§ 1501.14 Decision of the Board.

After the employee or person being considered for employment has been given a hearing, the Board shall promptly make its decision. § 1501.16 Notification of individual concerned.

A copy of the determination of the Board, but not of the statement of reasons, shall be furnished in each case to the person who is the subject thereof.

Subpart B—Elections

§ 1600.11 Types of elections.

(a) *Contribution elections.* A contribution election must be made pursuant to §1600.12 and includes the following types of elections:

(1) To make employee contributions;

(2) To change the amount of employee contributions;

(3) To change the type of employee contributions (traditional or Roth); or

(4) To terminate employee contributions.

(b) *Contribution allocation.* A participant may make or change the manner in which future deposits to his or her account are allocated among the TSP Funds only in accordance with 5 CFR part 1601.

[66 FR 22089, May 2, 2001, as amended at 68 FR 35494, June 13, 2003; 70 FR 32207, June 1, 2005; 75 FR 24785, May 6, 2010; 77 FR 26422, May 4, 2012]

§ 1600.12 Contribution elections.

(a) An employee may make a contribution election at any time.

(b) A participant must submit a contribution election to his or her employing agency. To make an election, employees may use either the paper election form provided by the TSP, or, if available from their employing agency, electronic media. If an electronic medium is used, all relevant elements contained on the paper form must be included in the electronic medium.

(c) A contribution election must:

(1) Be completed in accordance with the instructions on the form, if a paper form is used;

(2) Be made in accordance with the employing agency's instructions, if the submission is made electronically; and

(3) Not exceed the maximum contribution limitations described in §1600.22.

(d) A contribution election will become effective no later than the first full pay period after it is received by the employing agency.

(e) A uniformed service member may elect to contribute sums to the TSP from basic pay and special or incentive pay (including bonuses). However, in order to contribute to the TSP from special or incentive pay (including bonuses), the uniformed service member

§ 1600.13

must also elect to contribute to the TSP from basic pay. A uniformed service member may elect to contribute from special pay or incentive pay (including bonuses) in anticipation of receiving such pay (that is, he or she does not have to be receiving the special or incentive pay (including bonuses) when the contribution election is made); those elections will take effect when the uniformed service member receives the special or incentive pay (including bonuses).

[70 FR 32207, June 1, 2005, as amended at 77 FR 26422, May 4, 2012]

§ 1600.13 Effect of transfer to FERS.

(a) If an employee appointed to a position covered by CSRS elects to transfer to FERS, the employee may make a contribution election at any time.

(b) Eligibility to make employee contributions, and therefore to have agency matching contributions made on the employee's behalf, is subject to the restrictions on making employee contributions after receipt of a financial hardship in-service withdrawal described at 5 CFR part 1650.

(c) If the employee had elected to make TSP contributions while covered by CSRS, the election continues to be valid until the employee makes a new valid election.

(d) Agency automatic (1%) contributions for all employees covered under this section and, if applicable, agency matching contributions attributable to employee contributions must begin the same pay period that the transfer to FERS becomes effective.

[70 FR 32207, June 1, 2005. Redesignated at 26422, May 4, 2012]

§ 1600.14 Effect of election to be covered by BRS.

(a) If a uniformed service member elects to be covered by BRS, the member may make a contribution election at any time.

(b) Eligibility to make employee contributions, and therefore to have Agency Matching Contributions made on the member's behalf, is subject to the restrictions on making employee contributions after receipt of a financial hardship in-service withdrawal described at 5 CFR part 1650.

5 CFR Ch. VI (1–1–20 Edition)

(c) If the member had elected to make TSP contributions while not covered by BRS, the election remains effective until the member makes a new election.

(d) Agency Automatic (1%) Contributions for all members covered under this section and, if applicable, Agency Matching Contributions attributable to employee contributions must begin the first full pay period that the transfer to BRS becomes effective.

[82 FR 60102, Dec. 19, 2017]

Subpart C—Program of Contributions

§ 1600.18 Separate service member and civilian contributions.

The TSP maintains uniformed services accounts separately from civilian accounts. Therefore, a participant who has made contributions as a uniformed service member and as a civilian employee will have two TSP accounts: A uniformed services account and a civilian account.

[77 FR 26422, May 4, 2012]

§ 1600.19 Employing agency contributions.

(a) *Agency Automatic (1%) Contributions.* Each pay period, subject to the limitations in paragraph (c) of this section, any agency that employs an individual covered by FERS or BRS must make a contribution to that employee's tax-deferred balance for the benefit of the individual equal to 1% of the basic pay paid to such employee for service performed during that pay period. The employing agency must make Agency Automatic (1%) Contributions without regard to whether the employee elects to make employee contributions.

(b) *Agency Matching Contributions.* (1) Subject to the limitations in paragraph (c) of this section, any agency that employs an individual covered by FERS or BRS must make a contribution to the employee's tax-deferred balance for the benefit of the employee equal to the sum of:

(i) The amount of the employee's contribution that does not exceed 3% of the employee's basic pay for such pay period; and

(ii) One-half of such portion of the amount of the employee's contributions that exceeds 3% but does not exceed 5% of the employee's basic pay for such period.

(2) A uniformed service member is not entitled to matching contributions for contributions deducted from special or incentive pay (including bonuses).

(c) *Timing of employing agency contributions.* (1) An employee appointed or reappointed to a position covered by FERS is immediately eligible to receive employing agency contributions.

(2) A uniformed service member covered by BRS will be eligible to receive employing agency contributions pursuant to the following rules:

(i) A uniformed service member who first entered service on or after January 1, 2018 is entitled to:

(A) Agency Automatic (1%) Contributions beginning in the first full pay period following the date that is 60 days after the uniformed service member's PEBD and ending in the first full pay period following the date that is 26 years after the uniformed service member's PEBD.

(B) Agency Matching Contributions beginning in the first full pay period following the date that is 2 years after the uniformed service member's PEBD and ending in the first full pay period following the date that is 26 years after the uniformed service member's PEBD.

(ii) A uniformed service member who elects to enroll in BRS is entitled to:

(A) Agency Automatic (1%) Contributions beginning in the first full pay period following the date the uniformed service member enrolled in BRS and ending in the first full pay period following the date that is 26 years after the Uniformed service member's PEBD.

(B) Agency Matching Contributions beginning in the first full pay period following the date the uniformed service member enrolled in BRS and ending in the first full pay period following the date that is 26 years after the uniformed service member's PEBD.

[77 FR 26422, May 4, 2012, as amended at 82 FR 60102, Dec. 19, 2017; 82 FR 61129, Dec. 27, 2017]

§ 1600.20 Types of employee contributions.

(a) *Traditional contributions.* A participant may make traditional contributions.

(b) *Roth contributions.* A participant may make Roth contributions in addition to or in lieu of traditional contributions.

(c) *Contributions from tax-exempt pay.* A uniformed service member who receives pay which is exempt from taxation under 26 U.S.C. 112 will have contributions deducted from such pay and made to his or her traditional or Roth balance in accordance with an election made under paragraph (a) or (b) of this section.

[77 FR 26422, May 4, 2012]

§ 1600.21 Contributions in whole percentages or whole dollar amounts.

(a) Civilian employees may elect to contribute a percentage of basic pay or a dollar amount, subject to the limits described in § 1600.22. The election must be expressed in whole percentages or whole dollar amounts. A participant may contribute a percentage for one type of contribution and a dollar amount for another type of contribution. If a participant elects to contribute a dollar amount to his or her traditional balance and a dollar amount to his or her Roth balance, but the total dollar amount elected is more than the amount available to be deducted from the participant's basic pay, the employing agency will deduct traditional contributions first and Roth contributions second.

(b) Uniformed services members may elect to contribute a basic pay and special or incentive pay (including bonus pay) subject to the limits described in § 1600.22. The election may be expressed as a whole percentage, a dollar amount, or both as determined by the member's service.

[77 FR 26423, May 4, 2012]

§ 1600.22 Maximum employee contributions.

A participant's employee contributions are subject to the following limitations:

§ 1600.23

(a) The maximum employee contribution will be limited only by the provisions of the Internal Revenue Code (26 U.S.C.).

(b) A participant may make traditional contributions and Roth contributions during the same year, but the combined total amount of the participant's tax-deferred employee contributions and Roth contributions cannot exceed the applicable Internal Revenue Code elective deferral limit for the year.

(c) A participant who has both a civilian and a uniformed services account can make employee contributions to both accounts, but the combined total amount of the participant's tax-deferred employee contributions and Roth contributions made to both accounts cannot exceed the Internal Revenue Code elective deferral limit for the year.

[77 FR 26423, May 4, 2012]

§ 1600.23 Catch-up contributions.

(a) A participant may make traditional catch-up contributions or Roth catch-up contributions from basic pay at any time during the calendar year if he or she:

(1) Is at least age 50 by the end of the calendar year;

(2) Is making employee contributions at a rate that will result in the participant making the maximum employee contributions permitted under § 1600.22; and

(3) Does not exceed the annual limit on catch-up contributions contained in section 414(v) the Internal Revenue Code.

(b) An election to make catch-up contributions must be made using a Catch-Up Contribution Election form (or an electronic substitute) and will be valid only through the end of the calendar year in which the election is made. An election to make catch-up contributions will be separate from the participant's regular contribution election. The election must be expressed in whole dollar amounts.

(c) A participant may make traditional catch-up contributions and Roth catch-up contributions during the same year, but the combined total amount of catch-up contributions of both types cannot exceed the applicable Internal

5 CFR Ch. VI (1–1–20 Edition)

Revenue Code catch-up contribution limit for the year.

(d) A participant who has both a civilian account and a uniformed services account may make catch-up contributions to both accounts, but the combined total amount of catch-up contributions to both accounts cannot exceed the Internal Revenue Code catch-up contribution limit for the year.

(e) A participant cannot make catch-up contributions to his or her traditional balance from pay which is exempt from taxation under 26 U.S.C. 112.

(f) A participant may make catch-up contributions to his or her Roth balance from pay which is exempt from taxation under 26 U.S.C. 112.

(g) A participant cannot make catch-up contributions from special or incentive pay (including bonus pay).

(h) Catch-up contributions are not eligible for matching contributions.

[77 FR 26423, May 4, 2012]

Subpart D—Transfers From Other Qualified Retirement Plans

§ 1600.30 Accounts eligible for transfer.

(a) A participant who has an open TSP account and is entitled to receive (or receives) an eligible rollover distribution, within the meaning of I.R.C. section 402(c)(4) (26 U.S.C. 402(c)(4)), from an eligible employer plan or a rollover contribution, within the meaning of I.R.C. section 408(d)(3) (26 U.S.C. 408(d)(3)), from a traditional IRA may transfer or roll over that distribution into his or her existing TSP account in accordance with § 1600.31.

(b) The only balances that the TSP will accept are balances that would otherwise be includible in gross income if the distribution were paid to the participant. The TSP will not accept any balances that have already been subjected to Federal income tax (after-tax monies) or balances from a uniformed services TSP account that will not be subject to Federal income tax (tax-exempt monies).

(c) Notwithstanding paragraph (b) of this section, the TSP will accept Roth funds that are transferred via trustee-

to-trustee transfer from an eligible employer plan that maintains a qualified Roth contribution program described in section 402A of the Internal Revenue Code.

(d) The TSP will accept a transfer or rollover only to the extent the transfer or rollover is permitted by the Internal Revenue Code.

[67 FR 17604, Apr. 11, 2002, as amended at 75 FR 78879, Dec. 17, 2010. Redesignated and amended at 77 FR 26423, May 4, 2012]

§ 1600.31 Methods for transferring eligible rollover distribution to the TSP.

(a) *Trustee-to-trustee transfer.* (1) A participant may request that the administrator or trustee of an eligible employer plan or traditional IRA transfer any or all of his or her account directly to the TSP by executing and submitting the appropriate TSP form to the administrator or trustee. The administrator or trustee must complete the appropriate section of the form and forward the completed form and the distribution to the TSP record keeper or the Agency must receive sufficient evidence from which to reasonably conclude that a contribution is a valid rollover contribution (as defined by 26 CFR 1.401(a)(31)-1, Q&A-14). By way of example, sufficient evidence to conclude a contribution is a valid rollover contribution includes a copy of the plan's determination letter, a letter or other statement from the plan administrator or trustee indicating that it is an eligible employer plan or traditional IRA, a check indicating that the contribution is a direct rollover, or a tax notice from the plan to the participant indicating that the participant could receive a rollover from the plan.

(2) If the distribution is from a Roth account maintained by an eligible employer plan, the plan administrator must also provide to the TSP a statement indicating the first year of the participant's Roth 5 year non-exclusion period under the distributing plan and either:

(i) The portion of the trustee-to-trustee transfer amount that represents Roth contributions (*i.e.* basis); or

(ii) A statement that the entire amount of the trustee-to-trustee transfer is a qualified Roth distribution (as defined by Internal Revenue Code section 402A(d)(2))

(b) *Rollover by participant.* A participant who has already received a distribution from an eligible employer plan or traditional IRA may roll over all or part of the distribution into the TSP. However, the TSP will not accept a rollover by the participant of Roth funds distributed from an eligible employer plan. A distribution of Roth funds from an eligible employer plan may be rolled into the TSP by trustee-to-trustee transfer only. The TSP will accept a rollover by the participant of tax-deferred amounts if the following requirements and conditions are satisfied:

(1) The participant must complete the appropriate TSP form.

(2) The administrator or trustee must either complete the appropriate section of the form and forward the completed form and the distribution to the TSP record keeper or the Agency must receive sufficient evidence from which to reasonably conclude that a contribution is a valid rollover contribution. By way of example, sufficient evidence to conclude a contribution is a valid rollover contribution includes a copy of the plan's determination letter, a letter or other statement from the plan indicating that it is an eligible employer plan or traditional IRA, a check indicating that the contribution is a direct rollover, or a tax notice from the plan to the participant indicating that the participant could receive a rollover from the plan.

(3) The participant must submit the completed TSP form, together with a certified check, cashier's check, cashier's draft, money order, treasurer's check from a credit union, or personal check, made out to the "Thrift Savings Plan," for the entire amount of the rollover. A participant may roll over the full amount of the distribution by making up, from his or her own funds, the amount that was withheld from the distribution for the payment of Federal taxes.

(4) The transaction must be completed within 60 days of the participant's receipt of the distribution from

§ 1600.32

his or her eligible employer plan or traditional IRA. The transaction is not complete until the TSP record keeper receives the appropriate TSP form, executed by the participant and administrator, trustee, or custodian, together with the guaranteed funds for the amount to be rolled over.

(c) *Participant's certification.* When transferring a distribution to the TSP by either a trustee-to-trustee transfer or a rollover, the participant must certify that the distribution is eligible for transfer into the TSP, as follows:

(1) *Distribution from an eligible employer plan.* The participant must certify that the distribution:

(i) Is not one of a series of substantially equal periodic payments made over the life expectancy of the participant (or the joint lives of the participant and designated beneficiary, if applicable) or for a period of 10 years or more;

(ii) Is not a minimum distribution required by I.R.C. section 401(a)(9) (26 U.S.C. 401(a)(9));

(iii) Is not a hardship distribution;

(iv) Is not a plan loan that is deemed to be a taxable distribution because of default;

(v) Is not a return of excess elective deferrals; and

(vi) If not transferred or rolled over, would be includible in gross income for the tax year in which the distribution is paid. This paragraph shall not apply to Roth funds distributed from an eligible employer plan.

(2) *Distribution from a traditional IRA.* The participant must certify that the distribution:

(i) Is not a minimum distribution required under I.R.C. section 401(a)(9) (26 U.S.C. 401(a)(9)); and

(ii) If not transferred or rolled over, would be includible in gross income for the tax year in which the distribution is paid.

[67 FR 17604, Apr. 11, 2002, as amended at 68 FR 35495, June 13, 2003; 72 FR 53413, Sept. 19, 2007. Redesignated and amended at 77 FR 26423, May 4, 2012]

§ 1600.32 Treatment accorded transferred funds.

(a) All funds transferred to the TSP pursuant to §§1600.30 and 1600.31 will be treated as employee contributions.

5 CFR Ch. VI (1–1–20 Edition)

(b) All funds transferred to the TSP pursuant to §§1600.30 and 1600.31 will be invested in accordance with the participant's contribution allocation on file at the time the transfer is completed.

(c) Funds transferred to the TSP pursuant to §§1600.30 and 1600.31 are not subject to the limits on contributions described in § 1600.22.

[66 FR 22089, May 2, 2001. Redesignated and amended at 77 FR 26424, May 4, 2012]

§ 1600.33 Combining uniformed services accounts and civilian accounts.

Uniformed services TSP account balances and civilian TSP account balances may be combined (thus producing one account), subject to the following rules:

(a) An account balance can be combined with another once the TSP is informed (by the participant's employing agency) that the participant has separated from Government service.

(b) Tax-exempt contributions may not be transferred from a uniformed services TSP account to a civilian TSP account.

(c) A traditional balance and a Roth balance cannot be combined.

(d) Funds transferred to the gaining account will be allocated among the TSP Funds according to the contribution allocation in effect for the account into which the funds are transferred.

(e) Funds transferred to the gaining account will be treated as employee contributions and otherwise invested as described at 5 CFR part 1600.

(f) A uniformed service member must obtain the consent of his or her spouse before combining a uniformed services TSP account balance with a civilian account that is not subject to FERS spousal rights. A request for an exception to the spousal consent requirement will be evaluated under the rules explained in 5 CFR part 1650.

(g) Before the accounts can be combined, any outstanding loans from the losing account must be closed as described in 5 CFR part 1655.

Subpart E—Automatic Enrollment Program

AUTHORITY: Sec. 102, Pub. L. 111-31, div. B, tit. I, 123 Stat. 1776, 1853 (5 U.S.C. 8432(b)(2)(A)).

SOURCE: 75 FR 43800, July 27, 2010, unless otherwise noted.

§ 1600.34 Automatic enrollment program.

(a) All newly hired civilian employees who are eligible to participate in the Thrift Savings Plan and those civilian employees who are rehired after a separation in service of 31 or more calendar days and who are eligible to participate in the TSP will automatically have 3% of their basic pay contributed to the employee's traditional TSP balance (default employee contribution) unless, by the end of the employee's first pay period (subject to the agency's processing time frames), they elect:

- (1) To not contribute;
- (2) To contribute at some other level;

or

(3) To make Roth contributions in addition to, or in lieu of, traditional contributions.

(b) All uniformed service members who either enter service on or after January 1, 2018 or re-enter service after a separation in service of 31 or more calendar days after having been covered by BRS at the time of separation will automatically have 3% of their basic pay contributed to the member's traditional TSP balance (default employee contribution) beginning the first full pay period following the date that is 60 days after the member's PEBD unless they elect by the end of that 60 day period:

- (1) To not contribute;
- (2) To contribute at some other level;

or

(3) To make Roth contributions in addition to, or in lieu of, traditional contributions.

(c) If, for any calendar year, a uniformed service member described in paragraph (b) of this section does not make a contribution in the final full pay period of such calendar year due to the member's election to terminate contributions prior to the final full pay period, then that member will auto-

matically have 3% of his or her basic pay contributed to his or her traditional TSP balance beginning the first full pay period of the following calendar year unless he or she makes a subsequent election by December 31st:

- (1) To not contribute;
- (2) To contribute at some other level;
- (3) To make Roth contributions in addition to, or in lieu of, traditional contributions.

[82 FR 60102, Dec. 19, 2017]

§ 1600.35 Refunds of default employee contributions.

(a) Subject to the limitations in paragraph (f) of this section, a participant may request a refund of any default employee contributions made on his or her behalf (*i.e.*, the contributions made while under the automatic enrollment program) provided the request is received within 90 days after the date that the first default employee contribution was processed. The election must be made on the TSP's refund request form and must be received by the TSP's record keeper prior to the expiration of the 90-day period.

(1) The distribution of a refund will be reported as income to the participant on IRS Form 1099-R, but it will not be subject to the additional tax under 26 U.S.C. 72(t) (the early withdrawal penalty tax).

(2) A participant who requests a refund will receive the amount of any default employee contributions (adjusted for allocable gains and losses).

(3) Processing of refunds will be subject to the rules set out at 5 CFR part 1650.

(b) A participant will no longer be considered to be covered by the automatic enrollment program if the participant files a contribution election. Consequently, if a participant makes a contribution election during the 90-day period, the participant will only be eligible to receive as a refund an amount equal to his or her default employee contributions (adjusted for allocable gains and losses).

(c) After the expiration of the period allowed for the refund, any withdrawal must be made pursuant to 5 U.S.C. 8433 and 5 CFR part 1650.

§ 1600.36

(d) A married participant may request a refund of default employee contributions without obtaining the consent of his or her spouse or having the TSP notify the spouse of the request.

(e) The rules applicable to frozen accounts (5 CFR 1650.3) and applicable to deceased participants (5 CFR 1650.6) also apply to refunds of the default employee contributions.

(f) A participant may not receive a refund of default employee contributions made pursuant to §1600.34(c).

[75 FR 43800, July 27, 2010, as amended at 82 FR 60103, Dec. 19, 2017]

§ 1600.36 Matching contributions.

(a) A participant is not entitled to keep the matching contributions and their associated earnings that are attributable to refunded default employee contributions.

(b) The matching contributions and associated earnings attributable to refunded default employee contributions shall be forfeited to the TSP and used to offset administrative expenses.

§ 1600.37 Notice.

The Board shall furnish all new employees and all rehired employees covered by the automatic enrollment program, and all employees described in paragraph (c) of §1600.34, covered by the automatic enrollment program a notice that accurately describes:

(a) That default employee contributions equal to 3 percent of the employee's basic pay will be deducted from the employee's pay and contributed to the employee's traditional TSP balance on the employee's behalf if the employee does not make an affirmative contribution election;

(b) The employee's right to elect to not have default employee contributions made to the TSP on the employee's behalf, to elect to have a different percentage or amount of basic pay contributed to the TSP, or to make Roth contributions;

(c) The fund in which the default employee and agency contributions will be invested unless the employee makes a contribution allocation;

(d) The employee's ability (or inability) to request a refund of any default employee contributions (adjusted for

5 CFR Ch. VI (1–1–20 Edition)

allocable gains and losses) and the procedure to request such a refund; and

(e) That an investment in any fund other than the G Fund is made at the employee's risk, that the employee is not protected by the United States Government or the Board against any loss on the investment, and that neither the United States Government nor the Board guarantees any return on the investment.

Subpart A—General

§ 1601.1 Definitions.

(a) Definitions generally applicable to the Thrift Savings Plan are set forth at 5 CFR 1690.1.

(b) As used in this part:

Acknowledgment of risk means an acknowledgment that any investment in a TSP Fund other than the G Fund is made at the participant's risk, that the participant is not protected by the United States Government or the Board against any loss on the investment, and that neither the United States Government nor the Board guarantees any return on the investment.

Subpart B—Investing Future Deposits

SOURCE: 68 FR 35495, June 13, 2003, unless otherwise noted.

§ 1601.11 Applicability.

This subpart applies only to the investment of future deposits to the TSP's TSP Funds, including contributions, loan payments, and transfers or rollovers from traditional IRAs and eligible employer plans; it does not apply to redistributing participants' existing account balances among the TSP Funds, which is covered in subpart C of this part.

[68 FR 35495, June 13, 2003, as amended at 70 FR 32207, June 1, 2005]

§ 1601.12 Investing future deposits in the TSP Funds.

(a) *Allocation.* Future deposits in the TSP, including contributions, loan payments, and transfers or rollovers from traditional IRAs and eligible employer plans, will be allocated among the TSP Funds based on the most recent contribution allocation on file for the participant.

(b) *TSP Funds availability.* All participants may elect to invest all or any portion of their deposits in any of the TSP Funds.

[70 FR 32207, June 1, 2005]

§ 1601.13 Elections.

(a) *Contribution allocation.* Each participant may indicate his or her choice of TSP Funds for the allocation of future deposits by using the TSP website or the ThriftLine, or by completing and filing the appropriate paper TSP

form with the TSP record keeper in accordance with the form's instructions. The following rules apply to contribution allocations:

(1) Contribution allocations must be made in one percent increments. The sum of the percentages elected for all of the TSP Funds must equal 100 percent;

(2) The percentage elected by a participant for investment of future deposits in a TSP Fund will be applied to all sources of contributions and transfers (or rollovers) from traditional IRAs and eligible employer plans. A participant may not make different percentage elections for different sources of contributions;

(3) The following default investment rules shall apply to civilian participants:

(i) All deposits made on behalf of a civilian participant enrolled prior to September 5, 2015 who does not have a contribution allocation in effect will be invested in the G Fund. A civilian participant who is enrolled prior to September 5, 2015 and subsequently rehired on or after September 5, 2015 and has a positive account balance will be considered enrolled prior to September 5, 2015 for purposes of this paragraph; and

(ii) All deposits made on behalf of a civilian participant first enrolled on or after September 5, 2015 who does not have a contribution allocation in effect will be invested in the age-appropriate TSP Lifecycle Fund;

(iii) A civilian participant enrolled prior to September 5, 2015 who elects for the first time to invest in a TSP Fund other than the G Fund must execute an acknowledgement of risk in accordance with § 1601.33;

(4) The following default investment rules shall apply to uniformed services participants:

(i) All deposits made on behalf of a uniformed services participant who first entered service prior to January 1, 2018, has not elected to be covered by BRS, and does not have a contribution allocation in effect will be invested in the G Fund;

(ii) All deposits made on behalf of a uniformed services participant who

§ 1601.21

first entered service on or after January 1, 2018 and who does not have a contribution allocation in effect will be invested in the age-appropriate TSP Lifecycle Fund;

(iii) If a uniformed services participant makes an election to be covered by BRS as described in 5 CFR 1600.14 and does not have a contribution allocation in effect at the time of the election, then all deposits made after the date of such election will be invested in the age-appropriate TSP Lifecycle Fund. Deposits made prior to the date of the election will remain invested in the G Fund.

(iv) A uniformed services participant who first entered service prior to January 1, 2018 and has not made an election to be covered by the BRS who elects for the first time to invest in a TSP Fund other than the G Fund must execute an acknowledgement of risk in accordance with § 1601.33;

(5) Once a contribution allocation becomes effective, it remains in effect until it is superseded by a subsequent contribution allocation or the participant's account balance is reduced to zero. If a rehired participant has a positive account balance and a contribution allocation in effect, then the participant's contribution allocation will remain in effect until a new allocation is made. If, however, the participant (other than a participant described in paragraph (a)(4)(i) of this section) has a zero account balance, then the participant's contributions will be allocated to the age-appropriate TSP Lifecycle Fund until a new allocation is made.

(b) *Effect of rejection of contribution allocation.* If a participant does not correctly complete a contribution allocation, the attempted allocation will have no effect. The TSP will provide the participant with a written statement of the reason the transaction was rejected.

(c) *Contribution elections.* A participant may designate the amount or type of employee contributions he or she wishes to make to the TSP or may stop contributions only in accordance with 5 CFR part 1600.

Subpart C—Redistributing Participants' Existing Account Balances (Interfund Transfers)

SOURCE: 68 FR 35495, June 13, 2003, unless otherwise noted.

§ 1601.21 Applicability.

This subpart applies only to interfund transfers, which involve redistributing participants' existing account balances among the TSP Funds; it does not apply to the investment of future deposits, which is covered in subpart B of this part.

[68 FR 35495, June 13, 2003, as amended at 70 FR 32208, June 1, 2005]

§ 1601.22 Methods of requesting an interfund transfer.

(a) Participants may make an interfund transfer using the TSP Web site or the ThriftLine, or by completing and filing the appropriate paper TSP form with the TSP record keeper in accordance with the form's instructions. The following rules apply to an interfund transfer request:

(1) Interfund transfer requests must be made in whole percentages (one percent increments). The sum of the percentages elected for all of the TSP Funds must equal 100 percent.

(2) The percentages elected by the participant will be applied to the balances in each source of contributions and to both tax-deferred and tax-exempt balances on the effective date of the interfund transfer.

(b) An interfund transfer request has no effect on deposits made after the effective date of the interfund transfer request; subsequent deposits will continue to be allocated among the investment funds in accordance with the participant's contribution allocation made under subpart B of this part.

(c) If an interfund transfer is found to be invalid pursuant to § 1601.34, the purported transfer will not be made. The TSP will provide the participant with a written statement of the reason the transaction was rejected.

[70 FR 32208, June 1, 2005, as amended at 80 FR 52174, Aug. 28, 2015]

Subpart D—Contribution Allocations and Interfund Transfer Requests

§ 1601.31 Applicability.

This subpart applies both to contribution allocations made under subpart B of this part and interfund transfers made under subpart C of this part.

§ 1601.32 Timing and posting dates.

(a) *Posting dates.* The date on which the TSP processes or posts a contribution allocation or interfund transfer request (transaction request) is subject to a number of factors, including some that are outside of the control of the TSP, such as power outages, the failure of telephone service, unusually heavy transaction volume, and acts of God. These factors also could affect the availability of the TSP Web site and the ThriftLine. Therefore, the TSP cannot guarantee that a transaction request will be processed on a particular day. However, the TSP will process transaction requests under ordinary circumstances according to the following rules:

(1) A transaction request entered into the TSP record keeping system by a participant who uses the TSP Web site or the ThriftLine, or by a TSP Service Office participant service representative at the participant's request, before 12 noon eastern time of any business day, will ordinarily be posted that business day. A transaction request entered into the system at or after 12 noon eastern time of any business day will ordinarily be posted on the next business day.

(2) A transaction request made on the TSP Web site or the ThriftLine on a non-business day will ordinarily be posted on the next business day.

(3) A transaction request made on a paper TSP form will ordinarily be posted under the rules in paragraph (a)(1) of this section, based on when the TSP record keeper enters the form into the TSP system. The TSP record keeper ordinarily enters such forms into the system within 24 hours of their receipt.

(4) In most cases, the share price(s) applied to an interfund transfer request is the value of the shares on the date the relevant transaction is posted. In some circumstances, such as error cor-

rection, the share price(s) for an earlier date will be used.

(b) *Limit.* There is no limit on the number of contribution allocation requests. A participant may make two unrestricted interfund transfers (account rebalancings) per account (e.g., civilian or uniformed services), per calendar month. An interfund transfer will count toward the monthly total on the date posted by the TSP and not on the date requested by a participant. After a participant has made two interfund transfers in a calendar month, the participant may make additional interfund transfers only into the G Fund until the first day of the next calendar month.

§ 1601.33 Acknowledgment of risk.

(a) Uniformed services participants who first entered service prior to January 1, 2018 and who have not elected to be covered by BRS and civilian participants who enrolled prior to September 5, 2015 must execute an acknowledgment of risk in order to invest in a TSP Fund other than the G Fund. If a required acknowledgment of risk has not been executed, no transactions involving the fund(s) for which the acknowledgment is required will be accepted.

(b) The acknowledgment of risk may be executed in association with a contribution allocation or an interfund transfer using the TSP Web site, the ThriftLine, or a paper TSP form.

SOURCE: 66 FR 44277, Aug. 22, 2001, unless otherwise noted.

Subpart A—General

§ 1605.1 Definitions.

(a) Definitions generally applicable to the Thrift Savings Plan are set forth at 5 CFR 1690.1.

(b) As used in this part:

“*As of*” date means the date on which a TSP contribution or other transaction entailing acquisition of investment fund shares should have taken place. Employing agencies use this date on payment records to report makeup or late contributions or late loan payments.

Attributable pay date means:

(i) The pay date of a contribution that is being redesignated from traditional to Roth, or vice versa;

(ii) In the case of the uniformed services, the pay date of a contribution that is being recharacterized from tax-deferred to tax-exempt, or vice versa; or

(iii) The pay date of an erroneous contribution for which a negative adjustment is being made. However, if the erroneous contribution for which a negative adjustment is being made was a makeup or late contribution, the attributable pay date is the “as of” date of the erroneous makeup or late contribution.

Breakage means the loss incurred or the gain realized on makeup or late contributions. It is the difference between the value of the shares of the applicable investment fund(s) that would have been purchased had the contribution been made on the “as of” date and

§ 1605.2

5 CFR Ch. VI (1–1–20 Edition)

the value of the shares of the same investment fund(s) on the date the contribution is posted to the account.

BRS participant means any member of the Uniformed Services described in 5 U.S.C. 8440e(e)(1).

Error means any act or omission by the Board, the TSP Record Keeper, or the participant's employing agency that is not in accordance with applicable statutes, regulations, or administrative procedures that are made available to employing agencies and/or TSP participants. It does not mean an act or omission caused by events that are beyond the control of the Board, the TSP Record Keeper, or the participant's employing agency.

FERCCA correction means the correction of a retirement coverage error pursuant to the Federal Erroneous Retirement Coverage Corrections Act, title II, Public Law 106-265, 114 Stat. 770.

Late contributions means:

(i) Employee contributions that were timely deducted from a participant's basic pay but were not timely reported to the TSP record keeper for investment;

(ii) Employee contributions that were timely reported to the TSP but were not timely posted to the participant's account by the TSP because the payment record on which they were submitted contained errors;

(iii) Agency matching contributions attributable to employee contributions referred to in paragraphs (i) or (ii) of this definition; and

(iv) Delayed agency automatic (1%) contributions.

Makeup contributions are employee contributions that should have been deducted from a participant's basic pay or employer contributions that should have been charged to an employing agency on an earlier date, but were not deducted or charged and, consequently, are being deducted or charged currently.

Negative adjustment means the removal of money from a participant's TSP account by an employing agency.

Negative adjustment record means a data record submitted by an employing agency to remove from a participant's TSP account money that the agency had previously submitted in error.

Non-BRS participant means any member of the Uniformed Services not described in 5 U.S.C. 8440e(e)(1).

Pay date means the date established by an employing agency for paying its employees or service members.

Payment record means a data record submitted by an employing agency to report contributions or loan payments to a participant's TSP account.

Recharacterization means the process of changing a contribution that the employing agency erroneously submitted as a tax-deferred contribution to a tax-exempt contribution (or vice versa). Recharacterization is a method of error correction only. It applies only to the traditional balance of a uniformed services account.

Recharacterization record means a data record submitted by an employing agency to recharacterize a tax-deferred contribution that the employing agency erroneously submitted as a tax-exempt contribution (or vice versa).

Redesignation means the process of moving a contribution (and its associated positive earnings) from a participant's traditional balance to the participant's Roth balance or vice versa in order to correct an employing agency error that caused the contribution to be submitted to the wrong balance. Redesignation is a method of error correction only. A participant cannot request the redesignation of contributions unless the employing agency made an error in the submission of the contributions.

