§ 530.6 Certification of shipper status.

(a) *Certification.* The shipper contract party shall sign and certify on the signature page of the service contract its shipper status (e.g., owner of the cargo, shippers' association, NVOCC, or specified other designation), and the status of every affiliate of such contract party or member of a shippers' association entitled to receive service under the contract.

(b) *Proof of tariff and financial responsibility.* If the certification completed by the contract party under paragraph (a) of this section identifies the contract party or an affiliate or member of a shippers' association as an NVOCC, the ocean common carrier, conference or agreement shall obtain proof that such NVOCC has a published tariff and proof of financial responsibility as required under sections 8 (46 U.S.C. 40501–40503) and 19 (46 U.S.C. 40901–40904) of the Act before signing the service contract. An ocean common carrier, conference or agreement can obtain such proof by the same methods prescribed in § 515.27 of this chapter.

documentation of NVOCC tariff and bonding was false.
