the individual has been determined ineligible after receiving services in accordance with § 463.43.

(ii) Notwithstanding any other provision of this section, a participant will not be considered as meeting the definition of exit from the VR program if the participant's service record is closed because the participant has achieved a supported employment outcome in an integrated setting but not in competitive integrated employment.

(3)(i) A State may implement a common exit policy for all or some of the core programs in WIOA title I and the Employment Service program authorized under the Wagner-Peyser Act, as amended by WIOA title III, and any additional required partner program(s) listed in sec. 121(b)(1)(B) of WIOA that is under the authority of the U.S. Department of Labor (DOL).

(ii) If a State chooses to implement a common exit policy, the policy must require that a participant is exited only when all of the criteria in paragraph (c)(1) of this section are met for the WIOA title I core programs and the Employment Service program authorized under the Wagner-Peyser Act, as amended by WIOA title III, as well as any additional required partner programs listed in sec. 121(b)(1)(B) of WIOA under the authority of DOL to which the common exit policy applies in which the participant is enrolled.

(d) *State.* For purposes of this part, other than in regard to sanctions or the statistical adjustment model, all references to "State" include the outlying areas of American Samoa, Guam, Commonwealth of the Northern Mariana Islands, the U.S. Virgin Islands, and, as applicable, the Republic of Palau.

§ 463.155 What are the primary indicators of performance under the Workforce Innovation and Opportunity Act?

(a) All States submitting either a Unified or Combined State Plan under §§ 463.130 and 463.143, must propose expected levels of performance for each of the primary indicators of performance for the adult, dislocated worker, and youth programs authorized under WIOA title I; the AEFLA program authorized under WIOA title II; the Employment Service program authorized under the Wagner-Peyser Act, as amended by WIOA title III; and the VR program authorized under title I of the Rehabilitation Act of 1973, as amended by WIOA title IV.

(1) *Primary indicators of performance.* The six primary indicators of performance for the adult and dislocated worker programs, the AEFLA program, and the VR program are:

(i) The percentage of participants who are in unsubsidized employment during the second quarter after exit from the program;

(ii) The percentage of participants who are in unsubsidized employment during the fourth quarter after exit from the program;

(iii) Median earnings of participants who are in unsubsidized employment during the second quarter after exit from the program;

(iv)(A) The percentage of those participants enrolled in an education or training program (excluding those in on-the-job training [OJT] and customized training) who attained a recognized postsecondary credential or a secondary school diploma, or its recognized equivalent, during participation in or within 1 year after exit from the program.

(B) A participant who has attained a secondary school diploma or its recognized equivalent is included in the percentage of participants who have attained a secondary school diploma or recognized equivalent only if the participant also is employed or is enrolled in an education or training program leading to a recognized postsecondary credential within 1 year after exit from the program;

(v) The percentage of participants who, during a program year, are in an

education or training program that leads to a recognized postsecondary credential or employment and who are achieving measurable skill gains, defined as documented academic, technical, occupational, or other forms of progress, towards such a credential or employment. Depending upon the type of education or training program, documented progress is defined as one of the following:

(A) Documented achievement of at least one educational functioning level of a participant who is receiving instruction below the postsecondary education level;

(B) Documented attainment of a secondary school diploma or its recognized equivalent;

(C) Secondary or postsecondary transcript or report card for a sufficient number of credit hours that shows a participant is meeting the State unit's academic standards;

(D) Satisfactory or better progress report, towards established milestones, such as completion of OJT or completion of 1 year of an apprenticeship program or similar milestones, from an employer or training provider who is providing training; or

(E) Successful passage of an exam that is required for a particular occupation or progress in attaining technical or occupational skills as evidenced by trade-related benchmarks such as knowledge-based exams.

(vi) Effectiveness in serving employers.

(2) *Participants.* For purposes of the primary indicators of performance in paragraph (a)(1) of this section, “participant” will have the meaning given to it in § 463.150(a), except that—

(i) For purposes of determining program performance levels under indicators set forth in paragraphs (a)(1)(i) through (iv) and (vi) of this section, a “participant” does not include a participant who received services under sec. 225 of WIOA and exits such program while still in a correctional institution as defined in sec. 225(e)(1) of WIOA; and

(ii) The Secretaries of Labor and Education may, as needed and consistent with the Paperwork Reduction

Act (PRA), make further determinations as to the participants to be included in calculating program performance levels for purposes of any of the performance indicators set forth in paragraph (a)(1) of this section.

(b) The primary indicators in paragraphs (a)(1)(i) through (iii) and (vi) of this section apply to the Employment Service program authorized under the Wagner-Peyser Act, as amended by WIOA title III.

(c) For the youth program authorized under WIOA title I, the primary indicators are:

(1) Percentage of participants who are in education or training activities, or in unsubsidized employment, during the second quarter after exit from the program;

(2) Percentage of participants in education or training activities, or in unsubsidized employment, during the fourth quarter after exit from the program;

(3) Median earnings of participants who are in unsubsidized employment during the second quarter after exit from the program;

(4) The percentage of those participants enrolled in an education or training program (excluding those in OJT and customized training) who obtained a recognized postsecondary credential or a secondary school diploma, or its recognized equivalent, during participation in or within 1 year after exit from the program, except that a participant who has attained a secondary school diploma or its recognized equivalent is included as having attained a secondary school diploma or recognized equivalent only if the participant is also employed or is enrolled in an education or training program leading to a recognized postsecondary credential within 1 year from program exit;

(5) The percentage of participants who during a program year, are in an education or training program that leads to a recognized postsecondary credential or employment and who are achieving measurable skill gains, defined as documented academic, technical, occupational or other forms of progress towards such a credential or employment. Depending upon the type of education or training program, docu-

mented progress is defined as one of the following:

(i) Documented achievement of at least one educational functioning level of a participant who is receiving instruction below the postsecondary education level;

(ii) Documented attainment of a secondary school diploma or its recognized equivalent;

(iii) Secondary or postsecondary transcript or report card for a sufficient number of credit hours that shows a participant is achieving the State unit's academic standards;

(iv) Satisfactory or better progress report, towards established milestones, such as completion of OJT or completion of 1 year of an apprenticeship program or similar milestones, from an employer or training provider who is providing training; or

(v) Successful passage of an exam that is required for a particular occupation or progress in attaining technical or occupational skills as evidenced by trade-related benchmarks such as knowledge-based exams.

(6) Effectiveness in serving employers.

§ 463.160 What information is required for State performance reports?

(a) The State performance report required by sec. 116(d)(2) of WIOA must be submitted annually using a template the Departments of Labor and Education will disseminate, and must provide, at a minimum, information on the actual performance levels achieved consistent with § 463.175 with respect to:

(1) The total number of participants served, and the total number of participants who exited each of the core programs identified in sec. 116(b)(3)(A)(ii) of WIOA, including disaggregated counts of those who participated in and exited a core program, by:

(i) Individuals with barriers to employment as defined in WIOA sec. 3(24); and

(ii) Co-enrollment in any of the programs in WIOA sec. 116(b)(3)(A)(ii).

(2) Information on the performance levels achieved for the primary indicators of performance for all of the core programs identified in § 463.155 including disaggregated levels for:

§ 463.165

(8) The percentage of a State's annual allotment under WIOA sec. 132(b) that the State spent on administrative costs; and

(9) Information that facilitates comparisons of programs with programs in other States.

(10) For WIOA title I programs, a State performance narrative, which, for States in which a local area is implementing a pay-for-performance contracting strategy, at a minimum provides:

(i) A description of pay-for-performance contract strategies being used for programs;

34 CFR Ch. IV (7–1–20 Edition)

(ii) The performance of service providers entering into contracts for such strategies, measured against the levels of performance specified in the contracts for such strategies; and

(iii) An evaluation of the design of the programs and performance strategies and, when available, the satisfaction of employers and participants who received services under such strategies.

(b) The disaggregation of data for the State performance report must be done in compliance with WIOA sec. 116(d)(6)(C).

(c) The State performance reports must include a mechanism of electronic access to the State's local area and eligible training provider (ETP) performance reports.

(d) States must comply with these requirements from sec. 116 of WIOA as explained in joint guidance issued by the Departments of Labor and Education, which may include information on reportable individuals as determined by the Secretaries of Labor and Education.

§ 463.165 May a State establish additional indicators of performance?

States may identify additional indicators of performance for the six core programs. If a State does so, these indicators must be included in the Unified or Combined State Plan.

§ 463.170 How are State levels of performance for primary indicators established?

(a) A State must submit in the State Plan expected levels of performance on the primary indicators of performance for each core program as required by sec. 116(b)(3)(A)(iii) of WIOA as explained in joint guidance issued by the Secretaries of Labor and Education.

(1) The initial State Plan submitted under WIOA must contain expected levels of performance for the first 2 years of the State Plan.

(2) States must submit expected levels of performance for the third and fourth year of the State Plan before the third program year consistent with §§ 463.135 and 463.145.

(b) States must reach agreement on levels of performance with the Secretaries of Labor and Education for each indicator for each core program. These

are the negotiated levels of performance. The negotiated levels must be based on the following factors:

(1) How the negotiated levels of performance compare with State levels of performance established for other States;

(2) The application of an objective statistical model established by the Secretaries of Labor and Education, subject to paragraph (d) of this section;

(3) How the negotiated levels promote continuous improvement in performance based on the primary indicators and ensure optimal return on investment of Federal funds; and

(4) The extent to which the negotiated levels assist the State in meeting the performance goals established by the Secretaries of Labor and Education for the core programs in accordance with the Government Performance and Results Act of 1993, as amended.

(c) An objective statistical adjustment model will be developed and disseminated by the Secretaries of Labor and Education. The model will be based on:

(1) Differences among States in actual economic conditions, including but not limited to unemployment rates and job losses or gains in particular industries; and

(2) The characteristics of participants, including but not limited to:

- (i) Indicators of poor work history;
- (ii) Lack of work experience;
- (iii) Lack of educational or occupational skills attainment;
- (iv) Dislocation from high-wage and high-benefit employment;
- (v) Low levels of literacy;
- (vi) Low levels of English proficiency;
- (vii) Disability status;
- (viii) Homelessness;
- (ix) Ex-offender status; and
- (x) Welfare dependency.

(d) The objective statistical adjustment model developed under paragraph (c) of this section will be:

(1) Applied to the core programs' primary indicators upon availability of data which are necessary to populate the model and apply the model to the local core programs;

(2) Subject to paragraph (d)(1) of this section, used before the beginning of a

program year in order to reach agreement on State negotiated levels for the upcoming program year; and

(3) Subject to paragraph (d)(1) of this section, used to revise negotiated levels at the end of a program year based on actual economic conditions and characteristics of participants served, consistent with sec. 116(b)(3)(A)(vii) of WIOA.

(e) The negotiated levels revised at the end of the program year, based on the statistical adjustment model, are the adjusted levels of performance.

(f) States must comply with these requirements from sec. 116 of WIOA as explained in joint guidance issued by the Departments of Labor and Education.

§ 463.175 What responsibility do States have to use quarterly wage record information for performance accountability?

(a)(1) States must, consistent with State laws, use quarterly wage record information in measuring a State's performance on the primary indicators of performance outlined in § 463.155 and a local area's performance on the primary indicators of performance identified in § 463.205.

(2) The use of social security numbers from participants and such other information as is necessary to measure the progress of those participants through quarterly wage record information is authorized.

(3) To the extent that quarterly wage records are not available for a participant, States may use other information as is necessary to measure the progress of those participants through methods other than quarterly wage record information.

(b) "Quarterly wage record information" means intrastate and interstate wages paid to an individual, the social security number (or numbers, if more than one) of the individual, and the name, address, State, and the Federal employer identification number of the employer paying the wages to the individual.

(c) The Governor may designate a State agency (or appropriate State entity) to assist in carrying out the performance reporting requirements for WIOA core programs and ETPs. The

§ 463.180

Governor or such agency (or appropriate State entity) is responsible for:

- (1) Facilitating data matches;
- (2) Data quality reliability; and
- (3) Protection against disaggregation that would violate applicable privacy standards.

§ 463.180 When is a State subject to a financial sanction under the Workforce Innovation and Opportunity Act?

A State will be subject to financial sanction under WIOA sec. 116(f) if it fails to:

- (a) Submit the State annual performance report required under WIOA sec. 116(d)(2); or
- (b) Meet adjusted levels of performance for the primary indicators of performance in accordance with sec. 116(f) of WIOA.

§ 463.185 When are sanctions applied for a State's failure to submit an annual performance report?

(a) Sanctions will be applied when a State fails to submit the State annual performance report required under sec. 116(d)(2) of WIOA. A State fails to report if the State either:

- (1) Does not submit a State annual performance report by the date for timely submission set in performance reporting guidance; or
 - (2) Submits a State annual performance report by the date for timely submission, but the report is incomplete.
- (b) Sanctions will not be applied if the reporting failure is due to exceptional circumstances outside of the State's control. Exceptional circumstances may include, but are not limited to:

- (1) Natural disasters;
- (2) Unexpected personnel transitions; and
- (3) Unexpected technology related issues.

(c) In the event that a State may not be able to submit a complete and accurate performance report by the deadline for timely reporting:

- (1) The State must notify the Secretary of Labor or Secretary of Education as soon as possible, but no later than 30 days prior to the established deadline for submission, of a potential impact on the State's ability to submit its State annual performance report in

34 CFR Ch. IV (7-1-20 Edition)

order to not be considered failing to report.

- (2) In circumstances where unexpected events occur less than 30 days before the established deadline for submission of the State annual performance reports, the Secretaries of Labor and Education will review requests for extending the reporting deadline in accordance with the Departments of Labor and Education's procedures that will be established in guidance.

§ 463.190 When are sanctions applied for failure to achieve adjusted levels of performance?

(a) States' negotiated levels of performance will be adjusted through the application of the statistical adjustment model established under § 463.170 to account for actual economic conditions experienced during a program year and characteristics of participants, annually at the close of each program year.

(b) Any State that fails to meet adjusted levels of performance for the primary indicators of performance outlined in § 463.155 for any year will receive technical assistance, including assistance in the development of a performance improvement plan provided by the Secretary of Labor or Secretary of Education.

(c) Whether a State has failed to meet adjusted levels of performance will be determined using the following three criteria:

(1) The overall State program score, which is expressed as the percent achieved, compares the actual results achieved by a core program on the primary indicators of performance to the adjusted levels of performance for that core program. The average of the percentages achieved of the adjusted level of performance for each of the primary indicators by a core program will constitute the overall State program score.

(2) However, until all indicators for the core program have at least 2 years of complete data, the overall State program score will be based on a comparison of the actual results achieved to the adjusted level of performance for each of the primary indicators that have at least 2 years of complete data for that program;

(3) The overall State indicator score, which is expressed as the percent achieved, compares the actual results achieved on a primary indicator of performance by all core programs in a State to the adjusted levels of performance for that primary indicator. The average of the percentages achieved of the adjusted level of performance by all of the core programs on that indicator will constitute the overall State indicator score.

(4) However, until all indicators for the State have at least 2 years of complete data, the overall State indicator score will be based on a comparison of the actual results achieved to the adjusted level of performance for each of the primary indicators that have at least 2 years of complete data in a State.

(5) The individual indicator score, which is expressed as the percent achieved, compares the actual results achieved by each core program on each of the individual primary indicators to the adjusted levels of performance for each of the program's primary indicators of performance.

(d) A performance failure occurs when:

(1) Any overall State program score or overall State indicator score falls below 90 percent for the program year; or

(2) Any of the States' individual indicator scores fall below 50 percent for the program year.

(e) Sanctions based on performance failure will be applied to States if, for 2 consecutive years, the State fails to meet:

(1) 90 percent of the overall State program score for the same core program;

(2) 90 percent of the overall State indicator score for the same primary indicator; or

(3) 50 percent of the same indicator score for the same program.

§ 463.195 What should States expect when a sanction is applied to the Governor's Reserve Allotment?

(a) The Secretaries of Labor and Education will reduce the Governor's Reserve Allotment by five percent of the maximum available amount for the immediately succeeding program year if:

(1) The State fails to submit the State annual performance reports as required under WIOA sec. 116(d)(2), as defined in § 463.185;

(2) The State fails to meet State adjusted levels of performance for the same primary performance indicator(s) under either § 463.190(d)(1) for the second consecutive year as defined in § 463.190; or

(3) The State's score on the same indicator for the same program falls below 50 percent under § 463.190(d)(2) for the second consecutive year as defined in § 463.190.

(b) If the State fails under paragraphs (a)(1) and either (a)(2) or (3) of this section in the same program year, the Secretaries of Labor and Education will reduce the Governor's Reserve Allotment by 10 percent of the maximum available amount for the immediately succeeding program year.

(c) If a State's Governor's Reserve Allotment is reduced:

(1) The reduced amount will not be returned to the State in the event that the State later improves performance or submits its annual performance report; and

(2) The Governor's Reserve will continue to be set at the reduced level in each subsequent year until the Secretary of Labor or the Secretary of Education, depending on which program is impacted, determines that the State met the State adjusted levels of performance for the applicable primary performance indicators and has submitted all of the required performance reports.

(d) A State may request review of a sanction the Secretary of Labor imposes in accordance with the provisions of 20 CFR 683.800.

§ 463.200 What other administrative actions will be applied to States' performance requirements?

(a) In addition to sanctions for failure to report or failure to meet adjusted levels of performance, States will be subject to administrative actions in the case of poor performance.

(b) States' performance achievement on the individual primary indicators will be assessed in addition to the overall State program score and overall

State indicator score. Based on this assessment, as clarified and explained in guidance, for performance on any individual primary indicator, the Secretary of Labor or the Secretary of Education will require the State to establish a performance risk plan to address continuous improvement on the individual primary indicator.

§ 463.205 What performance indicators apply to local areas and what information must be included in local area performance reports?

(a) Each local area in a State under WIOA title I is subject to the same primary indicators of performance for the core programs for WIOA title I under § 463.155(a)(1) and (c) that apply to the State.

(b) In addition to the indicators described in paragraph (a) of this section, under § 463.165, the Governor may apply additional indicators of performance to local areas in the State.

(c) States must annually make local area performance reports available to the public using a template that the Departments of Labor and Education will disseminate in guidance, including by electronic means. The State must provide electronic access to the public local area performance report in its annual State performance report.

(d) The local area performance report must include:

(1) The actual results achieved under § 463.155 and the information required under § 463.160(a);

(2) The percentage of a local area's allotment under WIOA secs. 128(b) and 133(b) that the local area spent on administrative costs; and

(3) Other information that facilitates comparisons of programs with programs in other local areas (or planning regions if the local area is part of a planning region).

(e) The disaggregation of data for the local area performance report must be done in compliance with WIOA sec. 116(d)(6)(C).

(f) States must comply with any requirements from sec. 116(d)(3) of WIOA as explained in guidance, including the use of the performance reporting template, issued by DOL.

§ 463.210 How are local performance levels established?

(a) The objective statistical adjustment model required under sec. 116(b)(3)(A)(viii) of WIOA and described in § 463.170(c) must be:

(1) Applied to the core programs' primary indicators upon availability of data which are necessary to populate the model and apply the model to the local core programs;

(2) Used in order to reach agreement on local negotiated levels of performance for the upcoming program year; and

(3) Used to establish adjusted levels of performance at the end of a program year based on actual conditions, consistent with WIOA sec. 116(c)(3).

(b) Until all indicators for the core program in a local area have at least 2 years of complete data, the comparison of the actual results achieved to the adjusted levels of performance for each of the primary indicators only will be applied where there are at least 2 years of complete data for that program.

(c) The Governor, Local Workforce Development Board (WDB), and chief elected official must reach agreement on local negotiated levels of performance based on a negotiations process before the start of a program year with the use of the objective statistical model described in paragraph (a) of this section. The negotiations will include a discussion of circumstances not accounted for in the model and will take into account the extent to which the levels promote continuous improvement. The objective statistical model will be applied at the end of the program year based on actual economic conditions and characteristics of the participants served.

(d) The negotiations process described in paragraph (c) of this section must be developed by the Governor and disseminated to all Local WDBs and chief elected officials.

(e) The Local WDBs may apply performance measures to service providers that differ from the performance indicators that apply to the local area. These performance measures must be established after considering:

(1) The established local negotiated levels;

(2) The services provided by each provider; and

(3) The populations the service providers are intended to serve.

§ 463.215 Under what circumstances are local areas eligible for State Incentive Grants?

(a) The Governor is not required to award local incentive funds, but is authorized to provide incentive grants to local areas for performance on the primary indicators of performance consistent with WIOA sec. 134(a)(3)(A)(xi).

(b) The Governor may use non-Federal funds to create incentives for the Local WDBs to implement pay-for-performance contract strategies for the delivery of training services described in WIOA sec. 134(c)(3) or activities described in WIOA sec. 129(c)(2) in the local areas served by the Local WDBs. Pay-for-performance contract strategies must be implemented in accordance with 20 CFR part 683, subpart E and § 463.160.

§ 463.220 Under what circumstances may a corrective action or sanction be applied to local areas for poor performance?

(a) If a local area fails to meet the adjusted levels of performance agreed to under § 463.210 for the primary indicators of performance in the adult, dislocated worker, and youth programs authorized under WIOA title I in any program year, technical assistance must be provided by the Governor or, upon the Governor's request, by the Secretary of Labor.

(1) A State must establish the threshold for failure to meet adjusted levels of performance for a local area before coming to agreement on the negotiated levels of performance for the local area.

(i) A State must establish the adjusted level of performance for a local area, using the statistical adjustment model described in § 463.170(c).

(ii) At least 2 years of complete data on any indicator for any local core program are required in order to establish adjusted levels of performance for a local area.

(2) The technical assistance may include:

(i) Assistance in the development of a performance improvement plan;

(ii) The development of a modified local or regional plan; or

(iii) Other actions designed to assist the local area in improving performance.

(b) If a local area fails to meet the adjusted levels of performance agreed to under § 463.210 for the same primary indicators of performance for the same core program authorized under WIOA title I for a third consecutive program year, the Governor must take corrective actions. The corrective actions must include the development of a reorganization plan under which the Governor:

(1) Requires the appointment and certification of a new Local WDB, consistent with the criteria established under 20 CFR 679.350;

(2) Prohibits the use of eligible providers and one-stop partners that have been identified as achieving poor levels of performance; or

(3) Takes such other significant actions as the Governor determines are appropriate.

§ 463.225 Under what circumstances may local areas appeal a reorganization plan?

(a) The Local WDB and chief elected official for a local area that is subject to a reorganization plan under WIOA sec. 116(g)(2)(A) may appeal to the Governor to rescind or revise the reorganization plan not later than 30 days after receiving notice of the reorganization plan. The Governor must make a final decision within 30 days after receipt of the appeal.

(b) The Local WDB and chief elected official may appeal the final decision of the Governor to the Secretary of Labor not later than 30 days after receiving the decision from the Governor. Any appeal of the Governor's final decision must be:

(1) Appealed jointly by the Local WDB and chief elected official to the Secretary of Labor under 20 CFR 683.650; and

(2) Must be submitted by certified mail, return receipt requested, to the Secretary of Labor, U.S. Department of Labor, 200 Constitution Ave. NW., Washington DC 20210, Attention: ASET. A copy of the appeal must be simultaneously provided to the Governor.

(c) Upon receipt of the joint appeal from the Local WDB and chief elected official, the Secretary of Labor must make a final decision within 30 days. In making this determination the Secretary of Labor may consider any comments submitted by the Governor in response to the appeals.

(d) The decision by the Governor on the appeal becomes effective at the time it is issued and remains effective unless the Secretary of Labor rescinds or revises the reorganization plan under WIOA sec. 116(g)(2)(C).

§ 463.230 What information is required for the eligible training provider performance reports?

(a) States are required to make available and publish annually using a template the Departments of Labor and Education will disseminate including through electronic means, the ETP performance reports for ETPs who provide services under sec. 122 of WIOA that are described in 20 CFR 680.400 through 680.530. These reports at a minimum must include, consistent with § 463.175 and with respect to each program of study that is eligible to receive funds under WIOA:

(1) The total number of participants as defined by § 463.150(a) who received training services under the adult and dislocated worker programs authorized under WIOA title I for the most recent year and the 3 preceding program years, including:

(i) The number of participants under the adult and dislocated worker programs disaggregated by barriers to employment;

(ii) The number of participants under the adult and dislocated worker programs disaggregated by race, ethnicity, sex, and age;

(iii) The number of participants under the adult and dislocated worker programs disaggregated by the type of training entity for the most recent program year and the 3 preceding program years;

(2) The total number of participants who exit a program of study or its equivalent, including disaggregate counts by the type of training entity during the most recent program year and the 3 preceding program years;

(3) The average cost-per-participant for participants who received training services for the most recent program year and the 3 preceding program years disaggregated by type of training entity;

(4) The total number of individuals exiting from the program of study (or the equivalent) with respect to all individuals engaging in the program of study (or the equivalent); and

(5) The levels of performance achieved for the primary indicators of performance identified in § 463.155(a)(1)(i) through (iv) with respect to all individuals engaging in a program of study (or the equivalent).

(b) Apprenticeship programs registered under the National Apprenticeship Act are not required to submit ETP performance information. If a registered apprenticeship program voluntarily submits performance information to a State, the State must include this information in the report.

(c) The State must provide a mechanism of electronic access to the public ETP performance report in its annual State performance report.

(d) States must comply with any requirements from sec. 116(d)(4) of WIOA as explained in guidance issued by DOL.

(e) The Governor may designate one or more State agencies such as a State Education Agency or other State Educational Authority to assist in overseeing ETP performance and facilitating the production and dissemination of ETP performance reports. These agencies may be the same agencies that are designated as responsible for administering the ETP list as provided under 20 CFR 680.500. The Governor or such agencies, or authorities, is responsible for:

(1) Facilitating data matches between ETP records and unemployment insurance (UI) wage data in order to produce the report;

(2) The creation and dissemination of the reports as described in paragraphs (a) through (d) of this section;

(3) Coordinating the dissemination of the performance reports with the ETP list and the information required to accompany the list, as provided in 20 CFR 680.500.

§ 463.235 What are the reporting requirements for individual records for core Workforce Innovation and Opportunity Act (WIOA) title I programs; the Wagner-Peyser Act Employment Service program, as amended by WIOA title III; and the Vocational Rehabilitation program authorized under title I of the Rehabilitation Act of 1973, as amended by WIOA title IV?

(a) On a quarterly basis, each State must submit to the Secretary of Labor or the Secretary of Education, as appropriate, individual records that include demographic information, information on services received, and information on resulting outcomes, as appropriate, for each reportable individual in either of the following programs administered by the Secretary of Labor or Secretary of Education: A WIOA title I core program; the Employment Service program authorized under the Wagner-Peyser Act, as amended by WIOA title III; or the VR program authorized under title I of the Rehabilitation Act of 1973, as amended by WIOA title IV.

(b) For individual records submitted to the Secretary of Labor, those records may be required to be integrated across all programs administered by the Secretary of Labor in one single file.

(c) States must comply with the requirements of sec. 116(d)(2) of WIOA as explained in guidance issued by the Departments of Labor and Education.

Subpart J—Description of the One-Stop Delivery System Under Title I of the Workforce Innovation and Opportunity Act

AUTHORITY: Secs. 503, 107, 121, 134, 189, Pub. L. 113–128, 128 Stat. 1425 (Jul. 22, 2014).

SOURCE: 81 FR 56057, Aug. 19, 2016, unless otherwise noted.

§ 463.300 What is the one-stop delivery system?

(a) The one-stop delivery system brings together workforce development, educational, and other human resource services in a seamless customer-focused service delivery network that enhances access to the programs' services and improves long-term employment outcomes for individuals receiving assistance. One-stop partners administer separately funded programs as a set of integrated streamlined services to customers.

(b) Title I of the Workforce Innovation and Opportunity Act (WIOA) assigns responsibilities at the local, State, and Federal level to ensure the creation and maintenance of a one-stop delivery system that enhances the range and quality of education and workforce development services that employers and individual customers can access.

(c) The system must include at least one comprehensive physical center in each local area as described in § 463.305.

(d) The system may also have additional arrangements to supplement the comprehensive center. These arrangements include:

(1) An affiliated site or a network of affiliated sites, where one or more partners make programs, services, and activities available, as described in § 463.310;

§ 463.305

34 CFR Ch. IV (7–1–20 Edition)

(2) A network of eligible one-stop partners, as described in §§ 463.400 through 463.410, through which each partner provides one or more of the programs, services, and activities that are linked, physically or technologically, to an affiliated site or access point that assures customers are provided information on the availability of career services, as well as other program services and activities, regardless of where they initially enter the public workforce system in the local area; and

(3) Specialized centers that address specific needs, including those of displaced workers, youth, or key industry sectors, or clusters.

(e) Required one-stop partner programs must provide access to programs, services, and activities through electronic means if applicable and practicable. This is in addition to providing access to services through the mandatory comprehensive physical one-stop center and any affiliated sites or specialized centers. The provision of programs and services by electronic methods such as Web sites, telephones, or other means must improve the efficiency, coordination, and quality of one-stop partner services. Electronic delivery must not replace access to such services at a comprehensive one-stop center or be a substitute to making services available at an affiliated site if the partner is participating in an affiliated site. Electronic delivery systems must be in compliance with the nondiscrimination and equal opportunity provisions of WIOA sec. 188 and its implementing regulations at 29 CFR part 38.

(f) The design of the local area's one-stop delivery system must be described in the Memorandum of Understanding (MOU) executed with the one-stop partners, described in § 463.500.

§ 463.305 What is a comprehensive one-stop center and what must be provided there?

(a) A comprehensive one-stop center is a physical location where job seeker and employer customers can access the programs, services, and activities of all required one-stop partners. A comprehensive one-stop center must have at least one title I staff person physically present.

(b) The comprehensive one-stop center must provide:

(1) Career services, described in § 463.430;

(2) Access to training services described in 20 CFR 680.200;

(3) Access to any employment and training activities carried out under sec. 134(d) of WIOA;

(4) Access to programs and activities carried out by one-stop partners listed in §§ 463.400 through 463.410, including the Employment Service program authorized under the Wagner-Peyser Act, as amended by WIOA title III (Wagner-Peyser Act Employment Service program); and

(5) Workforce and labor market information.

(c) Customers must have access to these programs, services, and activities during regular business days at a comprehensive one-stop center. The Local Workforce Development Board (WDB) may establish other service hours at other times to accommodate the schedules of individuals who work on regular business days. The State WDB will evaluate the hours of access to service as part of the evaluation of effectiveness in the one-stop certification process described in § 463.800(b).

(d) “Access” to each partner program and its services means:

(1) Having a program staff member physically present at the one-stop center;

(2) Having a staff member from a different partner program physically present at the one-stop center appropriately trained to provide information to customers about the programs, services, and activities available through partner programs; or

(3) Making available a direct linkage through technology to program staff who can provide meaningful information or services.

(i) A “direct linkage” means providing direct connection at the one-stop center, within a reasonable time, by phone or through a real-time Web-based communication to a program staff member who can provide program information or services to the customer.

(ii) A “direct linkage” cannot exclusively be providing a phone number or

computer Web site or providing information, pamphlets, or materials.

(e) All comprehensive one-stop centers must be physically and programmatically accessible to individuals with disabilities, as described in 29 CFR part 38, the implementing regulations of WIOA sec. 188.

§ 463.310 What is an affiliated site and what must be provided there?

(a) An affiliated site, or affiliate one-stop center, is a site that makes available to job seeker and employer customers one or more of the one-stop partners' programs, services, and activities. An affiliated site does not need to provide access to every required one-stop partner program. The frequency of program staff's physical presence in the affiliated site will be determined at the local level. Affiliated sites are access points in addition to the comprehensive one-stop center(s) in each local area. If used by local areas as a part of the service delivery strategy, affiliate sites must be implemented in a manner that supplements and enhances customer access to services.

(b) As described in § 463.315, Wagner-Peyser Act employment services cannot be a stand-alone affiliated site.

(c) States, in conjunction with the Local WDBs, must examine lease agreements and property holdings throughout the one-stop delivery system in order to use property in an efficient and effective way. Where necessary and appropriate, States and Local WDBs must take expeditious steps to align lease expiration dates with efforts to consolidate one-stop operations into service points where Wagner-Peyser Act employment services are colocated as soon as reasonably possible. These steps must be included in the State Plan.

(d) All affiliated sites must be physically and programmatically accessible to individuals with disabilities, as described in 29 CFR part 38, the implementing regulations of WIOA sec. 188.

§ 463.315 Can a stand-alone Wagner-Peyser Act Employment Service office be designated as an affiliated one-stop site?

(a) Separate stand-alone Wagner-Peyser Act Employment Service offices are not permitted under WIOA, as also described in 20 CFR 652.202.

(b) If Wagner-Peyser Act employment services are provided at an affiliated site, there must be at least one or more other partners in the affiliated site with a physical presence of combined staff more than 50 percent of the time the center is open. Additionally, the other partner must not be the partner administering local veterans' employment representatives, disabled veterans' outreach program specialists, or unemployment compensation programs. If Wagner-Peyser Act employment services and any of these 3 programs are provided at an affiliated site, an additional partner or partners must have a presence of combined staff in the center more than 50 percent of the time the center is open.

§ 463.320 Are there any requirements for networks of eligible one-stop partners or specialized centers?

Any network of one-stop partners or specialized centers, as described in § 463.300(d)(3), must be connected to the comprehensive one-stop center and any appropriate affiliate one-stop centers, for example, by having processes in place to make referrals to these centers and the partner programs located in them. Wagner-Peyser Act employment services cannot stand alone in a specialized center. Just as described in § 463.315 for an affiliated site, a specialized center must include other programs besides Wagner-Peyser Act employment services, local veterans' employment representatives, disabled veterans' outreach program specialists, and unemployment compensation.

§ 463.400 Who are the required one-stop partners?

(a) Section 121(b)(1)(B) of WIOA identifies the entities that are required partners in the local one-stop delivery systems.

(b) The required partners are the entities responsible for administering the

§ 463.405

following programs and activities in the local area:

34 CFR Ch. IV (7–1–20 Edition)

(42 U.S.C. 601 *et seq.*), unless exempted by the Governor under § 463.405(b).

§ 463.405 Is Temporary Assistance for Needy Families a required one-stop partner?

(a) Yes, TANF, authorized under part A of title IV of the Social Security Act (42 U.S.C. 601 *et seq.*), is a required partner.

(b) The Governor may determine that TANF will not be a required partner in the State, or within some specific local areas in the State. In this instance, the Governor must notify the Secretaries of the U.S. Departments of Labor and Health and Human Services in writing of this determination.

(c) In States, or local areas within a State, where the Governor has determined that TANF is not required to be a partner, local TANF programs may still work in collaboration or partnership with the local one-stop centers to deliver employment and training services to the TANF population unless inconsistent with the Governor's direction.

§ 463.410 What other entities may serve as one-stop partners?

(a) Other entities that carry out a workforce development program, including Federal, State, or local programs and programs in the private sector, may serve as additional partners in the one-stop delivery system if the Local WDB and chief elected official(s) approve the entity's participation.

(b) Additional partners may include, but are not limited to:

(1) Employment and training programs administered by the Social Security Administration, including the Ticket to Work and Self-Sufficiency Program established under sec. 1148 of the Social Security Act (42 U.S.C. 1320b-19);

(6) Other appropriate Federal, State or local programs, including, but not limited to, employment, education, and training programs provided by public libraries or in the private sector.

§ 463.415 What entity serves as the one-stop partner for a particular program in the local area?

(a) The entity that carries out the program and activities listed in § 463.400 or § 463.410, and therefore serves as the one-stop partner, is the grant recipient, administrative entity, or organization responsible for administering the funds of the specified program in the local area. The term “entity” does not include the service providers that contract with, or are subrecipients of, the local administrative entity. For programs that do not include local administrative entities, the responsible State agency must be the partner. Specific entities for particular programs are identified in paragraphs (b) through (e) of this section. If a program or activity listed in § 463.400 is not carried out in a local area, the requirements relating to a required one-stop partner are not applicable to such program or activity in that local one-stop delivery system.

(b) For title II of WIOA, the entity or agency that carries out the program for the purposes of paragraph (a) of this section is the sole entity or agency in the State or outlying area responsible for administering or supervising policy for adult education and literacy activities in the State or outlying area. The State eligible entity or agency may delegate its responsibilities under paragraph (a) of this section to one or more eligible providers or consortium of eligible providers.

(c) For the VR program, authorized under title I of the Rehabilitation Act of 1973, as amended by WIOA title IV, the entity that carries out the program for the purposes of paragraph (a) of this section is the designated State agencies or designated State units specified under sec. 101(a)(2) of the Rehabilita-

tion Act that is primarily concerned with vocational rehabilitation, or vocational and other rehabilitation, of individuals with disabilities.

(d) Under WIOA title I, the national programs, including Job Corps, the Native American program, YouthBuild, and Migrant and Seasonal Farmworker programs are required one-stop partners. The entity for the Native American program, YouthBuild, and Migrant and Seasonal Farmworker programs is the grantee of those respective programs. The entity for Job Corps is the Job Corps center.

(e) For the Carl D. Perkins Career and Technical Education Act of 2006, the entity that carries out the program for the purposes of paragraph (a) of this section is the eligible recipient or recipients at the postsecondary level, or a consortium of eligible recipients at the postsecondary level in the local area. The eligible recipient at the postsecondary level may also request assistance from the State eligible agency in completing its responsibilities under paragraph (a) of this section.

§ 463.420 What are the roles and responsibilities of the required one-stop partners?

Each required partner must:

(a) Provide access to its programs or activities through the one-stop delivery system, in addition to any other appropriate locations;

(b) Use a portion of funds made available to the partner's program, to the extent consistent with the Federal law authorizing the partner's program and with Federal cost principles in 2 CFR parts 200 and 3474 (requiring, among other things, that costs are allowable, reasonable, necessary, and allocable), to:

(1) Provide applicable career services; and

(2) Work collaboratively with the State and Local WDBs to establish and maintain the one-stop delivery system. This includes jointly funding the one-stop infrastructure through partner contributions that are based upon:

(i) A reasonable cost allocation methodology by which infrastructure costs are charged to each partner based on proportionate use and relative benefit received;

§ 463.425

34 CFR Ch. IV (7–1–20 Edition)

- (ii) Federal cost principles; and
- (iii) Any local administrative cost requirements in the Federal law authorizing the partner's program. (This is further described in § 463.700.)
- (c) Enter into an MOU with the Local WDB relating to the operation of the one-stop delivery system that meets the requirements of § 463.500(b);
- (d) Participate in the operation of the one-stop delivery system consistent with the terms of the MOU, requirements of authorizing laws, the Federal cost principles, and all other applicable legal requirements; and
- (e) Provide representation on the State and Local WDBs as required and participate in Board committees as needed.

§ 463.425 What are the applicable career services that must be provided through the one-stop delivery system by required one-stop partners?

- (a) The applicable career services to be delivered by required one-stop partners are those services listed in § 463.430 that are authorized to be provided under each partner's program.
- (b) One-stop centers provide services to individual customers based on individual needs, including the seamless delivery of multiple services to individual customers. There is no required sequence of services.

§ 463.430 What are career services?

Career services, as identified in sec. 134(c)(2) of WIOA, consist of three types:

- (a) Basic career services must be made available and, at a minimum, must include the following services, as consistent with allowable program activities and Federal cost principles:
 - (1) Determinations of whether the individual is eligible to receive assistance from the adult, dislocated worker, or youth programs;
 - (2) Outreach, intake (including work-er profiling), and orientation to information and other services available through the one-stop delivery system. For the TANF program, States must provide individuals with the opportunity to initiate an application for TANF assistance and non-assistance benefits and services, which could be implemented through the provision of

paper application forms or links to the application Web site;

- (3) Initial assessment of skill levels including literacy, numeracy, and English language proficiency, as well as aptitudes, abilities (including skills gaps), and supportive services needs;
- (4) Labor exchange services, including—

(B) Provision of information on non-traditional employment; and

- (ii) Appropriate recruitment and other business services on behalf of employers, including information and referrals to specialized business services other than those traditionally offered through the one-stop delivery system;

(5) Provision of referrals to and coordination of activities with other programs and services, including programs and services within the one-stop delivery system and, when appropriate, other workforce development programs;

(6) Provision of workforce and labor market employment statistics information, including the provision of accurate information relating to local, regional, and national labor market areas, including—

- (i) Job vacancy listings in labor market areas;

(ii) Information on job skills necessary to obtain the vacant jobs listed; and

(iii) Information relating to local occupations in demand and the earnings, skill requirements, and opportunities for advancement for those jobs;

(7) Provision of performance information and program cost information on eligible providers of education, training, and workforce services by program and type of providers;

(8) Provision of information, in usable and understandable formats and languages, about how the local area is performing on local performance accountability measures, as well as any additional performance information relating to the area's one-stop delivery system;

(9) Provision of information, in usable and understandable formats and languages, relating to the availability of supportive services or assistance, and appropriate referrals to those services and assistance, including: Child care; child support; medical or child health assistance available through the State's Medicaid program and Children's Health Insurance Program; benefits under SNAP; assistance through the earned income tax credit; and assistance under a State program for TANF, and other supportive services and transportation provided through that program;

(10) Provision of information and meaningful assistance to individuals seeking assistance in filing a claim for unemployment compensation.

(i) "Meaningful assistance" means:

(A) Providing assistance on-site using staff who are well-trained in unemployment compensation claims filing and the rights and responsibilities of claimants; or

(B) Providing assistance by phone or via other technology, as long as the assistance is provided by trained and available staff and within a reasonable time.

(ii) The costs associated in providing this assistance may be paid for by the State's unemployment insurance program, or the WIOA adult or dislocated worker programs, or some combination thereof.

(11) Assistance in establishing eligibility for programs of financial aid assistance for training and education programs not provided under WIOA.

(b) Individualized career services must be made available if determined to be appropriate in order for an individual to obtain or retain employment. These services include the following services, as consistent with program requirements and Federal cost principles:

(1) Comprehensive and specialized assessments of the skill levels and service needs of adults and dislocated workers, which may include—

(i) Diagnostic testing and use of other assessment tools; and

(ii) In-depth interviewing and evaluation to identify employment barriers and appropriate employment goals;

(2) Development of an individual employment plan, to identify the employment goals, appropriate achievement objectives, and appropriate combination of services for the participant to achieve his or her employment goals, including the list of, and information about, the eligible training providers (as described in 20 CFR 680.180);

(3) Group counseling;

(4) Individual counseling;

(5) Career planning;

(6) Short-term pre-vocational services including development of learning skills, communication skills, interviewing skills, punctuality, personal maintenance skills, and professional conduct services to prepare individuals for unsubsidized employment or training;

(7) Internships and work experiences that are linked to careers (as described in 20 CFR 680.170);

(8) Workforce preparation activities;

(9) Financial literacy services as described in sec. 129(b)(2)(D) of WIOA and 20 CFR 681.500;

(10) Out-of-area job search assistance and relocation assistance; and

(11) English language acquisition and integrated education and training programs.

(c) Follow-up services must be provided, as appropriate, including: Counseling regarding the workplace, for participants in adult or dislocated worker workforce investment activities who are placed in unsubsidized employment, for up to 12 months after the first day of employment.

(d) In addition to the requirements in paragraph (a)(2) of this section, TANF agencies must identify employment services and related support being provided by the TANF program (within the local area) that qualify as career services and ensure access to them via the local one-stop delivery system.

§ 463.435 What are the business services provided through the one-stop delivery system, and how are they provided?

(a) Certain career services must be made available to local employers, specifically labor exchange activities and labor market information described in § 463.430(a)(4)(ii) and (a)(6). Local areas must establish and develop relationships and networks with large and

§ 463.440

34 CFR Ch. IV (7–1–20 Edition)

small employers and their intermediaries. Local areas also must develop, convene, or implement industry or sector partnerships.

(b) Customized business services may be provided to employers, employer associations, or other such organizations. These services are tailored for specific employers and may include:

(1) Customized screening and referral of qualified participants in training services to employers;

(2) Customized services to employers, employer associations, or other such organizations, on employment-related issues;

(3) Customized recruitment events and related services for employers including targeted job fairs;

(4) Human resource consultation services, including but not limited to assistance with:

(i) Writing/reviewing job descriptions and employee handbooks;

(ii) Developing performance evaluation and personnel policies;

(iii) Creating orientation sessions for new workers;

(iv) Honing job interview techniques for efficiency and compliance;

(v) Analyzing employee turnover;

(vi) Creating job accommodations and using assistive technologies; or

(vii) Explaining labor and employment laws to help employers comply with discrimination, wage/hour, and safety/health regulations;

(5) Customized labor market information for specific employers, sectors, industries or clusters; and

(6) Other similar customized services.

(c) Local areas may also provide other business services and strategies that meet the workforce investment needs of area employers, in accordance with partner programs' statutory requirements and consistent with Federal cost principles. These business services may be provided through effective business intermediaries working in conjunction with the Local WDB, or through the use of economic development, philanthropic, and other public and private resources in a manner determined appropriate by the Local WDB and in cooperation with the State. Allowable activities, consistent with each partner's authorized activities, include, but are not limited to:

(1) Developing and implementing industry sector strategies (including strategies involving industry partnerships, regional skills alliances, industry skill panels, and sectoral skills partnerships);

(2) Customized assistance or referral for assistance in the development of a registered apprenticeship program;

(3) Developing and delivering innovative workforce investment services and strategies for area employers, which may include career pathways, skills upgrading, skill standard development and certification for recognized post-secondary credential or other employer use, and other effective initiatives for meeting the workforce investment needs of area employers and workers;

(4) Assistance to area employers in managing reductions in force in coordination with rapid response activities and with strategies for the aversion of layoffs, which may include strategies such as early identification of firms at risk of layoffs, use of feasibility studies to assess the needs of and options for at-risk firms, and the delivery of employment and training activities to address risk factors;

(5) The marketing of business services to appropriate area employers, including small and mid-sized employers; and

(6) Assisting employers with accessing local, State, and Federal tax credits.

(d) All business services and strategies must be reflected in the local plan, described in 20 CFR 679.560(b)(3).

§ 463.440 When may a fee be charged for the business services in this subpart?

(a) There is no requirement that a fee-for-service be charged to employers.

(b) No fee may be charged for services provided in § 463.435(a).

(c) A fee may be charged for services provided under § 463.435(b) and (c). Services provided under § 463.435(c) may be provided through effective business intermediaries working in conjunction with the Local WDB and may also be provided on a fee-for-service basis or through the leveraging of economic development, philanthropic, and other

public and private resources in a manner determined appropriate by the Local WDB. The Local WDB may examine the services provided compared with the assets and resources available within the local one-stop delivery system and through its partners to determine an appropriate cost structure for services, if any.

(d) Any fees earned are recognized as program income and must be expended by the partner in accordance with the partner program's authorizing statute, implementing regulations, and Federal cost principles identified in Uniform Guidance.

§ 463.500 What is the Memorandum of Understanding for the one-stop delivery system and what must be included in the Memorandum of Understanding?

(a) The MOU is the product of local discussion and negotiation, and is an agreement developed and executed between the Local WDB and the one-stop partners, with the agreement of the chief elected official and the one-stop partners, relating to the operation of the one-stop delivery system in the local area. Two or more local areas in a region may develop a single joint MOU, if they are in a region that has submitted a regional plan under sec. 106 of WIOA.

(b) The MOU must include:

(1) A description of services to be provided through the one-stop delivery system, including the manner in which the services will be coordinated and delivered through the system;

(2) Agreement on funding the costs of the services and the operating costs of the system, including:

(i) Funding of infrastructure costs of one-stop centers in accordance with §§ 463.700 through 463.755; and

(ii) Funding of the shared services and operating costs of the one-stop delivery system described in § 463.760;

(3) Methods for referring individuals between the one-stop operators and partners for appropriate services and activities;

(4) Methods to ensure that the needs of workers, youth, and individuals with barriers to employment, including individuals with disabilities, are addressed in providing access to services, including access to technology and ma-

terials that are available through the one-stop delivery system;

(5) The duration of the MOU and procedures for amending it; and

(6) Assurances that each MOU will be reviewed, and if substantial changes have occurred, renewed, not less than once every 3-year period to ensure appropriate funding and delivery of services.

(c) The MOU may contain any other provisions agreed to by the parties that are consistent with WIOA title I, the authorizing statutes and regulations of one-stop partner programs, and the WIOA regulations.

(d) When fully executed, the MOU must contain the signatures of the Local WDB, one-stop partners, the chief elected official(s), and the time period in which the agreement is effective. The MOU must be updated not less than every 3 years to reflect any changes in the signatory official of the Board, one-stop partners, and chief elected officials, or one-stop infrastructure funding.

(e) If a one-stop partner appeal to the State regarding infrastructure costs, using the process described in § 463.750, results in a change to the one-stop partner's infrastructure cost contributions, the MOU must be updated to reflect the final one-stop partner infrastructure cost contributions.

§ 463.505 Is there a single Memorandum of Understanding for the local area, or must there be different Memoranda of Understanding between the Local Workforce Development Board and each partner?

(a) A single "umbrella" MOU may be developed that addresses the issues relating to the local one-stop delivery system for the Local WDB, chief elected official and all partners. Alternatively, the Local WDB (with agreement of chief elected official) may enter into separate agreements between each partner or groups of partners.

(b) Under either approach, the requirements described in § 463.500 apply. Since funds are generally appropriated annually, the Local WDB may negotiate financial agreements with each partner annually to update funding of

§ 463.510

services and operating costs of the system under the MOU.

§ 463.510 How must the Memorandum of Understanding be negotiated?

(a) WIOA emphasizes full and effective partnerships between Local WDBs, chief elected officials, and one-stop partners. Local WDBs and partners must enter into good-faith negotiations. Local WDBs, chief elected officials, and one-stop partners may also request assistance from a State agency responsible for administering the partner program, the Governor, State WDB, or other appropriate parties on other aspects of the MOU.

(b) Local WDBs and one-stop partners must establish, in the MOU, how they will fund the infrastructure costs and other shared costs of the one-stop centers. If agreement regarding infrastructure costs is not reached when other sections of the MOU are ready, an interim infrastructure funding agreement may be included instead, as described in § 463.715(c). Once agreement on infrastructure funding is reached, the Local WDB and one-stop partners must amend the MOU to include the infrastructure funding of the one-stop centers. Infrastructure funding is described in detail in §§ 463.700 through 463.760.

(c) The Local WDB must report to the State WDB, Governor, and relevant State agency when MOU negotiations with one-stop partners have reached an impasse.

(1) The Local WDB and partners must document the negotiations and efforts that have taken place in the MOU. The State WDB, one-stop partner programs, and the Governor may consult with the appropriate Federal agencies to address impasse situations related to issues other than infrastructure funding after attempting to address the impasse. Impasses related to infrastructure cost funding must be resolved using the State infrastructure cost funding mechanism described in § 463.730.

(2) The Local WDB must report failure to execute an MOU with a required partner to the Governor, State WDB, and the State agency responsible for administering the partner's program. Additionally, if the State cannot assist

34 CFR Ch. IV (7–1–20 Edition)

the Local WDB in resolving the impasse, the Governor or the State WDB must report the failure to the Secretary of Labor and to the head of any other Federal agency with responsibility for oversight of a partner's program.

§ 463.600 Who may operate one-stop centers?

(a) One-stop operators may be a single entity (public, private, or nonprofit) or a consortium of entities. If the consortium of entities is one of one-stop partners, it must include a minimum of three of the one-stop partners described in § 463.400.

(b) The one-stop operator may operate one or more one-stop centers. There may be more than one one-stop operator in a local area.

(c) The types of entities that may be a one-stop operator include:

(1) An institution of higher education;

(2) An Employment Service State agency established under the Wagner-Peyser Act;

(3) A community-based organization, nonprofit organization, or workforce intermediary;

(4) A private for-profit entity;

(5) A government agency;

(6) A Local WDB, with the approval of the chief elected official and the Governor; or

(7) Another interested organization or entity, which is capable of carrying out the duties of the one-stop operator. Examples may include a local chamber of commerce or other business organization, or a labor organization.

(d) Elementary schools and secondary schools are not eligible as one-stop operators, except that a nontraditional public secondary school such as a night school, adult school, or an area career and technical education school may be selected.

(e) The State and Local WDBs must ensure that, in carrying out WIOA programs and activities, one-stop operators:

(1) Disclose any potential conflicts of interest arising from the relationships of the operators with particular training service providers or other service providers (further discussed in 20 CFR 679.430);

(2) Do not establish practices that create disincentives to providing services to individuals with barriers to employment who may require longer-term career and training services; and

(3) Comply with Federal regulations and procurement policies relating to the calculation and use of profits, including those at 20 CFR 683.295, the Uniform Guidance at 2 CFR part 200, and other applicable regulations and policies.

§463.605 How is the one-stop operator selected?

(a) Consistent with paragraphs (b) and (c) of this section, the Local WDB must select the one-stop operator through a competitive process, as required by sec. 121(d)(2)(A) of WIOA, at least once every 4 years. A State may require, or a Local WDB may choose to implement, a competitive selection process more than once every 4 years.

(b) In instances in which a State is conducting the competitive process described in paragraph (a) of this section, the State must follow the same policies and procedures it uses for procurement with non-Federal funds.

(c) All other non-Federal entities, including subrecipients of a State (such as local areas), must use a competitive process based on local procurement policies and procedures and the principles of competitive procurement in the Uniform Guidance set out at 2 CFR 200.318 through 200.326. All references to “noncompetitive proposals” in the Uniform Guidance at 2 CFR 200.320(f) will be read as “sole source procurement” for the purposes of implementing this section.

(d) Entities must prepare written documentation explaining the determination concerning the nature of the competitive process to be followed in selecting a one-stop operator.

§463.610 When is the sole-source selection of one-stop operators appropriate, and how is it conducted?

(a) States may select a one-stop operator through sole source selection when allowed under the same policies and procedures used for competitive procurement with non-Federal funds, while other non-Federal entities including subrecipients of a State (such

as local areas) may select a one-stop operator through sole selection when consistent with local procurement policies and procedures and the Uniform Guidance set out at 2 CFR 200.320.

(b) In the event that sole source procurement is determined necessary and reasonable, in accordance with §463.605(c), written documentation must be prepared and maintained concerning the entire process of making such a selection.

(c) Such sole source procurement must include appropriate conflict of interest policies and procedures. These policies and procedures must conform to the specifications in 20 CFR 679.430 for demonstrating internal controls and preventing conflict of interest.

(d) A Local WDB may be selected as a one-stop operator through sole source procurement only with agreement of the chief elected official in the local area and the Governor. The Local WDB must establish sufficient conflict of interest policies and procedures and these policies and procedures must be approved by the Governor.

§463.615 May an entity currently serving as one-stop operator compete to be a one-stop operator under the procurement requirements of this subpart?

(a) Local WDBs may compete for and be selected as one-stop operators, as long as appropriate firewalls and conflict of interest policies and procedures are in place. These policies and procedures must conform to the specifications in 20 CFR 679.430 for demonstrating internal controls and preventing conflict of interest.

(b) State and local agencies may compete for and be selected as one-stop operators by the Local WDB, as long as appropriate firewalls and conflict of interest policies and procedures are in place. These policies and procedures must conform to the specifications in 20 CFR 679.430 for demonstrating internal controls and preventing conflict of interest.

(c) In the case of single-area States where the State WDB serves as the Local WDB, the State agency is eligible to compete for and be selected as operator as long as appropriate firewalls and conflict of interest policies

§ 463.620

are in place and followed for the competition. These policies and procedures must conform to the specifications in 20 CFR 679.430 for demonstrating internal controls and preventing conflicts of interest.

§ 463.620 What is the one-stop operator's role?

(a) At a minimum, the one-stop operator must coordinate the service delivery of required one-stop partners and service providers. Local WDBs may establish additional roles of one-stop operator, including, but not limited to: Coordinating service providers across the one-stop delivery system, being the primary provider of services within the center, providing some of the services within the center, or coordinating service delivery in a multi-center area, which may include affiliated sites. The competition for a one-stop operator must clearly articulate the role of the one-stop operator.

(b)(1) Subject to paragraph (b)(2) of this section, a one-stop operator may not perform the following functions: Convene system stakeholders to assist in the development of the local plan; prepare and submit local plans (as required under sec. 107 of WIOA); be responsible for oversight of itself; manage or significantly participate in the competitive selection process for one-stop operators; select or terminate one-stop operators, career services, and youth providers; negotiate local performance accountability measures; or develop and submit budget for activities of the Local WDB in the local area.

(2) An entity serving as a one-stop operator, that also serves a different role within the one-stop delivery system, may perform some or all of these functions when it is acting in its other role, if it has established sufficient firewalls and conflict of interest policies and procedures. The policies and procedures must conform to the specifications in 20 CFR 679.430 for demonstrating internal controls and preventing conflict of interest.

§ 463.625 Can a one-stop operator also be a service provider?

Yes, but there must be appropriate firewalls in place in regards to the competition, and subsequent oversight,

34 CFR Ch. IV (7–1–20 Edition)

monitoring, and evaluation of performance of the service provider. The operator cannot develop, manage, or conduct the competition of a service provider in which it intends to compete. In cases where an operator is also a service provider, there must be firewalls and internal controls within the operator-service provider entity, as well as specific policies and procedures at the Local WDB level regarding oversight, monitoring, and evaluation of performance of the service provider. The firewalls must conform to the specifications in 20 CFR 679.430 for demonstrating internal controls and preventing conflicts of interest.

§ 463.630 Can State merit staff still work in a one-stop center where the operator is not a governmental entity?

Yes. State merit staff can continue to perform functions and activities in the one-stop center. The Local WDB and one-stop operator must establish a system for management of merit staff in accordance with State policies and procedures. Continued use of State merit staff for the provision of Wagner-Peyser Act services or services from other programs with merit staffing requirements must be included in the competition for and final contract with the one-stop operator when Wagner-Peyser Act services or services from other programs with merit staffing requirements are being provided.

§ 463.635 What is the compliance date of the provisions of this subpart?

(a) No later than July 1, 2017, one-stop operators selected under the competitive process described in this subpart must be in place and operating the one-stop center.

(b) By November 17, 2016, every Local WDB must demonstrate it is taking steps to prepare for competition of its one-stop operator. This demonstration may include, but is not limited to, market research, requests for information, and conducting a cost and price analysis.

§ 463.700 What are the one-stop infrastructure costs?

(a) Infrastructure costs of one-stop centers are nonpersonnel costs that are

necessary for the general operation of the one-stop center, including:

- (1) Rental of the facilities;
- (2) Utilities and maintenance;
- (3) Equipment (including assessment-related products and assistive technology for individuals with disabilities); and

- (4) Technology to facilitate access to the one-stop center, including technology used for the center's planning and outreach activities.

(b) Local WDBs may consider common identifier costs as costs of one-stop infrastructure.

(c) Each entity that carries out a program or activities in a local one-stop center, described in §§463.400 through 463.410, must use a portion of the funds available for the program and activities to maintain the one-stop delivery system, including payment of the infrastructure costs of one-stop centers. These payments must be in accordance with this subpart; Federal cost principles, which require that all costs must be allowable, reasonable, necessary, and allocable to the program; and all other applicable legal requirements.

§463.705 What guidance must the Governor issue regarding one-stop infrastructure funding?

(a) The Governor, after consultation with chief elected officials, the State WDB, and Local WDBs, and consistent with guidance and policies provided by the State WDB, must develop and issue guidance for use by local areas, specifically:

- (1) Guidelines for State-administered one-stop partner programs for determining such programs' contributions to a one-stop delivery system, based on such programs' proportionate use of such system, and relative benefit received, consistent with Office of Management and Budget (OMB) Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR part 200, including determining funding for the costs of infrastructure; and

- (2) Guidance to assist Local WDBs, chief elected officials, and one-stop partners in local areas in determining equitable and stable methods of funding the costs of infrastructure at one-

stop centers based on proportionate use and relative benefit received, and consistent with Federal cost principles contained in the Uniform Guidance at 2 CFR part 200.

(b) The guidance must include:

- (1) The appropriate roles of the one-stop partner programs in identifying one-stop infrastructure costs;

- (2) Approaches to facilitate equitable and efficient cost allocation that results in a reasonable cost allocation methodology where infrastructure costs are charged to each partner based on its proportionate use of the one-stop centers and relative benefit received, consistent with Federal cost principles at 2 CFR part 200; and

- (3) The timelines regarding notification to the Governor for not reaching local agreement and triggering the State funding mechanism described in §463.730, and timelines for a one-stop partner to submit an appeal in the State funding mechanism.

§463.710 How are infrastructure costs funded?

Infrastructure costs are funded either through the local funding mechanism described in §463.715 or through the State funding mechanism described in §463.730.

§463.715 How are one-stop infrastructure costs funded in the local funding mechanism?

(a) In the local funding mechanism, the Local WDB, chief elected officials, and one-stop partners agree to amounts and methods of calculating amounts each partner will contribute for one-stop infrastructure funding, include the infrastructure funding terms in the MOU, and sign the MOU. The local funding mechanism must meet all of the following requirements:

- (1) The infrastructure costs are funded through cash and fairly evaluated non-cash and third-party in-kind partner contributions and include any funding from philanthropic organizations or other private entities, or through other alternative financing options, to provide a stable and equitable funding stream for ongoing one-stop delivery system operations;

§ 463.720

(2) Contributions must be negotiated between one-stop partners, chief elected officials, and the Local WDB and the amount to be contributed must be included in the MOU;

(3) The one-stop partner program's proportionate share of funding must be calculated in accordance with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR part 200 based upon a reasonable cost allocation methodology whereby infrastructure costs are charged to each partner in proportion to its use of the one-stop center, relative to benefits received. Such costs must also be allowable, reasonable, necessary, and allocable;

(4) Partner shares must be periodically reviewed and reconciled against actual costs incurred, and adjusted to ensure that actual costs charged to any one-stop partners are proportionate to the use of the one-stop center and relative to the benefit received by the one-stop partners and their respective programs or activities.

(b) In developing the section of the MOU on one-stop infrastructure funding described in § 463.755, the Local WDB and chief elected officials will:

(1) Ensure that the one-stop partners adhere to the guidance identified in § 463.705 on one-stop delivery system infrastructure costs.

(2) Work with one-stop partners to achieve consensus and informally mediate any possible conflicts or disagreements among one-stop partners.

(3) Provide technical assistance to new one-stop partners and local grant recipients to ensure that those entities are informed and knowledgeable of the elements contained in the MOU and the one-stop infrastructure costs arrangement.

(c) The MOU may include an interim infrastructure funding agreement, including as much detail as the Local WDB has negotiated with one-stop partners, if all other parts of the MOU have been negotiated, in order to allow the partner programs to operate in the one-stop centers. The interim infrastructure funding agreement must be finalized within 6 months of when the MOU is signed. If the interim infrastructure funding agreement is not fi-

34 CFR Ch. IV (7-1-20 Edition)

nalized within that timeframe, the Local WDB must notify the Governor, as described in § 463.725.

§ 463.720 What funds are used to pay for infrastructure costs in the local one-stop infrastructure funding mechanism?

(a) In the local funding mechanism, one-stop partner programs may determine what funds they will use to pay for infrastructure costs. The use of these funds must be in accordance with the requirements in this subpart, and with the relevant partner's authorizing statutes and regulations, including, for example, prohibitions against supplanting non-Federal resources, statutory limitations on administrative costs, and all other applicable legal requirements. In the case of partners administering programs authorized by title I of WIOA, these infrastructure costs may be considered program costs. In the case of partners administering adult education and literacy programs authorized by title II of WIOA, these funds must include Federal funds made available for the local administration of adult education and literacy programs authorized by title II of WIOA. These funds may also include non-Federal resources that are cash, in-kind or third-party contributions. In the case of partners administering the Carl D. Perkins Career and Technical Education Act of 2006, funds used to pay for infrastructure costs may include funds available for local administrative expenses, non-Federal resources that are cash, in-kind or third-party contributions, and may include other funds made available by the State.

(b) There are no specific caps on the amount or percent of overall funding a one-stop partner may contribute to fund infrastructure costs under the local funding mechanism, except that contributions for administrative costs may not exceed the amount available for administrative costs under the authorizing statute of the partner program. However, amounts contributed for infrastructure costs must be allowable and based on proportionate use of the one-stop centers and relative benefit received by the partner program, taking into account the total cost of the one-stop infrastructure as well as

alternate financing options, and must be consistent with 2 CFR part 200, including the Federal cost principles.

(c) Cash, non-cash, and third-party in-kind contributions may be provided by one-stop partners to cover their proportionate share of infrastructure costs.

(1) Cash contributions are cash funds provided to the Local WDB or its designee by one-stop partners, either directly or by an interagency transfer.

(2) Non-cash contributions are comprised of—

(i) Expenditures incurred by one-stop partners on behalf of the one-stop center; and

(ii) Non-cash contributions or goods or services contributed by a partner program and used by the one-stop center.

(3) Non-cash contributions, especially those set forth in paragraph (c)(2)(ii) of this section, must be valued consistent with 2 CFR 200.306 to ensure they are fairly evaluated and meet the partners' proportionate share.

(4) Third-party in-kind contributions are:

(i) Contributions of space, equipment, technology, non-personnel services, or other like items to support the infrastructure costs associated with one-stop operations, by a non-one-stop partner to support the one-stop center in general, not a specific partner; or

(ii) Contributions by a non-one-stop partner of space, equipment, technology, non-personnel services, or other like items to support the infrastructure costs associated with one-stop operations, to a one-stop partner to support its proportionate share of one-stop infrastructure costs.

(iii) In-kind contributions described in paragraphs (c)(4)(i) and (ii) of this section must be valued consistent with 2 CFR 200.306 and reconciled on a regular basis to ensure they are fairly evaluated and meet the proportionate share of the partner.

(5) All partner contributions, regardless of the type, must be reconciled on a regular basis (*i.e.*, monthly or quarterly), comparing actual expenses incurred to relative benefits received, to ensure each partner program is contributing its proportionate share in accordance with the terms of the MOU.

§ 463.725 What happens if consensus on infrastructure funding is not reached at the local level between the Local Workforce Development Board, chief elected officials, and one-stop partners?

With regard to negotiations for infrastructure funding for Program Year (PY) 2017 and for each subsequent program year thereafter, if the Local WDB, chief elected officials, and one-stop partners do not reach consensus on methods of sufficiently funding local infrastructure through the local funding mechanism in accordance with the Governor's guidance issued under § 463.705 and consistent with the regulations in §§ 463.715 and 463.720, and include that consensus agreement in the signed MOU, then the Local WDB must notify the Governor by the deadline established by the Governor under § 463.705(b)(3). Once notified, the Governor must administer funding through the State funding mechanism, as described in §§ 463.730 through 463.738, for the program year impacted by the local area's failure to reach consensus.

§ 463.730 What is the State one-stop infrastructure funding mechanism?

(a) Consistent with sec. 121(h)(1)(A)(i)(II) of WIOA, if the Local WDB, chief elected official, and one-stop partners in a local area do not reach consensus agreement on methods of sufficiently funding the costs of infrastructure of one-stop centers for a program year, the State funding mechanism is applicable to the local area for that program year.

(b) In the State funding mechanism, the Governor, subject to the limitations in paragraph (c) of this section, determines one-stop partner contributions after consultation with the chief elected officials, Local WDBs, and the State WDB. This determination involves:

(1) The application of a budget for one-stop infrastructure costs as described in § 463.735, based on either agreement reached in the local area negotiations or the State WDB formula outlined in § 463.745;

(2) The determination of each local one-stop partner program's proportionate use of the one-stop delivery system and relative benefit received,

§ 463.731

34 CFR Ch. IV (7–1–20 Edition)

consistent with the Uniform Guidance at 2 CFR part 200, including the Federal cost principles, the partner programs' authorizing laws and regulations, and other applicable legal requirements described in § 463.736; and

(3) The calculation of required statewide program caps on contributions to infrastructure costs from one-stop partner programs in areas operating under the State funding mechanism as described in § 463.738.

(c) In certain situations, the Governor does not determine the infrastructure cost contributions for some one-stop partner programs under the State funding mechanism.

(1) The Governor will not determine the contribution amounts for infrastructure funds for Native American program grantees described in 20 CFR part 684. The appropriate portion of funds to be provided by Native American program grantees to pay for one-stop infrastructure must be determined as part of the development of the MOU described in § 463.500 and specified in that MOU.

(2) In States in which the policy-making authority is placed in an entity or official that is independent of the authority of the Governor with respect to the funds provided for adult education and literacy activities authorized under title II of WIOA, postsecondary career and technical education activities authorized under the Carl D. Perkins Career and Technical Education Act of 2006, or VR services authorized under title I of the Rehabilitation Act of 1973 (other than sec. 112 or part C), as amended by WIOA title IV, the determination of the amount each of the applicable partners must contribute to assist in paying the infrastructure costs of one-stop centers must be made by the official or chief officer of the entity with such authority, in consultation with the Governor.

(d) Any duty, ability, choice, responsibility, or other action otherwise related to the determination of infrastructure costs contributions that is assigned to the Governor in §§ 463.730 through 463.745 also applies to this decision-making process performed by the official or chief officer described in paragraph (c)(2) of this section.

§ 463.731 What are the steps to determine the amount to be paid under the State one-stop infrastructure funding mechanism?

(a) To initiate the State funding mechanism, a Local WDB that has not reached consensus on methods of sufficiently funding local infrastructure through the local funding mechanism as provided in § 463.725 must notify the Governor by the deadline established by the Governor under § 463.705(b)(3).

(b) Once a Local WDB has informed the Governor that no consensus has been reached:

(1) The Local WDB must provide the Governor with local negotiation materials in accordance with § 463.735(a).

(2) The Governor must determine the one-stop center budget by either:

(i) Accepting a budget previously agreed upon by partner programs in the local negotiations, in accordance with § 463.735(b)(1); or

(ii) Creating a budget for the one-stop center using the State WDB formula (described in § 463.745) in accordance with § 463.735(b)(3).

(3) The Governor then must establish a cost allocation methodology to determine the one-stop partner programs' proportionate shares of infrastructure costs, in accordance with § 463.736.

(4)(i) Using the methodology established under paragraph (b)(2)(ii) of this section, and taking into consideration the factors concerning individual partner programs listed in § 463.737(b)(2), the Governor must determine each partner's proportionate share of the infrastructure costs, in accordance with § 463.737(b)(1), and

(ii) In accordance with § 463.730(c), in some instances, the Governor does not determine a partner program's proportionate share of infrastructure funding costs, in which case it must be determined by the entities named in § 463.730(c)(1) and (2).

(5) The Governor must then calculate the statewide caps on the amounts that partner programs may be required to contribute toward infrastructure funding, according to the steps found at § 463.738(a)(1) through (4).

(6) The Governor must ensure that the aggregate total of the infrastructure contributions according to proportionate share required of all local partner programs in local areas under the State funding mechanism do not exceed the cap for that particular program, in accordance with § 463.738(b)(1). If the total does not exceed the cap, the Governor must direct each one-stop partner program to pay the amount determined under § 463.737(a) toward the infrastructure funding costs of the one-stop center. If the total does exceed the cap, then to determine the amount to direct each one-stop program to pay, the Governor may:

(i) Ascertain, in accordance with § 463.738(b)(2)(i), whether the local partner or partners whose proportionate shares are calculated above the individual program caps are willing to voluntarily contribute above the capped amount to equal that program's proportionate share; or

(ii) Choose from the options provided in § 463.738(b)(2)(ii), including having the local area re-enter negotiations to reassess each one-stop partner's proportionate share and make adjustments or identify alternate sources of funding to make up the difference between the capped amount and the proportionate share of infrastructure funding of the one-stop partner.

(7) If none of the solutions given in paragraphs (b)(6)(i) and (ii) of this section prove to be viable, the Governor must reassess the proportionate shares of each one-stop partner so that the aggregate amount attributable to the local partners for each program is less than that program's cap amount. Upon such reassessment, the Governor must direct each one-stop partner program to pay the reassessed amount toward the infrastructure funding costs of the one-stop center.

§ 463.735 How are infrastructure cost budgets for the one-stop centers in a local area determined in the State one-stop infrastructure funding mechanism?

(a) Local WDBs must provide to the Governor appropriate and relevant materials and documents used in the negotiations under the local funding mechanism, including but not limited to: The local WIOA plan, the cost allo-

cation method or methods proposed by the partners to be used in determining proportionate share, the proposed amounts or budget to fund infrastructure, the amount of total partner funds included, the type of funds or non-cash contributions, proposed one-stop center budgets, and any agreed upon or proposed MOUs.

(b)(1) If a local area has reached agreement as to the infrastructure budget for the one-stop centers in the local area, it must provide this budget to the Governor as required by paragraph (a) of this section. If, as a result of the agreed upon infrastructure budget, only the individual programmatic contributions to infrastructure funding based upon proportionate use of the one-stop centers and relative benefit received are at issue, the Governor may accept the budget, from which the Governor must calculate each partner's contribution consistent with the cost allocation methodologies contained in the Uniform Guidance found in 2 CFR part 200, as described in § 463.736.

(2) The Governor may also take into consideration the extent to which the partners in the local area have agreed in determining the proportionate shares, including any agreements reached at the local level by one or more partners, as well as any other element or product of the negotiating process provided to the Governor as required by paragraph (a) of this section.

(3) If a local area has not reached agreement as to the infrastructure budget for the one-stop centers in the local area, or if the Governor determines that the agreed upon budget does not adequately meet the needs of the local area or does not reasonably work within the confines of the local area's resources in accordance with the Governor's one-stop budget guidance (which is required to be issued by WIOA sec. 121(h)(1)(B) and under § 463.705), then, in accordance with § 463.745, the Governor must use the formula developed by the State WDB based on at least the factors required under § 463.745, and any associated weights to determine the local area budget.

§ 463.736

§ 463.736 How does the Governor establish a cost allocation methodology used to determine the one-stop partner programs' proportionate shares of infrastructure costs under the State one-stop infrastructure funding mechanism?

Once the appropriate budget is determined for a local area through either method described in § 463.735 (by acceptance of a budget agreed upon in local negotiation or by the Governor applying the formula detailed in § 463.745), the Governor must determine the appropriate cost allocation methodology to be applied to the one-stop partners in such local area, consistent with the Federal cost principles permitted under 2 CFR part 200, to fund the infrastructure budget.

§ 463.737 How are one-stop partner programs' proportionate shares of infrastructure costs determined under the State one-stop infrastructure funding mechanism?

(a) The Governor must direct the one-stop partners in each local area that have not reached agreement under the local funding mechanism to pay what the Governor determines is each partner program's proportionate share of infrastructure funds for that area, subject to the application of the caps described in § 463.738.

(b)(1) The Governor must use the cost allocation methodology—as determined under § 463.736—to determine each partner's proportionate share of the infrastructure costs under the State funding mechanism, subject to considering the factors described in paragraph (b)(2) of this section.

(2) In determining each partner program's proportionate share of infrastructure costs, the Governor must take into account the costs of administration of the one-stop delivery system for purposes not related to one-stop centers for each partner (such as costs associated with maintaining the Local WDB or information technology systems), as well as the statutory requirements for each partner program, the partner program's ability to fulfill such requirements, and all other applicable legal requirements. The Governor may also take into consideration the extent to which the partners in the local area have agreed in determining

34 CFR Ch. IV (7–1–20 Edition)

the proportionate shares, including any agreements reached at the local level by one or more partners, as well as any other materials or documents of the negotiating process, which must be provided to the Governor by the Local WDB and described in § 463.735(a).

§ 463.738 How are statewide caps on the contributions for one-stop infrastructure funding determined in the State one-stop infrastructure funding mechanism?

(a) The Governor must calculate the statewide cap on the contributions for one-stop infrastructure funding required to be provided by each one-stop partner program for those local areas that have not reached agreement. The cap is the amount determined under paragraph (a)(4) of this section, which the Governor derives by:

(1) First, determining the amount resulting from applying the percentage for the corresponding one-stop partner program provided in paragraph (d) of this section to the amount of Federal funds provided to carry out the one-stop partner program in the State for the applicable fiscal year;

(2) Second, selecting a factor (or factors) that reasonably indicates the use of one-stop centers in the State, applying such factor(s) to all local areas in the State, and determining the percentage of such factor(s) applicable to the local areas that reached agreement under the local funding mechanism in the State;

(3) Third, determining the amount resulting from applying the percentage determined in paragraph (a)(2) of this section to the amount determined under paragraph (a)(1) of this section for the one-stop partner program; and

(4) Fourth, determining the amount that results from subtracting the amount determined under paragraph (a)(3) of this section from the amount determined under paragraph (a)(1) of this section. The outcome of this final calculation results in the partner program's cap.

(b)(1) The Governor must ensure that the funds required to be contributed by each partner program in the local areas in the State under the State funding

mechanism, in aggregate, do not exceed the statewide cap for each program as determined under paragraph (a) of this section.

(2) If the contributions initially determined under § 463.737 would exceed the applicable cap determined under paragraph (a) of this section, the Governor may:

(i) Ascertain if the one-stop partner whose contribution would otherwise exceed the cap determined under paragraph (a) of this section will voluntarily contribute above the capped amount, so that the total contributions equal that partner's proportionate share. The one-stop partner's contribution must still be consistent with the program's authorizing laws and regulations, the Federal cost principles in 2 CFR part 200, and other applicable legal requirements; or

(ii) Direct or allow the Local WDB, chief elected officials, and one-stop partners to: Re-enter negotiations, as necessary; reduce the infrastructure costs to reflect the amount of funds that are available for such costs without exceeding the cap levels; reassess the proportionate share of each one-stop partner; or identify alternative sources of financing for one-stop infrastructure funding, consistent with the requirement that each one-stop partner pay an amount that is consistent with the proportionate use of the one-stop center and relative benefit received by the partner, the program's authorizing laws and regulations, the Federal cost principles in 2 CFR part 200, and other applicable legal requirements.

(3) If applicable under paragraph (b)(2)(ii) of this section, the Local WDB, chief elected officials, and one-stop partners, after renegotiation, may come to agreement, sign an MOU, and proceed under the local funding mechanism. Such actions do not require the redetermination of the applicable caps under paragraph (a) of this section.

(4) If, after renegotiation, agreement among partners still cannot be reached or alternate financing cannot be identified, the Governor may adjust the specified allocation, in accordance with the amounts available and the limitations described in paragraph (d) of this section. In determining these adjustments, the Governor may take into ac-

count information relating to the renegotiation as well as the information described in § 463.735(a).

(c) *Limitations.* Subject to paragraph (a) of this section and in accordance with WIOA sec. 121(h)(2)(D), the following limitations apply to the Governor's calculations of the amount that one-stop partners in local areas that have not reached agreement under the local funding mechanism may be required under § 463.736 to contribute to one-stop infrastructure funding:

(1) *WIOA formula programs and Wagner-Peyser Act Employment Service.* The portion of funds required to be contributed under the WIOA youth, adult, or dislocated worker programs, or under the Wagner-Peyser Act (29 U.S.C. 49 *et seq.*) must not exceed three percent of the amount of the program in the State for a program year.

(2) *Other one-stop partners.* For required one-stop partners other than those specified in paragraphs (c)(1), (3), (5), and (6) of this section, the portion of funds required to be contributed must not exceed 1.5 percent of the amount of Federal funds provided to carry out that program in the State for a fiscal year. For purposes of the Carl D. Perkins Career and Technical Education Act of 2006, the cap on contributions is determined based on the funds made available by the State for postsecondary level programs and activities under sec. 132 of the Carl D. Perkins Career and Technical Education Act and the amount of funds used by the State under sec. 112(a)(3) of the Perkins Act during the prior year to administer postsecondary level programs and activities, as applicable.

(3) *Vocational Rehabilitation*

(i) Within a State, for the entity or entities administering the programs described in WIOA sec. 121(b)(1)(B)(iv) and § 463.400, the allotment is based on the one State Federal fiscal year allotment, even in instances where that allotment is shared between two State agencies, and the cumulative portion of funds required to be contributed must not exceed—

(A) 0.75 percent of the amount of Federal funds provided to carry out such program in the State for Fiscal Year 2016 for purposes of applicability of the State funding mechanism for PY 2017;

(B) 1.0 percent of the amount provided to carry out such program in the State for Fiscal Year 2017 for purposes of applicability of the State funding mechanism for PY 2018;

(C) 1.25 percent of the amount provided to carry out such program in the State for Fiscal Year 2018 for purposes of applicability of the State funding mechanism for PY 2019;

(D) 1.5 percent of the amount provided to carry out such program in the State for Fiscal Year 2019 and following years for purposes of applicability of the State funding mechanism for PY 2020 and subsequent years.

(ii) The limitations set forth in paragraph (d)(3)(i) of this section for any given fiscal year must be based on the final VR allotment to the State in the applicable Federal fiscal year.

(4) *Federal direct spending programs.* For local areas that have not reached a one-stop infrastructure funding agreement by consensus, an entity administering a program funded with direct Federal spending, as defined in sec. 250(c)(8) of the Balanced Budget and Emergency Deficit Control Act of 1985, as in effect on February 15, 2014 (2 U.S.C. 900(c)(8)), must not be required to provide more for infrastructure costs than the amount that the Governor determined (as described in § 463.737).

(5) *TANF programs.* For purposes of TANF, the cap on contributions is determined based on the total Federal TANF funds expended by the State for work, education, and training activities during the prior Federal fiscal year (as reported to the Department of Health and Human Services (HHS) on the quarterly TANF Financial Report form), plus any additional amount of Federal TANF funds that the State TANF agency reasonably determines was expended for administrative costs in connection with these activities but that was separately reported to HHS as an administrative cost. The State's contribution to the one-stop infrastructure must not exceed 1.5 percent of these combined expenditures.

(6) *Community Services Block Grant (CSBG) programs.* For purposes of CSBG, the cap on contributions will be based on the total amount of CSBG funds determined by the State to have

been expended by local CSBG-eligible entities for the provision of employment and training activities during the prior Federal fiscal year for which information is available (as reported to HHS on the CSBG Annual Report) and any additional amount that the State CSBG agency reasonably determines was expended for administrative purposes in connection with these activities and was separately reported to HHS as an administrative cost. The State's contribution must not exceed 1.5 percent of these combined expenditures.

(d) For programs for which it is not otherwise feasible to determine the amount of Federal funding used by the program until the end of that program's operational year—because, for example, the funding available for education, employment, and training activities is included within funding for the program that may also be used for other unrelated activities—the determination of the Federal funds provided to carry out the program for a fiscal year under paragraph (a)(1) of this section may be determined by:

(1) The percentage of Federal funds available to the one-stop partner program that were used by the one-stop partner program for education, employment, and training activities in the previous fiscal year for which data are available; and

(2) Applying the percentage determined under paragraph (d)(1) of this section to the total amount of Federal funds available to the one-stop partner program for the fiscal year for which the determination under paragraph (a)(1) of this section applies.

§ 463.740 What funds are used to pay for infrastructure costs in the State one-stop infrastructure funding mechanism?

(a) In the State funding mechanism, infrastructure costs for WIOA title I programs, including Native American Programs described in 20 CFR part 684, may be paid using program funds, administrative funds, or both. Infrastructure costs for the Senior Community Service Employment Program under title V of the Older Americans Act (42 U.S.C. 3056 *et seq.*) may also be paid

using program funds, administrative funds, or both.

(b) In the State funding mechanism, infrastructure costs for other required one-stop partner programs (listed in §§ 463.400 through 463.410) are limited to the program's administrative funds, as appropriate.

(c) In the State funding mechanism, infrastructure costs for the adult education program authorized by title II of WIOA must be paid from the funds that are available for local administration and may be paid from funds made available by the State or non-Federal resources that are cash, in-kind, or third-party contributions.

(d) In the State funding mechanism, infrastructure costs for the Carl D. Perkins Career and Technical Education Act of 2006 must be paid from funds available for local administration of postsecondary level programs and activities to eligible recipients or consortia of eligible recipients and may be paid from funds made available by the State or non-Federal resources that are cash, in-kind, or third-party contributions.

§ 463.745 What factors does the State Workforce Development Board use to develop the formula described in Workforce Innovation and Opportunity Act, which is used by the Governor to determine the appropriate one-stop infrastructure budget for each local area operating under the State infrastructure funding mechanism, if no reasonably implementable locally negotiated budget exists?

The State WDB must develop a formula, as described in WIOA sec. 121(h)(3)(B), to be used by the Governor under § 463.735(b)(3) in determining the appropriate budget for the infrastructure costs of one-stop centers in the local areas that do not reach agreement under the local funding mechanism and are, therefore, subject to the State funding mechanism. The formula identifies the factors and corresponding weights for each factor that the Governor must use, which must include: the number of one-stop centers in a local area; the population served by such centers; the services provided by such centers; and any factors relating to the operations of such centers in

the local area that the State WDB determines are appropriate. As indicated in § 463.735(b)(1), if the local area has agreed on such a budget, the Governor may accept that budget in lieu of applying the formula factors.

§ 463.750 When and how can a one-stop partner appeal a one-stop infrastructure amount designated by the State under the State infrastructure funding mechanism?

(a) The Governor must establish a process, described under sec. 121(h)(2)(E) of WIOA, for a one-stop partner administering a program described in §§ 463.400 through 463.410 to appeal the Governor's determination regarding the one-stop partner's portion of funds to be provided for one-stop infrastructure costs. This appeal process must be described in the Unified State Plan.

(b) The appeal may be made on the ground that the Governor's determination is inconsistent with proportionate share requirements in § 463.735(a), the cost contribution limitations in § 463.735(b), the cost contribution caps in § 463.738, consistent with the process described in the State Plan.

(c) The process must ensure prompt resolution of the appeal in order to ensure the funds are distributed in a timely manner, consistent with the requirements of 20 CFR 683.630.

(d) The one-stop partner must submit an appeal in accordance with State's deadlines for appeals specified in the guidance issued under § 463.705(b)(3), or if the State has not set a deadline, within 21 days from the Governor's determination.

§ 463.755 What are the required elements regarding infrastructure funding that must be included in the one-stop Memorandum of Understanding?

The MOU, fully described in § 463.500, must contain the following information whether the local areas use either the local one-stop or the State funding method:

(a) The period of time in which this infrastructure funding agreement is effective. This may be a different time period than the duration of the MOU.

(b) Identification of an infrastructure and shared services budget that will be

§ 463.760

34 CFR Ch. IV (7–1–20 Edition)

periodically reconciled against actual costs incurred and adjusted accordingly to ensure that it reflects a cost allocation methodology that demonstrates how infrastructure costs are charged to each partner in proportion to its use of the one-stop center and relative benefit received, and that complies with 2 CFR part 200 (or any corresponding similar regulation or ruling).

(c) Identification of all one-stop partners, chief elected officials, and Local WDB participating in the infrastructure funding arrangement.

(d) Steps the Local WDB, chief elected officials, and one-stop partners used to reach consensus or an assurance that the local area followed the guidance for the State funding process.

(e) Description of the process to be used among partners to resolve issues during the MOU duration period when consensus cannot be reached.

(f) Description of the periodic modification and review process to ensure equitable benefit among one-stop partners.

§ 463.760 How do one-stop partners jointly fund other shared costs under the Memorandum of Understanding?

(a) In addition to jointly funding infrastructure costs, one-stop partners listed in §§ 463.400 through 463.410 must use a portion of funds made available under their programs' authorizing Federal law (or fairly evaluated in-kind contributions) to pay the additional costs relating to the operation of the one-stop delivery system. These other costs must include applicable career services and may include other costs, including shared services.

(b) For the purposes of paragraph (a) of this section, shared services' costs may include the costs of shared services that are authorized for and may be commonly provided through the one-stop partner programs to any individual, such as initial intake, assessment of needs, appraisal of basic skills, identification of appropriate services to meet such needs, referrals to other one-stop partners, and business services. Shared operating costs may also include shared costs of the Local WDB's functions.

(c) Contributions to the additional costs related to operation of the one-stop delivery system may be cash, non-cash, or third-party in-kind contributions, consistent with how these are described in § 463.720(c).

(d) The shared costs described in paragraph (a) of this section must be allocated according to the proportion of benefit received by each of the partners, consistent with the Federal law authorizing the partner's program, and consistent with all other applicable legal requirements, including Federal cost principles in 2 CFR part 200 (or any corresponding similar regulation or ruling) requiring that costs are allowable, reasonable, necessary, and allocable.

(e) Any shared costs agreed upon by the one-stop partners must be included in the MOU.

§ 463.800 How are one-stop centers and one-stop delivery systems certified for effectiveness, physical and programmatic accessibility, and continuous improvement?

(a) The State WDB, in consultation with chief elected officials and Local WDBs, must establish objective criteria and procedures for Local WDBs to use when certifying one-stop centers.

(1) The State WDB, in consultation with chief elected officials and Local WDBs, must review and update the criteria every 2 years as part of the review and modification of State Plans pursuant to § 463.135.

(2) The criteria must be consistent with the Governor's and State WDB's guidelines, guidance, and policies on infrastructure funding decisions, described in § 463.705. The criteria must evaluate the one-stop centers and one-stop delivery system for effectiveness, including customer satisfaction, physical and programmatic accessibility, and continuous improvement.

(3) When the Local WDB is the one-stop operator as described in 20 CFR 679.410, the State WDB must certify the one-stop center.

(b) Evaluations of effectiveness must include how well the one-stop center integrates available services for participants and businesses, meets the workforce development needs of participants and the employment needs of

local employers, operates in a cost-efficient manner, coordinates services among the one-stop partner programs, and provides access to partner program services to the maximum extent practicable, including providing services outside of regular business hours where there is a workforce need, as identified by the Local WDB. These evaluations must take into account feedback from one-stop customers. They must also include evaluations of how well the one-stop center ensures equal opportunity for individuals with disabilities to participate in or benefit from one-stop center services. These evaluations must include criteria evaluating how well the centers and delivery systems take actions to comply with the disability-related regulations implementing WIOA sec. 188, set forth at 29 CFR part 38. Such actions include, but are not limited to:

- (1) Providing reasonable accommodations for individuals with disabilities;
 - (2) Making reasonable modifications to policies, practices, and procedures where necessary to avoid discrimination against persons with disabilities;
 - (3) Administering programs in the most integrated setting appropriate;
 - (4) Communicating with persons with disabilities as effectively as with others;
 - (5) Providing appropriate auxiliary aids and services, including assistive technology devices and services, where necessary to afford individuals with disabilities an equal opportunity to participate in, and enjoy the benefits of, the program or activity; and
 - (6) Providing for the physical accessibility of the one-stop center to individuals with disabilities.
- (c) Evaluations of continuous improvement must include how well the one-stop center supports the achievement of the negotiated local levels of performance for the indicators of performance for the local area described in sec. 116(b)(2) of WIOA and part 463. Other continuous improvement factors may include a regular process for identifying and responding to technical assistance needs, a regular system of continuing professional staff development, and having systems in place to capture and respond to specific customer feedback.

(d) Local WDBs must assess at least once every 3 years the effectiveness, physical and programmatic accessibility, and continuous improvement of one-stop centers and the one-stop delivery systems using the criteria and procedures developed by the State WDB. The Local WDB may establish additional criteria, or set higher standards for service coordination, than those set by the State criteria. Local WDBs must review and update the criteria every 2 years as part of the Local Plan update process described in § 463.580. Local WDBs must certify one-stop centers in order to be eligible to use infrastructure funds in the State funding mechanism described in § 463.730.

(e) All one-stop centers must comply with applicable physical and programmatic accessibility requirements, as set forth in 29 CFR part 38, the implementing regulations of WIOA sec. 188.

§ 463.900 What is the common identifier to be used by each one-stop delivery system?

(a) The common one-stop delivery system identifier is “American Job Center.”

(b) As of November 17, 2016, each one-stop delivery system must include the “American Job Center” identifier or “a proud partner of the American Job Center network” on all primary electronic resources used by the one-stop delivery system, and on any newly printed, purchased, or created materials.

(c) As of July 1, 2017, each one-stop delivery system must include the “American Job Center” identifier or “a proud partner of the American Job Center network” on all products, programs, activities, services, electronic resources, facilities, and related property and new materials used in the one-stop delivery system.

(d) One-stop partners, States, or local areas may use additional identifiers on their products, programs, activities, services, facilities, and related property and materials.

§ 600.1 Scope.

This part establishes the rules and procedures that the Secretary uses to determine whether an educational institution qualifies in whole or in part as an eligible institution of higher education under the Higher Education Act of 1965, as amended (HEA). An eligible institution of higher education may apply to participate in programs authorized by the HEA (HEA programs).

(Authority: 20 U.S.C. 1088, 1094, 1099b, 1099c, and 1141)

§ 600.2 Definitions.

The following definitions apply to terms used in this part:

Accredited: The status of public recognition that a nationally recognized accrediting agency grants to an institution or educational program that meets the agency's established requirements.

Additional location: A facility that is geographically apart from the main campus of the institution and at which the institution offers at least 50 percent of a program and may qualify as a branch campus.

Award year: The period of time from July 1 of one year through June 30 of the following year.

Branch campus: An additional location of an institution that is geographically apart and independent of the main campus of the institution. The Secretary considers a location of an institution to be independent of the main campus if the location—

§ 600.2

- (1) Is permanent in nature;
- (2) Offers courses in educational programs leading to a degree, certificate, or other recognized educational credential;

- (3) Sixty minutes of preparation in a correspondence course.

Correspondence course: (1) A course provided by an institution under which the institution provides instructional materials, by mail or electronic transmission, including examinations on the materials, to students who are separated from the instructor. Interaction between the instructor and student is limited, is not regular and substantive, and is primarily initiated by the student. Correspondence courses are typically self-paced.

(2) If a course is part correspondence and part residential training, the Secretary considers the course to be a correspondence course.

(3) A correspondence course is not distance education.

Credit hour: Except as provided in 34 CFR 668.8(k) and (l), a credit hour is an amount of work represented in intended learning outcomes and verified by evidence of student achievement that is an institutionally established equivalency that reasonably approximates not less than—

(1) One hour of classroom or direct faculty instruction and a minimum of two hours of out of class student work each week for approximately fifteen weeks for one semester or trimester hour of credit, or ten to twelve weeks for one quarter hour of credit, or the equivalent amount of work over a different amount of time; or

(2) At least an equivalent amount of work as required in paragraph (1) of this definition for other academic activities as established by the institution including laboratory work, intern-

ships, practica, studio work, and other academic work leading to the award of credit hours.

Direct assessment program: A program as described in 34 CFR 668.10.

Distance education means education that uses one or more of the technologies listed in paragraphs (1) through (4) of this definition to deliver instruction to students who are separated from the instructor and to support regular and substantive interaction between the students and the instructor, either synchronously or asynchronously. The technologies may include—

- (1) The internet;
- (2) One-way and two-way transmissions through open broadcast, closed circuit, cable, microwave, broadband lines, fiber optics, satellite, or wireless communications devices;
- (3) Audio conferencing; or

Educational program: (1) A legally authorized postsecondary program of organized instruction or study that:

(i) Leads to an academic, professional, or vocational degree, or certificate, or other recognized educational credential, or is a comprehensive transition and postsecondary program, as described in 34 CFR part 668, subpart O; and

(ii) May, in lieu of credit hours or clock hours as a measure of student learning, utilize direct assessment of student learning, or recognize the direct assessment of student learning by others, if such assessment is consistent with the accreditation of the institution or program utilizing the results of the assessment and with the provisions of § 668.10.

(2) The Secretary does not consider that an institution provides an educational program if the institution does not provide instruction itself (including a course of independent study) but merely gives credit for one or more of the following: Instruction provided by other institutions or schools; examinations or direct assessments provided by agencies or organizations; or other

accomplishments such as “life experience.”

Eligible institution: An institution that—

- (1) Qualifies as—
 - (i) An institution of higher education, as defined in § 600.4;

The Federal Stafford Loan, Federal PLUS, Federal SLS, and Federal Consolidation Loan programs are defined in 34 CFR part 668.

Incarcerated student: A student who is serving a criminal sentence in a Federal, State, or local penitentiary, prison, jail, reformatory, work farm, or other similar correctional institution. A student is not considered incarcerated if that student is in a half-way house or home detention or is sentenced to serve only weekends.

Legally authorized: The legal status granted to an institution through a charter, license, or other written document issued by the appropriate agency or official of the State in which the institution is physically located.

Nationally recognized accrediting agency: An agency or association that the Secretary recognizes as a reliable authority to determine the quality of education or training offered by an institution or a program offered by an institution. The Secretary recognizes these agencies and associations under the provisions of 34 CFR part 602 and publishes a list of the recognized agencies in the FEDERAL REGISTER.

tions, no part of the net earnings of which benefits any private shareholder or individual;

(ii) Is legally authorized to operate as a nonprofit organization by each State in which it is physically located; and

(iii) Is determined by the U.S. Internal Revenue Service to be an organization to which contributions are tax-deductible in accordance with section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)); or

(2) For a foreign institution—

(i) An institution that is owned and operated only by one or more nonprofit corporations or associations; and

(3) Is determined by the U.S. Internal Revenue Service to be an organization to which contributions are tax-deductible in accordance with section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)).

One-academic-year training program: An educational program that is at least one academic year as defined under 34 CFR 668.2.

Preaccreditation: The status of accreditation and public recognition that a nationally recognized accrediting agency grants to an institution or program for a limited period of time that signifies the agency has determined that the institution or program is progressing toward full accreditation and is likely to attain full accreditation before the expiration of that limited period of time (sometimes referred to as “candidacy”).

Recognized equivalent of a high school diploma: The following are the equivalent of a high school diploma—

§ 600.2

34 CFR Ch. VI (7–1–20 Edition)

(1) A General Education Development Certificate (GED);

(2) A State certificate received by a student after the student has passed a State-authorized examination that the State recognizes as the equivalent of a high school diploma;

(3) An academic transcript of a student who has successfully completed at least a two-year program that is acceptable for full credit toward a bachelor's degree; or

(4) For a person who is seeking enrollment in an educational program that leads to at least an associate degree or its equivalent and who has not completed high school but who excelled academically in high school, documentation that the student excelled academically in high school and has met the formalized, written policies of the institution for admitting such students.

Recognized occupation: An occupation that is—

(1) Identified by a Standard Occupational Classification (SOC) code established by the Office of Management and Budget (OMB) or an Occupational Information Network O*Net-SOC code established by the Department of Labor, which is available at www.onetonline.org or its successor site; or

State: A State of the Union, American Samoa, the Commonwealth of Puerto Rico, the District of Columbia, Guam, the Virgin Islands, the Commonwealth of the Northern Mariana Islands, the

Republic of the Marshall Islands, the Federated States of Micronesia, and the Republic of Palau. The latter three are also known as the Freely Associated States.

State authorization reciprocity agreement: An agreement between two or more States that authorizes an institution located and legally authorized in a State covered by the agreement to provide postsecondary education through distance education or correspondence courses to students located in other States covered by the agreement and cannot prohibit any member State of the agreement from enforcing its own general-purpose State laws and regulations outside of the State authorization of distance education.

§ 600.7 Conditions of institutional ineligibility.

(a) *General rule.* For purposes of title IV of the HEA, an educational institution that otherwise satisfies the requirements contained in §§ 600.4, 600.5, or 600.6 nevertheless does not qualify as an eligible institution under this part if—

(1) For its latest complete award year—

(i) More than 50 percent of the institution's courses were correspondence courses as calculated under paragraph (b) of this section;

(ii) Fifty percent or more of the institution's regular enrolled students were enrolled in correspondence courses;

(iii) More than twenty-five percent of the institution's regular enrolled students were incarcerated;

(iv) More than fifty percent of its regular enrolled students had neither a high school diploma nor the recognized equivalent of a high school diploma, and the institution does not provide a four-year or two-year educational program for which it awards a bachelor's degree or an associate degree, respectively;

(2) The institution, or an affiliate of the institution that has the power, by contract or ownership interest, to direct or cause the direction of the management of policies of the institution—

(A) Files for relief in bankruptcy, or

(B) Has entered against it an order for relief in bankruptcy; or

(3) The institution, its owner, or its chief executive officer—

(i) Has pled guilty to, has pled *nolo contendere* to, or is found guilty of, a crime involving the acquisition, use, or expenditure of title IV, HEA program funds; or

(ii) Has been judicially determined to have committed fraud involving title IV, HEA program funds.

(b) *Special provisions regarding correspondence courses and students—*(1) *Calculating the number of correspondence courses.* For purposes of paragraphs (a)(1) (i) and (ii) of this section—

(i) A correspondence course may be a complete educational program offered by correspondence, or one course provided by correspondence in an on-campus (residential) educational program;

(ii) A course must be considered as being offered once during an award year regardless of the number of times it is offered during that year; and

(iii) A course that is offered both on campus and by correspondence must be considered two courses for the purpose of determining the total number of courses the institution provided during an award year.

(2) *Exceptions.* (i) The provisions contained in paragraphs (a)(1) (i) and (ii) of this section do not apply to an institution that qualifies as a “technical institute or vocational school used exclusively or principally for the provision of vocational education to individuals who have completed or left high school and who are available for study in preparation for entering the labor market” under section 3(3)(C) of the Carl D. Perkins Vocational and Applied Technology Education Act of 1995.

(ii) The Secretary waives the limitation contained in paragraph (a)(1)(ii) of this section for an institution that offers a 2-year associate-degree or a 4-year bachelor's-degree program if the students enrolled in the institution's correspondence courses receive no more than 5 percent of the title IV, HEA program funds received by students at that institution.

(c) *Special provisions regarding incarcerated students—*(1) *Exception.* The Secretary may waive the prohibition contained in paragraph (a)(1)(iii) of this section, upon the application of an institution, if the institution is a non-profit institution that provides four-year or two-year educational programs for which it awards a bachelor's degree, an associate degree, or a postsecondary diploma.

(2) *Waiver for entire institution.* If the nonprofit institution that applies for a waiver consists solely of four-year or two-year educational programs for which it awards a bachelor's degree, an

associate degree, or a postsecondary diploma, the Secretary waives the prohibition contained in paragraph (a)(1)(iii) of this section for the entire institution.

(3) *Other waivers.* If the nonprofit institution that applies for a waiver does not consist solely of four-year or two-year educational programs for which it awards a bachelor's degree, an associate degree, or a postsecondary diploma, the Secretary waives the prohibition contained in paragraph (a)(1)(iii) of this section—

(i) For the four-year and two-year programs for which it awards a bachelor's degree, an associate degree or a postsecondary diploma; and

(ii) For the other programs the institution provides, if the incarcerated regular students enrolled in those other programs have a completion rate of 50 percent or greater.

(d) *Special provision for a nonprofit institution if more than 50 percent of its enrollment consists of students who do not have a high school diploma or its equivalent.* (1) Subject to the provisions contained in paragraphs (d)(2) and (d)(3) of this section, the Secretary waives the limitation contained in paragraph (a)(1)(iv) of this section for a nonprofit institution if that institution demonstrates to the Secretary's satisfaction that it exceeds that limitation because it serves, through contracts with Federal, State, or local government agencies, significant numbers of students who do not have a high school diploma or its recognized equivalent.

(2) *Number of critical students.* The Secretary grants a waiver under paragraph (d)(1) of this section only if no more than 40 percent of the institution's enrollment of regular students consists of students who—

(i) Do not have a high school diploma or its equivalent; and

(ii) Are not served through contracts described in paragraph (d)(3) of this section.

(3) *Contracts with Federal, State, or local government agencies.* For purposes of granting a waiver under paragraph (d)(1) of this section, the contracts referred to must be with Federal, State, or local government agencies for the purpose of providing job training to low-income individuals who are in need

of that training. An example of such a contract is a job training contract under the Job Training Partnership Act (JPTA).

