make this payment on behalf of HUD. Funds will be paid to the Borrower in trust solely for the purpose of making the additional payment. The Borrower may pay the utility reimbursement jointly to the family and the utility company, or, if the family and utility company consent, directly to the utility company.

**§ 891.565 Term of HAP contract.**

The term of the HAP contract for assisted units shall be 20 years. If the project is completed in stages, the term of the HAP contract for assisted units in each stage shall be 20 years. The term of the HAP contract for all assisted units in all stages of a project shall not exceed 22 years.

**§ 891.570 Maximum annual commitment and project account.**

(a) *Maximum annual commitment.* The maximum annual amount that may be committed under the HAP contract is the total of the contract rents and utility allowances for all assisted units in the project.

(b) *Project account.* (1) HUD will establish and maintain a specifically identified and segregated project account for each project. The project account will be established out of the amounts by which the maximum annual commitment exceeds the amount actually paid out under the HAP contract each year. HUD will make payments from this account for housing assistance payments as needed to cover increases in contract rents or decreases in tenant income and other payments for costs specifically approved by the Secretary.

(2) If the HUD-approved estimate of required annual payments under the HAP contract for a fiscal year exceeds the maximum annual commitment for that fiscal year plus the current balance in the project account, HUD will, within a reasonable time, take such steps authorized by section 8(c)(6) of the United States Housing Act of 1937 (42 U.S.C. 1437f note), as may be necessary, to assure that payments under the HAP contract will be adequate to cover increases in contract rents and decreases in tenant income.

**§ 891.575 Leasing to eligible families.**

(a) *Availability of assisted units for occupancy by eligible families.* (1) During the term of the HAP contract, a Borrower shall make available for occupancy by eligible families the total number of units for which assistance is committed under the HAP contract. For purposes of this section, making units available for occupancy by eligible families means that the Borrower:

(i) Is conducting marketing in accordance with § 891.600(a);

(ii) Has leased or is making good faith efforts to lease the units to eligible and otherwise acceptable families, including taking all feasible actions to fill vacancies by renting to such families;

(iii) Has not rejected any such applicant family except for reasons acceptable to HUD.

(2) If the Borrower is temporarily unable to lease all units for which assistance is committed under the HAP contract to eligible families, one or more units may, with the prior approval of HUD, be leased to otherwise eligible families that do not meet the income eligibility requirements of part 813 of this chapter. Failure on the part of the Borrower to comply with these requirements is a violation of the HAP contract and grounds for all available legal remedies, including an action for specific performance of the HAP contract, suspension or debarment from HUD programs, and reduction of the number of units under the HAP contract as set forth in paragraph (b) of this section.

(b) *Reduction of number of units covered by the HAP contract.* HUD may reduce the number of units covered by the HAP contract to the number of units available for occupancy by eligible families if:

(1) The Borrower fails to comply with the requirements of paragraph (a) of this section; or

(2) Notwithstanding any prior approval by HUD, HUD determines that the inability to lease units to eligible families is not a temporary problem.

(c) *Restoration.* HUD will agree to an amendment of the HAP contract to provide for subsequent restoration of any reduction made under paragraph (b) of this section if:
