EFFECTIVE DATE NOTE: At 85 FR 82896, Dec. 21, 2020, § 1282.13 was amended by revising paragraphs (b) through (d), effective Feb. 19, 2021. For the convenience of the user, the revised text is set forth as follows:

§ 1282.13 Multifamily special affordable housing goal and subgoals.

\* \* \* \* \*

(b) *Multifamily low-income housing goal.* The benchmark level for each Enterprise's purchases of mortgages on multifamily residential housing affordable to low-income families shall be at least 315,000 dwelling units affordable to low-income families in multifamily residential housing financed by mortgages purchased by the Enterprise for 2021.

(c) *Multifamily very low-income housing subgoal.* The benchmark level for each Enterprise's purchases of mortgages on multifamily residential housing affordable to very low-income families shall be at least 60,000 dwelling units affordable to very low-income families in multifamily residential housing financed by mortgages purchased by the Enterprise for 2021.

(d) *Small multifamily low-income housing subgoal.* The benchmark level for each Enterprise's purchases of mortgages on small multifamily properties affordable to low-income families shall be at least 10,000 dwelling units affordable to low-income families in small multifamily properties financed by mortgages purchased by the Enterprise for 2021.

§ 1282.14 Discretionary adjustment of housing goals.

(a) An Enterprise may petition the Director in writing during any year to reduce any goal or subgoal for that year.

(b) The Director shall seek public comment on any such petition for a period of 30 days.

(c) The Director shall make a determination regarding the petition within 30 days after the end of the public comment period. If the Director requests additional information from the Enterprise after the end of the public comment period, the Director may extend the period for a final determination for a single additional 15-day period.

## Federal Housing Finance Agency

## § 1282.15

(d) The Director may reduce a goal or subgoal pursuant to a petition for reduction only if:

(1) Market and economic conditions or the financial condition of the Enterprise require such a reduction; or

(2) Efforts to meet the goal or subgoal would result in the constraint of liquidity, over-investment in certain market segments, or other consequences contrary to the intent of the Safety and Soundness Act or the purposes of the Charter Acts (12 U.S.C. 1716; 12 U.S.C. 1451 note).

### § 1282.15 General counting requirements.

(a) *Calculating the numerator and denominator for single-family housing goals.* Performance under each of the single-family housing goals shall be measured using a fraction that is converted into a percentage. Neither the numerator nor the denominator shall include Enterprise transactions or activities that are not mortgage purchases as defined by FHFA or that are specifically excluded as ineligible under § 1282.16(b).

(1) *The numerator.* The numerator of each fraction is the number of mortgage purchases of an Enterprise in a particular year that finance owner-occupied single-family properties that count toward achievement of a particular single-family housing goal.

(2) *The denominator.* The denominator of each fraction is the total number of mortgage purchases of an Enterprise in a particular year that finance owner-occupied single-family properties. A separate denominator shall be calculated for purchase money mortgages and for refinancing mortgages.

(b) *Counting owner-occupied units.* (1) Mortgage purchases financing owner-occupied single-family properties shall be evaluated based on the income of the mortgagors and the area median income at the time the mortgage was originated. To determine whether mortgages may be counted under a particular family income level, *i.e.*, low- or very low-income, the income of the mortgagors is compared to the median income for the area at the time the mortgage was originated, using the appropriate percentage factor provided under § 1282.17.

(2) Mortgage purchases financing owner-occupied single-family properties for which the income of the mortgagors is not available shall be included in the denominator for the single-family housing goals and subgoal, but such mortgages shall not be counted in the numerator of any single-family housing goal or subgoal.

(c) *Counting dwelling units for multifamily housing goal and subgoals.* Performance under the multifamily housing goal and subgoals shall be measured by counting the number of dwelling units that count toward achievement of a particular housing goal or subgoal in all multifamily properties financed by mortgages purchased by an Enterprise in a particular year. Only dwelling units that are financed by mortgage purchases, as defined by FHFA, and that are not specifically excluded as ineligible under § 1282.16(b), may be counted for purposes of the multifamily housing goal and subgoals.

(d) *Counting rental units—(1) Use of rent.* For purposes of counting rental units toward achievement of the multifamily housing goal and subgoals, mortgage purchases financing such units shall be evaluated based on rent and whether the rent is affordable to the income group targeted by the housing goal and subgoals. A rent is affordable if the rent does not exceed the maximum levels as provided in § 1282.19.

(2) *Affordability of rents based on housing program requirements.* Where a multifamily property is subject to an affordability restriction under a housing program that establishes the maximum permitted income level for a tenant or a prospective tenant or the maximum permitted rent, the affordability of units in the property may be determined based on the maximum permitted income level or maximum permitted rent established under such housing program for those units. If using income, the maximum income level must be no greater than the maximum income level for each goal, adjusted for family or unit size as provided in § 1282.17 or § 1282.18, as appropriate. If using rent, the maximum rent level must be no greater than the maximum rent level for each goal, adjusted for unit size as provided in § 1282.19.

§ 1282.16

12 CFR Ch. XII (1–1–21 Edition)

(3) *Unoccupied units.* Anticipated rent for unoccupied units may be the market rent for similar units in the neighborhood as determined by the lender or appraiser for underwriting purposes. A unit in a multifamily property that is unoccupied because it is being used as a model unit or rental office may be counted for purposes of the multifamily housing goal and subgoals only if an Enterprise determines that the number of such units is reasonable and minimal considering the size of the multifamily property.

(4) *Timeliness of information.* In evaluating affordability under the multifamily housing goal and subgoals, each Enterprise shall use tenant and rental information as of the time of mortgage acquisition.

(e) *Missing data or information for multifamily housing goal and subgoals.* (1) Rental units for which bedroom data are missing shall be considered efficiencies for purposes of calculating unit affordability.

(2) When an Enterprise lacks sufficient information to determine whether a rental unit in a property securing a multifamily mortgage purchased by an Enterprise counts toward achievement of the multifamily housing goal or subgoals because rental data is not available, an Enterprise's performance with respect to such unit may be evaluated using estimated affordability information by multiplying the number of rental units with missing affordability information in properties securing multifamily mortgages purchased by the Enterprise in each census tract by the percentage of all rental dwelling units in the respective tracts that would count toward achievement of each goal and subgoal, as determined by FHFA.

(3) The estimation methodology in paragraph (e)(2) of this section may be used up to a nationwide maximum of 5 percent of the total number of rental units in properties securing multifamily mortgages purchased by the Enterprise in the current year. Multifamily rental units in excess of this maximum, and any units for which estimation information is not available, shall not be counted for purposes of the multifamily housing goal and subgoals.

(f) *Credit toward multiple goals.* A mortgage purchase (or dwelling unit financed by such purchase) by an Enterprise in a particular year shall count toward the achievement of each housing goal for which such purchase (or dwelling unit) qualifies in that year.

