Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

Title 1 through Title 16.....	as of January 1
Title 17 through Title 27.....	as of April 1
Title 28 through Title 41.....	as of July 1
Title 42 through Title 50.....	as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, July 1, 2021), consult the "List of CFR Sections Affected (LSA)," which is issued monthly, and the "Cumulative List of Parts Affected," which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cut-off date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.

Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

PAST PROVISIONS OF THE CODE

Provisions of the Code that are no longer in force and effect as of the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on any given date in the past by using the appropriate List of CFR Sections Affected (LSA). For the convenience of the reader, a “List of CFR Sections Affected” is published at the end of each CFR volume. For changes to the Code prior to the LSA listings at the end of the volume, consult previous annual editions of the LSA. For changes to the Code prior to 2001, consult the List of CFR Sections Affected compilations, published for 1949-1963, 1964-1972, 1973-1985, and 1986-2000.

“[RESERVED]” TERMINOLOGY

The term “[Reserved]” is used as a place holder within the Code of Federal Regulations. An agency may add regulatory information at a “[Reserved]” location at any time. Occasionally “[Reserved]” is used editorially to indicate that a portion of the CFR was left vacant and not dropped in error.

INCORPORATION BY REFERENCE

What is incorporation by reference? Incorporation by reference was established by statute and allows Federal agencies to meet the requirement to publish regulations in the Federal Register by referring to materials already published elsewhere. For an incorporation to be valid, the Director of the Federal Register must approve it. The legal effect of incorporation by reference is that the material is treated as if it were published in full in the Federal Register (5 U.S.C. 552(a)). This material, like any other properly issued regulation, has the force of law.

What is a proper incorporation by reference? The Director of the Federal Register will approve an incorporation by reference only when the requirements of 1 CFR part 51 are met. Some of the elements on which approval is based are:

- (a) The incorporation will substantially reduce the volume of material published in the Federal Register.
- (b) The matter incorporated is in fact available to the extent necessary to afford fairness and uniformity in the administrative process.
- (c) The incorporating document is drafted and submitted for publication in accordance with 1 CFR part 51.

What if the material incorporated by reference cannot be found? If you have any problem locating or obtaining a copy of material listed as an approved incorporation by reference, please contact the agency that issued the regulation containing that incorporation. If, after contacting the agency, you find the material is not available, please notify the Director of the Federal Register, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001, or call 202-741-6010.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Authorities and Rules. A list of CFR titles, chapters, subchapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

(a) The procedural rules in this part apply under the Davis-Bacon Act (946 Stat. 1494, as amended; 40 U.S.C. 276a-276a-7) and other statutes listed in appendix A to this part which provide for the payment of minimum wages, including fringe benefits, to laborers and mechanics engaged in construction activity under contracts entered into or financed by or with the assistance of agencies of the United States or the District of Columbia, based on determinations by the Secretary of Labor of the wage rates and fringe benefits prevailing for the corresponding classes of laborers and mechanics employed on projects similar to the contract work in the local areas where such work is to be performed. § 1.2 Definitions.¹

(a)(1) The *prevailing wage* shall be the wage paid to the majority (more than 50 percent) of the laborers or mechanics in the classification on similar projects in the area during the period in question. If the same wage is not paid to a majority of those employed in the classification, the *prevailing wage* shall be the average of the wages paid, weighted by the total employed in the classification.

(2) In determining the *prevailing wages* at the time of issuance of a wage determination, the Administrator will be guided by paragraph (a)(1) of this section and will consider the types of information listed in § 1.3 of this part.

§ 1.3 Obtaining and compiling wage rate information.

For the purpose of making wage determinations, the Administrator will conduct a continuing program for the obtaining and compiling of wage rate information.

(a) The Administrator will encourage the voluntary submission of wage rate data by contractors, contractors' associations, labor organizations, public officials and other interested parties, reflecting wage rates paid to laborers and mechanics on various types of construction in the area. The Administrator may also obtain data from agencies on wage rates paid on construction projects under their jurisdiction. The information submitted should reflect not only the wage rates paid a particular classification in an area, but also the type or types of construction on which such rate or rates are paid, and whether or not such rates were paid on Federal or federally assisted projects subject to Davis-Bacon prevailing wage requirements.

(b) The following types of information may be considered in making wage rate determinations:

(1) *Statements showing wage rates paid on projects.* Such statements should include the names and addresses of contractors, including subcontractors, the locations, approximate costs, dates of construction and types of projects, whether or not the projects are Federal or federally assisted projects subject to Davis-Bacon prevailing wage requirements, the number of workers employed in each classification on each project, and the respective wage rates paid such workers.

(2) *Signed collective bargaining agreements.* The Administrator may request the parties to an agreement to submit statements certifying to its scope and application.

(3) Wage rates determined for public construction by State and local officials pursuant to State and local prevailing wage legislation.

(4) In making wage rate determinations pursuant to 23 U.S.C. 113, the highway department of the State in which a project in the Federal-Aid highway system is to be performed shall be consulted. Before making a determination of wage rates for such a project the Administrator shall give due regard to the information thus obtained.

(5) Wage rate data submitted to the Department of Labor by contracting agencies pursuant to 29 CFR 5.5(a)(1)(ii).

(6) Any other information pertinent to the determination of prevailing wage rates.

(c) The Administrator may initially obtain or supplement such information obtained on a voluntary basis by such means, including the holding of hearings, and from any sources determined to be necessary. All information of the types described in § 1.3(b) of this part, pertinent to the determination of the wages prevailing at the time of issuance of the wage determination, will be evaluated in the light of § 1.2(a) of this part.

(d) In compiling wage rate data for building and residential wage determinations, the Administrator will not use data from Federal or federally assisted projects subject to Davis-Bacon prevailing wage requirements unless it is determined that there is insufficient wage data to determine the prevailing wages in the absence of such data. Data from Federal or federally assisted projects will be used in compiling wage rate data for heavy and highway wage determinations.

§ 1.4 Outline of agency construction programs.

To the extent practicable, at the beginning of each fiscal year each agency using wage determinations under any of the various statutes listed in appendix A will furnish the Administrator with a general outline of its proposed construction programs for the coming year indicating the estimated number

of projects for which wage determinations will be required, the anticipated types of construction, and the locations of construction. During the fiscal year, each agency will notify the Administrator of any significant changes in its proposed construction programs, as outlined at the beginning of the fiscal year. This report has been cleared in accordance with FPMP 101-11.11 and assigned interagency report control number 1671-DOL-AN.

§ 1.5 Procedure for requesting wage determinations.

(a) The Department of Labor publishes general wage determinations under the Davis-Bacon Act on the WDOL Internet Web site. If there is a general wage determination applicable to the project, the agency may use it without notifying the Department of Labor, *Provided*, That questions concerning its use shall be referred to the Department of Labor in accordance with § 1.6(b).

(b)(1) If a general wage determination is not available, the Federal agency shall request a wage determination under the Davis-Bacon Act or any of its related prevailing wage statutes by submitting Form SF-308 to the Department of Labor at this address: U.S. Department of Labor, Wage and Hour Division, Branch of Government Construction Contract Wage Determination, Washington, DC 20210. In preparing Form SF-308, the agency shall check only those classifications that will be needed in the performance of the work. Inserting a note such as "entire schedule" or "all applicable classifications" is not sufficient. Additional classifications needed that are not on the form may be typed in the blank spaces or on a separate list and attached to the form.

(2) In completing SF-308, the agency shall furnish:

(i) A sufficiently detailed description of the work to indicate the type of construction involved. Additional description or separate attachment, if necessary for identification of type of project, shall be furnished.

(ii) The county (or other civil subdivision) and State in which the proposed project is located.

§ 1.6

(3) Such request for a wage determination shall be accompanied by any pertinent wage payment information that may be available. When the requesting agency is a State highway department under the Federal-Aid Highway Acts as codified in 23 U.S.C. 113, such agency shall also include its recommendations as to the wages which are prevailing for each classification of laborers and mechanics on similar construction in the area.

(c) The time required for processing requests for wage determinations varies according to the facts and circumstances in each case. An agency should anticipate that such processing in the Department of Labor will take at least 30 days.

[48 FR 19533, Apr. 29, 1983, as amended at 48 FR 50313, Nov. 1, 1983; 50 FR 49823, Dec. 4, 1985; 70 FR 50894, Aug. 26, 2005; 82 FR 2223, Jan. 9, 2017]

§ 1.6 Use and effectiveness of wage determinations.

(a)(1) Project wage determinations initially issued shall be effective for 180 calendar days from the date of such determinations. If such a wage determination is not used in the period of its effectiveness it is void. Accordingly, if it appears that a wage determination may expire between bid opening and contract award (or between initial endorsement under the National Housing Act or the execution of an agreement to enter into a housing assistance payments contract under section 8 of the U.S. Housing Act of 1937, and the start of construction) the agency shall request a new wage determination sufficiently in advance of the bid opening to assure receipt prior thereto. However, when due to unavoidable circumstances a determination expires before award but after bid opening (or before the start of construction, but after initial endorsement under the National Housing Act, or before the start of construction but after the execution of an agreement to enter into a housing assistance payments contract under section 8 of the U.S. Housing Act of 1937), the head of the agency or his or her designee may request the Administrator to extend the expiration date of the wage determination in the bid specifications instead of issuing a new wage

29 CFR Subtitle A (7-1-21 Edition)

determination. Such request shall be supported by a written finding, which shall include a brief statement of the factual support, that the extension of the expiration date of the determination is necessary and proper in the public interest to prevent injustice or undue hardship or to avoid serious impairment in the conduct of Government business. The Administrator will either grant or deny the request for an extension after consideration of all of the circumstances, including an examination to determine if the previously issued rates remain prevailing. If the request for extension is denied, the Administrator will proceed to issue a new wage determination for the project.

(2) General wage determinations issued pursuant to §1.5(a), notice of which is published on WDOL, shall contain no expiration date.

(b) Contracting agencies are responsible for insuring that only the appropriate wage determination(s) are incorporated in bid solicitations and contract specifications and for designating specifically the work to which such wage determinations will apply. Any question regarding application of wage rate schedules shall be referred to the Administrator, who shall give foremost consideration to area practice in resolving the question.

(c)(1) Project and general wage determinations may be modified from time to time to keep them current. A modification may specify only the items being changed, or may be in the form of a supersedeas wage determination, which replaces the entire wage determination. Such actions are distinguished from a determination by the Administrator under paragraphs (d), (e) and (f) of this section that an erroneous wage determination has been issued or that the wrong wage determination or wage rate schedule has been utilized by the agency.

(2)(i) All actions modifying a project wage determination received by the agency before contract award (or the start of construction where there is no contract award) shall be effective except as follows:

(A) In the case of contracts entered into pursuant to competitive bidding procedures, modifications received by the agency less than 10 days before the

opening of bids shall be effective unless the agency finds that there is not a reasonable time still available before bid opening, to notify bidders of the modification and a report of the finding is inserted in the contract file. A copy of such report shall be made available to the Administrator upon request. No such report shall be required if the modification is received after bid opening.

(B) In the case of projects assisted under the National Housing Act, modifications shall be effective if received prior to the beginning of construction or the date the mortgage is initially endorsed, whichever occurs first.

(C) In the case of projects to receive housing assistance payments under section 8 of the U.S. Housing Act of 1937, modifications shall be effective if received prior to the beginning of construction or the date the agreement to enter into a housing assistance payments contract is executed, whichever occurs first.

(ii) Modifications to project wage determinations and supersedeas wage determinations shall not be effective after contract award (or after the beginning of construction where there is no contract award).

(iii) Actual written notice of a modification shall constitute receipt.

(3) All actions modifying a general wage determination shall be effective with respect to any project to which the determination applies, if notice of such actions is published before contract award (or the start of construction where there is no contract award), except as follows:

(i) In the case of contracts entered into pursuant to competitive bidding procedures, a modification, notice of which is published less than 10 days before the opening of bids, shall be effective unless the agency finds that there is not a reasonable time still available before bid opening to notify bidders of the modification and a report of the finding is inserted in the contract file. A copy of such report shall be made available to the Administrator upon request. No such report shall be required if notice of the modification is published after bid opening.

(ii) In the case of projects assisted under the National Housing Act, a

modification shall be effective if notice of such modification is published prior to the beginning of construction or the date the mortgage is initially endorsed, whichever occurs first.

(iii) In the case of projects to receive housing assistance payments under section 8 of the U.S. Housing Act of 1937, a modification shall be effective if notice of such modification is published prior to the beginning of construction or the date the agreement to enter into a housing assistance payments contract is signed, whichever occurs first.

(iv) If under paragraph (c)(3)(i) of this section the contract has not been awarded within 90 days after bid opening, or if under paragraph (c)(3)(ii) or (iii) of this section construction has not begun within 90 days after initial endorsement or the signing of the agreement to enter into a housing assistance payments contract, any modification, notice of which is published on WDOL prior to award of the contract or the beginning of construction, as appropriate, shall be effective with respect to that contract unless the head of the agency or his or her designee requests and obtains an extension of the 90-day period from the Administrator. Such request shall be supported by a written finding, which shall include a brief statement of the factual support, that the extension is necessary and proper in the public interest to prevent injustice or undue hardship or to avoid serious impairment in the conduct of Government business. The Administrator will either grant or deny the request for an extension after consideration of all the circumstances.

(v) A modification to a general wage determination is "published" within the meaning of this section on the date notice of a modification or a supersedeas wage determination is published on WDOL or on the date the agency receives actual written notice of the modification from the Department of Labor, whichever occurs first. Archived versions of Davis-Bacon and Related Acts wage determinations that are no longer current may be accessed in the "Archived DB WD" database of WDOL for information purposes only. Contracting officers should not use an

§ 1.7

archived wage determination in a contract action without prior approval of the Department of Labor.

(vi) A supersedeas wage determination or a modification to an applicable general wage determination, notice of which is published after contract award (or after the beginning of construction where there is no contract award) shall not be effective.

(d) Upon his/her own initiative or at the request of an agency, the Administrator may correct any wage determination, without regard to paragraph (c) of this section, whenever the Administrator finds such a wage determination contains clerical errors. Such corrections shall be included in any bid specifications containing the wage determination, or in any on-going contract containing the wage determination in question, retroactively to the start of construction.

(e) Written notification by the Department of Labor prior to the award of a contract (or the start of construction under the National Housing Act, under section 8 of the U.S. Housing Act of 1937, or where there is no contract award) that: (1) There is included in the bidding documents or solicitation the wrong wage determination or the wrong schedule or that (2) a wage determination is withdrawn by the Department of Labor as a result of a decision by the Administrative Review Board, shall be effective immediately without regard to paragraph (c) of this section.

(f) The Administrator may issue a wage determination after contract award or after the beginning of construction if the agency has failed to incorporate a wage determination in a contract required to contain prevailing wage rates determined in accordance with the Davis-Bacon Act, or has used a wage determination which by its terms or the provisions of this part clearly does not apply to the contract. Further, the Administrator may issue a wage determination which shall be applicable to a contract after contract award or after the beginning of construction when it is found that the wrong wage determination has been incorporated in the contract because of an inaccurate description of the project or its location in the agency's request

29 CFR Subtitle A (7-1-21 Edition)

for the wage determination. Under any of the above circumstances, the agency shall either terminate and resolicit the contract with the valid wage determination, or incorporate the valid wage determination retroactive to the beginning of construction through supplemental agreement or through change order, *Provided* That the contractor is compensated for any increases in wages resulting from such change. The method of incorporation of the valid wage determination, and adjustment in contract price, where appropriate, should be in accordance with applicable procurement law.

(g) If Federal funding or assistance under a statute requiring payment of wages determined in accordance with the Davis-Bacon Act is not approved prior to contract award (or the beginning of construction where there is no contract award), the agency shall request a wage determination prior to approval of such funds. Such a wage determination shall be issued based upon the wages and fringe benefits found to be prevailing on the date of award or the beginning of construction (under the National Housing Act, under section 8 of the U.S. Housing Act of 1937 or where there is no contract award), as appropriate, and shall be incorporated in the contract specifications retroactively to that date, *Provided*, That upon the request of the head of the agency in individual cases the Administrator may issue such a wage determination to be effective on the date of approval of Federal funds or assistance whenever the Administrator finds that it is necessary and proper in the public interest to prevent injustice or undue hardship, *Provided further* That the Administrator finds no evidence of intent to apply for Federal funding or assistance prior to contract award or the start of construction, as appropriate.

[48 FR 19533, Apr. 29, 1983, as amended at 50 FR 49823, Dec. 4, 1985; 70 FR 50894, Aug. 26, 2005]

§ 1.7 Scope of consideration.

(a) In making a wage determination, the *area* will normally be the county unless sufficient current wage data (data on wages paid on current projects or, where necessary, projects under construction no more than one year

prior to the beginning of the survey or the request for a wage determination, as appropriate) is unavailable to make a wage determination.

(b) If there has not been sufficient similar construction within the area in the past year to make a wage determination, wages paid on similar construction in surrounding counties may be considered, *Provided* That projects in metropolitan counties may not be used as a source of data for a wage determination in a rural county, and projects in rural counties may not be used as a source of data for a wage determination for a metropolitan county.

(c) If there has not been sufficient similar construction in surrounding counties or in the State in the past year, wages paid on projects completed more than one year prior to the beginning of the survey or the request for a wage determination, as appropriate, may be considered.

(d) The use of *helpers, apprentices and trainees* is permitted in accordance with part 5 of this subtitle.

§ 1.8 Reconsideration by the Administrator.

Any interested person may seek reconsideration of a wage determination issued under this part or of a decision of the Administrator regarding application of a wage determination. Such a request for reconsideration shall be in writing accompanied by a full statement of the interested person's views and any supporting wage data or other pertinent information. The Administrator will respond within 30 days of receipt thereof, or will notify the requestor within the 30-day period that additional time is necessary.

§ 1.9 Review by Administrative Review Board.

Any interested person may appeal to the Administrative Review Board for a review of a wage determination or its application made under this part, after reconsideration by the Administrator has been sought pursuant to § 1.8 and denied. Any such appeal may, in the discretion of the Administrative Review Board, be received, accepted, and

decided in accordance with the provisions of 29 CFR part 7 and such other procedures as the Board may establish.

§ 2.1 Employees attached to regional offices.

No person who has been an employee of the Department and attached to a Regional office of any bureau, board, division, or other agency thereof, shall be permitted to practice, appear, or act as attorney, agent, or representative before the Department or any branch or agent thereof in connection with any case or administrative proceeding which was pending before such Regional office during the time of his employment with the Department, unless he shall first obtain the written consent thereto of the Secretary of Labor or his duly authorized representative.

§ 2.2 Employees attached to Washington office.

No person who has been an employee of the Department and attached to the Washington office of any bureau, board, division, or other agency thereof, shall be permitted to practice, appear, or act as attorney, agent, or representative before the Department or any branch or agent thereof, in connection with any case or administrative proceeding pending before such bureau, board, division, or other agency during the time of his employment with the Department, unless he shall first obtain the written consent thereto of the Secretary of Labor or his duly authorized representative.

§ 2.3 Consent of the Secretary.

The consent of the Secretary or his duly authorized representative may be obtained as follows:

The applicant shall file an application in the form of an affidavit. Such

29 CFR Subtitle A (7–1–21 Edition)

application, directed to the Secretary should:

(a) State the former connection of the applicant with the Department;

(b) Identify the matter in which the applicant desires to appear, and

(c) Contain a statement to the effect that the applicant gave no personal consideration to such matter while he was an employee of the Department.

The application will be denied if the statements contained therein are disproved by an examination of the files, records, and circumstances pertaining to the matter, or if, in the opinion of the Secretary or his duly authorized representative, the public interest so requires. If the Secretary or his duly authorized representative is satisfied that the applicant gave no personal consideration to the matter in question while employed by the Department, and if he is satisfied that it is lawful and consistent with the public interest to do so, he may grant his consent, in writing, to the request of the applicant, subject to such conditions, if any, as he deems necessary and desirable. Any function of the Secretary under this section may be performed by the Under Secretary of Labor.

§ 2.6 Claims collection.

(a) *Authority of Department; incorporation by reference.* The regulations in this section are issued under section 3 of the Federal Claims Collection Act of 1966, 31 U.S.C. 952. They incorporate herein and supplement as necessary for Department operation all provisions of the Joint Regulations of the Attorney General and the Comptroller General set forth in 4 CFR chap. II, which prescribe standards for administrative collection of civil claims by the Government for money or property, for the compromise, termination, or suspension of collection action, with respect to claims not exceeding \$20,000, exclusive of interest, and for the referral of civil claims by the Government to the Government Accountability Office, and to the Department of Justice for litigation.

(b) *Designation.* The Assistant Secretary for Administration and Management, and such heads of the Administrations and Offices of the Department of Labor as he may designate for such

purpose, is authorized to perform all of the duties and exercise all of the authority of the Secretary under the Federal Claims Collection Act of 1966, the aforementioned Joint Regulations of the Attorney General and the Comptroller General, and the regulations in this section.

It is the policy of the Secretary of Labor, that in applying the rulemaking provisions of the Administrative Procedure Act (5 U.S.C. 553), the exemption therein for matters relating to public property, loans, grants, benefits or contracts shall not be relied upon as a reason for not complying with the notice and public participation requirements thereof except for all information-gathering procedures adopted by the Bureau of Labor Statistics.

Subpart B—Audiovisual Coverage of Administrative Hearings

SOURCE: 38 FR 5631, Mar. 2, 1973, unless otherwise noted.

§ 2.10 Scope and purpose.

This subpart defines the scope of audiovisual coverage of departmental administrative hearings. It describes the types of proceedings where such coverage is encouraged, defines areas where such coverage is prohibited (as

in certain enforcement proceedings or where witnesses object) and areas where a decision concerning coverage is made after weighing the values involved in permitting coverage against the reasons for not permitting it.

§ 2.11 General principles.

The following general principles will be observed in granting or denying requests for permission to cover hearings audiovisually:

(a) Notice and comment and on-the-record rule making proceedings may involve administrative hearings. If such administrative hearings are held, we encourage their audiovisual coverage.

(b) Audiovisual coverage shall be excluded in adjudicatory proceedings involving the rights or status of individuals (including those of small corporations likely to be indistinguishable in the public mind from one or a few individuals) in which an individual's past culpable conduct or other aspect of personal life is a primary subject of adjudication, and where the person in question objects to coverage.

(c) Certain proceedings involve balancing of conflicting values in order to determine whether audiovisual coverage should be allowed. Where audiovisual coverage is restricted, the reasons for the restriction shall be stated in the record.

§ 2.12 Audiovisual coverage permitted.

The following are the types of hearings where the Department encourages audiovisual coverage:

(a) All hearings involving notice and comment and on-the-record rule making proceedings. The Administrative Procedure Act provides for notice of proposed rule making with provision for participation by interested parties through submission of written data, views, or arguments, with or without opportunity for oral presentation (5 U.S.C. 553). (In many cases the Department follows the above procedure in matters exempted from these requirements of 5 U.S.C. 553.) On-the-record rule making proceedings under 5 U.S.C. 556 and 557 are also hearings where audiovisual coverage of hearings is encouraged. Examples of hearings encompassed by this paragraph are:

§2.13

(1) Hearings to establish or amend safety or health standards under the Occupational Safety and Health Act of 1970, 29 U.S.C. 651.

(2) Hearings to determine the adequacy of State laws under the Occupational Safety and Health Act of 1970.

(b) Hearings to collect or review wage data upon which to base minimum wage rates determined under various laws, such as the Davis-Bacon Act (40 U.S.C. 276a) and related statutes and the Service Contract Act of 1965 (41 U.S.C. 353, as amended by Pub. L. 92-473 approved October 9, 1972).

(c) Hearings under section 4(c) of the Service Contract Act of 1965 (41 U.S.C. 353, subsection (c) added by Pub. L. 92-473 approved October 9, 1972) to determine if negotiated rates are substantially at variance with those which prevail in the locality for services of a character similar.

(d) Hearings before the Administrative Review Board (parts 1, 3, 5, and 7 of this chapter).

(e) Hearings held at the request of a Federal agency to resolve disputes under the Davis-Bacon and related Acts, involving prevailing wage rates or proper classification which involve significant sums of money, large groups of employees or novel or unusual situations.

(f) Hearings of special industry committees held pursuant to the Fair Labor Standards Act, as amended (29 U.S.C. 201 *et seq.*) for the purpose of recommending minimum wage rates to be paid in Puerto Rico, the Virgin Islands, and American Samoa.

(g) Hearings pursuant to section 13(a) of the Welfare and Pension Plans Disclosure Act (29 U.S.C. 308d) to determine whether a bond in excess of \$500,000 may be prescribed.

(h) Hearings where the Department is requesting information needed for its administrative use in determining what our position should be (e.g., our hearings on the 4-day, 40-hour work-week).

[38 FR 5631, Mar. 2, 1973, as amended at 61 FR 19984, May 3, 1996]

29 CFR Subtitle A (7-1-21 Edition)

§2.13 Audiovisual coverage prohibited.

The Department shall not permit audiovisual coverage of the following types of hearings if any party objects:

(a) Hearings to determine whether applications for individual variances should be issued under the Occupational Safety and Health Act of 1970.

(b) Hearings (both formal and informal) involving alleged violations of various laws such as the Davis-Bacon Act (40 U.S.C. 276a, *et seq.*) and related Acts, the Contract Work Hours and Safety Standards Act (40 U.S.C. 327 *et seq.*), the Service Contract Act (41 U.S.C. 351 *et seq.*), the Walsh Healey Act (41 U.S.C. 35 *et seq.*), under section 41 of the Longshoremen's and Harbor Workers' Compensation Act (33 U.S.C. 941 *et seq.*), the Fair Labor Standards Act of 1938, as amended (29 U.S.C. 201 *et seq.*), and any informal hearings or conferences under the Occupational Safety and Health Act of 1970 (29 U.S.C. 651 *et seq.*) which are not within the jurisdiction of the Occupational Safety and Health Commission.