Redesignation record means a data record submitted by an employing agency to redesignate a contribution that the employing agency erroneously submitted to the wrong balance (traditional or Roth).

[68 FR 35497, June 13, 2003, as amended at 70 FR 32209, June 1, 2005; 77 FR 26425, May 4, 2012; 82 FR 60104, Dec. 19, 2017]

§ 1605.2 Calculating, posting, and charging breakage on late contributions and loan payments.

(a) The TSP will calculate breakage on late contributions, makeup agency contributions, and loan payments as described by §1605.15(b). This breakage calculation is subject to the following rules:

(1) The TSP will not calculate breakage if contributions or loan payments are posted within 30 days of the “as of” date, or if the total amount on a late payment record or the total agency contributions on a current payment record is less than \$1.00; and

(2) The TSP will not take the participant’s interfund transfers into account when determining breakage.

(b) *Calculating breakage.* The TSP will calculate breakage as follows:

(1) For contributions or loan payments with “as of” dates on or after January 1, 2000, the TSP will:

(i) Use the participant’s contribution allocation on file for the “as of” date to determine how the funds would have been invested. If there is no contribution allocation on file, or one cannot be derived based on the investment of contributions, the TSP will consider the funds to have been invested in the default investment fund in effect for the participant on the “as of” date.

(ii) Determine the number of shares of the applicable investment funds the participant would have received had the contributions or loan payments been made on time. If the “as of” date is before TSP account balances were converted to shares, this determination will be the number of shares the participant would have received on the conversion date, and will include the monthly earnings the participant would have received had the contributions or loan payments been made on the “as of” date; and

(iii) Determine the dollar value on the posting date of the number of shares the participant would have received had the contributions or loan payments been made on time. If the contributions or loan payments would have been invested in a Lifecycle fund that is retired on the posting date, the constructed share price shall equal the retired Lifecycle fund share price on December 31 of the retirement year, multiplied by the current L Income Fund share price, divided by the L Income Fund share price on December 31 of the retirement year. The dollar value shall be the number of shares the participant would have received had the contributions or loan payments been made on time multiplied by the constructed share price.

(iv) The difference between the dollar value of the contribution or loan payment on the posting date and the dollar value of the contribution or loan payment on the “as of” date is the breakage.

(2) For contributions and loan payments with an “as of” date before January 1, 2000, the TSP will:

(i) Value the contributions and loan payments from the “as of” date through the date TSP accounts were converted to shares, by using the greater of either the G Fund monthly rate of return or the average monthly rate of return for all TSP Funds;

(ii) Determine the number of shares the participant would have received at conversion; and

(iii) Determine the dollar value of those shares on the posting date by using the greater of either the G Fund share price or the average share price for all of the TSP Funds. The difference between the dollar value of the contribution or loan payment on the posting date and the dollar value of the contribution or loan payment on the “as of” date is the breakage.

(c) *Posting contributions and loan payments.* Makeup and late contributions, late loan payments, and breakage, will be posted to the participant’s account according to his or her contribution allocation on file for the posting date. If there is no contribution allocation on file for the posting date, they will be posted to the default investment fund in effect for the participant.

(d) *Charging breakage.* If the dollar amount posted to the participant’s account is greater than the dollar amount of the makeup or late contribution or late loan payment, the TSP will charge the agency the additional amount. If the dollar amount posted to the participant’s account is less than the dollar amount of the makeup or late contribution, or late loan payment, the difference between the amount of the contribution and the amount posted will be forfeited to the TSP.

(e) *Posting of multiple contributions.* If the TSP posts multiple makeup or late contributions or late loan payments with different “as of” dates for a participant on the same business day, the

§ 1605.3

amount of breakage charged to the employing agency or forfeited to the TSP will be determined separately for each transaction, without netting any gains or losses attributable to different “as of” dates. In addition, gains and losses from different sources of contributions or different TSP Funds will not be netted against each other. Instead, breakage will be determined separately for each as-of date, TSP Fund, and source of contributions.

[70 FR 32209, June 1, 2005, as amended at 75 FR 74607, Dec. 1, 2010; 80 FR 57069, Sept. 22, 2015]

§ 1605.3 Calculating, posting, and charging breakage on errors involving investment in the wrong fund.

(a) The TSP will calculate and post breakage on date of birth errors that result in default investment in the wrong L Fund, contribution allocation errors, and interfund transfer errors.

(b) The TSP will charge the employing agency for positive breakage on incorrect dates of birth caused by employing agency error that result in default investment in the wrong L Fund. A date of birth change received from an employing agency will not trigger corrective action other than to update the date of birth. To initiate a breakage calculation for an employee, the employing agency must notify the TSP that the participant is entitled to breakage.

(c) If a uniformed services participant’s retirement system is misclassified and the error results in default investment in the wrong fund, when the error is corrected pursuant to §1605.14(f)–(g), the TSP will charge the employing agency for any positive breakage that results from the incorrect default investment. The retirement misclassification correction received from an employing agency will not trigger corrective action other than to update the participant’s retirement system coverage. To initiate a breakage calculation for the uniformed service member, the employing agency must notify the TSP that the participant is entitled to breakage.

Subpart B—Employing Agency Errors

§ 1605.11 Makeup of missed or insufficient contributions.

(a) *Applicability.* This section applies whenever, as the result of an employing agency error, a participant does not receive all of the TSP contributions to which he or she is entitled. This includes situations in which an employing agency error prevents a participant from making an election to contribute to his or her TSP account, in which an employing agency fails to implement a contribution election properly submitted by a participant, in which an employing agency fails to make agency automatic (1%) contributions or agency matching contributions that it is required to make, or in which an employing agency otherwise erroneously contributes less to the TSP for a participant’s account than it should have. The corrections required by this section must be made in accordance with this part and the procedures provided to employing agencies by the Board in bulletins or other guidance. It is the responsibility of the employing agency to determine whether it has made an error that entitles a participant to error correction under this section.

(b) *Employer makeup contributions.* If an employing agency has failed to make Agency Automatic (1%) Contributions that are required under 5 U.S.C. 8432(c)(1)(A) and 5 U.S.C. 8440e(e)(3)(A), or Agency Matching Contributions that are required under section 8432(c)(2) and 5 U.S.C. 8440e(e)(3)(B), the following rules apply:

(1) The employing agency must promptly submit all missed contributions to the TSP record keeper on behalf of the affected participant. For each pay date involved, the employing agency must submit a separate payment record showing the “as of” date for the contributions.

(2) The TSP will calculate the breakage due to the participant and post both the contributions and the associated breakage to the participant’s account in accordance with §1605.2.

(c) *Employee makeup contributions.* Within 30 days of receiving information

from his or her employing agency indicating that the employing agency acknowledges that an error has occurred which has caused a smaller amount of employee contributions to be made to the participant's account than should have been made, a participant may elect to establish a schedule to make up the deficient contributions through future payroll deductions. Employee makeup contributions can be made in addition to any TSP contributions that the participant is otherwise entitled to make. The following rules apply to employee makeup contributions:

(1) The schedule of makeup contributions elected by the participant must establish the dollar amount of the contributions and the type of employee contributions (traditional or Roth) to be made each pay period over the duration of the schedule. The contribution amount per pay period may vary during the course of the schedule, but the total amount to be contributed must be established when the schedule is created. After the schedule is created, a participant may, with the agreement of his or her agency, elect to change his or her payment amount (e.g., to accelerate payment) or elect to change the type of employee contributions (traditional or Roth). The length of the schedule may not exceed four times the number of pay periods over which the error occurred.

(2) At its discretion, an employing agency may set a ceiling on the length of a schedule of employee makeup contributions which is less than four times the number of pay periods over which the error occurred. The ceiling may not, however, be less than twice the number of pay periods over which the error occurred.

(3) The employing agency must implement the participant's schedule of makeup contributions as soon as practicable.

(4) For each pay date involved, the employing agency must submit a separate payment record showing the "as of" date for which the employee contribution should have been made. An employee is not eligible to make up contributions with an "as of" date occurring during a period of six months following a financial hardship in-service withdrawal, as provided in 5 CFR

1650.33. An employee may make up contributions during a period of ineligibility due to a hardship withdrawal as long as the "as of" date is for an earlier period.

(5) Employee makeup contributions will be invested in accordance with the participant's current contribution allocation. The number of shares of each TSP Fund which will be purchased will be determined by dividing the amount of the makeup contributions by the share price of the applicable fund(s) on the posting date.

(6) Employee makeup contributions will be included for purposes of applying the annual limit contained in Internal Revenue Code (I.R.C.) section 402(g) (26 U.S.C. 402(g)(1)). For purposes of applying that limit, employee makeup contributions will be applied against the limit for the year of the "as of" date.

(i) Before establishing a schedule of employee makeup contributions, the employing agency must review any schedule proposed by the affected participant, as well as the participant's prior TSP contributions, if any, to determine whether the makeup contributions, when combined with prior contributions for the same year, would exceed the annual contribution limit(s) contained in I.R.C. section 402(g) for the year(s) with respect to which the contributions are being made.

(ii) The employing agency must not permit contributions that, when combined with prior contributions, would exceed the applicable annual contribution limit contained in I.R.C. section 402(g).

(7) A schedule of employee makeup contributions may be suspended if a participant has insufficient net pay to permit the makeup contributions. If this happens, the period of suspension should not be counted against the maximum number of pay periods to which the participant is entitled in order to complete the schedule of makeup contributions.

(8) A participant may elect to terminate a schedule of employee makeup contributions at any time, but a termination is irrevocable. If a participant separates from Government service, the participant may elect to accelerate the payment schedule by a lump sum

contribution from his or her final paycheck.

(9) At the same time that a participant makes up missed employee contributions, the employing agency must make any agency matching contributions that would have been made had the error not occurred. Agency matching contributions must be submitted pursuant to the rules set forth in paragraph (b) of this section. A participant may not receive matching contributions associated with any employee contributions that are not actually made up. If employee makeup contributions are suspended in accordance with paragraph (c)(7) of this section, the payment of agency matching contributions must also be suspended.

(10) If a participant transfers to an employing agency different from the one by which the participant was employed at the time of the missed contributions, it remains the responsibility of the former employing agency to determine whether employing agency error was responsible for the missed contributions. If it is determined that such an error has occurred, the current agency must take any necessary steps to correct the error. The current agency may seek reimbursement from the former agency of any amount that would have been paid by the former agency had the error not occurred.

(11) Employee makeup contributions may be made only by payroll deduction from basic pay or, for uniformed services participants, from basic pay, incentive pay, or special pay, including bonus pay. Contributions by check, money order, cash, or other form of payment directly from the participant to the TSP, or from the participant to the employing agency for deposit to the TSP, are not permitted.

(12) A participant is not eligible to contribute makeup contributions with an “as of” date occurring prior to May 5, 2012 to his or her Roth balance.

(13) If the “as of” date of a Roth contribution that is submitted as a makeup contribution is earlier than the participant’s existing Roth initiation date, the TSP will adjust the participant’s Roth initiation date.

(d) *Missed bonus contributions.* This paragraph (d) applies when an employing agency fails to implement a con-

tribution election that was properly submitted by a uniformed service member requesting that a TSP contribution be deducted from bonus pay. Within 30 days of receiving the employing agency’s acknowledgment of the error, a uniformed service member may establish a schedule of makeup contributions with his or her employing agency to replace the missed contribution through future payroll deductions. These makeup contributions can be made in addition to any TSP contributions that the uniformed service member is otherwise entitled to make.

(1) The schedule of makeup contributions may not exceed four times the number of months it would take for the uniformed service member to earn basic pay equal to the dollar amount of the missed contribution. For example, a uniformed service member who earns \$29,000 yearly in basic pay and who missed a \$2,500 bonus contribution to the TSP can establish a schedule of makeup contributions with a maximum duration of 8 months. This is because it takes the uniformed service member 2 months to earn \$2,500 in basic pay (at \$2,416.67 per month).

(2) At its discretion, an employing agency may set a ceiling on the length of a schedule of employee makeup contributions. The ceiling may not, however, be less than twice the number of months it would take for the uniformed service member to earn basic pay equal to the dollar amount of the missed contribution.

§ 1605.12 Removal of erroneous contributions.

(a) *Applicability.* This section applies to the removal of funds erroneously contributed to the TSP. The TSP calls this action a negative adjustment, and agencies may only request negative adjustments of erroneous contributions made on or after January 1, 2000. Excess contributions addressed by this section include, for example, excess employee contributions that result

from employing agency error and excess employer contributions. This section does not address excess contributions resulting from a FERCCA correction; those contributions are addressed in § 1605.14.

(b) *Method of correction.* Negative adjustment records must be submitted by employing agencies in accordance with this part and any other procedures provided by the Board.

(1) To remove money from a participant's account, the employing agency must submit, for each attributable pay date involved, a negative adjustment record stating the attributable pay date and the amount, by source, of the erroneous contribution.

(2) A negative adjustment record may be for any part of the contributions made for the attributable pay date. However, for each source of contributions, the negative adjustment may not exceed the amount of the contributions made for that date, minus any prior negative adjustments for the same date.

(c) *Processing negative adjustments.* To determine current value, a negative adjustment will be allocated among the TSP Funds as it would have been allocated on the attributable pay period (as reported by the employing agency).

(1) If the attributable pay date for the erroneous contribution is on or before the date TSP accounts were converted to shares (and on or after January 1, 2000), the TSP will, for each source of contributions and investment fund:

(i) Determine the dollar value of the amount to be removed by using the monthly returns for the applicable TSP Fund;

(ii) Determine the number of shares that the dollar value determined in paragraph (c)(1)(i) of this section would have purchased on the conversion date; and

(iii) Multiply the price per share for the date the adjustment is posted by the number of shares calculated in paragraph (c)(1)(ii) of this section.

(2) If the attributable pay date of the negative adjustment is after the date TSP accounts were converted to shares, the TSP will, for each source of contributions and TSP Fund:

(i) Determine the number of shares that represent the amount of the contribution to be removed using the share price on the attributable pay date; and

(ii) Multiply the price per share on the date the adjustment is posted by the number of shares calculated in paragraph (c)(2)(i) of this section. If the contribution was erroneously contributed to a Lifecycle fund that is retired on the date the adjustment is posted, the price per share shall equal the retired Lifecycle fund share price on December 31 of the retirement year, multiplied by current L Income Fund share price, divided by the L Income Fund share price on December 31 of the retirement year.

(d) *Employee contributions.* The following rules apply to negative adjustments involving employee contributions:

(1) If, on the posting date, the amount calculated under paragraph (c) of this section is equal to or greater than the amount of the proposed negative adjustment, the full amount of the adjustment will be removed from the participant's account and returned to the employing agency. Earnings on the erroneous contribution will remain in the participant's account. However, positive earnings on an erroneous contribution to the participant's Roth balance will be moved to the participant's traditional balance;

(2) If, on the posting date, the amount calculated under paragraph (c) of this section is less than the amount of the proposed negative adjustment, the amount of the adjustment, reduced by the investment loss, will be removed from the participant's account and returned to the employing agency. However, the employing agency must refund to the participant the full amount of the erroneous contribution;

(3) If an employing agency requests the removal of erroneous employee contributions from a participant's account, it must also request the removal, under paragraph (e) of this section, of any attributable agency matching contributions; and

(4) If all employee contributions are removed from a participant's account under the rules set forth in this section, the earnings attributable to those

contributions will remain in the account until the participant removes them with an in-service or a post-employment withdrawal. If the participant is not eligible to maintain a TSP account, the employing agency must submit an employee data record to the TSP indicating that the participant has separated from Federal service (this will allow the TSP-ineligible participant to make a post-employment withdrawal election).

(e) *Employer contributions.* The following rules apply to negative adjustments involving erroneous employer contributions:

(1) The amount calculated under paragraph (c) of this section will be removed from the participant's account.

(2) Erroneous employer contributions will be returned to the employing agency only if the negative adjustment record is posted by the TSP record keeper within one year of the date the erroneous contribution was posted. If one year or more has elapsed when the negative adjustment record is posted, the amount computed under paragraph (c) of this section will be removed from the participant's account and used to offset TSP administrative expenses;

(3) If the erroneous contribution has been in the participant's account for less than one year when the negative adjustment record is posted and the amount computed under paragraph (c) of this section is equal to or greater than the amount of the adjustment, the employing agency will receive the full amount of the erroneous contribution. Any earnings attributable to the erroneous contribution will be removed from the participant's account and used to offset TSP administrative expenses;

(4) If the erroneous contribution has been in the participant's account for less than one year when the negative adjustment record is posted, and the amount computed under paragraph (c) of this section is less than the amount of the adjustment, the employing agency will receive the amount of the erroneous contribution reduced by the investment loss; and

(5) An employing agency's obligation to submit negative adjustment records to remove erroneous contributions from a participant's account is not af-

fectured by the length of time the contributions have been in the account.

(f)(1) If multiple negative adjustments for the same attributable pay date for a participant are posted on the same business day, the amount removed from the participant's account and used to offset TSP administrative expenses, or returned to the employing agency, will be determined separately for each adjustment. Earnings and losses for erroneous contributions made on different dates will not be netted against each other. In addition, for a negative adjustment for any attributable pay date, gains and losses from different sources of contributions or different TSP Funds will not be netted against each other. Instead, for each attributable pay date each source of contributions and each TSP Fund will be treated separately for purposes of these calculations. The amount computed by applying the rules in this section will be removed from the participant's account pro rata from all funds, by source, based on the allocation of the participant's account among the TSP Funds when the transaction is posted; and

(2) If there is insufficient money in the same source of contributions to cover the amount to be removed or the amount of the requested adjustment, the negative adjustment record will be rejected.

§ 1605.13 Back pay awards and other retroactive pay adjustments.

(a) *Participant not employed.* The following rules apply to participants who receive a back pay award or other retroactive pay adjustment for a period during which the participant was separated from Government service or was not appointed to a position that is covered by FERS, CSRS, or an equivalent system under which TSP participation is authorized:

(1) If the participant is reinstated or retroactively appointed to a position that is covered by FERS, CSRS, or an equivalent system under which TSP participation is authorized, immediately upon reinstatement or retroactive appointment the employing

agency must give the participant the opportunity to submit a contribution election to make current contributions. The contribution election will be effective as soon as administratively feasible, but no later than the first day of the first full pay period after it is received.

(2) The employing agency must give a reinstated or retroactively appointed participant the following options for electing makeup contributions:

(i) The reinstated or retroactively appointed participant may submit a new contribution election for purposes of makeup contributions if he or she would have been eligible to make such an election but for the erroneous separation or erroneous failure to appoint; or

(ii) If a reinstated participant had a contribution election on file when he or she separated, the contribution election the participant had on file when he or she separated may be reinstated for purposes of makeup contributions.

(3) All contributions made under this paragraph (a) and associated breakage will be invested according to the participant's contribution allocation on the posting date. Breakage will be calculated using the share prices for the default investment fund in effect for the participant in accordance with § 1605.2 unless otherwise required by the employing agency or the court or other tribunal with jurisdiction over the back pay case.

(b) *Participant employed.* The following rules apply to participants who receive a back pay award or other retroactive pay adjustment for a period during which the participant was employed in a position that is covered by FERS, CSRS, or an equivalent system under which TSP participation is authorized:

(1) The participant will be entitled to make up contributions for the period covered by the back pay award or retroactive pay adjustment only if for that period—

(i) The participant had designated a percentage of basic pay to be contributed to the TSP; or

(ii) The participant had designated a dollar amount of contributions each pay period which equaled the applicable ceiling (FERS or CSRS) on con-

tributions per pay period, and which, therefore, was limited as a result of the reduction in pay that is made up by the back pay award or other retroactive pay adjustment;

(2) The employing agency must compute the amount of additional employee contributions, agency matching contributions, and agency automatic (1%) contributions that would have been contributed to the participant's account had the reduction in pay leading to the back pay award or other retroactive pay adjustment not occurred; and

(3) All contributions under this paragraph (b) and associated breakage will be posted to the participant's account based on the participant's contribution allocation on the posting date. Breakage will be calculated in accordance with § 1605.2.

(c) *Contributions to be deducted before payment or other retroactive pay adjustment.* Employee makeup contributions required under paragraphs (a) and (b) of this section:

(1) Must be computed before the back pay award or other retroactive pay adjustment is paid, deducted from the back pay or other retroactive pay adjustment, and submitted to the TSP record keeper;

(2) Must not cause the participant to exceed the annual contribution limit(s) contained in sections 402(g) and 415(c) of the I.R.C. (26 U.S.C. 402(g) and 415(c)) for the year(s) with respect to which the contributions are being made, taking into consideration the TSP contributions already made in (or with respect to) that year; and

(3) Must be accompanied by attributable agency matching contributions. In any event, regardless of whether a participant elects to make up employee contributions, the employing agency must make all appropriate agency automatic (1%) contributions associated with the back pay award or other retroactive pay adjustment.

(d) *Prior withdrawal of TSP account.* If a participant has withdrawn his or her TSP account other than by purchasing an annuity, and the separation from Government service upon which the withdrawal was based is reversed, resulting in reinstatement of the participant without a break in service, the

§ 1605.14

5 CFR Ch. VI (1–1–20 Edition)

participant will have the option to restore the amount withdrawn to his or her TSP account. The right to restore the withdrawn funds will expire if the participant does not notify the Board within 90 days of reinstatement. If the participant returns the funds that were withdrawn, the number of shares purchased will be determined by using the share price of the applicable investment fund on the posting date. Restored funds will not incur breakage.

(e) Participants who are covered by paragraph (d) of this section and who elect to return funds that were withdrawn may also elect to reinstate a loan which was previously declared to be a taxable distribution.

§ 1605.14 Misclassified retirement system coverage.

(a) If a CSRS participant is misclassified by an employing agency as a FERS participant, when the misclassification is corrected:

(1) Employee contributions that exceed the applicable contribution percentage for the pay period(s) involved may remain in the participant's account. The participant may request the return of excess employee contributions made on or after January 1, 2000; those contributed before January 1, 2000, must remain in the participant's account. If the participant requests a refund of employee contributions, the employing agency must submit a negative adjustment record to remove these funds under the procedure described in § 1605.12.

(2) The TSP will forfeit all agency contributions that were made to a CSRS participant's account. An employing agency may submit a negative adjustment record to request the return of an erroneous contribution that has been in the participant's account for less than one year.

(b) If a FERS participant is misclassified by an employing agency as a CSRS participant, when the misclassification is corrected:

(1) The participant may not elect to have the contributions made while

classified as CSRS removed from his or her account;

(2) The participant may, under the rules of § 1605.11, elect to make up contributions that he or she would have been eligible to make as a FERS participant during the period of misclassification;

(3) The employing agency must, under the rules of § 1605.11, make agency automatic (1%) contributions and agency matching contributions on employee contributions that were made while the participant was misclassified;

(4) If the retirement coverage correction is a Federal Employees' Retirement Coverage Act (FERCCA) correction, the employing agency must submit makeup employee contributions on late payment records. The participant is entitled to breakage on contributions from all sources. Breakage will be calculated pursuant to § 1605.2. If the retirement coverage correction is not a FERCCA correction, the employing agency must submit makeup employee contributions on current payment records; in such cases, the employee is not entitled to breakage. Agency makeup contributions may be submitted on either current or late payment records; and

(5) If employee contributions were made up before the Office of Personnel Management implemented its regulations on FERCCA correction, and the correction is considered to be a FERCCA correction, an amount to replicate TSP lost earnings will be calculated by the Office of Personnel Management pursuant to its regulations and provided to the employing agency for transmission to the TSP record keeper.

(c) If a participant was misclassified as either FERS or CSRS and the retirement coverage is corrected to FICA only, the participant is no longer eligible to participate in the TSP.

(1) Employee contributions in the account are subject to the rules in paragraph (a)(1) of this section.

(2) Employer contributions in the account are subject to the rules in paragraph (a)(2) of this section.

(3) The TSP will consider a participant to be separated from Government service for all TSP purposes and the

employing agency must submit an employee data record to reflect separation from Government service. If the participant has an outstanding loan, it will be subject to the provisions of 5 CFR 1655.13. The participant may make a TSP post-employment withdrawal election pursuant to 5 CFR part 1650, subpart B, and the withdrawal will be subject to the provisions of 5 CFR 1650.60(b).

(d) If a FERS or CSRS participant is misclassified by an employing agency as FICA only, when the misclassification is corrected the participant may, pursuant to §1605.11 of this part, elect to make up contributions that he or she would have been eligible to make as a FERS or CSRS participant during the period of misclassification. If the participant makes up employee contributions, the rules in paragraph (b)(5) of this section apply. If the participant is corrected to FERS, the rules in paragraphs (b)(3) and (b)(4) of this section also apply.

(e) The provisions of paragraph (c) of this section shall apply to any TSP contributions relating to a period for which an employee elects retroactive Nonappropriated Fund retirement coverage.

(f) If a BRS participant is misclassified by an employing agency as a non-BRS participant, when the misclassification is corrected:

(1) The participant may not elect to have the contributions made while classified as non-BRS removed from his or her account;

(2) The participant may, under the rules of §1605.11, elect to make up contributions that he or she would have been eligible to make as a BRS participant during the period of misclassification;

(3) The employing agency must, under the rules of §1605.11, make Agency Automatic (1%) Contributions and Agency Matching Contributions on employee contributions that were made while the participant was misclassified; and

(4) The employing agency must submit makeup employee contributions on current payment records and service makeup contributions may be submitted on either current or late payment records.

(g) If a non-BRS participant is misclassified by an employing agency as a BRS participant, when the misclassification is corrected:

(1) Employee contributions may remain in the participant's account. If the participant requests a refund of employee contributions, the employing agency must submit a negative adjustment record to remove these funds under the procedure described in §1605.12.

(2) The TSP will forfeit all agency contributions that were made to a non-BRS participant's account. An employing service may submit a negative adjustment record to request the return of an erroneous contribution that has been in the participant's account for less than one year.

[66 FR 44277, Aug. 22, 2001, as amended at 68 FR 35500, June 13, 2003; 68 FR 74451, Dec. 23, 2003; 70 FR 32212, June 1, 2005; 72 FR 53414, Sept. 19, 2007; 77 FR 26426, May 4, 2012; 82 FR 60104, Dec. 19, 2017]

§ 1605.15 Reporting and processing late contributions and late loan payments.

(a) The employing agency must promptly submit late contributions to the TSP record keeper on behalf of the affected participant on late payment records as soon as the error is discovered. For each pay date involved, the employing agency must submit a separate record showing the "as of" date for the contributions. Breakage for both employee and agency contributions will be calculated, posted, and charged to the agency or forfeited to the TSP in accordance with §1605.2.

(b) If an employing agency deducts loan payments from a participant's pay, but fails to submit those payments to the TSP for the pay date for which they were deducted (or submits them in a manner that prevents them from being timely credited to the participant's account), the employing agency will be responsible for paying breakage using the procedure described in §1605.2. The loan payment record must contain the "as of" date for which the loan payment was deducted.

(c) All contributions or loan payments on payment records contained in a payroll submission that was received from an employing agency more than

§ 1605.16

5 CFR Ch. VI (1–1–20 Edition)

30 days after the pay date associated with the payroll submission (as reported on the appropriate journal voucher), will be subject to breakage calculated, posted, and charged to the employing agency (or forfeited to the TSP) in accordance with §1605.2. The employing agency will be apprised of the breakage due for each record reported on the late submission.

(d) If the “as of” date of a late Roth contribution is earlier than the participant’s existing Roth initiation date, the TSP will adjust the participant’s Roth initiation date.

[68 FR 35501, June 13, 2003, as amended at 77 FR 26426, May 4, 2012]

§ 1605.16 Claims for correction of employing agency errors; time limitations.

(a) *Agency’s discovery of error.* (1) Upon discovery of an error made within the past six months involving the correct or timely remittance of payments to the TSP (other than a retirement system misclassification error, as covered in paragraph (c) of this section), an employing agency must promptly correct the error on its own initiative. If the error was made more than six months before it was discovered, the agency may exercise sound discretion in deciding whether to correct it, but, in any event, the agency must act promptly in doing so.

(2) For errors involving incorrect dates of birth caused by employing agency error that result in default investment in the wrong L Fund, the employing agency must promptly notify the TSP that the participant is entitled to breakage if the error is discovered within 30 days of either the date the TSP provides the participant with a notice reflecting the error or the date the TSP makes available on its Web site a participant statement reflecting the error, whichever is earlier. If it is discovered after that time, the employing agency may use its sound discretion in deciding whether to pay breakage, but, in any event, must act promptly in doing so.

(b) *Participant’s discovery of error.* (1) If an agency fails to discover an error of which a participant has knowledge involving the correct or timely remittance of a payment to the TSP (other

than a retirement system misclassification error as covered by paragraph (c) of this section), the participant may file a claim with his or her employing agency to have the error corrected without a time limit. The agency must promptly correct any such error for which the participant files a claim within six months of its occurrence; if the participant files a claim to correct any such error after that time, the agency may do so at its sound discretion.

(2) For errors involving incorrect dates of birth that result in default investment in the wrong L Fund of which a participant or beneficiary has knowledge, he or she may file a claim for breakage with the employing agency no later than 30 days after either the date the TSP provides the participant with a notice reflecting the error or the date the TSP makes available on its Web site a participant statement reflecting the error, whichever is earlier. The employing agency must promptly notify the TSP that the participant is entitled to breakage.

(3) If a participant or beneficiary fails to file a claim for breakage for errors involving incorrect dates of birth in a timely manner, the employing agency may nevertheless, in its sound discretion, pay breakage on any such error that is brought to its attention.

(c) *Retirement system misclassification error.* Errors arising from retirement system misclassification must be corrected no matter when they are discovered, whether by an agency or a participant.

(d) *Agency procedures.* Each employing agency must establish procedures for participants to submit claims for correction under this subpart. Each employing agency’s procedures must include the following:

(1) The employing agency must provide the participant with a decision on any claim within 30 days of its receipt, unless the employing agency provides the participant with good cause for requiring a longer period to decide the claim. A decision to deny a claim in whole or in part must be in writing and must include the reasons for the denial, citations to any applicable statutes, regulations, or procedures, a description of any additional material

that would enable the participant to perfect the claim, and a statement of the steps necessary to appeal the denial;

(2) The employing agency must permit a participant at least 30 days to appeal the employing agency's denial of all or any part of a claim for correction under this subpart. The appeal must be in writing and addressed to the agency official designated in the initial decision or in procedures promulgated by the agency. The participant may include with his or her appeal any documentation or comments that the participant deems relevant to the claim;

(3) The employing agency must issue a written decision on a timely appeal within 30 days of receipt of the appeal, unless the employing agency provides the participant with good cause for requiring a longer period to decide the appeal. The employing agency decision must include the reasons for the decision, as well as citations to any applicable statutes, regulations, or procedures; and

(4) If the agency decision on the appeal is not issued in a timely manner, or if the appeal is denied in whole or in part, the participant will be deemed to have exhausted his or her administrative remedies and will be eligible to file suit against the employing agency under 5 U.S.C. 8477. There is no administrative appeal to the Board of a final agency decision.

[66 FR 44277, Aug. 22, 2001, as amended at 70 FR 32212, June 1, 2005; 80 FR 57070, Sept. 22, 2015]

§ 1605.17 Redesignation and re-characterization.

(a) *Applicability.* This section applies to the redesignation of contributions which, due to employing agency error, were contributed to the participant's traditional balance when they should have been contributed to the participant's Roth balance or were contributed to the participant's Roth balance when they should have been contributed to the participant's traditional balance. This section also applies to the recharacterization of contributions which, due to employing agency error, were contributed as tax-deferred contributions when they should have been contributed as tax-exempt contribu-

tions (or vice versa). It is the responsibility of the employing agency to determine whether it has made an error that entitles a participant to error correction under this section.

(b) *Method of correction.* The employing agency must promptly submit a redesignation record or a recharacterization record in accordance with this part and the procedures provided to employing agencies by the Board in bulletins or other guidance.

(c) *Processing redesignations and re-characterizations.* (1) Upon receipt of a properly submitted redesignation record, the TSP shall treat the erroneously submitted contribution (and associated positive earnings) as if the contribution had been made to the correct balance on the date that it was contributed to the wrong balance. The TSP will adjust the participant's traditional balance and the participant's Roth balance accordingly. The TSP will also adjust the participant's Roth initiation date as necessary.

(2) Upon receipt of a properly submitted recharacterization record or recharacterization request, the TSP will change the tax characterization of the erroneously characterized contribution.

(3) Agency Automatic (1%) Contributions and matching contributions cannot be redesignated as Roth contributions or recharacterized as tax-exempt contributions.

(4) There is no breakage associated with redesignation or recharacterization actions.

Subpart C—Board or TSP Record Keeper Errors

§ 1605.21 Plan-paid breakage and other corrections.

(a) *Plan-paid breakage.* (1) Subject to paragraph (a)(3) of this section, if, because of an error committed by the Board or the TSP record keeper, a participant's account is not credited or charged with the investment gains or losses the account have received had the error not occurred, the account will be credited accordingly.

(2) Errors that warrant the crediting of breakage under paragraph (a)(1) of

§ 1605.22

5 CFR Ch. VI (1-1-20 Edition)

this section include, but are not limited to:

(i) Delay in crediting contributions or other money to a participant's account;

(ii) Improper issuance of a loan or withdrawal payment to a participant or beneficiary which requires the money to be restored to the participant's account; and

(iii) Investment of all or part of a participant's account in the wrong investment fund(s).

(3) A participant will not be entitled to breakage under paragraph (a)(1) of this section if the participant had the use of the money on which the investment gains would have accrued.

(4) If the participant continued to have a TSP account, or would have continued to have a TSP account but for the Board or TSP record keeper's error, the TSP will compute gains or losses under paragraph (a)(1) of this section for the relevant period based upon the investment funds in which the affected money would have been invested had the error not occurred. If the participant did not have, and should not have had, a TSP account during this period, then the TSP will use the G Fund rate of return for the relevant period and return the money to the participant.

(b) *Other corrections.* The Executive Director may, in his discretion and consistent with the requirements of applicable law, correct any other errors not specifically addressed in this section, including payment of breakage, if the Executive Director determines that the correction would serve the interests of justice and fairness and equity among all participants of the TSP.

[70 FR 32212, June 1, 2005]

§ 1605.22 Claims for correction of Board or TSP record keeper errors; time limitations.

(a) *Filing claims.* Claims for correction of Board or TSP record keeper errors under this subpart may be submitted initially either to the TSP record keeper or the Board. The claim must be in writing and may be from the affected participant or beneficiary.

