Subpart A—Expenditures by National Committees and Convention Committees

§ 9008.1 Scope.

(a) This part interprets 52 U.S.C. 30105 and 26 U.S.C. 9008. Under 26 U.S.C. 9008(b), the national committees of both major and minor parties are entitled to public funds to defray expenses incurred with respect to a Presidential Nominating convention. Under 26 U.S.C. 9008(d), expenditures with regard

to such a convention by a national committee receiving public funds are limited to \$4,000,000, as adjusted by the Consumer Price Index. New parties are not entitled to receive any public funds to defray convention expenses.

(b) Under 52 U.S.C. 30105, each committee or organization which represents a national party in making arrangements for that party's presidential nominating convention is required to file disclosure reports. This reporting obligation extends to all such committees or organizations, regardless of whether or not public funds are used or available to defray convention expenses.

(b) *Minor parties.* Subject to the provisions of this part, the national committee of a minor party shall be entitled to payments under 11 CFR 9008.6 with respect to any presidential nominating convention in amounts which, in the aggregate, shall not exceed an amount which bears the same ratio to the amount which the national committee of a major party is entitled to receive under 11 CFR 9008.5 as the number of popular votes received in the preceding presidential election by that minor party's presidential candidate bears to the average number of popular votes received in the preceding presidential election by all of the major party presidential candidates.

(c) *Limitation on payments.* Payments to the national committee of a major party or a minor party under 11 CFR 9008.6 from the account designated for such committee shall be limited to the amounts in such account at the time of payment.

11 CFR Ch. I (1–1–21 Edition)

(b) The entitlements established by 11 CFR 9008.4 shall be adjusted so as not to exceed the difference between the expenditure limitations of 11 CFR 9008.8(a) and the amount of private contributions received under 11 CFR 9008.6(a) by the national committee of a political party. Except as provided in 11 CFR 9008.12(b)(7), in calculating these adjustments, amounts expended by Government agencies and municipal corporations in accordance with 11 CFR 9008.53; in-kind donations by businesses to the national committee or convention committee in accordance with 11 CFR 9008.9; expenditures by host committees in accordance with 11 CFR 9008.52; expenditures to participate in or attend the convention under 11 CFR 9008.8(b)(2); and legal and accounting services rendered in accordance with 11 CFR 9008.8(b)(4) will not be considered private contributions or expenditures counting against the limitation.

(2) If a national committee of a major or minor party elects to receive part of the amounts to which it is entitled under 11 CFR 9008.4 and 9008.5, or if the Secretary determines there is a deficiency in the Fund under 26 U.S.C. 9008(b)(4), the national committee may receive and use private contributions, so long as the sum of the contributions which are used to defray convention expenses and the amount of entitlements elected to be received does not exceed the total expenditure limitation under 11 CFR 9008.8.

(3) All private contributions received by the national committee to defray convention expenses shall be subject to all reporting requirements, limitations and prohibitions of Title 52, United States Code. The convention committee may establish a separate account for private contributions or may

(c) *Availability of payments.* The national committee of a major or minor party may receive payments under this section beginning on July 1 of the calendar year immediately preceding the calendar year in which a Presidential nominating convention of the political party involved is held.

(d) *Certification of payment.* After a national committee has properly submitted its application statement and agreement as required under 11 CFR 9008.3(a) (3) and (4), and upon receipt of a written request, payment of the committee's entitlement will be certified by the Commission to the Secretary of the Treasury.

[59 FR 33616, June 29, 1994, as amended at 79 FR 77851, Dec. 29, 2014]

(5) Any investment of public funds or any other use of public funds to generate income is permissible only if the income so generated is used to defray convention expenses. Such income, less any tax paid on it, shall be repaid to the United States Treasury as provided under 11 CFR 9008.12(b)(6).