(g) *Application of median income.* For purposes of determining an area's median income under §§ 1282.17 through 1282.19 and the definitions in § 1282.1, the area is:

(1) The metropolitan area, if the property which is the subject of the mortgage is in a metropolitan area; and

(2) In all other areas, the county in which the property is located, except that where the State non-metropolitan median income is higher than the county's median income, the area is the State non-metropolitan area.

(h) *Sampling not permitted.* Performance under the housing goals for each year shall be based on a complete tabulation of mortgage purchases (or dwelling units) for that year; a sampling of such purchases (or dwelling units) is not acceptable.

(i) *Newly available data.* When an Enterprise uses data to determine whether a mortgage purchase (or dwelling unit) counts toward achievement of any goal and new data is released after the start of a calendar quarter, the Enterprise need not use the new data until the start of the following quarter.

[75 FR 55930, Sept. 14, 2010, as amended at 80 FR 53431, Sept. 3, 2015; 83 FR 5899, Feb. 12, 2018]

**§ 1282.16 Special counting requirements.**

(a) *General.* FHFA shall determine whether an Enterprise shall receive full, partial, or no credit toward achievement of any of the housing goals for a transaction that otherwise qualifies under this part. In this determination, FHFA will consider whether a transaction or activity of the Enterprise is substantially equivalent to a mortgage purchase and either creates a new market or adds liquidity to an existing market, provided however that such mortgage purchase actually fulfills the Enterprise's purposes and is in accordance with its Charter Act.

## Federal Housing Finance Agency

## § 1282.16

(b) *Not counted.* The following transactions or activities shall not be counted for purposes of the housing goals and shall not be included in the numerator or the denominator in calculating either Enterprise's performance under the housing goals, even if the transaction or activity would otherwise be counted pursuant to paragraph (c) of this section:

(1) Equity investments in low-income housing tax credits;

(2) Purchases of State and local government housing bonds except as provided in paragraph (c)(8) of this section;

(3) Purchases of single-family non-conventional mortgages and multi-family non-conventional mortgages, except:

(i) Multifamily mortgages acquired under a risk-sharing arrangement with a Federal agency;

(ii) Multifamily mortgages under other multifamily mortgage programs involving Federal guarantees, insurance or other Federal obligation where FHFA determines in writing that the financing needs addressed by the particular mortgage program are not well served and that the mortgage purchases under such program should count under the housing goals;

(4) Commitments to buy mortgages at a later date or time;

(5) Options to acquire mortgages;

(6) Rights of first refusal to acquire mortgages;

(7) Any interests in mortgages that the Director determines, in writing, shall not be treated as interests in mortgages;

(8) Mortgage purchases to the extent they finance any dwelling units that are secondary residences;

(9) Single-family refinancing mortgages that result from conversion of balloon notes to fully amortizing notes, if the Enterprise already owns or has an interest in the balloon note at the time conversion occurs;

(10) Purchases of subordinate lien mortgages (second mortgages);

(11) Purchases of mortgages or interests in mortgages that were previously counted by the Enterprise under any current or previous housing goal within the five years immediately preceding the current performance year;

(12) Purchases of mortgages where the property, or any units within the property, have not been approved for occupancy;

(13) Purchases of private label securities;

(14) Enterprise contributions to the Housing Trust Fund (12 U.S.C. 4568) or the Capital Magnet Fund (12 U.S.C. 4569), and mortgage purchases funded with such grant amounts; and

(15) Any combination of factors in paragraphs (b)(1) through (b)(14) of this section.

(c) *Other special rules.* Subject to FHFA's determination of whether an Enterprise shall receive full, partial, or no credit for a transaction toward achievement of any of the housing goals as provided in paragraph (a) of this section, the transactions and activities identified in this paragraph (c) shall be treated as mortgage purchases as described. A transaction or activity that is covered by more than one paragraph below must satisfy the requirements of each such paragraph. The mortgages (or dwelling units, for the multifamily housing goals) from each such transaction or activity shall be included in the denominator in calculating the Enterprise's performance under the housing goals, and shall be included in the numerator, as appropriate.

(1) *Credit enhancements.* (i) Mortgages (or dwelling units) financed under a credit enhancement entered into by an Enterprise shall be treated as mortgage purchases for purposes of the housing goals only when:

(A) The Enterprise provides a specific contractual obligation to ensure timely payment of amounts due under a mortgage or mortgages financed by the issuance of housing bonds (such bonds may be issued by any entity, including a State or local housing finance agency); and

(B) The Enterprise assumes a credit risk in the transaction substantially equivalent to the risk that would have been assumed by the Enterprise if it had securitized the mortgages financed by such bonds.

(ii) When an Enterprise provides a specific contractual obligation to ensure timely payment of amounts due under any mortgage originally insured

by a public purpose mortgage insurance entity or fund, the Enterprise may, on a case-by-case basis, seek approval from the Director for such activities to count toward achievement of the housing goals.

(2) [Reserved]

(3) *Risk-sharing*. Mortgages purchased under risk-sharing arrangements between an Enterprise and any Federal agency under which the Enterprise is responsible for a substantial amount of the risk shall be treated as mortgage purchases for purposes of the housing goals.

(4) *Participations*. Participations purchased by an Enterprise shall be treated as mortgage purchases for purposes of the housing goals only when the Enterprise's participation in the mortgage is 50 percent or more.

(5) *Cooperative housing and condominiums*. (i) The purchase of a mortgage on a cooperative housing unit ("a share loan") or a mortgage on a condominium unit shall be treated as a mortgage purchase for purposes of the housing goals. Such a purchase shall be counted in the same manner as a mortgage purchase of single-family owner-occupied units.

(ii) The purchase of a blanket mortgage on a cooperative building or a mortgage on a condominium project shall be treated as a mortgage purchase for purposes of the housing goals. The purchase of a blanket mortgage on a cooperative building shall be counted in the same manner as a mortgage purchase of a multifamily rental property, except that affordability must be determined based solely on the comparable market rents used in underwriting the blanket loan. If the underwriting rents are not available, the loan shall not be treated as a mortgage purchase for purposes of the housing goals. The purchase of a mortgage on a condominium project shall be counted in the same manner as a mortgage purchase of a multifamily rental property.

(iii) Where an Enterprise purchases both a blanket mortgage on a cooperative building and share loans for units in the same building, both the mortgage on the cooperative building and the share loans shall be treated as mortgage purchases for purposes of the housing goals. Where an Enterprise

purchases both a mortgage on a condominium project and mortgages on individual dwelling units in the same project, both the mortgage on the condominium project and the mortgages on individual dwelling units shall be treated as mortgage purchases for purposes of the housing goals.

(6) *Seasoned mortgages*. An Enterprise's purchase of a seasoned mortgage shall be treated as a mortgage purchase for purposes of the housing goals, except where the Enterprise has already counted the mortgage under any current or previous housing goal within the five years immediately preceding the current performance year.

(7) *Purchase of refinancing mortgages*. The purchase of a refinancing mortgage by an Enterprise shall be treated as a mortgage purchase for purposes of the housing goals only if the refinancing is an arms-length transaction that is borrower-driven.

