WHAT IS THE AMOUNT OF ASSISTANCE AND HOW MAY IT BE USED?

§ 692.10 How does the Secretary allot funds to the States?

(a)(1) The Secretary allots to each State participating in the LEAP program an amount which bears the same ratio to the Federal LEAP funds appropriated as the number of students in

that State who are “deemed eligible” to participate in the State’s LEAP program bears to the total number of students in all States who are “deemed eligible” to participate in the LEAP program, except that no State may receive less than it received in fiscal year 1979 for the programs under this part.

(2) For the programs under this part, if the Federal funds appropriated for a fiscal year are not sufficient to allot to each State the amount of Federal funds it received in fiscal year 1979, the Secretary allots to each State an amount which bears the same ratio to the amount of Federal funds appropriated as the amount of Federal funds that State received in fiscal year 1979 bears to the amount of Federal funds all States received in fiscal year 1979.

(b) For the purpose of paragraph (a)(1) of this section, the Secretary determines the number of students “deemed eligible” to participate in a State’s LEAP Program by dividing the amount of that State’s LEAP expenditures, including both its Federal allotment and the State funds matching the allotment, by the average grant award per student of all participating States. The Secretary determines the “average grant award per student” by dividing the total number of student recipients for all States into the total amount of LEAP expenditures for all States, including both the Federal allotments and the State funds matching those allotments. In making this determination, the Secretary uses the most current available data reported by each State.

§ 692.11 For what purposes may a State use its payments under the LEAP Program?

§ 692.20

HOW DOES A STATE APPLY TO PARTICIPATE IN THE LEAP PROGRAM?

§ 692.20 What must a State do to receive an allotment under this program?

(a) For each fiscal year that it wishes to participate, a State shall submit an application that contains information that shows that its Leveraging Educational Assistance Partnership Program meets the requirements of § 692.21.

(b)(1) Except as provided in paragraph (b)(2) of this section, the State must submit its application through the State agency designated to administer its Leveraging Educational Assistance Partnership Program as of July 1, 1985.

(Authority: 20 U.S.C. 1070c-2(a))

(6) Not pay any wage to a student that is less than the current Federal minimum wage as mandated by section 6(a) of the Fair Labor Standards Act of 1938.

§ 692.41 What standards may a State use to determine substantial financial need?

(a) A State determines whether a student has substantial financial need on the basis of criteria it establishes that are approved by the Secretary. A State may define substantial financial need in terms of family income, expected family contribution, and relative need as measured by the difference between the student's cost of attendance and the resources available to meet that cost. To determine substantial need, the State may use—

(1) A system for determining a student's financial need under part F of title IV of the HEA;

(2) The State's own needs analysis system if approved by the Secretary; or

(3) A combination of these systems, if approved by the Secretary.

(b) The Secretary generally approves a need-analysis system under paragraph (a) (2) or (3) of this section only if the need-analysis system applies the term "independent student" as defined under section 480(d) of the HEA. WHAT IS THE AMOUNT OF ASSISTANCE AND HOW MAY IT BE USED?

§ 692.110 How does the Secretary allot funds to the States?

(a)(1) The Secretary allots to each State participating in the GAP Program an amount of the funds available for the GAP Program based on the ratio used to allot the State's Federal LEAP funds under § 692.10(a).

(2) If a State meets the requirements of § 692.113(b) for a fiscal year, the number of students under § 692.10(a) for the State is increased to 125 percent in determining the ratio in paragraph (a) of this section for that fiscal year.