(b) *Board's or TSP record keeper's discovery of error.* (1) Upon discovery of an error made within the past six months

involving a receipt or a disbursement, the Board or TSP record keeper must promptly correct the error on its own initiative. If the error was made more than six months before its discovery, the Board or the TSP record keeper may exercise sound discretion in deciding whether to correct the error, but, in any event, must act promptly in doing so.

(2) For errors involving an investment in the wrong fund caused by Board or TSP record keeper error, the Board or the TSP record keeper must promptly pay breakage if it is discovered within 30 days of the issuance of the most recent TSP participant (or loan) statement, transaction confirmation, or other notice that reflected the error, whichever is earlier. If it is discovered after that time, the Board or TSP record keeper may use its sound discretion in deciding whether to pay breakage, but, in any event, must act promptly in doing so.

(c) *Participant's or beneficiary's discovery of error.* (1) If the Board or TSP record keeper fails to discover an error of which a participant or beneficiary has knowledge involving a receipt or a disbursement, the participant or beneficiary may file a claim for correction of the error with the Board or the TSP record keeper without time limit. The Board or the TSP record keeper must promptly correct any such error for which the participant or beneficiary filed a claim within six months of its occurrence; the correction of any such error for which the participant or beneficiary filed a claim after that time is in the sound discretion of the Board or TSP record keeper.

(2) For errors involving an investment in the wrong fund of which a participant or beneficiary has knowledge, he or she may file a claim for breakage with the Board or TSP record keeper no later than 30 days after the TSP provides the participant with a transaction confirmation or other notice reflecting the error, or makes available on its Web site a participant statement reflecting the error, whichever is earlier. The Board or TSP record keeper must promptly pay breakage for such errors.

(3) If a participant or beneficiary fails to file a claim for breakage concerning an error involving an investment in the wrong fund in a timely manner, the Board or TSP record keeper may nevertheless, in its sound discretion, pay breakage for any such error that is brought to its attention.

(d) *Processing claims.* (1) If the initial claim is submitted to the TSP record keeper, the TSP record keeper may either respond directly to the claimant, or may forward the claim to the Board for response. If the TSP record keeper responds to a claim, and all or any part of the claim is denied, the claimant may request review by the Board within 90 days of the date of the record keeper's response.

(2) If the Board denies all or any part of a claim (whether upon review of a TSP record keeper denial or upon an initial review by the Board), the claimant will be deemed to have exhausted his or her administrative remedy and may file suit under 5 U.S.C. 8477. If the claimant does not submit a request to the Board for review of a claim denial by the TSP record keeper within the 90 days permitted under paragraph (d)(1) of this section, the claimant will be deemed to have accepted the TSP record keeper's decision.

Subpart D—Miscellaneous Provisions

§ 1605.31 Contributions missed as a result of military service.

(a) *Applicability.* This section applies to employees who meet the conditions specified at 5 CFR 1620.40 and who are eligible to make up employee contributions or to receive employing agency contributions missed as a result of military service.

(b) *Missed employee contributions.* An employee who separates or enters nonpay status to perform military service may be eligible to make up TSP contributions when he or she is reemployed or restored to pay status in the civilian service. Eligibility for making up missed employee contributions will be determined in accordance with the rules specified at 5 CFR part 1620, sub-

part E. Missed employee contributions must be made up in accordance with the rules set out in §1605.11(c) and 5 CFR 1620.42.

(c) *Missed agency contributions.* This paragraph (c) applies only to an employee who would have been eligible to receive agency contributions had he or she remained in civilian service or pay status. A FERS employee who separates or enters nonpay status to perform military service is eligible to receive agency makeup contributions when he or she is reemployed or restored to pay status in the civilian service, as follows:

(1) The employee is entitled to receive the Agency Automatic (1%) Contributions that he or she would have received had he or she remained in civilian service or pay status. Within 60 days of the employee's reemployment or restoration to pay status, the employing agency must calculate the Agency Automatic (1%) makeup contributions and report those contributions to the record keeper, subject to any reduction in Automatic (1%) Contributions required by paragraph (c)(5) of this section.

(2) An employee who contributed to a uniformed services TSP account during the period of military service is also immediately entitled to receive agency matching makeup contributions to his or her civilian account for the employee contributions to the uniformed services account that were deducted from his or her basic pay, subject to any reduction in matching contributions required by paragraph (c)(4) of this section. However, an employee is not entitled to receive agency matching makeup contributions on contributions that were deducted from his or her incentive pay or special pay, including bonus pay, while performing military service.

(3) An employee who makes up missed contributions is entitled to receive attributable agency matching makeup contributions (unless the employee has already received the maximum amount of matching contributions, as described in paragraphs (c)(2) and (c)(4) of this section).

(4) If the employee received uniformed services matching contributions, the agency matching makeup

Pt. 1620

5 CFR Ch. VI (1–1–20 Edition)

contributions will be reduced by the amount of the uniformed services matching contributions.

(5) If the employee received uniformed services Automatic (1%) Contributions, the Agency Automatic (1%) Contributions will be reduced by the amount of the uniformed services Automatic (1%) Contributions.

(d) *Breakage*. The employee is entitled to breakage on agency contributions made under paragraph (c) of this section. Breakage will be calculated based on the contribution allocation(s) on file for the participant during the period of military service.

Subpart A—General

§ 1620.1 Application.

The Federal Employees' Retirement System Act of 1986 (codified as amended largely at 5 U.S.C. 8351 and 8401 through 8479) originally limited TSP eligibility to specifically named groups of employees. On various occasions, Congress has since expanded TSP eligibility to other groups. Depending on the circumstances, that subsequent legislation requires retroactive contributions or provides other special features. Where necessary, this part describes those special features. The employees and employing agencies covered by this part are also governed by the other regulations in 5 CFR chapter VI to the extent that they do not conflict with the regulations of this part.

The definitions generally applicable to the Thrift Savings Plan are set forth at 5 CFR 1690.1.

Federal Retirement Thrift Investment Board

§ 1620.14

§ 1620.3 Contributions.

The employing agency is responsible for transmitting to the Board's record keeper, in accordance with Board procedures, any employee and employer contributions that are required by this part.

§ 1620.4 Notices.

An employing agency must notify affected employees of the application of this part as soon as practicable.

Subpart B—Cooperative Extension Service, Union, and Intergovernmental Personnel Act Employees

§ 1620.10 Definition.

As used in this subpart, *employing authority* means the entity that employs an individual described in §1620.11 and which has the authority to make personnel compensation decisions for such employee.

§ 1620.11 Scope.

This subpart applies to any individual participating in CSRS or FERS who:

(a) Has been appointed or otherwise assigned to one of the cooperative extension services, as defined in 7 U.S.C. 3103(5);

(b) Has entered on approved leave without pay to serve as a full-time officer or employee of an organization composed primarily of employees as defined by 5 U.S.C. 8331(1) and 8401(1); or

(c) Has been assigned, on an approved leave-without-pay basis, from a Federal agency to a state or local government under 5 U.S.C. chapter 33, subchapter VI.

§ 1620.12 Employing authority contributions.

The employing authority, at its sole discretion, may choose to make employer contributions under 5 U.S.C. 8432(c) for employees who are covered under FERS. Such contributions may be made for any period of eligible service after January 1, 1984, provided that the employing agency must treat all its employees who are eligible to receive employer contributions in the

same manner. The employing authority can commence or terminate employer contributions at any time after providing all affected employees with notice of a decision to commence or terminate such contributions at least 45 days before the beginning of the applicable election period. The employing authority may not contribute to the TSP on behalf of CSRS employees.

[64 FR 31057, June 9, 1999, as amended at 70 FR 32213, June 1, 2005]

§ 1620.13 Retroactive contributions.

(a) An employing authority can make retroactive employer contributions on behalf of FERS employees described in this subpart, but cannot duplicate employer contributions already made to the TSP.

(b) An employing authority making retroactive employing agency contributions on behalf of a FERS employee described in §1620.12 must continue those contributions (but only to the extent they relate to service with the employing authority) if the employee returns to his or her agency of record or is transferred to another Federal agency without a break in service.

(c) CSRS and FERS employees covered by this subpart can make retroactive employee contributions relating to periods of service described in §1620.12, unless they already have been given the opportunity to make contributions for these periods of service.

§ 1620.14 Payment to the record keeper.

(a) The employing authority of a cooperative extension service employee (described at §1620.11(a)) is responsible for transmitting employer and employee contributions to the TSP record keeper.

(b) The employing authority of a union employee or an Intergovernmental Personnel Act employee (described at §1620.11(b) and (c), respectively) is responsible for transmitting employer and employee contributions to the employee's Federal agency of record. Employee contributions will be deducted from the employee's actual pay. The employee's agency of record is responsible for transmitting the employer and employee's contributions to the TSP record keeper in accordance

§ 1620.20

with Board procedures. The employee's election form (TSP-1) will be filed in the employee's official personnel folder or other similar file maintained by the employing authority.

Subpart C—Justices and Judges

§ 1620.20 Scope.

(a) This subpart applies to:

(1) A justice or judge of the United States as defined in 28 U.S.C. 451;

(2) A bankruptcy judge appointed under 28 U.S.C. 152 or a United States magistrate judge appointed under 28 U.S.C. 631 who has chosen to receive a judges' annuity described at 28 U.S.C. 377 or section 2(c) of the Retirement and Survivors' Annuities for Bankruptcy Judges and Magistrates Act of 1988, Public Law 100-659, 102 Stat. 3910-3921;

(4) A judge of the Court of Veterans Appeals appointed under 38 U.S.C. 7253.

(b) This subpart does not apply to a bankruptcy judge or a United States magistrate judge who has not chosen a judges' annuity, or to a judge of the United States Court of Federal Claims who is not covered by 28 U.S.C. 178. Those individuals may participate in the TSP only if they are otherwise covered by CSRS or FERS.

[64 FR 31057, June 9, 1999, as amended at 70 FR 32213, June 1, 2005]

§ 1620.21 Contributions.

(a) An individual covered under this subpart can make contributions to the TSP from basic pay in the amount described at 5 CFR 1600.22(a)(1). Unless stated otherwise in this subpart, he or she is covered by the same rules that apply to a CSRS participant in the TSP.

(b) The following amounts are not basic pay and no TSP contributions can be made from them:

(1) An annuity or salary received by a justice or judge of the United States (as defined in 28 U.S.C. 451) who is retired under 28 U.S.C. 371(a) or (b), or 372(a);

§ 1620.22 Withdrawals.

(1) Upon separation from Government employment.

(2) In addition to the circumstance described in paragraph (a)(1) of this section, a post-employment withdrawal election can be made by:

(i) A justice or judge of the United States (as defined in 28 U.S.C. 451) who retires under 28 U.S.C. 317(a) or (b) or 372(a);

(ii) A bankruptcy judge or a United States magistrate judge receiving a judges' annuity under 28 U.S.C. 377;

(iii) A judge of the United States Court of Federal Claims receiving an annuity or salary under 28 U.S.C. 178; and

(iv) A judge of the United States Court of Veterans Appeals receiving retired pay under 38 U.S.C. 7296.

(b) *In-service withdrawals.* An individual covered under this subpart can request an in-service withdrawal described at 5 U.S.C. 8433(h) if he or she:

(a) The current spouse of a justice or judge of the United States (as defined in 28 U.S.C. 451), or of a Court of Veterans Appeals judge, possesses the rights described at 5 U.S.C. 8351(b)(5).

(b) A current or former spouse of a bankruptcy judge, a United States magistrate judge, or a judge of the United States Court of Federal Claims, possesses the rights described at 5 U.S.C. 8435 and 8467 if the judge is covered under this subpart.

Subpart D—Nonappropriated Fund Employees

§ 1620.30 Scope.

This subpart applies to any employee of a Nonappropriated Fund (NAF) instrumentality of the Department of Defense (DOD) or the U.S. Coast Guard who elects to be covered by CSRS or FERS and to any employee in a CSRS- or FERS-covered position who elects to be covered by a retirement plan established for employees of a NAF instrumentality pursuant to the Portability of Benefits for Nonappropriated Fund Employees Act of 1990, Public Law 101-508, 104 Stat. 1388, 1388-335 to 1388-341, as amended (codified largely at 5 U.S.C. 8347(q) and 8461(n)).

§ 1620.31 Definition.

As used in this subpart, *move* means moving from a position covered by CSRS or FERS to a NAF instrumentality of the DOD or Coast Guard, or *vice versa*, without a break in service of more than one year.

§ 1620.32 Employees who move to a NAF instrumentality on or after August 10, 1996.

Any employee who moves from a CSRS- or FERS-covered position to a NAF instrumentality on or after August 10, 1996, and who elects to continue to be covered by CSRS or FERS, will be eligible to contribute to the TSP as determined in accordance with 5 CFR part 1600.

§ 1620.33 [Reserved]

§ 1620.34 Employees who move from a NAF instrumentality to a Federal Government agency.

(a) An employee of a NAF instrumentality who moves from a NAF instrumentality to a Federal Government agency and who elects to be covered by

a NAF retirement system is not eligible to participate in the TSP. Any TSP contributions relating to a period for which an employee elects retroactive NAF retirement coverage must be removed from the TSP as required by the regulations at 5 CFR part 1605.

(b) An employee of a NAF instrumentality who moves from a NAF instrumentality to a Federal Government agency and who elects to be covered by CSRS or FERS will become eligible to participate in the TSP as determined in accordance with 5 CFR part 1600.

§ 1620.35 Loan payments.

NAF instrumentalities must deduct and transmit TSP loan payments for employees who elect to be covered by CSRS or FERS to the record keeper in accordance with 5 CFR part 1655 and Board procedures. Loan payments may not be deducted and transmitted for employees who elect to be covered by the NAF retirement system. Such employees will be considered to have separated from Government service and must prepay their loans or the TSP will declare the loan to be a taxable distribution.

§ 1620.36 Transmission of information.

Any employee who moves to a NAF instrumentality must be reported by the losing Federal Government agency to the TSP record keeper as having transferred to a NAF instrumentality of the DOD or Coast Guard rather than as having separated from Government service. If the employee subsequently elects not to be covered by CSRS or FERS, the NAF instrumentality must submit an Employee Data Record to report the employee as having separated from Federal Government service as of the date of the move.

Subpart E—Uniformed Services Employment and Reemployment Rights Act (USERRA)—Covered Military Service

§ 1620.40 Scope.

To be covered by this subpart, an employee must have:

(a) Separated from Federal civilian service or entered leave-without-pay

§ 1620.41

status in order to perform military service; and

(b) Become eligible to seek reemployment or restoration to duty by virtue of a release from military service, discharge from hospitalization, or other similar event that occurred on or after August 2, 1990; and

(c) Been reemployed in, or restored to, a position covered by CSRS or FERS pursuant to the provisions of 38 U.S.C. chapter 43.

§ 1620.41 Definitions.

As used in this subpart:

Current contributions means contributions that must be made for the current pay date which is reported on the journal voucher that accompanies the payroll submission.

Nonpay status means an employer-approved temporary absence from duty.

Reemployed or returned to pay status means reemployed in or returned to a pay status, pursuant to 38 U.S.C. chapter 43, to a position that is subject to 5 U.S.C. 8351 or chapter 84.

Retroactive period means the period for which an employee can make up missed employee contributions and receive missed agency contributions. It begins the day after the employee separates or enters nonpay status to perform military service and ends when the employee is reemployed or returned to pay status.

Separate from civilian service means to cease employment with the Federal Government, the U.S. Postal Service, or with any other employer from a position that is deemed to be civilian Government employment for purposes of participating in the TSP, for 31 or more full calendar days.

[67 FR 49525, July 30, 2002]

§ 1620.42 Processing TSP contribution elections.

(a) *Current contribution election.* If the employee entered nonpay status with a valid contribution election on file, the agency must immediately reinstate that election for current contributions when the employee returns to pay status, unless the employee files a new contribution election. If the employee separated to perform military service, he or she must make a new contribu-

5 CFR Ch. VI (1–1–20 Edition)

tion election to begin current contributions.

(b) *Makeup contribution election.* Upon reemployment or return to pay status, an employee has 60 days to elect to make up missed contributions. An employee's right to make retroactive TSP contributions will expire if an election is not made within 60 days of the participant's reemployment or return to pay status.

(c) *Makeup contributions.* Makeup contributions will be processed as follows:

(1) If the employee had a valid contribution election on file when he or she separated or entered nonpay status to perform military service, that election form will be reinstated for purposes of determining the makeup contributions, unless the employee submits a new contribution election which he or she could otherwise have made but for the performance of military service.

(2) An employee who terminated contributions within two months of entering military service will also be eligible to make a retroactive contribution election to be effective on the date the contributions were terminated.

[70 FR 32213, June 1, 2005]

§ 1620.43 Agency payments to record keeper; agency ultimately responsible.

(a) *Agency making payments to record keeper.* The current employing agency is responsible for making payments to the record keeper for all contributions, regardless of whether some of that expense is ultimately chargeable to a prior employing agency.

(b) *Agency ultimately chargeable with expense.* The agency that reemployed the participant is ordinarily the agency ultimately chargeable with the expense of agency contributions and the breakage attributable to them. However, if an employee changed agencies during the period between the date of reemployment and October 13, 1994, the employing agency as of October 13, 1994, is the agency ultimately chargeable with the expense.

(c) *Reimbursement by agency ultimately chargeable with expense.* If the agency that made the payments to the record keeper for agency contributions is not

Federal Retirement Thrift Investment Board

§ 1620.45

the agency ultimately chargeable for that expense, the agency that made the payments to the record keeper may, but is not required to, obtain reimbursement from the agency ultimately chargeable with the expense.

[70 FR 32213, June 1, 2005]

§ 1620.44 Restoring forfeited agency automatic (1%) contributions.

If an employee's agency automatic (1%) contributions were forfeited because the employee was not vested when he or she separated to perform military service, the employee must notify the employing agency that a forfeiture occurred. The employing agency will follow the procedure described in §1620.46(e) to have those funds restored.

[64 FR 31057, June 9, 1999, as amended at 67 FR 49526, July 30, 2002]

§ 1620.45 Suspending TSP loans, restoring post-employment withdrawals, and reversing taxable distributions.

(a) *Suspending TSP loans during non-pay status.* If the TSP is notified that an employee entered into a nonpay status to perform military service, any outstanding TSP loan from a civilian TSP account will be suspended, that is, it will not be declared a taxable distribution while the employee is performing military service.

(1) Interest will accrue on the loan balance during the period of suspension. When the employee returns to civilian pay status, the employing agency will resume deducting loan payments from the participant's basic pay and the TSP will reamortize the loan (which will include interest accrued during the period of military service). The maximum loan repayment term will be extended by the employee's period of military service. Consequently, when the employee returns to pay status, the TSP record keeper must receive documentation to show the beginning and ending dates of military service.

(2) The TSP may close the loan account and declare it to be a taxable distribution if the TSP does not receive documentation that the employee entered into nonpay status. However, the taxable distribution can be reversed in

accordance with paragraph (c) of this section.

(b) *Restoring post-employment withdrawals.* An employee who separates from civilian service to perform military service and who receives an automatic cashout of his or her account may return to the TSP an amount equal to the amount of the payment. The employee must notify the TSP record keeper of his or her intent to return the withdrawn funds within 90 days of the date the employee returns to civilian service or pay status; if the employee is eligible to return a withdrawal, the TSP record keeper will then inform the employee of the actions that must be taken to return the funds.

(c) *Reversing taxable distributions.* An employee may request that a taxable loan distribution be reversed if the taxable distribution resulted from the employee's separation or placement in nonpay status to perform military service. The TSP will reverse the taxable distribution under the process described as follows:

(1) An employee who received a post-employment withdrawal when he or she separated to perform military service can have a taxable distribution reversed only if the withdrawn amount is returned as described in paragraph (b) of this section;

(2) A taxable loan distribution can be reversed either by reinstating the loan or by repaying it in full. The TSP loan can be reinstated only if the employee agrees to repay the loan within the maximum loan repayment term plus the length of military service, and if, after reinstatement of the loan, the employee will have no more than two outstanding loans, only one of which is a residential loan; and

(3) The employee must notify the TSP record keeper of his or her intent to reverse a taxable loan distribution within 90 days of the date the employee returns to civilian service or pay status; if the employee is eligible to reverse a taxable loan distribution, the TSP record keeper will then inform the employee of the actions that must be taken to reverse the distribution.

§ 1620.46

(d) *Breakage*. Employees will not receive breakage on amounts returned to their accounts under this section.

§ 1620.46 Agency responsibilities.

(a) *General*. Each employing agency must establish procedures for implementing these regulations. These procedures must at a minimum require agency personnel to identify eligible employees and notify them of their options under these regulations and the time period within which these options must be exercised.

(b) *Agency records; procedure for reimbursement*. The agency making payments to the record keeper for all contributions and attributable breakage will obtain from prior employing agencies whatever information is necessary to make accurate payments. If a prior employing agency is ultimately chargeable under §1620.43(b) for all or part of this expense, the agency making the payments to the record keeper will determine the procedure to follow in order to collect amounts owed to it by the agency ultimately chargeable with the expense.

(c) *Payment schedule; matching contributions report*. Agencies will, with the employee's consent, prepare a payment schedule for making retroactive employee contributions which will be consistent with the procedures established at 5 CFR part 1605 for the correction of employing agency errors.

(d) *Agency automatic (1%) contributions*. Employing agencies must calculate the agency automatic (1%) contributions for all reemployed (or restored) FERS employees and report those contributions to the record keeper within 60 days of reemployment.

(e) *Forfeiture restoration*. When notified by an employee that a forfeiture of the agency automatic (1%) contributions occurred after the employee separated to perform military service, the employing agency must complete and file the appropriate paper TSP form with the TSP record keeper in accordance with the form's instructions to have those funds restored.

(f) *Thrift Savings Plan Service Computation Date*. The agencies must include the period of military service in

5 CFR Ch. VI (1–1–20 Edition)

the Thrift Savings Plan Service Computation Date (TSP-SCD) of all reemployed FERS employees. If the period of military service has not been credited, the agencies must submit an employee data record to the TSP record keeper containing the correct TSP Service Computation Date.

If an individual is unable to produce adequate identification, the individual must sign a statement asserting his or her identity and acknowledging that knowingly or willfully seeking or obtaining access to records about another person under false pretenses may result in a fine of up to \$5,000 (see § 1630.18). In addition, depending upon the sensitivity of the records, the Privacy Act Officer or record keeper designee after consulting with the appropriate system manager may require further reasonable assurances, such as statements of other individuals who can attest to the identity of the requester.

(b) *In writing.* A participant shall provide his or her name, date of birth, and account number or Social Security number and shall sign the request. Most other individuals shall provide the participant's account number or Social Security number, shall provide a statement of relationship to the participant unless it is clearly identified in the nature of the correspondence, and shall sign the request. If a request for access is granted by mail and, in the opinion of the Privacy Act Officer or record keeper designee after consulting with the appropriate system manager, the disclosure of the records through the mail may result in harm or embarrassment (if a person other than the subject individual were to receive the records), a notarized state-

ment of identity or some other similar assurance of identity will be required.

(2) A participant or a spouse, former spouse, or beneficiary of a participant must identify himself or herself by providing to the record keeper designee his or her name, account number (or case reference number) or Social Security number, and any other information requested. If the record keeper designee determines that any of the information provided by telephone is incorrect, the requester will be required to submit a request in writing.

(3) A participant may also access the TSP Web site or call the TSP ThriftLine to obtain account information. These systems may require identity and account verification information such as the participant's account number and Web password or PIN for the Web site and ThriftLine respectively.

§ 1630.11 Requirements for requests to amend records.

(a) *TSP records.* (1) A spouse, former spouse or beneficiary of a TSP participant who wants to correct or amend his or her record must write to the TSP record keeper. A participant in the TSP who wants to correct or amend a TSP record pertaining to him or her shall submit a written request in accordance with the following chart:

To correct or amend a TSP record		
If the type of record is:	If you are a participant who is a current Federal employee write to:	If you are a participant who has separated from Federal employment write to:
Personnel or personal records (e.g., age, address, Social Security number, date of birth)..	Write to your employing agency..	Write to TSP record keeper.

§ 1630.12

5 CFR Ch. VI (1–1–20 Edition)

To correct or amend a TSP record		
If the type of record is:	If you are a participant who is a current Federal employee write to:	If you are a participant who has separated from Federal employment write to:
The agency's and the participant's contributions, and adjustments to contributions..	Write to your employing agency..	Write to your former employing agency.
Earnings, investment allocation, interfund transfers, loans, loan repayments, and withdrawals.	Write to TSP record keeper..	Write to TSP record keeper.

(2) The address of the record keeper is listed in § 1630.4(a).

(3) Requests for amendments which are claims for money because of administrative error will be processed in accordance with the Board's Error Correction regulations found at 5 CFR part 1605. Sections 1630.12(b)–1630.14 of this part do not apply to such money claim amendments to TSP records as the Error Correction regulations are an equivalent substitute. Non-money claim TSP record appeals are covered by §§ 1630.12–1630.14, or if covered by the above chart the employing, or former employing, agency's Privacy Act procedures.

(4) Corrections to TSP account records which are made by the Board, its recordkeeper or the employing agency or the former employing agency on its own motion because of a detected administrative error will be effected without reference to Privacy Act procedures.

(5) A participant in the TSP who is currently employed by a Federal agency should be aware that the employing agency provides to the Board personal and payroll records on the participant, such as his or her date of birth, Social Security number, retirement code, address, loan repayments, the amount of participant's contribution, amount of the Government's contribution, if the participant is covered by the Federal Employees' Retirement System Act (FERSA, 5 U.S.C. Chapter 84), and adjustments to contributions. Requests submitted to the Board, or its recordkeeper, to correct information provided by the employing Federal agency will be referred to the employing agency. The reason for this referral is that the Board receives information periodically for the TSP accounts; if the employing agency does not resolve the alleged error, the Board will continue to receive the uncorrected information periodically regardless of a one-time Board correction. The employing agency also has custody of the election form (which is maintained in the Official Personnel Folder). Requests for amendment or correction of records described in this paragraph should be made to the employing agency.

(b) *Non-TSP records.* (1) Any other individual who wants to correct or amend a record pertaining to him or her shall submit a written request to the Board's Privacy Act Officer whose address is listed in § 1630.4. The words "Privacy Act—Request to Amend Record" should be written on the letter and the envelope.

(2) The request for amendment or correction of the record should, if possible, state the exact name of the system of records as published in the FEDERAL REGISTER; a precise description of the record proposed for amendment; a brief statement describing the information the requester believes to be inaccurate or incomplete, and why; and the amendment or correction desired. If the request to amend the record is the result of the individual's having gained access to the record in accordance with §§ 1630.4, 1630.5, 1630.6 or § 1630.7, copies of previous correspondence between the requester and the Board should be attached, if possible.

(3) If the individual's identity has not been previously verified, the Board may require documentation of identification as described in § 1630.7.

(3) If the individual's identity has not been previously verified, the Board may require documentation of identification as described in § 1630.7.

§ 1630.12 Action on request to amend a record.

(a) For TSP records, the record keeper will acknowledge a request for amendment of a record, which is to be decided by that office in accordance with the chart in § 1630.11, within 10 work days. Requests received by the record keeper which are to be decided by the current or former employing agency will be sent to that agency by the record keeper within 3 work days of

the date of receipt. A copy of the transmittal letter will be sent to the requester.

(b) For non-TSP records, the Privacy Act Officer will acknowledge a request for amendment of a record within 10 work days of the date the Board receives it. If a decision cannot be made within this time, the requester will be informed by mail of the reasons for the delay and the date when a reply can be expected, normally within 30 work days from receipt of the request.

(c) The final response will include the decision whether to grant or deny the request. If the request is denied, the response will include:

- (1) The reasons for the decision;
- (2) The name and address of the official to whom an appeal should be directed;
- (3) The name and address of the official designated to assist the individual in preparing the appeal;

(a) Individuals who disagree with the refusal to grant them access to or to amend a record about them should submit a written request for review to the Executive Director, Federal Retirement Thrift Investment Board, 77 K Street, NE., Suite 1000, Washington, DC 20002. The words "PRIVACY ACT—APPEAL" should be written on the letter and the envelope. Individuals who need assistance preparing their appeal should contact the Board's Privacy Act Officer.

(b) The appeal letter must be received by the Board within 30 calendar days from the date the requester received the notice of denial. At a minimum, the appeal letter should identify:

- (1) The records involved;
- (2) The date of the initial request for access to or amendment of the record;
- (3) The date of the Board's denial of that request; and

Copies of previous correspondence from the Board denying the request to access or amend the record should also be attached, if possible.

(c) The Board reserves the right to dispose of correspondence concerning the request to access or amend a record if no request for review of the Board's decision is received within 180 days of the decision date. Therefore, a request for review received after 180 days may, at the discretion of the Privacy Act Officer, be treated as an initial request to access or amend a record.

[55 FR 18852, May 7, 1990, as amended at 59 FR 55331, Nov. 7, 1994; 77 FR 11384, Feb. 27, 2012]

§ 1630.14 Appeals process.

(a) Within 20 work days of receiving the request for review, the Executive Director will make a final determination on appeal. If a final decision cannot be made in 20 work days, the Privacy Act Officer will inform the requester of the reasons for the delay and the date on which a final decision can be expected. Such extensions are unusual, and should not exceed an additional 30 work days.

(b) If the original request was for access and the initial determination is reversed, the procedures in § 1630.7 will be followed. If the initial determination is upheld, the requester will be so informed and advised of the right to judicial review pursuant to 5 U.S.C. 552a(g).

(c) If the initial denial of a request to amend a record is reversed, the Board or the record keeper will correct the record as requested and inform the individual of the correction. If the original decision is upheld, the requester will be informed and notified in writing of the right to judicial review pursuant to 5 U.S.C. 552a(g) and the right to file a concise statement of disagreement with the Executive Director. The statement of disagreement should include an explanation of why the requester believes the record is inaccurate, irrelevant, untimely, or incomplete. The Executive Director shall maintain the statement of disagreement with the disputed record, and shall include a

§ 1631.4 Proactive disclosure of Board records.

(a) Records that are required by the FOIA to be made available for public inspection and copying may be accessed through the Board's Web site at <https://www.frtib.gov>. The Board is responsible for determining which of its records are required to be made publicly available, as well as identifying additional records of interest to the public that are appropriate for public disclosure, and for posting and indexing such records. The Board shall ensure that its Web site of posted records and indices is reviewed and updated on an ongoing basis. The Board has a FOIA Public Liaison who can assist individuals in locating records particular to a component. The FOIA Public Liaison can be contacted at frtibfoialiaison@tsp.gov.

(b) The FOIA Officer shall maintain an index of Board regulations, directives, bulletins, and published materials.

(c) The FOIA officer shall also maintain a file open to the public, which shall contain copies of all grants or denials of FOIA requests, appeals, and appeal decisions by the Executive Director. [82 FR 24826, May 31, 2017]

§ 1631.6 How to request records—form and content.

(a) A request made under the FOIA may be submitted by one of the following methods:

(1) In writing addressed to FOIA Officer, Federal Retirement Thrift Investment Board, 77 K Street NE., Suite 1000, Washington, DC 20002. The words "FOIA Request" should be clearly marked on both the letter and the envelope.

(2) By electronic mail at FOIAREQUEST@tsp.gov. The subject should include the words "FOIA Request."

(3) By facsimile, Attn: FOIA Officer, at 202-942-1676. The facsimile should be clearly marked with the words "FOIA Request."

(b) Each request must reasonably describe the record(s) sought, including, when known: Entity/individual originating the record, date, subject matter, type of document, location, and any other pertinent information which would assist in promptly locating the record(s). Each request should also describe the type of entity the requester is for fee purposes. See § 1631.11.

(c) When a request is not considered reasonably descriptive, or requires the production of voluminous records, or places an extraordinary burden on the Board, seriously interfering with its normal functioning to the detriment of the Thrift Savings Plan, the Board may require the person or agent making the FOIA request to confer with a Board representative in order to attempt to verify, and, if possible, narrow the scope of the request.

(d) Upon initial receipt of the FOIA request, the FOIA Officer will determine which official or officials within the Board shall have the primary responsibility for collecting and reviewing the requested information and drafting a proposed response.

(e) Any Board employee or official who receives a FOIA request shall promptly forward it to the FOIA Officer, at the above address. Any Board employee or official who receives an oral request for records shall inform the requestor that FOIA requires requests to be in writing according to the procedures set out herein.

§ 1631.7

5 CFR Ch. VI (1–1–20 Edition)

(f) When a person requesting expedited access to records has demonstrated a compelling need, or when the Board has determined that it is appropriate to expedite its response, the Board will process the request ahead of other requests.

(g) To demonstrate compelling need in accordance with paragraph (f) of this section, the requester must submit a written statement that contains a certification that the information provided therein is true and accurate to the best of the requester's knowledge and belief. The statement must demonstrate that:

(1) The failure to obtain the record on an expedited basis could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(2) The requester is a person primarily engaged in the dissemination of information, and there is an urgent need to inform the public concerning an actual or alleged Federal Government activity that is the subject of the request.

[55 FR 41052, Oct. 9, 1990, as amended at 59 FR 55331, Nov. 7, 1994; 63 FR 41708, Aug. 5, 1998; 77 FR 11384, Feb. 27, 2012; 77 FR 61229, Oct. 9, 2012; 82 FR 24826, May 31, 2017]

§ 1631.7 Initial determination.

The FOIA Officer shall have the authority to approve or deny requests received pursuant to these regulations. The decision of the FOIA Officer shall be final, subject only to administrative review as provided in § 1631.10.

§ 1631.8 Prompt response.

(a)(1) When the FOIA Officer receives a request for expedited processing, he or she will determine within 10 work days whether to process the request on an expedited basis.

(2) When the FOIA Officer receives a request for records which he or she, in good faith, believes is not reasonably descriptive, he or she will so advise the requester within 5 work days. The time limit for processing such a request will not begin until receipt of a request that reasonably describes the records being sought.

(b) The FOIA Officer will either approve or deny a reasonably descriptive request for records within 20 workdays

after receipt of the request. Whenever the Board cannot meet the statutory time limit for processing a request because of "unusual circumstances," as defined in the FOIA, and the Board extends the time limit on that basis, the Board must, before expiration of the 20-day period to respond, notify the requester in writing of the unusual circumstances involved and of the date by which the Board estimates processing of the request will be completed. Where the extension exceeds 10 working days, the Board must, as described by the FOIA, provide the requester with an opportunity to modify the request or arrange an alternative time period for processing the original or modified request through the Board's FOIA Public Liaison or FOIA Officer.

(c) When additional time is required for one of the reasons stated in paragraph (b) of this section, the FOIA Officer will extend this time period for an additional 10 work days by written notice to the requester. If the Board will be unable to process the request within this additional time period, the requester will be notified and given the opportunity to—

(1) Limit the scope of the request; or

(2) Arrange with the FOIA Officer an alternative time frame for processing the request.