(c) Adversary hearings under the Longshoremen's and Harbor Workers' Compensation Act (33 U.S.C. 901 *et seq.*) and related Acts, which determine an employee's right to compensation.

(d) Hearings which determine an employee's right to compensation under the Federal Employees' Compensation Act (5 U.S.C. 8101 *et seq.*).

§2.14 Proceedings in which the Department balances conflicting values.

In proceedings not covered by §§2.12 and 2.13, the Department should determine whether the public's right to know outbalances the individual's right to privacy. When audiovisual coverage is restricted or excluded, the record shall state fully the reasons for such restriction or exclusion. For example, there would be included in this category hearings before the Board of Contract Appeals involving appeals from contracting officer decisions involving claims for extra costs for extra work, extra costs for delay in completion caused by the Government or for changes in the work, conformity hearings arising under State unemployment insurance laws, etc.

Office of the Secretary of Labor

§ 2.21

§ 2.15 Protection of witnesses.

A witness has the right, prior to or during his testimony, to exclude audiovisual coverage of his testimony in any hearing being covered audiovisually.

§ 2.16 Conduct of hearings.

The presiding officer at each hearing which is audiovisually covered is authorized to take any steps he deems necessary to preserve the dignity of the hearing or prevent its disruption by persons setting up or using equipment needed for its audiovisual coverage.

Subpart C—Employees Served With Subpoenas

AUTHORITY: 5 U.S.C. 301 and Reorganization Plan No. 6 of 1950, 15 FR 3174, 64 Stat. 1263.

SOURCE: 46 FR 49543, Oct. 6, 1981, unless otherwise noted.

§ 2.20 Purpose, scope and definitions.

(a) This subpart sets forth the procedures to be followed whenever a subpoena, order, or other demand (hereinafter referred to as a *demand*) of a court or other authority, in connection with a proceeding to which the U.S. Department of Labor is not a party, is issued for the production or disclosure of (1) any material contained in the files of the Department, (2) any information relating to material contained in the files of the Department, or (3) any information or material acquired by any person while such person was an employee of the Department as a part of the performance of his official duties or because of his official status.

(b) For purposes of this subpart, the term *employee of the Department* includes all officers and employees of the United States Department of Labor appointed by, or subject to the supervision, jurisdiction, or control of the Secretary of Labor.

(c)(1) For purposes of this subpart, the term *appropriate Deputy Solicitor of Labor* means the Deputy Solicitor of Labor for National Operations when the person served with a demand is either employed by the National Office of the Labor Department, or who is a former Labor Department employee and is served with a demand in Washington, DC. In all other cases, the term

appropriate Deputy Solicitor of Labor means the Deputy Solicitor of Labor for Regional Operations.

(2) For purposes of this subpart, the term *appropriate Office of the Solicitor* means that Office of the Associate Solicitor of Labor (in Washington, DC) serving as counsel to the program to which the demand relates, where the person served with a demand is employed by the National Office of the Labor Department, or who is a former Labor Department employee and is served with a demand in Washington, DC. In all other cases, the term *appropriate Office of the Solicitor* means that Regional Solicitor's Office or Associate Regional Solicitor's Office serving the locality in which the employee or former employee is served with a demand.

(d) This subpart is intended to provide instructions regarding the internal operations of the Department of Labor, and is not intended, and does not, and may not, be relied upon to create any right or benefit, substantive or procedural, enforceable at law by a party against the Department of Labor.

§ 2.21 Procedure in the event of a demand for production or disclosure.

Whenever an employee or former employee of the Department receives a demand for the production of material or the disclosure of information described in § 2.20(a), he shall immediately notify the appropriate Office of the Solicitor. The appropriate Office of the Solicitor shall be furnished by the party causing the subpoena to be issued with a written summary of the information sought and its relevance to the proceeding in connection with which it was served. The Associate Solicitor, Regional Solicitor, or Associate Regional Solicitor, whichever is appropriate, may waive the requirement that a written summary be furnished where he or she deems it to be unnecessary. The election to waive the requirement of a written summary in no way constitutes a waiver of any other requirement set forth in this subpart.

§ 2.22

§ 2.22 Production or disclosure prohibited unless approved by the appropriate Deputy Solicitor of Labor.

In terms of instructing an employee or former employee of the manner in which to respond to a demand, the Associate Solicitor, Regional Solicitor, or Associate Regional Solicitor, whichever is applicable, shall follow the instructions of the appropriate Deputy Solicitor of Labor. No employee or former employee of the Department of Labor shall, in response to a demand of a court or other authority, produce any material contained in the files of the Department or disclose any information relating to material contained in the files of the Department, or disclose any information or produce any material acquired as part of the performance of his official duties or because of his official status without approval of the appropriate Deputy Solicitor of Labor.

§ 2.23 Procedure where a decision concerning a demand is not made prior to the time a response to the demand is required.

If the response to the demand is required before the instructions from the appropriate Deputy Solicitor of Labor are received, a Department attorney or other government attorney designated for the purpose shall appear with the employee or former employee of the Department upon whom the demand has been made, and shall furnish the court or other authority with a copy of the regulations contained in this subpart and inform the court or other authority that the demand has been, or is being, as the case may be, referred for the prompt consideration of the appropriate Deputy Solicitor of Labor and shall respectfully request the court or other authority to stay the demand pending receipt of the requested instructions.

§ 2.24 Procedure in the event of an adverse ruling.

If the court or other authority declines to stay the effect of the demand in response to a request made in accordance with § 2.23 pending receipt of instructions, or if the court or other authority rules that the demand must be complied with irrespective of in-

29 CFR Subtitle A (7-1-21 Edition)

structions not to produce the material or disclose the information sought, the employee or former employee upon whom the demand has been made shall respectfully decline to comply with the demand, "*United States ex rel Touhy v. Ragen*," 340 US. 462.

§ 2.25 Subpoenas served upon employees of the Office of the Inspector General.

Notwithstanding the requirements set forth in §§ 2.20 through 2.24, this subpart is applicable to demands served on employees or former employees of the Office of the Inspector General (OIG), except that wherever in §§ 2.21 through 2.24 there appear the phrases *appropriate Office of the Solicitor, Associate Solicitor, Regional Solicitor, or Associate Regional Solicitor*, and *appropriate Deputy Solicitor of Labor*, there shall be substituted in lieu thereof *the Inspector General or Deputy Inspector General*. In addition, the first sentence of § 2.22 shall not be applicable to subpoenas served upon employees or former employees of the Office of the Inspector General.

Subpart D—Equal Treatment in Department of Labor Programs for Religious Organizations; Protection of Religious Liberty of Department of Labor Social Service Providers and Beneficiaries

SOURCE: 69 FR 41891, July 12, 2004, unless otherwise noted.

§ 2.30 Purpose.

The purpose of the regulations in this subpart is to ensure that DOL-supported social service programs are open to all qualified organizations, regardless of the organizations' religious character, and to establish clearly the permissible uses to which DOL support for social service programs may be put, and the conditions for receipt of such support. In addition, this proposed rule is designed to ensure that the Department's social service programs are implemented in a manner consistent with the requirements of the Constitution, including the Religion Clauses of the First Amendment.

§ 2.31 Definitions.

As used in the regulations in this subpart:

(a) The term *Federal financial assistance* means assistance that non-Federal entities (including State and local governments) receive or administer in the form of grants, contracts, loans, loan guarantees, property, cooperative agreements, direct appropriations, or other direct or indirect assistance, but does not include a tax credit, deduction, or exemption, nor the use by a private participant of assistance obtained through direct benefit programs (such as Supplemental Nutrition Assistance Program, social security, pensions). Federal financial assistance may be *direct* or *indirect*.

(1) The term *direct Federal financial assistance* or *Federal financial assistance provided directly* means that the Government or a DOL social service intermediary provider under this part selects the provider and either purchases services from that provider (*e.g.*, via a contract) or awards funds to that provider to carry out a service (*e.g.*, via grant or cooperative agreement). In general, Federal financial assistance shall be treated as direct, unless it meets the definition of *indirect Federal financial assistance* or *Federal financial assistance provided indirectly*.

(2) The term *indirect Federal financial assistance* or *Federal financial assistance provided indirectly* means that the choice of the service provider is placed in the hands of the beneficiary, and the cost of that service is paid through a voucher, certificate, or other similar means of government-funded payment. Federal financial assistance provided to an organization is considered indirect when:

(i) The Government program through which the beneficiary receives the voucher, certificate, or other similar means of Government-funded payment is neutral toward religion; and

(ii) The organization receives the assistance as a result of a genuine, independent choice of the beneficiary.

(3) The recipient of sub-awards received through programs administered by States or other intermediaries that are themselves recipients of Federal financial assistance (*e.g.*, local areas that receive within-state allocations to

provide workforce services under title I of the Workforce Innovation and Opportunity Act) are not considered recipients of *indirect Federal financial assistance* or recipients of *Federal financial assistance provided indirectly* as those terms are used in Executive Order 13559. These recipients of sub-awards are considered recipients of direct Federal financial assistance.

(b) The term *social service program* means a program that is administered or supported by the Federal Government, or by a State or local government using Federal financial assistance, and that provides services directed at reducing poverty, improving opportunities for low-income children, revitalizing low-income communities, empowering low-income families and low-income individuals to become self-sufficient, or otherwise helping people in need. Such programs include, but are not limited to, the following:

(1) Child care services and services to meet the special needs of children, older individuals, and individuals with disabilities (including physical, mental, or emotional disabilities);

(2) Job training and related services, and employment services;

(3) Information, referral, and counseling services;

(4) Literacy and mentoring programs; and

(5) Services for the prevention and treatment of juvenile delinquency and substance abuse, services for the prevention of crime and the provision of assistance to the victims and the families of criminal offenders, and services related to intervention in, and prevention of domestic violence.

(c) The term *DOL* means the U.S. Department of Labor.

(d) The term *DOL-supported social service program*, *DOL social service program*, or *DOL program* means a social service program, as defined in paragraph (b) of this section, that is administered by or for DOL with DOL support. Such programs include, but are not limited to, the One Stop Career Center System, the Job Corps, and other programs supported through the Workforce Investment Act.

§ 2.32

29 CFR Subtitle A (7-1-21 Edition)

(e) The term *DOL social service provider* means any non-Federal organization, other than a State or local government, that seeks or receives DOL support as defined in paragraph (g) of this section, or participates in DOL programs other than as the ultimate beneficiary of such programs.

(f) The term *DOL social service intermediary provider* means any DOL social service provider, including a non-governmental organization, that, as part of its duties, selects subgrantees to receive DOL support or subcontractors to provide DOL-supported services, or has the same duties under this part as a governmental entity.

(g) The term *DOL support* means Federal financial assistance, as well as procurement funding provided to a non-Federal organization, including a State or local government, to support the organization's administration of or participation in a DOL social service program as defined in paragraph (d) of this section.

(h) The term *religious exercise* has the meaning given to the term in 42 U.S.C. 2000cc-5(7)(A).

[69 FR 41891, July 12, 2004, as amended at 81 FR 19421, Apr. 4, 2016; 85 FR 82140, Dec. 17, 2020]

§ 2.32 Equal participation of faith-based organizations.

(a) Faith-based organizations must be eligible, on the same basis as any other organization and considering any reasonable accommodation, to seek DOL support or participate in DOL programs for which they are otherwise eligible. DOL and DOL social service intermediary providers, as well as State and local governments administering DOL support, must not discriminate for or against an organization on the basis of the organization's religious character, affiliation, or exercise, although this requirement does not preclude DOL, DOL social service providers, or State or local governments administering DOL support from accommodating religion in a manner consistent with the Religion Clauses of the First Amendment to the Constitution. In addition, because this rule does not affect existing constitutional requirements, DOL, DOL social service providers (insofar as they may other-

wise be subject to any constitutional requirements), and State and local governments administering DOL support must continue to comply with otherwise applicable constitutional principles, including, among others, those articulated in the Establishment, Free Speech, and Free Exercise Clauses of the First Amendment to the Constitution. Notices and announcements of award opportunities and notices of award and contracts shall include language substantially similar to that in appendices A and B, respectively, to this part.

(b) A faith-based organization that is a DOL social service provider retains its autonomy; right of expression; religious character; and independence from Federal, State, and local governments and must be permitted to continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs. Among other things, such a faith-based organization must be permitted to:

(1) Use its facilities to provide DOL-supported social services without concealing, removing, or altering religious art, icons, scriptures, or other religious symbols from those facilities; and

(2) Retain its authority over its internal governance, including retaining religious terms in its name, selecting its board members and employees on the basis of their acceptance of or adherence to the religious requirements or standards of the organization, and including religious references in its mission statements and other governing documents.

(c) A grant document, contract or other agreement, covenant, memorandum of understanding, policy, or regulation that is used by DOL, a State or local government administering DOL support, or a DOL social service intermediary provider must not require faith-based organizations to provide assurances or notices where they are not required of non-faith-based organizations. Any restrictions on the use of financial assistance under a grant shall apply equally to faith-based and non-faith-based organizations. All organizations, including religious ones that are DOL social service providers, must carry out DOL-supported activities, subject to any required or appropriate

religious accommodation, in accordance with all program requirements, including those prohibiting the use of direct DOL support for explicitly religious activities (including worship, religious instruction, or proselytization). A grant document, contract or other agreement, covenant, memorandum of understanding, policy, or regulation that is used by DOL, a State or local government, or a DOL social service intermediary provider in administering a DOL social service program must not disqualify organizations from receiving DOL support or participating in DOL programs because such organizations are motivated or influenced by religious faith to provide social services, or because of their religious character or affiliation, or lack thereof, on grounds that discriminate against organizations on the basis of the organizations' religious exercise.

(d) For purposes of this subpart, to discriminate against an organization on the basis of the organization's religious exercise means to disfavor an organization, including by failing to select an organization, disqualifying an organization, or imposing any condition or selection criterion that otherwise disfavors or penalizes an organization in the selection process or has such an effect:

(1) Because of conduct that would not be considered grounds to disfavor a secular organization;

(2) Because of conduct that must or could be granted an appropriate accommodation in a manner consistent with the Religious Freedom Restoration Act (RFRA) (42 U.S.C. 2000bb through 2000bb-4) or the Religion Clauses of the First Amendment to the Constitution; or

(3) Because of the actual or suspected religious motivation of the organization's religious exercise.

[85 FR 82140, Dec. 17, 2020]

§ 2.33 Responsibilities of DOL, DOL social service providers and State and local governments administering DOL support.

(a) Any organization that participates in a program funded by federal financial assistance shall not, in providing services or in outreach activities related to such services, discrimi-

nate against a current or prospective program beneficiary on the basis of religion, religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice. However, an organization that participates in a program funded by indirect financial assistance need not modify its program activities to accommodate a beneficiary who chooses to expend the indirect aid on the organization's program and may require attendance at all activities that are fundamental to the program. This requirement does not preclude DOL, DOL social service intermediary providers, or State or local governments administering DOL support from accommodating religion in a manner consistent with the Establishment Clause of the First Amendment to the Constitution.

(b)(1) DOL, DOL social service intermediary providers, DOL social service providers, and State and local governments administering DOL support must ensure that they do not use direct DOL support for explicitly religious activities (including activities that involve overt religious content such as worship, religious instruction, or proselytization). DOL social service providers must be permitted to offer explicitly religious activities so long as they offer those activities separately in time or location from social services receiving direct DOL support, and participation in the explicitly religious activities is voluntary for the beneficiaries of social service programs receiving direct DOL support. For example, participation in an explicitly religious activity must not be a condition for participating in a directly-supported social service program.

(2) This regulation is not intended to and does not restrict the exercise of rights or duties guaranteed by the Constitution. For example, program officials must not impermissibly restrict the ability of program beneficiaries or DOL social service providers to freely express their views and to exercise their right to religious freedom. Additionally, subject to reasonable and permissible time, place and manner restrictions, residential facilities that receive DOL support must permit residents to engage in voluntary religious

§§ 2.34–2.35

activities, including holding religious services, at these facilities.

(3) Notwithstanding the requirements of paragraph (b)(1) of this section, and to the extent otherwise permitted by Federal law (including constitutional requirements), direct DOL support may be used to support explicitly religious activities (including activities that involve overt religious content such as worship, religious instruction, or proselytization), and such activities need not be provided separately in time or location from other DOL-supported activities, under the following circumstances:

(i) Where DOL support is provided to chaplains to work with inmates in prisons, detention facilities, or community correction centers through social service programs;

(ii) Where DOL support is provided to social service programs in prisons, detention facilities, or community correction centers, in which social service organizations assist chaplains in carrying out their duties; or

(iii) Where DOL-supported social service programs involve such a degree of government control over the program environment that religious exercise would be significantly burdened absent affirmative steps by DOL or its social service providers.

(c) If a DOL social service intermediary provider, acting under a contract, grant, or other agreement with the Federal Government or with a State or local government that is administering a program supported by Federal financial assistance, is given the authority under the contract, grant, or agreement to select non-governmental organizations to provide services funded by the Federal Government, the DOL social service intermediary provider must ensure compliance with the provisions of Executive Order 13279, as amended by Executive Order 13559, and further amended by Executive Order 13831, and any implementing rules or guidance, by the recipient of a contract, grant or agreement. If a State or local government voluntarily contributes its own funds to supplement activities carried out under the applicable programs, the State or local government has the option to separate out the Federal funds or commingle them. If the funds are commingled, then the provisions of this subpart apply to all of the commingled funds in the same manner, and to the same extent, as the provisions apply to the Federal assistance. State funds that are contributed pursuant to the requirements of a matching or grant agreement are considered to be commingled funds.

§ 2.37 Effect of DOL support on Title VII employment nondiscrimination requirements and on other existing statutes.

A religious organization's exemption from the Federal prohibition on employment discrimination on the basis of religion, set forth in section 702(a) of the Civil Rights Act of 1964, 42 U.S.C. 2000e-1, is not forfeited when the organization receives direct or indirect DOL support. An organization qualifying for such exemption may make its employment decisions on the basis of an applicant's or employee's acceptance of or adherence to the religious requirements or standards of the organization, but not on the basis of any other protected characteristic. Some DOL programs, however, were established through Federal statutes containing independent statutory provisions requiring that recipients refrain from discriminating on the basis of religion. Accordingly, to determine the scope of any applicable requirements, including in light of any additional constitutional or statutory protections for employment decisions that may

apply, recipients and potential recipients should consult with the appropriate DOL program official or with the Civil Rights Center, U.S. Department of Labor, 200 Constitution Avenue NW, Room N4123, Washington, DC 20210, (202) 693-6500. Individuals with hearing or speech impairments may access this telephone number via TTY by calling the toll-free Federal Information Relay Service at 1-800-877-8339.

§ 2.38 Status of nonprofit organizations.

(a) In general, DOL does not require that an organization, including a religious organization, obtain tax-exempt status under section 501(c)(3) of the Internal Revenue Code in order to be eligible for Federal financial assistance under DOL social service programs. Many such programs, however, do require an organization to be a “nonprofit organization” in order to be eligible for such support. Individual solicitations that require organizations to have nonprofit status must specifically so indicate in the eligibility section of the solicitation. In addition, any solicitation for a program that requires an organization to maintain tax-exempt status must expressly state the statutory authority for requiring such status. For assistance with questions about a particular solicitation, applicants should contact the DOL program office that issued the solicitation.

(b) Unless otherwise provided by statute, in DOL programs in which an applicant must show that it is a nonprofit organization, the applicant must be permitted to do so by any of the following means:

(1) Proof that the Internal Revenue Service currently recognizes the applicant as tax exempt under section 501(c)(3) of the Internal Revenue Code;

(2) A statement from a State taxing body or the State Secretary of State certifying that:

(i) The organization is a nonprofit organization operating within the State; and

(ii) No part of its net earnings may lawfully benefit any private shareholder or individual;

(3) A certified copy of the applicant’s certificate of incorporation or similar

document that clearly establishes the nonprofit status of the applicant;

(4) Any item described in paragraphs (b)(1) through (3) of this section, if that item applies to a State or national parent organization, together with a statement by the State or national parent organization that the applicant is a local nonprofit affiliate of the organization; or

(5) For an entity that holds a sincerely held religious belief that it cannot apply for a determination as an entity that is tax exempt under section 501(c)(3) of the Internal Revenue Code, evidence sufficient to establish that the entity would otherwise qualify as a nonprofit organization under paragraphs (b)(1) through (4) of this section.

§ 2.39 Political or religious affiliation.

Decisions about awards of Federal financial assistance must be free from political interference or even the appearance of such interference and must be made on the basis of merit, not on the basis of the religious affiliation of a recipient organization or lack thereof.

§ 2.40 Nondiscrimination among faith-based organizations.

Neither DOL nor any State or local government or other entity receiving financial assistance under any DOL program or service shall construe the provisions of this part in such a way as to advantage or disadvantage faith-based organizations affiliated with historic or well-established religions or sects in comparison with other religions or sects.

(a) Faith-based organizations may apply for this award on the same basis as any other organization, as set forth at, and subject to the protections and requirements of subpart D of this part and 42 U.S.C. 2000bb *et seq.* DOL will not, in the selection of recipients, discriminate for or against an organization on the basis of the organization's religious character, exercise or affiliation.

(b) A faith-based organization that participates in this program will retain its independence from the Government and may continue to carry out its mission consistent with religious freedom and conscience protections in Federal law, including the Free Speech and Free Exercise Clauses of the First Amendment, 42 U.S.C. 2000bb *et seq.*, 42 U.S.C. 238n, 42 U.S.C. 18113, 42 U.S.C. 2000e-1(a) and 2000e-2(e), 42 U.S.C. 12113(d), and the Weldon Amendment, among others. Religious accommodations may also be sought under many of these religious freedom and conscience protection laws.

(c) A faith-based organization may not use direct financial assistance from DOL to engage in any explicitly religious activities except where consistent with the Establishment Clause of the First Amendment to the Constitution and any other applicable requirements. Such an organization also may not, in providing services financially assisted by DOL, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice.

§ 3.1 Purpose and scope.

This part prescribes "anti-kickback" regulations under section 2 of the Act of June 13, 1934, as amended (40 U.S.C. 276c), popularly known as the Copeland Act. This part applies to any contract which is subject to Federal wage standards and which is for the construction, prosecution, completion, or repair of public buildings, public works or buildings or works financed in whole or in part by loans or grants from the United States. The part is intended to aid in the enforcement of the minimum wage provisions of the Davis-Bacon Act and the various statutes dealing with federally assisted construction that contain

similar minimum wage provisions, including those provisions which are not subject to Reorganization Plan No. 14 (e.g., the College Housing Act of 1950, the Federal Water Pollution Control Act, and the Housing Act of 1959), and in the enforcement of the overtime provisions of the Contract Work Hours Standards Act whenever they are applicable to construction work. The part details the obligation of contractors and subcontractors relative to the weekly submission of statements regarding the wages paid on work covered thereby; sets forth the circumstances and procedures governing the making of payroll deductions from the wages of those employed on such work; and delineates the methods of payment permissible on such work.

§ 3.2 Definitions.

As used in the regulations in this part:

(a) The terms *building* or *work* generally include construction activity as distinguished from manufacturing, furnishing of materials, or servicing and maintenance work. The terms include, without limitation, buildings, structures, and improvements of all types, such as bridges, dams, plants, highways, parkways, streets, subways, tunnels, sewers, mains, powerlines, pumping stations, railways, airports, terminals, docks, piers, wharves, ways, lighthouses, buoys, jetties, breakwaters, levees, and canals; dredging, shoring, scaffolding, drilling, blasting, excavating, clearing, and landscaping. Unless conducted in connection with and at the site of such a building or work as is described in the foregoing sentence, the manufacture or furnishing of materials, articles, supplies, or equipment (whether or not a Federal or State agency acquires title to such materials, articles, supplies, or equipment during the course of the manufacture or furnishing, or owns the materials from which they are manufactured or furnished) is not a *building* or *work* within the meaning of the regulations in this part.

(b) The terms *construction*, *prosecution*, *completion*, or *repair* mean all types of work done on a particular building or work at the site thereof, including, without limitation, altering,

remodeling, painting and decorating, the transporting of materials and supplies to or from the building or work by the employees of the construction contractor or construction subcontractor, and the manufacturing or furnishing of materials, articles, supplies, or equipment on the site of the building or work, by persons employed at the site by the contractor or subcontractor.

(c) The terms *public building* or *public work* include building or work for whose construction, prosecution, completion, or repair, as defined above, a Federal agency is a contracting party, regardless of whether title thereof is in a Federal agency.

(d) The term *building or work financed in whole or in part by loans or grants from the United States* includes building or work for whose construction, prosecution, completion, or repair, as defined above, payment or part payment is made directly or indirectly from funds provided by loans or grants by a Federal agency. The term includes building or work for which the Federal assistance granted is in the form of loan guarantees or insurance.

(e) Every person paid by a contractor or subcontractor in any manner for his labor in the construction, prosecution, completion, or repair of a public building or public work or building or work financed in whole or in part by loans or grants from the United States is *employed* and receiving *wages*, regardless of any contractual relationship alleged to exist between him and the real employer.

(f) The term *any affiliated person* includes a spouse, child, parent, or other close relative of the contractor or subcontractor; a partner or officer of the contractor or subcontractor; a corporation closely connected with the contractor or subcontractor as parent, subsidiary, or otherwise, and an officer or agent of such corporation.

(g) The term *Federal agency* means the United States, the District of Columbia, and all executive departments, independent establishments, administrative agencies, and instrumentalities of the United States and of the District of Columbia, including corporations, all or substantially all of the stock of which is beneficially owned by the

§ 3.3

United States, by the District of Columbia, or any of the foregoing departments, establishments, agencies, and instrumentalities.