(b) *Prohibited uses.* (1) No part of any payment made under 11 CFR 9008.6 shall be used to defray the expenses of any candidate, delegate, or alternate delegate who is participating in any presidential nominating convention except that the expenses of a person participating in the convention as official personnel of the national party may be defrayed with public funds even though that person is simultaneously participating as a delegate or candidate to the convention. This part shall not prohibit candidates, delegates or alternate delegates who are participating in a presidential nominating convention from attending official party convention activities including but not limited to dinners, concerts and receptions, where such activities are paid for with public funds.

Factors considered by the Commission in making this determination shall include, but not be limited to, whether the committee demonstrates that it made conscientious efforts to safeguard the missing equipment; whether the committee sought or obtained insurance on the items; whether the committee filed a police report; the type of equipment involved; and the number and value of items that were lost.

[59 FR 33616, June 29, 1994, as amended at 64 FR 49363, Sept. 13, 1999; 67 FR 78683, Dec. 26, 2002; 68 FR 47416, Aug. 8, 2003; 79 FR 77851, Dec. 29, 2014]

§ 9008.8 Limitation of expenditures.

(a) *National party limitations*—(1) *Major parties*. Except as provided by paragraph (a)(3) of this section, the national committee of a major party may not incur convention expenses with respect to a Presidential nominating convention which, in the aggregate, exceed the amount to which such committee is entitled under 11 CFR 9008.4 and 9008.5.

(2) *Minor parties*. Except as provided by paragraph (a)(3) of this section, the national committee of a minor party may not incur convention expenses with respect to a Presidential nominating convention which, in the aggregate, exceed the amount to which the national committee of a major party is entitled under 11 CFR 9008.4 and 9008.5.

(3) *Authorization to exceed limitation*. The Commission may authorize the national committee of a major party or minor party to make expenditures for convention expenses, which expenditures exceed the limitation established by paragraph (a) (1) or (2) of this section. This authorization shall be based upon a determination by the Commission that, due to extraordinary and unforeseen circumstances, the expenditures are necessary to assure the effective operation of the Presidential nominating convention by the committee. Examples of “extraordinary and unforeseen circumstances” include, but are not limited to, a natural disaster or a catastrophic occurrence at the convention site. In no case, however, will such authorization entitle a national committee to receive public

funds greater than the entitlement specified under 11 CFR 9008.4 and 9008.5. All private contributions received to defray expenditures under this paragraph shall be subject to all reporting requirements, limitations (except for limitations imposed by paragraphs (a) (1) and (2) of this section) and prohibitions of the Federal Election Campaign Act (52 U.S.C. 30101 *et seq.*).

(b) *Payments not subject to limit*—(1) *Host committee expenditures*. Expenditures made by the host committee shall not be considered expenditures by the national committee and shall not count against the expenditure limitations of this section provided the funds are spent in accordance with 11 CFR 9008.52.

(2) *Expenditures by government agencies and municipal funds*. Expenditures made by government agencies and municipal funds shall not be considered expenditures by the national committee and shall not count against the expenditure limitations of this section if the funds are spent in accordance with the requirements of 11 CFR 9008.53.

(3) *Expenditures to participate in or attend convention*. Expenditures made by presidential candidates from campaign accounts, by delegates, or by any other individual from his or her personal funds for the purpose of attending or participating in the convention or convention related activities, including, but not limited to the costs of transportation, lodging and meals, or by State or local committees of a political party on behalf of such delegates or individuals shall not be considered expenditures made by or on behalf of the national party, and shall therefore not be subject to the overall expenditure limitations of this section.

(4) *Legal and accounting services*. (i) The payment of compensation to an individual by his or her regular employer for legal and accounting services rendered to or on behalf of the national committee shall not be considered an expenditure and shall not count against the expenditure limitations of this section.