(8) *Mortgage revenue bonds*. The purchase or guarantee by an Enterprise of a mortgage revenue bond issued by a State or local housing finance agency shall be treated as a purchase of the underlying mortgages for purposes of the housing goals only to the extent the Enterprise has sufficient information to determine whether the underlying mortgages or mortgage-backed securities qualify for inclusion in the numerator for one or more housing goal.

(9) [Reserved]

(10) *Loan modifications*. An Enterprise's permanent modification, in accordance with the Making Home Affordable program announced on March 4, 2009, of a loan that is held in the Enterprise's portfolio or that is in a pool backing a security guaranteed by the Enterprise, shall be treated as a mortgage purchase for purposes of the housing goals. Each such permanent loan modification shall be counted in the same manner as a purchase of a refinancing mortgage.

(11)–(13) [Reserved]

(14) *Seller dissolution option*. (i) Mortgages acquired through transactions involving seller dissolution options shall be treated as mortgage purchases for purposes of the housing goals, only when:

**Federal Housing Finance Agency**

**§ 1282.17**

(A) The terms of the transaction provide for a lockout period that prohibits the exercise of the dissolution option for at least one year from the date on which the transaction was entered into by the Enterprise and the seller of the mortgages; and

(B) The transaction is not dissolved during the one-year minimum lockout period.

(ii) The Director may grant an exception to the one-year minimum lockout period described in paragraphs (c)(14)(i)(A) and (B) of this section, in response to a written request from an Enterprise, if the Director determines that the transaction furthers the purposes of the Safety and Soundness Act and the Enterprise’s Charter Act.

(iii) For purposes of this paragraph (c)(14), “seller dissolution option” means an option for a seller of mortgages to the Enterprises to dissolve or otherwise cancel a mortgage purchase agreement or loan sale.

(d) *HOEPA mortgages.* HOEPA mortgages shall be treated as mortgage purchases for purposes of the housing goals and shall be included in the denominator for each applicable single-family housing goal, but such mortgages shall not be counted in the numerator for any housing goal.

(e) *FHFA review of transactions.* FHFA may determine whether and how any transaction or class of transactions shall be counted for purposes of the housing goals, including treatment of missing data. FHFA will notify each Enterprise in writing of any determination regarding the treatment of any transaction or class of transactions under the housing goals. FHFA will make any such determinations available to the public on FHFA’s Web site, [www.fhfa.gov](http://www.fhfa.gov).

**§ 1282.19 Affordability—Rent level definitions—tenant income is not known.**

**§ 1282.20 Determination of compliance with housing goals; notice of determination.**

(a) *Single-family housing goals.* The Director shall evaluate each Enterprise's performance under the low-income families housing goal, the very low-income families housing goal, the low-income areas housing goal, the low-income areas housing subgoal, and the refinancing mortgages housing goal on an annual basis. If the Director determines that an Enterprise has failed, or there is a substantial probability that an Enterprise will fail, to meet a single-family housing goal established by this subpart, the Director shall notify

the Enterprise in writing of such preliminary determination.

(b) *Multifamily housing goal and subgoals.* The Director shall evaluate each Enterprise's performance under the multifamily low-income housing goal, the multifamily very low-income housing subgoal, and the small multifamily low-income housing subgoal, on an annual basis. If the Director determines that an Enterprise has failed, or there is a substantial probability that an Enterprise will fail, to meet a multifamily housing goal or subgoal established by this subpart, the Director shall notify the Enterprise in writing of such preliminary determination.

(c) Any notification to an Enterprise of a preliminary determination under this section shall provide the Enterprise with an opportunity to respond in writing in accordance with the procedures at 12 U.S.C. 4566(b).

### § 1282.21 Housing plans.

(a) *General.* If the Director determines that an Enterprise has failed, or there is a substantial probability that an Enterprise will fail, to meet any housing goal and that the achievement of the housing goal was or is feasible, the Director may require the Enterprise to submit a housing plan for approval by the Director.

(b) *Nature of plan.* If the Director requires a housing plan, the housing plan shall:

- (1) Be feasible;
- (2) Be sufficiently specific to enable the Director to monitor compliance periodically;
- (3) Describe the specific actions that the Enterprise will take in a time period determined by the Director to improve the Enterprise's performance under the housing goal; and
- (4) Address any additional matters relevant to the plan as required, in writing, by the Director.

(c) *Deadline for submission.* The Enterprise shall submit the housing plan to the Director within 45 days after issuance of a notice requiring the Enterprise to submit a housing plan. The Director may extend the deadline for submission of a plan, in writing and for a time certain, to the extent the Direc-

(d) *Review of housing plans.* The Director shall review and approve or disapprove housing plans in accordance with 12 U.S.C. 4566(c)(4) and (c)(5).

(e) *Resubmission.* If the Director disapproves an initial housing plan submitted by an Enterprise, the Enterprise shall submit an amended plan acceptable to the Director not later than 15 days after the Director's disapproval of the initial plan; the Director may extend the deadline if the Director determines an extension is in the public interest. If the amended plan is not acceptable to the Director, the Director may afford the Enterprise 15 days to submit a new plan.

### Subpart C—Duty to Serve Underserved Markets

SOURCE: 81 FR 96294, Dec. 29, 2016, unless otherwise noted.

#### § 1282.31 General.

(a) This subpart sets forth the Enterprise duty to serve three underserved markets as required by section 1335 of the Safety and Soundness Act (12 U.S.C. 4565). This subpart also establishes standards and procedures for annually evaluating and rating Enterprise compliance with the duty to serve underserved markets.

(b) Nothing in this subpart permits or requires an Enterprise to engage in any activity that would otherwise be inconsistent with its Charter Act or the Safety and Soundness Act.

#### § 1282.32 Underserved Markets Plan.

(a) *General.* Each Enterprise must submit to FHFA an Underserved Markets Plan describing the activities and objectives it will undertake to meet its duty to serve each of the three underserved markets. Plan activities and objectives may cover a single year or multiple years.

(b) *Term of Plan.* Each Enterprise's Plan must cover a period of three years.

(c) *Effective date of Plans.* Where an underserved market in a Plan receives

a Non-Objection from FHFA by December 1 of the prior year, the effective date for that underserved market in the Plan will be January 1 of the first evaluation year for which the Plan is applicable. Where an underserved market in a Plan does not receive a Non-Objection from FHFA by December 1 of the prior year, the effective date for that underserved market in the Plan will be as determined by FHFA.

(d) *Plan content.*—(1) *Consideration of minimum number of activities.* The Enterprises must consider and address in their Plans a minimum number of Statutory Activities or Regulatory Activities for each underserved market. The minimum number will be determined by FHFA and stated in the Evaluation Guidance as provided for in §1282.36(d). An Enterprise will select the specific Statutory Activities or Regulatory Activities to address in its Plan under this requirement. For the activities selected by the Enterprise, the Enterprise must address in its Plan either how it will undertake the activities and related objectives, or the reasons why it will not undertake the activities. The statutory programs in §1282.34(c)(5) and (c)(6) are excluded for this purpose.