[63 FR 41708, Aug. 5, 1998, as amended at 82 FR 24826, May 31, 2017]

§ 1631.9 Responses—form and content.

(a) When a requested record has been identified and is available, the FOIA officer shall notify the person making the request as to where and when the record is available for inspection or that copies will be made available. The notification shall also provide the requester with an estimated amount of fees assessed under § 1631.13 of this part, including a breakdown of the fees for search, review, and/or duplication.

(b) A denial or partial denial of a request for a record shall be in writing signed by the FOIA Officer and shall include:

(1) The name and title of the person making the determination;

(2) A statement of fees assessed, if any; and

(3) A reference to the specific exemption under the FOIA authorizing the

withholding of the record, and a brief explanation of how the exemption applies to the record withheld; or

(4) If appropriate, a statement that, after diligent effort, the requested records have not been found or have not been adequately examined during the time allowed by §1631.8, and that the denial will be reconsidered as soon as the search or examination is complete; and

(5) A statement that the denial may be appealed to the Executive Director within 90 calendar days of receipt of the denial or partial denial, that the requestor has the option to contact the Agency's FOIA Liaison at *frtibfoialiaison@tsp.gov*, and that the requestor has the option to contact the Office of Government Information Service (OGIS) as a non-exclusive alternative to litigation.

(c) If, after diligent effort, existing requested records have not been found, or are known to have been destroyed or otherwise disposed of, the FOIA Officer shall so notify the requester.

[55 FR 41052, Oct. 9, 1990, as amended at 79 FR 68094, Nov. 14, 2014; 82 FR 24827, May 31, 2017]

§ 1631.10 Appeals to the Executive Director from initial denials.

(a) A requestor may appeal any adverse determinations to the Executive Director. The appeal must be made in writing and for it to be considered timely it must be postmarked, or in the case of electronic submissions, transmitted, within 90 calendar days of receipt of the denial or partial denial. The appeal should be addressed to the Executive Director, Federal Retirement Thrift Investment Board, 77 K Street NE., Suite 1000, Washington, DC 20002, and should be clearly labeled as a "Freedom of Information Act Appeal."

(b)(1) The Executive Director will act upon the appeal of a denial of a request for expedited processing within 5 work days of its receipt.

(2) The Executive Director will act upon the appeal of a denial of a request for records within 20 work days of its receipt.

(c) The Executive Director will decide the appeal in writing and mail the decision to the requester.

(d) If the appeal concerns an expedited processing request and the deci-

sion is in favor of the person making the request, the Executive Director will order that the request be processed on an expedited basis. If the decision concerning a request for records is in favor of the requester, the Executive Director will order that the subject records be promptly made available to the person making the request.

(e) If the appeal of a request for expedited processing of records is denied, in whole or in part, the Executive Director's decision will set forth the basis for the decision. If the appeal of a request for records is denied, in whole or in part, the Executive Director's decision will set forth the exemption relied on and a brief explanation of how the exemption applies to the records withheld and the reasons for asserting it, if different from the reasons described by the FOIA Officer under §1631.9. The denial of a request for records will state that the person making the request may, if dissatisfied with the decision on appeal, file a civil action in Federal court. (A Federal court does not have jurisdiction to review a denial of a request for expedited processing after the Board has provided a complete response to the request.) The denial will also inform the requester of the mediation services offered by the Office of Government Information Services (OGIS) of the National Archives and Records Administration as a non-exclusive alternative to litigation. If the FOIA Officer's decision is remanded or modified on appeal, the requestor will be notified of that determination in writing.

(f) No personal appearance, oral argument, or hearing will ordinarily be permitted in connection with an appeal of a request for expedited processing or an appeal for records.

(g) On appeal of a request concerning records, the Executive Director may reduce any fees previously assessed.

(h) Seeking mediation and dispute resolution services through OGIS is a voluntary process. If the requestor chooses to use these services, the Board will work with OGIS to resolve disputes between requestors and the Board as a non-exclusive alternative to litigation.

§ 1631.11

(i) Before seeking review by a court of the FOIA Officer's adverse determination, a requestor generally must first submit a timely administrative appeal to the Executive Director.

[79 FR 68094, Nov. 14, 2014, as amended at 82 FR 24827, May 31, 2017]

§ 1631.11 Fees to be charged—categories of requesters.

(a) In general, the Board will charge for processing requests under the FOIA in accordance with the provisions of this section and with the OMB Guidelines. For purposes of assessing fees there are three categories of FOIA requestors—commercial use requestors, non-commercial scientific or educational institutions or news media requestors, and all other requestors.

(1) Fees shall be limited to reasonable standard charges for document search, duplication, and review, when records are requested for commercial use. Commercial users are not entitled to two hours of free search time or 100 free pages of reproduction of documents. The full allowable direct cost of searching for, and reviewing records will be charged even if there is ultimately no disclosure of records. A commercial use request is a request that asks for information for a use or a purpose that furthers a commercial, trade, or profit interest, which can include furthering those interests through litigation. The Board's decision to place a requester in the commercial use category will be made on a case-by-case basis based on the requester's intended use of the information. The Board will notify requestors of their placement in this category.

(2) Fees shall be limited to reasonable standard charges for document duplication when records are not sought for commercial use and the request is made by a representative of the news media. A representative of the news media is any person or entity that gathers information of potential interest to a segment of the public, uses its editorial skills to turn the raw materials into a distinct work, and distributes that work to an audience. The term "news" means information that is about current events or that would be of current interest to the public.

5 CFR Ch. VI (1–1–20 Edition)

The Board will advise requestors of their placement in this category.

(3) Fees shall be limited to reasonable standard charges for document duplication when records are not sought for commercial use and the request is made by an educational or noncommercial scientific institution, whose purpose is scholarly or scientific research. A noncommercial scientific institution is an institution that is not operated on a "commercial" basis, as defined in paragraph (a)(1) of this section and that is operated solely for the purpose of conducting scientific research the results of which are not intended to promote any particular product or industry. A requester in this category must show that the request is authorized by and is made under the auspices of a qualifying institution and that the records are sought to further scientific research and are not for a commercial use. The Board will advise requestors of their placement in this category.

(4) For any request which does not meet the criteria contained in paragraphs (a)(1) through (3) of this section, fees shall be limited to reasonable standard charges for document search and duplication, except that the first 100 pages of reproduction and the first two hours of search time will be furnished without charge. If computer search time is required, the first two hours of computer search time will be based on the hourly cost of operating the central processing unit and the operator's hourly salary plus 23.5 percent. When the cost of the computer search, including the operator time and the cost of operating the computer to process the request, equals the equivalent dollar amount of two hours of the salary of the person performing the search, *i.e.*, the operator, the Board shall begin assessing charges for computer search. Requests from individuals requesting records about themselves filed in the Board's systems of records shall continue to be treated under the provisions of the Privacy Act of 1974, which permit fees only for reproduction. The Board's fee schedule is set out in § 1631.14 of this part.

(b) Except for requests that are for a commercial use, the Board may not charge for the first two hours of search

time or for the first 100 pages of reproduction. However, a requestor may not file multiple requests at the same time, each seeking portions of a document or documents, solely in order to avoid payment of fees. When the Board believes that a requester or, on rare occasions, a group of requesters acting in concert, is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, the Board may aggregate any such requests and charge accordingly. For example, it would be reasonable to presume that multiple requests of this type made within a 30 calendar day period had been made to avoid fees. For requests made over a long period, however, the Board must have a reasonable basis for determining that aggregation is warranted in such cases. Before aggregating requests from more than one requester, the Board must have a reasonable basis on which to conclude that the requesters are acting in concert and are acting specifically to avoid payment of fees. In no case may the Board aggregate multiple requests on unrelated subjects from one requester.

(c) In accordance with the prohibition of section (4)(A)(iv) of the Freedom of Information Act, as amended, the Board shall not charge fees to any requester, including commercial use requesters, if the cost of collecting a fee would be equal to or greater than the fee itself.

(1) For commercial use requesters, if the direct cost of searching for, reviewing for release, and duplicating the records sought would not exceed \$25, the Board shall not charge the requester any costs.

(2) For requests from representatives of news media or educational and non-commercial scientific institutions, excluding the first 100 pages which are provided at no charge, if the duplication cost would not exceed \$25, the Board shall not charge the requester any costs.

(3) For all other requests not falling within the category of commercial use requests, representatives of news media, or educational and noncommercial scientific institutions, if the direct cost of searching for and duplicating the records sought, excluding the first

two hours of search time and first 100 pages which are free of charge, would not exceed \$25, the Board shall not charge the requester any costs.

(d) Except as provided in paragraphs (d)(1) through (d)(3) of this section, the Board will not assess any search fees (or duplication fees for requesters under (a)(2) or (3) of this section) if the Board fails to comply with the time limits set forth in §1631.8.

(1) If the Board determines that “unusual circumstances,” as defined in the FOIA, apply and the Board provided a timely written notice to the requester in accordance with §1631.8, the Board is excused for an additional 10 days from the restrictions of this section.

(2) If the Board has determined that unusual circumstances apply and more than 5,000 pages are necessary to respond to the request, the Board may charge search fees (or duplication fees for requesters under (a)(2) or (3) of this section) if the Board provided a timely written notice to the requester in accordance with §1631.8 and the Board has discussed with the requester, or made not less than 3 good-faith attempts to do so, how the requester could effectively limit the scope of the request.

(3) If a court has determined that exceptional circumstances exist, as defined in the FOIA, the Agency’s delay shall be excused in accordance with the court order.

[55 FR 41052, Oct. 9, 1990, as amended at 63 FR 41708, Aug. 5, 1998; 82 FR 24827, May 31, 2017]

§ 1631.12 Waiver or reduction of fees.

(a) The Board may waive all fees or levy a reduced fee when disclosure of the information requested is deemed to be in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Board or Federal Government and is not primarily in the commercial interest of the requester. In making its decision on waiving or reducing fees, the Board will consider the following factors:

(1) Whether the subject of the requested records concerns the operations or activities of the Board or the Government,

§ 1631.13

(2) Whether the disclosure is likely to contribute to an understanding of Government operations or activities (including those of the Board),

(3) Whether the disclosure is likely to contribute significantly to public understanding of TSP or Government operations or activities,

(4) Whether the requester has a commercial interest that would be furthered by the requested disclosure, and

(5) Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requester.

(b) A fee waiver request must indicate the existence and magnitude of any commercial interest that the requester has in the records that are the subject of the request.

§ 1631.13 Prepayment of fees over \$250.

(a) When the Board estimates or determines that allowable charges that a requester may be required to pay are likely to exceed \$250.00, the Board may require a requester to make an advance payment of the entire fee before continuing to process the request.

(b) When a requester has previously failed to pay a fee charged in a timely fashion (*i.e.*, within 30 calendar days of the date of the billing), the Board may require the requester to pay the full amount owed plus any applicable interest as provided in § 1631.14(d), and to make an advance payment of the full amount of the estimated fee before the agency begins to process a new request or a pending request from that requester.

(c) When the Board acts under paragraph (a) or (b) of this section, the administrative time limits prescribed in subsection (a)(6) of the FOIA (*i.e.*, 20 working days from the receipt of initial requests and 20 working days from receipt of appeals from initial denial, plus permissible extensions of these time limits) will begin only after the Board has received fee payments under paragraph (a) or (b) of this section.

§ 1631.14 Fee schedule.

(a) *Manual searches for records.* The Board will charge at the salary rate(s) plus 23.5 percent (to cover benefits) of the employee(s) conducting the search. The Board may assess charges for time spent searching, even if the Board fails to locate the records or if records located are determined to be exempt from disclosure.

(b) *Computer searches for records.* The Board will charge the actual direct cost of providing the service. This will include the cost of operating the central processing unit (CPU) for that portion of operating time that is directly attributable to searching for records responsive to a FOIA request and operator/programmer salary, plus 23.5 percent, apportionable to the search. The Board may assess charges for time spent searching, even if the Board fails to locate the records or if records located are determined to be exempt from disclosure.

(c) *Duplication costs.* (1) For copies of documents reproduced on a standard office copying machine in sizes up to 8½ × 14 inches, the charge will be \$.15 per page.

(2) The fee for reproducing copies of records over 8½ × 14 inches, or whose physical characteristics do not permit reproduction by routine electrostatic copying, shall be the direct cost of reproducing the records through Government or commercial sources. If the Board estimates that the allowable duplication charges are likely to exceed \$25, it shall notify the requester of the estimated amount of fees, unless the requester had indicated in advance his/her willingness to pay fees as those anticipated. Such a notice shall offer a requester the opportunity to confer with agency personnel with the objective of reformulating the request to meet his/her needs at a lower cost.

(3) For copies prepared by computer, such as tapes, printouts, or CD's the Board shall charge the actual cost, including operator time, of producing the tapes, printouts, or CD's. If the Board estimates that the allowable duplication charges are likely to exceed \$25, it shall notify the requester of the estimated amount of fees, unless the requester has indicated in advance his/her willingness to pay fees as high as

those anticipated. Such a notice shall offer a requester the opportunity to confer with agency personnel with the objective of reformulating the request to meet his/her needs at a lower cost.

(4) For other methods of reproduction or duplication, the Board shall charge the actual direct costs of producing the document(s). If the Board estimates that the allowable duplication charges are likely to exceed \$25, it shall notify the requester of the estimated amount of fees, unless the requester has indicated in advance his/her willingness to pay fees as high as those anticipated. Such a notice shall offer a requester the opportunity to confer with agency personnel with the objective of reformulating the request to meet his/her needs at a lower cost.

(d) Interest may be charged to those requesters who fail to pay fees charged. The Board may begin assessing interest charges on the amount billed starting on the 31st calendar day following the day on which the billing was sent. Interest will be at the rate prescribed in section 3717 of title 31 of the United States Code, and it will accrue from the date of the billing.

(e) The Board shall use the most efficient and least costly methods to comply with requests for documents made under the FOIA. The Board may choose to contract with private sector services to locate, reproduce, and disseminate records in response to FOIA requests when that is the most efficient and least costly method. When documents responsive to a request are maintained for distribution by agencies operating statutory-based fee schedule programs, such as, but not limited to, the Government Printing Office or the National Technical Information Service, the Board will inform requesters of the steps necessary to obtain records from those sources.

[55 FR 41052, Oct. 9, 1990, as amended at 63 FR 41709, Aug. 5, 1998; 82 FR 24828, May 31, 2017]

§ 1631.15 Information to be disclosed.

(a) In general, all records of the Board are available to the public, as required by the Freedom of Information Act. However, the Board claims the right, where it is applicable, to withhold material under the provisions specified in the Freedom of Informa-

tion Act as amended (5 U.S.C. 552(b)). Nevertheless, the Board will consider whether partial disclosure of information is possible whenever full disclosure of the record is not and take reasonable steps to segregate and release nonexempt information.

(b) *Records from non-U.S. Government source.* (1)(i) Board personnel will generally consider two of the nine exemptions in the FOIA in deciding whether to withhold from disclosure material from a non-U.S. Government source.

(ii) Exemption 4 permits withholding of "trade secrets and commercial or financial information obtained from a person as privileged or confidential." The term "person" refers to individuals as well as to a wide range of entities, including corporations, banks, state governments, agencies of foreign governments, and Native American tribes or nations, who provide information to the government. Exemption 6 permits withholding certain information, the disclosure of which "would constitute a clearly unwarranted invasion of personal privacy."

(2)(i) *Exemption 4.* Commencing January 1, 1988, the submitter of confidential commercial information must, at the time the information is submitted to the Board or within 30 calendar days of such submission, designate any information the disclosure of which the submitter claims could reasonably be expected to cause substantial competitive harm. The submitter as part of its submission, must explain the rationale for the designation of the information as commercial and confidential.

(ii) Confidential commercial information means records provided to the Board by a submitter that arguably contains material exempt from release under Exemption 4 of the FOIA, 5 U.S.C. 552(b)(4), because disclosure could reasonably be expected to cause substantial competitive harm.

(iii) After January 1, 1988, a submitter who does not designate portions of a submission as confidential commercial information waives that basis for nondisclosure unless the Board determines that it has substantial reason to believe that disclosure of the requested records would result in substantial harm to the competitive position of the submitter.

§ 1631.15

5 CFR Ch. VI (1–1–20 Edition)

(3) When the Board determines that it has substantial reason to believe that disclosure of the requested records would result in substantial competitive harm to the submitter, and has no designation from the submitter, it shall notify the submitter of the following:

(i) That a FOIA request has been received seeking the record,

(ii) That disclosure of the record may be required,

(iii) That disclosure of the record could result in competitive harm to the submitter,

(iv) That the submitter has a period of seven workdays from date of notice within which it or a designee may object to the disclosure its records, and

(v) That a detailed explanation should be submitted setting forth all grounds as to why the disclosure would result in substantial competitive harm, such as, the general custom or usage in the business of the information in the record, the number and situation of the persons who have access to the record, the type and degree of risk of financial injury that release would cause, and the length of time the record needs to be kept confidential.

(4) In exceptional circumstances, the Board may extend by seven workdays the time for a submitter's response for good cause.

(5) The Board shall give careful consideration to all specified grounds for nondisclosure prior to making an administrative determination on the issue of competitive harm.

(6) Should the Board determine to disclose the requested records, it shall provide written notice to the submitter, explaining briefly why the submitter's objections were not sustained and setting forth the date for disclosure, which date may be less than 10 calendar days after the date of the letter to the submitter.

(7) A submitter who provided records to the Board prior to January 1, 1988, and did not designate which records contain confidential commercial information, shall be notified as provided in § 1631.15(b)(3). After making such notification, the Board will follow the procedures set forth in § 1631.15(b)(4)–(6).

(8) The Board will, as a general rule, look favorably upon recommendations for withholding information about

ideas, methods, and processes that are unique; about equipment, materials, or systems that are potentially patentable; or about a unique use of equipment which is specifically outlined.

(9) The Board will not withhold information that is known through custom or usage in the relevant trade, business, or profession, or information that is generally known to any reasonably educated person. Self-evident statements or reviews of the general state of the art will not ordinarily be withheld.

(10) The Board will withhold all cost data submitted, except the total estimated costs from each year of a contract. It will release these total estimated costs and ordinarily release explanatory material and headings associated with the cost data, withholding only the figures themselves. If a contractor believes that some of the explanatory material should be withheld, that material must be identified and a justification be presented as to why it should not be released.

(11) *Exemption 6.* This exemption is not a blanket exemption for all personal information submitted by a non-U.S. Government source. The Board will balance the need to keep a person's private affairs from unnecessary public scrutiny with the public's right to information on Board records. As a general practice, the Board will release information about any person named in a contract itself or about any person who signed a contract as well as information given in a proposal about any officer of a corporation submitting that proposal. Depending upon the circumstances, the Board may release most information in resumes concerning employees, including education and experience. Efforts will be made to identify information that should be deleted and offerors are urged to point out such material for guidance. Any information in the proposal, such as the names of staff persons, which might, if released, constitute an unwarranted invasion of personal privacy if released should be identified and a justification for non-release provided in order to receive proper consideration.

§ 1631.32

§ 1631.16 Exemptions.

The Freedom of Information Act exempts from all of its publication and disclosure requirements nine categories of records which are described in 5 U.S.C. 552(b). These categories include such matters as national defense and foreign policy information, investigatory files, internal procedures and communications, materials exempted from disclosure by other statutes, information given in confidence and matters involving personal privacy.

§ 1631.17 Deletion of exempted information.

Where requested records contain matters which are exempted under 5 U.S.C. 552(b) but which matters are reasonably segregable from the remainder of the records, they shall be disclosed by the Board with deletions. To each such record, the Board shall indicate, if technically feasible, the precise amount of information deleted and the exemption under which the deletion is made, at the place in the records where the deletion is made, unless including that indication would harm an interest protected by the exemption.

§ 1631.18 Annual report.

The Executive Director will submit annually, on or before February 1, a Freedom of Information report covering the preceding fiscal year to the Attorney General of the United States. The report will include matters required by 5 U.S.C. 552(e).

[63 FR 41709, Aug. 5, 1998]

§ 1631.19 Preservation of records.

(a) The Board must preserve all correspondence pertaining to the requests that it receives as well as copies of all requested records, until disposition or destruction is authorized by the Board's General Records Schedule of the National Archives and Records Administration (NARA) or other NARA-approved records retention schedule.

(b) Materials that are identified as responsive to a FOIA request will not be disposed of or destroyed while the request or a related appeal of lawsuit is pending. This is true even if they would

otherwise be authorized for disposition under the Board's General Records Schedule of NARA or other NARA-approved records schedule.

 - (ii) Be likely to significantly frustrate implementation of a proposed action except that paragraph (a)(9)(ii) of this section shall not apply in any instance where the Board has already disclosed to the public the content or nature of its proposed action, or where the Board is required by law to make such disclosure on its own initiative prior to taking final action on such proposal; or
- (10) Specifically concern the issuance of a subpoena, participation in a civil action or proceeding, an action in a foreign court or international tribunal, or an arbitration, or the initiation, conduct, or disposition of a particular case of formal agency adjudication pursuant to the procedures in section 554 of title 5 of the United States Code or otherwise involving a determination on the record after opportunity for a hearing.

Federal Retirement Thrift Investment Board

§ 1632.7

(b) [Reserved]

§ 1632.6 Public announcement of meetings.

(a) Except as otherwise provided by the Act, public announcement of meetings open to public observation and meetings to be partially or completely closed to public observation pursuant to § 1632.7 of this part will be made at least one week in advance of the meeting. Except to the extent such information is determined to be exempt from disclosure under § 1632.5 of this part, each such public announcement will state the time, place and subject matter of the meeting, whether it is to be open or closed to the public, and the name and phone number of the official designated to respond to requests for information about the meeting.

(b) If a majority of the members of the Board determines by a recorded vote that Board business requires that a meeting covered by paragraph (a) of this section be called at a date earlier than that specified in paragraph (a) of this section, the Board shall make a public announcement of the information specified in paragraph (a) of this section at the earliest practicable time.

(c) Changes in the subject matter of a publicly announced meeting, or in the determination to open or close a publicly announced meeting or any portion of a publicly announced meeting to public observation, or in the time or place of a publicly announced meeting made in accordance with the procedures specified in § 1632.9 of this part, will be publicly announced at the earliest practicable time.

(d) Public announcements required by this section will be posted at the Board's External Affairs Office and may be made available by other means or at other locations as may be desirable.

(e) Immediately following each public announcement required by this section, notice of the time, place and subject matter of a meeting, whether the meeting is open or closed, any change in one of the preceding announcements and the name and telephone number of the official designated by the Board to respond to requests about the meeting,

shall also be submitted for publication in the FEDERAL REGISTER.

§ 1632.7 Meetings closed to public observation.

(a) A meeting or a portion of a meeting will be closed to public observation, or information as to such meeting or portion of a meeting will be withheld, only by recorded vote of a majority of the Members of the Board when it is determined that the meeting or the portion of the meeting or the withholding of information qualifies for exemption under § 1632.5. Votes by proxy are not allowed.

(b) Except as provided in paragraph (c) of this section, a separate vote of the Members of the Board will be taken with respect to the closing or the withholding of information as to each meeting or portion thereof which is proposed to be closed to public observation or with respect to which information is proposed to be withheld pursuant to this section.

(c) A single vote may be taken with respect to a series of meetings, a portion or portions of which are proposed to be closed to public observation or with respect to any information concerning such series of meetings proposed to be withheld, so long as each meeting or portion thereof in such series involves the same particular matters and is scheduled to be held no more than thirty days after the initial meeting in such series.

(d) Whenever any person's interests may be directly affected by a portion of the meeting for any of the reasons referred to in exemption (a)(5), (a)(6) or (a)(7) of § 1632.5 of this part, such person may request in writing to the Secretary of the Board that such portion of the meeting be closed to public observation. The Secretary, or in his or her absence, the Acting Secretary of the Board, shall transmit the request to the members and upon the request of any one of them a recorded vote shall be taken whether to close such meeting to public observation.

(e) Within one day of any vote taken pursuant to paragraphs (a) through (d) of this section, the agency will make publicly available at the Board's External Affairs Office a written copy of such vote reflecting the vote of each

§ 1632.8

member on the question. If a meeting or a portion of a meeting is to be closed to public observation, the Board, within one day of the vote taken pursuant to paragraphs (a) through (d) of this section, will make publicly available at the Board's External Affairs Office a full written explanation of its action closing the meeting or portion of the meeting together with a list of all persons expected to attend the meeting and their affiliation, except to the extent such information is determined by the Board to be exempt from disclosure under subsection (c) of the Act and §1632.5 of this part.

(f) Any person may request in writing to the Secretary of the Board that an announced closed meeting, or portion of the meeting, be held open to public observation. The Secretary, or in his or her absence, the Acting Secretary of the Board, will transmit the request to the members of the Board and upon the request of any member a recorded vote will be taken whether to open such meeting to public observation.

§ 1632.8 Changes with respect to publicly announced meetings.

The subject matter of a meeting or the determination to open or close a meeting or a portion of a meeting to public observation may be changed following public announcement under §1632.6 only if a majority of the Members of the Board determines by a recorded vote that that agency business so requires and that no earlier announcement of the change was possible. Public announcement of such change and the vote of each member upon such change will be made pursuant to §1632.6(c). The minutes will identify all documents considered in connection with any action taken.

(c) Transcripts, recordings or transcriptions thereof, or minutes will promptly be made available to the public in the External Affairs Office except for such item or items of such discussion or testimony as may be determined to contain information that may be withheld under subsection (c) of the Act and §1632.5 of this part. These documents, disclosing the identity of each speaker, shall be furnished to any person at the actual cost of duplication or transcription.

(d) A complete verbatim copy of the transcript, a complete copy of the minutes, or a complete electronic recording or verbatim copy of a transcription thereof of each meeting or portion of a meeting closed to public observation will be maintained for a period of at least two years, or one year after the conclusion of any Board proceeding with respect to which the meeting or portion thereof was held, whichever occurs later.

SOURCE: 58 FR 57696, 57699, Oct. 26, 1993, unless otherwise noted.

§ 1636.101 Purpose.

The purpose of this part is to effectuate section 119 of the Rehabilitation, Comprehensive Services, and Developmental Disabilities Amendments of 1978, which amended section 504 of the Rehabilitation Act of 1973 to prohibit discrimination on the basis of handicap in programs or activities conducted by Executive agencies or the United States Postal Service.

§ 1636.102 Application.

This part (§§ 1636.101–1636.170) applies to all programs or activities conducted by the agency, except for programs or activities conducted outside the United States that do not involve individuals with handicaps in the United States.

§ 1636.103 Definitions.

For purposes of this part, the term—*Assistant Attorney General* means the Assistant Attorney General, Civil

Rights Division, United States Department of Justice.

Auxiliary aids means services or devices that enable persons with impaired sensory, manual, or speaking skills to have an equal opportunity to participate in, and enjoy the benefits of, programs or activities conducted by the agency. For example, auxiliary aids useful for persons with impaired vision include readers, Brailled materials, audio recordings, and other similar services and devices. Auxiliary aids useful for persons with impaired hearing include telephone handset amplifiers, telephones compatible with hearing aids, telecommunication devices for deaf persons (TTD's), interpreters, notetakers, written materials, and other similar services and devices.

Complete complaint means a written statement that contains the complainant's name and address and describes the agency's alleged discriminatory action in sufficient detail to inform the agency of the nature and date of the alleged violation of section 504. It shall be signed by the complainant or by someone authorized to do so on his or her behalf. Complaints filed on behalf of classes or third parties shall describe or identify (by name, if possible) the alleged victims of discrimination.

Facility means all or any portion of buildings, structures, equipment, roads, walks, parking lots, rolling stock or other conveyances, or other real or personal property.

Historic preservation programs means programs conducted by the agency that have preservation of historic properties as a primary purpose.

Historic properties means those properties that are listed or eligible for listing in the National Register of Historic Places or properties designated as historic under a statute of the appropriate State or local government body.

Individual with handicaps means any person who has a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. As used in this definition, the phrase:

(1) *Physical or mental impairment* includes—

(i) Any physiological disorder or condition, cosmetic disfigurement, or ana-

tomical loss affecting one or more of the following body systems: Neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genitourinary; hemic and lymphatic; skin; and endocrine; or

(ii) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term "physical or mental impairment" includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, HIV disease (whether symptomatic or asymptomatic), and drug addiction and alcoholism.

(2) *Major life activities* include functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working.

(3) *Has a record of such an impairment* means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(4) *Is regarded as having an impairment* means—

(i) Has a physical or mental impairment that does not substantially limit major life activities but is treated by the agency as constituting such a limitation;

(ii) Has a physical or mental impairment that substantially limits major life activities only as a result of the attitudes of others toward such impairment; or

(iii) Has none of the impairments defined in paragraph (1) of this definition but is treated by the agency as having such an impairment.

Qualified individual with handicaps means—

(1) With respect to preschool, elementary, or secondary education services provided by the agency, an individual with handicaps who is a member of a class of persons otherwise entitled by statute, regulation, or agency policy to receive education services from the agency;

(2) With respect to any other agency program or activity under which a person is required to perform services or to achieve a level of accomplishment, an individual with handicaps who meets the essential eligibility requirements and who can achieve the purpose of the program or activity without modifications in the program or activity that the agency can demonstrate would result in a fundamental alteration in its nature;

(3) With respect to any other program or activity, an individual with handicaps who meets the essential eligibility requirements for participation in, or receipt of benefits from, that program or activity; and

(4) *Qualified handicapped person* as that term is defined for purposes of employment in 29 CFR 1614.203(a)(6), which is made applicable to this part by §1636.140.

Section 504 means section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112, 87 Stat. 394 (29 U.S.C. 794)), as amended. As used in this part, section 504 applies only to programs or activities conducted by Executive agencies and not to federally assisted programs.

Substantial impairment means a significant loss of the integrity of finished materials, design quality, or special character resulting from a permanent alteration.

§§ 1636.104–1636.109 [Reserved]

§ 1636.110 Self-evaluation.

(a) The agency shall, by November 28, 1994, evaluate its current policies and practices, and the effects thereof, that do not or may not meet the requirements of this part and, to the extent modification of any such policies and practices is required, the agency shall proceed to make the necessary modifications.

(b) The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the self-evaluation process by submitting comments (both oral and written).

(c) The agency shall, for at least three years following completion of the self-evaluation, maintain on file and make available for public inspection:

(1) A description of areas examined and any problems identified; and

(2) A description of any modifications made.

§ 1636.111 Notice.

The agency shall make available to employees, applicants, participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the programs or activities conducted by the agency, and make such information available to them in such manner as the head of the agency finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and this part.

§§ 1636.112–1636.129 [Reserved]

§ 1636.130 General prohibitions against discrimination.

(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(i) Deny a qualified individual with handicaps the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified individual with handicaps an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified individual with handicaps with an aid, benefit, or service that is not as effective in according equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to individuals with handicaps or to any class of individuals with handicaps than is provided to others unless such action is necessary to provide qualified individuals with

§§ 1636.131–1636.139

handicaps with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards;

(vi) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified individual with handicaps the opportunity to participate in programs or activities that are no separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap.

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified individuals with handicaps to discrimination on the basis of handicap, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified individuals with handicaps to discrimination on the basis of handicap. How-

5 CFR Ch. VI (1–1–20 Edition)

ever, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this part.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to individuals with handicaps or the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive order to a different class of individuals with handicaps is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

§§ 1636.131–1636.139 [Reserved]

§ 1636.140 Employment.

No qualified individual with handicaps shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1614, shall apply to employment in federally conducted programs or activities.

§§ 1636.141–1636.148 [Reserved]

§ 1636.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §1636.150, no qualified individual with handicaps shall, because the agency's facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 1636.150 Program accessibility: Existing facilities.

(a) *General.* The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with handicaps;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1636.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) *Methods*—(1) *General*. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings,

shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(2) *Historic preservation programs*. In meeting the requirements of §1636.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to individuals with handicaps. In cases where a physical alteration to an historic property is not required because of §1636.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide individuals with handicaps into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) *Time period for compliance*. The agency shall comply with the obligations established under this section by January 24, 1994, except that where structural changes in facilities are undertaken, such changes shall be made by November 26, 1996, but in any event as expeditiously as possible.

(d) *Transition plan*. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by May 26, 1994, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

§ 1636.151

(1) Identify physical obstacles in the agency's facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§ 1636.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151-4157), as established in 41 CFR 101-19.600 to 101-19.607, apply to buildings covered by this section.

§§ 1636.152-1636.159 [Reserved]

§ 1636.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the individual with handicaps.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD's) or equally ef-

5 CFR Ch. VI (1-1-20 Edition)

fective telecommunication systems shall be used to communicate with persons with impaired hearing.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 1636.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§§ 1636.161-1636.169 [Reserved]

§ 1636.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs and activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1614 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Assistant General Counsel (Administration) shall be responsible for coordinating implementation of this section. Complaints may be sent to the Executive Director.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate Government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), is not readily accessible to and usable by individuals with handicaps.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §1636.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional informa-

tion is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

§ 1639.5

§ 1639.5 Use of credit reporting agencies.

(a) The Board may report delinquent debts to appropriate credit reporting agencies by providing the following information:

(1) A statement that the debt is valid and is overdue;

(2) The name, address, taxpayer identification number, and any other information necessary to establish the identity of the debtor;

(3) The amount, status, and history of the debt; and

(4) The program or pertinent activity under which the debt arose.

(b) Before disclosing debt information to a credit reporting agency, the Board will:

(1) Take reasonable action to locate the debtor if a current address is not available; and

(2) If a current address is available, notify the debtor by certified mail, return receipt requested:

(i) That a designated Board official has reviewed the claim and has determined that the claim is valid and overdue;

(ii) That within 60 days the Board intends to disclose to a credit reporting agency the information authorized for disclosure by this section; and

(iii) That the debtor can request an explanation of the claim, can dispute the information in the Board's records concerning the claim, and can file for an administrative review, waiver, or reconsideration of the claim, where applicable.

(c) At the time debt information is submitted to a credit reporting agency, the Board will provide a written statement to the reporting agency that all required actions have been taken. In addition, the Board will, thereafter, ensure that the credit reporting agency is promptly informed of any substantive change in the conditions or amount of the debt, and promptly verify or correct information relevant to the claim.

(d) If a debtor disputes the validity of the debt, the credit reporting agency will refer the matter to the appropriate Board official. The credit reporting agency will exclude the debt from its reports until the Board certifies in writing that the debt is valid.