(ii) The payment by the national committee of compensation to any individual for legal and accounting services rendered to or on behalf of the national committee in connection with the presidential nominating convention or convention-related activities shall not be considered an expenditure and shall not count against the expenditure limitations of this section provided that:

(A) The legal and accounting services relate solely to compliance with the Federal Election Campaign Act (52 U.S.C. 30101, *et seq.*) and the Presidential Election Campaign Fund Act (26 U.S.C. Chapter 95); and

(B) The contributions raised to pay for the legal and accounting services comply with the limitations and prohibitions of 11 CFR parts 110, 114 and 115. These contributions, when aggregated with other contributions from the same contributor to the political committees established and maintained by the national political party, shall not exceed the amounts permitted under 11 CFR 110.1(c) and 110.2(c), as applicable.

(iii) The convention committee shall report contributions received to pay for legal and accounting services on a separate Schedule A, and shall report payments for legal and accounting services on a separate Schedule B, attached to its reports.

(5) *Computerized information.* Payments to defray the costs of producing, delivering and explaining the computerized information and materials provided pursuant to 11 CFR 9008.10(h), and explaining the operation of the computer system's software, shall not be considered expenditures and shall not count against the expenditure limitations of this section, provided that the contributions raised to pay these expenses comply with the limitations and prohibitions of 11 CFR parts 110, 114 and 115.

[59 FR 33616, June 29, 1994, as amended at 68 FR 47416, Aug. 8, 2003; 79 FR 77851, Dec. 29, 2014]

§ 9008.9 Receipt of goods and services from commercial vendors.

Commercial vendors may sell, lease, rent or provide their goods or services to the national committee with respect to a presidential nominating conven-

tion at reduced or discounted rates, or at no charge, provided that the requirements of either paragraph (a), paragraph (b), or paragraph (c) of this section are met. For purposes of this section, *commercial vendor* shall have the same meaning as provided in 11 CFR 116.1(c).

(a) *Standard reductions or discounts.* A commercial vendor may provide reductions or discounts in the ordinary course of business. A reduction or discount shall be considered in the ordinary course of business if the commercial vendor has an established practice of providing the same reductions or discounts for the same amount of its goods or services to non-political clients, or if the reduction or discount is consistent with established practice in the commercial vendor's trade or industry. Examples of reductions or discounts made in the ordinary course of business include standard volume discounts and reduced rates for corporate, governmental or preferred customers. Reductions or discounts provided under paragraph (a) of this section need not be reported.

(b) *Items provided for promotional consideration.* (1) A commercial vendor may provide goods or services in exchange for promotional consideration provided that doing so is in the ordinary course of business.

(2) The provision of goods or services shall be considered in the ordinary course of business under this paragraph:

(i) If the commercial vendor has an established practice of providing goods or services on a similar scale and on similar terms to non-political clients, or

(ii) If the terms and conditions under which the goods or services are provided are consistent with established practice in the commercial vendor's trade or industry in similar circumstances.

(3) In all cases, the value of the goods or services provided shall not exceed the commercial benefit reasonably expected to be derived from the unique promotional opportunity presented by the national nominating convention.

(4) The convention committee shall maintain documentation showing: the goods or services provided; the date(s)

on which the goods or services were provided, the terms and conditions of the arrangement; and what promotional consideration was provided. In addition, the convention committee shall disclose in its report covering the period the goods or services are received, in a memo entry, a description of the goods or services provided for promotional consideration, the name and address of the commercial vendor, and the dates on which the goods or services were provided (e.g., "Generic Motor Co., Detroit, Michigan—ten automobiles for use 7/15-7/20, received on 7/14", or "Workers Inc., New York, New York—five temporary secretarial assistants for use 8/1-8/30, received on 8/1").

(c) *Items of de minimis value.* Commercial vendors (including banks) may sell at nominal cost, or provide at no charge, items of *de minimis* value, such as samples, discount coupons, maps, pens, pencils, or other items included in tote bags for those attending the convention. The items of *de minimis* value may be distributed by or with the help of persons employed by the commercial vendor, or employed by or volunteering for the national party or a host committee. The value of the items of *de minimis* value provided under this paragraph need not be reported.

(d) *Expenditure Limits.* The value of goods or services provided pursuant to this section will not count toward the national party's expenditure limitation under 11 CFR 9008.8(a).