(3) Notwithstanding paragraph (a)(1) and (2) of this section—

(i) If the Federal GAP funds available from the appropriation for a fiscal year are sufficient to allot to each State that participated in the prior year the same amount of Federal GAP funds allotted in the prior fiscal year, but are not sufficient both to allot the same amount of Federal GAP funds allotted in the prior fiscal year to these States and also to allot additional funds to additional States in accordance with the ratio used to allot the States' Federal LEAP funds under § 692.10(a), the Secretary allots—

(A) To each State that participated in the prior year, the amount the State received in the prior year; and

(B) To each State that did not participate in the prior year, an amount of Federal GAP funds available to States based on the ratio used to allot the State's Federal LEAP funds under § 692.10(a); and

(ii) If the Federal GAP funds available from the appropriation for a fiscal year are not sufficient to allot to each State that participated in the prior year at least the amount of Federal GAP funds allotted in the prior fiscal year, the Secretary allots to each State an amount which bears the same ratio to the amount of Federal GAP funds available as the amount of Federal GAP funds allotted to each State in the prior fiscal year bears to the amount of Federal GAP funds allotted to all States in the prior fiscal year.

(4) For fiscal year 2011, the prior fiscal year allotment to a State for purposes of paragraph (a)(3) of this section shall include any fiscal year 2010 allotment made to that State under subpart B of this part.

(b) The Secretary allots funds available for reallocation in a fiscal year in accordance with the provisions of paragraph (a) of this section used to calculate initial allotments for the fiscal year.

(c) Any funds made available for the program under this subpart but not expended may be allotted or reallocated for the program under subpart A of this part.

(Authority: 20 U.S.C. 1070c–3a)

§ 692.111 For what purposes may a State use its payment under the GAP Program?

(a) *Establishment of a partnership.* Each State receiving an allotment under this subpart shall use the funds to establish a partnership to award grants to eligible students in order to increase the amount of financial assistance students receive under this subpart for undergraduate education expenses.

(b) *Amount of LEAP Grants under GAP.* (1) The amount of a LEAP Grant under GAP by a State to an eligible student shall be not less than—

(i) The average undergraduate in-State tuition and mandatory fees for full-time students at the public institutions of higher education in the State where the student resides that are the same type of institution that the student attends (four-year degree-granting, two-year degree-granting, or non-degree-granting); minus

(ii) Other Federal and State aid the student receives.

(2) The Secretary determines the average undergraduate in-State tuition and mandatory fees for full-time students at public institutions in a State weighted by enrollment using the most recent data reported by institutions in the State to the Integrated Postsecondary Education Data System (IPEDS) administered by the National Center for Educational Statistics.

(c) *Institutional participation.* (1) A State receiving an allotment under this subpart may restrict the use of LEAP Grants under GAP only to students attending institutions of higher education that are participating in the partnership.

(2) If a State provides LEAP Grants under subpart A of this part to students attending institutions of higher education located in another State, LEAP Grants under GAP may be used at institutions of higher education located in another State.

(d) *Early notification to potentially eligible students.* (1) Each State receiving an allotment under this subpart shall annually notify potentially eligible students in grades 7 through 12 in the State, and their families, of their potential eligibility for student financial assistance, including a LEAP Grant under GAP, to attend a LEAP-participating institution of higher education.

(2) The notice shall include—

(i) Information about early information and intervention, mentoring, or outreach programs available to the student;

(ii) Information that a student's eligibility for a LEAP Grant under GAP is enhanced through participation in an early information and intervention, mentoring, or outreach program;

(iii) An explanation that student and family eligibility for, and participation in, other Federal means-tested programs may indicate eligibility for a

LEAP Grant under GAP and other student aid programs;

(iv) A nonbinding estimate of the total amount of financial aid that an eligible student with a similar income level may expect to receive, including an estimate of the amount of a LEAP Grant under GAP and an estimate of the amount of grants, loans, and all other available types of aid from the major Federal and State financial aid programs;

(v) An explanation that in order to be eligible for a LEAP Grant under GAP, at a minimum, a student shall—

(A) Meet the eligibility requirements under § 692.120; and

(B) Enroll at a LEAP-participating institution of higher education in the State of the student's residence or an out-of-state institution if the State elects to make LEAP Grants under GAP for attendance at out-of-State institutions in accordance with paragraph (c)(2) of this section;

(vi) Any additional requirements that the State may require for receipt of a LEAP Grant under GAP in accordance with § 692.120(a)(4); and

(vii) An explanation that a student is required to file a Free Application for Federal Student Aid to determine his or her eligibility for Federal and State financial assistance and may include a provision that eligibility for an award is subject to change based on—

(A) A determination of the student's financial eligibility at the time of the student's enrollment at a LEAP-participating institution of higher education or an out-of-State institution in accordance with paragraph (c)(2) of this section;

(B) Annual Federal and State spending for higher education; and

(C) Other aid received by the student at the time of the student's enrollment at the institution of higher education.