(e) *Special provisions.* (1) For purposes of paragraph (a)(1) of this section, when counting regular students, the institution shall—

(i) Count each regular student without regard to the full-time or part-time nature of the student's attendance (i.e., "head count" rather than "full-time equivalent");

(ii) Count a regular student once regardless of the number of times the student enrolls during an award year; and

(iii) Determine the number of regular students who enrolled in the institution during the relevant award year by—

(A) Calculating the number of regular students who enrolled during that award year; and

(B) Excluding from the number of students in paragraph (e)(1)(iii)(A) of this section, the number of regular students who enrolled but subsequently withdrew or were expelled from the institution and were entitled to receive a 100 percent refund of their tuition and fees less any administrative fee that the institution is permitted to keep under its fair and equitable refund policy.

(2) For the purpose of calculating a completion rate under paragraph (c)(3)(ii) of this section, the institution shall—

(i) Determine the number of regular incarcerated students who enrolled in the other programs during the last completed award year;

(ii) Exclude from the number of regular incarcerated students determined in paragraph (e)(2)(i) of this section, the number of those students who enrolled but subsequently withdrew or were expelled from the institution and were entitled to receive a 100 percent refund of their tuition and fees, less any administrative fee the institution is permitted to keep under the institution's fair and equitable refund policy;

(iii) Exclude from the total obtained in paragraph (e)(2)(ii) of this section, the number of those regular incarcerated students who remained enrolled in

§ 600.8

34 CFR Ch. VI (7–1–20 Edition)

the programs at the end of the applicable award year;

(iv) From the total obtained in paragraph (e)(2)(iii) of this section, determine the number of regular incarcerated students who received a degree, certificate, or other recognized educational credential awarded for successfully completing the program during the applicable award year; and

(v) Divide the total obtained in paragraph (e)(2)(iv) of this section by the total obtained in paragraph (e)(2)(iii) of this section and multiply by 100.

(f)(1) If the Secretary grants a waiver to an institution under this section, the waiver extends indefinitely provided that the institution satisfies the waiver requirements in each award year.

(2) If an institution fails to satisfy the waiver requirements for an award year, the institution becomes ineligible on June 30 of that award year.

(g)(1) For purposes of paragraph (a)(1) of this section, and any applicable waiver or exception under this section, the institution shall substantiate the required calculations by having the certified public accountant who prepares its audited financial statement under 34 CFR 668.15 or its title IV, HEA program compliance audit under 34 CFR 668.23 report on the accuracy of those determinations.

(2) The certified public accountant's report must be based on performing an "attestation engagement" in accordance with the American Institute of Certified Public Accountants (AICPA's) Statement on Standards for Attestation Engagements. The certified public accountant shall include that attestation report with or as part of the audit report referenced in paragraph (g)(1) of this section.

(3) The certified public accountant's attestation report must indicate whether the institution's determinations regarding paragraph (a)(1) of this section and any relevant waiver or exception under paragraphs (b), (c), and (d) of this section are accurate; *i.e.*, fairly presented in all material respects.

(h) *Notice to the Secretary.* An institution shall notify the Secretary—

(1) By July 31 following the end of an award year if it falls within one of the

prohibitions contained in paragraph (a)(1) of this section, or fails to continue to satisfy a waiver or exception granted under this section; or

(2) Within 10 days if it falls within one of the prohibitions contained in paragraphs (a)(2) or (a)(3) of this section.

(i) *Regaining eligibility.* (1) If an institution loses its eligibility because of one of the prohibitions contained in paragraph (a)(1) of this section, to regain its eligibility, it must demonstrate—

(i) Compliance with all eligibility requirements;

(ii) That it did not fall within any of the prohibitions contained in paragraph (a)(1) of this section for at least one award year; and

(iii) That it changed its administrative policies and practices to ensure that it will not fall within any of the prohibitions contained in paragraph (a)(1) of this section.

(2) If an institution loses its eligibility because of one of the prohibitions contained in paragraphs (a)(2) and (a)(3) of this section, this loss is permanent. The institution's eligibility cannot be reinstated.

(ii) If an institution is established by a State on the basis of an authorization to conduct business in the State or to operate as a nonprofit charitable organization, but not established by name as an educational institution under paragraph (a)(1)(i) of this section, the institution—

(d) An additional location or branch campus of an institution that meets the requirements under paragraph (a)(1) of this section and that is located in a foreign country, *i.e.*, not in a State, must comply with §§ 600.8, 600.10, 600.20, and 600.32, and the following requirements:

(1) For any additional location at which 50 percent or more of an educational program (as defined in § 600.2) is offered, or will be offered, or at a branch campus—

(i) The additional location or branch campus must be legally authorized by an appropriate government authority to operate in the country where the additional location or branch campus is physically located, unless the additional location or branch campus is physically located on a U.S. military base, facility, or area that the foreign country has granted the U.S. military to use and the institution can demonstrate that it is exempt from obtaining such authorization from the foreign country;

(ii) The institution must provide to the Secretary, upon request, documentation of such legal authorization to operate in the foreign country, demonstrating that the foreign governmental authority is aware that the additional location or branch campus provides postsecondary education and that the government authority does not object to those activities;

(3) In accordance with the requirements of 34 CFR 668.41, the institution must disclose to enrolled and prospective students at foreign additional locations and foreign branch campuses the information regarding the student complaint process described in 34 CFR 668.43(b), of the State in which the main campus of the institution is located.

(4) If the State in which the main campus of the institution is located limits the authorization of the institution to exclude the foreign additional location or branch campus, the foreign additional location or branch campus is not considered to be legally authorized by the State.

§ 600.10 Date, extent, duration, and consequence of eligibility.]

(a) *Date of eligibility.* (1) If the Secretary determines that an applicant institution satisfies all the statutory and regulatory eligibility requirements, the Secretary considers the institution to be an eligible institution as of the date—

(i) The Secretary signs the institution's program participation agreement described in 34 CFR part 668, subpart B, for purposes of participating in any title IV, HEA program; and

(ii) The Secretary receives all the information necessary to make that determination for purposes other than participating in any title IV, HEA program.

(2) [Reserved]

(b) *Extent of eligibility.* (1) If the Secretary determines that the entire applicant institution, including all its locations and all its educational programs, satisfies the applicable requirements of this part, the Secretary extends eligibility to all educational programs and locations identified on the institution's application for eligibility.

(2) If the Secretary determines that only certain educational programs or certain locations of an applicant institution satisfy the applicable requirements of this part, the Secretary extends eligibility only to those educational programs and locations that meet those requirements and identifies the eligible educational programs and locations in the eligibility notice sent to the institution under § 600.21.

(3) Eligibility does not extend to any location that an institution establishes after it receives its eligibility designation if the institution provides at least 50 percent of an educational program at that location, unless—

(i) The Secretary approves that location under § 600.20(e)(4); or

(ii) The location is licensed and accredited, the institution does not have to apply to the Secretary for approval of that location under § 600.20(c), and the institution has reported to the Secretary that location under § 600.21.

(c) *Educational programs.* (1) An eligible institution that seeks to establish the eligibility of an educational program must—

(i) Pursuant to a requirement regarding additional programs included in the institution's program participation agreement under 34 CFR 668.14, obtain the Secretary's approval;

(ii) For a direct assessment program under 34 CFR 668.10, and for a comprehensive transition and postsecondary program under 34 CFR 668.232, obtain the Secretary's approval; and

(iii) For an undergraduate program that is at least 300 clock hours but less than 600 clock hours and does not admit as regular students only persons who have completed the equivalent of an associate degree under 34 CFR 668.8(d)(3), obtain the Secretary's approval.

(2) Except as provided under § 600.20(c), an eligible institution does

not have to obtain the Secretary's approval to establish the eligibility of any program that is not described in paragraph (c)(1) of this section.

(3) An institution must repay to the Secretary all HEA program funds received by the institution for an educational program, and all the title IV, HEA program funds received by or on behalf of students who enrolled in that program if the institution—

(i) Fails to comply with the requirements in paragraph (c)(1) of this section; or

(ii) Incorrectly determines that an educational program that is not subject to approval under paragraph (c)(1) of this section is an eligible program for title IV, HEA program purposes.

(d) *Duration of eligibility.* (1) If an institution participates in the title IV, HEA programs, the Secretary's designation of the institution as an eligible institution under the title IV, HEA programs expires when the institution's program participation agreement, as described in 34 CFR part 668, subpart B, expires.

(2) If an institution participates in an HEA program other than a title IV, HEA program, the Secretary's designation of the institution as an eligible institution, for purposes of that non-title IV, HEA program, does not expire as long as the institution continues to satisfy the statutory and regulatory requirements governing its eligibility.

(e) *Consequence of eligibility.* (1) If, as a part of its institutional eligibility application, an institution indicates that it wishes to participate in a title IV, HEA program and the Secretary determines that the institution satisfies the applicable statutory and regulatory requirements governing institutional eligibility, the Secretary will determine whether the institution satisfies the standards of administrative capability and financial responsibility contained in 34 CFR part 668, subpart B.

(2) If, as part of its institutional eligibility application, an institution indicates that it does not wish to participate in any title IV, HEA program and

the Secretary determines that the institution satisfies the applicable statutory and regulatory requirements governing institutional eligibility, the institution is eligible to apply to participate in any HEA program listed by the Secretary in the eligibility notice it receives under § 600.21. However, the institution is not eligible to participate in those programs, or receive funds under those programs, merely by virtue of its designation as an eligible institution under this part.

§ 600.11 Special rules regarding institutional accreditation or preaccreditation.

(a) *Change of accrediting agencies.* (1) For purposes of §§ 600.4(a)(5)(i), 600.5(a)(6), and 600.6(a)(5)(i), the Secretary does not recognize the accreditation or preaccreditation of an otherwise eligible institution if that institution is in the process of changing its accrediting agency, unless the institution provides the following to the Secretary and receives approval:

(i) All materials related to its prior accreditation or preaccreditation.

(ii) Materials demonstrating reasonable cause for changing its accrediting agency. The Secretary will not determine such cause to be reasonable if the institution—

(A) Has had its accreditation withdrawn, revoked, or otherwise terminated for cause during the preceding 24 months, unless such withdrawal, revocation, or termination has been rescinded by the same accrediting agency; or

(B) Has been subject to a probation or equivalent, show cause order, or suspension order during the preceding 24 months.

(2) Notwithstanding paragraph (a)(1)(ii) of this section, the Secretary may determine the institution's cause for changing its accrediting agency to be reasonable if the agency did not pro-

vide the institution its due process rights as defined in § 602.25, the agency applied its standards and criteria inconsistently, or if the adverse action or show cause or suspension order was the result of an agency's failure to respect an institution's stated mission, including religious mission.

(b) *Multiple accreditation.* The Secretary does not recognize the accreditation or preaccreditation of an otherwise eligible institution if that institution is accredited or preaccredited as an institution by more than one accrediting agency, unless the institution—

(1) Provides to each such accrediting agency and the Secretary the reasons for that multiple accreditation or preaccreditation;

(2) Demonstrates to the Secretary reasonable cause for that multiple accreditation or preaccreditation.

(i) The Secretary determines the institution's cause for multiple accreditation to be reasonable unless the institution—

(A) Has had its accreditation withdrawn, revoked, or otherwise terminated for cause during the preceding 24 months, unless such withdrawal, revocation, or termination has been rescinded by the same accrediting agency; or

(B) Has been subject to a probation or equivalent, show cause order, or suspension order during the preceding 24 months.

(ii) Notwithstanding paragraphs (b)(2)(i)(A) and (B) of this section, the Secretary may determine the institution's cause for seeking multiple accreditation or preaccreditation to be reasonable if the institution's primary interest in seeking multiple accreditation is based on that agency's geographic area, program-area focus, or mission; and

(3) Designates to the Secretary which agency's accreditation or preaccreditation the institution uses to establish its eligibility under this part.

(c) *Loss of accreditation or preaccreditation.* (1) An institution may not be considered eligible for 24 months after it has had its accreditation or preaccreditation withdrawn, revoked,

or otherwise terminated for cause, unless the accrediting agency that took that action rescinds that action.

(2) An institution may not be considered eligible for 24 months after it has withdrawn voluntarily from its accreditation or preaccreditation status under a show-cause or suspension order issued by an accrediting agency, unless that agency rescinds its order.

(d) *Religious exception.* (1) If an otherwise eligible institution loses its accreditation or preaccreditation, the Secretary considers the institution to be accredited or preaccredited for purposes of complying with the provisions of §§ 600.4, 600.5, and 600.6 if the Secretary determines that its loss of accreditation or preaccreditation—

(i) Is related to the religious mission or affiliation of the institution; and

(ii) Is not related to its failure to satisfy the accrediting agency's standards.

(2) If the Secretary considers an unaccredited institution to be accredited or preaccredited under the provisions of paragraph (d)(1) of this section, the Secretary will consider that unaccredited institution to be accredited or preaccredited for a period sufficient to allow the institution to obtain alternative accreditation or preaccreditation, except that period may not exceed 18 months.

34 CFR Ch. VI (7–1–20 Edition)

participating in the title IV, HEA programs must apply to the Secretary for a determination that the institution continues to meet the requirements in this part if the Secretary requests the institution to reapply. If the institution wishes to be certified to participate in the title IV, HEA programs, it must submit an application to the Secretary and must submit all the supporting documentation indicated on the application to enable the Secretary to determine that it satisfies the relevant certification requirements contained in subparts B and L of 34 CFR part 668.

(2) A currently designated eligible institution that participates in the title IV, HEA programs must apply to the Secretary for a determination that the institution continues to meet the requirements in this part and in 34 CFR part 668 if the institution wishes to—

(i) Continue to participate in the title IV, HEA programs beyond the scheduled expiration of the institution's current eligibility and certification designation;

(ii) Reestablish eligibility and certification as a private nonprofit, private for-profit, or public institution following a change in ownership that results in a change in control as described in § 600.31; or

(iii) Reestablish eligibility and certification after the institution changes its status as a proprietary, nonprofit, or public institution.

(3) A freestanding foreign graduate medical school, or a foreign institution that includes a foreign graduate medical school, must include in its reapplication to participate—

(i)(A) A list of all of the foreign graduate medical school's educational sites and where they are located, including all sites at which its students receive clinical training, except those clinical training sites that are not used regularly, but instead are chosen by individual students who take no more than two electives at the location for no more than a total of eight weeks; and

(B) The type of clinical training (core, required clinical rotation, not required clinical rotation) offered at each site listed on the application in accordance with paragraph (b)(3)(i)(A) of this section; and

(C) Both; and

(iii) Copies of the formal affiliation agreements with hospitals or clinics providing all or a portion of a clinical training program required under § 600.55(e)(1).

(c) *Application to expand eligibility.* A currently designated eligible institution that wishes to expand the scope of its eligibility and certification and disburse title IV, HEA Program funds to students enrolled in that expanded scope must apply to the Secretary and wait for approval to—

(1) Add an educational program or a location at which the institution offers or will offer 50 percent or more of an educational program if one of the following conditions applies, otherwise it must report to the Secretary under § 600.21:

(i) The institution participates in the title IV, HEA programs under a provisional certification, as provided in 34 CFR 668.13.

(ii) The institution receives title IV, HEA program funds under the reimbursement or cash monitoring payment method, as provided in 34 CFR part 668, subpart K.

(iii) The institution acquires the assets of another institution that provided educational programs at that location during the preceding year and participated in the title IV, HEA programs during that year.

(iv) The institution would be subject to a loss of eligibility under 34 CFR 668.188 if it adds that location.

(v) The Secretary notifies, or has notified, the institution that it must apply for approval of an additional educational program or a location under § 600.10(c).

(2) Increase its level of program offering (*e.g.*, adding graduate degree programs when it previously offered only baccalaureate degree programs);

(3) Add an educational program if the institution is required to apply to the Secretary for approval under § 600.10(c);

(4) Add a branch campus at a location that is not currently included in the institution's eligibility and certification designation;

(5) For a freestanding foreign graduate medical school, or a foreign institution that includes a foreign graduate medical school, add a location that offers all or a portion of the foreign graduate medical school's core clinical training or required clinical rotations, except for those locations that are included in the accreditation of a medical program accredited by the Liaison Committee on Medical Education (LCME) or the American Osteopathic Association (AOA); or

(6) Convert an eligible location to a branch campus.

(d) *Notice and application.* (1) *Notice and application procedures.* (i) To satisfy the requirements of paragraphs (a), (b), and (c) of this section, an institution must notify the Secretary of its intent to offer an additional educational program, or provide an application to expand its eligibility, in a format prescribed by the Secretary and provide all the information and documentation requested by the Secretary to make a determination of its eligibility and certification.

(ii)(A) An institution that notifies the Secretary of its intent to offer an educational program under paragraph (c)(3) of this section must ensure that the Secretary receives the notice described in paragraph (d)(2) of this section at least 90 days before the first day of class of the educational program.

(B) An institution that submits a notice in accordance with paragraph (d)(1)(ii)(A) of this section is not required to obtain approval to offer the additional educational program unless the Secretary alerts the institution at least 30 days before the first day of class that the program must be approved for title IV, HEA program purposes. If the Secretary alerts the institution that the additional educational program must be approved, the Secretary will treat the notice provided about the additional educational program as an application for that program.

(C) If an institution does not provide timely notice in accordance with para-

graph (d)(1)(ii)(A) of this section, the institution must obtain approval of the additional educational program from the Secretary for title IV, HEA program purposes.

(D) If an additional educational program is required to be approved by the Secretary for title IV, HEA program purposes under paragraph (d)(1)(ii)(B) or (C) of this section, the Secretary may grant approval, or request further information prior to making a determination of whether to approve or deny the additional educational program.

(E) When reviewing an application under paragraph (d)(1)(ii)(B) of this section, the Secretary will take into consideration the following:

(1) The institution's demonstrated financial responsibility and administrative capability in operating its existing programs.

(2) Whether the additional educational program is one of several new programs that will replace similar programs currently provided by the institution, as opposed to supplementing or expanding the current programs provided by the institution.

(3) Whether the number of additional educational programs being added is inconsistent with the institution's historic program offerings, growth, and operations.

(4) Whether the process and determination by the institution to offer an additional educational program that leads to gainful employment in a recognized occupation is sufficient.

(F)(1) If the Secretary denies an application from an institution to offer an additional educational program, the denial will be based on the factors described in paragraphs (d)(1)(ii)(E)(2), (3), and (4) of this section, and the Secretary will explain in the denial how the institution failed to demonstrate that the program is likely to lead to gainful employment in a recognized occupation.

(2) If the Secretary denies the institution's application to add an additional educational program, the Secretary will permit the institution to respond to the reasons for the denial and request reconsideration of the denial.

(2) *Notice format.* An institution that notifies the Secretary of its intent to offer an additional educational program under paragraph (c)(3) of this section must at a minimum—

(i) Describe in the notice how the institution determined the need for the program and how the program was designed to meet local market needs, or for an online program, regional or national market needs. This description must contain any wage analysis the institution may have performed, including any consideration of Bureau of Labor Statistics data related to the program;

(ii) Describe in the notice how the program was reviewed or approved by, or developed in conjunction with, business advisory committees, program integrity boards, public or private oversight or regulatory agencies, and businesses that would likely employ graduates of the program;

(iii) Submit documentation that the program has been approved by its accrediting agency or is otherwise included in the institution's accreditation by its accrediting agency, or comparable documentation if the institution is a public postsecondary vocational institution approved by a recognized State agency for the approval of public postsecondary vocational education in lieu of accreditation; and

(iv) Provide the date of the first day of class of the new program.

(e) *Secretary's response to applications.*

(1) If the Secretary receives an application under paragraph (a) or (b)(1) of this section, the Secretary notifies the institution—

(i) Whether the applicant institution qualifies in whole or in part as an eligible institution under the appropriate provisions in §§ 600.4 through 600.7; and

(ii) Of the locations and educational programs that qualify as the eligible institution if only a portion of the applicant qualifies as an eligible institution;

(2) If the Secretary receives an application under paragraphs (a) or (b) of this section and that institution applies to participate in the title IV, HEA programs, the Secretary notifies the institution—

(i) Whether the institution is certified to participate in those programs;

(ii) Of the title IV, HEA programs in which it is eligible to participate;

(iii) Of the title IV, HEA programs in which it is eligible to apply for funds;

(iv) Of the effective date of its eligibility to participate in those programs; and

(v) Of the conditions under which it may participate in those programs;

(3) If the Secretary receives an application under paragraph (b)(2) of this section, the Secretary notifies the institution whether it continues to be certified, or whether it reestablished its eligibility and certification to participate in the title IV, HEA programs and the scope of such approval.

(4) If the Secretary receives an application under paragraph (c)(1) of this section for an additional location, the Secretary notifies the institution whether the location is eligible or ineligible to participate in the title IV, HEA programs, and the date of eligibility if the location is determined eligible;

(5) If the Secretary receives an application under paragraph (c)(2) of this section for an increase in the level of program offering, or for an additional educational program under paragraph (c)(3) of this section, the Secretary notifies the institution whether the program qualifies as an eligible program, and if the program qualifies, the date of eligibility; and

(6) If the Secretary receives an application under paragraphs (c)(4) or (c)(5) of this section to have a branch campus certified to participate in the title IV, HEA programs as a branch campus, the Secretary notifies the institution whether that branch campus is certified to participate and the date that the branch campus is eligible to begin participation.

(f) *Disbursement rules related to applications.* (1)(i) Except as provided under paragraph (f)(1)(ii) of this section and 34 CFR 668.26, if an institution submits an application under paragraph (b)(2)(i) of this section because its participation period is scheduled to expire, after that expiration date the institution may not disburse title IV, HEA program funds to students attending that institution until the institution receives the Secretary's notification that the

institution is again eligible to participate in those programs.

(ii) An institution described in paragraph (f)(1)(i) of this section may disburse title IV, HEA program funds to its students if the institution submits to the Secretary a materially complete renewal application in accordance with the provisions of 34 CFR 668.13(b)(2), and has not received a final decision from the Department on that application.

(2)(i) Except as provided under paragraph (f)(2)(ii) of this section and 34 CFR 668.26, if a private nonprofit, private for-profit, or public institution submits an application under paragraph (b)(2)(ii) or (b)(2)(iii) of this section because it has undergone or will undergo a change in ownership that results in a change of control or a change in status, the institution may not disburse title IV, HEA program funds to students attending that institution after the change of ownership or status until the institution receives the Secretary's notification that the institution is eligible to participate in those programs.

(ii) An institution described in paragraph (f)(2)(i) of this section may disburse title IV, HEA program funds to its students if the Secretary issues a provisional extension of certification under paragraph (g) of this section.

(3) If an institution must apply to the Secretary under paragraphs (c)(1) through (c)(4) of this section, the institution may not disburse title IV, HEA program funds to students attending the subject location, program, or branch until the institution receives the Secretary's notification that the location, program, or branch is eligible to participate in the title IV, HEA programs.

(4) If an institution applies to the Secretary under paragraph (c)(5) of this section to convert an eligible location to a branch campus, the institution may continue to disburse title IV, HEA program funds to students attending that eligible location.

(5) If an institution does not apply to the Secretary to obtain the Secretary's approval of a new location, program, increased level of program offering, or branch, and the location, program, or branch does not qualify as an eligible

location, program, or branch of that institution under this part and 34 CFR part 668, the institution is liable for all title IV, HEA program funds it disburses to students enrolled at that location or branch or in that program.

(g) *Application for provisional extension of certification.* (1) If a private nonprofit institution, a private for-profit institution, or a public institution participating in the title IV, HEA programs undergoes a change in ownership that results in a change of control as described in 34 CFR 600.31, the Secretary may continue the institution's participation in those programs on a provisional basis, if the institution under the new ownership submits a "materially complete application" that is received by the Secretary no later than 10 business days after the day the change occurs.

(2) For purposes of this section, a private nonprofit institution, a private for-profit institution, or a public institution submits a materially complete application if it submits a fully completed application form designated by the Secretary supported by—

(i) A copy of the institution's State license or equivalent document that—as of the day before the change in ownership—authorized or will authorize the institution to provide a program of postsecondary education in the State in which it is physically located;

(ii) A copy of the document from the institution's accrediting association that—as of the day before the change in ownership—granted or will grant the institution accreditation status, including approval of any non-degree programs it offers;

(iii) Audited financial statements of the institution's two most recently completed fiscal years that are prepared and audited in accordance with the requirements of 34 CFR 668.23; and

(iv) Audited financial statements of the institution's new owner's two most recently completed fiscal years that are prepared and audited in accordance with the requirements of 34 CFR 668.23, or equivalent information for that owner that is acceptable to the Secretary.

(h) *Terms of the extension.* (1) If the Secretary approves the institution's materially complete application, the

§ 600.21

Secretary provides the institution with a provisional Program Participation Agreement (PPA). The provisional PPA extends the terms and conditions of the program participation agreement that were in effect for the institution before its change of ownership.

(2) The provisional PPA expires on the earlier of—

(i) The date on which the Secretary signs a new program participation agreement;

(ii) The date on which the Secretary notifies the institution that its application is denied; or

(iii) The last day of the month following the month in which the change of ownership occurred, unless the provisions of paragraph (h)(3) of this section apply.

(3) If the provisional PPA will expire under the provisions of paragraph (h)(2)(iii) of this section, the Secretary extends the provisional PPA on a month-to-month basis after the expiration date described in paragraph (h)(2)(iii) of this section if, prior to that expiration date, the institution provides the Secretary with—

(i) A “same day” balance sheet showing the financial position of the institution, as of the date of the ownership change, that is prepared in accordance with Generally Accepted Accounting Principles (GAAP) published by the Financial Accounting Standards Board and audited in accordance with Generally Accepted Government Auditing Standards (GAGAS) published by the U.S. General Accounting Office;

(ii) If not already provided, approval of the change of ownership from the State in which the institution is located by the agency that authorizes the institution to legally provide post-secondary education in that State;

(iii) If not already provided, approval of the change of ownership from the institution’s accrediting agency; and

(iv) A default management plan unless the institution is exempt from pro-

34 CFR Ch. VI (7–1–20 Edition)

viding that plan under 34 CFR 668.14(b)(15).

§ 600.21 Updating application information.

(a) *Reporting requirements.* Except as provided in paragraph (b) of this section, an eligible institution must report to the Secretary in a manner prescribed by the Secretary no later than 10 days after the change occurs, of any change in the following:

(1) Its name, the name of a branch, or the name of a previously reported location.

(2) Its address, the address of a branch, or the address of a previously reported location.

(3) Its establishment of an accredited and licensed additional location at which it offers or will offer 50 percent or more of an educational program if the institution wants to disburse title IV, HEA program funds to students enrolled at that location, under the provisions in paragraph (d) of this section.

(4) Except as provided in 34 CFR 668.10, the way it measures program length (*e.g.*, from clock hours to credit hours, or from semester hours to quarter hours).

(5) A decrease in the level of program offering (*e.g.* the institution drops its graduate programs).

(6) A person’s ability to affect substantially the actions of the institution if that person did not previously have this ability. The Secretary considers a person to have this ability if the person—

(i) Holds alone or together with another member or members of his or her family, at least a 25 percent “ownership interest” in the institution as defined in § 600.31(b);

(ii) Represents or holds, either alone or together with other persons, under a voting trust, power of attorney, proxy, or similar agreement at least a 25 percent “ownership interest” in the institution, as defined in § 600.31(b); or

(7) The individual the institution designates under 34 CFR 668.16(b)(1) as its title IV, HEA Program administrator.

(8) The closure of a branch campus or additional location that the institution was required to report to the Secretary.

(9) The governance of a public institution.

(10) For a freestanding foreign graduate medical school, or a foreign institution that includes a foreign graduate medical school, the school adds a location that offers all or a portion of the school's clinical rotations that are not required, except for those that are included in the accreditation of a medical program accredited by the Liaison Committee on Medical Education (LCME) or the American Osteopathic Association (AOA), or that are not used regularly, but instead are chosen by individual students who take no more than two electives at the location for no more than a total of eight weeks.

(11) For any program that is required to provide training that prepares a student for gainful employment in a recognized occupation—

(i) Establishing the eligibility or re-establishing the eligibility of the program;

(vi) Updating the certification pursuant to § 668.414(b).

(b) *Additional reporting from institutions owned by publicly-traded corporations.* An institution that is owned by a publicly-traded corporation must report to the Secretary any change in the information described in paragraph (a)(6) of this section when it notifies its accrediting agency, but no later than 10 days after the institution learns of the change.

(c) *Secretary's response to reporting.* The Secretary notifies an institution if any reported changes affects the insti-

tution's eligibility, and the effective date of that change.

(d) *Disbursement rules related to additional locations.* When an institution must report to the Secretary about an additional location under paragraph (a)(3) of this section, the institution may not disburse title IV, HEA funds to students at that location before it reports to the Secretary about that location. Unless it is an institution that must apply to the Secretary under § 600.20(c)(1), once it reports to the Secretary about that location, the institution may disburse those funds to those students if that location is licensed and accredited.

(e) *Consequence of failure to report.* An institution's failure to inform the Secretary of a change described in paragraph (a) of this section within the time period stated in that paragraph may result in adverse action against the institution.

Subpart C—Maintaining Eligibility

SOURCE: 59 FR 22336, Apr. 29, 1994, unless otherwise noted.

§ 600.30 [Reserved]

§ 600.31 Change in ownership resulting in a change in control for private nonprofit, private for-profit and public institutions.

(a)(1) Except as provided in paragraph (a)(2) of this section, a private nonprofit, private for-profit, or public institution that undergoes a change in ownership that results in a change in control ceases to qualify as an eligible

institution upon the change in ownership and control. A change of ownership that results in a change in control includes any change by which a person who has or thereby acquires an ownership interest in the entity that owns the institution or the parent of that entity, acquires or loses the ability to control the institution.

(2) If a private nonprofit, private for-profit, or public institution has undergone a change in ownership that results in a change in control, the Secretary may, under the provisions of § 600.20(g) and (h), continue the institution's participation in the title IV, HEA programs on a provisional basis, provided that the institution submits, under the provisions of § 600.20(g), a materially complete application—

(i) No later than 10 business days after the change occurs; or

(ii) For an institution owned by a publicly-traded corporation, no later than 10 business days after the institution knew, or should have known of the change based upon SEC filings, that the change occurred.

(3) In order to reestablish eligibility and to resume participation in the title IV, HEA programs, the institution must demonstrate to the Secretary that after the change in ownership and control—

(i) The institution satisfies all the applicable requirements contained in §§ 600.4, 600.5, and 600.6, except that if the institution is a proprietary institution of higher education or postsecondary vocational institution, it need not have been in existence for two years before seeking eligibility; and

(ii) The institution qualifies to be certified to participate under 34 CFR part 668, subpart B.

(b) *Definitions.* The following definitions apply to terms used in this section:

Closely-held corporation. Closely-held corporation (including the term “close corporation”) means—

(1) A corporation that qualifies under the law of the State of its incorporation or organization as a closely-held corporation; or

(2) If the State of incorporation or organization has no definition of closely-held corporation, a corporation the stock of which—

(i) Is held by no more than 30 persons; and

(ii) Has not been and is not planned to be publicly offered.

Control. Control (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

Ownership or ownership interest. (1) Ownership or ownership interest means a legal or beneficial interest in an institution or its corporate parent, or a right to share in the profits derived from the operation of an institution or its corporate parent.

(2) Ownership or ownership interest does not include an ownership interest held by—

(i) A mutual fund that is regularly and publicly traded;

(ii) A U.S. institutional investor, as defined in 17 CFR 240.15a–6(b)(7);

(iii) A profit-sharing plan of the institution or its corporate parent, provided that all full-time permanent employees of the institution or its corporate parent are included in the plan; or

(iv) An employee stock ownership plan (ESOP).

Parent. The parent or parent entity is the entity that controls the specified entity directly or indirectly through one or more intermediaries.

Person. Person includes a legal entity or a natural person.

Wholly-owned subsidiary. A wholly-owned subsidiary is one substantially all of whose outstanding voting securities are owned by its parent together with the parent's other wholly-owned subsidiaries.

(c) *Standards for identifying changes of ownership and control.*—(1) *Closely-held corporation.* A change in ownership and control occurs when—

(i) A person acquires more than 50 percent of the total outstanding voting stock of the corporation;

(ii) A person who holds an ownership interest in the corporation acquires control of more than 50 percent of the outstanding voting stock of the corporation; or

(iii) A person who holds or controls 50 percent or more of the total outstanding stock of the corporation ceases to hold or control that proportion of the stock of the corporation.

(2) *Publicly traded corporations required to be registered with the Securities and Exchange Commission (SEC).* A change in ownership and control occurs when—

(i) A person acquires such ownership and control of the corporation so that the corporation is required to file a Form 8K with the SEC notifying that agency of the change in control; or

(ii) (A) A person who is a controlling shareholder of the corporation ceases to be a controlling shareholder. A controlling shareholder is a shareholder who holds or controls through agreement both 25 percent or more of the total outstanding voting stock of the corporation and more shares of voting stock than any other shareholder. A controlling shareholder for this purpose does not include a shareholder whose sole stock ownership is held as a U.S. institutional investor, as defined in 17 CFR 240.15a-6(b)(7), held in mutual funds, held through a profit-sharing plan, or held in an Employee Stock Ownership Plan (ESOP).

(B) When a change of ownership occurs as a result of paragraph (c)(2)(ii)(A) of this section, the institution may submit its most recent quarterly financial statement as filed with the SEC, along with copies of all other SEC filings made after the close of the fiscal year for which a compliance audit has been submitted to the Department of Education, instead of the “same day” balance sheet.

(C) If a publicly-traded institution is provisionally certified due to a change in ownership under paragraph (c)(2)(ii) of this section, and that institution experiences another change of ownership under paragraph (c)(2)(ii) of this section, an approval of the subsequent change in ownership does not extend the original expiration date for the provisional certification provided that any current controlling shareholder was listed on the change of ownership application for which the original provisional approval was granted.

(3) *Other entities.* The term “other entities” includes limited liability com-

panies, limited liability partnerships, limited partnerships, and similar types of legal entities. A change in ownership and control of an entity that is neither closely-held nor required to be registered with the SEC occurs when—

(i) A person who has or acquires an ownership interest acquires both control of at least 25 percent of the total of outstanding voting stock of the corporation and control of the corporation; or

(ii) A person who holds both ownership or control of at least 25 percent of the total outstanding voting stock of the corporation and control of the corporation, ceases to own or control that proportion of the stock of the corporation, or to control the corporation.

(4) *General partnership or sole proprietorship.* A change in ownership and control occurs when a person who has or acquires an ownership interest acquires or loses control as described in this section.

(5) *Wholly owned subsidiary.* An entity that is a wholly owned subsidiary changes ownership and control when its parent entity changes ownership and control as described in this section.

(6) *Nonprofit institution.* A nonprofit institution changes ownership and control when a change takes place that is described in paragraph (d) of this section.

(7) *Public institution.* The Secretary does not consider that a public institution undergoes a change in ownership that results in a change of control if there is a change in governance and the institution after the change remains a public institution, provided—

(i) The new governing authority is in the same State as included in the institution’s program participation agreement; and

(ii) The new governing authority has acknowledged the public institution’s continued responsibilities under its program participation agreement.

(d) *Covered transactions.* For the purposes of this section, a change in ownership of an institution that results in a change of control may include, but is not limited to—

(1) The sale of the institution;

§ 600.32

34 CFR Ch. VI (7–1–20 Edition)

(2) The transfer of the controlling interest of stock of the institution or its parent corporation;

(3) The merger of two or more eligible institutions;

(4) The division of one institution into two or more institutions;

(5) The transfer of the liabilities of an institution to its parent corporation;

(6) A transfer of assets that comprise a substantial portion of the educational business of the institution, except where the transfer consists exclusively in the granting of a security interest in those assets; or

(7) A change in status as a for-profit, nonprofit, or public institution.

(e) *Excluded transactions.* A change in ownership and control reported under § 600.21 and otherwise subject to this section does not include a transfer of ownership and control of all or part of an owner's equity or partnership interest in an institution, the institution's parent corporation, or other legal entity that has signed the institution's Program Participation Agreement—

(1) From an owner to a “family member” of that owner as defined in § 600.21(f); or

(2) Upon the retirement or death of the owner, to a person with an ownership interest in the institution who has been involved in management of the institution for at least two years preceding the transfer and who has established and retained the ownership interest for at least two years prior to the transfer.

(b) To qualify as an eligible location, an additional location is not required to satisfy the two-year requirement of §§ 600.5(a)(7) or 600.6(a)(6), unless—

(1) The location was a facility of another institution that has closed or ceased to provide educational programs for a reason other than a normal vacation period or a natural disaster that directly affects the institution or the institution's students;

(2) The applicant institution acquired, either directly from the institution that closed or ceased to provide educational programs, or through an intermediary, the assets at the location; and

(3) The institution from which the applicant institution acquired the assets of the location—

(i) Owes a liability for a violation of an HEA program requirement; and

(ii) Is not making payments in accordance with an agreement to repay that liability.

(c) Notwithstanding paragraph (b) of this section, an additional location is not required to satisfy the two-year requirement of § 600.5(a)(7) or § 600.6(a)(6) if the applicant institution and the original institution are not related parties and there is no commonality of ownership, control, or management between the institutions, as described in 34 CFR 668.188(b) and 34 CFR 668.207(b) and the applicant institution agrees—

(1) To be liable for all improperly expended or unspent title IV, HEA program funds received during the current academic year and up to one academic year prior by the institution that has closed or ceased to provide educational programs;

(2) To be liable for all unpaid refunds owed to students who received title IV, HEA program funds during the current academic year and up to one academic year prior; and

(3) To abide by the policy of the institution that has closed or ceased to provide educational programs regarding refunds of institutional charges to students in effect before the date of the acquisition of the assets of the additional location for the students who were enrolled before that date.

(d)(1) An institution that conducts a teach-out at a site of a closed institution or an institution engaged in a

teach-out plan approved by the institution's agency may apply to have that site approved as an additional location if—

(i) The closed institution ceased operations, or the closing institution is engaged in an orderly teach-out plan and the Secretary has evaluated and approved that plan; and

(ii) The teach-out plan required under 34 CFR 668.14(b)(31) is approved by the closed or closing institution's accrediting agency.

(2)(i) An institution that conducts a teach-out and is approved to add an additional location described in paragraph (d)(1) of this section—

(A) Does not have to meet the requirement of § 600.5(a)(7) or § 600.6(a)(6) for the additional location described in paragraph (d)(1) of this section;

(B) Is not responsible for any liabilities of the closed or closing institution as provided under paragraph (c)(1) and (c)(2) of this section if the institutions are not related parties and there is no commonality of ownership or management between the institutions, as described in 34 CFR 668.188(b) and 34 CFR 668.207(b); and

(C) Will not have the default rate of the closed institution included in the calculation of its default rate, as would otherwise be required under 34 CFR 668.184 and 34 CFR 668.203, if the institutions are not related parties and there is no commonality of ownership or management between the institutions, as described in 34 CFR 668.188(b) and 34 CFR 668.207(b).

(ii) As a condition for approving an additional location under paragraph (d)(1) of this section, the Secretary may require that payments from the institution conducting the teach-out to the owners or related parties of the closed institution, are used to satisfy any liabilities owed by the closed institution.

(e) For purposes of this section, an “additional location” is a location of an institution that was not designated as an eligible location in the eligibility notification provided to an institution under § 600.21.

Subpart D—Loss of Eligibility

SOURCE: 59 FR 22336, Apr. 29, 1994, unless otherwise noted.

§ 600.40 Loss of eligibility.

(a)(1) Except as provided in paragraphs (a) (2) and (3) of this section, an institution, or a location or educational program of an institution, loses its eligibility on the date that—

(i) The institution, location, or educational program fails to meet any of the eligibility requirements of this part;

(ii) The institution or location permanently closes;

(iii) The institution or location ceases to provide educational programs for a reason other than a normal vacation period or a natural disaster that directly affects the institution, particular location, or the students of the institution or location; or

(iv) For purposes of the title IV, HEA programs—

(A) The institution's period of participation as specified under 34 CFR 668.13 expires; or

(B) The institution's provisional certification is revoked under 34 CFR 668.13.

(2) If an institution loses its eligibility because it violated the requirements of § 600.5(a)(8), as evidenced by the determination under provisions contained in § 600.5(d), it loses its eligibility on the last day of the fiscal year used in § 600.5(d), except that if an institution's latest fiscal year was described in § 600.7(h)(1), it loses its eligibility as of June 30, 1994.

(3) If an institution loses its eligibility under the provisions of § 600.7(a)(1), it loses its eligibility on the last day of the award year being evaluated under that provision.

§ 600.41

34 CFR Ch. VI (7–1–20 Edition)

(b) If the Secretary undertakes to terminate the eligibility of an institution because it violated the provisions of § 600.5(a)(8) or § 600.7(a), and the institution requests a hearing, the presiding official must terminate the institution's eligibility if it violated those provisions, notwithstanding its status at the time of the hearing.

(c)(1) If the Secretary designates an institution or any of its educational programs or locations as eligible on the basis of inaccurate information or documentation, the Secretary's designation is void from the date the Secretary made the designation, and the institution or program or location, as applicable, never qualified as eligible.

(2) If an institution closes its main campus or stops providing any educational programs on its main campus, it loses its eligibility as an institution, and that loss of eligibility includes all its locations and all its programs. Its loss of eligibility is effective on the date it closes that campus or stops providing any educational program at that campus.

(d) Except as otherwise provided in this part, if an institution ceases to satisfy any of the requirements for eligibility under this part—

(1) It must notify the Secretary within 30 days of the date that it ceases to satisfy that requirement; and

(2) It becomes ineligible to continue to participate in any HEA program as of the date it ceases to satisfy any of the requirements.

§ 600.41 Termination and emergency action proceedings.

(a) If the Secretary believes that a previously designated eligible institution as a whole, or at one or more of its locations, does not satisfy the statutory or regulatory requirements that define that institution as an eligible institution, the Secretary may—

(1) Terminate the institution's eligibility designation in whole or as to a particular location—

(i) Under the procedural provisions applicable to terminations contained in 34 CFR 668.81, 668.83, 668.86, 668.87,

668.88, 668.89, 668.90 (a)(1), (a)(4), and (c) through (f), and 668.91; or

(ii) Under a show-cause hearing, if the institution's loss of eligibility results from—

(A) Its previously qualifying as an eligible vocational school;

(B) Its loss of accreditation or preaccreditation;

(C) Its loss of legal authority to provide postsecondary education in the State in which it is physically located;

(D) Its violations of the provisions contained in § 600.5(a)(8) or § 600.7(a);

(E) Its permanently closing; or

(F) Its ceasing to provide educational programs for a reason other than a normal vacation period or a natural disaster that directly affects the institution, a particular location, or the students of the institution or location;

(2) Limit, under the provisions of 34 CFR 668.86, the authority of the institution to disburse, deliver, or cause the disbursement or delivery of funds under one or more title IV, HEA programs as otherwise provided under 34 CFR 668.26 for the benefit of students enrolled at the ineligible institution or location prior to the loss of eligibility of that institution or location; and

(3) Initiate an emergency action under the provisions contained in 34 CFR 668.83 with regard to the institution's participation in one or more title IV, HEA programs.

(b) If the Secretary believes that an educational program offered by an institution that was previously designated by the Secretary as an eligible institution under the HEA does not satisfy relevant statutory or regulatory requirements that define that educational program as part of an eligible institution, the Secretary may in accordance with the procedural provisions described in paragraph (a) of this section—

(1) Undertake to terminate that educational program's eligibility under one or more of the title IV, HEA programs under the procedural provisions applicable to terminations described in paragraph (a) of this section;

(2) Limit the institution's authority to deliver, disburse, or cause the delivery or disbursement of funds provided under that title IV, HEA program to students enrolled in that educational

program, as otherwise provided in 34 CFR 668.26; and

(3) Initiate an emergency action under the provisions contained in 34 CFR 668.83 with regard to the institution's participation in one or more title IV, HEA programs with respect to students enrolled in that educational program.

(c)(1) An action to terminate and limit the eligibility of an institution as a whole or as to any of its locations or educational programs is initiated in accordance with 34 CFR 668.86(b) and becomes final 20 days after the Secretary notifies the institution of the proposed action, unless the designated department official receives by that date a request for a hearing or written material that demonstrates that the termination and limitation should not take place.

(2) Once a termination under this section becomes final, the termination is effective with respect to any commitment, delivery, or disbursement of funds provided under an applicable title IV, HEA program by the institution—

(i) Made to students enrolled in the ineligible institution, location, or educational program; and

(ii) Made on or after the date of the act or omission that caused the loss of eligibility as to the institution, location, or educational program.

(3) Once a limitation under this section becomes final, the limitation is effective with regard to any commitment, delivery, or disbursement of funds under the applicable title IV, HEA program by the institution—

(i) Made after the date on which the limitation became final; and

(ii) Made to students enrolled in the ineligible institution, location, or educational program.

(d) After a termination under this section of the eligibility of an institution as a whole or as to a location or educational program becomes final, the institution may not originate applications for, make awards of or commitments for, deliver, or disburse funds under the applicable title IV, HEA program, except—

(1) In accordance with the requirements of 34 CFR 668.26(c) with respect to students enrolled in the ineligible

institution, location, or educational program; and

(2) After satisfaction of any additional requirements, imposed pursuant to a limitation under paragraph (a)(2) of this section, which may include the following:

(i) Completion of the actions required by 34 CFR 668.26(a) and (b).

(ii) Demonstration that the institution has made satisfactory arrangements for the completion of actions required by 34 CFR 668.26(a) and (b).

(iii) Securing the confirmation of a third party selected by the Secretary that the proposed disbursements or delivery of title IV, HEA program funds meet the requirements of the applicable program.

(iv) Using institutional funds to make disbursements permitted under this paragraph and seeking reimbursement from the Secretary for those disbursements.

(e) If the Secretary undertakes to terminate the eligibility of an institution, location, or program under paragraphs (a) and (b) of this section:

(1) If the basis for the loss of eligibility is the loss of accreditation or preaccreditation, the sole issue is whether the institution, location, or program has the requisite accreditation or preaccreditation. The presiding official has no authority to consider challenges to the action of the accrediting agency.

(2) If the basis for the loss of eligibility is the loss of legal authorization, the sole issue is whether the institution, location, or program has the requisite legal authorization. The presiding official has no authority to consider challenges to the action of a State agency in removing the legal authorization.

(3) If the basis for the loss of eligibility of a foreign graduate medical school is one or more annual pass rates on the U.S. Medical Licensing Examination below the threshold required in § 600.55(f)(1)(ii), the sole issue is whether one or more of the foreign medical school's pass rate or rates for the preceding calendar year fell below that threshold. For a foreign graduate medical school that opted to have the Educational Commission for Foreign Medical Graduates (ECFMG) calculate and

§ 600.42

provide the pass rates directly to the Secretary for the preceding calendar year as permitted under § 600.55(d)(2) in lieu of the foreign graduate medical school providing pass rate data to the Secretary under § 600.55(d)(1)(iii), the ECFMG's calculations of the school's rates are conclusive; and the presiding official has no authority to consider challenges to the computation of the rate or rates by the ECFMG.

National Committee on Foreign Medical Education and Accreditation (NCFMEA): The operational committee of medical experts established by the Secretary to determine whether the medical school accrediting standards used in other countries are comparable to those applied to medical schools in the United States, for purposes of evaluating the eligibility of accredited foreign graduate medical schools to participate in the title IV, HEA programs.

§ 600.54 Criteria for determining whether a foreign institution is eligible to apply to participate in the Direct Loan Program.

The Secretary considers a foreign institution to be comparable to an eligible institution of higher education in the United States and eligible to apply to participate in the Direct Loan Program if the foreign institution meets the following requirements:

(c) Notwithstanding § 668.5, an eligible foreign institution may not enter into a written arrangement under which an ineligible institution or organization provides any portion of one or more of the eligible foreign institution's programs. For the purposes of

this paragraph, written arrangements do not include affiliation agreements for the provision of clinical training for foreign medical, veterinary, and nursing schools.

(d) An additional location of a foreign institution must separately meet the definition of a foreign institution in § 600.52 if the additional location is—

(2) Located within the same country as the main campus, but is not covered by the legal authorization of the main campus.

(e) The foreign institution provides an eligible education program—

(1) For which the institution is legally authorized to award a degree that is equivalent to an associate, baccalaureate, graduate, or professional degree awarded in the United States;

(a) *General.* (1) The Secretary considers a foreign graduate medical school to be eligible to apply to participate in the title IV, HEA programs if, in addition to satisfying the criteria of this part (except the criterion in § 600.54 that the institution be public or private nonprofit), the school satisfies the criteria of this section.

(2) A foreign graduate medical school must provide, and in the normal course require its students to complete, a program of clinical training and classroom medical instruction of not less than 32 months in length, that is supervised closely by members of the school's faculty and that—

(i) Is provided in facilities adequately equipped and staffed to afford students comprehensive clinical training and classroom medical instruction;

(ii) Is approved by all medical licensing boards and evaluating bodies whose views are considered relevant by the Secretary; and

(iii) As part of its clinical training, does not offer more than two electives consisting of no more than eight weeks per student at a site located in a foreign country other than the country in which the main campus is located or in the United States, unless that location is included in the accreditation of a medical program accredited by the Liaison Committee on Medical Education (LCME) or the American Osteopathic Association (AOA).

(3) A foreign graduate medical school must appoint for the program described in paragraph (a)(2) of this section only

those faculty members whose academic credentials are the equivalent of credentials required of faculty members teaching the same or similar courses at medical schools in the United States.

(4) A foreign graduate medical school must have graduated classes during each of the two twelve-month periods immediately preceding the date the Secretary receives the school's request for an eligibility determination.

the preceding calendar year who are U.S. citizens, nationals, or eligible permanent residents, together with a statement of the number of times each student took the examination;

(ii) To its accrediting authority and, on request, to the Secretary, the percentage of students graduating during the preceding calendar year (including at least all graduates who are U.S. citizens, nationals, or eligible permanent residents) who obtain placement in an accredited U.S. medical residency program;

(iii) To the Secretary, except as provided for in paragraph (d)(2) of this section, all scores, disaggregated by step/test—i.e., Step 1, Step 2—Clinical Skills (Step 2-CS), and Step 2—Clinical Knowledge (Step 2-CK), or the successor examinations—and attempt, earned during the preceding calendar year by each student and graduate, on Step 1, Step 2-CS, and Step 2-CK, or the successor examinations, of the U.S. Medical Licensing Examination (USMLE), together with the dates the student has taken each test, including any failed tests;

(iv) To the Secretary, a statement of its citizenship rate for the preceding calendar year for a school that is subject to paragraph (f)(1)(i)(A) of this section, together with a description of the methodology used in deriving the rate that is acceptable to the Secretary.

(2) In lieu of submitting the information required in paragraph (d)(1)(iii) of this section to the Secretary, a foreign graduate medical school that is not subject to paragraph (f)(4) of this section may agree to allow the Educational Commission for Foreign Medical Graduates (ECFMG) or other responsible third party to calculate the rate described in paragraph (f)(1)(ii) and (f)(3) of this section for the preceding calendar year and provide the rate directly to the Secretary on the school's behalf with a copy to the foreign graduate medical school, provided—

(i) The foreign graduate medical school has provided by April 30 to the Secretary written consent acceptable to the Secretary to reliance by the Secretary on the pass rate as calculated by the ECFMG or other responsible third

party for purposes of determining compliance with paragraph (f)(1)(ii) and (f)(3) of this section for the preceding calendar year; and

(ii) The foreign graduate medical school agrees in its written consent that for the preceding calendar year the rate as calculated by the ECFMG or other designated third party will be conclusive for purposes of determining compliance with paragraph (f)(1)(ii) and (f)(3) of this section.

(3) A foreign graduate medical school must submit the data it collects in accordance with paragraph (d)(1) of this section no later than April 30 of each year, unless the Secretary specifies a different date through a notice in the FEDERAL REGISTER.

(e) *Requirements for clinical training.* (1)(i) A foreign graduate medical school must have—

(A) A formal affiliation agreement with any hospital or clinic at which all or a portion of the school's core clinical training or required clinical rotations are provided; and

(B) Either a formal affiliation agreement or other written arrangements with any hospital or clinic at which all or a portion of its clinical rotations that are not required are provided, except for those locations that are not used regularly, but instead are chosen by individual students who take no more than two electives at the location for no more than a total of eight weeks.

(ii) The agreements described in paragraph (e)(1)(i) of this section must state how the following will be addressed at each site—

(A) Maintenance of the school's standards;

(B) Appointment of faculty to the medical school staff;

(C) Design of the curriculum;

(D) Supervision of students;

(E) Evaluation of student performance; and

(F) Provision of liability insurance.

(2) A foreign graduate medical school must notify its accrediting body within one year of any material changes in—

(ii) Include students and graduates who take more than one step/test of the USMLE examination for the first time in the same year in the denominator for each of those steps/tests;

(4)(i) If the calculation described in paragraph (f)(1)(ii) of this section would result in any step/test pass rate based on fewer than eight students, a single pass rate for the school is determined instead based on the performance of the school's students and graduates on Step 1, Step 2–CS, and Step 2–CK combined;

(ii) If combining the results on all three step/tests as permitted in paragraph (f)(4)(i) of this section would result in a pass rate based on fewer than eight step/test results, the school is deemed to have no pass rate for that year and the results for the year are combined with each subsequent year until a pass rate based on at least eight step/test results is derived.

(g) *Other criteria.* (1) As part of establishing, publishing, and applying reasonable satisfactory academic progress standards, a foreign graduate medical school must include as a quantitative component a maximum timeframe in which a student must complete his or her educational program that must—

(i) Be no longer than 150 percent of the published length of the educational program measured in academic years, terms, credit hours attempted, clock hours completed, etc., as appropriate; and

(2) No portion of the graduate medical educational program offered to U.S. students, other than the clinical training portion of the program, may be located outside of the country in

which the main campus of the foreign graduate medical school is located.

(3)(i) Except as provided in paragraph (h)(3)(ii) of this section, for any part of the clinical training portion of the educational program located in a foreign country other than the country in which the main campus is located or in the United States, in order for students attending the site to be eligible to borrow title IV, HEA program funds—

(A) The site must be located in an NCFMEA approved comparable foreign country;

(B) The institution's medical accrediting agency must have conducted an on-site evaluation and specifically approved the clinical training site; and

(C) Clinical instruction must be offered in conjunction with medical educational programs offered to students enrolled in accredited medical schools located in that approved foreign country.

(ii) A clinical training site located in a foreign country other than the country in which the main campus is located or in the United States is not required to meet the requirements of paragraph (h)(3)(i) of this section in order for students attending that site to be eligible to borrow title IV, HEA program funds if—

(A) The location is included in the accreditation of a medical program accredited by the Liaison Committee on Medical Education (LCME) or the American Osteopathic Association (AOA); or

Representative of the public means a person who is not—

(1) An employee, member of the governing board, owner, or shareholder of, or consultant to, an institution or program that either is accredited or preaccredited by the agency or has applied for accreditation or preaccreditation;

(2) A member of any trade association or membership organization related to, affiliated with, or associated with the agency; or

(3) A spouse, parent, child, or sibling of an individual identified in paragraph (1) or (2) of this definition.

Scope of recognition or *scope* means the range of accrediting activities for which the Secretary recognizes an agency. The Secretary may place a limitation on the scope of an agency's recognition for title IV, HEA purposes. The Secretary's designation of scope defines the recognition granted according to—

- (i) Types of degrees and certificates covered;
- (ii) Types of institutions and programs covered;
- (iii) Types of preaccreditation status covered, if any; and
- (iv) Coverage of accrediting activities related to distance education or correspondence courses.

Senior Department official means the official in the U.S. Department of Education designated by the Secretary who has, in the judgment of the Secretary, appropriate seniority and relevant subject matter knowledge to make independent decisions on accrediting agency recognition.

Substantial compliance means the agency demonstrated to the Department that it has the necessary policies, practices, and standards in place and generally adheres with fidelity to those policies, practices, and standards; or the agency has policies, practices, and standards in place that need minor modifications to reflect its generally compliant practice.

Subpart B—The Criteria for Recognition

BASIC ELIGIBILITY REQUIREMENTS

§ 602.10 Link to Federal programs.

The agency must demonstrate that—

(a) If the agency accredits institutions of higher education, its accreditation is a required element in enabling at least one of those institutions to establish eligibility to participate in HEA programs. If, pursuant to 34 CFR 600.11(b), an agency accredits one or more institutions that participate in HEA programs and that could designate the agency as its link to HEA programs, the agency satisfies this requirement, even if the institution currently designates another institutional accrediting agency as its Federal link; or

(b) If the agency accredits institutions of higher education or higher education programs, or both, its accreditation is a required element in enabling at least one of those entities to establish eligibility to participate in non-HEA Federal programs.

[64 FR 56617, Oct. 20, 1999, as amended at 85 FR 58918, Nov. 1, 2019]

§ 602.11 Geographic area of accrediting activities.

The agency must demonstrate that it conducts accrediting activities within—

(a) A State, if the agency is part of a State government;

(b) A region or group of States chosen by the agency in which an agency provides accreditation to a main campus, a branch campus, or an additional location of an institution. An agency whose geographic area includes a State in which a branch campus or additional location is located is not required to also accredit a main campus in that State. An agency whose geographic area includes a State in which only a branch campus or additional location is located is not required to accept an

34 CFR Ch. VI (7–1–20 Edition)

application for accreditation from other institutions in such State; or

(c) The United States.

(Authority: 20 U.S.C. 1099b)

[84 FR 58918, Nov. 1, 2019]

§ 602.12 Accrediting experience.

(a) An agency seeking initial recognition must demonstrate that it has—

(1) Granted accreditation or preaccreditation prior to submitting an application for recognition—

(i) To one or more institutions if it is requesting recognition as an institutional accrediting agency and to one or more programs if it is requesting recognition as a programmatic accrediting agency;

(ii) That covers the range of the specific degrees, certificates, institutions, and programs for which it seeks recognition; and

(iii) In the geographic area for which it seeks recognition; and

(2) Conducted accrediting activities, including deciding whether to grant or deny accreditation or preaccreditation, for at least two years prior to seeking recognition, unless the agency seeking initial recognition is affiliated with, or is a division of, an already recognized agency.

(b)(1) A recognized agency seeking an expansion of its scope of recognition must follow the requirements of §§ 602.31 and 602.32 and demonstrate that it has accreditation or preaccreditation policies in place that meet all the criteria for recognition covering the range of the specific degrees, certificates, institutions, and programs for which it seeks the expansion of scope and has engaged and can show support from relevant constituencies for the expansion. A change to an agency's geographic area of accrediting activities does not constitute an expansion of the agency's scope of recognition, but the agency must notify the Department of, and publicly disclose on the agency's website, any such change.

(2) An agency that cannot demonstrate experience in making accreditation or preaccreditation decisions under the expanded scope at the time of its application or review for an expansion of scope may—

(i) If it is an institutional accrediting agency, be limited in the number of institutions to which it may grant accreditation under the expanded scope for a designated period of time; or

(ii) If it is a programmatic accrediting agency, be limited in the number of programs to which it may grant accreditation under that expanded scope for a certain period of time; and

(iii) Be required to submit a monitoring report regarding accreditation decisions made under the expanded scope.

§ 602.13 [Reserved]

ORGANIZATIONAL AND ADMINISTRATIVE REQUIREMENTS

§ 602.14 Purpose and organization.

(a) The Secretary recognizes only the following four categories of accrediting agencies:

(1) A State agency that—

(i) Has as a principal purpose the accrediting of institutions of higher education, higher education programs, or both; and

(ii) Has been listed by the Secretary as a nationally recognized accrediting agency on or before October 1, 1991.

(2) An accrediting agency that—

(i) Has a voluntary membership of institutions of higher education;

(ii) Has as a principal purpose the accrediting of institutions of higher education and that accreditation is used to provide a link to Federal HEA programs in accordance with § 602.10; and

(iii) Satisfies the “separate and independent” requirements in paragraph (b) of this section.

(3) An accrediting agency that—

(i) Has a voluntary membership; and

(ii) Has as its principal purpose the accrediting of institutions of higher education or programs, and the accreditation it offers is used to provide a link to non-HEA Federal programs in accordance with § 602.10.

(4) An accrediting agency that, for purposes of determining eligibility for title IV, HEA programs—

(i)(A) Has a voluntary membership of individuals participating in a profession; or

(B) Has as its principal purpose the accrediting of programs within institutions that are accredited by another nationally recognized accrediting agency; and

(ii) Satisfies the “separate and independent” requirements in paragraph (b) of this section or obtains a waiver of those requirements under paragraph (d) of this section.

(b) For purposes of this section, “separate and independent” means that—

(1) The members of the agency’s decision-making body, who decide the accreditation or preaccreditation status of institutions or programs, establish the agency’s accreditation policies, or both, are not elected or selected by the board or chief executive officer of any related, associated, or affiliated trade association, professional organization, or membership organization and are not staff of the related, associated, or affiliated trade association, professional organization, or membership organization;

(2) At least one member of the agency’s decision-making body is a representative of the public, and at least one-seventh of the body consists of representatives of the public;

(3) The agency has established and implemented guidelines for each member of the decision-making body including guidelines on avoiding conflicts of interest in making decisions;

(4) The agency’s dues are paid separately from any dues paid to any related, associated, or affiliated trade association or membership organization; and

(5) The agency develops and determines its own budget, with no review by or consultation with any other entity or organization.

(c) The Secretary considers that any joint use of personnel, services, equipment, or facilities by an agency and a related, associated, or affiliated trade association or membership organization does not violate the “separate and independent” requirements in paragraph (b) of this section if—

(1) The agency pays the fair market value for its proportionate share of the joint use; and

§ 602.15

34 CFR Ch. VI (7–1–20 Edition)

(2) The joint use does not compromise the independence and confidentiality of the accreditation process.

(d) For purposes of paragraph (a)(4) of this section, the Secretary may waive the “separate and independent” requirements in paragraph (b) of this section if the agency demonstrates that—

(1) The Secretary listed the agency as a nationally recognized agency on or before October 1, 1991, and has recognized it continuously since that date;

(2) The related, associated, or affiliated trade association or membership organization plays no role in making or ratifying either the accrediting or policy decisions of the agency;

(3) The agency has sufficient budgetary and administrative autonomy to carry out its accrediting functions independently;

(4) The agency provides to the related, associated, or affiliated trade association or membership organization only information it makes available to the public.

(e) An agency seeking a waiver of the “separate and independent” requirements under paragraph (d) of this section must apply for the waiver each time the agency seeks recognition or continued recognition.

§ 602.15 Administrative and fiscal responsibilities.

The agency must have the administrative and fiscal capability to carry out its accreditation activities in light of its requested scope of recognition. The agency meets this requirement if the agency demonstrates that—

(a) The agency has—

(1) Adequate administrative staff and financial resources to carry out its accrediting responsibilities;

(2) Competent and knowledgeable individuals, qualified by education or experience in their own right and trained by the agency on their responsibilities, as appropriate for their roles, regarding the agency’s standards, policies, and procedures, to conduct its on-site evaluations, apply or establish its policies, and make its accrediting and preaccrediting decisions, including, if applicable to the agency’s scope, their

responsibilities regarding distance education and correspondence courses;

(3) Academic and administrative personnel on its evaluation, policy, and decision-making bodies, if the agency accredits institutions;

(4) Educators, practitioners, and/or employers on its evaluation, policy, and decision-making bodies, if the agency accredits programs or single-purpose institutions that prepare students for a specific profession;

(5) Representatives of the public, which may include students, on all decision-making bodies; and

(6) Clear and effective controls, including guidelines, to prevent or resolve conflicts of interest, or the appearance of conflicts of interest, by the agency’s—

(i) Board members;

(ii) Commissioners;

(iii) Evaluation team members;

(iv) Consultants;

(v) Administrative staff; and

(vi) Other agency representatives; and

(b) The agency maintains complete and accurate records of—

(1) Its last full accreditation or preaccreditation review of each institution or program, including on-site evaluation team reports, the institution’s or program’s responses to on-site reports, periodic review reports, any reports of special reviews conducted by the agency between regular reviews, and a copy of the institution’s or program’s most recent self-study; and

(2) All decision letters issued by the agency regarding the accreditation and preaccreditation of any institution or program and any substantive changes.

REQUIRED STANDARDS AND THEIR APPLICATION

§ 602.16 Accreditation and preaccreditation standards.

(a) The agency must demonstrate that it has standards for accreditation, and preaccreditation, if offered, that are sufficiently rigorous to ensure that the agency is a reliable authority regarding the quality of the education or training provided by the institutions or programs it accredits. The agency

meets this requirement if the following conditions are met:

(1) The agency's accreditation standards must set forth clear expectations for the institutions or programs it accredits in the following areas:

(i) Success with respect to student achievement in relation to the institution's mission, which may include different standards for different institutions or programs, as established by the institution, including, as appropriate, consideration of State licensing examinations, course completion, and job placement rates.

(ii) Curricula.

(iii) Faculty.

(iv) Facilities, equipment, and supplies.

(v) Fiscal and administrative capacity as appropriate to the specified scale of operations.

(vi) Student support services.

(vii) Recruiting and admissions practices, academic calendars, catalogs, publications, grading, and advertising.

(viii) Measures of program length and the objectives of the degrees or credentials offered.

(ix) Record of student complaints received by, or available to, the agency.

(x) Record of compliance with the institution's program responsibilities under title IV of the Act, based on the most recent student loan default rate data provided by the Secretary, the results of financial or compliance audits, program reviews, and any other information that the Secretary may provide to the agency; and

(2) The agency's preaccreditation standards, if offered, must—

(i) Be appropriately related to the agency's accreditation standards; and

(ii) Not permit the institution or program to hold preaccreditation status for more than five years before a final accrediting action is made.

(b) Agencies are not required to apply the standards described in paragraph (a)(1)(x) of this section to institutions that do not participate in title IV, HEA programs. Under such circumstance, the agency's grant of accreditation or preaccreditation must specify that the grant, by request of the institution, does not include participation by the institution in title IV, HEA programs.

(c) If the agency only accredits programs and does not serve as an institutional accrediting agency for any of those programs, its accreditation standards must address the areas in paragraph (a)(1) of this section in terms of the type and level of the program rather than in terms of the institution.

(d)(1) If the agency has or seeks to include within its scope of recognition the evaluation of the quality of institutions or programs offering distance education, correspondence courses, or direct assessment education, the agency's standards must effectively address the quality of an institution's distance education, correspondence courses, or direct assessment education in the areas identified in paragraph (a)(1) of this section.

(2) The agency is not required to have separate standards, procedures, or policies for the evaluation of distance education or correspondence courses.

(e) If none of the institutions an agency accredits participates in any title IV, HEA program, or if the agency only accredits programs within institutions that are accredited by a nationally recognized institutional accrediting agency, the agency is not required to have the accreditation standards described in paragraphs (a)(1)(viii) and (a)(1)(x) of this section.

(f) An agency that has established and applies the standards in paragraph (a) of this section may establish any additional accreditation standards it deems appropriate.

(g) Nothing in paragraph (a) of this section restricts—

(1) An accrediting agency from setting, with the involvement of its members, and applying accreditation standards for or to institutions or programs that seek review by the agency;

(2) An institution from developing and using institutional standards to show its success with respect to student achievement, which achievement may be considered as part of any accreditation review; or

(3) Agencies from having separate standards regarding an institution's or a program's process for approving curriculum to enable programs to more effectively meet the recommendations of—

§ 602.17

34 CFR Ch. VI (7–1–20 Edition)

- (i) Industry advisory boards that include employers who hire program graduates;
 - (ii) Widely recognized industry standards and organizations;
 - (iii) Credentialing or other occupational registration or licensure; or
 - (iv) Employers in a given field or occupation, in making hiring decisions.
- (4) Agencies from having separate faculty standards for instructors teaching courses within a dual or concurrent enrollment program, as defined in 20 U.S.C. 7801, or career and technical education courses, as long as the instructors, in the agency's judgment, are qualified by education or work experience for that role.

[84 FR 58919, Nov. 1, 2019]

§ 602.17 Application of standards in reaching accreditation decisions.

The agency must have effective mechanisms for evaluating an institution's or program's compliance with the agency's standards before reaching a decision to accredit or preaccredit the institution or program. The agency meets this requirement if the agency demonstrates that it—

- (a) Evaluates whether an institution or program—
 - (1) Maintains clearly specified educational objectives that are consistent with its mission and appropriate in light of the degrees or certificates awarded;
 - (2) Is successful in achieving its stated objectives at both the institutional and program levels; and
 - (3) Maintains requirements that at least conform to commonly accepted academic standards, or the equivalent, including pilot programs in § 602.18(b);
- (b) Requires the institution or program to engage in a self-study process that assesses the institution's or program's education quality and success in meeting its mission and objectives, highlights opportunities for improvement, and includes a plan for making those improvements;
- (c) Conducts at least one on-site review of the institution or program during which it obtains sufficient information to determine if the institution or program complies with the agency's standards;

(d) Allows the institution or program the opportunity to respond in writing to the report of the on-site review;

(e) Conducts its own analysis of the self-study and supporting documentation furnished by the institution or program, the report of the on-site review, the institution's or program's response to the report, and any other information substantiated by the agency from other sources to determine whether the institution or program complies with the agency's standards;

(f) Provides the institution or program with a detailed written report that assesses the institution's or program's compliance with the agency's standards, including areas needing improvement, and the institution's or program's performance with respect to student achievement;

(g) Requires institutions to have processes in place through which the institution establishes that a student who registers in any course offered via distance education or correspondence is the same student who academically engages in the course or program; and

(h) Makes clear in writing that institutions must use processes that protect student privacy and notify students of any projected additional student charges associated with the verification of student identity at the time of registration or enrollment.

(Authority: 20 U.S.C. 1099b)

[84 FR 58920, Nov. 1, 2019]

§ 602.18 Ensuring consistency in decision-making.

(a) The agency must consistently apply and enforce standards that respect the stated mission of the institution, including religious mission, and that ensure that the education or training offered by an institution or program, including any offered through distance education, correspondence courses, or direct assessment education is of sufficient quality to achieve its stated objective for the duration of any accreditation or preaccreditation period.

(b) The agency meets the requirement in paragraph (a) of this section if the agency—

- (1) Has written specification of the requirements for accreditation and

preaccreditation that include clear standards for an institution or program to be accredited or preaccredited;

(2) Has effective controls against the inconsistent application of the agency's standards;

(3) Bases decisions regarding accreditation and preaccreditation on the agency's published standards and does not use as a negative factor the institution's religious mission-based policies, decisions, and practices in the areas covered by § 602.16(a)(1)(ii), (iii), (iv), (vi), and (vii) provided, however, that the agency may require that the institution's or program's curricula include all core components required by the agency;

(4) Has a reasonable basis for determining that the information the agency relies on for making accrediting decisions is accurate;

(5) Provides the institution or program with a detailed written report that clearly identifies any deficiencies in the institution's or program's compliance with the agency's standards; and

(6) Publishes any policies for retroactive application of an accreditation decision, which must not provide for an effective date that predates either—

(i) An earlier denial by the agency of accreditation or preaccreditation to the institution or program; or

(ii) The agency's formal approval of the institution or program for consideration in the agency's accreditation or preaccreditation process.

(c) Nothing in this part prohibits an agency, when special circumstances exist, to include innovative program delivery approaches or, when an undue hardship on students occurs, from applying equivalent written standards, policies, and procedures that provide alternative means of satisfying one or more of the requirements set forth in 34 CFR 602.16, 602.17, 602.19, 602.20, 602.22, and 602.24, as compared with written standards, policies, and procedures the agency ordinarily applies, if—

(1) The alternative standards, policies, and procedures, and the selection of institutions or programs to which they will be applied, are approved by the agency's decision-making body and

otherwise meet the intent of the agency's expectations and requirements;

(2) The agency sets and applies equivalent goals and metrics for assessing the performance of institutions or programs;

(3) The agency's process for establishing and applying the alternative standards, policies, and procedures is set forth in its published accreditation manuals; and

(4) The agency requires institutions or programs seeking the application of alternative standards to demonstrate the need for an alternative assessment approach, that students will receive equivalent benefit, and that students will not be harmed through such application.

(d) Nothing in this part prohibits an agency from permitting the institution or program to be out of compliance with one or more of its standards, policies, and procedures adopted in satisfaction of §§ 602.16, 602.17, 602.19, 602.20, 602.22, and 602.24 for a period of time, as determined by the agency annually, not to exceed three years unless the agency determines there is good cause to extend the period of time, and if—

(1) The agency and the institution or program can show that the circumstances requiring the period of noncompliance are beyond the institution's or program's control, such as—

(i) A natural disaster or other catastrophic event significantly impacting an institution's or program's operations;

(ii) Accepting students from another institution that is implementing a teach-out or closing;

(iii) Significant and documented local or national economic changes, such as an economic recession or closure of a large local employer;

(iv) Changes relating to State licensure requirements;

(v) The normal application of the agency's standards creates an undue hardship on students; or

(vi) Instructors who do not meet the agency's typical faculty standards, but who are otherwise qualified by education or work experience, to teach courses within a dual or concurrent enrollment program, as defined in 20 U.S.C. 7801, or career and technical education courses;

§ 602.19

(2) The grant of the period of non-compliance is approved by the agency's decision-making body;

(3) The agency projects that the institution or program has the resources necessary to achieve compliance with the standard, policy, or procedure postponed within the time allotted; and

(4) The institution or program demonstrates to the satisfaction of the agency that the period of noncompliance will not—

(i) Contribute to the cost of the program to the student without the student's consent;

(ii) Create any undue hardship on, or harm to, students; or

(iii) Compromise the program's academic quality.

§ 602.19 Monitoring and reevaluation of accredited institutions and programs.

(a) The agency must reevaluate, at regularly established intervals, the institutions or programs it has accredited or preaccredited.

(b) The agency must demonstrate it has, and effectively applies, monitoring and evaluation approaches that enable the agency to identify problems with an institution's or program's continued compliance with agency standards and that take into account institutional or program strengths and stability. These approaches must include periodic reports, and collection and analysis of key data and indicators, identified by the agency, including, but not limited to, fiscal information and measures of student achievement, consistent with the provisions of § 602.16(g). This provision does not require institutions or programs to provide annual reports on each specific accreditation criterion.

(c) Each agency must monitor overall growth of the institutions or programs it accredits and, at least annually, collect head-count enrollment data from those institutions or programs.

(d) Institutional accrediting agencies must monitor the growth of programs at institutions experiencing significant enrollment growth, as reasonably defined by the agency.

(e) Any agency that has notified the Secretary of a change in its scope in

34 CFR Ch. VI (7–1–20 Edition)

accordance with § 602.27(a) must monitor the headcount enrollment of each institution it has accredited that offers distance education or correspondence courses. The Secretary will require a review, at the next meeting of the National Advisory Committee on Institutional Quality and Integrity, of any change in scope undertaken by an agency if the enrollment of an institution that offers distance education or correspondence courses that is accredited by such agency increases by 50 percent or more within any one institutional fiscal year. If any such institution has experienced an increase in head-count enrollment of 50 percent or more within one institutional fiscal year, the agency must report that information to the Secretary within 30 days of acquiring such data.

[84 FR 58921, Nov. 1, 2019]

§ 602.20 Enforcement of standards.

(a) If the agency's review of an institution or program under any standard indicates that the institution or program is not in compliance with that standard, the agency must—

(1) Follow its written policy for notifying the institution or program of the finding of noncompliance;

(2) Provide the institution or program with a written timeline for coming into compliance that is reasonable, as determined by the agency's decision-making body, based on the nature of the finding, the stated mission, and educational objectives of the institution or program. The timeline may include intermediate checkpoints on the way to full compliance and must not exceed the lesser of four years or 150 percent of the—

(i) Length of the program in the case of a programmatic accrediting agency; or

(ii) Length of the longest program at the institution in the case of an institutional accrediting agency;

(3) Follow its written policies and procedures for granting a good cause extension that may exceed the standard timeframe described in paragraph (a)(2) of this section when such an extension is determined by the agency to be warranted; and

(4) Have a written policy to evaluate and approve or disapprove monitoring or compliance reports it requires, provide ongoing monitoring, if warranted, and evaluate an institution's or program's progress in resolving the finding of noncompliance.

(b) Notwithstanding paragraph (a) of this section, the agency must have a policy for taking an immediate adverse action, and take such action, when the agency has determined that such action is warranted.

(c) If the institution or program does not bring itself into compliance within the period specified in paragraph (a) of this section, the agency must take adverse action against the institution or program, but may maintain the institution's or program's accreditation or preaccreditation until the institution or program has had reasonable time to complete the activities in its teach-out plan or to fulfill the obligations of any teach-out agreement to assist students in transferring or completing their programs.

(d) An agency that accredits institutions may limit the adverse or other action to particular programs that are offered by the institution or to particular additional locations of an institution, without necessarily taking action against the entire institution and all of its programs, provided the noncompliance was limited to that particular program or location.

(e) All adverse actions taken under this subpart are subject to the arbitration requirements in 20 U.S.C. 1099b(e).

(f) An agency is not responsible for enforcing requirements in 34 CFR 668.14, 668.15, 668.16, 668.41, or 668.46, but if, in the course of an agency's work, it identifies instances or potential instances of noncompliance with any of these requirements, it must notify the Department.

(g) The Secretary may not require an agency to take action against an institution or program that does not participate in any title IV, HEA or other Federal program as a result of a requirement specified in this part.

§ 602.21 Review of standards.

(a) The agency must maintain a comprehensive systematic program of review that involves all relevant constituencies and that demonstrates that its standards are adequate to evaluate the quality of the education or training provided by the institutions and programs it accredits and relevant to the educational or training needs of students.

(b) The agency determines the specific procedures it follows in evaluating its standards, but the agency must ensure that its program of review—

- (1) Is comprehensive;
- (2) Occurs at regular, yet reasonable, intervals or on an ongoing basis;
- (3) Examines each of the agency's standards and the standards as a whole; and
- (4) Involves all of the agency's relevant constituencies in the review and affords them a meaningful opportunity to provide input into the review.

(c) If the agency determines, at any point during its systematic program of review, that it needs to make changes to its standards, the agency must initiate action within 12 months to make the changes and must complete that action within a reasonable period of time.

(d) Before finalizing any changes to its standards, the agency must—

- (1) Provide notice to all of the agency's relevant constituencies, and other parties who have made their interest known to the agency, of the changes the agency proposes to make;
- (2) Give the constituencies and other interested parties adequate opportunity to comment on the proposed changes; and
- (3) Take into account and be responsive to any comments on the proposed changes submitted timely by the relevant constituencies and other interested parties.

REQUIRED OPERATING POLICIES AND
PROCEDURES

**§ 602.22 Substantive changes and
other reporting requirements.**

(a)(1) If the agency accredits institutions, it must maintain adequate substantive change policies that ensure that any substantive change, as defined in this section, after the agency has accredited or preaccredited the institution does not adversely affect the capacity of the institution to continue to meet the agency's standards. The agency meets this requirement if—

(i) The agency requires the institution to obtain the agency's approval of the substantive change before the agency includes the change in the scope of accreditation or preaccreditation it previously granted to the institution; and

(ii) The agency's definition of substantive change covers high-impact, high-risk changes, including at least the following:

(A) Any substantial change in the established mission or objectives of the institution or its programs.

(B) Any change in the legal status, form of control, or ownership of the institution.

(C) The addition of programs that represent a significant departure from the existing offerings or educational programs, or method of delivery, from those that were offered or used when the agency last evaluated the institution.

(D) The addition of graduate programs by an institution that previously offered only undergraduate programs or certificates.

(E) A change in the way an institution measures student progress, including whether the institution measures progress in clock hours or credit-hours, semesters, trimesters, or quarters, or uses time-based or non-time-based methods.

(F) A substantial increase in the number of clock hours or credit hours awarded, or an increase in the level of credential awarded, for successful completion of one or more programs.

(G) The acquisition of any other institution or any program or location of another institution.

(H) The addition of a permanent location at a site at which the institution is conducting a teach-out for students of another institution that has ceased operating before all students have completed their program of study.

(I) The addition of a new location or branch campus, except as provided in paragraph (c) of this section. The agency's review must include assessment of the institution's fiscal and administrative capability to operate the location or branch campus, the regular evaluation of locations, and verification of the following:

(1) Academic control is clearly identified by the institution.

(2) The institution has adequate faculty, facilities, resources, and academic and student support systems in place.

(3) The institution is financially stable.

(4) The institution had engaged in long-range planning for expansion.

(J) Entering into a written arrangement under 34 CFR 668.5 under which an institution or organization not certified to participate in the title IV, HEA programs offers more than 25 and up to 50 percent of one or more of the accredited institution's educational programs.

(K) Addition of each direct assessment program.

(2)(i) For substantive changes under only paragraph (a)(1)(ii)(C), (E), (F), (H), or (J) of this section, the agency's decision-making body may designate agency senior staff to approve or disapprove the request in a timely, fair, and equitable manner; and

(ii) In the case of a request under paragraph (a)(1)(ii)(J) of this section, the agency must make a final decision within 90 days of receipt of a materially complete request, unless the agency or its staff determine significant circumstances related to the substantive change require a review by the agency's decision-making body to occur within 180 days.

(b) Institutions that have been placed on probation or equivalent status, have been subject to negative action by the agency over the prior three academic years, or are under a provisional certification, as provided in 34 CFR 668.13,

must receive prior approval for the following additional changes (all other institutions must report these changes within 30 days to their accrediting agency):

(1) A change in an existing program's method of delivery.

(2) An aggregate change of 25 percent or more of the clock hours, credit hours, or content of a program since the agency's most recent accreditation review.

(3) The development of customized pathways or abbreviated or modified courses or programs to—

(i) Accommodate and recognize a student's existing knowledge, such as knowledge attained through employment or military service; and

(ii) Close competency gaps between demonstrated prior knowledge or competency and the full requirements of a particular course or program.

(4) Entering into a written arrangement under 34 CFR 668.5 under which an institution or organization not certified to participate in the title IV, HEA programs offers up to 25 percent of one or more of the accredited institution's educational programs.

(c) Institutions that have successfully completed at least one cycle of accreditation and have received agency approval for the addition of at least two additional locations as provided in paragraph (a)(1)(ii)(I) of this section, and that have not been placed on probation or equivalent status or been subject to a negative action by the agency over the prior three academic years, and that are not under a provisional certification, as provided in 34 CFR 668.13, need not apply for agency approval of subsequent additions of locations, and must report these changes to the accrediting agency within 30 days, if the institution has met criteria established by the agency indicating sufficient capacity to add additional locations without individual prior approvals, including, at a minimum, satisfactory evidence of a system to ensure quality across a distributed enterprise that includes—

(1) Clearly identified academic control;

(2) Regular evaluation of the locations;

(3) Adequate faculty, facilities, resources, and academic and student support systems;

(4) Financial stability; and

(5) Long-range planning for expansion.

(d) The agency must have an effective mechanism for conducting, at reasonable intervals, visits to a representative sample of additional locations approved under paragraphs (a)(1)(ii)(H) and (I) of this section.

(e) The agency may determine the procedures it uses to grant prior approval of the substantive change. However, these procedures must specify an effective date, on which the change is included in the program's or institution's grant of accreditation or preaccreditation. The date of prior approval must not pre-date either an earlier agency denial of the substantive change, or the agency's formal acceptance of the application for the substantive change for inclusion in the program's or institution's grant of accreditation or preaccreditation. An agency may designate the date of a change in ownership as the effective date of its approval of that substantive change if the accreditation decision is made within 30 days of the change in ownership. Except as provided in paragraphs (d) and (f) of this section, an agency may require a visit before granting such an approval.

(f) Except as provided in paragraph (c) of this section, if the agency's accreditation of an institution enables the institution to seek eligibility to participate in title IV, HEA programs, the agency's procedures for the approval of an additional location that is not a branch campus where at least 50 percent of an educational program is offered must include—

(1) A visit, within six months, to each additional location the institution establishes, if the institution—

(i) Has a total of three or fewer additional locations;

(ii) Has not demonstrated, to the agency's satisfaction, that the additional location is meeting all of the agency's standards that apply to that additional location; or

(iii) Has been placed on warning, probation, or show cause by the agency or is subject to some limitation by the

agency on its accreditation or preaccreditation status;

(2) A mechanism for conducting, at reasonable intervals, visits to a representative sample of additional locations of institutions that operate more than three additional locations; and

(3) A mechanism, which may, at the agency's discretion, include visits to additional locations, for ensuring that accredited and preaccredited institutions that experience rapid growth in the number of additional locations maintain education quality.

(g) The purpose of the visits described in paragraph (f) of this section is to verify that the additional location has the personnel, facilities, and resources the institution claimed it had in its application to the agency for approval of the additional location.

(h) The agency's substantive change policy must define when the changes made or proposed by an institution are or would be sufficiently extensive to require the agency to conduct a new comprehensive evaluation of that institution.

§ 602.23 Operating procedures all agencies must have.

(a) The agency must maintain and make available to the public written materials describing—

(1) Each type of accreditation and preaccreditation it grants;

(2) The procedures that institutions or programs must follow in applying for accreditation, preaccreditation, or substantive changes and the sequencing of those steps relative to any applications or decisions required by States or the Department relative to the agency's preaccreditation, accreditation, or substantive change decisions;

(3) The standards and procedures it uses to determine whether to grant, reaffirm, reinstate, restrict, deny, revoke, terminate, or take any other action related to each type of accreditation and preaccreditation that the agency grants;

(4) The institutions and programs that the agency currently accredits or preaccredits and, for each institution and program, the year the agency will

next review or reconsider it for accreditation or preaccreditation; and

(5) A list of the names, academic and professional qualifications, and relevant employment and organizational affiliations of—

(i) The members of the agency's policy and decision-making bodies; and

(ii) The agency's principal administrative staff.

(b) In providing public notice that an institution or program subject to its jurisdiction is being considered for accreditation or preaccreditation, the agency must provide an opportunity for third-party comment concerning the institution's or program's qualifications for accreditation or preaccreditation. At the agency's discretion, third-party comment may be received either in writing or at a public hearing, or both.

(c) The accrediting agency must—

(1) Review in a timely, fair, and equitable manner any complaint it receives against an accredited institution or program that is related to the agency's standards or procedures. The agency may not complete its review and make a decision regarding a complaint unless, in accordance with published procedures, it ensures that the institution or program has sufficient opportunity to provide a response to the complaint;

(2) Take follow-up action, as necessary, including enforcement action, if necessary, based on the results of its review; and

(3) Review in a timely, fair, and equitable manner, and apply unbiased judgment to, any complaints against itself and take follow-up action, as appropriate, based on the results of its review.

(d) If an institution or program elects to make a public disclosure of its accreditation or preaccreditation status, the agency must ensure that the institution or program discloses that status accurately, including the specific academic or instructional programs covered by that status and the name and contact information for the agency.

(e) The accrediting agency must provide for the public correction of incorrect or misleading information an accredited or preaccredited institution or program releases about—

(1) The accreditation or preaccreditation status of the institution or program;

(2) The contents of reports of on-site reviews; and

(3) The agency's accrediting or preaccrediting actions with respect to the institution or program.

(f)(1) If preaccreditation is offered—

(i) The agency's preaccreditation policies must limit the status to institutions or programs that the agency has determined are likely to succeed in obtaining accreditation;

(ii) The agency must require all preaccredited institutions to have a teach-out plan, which must ensure students completing the teach-out would meet curricular requirements for professional licensure or certification, if any, and which must include a list of academic programs offered by the institution and the names of other institutions that offer similar programs and that could potentially enter into a teach-out agreement with the institution;

(iii) An agency that denies accreditation to an institution it has preaccredited may maintain the institution's preaccreditation for currently enrolled students until the institution has had a reasonable time to complete the activities in its teach-out plan to assist students in transferring or completing their programs, but for no more than 120 days unless approved by the agency for good cause; and

(iv) The agency may not move an accredited institution or program from accredited to preaccredited status unless, following the loss of accreditation, the institution or program applies for initial accreditation and is awarded preaccreditation status under the new application. Institutions that participated in the title IV, HEA programs before the loss of accreditation are subject to the requirements of 34 CFR 600.11(c).

(2) All credits and degrees earned and issued by an institution or program holding preaccreditation from a nationally recognized agency are considered by the Secretary to be from an accredited institution or program.

(g) The agency may establish any additional operating procedures it deems appropriate. At the agency's discre-

tion, these may include unannounced inspections.

§ 602.24 Additional procedures certain institutional agencies must have.

If the agency is an institutional accrediting agency and its accreditation or preaccreditation enables those institutions to obtain eligibility to participate in title IV, HEA programs, the agency must demonstrate that it has established and uses all of the following procedures:

(a) *Branch campus.* The agency must require the institution to notify the agency if it plans to establish a branch campus and to submit a business plan for the branch campus that describes—

(1) The educational program to be offered at the branch campus; and

(2) The projected revenues and expenditures and cash flow at the branch campus.

(b) *Site visits.* The agency must undertake a site visit to a new branch campus or following a change of ownership or control as soon as practicable, but no later than six months, after the establishment of that campus or the change of ownership or control.

(c) *Teach-out plans and agreements.* (1) The agency must require an institution it accredits to submit a teach-out plan as defined in 34 CFR 600.2 to the agency for approval upon the occurrence of any of the following events:

(i) For a nonprofit or proprietary institution, the Secretary notifies the agency of a determination by the institution's independent auditor expressing doubt about the institution's ability to operate as a going concern or indicating an adverse opinion or a finding of material weakness related to financial stability.

(ii) The agency acts to place the institution on probation or equivalent status.

(iii) The Secretary notifies the agency that the institution is participating in title IV, HEA programs under a provisional program participation agreement and the Secretary has required a

teach-out plan as a condition of participation.

(2) The agency must require an institution it accredits or preaccredits to submit a teach-out plan and, if practicable, teach-out agreements (as defined in 34 CFR 600.2) to the agency for approval upon the occurrence of any of the following events:

(i) The Secretary notifies the agency that it has placed the institution on the reimbursement payment method under 34 CFR 668.162(c) or the heightened cash monitoring payment method requiring the Secretary's review of the institution's supporting documentation under 34 CFR 668.162(d)(2).

(ii) The Secretary notifies the agency that the Secretary has initiated an emergency action against an institution, in accordance with section 487(c)(1)(G) of the HEA, or an action to limit, suspend, or terminate an institution participating in any title IV, HEA program, in accordance with section 487(c)(1)(F) of the HEA.

(iii) The agency acts to withdraw, terminate, or suspend the accreditation or preaccreditation of the institution.

(iv) The institution notifies the agency that it intends to cease operations entirely or close a location that provides one hundred percent of at least one program, including if the location is being moved and is considered by the Secretary to be a closed school.

(v) A State licensing or authorizing agency notifies the agency that an institution's license or legal authorization to provide an educational program has been or will be revoked.

(3) The agency must evaluate the teach-out plan to ensure it includes a list of currently enrolled students, academic programs offered by the institution, and the names of other institutions that offer similar programs and that could potentially enter into a teach-out agreement with the institution.

(4) If the agency approves a teach-out plan that includes a program or institution that is accredited by another recognized accrediting agency, it must notify that accrediting agency of its approval.

(5) The agency may require an institution it accredits or preaccredits to

enter into a teach-out agreement as part of its teach-out plan.

(6) The agency must require a closing institution to include in its teach-out agreement—

(i) A complete list of students currently enrolled in each program at the institution and the program requirements each student has completed;

(ii) A plan to provide all potentially eligible students with information about how to obtain a closed school discharge and, if applicable, information on State refund policies;

(iii) A record retention plan to be provided to all enrolled students that delineates the final disposition of teach-out records (*e.g.*, student transcripts, billing, financial aid records);

(iv) Information on the number and types of credits the teach-out institution is willing to accept prior to the student's enrollment; and

(v) A clear statement to students of the tuition and fees of the educational program and the number and types of credits that will be accepted by the teach-out institution.

(7) The agency must require an institution it accredits or preaccredits that enters into a teach-out agreement, either on its own or at the request of the agency, to submit that teach-out agreement for approval. The agency may approve the teach-out agreement only if the agreement meets the requirements of 34 CFR 600.2 and this section, is consistent with applicable standards and regulations, and provides for the equitable treatment of students being served by ensuring that the teach-out institution—

(i) Has the necessary experience, resources, and support services to provide an educational program that is of acceptable quality and reasonably similar in content, delivery modality, and scheduling to that provided by the institution that is ceasing operations either entirely or at one of its locations; however, while an option via an alternate method of delivery may be made available to students, such an option is not sufficient unless an option via the same method of delivery as the original educational program is also provided;

(ii) Has the capacity to carry out its mission and meet all obligations to existing students; and

(iii) Demonstrates that it—

(A) Can provide students access to the program and services without requiring them to move or travel for substantial distances or durations; and

(B) Will provide students with information about additional charges, if any.

(8) Irrespective of any teach-out plan or signed teach-out agreement, the agency must not permit an institution to serve as a teach-out institution under the following conditions:

(i) The institution is subject to the conditions in paragraph (c)(1) or (2) of this section.

(ii) The institution is under investigation, subject to an action, or being prosecuted for an issue related to academic quality, misrepresentation, fraud, or other severe matters by a law enforcement agency.

(9) The agency is permitted to waive requirements regarding the percentage of credits that must be earned by a student at the institution awarding the educational credential if the student is completing his or her program through a written teach-out agreement or transfer.

(10) The agency must require the institution to provide copies of all notifications from the institution related to the institution's closure or to teach-out options to ensure the information accurately represents students' ability to transfer credits and may require corrections.

(d) *Closed institution.* If an institution the agency accredits or preaccredits closes without a teach-out plan or agreement, the agency must work with the Department and the appropriate State agency, to the extent feasible, to assist students in finding reasonable opportunities to complete their education without additional charges.

(e) *Transfer of credit policies.* The accrediting agency must confirm, as part of its review for initial accreditation or preaccreditation, or renewal of accreditation, that the institution has transfer of credit policies that—

(1) Are publicly disclosed in accordance with § 668.43(a)(11); and

(2) Include a statement of the criteria established by the institution regarding the transfer of credit earned at another institution of higher education.

(f) *Agency designations.* In its accrediting practice, the agency must—

(1) Adopt and apply the definitions of “branch campus” and “additional location” in 34 CFR 600.2;

(2) On the Secretary's request, conform its designations of an institution's branch campuses and additional locations with the Secretary's if it learns its designations diverge; and

(3) Ensure that it does not accredit or preaccredit an institution comprising fewer than all of the programs, branch campuses, and locations of an institution as certified for title IV participation by the Secretary, except with notice to and permission from the Secretary.

§ 602.25 Due process.

The agency must demonstrate that the procedures it uses throughout the accrediting process satisfy due process. The agency meets this requirement if the agency does the following:

(a) Provides adequate written specification of its requirements, including clear standards, for an institution or program to be accredited or preaccredited.

(b) Uses procedures that afford an institution or program a reasonable period of time to comply with the agency's requests for information and documents.

(c) Provides written specification of any deficiencies identified at the institution or program examined.

(d) Provides sufficient opportunity for a written response by an institution or program regarding any deficiencies identified by the agency, to be considered by the agency within a timeframe determined by the agency, and before any adverse action is taken.

(e) Notifies the institution or program in writing of any adverse accrediting action or an action to place the institution or program on probation or show cause. The notice describes the basis for the action.

(f) Provides an opportunity, upon written request of an institution or program, for the institution or program to appeal any adverse action prior to the action becoming final.

(1) The appeal must take place at a hearing before an appeals panel that—

(i) May not include current members of the agency’s decision-making body that took the initial adverse action;

(ii) Is subject to a conflict of interest policy;

(iii) Does not serve only an advisory or procedural role, and has and uses the authority to make the following decisions: To affirm, amend, or remand adverse actions of the original decision-making body; and

(iv) Affirms, amends, or remands the adverse action. A decision to affirm or amend the adverse action is implemented by the appeals panel or by the original decision-making body, at the agency’s option; however, in the event of a decision by the appeals panel to remand the adverse action to the original decision-making body for further consideration, the appeals panel must explain the basis for a decision that differs from that of the original decision-making body and the original decision-making body in a remand must act in a manner consistent with the appeals panel’s decisions or instructions.

(2) The agency must recognize the right of the institution or program to employ counsel to represent the institution or program during its appeal, including to make any presentation that the agency permits the institution or program to make on its own during the appeal.

(g) The agency notifies the institution or program in writing of the result of its appeal and the basis for that result.

(h)(1) The agency must provide for a process, in accordance with written procedures, through which an institution or program may, before the agency reaches a final adverse action decision, seek review of new financial information if all of the following conditions are met:

(i) The financial information was unavailable to the institution or program until after the decision subject to appeal was made.

(ii) The financial information is significant and bears materially on the financial deficiencies identified by the agency. The criteria of significance and materiality are determined by the agency.

(iii) The only remaining deficiency cited by the agency in support of a final adverse action decision is the institution’s or program’s failure to meet an agency standard pertaining to finances.

(2) An institution or program may seek the review of new financial information described in paragraph (h)(1) of this section only once and any determination by the agency made with respect to that review does not provide a basis for an appeal.

§ 602.26 Notification of accrediting decisions.

The agency must demonstrate that it has established and follows written procedures requiring it to provide written notice of its accrediting decisions to the Secretary, the appropriate State licensing or authorizing agency, the appropriate accrediting agencies, and the public. The agency meets this requirement if the agency, following its written procedures—

(a) Provides written notice of the following types of decisions to the Secretary, the appropriate State licensing or authorizing agency, the appropriate accrediting agencies, and the public no later than 30 days after it makes the decision:

(1) A decision to award initial accreditation or preaccreditation to an institution or program.

(2) A decision to renew an institution’s or program’s accreditation or preaccreditation;

(b) Provides written notice of a final decision of a probation or equivalent status or an initiated adverse action to the Secretary, the appropriate State licensing or authorizing agency, and the appropriate accrediting agencies at the same time it notifies the institution or program of the decision and requires the institution or program to disclose such an action within seven business

days of receipt to all current and prospective students;

(c) Provides written notice of the following types of decisions to the Secretary, the appropriate State licensing or authorizing agency, and the appropriate accrediting agencies at the same time it notifies the institution or program of the decision, but no later than 30 days after it reaches the decision:

(1) A final decision to deny, withdraw, suspend, revoke, or terminate the accreditation or preaccreditation of an institution or program.

(2) A final decision to take any other adverse action, as defined by the agency, not listed in paragraph (c)(1) of this section;

(d) Provides written notice to the public of the decisions listed in paragraphs (b) and (c) of this section within one business day of its notice to the institution or program;

(e) For any decision listed in paragraph (c) of this section, requires the institution or program to disclose the decision to current and prospective students within seven business days of receipt and makes available to the Secretary, the appropriate State licensing or authorizing agency, and the public, no later than 60 days after the decision, a brief statement summarizing the reasons for the agency's decision and the official comments that the affected institution or program may wish to make with regard to that decision, or evidence that the affected institution has been offered the opportunity to provide official comment;

(f) Notifies the Secretary, the appropriate State licensing or authorizing agency, the appropriate accrediting agencies, and, upon request, the public if an accredited or preaccredited institution or program—

(1) Decides to withdraw voluntarily from accreditation or preaccreditation, within 10 business days of receiving notification from the institution or program that it is withdrawing voluntarily from accreditation or preaccreditation; or

(2) Lets its accreditation or preaccreditation lapse, within 10 busi-

ness days of the date on which accreditation or preaccreditation lapses.

§ 602.27 Other information an agency must provide the Department.

(a) The agency must submit to the Department—

(1) A list, updated annually, of its accredited and preaccredited institutions and programs, which may be provided electronically;

(2) A summary of the agency's major accrediting activities during the previous year (an annual data summary), if requested by the Secretary to carry out the Secretary's responsibilities related to this part;

(i) Scope of recognition, except as provided in paragraph (a)(4) of this section; or

(ii) Compliance with the criteria for recognition;

(4) Notification that the agency has expanded its scope of recognition to include distance education or correspondence courses as provided in section 496(a)(4)(B)(i)(I) of the HEA. Such an expansion of scope is effective on the date the Department receives the notification;

(b) If an agency has a policy regarding notification to an institution or program of contact with the Department in accordance with paragraph

§ 602.28

(a)(5) or (6) of this section, it must provide for a case-by-case review of the circumstances surrounding the contact, and the need for the confidentiality of that contact. When the Department determines a compelling need for confidentiality, the agency must consider that contact confidential upon specific request of the Department.

§ 602.28 Regard for decisions of States and other accrediting agencies.

(a) If the agency is an institutional accrediting agency, it may not accredit or preaccredit institutions that lack legal authorization under applicable State law to provide a program of education beyond the secondary level.

(b) Except as provided in paragraph (c) of this section, the agency may not grant initial or renewed accreditation or preaccreditation to an institution, or a program offered by an institution, if the agency knows, or has reasonable cause to know, that the institution is the subject of—

(1) A pending or final action brought by a State agency to suspend, revoke, withdraw, or terminate the institution's legal authority to provide post-secondary education in the State;

(2) A decision by a recognized agency to deny accreditation or preaccreditation;

(3) A pending or final action brought by a recognized accrediting agency to suspend, revoke, withdraw, or terminate the institution's accreditation or preaccreditation; or

(4) Probation or an equivalent status imposed by a recognized agency.

(c) The agency may grant accreditation or preaccreditation to an institution or program described in paragraph (b) of this section only if it provides to the Secretary, within 30 days of its action, a thorough and reasonable explanation, consistent with its standards, why the action of the other body does not preclude the agency's grant of accreditation or preaccreditation.

(d) If the agency learns that an institution it accredits or preaccredits, or an institution that offers a program it accredits or preaccredits, is the subject of an adverse action by another recognized accrediting agency or has been

34 CFR Ch. VI (7–1–20 Edition)

placed on probation or an equivalent status by another recognized agency, the agency must promptly review its accreditation or preaccreditation of the institution or program to determine if it should also take adverse action or place the institution or program on probation or show cause.

(e) The agency must, upon request, share with other appropriate recognized accrediting agencies and recognized State approval agencies information about the accreditation or preaccreditation status of an institution or program and any adverse actions it has taken against an accredited or preaccredited institution or program.

Each accrediting agency must submit an application for continued recognition at least once every five years, or within a shorter time period specified in the final recognition decision, and, for an agency seeking renewal of recognition, 24 months prior to the date on which

the current recognition expires. The application, to be submitted concurrently with information required by § 602.32(a) and, if applicable, § 602.32(b), must consist of—

(1) A statement of the agency's requested scope of recognition;

(2) Documentation that the agency complies with the criteria for recognition listed in subpart B of this part, including a copy of its policies and procedures manual and its accreditation standards; and

(3) Documentation of how an agency that includes or seeks to include distance education or correspondence courses in its scope of recognition applies its standards in evaluating programs and institutions it accredits that offer distance education or correspondence courses.

(b) *Applications for expansions of scope.* An agency seeking an expansion of scope by application must submit a written application to the Secretary. The application must—

(1) Specify the scope requested;

(d) *Review following an increase in headcount enrollment.* If an agency that has notified the Secretary in writing of its change in scope to include distance education or correspondence courses in accordance with § 602.27(a)(4) reports an increase in headcount enrollment in accordance with § 602.19(e) for an institution it accredits, or if the Department notifies the agency of such an increase at one of the agency's accredited institutions, the agency must, within 45 days of reporting the increase or receiving notice of the increase from the

Department, as applicable, submit a report explaining—

(1) How the agency evaluates the capacity of the institutions or programs it accredits to accommodate significant growth in enrollment and to maintain education quality;

(2) The specific circumstances regarding the growth at the institution or program that triggered the review and the results of any evaluation conducted by the agency; and

(3) Any other information that the agency deems appropriate to demonstrate the effective application of the criteria for recognition or that the Department may require.

(e) *Consent to sharing of information.* By submitting an application for recognition, the agency authorizes Department staff throughout the application process and during any period of recognition—

(1) To observe its site visits to one or more of the institutions or programs it accredits or preaccredits, on an announced or unannounced basis;

(2) To visit locations where agency activities such as training, review and evaluation panel meetings, and decision meetings take place, on an announced or unannounced basis;

(3) To obtain copies of all documents the staff deems necessary to complete its review of the agency; and

(4) To gain access to agency records, personnel, and facilities.