(2) *Additional Activities.* An Enterprise may also include in its Plan Additional Activities eligible to serve an underserved market. For the Additional Activities included by the Enterprise, the Enterprise must address in its Plan how it will undertake the activities and related objectives.

(3) *Residential economic diversity activities.* If an Enterprises chooses to undertake a residential economic diversity activity for extra credit under §1282.36(c)(3), the Enterprise must describe the activity and related objectives in its Plan.

(e) *Objectives.* Each Statutory Activity, Regulatory Activity, and Additional Activity in an Enterprise's Plan must comprise one or more objectives, which are the specific action items that the Enterprises will identify for each activity. Each objective must meet all of the following requirements:

(1) *Strategic.* Directly or indirectly maintain or increase liquidity to an underserved market;

(2) *Measurable.* Provide measurable benchmarks, which may include numerical targets, that enable FHFA to determine whether the Enterprise has achieved the objective;

(3) *Realistic.* Be calibrated so that the Enterprise has a reasonable chance of meeting the objective with appropriate effort;

(4) *Time-bound.* Be subject to a specific timeframe for completion by being tied to Plan calendar year evaluation periods; and

(5) *Tied to analysis of market opportunities.* Be based on assessments and analyses of market opportunities in each underserved market, taking into account safety and soundness considerations.

(f) *Evaluation areas.* Each Plan objective must meet at least one of the evaluation areas set forth in §1282.36(b). An Enterprise must designate in its Plan the one evaluation area under which each Plan objective will be evaluated.

(g) *Plan procedures.*—(1) *Submission of proposed Plans.*—(i) *First proposed Plan.* An Enterprise's first proposed Plan must be submitted to FHFA within 90 days after FHFA posts the proposed Evaluation Guidance on FHFA's Web site pursuant to §1282.36(d)(3).

(ii) *Subsequent proposed Plans.* For subsequent proposed Plans after the first Plan, FHFA will provide timelines 300 days before the termination date of the Plan in effect, or a later date if additional time is necessary, for proposed Plan submission, public input periods, and Non-Objection to an underserved market in a Plan. Unless otherwise directed by FHFA, each Enterprise must submit a proposed Plan to FHFA at least 210 days before the termination date of the Enterprise's Plan in effect.

(2) *Posting of proposed Plans.* As soon as practical after an Enterprise submits its proposed Plan to FHFA for review, FHFA will post the proposed Plan on FHFA's Web site, with any confidential and proprietary data and information omitted.

(3) *Public input.*—(i) For the first proposed Plans, the public will have 60 days from the date the proposed Plans are posted on FHFA's Web site to provide input on the proposed Plans.

(ii) The Enterprises' subsequent proposed Plans will be available for public

input pursuant to the timeframe and procedures established by FHFA.

(4) *Enterprise review.* Each Enterprise may, in its discretion, make revisions to its proposed Plan based on the public input.

(5) *FHFA review.*—(i) *FHFA review of first proposed Plans.* FHFA will review each Enterprise's first proposed Plan and inform the Enterprise of any FHFA comments on the proposed Plan within 60 days from the end of the public input period on the proposed Plan, or such additional time as may be necessary. The Enterprise must address FHFA's comments, as appropriate, through revisions to its proposed Plan pursuant to the timeframe and procedures established by FHFA.

(ii) *FHFA review of subsequent proposed Plans.* For subsequent proposed Plans after the first proposed Plans, FHFA will establish a timeframe and procedures for FHFA review, comments, and any required Enterprise revisions.

(iii) *Designation of Statutory Activity or Regulatory Activity.* FHFA may, in its discretion, designate in the Evaluation Guidance one Statutory Activity or Regulatory Activity in each underserved market that FHFA will significantly consider in determining whether to provide a Non-Objection to that underserved market in a proposed Plan.

(iv) *FHFA Non-Objections to underserved markets in a proposed Plan.* After FHFA is satisfied that all of its comments on an underserved market in a proposed Plan have been addressed, FHFA will issue a Non-Objection for that underserved market in the Plan.

(6) *Effective date of an underserved market in a Plan.* Where an underserved market in a Plan receives a Non-Objection from FHFA by December 1 of the prior year, the effective date for that underserved market in the Plan will be January 1 of the first evaluation year for which the Plan is applicable. Where an underserved market in a Plan does not receive a Non-Objection from FHFA by December 1 of the prior year, the effective date for that underserved market in the Plan will be as determined by FHFA.

(7) *Posting of an underserved market section in a Plan.* As soon as practicable after FHFA issues a Non-Objection to

an underserved market in a Plan, that section of the Plan will be posted on the Enterprise's and FHFA's respective Web sites, with any confidential and proprietary data and information omitted.

(h) *Modification of a Plan.* At any time after implementation of a Plan, an Enterprise may request to modify its Plan during the three-year term, subject to FHFA Non-Objection of the proposed modifications. FHFA may also require an Enterprise to modify its Plan during the three-year term. FHFA and the Enterprise may seek public input on proposed modifications to a Plan if FHFA determines that public input would assist its consideration of the proposed modifications. If a Plan is modified, the modified Plan, with any confidential and proprietary information and data omitted, will be posted on the Enterprise's and FHFA's respective Web sites.

(d) *Additional Activities.* An Enterprise may include in its Plan other activities to serve very low-, low-, or moderate-income families in rural areas consistent with paragraph (b) of this section, subject to FHFA determination of whether the activities are eligible to receive duty to serve credit.

### § 1282.36 Evaluations, ratings, and Evaluation Guidance.

(a) *Evaluation of compliance.* In determining whether an Enterprise has complied with the duty to serve each underserved market, FHFA will annually evaluate and rate the Enterprise's duty to serve performance based on the Enterprise's implementation of its Underserved Markets Plan during the relevant evaluation year. FHFA's evaluation will be in accordance with separate, FHFA-prepared Evaluation Guidance as provided for in paragraph (d) of this section.

(b) *Evaluation areas.* As provided in § 1282.32(f), an Enterprise must specify in its Plan the evaluation area under which each Plan objective will be evaluated. FHFA will evaluate an Enterprise's performance of each of its Plan objectives under one of the following four evaluation areas, as designated by the Enterprise in its Plan:

(1) *Outreach.* The extent of the Enterprise's outreach to qualified loan sellers and other market participants in each underserved market;

(2) *Loan product.* The Enterprise's development of loan products, more flexible underwriting guidelines, and other innovative approaches to providing financing in each underserved market;

(3) *Loan purchase.* The volume of loan purchases by the Enterprise in each underserved market relative to the market opportunities available to the Enterprise; and

(4) *Investments and grants.* The amount of the Enterprise's investments and grants in projects that assist in meeting the needs of each underserved market.

(c) *Evaluation process.* At the end of each evaluation year, FHFA will evaluate each Enterprise's performance under its Plan based on quantitative and qualitative assessments of the Enterprise's accomplishment of the objectives for the activities under each underserved market in its Plan. Following the quantitative and qualitative assessments, FHFA may provide extra credit for extra credit-eligible residential economic diversity activities in an underserved market in a Plan, and for other extra credit-eligible activities in an underserved market in a Plan as

may be designated by FHFA in the Evaluation Guidance.