5 CFR Ch. VI (1-1-20 Edition)

§ 1639.6 Contracting for collection services.

The Board will use the services of a private collection contractor where it determines that such use is in the best interest of the Board. When the Board determines that there is a need to contract for collection services, it will—

(a) Retain sole authority to:

(1) Resolve any dispute by the debtor regarding the validity of the debt;

(2) Compromise the debt;

(3) Suspend or terminate collection action;

(4) Refer the debt to the Department of Justice for litigation; and

(5) Take any other action under this part which does not result in full collection of the debt;

(b) Require the contractor to comply with the Privacy Act of 1974, as amended, to the extent specified in 5 U.S.C. 552a(m), with applicable Federal and State laws pertaining to debt collection practices (e.g., the Fair Debt Collection Practices Act (15 U.S.C. 1692 *et seq.*)), and with applicable regulations of the Board;

(c) Require the contractor to account accurately and fully for all amounts collected; and

(d) Require the contractor to provide to the Board, upon request, all data and reports contained in its files relating to its collection actions on a debt.

§ 1639.7 Initial notice to debtor.

(a) When the Executive Director determines that a debt is owed the Board, he will send a written notice to the debtor. The notice will inform the debtor of the following:

(1) The amount, nature, and basis of the debt;

(2) That payment is due immediately after receipt of the notice;

(3) That the debt is considered delinquent if it is not paid within 30 days of the date the notice is mailed or hand-delivered;

(4) That interest charges (except for State and local governments and Indian tribes), penalty charges, and administrative costs may be assessed against a delinquent debt;

(5) Any rights available to the debtor to dispute the validity of the debt or to

have recovery of the debt waived (citing the available review or waiver authority, the conditions for review or waiver, and the effects of the review or waiver request on the collection of the debt); and

(6) The address, telephone number, and name of the Board official available to discuss the debt.

(b) The Board will respond promptly to communications from the debtor.

(c) Subsequent demand letters also will notify the debtor of any interest, penalty, or administrative costs which have been assessed and will advise the debtor that the debt may be referred to a credit reporting agency (see § 1639.5), a collection agency (see § 1639.6), the Department of Justice (see § 1639.10), or the Department of the Treasury (see § 1639.11), if it is not paid.

§ 1639.8 Interest, penalty, and administrative costs.

(a) *Interest.* The Board will assess interest on all delinquent debts unless prohibited by statute, regulation, or contract.

(1) Interest begins to accrue on all debts from the date the initial notice is mailed or hand-delivered to the debtor. The Board will not recover interest if the debt is paid within 30 days of the date of the initial notice. The Board will assess an annual rate of interest that is equal to the rate of the current value of funds to the United States Treasury (*i.e.*, the Treasury tax and loan account rate) as prescribed and published by the Secretary of the Treasury in the FEDERAL REGISTER and the Treasury Fiscal Requirements Manual Bulletins, unless a different rate is necessary to protect the interests of the Board. The Board will notify the debtor of the basis for its finding when a different rate is necessary to protect the Board's interests.

(2) The Executive Director may extend the 30-day period for payment where he determines that such action is in the best interest of the Board. A decision to extend or not to extend the payment period is final and is not subject to further review.

(b) *Penalty.* The Board will assess a penalty charge, not to exceed six percent a year, on any portion of a debt

that is not paid within 90 days of the initial notice.

(c) *Administrative costs.* The Board will assess charges to cover administrative costs incurred as the result of the debtor's failure to pay a debt within 30 days of the date of the initial notice. Administrative costs include the additional costs incurred in processing and handling the debt because it became delinquent, such as costs incurred in obtaining a credit report, or in using a private collection contractor, or service fees charged by a Federal agency for collection activities undertaken on behalf of the Board.

(d) *Allocation of payments.* A partial payment by a debtor will be applied first to outstanding administrative costs, second to penalty assessments, third to accrued interest, and then to the outstanding debt principal.

(e) *Waiver.* (1) The Executive Director may (without regard to the amount of the debt) waive collection of all or part of accrued interest, penalty, or administrative costs, if he determines that collection of these charges would be against equity and good conscience or not in the best interest of the Board.

(2) A decision to waive interest, penalty charges, or administrative costs may be made at any time before a debt is paid. However, where these charges have been collected before the waiver decision, they will not be refunded. The Executive Director's decision to waive or not waive collection of these charges is final and is not subject to further review.

§ 1639.9 Charges pending waiver or review.

Interest, penalty charges, and administrative costs will continue to accrue on a debt during administrative appeal, either formal or informal, and during waiver consideration by the Board, unless specifically prohibited by a statute or a regulation.

§ 1639.10 Referrals to the Department of Justice.

The Executive Director will refer to the Department of Justice for litigation all claims on which aggressive collection actions have been taken but which could not be collected, compromised, suspended, or terminated.

§ 1639.11

Referrals will be made as early as possible, consistent with aggressive Board collection action, and within the period for bringing a timely suit against the debtor.

§ 1639.11 Cross-servicing agreement with the Department of the Treasury.

The Board will enter into a cross-servicing agreement with the Department of the Treasury which will authorize Treasury to take all of the debt collection actions described in this part. These debt collection services will be provided to the Board in accordance with 31 U.S.C. 3701 *et seq.*

§ 1639.12 Deposit of funds collected.

All funds owed to the Board and collected under this part will be deposited in the Thrift Savings Fund. Funds owed to other agencies and collected under this part will be credited to the account designated by the creditor agency for the receipt of the funds.

§ 1639.13 Antialienation of funds in Thrift Savings Plan participant accounts.

In accordance with 5 U.S.C. 8437, net assets available for Thrift Savings Plan benefits will not be used to satisfy a debt owed by a participant to an agency under the regulations of this part or under the debt collection regulations of any agency.

Subpart B—Salary Offset

§ 1639.20 Applicability and scope.

(a) The regulations in this subpart provide Board procedures for the collection by salary offset of a Federal employee's pay to satisfy certain debts owed to the Board or to Federal agencies.

(b) The regulations in this subpart apply to collections by the Executive Director, from:

(1) Federal employees who owe debts to the Board; and

(2) Employees of the Board who owe debts to Federal agencies.

(c) The regulations in this subpart do not apply to debts arising under the Internal Revenue Code of 1986, as amended (title 26, United States Code); the Social Security Act (42 U.S.C. 301 *et*

5 CFR Ch. VI (1–1–20 Edition)

seq.); the tariff laws of the United States; or to any case where collection of a debt by salary offset is explicitly provided for or prohibited by another statute (e.g., travel advances in 5 U.S.C. 5705 and employee training expenses in 5 U.S.C. 4108).

(d) Nothing in the regulations in this subpart precludes the compromise, suspension, or termination of collection actions under the standards implementing the Federal Claims Collection Act (31 U.S.C. 3711 *et seq.*, 4 CFR Parts 101–105, 38 CFR 1.900–1.994).

(e) A levy pursuant to the Internal Revenue Code takes precedence over a salary offset under this subpart, as provided in 5 U.S.C. 5514(d).

(f) This subpart does not apply to any adjustment to pay arising out of an employee's election of coverage or a change in coverage under a Federal benefits program requiring periodic deductions from pay, if the amount to be recovered was accumulated over four pay periods or less.

§ 1639.21 Waiver requests.

The regulations in this subpart do not preclude an employee from requesting waiver of an overpayment under 5 U.S.C. 5584 or 8346(b), 10 U.S.C. 2774, 32 U.S.C. 716, or under other statutory provisions pertaining to the particular debts being collected.

§ 1639.22 Notice requirements before offset.

Deductions under the authority of 5 U.S.C. 5514 may be made if, a minimum of 30 calendar days before salary offset is initiated, the Board provides the employee with written notice that he or she owes a debt to the Board. This notice of intent to offset an employee's salary will be hand-delivered or sent by certified mail to the most current address that is available to the Board. The notice provided under this section will state:

(a) That the Board has reviewed the records relating to the claim and has determined that a debt is owed, the amount of the debt, and the facts giving rise to the debt;

(b) The Board's intention to collect the debt by deducting money from the

Federal Retirement Thrift Investment Board

§ 1639.23

employee's current disposable pay account until the debt, and all accumulated interest, penalties, and administrative costs, is paid in full;

(c) The amount, frequency, approximate beginning date, and duration of the intended deductions;

(d) An explanation of the Board's policy concerning interest, penalties, and administrative costs, including a statement that such assessments must be made unless excused in accordance with the Federal Claims Collection Standards, 4 CFR chapter II;

(e) The employee's right to inspect and copy all records pertaining to the debt claimed or to receive copies of those records if personal inspection is impractical;

(f) The right to a hearing conducted by an administrative law judge or other impartial hearing official (*i.e.*, a hearing official not under the supervision or control of the Executive Director), with respect to the existence and amount of the debt claimed or the repayment schedule (*i.e.*, the percentage of disposable pay to be deducted each pay period), so long as a request is filed by the employee as prescribed in §1639.23;

(g) If not previously provided, the opportunity (under terms agreeable to the Board) to establish a schedule for the voluntary repayment of the debt or to enter into a written agreement to establish a schedule for repayment of the debt in lieu of offset. The agreement must be in writing and signed by both the employee and the Executive Director;

(h) The name, address, and telephone number of an officer or employee of the Board who may be contacted concerning procedures for requesting a hearing;

(i) The method and time period for requesting a hearing;

(j) That the timely filing of a request for a hearing on or before the 15th calendar day following receipt of the notice of intent will stay the commencement of collection proceedings;

(k) The name and address of the officer or employee of the Board to whom the request for a hearing should be sent;

(l) That the Board will initiate certification procedures to implement a

salary offset, as appropriate, (which may not exceed 15 percent of the employee's disposable pay) not less than 30 days from the date the employee receives the notice of debt, unless the employee files a timely request for a hearing;

(m) That a final decision on the hearing (if one is requested) will be issued at the earliest practical date, but not later than 60 days after the filing of the petition requesting the hearing, unless the employee requests and the hearing official grants a delay in the proceedings;

(n) That any knowingly false or frivolous statements, representations, or evidence may subject the employee to:

(1) Disciplinary procedures appropriate under 5 U.S.C. chapter 75, 5 CFR part 752, or any other applicable statute or regulations;

(2) Penalties under the False Claims Act, 31 U.S.C. 3729-3733, or any other applicable statutory authority; and

(3) Criminal penalties under 18 U.S.C. 286, 287, 1001, and 102, or any other applicable statutory authority;

(o) Any other rights and remedies available to the employee under statutes or regulations governing the program for which the collection is being made;

(p) That unless there are applicable contractual or statutory provisions to the contrary, amounts paid on or deducted for the debt which are later waived or found not owed will be promptly refunded to the employee; and

(q) That proceedings with respect to the debt are governed by 5 U.S.C. 5514.

§ 1639.23 Hearing.

(a) *Request for hearing.* Except as provided in paragraph (b) of this section, an employee who desires a hearing concerning the existence or amount of the debt or the proposed offset schedule must send such a request to the Board office designated in the notice of intent. See §1639.22(k).

(1) The request for hearing must be signed by the employee and fully identify and explain with reasonable specificity all the facts, evidence, and witnesses, if any, that support his or her position.

(2) The request for hearing must be received by the designated office on or before the 15th calendar day following the employee's receipt of the notice. Timely filing will stay the commencement of collection procedures.

(3) The employee must also specify whether an oral or written hearing is requested. If an oral hearing is desired, the request should explain why the matter cannot be resolved by review of the documentary evidence alone.

(b) *Failure to timely submit.* (1) If the employee files a request for a hearing after the expiration of the 15th calendar day period provided for in paragraph (a) of this section, the Board will accept the request if the employee can show that the delay was the result of circumstances beyond his or her control or because of a failure to receive notice of the filing deadline (unless the employee had actual notice of the filing deadline).

(2) An employee waives the right to a hearing, and will have his or her disposable pay offset in accordance with the Board's offset schedule, if the employee:

(i) Fails to file a request for a hearing and the failure is not excused; or

(ii) Fails to appear at an oral hearing of which he or she was notified and the hearing official does not determine that failure to appear was due to circumstances beyond the employee's control.

(c) *Representation at the hearing.* The creditor agency may be represented by legal counsel. The employee may represent himself or herself or may be represented by an individual of his or her choice and at his or her own expense.

(d) *Review of Board records related to the debt.* (1) In accordance with § 1639.22(e), an employee who intends to inspect or copy Board records related to the debt must send a letter to the official designated in the notice of intent to offset stating his or her intention. The letter must be received within 15 calendar days after the employee's receipt of the notice.

(2) In response to a timely request submitted by the debtor, the designated official will notify the employee of the location and time when the employee may inspect and copy records related to the debt.

(3) If personal inspection is impractical, arrangements will be made to send copies of those records to the employee.

(e) *Hearing official.* The Board may request an administrative law judge to conduct the hearing or the Board may obtain a hearing official who is not under the supervision or control of the Executive Director.

(f) *Procedure—(1) General.* After the employee requests a hearing, the hearing official will notify the employee of the form of the hearing to be provided. If the hearing will be oral, the notice will set forth the date, time, and location of the hearing. If the hearing will be written, the employee will be notified that he or she should submit arguments in writing to the hearing official by a specified date after which the record will be closed. This date will give the employee reasonable time to submit documentation.

(2) *Oral hearing.* An employee who requests an oral hearing will be provided an oral hearing, if the hearing official determines that the matter cannot be resolved by review of documentary evidence alone (e.g., when an issue of credibility is involved). The hearing is not an adversarial adjudication and need not take the form of an evidentiary hearing. Witnesses who testify in oral hearings will do so under oath or affirmation. Oral hearings may take the form of, but are not limited to:

(i) Informal conferences with the hearing official, in which the employee and agency representative will be given full opportunity to present evidence, witnesses, and argument;

(ii) Informal meetings with an interview of the employee; or

(iii) Formal written submissions, with an opportunity for oral presentation.

(3) *Record determination.* If the hearing official determines that an oral hearing is not necessary, he or she will make the determination based upon a review of the available written record.

(4) *Record.* The hearing official must maintain a summary record of any hearing provided by this subpart.

(g) *Date of decision.* The hearing official will issue a written decision, based

upon documentary evidence and information developed at the hearing, as soon as practical after the hearing, but not later than 60 days after the date on which the petition was received by the creditor agency, unless the employee requests a delay in the proceedings. In that case, the 60 day decision period will be extended by the number of days by which the hearing was postponed.

(h) *Content of decision.* The written decision will include:

(1) A statement of the facts presented to support the origin, nature, and amount of the debt;

(2) The hearing official's findings, analysis, and conclusions; and

(3) The terms of any repayment schedules, if applicable.

(i) *Failure to appear.* (1) In the absence of good cause shown (e.g., excused illness), an employee who fails to appear at a hearing will be deemed, for the purpose of this subpart, to admit the existence and amount of the debt as described in the notice of intent.

(2) If the representative of the creditor agency fails to appear, the hearing official will proceed with the hearing as scheduled, and make his or her determination based upon the oral testimony presented by the representative(s) of the employee and the documentary documentation submitted by both parties.

(3) At the request of both parties, the hearing official will schedule a new hearing date. Both parties will be given reasonable notice of the time and place of this new hearing.

§ 1639.24 Certification.

(a) The Board will provide a certification to the paying agency in all cases in which:

(1) The hearing official determines that a debt exists;

(2) The employee admits the existence and amount of the debt by failing to request a hearing; or

(3) The employee admits the existence of the debt by failing to appear at a hearing.

(b) The certification must be in writing and must include:

(1) A statement that the employee owes the debt;

(2) The amount and basis of the debt;

(3) The date the Board's right to collect the debt first accrued;

(4) A statement that the Board's regulations have been approved by the Office of Personnel Management under 5 CFR part 550, subpart K;

(5) The amount and date of the collection, if only a one-time offset is required;

(6) If the collection is to be made in installments, the number of installments to be collected, the amount of each installment, and the date of the first installment, if a date other than the next officially established pay period is required; and

(7) Information regarding the completion of procedures required by 5 U.S.C. 5514, including the dates of notices and hearings provided to the employee, or, if applicable, the employee's signed consent to salary offset or a signed statement acknowledging receipt of required procedures.

§ 1639.25 Voluntary repayment agreements as alternative to salary offset.

(a) In response to a notice of intent to offset against an employee's salary to recover a debt owed to the Board, an employee may propose to the Board that he or she be allowed to repay the debt through direct payments as an alternative to salary offset. Any employee who wishes to repay a debt without salary offset must submit in writing a proposed agreement to repay the debt. The proposal must admit the existence of the debt and set forth a proposed repayment schedule. The employee's proposal must be received by the official designated in the notice of intent within 15 calendar days after the employee received the notice.

(b) In response to a timely proposal by the debtor, the Executive Director will notify the employee whether the employee's proposed written agreement for repayment is acceptable. It is within the Executive Director's discretion to accept a repayment agreement instead of proceeding by salary offset.

(c) If the Executive Director decides that the proposed repayment agreement is unacceptable, the employee will have 15 days from the date he or she received notice of the decision to file a petition for a hearing.

§ 1639.26

(d) If the Executive Director decides that the proposed repayment agreement is acceptable, the alternative arrangement must be in writing and signed by both the employee and the Executive Director.

§ 1639.26 Special review.

(a) An employee subject to salary offset or a voluntary repayment agreement in connection with a debt owed to the Board may, at any time, request that the Board conduct a special review of the amount of the salary offset or voluntary payment, based on materially changed circumstances, such as catastrophic illness, divorce, death, or disability.

(b) To assist the Board in determining whether an offset would prevent the employee from meeting essential subsistence expenses (costs incurred for food, housing, clothing, transportation, and medical care), the employee will submit a detailed statement and supporting documents for the employee, his or her spouse, and dependents, indicating:

- (1) Income from all sources;
- (2) Assets;
- (3) Liabilities;
- (4) Number of dependents;
- (5) Expenses for food, housing, clothing, and transportation;
- (6) Medical expenses; and
- (7) Exceptional expenses, if any.

(c) If the employee requests a special review under this section, the employee must file an alternative proposed salary offset or payment schedule and a statement, with supporting documents, showing why the current salary offset or payments result in an extreme financial hardship to the employee.

(d) The Executive Director will evaluate the statement and supporting documents, and determine whether the original offset or repayment schedule imposes an extreme financial hardship on the employee. The Executive Director will notify the employee in writing of his determination, including, if appropriate, a revised offset or payment schedule.

(e) If the special review results in a revised offset or repayment schedule, the Board will provide a new certification to the paying agency.

5 CFR Ch. VI (1–1–20 Edition)

§ 1639.27 Procedures for salary offset.

(a) The Board will coordinate salary deductions under this subpart.

(b) The Board's payroll office will determine the amount of an employee's disposable pay and will implement the salary offset.

(c) Deductions will begin within three official pay periods following receipt by the Board's payroll office of certification for the creditor agency.

(d) Types of collection—

(1) *Lump-sum offset*. If the amount of the debt is equal to or less than 15 percent of disposable pay, the debt generally will be collected through one lump-sum offset.

(2) *Installment deductions*. Installment deductions will be made over a period not greater than the anticipated period of employment. The size and frequency of installment deductions will bear a reasonable relation to the size of the debt and the employee's ability to pay. However, the amount deducted from any period will not exceed 15 percent of the disposable pay from which the deduction is made unless the employee has agreed in writing to the deduction of a greater amount.

(3) *Deductions from final check*. A deduction exceeding the 15 percent disposable pay limitation may be made from any final salary payment under 31 U.S.C. 3716 and the Federal Claims Collection Standards, 4 CFR chapter II, in order to liquidate the debt, whether the employee is being separated voluntarily or involuntarily.

(4) *Deductions from other sources*. If an employee subject to salary offset is separated from the Board, and the balance of the debt cannot be liquidated by offset of the final salary check, the Board may offset any later payments of any kind against the balance of the debt, as allowed by 31 U.S.C. 3716 and the Federal Claims Collection Standards, 4 CFR chapter II.

(e) Multiple debts. In instances where two or more creditor agencies are seeking salary offsets, or where two or more debts are owed to a single creditor agency, the Board's payroll office may, at its discretion, determine whether one or more debts should be offset simultaneously within the 15 percent limitation.

(f) Precedence of debts owed to the Board. For Board employees, debts owed to the Board generally take precedence over debts owed to other agencies. In the event that a debt to the Board is certified while an employee is subject to a salary offset to repay another agency, the Board may decide whether to have the first debt repaid in full before collecting the claim or whether changes should be made in the salary deduction being sent to the other agency. If debts owed the Board can be collected in one pay period, the Board payroll office may suspend the salary offset to the other agency for that pay period in order to liquidate the debt to the Board. When an employee owes two or more debts, the best interests of the Board will be the primary consideration in the payroll office's determination of the order in which the debts should be collected.

§ 1639.28 Coordinating salary offset with other agencies.

(a) *Responsibility of the Board as the creditor agency.* (1) The Board will coordinate debt collections with other agencies and will, as appropriate:

(i) Arrange for a hearing or special review upon proper petitioning by the debtor; and

(ii) Prescribe, upon consultation with the General Counsel, the additional practices and procedures that may be necessary to carry out the intent of this subpart.

(2) The Board will ensure:

(i) That each notice of intent to offset is consistent with the requirements of § 1639.22;

(ii) That each certification of debt that is sent to a paying agency is consistent with the requirements of § 1639.24; and

(iii) That hearings are properly scheduled.

(3) *Requesting recovery from current paying agency.* Upon completion of the procedures established in these regulations and pursuant to 5 U.S.C. 5514, the Board will provide the paying agency with a certification as provided in § 1639.24.

(4) If the employee is in the process of separating and has not received a final salary check or other final payment(s) from the paying agency, the

Board must submit a debt claim to the paying agency for collection under 31 U.S.C. 3716. The paying agency must certify the total amount of its collection on the debt and notify the employee and the Board. If the paying agency's collection does not fully satisfy the debt, and the paying agency is aware that the debtor is entitled to payments from the Civil Service Retirement and Disability Fund or other similar payments that may be due the debtor employee from other Federal Government sources, the paying agency will provide written notice of the outstanding debt to the agency responsible for making the other payments to the debtor employee. The written notice will state that the employee owes a debt, the amount of the debt, and that the provisions of this section have been fully complied with. The Board must submit a properly certified claim to the agency responsible for making the payments before the collection can be made.

(5) *Separated employee.* If the employee is already separated and all payments due from his or her former paying agency have been paid, the Board may request, unless otherwise prohibited, that money due and payable to the employee from the Civil Service Retirement and Disability Fund (5 CFR part 831, subpart R, or 5 CFR part 845, subpart D) or other similar funds, be administratively offset to collect the debt.

(6) *Employee transfer.* When an employee transfers from one paying agency to another paying agency, the Board will not repeat the due process procedures described in 5 U.S.C. 5514 and this subpart to resume the collection. The Board will submit a properly certified claim to the new paying agency and will subsequently review the debt to make sure the collection is resumed by the new paying agency.

(b) *Responsibility of the Board as the paying agency—(1) Complete claim.* When the Board receives a certified claim from a creditor agency, deductions should be scheduled to begin within three officially established pay intervals. Before deductions can begin, the employee will receive a written notice from the Board including:

§ 1639.29

(i) A statement that the Board has received a certified debt claim from the creditor agency;

(ii) The amount of the debt claim;

(iii) The date salary offset deductions will begin, and

(iv) The amount of such deductions.

(2) *Incomplete claim.* When the Board receives an incomplete certification of debt from a creditor agency, the Board will return the debt claim with a notice that procedures under 5 U.S.C. 5514 and 5 CFR part 550, subpart K, must be followed and a properly certified debt claim received before action will be taken to collect from the employee's current pay account.

(3) *Review.* The Board is not authorized to review the merits of the creditor agency's determination with respect to the amount or validity of the debt certified by the creditor agency.

(4) *Employees who transfer from one paying agency to another.* If, after the creditor agency has submitted the debt claim to the Board, the employee transfers from the Board to a different paying agency before the debt is collected in full, the Board will certify the total amount collected on the debt and notify the employee and the creditor agency in writing. The notification to the creditor agency will include information on the employee's transfer.

§ 1639.29 Refunds.

(a) If the Board is the creditor agency, it will promptly refund any amount deducted under the authority of 5 U.S.C. 5514, when:

(1) The debt is waived or all or part of the funds deducted are otherwise found not to be owed; or

(2) An administrative or judicial order directs the Board to make a refund.

(b) Unless required or permitted by law or contract, refunds under this section will not bear interest.

§ 1639.30 Non-waiver of rights by payments.

An employee's involuntary payment of all or any portion of a debt being collected under this subpart must not be construed as a waiver of any rights which the employee may have under 5 U.S.C. 5514 or any other provisions of a written contract or law, unless there

5 CFR Ch. VI (1-1-20 Edition)

are statutory or contractual provisions to the contrary.

Subpart C—Tax Refund Offset

§ 1639.40 Applicability and scope.

(a) The regulations in this subpart implement 31 U.S.C. 3720A which authorizes the Department of the Treasury to reduce a tax refund by the amount of a past-due legally enforceable debt owed to a Federal agency.

(b) For purposes of this section, a past-due legally enforceable debt referable to the Department of the Treasury is a debt that is owed to the Board; and:

(1) Is at least \$25.00 dollars;

(2) Except in the case of a judgment debt, has been delinquent for at least three months and will not have been delinquent more than 10 years at the time the offset is made;

(3) Cannot be currently collected under the salary offset provisions of 5 U.S.C. 5514;

(4) Is ineligible for administrative offset under 31 U.S.C. 3716(a) by reason of 31 U.S.C. 3716(c)(2) or cannot be collected by administrative offset under 31 U.S.C. 3716(a) by the Board against amounts payable to the debtor by the Board;

(5) With respect to which the Board has given the debtor at least 60 days to present evidence that all or part of the debt is not past due or legally enforceable, has considered evidence presented by the debtor, and has determined that an amount of the debt is past due and legally enforceable;

(6) Which has been disclosed by the Board to a credit reporting agency as authorized by 31 U.S.C. 3711(e), unless the credit reporting agency would be prohibited from reporting information concerning the debt by reason of 15 U.S.C. 1681c;

(7) With respect to which the Board has notified or has made a reasonable attempt to notify the debtor that:

(i) The debt is past due, and

(ii) Unless repaid within 60 days thereafter, the debt will be referred to the Department of the Treasury for offset against any overpayment of tax; and

(8) All other requirements of 31 U.S.C. 3720A and the Department of

Federal Retirement Thrift Investment Board

§ 1639.42

Treasury regulations relating to the eligibility of a debt for tax return offset have been satisfied.

§ 1639.41 Procedures for tax refund offset.

(a) The Board will be the point of contact with the Department of the Treasury for administrative matters regarding the offset program.

(b) The Board will ensure that the procedures prescribed by the Department of the Treasury are followed in developing information about past-due debts and submitting the debts to the IRS.

(c) The Board will submit a notification of a taxpayer's liability for past-due legally enforceable debt to the Department of the Treasury which will contain:

(1) The name and taxpayer identifying number (as defined in section 6109 of the Internal Revenue Code, 26 U.S.C. 6109) of the person who is responsible for the debt;

(2) The dollar amount of the past-due and legally enforceable debt;

(3) The date on which the original debt became past due;

(4) A statement certifying that, with respect to each debt reported, all of the requirements of eligibility of the debt for referral for the refund offset have been satisfied. See § 1639.40(b).

(d) The Board shall promptly notify the Department of the Treasury to correct Board data submitted when it:

(1) Determines that an error has been made with respect to a debt that has been referred;

(2) Receives or credits a payment on the debt; or

(3) Receives notice that the person owing the debt has filed for bankruptcy under Title 11 of the United States Code or has been adjudicated bankrupt and the debt has been discharged.

(e) When advising debtors of an intent to refer a debt to the Department of the Treasury for offset, the Board will also advise the debtors of all remedial actions available to defer or prevent the offset from taking place.

§ 1639.42 Notice requirements before tax refund offset.

(a) The Board must notify, or make a reasonable attempt to notify, the person:

(1) The amount of the debt and that the debt is past due; and

(2) Unless repaid within 60 days, the debt will be referred to the Department of the Treasury for offset against any refund of overpayment of tax.

(b) The Board will provide a mailing address for forwarding any written correspondence and a contact name and telephone number for any questions concerning the offset.

(c) The Board will give the individual debtor at least 60 days from the date of the notice to present evidence that all or part of the debt is not past due or legally enforceable. The Board will consider the evidence presented by the individual and will make a determination whether any amount of the debt is past due and legally enforceable. For purposes of this section, evidence that collection of the debt is affected by a bankruptcy proceeding involving the individual will bar referral of the debt to the Department of the Treasury.

(d) Notice given to a debtor under paragraphs (a), (b), and (c) of this section shall advise the debtor of how he or she may present evidence to the Board that all or part of the debt is not past due or legally enforceable. Such evidence may not be referred to, or considered by, individuals who are not officials, employees, or agents of the United States in making the determination required under paragraph (c) of this section. Unless such evidence is directly considered by an official or employee of the Board, and the determination required under paragraph (c) of this section has been made by an official or employee of the Board, any unresolved dispute with the debtor regarding whether all or part of the debt is past due or legally enforceable must be referred to the Board for ultimate administrative disposition, and the Board must directly notify the debtor of its determination.

Subpart D—Administrative Offset**§ 1639.50 Applicability and scope.**

(a) The regulations in this subpart apply to the collection of debts owed to the Board, or from a request for an offset received by the Board from a Federal agency. Administrative offset is authorized under section 5 of the Federal Claims Collection Act of 1966, as amended by the Debt Collection Act of 1982 (31 U.S.C. 3716). The regulations in this subpart are consistent with the Federal Claims Collection Standards on administrative offset issued jointly by the Department of Justice and the General Accounting Office as set forth in 4 CFR 102.3.

(b) The Executive Director, after attempting to collect a debt owed to the Board under section 3(a) of the Federal Claims Collection Act of 1966, as amended (31 U.S.C. 3711(a)), may collect the debt by administrative offset, subject to the following:

(1) The debt is certain in amount; and

(2) It is in the best interest of the Board to collect the debt by administrative offset because of the decreased costs of collection and acceleration in the payment of the debt.

(c) The Executive Director may initiate administrative offset with regard to debts owed by a person to a Federal agency, so long as the funds to be offset are not payable from net assets available for Thrift Savings Plan benefits. The head of the creditor agency, or his or her designee, must submit a written request for the offset with a certification that the debt exists and that the person has been afforded the necessary due process rights.

(d) The Executive Director may request another agency that holds funds payable to a Fund debtor to pay the funds to the Board in settlement of the debt. The Board will provide certification that:

(1) The debt exists; and

(2) The person has been afforded the necessary due process rights.

(e) If the six-year period for bringing action on a debt provided in 28 U.S.C. 2415 has expired, then administrative offset may be used to collect the debt only if the costs of bringing such an action are likely to be less than the amount of the debt.

(f) No collection by administrative offset will be made on any debt that has been outstanding for more than 10 years unless facts material to the Board or a Federal agency's right to collect the debt were not known, and reasonably could not have been known, by the official or officials responsible for discovering and collecting the debt.

(g) The regulations in this subpart do not apply to:

(1) A case in which administrative offset of the type of debt involved is explicitly provided for or prohibited by another statute; or

(2) Debts owed to the Board by Federal agencies or by any State or local government.

§ 1639.51 Notice procedures.

Before collecting any debt through administrative offset, the Board will send a notice of intent to offset to the debtor by certified mail, return receipt requested, at the most current address that is available to the Board. The notice will provide:

(a) A description of the nature and amount of the debt and the intention of the Board to collect the debt through administrative offset;

(b) An opportunity to inspect and copy the records of the Board with respect to the debt;

(c) An opportunity for review within the Board of the determination of the Board with respect to the debt; and

(d) An opportunity to enter into a written agreement for repaying the amount of the debt.

§ 1639.52 Board review.

(a) A debtor may dispute the existence of the debt, the amount of debt, or the terms of repayment. A request to review a disputed debt must be submitted to the Board official who provided the notice of intent to offset within 30 calendar days of the debtor's receipt of the written notice described in § 1639.51.

(b) If the debtor requests an opportunity to inspect or copy the Board's records concerning the disputed claim, the Board will grant 10 business days for the review. The time period will be measured from the time the request for inspection is granted or from the time

Federal Retirement Thrift Investment Board

§ 1639.56

the debtor receives a copy of the records.

(c) Pending the resolution of a dispute by the debtor, transactions in any of the debtor's account(s) maintained in the Board may be temporarily suspended to the extent of the debt that is owed. Depending on the type of transaction, the suspension could preclude its payment, removal, or transfer, as well as prevent the payment of interest or discount due on the transaction. Should the dispute be resolved in the debtor's favor, the suspension will be immediately lifted.

(d) During the review period, interest, penalties, and administrative costs authorized by law will continue to accrue.

(e) If the debtor does not exercise the right to request a review within the time specified in this section or if, as a result of the review, it is determined that the debt is due and no written agreement is executed, then administrative offset will be ordered in accordance with the regulations in this subpart without further notice.

§ 1639.53 Written agreement for repayment.

A debtor who admits liability but elects not to have the debt collected by administrative offset will be afforded an opportunity to negotiate a written agreement for repaying the debt. If the financial condition of the debtor does not support the ability to pay in one lump sum, the Board may consider reasonable installments. No installment arrangement will be considered unless the debtor submits a financial statement, executed under penalty of perjury, reflecting the debtor's assets, liabilities, income, and expenses. The financial statement must be submitted within 10 business days of the Board's request for the statement. At the Board's option, a confess-judgment note or bond of indemnity with surety may be required for installment agreements. Notwithstanding the provisions of this section, any reduction or compromise of a claim will be governed by 31 U.S.C. 3711.

§ 1639.54 Requests for offset to Federal agencies.

The Executive Director may request that funds due and payable to a debtor by another Federal agency be paid to the Board in payment of a debt owed to the Board by that debtor. In requesting administrative offset, the Board, as creditor, will certify in writing to the Federal agency holding funds of the debtor:

- (a) That the debtor owes the debt;
- (b) The amount and basis of the debt; and
- (c) That the Board has complied with the requirements of 31 U.S.C. 3716, its own administrative offset regulations in this subpart, and the applicable provisions of 4 CFR part 102 with respect to providing the debtor with due process.

§ 1639.55 Requests for offset from Federal agencies.