(f) *Public availability of agency records obtained by the Department.*

(1) The Secretary's processing and decision-making on requests for public disclosure of agency materials reviewed under this part are governed by the Freedom of Information Act, 5 U.S.C. 552; the Trade Secrets Act, 18 U.S.C. 1905; the Privacy Act of 1974, as amended, 5 U.S.C. 552a; the Federal Advisory Committee Act, 5 U.S.C. Appdx. 1; and all other applicable laws. In recognition proceedings, agencies must, before submission to the Department—

(i) Redact the names and any other personally identifiable information about individual students and any other individuals who are not agents of the agency or of an institution or program the agency is reviewing;

(ii) Redact the personal addresses, personal telephone numbers, personal

email addresses, Social Security numbers, and any other personally identifiable information regarding individuals who are acting as agents of the agency or of an institution or program under review;

(iii) Designate all business information within agency submissions that the agency believes would be exempt from disclosure under exemption 4 of the Freedom of Information Act (FOIA), 5 U.S.C. 552(b)(4). A blanket designation of all information contained within a submission, or of a category of documents, as meeting this exemption will not be considered a good faith effort and will be disregarded; and

(iv) Ensure documents submitted are only those required for Department review or as requested by Department officials.

(2) The agency may, but is not required to, redact the identities of institutions or programs that it believes are not essential to the Department's review of the agency and may identify any other material the agency believes would be exempt from public disclosure under FOIA, the factual basis for the request, and any legal basis the agency has identified for withholding the document from public disclosure.

(3) The Secretary processes FOIA requests in accordance with 34 CFR part 5 and makes all documents provided to the Advisory Committee available to the public.

(4) Upon request by Department staff, the agency must disclose to Department staff any specific material the agency has redacted that Department staff believes is needed to conduct the staff review. Department staff will make any arrangements needed to ensure that the materials are not made public if prohibited by law.

(g) *Length of submissions.* The Secretary may publish reasonable, uniform limits on the length of submissions described in this section.

§ 602.32 Procedures for submitting an application for recognition, renewal of recognition, expansion of scope, compliance reports, and increases in enrollment.

(a) An agency preparing for renewing recognition will submit, 24 months prior to the date on which the current recognition expires, and in conjunction with the materials required by § 602.31(a), a list of all institutions or programs that the agency plans to consider for an award of initial or renewed accreditation over the next year or, if none, over the succeeding year, as well as any institutions or programs currently subject to compliance report review or reporting requirements. An agency that does not anticipate a review of any institution or program for an initial award of accreditation or renewed accreditation in the 24 months prior to the date of recognition expiration may submit a list of institutions or programs it has reviewed for an initial award of accreditation or renewal of accreditation at any time since the prior award of recognition or leading up to the application for an initial award of recognition.

(b) An agency seeking initial recognition must follow the policies and procedures outlined in paragraph (a) of this section, but in addition must also submit—

(1) Letters of support for the agency from at least three accredited institutions or programs, three educators, and, if appropriate, three employers or practitioners, explaining the role for such an agency and the reasons for their support; and

(2) Letters from at least one program or institution that will rely on the agency as its link to a Federal program upon recognition of the agency or intends to seek multiple accreditation which will allow it in the future to designate the agency as its Federal link.

(c) Department staff publishes a notice of the agency's submission of an application in the FEDERAL REGISTER inviting the public to comment on the agency's compliance with the criteria for recognition and establishing a deadline for receipt of public comment.

(d) The Department staff analyzes the agency's application for initial or renewal of recognition, to determine

whether the agency satisfies the criteria for recognition, taking into account all available relevant information concerning the compliance of the agency with those criteria and the agency's consistency in applying the criteria. The analysis of an application may include and, after January 1, 2021, will include—

(1)(i) Observations from site visits, on an announced or unannounced basis, to the agency or to a location where the agency conducts activities such as training, review and evaluation panel meetings, or decision meetings;

(ii) Observations from site visits, on an announced or unannounced basis, to one or more of the institutions or programs the agency accredits or preaccredits;

(iii) A file review at the agency of documents, at which time Department staff may retain copies of documents needed for inclusion in the administrative record;

(iv) Review of the public comments and other third-party information Department staff receives by the established deadline, the agency's responses to the third-party comments, as appropriate, and any other information Department staff obtains for purposes of evaluating the agency under this part; and

(v) Review of complaints or legal actions involving the agency; and

(2) Review of complaints or legal actions against an institution or program accredited or preaccredited by the agency, which may be considered but are not necessarily determinative of compliance.

(e) The Department may view as a negative factor when considering an application for initial, or expansion of scope of, recognition as proposed by an agency, among other factors, any evidence that the agency was part of a concerted effort to unnecessarily restrict the qualifications necessary for a student to sit for a licensure or certification examination or otherwise be eligible for entry into a profession.

(f) Department staff's evaluation of an agency may also include a review of information directly related to institutions or programs accredited or preaccredited by the agency relative to their compliance with the agency's

standards, the effectiveness of the standards, and the agency's application of those standards, but must make all materials relied upon in the evaluation available to the agency for review and comment.

(g) If, at any point in its evaluation of an agency seeking initial recognition, Department staff determines that the agency fails to demonstrate compliance with the basic eligibility requirements in §§ 602.10 through 602.15, the staff—

(1) Returns the agency's application and provides the agency with an explanation of the deficiencies that caused staff to take that action; and

(2) Requires that the agency withdraw its application and instructs the agency that it may reapply when the agency is able to demonstrate compliance.

(h) Except with respect to an application that has been returned and is withdrawn under paragraph (g) of this section, when Department staff completes its evaluation of the agency, the staff may and, after July 1, 2021, will—

(1) Prepare a written draft analysis of the agency's application;

(2) Send to the agency the draft analysis including any identified areas of potential noncompliance and all third-party comments and complaints, if applicable, and any other materials the Department received by the established deadline or is including in its review;

(3) Invite the agency to provide a written response to the draft analysis and third-party comments or other material included in the review, specifying a deadline that provides at least 180 days for the agency's response;

(4) Review the response to the draft analysis the agency submits, if any, and prepares the written final analysis—

(i) Indicating that the agency is in full compliance, substantial compliance, or noncompliance with each of the criteria for recognition; and

(ii) Recommending that the senior Department official approve, renew with compliance reporting requirements due in 12 months, renew with compliance reporting requirements with a deadline in excess of 12 months based on a finding of good cause and

§ 602.33

34 CFR Ch. VI (7–1–20 Edition)

extraordinary circumstances, approve with monitoring or other reporting requirements, or deny, limit, suspend, or terminate recognition; and

(5) Provide to the agency, no later than 30 days before the Advisory Committee meeting, the final staff analysis and any other available information provided to the Advisory Committee under § 602.34(c).

(i) The agency may request that the Advisory Committee defer acting on an application at that Advisory Committee meeting if Department staff fails to provide the agency with the materials described, and within the timeframes provided, in paragraphs (g)(3) and (5) of this section. If the Department staff's failure to send the materials in accordance with the timeframe described in paragraph (g)(3) or (5) of this section is due to the failure of the agency to, by the deadline established by the Secretary, submit reports to the Department, other information the Secretary requested, or its response to the draft analysis, the agency forfeits its right to request a deferral of its application.

(j) An agency seeking an expansion of scope, either as part of the regular renewal of recognition process or during a period of recognition, must submit an application to the Secretary, separately or as part of the policies and procedures outlined in paragraph (a) of this section, that satisfies the requirements of §§ 602.12(b) and 602.31(b) and—

(1) States the reason for the expansion of scope request;

(2) Includes letters from at least three institutions or programs that would seek accreditation under one or more of the elements of the expansion of scope; and

(3) Explains how the agency must expand capacity to support the expansion of scope, if applicable, and, if necessary, how it will do so and how its budget will support that expansion of capacity.

(k) The Department may view as a negative factor when considering an application for initial or expansion of scope of recognition as proposed by an agency, among other factors, any evidence that the agency was part of a concerted effort to unnecessarily restrict the qualifications necessary for a

student to sit for a licensure or certification examination or otherwise be eligible for entry into a profession.

(l) Department staff's evaluation of a compliance report includes review of public comments solicited by Department staff in the FEDERAL REGISTER received by the established deadline, the agency's responses to the third-party comments, as appropriate, other third-party information Department staff receives, and additional information described in paragraphs (d) and (e) of this section, as appropriate.

(m) The Department will process an application for an expansion of scope, compliance report, or increase in enrollment report in accordance with paragraphs with paragraphs (c) through (h) of this section.

§ 602.33 Procedures for review of agencies during the period of recognition, including the review of monitoring reports.

(a) Department staff may review the compliance of a recognized agency with the criteria for recognition at any time—

(1) Based on the submission of a monitoring report as directed by a decision by the senior Department official or Secretary; or

(2) Based on any information that, as determined by Department staff, appears credible and raises concerns relevant to the criteria for recognition.

(b) The review may include, but need not be limited to, any of the activities described in § 602.32(d) and (f).

(c) If, in the course of the review, and after providing the agency the documentation concerning the inquiry and consulting with the agency, Department staff notes that one or more deficiencies may exist in the agency's compliance with the criteria for recognition or in the agency's effective application of those criteria, Department staff—

(1) Prepares a written draft analysis of the agency's compliance with the criteria of concern;

(2) Sends to the agency the draft analysis including any identified areas of noncompliance and all supporting documentation;

(3) Invites the agency to provide a written response to the draft analysis within 90 days; and

(4) Reviews any response provided by the agency, including any monitoring report submitted, and either—

(i) Concludes the review;

(ii) Continues monitoring of the agency's areas of deficiencies; or

(iii)(A) Notifies the agency, in the event that the agency's response or monitoring report does not satisfy the staff, that the draft analysis will be finalized for presentation to the Advisory Committee;

(B) Publishes a notice in the FEDERAL REGISTER with an invitation for the public to comment on the agency's compliance with the criteria in question and establishing a deadline for receipt of public comment;

(C) Provides the agency with a copy of all public comments received and invites a written response from the agency;

(D) Finalizes the staff analysis as necessary to reflect its review of any agency response and any public comment received;

(E) Provides to the agency, no later than 30 days before the Advisory Committee meeting, the final staff analysis and a recognition recommendation and any other information provided to the Advisory Committee under §602.34(c); and

(F) Submits the matter for review by the Advisory Committee in accordance with §602.34.

REVIEW AND DECISION BY THE SENIOR DEPARTMENT OFFICIAL

§ 602.36 Senior Department official's decision.

(a) The senior Department official makes a decision regarding recognition of an agency based on the record compiled under §§ 602.32, 602.33, 602.34, and 602.35 including, as applicable, the following:

(1) The materials provided to the Advisory Committee under § 602.34(c).

(2) The transcript of the Advisory Committee meeting.

(3) The recommendation of the Advisory Committee.

(4) Written comments and responses submitted under § 602.35.

(5) New documentation submitted in accordance with § 602.35(c)(1).

(6) A communication from the Secretary referring an issue to the senior Department official's consideration under § 602.37(e).

(b) In the event that statutory authority or appropriations for the Advisory Committee ends, or there are

fewer duly appointed Advisory Committee members than needed to constitute a quorum, and under extraordinary circumstances when there are serious concerns about an agency's compliance with subpart B of this part that require prompt attention, the senior Department official may make a decision on an application for renewal of recognition or compliance report on the record compiled under § 602.32 or § 602.33 after providing the agency with an opportunity to respond to the final staff analysis. Any decision made by the senior Department official under this paragraph from the Advisory Committee may be appealed to the Secretary as provided in § 602.37.

(c) Following consideration of an agency's recognition under this section, the senior Department official issues a recognition decision.

(d) Except with respect to decisions made under paragraph (f) or (g) of this section and matters referred to the senior Department official under § 602.37(e) or (f), the senior Department official notifies the agency in writing of the senior Department official's decision regarding the agency's recognition within 90 days of the Advisory Committee meeting or conclusion of the review under paragraph (b) of this section.

(e) The senior Department official's decision may include, but is not limited to, approving for recognition; approving with a monitoring report; denying, limiting, suspending, or terminating recognition following the procedures in paragraph (g) of this section; granting or denying an application for an expansion of scope; revising or affirming the scope of the agency; or continuing recognition pending submission and review of a compliance report under §§ 602.32 and 602.34 and review of the report by the senior Department official under this section.

(1)(i) The senior Department official approves recognition if the agency has demonstrated compliance or substantial compliance with the criteria for recognition listed in subpart B of this part. The senior Department official may determine that the agency has demonstrated compliance or substantial compliance with the criteria for recognition if the agency has a compli-

ant policy or procedure in place but has not had the opportunity to apply such policy or procedure.

(ii) If the senior Department official approves recognition, the recognition decision defines the scope of recognition and the recognition period. The recognition period does not exceed five years, including any time during which recognition was continued to permit submission and review of a compliance report.

(iii) If the scope of recognition is less than that requested by the agency, the senior Department official explains the reasons for continuing or approving a lesser scope.

(2)(i) Except as provided in paragraph (e)(3) of this section, if the agency fails to comply with the criteria for recognition listed in subpart B of this part, the senior Department official denies, limits, suspends, or terminates recognition.

(ii) If the senior Department official denies, limits, suspends, or terminates recognition, the senior Department official specifies the reasons for this decision, including all criteria the agency fails to meet and all criteria the agency has failed to apply effectively.

(3)(i) If the senior Department official concludes an agency is noncompliant, the senior Department official may continue the agency's recognition, pending submission of a compliance report that will be subject to review in the recognition process, provided that—

(A) The senior Department official concludes that the agency will demonstrate compliance with, and effective application of, the criteria for recognition within 12 months from the date of the senior Department official's decision; or

(B) The senior Department official identifies a deadline more than 12 months from the date of the decision by which the senior Department official concludes the agency will demonstrate full compliance with, and effective application of, the criteria for recognition, and also identifies exceptional circumstances and good cause for allowing the agency more than 12 months to achieve compliance and effective application.

(ii) In the case of a compliance report ordered under paragraph (e)(3)(i) of this section, the senior Department official specifies the criteria the compliance report must address, and the time period for achieving compliance and effective application of the criteria. The compliance report documenting compliance and effective application of criteria is due not later than 30 days after the end of the period specified in the senior Department official's decision.

(iii) If the record includes a compliance report required under paragraph (e)(3)(i) of this section, and the senior Department official determines that an agency has not complied with the criteria for recognition, or has not effectively applied those criteria, during the time period specified by the senior Department official in accordance with paragraph (e)(3)(i) of this section, the senior Department official denies, limits, suspends, or terminates recognition, except, in extraordinary circumstances, upon a showing of good cause for an extension of time as determined by the senior Department official and detailed in the senior Department official's decision. If the senior Department official determines good cause for an extension has been shown, the senior Department official specifies the length of the extension and what the agency must do during it to merit a renewal of recognition.

(f) If the senior Department official determines that the agency is substantially compliant, or is fully compliant but has concerns about the agency maintaining compliance, the senior Department official may approve the agency's recognition or renewal of recognition and require periodic monitoring reports that are to be reviewed and approved by Department staff.

(g) If the senior Department official determines, based on the record, that a decision to deny, limit, suspend, or terminate an agency's recognition may be warranted based on a finding that the agency is noncompliant with one or more criteria for recognition, or if the agency does not hold institutions or programs accountable for complying with one or more of the agency's standards or criteria for accreditation that were not identified earlier in the proceedings as an area of noncompliance,

the senior Department official provides—

(1) The agency with an opportunity to submit a written response addressing the finding; and

(2) The staff with an opportunity to present its analysis in writing.

(h) If relevant and material information pertaining to an agency's compliance with recognition criteria, but not contained in the record, comes to the senior Department official's attention while a decision regarding the agency's recognition is pending before the senior Department official, and if the senior Department official concludes the recognition decision should not be made without consideration of the information, the senior Department official either—

(1)(i) Does not make a decision regarding recognition of the agency; and

(ii) Refers the matter to Department staff for review and analysis under § 602.32 or § 602.33, as appropriate, and consideration by the Advisory Committee under § 602.34; or

(2)(i) Provides the information to the agency and Department staff;

(ii) Permits the agency to respond to the senior Department official and the Department staff in writing, and to include additional documentation relevant to the issue, and specifies a deadline;

(iii) Provides Department staff with an opportunity to respond in writing to the agency's submission under paragraph (h)(2)(ii) of this section, specifying a deadline; and

(iv) Issues a recognition decision based on the record described in paragraph (a) of this section, as supplemented by the information provided under this paragraph (h).

(i) No agency may submit information to the senior Department official, or ask others to submit information on its behalf, for purposes of invoking paragraph (h) of this section. Before invoking paragraph (h) of this section, the senior Department official will take into account whether the information, if submitted by a third party, could have been submitted in accordance with § 602.32(a) or § 602.33(e)(2).

(j) If the senior Department official does not reach a final decision to approve, deny, limit, suspend, or terminate an agency's recognition before the expiration of its recognition period, the senior Department official automatically extends the recognition period until a final decision is reached.

(k) Unless appealed in accordance with § 602.37, the senior Department official's decision is the final decision of the Secretary.

APPEAL RIGHTS AND PROCEDURES

§ 602.37 Appealing the senior Department official's decision to the Secretary.

(a) The agency may appeal the senior Department official's decision to the Secretary. Such appeal stays the decision of the senior Department official until final disposition of the appeal. If an agency wishes to appeal, the agency must—

(1) Notify the Secretary and the senior Department official in writing of its intent to appeal the decision of the senior Department official, no later than 10 business days after receipt of the decision;

(2) Submit its appeal to the Secretary in writing no later than 30 days after receipt of the decision; and

(3) Provide the senior Department official with a copy of the appeal at the same time it submits the appeal to the Secretary.

(b) The senior Department official may file a written response to the appeal. To do so, the senior Department official must—

(1) Submit a response to the Secretary no later than 30 days after receipt of a copy of the appeal; and

(2) Provide the agency with a copy of the senior Department official's response at the same time it is submitted to the Secretary.

(c) Once the agency's appeal and the senior Department official's response, if any, have been provided, no additional written comments may be submitted by either party.

(d) Neither the agency nor the senior Department official may include in its submission any new documentation it

did not submit previously in the proceeding.

(e) On appeal, the Secretary makes a recognition decision, as described in § 602.36(e). If the decision requires a compliance report, the report is due within 30 days after the end of the period specified in the Secretary's decision. The Secretary renders a final decision after taking into account the senior Department official's decision, the agency's written submissions on appeal, the senior Department official's response to the appeal, if any, and the entire record before the senior Department official. The Secretary notifies the agency in writing of the Secretary's decision regarding the agency's recognition.

(f) The Secretary may determine, based on the record, that a decision to deny, limit, suspend, or terminate an agency's recognition may be warranted based on a finding that the agency is noncompliant with, or ineffective in its application with respect to, a criterion or criteria for recognition not identified as an area of noncompliance earlier in the proceedings. In that case, the Secretary, without further consideration of the appeal, refers the matter to the senior Department official for consideration of the issue under § 602.36(g). After the senior Department official makes a decision, the agency may, if desired, appeal that decision to the Secretary.

(g) If relevant and material information pertaining to an agency's compliance with recognition criteria, but not contained in the record, comes to the Secretary's attention while a decision regarding the agency's recognition is pending before the Secretary, and if the Secretary concludes the recognition decision should not be made without consideration of the information, the Secretary either—

(1)(i) Does not make a decision regarding recognition of the agency; and

(ii) Refers the matter to Department staff for review and analysis under § 602.32 or § 602.33, as appropriate; review by the Advisory Committee under § 602.34; and consideration by the senior Department official under § 602.36; or

(2)(i) Provides the information to the agency and the senior Department official;

§ 602.38

(ii) Permits the agency to respond to the Secretary and the senior Department official in writing, and to include additional documentation relevant to the issue, and specifies a deadline;

(iii) Provides the senior Department official with an opportunity to respond in writing to the agency's submission under paragraph (g)(2)(ii) of this section, specifying a deadline; and

(iv) Issues a recognition decision based on all the materials described in paragraphs (e) and (g) of this section.

(h) No agency may submit information to the Secretary, or ask others to submit information on its behalf, for purposes of invoking paragraph (g) of this section. Before invoking paragraph (g) of this section, the Secretary will take into account whether the information, if submitted by a third party, could have been submitted in accordance with § 602.32(a) or § 602.33(c).

(i) If the Secretary does not reach a final decision on appeal to approve, deny, limit, suspend, or terminate an agency's recognition before the expiration of its recognition period, the Secretary automatically extends the recognition period until a final decision is reached.

§ 603.20 Scope.

(a) Pursuant to section 438(b) of the Higher Education Act of 1965 as amended by Pub. L. 92-318, the Secretary is required to publish a list of State agencies which he determines to be reliable authorities as to the quality of public postsecondary vocational education in their respective States for the purpose of determining eligibility for Federal student assistance programs administered by the Department.

(b) Approval by a State agency included on the list will provide an alternative means of satisfying statutory standards as to the quality of public postsecondary vocational education to be undertaken by students receiving assistance under such programs.

§ 603.21 Publication of list.

§ 603.23 Initial recognition, and re-evaluation.

For initial recognition and for renewal of recognition, the State agency will furnish information establishing its compliance with the criteria set forth in § 603.24. This information may be supplemented by personal inter-

views or by review of the agency's facilities, records, personnel qualifications, and administrative management. Each agency listed will be reevaluated by the Secretary at his discretion, but at least once every four years. No adverse decision will become final without affording an opportunity for a hearing.

§ 603.24 Criteria for State agencies.

The following are the criteria which the Secretary will utilize in designating a State agency as a reliable authority to assess the quality of public postsecondary vocational education in its respective State.

(a) *Functional aspects.* The functional aspects of the State agency must be shown by:

(1) *Its scope of operations.* The agency:

(i) Is statewide in the scope of its operations and is legally authorized to approve public postsecondary vocational institutions or programs;

(ii) Clearly sets forth the scope of its objectives and activities, both as to kinds and levels of public postsecondary vocational institutions or programs covered, and the kinds of operations performed;

(iii) Delineates the process by which it differentiates among and approves programs of varying levels.

(2) *Its organization.* The State agency:

(i) Employs qualified personnel and uses sound procedures to carry out its operations in a timely and effective manner;

(ii) Receives adequate and timely financial support, as shown by its appropriations, to carry out its operations;

(iii) Selects competent and knowledgeable persons, qualified by experience and training, and selects such persons in accordance with nondiscriminatory practices, (A) to participate on visiting teams, (B) to engage in consultative services for the evaluation and approval process, and (C) to serve on decision-making bodies.

(3) *Its procedures.* The State agency:

(i) Maintains clear definitions of approval status and has developed written procedures for granting, reaffirming, revoking, denying, and reinstating approval status;

(ii) Requires, as an integral part of the approval and reapproval process, institutional or program self-analysis and onsite reviews by visiting teams, and provides written and consultative guidance to institutions or programs and visiting teams.

(A) Self-analysis shall be a qualitative assessment of the strengths and limitations of the instructional program, including the achievement of institutional or program objectives, and should involve a representative portion of the institution's administrative staff, teaching faculty, students, governing body, and other appropriate constituencies.

(B) The visiting team, which includes qualified examiners other than agency staff, reviews instructional content, methods and resources, administrative management, student services, and facilities. It prepares written reports and recommendations for use by the State agency.

(iii) Reevaluates at reasonable and regularly scheduled intervals institutions or programs which it has approved.

(b) *Responsibility and reliability.* The responsibility and reliability of the State agency will be demonstrated by:

(1) Its responsiveness to the public interest. The State agency:

(i) Has an advisory body which provides for representation from public employment services and employers, employees, postsecondary vocational educators, students, and the general public, including minority groups. Among its functions, this structure provides counsel to the State agency relating to the development of standards, operating procedures and policy, and interprets the educational needs and manpower projections of the State's public postsecondary vocational education system;

(ii) Demonstrates that the advisory body makes a real and meaningful contribution to the approval process;

(iii) Provides advance public notice of proposed or revised standards or regulations through its regular channels of communications, supplemented, if necessary, with direct communication to inform interested members of the affected community. In addition, it provides such persons the opportunity to

comment on the standards or regulations prior to their adoption;

(iv) Secures sufficient qualitative information regarding the applicant institution or program to enable the institution or program to demonstrate that it has an ongoing program of evaluation of outputs consistent with its educational goals;

(v) Encourages experimental and innovative programs to the extent that these are conceived and implemented in a manner which ensures the quality and integrity of the institution or program;

(vi) Demonstrates that it approves only those institutions or programs which meet its published standards; that its standards, policies, and procedures are fairly applied; and that its evaluations are conducted and decisions are rendered under conditions that assure an impartial and objective judgment;

(vii) Regularly reviews its standards, policies and procedures in order that the evaluative process shall support constructive analysis, emphasize factors of critical importance, and reflect the educational and training needs of the student;

(viii) Performs no function that would be inconsistent with the formation of an independent judgment of the quality of an educational institution or program;

(ix) Has written procedures for the review of complaints pertaining to institutional or program quality as these relate to the agency's standards, and demonstrates that such procedures are adequate to provide timely treatment of such complaints in a manner fair and equitable to the complainant and to the institution or program;

(x) Annually makes available to the public (A) its policies for approval, (B) reports of its operations, and (C) list of institutions or programs which it has approved;

(xi) Requires each approved school or program to report on changes instituted to determine continued compliance with standards or regulations;

(xii) Confers regularly with counterpart agencies that have similar responsibilities in other and neighboring States about methods and techniques

that may be used to meet those responsibilities.

(2) Its assurances that due process is accorded to institutions or programs seeking approval. The State agency:

(i) Provides for adequate discussion during the on-site visit between the visiting team and the faculty, administrative staff, students, and other appropriate persons;

(ii) Furnishes as a result of the evaluation visit, a written report to the institution or program commenting on areas of strength, areas needing improvement, and, when appropriate, suggesting means of improvement and including specific areas, if any, where the institution or program may not be in compliance with the agency's standards;

(iii) Provides the chief executive officer of the institution or program with opportunity to comment upon the written report and to file supplemental materials pertinent to the facts and conclusions in the written report of the visiting team before the agency takes action on the report;

(iv) Provides the chief executive officer of the institution with a specific statement of reasons for any adverse action, and notice of the right to appeal such action before an appeal body designated for that purpose;

(v) Publishes rules of procedure regarding appeals;

(vi) Continues the approval status of the institution or program pending disposition of an appeal;

(vii) Furnishes the chief executive officer of the institution or program with a written decision of the appeal body, including a statement of its reasons therefor.

(c) *Capacity to foster ethical practices.* The State agency must demonstrate its capability and willingness to foster ethical practices by showing that it:

(i) Promotes a well-defined set of ethical standards governing institutional or programmatic practices, including recruitment, advertising, transcripts, fair and equitable student tuition refunds, and student placement services;

(ii) Maintains appropriate review in relation to the ethical practices of each approved institution or program.

Subpart A—General

§ 606.1 What is the Developing Hispanic-Serving Institutions Program?

The purpose of the Developing Hispanic-Serving Institutions Program is to provide grants to eligible institutions of higher education to—

(a) Expand educational opportunities for, and improve the academic attainment of, Hispanic students; and

(b) Expand and enhance the academic offerings, program quality, and institutional stability of colleges and universities that are educating the majority

§ 606.2

of Hispanic college students and helping large numbers of Hispanic students and other low-income individuals complete postsecondary degrees.

(Authority: 20 U.S.C. 1101)

§ 606.2 What institutions are eligible to receive a grant under the Developing Hispanic-Serving Institutions Program?

(a) An institution of higher education is eligible to receive a grant under this part if—

(1) At the time of application, it has an enrollment of undergraduate full-time equivalent students that is at least 25 percent Hispanic students;

(2) It provides assurances that not less than 50 percent of its Hispanic students are low-income individuals;

(3) It has an enrollment of needy students as described in § 606.3(a), unless the Secretary waives this requirement under § 606.3(b);

(4) It has low average educational and general expenditures per full-time equivalent undergraduate student as described in § 606.4(a), unless the Secretary waives this requirement under § 606.4(c);

(5) It is legally authorized by the State in which it is located to be a junior college or to provide an educational program for which it awards a bachelor's degree; and

(6) It is accredited or preaccredited by a nationally recognized accrediting agency or association that the Secretary has determined to be a reliable authority as to the quality of education or training offered.

(b) A branch campus of a Hispanic-Serving institution is eligible to receive a grant under this part if—

(1) The institution as a whole meets the requirements of paragraphs (a)(3) through (a)(6) of this section; and

(2) The branch campus satisfies the requirements of paragraphs (a)(1) through (a)(4) of this section.

(c)(1) An institution that receives a grant under the Strengthening Institutions Program (34 CFR part 607) or the Strengthening Historically Black Colleges and Universities Program (34 CFR part 608) for a particular fiscal year is not eligible to receive a grant under this part for that same fiscal year, and may not relinquish its grant under

34 CFR Ch. VI (7–1–20 Edition)

those programs to secure a grant under this part.

(2) A Hispanic-Serving institution under this part may not concurrently receive grant funds under the Strengthening Institutions Program, Strengthening Historically Black Colleges and Universities Program, or Strengthening Historically Black Graduate Institutions Program.

(Authority: 20 U.S.C. 1101a and 1101d)

[64 FR 70147, Dec. 15, 1999, as amended at 66 FR 1263, Jan. 8, 2001]

§ 606.3 What is an enrollment of needy students?

(a) Except as provided in paragraph (b) of this section, for the purpose of § 606.2(a)(3), an applicant institution has an enrollment of needy students if in the base year—

(1) At least 50 percent of its degree students received student financial assistance under one or more of the following programs: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Federal Work-Study, and Federal Perkins Loan; or

(2) The percentage of its undergraduate degree students who were enrolled on at least a half-time basis and received Federal Pell Grants exceeded the median percentage of undergraduate degree students who were enrolled on at least a half-time basis and received Federal Pell Grants at comparable institutions that offer similar instruction.

(b) The Secretary may waive the requirement contained in paragraph (a) of this section if the institution demonstrates that—

(1) The State provides more than 30 percent of the institution's budget and the institution charges not more than \$99.00 for tuition and fees for an academic year;

(2) At least 30 percent of the students served by the institution in the base year were students from low-income families;

(3) The institution substantially increases the higher education opportunities for low-income students who are also educationally disadvantaged, underrepresented in postsecondary education, or minority students;

(4) The institution substantially increases the higher education opportunities for individuals who reside in an area that is not included in a “metropolitan statistical area” as defined by the Office of Management and Budget and who are unserved by other postsecondary institutions; or

(5) The institution will, if granted the waiver, substantially increase the higher education opportunities for Hispanic Americans.

(c) For the purpose of paragraph (b) of this section, the Secretary considers “low-income” to be an amount which does not exceed 150 percent of the amount equal to the poverty level as established by the United States Bureau of the Census.

(d) Each year, the Secretary notifies prospective applicants of the low-income figures through a notice published in the FEDERAL REGISTER.

(Authority: 20 U.S.C. 1101a and 1103a)

§ 606.4 What are low educational and general expenditures?

(a)(1) Except as provided in paragraph (b) of this section, for the purpose of § 606.2(a)(2), an applicant institution’s average educational and general expenditures per full-time equivalent undergraduate student in the base year must be less than the average educational and general expenditures per full-time equivalent undergraduate student in that year of comparable institutions that offer similar instruction.

(2) For the purpose of paragraph (a)(1) of this section, the Secretary determines the average educational and general expenditure per full-time equivalent undergraduate student for institutions with graduate students that do not differentiate between graduate and undergraduate educational and general expenditures by discounting the graduate enrollment using a factor of 2.5 times the number of graduate students.

(b) Each year, the Secretary notifies prospective applicants through a notice in the FEDERAL REGISTER of the average educational and general expenditures per full-time equivalent undergraduate student at comparable institutions that offer similar instruction.

(c) The Secretary may waive the requirement contained in paragraph (a) of this section, if the Secretary determines, based upon persuasive evidence provided by the institution, that—

(1) The institution’s failure to satisfy the criteria in paragraph (a) of this section was due to factors which, if used in determining compliance with those criteria, distorted that determination; and

(2) The institution’s designation as an eligible institution under this part is otherwise consistent with the purposes of this part.

(d) For the purpose of paragraph (c)(1) of this section, the Secretary considers that the following factors may distort an institution’s educational and general expenditures per full-time equivalent undergraduate student—

(1) Low student enrollment;

(2) Location of the institution in an unusually high cost-of-living area;

(3) High energy costs;

(4) An increase in State funding that was part of a desegregation plan for higher education; or

(5) Operation of high cost professional schools such as medical or dental schools.

(Authority: 20 U.S.C. 1101a and 1103a)

§ 606.5 How does an institution apply to be designated an eligible institution?

(a) An institution applies to the Secretary to be designated an eligible institution under this part by first submitting an application to the Secretary in the form, manner, and time established by the Secretary. The application must contain—

(1) The information necessary for the Secretary to determine whether the institution satisfies the requirements of §§ 606.2, 606.3(a), and 606.4(a);

(2) Any waiver request under §§ 606.3(b) and 606.4(c); and

(3) Information or explanations justifying any requested waiver.

(b) An institution that wishes to receive a grant under this part must submit, as part of its application for that grant, an assurance that when it submits its application—

34 CFR Ch. VI (7–1–20 Edition)

(1) Its enrollment of undergraduate full-time equivalent students is at least 25 percent Hispanic students; and

(2) Not less than 50 percent of its Hispanic students are low-income individuals.

(Authority: 20 U.S.C. 1101a and 1103)

§ 606.6 What regulations apply?

§ 607.4 What are low educational and general expenditures?

(a)(1) Except as provided in paragraph (b) of this section, for the purpose of § 6072(a)(2), an applicant institution's average educational and general expenditures per full-time equivalent undergraduate student in the base year must be less than the average educational and general expenditures per full-time equivalent undergraduate student of comparable institutions that offer similar institution in that year.

(2) For the purpose of paragraph (a)(1) of this section, the Secretary determines the average educational and general expenditure per FTE undergraduate student for institutions with graduate students that do not differentiate between graduate and undergraduate E&G expenditures by discounting the graduate enrollment using a factor of 2.5 times the number of graduate students.

(b) Each year, the Secretary notifies prospective applicants through a notice in the FEDERAL REGISTER of the average educational and general expenditures per full-time equivalent undergraduate student at comparable institutions that offer similar instruction.

(c) The Secretary may waive the requirement contained in paragraph (a) of this section, if the Secretary determines, based upon persuasive evidence provided by the institution, that—

(1) The institution's failure to satisfy the criteria in paragraph (a) of this section was due to factors which, if used in determining compliance with those criteria, distorted that determination; and

(2) The institution's designation as an eligible institution under this part is otherwise consistent with the purposes of this part.

(d) For the purpose of paragraph (c)(1) of this section, the Secretary considers that the following factors

may distort an institution's educational and general expenditures per full-time equivalent undergraduate student—

(1) Low student enrollment;

(2) Location of the institution in an unusually high cost-of-living area;

(3) High energy costs;

(4) An increase in State funding that was part of a desegregation plan for higher education; or

(5) Operation of high cost professional schools such as medical or dental schools.

(2) The time commitments of key personnel are adequate.

(c) *Project Management.* The Secretary reviews each application to determine the quality of the plan to manage the project effectively based on the extent to which—

(1) The procedures for managing the project are likely to ensure effective and efficient project implementation; and

(2) The project coordinator has sufficient authority, including access to the president or chief executive officer, to conduct the project effectively.

challenge grant it is requesting, a description of its short-term plan and long-term plan for raising and using endowment challenge grant funds, and information sufficient for the Secretary to—

(a) Evaluate the application under the selection criteria set forth in § 628.31 and the priorities set forth in § 628.32; and

(b) Determine whether the applicant will administer the endowment challenge grant in accordance with the regulations in this part.

(a) In evaluating an application for an endowment challenge grant, the Secretary—

(1) Judges the application using the selection criteria in § 628.31 and the priorities in § 628.32;

(2) Gives, for each criterion and priority, a score up to the maximum possible points in parentheses following the description of that criterion or priority; and

(3) Gives up to 130 total points, 90 points maximum for the criteria in § 628.31, and 40 points maximum for the priorities in § 628.32.

(b) In selecting recipients for grants, the Secretary follows the procedures in 34 CFR 75.217(d) and (e) of the Education Department General Administrative Regulations.

(Authority: 20 U.S.C. 1065)

[49 FR 28521, July 21, 1984, as amended at 52 FR 11258, Apr. 8, 1987]

§ 628.31 What selection criteria does the Secretary use in evaluating an application for an endowment challenge grant?

In evaluating an application for an endowment challenge grant, the Sec-

retary uses the following three criteria:

(a) The Secretary measures the applicant's past efforts to build or maintain its existing endowment and quasi-endowment funds by the dollar and relative increase in market value to the applicant's existing endowment and quasi-endowment funds over the applicant's four fiscal years preceding the year of application using the formulas set forth in paragraphs (a)(1) through (a)(5) of this section.

(1) In measuring an applicant's dollar increase in its endowment and quasi-endowment funds, the Secretary—

(i) Subtracts from an amount equal to the market value of the applicant's endowment and quasi-endowment funds at the end of the four-year period described in paragraph (a) of this section an amount equal to the market value of the applicant's endowment and quasi-endowment funds at the beginning of that four-year period; and

(ii) Divides the result obtained in paragraph (a)(1)(i) of this section by the applicant's full-time equivalent enrollment at the end of the four-year period.

(2) The Secretary awards points on a sliding scale giving 10 points to applicants with the highest dollar increase as calculated in paragraph (a)(1) of this section and no points to applicants with the lowest dollar increase.

(3) In measuring an applicant's relative increase in market value of its endowment and quasi-endowment funds, the Secretary—

(i) Divides an amount equal to the market value of the applicant's endowment and quasi-endowment funds at the beginning of the four-year period described in paragraph (a) of this section by the applicant's full-time equivalent enrollment at the end of the four-year period.

(ii) Adds \$50 to the amount obtained in paragraph (a)(3)(i) of this section.

(iii) Divides the result obtained in paragraph (a)(1)(ii) of this section by the amount obtained in paragraph (a)(3)(ii) of this section.

(4)(i) If the amount of endowment per full-time equivalent student under paragraph (a)(3)(i) of this section is \$50 or more, the Secretary awards points on a sliding scale giving 15 points to

applicants with a relative increase of 100 percent or more and no points to applicants that have had a relative decrease of more than 20 percent.

(ii) If the amount of endowment per full-time equivalent student under paragraph (a)(3)(i) of this section is less than \$50, the Secretary awards points on a sliding scale giving 15 points to applicants with a relative increase of 100 percent or more and no points to applicants that have had no relative increase.

(5) In measuring the applicant's past effort, the Secretary—

(i) Excludes real estate from being considered as part of the applicant's existing endowment or quasi-endowment fund; and

(ii) Includes an endowment or quasi-endowment fund operated by a foundation if the foundation is tax-exempt and was established for the purpose of raising money for the institution.

(b) The Secretary considers the degree of proposed nongovernmental matching funds. (Total: 15 points max-

imum for the highest proposed percentage)

(1) The Secretary measures the degree to which an applicant proposes to match the grant with funds from sources other than a State or local government—giving up to 15 points to applicants proposing to obtain the largest percentage of matching funds from those nongovernmental sources.

(2) If an applicant is applying for an endowment challenge grant for the first time, the Secretary multiplies the maximum number of points (i.e., 15 points) on this criterion times the following fraction:

$$\frac{\text{Amount of matching funds proposed from nongovernmental sources}}{\text{Total proposed amount of matching funds}}$$

(3) If an applicant has previously received an endowment challenge grant, the Secretary uses the following formula in awarding points under this criterion:

$$\frac{\text{Amount of matching funds proposed from nongovernmental sources}}{\text{Total proposed amount of matching funds}} \times \frac{\text{Amount of matching funds from nongovernmental sources actually raised under previous endowment challenge grant}}{\text{Amount of matching funds proposed to be raised from nongovernmental sources under the previous endowment challenge grant}} \times 15 \text{ points} = \text{Points on this criterion}$$

(c) The Secretary considers the need for an endowment challenge grant as measured by the applicant's lack of resources.

(1) The Secretary gives up to 50 points to applicants with the least resources as measured, at the end of the applicant's fiscal year preceding the year it applies for an endowment challenge grant, by revenue per full-time equivalent student it receives from the sum of the following—

(i) Federal, State and local government appropriations;

(ii) Unrestricted Federal, State and local government grants and contracts;

(iii) Eighty percent of tuition and fees; and

(iv) Unrestricted and restricted "endowment income".

(2) In measuring the applicant's resources, the Secretary—

(i) Defines the factors in paragraphs (c)(1)(i) through (iv) as they are defined in the Education Department Higher Education General Information Survey of Financial Statistics.

(ii) Excludes real estate from being considered as part of the applicant's

Ofc. of Postsecondary Educ., Education

existing endowment or quasi-endowment fund.

§ 628.32 What funding priorities does the Secretary use in evaluating an application for an endowment challenge grant?

In evaluating an endowment challenge grant application, the Secretary uses the following two priorities:

(a) *Recipient or former recipient of a grant under the Strengthening Institutions, Special Needs, Hispanic-Serving Institutions, Strengthening Historically Black Colleges and Universities, or Strengthening Historically Black Graduate Institutions Program.* (Total: 20 points) The Secretary gives 20 points to each applicant who on October 1 of the fiscal year in which the applicant is applying for an endowment challenge grant is a current recipient of a planning or development grant, or was a recipient of a planning or development grant within the five preceding fiscal years, under the Strengthening Institutions, Special Needs, Hispanic-Serving Institutions, Strengthening Historically Black Colleges and Universities, or Strengthening Historically Black Graduate Institutions Program.

(b) *Need for an endowment challenge grant as measured by the lack of endowment funds.* (Total: 20 points)

(1) The Secretary gives up to 20 total points to an applicant with the greatest need for an endowment challenge grant under this part, as measured by the applicant's lack of endowment funds.

(2) The Secretary gives up to 20 points to the applicant with the lowest market value, at the end of the applicant's fiscal year preceding the year it applies for an endowment challenge grant, of its existing endowment and quasi-endowment fund in relation to the number of full-time equivalent students enrolled at the institution in the fall of the year preceding the year it applies for an endowment challenge grant.

(3) In measuring the applicant's need for an endowment challenge grant, the

Secretary excludes real estate from being considered as part of the applicant's existing endowment or quasi-endowment fund.

(a) To receive an endowment challenge grant, an institution must raise at least \$25,000 in matching funds and qualify for at least a \$50,000 grant under paragraph (c) of this section.

(b) If an institution obtains at least \$25,000 in matching funds and raises all the nongovernmental funds it proposed to raise in its application, the institution may receive a grant equal to twice the amount of matching funds it raises up to—

(1) \$500,000 in any fiscal year in which the amount appropriated for the Endowment Challenge Grant Program is less than \$15,000,000;

(2) \$1,000,000 in any fiscal year in which the amount appropriated for the Endowment Challenge Grant Program equals or exceeds \$15,000,000 but is less than \$25,000,000; or

(3) \$1,500,000 in any fiscal year in which the amount appropriated for the Endowment Challenge Grant Program equals or exceeds \$25,000,000.

(c) If an institution does not raise all the nongovernmental funds it proposes to raise in its application, the Secretary reduces the institution's grant by multiplying the grant amount requested by the following fraction:

[Redesignated and amended at 75 FR 65773, Oct. 26, 2010]

§ 642.25 What is the review process for unsuccessful applicants?

(a) *Technical or administrative error for applications not reviewed.* (1) An applicant whose grant application was not evaluated during the competition may request that the Secretary review the application if—

(i) The applicant has met all of the application submission requirements included in the FEDERAL REGISTER notice inviting applications and the other published application materials for the competition; and

(ii) The applicant provides evidence demonstrating that the Department or an agent of the Department made a technical or administrative error in the processing of the submitted application.

(2) A technical or administrative error in the processing of an application includes—

(i) A problem with the system for the electronic submission of applications that was not addressed in accordance with the procedures included in the FEDERAL REGISTER notice inviting applications for the competition;

(ii) An error in determining an applicant's eligibility for funding consideration, which may include, but is not limited to—

(A) An incorrect conclusion that the application was submitted by an ineligible applicant;

(B) An incorrect conclusion that the application exceeded the published page limit;

(C) An incorrect conclusion that the applicant requested funding greater than the published maximum award; or

(D) An incorrect conclusion that the application was missing critical sections of the application; and

(iii) Any other mishandling of the application that resulted in an otherwise eligible application not being reviewed during the competition.

(3)(i) If the Secretary determines that the Department or the Department's agent made a technical or administrative error, the Secretary has the application evaluated and scored.

(ii) If the total score assigned the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c) of this section.

(b) *Administrative or scoring error for applications that were reviewed.* (1) An applicant that was not selected for funding during a competition may request that the Secretary conduct a second review of the application if—

(i) The applicant provides evidence demonstrating that the Department, an agent of the Department, or a peer reviewer made an administrative or scoring error in the review of its application; and

(ii) The final score assigned to the application is within the funding band described in paragraph (d) of this section.

(2) An administrative error relates to either the PE points or the scores assigned to the application by the peer reviewers.

(i) For PE points, an administrative error includes mathematical errors made by the Department or the Department's agent in the calculation of the PE points or a failure to correctly add the earned PE points to the peer reviewer score.

(ii) For the peer review score, an administrative error is applying the wrong peer reviewer scores to an application.

(3)(i) A scoring error relates only to the peer review process and includes errors caused by a reviewer who, in assigning points—

(A) Uses criteria not required by the applicable law or program regulations, the FEDERAL REGISTER notice inviting applications, the other published application materials for the competition, or guidance provided to the peer reviewers by the Secretary; or

(B) Does not consider relevant information included in the appropriate section of the application.

(ii) The term “scoring error” does not include—

(A) A peer reviewer's appropriate use of his or her professional judgment in evaluating and scoring an application;

(B) Any situation in which the applicant did not include information needed to evaluate its response to a specific selection criterion in the appropriate section of the application as stipulated in the FEDERAL REGISTER notice inviting applications or the other published application materials for the competition; or

(C) Any error by the applicant.

(c) *Procedures for the second review.* (1) To ensure the timely awarding of grants under the competition, the Secretary sets aside a percentage of the funds allotted for the competition to be awarded after the second review is completed.

(2) After the competition, the Secretary makes new awards in rank order as described in § 642.20 based on the available funds for the competition minus the funds set aside for the second review.

(3) After the Secretary issues a notification of grant award to successful applicants, the Secretary notifies each unsuccessful applicant in writing as to the status of its application and the funding band for the second review and provides copies of the peer reviewers' evaluations of the applicant's application and the applicant's PE score, if applicable.

(4) An applicant that was not selected for funding following the competition as described in paragraph (c)(2) of this section and whose application received a score within the funding band as described in paragraph (d) of this section, may request a second review if the applicant demonstrates that the Department, the Department's agent, or a peer reviewer made an administrative or scoring error as provided in paragraph (b) of this section.

(5) An applicant whose application was not funded after the first review as described in paragraph (c)(2) of this section and whose application received a score within the funding band as described in paragraph (d) of this section has at least 15 calendar days after receiving notification that its application was not funded in which to submit

a written request for a second review in accordance with the instructions and due date provided in the Secretary's written notification.

(6) An applicant's written request for a second review must be received by the Department or submitted electronically to a designated e-mail or Web address by the due date and time established by the Secretary.

(7) If the Secretary determines that the Department or the Department's agent made an administrative error that relates to the PE points awarded, as described in paragraph (b)(2)(i) of this section, the Secretary adjusts the applicant's PE score to reflect the correct number of PE points. If the adjusted score assigned to the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c)(9) of this section.

(8) If the Secretary determines that the Department, the Department's agent or the peer reviewer made an administrative error that relates to the peer reviewers' score(s), as described in paragraph (b)(2)(ii) of this section, the Secretary adjusts the applicant's peer reviewers' score(s) to correct the error. If the adjusted score assigned to the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c)(9) of this section.

(9) If the Secretary determines that a peer reviewer made a scoring error, as described in paragraph (b)(3) of this section, the Secretary convenes a second panel of peer reviewers in accordance with the requirements in section 402A(c)(8)(C)(iv)(III) of the HEA.

(10) The average of the peer reviewers' scores from the second peer review are used in the second ranking of applications. The average score obtained from the second peer review panel is the final peer reviewer score for the application and will be used even if the second review results in a lower score

for the application than that obtained in the initial review.

(11) For applications in the funding band, the Secretary funds these applications in rank order based on adjusted scores and the available funds that have been set aside for the second review of applications.

(d) *Process for establishing a funding band.* (1) For each competition, the Secretary establishes a funding band for the second review of applications.

(2) The Secretary establishes the funding band for each competition based on the amount of funds the Secretary has set aside for the second review of applications.

(3) The funding band is composed of those applications—

(i) With a rank-order score before the second review that is below the lowest score of applications funded after the first review; and

(ii) That would be funded if the Secretary had 150 percent of the funds that were set aside for the second review of applications for the competition.

(e) *Final decision.* (1) The Secretary's determination of whether the applicant has met the requirements for a second review and the Secretary's decision on re-scoring of an application are final and not subject to further appeal or challenge.

(2) An application that scored below the established funding band for the competition is not eligible for a second review.

§ 643.22 How does the Secretary evaluate prior experience?

(a) In the case of an application described in § 643.20(a)(2)(i), the Secretary—

(1) Evaluates the applicant's performance under its expiring Talent Search project;

(2) Uses the approved project objectives for the applicant's expiring Talent Search grant and the information the applicant submitted in its annual performance reports (APRs) to determine the number of PE points; and

(3) May adjust a calculated PE score or decide not to award PE points if other information such as audit reports, site visit reports, and project evaluation reports indicates the APR data used to calculate PE are incorrect.

(b) The Secretary does not award PE points for a given year to an applicant that does not serve at least 90 percent of the approved number of participants. For purposes of this section, the approved number of participants is the total number of participants the project would serve as agreed upon by the grantee and the Secretary.

(c) The Secretary does not award any PE points for the criterion specified in paragraph (d)(1) of this section (Number of participants) if the applicant did

not serve at least the approved number of participants.

(d) For purposes of the evaluation of grants awarded after January 1, 2009, the Secretary evaluates the applicant's PE on the basis of the following outcome criteria:

(1) (3 points) *Number of participants*. Whether the applicant provided services to no less than the approved number of participants.

(2) (3 points) *Secondary school persistence*. Whether the applicant met or exceeded its objective regarding the continued secondary school enrollment of participants.

(3) (3 points) *Secondary school graduation* (regular secondary school diploma). Whether the applicant met or exceeded its objective regarding the graduation of participants served during the project year from secondary school with a regular secondary school diploma in the standard number of years.

(6) (1.5 points) *Postsecondary completion*. Whether the applicant met or exceeded its objective regarding project participants who enrolled in and completed a program of postsecondary education within the number of years specified in the approved objective. (2) 34 CFR 75.253, for the second and subsequent years of a project period.

(b) If the circumstances described in section 402A(b)(3) of the HEA exist, the Secretary uses the available funds to set the amount of the grant at the lesser of—

§ 643.24 What is the review process for unsuccessful applicants?

(a) *Technical or administrative error for applications not reviewed.* (1) An applicant whose grant application was not evaluated during the competition may request that the Secretary review the application if—

(i) The applicant has met all application submission requirements included in the FEDERAL REGISTER notice inviting applications and the other published application materials for the competition; and

(ii) The applicant provides evidence demonstrating that the Department or an agent of the Department made a technical or administrative error in the processing of the submitted application.

(2) A technical or administrative error in the processing of an application includes—

(i) A problem with the system for the electronic submission of applications

34 CFR Ch. VI (7–1–20 Edition)

that was not addressed in accordance with the procedures included in the FEDERAL REGISTER notice inviting applications for the competition;

(ii) An error in determining an applicant's eligibility for funding consideration, which may include, but is not limited to—

(A) An incorrect conclusion that the application was submitted by an ineligible applicant;

(B) An incorrect conclusion that the application exceeded the published page limit;

(C) An incorrect conclusion that the applicant requested funding greater than the published maximum award; or

(D) An incorrect conclusion that the application was missing critical sections of the application; and

(iii) Any other mishandling of the application that resulted in an otherwise eligible application not being reviewed during the competition.

(3)(i) If the Secretary determines that the Department or the Department's agent made a technical or administrative error, the Secretary has the application evaluated and scored.

(ii) If the total score assigned the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c) of this section.

(b) *Administrative or scoring error for applications that were reviewed.* (1) An applicant that was not selected for funding during a competition may request that the Secretary conduct a second review of the application if—

(i) The applicant provides evidence demonstrating that the Department, an agent of the Department, or a peer reviewer made an administrative or scoring error in the review of its application; and

(ii) The final score assigned to the application is within the funding band described in paragraph (d) of this section.

(2) An administrative error relates to either the PE points or the scores assigned to the application by the peer reviewers.

(i) For PE points, an administrative error includes mathematical errors made by the Department or the Department's agent in the calculation of the PE points or a failure to correctly add the earned PE points to the peer reviewer score.

(ii) For the peer review score, an administrative error is applying the wrong peer reviewer scores to an application.

(3)(i) A scoring error relates only to the peer review process and includes errors caused by a reviewer who, in assigning points—

(A) Uses criteria not required by the applicable law or program regulations, the FEDERAL REGISTER notice inviting applications, the other published application materials for the competition, or guidance provided to the peer reviewers by the Secretary; or

(B) Does not consider relevant information included in the appropriate section of the application.

(ii) The term "scoring error" does not include—

(A) A peer reviewer's appropriate use of his or her professional judgment in evaluating and scoring an application;

(B) Any situation in which the applicant did not include information needed to evaluate its response to a specific selection criterion in the appropriate section of the application as stipulated in the FEDERAL REGISTER notice inviting applications or the other published application materials for the competition; or

(C) Any error by the applicant.

(c) *Procedures for the second review.* (1) To ensure the timely awarding of grants under the competition, the Secretary sets aside a percentage of the funds allotted for the competition to be awarded after the second review is completed.

(2) After the competition, the Secretary makes new awards in rank order as described in § 643.20 based on the available funds for the competition minus the funds set aside for the second review.

(3) After the Secretary issues a notification of grant award to successful applicants, the Secretary notifies each unsuccessful applicant in writing as to the status of its application and the funding band for the second review and

provides copies of the peer reviewers' evaluations of the applicant's application and the applicant's PE score, if applicable.

(4) An applicant that was not selected for funding following the competition as described in paragraph (c)(2) of this section and whose application received a score within the funding band as described in paragraph (d) of this section, may request a second review if the applicant demonstrates that the Department, the Department's agent, or a peer reviewer made an administrative or scoring error as provided in paragraph (b) of this section.

(5) An applicant whose application was not funded after the first review as described in paragraph (c)(2) of this section and whose application received a score within the funding band as described in paragraph (d) of this section has at least 15 calendar days after receiving notification that its application was not funded in which to submit a written request for a second review in accordance with the instructions and due date provided in the Secretary's written notification.

(6) An applicant's written request for a second review must be received by the Department or submitted electronically to the designated e-mail or Web address by the due date and time established by the Secretary.

(7) If the Secretary determines that the Department or the Department's agent made an administrative error that relates to the PE points awarded, as described in paragraph (b)(2)(i) of this section, the Secretary adjusts the applicant's PE score to reflect the correct number of PE points. If the adjusted score assigned to the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c)(9) of this section.

(8) If the Secretary determines that the Department, the Department's agent or the peer reviewer made an administrative error that relates to the peer reviewers' score(s), as described in paragraph (b)(2)(ii) of this section, the Secretary adjusts the applicant's peer

§ 643.30

34 CFR Ch. VI (7–1–20 Edition)

reviewers' score(s) to correct the error. If the adjusted score assigned to the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c)(9) of this section.

(9) If the Secretary determines that a peer reviewer made a scoring error, as described in paragraph (b)(3) of this section, the Secretary convenes a second panel of peer reviewers in accordance with the requirements in section 402A(c)(8)(C)(iv)(III) of the HEA.

(10) The average of the peer reviewers' scores from the second peer review are used in the second ranking of applications. The average score obtained from the second peer review panel is the final peer reviewer score for the application and will be used even if the second review results in a lower score for the application than that obtained in the initial review.

(11) For applications in the funding band, the Secretary funds these applications in rank order based on adjusted scores and the available funds that have been set aside for the second review of applications.

(d) *Process for establishing a funding band.* (1) For each competition, the Secretary establishes a funding band for the second review of applications.

(2) The Secretary establishes the funding band for each competition based on the amount of funds the Secretary has set aside for the second review of applications.

(3) The funding band is composed of those applications—

(i) With a rank-order score before the second review that is below the lowest score of applications funded after the first review; and

(ii) That would be funded if the Secretary had 150 percent of the funds that were set aside for the second review of applications for the competition.

(e) *Final decision.* (1) The Secretary's determination of whether the applicant has met the requirements for a second review and the Secretary's decision on re-scoring of an application are final and not subject to further appeal or challenge.

(2) An application that scored below the established funding band for the competition is not eligible for a second review.

[59 FR 2658, Jan. 18, 1994, as amended at 75 FR 65781, Oct. 26, 2010]

§ 644.21 What selection criteria does the Secretary use?

The Secretary uses the following criteria to evaluate an application for a new grant:

(a) *Need for the project* (24 points). The Secretary evaluates the need for an

(b) *Objectives* (8 points). The Secretary evaluates the quality of the applicant's objectives and proposed targets (percentages) in the following areas on the basis of the extent to which they are both ambitious, as related to the need data provided under paragraph (a) of this section, and attainable, given the project's plan of operation, budget, and other resources:

(2) (3 points) Postsecondary enrollment.

(3) (1.5 points) Financial aid applications.

(4) (1.5 points) College admission applications.

(d) *Applicant and community support* (16 points). The Secretary evaluates the applicant and community support for the proposed project on the basis of the extent to which the applicant has made provision for resources to supplement the grant and enhance the project's services, including—

(1) (8 points) Facilities, equipment, supplies, personnel, and other resources committed by the applicant; and

(2) (8 points) Resources secured through written commitments from schools, community organizations, and others.

(i) The qualifications required of the project director.

(ii) The qualifications required of each of the other personnel to be used in the project.

(iii) The plan to employ personnel who have succeeded in overcoming the disadvantages or circumstances like those of the population of the target area.

(2) In evaluating the qualifications of a person, the Secretary considers his or her experience and training in fields related to the objectives of the project.

(f) *Budget* (5 points). The Secretary evaluates the extent to which the project budget is reasonable, cost-effective, and adequate to support the project.

(g) *Evaluation plan* (8 points). The Secretary evaluates the quality of the evaluation plan for the project on the basis of the extent to which the applicant's methods of evaluation—

(1) Are appropriate to the project's objectives;

(2) Provide for the applicant to determine, using specific and quantifiable measures, the success of the project in—

(i) Making progress toward achieving its objectives (a formative evaluation); and

§ 644.22 How does the Secretary evaluate prior experience?

(a) In the case of an application described in § 644.20(a)(2)(i), the Secretary—

(1) Evaluates the applicant's performance under its expiring Educational Opportunity Centers project;

(2) Uses the approved project objectives for the applicant's expiring Educational Opportunity Centers grant and the information the applicant submitted in its annual performance reports (APRs) to determine the number of PE points; and

(3) May adjust a calculated PE score or decide not to award PE points if other information such as audit reports, site visit reports, and project evaluation reports indicates the APR data used to calculate PE points are incorrect.

(b) The Secretary does not award PE points for a given year to an applicant that does not serve at least 90 percent of the approved number of participants. For purposes of this section, the approved number of participants is the total number of participants the project would serve as agreed upon by the grantee and the Secretary.

(c) The Secretary does not award PE points for the criterion specified in paragraph (d)(1) of this section (Number of participants) if the applicant did not serve at least the approved number of participants.

§ 644.23

(d) For purposes of the PE evaluation of grants awarded after January 1, 2009, the Secretary evaluates the applicant's PE on the basis of the following outcome criteria:

(1) (3 points) *Number of participants.* Whether the applicant provided services to no less than the approved number of participants.

(2) (3 points) *Secondary school diploma.* Whether the applicant met or exceeded its approved objective with regard to participants served during the project year who do not have a secondary school diploma or its equivalent who receive a secondary school diploma or its equivalent within the time period specified in the approved objective.

(3) (5 points) *Postsecondary enrollment.* Whether the applicant met or exceeded its approved objective with regard to the secondary school graduates served during the project year who enroll in programs of postsecondary education within the time period specified in the approved objective.

(4) (2 points) *Financial aid applications.* Whether the applicant met or exceeded its objective regarding participants applying for financial aid.

(5) (2 points) *College admission applications.* Whether the applicant met or exceeded its objective regarding participants applying for college admission.

34 CFR Ch. VI (7-1-20 Edition)

§ 644.24 What is the review process for unsuccessful applicants?

(a) *Technical or administrative error for applications not reviewed.* (1) An applicant whose grant application was not evaluated during the competition may request that the Secretary review the application if—

(i) The applicant has met all of the application submission requirements included in the FEDERAL REGISTER notice inviting applications and the other published application materials for the competition; and

(ii) The applicant provides evidence demonstrating that the Department or an agent of the Department made a technical or administrative error in the processing of the submitted application.

(2) A technical or administrative error in the processing of an application includes—

(i) A problem with the system for the electronic submission of applications that was not addressed in accordance with the procedures included in the FEDERAL REGISTER notice inviting applications for the competition;

(ii) An error in determining an applicant's eligibility for funding consideration, which may include, but is not limited to—

(A) An incorrect conclusion that the application was submitted by an ineligible applicant;

(B) An incorrect conclusion that the application exceeded the published page limit;

(C) An incorrect conclusion that the applicant requested funding greater than the published maximum award; or

(D) An incorrect conclusion that the application was missing critical sections of the application; and

(iii) Any other mishandling of the application that resulted in an otherwise eligible application not being reviewed during the competition.

(3)(i) If the Secretary determines that the Department or the Department's agent made a technical or administrative error, the Secretary has the application evaluated and scored.

(ii) If the total score assigned the application would have resulted in funding of the application during the competition and the program has funds

available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c) of this section.

(b) *Administrative or scoring error for applications that were reviewed.* (1) An applicant that was not selected for funding during a competition may request that the Secretary conduct a second review of the application if—

(i) The applicant provides evidence demonstrating that the Department, an agent of the Department, or a peer reviewer made an administrative or scoring error in the review of its application; and

(ii) The final score assigned to the application is within the funding band described in paragraph (d) of this section.

(2) An administrative error relates to either the PE points or the scores assigned to the application by the peer reviewers.

(i) For PE points, an administrative error includes mathematical errors made by the Department or the Department's agent in the calculation of the PE points or a failure to correctly add the earned PE points to the peer reviewer score.

(ii) For the peer review score, an administrative error is applying the wrong peer reviewer scores to an application.

(3)(i) A scoring error relates only to the peer review process and includes errors caused by a reviewer who, in assigning points—

(A) Uses criteria not required by the applicable law or program regulations, the FEDERAL REGISTER notice inviting applications, the other published application materials for the competition, or guidance provided to the peer reviewers by the Secretary; or

(B) Does not consider relevant information included in the appropriate section of the application.

(ii) The term “scoring error” does not include—

(A) A peer reviewer's appropriate use of his or her professional judgment in evaluating and scoring an application;

(B) Any situation in which the applicant did not include information needed to evaluate its response to a specific selection criterion in the appropriate

section of the application as stipulated in the FEDERAL REGISTER notice inviting applications or the other published application materials for the competition; or

(C) Any error by the applicant.

(c) *Procedures for the second review.* (1) To ensure the timely awarding of grants under the competition, the Secretary sets aside a percentage of the funds allotted for the competition to be awarded after the second review is completed.

(2) After the competition, the Secretary makes new awards in rank order as described in § 644.20 based on the available funds for the competition minus the funds set aside for the second review.

(3) After the Secretary issues a notification of grant award to successful applicants, the Secretary notifies each unsuccessful applicant in writing as to the status of its application and the funding band for the second review and provides copies of the peer reviewers' evaluations of the applicant's application and the applicant's PE score, if applicable.

(4) An applicant that was not selected for funding following the competition as described in paragraph (c)(2) of this section and whose application received a score within the funding band as described in paragraph (d) of this section, may request a second review if the applicant demonstrates that the Department, the Department's agent, or a peer reviewer made an administrative or scoring error as provided in paragraph (b) of this section.

(5) An applicant whose application was not funded after the first review as described in paragraph (c)(2) of this section and whose application received a score within the funding band as described in paragraph (d) of this section has at least 15 calendar days after receiving notification that its application was not funded in which to submit a written request for a second review in accordance with the instructions and due date provided in the Secretary's written notification.

(6) An applicant's written request for a second review must be received by the Department or submitted electronically to the designated e-mail or

Web address by the due date and time established by the Secretary.

(7) If the Secretary determines that the Department or the Department's agent made an administrative error that relates to the PE points awarded, as described in paragraph (b)(2)(i) of this section, the Secretary adjusts the applicant's PE score to reflect the correct number of PE points. If the adjusted score assigned to the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c)(9) of this section.

(8) If the Secretary determines that the Department, the Department's agent or the peer reviewer made an administrative error that relates to the peer reviewers' score(s), as described in paragraph (b)(2)(ii) of this section, the Secretary adjusts the applicant's peer reviewers' score(s) to correct the error. If the adjusted score assigned to the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c)(9) of this section.

(9) If the Secretary determines that a peer reviewer made a scoring error, as described in paragraph (b)(3) of this section, the Secretary convenes a second panel of peer reviewers in accordance with the requirements in section 402A(c)(8)(C)(iv)(III) of the HEA.

(10) The average of the peer reviewers' scores from the second peer review are used in the second ranking of applications. The average score obtained from the second peer review panel is the final peer reviewer score for the application and will be used even if the second review results in a lower score for the application than that obtained in the initial review.

(11) For applications in the funding band, the Secretary funds these applications in rank order based on adjusted scores and the available funds that have been set aside for the second review of applications.

(d) *Process for establishing a funding band.* (1) For each competition, the Secretary establishes a funding band for the second review of applications.

(2) The Secretary establishes the funding band for each competition based on the amount of funds the Secretary has set aside for the second review of applications.

(3) The funding band is composed of those applications—

(i) With a rank-order score before the second review that is below the lowest score of applications funded after the first review; and

(ii) That would be funded if the Secretary had 150 percent of the funds that were set aside for the second review of applications for the competition.

(e) *Final decision.* (1) The Secretary's determination of whether the applicant has met the requirements for a second review and the Secretary's decision on re-scoring of an application are final and not subject to further appeal or challenge.

(2) An application that scored below the established funding band for the competition is not eligible for a second review.

Subpart D—How Does the Secretary Make a Grant?

§ 645.30 How does the Secretary decide which grants to make?

(a) The Secretary evaluates an application for a grant as follows:

(1)(i) The Secretary evaluates the application on the basis of the selection criteria in § 645.31.

(2)(i) If an applicant for a new grant proposes to continue to serve substantially the same target population and schools that the applicant is serving under an expiring project, the Secretary evaluates the applicant's prior experience of high quality service delivery under the expiring Upward Bound project on the basis of the outcome criteria in § 645.32.

(ii) The maximum total score for all the criteria in § 645.32 is 15 points. The maximum score for each criterion is indicated in parentheses with the criterion.

(iii) The Secretary evaluates the PE of an applicant for each of the three project years that the Secretary designates in the FEDERAL REGISTER notice inviting applications and the other published application materials for the competition.

(iv) An applicant may earn up to 15 PE points for each of the designated project years for which annual performance report data are available.

(v) The final PE score is the average of the scores for the three project years assessed.

(b) The Secretary makes grants in rank order on the basis of the application's total scores under paragraphs (a)(1) and (a)(2) of this section.

(c) If the total scores of two or more applications are the same and there are insufficient funds for these applications after the approval of higher-ranked applications, the Secretary uses whatever remaining funds are available to serve geographic areas that have been underserved by the Upward Bound Program.

(d) The Secretary does not make a new grant to an applicant if the applicant's prior project involved the fraudulent use of program funds.

(Authority: 20 U.S.C. 1070a-11, 1070a-13)

[60 FR 4748, Jan. 24, 1995, as amended at 75 FR 65786, Oct. 26, 2010]

§ 645.31 What selection criteria does the Secretary use?

The Secretary uses the following criteria to evaluate an application for a grant:

(a) *Need for the project* (24 points). In determining need for an Upward Bound project, the Secretary reviews each type of project (Regular, Math and

Science, or Veterans) using different need criteria. The criteria for each type of project contain the same maximum score of 24 points and read as follows:

(1) The Secretary evaluates the need for a Regular Upward Bound project in the proposed target area on the basis of information contained in the application which clearly demonstrates that—

- (i) The income level of families in the target area is low;
- (ii) The education attainment level of adults in the target area is low;
- (iii) Target high school dropout rates are high;
- (iv) College-going rates in target high schools are low;
- (v) Student/counselor ratios in the target high schools are high; and
- (vi) Unaddressed academic, social and economic conditions in the target area pose serious problems for low-income, potentially first-generation college students.

(2) The Secretary evaluates the need for an Upward Bound Math and Science Center in the proposed target area on the basis of—

- (i) The extent to which student performance on standardized achievement and assessment tests in mathematics and science in the target area is lower than State or national norms.
- (ii) The extent to which potential participants attend schools in the target area that lack the resources and coursework that would help prepare persons for entry into postsecondary programs in mathematics, science, or engineering;
- (iii) The extent to which such indicators as attendance data, dropout rates, college-going rates and student/counselor ratios in the target area indicate the importance of having additional educational opportunities available to low-income, first-generation students; and
- (iv) The extent to which there are eligible students in the target area who have demonstrated interest and capacity to pursue academic programs and careers in mathematics and science, and who could benefit from an Upward Bound Math and Science program.

(3) The Secretary evaluates the need for a Veterans Upward Bound project

in the proposed target area on the basis of clear evidence that shows—

- (i) The proposed target area lacks the services for eligible veterans that the applicant proposes to provide;
- (ii) A large number of veterans who reside in the target area are low income and potential first generation college students;
- (iii) A large number of veterans who reside in the target area who have not completed high school or, have completed high school but have not enrolled in a program of postsecondary education; and
- (iv) Other indicators of need for a Veterans Upward Bound project, including the presence of unaddressed academic or socio-economic problems of veterans in the area.

(b) *Objectives* (9 points). The Secretary evaluates the quality of the applicant's objectives and proposed targets (percentages) in the following areas on the basis of the extent to which they are both ambitious, as related to the need data provided under paragraph (a) of this section, and attainable, given the project's plan of operation, budget, and other resources:

(1) For Regular Upward Bound and Upward Bound Math and Science Centers—

- (i) (1 point) Academic performance (GPA);
- (ii) (1 point) Academic performance (standardized test scores);
- (iii) (2 points) Secondary school retention and graduation (with regular secondary school diploma);
- (iv) (1 point) Completion of rigorous secondary school program of study;
- (v) (3 points) Postsecondary enrollment; and
- (vi) (1 point) Postsecondary completion.

(2) For Veterans Upward Bound—

- (i) (2 points) Academic performance (standardized test scores);
- (ii) (3 points) Education program retention and completion;
- (iii) (3 points) Postsecondary enrollment; and
- (iv) (1 point) Postsecondary completion.

(c) *Plan of operation* (30 points). The Secretary determines the quality of the applicant's plan of operation by assessing the quality of—

(1) The plan to inform the faculty and staff at the applicant institution or agency and the interested individuals and organizations throughout the target area of the goals and objectives of the project;

(2) The plan for identifying, recruiting, and selecting participants to be served by the project;

(3) The plan for assessing individual participant needs and for monitoring the academic progress of participants while they are in Upward Bound;

(4) The plan for locating the project within the applicant's organizational structure;

(5) The curriculum, services and activities that are planned for participants in both the academic year and summer components;

(6) The planned timelines for accomplishing critical elements of the project;

(7) The plan to ensure effective and efficient administration of the project, including, but not limited to, financial management, student records management, and personnel management;

(8) The applicant's plan to use its resources and personnel to achieve project objectives and to coordinate the Upward Bound project with other projects for disadvantaged students;

(9) The plan to work cooperatively with parents and key administrative, teaching, and counseling personnel at the target schools to achieve project objectives; and

(10) A follow-up plan for tracking graduates of Upward Bound as they enter and continue in postsecondary education.

(d) *Applicant and community support* (16 points). The Secretary evaluates the applicant and community support for the proposed project on the basis of the extent to which—

(1) The applicant is committed to supplementing the project with resources that enhance the project such as: space, furniture and equipment, supplies, and the time and effort of personnel other than those employed in the project.

(2) Resources secured through written commitments from community partners.

(i) An applicant that is an institution of higher education must include in its

application commitments from the target schools and community organizations;

(ii) An applicant that is a secondary school must include in its commitments from institutions of higher education, community organizations, and, as appropriate, other secondary schools and the school district;

(iii) An applicant that is a community organization must include in its application commitments from the target schools and institutions of higher education.

(e) *Quality of personnel* (8 points). To determine the quality of personnel the applicant plans to use, the Secretary looks for information that shows—

(1) The qualifications required of the project director, including formal training or work experience in fields related to the objectives of the project and experience in designing, managing, or implementing similar projects;

(2) The qualifications required of each of the other personnel to be used in the project, including formal training or work experience in fields related to the objectives of the project;

(3) The quality of the applicant's plan for employing personnel who have succeeded in overcoming barriers similar to those confronting the project's target population.

(f) *Budget and cost effectiveness* (5 points). The Secretary reviews each application to determine the extent to which—

(1) The budget for the project is adequate to support planned project services and activities; and

(2) Costs are reasonable in relation to the objectives and scope of the project.

(g) *Evaluation plan* (8 points). The Secretary evaluates the quality of the evaluation plan for the project on the basis of the extent to which the applicant's methods of evaluation—

§ 645.32 How does the Secretary evaluate prior experience?

(a) In the case of an application described in § 645.30(a)(2)(i), the Secretary—

(1) Evaluates the applicant's performance under its expiring Upward Bound project;

(2) Uses the approved project objectives for the applicant's expiring Upward Bound grant and the information the applicant submitted in its annual performance reports (APRs) to determine the number of PE points; and

(3) May adjust a calculated PE score or decide not to award any PE points if other information such as audit reports, site visit reports, and project evaluation reports indicates the APR data used to calculate PE points are incorrect.

(b) The Secretary does not award PE points for a given year to an applicant that does not serve at least 90 percent of the approved number of participants. For purposes of this section, the approved number of participants is the total number of participants the project would serve as agreed upon by the grantee and the Secretary.

(c) The Secretary does not award PE points for the criteria specified in paragraphs (e)(1)(i) and (e)(2)(i) of this section (Number of participants) if the applicant did not serve at least the approved number of participants.

(d) The Secretary uses the approved number of participants, or the actual number of participants served in a given year if greater than the approved number of participants, as the denominator for calculating whether the applicant has met its approved objectives related to the following PE criteria:

(1) Regular Upward Bound and Upward Bound Math and Science Centers PE criteria in paragraph (e)(1)(ii) of this section (Academic performance) and paragraph (e)(1)(iii) of this section

(Secondary school retention and graduation).

(2) Veterans Upward Bound PE criteria in paragraph (e)(2)(iii) of this section (Education program retention and completion).

(e) For purposes of the PE evaluation of grants awarded after January 1, 2009, the Secretary evaluates the applicant's PE on the basis of the following outcome criteria:

(1) *Regular Upward Bound and Upward Bound Math and Science Centers.*

(i) (3 points) *Number of participants.* Whether the applicant provided services to no less than the approved number of participants.

(ii) *Academic Performance.* (A) (1.5 points) Whether the applicant met or exceeded its approved objective with regard to participants served during the project year who had a cumulative GPA at the end of the school year that was not less than the GPA specified in the approved objective.

(B) (1.5 points) Whether the applicant met or exceeded its approved objective with regard to participants served during the project period who met the academic performance levels on standardized tests as specified in the approved objectives.

(iii) (3 points) *Secondary school retention and graduation.* Whether the applicant met or exceeded its approved objective with regard to participants served during the project year who returned the next school year or graduated from secondary school with a regular secondary school diploma.

(iv) (1.5 points) *Rigorous secondary school program of study.* Whether the applicant met or exceeded its approved objective with regard to current and prior participants with an expected high school graduation date in the school year who completed a rigorous secondary school program of study.

(v) (3 points) *Postsecondary enrollment.* Whether the applicant met or exceeded its approved objective with regard to current and prior participants with an expected high school graduation date in the school year who enrolled in a program of postsecondary education within the time period specified in the approved objective.

(vi) (1.5 points) *Postsecondary completion*. Whether the applicant met or exceeded its approved objective with regard to participants who enrolled in a program of postsecondary education and attained a postsecondary degree within the number of years specified in the approved objective.

(2) *Veterans Upward Bound*.

(i) (3 points) *Number of participants*. Whether the applicant provided services to no less than the approved number of participants.

(ii) (3 points) *Academic improvement on standardized test*. Whether the applicant met or exceeded its approved objective with regard to participants who completed their Veterans Upward Bound educational program during the project year and who improved their academic performance as measured by a standardized test taken by participants before and after receiving services from the project.

(iii) (3 points) *Education program retention and completion*. Whether the applicant met or exceeded its approved objective with regard to participants served during the project year who remained in or completed their Veterans Upward Bound educational program.

§ 645.35 What is the review process for unsuccessful applicants?

(a) *Technical or administrative error for applications not reviewed*. (1) An applicant whose grant application was not evaluated during the competition may request that the Secretary review the application if—

(i) The applicant has met all of the application submission requirements included in the FEDERAL REGISTER notice inviting applications and the other published application materials for the competition; and

(ii) The applicant provides evidence demonstrating that the Department or an agent of the Department made a technical or administrative error in the processing of the submitted application.

(2) A technical or administrative error in the processing of an application includes—

(i) A problem with the system for the electronic submission of applications that was not addressed in accordance with the procedures included in the FEDERAL REGISTER notice inviting applications for the competition;

(ii) An error in determining an applicant's eligibility for funding consideration, which may include, but is not limited to—

(A) An incorrect conclusion that the application was submitted by an ineligible applicant;

(B) An incorrect conclusion that the application exceeded the published page limit;

(C) An incorrect conclusion that the applicant requested funding greater than the published maximum award; or

(D) An incorrect conclusion that the application was missing critical sections of the application; and

(iii) Any other mishandling of the application that resulted in an otherwise eligible application not being reviewed during the competition.

(3)(i) If the Secretary determines that the Department or the Department's agent made a technical or administrative error, the Secretary has the application evaluated and scored.

(ii) If the total score assigned the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c) of this section.

(b) *Administrative or scoring error for applications that were reviewed.* (1) An applicant that was not selected for funding during a competition may request that the Secretary conduct a second review of the application if—

(i) The applicant provides evidence demonstrating that the Department, an agent of the Department, or a peer reviewer made an administrative or scoring error in the review of its application; and

(ii) The final score assigned to the application is within the funding band described in paragraph (d) of this section.

(2) An administrative error relates to either the PE points or the scores assigned to the application by the peer reviewers.

(i) For PE points, an administrative error includes mathematical errors made by the Department or the Department's agent in the calculation of the PE points or a failure to correctly add the earned PE points to the peer reviewer score.

(ii) For the peer review score, an administrative error is applying the wrong peer reviewer scores to an application.

(3)(i) A scoring error relates only to the peer review process and includes errors caused by a reviewer who, in assigning points—

(A) Uses criteria not required by the applicable law or program regulations, the FEDERAL REGISTER notice inviting applications, the other published application materials for the competition, or guidance provided to the peer reviewers by the Secretary; or

(B) Does not consider relevant information included in the appropriate section of the application.

(ii) The term “scoring error” does not include—

(A) A peer reviewer's appropriate use of his or her professional judgment in evaluating and scoring an application;

(B) Any situation in which the applicant did not include information needed to evaluate its response to a specific selection criterion in the appropriate section of the application as stipulated in the FEDERAL REGISTER notice inviting applications or the other published application materials for the competition; or

(C) Any error by the applicant.

(c) *Procedures for the second review.* (1) To ensure the timely awarding of grants under the competition, the Secretary sets aside a percentage of the funds allotted for the competition to be awarded after the second review is completed.

(2) After the competition, the Secretary makes new awards in rank order as described in § 645.30 based on the available funds for the competition minus the funds set aside for the second review.

(3) After the Secretary issues a notification of grant award to successful applicants, the Secretary notifies each unsuccessful applicant in writing as to the status of its application and the funding band for the second review and provides copies of the peer reviewers' evaluations of the applicant's application and the applicant's PE score, if applicable.

(4) An applicant that was not selected for funding following the competition as described in paragraph (c)(2) of this section and whose application received a score within the funding band as described in paragraph (d) of this section, may request a second

review if the applicant demonstrates that the Department, the Department's agent, or a peer reviewer made an administrative or scoring error as provided in paragraph (b) of this section.

(5) An applicant whose application was not funded after the first review as described in paragraph (c)(2) of this section and whose application received a score within the funding band as described in paragraph (d) of this section has at least 15 calendar days after receiving notification that its application was not funded in which to submit a written request for a second review in accordance with the instructions and due date provided in the Secretary's written notification.

(6) An applicant's written request for a second review must be received by the Department or submitted electronically to the designated e-mail or Web address by the due date and time established by the Secretary.

(7) If the Secretary determines that the Department or the Department's agent made an administrative error that relates to the PE points awarded, as described in paragraph (b)(2)(i) of this section, the Secretary adjusts the applicant's PE score to reflect the correct number of PE points. If the adjusted score assigned to the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c)(9) of this section.

(8) If the Secretary determines that the Department, the Department's agent or the peer reviewer made an administrative error that relates to the peer reviewers' score(s), as described in paragraph (b)(2)(ii) of this section, the Secretary adjusts the applicant's peer reviewers' score(s) to correct the error. If the adjusted score assigned to the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c)(9) of this section.

(9) If the Secretary determines that a peer reviewer made a scoring error, as described in paragraph (b)(3) of this section, the Secretary convenes a second panel of peer reviewers in accordance with the requirements in section 402A(c)(8)(C)(iv)(III) of the HEA.

(10) The average of the peer reviewers' scores from the second peer review are used in the second ranking of applications. The average score obtained from the second peer review panel is the final peer reviewer score for the application and will be used even if the second review results in a lower score for the application than that obtained in the initial review.

(11) For applications in the funding band, the Secretary funds these applications in rank order based on adjusted scores and the available funds that have been set aside for the second review of applications.

(d) *Process for establishing a funding band.* (1) For each competition, the Secretary establishes a funding band for the second review of applications.

(2) The Secretary establishes the funding band for each competition based on the amount of funds the Secretary has set aside for the second review of applications.

(3) The funding band is composed of those applications—

(i) With a rank-order score before the second review that is below the lowest score of applications funded after the first review; and

(ii) That would be funded if the Secretary had 150 percent of the funds that were set aside for the second review of applications for the competition.

(e) *Final decision.* (1) The Secretary's determination of whether the applicant has met the requirements for a second review and the Secretary's decision on re-scoring of an application are final and not subject to further appeal or challenge.

(2) An application that scored below the established funding band for the competition is not eligible for a second review.

The Secretary uses the following criteria to evaluate an application for a new grant:

(a) *Need for the project* (24 points). The Secretary evaluates the need for a Student Support Services project proposed at the applicant institution on the basis of the extent to which the application contains clear evidence of—

(ii) Grade point averages.

(iii) Graduate and professional school enrollment rates (four-year colleges only).

(iv) Transfer rates from two-year to four-year institutions (two-year colleges only).

(b) *Objectives* (8 points). The Secretary evaluates the quality of the applicant's proposed objectives in the following areas on the basis of the extent to which they are both ambitious, as related to the need data provided under paragraph (a) of this section, and attainable, given the project's plan of operation, budget, and other resources.

(1) (3 points) Retention in postsecondary education.

(2) (2 points) In good academic standing at grantee institution.

(3) Two-year institutions only. (i) (1 point) Certificate or degree completion; and

(5) (10 points) The applicant's plan to ensure proper and efficient administration of the project, including the organizational placement of the project; the time commitment of key project staff; the specific plans for financial management, student records management, and personnel management; and, where appropriate, its plan for coordination with other programs for disadvantaged students.

(d) *Institutional commitment* (16 points). The Secretary evaluates the institutional commitment to the pro-

posed project on the basis of the extent to which the applicant has—

(1) (6 points) Committed facilities, equipment, supplies, personnel, and other resources to supplement the grant and enhance project services;

(2) (6 points) Established administrative and academic policies that enhance participants' retention at the institution and improve their chances of graduating from the institution;

(3) (2 points) Demonstrated a commitment to minimize the dependence on student loans in developing financial aid packages for project participants by committing institutional resources to the extent possible; and

(4) (2 points) Assured the full cooperation and support of the Admissions, Student Aid, Registrar and data collection and analysis components of the institution.

(e) *Quality of personnel* (9 points). To determine the quality of personnel the applicant plans to use, the Secretary looks for information that shows—

(1) (3 points) The qualifications required of the project director, including formal education and training in fields related to the objectives of the project, and experience in designing, managing, or implementing Student Support Services or similar projects;

(2) (3 points) The qualifications required of other personnel to be used in the project, including formal education, training, and work experience in fields related to the objectives of the project; and

(3) (3 points) The quality of the applicant's plan for employing personnel who have succeeded in overcoming barriers similar to those confronting the project's target population.

(f) *Budget* (5 points). The Secretary evaluates the extent to which the project budget is reasonable, cost-effective, and adequate to support the project.

(i) (2 points) Are appropriate to the project and include both quantitative and qualitative evaluation measures; and

(ii) (2 points) Examine in specific and measurable ways, using appropriate baseline data, the success of the project in improving academic achievement, retention and graduation of project participants; and

(2) (4 points) The applicant intends to use the results of an evaluation to make programmatic changes based upon the results of project evaluation.

§ 646.22 How does the Secretary evaluate prior experience?

(a) In the case of an application described in § 646.20(a)(2)(i), the Secretary—

(1) Evaluates the applicant's performance under its expiring Student Support Services project;

(2) Uses the approved project objectives for the applicant's expiring Student Support Services grant and the information the applicant submitted in its annual performance reports (APRs) to determine the number of prior PE points; and

(3) May adjust a calculated PE score or decide not to award PE points if other information such as audit reports, site visit reports, and project evaluation reports indicates the APR data used to calculate PE points are incorrect.

(b) The Secretary does not award PE points for a given year to an applicant that does not serve at least 90 percent of the approved number of participants. For purposes of this section, the approved number of participants is the total number of participants the project would serve as agreed upon by the grantee and the Secretary.

(c) The Secretary does not award PE points for the criterion specified in paragraph (e)(1) of this section (Number of participants) if the applicant did not serve at least the approved number of participants.

(d) The Secretary uses the approved number of participants, or the actual number of participants served in a given year if greater than the approved number of participants, as the denomi-

nator for calculating whether the applicant has met its approved objectives related to paragraph (e)(2) of this section (Postsecondary retention) and paragraph (e)(3) of this section (Good academic standing).

(e) For purposes of the PE evaluation of grants awarded after January 1, 2009, the Secretary evaluates the applicant's PE on the basis of the following outcome criteria:

(1) (3 points) *Number of participants.* Whether the applicant provided services to no less than the approved number of participants.

(2) (4 points) *Postsecondary retention.* Whether the applicant met or exceeded its objective regarding the participants served during the project year who continue to be enrolled in a program of postsecondary education from one academic year to the beginning of the next academic year or who complete a program of postsecondary education at the grantee institution during the academic year or transfer from a two-year institution to a four-year institution during the academic year.

(3) (4 points) *Good academic standing.* Whether the applicant met or exceeded its objective regarding the participants served during the project year who are in good academic standing at the grantee institution.

(4) (4 points) *Degree completion (for an applicant institution of higher education offering primarily a baccalaureate or higher degree).* Whether the applicant met or exceeded its objective regarding the current and prior participants receiving a baccalaureate degree at the grantee institution within the specified number of years.

(5) *Degree completion and transfer (for an applicant institution of higher education offering primarily an associate degree).* Whether the applicant met or exceeded its objectives regarding the current and prior participants at the grantee institution who—

(i) (2 points) Complete a degree or certificate within the number of years specified in the approved objective; and

(ii) (2 points) Transfer within the number of years specified in the approved objective to institutions of

higher education that offer baccalaureate degrees.

§ 646.23 How does the Secretary set the amount of a grant?

(a) The Secretary sets the amount of a grant on the basis of—

(1) 34 CFR 75.232 and 75.233, for new grants; and

(2) 34 CFR 75.253, for the second and subsequent years of a project period.

(b) If the circumstances described in section 402A(b)(3) of the HEA exist, the Secretary uses the available funds to set the amount of the grant at the lesser of—

(1) \$200,000; or

(2) The amount requested by the applicant.

[61 FR 38537, July 24, 1996, as amended at 75 FR 65792, Oct. 26, 2010]

§ 646.24 What is the review process for unsuccessful applicants?

(a) *Technical or administrative error for applications not reviewed.* (1) An applicant whose grant application was not evaluated during the competition may request that the Secretary review the application if—

(i) The applicant has met all of the application submission requirements included in the FEDERAL REGISTER notice inviting applications and the other published application materials for the competition; and

(ii) The applicant provides evidence demonstrating that the Department or an agent of the Department made a technical or administrative error in the processing of the submitted application.

(2) A technical or administrative error in the processing of an application includes—

(i) A problem with the system for the electronic submission of applications that was not addressed in accordance with the procedures included in the FEDERAL REGISTER notice inviting applications for the competition;

(ii) An error in determining an applicant's eligibility for funding consider-

ation, which may include, but is not limited to—

(A) An incorrect conclusion that the application was submitted by an ineligible applicant;

(B) An incorrect conclusion that the application exceeded the published page limit;

(C) An incorrect conclusion that the applicant requested funding greater than the published maximum award; or

(D) An incorrect conclusion that the application was missing critical sections of the application; and

(iii) Any other mishandling of the application that resulted in an otherwise eligible application not being reviewed during the competition.

(3)(i) If the Secretary determines that the Department or the Department's agent made a technical or administrative error, the Secretary has the application evaluated and scored.

(ii) If the total score assigned the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c) of this section.

(b) *Administrative or scoring error for applications that were reviewed.* (1) An applicant that was not selected for funding during a competition may request that the Secretary conduct a second review of the application if—

(i) The applicant provides evidence demonstrating that the Department, an agent of the Department, or a peer reviewer made an administrative or scoring error in the review of its application; and

(ii) The final score assigned to the application is within the funding band described in paragraph (d) of this section.

(2) An administrative error relates to either the PE points or the scores assigned to the application by the peer reviewers.

(i) For PE points, an administrative error includes mathematical errors made by the Department or the Department's agent in the calculation of the PE points or a failure to correctly add the earned PE points to the peer reviewer score.

(ii) For the peer review score, an administrative error is applying the wrong peer reviewer scores to an application.

(3)(i) A scoring error relates only to the peer review process and includes errors caused by a reviewer who, in assigning points—

(A) Uses criteria not required by the applicable law or program regulations, the FEDERAL REGISTER notice inviting applications, the other published application materials for the competition, or guidance provided to the peer reviewers by the Secretary; or

(B) Does not consider relevant information included in the appropriate section of the application.

(ii) The term “scoring error” does not include—

(A) A peer reviewer’s appropriate use of his or her professional judgment in evaluating and scoring an application;

(B) Any situation in which the applicant did not include information needed to evaluate its response to a specific selection criterion in the appropriate section of the application as stipulated in the FEDERAL REGISTER notice inviting applications or the other published application materials for the competition; or

(C) Any error by the applicant.

(c) *Procedures for the second review.* (1) To ensure the timely awarding of grants under the competition, the Secretary sets aside a percentage of the funds allotted for the competition to be awarded after the second review is completed.

(2) After the competition, the Secretary makes new awards in rank order as described in § 646.20 based on the available funds for the competition minus the funds set aside for the second review.

(3) After the Secretary issues a notification of grant award to successful applicants, the Secretary notifies each unsuccessful applicant in writing as to the status of its application and the funding band for the second review and provides copies of the peer reviewers’ evaluations of the applicant’s application and the applicant’s PE score, if applicable.

(4) An applicant that was not selected for funding following the competition as described in paragraph

(c)(2) of this section and whose application received a score within the funding band as described in paragraph (d) of this section, may request a second review if the applicant demonstrates that the Department, the Department’s agent, or a peer reviewer made an administrative or scoring error as provided in paragraph (b) of this section.

(5) An applicant whose application was not funded after the first review as described in paragraph (c)(2) of this section and whose application received a score within the funding band as described in paragraph (d) of this section has at least 15 calendar days after receiving notification that its application was not funded in which to submit a written request for a second review in accordance with the instructions and due date provided in the Secretary’s written notification.

(6) An applicant’s written request for a second review must be received by the Department or submitted electronically to the designated e-mail or Web address by the due date and time established by the Secretary.

(7) If the Secretary determines that the Department or the Department’s agent made an administrative error that relates to the PE points awarded, as described in paragraph (b)(2)(i) of this section, the Secretary adjusts the applicant’s PE score to reflect the correct number of PE points. If the adjusted score assigned to the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c)(9) of this section.

(8) If the Secretary determines that the Department, the Department’s agent or the peer reviewer made an administrative error that relates to the peer reviewers’ score(s), as described in paragraph (b)(2)(ii) of this section, the Secretary adjusts the applicant’s peer reviewers’ score(s) to correct the error. If the adjusted score assigned to the application would have resulted in funding of the application during the competition and the program has funds

available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c)(9) of this section.

(9) If the Secretary determines that a peer reviewer made a scoring error, as described in paragraph (b)(3) of this section, the Secretary convenes a second panel of peer reviewers in accordance with the requirements in section 402A(c)(8)(C)(iv)(III) of the HEA.

(10) The average of the peer reviewers' scores from the second peer review are used in the second ranking of applications. The average score obtained from the second peer review panel is the final peer reviewer score for the application and will be used even if the second review results in a lower score for the application than that obtained in the initial review.

(11) For applications in the funding band, the Secretary funds these applications in rank order based on adjusted scores and the available funds that have been set aside for the second review of applications.

(d) *Process for establishing a funding band.* (1) For each competition, the Secretary establishes a funding band for the second review of applications.

(2) The Secretary establishes the funding band for each competition based on the amount of funds the Secretary has set aside for the second review of applications.

(3) The funding band is composed of those applications—

(i) With a rank-order score before the second review that is below the lowest score of applications funded after the first review; and

(ii) That would be funded if the Secretary had 150 percent of the funds that were set aside for the second review of applications for the competition.

(e) *Final decision.* (1) The Secretary's determination of whether the applicant has met the requirements for a second review and the Secretary's decision on re-scoring of an application are final and not subject to further appeal or challenge.

(2) An application that scored below the established funding band for the

competition is not eligible for a second review.

Through this notice, the Secretary also provides the minimum and maximum grant award amounts for the competition.

Subpart C—How Does the Secretary Make a Grant?

§ 647.20 How does the Secretary decide which new grants to make?

(a) The Secretary evaluates an application for a new grant as follows:

(1)(i) The Secretary evaluates an application on the basis of the selection criteria in § 647.21.

(ii) The maximum score for all the criteria in § 647.21 is 100 points. The maximum score for each criterion is indicated in parentheses with the criterion.

(2)(i) For an application from an applicant who has carried out a McNair project in the fiscal year immediately preceding the fiscal year for which the applicant is applying, the Secretary evaluates the applicant's prior experience of high quality service delivery on the basis of the outcome criteria in § 647.22.

(ii) The maximum total score for all the criteria in § 647.22 is 15 points. The maximum score for each criterion is indicated in parentheses with the criterion.

(iii) If an applicant described in paragraph (a)(2)(i) of this section applies for more than one new grant in the same fiscal year, the Secretary applies the criteria in § 647.22 to a project that seeks to continue support for an existing McNair project on that campus.

(iv) The Secretary evaluates the PE of an applicant for each of the three project years that the Secretary designates in the FEDERAL REGISTER notice inviting applications and the other published application materials for the competition.

(v) An applicant may earn up to 15 PE points for each of the designated project years for which annual performance report data are available.

(vi) The final PE score is the average of the scores for the three project years assessed.

(b) The Secretary makes new grants in rank order on the basis of the total scores received by applications under paragraphs (a)(1) through (a)(3) of this section.

(c)(1) If the total scores of two or more applications are the same and there are insufficient funds for these applications after the approval of high-

er-ranked applications, the Secretary uses the remaining funds to achieve an equitable geographic distribution of all new projects.

(2) In making an equitable geographic distribution of new projects, the Secretary considers only the locations of new projects.

(d) The Secretary does not make a new grant to an applicant if the applicant's prior project involved the fraudulent use of program funds.

(Authority: 20 U.S.C. 1070a-11 and 1070a-15)

[59 FR 43989, Aug. 25, 1994, as amended at 75 FR 65795, Oct. 26, 2010]

§ 647.21 What selection criteria does the Secretary use?

The Secretary uses the following criteria to evaluate an application for a new grant:

(a) *Need* (16 Points). The Secretary reviews each application to determine the extent to which the applicant can clearly and definitively demonstrate the need for a McNair project to serve the target population. In particular, the Secretary looks for information that clearly defines the target population; describes the academic, financial and other problems that prevent potentially eligible project participants in the target population from completing baccalaureate programs and continuing to postbaccalaureate programs; and demonstrates that the project's target population is underrepresented in graduate education, doctorate degrees conferred and careers where a doctorate is a prerequisite.

(b) *Objectives* (9 points). The Secretary evaluates the quality of the applicant's objectives and proposed targets (percentages) in the following areas on the basis of the extent to which they are both ambitious, as related to the need data provided under paragraph (a) of this section, and attainable, given the project's plan of operation, budget, and other resources:

(1) (2 points) Research or scholarly activity.

(2) (3 points) Enrollment in a graduate program.

(3) (2 points) Continued enrollment in graduate study.

(4) (2 points) Doctoral degree attainment.

(c) *Plan of Operation* (44 points). The Secretary reviews each application to determine the quality of the applicant's plans of operation, including—

(1) (4 points) The plan for identifying, recruiting and selecting participants to be served by the project, including students enrolled in the Student Support Services program;

(2) (4 points) The plan for assessing individual participant needs and for monitoring the academic growth of participants during the period in which the student is a McNair participant;

(3) (5 points) The plan for providing high quality research and scholarly activities in which participants will be involved;

(4) (5 points) The plan for involving faculty members in the design of research activities in which students will be involved;

(5) (5 points) The plan for providing internships, seminars, and other educational activities designed to prepare undergraduate students for doctoral study;

(6) (5 points) The plan for providing individual or group services designed to enhance a student's successful entry into postbaccalaureate education;

(7) (3 points) The plan to inform the institutional community of the goals and objectives of the project;

(8) (8 points) The plan to ensure proper and efficient administration of the project, including, but not limited to matters such as financial management, student records management, personnel management, the organizational structure, and the plan for coordinating the McNair project with other programs for disadvantaged students; and

(9) (5 points) The follow-up plan that will be used to track the academic and career accomplishments of participants after they are no longer participating in the McNair project.

(d) *Quality of key personnel* (9 points). The Secretary evaluates the quality of key personnel the applicant plans to use on the project on the basis of the following:

(1)(i) The job qualifications of the project director.

(ii) The job qualifications of each of the project's other key personnel.

(iii) The quality of the project's plan for employing highly qualified persons, including the procedures to be used to employ members of groups underrepresented in higher education, including Blacks, Hispanics, American Indians, Alaska Natives, Asian Americans and Pacific Islanders (including Native Hawaiians).

(2) In evaluating the qualifications of a person, the Secretary considers his or her experience and training in fields related to the objectives of the project.

(e) *Adequacy of the resources and budget* (15 points). The Secretary evaluates the extent to which—

(1) The applicant's proposed allocation of resources in the budget is clearly related to the objectives of the project;

(2) Project costs and resources, including facilities, equipment, and supplies, are reasonable in relation to the objectives and scope of the project; and

(3) The applicant's proposed commitment of institutional resources to the McNair participants, as for example, the commitment of time from institutional research faculty and the waiver of tuition and fees for McNair participants engaged in summer research projects.

(f) *Evaluation plan* (7 points). The Secretary evaluates the quality of the evaluation plan for the project on the basis of the extent to which the applicant's methods of evaluation—

(1) Are appropriate to the project's objectives;

(2) Provide for the applicant to determine, in specific and measurable ways, the success of the project in—

(i) Making progress toward achieving its objectives (a formative evaluation); and

(ii) Achieving its objectives at the end of the project period (a summative evaluation); and

(3) Provide for a description of other project outcomes, including the use of quantifiable measures, if appropriate.

[59 FR 43989, Aug. 25, 1994, as amended at 75 FR 65795, Oct. 26, 2010]

§ 647.22 How does the Secretary evaluate prior experience?

(a) In the case of an applicant described in § 647.20(a)(2)(i), the Secretary—

(1) Evaluates an applicant's performance under its expiring McNair project;

(2) Uses the approved project objectives for the applicant's expiring McNair grant and the information the applicant submitted in its annual performance reports (APRs) to determine the number of PE points; and

(3) May adjust a calculated PE score or decide not to award PE points if other information such as audit reports, site visit reports, and project evaluation reports indicates the APR data used to calculate PE are incorrect.

(b) The Secretary does not award PE points for a given year to an applicant that does not serve at least 90 percent of the approved number of participants. For purposes of this section, the approved number of participants is the total number of participants the project would serve as agreed upon by the grantee and the Secretary.

(c) The Secretary does not award any PE points for the criteria specified in paragraph (e)(1) of this section (Number of participants) if the applicant did not serve at least the approved number of participants.

(d) The Secretary uses the approved number of participants, or the actual number of participants served in a given year if greater than the approved number of participants, as the denominator for calculating whether the applicant has met its approved objective related to paragraph (e)(2) of this section (Research and scholarly activities).

(e) For purposes of the PE evaluation of grants awarded after January 1, 2009, the Secretary evaluates the applicant's PE on the basis of the following outcome criteria:

(1) (3 points) *Number of participants*. Whether the applicant provided services to no less than the approved number of participants.

(2) (3 points) *Research or scholarly activities*. Whether the applicant met or exceeded its objective for providing participants served during the project year with appropriate research and

scholarly activities each academic year.

(3) (3 points) *Graduate school enrollment*. Whether the applicant met or exceeded its objective with regard to the acceptance and enrollment in graduate programs of participants served during the project year who complete the baccalaureate program during the academic year.

(4) (4 points) *Continued enrollment in graduate school*. Whether the applicant met or exceeded its objective with regard to the continued enrollment in graduate school of prior participants.

(5) (2 points) *Doctoral degree attainment*. Whether the applicant met or exceeded its objective with regard to the attainment of doctoral level degrees of prior participants in the specified number of years.

[75 FR 65796, Oct. 26, 2010]

§ 647.23 How does the Secretary set the amount of a grant?

(a) The Secretary sets the amount of a grant on the basis of—

(1) 34 CFR 75.232 and 75.233 for new grants; and

(2) 34 CFR 75.253 for the second and subsequent years of a project period.

(b) If the circumstances described in section 402A(b)(3) of the HEA exist, the Secretary uses the available funds to set the amount of the grant at the lesser of—

(1) \$200,000; or

(2) The amount requested by the applicant.

(Authority: 20 U.S.C. 1070a-11)

[59 FR 43989, Aug. 25, 1994, as amended at 75 FR 65796, Oct. 26, 2010]

§ 647.24 What is the review process for unsuccessful applicants?

(a) *Technical or administrative error for applications not reviewed*. (1) An applicant whose grant application was not evaluated during the competition may request that the Secretary review the application if—

(i) The applicant has met all of the application submission requirements included in the FEDERAL REGISTER notice inviting applications and the other

published application materials for the competition; and

(ii) The applicant provides evidence demonstrating that the Department or an agent of the Department made a technical or administrative error in the processing of the submitted application.