(1) *Quantitative assessment.* FHFA will conduct a quantitative assessment which will evaluate the level of an Enterprise's accomplishment of each objective for each activity in an underserved market in its Plan, based on the level of accomplishment needed for the objectives in order to receive a passing rating for compliance with the Duty to Serve an underserved market in a Plan, as established by FHFA in the Evaluation Guidance. At the conclusion of the quantitative assessment for an underserved market in a Plan, FHFA will determine whether an Enterprise has passed or failed the required level of accomplishment.

(2) *Qualitative assessment.* FHFA will conduct a qualitative assessment which will evaluate the Enterprise's accomplishment of each objective for each activity in an underserved market in its Plan, based on the method and criteria established by FHFA in the Evaluation Guidance, such as how skillfully an objective was implemented, the impact of the objective, and such other criteria as FHFA may set forth in the Evaluation Guidance.

(3) *Extra credit-eligible activities.* FHFA may provide extra credit for extra credit-eligible residential economic diversity activities included in an underserved market in a Plan, and for other extra credit-eligible activities included in an underserved market in a Plan, where such other activities are designated by FHFA in the Evaluation Guidance. FHFA will conduct its assessment of an Enterprise's accomplishment of activities that are eligible for extra credit based on the method and criteria established by FHFA in the Evaluation Guidance, such as how skillfully an objective was implemented, the impact of the objective, and such other criteria as FHFA may set forth in the Evaluation Guidance.

(4) *Ratings.*—(i) *Assignment of ratings.* Based on the quantitative, qualitative and extra credit assessments, FHFA will assign a rating of Exceeds, High Satisfactory, Low Satisfactory, Minimally Passing, or Fails to the Enterprise's performance for each underserved market in its Plan. A rating of Exceeds, High Satisfactory, Low Satis-

factory, or Minimally Passing will constitute compliance by the Enterprise with the duty to serve that underserved market. A rating of Fails will constitute noncompliance by the Enterprise with the duty to serve that underserved market.

(ii) *Ongoing Assessment of Evaluation and Rating Process.* FHFA will make such determinations as appropriate based on evaluation of the program's parameters and operation, pursuant to the Evaluation Guidance, regarding implementation of the evaluation and rating process.

(d) *Evaluation Guidance.*—(1) *Three-year term.* FHFA will prepare Evaluation Guidance for use by both Enterprises for a three-year term.

(2) *Contents.* The Evaluation Guidance will include the information required under this subpart, as well as additional guidance on Enterprise Plans, how the quantitative and qualitative assessments will be conducted, the role of extra credit, how final ratings will be determined, and other matters as may be appropriate.

(3) *Timelines for Evaluation Guidance.*—(i) *For the first Plan.*—(A) FHFA will provide to the Enterprises the proposed Evaluation Guidance for the first Plan within 30 days after the posting of this subpart on FHFA's Web site. FHFA will post the proposed Evaluation Guidance on FHFA's Web site as soon as practicable after providing it to the Enterprises.

(B) The proposed Evaluation Guidance will be available for public input for a period of 120 days following its posting on FHFA's Web site.

(C) FHFA will provide the Evaluation Guidance to the Enterprises no later than the time FHFA provides comments to the Enterprises on their proposed Plans.

(ii) *For subsequent Plans.* FHFA will provide timelines for the Evaluation Guidance for subsequent Plans after the first Plan, including public input periods, 300 days before the termination date of the Plan in effect, or a later date if additional time is necessary.

(4) *Posting of Evaluation Guidance.* The final Evaluation Guidance will be posted on the Enterprises' and FHFA's

respective Web sites as soon as practicable after the Evaluation Guidance is finalized.

(5) *Modification of Evaluation Guidance.* From time to time, FHFA may modify the Evaluation Guidance prior to or during the Evaluation Guidance's three-year term. FHFA may seek public input on proposed modifications to the Evaluation Guidance if FHFA determines that public input would assist its consideration of the proposed modifications. Modified Evaluation Guidance will be effective on January 1 of the year after the modified Evaluation Guidance is posted. FHFA will post the modified Evaluation Guidance on FHFA's Web site as soon as practicable after modified.

**§ 1282.37 General requirements for credit.**

(a) *General.* FHFA will determine whether an activity included in an Enterprise's Underserved Markets Plan will receive duty to serve credit or extra credit under an underserved market in the Plan. In this determination, FHFA will consider whether the activity facilitates a secondary market for financing mortgages: On manufactured homes for very low-, low-, and moderate-income families; to preserve housing affordable to very low-, low-, and moderate-income families; and on housing for very low-, low-, and moderate-income families in rural areas. If FHFA determines that an activity will receive duty to serve credit or extra credit under an underserved market in the Plan, the activity will receive such credit under the relevant evaluation area for each underserved market it serves.

(b) *No credit under any evaluation area.* Enterprise activities related to the following are not eligible to receive duty to serve credit under any evaluation area under an underserved market, even if the activity otherwise would receive credit under any other section of this subpart, except as provided in this section:

(1) Contributions to the Housing Trust Fund (12 U.S.C. 4568) and the Capital Magnet Fund (12 U.S.C. 4569), and mortgage purchases funded with such grant amounts;

(2) HOEPA mortgages;

(3) Subordinate liens on multifamily properties, except for subordinate liens originated for energy or water efficiency improvements on multifamily rental properties that meet the requirements in § 1282.34(d)(2);

(4) Subordinate liens on single-family properties, except for shared appreciation loans that satisfy all of the requirements in § 1282.34(d)(4) of this part;

(5) Low-Income Housing Tax Credit equity investments in a property, except where the property is located in a rural area;

(6) Permanent construction take-out loans and Additional Activities under the affordable housing preservation market, except as provided in paragraph (c) of this section; and

(7) Any combination of factors in paragraphs (b)(1) through (b)(6) of this section.

(c) *Credit for certain permanent construction take-out loans and Additional Activities under the affordable housing preservation market.* Enterprise activities related to permanent construction take-out loans and Additional Activities under the affordable housing preservation market are eligible for duty to serve credit, provided the following requirements are met, as applicable:

(1) *Permanent construction take-out loans.*—(i) The permanent construction take-out loans preserve existing subsidies on affordable housing with regulatory periods of required affordability that are at least as restrictive as the longest affordability restriction applicable to the subsidy or subsidies being preserved; or

(ii) The permanent construction take-out loans are for housing developed under state or local inclusionary zoning, real estate tax abatement, or loan programs, where the property owner has agreed to restrict a portion of the units for occupancy by very low-, low-, or moderate-income families, and to restrict the rents that can be charged for those units at affordable rents to those populations, or where the property is developed for a shared equity program that meets the requirements under § 1282.34(d)(4), and where

there is a regulatory agreement, recorded use restriction, or deed restriction in place that maintains affordability for the term defined by the state or local program.