(e) *Award notification.* (1) Once a student, including a student who has received early notification under paragraph (d) of this section, applies for admission to an institution that is a partner in the partnership of the State of the student's residence, files a Free Application for Federal Student Aid and any related State form, and is determined eligible by the State, the State shall—

§ 692.112

34 CFR Ch. VI (7–1–20 Edition)

(i) Issue the student a preliminary award certificate for a LEAP Grant under GAP with estimated award amounts; and

(ii) Inform the student that the payment of the grant is subject to certification of enrollment and eligibility by the institution.

(2) If a student enrolls in an institution that is not a partner in the partnership of the student's State of residence but the State has not restricted eligibility to students enrolling in partner institutions, including, if applicable, out-of-State institutions, the State shall, to the extent practicable, follow the procedures of paragraph (e)(1) of this section.

(Authority: 20 U.S.C. 1070c–3a)

§ 692.112 May a State use the funds it receives from the GAP Program to pay administrative costs?

(a) A State that receives an allotment under this subpart may reserve not more than two percent of the funds made available annually for State administrative functions required for administering the partnership and other program activities.

(b) A State must use not less than ninety-eight (98) percent of an allotment under this subpart to make LEAP Grants under GAP.

(Authority: 20 U.S.C. 1070c–3a)

§ 692.113 What are the matching requirements for the GAP Program?

(a) The matching funds of a partnership—

(1) Shall be funds used for making LEAP Grants to eligible students under this subpart;

(2) May be—

(i) Cash; or

(A) Is fairly evaluated;

(B) Has monetary value, such as a tuition waiver or provision of room and board, or transportation;

(C) Helps a student meet the cost of attendance at an institution of higher education; and

(D) Is considered to be estimated financial assistance under 34 CFR 673.5(c); and

(3) May be funds from the State, institutions of higher education, or philanthropic organizations or private corporations that are used to make LEAP Grants under GAP.

(b) The non-Federal match of the Federal allotment shall be—

(1) Forty-three percent of the expenditures under this subpart if a State applies for a GAP allotment in partnership with—

(i) Any number of degree-granting institutions of higher education in the State whose combined full-time enrollment represents less than a majority of all students attending institutions of higher education in the State as determined by the Secretary using the most recently available data from IPEDS; and

(ii) One or both of the following—

(A) Philanthropic organizations that are located in, or that provide funding in, the State; or

(B) Private corporations that are located in, or that do business in, the State; and

(2) Thirty-three and thirty-four one-hundredths percent of the expenditures under this subpart if a State applies for a GAP allotment in partnership with—

Basic Allotment Formula

1) Derive a percentage of total enrollment of all states:

$$\frac{\text{State Enrollment Data}^*}{\text{Total State Enrollment (for all states/territories)}} = \% \text{ of Total Enrollment}$$

2) Determine what portion of the Federal Appropriation a State/territory receives:

$$\frac{\% \text{ of Total Enrollment}}{\times} \frac{\text{Federal Appropriation Amount}}{=} \text{Amount of the Allocation per State}$$

*Use FY 1979 enrollment data unless the appropriation exceeds \$76,452,287 (the FY 1979 appropriation); 1976-1977 award year enrollment data used for FY 1979. Use most recent enrollment data if appropriation exceeds \$76,452,287.

NOTE: This case study illustrates the requirements for allotting funds under the GAP Program under \$692.110 and SLEAP Program funding during fiscal year 2010 (the 2010-2011 award year) under \$692.70. Apart from State enrollments for fiscal year 1979 used in the allotment formula, nothing in the case study should be considered to reflect any State's actual circumstances or the expected funding for any State.
