

service for its customers, that is to accept, distribute, transport and deliver the mail. Two essential facilities for fulfilling these functions are customer lobby areas where customers conduct their retail transactions, access mail depositories and post office boxes and work room areas where postal employees distribute the mail and perform other core postal operations. Therefore, for purposes of the accessibility guidelines applicable to the Postal Service under the Architectural Barriers Act, two primary function areas are identified: Customer Lobbies and Workroom Areas.

(c) *Disproportionality.* (1) According to Section F202.6.2, "alteration" of elements in a primary function area can trigger a requirement to make accessibility improvements along the path of travel to the area and improvements to rest rooms, telephones, and drinking fountains that serve the altered area if the alteration "affects or could affect the usability of or access to an area containing a primary function." It is conceivable that almost any repair or alteration project in a "primary function area" could affect the usability of the area. Therefore a literal interpretation of this provision could require an expansion of the scope of virtually any alteration in a primary function area, regardless of the size and scope of the original project. According to Section F202.6.2, accessibility improvements must be made to the path of travel to the altered area and to rest rooms, telephones, and drinking fountains that serve the altered area "unless such alterations are disproportionate to the overall alterations in terms of cost and scope".

(2) For purposes of the accessibility guidelines applicable to the Postal Service under the Architectural Barriers Act, two criteria must be considered in making a determination whether accessibility improvements are disproportionate to the cost and scope of the original alteration: a magnitude threshold for the original alteration and a maximum "percentage threshold" for the accessibility alteration.

(d) *Magnitude threshold.* It is anticipated that, in most cases, a significant additional effort would be required to assess physical conditions along the

path of travel and for rest rooms, telephones, and drinking fountains that serve the altered area, and to determine the scope, budget and appropriate design requirements for any corrective alterations. Unless the original alteration is of substantial magnitude, a disproportionate effort would be devoted to such investigation, design, and administration leaving few, if any funds to accomplish corrective work. Accordingly, a "magnitude threshold" is established such that no accessibility improvements to the path of travel, nor to any associated facilities, shall be required under F202.6.2 for alterations that have an estimated total cost less than 20 percent of the fair market value of the facility.

(e) *Percentage threshold.* For alterations subject to F202.6.2 that meet or exceed the "magnitude threshold," the maximum cost for accessibility improvements to the path of travel, including all costs for accessibility improvements to rest rooms, telephones, and drinking fountains that serve the altered area, shall not exceed 20 percent of the total cost of the original alteration. Costs for accessibility improvements in excess of the 20 percent threshold shall be deemed "disproportionate."

It shall be signed by the complainant or

by someone authorized to do so on the complainant’s behalf.

(2) Individuals with disabilities who are members of the public seeking information or services from the Postal Service to have access to and use of information and data that is comparable to the access to and use of information and data by members of the public who are not individuals with disabilities.

(b) When procurement of electronic and information technology that meets the standards published by the Architectural and Transportation Barriers Compliance Board would pose an undue burden, the Postal Service shall provide individuals with disabilities covered by paragraph (a) of this section with the information and data by an alternative means of access that allows

the individuals to use the information and data.

### **§ 255.5 Employment.**

No qualified individual with a disability shall, on the basis of disability, be subjected to discrimination in employment with the Postal Service. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973, as established by the Equal Employment Opportunity Commission in 29 CFR part 1614 shall apply to employment within the Postal Service.

### **§ 255.6 Processing of complaints.**

(a) *Section 504 complaints, employment.* The Postal Service shall process complaints of employees and applicants alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1614 pursuant to section 501 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. 791. (b) *Section 504 complaints, members of the public.* The procedures of this part shall apply to section 504 complaints alleging disability discrimination in any program or activity of the Postal Service and brought by members of the public.

(c) *Section 508 complaints, members of the public, employees, and applicants.* The procedures of this part shall apply to section 508 complaints alleging failure to provide access to electronic and information technology and brought by members of the public or by employees or applicants. Section 508 complaints shall be processed to provide the remedies required by section 508 of the Rehabilitation Act.

(d) *Complaint Procedures.* Any individual with a disability who believes that he or she has been subjected to discrimination prohibited by this part or by the alleged failure of the agency

to provide access to electronic and information technology may file a complaint by following the procedures described herein. A complainant shall first exhaust informal administrative procedures before filing a formal complaint.

(1) *Informal complaints relating to Postal Service programs or activities and to EIT.* (i) A complainant initiates the informal process by informing the responsible postal manager orally or in writing of the alleged discrimination or inaccessibility of Postal Service programs, activities, or EIT. Postal managers or employees who receive informal complaints that they lack the authority to resolve must promptly refer any such informal complaint to the appropriate postal manager, and at the same time must notify the complainant of the name, address, and telephone number of the person handling the complaint.