§ 9008.10 Documentation of disbursements; net outstanding convention expenses.

In addition to the requirements set forth at 11 CFR 102.9(b), the convention committee must include as part of the evidence of convention expenses the following documentation:

(a) For disbursements in excess of \$200 to a payee, either:

(1) A receipted bill from the payee that states the purpose of the disbursement; or

(2) If such a receipted bill is not available, the following documents:

(i) A canceled check negotiated by the payee; plus

(ii) One of the following documents generated by the payee—a bill, invoice, voucher or contemporaneous memorandum that states the purpose of the disbursement;

(iii) Where the documents specified at paragraph (a)(2)(ii) of this section are not available, a voucher or contemporaneous memorandum from the committee that states the purpose of the disbursement;

(3) If neither a receipted bill nor the supporting documentation specified in paragraph (a)(2) (ii) or (iii) of this section is available, a canceled check negotiated by the payee that states the purpose of the disbursement.

(4) Where the supporting documentation required above is not available, the committee may present a canceled check and collateral evidence to document the convention expense. Such collateral evidence may include but is not limited to:

(i) Evidence demonstrating that the disbursement is part of an identifiable program or project which is otherwise sufficiently documented, such as a disbursement which is one of a number of documented disbursements relating to the operation of a committee office;

(ii) Evidence that the disbursement is covered by a preestablished written committee policy, such as a daily travel expense policy.

(b) For all other disbursements:

(1) If from the petty cash fund, a record that states the full name and mailing address of the payee and the amount, date and purpose of the disbursement; or

(2) A canceled check which has been negotiated by the payee and states the identification of the payee, and the amount and date of the disbursement.

(c) For purposes of this section, *payee* means the person who provides the goods or services to the committee in return for the disbursement, except that an individual will be considered a payee under this section if he or she receives \$2,000 or less advanced for travel and/or subsistence and if he or she is the recipient of the goods or services purchased.

(d) For purposes of this section, the term *purpose* means the full name and mailing address of the payee, the date and amount of the disbursement, and a

§ 9008.10

11 CFR Ch. I (1–1–21 Edition)

brief description of the goods or services purchased.

(e) Upon the request of the Commission the convention committee shall supply an explanation of the connection between the disbursement and the convention.

(f) The committee shall retain records with respect to each disbursement and receipt, including bank records, vouchers, worksheets, receipts, bills and accounts, journals, ledgers, fundraising solicitation material, accounting systems documentation, and any related material documenting campaign receipts and disbursements, for a period of three years pursuant to 11 CFR 102.9(c), and shall present these records to the Commission on request.

(g) *Net outstanding convention expenses.* A convention committee that is eligible to receive payments under 11 CFR 9008.3 shall file, no later than sixty days after the last day of the convention, a statement of that committee's net outstanding convention expenses. The convention committee shall file a revised statement of net outstanding convention expenses which shall reflect the financial position of the convention committee as of the end of the ninth month following the last day of the convention. The revised statement shall be filed no later than 30 calendar days after the end of the ninth month following the last day of the convention, and shall be accompanied by the interim repayment, if required under 11 CFR 9008.12(b)(5)(ii). The committee's net outstanding convention expenses under this section equal the difference between paragraphs (g) (1) and (2) of this section:

(1) The total of:

(i) All outstanding obligations for convention expenses as of 45 days after the last day of the convention; plus

(ii) An estimate of the amount of convention expenses that will be incurred after the 45th day and before the end of the ninth month following the last day of the convention; plus

(iii) An estimate of necessary winding down costs; less

(2) The total of:

(i) Cash on hand as of 45 days after the last day of the convention, including: all receipts dated on or before that

date; currency; balances on deposit in banks, savings and loan institutions, and other depository institutions; traveler's checks; certificates of deposit; treasury bills; and any other committee investments valued at fair market value;

(ii) The fair market value of capital assets and other assets on hand; and

(iii) Amounts owed to the committee in the form of credits, refunds of deposits, returns, receivables, or rebates of convention expenses; or a commercially reasonable amount based on the collectibility of those credits, returns, receivables or rebates.