Any Federal agency may request that funds due and payable to its debtor by the Board be administratively offset in order to collect a debt owed to that agency by the debtor, so long as the funds are not payable from net assets available for Thrift Savings Plan benefits. The Board will initiate the requested offset only:

- (a) Upon receipt of written certification from the creditor agency stating:
 - (1) That the debtor owes the debt;
 - (2) The amount and basis of the debt;
 - (3) That the agency has prescribed regulations for the exercise of administrative offset; and
 - (4) That the agency has complied with its own administrative offset regulations and with the applicable provisions of 4 CFR part 102, including providing any required hearing or review; and
- (b) Upon a determination by the Board that collection by offset against funds payable by the Board would be in the best interest of the United States as determined by the facts and circumstances of the particular case, and that such an offset would not otherwise be contrary to law.

§ 1639.56 Expedited procedure.

The Board may effect an administrative offset against a payment to be

§ 1639.60

made to the debtor before completion of the procedures required by §§1639.51 and 1639.52 if failure to take the offset would substantially jeopardize the Board's ability to collect the debt and the time before the payment is to be made does not reasonably permit the completion of those procedures. An expedited offset will be promptly followed by the completion of those procedures. Amounts recovered by offset, but later found not to be owed to the Board, will be promptly refunded.

Subpart E—Administrative Wage Garnishment

SOURCE: 79 FR 22594, Apr. 23, 2014, unless otherwise noted.

§ 1639.60 Administrative wage garnishment.

(a) *General.* The Board may use administrative wage garnishment to collect debts from non-Federal employees in accordance with the requirements of 31 U.S.C. 3720D and 31 CFR 285.11. This subpart adopts and incorporates all of the provisions of 31 CFR 285.11 concerning administrative wage garnishment, including the hearing procedures described in 31 CFR 285.11(f). This section does not apply to collection of debt by Federal salary offset, under 5 U.S.C. 5514, the process by which the Board collects debts from the salaries of Federal employees.

§ 1645.1 Definitions.

(a) Definitions generally applicable to the Thrift Savings Plan are set forth at 5 CFR 1690.1.

(b) As used in this part:

Accrued means that income is accounted for when earned and expenses are accounted for when incurred.

Administrative expenses means expenses described in 5 U.S.C. 8437(c)(3).

Basis means the number of shares of an investment fund upon which the calculation of a share price is based.

Business day means any calendar day for which share prices are calculated.

Forfeitures means amounts forfeited to the TSP pursuant to 5 U.S.C. 8432(g)(2) and other non-statutory forfeited amounts, net of restored forfeited amounts.

§ 1645.2 Posting of transactions.

Contributions, loan payments, loan disbursements, withdrawals, interfund transfers, and other transactions will be posted in dollars and in shares by source and by TSP Fund to the appropriate individual account by the TSP record keeper, using the share price for the date the transaction is posted.

[70 FR 32214, June 1, 2005]

§ 1645.3

§ 1645.3 Calculation of total net earnings for each TSP Fund.

(a) Each business day, net earnings will be calculated separately for each TSP Fund.

(b) Net earnings for each fund will equal:

(1) The sum of the following items, if any, accrued since the last business day:

(i) Interest on money of that fund which is invested in the Government Securities Investment Fund;

(ii) Interest on other short-term investments of the fund;

(iii) Other income (such as dividends, interest, or securities lending income) on investments of the fund; and

(iv) Capital gains or losses on investments of the fund, net of transaction costs.

(2) Minus the accrued administrative expenses of the fund, determined in accordance with §1645.4.

(c) The net earnings for each TSP fund determined in accordance with paragraph (b) of this section will be added to the residual net earnings for that fund from the previous business day, as described in §1645.5(b), to produce the total net earnings. The total net earnings will be used to calculate the share price for that business day.

[70 FR 32214, June 1, 2005]

§ 1645.4 Administrative expenses attributable to each TSP Fund.

A portion of the administrative expenses accrued during each business day will be charged to each TSP Fund. A fund's respective portion of administrative expenses will be determined as follows:

(a) Accrued administrative expenses (other than those described in paragraph (b) of this section) will be reduced by accrued forfeitures and accrued earnings on forfeitures, abandoned accounts, and unapplied deposits;

(b) Investment management fees and other accrued administrative expenses attributable only to a particular fund will be charged solely to that fund.

(c) The amount of accrued administrative expenses not covered by forfeitures under paragraph (a) of this section, and not described in paragraph (b)

5 CFR Ch. VI (1–1–20 Edition)

of this section, will be charged on a *pro rata* basis to all TSP Funds, based on the respective fund balances on the last business day of the prior month end.

[70 FR 32214, June 1, 2005]

§ 1645.5 Calculation of share prices.

(a) *Calculation of share price.* The share price for each TSP Fund for each business day will apply to all sources of contributions for that fund. The total net earnings (as computed under §1645.3) for each fund will be divided by the total fund basis (as computed under §1645.6) for that fund. The resulting number, computed to ten decimal places, represents the incremental change in the value of that fund from the last business day to the current business day. The share price for that fund for the current business day is the sum of the incremental change in the share price for the current business day plus the share price for the prior business day, truncated to two decimal places.

(b) *Residual net earnings.* When the total net earnings for each business day for each TSP Fund are divided by the total fund basis in that fund, there will be residual net earnings attributable to the truncation described in paragraph (a) of this section which will not be included in the incremental change in the share price of the fund for that business day. The residual net earnings that are not included in the incremental share price for the fund may be added to the earnings for that fund on the next business day.

[70 FR 32214, June 1, 2005]

§ 1645.6 Basis for calculation of share prices.

The total fund basis for a TSP Fund will be the sum of the number of shares in all individual accounts from all sources of contributions in that fund as of the opening of business on each business day.

(d) A separated participant who is re-employed in a position in which he or she is eligible to participate in the TSP is subject to the following rules:

(1) A participant who is reemployed in a TSP-eligible position on or before the 31st full calendar day after separation is not eligible to withdraw his or her TSP account in accordance with subpart B of this part.

(2) A participant who is reemployed in a TSP-eligible position more than 31 full calendar days after separation and who made a post-employment withdrawal while separated may not withdraw any remaining portion of his or her account balance in accordance with subpart B of this part until he or she again separates from Government service.

(e) A participant who has not separated from Government service may be eligible to withdraw all or a portion of his or her account in accordance with subparts D and E of this part.

(f) A participant can elect to have any portion of a single or installment payment that is not transferred to an eligible employer plan, traditional IRA, or Roth IRA deposited directly, by electronic funds transfer (EFT), into a savings or checking account at a financial institution in the United States.

(g) If a participant has a civilian TSP account and a uniformed services TSP account, the rules in this part apply to each account separately. For example, the participant is eligible to make four age-based in-service withdrawals from the civilian account and four age-based in-service withdrawals from the uniformed services account per calendar year. A separate withdrawal request must be made for each account.

(h) A participant may elect to have his or her withdrawal distributed from the participant's traditional balance only, Roth balance only, or pro rata from the participant's traditional and Roth balances. Any distribution from the traditional balance will be prorated between the tax-deferred balance and any tax-exempt balance. Any distribution from the Roth balance will be prorated between contributions in the

5 CFR Ch. VI (1–1–20 Edition)

Roth balance and earnings in the Roth balance. In addition, all withdrawals will be distributed pro rata from all TSP Funds in which the participant's account is invested. All prorated amounts will be based on the balances in each TSP Fund or source of contributions on the day the withdrawal is processed.

[68 FR 35503, June 13, 2003, as amended at 77 FR 26426, May 4, 2012; 84 FR 46420, Sept. 4, 2019]

§ 1650.3 Frozen accounts.

(a) All withdrawals from the TSP are subject to the rules relating to spousal rights (found in subpart G of this part) and to domestic relations orders, alimony and child support legal process, and child abuse enforcement orders (found in 5 CFR part 1653).

(b) A participant may not withdraw any portion of his or her account balance if the account is frozen due to a pending retirement benefits court order, an alimony or child support enforcement order, or a child abuse enforcement order, or because a freeze has been placed on the account by the TSP for another reason.

§ 1650.4 Certification of truthfulness.

By signing a TSP withdrawal form, electronically or on paper, the participant certifies, under penalty of perjury, that all information provided to the TSP during the withdrawal process is true and complete, including statements concerning the participant's marital status and, where applicable, the spouse's address at the time the application is filed or the current spouse's consent to the withdrawal.

[70 FR 32215, June 1, 2005]

§ 1650.5 Returned funds.

If a withdrawal is returned as undeliverable, the TSP record keeper will attempt to locate the participant. If the participant does not respond within 60 days, the TSP will forfeit the returned funds to the Plan. The participant can claim the forfeited funds, although they will not be credited with TSP investment fund returns.

§ 1650.6 Deceased participant.

(a) The TSP will cancel a pending withdrawal request if it processes a written notice that a participant is deceased. The TSP will also cancel an annuity purchase made on or after the participant's date of death but before annuity payments have begun, and the annuity vendor will return the funds to the TSP.

(b) If the TSP processes a withdrawal request before being notified that a participant is deceased, the funds cannot be returned to the TSP.

[70 FR 32215, June 1, 2005]

Subpart B—Post-Employment Withdrawals

§ 1650.11 Withdrawal elections.

(a) Subject to the restrictions in this subpart, participants may elect to withdraw all or a portion of their TSP accounts in a single payment, a series of installment payments, a life annuity, or any combination of these options.

(b) If a participant's account balance is less than \$5.00 when he or she separates from Government service, the balance will automatically be forfeited to the TSP. The participant can reclaim the money by writing to the TSP record keeper and requesting the amount that was forfeited; however, TSP investment earnings will not be credited to the account after the date of the forfeiture.

(c) Provided that the participant has not submitted a post-employment withdrawal election prior to the date the automatic payment is processed, if a participant's vested account balance is less than \$200 when he or she separates from Government service, the TSP will automatically pay the balance in a single payment to the participant at his or her TSP address of record. The participant will not be eligible for any other payment option or be allowed to remain in the TSP.

(d) Only one post-employment withdrawal election per account will be processed in any 30-calendar-day period.

[68 FR 35503, June 13, 2003, as amended at 70 FR 32215, June 1, 2005; 77 FR 26426, May 4, 2012; 84 FR 46420, Sept. 4, 2019]

§ 1650.12 Single payment.

Provided that, in the case of a partial withdrawal, the amount elected is not less than \$1,000, a participant can elect to withdraw all or a portion of his or her account balance in a single payment.

[84 FR 46420, Sept. 4, 2019]

§ 1650.13 Installment payments.

(a) A participant can elect to withdraw all or a portion of the account balance in a series of substantially equal installment payments, to be paid on a monthly, quarterly, or annual basis in one of the following manners:

(1) *A specific dollar amount.* The amount elected must be at least \$25 per installment; if the amount elected is less than \$25 per installment, the request will be rejected. Payments will be made in the amount requested each installment period.

(2) *An installment payment amount calculated based on life expectancy.* Payments based on life expectancy are determined using the factors set forth in the Internal Revenue Service life expectancy tables codified at 26 CFR 1.401(a)(9)-9, Q&A 1 and 2. The installment payment amount is calculated by dividing the account balance by the factor from the IRS life expectancy tables based upon the participant's age as of his or her birthday in the year payments are to begin. This amount is then divided by the number of installment payments to be made per calendar year to yield the installment payment amount. In subsequent years, the installment payment amount is recalculated each January by dividing the prior December 31 account balance by the factor in the IRS life expectancy tables based upon the participant's age as of his or her birthday in the year payments will be made. There is no minimum amount for an installment payment calculated based on this method.

(b) A participant receiving installment payments calculated based upon life expectancy can make one election, at any time, to change to a fixed dollar installment payment. A participant can change the amount of his or her fixed payments at any time as described in §1650.17(c). A participant

§ 1650.14

5 CFR Ch. VI (1–1–20 Edition)

who is receiving installment payments based on a fixed dollar amount, however, cannot elect to change to an amount calculated based on life expectancy.

(c) If a participant elects to receive installments pro rata from his or her traditional and Roth balances, installment payments will be made until the participant's entire account balance is expended, unless the participant elects to change or stop installment payments as described in § 1650.17(c). If a participant elects to receive installment payments from his or her traditional balance only or Roth balance only, installment payments will automatically continue from the non-elected balance once the elected balance has been expended, unless the participant elects to change or stop installment payments as described in § 1650.17(c).

(d) A participant receiving installment payments, regardless of the calculation method, can elect at any time to receive the remainder or part of his or her account balance in a single payment.

(e) A participant may only have one installment payment series in place at a time.

(f) A participant receiving installment payments may change the investment of his or her account balance among the TSP investment funds as provided in 5 CFR part 1601.

(g) Upon receiving information from an employing agency that a participant receiving installment payments is no longer separated, the TSP will cancel all pending and future installment payments.

[84 FR 46420, Sept. 4, 2019]

§ 1650.14 Annuities.

(a) A participant electing a post-employment withdrawal can use all or a portion of his or her total account balance, traditional balance only, or Roth balance only to purchase a life annuity.

(b) If a participant has a traditional balance and a Roth balance and elects to use all or a portion of his or her total account balance to purchase a life annuity, the TSP must purchase two separate annuity contracts for the participant: One from the portion of the withdrawal distributed from his or her

traditional balance and one from the portion of the withdrawal distributed from his or her Roth balance.

(c) A participant cannot elect to purchase an annuity contract with less than \$3,500.

(d) Unless an amount must be paid directly to the participant to satisfy any applicable minimum distribution requirement of the Internal Revenue Code, the TSP will purchase the annuity contract(s) from the TSP's annuity vendor using the participant's entire account balance or the portion specified. In the event that a minimum distribution is required by section 401(a)(9) of the Internal Revenue Code before the date of the first annuity payment, the TSP will compute that amount prior to purchasing the annuity contract(s), and pay it directly to the participant.

(e) An annuity will provide a payment for life to the participant and, if applicable, to the participant's survivor, in accordance with the type of annuity chosen. The TSP annuity vendor will make the first annuity payment approximately 30 days after the TSP purchases the annuity.

(f) The amount of an annuity payment will depend on the type of annuity chosen, the participant's age when the annuity is purchased (and the age of the joint annuitant, if applicable), the amount used to purchase the annuity, and the interest rate available when the annuity is purchased.

(g) Participants may choose among the following types of annuities:

(1) *A single life annuity with level payments.* This annuity provides monthly payments to the participant as long as the participant lives. The amount of the monthly payment remains constant.

(2) *A joint life annuity for the participant and spouse with level payments.* This annuity provides monthly payments to the participant, as long as both the participant and spouse are alive, and monthly payments to the survivor, as long as the survivor is alive. The amount of the monthly payment remains constant, although the amount received will depend on the type of survivor benefit elected.

(3) *A joint life annuity for the participant and another person with level payments.* This annuity provides monthly payments to the participant as long as both the participant and the joint annuitant are alive, and monthly payments to the survivor as long as the survivor is alive. The amount of the monthly payment remains constant. The joint annuitant must be either a former spouse or a person who has an insurable interest in the participant.

(i) A person has an “insurable interest in the participant” if the person is financially dependent on the participant and could reasonably expect to derive financial benefit from the participant’s continued life.

(ii) A relative (either blood or adopted, but not by marriage) who is closer than a first cousin is presumed to have an insurable interest in the participant.

(iii) A participant can establish that a person not described in paragraph (d)(3)(ii) of this section has an insurable interest in him or her by submitting, with the annuity request, an affidavit from a person other than the participant or the joint annuitant that demonstrates that the designated joint annuitant has an insurable interest in the participant (as described in paragraph (d)(3)(i) of this section).

(4) *Either a single life or joint (with spouse) life annuity with increasing payments.* This annuity provides monthly payments to the participant only, or to the participant and spouse, as applicable. The monthly payments are adjusted once each year on the anniversary of the first payment, based on the Federal Bureau of Labor Statistics Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W). Each year, the percentage change in the monthly unadjusted CPI-W index for July, August, and September over the monthly unadjusted CPI-W index for July, August, and September of the prior year is calculated. The following calendar year, the amount of the monthly payment is adjusted by the lesser of 3 percent or the percentage increase in the CPI-W, if any. In no case will the amount of the monthly payment be decreased based on the CPI-W. If the participant chooses a joint life annuity, the annual increase also ap-

plies to benefits received by the survivor.

(h) For each withdrawal election in which the participant elects to purchase an annuity with some or all of the amount withdrawn, if the TSP must purchase two annuity contracts, the type of annuity, the annuity features, and the joint annuitant (if applicable) selected by the participant will apply to both annuities purchased. For each withdrawal election, a participant cannot elect more than one type of annuity by which to receive a withdrawal, or portion thereof, from any one account.

(i) A participant who chooses a joint life annuity (with a spouse, a former spouse, or a person with an insurable interest) must choose either a 50 percent or a 100 percent survivor benefit. The survivor benefit applies when either the participant or the joint annuitant dies.

(1) A 50 percent survivor benefit provides a monthly payment to the survivor which is 50 percent of the amount of the payment that is made when both the participant and the joint annuitant are alive.

(2) A 100 percent survivor benefit provides a monthly payment to the survivor, which is equal to the amount of the payment that is made when both the participant and the joint annuitant are alive.

(3) Either the 50 percent or the 100 percent survivor benefit may be combined with any joint life annuity option. However, the 100 percent survivor benefit can only be combined with a joint annuity with a person other than the spouse (or a former spouse, if required by a retirement benefits court order) if the joint annuitant is not more than 10 years younger than the participant.

(j) The following features are mutually exclusive, but can be combined with certain types of annuities, as indicated:

(1) *Cash refund.* This feature provides that, if the participant (and joint annuitant, where applicable) dies before an amount equal to the balance used to purchase the annuity has been paid out, the difference between the balance used to purchase the annuity and the sum of monthly payments already

§ 1650.16

made will be paid to the beneficiary(ies) designated by the participant (or by the joint annuitant, where applicable). This feature can be combined with any type of annuity.

(2) *Ten-year certain.* This feature provides that, if the participant dies before annuity payments have been made for 10 years (120 payments), monthly payments will be made to the beneficiary(ies) until 120 payments have been made. This feature can be combined with any single life annuity, but cannot be combined with a joint life annuity.

(k) Once an annuity has been purchased, the type of annuity, the annuity features, and the identity of the joint annuitant cannot be changed, and the annuity cannot be terminated.

[68 FR 35503, June 13, 2003, as amended at 77 FR 26426, May 4, 2012; 84 FR 46421, Sept. 4, 2019]

§ 1650.16 Required minimum distributions.

(a) A separated participant must receive required minimum distributions from his or her account commencing no later than the required beginning date and, for each year thereafter, no later than December 31.

(b) A separated participant may elect to withdraw from his or her account or to begin receiving payments before the required beginning date, but is not required to do so.

(c) In the event that a separated participant does not withdraw from his or her account an amount sufficient to satisfy his or her required minimum distribution for the year, the TSP will automatically distribute the necessary amount on or before the applicable date described in paragraph (a) of this section.

(d) The TSP will disburse required minimum distributions described in paragraph (c) of this section pro rata from the participant's traditional balance and the participant's Roth balance.

(e) The rules set forth in paragraphs (a) through (d) of this section shall apply to a separated participant who reclaims an account balance that was declared abandoned.

5 CFR Ch. VI (1–1–20 Edition)

§ 1650.17 Changes and cancellation of a withdrawal request.

(a) *Before processing.* A pending withdrawal request can be cancelled if the cancellation is received and can be processed before the TSP processes the withdrawal request. However, the TSP processes withdrawal requests each business day and those that are entered into the record keeping system by 12:00 noon eastern time will ordinarily be processed that night; those entered after 12:00 noon eastern time will be processed the next business day. Consequently, a cancellation request must be received and entered into the system before the cut-off for the day the withdrawal request is submitted for processing in order to be effective to cancel the withdrawal.

(b) *After processing.* A withdrawal election cannot be changed or cancelled after the withdrawal request has been processed. Consequently, funds disbursed cannot be returned to the TSP record keeper.

(c) *Change in installment payments.* If a participant is receiving a series of installment payments, with appropriate supporting documentation as required by the TSP record keeper, the participant can change at any time: The payment amount or frequency (including stopping installment payments), the address to which the payments are mailed, the amount of federal tax withholding, whether or not a payment will be transferred (if permitted) and the portion to be transferred, the method by which direct payments to the participant are being sent (EFT or check), the identity of the financial institution to which payments are transferred or sent by EFT, or the identity of the EFT account.

employing agency or service must report the separation and the date of separation to the TSP record keeper. Until the TSP record keeper receives this information from the employing agency or service, it will not pay a post-employment withdrawal.

§ 1650.22 Accounts of \$200 or more.

A participant whose account balance is \$200 or more must submit a properly completed withdrawal election to request a post-employment withdrawal of his or her account balance.

§ 1650.23 Accounts of less than \$200.

Upon receiving information from the employing agency that a participant has been separated for more than 31 days and that any outstanding loans have been closed, provided the participant has not made a withdrawal election before the distribution is processed, if the account balance is \$5.00 or more but less than \$200, the TSP record keeper will automatically distribute the entire amount of his or her account balance. The TSP will not pay this amount by EFT. The participant may not elect to leave this amount in the TSP, nor will the TSP transfer any automatically distributed amount to an eligible employer plan, traditional IRA, or Roth IRA. However, the participant may elect to roll over this payment into an eligible employer plan, traditional IRA, or Roth IRA to the extent the roll over is permitted by the Internal Revenue Code.

§ 1650.25 Transfers from the TSP.

(a) The TSP will, at the participant's election, transfer all or any portion of an eligible rollover distribution (as defined by section 402(c)(4) of the Internal

Revenue Code) directly to an eligible employer plan or an IRA.

(b) If a withdrawal includes a payment from a participant's traditional balance and a payment from the participant's Roth balance, the TSP will, at the participant's election, transfer all or a portion of the payment from the traditional balance to a single plan or IRA and all or a portion of the payment from the Roth balance to another plan or IRA. The TSP will also allow the traditional and Roth portions of a payment to be transferred to the same plan or IRA but, for each type of balance, the election must be made separately by the participant and each type of balance will be transferred separately. However, the TSP will not transfer portions of the participant's traditional balance to two different institutions or portions of the participant's Roth balance to two different institutions.

(c) If a withdrawal includes an amount from a participant's Roth balance and the participant elects to transfer that amount to another eligible employer plan or Roth IRA, the TSP will inform the plan administrator or trustee of the start date of the participant's Roth 5 year non-exclusion period or the participant's Roth initiation date, and the portion of the distribution that represents Roth contributions. If a withdrawal includes an amount from a participant's Roth balance and the participant does not elect to transfer the amount, the TSP will inform the participant of the portion of the distribution that represents Roth contributions.

(d) Tax-exempt contributions can be transferred only if the IRA or plan accepts such funds.

(e) The TSP will transfer distributions only to the extent that the transfer is permitted by the Internal Revenue Code.

Unless the withdrawal request is for the entire vested account balance, the entire vested traditional balance, or the entire vested Roth balance, the amount of an age-based withdrawal request must be at least \$1,000.

(b) An age-based withdrawal is an eligible rollover distribution, so a participant may request that the TSP transfer all or a portion of the withdrawal to a traditional IRA, an eligible employer plan, or a Roth IRA in accordance with § 1650.25.

(c) A participant is permitted four age-based withdrawals per calendar year for an account. Only one age-based withdrawal election per account will be processed in any 30-calendar-day-period.

§ 1650.32 Financial hardship withdrawals.

(a) A participant who has not separated from Government employment and who can certify that he or she has a financial hardship is eligible to withdraw all or a portion of his or her own contributions to the TSP (and their attributable earnings) in a single payment to meet certain specified financial obligations. The amount of a financial hardship withdrawal request must be at least \$1,000.

(b) To be eligible for a financial hardship withdrawal, a participant must have a financial need that results from at least one of the following four conditions:

(1) The participant's monthly cash flow is negative (*i.e.*, the participant's income is less than his or her monthly expenses on a recurring basis);

(2) The participant has incurred medical expenses as a result of a medical condition, illness, or injury to the participant, the participant's spouse, or the participant's dependents. Generally, eligible expenses are those that would be eligible for deduction as medical expenses for Federal income tax purposes. Eligible medical expenses include the cost of household improvements required as a result of a medical

condition, illness or injury. Household improvements are structural improvements to the participant's living quarters or the installation of special equipment that is necessary to accommodate the circumstances of the incapacitated person.

(3) The participant must have paid the cost of repair or replacement resulting from a personal casualty loss that would be eligible for deduction for Federal income tax purposes, but without regard to the IRS income limitations on deductibility, fair market value of the property, or number of events. Personal casualty loss includes damage, destruction, or loss of property resulting from a sudden, unexpected, or unusual event, such as an earthquake, hurricane, tornado, flood, storm, fire, or theft.

(4) The participant must have paid attorney fees and court costs associated with separation or divorce. Court-ordered payments to a spouse or former spouse and child support payments are not allowed, nor are costs of obtaining prepaid legal services or other coverage for legal services.

(c) When determining financial hardship needs, a participant cannot use any expenses that are already paid or are reimbursable to the participant by insurance or otherwise.

(d) The amount of a participant's financial hardship withdrawal cannot exceed the smallest of the following:

(1) The amount requested; or

(2) The amount in the participant's account that is equal to his or her own contributions and attributable earnings.

(e) The participant must certify that he or she has a financial hardship as described on the hardship withdrawal form, and that the dollar amount of the withdrawal request does not exceed the actual amount of the financial hardship.

(f) A participant is not eligible for an in-service hardship withdrawal based solely on monthly negative cash flow (as described in paragraph (b)(1) of this section) during the time he or she has pending a petition in bankruptcy under Chapter 13 of the Bankruptcy Code (11 U.S.C. chapter 13).

§ 1650.33 Contributing to the TSP after an in-service withdrawal.

(a) *Age-Based In-Service Withdrawals.* A participant's TSP contribution election will not be affected by an age-based in-service withdrawal; therefore, his or her TSP contributions will continue without interruption.

(b) *Financial Hardship In-Service Withdrawals.* (1) A participant who obtains a financial hardship in-service withdrawal prior to September 15, 2019, may not contribute to the TSP until the earlier of:

(i) The end of the six-month period after the withdrawal is processed, or

(ii) September 15, 2019.

(2) Therefore, the participant's employing agency will discontinue his or her contributions (and any applicable Agency Matching Contributions) for the applicable period after the agency is notified by the TSP; in the case of a FERS or BRS participant, Agency Automatic (1%) Contributions will continue. A participant whose TSP contributions are discontinued by his or her agency after a financial hardship withdrawal can resume contributions any time after expiration of the applicable period by submitting a new TSP contribution election. Contributions will not resume automatically.

(3) A participant's TSP contribution election will not be affected by a financial hardship in-service withdrawal obtained on or after September 15, 2019; therefore, his or her TSP contributions will continue without interruption.

§ 1650.43 [Reserved]**Subpart F [Reserved]****Subpart G—Spousal Rights****§ 1650.61 Spousal rights applicable to post-employment withdrawals.**

(a) The spousal rights described in this section apply to total post-employment withdrawals when the married participant's vested TSP account balance exceeds \$3,500, to partial post-employment withdrawals without regard to the amount of the participant's account balance, and to any change in the amount or frequency of an existing installment payment series, including a change from payments calculated based on life expectancy to payments based on a fixed-dollar amount.

(b) Unless the participant was granted an exception under this subpart to the spousal notification requirement within 90 days of the date the withdrawal request is processed by the TSP, the spouse of a CSRS participant is entitled to notice when the participant applies for a post-employment withdrawal or makes a change to the amount or frequency of an existing installment payment series. The participant must provide the TSP record keeper with the spouse's correct address. The TSP record keeper will send

the required notice by first class mail to the spouse at the most recent address provided by the participant.

(c) The spouse of a FERS or uniformed services participant has a right to a joint and survivor annuity with a 50 percent survivor benefit, level payments, and no cash refund based on the participant's entire account balance when the participant elects a total post-employment withdrawal.

(1) The participant may make a different total withdrawal election only if his or her spouse consents to that election and waives the right to this annuity.

(2) A participant's spouse must consent to any partial withdrawal election (other than an election to purchase this type of an annuity with such amount) and waive his or her right to this annuity with respect the amount withdrawn.

(3) A spouse must consent to any change in the amount or frequency of an existing installment payment series and waive his or her right to this annuity with respect to the applicable amount. Spousal consent is not required to stop installment payments.

(4) Unless the TSP granted the participant an exception under this subpart to the spousal notification requirement within 90 days of the date the withdrawal form is processed by the TSP, to show that the spouse has consented to a different total or partial withdrawal election or installment payment change and waived the right to this annuity with respect to the applicable amount, the participant must submit to the TSP record keeper a properly completed withdrawal request form, signed by his or her spouse in the presence of a notary. If the TSP granted the participant an exception to the signature requirement, the participant should enclose a copy of the TSP's approval letter with the withdrawal form.

(5) The spouse's consent and waiver is irrevocable for the applicable withdrawal or installment payment change once the TSP record keeper has received it.

[84 FR 46422, Sept. 4, 2019]

§ 1650.62 Spousal rights applicable to in-service withdrawals.

(a) The spousal rights described in this section apply to all in-service withdrawals and do not depend on the amount of the participant's vested account balance or the amount requested for withdrawal.

(b) Unless the participant was granted an exception under this subpart to the spousal notification requirement within 90 days of the date on which the withdrawal request is processed by the TSP, the spouse of a CSRS participant is entitled to notice when the participant applies for an in-service withdrawal. If the TSP granted the participant an exception to the notice requirement, the participant should enclose a copy of the TSP's approval letter with the withdrawal form. The participant must provide the TSP record keeper with the spouse's correct address. The TSP record keeper will send the required notice by first class mail to the spouse at the most recent address provided by the participant.

(c) Unless the participant was granted an exception under this subpart to the signature requirement within 90 days of the date the withdrawal form is processed by the TSP, before obtaining an in-service withdrawal, a participant who is covered by FERS or who is a member of the uniformed services must obtain the consent of his or her spouse and waiver of the spouse's right to a joint and survivor annuity described in §1650.61(c) with respect to the applicable amount. To show the spouse's consent and waiver, a participant must submit to the TSP record keeper a properly completed withdrawal request form, signed by his or her spouse in the presence of a notary. Once a form containing the spouse's consent and waiver has been submitted to the TSP record keeper, the spouse's consent is irrevocable for that withdrawal.

[68 FR 35503, June 13, 2003, as amended at 69 FR 29851, May 26, 2004; 84 Fr 46423, Sept. 4, 2019]

§ 1650.63 Executive Director's exception to the spousal notification requirement.

(a) Whenever this subpart requires the Executive Director to give notice of an action to the spouse of a CSRS

participant, an exception to this requirement may be granted if the participant establishes to the satisfaction of the Executive Director that the spouse's whereabouts cannot be determined. A request for such an exception must be submitted to the TSP record keeper on the appropriate TSP paper form, accompanied by the following:

(1) A court order stating that the spouse's whereabouts cannot be determined;

(2) A police or governmental agency determination, signed by the appropriate department or division head, which states that the spouse's whereabouts cannot be determined; or

(3) Statements by the participant and two other persons, which meet the following requirements:

(i) The participant's statement must give the full name of the spouse, declare the participant's inability to locate the spouse, state the last time the spouse's location was known, explain why the spouse's location is not known currently, and describe the good faith efforts the participant has made to locate the spouse in the 90 days before the request for an exception was received by the TSP. Examples of attempting to locate the spouse include, but are not limited to, checking with relatives and mutual friends or using telephone directories and directory assistance for the city of the spouse's last known address. Negative statements, such as, "I have not seen nor heard from him," or "I have not had contact with her," are not sufficient.

(ii) The statements from two other persons must support the participant's statement that he or she does not know the spouse's whereabouts, and substantiate the participant's description of the efforts he or she made to locate the spouse, including the dates the participant made those efforts.

(iii) All statements must be signed and dated and must include the following certification: "I understand that a false statement or willful misrepresentation is punishable under Federal law (18 U.S.C. 1001) by a fine or imprisonment or both."

(b) A withdrawal election will be processed within 90 days of an approved exception so long as the spouse named on the form is the spouse for whom the

exception has been approved. The spouse's SSN must be included on the withdrawal request.

(c) The TSP, in its discretion, may require a participant to provide additional information before granting a waiver. The TSP may use any of the information provided to conduct its own search for the spouse.

[68 FR 35503, June 13, 2003, as amended at 70 FR 32215, June 1, 2005]

§ 1650.64 Executive Director's exception to the spousal consent requirement.

(a) Whenever this subpart requires the consent of a spouse of a FERS or uniformed services participant to a loan or withdrawal or a waiver of the right to a survivor annuity, an exception to this requirement may be granted if the participant establishes to the satisfaction of the Executive Director that:

(1) The spouse's whereabouts cannot be determined in accordance with the provisions of this subpart; or

(2) Due to exceptional circumstances, requiring the spouse's signature would be inappropriate.

(i) An exception to the requirement for a spouse's signature may be granted based on exceptional circumstances only when the participant presents a court order or government agency determination that contains a finding or a recitation of exceptional circumstances regarding the spouse which would warrant an exception to the signature requirement.

(ii) Exceptional circumstances are narrowly construed, but are exemplified by a court order or government agency determination that:

(A) Indicates that the spouse and the participant have been maintaining separate residences with no financial relationship for three or more years;

(B) Indicates that the spouse abandoned the participant, but for religious or similarly compelling reasons, the parties chose not to divorce; or

(C) Expressly states that the participant may obtain a loan from his or her TSP account or withdraw his or her Thrift Savings Plan account balance notwithstanding the absence of the spouse's signature.

(b) A post-employment withdrawal election or an in-service withdrawal request processed within 90 days of an approved exception will be accepted by the TSP so long as the spouse named on the form is the spouse for whom the exception has been approved. The spouse's SSN must be included on the withdrawal request form.

Administrative finding means an evidence-based determination reached by a hearing, inquiry, investigation, or trial before an administrative agency of competent jurisdiction in any State, territory or possession of the United States.

Death benefit means the portion of a deceased participant's account that is payable under FERSA's order of precedence.

Order of precedence means the priority of entitlement to a TSP death benefit specified in 5 U.S.C. 8424(d).

Required beginning date means:

(1) The end of the calendar year immediately following the calendar year in which the participant died; or

(2) The end of the calendar year in which the participant would have attained age 70½, whichever is later.

Required minimum distribution means the amount required to be distributed to a beneficiary participant beginning on the required beginning date and every year thereafter pursuant to Internal Revenue Code section 401(a)(9) and the regulations promulgated thereunder, as applicable.

TIN means a taxpayer identification number. A TIN may be a Social Security number (SSN), an employer identification number (EIN), or an individual taxpayer identification number (ITIN).

§ 1651.2 Entitlement to funds in a deceased participant's account.