(2) *Additional Activities.* Additional Activities that either:

(i) Involve preserving existing subsidy where the term of affordability required for the subsidy is followed, or where there is a deed restriction for affordability for the life of the loan; or

(ii) Involve preserving the affordability of properties in conjunction with state or local inclusionary zoning, real estate tax abatement, or loan programs, where a regulatory agreement, recorded use restriction, or deed restriction maintains affordability of a portion of the property's units for the term defined by the state or local program.

(d) *No credit under loan purchase evaluation area.* The following activities are not eligible to receive duty to serve credit under the loan purchase evaluation area, even if the activity otherwise would receive duty to serve credit under § 1282.38:

(1) Purchases of mortgages to the extent they finance any dwelling units that are secondary residences;

(2) Single-family refinancing mortgages that result from conversion of balloon notes to fully amortizing notes, if the Enterprise already owns or has an interest in the balloon note at the time conversion occurs;

(3) Purchases of mortgages or interests in mortgages that previously received credit under any underserved market within the five years immediately preceding the current performance year;

(4) Purchases of mortgages where the property or any units within the property have not been approved for occupancy;

(5) Any interests in mortgages that FHFA determines will not be treated as interests in mortgages;

(6) Purchases of state and local government housing bonds except as provided in § 1282.39(h); and

(7) Any combination of factors in paragraphs (d)(1) through (d)(6) of this section.

(e) *FHFA review of activities or objectives.* FHFA may determine whether

and how any activity or objective will receive duty to serve credit under an underserved market in a Plan, including treatment of missing data. FHFA will notify each Enterprise in writing of any determination regarding the treatment of any activity or objective. FHFA will make any such determinations available to the public on FHFA's Web site.

(f) *The year in which an activity or objective will receive credit.* An activity or objective that FHFA determines will receive duty to serve credit under an underserved market in a Plan will receive such credit in the year in which the activity or objective is completed. FHFA may determine that credit is appropriate for an activity or objective in which an Enterprise engages, but does not complete, in a particular year, except that activities or objectives under the loan purchase evaluation area will receive credit in the year in which the Enterprise purchased the mortgage.

(g) *Credit under one evaluation area.* An activity or objective will receive duty to serve credit under only one evaluation area in a particular underserved market.

(h) *Credit under multiple underserved markets.* An activity or objective, including financing of dwelling units by an Enterprise's mortgage purchase, will receive duty to serve credit under each underserved market for which the activity or objective qualifies in that year.

#### § 1282.38 General requirements for loan purchases.

(a) *General.* This section applies to Enterprise mortgage purchases that may receive duty to serve credit under the loan purchase evaluation area for a particular underserved market in a Plan. Only dwelling units securing a mortgage purchased by the Enterprise in that year and not specifically excluded under § 1282.37(b) and (d) may receive credit.

(b) *Counting dwelling units.* Performance under the loan purchase evaluation area will be measured by counting dwelling units affordable to very low-, low-, and moderate-income families.

(c) *Credit for owner-occupied units.*—(1) Mortgage purchases financing owner-occupied single-family properties will

be evaluated based on the income of the mortgagor(s) and the area median income at the time the mortgage was originated. To determine whether mortgages may receive duty to serve credit under a particular family income level, *i.e.*, very low-, low-, or moderate-income, the income of the mortgagor(s) is compared to the median income for the area at the time the mortgage was originated, using the appropriate percentage factor provided under § 1282.17.

(2) Mortgage purchases financing owner-occupied single-family properties for which the income of the mortgagor(s) is not available will not receive duty to serve credit under the loan purchase evaluation area.

(d) *Credit for rental units.*—(1) *Use of rent.* For Enterprise mortgage purchases financing single-family rental units and multifamily rental units, affordability is determined based on rent and whether the rent is affordable to the income groups targeted by the duty to serve. A rent is affordable if the rent does not exceed the maximum levels as provided in § 1282.19.

(2) *Affordability of rents based on housing program requirements.* Where a multifamily property is subject to an affordability restriction under a housing program that establishes the maximum permitted income level for a tenant or a prospective tenant or the maximum permitted rent, the affordability of units in the property may be determined based on the maximum permitted income level or maximum permitted rent established under such housing program for those units. If using income, the maximum income level must be no greater than the maximum income level for each income group targeted by the duty to serve, adjusted for family or unit size as provided in § 1282.17 or § 1282.18, as appropriate. If using rent, the maximum rent level must be no greater than the maximum rent level for each income group targeted by the duty to serve, adjusted for unit size as provided in § 1282.19.

(3) *Unoccupied units.* Anticipated rent for unoccupied units may be the market rent for similar units in the neighborhood as determined by the lender or appraiser for underwriting purposes. A

unit in a multifamily property that is unoccupied because it is being used as a model unit or rental office may receive duty to serve credit only if the Enterprise determines that the number of such units is reasonable and minimal considering the size of the multifamily property.

(4) *Timeliness of information.* In evaluating affordability for single-family rental properties, an Enterprise must use tenant income and area median income available at the time the mortgage was originated. For multifamily rental properties, the Enterprise must use tenant income and area median income available at the time the mortgage was acquired.

(e) *Missing data or information for rental units.*—(1) When calculating unit affordability, rental units for which bedroom data are missing will be considered efficiencies.

(2) When an Enterprise lacks sufficient information to determine whether a rental unit in a single-family or multifamily property securing a mortgage purchased by the Enterprise receives duty to serve credit under the loan purchase evaluation area because rental data are not available, the Enterprise's performance with respect to such unit may be evaluated using estimated affordability information, except that an Enterprise may not estimate affordability of rental units for purposes of receiving extra credit for residential economic diversity activities. The estimated affordability information is calculated by multiplying the number of rental units with missing affordability information in properties securing the mortgages purchased by the Enterprise in each census tract by the percentage of all moderate-income rental dwelling units in the respective tracts, as determined by FHFA.

(f) *Affordability of manufactured housing communities.* For an Enterprise purchase of a blanket loan on a manufactured housing community, unless otherwise determined by FHFA, the affordability of the homes in the community shall be determined using one of the methodologies in paragraphs (f)(1) or (f)(2) of this section, as applicable, except that for purposes of determining extra credit for residential economic

12 CFR Ch. XII (1–1–21 Edition)

diversity activities or objectives, the methodology in paragraph (f)(2) of this section may not be used.

(1) *Methodology for government-, nonprofit- or resident-owned manufactured housing communities.* For a manufactured housing community owned by a government unit or instrumentality, a nonprofit organization, or the residents, if laws or regulations governing the affordability of the community, or the community's or ownership entity's founding, chartering, governing, or financing documents, require that a certain number or percentage of the community's homes be affordable consistent with paragraph (d)(1) of this section, then any homes subject to such affordability restriction are treated as affordable.