(ii) *Resolution of the informal complaint and time limits.* Within 15 days of receipt of the informal complaint, the responsible postal manager must send the complainant a written acknowledgement of the informal complaint. The written acknowledgment will include the date the complaint was filed and a description of the issue(s). If the matter cannot be resolved within 30 days of its receipt, the complainant must be sent a written interim report which explains the status of the informal complaint and the proposed resolution of the matter. On or before the 60th day from the agency's receipt of the informal complaint, the appropriate area/functional vice president within the Postal Service shall send a written decision to the complainant detailing the final disposition of the informal complaint and the reasons for that disposition. The decision shall contain the notice that the complainant may challenge an informal decision which denies relief either by proceeding in any other appropriate forum or by filing a formal complaint with the Vice President and Consumer Advocate. The notice will give the address of the Vice President and Consumer Advocate. The notice shall also state that if the complainant chooses to file a formal complaint, the complainant shall exhaust the formal complaint

procedures before filing suit in any other forum.

(iii) *Automatic review.* The responsible postal manager's proposed disposition of the informal complaint shall be submitted to the appropriate district/program manager for review. The district/program manager shall forward the proposed disposition to the area/functional vice president for review and issuance of the written decision. This automatic review process shall be completed such that the written decision of the area/functional vice president shall be sent to the complainant no later than the 60th day from the agency's receipt of the informal complaint.

(2) *Formal complaints.* If an informal complaint filed under paragraph (d)(1) of this section denies relief, the complainant may seek relief in any other appropriate forum, including the right to file a formal complaint with the Vice President and Consumer Advocate in accordance with the following procedures. If the complainant files a formal complaint with the Vice President and Consumer Advocate, the complainant shall exhaust the formal complaint procedures before filing suit in any other forum.

(i) *Where to file.* Formal complaints relating to programs or activities conducted by the Postal Service or to access of Postal Service EIT may be filed with the Vice President and Consumer Advocate, United States Postal Service, 475 L'Enfant Plaza, SW., Washington, DC 20260.

(ii) *When to file.* A formal complaint shall be filed within 30 days of the date the complainant receives the decision of the area/functional vice president to deny relief. For purposes of determining when a formal complaint is timely filed under paragraph (d)(2)(ii) of this section, a formal complaint mailed to the agency shall be deemed filed on the date it is postmarked. Any other formal complaint shall be deemed filed on the date it is received by the Vice President and Consumer Advocate.

(iii) *Acceptance of the formal complaint.* The Vice President and Consumer Advocate shall accept a timely filed formal complaint that meets the requirements of §255.2(d), that is filed after fulfilling the informal exhaustion

procedures of §255.6(d)(1), and over which the agency has jurisdiction. The Vice President and Consumer Advocate shall notify the complainant of receipt and acceptance of the formal complaint within 15 days of the date the Vice President and Consumer Advocate received the formal complaint.

(iv) *Resolution of the formal complaint.* Within 180 days of receipt and acceptance of a formal complaint over which the agency has jurisdiction, the Vice President and Consumer Advocate shall notify the complainant of the results of the investigation of the formal complaint. The notice shall be a written decision stating whether or not relief is being granted and the reasons for granting or denying relief. The notice shall state that it is the final decision of the Postal Service on the formal complaint.

(e) *No retaliation.* No person shall be subject to retaliation for opposing any practice made unlawful by the Rehabilitation Act of 1973, as amended, 29 U.S.C. 791, or for participating in any stage of administrative or judicial proceedings under the statute.

#### § 255.7 Special arrangements for postal services.

Members of the public who are unable to use or who have difficulty using certain postal services may be eligible under postal regulations for special arrangements. Some of the special arrangements that the Postal Service has authorized are listed below. No one is required to use any special arrangement offered by the Postal Service, but an individual's refusal to make use of a particular special arrangement does not require the Postal Service to offer other special arrangements to that individual.

(a) The *Postal Operations Manual* offers information on special arrangements for the following postal services:

(1) Carrier delivery services and programs.

(2) Postal retail services and programs.

(i) Stamps by mail or phone.

(ii) Retail service from rural carriers.

(iii) Self-service postal centers. Self-service postal centers contain vending equipment for the sale of stamps and stamp items, and deposit boxes for par-

cels and letter mail. Many centers are accessible to individuals in wheelchairs. Information regarding the location of the nearest center may be obtained from a local post office.

