

§ 1.130

12 CFR Ch. I (1–1–21 Edition)

§ 1.130 Type II securities; guidelines for obligations issued for university and housing purposes.

(a) *Investment quality.* An obligation issued for housing, university, or dormitory purposes is a Type II security only if it:

(1) Qualifies as an investment security, as defined in § 1.2(e); and

(2) Is issued for the appropriate purpose and by a qualifying issuer.

(b) *Obligation issued for university purposes.* (1) An obligation issued by a State or political subdivision or agency of a State or political subdivision for the purpose of financing the construction or improvement of facilities at or used by a university or a degree-granting college-level institution, or financing loans for studies at such institutions, qualifies as a Type II security. Facilities financed in this manner may include student buildings, classrooms, university utility buildings, cafeterias, stadiums, and university parking lots.

(2) An obligation that finances the construction or improvement of facilities used by a hospital may be eligible as a Type II security, if the hospital is a department or a division of a university, or otherwise provides a nexus with university purposes, such as an affiliation agreement between the university and the hospital, faculty positions of the hospital staff, and training of medical students, interns, residents, and nurses (e.g., a “teaching hospital”).

(c) *Obligation issued for housing purposes.* An obligation issued for housing purposes may qualify as a Type II security if the security otherwise meets the criteria for a Type II security.

PART 2—SALES OF CREDIT LIFE INSURANCE

Sec.

2.1 Authority, purpose, and scope.

2.2 Definitions.

2.3 Distribution of credit life insurance income.

2.4 Bonus and incentive plans.

2.5 Bank compensation.

AUTHORITY: 12 U.S.C. 24 (Seventh), 93a, and 1818(n).

SOURCE: 61 FR 51781, Oct. 4, 1996, unless otherwise noted.

§ 2.1 Authority, purpose, and scope.

(a) *Authority.* A national bank may provide credit life insurance to loan customers pursuant to 12 U.S.C. 24 (Seventh).

(b) *Purpose.* The purpose of this part is to set forth the principles and standards that apply to a national bank’s provision of credit life insurance and the limitations that apply to the receipt of income from those sales by certain individuals and entities associated with the bank.

(c) *Scope.* This part applies to the provision of credit life insurance by any national bank employee, officer, director, or principal shareholder, and certain entities in which such persons own an interest of more than ten percent.

§ 2.2 Definitions.

(a) *Bank* means a national banking association.

(b) *Credit life insurance* means credit life, health, and accident insurance, sometimes referred to as credit life and disability insurance, and mortgage life and disability insurance.

(c) *Owning an interest* includes:

(1) Ownership through a spouse or minor child;

(2) Ownership through a broker, nominee, or other agent; or

(3) Ownership through any corporation, partnership, association, joint venture, or proprietorship, that is controlled by the director, officer, employee, or principal shareholder of the bank.

(d) *Officer, director, employee, or principal shareholder* includes the spouse and minor children of an officer, director, employee, or principal shareholder.

(e) *Principal shareholder* means any shareholder who directly or indirectly owns or controls an interest of more than ten percent of the bank’s outstanding voting securities.

[61 FR 51781, Oct. 4, 1996, as amended at 73 FR 22235, Apr. 24, 2008]

§ 2.3 Distribution of credit life insurance income.

(a) Distribution of credit life insurance income by a national bank must

be consistent with the requirements and principles of this section.

(b) It is an unsafe and unsound practice for any director, officer, employee, or principal shareholder of a national bank (including any entity in which this person owns an interest of more than ten percent), who is involved in the sale of credit life insurance to loan customers of the national bank, to take advantage of that business opportunity for personal profit. Recommendations to customers to buy insurance should be based on the benefits of the policy, not the commissions received from the sale.

(c) Except as provided in §§2.4 and 2.5(b), and paragraph (d) of this section, a director, officer, employee, or principal shareholder of a national bank, or an entity in which such person owns an interest of more than ten percent, may not retain commissions or other income from the sale of credit life insurance in connection with any loan made by that bank, and income from credit life insurance sales to loan customers must be credited to the income accounts of the bank.

(d) The requirements of paragraph (c) of this section do not apply to a director, officer, employee, or principal shareholder if:

(1) The person is employed by a third party that has contracted with the bank on an arm's-length basis to sell financial products on bank premises; and

(2) The person is not involved in the bank's credit decision process.

§ 2.4 Bonus and incentive plans.

A bank employee or officer may participate in a bonus or incentive plan based on the sale of credit life insurance if payments to the employee or officer in any one year do not exceed the greater of:

(a) Five percent of the recipient's annual salary; or

(b) Five percent of the average salary of all loan officers participating in the plan.

§ 2.5 Bank compensation.

(a) Nothing contained in this part prohibits a bank employee, officer, director, or principal shareholder who holds an insurance agent's license from

agreeing to compensate the bank for the use of its premises, employees, or good will. However, the employee, officer, director, or principal shareholder shall turn over to the bank as compensation all income received from the sale of the credit life insurance to the bank's loan customers.

(b) Income derived from credit life insurance sales to loan customers may be credited to an affiliate operating under the Bank Holding Company Act of 1956, 12 U.S.C. 1841 *et seq.*, or to a trust for the benefit of all shareholders, provided that the bank receives reasonable compensation in recognition of the role played by its personnel, premises, and good will in credit life insurance sales. Reasonable compensation generally means an amount equivalent to at least 20 percent of the affiliate's net income attributable to the bank's credit life insurance sales.