(2) *Census tract methodology for any type of manufactured housing community.* For any type of manufactured housing community, except for purposes of determining extra credit for residential economic diversity activities or objectives, the affordability of the homes in the community is determined as follows:

(i) If the median income of the census tract in which the manufactured housing community is located is less than or equal to the area median income, then all homes in the community are treated as affordable;

(ii) If the median income of the census tract in which the manufactured housing community is located exceeds the area median income, then the number of homes that are treated as affordable is determined by dividing the area median income by the median income of the census tract in which the community is located and multiplying the resulting ratio by the total number of homes in the community.

(g) *Application of median income.*—(1) To determine an area's median income under §§ 1282.17 through 1282.19 and the definitions in § 1282.1, the area is:

(i) The metropolitan area, if the property which is the subject of the mortgage is in a metropolitan area; and

(ii) In all other areas, the county in which the property is located, except that where the State non-metropolitan median income is higher than the

county's median income, the area is the State non-metropolitan area.

(2) When an Enterprise cannot precisely determine whether a mortgage is on dwelling unit(s) located in one area, the Enterprise must determine the median income for the split area in the manner prescribed by the Federal Financial Institutions Examination Council for reporting under the Home Mortgage Disclosure Act (12 U.S.C. 2801 *et seq.*), if the Enterprise can determine that the mortgage is on dwelling unit(s) located in:

(i) A census tract; or

(ii) A census place code.

(h) *Newly available data.* When an Enterprise uses data to determine whether a dwelling unit may receive duty to serve credit under the loan purchase evaluation area and new data is released after the start of a calendar quarter, the Enterprise need not use the new data until the start of the following quarter.

§ 1282.39 Special requirements for loan purchases.

(a) *General.* Subject to FHFA's determination of whether an activity or objective will receive duty to serve credit under a particular underserved market, the activities or objectives identified in this section will be treated as mortgage purchases as described and receive credit under the loan purchase evaluation area. An activity or objective that is covered by more than one paragraph below must satisfy the requirements of each such paragraph.

(b) *Credit enhancements.*—(1) Dwelling units financed under a credit enhancement entered into by an Enterprise will be treated as mortgage purchases only when:

(i) The Enterprise provides a specific contractual obligation to ensure timely payment of amounts due under a mortgage or mortgages financed by the issuance of housing bonds (such bonds may be issued by any entity, including a State or local housing finance agency); and

(ii) The Enterprise assumes a credit risk in the transaction substantially equivalent to the risk that would have been assumed by the Enterprise if it had securitized the mortgages financed by such bonds.

(2) When an Enterprise provides a specific contractual obligation to ensure timely payment of amounts due under any mortgage originally insured by a public purpose mortgage insurance entity or fund, the Enterprise may, on a case-by-case basis, seek approval from the Director for such transactions to receive credit under the loan purchase evaluation area for a particular underserved market.

(c) *Risk-sharing.* Mortgages purchased under risk-sharing arrangements between an Enterprise and any federal agency under which the Enterprise is responsible for a substantial amount of the risk will be treated as mortgage purchases.

(d) *Participations.* Participations purchased by an Enterprise will be treated as mortgage purchases only when the Enterprise's participation in the mortgage is 50 percent or more.

(e) *Cooperative housing and condominiums.*—(1) The purchase of a mortgage on a cooperative housing unit (“a share loan”) or a mortgage on a condominium unit will be treated as a mortgage purchase. Such a purchase will receive duty to serve credit in the same manner as a mortgage purchase of single-family owner-occupied units, *i.e.*, affordability is based on the income of the mortgagor(s).

(2) The purchase of a blanket mortgage on a cooperative building or a mortgage on a condominium project will be treated as a mortgage purchase. The purchase of a blanket mortgage on a cooperative building will receive duty to serve credit in the same manner as a mortgage purchase of a multifamily rental property, except that affordability must be determined based solely on the comparable market rents used in underwriting the blanket loan. If the underwriting rents are not available, the loan will not be treated as a mortgage purchase. The purchase of a mortgage on a condominium project will receive duty to serve credit in the same manner as a mortgage purchase of a multifamily rental property.

(3) Where an Enterprise purchases both a blanket mortgage on a cooperative building and share loans for units in the same building, both the mortgage on the cooperative building and the share loans will be treated as mort-

gage purchases. Where an Enterprise purchases both a mortgage on a condominium project and mortgages on individual dwelling units in the same project, both the mortgage on the condominium project and the mortgages on individual dwelling units will be treated as mortgage purchases.

(f) *Seasoned mortgages.* An Enterprise's purchase of a seasoned mortgage will be treated as a mortgage purchase.

(g) *Purchase of refinancing mortgages.* The purchase of a refinancing mortgage by an Enterprise will be treated as a mortgage purchase only if the refinancing is an arms-length transaction that is borrower-driven.

(h) *Mortgage revenue bonds.* The purchase or guarantee by an Enterprise of a mortgage revenue bond issued by a state or local housing finance agency will be treated as a purchase of the underlying mortgages only to the extent the Enterprise has sufficient information to determine whether the underlying mortgages or mortgage-backed securities serve the income groups targeted by the duty to serve.

(i) *Seller dissolution option.*—(1) Mortgages acquired through transactions involving seller dissolution options will be treated as mortgage purchases only when:

(i) The terms of the transaction provide for a lockout period that prohibits the exercise of the dissolution option for at least one year from the date on which the transaction was entered into by the Enterprise and the seller of the mortgages; and

(ii) The transaction is not dissolved during the one-year minimum lockout period.

(2) FHFA may grant an exception to the one-year minimum lockout period described in paragraphs (i)(1)(i) and (i)(1)(ii) of this section, in response to a written request from an Enterprise, if FHFA determines that the transaction furthers the purposes of the Enterprise's Charter Act and the Safety and Soundness Act.

(3) For purposes of paragraph (i) of this section, “seller dissolution option” means an option for a seller of mortgages to the Enterprises to dissolve or otherwise cancel a mortgage purchase agreement or loan sale.

## § 1282.40

### § 1282.40 Failure to comply.

If the Director determines that an Enterprise has not complied with, or there is a substantial probability that an Enterprise will not comply with, the duty to serve a particular underserved market in a given year and the Director determines that such compliance is or was feasible, the Director will follow the procedures in 12 U.S.C. 4566(b).

### § 1282.41 Housing plans.

(a) *General.* If the Director determines that an Enterprise did not comply with, or there is a substantial probability that an Enterprise will not comply with, the duty to serve a particular underserved market in a given year, the Director may require the Enterprise to submit a housing plan for approval by the Director.

(b) *Nature of housing plan.* If the Director requires a housing plan, the housing plan must:

- (1) Be feasible;
- (2) Be sufficiently specific to enable the Director to monitor compliance periodically;
- (3) Describe the specific actions that the Enterprise will take:
  - (i) To comply with the duty to serve a particular underserved market for the next calendar year; or
  - (ii) To make such improvements and changes in its operations as are reasonable in the remainder of the year, if the Director determines that there is a substantial probability that the Enterprise will fail to comply with the duty to serve a particular underserved market in such year; and
- (4) Address any additional matters relevant to the housing plan as required, in writing, by the Director.