§ 3.3 Weekly statement with respect to payment of wages.

(a) As used in this section, the term *employee* shall not apply to persons in classifications higher than that of laborer or mechanic and those who are the immediate supervisors of such employees.

(b) Each contractor or subcontractor engaged in the construction, prosecution, completion, or repair of any public building or public work, or building or work financed in whole or in part by loans or grants from the United States, shall furnish each week a statement with respect to the wages paid each of its employees engaged on work covered by this part 3 and part 5 of this title during the preceding weekly payroll period. This statement shall be executed by the contractor or subcontractor or by an authorized officer or employee of the contractor or subcontractor who supervises the payment of wages, and shall be on the back of Form WH 347, "Payroll (For Contractors Optional Use)" or on any form with identical wording. Copies of WH 347 may be obtained from the Government contracting or sponsoring agency or from the Wage and Hour Division Web site at <http://www.dol.gov/whd/forms/index.htm> or its successor site.

(c) The requirements of this section shall not apply to any contract of \$2,000 or less.

(d) Upon a written finding by the head of a Federal agency, the Secretary of Labor may provide reasonable limitations, variations, tolerances, and exemptions from the requirements of this section subject to such conditions as the Secretary of Labor may specify.

29 CFR Subtitle A (7-1-21 Edition)

§ 3.4 Submission of weekly statements and the preservation and inspection of weekly payroll records.

(a) Each weekly statement required under § 3.3 shall be delivered by the contractor or subcontractor, within seven days after the regular payment date of the payroll period, to a representative of a Federal or State agency in charge at the site of the building or work, or, if there is no representative of a Federal or State agency at the site of the building or work, the statement shall be mailed by the contractor or subcontractor, within such time, to a Federal or State agency contracting for or financing the building or work. After such examination and check as may be made, such statement, or a copy thereof, shall be kept available, or shall be transmitted together with a report of any violation, in accordance with applicable procedures prescribed by the United States Department of Labor.

(b) Each contractor or subcontractor shall preserve his weekly payroll records for a period of three years from date of completion of the contract. The payroll records shall set out accurately and completely the name and address of each laborer and mechanic, his correct classification, rate of pay, daily and weekly number of hours worked, deductions made, and actual wages paid. Such payroll records shall be made available at all times for inspection by the contracting officer or his authorized representative, and by authorized representatives of the Department of Labor.

(Reporting and recordkeeping requirements in paragraph (b) have been approved by the Office of Management and Budget under control number 1235-0008)

§ 3.5 Payroll deductions permissible without application to or approval of the Secretary of Labor.

Deductions made under the circumstances or in the situations described in the paragraphs of this section may be made without application to and approval of the Secretary of Labor:

(a) Any deduction made in compliance with the requirements of Federal,

State, or local law, such as Federal or State withholding income taxes and Federal social security taxes.

(b) Any deduction of sums previously paid to the employee as a bona fide prepayment of wages when such prepayment is made without discount or interest. A *bona fide prepayment of wages* is considered to have been made only when cash or its equivalent has been advanced to the person employed in such manner as to give him complete freedom of disposition of the advanced funds.

(c) Any deduction of amounts required by court process to be paid to another, unless the deduction is in favor of the contractor, subcontractor, or any affiliated person, or when collusion or collaboration exists.

(d) Any deduction constituting a contribution on behalf of the person employed to funds established by the employer or representatives of employees, or both, for the purpose of providing either from principal or income, or both, medical or hospital care, pensions or annuities on retirement, death benefits, compensation for injuries, illness, accidents, sickness, or disability, or for insurance to provide any of the foregoing, or unemployment benefits, vacation pay, savings accounts, or similar payments for the benefit of employees, their families and dependents: *Provided, however,* That the following standards are met:

(1) The deduction is not otherwise prohibited by law;

(2) It is either:

(i) Voluntarily consented to by the employee in writing and in advance of the period in which the work is to be done and such consent is not a condition either for the obtaining of or for the continuation of employment, or

(ii) provided for in a bona fide collective bargaining agreement between the contractor or subcontractor and representatives of its employees;

(3) No profit or other benefit is otherwise obtained, directly or indirectly, by the contractor or subcontractor or any affiliated person in the form of commission, dividend, or otherwise; and

(4) The deductions shall serve the convenience and interest of the employee.

(e) Any deduction contributing toward the purchase of United States Defense Stamps and Bonds when voluntarily authorized by the employee.

(f) Any deduction requested by the employee to enable him to repay loans to or to purchase shares in credit unions organized and operated in accordance with Federal and State credit union statutes.

(g) Any deduction voluntarily authorized by the employee for the making of contributions to governmental or quasi-governmental agencies, such as the American Red Cross.

(h) Any deduction voluntarily authorized by the employee for the making of contributions to Community Chests, United Givers Funds, and similar charitable organizations.

(i) Any deductions to pay regular union initiation fees and membership dues, not including fines or special assessments: *Provided, however,* That a collective bargaining agreement between the contractor or subcontractor and representatives of its employees provides for such deductions and the deductions are not otherwise prohibited by law.

(j) Any deduction not more than for the "reasonable cost" of board, lodging, or other facilities meeting the requirements of section 3(m) of the Fair Labor Standards Act of 1938, as amended, and part 531 of this title. When such a deduction is made the additional records required under § 516.25(a) of this title shall be kept.

(k) Any deduction for the cost of safety equipment of nominal value purchased by the employee as his own property for his personal protection in his work, such as safety shoes, safety glasses, safety gloves, and hard hats, if such equipment is not required by law to be furnished by the employer, if such deduction is not violative of the Fair Labor Standards Act or prohibited by other law, if the cost on which the deduction is based does not exceed the actual cost to the employer where the equipment is purchased from him and does not include any direct or indirect monetary return to the employer where the equipment is purchased from a third person, and if the deduction is either

§3.6

(1) Voluntarily consented to by the employee in writing and in advance of the period in which the work is to be done and such consent is not a condition either for the obtaining of employment or its continuance; or

(2) Provided for in a bona fide collective bargaining agreement between the contractor or subcontractor and representatives of its employees.

[29 FR 97, Jan. 4, 1964, as amended at 36 FR 9770, May 28, 1971]

§3.6 Payroll deductions permissible with the approval of the Secretary of Labor.

Any contractor or subcontractor may apply to the Secretary of Labor for permission to make any deduction not permitted under §3.5. The Secretary may grant permission whenever he finds that:

(a) The contractor, subcontractor, or any affiliated person does not make a profit or benefit directly or indirectly from the deduction either in the form of a commission, dividend, or otherwise;

(b) The deduction is not otherwise prohibited by law;

(c) The deduction is either (1) voluntarily consented to by the employee in writing and in advance of the period in which the work is to be done and such consent is not a condition either for the obtaining of employment or its continuance, or (2) provided for in a bona fide collective bargaining agreement between the contractor or subcontractor and representatives of its employees; and

(d) The deduction serves the convenience and interest of the employee.

§3.7 Applications for the approval of the Secretary of Labor.

Any application for the making of payroll deductions under §3.6 shall comply with the requirements prescribed in the following paragraphs of this section:

(a) The application shall be in writing and shall be addressed to the Secretary of Labor.

(b) The application need not identify the contract or contracts under which the work in question is to be performed. Permission will be given for deductions on all current and future

29 CFR Subtitle A (7-1-21 Edition)

contracts of the applicant for a period of 1 year. A renewal of permission to make such payroll deduction will be granted upon the submission of an application which makes reference to the original application, recites the date of the Secretary of Labor's approval of such deductions, states affirmatively that there is continued compliance with the standards set forth in the provisions of §3.6, and specifies any conditions which have changed in regard to the payroll deductions.

(c) The application shall state affirmatively that there is compliance with the standards set forth in the provisions of §3.6. The affirmation shall be accompanied by a full statement of the facts indicating such compliance.

(d) The application shall include a description of the proposed deduction, the purpose to be served thereby, and the classes of laborers or mechanics from whose wages the proposed deduction would be made.

(e) The application shall state the name and business of any third person to whom any funds obtained from the proposed deductions are to be transmitted and the affiliation of such person, if any, with the applicant.

[29 FR 97, Jan. 4, 1964, as amended at 36 FR 9771, May 28, 1971]

§3.8 Action by the Secretary of Labor upon applications.

The Secretary of Labor shall decide whether or not the requested deduction is permissible under provisions of §3.6; and shall notify the applicant in writing of his decision.

§3.9 Prohibited payroll deductions.

Deductions not elsewhere provided for by this part and which are not found to be permissible under §3.6 are prohibited.

§3.10 Methods of payment of wages.

The payment of wages shall be by cash, negotiable instruments payable on demand, or the additional forms of compensation for which deductions are permissible under this part. No other methods of payment shall be recognized on work subject to the Copeland Act.

§ 3.11 Regulations part of contract.

All contracts made with respect to the construction, prosecution, completion, or repair of any public building or public work or building or work financed in whole or in part by loans or grants from the United States covered by the regulations in this part shall expressly bind the contractor or subcontractor to comply with such of the regulations in this part as may be applicable. In this regard, see § 5.5(a) of this subtitle.

Subpart A—Service Contract Labor Standards Provisions and Procedures

§ 4.1 Purpose and scope.

This part contains the Department of Labor’s rules relating to the administration of the McNamara-O’Hara Service Contract Act of 1965, as amended, referred to hereinafter as the Act. Rules of practice for administrative proceedings under the Act and for the review of wage determinations are contained in parts 6 and 8 of this chapter. See part 1925 of this title for the safety and health standards applicable under the Service Contract Act.

§ 4.1a Definitions and use of terms.

As used in this part, unless otherwise indicated by the context—

(a) *Act*, *Service Contract Act*, *McNamara-O’Hara Act*, or *Service Contract Act of 1965* shall mean the Service Contract Act of 1965 as amended by Public

Office of the Secretary of Labor

§ 4.1b

Law 92-473, 86 Stat. 789, effective October 9, 1972, Public Law 93-57, 87 Stat. 140, effective July 6, 1973, and Public Law 94-489, 90 Stat. 2358, effective October 13, 1976 and any subsequent amendments thereto.

(b) *Secretary* includes the Secretary of Labor or their authorized representative.

(c) *Wage and Hour Division* means the organizational unit of the Department of Labor to which is assigned the performance of functions of the Secretary under the Service Contract Act of 1965, as amended.

(d) *Administrator* means the Administrator of the Wage and Hour Division, or authorized representative.

(e) *Contract* includes any contract subject wholly or in part to the provisions of the Service Contract Act of 1965 as amended, and any subcontract of any tier thereunder. (See §§ 4.10-4.134.)

(f) *Contractor* includes a subcontractor whose subcontract is subject to provisions of the Act. Also, the term *employer* means, and is used interchangeably with, the terms *contractor* and *subcontractor* in various sections in this part. The U.S. Government, its agencies, and instrumentalities are not contractors, subcontractors, employers or joint employers for purposes of compliance with the provisions of the Act.

(g) *Affiliate* or *affiliated person* includes a spouse, child, parent, or other close relative of the contractor or subcontractor; a partner or officer of the contractor or subcontractor; a corporation closely connected with a contractor or subcontractor as a parent, subsidiary, or otherwise; and an officer or agent of such corporation. An affiliation is also deemed to exist where, directly or indirectly, one business concern or individual controls or has the power to control the other or where a third party controls or has the power to control both.

(h) *Wage determination* includes any determination of minimum wage rates or fringe benefits made pursuant to the provisions of sections 2(a) and/or 4(c) of the Act for application to the employment in a locality of any class or classes of service employees in the performance of any contract in excess of \$2,500 which is subject to the provisions of

the Service Contract Act of 1965. A wage determination is effective upon its publication on the WDOL Web site or when a Federal agency receives a response from the Department of Labor to an e98.

(i) *Wage Determinations OnLine (WDOL)* means the Government Internet Web site for both Davis-Bacon Act and Service Contract Act wage determinations available at <http://www.wdol.gov>. In addition, WDOL provides compliance assistance information and a link to submit an e98 or any electronic means the Department of Labor may approve for this purpose. The term will also apply to any other Internet Web site or electronic means that the Department of Labor may approve for these purposes.

(j) The *e98* means a Department of Labor approved electronic application (<http://www.wdol.gov>), whereby a contracting officer submits pertinent information to the Department of Labor and requests a wage determination directly from the Wage and Hour Division. The term will also apply to any other process or system the Department of Labor may establish for this purpose.

§ 4.1b Payment of minimum compensation based on collectively bargained wage rates and fringe benefits applicable to employment under predecessor contract.

(a) Section 4(c) of the Service Contract Act of 1965 as amended provides special minimum wage and fringe benefit requirements applicable to every contractor and subcontractor under a contract which succeeds a contract subject to the Act and under which substantially the same services as under the predecessor contract are furnished in the same locality. Section 4(c) provides that no such contractor or subcontractor shall pay any service employee employed on the contract work less than the wages and fringe benefits provided for in a collective bargaining agreement as a result of arms-length negotiations, to which such service employees would have been entitled if they were employed

§ 4.2

under the predecessor contract, including accrued wages and fringe benefits and any prospective increases in wages and fringe benefits provided for in such collective bargaining agreement. If, however, the Secretary finds after a hearing in accordance with the regulations set forth in § 4.10 of this subpart and parts 6 and 8 of this title that in any of the foregoing circumstances such wages and fringe benefits are substantially at variance with those which prevail for service of a character similar in the locality, those wages and/or fringe benefits in such collective bargaining agreement which are found to be substantially at variance shall not apply, and a new wage determination shall be issued. If the contract has been awarded and work begun prior to a finding that the wages and/or fringe benefits in a collective bargaining agreement are substantially at variance with those prevailing in the locality, the payment obligation of such contractor or subcontractor with respect to the wages and fringe benefits contained in the new wage determination shall be applicable as of the date of the Administrative Law Judge's decision or, where the decision is reviewed by the Administrative Review Board, the date of the decision of the Administrative Review Board. (See also § 4.163(c).)

(b) Pursuant to section 4(b) of the Act, the application of section 4(c) is made subject to the following variation in the circumstances and under the conditions described: The wage rates and fringe benefits provided for in any collective bargaining agreement applicable to the performance of work under the predecessor contract which is consummated during the period of performance of such contract shall not be effective for purposes of the successor contract under the provisions of section 4(c) of the Act or under any wage determination implementing such section issued pursuant to section 2(a) of the Act, if—

(1) In the case of a successor contract for which bids have been invited by formal advertising, notice of the terms of such new or changed collective bargaining agreement is received by the contracting agency less than 10 days before the date set for opening of bids,

29 CFR Subtitle A (7-1-21 Edition)

provided that the contracting agency finds that there is not reasonable time still available to notify bidders; or

(2) Notice of the terms of a new or changed collective bargaining agreement is received by the agency after award of a successor contract to be entered into pursuant to negotiations or as a result of the execution of a renewal option or an extension of the initial contract term, provided that the contract start of performance is within 30 days of such award or renewal option or extension. If the contract does not specify a start of performance date which is within 30 days from the award, and/or performance of such procurement does not commence within this 30-day period, any notice of the terms of a new or changed collective bargaining agreement received by the agency not less than 10 days before commencement of the contract will be effective for purposes of the successor contract under section 4(c); and

(3) The limitations in paragraph (b)(1) or (2) of this section shall apply only if the contracting officer has given both the incumbent (predecessor) contractor and his employees' collective bargaining representative written notification at least 30 days in advance of all applicable estimated procurement dates, including issue of bid solicitation, bid opening, date of award, commencement of negotiations, receipt of proposals, or the commencement date of a contract resulting from a negotiation, option, or extension, as the case may be.

§ 4.2 Payment of minimum wage specified in section 6(a)(1) of the Fair Labor Standards Act of 1938 under all service contracts.

Section 2(b)(1) of the Service Contract Act of 1965 provides in effect that, regardless of contract amount, no contractor or subcontractor performing work under any Federal contract the principal purpose of which is to furnish services through the use of service employees shall pay any employees engaged in such work less than the minimum wage specified in section 6(a)(1) of the Fair Labor Standards Act of 1938, as amended.

[61 FR 68663, Dec. 30, 1996]

§ 4.3 Wage determinations.

(a) The minimum monetary wages and fringe benefits for service employees which the Act requires to be specified in contracts and bid solicitations subject to section 2(a) thereof will be set forth in wage determinations issued by the Administrator. Wage determinations shall be issued as soon as administratively feasible for all contracts subject to section 2(a) of the Act, and will be issued for all contracts entered into under which more than 5 service employees are to be employed.

(b) As described in subpart B of this part—Wage Determination Procedures, two types of wage determinations are issued under the Act: *Prevailing in the locality* or *Collective Bargaining Agreement (Successorship)* wage determinations. The facts related to a specific solicitation and contract will determine the type of wage determination applicable to that procurement. In addition, different types of prevailing wage determinations may be issued depending upon the nature of the contract. While prevailing wage determinations based upon cross-industry survey data are applicable to most contracts covered by the Act, in some cases the Department of Labor may issue industry specific wage determinations for application to specific types of service contracts. In addition, the geographic scope of contracts is often different and the geographic scope of the underlying survey data for the wage determinations applicable to those contracts may be different.

(c) Such wage determinations will set forth for the various classes of service employees to be employed in furnishing services under such contracts in the appropriate localities, minimum monetary wage rates to be paid and minimum fringe benefits to be furnished them during the periods when they are engaged in the performance of such contracts, including, where appropriate under the Act, provisions for adjustments in such minimum rates and benefits to be placed in effect under such contracts at specified future times. The wage rates and fringe benefits set forth in such wage determinations shall be determined in accordance with the provisions of sections 2(a)(1), (2), and (5), 4(c) and 4(d) of the

Act from those prevailing in the locality for such employees, with due consideration of the rates that would be paid for direct Federal employment of any classes of such employees whose wages, if Federally employed, would be determined as provided in 5 U.S.C. 5341 or 5 U.S.C. 5332, or from pertinent collective bargaining agreements with respect to the implementation of section 4(c). The wage rates and fringe benefits so determined for any class of service employees to be engaged in furnishing covered contract services in a locality shall be made applicable by contract to all service employees of such class employed to perform such services in the locality under any contract subject to section 2(a) of the Act which is entered into thereafter and before such determination has been rendered obsolete by a withdrawal, modification, revision, or supersedure.

(d) Generally, wage determinations issued for solicitations or negotiations for any contract where the place of performance is unknown will contain minimum monetary wages and fringe benefits for the various geographic localities where the work may be performed which were identified in the initial solicitation. (See § 4.4(a)(3)(i).)

(e) Wage determinations will be available for public inspection during business hours at the Wage and Hour Division, U.S. Department of Labor, Washington, DC, and copies will be made available upon request at Regional Offices of the Wage and Hour Division. In addition, most prevailing wage determinations are available online from WDOL. Archived versions of SCA wage determinations that are no longer current may be accessed in the “Archived SCA WD” database of WDOL for information purposes only. Contracting officers should not use an archived wage determination in a contract action without prior approval of the Department of Labor.

[48 FR 49762, Oct. 27, 1983, as amended at 70 FR 50895, Aug. 26, 2005; 82 FR 2224, Jan. 9, 2017]

§ 4.4 Obtaining a wage determination.

(a)(1) Sections 2(a)(1) and (2) of the Act require that every contract and

§ 4.4

any bid specification therefore in excess of \$2,500 contain a wage determination specifying the minimum monetary wages and fringe benefits to be paid to service employees performing work on the contract. The contracting agency, therefore, must obtain a wage determination prior to:

- (i) Any invitation for bids;
- (ii) Request for proposals;
- (iii) Commencement of negotiations;
- (iv) Exercise of option or contract extension;
- (v) Annual anniversary date of a multi-year contract subject to annual fiscal appropriations of the Congress; or
- (vi) Each biennial anniversary date of a multi-year contract not subject to such annual appropriations, if so authorized by the Wage and Hour Division.

(2) As described in § 4.4(b), wage determinations may be obtained from the Department of Labor by electronically submitting an e98 describing the proposed contract and the occupations expected to be employed on the contract. Based upon the information provided on the e98, the Department of Labor will respond with the wage determination or wage determinations that the contracting agency may rely upon as the correct wage determination(s) for the contract described in the e98. Alternatively, contracting agencies may select and obtain a wage determination using WDOL. (See § 4.4(c).) Although the WDOL Web site provides assistance to the agency to select the correct wage determination for the contract, the agency remains responsible for the wage determination selected.

(3)(i) Where the place of performance of a contract for services subject to the Act is unknown at the time of solicitation, the solicitation need not initially contain a wage determination. The contracting agency, upon identification of firms participating in the procurement in response to an initial solicitation, shall obtain a wage determination for each location where the work may be performed as indicated by participating firms. An applicable wage determination must be obtained for each firm participating in the bidding for the location in which it would perform the contract. The appropriate

29 CFR Subtitle A (7-1-21 Edition)

wage determination shall be incorporated in the resultant contract documents and shall be applicable to all work performed thereunder (regardless of whether the successful contractor subsequently changes the place(s) of contract performance).

(ii) There may be unusual situations, as determined by the Department of Labor upon consultation with a contracting agency, where the procedure in paragraph (a)(3)(i) of this section is not practicable in a particular situation. In these situations, the Department may authorize a modified procedure that may result in the subsequent issuance of wage determinations for one or more composite localities.

(4) In no event may a contract subject to the Act on which more than five (5) service employees are contemplated to be employed be awarded without an appropriate wage determination. (See section 10 of the Act.)

(b) e98 process—

(1) The e98 is an electronic application used by contracting agencies to request wage determinations directly from the Wage and Hour Division. The Division uses computers to analyze information provided on the e98 and to provide a response while the requester is online, if the analysis determines that an existing wage determination is currently applicable to the procurement. The response will assign a unique serial number to the e98 and the response will provide a link to an electronic copy of the applicable wage determination(s). If the initial computer analysis cannot identify the applicable wage determination for the request, an online response will be provided indicating that the request has been referred to an analyst. Again, the online response will assign a unique serial number to the e98. After an analyst has reviewed the request, a further response will be sent to the email address identified on the e98. In most cases, the further response will provide an attachment with a copy of the applicable wage determination(s). In some cases, however, additional information may be required and the additional information will be requested via email. After an applicable wage determination is sent in response to an e98, the e98 system continues to monitor the request

and if the applicable wage determination is revised in time to affect the procurement, an amended response will be sent to the email address identified on the e98.

(2) When completing an e98, it is important that all information requested be completed accurately and fully. However, several sections are particularly important. Since most responses are provided via email, a correct email address is critically important. Accurate procurement dates are essential for the follow-up response system to operate effectively. An accurate estimate of the number of service employees to be employed under the contract is also important because section 10 of the Act requires that a wage determination be issued for all contracts that involve more than five service employees.

(3) Since the e98 system automatically provides an amended response if the applicable wage determination is revised, the email address listed on the e98 must be monitored during the full solicitation stage of the procurement. Communications sent to the email address provided are deemed to be received by the contracting agency. A contracting agency must update the email address through the “help” process identified on the e98, if the agency no longer intends to monitor the email address.

(4) For invitations to bid, if the bid opening date is delayed by more than sixty (60) days, or if contract commencement is delayed by more than sixty (60) days for all other contract actions, the contracting agency shall submit a revised e98.

(5) If the services to be furnished under the proposed contract will be substantially the same as services being furnished in the same locality by an incumbent contractor whose contract the proposed contract will succeed, and if such incumbent contractor is furnishing such services through the use of service employees whose wage rates and fringe benefits are the subject of one or more collective bargaining agreements, the contracting agency shall reference the union and the collective bargaining agreement on the e98. The requester will receive an e-mail response giving instructions for

submitting a copy of each such collective bargaining agreement together with any related documents specifying the wage rates and fringe benefits currently or prospectively payable under such agreement. After receipt of the collective bargaining agreement, the Wage and Hour Division will provide a further e-mail response attaching a copy of the wage determination based upon the collective bargaining agreement. If the place of contract performance is unknown, the contracting agency will submit the collective bargaining agreement of the incumbent contractor for incorporation into a wage determination applicable to a potential bidder located in the same locality as the predecessor contractor. If such services are being furnished at more than one locality and the collectively bargained wage rates and fringe benefits are different at different localities or do not apply to one or more localities, the agency shall identify the localities to which such agreements have application. If the collective bargaining agreement does not apply to all service employees under the contract, the agency shall identify the employees and/or work subject to the collective bargaining agreement. In the event the agency has reason to believe that any such collective bargaining agreement was not entered into as a result of arm’s-length negotiations, a full statement of the facts so indicating shall be transmitted with the copy of such agreement. (See §4.11.) If the agency has information indicating that any such collectively bargained wage rates and fringe benefits are substantially at variance with those prevailing for services of a similar character in the locality, the agency shall so advise the Wage and Hour Division and, if it believes a hearing thereon pursuant to section 4(c) of the Act is warranted, shall file its request for such hearing pursuant to §4.10 at the time of filing the e98.

(6) If the proposed contract is for a multi-year period subject to other than annual appropriations, the contracting agency shall provide a statement in the comments section of the e98 concerning the type of funding and the contemplated term of the proposed contract. Unless otherwise advised by the

§ 4.4

29 CFR Subtitle A (7-1-21 Edition)

Wage and Hour Division that a wage determination must be obtained on the annual anniversary date, a new wage determination shall be obtained on each biennial anniversary date of the proposed multi-year contract in the event its term is for a period in excess of two years.