(2) A technical or administrative error in the processing of an application includes—

(i) A problem with the system for the electronic submission of applications that was not addressed in accordance with the procedures included in the FEDERAL REGISTER notice inviting applications for the competition;

(ii) An error in determining an applicant's eligibility for funding consideration, which may include, but is not limited to—

(A) An incorrect conclusion that the application was submitted by an ineligible applicant;

(B) An incorrect conclusion that the application exceeded the published page limit;

(C) An incorrect conclusion that the applicant requested funding greater than the published maximum award; or

(D) An incorrect conclusion that the application was missing critical sections of the application; and

(iii) Any other mishandling of the application that resulted in an otherwise eligible application not being reviewed during the competition.

(3)(i) If the Secretary determines that the Department or the Department's agent made a technical or administrative error, the Secretary has the application evaluated and scored.

(ii) If the total score assigned the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c) of this section.

(b) *Administrative or scoring error for applications that were reviewed.* (1) An applicant that was not selected for funding during a competition may request that the Secretary conduct a second review of the application if—

(i) The applicant provides evidence demonstrating that the Department,

an agent of the Department, or a peer reviewer made an administrative or scoring error in the review of its application; and

(ii) The final score assigned to the application is within the funding band described in paragraph (d) of this section.

(2) An administrative error relates to either the PE points or the scores assigned to the application by the peer reviewers.

(i) For PE points, an administrative error includes mathematical errors made by the Department or the Department's agent in the calculation of the PE points or a failure to correctly add the earned PE points to the peer reviewer score.

(ii) For the peer review score, an administrative error is applying the wrong peer reviewer scores to an application.

(3)(i) A scoring error relates only to the peer review process and includes errors caused by a reviewer who, in assigning points—

(A) Uses criteria not required by the applicable law or program regulations, the FEDERAL REGISTER notice inviting applications, the other published application materials for the competition, or guidance provided to the peer reviewers by the Secretary; or

(B) Does not consider relevant information included in the appropriate section of the application.

(ii) The term “scoring error” does not include—

(A) A peer reviewer's appropriate use of his or her professional judgment in evaluating and scoring an application;

(B) Any situation in which the applicant did not include information needed to evaluate its response to a specific selection criterion in the appropriate section of the application as stipulated in the FEDERAL REGISTER notice inviting applications or the other published application materials for the competition; or

(C) Any error by the applicant.

(c) *Procedures for the second review.* (1) To ensure the timely awarding of grants under the competition, the Secretary sets aside a percentage of the funds allotted for the competition to be awarded after the second review is completed.

(2) After the competition, the Secretary makes new awards in rank order as described in § 647.20 based on the available funds for the competition minus the funds set aside for the second review.

(3) After the Secretary issues a notification of grant award to successful applicants, the Secretary notifies each unsuccessful applicant in writing as to the status of its application and the funding band for the second review and provides copies of the peer reviewers' evaluations of the applicant's application and the applicant's PE score, if applicable.

(4) An applicant that was not selected for funding following the competition as described in paragraph (c)(2) of this section and whose application received a score within the funding band as described in paragraph (d) of this section, may request a second review if the applicant demonstrates that the Department, the Department's agent, or a peer reviewer made an administrative or scoring error as provided in paragraph (b) of this section.

(5) An applicant whose application was not funded after the first review as described in paragraph (c)(2) of this section and whose application received a score within the funding band as described in paragraph (d) of this section has at least 15 calendar days after receiving notification that its application was not funded in which to submit a written request for a second review in accordance with the instructions and due date provided in the Secretary's written notification.

(6) An applicant's written request for a second review must be received by the Department or submitted electronically to a designated e-mail or Web address by the due date and time established by the Secretary.

(7) If the Secretary determines that the Department or the Department's agent made an administrative error that relates to the PE points awarded, as described in paragraph (b)(2)(i) of this section, the Secretary adjusts the applicant's PE score to reflect the correct number of PE points. If the adjusted score assigned to the application would have resulted in funding of the application during the competition and the program has funds available, the

Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c)(9) of this section.

(8) If the Secretary determines that the Department, the Department's agent or the peer reviewer made an administrative error that relates to the peer reviewers' score(s), as described in paragraph (b)(2)(ii) of this section, the Secretary adjusts the applicant's peer reviewers' score(s) to correct the error. If the adjusted score assigned to the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c)(9) of this section.

(9) If the Secretary determines that a peer reviewer made a scoring error, as described in paragraph (b)(3) of this section, the Secretary convenes a second panel of peer reviewers in accordance with the requirements in section 402A(c)(8)(C)(iv)(III) of the HEA.

(10) The average of the peer reviewers' scores from the second peer review are used in the second ranking of applications. The average score obtained from the second peer review panel is the final peer reviewer score for the application and will be used even if the second review results in a lower score for the application than that obtained in the initial review.

(11) For applications in the funding band, the Secretary funds these applications in rank order based on adjusted scores and the available funds that have been set aside for the second review of applications.

(d) *Process for establishing a funding band.* (1) For each competition, the Secretary establishes a funding band for the second review of applications.

(2) The Secretary establishes the funding band for each competition based on the amount of funds the Secretary has set aside for the second review of applications.

(3) The funding band is composed of those applications—

(i) With a rank-order score before the second review that is below the lowest

§ 647.30

score of applications funded after the first review; and

(ii) That would be funded if the Secretary had 150 percent of the funds that were set aside for the second review of applications for the competition.

(e) *Final decision.* (1) The Secretary's determination of whether the applicant has met the requirements for a second review and the Secretary's decision on re-scoring of an application are final and not subject to further appeal or challenge.

(2) An application that scored below the established funding band for the competition is not eligible for a second review.

(c) *Reduction in the length of an academic year.* (1) Upon the written request of an institution, the Secretary may approve, for good cause, an academic year of 26 through 29 weeks of instructional time for educational programs offered by the institution if the institution offers a two-year program leading to an associate degree or a four-year program leading to a baccalaureate degree.

(2) An institution's written request must—

(i) Identify each educational program for which the institution requests a reduction, and the requested number of weeks of instructional time for that program;

(ii) Demonstrate good cause for the requested reductions; and

(iii) Include any other information that the Secretary may require to determine whether to grant the request.

(3)(i) The Secretary approves the request of an eligible institution for a reduction in the length of its academic year if the institution has demonstrated good cause for granting the request and the institution's accrediting agency and State licensing agency have approved the request.

(ii) If the Secretary approves the request, the approval terminates when the institution's program participation agreement expires. The institution may request an extension of that approval as part of the recertification process.

§ 668.4 Payment period.

(a) *Payment periods for an eligible program that measures progress in credit hours and uses standard terms or nonstandard terms that are substantially*

equal in length. For a student enrolled in an eligible program that measures progress in credit hours and uses standard terms (semesters, trimesters, or quarters), or for a student enrolled in an eligible program that measures progress in credit hours and uses nonstandard terms that are substantially equal in length, the payment period is the academic term.

(b) *Payment periods for an eligible program that measures progress in credit hours and uses nonstandard terms that are not substantially equal in length.* For a student enrolled in an eligible program that measures progress in credit hours and uses nonstandard terms that are not substantially equal in length—

(1) For Pell Grant, ACG, National SMART Grant, FSEOG, Perkins Loan, and TEACH Grant program funds, the payment period is the academic term;

(2) For FFEL and Direct Loan program funds—

(i) For a student enrolled in an eligible program that is one academic year or less in length—

(A) The first payment period is the period of time in which the student successfully completes half of the number of credit hours in the program and half of the number of weeks of instructional time in the program; and

(B) The second payment period is the period of time in which the student successfully completes the program; and

(ii) For a student enrolled in an eligible program that is more than one academic year in length—

(A) For the first academic year and any subsequent full academic year—

(1) The first payment period is the period of time in which the student successfully completes half of the number of credit hours in the academic year and half of the number of weeks of instructional time in the academic year; and

(2) The second payment period is the period of time in which the student successfully completes the academic year;

(B) For any remaining portion of an eligible program that is more than half an academic year but less than a full academic year in length—

(1) The first payment period is the period of time in which the student

successfully completes half of the number of credit hours in the remaining portion of the program and half of the number of weeks of instructional time remaining in the program; and

(2) The second payment period is the period of time in which the student successfully completes the remainder of the program; and

(C) For any remaining portion of an eligible program that is not more than half an academic year, the payment period is the remainder of the program.

(c) *Payment periods for an eligible program that measures progress in credit hours and does not have academic terms or for a program that measures progress in clock hours.* (1) For a student enrolled in an eligible program that is one academic year or less in length—

(i) The first payment period is the period of time in which the student successfully completes half of the number of credit hours or clock hours, as applicable, in the program and half of the number of weeks of instructional time in the program; and

(ii) The second payment period is the period of time in which the student successfully completes the program or the remainder of the program.

(2) For a student enrolled in an eligible program that is more than one academic year in length—

(i) For the first academic year and any subsequent full academic year—

(A) The first payment period is the period of time in which the student successfully completes half of the number of credit hours or clock hours, as applicable, in the academic year and half of the number of weeks of instructional time in the academic year; and

(B) The second payment period is the period of time in which the student successfully completes the academic year;

(ii) For any remaining portion of an eligible program that is more than half an academic year but less than a full academic year in length—

(A) The first payment period is the period of time in which the student successfully completes half of the number of credit hours or clock hours, as applicable, in the remaining portion of the program and half of the number of weeks of instructional time remaining in the program; and

(B) The second payment period is the period of time in which the student successfully completes the remainder of the program; and

(iii) For any remaining portion of an eligible program that is not more than half an academic year, the payment period is the remainder of the program.

(3) For purposes of paragraphs (c)(1) and (c)(2) of this section, if an institution is unable to determine when a student has successfully completed half of the credit hours or clock hours in a program, academic year, or remainder of a program, the student is considered to begin the second payment period of the program, academic year, or remainder of a program at the later of the date, as determined by the institution, on which the student has successfully completed—

(i) Half of the academic coursework in the program, academic year, or remainder of the program; or

(ii) Half of the number of weeks of instructional time in the program, academic year, or remainder of the program.

(d) *Application of the cohort default rate exemption.* Notwithstanding paragraphs (a), (b), and (c) of this section, if 34 CFR 682.604(c)(10) or 34 CFR 685.301(b)(8) applies to an eligible program that measures progress in credit hours and uses nonstandard terms, an eligible program that measures progress in credit hours and does not have academic terms, or an eligible program that measures progress in clock hours, the payment period for purposes of FFEL and Direct Loan funds is the loan period for those portions of the program to which 34 CFR 682.604(c)(10) or 34 CFR 685.301(b)(8) applies.

(e) *Excused absences.* For purposes of this section, in determining whether a student successfully completes the clock hours in a payment period, an institution may include clock hours for which the student has an excused absence (i.e., an absence that a student does not have to make up) if—

(1) The institution has a written policy that permits excused absences; and

(2) The number of excused absences under the written policy for purposes of this paragraph (e) does not exceed the lesser of—

§ 668.5

34 CFR Ch. VI (7–1–20 Edition)

(i) The policy on excused absences of the institution's accrediting agency or, if the institution has more than one accrediting agency, the agency designated under 34 CFR 600.11(b);

(ii) The policy on excused absences of any State agency that licenses the institution or otherwise legally authorizes the institution to operate in the State; or

(iii) Ten percent of the clock hours in the payment period.

(f) *Re-entry within 180 days.* If a student withdraws from a program described in paragraph (c) of this section during a payment period and then reenters the same program within 180 days, the student remains in that same payment period when he or she returns and, subject to conditions established by the Secretary or by the FFEL lender or guaranty agency, is eligible to receive any title IV, HEA program funds for which he or she was eligible prior to withdrawal, including funds that were returned by the institution or student under the provisions of § 668.22.

(g) *Re-entry after 180 days or transfer.*

(1) Except as provided in paragraph (g)(3) of this section, and subject to the conditions of paragraph (g)(2) of this section, an institution calculates new payment periods for the remainder of a student's program based on paragraph (c) of this section, for a student who withdraws from a program described in paragraph (c) of this section, and—

(i) Reenters that program after 180 days;

(ii) Transfers into another program at the same institution within any time period; or

(iii) Transfers into a program at another institution within any time period.

(2) For a student described in paragraph (g)(1) of this section—

(i) For the purpose of calculating payment periods only, the length of the program is the number of credit hours and the number of weeks of instructional time, or the number of clock hours and the number of weeks of instructional time, that the student has remaining in the program he or she enters or reenters; and

(ii) If the remaining hours and weeks constitute half of an academic year or

less, the remaining hours constitute one payment period.

(3) Notwithstanding the provisions of paragraph (g)(1) of this section, an institution may consider a student who transfers into another program at the same institution to remain in the same payment period if—

(i) The student is continuously enrolled at the institution;

(ii) The coursework in the payment period the student is transferring out of is substantially similar to the coursework the student will be taking when he or she first transfers into the new program;

(iii) The payment periods are substantially equal in length in weeks of instructional time and credit hours or clock hours, as applicable;

(iv) There are little or no changes in institutional charges associated with the payment period to the student; and

(v) The credits from the payment period the student is transferring out of are accepted toward the new program.

(h) *Definitions.* For purposes of this section—

(1) Terms are *substantially equal in length* if no term in the program is more than two weeks of instructional time longer than any other term in that program; and

(2) A student *successfully completes* credit hours or clock hours if the institution considers the student to have passed the coursework associated with those hours.

§ 668.5 Written arrangements to provide educational programs.

(a) *Written arrangements between eligible institutions.* (1) Except as provided in paragraph (a)(2) of this section, if an eligible institution enters into a written arrangement with another eligible institution, or with a consortium of eligible institutions, under which the other eligible institution or consortium provides part of the educational program to students enrolled in the first institution, the Secretary considers that educational program to be an eligible program if the educational program offered by the institution that grants the

degree or certificate otherwise satisfies the requirements of § 668.8.

(2) If the written arrangement is between two or more eligible institutions that are owned or controlled by the same individual, partnership, or corporation, the Secretary considers the educational program to be an eligible program if—

(i) The educational program offered by the institution that grants the degree or certificate otherwise satisfies the requirements of § 668.8; and

(ii) The institution that grants the degree or certificate provides more than 50 percent of the educational program.

(b) *Written arrangements for study-abroad.* Under a study abroad program, if an eligible institution enters into a written arrangement under which an institution in another country, or an organization acting on behalf of an institution in another country, provides part of the educational program of students enrolled in the eligible institution, the Secretary considers that educational program to be an eligible program if it otherwise satisfies the requirements of paragraphs (c)(1) through (c)(3) of this section.

(c) *Written arrangements between an eligible institution and an ineligible institution or organization.* If an eligible institution enters into a written arrangement with an institution or organization that is not an eligible institution or organization provides part of the educational program of students enrolled in the eligible institution, the Secretary considers that educational program to be an eligible program if—

(1) The ineligible institution or organization has not—

(i) Had its eligibility to participate in the title IV, HEA programs terminated by the Secretary;

(ii) Voluntarily withdrawn from participation in the title IV, HEA programs under a termination, show-cause, suspension, or similar type proceeding initiated by the institution's State licensing agency, accrediting agency, guarantor, or by the Secretary;

(iii) Had its certification to participate in the title IV, HEA programs revoked by the Secretary;

(iv) Had its application for re-certification to participate in the title IV, HEA programs denied by the Secretary; or

(v) Had its application for certification to participate in the title IV, HEA programs denied by the Secretary;

(2) The educational program offered by the institution that grants the degree or certificate otherwise satisfies the requirements of § 668.8; and

(3)(i) The ineligible institution or organization provides 25 percent or less of the educational program; or

(ii)(A) The ineligible institution or organization provides more than 25 percent but less than 50 percent of the educational program;

(B) The eligible institution and the ineligible institution or organization are not owned or controlled by the same individual, partnership, or corporation; and

(C) The eligible institution's accrediting agency, or if the institution is a public postsecondary vocational educational institution, the State agency listed in the FEDERAL REGISTER in accordance with 34 CFR part 603, has specifically determined that the institution's arrangement meets the agency's standards for the contracting out of educational services.

(d) *Administration of title IV, HEA programs.* (1) If an institution enters into a written arrangement as described in paragraph (a), (b), or (c) of this section, except as provided in paragraph (d)(2) of this section, the institution at which the student is enrolled as a regular student must determine the student's eligibility for title IV, HEA program funds, and must calculate and disburse those funds to that student.

(2) In the case of a written arrangement between eligible institutions, the institutions may agree in writing to have any eligible institution in the written arrangement make those calculations and disbursements, and the Secretary does not consider that institution to be a third-party servicer for that arrangement.

(3) The institution that calculates and disburses a student's title IV, HEA program assistance under paragraph (d)(1) or (d)(2) of this section must—

(i) Take into account all the hours in which the student enrolls at each institution that apply to the student's degree or certificate when determining the student's enrollment status and cost of attendance; and (ii) Maintain all records regarding the student's eligibility for and receipt of title IV, HEA program funds.

(e) *Information made available to students.* If an institution enters into a written arrangement described in paragraph (a), (b), or (c) of this section, the institution must provide the information described in § 668.43(a)(12) to enrolled and prospective students.

(b) *Definitions.* For purposes of this section—

(1) The Secretary considers the “equivalent of an associate degree” to be—

(2) A week is a consecutive seven-day period; and

(3)(i) The Secretary considers that an institution provides one week of instructional time in an academic program during any week the institution provides at least one day of regularly scheduled instruction or examinations, or, after the last scheduled day of classes for a term or a payment period, at least one day of study for final examinations.

(ii) Instructional time does not include any vacation periods, homework, or periods of orientation or counseling.

(d) *Proprietary institution of higher education and postsecondary vocational institution.* An eligible program provided by a proprietary institution of higher education or postsecondary vocational institution—

(1)(i) Must require a minimum of 15 weeks of instruction, beginning on the first day of classes and ending on the last day of classes or examinations;

(ii) Must be at least 600 clock hours, 16 semester or trimester hours, or 24 quarter hours;

(ii) Be at least 300 clock hours but less than 600 clock hours;

(iii) Provide undergraduate training that prepares a student for gainful employment in a recognized occupation;

(iv) Admit as regular students some persons who have not completed the equivalent of an associate degree; and

(v) Satisfy the requirements of paragraph (e) of this section; or

(ii) The institution has provided continuously since January 1, 2009.

(e) *Qualitative factors.* (1) An educational program that satisfies the requirements of paragraphs (d)(3)(i) through (iv) of this section qualifies as an eligible program only if—

(i) The program has a substantiated completion rate of at least 70 percent, as calculated under paragraph (f) of this section;

(ii) The program has a substantiated placement rate of at least 70 percent, as calculated under paragraph (g) of this section;

(iii) The number of clock hours provided in the program does not exceed by more than 50 percent the minimum number of clock hours required for training in the recognized occupation for which the program prepares students, as established by the State in which the program is offered, if the State has established such a requirement, or as established by any Federal agency; and

(iv) The program has been in existence for at least one year. The Secretary considers an educational program to have been in existence for at least one year only if an institution has been legally authorized to provide, and has continuously provided, the program during the 12 months (except for normal vacation periods and, at the discretion of the Secretary, periods when the institution closes due to a natural disaster that directly affects the institution or the institution's students) preceding the date on which the

institution applied for eligibility for that program.

(2) An institution shall substantiate the calculation of its completion and placement rates by having the certified public accountant who prepares its audit report required under § 668.23 report on the institution's calculation based on performing an attestation engagement in accordance with the Statements on Standards for Attestation Engagements of the American Institute of Certified Public Accountants (AICPA).

(f) *Calculation of completion rate.* An institution shall calculate its completion rate for an educational program for any award year as follows:

(1) Determine the number of regular students who were enrolled in the program during the award year.

(2) Subtract from the number of students determined under paragraph (f)(1) of this section, the number of regular students who, during that award year, withdrew from, dropped out of, or were expelled from the program and were entitled to and actually received, in a timely manner a refund of 100 percent of their tuition and fees.

(3) Subtract from the total obtained under paragraph (f)(2) of this section the number of students who were enrolled in the program at the end of that award year.

(4) Determine the number of regular students who, during that award year, received within 150 percent of the published length of the educational program the degree, certificate, or other recognized educational credential awarded for successfully completing the program.

(5) Divide the number determined under paragraph (f)(4) of this section by the total obtained under paragraph (f)(3) of this section.

(g) *Calculation of placement rate.* (1) An institution shall calculate its placement rate for an educational program for any award year as follows:

(i) Determine the number of students who, during the award year, received the degree, certificate, or other recognized educational credential awarded for successfully completing the program.

(ii) Of the total obtained under paragraph (g)(1)(i) of this section, determine the number of students who, within 180 days of the day they received their degree, certificate, or other recognized educational credential, obtained gainful employment in the recognized occupation for which they were trained or in a related comparable recognized occupation and, on the date of this calculation, are employed, or have been employed, for at least 13 weeks following receipt of the credential from the institution.

(iii) Divide the number of students determined under paragraph (g)(1)(ii) of this section by the total obtained under paragraph (g)(1)(i) of this section.

(2) An institution shall document that each student described in paragraph (g)(1)(ii) of this section obtained gainful employment in the recognized occupation for which he or she was trained or in a related comparable recognized occupation. Examples of satisfactory documentation of a student's gainful employment include, but are not limited to—

(i) A written statement from the student's employer;

(ii) Signed copies of State or Federal income tax forms; and

(iii) Written evidence of payments of Social Security taxes.

(h) *Eligibility for Federal Pell Grant, ACG, National SMART Grant, TEACH Grant, and FSEOG Programs.* In addition to satisfying other relevant provisions of the section—

(ii) The program leads to a degree, certificate, or other recognized educational credential.

(2) An institution shall document its determination that ESL instruction is necessary to enable each student enrolled in its ESL program to use already existing knowledge, training, or skills with regard to the students that it admits to its ESL program under paragraph (j)(1)(i) of this section.

(3) An ESL program that qualifies as an eligible program under this paragraph is eligible for purposes of the Federal Pell Grant Program only.

(k) *Undergraduate educational program in credit hours.* If an institution offers an undergraduate educational program in credit hours, the institution must use the formula contained in paragraph (l) of this section to determine whether that program satisfies the requirements contained in paragraph (c)(3) or (d) of this section, and the number of credit hours in that educational program for purposes of the title IV, HEA programs, unless—

(1) The program is at least two academic years in length and provides an associate degree, a bachelor's degree, a professional degree, or an equivalent degree as determined by the Secretary; or

(1) *Formula.* (1) Except as provided in paragraph (1)(2) of this section, for purposes of determining whether a program described in paragraph (k) of this section satisfies the requirements contained in paragraph (c)(3) or (d) of this section, and determining the number of credit hours in that educational program with regard to the title IV, HEA programs—

(i) A semester hour must include at least 37.5 clock hours of instruction;

(ii) A trimester hour must include at least 37.5 clock hours of instruction; and

(iii) A quarter hour must include at least 25 clock hours of instruction.

(2) The institution's conversions to establish a minimum number of clock hours of instruction per credit may be less than those specified in paragraph (1)(1) of this section if the institution's designated accrediting agency, or recognized State agency for the approval of public postsecondary vocational institutions for participation in the title IV, HEA programs, has not identified any deficiencies with the institution's policies and procedures, or their implementation, for determining the credit hours that the institution awards for programs and courses, so long as—

(i) The institution's student work outside of class combined with the clock hours of instruction meet or exceed the numeric requirements in paragraph (1)(1) of this section; and

(ii)(A) A semester hour must include at least 30 clock hours of instruction;

(B) A trimester hour must include at least 30 clock hours of instruction; and

(C) A quarter hour must include at least 20 hours of instruction.

(m) An otherwise eligible program that is offered in whole or in part through telecommunications is eligible for title IV, HEA program purposes if the program is offered by an institution, other than a foreign institution, that has been evaluated and is accredited for its effective delivery of distance education programs by an accrediting agency or association that—

(1) Is recognized by the Secretary under subpart 2 of part H of the HEA; and

(2) Has accreditation of distance education within the scope of its recognition.

(n) For Title IV, HEA program purposes, *eligible program* includes a direct assessment program approved by the Secretary under § 668.10 and a comprehensive transition and postsecondary program approved by the Secretary under § 668.232.

§ 668.9 Relationship between clock hours and semester, trimester, or quarter hours in calculating Title IV, HEA program assistance.

(a) In determining the amount of Title IV, HEA program assistance that a student who is enrolled in a program described in § 668.8(k) is eligible to receive, the institution shall apply the formula contained in § 668.8(l) to determine the number of semester, trimester, or quarter hours in that program, if the institution measures academic progress in that program in semester, trimester, or quarter hours.

(b) Notwithstanding paragraph (a) of this section, a public or private non-profit hospital-based school of nursing that awards a diploma at the completion of the school's program of education is not required to apply the formula contained in § 668.8(l) to determine the number of semester, trimester, or quarter hours in that program for purposes of calculating Title IV, HEA program assistance.

§ 668.10 Direct assessment programs.

(a)(1) A *direct assessment program* is an instructional program that, in lieu of credit hours or clock hours as a measure of student learning, utilizes direct

assessment of student learning, or recognizes the direct assessment of student learning by others. The assessment must be consistent with the accreditation of the institution or program utilizing the results of the assessment.

(2) Direct assessment of student learning means a measure by the institution of what a student knows and can do in terms of the body of knowledge making up the educational program. These measures provide evidence that a student has command of a specific subject, content area, or skill or that the student demonstrates a specific quality such as creativity, analysis or synthesis associated with the subject matter of the program. Examples of direct measures include projects, papers, examinations, presentations, performances, and portfolios.

(3) All regulatory requirements in this chapter that refer to credit or clock hours as a measurement apply to direct assessment programs. Because a direct assessment program does not utilize credit or clock hours as a measure of student learning, an institution must establish a methodology to reasonably equate the direct assessment program (or the direct assessment portion of any program, as applicable) to credit or clock hours for the purpose of complying with applicable regulatory requirements. The institution must provide a factual basis satisfactory to the Secretary for its claim that the program or portion of the program is equivalent to a specific number of credit or clock hours.

(i) An academic year in a direct assessment program is a period of instructional time that consists of a minimum of 30 weeks of instructional time during which, for an undergraduate educational program, a full-time student is expected to complete the equivalent of at least 24 semester or trimester credit hours, 36 quarter credit hours or 900 clock hours.

(ii) A payment period in a direct assessment program for which equivalence in credit hours has been established must be determined under the requirements in § 668.4(a), (b), or (c), as applicable, using the academic year determined in accordance with paragraph (a)(3)(i) of this section (or the portion

of that academic year comprising or remaining in the program). A payment period in a direct assessment program for which equivalence in clock hours has been established must be determined under the requirements in § 668.4(c), using the academic year determined in accordance with paragraph (a)(3)(i) of this section (or the portion of that academic year comprising or remaining in the program).

(iii) A week of instructional time in a direct assessment program is any seven-day period in which at least one day of educational activity occurs. Educational activity in a direct assessment program includes regularly scheduled learning sessions, faculty-guided independent study, consultations with a faculty mentor, development of an academic action plan addressed to the competencies identified by the institution, or, in combination with any of the foregoing, assessments. It does not include credit for life experience. For purposes of direct assessment programs, independent study occurs when a student follows a course of study with predefined objectives but works with a faculty member to decide how the student is going to meet those objectives. The student and faculty member agree on what the student will do (e.g., required readings, research, and work products), how the student's work will be evaluated, and on what the relative timeframe for completion of the work will be. The student must interact with the faculty member on a regular and substantive basis to assure progress within the course or program.

(iv) A full-time student in a direct assessment program is an enrolled student who is carrying a full-time academic workload as determined by the institution under a standard applicable to all students enrolled in the program. However, for an undergraduate student, the institution's minimum standard must equal or exceed the minimum full-time requirements specified in the definition of *full-time student* in § 668.2 based on the credit or clock hour equivalency established by the institution for the direct assessment program.

(b) An institution that offers a direct assessment program must apply to the Secretary to have that program determined to be an eligible program for

title IV, HEA program purposes. The institution's application must provide information satisfactory to the Secretary that includes—

(1) A description of the educational program, including the educational credential offered (degree level or certificate) and the field of study;

(2) A description of how the assessment of student learning is done;

(3) A description of how the direct assessment program is structured, including information about how and when the institution determines on an individual basis what each student enrolled in the program needs to learn;

(4) A description of how the institution assists students in gaining the knowledge needed to pass the assessments;

(5) The number of semester or quarter credit hours, or clock hours, that are equivalent to the amount of student learning being directly assessed for the certificate or degree, as required by paragraph (b)(3) of this section;

(6) The methodology the institution uses to determine the number of credit or clock hours to which the program is equivalent;

(7) The methodology the institution uses to determine the number of credit or clock hours to which the portion of a program an individual student will need to complete is equivalent;

(8) Documentation from the institution's accrediting agency indicating that the agency has evaluated the institution's offering of direct assessment program(s) and has included the program(s) in the institution's grant of accreditation;

(9) Documentation from the accrediting agency or relevant state licensing body indicating agreement with the institution's claim of the direct assessment program's equivalence in terms of credit or clock hours; and

(10) Any other information the Secretary may require to determine whether to approve the institution's application.

(c) To be an eligible program, a direct assessment program must meet the requirements in § 668.8 including, if applicable, minimum program length and qualitative factors.

(d) Notwithstanding paragraphs (a) through (c) of this section, no program offered by a foreign institution that involves direct assessment will be considered to be an eligible program under § 668.8.

(e) A direct assessment program may use learning resources (e.g., courses or portions of courses) that are provided by entities other than the institution providing the direct assessment program without regard to the limitations on contracting for part of an educational program in § 668.5(c)(3).

(f) Title IV, HEA program funds may be used only for learning that results from instruction provided, or overseen, by the institution, not for the portion of the program that the student has demonstrated mastery of prior to enrollment in the program or tests of learning that are not associated with educational activities overseen by the institution.

(g) Title IV, HEA program eligibility with respect to direct assessment programs is limited to direct assessment programs approved by the Secretary. Title IV, HEA program funds may not be used for—

(1) the course of study described in § 668.32(a)(1)(ii) and (iii) if offered by direct assessment, or

(2) remedial coursework described in § 668.20 offered by direct assessment. However, remedial instruction that is offered in credit or clock hours in conjunction with a direct assessment program is eligible for title IV, HEA program funds.

(h) The Secretary's approval of a direct assessment program expires on the date that the institution changes one or more aspects of the program described in the institution's application submitted under paragraph (b) of this section. To maintain program eligibility, the institution must obtain prior approval from the Secretary through reapplication under paragraph (b) of this section that sets forth the revisions proposed.

§ 668.12 [Reserved]

§ 668.13 Certification procedures.

(a) *Requirements for certification.* (1) The Secretary certifies an institution to participate in the title IV, HEA programs if the institution qualifies as an eligible institution under 34 CFR part 600, meets the standards of this subpart and 34 CFR part 668, subpart L, and satisfies the requirements of paragraph (a)(2) of this section.

(2) Except as provided in paragraph (a)(3) of this section, if an institution wishes to participate for the first time in the title IV, HEA programs or has undergone a change in ownership that results in a change in control as described in 34 CFR 600.31, the institution must require the following individuals to complete title IV, HEA program training provided or approved by the

Secretary no later than 12 months after the institution executes its program participation agreement under § 668.14:

(i) The individual the institution designates under § 668.16(b)(1) as its title IV, HEA program administrator.

(ii) The institution's chief administrator or a high level institutional official the chief administrator designates.

(3)(i) An institution may request the Secretary to waive the training requirement for any individual described in paragraph (a)(2) of this section.

(ii) When the Secretary receives a waiver request under paragraph (a)(3)(i) of this section, the Secretary may grant or deny the waiver, require another institutional official to take the training, or require alternative training.

(b) *Period of participation.* (1) If the Secretary certifies that an institution meets the standards of this subpart, the Secretary also specifies the period for which the institution may participate in a title IV, HEA program. An institution's period of participation expires no more than six years after the date that the Secretary certifies that the institution meets the standards of this subpart, except that—

(i) The period of participation for a private, for profit foreign institution expires three years after the date of the Secretary's certification; and

(ii) The Secretary may specify a shorter period.

(2) Provided that an institution has submitted an application for a renewal of certification that is materially complete at least 90 days prior to the expiration of its current period of participation, the institution's existing certification will be extended on a month to month basis following the expiration of the institution's period of participation until the end of the month in which the Secretary issues a decision on the application for recertification.

(c) *Provisional certification.* (1)(i) The Secretary may provisionally certify an institution if—

(A) The institution seeks initial participation in a Title IV, HEA program;

(B) The institution is an eligible institution that has undergone a change in ownership that results in a change

in control according to the provisions of 34 CFR part 600;

(C) The institution is a participating institution—

(1) That is applying for a certification that the institution meets the standards of this subpart;

(2) That the Secretary determines has jeopardized its ability to perform its financial responsibilities by not meeting the factors of financial responsibility under § 668.15 and subpart L of this part or the standards of administrative capability under § 668.16; and

(3) Whose participation has been limited or suspended under subpart G of this part, or voluntarily enters into provisional certification;

(D) The institution seeks a renewal of participation in a Title IV, HEA program after the expiration of a prior period of participation in that program; or

(E) The institution is a participating institution that was accredited or preaccredited by a nationally recognized accrediting agency on the day before the Secretary withdrew the Secretary's recognition of that agency according to the provisions contained in 34 CFR part 603.

(ii) A proprietary institution's certification automatically becomes provisional at the start of a fiscal year after it did not derive at least 10 percent of its revenue for its preceding fiscal year from sources other than Title IV, HEA program funds, as required under § 668.14(b)(16).

(2) If the Secretary provisionally certifies an institution, the Secretary also specifies the period for which the institution may participate in a Title IV, HEA program. Except as provided in paragraphs (c) (3) and (4) of this section, a provisionally certified institution's period of participation expires—

(i) Not later than the end of the first complete award year following the date on which the Secretary provisionally certified the institution under paragraph (c)(1)(i) of this section;

(ii) Not later than the end of the third complete award year following the date on which the Secretary provisionally certified the institution under paragraphs (c)(1)(ii), (iii), (iv) or (e)(2) of this section; and

(iii) If the Secretary provisionally certified the institution under paragraph (c)(1)(v) of this section, not later than 18 months after the date that the Secretary withdrew recognition from the institutions nationally recognized accrediting agency.

(3) Notwithstanding the maximum periods of participation provided for in paragraph (c)(2) of this section, if the Secretary provisionally certifies an institution, the Secretary may specify a shorter period of participation for that institution.

(4) For the purposes of this section, "provisional certification" means that the Secretary certifies that an institution has demonstrated to the Secretary's satisfaction that the institution—

(i) Is capable of meeting the standards of this subpart within a specified period; and

(ii) Is able to meet the institution's responsibilities under its program participation agreement, including compliance with any additional conditions specified in the institution's program participation agreement that the Secretary requires the institution to meet in order for the institution to participate under provisional certification.

(d) *Revocation of provisional certification.* (1) If, before the expiration of a provisionally certified institution's period of participation in a Title IV, HEA program, the Secretary determines that the institution is unable to meet its responsibilities under its program participation agreement, the Secretary may revoke the institution's provisional certification for participation in that program.

(2)(i) If the Secretary revokes the provisional certification of an institution under paragraph (d)(1) of this section, the Secretary sends the institution a notice by certified mail, return receipt requested. The Secretary also may transmit the notice by other, more expeditious means, if practical.

(ii) The revocation takes effect on the date that the Secretary mails the notice to the institution.

(iii) The notice states the basis for the revocation, the consequences of the revocation to the institution, and that the institution may request the Secretary to reconsider the revocation.

The consequences of a revocation are described in § 668.26.

(3)(i) An institution may request reconsideration of a revocation under this section by submitting to the Secretary, within 20 days of the institution's receipt of the Secretary's notice, written evidence that the revocation is unwarranted. The institution must file the request with the Secretary by hand-delivery, mail, or facsimile transmission.

(ii) The filing date of the request is the date on which the request is—

- (A) Hand-delivered;
- (B) Mailed; or
- (C) Sent by facsimile transmission.

(iii) Documents filed by facsimile transmission must be transmitted to the Secretary in accordance with instructions provided by the Secretary in the notice of revocation. An institution filing by facsimile transmission is responsible for confirming that a complete and legible copy of the document was received by the Secretary.

(iv) The Secretary discourages the use of facsimile transmission for documents longer than five pages.

(4)(i) The designated department official making the decision concerning an institution's request for reconsideration of a revocation is different from, and not subject to supervision by, the official who initiated the revocation of the institution's provisional certification. The deciding official promptly considers an institution's request for reconsideration of a revocation and notifies the institution, by certified mail, return receipt requested, of the final decision. The Secretary also may transmit the notice by other, more expeditious means, if practical.

(ii) If the Secretary determines that the revocation is warranted, the Secretary's notice informs the institution that the institution may apply for reinstatement of participation only after the later of the expiration of—

(A) Eighteen months after the effective date of the revocation; or

(B) A debarment or suspension of the institution under Executive Order (E.O.) 12549 (3 CFR, 1986 comp., p. 189) or the Federal Acquisition Regulations, 48 CFR part 9, subpart 9.4.

(iii) If the Secretary determines that the revocation of the institution's pro-

visional certification is unwarranted, the Secretary's notice informs the institution that the institution's provisional certification is reinstated, effective on the date that the Secretary's original revocation notice was mailed, for a specified period of time.

(5)(i) The mailing date of a notice of revocation or a request for reconsideration of a revocation is the date evidenced on the original receipt of mailing from the U.S. Postal Service.

(ii) The date on which a request for reconsideration of a revocation is submitted is—

(A) If the request was sent by a delivery service other than the U.S. Postal Service, the date evidenced on the original receipt by that service; and

(B) If the request was sent by facsimile transmission, the date that the document is recorded as received by facsimile equipment that receives the transmission.

(8) It will not provide any statement to any student or certification to any lender in the case of an FFEL Program loan, or origination record to the Secretary in the case of a Direct Loan Program loan that qualifies the student or parent for a loan or loans in excess of the amount that the student or parent is eligible to borrow in accordance with sections 425(a), 428(a)(2), 428(b)(1)(A) and (B), 428B, 428H, and 455(a) of the HEA;

(i) The most recent available data concerning employment statistics, graduation statistics, and any other information necessary to substantiate

the truthfulness of the advertisements; and

(ii) Relevant State licensing requirements of the State in which the institution is located for any job for which an educational program offered by the institution is designed to prepare those prospective students;

(11) In the case of an institution participating in the FFEL program, the institution will inform all eligible borrowers, as defined in 34 CFR part 682, enrolled in the institution about the availability and eligibility of those borrowers for State grant assistance from the State in which the institution is located, and will inform borrowers from another State of the source of further information concerning State grant assistance from that State;

(12) It will provide the certifications described in paragraph (c) of this section;

(14) It will not deny any form of Federal financial aid to any eligible student solely on the grounds that the student is participating in a program of study abroad approved for credit by the institution;

(15)(i) Except as provided under paragraph (b)(15)(ii) of this section, the institution will use a default management plan approved by the Secretary with regard to its administration of the FFEL or Direct Loan programs, or both for at least the first two years of its participation in those programs, if the institution—

(A) Is participating in the FFEL or Direct Loan programs for the first time; or

(B) Is an institution that has undergone a change of ownership that results in a change in control and is participating in the FFEL or Direct Loan programs.

(26) If an educational program offered by the institution is required to prepare a student for gainful employment in a recognized occupation, the institution must—

(i) Demonstrate a reasonable relationship between the length of the program and entry level requirements for the recognized occupation for which the program prepares the student. The Secretary considers the relationship to be reasonable if the number of clock hours provided in the program does not exceed by more than 50 percent the minimum number of clock hours required for training in the recognized occupation for which the program prepares the student, as established by the State in which the institution is located, if the State has established such a requirement, or as established by any Federal agency;

(ii) Establish the need for the training for the student to obtain employment in the recognized occupation for which the program prepares the student; and

(ii) Will, in consultation with the chief technology officer or other designated officer of the institution—

(A) Periodically review the legal alternatives for downloading or otherwise acquiring copyrighted material;

(B) Make available the results of the review in paragraph (b)(30)(ii)(A) of this section to its students through a Web site or other means; and

§ 668.15 Factors of financial responsibility.

(a) *General.* To begin and to continue to participate in any Title IV, HEA program, an institution must demonstrate to the Secretary that the institution is financially responsible under the requirements established in this section.

(b) *General standards of financial responsibility.* In general, the Secretary considers an institution to be financially responsible only if it—

(2) Is providing the administrative resources necessary to comply with the requirements of this subpart;

(3) Is meeting all of its financial obligations, including but not limited to—

(i) Refunds that it is required to make; and

(ii) Repayments to the Secretary for liabilities and debts incurred in programs administered by the Secretary;

(4) Is current in its debt payments. The institution is not considered current in its debt payments if—

(i) The institution is in violation of any existing loan agreement at its fiscal year end, as disclosed in a note to its audited financial statement; or

(ii) the institution fails to make a payment in accordance with existing debt obligations for more than 120 days, and at least one creditor has filed suit to recover those funds;

(5) Except as provided in paragraph (d) of this section, in accordance with procedures established by the Secretary, submits to the Secretary an irrevocable letter of credit, acceptable and payable to the Secretary equal to 25 percent of the total dollar amount of Title IV, HEA program refunds paid by the institution in the previous fiscal year;

(6) Has not had, as part of the audit report for the institution's most recently completed fiscal year—

(i) A statement by the accountant expressing substantial doubt about the institution's ability to continue as a going concern; or

(ii) A disclaimed or adverse opinion by the accountant;

(7) For a for-profit institution—

(i)(A) Demonstrates at the end of its latest fiscal year, an acid test ratio of at least 1:1. For purposes of this section, the acid test ratio shall be calculated by adding cash and cash equivalents to current accounts receivable and dividing the sum by total current liabilities. The calculation of the acid test ratio shall exclude all unsecured or uncollateralized related party receivables;

(B) Has not had operating losses in either or both of its two latest fiscal years that in sum result in a decrease in tangible net worth in excess of 10 percent of the institution's tangible net worth at the beginning of the first year of the two-year period. The Secretary may calculate an operating loss for an institution by excluding from net income: extraordinary gains or losses; income or losses from discontinued operations; prior period adjustment; and, the cumulative effect of changes in accounting principle. For purposes of this section, the calculation of tangible net worth shall exclude

all assets defined as intangible in accordance with generally accepted accounting principles; and

(C) Had, for its latest fiscal year, a positive tangible net worth. In applying this standard, a positive tangible net worth occurs when the institution's tangible assets exceed its liabilities. The calculation of tangible net worth shall exclude all assets classified as intangible in accordance with the generally accepted accounting principles; or

(ii) Demonstrates to the satisfaction of the Secretary that it has currently issued and outstanding debt obligations that are (without insurance, guarantee, or credit enhancement) listed at or above the second highest rating level of credit quality given by a nationally recognized statistical rating organization;

(B) Demonstrates at the end of its latest fiscal year, an acid test ratio of at least 1:1. The calculation of the acid test ratio shall exclude all unsecured or uncollateralized related party receivables.

(C)(1) Has, at the end of its latest fiscal year, a positive unrestricted current fund balance or positive unrestricted net assets. In calculating the unrestricted current fund balance or the unrestricted net assets for an institution, the Secretary may include funds that are temporarily restricted in use by the institution's governing body that can be transferred to the current unrestricted fund or added to net unrestricted assets at the discretion of the governing body; or

(2) Has not had, an excess of current fund expenditures over current fund revenues over both of its 2 latest fiscal years that results in a decrease exceeding 10 percent in either the unrestricted current fund balance or the

unrestricted net assets at the beginning of the first year of the 2-year period. The Secretary may exclude from net changes in fund balances for the operating loss calculation: Extraordinary gains or losses; income or losses from discontinued operations; prior period adjustment; and the cumulative effect of changes in accounting principle. In calculating the institution's unrestricted current fund balance or the unrestricted net assets, the Secretary may include funds that are temporarily restricted in use by the institution's governing body that can be transferred to the current unrestricted fund or added to net unrestricted assets at the discretion of the governing body; or

(ii) Demonstrates to the satisfaction of the Secretary that it has currently issued and outstanding debt obligations which are (without insurance, guarantee, or credit enhancement) listed at or above the second highest rating level of credit quality given by a nationally recognized statistical rating organization.

(9) For a public institution—

An institution is not financially responsible if—

(1) A person who exercises substantial control over the institution or any member or members of the person's family alone or together—

(i)(A) Exercises or exercised substantial control over another institution or a third-party servicer that owes a liability for a violation of a Title IV, HEA program requirement; or

(B) Owes a liability for a violation of a Title IV, HEA program requirement; and

(ii) That person, family member, institution, or servicer does not demonstrate that the liability is being repaid in accordance with an agreement with the Secretary; or

(2) The institution has—

(i) Been limited, suspended, terminated, or entered into a settlement agreement to resolve a limitation, suspension, or termination action initiated by the Secretary or a guaranty agency (as defined in 34 CFR part 682) within the preceding five years;

(ii) Had—

(A) An audit finding, during its two most recent audits of its conduct of the Title IV, HEA programs, that resulted in the institution's being required to repay an amount greater than five percent of the funds that the institution received under the Title IV, HEA programs for any award year covered by the audit; or

(B) A program review finding, during its two most recent program reviews, of its conduct of the Title IV, HEA programs that resulted in the institution's being required to repay an amount greater than five percent of the funds that the institution received under the Title IV, HEA programs for any award year covered by the program review;

(iii) Been cited during the preceding five years for failure to submit acceptable audit reports required under this part or individual Title IV, HEA program regulations in a timely fashion; or

(iv) Failed to resolve satisfactorily any compliance problems identified in program review or audit reports based upon a final decision of the Secretary issued pursuant to subpart G or subpart H of this part.

(d) *Exceptions to the general standards of financial responsibility.* (1)(i) An institution is not required to meet the standard in paragraph (b)(5) of this section if the Secretary determines that the institution—

(A)(I) Is located in, and is legally authorized to operate within, a State that has a tuition recovery fund that is acceptable to the Secretary and ensures that the institution is able to pay all required refunds; and

(2) Contributes to that tuition recovery fund.

(B) Has its liabilities backed by the full faith and credit of the State, or by an equivalent governmental entity; or

(C) As determined under paragraph (g) of this section, demonstrates, to the satisfaction of the Secretary, that for each of the institution's two most recently completed fiscal years, it has made timely refunds to students in accordance with § 668.22(j), and that it has met or exceeded all of the financial responsibility standards in this section that were in effect for the corresponding periods during the two-year period.

(ii) In evaluating an application to approve a State tuition recovery fund to exempt its participating schools from the Federal cash reserve requirements, the Secretary will consider the extent to which the State tuition recovery fund:

(A) Provides refunds to both in-state and out-of-state students;

(B) Allocates all refunds in accordance with the order delineated in § 668.22(i); and

(C) Provides a reliable mechanism for the State to replenish the fund should any claims arise that deplete the funds assets.

(2) The Secretary considers an institution to be financially responsible, even if the institution is not otherwise financially responsible under paragraphs (b)(1) through (4) and (b)(6) through (9) of this section, if the institution—

(i) Submits to the Secretary an irrevocable letter of credit that is acceptable and payable to the Secretary equal to not less than one-half of the Title IV, HEA program funds received by the institution during the last com-

plete award year for which figures are available; or

(ii) Establishes to the satisfaction of the Secretary, with the support of a financial statement submitted in accordance with paragraph (e) of this section, that the institution has sufficient resources to ensure against its precipitous closure, including the ability to meet all of its financial obligations (including refunds of institutional charges and repayments to the Secretary for liabilities and debts incurred in programs administered by the Secretary). The Secretary considers the institution to have sufficient resources to ensure against precipitous closure only if—

(A) The institution formerly demonstrated financial responsibility under the standards of financial responsibility in its preceding audited financial statement (or, if no prior audited financial statement was requested by the Secretary, demonstrates in conjunction with its current audit that it would have satisfied this requirement), and that its most recent audited financial statement indicates that—

(1) All taxes owed by the institution are current;

(2) The institution's net income, or a change in total net assets, before extraordinary items and discontinued operations, has not decreased by more than 10 percent from the prior fiscal year, unless the institution demonstrates that the decreased net income shown on the current financial statement is a result of downsizing pursuant to a management-approved business plan;

(3) Loans and other advances to related parties have not increased from the prior fiscal year unless such increases were secured and collateralized, and do not exceed 10 percent of the prior fiscal year's working capital of the institution;

(4) The equity of a for-profit institution, or the total net assets of a non-profit institution, have not decreased by more than 10 percent of the prior year's total equity;

(5) Compensation for owners or other related parties (including bonuses, fringe benefits, employee stock option allowances, 401k contributions, deferred compensation allowances) has

not increased from the prior year at a rate higher than for all other employees;

(6) The institution has not materially leveraged its assets or income by becoming a guarantor on any new loan or obligation on behalf of any related party;

(7) All obligations owed to the institution by related parties are current, and that the institution has demanded and is receiving payment of all funds owed from related parties that are payable upon demand. For purposes of this section, a person does not become a related party by attending an institution as a student;

(B) There have been no material findings in the institution's latest compliance audit of its administration of the Title IV HEA programs; and

(C) There are no pending administrative or legal actions being taken against the institution by the Secretary, any other Federal agency, the institution's nationally recognized accrediting agency, or any State entity.

(3) An institution is not required to meet the acid test ratio in paragraph (b)(7)(i)(A) or (b)(8)(i)(B) of this section if the institution is an institution that provides a 2-year or 4-year educational program for which the institution awards an associate or baccalaureate degree that demonstrates to the satisfaction of the Secretary that—

(i) There is no reasonable doubt as to its continued solvency and ability to deliver quality educational services;

(ii) It is current in its payment of all current liabilities, including student refunds, repayments to the Secretary, payroll, and payment of trade creditors and withholding taxes; and

(iii) It has substantial equity in institution-occupied facilities, the acquisition of which was the direct cause of its failure to meet the acid test ratio requirement.

(4) The Secretary may determine an institution to be financially responsible even if the institution is not otherwise financially responsible under paragraph (c)(1) of this section if—

(i) The institution notifies the Secretary, in accordance with 34 CFR 600.30, that the person referenced in paragraph (c)(1) of this section exer-

cises substantial control over the institution; and

(ii)(A) The person repaid to the Secretary a portion of the applicable liability, and the portion repaid equals or exceeds the greater of—

(1) The total percentage of the ownership interest held in the institution or third-party servicer that owes the liability by that person or any member or members of that person's family, either alone or in combination with one another;

(2) The total percentage of the ownership interest held in the institution or servicer that owes the liability that the person or any member or members of the person's family, either alone or in combination with one another, represents or represented under a voting trust, power of attorney, proxy, or similar agreement; or

(3) Twenty-five percent, if the person or any member of the person's family is or was a member of the board of directors, chief executive officer, or other executive officer of the institution or servicer that owes the liability, or of an entity holding at least a 25 percent ownership interest in the institution that owes the liability;

(B) The applicable liability described in paragraph (c)(1) of this section is currently being repaid in accordance with a written agreement with the Secretary; or

(C) The institution demonstrates why—

(1) The person who exercises substantial control over the institution should nevertheless be considered to lack that control; or

(2) The person who exercises substantial control over the institution and each member of that person's family nevertheless does not or did not exercise substantial control over the institution or servicer that owes the liability.

(e) [Reserved]

§ 668.16 Standards of administrative capability.

To begin and to continue to participate in any Title IV, HEA program, an institution shall demonstrate to the Secretary that the institution is capable of adequately administering that program under each of the standards established in this section. The Secretary considers an institution to have that administrative capability if the institution—

(a) Administers the Title IV, HEA programs in accordance with all statutory provisions of or applicable to Title IV of the HEA, all applicable regulatory provisions prescribed under that statutory authority, and all applicable special arrangements, agreements, and limitations entered into under the authority of statutes applicable to Title IV of the HEA;

(b)(1) Designates a capable individual to be responsible for administering all the Title IV, HEA programs in which it participates and for coordinating those programs with the institution's other Federal and non-Federal programs of student financial assistance. The Secretary considers an individual to be “capable” under this paragraph if the individual is certified by the State in which the institution is located, if the State requires certification of financial aid administrators. The Secretary may consider other factors in determining whether an individual is capable, including, but not limited to, the individual's successful completion of Title IV, HEA program training provided or approved by the Secretary, and previous experience and documented success in administering the Title IV, HEA programs properly;

(2) Uses an adequate number of qualified persons to administer the Title IV, HEA programs in which the institution participates. The Secretary considers the following factors to determine whether an institution uses an adequate number of qualified persons—

(iii) The number of students who receive any student financial assistance at the institution and the amount of funds administered;

(iv) The financial aid delivery system used by the institution;

(v) The degree of office automation used by the institution in the administration of the Title IV, HEA programs;

(c)(1) Administers Title IV, HEA programs with adequate checks and balances in its system of internal controls; and

(2) Divides the functions of authorizing payments and disbursing or delivering funds so that no office has responsibility for both functions with respect to any particular student aided under the programs. For example, the functions of authorizing payments and disbursing or delivering funds must be divided so that for any particular student aided under the programs, the two functions are carried out by at least two organizationally independent individuals who are not members of the same family, as defined in § 668.15, or

who do not together exercise substantial control, as defined in § 668.15, over the institution;

(d)(1) Establishes and maintains records required under this part and the individual Title IV, HEA program regulations; and

(A) The amount for each specific instance of reasonable expenses paid or provided;

(B) The name of the financial aid official, other employee, or agent to whom the expenses were paid or provided;

(C) The dates of the activity for which the expenses were paid or provided; and

(D) A brief description of the activity for which the expenses were paid or provided.

(ii) Expenses are considered to be reasonable if the expenses—

(e) For purposes of determining student eligibility for assistance under a title IV, HEA program, establishes, publishes, and applies reasonable standards for measuring whether an otherwise eligible student is maintaining satisfactory academic progress in his or her educational program. The Secretary considers an institution's standards to be reasonable if the standards are in accordance with the provisions specified in § 668.34.

(f) Develops and applies an adequate system to identify and resolve discrepancies in the information that the institution receives from different sources with respect to a student's application for financial aid under Title IV, HEA programs. In determining whether the institution's system is adequate, the Secretary considers whether the institution obtains and reviews—

(1) All student aid applications, need analysis documents, Statements of Educational Purpose, Statements of Registration Status, and eligibility notification documents presented by or on behalf of each applicant;

(2) Any documents, including any copies of State and Federal income tax returns, that are normally collected by the institution to verify information received from the student or other sources; and

(iv) Forgery of signatures or certifications; and

(v) False statements of income; and

(2) Any credible information indicating that any employee, third-party

servicer, or other agent of the institution that acts in a capacity that involves the administration of the Title IV, HEA programs, or the receipt of funds under those programs, may have engaged in fraud, misrepresentation, conversion or breach of fiduciary responsibility, or other illegal conduct involving the Title IV, HEA programs. The type of information that an institution must refer is that which is relevant to the eligibility and funding of the institution and its students through the Title IV, HEA programs;

(h) Provides adequate financial aid counseling to eligible students who apply for Title IV, HEA program assistance. In determining whether an institution provides adequate counseling, the Secretary considers whether its counseling includes information regarding—

(1) The source and amount of each type of aid offered;

(2) The method by which aid is determined and disbursed, delivered, or applied to a student's account; and

(3) The rights and responsibilities of the student with respect to enrollment at the institution and receipt of financial aid. This information includes the institution's refund policy, the requirements for the treatment of title IV, HEA program funds when a student withdraws under § 668.22, its standards of satisfactory progress, and other conditions that may alter the student's aid package;

(1) Debarred or suspended under Executive Order 12549 (3 CFR, 1986 Comp., p. 189) or the Federal Acquisition Regulations (FAR), 48 CFR part 9, subpart 9.4; or

(2) Engaging in any activity that is a cause under 2 CFR 180.700 or 180.800, as adopted at 2 CFR 3485.12, for debarment or suspension under E.O. 12549 (3 CFR, 1986 Comp., p. 189) or the FAR, 48 CFR part 9, subpart 9.4;

(l) For an institution that seeks initial participation in a Title IV, HEA program, does not have more than 33 percent of its undergraduate regular students withdraw from the institution during the institution's latest completed award year. The institution must count all regular students who are enrolled during the latest completed award year, except those students who, during that period—

(1) Withdrew from, dropped out of, or were expelled from the institution;

(2) Were entitled to and actually received in a timely manner, a refund of 100 percent of their tuition and fees;

(m)(1) Has a cohort default rate—

(i) That is less than 25 percent for each of the three most recent fiscal years during which rates have been issued, to the extent those rates are calculated under subpart M of this part;

(ii) On or after 2014, that is less than 30 percent for at least two of the three most recent fiscal years during which the Secretary has issued rates for the institution under subpart N of this part; and

(iii) As defined in 34 CFR 674.5, on loans made under the Federal Perkins Loan Program to students for attendance at that institution that does not exceed 15 percent.

(2)(i) However, if the Secretary determines that an institution's administrative capability is impaired solely because the institution fails to comply with paragraph (m)(1) of this section, and the institution is not subject to a loss of eligibility under §§ 668.187(a) or

668.206(a), the Secretary allows the institution to continue to participate in the Title IV, HEA programs. In such a case, the Secretary may provisionally certify the institution in accordance with § 668.13(c) except as provided in paragraphs (m)(2)(ii), (m)(2)(iii), (m)(2)(iv), and (m)(2)(v) of this section.

(ii) An institution that fails to meet the standard of administrative capability under paragraph (m)(1)(ii) based on two cohort default rates that are greater than or equal to 30 percent but less than or equal to 40 percent is not placed on provisional certification under paragraph (m)(2)(i) of this section—

(A) If it has timely filed a request for adjustment or appeal under §§ 668.209, 668.210, or 668.212 with respect to the second such rate, and the request for adjustment or appeal is either pending or succeeds in reducing the rate below 30 percent; or

(B) If it has timely filed an appeal under § 668.213 after receiving the second such rate, and the appeal is either pending or successful; or

(C)(1) If it has timely filed a participation rate index challenge or appeal under § 668.204(c) or § 668.214 from either or both of the two rates, and the challenge or appeal is either pending or successful; or

(2) If the second rate is the most recent draft rate, and the institution has timely filed a participation rate challenge to that draft rate that is either pending or successful.

(iii) The institution may appeal the loss of full participation in a Title IV, HEA program under paragraph (m)(2)(i) of this section by submitting an erroneous data appeal in writing to the Secretary in accordance with and on the grounds specified in §§ 668.192 or 668.211 as applicable;

(iv) If the institution has 30 or fewer borrowers in the three most recent cohorts of borrowers used to calculate its cohort default rate under subpart N of this part, we will not provisionally certify it solely based on cohort default rates;

(v) If a rate that would otherwise potentially subject the institution to provisional certification under paragraphs (m)(1)(ii) and (m)(2)(i) of this section is calculated as an average rate, we will

not provisionally certify it solely based on cohort default rates;

(n) Does not otherwise appear to lack the ability to administer the Title IV, HEA programs competently;

(o) Participates in the electronic processes that the Secretary—

(1) Provides at no substantial charge to the institution; and

(2) Identifies through a notice published in the FEDERAL REGISTER; and

(p) Develops and follows procedures to evaluate the validity of a student's high school completion if the institution or the Secretary has reason to believe that the high school diploma is not valid or was not obtained from an entity that provides secondary school education.

§ 668.17 [Reserved]

§ 668.18 Readmission requirements for servicemembers.

(a) *General.* (1) An institution may not deny readmission to a person who is a member of, applies to be a member of, performs, has performed, applies to perform, or has an obligation to perform, service in the uniformed services on the basis of that membership, application for membership, performance of service, application for service, or obligation to perform service.

(2)(i) An institution must promptly readmit to the institution a person described in paragraph (a)(1) of this section with the same academic status as the student had when the student last attended the institution or was last admitted to the institution, but did not begin attendance because of that membership, application for membership, performance of service, application for service, or obligation to perform service.

(ii) “Promptly readmit” means that the institution must readmit the student into the next class or classes in the student’s program beginning after the student provides notice of his or her intent to reenroll, unless the student requests a later date of readmission or unusual circumstances require the institution to admit the student at a later date.

(iii) To readmit a person with the “same academic status” means that the institution admits the student—

(A) To the same program to which he or she was last admitted by the institution or, if that exact program is no longer offered, the program that is most similar to that program, unless the student requests or agrees to admission to a different program;

(B) At the same enrollment status that the student last held at the institution, unless the student requests or agrees to admission at a different enrollment status;

(C) With the same number of credit hours or clock hours completed previously by the student, unless the student is readmitted to a different program to which the completed credit hours or clock hours are not transferable;

(D) With the same academic standing (e.g., with the same satisfactory academic progress status) the student previously had; and

(E)(1) If the student is readmitted to the same program, for the first academic year in which the student returns, assessing—

(i) The tuition and fee charges that the student was or would have been assessed for the academic year during which the student left the institution; or

(ii) Up to the amount of tuition and fee charges that other students in the program are assessed for that academic year, if veterans’ education benefits, as defined in section 480(c) of the HEA, or other servicemember education benefits, will pay the amount in excess of the tuition and fee charges assessed for the academic year in which the student left the institution; or

(2) If the student is admitted to a different program, and for subsequent academic years for a student admitted to the same program, assessing no

more than the tuition and fee charges that other students in the program are assessed for that academic year.

(iv)(A) If the institution determines that the student is not prepared to resume the program with the same academic status at the point where the student left off, or will not be able to complete the program, the institution must make reasonable efforts at no extra cost to the student to help the student become prepared or to enable the student to complete the program including, but not limited to, providing refresher courses at no extra cost to the student and allowing the student to retake a pretest at no extra cost to the student.

(B) The institution is not required to readmit the student on his or her return if—

(1) After reasonable efforts by the institution, the institution determines that the student is not prepared to resume the program at the point where he or she left off;

(2) After reasonable efforts by the institution, the institution determines that the student is unable to complete the program; or

(3) The institution determines that there are no reasonable efforts the institution can take to prepare the student to resume the program at the point where he or she left off or to enable the student to complete the program.

(C)(1) “Reasonable efforts” means actions that do not place an undue hardship on the institution.

(2) “Undue hardship” means an action requiring significant difficulty or expense when considered in light of the overall financial resources of the institution and the impact otherwise of such action on the operation of the institution.

(D) The institution carries the burden to prove by a preponderance of the evidence that the student is not prepared to resume the program with the same academic status at the point where the student left off, or that the student will not be able to complete the program.

(3) This section applies to an institution that has continued in operation since the student ceased attending or was last admitted to the institution

but did not begin attendance, notwithstanding any changes of ownership of the institution since the student ceased attendance.

(4) The requirements of this section supersede any State law (including any local law or ordinance), contract, agreement, policy, plan, practice, or other matter that reduces, limits, or eliminates in any manner any right or benefit provided by this section for the period of enrollment during which the student resumes attendance, and continuing so long as the institution is unable to comply with such requirements through other means.

(b) *Service in the uniformed services.* For purposes of this section, service in the uniformed services means service, whether voluntary or involuntary, in the Armed Forces, including service by a member of the National Guard or Reserve, on active duty, active duty for training, or full-time National Guard duty under Federal authority, for a period of more than 30 consecutive days under a call or order to active duty of more than 30 consecutive days.

(c) *Readmission procedures.* (1) Any student whose absence from an institution is necessitated by reason of service in the uniformed services shall be entitled to readmission to the institution if—

(i) Except as provided in paragraph (d) of this section, the student (or an appropriate officer of the Armed Forces or official of the Department of Defense) gives advance oral or written notice of such service to an office designated by the institution, and provides such notice as far in advance as is reasonable under the circumstances;

(ii) The cumulative length of the absence and of all previous absences from that institution by reason of service in the uniformed services, including only the time the student spends actually performing service in the uniformed services, does not exceed five years; and

(iii) Except as provided in paragraph (f) of this section, the student gives oral or written notice of his or her intent to return to an office designated by the institution—

(A) For a student who completes a period of service in the uniformed services, not later than three years after

the completion of the period of service; or

(B) For a student who is hospitalized for or convalescing from an illness or injury incurred in or aggravated during the performance of service in the uniformed services, not later than two years after the end of the period that is necessary for recovery from such illness or injury.

(2)(i) An institution must designate one or more offices at the institution that a student may contact to provide notification of service required by paragraph (c)(1)(i) of this section and notification of intent to return required by paragraph (c)(1)(iii) of this section.

(ii) An institution may not require that the notice provided by the student under paragraph (c)(1)(i) or (c)(1)(iii) of this section follow any particular format.

(iii) The notice provided by the student under paragraph (c)(1)(i) of this section—

(A) May not be subject to any rule for timeliness; timeliness must be determined by the facts in any particular case; and

(B) Does not need to indicate whether the student intends to return to the institution.

(iv) For purposes of paragraph (c)(1)(i) of this section, an “appropriate officer” is a commissioned, warrant, or noncommissioned officer authorized to give such notice by the military service concerned.

(d) *Exceptions to advance notice.* (1) No notice is required under paragraph (c)(1)(i) of this section if the giving of such notice is precluded by military necessity, such as—

(i) A mission, operation, exercise, or requirement that is classified; or

(ii) A pending or ongoing mission, operation, exercise, or requirement that may be compromised or otherwise adversely affected by public knowledge.

(2) Any student (or an appropriate officer of the Armed Forces or official of the Department of Defense) who did not give advance written or oral notice of service to the appropriate official at the institution in accordance with paragraph (c)(1) of this section may meet the notice requirement by submitting, at the time the student seeks

readmission, an attestation to the institution that the student performed service in the uniformed services that necessitated the student's absence from the institution.

(e) *Cumulative length of absence.* For purposes of paragraph (c)(1)(ii) of this section, a student's cumulative length of absence from an institution does not include any service—

(1) That is required, beyond five years, to complete an initial period of obligated service;

(2) During which the student was unable to obtain orders releasing the student from a period of service in the uniformed services before the expiration of the five-year period and such inability was through no fault of the student; or

(3) Performed by a member of the Armed Forces (including the National Guard and Reserves) who is—

(i) Ordered to or retained on active duty under—

(A) 10 U.S.C. 688 (involuntary active duty by a military retiree);

(B) 10 U.S.C. 12301(a) (involuntary active duty in wartime);

(C) 10 U.S.C. 12301(g) (retention on active duty while in captive status);

(D) 10 U.S.C. 12302 (involuntary active duty during a national emergency for up to 24 months);

(E) 10 U.S.C. 12304 (involuntary active duty for an operational mission for up to 270 days);

(F) 10 U.S.C. 12305 (involuntary retention on active duty of a critical person during time of crisis or other specific conditions);

(G) 14 U.S.C. 331 (involuntary active duty by retired Coast Guard officer);

(H) 14 U.S.C. 332 (voluntary active duty by retired Coast Guard officer);

(I) 14 U.S.C. 359 (involuntary active duty by retired Coast Guard enlisted member);

(J) 14 U.S.C. 360 (voluntary active duty by retired Coast Guard enlisted member);

(K) 14 U.S.C. 367 (involuntary retention of Coast Guard enlisted member on active duty); or

(L) 14 U.S.C. 712 (involuntary active duty by Coast Guard Reserve member for natural or man-made disasters);

(ii) Ordered to or retained on active duty (other than for training) under

any provision of law because of a war or national emergency declared by the President or the Congress, as determined by the Secretary concerned;

(iii) Ordered to active duty (other than for training) in support, as determined by the Secretary concerned, of an operational mission for which personnel have been ordered to active duty under section 12304 of title 10, United States Code;

(iv) Ordered to active duty in support, as determined by the Secretary concerned, of a critical mission or requirement of the Armed Forces (including the National Guard or Reserve); or

(v) Called into Federal service as a member of the National Guard under chapter 15 of title 10, United States Code, or section 12406 of title 10, United States Code (i.e., called to respond to an invasion, danger of invasion, rebellion, danger of rebellion, insurrection, or the inability of the President with regular forces to execute the laws of the United States).

(f) *Notification of intent to reenroll.* A student who fails to apply for readmission within the periods described in paragraph (c)(1)(iii) of this section does not automatically forfeit eligibility for readmission to the institution, but is subject to the institution's established leave of absence policy and general practices.

(g) *Documentation.* (1) A student who submits an application for readmission to an institution under paragraph (c)(1)(iii) of this section shall provide to the institution documentation to establish that—

(i) The student has not exceeded the service limitation in paragraph (c)(1)(ii) of this section; and

(ii) The student's eligibility for readmission has not been terminated due to an exception in paragraph (h) of this section.

(2)(i) Documents that satisfy the requirements of paragraph (g)(1) of this section include, but are not limited to, the following:

(A) DD (Department of Defense) 214 Certificate of Release or Discharge from Active Duty.

(B) Copy of duty orders prepared by the facility where the orders were fulfilled carrying an endorsement indicating completion of the described service.

(C) Letter from the commanding officer of a Personnel Support Activity or someone of comparable authority.

(D) Certificate of completion from military training school.

(E) Discharge certificate showing character of service.

(F) Copy of extracts from payroll documents showing periods of service.

(G) Letter from National Disaster Medical System (NDMS) Team Leader or Administrative Officer verifying dates and times of NDMS training or Federal activation.

(ii) The types of documents that are necessary to establish eligibility for readmission will vary from case to case. Not all of these documents are available or necessary in every instance to establish readmission eligibility.

(3) An institution may not delay or attempt to avoid a readmission of a student under this section by demanding documentation that does not exist, or is not readily available, at the time of readmission.

(h) *Termination of readmission eligibility.* A student's eligibility for readmission to an institution under this section by reason of such student's service in the uniformed services terminates upon the occurrence of any of the following events:

(1) A separation of such person from the Armed Forces (including the National Guard and Reserves) with a dishonorable or bad conduct discharge.

(2) A dismissal of a commissioned officer permitted under section 1161(a) of title 10, United States Code by sentence of a general court-martial; in commutation of a sentence of a general court-martial; or, in time of war, by order of the President.

§ 668.19 Financial aid history.

(a) Before an institution may disburse title IV, HEA program funds to a student who previously attended another eligible institution, the institution must use information it obtains from the Secretary, through the National Student Loan Data System (NSLDS) or its successor system, to determine—

(1) Whether the student is in default on any title IV, HEA program loan;

(2) Whether the student owes an overpayment on any title IV, HEA program grant or Federal Perkins Loan;

(3) For the award year for which a Federal Pell Grant, an ACG, a National SMART Grant, or a TEACH Grant is requested, the student's Scheduled Federal Pell Grant, ACG, National SMART Grant, or a TEACH Grant Award and the amount of Federal Pell Grant, ACG, National SMART Grant, or a TEACH Grant funds disbursed to the student;

(4) The outstanding principal balance of loans made to the student under each of the title IV, HEA loan programs; and

(5) For the academic year for which title IV, HEA aid is requested, the amount of, and period of enrollment for, loans made to the student under each of the title IV, HEA loan programs.

(b)(1) If a student transfers from one institution to another institution during the same award year, the institution to which the student transfers must request from the Secretary, through NSLDS, updated information about that student so it can make the determinations required under paragraph (a) of this section; and

(2) The institution may not make a disbursement to that student for seven days following its request, unless it receives the information from NSLDS in response to its request or obtains that information directly by accessing

§ 668.20

NSLDS, and the information it receives allows it to make that disbursement.

§ 668.20 Limitations on remedial coursework that is eligible for Title IV, HEA program assistance.

(a) A noncredit or reduced credit remedial course is a course of study designed to increase the ability of a student to pursue a course of study leading to a certificate or degree.

(1) A noncredit remedial course is one for which no credit is given toward a certificate or degree; and

(2) A reduced credit remedial course is one for which reduced credit is given toward a certificate or degree.

(b) Except as provided in paragraphs (c) and (d) of this section, in determining a student's enrollment status and cost of attendance, an institution shall include any noncredit or reduced credit remedial course in which the student is enrolled. The institution shall attribute the number of credit or clock hours to a noncredit or reduced credit remedial course by—

(1) Calculating the number of classroom and homework hours required for that course;

(2) Comparing those hours with the hours required for nonremedial courses in a similar subject; and

(3) Giving the remedial course the same number of credit or clock hours it gives the nonremedial course with the most comparable classroom and homework requirements.

(c) In determining a student's enrollment status under the Title IV, HEA programs or a student's cost of attendance under the campus-based, FFEL, and Direct Loan programs, an institution may not take into account any noncredit or reduced credit remedial course if—

(1) That course is part of a program of instruction leading to a high school diploma or the recognized equivalent of a high school diploma, even if the course is necessary to enable the stu-

dent to complete a degree or certificate program;

(2) The educational level of instruction provided in the noncredit or reduced credit remedial course is below the level needed to pursue successfully the degree or certificate program offered by that institution after one year in that remedial course; or

(3) Except for a course in English as a second language, the educational level of instruction provided in that course is below the secondary level. For purposes of this section, the Secretary considers a course to be below the secondary level if any of the following entities determine that course to be below the secondary level:

(i) The State agency that legally authorized the institution to provide postsecondary education.

(ii) In the case of an accredited or preaccredited institution, the nationally recognized accrediting agency or association that accredits or preaccredits the institution.

(iii) In the case of a public postsecondary vocational institution that is approved by a State agency recognized for the approval of public postsecondary vocational education, the State agency recognized for the approval of public postsecondary vocational education that approves the institution.

(iv) The institution.

(d) Except as set forth in paragraph (f) of this section, an institution may not take into account more than one academic year's worth of noncredit or reduced credit remedial coursework in determining—

(1) A student's enrollment status under the title IV, HEA programs; and

(2) A student's cost of attendance under the campus-based, FFEL, and Direct Loan programs.

(e) One academic year's worth of noncredit or reduced credit remedial coursework is equivalent to—

(1) Thirty semester or 45 quarter hours; or

(2) Nine hundred clock hours.

(f) Courses in English as a second language do not count against the one-

year academic limitation contained in paragraph (d) of this section.

§ 668.21 Treatment of title IV grant and loan funds if the recipient does not begin attendance at the institution.

(a) If a student does not begin attendance in a payment period or period of enrollment—

(1) The institution must return all title IV, HEA program funds that were credited to the student's account at the institution or disbursed directly to the student for that payment period or period of enrollment, for Federal Perkins Loan, FSEOG TEACH Grant, Federal Pell Grant, ACG, and National SMART Grant program funds; and

(2) For FFEL and Direct Loan funds—

(i)(A) The institution must return all FFEL and Direct Loan funds that were credited to the student's account at the institution for that payment period or period of enrollment; and

(B) The institution must return the amount of payments made directly by or on behalf of the student to the institution for that payment period or period of enrollment, up to the total amount of the loan funds disbursed;

(ii) For remaining amounts of FFEL or Direct Loan funds disbursed directly to the student for that payment period or period of enrollment, including funds that are disbursed directly to the student by the lender for a study-abroad program in accordance with § 682.207(b)(1)(v)(C)(I) or for a student enrolled in a foreign school in accordance with § 682.207(b)(1)(v)(D), the institution is not responsible for returning the funds, but must immediately notify the lender or the Secretary, as appropriate, when it becomes aware that the student will not or has not begun attendance so that the lender or Secretary will issue a final demand letter to the borrower in accordance with 34 CFR 682.412 or 34 CFR 685.211, as appropriate; and

(iii) Notwithstanding paragraph (a)(2)(ii) of this section, if an institution knew that a student would not

begin attendance prior to disbursing FFEL or Direct Loan funds directly to the student for that payment period or period of enrollment (e.g., the student notified the institution that he or she would not attend, or the institution expelled the student), the institution must return those funds.

(b) The institution must return those funds for which it is responsible under paragraph (a) of this section to the respective title IV, HEA program as soon as possible, but no later than 30 days after the date that the institution becomes aware that the student will not or has not begun attendance.

(c) For purposes of this section, the Secretary considers that a student has not begun attendance in a payment period or period of enrollment if the institution is unable to document the student's attendance at any class during the payment period or period of enrollment.

(d) In accordance with procedures established by the Secretary or FFEL Program lender, an institution returns title IV, HEA funds timely if—

(1) The institution deposits or transfers the funds into the bank account it maintains under § 668.163 as soon as possible, but no later than 30 days after the date that the institution becomes aware that the student will not or has not begun attendance;

(2) The institution initiates an electronic funds transfer (EFT) as soon as possible, but no later than 30 days after the date that the institution becomes aware that the student will not or has not begun attendance;

(3) The institution initiates an electronic transaction, as soon as possible, but no later than 30 days after the date that the institution becomes aware that the student will not or has not begun attendance, that informs an FFEL lender to adjust the borrower's loan account for the amount returned; or

(4) The institution issues a check as soon as possible, but no later than 30 days after the date that the institution becomes aware that the student will not or has not begun attendance. An institution does not satisfy this requirement if—

(i) The institution's records show that the check was issued more than 30

days after the date that the institution becomes aware that the student will not or has not begun attendance; or

(ii) The date on the cancelled check shows that the bank used by the Secretary or FFEL Program lender endorsed that check more than 45 days after the date that the institution becomes aware that the student will not or has not begun attendance.

§ 668.22 Treatment of title IV funds when a student withdraws.

(a) *General.* (1) When a recipient of title IV grant or loan assistance withdraws from an institution during a payment period or period of enrollment in which the recipient began attendance, the institution must determine the amount of title IV grant or loan assistance that the student earned as of the student's withdrawal date in accordance with paragraph (e) of this section.

(2)(i) Except as provided in paragraphs (a)(2)(ii) and (a)(2)(iii) of this section, a student is considered to have withdrawn from a payment period or period of enrollment if—

(A) In the case of a program that is measured in credit hours, the student does not complete all the days in the payment period or period of enrollment that the student was scheduled to complete;

(B) In the case of a program that is measured in clock hours, the student does not complete all of the clock hours and weeks of instructional time in the payment period or period of enrollment that the student was scheduled to complete; or

(C) For a student in a nonterm or nonstandard-term program, the student is not scheduled to begin another course within a payment period or period of enrollment for more than 45 calendar days after the end of the module the student ceased attending, unless the student is on an approved leave of absence, as defined in paragraph (d) of this section.

(ii)(A) Notwithstanding paragraph (a)(2)(i)(A) and (a)(2)(i)(B) of this section, for a payment period or period of

enrollment in which courses in the program are offered in modules—

(1) A student is not considered to have withdrawn if the institution obtains written confirmation from the student at the time that would have been a withdrawal of the date that he or she will attend a module that begins later in the same payment period or period of enrollment; and

(2) For nonterm and nonstandard-term programs, that module begins no later than 45 calendar days after the end of the module the student ceased attending.

(B) If an institution has obtained the written confirmation of future attendance in accordance with paragraph (a)(2)(ii)(A) of this section—

(1) A student may change the date of return to a module that begins later in the same payment period or period of enrollment, provided that the student does so in writing prior to the return date that he or she had previously confirmed; and

(2) For nonterm and nonstandard-term programs, the later module that he or she will attend begins no later than 45 calendar days after the end of module the student ceased attending.

(C) If an institution obtains written confirmation of future attendance in accordance with paragraph (a)(2)(ii)(A) and, if applicable, (a)(2)(ii)(B) of this section, but the student does not return as scheduled—

(1) The student is considered to have withdrawn from the payment period or period of enrollment; and

(2) The student's withdrawal date and the total number of calendar days in the payment period or period of enrollment would be the withdrawal date and total number of calendar days that would have applied if the student had not provided written confirmation of a future date of attendance in accordance with paragraph (a)(2)(ii)(A) of this section.

(iii)(A) If a student withdraws from a term-based credit-hour program offered in modules during a payment period or period of enrollment and reenters the same program prior to the end of the period, subject to conditions established by the Secretary, the student is eligible to receive any title IV, HEA program funds for which he or she was

eligible prior to withdrawal, including funds that were returned by the institution or student under the provisions of this section, provided the student's enrollment status continues to support the full amount of those funds.

(B) In accordance with § 668.4(f), if a student withdraws from a clock-hour or nonterm credit hour program during a payment period or period of enrollment and then reenters the same program within 180 calendar days, the student remains in that same period when he or she returns and, subject to conditions established by the Secretary, is eligible to receive any title IV, HEA program funds for which he or she was eligible prior to withdrawal, including funds that were returned by the institution or student under the provisions of this section.

(3) For purposes of this section, "title IV grant or loan assistance" includes only assistance from the Federal Perkins Loan, Direct Loan, FFEL, Federal Pell Grant, Academic Competitiveness Grant, National SMART Grant, TEACH Grant, and FSEOG programs, not including the non-Federal share of FSEOG awards if an institution meets its FSEOG matching share by the individual recipient method or the aggregate method.

(4) If the total amount of title IV grant or loan assistance, or both, that the student earned as calculated under paragraph (e)(1) of this section is less than the amount of title IV grant or loan assistance that was disbursed to the student or on behalf of the student in the case of a PLUS loan, as of the date of the institution's determination that the student withdrew—

(i) The difference between these amounts must be returned to the title IV programs in accordance with paragraphs (g) and (h) of this section in the order specified in paragraph (i) of this section; and

(ii) No additional disbursements may be made to the student for the payment period or period of enrollment.

(5) If the total amount of title IV grant or loan assistance, or both, that the student earned as calculated under paragraph (e)(1) of this section is greater than the total amount of title IV grant or loan assistance, or both, that was disbursed to the student or on be-

half of the student in the case of a PLUS loan, as of the date of the institution's determination that the student withdrew, the difference between these amounts must be treated as a post-withdrawal disbursement in accordance with paragraph (a)(6) of this section and § 668.164(g).

(6)(i) A post-withdrawal disbursement must be made from available grant funds before available loan funds.

(ii)(A) If outstanding charges exist on the student's account, the institution may credit the student's account up to the amount of outstanding charges with all or a portion of any—

(1) Grant funds that make up the post-withdrawal disbursement in accordance with § 668.164(d)(1) and (d)(2); and

(2) Loan funds that make up the post-withdrawal disbursement in accordance with § 668.164(d)(1), (d)(2), and (d)(3) only after obtaining confirmation from the student or parent in the case of a parent PLUS loan, that they still wish to have the loan funds disbursed in accordance with paragraph (a)(6)(iii) of this section.

(B)(1) The institution must disburse directly to a student any amount of a post-withdrawal disbursement of grant funds that is not credited to the student's account. The institution must make the disbursement as soon as possible, but no later than 45 days after the date of the institution's determination that the student withdrew, as defined in paragraph (1)(3) of this section.

(2) The institution must offer to disburse directly to a student, or parent in the case of a parent PLUS loan, any amount of a post-withdrawal disbursement of loan funds that is not credited to the student's account, in accordance with paragraph (a)(6)(iii) of this section.

(3) The institution must make a direct disbursement of any loan funds that make up the post-withdrawal disbursement only after obtaining the student's, or parent's in the case of a parent PLUS loan, confirmation that the student or parent still wishes to have the loan funds disbursed in accordance with paragraph (a)(6)(iii) of this section.

(iii)(A) The institution must provide within 30 days of the date of the institution's determination that the student withdrew, as defined in paragraph (1)(3) of this section, a written notification to the student, or parent in the case of parent PLUS loan, that—

(1) Requests confirmation of any post-withdrawal disbursement of loan funds that the institution wishes to credit to the student's account in accordance with paragraph (a)(6)(ii)(A)(2) of this section, identifying the type and amount of those loan funds and explaining that a student, or parent in the case of a parent PLUS loan, may accept or decline some or all of those funds;

(2) Requests confirmation of any post-withdrawal disbursement of loan funds that the student, or parent in the case of a parent PLUS loan, can receive as a direct disbursement, identifying the type and amount of these title IV funds and explaining that the student, or parent in the case of a parent PLUS loan, may accept or decline some or all of those funds;

(3) Explains that a student, or parent in the case of a parent PLUS loan, who does not confirm that a post-withdrawal disbursement of loan funds may be credited to the student's account may not receive any of those loan funds as a direct disbursement unless the institution concurs;

(4) Explains the obligation of the student, or parent in the case of a parent PLUS loan, to repay any loan funds he or she chooses to have disbursed; and

(5) Advises the student, or parent in the case of a parent PLUS loan, that no post-withdrawal disbursement of loan funds will be made, unless the institution chooses to make a post-withdrawal disbursement based on a late response in accordance with paragraph (a)(6)(iii)(C) of this section, if the student or parent in the case of a parent PLUS loan, does not respond within 14 days of the date that the institution sent the notification, or a later deadline set by the institution.

(B) The deadline for a student, or parent in the case of a parent PLUS loan, to accept a post-withdrawal disbursement under paragraph (a)(6)(iii)(A) of this section must be the same for both a confirmation of a di-

rect disbursement of the post-withdrawal disbursement of loan funds and a confirmation of a post-withdrawal disbursement of loan funds to be credited to the student's account.

(C) If the student, or parent in the case of a parent PLUS loan, submits a timely response that confirms that they wish to receive all or a portion of a direct disbursement of the post-withdrawal disbursement of loan funds, or confirms that a post-withdrawal disbursement of loan funds may be credited to the student's account, the institution must disburse the funds in the manner specified by the student, or parent in the case of a parent PLUS loan, as soon as possible, but no later than 180 days after the date of the institution's determination that the student withdrew, as defined in paragraph (1)(3) of this section.

(D) If a student, or parent in the case of a parent PLUS loan, submits a late response to the institution's notice requesting confirmation, the institution may make the post-withdrawal disbursement of loan funds as instructed by the student, or parent in the case of a parent PLUS loan (provided the institution disburses all the funds accepted by the student, or parent in the case of a parent PLUS loan), or decline to do so.

(E) If a student, or parent in the case of a parent PLUS loan, submits a late response to the institution and the institution does not choose to make the post-withdrawal disbursement of loan funds, the institution must inform the student, or parent in the case of a parent PLUS loan, in writing of the outcome of the post-withdrawal disbursement request.

(F) If the student, or parent in the case of a parent PLUS loan, does not respond to the institution's notice, no portion of the post-withdrawal disbursement of loan funds that the institution wishes to credit to the student's account, nor any portion of loan funds that would be disbursed directly to the student, or parent in the case of a parent PLUS loan, may be disbursed.

(iv) An institution must document in the student's file the result of any notification made in accordance with paragraph (a)(6)(iii) of this section of the student's right to cancel all or a

portion of loan funds or of the student's right to accept or decline loan funds, and the final determination made concerning the disbursement.

(b) *Withdrawal date for a student who withdraws from an institution that is required to take attendance.* (1) For purposes of this section, for a student who ceases attendance at an institution that is required to take attendance, including a student who does not return from an approved leave of absence, as defined in paragraph (d) of this section, or a student who takes a leave of absence that does not meet the requirements of paragraph (d) of this section, the student's withdrawal date is the last date of academic attendance as determined by the institution from its attendance records.

(2) An institution must document a student's withdrawal date determined in accordance with paragraph (b)(1) of this section and maintain the documentation as of the date of the institution's determination that the student withdrew, as defined in paragraph (1)(3) of this section.

(3)(i) An institution is required to take attendance if—

(A) An outside entity (such as the institution's accrediting agency or a State agency) has a requirement that the institution take attendance;

(B) The institution itself has a requirement that its instructors take attendance; or

(C) The institution or an outside entity has a requirement that can only be met by taking attendance or a comparable process, including, but not limited to, requiring that students in a program demonstrate attendance in the classes of that program, or a portion of that program.

(ii) If, in accordance with paragraph (b)(3)(i) of this section, an institution is required to take attendance or requires that attendance be taken for only some students, the institution must use its attendance records to determine a withdrawal date in accordance with paragraph (b)(1) of this section for those students.

(iii)(A) If, in accordance with paragraph (b)(3)(i) of this section, an institution is required to take attendance, or requires that attendance be taken, for a limited period, the institution

must use its attendance records to determine a withdrawal date in accordance with paragraph (b)(3)(i) of this section for that limited period.

(B) A student in attendance the last time attendance is required to be taken during the limited period identified in paragraph (b)(3)(iii)(A) of this section who subsequently stops attending during the payment period will be treated as a student for whom the institution was not required to take attendance.

(iv) If an institution is required to take attendance or requires that attendance be taken, on only one specified day to meet a census reporting requirement, the institution is not considered to take attendance.

(c) *Withdrawal date for a student who withdraws from an institution that is not required to take attendance.* (1) For purposes of this section, for a student who ceases attendance at an institution that is not required to take attendance, the student's withdrawal date is—

(i) The date, as determined by the institution, that the student began the withdrawal process prescribed by the institution;

(ii) The date, as determined by the institution, that the student otherwise provided official notification to the institution, in writing or orally, of his or her intent to withdraw;

(iii) If the student ceases attendance without providing official notification to the institution of his or her withdrawal in accordance with paragraph (c)(1)(i) or (c)(1)(ii) of this section, the mid-point of the payment period (or period of enrollment, if applicable);

(iv) If the institution determines that a student did not begin the institution's withdrawal process or otherwise provide official notification (including notice from an individual acting on the student's behalf) to the institution of his or her intent to withdraw because of illness, accident, grievous personal loss, or other such circumstances beyond the student's control, the date that the institution determines is related to that circumstance;

(v) If a student does not return from an approved leave of absence as defined in paragraph (d) of this section, the date that the institution determines

the student began the leave of absence; or

(vi) If a student takes a leave of absence that does not meet the requirements of paragraph (d) of this section, the date that the student began the leave of absence.

(2)(i)(A) An institution may allow a student to rescind his or her official notification to withdraw under paragraph (c)(1)(i) or (ii) of this section by filing a written statement that he or she is continuing to participate in academically-related activities and intends to complete the payment period or period of enrollment.

(B) If the student subsequently ceases to attend the institution prior to the end of the payment period or period of enrollment, the student's rescission is negated and the withdrawal date is the student's original date under paragraph (c)(1)(i) or (ii) of this section, unless a later date is determined under paragraph (c)(3) of this section.

(ii) If a student both begins the withdrawal process prescribed by the institution and otherwise provides official notification of his or her intent to withdraw in accordance with paragraphs (c)(1)(i) and (c)(1)(ii) of this section respectively, the student's withdrawal date is the earlier date unless a later date is determined under paragraph (c)(3) of this section.

(3) Notwithstanding paragraphs (c)(1) and (2) of this section, an institution that is not required to take attendance may use as the student's withdrawal date a student's last date of attendance at an academically-related activity provided that the institution documents that the activity is academically related and documents the student's attendance at the activity.

(4) An institution must document a student's withdrawal date determined in accordance with paragraphs (c)(1), (2), and (3) of this section and maintain the documentation as of the date of the institution's determination that the student withdrew, as defined in paragraph (1)(3) of this section.

(5)(i) "Official notification to the institution" is a notice of intent to withdraw that a student provides to an office designated by the institution.

(ii) An institution must designate one or more offices at the institution that a student may readily contact to provide official notification of withdrawal.

(d) *Approved leave of absence.* (1) For purposes of this section (and, for a title IV, HEA program loan borrower, for purposes of terminating the student's in-school status), an institution does not have to treat a leave of absence as a withdrawal if it is an approved leave of absence. A leave of absence is an approved leave of absence if—

(i) The institution has a formal policy regarding leaves of absence;

(ii) The student followed the institution's policy in requesting the leave of absence;

(iii) The institution determines that there is a reasonable expectation that the student will return to the school;

(iv) The institution approved the student's request in accordance with the institution's policy;

(v) The leave of absence does not involve additional charges by the institution;

(vi) The number of days in the approved leave of absence, when added to the number of days in all other approved leaves of absence, does not exceed 180 days in any 12-month period;

(vii) Except for a clock hour or nonterm credit hour program, upon the student's return from the leave of absence, the student is permitted to complete the coursework he or she began prior to the leave of absence; and

(viii) If the student is a title IV, HEA program loan recipient, the institution explains to the student, prior to granting the leave of absence, the effects that the student's failure to return from a leave of absence may have on the student's loan repayment terms, including the exhaustion of some or all of the student's grace period.

(2) If a student does not resume attendance at the institution at or before the end of a leave of absence that meets the requirements of this section, the institution must treat the student as a withdrawal in accordance with the requirements of this section.

(3) For purposes of this paragraph—

(i) The number of days in a leave of absence is counted beginning with the

first day of the student's initial leave of absence in a 12-month period.

(ii) A "12-month period" begins on the first day of the student's initial leave of absence.

(iii) An institution's leave of absence policy is a "formal policy" if the policy—

(A) Is in writing and publicized to students; and

(B) Requires students to provide a written, signed, and dated request, that includes the reason for the request, for a leave of absence prior to the leave of absence. However, if unforeseen circumstances prevent a student from providing a prior written request, the institution may grant the student's request for a leave of absence, if the institution documents its decision and collects the written request at a later date.

(e) *Calculation of the amount of title IV assistance earned by the student*—(1) *General*. The amount of title IV grant or loan assistance that is earned by the student is calculated by—

(i) Determining the percentage of title IV grant or loan assistance that has been earned by the student, as described in paragraph (e)(2) of this section; and

(ii) Applying this percentage to the total amount of title IV grant or loan assistance that was disbursed (and that could have been disbursed, as defined in paragraph (1)(1) of this section) to the student, or on the student's behalf, for the payment period or period of enrollment as of the student's withdrawal date.

(2) *Percentage earned*. The percentage of title IV grant or loan assistance that has been earned by the student is—

(i) Equal to the percentage of the payment period or period of enrollment that the student completed (as determined in accordance with paragraph (f) of this section) as of the student's withdrawal date, if this date occurs on or before—

(A) Completion of 60 percent of the payment period or period of enrollment for a program that is measured in credit hours; or

(B) Sixty percent of the clock hours scheduled to be completed for the payment period or period of enrollment for

a program that is measured in clock hours; or

(ii) 100 percent, if the student's withdrawal date occurs after—

(A) Completion of 60 percent of the payment period or period of enrollment for a program that is measured in credit hours; or

(B) Sixty percent of the clock hours scheduled to be completed for the payment period or period of enrollment for a program measured in clock hours.

(3) *Percentage unearned*. The percentage of title IV grant or loan assistance that has not been earned by the student is calculated by determining the complement of the percentage of title IV grant or loan assistance earned by the student as described in paragraph (e)(2) of this section.

(4) *Total amount of unearned title IV assistance to be returned*. The unearned amount of title IV assistance to be returned is calculated by subtracting the amount of title IV assistance earned by the student as calculated under paragraph (e)(1) of this section from the amount of title IV aid that was disbursed to the student as of the date of the institution's determination that the student withdrew.

(5) *Use of payment period or period of enrollment*. (i) The treatment of title IV grant or loan funds if a student withdraws must be determined on a payment period basis for a student who attended a standard term-based (semester, trimester, or quarter) educational program.

(ii)(A) The treatment of title IV grant or loan funds if a student withdraws may be determined on either a payment period basis or a period of enrollment basis for a student who attended a non-term based educational program or a nonstandard term-based educational program.

(B) An institution must consistently use either a payment period or period of enrollment for all purposes of this section for each of the following categories of students who withdraw from the same non-term based or nonstandard term-based educational program:

(I) Students who have attended an educational program at the institution from the beginning of the payment period or period of enrollment.

(2) Students who re-enter the institution during a payment period or period of enrollment.

(3) Students who transfer into the institution during a payment period or period of enrollment.

(iii) For a program that measures progress in credit hours and uses non-standard terms that are not substantially equal in length, if the institution uses the payment period to determine the treatment of title IV grant or loan funds for a category of students found in paragraph (e)(5)(ii)(B) of this section, the institution must—

(A)(I) For students in the category who are disbursed or could have been disbursed aid using both the payment period definition in § 668.4(b)(1) and the payment period definition in § 668.4(b)(2), use the payment period during which the student withdrew that ends later; and

(2) If in the payment period that ends later there are funds that have been or could have been disbursed from overlapping payment periods, the institution must include in the return calculation any funds that can be attributed to the payment period that ends later; and

(B) For students in the category who are disbursed or could have been disbursed aid using only the payment period definition in § 668.4(b)(1) or the payment period definition in § 668.4(b)(2), use the payment period definition for which title IV, HEA program funds were disbursed for a student's calculation under this section.

(f) *Percentage of payment period or period of enrollment completed.* (1) For purposes of paragraph (e)(2)(i) of this section, the percentage of the payment period or period of enrollment completed is determined—

(i) In the case of a program that is measured in credit hours, by dividing the total number of calendar days in the payment period or period of enrollment into the number of calendar days completed in that period as of the student's withdrawal date; and

(ii)(A) In the case of a program that is measured in clock hours, by dividing the total number of clock hours in the payment period or period of enrollment into the number of clock hours sched-

uled to be completed as of the student's withdrawal date.

(B) The scheduled clock hours used must be those established by the institution prior to the student's beginning class date for the payment period or period of enrollment and must be consistent with the published materials describing the institution's programs, unless the schedule was modified prior to the student's withdrawal.

(C) The schedule must have been established in accordance with requirements of the accrediting agency and the State licensing agency, if such standards exist.

(2)(i) The total number of calendar days in a payment period or period of enrollment includes all days within the period that the student was scheduled to complete, except that scheduled breaks of at least five consecutive days are excluded from the total number of calendar days in a payment period or period of enrollment and the number of calendar days completed in that period.

(ii) The total number of calendar days in a payment period or period of enrollment does not include—

(A) Days in which the student was on an approved leave of absence; or

(B) For a payment period or period of enrollment in which any courses in the program are offered in modules, any scheduled breaks of at least five consecutive days when the student is not scheduled to attend a module or other course offered during that period of time.

(g) *Return of unearned aid, responsibility of the institution.* (1) The institution must return, in the order specified in paragraph (i) of this section, the lesser of—

(i) The total amount of unearned title IV assistance to be returned as calculated under paragraph (e)(4) of this section; or

(ii) An amount equal to the total institutional charges incurred by the student for the payment period or period of enrollment multiplied by the percentage of title IV grant or loan assistance that has not been earned by the student, as described in paragraph (e)(3) of this section.

(2) For purposes of this section, "institutional charges" are tuition, fees,

room and board (if the student contracts with the institution for the room and board) and other educationally-related expenses assessed by the institution.

(3) If, for a non-term program an institution chooses to calculate the treatment of title IV assistance on a payment period basis, but the institution charges for a period that is longer than the payment period, "total institutional charges incurred by the student for the payment period" is the greater of—

(i) The prorated amount of institutional charges for the longer period; or

(ii) The amount of title IV assistance retained for institutional charges as of the student's withdrawal date.

(h) *Return of unearned aid, responsibility of the student.* (1) After the institution has allocated the unearned funds for which it is responsible in accordance with paragraph (g) of this section, the student must return assistance for which the student is responsible in the order specified in paragraph (i) of this section.

(2) The amount of assistance that the student is responsible for returning is calculated by subtracting the amount of unearned aid that the institution is required to return under paragraph (g) of this section from the total amount of unearned title IV assistance to be returned under paragraph (e)(4) of this section.

(3) The student (or parent in the case of funds due to a parent PLUS Loan) must return or repay, as appropriate, the amount determined under paragraph (h)(1) of this section to—

(i) Any title IV loan program in accordance with the terms of the loan; and

(ii) Any title IV grant program as an overpayment of the grant; however, a student is not required to return the following—

(A) The portion of a grant overpayment amount that is equal to or less than 50 percent of the total grant assistance that was disbursed (and that could have been disbursed, as defined in paragraph (l)(1) of this section) to the student for the payment period or period of enrollment.

(B) With respect to any grant program, a grant overpayment amount, as

determined after application of paragraph (h)(3)(ii)(A) of this section, of 50 dollars or less that is not a remaining balance.

(4)(i) A student who owes an overpayment under this section remains eligible for title IV, HEA program funds through and beyond the earlier of 45 days from the date the institution sends a notification to the student of the overpayment, or 45 days from the date the institution was required to notify the student of the overpayment if, during those 45 days the student—

(A) Repays the overpayment in full to the institution;

(B) Enters into a repayment agreement with the institution in accordance with repayment arrangements satisfactory to the institution; or

(C) Signs a repayment agreement with the Secretary, which will include terms that permit a student to repay the overpayment while maintaining his or her eligibility for title IV, HEA program funds.

(ii) Within 30 days of the date of the institution's determination that the student withdrew, an institution must send a notice to any student who owes a title IV, HEA grant overpayment as a result of the student's withdrawal from the institution in order to recover the overpayment in accordance with paragraph (h)(4)(i) of this section.

(iii) If an institution chooses to enter into a repayment agreement in accordance with paragraph (h)(4)(i)(B) of this section with a student who owes an overpayment of title IV, HEA grant funds, it must—

(A) Provide the student with terms that permit the student to repay the overpayment while maintaining his or her eligibility for title IV, HEA program funds; and

(B) Require repayment of the full amount of the overpayment within two years of the date of the institution's determination that the student withdrew.

(iv) An institution must refer to the Secretary, in accordance with procedures required by the Secretary, an overpayment of title IV, HEA grant funds owed by a student as a result of the student's withdrawal from the institution if—

(A) The student does not repay the overpayment in full to the institution, or enter a repayment agreement with the institution or the Secretary in accordance with paragraph (h)(4)(i) of this section within the earlier of 45 days from the date the institution sends a notification to the student of the overpayment, or 45 days from the date the institution was required to notify the student of the overpayment;

(B) At any time the student fails to meet the terms of the repayment agreement with the institution entered into in accordance with paragraph (h)(4)(i)(B) of this section; or

(C) The student chooses to enter into a repayment agreement with the Secretary.

(v) A student who owes an overpayment is ineligible for title IV, HEA program funds—

(A) If the student does not meet the requirements in paragraph (h)(4)(i) of this section, on the day following the 45-day period in that paragraph; or

(B) As of the date the student fails to meet the terms of the repayment agreement with the institution or the Secretary entered into in accordance with paragraph (h)(4)(i) of this section.

(vi) A student who is ineligible under paragraph (h)(4)(v) of this section regains eligibility if the student and the Secretary enter into a repayment agreement.

(5) The Secretary may waive grant overpayment amounts that students are required to return under this section if the withdrawals on which the returns are based are withdrawals by students—

(i) Who were residing in, employed in, or attending an institution of higher education that is located in an area in which the President has declared that a major disaster exists, in accordance with section 401 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170);

(ii) Whose attendance was interrupted because of the impact of the disaster on the student or institution; and

(iii) Whose withdrawal occurred within the award year during which the designation occurred or during the next succeeding award year.

(i) *Order of return of title IV funds*—(1) *Loans*. Unearned funds returned by the

institution or the student, as appropriate, in accordance with paragraph (g) or (h) of this section respectively, must be credited to outstanding balances on title IV loans made to the student or on behalf of the student for the payment period or period of enrollment for which a return of funds is required. Those funds must be credited to outstanding balances for the payment period or period of enrollment for which a return of funds is required in the following order:

(i) Unsubsidized Federal Stafford loans.

(ii) Subsidized Federal Stafford loans.

(iii) Unsubsidized Federal Direct Stafford loans.

(iv) Subsidized Federal Direct Stafford loans.

(v) Federal Perkins loans.

(vi) Federal PLUS loans received on behalf of the student.

(vii) Federal Direct PLUS received on behalf of the student.

(2) *Remaining funds*. If unearned funds remain to be returned after repayment of all outstanding loan amounts, the remaining excess must be credited to any amount awarded for the payment period or period of enrollment for which a return of funds is required in the following order:

(i) Federal Pell Grants.

(ii) Academic Competitiveness Grants.

(iii) National SMART Grants.

(iv) FSEOG Program aid.

(v) TEACH Grants.

(j) *Timeframe for the return of title IV funds*. (1) An institution must return the amount of title IV funds for which it is responsible under paragraph (g) of this section as soon as possible but no later than 45 days after the date of the institution's determination that the student withdrew as defined in paragraph (1)(3) of this section. The timeframe for returning funds is further described in § 668.173(b).

(2) For an institution that is not required to take attendance, an institution must determine the withdrawal date for a student who withdraws without providing notification to the institution no later than 30 days after the end of the earlier of the—

(i) Payment period or period of enrollment, as appropriate, in accordance with paragraph (e)(5) of this section;

(ii) Academic year in which the student withdrew; or

(iii) Educational program from which the student withdrew.