(3) The amount submitted as the total of outstanding convention obligations under paragraph (g)(1) of this section shall not include any accounts payable for non-convention expenses nor any amounts determined or anticipated to be required as a repayment under 11 CFR 9008.12 or any amounts paid to secure a surety bond under 11 CFR 9008.14(c).

(4) *Capital assets.* For purposes of this section, the term *capital asset* means any property used in the operation of the convention whose purchase price exceeded \$2000 when acquired by the committee. Property that must be valued as capital assets under this section includes, but is not limited to, office equipment, furniture, vehicles and fixtures acquired for use in the operation of the convention, but does not include property defined as "other assets" under 11 CFR 9008.10(g)(5). A list of all capital assets shall be maintained by the committee, which shall include a brief description of each capital asset, the purchase price, the date it was acquired, the method of disposition and the amount received in disposition. The fair market value of capital assets may be considered to be the total original cost of such items when acquired less 40%, to account for depreciation. If the committee wishes to claim a higher depreciation percentage for an item, it must list that capital asset on the statement separately and demonstrate, through documentation, the fair market value of each such asset.

(5) *Other assets.* The term *other assets* means any property acquired by the committee for use in raising funds or as collateral for loans. "Other assets"

must be included on the committee's statement of net outstanding convention expenses if the aggregate value of such assets exceeds \$5000. The value of "other assets" shall be determined by the fair market value of each item as of 45 days after the last day of the convention, unless the item is acquired after this date, in which case the item shall be valued on the date it is acquired. A list of other assets shall be maintained by the committee, which shall include a brief description of each such asset, the fair market value of each asset, the method of disposition and the amount received in disposition.

(6) *Collectibility of accounts receivable.* If the committee determines that an account receivable of \$500 or more, including any credit, refund, return or rebate, is not collectible in whole or in part, the committee shall demonstrate through documentation that the determination was commercially reasonable. The documentation shall include records showing the original amount of the account receivable, copies of correspondence and memoranda of communications with the debtor showing attempts to collect the amount due, and an explanation of how the lesser amount or full write-off was determined.

(7) *Winding down costs.* The term *winding down costs* means:

(i) Costs associated with the termination of the convention such as complying with the post-convention requirements of the Act and other necessary administrative costs associated with winding down the convention, including office space rental, staff salaries and office supplies; and

(ii) Costs incurred by the convention committee prior to 45 days after the last day of the convention for which written arrangements or commitment was made on or before that date.

(8) *Review of convention committee statement.* The Commission will review the statement filed by each convention committee under this section. The Commission may request further information with respect to statements filed pursuant to 11 CFR 9008.10 during the audit of that committee under 11 CFR 9008.11.

(h) *Production of computer information—(1) Categories of computerized infor-*

mation to be provided. If the convention committee maintains or uses computerized information containing any of the categories of data listed in paragraphs (h)(1)(i) through (h)(1)(iv) of this section, the committee shall provide computerized magnetic media, such as magnetic tapes or magnetic diskettes, containing the computerized information at the times specified in paragraph (h)(2) of this section:

(i) Information required by law to be maintained regarding the committee's receipts or disbursements;

(ii) Records used to reconcile bank statements;

(iii) Records relating to the acquisition, use and disposition of capital assets; and

(iv) Any other information that may be used during the Commission's audit to review the committee's receipts, disbursements, loans, debts, obligations, or bank reconciliations.

(2) *Time for Production.* If the committee maintains or uses computerized information containing any of the data listed in paragraph (h)(1) of this section, the Commission generally will request such information prior to commencement of audit fieldwork. Such request will be made in writing. The committee shall produce the computerized information no later than 15 calendar days after service of such request. During or after audit fieldwork, the Commission may request additional or updated computerized information which expands the coverage dates of computerized information previously provided. During or after audit fieldwork, the Commission may also request additional computerized information which was created by or becomes available to the committee that is of assistance in the Commission's audit. The committee shall produce the additional or updated computerized information no later than 15 calendar days after service of the Commission's request.