(c) WDOL process—

(1) Contracting agencies may use the WDOL Web site to select the applicable prevailing wage determination for the procurement. The WDOL site provides assistance to the agency in the selection of the correct wage determination. The contracting agency, however, is fully responsible for selecting the correct wage determination. If the Department of Labor subsequently determines that an incorrect wage determination was applied to a specific contract, the contracting agency, in accordance with § 4.5, shall amend the contract to incorporate the correct wage determination as determined by the Department of Labor.

(2) If an applicable prevailing wage determination is not available on the WDOL site, the contracting agency must submit an e98 in accordance with § 4.4(b).

(3) The contracting agency shall monitor the WDOL site to determine whether the applicable wage determination has been revised. Revisions published on the WDOL site or otherwise communicated to the contracting officer within the timeframes prescribed in § 4.5(a)(2) are applicable and must be included in the resulting contract.

(4) If the services to be furnished under the proposed contract will be substantially the same as services being furnished in the same locality by an incumbent contractor whose contract the proposed contract will succeed, and if such incumbent contractor is furnishing such services through the use of service employees whose wage rates and fringe benefits are the subject of one or more collective bargaining agreements, the contracting agency may prepare a wage determination that references the collective bargaining agreement by incorporating that wage determination, with a complete copy of the collective bargaining agreement attached thereto, into the

successor contract action. It need not submit a copy of the collective bargaining agreement to the Department of Labor unless requested to do so. If the place of contract performance is unknown, the contracting agency will prepare a wage determination on WDOL and attach the collective bargaining agreement of the incumbent contractor and make both the wage determination and collective bargaining agreement applicable to a potential bidder located in the same locality as the predecessor contractor. (See section 4.4(a)(3).) If such services are being furnished at more than one locality and the collectively bargained wage rates and fringe benefits are different at different localities or do not apply to one or more localities, the agency shall identify the localities to which such agreements have application. If the collective bargaining agreement does not apply to all service employees under the contract, the agency shall identify the employees and/or work subject to the collective bargaining agreement. In the event the agency has reason to believe that any such collective bargaining agreement was not entered into as a result of arm's-length negotiations, a full statement of the facts so indicating shall be transmitted to the Wage and Hour Division with the copy of such agreement. (See § 4.11.) If the agency has information indicating that any such collectively bargained wage rates and fringe benefits are substantially at variance with those prevailing for services of a similar character in the locality, the agency shall so advise the Wage and Hour Division and, if it believes a hearing thereon pursuant to section 4(c) of the Act is warranted, shall file its request for such hearing pursuant to § 4.10. A wage determination based upon the collective bargaining agreement must be included in the contract until a hearing or a final ruling of the Administrator determines that the collective bargaining agreement was not reached as the result of arm's-length negotiations or was substantially at variance with locally prevailing rates. Any questions regarding timeliness or applicability of collective bargaining agreements must be referred to the Department of Labor for resolution.

(5) If the proposed contract is for a multi-year period subject to other than annual appropriations, the contracting agency shall, unless otherwise advised by the Wage and Hour Division, obtain a new wage determination on each biennial anniversary date of the proposed multi-year contract in the event its term is for a period in excess of two years.

[70 FR 50896, Aug. 26, 2005]

§ 4.5 Contract specification of determined minimum wages and fringe benefits.

(a) Any contract in excess of \$2,500 shall contain, as an attachment, the applicable, currently effective wage determination specifying the minimum wages and fringe benefits for service employees to be employed thereunder, including any information referred to in paragraphs (a)(1) or (2) of this section;

(1) Any wage determination from the Wage and Hour Division, Department of Labor, responsive to the contracting agency's submission of an e98 or obtained through WDOL under § 4.4; or

(2) Any revision of a wage determination issued prior to the award of the contract or contracts which specifies minimum wage rates or fringe benefits for classes of service employees whose wages or fringe benefits were not previously covered by wage determinations, or which changes previously determined minimum wage rates and fringe benefits for service employees employed on covered contracts in the locality.

(i) However, revisions received by the Federal agency later than 10 days before the opening of bids, in the case of contracts entered into pursuant to competitive bidding procedures, shall not be effective if the Federal agency finds that there is not a reasonable time still available to notify bidders of the revision.

(ii) In the case of procurements entered into pursuant to negotiations (or in the case of the execution of an option or an extension of the initial contract term), revisions received by the agency after award (or execution of an option or extension of term, as the case may be) of the contract shall not be effective provided that the contract start

of performance is within 30 days of such award (or execution of an option or extension of term). Any notice of a revision received by the agency not less than 10 days before commencement of the contract shall be effective, if:

(A) The contract does not specify a start of performance date which is within 30 days from the award; and/or

(B) Performance of such procurement does not commence within this 30-day period.

(iii) In situations arising under section 4(c) of the Act, the provisions in § 4.1b(b) apply.

(3) For purposes of using WDOL databases containing prevailing wage determinations, the date of receipt by the contracting agency will be the date of publication on the WDOL Web site or on the date the agency receives actual notice of an initial or revised wage determination from the Department of Labor through the e98 process, whichever occurs first.

(b)(1) The following exemption from the compensation requirements of section 2(a) of the Act applies, subject to the limitations set forth in paragraphs (b)(2), (3), and (4) of this section: To avoid serious impairment of the conduct of Government business it has been found necessary and proper to provide exemption from the determined wage and fringe benefits section of the Act (section 2(a)(1), (2)) but not the minimum wage specified under section 6(a)(1) of the Fair Labor Standards Act of 1938, as amended (section 2(b) of this Act), of contracts under which five or less service employees are to be employed, and for which no such wage or fringe benefit determination has been issued;

(2) The exemption provided in paragraph (b)(1) of this section, which was adopted pursuant to section 4(b) of the Act prior to its amendment by Public Law 92-473, does not extend to undetermined wages or fringe benefits in contracts for which one or more, but not all, classes of service employees are the subject of an applicable wage determination. The procedure for determination of wage rates and fringe benefits for any classes of service employees engaged in performing such contracts whose wages and fringe benefits

§ 4.6

are not specified in the applicable wage determination is set forth in § 4.6(b).

(3) The exemption provided in paragraph (b)(1) of this section does not exempt any contract from the application of the provisions of section 4(c) of the Act as amended, concerning successor contracts.

(4) The exemption provided in paragraph (b)(1) of this section does not apply to any contract for which section 10 of the Act as amended requires an applicable wage determination.

(c) Where the Department of Labor discovers and determines, whether before or subsequent to a contract award, that a contracting agency made an erroneous determination that the Service Contract Act did not apply to a particular procurement and/or failed to include an appropriate wage determination in a covered contract, the contracting agency, within 30 days of notification by the Department of Labor, shall include in the contract the stipulations contained in § 4.6 and any applicable wage determination issued by the Administrator or his authorized representative through the exercise of any and all authority that may be needed (including, where necessary, its authority to negotiate or amend, its authority to pay any necessary additional costs, and its authority under any contract provision authorizing changes, cancellation, and termination). With respect to any contract subject to section 10 of the Act, the Administrator may require retroactive application of such wage determination. (See 53 Comp. Gen. 412, (1973); *Curtiss-Wright Corp. v. McLucas*, 381 F. Supp. 657 (D NJ 1974); *Marine Engineers Beneficial Assn., District 2 v. Military Sealift Command*, 86 CCH Labor Cases ¶33,782 (D DC 1979); *Brinks, Inc. v. Board of Governors of the Federal Reserve System*, 466 F. Supp. 112 (D DC 1979), 466 F. Supp. 116 (D DC 1979).) (See also 32 CFR 1-403.)

(d) In cases where the contracting agency has filed an e98 and has not received a response from the Department of Labor, the contracting agency shall, with respect to any contract for which section 10 to the Act and § 4.3 for this part mandate the inclusion of an applicable wage determination, contact the

§ 4.6 Labor standards clauses for Federal service contracts exceeding \$2,500.

The clauses set forth in the following paragraphs shall be included in full by the contracting agency in every contract entered into by the United States or the District of Columbia, in excess of \$2,500, or in an indefinite amount, the principal purpose of which is to furnish services through the use of service employees:

(a) Service Contract Act of 1965, as amended: This contract is subject to the Service Contract Act of 1965, as amended (41 U.S.C. 351 *et seq.*) and is subject to the following provisions and to all other applicable provisions of the Act and regulations of the Secretary of Labor issued thereunder (29 CFR part 4).

(b)(1) Each service employee employed in the performance of this contract by the contractor or any subcontractor shall be paid not less than the minimum monetary wages and shall be furnished fringe benefits in accordance with the wages and fringe benefits determined by the Secretary of Labor or authorized representative, as specified in any wage determination attached to this contract.

(2)(i) If there is such a wage determination attached to this contract, the contracting officer shall require that any class of service employee which is not listed therein and which is to be employed under the contract (i.e., the work to be performed is not performed by any classification listed in the wage determination), be classified by the contractor so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination. Such conformed class of employees shall be paid the monetary wages and furnished the fringe benefits as are determined pursuant to the procedures in this section.

(ii) Such conforming procedure shall be initiated by the contractor prior to

the performance of contract work by such unlisted class of employee. A written report of the proposed conforming action, including information regarding the agreement or disagreement of the authorized representative of the employees involved or, where there is no authorized representative, the employees themselves, shall be submitted by the contractor to the contracting officer no later than 30 days after such unlisted class of employees performs any contract work. The contracting officer shall review the proposed action and promptly submit a report of the action, together with the agency's recommendation and all pertinent information including the position of the contractor and the employees, to the Wage and Hour Division, U.S. Department of Labor, for review. The Wage and Hour Division will approve, modify, or disapprove the action or render a final determination in the event of disagreement within 30 days of receipt or will notify the contracting officer within 30 days of receipt that additional time is necessary.

(iii) The final determination of the conformance action by the Wage and Hour Division shall be transmitted to the contracting officer who shall promptly notify the contractor of the action taken. Each affected employee shall be furnished by the contractor with a written copy of such determination or it shall be posted as a part of the wage determination.

(iv)(A) The process of establishing wage and fringe benefit rates that bear a reasonable relationship to those listed in a wage determination cannot be reduced to any single formula. The approach used may vary from wage determination to wage determination depending on the circumstances. Standard wage and salary administration practices which rank various job classifications by pay grade pursuant to point schemes or other job factors may, for example, be relied upon. Guidance may also be obtained from the way different jobs are rated under Federal pay systems (Federal Wage Board Pay System and the General Schedule) or from other wage determinations issued in the same locality. Basic to the establishment of any conformable wage rate(s) is the concept that a pay

relationship should be maintained between job classifications based on the skill required and the duties performed.

(B) In the case of a contract modification, an exercise of an option or extension of an existing contract, or in any other case where a contractor succeeds a contract under which the classification in question was previously conformed pursuant to this section, a new conformed wage rate and fringe benefits may be assigned to such conformed classification by indexing (i.e., adjusting) the previous conformed rate and fringe benefits by an amount equal to the average (mean) percentage increase (or decrease, where appropriate) between the wages and fringe benefits specified for all classifications to be used on the contract which are listed in the current wage determination, and those specified for the corresponding classifications in the previously applicable wage determination. Where conforming actions are accomplished in accordance with this paragraph prior to the performance of contract work by the unlisted class of employees, the contractor shall advise the contracting officer of the action taken but the other procedures in paragraph (b)(2)(ii) of this section need not be followed.

(C) No employee engaged in performing work on this contract shall in any event be paid less than the currently applicable minimum wage specified under section 6(a)(1) of the Fair Labor Standards Act of 1938, as amended.

(v) The wage rate and fringe benefits finally determined pursuant to paragraphs (b)(2)(i) and (ii) of this section shall be paid to all employees performing in the classification from the first day on which contract work is performed by them in the classification. Failure to pay such unlisted employees the compensation agreed upon by the interested parties and/or finally determined by the Wage and Hour Division retroactive to the date such class of employees commenced contract work shall be a violation of the Act and this contract.

(vi) Upon discovery of failure to comply with paragraphs (b)(2)(i) through (v) of this section, the Wage and Hour

§ 4.6

29 CFR Subtitle A (7-1-21 Edition)

Division shall make a final determination of conformed classification, wage rate, and/or fringe benefits which shall be retroactive to the date such class of employees commenced contract work.

(3) If, as authorized pursuant to section 4(d) of the Service Contract Act of 1965 as amended, the term of this contract is more than 1 year, the minimum monetary wages and fringe benefits required to be paid or furnished thereunder to service employees shall be subject to adjustment after 1 year and not less often than once every 2 years, pursuant to wage determinations to be issued by the Wage and Hour Division of the Department of Labor as provided in such Act.

(c) The contractor or subcontractor may discharge the obligation to furnish fringe benefits specified in the attachment or determined conformably thereto by furnishing any equivalent combinations of bona fide fringe benefits, or by making equivalent or differential payments in cash in accordance with the applicable rules set forth in subpart D of 29 CFR part 4, and not otherwise.

(d)(1) In the absence of a minimum wage attachment for this contract, neither the contractor nor any subcontractor under this contract shall pay any person performing work under the contract (regardless of whether they are service employees) less than the minimum wage specified by section 6(a)(1) of the Fair Labor Standards Act of 1938. Nothing in this provision shall relieve the contractor or any subcontractor of any other obligation under law or contract for the payment of a higher wage to any employee.

(2) If this contract succeeds a contract, subject to the Service Contract Act of 1965 as amended, under which substantially the same services were furnished in the same locality and service employees were paid wages and fringe benefits provided for in a collective bargaining agreement, in the absence of the minimum wage attachment for this contract setting forth such collectively bargained wage rates and fringe benefits, neither the contractor nor any subcontractor under this contract shall pay any service employee performing any of the contract work (regardless of whether or not

such employee was employed under the predecessor contract), less than the wages and fringe benefits provided for in such collective bargaining agreements, to which such employee would have been entitled if employed under the predecessor contract, including accrued wages and fringe benefits and any prospective increases in wages and fringe benefits provided for under such agreement. No contractor or subcontractor under this contract may be relieved of the foregoing obligation unless the limitations of § 4.1b(b) of 29 CFR part 4 apply or unless the Secretary of Labor or his authorized representative finds, after a hearing as provided in § 4.10 of 29 CFR part 4 that the wages and/or fringe benefits provided for in such agreement are substantially at variance with those which prevail for services of a character similar in the locality, or determines, as provided in § 4.11 of 29 CFR part 4, that the collective bargaining agreement applicable to service employees employed under the predecessor contract was not entered into as a result of arm's-length negotiations. Where it is found in accordance with the review procedures provided in 29 CFR 4.10 and/or 4.11 and parts 6 and 8 that some or all of the wages and/or fringe benefits contained in a predecessor contractor's collective bargaining agreement are substantially at variance with those which prevail for services of a character similar in the locality, and/or that the collective bargaining agreement applicable to service employees employed under the predecessor contract was not entered into as a result of arm's-length negotiations, the Department will issue a new or revised wage determination setting forth the applicable wage rates and fringe benefits. Such determination shall be made part of the contract or subcontract, in accordance with the decision of the Administrator, the Administrative Law Judge, or the Administrative Review Board, as the case may be, irrespective of whether such issuance occurs prior to or after the award of a contract or subcontract. 53 Comp. Gen. 401 (1973). In the case of a wage determination issued solely as a result of a finding of

substantial variance, such determination shall be effective as of the date of the final administrative decision.

(e) The contractor and any subcontractor under this contract shall notify each service employee commencing work on this contract of the minimum monetary wage and any fringe benefits required to be paid pursuant to this contract, or shall post the wage determination attached to this contract. The poster provided by the Department of Labor (Publication WH 1313) shall be posted in a prominent and accessible place at the worksite. Failure to comply with this requirement is a violation of section 2(a)(4) of the Act and of this contract.

(f) The contractor or subcontractor shall not permit any part of the services called for by this contract to be performed in buildings or surroundings or under working conditions provided by or under the control or supervision of the contractor or subcontractor which are unsanitary or hazardous or dangerous to the health or safety of service employees engaged to furnish these services, and the contractor or subcontractor shall comply with the safety and health standards applied under 29 CFR part 1925.

(g)(1) The contractor and each subcontractor performing work subject to the Act shall make and maintain for 3 years from the completion of the work records containing the information specified in paragraphs (g)(1)(i) through (vi) of this section for each employee subject to the Act and shall make them available for inspection and transcription by authorized representatives of the Wage and Hour Division of the U.S. Department of Labor:

(i) Name and address and social security number of each employee.

(ii) The correct work classification or classifications, rate or rates of monetary wages paid and fringe benefits provided, rate or rates of fringe benefit payments in lieu thereof, and total daily and weekly compensation of each employee.

(iii) The number of daily and weekly hours so worked by each employee.

(iv) Any deductions, rebates, or refunds from the total daily or weekly compensation of each employee.

(v) A list of monetary wages and fringe benefits for those classes of service employees not included in the wage determination attached to this contract but for which such wage rates or fringe benefits have been determined by the interested parties or by the Administrator or authorized representative pursuant to the labor standards clause in paragraph (b) of this section. A copy of the report required by the clause in paragraph (b)(2)(i) of this section shall be deemed to be such a list.

(vi) Any list of the predecessor contractor's employees which had been furnished to the contractor pursuant to § 4.6(1)(2).

(2) The contractor shall also make available a copy of this contract for inspection or transcription by authorized representatives of the Wage and Hour Division.

(3) Failure to make and maintain or to make available such records for inspection and transcription shall be a violation of the regulations and this contract, and in the case of failure to produce such records, the contracting officer, upon direction of the Department of Labor and notification of the contractor, shall take action to cause suspension of any further payment or advance of funds until such violation ceases.

(4) The contractor shall permit authorized representatives of the Wage and Hour Division to conduct interviews with employees at the worksite during normal working hours.

(h) The contractor shall unconditionally pay to each employee subject to the Act all wages due free and clear and without subsequent deduction (except as otherwise provided by law or Regulations, 29 CFR part 4), rebate, or kickback on any account. Such payments shall be made no later than one pay period following the end of the regular pay period in which such wages were earned or accrued. A pay period under this Act may not be of any duration longer than semi-monthly.

(i) The contracting officer shall withhold or cause to be withheld from the Government prime contractor under this or any other Government contract with the prime contractor such sums

§ 4.6

as an appropriate official of the Department of Labor requests or such sums as the contracting officer decides may be necessary to pay underpaid employees employed by the contractor or subcontractor. In the event of failure to pay any employees subject to the Act all or part of the wages or fringe benefits due under the Act, the agency may, after authorization or by direction of the Department of Labor and written notification to the contractor, take action to cause suspension of any further payment or advance of funds until such violations have ceased. Additionally, any failure to comply with the requirements of these clauses relating to the Service Contract Act of 1965, may be grounds for termination of the right to proceed with the contract work. In such event, the Government may enter into other contracts or arrangements for completion of the work, charging the contractor in default with any additional cost.

(j) The contractor agrees to insert these clauses in this section relating to the Service Contract Act of 1965 in all subcontracts subject to the Act. The term *contractor* as used in these clauses in any subcontract, shall be deemed to refer to the subcontractor, except in the term *Government prime contractor*.

(k)(1) As used in these clauses, the term *service employee* means any person engaged in the performance of this contract other than any person employed in a bona fide executive, administrative, or professional capacity, as those terms are defined in part 541 of title 29, Code of Federal Regulations, as of July 30, 1976, and any subsequent revision of those regulations. The term *service employee* includes all such persons regardless of any contractual relationship that may be alleged to exist between a contractor or subcontractor and such persons.

(2) The following statement is included in contracts pursuant to section 2(a)(5) of the Act and is for *informational purposes only*:

The following classes of service employees expected to be employed under the contract with the Government would be subject, if employed by the contracting agency, to the provisions of 5 U.S.C. 5341 or 5 U.S.C. 5332 and would, if so employed, be paid not less

29 CFR Subtitle A (7-1-21 Edition)

than the following rates of wages and fringe benefits:

Employee class	Monetary wage-fringe benefits
.....
.....
.....

(1)(1) If wages to be paid or fringe benefits to be furnished any service employees employed by the Government prime contractor or any subcontractor under the contract are provided for in a collective bargaining agreement which is or will be effective during any period in which the contract is being performed, the Government prime contractor shall report such fact to the contracting officer, together with full information as to the application and accrual of such wages and fringe benefits, including any prospective increases, to service employees engaged in work on the contract, and a copy of the collective bargaining agreement. Such report shall be made upon commencing performance of the contract, in the case of collective bargaining agreements effective at such time, and in the case of such agreements or provisions or amendments thereof effective at a later time during the period of contract performance, such agreements shall be reported promptly after negotiation thereof.

(2) Not less than 10 days prior to completion of any contract being performed at a Federal facility where service employees may be retained in the performance of the succeeding contract and subject to a wage determination which contains vacation or other benefit provisions based upon length of service with a contractor (predecessor) or successor (§4.173 of Regulations, 29 CFR part 4), the incumbent prime contractor shall furnish to the contracting officer a certified list of the names of all service employees on the contractor's or subcontractor's payroll during the last month of contract performance. Such list shall also contain anniversary dates of employment on the contract either with the current or predecessor contractors of each such

service employee. The contracting officer shall turn over such list to the successor contractor at the commencement of the succeeding contract.

(m) Rulings and interpretations of the Service Contract Act of 1965, as amended, are contained in Regulations, 29 CFR part 4.

(n)(1) By entering into this contract, the contractor (and officials thereof) certifies that neither it (nor he or she) nor any person or firm who has a substantial interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of the sanctions imposed pursuant to section 5 of the Act.

(2) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract pursuant to section 5 of the Act.

(3) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001.

(o) Notwithstanding any of the clauses in paragraphs (b) through (m) of this section relating to the Service Contract Act of 1965, the following employees may be employed in accordance with the following variations, tolerances, and exemptions, which the Secretary of Labor, pursuant to section 4(b) of the Act prior to its amendment by Public Law 92-473, found to be necessary and proper in the public interest or to avoid serious impairment of the conduct of Government business:

(1) Apprentices, student-learners, and workers whose earning capacity is impaired by age, physical, or mental deficiency or injury may be employed at wages lower than the minimum wages otherwise required by section 2(a)(1) or 2(b)(1) of the Service Contract Act without diminishing any fringe benefits or cash payments in lieu thereof required under section 2(a)(2) of that Act, in accordance with the conditions and procedures prescribed for the employment of apprentices, student-learners, handicapped persons, and handicapped clients of sheltered workshops under section 14 of the Fair Labor Standards Act of 1938, in the regulations issued by the Administrator (29 CFR parts 520, 521, 524, and 525).

(2) The Administrator will issue certificates under the Service Contract

Act for the employment of apprentices, student-learners, handicapped persons, or handicapped clients of sheltered workshops not subject to the Fair Labor Standards Act of 1938, or subject to different minimum rates of pay under the two acts, authorizing appropriate rates of minimum wages (but without changing requirements concerning fringe benefits or supplementary cash payments in lieu thereof), applying procedures prescribed by the applicable regulations issued under the Fair Labor Standards Act of 1938 (29 CFR parts 520, 521, 524, and 525).

(3) The Administrator will also withdraw, annul, or cancel such certificates in accordance with the regulations in parts 525 and 528 of title 29 of the Code of Federal Regulations.

(p) Apprentices will be permitted to work at less than the predetermined rate for the work they perform when they are employed and individually registered in a bona fide apprenticeship program registered with a State Apprenticeship Agency which is recognized by the U.S. Department of Labor, or if no such recognized agency exists in a State, under a program registered with the Bureau of Apprenticeship and Training, Employment and Training Administration, U.S. Department of Labor. Any employee who is not registered as an apprentice in an approved program shall be paid the wage rate and fringe benefits contained in the applicable wage determination for the journeyman classification of work actually performed. The wage rates paid apprentices shall not be less than the wage rate for their level of progress set forth in the registered program, expressed as the appropriate percentage of the journeyman's rate contained in the applicable wage determination. The allowable ratio of apprentices to journeymen employed on the contract work in any craft classification shall not be greater than the ratio permitted to the contractor as to his entire work force under the registered program.

(q) Where an employee engaged in an occupation in which he or she customarily and regularly receives more than \$30 a month in tips, the amount of tips received by the employee may be credited by the employer against the minimum wage required by Section 2(a)(1)

§§ 4.7–4.9

or 2(b)(1) of the Act to the extent permitted by section 3(m) of the Fair Labor Standards Act and Regulations, 29 CFR part 531. To utilize this proviso:

(1) The employer must inform tipped employees about this tip credit allowance before the credit is utilized;

(2) The employees must be allowed to retain all tips (individually or through a pooling arrangement and regardless of whether the employer elects to take a credit for tips received);

(3) The employer must be able to show by records that the employee receives at least the applicable Service Contract Act minimum wage through the combination of direct wages and tip credit;

(4) The use of such tip credit must have been permitted under any predecessor collective bargaining agreement applicable by virtue of section 4(c) of the Act.

(r) *Disputes concerning labor standards.* Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 4, 6, and 8. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.

29 CFR Subtitle A (7–1–21 Edition)

§§ 4.7–4.9 [Reserved]

§ 4.10 Substantial variance proceedings under section 4(c) of the Act.

(a) *Statutory provision.* Under section 4(c) of the Act, and under corresponding wage determinations made as provided in section 2(a)(1) and (2) of the Act, contractors and subcontractors performing contracts subject to the Act generally are obliged to pay to service employees employed on the contract work wages and fringe benefits not less than those to which they would have been entitled under a collective bargaining agreement if they were employed on like work under a predecessor contract in the same locality. (See §§4.1b, 4.3, 4.6(d)(2).) Section 4(c) of the Act provides, however, that “such obligations shall not apply if the Secretary finds after a hearing in accordance with regulations adopted by the Secretary that such wages and fringe benefits are substantially at variance with those which prevail for services of a character similar in the locality”.