(b) The *Domestic Mail Manual*, the *Administrative Support Manual*, and the *International Mail Manual* contain information regarding postage-free mailing for mailings that qualify.

(c) *Inquiries and requests.* Members of the public wishing further information about special arrangements for particular postal services may contact their local postal manager.

(d) *Response to a request or complaint regarding a special arrangement for postal services.* A local postal manager receiving a request or complaint about a special arrangement for postal services must provide any arrangement as required by postal regulations. If no special arrangements are required by postal regulations, the local postal manager, in consultation with the district manager or area manager, as needed, may provide a special arrangement or take any action that will accommodate an individual with a disability as required by section 504 or by this part.

#### § 255.8 Access to postal facilities.

(a) *Legal requirements and policy—(1) ABA Standards.* Where the design standards of the Architectural Barriers Act (ABA) of 1968, 42 U.S.C. 4151 *et seq.*, do not apply, the Postal Service may perform a discretionary retrofit to a facility in accordance with this part to accommodate individuals with disabilities.

(2) *Discretionary modifications.* The Postal Service may modify facilities not legally required to conform to ABA standards when it determines that doing so would be consistent with efficient postal operations. In determining whether modifications not legally required should be made, due regard is to be given to:

(i) The cost of the discretionary modification;

(ii) The number of individuals to be benefited by the modification;

(iii) The inconvenience, if any, to the general public;

(iv) The anticipated useful life of the modification to the Postal Service;

(v) Any requirement to restore a leased premises to its original condition at the expiration of the lease, and the cost of such restoration;

(vi) The historic or architectural significance of the property in accordance with the National Historic Preservation Act of 1966, 16 U.S.C. 470 *et seq.*;

(vii) The availability of other options to foster service accessibility; and

(viii) Any other factor that is relevant and appropriate to the decision.

(b) *Inquiries and requests.* (1) Inquiries concerning access to postal facilities, and requests for discretionary alterations of postal facilities not covered by the design standards of the ABA, may be made to the local postal manager of the facility involved.

(2) The local postal manager's response to a request or complaint regarding an alteration to a facility will be made after consultation with the district manager or the area manager. If the determination is made that modification to meet ABA design standards is not required, a discretionary alteration may be made on a case-by-case basis in accordance with the criteria listed in paragraph (a)(2) of this section. If a discretionary alteration is not made, the local postal manager should determine if a special arrangement for postal services under § 255.7 can be provided.

**§ 255.9 Other postal regulations; authority of postal managers and employees.**

This part supplements all other postal regulations. Nothing in this part is intended either to repeal, modify, or amend any other postal regulation, to authorize any postal manager or employee to violate or exceed any regulatory limit, or to confer any budgetary authority on any postal official or employee outside normal budgetary procedures.

**PART 259—SERVICES PERFORMED FOR OTHER AGENCIES**

- Sec.
- 259.1 Government.
- 259.2 Red Cross.

**§ 259.1 Government.**

(a) *Policy.* The Postal Service cooperates with Federal Agencies whenever the overall costs to Government will be reduced. Assistance in a number of special projects and programs is provided when the knowledge and abilities of postal employees are helpful.

(b) *Reimbursement.* The Postal Service establishes reasonable fees and charges for nonpostal services performed for agencies of the Federal as well as State governments. In establishing such fees and charges, the Postal Service considers the value of time of the personnel directly involved in the performance of the service, including direct supervision and supporting functions, plus the cost of materials and supplies specifically sold, used or consumed. Also included is an element representing a reasonable share of Postal Service general overhead costs which are not attributable or assignable specifically to any product or service. The establishment of such fees and charges shall be reasonably consistent with the methods employed in establishing rates and fees for postal services then in effect.

(c) Except as provided in paragraph (d) of this section, arrangements for Postal Service participation in special surveys, censuses, and other activities must be made between the national headquarters of the requesting agencies and the Customer Services Department, U.S. Postal Service, Washington, DC 20260. Refer all requests to the Regional Postmaster General for forwarding to Headquarters. Authority to perform services for Government agencies is announced in the Postal Bulletin or by individual letters to the offices involved.

(d) *Housing Vacancy Surveys—(1) General.* An interagency agreement between the U.S. Postal Service (USPS) and the Federal Home Loan Bank Board (FHLBB) establishes the terms and conditions and reimbursement rates under which USPS will conduct Housing Vacancy Surveys in City Delivery offices when requested by FHLBB.

(2) *Restrictions.* The Agreement only authorizes the disclosure of aggregate statistical data. Postal managers must not permit the name or address of any