(3) *Organization of computerized information and technical specifications.* The computerized magnetic media shall be prepared and delivered at the committee's expense and shall conform to the technical specifications, including file requirements, described in the Federal Election Commission's Computerized

§ 9008.11

Magnetic Media Requirements for Title 26 Candidates/Committees Receiving Federal Funding. The data contained in the computerized magnetic media provided to the Commission shall be organized in the order specified by the Computerized Magnetic Media Requirements.

(4) *Additional materials and assistance.* Upon request, the committee shall produce documentation explaining the computer system's software capabilities, such as user guides, technical manuals, formats, layouts and other materials for processing and analyzing the information request. Upon request, the committee shall also make available such personnel as are necessary to explain the operation of the computer system's software and the computerized information prepared or maintained by the committee.

§ 9008.11 Examinations and audits.

The Commission shall conduct an examination and audit of the convention committee no later than December 31 of the calendar year of the convention and may at any time conduct other examinations and audits as it deems necessary. The Commission will follow the same procedures during the audit, and will afford the committee the same right to respond, as are provided for audits of publicly funded candidates under 11 CFR 9007.1 and 9038.1.

§ 9008.12 Repayments.

(a) *General.* (1) A national committee that has received payments from the Fund under 11 CFR part 9008 shall pay the United States Treasury any amounts which the Commission determines to be repayable under this section. In making repayment determinations under this section, the Commission may utilize information obtained from audits and examinations conducted pursuant to 11 CFR 9008.11 or otherwise obtained by the Commission in carrying out its responsibilities under this subchapter.

(2) The Commission will notify the committee of any repayment determinations made under this section as soon as possible, but not later than 3 years after the last day of the Presi-

11 CFR Ch. I (1-1-21 Edition)

dential nominating convention. The Commission's issuance of an audit report to the committee will constitute notification for purposes of the three year period.

(3) Once the committee receives notice of the Commission's final repayment determination under this section, the committee should give preference to the repayment over all other outstanding obligations of the committee, except for any federal taxes owed by the committee.

(b) *Bases for repayment.* The Commission may determine that the national committee of a political party that has received payments from the Fund must repay the United States Treasury under any of the circumstances described below.

(1) *Excess payments.* If the Commission determines that any portion of the payments to the national committee or convention committee under 11 CFR 9008.6(b) was in excess of the aggregate payments to which the national committee was entitled under 11 CFR 9008.4 and 9008.5, it shall so notify the national committee, and the national committee shall pay to the Secretary an amount equal to such portion.

(2) *Excessive expenditures.* If the Commission determines that the national committee or convention committee incurred convention expenses in excess of the limitations under 11 CFR 9008.8(a), it shall notify the national committee of the amount of such excessive expenditures, and the national committee shall pay to the Secretary an amount equal to the amount specified.

(3) *Excessive contributions.* If the Commission determines that the national committee accepted contributions to defray convention expenses which, when added to the amount of payments received, exceeds the expenditure limitation of such party, it shall notify the national committee of the amount of the contributions so accepted, and the national committee shall pay to the Secretary an amount equal to the amount specified.

(4) *Improper usage or documentation.* If the Commission determines that any amount of any payment to the national committee or convention committee under 11 CFR 9008.6(b) was used for any

Federal Election Commission

§ 9008.15

purposes other than the purposes authorized at 11 CFR 9008.7 or was not documented in accordance with 11 CFR 9008.10, it shall notify the national committee of the amount improperly used or documented and the national committee shall pay to the Secretary an amount equal to the amount specified.

(5) *Unspent funds.* (i) If any portion of the payment under 11 CFR 9008.4 remains unspent after all convention expenses have been paid, that portion shall be returned to the Secretary of the Treasury.

