

(b) *Procedures.* The format, content and reporting and filing dates of the reports required under paragraph (a) of this section shall be determined jointly by the federal banking agencies. The requirements to be prescribed by the federal banking agencies may include changes to existing forms (such as revisions to the Country Exposure Report, Form FFIEC No. 009) or such other requirements as the federal banking agencies deem appropriate. The federal banking agencies also may determine to exempt from the requirements of paragraph (a) of this section banking institutions that, in the federal banking agencies' judgment, have *de minimis* holdings of international assets.

(c) *Reservation of Authority.* Nothing contained in this subpart shall preclude the FDIC from requiring from a banking institution such additional or more frequent information on the institution's holdings of international assets as the agency may consider necessary.

AUTHORITY: 12 U.S.C. 3207, 12 U.S.C. 1823(k).

SOURCE: 80 FR 79252, Dec. 21, 2015, unless otherwise noted.

§ 348.1 Purpose and scope.

(a) *Authority.* This part is issued under the provisions of the Depository Institution Management Interlocks Act (Interlocks Act) (12 U.S.C. 3201 *et seq.*), as amended.

(b) *Purpose.* The purpose of the Interlocks Act and this part is to foster competition by generally prohibiting a management official from serving two nonaffiliated depository organizations in situations where the management interlock likely would have an anti-competitive effect.

(c) *Scope.* This part applies to management officials of FDIC-supervised institutions and their affiliates.

§ 348.2 Other definitions and rules of construction.

For purposes of this part, the following definitions apply:

(a) *Affiliate.* (1) The term affiliate has the meaning given in section 202 of the Interlocks Act (12 U.S.C. 3201). For purposes of section 202, shares held by an individual include shares held by members of his or her immediate family. “Immediate family” means spouse, mother, father, child, grandchild, sister, brother or any of their spouses, whether or not any of their shares are held in trust.

(2) For purposes of section 202(3)(B) of the Interlocks Act (12 U.S.C. 3201(3)(B)), an affiliate relationship involving an FDIC-supervised institution based on common ownership does not exist if the FDIC determines, after giving the affected persons the opportunity to respond, that the asserted affiliation was established in order to avoid the prohibitions of the Interlocks Act and does not represent a true commonality of interest between the depository organizations. In making this determination, the FDIC considers, among other things, whether a person, including members of his or her immediate family whose shares are necessary to constitute the group, owns a nominal percentage of the shares of one of the organizations and the percentage is substantially disproportionate to that person's ownership of shares in the other organization.

(b) *Area median income* means:

(1) The median family income for the metropolitan statistical area (MSA), if a depository organization is located in an MSA; or

(2) The statewide nonmetropolitan median family income, if a depository organization is located outside an MSA.

(c) *Community* means a city, town, or village, and contiguous or adjacent cities, towns, or villages.

(d) *Contiguous or adjacent cities, towns, or villages* means cities, towns, or villages whose borders touch each other or whose borders are within 10 road miles of each other at their closest

§ 348.2

points. The property line of an office located in an unincorporated city, town, or village is the boundary line of that city, town, or village for the purpose of this definition.

(e) *Depository holding company* means a bank holding company or a savings and loan holding company (as more fully defined in section 202 of the Interlocks Act (12 U.S.C. 3201)) having its principal office located in the United States.

(f) *Depository institution* means a commercial bank (including a private bank), a savings bank, a trust company, a savings and loan association, a building and loan association, a homestead association, a cooperative bank, an industrial bank, or a credit union, chartered under the laws of the United States and having a principal office located in the United States. Additionally, a United States office, including a branch or agency, of a foreign commercial bank is a depository institution.

(g) *Depository institution affiliate* means a depository institution that is an affiliate of a depository organization.

(h) *Depository organization* means a depository institution or a depository holding company.

(i) *FDIC-supervised institution* means either an insured state nonmember bank or a State savings association.

(j) *Low- and moderate-income areas* means census tracts (or, if an area is not in a census tract, block numbering areas delineated by the United States Bureau of the Census) where the median family income is less than 100 percent of the area median income.

(k) *Management official*. (1) The term *management official* means:

- (i) A director;
- (ii) An advisory or honorary director of a depository institution with total assets of \$100 million or more;
- (iii) A senior executive officer as that term is defined in 12 CFR 303.101(b).
- (iv) A branch manager;
- (v) A trustee of a depository organization under the control of trustees; and
- (vi) Any person who has a representative or nominee serving in any of the capacities in this paragraph (j)(1).

(2) The term *management official* does not include:

(i) A person whose management functions relate exclusively to the business of retail merchandising or manufacturing;

(ii) A person whose management functions relate principally to the business outside the United States of a foreign commercial bank; or

(iii) A person described in the provisos of section 202(4) of the Interlocks Act (12 U.S.C. 3201(4)) (referring to an officer of a State-chartered savings bank, cooperative bank, or trust company that neither makes real estate mortgage loans nor accepts savings).

(l) *Office* means a principal or branch office of a depository institution located in the United States. Office does not include a representative office of a foreign commercial bank, an electronic terminal, or a loan production office.