(k) *Consumer information.* An institution must provide students with information about the requirements of this section in accordance with § 668.43.

(l) *Definitions.* For purposes of this section—

(1) Title IV grant or loan funds that “could have been disbursed” are determined in accordance with the late disbursement provisions in § 668.164(g).

(2) A “period of enrollment” is the academic period established by the institution for which institutional charges are generally assessed (i.e. length of the student’s program or academic year).

(3) The “date of the institution’s determination that the student withdrew” for an institution that is not required to take attendance is—

(i) For a student who provides notification to the institution of his or her withdrawal, the student’s withdrawal date as determined under paragraph (c) of this section or the date of notification of withdrawal, whichever is later;

(ii) For a student who did not provide notification of his or her withdrawal to the institution, the date that the institution becomes aware that the student ceased attendance;

(iii) For a student who does not return from an approved leave of absence, the earlier of the date of the end of the leave of absence or the date the student notifies the institution that he or she will not be returning to the institution; or

(iv) For a student whose rescission is negated under paragraph (c)(2)(i)(B) of this section, the date the institution becomes aware that the student did not, or will not, complete the payment period or period of enrollment.

(v) For a student who takes a leave of absence that is not approved in accordance with paragraph (d) of this section, the date that the student begins the leave of absence.

(4) A “recipient of title IV grant or loan assistance” is a student for whom

the requirements of § 668.164(g)(2) have been met.

(5) Terms are “substantially equal in length” if no term in the program is more than two weeks of instructional time longer than any other term in that program.

(6) A program is “offered in modules” if a course or courses in the program do not span the entire length of the payment period or period of enrollment.

(7)(i) “Academic attendance” and “attendance at an academically-related activity”—

(A) Include, but are not limited to—

§ 668.23 Compliance audits and audited financial statements.

(a) *General*—(1) *Independent auditor*. For purposes of this section, the term “independent auditor” refers to an independent certified public accountant or a government auditor. To conduct an audit under this section, a government auditor must meet the Government Auditing Standards qualification and independence standards, including standards related to organizational independence.

(2) *Institutions*. An institution that participates in any title IV, HEA program must at least annually have an independent auditor conduct a compliance audit of its administration of that program and an audit of the institution’s general purpose financial statements.

(3) *Third-party servicers*. Except as provided under this part or 34 CFR part 682, with regard to complying with the provisions under this section a third-party servicer must follow the procedures contained in the audit guides developed by and available from the Department of Education’s Office of Inspector General. A third-party servicer is defined under § 668.2 and 34 CFR 682.200.

(4) *Submission deadline*. Except as provided by the Single Audit Act, Chapter 75 of title 31, United States Code, an institution must submit annually to the Secretary its compliance audit and its audited financial statements no later than six months after the last day of the institution’s fiscal year.

(5) *Audit submission requirements*. In general, the Secretary considers the compliance audit and audited financial statement submission requirements of this section to be satisfied by an audit conducted in accordance with the Office of Management and Budget Circular A–133, Audits of States, Local

Governments, and Non-Profit Organizations, or the audit guides developed by and available from the Department of Education’s Inspector General, whichever is applicable to the entity, and provided that the Federal student aid functions performed by that entity are covered in the submission. (Both OMB circulars are available by calling OMB’s Publication Office at (202) 395–7332, or they can be obtained in electronic form on the OMB Home Page (<http://www.whitehouse.gov>).

(b) *Compliance audits for institutions*.

(1) An institution’s compliance audit must cover, on a fiscal year basis, all title IV, HEA program transactions, and must cover all of those transactions that have occurred since the period covered by the institution’s last compliance audit.

(2) The compliance audit required under this section must be conducted in accordance with—

(i) The general standards and the standards for compliance audits contained in the U.S. General Accounting Office’s (GAO’s) Government Auditing Standards. (This publication is available from the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402); and

(ii) Procedures for audits contained in audit guides developed by, and available from, the Department of Education’s Office of Inspector General.

(3) The Secretary may require an institution to provide a copy of its compliance audit report to guaranty agencies or eligible lenders under the FFEL programs, State agencies, the Secretary of Veterans Affairs, or nationally recognized accrediting agencies.

(c) *Compliance audits for third-party servicers*. (1) A third-party servicer that administers title IV, HEA programs for institutions does not have to have a compliance audit performed if—

(i) The servicer contracts with only one institution; and

(ii) The audit of that institution’s administration of the title IV, HEA programs involves every aspect of the servicer’s administration of that program for that institution.

(2) A third-party servicer that contracts with more than one participating institution may submit a compliance audit report that covers the

servicer's administration of the title IV, HEA programs for all institutions with which the servicer contracts.

(3) A third-party servicer must submit annually to the Secretary its compliance audit no later than six months after the last day of the servicer's fiscal year.

(4) The Secretary may require a third-party servicer to provide a copy of its compliance audit report to guaranty agencies or eligible lenders under the FFEL programs, State agencies, the Secretary of Veterans Affairs, or nationally recognized accrediting agencies.

(d) *Audited financial statements*—(1) *General.* To enable the Secretary to make a determination of financial responsibility, an institution must, to the extent requested by the Secretary, submit to the Secretary a set of financial statements for its latest complete fiscal year, as well as any other documentation the Secretary deems necessary to make that determination. Financial statements submitted to the Secretary must be prepared on an accrual basis in accordance with generally accepted accounting principles, and audited by an independent auditor in accordance with generally accepted government auditing standards, issued by the Comptroller General of the United States and other guidance contained in the Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations; or in audit guides developed by, and available from, the Department of Education's Office of Inspector General, whichever is applicable. As part of these financial statements, the institution must include a detailed description of related entities based on the definition of a related entity as set forth in the Statement of Financial Accounting Standards (SFAS) 57. The disclosure requirements under this provision extend beyond those of SFAS 57 to include all related parties and a level of detail that would enable to Secretary to readily identify the related party. Such information may include, but is not limited to, the name, location and a description of the related entity including the nature and amount of any transactions between the related party and the institution,

financial or otherwise, regardless of when they occurred.

(2) *Submission of additional financial statements.* To the extent requested by the Secretary in determining whether an institution is financially responsible, the Secretary may also require the submission of audited consolidated financial statements, audited full consolidating financial statements, audited combined financial statements or the audited financial statements of one or more related parties that have the ability, either individually or collectively, to significantly influence or control the institution, as determined by the Secretary.

(3) *Disclosure of Title IV, HEA program revenue.* A proprietary institution must disclose in a footnote to its financial statement audit the percentage of its revenues derived from the Title IV, HEA program funds that the institution received during the fiscal year covered by that audit. The revenue percentage must be calculated in accordance with § 668.28. The institution must also report in the footnote the dollar amount of the numerator and denominator of its 90/10 ratio as well as the individual revenue amounts identified in section 2 of appendix C to subpart B of part 668.

(4) *Audited financial statements for third-party servicers.* A third-party servicer that enters into a contract with a lender or guaranty agency to administer any aspect of the lender's or guaranty agency's programs, as provided under 34 CFR part 682, must submit annually an audited financial statement. This financial statement must be prepared on an accrual basis in accordance with generally accepted accounting principles, and audited by an independent auditor in accordance with generally accepted government auditing standards and other guidance contained in audit guides issued by the Department of Education's Office of Inspector General.

(e) *Access to records.* (1) An institution or a third-party servicer that has a compliance or financial statement audit conducted under this section must—

(i) Give the Secretary and the Inspector General access to records or other documents necessary to review that

audit, including the right to obtain copies of those records or documents; and

(ii) Require an individual or firm conducting the audit to give the Secretary and the Inspector General access to records, audit work papers, or other documents necessary to review that audit, including the right to obtain copies of those records, work papers, or documents.

(2) An institution must give the Secretary and the Inspector General access to records or other documents necessary to review a third-party servicer's compliance or financial statement audit, including the right to obtain copies of those records or documents.

(f) *Determination of liabilities.* (1) Based on the audit finding and the institution's or third-party servicer's response, the Secretary determines the amount of liability, if any, owed by the institution or servicer and instructs the institution or servicer as to the manner of repayment.

(2) If the Secretary determines that a third-party servicer owes a liability for its administration of an institution's title IV, HEA programs, the servicer must notify each institution under whose contract the servicer owes a liability of that determination. The servicer must also notify every institution that contracts with the servicer for the same service that the Secretary determined that a liability was owed.

(g) *Repayments.* (1) An institution or third-party servicer that must repay funds under the procedures in this section shall repay those funds at the direction of the Secretary within 45 days of the date of the Secretary's notification, unless—

(i) The institution or servicer files an appeal under the procedures established in subpart H of this part; or

(ii) The Secretary permits a longer repayment period.

(2) Notwithstanding paragraphs (f) and (g)(1) of this section—

(i) If an institution or third-party servicer has posted surety or has provided a third-party guarantee and the Secretary questions expenditures or compliance with applicable requirements and identifies liabilities, then the Secretary may determine that de-

ferring recourse to the surety or guarantee is not appropriate because—

(A) The need to provide relief to students or borrowers affected by the act or omission giving rise to the liability outweighs the importance of deferring collection action until completion of available appeal proceedings; or

(B) The terms of the surety or guarantee do not provide complete assurance that recourse to that protection will be fully available through the completion of available appeal proceedings; or

(ii) The Secretary may use administrative offset pursuant to 34 CFR part 30 to collect the funds owed under the procedures of this section.

(3) If, under the proceedings in subpart H, liabilities asserted in the Secretary's notification, under paragraph (e)(1) of this section, to the institution or third-party servicer are upheld, the institution or third-party servicer must repay those funds at the direction of the Secretary within 30 days of the final decision under subpart H of this part unless—

(i) The Secretary permits a longer repayment period; or

(ii) The Secretary determines that earlier collection action is appropriate pursuant to paragraph (g)(2) of this section.

(4) An institution is held responsible for any liability owed by the institution's third-party servicer for a violation incurred in servicing any aspect of that institution's participation in the title IV, HEA programs and remains responsible for that amount until that amount is repaid in full.

(h) *Audit submission requirements for foreign institutions.* (1) *Audited financial statements.* (i) The Secretary waives for that fiscal year the submission of audited financial statements if the institution is a foreign public or nonprofit institution that received less than

\$500,000 in U.S. title IV program funds during its most recently completed fiscal year, unless that foreign public or nonprofit institution is in its initial provisional period of participation, and received title IV program funds during that fiscal year, in which case the institution must submit, in English, audited financial statements prepared in

accordance with generally accepted accounting principles of the institution's home country.

(ii) Except as provided in paragraph (h)(1)(iii) of this section, a foreign institution that received \$500,000 or more in U.S. title IV program funds during its most recently completed fiscal year must submit, in English, for each most recently completed fiscal year in which it received title IV program funds, audited financial statements prepared in accordance with generally accepted accounting principles of the institution's home country along with corresponding audited financial statements that meet the requirements of paragraph (d) of this section.

(iii) In lieu of making the submission required by paragraph (h)(1)(ii) of this section, a public or private nonprofit institution that received—

(A) \$500,000 or more in U.S. title IV program funds, but less than \$3,000,000 in U.S. title IV program funds during its most recently completed fiscal year, may submit for that year, in English, audited financial statements prepared in accordance with the generally accepted accounting principles of the institution's home country, and is not required to submit the corresponding audited financial statements that meet the requirements of paragraph (d) of this section;

(B) At least \$3,000,000, but less than \$10,000,000 in U.S. title IV, program funds during its most recently completed fiscal year, must submit in English, for each most recently completed fiscal year, audited financial statements prepared in accordance with the generally accepted accounting principles of the institution's home country along with corresponding audited financial statements that meet the requirements of paragraph (d) of this section, except that an institution that continues to receive at least \$3,000,000 but less than \$10,000,000, in U.S. title IV funds during its most recently completed fiscal year may omit the audited financial statements that meet the requirements of paragraph (d) of this section for up to two consecutive years following the submission of audited financial statements that meet the requirements of paragraph (d) of this section.

(2) *Compliance audits.* A foreign institution's compliance audit must cover, on a fiscal year basis, all title IV, HEA program transactions, and must cover all of those transactions that have occurred since the period covered by the institution's last compliance audit. A compliance audit that is due under this paragraph must be submitted no later than six months after the last day of the institution's fiscal year, and must meet the following requirements:

(i) If the foreign institution received \$500,000 or more in U.S. dollars in title IV, HEA program funds during its most recently completed fiscal year, it must submit a standard compliance audit for that prior fiscal year that is performed in accordance with audit guides developed by, and available from, the Department of Education's Office of Inspector General, together with an alternative compliance audit or audits prepared in accordance with paragraph (h)(2)(ii) of this section for any preceding fiscal year or years in which the foreign institution received less than \$500,000 in U.S. dollars in title IV, HEA program funds and for which a compliance audit has not already been submitted;

(ii) If the foreign institution received less than \$500,000 U.S. in title IV, HEA program funds for its most recently completed fiscal year, it must submit an alternative compliance audit for that prior fiscal year that is performed in accordance with audit guides developed by, and available from, the Department of Education's Office of Inspector General, except as noted in paragraph (h)(2)(iii) of this section.

(iii) If so notified by the Secretary, a foreign institution may submit an alternative compliance audit performed in accordance with audit guides developed by, and available from, the Department of Education's Office of Inspector General, that covers a period not to exceed three of the institution's consecutive fiscal years if such audit is submitted either no later than six months after the last day of the most recent fiscal year, or contemporaneously with a standard compliance audit timely submitted under paragraph (h)(2)(i) or (h)(3)(ii) of this section for the most recently completed

fiscal year, and if the following conditions are met:

(A) The institution received less than \$500,000 in title IV, HEA program funds for its most recently completed fiscal year.

(B) The institution has timely submitted acceptable compliance audits for two consecutive fiscal years, and following such submission, has no history of late submission since then.

(C) The institution is fully certified.

(3)(i) *Exceptions.* Notwithstanding the provisions of paragraphs (h)(1)(i) and (h)(1)(iii) of this section, the Secretary may issue a letter to a foreign institution that identifies problems with its financial condition or financial reporting and requires the submission of audited financial statements in the manner specified by the Secretary.

(ii) Notwithstanding the provisions of paragraphs (h)(2)(ii) and (h)(2)(iii) of this section, the Secretary may issue to a foreign institution a letter that identifies problems with its administrative capability or compliance reporting that may require the compliance audit to be performed at a higher level of engagement, and may require the compliance audit to be submitted annually.

(2)(i) In the case of a third-party servicer that has been subjected to a termination action by the Secretary, either the servicer, or one or more persons or entities that the Secretary determines (under the provisions of § 668.15) exercise substantial control over the servicer, or both, have not submitted to the Secretary financial guarantees in an amount determined by the Secretary to be sufficient to satisfy the servicer's potential liabilities arising from the servicer's administration of the Title IV, HEA programs; and

(ii) One or more persons or entities that the Secretary determines (under the provisions of § 668.15) exercise substantial control over the servicer have not agreed to be jointly or severally liable for any liabilities arising from the servicer's administration of the Title IV, HEA programs and civil and criminal monetary penalties authorized under Title IV of the HEA.

(e)(1)(i) An institution that participates in a Title IV, HEA program shall notify the Secretary within 10 days of the date that—

(A) The institution enters into a new contract or significantly modifies an existing contract with a third-party servicer to administer any aspect of that program;

(B) The institution or a third-party servicer terminates a contract for the servicer to administer any aspect of that program; or

(C) A third-party servicer that administers any aspect of the institution's participation in that program

stops providing services for the administration of that program, goes out of business, or files a petition under the Bankruptcy Code.

(ii) The institution's notification must include the name and address of the servicer.

(2) An institution that contracts with a third-party servicer to administer any aspect of the institution's participation in a Title IV, HEA program shall provide to the Secretary, upon request, a copy of the contract, including any modifications, and provide information pertaining to the contract or to the servicer's administration of the institution's participation in any Title IV, HEA program.

(e)(1) Notwithstanding the requirements of any other provision in this section, with agreement from the institution's accrediting agency and State, the Secretary may permit an institution to continue to originate, award, or disburse funds under a Title IV, HEA program for no more than 120 days following the date of a final, non-appealable decision by an accrediting agency to withdraw, suspend, or terminate accreditation, by a State authorizing agency to remove State authorization, or by the Secretary to end the institution's participation in title IV, HEA programs if—

§ 668.27 Waiver of annual audit submission requirement.

(a) *General.* (1) At the request of an institution, the Secretary may waive the annual audit submission requirement for the period of time contained in paragraph (b) of this section if the institution satisfies the requirements contained in paragraph (c) of this section and posts a letter of credit in the amount determined in paragraph (d) of this section.

(2) An institution requesting a waiver must submit an application to the Secretary at such time and in such manner as the Secretary prescribes.

(3) The first fiscal year for which an institution may request a waiver is the fiscal year in which it submits its waiver request to the Secretary.

(b) *Waiver period.* (1) If the Secretary grants the waiver, the institution need not submit its compliance or audited financial statement until six months after—

(i) The end of the third fiscal year following the fiscal year for which the institution last submitted a compliance audit and audited financial statement; or

(ii) The end of the second fiscal year following the fiscal year for which the institution last submitted compliance and financial statement audits if the award year in which the institution will apply for recertification is part of the third fiscal year.

(2) The Secretary does not grant a waiver if the award year in which the institution will apply for recertification is part of the second fiscal year following the fiscal year for which the institution last submitted compliance and financial statement audits.

(3) When an institution must submit its next compliance and financial

statement audits under paragraph (b)(1) of this section—

(i) The institution must submit a compliance audit that covers the institution's administration of the title IV, HEA programs for the period for each fiscal year for which an audit did not have to be submitted as a result of the waiver, and an audited financial statement for its last fiscal year; and

(ii) The auditor who conducts the audit must audit the institution's annual determinations for the period subject to the waiver that it satisfied the 90/10 rule in § 600.5 and the other conditions of institutional eligibility in § 600.7 and § 668.8(e)(2), and disclose the results of the audit of the 90/10 rule for each year in accordance with § 668.23(d)(4).

(c) *Criteria for granting the waiver.* The Secretary grants a waiver to an institution if the institution—

(1) Is not a foreign institution;

(2) Did not disburse \$200,000 or more of title IV, HEA program funds during each of the two completed award years preceding the institution's waiver request;

(3) Agrees to keep records relating to each award year in the unaudited period for two years after the end of the record retention period in § 668.24(e) for that award year;

(4) Has participated in the title IV, HEA programs under the same ownership for at least three award years preceding the institution's waiver request;

(5) Is financially responsible under § 668.171, and does not rely on the alternative standards of § 668.175 to participate in the title IV, HEA programs;

(6) Is not on the reimbursement or cash monitoring system of payment;

(7) Has not been the subject of a limitation, suspension, fine, or termination proceeding, or emergency action initiated by the Department or a guarantee agency in the three years preceding the institution's waiver request;

(8) Has submitted its compliance audits and audited financial statements for the previous two fiscal years in accordance with and subject to § 668.23, and no individual audit disclosed liabilities in excess of \$10,000; and

(9) Submits a letter of credit in the amount determined in paragraph (d) of

this section, which must remain in effect until the Secretary has resolved the audit covering the award years subject to the waiver.

(d) *Letter of credit amount.* For purposes of this section, the letter of credit amount equals 10 percent of the amount of title IV, HEA program funds the institution disbursed to or on behalf of its students during the award year preceding the institution's waiver request.

(e) *Rescission of the waiver.* (1) The Secretary rescinds the waiver if the institution—

(i) Disburses \$200,000 or more of title IV, HEA program funds for an award year;

(ii) Undergoes a change in ownership that results in a change of control; or

(iii) Becomes the subject of an emergency action or a limitation, suspension, fine, or termination action initiated by the Department or a guarantee agency.

(2) If the Secretary rescinds a waiver, the rescission is effective on the last day of the fiscal year in which the rescission takes place.

(f) *Renewal.* An institution may request a renewal of its waiver when it submits its audits under paragraph (b) of this section. The Secretary grants the waiver if the audits and other information available to the Secretary show that the institution continues to satisfy the criteria for receiving that waiver.

§ 668.28 Non-title IV revenue (90/10).

(a) *General* —(1) *Calculating the revenue percentage.* A proprietary institution meets the requirement in § 668.14(b)(16) that at least 10 percent of its revenue is derived from sources other than Title IV, HEA program funds by using the formula in appendix C of this subpart to calculate its revenue percentage for its latest complete fiscal year.

(2) *Cash basis accounting.* Except for institutional loans made to students under paragraph (a)(5)(i) of this section, the institution must use the cash basis of accounting in calculating its revenue percentage.

(3) *Revenue generated from programs and activities.* The institution must consider as revenue only those funds it generates from—

(i) Tuition, fees, and other institutional charges for students enrolled in eligible programs as defined in § 668.8;

(ii) Activities conducted by the institution that are necessary for the education and training of its students provided those activities are—

(A) Conducted on campus or at a facility under the institution's control;

(B) Performed under the supervision of a member of the institution's faculty; and

(C) Required to be performed by all students in a specific educational program at the institution; and

(iii) Funds paid by a student, or on behalf of a student by a party other than the institution, for an education or training program that is not eligible under § 668.8 if the program—

(A) Is approved or licensed by the appropriate State agency;

(B) Is accredited by an accrediting agency recognized by the Secretary under 34 CFR part 602;

(C) Provides an industry-recognized credential or certification, or prepares students to take an examination for an industry-recognized credential or certification issued by an independent third party;

(D) Provides training needed for students to maintain State licensing requirements; or

(E) Provides training needed for students to meet additional licensing requirements for specialized training for practitioners that already meet the general licensing requirements in that field.

(4) *Application of funds.* The institution must presume that any Title IV, HEA program funds it disburses, or delivers, to or on behalf of a student will be used to pay the student's tuition, fees, or institutional charges, regardless of whether the institution credits the funds to the student's account or pays the funds directly to the student, except to the extent that the student's tuition, fees, or other charges are satisfied by—

(i) Grant funds provided by non-Federal public agencies or private sources independent of the institution;

(ii) Funds provided under a contractual arrangement with a Federal, State, or local government agency for the purpose of providing job training to low-income individuals who need that training;

(iii) Funds used by a student from a savings plan for educational expenses established by or on behalf of the student if the saving plan qualifies for special tax treatment under the Internal Revenue Code of 1986; or

(iv) Institutional scholarships that meet the requirements in paragraph (a)(5)(iv) of this section.

(5) *Revenue generated from institutional aid.* The institution must include the following institutional aid as revenue:

(i) For loans made to students and credited in full to the students' accounts at the institution on or after July 1, 2008 and prior to July 1, 2012, include as revenue the net present value of the loans made to students during the fiscal year, as calculated under paragraph (b) of this section, if the loans—

(A) Are bona fide as evidenced by standalone repayment agreements between the students and the institution that are enforceable promissory notes;

(B) Are issued at intervals related to the institution's enrollment periods;

(C) Are subject to regular loan repayments and collections by the institution; and

(D) Are separate from the enrollment contracts signed by the students.

(ii) For loans made to students before July 1, 2008, include as revenue only the amount of payments made on those loans that the institution received during the fiscal year.

(iii) For loans made to students on or after July 1, 2012, include as revenue only the amount of payments made on those loans that the institution received during the fiscal year.

(iv) For scholarships provided by the institution in the form of monetary aid or tuition discount and based on the academic achievement or financial need of its students, include as revenue the amount disbursed to students during the fiscal year. The scholarships must be disbursed from an established restricted account and only to the extent that the funds in that account represent designated funds from an out-

side source or income earned on those funds.

(6) *Revenue generated from loan funds in excess of loan limits prior to the Ensuring Continued Access to Student Loans Act of 2008 (ECASLA).* For each student who receives an unsubsidized loan under the FFEL or Direct Loan programs on or after July 1, 2008 and prior to July 1, 2011, the amount of the loan disbursement for a payment period that exceeds the disbursement for which the student would have been eligible for that payment period under the loan limit in effect on the day prior to enactment of the ECASLA is included and deemed to be revenue from a source other than Title IV, HEA program funds but only to the extent that the excess amount pays for tuition, fees, or institutional charges remaining on the student's account after other Title IV, HEA program funds are applied.

(7) *Funds excluded from revenues.* For the fiscal year, the institution does not include—

(i) The amount of Federal Work Study (FWS) wages paid directly to the student. However, if the institution credits the student's account with FWS funds, those funds are included as revenue;

(ii) The amount of funds received by the institution from a State under the LEAP, SLEAP, or GAP programs;

(iii) The amount of institutional funds used to match Title IV, HEA program funds;

(iv) The amount of Title IV, HEA program funds refunded or returned under § 668.22. If any funds from the loan disbursement used in the return calculation under § 668.22 were counted as non-title IV revenue under paragraph (a)(6) of this section, the amount of Title IV, HEA program funds refunded or returned under § 668.22 is considered to consist of pre-ECASLA loan amounts and loan amounts in excess of the loan limits prior to ECASLA in the same proportion to the loan disbursement; or

(v) The amount the student is charged for books, supplies, and equipment unless the institution includes that amount as tuition, fees, or other institutional charges.

(b) *Net present value (NPV)*. (1) As illustrated in appendix C of this subpart, an institution calculates the NPV of the loans it made under paragraph (a)(5)(i) of this section by—

(i) Using the formula, $NPV = \text{sum of the discounted cash flows } R^t/(1 + i)^t$, where—

(A) The variable “*i*” is the discount rate. For purposes of this section, an institution must use the most recent annual inflation rate as the discount rate;

(B) The variable “*t*” is time or period of the cash flow, in years, from the time the loan entered repayment; and

(C) The variable “*R*” is the net cash flow at time or period *t*; and

(ii) Applying the NPV formula to the loans made during the fiscal year by—

(A) If the loans have substantially the same repayment period, using that repayment period for the range of values of variable “*t*”; or

(B) Grouping the loans by repayment period and using the repayment period for each group for the range of values of variable “*t*”; and

(C) For each group of loans, as applicable, multiplying the total annual payments due on the loans by the institution’s loan collection rate (*e.g.*, the total amount of payments collected divided by the total amount of payments due). The resulting amount is used for variable “*R*” in each period “*t*”, for each group of loans that a NPV is calculated.

(2) Instead of performing the calculations in paragraph (b)(1) of this section, using 50 percent of the total amount of loans that the institution made during the fiscal year as the NPV. However, if the institution chooses to use this 50 percent calculation, the institution may not sell any of these loans until they have been in repayment for at least two years.

(c) *Sanctions*. If an institution does not derive at least 10 percent of its revenue from sources other than Title IV, HEA program funds—

(1) For two consecutive fiscal years, it loses its eligibility to participate in the Title IV, HEA programs for at least two fiscal years. To regain eligibility, the institution must demonstrate that it complied with the State licensure and accreditation requirements under

34 CFR 600.5(a)(4) and (a)(6), and the financial responsibility requirements under subpart L of this part, for a minimum of two fiscal years after the fiscal year it became ineligible; or

(2) For any fiscal year, it becomes provisionally certified under § 668.13(c)(1)(ii) for the two fiscal years after the fiscal year it failed to satisfy the revenue requirement. However, the institution’s provisional certification terminates on—

(i) The expiration date of the institution’s program participation agreement that was in effect on the date the Secretary determined the institution failed this requirement; or

(ii) The date the institution loses its eligibility to participate under paragraph (c)(1) of this section; and

(3) It must notify the Secretary no later than 45 days after the end of its fiscal year that it failed to meet this requirement.

APPENDIX A TO SUBPART B OF PART 668—STANDARDS FOR AUDIT OF GOVERNMENTAL ORGANIZATIONS, PROGRAMS, ACTIVITIES, AND FUNCTIONS (GAO)

Part III Chapter 3—Independence

(a) The Third general standard for governmental auditing is: In matters relating to the audit work, the audit organization and the individual auditors shall maintain an independent attitude.

(b) This standard places upon the auditor and the audit organization the responsibility for maintaining sufficient independence so that their opinions, conclusions, judgments, and recommendations will be impartial. If the auditor is not sufficiently independent to produce unbiased opinions, conclusions, and judgments, he should state in a prominent place in the audit report his relationship

with the organization or officials being audited.¹

(c) The auditor should consider not only whether his or her own attitude and beliefs permit him or her to be independent but also whether there is anything about his or her situation which would lead others to question his or her independence. Both situations deserve consideration since it is important not only that the auditor be, in fact, independent and impartial but also that other persons will consider him or her so.

(d) There are three general classes of impairments that the auditor needs to consider; these are personal, external, and organizational impairments. If one or more of these are of such significance as to affect the auditor's ability to perform his or her work and report its results impartially, he or she should decline to perform the audit or indicate in the report that he or she was not fully independent.

Personal Impairments

There are some circumstances in which an auditor cannot be impartial because of his or her views or his or her personal situation. These circumstances might include:

1. Relationships of an official, professional, and/or personal nature that might cause the auditor to limit the extent or character of the inquiry, to limit disclosure, or to weaken his or her findings in any way.
2. Preconceived ideas about the objectives or quality of a particular operation or personal likes or dislikes of individuals, groups, or objectives of a particular program.
3. Previous involvement in a decision-making or management capacity in the operations of the governmental entity or program being audited.
4. Biases and prejudices, including those induced by political or social convictions, which result from employment in or loyalty to a particular group, entity, or level of government.
5. Actual or potential restrictive influence when the auditor performs preaudit work and subsequently performs a post audit.
6. Financial interest, direct or indirect, in an organization or facility which is benefiting from the audited programs.

External Impairments

External factors can restrict the audit or impinge on the auditor's ability to form independent and objective opinions and conclusions. For example, under the following

¹If the auditor is not fully independent because he or she is an employee of the audited entity, it will be adequate disclosure to so indicate. If the auditor is a practicing certified public accountant, his or her conduct should be governed by the AICPA "Statements on Auditing Procedure."

conditions either the audit itself could be adversely affected or the auditor would not have complete freedom to make an independent judgment.²

1. Interference or other influence that improperly or imprudently eliminates, restricts, or modifies the scope or character of the audit.

2. Interference with the selection or application of audit procedures of the selection of activities to be examined.

3. Denial of access to such sources of information as books, records, and supporting documents or denial or opportunity to obtain explanations by officials and employees of the governmental organization, program, or activity under audit.

4. Interference in the assignment of personnel to the audit task.

5. Retaliatory restrictions placed on funds or other resources dedicated to the audit operation.

6. Activity to overrule or significantly influence the auditors judgment as to the appropriate content of the audit report.

7. Influences that place the auditor's continued employment in jeopardy for reasons other than competency or the need for audit services.

8. Unreasonable restriction on the time allowed to competently complete an audit assignment.

Organizational Impairments

(a) The auditor's independence can be affected by his or her place within the organizational structure of governments. Auditors employed by Federal, State, or local government units may be subject to policy direction from superiors who are involved either directly or indirectly in the government management process. To achieve maximum independence such auditors and the audit organization itself not only should report to the highest practicable echelon within their government but should be organizationally located outside the line-management function of the entity under audit.

(b) These auditors should also be sufficiently removed from political pressures to ensure that they can conduct their auditing objectively and can report their conclusions completely without fear of censure. Whenever feasible they should be under a system which will place decisions on compensation, training, job tenure, and advancement on a merit basis.

(c) When independent public accountants or other independent professionals are engaged to perform work that includes inquiries into compliance with applicable laws and

²Some of these situations may constitute justifiable limitations on the scope of the work. In such cases the limitation should be identified in the auditor's report.

regulations, efficiency and economy of operations, or achievement of program results, they should be engaged by someone other than the officials responsible for the direction of the effort being audited. This practice removes the pressure that may result if the auditor must criticize the performance of those by whom he or she was engaged. To remove this obstacle to independence, governments should arrange to have auditors engaged by officials not directly involved in operations to be audited.

APPENDIX B TO SUBPART B OF PART 668—APPENDIX I, STANDARDS FOR AUDIT OF GOVERNMENTAL ORGANIZATIONS, PROGRAMS, ACTIVITIES, AND FUNCTIONS (GAO)

Qualifications of Independent Auditors Engaged by Governmental Organizations

(a) When outside auditors are engaged for assignments requiring the expression of an opinion on financial reports of governmental organizations, only fully qualified public accountants should be employed. The type of qualifications, as stated by the Comptroller General, deemed necessary for financial audits of governmental organizations and programs is quoted below:

“Such audits shall be conducted * * * by independent certified public accountants or by independent licensed public accountants, licensed on or before December 31, 1970, who are certified or licensed by a regulatory authority of a State or other political subdivision of the United States: Except that independent public accountants licensed to practice by such regulatory authority after December 31, 1970, and persons who although not so certified or licensed, meet, in the opinion of the Secretary, standards of education and experience representative of the highest prescribed by the licensing authorities of the several States which provide for the continuing licensing of public accountants and which are prescribed by the Secretary in appropriate regulations may perform such audits until December 31, 1975; Provided, That if the Secretary deems it nec-

essary in the public interest, he may prescribe by regulations higher standard than those required for the practice of public accountancy by the regulatory authorities of the States.”¹

(b) The standards for examination and evaluation require consideration of applicable laws and regulations in the auditor's examination. The standards for reporting require a statement in the auditor's report regarding any significant instances of noncompliance disclosed by his or her examination and evaluation work. What is to be included in this statement requires judgment. Significant instances of noncompliance, even those not resulting in legal liability to the audited entity, should be included. Minor procedural noncompliance need not be disclosed.

(c) Although the reporting standard is generally on an exception basis—that only noncompliance need be reported—it should be recognized that governmental entities often want positive statements regarding whether or not the auditor's tests disclosed instances of noncompliance. This is particularly true in grant programs where authorizing agencies frequently want assurance in the auditor's report that this matter has been considered. For such audits, auditors should obtain an understanding with the authorizing agency as to the extent to which such positive comments on compliance are desired. When coordinated audits are involved, the audit program should specify the extent of comments that the auditor is to make regarding compliance.

(d) When noncompliance is reported, the auditor should place the findings in proper perspective. The extent of instances of noncompliance should be related to the number of cases examined to provide the reader with a basis for judging the prevalence of noncompliance.

Section 3: Calculating the Revenue Percentage

Σ Adjusted Student Title IV Revenue	
Σ Adjusted Student Title IV Revenue + Σ Student Non-Title IV Revenue + Total Revenue from Other Sources	= 90/10 Revenue Percentage

Adjustments to Student Title IV Revenue

1. The amount of FSEOG funds disbursed to a student (Item 10) and the amount of FWS funds credited to the student's account (Item 11) are reduced by the amount of the institutional matching funds (see Item 10 in Section 2 of the example).
2. If the amount of Funds Applied First (Item 6) + Student Title IV Revenue (Item 17) is more than Tuition and Fees (Item 1), then Student Title IV Revenue (Item 17) is reduced by the amount over Tuition and Fees (Item 1) (see Item 18 in Section 2 of the example).
3. If Title IV funds are returned for a student under 34 CFR 668.22, then Student Title IV Revenue is reduced by the amount returned.

<p>Σ Adjusted Student Title IV Revenue = The sum of the amounts of Item 17, as adjusted, for each student at the institution during the fiscal year to whom the institution disbursed Title IV Aid</p>
--

Adjustments to Student Non-Title IV Revenue

An Unsubsidized loan over the pre-ECSALA loan limit (Item 13) and any Student Payments (Item 14) count as Student Non-Title IV Revenue only for the amount needed to cover Tuition and Fees (Item 1) that are not paid by Funds Applied First (Item 6) and funds under Student Title IV Revenue (Item 19) (see Items 13 and 14 in Section 2 of the example).

<p>Σ Student Non-Title IV Revenue = The sum of the amounts of Item 20, as adjusted, for each student at the institution during the fiscal year whose Non-Title IV funds were used to pay all or some of those student's Tuition and Fee charges</p>

Total Revenue from Other Sources

Activities conducted by the institution that are necessary for education and training (Item 21) = Total revenue generated by the institution from these activities during the fiscal year

Funds paid to the institution by, or on behalf of, students for education and training in qualified non-Title IV eligible programs (Item 22) = Total revenue generated by the institution from these programs during the fiscal year

The Net Present Value (NPV) of institutional loans disbursed to students (Item 23)

<p>Total Revenue from Other Sources = The sum of the amounts for Items 21, 22, and 23 for the fiscal year</p>

$$NPV = \sum R^t / (1+i)^t$$

An institution makes a total of \$125,000 in 3-year loans at 8.5% and a total of \$75,000 in 4-year loans at 8.5%. The Discount rate is 3%.

(1) Be a citizen or national of the United States; or

(2) Provide evidence from the U.S. Immigration and Naturalization Service that he or she—

(i) Is a permanent resident of the United States; or

(ii) Is in the United States for other than a temporary purpose with the intention of becoming a citizen or permanent resident;

(2) If the Social Security Administration does not confirm the student's citizenship assertion under the data match with the Secretary, the student can establish U.S. citizenship by submitting documentary evidence of that status to the institution. § 668.34 Satisfactory academic progress.

(a) *Satisfactory academic progress policy.* An institution must establish a reasonable satisfactory academic progress policy for determining whether an otherwise eligible student is making satisfactory academic progress in his or her educational program and may receive assistance under the title IV, HEA programs. The Secretary considers the institution's policy to be reasonable if—

(1) The policy is at least as strict as the policy the institution applies to a student who is not receiving assistance under the title IV, HEA programs;

(2) The policy provides for consistent application of standards to all students within categories of students, *e.g.*, full-time, part-time, undergraduate, and graduate students, and educational programs established by the institution;

(3) The policy provides that a student's academic progress is evaluated—

(i) At the end of each payment period if the educational program is either one academic year in length or shorter than an academic year; or

(ii) For all other educational programs, at the end of each payment period or at least annually to correspond with the end of a payment period;

(4)(i) The policy specifies the grade point average (GPA) that a student must achieve at each evaluation, or if a GPA is not an appropriate qualitative measure, a comparable assessment measured against a norm; and

(ii) If a student is enrolled in an educational program of more than two academic years, the policy specifies that at the end of the second academic year, the student must have a GPA of at least a "C" or its equivalent, or have academic standing consistent with the institution's requirements for graduation;

(5)(i) The policy specifies the pace at which a student must progress through his or her educational program to en-

sure that the student will complete the program within the maximum time-frame, as defined in paragraph (b) of this section, and provides for measurement of the student's progress at each evaluation; and

(ii) An institution calculates the pace at which the student is progressing by dividing the cumulative number of hours the student has successfully completed by the cumulative number of hours the student has attempted. In making this calculation, the institution is not required to include remedial courses;

(6) The policy describes how a student's GPA and pace of completion are affected by course incompletes, withdrawals, or repetitions, or transfers of credit from other institutions. Credit hours from another institution that are accepted toward the student's educational program must count as both attempted and completed hours;

(7) Except as provided in paragraphs (c) and (d) of this section, the policy provides that, at the time of each evaluation, a student who has not achieved the required GPA, or who is not successfully completing his or her educational program at the required pace, is no longer eligible to receive assistance under the title IV, HEA programs;

(8) If the institution places students on financial aid warning, or on financial aid probation, as defined in paragraph (b) of this section, the policy describes these statuses and that—

(i) A student on financial aid warning may continue to receive assistance under the title IV, HEA programs for one payment period despite a determination that the student is not making satisfactory academic progress. Financial aid warning status may be assigned without an appeal or other action by the student; and

(ii) A student on financial aid probation may receive title IV, HEA program funds for one payment period. While a student is on financial aid probation, the institution may require the student to fulfill specific terms and conditions such as taking a reduced course load or enrolling in specific courses. At the end of one payment period on financial aid probation, the student must meet the institution's satisfactory academic progress standards or

meet the requirements of the academic plan developed by the institution and the student to qualify for further title IV, HEA program funds;

(9) If the institution permits a student to appeal a determination by the institution that he or she is not making satisfactory academic progress, the policy describes—

(i) How the student may reestablish his or her eligibility to receive assistance under the title IV, HEA programs;

(ii) The basis on which a student may file an appeal: The death of a relative, an injury or illness of the student, or other special circumstances; and

(iii) Information the student must submit regarding why the student failed to make satisfactory academic progress, and what has changed in the student's situation that will allow the student to demonstrate satisfactory academic progress at the next evaluation;

(10) If the institution does not permit a student to appeal a determination by the institution that he or she is not making satisfactory academic progress, the policy must describe how the student may reestablish his or her eligibility to receive assistance under the title IV, HEA programs; and

(11) The policy provides for notification to students of the results of an evaluation that impacts the student's eligibility for title IV, HEA program funds.

(b) *Definitions.* The following definitions apply to the terms used in this section:

Appeal. Appeal means a process by which a student who is not meeting the institution's satisfactory academic progress standards petitions the institution for reconsideration of the student's eligibility for title IV, HEA program assistance.

Financial aid probation. Financial aid probation means a status assigned by an institution to a student who fails to make satisfactory academic progress and who has appealed and has had eligibility for aid reinstated.

Financial aid warning. Financial aid warning means a status assigned to a student who fails to make satisfactory academic progress at an institution that evaluates academic progress at the end of each payment period.

Maximum timeframe. Maximum timeframe means—

(1) For an undergraduate program measured in credit hours, a period that is no longer than 150 percent of the published length of the educational program, as measured in credit hours;

(2) For an undergraduate program measured in clock hours, a period that is no longer than 150 percent of the published length of the educational program, as measured by the cumulative number of clock hours the student is required to complete and expressed in calendar time; and

(3) For a graduate program, a period defined by the institution that is based on the length of the educational program.

(c) *Institutions that evaluate satisfactory academic progress at the end of each payment period.* (1) An institution that evaluates satisfactory academic progress at the end of each payment period and determines that a student is not making progress under its policy may nevertheless disburse title IV, HEA program funds to the student under the provisions of paragraph (c)(2), (c)(3), or (c)(4) of this section.

(2) For the payment period following the payment period in which the student did not make satisfactory academic progress, the institution may—

(i) Place the student on financial aid warning, and disburse title IV, HEA program funds to the student; or

(ii) Place a student directly on financial aid probation, following the procedures outlined in paragraph (d)(2) of this section and disburse title IV, HEA program funds to the student.

(3) For the payment period following a payment period during which a student was on financial aid warning, the institution may place the student on financial aid probation, and disburse title IV, HEA program funds to the student if—

(i) The institution evaluates the student's progress and determines that student did not make satisfactory academic progress during the payment period the student was on financial aid warning;

(ii) The student appeals the determination; and

(iii)(A) The institution determines that the student should be able to meet

the institution's satisfactory academic progress standards by the end of the subsequent payment period; or

(B) The institution develops an academic plan for the student that, if followed, will ensure that the student is able to meet the institution's satisfactory academic progress standards by a specific point in time.

(4) A student on financial aid probation for a payment period may not receive title IV, HEA program funds for the subsequent payment period unless the student makes satisfactory academic progress or the institution determines that the student met the requirements specified by the institution in the academic plan for the student.

(d) *Institutions that evaluate satisfactory academic progress annually or less frequently than at the end of each payment period.* (1) An institution that evaluates satisfactory academic progress annually or less frequently than at the end of each payment period and determines that a student is not making progress under its policy may nevertheless disburse title IV, HEA program funds to the student under the provisions of paragraph (d)(2) or (d)(3) of this section.

(2) The institution may place the student on financial aid probation and may disburse title IV, HEA program funds to the student for the subsequent payment period if—

(i) The institution evaluates the student and determines that the student is not making satisfactory academic progress;

(ii) The student appeals the determination; and

(iii)(A) The institution determines that the student should be able to be make satisfactory academic progress during the subsequent payment period and meet the institution's satisfactory academic progress standards at the end of that payment period; or

(B) The institution develops an academic plan for the student that, if followed, will ensure that the student is able to meet the institution's satisfactory academic progress standards by a specific point in time.

(3) A student on financial aid probation for a payment period may not receive title IV, HEA program funds for the subsequent payment period unless

the student makes satisfactory academic progress or the institution determines that the student met the requirements specified by the institution in the academic plan for the student.

§ 668.36 Social security number.

(a)(1) Except for residents of the Federated States of Micronesia, the Republic of the Marshall Islands, and the Republic of Palau, the Secretary attempts to confirm the social security number a student provides on the Free Application for Federal Student Aid (FAFSA) under a data match with the Social Security Administration. If the Social Security Administration confirms that number, the Secretary notifies the institution and the student of that confirmation.

(2) If the student's verified social security number is the same number as the one he or she provided on the FAFSA, and the institution has no reason to believe that the verified social security number is inaccurate, the institution may consider the number to be accurate.

(3) If the Social Security Administration does not verify the student's social security number on the FAFSA, or the institution has reason to believe that the verified social security number is inaccurate, the student can provide evidence to the institution, such as the student's social security card, indicating the accuracy of the student's social security number. An institution must give a student at least 30 days, or until the end of the award

year, whichever is later, to produce that evidence.

(4) An institution may not deny, reduce, delay, or terminate a student's eligibility for assistance under the title IV, HEA programs because verification of that student's social security number is pending.

(b)(1) An institution may not disburse any title IV, HEA program funds to a student until the institution is satisfied that the student's reported social security number is accurate.

(2) The institution shall ensure that the Secretary is notified of the student's accurate social security number if the student demonstrates the accuracy of a social security number that is not the number the student included on the FAFSA.

(c) If the Secretary determines that the social security number provided to an institution by a student is incorrect, and that student has not provided evidence under paragraph (a)(3) of this section indicating the accuracy of the social security number, and a loan has been guaranteed for the student under the FFEL program, the institution shall notify and instruct the lender and guaranty agency making and guaranteeing the loan, respectively, to cease further disbursements of the loan, until the Secretary or the institution determines that the social security number provided by the student is correct, but the guaranty may not be voided or otherwise nullified before the date that the lender and the guaranty agency receive the notice.

(d) Nothing in this section permits the Secretary to take any compliance, disallowance, penalty or other regulatory action against—

(1) Any institution of higher education with respect to any error in a social security number, unless the error was the result of fraud on the part of the institution; or

(2) Any student with respect to any error in a social security number, unless the error was the result of fraud on the part of the student.

(a)(1) To be eligible to receive title IV, HEA program funds, a male student who is subject to registration with the

Selective Service must register with the Selective Service.

(2) A male student does not have to register with the Selective Service if the student—

(i) Is below the age of 18, or was born before January 1, 1960;

(ii) Is enrolled in an officer procurement program the curriculum of which has been approved by the Secretary of Defense at the following institutions:

(b)(1) When the Secretary processes a male student's FAFSA, the Secretary determines whether the student is registered with the Selective Service under a data match with the Selective Service.

(2) Under the data match, Selective Service reports to the Secretary whether its records indicate that the student is registered, and the Secretary reports the results of the data match to the student and the institution the student is attending.

(c)(1) If the Selective Service does not confirm through the data match, that the student is registered, the student can establish that he—

(i) Is registered;

(ii) Is not, or was not required to be, registered;

(iii) Has registered since the submission of the FAFSA; or

(iv) Meets the conditions of paragraph (d) of this section.

(2) An institution must give a student at least 30 days, or until the end of the award year, whichever is later, to provide evidence to establish the condition described in paragraph (c)(1) of this section.

(d) An institution may determine that a student, who was required to, but did not register with the Selective Service, is not ineligible to receive

title IV, HEA assistance for that reason, if the student can demonstrate by submitting clear and unambiguous evidence to the institution that—

(1) He was unable to present himself for registration for reasons beyond his control such as hospitalization, incarceration, or institutionalization; or

(2) He is over 26 and when he was between 18 and 26 and required to register—

(i) He did not knowingly and willfully fail to register with the Selective Service; or

(ii) He served as a member of one of the U.S. Armed Forces on active duty and received a DD Form 214, "Certificate of Release or Discharge from Active Duty," showing military service with other than the reserve forces and National Guard.

(e) For purposes of paragraph (d)(2)(i) of this section, an institution may consider that a student did not knowingly and willfully fail to register with the Selective Service only if—

(1) The student submits to the institution an advisory opinion from the Selective Service System that does not dispute the student's claim that he did not knowingly and willfully fail to register; and

(2) The institution does not have uncontroverted evidence that the student knowingly and willfully failed to register.

(f)(1) A student who is required to register with the Selective Service and has been denied title IV, HEA program assistance because he has not proven to the institution that he has registered with Selective Service may seek a hearing from the Secretary by filing a request in writing with the Secretary. The student must submit with that request—

(i) A statement that he is in compliance with registration requirements;

(ii) A concise statement of the reasons why he has not been able to prove that he is in compliance with those requirements; and

(iii) Copies of all material that he has already supplied to the institution to verify his compliance.

(2) The Secretary provides an opportunity for a hearing to a student who—

(i) Asserts that he is in compliance with registration requirements; and

(ii) Files a written request for a hearing in accordance with paragraph (f)(1) of this section within the award year for which he was denied title IV, HEA program assistance or within 30 days following the end of the payment period, whichever is later.

(3) An official designated by the Secretary shall conduct any hearing held under paragraph (f)(2) of this section. The sole purpose of this hearing is the determination of compliance with registration requirements. At this hearing, the student retains the burden of proving compliance, by credible evidence, with the requirements of the Military Selective Service Act. The designated official shall not consider challenges based on constitutional or other grounds to the requirements that a student state and verify, if required, compliance with registration requirements, or to those registration requirements themselves.

(g) Any determination of compliance made under this section is final unless reopened by the Secretary and revised on the basis of additional evidence.

(h) Any determination of compliance made under this section is binding only for purposes of determining eligibility for title IV, HEA program assistance.

SOURCE: 51 FR 43323, Dec. 1, 1986, unless otherwise noted.

§ 668.41 Reporting and disclosure of information.

(a) *Definitions*. The following definitions apply to this subpart:

Athletically related student aid means any scholarship, grant, or other form of financial assistance, offered by an institution, the terms of which require the recipient to participate in a program of intercollegiate athletics at the institution. Other student aid, of which a student-athlete simply happens to be the recipient, is not athletically related student aid.

Certificate or degree-seeking student means a student enrolled in a course of credit who is recognized by the institution as seeking a degree or certificate.

First-time undergraduate student means an entering undergraduate who has never attended any institution of higher education. It includes a student enrolled in the fall term who attended a postsecondary institution for the first time in the prior summer term, and a student who entered with advanced standing (college credit earned before graduation from high school).

Normal time is the amount of time necessary for a student to complete all requirements for a degree or certificate according to the institution's catalog. This is typically four years for a bachelor's degree in a standard term-based institution, two years for an associate degree in a standard term-based institution, and the various scheduled times for certificate programs.

Notice means a notification of the availability of information an institution is required by this subpart to disclose, provided to an individual on a one-to-one basis through an appropriate mailing or publication, including direct mailing through the U.S. Postal Service, campus mail, or electronic mail. Posting on an Internet website or an Intranet website does not constitute a notice.

Official fall reporting date means that date (in the fall) on which an institution must report fall enrollment data

to either the State, its board of trustees or governing board, or some other external governing body.

On-campus student housing facility: A dormitory or other residential facility for students that is located on an institution's campus, as defined in § 668.46(a).

Prospective employee means an individual who has contacted an eligible institution for the purpose of requesting information concerning employment with that institution.

Prospective student means an individual who has contacted an eligible institution requesting information concerning admission to that institution.

Undergraduate students, for purposes of §§ 668.45 and 668.48 only, means students enrolled in a bachelor's degree program, an associate degree program, or a vocational or technical program at or below the baccalaureate level.

(b) *Disclosure through Internet or Intranet websites.* Subject to paragraphs (c)(2), (e)(2) through (4), or (g)(1)(ii) of this section, as appropriate, an institution may satisfy any requirement to disclose information under paragraph (d), (e), or (g) of this section for—

(c) *Notice to enrolled students.* (1) An institution annually must distribute to all enrolled students a notice of the availability of the information required to be disclosed pursuant to paragraphs (d), (e), and (g) of this section, and pursuant to 34 CFR 99.7 (§ 99.7 sets forth the notification requirements of the Family Educational Rights and Privacy Act of 1974). The notice must list and briefly describe the information and tell the student how to obtain the information.

(2) An institution that discloses information to enrolled students as required under paragraph (d), (e), (g), or (h) of this section by posting the information on an Internet website or an Intranet website must include in the

notice described in paragraph (c)(1) of this section—

(i) The exact electronic address at which the information is posted; and

(ii) A statement that the institution will provide a paper copy of the information on request.

(d) *General disclosures for enrolled or prospective students.* An institution must make available to any enrolled student or prospective student through appropriate publications, mailings or electronic media, information concerning—

(1) Financial assistance available to students enrolled in the institution (pursuant to § 668.42).

(2) The institution (pursuant to § 668.43).

(3) The institution's retention rate as reported to the Integrated Postsecondary Education Data System (IPEDS). In the case of a request from a prospective student, the information must be made available prior to the student's enrolling or entering into any financial obligation with the institution.

(4) The institution's completion or graduation rate and, if applicable, its transfer-out rate (pursuant to § 668.45). In the case of a request from a prospective student, the information must be made available prior to the student's enrolling or entering into any financial obligation with the institution.

(5) The placement of, and types of employment obtained by, graduates of the institution's degree or certificate programs.

(i) The information provided in compliance with this paragraph may be gathered from—

(A) The institution's placement rate for any program, if it publishes or uses in advertising such a rate;

(B) State data systems;

(C) Alumni or student satisfaction surveys; or

(D) Other relevant sources.

(3) *Current employees—annual security report and annual fire safety report*. If an institution chooses to distribute either its annual security report or annual fire safety report to current employees by posting the disclosure or disclosures on an Internet Web site or an Intranet Web site, the institution must, by October 1 of each year, distribute to all current employees a notice that includes a statement of the report's availability, the exact electronic address at which the report is posted, a brief description of the report's contents, and a statement that the institution will provide a paper copy of the report upon request.

(4) *Prospective students and prospective employees—annual security report and annual fire safety report*. For each of the

reports, the institution must provide a notice to prospective students and prospective employees that includes a statement of the report's availability, a description of its contents, and an opportunity to request a copy. (6) *Publication of the annual fire safety report*. An institution may publish its annual fire safety report concurrently with its annual security report only if the title of the report clearly states that the report contains both the annual security report and the annual fire safety report. If an institution chooses to publish the annual fire safety report separately from the annual security report, it must include information in each of the two reports about how to directly access the other report.

(f) *Prospective student-athletes and their parents, high school coach and guidance counselor—report on completion or graduation rates for student-athletes*.

(1)(i) Except under the circumstances described in paragraph (f)(1)(ii) of this section, when an institution offers a prospective student-athlete athletically related student aid, it must provide to the prospective student-athlete, and his or her parents, high school coach, and guidance counselor, the report produced pursuant to § 668.48(a).

(ii) An institution's responsibility under paragraph (f)(1)(i) of this section with reference to a prospective student

athlete's high school coach and guidance counselor is satisfied if—

(A) The institution is a member of a national collegiate athletic association;

(B) The association compiles data on behalf of its member institutions, which data the Secretary determines are substantially comparable to those required by § 668.48(a); and

(C) The association distributes the compilation to all secondary schools in the United States.

(2) By July 1 of each year, an institution must submit to the Secretary the report produced pursuant to § 668.48.

(g) *Enrolled students, prospective students, and the public—report on athletic program participation rates and financial support data.* (1)(i) An institution of higher education subject to § 668.47 must, not later than October 15 of each year, make available to enrolled students, prospective students, and the public, the report produced pursuant to § 668.47(c). An institution of higher education that requires students receiving title IV Federal student aid to accept or agree to a pre-dispute arbitration agreement and/or a class action waiver as a condition of enrollment must make available to enrolled students, prospective students, and the public, a written (electronic) plain language disclosure of those conditions of enrollment. This plain language disclosure also must state that: The school cannot require the borrower to participate in arbitration or any internal dispute resolution process offered by the institution prior to filing a borrower defense to repayment application with the Department pursuant to § 685.206(e); the school cannot, in any way, require students to limit, relinquish, or waive their ability to pursue filing a borrower defense claim, pursuant to § 685.206(e) at any time; and any arbitration, required by a pre-dispute arbitration agreement, tolls the limitations period for filing a borrower defense to repayment application pursuant to § 685.206(e)(6)(ii).

(ii) All statements in the plain language disclosure must be in 12-point font on the institution's admissions information web page and in the admissions section of the institution's catalogue. The institution may not rely solely on an intranet website for the purpose of providing this notice to prospective students or the public.

§ 668.44 Availability of employees for information dissemination purposes.

(a) *Availability.* (1) Except as provided in paragraph (b) of this section each institution shall designate an employee or group of employees who shall be available on a full-time basis to assist enrolled or prospective students in obtaining the information specified in §§ 668.42, 668.43, 668.45 and 668.46.

(2) If the institution designates one person, that person shall be available, upon reasonable notice, to any enrolled or prospective student throughout the normal administrative working hours of that institution.

(3) If more than one person is designated, their combined work schedules must be arranged so that at least one of them is available, upon reasonable notice, throughout the normal administrative working hours of that institution.

(b) *Waiver.* (1) the Secretary may waive the requirement that the employee or group of employees designated under paragraph (a) of this section be available on a full-time basis if the institution's total enrollment, or the portion of the enrollment participating in the title IV, HEA programs, is too small to necessitate an employee or group of employees being available on a full-time basis.

(2) In determining whether an institution's total enrollment or the number of title IV, HEA program recipients is too small, the Secretary considers whether there will be an insufficient demand for information dissemination

services among its enrolled or prospective students to necessitate the full-time availability of an employee or group of employees.

(3) To receive a waiver, the institution shall apply to the Secretary at the time and in the manner prescribed by the Secretary.

(c) The granting of a waiver under paragraph (b) of this section does not exempt an institution from designating a specific employee or group of employees to carry out on a part-time basis the information dissemination requirements.

§ 668.45 Information on completion or graduation rates.

(a)(1) An institution annually must prepare the completion or graduation rate of its certificate- or degree-seeking, first-time, full-time undergraduate students, as provided in paragraph (b) of this section.

(2) An institution that determines that its mission includes providing substantial preparation for students to enroll in another eligible institution must prepare the transfer-out rate of its certificate- or degree-seeking, first-time, full-time undergraduate students, as provided in paragraph (c) of this section.

(3)(i) An institution that offers a predominant number of its programs based on semesters, trimesters, or quarters must base its completion or graduation rate, retention rate, and, if applicable, transfer-out rate calculations, on the cohort of certificate- or degree-seeking, first-time, full-time undergraduate students who enter the institution during the fall term of each year.

(ii) An institution not covered by the provisions of paragraph (a)(3)(i) of this section must base its completion or graduation rate, retention rate, and, if applicable, transfer-out rate calculations, on the cohort of certificate- or degree-seeking, first-time, full-time undergraduate students who enter the institution between September 1 of one year and August 31 of the following year.

(4)(i) An institution covered by the provisions of paragraph (a)(3)(i) of this section must count as an entering student a first-time undergraduate student who is enrolled as of October 15, the end of the institution's drop-add period, or another official reporting date as defined in § 668.41(a).

(ii) An institution covered by paragraph (a)(3)(ii) of this section must count as an entering student a first-time undergraduate student who is enrolled for at least—

(A) 15 days, in a program of up to, and including, one year in length; or

(B) 30 days, in a program of greater than one year in length.

(5) An institution must make available its completion or graduation rate and, if applicable, transfer-out rate, no later than the July 1 immediately following the 12-month period ending August 31 during which 150 percent of the normal time for completion or graduation has elapsed for all of the students in the group on which the institution bases its completion or graduation rate and, if applicable, transfer-out rate calculations.

(6)(i) Completion or graduation rate information must be disaggregated by gender, by each major racial and ethnic subgroup (as defined in IPEDS), by recipients of a Federal Pell Grant, by recipients of a Federal Family Education Loan or a Federal Direct Loan (other than an Unsubsidized Stafford Loan made under the Federal Family Education Loan Program or a Federal Direct Unsubsidized Stafford Loan) who did not receive a Federal Pell Grant, and by recipients of neither a Federal Pell Grant nor a Federal Family Education Loan or a Federal Direct Loan (other than an Unsubsidized Stafford Loan made under the Federal Family Education Loan Program or a Federal Direct Unsubsidized Loan) if the number of students in such group or with such status is sufficient to yield statistically reliable information and reporting will not reveal personally identifiable information about an individual student. If such number is not sufficient for such purpose, *i.e.*, is too small to be meaningful, then the institution shall note that the institution enrolled too few of such students to so disclose

or report with confidence and confidentiality.

(ii) With respect to the requirement in paragraph (a)(6)(i) of this section to disaggregate the completion or graduation rate information by the receipt or nonreceipt of Federal student aid, students shall be considered to have received the aid in question only if they received such aid for the period specified in paragraph (a)(3) of this section.

(iii) The requirement in paragraph (a)(6)(i) of this section shall not apply to two-year, degree-granting institutions of higher education until academic year 2011–2012.

(b) In calculating the completion or graduation rate under paragraph (a)(1) of this section, an institution must count as completed or graduated—

(1) Students who have completed or graduated by the end of the 12-month period ending August 31 during which 150 percent of the normal time for completion or graduation from their program has lapsed; and

(2) Students who have completed a program described in § 668.8(b)(1)(ii), or an equivalent program, by the end of the 12-month period ending August 31 during which 150 percent of normal time for completion from that program has lapsed.

(c) In calculating the transfer-out rate under paragraph (a)(2) of this section, an institution must count as transfers-out students who by the end of the 12-month period ending August 31 during which 150 percent of the normal time for completion or graduation from the program in which they were enrolled has lapsed, have not completed or graduated but have subsequently enrolled in any program of an eligible institution for which its program provided substantial preparation.

(d) For the purpose of calculating a completion or graduation rate and a transfer-out rate, an institution may—

(1) Exclude students who—

(i) Have left school to serve in the Armed Forces;

(ii) Have left school to serve on official church missions;

(iii) Have left school to serve with a foreign aid service of the Federal Government, such as the Peace Corps;

(iv) Are totally and permanently disabled; or

(v) Are deceased.

(2) In cases where the students described in paragraphs (d)(1)(i) through (iii) of this section represent 20 percent or more of the certificate- or degree-seeking, full-time, undergraduate students at the institution, recalculate the completion or graduation rates of those students by adding to the 150 percent time-frame they normally have to complete or graduate, as described in paragraph (b) of this section, the time period the students were not enrolled due to their service in the Armed Forces, on official church missions, or with a recognized foreign aid service of the Federal Government.

(e)(1) The Secretary grants a waiver of the requirements of this section dealing with completion and graduation rate data to any institution that is a member of an athletic association or conference that has voluntarily published completion or graduation rate data, or has agreed to publish data, that the Secretary determines are substantially comparable to the data required by this section.

(2) An institution that receives a waiver of the requirements of this section must still comply with the requirements of § 668.41(d)(3) and (f).

(3) An institution, or athletic association or conference applying on behalf of an institution, that seeks a waiver under paragraph (e)(1) of this section must submit a written application to the Secretary that explains why it believes the data the athletic association or conference publishes are accurate and substantially comparable to the information required by this section.

(f) In addition to calculating the completion or graduation rate required by paragraph (a)(1) of this section, an institution may, but is not required to—

(1) Calculate a completion or graduation rate for students who transfer into the institution;

(2) Calculate a completion or graduation rate for students described in paragraphs (d)(1)(i) through (iv) of this section; and

(3) Calculate a transfer-out rate as specified in paragraph (c) of this section, if the institution determines that its mission does not include providing

substantial preparation for its students to enroll in another eligible institution.

 - (2) *All reported crimes must be recorded.*
 - (i) An institution must include in its crime statistics all crimes listed in paragraph (c)(1) of this section occurring on or within its Clery geography that are reported to a campus security authority for purposes of Clery Act reporting. Clery Act reporting does not require initiating an investigation or disclosing personally identifying information about the victim, as defined in section 40002(a)(20) of the Violence Against Women Act of 1994 (42 U.S.C. 13925(a)(20)).

port is false or baseless and therefore “unfounded.” Only sworn or commissioned law enforcement personnel may “unfound” a crime report for purposes of reporting under this section. The recovery of stolen property, the low value of stolen property, the refusal of the victim to cooperate with the prosecution, and the failure to make an arrest do not “unfound” a crime report.

(A) An institution must report to the Department and disclose in its annual security report statistics the total number of crime reports listed in paragraph (c)(1) of this section that were “unfounded” and subsequently withheld from its crime statistics pursuant to paragraph (c)(2)(iii) of this section during each of the three most recent calendar years.

(iv) An institution must compile the crime statistics for dating violence, domestic violence, and stalking using the definitions provided in paragraph (a) of this section.

(v) In counting crimes when more than one offense was committed during a single incident, an institution must conform to the requirements of the Hierarchy Rule in the "Summary Reporting System (SRS) User Manual."

(vi) If arson is committed, an institution must always record the arson in its statistics, regardless of whether or not it occurs in the same incident as another crime.

(ii) If the institution makes such a reasonable, good-faith effort, it is not responsible for the failure of the local or State police agency to supply the required statistics.

(d) *Separate campus.* An institution must comply with the requirements of this section for each separate campus.

(e) *Timely warning and emergency notification.* (1) An institution must, in a

manner that is timely and that withholds as confidential the names and other identifying information of victims, as defined in section 40002(a)(20) of the Violence Against Women Act of 1994 (42 U.S.C. 13925(a)(20)), and that will aid in the prevention of similar crimes, report to the campus community on crimes that are—

(iii) Considered by the institution to represent a threat to students and employees.

(2) An institution is not required to provide a timely warning with respect to crimes reported to a pastoral or professional counselor.

(3) If there is an immediate threat to the health or safety of students or employees occurring on campus, as described in paragraph (g)(1) of this section, an institution must follow its emergency notification procedures. An institution that follows its emergency notification procedures is not required to issue a timely warning based on the same circumstances; however, the institution must provide adequate follow-up information to the community as needed.

(2) The institution must make an entry or an addition to an entry to the log within two business days, as defined under paragraph (a) of this section, of the report of the information

to the campus police or the campus security department, unless that disclosure is prohibited by law or would jeopardize the confidentiality of the victim.

(3)(i) An institution may withhold information required under paragraphs (f)(1) and (2) of this section if there is clear and convincing evidence that the release of the information would—

(A) Jeopardize an ongoing criminal investigation or the safety of an individual;

(B) Cause a suspect to flee or evade detection; or

(C) Result in the destruction of evidence.

(ii) The institution must disclose any information withheld under paragraph (f)(3)(i) of this section once the adverse effect described in that paragraph is no longer likely to occur.

(4) An institution may withhold under paragraph (f)(2) and (3) of this section only that information that would cause the adverse effects described in those paragraphs.

(5) The institution must make the crime log for the most recent 60-day period open to public inspection during normal business hours. The institution must make any portion of the log older than 60 days available within two business days of a request for public inspection.

(g) *Emergency response and evacuation procedures.* An institution must include a statement of policy regarding its emergency response and evacuation procedures in the annual security report. This statement must include—

(3) A statement that the institution will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency;

(4) A list of the titles of the person or persons or organization or organizations responsible for carrying out the actions described in paragraph (g)(2) of this section;

(2) If the applicant does not provide to the institution the requested documentation and, if necessary, a valid SAR or the institution does not receive a valid ISIR, within the additional time period referenced in paragraph (c)(1) of this section, the applicant—

(i) Forfeits the Federal Pell Grant for the award year; and

(ii) Must return any Federal Pell Grant payments previously received for that award year.

(d) The Secretary may determine not to process FAFSA information of an applicant who has been requested to provide documentation until the applicant provides the documentation or the Secretary decides that there is no longer a need for the documentation.

(e) If an applicant selected for verification for an award year dies before the deadline for completing verification without completing that process, the institution may not—

(1) Make any further disbursements on behalf of that applicant;

(2) Originate that applicant's Direct Subsidized Loan, or disburse that applicant's Direct Subsidized Loan proceeds; or

(3) Consider any funds it disbursed to that applicant under § 668.58(a)(2) as an overpayment.

(Authority: 20 U.S.C. 1094)

§ 668.61 Recovery of funds from interim disbursements.

(a) If an institution discovers, as a result of verification, that an applicant received under § 668.58(a)(2)(i)(B) more financial aid than the applicant was eligible to receive, the institution must eliminate the Federal Pell Grant, Federal Perkins Loan, or FSEOG overpayment by—

(1) Adjusting subsequent disbursements in the award year in which the overpayment occurred; or

(2) Reimbursing the appropriate program account by—

(i) Requiring the applicant to return the overpayment to the institution if the institution cannot correct the overpayment under paragraph (a)(1) of this section; or

(ii) Making restitution from its own funds, by the earlier of the following dates, if the applicant does not return the overpayment:

(A) Sixty days after the applicant's last day of attendance.

(B) The last day of the award year in which the institution disbursed Federal Pell Grant, Federal Perkins Loan, or FSEOG Program funds to the applicant.

(b) If an institution discovers, as a result of verification, that an applicant received under § 668.58(a)(2)(ii) more financial aid than the applicant was eligible to receive, the institution must eliminate the FWS overpayment by—

(1) Adjusting the applicant's other financial aid; or

(2) Reimbursing the FWS program account by making restitution from its own funds, if the institution cannot correct the overpayment under paragraph (b)(1) of this section. The applicant must still be paid for all work performed under the institution's own payroll account.

(c) If an institution disbursed subsidized student financial assistance to an applicant under § 668.58(a)(3), and did not receive the valid SAR or valid ISIR

reflecting corrections within the deadlines established under § 668.60, the institution must reimburse the appropriate program account by making restitution from its own funds. The applicant must still be paid for all work performed under the institution's own payroll account.

(c) This subpart does not apply to a determination that—

(1) An institution or any of its locations or educational programs fails to qualify for initial designation as an eligible institution, location, or educational program because the institution, location, or educational program fails to satisfy the statutory and regulatory provisions that define an eligible institution or educational program with respect to the Title IV, HEA program for which a designation of eligibility is sought;

§ 668.82 Standard of conduct.

(a) A participating institution or a third-party servicer that contracts with that institution acts in the nature of a fiduciary in the administration of the Title IV, HEA programs. To participate in any Title IV, HEA program, the institution or servicer must at all times act with the competency and integrity necessary to qualify as a fiduciary.

(b) In the capacity of a fiduciary—

(1) A participating institution is subject to the highest standard of care and diligence in administering the programs and in accounting to the Secretary for the funds received under those programs; and

(2) A third-party servicer is subject to the highest standard of care and diligence in administering any aspect of the programs on behalf of the institutions with which the servicer contracts and in accounting to the Secretary and those institutions for any funds administered by the servicer under those programs.

(c) The failure of a participating institution or any of the institution's third-party servicers to administer a Title IV, HEA program, or to account for the funds that the institution or servicer receives under that program, in accordance with the highest standard of care and diligence required of a fiduciary, constitutes grounds for—

(1) An emergency action against the institution, a fine on the institution, or the limitation, suspension, or termination of the institution's participation in that program; or

(2) An emergency action against the servicer, a fine on the servicer, or the limitation, suspension, or termination of the servicer's eligibility to contract with any institution to administer any aspect of the institution's participation in that program.

(d)(1) A participating institution or a third-party servicer with which the institution contracts violates its fiduciary duty if—

(i)(A) The servicer has been convicted of, or has pled *nolo contendere* or guilty to, a crime involving the acquisition, use, or expenditure of Federal, State, or local government funds, or has been administratively or judicially determined to have committed fraud or any

other material violation of law involving those funds;

(B) A person who exercises substantial control over the servicer, as determined according to § 668.15, has been convicted of, or has pled *nolo contendere* or guilty to, a crime involving the acquisition, use, or expenditure of Federal, State, or local government funds, or has been administratively or judicially determined to have committed fraud or any other material violation of law involving those funds;

(C) The servicer employs a person in a capacity that involves the administration of Title IV, HEA programs or the receipt of Title IV, HEA program funds who has been convicted of, or has pled *nolo contendere* or guilty to, a crime involving the acquisition, use, or expenditure of Federal, State, or local government funds, or who has been administratively or judicially determined to have committed fraud or any other material violation of law involving those funds; or

(D) The servicer uses or contracts in a capacity that involves any aspect of the administration of the Title IV, HEA programs with any other person, agency, or organization that has been or whose officers or employees have been—

(1) Convicted of, or pled *nolo contendere* or guilty to, a crime involving the acquisition, use, or expenditure of Federal, State, or local government funds; or

(2) Administratively or judicially determined to have committed fraud or any other material violation of law involving Federal, State, or local government funds; and

(ii) Upon learning of a conviction, plea, or administrative or judicial determination described in paragraph (d)(1)(i) of this section, the institution or servicer, as applicable, does not promptly remove the person, agency, or organization from any involvement in the administration of the institution's participation in Title IV, HEA programs, or, as applicable, the removal or elimination of any substantial control, as determined according to § 668.15, over the servicer.

(2) A violation for a reason contained in paragraph (d)(1) of this section is grounds for terminating—

(i) The servicer's eligibility to contract with any institution to administer any aspect of the institution's participation in a Title IV, HEA program; and

(ii) The participation in any Title IV, HEA program of any institution under whose contract the servicer committed the violation, if that institution had been aware of the violation and had failed to take the appropriate action described in paragraph (d)(1)(ii) of this section.

(e)(1) A participating institution or third-party servicer, as applicable, violates its fiduciary duty if—

(i)(A) The institution or servicer, as applicable, is debarred or suspended under Executive Order (E.O.) 12549 (3 CFR, 1986 Comp., p. 189) or the Federal Acquisition Regulations (FAR), 48 CFR part 9, subpart 9.4; or

(B) Cause exists under 2 CFR 180.700 or 180.800, as both those sections are adopted at 2 CFR 3485.12, for debarment or suspending the institution, servicer, or any principal or affiliate of the institution or servicer under E.O. 12549 (3 CFR, 1986 Comp., p. 189) or the FAR, 48 CFR part 9, subpart 9.4; and

(ii) Upon learning of the debarment, suspension, or cause for debarment or suspension, the institution or servicer, as applicable, does not promptly—

(B) Remove the principal from responsibility for any aspect of the administration of an institution's or servicer's participation in the Title IV, HEA programs.

(2) A violation for a reason contained in paragraph (e)(1) of this section is grounds for terminating—

(i) The institution's participation in any Title IV, HEA program; and

(ii) The servicer's eligibility to contract with any institution to administer any aspect of the institution's participation in any Title IV, HEA program. The violation is also grounds for terminating, under this subpart, the participation in any Title IV, HEA program of any institution under whose contract the servicer committed the violation, if that institution knew or should have known of the violation.

(f)(1) The debarment of a participating institution or third-party servicer, as applicable, under E.O. 12549

§ 668.83

(3 CFR, 1986 Comp., p. 189) or the FAR, 48 CFR part 9, subpart 9.4, or another Federal agency from participation in Federal programs, under the procedures described in 2 CFR 3485.612(d) terminates, for the duration of the debarment—

(i) The institution's participation in any Title IV, HEA program; and

(ii) The servicer's eligibility to contract with any institution to administer any aspect of the institution's participation in any Title IV, HEA program.

(2)(i) The suspension of a participating institution or third-party servicer, as applicable, under E.O. 12549 (3 CFR, 1986 Comp., p. 189) or the FAR, 48 CFR part 9, subpart 9.4, or another Federal agency from participation in Federal programs, under the procedures described in 2 CFR 3485.612(d), suspends—

(A) The institution's participation in any Title IV, HEA program; and

(B) The servicer's eligibility to contract with any institution to administer any aspect of the institution's participation in any Title IV, HEA program.

(ii) A suspension described in paragraph (f)(2) of this section lasts for a period of 60 days, beginning on the effective date specified in the notice by the Secretary under 2 CFR 3485.612(c), unless—

(A) The institution or servicer, as applicable, and the Secretary, agree to an extension of the suspension; or

(B) The Secretary begins a limitation or termination proceeding against the institution or servicer, as applicable, under this subpart before the 60th day of the suspension.

(3) A debarment or suspension not described in (f)(1) or (f)(2) of this section of a participating institution or third-party servicer by another Federal agency constitutes *prima facie* evidence in a proceeding under this subpart that cause for suspension or de-

barment and termination, as applicable, exists.

§ 668.83 Emergency action.

(a) Under an emergency action, the Secretary may—

(1) Withhold Title IV, HEA program funds from a participating institution or its students, or from a third-party servicer, as applicable;

(2)(i) Withdraw the authority of the institution or servicer, as applicable, to commit, disburse, deliver, or cause the commitment, disbursement, or delivery of Title IV, HEA program funds; or

(ii) Withdraw the authority of the institution or servicer, as applicable, to commit, disburse, deliver, or cause the commitment, disbursement, or delivery of Title IV, HEA program funds except in accordance with a particular procedure; and

(3)(i) Withdraw the authority of the servicer to administer any aspect of any institution's participation in any Title IV, HEA program; or

(ii) Withdraw the authority of the servicer to administer any aspect of any institution's participation in any Title IV, HEA program except in accordance with a particular procedure.

(b)(1) An initiating official begins an emergency action against an institution or third-party servicer by sending the institution or servicer a notice by registered mail, return receipt requested. In an emergency action against a third-party servicer, the official also sends the notice to each institution that contracts with the servicer. The official also may transmit the notice by other, more expeditious means if practical.

(2) The emergency action takes effect on the date the initiating official mails the notice to the institution or servicer, as applicable.

(3) The notice states the grounds on which the emergency action is based, the consequences of the emergency action, and that the institution or

servicer, as applicable, may request an opportunity to show cause why the emergency action is unwarranted.

(c)(1) An initiating official takes emergency action against an institution or third-party servicer only if that official—

(i) Receives information, determined by the official to be reliable, that the institution or servicer, as applicable, is violating any statutory provision of or applicable to Title IV of the HEA, any regulatory provision prescribed under that statutory authority, or any applicable special arrangement, agreement, or limitation entered into under the authority of statutes applicable to Title IV of the HEA;

(ii) Determines that immediate action is necessary to prevent misuse of Title IV, HEA program funds; and

(iii) Determines that the likelihood of loss from that misuse outweighs the importance of awaiting completion of any proceeding that may be initiated to limit, suspend, or terminate, as applicable—

(A) The participation of the institution in one or more Title IV, HEA programs; or

(B) The eligibility of the servicer to contract with any institution to administer any aspect of the institution's participation in a Title IV, HEA program.

(2) Examples of violations of a Title IV, HEA program requirement that cause misuse and the likely loss of Title IV, HEA program funds include—

(i) Causing the commitment, disbursement, or delivery by any party of Title IV, HEA program funds in an amount that exceeds—

(A) The amount for which students are eligible; or

(B) The amount of principal, interest, or special allowance payments that would have been payable to the holder of a Federal Stafford or Federal PLUS loan if a refund allocable to that loan had been made in the amount and at the time required;

(ii) Using, offering to make available, or causing the use or availability of Title IV, HEA program funds for educational services if—

(A) The institution, servicer, or agents of the institution or servicer have made a substantial misrepresenta-

tation as described in §§ 668.72, 668.73, or 668.74 related to those services;

(B) The institution lacks the administrative or financial ability to provide those services in full; or

(C) The institution, or servicer, as applicable, lacks the administrative or financial ability to make all required payments under § 668.22; and

(iii) Engaging in fraud involving the administration of a Title IV, HEA program. Examples of fraud include—

(A) Falsification of any document received from a student or pertaining to a student's eligibility for assistance under a Title IV, HEA program;

(B) Falsification, including false certifications, of any document submitted by the institution or servicer to the Secretary;

(C) Falsification, including false certifications, of any document used for or pertaining to—

(1) The legal authority of an institution to provide postsecondary education in the State in which the institution is located; or

(2) The accreditation or preaccreditation of an institution or any of the institution's educational programs or locations;

(D) Falsification, including false certifications, of any document submitted to a guaranty agency under the Federal Stafford Loan or Federal PLUS programs or an independent auditor;

(E) Falsification of any document submitted to a third-party servicer by an institution or to an institution by a third-party servicer pertaining to the institution's participation in a Title IV, HEA program; and

(F) Falsification, including false certifications, of any document pertaining to the performance of any loan collection activity, including activity that is not required by the HEA or applicable program regulations.

(3) If the Secretary begins an emergency action against a third-party servicer, the Secretary may also begin an emergency action against any institution under whose contract a third-party servicer commits the violation.

(d)(1) Except as provided in paragraph (d)(2) of this section, after an emergency action becomes effective, an institution or third-party servicer, as applicable, may not—

(i) Make or increase awards or make other commitments of aid to a student under the applicable Title IV, HEA program;

(ii) Disburse either program funds, institutional funds, or other funds as assistance to a student under that Title IV, HEA program;

(iii) In the case of an emergency action pertaining to participation in the Federal Stafford Loan or Federal PLUS programs—

(A) Certify an application for a loan under that program;

(B) Deliver loan proceeds to a student under that program; or

(C) Retain the proceeds of a loan made under that program that are received after the emergency action takes effect; or

(iv) In the case of an emergency action against a third-party servicer, administer any aspect of any institution's participation in any Title IV, HEA program.

(2) If the initiating official withdraws, by an emergency action, the authority of the institution or servicer to commit, disburse, deliver, or cause the commitment, disbursement, or delivery of Title IV, HEA program funds, or the authority of the servicer to administer any aspect of any institution's participation in any Title IV, HEA program, except in accordance with a particular procedure specified in the notice of emergency action, the institution or servicer, as applicable, may not take any action described in paragraph (d)(1) of this section except in accordance with the procedure specified in the notice.

(e)(1) Upon request by the institution or servicer, as applicable, the Secretary provides the institution or servicer, as soon as practicable, with an opportunity to show cause that the emergency action is unwarranted or should be modified.

(2) An opportunity to show cause consists of an opportunity to present evidence and argument to a show-cause official. The initiating official does not act as the show-cause official for any emergency action that the initiating official has begun. The show-cause official is authorized to grant relief from the emergency action. The institution or servicer may make its presentation

in writing or, upon its request, at an informal meeting with the show-cause official.

(3) The show-cause official may limit the time and manner in which argument and evidence may be presented in order to avoid unnecessary delay or the presentation of immaterial, irrelevant, or repetitious matter.

(4) The institution or servicer, as applicable, has the burden of persuading the show-cause official that the emergency action imposed by the notice is unwarranted or should be modified because—

(i) The grounds stated in the notice did not, or no longer, exist;

(ii) The grounds stated in the notice will not cause loss or misuse of Title IV, HEA program funds; or

(iii) The institution or servicer, as applicable, will use procedures that will reliably eliminate the risk of loss from the misuse described in the notice.

(5) The show-cause official continues, modifies, or revokes the emergency action promptly after consideration of any argument and evidence presented by the institution or servicer, as applicable, and the initiating official.

(6) The show-cause official notifies the institution or servicer, as applicable, of that official's determination promptly after the completion of the show-cause meeting or, if no meeting is requested, after the official receives all the material submitted by the institution in opposition to the emergency action. In the case of a notice to a third-party servicer, the official also notifies each institution that contracts with the servicer of that determination. The show-cause official may explain that determination by adopting or modifying the statement of reasons provided in the notice of emergency action.

(f)(1) An emergency action does not extend more than 30 days after initiated unless the Secretary initiates a limitation, suspension, or termination proceeding under this part or under 34 CFR part 600 against the institution or servicer, as applicable, within that 30-day period, in which case the emergency action continues until a final decision is issued in that proceeding, as provided in § 668.91(c), as applicable.

(2) Until a final decision is issued by the Secretary in a proceeding described in paragraph (f)(1) of this section, any action affecting the emergency action is at the sole discretion of the initiating official, or, if a show-cause proceeding is conducted, the show-cause official.

(3) If an emergency action extends beyond 180 days by virtue of paragraph (f)(1) of this section, the institution or servicer, as applicable, may then submit written material to the show-cause official to demonstrate that because of facts occurring after the later of the notice by the initiating official or the show-cause meeting, continuation of the emergency action is unwarranted and the emergency action should be modified or ended. The show-cause official considers any written material submitted and issues a determination that continues, modifies, or revokes the emergency action.

(g) The expiration of an emergency action, or its modification or revocation by the show-cause official, does not bar subsequent emergency action on a ground other than one specifically identified in the notice imposing the prior emergency action. Separate grounds may include violation of an agreement or limitation imposed or resulting from the prior emergency action.

(ii) Specifies the proposed effective date of the fine, which is at least 20 days from mailing of the notice of intent;

(iii) Informs the institution or servicer that the fine will not be effective on the date specified in the notice if the designated department official receives from the institution or servicer, as applicable, by that date a written request for a hearing or written material indicating why the fine should not be imposed; and

- (ii) The fine is imposed as of a specified date, and in a specified amount.

(3) If the institution or servicer requests a hearing by the time specified in paragraph (b)(1)(iii) of this section, the designated department official transmits the request for hearing and response to the Office of Hearings and Appeals, which sets the date and the place. The date is at least 15 days after the designated department official receives the request.

(4) A hearing official conducts a hearing in accordance with § 668.89.

- (iv) In the case of a suspension proceeding against a third-party servicer, informs each institution that contracts

with the servicer of the consequences of the action to the institution.

(2) If the institution or servicer does not request a hearing, but submits written material, the designated department official, after considering that material, notifies the institution or, in the case of a third-party servicer, the servicer and each institution that contracts with the servicer that—

(i) The proposed suspension is dismissed; or

(ii) The suspension is effective as of a specified date.

(i) Violates any statutory provision of or applicable to Title IV of the HEA, any regulatory provision prescribed under that statutory authority, or any applicable special arrangement, agreement, or limitation entered into under the authority of statutes applicable to Title IV of the HEA; or

(ii) Substantially misrepresents the nature of—

(A) In the case of an institution, its educational program, its financial charges, or the employability of its graduates; or

(B) In the case of a third-party servicer, as applicable, the educational program, financial charges, or employability of the graduates of any institution that contracts with the servicer.

(b) *Procedures.* (1) A designated department official begins a limitation or termination proceeding by sending an institution or third-party servicer a notice by certified mail, return receipt requested. In the case of a limitation or termination proceeding against a third-party servicer, the official also sends the notice to each institution that contracts with the servicer. The designated department official may also transmit the notice by other, more expeditious means if practical. This notice—

(i) Informs the institution or servicer of the intent of the Secretary to limit or terminate the institution's participation or servicer's eligibility, as applicable, cites the consequences of that action, and identifies the alleged violations that constitute the basis for the action, and, in the case of a limitation proceeding, states the limits to be imposed;

(ii) Specifies the proposed effective date of the limitation or termination, which is at least 20 days after the date of mailing of the notice of intent;

(iii) Informs the institution or servicer that the limitation or termination will not be effective on the date specified in the notice if the designated department official receives from the institution or servicer, as applicable, by that date a request for a hearing or

(2) If the institution or servicer does not request a hearing but submits written material, the designated department official, after considering that material, notifies the institution or, in the case of a third-party servicer, the servicer and each institution that contracts with the servicer that—

(i) The proposed action is dismissed;

(ii) Limitations are effective as of a specified date; or

(iii) The termination is effective as of a specified date.

(3) If the institution or servicer requests a hearing by the time specified in paragraph (b)(1)(iii) of this section, the designated department official transmits the request for hearing and response to the Office of Hearings and Appeals, which sets the date and place. The date is at least 15 days after the designated department official receives the request. The limitation or termination does not take place until after the requested hearing is held.

(4) A hearing official conducts a hearing in accordance with § 668.89.

(c) *Epedited proceeding.* With the approval of the hearing official and the consent of the designated department official and the institution or servicer, as applicable, any time schedule specified in this section may be shortened.

§ 668.87 Borrower defense and recovery proceedings.

(a) *Procedures.* (1) A designated department official begins a borrower defense and recovery proceeding against an institution by sending the institution a notice by certified mail, return receipt requested. This notice—

(i) Informs the institution of the Secretary's intent—

(A) To determine the validity of borrower defense claims on behalf of a

group under § 685.222(h), to demonstrate the validity of borrower defense claims already approved, or both, as applicable; and

(B) To recover from the institution by offset, by claim on a letter of credit or other protection provided by the institution, or otherwise, for losses on account of borrower defense claims asserted on behalf of the group and borrower defense claims already approved, as applicable;

(ii) Includes a statement of facts and law sufficient to show that the Department is entitled to grant any borrower defense relief asserted within the statement, and recover for the amount of losses to the Secretary caused by the granting of such relief;

(iii) Specifies the date on which the Secretary intends to take action to recover the amount of losses arising from the granting of such relief, which date will be at least 20 days from mailing of the notice of intent and informs the institution that the Secretary will not take action to recover the amount of such loss on the date specified if the designated department official receives, by that date, a written response from the institution indicating why the Secretary should not recover. The notice shall also inform the institution that if it wishes to request a hearing pursuant to this subpart, the institution must include such a request with its written response; and

(iv) Informs the institution whether the designated Department official intends to proceed with—

(A) A single action; or

(B) An action in two phases—

(1) The determination whether the institution's act or omission gave rise to valid borrower defense claims; and

(2) The determination of the amount of borrower defense relief.

(2) Although the hearing official shall have the discretion to bifurcate proceedings with, or without, a motion of either party, any decision by the designated department official to bifurcate the proceeding in accordance with paragraph (a)(1)(iv)(B) of this section may only be modified on motion with good cause shown.

(3) A hearing official conducts a hearing in accordance with § 668.89.

(b) *Effect of a response by the institution.* (1) If the institution submits a written response, but does not therein request a hearing, the designated department official, after considering that material, notifies the institution whether the Secretary will take the proposed recovery action for borrower defense claims and, if so, the date of such action and the amount of losses.

(2) If the institution submits a response and requests a hearing by the time specified in the notice under paragraph (a)(1)(iii) of this section, the designated department official may, in that official's sole discretion, withdraw the notice or transmit the response and request for hearing to the Office of Hearings and Appeals, which sets the date and the place for the hearing. The date of the hearing is at least 15 days after the designated department official receives the request. No liability shall be imposed on the institution prior to the hearing.

(c) *Limitations on participation.* The parties in any borrower defense and recovery proceeding are the Department and the institution(s) against which the Department seeks to recover losses caused to the Department as a result of borrower defense relief. Borrowers are not permitted to intervene or appear in this proceeding, either on their own behalf or on behalf of any purported group, except as witnesses put forth by either party. However, nothing in this section limits the rights available to borrowers under other regulations, including 34 CFR 685.206 and 685.222.

(d) *Effect on the borrower.* No proceeding under this subpart imposes liability on any borrower who has already obtained a discharge in an individual proceeding under 34 CFR 685.206(c) or 34 CFR 685.222(e). A borrower defense and recovery proceeding may determine whether and how much relief is due to, and whether and how much of a loan remains owing by, a borrower participating in a group process proceeding as defined in 34 CFR 685.222(f) through (h).

§ 668.88 Prehearing conference and motion practice.

(a) A hearing official may convene a prehearing conference if he or she thinks that the conference would be useful, or if the conference is requested by—

(1) The designated department official who brought a proceeding against an institution or third-party servicer under this subpart; or

(2) The institution or servicer, as applicable.

(b) The purpose of a prehearing conference is to allow the parties to settle or narrow the dispute.

(c) If the hearing official, the designated department official, and the institution, or servicer, as applicable, agree, a prehearing conference may consist of—

(1) A conference telephone call;

(2) An informal meeting; or

(3) The submission and exchange of written material.

(d) A non-dispositive motion shall be made, if at all, consistent with any procedures set forth by the hearing official. In the absence of such procedures, non-dispositive motions shall be permitted, and responses to such motions shall be permitted though not required.

(e)(1) A party may make a motion for summary disposition asserting that the undisputed facts, admissions, affidavits, stipulations, documentary evidence, matters as to which official notice may be taken, and any other evidentiary materials properly submitted in connection with a motion for summary disposition establish that—

(i) There is no genuine issue as to any material fact; and

(ii) The moving party is entitled to a decision in its favor as a matter of law.

(2) A motion for summary disposition must be accompanied by a statement of the material facts as to which the moving party contends there is no genuine issue. Such motion must be supported by evidence that the moving party contends support his or her position. The motion must be accompanied by a brief containing the points and authorities supporting the motion.

Any party may oppose such a motion by filing a response setting forth those material facts as to which he or she

contends a genuine dispute exists. Such response must be supported by evidence of the same type as may be submitted in support of a motion for summary disposition and a brief containing the points and authorities in support of the contention that summary disposition would be inappropriate.

(f) A motion under consideration by the Secretary or the hearing official shall not stay proceedings before the hearing official unless the Secretary or the hearing official, as appropriate, so orders.

§ 668.89 Hearing.

(a) A hearing is an orderly presentation of arguments and evidence conducted by a hearing official. At the discretion of the hearing official, any right to a hearing may be satisfied by one or more of the following: Summary disposition pursuant to § 668.88(e), with or without oral argument; an oral evidentiary hearing conducted in person, by telephone, by video conference, or any combination thereof; or a review limited to written evidence.

(b)(1) Notwithstanding any provision to the contrary, the hearing official sets the procedures to be used in the hearing, and may take steps to expedite the proceeding as appropriate.

(2) The formal rules of evidence and procedures applicable to proceedings in a court of law are not applicable. However, discussions of settlement between the parties or the terms of settlement offers are not admissible to prove the validity or invalidity of any claim or defense.

(3)(i) The proponent of any factual proposition has the burden of proof with respect thereto.

(ii) The designated department official has the burden of persuasion in any fine, suspension, limitation, or termination proceeding under this subpart.

(iii) The designated department official has the burden of persuasion in a borrower defense and recovery action; however, for a borrower defense claim based on a substantial misrepresentation under § 682.222(d), the designated department official has the burden of

persuasion regarding the substantial misrepresentation, and the institution has the burden of persuasion in establishing any offsetting value of the education under § 685.222(i)(2)(i).

(4) Discovery, as provided for under the Federal Rules of Civil Procedure, is not permitted.

(5) The hearing official accepts only evidence that is relevant and material to the proceeding and is not unduly repetitious.

(6) The hearing official may restrict the number of witnesses or exclude witnesses to avoid undue delay or presentation of cumulative evidence. Any witness permitted to appear may do so via telephonic, video, or other means, with the approval of the hearing official.

(7) Either party may call qualified expert witnesses. Each party will be limited to calling three expert witnesses, as a matter of right, including any rebuttal or surrebuttal witnesses. Additional expert witnesses shall be allowed only by order of the hearing official, granted only upon a showing of good cause.

(i) At a date set by the hearing official, each party shall serve the other with any report prepared by each of its expert witnesses. Each party shall serve the other party with a list of any rebuttal expert witnesses and a rebuttal report prepared by each such witness not later than 60 days after the deadline for service of expert reports, unless another date is set by the hearing official. A rebuttal report shall be limited to rebuttal of matters set forth in the expert report for which it is offered in rebuttal. If material outside the scope of fair rebuttal is presented, a party may file a motion not later than five days after the deadline for service of rebuttal reports, seeking appropriate relief with the hearing official, including striking all or part of the report, leave to submit a surrebuttal report by the party's own experts, or leave to call a surrebuttal witness and to submit a surrebuttal report by that witness.

(ii) No party may call an expert witness at the hearing unless the party has listed the expert and has provided reports as required by this section.

(iii) Each report shall be signed by the expert and contain a complete statement of all opinions to be expressed and the basis and reasons therefor; the data, materials, or other information considered by the witness in forming the opinions; any exhibits to be used as a summary of or support for the opinions; the qualifications of the witness, including a list of all publications authored or co-authored by the witness within the preceding ten years; the compensation to be paid for the study and testimony; and a listing of any other cases in which the witness has testified or sought to testify as an expert at trial or hearing, or by deposition, within the preceding four years. A rebuttal or surrebuttal report need not include any information already included in the initial report of the witness.

(8)(i) Except as provided in paragraph (b)(8)(ii) of this section, if an institution has been required through compulsory process under section 490A of the HEA or other applicable law to submit to the United States or to the Department material regarding an express or an implied representation, the institution cannot thereafter, in any proceeding under this subpart in which it is alleged that the representation was false, erroneous, or misleading, and for any purpose relating to the defense of such allegation, introduce into the record, either directly or indirectly through references contained in documents or oral testimony, any material of any type that was required to be but was not timely submitted in response to that compulsory process.

(ii) The hearing official shall, upon motion at any stage, exclude all material that was required to be but was not timely submitted in response to a compulsory process described in paragraph (b)(8)(i) of this section, or any reference to such material, unless the institution demonstrates, and the hearing official finds, that by the exercise of due diligence the material could not have been timely submitted in response to the compulsory process, and the institution notified the Department or such other party that issued the order to produce, of the existence of the material immediately upon its discovery.

The hearing official shall specify with particularity the evidence relied upon.

(9) When issues not raised in the notice of proposed action are tried without objection at the hearing, they will be treated in all respects as if they had been raised in the notice of proposed action, and no formal amendments are required.

(c) The hearing official makes a transcribed record of the proceeding and makes a copy of the record available to the designated Department official and to the institution or servicer.

(2) If requested by the hearing official, the parties to a hearing shall provide available personnel who have knowledge about the matter under review for oral or written examination.

§ 668.91 Initial and final decisions.

(a)(1)(i) A hearing official issues a written initial decision in a hearing by certified mail, return receipt requested to—

(A) The designated department official who began a proceeding against an institution or third-party servicer;

(B) The institution or servicer, as applicable; and

(C) In the case of a proceeding against a third-party servicer, each institution that contracts with the servicer.

(ii) The hearing official may also transmit the notice by other, more expeditious means if practical.

(iii) The hearing official issues the decision within the latest of the following dates:

(A) The 30th day after the last submission is filed with the hearing official.

(B) The 60th day after the last submission is filed with the hearing official if the Secretary, upon request of the hearing official, determines that the unusual complexity of the case requires additional time for preparation of the decision.

(C) The 50th day after the last day of the hearing, if the hearing official does not request the parties to make any posthearing submission.

(2)(i) The hearing official's initial decision states whether the imposition of the fine, limitation, suspension, or termination or recovery sought by the designated department official is warranted, in whole or in part. If the designated department official brought a termination action against the institution or servicer, the hearing official may, if appropriate, issue an initial decision to fine the institution or servicer, as applicable, or, rather than terminating the institution's participation or servicer's eligibility, as applicable, impose one or more limitations on the institution's participation or servicer's eligibility.

(ii) In a borrower defense and recovery proceeding conducted in two phases under § 668.87(a)(1)(iv)(B), the hearing official's initial decision determines whether the institution is liable for the act or omission described in the notice of intent to recover, and the hearing

official issues an initial decision on liability only.

(3) Notwithstanding the provisions of paragraph (a)(2) of this section—

(i) If, in a termination action against an institution, the hearing official finds that the institution has violated the provisions of § 668.14(b)(18), the hearing official also finds that termination of the institution's participation is warranted;

(ii) If, in a termination action against a third-party servicer, the hearing official finds that the servicer has violated the provisions of § 668.14(b)(18), the hearing official also finds that termination of the institution's participation or servicer's eligibility is warranted;

(iii) In an action brought against an institution or third-party servicer that involves its failure to provide a letter of credit, or other financial protection under § 668.15 or § 668.171(c) or (d), the hearing official finds that the amount of the letter of credit or other financial protection established by the Secretary under § 668.175 is appropriate, unless the institution demonstrates that the amount was not warranted because—

(A) For financial protection demanded based on events or conditions described in § 668.171(c) or (d), the events or conditions no longer exist, have been resolved, or the institution demonstrates that it has insurance that will cover all potential debts and liabilities that arise from the triggering event or condition. The institution can demonstrate it has insurance that covers risk by presenting the Department with a copy of the insurance policy that makes clear the institution's coverage;

(B) For financial protection demanded based on the grounds identified in § 668.171(d), the action or event does not and will not have a material adverse effect on the financial condition, business, or results of operations of the institution;

(C) The institution has proffered alternative financial protection that provides students and the Department adequate protection against losses resulting from the risks identified by the Secretary. Adequate protection may consist of one or more of the following—

(1) An agreement with the Secretary that a portion of the funds due to the institution under a reimbursement or heightened cash monitoring funding arrangement will be temporarily withheld in such amounts as will meet, no later than the end of a six to 12 month period, the amount of the required financial protection demanded; or

(2) Other form of financial protection specified by the Secretary in a notice published in the FEDERAL REGISTER.

(iv) In a termination action taken against an institution or third-party servicer based on the grounds that the institution or servicer failed to comply with the requirements of § 668.23(c)(3), if the hearing official finds that the institution or servicer failed to meet those requirements, the hearing official finds that the termination is warranted;

(v)(A) In a termination action against an institution based on the grounds that the institution is not financially responsible under § 668.15(c)(1), the hearing official finds that the termination is warranted unless the institution demonstrates that all applicable conditions described in § 668.15(d)(4) have been met; and

(B) In a termination or limitation action against an institution based on the grounds that the institution is not financially responsible—

(1) Upon proof of the conditions in § 668.174(a), the hearing official finds that the limitation or termination is warranted unless the institution demonstrates that all the conditions in § 668.175(h)(2) have been met; and

(2) Upon proof of the conditions in § 668.174(b)(1), the hearing official finds that the limitation or termination is warranted unless the institution demonstrates that all applicable conditions described in § 668.174(b)(2) or § 668.175(h)(2) have been met.

(4) The hearing official bases findings of fact only on evidence considered at the hearing and on matters given judicial notice.

(b)(1) In a suspension proceeding, the Secretary reviews the hearing official's initial decision and issues a final decision within 20 days after the initial decision. The Secretary adopts the initial decision unless it is clearly unsup-

ported by the evidence presented at the hearing.

(2) The Secretary notifies the institution or servicer and, in the case of a suspension proceeding against a third-party servicer, each institution that contracts with the servicer of the final decision. If the Secretary suspends the institution's participation or servicer's eligibility, the suspension takes effect on the later of—

(i) The day that the institution or servicer receives the notice; or

(ii) The date specified in the designated department official's original notice of intent to suspend the institution's participation or servicer's eligibility.

(3) A suspension may not exceed 60 days unless a designated department official begins a limitation or termination proceeding under this subpart before the expiration of that period. In that case, the period may be extended until a final decision is issued in that proceeding according to paragraph (c) of this section.

(c)(1) In a fine, limitation, or termination proceeding, the hearing official's initial decision automatically becomes the Secretary's final decision 30 days after the initial decision is issued and received by both parties unless, within that 30-day period, the institution or servicer, as applicable, or the designated department official appeals the initial decision to the Secretary.

(2)(i) A party may appeal the hearing official's initial decision by submitting to the Secretary, within 30 days after the party receives the initial decision, a brief or other written statement that explains why the party believes that the Secretary should reverse or modify the decision of the hearing official.

(ii) At the time the party files its appeal submission, the party shall provide a copy of that submission to the opposing party.

(iii) The opposing party shall submit its brief or other responsive statement to the Secretary, with a copy to the appellant, within 30 days after the opposing party receives the appellant's brief or written statement.

(iv) The appealing party may submit proposed findings of fact or conclusions of law. However, the proposed findings of fact must be supported by—

§ 668.92

34 CFR Ch. VI (7–1–20 Edition)

(A) The evidence introduced into the record at the hearing;

(B) Stipulations of the parties if the hearing consisted of written submissions; or

(C) Matters that may be judicially noticed.

(v) Neither party may introduce new evidence on appeal.

(vi) The initial decision of the hearing official imposing a fine or limiting or terminating the institution's participation or servicer's eligibility does not take effect pending the appeal.

(vii) The Secretary renders a final decision. The Secretary may delegate to a designated department official the functions described in paragraph (c)(2)(vii) through (ix) of this section.

(viii) In rendering a final decision, the Secretary considers only evidence introduced into the record at the hearing and facts agreed to by the parties if the hearing consisted only of written submissions and matters that may be judicially noticed.

