Except as otherwise provided in these regulations, every portion of every meeting of the National Science Board will be open to public observation.

§614.2 Grounds for closing meetings.

(a) The National Science Board may by record vote close any portion of any meeting if it properly determines that an open meeting:

(4) Is likely to disclose trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(5) Is likely to involve accusing any person of a crime, or formally censuring any person;

(6) Is likely to disclose personal information where the disclosure would constitute a clearly unwarranted invasion of personal privacy;

(8) Is likely to disclose information contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions;

(9) Is likely to disclose information, the premature disclosure of which would:

(ii) Be likely to significantly frustrate implementation of a proposed Foundation action, unless the Foundation has already disclosed to the public the content or nature of its proposed action or is required by law to make such disclosure on its own initiative before taking final action; or

(10) Is likely to specifically concern the Foundation's participation in a civil action or proceeding, an action in a foreign court or international tribunal, or an arbitration.

(b) Anyone who believes his interests may be directly affected by a portion of a meeting may request that the Board

close it to the public for any reason referred to in paragraph (a) (5), (6), or (7) of this section. The request should be addressed to the Executive Officer, National Science Board, National Science Foundation, 4201 Wilson Boulevard, Arlington, VA 22230. It will be circulated to Members of the Board if received at least three full days before the meeting, and on motion of any Member the Board will determine by record vote whether to close the affected portion of the meeting.

§ 614.3 Materials relating to closed portions of meetings.

If a portion or portions of any meeting of the National Science Board are closed to the public under § 614.2:

(a) The General Counsel of the National Science Foundation shall publicly certify that, in his opinion, that portion or portions may properly be closed to the public. The certificate shall state the exemptions under 5 U.S.C. 552b(c) that make the closings proper.

(b) The presiding officer of the meeting (usually the Chairman of the Board) shall furnish a statement setting forth the time and place of the meeting and the persons present.

(c) The Board shall make a complete transcript or electronic recording adequate to record fully the proceedings of each portion of the meeting that is closed to the public.

(d) The National Science Board Office shall maintain the General Counsel's certificate, the presiding officer's statement, and the transcript or recording of the meeting for at least three years after the meeting and at least one year after the Board completes consideration of any proposal, report, resolution, or similar matter discussed in any closed portion of the meeting.

(b) Informal requests to inspect or copy the transcript or electronic recording of a closed session may be made to the staff of the National Science Board and will be handled informally and expeditiously. Written requests to inspect or copy such a transcript or recording that cite the Freedom of Information Act or the Sunshine Act will be treated as formal requests made under the Freedom of Information Act. They will be handled under the Foundation's Freedom of Information procedures described in 45 CFR part 612. The exemptions of these Sunshine Act regulations, 45 CFR 614.2, will govern, however, in determining what portions of the transcript or recording may be withheld.

(c) A request to inspect or copy a transcript or electronic recording should specify the date of the meeting and the agenda item or items to which the request pertains. It should contain a promise to pay the costs of any duplication requested.

(d) No search or transcription fees will be charged. Duplication fees may be charged as provided in 45 CFR 612.6.

(1) The time, place, and subject matter of the meeting;

(2) What portions of the meeting, if any, are to be closed to the public; and

(3) The name and telephone number of the official designated to respond to requests for information on the meeting.

(b) Each such announcement will be promptly posted on the National Science Foundation's Web site at <http://www.nsf.gov/nsb/notices/>. Immediately following the issuance of such an announcement, it will be submitted for publication in the FEDERAL REGISTER.

(c) The announcement may be made less than a week before the meeting if

(d) All or any portion of the announcement of any meeting may be omitted if the Board by record vote determines that the announcement would disclose information which should be withheld under the same standards as apply for closing meetings under § 614.2.

[42 FR 14719, Mar. 16, 1977, as amended at 75 FR 40755, July 14, 2010]

(b) The subject matter of any portion of any meeting of the Board that has been publicly announced as provided in § 614.5 or the determination whether any portion of any meeting so publicly announced will be open or closed may subsequently be changed, but only when:

(1) The Board determines by record vote that agency business so requires and that no earlier announcement of the change was possible; and

(2) The Board publicly announces the change and the vote of each Member on the change at the earliest practicable time.

§ 614.7 Record vote.

(2) No proxies are counted toward the necessary majority; and

(3) The individual vote of each Member present and voting is recorded.

(b) Within one day of any such record vote or any attempted record vote that fails to achieve the necessary majority under paragraph (a)(1) of this section, the Board Office will make publicly

National Science Foundation