(b) *Prerequisites for hearing.* (1)(i) A request for a hearing under this section may be made by the contracting agency or other person affected or interested, including contractors or prospective contractors and associations of contractors, representatives of employees, and other interested Governmental agencies. Such a request shall be submitted in writing to the Administrator, Wage and Hour Division, U.S. Department of Labor, Washington, DC 20210, and shall include the following:

(A) The number of any wage determination at issue, the name of the contracting agency whose contract is involved, and a brief description of the services to be performed under the contract;

(B) A statement regarding the status of the procurement and any estimated procurement dates, such as bid opening, contract award, commencement date of the contract or its follow-up option period;

(C) A statement of the applicant’s case, setting forth in detail the reasons why the applicant believes that a substantial variance exists with respect to some or all of the wages and/or fringe

benefits, attaching available data concerning wages and/or fringe benefits prevailing in the locality;

(D) Names and addresses (to the extent known) of interested parties.

(ii) If the information in paragraph (b)(1)(i) of this section is not submitted with the request, the Administrator may deny the request or request supplementary information, at his/her discretion. No particular form is prescribed for submission of a request under this section.

(2) The Administrator will respond to the party requesting a hearing within 30 days after receipt, granting or denying the request or advising that additional time is necessary for a decision. No hearing will be provided pursuant to this section and section 4(c) of the Act unless the Administrator determines from information available or submitted with a request for such a hearing that there may be a substantial variance between some or all of the wage rates and/or fringe benefits provided for in a collective bargaining agreement to which the service employees would otherwise be entitled by virtue of the provisions of section 4(c) of the Act, and those which prevail for services of a character similar in the locality.

(3) Pursuant to section 4(b) of the Act, requests for a hearing shall not be considered unless received as specified below, except in those situations where the Administrator determines that extraordinary circumstances exist:

(i) For advertised contracts, prior to ten days before the award of the contract;

(ii) For negotiated contracts and for contracts with provisions extending the initial term by option, prior to the commencement date of the contract or the follow-up option period, as the case may be.

(c) *Referral to the Chief Administrative Law Judge.* When the Administrator determines from the information available or submitted with a request for a hearing that there may be a substantial variance, the Administrator on his/her own motion or on application of any interested person will by order refer the issue to the Chief Administrative Law Judge, for designation of an Administrative Law Judge who shall

conduct such a fact finding hearing as may be necessary to render a decision solely on the issue of whether the wages and/or fringe benefits contained in the collective bargaining agreement which was the basis for the wage determination at issue are substantially at variance with those which prevail for services of a character similar in the locality. However, in situations where there is also a question as to whether the collective bargaining agreement was reached as a result of "arm's-length negotiations" (see § 4.11), the referral shall include both issues for resolution in one proceeding. No authority is delegated under this section to hear and/or decide any other issues pertaining to the Service Contract Act. As provided in section 4(a) of the Act, the provisions of section 4 and 5 of the Walsh-Healey Public Contracts Act (41 U.S.C. 38, 39) shall be applicable to such proceeding, which shall be conducted in accordance with the procedures set forth at 29 CFR part 6.

(d) The Administrator shall be an interested party and shall have the opportunity to participate in the proceeding to the degree he/she considers appropriate.

[48 FR 49762, Oct. 27, 1983, as amended at 82 FR 2225, Jan. 9, 2017]

§ 4.11 Arm's length proceedings.

(a) *Statutory provision.* Under section 4(c) of the Act, the wages and fringe benefits provided in the predecessor contractor's collective bargaining agreement must be reached "as a result of arm's-length negotiations." This provision precludes arrangements by parties to a collective bargaining agreement who, either separately or together, act with an intent to take advantage of the wage determination scheme provided for in sections 2(a) and 4(c) of the Act. See *Trinity Services, Inc. v. Marshall*, 593 F.2d 1250 (D.C. Cir. 1978). A finding as to whether a collective bargaining agreement or particular wages and fringe benefits therein are reached as a result of arm's-length negotiations may be made through investigation, hearing or otherwise pursuant to the Secretary's authority under section 4(a) of the Act.

(b) *Prerequisites for hearing.* (1) A request for a determination under this

§4.11

29 CFR Subtitle A (7-1-21 Edition)

section may be made by a contracting agency or other person affected or interested, including contractors or prospective contractors and associations of contractors, representatives of employees, and interested Governmental agencies. Such a request shall be submitted in writing to the Administrator, Wage and Hour Division, U.S. Department of Labor, Washington, DC 20210. Although no particular form is prescribed for submission of a request under this section, such request shall include the following information:

(i) A statement of the applicant's case setting forth in detail the reasons why the applicant believes that the wages and fringe benefits contained in the collective bargaining agreement were not reached as a result of arm's-length negotiations;

(ii) A statement regarding the status of the procurement and any estimated procurement dates, such as bid opening, contract award, commencement date of the contract or its follow-up option period;

(iii) Names and addresses (to the extent known) of interested parties.

(2) Pursuant to section 4(b) of the Act, requests for a hearing shall not be considered unless received as specified below except in those situations where the Administrator determines that extraordinary circumstances exist:

(i) For advertised contracts, prior to ten days before the award of the contract;

(ii) For negotiated contracts and for contracts with provisions extending the term by option, prior to the commencement date of the contract or the follow-up option period, as the case may be.

(c)(1) The Administrator, on his/her own motion or after receipt of a request for a determination, may make a finding on the issue of arm's-length negotiations.

(2) If the Administrator determines that there may not have been arm's-length negotiations, but finds that there is insufficient evidence to render a final decision thereon, the Administrator may refer the issue to the Chief Administrative Law Judge in accordance with paragraph (d) of this section.

(3)(i) If the Administrator finds that the collective bargaining agreement or

wages and fringe benefits at issue were reached as a result of arm's-length negotiations or that arm's-length negotiations did not take place, the interested parties, including the parties to the collective bargaining agreement, will be notified of the Administrator's findings, which shall include the reasons therefor, and such parties shall be afforded an opportunity to request that a hearing be held to render a decision on the issue of arm's-length negotiations.

(ii) Such parties shall have 20 days from the date of the Administrator's ruling to request a hearing. A detailed statement of the reasons why the Administrator's ruling is in error, including facts alleged to be in dispute, if any, shall be submitted with the request for a hearing.

(iii) If no hearing is requested within the time mentioned in paragraph (c)(3)(ii) of this section, the Administrator's ruling shall be final, and, in the case of a finding that arm's-length negotiations did not take place, a new wage determination will be issued for the contract. If a hearing is requested, the decision of the Administrator shall be inoperative.

(d) *Referral to the Chief Administrative Law Judge.* The Administrator on his/her own motion, under paragraph (c)(2) of this section or upon a request for a hearing under paragraph (c)(3)(ii) of this section where the Administrator determines that material facts are in dispute, shall by order refer the issue to the Chief Administrative Law Judge for designation of an Administrative Law Judge, who shall conduct such hearings as may be necessary to render a decision solely on the issue of arm's-length negotiations. However, in situations where there is also a question as to whether some or all of the collectively bargained wage rates and/or fringe benefits are substantially at variance (see §4.10), the referral shall include both issues for resolution in one proceeding. As provided in section 4(a) of the Act, the provisions of sections 4 and 5 of the Walsh-Healey Public Contracts Act (41 U.S.C. 38, 39) shall be applicable to such proceeding, which shall be conducted in accordance with the procedures set forth at 29 CFR part 6.

(e) *Referral to the Administrative Review Board.* When a party requests a hearing under paragraph (c)(3)(ii) of this section and the Administrator determines that no material facts are in dispute, the Administrator shall refer the issue and the record compiled thereon to the Administrative Review Board to render a decision solely on the issue of arm's-length negotiations. Such proceeding shall be conducted in accordance with the procedures set forth at 29 CFR part 8.

[48 FR 49762, Oct. 27, 1983, as amended at 82 FR 2225, Jan. 9, 2017]

§ 4.12 Substantial interest proceedings.

(a) *Statutory provision.* Under section 5(a) of the Act, no contract of the United States (or the District of Columbia) shall be awarded to the persons or firms appearing on the list distributed by the Comptroller General giving the names of persons or firms who have been found to have violated the Act until 3 years have elapsed from the date of publication of the list. Section 5(a) further states that "no contract of the United States shall be awarded * * * to any firm, corporation, partnership, or association in which such persons or firms have a substantial interest * * * ." A finding as to whether persons or firms whose names appear on the debarred bidders list have a substantial interest in any other firm, corporation, partnership, or association may be made through investigation, hearing, or otherwise pursuant to the Secretary's authority under section 4(a) of the Act.

(b) *Ineligibility.* See § 4.188 of this part for the Secretary's rulings and interpretations with respect to substantial interest.

(c)(1) A request for a determination under this section may be made by any interested party, including contractors or prospective contractors, and associations of contractors, representatives of employees, and interested Government agencies. Such a request shall be submitted in writing to the Administrator, Wage and Hour Division, U.S. Department of Labor, Washington, DC 20210.

(2) The request shall include a statement setting forth in detail why the petitioner believes that a person or

firm whose name appears on the debarred bidders list has a substantial interest in any firm, corporation, partnership, or association which is seeking or has been awarded a contract of the United States or the District of Columbia. No particular form is prescribed for the submission of a request under this section.

(d)(1) The Administrator, on his/her own motion or after receipt of a request for a determination, may make a finding on the issue of substantial interest.

(2) If the Administrator determines that there may be a substantial interest, but finds that there is insufficient evidence to render a final ruling thereon, the Administrator may refer the issue to the Chief Administrative Law Judge in accordance with paragraph (e) of this section.

(3) If the Administrator finds that no substantial interest exists, or that there is not sufficient information to warrant the initiation of an investigation, the requesting party, if any, will be so notified and no further action taken.

(4)(i) If the Administrator finds that a substantial interest exists, the person or firm affected will be notified of the Administrator's finding, which shall include the reasons therefor, and such person or firm shall be afforded an opportunity to request that a hearing be held to render a decision on the issue of substantial interest.

(ii) Such person or firm shall have 20 days from the date of the Administrator's ruling to request a hearing. A detailed statement of the reasons why the Administrator's ruling is in error, including facts alleged to be in dispute, if any, shall be submitted with the request for a hearing.

(iii) If no hearing is requested within the time mentioned in paragraph (d)(4)(ii) of this section, the Administrator's finding shall be final and the Administrator shall so notify the Comptroller General. If a hearing is requested, the decision of the Administrator shall be inoperative unless and until the Administrative Law Judge or the Administrative Review Board issues an order that there is a substantial interest.

§ 4.50

(e) *Referral to the Chief Administrative Law Judge.* The Administrator on his/her own motion, or upon a request for a hearing where the Administrator determines that relevant facts are in dispute, shall by order refer the issue to the Chief Administrative Law Judge, for designation of an Administrative Law Judge who shall conduct such hearings as may be necessary to render a decision solely on the issue of substantial interest. As provided in section 4(a) of the Act, the provisions of sections 4 and 5 of the Walsh-Healey Public Contracts Act (41 U.S.C. 38, 39) shall be applicable to such proceedings, which shall be conducted in accordance with the procedures set forth at 29 CFR part 6.

(f) *Referral to the Administrative Review Board.* When the person or firm requests a hearing and the Administrator determines that relevant facts are not in dispute, the Administrator will refer the issue and the record compiled thereon to the Administrative Review Board to render a decision solely on the issue of substantial interest. Such proceeding shall be conducted in accordance with the procedures set forth at 29 CFR part 8.

Subpart B—Wage Determination Procedures

§ 4.50 Types of wage and fringe benefit determinations.

The Administrator specifies the minimum monetary wages and fringe benefits to be paid as required under the Act in two types of determinations:

(a) *Prevailing in the locality.* (1) Determinations that set forth minimum monetary wages and fringe benefits determined to be prevailing for various classes of service employees in the locality (sections 2(a)(1) and 2(a)(2) of the Act) after giving “due consideration” to the rates applicable to such service employees if directly hired by the Federal Government (section 2(a)(5) of the Act).

(2) The prevailing wage determinations applicable to most contracts covered by the Act are based upon cross-industry survey data. However, in some cases the Department of Labor may

29 CFR Subtitle A (7–1–21 Edition)

issue industry specific wage determinations for application to specific types of service contracts. In addition, the geographic scope of contracts is often different and the geographic scope of the underlying survey data for the wage determinations applicable to those contracts may be different. Therefore, a variety of different prevailing wage determinations may be applicable in a particular locality. The application of these different prevailing wage determinations will depend upon the nature of the contracts to which they are applied.

(b) *Collective Bargaining Agreement—(Successorship).* Determinations that set forth the wage rates and fringe benefits, including accrued and prospective increases, contained in a collective bargaining agreement applicable to the service employees who performed on a predecessor contract in the same locality. (See sections 2(a)(1) and (2) as well as 4(c) of the Act.)

[70 FR 50898, Aug. 26, 2005]

§ 4.51 Prevailing in the locality determinations.

(a) *Information considered.* The minimum monetary wages and fringe benefits set forth in determinations of the Secretary are based on all available pertinent information as to wage rates and fringe benefits being paid at the time the determination is made. Such information is most frequently derived from area surveys made by the Bureau of Labor Statistics, U.S. Department of Labor, or other Labor Department personnel. Information may also be obtained from Government contracting officers and from other available sources, including employees and their representatives and employers and their associations. The determinations may be based on the wage rates and fringe benefits contained in collective bargaining agreements where they have been determined to prevail in a locality for specified occupational class(es) of employees.

(b) *Determination of prevailing rates.* Where a single rate is paid to a majority (50 percent or more) of the workers in a class of service employees engaged in similar work in a particular locality, that rate is determined to prevail. The wage rates and fringe benefits in a

collective bargaining agreement covering 2,001 janitors in a locality, for example, prevail if it is determined that no more than 4,000 workers are engaged in such janitorial work in that locality. In the case of information developed from surveys, statistical measurements of central tendency such as a median (a point in a distribution of wage rates where 50 percent of the surveyed workers receive that or a higher rate and an equal number receive a lesser rate) or the mean (average) are considered reliable indicators of the prevailing rate. Which of these statistical measurements will be applied in a given case will be determined after a careful analysis of the overall survey, separate classification data, patterns existing between survey periods, and the way the separate classification data interrelate. Use of the median is the general rule. However, the mean (average) rate may be used in situations where, after analysis, it is determined that the median is not a reliable indicator. Examples where the mean may be used include situations where:

(1) The number of workers studied for the job classification constitutes a relatively small sample and the computed median results in an actual rate that is paid to few of the studied workers in the class;

(2) Statistical deviation such as a skewed (bimodal or multimodal) frequency distribution biases the median rate due to large concentrations of workers toward either end of the distribution curve and the computed median results in an actual rate that is paid to few of the studied workers in the class; or

(3) The computed median rate distorts historic wage relationships between job levels within a classification family (i.e., Electronic Technician Classes A, B, and C levels within the Electronic technician classification family), between classifications of different skill levels (i.e., a maintenance electrician as compared with a maintenance carpenter), or, for example, yields a wage movement inconsistent with the pattern shown by the survey overall or with related and/or similarly skilled job classifications.

(c) *Slotting wage rates.* In some instances, a wage survey for a particular

locality may result in insufficient data for one or more job classifications that are required in the performance of a contract. Establishment of a prevailing wage rate for certain such classifications may be accomplished through a "slotting" procedure, such as that used under the Federal pay system. Under this procedure, wage rates are derived for a classification based on a comparison of equivalent or similar job duty and skill characteristics between the classifications studied and those for which no survey data is available. As an example, a wage rate found prevailing for the janitorial classification may be adopted for the classification of mess attendant if the skill and duties attributed to each classification are known to be rated similarly under pay classification schemes. (Both classifications are assigned the same wage grade under the Coordinated Federal Wage System and are paid at the Wage Board grade 2 when hired directly by a Federal agency.)

(d) *Due consideration.* In making wage and fringe benefit determinations, section 2(a)(5) of the Act requires that due consideration be given to the rates that would be paid by the Federal agency to the various classes of service employees if section 5341 or section 5332 of title 5 U.S.C., were applicable to them. Section 5341 refers to the Wage Board or Coordinated Federal Wage System for "blue collar" workers and section 5332 refers to the General Schedule pay system for "white collar" workers. The term *due consideration* implies the exercise of discretion on the basis of the facts and circumstances surrounding each determination, recognizing the legislative objective of narrowing the gap between the wage rates and fringe benefits prevailing for service employees and those established for Federal employees. Each wage determination is based on a survey or other information on the wage rates and fringe benefits being paid in a particular locality and also takes into account those wage rates and fringe benefits which would be paid under Federal pay systems.

§ 4.52

29 CFR Subtitle A (7-1-21 Edition)

§ 4.52 Fringe benefit determinations.

(a) Wage determinations issued pursuant to the Service Contract Act ordinarily contain provisions for vacation and holiday benefits prevailing in the locality. In addition, wage determinations contain a prescribed minimum rate for all other benefits, such as insurance, pension, etc., which are not required as a matter of law (i.e., excluding Social Security, unemployment insurance, and workers' compensation payments and similar statutory benefits), based upon the sum of the benefits contained in the U.S. Bureau of Labor Statistics, Employment Cost Index (ECI), for all employees in private industry, nationwide (and excluding ECI components for supplemental pay, such as shift differential, which are considered wages rather than fringe benefits under SCA). Pursuant to Section 4(b) of the Act and § 4.123, the Secretary has determined that it is necessary and proper in the public interest, and in accord with remedial purposes of the Act to protect prevailing labor standards, to issue a variation from the Act's requirement that fringe benefits be determined for various classes of service employees in the locality.

(b) The minimum rate for all benefits (other than holidays and vacation) which are not legally required, as prescribed in paragraph (a) of this section, shall be phased in over a four-year period beginning June 1, 1997. The first year the rate will be \$.90 per hour plus one-fourth of the difference between \$.90 per hour and the rate prescribed in paragraph (a) of this section; the second year the rate will be increased by one-third of the difference between the rate set the first year and the rate prescribed; the third year the rate will be increased by one-half of the difference between the rate set in the second year and the rate prescribed; and the fourth year and thereafter the rate will be the rate prescribed in paragraph (a) of this section.

(c) Where it is determined pursuant to § 4.51(b) that a single fringe benefit rate is paid with respect to a majority of the workers in a class of service employees engaged in similar work in a locality, that rate will be determined to prevail notwithstanding the rate

which would otherwise be prescribed pursuant to this section. Ordinarily, it will be found that a majority of workers receive fringe benefits at a single level where those workers are subject to a collective bargaining agreement whose provisions have been found to prevail in the locality.

(d) A significant number of contracts contain a prevailing fringe benefit rate of \$2.56 per hour. Generally, these contracts are large base support contracts, contracts requiring competition from large corporations, contracts requiring highly technical services, and contracts solicited pursuant to A-76 procedures (displacement of Federal employees), as well as successor contracts thereto. The \$2.56 benefit rate shall continue to be issued for all contracts containing the \$2.56 benefit rate, as well as resolicitations and other successor contracts for substantially the same services, until the fringe benefit rate determined in accordance with paragraphs (a) and (b) of this section equals or exceeds \$2.56 per hour.

(e) *Variance procedure.* (1) The Department will consider variations requested by contracting agencies pursuant to Section 4(b) of the Act and § 4.123, from the methodology described in paragraph (a) of this section for determining prevailing fringe benefit rates. This variation procedure will not be utilized to routinely permit separate fringe benefit packages for classes of employees and industries, but rather will be limited to the narrow circumstances set forth herein where special needs of contracting agencies require this procedure. Such variations will be considered where the agency demonstrates that because of the special circumstances of the particular industry, the variation is necessary and proper in the public interest or to avoid the serious impairment of government business. Such a demonstration might be made, for example, where an agency is unable to obtain contractors willing to bid on a contract because the service will be performed at the contractor's facility by employees performing work for the Government and other customers, and as a result, paying the required SCA fringe benefits would cause undue disruption

to the contractor's own work force and pay practices.

(2) It will also be necessary for the agency to demonstrate that a variance is in accordance with the remedial purpose of the Act to protect prevailing labor standards, by providing comprehensive data from a valid survey demonstrating the prevailing fringe benefits for the specific industry. If the agency does not continue to provide current data in subsequent years, the variance will be withdrawn and the rate prescribed in paragraph (a) of this section will be issued for the contract.

[61 FR 68664, Dec. 30, 1996]

§ 4.53 Collective bargaining agreement (successorship) determinations.

Determinations based on the collective bargaining agreement of a predecessor contractor set forth by job classification each provision relating to wages (such as the established straight time hourly or salary rate, cost-of-living allowance, and any shift, hazardous, and other similar pay differentials) and to fringe benefits (such as holiday pay, vacation pay, sick leave pay, life, accidental death, disability, medical, and dental insurance plans, retirement or pension plans, severance pay, supplemental unemployment benefits, saving and thrift plans, stock-option plans, funeral leave, jury/witness leave, or military leave) contained in the predecessor's collective bargaining agreement, as well as conditions governing the payment of such wages and fringe benefits. Accrued wages and fringe benefits and prospective increases therein are also included. Each wage determination is limited in application to a specific contract succeeding a contract which had been performed in the same locality by a contractor with a collective bargaining agreement, and contains a notice to prospective bidders regarding their obligations under section 4(c) of the Act.

§ 4.54 Locality basis of wage and fringe benefit determinations.

(a) Under section 2(a) of the Act, the Secretary or his authorized representative is given the authority to deter-

mine the minimum monetary wages and fringe benefits prevailing for various classes of service employees "in the locality". Although the term *locality* has reference to a geographic area, it has an elastic and variable meaning and contemplates consideration of the existing wage structures which are pertinent to the employment of particular classes of service employees on the varied kinds of service contracts. Because wage structures are extremely varied, there can be no precise single formula which would define the geographic limits of a "locality" that would be relevant or appropriate for the determination of prevailing wage rates and prevailing fringe benefits in all situations under the Act. The locality within which a wage or fringe benefit determination is applicable is, therefore, defined in each such determination upon the basis of all the facts and circumstances pertaining to that determination. Locality is ordinarily limited geographically to a particular county or cluster of counties comprising a metropolitan area. For example, a survey by the Bureau of Labor Statistics of the Baltimore, Maryland Standard Metropolitan Statistical Area includes the counties of Baltimore, Harford, Howard, Anne Arundel, and the City of Baltimore. A wage determination based on such information would define locality as the same geographic area included within the scope of the survey. Locality may also be defined as, for example, a city, a State, or, under rare circumstances, a region, depending on the actual place or places of contract performance, the geographical scope of the data on which the determination was based, the nature of the services being contracted for, and the procurement method used. In addition, in *Southern Packaging & Storage Co. v. United States*, 618 F.2d 1088 (4th Cir. 1980), the court held that a nationwide wage determination normally is not permissible under the Act, but postulated that "there may be the rare and unforeseen service contract which might be performed at locations throughout the country and which would generate truly nationwide competition".

(b) Where the services are to be performed for a Federal agency at the site

§4.55

of the successful bidder, in contrast to services to be performed at a specific Federal facility or installation, or in the locality of such installation, the location where the work will be performed often cannot be ascertained at the time of bid advertisement or solicitation. In such instances, wage determinations will generally be issued for the various localities identified by the agency as set forth in §4.4(a)(3)(i).

(c) Where the wage rates and fringe benefits contained in a collective bargaining agreement applicable to the predecessor contract are set forth in a determination, locality in such a determination is typically described as the geographic area in which the predecessor contract was performed. The determination applies to any successor contractor which performs the contract in the same locality. However, see §4.163(i).

§4.55 Issuance and revision of wage determinations.

(a) Determinations will be reviewed periodically and where prevailing wage rates or fringe benefits have changed, such changes will be reflected in revised determinations. For example, in a locality where it is determined that the wage rate which prevails for a particular class of service employees is the rate specified in a collective bargaining agreement(s) applicable in that locality, and such agreement(s) specifies increases in such rates to be effective on specific dates, the determinations would be revised to reflect such changes as they become effective. Revised determinations shall be applicable to contracts in accordance with the provisions of §4.5(a) of subpart A.

(b) Determinations issued by the Wage and Hour Division with respect to particular contracts are required to be incorporated in the invitations for bids or requests for proposals or quotations issued by the contracting agencies, and are to be incorporated in the contract specifications in accordance with §4.5 of subpart A. In this manner, prospective contractors and subcontractors are advised of the minimum monetary wages and fringe bene-

fits required under the most recently applicable determination to be paid the service employees who perform the contract work. These requirements are the same for all bidders so none will be placed at a competitive disadvantage.

(c) Determinations issued by the Wage and Hour Division with respect to particular contracts are required to be incorporated in the invitations for bids or requests for proposals or quotations issued by the contracting agencies, and are to be incorporated in the contract specifications in accordance with §4.5 of subpart A. In this manner, prospective contractors and subcontractors are advised of the minimum monetary wages and fringe benefits required under the most recently applicable determination to be paid the service employees who perform the contract work. These requirements are, of course, the same for all bidders so none will be placed at a competitive disadvantage.

§4.56 Review and reconsideration of wage determinations.

(a) *Review by the Administrator.* (1) Any interested party affected by a wage determination issued under section 2(a) of the Act may request review and reconsideration by the Administrator. A request for review and reconsideration may be made by the contracting agency or other interested party, including contractors or prospective contractors and associations of contractors, representatives of employees, and other interested Governmental agencies. Any such request must be accompanied by supporting evidence. In no event shall the Administrator review a wage determination or its applicability after the opening of bids in the case of a competitively advertised procurement, or, later than 10 days before commencement of a contract in the case of a negotiated procurement, exercise of a contract option or extension. This limitation is necessary in order to ensure competitive equality and an orderly procurement process.