(a) *Death benefits*. Except as provided in paragraph (b) of this section, the account balance of a deceased participant will be paid as a death benefit to the individual or individuals surviving the participant, in the following order of precedence:

(1) To the beneficiary or beneficiaries designated by the participant on the TSP designation of beneficiary form that has been properly completed and filed in accordance with § 1651.3;

(2) If there is no designated beneficiary, to the spouse of the participant in accordance with § 1651.5;

(3) If there are no beneficiaries or persons as described in paragraphs (a)(1) and (a)(2) of this section, to the child or children of the participant and descendants of deceased children by representation in accordance with § 1651.6;

(4) If there are no beneficiaries or persons as described in paragraphs (a)(1) through (a)(3) of this section, to the parents of the participant in equal shares or entirely to the surviving parent in accordance with § 1651.7;

(5) If there are no beneficiaries or persons as described in paragraphs

(a)(1) through (a)(4) of this section, to the duly appointed executor or administrator of the estate of the participant in accordance with § 1651.8; or

(6) If there are no beneficiaries or persons as described in paragraphs (a)(1) through (a)(5) of this section, to the next of kin of the participant who is or are entitled under the laws of the state of the participant's domicile on the date of the participant's death in accordance with § 1651.9.

(b) *TSP withdrawals.* If the TSP processes a notice that a participant has died, it will cancel any pending request by the participant to withdraw his or her account. The TSP will also cancel an annuity purchase made on or after the participant's date of death but before annuity payments have begun, and the annuity vendor will return the funds to the TSP. The funds designated by the participant for the withdrawal will be paid as a death benefit in accordance with paragraph (a) of this section, unless the participant elected to withdraw his or her account in the form of an annuity, in which case the funds designated for the purchase of the annuity will be paid as described below:

(1) If the participant requested a single life annuity with no cash refund or 10-year certain feature, the TSP will pay the funds as a death benefit in accordance with paragraph (a) of this section.

(2) If the participant requested a single life annuity with a cash refund or 10-year certain feature, the TSP will pay the funds as a death benefit to the beneficiary or beneficiaries designated by the participant on the annuity portion of the TSP withdrawal request form, or as a death benefit in accordance with paragraph (a) of this section if no beneficiary designated on the withdrawal request survives the participant.

(3) If the participant requested a joint life annuity without additional features, the TSP will pay the funds as a death benefit to the joint life annuitant if he or she survives the participant, or as a death benefit in accordance with paragraph (a) of this section if the joint life annuitant does not survive the participant.

(4) If the participant requested a joint life annuity with a cash refund or 10-year certain feature, the TSP will pay the funds as a death benefit to the joint life annuitant if he or she survives the participant, or as a death benefit to the beneficiary or beneficiaries designated by the participant on the annuity portion of the TSP withdrawal request form if the joint life annuitant does not survive the participant, or as a death benefit in accordance with paragraph (a) of this section if neither the joint life annuitant nor any designated beneficiary survives the participant.

(5) If a participant dies after annuity payments have begun, the annuity vendor will make or stop the payments in accordance with the annuity method selected.

(c) *TSP loans.* If the TSP processes a notice that a participant has died, any pending loan disbursement will be cancelled and the funds designated for the loan will be distributed as a death benefit in accordance with paragraph (a) of this section. If a TSP loan has been disbursed, but the check has not been negotiated (or an electronic funds transfer (EFT) has been returned), the loan proceeds will be used to pay off the loan. If the loan check has been negotiated (or the EFT has been processed), the funds cannot be returned to the TSP and the TSP will declare the loan balance as a taxable distribution in accordance with 5 CFR 1655.15.

(d) *Investment of a TSP account upon notice of death.* If a participant dies with any portion of his or her TSP account in a TSP Fund other than the G Fund, the TSP will transfer the entire account into the G Fund after it processes a notice that the participant has died, or a death code from the participant's employing agency reporting the participant's death. The account will accrue earnings at the G Fund rate in accordance with 5 CFR part 1645 until it is paid out or a beneficiary participant account is established under this part.

[68 FR 35509, June 13, 2003, as amended at 70 FR 32215, June 1, 2005; 80 FR 52174, Aug. 28, 2015]

§ 1651.3 Designation of beneficiary.

(a) *Filing requirements.* To designate a beneficiary of a TSP account, a participant must complete and file a TSP designation of beneficiary form with the TSP record keeper. A participant may designate more beneficiaries than the TSP form accommodates by attaching additional pages to the TSP designation of beneficiary form in accordance with the instructions on the form. A valid TSP designation of beneficiary remains in effect until it is properly canceled or changed as described in § 1651.4.

(b) *Eligible beneficiaries.* Any individual, firm, corporation, or legal entity, including the U.S. Government, may be designated as a beneficiary. Any number of beneficiaries can be named to share the death benefit. A beneficiary may be designated without the knowledge or consent of that beneficiary or the knowledge or consent of the participant's spouse. A participant may designate a custodian under the Uniform Transfers to Minors Act provided that the custodianship is established under the laws of the District of Columbia and that the participant designates the custodianship using the Agency's designation of custodian form.

(c) *Validity requirements.* To be valid and accepted by the TSP record keeper, a TSP designation of beneficiary form must:

- (1) Be received by the TSP record keeper on or before the date of the participant's death;
- (2) Identify the participant in such a manner so that the Agency can locate his or her TSP account;
- (3) Be signed and properly dated by the participant and signed and properly dated by one witness;
 - (i) The participant must either sign the form in the presence of the witness or acknowledge his or her signature on the form to the witness;
 - (ii) All submitted and attached pages of the form must be signed and dated by the participant;
 - (iii) All submitted and attached pages of the form must be signed and dated by the same witness;
 - (iv) A witness must be age 21 or older; and

(v) A witness designated as a beneficiary will not be entitled to receive a death benefit payment; if a witness is the only named beneficiary, the designation of the beneficiary is invalid. If more than one beneficiary is named, the share of the witness beneficiary will be allocated among the remaining beneficiaries pro rata.

(4) Designate primary beneficiary shares which when summed equal 100%;

(5) Contain no substantive alterations (e.g., struck-through shares or scratched-out names of beneficiaries);

(6) Designate each primary and each contingent beneficiary in such a manner so that the Agency can identify the individual or entity;

(7) For each contingent beneficiary, identify the primary beneficiary whose share the contingent beneficiary is to receive in the event the primary beneficiary dies before payment is made;

(8) Not attempt to designate beneficiaries for the participant's traditional balance and the participant's Roth balance separately; and

(9) Be received by the TSP record-keeper not more than 365 calendar days after the date of the participant's most recent signature.

(d) *Will.* A participant cannot use a will to designate a TSP beneficiary.

[70 FR 32216, June 1, 2005, as amended at 75 FR 44066, July 28, 2010; 77 FR 26427, May 4, 2012; 79 FR 38748, July 9, 2014; 79 FR 44261, July 31, 2014; 82 FR 60105, Dec. 19, 2017]

§ 1651.4 How to change or cancel a designation of beneficiary.

(a) *Change.* To change a designation of beneficiary, the participant must submit to the TSP record keeper a new TSP designation of beneficiary form meeting the requirements of § 1651.3 to the TSP record keeper. If the TSP receives more than one valid TSP designation of beneficiary form, it will honor the form with the latest date signed by the participant. A participant may change a TSP beneficiary at any time, without the knowledge or consent of any person, including his or her spouse.

(b) *Cancellation.* A participant may cancel all prior designations of beneficiaries by sending the TSP record keeper either a new valid designation

of beneficiary form meeting the requirements of §1651.3, or a letter. If the participant uses a letter to cancel a designation of beneficiary, it must be signed and witnessed in the same manner as a TSP designation of beneficiary form; it must explicitly state that all prior designations are canceled; and the TSP record keeper must receive it on or before the date of the participant's death.

(c) *Will.* A participant cannot use a will to change or cancel a TSP designation of beneficiary.

[70 FR 32216, June 1, 2005]

§ 1651.5 Spouse of participant.

(a) For purposes of payment under §1651.2(a)(2) and establishment of beneficiary participant accounts under §1651.19, the spouse of the participant is the person to whom the participant was married on the date of death. A person is considered to be married even if the parties are separated, unless a court decree of divorce or annulment has been entered. The laws of the jurisdiction in which the marriage was initially established will be used to determine whether the participant was married on the date of death.

(b) If a person claims to have a marriage at common law with a deceased participant, the TSP will pay benefits to the putative spouse under §1651.2(a)(2) in accordance with the marital status shown on the most recent Federal income tax return filed by the participant. Alternatively, the putative spouse may submit a court order or administrative adjudication determining that the common law marriage is valid.

[71 FR 9897, Feb. 28, 2006, as amended at 75 FR 78879, Dec. 17, 2010; 78 FR 57784, Sept. 20, 2013]

§ 1651.6 Child or children.

If the account is to be paid to the child or children, or to descendants of deceased children by representation, as provided in §1651.2(a)(3), the following rules apply:

(a) *Child.* A child includes a natural or adopted child of the deceased participant.

(b) *Descendants of deceased children.* "By representation" means that, if a

child of the participant dies before the participant, all descendants of the deceased child at the same level will equally divide the deceased child's share of the participant's account.

(c) *Adoption by another.* A natural child of a TSP participant who has been adopted by someone other than the participant during the participant's lifetime will not be considered the child of the participant, unless the adopting parent is the spouse of the TSP participant.

(d) *Parentage disputes.* If the identity of the father or mother of a child is in dispute or otherwise unclear (e.g., only one parent is listed on a birth certificate), the purported child must submit to the TSP either:

(1) A court order or other administrative finding establishing parentage; or

(2) Documentation sufficient for establishing parentage under the law of the state in which the participant was domiciled at the time of death.

[62 FR 32429, June 13, 1997, as amended at 74 FR 63063, Dec. 2, 2009]

§ 1651.7 Parent or parents.

If the account is to be paid to the participant's parent or parents under §1651.2(a)(4), the following rules apply:

(a) *Amount.* If both parents are alive at the time of the participant's death, each parent will be separately paid fifty percent of the account. If only one parent is alive at the time of the participant's death, he or she will receive the entire account balance.

(b) *Step-parent.* A step-parent is not considered a parent unless the step-parent adopted the participant.

§ 1651.8 Participant's estate.

If the account is to be paid to the duly appointed executor or administrator of the participant's estate under §1651.2(a)(5), the following rules apply:

(a) *Appointment by court.* The executor or administrator must provide documentation of court appointment.

(b) *Appointment by operation of law.* If state law provides procedures for handling small estates, the Board will accept the person authorized to dispose of the assets of the deceased participant under those procedures as a duly appointed executor or administrator. Documentation which demonstrates

§ 1651.9

that the person is properly authorized under state law must be submitted to the TSP record keeper.

§ 1651.9 Participant's next of kin.

If the account is to be paid to the participant's next of kin under § 1651.2(a)(6), the next of kin of the participant will be determined in accordance with the state law of the participant's domicile at the time of death.

§ 1651.10 Deceased and non-existent beneficiaries.

(a) *Designated beneficiary dies before participant.* The share of any designated beneficiary who predeceases the participant will be paid pro rata to the participant's other designated beneficiary or beneficiaries. If no designated beneficiary survives the participant, the account will be paid according to the order of precedence set forth in § 1651.2(a).

(b) *Trust designated as beneficiary but not in existence.* If a participant designated a trust or other entity as a beneficiary and the entity does not exist on the date of the participant's death, or is not created by will or other document that is effective upon the participant's death, the amount designated to the entity will be paid in accordance with the rules of paragraph (a) of this section, as if the trust were a beneficiary that predeceased the participant.

(c) *Non-designated beneficiary dies before participant.* If a beneficiary other than a beneficiary designated on a TSP designation of beneficiary form dies before the participant, the beneficiary's share will be paid equally to other living beneficiaries bearing the same relationship to the participant as the deceased beneficiary. However, if the deceased beneficiary is a child of the participant, payment will be made to the deceased child's descendants, if any. If there are no other beneficiaries bearing the same relationship or, in the case of deceased children, the deceased beneficiary's share will be paid to the person(s) next in line according to the order of precedence.

(d) *Beneficiary dies after participant but before payment.* If a beneficiary dies after the participant, the beneficiary's

5 CFR Ch. VI (1-1-20 Edition)

share will be paid to the beneficiary's estate. A copy of a beneficiary's certified death certificate is required in order to establish that the beneficiary has died, and when.

[70 FR 32216, June 1, 2005]

§ 1651.11 Simultaneous death.

If a beneficiary dies at the same time as the participant, the beneficiary will be treated as if he or she predeceased the participant and the account will be paid in accordance with § 1651.10. The same time is considered to be the same hour and minute as indicated on a death certificate. If the participant and beneficiary are killed in the same event, death is presumed to be simultaneous, unless evidence is presented to the contrary.

§ 1651.12 Homicide.

If the participant's death is the result of a homicide, a beneficiary will not be paid as long as the beneficiary is under investigation by local, state or Federal law enforcement authorities as a suspect. If the beneficiary is implicated in the death of the participant and the beneficiary would be precluded from inheriting under state law, the beneficiary will not be entitled to receive any portion of the participant's account. The Board will follow the state law of the participant's domicile as that law is set forth in a civil court judgment (that, under the law of the state, would protect the Board from double liability or payment) or, in the absence of such a judgment, will apply state law to the facts after all criminal appeals are exhausted. The Board will treat the beneficiary as if he or she predeceased the participant and the account will be paid in accordance with § 1651.10.

[62 FR 32429, June 13, 1997, as amended at 75 FR 44066, July 28, 2010]

§ 1651.13 How to apply for a death benefit.

The TSP has created a paper form that a potential beneficiary must use to apply for a TSP death benefit. The TSP must receive this form before a death benefit can be paid. Any individual can file this form with the TSP

record keeper. The individual submitting the form must attach to the form a certified copy of the participant's death certificate. The TSP record keeper's acceptance of this form does not entitle the applicant to benefits. Please visit <http://www.tsp.gov> to obtain a copy of this form and for the current mailing address for death benefit applications.

[70 FR 32217, June 1, 2005, as amended at 71 FR 50319, Aug. 25, 2006]

§ 1651.14 How payment is made.

(a) Each beneficiary's death benefit will be disbursed pro rata from the participant's traditional and Roth balances. The payment from the traditional balance will be further pro rated between the tax-deferred balance and tax-exempt balance. The payment from the Roth balance will be further pro rated between contributions in the Roth balance and earnings in the Roth balance. In addition, all death benefits will be disbursed pro rata from all TSP Funds in which the deceased participant's account is invested. All pro rated amounts will be based on the balances in each TSP Fund or source of contributions on the day the disbursement is made. Disbursement will be made separately for each entitled beneficiary.

(b) *Spouse beneficiaries.* The TSP will automatically transfer a surviving spouse's death benefit to a beneficiary participant account (described in § 1651.19) established in the spouse's name. The TSP will not maintain a beneficiary participant account if the balance of the beneficiary participant account is less than \$200 on the date the account is established. The Agency also will not transfer this amount or pay it by electronic funds transfer. Instead the spouse will receive an immediate distribution in the form of a check.

(c) *Nonspouse beneficiaries.* The TSP record keeper will send notice of pending payment to each beneficiary. Payment will be sent to the address that is provided on the participant's TSP designation of beneficiary form unless the TSP receives written notice of a more recent address. All beneficiaries must provide the TSP record keeper with a taxpayer identification number; *i.e.*,

Social Security number (SSN), employee identification number (EIN), or individual taxpayer identification number (ITIN), as appropriate. The following additional rules apply to payments to nonspouse beneficiaries:

(1) *Payment to minor child or incompetent beneficiary.* Payment will be made in the name of a minor child or incompetent beneficiary. A parent or other guardian may direct where the payment should be sent and may make any permitted tax withholding election. A guardian of a minor child or incompetent beneficiary must submit court documentation showing his or her appointment as guardian.

(2) *Payment to executor or administrator.* If payment is to the executor or administrator of an estate, the check will be made payable to the estate of the deceased participant, not to the executor or administrator. A TIN must be provided for all estates.

(3) *Payment to trust.* If payment is to a trust, the payment will be made payable to the trust and mailed in care of the trustee. A TIN must be provided for the trust.

(4) *Payment to inherited IRA on behalf of a nonspouse beneficiary.* If payment is to an inherited IRA on behalf of a nonspouse beneficiary, the check will be made payable to the account. Information pertaining to the inherited IRA must be submitted by the IRA trustee. A payment to an inherited IRA will be made only in accordance with the rules set forth in 5 CFR 1650.25.

(5) If a death benefit payment is returned as undeliverable, the TSP record keeper will attempt to contact the beneficiary. If the beneficiary does not respond within 60 days, the TSP will forfeit the death benefit payment to the Plan. The beneficiary can claim the forfeited funds, although they will not be credited with TSP investment returns.

(6) A properly paid death benefit payment cannot be returned to the TSP.

[62 FR 32429, June 13, 1997, as amended at 67 FR 49527, July 30, 2002; 68 FR 35510, June 13, 2003; 68 FR 74451, Dec. 23, 2003; 70 FR 32217, June 1, 2005; 72 FR 53414, Sept. 19, 2007; 75 FR 78879, Dec. 17, 2010; 77 FR 26427, May 4, 2012]

§ 1651.15

§ 1651.15 Claims referred to the Board.

(a) *Contested claims.* Any challenge to a proposed death benefit payment must be filed in writing with the TSP record keeper before payment. All contested claims will be referred to the Board. The Board may also consider issues on its own.

(b) *Payment deferred.* No payment will be made until the Board has resolved the claim.

§ 1651.16 Missing and unknown beneficiaries.

(a) *Locate and identify beneficiaries.* (1) The TSP record keeper will attempt to identify and locate all potential beneficiaries.

(2) If a beneficiary is not identified and located, and at least one year has passed since the date of the participant's death, the beneficiary will be treated as having predeceased the participant and the beneficiary's share will be paid in accordance with § 1651.10

(b) *Payment to known beneficiaries.* If all potential beneficiaries are known but one or more beneficiaries (and not all) appear to be missing, payment of part of the participant's account may be made to the known beneficiaries. The lost or unidentified beneficiary's share may be paid in accordance with paragraph (a) of this section at a later date.

(c) *Abandoned account.* If no beneficiaries of the account are located, the account will be considered abandoned and the funds will revert to the TSP. If there are multiple beneficiaries and one or more of them refuses to cooperate in the Board's search for the missing beneficiary, the missing beneficiary's share will be considered abandoned. In such circumstances, the account can be reclaimed if the missing beneficiary is found at a later date. However, earnings will not be credited from the date the fund is abandoned. The TSP may require the beneficiary to apply for the death benefit with a TSP form and submit proof of identity and relationship to the participant.

5 CFR Ch. VI (1–1–20 Edition)

§ 1651.17 Disclaimer of benefits.

(a) *Right to disclaim.* The beneficiary of a TSP account may disclaim his or her right to receive all or part of a TSP death benefit. If the disclaimant is a minor, the parent or guardian of the minor must sign the disclaimer.

(b) *Valid disclaimer.* The disclaimer must expressly state that the beneficiary is disclaiming his or her right to receive either all or a stated percentage of the death benefit payable from the TSP account of the named participant and must be:

(1) Submitted in writing;

(2) Signed or acknowledged, in the presence of a notary, by the person (or legal representative) disclaiming the benefit; and

(3) Received before the TSP pays the death benefit.

(c) *Invalid disclaimer.* A disclaimer is invalid if it:

(1) Is revocable;

(2) Directs to whom the disclaimed benefit should be paid; or

(3) Specifies which balance (traditional, Roth, or tax-exempt) is to be disclaimed.

(d) *Disclaimer effect.* The disclaimed share will be paid as though the beneficiary predeceased the participant, according to the rules set forth in § 1651.10. Any part of the death benefit which is not disclaimed will be paid to the disclaimant pursuant to § 1651.14.

[68 FR 35510, June 13, 2003, as amended at 75 FR 44066, July 28, 2010; 77 FR 26428, May 4, 2012]

§ 1651.18 Payment to one bars payment to another.

Payment made to a beneficiary(ies) in accordance with this part, based upon information received before payment, bars any claim by any other person.

§ 1651.19 Beneficiary participant accounts.

A beneficiary participant account may be established only for a spouse of a deceased participant who is a sole or partial beneficiary of the deceased participant's TSP account. Beneficiary participant accounts are subject to the following rules and procedures:

(a) *Initial investment allocation.* Regardless of the allocation of the deceased participant's account balance at the time of his or her death, each beneficiary participant account, once established, will be allocated 100 percent to the age-appropriate TSP Lifecycle Fund based on the beneficiary participant's date of birth. A beneficiary participant may redistribute his or her beneficiary participant account balance among the TSP investment funds by making an interfund transfer request described in part 1601, subpart C of this chapter.

(b) *Contributions.* A beneficiary participant may not make contributions or transfers to his or her beneficiary participant account. The TSP will not accept a contribution allocation request described in part 1601, subpart B of this chapter for a beneficiary participant account.

(c) *Required minimum distributions.* (1) A beneficiary participant must receive required minimum distributions from his or her beneficiary participant account commencing no later than the required beginning date and, for each year thereafter, no later than December 31.

(2) A beneficiary participant may elect to withdraw from his or her account or to begin receiving payments before the required beginning date, but is not required to do so.

(3) In the event that a beneficiary participant does not withdraw from his or her beneficiary participant account an amount sufficient to satisfy his or her required minimum distribution for the year, the TSP will automatically distribute the necessary amount on or before the applicable date described in paragraph (c)(1) of this section.

(4) The TSP will disburse required minimum distributions described in paragraph (c)(3) of this section pro rata from the beneficiary participant's traditional balance and the beneficiary participant's Roth balance.

(d) *Withdrawal elections.* A beneficiary participant may elect any withdrawal option is available to separated participants. The provisions of §1650.12, §1650.13, and §1650.14 shall apply as if all references to a participant are references to a beneficiary participant and all references to an account bal-

ance are references to a beneficiary participant account balance.

(e) *Ineligibility for certain withdrawals.* A beneficiary participant is ineligible to request the following types of withdrawals from his or her beneficiary participant account: Age-based withdrawals described in §1650.31 of this chapter, financial hardship withdrawals described in §1650.32 of this chapter, or loans described in part 1655 of this chapter. A beneficiary participant will not be ineligible for a partial withdrawal because the deceased participant previously elected an age-based withdrawal.

(f) *Spousal rights.* The spousal rights described in 5 U.S.C. 8351, 5 U.S.C. 8435, and §1650.61 of this chapter do not apply to beneficiary participant accounts.

(g) *Transfers.* A beneficiary participant may request that the TSP transfer all or a portion of an eligible rollover distribution (within the meaning of I.R.C. section 402(c)(4)) from his or her beneficiary participant account to traditional IRA, Roth IRA or eligible employer plan (including a civilian or uniformed services TSP account other than a beneficiary participant account). In order to request such a transfer, the beneficiary participant must use the transfer form provided by the TSP.

(h) *Periodic statements.* The TSP will furnish beneficiary participants with periodic statements in a manner consistent with part 1640 of this chapter.

(i) *Privacy Act.* Part 1630 of this chapter shall apply with respect to a beneficiary participant as if the beneficiary participant is a TSP participant.

(j) *Error correction.* If, because of an error committed by the Board or the TSP record keeper, a beneficiary participant's account is not credited or charged with the investment gains or losses the account would have received had the error not occurred, the account will be credited subject to and in accordance with the rules and procedures set forth in §1605.21. A beneficiary participant may submit a claim for correction of Board or TSP record keeper error pursuant to the procedures described in §1605.22.

(k) *Court orders.* Court orders relating to a civilian beneficiary participant account or uniformed services beneficiary participant account shall be processed pursuant to the procedures set forth in part 1653 of this chapter as if all references to a TSP participant are references to a beneficiary participant and all references to a TSP account or account balance are references to a beneficiary participant account or beneficiary participant account balance. Notwithstanding any provision of part 1653, a payee of a court-ordered distribution from a beneficiary participant account cannot request a transfer of the court-ordered distribution to an eligible employer plan or IRA.

(l) *Death of beneficiary participant.* To the extent it is not inconsistent with this §1651.19, a beneficiary participant account shall be disbursed upon the death of the beneficiary participant in accordance with part 1651 as if any reference to a participant is a reference to a beneficiary participant. For example, a beneficiary participant may designate a beneficiary for his or her beneficiary participant account in accordance with §1651.3 and §1651.4 of this chapter. No individual who is entitled to a death benefit from a beneficiary participant account shall be eligible to keep the death benefit in the TSP or request that the TSP transfer all or a portion of the death benefit to an IRA or eligible employer plan.

(m) *Uniformed services beneficiary participant accounts.* Uniformed services beneficiary participant accounts are subject to the following additional rules and procedures:

(1) Uniformed services beneficiary participant accounts are established and maintained separately from civilian beneficiary participant accounts. Beneficiary participants who have a uniformed services beneficiary participant account and a civilian beneficiary participant account will be issued two separate TSP account numbers. A beneficiary participant must file separate interfund transfers and/or withdrawal requests for each account and submit separate beneficiary designation forms for each account;

(2) A uniformed services beneficiary participant account and a civilian ben-

eficiary participant account cannot be combined;

(3) If a uniformed services beneficiary participant account contains tax-exempt contributions, any payments or withdrawals from the account will be distributed pro rata from the tax-deferred balance and the tax-exempt balance;

(4) A beneficiary participant may transfer or roll over all or any portion of an eligible rollover distribution (within the meaning of I.R.C. section 402(c)(4)) from a uniformed services beneficiary participant account into a civilian or uniformed services TSP participant account. However, tax-exempt money attributable to combat zone contributions cannot be transferred from a uniformed services beneficiary participant account to a civilian TSP participant account.

(n) *Multiple beneficiary accounts.* Each beneficiary participant account is maintained separately from all other beneficiary participant accounts. If an individual has multiple beneficiary participant accounts, each of the individual's beneficiary participant accounts will have a unique account number. A beneficiary participant must file separate interfund transfers and/or withdrawal requests and submit separate beneficiary designation forms for each beneficiary participant account that the TSP maintains for him or her. A beneficiary participant account cannot be combined with another beneficiary participant account.

Subpart A—Retirement Benefits Court Orders

§ 1653.1 Definitions.

(a) Definitions generally applicable to the Thrift Savings Plan are set forth at 5 CFR 1690.1.

(b) As used in this subpart:

Court means any court of any State, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Northern Mariana Islands, or the Virgin Islands, and any Indian court as defined by 25 U.S.C. 1301(3).

Effective date of a court order means the date it was entered by the clerk of the court or, if the order does not show a date entered, the date it was filed by the clerk of the court or, if the order does not contain a date entered or a date filed, the date it was signed by the judge.

Payment date refers to the date on which earnings are determined and is

generally two business days prior to the date of an award's disbursement.

Retirement benefits court order or order means a court decree of divorce, annulment or legal separation, or a court order or court-approved property settlement agreement incident to such a decree. Orders may be issued at any stage of a divorce, annulment, or legal separation proceeding.

TSP investment earnings or earnings means both positive and negative fund performance attributable to differences in TSP fund share prices.

[68 FR 35510, June 13, 2003, as amended at 74 FR 63063, Dec. 2, 2009]

§ 1653.2 Qualifying retirement benefits court orders.

(a) To be qualifying, and thus enforceable against the TSP, a retirement benefits court order must meet the following requirements:

(1) The order must expressly relate to the Thrift Savings Plan account of a TSP participant. This means that:

(i) The order must expressly refer to the "Thrift Savings Plan" or describe the TSP in such a way that it cannot be confused with other Federal Government retirement benefits or non-Federal retirement benefits;

(ii) The order must be written in terms appropriate to a defined contribution plan rather than a defined benefit plan. For example, it should generally refer to the participant's TSP account or TSP account balance rather than a benefit formula or the participant's eventual benefits; and

(iii) If the participant has a civilian TSP account and a uniformed services TSP account, the order must expressly identify the account to which it relates.

(2) The order must either require the TSP to freeze the participant's account to preserve the *status quo* pending final resolution of the parties' rights to the participant's TSP account, or to make a payment from the participant's account to a permissible payee.

(3) If the order requires a payment from the participant's account, the award must be for:

(i) A specific dollar amount;

(ii) A stated percentage or fraction of the account; or

§ 1653.3

5 CFR Ch. VI (1–1–20 Edition)

(iii) A survivor annuity as provided in 5 U.S.C. 8435(d).

(iv) The following examples would qualify to require payment from the TSP, although ambiguous or conflicting language used elsewhere could cause the order to be rejected.

Example (1). ORDERED: [payee's name, Social Security number (SSN), and address] is awarded \$ _____ from the [civilian or uniformed services] Thrift Savings Plan account of [participant's name, account number or SSN, and address].

Example (2). ORDERED: [payee's name, SSN, and address] is awarded _____% of the [civilian and/or uniformed services] Thrift Savings Plan account[s] of [participant's name, account number or SSN, and address] as of [date].

Example (3). ORDERED: [payee's name, SSN, and address] is awarded [fraction] of the [civilian and/or uniformed services] Thrift Savings Plan account[s] of [participant's name, account number or SSN, and address] as of [date].

NOTE: The following optional language can be used in conjunction with any of the above examples. FURTHER ORDERED: Earnings will be paid on the amount of the entitlement under this ORDER until payment is made.

(4) A court order can require a payment only to a spouse, former spouse, child or dependent of a participant.

(b) The following retirement benefits court orders are not qualifying and thus are not enforceable against the TSP:

(1) An order relating to a TSP account that has been closed;

(2) An order relating to a TSP account that contains only nonvested money, unless the money will become vested within 30 days of the date the TSP receives the order if the participant were to remain in Government service;

(3) An order requiring the return to the TSP of money that was properly paid pursuant to an earlier court order;

(4) An order requiring the TSP to make a payment in the future, unless the present value of the payee's entitlement can be calculated, in which case the TSP will make the payment currently; and

(5) An order that does not specify the account to which the order applies, if the participant has both a civilian TSP account and a uniformed services TSP account; and

(6) An order that requires the TSP to calculate the payee's entitlement or earnings in a manner that is inconsistent with §1653.4 of this part; and

(7) An order that designates the TSP Fund, source of contributions, or balance (e.g., traditional, Roth, or tax-exempt) from which the payment or portions of the payment shall be made.

[68 FR 35510, June 13, 2003, as amended at 69 FR 29851, May 26, 2004; 71 FR 54893, Sept. 20, 2006; 72 FR 51354, Sept. 7, 2007; 76 FR 78095, Dec. 16, 2011; 77 FR 26428, May 4, 2012]

§ 1653.3 Processing retirement benefits court orders.

(a) The payment of a retirement benefits court order from the TSP is governed solely by FERSA and by the terms of this subpart. The TSP will honor retirement benefits court orders properly issued by a court (as defined in §1653.1). However, those courts have no jurisdiction over the TSP and the TSP cannot be made a party to the underlying domestic relations proceedings.

(b) The TSP will review a retirement benefits court order to determine whether it is enforceable against the TSP only after the TSP has received a complete copy of the document. Receipt by an employing agency or any other agency of the Government does not constitute receipt by the TSP. Retirement benefits court orders should be submitted to the TSP record keeper at the current address as provided at <http://www.tsp.gov>. Receipt by the TSP record keeper is considered receipt by the TSP. To be complete, a court order must be written in English or be accompanied by a certified English translation and contain all pages and attachments; it must also provide (or be accompanied by a document that provides):

(1) The participant's account number or Social Security number (SSN);

(2) The name and last known mailing address of each payee covered by the order; and

(3) The payee's SSN and state of legal residence if he or she is the current or former spouse of the participant.

(c) As soon as practicable after the TSP receives a document that purports to be a qualifying retirement benefits court order, whether or not complete,

Federal Retirement Thrift Investment Board

§ 1653.3

the participant's account will be frozen. After the account is frozen, no withdrawal or loan disbursements (other than a required minimum distribution pursuant to section 401(a)(9) of the Internal Revenue Code, 26 U.S.C. 401(a)(9)) will be allowed until the account is unfrozen. All other account activity will be permitted.

(d) The following documents do not purport to be qualifying retirement benefits court orders, and accounts of participants to whom such orders relate will not be frozen:

(1) A document that does not indicate on its face (or is not accompanied by a document that establishes) that it has been issued or approved by a court;

(2) A court order relating to a TSP account that has been closed;

(3) A court order dated before June 6, 1986;

(4) A court order that does not award all or any part of the TSP account to someone other than the participant; and

(5) A court order that does not mention retirement benefits.

(e) After the participant's account is frozen, the TSP will review the document further to determine if it is complete; if the document is not complete, the TSP will request a complete document. If a complete copy is not received within 30 days of that request, the account will be unfrozen and no further action will be taken with respect to the document.

(f) The TSP will review a complete copy of an order to determine whether it is a qualifying retirement benefits court order as described in §1653.2. The TSP will mail a decision letter to all parties containing the following information:

(1) A determination regarding whether the court order is qualifying;

(2) A statement of the applicable statutes and regulations;

(3) An explanation of the effect the court order has on the participant's TSP account; and

(4) If the qualifying order requires payment, the letter will provide:

(i) An explanation of how the payment will be calculated and an estimated amount of payment;

(ii) The anticipated date of payment;

(iii) Tax information and income tax withholding forms to the person responsible for paying Federal income tax on the payment;

(iv) Information and the form needed to transfer the payment to an eligible employer plan, traditional IRA, or Roth IRA (if the payee is the current or former spouse of the participant); and

(v) Information and the form needed to receive the payment through an electronic funds transfer (EFT).

(g) The TSP decision letter is a final determination of the parties' rights in the account. There is no administrative appeal from the TSP decision.

(h) An account frozen under this section will be unfrozen as follows:

(1) If the account was frozen upon receipt of an incomplete order, the account will be unfrozen if a complete order is not received within 30 days of the date of the request described in paragraph (e) of this section;

(2) If the account was frozen in response to an order issued to preserve the *status quo* pending final resolution of the parties' rights to the participant's TSP account, the account will be unfrozen if the TSP receives a court order that vacates or supersedes the previous order (unless the order vacating or superseding the order itself qualifies to place a freeze on the account). A court order that purports to require a payment from the TSP supersedes an order issued to preserve the *status quo*, even if it does not qualify to require a payment from the TSP;

(3) If the account was frozen in response to an order purporting to require a payment from the TSP, the freeze will be lifted:

(i) Once payment is made, if the court order is qualifying; or

(ii) Forty-five (45) days after the date of the TSP decision letter if the court order is not qualifying. The 45-day period will be terminated, and the account will be unfrozen, if both parties submit to the TSP a written request for such a termination.