(m) *Person* means a natural person, corporation, or other business entity.

(n) *Relevant metropolitan statistical area (RMSA)* means an MSA, a primary MSA, or a consolidated MSA that is not comprised of designated Primary MSAs to the extent that these terms are defined and applied by the Office of Management and Budget.

(o) *Representative or nominee* means a natural person who serves as a management official and has an obligation to act on behalf of another person with respect to management responsibilities. The FDIC will find that a person has an obligation to act on behalf of another person only if the first person has an agreement, express or implied, to act on behalf of the second person with respect to management responsibilities. The FDIC will determine, after giving the affected persons an opportunity to respond, whether a person is a *representative or nominee*.

(p) *State savings association* has the same meaning as in section (3)(b)(3) of the Federal Deposit Insurance Act, 12 U.S.C. 1813(b)(3).

(q) *Total assets*. (1) The term *total assets* includes assets measured on a consolidated basis and reported in the most recent fiscal year-end Consolidated Report of Condition and Income.

(2) The term *total assets* does not include:

(i) Assets of a diversified savings and loan holding company as defined by section 10(a)(1)(F) of the Home Owners'

§ 348.3

Loan Act (12 U.S.C. 1467a(a)(1)(F)) other than the assets of its depository institution affiliate;

(ii) Assets of a bank holding company that are exempt from the prohibitions of section 4 of the Bank Holding Company Act of 1956 pursuant to an order issued under section 4(d) of that Act (12 U.S.C. 1843(d)) other than the assets of its depository institution affiliate; or

(iii) Assets of offices of a foreign commercial bank other than the assets of its United States branch or agency.

(3)(i) *Temporary relief for 2020 and 2021.* Notwithstanding paragraph (q)(1) of this section, from December 2, 2020, through December 31, 2021, except as provided in paragraph (q)(3)(ii) of this section, the term *total assets*, with respect to a depository organization, means the lesser of assets of the depository organization reported on a consolidated basis as of December 31, 2019, and assets reported on a consolidated basis as of December 31, 2020.

(ii) *Reservation of authority.* The temporary relief provided under this paragraph (q)(3)(i) of this section does not apply to an FDIC-supervised institution if the FDIC determines that permitting the FDIC-supervised institution to determine its assets in accordance with that paragraph would not be commensurate with the risk posed by the institution. When making this determination, the FDIC will consider all relevant factors, including the extent of asset growth of the FDIC-supervised institution since December 31, 2019; the causes of such growth, including whether growth occurred as a result of mergers or acquisitions; whether such growth is likely to be temporary or permanent; whether the FDIC-supervised institution has become involved in any additional activities since December 31, 2019; and the type of assets held by the FDIC-supervised institution.

(r) *United States* means the United States of America, any State or territory of the United States of America, the District of Columbia, Puerto Rico, Guam, American Samoa, and the Virgin Islands.

§ 348.3 Prohibitions.

(a) *Community.* A management official of a depository organization may not serve at the same time as a management official of an unaffiliated depository organization if the depository organizations in question (or a depository institution affiliate thereof) have offices in the same community.

(b) *RMSA.* A management official of a depository organization may not serve at the same time as a management official of an unaffiliated depository organization if the depository organizations in question (or a depository institution affiliate thereof) have offices in the same RMSA and each depository organization has total assets of \$50 million or more.

(c) *Major assets.* A management official of a depository organization with total assets exceeding \$10 billion (or any affiliate of such an organization) may not serve at the same time as a management official of an unaffiliated depository organization with total assets exceeding \$10 billion (or any affiliate of such an organization), regardless of the location of the two depository organizations. The FDIC will adjust these thresholds, as necessary, based on the year-to-year change in the average of the Consumer Price Index for the Urban Wage Earners and Clerical Workers, not seasonally adjusted, with rounding to the nearest \$100 million. The FDIC will announce the revised thresholds by publishing a final rule without notice and comment in the FEDERAL REGISTER.

§ 348.4 Interlocking relationships permitted by statute.

The prohibitions of § 348.3 do not apply in the case of any one or more of the following organizations or to a subsidiary thereof:

(a) A depository organization that has been placed formally in liquidation, or which is in the hands of a receiver, conservator, or other official exercising a similar function;

(b) A corporation operating under section 25 or section 25A of the Federal Reserve Act (12 U.S.C. 601 *et seq.* and 12 U.S.C. 611 *et seq.*, respectively) (Edge

§ 348.5

Corporations and Agreement Corporations);

(c) A credit union being served by a management official of another credit union;

(d) A depository organization that does not do business within the United States except as an incident to its activities outside the United States;

(e) A State-chartered savings and loan guaranty corporation;

(f) A Federal Home Loan bank or any other bank organized solely to serve depository institutions (a bankers' bank) or solely for the purpose of providing securities clearing services and services related thereto for depository institutions and securities companies;

(g) A depository organization that is closed or is in danger of closing as determined by the appropriate Federal depository institutions regulatory agency and is acquired by another depository organization. This exemption lasts for five years, beginning on the date the depository organization is acquired;