(2) The Administrator shall, upon receipt of a request for reconsideration,

review the data sources relied upon as a basis for the wage determination, the evidence furnished by the party requesting review or reconsideration, and, if necessary to resolve the matter, any additional information found to be relevant to determining prevailing wage rates and fringe benefits in a particular locality. The Administrator, pursuant to a review of available information, may issue a new wage determination, may cause the wage determination to be revised, or may affirm the wage determination issued, and will notify the requesting party in writing of the action taken. The Administrator will render a decision within 30 days of receipt of the request or will notify the requesting party in writing within 30 days of receipt that additional time is necessary.

(b) *Review by the Administrative Review Board.* Any decision of the Administrator under paragraph (a) of this section may be appealed to the Administrative Review Board within 20 days of issuance of the Administrator's decision. Any such appeal shall be in accordance with the provisions of part 8 of this title.

Subpart C—Application of the McNamara-O'Hara Service Contract Act

INTRODUCTORY

§ 4.101 Official rulings and interpretations in this subpart.

(a) The purpose of this subpart is to provide, pursuant to the authority cited in § 4.102, official rulings and interpretations with respect to the application of the McNamara-O'Hara Service Contract Act for the guidance of the agencies of the United States and the District of Columbia which may enter into and administer contracts subject to its provisions, the persons desiring to enter into such contracts with these agencies, and the contractors, subcontractors, and employees who perform work under such contracts.

(b) These rulings and interpretations are intended to indicate the construction of the law and regulations which

the Department of Labor believes to be correct and which will be followed in the administration of the Act unless and until directed otherwise by Act of Congress or by authoritative ruling of the courts, or if it is concluded upon reexamination of an interpretation that it is incorrect. See for example, *Skidmore v. Swift & Co.*, 323 U.S. 134 (1944); *Roland Co. v. Walling*, 326 U.S. 657 (1946); *Endicott Johnson Corp. v. Perkins*, 317 U.S. 501, 507-509 (1943); *Perkins v. Lukens Steel Co.*, 310 U.S. 113, 128 (1940); *United States v. Western Pacific Railroad Co.*, 352 U.S. 59 (1956). The Department of Labor (and not the contracting agencies) has the primary and final authority and responsibility for administering and interpreting the Act, including making determinations of coverage. See *Woodside Village v. Secretary of Labor*, 611 F. 2d 312 (9th Cir. 1980); *Nello L. Teer Co. v. United States*, 348 F.2d 533, 539-540 (Ct. Cl. 1965), cert. denied, 383 U.S. 934; *North Georgia Building & Construction Trades Council v. U.S. Department of Transportation*, 399 F. Supp. 58, 63 (N.D. Ga. 1975) (Davis-Bacon Act); *Curtiss-Wright Corp. v. McLucas*, 364 F. Supp. 750, 769-72 (D.N.J. 1973); and 43 Atty. Gen. Ops. (March 9, 1979); 53 Comp. Gen. 647, 649-51 (1974); 57 Comp. Gen. 501, 506 (1978).

(c) Court decisions arising under the Act (as well as under related remedial labor standards laws such as the Walsh-Healey Public Contracts Act, the Davis-Bacon Act, the Contract Work Hours and Safety Standards Act, and the Fair Labor Standards Act) which support policies and interpretations contained in this part are cited where it is believed that they may be helpful. On matters which have not been authoritatively determined by the courts, it is necessary for the Secretary of Labor and the Administrator to reach conclusions as to the meaning and the application of provisions of the law in order to carry out their responsibilities of administration and enforcement (*Skidmore v. Swift & Co.*, 323 U.S. 134 (1944)). In order that these positions may be made known to persons who may be affected by them, official interpretations and rulings are issued by the Administrator with the advice of the Solicitor of Labor, as authorized by the Secretary (Secretary's Order

§ 4.102

No. 16-75, Nov. 21, 1975, 40 FR 55913; Employment Standards Order No. 2-76, Feb. 23, 1976, 41 FR 9016). These interpretations are a proper exercise of the Secretary's authority. *Idaho Sheet Metal Works v. Wirtz*, 383 U.S. 190, 208 (1966), reh. den. 383 U.S. 963 (1966). References to pertinent legislative history, decisions of the Comptroller General and of the Attorney General, and Administrative Law Judges' decisions are also made in this part where it appears they will contribute to a better understanding of the stated interpretations and policies.

(d) The interpretations of the law contained in this part are official interpretations which may be relied upon. The Supreme Court has recognized that such interpretations of the Act "provide a practical guide to employers and employees as to how the office representing the public interest in its enforcement will seek to apply it" and "constitute a body of experience and informed judgment to which courts and litigants may properly resort for guidance" (*Skidmore v. Swift & Co.*, 323 U.S. 134 (1944)). Interpretations of the agency charged with administering an Act are generally afforded deference by the courts. (*Griggs v. Duke Power Co.*, 401 U.S. 424, 433-34 (1971); *Udall v. Tallman*, 380 U.S. 1 (1965).) Some of the interpretations in this part relating to the application of the Act are interpretations of provisions which appeared in the original Act before its amendments in 1972 and 1976. Accordingly, the Department of Labor considers these interpretations to be correct, since there were no amendments of the statutory provisions which they interpret. (*United States v. Davison Fuel & Dock Co.*, 371 F.2d 705, 711-12 (C.A. 4, 1967).)

(e) The interpretations contained herein shall be in effect until they are modified, rescinded, or withdrawn. This part supersedes and replaces certain interpretations previously published in the FEDERAL REGISTER and Code of Federal Regulations as part 4 of this chapter. Prior opinions, rulings, and interpretations and prior enforcement policies which are not inconsistent with the interpretations in this part or with the Act as amended are continued in effect; all other opinions, rulings, in-

29 CFR Subtitle A (7-1-21 Edition)

terpretations, and enforcement policies on the subjects discussed in the interpretations in this part, to the extent they are inconsistent with the rules herein stated, are superseded, rescinded, and withdrawn.

(f) Principles governing the application of the Act as set forth in this subpart are clarified or amplified in particular instances by illustrations and examples based on specific fact situations. Since such illustrations and examples cannot and are not intended to be exhaustive, or to provide guidance on every problem which may arise under the Act, no inference should be drawn from the fact that a subject or illustration is omitted.

(g) It should not be assumed that the lack of discussion of a particular subject in this subpart indicates the adoption of any particular position by the Department of Labor with respect to such matter or to constitute an interpretation, practice, or enforcement policy. If doubt arises or a question exists, inquiries with respect to matters other than safety and health standards should be directed to the Administrator of the Wage and Hour Division, U.S. Department of Labor, Washington, DC 20210, or any regional office of the Wage and Hour Division. Safety and health inquiries should be addressed to the Assistant Secretary for Occupational Safety and Health, U.S. Department of Labor, Washington, DC 20210, or to any OSHA regional office. A full description of the facts and any relevant documents should be submitted if an official ruling is desired.

[48 FR 49762, Oct. 27, 1983, as amended at 82 FR 2225, Jan. 9, 2017]

§ 4.102 Administration of the Act.

As provided by section 4 of the Act and under provisions of sections 4 and 5 of the Walsh-Healey Public Contracts Act (49 Stat. 2036, 41 U.S.C. 38, 39), which are made expressly applicable for the purpose, the Secretary of Labor is authorized and directed to administer and enforce the provisions of the McNamara-O'Hara Service Contract Act, to make rules and regulations, issue orders, make decisions, and take other appropriate action under the Act. The Secretary is also authorized to make reasonable limitations and to

make rules and regulations allowing reasonable variations, tolerances, and exemptions to and from provisions of the Act (except section 10), but only in special circumstances where it is determined that such action is necessary and proper in the public interest or to avoid serious impairment of the conduct of Government business and is in accord with the remedial purposes of the Act to protect prevailing labor standards. The authority and enforcement powers of the Secretary under the Act are coextensive with the authority and powers under the Walsh-Healey Act. *Curtiss Wright Corp. v. McLucas* 364 F. Supp. 750, 769 (D NJ 1973).

§ 4.103 The Act.

The McNamara-O'Hara Service Contract Act of 1965 (Pub. L. 89-286, 79 Stat. 1034, 41 U.S.C. 351 *et seq.*), hereinafter referred to as the Act, was approved by the President on October 22, 1965 (1 Weekly Compilation of Presidential Documents 428). It establishes standards for minimum compensation and safety and health protection of employees performing work for contractors and subcontractors on service contracts entered into with the Federal Government and the District of Columbia. It applies to contracts entered into pursuant to negotiations concluded or invitations for bids issued on or after January 20, 1966. It has been amended by Public Law 92-473, 86 Stat. 798; by Public Law 93-57, 87 Stat. 140; and by Public Law 94-489, 90 Stat. 2358.

§ 4.104 What the Act provides, generally.

The provisions of the Act apply to contracts, whether negotiated or advertised, the principal purpose of which is to furnish services in the United States through the use of service employees. Under its provisions, every contract subject to the Act (and any bid specification therefor) entered into by the United States or the District of Columbia in excess of \$2,500 must contain stipulations as set forth in § 4.6 of this part requiring: (a) That specified minimum monetary wages and fringe benefits determined by the Secretary of Labor (based on wage rates and fringe benefits prevailing in the local-

ity or, in specified circumstances, the wage rates and fringe benefits contained in a collective bargaining agreement applicable to employees who performed on a predecessor contract) be paid to service employees employed by the contractor or any subcontractor in performing the services contracted for; (b) that working conditions of such employees which are under the control of the contractor or subcontractor meet safety and health standards; and (c) that notice be given to such employees of the compensation due them under the minimum wage and fringe benefits provisions of the contract. Contractors performing work subject to the Act thus enter into competition to obtain Government business on terms of which they are fairly forewarned by inclusion in the contract. (*Endicott Johnson Corp. v. Perkins*, 317 U.S. 501, 507 (1943).) The Act's purpose is to impose obligations upon those favored with Government business by precluding the use of the purchasing power of the Federal Government in the unfair depression of wages and standards of employment. (See H.R. Rep. No. 948, 89th Cong., 1st Sess. 2-3 (1965); S. Rep. No. 798, 89th Cong., 1st Sess. 3-4 (1965).) The Act does not permit the monetary wage rates specified in such a contract to be less than the minimum wage specified under section 6(a)(1) of the Fair Labor Standards Act, as amended (29 U.S.C. 206(a)(1)). In addition, it is a violation of the Act for any contractor or subcontractor under a Federal contract subject to the Act, regardless of the amount of the contract, to pay any of his employees engaged in performing work on the contract less than such Fair Labor Standards Act minimum wage. Contracts of \$2,500 or less are not, however, required to contain the stipulations described above. These provisions of the Service Contract Act are implemented by the regulations contained in this part 4 and are discussed in more detail in subsequent sections of subparts C, D, and E.

§ 4.105 The Act as amended.

(a) The provisions of the Act (see §§ 4.102-4.103) were amended, effective October 9, 1972, by Public Law 92-473, signed into law by the President on that date. By virtue of amendments

§4.106

made to paragraphs (1) and (2) of section 2(a) and the addition to section 4 of a new subsection (c), the compensation standards of the Act (see §§4.159–4.179) were revised to impose on successor contractors certain requirements (see §4.1b) with respect to payment of wage rates and fringe benefits based on those agreed upon for substantially the same services in the same locality in collective bargaining agreements entered into by their predecessor contractors (unless such agreed compensation is substantially at variance with that locally prevailing or the agreement was not negotiated at arm's length). The Secretary of Labor is to give effect to the provisions of such collective bargaining agreements in his wage determinations under section 2 of the Act. A new paragraph (5) added to section 2(a) of the Act requires a statement in the government service contract of the rates that would be paid by the contracting agency in the event of its direct employment of those classes of service employees to be employed on the contract work who, if directly employed by the agency, would receive wages determined as provided in 5 U.S.C. 5341. The Secretary of Labor is directed to give due consideration to such rates in determining prevailing monetary wages and fringe benefits under the Act's provisions. Other provisions of the 1972 amendments include the addition of a new section 10 to the Act to insure that wage determinations are issued by the Secretary for substantially all service contracts subject to section 2(a) of the Act at the earliest administratively feasible time; an amendment to section 4(b) of the Act to provide, in addition to the conditions previously specified for issuance of administrative limitations, variations, tolerances, and exemptions (see §4.123), that administrative action in this regard shall be taken only in special circumstances where the Secretary determines that it is in accord with the remedial purpose of the Act to protect prevailing labor standards; and a new subsection (d) added to section 4 of the Act providing for the award of service contracts for terms not more than 5 years with provision for periodic adjustment of minimum wage rates and fringe benefits payable thereunder by

29 CFR Subtitle A (7–1–21 Edition)

the issuance of wage determinations by the Secretary of Labor during the term of the contract. A further amendment to section 5(a) of the Act requires the names of contractors found to have violated the Act to be submitted for the debarment list (see §4.188) not later than 90 days after the hearing examiner's finding of violation unless the Secretary recommends relief, and provides that such recommendations shall be made only because of unusual circumstances.

(b) The provisions of the Act were amended by Public Law 93–57, 87 Stat. 140, effective July 6, 1973, to extend the Act's coverage to Canton Island.

(c) The provisions of the Act were amended by Public Law 94–489, 90 Stat. 2358, approved October 13, 1976, to extend the Act's coverage to white collar workers. Accordingly, the minimum wage protection of the Act now extends to all workers, both blue collar and white collar, other than persons employed in a bona fide executive, administrative, or professional capacity as those terms are used in the Fair Labor Standards Act and in part 541 of title 29. Public Law 94–489 accomplished this change by adding to section 2(a)(5) of the Act a reference to 5 U.S.C. 5332, which deals with white collar workers, and by amending the definition of service contract employee in section 8(b) of the Act.

(d) Included in this part 4 and in parts 6 and 8 of this subtitle are provisions to give effect to the amendments mentioned in this section.

§4.106 [Reserved]

AGENCIES WHOSE CONTRACTS MAY BE COVERED

§4.107 Federal contracts.

(a) Section 2(a) of the Act covers contracts (and any bid specification therefor) "entered into by the United States" and section 2(b) applies to contracts entered into "with the Federal Government." Within the meaning of these provisions, contracts entered into by the United States and contracts with the Federal Government include generally all contracts to which any agency or instrumentality of the U.S. Government becomes a party pursuant to authority derived from the

Constitution and laws of the United States. The Act does not authorize any distinction in this respect between such agencies and instrumentalities on the basis of their inclusion in or independence from the executive, legislative, or judicial branches of the Government, the fact that they may be corporate in form, or the fact that payment for the contract services is not made from appropriated funds. Thus, contracts of wholly owned Government corporations, such as the Postal Service, and those of nonappropriated fund instrumentalities under the jurisdiction of the Armed Forces, or of other Federal agencies, such as Federal Reserve Banks, are included among those subject to the general coverage of the Act. (*Brinks, Inc. v. Board of Governors of the Federal Reserve System*, 466 F. Supp. 116 (D DC 1979); 43 Atty. Gen. Ops. _____ (September 26, 1978).) Contracts with the Federal Government and contracts entered into "by the United States" within the meaning of the Act do not, however, include contracts for services entered into on their own behalf by agencies or instrumentalities of other Governments within the United States, such as those of the several States and their political subdivisions, or of Puerto Rico, the Virgin Islands, Guam, or American Samoa.

(b) Where a Federal agency exercises its contracting authority to procure services desired by the Government, the method of procurement utilized by the contracting agency is not controlling in determining coverage of the contract as one entered into by the United States. Such contracts may be entered into by the United States either through a direct award by a Federal agency or through the exercise by another agency (whether governmental or private) of authority granted to it to procure services for or on behalf of a Federal agency. Thus, sometimes authority to enter into service contracts of the character described in the Act for and on behalf of the Government and on a cost-reimbursable basis may be delegated, for the convenience of the contracting agency, to a prime contractor which has the responsibility for all work to be done in connection with the operation and management of a Federal plant, installation, facility, or

program, together with the legal authority to act as agency for and on behalf of the Government and to obligate Government funds in the procurement of all services and supplies necessary to carry out the entire program of operation. The contracts entered into by such a prime contractor with secondary contractors for and on behalf of the Federal agency pursuant to such delegated authority, which have such services as their principal purpose, are deemed to be contracts entered into by the United States and contracts with the Federal Government within the meaning of the Act. However, service contracts entered into by State or local public bodies with purveyors of services are not deemed to be entered into by the United States merely because such services are paid for with funds of the public body which have been received from the Federal Government as a grant under a Federal program. For example, a contract entered into by a municipal housing authority for tree trimming, tree removal, and landscaping for an urban renewal project financed by Federal funds is not a contract entered into by the United States and is not covered by the Service Contract Act. Similarly, contracts let under the Medicaid program which are financed by federally-assisted grants to the States, and contracts which provide for insurance benefits to a third party under the Medicare program are not subject to the Act.

§4.108 District of Columbia contracts.

Section 2(a) of the Act covers contracts (and any bid specification therefor) in excess of \$2,500 which are "entered into by the * * * District of Columbia." The contracts of all agencies and instrumentalities which procure contract services for or on behalf of the District or under the authority of the District Government are contracts entered into by the District of Columbia within the meaning of this provision. Such contracts are also considered contracts entered into with the Federal Government or the United States within the meaning of section 2(b), section 5, and the other provisions of the Act.

§ 4.109

The legislative history indicates no intent to distinguish District of Columbia contracts from the other contracts made subject to the Act, and traditionally, under other statutes, District Government contracts have been made subject to the same labor standards provisions as contracts of agencies and instrumentalities of the United States.

§ 4.109 [Reserved]

COVERED CONTRACTS GENERALLY

§ 4.110 What contracts are covered.

The Act covers service contracts of the Federal agencies described in §§ 4.107–4.108. Except as otherwise specifically provided (see §§ 4.115 *et seq.*), all such contracts, the principal purpose of which is to furnish services in the United States through the use of service employees, are subject to its terms. This is true of contracts entered into by such agencies with States or their political subdivisions, as well as such contracts entered into with private employers. Contracts between a Federal or District of Columbia agency and another such agency are not within the purview of the Act; however, “sub-contracts” awarded under “prime contracts” between the Small Business Administration and another Federal agency pursuant to various preferential set-aside programs, such as the 8(a) program, are covered by the Act. It makes no difference in the coverage of a contract whether the contract services are procured through negotiation or through advertising for bids. Also, the mere fact that an agreement is not reduced to writing does not mean that the contract is not within the coverage of the Act. The amount of the contract is not determinative of the Act’s coverage, although the requirements are different for contracts in excess of \$2,500 and for contracts of a lesser amount. The Act is applicable to the contract if the principal purpose of the contract is to furnish services, if such services are to be furnished in the United States, and if service employees will be used in providing such services. These elements of coverage will be dis-

29 CFR Subtitle A (7–1–21 Edition)

cussed separately in the following sections.

§ 4.111 Contracts “to furnish services.”

(a) “*Principal purpose*” as criterion. Under its terms, the Act applies to a “contract * * * the principal purpose of which is to furnish services * * *.” If the principal purpose is to provide something other than services of the character contemplated by the Act and any such services which may be performed are only incidental to the performance of a contract for another purpose, the Act does not apply. However, as will be seen by examining the illustrative examples of covered contracts in §§ 4.130 *et seq.*, no hard and fast rule can be laid down as to the precise meaning of the term *principal purpose*. This remedial Act is intended to be applied to a wide variety of contracts, and the Act does not define or limit the types of services which may be contracted for under a contract the principal purpose of which is to furnish services. Further, the nomenclature, type, or particular form of contract used by procurement agencies is not determinative of coverage. Whether the principal purpose of a particular contract is the furnishing of services through the use of service employees is largely a question to be determined on the basis of all the facts in each particular case. Even where tangible items of substantial value are important elements of the subject matter of the contract, the facts may show that they are of secondary import to the furnishing of services in the particular case. This principle is illustrated by the examples set forth in § 4.131.

(b) *Determining whether a contract is for “services”, generally.* Except indirectly through the definition of *service employee* the Act does not define, or limit, the types of *services* which may be contracted for under a contract “the principal purpose of which is to furnish services”. As stated in the congressional committee reports on the legislation, the types of service contracts covered by its provisions are varied. Among the examples cited are contracts for laundry and dry cleaning, for transportation of the mail, for custodial, janitorial, or guard service, for packing and crating, for food service,

and for miscellaneous housekeeping services. Covered contracts for services would also include those for other types of services which may be performed through the use of the various classes of service employees included in the definition in section 8(b) of the Act (see §4.113). Examples of some such contracts are set forth in §§4.130 *et seq.* In determining questions of contract coverage, due regard must be given to the apparent legislative intent to include generally as contracts for *services* those contracts which have as their principal purpose the procurement of something other than the construction activity described in the Davis-Bacon Act or the materials, supplies, articles, and equipment described in the Walsh-Healey Act. The Committee reports in both the House and Senate, and statements made on the floor of the House, took note of the labor standards protections afforded by these two Acts to employees engaged in the performance of construction and supply contracts and observed: "The service contract is now the only remaining category of Federal contracts to which no labor standards protections apply" (H. Rept. 948, 89th Cong., 1st Sess., p. 1; see also S. Rept. 798, 89th Cong., 1st Sess., p. 1; daily Congressional Record, Sept. 20, 1965, p. 23497). A similar understanding of contracts principally for *services* as embracing contracts other than those for construction or supplies is reflected in the statement of President Johnson upon signing the Act (1 Weekly Compilation of Presidential Documents, p. 428).

§4.112 Contracts to furnish services "in the United States."

(a) The Act and the provisions of this part apply to contract services furnished "in the United States," including any State of the United States, the District of Columbia, Puerto Rico, the Virgin Islands, Outer Continental Shelf lands as defined in the Outer Continental Shelf Lands Act, American Samoa, Guam, the Commonwealth of the Northern Mariana Islands, Wake Island, and Johnston Island. The definition expressly excludes any other territory under the jurisdiction of the United States and any United States base or possession within a foreign

country. Services to be performed exclusively on a vessel operating in international waters outside the geographic areas named in this paragraph would not be services furnished "in the United States" within the meaning of the Act.

(b) A service contract to be performed in its entirety outside the geographical limits of the United States as thus defined is not covered and is not subject to the labor standards of the Act. However, if a service contract is to be performed in part within and in part outside these geographic limits, the stipulations required by §4.6 or §4.7, as appropriate, must be included in the invitation for bids or negotiation documents and in the contract, and the labor standards must be observed with respect to that part of the contract services that is performed within these geographic limits. In such a case the requirements of the Act and of the contract clauses will not be applicable to the services furnished outside the United States.

[61 FR 68664, Dec. 30, 1996]

§4.113 Contracts to furnish services "through the use of service employees."

(a) *Use of "service employees" in a contract performance.* (1) As indicated in §4.110, the Act covers service contracts only where "service employees" will be used in performing the services which it is the purpose of the contract to procure. A contract principally for services ordinarily will meet this condition if any of the services will be furnished through the use of any service employee or employees. Where it is contemplated that the services (of the kind performed by service employees) will be performed individually by the contractor, and the contracting officer knows when advertising for bids or concluding negotiations that service employees will in no event be used by the contractor in providing the contract services, the Act will not be deemed applicable to the contract and the contract clauses required by §4.6 or §4.7 may be omitted. The fact that the required services will be performed by municipal employees or employees of a State would not remove the contract from the purview of the Act, as this

§4.114

Act does not contain any exemption for contracts performed by such employees. Also, as discussed in paragraph (a)(3) of this section, where the services the Government wants under the contract are of a type that will require the use of service employees as defined in section 8(b) of the Act, the contract is not taken out of the purview of the Act by the fact that the manner in which the services of such employees are performed will be subject to the continuing overall supervision of bona fide executive, administrative, or professional personnel to whom the Act does not apply.

(2) The coverage of the Act does not extend to contracts for services to be performed exclusively by persons who are not service employees, i.e., persons who are bona fide executive, administrative or professional personnel as defined in part 541 of this title (see paragraph (b) of this section). A contract for medical services furnished by professional personnel is an example of such a contract.

(3) In addition, the Department does not require application of the Act to any contract for services which is performed essentially by bona fide executive, administrative, or professional employees, with the use of service employees being only a minor factor in the performance of the contract. However, the Act would apply to a contract for services which may involve the use of service employees to a significant or substantial extent even though there is some use of bona fide executive, administrative, or professional employees in the performance of the contract. For example, contracts for drafting or data processing services are often performed by drafters, computer operators, or other service employees and are subject to the Act even though the work of such employees may be performed under the direction and supervision of bona fide professional employees.

(4) In close cases involving a decision as to whether a contract will involve a significant use of service employees, the Department of Labor should be consulted, since such situations require consideration of other factors such as the nature of the contract work, the type of work performed by service employees, how necessary the work is to

29 CFR Subtitle A (7-1-21 Edition)

contract performance, the amount of contract work performed by service employees vis-a-vis professional employees, and the total number of service employees employed on the contract.

(b) “*Service employees*” defined. In determining whether or not any of the contract services will be performed by service employees, the definition of *service employee* in section 8(b) of the Act is controlling. It provides:

The term *service employee* means any person engaged in the performance of a contract entered into by the United States and not exempted under section 7, whether negotiated or advertised, the principal purpose of which is to furnish services in the United States (other than any person employed in a bona fide executive, administrative, or professional capacity, as those terms are defined in part 541 of title 29, Code of Federal Regulations, as of July 30, 1976, and any subsequent revision of those regulations); and shall include all such persons regardless of any contractual relationship that may be alleged to exist between a contractor or subcontractor and such persons.

It will be noted that the definition expressly excludes those employees who are employed in a bona fide executive, administrative, or professional capacity as defined in part 541 of this title and as discussed further in §4.156. Some of the specific types of service employees who may be employed on service contracts are noted in other sections which discuss the application of the Act to employees.

[48 FR 49762, Oct. 27, 1983; 48 FR 50529, Nov. 2, 1983]

§4.114 Subcontracts.