(ix) If the hearing official finds that a termination is warranted pursuant to paragraph (a)(3) of this section, the Secretary may affirm, modify, or reverse the initial decision, or may remand the case to the hearing official for further proceedings consistent with the Secretary's decision. If the Secretary affirms the initial decision without issuing a statement of reasons, the Secretary adopts the opinion of the hearing official as the decision of the Secretary. If the Secretary modifies, remands, or reverses the initial decision, in whole or in part, the Secretary's decision states the reasons for the action taken.

(x) In a borrower defense and recovery proceeding conducted in two phases under § 668.87(a)(1)(iv)(B), if a party appeals an initial decision of the hearing official in the first phase, the Secretary may affirm, modify, or reverse the initial decision, or may remand the case to the hearing official for further

proceedings consistent with the Secretary's decision.

§ 668.92 Filing of requests for hearings and appeals; confirmation of mailing and receipt dates.

(a) *Filing of request for hearing, show-cause opportunity, or appeal.* (1)(i) A request by an institution or third-party servicer for a hearing or show-cause opportunity, or other material submitted by an institution or third-party servicer in response to a notice of proposed action under this subpart, must be filed with the designated department official by hand-delivery, mail, or facsimile transmission.

(ii) An appeal to the Secretary by a party must be filed with the designated department official by hand-delivery, mail, facsimile transmission, or by use of the Office of Hearings and Appeals Electronic Filing System (OES).

(2) Documents filed by facsimile transmission must be transmitted to the designated department official identified, either in the notice initiating the action, or, for an appeal, in instructions provided by the hearing official, as the individual responsible to receive them. A party filing a document by facsimile transmission must confirm that a complete and legible copy of the document was received by the Department of Education, and may be required by the designated department official to provide a hard copy of the document.

(3) The Secretary discourages the use of facsimile transmission for documents longer than five pages.

(4)(i) A party may file an appeal to the Secretary, and any other pleading or other document submitted in a proceeding under this subpart, by use of the Office of Hearings and Appeals Electronic Filing System (OES), by hand-delivery, by mail, or by facsimile transmission.

(ii) A party must serve a copy on the other party of any pleading or other

document it files, including an appeal to the Secretary, in a proceeding under this subpart. A party must do so by certified mail, return receipt requested; by hand-delivery; or, if agreed upon by the parties, service may also be made by use of the OES or any other means agreed to by the parties.

(iii) A party who agrees to receive a document by any means other than service by certified mail, return receipt requested or hand-delivery may limit that agreement to one or more particular documents.

(iv) A party who agrees to service of a document through the OES thereby agrees that the notice of such filing provided to the party by the OES suffices to meet any obligation of the filing party under these regulations to provide a copy of that document.

(5) Documents filed using the OES must be transmitted to the designated department official identified in instructions provided by the hearing official as the individual responsible to receive them. A party filing a document using the OES must ensure that the party has received an electronic confirmation that the document was accepted and approved for filing by the OES, and may be required by the designated department official to provide a hard copy of the document.

(6) Electronic documents must be formatted in Adobe Portable Document Format (PDF). To use PDF you must have Adobe Acrobat Reader, which is available free at www.adobe.com.

(b) *Confirmation of mailing and receipt dates.* (1) The mailing date of a notice from a designated department official initiating an action under this subpart is the date evidenced on the original receipt of mailing from the U.S. Postal Service.

(2) The date on which a request for a show-cause opportunity, a request for a hearing, other material submitted in response to a notice of action under this subpart, a decision by a hearing official, or a notice of appeal is received is, as applicable—

(i) The date of receipt evidenced on the original receipt for a document sent by certified mail.

(ii) The date following the date recorded by the delivery service as the

date material was sent for a document sent by next-day delivery service.

(iii) The date a document sent by regular mail is recorded, according to the regular business practice of the office receiving the document, as received.

(iv) The date a document sent by facsimile transmission is recorded as received by the facsimile equipment that receives the transmission.

(v) The date a document sent electronically via the OES is recorded as received by the OES as indicated in the confirmation of receipt email for E-filing.

(c) *Refusals.* If an institution or third-party servicer refuses to accept a notice mailed under this subpart, the Secretary considers the notice as being received on the date that the institution or servicer refuses to accept the notice.

§ 668.93 Fines.

(a) In determining the amount of a fine, the designated department official, hearing official, and Secretary take into account—

(ii) The gravity of the institution's or servicer's misrepresentation;

(2) The size of the institution;

(3) The size of the servicer's business, including the number of institutions and students served by the servicer;

(4) In the case of a violation by a third-party servicer, the extent to which the servicer can document that the institution contributed to that violation; and

(i) Violations are caused by repeated mechanical systemic unintentional errors. The Secretary counts the total of violations caused by a repeated mechanical systemic unintentional error

§ 668.94

as a single violation, unless the servicer has been cited for a similar violation previously and had failed to make the appropriate corrections to the system; and

(ii) The financial loss of Title IV, HEA program funds was attributable to a repeated mechanical systemic unintentional error.

(b) In determining the gravity of the institution's or servicer's violation, failure, or misrepresentation under paragraph (a) of this section, the designated department official, hearing official, and Secretary take into account the amount of any liability owed by the institution and any third-party servicer that contracts with the institution, and the number of students affected as a result of that violation, failure, or misrepresentation on—

(1) Improperly expended or unspent Title IV, HEA program funds received by the institution or servicer, as applicable; or

(2) Required refunds, including the treatment of title IV, HEA program funds when a student withdraws under § 668.22.

(c) Upon the request of the institution or third-party servicer, the Secretary may compromise the fine.

(d)(1) Notwithstanding any other provision of statute or regulation, any individual described in paragraph (d)(2) of this section, in addition to other penalties provided by law, is liable to the Secretary for amounts that should have been refunded or returned under § 668.22 of the title IV program funds not returned, to the same extent with respect to those funds that such an individual would be liable as a responsible person for a penalty under section 6672(a) of Internal Revenue Code of 1986 with respect to the nonpayment of taxes.

(2) The individual subject to the penalty described in paragraph (d)(1) is any individual who—

(i) The Secretary determines, in accordance with § 668.174(c), exercises substantial control over an institution participating in, or seeking to participate in, a program under this title;

(ii) Is required under § 668.22 to return title IV program funds to a lender or to the Secretary on behalf of a student or borrower, or was required under § 668.22

34 CFR Ch. VI (7–1–20 Edition)

in effect on June 30, 2000 to return title IV program funds to a lender or to the Secretary on behalf of a student or borrower; and

(iii) Willfully fails to return those funds or willfully attempts in any manner to evade that payment.

§ 668.95 Termination.

(a) *A termination*—(1) Ends an institution's participation in a Title IV, HEA program or ends a third-party servicer's eligibility to contract with any institution to administer any aspect of the institution's participation in a Title IV, HEA program;

(2) Ends the authority of a third-party servicer to administer any aspect of any institution's participation in that program;

(3) Prohibits an institution or third-party servicer, as applicable, or the Secretary from making or increasing awards under that program;

(4) Prohibits an institution or third-party servicer, as applicable, from making any other new commitments of funds under that program; and

(5) If an institution's participation in the Federal Stafford Loan Program or Federal PLUS programs has been terminated, prohibits further guarantee commitments by the Secretary for loans under that program to students to attend that institution, and, if the institution is a lender under that program, prohibits further disbursements by the institution (whether or not guarantee commitments have been issued by the Secretary or a guaranty agency for those disbursements).

(b) After its participation in a Title IV, HEA program has been terminated, an institution may disburse or deliver funds under that Title IV, HEA program to students enrolled at the institution only in accordance with § 668.26 and with any additional requirements imposed under this part.

(c) If a third-party servicer's eligibility is terminated, the servicer must return to each institution that contracts with the servicer any funds received by the servicer under the applicable Title IV, HEA program on behalf of the institution or the institution's students or otherwise dispose of those funds under instructions from the Secretary. The servicer also must return

to each institution that contracts with the servicer all records pertaining to the servicer's administration of that program on behalf of that institution.

§ 668.96 Reimbursements, refunds, and offsets.

(a) In an action to fine an institution or servicer, or to limit, suspend, or terminate the participation of an institution or the eligibility of a servicer, the designated department official, hearing official, or Secretary may require an institution or third-party servicer to take reasonable and appropriate corrective action to remedy the institution's or servicer's violation, as applicable, of any statutory provision of or applicable to Title IV of the HEA, any regulatory provision prescribed under that statutory authority, or any applicable special arrangement, agreement, or limitation entered into under the authority of statutes applicable to Title IV of the HEA.

(b) The corrective action under paragraph (a) of this section may include payment of any funds to the Secretary, or to designated recipients, that the institution or servicer, as applicable, improperly received, withheld, disbursed, or caused to be disbursed. (i) Ineligible interest benefits, special allowances, or other claims paid by the Secretary; and

(ii) Discounts, premiums, or excess interest paid in violation of 34 CFR part 682; and

(d) If an institution's violation in paragraph (a) of this section results from an administrative, accounting, or recordkeeping error, and that error was not part of a pattern of error, and there is no evidence of fraud or misconduct related to the error, the Secretary permits the institution to correct or cure the error. If the institution corrects or cures the error, the Secretary does not limit, suspend, terminate, or fine the institution for that error.

§ 668.99 Interlocutory appeals to the Secretary from rulings of a hearing official.

(a) A ruling by a hearing official may not be appealed to the Secretary until the issuance of an initial decision, except that the Secretary may, at any time prior to the issuance of the initial decision, grant a review of a ruling upon either a certification by a hearing official of the ruling to the Secretary for review or the filing of a petition for review of a ruling by one or both of the parties, if—

(1) That ruling involves a controlling question of substantive or procedural law; and

(2) The immediate resolution of the question will materially advance the final disposition of the proceeding or subsequent review will be an inadequate remedy.

(b)(1) A petition for interlocutory review of an interim ruling must include the following:

(i) A brief statement of the facts necessary to an understanding of the issue on which review is sought.

(ii) A statement of the issue.

(iii) A statement of the reasons showing that the ruling complained of involves a controlling question of substantive or procedural law and why immediate review of the ruling will materially advance the disposition of the case, or why subsequent review will be an inadequate remedy.

(2) A petition may not exceed ten pages, double-spaced, and must be filed with a copy of the ruling and any findings and opinions relating to the ruling.

(c) A copy of the petition must be provided to the hearing official at the time of filing with the Secretary, and a copy of a petition or any certification must be served upon the parties as provided in § 668.92(a)(4). The petition or certification must reflect this service.

(d) If a party files a petition under this section, the hearing official may state to the Secretary a view as to whether review is appropriate or inappropriate by submitting a brief statement addressing the party's petition within 10 days of the receipt of that petition by the hearing official. A copy of the statement must be served on all parties in the manner provided in § 668.91(a)(4)(ii).

(e) A party's response to a petition or certification for interlocutory review must be filed within 7 days after service of the petition or statement, as applicable, and may not exceed 10 pages, double-spaced, in length. The response must be filed, and a copy served on the other party, as provided in § 668.91(a)(4).

(f) The filing of a petition for interlocutory review does not automatically stay the proceedings. A stay during consideration of a petition for review may be granted by the hearing official if that official has certified or stated to the Secretary that review of the ruling is appropriate. The Secretary may order a stay of proceedings at any time after the filing of a request for interlocutory review.

(g) The Secretary notifies the parties if a petition or certification for interlocutory review is accepted, and may provide the parties a reasonable time

within which to submit written argument with regard to the merit of the petition or certification.

(h) If the Secretary takes no action on a petition or certification for review within 15 days of receipt of it, the request is deemed to be denied.

(i) The Secretary may affirm, modify, set aside, or remand the interim ruling of the hearing official.

(j) The Secretary may delegate to a designated department official the functions described in paragraphs (f) through (i) of this section.

§ 668.111 Scope and purpose.

(a) This subpart establishes rules governing the appeal by an institution or third-party servicer from a final audit determination or a final program review determination arising from an audit or program review of the institution's participation in any Title IV, HEA program or of the servicer's administration of any aspect of an institution's participation in any Title IV, HEA program.

party who agrees to receive a document filed by another party by any means other than service by mail or hand-delivery may limit that agreement to one or more particular documents.

§ 668.124 Interlocutory appeals to the Secretary from rulings of a hearing official.

(a) A ruling by a hearing official may not be appealed to the Secretary until the issuance of an initial decision, except that the Secretary may, at any time prior to the issuance of the initial decision, grant a review of a ruling upon either a certification by a hearing official of the ruling to the Secretary for review or the filing of a petition for

review of a ruling by one or both of the parties, if—

(1) That ruling involves a controlling question of substantive or procedural law; and

(2) The immediate resolution of the question will materially advance the final disposition of the proceeding or subsequent review will be an inadequate remedy.

(b)(1) A petition for interlocutory review of an interim ruling must include the following:

(i) A brief statement of the facts necessary to an understanding of the issue on which review is sought.

(ii) A statement of the issue.

(iii) A statement of the reasons showing that the ruling complained of involves a controlling question of substantive or procedural law and why immediate review of the ruling will materially advance the disposition of the case, or why subsequent review will be an inadequate remedy.

(2) A petition may not exceed ten pages, double-spaced, and must be filed with a copy of the ruling and any findings and opinions relating to the ruling.

(c) A copy of the petition must be provided to the hearing official at the time of filing with the Secretary, and a copy of a petition or any certification must be served upon the parties as provided in § 668.122(a)(2). The petition or certification must reflect this service.

(d) If a party files a petition under this section, the hearing official may state to the Secretary a view as to whether review is appropriate or inappropriate by submitting a brief statement addressing the party's petition within 10 days of the receipt of that petition by the hearing official. A copy of the statement must be served on all parties in the manner provided in § 668.122(a)(2).

(e) A party's response to a petition or certification for interlocutory review must be filed within 7 days after service of the petition or statement, as applicable, and may not exceed 10 pages, double-spaced, in length. A copy of the response must be served on the parties and the hearing official as provided in § 668.122(a)(2).

(f) The filing of a petition for interlocutory review does not automatically

stay the proceedings. A stay during consideration of a petition for review may be granted by the hearing official if that official has certified or stated to the Secretary that review of the ruling is appropriate. The Secretary may order a stay of proceedings at any time after the filing of a request for interlocutory review.

(g) The Secretary notifies the parties if a petition or certification for interlocutory review is accepted, and may provide the parties a reasonable time within which to submit written argument with regard to the merit of the petition or certification.

(h) If the Secretary takes no action on a petition or certification for review within 15 days of receipt of it, the request is deemed to be denied.

(i) The Secretary may affirm, modify, set aside, or remand the interim ruling of the hearing official.

(j) The Secretary may delegate to a designated department official the functions described in paragraphs (f) through (i) of this section.

SOURCE: 75 FR 66960, Oct. 29, 2010, unless otherwise noted.

§ 668.141 Scope.

(a) This subpart sets forth the provisions under which a student who has neither a high school diploma nor its recognized equivalent may become eligible to receive title IV, HEA program funds by—

(1) Achieving a passing score, specified by the Secretary, on an independently administered test approved by the Secretary under this subpart; or

(2) Being enrolled in an eligible institution that participates in a State process approved by the Secretary under this subpart.

(b) Under this subpart, the Secretary sets forth—

(1) The procedures and criteria the Secretary uses to approve tests;

(2) The basis on which the Secretary specifies a passing score on each approved test;

(3) The procedures and conditions under which the Secretary determines that an approved test is independently administered;

(4) The information that a test publisher or a State must submit, as part of its test submission, to explain the

methodology it will use for the test anomaly studies as described in § 668.144(c)(17) and (d)(8), as appropriate;

(5) The requirements that a test publisher or a State, as appropriate—

(i) Have a process to identify and follow up on test score irregularities;

(ii) Take corrective action—up to and including decertification of test administrators—if the test publisher or the State determines that test score irregularities have occurred; and

(iii) Report to the Secretary the names of any test administrators it decertifies and any other action taken as a result of test score analyses; and

(6) The procedures and conditions under which the Secretary determines that a State process demonstrates that students in the process have the ability to benefit from the education and training being offered to them.

§ 668.142 Special definitions.

The following definitions apply to this subpart:

Assessment center: A facility that—

(1) Is located at an eligible institution that provides two-year or four-year degrees or is a postsecondary vocational institution;

(2) Is responsible for gathering and evaluating information about individual students for multiple purposes, including appropriate course placement;

(3) Is independent of the admissions and financial aid processes at the institution at which it is located;

(4) Is staffed by professionally trained personnel;

(5) Uses test administrators to administer tests approved by the Secretary under this subpart; and

(6) Does not have as its primary purpose the administration of ability to benefit tests.

ATB test irregularity: An irregularity that results from an ATB test being administered in a manner that does not conform to the established rules for test administration consistent with the provisions of subpart J of part 668 and the test administrator's manual.

Computer-based test: A test taken by a student on a computer and scored by a computer.

General learned abilities: Cognitive operations, such as deductive reasoning, reading comprehension, or translation from graphic to numerical representation, that may be learned in both school and non-school environments.

Independent test administrator: A test administrator who administers tests at a location other than an assessment center and who—

(1) Has no current or prior financial or ownership interest in the institution, its affiliates, or its parent corporation, other than the fees earned for administering approved ATB tests through an agreement with the test publisher or State and has no controlling interest in any other institution;

(2) Is not a current or former employee of or consultant to the institution, its affiliates, or its parent corporation, a person in control of another institution, or a member of the family of any of these individuals;

(3) Is not a current or former member of the board of directors, a current or former employee of or a consultant to a member of the board of directors, chief executive officer, chief financial officer of the institution, its affiliates, or its parent corporation or of any other institution, or a member of the family of any of these individuals; and

(4) Is not a current or former student of the institution.

Test: A standardized test, assessment or instrument that has formal protocols on how it is to be administered in order to be valid. These protocols include, for example, the use of parallel, equated forms; testing conditions; time allowed for the test; and standardized scoring. Tests are not limited to traditional paper and pencil (or computer-

administered) instruments for which forms are constructed prior to administration to examinees. Tests may also include adaptive instruments that use computerized algorithms for selecting and administering items in real time; however, for such instruments, the size of the item pool and the method of item selection must ensure negligible overlap in items across retests.

Test administrator: An individual who is certified by the test publisher (or the State, in the case of an approved State test or assessment) to administer tests approved under this subpart in accordance with the instructions provided by the test publisher or the State, as applicable, which includes protecting the test and the test results from improper disclosure or release, and who is not compensated on the basis of test outcomes.

Test item: A question on a test.

Test publisher: An individual, organization, or agency that owns a registered copyright of a test, or has been authorized by the copyright holder to represent the copyright holder’s interests regarding the test.

§ 668.145 Test approval procedures.

(a)(1) When the Secretary receives a complete application from a test publisher or a State, the Secretary selects one or more experts in the field of educational testing and assessment, who possess appropriate advanced degrees and experience in test development or psychometric research, to determine whether the test meets the requirements for test approval contained in §§ 668.146, 668.147, 668.148, or 668.149, as appropriate, and to advise the Secretary of their determinations.

(2) If the test involves a language other than English, the Secretary selects at least one individual who is fluent in the language in which the test is written to collaborate with the testing expert or experts described in paragraph (a)(1) of this section and to advise the Secretary on whether the test meets the additional criteria, provisions, and conditions for test approval contained in §§ 668.148 and 668.149.

(ii) An analysis of why the information and documentation submitted meet the criteria and requirements for test approval notwithstanding the Secretary's earlier decision to the contrary.

(c)(1) The Secretary approves a test for a period not to exceed five years from the date the notice of approval of the test is published in the FEDERAL REGISTER.

(2) The Secretary extends the approval period of a test to include the period of review if the test publisher or the State, as applicable, re-submits the test for review and approval under § 668.144 at least six months before the date on which the test approval is scheduled to expire.

(d)(1) The Secretary's approval of a test may be revoked if the Secretary determines that the test publisher or the State violated any terms of the agreement described in § 668.150, that the information the test publisher or

the State submitted as a basis for approval of the test was inaccurate, or that the test publisher or the State substantially changed the test and did not resubmit the test, as revised, for approval.

(2) If the Secretary revokes approval of a previously approved test, the Secretary publishes a notice of that revocation in the FEDERAL REGISTER. The revocation becomes effective—

(i) One hundred and twenty days from the date the notice of revocation is published in the FEDERAL REGISTER; or

(12) Keep each test answer sheet or electronic record forwarded for scoring and all other documents forwarded by the test administrator with regard to the test for a period of three years from the date the analysis of the tests results, described in paragraph (b)(13) of this section, was sent to the Secretary;

(13) Analyze the test scores of students who take the test to determine whether the test scores and data produce any irregular pattern that raises an inference that the tests were not being properly administered, and provide the Secretary with a copy of this analysis within 18 months after

the test was approved and every 18 months thereafter during the period of test approval;

(14) Upon request, give the Secretary, a State agency, an accrediting agency, and law enforcement agencies access to test records or other documents related to an audit, investigation, or program review of an institution, the test publisher, or a test administrator;

(15) Immediately report to the Secretary if the test publisher or the State finds any credible information indicating that a test has been compromised;

(16) Immediately report to the Office of Inspector General of the Department of Education for investigation if the test publisher or the State finds any credible information indicating that a test administrator or institution may have engaged in civil or criminal fraud, or other misconduct; and

(17) Require a test administrator who provides a test to an individual with a disability who requires an accommodation in the test's administration to report to the test publisher or the State within the time period specified in § 668.151(b)(2) or § 668.152(b)(2), as applicable, the nature of the disability and the accommodations that were provided.

(c)(1) The Secretary may terminate an agreement with a test publisher or a State, as applicable, if the test publisher or the State fails to carry out the terms of the agreement described in paragraph (b) of this section.

(2) Before terminating the agreement, the Secretary gives the test publisher or the State, as applicable, the opportunity to show that it has not failed to carry out the terms of its agreement.

(3) If the Secretary terminates an agreement with a test publisher or a State under this section, the Secretary publishes a notice in the FEDERAL REGISTER specifying when institutions may no longer use the test publisher's or the State's test(s) for purposes of determining a student's eligibility for title IV, HEA program funds.

§ 668.151 Administration of tests.

(a)(1) To establish a student's eligibility for title IV, HEA program funds under this subpart, an institution must select a test administrator to give an approved test.

(2) An institution may use the results of an approved test it received from an approved test publisher or assessment center to determine a student's eligibility to receive title IV, HEA program funds if the test was independently administered and properly administered in accordance with this subpart.

(b) The Secretary considers that a test is independently administered if the test is—

(1) Given at an assessment center by a certified test administrator who is an employee of the center; or

(2) Given by an independent test administrator who maintains the test at a secure location and submits the test for scoring by the test publisher or the State or, for a computer-based test, a record of the test scores, within two business days of administering the test.

(c) The Secretary considers that a test is not independently administered if an institution—

(1) Compromises test security or testing procedures;

(2) Pays a test administrator a bonus, commission, or any other incentive based upon the test scores or pass rates of its students who take the test; or

(3) Otherwise interferes with the test administrator's independence or test administration.

(d) The Secretary considers that a test is properly administered if the test administrator—

(1) Is certified by the test publisher or the State, as applicable, to give the test publisher's or the State's test;

(2) Administers the test in accordance with instructions provided by the test publisher or the State, as applicable, and in a manner that ensures the integrity and security of the test;

(3) Makes the test available only to a test-taker, and then only during a regularly scheduled test;

(4) Secures the test against disclosure or release; and

(5) Submits the completed test or, for a computer-based test, a record of test scores, to the test publisher or the

State, as applicable, within the time period specified in § 668.152(b) or paragraph (b)(2) of this section, as appropriate, and in accordance with the test publisher's or the State's instructions.

(e) An independent test administrator may not score a test.

(f) An individual who fails to pass a test approved under this subpart may not retake the same form of the test for the period prescribed by the test publisher or the State responsible for the test.

(g) An institution must maintain a record for each individual who took a test under this subpart. The record must include—

- (1) The test taken by the individual;
- (2) The date of the test;
- (3) The individual's scores as reported by the test publisher, an assessment center, or the State;
- (4) The name and address of the test administrator who administered the test and any identifier assigned to the test administrator by the test publisher or the State; and

(5) If the individual who took the test is an individual with a disability and was unable to be evaluated by the use of an approved ATB test or the individual requested or required testing accommodations, documentation of the individual's disability and of the testing arrangements provided in accordance with § 668.153(b).

(a) If a test is given by an assessment center, the assessment center must properly administer the test as described in § 668.151(d), and § 668.153, if applicable.

(b)(1) Unless an agreement between a test publisher or a State, as applicable, and an assessment center indicates otherwise, an assessment center scores the tests it gives and promptly notifies the institution and the student of the student's score on the test and whether the student passed the test.

(2) If the assessment center scores the test, it must provide weekly to the test publisher or the State, as applicable—

(i) All copies of the completed test, including the name and address of the test administrator who administered the test and any identifier assigned to the test administrator by the test publisher or the State, as applicable; or

§ 668.153 Administration of tests for individuals whose native language is not English or for individuals with disabilities.

(a) *Individuals whose native language is not English.* For an individual whose native language is not English and who is not fluent in English, the institution must use the following tests, as applicable:

(1) If the individual is enrolled or plans to enroll in a program conducted entirely in his or her native language, the individual must take a test approved under §§ 668.146 and 668.148(a)(1).

(2) If the individual is enrolled or plans to enroll in a program that is taught in English with an ESL component, the individual must take an English language proficiency assessment approved under § 668.148(b) and, before beginning the portion of the program taught in English, a test approved under § 668.146.

(3) If the individual is enrolled or plans to enroll in a program that is taught in English without an ESL component, or the individual does not enroll in any ESL component offered, the individual must take a test in English approved under § 668.146.

(4) If the individual enrolls in an ESL program, the individual must take an ESL test approved under § 668.148(b).

(5) If the individual enrolls or plans to enroll in a program that is taught in the student's native language that either has an ESL component or a portion of the program will be taught in English, the individual must take an English proficiency test approved

(b) *Individuals with disabilities.* (1) For an individual with a disability who has neither a high school diploma nor its equivalent and who is applying for title IV, HEA program funds and seeks to show his or her ability to benefit through the testing procedures in this subpart, an institution must use a test described in § 668.148(a)(2) or § 668.149(a).

(2) The test must reflect the individual's skills and general learned abilities.

(3) The test administrator must ensure that there is documentation to support the determination that the individual is an individual with a disability and requires accommodations—such as extra time or a quiet room—for taking an approved test, or is unable to be evaluated by the use of an approved ATB test.

(4) Documentation of an individual's disability may be satisfied by—

(i) A written determination, including a diagnosis and information about testing accommodations, if such accommodation information is available, by a licensed psychologist or physician; or

(ii) A record of the disability from a local or State educational agency, or other government agency, such as the Social Security Administration or a vocational rehabilitation agency, that identifies the individual's disability. (a) The institution used a test that was not administered independently, in accordance with § 668.151(b);

§ 668.155 [Reserved]

§ 668.156 Approved State process.

(a)(1) A State that wishes the Secretary to consider its State process as an alternative to achieving a passing score on an approved, independently administered test for the purpose of determining a student's eligibility for title IV, HEA program funds must apply to the Secretary for approval of that process.

(2) To be an approved State process, the State process does not have to include all the institutions located in that State, but must indicate which institutions are included.

(b) The Secretary approves a State's process if—

(1) The State administering the process can demonstrate that the students it admits under that process without a high school diploma or its equivalent, who enroll in participating institutions have a success rate as determined under paragraph (h) of this section that is within 95 percent of the success rate of students with high school diplomas; and

(2) The State's process satisfies the requirements contained in paragraphs (c) and (d) of this section.

(c) A State process must require institutions participating in the process to provide each student they admit without a high school diploma or its recognized equivalent with the following services:

(1) Orientation regarding the institution's academic standards and requirements, and student rights.

(2) Assessment of each student's existing capabilities through means other than a single standardized test.

(3) Tutoring in basic verbal and quantitative skills, if appropriate.

(4) Assistance in developing educational goals.

(5) Counseling, including counseling regarding the appropriate class level for that student given the student's individual's capabilities.

(6) Follow-up by teachers and counselors regarding the student's classroom performance and satisfactory progress toward program completion.

(d) A State process must—

(1) Monitor on an annual basis each participating institution's compliance with the requirements and standards contained in the State's process;

(2) Require corrective action if an institution is found to be in noncompliance with the State process requirements; and

(3) Terminate an institution from the State process if the institution refuses or fails to comply with the State process requirements.

(e)(1) The Secretary responds to a State's request for approval of its State's process within six months after the Secretary's receipt of that request. If the Secretary does not respond by the end of six months, the State's process is deemed to be approved.

(2) An approved State process becomes effective for purposes of determining student eligibility for title IV, HEA program funds under this subpart—

(i) On the date the Secretary approves the process; or

(ii) Six months after the date on which the State submits the process to the Secretary for approval, if the Secretary neither approves nor disapproves the process during that six month period.

(f) The Secretary approves a State process for a period not to exceed five years.

(g)(1) The Secretary withdraws approval of a State process if the Secretary determines that the State process violated any terms of this section or that the information that the State submitted as a basis for approval of the State process was inaccurate.

(2) The Secretary provides a State with the opportunity to contest a finding that the State process violated any terms of this section or that the information that the State submitted as a basis for approval of the State process was inaccurate.

(h) The State must calculate the success rates as referenced in paragraph (b) of this section by—

(1) Determining the number of students with high school diplomas who,

during the applicable award year described in paragraph (i) of this section, enrolled in participating institutions and—

(i) Successfully completed education or training programs;

(ii) Remained enrolled in education or training programs at the end of that award year; or

(iii) Successfully transferred to and remained enrolled in another institution at the end of that award year;

(2) Determining the number of students with high school diplomas who enrolled in education or training programs in participating institutions during that award year;

(3) Determining the number of students calculated in paragraph (h)(2) of this section who remained enrolled after subtracting the number of students who subsequently withdrew or were expelled from participating institutions and received a 100 percent refund of their tuition under the institutions' refund policies;

(4) Dividing the number of students determined in paragraph (h)(1) of this section by the number of students determined in paragraph (h)(3) of this section;

(5) Making the calculations described in paragraphs (h)(1) through (h)(4) of this section for students without a high school diploma or its recognized equivalent who enrolled in participating institutions.

(i) For purposes of paragraph (h) of this section, the applicable award year is the latest complete award year for which information is available that immediately precedes the date on which the State requests the Secretary to approve its State process, except that the award year selected must be one of the latest two completed award years preceding that application date.

The institution, as a trustee of those funds, may not use or hypothecate (*i.e.*, use as collateral) the funds for any other purpose or otherwise engage in any practice that risks the loss of those funds.

(c) *Standard of conduct.* An institution must exercise the level of care and diligence required of a fiduciary with regard to managing title IV, HEA program funds under this subpart.

§ 668.162 Requesting funds.

(a) *General.* The Secretary has sole discretion to determine the method under which the Secretary provides title IV, HEA program funds to an institution. In accordance with procedures established by the Secretary, the Secretary may provide funds to an institution under the advance payment method, reimbursement payment method, or heightened cash monitoring payment method.

(b) *Advance payment method.* (1) Under the advance payment method, an institution submits a request for funds to the Secretary. The institution's request may not exceed the amount of funds the institution needs immediately for disbursements the institution has made or will make to eligible students and parents.

(B) Paid directly any credit balance due under § 668.164(h).

(4) The Secretary will not approve the amount of the institution's reimbursement request for a student or parent and will not initiate an EFT of that amount to the depository account designated by the institution, if the Secretary determines with regard to that student or parent, and in the judgment of the Secretary, that the institution has not—

(2) Seeks reimbursement for those disbursements under the provisions of the reimbursement payment method described in paragraph (c) of this section, except that the Secretary may modify the documentation requirements and review procedures used to approve the reimbursement request.

§ 668.163 Maintaining and accounting for funds.

(a)(1) *Institutional depository account.* An institution must maintain title IV, HEA program funds in a depository account. For an institution located in a State, the depository account must be insured by the FDIC or NCUA. For a foreign institution, the depository account may be insured by the FDIC or NCUA, or by an equivalent agency of the government of the country in which the institution is located. If there is no equivalent agency, the Secretary may approve a depository account designated by the foreign institution.

(2) For each depository account that includes title IV, HEA program funds, an institution located in a State must clearly identify that title IV, HEA program funds are maintained in that account by—

(i) Including in the name of each depository account the phrase "Federal Funds"; or

(ii)(A) Notifying the depository institution that the depository account contains title IV, HEA program funds that are held in trust and retaining a record of that notice; and

(B) Except for a public institution located in a State or a foreign institution, filing with the appropriate State or municipal government entity a UCC-1 statement disclosing that the depository account contains Federal funds and maintaining a copy of that statement.

(b) *Separate depository account.* The Secretary may require an institution to maintain title IV, HEA program

§ 668.164

34 CFR Ch. VI (7–1–20 Edition)

(1) The requirements in this subpart;

(2) The recordkeeping and reporting requirements in subpart B of this part; or

(3) Applicable program regulations.

(c) *Interest-bearing depository account.*

(1) An institution located in a State is required to maintain its title IV, HEA program funds in an interest-bearing depository account, except as provided in 2 CFR 200.305(b)(8).

(2) Any interest earned on Federal Perkins Loan program funds is retained by the institution as provided under 34 CFR 674.8(a).

(3) An institution may keep the initial \$500 in interest it earns during the award year on other title IV, HEA program funds it maintains in accordance with paragraph (c)(1) of this section. No later than 30 days after the end of that award year, the institution must remit to the Department of Health and Human Services, Payment Management System, Rockville, MD 20852, any interest over \$500.

(d) *Accounting and fiscal records.* An institution must—

(1) Maintain accounting and internal control systems that identify the cash balance of the funds of each title IV, HEA program that are included in the institution's depository account or accounts as readily as if those funds were maintained in a separate depository account;

(2) Identify the earnings on title IV, HEA program funds maintained in the institution's depository account or accounts; and

(3) Maintain its fiscal records in accordance with the provisions in § 668.24.

§ 668.164 Disbursing funds.

(a) *Disbursement.* (1) Except as provided under paragraph (a)(2) of this section, a disbursement of title IV, HEA program funds occurs on the date that the institution credits the student's ledger account or pays the student or parent directly with—

(i) Funds received from the Secretary; or

(ii) Institutional funds used in advance of receiving title IV, HEA program funds.

(2)(i) For a Direct Loan for which the student is subject to the delayed disbursement requirements under 34 CFR 685.303(b)(5), if an institution credits a student's ledger account with institutional funds earlier than 30 days after the beginning of a payment period, the Secretary considers that the institution makes that disbursement on the 30th day after the beginning of the payment period; or

(ii) If an institution credits a student's ledger account with institutional funds earlier than 10 days before the first day of classes of a payment period, the Secretary considers that the institution makes that disbursement on the 10th day before the first day of classes of a payment period.

(b) *Disbursements by payment period.*

(1) Except for paying a student under the FWS program or unless 34 CFR 685.303(d)(4)(i) applies, an institution must disburse during the current payment period the amount of title IV, HEA program funds that a student enrolled at the institution, or the student's parent, is eligible to receive for that payment period.

(2) An institution may make a prior year, late, or retroactive disbursement, as provided under paragraph (c)(3), (j), or (k) of this section, respectively, during the current payment period as long as the student was enrolled and eligible during the payment period covered by that prior year, late, or retroactive disbursement.

(3) At the time a disbursement is made to a student for a payment period, an institution must confirm that the student is eligible for the type and amount of title IV, HEA program funds identified by that disbursement. A third-party servicer is also responsible for confirming the student's eligibility if the institution engages the servicer to perform activities or transactions that lead to or support that disbursement. Those activities and transactions include but are not limited to—

(i) Determining the type and amount of title IV, HEA program funds that a student is eligible to receive;

(ii) Requesting funds under a payment method described in § 668.162; or

(iii) Accounting for funds that are originated, requested, or disbursed, in reports or data submissions to the Secretary.

(c) *Crediting a student's ledger account.*

(1) An institution may credit a student's ledger account with title IV, HEA program funds to pay for allowable charges associated with the current payment period. Allowable charges are—

(i) The amount of tuition, fees, and institutionally provided room and board assessed the student for the payment period or, as provided in paragraph (c)(5) of this section, the prorated amount of those charges if the institution debits the student's ledger account for more than the charges associated with the payment period; and

(ii) The amount incurred by the student for the payment period for purchasing books, supplies, and other educationally related goods and services provided by the institution for which the institution obtains the student's or parent's authorization under § 668.165(b).

(2) An institution may include the costs of books and supplies as part of tuition and fees under paragraph (c)(1)(i) of this section if—

(i) The institution—

(A) Has an arrangement with a book publisher or other entity that enables it to make those books or supplies available to students below competitive market rates;

(B) Provides a way for a student to obtain those books and supplies by the seventh day of a payment period; and

(C) Has a policy under which the student may opt out of the way the institution provides for the student to obtain books and supplies under this paragraph (c)(2). A student who opts out under this paragraph (c)(2) is considered to also opt out under paragraph (m)(3) of this section;

(ii) The institution documents on a current basis that the books or supplies, including digital or electronic course materials, are not available elsewhere or accessible by students enrolled in that program from sources other than those provided or authorized by the institution; or

(iii) The institution demonstrates there is a compelling health or safety reason.

(3)(i) An institution may include in one or more payment periods for the current year, prior year charges of not more than \$200 for—

(A) Tuition, fees, and institutionally provided room and board, as provided under paragraph (c)(1)(i) of this section, without obtaining the student's or parent's authorization; and

(B) Educationally related goods and services provided by the institution, as described in paragraph (c)(1)(ii) of this section, if the institution obtains the student's or parent's authorization under § 668.165(b).

(ii) For purposes of this section—

(A) The current year is—

(1) The current loan period for a student or parent who receives only a Direct Loan;

(2) The current award year for a student who does not receive a Direct Loan but receives funds under any other title IV, HEA program; or

(3) At the discretion of the institution, either the current loan period or the current award year if a student receives a Direct Loan and funds from any other title IV, HEA program.

(B) A prior year is any loan period or award year prior to the current loan period or award year, as applicable.

(4) An institution may include in the current payment period unpaid allowable charges from any previous payment period in the current award year or current loan period for which the student was eligible for title IV, HEA program funds.

(5) For purposes of this section, an institution determines the prorated amount of charges associated with the current payment period by—

(i) For a program with substantially equal payment periods, dividing the total institutional charges for the program by the number of payment periods in the program; or

(ii) For other programs, dividing the number of credit or clock hours in the current payment period by the total number of credit or clock hours in the program, and multiplying that result by the total institutional charges for the program.

(d) *Direct payments.* (1) Except as provided under paragraph (d)(3) of this section, an institution makes a direct payment—

(i) To a student, for the amount of the title IV, HEA program funds that a student is eligible to receive, including Direct PLUS Loan funds that the student's parent authorized the student to receive, by—

(A) Initiating an EFT of that amount to the student's financial account;

(B) Issuing a check for that amount payable to, and requiring the endorsement of, the student; or

(C) Dispensing cash for which the institution obtains a receipt signed by the student;

(ii) To a parent, for the amount of the Direct PLUS Loan funds that a parent does not authorize the student to receive, by—

(A) Initiating an EFT of that amount to the parent's financial account;

(B) Issuing a check for that amount payable to, and requiring the endorsement of, the parent; or

(C) Dispensing cash for which the institution obtains a receipt signed by the parent.

(2) *Issuing a check.* An institution issues a check on the date that it—

(i) Mails the check to the student or parent; or

(ii) Notifies the student or parent that the check is available for immediate pick-up at a specified location at the institution. The institution may hold the check for no longer than 21 days after the date it notifies the student or parent. If the student or parent does not pick up the check, the institution must immediately mail the check to the student or parent, pay the student or parent directly by other means, or return the funds to the appropriate title IV, HEA program.

(3) *Payments by the Secretary.* The Secretary may pay title IV, HEA credit balances under paragraphs (h) and (m) of this section directly to a student or parent using a method established or authorized by the Secretary and published in the FEDERAL REGISTER.

(4) *Student choice.* (i) An institution located in a State that makes direct payments to a student by EFT and that enters into an arrangement described in paragraph (e) or (f) of this section,

including an institution that uses a third-party servicer to make those payments, must establish a selection process under which the student chooses one of several options for receiving those payments.

(A) In implementing its selection process, the institution must—

(1) Inform the student in writing that he or she is not required to open or obtain a financial account or access device offered by or through a specific financial institution;

(2) Ensure that the student's options for receiving direct payments are described and presented in a clear, fact-based, and neutral manner;

(3) Ensure that initiating direct payments by EFT to a student's existing financial account is as timely and no more onerous to the student as initiating an EFT to an account provided under an arrangement described in paragraph (e) or (f) of this section;

(4) Allow the student to change, at any time, his or her previously selected payment option, as long as the student provides the institution with written notice of the change within a reasonable time;

(5) Ensure that no account option is preselected; and

(6) Ensure that a student who does not make an affirmative selection is paid the full amount of the credit balance within the appropriate time-period specified in paragraph (h)(2) of this section, using a method specified in paragraph (d)(1) of this section.

(B) In describing the options under its selection process, the institution—

(1) Must present prominently as the first option, the financial account belonging to the student;

(2) Must list and identify the major features and commonly assessed fees associated with each financial account offered under the arrangements described in paragraphs (e) and (f) of this section, as well as a URL for the terms and conditions of each account. For each account, if an institution by July 1, 2017 follows the format, content, and update requirements specified by the Secretary in a notice published in the FEDERAL REGISTER following consultation with the Bureau of Consumer Financial Protection, it will be in compliance with the requirements of this

paragraph with respect to the major features and assessed fees associated with the account; and

(3) May provide, for the benefit of the student, information about available financial accounts other than those described in paragraphs (e) and (f) of this section that have deposit insurance under 12 CFR part 330, or share insurance in accordance with 12 CFR part 745.

(ii) An institution that does not offer or use any financial accounts offered under paragraph (e) or (f) of this section may make direct payments to a student's or parent's existing financial account, or issue a check or disburse cash to the student or parent without establishing the selection process described in paragraph (d)(4)(i) of this section.

(e) *Tier one arrangement.* (1) In a Tier one (T1) arrangement—

(i) An institution located in a State has a contract with a third-party servicer under which the servicer performs one or more of the functions associated with processing direct payments of title IV, HEA program funds on behalf of the institution; and

(ii) The institution or third-party servicer makes payments to—

(A) One or more financial accounts that are offered to students under the contract;

(B) A financial account where information about the account is communicated directly to students by the third-party servicer, or the institution on behalf of or in conjunction with the third-party servicer; or

(C) A financial account where information about the account is communicated directly to students by an entity contracting with or affiliated with the third-party servicer.

(2) Under a T1 arrangement, the institution must—

(i) Ensure that the student's consent to open the financial account is obtained before an access device, or any representation of an access device, is sent to the student, except that an institution may send the student an access device that is a card provided to the student for institutional purposes, such as a student ID card, so long as the institution or financial institution obtains the student's consent before

validating the device to enable the student to access the financial account;

(ii) Ensure that any personally identifiable information about a student that is shared with the third-party servicer before the student makes a selection under paragraph (d)(4)(i) of this section—

(A) Does not include information about the student, other than directory information under 34 CFR 99.3 that is disclosed pursuant to 34 CFR 99.31(a)(11) and 99.37, beyond—

(1) A unique student identifier generated by the institution that does not include a Social Security number, in whole or in part;

(2) The disbursement amount;

(3) A password, PIN code, or other shared secret provided by the institution that is used to identify the student; or

(4) Any additional items specified by the Secretary in a notice published in the FEDERAL REGISTER;

(B) Is used solely for activities that support making direct payments to the student and not for any other purpose; and

(C) Is not shared with any other affiliate or entity except for the purpose described in paragraph (e)(2)(ii)(B) of this section;

(iii) Inform the student of the terms and conditions of the financial account, as required under paragraph (d)(4)(i)(B)(2) of this section, before the financial account is opened;

(iv) Ensure that the student—

(A) Has convenient access to the funds in the financial account through a surcharge-free national or regional Automated Teller Machine (ATM) network that has ATMs sufficient in number and housed and serviced such that title IV funds are reasonably available to students, including at the times the institution or its third-party servicer makes direct payments into the financial accounts of those students;

(B) Does not incur any cost—

(1) For opening the financial account or initially receiving an access device;

(2) Assessed by the institution, third-party servicer, or a financial institution associated with the third-party servicer, when the student conducts point-of-sale transactions in a State; and

(3) For conducting a balance inquiry or withdrawal of funds at an ATM in a State that belongs to the surcharge-free regional or national network;

(v) Ensure that—

(A) The financial account or access device is not marketed or portrayed as, or converted into, a credit card;

(B) No credit is extended or associated with the financial account, and no fee is charged to the student for any transaction or withdrawal that exceeds the balance in the financial account or on the access device, except that a transaction or withdrawal that exceeds the balance may be permitted only for an inadvertently authorized overdraft, so long as no fee is charged to the student for such inadvertently authorized overdraft; and

(C) The institution, third-party servicer, or third-party servicer's associated financial institution provides a student accountholder convenient access to title IV, HEA program funds in part and in full up to the account balance via domestic withdrawals and transfers without charge, during the student's entire period of enrollment following the date that such title IV, HEA program funds are deposited or transferred to the financial account;

(vi) No later than September 1, 2016, and then no later than 60 days following the most recently completed award year thereafter, disclose conspicuously on the institution's Web site the contract(s) establishing the T1 arrangement between the institution and third-party servicer or financial institution acting on behalf of the third-party servicer, as applicable, except for any portions that, if disclosed, would compromise personal privacy, proprietary information technology, or the security of information technology or of physical facilities;

(vii) No later than September 1, 2017, and then no later than 60 days following the most recently completed award year thereafter, disclose conspicuously on the institution's Web site and in a format established by the Secretary—

(A) The total consideration for the most recently completed award year, monetary and non-monetary, paid or received by the parties under the terms of the contract; and

(B) For any year in which the institution's enrolled students open 30 or more financial accounts under the T1 arrangement, the number of students who had financial accounts under the contract at any time during the most recently completed award year, and the mean and median of the actual costs incurred by those account holders;

(viii) Provide to the Secretary an up-to-date URL for the contract and contract data as described in paragraph (e)(2)(vii) of this section for publication in a centralized database accessible to the public;

(ix) Ensure that the terms of the accounts offered pursuant to a T1 arrangement are not inconsistent with the best financial interests of the students opening them. The Secretary considers this requirement to be met if—

(A) The institution documents that it conducts reasonable due diligence reviews at least every two years to ascertain whether the fees imposed under the T1 arrangement are, considered as a whole, consistent with or below prevailing market rates; and

(B) All contracts for the marketing or offering of accounts pursuant to T1 arrangements to the institution's students make provision for termination of the arrangement by the institution based on complaints received from students or a determination by the institution under paragraph (e)(2)(ix)(A) of this section that the fees assessed under the T1 arrangement are not consistent with or are higher than prevailing market rates; and

(x) Take affirmative steps, by way of contractual arrangements with the third-party servicer as necessary, to ensure that requirements of this section are met with respect to all accounts offered pursuant to T1 arrangements.

(3) Except for paragraphs (e)(2)(ii)(B) and (C) of this section, the requirements of paragraph (e)(2) of this section no longer apply to a student who has an account described under paragraph (e)(1) of this section when the student is no longer enrolled at the institution and there are no pending title IV disbursements for that student, except that nothing in this paragraph (e)(3) should be construed to limit the

institution's responsibility to comply with paragraph (e)(2)(vii) of this section with respect to students enrolled during the award year for which the institution is reporting. To effectuate this provision, an institution may share information related to students' enrollment status with the servicer or entity that is party to the arrangement.

(f) *Tier two arrangement.* (1) In a Tier two (T2) arrangement, an institution located in a State has a contract with a financial institution, or entity that offers financial accounts through a financial institution, under which financial accounts are offered and marketed directly to students enrolled at the institution.

(2) Under a T2 arrangement, an institution must—

(i) Comply with the requirements described in paragraphs (d)(4)(i), (f)(4)(i) through (iii), (vii), and (ix) through (xi), and (f)(5) of this section if it has at least one student with a title IV credit balance in each of the three most recently completed award years, but has less than the number and percentage of students with credit balances as described in paragraphs (f)(2)(ii)(A) and (B) of this section; and

(ii) Comply with the requirements specified in paragraphs (d)(4)(i), (f)(4), and (f)(5) of this section if, for the three most recently completed award years—

(A) An average of 500 or more of its students had a title IV credit balance; or

(B) An average of five percent or more of the students enrolled at the institution had a title IV credit balance. The institution calculates this percentage as follows:

The average number of students with credit balances for the three most recently completed award years

The average number of students enrolled at the institution at any time during the three most recently completed award years.

(3) The Secretary considers that a financial account is marketed directly if—

(i) The institution communicates information directly to its students about the financial account and how it may be opened;

(ii) The financial account or access device is cobranded with the institution's name, logo, mascot, or other affiliation and is marketed principally to students at the institution; or

(iii) A card or tool that is provided to the student for institutional purposes, such as a student ID card, is validated, enabling the student to use the device to access a financial account.

(4) Under a T2 arrangement, the institution must—

(i) Ensure that the student's consent to open the financial account has been obtained before—

(A) The institution provides, or permits a third-party servicer to provide, any personally identifiable information about the student to the financial institution or its agents, other than directory information under 34 CFR 99.3 that is disclosed pursuant to 34 CFR 99.31(a)(11) and 99.37;

(B) An access device, or any representation of an access device, is sent to the student, except that an institution may send the student an access device that is a card provided to the student for institutional purposes, such as a student ID card, so long as the institution or financial institution obtains the student's consent before validating the device to enable the student to access the financial account;

(ii) Inform the student of the terms and conditions of the financial account as required under paragraph (d)(4)(i)(B)(2) of this section, before the financial account is opened;

(iii) No later than September 1, 2016, and then no later than 60 days following the most recently completed award year thereafter—

(A) Disclose conspicuously on the institution's Web site the contract(s) establishing the T2 arrangement between the institution and financial institution in its entirety, except for any portions that, if disclosed, would compromise personal privacy, proprietary information technology, or the security of information technology or of physical facilities; and

(B) Provide to the Secretary an up-to-date URL for the contract for publication in a centralized database accessible to the public;

(iv) No later than September 1, 2017, and then no later than 60 days following the most recently completed award year thereafter, disclose conspicuously on the institution's Web site and in a format established by the Secretary—

(A) The total consideration for the most recently completed award year, monetary and non-monetary, paid or received by the parties under the terms of the contract; and

(B) For any year in which the institution's enrolled students open 30 or more financial accounts marketed under the T2 arrangement, the number of students who had financial accounts under the contract at any time during the most recently completed award year, and the mean and median of the actual costs incurred by those account holders;

(v) Ensure that the items under paragraph (f)(4)(iv) of this section are posted at the URL that is sent to the Secretary under paragraph (f)(4)(iii)(B) of this section for publication in a centralized database accessible to the public;

(vi) Ensure that the student accountholder can execute balance inquiries and access funds deposited in the financial accounts through surcharge-free in-network ATMs sufficient in number and housed and serviced such that the funds are reasonably available to the accountholder, including at the times the institution or its third-party servicer makes direct payments into them;

(vii) Ensure that the financial accounts are not marketed or portrayed as, or converted into, credit cards;

(viii) Ensure that the terms of the accounts offered pursuant to a T2 arrangement are not inconsistent with the best financial interests of the students opening them. The Secretary considers this requirement to be met if—

(A) The institution documents that it conducts reasonable due diligence reviews at least every two years to ascertain whether the fees imposed under the T2 arrangement are, considered as a whole, consistent with or below prevailing market rates; and

(B) All contracts for the marketing or offering of accounts pursuant to T2

arrangements to the institution's students make provision for termination of the arrangement by the institution based on complaints received from students or a determination by the institution under paragraph (f)(4)(viii)(A) of this section that the fees assessed under the T2 arrangement are not consistent with or are above prevailing market rates;

(ix) Take affirmative steps, by way of contractual arrangements with the financial institution as necessary, to ensure that requirements of this section are met with respect to all accounts offered pursuant to T2 arrangements; and

(x) Ensure students incur no cost for opening the account or initially receiving or validating an access device.

(xi) If the institution enters into an agreement for the cobranding of a financial account with the institution's name, logo, mascot, or other affiliation but maintains that the account is not marketed principally to its enrolled students and is not otherwise marketed directly within the meaning of paragraph (f)(3) of this section, the institution must retain the cobranding contract and other documentation it believes establishes that the account is not marketed directly to its enrolled students, including documentation that the cobranded financial account or access device is offered generally to the public.

(xii) Institutions falling below the thresholds described in paragraph (f)(2) of this section are encouraged to comply voluntarily with the applicable provisions of paragraphs (f)(4) and (f)(5) of this section.

(5) The requirements of paragraph (f)(4) of this section no longer apply with respect to a student who has an account described under paragraph (f)(1) of this section when the student is no longer enrolled at the institution and there are no pending title IV disbursements, except that nothing in this paragraph should be construed to limit the institution's responsibility to comply with paragraph (f)(4)(iv) of this section with respect to students enrolled during the award year for which the institution is reporting. To effectuate this provision, an institution

may share information related to students' enrollment status with the financial institution or entity that is party to the arrangement.

(g) *Ownership of financial accounts opened through outreach to an institution's students.* Any financial account offered or marketed pursuant to an arrangement described in paragraph (e) or (f) of this section must meet the requirements of 31 CFR 210.5(a) or (b)(5), as applicable.

(h) *Title IV, HEA credit balances.* (1) A title IV, HEA credit balance occurs whenever the amount of title IV, HEA program funds credited to a student's ledger account for a payment period exceeds the amount assessed the student for allowable charges associated with that payment period as provided under paragraph (c) of this section.

(2) A title IV, HEA credit balance must be paid directly to the student or parent as soon as possible, but no later than—

(i) Fourteen (14) days after the balance occurred if the credit balance occurred after the first day of class of a payment period; or

(ii) Fourteen (14) days after the first day of class of a payment period if the credit balance occurred on or before the first day of class of that payment period.

(i) *Early disbursements.* (1) Except as provided in paragraph (i)(2) of this section, the earliest an institution may disburse title IV, HEA funds to an eligible student or parent is—

(i) If the student is enrolled in a credit-hour program offered in terms that are substantially equal in length, 10 days before the first day of classes of a payment period; or

(ii) If the student is enrolled in a credit-hour program offered in terms that are not substantially equal in length, a non-term credit-hour program, or a clock-hour program, the later of—

(A) Ten days before the first day of classes of a payment period; or

(B) The date the student completed the previous payment period for which he or she received title IV, HEA program funds.

(2) An institution may not—

(i) Make an early disbursement of a Direct Loan to a first-year, first-time

borrower who is subject to the 30-day delayed disbursement requirements in 34 CFR 685.303(b)(5). This restriction does not apply if the institution is exempt from the 30-day delayed disbursement requirements under 34 CFR 685.303(b)(5)(i)(A) or (B); or

(ii) Compensate a student employed under the FWS program until the student earns that compensation by performing work, as provided in 34 CFR 675.16(a)(5).

(j) *Late disbursements—*(1) *Ineligible student.* For purposes of this paragraph (j), an otherwise eligible student becomes ineligible to receive title IV, HEA program funds on the date that—

(i) For a Direct Loan, the student is no longer enrolled at the institution as at least a half-time student for the period of enrollment for which the loan was intended; or

(ii) For an award under the Federal Pell Grant, FSEOG, Federal Perkins Loan, Iraq-Afghanistan Service Grant, and TEACH Grant programs, the student is no longer enrolled at the institution for the award year.

(2) *Conditions for a late disbursement.* Except as limited under paragraph (j)(4) of this section, a student who becomes ineligible, as described in paragraph (j)(1) of this section, qualifies for a late disbursement (and the parent qualifies for a parent Direct PLUS Loan disbursement) if, before the date the student became ineligible—

(i) The Secretary processed a SAR or ISIR with an official expected family contribution for the student for the relevant award year; and

(ii)(A) For a loan made under the Direct Loan program or for an award made under the TEACH Grant program, the institution originated the loan or award; or

(B) For an award under the Federal Perkins Loan or FSEOG programs, the institution made that award to the student.

(3) *Making a late disbursement.* Provided that the conditions described in paragraph (j)(2) of this section are satisfied—

(i) If the student withdrew from the institution during a payment period or period of enrollment, the institution must make any post-withdrawal disbursement required under § 668.22(a)(4)

in accordance with the provisions of § 668.22(a)(5);

(ii) If the student completed the payment period or period of enrollment, the institution must provide the student or parent the choice to receive the amount of title IV, HEA program funds that the student or parent was eligible to receive while the student was enrolled at the institution. For a late disbursement in this circumstance, the institution may credit the student's ledger account as provided in paragraph (c) of this section, but must pay or offer any remaining amount to the student or parent; or

(iii) If the student did not withdraw but ceased to be enrolled as at least a half-time student, the institution may make the late disbursement of a loan under the Direct Loan program to pay for educational costs that the institution determines the student incurred for the period in which the student or parent was eligible.

(4) *Limitations.* (i) An institution may not make a late disbursement later than 180 days after the date the institution determines that the student withdrew, as provided in § 668.22, or for a student who did not withdraw, 180 days after the date the student otherwise became ineligible, pursuant to paragraph (j)(1) of this section.

(ii) An institution may not make a late second or subsequent disbursement of a loan under the Direct Loan program unless the student successfully completed the period of enrollment for which the loan was intended.

(iii) An institution may not make a late disbursement of a Direct Loan if the student was a first-year, first-time borrower as described in 34 CFR 685.303(b)(5) unless the student completed the first 30 days of his or her program of study. This limitation does not apply if the institution is exempt from the 30-day delayed disbursement requirements under 34 CFR 685.303(b)(5)(i)(A) or (B).

(iv) An institution may not make a late disbursement of any title IV, HEA program assistance unless it received a valid SAR or a valid ISIR for the student by the deadline date established by the Secretary in a notice published in the FEDERAL REGISTER.

(k) *Retroactive payments.* If an institution did not make a disbursement to an enrolled student for a payment period the student completed (for example, because of an administrative delay or because the student's ISIR was not available until a subsequent payment period), the institution may pay the student for all prior payment periods in the current award year or loan period for which the student was eligible. For Pell Grant payments under this paragraph (k), the student's enrollment status must be determined according to work already completed, as required by 34 CFR 690.76(b).

(l) *Returning funds.* (1) Notwithstanding any State law (such as a law that allows funds to escheat to the State), an institution must return to the Secretary any title IV, HEA program funds, except FWS program funds, that it attempts to disburse directly to a student or parent that are not received by the student or parent. For FWS program funds, the institution is required to return only the Federal portion of the payroll disbursement.

(2) If an EFT to a student's or parent's financial account is rejected, or a check to a student or parent is returned, the institution may make additional attempts to disburse the funds, provided that those attempts are made not later than 45 days after the EFT was rejected or the check returned. In cases where the institution does not make another attempt, the funds must be returned to the Secretary before the end of this 45-day period.

(3) If a check sent to a student or parent is not returned to the institution but is not cashed, the institution must return the funds to the Secretary no later than 240 days after the date it issued the check.

(m) *Provisions for books and supplies.* (1) An institution must provide a way for a student who is eligible for title IV, HEA program funds to obtain or purchase, by the seventh day of a payment period, the books and supplies applicable to the payment period if, 10 days before the beginning of the payment period—

(i) The institution could disburse the title IV, HEA program funds for which the student is eligible; and

(ii) Presuming the funds were disbursed, the student would have a credit balance under paragraph (h) of this section.

(2) The amount the institution provides to the student to obtain or purchase books and supplies is the lesser of the presumed credit balance under this paragraph or the amount needed by the student, as determined by the institution.

(3) The institution must have a policy under which the student may opt out of the way the institution provides for the student to obtain or purchase books and supplies under this paragraph (m). A student who opts out under this paragraph is considered to also opt out under paragraph (c)(2)(i)(C) of this section;

(4) If a student uses the method provided by the institution to obtain or purchase books and supplies under this paragraph, the student is considered to have authorized the use of title IV, HEA funds and the institution does not need to obtain a written authorization under paragraph (c)(1)(ii) of this section and § 668.165(b) for this purpose.

§ 668.165 Notices and authorizations.

(a) *Notices.* (1) Before an institution disburses title IV, HEA program funds for any award year, the institution must notify a student of the amount of funds that the student or his or her parent can expect to receive under each title IV, HEA program, and how and when those funds will be disbursed. If those funds include Direct Loan program funds, the notice must indicate which funds are from subsidized loans, which are from unsubsidized loans, and which are from PLUS loans.

(2) Except in the case of a post-withdrawal disbursement made in accordance with § 668.22(a)(5), if an institution credits a student ledger account with Direct Loan, Federal Perkins Loan, or TEACH Grant program funds, the institution must notify the student or parent of—

(i) The anticipated date and amount of the disbursement;

(ii) The student's or parent's right to cancel all or a portion of that loan, loan disbursement, TEACH Grant, or

TEACH Grant disbursement and have the loan proceeds or TEACH Grant proceeds returned to the Secretary; and

(iii) The procedures and time by which the student or parent must notify the institution that he or she wishes to cancel the loan, loan disbursement, TEACH Grant, or TEACH Grant disbursement.

(3) The institution must provide the notice described in paragraph (a)(2) of this section in writing—

(i) No earlier than 30 days before, and no later than 30 days after, crediting the student's ledger account at the institution, if the institution obtains affirmative confirmation from the student under paragraph (a)(6)(i) of this section; or

(ii) No earlier than 30 days before, and no later than seven days after, crediting the student's ledger account at the institution, if the institution does not obtain affirmative confirmation from the student under paragraph (a)(6)(i) of this section.

(4)(i) A student or parent must inform the institution if he or she wishes to cancel all or a portion of a loan, loan disbursement, TEACH Grant, or TEACH Grant disbursement.

(ii) The institution must return the loan or TEACH Grant proceeds, cancel the loan or TEACH Grant, or do both, in accordance with program regulations provided that the institution receives a loan or TEACH Grant cancellation request—

(A) By the later of the first day of a payment period or 14 days after the date it notifies the student or parent of his or her right to cancel all or a portion of a loan or TEACH Grant, if the institution obtains affirmative confirmation from the student under paragraph (a)(6)(i) of this section; or

(B) Within 30 days of the date the institution notifies the student or parent of his or her right to cancel all or a portion of a loan, if the institution does not obtain affirmative confirmation from the student under paragraph (a)(6)(i) of this section.

(iii) If a student or parent requests a loan cancellation after the period set forth in paragraph (a)(4)(ii) of this section, the institution may return the loan or TEACH Grant proceeds, cancel the loan or TEACH Grant, or do both,

in accordance with program regulations.

(5) An institution must inform the student or parent in writing regarding the outcome of any cancellation request.

(6) For purposes of this section—

(i) Affirmative confirmation is a process under which an institution obtains written confirmation of the types and amounts of title IV, HEA program loans that a student wants for the period of enrollment before the institution credits the student's account with those loan funds. The process under which the TEACH Grant program is administered is considered to be an affirmative confirmation process; and

(ii) An institution is not required by this section to return any loan or TEACH Grant proceeds that it disbursed directly to a student or parent.

(b) *Student or parent authorizations.* (1) If an institution obtains written authorization from a student or parent, as applicable, the institution may—

(i) Use the student's or parent's title IV, HEA program funds to pay for charges described in § 668.164(c)(1)(ii) or (c)(3)(i)(B) that are included in that authorization; and

(ii) Unless the Secretary provides funds to the institution under the reimbursement payment method or the heightened cash monitoring payment method described in § 668.162(c) or (d), respectively, hold on behalf of the student or parent any title IV, HEA program funds that would otherwise be paid directly to the student or parent as a credit balance under § 668.164(h).

(2) In obtaining the student's or parent's authorization to perform an activity described in paragraph (b)(1) of this section, an institution—

(i) May not require or coerce the student or parent to provide that authorization;

(ii) Must allow the student or parent to cancel or modify that authorization at any time; and

(iii) Must clearly explain how it will carry out that activity.

(3) A student or parent may authorize an institution to carry out the activities described in paragraph (b)(1) of this section for the period during which the student is enrolled at the institution.

(4)(i) If a student or parent modifies an authorization, the modification takes effect on the date the institution receives the modification notice.

(ii) If a student or parent cancels an authorization to use title IV, HEA program funds to pay for authorized charges under paragraph (a)(4) of this section, the institution may use title IV, HEA program funds to pay only those authorized charges incurred by the student before the institution received the notice.

(iii) If a student or parent cancels an authorization to hold title IV, HEA program funds under paragraph (b)(1)(ii) of this section, the institution must pay those funds directly to the student or parent as soon as possible but no later than 14 days after the institution receives that notice.

(5) If an institution holds excess student funds under paragraph (b)(1)(ii) of this section, the institution must—

(i) Identify the amount of funds the institution holds for each student or parent in a subsidiary ledger account designed for that purpose;

(ii) Maintain, at all times, cash in its depository account in an amount at least equal to the amount of funds the institution holds on behalf of the student or the parent; and

(iii) Notwithstanding any authorization obtained by the institution under this paragraph, pay any remaining balance on loan funds by the end of the loan period and any remaining other title IV, HEA program funds by the end of the last payment period in the award year for which they were awarded.

§ 668.166 Excess cash.

(a) *General.* The Secretary considers excess cash to be any amount of title IV, HEA program funds, other than Federal Perkins Loan program funds, that an institution does not disburse to students by the end of the third business day following the date the institution—

(1) Received those funds from the Secretary; or

(2) Deposited or transferred to its depository account previously disbursed title IV, HEA program funds, such as

those resulting from award adjustments, recoveries, or cancellations.

(b) *Excess cash tolerance.* An institution may maintain for up to seven days an amount of excess cash that does not exceed one percent of the total amount of funds the institution drew down in the prior award year. The institution must return immediately to the Secretary any amount of excess cash over the one-percent tolerance and any amount of excess cash remaining in its account after the seven-day tolerance period.

(c) *Consequences for maintaining excess cash.* Upon a finding that an institution maintained excess cash for any amount or time over that allowed in the tolerance provisions in paragraph (b) of this section, the actions the Secretary may take include, but are not limited to—

(1) Requiring the institution to reimburse the Secretary for the costs the Federal government incurred in providing that excess cash to the institution; and

(2) Providing funds to the institution under the reimbursement payment method or heightened cash monitoring payment method described in § 668.162(c) and (d), respectively.

If any provision of this subpart or its application to any person, act, or practice is held invalid, the remainder of the section or the application of its provisions to any person, act, or practice shall not be affected thereby.

Subpart L—Financial Responsibility

SOURCE: 62 FR 62877, Nov. 25, 1997, unless otherwise noted.

§ 668.171 General.

(a) *Purpose.* To begin and to continue to participate in any title IV, HEA program, an institution must demonstrate to the Secretary that it is financially responsible under the standards established in this subpart. As provided under section 498(c)(1) of the HEA, the Secretary determines whether an institution is financially responsible based on the institution's ability to—

(1) Provide the services described in its official publications and statements;

(2) Meet all of its financial obligations; and

(3) Provide the administrative resources necessary to comply with title IV, HEA program requirements.

(b) *General standards of financial responsibility.* Except as provided under paragraphs (c), (d), and (h) of this section, the Secretary considers an institution to be financially responsible if the Secretary determines that—

(1) The institution's Equity, Primary Reserve, and Net Income ratios yield a composite score of at least 1.5, as provided under § 668.172 and appendices A and B to this subpart;

(2) The institution has sufficient cash reserves to make required returns of unearned title IV, HEA program funds, as provided under § 668.173;

(3) The institution is able to meet all of its financial obligations and provide the administrative resources necessary to comply with title IV, HEA program requirements. An institution is not deemed able to meet its financial or administrative obligations if—

(i) It fails to make refunds under its refund policy or return title IV, HEA program funds for which it is responsible under § 668.22;

(ii) It fails to make repayments to the Secretary for any debt or liability arising from the institution's participation in the title IV, HEA programs; or

(iii) It is subject to an action or event described in paragraph (c) of this section (mandatory triggering events), or an action or event that the Secretary determines is likely to have a material adverse effect on the financial condition of the institution under paragraph (d) of this section (discretionary triggering events); and

(4) The institution or persons affiliated with the institution are not subject to a condition of past performance under § 668.174(a) or (b).

(c) *Mandatory triggering events.* An institution is not able to meet its financial or administrative obligations under paragraph (b)(3)(iii) of this section if—

(1) After the end of the fiscal year for which the Secretary has most recently

calculated an institution's composite score, one or more of the following occurs:

(i)(A) The institution incurs a liability from a settlement, final judgment, or final determination arising from an administrative or judicial action or proceeding initiated by a Federal or State entity. A determination arising from an administrative action or proceeding initiated by a Federal or State entity means the determination was made only after an institution had notice and an opportunity to submit its position before a hearing official. A final determination arising from an administrative action or proceeding initiated by a Federal entity includes a final determination arising from any administrative action or proceeding initiated by the Secretary. For purposes of this section, the liability is the amount stated in the final judgment or final determination. A judgment or determination becomes final when the institution does not appeal or when the judgment or determination is not subject to further appeal; or

(B) For a proprietary institution whose composite score is less than 1.5, there is a withdrawal of owner's equity from the institution by any means (*e.g.*, a capital distribution that is the equivalent of wages in a sole proprietorship or partnership, a distribution of dividends or return of capital, or a related party receivable), unless the withdrawal is a transfer to an entity included in the affiliated entity group on whose basis the institution's composite score was calculated; and

(ii) As a result of that liability or withdrawal, the institution's recalculated composite score is less than 1.0, as determined by the Secretary under paragraph (e) of this section.

(2) For a publicly traded institution—

(i) The U.S. Securities and Exchange Commission (SEC) issues an order suspending or revoking the registration of the institution's securities pursuant to Section 12(j) of the Securities and Exchange Act of 1934 (the "Exchange Act") or suspends trading of the institution's securities on any national securities exchange pursuant to Section 12(k) of the Exchange Act; or

(ii) The national securities exchange on which the institution's securities

are traded notifies the institution that it is not in compliance with the exchange's listing requirements and, as a result, the institution's securities are delisted, either voluntarily or involuntarily, pursuant to the rules of the relevant national securities exchange.

(iii) The SEC is not in timely receipt of a required report and did not issue an extension to file the report.

(3) For the period described in (c)(1) of this section, when the institution is subject to two or more discretionary triggering events, as defined in paragraph (d) of this section, those events become mandatory triggering events, unless a triggering event is resolved before any subsequent event(s) occurs.

(d) *Discretionary triggering events.* The Secretary may determine that an institution is not able to meet its financial or administrative obligations under paragraph (b)(3)(iii) of this section if any of the following events is likely to have a material adverse effect on the financial condition of the institution—

(1) The accrediting agency for the institution issued an order, such as a show cause order or similar action, that, if not satisfied, could result in the withdrawal, revocation or suspension of institutional accreditation for failing to meet one or more of the agency's standards;

(2)(i) The institution violated a provision or requirement in a security or loan agreement with a creditor; and

(ii) As provided under the terms of that security or loan agreement, a monetary or nonmonetary default or delinquency event occurs, or other events occur, that trigger or enable the creditor to require or impose on the institution, an increase in collateral, a change in contractual obligations, an increase in interest rates or payments, or other sanctions, penalties, or fees;

(3) The institution's State licensing or authorizing agency notified the institution that it has violated a State licensing or authorizing agency requirement and that the agency intends to withdraw or terminate the institution's licensure or authorization if the institution does not take the steps necessary to come into compliance with that requirement;

(4) For its most recently completed fiscal year, a proprietary institution

did not receive at least 10 percent of its revenue from sources other than title IV, HEA program funds, as provided under § 668.28(c);

(5) As calculated by the Secretary, the institution has high annual drop-out rates; or

(6) The institution's two most recent official cohort default rates are 30 percent or greater, as determined under subpart N of this part, unless—

(i) The institution files a challenge, request for adjustment, or appeal under that subpart with respect to its rates for one or both of those fiscal years; and

(ii) That challenge, request, or appeal remains pending, results in reducing below 30 percent the official cohort default rate for either or both of those years, or precludes the rates from either or both years from resulting in a loss of eligibility or provisional certification.

(e) *Recalculating the composite score.* The Secretary recalculates an institution's most recent composite score by recognizing the actual amount of the liability, or cumulative liabilities, incurred by an institution under paragraph (c)(1)(i)(A) of this section as an expense or accounting for the actual withdrawal, or cumulative withdrawals, of owner's equity under paragraph (c)(1)(i)(B) of this section as a reduction in equity, and accounts for that expense or withdrawal by—

(1) For liabilities incurred by a proprietary institution—

(i) For the primary reserve ratio, increasing expenses and decreasing adjusted equity by that amount;

(ii) For the equity ratio, decreasing modified equity by that amount; and

(iii) For the net income ratio, decreasing income before taxes by that amount;

(2) For liabilities incurred by a non-profit institution—

(i) For the primary reserve ratio, increasing expenses and decreasing expendable net assets by that amount;

(ii) For the equity ratio, decreasing modified net assets by that amount; and

(iii) For the net income ratio, decreasing change in net assets without donor restrictions by that amount; and

(3) For the amount of owner's equity withdrawn from a proprietary institution—

(i) For the primary reserve ratio, decreasing adjusted equity by that amount; and

(ii) For the equity ratio, decreasing modified equity by that amount.

(f) *Reporting requirements.* (1) In accordance with procedures established by the Secretary, an institution must notify the Secretary of the following actions or events—

(i) For a liability incurred under paragraph (c)(1)(i)(A) of this section, no later than 10 days after the date of written notification to the institution of the final judgment or final determination;

(ii) For a withdrawal of owner's equity described in paragraph (c)(1)(i)(B) of this section—

(A) For a capital distribution that is the equivalent of wages in a sole proprietorship or partnership, no later than 10 days after the date the Secretary notifies the institution that its composite score is less than 1.5. In response to that notice, the institution must report the total amount of the wage-equivalent distributions it made during its prior fiscal year and any distributions that were made to pay any taxes related to the operation of the institution. During its current fiscal year and the first six months of its subsequent fiscal year (18-month period), the institution is not required to report any distributions to the Secretary, provided that the institution does not make wage-equivalent distributions that exceed 150 percent of the total amount of wage-equivalent distributions it made during its prior fiscal year, less any distributions that were made to pay any taxes related to the operation of the institution. However, if the institution makes wage-equivalent distributions that exceed 150 percent of the total amount of wage-equivalent distributions it made during its prior fiscal year less any distributions that were made to pay any taxes related to the operation of the institution at any time during the 18-month period, it must report each of those distributions no later than 10 days after they are made, and the Secretary recalculates the institution's composite

score based on the cumulative amount of the distributions made at that time;

(B) For a distribution of dividends or return of capital, no later than 10 days after the dividends are declared or the amount of return of capital is approved; or

(C) For a related party receivable, not later than 10 days after that receivable occurs;

(iii) For the provisions relating to a publicly traded institution under paragraph (c)(2) of this section, no later than 10 days after the date that—

(A) The SEC issues an order suspending or revoking the registration of the institution's securities pursuant to Section 12(j) of the Exchange Act or suspends trading of the institution's securities on any national securities exchange pursuant to Section 12(k) of the Exchange Act; or

(B) The national securities exchange on which the institution's securities are traded involuntarily delists its securities, or the institution voluntarily delists its securities, pursuant to the rules of the relevant national securities exchange;

(iv) For an action under paragraph (d)(1) of this section, 10 days after the date on which the institution is notified by its accrediting agency of that action;

(v) For the loan agreement provisions in paragraph (d)(2) of this section, 10 days after a loan violation occurs, the creditor waives the violation, or the creditor imposes sanctions or penalties in exchange or as a result of granting the waiver;

(vi) For a State agency notice relating to terminating an institution's license or authorization under paragraph (d)(3) of this section, 10 days after the date on which the institution receives that notice; and

(vii) For the non-title IV revenue provision in paragraph (d)(4) of this section, no later than 45 days after the end of the institution's fiscal year, as provided in § 668.28(c)(3).

(2) The Secretary may take an administrative action under paragraph (i) of this section against an institution, or determine that the institution is not financially responsible, if it fails to provide timely notice to the Secretary as provided under paragraph (f)(1) of

this section, or fails to respond, within the timeframe specified by the Secretary, to any determination made, or request for information, by the Secretary under paragraph (f)(3) of this section.

(3)(i) In its notice to the Secretary under this paragraph, or in its response to a preliminary determination by the Secretary that the institution is not financially responsible because of a triggering event under paragraph (c) or (d) of this section, in accordance with procedures established by the Secretary, the institution may—

(A) Demonstrate that the reported withdrawal of owner's equity under paragraph (c)(1)(i)(B) of this section was used exclusively to meet tax liabilities of the institution or its owners for income derived from the institution;

(B) Show that the creditor waived a violation of a loan agreement under paragraph (d)(2) of this section. However, if the creditor imposes additional constraints or requirements as a condition of waiving the violation, or imposes penalties or requirements under paragraph (d)(2)(ii) of this section, the institution must identify and describe those penalties, constraints, or requirements and demonstrate that complying with those actions will not adversely affect the institution's ability to meet its financial obligations;

(C) Show that the triggering event has been resolved, or demonstrate that the institution has insurance that will cover all or part of the liabilities that arise under paragraph (c)(1)(i)(A) of this section; or

(D) Explain or provide information about the conditions or circumstances that precipitated a triggering event under paragraph (c) or (d) of this section that demonstrates that the triggering event has not or will not have a material adverse effect on the institution.

(ii) The Secretary will consider the information provided by the institution in determining whether to issue a final determination that the institution is not financially responsible.

(g) *Public institutions.* (1) The Secretary considers a domestic public institution to be financially responsible if the institution—

(i)(A) Notifies the Secretary that it is designated as a public institution by the State, local, or municipal government entity, tribal authority, or other government entity that has the legal authority to make that designation; and

(B) Provides a letter from an official of that State or other government entity confirming that the institution is a public institution; and

(ii) Is not subject to a condition of past performance under § 668.174.

(2) The Secretary considers a foreign public institution to be financially responsible if the institution—

(i)(A) Notifies the Secretary that it is designated as a public institution by the country or other government entity that has the legal authority to make that designation; and

(B) Provides documentation from an official of that country or other government entity confirming that the institution is a public institution and is backed by the full faith and credit of the country or other government entity; and

(ii) Is not subject to a condition of past performance under § 668.174.

(h) *Audit opinions and disclosures.* Even if an institution satisfies all of the general standards of financial responsibility under paragraph (b) of this section, the Secretary does not consider the institution to be financially responsible if, in the institution's audited financial statements, the opinion expressed by the auditor was an adverse, qualified, or disclaimed opinion, or the financial statements contain a disclosure in the notes to the financial statements that there is substantial doubt about the institution's ability to continue as a going concern as required by accounting standards, unless the Secretary determines that a qualified or disclaimed opinion does not have a significant bearing on the institution's financial condition, or that the substantial doubt about the institution's ability to continue as going concern has been alleviated.

(i) *Administrative actions.* If the Secretary determines that an institution is not financially responsible under the standards and provisions of this section or under an alternative standard in § 668.175, or the institution does not submit its financial and compliance audits by the date and in the manner required under § 668.23, the Secretary may—

(1) Initiate an action under subpart G of this part to fine the institution, or limit, suspend, or terminate the institution's participation in the title IV, HEA programs; or

(2) For an institution that is provisionally certified, take an action against the institution under the procedures established in § 668.13(d).

[84 FR 49911, Sept. 23, 2019]

§ 668.172 Financial ratios.

(a) *Appendices A and B, ratio methodology.* As provided under appendices A and B to this subpart, the Secretary determines an institution's composite score by—

(1) Calculating the result of its Primary Reserve, Equity, and Net Income ratios, as described under paragraph (b) of this section;

(2) Calculating the strength factor score for each of those ratios by using the corresponding algorithm;

(3) Calculating the weighted score for each ratio by multiplying the strength factor score by its corresponding weighting percentage;

(4) Summing the resulting weighted scores to arrive at the composite score; and

(5) Rounding the composite score to one digit after the decimal point.

(b) *Ratios.* The Primary Reserve, Equity, and Net Income ratios are defined under appendix A for proprietary institutions, and under appendix B for private non-profit institutions.

(1) The ratios for proprietary institutions are:

For proprietary institutions:

$$\begin{aligned}\text{Primary Reserve ratio} &= \frac{\text{Adjusted Equity}}{\text{Total Expenses}} \\ \text{Equity ratio} &= \frac{\text{Modified Equity}}{\text{Modified Assets}} \\ \text{Net Income ratio} &= \frac{\text{Income Before Taxes}}{\text{Total Revenues}}\end{aligned}$$

(2) The ratios for private non-profit institutions are:

$$\begin{aligned}\text{Primary Reserve ratio} &= \frac{\text{Expendable Net Assets}}{\text{Total Expenses}} \\ \text{Equity Ratio} &= \frac{\text{Modified Net Assets}}{\text{Modified Assets}} \\ \text{Net Income ratio} &= \frac{\text{Change in Unrestricted Net Assets}}{\text{Total Unrestricted Revenues}}\end{aligned}$$

(c) *Excluded items.* In calculating an institution's ratios, the Secretary—

(1) Generally excludes extraordinary gains or losses, income or losses from discontinued operations, prior period adjustments, the cumulative effect of changes in accounting principles, and the effect of changes in accounting estimates;

(2) May include or exclude the effects of questionable accounting treatments, such as excessive capitalization of marketing costs;

(3) Excludes all unsecured or uncollateralized related-party receivables;

(4) Excludes all intangible assets defined as intangible in accordance with generally accepted accounting principles; and

(5) Excludes from the ratio calculations Federal funds provided to an institution by the Secretary under program authorized by the HEA only if—

(i) In the notes to the institution's audited financial statement, or as a separate attestation, the auditor discloses by name and CFDA number, the amount of HEA program funds reported as expenses in the Statement of Activities for the fiscal year covered by that audit or attestation; and

(ii) The institution's composite score, as determined by the Secretary, is less than 1.5 before the reported expenses arising from those HEA funds are excluded from the ratio calculations.

(d) *Accounting for operating leases.* The Secretary accounts for operating leases by—

(1) Applying FASB Accounting Standards Update (ASU) 2016-02, Leases (Topic 842) to all leases the institution has entered into on or after December 15, 2018 (post-implementation operating/financing leases), as specified in the Supplemental Schedule (see Section 2 of Appendix A to this subpart and Section 2 of Appendix B to this subpart);

(2) Treating leases the institution entered into prior to December 15, 2018 (pre-implementation operating/financing leases), as they would have been treated prior to the requirements of ASU 2016-02, as long as the institution provides information about those leases on the Supplemental Schedule and a note in, or on the face of, its audited financial statements; and

(3) Accounting for any adjustments, such as any options exercised by the institution to extend the life of a pre-implementation operating/finance

lease, as post-implementation operating/finance leases.

§ 668.173 Refund reserve standards.

(a) *General.* The Secretary considers that an institution has sufficient cash reserves, as required under § 668.171(b)(2), if the institution—

(1) Satisfies the requirements for a public institution under § 668.171(c)(1);

(2) Is located in a State that has a tuition recovery fund approved by the Secretary and the institution contributes to that fund; or

(3) Returns, in a timely manner as described in paragraph (b) of this section, unearned title IV, HEA program funds that it is responsible for returning under the provisions of § 668.22 for a student that withdrew from the institution.

(b) *Timely return of title IV, HEA program funds.* In accordance with procedures established by the Secretary or FFEL Program lender, an institution returns unearned title IV, HEA program funds timely if—

(1) The institution deposits or transfers the funds into the bank account it maintains under § 668.163 no later than 45 days after the date it determines that the student withdrew;

(2) The institution initiates an electronic funds transfer (EFT) no later than 45 days after the date it determines that the student withdrew;

(3) The institution initiates an electronic transaction, no later than 45 days after the date it determines that the student withdrew, that informs a FFEL lender to adjust the borrower's loan account for the amount returned; or

(4) The institution issues a check no later than 45 days after the date it determines that the student withdrew. An institution does not satisfy this requirement if—

(i) The institution's records show that the check was issued more than 45 days after the date the institution determined that the student withdrew; or

(ii) The date on the cancelled check shows that the bank used by the Secretary or FFEL Program lender endorsed that check more than 60 days after the date the institution determined that the student withdrew.

(c) *Compliance thresholds.* (1) An institution does not comply with the reserve standard under § 668.173(a)(3) if, in a compliance audit conducted under § 668.23, an audit conducted by the Office of the Inspector General, or a program review conducted by the Department or guaranty agency, the auditor or reviewer finds—

(i) In the sample of student records audited or reviewed that the institution did not return unearned title IV, HEA program funds within the timeframes described in paragraph (b) of this section for 5% or more of the students in the sample. (For purposes of determining this percentage, the sample includes only students for whom the institution was required to return unearned funds during its most recently completed fiscal year.); or

(ii) A material weakness or reportable condition in the institution's report on internal controls relating to the return of unearned title IV, HEA program funds.

(2) The Secretary does not consider an institution to be out of compliance

with the reserve standard under § 668.173(a)(3) if the institution is cited in any audit or review report because it did not return unearned funds in a timely manner for one or two students, or for less than 5% of the students in the sample referred to in paragraph (c)(1)(i) of this section.

(d) *Letter of credit.* (1) Except as provided under paragraph (e)(1) of this section, an institution that can satisfy the reserve standard only under paragraph (a)(3) of this section, must submit an irrevocable letter of credit acceptable and payable to the Secretary if a finding in an audit or review shows that the institution exceeded the compliance thresholds in paragraph (c) of this section for either of its two most recently completed fiscal years.

(2) The amount of the letter of credit required under paragraph (d)(1) of this section is 25 percent of the total amount of unearned title IV, HEA program funds that the institution was required to return under § 668.22 during the institution's most recently completed fiscal year.

(3) An institution that is subject to paragraph (d)(1) of this section must submit to the Secretary a letter of credit no later than 30 days after the earlier of the date that—

- (i) The institution is required to submit its compliance audit;
- (ii) The Office of the Inspector General issues a final audit report;
- (iii) The designated department official issues a final program review determination;
- (iv) The Department issues a preliminary program review report or draft audit report, or a guaranty agency issues a preliminary report showing that the institution did not return unearned funds for more than 10% of the sampled students; or
- (v) The Secretary sends a written notice to the institution requesting the letter of credit that explains why the institution has failed to return unearned funds in a timely manner.

(e) *Exceptions.* With regard to the letter of credit described in paragraph (d) of this section—

- (1) An institution does not have to submit the letter of credit if the amount calculated under paragraph (d)(2) of this section is less than \$5,000

and the institution can demonstrate that it has cash reserves of at least \$5,000 available at all times.

(2) An institution may delay submitting the letter of credit and request the Secretary to reconsider a finding made in its most recent audit or review report that it failed to return unearned title IV, HEA program funds in a timely manner if—

(i)(A) The institution submits documents showing that the unearned title IV, HEA program funds were not returned in a timely manner solely because of exceptional circumstances beyond the institution's control and that the institution would not have exceeded the compliance thresholds under paragraph (c)(1) of this section had it not been for these exceptional circumstances; or

(B) The institution submits documents showing that it did not fail to make timely refunds as provided under paragraphs (b) and (c) of this section; and

(ii) The institution's request, along with the documents described in paragraph (e)(2)(i) of this section, is submitted to the Secretary no later than the date it would otherwise be required to submit a letter of credit under paragraph (d)(3).

(3) If the Secretary denies the institution's request under paragraph (e)(2) of this section, the Secretary notifies the institution of the date it must submit the letter of credit.

(f) *State tuition recovery funds.* In determining whether to approve a State's tuition recovery fund, the Secretary considers the extent to which that fund—

- (1) Provides refunds to both in-State and out-of-State students;
- (2) Allocates all refunds in accordance with the order required under § 668.22; and
- (3) Provides a reliable mechanism for the State to replenish the fund should

any claims arise that deplete the fund's assets.

§ 668.174 Past performance.

(a) *Past performance of an institution.* An institution is not financially responsible if the institution—

(1) Has been limited, suspended, terminated, or entered into a settlement agreement to resolve a limitation, suspension, or termination action initiated by the Secretary or a guaranty agency, as defined in 34 CFR part 682, within the preceding five years;

(2) In either of its two most recent compliance audits had an audit finding, or in a report issued by the Secretary had a program review finding for its current fiscal year or either of its preceding two fiscal years, that resulted in the institution's being required to repay an amount greater than 5 percent of the funds that the institution received under the title IV, HEA programs during the year covered by that audit or program review;

(3) Has been cited during the preceding five years for failure to submit in a timely fashion acceptable compliance and financial statement audits required under this part, or acceptable audit reports required under the individual title IV, HEA program regulations; or

(4) Has failed to resolve satisfactorily any compliance problems identified in audit or program review reports based upon a final decision of the Secretary issued pursuant to subpart G or H of this part.

(b) *Past performance of persons affiliated with an institution.* (1)(i) Except as provided under paragraph (b)(2) of this section, an institution is not financially responsible if a person who exercises substantial control over the institution, as described under 34 CFR 600.30, or any member or members of that person's family, alone or together—

(A) Exercises or exercised substantial control over another institution or a third-party servicer that owes a liability for a violation of a title IV, HEA program requirement; or

(B) Owes a liability for a violation of a title IV, HEA program requirement; and

(ii) That person, family member, institution, or servicer does not demonstrate that the liability is being repaid in accordance with an agreement with the Secretary.

(2) The Secretary may determine that an institution is financially responsible, even if the institution is not otherwise financially responsible under paragraph (b)(1) of this section, if—

(i) The institution notifies the Secretary, within the time permitted and in the manner provided under 34 CFR 600.30, that the person referenced in paragraph (b)(1) of this section exercises substantial control over the institution; and

(ii) The person referenced in paragraph (b)(1) of this section repaid to the Secretary a portion of the applicable liability, and the portion repaid equals or exceeds the greater of—

(B) The total percentage of the ownership interest held in the institution or servicer that owes the liability that the person or any member or members of the person's family, either alone or in combination with one another, represents or represented under a voting trust, power of attorney, proxy, or similar agreement; or

(C) Twenty-five percent, if the person or any member of the person's family is or was a member of the board of directors, chief executive officer, or other executive officer of the institution or servicer that owes the liability, or of an entity holding at least a 25 percent ownership interest in the institution that owes the liability; or

§ 668.175

34 CFR Ch. VI (7–1–20 Edition)

(iii) The applicable liability described in paragraph (b)(1) of this section is currently being repaid in accordance with a written agreement with the Secretary; or

(iv) The institution demonstrates to the satisfaction of the Secretary why—

(A) The person who exercises substantial control over the institution should nevertheless be considered to lack that control; or

(B) The person who exercises substantial control over the institution and each member of that person's family nevertheless does not or did not exercise substantial control over the institution or servicer that owes the liability.

(c) *Ownership interest.* (1) An ownership interest is a share of the legal or beneficial ownership or control of, or a right to share in the proceeds of the operation of, an institution, an institution's parent corporation, a third-party servicer, or a third-party servicer's parent corporation. The term "ownership interest" includes, but is not limited to—

(i) An interest as tenant in common, joint tenant, or tenant by the entirety;

(ii) A partnership; and

(iii) An interest in a trust.

(2) The term "ownership interest" does not include any share of the ownership or control of, or any right to share in the proceeds of the operation of a profit-sharing plan, provided that all employees are covered by the plan.

(3) The Secretary generally considers a person to exercise substantial control over an institution or third-party servicer if the person—

(i) Directly or indirectly holds at least a 25 percent ownership interest in the institution or servicer;

(ii) Holds, together with other members of his or her family, at least a 25 percent ownership interest in the institution or servicer;

(iii) Represents, either alone or together with other persons under a voting trust, power of attorney, proxy, or similar agreement, one or more persons who hold, either individually or in combination with the other persons represented or the person representing them, at least a 25 percent ownership in the institution or servicer; or

(iv) Is a member of the board of directors, a general partner, the chief executive officer, or other executive officer of—

(A) The institution or servicer; or

§ 668.175 Alternative standards and requirements.

(a) *General.* An institution that is not financially responsible under the general standards and provisions in § 668.171, may begin or continue to participate in the title IV, HEA programs by qualifying under an alternate standard set forth in this section.

(b) *Letter of Credit or surety alternative for new institutions.* A new institution that is not financially responsible solely because the Secretary determines that its composite score is less than 1.5, qualifies as a financially responsible institution by submitting an irrevocable letter of credit that is acceptable and payable to the Secretary, or providing other surety described under paragraph (h)(2)(i) of this section, for an amount equal to at least one-half of the amount of title IV, HEA program funds that the Secretary determines the institution will receive during its initial year of participation. A new institution is an institution that seeks to participate for the first time in the title IV, HEA programs.

(c) *Financial protection alternative for participating institutions.* A participating institution that is not financially responsible either because it does not satisfy one or more of the standards of financial responsibility under § 668.171(b), (c), or (d), or because of an audit opinion or going concern disclosure described under § 668.171(h), qualifies as a financially responsible institution by submitting an irrevocable letter of credit that is acceptable and payable to the Secretary, or

providing other financial protection described under paragraph (h) of this section, for an amount determined by the Secretary that is not less than one-half of the title IV, HEA program funds received by the institution during its most recently completed fiscal year, except that this requirement does not apply to a public institution.

(d) *Zone alternative.* (1) A participating institution that is not financially responsible solely because the Secretary determines that its composite score under § 668.172 is less than 1.5 may participate in the title IV, HEA programs as a financially responsible institution for no more than three consecutive years, beginning with the year in which the Secretary determines that the institution qualifies under this alternative.

(i)(A) An institution qualifies initially under this alternative if, based on the institution's audited financial statement for its most recently completed fiscal year, the Secretary determines that its composite score is in the range from 1.0 to 1.4; and

(B) An institution continues to qualify under this alternative if, based on the institution's audited financial statement for each of its subsequent two fiscal years, the Secretary determines that the institution's composite score is in the range from 1.0 to 1.4.

(ii) An institution that qualified under this alternative for three consecutive years, or for one of those years, may not seek to qualify again under this alternative until the year after the institution achieves a composite score of at least 1.5, as determined by the Secretary.

(2) Under the zone alternative, the Secretary—

(i) Requires the institution to make disbursements to eligible students and parents, and to otherwise comply with the provisions, under either the heightened cash monitoring or reimbursement payment method described in § 668.162;

(ii) Requires the institution to provide timely information regarding any of the following oversight and financial events—

(A) Any event that causes the institution, or related entity as defined in Accounting Standards Codification

(ASC) 850, to realize any liability that was noted as a contingent liability in the institution's or related entity's most recent audited financial statement; or

(B) Any losses that are unusual in nature or infrequently occur, or both, as defined in accordance with Accounting Standards Update (ASU) No. 2015-01 and ASC 225;

(iii) May require the institution to submit its financial statement and compliance audits earlier than the time specified under § 668.23(a)(4); and

(iv) May require the institution to provide information about its current operations and future plans.

(3) Under the zone alternative, the institution must—

(i) For any oversight or financial event described in paragraph (d)(2)(ii) of this section for which the institution is required to provide information, in accordance with procedures established by the Secretary, notify the Secretary no later than 10 days after that event occurs; and

(ii) As part of its compliance audit, require its auditor to express an opinion on the institution's compliance with the requirements under the zone alternative, including the institution's administration of the payment method under which the institution received and disbursed title IV, HEA program funds.

(4) If an institution fails to comply with the requirements under paragraph (d)(2) or (3) of this section, the Secretary may determine that the institution no longer qualifies under this alternative.

(e) [Reserved]

(f) *Provisional certification alternative.*

(1) The Secretary may permit an institution that is not financially responsible to participate in the title IV, HEA programs under a provisional certification for no more than three consecutive years if—

(i) The institution is not financially responsible because it does not satisfy the general standards under § 668.171(b), its recalculated composite score under § 668.171(e) is less than 1.0, it is subject to an action or event under § 668.171(c), or an action or event under paragraph (d) that has an adverse material effect on the institution as determined by the

Secretary, or because of an audit opinion or going concern disclosure described in § 668.171(h); or

(ii) The institution is not financially responsible because of a condition of past performance, as provided under § 668.174(a), and the institution demonstrates to the Secretary that it has satisfied or resolved that condition; and

(2) Under this alternative, the institution must—

(i) Provide to the Secretary an irrevocable letter of credit that is acceptable and payable to the Secretary, or provide other financial protection described under paragraph (h) of this section, for an amount determined by the Secretary that is not less than 10 percent of the title IV, HEA program funds received by the institution during its most recently completed fiscal year, except that this requirement does not apply to a public institution that the Secretary determines is backed by the full faith and credit of the State;

(ii) Demonstrate that it was current on its debt payments and has met all of its financial obligations, as required under § 668.171(b)(3), for its two most recent fiscal years; and

(iii) Comply with the provisions under the zone alternative, as provided under paragraph (d)(2) and (3) of this section.

(3) If at the end of the period for which the Secretary provisionally certified the institution, the institution is still not financially responsible, the Secretary may again permit the institution to participate under a provisional certification but the Secretary—

(i) May require the institution, or one or more persons or entities that exercise substantial control over the institution, as determined under § 668.174(b)(1) and (c), or both, to provide to the Secretary financial guarantees for an amount determined by the Secretary to be sufficient to satisfy any potential liabilities that may arise from the institution's participation in the title IV, HEA programs;

(ii) May require one or more of the persons or entities that exercise substantial control over the institution, as determined under § 668.174(b)(1) and (c), to be jointly or severally liable for any liabilities that may arise from the in-

stitution's participation in the title IV, HEA programs; and

(iii) May require the institution to provide, or continue to provide, the financial protection resulting from an event described in § 668.171(c) and (d) until the institution meets the requirements of paragraph (f)(4) of this section.

(4) The Secretary maintains the full amount of financial protection provided by the institution under this section until the Secretary first determines that the institution has—

(i) A composite score of 1.0 or greater based on a review of the audited financial statements for the fiscal year in which all liabilities from any event described in § 668.171(c) or (d) on which financial protection was required; or

(ii) A recalculated composite score of 1.0 or greater, and any event or condition described in § 668.171(c) or (d) has ceased to exist.

(g) *Provisional certification alternative for persons or entities owing liabilities.* (1) The Secretary may permit an institution that is not financially responsible because the persons or entities that exercise substantial control over the institution owe a liability for a violation of a title IV, HEA program requirement, to participate in the title IV, HEA programs under a provisional certification only if—

(i)(A) The persons or entities that exercise substantial control, as determined under § 668.174(b)(1) and (c), repay or enter into an agreement with the Secretary to repay the applicable portion of that liability, as provided under § 668.174(b)(2)(ii); or

(B) The institution assumes that liability, and repays or enters into an agreement with the Secretary to repay that liability;

(ii) The institution satisfies the general standards and provisions of financial responsibility under § 668.171(b) and (d)(1), except that institution must demonstrate that it was current on its debt payments and has met all of its financial obligations, as required under § 668.171 (b)(3) and (b)(4), for its two most recent fiscal years; and

(iii) The institution submits to the Secretary an irrevocable letter of credit that is acceptable and payable to the Secretary, for an amount determined

Ofc. of Postsecondary Educ., Education

§ 668.176

by the Secretary that is not less than 10 percent of the title IV, HEA program funds received by the institution during its most recently completed fiscal year.

(2) Under this alternative, the Secretary—

(i) Requires the institution to comply with the provisions under the zone alternative, as provided under paragraph (d) (2) and (3) of this section;

(ii) May require the institution, or one or more persons or entities that exercise substantial control over the institution, or both, to submit to the Secretary financial guarantees for an amount determined by the Secretary to be sufficient to satisfy any potential liabilities that may arise from the institution's participation in the title IV, HEA programs; and

(iii) May require one or more of the persons or entities that exercise substantial control over the institution to be jointly or severally liable for any liabilities that may arise from the institution's participation in the title IV, HEA programs.

(h) *Financial protection.* (1) In accordance with procedures established by the Secretary or as part of an agreement with an institution under this section, the Secretary may use the funds from that financial protection to satisfy the debts, liabilities, or reimbursable costs, including costs associated with teach-outs as allowed by the Department, owed to the Secretary that are not otherwise paid directly by the institution.

(2) In lieu of submitting a letter of credit for the amount required by the

Secretary under this section, the Secretary may permit an institution to—

(i) Provide the amount required in the form of other surety or financial protection that the Secretary specifies in a document published in the FEDERAL REGISTER;

(ii) Provide cash for the amount required; or

(iii) Enter into an arrangement under which the Secretary offsets the amount of title IV, HEA program funds that an institution has earned in a manner that ensures that, no later than the end of a six to twelve-month period selected by the Secretary, the amount offset equals the amount of financial protection the institution is required to provide. The Secretary provides to the institution any funds not used for the purposes described in paragraph (h)(1) of this section during the period covered by the agreement, or provides the institution any remaining funds if the institution subsequently submits other financial protection for the amount originally required.

APPENDIX A TO SUBPART L OF PART 668—RATIO METHODOLOGY FOR PROPRIETY INSTITUTIONS

Appendix A: Ratio Methodology for Propriety Institutions

SECTION 1: Ratio and Ratio Terms

Primary Reserve Ratio	<u>Adjusted Equity</u> Total Expenses and Losses
Equity Ratio	<u>Modified Equity</u> Modified Assets
Net Income Ratio	<u>Income Before Taxes</u> Total Revenue and Gains

Total Expenses and Losses excludes income tax, discontinued operations not classified as an operating expense or change in accounting principle and any losses on investments, post-employment and defined benefit pension plans and annuities. Any losses on investments would be the net loss for the investments. Total Expenses and Losses includes the nonservice component of net periodic pension and other post-employment plan expenses.

Modified Equity = (total owner's equity) – (intangible assets) – (unsecured related-party receivables)

Modified Assets = (total assets) – (intangible assets) – (unsecured related-party receivables)

Income Before Taxes includes all revenues, gains, expenses and losses incurred by the school during the accounting period. Income before taxes does not include income taxes, discontinued operations not classified as an operating expense or changes in accounting principle.

Total Revenues and Gains does not include positive income tax amounts, discontinued operations not classified as an operating gain, or change in accounting principle (investment gains should be recorded net of investment losses).

* Unsecured related party receivables based on the related party disclosures as required by 34 C.F.R. 668.23(d).

** The value of property, plant and equipment includes construction in progress and lease right-of-use assets, and is net of accumulated depreciation/amortization.

*** All debt obtained for long-term purposes, not to exceed total net property, plant and equipment includes lease liabilities for lease right-of-use assets and the short-term portion of the debt, up to the amount of net property, plant and equipment and construction in progress short-term line of credits and note payable, not to exceed total construction in progress. If an institution wishes to include the debt, including debt obtained through long-term lines of credit in total debt obtained for long-term purposes, the institution must include a disclosure in the financial statements that the debt, including lines of credit exceeds twelve months and was used to fund capitalized assets (i.e. property, plant and equipment or capitalized expenditures per Generally Accepted Accounting Principles (GAAP)). If an institution wishes to include short-term lines of credit or notes payable for construction in progress, the institution must include a disclosure in the notes of the financial statements. The disclosures that must be presented for any debt to be used in adjusted equity include the issue date, term, nature of capitalized amounts and amounts capitalized. Institutions that do not include debt in total debt obtained for long-term purposes, including long-term lines of credit, do not need to provide any additional disclosures other than those required by GAAP. The debt obtained for long-term purposes will be limited to only those amounts disclosed in the financial statements that were used to fund capitalized assets. Any debt amount including long-term lines of credit used to fund operations must be excluded from debt obtained for long-term purposes. Any debt obtained for long-term purposes post-implementation must be directly associated with the property, plant and equipment acquired with that debt. In determining the amount of pre-implementation property, plant and equipment to include in the primary reserve ratio, the Department will use the lesser of the property, plant and equipment minus depreciation/amortization or other reductions or the qualified debt obtained for long-term purposes minus any payments or other reductions as the amount of debt obtained for long-term purposes in determining the amount of pre-implementation property, plant and equipment that should be included in the primary reserve ratio.