(h) A savings association whose acquisition has been authorized on an emergency basis in accordance with section 13(k) of the Federal Deposit Insurance Act (12 U.S.C. 1823(k)) with resulting dual service by a management official that would otherwise be prohibited under the Interlocks Act which may continue for up to 10 years from the date of the acquisition provided that the FDIC has given its approval for the continuation of such service;

(i)(1) A diversified savings and loan holding company (as defined in section 10(a)(1)(F) of the Home Owners' Loan Act (12 U.S.C. 1467a(a)(1)(F))) with respect to the service of a director of such company who is also a director of an unaffiliated depository organization if:

(i) Both the diversified savings and loan holding company and the unaffiliated depository organization notify their appropriate Federal depository institutions regulatory agency at least 60 days before the dual service is proposed to begin; and

(ii) The appropriate regulatory agency does not disapprove the dual service before the end of the 60-day period.

(2) The FDIC may disapprove a notice of proposed service if it finds that:

(i) The service cannot be structured or limited so as to preclude an anti-competitive effect in financial services in any part of the United States;

(ii) The service would lead to substantial conflicts of interest or unsafe or unsound practices; or

(iii) The notificant failed to furnish all the information required by the FDIC.

(3) The FDIC may require that any interlock permitted under this paragraph (i) be terminated if a change in circumstances occurs with respect to one of the interlocked depository organizations that would have provided a basis for disapproval of the interlock during the notice period.

(j) Any FDIC-supervised institution which is a State savings association that has issued stock in connection with a qualified stock issuance pursuant to section 10(q) of the Home Owners' Loan Act, except that this paragraph (j) shall apply only with regard to service as a single management official of such State savings association or any subsidiary of such State savings association by a single management official of a savings and loan holding company which purchased the stock issued in connection with such qualified stock issuance, and shall apply only when the FDIC has determined that such service is consistent with the purposes of the Interlocks Act and the Home Owners' Loan Act.

[80 FR 79252, Dec. 21, 2015, as amended at 84 FR 2706, Feb. 8, 2019]

§ 348.5 Small market share exemption.

(a) *Exemption.* A management interlock that is prohibited by § 348.3 is permissible, if:

(1) The interlock is not prohibited by § 348.3(c); and

(2) The depository organizations (and their depository institution affiliates) hold, in the aggregate, no more than 20 percent of the deposits in each RMSA or community in which both depository organizations (or their depository institution affiliates) have offices. The amount of deposits shall be determined by reference to the most recent annual Summary of Deposits published by the FDIC for the RMSA or community.

(b) Confirmation and records. Each depository organization must maintain

§ 348.6

records sufficient to support its determination of eligibility for the exemption under paragraph (a) of this section, and must reconfirm that determination on an annual basis.

§ 348.6 General exemption.

(a) *Exemption.* The FDIC may by agency order exempt an interlock from the prohibitions in § 348.3 if the FDIC finds that the interlock would not result in a monopoly or substantial lessening of competition and would not present safety and soundness concerns.

(b) *Presumptions.* In reviewing an application for an exemption under this section, the FDIC will apply a rebuttable presumption that an interlock will not result in a monopoly or substantial lessening of competition if the depository organization seeking to add a management official:

- (1) Primarily serves low- and moderate-income areas;
- (2) Is controlled or managed by persons who are members of a minority group, or women;
- (3) Is a depository institution that has been chartered for less than two years; or
- (4) Is deemed to be in “troubled condition” as defined in § 303.101(c).

(c) *Duration.* Unless a shorter expiration period is provided in the FDIC approval, an exemption permitted by paragraph (a) of this section may continue so long as it does not result in a monopoly or substantial lessening of competition, or is unsafe or unsound. If the FDIC grants an interlock exemption in reliance upon a presumption under paragraph (b) of this section, the interlock may continue for three years, unless otherwise provided by the FDIC in writing.

(d) *Procedures.* Procedures for applying for an exemption under this section are set forth in 12 CFR 303.249.

§ 348.7 Change in circumstances.

(a) *Termination.* A management official shall terminate his or her service or apply for an exemption if a change in circumstances causes the service to become prohibited. A change in circumstances may include an increase in asset size of an organization, a change in the delineation of the RMSA or community, the establishment of an office,

12 CFR Ch. III (1–1–21 Edition)

an increase in the aggregate deposits of the depository organization, or an acquisition, merger, consolidation, or reorganization of the ownership structure of a depository organization that causes a previously permissible interlock to become prohibited.

(b) *Transition period.* A management official described in paragraph (a) of this section may continue to serve the FDIC-supervised institution involved in the interlock for 15 months following the date of the change in circumstances. The FDIC may shorten this period under appropriate circumstances.

§ 348.8 Enforcement.

Except as provided in this section, the FDIC administers and enforces the Interlocks Act with respect to FDIC-supervised institutions and their affiliates and may refer any case of a prohibited interlocking relationship involving these entities to the Attorney General of the United States to enforce compliance with the Interlocks Act and this part. If an affiliate of an FDIC-supervised institution is subject to the primary regulation of another federal depository organization supervisory agency, then the FDIC does not administer and enforce the Interlocks Act with respect to that affiliate.