(a) “*Contractor*” as including “*subcontractor*.” Except where otherwise noted or where the term *Government prime contractor* is used, the term *contractor* as used in this part 4 shall be deemed to include a subcontractor. The term *contractor* as used in the contract clauses required by subpart A in any subcontract under a covered contract shall be deemed to refer to the subcontractor, or, if in a subcontract entered into by such a subcontractor, shall be deemed to refer to the lower level subcontractor. (See §4.1a(f).)

(b) *Liability of prime contractor*. When a contractor undertakes a contract subject to the Act, the contractor agrees to assume the obligation that

the Act's labor standards will be observed in furnishing the required services. This obligation may not be relieved by shifting all or part of the work to another, and the prime contractor is jointly and severally liable with any subcontractor for any underpayments on the part of a subcontractor which would constitute a violation of the prime contract. The prime contractor is required to include the prescribed contract clauses (§§4.6-4.7) and applicable wage determination in all subcontracts. The appropriate enforcement sanctions provided under the Act may be invoked against both the prime contractor and the subcontractor in the event of failure to comply with any of the Act's requirements where appropriate under the circumstances of the case.

SPECIFIC EXCLUSIONS

§4.115 Exemptions and exceptions, generally.

(a) The Act, in section 7, specifically excludes from its coverage certain contracts and work which might otherwise come within its terms as procurements the principal purpose of which is to furnish services through the use of service employees.

(b) The statutory exemptions in section 7 of the Act are as follows:

(1) Any contract of the United States or District of Columbia for construction, alteration, and/or repair, including painting and decorating of public buildings or public works;

(2) Any work required to be done in accordance with the provisions of the Walsh-Healey Public Contracts Act (49 Stat. 2036);

(3) Any contract for the carriage of freight or personnel by vessel, airplane, bus, truck, express, railway line, or oil or gas pipeline where published tariff rates are in effect;

(4) Any contract for the furnishing of services by radio, telephone, telegraph, or cable companies, subject to the Communications Act of 1934;

(5) Any contract for public utility services, including electric light and power, water, steam, and gas;

(6) Any employment contract providing for direct services to a Federal agency by an individual or individuals;

(7) Any contract with the Post Office Department, (now the U.S. Postal Service) the principal purpose of which is the operation of postal contract stations.

§4.116 Contracts for construction activity.

(a) *General scope of exemption.* The Act, in paragraph (1) of section 7, exempts from its provisions "any contract of the United States or District of Columbia for construction, alteration and/or repair, including painting and decorating of public buildings or public works." This language corresponds to the language used in the Davis-Bacon Act to describe its coverage (40 U.S.C. 276a). The legislative history of the McNamara-O'Hara Service Contract Act indicates that the purpose of the provision is to avoid overlapping coverage of the two acts by excluding from the application of the McNamara-O'Hara Act those contracts to which the Davis-Bacon Act is applicable and in the performance of which the labor standards of that Act are intended to govern the compensation payable to the employees of contractors and subcontractors on the work. (See H. Rept. 798, pp. 2, 5, and H. Rept. 948, pp. 1, 5, also Hearing, Special Subcommittee on Labor, House Committee on Education and Labor, p. 9 (89th Cong., 1st sess.)) The intent of section 7(1) is simply to exclude from the provisions of the Act those construction contracts which involve the employment of persons whose wage rates and fringe benefits are determinable under the Davis-Bacon Act.

(b) *Contracts not within exemption.* Section 7(1) does not exempt contracts which, for purposes of the Davis-Bacon Act, are not considered to be of the character described by the corresponding language in that Act, and to which the provisions of the Davis-Bacon Act are therefore not applied. Such contracts are accordingly subject to the McNamara-O'Hara Act where their principal purpose is to furnish services in the United States through the use of service employees. For example, a contract for clearing timber or brush from land or for the demolition or dismantling of buildings or other structures located thereon may

§4.117

be a contract for construction activity subject to the Davis-Bacon Act where it appears that the clearing of the site is to be followed by the construction of a public building or public work at the same location. If, however, no further construction activity at the site is contemplated the Davis-Bacon Act is considered inapplicable to such clearing, demolition, or dismantling work. In such event, the exemption in section 7(1) of the McNamara-O'Hara Act has no application and the contract may be subject to the Act in accordance with its general coverage provisions. It should be noted that the fact that a contract may be labeled as one for the sale and removal of property, such as salvage material, does not negate coverage under the Act even though title to the removable property passes to the contractor. While the value of the property being sold in relation to the services performed under the contract is a factor to be considered in determining coverage, where the facts show that the principal purpose of removal, dismantling, and demolition contracts is to furnish services through the use of service employees, these contracts are subject to the Act. (See also §4.131.)

(c) *Partially exempt contracts.* (1) Instances may arise in which, for the convenience of the Government, instead of awarding separate contracts for construction work subject to the Davis-Bacon Act and for services of a different type to be performed by service employees, the contracting officer may include separate specifications for each type of work in a single contract calling for the performance of both types of work. For example, a contracting agency may invite bids for the installation of a plumbing system or for the installation of a security alarm system in a public building and for the maintenance of the system for one year. In such a case, if the contract is principally for services, the exemption provided by section 7(1) will be deemed applicable only to that portion of the contract which calls for construction activity subject to the Davis-Bacon Act. The contract documents are required to contain the clauses prescribed by §4.6 for application to the contract obligation to furnish services through the use of service employees,

29 CFR Subtitle A (7-1-21 Edition)

and the provisions of the McNamara-O'Hara Act will apply to that portion of the contract.

(2) *Service or maintenance contracts involving construction work.* The provisions of both the Davis-Bacon Act and the Service Contract Act would generally apply to contracts involving construction and service work where such contracts are principally for services. The Davis-Bacon Act, and thus the exemption provided by section 7(1) of the Act, would be applicable to construction contract work in such hybrid contracts where:

(i) The contract contains specific requirements for substantial amounts of construction, reconstruction, alteration, or repair work (hereinafter referred to as construction) or it is ascertainable that a substantial amount of construction work will be necessary for the performance of the contract (the word "substantial" relates to the type and quantity of construction work to be performed and not merely to the total value of construction work (whether in absolute dollars or cost percentages) as compared to the total value of the contract); and

(ii) The construction work is physically or functionally separate from, and as a practical matter is capable of being performed on a segregated basis from, the other work called for by the contract.

[48 FR 49762, Oct. 27, 1983; 48 FR 50529, Nov. 2, 1983]

§4.117 Work subject to requirements of Walsh-Healey Act.

(a) The Act, in paragraph (2) of section 7, exempts from its provisions "any work required to be done in accordance with the provision of the Walsh-Healey Public Contracts Act" (49 Stat. 2036, 41 U.S.C. 35 *et seq.*). It will be noted that like the similar provision in the Contract Work Hours and Safety Standards Act (40 U.S.C. 329(b)), this is an exemption for "work", i.e., specifications or requirements, rather than for "contracts" subject to the Walsh-Healey Act. The purpose of the exemption was to eliminate possible overlapping of the differing labor standards of the two Acts, which otherwise might be applied to employees performing work on a contract covered

by the Service Contract Act if such contract and their work under it should also be deemed to be covered by the Walsh-Healey Act. The Walsh-Healey Act applies to contracts in excess of \$10,000 for the manufacture or furnishing of materials, supplies, articles or equipment. Thus, there is no overlap if the principal purpose of the contract is the manufacture or furnishing of such materials etc., rather than the furnishing of services of the character referred to in the Service Contract Act, for such a contract is not within the general coverage of the Service Contract Act. In such cases the exemption in section 7(2) is not pertinent. See, for example, the discussion in §§ 4.131 and 4.132.

(b) Further, contracts principally for remanufacturing of equipment which is so extensive as to be equivalent to manufacturing are subject to the Walsh-Healey Act. Remanufacturing shall be deemed to be manufacturing when the criteria in paragraph (b)(1) or (2) of this section are met.

(1) Major overhaul of an item, piece of equipment, or materiel which is degraded or inoperable, and under which all of the following conditions exist:

(i) The item or equipment is required to be completely or substantially torn down into individual components parts; and

(ii) Substantially all of the parts are reworked, rehabilitated, altered and/or replaced; and

(iii) The parts are reassembled so as to furnish a totally rebuilt item or piece of equipment; and

(iv) Manufacturing processes similar to those which were used in the manufacturing of the item or piece of equipment are utilized; and

(v) The disassembled componets, if usable (except for situations where the number of items or pieces of equipment involved are too few to make it practicable) are commingled with existing inventory and, as such, lose their identification with respect to a particular piece of equipment; and

(vi) The items or equipment overhauled are restored to original life expectancy, or nearly so; and

(vii) Such work is performed in a facility owned or operated by the contractor.

(2) Major modification of an item, piece of equipment, or materiel which is wholly or partially obsolete, and under which all of the following conditions exist:

(i) The item or equipment is required to be completely or substantially torn down; and

(ii) Outmoded parts are replaced; and

(iii) The item or equipment is rebuilt or reassembled; and

(iv) The contract work results in the furnishing of a substantially modified item in a usable and serviceable condition; and

(v) The work is performed in a facility owned or operated by the contractor.

(3) Remanufacturing does not include the repair of damaged or broken equipment which does not require a complete teardown, overhaul, and rebuild as described in paragraphs (b)(1) and (2) of this section, or the periodic and routine maintenance, preservation, care, adjustment, upkeep, or servicing of equipment to keep it in usable, serviceable, working order. Such contracts typically are billed on an hourly rate (labor plus materials and parts) basis. Any contract principally for the work described in this paragraph (b)(3) is subject to the Service Contract Act. Examples of such work include:

(i) Repair of an automobile, truck, or other vehicle, construction equipment, tractor, crane, aerospace, air conditioning and refrigeration equipment, electric motors, and ground powered industrial or vehicular equipment;

(ii) Repair of typewriters and other office equipment (see §4.123(e));

(iii) Repair of appliances, radios television, calculators, and other electronic equipment;

(iv) Inspecting, testing, calibration, painting, packaging, lubrication, tune-up, or replacement of internal parts of equipment listed in paragraphs (b)(3)(i), (ii), and (iii) of this section; and

(v) Reupholstering, reconditioning, repair, and refinishing of furniture.

(4) Application of the Service Contract Act or the Walsh-Healey Act to any similar type of contract not decided above will be decided on a case-by-case basis by the Administrator.

§4.118

§4.118 Contracts for carriage subject to published tariff rates.

The Act, in paragraph (3) of section 7, exempts from its provisions “any contract for the carriage of freight or personnel by vessel, airplane, bus, truck, express, railway line or oil or gas pipeline where published tariff rates are in effect”. In order for this exemption to be applicable, the contract must be for such carriage by a common carrier described by the terms used. It does not, for example, apply to contracts for taxicab or ambulance service, because taxicab and ambulance companies are not among the common carriers specified by the statute. Also, a contract for transportation service does not come within this exemption unless the service contracted for is actually governed by published tariff rates in effect pursuant to State or Federal law for such carriage. The contracts excluded from the reach of the Act by this exemption are typically those where there is on file with the Interstate Commerce Commission or an appropriate State or local regulatory body a tariff rate applicable to the transportation involved, and the transportation contract between the Government and the carrier is evidenced by a Government bill of lading citing the published tariff rate. An administrative exemption has been provided for certain contracts where such carriage is subject to rates covered by section 10721 of the Interstate Commerce Act and is in accordance with applicable regulations governing such rates. See §4.123(d). However, only contracts principally for the carriage of “freight or personnel” are exempt. Thus, the exemption cannot apply where the principal purpose of the contract is packing, crating, handling, loading, and/or storage of goods prior to or following line-haul transportation. The fact that substantial local drayage to and from the contractor’s establishment (such as a warehouse) may be required in such contracts does not alter the fact that their principal purpose is other than the carriage of freight. Also, this exemption does not exclude any contracts for the transportation of mail from the application of the Act, because the term *freight* does not include the mail. (For an administrative exemption of certain contracts

29 CFR Subtitle A (7-1-21 Edition)

with common carriers for carriage of mail, see §4.123(d).)

§4.119 Contracts for services of communications companies.

The Act, in paragraph (4) of section 7, exempts from its provisions “any contract for the furnishing of services by radio, telephone, telegraph, or cable companies, subject to the Communications Act of 1934.” This exemption is applicable to contracts with such companies for communication services regulated under the Communications Act. It does not exempt from the Act any contracts with such companies to furnish any other kinds of services through the use of service employees.

§4.120 Contracts for public utility services.

The Act, in paragraph (5) of section 7, exempts from its provisions “any contract for public utility services, including electric light and power, water, steam, and gas.” This exemption is applicable to contracts for such services with companies whose rates therefor are regulated under State, local, or Federal law governing operations of public utility enterprises. Contracts entered into with public utility companies to furnish services through the use of service employees, other than those subject to such rate regulation, are not exempt from the Act. Among the contracts included in the exemption would be those between Federal electric power marketing agencies and investor-owned electric utilities, Rural Electrification Administration cooperatives, municipalities and State agencies engaged in the transmission and sale of electric power and energy.

(See H. Rept. No. 948, 89th Cong., 1st sess., p. 4)

§4.121 Contracts for individual services.

The Act, in paragraph (6) of section 7, exempts from its provisions “any employment contract providing for direct services to a Federal agency by an individual or individuals.” This exemption, which applies only to an “employment contract” for “direct services,” makes it clear that the Act’s application to

Federal contracts for services is intended to be limited to service contracts entered into with independent contractors. If a contract to furnish services (to be performed by a service employee as defined in the Act) provides that they will be furnished directly to the Federal agency by the individual under conditions or circumstances which will make him an employee of the agency in providing the contract service, the exemption applies and the contract will not be subject to the Act's provisions. The exemption does not exclude from the Act any contract for services of the kind performed by service employees which is entered into with an independent contractor whose individual services will be used in performing the contract, but as noted earlier in § 4.113, such a contract would be outside the general coverage of the Act if only the contractor's individual services would be furnished and no service employee would in any event be used in its performance.

§ 4.122 Contracts for operation of postal contract stations.

The Act, in paragraph (7) of section 7, exempts from its provisions "any contract with the Post Office Department, [now the U.S. Postal Service], the principal purpose of which is the operation of postal contract stations." The exemption is limited to postal service contracts having the operation of such stations as their principal purpose. A provision of the legislation which would also have exempted contracts with the U.S. Postal Service having as their principal purpose the transportation, handling, or delivery of the mails was eliminated from the bill during its consideration by the House Committee on Education and Labor (H. Rept. 948, 89th Cong., 1st sess., p. 1).

§ 4.123 Administrative limitations, variances, tolerances, and exemptions.

(a) *Authority of the Secretary.* Section 4(b) of the Act as amended in 1972 authorizes the Secretary to "provide such reasonable limitations" and to "make such rules and regulations allowing reasonable variations, tolerances, and exemptions to and from any or all pro-

visions of this Act (other than § 10), but only in special circumstances where he determines that such limitation, variation, tolerance, or exemption is necessary and proper in the public interest or to avoid the serious impairment of Government business, and is in accord with the remedial purpose of this Act to protect prevailing labor standards." This authority is similar to that vested in the Secretary under section 6 of the Walsh-Healey Public Contracts Act (41 U.S.C. 40) and under section 105 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 331).

(b) *Administrative action under section 4(b) of the Act.* The authority conferred on the Secretary by section 4(b) of the Act will be exercised with due regard to the remedial purpose of the statute to protect prevailing labor standards and to avoid the undercutting of such standards which could result from the award of Government work to contractors who will not observe such standards, and whose saving in labor cost therefrom enables them to offer a lower price to the Government than can be offered by the fair employers who maintain the prevailing standards. Administrative action consistent with this statutory purpose may be taken under section 4(b) with or without a request therefor, when found necessary and proper in accordance with the statutory standards. No formal procedures have been prescribed for requesting such action. However, a request for exemption from the Act's provisions will be granted only upon a strong and affirmative showing that it is necessary and proper in the public interest or to avoid serious impairment of Government business, and is in accord with the remedial purpose of the Act to protect prevailing labor standards. If the request for administrative action under section 4(b) is not made by the headquarters office of the contracting agency to which the contract services are to be provided, the views of such office on the matter should be obtained and submitted with the request or the contracting officer may forward such a request through channels to the agency headquarters for submission with the latter's views to the Administrator of the Wage and Hour Division, Department of Labor, whenever any wage

§4.123

payment issues are involved. Any request relating to an occupational safety or health issue shall be submitted to the Assistant Secretary for Occupational Safety and Health, Department of Labor.

(c) *Documentation of official action under section 4(b)*. All papers and documents made a part of the official record of administrative action pursuant to section 4(b) of the Act are available for public inspection in accordance with the regulations in 29 CFR part 70. Limitations, variations, tolerances and exemptions of general applicability and legal effect promulgated pursuant to such authority are published in the FEDERAL REGISTER and made a part of the rules incorporated in this part 4. For convenience in use of the rules, they are generally set forth in the sections of this part covering the subject matter to which they relate. (See, for example, §§4.5(b), 4.6(o), 4.112 and 4.113.) Any rules that are promulgated under section 4(b) of the Act relating to subject matter not dealt with elsewhere in this part 4 will be set forth immediately following this paragraph.

(d) In addition to the statutory exemptions in section 7 of the Act (see §4.115(b)), the following types of contracts have been exempted from all the provisions of the Service Contract Act of 1965, pursuant to section 4(b) of the Act, prior to its amendment by Public Law 92-473, which exemptions the Secretary of Labor found to be necessary and proper in the public interest or to avoid serious impairment of the conduct of Government business:

(1) Contracts entered into by the United States with common carriers for the carriage of mail by rail, air (except air star routes), bus, and ocean vessel, where such carriage is performed on regularly scheduled runs of the trains, airplanes, buses, and vessels over regularly established routes and accounts for an insubstantial portion of the revenue therefrom;

(2) Any contract entered into by the U.S. Postal Service with an individual owner-operator for mail service where it is not contemplated at the time the contract is made that such owner-operator will hire any service employee to perform the services under the con-

29 CFR Subtitle A (7-1-21 Edition)

tract except for short periods of vacation time or for unexpected contingencies or emergency situations such as illness, or accident; and

(3) Contracts for the carriage of freight or personnel where such carriage is subject to rates covered by section 10721 of the Interstate Commerce Act.

(e) The following types of contracts have been exempted from all the provisions of the Service Contract Act of 1965, pursuant to section 4(b) of the Act, which exemptions the Secretary of Labor found are necessary and proper in the public interest or to avoid serious impairment of the conduct of Government business, and are in accord with the remedial purpose of the Act to protect prevailing labor standards:

(1)(i) Prime contracts or subcontracts principally for the maintenance, calibration, and/or repair of:

(A) Automated data processing equipment and office information/word processing systems;

(B) Scientific equipment and medical apparatus or equipment where the application of microelectronic circuitry or other technology of at least similar sophistication is an essential element (for example, Federal Supply Classification (FSC) Group 65, Class 6515, "Medical Diagnostic Equipment"; Class 6525, "X-Ray Equipment"; FSC Group 66, Class 6630, "Chemical Analysis Instruments"; Class 6665, "Geographical and Astronomical Instruments", are largely composed of the types of equipment exempted under this paragraph);

(C) Office/business machines not otherwise exempt pursuant to paragraph (e)(1)(i)(A) of this section, where such services are performed by the manufacturer or supplier of the equipment.

(ii) The exemptions set forth in this paragraph (e)(1) shall apply only under the following circumstances:

(A) The items of equipment are commercial items which are used regularly for other than Government purposes, and are sold or traded by the contractor (or subcontractor in the case of an exempt subcontract) in substantial quantities to the general public in the course of normal business operations;

(B) The prime contract or subcontract services are furnished at

prices which are, or are based on, established catalog or market prices for the maintenance, calibration, and/or repair of such commercial items. An "established catalog price" is a price included in a catalog, price list, schedule, or other form that is regularly maintained by the manufacturer or the contractor, is either published or otherwise available for inspection by customers, and states prices at which sales currently, or were last, made to a significant number of buyers constituting the general public. An "established market price" is a current price, established in the usual course of trade between buyers and sellers free to bargain, which can be substantiated from sources independent of the manufacturer or contractor; and

(C) The contractor utilizes the same compensation (wage and fringe benefits) plan for all service employees performing work under the contract as the contractor uses for these employees and equivalent employees servicing the same equipment of commercial customers;

(D) The contractor certifies to the provisions in this paragraph (e)(1)(ii). Certification by the prime contractor as to its compliance with respect to the prime contract also constitutes its certification as to compliance by its subcontractor if it subcontracts out the exempt services. The certification shall be included in the prime contract or subcontract.

(iii)(A) Determinations of the applicability of this exemption to prime contracts shall be made in the first instance by the contracting officer on or before contract award. In making a judgment that the exemption applies, the contracting officer shall consider all factors and make an affirmative determination that all of the conditions in paragraph (e)(1) of this section have been met.

(B) Determinations of the applicability of this exemption to subcontracts shall be made by the prime contractor on or before subcontract award. In making a judgment that the exemption applies, the prime contractor shall consider all factors and make an affirmative determination that all of the conditions in paragraph (e)(1) have been met.

(iv)(A) If the Administrator determines after award of the prime contract that any of the requirements in paragraph (e)(1) of this section for exemption has not been met, the exemption will be deemed inapplicable, and the contract shall become subject to the Service Contract Act, effective as of the date of the Administrator's determination. In such case, the corrective procedures in § 4.5(c) shall be followed.

(B) The prime contractor is responsible for compliance with the requirements of the Service Contract Act by its subcontractors, including compliance with all of the requirements of this exemption (see § 4.114(b)). If the Administrator determines that any of the requirements in paragraph (e)(1) for exemption has not been met with respect to a subcontract, the exemption will be deemed inapplicable, and the prime contractor may be responsible for compliance with the Act effective as of the date of contract award.

(2)(i) Prime contracts or subcontracts principally for the following services where the services under the contract or subcontract meet all of the criteria set forth in paragraph (e)(2)(ii) of this section and are not excluded by paragraph (e)(2)(iii):

(A) Automobile or other vehicle (*e.g.*, aircraft) maintenance services (other than contracts to operate a Government motor pool or similar facility);

(B) Financial services involving the issuance and servicing of cards (including credit cards, debit cards, purchase cards, smart cards, and similar card services);

(C) Contracts with hotels/motels for conferences, including lodging and/or meals which are part of the contract for the conference (which shall not include ongoing contracts for lodging on an as needed or continuing basis);

(D) Maintenance, calibration, repair and/or installation (where the installation is not subject to the Davis-Bacon Act, as provided in § 4.116(c)(2)) services for all types of equipment where the services are obtained from the manufacturer or supplier of the equipment under a contract awarded on a sole source basis;

(E) Transportation by common carrier of persons by air, motor vehicle,

§ 4.123

29 CFR Subtitle A (7-1-21 Edition)

rail, or marine vessel on regularly scheduled routes or via standard commercial services (not including charter services);

(F) Real estate services, including real property appraisal services, related to housing federal agencies or disposing of real property owned by the Federal Government; and

(G) Relocation services, including services of real estate brokers and appraisers, to assist federal employees or military personnel in buying and selling homes (which shall not include actual moving or storage of household goods and related services).

(ii) The exemption set forth in this paragraph (e)(2) shall apply to the services listed in paragraph (e)(2)(i) only when all of the following criteria are met:

(A) The services under the prime contract or subcontract are commercial—*i.e.*, they are offered and sold regularly to non-Governmental customers, and are provided by the contractor (or subcontractor in the case of an exempt subcontract) to the general public in substantial quantities in the course of normal business operations.

(B) The prime contract or subcontract will be awarded on a sole source basis or the contractor or subcontractor will be selected for award on the basis of other factors in addition to price. In such cases, price must be equal to or less important than the combination of other non-price or cost factors in selecting the contractor.

(C) The prime contract or subcontract services are furnished at prices which are, or are based on, established catalog or market prices. An established price is a price included in a catalog, price list, schedule, or other form that is regularly maintained by the contractor or subcontractor, is either published or otherwise available for inspection by customers, and states prices at which sales are currently, or were last, made to a significant number of buyers constituting the general public. An established market price is a current price, established in the usual course of trade between buyers and sellers free to bargain, which can be substantiated from sources independent of the manufacturer or contractor.

(D) Each service employee who will perform services under the Government contract or subcontract will spend only a small portion of his or her time (a monthly average of less than 20 percent of the available hours on an annualized basis, or less than 20 percent of available hours during the contract period if the contract period is less than a month) servicing the government contract or subcontract.

(E) The contractor utilizes the same compensation (wage and fringe benefits) plan for all service employees performing work under the contract or subcontract as the contractor uses for these employees and for equivalent employees servicing commercial customers.

(F) The contracting officer (or prime contractor with respect to a subcontract) determines in advance, based on the nature of the contract requirements and knowledge of the practices of likely offerors, that all or nearly all offerors will meet the requirements in paragraph (e)(2)(ii) of this section. Where the services are currently being performed under contract, the contracting officer or prime contractor shall consider the practices of the existing contractor in making a determination regarding the requirements in paragraph (e)(2)(ii). If upon receipt of offers, the contracting officer finds that he or she did not correctly determine that all or nearly all offerors would meet the requirements, the Service Contract Act shall apply to the procurement, even if the successful offeror has certified in accordance with paragraph (e)(2)(ii)(G) of this section.

(G) The contractor certifies in the prime contract or subcontract, as applicable, to the provisions in paragraph (e)(2)(ii)(A) and (C) through (E) of this section. Certification by the prime contractor as to its compliance with respect to the prime contract also constitutes its certification as to compliance by its subcontractor if it subcontracts out the exempt services. If the contracting officer or prime contractor has reason to doubt the validity of the certification, SCA stipulations shall be included in the prime contract or subcontract.