(c) *Deadline for submission.* The Enterprise must submit the housing plan to the Director within 45 days after issuance of a notice requiring the Enterprise to submit a housing plan. The Director may extend the deadline for submission of a housing plan, in writing and for a time certain, to the extent the Director determines an extension is necessary.

(d) *Review of housing plans.* The Director will review and approve or disapprove housing plans in accordance with 12 U.S.C. 4566(c)(4) and (c)(5).

## 12 CFR Ch. XII (1–1–21 Edition)

(e) *Resubmission.* If the Director disapproves an initial housing plan submitted by an Enterprise, the Enterprise must submit an amended housing plan acceptable to the Director not later than 15 days after the Director's disapproval of the initial housing plan. The Director may extend the deadline if the Director determines that an extension is in the public interest. If the amended housing plan is not acceptable to the Director, the Director may afford the Enterprise 15 days to submit a new housing plan.

### Subpart D—Reporting Requirements

#### § 1282.61 General.

This subpart establishes data submission and reporting requirements to carry out the requirements of the Enterprises' Charter Acts and the Safety and Soundness Act.

#### § 1282.62 Mortgage reports.

(a) *Loan-level data elements.* To implement the data collection and submission requirements for mortgage data, and to assist the Director in monitoring the Enterprises' housing goal activities, each Enterprise shall collect and compile computerized loan-level data on each mortgage purchased in accordance with 12 U.S.C. 1456(e) and 1723a(m). The Director may, from time to time, issue a list entitled "Required Loan-level Data Elements" specifying the loan-level data elements to be collected and maintained by the Enterprises and provided to the Director. The Director may revise the list by written notice to the Enterprises.

(b) *Quarterly Mortgage Reports.* Each Enterprise shall submit to the Director a quarterly Mortgage Report. The fourth quarter Mortgage Report shall serve as the Annual Mortgage Report and shall be designated as such. Each Mortgage Report shall include:

(1) Aggregations of the loan-level mortgage data compiled by the Enterprise under paragraph (a) of this section for year-to-date mortgage purchases, in the format specified in writing by the Director;

(2) Year-to-date dollar volume, number of units, and number of mortgages

on owner-occupied and rental properties purchased by the Enterprise that do, and do not, qualify under each housing goal as set forth in this part; and

(3) Year-to-date computerized loan-level data consisting of the data elements required under paragraph (a) of this section.

(c) *Timing of Reports.* The Enterprises shall submit the Mortgage Report for each of the first 3 quarters of each year within 60 days of the end of the quarter. Each Enterprise shall submit its Annual Mortgage Report within 75 days after the end of the calendar year.

(d) *Revisions to Reports.* At any time before submission of its Annual Mortgage Report, an Enterprise may revise any of its quarterly reports for that year.

(e) *Format.* The Enterprises shall submit to the Director computerized loan-level data with the Mortgage Report, in the format specified in writing by the Director.

#### § 1282.63 Annual Housing Activities Report.

To comply with the requirements in sections 309(n) of the Fannie Mae Charter Act and 307(f) of the Freddie Mac Act and assist the Director in preparing the Director's Annual Report to Congress, each Enterprise shall submit to the Director an AHAR including the information listed in those sections of the Charter Acts. Each Enterprise shall submit such report within 75 days after the end of each calendar year, to the Director, the Committee on Financial Services of the House of Representatives, and the Committee on Banking, Housing, and Urban Affairs of the Senate. Each Enterprise shall make its AHAR available to the public online and at its principal and regional offices. Before making any such report available to the public, the Enterprise may exclude from the report any information that the Director has deemed proprietary.

#### § 1282.64 Periodic reports.

Each Enterprise shall provide to the Director such reports, information and data as the Director may request from time to time.

#### § 1282.65 Enterprise data integrity.

(a) *Certification.* (1) The senior officer of each Enterprise who is responsible for submitting the fourth quarter Annual Mortgage Report and the AHAR under sections 309(m) and (n) of the Fannie Mae Charter Act or sections 307(e) and (f) of the Freddie Mac Act, as applicable, or for submitting any other report(s), data or information for which certification is requested in writing by the Director, shall certify such report(s), data or information.

(2) The certification shall state as follows: "To the best of my knowledge and belief, the information provided herein is true, correct and complete."

(b) *Adjustment to correct errors, omissions or discrepancies in AHAR data.* FHFA shall determine the official housing goal performance figure for each Enterprise under the housing goals on an annual basis. FHFA may resolve any error, omission or discrepancy by adjusting the Enterprise's official housing goal performance figure. If the Director determines that the year-end data reported by an Enterprise for a year preceding the latest year for which data on housing goals performance was reported to FHFA contained a material error, omission or discrepancy, the Director may increase the corresponding housing goal for the current year by the number of mortgages (or dwelling units) that the Director determines were overstated in the prior year's goal performance.

#### § 1282.66 Enterprise reports on duty to serve.

(a) *First and third quarter reports.* Each Enterprise must submit to FHFA a first and third quarter report on its activities and objectives under each underserved market in its Underserved Markets Plan for the loan purchase evaluation area. The report must include detailed year-to-date information on the Enterprise's progress towards meeting the activities and objectives in its Plan. The Enterprise must submit the first and third quarter reports to FHFA within 60 days of the end of the respective quarter.

(b) *Second quarter report.* Each Enterprise must submit to FHFA a second quarter report on all of the activities and objectives under each underserved

market in its Underserved Markets Plan. The report must include detailed year-to-date information on the Enterprise's progress towards meeting the activities and objectives under each underserved market in its Plan, and contain narrative and summary statistical information for the Plan objectives, supported by appropriate transaction level detail. The Enterprise must submit the second quarter report to FHFA within 60 days of the end of the second quarter.

(c) *Annual report.* To comply with the requirements in sections 309(n) of the Fannie Mae Charter Act and 307(f) of the Freddie Mac Act and for purposes of FHFA's Annual Housing Report to Congress, each Enterprise must submit to FHFA an annual report on all of the activities and objectives under each underserved market in its Underserved Markets Plan no later than 75 days after the end of each calendar year. For each underserved market, the Enterprise's annual report must include, at a minimum: A description of the Enterprise's market opportunities for loan purchases during the evaluation year to the extent data is available; the volume of qualifying loans purchased by the Enterprise during the evaluation year; a comparison of the Enterprise's loan purchases with its loan purchases in prior years; a comparison of market opportunities with the size of the relevant markets in the past, to the extent data is available; and narrative and summary statistical information for the Plan objectives, supported by appropriate transaction level data.

(d) *Public disclosure of information from reports.* FHFA will make public certain information from the first, second, and third quarter reports at a reasonable time after the end of the calendar year for which they apply, with any confidential and proprietary information and data omitted. FHFA will make public certain information from the annual reports at a reasonable time after receiving them from the Enterprises, with any confidential and proprietary information and data omitted. In the third year of the Underserved Markets Plans, FHFA will make public certain narrative information from the year's second quarter report, excluding data under the loan purchase evalua-

tion area and any confidential and proprietary information and data, at a reasonable time after receiving it within the calendar year.