The basis for the pre-implementation property, plant and equipment and qualified debt obtained for long-term purposes will be the amounts reported in the institutions most recently accepted financial statement submission to the Department prior to the effective date of these regulations. An institution must adjust the amount of pre-implementation debt by any payments or other reductions and the pre-implementation property, plant and equipment by any depreciation/amortization or other reductions in subsequent years. Post-implementation debt will be the amount of debt that an institution used to obtain property, plant and equipment since the end of the fiscal year of its most recently accepted financial statement submission to the Department prior to the effective date of these regulations less any payments or other reductions. Post-implementation property, plant and equipment will be the amount of property, plant and equipment that an institution obtained since the end of the fiscal year of its most recently accepted financial statement submission to the Department prior to the effective date of these regulations less any depreciation/amortization or other reductions. An institution must adjust post-implementation debt by any debt obtained and associated with property, plant and equipment in subsequent years and any payments or other reductions. An institution must adjust post-implementation property, plant and equipment by any property, plant and equipment obtained in subsequent years and any depreciation/amortization or other reductions in subsequent years. Any refinanced or renegotiated debt cannot increase the amount of debt associated with previously purchased property, plant and equipment.

SECTION 2: Financial Responsibility Supplemental Schedule Requirement and Example

A Supplemental Schedule must be submitted as part of the required audited financial statements submission. The Supplemental Schedule contains all of the financial elements required to compute the composite score. Each item in the Supplemental Schedule must have a reference to the Balance Sheet, Statement of (Loss) Income, or Notes to the Financial Statements. The amount entered in the Supplemental Schedules should tie directly to a line item, be part of a line item (if part of a line item it must also include a note disclosure of the actual amount), or a note in the financial statements

APPENDIX B TO SUBPART L OF PART 668—RATIO METHODOLOGY FOR PRIVATE NON-PROFIT INSTITUTIONS

Appendix B: Ratio Methodology for Private Non-Profit Institutions

SECTION 1: Ratio and Ratio Terms

Primary Reserve Ratio	$\frac{\text{Expendable Net Assets}}{\text{Total Expenses without Donor Restrictions and Losses without Donor Restrictions}}$
Equity Ratio	$\frac{\text{Modified Net Assets}}{\text{Modified Assets}}$
Net Income Ratio	$\frac{\text{Change in Net Assets without Donor Restrictions}}{\text{Total Revenue without Donor Restrictions and Gains without Donor Restrictions}}$

Definitions:

Expendable Net Assets = (net assets without donor restrictions) + (net assets with donor restrictions) - (net assets with donor restrictions: restricted in perpetuity)* - (annuities, term endowments and life income funds with donor restrictions)** - (intangible assets) - (net property, plant and equipment)*** + (post-employment and defined benefit pension plan liabilities) + (all long-term debt obtained for long-term purposes, not to exceed total net property, plant and equipment)**** - (unsecured related party receivables)*****

Total Expenses without Donor Restrictions and Losses without Donor Restrictions = All expenses and losses without donor restrictions from the Statement of Activities less any losses without donor restrictions on investments, post-employment and defined benefit pension plans and annuities. (For institutions that have defined benefit pension and other post-employment plans, total expenses include the nonservice component of net periodic pension and other post-employment plan expenses, and these expenses will be classified as non-operating. Consequently, such expenses will be labeled non-operating or included with "other changes -nonoperating changes—in net assets without donor restrictions" when the Statement of Activities includes an operating measure).

Modified Net Assets = (net assets without donor restrictions) + (net assets with donor restrictions) - (intangible assets) - (unsecured related party receivables)

Modified Assets = (total assets) - (intangible assets) - (unsecured related party receivables)

Change in net assets without donor restrictions is taken directly from the audited financial statements

Total Revenue without Donor Restriction and Gains without Donor Restrictions = total revenue (including amounts released from restriction) plus total gains. With regard to gains, investment returns are reported as a net amount (interest, dividends, unrealized and realized gains and losses net

of external and direct internal investment expense). Institutions that separately report investment spending as operating revenue (e.g. spending from funds functioning as endowments) and remaining net investment return as a non-operating item, will need to aggregate these two amounts to determine if there is a net investment gain or a net investment loss (net investment gains are included with total gains).

* Net assets with donor restrictions: restricted in perpetuity is subtracted from total net assets. The amount of net assets with donor restrictions: restricted in perpetuity is disclosed as a line item, part of a line item (if part of a line item it must also include a note disclosure of the actual amount) or a note, or a note in the financial statements.

** Annuities, term endowments and life income funds with donor restrictions are subtracted from total net assets. The amount of annuities, term endowments and life income funds with donor restrictions is disclosed in as a line item (if part of a line item it must also include a note disclosure of the actual amount) or a note, or a note in the financial statements.

***The value of property, plant and equipment includes construction in progress and lease right-of-use assets and is net of accumulated depreciation/amortization.

**** All Debt obtained for long-term purposes, not to exceed total net property, plant and equipment includes lease liabilities for lease right-of-use assets and the short-term portion of the debt, up to the amount of net property, plant and equipment and construction in progress short-term lines of credit and notes payable, not to exceed total construction in progress. If an institution wishes to include the debt, including debt obtained through long-term lines of credit in total debt obtained for long-term purposes, the institution must include a disclosure in the financial statements that the debt, including lines of credit exceeds twelve months and was used to fund capitalized assets (i.e. property, plant and equipment or capitalized expenditures per Generally Accepted Accounting Principles (GAAP)). If an institution wishes to include short-term lines of credit or notes payable for construction in progress, the institution must include a disclosure in notes of the financial statements. The disclosures that must be presented for any debt to be included in expendable net assets include the issue date, term, nature of capitalized amounts and amounts capitalized. Institutions that do not include debt in total debt obtained for long-term purposes, including long-term lines of credit, do not need to provide any additional disclosures other than those required by GAAP. The debt obtained for long-term purposes will be limited to only those amounts disclosed in the financial statements that were used to fund capitalized assets. Any debt amount including long-term lines of credit used to fund operations must be excluded from debt obtained for long-term purposes.

The basis for the pre-implementation PP&E and qualified debt obtained for long-term purposes will be the amounts reported in the institutions most recently accepted financial statement submission to the Department prior to the effective date of these regulations. An institution must adjust the amount of pre-implementation debt by any payments or other reductions and the pre-implementation PP&E by any depreciation/amortization or other reductions in subsequent years. Post-implementation debt will be the amount of debt that an institution used to obtain PP&E since the end of the fiscal year of its most recently accepted financial statement submission to the Department prior to the effective date of these regulations less

any payments or other reductions. Post-implementation PP&E will be the amount of PP&E that an institution obtained since the end of the fiscal year of its most recently accepted financial statement submission to the Department prior to the effective date of these regulations less any depreciation/amortization or other reductions. An institution must adjust post-implementation debt by any debt obtained and associated with PP&E in subsequent years and any payments or other reductions. An institution must adjust post-implementation PP&E by any PP&E obtained in subsequent years and any depreciation/amortization or other reductions in subsequent years. Any refinanced or renegotiated debt cannot increase the amount of debt associated with previously purchased PP&E.

*** **Unsecured related party receivables based on the related party disclosures as required by 34 C.F.R 668.23(d).

SECTION 2: Financial Responsibility Supplemental Schedule Requirement and Example

A Supplemental Schedule must be submitted as part of the required audited financial statements submission. The Supplemental Schedule contains all of the financial elements required to compute the composite score. Each item in the Supplemental Schedule must have a reference to the Balance Sheet, Statement of (Loss) Income, or Notes to the Financial Statements. The amount entered in the Supplemental Schedules should tie directly to a line item, be part of a line item (if part of a line item it must also include a note disclosure of the actual amount), or a note in the financial statements

SECTION 3: Example Financial Statements and Composite Score Calculation

Calculating the Composite Score without pre-implementation leases

	Lines		
*Primary Reserve Ratio = Expandable Net Assets	$\frac{24+30-29-(25+26+27)-10}{(8+9)+17+(M14+M20+M21+M22)-4}$	9,440,000	0.1807

*Equity Ratio = Modified Net Assets	$\frac{24+30-10-4}{12-10-4}$	26,390,000	0.3584
/ Modified assets		73,640,000	
Net Income Ratio = Change in Net Assets Without Donor Restrictions	$\frac{51}{38-35+50}$	(80,000)	0.0015
Total Revenues and Gains Without Donor Restrictions		52,900,000	

All pre-implementation right-of-use assets and liabilities are removed from total assets and total liabilities*M# - For post-implementation debt not directly related to purchase of assets.****Step 1:** Calculate the strength factor score for each ratio by using the following algorithms:

- Primary Reserve strength factor score = 10 x the primary reserve ratio result
- Equity strength factor score = 6 x the equity ratio result
- Negative net income ratio result: Net Income strength factor = 1 + (25 x net income ratio result)
- Positive net income ratio result: Net income strength factor = 1 + (50 x net income ratio result)
- Zero result for net income ratio: Net income strength factor = 1

If the strength factor score for any ratio is greater than or equal to 3, the strength factor score for the ratio is 3.

If the strength factor score for any ratio is less than or equal to -1, the strength factor score for the ratio is -1.

Step 2: Calculate the weighted score for each ratio and calculate the composite score by adding the three weighted scores

- Primary Reserve weighted score = 40% x the primary reserve strength factor score
- Equity weighted score = 40% x the equity strength factor score
- Net Income weighted score = 20% x the net income strength factor score
- Composite Score = the sum of all weighted scores

Round the composite score to one digit after the decimal point to determine the final score

Subpart M—Two Year Cohort Default Rates

SOURCE: 65 FR 65638, Nov. 1, 2000, unless otherwise noted.

§ 668.181 Purpose of this subpart.

(a) *General.* Your cohort default rate is a measure we use to determine your eligibility to participate in various Title IV, HEA programs. We may also use it for determining your eligibility for exemptions, such as those for certain disbursement requirements under the FFEL and Direct Loan Programs.

This subpart applies solely to cohorts, as defined in §§ 668.182(a) and 668.183(b), for fiscal years through 2011. For these cohorts, this subpart describes how cohort default rates are calculated, some of the consequences of cohort default rates, and how you may request changes to your cohort default rates or appeal their consequences. Under this subpart, you submit a “challenge” after you receive your draft cohort default rate, and you request an “adjustment” or “appeal” after your official cohort default rate is published.

(b) *Cohort Default Rates.* Notwithstanding anything to the contrary in this subpart, we will issue annually

two sets of draft and official cohort default rates for fiscal years 2009, 2010, and 2011. For each of these years, you will receive one set of draft and official cohort default rates under this subpart and another set of draft and official cohort default rates under subpart N of this part.

§ 668.182 Definitions of terms used in this subpart.

We use the following definitions in this subpart:

(a) *Cohort*. Your cohort is a group of borrowers used to determine your cohort default rate. The method for identifying the borrowers in a cohort is provided in § 668.183(b).

(b) *Data manager*. (1) For FFELP loans held by a guaranty agency or lender, the guaranty agency is the data manager.

(2) For FFELP loans that we hold, we are the data manager.

(3) For Direct Loan Program loans, the Direct Loan Servicer, as defined in 34 CFR 685.102, is the data manager.

(c) *Days*. In this subpart, “days” means calendar days.

(d) *Default*. A borrower is considered to be in default for cohort default rate purposes under the rules in § 668.183(c).

(e) *Draft cohort default rate*. Your draft cohort default rate is a rate we issue, for your review, before we issue your official cohort default rate. A draft cohort default rate is used only for the purposes described in § 668.185.

(f) *Entering repayment*. (1) Except as provided in paragraphs (f)(2) and (f)(3) of this section, loans are considered to enter repayment on the dates described in 34 CFR 682.200 (under the definition of “repayment period”) and in 34 CFR 685.207.

(2) A Federal SLS loan is considered to enter repayment—

(i) At the same time the borrower’s Federal Stafford loan enters repayment, if the borrower received the Federal SLS loan and the Federal Stafford loan during the same period of continuous enrollment; or

(ii) In all other cases, on the day after the student ceases to be enrolled at an institution on at least a half-time basis in an educational program leading to a degree, certificate, or other recognized educational credential.

(3) For the purposes of this subpart, a loan is considered to enter repayment on the date that a borrower repays it in full, if the loan is paid in full before the loan enters repayment under paragraphs (f)(1) or (f)(2) of this section.

(g) *Fiscal year*. A fiscal year begins on October 1 and ends on the following September 30. A fiscal year is identified by the calendar year in which it ends.

(h) *Loan record detail report*. The loan record detail report is a report that we produce. It contains the data used to calculate your draft or official cohort default rate.

(i) *Official cohort default rate*. Your official cohort default rate is the cohort default rate that we publish for you under § 668.186. Cohort default rates calculated under this subpart are not related in any way to cohort default rates that are calculated for the Federal Perkins Loan Program.

(j) *We*. We are the Department, the Secretary, or the Secretary’s designee.

(k) *You*. You are an institution.

§ 668.183 Calculating and applying cohort default rates.

(a) *General*. This section describes the four steps that we follow to calculate and apply your cohort default rate for a fiscal year:

(1) First, under paragraph (b) of this section, we identify the borrowers in your cohort for the fiscal year. If the total number of borrowers in that cohort is fewer than 30, we also identify the borrowers in your cohorts for the 2 most recent prior fiscal years.

(2) Second, under paragraph (c) of this section, we identify the borrowers in the cohort (or cohorts) who are considered to be in default. If more than one cohort will be used to calculate your cohort default rate, we identify defaulted borrowers separately for each cohort.

(3) Third, under paragraph (d) of this section, we calculate your cohort default rate.

(4) Fourth, we apply your cohort default rate to all of your locations—

(i) As you exist on the date you receive the notice of your official cohort default rate; and

(ii) From the date on which you receive the notice of your official cohort default rate until you receive our notice that the cohort default rate no longer applies.

(b) *Identify the borrowers in a cohort.*

(1) Except as provided in paragraph (b)(3) of this section, your cohort for a fiscal year consists of all of your current and former students who, during that fiscal year, entered repayment on any Federal Stafford loan, Federal SLS loan, Direct Subsidized loan, or Direct Unsubsidized loan that they received to attend your institution, or on the portion of a loan made under the Federal Consolidation Loan Program or the Federal Direct Consolidation Loan Program (as defined in 34 CFR 685.102) that is used to repay those loans.

(2) A borrower may be included in more than one of your cohorts and may be included in the cohorts of more than one institution in the same fiscal year.

(3) A TEACH Grant that has been converted to a Federal Direct Unsubsidized Loan is not considered for the purpose of calculating and applying cohort default rates.

(c) *Identify the borrowers in a cohort who are in default.* (1) Except as provided in paragraph (c)(2) of this section, for the purposes of this subpart a borrower in a cohort for a fiscal year is considered to be in default if—

(i) Before the end of the following fiscal year, the borrower defaults on any FFELP loan that was used to include the borrower in the cohort or on any Federal Consolidation Loan Program loan that repaid a loan that was used to include the borrower in the cohort (however, a borrower is not considered to be in default unless a claim for insurance has been paid on the loan by a guaranty agency or by us);

(ii) Before the end of the following fiscal year, the borrower fails to make an installment payment, when due, on any Direct Loan Program loan that was used to include the borrower in the

cohort or on any Federal Direct Consolidation Loan Program loan that repaid a loan that was used to include the borrower in the cohort, and the borrower's failure persists for 360 days (or for 270 days, if the borrower's first day of delinquency was before October 7, 1998);

(iii) Before the end of the following fiscal year, you or your owner, agent, contractor, employee, or any other affiliated entity or individual make a payment to prevent a borrower's default on a loan that is used to include the borrower in that cohort; or

(iv) Before the end of the following fiscal year, the borrower fails to make an installment payment, when due, on a Federal Stafford Loan that is held by the Secretary or a Federal Consolidation Loan that is held by the Secretary and was used to repay a Federal Stafford Loan, if such Federal Stafford Loan or Federal Consolidation Loan was used to include the borrower in the cohort, and the borrower's failure persists for 360 days.

(2) A borrower is not considered to be in default based on a loan that is, before the end of the fiscal year immediately following the fiscal year in which it entered repayment—

(i) Rehabilitated under 34 CFR 682.405 or 34 CFR 685.211(e); or

(ii) Repurchased by a lender because the claim for insurance was submitted or paid in error.

(d) *Calculate the cohort default rate.* Except as provided in § 668.184, if there are—

(1) Thirty or more borrowers in your cohort for a fiscal year, your cohort default rate is the percentage that is derived by dividing—

(i) The number of borrowers in the cohort who are in default, as determined under paragraph (c) of this section; by

(ii) The number of borrowers in the cohort, as determined under paragraph (b) of this section.

(2) Fewer than 30 borrowers in your cohort for a fiscal year, your cohort default rate is the percentage that is derived by dividing—

(i) The total number of borrowers in that cohort and in the two most recent

prior cohorts who are in default, as determined for each cohort under paragraph (c) of this section; by

(ii) The total number of borrowers in that cohort and the two most recent prior cohorts, as determined for each cohort under paragraph (b) of this section.

§ 668.184 Determining cohort default rates for institutions that have undergone a change in status.

(a) *General.* (1) Except as provided under 34 CFR 600.32(d), if you undergo a change in status identified in this section, your cohort default rate is determined under this section.

(2) In determining cohort default rates under this section, the date of a merger, acquisition, or other change in status is the date the change occurs.

(3) A change in status may affect your eligibility to participate in Title IV, HEA programs under § 668.187 or § 668.188.

(4) If another institution's cohort default rate is applicable to you under this section, you may challenge, request an adjustment, or submit an appeal for the cohort default rate under the same requirements that would be applicable to the other institution under §§ 668.185 and 668.189.

(b) *Acquisition or merger of institutions.* If your institution acquires, or was created by the merger of, one or more institutions that participated independently in the Title IV, HEA programs immediately before the acquisition or merger—

(1) For the cohort default rates published before the date of the acquisition or merger, your cohort default rates are the same as those of your predecessor that had the highest total number of borrowers entering repayment in the two most recent cohorts used to calculate those cohort default rates; and

(2) Beginning with the first cohort default rate published after the date of the acquisition or merger, your cohort

default rates are determined by including the applicable borrowers from each institution involved in the acquisition or merger in the calculation under § 668.183.

(c) *Acquisition of branches or locations.* If you acquire a branch or a location from another institution participating in the Title IV, HEA programs—

(1) The cohort default rates published for you before the date of the change apply to you and to the newly acquired branch or location;

(2) Beginning with the first cohort default rate published after the date of the change, your cohort default rates for the next 3 fiscal years are determined by including the applicable borrowers from your institution and the other institution (including all of its locations) in the calculation under § 668.183;

(3) After the period described in paragraph (c)(2) of this section, your cohort default rates do not include borrowers from the other institution in the calculation under § 668.183; and

(4) At all times, the cohort default rate for the institution from which you acquired the branch or location is not affected by this change in status.

(d) *Branches or locations becoming institutions.* If you are a branch or location of an institution that is participating in the Title IV, HEA programs, and you become a separate, new institution for the purposes of participating in those programs—

(1) The cohort default rates published before the date of the change for your former parent institution are also applicable to you;

(2) Beginning with the first cohort default rate published after the date of the change, your cohort default rates for the next 3 fiscal years are determined by including the applicable borrowers from your institution and your former parent institution (including all of its locations) in the calculation under § 668.183; and

(3) After the period described in paragraph (d)(2) of this section, your cohort default rates do not include borrowers

§ 668.185

34 CFR Ch. VI (7–1–20 Edition)

from your former parent institution in the calculation under § 668.183.

§ 668.185 Draft cohort default rates and your ability to challenge before official cohort default rates are issued.

(a) *General.* (1) We notify you of your draft cohort default rate before your official cohort default rate is calculated. Our notice includes the loan record detail report for the draft cohort default rate.

(2) Regardless of the number of borrowers included in your cohort, your draft cohort default rate is always calculated using data for that fiscal year alone, using the method described in § 668.183(d)(1).

(3) Your draft cohort default rate and the loan record detail report are not considered public information and may not be otherwise voluntarily released to the public by a data manager.

(4) Any challenge you submit under this section and any response provided by a data manager must be in a format acceptable to us. This acceptable format is described in the “Cohort Default Rate Guide” that we provide to you. If your challenge does not comply with the requirements in the “Cohort Default Rate Guide,” we may deny your challenge.

(b) *Incorrect data challenges.* (1) You may challenge the accuracy of the data included on the loan record detail report by sending a challenge to the relevant data manager, or data managers, within 45 days after you receive the data. Your challenge must include—

(i) A description of the information in the loan record detail report that you believe is incorrect; and

(ii) Documentation that supports your contention that the data are incorrect.

(2) Within 30 days after receiving your challenge, the data manager must send you and us a response that—

(i) Addresses each of your allegations of error; and

(ii) Includes the documentation that supports the data manager’s position.

(3) If your data manager concludes that draft data in the loan record detail report are incorrect, and we agree, we use the corrected data to calculate your cohort default rate.

(4) If you fail to challenge the accuracy of data under this section, you cannot contest the accuracy of those data in an uncorrected data adjustment, under § 668.190, or in an erroneous data appeal, under § 668.192.

(c) *Participation rate index challenges.*

(1)(i) You may challenge an anticipated loss of eligibility under § 668.187(a)(1), based on one cohort default rate over 40 percent, if your participation rate index for that cohort’s fiscal year is equal to or less than 0.06015.

(ii) You may challenge an anticipated loss of eligibility under § 668.187(a)(2), based on three cohort default rates of 25 percent or greater, if your participation rate index is equal to or less than 0.0375 for any of those three cohorts’ fiscal years.

(2) For a participation rate index challenge, your participation rate index is calculated as described in § 668.195(b), except that—

(i) The draft cohort default rate is considered to be your most recent cohort default rate; and

(ii) If the cohort used to calculate your draft cohort default rate included fewer than 30 borrowers, you may calculate your participation rate index for that fiscal year using either your most recent draft cohort default rate or the average rate that would be calculated for that fiscal year, using the method described in § 668.183(d)(2).

(3) You must send your participation rate index challenge, including all supporting documentation, to us within 45 days after you receive your draft cohort default rate.

(4) We notify you of our determination on your participation rate index challenge before your official cohort default rate is published.

(5) If we determine that you qualify for continued eligibility based on your participation rate index challenge, you will not lose eligibility under § 668.187 when your next official cohort default

rate is published. A successful challenge that is based on your draft cohort default rate does not excuse you from any other loss of eligibility. However, if your successful challenge of a loss of eligibility under paragraph (c)(1)(ii) of this section is based on a prior, official cohort default rate, and not on your draft cohort default rate, we also excuse you from any subsequent loss of eligibility, under § 668.187(a)(2), that would be based on that official cohort default rate.

§ 668.186 Notice of your official cohort default rate.

(a) We electronically notify you of your cohort default rate after we calculate it, by sending you an eCDR notification package to the destination point you designate. After we send our notice to you, we publish a list of cohort default rates calculated under this subpart for all institutions.

(b) If you have one or more borrowers entering repayment or are subject to sanctions, or if the Department believes you will have an official cohort default rate calculated as an average rate, you will receive a loan record detail report as part of your eCDR notification package.

(c) You have five business days, from the transmission date for eCDR notification packages as posted on the Department's Web site, to report any problem with receipt of the electronic transmission of your eCDR notification package.

(d) Except as provided in paragraph (e) of this section, timelines for submitting challenges, adjustments, and appeals begin on the sixth business day following the transmission date for eCDR notification packages that is posted on the Department's Web site.

(e) If you timely report a problem with the receipt of the electronic transmission of your eCDR notification package under paragraph (c) of this section and the Department agrees that the problem with transmission was not caused by you, the Department

will extend the challenge, appeal and adjustment deadlines and timeframes to account for a retransmission of your eCDR notification package after the technical problem is resolved.

§ 668.187 Consequences of cohort default rates on your ability to participate in Title IV, HEA programs.

(a) *End of participation.* (1) Except as provided in paragraph (e) of this section, you lose your eligibility to participate in the FFEL and Direct Loan programs 30 days after you receive our notice that your most recent cohort default rate is greater than 40 percent.

(2) Except as provided in paragraphs (d) and (e) of this section, you lose your eligibility to participate in the FFEL, Direct Loan, and Federal Pell Grant programs 30 days after you receive our notice that your three most recent cohort default rates are each 25 percent or greater.

(b) *Length of period of ineligibility.* Your loss of eligibility under this section continues—

(1) For the remainder of the fiscal year in which we notify you that you are subject to a loss of eligibility; and

(2) For the next 2 fiscal years.

(c) *Using a cohort default rate more than once.* The use of a cohort default rate as a basis for a loss of eligibility under this section does not preclude its use as a basis for—

(1) Any concurrent or subsequent loss of eligibility under this section; or

(2) Any other action by us.

(d) *Continuing participation in Pell.* If you are subject to a loss of eligibility under paragraph (a)(2) of this section, based on three cohort default rates of 25 percent or greater, you may continue to participate in the Federal Pell Grant Program if we determine that you—

(1) Were ineligible to participate in the FFEL and Direct Loan programs before October 7, 1998, and your eligibility was not reinstated;

§ 668.188

34 CFR Ch. VI (7–1–20 Edition)

(2) Requested in writing, before October 7, 1998, to withdraw your participation in the FFEL and Direct Loan programs, and you were not later reinstated; or

(3) Have not certified an FFELP loan or originated a Direct Loan Program loan on or after July 7, 1998.

(e) *Requests for adjustments and appeals.* (1) A loss of eligibility under this section does not take effect while your request for adjustment or appeal, as listed in § 668.189(a), is pending, provided your request for adjustment or appeal is complete, timely, accurate, and in the required format.

(2) Eligibility continued under paragraph (e)(1) of this section ends if we determine that none of the requests for adjustments and appeals you have submitted qualify you for continued eligibility under § 668.189. Loss of eligibility takes effect on the date that you receive notice of our determination on your last pending request for adjustment or appeal.

(3) You do not lose eligibility under this section if we determine that your request for adjustment or appeal meets all requirements of this subpart and qualifies you for continued eligibility under § 668.189.

(4) To avoid liabilities you might otherwise incur under paragraph (f) of this section, you may choose to suspend your participation in the FFEL and Direct Loan programs during the adjustment or appeal process.

(f) *Liabilities during the adjustment or appeal process.* If you continued to participate in the FFEL or Direct Loan Program under paragraph (e)(1) of this section, and we determine that none of your requests for adjustments or appeals qualify you for continued eligibility—

(1) For any FFEL or Direct Loan Program loan that you certified and delivered or originated and disbursed more than 30 days after you received the notice of your cohort default rate, we estimate the amount of interest, special allowance, reinsurance, and any related or similar payments we make or are obligated to make on those loans;

(2) We exclude from this estimate any amount attributable to funds that you delivered or disbursed more than 45

days after you submitted your completed appeal to us;

(3) We notify you of the estimated amount; and

(4) Within 45 days after you receive our notice of the estimated amount, you must pay us that amount, unless—

(i) You file an appeal under the procedures established in subpart H of this part (for the purposes of subpart H of this part, our notice of the estimate is considered to be a final program review determination); or

(ii) We permit a longer repayment period.

(g) *Regaining eligibility.* If you lose your eligibility to participate in a program under this section, you may not participate in that program until—

(1) The period described in paragraph (b) of this section has ended;

(2) You pay any amount owed to us under this section or are meeting that obligation under an agreement acceptable to us;

(3) You submit a new application for participation in the program;

(4) We determine that you meet all of the participation requirements in effect at the time of your application; and

(5) You and we enter into a new program participation agreement.

§ 668.188 Preventing evasion of the consequences of cohort default rates.

(a) *General.* You are subject to a loss of eligibility that has already been imposed against another institution as a result of cohort default rates if—

(1) You and the ineligible institution are both parties to a transaction that results in a change of ownership, a change in control, a merger, a consolidation, an acquisition, a change of name, a change of address, any change that results in a location becoming a freestanding institution, a purchase or sale, a transfer of assets, an assignment, a change of identification number, a contract for services, an addition or closure of one or more locations or branches or educational programs, or

any other change in whole or in part in institutional structure or identity;

(2) Following the change described in paragraph (a)(1) of this section, you offer an educational program at substantially the same address at which the ineligible institution had offered an educational program before the change; and

(3) There is a commonality of ownership or management between you and the ineligible institution, as the ineligible institution existed before the change.

(b) *Commonality of ownership or management.* For the purposes of this section, a commonality of ownership or management exists if, at each institution, the same person (as defined in 34 CFR 600.31) or members of that person's family, directly or indirectly—

(1) Holds or held a managerial role; or

(2) Has or had the ability to affect substantially the institution's actions, within the meaning of 34 CFR 600.21.

(c) *Teach-outs.* Notwithstanding paragraph (b)(1) of this section, a commonality of management does not exist if you are conducting a teach-out under a teach-out agreement as defined in 34 CFR 600.2 and administered in accordance with 34 CFR 602.24(c), and—

(1)(i) Within 60 days after the change described in this section, you send us the names of the managers for each facility undergoing the teach-out as it existed before the change and for each facility as it exists after you believe that the commonality of management has ended; and

(ii) We determine that the commonality of management, as described in paragraph (b)(1) of this section, has ended; or

(2)(i) Within 30 days after you receive our notice that we have denied your submission under paragraph (c)(1)(i) of this section, you make the management changes we request and send us a list of the names of the managers for each facility undergoing the teach-out as it exists after you make those changes; and

(ii) We determine that the commonality of management, as described in paragraph (b)(1) of this section, has ended.

(d) *Initial determination.* We encourage you to contact us before undergoing a change described in this section. If you write to us, providing the information we request, we will provide a written initial determination of the anticipated change's effect on your eligibility.

(e) *Notice of accountability.* (1) We notify you in writing if, in response to your notice or application filed under 34 CFR 600.20 or 600.21, we determine that you are subject to a loss of eligibility, under paragraph (a) of this section, that has been imposed against another institution.

(2) Our notice also advises you of the scope and duration of your loss of eligibility. The loss of eligibility applies to all of your locations from the date you receive our notice until the expiration of the period of ineligibility applicable to the other institution.

(3) If you are subject to a loss of eligibility under this section that has already been imposed against another institution, you may only request an adjustment or submit an appeal for the loss of eligibility under the same requirements that would be applicable to the other institution under § 668.189.

§ 668.189 General requirements for adjusting official cohort default rates and for appealing their consequences.

(a) *Remaining eligible.* You do not lose eligibility under § 668.187 if—

(1) We recalculate your cohort default rate, and it is below the percentage threshold for the loss of eligibility as the result of—

(i) An uncorrected data adjustment submitted under this section and § 668.190;

(ii) A new data adjustment submitted under this section and § 668.191;

(iii) An erroneous data appeal submitted under this section and § 668.192; or

(iv) A loan servicing appeal submitted under this section and § 668.193; or

(2) You meet the requirements for—

(i) An economically disadvantaged appeal submitted under this section and § 668.194;

(ii) A participation rate index appeal submitted under this section and § 668.195;

(iii) An average rates appeal submitted under this section and § 668.196; or

(iv) A thirty-or-fewer borrowers appeal submitted under this section and § 668.197.

(b) *Limitations on your ability to dispute your cohort default rate.* (1) You may not dispute the calculation of a cohort default rate except as described in this subpart.

(2) You may not request an adjustment or appeal a cohort default rate, under § 668.190, § 668.191, § 668.192, or § 668.193, more than once.

(3) You may not request an adjustment or appeal a cohort default rate, under § 668.190, § 668.191, § 668.192, or § 668.193, if you previously lost your eligibility to participate in a Title IV, HEA program, under § 668.187, based entirely or partially on that cohort default rate.

(c) *Content and format of requests for adjustments and appeals.* We may deny your request for adjustment or appeal if it does not meet the following requirements:

(1) All appeals, notices, requests, independent auditor's opinions, management's written assertions, and other correspondence that you are required to send under this subpart must be complete, timely, accurate, and in a format acceptable to us. This acceptable format is described in the "Cohort Default Rate Guide" that we provide to you.

(2) Your completed request for adjustment or appeal must include—

(i) All of the information necessary to substantiate your request for adjustment or appeal; and

(ii) A certification by your chief executive officer, under penalty of perjury, that all the information you provide is true and correct.

(d) *Our copies of your correspondence.* Whenever you are required by this subpart to correspond with a party other than us, you must send us a copy of your correspondence within the same

time deadlines. However, you are not required to send us copies of documents that you received from us originally.

(e) *Requirements for data managers' responses.* (1) Except as otherwise provided in this subpart, if this subpart requires a data manager to correspond with any party other than us, the data manager must send us a copy of the correspondence within the same time deadlines.

(2) If a data manager sends us correspondence under this subpart that is not in a format acceptable to us, we may require the data manager to revise that correspondence's format, and we may prescribe a format for that data manager's subsequent correspondence with us.

(f) *Our decision on your request for adjustment or appeal.* (1) We determine whether your request for an adjustment or appeal is in compliance with this subpart.

(2) In making our decision for an adjustment, under § 668.190 or § 668.191, or an appeal, under § 668.192 or § 668.193—

(i) We presume that the information provided to you by a data manager is correct unless you provide substantial evidence that shows the information is not correct; and

(ii) If we determine that a data manager did not provide the necessary clarifying information or legible records in meeting the requirements of this subpart, we presume that the evidence that you provide to us is correct unless it is contradicted or otherwise proven to be incorrect by information we maintain.

(3) Our decision is based on the materials you submit under this subpart. We do not provide an oral hearing.

(4) We notify you of our decision—

(i) If you request an adjustment or appeal because you are subject to a loss of eligibility under § 668.187, within 45 days after we receive your completed request for an adjustment or appeal; or

(ii) In all other cases, except for appeals submitted under § 668.192(a) to avoid provisional certification, before we notify you of your next official cohort default rate.

(5) You may not seek judicial review of our determination of a cohort default rate until we issue our decision

on all pending requests for adjustments or appeals for that cohort default rate.

§ 668.190 Uncorrected data adjustments.

(a) *Eligibility.* You may request an uncorrected data adjustment for your most recent cohort of borrowers, used to calculate your most recent official cohort default rate, if in response to your challenge under § 668.185(b), a data manager agreed correctly to change the data, but the changes are not reflected in your official cohort default rate.

(b) *Deadlines for requesting an uncorrected data adjustment.* You must send us a request for an uncorrected data adjustment, including all supporting documentation, within 30 days after you receive your loan record detail report from us.

(c) *Determination.* We recalculate your cohort default rate, based on the corrected data, and electronically correct the rate that is publicly released, if we determine that—

(1) In response to your challenge under § 668.185(b), a data manager agreed to change the data;

(2) The changes described in paragraph (c)(1) of this section are not reflected in your official cohort default rate; and

(3) We agree that the data are incorrect.

§ 668.191 New data adjustments.

(a) *Eligibility.* You may request a new data adjustment for your most recent cohort of borrowers, used to calculate your most recent official cohort default rate, if—

(1) A comparison of the loan record detail reports that we provide to you for the draft and official cohort default rates shows that the data have been newly included, excluded, or otherwise changed; and

(2) You identify errors in the data described in paragraph (a)(1) of this section

that are confirmed by the data manager.

(b) *Deadlines for requesting a new data adjustment.* (1) You must send to the relevant data manager, or data managers, and us a request for a new data adjustment, including all supporting documentation, within 15 days after you receive your loan record detail report from us.

(2) Within 20 days after receiving your request for a new data adjustment, the data manager must send you and us a response that—

(i) Addresses each of your allegations of error; and

(ii) Includes the documentation used to support the data manager's position.

(3) Within 15 days after receiving a guaranty agency's notice that we hold an FFELP loan about which you are inquiring, you must send us your request for a new data adjustment for that loan. We respond to your request as set forth under paragraph (b)(2) of this section.

(4) Within 15 days after receiving incomplete or illegible records or data from a data manager, you must send a request for replacement records or clarification of data to the data manager and us.

(5) Within 20 days after receiving your request for replacement records or clarification of data, the data manager must—

(i) Replace the missing or illegible records;

(ii) Provide clarifying information; or

(iii) Notify you and us that no clarifying information or additional or improved records are available.

(6) You must send us your completed request for a new data adjustment, including all supporting documentation—

(i) Within 30 days after you receive the final data manager's response to your request or requests; or

(ii) If you are also filing an erroneous data appeal or a loan servicing appeal, by the latest of the filing dates required in paragraph (b)(6)(i) of this section or in § 668.192(b)(6)(i) or § 668.193(c)(10)(i).

§ 668.192 Erroneous data appeals.

(a) *Eligibility.* Except as provided in § 668.189(b), you may appeal the calculation of a cohort default rate upon which a loss of eligibility, under § 668.187, or provisional certification, under § 668.16(m), is based if—

(1) You dispute the accuracy of data that you previously challenged on the basis of incorrect data, under § 668.185(b); or

(2) A comparison of the loan record detail reports that we provide to you for the draft and official cohort default rates shows that the data have been newly included, excluded, or otherwise changed, and you dispute the accuracy of that data.

(b) *Deadlines for submitting an appeal.*

(1) You must send a request for verification of data errors to the relevant data manager, or data managers, and to us within 15 days after you receive the notice of your loss of eligibility or provisional certification. Your request must include a description of the information in the cohort default rate data that you believe is incorrect and all supporting documentation that demonstrates the error.

(2) Within 20 days after receiving your request for verification of data errors, the data manager must send you and us a response that—

(i) Addresses each of your allegations of error; and

(ii) Includes the documentation used to support the data manager's position.

(3) Within 15 days after receiving a guaranty agency's notice that we hold an FFELP loan about which you are inquiring, you must send us your request for verification of that loan's data errors. Your request must include a description of the information in the cohort default rate data that you believe is incorrect and all supporting documentation that demonstrates the error. We respond to your request under paragraph (b)(2) of this section.

(4) Within 15 days after receiving incomplete or illegible records or data, you must send a request for replacement records or clarification of data to the data manager and us.

(5) Within 20 days after receiving your request for replacement records or clarification of data, the data manager must—

(i) Replace the missing or illegible records;

(ii) Provide clarifying information; or

(iii) Notify you and us that no clarifying information or additional or improved records are available.

(6) You must send your completed appeal to us, including all supporting documentation—

(i) Within 30 days after you receive the final data manager's response to your request; or

(ii) If you are also requesting a new data adjustment or filing a loan servicing appeal, by the latest of the filing dates required in paragraph (b)(6)(i) of this section or in § 668.191(b)(6)(i) or § 668.193(c)(10)(i).

(c) *Determination.* If we determine that incorrect data were used to calculate your cohort default rate, we recalculate your cohort default rate based on the correct data and electronically correct the rate that is publicly released.

§ 668.193 Loan servicing appeals.

(a) *Eligibility.* Except as provided in § 668.189(b), you may appeal, on the basis of improper loan servicing or collection, the calculation of—

(1) Your most recent cohort default rate; or

(2) Any cohort default rate upon which a loss of eligibility under § 668.187 is based.

(b) *Improper loan servicing.* For the purposes of this section, a default is considered to have been due to improper loan servicing or collection only if the borrower did not make a payment on the loan and you prove that the FFEL Program lender or the Direct

Loan Servicer, as defined in 34 CFR 685.102, failed to perform one or more of the following activities, if that activity applies to the loan:

(1) Send at least one letter (other than the final demand letter) urging the borrower to make payments on the loan;

(2) Attempt at least one phone call to the borrower;

(3) Send a final demand letter to the borrower;

(4) For a Direct Loan Program loan only, document that skip tracing was performed if the Direct Loan Servicer determined that it did not have the borrower's current address; and

(5) For an FFELP loan only—

(i) Submit a request for preclaims or default aversion assistance to the guaranty agency; and

(ii) Submit a certification or other documentation that skip tracing was performed to the guaranty agency.

(c) *Deadlines for submitting an appeal.*

(1) If the loan record detail report was not included with your official cohort default rate notice, you must request it within 15 days after you receive the notice of your official cohort default rate.

(2) You must send a request for loan servicing records to the relevant data manager, or data managers, and to us within 15 days after you receive your loan record detail report from us. If the data manager is a guaranty agency, your request must include a copy of the loan record detail report.

(3) Within 20 days after receiving your request for loan servicing records, the data manager must—

(i) Send you and us a list of the borrowers in your representative sample, as described in paragraph (d) of this section (the list must be in social security number order, and it must include the number of defaulted loans included in the cohort for each listed borrower);

(ii) Send you and us a description of how your representative sample was chosen; and

(iii) Either send you copies of the loan servicing records for the borrowers in your representative sample and send us a copy of its cover letter indicating that the records were sent, or send you and us a notice of the amount of its fee for providing copies of the loan servicing records.

(4) The data manager may charge you a reasonable fee for providing copies of loan servicing records, but it may not charge more than \$10 per borrower file. If a data manager charges a fee, it is not required to send the documents to you until it receives your payment of the fee.

(5) If the data manager charges a fee for providing copies of loan servicing records, you must send payment in full to the data manager within 15 days after you receive the notice of the fee.

(6) If the data manager charges a fee for providing copies of loan servicing records, and—

(i) You pay the fee in full and on time, the data manager must send you, within 20 days after it receives your payment, a copy of all loan servicing records for each loan in your representative sample (the copies are provided to you in hard copy format unless the data manager and you agree that another format may be used), and it must send us a copy of its cover letter indicating that the records were sent; or

(ii) You do not pay the fee in full and on time, the data manager must notify you and us of your failure to pay the fee and that you have waived your right to challenge the calculation of your cohort default rate based on the data manager's records. We accept that determination unless you prove that it is incorrect.

(7) Within 15 days after receiving a guaranty agency's notice that we hold an FFELP loan about which you are inquiring, you must send us your request for the loan servicing records for that loan. We respond to your request under paragraph (c)(3) of this section.

(8) Within 15 days after receiving incomplete or illegible records, you must send a request for replacement records to the data manager and us.

(9) Within 20 days after receiving your request for replacement records, the data manager must either—

(i) Replace the missing or illegible records; or

(ii) Notify you and us that no additional or improved copies are available.

(10) You must send your appeal to us, including all supporting documentation—

(i) Within 30 days after you receive the final data manager's response to

your request for loan servicing records; or

(ii) If you are also requesting a new data adjustment or filing an erroneous data appeal, by the latest of the filing dates required in paragraph (c)(10)(i) of this section or in § 668.191(b)(6)(i) or § 668.192(b)(6)(i).

(d) *Representative sample of records.* (1) To select a representative sample of records, the data manager first identifies all of the borrowers for whom it is responsible and who had loans that were considered to be in default in the calculation of the cohort default rate you are appealing.

(2) From the group of borrowers identified under paragraph (d)(1) of this section, the data manager identifies a sample that is large enough to derive an estimate, acceptable at a 95 percent confidence level with a plus or minus 5 percent confidence interval, for use in determining the number of borrowers who should be excluded from the calculation of the cohort default rate due to improper loan servicing or collection.

(e) *Loan servicing records.* Loan servicing records are the collection and payment history records—

(1) Provided to the guaranty agency by the lender and used by the guaranty agency in determining whether to pay a claim on a defaulted loan; or

(2) Maintained by our Direct Loan Servicer that are used in determining your cohort default rate.

(f) *Determination.* (1) We determine the number of loans, included in your representative sample of loan servicing records, that defaulted due to improper loan servicing or collection, as described in paragraph (b) of this section.

(2) Based on our determination, we use a statistically valid methodology to exclude the corresponding percentage of borrowers from both the numerator and denominator of the calculation of your cohort default rate, and electronically correct the rate that is publicly released.

§ 668.194 Economically disadvantaged appeals.

(a) *Eligibility.* As described in this section, you may appeal a notice of a loss of eligibility under § 668.187 if an independent auditor's opinion certifies that your low income rate is two-thirds or more and—

(1) You offer an associate, baccalaureate, graduate, or professional degree, and your completion rate is 70 percent or more; or

(2) You do not offer an associate, baccalaureate, graduate, or professional degree, and your placement rate is 44 percent or more.

(b) *Low income rate.* (1) Your low income rate is the percentage of your students, as described in paragraph (b)(2) of this section, who—

(i) For an award year that overlaps the 12-month period selected under paragraph (b)(2) of this section, have an expected family contribution, as defined in 34 CFR 690.2, that is equal to or less than the largest expected family contribution that would allow a student to receive one-half of the maximum Federal Pell Grant award, regardless of the student's enrollment status or cost of attendance; or

(ii) For a calendar year that overlaps the 12-month period selected under paragraph (b)(2) of this section, have an adjusted gross income that, when added to the adjusted gross income of the student's parents (if the student is a dependent student) or spouse (if the student is a married independent student), is less than the amount listed in the Department of Health and Human Services poverty guidelines for the size of the student's family unit.

(2) The students who are used to determine your low income rate include only students who were enrolled on at least a half-time basis in an eligible program at your institution during any part of a 12-month period that ended during the 6 months immediately preceding the cohort's fiscal year.

(c) *Completion rate.* (1) Your completion rate is the percentage of your students, as described in paragraph (c)(2) of this section, who—

(i) Completed the educational programs in which they were enrolled;

(ii) Transferred from your institution to a higher level educational program;

(iii) Remained enrolled and are making satisfactory progress toward completion of their educational programs at the end of the same 12-month period used to calculate the low income rate; or

(iv) Entered active duty in the Armed Forces of the United States within 1 year after their last date of attendance at your institution.

(2) The students who are used to determine your completion rate include only regular students who were—

(i) Initially enrolled on a full-time basis in an eligible program; and

(ii) Originally scheduled to complete their programs during the same 12-month period used to calculate the low income rate.

(d) *Placement rate.* (1) Except as provided in paragraph (d)(2) of this section, your placement rate is the percentage of your students, as described in paragraphs (d)(3) and (d)(4) of this section, who—

(i) Are employed, in an occupation for which you provided training, on the date following 1 year after their last date of attendance at your institution;

(ii) Were employed for at least 13 weeks, in an occupation for which you provided training, between the date they enrolled at your institution and the first date that is more than a year after their last date of attendance at your institution; or

(iii) Entered active duty in the Armed Forces of the United States within 1 year after their last date of attendance at your institution.

(2) For the purposes of this section, a former student is not considered to have been employed based on any employment by your institution.

(3) The students who are used to determine your placement rate include only former students who—

(i) Were initially enrolled in an eligible program on at least a half-time basis;

(ii) Were originally scheduled, at the time of enrollment, to complete their educational programs during the same 12-month period used to calculate the low income rate; and

(iii) Remained in the program beyond the point at which a student would have received a 100 percent tuition refund from you.

(4) A student is not included in the calculation of your placement rate if that student, on the date that is 1 year after the student's originally scheduled completion date, remains enrolled in the same program and is making satisfactory progress.

(e) *Scheduled to complete.* In calculating a completion or placement rate under this section, the date on which a student is originally scheduled to complete a program is based on—

(1) For a student who is initially enrolled full-time, the amount of time specified in your enrollment contract, catalog, or other materials for completion of the program by a full-time student; or

(2) For a student who is initially enrolled less than full-time, the amount of time that it would take the student to complete the program if the student remained at that level of enrollment throughout the program.

(f) *Deadline for submitting an appeal.* (1) Within 30 days after you receive the notice of your loss of eligibility, you must send us your management's written assertion, as described in the Cohort Default Rate Guide.

(2) Within 60 days after you receive the notice of your loss of eligibility, you must send us the independent auditor's opinion described in paragraph (g) of this section.

(g) *Independent auditor's opinion.* (1) The independent auditor's opinion must state whether your management's written assertion, as you provided it to the auditor and to us, meets the requirements for an economically disadvantaged appeal and is fairly stated in all material respects.

(2) The engagement that forms the basis of the independent auditor's opinion must be an examination-level compliance attestation engagement performed in accordance with—

(i) The American Institute of Certified Public Accountant's (AICPA) Statement on Standards for Attestation Engagements, Compliance Attestation (AICPA, Professional Standards, vol. 1, AT sec. 500), as amended (these standards may be obtained by calling the AICPA's order department, at 1-888-777-7077); and

§ 668.195

34 CFR Ch. VI (7–1–20 Edition)

(ii) Government Auditing Standards issued by the Comptroller General of the United States.

(h) *Determination.* You do not lose eligibility under § 668.187 if—

(1) Your independent auditor's opinion agrees that you meet the requirements for an economically disadvantaged appeal; and

(2) We determine that the independent auditor's opinion and your management's written assertion—

(i) Meet the requirements for an economically disadvantaged appeal; and

(ii) Are not contradicted or otherwise proven to be incorrect by information we maintain, to an extent that would render the independent auditor's opinion unacceptable.

§ 668.195 Participation rate index appeals.

(a) *Eligibility.* (1) You may appeal a notice of a loss of eligibility under § 668.187(a)(1), based on one cohort default rate over 40 percent, if your participation rate index for that cohort's fiscal year is equal to or less than 0.06015.

(2) You may appeal a notice of a loss of eligibility under § 668.187(a)(2), based on three cohort default rates of 25 percent or greater, if your participation rate index is equal to or less than 0.0375 for any of those three cohorts' fiscal years.

(b) *Calculating your participation rate index.* (1) Except as provided in paragraph (b)(2) of this section, your participation rate index for a fiscal year is determined by multiplying your cohort default rate for that fiscal year by the percentage that is derived by dividing—

(i) The number of students who received an FFELP or a Direct Loan Program loan to attend your institution during a period of enrollment, as defined in 34 CFR 682.200 or 685.102, that overlaps any part of a 12-month period that ended during the 6 months immediately preceding the cohort's fiscal year, by

(ii) The number of regular students who were enrolled at your institution

on at least a half-time basis during any part of the same 12-month period.

(2) If your cohort default rate for a fiscal year is calculated as an average rate under § 668.183(d)(2), you may calculate your participation rate index for that fiscal year using either that average rate or the cohort default rate that would be calculated for the fiscal year alone using the method described in § 668.183(d)(1).

(c) *Deadline for submitting an appeal.* You must send us your appeal under this section, including all supporting documentation, within 30 days after you receive the notice of your loss of eligibility.

(d) *Determination.* (1) You do not lose eligibility under § 668.187 if we determine that you meet the requirements for a participation rate index appeal.

(2) If we determine that your participation rate index for a fiscal year is equal to or less than 0.0375, under paragraph (d)(1) of this section, we also excuse you from any subsequent loss of eligibility under § 668.187(a)(2) that would be based on the official cohort default rate for that fiscal year.

(2) You may appeal a notice of a loss of eligibility under § 668.187(a)(2), based on three cohort default rates of 25 percent or greater, if at least two of those cohort default rates—

(i) Are calculated as average rates under § 668.183(d)(2); and

(ii) Would be less than 25 percent if calculated for the fiscal year alone using the method described in § 668.183(d)(1).

(b) *Deadline for submitting an appeal.* (1) Before notifying you of your official cohort default rate, we make an initial determination about whether you qualify for an average rates appeal. If we determine that you qualify, we notify you of that determination at the same

time that we notify you of your official cohort default rate.

(2) If you disagree with our initial determination, you must send us your average rates appeal, including all supporting documentation, within 30 days after you receive the notice of your loss of eligibility.

Subpart N—Cohort Default Rates

SOURCE: 74 FR 55651, Oct. 28, 2009, unless otherwise noted.

§ 668.200 Purpose of this subpart.

(a) *General.* Your cohort default rate is a measure we use to determine your eligibility to participate in various Title IV, HEA programs. We may also use it for determining your eligibility for exemptions, such as those for certain disbursement requirements under the FFEL and Direct Loan Programs. This subpart applies solely to cohorts, as defined in §§ 668.201(a) and 668.202(b), for fiscal years 2009 and later. For these cohorts, this subpart describes how cohort default rates are calculated, some of the consequences of cohort default rates, and how you may request changes to your cohort default rates or appeal their consequences. Under this subpart, you submit a “challenge” after you receive your draft cohort default rate, and you request an “adjustment” or “appeal” after your official cohort default rate is published.

(b) *Cohort Default Rates.* Notwithstanding anything to the contrary in this subpart, we will issue annually two sets of draft and official cohort default rates for fiscal years 2009, 2010, and 2011. For each of these years, you will receive one set of draft and official cohort default rates under this subpart and another set of draft and official cohort default rates under subpart M of this part.

(Authority: 20 U.S.C. 1082, 1085, 1094, 1099c)

§ 668.201 Definitions of terms used in this subpart.

We use the following definitions in this subpart:

(a) *Cohort.* Your cohort is a group of borrowers used to determine your cohort default rate. The method for identifying the borrowers in a cohort is provided in § 668.202(b).

(b) *Data manager.* (1) For FFELP loans held by a guaranty agency or lender, the guaranty agency is the data manager.

(2) For FFELP loans that we hold, we are the data manager.

§ 668.202

(3) For Direct Loan Program loans, the Direct Loan Servicer, as defined in 34 CFR 685.102, is the data manager.

(c) *Days*. In this subpart, “days” means calendar days.

(d) *Default*. A borrower is considered to be in default for cohort default rate purposes under the rules in § 668.202(c).

(e) *Draft cohort default rate*. Your draft cohort default rate is a rate we issue, for your review, before we issue your official cohort default rate. A draft cohort default rate is used only for the purposes described in § 668.204.

(f) *Entering repayment*. (1) Except as provided in paragraphs (f)(2) and (f)(3) of this section, loans are considered to enter repayment on the dates described in 34 CFR 682.200 (under the definition of “repayment period”) and in 34 CFR 685.207.

(2) A Federal SLS loan is considered to enter repayment—

(i) At the same time the borrower’s Federal Stafford loan enters repayment, if the borrower received the Federal SLS loan and the Federal Stafford loan during the same period of continuous enrollment; or

(ii) In all other cases, on the day after the student ceases to be enrolled at an institution on at least a half-time basis in an educational program leading to a degree, certificate, or other recognized educational credential.

(3) For the purposes of this subpart, a loan is considered to enter repayment on the date that a borrower repays it in full, if the loan is paid in full before the loan enters repayment under paragraphs (f)(1) or (f)(2) of this section.

(g) *Fiscal year*. A fiscal year begins on October 1 and ends on the following September 30. A fiscal year is identified by the calendar year in which it ends.

(h) *Loan record detail report*. The loan record detail report is a report that we produce. It contains the data used to calculate your draft or official cohort default rate.

(i) *Official cohort default rate*. Your official cohort default rate is the cohort default rate that we publish for you under § 668.205. Cohort default rates calculated under this subpart are not related in any way to cohort default

34 CFR Ch. VI (7–1–20 Edition)

rates that are calculated for the Federal Perkins Loan Program.

(j) *We*. We are the Department, the Secretary, or the Secretary’s designee.

(k) *You*. You are an institution.

§ 668.202 Calculating and applying cohort default rates.

(a) *General*. This section describes the four steps that we follow to calculate and apply your cohort default rate for a fiscal year:

(1) First, under paragraph (b) of this section, we identify the borrowers in your cohort for the fiscal year. If the total number of borrowers in that cohort is fewer than 30, we also identify the borrowers in your cohorts for the 2 most recent prior fiscal years.

(2) Second, under paragraph (c) of this section, we identify the borrowers in the cohort (or cohorts) who are considered to be in default by the end of the second fiscal year following the fiscal year those borrowers entered repayment. If more than one cohort will be used to calculate your cohort default rate, we identify defaulted borrowers separately for each cohort.

(3) Third, under paragraph (d) of this section, we calculate your cohort default rate.

(4) Fourth, we apply your cohort default rate to all of your locations—

(i) As you exist on the date you receive the notice of your official cohort default rate; and

(ii) From the date on which you receive the notice of your official cohort default rate until you receive our notice that the cohort default rate no longer applies.

(b) *Identify the borrowers in a cohort*.

(1) Except as provided in paragraph (b)(3) of this section, your cohort for a fiscal year consists of all of your current and former students who, during that fiscal year, entered repayment on any Federal Stafford loan, Federal SLS loan, Direct Subsidized loan, or Direct Unsubsidized loan that they received to attend your institution, or on the portion of a loan made under the Federal Consolidation Loan Program or the Federal Direct Consolidation Loan Program (as defined in 34 CFR 685.102) that is used to repay those loans.

(2) A borrower may be included in more than one of your cohorts and may be included in the cohorts of more than one institution in the same fiscal year.

(3) A TEACH Grant that has been converted to a Federal Direct Unsubsidized Loan is not considered for the purpose of calculating and applying cohort default rates.

(c) *Identify the borrowers in a cohort who are in default.* (1) Except as provided in paragraph (c)(2) of this section, a borrower in a cohort for a fiscal year is considered to be in default if, before the end of the second fiscal year following the fiscal year the borrower entered repayment—

(i) The borrower defaults on any FFELP loan that was used to include the borrower in the cohort or on any Federal Consolidation Loan Program loan that repaid a loan that was used to include the borrower in the cohort (however, a borrower is not considered to be in default unless a claim for insurance has been paid on the loan by a guaranty agency or by us);

(ii) The borrower fails to make an installment payment, when due, on any Direct Loan Program loan that was used to include the borrower in the cohort or on any Federal Direct Consolidation Loan Program loan that repaid a loan that was used to include the borrower in the cohort, and the borrower's failure persists for 360 days (or for 270 days, if the borrower's first day of delinquency was before October 7, 1998);

(iii) You or your owner, agent, contractor, employee, or any other affiliated entity or individual make a payment to prevent a borrower's default on a loan that is used to include the borrower in that cohort; or

(iv) The borrower fails to make an installment payment, when due, on a Federal Stafford Loan that is held by the Secretary or a Federal Consolidation Loan that is held by the Secretary and that was used to repay a Federal Stafford Loan, if such Federal Stafford Loan or Federal Consolidation was used to include the borrower in the cohort, and the borrower's failure persists for 360 days.

(2) A borrower is not considered to be in default based on a loan that is, before the end of the second fiscal year

following the fiscal year in which it entered repayment—

(i) Rehabilitated under 34 CFR 682.405 or 34 CFR 685.211(e); or

(ii) Repurchased by a lender because the claim for insurance was submitted or paid in error.

(d) Calculate the cohort default rate. Except as provided in § 668.203, if there are—

(1)(i) Thirty or more borrowers in your cohort for a fiscal year, your cohort default rate is the percentage that is calculated by—

(ii) Dividing the number of borrowers in the cohort who are in default, as determined under paragraph (c) of this section by the number of borrowers in the cohort, as determined under paragraph (b) of this section.

(2)(i) Fewer than 30 borrowers in your cohort for a fiscal year, your cohort default rate is the percentage that is calculated by—

(ii) Dividing the total number of borrowers in that cohort and in the two most recent prior cohorts who are in default, as determined for each cohort under paragraph (c) of this section by the total number of borrowers in that cohort and the two most recent prior cohorts, as determined for each cohort under paragraph (b) of this section.

§ 668.203 Determining cohort default rates for institutions that have undergone a change in status.

(a) *General.* (1) Except as provided under 34 CFR 600.32(d), if you undergo a change in status identified in this section, your cohort default rate is determined under this section.

(2) In determining cohort default rates under this section, the date of a merger, acquisition, or other change in status is the date the change occurs.

(3) A change in status may affect your eligibility to participate in Title IV, HEA programs under § 668.206 or § 668.207.

(4) If another institution's cohort default rate is applicable to you under this section, you may challenge, request an adjustment, or submit an appeal for the cohort default rate under the same requirements that would be

§ 668.204

34 CFR Ch. VI (7–1–20 Edition)

applicable to the other institution under §§ 668.204 and 668.208.

(b) *Acquisition or merger of institutions.* If your institution acquires, or was created by the merger of, one or more institutions that participated independently in the Title IV, HEA programs immediately before the acquisition or merger—

(1) For the cohort default rates published before the date of the acquisition or merger, your cohort default rates are the same as those of your predecessor that had the highest total number of borrowers entering repayment in the two most recent cohorts used to calculate those cohort default rates; and

(2) Beginning with the first cohort default rate published after the date of the acquisition or merger, your cohort default rates are determined by including the applicable borrowers from each institution involved in the acquisition or merger in the calculation under § 668.202.

(c) *Acquisition of branches or locations.* If you acquire a branch or a location from another institution participating in the Title IV, HEA programs—

(1) The cohort default rates published for you before the date of the change apply to you and to the newly acquired branch or location;

(2) Beginning with the first cohort default rate published after the date of the change, your cohort default rates for the next 3 fiscal years are determined by including the applicable borrowers from your institution and the other institution (including all of its locations) in the calculation under § 668.202;

(3) After the period described in paragraph (c)(2) of this section, your cohort default rates do not include borrowers from the other institution in the calculation under § 668.202; and

(4) At all times, the cohort default rate for the institution from which you acquired the branch or location is not affected by this change in status.

(d) *Branches or locations becoming institutions.* If you are a branch or location of an institution that is participating in the Title IV, HEA programs, and you become a separate, new institution for the purposes of participating in those programs—

(1) The cohort default rates published before the date of the change for your former parent institution are also applicable to you;

(2) Beginning with the first cohort default rate published after the date of the change, your cohort default rates for the next 3 fiscal years are determined by including the applicable borrowers from your institution and your former parent institution (including all of its locations) in the calculation under § 668.202; and

(3) After the period described in paragraph (d)(2) of this section, your cohort default rates do not include borrowers from your former parent institution in the calculation under § 668.202.

(Authority: 20 U.S.C. 1082, 1085, 1094, 1099c)

§ 668.204 Draft cohort default rates and your ability to challenge before official cohort default rates are issued.

(a) *General.* (1) We notify you of your draft cohort default rate before your official cohort default rate is calculated. Our notice includes the loan record detail report for the draft cohort default rate.

(2) Regardless of the number of borrowers included in your cohort, your draft cohort default rate is always calculated using data for that fiscal year alone, using the method described in § 668.202(d)(1).

(3) Your draft cohort default rate and the loan record detail report are not considered public information and may not be otherwise voluntarily released to the public by a data manager.

(4) Any challenge you submit under this section and any response provided by a data manager must be in a format acceptable to us. This acceptable format is described in the “Cohort Default Rate Guide” that we provide to you. If your challenge does not comply with the requirements in the “Cohort Default Rate Guide,” we may deny your challenge.

(b) *Incorrect data challenges.* (1) You may challenge the accuracy of the data included on the loan record detail report by sending a challenge to the relevant data manager, or data managers, within 45 days after you receive the data. Your challenge must include—

(i) A description of the information in the loan record detail report that you believe is incorrect; and

(ii) Documentation that supports your contention that the data are incorrect.

(2) Within 30 days after receiving your challenge, the data manager must send you and us a response that—

(i) Addresses each of your allegations of error; and

(ii) Includes the documentation that supports the data manager's position.

(3) If your data manager concludes that draft data in the loan record detail report are incorrect, and we agree, we use the corrected data to calculate your cohort default rate.

(4) If you fail to challenge the accuracy of data under this section, you cannot contest the accuracy of those data in an uncorrected data adjustment, under § 668.209, or in an erroneous data appeal, under § 668.211.

(c) *Participation rate index challenges.*

(1)(i) You may challenge an anticipated loss of eligibility under § 668.206(a)(1), based on one cohort default rate over 40 percent, if your participation rate index for that cohort's fiscal year is equal to or less than 0.0832.

(ii) Subject to § 668.208(b), you may challenge a potential loss of eligibility under § 668.206(a)(2), based on any cohort default rate that is less than or equal to 40 percent, but greater than or equal to 30 percent, for any of the three most recently calculated fiscal years, if your participation rate index is equal to or less than 0.0625 for that cohort's fiscal year.

(iii) You may challenge a potential placement on provisional certification under § 668.16(m)(2)(i), based on any cohort default rate that fails to satisfy the standard of administrative capability in § 668.16(m)(1)(ii), if your participation rate index is equal to or less than 0.0625 for that cohort's fiscal year.

(2) For a participation rate index challenge, your participation rate index is calculated as described in § 668.214(b), except that—

(i) The draft cohort default rate is considered to be your most recent cohort default rate; and

(ii) If the cohort used to calculate your draft cohort default rate included fewer than 30 borrowers, you may cal-

culate your participation rate index for that fiscal year using either your most recent draft cohort default rate or the average rate that would be calculated for that fiscal year, using the method described in § 668.202(d)(2).

(3) You must send your participation rate index challenge, including all supporting documentation, to us within 45 days after you receive your draft cohort default rate.

(4) We notify you of our determination on your participation rate index challenge before your official cohort default rate is published.

(5) If we determine that you qualify for continued eligibility or full certification based on your participation rate index challenge, you will not lose eligibility under § 668.206 or be placed on provisional certification under § 668.16(m)(2)(i) when your next official cohort default rate is published. Unless that next official cohort default rate is less than or equal to your draft cohort default rate, a successful challenge that is based on your draft cohort default rate does not excuse you from any other loss of eligibility or placement on provisional certification. However, if your successful challenge under paragraph (c)(1)(ii) or (iii) of this section is based on a prior, official cohort default rate, and not on your draft cohort default rate, or if the next official cohort default rate published is less than or equal to the draft rate you successfully challenged, we also excuse you from any subsequent loss of eligibility, under § 668.206(a)(2), or placement on provisional certification, under § 668.16(m)(2)(i), that would be based on that official cohort default rate.

§ 668.205 Notice of your official cohort default rate.

(a) We electronically notify you of your cohort default rate after we calculate it, by sending you an eCDR notification package to the destination point you designate. After we send our notice to you, we publish a list of cohort default rates for all institutions.

(b) If you had one or more borrowers entering repayment in the fiscal year for which the rate is calculated, or are subject to sanctions, or if the Department believes you will have an official cohort default rate calculated as an average rate, you will receive a loan record detail report as part of your eCDR notification package.

(c) You have five business days, from the transmission date for eCDR notification packages as posted on the Department's Web site, to report any problem with receipt of the electronic transmission of your eCDR notification package.

(d) Except as provided in paragraph (e) of this section, timelines for submitting challenges, adjustments, and appeals begin on the sixth business day following the transmission date for eCDR notification packages that is posted on the Department's Web site.

(e) If you timely report a problem with transmission of your eCDR notification package under paragraph (c) of this section and the Department agrees that the problem with transmission was not caused by you, the Department will extend the challenge, appeal and adjustment deadlines and timeframes to account for a retransmission of your eCDR notification package after the technical problem is resolved.

§ 668.206 Consequences of cohort default rates on your ability to participate in Title IV, HEA programs.

(a) *End of participation.* (1) Except as provided in paragraph (e) of this section, you lose your eligibility to participate in the FFEL and Direct Loan programs 30 days after you receive our notice that your most recent cohort default rate for fiscal year 2011 or later is greater than 40 percent.

(2) Except as provided in paragraphs (d) and (e) of this section, you lose your eligibility to participate in the FFEL, Direct Loan, and Federal Pell Grant programs 30 days after you receive our notice that your three most recent cohort default rates are each 30 percent or greater.

(b) *Length of period of ineligibility.* Your loss of eligibility under this section continues—

(1) For the remainder of the fiscal year in which we notify you that you are subject to a loss of eligibility; and

(2) For the next 2 fiscal years.

(c) *Using a cohort default rate more than once.* The use of a cohort default rate as a basis for a loss of eligibility under this section does not preclude its use as a basis for—

(1) Any concurrent or subsequent loss of eligibility under this section; or

(2) Any other action by us.

(d) *Continuing participation in Pell.* If you are subject to a loss of eligibility under paragraph (a)(2) of this section, based on three cohort default rates of 30 percent or greater, you may continue to participate in the Federal Pell Grant Program if we determine that you—

(1) Were ineligible to participate in the FFEL and Direct Loan programs before October 7, 1998, and your eligibility was not reinstated;

(2) Requested in writing, before October 7, 1998, to withdraw your participation in the FFEL and Direct Loan programs, and you were not later reinstated; or

(3) Have not certified an FFELP loan or originated a Direct Loan Program loan on or after July 7, 1998.

(e) *Requests for adjustments and appeals.* (1) A loss of eligibility under this section does not take effect while your request for adjustment or appeal, as listed in § 668.208(a), is pending, provided your request for adjustment or appeal is complete, timely, accurate, and in the required format.

(2) Eligibility continued under paragraph (e)(1) of this section ends if we determine that none of the requests for adjustments and appeals you have submitted qualify you for continued eligibility under § 668.208. Loss of eligibility takes effect on the date that you receive notice of our determination on your last pending request for adjustment or appeal.

(3) You do not lose eligibility under this section if we determine that your request for adjustment or appeal meets all requirements of this subpart and qualifies you for continued eligibility under § 668.208.

(4) To avoid liabilities you might otherwise incur under paragraph (f) of this section, you may choose to suspend

your participation in the FFEL and Direct Loan programs during the adjustment or appeal process.

(f) *Liabilities during the adjustment or appeal process.* If you continued to participate in the FFEL or Direct Loan Program under paragraph (e)(1) of this section, and we determine that none of your requests for adjustments or appeals qualify you for continued eligibility—

(1) For any FFEL or Direct Loan Program loan that you certified and delivered or originated and disbursed more than 30 days after you received the notice of your cohort default rate, we estimate the amount of interest, special allowance, reinsurance, and any related or similar payments we make or are obligated to make on those loans;

(2) We exclude from this estimate any amount attributable to funds that you delivered or disbursed more than 45 days after you submitted your completed appeal to us;

(3) We notify you of the estimated amount; and

(4) Within 45 days after you receive our notice of the estimated amount, you must pay us that amount, unless—

(i) You file an appeal under the procedures established in subpart H of this part (for the purposes of subpart H of this part, our notice of the estimate is considered to be a final program review determination); or

(ii) We permit a longer repayment period.

(g) *Regaining eligibility.* If you lose your eligibility to participate in a program under this section, you may not participate in that program until—

(1) The period described in paragraph (b) of this section has ended;

(2) You pay any amount owed to us under this section or are meeting that obligation under an agreement acceptable to us;

(3) You submit a new application for participation in the program;

(4) We determine that you meet all of the participation requirements in effect at the time of your application; and

(5) You and we enter into a new program participation agreement.

§ 668.207 Preventing evasion of the consequences of cohort default rates.

(a) *General.* You are subject to a loss of eligibility that has already been imposed against another institution as a result of cohort default rates if—

(1) You and the ineligible institution are both parties to a transaction that results in a change of ownership, a change in control, a merger, a consolidation, an acquisition, a change of name, a change of address, any change that results in a location becoming a freestanding institution, a purchase or sale, a transfer of assets, an assignment, a change of identification number, a contract for services, an addition or closure of one or more locations or branches or educational programs, or any other change in whole or in part in institutional structure or identity;

(2) Following the change described in paragraph (a)(1) of this section, you offer an educational program at substantially the same address at which the ineligible institution had offered an educational program before the change; and

(3) There is a commonality of ownership or management between you and the ineligible institution, as the ineligible institution existed before the change.

(b) *Commonality of ownership or management.* For the purposes of this section, a commonality of ownership or management exists if, at each institution, the same person (as defined in 34 CFR 600.31) or members of that person's family, directly or indirectly—

(1) Holds or held a managerial role; or

(2) Has or had the ability to affect substantially the institution's actions, within the meaning of 34 CFR 600.21.

(c) *Teach-outs.* Notwithstanding paragraph (b)(1) of this section, a commonality of management does not exist if you are conducting a teach-out under a teach-out agreement as defined in 34 CFR 602.3 and administered in accordance with 34 CFR 602.24(c), and—

(1)(i) Within 60 days after the change described in this section, you send us the names of the managers for each facility undergoing the teach-out as it existed before the change and for each facility as it exists after you believe

that the commonality of management has ended; and

(ii) We determine that the commonality of management, as described in paragraph (b)(1) of this section, has ended; or

(2)(i) Within 30 days after you receive our notice that we have denied your submission under paragraph (c)(1)(i) of this section, you make the management changes we request and send us a list of the names of the managers for each facility undergoing the teach-out as it exists after you make those changes; and

(ii) We determine that the commonality of management, as described in paragraph (b)(1) of this section, has ended.

(d) *Initial determination.* We encourage you to contact us before undergoing a change described in this section. If you write to us, providing the information we request, we will provide a written initial determination of the anticipated change's effect on your eligibility.

(e) *Notice of accountability.* (1) We notify you in writing if, in response to your notice or application filed under 34 CFR 600.20 or 600.21, we determine that you are subject to a loss of eligibility, under paragraph (a) of this section, that has been imposed against another institution.

(2) Our notice also advises you of the scope and duration of your loss of eligibility. The loss of eligibility applies to all of your locations from the date you receive our notice until the expiration of the period of ineligibility applicable to the other institution.

(3) If you are subject to a loss of eligibility under this section that has already been imposed against another institution, you may only request an adjustment or submit an appeal for the loss of eligibility under the same requirements that would be applicable to the other institution under § 668.208.

(Authority: 20 U.S.C. 1082, 1085, 1094, 1099c)

§ 668.208 General requirements for adjusting official cohort default rates and for appealing their consequences.

(a) *Remaining eligible.* You do not lose eligibility under § 668.206 if—

(1) We recalculate your cohort default rate, and it is below the percentage threshold for the loss of eligibility as the result of—

(i) An uncorrected data adjustment submitted under this section and § 668.209;

(ii) A new data adjustment submitted under this section and § 668.210;

(iii) An erroneous data appeal submitted under this section and § 668.211; or

(iv) A loan servicing appeal submitted under this section and § 668.212; or

(2) You meet the requirements for—

(i) An economically disadvantaged appeal submitted under this section and § 668.213;

(ii) A participation rate index challenge or appeal submitted under this section and § 668.204 or § 668.214;

(iii) An average rates appeal submitted under this section and § 668.215; or

(iv) A thirty-or-fewer borrowers appeal submitted under this section and § 668.216.

(b) *Limitations on your ability to dispute your cohort default rate.* (1) You may not dispute the calculation of a cohort default rate except as described in this subpart or in § 668.16(m)(2).

(2) You may not challenge, request an adjustment to, or appeal a draft or official cohort default rate, under § 668.204, § 668.209, § 668.210, § 668.211, § 668.212, or § 668.214, more than once on that cohort default rate.

(3) You may not challenge, request an adjustment to, or appeal a draft or official cohort default rate, under § 668.204, § 668.209, § 668.210, § 668.211, § 668.212, or § 668.214, if you previously lost your eligibility to participate in a Title IV, HEA program, under § 668.206, or were placed on provisional certification under § 668.16(m)(2)(i), based entirely or partially on that cohort default rate.

(c) *Content and format of requests for adjustments and appeals.* We may deny your request for adjustment or appeal if it does not meet the following requirements:

(1) All appeals, notices, requests, independent auditor's opinions, management's written assertions, and

other correspondence that you are required to send under this subpart must be complete, timely, accurate, and in a format acceptable to us. This acceptable format is described in the “Cohort Default Rate Guide” that we provide to you.

(2) Your completed request for adjustment or appeal must include—

(i) All of the information necessary to substantiate your request for adjustment or appeal; and

(ii) A certification by your chief executive officer, under penalty of perjury, that all the information you provide is true and correct.

(d) *Our copies of your correspondence.* Whenever you are required by this subpart to correspond with a party other than us, you must send us a copy of your correspondence within the same time deadlines. However, you are not required to send us copies of documents that you received from us originally.

(e) *Requirements for data managers’ responses.* (1) Except as otherwise provided in this subpart, if this subpart requires a data manager to correspond with any party other than us, the data manager must send us a copy of the correspondence within the same time deadlines.

(2) If a data manager sends us correspondence under this subpart that is not in a format acceptable to us, we may require the data manager to revise that correspondence’s format, and we may prescribe a format for that data manager’s subsequent correspondence with us.

(f) *Our decision on your request for adjustment or appeal.* (1) We determine whether your request for an adjustment or appeal is in compliance with this subpart.

(2) In making our decision for an adjustment, under § 668.209 or § 668.210, or an appeal, under § 668.211 or § 668.212—

(i) We presume that the information provided to you by a data manager is correct unless you provide substantial evidence that shows the information is not correct; and

(ii) If we determine that a data manager did not provide the necessary clarifying information or legible records in meeting the requirements of this subpart, we presume that the evidence that you provide to us is correct

unless it is contradicted or otherwise proven to be incorrect by information we maintain.

(3) Our decision is based on the materials you submit under this subpart. We do not provide an oral hearing.

(4) We notify you of our decision—

(i) If you request an adjustment or appeal because you are subject to a loss of eligibility under § 668.206 or potential placement on provisional certification under § 668.16(m)(2)(i) or file an economically disadvantaged appeal under § 668.213(a)(2), within 45 days after we receive your completed request for an adjustment or appeal; or

(ii) In all other cases, except for appeals submitted under § 668.211(a) following placement on provisional certification, before we notify you of your next official cohort default rate.

(5) You may not seek judicial review of our determination of a cohort default rate until we issue our decision on all pending requests for adjustments or appeals for that cohort default rate.

§ 668.209 Uncorrected data adjustments.

(a) *Eligibility.* You may request an uncorrected data adjustment for your most recent cohort of borrowers, used to calculate your most recent official cohort default rate, if in response to your challenge under § 668.204(b), a data manager agreed correctly to change the data, but the changes are not reflected in your official cohort default rate.

(b) *Deadlines for requesting an uncorrected data adjustment.* You must send us a request for an uncorrected data adjustment, including all supporting documentation, within 30 days after you receive your loan record detail report from us.

(c) *Determination.* We recalculate your cohort default rate, based on the corrected data, and electronically correct the rate that is publicly released if we determine that—

(1) In response to your challenge under § 668.204(b), a data manager agreed to change the data;

§ 668.210

(2) The changes described in paragraph (c)(1) of this section are not reflected in your official cohort default rate; and

(3) We agree that the data are incorrect.

§ 668.210 New data adjustments.

(a) *Eligibility.* You may request a new data adjustment for your most recent cohort of borrowers, used to calculate your most recent official cohort default rate, if—

(1) A comparison of the loan record detail reports that we provide to you for the draft and official cohort default rates shows that the data have been newly included, excluded, or otherwise changed; and

(2) You identify errors in the data described in paragraph (a)(1) of this section that are confirmed by the data manager.

(b) *Deadlines for requesting a new data adjustment.* (1) You must send to the relevant data manager, or data managers, and us a request for a new data adjustment, including all supporting documentation, within 15 days after you receive your loan record detail report from us.

(2) Within 20 days after receiving your request for a new data adjustment, the data manager must send you and us a response that—

(i) Addresses each of your allegations of error; and

(ii) Includes the documentation used to support the data manager's position.

(3) Within 15 days after receiving a guaranty agency's notice that we hold an FFELP loan about which you are inquiring, you must send us your request for a new data adjustment for that loan. We respond to your request as set forth under paragraph (b)(2) of this section.

(4) Within 15 days after receiving incomplete or illegible records or data from a data manager, you must send a request for replacement records or clarification of data to the data manager and us.

(5) Within 20 days after receiving your request for replacement records

or clarification of data, the data manager must—

(i) Replace the missing or illegible records;

(ii) Provide clarifying information; or

(iii) Notify you and us that no clarifying information or additional or improved records are available.

(6) You must send us your completed request for a new data adjustment, including all supporting documentation—

(i) Within 30 days after you receive the final data manager's response to your request or requests; or

(ii) If you are also filing an erroneous data appeal or a loan servicing appeal, by the latest of the filing dates required in paragraph (b)(6)(i) of this section or in § 668.211(b)(6)(i) or § 668.212(c)(10)(i).

(c) *Determination.* If we determine that incorrect data were used to calculate your cohort default rate, we recalculate your cohort default rate based on the correct data and make electronic corrections to the rate that is publicly released.

§ 668.211 Erroneous data appeals.

(a) *Eligibility.* Except as provided in § 668.208(b), you may appeal the calculation of a cohort default rate upon which a loss of eligibility, under § 668.206, or provisional certification, under § 668.16(m), is based if—

(1) You dispute the accuracy of data that you previously challenged on the basis of incorrect data, under § 668.204(b); or

(2) A comparison of the loan record detail reports that we provide to you for the draft and official cohort default rates shows that the data have been newly included, excluded, or otherwise changed, and you dispute the accuracy of that data.

(b) *Deadlines for submitting an appeal.*

(1) You must send a request for verification of data errors to the relevant data manager, or data managers, and to us within 15 days after you receive the notice of your loss of eligibility or provisional certification. Your request must include a description of the information in the cohort default

rate data that you believe is incorrect and all supporting documentation that demonstrates the error.

(2) Within 20 days after receiving your request for verification of data errors, the data manager must send you and us a response that—

(i) Addresses each of your allegations of error; and

(ii) Includes the documentation used to support the data manager's position.

(3) Within 15 days after receiving a guaranty agency's notice that we hold an FFELP loan about which you are inquiring, you must send us your request for verification of that loan's data errors. Your request must include a description of the information in the cohort default rate data that you believe is incorrect and all supporting documentation that demonstrates the error. We respond to your request as set forth under paragraph (b)(2) of this section.

(4) Within 15 days after receiving incomplete or illegible records or data, you must send a request for replacement records or clarification of data to the data manager and us.

(5) Within 20 days after receiving your request for replacement records or clarification of data, the data manager must—

(i) Replace the missing or illegible records;

(ii) Provide clarifying information; or

(iii) Notify you and us that no clarifying information or additional or improved records are available.

(6) You must send your completed appeal to us, including all supporting documentation—

(i) Within 30 days after you receive the final data manager's response to your request; or

(ii) If you are also requesting a new data adjustment or filing a loan servicing appeal, by the latest of the filing dates required in paragraph (b)(6)(i) of this section or in § 668.210(b)(6)(i) or § 668.212(c)(10)(i).

(c) *Determination.* If we determine that incorrect data were used to calculate your cohort default rate, we recalculate your cohort default rate based on the correct data and elec-

tronically correct the rate that is publicly released.

§ 668.212 Loan servicing appeals.

(a) *Eligibility.* Except as provided in § 668.208(b), you may appeal, on the basis of improper loan servicing or collection, the calculation of—

(1) Your most recent cohort default rate; or

(2) Any cohort default rate upon which a loss of eligibility under § 668.206 is based.

(b) *Improper loan servicing.* For the purposes of this section, a default is considered to have been due to improper loan servicing or collection only if the borrower did not make a payment on the loan and you prove that the FFEL Program lender or the Direct Loan Servicer, as defined in 34 CFR 685.102, failed to perform one or more of the following activities, if that activity applies to the loan:

(1) Send at least one letter (other than the final demand letter) urging the borrower to make payments on the loan.

(2) Attempt at least one phone call to the borrower.

(3) Send a final demand letter to the borrower.

(4) For a Direct Loan Program loan only, document that skip tracing was performed if the Direct Loan Servicer determined that it did not have the borrower's current address.

(5) For an FFELP loan only—

(i) Submit a request for preclaims or default aversion assistance to the guaranty agency; and

(ii) Submit a certification or other documentation that skip tracing was performed to the guaranty agency.

(c) *Deadlines for submitting an appeal.*

(1) If the loan record detail report was not included with your official cohort default rate notice, you must request it within 15 days after you receive the notice of your official cohort default rate.

(2) You must send a request for loan servicing records to the relevant data manager, or data managers, and to us within 15 days after you receive your loan record detail report from us. If the data manager is a guaranty agency,

your request must include a copy of the loan record detail report.

(3) Within 20 days after receiving your request for loan servicing records, the data manager must—

(i) Send you and us a list of the borrowers in your representative sample, as described in paragraph (d) of this section (the list must be in social security number order, and it must include the number of defaulted loans included in the cohort for each listed borrower);

(ii) Send you and us a description of how your representative sample was chosen; and

(iii) Either send you copies of the loan servicing records for the borrowers in your representative sample and send us a copy of its cover letter indicating that the records were sent, or send you and us a notice of the amount of its fee for providing copies of the loan servicing records.

(4) The data manager may charge you a reasonable fee for providing copies of loan servicing records, but it may not charge more than \$10 per borrower file. If a data manager charges a fee, it is not required to send the documents to you until it receives your payment of the fee.

(5) If the data manager charges a fee for providing copies of loan servicing records, you must send payment in full to the data manager within 15 days after you receive the notice of the fee.

(6) If the data manager charges a fee for providing copies of loan servicing records, and—

(i) You pay the fee in full and on time, the data manager must send you, within 20 days after it receives your payment, a copy of all loan servicing records for each loan in your representative sample (the copies are provided to you in hard copy format unless the data manager and you agree that another format may be used), and it must send us a copy of its cover letter indicating that the records were sent; or

(ii) You do not pay the fee in full and on time, the data manager must notify you and us of your failure to pay the fee and that you have waived your right to challenge the calculation of your cohort default rate based on the data manager's records. We accept that determination unless you prove that it is incorrect.

(7) Within 15 days after receiving a guaranty agency's notice that we hold an FFELP loan about which you are inquiring, you must send us your request for the loan servicing records for that loan. We respond to your request under paragraph (c)(3) of this section.

(8) Within 15 days after receiving incomplete or illegible records, you must send a request for replacement records to the data manager and us.

(9) Within 20 days after receiving your request for replacement records, the data manager must either—

(i) Replace the missing or illegible records; or

(ii) Notify you and us that no additional or improved copies are available.

(10) You must send your appeal to us, including all supporting documentation—

(i) Within 30 days after you receive the final data manager's response to your request for loan servicing records; or

(ii) If you are also requesting a new data adjustment or filing an erroneous data appeal, by the latest of the filing dates required in paragraph (c)(10)(i) of this section or in § 668.210(b)(6)(i) or § 668.211(b)(6)(i).

(d) *Representative sample of records.* (1) To select a representative sample of records, the data manager first identifies all of the borrowers for whom it is responsible and who had loans that were considered to be in default in the calculation of the cohort default rate you are appealing.

(2) From the group of borrowers identified under paragraph (d)(1) of this section, the data manager identifies a sample that is large enough to derive an estimate, acceptable at a 95 percent confidence level with a plus or minus 5 percent confidence interval, for use in determining the number of borrowers who should be excluded from the calculation of the cohort default rate due to improper loan servicing or collection.

(e) *Loan servicing records.* Loan servicing records are the collection and payment history records—

(1) Provided to the guaranty agency by the lender and used by the guaranty agency in determining whether to pay a claim on a defaulted loan; or

(2) Maintained by our Direct Loan Servicer that are used in determining your cohort default rate.

(f) *Determination.* (1) We determine the number of loans, included in your representative sample of loan servicing records, that defaulted due to improper loan servicing or collection, as described in paragraph (b) of this section.

(2) Based on our determination, we use a statistically valid methodology to exclude the corresponding percentage of borrowers from both the numerator and denominator of the calculation of your cohort default rate, and electronically correct the rate that is publicly released.

§ 668.213 Economically disadvantaged appeals.

(a) *General.* As provided in this section you may appeal—

(1) A notice of a loss of eligibility under § 668.206; or

(2) A notice of a second successive official cohort default rate calculated under this subpart that is equal to or greater than 30 percent but less than or equal to 40 percent, potentially subjecting you to provisional certification under § 668.16(m)(2)(i).

(b) *Eligibility.* You may appeal under this section if an independent auditor's opinion certifies that your low income rate is two-thirds or more and—

(1) You offer an associate, baccalaureate, graduate, or professional degree, and your completion rate is 70 percent or more; or

(2) You do not offer an associate, baccalaureate, graduate, or professional degree, and your placement rate is 44 percent or more.

(c) *Low income rate.* (1) Your low income rate is the percentage of your students, as described in paragraph (c)(2) of this section, who—

(i) For an award year that overlaps the 12-month period selected under paragraph (c)(2) of this section, have an expected family contribution, as defined in 34 CFR 690.2, that is equal to or less than the largest expected family contribution that would allow a student to receive one-half of the maximum Federal Pell Grant award, re-

gardless of the student's enrollment status or cost of attendance; or

(ii) For a calendar year that overlaps the 12-month period selected under paragraph (c)(2) of this section, have an adjusted gross income that, when added to the adjusted gross income of the student's parents (if the student is a dependent student) or spouse (if the student is a married independent student), is less than the amount listed in the Department of Health and Human Services poverty guidelines for the size of the student's family unit.

(2) The students who are used to determine your low income rate include only students who were enrolled on at least a half-time basis in an eligible program at your institution during any part of a 12-month period that ended during the 6 months immediately preceding the cohort's fiscal year.

(d) *Completion rate.* (1) Your completion rate is the percentage of your students, as described in paragraph (d)(2) of this section, who—

(i) Completed the educational programs in which they were enrolled;

(ii) Transferred from your institution to a higher level educational program;

(iii) Remained enrolled and are making satisfactory progress toward completion of their educational programs at the end of the same 12-month period used to calculate the low income rate; or

(iv) Entered active duty in the Armed Forces of the United States within 1 year after their last date of attendance at your institution.

(2) The students who are used to determine your completion rate include only regular students who were—

(i) Initially enrolled on a full-time basis in an eligible program; and

(ii) Originally scheduled to complete their programs during the same 12-month period used to calculate the low income rate.

(e) *Placement rate.* (1) Except as provided in paragraph (e)(2) of this section, your placement rate is the percentage of your students, as described in paragraphs (e)(3) and (e)(4) of this section, who—

(i) Are employed, in an occupation for which you provided training, on the date following 1 year after their last date of attendance at your institution;

(ii) Were employed for at least 13 weeks, in an occupation for which you provided training, between the date they enrolled at your institution and the first date that is more than a year after their last date of attendance at your institution; or

(iii) Entered active duty in the Armed Forces of the United States within 1 year after their last date of attendance at your institution.

(2) For the purposes of this section, a former student is not considered to have been employed based on any employment by your institution.

(3) The students who are used to determine your placement rate include only former students who—

(i) Were initially enrolled in an eligible program on at least a half-time basis;

(ii) Were originally scheduled, at the time of enrollment, to complete their educational programs during the same 12-month period used to calculate the low income rate; and

(iii) Remained in the program beyond the point at which a student would have received a 100 percent tuition refund from you.

(4) A student is not included in the calculation of your placement rate if that student, on the date that is 1 year after the student's originally scheduled completion date, remains enrolled in the same program and is making satisfactory progress.

(f) *Scheduled to complete.* In calculating a completion or placement rate under this section, the date on which a student is originally scheduled to complete a program is based on—

(1) For a student who is initially enrolled full-time, the amount of time specified in your enrollment contract, catalog, or other materials for completion of the program by a full-time student; or

(2) For a student who is initially enrolled less than full-time, the amount of time that it would take the student to complete the program if the student remained at that level of enrollment throughout the program.

(g) *Deadline for submitting an appeal.*

(1) Within 30 days after you receive the notice of your loss of eligibility or of a rate described in paragraph (a)(2) of this section, you must send us your

management's written assertion, as described in the Cohort Default Rate Guide.

(2) Within 60 days after you receive the notice of your loss of eligibility or of a rate described in paragraph (a)(2) of this section, you must send us the independent auditor's opinion described in paragraph (h) of this section.

(h) *Independent auditor's opinion.* (1) The independent auditor's opinion must state whether your management's written assertion, as you provided it to the auditor and to us, meets the requirements for an economically disadvantaged appeal and is fairly stated in all material respects.

(2) The engagement that forms the basis of the independent auditor's opinion must be an examination-level compliance attestation engagement performed in accordance with—

(i) The American Institute of Certified Public Accountants' (AICPA) Statement on Standards for Attestation Engagements, Compliance Attestation (AICPA, Professional Standards, vol. 1, AT sec. 500), as amended (these standards may be obtained by calling the AICPA's order department, at 1-888-777-7077); and

(ii) Government Auditing Standards issued by the Comptroller General of the United States.

(i) *Determination.* You do not lose eligibility under § 668.206, and we do not provisionally certify you under § 668.16(m)(2)(i), if—

(1) Your independent auditor's opinion agrees that you meet the requirements for an economically disadvantaged appeal; and

(2) We determine that the independent auditor's opinion and your management's written assertion—

(i) Meet the requirements for an economically disadvantaged appeal; and

(ii) Are not contradicted or otherwise proven to be incorrect by information we maintain, to an extent that would render the independent auditor's opinion unacceptable.

§ 668.214 Participation rate index appeals.

(a) *Eligibility.* (1) You do not lose eligibility under § 668.206(a)(1), based on one cohort default rate over 40 percent, if you bring an appeal in accordance with this section that demonstrates that your participation rate index for that cohort's fiscal year is equal to or less than 0.0832.

(2) Subject to § 668.208(b), you do not lose eligibility under § 668.206(a)(2) if you bring an appeal in accordance with this section that demonstrates that your participation rate index for any of the three most recent cohorts' fiscal years is equal to or less than 0.0625.

(3) Subject to § 668.208(b), you are not placed on provisional certification under § 668.16(m)(2)(i) based on two cohort default rates that fail to satisfy the standard of administrative capability in § 668.16(m)(1)(ii) if you bring an appeal in accordance with this section that demonstrates that your participation rate index for either of those two cohorts' fiscal years is equal to or less than 0.0625.

(b) *Calculating your participation rate index.* (1) Except as provided in paragraph (b)(2) of this section, your participation rate index for a fiscal year is determined by multiplying your cohort default rate for that fiscal year by the percentage that is derived by dividing—

(i) The number of students who received an FFELP or a Direct Loan Program loan to attend your institution during a period of enrollment, as defined in 34 CFR 682.200 or 685.102, that overlaps any part of a 12-month period that ended during the 6 months immediately preceding the cohort's fiscal year, by

(ii) The number of regular students who were enrolled at your institution on at least a half-time basis during any part of the same 12-month period.

(2) If your cohort default rate for a fiscal year is calculated as an average rate under § 668.202(d)(2), you may calculate your participation rate index for that fiscal year using either that average rate or the cohort default rate that would be calculated for the fiscal year alone using the method described in § 668.202(d)(1).

(c) *Deadline for submitting an appeal.* You must send us your appeal under this section, including all supporting documentation, within 30 days after you receive—

(1) Notice of your loss of eligibility; or

(2) Notice under § 668.205 of a cohort default rate that equals or exceeds 30 percent but is less than or equal to 40 percent.

(d) *Determination.* (1) You do not lose eligibility under § 668.206 and we do not place you on provisional certification, if we determine that you meet the requirements for a participation rate index appeal.

(2) If we determine that your participation rate index for a fiscal year is equal to or less than 0.0832 or 0.0625, as applicable, under paragraph (d)(1) of this section, we also excuse you from any subsequent loss of eligibility under § 668.206(a)(2) or placement on provisional certification under § 668.16(m)(2)(i) that would be based on the official cohort default rate for that fiscal year.

(2) You may appeal a notice of a loss of eligibility under § 668.206(a)(2), based on three cohort default rates of 30 percent or greater, if at least two of those cohort default rates—

(i) Are calculated as average rates under § 668.202(d)(2); and

(ii) Would be less than 30 percent if calculated for the fiscal year alone using the method described in § 668.202(d)(1).

time that we notify you of your official cohort default rate.

(2) If you disagree with our initial determination, you must send us your average rates appeal, including all supporting documentation, within 30 days after you receive the notice of your loss of eligibility.

§ 668.217 Default prevention plans.

(a) *First year.* (1) If your cohort default rate is equal to or greater than 30 percent you must establish a default prevention task force that prepares a plan to—

(i) Identify the factors causing your cohort default rate to exceed the threshold;

(ii) Establish measurable objectives and the steps you will take to improve your cohort default rate;

(iii) Specify the actions you will take to improve student loan repayment, in-

APPENDIX A TO SUBPART N OF PART 668—SAMPLE DEFAULT PREVENTION PLAN

This appendix is provided as a sample plan for those institutions developing a default prevention plan in accordance with § 668.217(a). It describes some measures you may find helpful in reducing the number of students that default on Federally funded loans. These are not the only measures you could implement when developing a default prevention plan.

I. CORE DEFAULT REDUCTION STRATEGIES

1. Establish your default prevention team by engaging your chief executive officer and relevant senior executive officials and enlisting the support of representatives from offices other than the financial aid office. Consider including individuals and organizations independent of your institution that have experience in preventing title IV loan defaults.

2. Consider your history, resources, dollars in default, and targets for default reduction to determine which activities will result in the most benefit to you and your students.

3. Define evaluation methods and establish a data collection system for measuring and verifying relevant default prevention statistics, including a statistical analysis of the borrowers who default on their loans.

4. Identify and allocate the personnel, administrative, and financial resources appropriate to implement the default prevention plan.

5. Establish annual targets for reductions in your rate.

6. Establish a process to ensure the accuracy of your rate.

34 CFR Ch. VI (7–1–20 Edition)

II. ADDITIONAL DEFAULT REDUCTION STRATEGIES

1. Enhance the borrower's understanding of his or her loan repayment responsibilities through counseling and debt management activities.
2. Enhance the enrollment retention and academic persistence of borrowers through counseling and academic assistance.
3. Maintain contact with the borrower after he or she leaves your institution by using activities such as skip tracing to locate the borrower.
4. Track the borrower's delinquency status by obtaining reports from data managers and FFEL Program lenders.
5. Enhance student loan repayments through counseling the borrower on loan repayment options and facilitating contact between the borrower and the data manager or FFEL Program lender.
6. Assist a borrower who is experiencing difficulty in finding employment through career counseling, job placement assistance, and facilitating unemployment deferments.
7. Identify and implement alternative financial aid award policies and develop alternative financial resources that will reduce the need for student borrowing in the first 2 years of academic study.

III. STATISTICS FOR MEASURING PROGRESS

1. The number of students enrolled at your institution during each fiscal year.
2. The average amount borrowed by a student each fiscal year.
3. The number of borrowers scheduled to enter repayment each fiscal year.
4. The number of enrolled borrowers who received default prevention counseling services each fiscal year.
5. The average number of contacts that you or your agent had with a borrower who was in deferment or forbearance or in repayment status during each fiscal year.
6. The number of borrowers at least 60 days delinquent each fiscal year.
7. The number of borrowers who defaulted in each fiscal year.
8. The type, frequency, and results of activities performed in accordance with the default prevention plan.

Subpart O—Financial Assistance for Students With Intellectual Disabilities

SOURCE: 74 FR 55947, Oct. 29, 2009, unless otherwise noted.

§ 668.230 Scope and purpose.

This subpart establishes regulations that apply to an institution that offers comprehensive transition and postsec-

ondary programs to students with intellectual disabilities. Students enrolled in these programs are eligible for Federal financial assistance under the Federal Pell Grant, FSEOG, and FWS programs. Except for provisions related to needs analysis, the Secretary may waive any Title IV, HEA program requirement related to the Federal Pell Grant, FSEOG, and FWS programs or institutional eligibility, to ensure that students with intellectual disabilities remain eligible for funds under these assistance programs. However, unless provided in this subpart or subsequently waived by the Secretary, students with intellectual disabilities and institutions that offer comprehensive transition and postsecondary programs are subject to the same regulations and procedures that otherwise apply to Title IV, HEA program participants.

(Authority: 20 U.S.C. 1091)

§ 668.231 Definitions.

The following definitions apply to this subpart:

(a) *Comprehensive transition and postsecondary program* means a degree, certificate, nondegree, or noncertificate program that—

- (1) Is offered by a participating institution;
- (2) Is delivered to students physically attending the institution;
- (3) Is designed to support students with intellectual disabilities who are seeking to continue academic, career and technical, and independent living instruction at an institution of higher education in order to prepare for gainful employment;
- (4) Includes an advising and curriculum structure;
- (5) Requires students with intellectual disabilities to have at least one-half of their participation in the program, as determined by the institution, focus on academic components through one or more of the following activities:
 - (i) Taking credit-bearing courses with students without disabilities.
 - (ii) Auditing or otherwise participating in courses with students without disabilities for which the student does not receive regular academic credit.

§ 668.232

34 CFR Ch. VI (7–1–20 Edition)

(iii) Taking non-credit-bearing, non-degree courses with students without disabilities.

(iv) Participating in internships or work-based training in settings with individuals without disabilities; and

(b) *Student with an intellectual disability* means a student—

(1) With a cognitive impairment characterized by significant limitations in—

(i) Intellectual and cognitive functioning; and

(ii) Adaptive behavior as expressed in conceptual, social, and practical adaptive skills; and

(2) Who is currently, or was formerly, eligible for special education and related services under the Individuals with Disabilities Education Act (IDEA) (20 U.S.C. 1401), including a student who was determined eligible for special education or related services under the IDEA but was home-schooled or attended private school.

§ 668.232 Program eligibility.

An institution that offers a comprehensive transition and postsecondary program must apply to the Secretary to have the program determined to be an eligible program. The institution applies under the provisions in 34 CFR 600.20 for adding an educational program, and must include in its application—

(a) A detailed description of the comprehensive transition and postsecondary program that addresses all of the components of the program, as defined in § 668.231;

(b) The institution's policy for determining whether a student enrolled in the program is making satisfactory academic progress;

(c) The number of weeks of instructional time and the number of semester or quarter credit hours or clock hours in the program, including the equivalent credit or clock hours associated with noncredit or reduced credit courses or activities;

(d) A description of the educational credential offered (*e.g.*, degree or certificate) or identified outcome or outcomes established by the institution for all students enrolled in the program;

(e) A copy of the letter or notice sent to the institution's accrediting agency informing the agency of its comprehensive transition and postsecondary program. The letter or notice must include a description of the items in paragraphs (a) through (d) of this section; and

(f) Any other information the Secretary may require.

(Approved by the Office of Management and Budget under control number 1845-NEW4)

(Authority: 20 U.S.C. 1091)

§ 668.233 Student eligibility.

A student with an intellectual disability is eligible to receive Federal Pell, FSEOG, and FWS program assistance under this subpart if—

(a) The student satisfies the general student eligibility requirements under § 668.32, except for the requirements in paragraphs (a), (e), and (f) of that section. With regard to these exceptions, a student—

(1) Does not have to be enrolled for the purpose of obtaining a degree or certificate;

(2) Is not required to have a high school diploma, a recognized equivalent of a high school diploma, or have passed an ability to benefit test; and

(3) Is making satisfactory progress according to the institution's published standards for students enrolled in its comprehensive transition and postsecondary programs;

(b) The student is enrolled in a comprehensive transition and postsecondary program approved by the Secretary; and

(1) A documented comprehensive and individualized psycho-educational evaluation and diagnosis of an intellectual disability by a psychologist or other qualified professional; or

(2) A record of the disability from a local or State educational agency, or government agency, such as the Social Security Administration or a vocational rehabilitation agency, that identifies the intellectual disability.

Subpart A—Purpose and Scope

§ 673.1 Purpose.

This part governs the following three programs authorized by title IV of the Higher Education Act of 1965, as amended (HEA) that participating institutions administer:

(a) The Federal Perkins Loan Program, which encourages the making of loans by institutions to needy undergraduate and graduate students to help pay for their cost of education.

(b) The Federal Work-Study (FWS) Program, which encourages the part-time employment of undergraduate and graduate students who need the income to help pay for their cost of education and which encourages FWS recipients to participate in community service activities.

(c) The Federal Supplemental Educational Opportunity Grant (FSEOG) Program, which encourages the providing of grants to exceptionally needy undergraduate students to help pay for their cost of education.

(Authority: 20 U.S.C. 421–429, 1070b–1070b–3, and 1087aa–1087ii; 42 U.S.C. 2751–2756b)

§ 673.2 Applicability of regulations.

The participating institution is responsible for administering these programs in accordance with the regulations in this part and the applicable program regulations in 34 CFR parts 674, 675, and 676.

(Authority: 20 U.S.C. 421–429, 1070b–1070b–3, and 1087aa–1087ii; 42 U.S.C. 2751–2756b)

Subpart B—General Provisions for the Federal Perkins Loan, FWS, and FSEOG Programs

§ 673.3 Application.

(a) To participate in the Federal Perkins Loan, FWS, or FSEOG programs, an institution shall file an application before the deadline date established annually by the Secretary through publication of a notice in the FEDERAL REGISTER.

(b) The application for the Federal Perkins Loan, FWS, and FSEOG programs must be on a form approved by the Secretary and must contain the information needed by the Secretary to determine the institution's allocation or reallocation of funds under sections 462, 442, and 413D of the HEA, respectively.

(Authority: 20 U.S.C. 1070b–3 and 1087bb; 42 U.S.C. 2752)

§ 673.4 Allocation and reallocation.