(ii) The national committee or convention committee shall make an interim repayment of unspent funds based on the financial position of the committee as of the end of the ninth month following the last day of the convention, allowing for a reasonable amount as determined by the Commission to be withheld for unanticipated contingencies. The interim repayment shall be made no later than 30 calendar days after the end of the ninth month following the last day of the convention. If, after written request by the national committee or convention committee, the Commission determines, upon review of evidence presented by either committee, that amounts previously refunded are needed to defray convention expenses, the Commission shall certify such amount for payment.

(iii) All unspent funds shall be repaid to the U.S. Treasury no later than 24 months after the last day of the convention, unless the national committee has been granted an extension of time. The Commission may grant any extension of time it deems appropriate upon request of the national committee.

(6) *Income on investments of payments from the Fund.* If the Commission determines that the national committee or the convention committee received any income as a result of investment or other use of payments from the Fund pursuant to 11 CFR 9008.7(a)(5), it shall so notify the committee and the committee shall pay to the United States Treasury an amount equal to the amount determined to be income, less any Federal, State or local taxes on such income.

(7) The Commission may seek repayment, or may initiate an enforcement action, if the convention committee knowingly helps, assists or participates in the making of a convention expenditure by the host committee, government agency or municipal fund that is not in accordance with 11 CFR 9008.52 or 9008.53, or the acceptance of a contribution by the host committee or government agency or municipal fund from an impermissible source.

(c) *Repayment determination procedures.* The Commission will follow the same repayment determination procedures, and the committee has the same rights and obligations as are provided for repayment determinations involving publicly funded candidates under 11 CFR 9007.2 (c) through (h).

[59 FR 33616, June 29, 1994, as amended at 60 FR 31880, June 16, 1995; 68 FR 47417, Aug. 8, 2003]

§ 9008.13 Additional audits.

In accordance with 11 CFR 104.16(c), the Commission, pursuant to 11 CFR 111.10, may upon affirmative vote of four members conduct an audit and field investigation of any committee in any case in which the Commission finds reason to believe that a violation of a statute or regulation over which the Commission has jurisdiction has occurred or is about to occur.

§ 9008.14 Petitions for rehearing; stays of repayment determinations.

Petitions for rehearing following the Commission's repayment determination and requests for stays of repayment determinations will be governed by the procedures set forth at 11 CFR 9007.5 and 9038.5. The Commission will afford convention committees the same rights as are provided to publicly funded candidates under 11 CFR 9007.5 and 9038.5.

§ 9008.15 Extensions of time.

(a) It is the policy of the Commission that extensions of time under 11 CFR part 9008 will not be routinely granted.

(b) Whenever a committee has a right or is required to take action within a period of time prescribed by 11 CFR part 9008 or by notice given thereunder,

§ 9008.16

the committee may apply in writing to the Commission for an extension of time in which to exercise such right or take such action. The committee shall demonstrate in the application for extension that good cause exists for its request.

(c) An application for extension of time shall be made at least 7 calendar days prior to the expiration of the time period for which the extension is sought. The Commission may, upon a showing of good cause, grant an extension of time to a committee that has applied for such extension in a timely manner. The length of time of any extension granted hereunder shall be decided by the Commission and may be less than the amount of time sought by the committee in its application.

(d) If a committee fails to seek an extension of time, exercise a right or take a required action prior to the expiration of a time period prescribed by 11 CFR part 9008, the Commission may, on the committee's showing of excusable neglect:

(1) Permit such committee to exercise its right(s), or take such required action(s) after the expiration of the prescribed time period; and

(2) Take into consideration any information obtained in connection with the exercise of any such right or taking of any such action before making decisions or determinations under 11 CFR part 9008.

§ 9008.16 Stale-dated committee checks.

If the committee has checks outstanding that have not been cashed, the committee shall notify the Commission. The committee shall inform the Commission of its efforts to locate the payees, if such efforts have been necessary, and its efforts to encourage the payees to cash the outstanding checks. The committee shall also submit a check for the total amount of such outstanding checks, payable to the United States Treasury.