(i) The TSP will hold in abeyance the processing of a court-ordered payment if the TSP is notified in writing that the underlying court order has been appealed, and that the effect of the filing

§ 1653.4

5 CFR Ch. VI (1–1–20 Edition)

of the appeal is to stay the enforceability of the order.

(1) In the notification, the TSP must be provided with proper documentation of the appeal and citations to legal authority, which address the effect of the appeal on the enforceability of the underlying court order.

(i) If the TSP receives proper documentation and citations to legal authority which demonstrate that the underlying court order is not enforceable, the TSP will inform the parties that the payment will not occur until resolution of the appeal, and the account will remain frozen for loans and withdrawals.

(ii) In the absence of proper documentation and citations to legal authority, the TSP will presume that the provisions relating to the TSP in the court order remain valid and will proceed with the payment process.

(2) The TSP must be notified in writing of the disposition of the appeal before the freeze will be removed from the participant's account or a payment will be made. The notification must include a complete copy of an order from the appellate court explaining the effect of the appeal on the participant's account.

(j) Multiple qualifying court orders relating to the same TSP account and received by the TSP will be processed as follows:

(1) If the orders make awards to the same payee or payees and do not indicate that the awards are cumulative, the TSP will only honor the order bearing the latest effective date.

(2) If the orders relate to different former spouses of the participant and award survivor annuities, the TSP will honor them in the order of their effective dates.

(3) If the orders relate to different payees and award fixed dollar amounts, percentages or fractions of an account, or portions of an account calculated by the application of formulae, the orders will be honored:

(i) In the order of their receipt by the TSP, if received by the TSP on different days; or

(ii) In the order of their effective dates, if received by the TSP on the same day.

(4) In all other cases, the TSP will honor multiple qualifying court orders relating to the same TSP account in the order of their receipt by the TSP.

[68 FR 35510, June 13, 2003, as amended at 69 FR 29851, May 26, 2004; 71 FR 50320, Aug. 25, 2006; 72 FR 51354, Sept. 7, 2007; 77 FR 26428, May 4, 2012]

§ 1653.4 Calculating entitlements.

(a) For purposes of computing the amount of a payee's entitlement under this section, a participant's TSP account balance will include any loan balance outstanding as of the date used for calculating the payee's entitlement, unless the court order provides otherwise.

(b) If the court order awards a percentage or fraction of an account as of a specific date, the payee's entitlement will be calculated based on the account balance as of that date. If the date specified in the order is not a business day, the TSP will use the participant's account balance as of the last preceding business day.

(c) If the court order awards a percentage or fraction of an account but does not contain a specific date as of which to apply that percentage or fraction, the TSP will use the effective date of the order.

(d) If the court order awards a specific dollar amount, the payee's entitlement will be the lesser of:

(1) The dollar amount stated in the court order; or

(2) The vested account balance on the date of disbursement.

(e) If a court order describes a payee's entitlement in terms of a fixed dollar amount and a percentage or fraction of the account, the TSP will pay the fixed dollar amount, even if the percentage or fraction, when applied to the account balance, would yield a different result.

(f) The payee's entitlement will be credited with TSP investment earnings as described:

(1) The entitlement calculated under this section will not be credited with TSP investment earnings unless the court order specifically provides otherwise.

(2) If earnings are awarded and a rate is specified, the rate must be expressed as an annual percentage rate or as a

Federal Retirement Thrift Investment Board

§ 1653.5

per diem dollar amount added to the payee's entitlement.

(3) If earnings are awarded and the rate is not specified, the Agency will calculate the amount to be awarded by:

(i) Determining the payee's award amount (e.g., the percentage or fraction of the participant's account);

(ii) Determining, based on the participant's investment allocation as of the date used to calculate the entitlement, the number and composition of shares that the payee's award amount would have purchased as of the date used to calculate the entitlement.

(iii) Multiplying the price per share as of the payment date by the number and composition of shares calculated in paragraph (f)(3)(ii) of this section.

(g) The TSP will estimate the amount of a payee's entitlement when it prepares the court order decision letter and will recalculate the entitlement at the time of payment. The recalculation may differ from the initial estimation because:

(1) The estimation of the payee's entitlement includes both vested and nonvested amounts in the participant's account. If, at the time of payment, the nonvested portion of the account has not become vested, the recalculated entitlement will apply only to the participant's vested account balance;

(2) After the estimate of the payee's entitlement is prepared, the TSP may process account transactions that have an effective date on or before the date used to compute the payee's entitlement. Those transactions will be included when the payee's entitlement is recalculated at the time of payment; and

(3) The amount available for payment from the account may be reduced due to changes in share price (*i.e.*, investment losses).

[68 FR 35510, June 13, 2003, as amended at 74 FR 63063, Dec. 2, 2009; 76 FR 78095, Dec. 16, 2011]

§ 1653.5 Payment.

(a) *Payment date.* Payment pursuant to a qualifying retirement benefits court order will generally be made:

(1) 60 days after the date of the TSP decision letter when the payee is the current or former spouse of the partici-

pant. The payee can request to receive the payment sooner than 60 days, but in no event earlier than 30 days after the date of the TSP decision letter, if:

(i) The payee makes a tax withholding election, requests payment by EFT, or requests a transfer of all or a portion of the payment to a traditional IRA, Roth IRA, or eligible employer plan (the TSP decision letter will provide the forms a payee must use to choose one of these payment options); and

(ii) Either the court order does not make an award to multiple payees or, if it does, each of the multiple payee requests expedited payment.

(2) Within 30 days of the date of the TSP decision letter when the payee is someone other than the current or former spouse of the participant.

(b) In no case will payment exceed the participant's vested account balance, minus any outstanding loan balance.

(c) The entire amount of a court order payee's entitlement must be disbursed at one time. A series of payments will not be made, even if the court order provides for such a method of payment. A payment pursuant to a court order extinguishes all rights to any further payment under that order, even if the entire amount of the entitlement cannot be paid. Any further award must be contained in a separate court order.

(d) Payment will be made pro rata from the participant's traditional and Roth balances. The distribution from the traditional balance will be further pro rated between the tax-deferred balance and tax-exempt balance. The payment from the Roth balance will be further pro rated between contributions in the Roth balance and earnings in the Roth balance. In addition, all payments will be distributed pro rata from all TSP Funds in which the participant's account is invested. All pro rated amounts will be based on the balances in each fund or source of contributions on the day the disbursement is made. The TSP will not honor provisions of a court order that require payment to be made from a specific TSP Fund, source of contributions, or balance.

(e) Payment will be made only to the person or persons specified in the court order. However, if the court order specifies a third-party mailing address for the payment, the TSP will mail to the address specified any portion of the payment that is not transferred to a traditional IRA, Roth IRA, or eligible employer plan.

(f) Payment will not be made jointly to two or more persons. If the court order requires payments to more than one person, the order must separately indicate the amount to be paid to each.

(g) If there are insufficient funds to pay each court order payee, payment will be made as follows:

(1) If the order specifies an order of precedence for the payments, the TSP will honor it.

(2) If the order does not specify an order of precedence for the payments, the TSP will pay a current or former spouse first and a dependent second.

(h) If the payee dies before a payment is disbursed, payment will be made to the estate of the payee, unless otherwise specified by the court order. A distribution to the estate of a deceased court order payee will be reported as income to the decedent's estate. If the participant dies before payment is made, the order will be honored so long as it is submitted to the TSP before the TSP account has been closed.

(i) If the parties to a divorce or annulment have remarried each other, or a legal separation is terminated, a new court order will be required to prevent payment pursuant to a previously submitted qualifying retirement benefits court order.

(j) Payment to a person (including the estate of the payee) pursuant to a qualifying retirement benefits court order made in accordance with this subpart bars recovery by any other person claiming entitlement to the payment.

(k) If a court ordered payment is returned as undeliverable, the TSP record keeper will attempt to locate the payee by writing to his or her TSP database address. If the payee does not respond within 60 days, the TSP will forfeit the funds to the Plan. The payee can claim the forfeited funds, although they will not be credited with TSP investment fund returns.

(l) A properly paid court order payment cannot be returned to the TSP.

(m) A payee who is a current or former spouse of the participant may elect to transfer a court-ordered payment to a traditional IRA, eligible employer plan, or Roth IRA. Any election permitted by this paragraph (m) must be made pursuant to the rules described in 5 CFR 1650.25.

(n) If the TSP maintains an account (other than a beneficiary participant account) for a court order payee who is the current or former spouse of the participant, the payee can request that the TSP transfer the court-ordered payment to the payee's TSP account in accordance with the rules described in 5 CFR 1650.25. However, any pro rata share attributable to tax-exempt contributions cannot be transferred; instead it will be paid directly to the payee.

Subpart B—Legal Process for the Enforcement of a Participant's Legal Obligations To Pay Child Support or Alimony Currently

§ 1653.11 Definitions.

(a) Definitions generally applicable to the Thrift Savings Plan are set forth at 5 CFR 1690.1.

(b) As used in this subpart:

Alimony means the payment of funds for the support and maintenance of a spouse or former spouse. Alimony includes separate maintenance, alimony *pendente lite*, maintenance, and spousal support. Alimony can also include attorney fees, interest, and court costs, but only if these items are expressly made recoverable by qualifying legal process, as described in § 1653.12.

Child support means payment of funds for the support and maintenance of a child or children of the participant. Child support includes payments to provide for health care, education, recreation, clothing, or to meet other specific needs of a child or children. Child support can also include attorney

fees, interest, and court costs, but only if these items are expressly made recoverable by qualifying legal process, as described in § 1653.12.

§ 1653.13 Processing legal processes.

(a) The payment of legal processes from the TSP is governed solely by the Federal Employees' Retirement System Act, 5 U.S.C. chapter 84, and by the terms of this subpart. Although the TSP will honor legal processes properly issued by a competent authority, those entities have no jurisdiction over the TSP and the TSP cannot be made a party to the underlying proceedings.

(b) The TSP will review a legal process to determine whether it is enforceable against the TSP only after the TSP has received a complete copy of the document. Receipt by an employing agency or any other agency of the Government does not constitute receipt by the TSP. Legal processes should be submitted to the TSP record keeper at the current address as provided at <http://www.tsp.gov>. Receipt by the TSP record keeper is considered receipt by the TSP. To be complete, a legal process must contain all pages and attachments; it must also provide (or be accompanied by a document that provides):

(1) The participant's account number or Social Security number (SSN);

(2) The name and last known mailing address of each payee covered under the order; and

(3) The SSN and state of legal residence of the payee if he or she if the current or former spouse of the participant.

(c) As soon as practicable after the TSP receives a document that purports to be a qualifying legal process, whether or not complete, the participant's account will be frozen. After the account is frozen, no withdrawal or loan

§ 1653.14

disbursements will be allowed until the account is unfrozen. All other account activity will be permitted, including contributions, loan repayments, adjustments, contribution allocations and interfund transfers.

(d) The following documents will not be treated as purporting to be a qualifying legal processes, and accounts of participants to whom such orders relate will not be frozen:

(1) A document that does not indicate on its face (or accompany a document that establishes) that it has been issued by a competent authority;

(2) A legal process relating to a TSP account that has been closed; and

(3) A legal process that does not relate either to the TSP or to the participant's retirement benefits.

(e) After the participant's account is frozen, the TSP will review the document further to determine if it is complete; if the document is not complete, the TSP will request a complete document. If a complete copy is not received by the TSP within 30 days of that request, the account will be unfrozen and no further action will be taken with respect to the document.

(f) As soon as practicable after receipt of a complete copy of a legal process, the TSP will review it to determine whether it is a qualifying legal process as described in §1653.12. The TSP will mail a decision letter to all parties containing the same information described at §1653.3(f).

(g) The TSP decision letter is final. There is no administrative appeal from the TSP decision.

(h) An account frozen under this section will be unfrozen as follows:

(1) If a complete document has not been received within 30 days of the date of a request described in paragraph (e) of this section;

(2) If the account was frozen pursuant to a legal process requiring the TSP to freeze the participant's account in anticipation of an order to pay from the account, the account will be unfrozen if any one of the following events occurs:

(i) As soon as practicable after the TSP receives a complete copy of an order vacating or superseding the preliminary order (unless the order vacating or superseding the prelimi-

5 CFR Ch. VI (1–1–20 Edition)

nary order qualifies to place a freeze on the account);

(ii) Upon payment pursuant to the order to pay from the account, if the TSP determines that the order is qualifying; or

(iii) As soon as practicable after the TSP issues a decision letter informing the parties that the order to pay from the account is not a qualifying legal process;

(3) If the account was frozen after the TSP received a document that purports to be a legal process requiring payment from the participant's account, the account will be unfrozen:

(i) Upon payment pursuant to a qualifying legal process; or

(ii) As soon as practicable after the TSP informs the parties that the document is not a qualifying legal process.

(i) The TSP will hold in abeyance the processing of a payment required by legal process if the TSP is notified in writing that the legal process has been appealed, and that the effect of the filing of the appeal is to stay the enforceability of the legal process. The notification must be accompanied by the documentation and citations to legal authority described at §1653.3(i).

(j) Multiple qualifying legal processes relating to the same TSP account and received by the TSP will be processed as follows:

(1) If the legal processes make awards to the same payee or payees and do not indicate that the awards are cumulative, the TSP will only honor the legal process bearing the latest effective date.

(2) If the legal processes relate to different payees, the legal process will be honored:

(i) In the order of their receipt by the TSP, if received by the TSP on different days; or

(ii) In the order of their effective dates, if received by the TSP on the same day.

§ 1653.34 Processing Federal tax levies and criminal restitution orders.

(a) The payment of tax levies and criminal restitution orders from the TSP is governed solely by the Federal Employees’ Retirement Systems Act, 5 U.S.C. chapter 84, and by the terms of this subpart. Although the TSP will honor tax levies or criminal restitution orders properly issued, those entities have no jurisdiction over the TSP and the TSP cannot be made a party to the underlying proceedings.

(b) The TSP will review a tax levy or criminal restitution order to determine whether it is enforceable against the TSP only after it has received a complete copy of the document. Receipt by an employing agency or any other agency of the Government does not constitute receipt by the TSP. Tax levies and criminal restitution orders should be submitted to the TSP record keeper at the current address as provided at <http://www.tsp.gov>. Receipt by the TSP record keeper is considered receipt by the TSP. To be complete, a tax levy or criminal restitution order must meet all the requirements of § 1653.32 or § 1653.33; it must also provide (or be accompanied by a document or enforcement letter that provides):

(1) The participant’s TSP account number or Social Security number (SSN); and

(2) The name and mailing address of the payee.

(c) As soon as practicable after the TSP receives a document that purports to be a qualifying tax levy or criminal restitution order, the participant’s account will be frozen. After the participant’s account is frozen, no withdrawal or loan disbursements will be allowed until the account is unfrozen. (1) A determination regarding whether the restitution order or levy is qualifying;

(2) A statement of the applicable statutes and regulations;

(3) An explanation of the effect the restitution order or levy has on the participant's TSP account; and

(4) If the qualifying restitution order or levy requires payment, the letter will provide:

(ii) The anticipated date of payment.

(e) The TSP decision letter is final. There is no administrative appeal from the TSP decision.

[79 FR 53604, Sept. 10, 2014, as amended at 80 FR 52606, Sept. 1, 2015]

§ 1653.35 Calculating entitlement.

A tax levy or criminal restitution order can only require the payment of a stated dollar amount from the TSP. The payee's entitlement will be the lesser of:

(a) The dollar amount stated in the tax levy or enforcement letter; or

(b) The vested account balance on the date of disbursement, minus any outstanding loan balance.

[79 FR 53604, Sept. 10, 2014, as amended at 80 FR 52606, Sept. 1, 2015]

§ 1653.36 Payment.

(a) Payment pursuant to a qualifying tax levy or criminal restitution order will be made 30 days after the TSP decision letter.

(b) In no case will payment exceed the participant's calculated entitlement.

(c) The entire amount of a criminal restitution order or tax levy entitlement must be disbursed at one time. A series of payments will not be made. A

payment pursuant to a criminal restitution order or tax levy extinguishes all rights to any further payment under that order or tax levy, even if the entire amount of the entitlement cannot be paid. Any further award must be contained in a separate criminal restitution order or tax levy.

(d) If a participant has funds in more than one type of account, payment will be made from each account in the following order, until the amount required by the tax levy or stated in the enforcement letter is reached:

(1) Civilian account;

(2) Uniformed services account;

(3) Beneficiary participant account.

(e) Payment will be made pro rata from the participant's traditional and Roth balances. The distribution from the traditional balance will be further pro rated between the tax-deferred balance and tax-exempt balance. The payment from the Roth balance will be further pro rated between contributions in the Roth balance and earnings in the Roth balance. In addition, all payments will be distributed pro rata from all TSP Funds in which the participant's account is invested. All pro rated amounts will be based on the balances in each fund or source of contributions on the day the disbursement is made.

(f) The payment is taxable to the participant and is subject to Federal income tax withholding. The tax withholding will be taken from the payee's entitlement and the gross amount of the payment (*i.e.*, the net payment distributed to the payee plus the amount withheld from the payment for taxes) will be reported to the IRS as income to the participant.

(g) A properly paid tax levy or restitution order cannot be returned to the TSP.

(h) The TSP will not hold a payment pending appeal of a criminal restitution order or the underlying conviction. The TSP will treat the criminal restitution order as a final judgment pursuant to 18 U.S.C. 3664(o) and process payment as provided by this subpart.

§ 1655.2 Eligibility for loans.

A participant can apply for a TSP general purpose or residential loan if:

(a) More than 60 calendar days have elapsed since the participant has repaid in full a TSP loan of the same type.

(b) The participant is in pay status;

(c) The participant is eligible to contribute to the TSP (or would be eligible to contribute but for the suspension of the participant's contributions because he or she obtained a financial hardship in-service withdrawal);

(d) The participant has at least \$1,000 in employee contributions and attributable earnings in his or her account; and

(e) The participant has not had a TSP loan declared a taxable distribution within the last 12 months for any reason other than a separation from Government service.

Paragraph (b) of this section shall not apply to loan requests made during a Government shutdown by participants who are furloughed or excepted from furlough due to the Government shutdown.

[84 FR 1601, Feb. 5, 2019]

§ 1655.3 Information concerning the cost of a loan.

Information concerning the cost of a loan is provided in the booklet TSP Loan Program (available on the TSP

Federal Retirement Thrift Investment Board

§ 1655.9

Web site, from the participant's personnel office or service, or from the TSP record keeper). From this information, a participant can determine the effects of a loan on his or her final account balance and can compare the cost of a loan to that of other sources of financing.

§ 1655.4 Number of loans.

A participant may have no more than two loans outstanding from his or her TSP account at any time. One of the two outstanding loans may be a residential loan and the other one may be a general purpose loan. A participant with both a civilian TSP account and a uniformed services TSP account may have two outstanding loans from each account.

[68 FR 35515, June 13, 2003, as amended at 69 FR 29852, May 26, 2004]

§ 1655.5 Loan repayment period.

(a) *Minimum.* The minimum repayment period a participant may request for a loan is one year of scheduled payments.

(b) *Maximum.* The maximum repayment period a participant may request for a general purpose loan is five years of scheduled payments. The maximum repayment period a participant may request for a residential loan is 15 years of scheduled payments.

§ 1655.6 Amount of loan.

(a) *Minimum amount.* The initial principal amount of any loan may not be less than \$1,000.

(b) *Maximum amount.* The principal amount of a new loan must be less than or equal to the smallest of the following:

(1) The portion of the participant's individual account balance that is attributable to employee contributions and attributable earnings (not including any outstanding loan principal);

(2) 50 percent of the participant's vested account balance (including any outstanding loan balance) or \$10,000, whichever is greater, minus any outstanding loan balance; or

(3) \$50,000 minus the participant's highest outstanding loan balance (if any) during the last 12 months.

(c) If a participant has both a civilian TSP account and a uniformed services

TSP account, the maximum loan amount available will be based on a calculation that takes into consideration the account balances and outstanding loan balances for both accounts.

§ 1655.7 Interest rate.

(a) Except as provided in paragraph (b) of this section, loans will bear interest at the monthly G Fund interest rate established by the Department of the Treasury in effect on the date the TSP record keeper processes the paper application or on the date the request is entered on the TSP Web site.

(b) The interest rate calculated under this section remains fixed until the loan is repaid, unless a civilian participant informs the TSP record keeper that he or she entered into active duty military service, and, as a result, requests that the interest rate on a loan issued before entry into active duty military service be reduced to an annual rate of 6 percent for the period of such service. The civilian participant must provide the record keeper with the beginning and ending dates of active duty military service.

§ 1655.8 Quarterly statements.

Information relating to any outstanding loan will be included on the quarterly participant statements.

§ 1655.9 Effect of loans on individual account.

(a) The amount borrowed will be removed from the participant's account when the loan is disbursed. Consequently, these funds will no longer generate earnings.

(b) The loan principal will be disbursed from that portion of the account represented by employee contributions and attributable earnings, *pro rata* from each TSP Fund in which the account is invested and *pro rata* from tax-deferred and tax-exempt balances.

(c) The loan principal will be disbursed *pro rata* from the participant's traditional and Roth balances. The disbursement from the traditional balance will be further *pro rated* between the tax-deferred balance and tax-exempt balance. The disbursement from the Roth balance will be further *pro*

§ 1655.10

rated between contributions in the Roth balance and earnings in the Roth balance. In addition, all loan disbursements will be distributed pro rata from all TSP Funds in which the participant's account is invested. All prorated amounts will be based on the balances in each TSP Fund or source of contributions on the day the disbursement is processed.

(d) Loan payments, including both principal and interest, will be credited to the participant's individual account. Loan payments will be credited to the appropriate TSP Fund in accordance with the participant's most recent contribution allocation. Loan payments will be credited to the participant's traditional and Roth balances in the same proportion that the loan was distributed from the participant's account.

[68 FR 35515, June 13, 2003, as amended at 70 FR 32218, June 1, 2005; 77 FR 26429, May 4, 2012]

(b) By signing the loan agreement, either electronically or on the form, the

participant agrees to be bound by all of its terms and conditions, agrees to repay the loan by payroll deduction, and certifies, under penalty of perjury, to the truth and completeness of all statements made in the loan application and loan agreement to the best of his or her knowledge.

§ 1655.13 Loan approval and issuance.

(a) When the completed loan agreement is signed electronically or returned by the participant to the TSP record keeper, together with any documentation required to be submitted, the loan will be initially approved or denied by the TSP record keeper based upon the requirements of this part, including the following conditions:

(1) The participant has signed the promise to repay the loan, has agreed to repay the loan through payroll deductions, and has certified that the information given is true and complete to the best of the participant's knowledge;

(2) Processing of the loan would not be prohibited by § 1655.19 relating to court orders;

(3) The spouse of a FERS or uniformed services participant has consented to the loan or, if the spouse's whereabouts are unknown or exceptional circumstances make it inappropriate to secure the spouse's consent, an exception to the spousal requirement described in § 1655.18 has been granted;

(4) The spouse of a CSRS participant has been given notice or, if the spouse's whereabouts are unknown, an exception to the spousal requirement described in § 1655.18 has been granted;

(5) When a paper agreement is required, the completed loan agreement, including all required supporting documentation, was received by the TSP record keeper before the expiration date specified on the loan agreement; and

(6) The participant has met any other conditions that the Executive Director may require.

(b) If approved, the loan will be issued unless:

(1) The participant's employing agency has reported the participant's separation from Government service;

(2) The TSP receives written notice that the participant has died;

(3) The participant's account balance on the loan issue date does not contain sufficient employee contributions and associated earnings to make a loan of at least \$1,000;

(4) A hold on the account is processed before the loan is disbursed; or

(5) A taxable distribution on an outstanding loan is declared before the new loan is issued.

(c) If the loan is otherwise acceptable but the amount available to borrow is less than the requested amount (but is at least \$1,000), the loan will be issued in the maximum amount available at the time of the disbursement. In such a case, the periodic payment amount will remain the same and the loan term may be shortened.

(d) The loan issue date is considered to be the date the loan was made.

(e) If a loan disbursement is returned as undeliverable, the TSP record keeper will attempt to locate the participant. If the participant does not respond within 60 days, the TSP will repay the loan with the returned loan proceeds.

§ 1655.14

5 CFR Ch. VI (1–1–20 Edition)

§ 1655.14 Loan payments.

(a) Loan payments must be made through payroll deduction in accordance with the loan agreement. Once loan payments begin, the employing agency cannot terminate the payroll deductions at the employee's request, unless the TSP instructs it to do so.

(b) The participant may make additional payments by mailing a personal check or guaranteed funds to the TSP record keeper. If the TSP receives a payment that repays the outstanding loan amount and overpays the loan by \$10.00 or more, the overpayment will be refunded to the participant. Overpayments of less than \$10 will be applied to the participant's account and will not be refunded. If a loan overpayment refund is returned as undeliverable, the TSP record keeper will attempt to locate the participant. If the participant does not respond within 60 days, the TSP will forfeit the overpayment refund to the Plan. The participant can claim the forfeited funds, although they will not be credited with TSP investment fund returns.

(c) The initial payment on a loan is due on or before the 60th day following the loan issue date. Interest accrues on the loan from the date of issuance.

(d) Subsequent payments are due at regular intervals as prescribed in the loan agreement, or most recent amortization, according to the participant's pay cycle.

(e) If a payment is not made when due, the TSP will notify the participant of the missed payment and the participant must make up the payment in full. If the participant does not make up all missed payments by the end of the calendar quarter following the calendar quarter in which the first payment was missed, the TSP will declare the loan to be a taxable distribution in accordance with § 1655.15. The participant's make-up payment must be in the form of a personal check or guaranteed funds.

(f) Interest will accrue on all missed payments and will be included in the calculation of any taxable distribution subsequently declared in accordance with § 1655.15. Interest will also accrue

on payments missed while a participant is in nonpay status.

§ 1655.15 Taxable distributions.

(a) The Board may declare any unpaid loan principal, plus unpaid interest, to be a taxable distribution from the Plan if:

(1) A participant is in a confirmed nonpay status for a period of one year or more, has not advised the TSP that he or she is serving on active military duty, and payments are not resumed after the participant is notified the loan has been reamortized;

(2) A participant separates from Government service and does not repay the outstanding loan principal and interest in full within the period specified by the notice to the participant from the TSP record keeper explaining the participant's repayment options;

(3) The TSP record keeper advises the participant that there are missing payments and the participant fails to make (by personal check or guaranteed funds) a direct payment of the entire missing amount or repayment in full by the deadline established in accordance with § 1655.14(e);

(4) Any material information provided in accordance with § 1655.10, § 1655.12, or § 1655.13 is found to be false;

(5) With the exception of a loan described in 5 CFR 1620.45, the loan is not repaid in full (including interest due) within five years, in the case of a general purpose loan, or within 15 years, in the case of a residential loan, from the loan issue date; or

(6) The participant dies.

(b) If a taxable distribution occurs in accordance with paragraph (a) of this section, the Board will notify the participant of the amount and date of the distribution. The Board will report the distribution to the Internal Revenue Service as income for the year in which it occurs.

(c) If a participant dies and a taxable distribution occurs in accordance with paragraph (a) of this section, the Board will notify the participant's estate of the amount and date of the distribution. Neither the estate nor any other person, including a beneficiary, may

Federal Retirement Thrift Investment Board

§ 1655.18

repay the loan of a deceased participant, nor can the funds be returned to the TSP.

(d) If, because of Board or TSP record keeper error, a TSP loan is declared a taxable distribution under circumstances that make such a declaration inconsistent with this part, or inconsistent with other procedures established by the Board or TSP record keeper in connection with the TSP loan program, the taxable distribution will be reversed. The participant will be provided an opportunity to reinstate loan payments or repay in full the outstanding balance on the loan.

[68 FR 35515, June 13, 2003, as amended at 68 FR 74451, Dec. 23, 2003; 72 FR 53414, Sept. 19, 2007; 77 FR 26429, May 4, 2012]

§ 1655.16 Reamortization.

(a) A participant may request reamortization of a loan at any time to change the amount of the payments, unless the loan is in a default status.

(b) Upon reamortization, the outstanding principal balance remains the same. Any accrued interest is paid off first before payments are applied to principal and current interest.

(c) The interest rate on a reamortized loan will be the same as the interest rate on the original loan.

(d) A participant may request reamortization by using the TSP Web site or by contacting a TSPSO participant service representative.

(e) When a participant's pay cycle changes for any reason, he or she should request a reamortization to adjust the scheduled payment to an equivalent amount in the new pay cycle. If the new pay cycle results in fewer payments per year and the participant does not reamortize the loan, the loan may be declared a taxable distribution pursuant to § 1655.15(a)(3).

§ 1655.17 Prepayment.

(a) A participant may repay a loan in full, without a penalty, at any time before the declaration of a taxable distribution under § 1655.15, unless the participant has separated from Government service and has submitted a signed statement that he or she has forfeited the right to repay the loan in full. Repayment in full means receipt by the TSP record keeper of a pay-

ment, by personal check or guaranteed funds made payable to the Thrift Savings Plan, of all principal and interest due on the loan.

(b) If a participant returns a loan check to the TSP record keeper, it will be treated as a repayment; however, additional interest may be owed, which, if not paid, could result in a taxable distribution. The loan, even though repaid, will also be taken into account in determining the maximum amount available for future loans, in accordance with § 1655.6(b).

(c) The amount outstanding on a loan can be obtained from the TSP Web site, the ThriftLine, or a TSPSO participant service representative, or by a written request to the TSP record keeper.

§ 1655.18 Spousal rights.

(a) *Spouse of CSRS participant.* (1) Before a loan is disbursed to a CSRS participant, the TSP record keeper will send a notice to the participant's current spouse that the participant has applied for a loan.

(2) A CSRS participant may obtain an exception to the requirement described in paragraph (a)(1) of this section if the participant establishes, to the satisfaction of the Executive Director, that the spouse's whereabouts are unknown as described in paragraph (c) of this section.

(b) *Spouse of FERS or uniformed services participant.* (1) Before a loan agreement is approved for a FERS or uniformed services participant, the spouse must consent to the loan by signing the loan agreement.

(2) A FERS or uniformed services participant may obtain an exception to the requirement described in paragraph (b)(1) of this section if the participant establishes, to the satisfaction of the Executive Director, that:

(i) The spouse's whereabouts are unknown; or

(ii) Exceptional circumstances prevent the participant from obtaining the spouse's consent.

(c) *Exception to spousal requirements.* The procedures for obtaining an exception to the spousal requirements described in paragraphs (a)(1) and (b)(1) of this section are the same as the procedures described in 5 CFR part 1650, subpart G.

(d) *Certification of truthfulness.* (1) By signing the loan application and the loan agreement, electronically or on paper, the participant certifies, under penalty of perjury, that all information provided to the TSP during the loan process is true and complete, including statements concerning the participant's marital status, the spouse's address at the time the application is filed, or the current spouse's consent to the loan.

(2) If the Board receives a written allegation from the spouse that the participant may have misrepresented his or her marital status or the spouse's address (in the case of a CSRS participant), or that the signature of the spouse of a FERS participant was forged, the Board will submit the information or document in question to the spouse and request that he or she state in writing that the information is false or that the spouse's signature was forged. In the event of an alleged forgery, the Board will also request the spouse to provide at least three samples of his or her signature.

(3) If the spouse affirms the allegation, in accordance with the procedure set forth in paragraph (d)(2) of this section, and the loan has been disbursed, the Board will give the participant an opportunity to repay the unpaid loan principal and interest within 60 days. If the loan is repaid during this period, the Board will not investigate the spouse's allegation.

(4) Paragraph (d)(3) of this section will not apply if the participant has received a final divorce decree before the Thrift Savings Plan receives the funds.

(5) If the unpaid loan principal and interest are not repaid to the Plan in full within the time period provided in paragraph (d)(3) of this section, the Board will conduct an investigation into the allegation. If the participant has received a final divorce decree before the Thrift Savings Plan receives the funds, the Board will begin its investigation immediately.

(6) If, during its investigation, the Board finds evidence to suggest that the participant misrepresented his or her marital status or spouse's address (in the case of a CSRS participant), or submitted the loan agreement with a forged signature, the Board will refer

the case to the Department of Justice for criminal prosecution and, if the participant is still employed, to the Inspector General or other appropriate authority in the participant's employing agency for administrative action.

(7) Upon receipt of an allegation described in paragraph (d)(2) of this section, the participant's account will be frozen and no loan will be permitted until after:

(i) Thirty (30) days have elapsed since the participant's spouse was sent a copy of the information or document in question, and the Board has received no written affirmation of the alleged false information or forgery (together with signature samples, if required);

(ii) The loan is repaid pursuant to paragraph (d)(3) of this section;

(iii) The Executive Director concludes that the Board's investigation did not yield persuasive evidence that supports the spouse's allegation;

(iv) The Executive Director has been assured in writing by the spouse that any future request for a loan or withdrawal comports with the applicable requirement of notice or consent; or

(v) The participant is divorced.

[68 FR 35515, June 13, 2003, as amended at 68 FR 74451, Dec. 23, 2003]

§ 1655.19 Effect of court order on loan.

Upon receipt of a document that purports to be a qualifying retirement benefits court order, qualifying legal process relating to a participant's legal obligation to provide child support or to make alimony payments, or a qualifying child abuse order, the participant's TSP account will be frozen. After the account is frozen, no loan will be allowed until the account is unfrozen. The Board's procedures for processing court orders and legal processes are explained in 5 CFR part 1653.

§ 1655.20 Residential loans.

(a) A residential loan will be made only for the purchase or construction of the primary residence of the participant, or for the participant and his or her spouse, and for related purchase costs. The participant must actually bear all or part of the cost of the purchase. If the participant purchases a primary residence with someone other than his or her spouse, only the portion

A primary residence may include a house, a townhouse, a condominium, a share in a cooperative housing corporation, a mobile home, a boat, or a recreational vehicle; a primary residence does not include a second home or vacation home. A participant cannot have more than one primary residence.

(c) Purchase of a primary residence means acquisition of the residence through the exchange of cash or other property or through the total construction of a new residence. A residential loan will not be made for a lease-to-buy option, unless the option to buy is being exercised. Construction of an addition to or the renovation of a residence or the purchase of land only does not constitute the purchase of a primary residence.

(d) Related purchase costs are any costs that are incurred directly as a result of the purchase or construction of a residence and which can be added to the basis of the residence for Federal tax purposes. Points or loan origination fees charged for a loan, whether or not they are treated as part of the basis, are not considered a purchase cost. Real estate taxes cannot be included.

(e) The documentation required for a loan under this section is as follows:

(1) For all purchases, except for construction, a copy of a home purchase contract or a settlement sheet; or

(2) For construction, a home construction contract.