(a) *Allocation and reallocation of Federal Perkins Loan funds.* (1) The Secretary allocates Federal capital contributions to institutions participating in the Federal Perkins Loan Program in accordance with section 462 of the HEA.

(2) The Secretary reallocates Federal capital contributions to institutions participating in the Federal Perkins Loan Program by—

(i) Reallocating 80 percent of the total funds available in accordance with section 462(j) of the HEA; and

(ii) Reallocating 20 percent of the total funds available in a manner that best carries out the purposes of the Federal Perkins Loan Program.

(b) *Allocation and reallocation of FWS funds.* The Secretary allocates and reallocates funds to institutions participating in the FWS Program in accordance with section 442 of the HEA.

(c) *Allocation and reallocation of FSEOG funds.* (1) The Secretary allocates funds to institutions participating in the FSEOG program in accordance with section 413D of the HEA.

(2) The Secretary reallocates funds to institutions participating in the FSEOG Program in a manner that best carries out the purposes of the FSEOG Program.

(d) *General allocation and reallocation*—(1) *Categories.* As used in section 462 (Federal Perkins Loan Program), section 442 (FWS Program), and section 413D (FSEOG Program) of the HEA, “Eligible institutions offering comparable programs of instruction” means institutions that are being compared with the applicant institution and that fall within one of the following six categories:

- (i) Cosmetology.
- (ii) Business.
- (iii) Trade/Technical.
- (iv) Art Schools.
- (v) Other Proprietary Institutions.
- (vi) Non-Proprietary Institutions.

(2) *Payments to institutions.* The Secretary allocates funds for a specific period of time. The Secretary provides an institution its allocation in accordance with the payment methods described in 34 CFR 668.162.

(3) *Unexpended funds.* (i) If an institution returns more than 10 percent of its

Federal Perkins Loan, FWS, or FSEOG allocation for an award year, the Secretary reduces the institution’s allocation for that program for the second succeeding award year by the dollar amount returned.

(ii) The Secretary may waive the provision of paragraph (d)(3)(i) of this section for a specific institution if the Secretary finds that enforcement would be contrary to the interests of the program.

(iii) The Secretary considers enforcement of paragraph (d)(3)(i) of this section to be contrary to the interest of the program only if the institution returns more than 10 percent of its allocation due to circumstances beyond the institution’s control that are not expected to recur.

(e) *Anticipated collections of Federal Perkins Loan funds.* (1) For the purposes of calculating an institution’s share of any excess allocation of Federal Perkins Loan funds, an institution’s anticipated collections are equal to the amount that was collected by the institution during the second year preceding the beginning of the award period multiplied by 1.21.

(2) The Secretary may waive the provision of paragraph (e)(1) of this section for any institution that has a cohort default rate that does not exceed 7.5 percent.

(f) *Authority to expend FWS funds.* Except as specifically provided in 34 CFR 675.18 (b), (c), and (f), an institution may not use funds allocated or reallocated for an award year—

(1) To meet FWS wage obligations incurred with regard to an award of FWS employment made for any other award year; or

(2) To satisfy any other obligation incurred after the end of the designated award year.

(g) *Authority to expend FSEOG funds.* Except as specifically provided in 34 CFR 668.164(g), an institution shall not use funds allocated or reallocated for an award year—

(1) To make FSEOG disbursements to students in any other award year; or

(2) To satisfy any other obligation incurred after the end of the designated award year.

(Authority: 20 U.S.C. 1070b-3 and 1087bb, 42 U.S.C. 2752)

§ 673.5 Overaward.

(a) *Overaward prohibited*—(1) *Federal Perkins Loan and FSEOG Programs.* An institution may only award or disburse a Federal Perkins loan or an FSEOG to a student if that loan or the FSEOG, combined with the other estimated financial assistance the student receives, does not exceed the student's financial need.

(2) *FWS Program.* An institution may only award FWS employment to a student if the award, combined with the other estimated financial assistance the student receives, does not exceed the student's financial need.

(b) *Awarding and disbursement.* (1) When awarding and disbursing a Federal Perkins loan or an FSEOG or awarding FWS employment to a student, the institution shall take into account those amounts of estimated financial assistance it—

(i) Can reasonably anticipate at the time it awards Federal Perkins Loan funds, an FSEOG, or FWS funds to the student;

(ii) Makes available to its students; or

(iii) Otherwise knows about.

(2) If a student receives amounts of estimated financial assistance at any time during the award period that were not considered in calculating the Federal Perkins Loan amount or the FWS or FSEOG award, and the total amount of estimated financial assistance including the loan, the FSEOG, or the prospective FWS wages exceeds the student's need, the overaward is the amount that exceeds need.

(c) *Estimated financial assistance.* (1) Except as provided in paragraphs (c)(2) and (c)(3) of this section, the Secretary considers that "estimated financial assistance" includes, but is not limited to, any—

(i) Funds a student is entitled to receive from a Federal Pell Grant;

(ii) William D. Ford Federal Direct Loans;

(iii) Federal Family Education Loans;

(iv) Long-term need-based loans, including Federal Perkins loans;

(v) Grants, including FSEOGs, State grants, Academic Competitiveness Grants, and National SMART Grants;

(vi) Scholarships, including athletic scholarships;

(vii) Waivers of tuition and fees;

(viii) Fellowships or assistantships, except non-need-based employment portions of such awards;

(ix) Except as provided in paragraph (c)(2)(v) of this section, veterans' education benefits;

(x) National service education awards or post-service benefits paid for the cost of attendance under title I of the National and Community Service Act of 1990 (AmeriCorps);

(xi) Net earnings from need-based employment;

(xii) Insurance programs for the student's education; and

(xiii) Any educational benefits paid because of enrollment in a postsecondary education institution, or to cover postsecondary education expenses.

(2) The Secretary does not consider as estimated financial assistance—

(i) Any portion of the estimated financial assistance described in paragraph (c)(1) of this section that is included in the calculation of the student's expected family contribution (EFC);

(ii) Earnings from non-need-based employment;

(iii) Those amounts used to replace EFC, including the amounts of any TEACH Grants, unsubsidized Federal Stafford or Direct Loans, Federal PLUS or Federal Direct PLUS Loans, and non-federal non-need-based loans, including private, state-sponsored, and institutional loans. However, if the sum of the amounts received that are being used to replace the student's EFC actually exceed the EFC, the excess amount must be treated as estimated financial assistance;

(iv) Assistance not received under a title IV, HEA program, if that assistance is designated to offset all or a portion of a specific component of the cost of attendance and that amount is excluded from the cost of attendance as well. If that assistance is excluded from either estimated financial assistance or cost of attendance, that amount must be excluded from both;

(v) Federal veterans' education benefits paid under—

(A) Chapter 103 of title 10, United States Code (Senior Reserve Officers' Training Corps);

(B) Chapter 106A of title 10, United States Code (Educational Assistance for Persons Enlisting for Active Duty);

(C) Chapter 1606 of title 10, United States Code (Selected Reserve Educational Assistance Program);

(D) Chapter 1607 of title 10, United States Code (Educational Assistance Program for Reserve Component Members Supporting Contingency Operations and Certain Other Operations);

(E) Chapter 30 of title 38, United States Code (All-Volunteer Force Educational Assistance Program, also known as the "Montgomery GI Bill—active duty");

(F) Chapter 31 of title 38, United States Code (Training and Rehabilitation for Veterans with Service-Connected Disabilities);

(G) Chapter 32 of title 38, United States Code (Post-Vietnam Era Veterans' Educational Assistance Program);

(H) Chapter 33 of title 38, United States Code (Post 9/11 Educational Assistance);

(I) Chapter 35 of title 38, United States Code (Survivors' and Dependents' Educational Assistance Program);

(J) Section 903 of the Department of Defense Authorization Act, 1981 (10 U.S.C. 2141 note) (Educational Assistance Pilot Program);

(K) Section 156(b) of the "Joint Resolution making further continuing appropriations and providing for productive employment for the fiscal year 1983, and for other purposes" (42 U.S.C. 402 note) (Restored Entitlement Program for Survivors, also known as "Quayle benefits");

(L) The provisions of chapter 3 of title 37, United States Code, related to subsistence allowances for members of the Reserve Officers Training Corps; and

(M) Any program that the Secretary may determine is covered by section 480(c)(2) of the HEA; and

(vi) Iraq and Afghanistan Service Grants made under section 420R of the HEA.

(3) The institution may also exclude as estimated financial assistance any portion of a subsidized Federal Stafford

or Direct Loan that is equal to or less than the amount of a student's national service education awards or post service benefits paid for the cost of attendance under title I of the National and Community Service Act of 1990 (AmeriCorps).

(d) *Treatment of estimated financial assistance in excess of need—General.* An institution shall take the following steps if it learns that a student has received additional amounts of estimated financial assistance not included in the calculation of Federal Perkins Loan, FWS, or FSEOG eligibility that would result in the student's total amount of estimated financial assistance exceeding his or her financial need by more than \$300:

(1) The institution shall decide whether the student has increased financial need that was unanticipated when it awarded financial aid to the student. If the student demonstrates increased financial need and the total amount of estimated financial assistance does not exceed this increased need by more than \$300, no further action is necessary.

(2) If the student's total amount of estimated financial assistance still exceeds his or her need by more than \$300, as recalculated pursuant to paragraph (d)(1) of this section, the institution shall cancel any undisbursed loan or grant (other than a Federal Pell Grant).

(3) *Federal Perkins loan and FSEOG overpayment.* If the student's total amount of estimated financial assistance still exceeds his or her need by more than \$300, after the institution takes the steps required in paragraphs (d)(1) and (2) of this section, the institution shall consider the amount by which the estimated financial assistance amount exceeds the student's financial need by more than \$300 as an overpayment.

(e) *Termination of FWS employment.* (1) An institution may fund a student's FWS employment with FWS funds only until the amount of the FWS award has been earned or until the student's financial need, as recalculated under paragraph (d)(1) of this section, is met.

(2) Notwithstanding the provisions of paragraph (e)(1) of this section, an institution may provide additional FWS

funding to a student whose need has been met until that student's cumulative earnings from all need-based employment occurring subsequent to the time his or her financial need has been met exceed \$300.

(f) *Liability for and recovery of Federal Perkins loans and FSEOG overpayments.*

(1) Except as provided in paragraphs (f)(2) and (f)(3) of this section, a student is liable for any Federal Perkins loan or FSEOG overpayment made to him or her. An FSEOG overpayment for purposes of this paragraph does not include the non-Federal share of an FSEOG award if an institution meets its FSEOG matching share by the individual recipient method or the aggregate method.

(2) The institution is liable for a Federal Perkins loan or FSEOG overpayment if the overpayment occurred because the institution failed to follow the procedures in this part or 34 CFR parts 668, 674, or 676. The institution shall restore an amount equal to the overpayment and any administrative cost allowance claimed on that amount to its loan fund for a Federal Perkins loan overpayment or to its FSEOG account for an FSEOG overpayment.

(3) A student is not liable for, and the institution is not required to attempt recovery of, a Federal Perkins loan or FSEOG overpayment, nor is the institution required to refer an FSEOG overpayment to the Secretary, if the overpayment—

(i) Is less than \$25; and

(ii) Is neither a remaining balance nor a result of the application of the overaward threshold in paragraph (d) of this section.

(4)(i) Except as provided in paragraph (f)(3) of this section, if an institution makes a Federal Perkins loan or FSEOG overpayment for which it is not liable, it shall promptly send a written notice to the student requesting repayment of the overpayment amount. The notice must state that failure to make that repayment, or to make arrangements satisfactory to the holder of the overpayment debt to pay the overpayment, makes the student ineligible for further title IV, HEA program funds until final resolution of the overpayment.

(ii) If a student objects to the institution's Federal Perkins loan or FSEOG overpayment determination on the grounds that it is erroneous, the institution shall consider any information provided by the student and determine whether the objection is warranted.

(5) Except as provided in paragraph (f)(3) of this section, if a student fails to repay an FSEOG overpayment or make arrangements satisfactory to the holder of the overpayment debt to repay the FSEOG overpayment after the institution has taken the action required by paragraph (f)(4) of this section, the institution must refer the FSEOG overpayment to the Secretary for collection purposes in accordance with procedures required by the Secretary. After referring the FSEOG overpayment to the Secretary under this section, the institution need make no further effort to recover the overpayment.

§ 673.6 Coordination with BIA grants.

(a) *Coordination of BIA grants with Federal Perkins loans, FWS awards, or FSEOGs.* To determine the amount of a Federal Perkins loan, FWS compensation, or an FSEOG for a student who is also eligible for a Bureau of Indian Affairs (BIA) education grant, an institution shall prepare a package of student aid—

(1) From estimated financial assistance other than the BIA education grant the student has received or is expected to receive; and

(2) That is consistent in type and amount with packages prepared for students in similar circumstances who are not eligible for a BIA education grant.

(b)(1) The BIA education grant, whether received by the student before or after the preparation of the student aid package, supplements the student aid package specified in paragraph (a) of this section.

(2) No adjustment may be made to the student aid package as long as the total of the package and the BIA education grant is less than the institution's determination of that student's financial need.

(c)(1) If the BIA education grant, when combined with other aid in the package, exceeds the student's need, the excess must be deducted from the other assistance (except for Federal Pell Grants), not from the BIA education grant.

(2) The institution shall deduct the excess in the following sequence: loans, work-study awards, and grants other than Federal Pell Grants. However, the institution may change the sequence if requested to do so by a student and the institution believes the change benefits the student.

(d) To determine the financial need of a student who is also eligible for a BIA education grant, a financial aid administrator is encouraged to consult with area officials in charge of BIA postsecondary financial aid.

§ 673.7 Administrative cost allowance.

(a) An institution participating in the Federal Perkins Loan, FWS, or FSEOG programs is entitled to an administrative cost allowance for an award year if it advances funds under the Federal Perkins Loan Program, provides FWS employment, or awards grants under the FSEOG Program to students in that year.

(b) An institution may charge the administrative cost allowance calculated in accordance with paragraph (c) of this section for an award year against—
(1) The Federal Perkins Loan Fund, if the institution advances funds under the Federal Perkins Loan Program to students in that award year;

(2) The FWS allocation, if the institution provides FWS employment to students in that award year; and

(3) The FSEOG allocation, if the institution awards grants to students under the FSEOG program in that award year.

(c) For any award year, the amount of the administrative costs allowance equals—

(1) Five percent of the first \$2,750,000 of the institution's total expenditures to students in that award year under the FWS, FSEOG, and the Federal Perkins Loan programs; plus

(2) Four percent of its expenditures to students that are greater than \$2,750,000 but less than \$5,500,000; plus

(3) Three percent of its expenditures to students that are \$5,500,000 or more.

(d) The institution shall not include, when calculating the allowance in paragraph (c) of this section, the amount of loans made under the Federal Perkins Loan Program that it assigns during the award year to the Secretary under section 463(a)(6) of the HEA.

(e) An institution shall use its administrative costs allowance to offset its cost of administering the Federal Pell Grant, FWS, FSEOG, and Federal Perkins Loan programs. Administrative costs also include the expenses incurred for carrying out the student consumer information services requirements of subpart D of the Student Assistance General Provisions regulations, 34 CFR part 668.

(f) An institution may use up to 10 percent of the administrative costs allowance, as calculated under paragraph (c) of this section, that is attributable to the institution's expenditures under the FWS program to pay the administrative costs of conducting its program of community service. These costs may include the costs of—

(1) Developing mechanisms to assure the academic quality of a student's experience;

(2) Assuring student access to educational resources, expertise, and supervision necessary to achieve community service objectives; and

(3) Collaborating with public and private nonprofit agencies and programs assisted under the National and Community Service Act of 1990 in the planning, development, and administration of these programs.

(g) If an institution charges any administrative cost allowance against its Federal Perkins Loan Fund, it must charge these costs during the same

Federal capital contribution (FCC): Federal funds allocated or reallocated to an institution for deposit into the institution's Fund under section 462 of the HEA.

**Financial need:* The difference between a student's cost of attendance and his or her EFC.

Fund (Federal Perkins Loan Fund): A fund established and maintained according to § 674.8.

Initial grace period: That period which immediately follows a period of enrollment and immediately precedes the date of the first required repayment on a loan. This period is generally nine months for Federal Perkins loans, Defense loans, and NDSLs made before October 1, 1980, and six months for other Direct loans.

**Institution of higher education (institution):* A public or private nonprofit institution of higher education, a proprietary institution of higher education, or a postsecondary vocational institution.

Institutional capital contribution (ICC): Institutional funds contributed to establish or maintain a Fund.

Making of a loan: When the institution makes the first disbursement of a loan to a student for an award year.

Satisfactory repayment arrangement: (1) For purposes of regaining eligibility for grant, loan, or work assistance under title IV of the HEA, to the extent that the borrower is otherwise eligible, the making of six on-time, consecutive, voluntary, full monthly payments on a defaulted loan. "On-time" means a payment made within 20 days of the scheduled due date. A borrower may obtain the benefit of this paragraph with respect to renewed eligibility once.

(2) Voluntary payments are payments made directly by the borrower, and do not include payments obtained by income tax offset, garnishment, or income or asset execution.

(3) A borrower has not used the one opportunity to renew eligibility for title IV assistance if the borrower makes six consecutive, on-time, voluntary, full monthly payments under an agreement to rehabilitate a defaulted loan, but does not receive additional title IV assistance prior to defaulting on that loan again.

Student loan: For this part means an NDSL Loan, Defense Loan, or a Federal Perkins Loan.

Total monthly gross income: The gross amount of income received by the borrower from employment (either full-

§§ 674.3–674.4 [Reserved]

§ 674.5 Federal Perkins Loan program cohort default rate and penalties.

(a) *Default penalty.* If an institution's cohort default rate meets the following levels, a default penalty is imposed on the institution as follows:

(1) *FCC reduction.* If the institution's cohort default rate equals or exceeds 25 percent, the institution's FCC is reduced to zero.

(2) *Ineligibility.* For award year 2000–2001 and succeeding award years, an institution with a cohort default rate that equals or exceeds 50 percent for each of the three most recent years for which cohort default rate data are available is ineligible to participate in the Federal Perkins Loan Program. Following a review of that data and upon notification by the Secretary, an institution is ineligible to participate for the award year, or the remainder of the award year, in which the determination is made and the two succeeding award years. An institution may appeal a notification of ineligibility from the Secretary within 30 days of its receipt.

(i) *Appeal procedures—(A) Inaccurate calculation.* An institution may appeal a notice of ineligibility based upon the submission of erroneous data by the institution, the correction of which would result in a recalculation that reduces the institution's cohort default rate to below 50 percent for any of the three award years used to make a determination of ineligibility. The Secretary considers the edit process, by which an institution adjusts the cohort default rate data that it submits to the Secretary on its Fiscal Operations Report, to constitute the procedure to appeal a determination of ineligibility based on a claim of erroneous data.

(B) *Small number of borrowers entering repayment.* An institution may appeal a notice of ineligibility if, on average, 10 or fewer borrowers enter repayment for the three most recent award years used by the Secretary to make a determination of ineligibility.

(C) *Decision of the Secretary.* The Secretary issues a decision on an appeal within 45 days of the institution's submission of a complete, accurate, and timely appeal. An institution may continue to participate in the program until the Secretary issues a decision on the institution's appeal.

(ii) *Liquidation of an institution's Perkins Loan portfolio.* Within 90 days of receiving a notification of ineligibility or, if the institution appeals, within 90 days of the Secretary's decision to deny the appeal, the institution must—

(A) Liquidate its revolving student loan fund by making a capital distribution of the liquid assets of the Fund according to section 466(c) of the HEA; and

(B) Assign any outstanding loans in the institution's portfolio to the Secretary in accordance with § 674.50.

(iii) *Effective date.* The provisions of paragraph (a)(2) of this section are effective with the cohort default rate calculated as of June 30, 2001.

(b) *Cohort default rate.* (1) The term “cohort default rate” means, for any award year in which 30 or more current and former students at the institution enter repayment on a loan received for attendance at the institution, the percentage of those current and former students who enter repayment in that award year on the loans received for attendance at that institution who default before the end of the following award year.

(2) For any award year in which less than 30 current and former students at the institution enter repayment on a loan received for attendance at the institution, the “cohort default rate” means the percentage of those current and former students who entered repayment on loans received for attendance at that institution in any of the three most recent award years and who defaulted on those loans before the end of the award year immediately following the year in which they entered repayment.

(c) *Defaulted loans to be included in the cohort default rate.* For purposes of calculating the cohort default rate under paragraph (b) of this section—

(1) A borrower must be included only if the borrower's default has persisted for at least—

(i) 240 consecutive days for loans repayable in monthly installments; or

(ii) 270 consecutive days for loans repayable in quarterly installments;

(2) A loan is considered to be in default if a payment is made by the institution of higher education, its owner, agency, contractor, employee, or any other entity or individual affiliated with the institution, in order to avoid default by the borrower;

(3)(i) In determining the number of borrowers who default before the end of the following award year, a loan is excluded if the borrower has—

(A) Voluntarily made six consecutive monthly payments;

(B) Voluntarily made all payments currently due;

(C) Repaid the full amount due, including any interest, late fees, and collection costs that have accrued on the loan;

(D) Received a deferment or forbearance based on a condition that predates the borrower reaching a 240- or 270-day past due status; or

(E) Rehabilitated the loan after becoming 240- or 270-days past due.

(ii) A loan is considered canceled and also excluded from an institution's cohort default rate calculation if the loan is—

(A) Discharged due to death or permanent and total disability;

(B) Discharged in bankruptcy;

(C) Discharged due to a closed school;

(D) Repaid in full in accordance with § 674.33(e) or § 674(h); or

(E) Assigned to and conditionally discharged by the Secretary in accordance with § 674.61(b).

(iii) For the purpose of this section, funds obtained by income tax offset, garnishment, income or asset execution, or pursuant to a judgment are not considered voluntary.

(4) In the case of a student who has attended and borrowed at more than one institution, the student and his or her subsequent repayment or default

are attributed to the institution for attendance at which the student received the loan that entered repayment in the award year.

(d) *Locations of the institution.* (1) A cohort default rate of an institution applies to all locations of the institution as it exists on the first day of the award year for which the rate is calculated.

(2) A cohort default rate of an institution applies to all locations of the institution from the date the institution is notified of that rate until the institution is notified by the Secretary that the rate no longer applies.

(3) For an institution that changes status from a location of one institution to a free-standing institution, the Secretary determines the cohort default rate based on the institution's status as of July 1 of the award year for which a cohort default rate is being calculated.

(4)(i) For an institution that changes status from a free-standing institution to a location of another institution, the Secretary determines the cohort default rate based on the combined number of students who enter repayment during the applicable award year and the combined number of students who default during the applicable award years from both the former free-standing institution and the other institution. This cohort default rate applies to the new consolidated institution and all of its current locations.

(ii) For free-standing institutions that merge, the Secretary determines the cohort default rate based on the combined number of students who enter repayment during the applicable award year and the combined number of students who default during the applicable award years from both of the institutions that are merging. This cohort default rate applies to the new, consolidated institution.

(iii) For an institution that changes status from a location of one institution to a location of another institution, the Secretary determines the cohort default rate based on the combined number of students who enter repayment during the applicable award year and the number of students who default during the applicable award years from both of the institutions in

their entirety, not limited solely to the respective locations.

(5) For an institution that has a change in ownership that results in a change in control, the Secretary determines the cohort default rate based on the combined number of students who enter repayment during the applicable award year and the combined number of students who default during the applicable award years from the institution under both the old and new control.

(a) Meets the relevant eligibility requirements contained in 34 CFR part 668;

(b) Is enrolled or accepted for enrollment as an undergraduate, graduate, or professional student at the institution, whether or not engaged in a program of study abroad approved for credit by the home institution;

(c) Has financial need as determined in accordance with part F of title IV of the HEA. A member of a religious order (an order, community, society, agency, or organization) who is pursuing a

course of study at an institution of higher education is considered to have no financial need if that religious order—

(1) Has as its primary objective the promotion of ideals and beliefs regarding a Supreme Being;

(2) Requires its members to forego monetary or other support substantially beyond the support it provides; and

(3) Directs the member to pursue the course of study or provides subsistence support to its members;

(d) Has received for that award year, if an undergraduate student—

(2) A preliminary determination of eligibility or ineligibility for a Federal Pell Grant by the institution's financial aid administrator after applying for a SAR with a Federal Pell Grant Processor;

(ii) Collection activity will resume on any loan in a conditional discharge period.

(i) Does not have any loans under title IV of the HEA on which collection activity has been suspended based on a conditional determination that the borrower was totally and permanently disabled. If a borrower applies for a loan under title IV of the HEA during the conditional discharge period, the suspension of collection activity must be ended before the borrower becomes eligible to receive any additional loans.

(j) In the case of a borrower who is in default on a Federal Perkins Loan, NDSL or Defense loan, satisfies one of the conditions contained in § 674.5(c)(3)(i) or (ii) except that—

(1) For purposes of this section, voluntary payments made by the borrower under paragraph (i) of this section are payments made directly by the borrower; and

(2) Voluntary payments do not include payments obtained by Federal offset, garnishment, or income or asset execution.

(k) In the case of a borrower who is in default on an FFEL Program or a

§ 674.10

Direct Loan Program loan, makes satisfactory repayment arrangements as defined in 34 CFR 682.200(b) or 685.102(b) on the defaulted loan, as determined by the loan holder; and

(a) *Promissory note.* (1) An institution may use only the promissory note that the Secretary provides. The institution may make only nonsubstantive changes, such as changes to the type style or font, or the addition of items such as the borrower's driver's license number, to this note.

(2)(i) The institution shall print the note on one page, front and back; or

(ii) The institution may print the note on more than one page if—

(A) The note requires the signature of the borrower on each page; or

(B) Each page of the note contains both the total number of pages in the complete note as well as the number of each page, e.g., page 1 of 4, page 2 of 4, etc.

(iii) The promissory note must state the exact amount of the minimum monthly repayment amount if the institution chooses the option under § 674.33(b).

(b) *Provisions of the promissory note—* (1) *Interest.* The promissory note must state that—

(i) The rate of interest on the loan is 5 percent per annum on the unpaid balance; and

(ii) No interest shall accrue before the repayment period begins, during certain deferment periods as provided by this subpart, or during the grace period following those deferments.

(2) *Repayment.* (i) Except as otherwise provided in § 674.32, the promissory note must state that the repayment period—

(A) For NDSLs made on or after October 1, 1980, begins 6 months after the borrower ceases to be at least a half-time regular student at an institution of higher education or a comparable institution outside the U.S. approved for this purpose by the Secretary, and normally ends 10 years later;

(B) For NDSLs made before October 1, 1980 and Federal Perkins Loans, begins 9 months after the borrower ceases to be at least a half-time regular student at an institution of higher education or a comparable institution outside the U.S. approved for this purpose by the Secretary, and normally ends 10 years later;

(C) For purposes of establishing the beginning of the repayment period for NDSL or Perkins loans, the 6- and 9-month grace periods referenced in paragraph (b)(2)(i) of this section exclude any period during which a borrower who is a member of a reserve component of the Armed Forces named in section 10101 of Title 10, United States Code is called or ordered to active duty for a period of more than 30 days. Any single excluded period may not exceed three years and includes the time necessary for the borrower to resume enrollment at the next available

(D) May begin earlier at the borrower's request; and

(E) May vary because of minimum monthly repayments (see § 674.33(b)), extensions of repayment (see § 674.33(c)), forbearance (see § 674.33(d)), or deferments (see §§ 674.34, 674.35, and 674.36);

(ii) The promissory note must state that the borrower shall repay the loan—

(4) *Prepayment.* The promissory note must state that—

(i) The borrower may prepay all or part of the loan at any time without penalty;

(ii) The institution shall use amounts repaid during the academic year in which the loan was made to reduce the original loan amount and not consider these amounts to be prepayments;

(iii) If the borrower repays amounts during the academic year in which the loan was made and the initial grace period ended, only those amounts in excess of the amount due for any repayment period shall be treated as prepayments; and

(iv) If, in an academic year other than that described in paragraph (b)(4)(iii) of this section, a borrower repays more than the amount due for any repayment period, the institution shall use the excess to prepay the principal unless the borrower designates it as an advance payment of the next regular installment.

(5) *Late charge.* (i) An institution shall state in the promissory note that the institution will assess a late charge if the borrower does not—

(A) Repay all or part of a scheduled repayment when due; or

(B) File a timely request for cancellation or deferment with the institution. This request must include sufficient evidence to enable the institution to determine whether the borrower is entitled to a cancellation or deferment.

(ii)(A) The amount of the late charge on a Federal Perkins Loan or an NDSL Loan made to cover the cost of attendance for a period of enrollment that began on or after January 1, 1986 must be determined in accordance with § 674.43(b) (2), (3) and (4).

(B) The amount of the late or penalty charge on an NDSL made for periods of enrollment that began before January 1, 1986 may be—

(6) *Security and endorsement.* The promissory note must state that the loan shall be made without security and endorsement.

(7) *Assignment.* The promissory note must state that a note may only be assigned to—

(i) The United States or an institution approved by the Secretary; or

(ii) An institution to which the borrower has transferred if that institution is participating in the Federal Perkins Loan program.

§ 674.33 Repayment.

(a) *Repayment Plan.* (1) The institution shall establish a repayment plan before the student ceases to be at least a half-time regular student.

(2) If the last scheduled payment would be \$25 or less the institution may combine it with the next-to-last repayment.

(3) If the installment payment for all loans made to a borrower by an institution is not a multiple of \$5, the institution may round that payment to the next highest dollar amount that is a multiple of \$5.

(4) The institution shall apply any payment on a loan in the following order:

- (i) Collection costs.
- (ii) Late charges.
- (iii) Accrued interest.
- (iv) Principal.

(b) *Minimum monthly repayment—(1) Minimum monthly repayment option.* (i) An institution may require a borrower to pay a minimum monthly repayment if—

(A) The promissory note includes a minimum monthly repayment provision specifying the amount of the minimum monthly repayment; and

(B) The monthly repayment of principal and interest for a 10-year repayment period is less than the minimum monthly repayment; or

(ii) An institution may require a borrower to pay a minimum monthly repayment if the borrower has received loans with different interest rates at the same institution and the total monthly repayment would otherwise be less than the minimum monthly repayment.

(2) *Minimum monthly repayment of loans from more than one institution.* If a borrower has received loans from more

than one institution and has notified the institution that he or she wants the minimum monthly payment determination to be based on payments due to other institutions, the following rules apply:

(i) If the total of the monthly repayments is equal to at least the minimum monthly repayment, no institution may exercise a minimum monthly repayment option.

(ii) If only one institution exercises the minimum monthly repayment option when the monthly repayment would otherwise be less than the minimum repayment option, that institution receives the difference between the minimum monthly repayment and the repayment owed to the other institution.

(iii) If each institution exercises the minimum repayment option, the minimum monthly repayment must be divided among the institutions in proportion to the amount of principal advanced by each institution.

(3) *Minimum monthly repayment of both Defense and NDSL or Federal Perkins loans from one or more institutions.* If the borrower has notified the institution that he or she wants the minimum monthly payment determination to be based on payments due to other institutions, and if the total monthly repayment is less than \$30 and the monthly repayment on a Defense loan is less than \$15 a month, the amount attributed to the Defense loan may not exceed \$15 a month.

(4) *Minimum monthly repayment of loans with differing grace periods and deferments.* If the borrower has received loans with different grace periods and deferments, the institution shall treat each note separately, and the borrower shall pay the applicable minimum monthly payment for a loan that is not in the grace or deferment period.

(5) *Hardship.* The institution may reduce the borrower's scheduled repayments for a period of not more than one year at a time if—

(i) It determines that the borrower is unable to make the scheduled repayments due to hardship (see § 674.33(c)); and

(ii) The borrower's scheduled repayment is the minimum monthly repayment

described in paragraph (b) of this section.

(6) *Minimum monthly repayment rates.* For the purposes of this section, the minimum monthly repayment rate is—

(i) \$15 for a Defense loan;

(ii) \$30 for an NDSL Loan or for a Federal Perkins loan made before October 1, 1992, or for a Federal Perkins loan made on or after October 1, 1992, to a borrower who, on the date the loan is made, has an outstanding balance of principal or interest owing on any loan made under this part; or

(iii) \$40 for a Federal Perkins loan made on or after October 1, 1992, to a borrower who, on the date the loan is made, has no outstanding balance of principal or interest owing on any loan made under this part.

(7) The institution shall determine the minimum repayment amount under paragraph (b) of this section for loans with repayment installment intervals greater than one month by multiplying the amounts in paragraph (b) of this section by the number of months in the installment interval.

(c) *Extension of repayment period—(1) Hardship.* The institution may extend a borrower's repayment period due to prolonged illness or unemployment.

(2) *Low-income individual.* (i) For Federal Perkins loans and NDSLs made on or after October 1, 1980, the institution may extend the borrower's repayment period up to 10 additional years beyond the 10-year maximum repayment period if the institution determines during the course of the repayment period that the borrower is a "low-income individual." The borrower qualifies for an extension of the repayment period on the basis of low-income status only during the period in which the borrower meets the criteria described in paragraph (c)(2)(i) (A) or (B) of this section. The term *low-income individual* means the following:

(A) For an unmarried borrower without dependents, an individual whose total income for the preceding calendar year did not exceed 45 percent of the Income Protection Allowance for the current award year for a family of four with one in college.

(B) For a borrower with a family that includes the borrower and any spouse or legal dependents, an individual

whose total family income for the preceding calendar year did not exceed 125 percent of the Income Protection Allowance for the current award year for a family with one in college and equal in size to that of the borrower's family.

(ii) The institution shall use the Income Protection Allowance published annually in accordance with section 478 of the HEA in making this determination.

(iii) The institution shall review the borrower's status annually to determine whether the borrower continues to qualify for an extended repayment period based on his or her status as a "low-income individual."

(iv) Upon determining that a borrower ceases to qualify for an extended repayment period under this section, the institution shall amend the borrower's repayment schedule. The term of the amended repayment schedule may not exceed the number of months remaining on the original repayment schedule, provided that the institution may not include the time elapsed during any extension of the repayment period granted under this section in determining the number of months remaining on the original repayment schedule.

(3) Interest continues to accrue during any extension of a repayment period.

(d) *Forbearance.* (1) Forbearance means the temporary cessation of payments, allowing an extension of time for making payments, or temporarily accepting smaller payments than previously were scheduled.

(2) Upon receipt of a request and supporting documentation, the institution shall grant the borrower forbearance of principal and, unless otherwise indicated by the borrower, interest renewable at intervals of up to 12 months for periods that collectively do not exceed three years.

(3) The terms of forbearance must be agreed upon, in writing, by the borrower and the institution. The school confirms this agreement by notice to the borrower, and by recording the terms in the borrower's file.

(4) In granting a forbearance under this section, an institution shall grant a temporary cessation of payments, unless the borrower chooses another form

of forbearance subject to paragraph (d)(1) of this section.

(5) An institution shall grant forbearance if—

(i) The amount of the payments the borrower is obligated to make on title IV loans each month (or a proportional share if the payments are due less frequently than monthly) is collectively equal to or greater than 20 percent of the borrower's total monthly gross income;

(ii) The institution determines that the borrower should qualify for the forbearance due to poor health or for other acceptable reasons; or

(iii) The Secretary authorizes a period of forbearance due to a national military mobilization or other national emergency.

(6) Before granting a forbearance to a borrower under paragraph (d)(5)(i) of this section, the institution shall require the borrower to submit at least the following documentation:

(i) Evidence showing the amount of the most recent total monthly gross income received by the borrower; and

(ii) Evidence showing the amount of the monthly payments owed by the borrower for the most recent month for the borrower's title IV loans.

(7) Interest accrues during any period of forbearance.

(8) The institution may not include the periods of forbearance described in this paragraph in determining the 10-year repayment period.

(e) *Compromise of repayment.* (1) An institution may compromise on the repayment of a defaulted loan if—

(i) The institution has fully complied with all due diligence requirements specified in subpart C of this part; and

(ii) The student borrower pays in a single lump-sum payment—

(A) 90 percent of the outstanding principal balance on the loan under this part;

(B) The interest due on the loan; and

(C) Any collection fees due on the loan.

(2) The Federal share of the compromise repayment must bear the same relation to the institution's share of the compromise repayment as the Federal capital contribution to the institution's loan Fund under this part bears

to the institution's capital contribution to the Fund.

(f)(1) *Incentive repayment program.* An institution may establish the following repayment incentives:

(i) A reduction of no more than one percent of the interest rate on a loan on which the borrower has made 48 consecutive, monthly repayments.

(ii) A discount of no more than five percent on the balance owed on a loan which the borrower pays in full prior to the end of the repayment period.

(iii) With the Secretary's approval, any other incentive the institution determines will reduce defaults and replenish its Fund.

(2) *Limitation on the use of funds.* (i) The institution must reimburse its Fund, on at least a quarterly basis, for money lost to its Fund that otherwise would have been paid by the borrower as a result of establishing a repayment incentive under paragraphs (f)(1)(i), (ii) and (iii) of this section.

(ii) An institution may not use Federal funds, including Federal funds from the student loan fund, or institutional funds from the student loan fund to pay for any repayment incentive authorized by this section.

(g) *Closed school discharge*—(1) *General.* (i) The holder of an NDSL or a Federal Perkins Loan discharges the borrower's (and any endorser's) obligation to repay the loan if the borrower did not complete the program of study for which the loan was made because the school at which the borrower was enrolled closed.

(ii) For the purposes of this section—

(A) A school's closure date is the date that the school ceases to provide educational instruction in all programs, as determined by the Secretary;

(B) "School" means a school's main campus or any location or branch of the main campus; and

(C) The "holder" means the Secretary or the school that holds the loan.

(2) *Relief pursuant to discharge.* (i) Discharge under this section relieves the borrower of any past or present obligation to repay the loan and any accrued interest or collection costs with respect to the loan.

(ii) The discharge of a loan under this section qualifies the borrower for reim-

bursement of amounts paid voluntarily or through enforced collection on the loan.

(iii) A borrower who has defaulted on a loan discharged under this section is not considered to have been in default on the loan after discharge, and such a borrower is eligible to receive assistance under programs authorized by title IV of the HEA.

(iv) The Secretary or the school, if the school holds the loan, reports the discharge of a loan under this section to all credit bureaus to which the status of the loan was previously reported.

(3) *Determination of borrower qualification for discharge by the Secretary.* (i) The Secretary may discharge the borrower's obligation to repay an NDSL or Federal Perkins Loan without an application if the Secretary determines that—

(A) The borrower qualified for and received a discharge on a loan pursuant to 34 CFR 682.402(d) (Federal Family Education Loan Program) or 34 CFR 685.214 (Federal Direct Loan Program), and was unable to receive a discharge on an NDSL or Federal Perkins Loan because the Secretary lacked the statutory authority to discharge the loan; or

(B) Based on information in the Secretary's possession, the borrower qualifies for a discharge.

(ii) With respect to schools that closed on or after November 1, 2013, the Secretary will discharge the borrower's obligation to repay an NDSL or Federal Perkins Loan without an application from the borrower if the Secretary determines that the borrower did not subsequently re-enroll in any title IV-eligible institution within a period of three years from the date the school closed.

(4) *Borrower qualification for discharge.* Except as provided in paragraph (g)(3) of this section, in order to qualify for discharge of an NDSL or Federal Perkins Loan, a borrower must submit to the holder of the loan a written request and sworn statement, and the factual assertions in the statement must be true. The statement need not be notarized but must be made by the borrower under penalty of perjury. In the statement the borrower must—

(i) State that the borrower—

(A) Received the proceeds of a loan to attend a school;

(B) Did not complete the program of study at that school because the school closed while the student was enrolled, or the student withdrew from the school not more than 120 days before the school closed. The Secretary may extend the 120-day period if the Secretary determines that exceptional circumstances related to the school's closing justify an extension. Exceptional circumstances for this purpose may include, but are not limited to: the school's loss of accreditation; The school's discontinuation of the majority of its academic programs; action by the State to revoke the school's license to operate or award academic credentials in the State; or a finding by a State or Federal government agency that the school violated State or Federal law; and

(C) Did not complete and is not in the process of completing the program of study through a teachout at another school as defined in 34 CFR 600.2 and administered in accordance with 34 CFR 602.207(b)(6), by transferring academic credit earned at the closed school to another school, or by any other comparable means;

(ii) State whether the borrower has made a claim with respect to the school's closing with any third party, such as the holder of a performance bond or a tuition recovery program, and, if so, the amount of any payment received by the borrower or credited to the borrower's loan obligation; and

(iii) State that the borrower—

(A) Agrees to provide to the holder of the loan upon request other documentation reasonably available to the borrower that demonstrates that the borrower meets the qualifications for discharge under this section; and

(B) Agrees to cooperate with the Secretary in enforcement actions in accordance with paragraph (g)(6) of this section and to transfer any right to recovery against a third party to the Secretary in accordance with paragraph (g)(7) of this section.

(5) *Fraudulently obtained loans.* A borrower who secured a loan through fraudulent means, as determined by the ruling of a court or an administrative tribunal of competent jurisdiction,

is ineligible for a discharge under this section.

(6) *Cooperation by borrower in enforcement actions.* (i) In order to obtain a discharge under this section, a borrower must cooperate with the Secretary in any judicial or administrative proceeding brought by the Secretary to recover amounts discharged or to take other enforcement action with respect to the conduct on which the discharge was based. At the request of the Secretary and upon the Secretary's tendering to the borrower the fees and costs that are customarily provided in litigation to reimburse witnesses, the borrower must—

(A) Provide testimony regarding any representation made by the borrower to support a request for discharge;

(B) Provide any documents reasonably available to the borrower with respect to those representations; and

(C) If required by the Secretary, provide a sworn statement regarding those documents and representations.

(ii) The holder denies the request for a discharge or revokes the discharge of a borrower who—

(A) Fails to provide the testimony, documents, or a sworn statement required under paragraph (g)(6)(i) of this section; or

(B) Provides testimony, documents, or a sworn statement that does not support the material representations made by the borrower to obtain the discharge.

(7) *Transfer to the Secretary of borrower's right of recovery against third parties.* (i) In the case of a loan held by the Secretary, upon discharge under this section, the borrower is deemed to have assigned to and relinquished in favor of the Secretary any right to a loan refund (up to the amount discharged) that the borrower may have by contract or applicable law with respect to the loan or the enrollment agreement for the program for which the loan was received, against the school, its principals, its affiliates and their successors, its sureties, and any private fund, including the portion of a public fund that represents funds received from a private party.

(ii) The provisions of this section apply notwithstanding any provision of State law that would otherwise restrict

transfer of those rights by the borrower, limit or prevent a transferee from exercising those rights, or establish procedures or a scheme of distribution that would prejudice the Secretary's ability to recover on those rights.

(iii) Nothing in this section limits or forecloses the borrower's right to pursue legal and equitable relief regarding disputes arising from matters unrelated to the discharged NDSL or Federal Perkins Loan.

(8) *Discharge procedures.* (i) After confirming the date of a school's closure, the holder of the loan identifies any NDSL or Federal Perkins Loan borrower who appears to have been enrolled at the school on the school closure date or to have withdrawn not more than 120 days prior to the closure date.

(ii) If the borrower's current address is known, the holder of the loan mails the borrower a discharge application and an explanation of the qualifications and procedures for obtaining a discharge. The holder of the loan also promptly suspends any efforts to collect from the borrower on any affected loan. The holder of the loan may continue to receive borrower payments.

(iii) In the case of a loan held by the Secretary, if the borrower's current address is unknown, the Secretary attempts to locate the borrower and determine the borrower's potential eligibility for a discharge under this section by consulting with representatives of the closed school or representatives of the closed school's third-party billing and collection servicers, the school's licensing agency, the school accrediting agency, and other appropriate parties. If the Secretary learns the new address of a borrower, the Secretary mails to the borrower a discharge application and explanation and suspends collection, as described in paragraph (g)(8)(ii) of this section.

(iv) In the case of a loan held by a school, if the borrower's current address is unknown, the school attempts to locate the borrower and determine the borrower's potential eligibility for a discharge under this section by taking steps required to locate the borrower under § 674.44.

(v) If the borrower fails to submit the written request and sworn statement described in paragraph (g)(4) of this section within 60 days of the holder of the loan's mailing the discharge application, the holder of the loan resumes collection and grants forbearance of principal and interest for the period during which collection activity was suspended.

(vi) Upon resuming collection on any affected loan, the Secretary provides the borrower another discharge application and an explanation of the requirements and procedures for obtaining a discharge.

(vii) If the holder of the loan determines that a borrower who requests a discharge meets the qualifications for a discharge, the holder of the loan notifies the borrower in writing of that determination.

(viii) In the case of a loan held by the Secretary, if the Secretary determines that a borrower who requests a discharge does not meet the qualifications for a discharge, the Secretary notifies that borrower, in writing, of that determination and the reasons for the determination.

(ix) In the case of a loan held by a school, if the school determines that a borrower who requests a discharge does not meet the qualifications for discharge, the school submits that determination and all supporting materials to the Secretary for approval. The Secretary reviews the materials, makes an independent determination, and notifies the borrower in writing of the determination and the reasons for the determination.

(x) In the case of a loan held by a school and discharged by either the school or the Secretary, the school must reimburse its Fund for the entire amount of any outstanding principal and interest on the loan, and any collection costs charged to the Fund as a result of collection efforts on a discharged loan. The school must also reimburse the borrower for any amount of principal, interest, late charges or

collection costs the borrower paid on a loan discharged under this section.

§ 674.34 Deferment of repayment—Federal Perkins loans, NDSLs and Defense loans.

(a) The borrower may defer making a scheduled installment repayment on a Federal Perkins loan, an NDSL, or a Defense loan, regardless of contrary provisions of the borrower's promissory note and regardless of the date the loan was made, during periods described in paragraphs (b), (c), (d), (e), (f), and (g) of this section.

(b)(1) The borrower need not repay principal, and interest does not accrue, during a period after the commencement or resumption of the repayment period on a loan, when the borrower is—

(i) Enrolled and in attendance as a regular student in at least a half-time course of study at an eligible institution;

(ii) Enrolled and in attendance as a regular student in a course of study that is part of a graduate fellowship program approved by the Secretary;

(iii) Engaged in graduate or postgraduate fellowship-supported study (such as a Fulbright grant) outside the United States; or

(iv) Enrolled in a course of study that is part of a rehabilitation training program for disabled individuals approved by the Secretary as described in paragraph (g) of this section.

(2) No borrower is eligible for a deferment under paragraph (b)(1) of this section while serving in a medical internship or residency program, except for a residency program in dentistry.

(3) The institution of higher education at which the borrower is enrolled does not need to be participating in the Federal Perkins Loan program

for the borrower to qualify for a deferment.

(4) If a borrower is attending an institution of higher education as at least a half-time regular student for a full academic year and intends to enroll as at least a half-time regular student in the next academic year, the borrower is entitled to a deferment for 12 months.

(5) If an institution no longer qualifies as an institution of higher education, the borrower's deferment ends on the date the institution ceases to qualify.

(c) The borrower of a Federal Perkins loan, an NDSL, or a Defense loan need not repay principal, and interest does not accrue, for any period during which the borrower is engaged in service described in §§ 674.53, 674.54, 674.55, 674.56, 674.57, 674.58, 674.59, and 674.60.

(d) The borrower need not repay principal, and interest does not accrue, for any period not to exceed 3 years during which the borrower is seeking and unable to find full-time employment.

(e) The borrower need not repay principal, and interest does not accrue, for periods of up to one year at a time (except that a deferment under paragraph (e)(4) of this section may be granted for the lesser of the borrower's full term of service in the Peace Corps or the borrower's remaining period of economic hardship deferment eligibility) that, collectively, do not exceed 3 years, during which the borrower is suffering an economic hardship, if the borrower provides documentation satisfactory to the institution showing that the borrower is within any of the categories described in paragraphs (e)(1) through (e)(4) of this section.

(1) Has been granted an economic hardship deferment under either the Federal Direct Loan Program or the FFEL programs for the period of time for which the borrower has requested an economic hardship deferment for his or her Federal Perkins loan.

(2) Is receiving payment under a Federal or state public assistance program, such as Aid to Families with Dependent Children, Supplemental Security Income, Food Stamps, or state general public assistance.

(3) Is working full-time and earning a total monthly gross income that does not exceed the greater of—

(i) The monthly earnings of an individual earning the minimum wage described in section 6 of the Fair Labor Standards Act of 1938; or

(ii) An amount equal to 150 percent of the poverty guideline applicable to the borrower's family size as published annually by the Department of Health and Human Services pursuant to 42 U.S.C. 9902(2). If a borrower is not a resident of a State identified in the poverty guidelines, the poverty guideline to be used for the borrower is the poverty guideline (for the relevant family size) used for the 48 contiguous States.

(4) Is serving as a volunteer in the Peace Corps.

(5) To qualify for a subsequent period of deferment that begins less than one year after the end of a period of deferment under paragraph (e)(3) of this section, the institution shall require the borrower to submit a copy of the borrower's Federal income tax return if the borrower filed a tax return within eight months prior to the date the deferment is requested.

(6)(i) For purposes of paragraph (e)(3) of this section, a borrower is considered to be working full-time if the borrower is expected to be employed for at least three consecutive months at 30 hours per week.

(ii) For purposes of paragraph (e)(3)(ii) of this section, family size means the number that is determined by counting the borrower, the borrower's spouse, and the borrower's children, including unborn children who will be born during the period covered by the deferment, if the children receive more than half their support from the borrower. A borrower's family size includes other individuals if, at the time the borrower requests the economic hardship deferment, the other individuals—

(A) Live with the borrower; and

(B) Receive more than half their support from the borrower and will continue to receive this support from the borrower for the year the borrower certifies family size. Support includes money, gifts, loans, housing, food, clothes, car, medical and dental care, and payment of college costs.

(f)(1) To qualify for a deferment for study as part of a graduate fellowship

program pursuant to paragraph (b)(1)(ii) of this section, a borrower must provide the institution with a statement from an authorized official of the borrower's graduate fellowship program certifying—

(i) That the borrower holds at least a baccalaureate degree conferred by an institution of higher education;

(ii) That the borrower has been accepted or recommended by an institution of higher education for acceptance on a full-time basis into an eligible graduate fellowship program; and

(iii) The borrower's anticipated completion date in the program.

(2) For purposes of paragraph (b)(1)(ii) of this section, an eligible graduate fellowship program is a fellowship program that—

(i) Provides sufficient financial support to graduate fellows to allow for full-time study for at least six months;

(ii) Requires a written statement from each applicant explaining the applicant's objectives before the award of that financial support;

(iii) Requires a graduate fellow to submit periodic reports, projects, or evidence of the fellow's progress; and

(iv) In the case of a course of study at a foreign university, accepts the course of study for completion of the fellowship program.

(g) To qualify for a deferment for study in a rehabilitation training program, pursuant to paragraph (b)(1)(iv) of this section, the borrower must be receiving, or be scheduled to receive, services under a program designed to rehabilitate disabled individuals and must provide the institution with the following documentation:

(1) A certification from the rehabilitation agency that the borrower is either receiving or scheduled to receive rehabilitation training services from the agency.

(2) A certification from the rehabilitation agency that the rehabilitation program—

(i) Is licensed, approved, certified, or otherwise recognized by one of the following entities as providing rehabilitation training to disabled individuals—

(A) A State agency with responsibility for vocational rehabilitation programs;

(B) A State agency with responsibility for drug abuse treatment programs;

(C) A State agency with responsibility for mental health services programs;

(D) A State agency with responsibility for alcohol abuse treatment programs; or

(E) The Department of Veterans Affairs; and

(ii) Provides or will provide the borrower with rehabilitation services under a written plan that—

(A) Is individualized to meet the borrower's needs;

(B) Specifies the date on which the services to the borrower are expected to end; and

(C) Is structured in a way that requires a substantial commitment by the borrower to his or her rehabilitation. The Secretary considers a substantial commitment by the borrower to be a commitment of time and effort that would normally prevent an individual from engaging in full-time employment either because of the number of hours that must be devoted to rehabilitation or because of the nature of the rehabilitation.

(h) *Military service deferment.* (1) The borrower need not pay principal, and interest does not accrue, on a Federal Perkins Loan, an NDSL, or a Defense Loan, for any period during which the borrower is—

(i) Serving on active duty during a war or other military operation or national emergency; or

(ii) Performing qualifying National Guard duty during a war or other military operation or national emergency.

(2) *Serving on active duty during a war or other military operation or national emergency* means service by an individual who is—

(i) A Reserve of an Armed Force ordered to active duty under 10 U.S.C. 12301(a), 12301(g), 12302, 12304, or 12306;

(ii) A retired member of an Armed Force ordered to active duty under 10 U.S.C. 688 for service in connection with a war or other military operation or national emergency, regardless of the location at which such active duty service is performed; or

(iii) Any other member of an Armed Force on active duty in connection

with such emergency or subsequent actions or conditions who has been assigned to a duty station at a location other than the location at which the member is normally assigned.

(3) *Qualifying National Guard duty during a war or other operation or national emergency* means service as a member of the National Guard on full-time National Guard duty, as defined in 10 U.S.C. 101(d)(5), under a call to active service authorized by the President or the Secretary of Defense for a period of more than 30 consecutive days under 32 U.S.C. 502(f) in connection with a war, other military operation, or national emergency declared by the President and supported by Federal funds.

(4) As used in this paragraph—

(i) *Active duty* means active duty as defined in 10 U.S.C. 101(d)(1) except that it does not include active duty for training or attendance at a service school;

(ii) *Military operation* means a contingency operation as defined in 10 U.S.C. 101(a)(13); and

(iii) *National emergency* means the national emergency by reason of certain terrorist attacks declared by the President on September 14, 2001, or subsequent national emergencies declared by the President by reason of terrorist attacks.

(5) These provisions do not authorize the refunding of any payments made by or on behalf of a borrower during a period for which the borrower qualified for a military service deferment.

(6) For a borrower whose active duty service includes October 1, 2007, or begins on or after that date, the deferment period ends 180 days after the demobilization date for each period of service described in paragraphs (h)(1)(i) and (h)(1)(ii) of this section.

(7) Without supporting documentation, a military service deferment may be granted to an otherwise eligible borrower for a period not to exceed 12 months from the date of the qualifying eligible service based on a request from the borrower or the borrower's representative.

(i) *Post-active duty student deferment.* (1) Effective October 1, 2007, a borrower of a Federal Perkins loan, an NDSL, or a Defense loan serving on active duty

§ 674.35

34 CFR Ch. VI (7–1–20 Edition)

military service on that date, or who begins serving on or after that date, need not pay principal, and interest does not accrue for up to 13 months following the conclusion of the borrower's active duty military service and initial grace period if—

(i) The borrower is a member of the National Guard or other reserve component of the Armed Forces of the United States or a member of such forces in retired status; and

(ii) The borrower was enrolled, on at least a half-time basis, in a program of instruction at an eligible institution at the time, or within six months prior to the time, the borrower was called to active duty.

(2) As used in paragraph (i)(1) of this section “Active duty” means active duty as defined in section 101(d)(1) of title 10, United States Code, for at least a 30-day period, except that—

(i) Active duty includes active State duty for members of the National Guard under which the Governor activates National Guard personnel based on State statute or policy and the activities of the National Guard are paid for with State funds;

(ii) Active duty includes full-time National Guard duty under which the Governor is authorized, with the approval of the President or the U.S. Secretary of Defense, to order a member to State active duty and the activities of the National Guard are paid for with Federal funds;

(iii) Active duty does not include active duty for training or attendance at a service school; and

(iv) Active duty does not include employment in a full-time, permanent position in the National Guard unless the borrower employed in such a position is reassigned to active duty under paragraph (i)(2)(i) of this section or full-time National Guard duty under paragraph (i)(2)(ii) of this section.

(3) If the borrower returns to enrolled student status, on at least a half-time basis, during the 13-month deferment period, the deferment expires at the time the borrower returns to enrolled student status, on at least a half-time basis.

(4) If a borrower qualifies for both a military service deferment and a post-active duty student deferment under

both paragraphs (h) and (i) of this section, the 180-day post-demobilization military service deferment period and the 13-month post-active duty student deferment period apply concurrently.

(j) The institution may not include the deferment periods described in paragraphs (b), (c), (d), (e), (f), (g), (h), and (i) of this section and the period described in paragraph (k) of this section in determining the 10-year repayment period.

(k) The borrower need not pay principal and interest does not accrue until six months after completion of any period during which the borrower is in deferment under paragraphs (b), (c), (d), (e), (f), (g), and (h) of this section.

(b)(1) The borrower need not repay principal, and interest does not accrue, during a period after the commencement or resumption of the repayment period on a loan, when the borrower is at least a half-time regular student at—

(i) An institution of higher education; or

(ii) A comparable institution outside the U.S. approved by the Secretary for this purpose.

(2) The institution of higher education does not need to be participating in the Federal Perkins Loan program for the borrower to qualify for a deferment.

§ 674.38 Deferment procedures.

(a)(1) Except as provided in paragraph (a)(5) of this section, a borrower must request the deferment and provide the institution with all information and documents required by the institution by the date that the institution establishes.

(2) After receiving a borrower's written or verbal request, an institution may grant a deferment under §§ 674.34(b)(1)(ii), 674.34(b)(1)(iii), 674.34(b)(1)(iv), 674.34(d), 674.34(e), 674.34(h), and 674.34(i) if the institution

is able to confirm that the borrower has received a deferment on another Perkins Loan, a FFEL Loan, or a Direct Loan for the same reason and the same time period. The institution may grant the deferment based on information from the other Perkins Loan holder, the FFEL Loan holder or the Secretary or from an authoritative electronic database maintained or authorized by the Secretary that supports eligibility for the deferment for the same reason and the same time period.

(3) An institution may rely in good faith on the information it receives under paragraph (a)(2) of this section when determining a borrower's eligibility for a deferment unless the institution, as of the date of the determination, has information indicating that the borrower does not qualify for the deferment. An institution must resolve any discrepant information before granting a deferment under paragraph (a)(2) of this section.

(4) An institution that grants a deferment under paragraph (a)(2) of this section must notify the borrower that the deferment has been granted and that the borrower has the option to cancel the deferment and continue to make payments on the loan.

(5) In the case of an in school deferment, the institution may grant the deferment based on student enrollment information showing that a borrower is enrolled as a regular student on at least a half-time basis, if the institution notifies the borrower of the deferment and of the borrower's option to cancel the deferment and continue paying on the loan.

(6) In the case of a military service deferment under §§ 674.34(h) and 674.35(c)(1), a borrower's representative may request the deferment on behalf of the borrower. An institution that grants a military service deferment based on a request from a borrower's representative must notify the borrower that the deferment has been granted and that the borrower has the option to cancel the deferment and continue to make payments on the loan. The institution may also notify the borrower's representative of the outcome of the deferment request.

(7) If the borrower fails to meet the requirements of paragraph (a) (1) of

this section, the institution may declare the loan to be in default, and may accelerate the loan.

(b)(1) The institution may grant a deferment to a borrower after it has declared a loan to be a default.

(2) As a condition for a deferment under this paragraph, the institution—

(i) Shall require the borrower to execute a written repayment agreement on the loan; and

(ii) May require the borrower to pay immediately some or all of the amounts previously scheduled to be repaid before the date on which the institution determined that the borrower had demonstrated that grounds for a deferment existed, plus late charges and collection costs.

(c) If the information supplied by the borrower demonstrates that for some or all of the period for which a deferment is requested, the borrower had retained in-school status or was within the initial grace period on the loan, the institution shall—

(1) Redetermine the date on which the borrower was required to commence repayment on the loan;

(2) Deduct from the loan balance any interest accrued and late charges added before the date on which the repayment period commenced, as determined in paragraph (c)(1) of this section; and

(3) Treat in accordance with paragraph (b) of this section, the request for deferment for any remaining portion of the period for which deferment was requested.

(d) The institution must determine the continued eligibility of a borrower for a deferment at least annually, except that a borrower engaged in service described in §§ 674.34(e)(6), 674.35(c)(3), 674.36(c)(2), 674.37(c)(2), and § 674.60(a)(1) must be granted a deferment for the lesser of the borrower's full term of service in the Peace Corps, or the borrower's remaining period of eligibility for a deferment under § 674.34(e), not to exceed 3 years.

(2) Treat the first payment made under the nine consecutive payments as the first payment under the 10-year repayment maximum; and

(3) Instruct any credit bureau to which the default was reported to remove the default from the borrower's credit history.

(c) Collection costs on a rehabilitated loan—

(1) If charged to the borrower, may not exceed 24 percent of the unpaid principal and accrued interest as of the date following application of the twelfth payment;

(2) That exceed the amounts specified in paragraph (c)(1) of this section, may be charged to an institution's Fund until July 1, 2002 in accordance with § 674.47(e)(5); and

(3) Are not restricted to 24 percent in the event the borrower defaults on the rehabilitated loan.

(d) After rehabilitating a defaulted loan and returning to regular repayment status, the borrower regains the balance of the benefits and privileges of the promissory note as applied prior to the borrower's default on the loan.

Nothing in this paragraph prohibits an institution from offering the borrower flexible repayment options following the borrower's return to regular repayment status on a rehabilitated loan.

(b) *Exit counseling.* (1) An institution must ensure that exit counseling is conducted with each borrower either in person, by audiovisual presentation, or by interactive electronic means. The institution must ensure that exit counseling is conducted shortly before the borrower ceases at least half-time study at the institution. As an alternative, in the case of a student enrolled in a correspondence program or a study-abroad program that the institution approves for credit, the borrower may be provided with written counseling material by mail within 30 days after the borrower completes the program. If a borrower withdraws from the institution without the institution's prior knowledge or fails to complete an exit counseling session as required, the

institution must ensure that exit counseling is provided through either interactive electronic means or by mailing counseling materials to the borrower at the borrower's last known address within 30 days after learning that the borrower has withdrawn from the institution or failed to complete exit counseling as required.

(vi) Emphasize to the borrower the seriousness and importance of the repayment obligation the borrower is assuming;

(vii) Describe the likely consequences of default, including adverse credit reports, delinquent debt collection procedures under Federal law, and litigation;

(viii) Emphasize that the borrower is obligated to repay the full amount of the loan even if the borrower has not completed the program, has not completed the program within the regular

time for program completion, is unable to obtain employment upon completion, or is otherwise dissatisfied with or did not receive educational or other services that the borrower purchased from the institution;

(ix) Provide—

(A) A general description of the terms and conditions under which a borrower may obtain full or partial forgiveness or cancellation of principal and interest, defer repayment of principal or interest, or be granted an extension of the repayment period or a forbearance on a title IV loan; and

§ 674.43 Billing procedures.

(a) The term *billing procedures*, as used in this subpart, includes that series of actions routinely performed to notify borrowers of payments due on their accounts, to remind borrowers when payments are overdue, and to demand payment of overdue amounts. An institution shall use billing procedures that include at least the following steps:

(1) If the institution uses a coupon payment system, it shall send the coupons to the borrower at least 30 days before the first payment is due.

(2) If the institution does not use a coupon system, it shall send to the borrower—

(i) A written notice giving the name and address of the party to which payments are to be sent and a statement of account at least 30 days before the first payment is due; and

(ii) A statement of account at least 15 days before the due date of each subsequent payment.

(3) Notwithstanding paragraph (a)(2)(ii) of this section, if the borrower elects to make payment by means of an electronic transfer of funds from the borrower's bank account, the institution shall send to the borrower an annual statement of account.

(b)(1) An institution shall send a first overdue notice within 15 days after the due date for a payment if the institution has not received—

(i) A payment;

(ii) A request for deferment; or

(iii) A request for postponement or for cancellation.

(2) Subject to § 674.47(a), the institution may assess a late charge for loans made for periods of enrollment beginning on or after January 1, 1986, during the period in which the institution takes any steps described in this section to secure—

(i) Any part of an installment payment not made when due, or

(ii) A request for deferment, cancellation, or postponement of repayment on the loan that contains sufficient information to enable the institution to determine whether the borrower is entitled to the relief requested.

(3) The institution shall determine the amount of the late charge imposed for loans described in paragraph (b)(2) of this section based on either—

(i) Actual costs incurred for actions required under this section to secure the required payment or information from the borrower; or

(ii) The average cost incurred for similar attempts to secure payments or information from other borrowers.

(4) The institution may not require a borrower to pay late charges imposed under paragraph (b)(3) of this section in an amount, for each late payment or request, exceeding 20 percent of the installment payment most recently due.

(5) The institution—

§ 674.44

34 CFR Ch. VI (7–1–20 Edition)

(i) Shall determine the amount of the late or penalty charge imposed on loans not described in paragraph (b)(2) of this section in accordance with § 674.31(b)(5) (See appendix E); and

(ii) May assess this charge only during the period described in paragraph (b)(2) of this section.

(6) The institution shall notify the borrower of the amount of the charge it has imposed, and whether the institution—

(i) Has added that amount to the principal amount of the loan as of the first day on which the installment was due; or

(ii) Demands payment for that amount in full no later than the due date of the next installment.

(c) If the borrower does not satisfactorily respond to the first overdue notice, the institution shall continue to contact the borrower as follows, until the borrower makes satisfactory repayment arrangements or demonstrates entitlement to deferment, postponement, or cancellation:

(1) The institution shall send a second overdue notice within 30 days after the first overdue notice is sent.

(2) The institution shall send a final demand letter within 15 days after the second overdue notice. This letter must inform the borrower that unless the institution receives a payment or a request for deferment, postponement, or cancellation within 30 days of the date of the letter, it will refer the account for collection or litigation, and will report the default to a credit bureau.

(d) Notwithstanding paragraphs (b) and (c) of this section, an institution may send a borrower a final demand letter if the institution has not within 15 days after the due date received a payment, or a request for deferment, postponement, or cancellation, and if—

(1) The borrower's repayment history has been unsatisfactory, e.g., the borrower has previously failed to make payment(s) when due or to request deferment, postponement, or cancellation in a timely manner, or has previously received a final demand letter; or

(2) The institution reasonably concludes that the borrower neither intends to repay the loan nor intends to

seek deferment, postponement, or cancellation of the loan.

(e)(1) An institution that accelerates a loan as provided in § 674.31 (i.e., makes the entire outstanding balance of the loan, including accrued interest and any applicable late charges, payable immediately) shall—

(i) Provide the borrower, at least 30 days before the effective date of the acceleration, written notice of its intention to accelerate; and

(ii) Provide the borrower on or after the effective date of acceleration, written notice of the date on which it accelerated the loan and the total amount due on the loan.

(2) The institution may provide these notices by including them in other written notices to the borrower, including the final demand letter.

(f) If the borrower does not respond to the final demand letter within 30 days from the date it was sent, the institution shall attempt to contact the borrower by telephone before beginning collection procedures.

(g)(1) An institution shall ensure that any funds collected as a result of billing the borrower are—

(i) Deposited in interest-bearing bank accounts that are—

(A) Insured by an agency of the Federal Government; or

(B) Secured by collateral of reasonably equivalent value; or

(ii) Invested in low-risk income-producing securities, such as obligations issued or guaranteed by the United States.

(2) An institution shall exercise the level of care required of a fiduciary with regard to these deposits and investments.

§ 674.45 Collection procedures.

(a) The term "collection procedures," as used in this subpart, includes that series of more intensive efforts, including litigation as described in § 674.46, to recover amounts owed from defaulted borrowers who do not respond satisfactorily to the demands routinely made as part of the institution's billing procedures. If a borrower does not satisfactorily respond to the final demand

letter or the following telephone contact made in accordance with § 674.43(f), the institution shall—

(1) Report the account as being in default to any one national credit bureau; and

(2)(i) Use its own personnel to collect the amount due; or

(b)(1) An institution must report to any national credit bureau to which it reported the default, according to the reporting procedures of the national credit bureau, any changes to the account status of the loan.

(2) The institution must resolve, within 30 days of its receipt, any inquiry from any credit bureau that disputes the completeness or accuracy of information reported on the loan.

(c)(1) If the institution, or the firm it engages, pursues collection activity for up to 12 months and does not succeed in converting the account to regular repayment status, or the borrower does not qualify for deferment, postponement, or cancellation on the loan, the institution shall—

(i) Litigate in accordance with the procedures in § 674.46;

(ii) Make a second effort to collect the account as follows:

(A) If the institution first attempted to collect the account using its own personnel, it shall refer the account to a collection firm.

(iii) Submit the account for assignment to the Secretary in accordance with the procedures set forth in § 674.50.

(2) If the collection firm retained by the institution does not succeed in placing an account into a repayment status described in paragraph (c)(1) of this section after 12 months of collection activity, the institution shall require the collection firm to return the account to the institution.

(e)(1) Subject to § 674.47(d), the institution shall assess against the borrower all reasonable costs incurred by the institution with regard to a loan obligation.

(2) The institution shall determine the amount of collection costs that shall be charged to the borrower for actions required under this section, and §§ 674.44, 674.46, 674.48, and 674.49, based on either—

(i) Actual costs incurred for these actions with regard to the individual borrower's loan; or

(ii) Average costs incurred for similar actions taken to collect loans in similar stages of delinquency.

(3) For loans placed with a collection firm on or after July 1, 2008, reasonable collection costs charged to the borrower may not exceed—

(i) For first collection efforts, 30 percent of the amount of principal, interest, and late charges collected;

(ii) For second and subsequent collection efforts, 40 percent of the amount of principal, interest, and late charges collected; and

(iii) For collection efforts resulting from litigation, 40 percent of the amount of principal, interest, and late charges collected plus court costs.

(4) The Fund must be reimbursed for collection costs initially charged to the Fund and subsequently paid by the borrower.

(f)(1) An institution shall ensure that any funds collected from the borrower are—

(i) Deposited in interest-bearing bank accounts that are—

(A) Insured by an agency of the Federal Government; or

(B) Secured by collateral of reasonably equivalent value; or

(ii) Invested in low-risk income-producing securities, such as obligations issued or guaranteed by the United States.

(2) An institution shall exercise the level of care required of a fiduciary with regard to these deposits and investments.

(g) *Preemption of State law.* The provisions of this section preempt any State law, including State statutes, regulations, or rules, that would conflict with or hinder satisfaction of the requirements or frustrate the purposes of this section.

(h) As part of the collection activities provided for in this section, the institution must provide the borrower with information on the availability of the Student Loan Ombudsman's office.

(2) If the amount recovered from the borrower does not suffice to pay the amount of the past-due payments and the penalty or late charges, the institution may charge the Fund for only that unpaid portion of the cost of telephone calls to the borrower made pursuant to § 674.43 to demand payment of overdue amounts on the loan.

(2) Is owned or controlled by the billing service; or

(3) Is owned or controlled by the same corporation, partnership, association, or individual that owns or controls the billing service.

(f)(1) An institution that employs a third party to perform billing or collection services required under this subpart shall ensure that the party has and maintains in effect a fidelity bond or comparable insurance in accordance with the requirements of this paragraph.

§ 674.49 Bankruptcy of borrower.

(a) *General.* If an institution receives notice that a borrower has filed a petition for relief in bankruptcy, usually by receiving a notice of meeting of creditors, the institution and its agents shall immediately suspend any collection efforts outside the bankruptcy proceeding against the borrower.

(b) *Proof of claim.* The institution must file a proof of claim in the bankruptcy proceeding unless—

(1) In the case of a proceeding under chapter 7 of the Bankruptcy Code, the notice of meeting of creditors states that the borrower has no assets, or

(2) In the case of a bankruptcy proceeding under either Chapter 7 or Chapter 13 of the Bankruptcy Code in which the repayment plan proposes that the borrower repay less than the full amount owed on the loan, the institu-

tion has an authoritative determination by an appropriate State official that in the opinion of the State official, the institution is an agency of the State and is, on that basis, under applicable State law, immune from suit.

(c) *Borrower's request for determination of dischargeability.* (1) The institution must use due diligence and may assert any defense consistent with its status under applicable law to avoid discharge of the loan. The institution must follow the procedures in this paragraph to respond to a complaint for a determination of dischargeability under 11 U.S.C. 523(a)(8) on the ground that repayment of the loan would impose an undue hardship on the borrower and his or her dependents, unless discharge would be more effectively opposed by avoiding that action.

(2) If the petition for relief in bankruptcy was filed before October 8, 1998 and more than seven years of the repayment period on the loan (excluding any applicable suspension of the repayment period defined in 34 CFR 682.402(m)) have passed before the borrower filed the petition, the institution may not oppose a determination of dischargeability requested under 11 U.S.C. 523(a)(8)(B) on the ground of undue hardship.

(3) In any other case, the institution must determine, on the basis of reasonably available information, whether repayment of the loan under either the current repayment schedule or any adjusted schedule authorized under subpart B or D of this part would impose an undue hardship on the borrower and his or her dependents.

(4) If the institution concludes that repayment would not impose an undue hardship, the institution shall determine whether the costs reasonably expected to be incurred to oppose discharge will exceed one-third of the total amount owed on the loan, including principal, interest, late charges and collection costs.

(5) If the expected costs of opposing discharge of such a loan do not exceed one-third of the total amount owed on the loan, the institution shall—

(i) Oppose the borrower's request for a determination of dischargeability; and

(ii) If the borrower is in default on the loan, seek a judgment for the amount owed on the loan.

(6) In opposing a request for a determination of dischargeability, the institution may compromise a portion of the amount owed on the loan if it reasonably determines that the compromise is necessary in order to obtain a judgment on the loan.

(d) *Request for determination of non-dischargeability.* The institution may file a complaint for a determination that a loan obligation is not dischargeable and for judgment on the loan if the institution would have been required under paragraph (c) of this section to oppose a request for a determination of dischargeability with regard to that loan.

(e) *Chapter 13 repayment plan.* (1) The institution shall follow the procedures in this paragraph in response to a repayment plan proposed by a borrower who has filed for relief under chapter 13 of the Bankruptcy Code.

(2) The institution is not required to respond to a proposed repayment plan, if—

(i) The borrower proposes under the repayment plan to repay all principal, interest, late charges and collection costs on the loan; or

(ii) The repayment plan makes no provision with regard either to the loan obligation or to general unsecured claims.

(3)(i) If the borrower proposes under the repayment plan to repay less than the total amount owed on the loan, the institution shall determine from its own records and court documents—

(A) The amount of the loan obligation dischargeable under the plan by deducting the total payments on the loan proposed under the plan from the total amount owed;

(B) Whether the plan or the classification of the loan obligation under the proposed plan meets the requirements of section 1325 of the Code; and

(C) Whether grounds exist under 11 U.S.C. 1307 to move for conversion or dismissal of the chapter 13 case.

(ii) If the institution reasonably expects that costs of the appropriate actions will not exceed one-third of the dischargeable loan debt, the institution shall—

(A) Object to confirmation of a proposed plan that does not meet the requirements of 11 U.S.C. 1325; and

(B) Move to dismiss or convert a case where grounds can be established under 11 U.S.C. 1307.

(4)(i) The institution must monitor the borrower's compliance with the requirements of the plan confirmed by the court. If the institution determines that the debtor has not made the payments required under the plan, or has filed a request for a "hardship discharge" under 11 U.S.C. 1328(b), the institution must determine from its own records and information derived from documents filed with the court—

(A) Whether grounds exist under 11 U.S.C. 1307 to convert or dismiss the case; and

(B) Whether the borrower has demonstrated entitlement to the "hardship discharge" by meeting the requirements of 11 U.S.C. 1328(b).

(ii) If the institution reasonably expects that costs of the appropriate actions, when added to the costs already incurred in taking actions authorized under this section, will not exceed one-third of the dischargeable loan debt, the institution shall—

(A) Move to dismiss or convert a case where grounds can be established under 11 U.S.C. 1307; or

(B) Oppose the requested discharge where the debtor has not demonstrated that the requirements of 11 U.S.C. 1328(b) are met.

(f) *Resumption of collection from the borrower.* The institution shall resume billing and collection action prescribed in this subpart after—

(1) The borrower's petition for relief in bankruptcy has been dismissed;

(2) The borrower has received a discharge under 11 U.S.C. 727, 11 U.S.C. 1141, or 11 U.S.C. 1228, unless—

(i) The court has found that repayment of the loan would impose an undue hardship on the borrower and the dependents of the borrower; or

(ii)(A) The petition for relief was filed before October 8, 1998;

(B) The loan entered the repayment period more than seven years (excluding any applicable suspension of the repayment period as defined by 34 CFR 682.402(m), and

§ 674.50

34 CFR Ch. VI (7–1–20 Edition)

(C) The loan is not excepted from discharge under other applicable provisions of the Code; or

(3) The borrower has received a discharge under 11 U.S.C. 1328(a) or 1328(b), unless—

(i) The court has found that repayment of the loan would impose an undue hardship on the borrower and the dependents of the borrower; or

(ii)(A) The petition for relief was filed before October 8, 1998;

(B) The loan entered the repayment period more than seven years (excluding any application suspension of the repayment period as defined by 34 CFR 682.402(m)) before the filing of the petition; and

(C) The borrower's plan approved in the bankruptcy proceeding made some provision with regard to either the loan obligation or unsecured debts in general.

(g) *Termination of collection and write-off.* (1) An institution must terminate all collection action and write off a loan if it receives a general order of discharge—

(i) In a bankruptcy in which the borrower filed for relief before October 8, 1998, if the loan entered the repayment period more than seven years (exclusive of any applicable suspension of the repayment period defined by 34 CFR 682.402(m)) from the date on which a petition for relief was filed; or

(ii) In any other case, a judgment that repayment of the debt would constitute an undue hardship and that the debt is therefore dischargeable.

(2) If an institution receives a repayment from a borrower after a loan has been discharged, it must deposit that payment in its Fund.

The Secretary may make this determination with or without a judicial determination regarding the enforceability of the loan.

(2) The Secretary may require the institution to reimburse the Fund for that portion of the outstanding balance on a loan assigned to the United States which the Secretary determines to be unenforceable because of an act or omission of that institution or its agent.

(3) Upon reimbursement to the Fund by the institution, the Secretary shall transfer all rights, title and interest of the United States in the loan to the institution for its own account.

(h) An institution shall consider a borrower whose loan has been assigned to the United States for collection to be in default on that loan for the purpose of eligibility for title IV financial assistance, until the borrower provides the institution confirmation from the Secretary that he or she has made satisfactory arrangements to repay the loan.

References to a "borrower" or a "veteran" include, if applicable, the borrower's representative or the veteran's representative for purposes of applying for a total and permanent disability discharge, providing notifications or information to the Secretary, and receiving notifications from the Secretary.

(2) *Discharge application process for borrowers who have a total and permanent disability as defined in § 674.51(aa)(1).* (i) If the borrower notifies the institution that the borrower claims to be totally and permanently disabled as defined in § 674.51(aa)(1), the institution must direct the borrower to notify the Secretary of the borrower's intent to submit an application for total and permanent disability discharge and provide the borrower with the information needed for the borrower to notify Secretary.

(ii) If the borrower notifies the Secretary of the borrower's intent to apply for a total and permanent disability discharge, the Secretary—

(A) Provides the borrower with information needed for the borrower to apply for a total and permanent disability discharge;

(B) Identifies all title IV loans owed by the borrower and notifies the lenders of the borrower's intent to apply for a total and permanent disability discharge;

(C) Directs the lenders to suspend efforts to collect from the borrower for a period not to exceed 120 days; and

(D) Informs the borrower that the suspension of collection activity described in paragraph (b)(2)(ii)(C) of this section will end after 120 days and the collection will resume on the loans if the borrower does not submit a total and permanent disability discharge application to the Secretary within that time.

(iii) If the borrower fails to submit an application for a total and permanent disability discharge to the Secretary within 120 days, collection resumes on the borrower's title IV loans.

(iv) The borrower must submit to the Secretary an application for total and permanent disability discharge on a form approved by the Secretary. The application must contain—

(A) A certification by a physician, who is a doctor of medicine or osteopathy legally authorized to practice in a State, that the borrower is totally and permanently disabled as defined in § 674.51(aa)(1); or

(v) The borrower must submit the application described in paragraph (b)(2)(iv) of this section to the Secretary within 90 days of the date the physician certifies the application, if applicable.

(vi) After the Secretary receives the application described in paragraph (b)(2)(iv) of this section, the Secretary notifies the holders of the borrower's title IV loans that the Secretary has received a total and permanent disability discharge application from the borrower.

(vii) If the application is incomplete, the Secretary notifies the borrower of the missing information and requests the missing information from the borrower, the borrower's representative, or the physician who provided the certification, as appropriate. The Secretary does not make a determination of eligibility until the application is complete.

(viii) The lender notification described in paragraph (b)(2)(vi) of this section directs the borrower's loan holders to suspend collection activity or maintain the suspension of collection activity on the borrower's title IV loans.

(A) States that the application will be reviewed by the Secretary;

(B) Informs the borrower that the borrower's lenders will suspend collection activity or maintain the suspension of collection activity on the borrower's title IV loans while the Secretary reviews the borrower's application for discharge; and

(C) Explains the process for the Secretary's review of total and permanent disability discharge applications.

(3) *Secretary's review of the total and permanent disability discharge application.* (i) If, after reviewing the borrower's completed application, the Secretary determines that the physician's certification or the SSA notice of award for SSDI or SSI benefits supports the conclusion that the borrower is totally and permanently disabled as defined in § 674.51(aa)(1), the borrower is considered totally and permanently disabled as of the date—

(A) The physician certified the borrower's application; or

(B) The Secretary received the SSA notice of award for SSDI or SSI benefits.

(ii) The Secretary may require the borrower to submit additional medical evidence if the Secretary determines that the borrower's application does not conclusively prove that the borrower is totally and permanently disabled as defined in § 674.51(aa)(1). As part of the Secretary's review of the borrower's discharge application, the Secretary may require and arrange for an additional review of the borrower's condition by an independent physician at no expense to the borrower.

(iii) After determining that the borrower is totally and permanently disabled as defined in § 674.51(aa)(1), the Secretary notifies the borrower and the borrower's lenders that the application for a disability discharge has been approved. With this notification, the Secretary provides the date the physician certified the borrower's loan discharge application or the date the Secretary received the SSA notice of award for SSDI or SSI benefits and directs each institution holding a Defense, NDSL, or Perkins Loan made to the borrower to assign the loan to the Secretary.

(iv) The institution must assign the loan to the Secretary within 45 days of

the date of the notice described in paragraph (b)(3)(iii) of this section.

(v) After the loan is assigned, the Secretary discharges the borrower's obligation to make further payments on the loan and notifies the borrower and the institution that the loan has been discharged. The notification to the borrower explains the terms and conditions under which the borrower's obligation to repay the loan will be reinstated, as specified in paragraph (b)(6) of this section. Any payments received after the date the physician certified the borrower's loan discharge application or the date the Secretary received the SSA notice of award for SSDI or SSI benefits are returned to the person who made the payments on the loan in accordance with paragraph (b)(8) of this section.

(vi) If the Secretary determines that the physician's certification or the SSA notice of award for SSDI or SSI benefits provided by the borrower does not support the conclusion that the borrower is totally and permanently disabled as defined in § 674.51(aa)(1), the Secretary notifies the borrower and the institution that the application for a disability discharge has been denied. The notification includes—

(A) The reason or reasons for the denial;

(B) A statement that the loan is due and payable to the institution under the terms of the promissory note and that the loan will return to the status that would have existed had the total and permanent disability discharge application not been received;

(C) A statement that the institution will notify the borrower of the date the borrower must resume making payments on the loan;

(D) An explanation that the borrower is not required to submit a new total and permanent disability discharge application if the borrower requests that the Secretary re-evaluate the application for discharge by providing, within 12 months of the date of the notification, additional information that supports the borrower's eligibility for discharge; and

(E) An explanation that if the borrower does not request re-evaluation of the borrower's prior discharge application within 12 months of the date of

the notification, the borrower must submit a new total and permanent disability discharge application to the Secretary if the borrower wishes the Secretary to re-evaluate the borrower's eligibility for a total and permanent disability discharge.

(vii) If the borrower requests re-evaluation in accordance with paragraph (b)(3)(vi)(D) of this section or submits a new total and permanent disability discharge application in accordance with paragraph (b)(3)(vi)(E) of this section, the request must include new information regarding the borrower's disabling condition that was not provided to the Secretary in connection with the prior application at the time the Secretary reviewed the borrower's initial application for a total and permanent disability discharge.

(4) *Treatment of disbursements made during the period from the date of the physician's certification or the date the Secretary received the SSA notice of award for SSDI or SSI benefits until the date of discharge.* If a borrower received a title IV loan or TEACH Grant before the date the physician certified the borrower's discharge application or before the date the Secretary received the SSA notice of award for SSDI or SSI benefits and a disbursement of that loan or grant is made during the period from the date of the physician's certification or the date the Secretary received the SSA notice of award for SSDI or SSI benefits until the date the Secretary grants a discharge under this section, the processing of the borrower's loan discharge application will be suspended until the borrower ensures that the full amount of the disbursement has been returned to the loan holder or to the Secretary, as applicable.

(5) *Receipt of new title IV loans or TEACH Grants after the date of the physician's certification or after the date the Secretary received the SSA notice of award for SSDI or SSI benefits.* If a borrower receives a disbursement of a new title IV loan or receives a new TEACH Grant made on or after the date the physician certified the borrower's discharge application or on or after the date the Secretary received the SSA notice of award for SSDI or SSI benefits and before the date the Secretary

grants a discharge under this section, the Secretary denies the borrower's discharge request and collection resumes on the borrower's loans.

(6) *Conditions for reinstatement of a loan after a total and permanent disability discharge.* (i) The Secretary reinstates the borrower's obligation to repay a loan that was discharged in accordance with paragraph (b)(3)(v) of this section if, within three years after the date the Secretary granted the discharge, the borrower—

(A) Has annual earnings from employment that exceed 100 percent of the poverty guideline for a family of two, as published annually by the United States Department of Health and Human Services pursuant to 42 U.S.C. 9902(2);

(B) Receives a new TEACH Grant or a new loan under the Perkins or Direct Loan programs, except for a Direct Consolidation Loan that includes loans that were not discharged;

(C) Fails to ensure that the full amount of any disbursement of a title IV loan or TEACH Grant received prior to the discharge date that is made is returned to the loan holder or to the Secretary, as applicable, within 120 days of the disbursement date; or

(D) Receives a notice from the SSA indicating that the borrower is no longer disabled or that the borrower's continuing disability review will no longer be the five- to seven-year period indicated in the SSA notice of award for SSDI or SSI benefits.

(ii) If the borrower's obligation to repay a loan is reinstated, the Secretary—

(A) Notifies the borrower that the borrower's obligation to repay the loan has been reinstated;

(B) Returns the loan to the status that would have existed had the total and permanent disability discharge application not been received; and

(C) Does not require the borrower to pay interest on the loan for the period from the date the loan was discharged until the date the borrower's obligation to repay the loan was reinstated.

(iii) The Secretary's notification under paragraph (b)(6)(ii)(A) of this section will include—

(A) The reason or reasons for the reinstatement;

(B) An explanation that the first payment due date on the loan following reinstatement will be no earlier than 60 days after the date of the notification of reinstatement; and

(C) Information on how the borrower may contact the Secretary if the borrower has questions about the reinstatement or believes that the obligation to repay the loan was reinstated based on incorrect information.

(7) *Borrower's responsibilities after a total and permanent disability discharge.* During the three-year period described in paragraph (b)(6)(i) of this section, the borrower must—

(i) Promptly notify the Secretary of any changes in the borrower's address or phone number;

(ii) Promptly notify the Secretary if the borrower's annual earnings from employment exceed the amount specified in paragraph (b)(6)(i)(A) of this section;

(iii) Provide the Secretary, upon request, with documentation of the borrower's annual earnings from employment on a form approved by the Secretary; and

(iv) Promptly notify the Secretary if the borrower receives a notice from the SSA indicating that the borrower is no longer disabled or that the borrower's continuing disability review will no longer be the five- to seven-year period indicated in the SSA notice of award for SSDI or SSI benefits.

(8) *Payments received after the physician's certification of total and permanent disability.* (i) If the institution receives any payments from or on behalf of the borrower on or attributable to a loan that has been assigned to the Secretary based on the Secretary's determination of eligibility for a total and permanent disability discharge, the institution must return the payments to the sender.

(ii) At the same time that the institution returns the payments, it must notify the borrower that there is no obligation to make payments on the loan after it has been discharged due to a total and permanent disability unless the loan is reinstated in accordance with § 674.61(b)(6), or the Secretary directs the borrower otherwise.

(iii) When the Secretary discharges the loan, the Secretary returns to the

sender any payments received on the loan after the date the borrower became totally and permanently disabled.

(c) *Total and permanent disability discharges for veterans.* (1) *General.* A veteran's Defense, NDSL, or Perkins loan will be discharged if the veteran is totally and permanently disabled, as defined in § 674.51(aa)(2).

(2) *Discharge application process for veterans who have a total and permanent disability as defined in § 674.51(aa)(2).* (i) If a veteran notifies the institution that the veteran claims to be totally and permanently disabled as defined in § 674.51(aa)(2), the institution must direct the veteran to notify the Secretary of the veteran's intent to submit an application for a total and permanent disability discharge to the Secretary; and provide the veteran with the information needed for the veteran to apply for a total and permanent disability discharge to the Secretary.

(ii) If the veteran notifies the Secretary of the veteran's intent to apply for a total and permanent disability discharge, the Secretary—

(A) Provides the veteran with information needed for the veteran to apply for a total and permanent disability discharge;

(B) Identifies all title IV loans owed by the veteran and notifies the lenders of the veteran's intent to apply for a total and permanent disability discharge;

(C) Directs the lenders to suspend efforts to collect from the borrower for a period not to exceed 120 days; and

(D) Informs the veteran that the suspension of collection activity described in paragraph (c)(2)(ii)(C) of this section will end after 120 days and collection will resume on the veteran's title IV loans if the veteran does not submit a total and permanent disability discharge application to the Secretary within that time.

(iii) If the veteran fails to submit an application for a total and permanent disability discharge to the Secretary within 120 days, collection resumes on the veteran's title IV loans.

(iv) The veteran must submit to the Secretary an application for total and permanent disability discharge on a form approved by the Secretary.

(v) The application must be accompanied by documentation from the Department of Veteran Affairs showing that the Department of Veteran Affairs has determined that the veteran is unemployable due to a service-connected disability. The veteran will not be required to provide any additional documentation related to the veteran's disability.

(vi) After the Secretary receives the application and supporting documentation described in paragraphs (c)(2)(iv) and (c)(2)(v) of this section, the Secretary notifies the holders of the veteran's title IV loans that the Secretary has received a total and permanent disability discharge application from the veteran.

(vii) If the application is incomplete, the Secretary notifies the veteran of the missing information and requests the missing information from the veteran or the veteran's representative. The Secretary does not make a determination of eligibility until the application is complete.

(viii) The lender notification described in paragraph (c)(2)(vi) of this section directs the lenders to suspend collection activity or maintain the suspension of collection activity on the borrower's title IV loans.

(ix) After the Secretary receives the disability discharge application, the Secretary sends a notice to the veteran that—

(A) States that the application will be reviewed by the Secretary;

(B) Informs the veteran that the veteran's lenders will suspend collection activity on the veteran's title IV loans while the Secretary reviews the borrower's application for a discharge; and

(C) Explains the process for the Secretary's review of total and permanent disability discharge applications.

(x) The Secretary will consider a borrower for whom data is obtained from the Department of Veterans Affairs showing that the borrower has a total and permanent disability as defined in § 674.51(aa)(2) to be eligible for discharge and will not require additional documentation to discharge the borrower's loans.

(3) *Secretary's review of the total and permanent disability discharge application.* (i) If, after reviewing the veteran's

completed application, the Secretary determines, based on a review of the documentation from the Department of Veterans Affairs, that the veteran is totally and permanently disabled as defined in § 674.51(aa)(2), the Secretary notifies the veteran and the veteran's lenders that the application for disability discharge has been approved. With this notification, the Secretary provides the effective date of the determination and directs each institution holding a Direct, NDSL, or Perkins Loan made to the veteran to discharge the loan.

(ii) The institution returns any payments received on or after the effective date of the determination by the Department of Veterans Affairs that the veteran is unemployable due to a service-connected disability to the person who made the payments.

(iii) If the Secretary determines, based on a review of the documentation from the Department of Veterans Affairs, that the veteran is not totally and permanently disabled as defined in § 674.51(aa)(2), the Secretary notifies the veteran or the veteran's representative, and the institution that the application for a disability discharge has been denied. The notification includes—

(A) The reason or reasons for the denial;

(B) An explanation that the loan is due and payable to the institution under the terms of the promissory note and that the loan will return to the status that would have existed had the total and permanent disability discharge application not been received;

(C) An explanation that the institution will notify the veteran of the date the veteran must resume making payments on the loan;

(D) An explanation that the veteran is not required to submit a new total and permanent disability discharge application if the veteran requests that the Secretary re-evaluate the veteran's application for discharge by providing, within 12 months of the date of the notification, additional documentation from the Department of Veterans Affairs that supports the veteran's eligibility for discharge; and

(E) Information on how the veteran may reapply for a total and permanent

disability discharge in accordance with the procedures described in paragraphs (b)(1) through (b)(8) of this section, if the documentation from the Department of Veterans Affairs does not indicate that the veteran is totally and permanently disabled as defined in § 674.51(aa)(2), but indicates that the veteran may be totally and permanently disabled as defined in § 674.51(aa)(1).

(d) *No Federal reimbursement.* No Federal reimbursement is made to an institution for discharge of loans due to death or disability.

(e) *Retroactive.* Discharge for death applies retroactively to all Defense, NDSL, and Perkins loans.

§ 674.64 Discharge of student loan indebtedness for survivors of victims of the September 11, 2001, attacks.

(a) *Definition of terms.* As used in this section—

(1) *Eligible public servant* means an individual who—

(i) Served as a police officer, firefighter, other safety or rescue personnel, or as a member of the Armed Forces; and

(ii)(A) Died due to injuries suffered in the terrorist attacks on September 11, 2001; or

(B) Became permanently and totally disabled due to injuries suffered in the terrorist attacks on September 11, 2001.

(2) *Died due to injuries suffered in the terrorist attacks on September 11, 2001* means the individual was present at the World Trade Center in New York City, New York, at the Pentagon in Virginia, or at the Shanksville, Pennsylvania site at the time of or in the immediate aftermath of the terrorist-related aircraft crashes on September 11, 2001, and the individual died as a direct result of these crashes.

(3) *Became permanently and totally disabled due to injuries suffered in the terrorist attacks on September 11, 2001* means the individual was present at the World Trade Center in New York City, New York, at the Pentagon in Virginia, or at the Shanksville, Penn-

sylvania site at the time of or in the immediate aftermath of the terrorist-related aircraft crashes on September 11, 2001, and the individual became permanently and totally disabled as a direct result of these crashes.

(i) An individual is considered permanently and totally disabled if—

(A) The disability is the result of a physical injury to the individual that was treated by a medical professional within 72 hours of the injury having been sustained or within 72 hours of the rescue;

(B) The physical injury that caused the disability is verified by contemporaneous medical records created by or at the direction of the medical professional who provided the medical care; and

(C) The individual is unable to work and earn money due to the disability and the disability is expected to continue indefinitely or result in death.

(ii) If the injuries suffered due to the terrorist-related aircraft crashes did not make the individual permanently and totally disabled at the time of or in the immediate aftermath of the attacks, the individual may be considered to be permanently and totally disabled for purposes of this section if the individual's medical condition has deteriorated to the extent that the individual is permanently and totally disabled.

(4) *Immediate aftermath* means, for an eligible public servant, the period of time from the aircraft crashes until 96 hours after the crashes.

(5) *Present at the World Trade Center in New York City, New York, at the Pentagon in Virginia, or at the Shanksville, Pennsylvania site* means physically present at the time of the terrorist-related aircraft crashes or in the immediate aftermath—

(i) In the buildings or portions of the buildings that were destroyed as a result of the terrorist-related aircraft crashes;

(ii) In any area contiguous to the crash site that was sufficiently close to the site that there was a demonstrable risk of physical harm resulting from

(iii) On board American Airlines flights 11 or 77 or United Airlines flights 93 or 175 on September 11, 2001.

(b) *September 11 survivors discharge.* (1) The obligation of a borrower to make any further payments on an eligible Defense, NDSL, or Perkins Loan is discharged if the borrower was, at the time of the terrorist attacks on September 11, 2001, and currently is, the spouse of an eligible public servant, unless the eligible public servant has died. If the eligible public servant has died, the borrower must have been the spouse of the eligible public servant at the time of the terrorist attacks on September 11, 2001 and until the date the eligible public servant died.

(2) A Defense, NDSL, or Perkins Loan owed by the spouse of an eligible public servant may be discharged under the procedures for a discharge in paragraphs (b)(3) through (b)(6) of this section.

(3) After being notified by the borrower that the borrower claims to qualify for a discharge under this section, an institution shall suspend collection activity on the borrower's eligible Defense, NDSL, and Perkins Loans and promptly request that the borrower submit a request for discharge on a form approved by the Secretary.

(4) If the institution determines that the borrower does not qualify for a discharge under this section, or the institution does not receive the completed discharge request form from the borrower within 60 days of the borrower notifying the institution that the borrower claims to qualify for a discharge, the institution shall resume collection and shall be deemed to have exercised forbearance of payment of both principal and interest from the date the institution was notified by the borrower. The institution must notify the borrower that the application for the discharge has been denied, provide the basis for the denial, and inform the borrower that the institution will resume collection on the loan.

(5) If the institution determines that the borrower qualifies for a discharge under this section, the institution shall notify the borrower that the loan has been discharged and that there is no further obligation to repay the loan. The institution shall return to the sender any payments received by the institution after the date the loan was discharged.

(6) A Defense, NDSL, or Perkins Loan owed by an eligible public servant may be discharged under the procedures in § 674.61 for a discharge based on the death or total and permanent disability of the eligible public servant.

(c) *Documentation that an eligible public servant died due to injuries suffered in the terrorist attacks on September 11, 2001.*

(1) Documentation that an eligible public servant died due to injuries suffered in the terrorist attacks on September 11, 2001 must include—

(i) A certification from an authorized official that the individual was a member of the Armed Forces, or was employed as a police officer, firefighter, or other safety or rescue personnel, and was present at the World Trade Center in New York City, New York, at the Pentagon in Virginia, or at the Shanksville, Pennsylvania site at the time of the terrorist-related aircraft crashes or in the immediate aftermath of these crashes; and

(ii) The inclusion of the individual on an official list of the individuals who died in the terrorist attacks on September 11, 2001.

(ii) An original or certified copy of the individual's death certificate; and

(iii) A certification from a physician or a medical examiner that the individual died due to injuries suffered in the terrorist attacks on September 11, 2001.

(3) If the eligible public servant owed a FFEL Program Loan, a Direct Loan, or a Perkins Loan at the time of the terrorist attacks on September 11, 2001, documentation that the individual's loans were discharged by the lender,

the Secretary, or the institution due to death may be substituted for the original or certified copy of a death certificate.

(4) If the borrower is the spouse of an eligible public servant, and has been granted a discharge on a FFEL Program Loan, a Direct Loan, or a Perkins Loan held by another institution, because the eligible public servant died due to injuries suffered in the terrorist attacks on September 11, 2001, documentation of the discharge may be used as an alternative to the documentation required in paragraphs (c)(1) through (c)(3) of this section.

(5) Under exceptional circumstances and on a case-by-case basis, the determination that an eligible public servant died due to injuries suffered in the terrorist attacks on September 11, 2001 may be based on other reliable documentation approved by the chief financial officer of the institution.

(d) *Documentation that an eligible public servant became permanently and totally disabled due to injuries suffered in the terrorist attacks on September 11, 2001.*

(1) Documentation that an eligible public servant became permanently and totally disabled due to injuries suffered in the terrorist attacks on September 11, 2001 must include—

(i) A certification from an authorized official that the individual was a member of the Armed Forces or was employed as a police officer, firefighter or other safety or rescue personnel, and was present at the World Trade Center in New York City, New York, at the Pentagon in Virginia, or at the Shanksville, Pennsylvania site at the time of the terrorist-related aircraft crashes or in the immediate aftermath of these crashes;

(ii) Copies of contemporaneous medical records created by or at the direction of a medical professional who provided medical care to the individual within 24 hours of the injury having been sustained or within 24 hours of the rescue; and

(iii) A certification by a physician, who is a doctor of medicine or osteopathy and legally authorized to practice in a state, that the individual became permanently and totally disabled due to injuries suffered in the terrorist attacks on September 11, 2001.

(2) If the borrower is the spouse of an eligible public servant, and has been granted a discharge on a FFEL Loan, a Direct Loan, or a Perkins Loan held by another institution, because the eligible public servant became permanently and totally disabled due to injuries suffered in the terrorist attacks on September 11, 2001, documentation of the discharge may be used as an alternative to the documentation required in paragraph (d)(1) of this section.

(e) *Additional information.* (1) An institution may require the borrower to submit additional information that the institution deems necessary to determine the borrower's eligibility for a discharge under this section.

(2) To establish that the eligible public servant was present at the World Trade Center in New York City, New York, at the Pentagon in Virginia, or at the Shanksville, Pennsylvania site, such additional information may include but is not limited to—

(i) Records of employment;

(ii) Contemporaneous records of a federal, state, city, or local government agency;

(iii) An affidavit or declaration of the eligible public servant's employer; or

(iv) A sworn statement (or an unsworn statement complying with 28 U.S.C. 1746) regarding the presence of the eligible public servant at the site.

(3) To establish that the disability of the eligible public servant is due to injuries suffered in the terrorist attacks on September 11, 2001, such additional information may include but is not limited to—

(i) Contemporaneous medical records of hospitals, clinics, physicians, or other licensed medical personnel;

(ii) Registries maintained by federal, state, or local governments; or

(iii) Records of all continuing medical treatment.

(4) To establish the borrower's relationship to the eligible public servant, such additional information may include but is not limited to—

(i) Copies of relevant legal records including court orders, letters of testamentary or similar documentation;

(ii) Copies of wills, trusts, or other testamentary documents; or

Ofc. of Postsecondary Educ., Education

Pt. 674, App. E

(iii) Copies of approved joint FFEL or Federal Direct Consolidation loan applications.

(f) *Limitations on discharge.* (1) Only outstanding Defense, NDSL, and Perkins Loans for which amounts were owed on September 11, 2001, are eligible for discharge under this section.

(2) Eligibility for a discharge under this section does not qualify a borrower for a refund of any payments made on the borrower's Defense, NDSL, or Perkins Loans prior to the date the loan was discharged.

(3) A determination by an institution that an eligible public servant became permanently and totally disabled due to injuries suffered in the terrorist at-

tacks on September 11, 2001 for purposes of this section does not qualify the eligible public servant for a discharge based on a total and permanent disability under §674.61.

(4) The spouse of an eligible public servant may not receive a discharge under this section if the eligible public servant has been identified as a participant or conspirator in the terrorist-related aircraft crashes on September 11, 2001.

The institution must follow 34 CFR 668.164(c) on making direct FWS payments to students and 34 CFR 668.164(h) on handling the return of FWS funds that are not received or negotiated by a student.

(c) *Credit balances.* Whenever an institution disburses FWS funds by crediting a student's account and the result is a credit balance, the institution must pay the credit balance directly to the student as soon as possible, but no later than 14 days after the credit balance occurred on the account.

(ii) Must allow the student to cancel or modify that authorization at any time; and

(iii) Must clearly explain how it will carry out that activity.

(3) A student may authorize an institution to carry out the activities described in paragraph (d)(1) of this section for the period during which the student is enrolled at the institution.

(4)(i) If a student modifies an authorization, the modification takes effect on the date the institution receives the modification notice.

(ii) If a student cancels an authorization to use his or her FWS compensation to pay for authorized charges under paragraph (b) of this section, the institution may use those funds to pay only those authorized charges incurred by the student before the institution received the notice.

(iii) If a student cancels an authorization to hold his or her FWS compensation under paragraph (d)(1)(ii) of this section, the institution must pay those funds directly to the student as soon as possible, but no later than 14 days after the institution receives that notice.