(iii)(A) If the Administrator determines after award of the prime contract that any of the requirements in paragraph (e)(2) of this section for exemption has not been met, the exemption will be deemed inapplicable, and the contract shall become subject to the Service Contract Act. In such case, the corrective procedures in § 4.5(c) shall be followed.

(B) The prime contractor is responsible for compliance with the requirements of the Service Contract Act by its subcontractors, including compliance with all of the requirements of this exemption (see § 4.114(b)). If the Department of Labor determines that any of the requirements in paragraph (e)(2) for exemption has not been met with respect to a subcontract, the exemption will be deemed inapplicable, and the prime contractor may be responsible for compliance with the Act, as of the date of contract award.

(iv) The exemption set forth in this paragraph (e)(2) does not apply to solicitations and contracts:

(A) Entered into under the Javits-Wagner-O'Day Act, 41 U.S.C. 47;

(B) For the operation of a Government facility or portion thereof (but may be applicable to subcontracts for services set forth in paragraph (e)(2)(ii) that meet all of the criteria of paragraph (e)(2)(ii)); or

(C) Subject to section 4(c) of the Service Contract Act, as well as any options or extensions under such contract.

§4.131 Furnishing services involving more than use of labor.

(a) If the principal purpose of a contract is to furnish services in the performance of which service employees will be used, the Act will apply to the contract, in the absence of an exemption, even though the use or furnishing of nonlabor items may be an important element in the furnishing of the services called for by its terms. The Act is concerned with protecting the labor standards of workers engaged in performing such contracts, and is applicable if the statutory coverage test is met, regardless of the form in which the contract is drafted. The proportion of the labor cost to the total cost of the contract and the necessity of furnishing or receiving tangible nonlabor items in performing the contract obligations will be considered but are not necessarily determinative. A procurement that requires tangible items to be supplied to the Government or the contractor as a part of the service furnished is covered by the Act so long as the facts show that the contract is chiefly for services, and that the furnishing of tangible items is of secondary importance.

(b) Some examples of covered contracts illustrating these principles may be helpful. One such example is a contract for the maintenance and repair of typewriters. Such a contract may re-

quire the contractor to furnish typewriter parts, as the need arises, in performing the contract services. Since this does not change the principal purpose of the contract, which is to furnish the maintenance and repair services through the use of service employees, the contract remains subject to the Act.

(c) Another example of the application of the above principle is a contract for the recurrent supply to a Government agency of freshly laundered items on a rental basis. It is plain from the legislative history that such a contract is typical of those intended to be covered by the Act. S. Rept. 798, 89th Cong., 1st Sess., p. 2; H. Rept. 948, 89th Cong., 1st Sess., p. 2. Although tangible items owned by the contractor are provided on a rental basis for the use of the Government, the service furnished by the contractor in making them available for such use when and where they are needed, through the use of service employees who launder and deliver them, is the principal purpose of the contract.

(d) Similarly, a contract in the form of rental of equipment with operators for the plowing and reseeded of a park area is a service contract. The Act applies to it because its principal purpose is the service of plowing and reseeded, which will be performed by service employees, although as a necessary incident the contractor is required to furnish equipment. For like reasons the contracts for aerial spraying and aerial reconnaissance listed in §4.130 are covered, even though the use of airplanes, an expensive item of equipment, is essential in performing such services. In general, contracts under which the contractor agrees to provide the Government with vehicles or equipment on a rental basis with drivers or operators for the purpose of furnishing services are covered by the Act. Such contracts are not considered contracts for furnishing equipment within the meaning of the Walsh-Healey Public Contracts Act. On the other hand, contracts under which the contractor provides equipment with operators for the purpose of construction of a public building or public work, such as road resurfacing or dike repair, even where the

work is performed under the supervision of Government employees, would be within the exemption in section 7(1) of the Act as contracts for construction subject to the Davis-Bacon Act. (See §4.116.)

(e) Contracts for data collection, surveys, computer services, and the like are within the general coverage of the Act even though the contractor may be required to furnish such tangible items as written reports or computer print-outs, since items of this nature are considered to be of secondary importance to the services which it is the principal purpose of the contract to procure.

(f) Contracts under which the contractor receives tangible items from the Government in return for furnishing services (which items are in lieu of or in addition to monetary consideration granted by either party) are covered by the Act where the facts show that the furnishing of such services is the principal purpose of the contracts. For example, property removal or disposal contracts which involve demolition of buildings or other structures are subject to the Act when their principal purpose is dismantling and removal (and no further construction activity at the site is contemplated). However, removal or dismantling contracts whose principal purpose is sales are not covered. So-called "timber sales" contracts generally are not subject to the Act because normally the services provided under such contracts are incidental to the principal purpose of the contracts. (See also §§4.111(a) and 4.116(b).)

§4.132 Services and other items to be furnished under a single contract.

If the principal purpose of a contract is to furnish services through the use of service employees within the meaning of the Act, the contract to furnish such services is not removed from the Act's coverage merely because, as a matter of convenience in procurement, the service specifications are combined in a single contract document with specifications for the procurement of different or unrelated items. In such case, the Act would apply to service specifications but would not apply to any specifications subject to the

Walsh-Healey Act or to the Davis-Bacon Act. With respect to contracts which contain separate specifications for the furnishing of services and construction activity, see §4.116(c).

§4.133 Beneficiary of contract services.

(a) The Act does not say to whom the services under a covered contract must be furnished. So far as its language is concerned, it is enough if the contract is "entered into" by and with the Government and if its principal purpose is "to furnish services in the United States through the use of service employees". It is clear that Congress intended to cover at least contracts for services of direct benefit to the Government, its property, or its civilian or military personnel for whose needs it is necessary or desirable for the Government to make provision for such services. For example, the legislative history makes specific reference to such contracts as those for furnishing food service and laundry and dry cleaning service for personnel at military installations. Furthermore, there is no limitation in the Act regarding the beneficiary of the services, nor is there any indication that only contracts for services of direct benefit to the Government, as distinguished from the general public, are subject to the Act. Therefore, where the principal purpose of the Government contract is to provide services through the use of service employees, the contract is covered by the Act, regardless of the direct beneficiary of the services or the source of the funds from which the contractor is paid for the service, and irrespective of whether the contractor performs the work in its own establishment, on a Government installation, or elsewhere. The fact that the contract requires or permits the contractor to provide the services directly to individual personnel as a concessionaire, rather than through the contracting agency, does not negate coverage by the Act.

(b) The Department of Labor, pursuant to section 4(b) of the Act, exempts from the provisions of the Act certain kinds of concession contracts providing services to the general public, as provided herein. Specifically, concession contracts (such as those entered into

§ 4.134

by the National Park Service) principally for the furnishing of food, lodging, automobile fuel, souvenirs, newspaper stands, and recreational equipment to the general public, as distinguished from the United States Government or its personnel, are exempt. This exemption is necessary and proper in the public interest and is in accord with the remedial purpose of the Act. Where concession contracts, however, include substantial requirements for services other than those stated, those services are not exempt. The exemption provided does not affect a concession contractor's obligation to comply with the labor standards provisions of any other statutes such as the Contract Work Hours and Safety Standards Act (40 U.S.C. 327 *et seq.*), the Davis-Bacon Act (40 U.S.C. 276a *et seq.*; see part 5 of this title) and the Fair Labor Standards Act (29 U.S.C. 201 *et seq.*).

§ 4.134 Contracts outside the Act's coverage.

(a) Contracts entered into by agencies other than those of the Federal Government or the District of Columbia as described in §§ 4.107–4.108 are not within the purview of the Act. Thus, the Act does not cover service contracts entered into with any agencies of Puerto Rico, the Virgin Islands, American Samoa, or Guam acting in behalf of their respective local governments. Similarly, it does not cover service contracts entered into by agencies of States or local public bodies, not acting as agents for or on behalf of the United States or the District of Columbia, even though Federal financial assistance may be provided for such contracts under Federal law or the terms and conditions specified in Federal law may govern the award and operation of the contract.

(b) Further, as already noted in §§ 4.111 through 4.113, the Act does not apply to Government contracts which do not have as their principal purpose the furnishing of services, or which call for no services to be furnished within the United States or through the use of service employees as those terms are defined in the Act. Clearly outside the Act's coverage for these reasons are such contracts as those for the pur-

29 CFR Subtitle A (7–1–21 Edition)

chase of tangible products which the Government needs (e.g. vehicles, office equipment, and supplies), for the logistic support of an air base in a foreign country, or for the services of a lawyer to examine the title to land. Similarly, where the Government contracts for a lease of building space for Government occupancy and the building owner furnishes general janitorial and other building services on an incidental basis through the use of service employees, the leasing of the space rather than the furnishing of the building services is the principal purpose of the contract, and the Act does not apply. Another type of contract which is outside the coverage of the Act because it is not for the principal purpose of furnishing services may be illustrated by a contract for the rental of parking space under which the Government agency is simply given a lease or license to use the contractor's real property. Such a contract is to be distinguished from contracts for the storage of vehicles which are delivered into the possession or custody of the contractor, who will provide the required services including the parking or retrieval of the vehicles.

(c) There are a number of types of contracts which, while outside the Act's coverage in the usual case, may be subject to its provisions under the conditions and circumstances of a particular procurement, because these may be such as to require a different view of the principal purpose of the contract. Thus, the ordinary contract for the recapping of tires would have as its principal purpose the manufacture and furnishing of rebuilt tires for the Government rather than the furnishing of services through the use of service employees, and thus would be outside the Act's coverage. Similarly, contracts calling for printing, reproduction, and duplicating ordinarily would appear to have as their principal purpose the furnishing in quantity of printed, reproduced or duplicated written materials rather than the furnishing of reproduction services through the use of service employees. However, in a particular case, the terms, conditions, and circumstances of the procurement may be such that the facts would show its purpose to be chiefly the furnishing of services (e.g.

repair services, typesetting, photocopying, editing, etc.), and where such services require the use of service employees the contract would be subject to the Act unless excluded therefrom for some other reason.

§§ 4.135–4.139 [Reserved]

DETERMINING AMOUNT OF CONTRACT

§ 4.140 Significance of contract amount.

As set forth in § 4.104 and in the requirements of §§ 4.6–4.7, the obligations of a contractor with respect to labor standards differ in the case of a covered and nonexempt contract, depending on whether the contract is or is not in excess of \$2,500. Rules for resolving questions that may arise as to whether a contract is or is not in excess of this figure are set forth in the following sections.

§ 4.141 General criteria for measuring amount.

(a) In general, the contract amount is measured by the consideration agreed to be paid, whether in money or other valuable consideration, in return for the obligations assumed under the contract. Thus, even though a contractor, such as a wrecker entering into a contract with the Government to raze a building on a site which will remain vacant, may not be entitled to receive any money from the Government for such work under his contract or may even agree to pay the Government in return for the right to dispose of the salvaged materials, the contract will be deemed one in excess of \$2,500 if the value of the property obtained by the contractor, less anything he might pay the Government, is in excess of such amount. In addition, concession contracts are considered to be contracts in excess of \$2,500 if the contractor's gross receipts under the contract may exceed \$2,500.

(b) All bids from the same person on the same invitation for bids will constitute a single offer, and the total award to such person will determine the amount involved for purposes of the Act. Where the procurement is made without formal advertising, in arriving at the aggregate amount involved, there must be included all prop-

erty and services which would properly be grouped together in a single transaction and which would be included in a single advertisement for bids if the procurement were being effected by formal advertising. Therefore, if an agency procures continuing services through the issuance of monthly purchase orders, the amount of the contract for purposes of application of the Act is not measured by the amount of an individual purchase order. In such cases, if the continuing services were procured through formal advertising, the contract term would typically be for one year, and the monthly purchase orders must be grouped together to determine whether the yearly amount may exceed \$2,500. However, a purchase order for services which are not continuing but are performed on a one-time or sporadic basis and which are not performed under a requirements contract or under the terms of a basic ordering agreement or similar agreement need not be equated to a yearly amount. (See § 4.142(b).) In addition, where an invitation is for services in an amount in excess of \$2,500 and bidders are permitted to bid on a portion of the services not amounting to more than \$2,500, the amounts of the contracts awarded separately to individual and unrelated bidders will be measured by the portions of the services covered by their respective contracts.

(c) Where a contract is issued in an amount in excess of \$2,500 this amount will govern for purposes of application of the Act even though penalty deductions, deductions for prompt payment, and similar deductions may reduce the amount actually expended by the Government to \$2,500 or less.

§ 4.142 Contracts in an indefinite amount.

(a) Every contract subject to this Act which is indefinite in amount is required to contain the clauses prescribed in § 4.6 for contracts in excess of \$2,500, unless the contracting officer has definite knowledge in advance that the contract will not exceed \$2,500 in any event.

§ 4.143

(b) Where contracts or agreements between a Government agency and prospective purveyors of services are negotiated which provide terms and conditions under which services will be furnished through the use of service employees in response to individual purchase orders or calls, if any, which may be issued by the agency during the life of the agreement, these agreements would ordinarily constitute contracts within the intent of the Act under principles judicially established in *United Biscuit Co. v. Wirtz*, 17 WH Cases 146 (C.A.D.C.), a case arising under the Walsh-Healey Public Contracts Act. Such a contract, which may be in the nature of a bilateral option contract or basic ordering agreement and not obligate the Government to order any services or the contractor to furnish any, nevertheless governs any procurement of services that may be made through purchase orders or calls issued under its terms. Since the amount of the contract is indefinite, it is subject to the rule stated in paragraph (a) of this section. The amount of the contract is not determined by the amount of any individual call or purchase order.

CHANGES IN CONTRACT COVERAGE

§ 4.143 Effects of changes or extensions of contracts, generally.

(a) Sometimes an existing service contract is modified, amended, or extended in such a manner that the changed contract is considered to be a new contract for purposes of the application of the Act's provisions. The general rule with respect to such contracts is that, whenever changes affecting the labor requirements are made in the terms of the contract, the provisions of the Act and the regulations thereunder will apply to the changed contract in the same manner and to the same extent as they would to a wholly new contract. However, contract modifications or amendments (other than contract extensions) that are unrelated to the labor requirements of a contract will not be deemed to create a new contract for purposes of the Act. In addition, only significant changes related to labor requirements will be considered as creating new contracts. This limitation on the application of the

29 CFR Subtitle A (7-1-21 Edition)

Act has been found to be in accordance with the provisions of section 4(b) of the Act.

(b) Also, whenever the term of an existing contract is extended, pursuant to an option clause or otherwise, so that the contractor furnishes services over an extended period of time, rather than being granted extra time to fulfill his original commitment, the contract extension is considered to be a new contract for purposes of the application of the Act's provisions. All such "new" contracts as discussed above require the insertion of a new or revised wage determination in the contract as provided in § 4.5.

§ 4.144 Contract modifications affecting amount.

Where a contract that was originally issued in an amount not in excess of \$2,500 is later modified so that its amount may exceed that figure, all the provisions of section 2(a) of the Act, and the regulations thereunder, are applicable from the date of modification to the date of contract completion. In the event of such modification, the contracting officer shall immediately obtain a wage determination from the Department of Labor using the e98 application or directly from WDOL, and insert the required contract clauses and any wage determination issued into the contract. In the event that a contract for services subject to the Act in excess of \$2,500 is modified so that it cannot exceed \$2,500, compliance with the provisions of section 2(a) of the Act and the contract clauses required thereunder ceases to be an obligation of the contractor when such modification becomes effective.

[70 FR 50899, Aug. 26, 2005]

§ 4.145 Extended term contracts.

(a) Sometimes service contracts are entered into for an extended term exceeding one year; however, their continuation in effect is subject to the appropriation by Congress of funds for each new fiscal year. In such event, for purposes of this Act, a contract shall be deemed entered into upon the contract anniversary date which occurs in each new fiscal year during which the terms of the original contract are made effective by an appropriation for that

purpose. In other cases a service contract, entered into for a specified term by a Government agency, may contain a provision such as an option clause under which the agency may unilaterally extend the contract for a period of the same length or other stipulated period. Since the exercise of the option results in the rendition of services for a new or different period not included in the term for which the contractor is obligated to furnish services or for which the Government is obligated to pay under the original contract in the absence of such action to extend it, the contract for the additional period is a wholly new contract with respect to application of the Act's provisions and the regulations thereunder (see § 4.143(b)).

(b) With respect to multi-year service contracts which are not subject to annual appropriations (for example, concession contracts which are funded through the concessionaire's sales, certain operations and maintenance contracts which are funded with so-called "no year money" or contracts awarded by instrumentalities of the United States, such as the Federal Reserve Banks, which do not receive appropriated funds), section 4(d) of the Act allows such contracts to be awarded for a period of up to five years on the condition that the multi-year contracts will be amended no less often than once every two years to incorporate any new Service Contract Act wage determination which may be applicable. Accordingly, unless the contracting agency is notified to the contrary (see § 4.4(d)), such contracts are treated as wholly new contracts for purposes of the application of the Act's provisions and regulations thereunder at the end of the second year and again at the end of the fourth year, etc. The two-year period is considered to begin on the date that the contractor commences performance on the contract (i.e., anniversary date) rather than on the date of contract award.

PERIOD OF COVERAGE

§ 4.146 Contract obligations after award, generally.

A contractor's obligation to observe the provisions of the Act arises on the

date the contractor is informed that award of the contract has been made, and not necessarily on the date of formal execution. However, the contractor is required to comply with the provisions of the Act and regulations thereunder only while the employees are performing on the contract, provided the contractor's records make clear the period of such performance. (See also § 4.179.) If employees of the contractor are required by the contract to complete certain preliminary training or testing prior to the commencement of the contract services, or if there is a phase-in period which allows the new contractor's employees to familiarize themselves with the contract work so as to provide a smooth transition between contractors, the time spent by employees undertaking such training or phase-in work is considered to be hours worked on the contract and must be compensated for even though the principal contract services may not commence until a later date.

§§ 4.147–4.149 [Reserved]

EMPLOYEES COVERED BY THE ACT

§ 4.150 Employee coverage, generally.

The Act, in section 2(b), makes it clear that its provisions apply generally to all service employees engaged in performing work on a covered contract entered into by the contractor with the Federal Government, regardless of whether they are the contractor's employees or those of any subcontractor under such contract. All service employees who, on or after the date of award, are engaged in working on or in connection with the contract, either in performing the specific services called for by its terms or in performing other duties necessary to the performance of the contract, are thus subject to the Act unless a specific exemption (see §§ 4.115 *et seq.*) is applicable. All such employees must be paid wages at a rate not less than the minimum wage specified under section 6(a)(1) of the Fair Labor Standards Act (29 U.S.C. 206(a)(1)), as amended. Payment of a higher minimum monetary wage and the furnishing of fringe benefits may be required under the contract, pursuant to the provisions of sections 2 (a)(1), (2), and 4(c) of the Act.

§ 4.151

§ 4.151 Employees covered by provisions of section 2(a).

The provisions of sections 2(a) and 4(c) of the Act prescribe labor standards requirements applicable, except as otherwise specifically provided, to every contract in excess of \$2,500 which is entered into by the United States or the District of Columbia for the principal purpose of furnishing services in the United States through the use of service employees. These provisions apply to all service employees engaged in the performance of such a contract or any subcontract thereunder. The Act, in section 8(b) defines the term *service employee*. The general scope of the definition is considered in § 4.113(b) of this subpart.

§ 4.152 Employees subject to prevailing compensation provisions of sections 2(a)(1) and (2) and 4(c).

(a) Under sections 2(a)(1) and (2) and 4(c) of the Act, minimum monetary wages and fringe benefits to be paid or furnished the various classes of service employees performing such contract work are determined by the Secretary of Labor or his authorized representative in accordance with prevailing rates and fringe benefits for such employees in the locality or in accordance with the rates contained in a predecessor contractor's collective bargaining agreement, as appropriate, and are required to be specified in such contracts and subcontracts thereunder. All service employees of the classes who actually perform the specific services called for by the contract (e.g., janitors performing on a contract for office cleaning; stenographers performing on a contract for stenographic reporting) are covered by the provisions specifying such minimum monetary wages and fringe benefits for such classes of service employees and must be paid not less than the applicable rate established for the classification(s) of work performed. Pursuant to section 4.6(b)(2), conforming procedures are required to be observed for all such classes of service employees not listed in the wage determination incorporated in the contract.

(b) The duties which an employee actually performs govern the classification and the rate of pay to which the

29 CFR Subtitle A (7-1-21 Edition)

employee is entitled under the applicable wage determination. Some job classifications listed in an applicable wage determination are descriptive by title and have commonly understood meanings (e.g., janitors, security guards, pilots, etc.). In such situations, detailed position descriptions may not be included in the wage determination. However, in cases where additional descriptive information is needed to inform users of the scope of duties included in the classification, the wage determination will generally contain detailed position descriptions based on the data source relied upon for the issuance of the wage determination.

(c)(1) Some wage determinations will list a series of classes within a job classification family, e.g., Computer Operators, Class A, B, and C, or Electronic Technicians, Class A, B, and C, or Clerk Typist, Class A and B. Generally, the lowest level listed for a job classification family is considered to be the entry level and establishment of a lower level through conformance (§ 4.6(b)(2)) is not permissible. Further, trainee classifications cannot be conformed. Helpers in skilled maintenance trades (e.g., electricians, machinists, automobile mechanics, etc.) whose duties constitute, in fact, separate and distinct jobs, may also be used if listed on the wage determination, but cannot be conformed. Conformance may not be used to artificially split or subdivide classifications listed in the wage determination. However, conforming procedures may be used if the work which an employee performs under the contract is not within the scope of any classification listed on the wage determination, regardless of job title.

(2) Subminimum rates for apprentices, student learners, and handicapped workers are permissible under the conditions discussed in § 4.6 (o) and (p).

§ 4.153 Inapplicability of prevailing compensation provisions to some employees.

There may be employees used by a contractor or subcontractor in performing a service contract in excess of \$2,500 which is subject to the Act, whose services, although necessary to the performance of the contract, are

not subject to minimum monetary wage or fringe benefit provisions contained in the contract pursuant to section 2(a) because such employees are not directly engaged in performing the specified contract services. An example might be a laundry contractor's billing clerk performing billing work with respect to the items laundered. In all such situations, the employees who are necessary to the performance of the contract but not directly engaged in the performance of the specified contract services, are nevertheless subject to the minimum wage provision of section 2(b) (see § 4.150) requiring payment of not less than the minimum wage specified under section 6(a)(1) of the Fair Labor Standards Act to all employees working on a covered contract, unless specifically exempt. However, in situations where minimum monetary wages and fringe benefits for a particular class or classes of service employees actually performing the services called for by the contract have not been specified in the contract because the wage and fringe benefit determination applicable to the contract has been made only for other classes of service employees who will perform the contract work, the employer will be required to pay the monetary wages and fringe benefits which may be specified for such classes of employees pursuant to the conformance procedures provided in § 4.6(b).

§ 4.154 Employees covered by sections 2(a)(3) and (4).

The safety and health standards of section 2(a)(3) and the notice requirements of section 2(a)(4) of the Act (see § 4.183) are applicable, in the absence of a specific exemption, to every service employee engaged by a contractor or subcontractor to furnish services under a contract subject to section 2(a) of the Act.

§ 4.155 Employee coverage does not depend on form of employment contract.

The Act, in section 8(b), makes it plain that the coverage of service employees depends on whether their work for the contractor or subcontractor on a covered contract is that of a service employee as defined in section 8(b) and

not on any contractual relationship that may be alleged to exist between the contractor or subcontractor and such persons. In other words, any person, except those discussed in § 4.156 below, who performs work called for by a contract or that portion of a contract subject to the Act is, per se, a service employee. Thus, for example, a person's status as an "owner-operator" or an "independent contractor" is immaterial in determining coverage under the Act and all such persons performing the work of service employees must be compensated in accordance with the Act's requirements.

§ 4.156 Employees in bona fide executive, administrative, or professional capacity.

The term *service employee* as defined in section 8(b) of the Act does not include persons employed in a bona fide executive, administrative, or professional capacity as those terms are defined in 29 CFR part 541. Employees within the definition of service employee who are employed in an executive, administrative, or professional capacity are not excluded from coverage, however, even though they are highly paid, if they fail to meet the tests set forth in 29 CFR part 541. Thus, such employees as laboratory technicians, draftsmen, and air ambulance pilots, though they require a high level of skill to perform their duties and may meet the salary requirements of the regulations in part 541 of this title, are ordinarily covered by the Act's provisions because they do not typically meet the other requirements of those regulations.

§§ 4.157–4.158 [Reserved]

Subpart D—Compensation Standards

§ 4.159 General minimum wage.

The Act, in section 2(b)(1), provides generally that no contractor or subcontractor under any Federal contract subject to the Act shall pay any employee engaged in performing work on such a contract less than the minimum wage specified under section 6(a)(1) of the Fair Labor Standards Act. Section 2(a)(1) provides that the minimum

§4.160

monetary wage specified in any such contract exceeding \$2,500 shall in no case be lower than this Fair Labor Standards Act minimum wage. Section 2(b)(1) is a statutory provision which applies to the contractor or subcontractor without regard to whether it is incorporated in the contract; however, §§4.6 and 4.7 provide for inclusion of its requirements in covered contracts and subcontracts. Because this statutory requirement specifies no fixed monetary wage rate and refers only to the minimum wage specified under section 6(a)(1) of the Fair Labor Standards Act, and because its application does not depend on provisions of the contract, any increase in such Fair Labor Standards Act minimum wage during the life of the contract is, on its effective date, also effective to increase the minimum wage payable under section 2(b)(1) to employees engaged in performing work on the contract.

[48 FR 49762, Oct. 27, 1983, as amended at 76 FR 18854, Apr. 5, 2011]

§4.160 Effect of section 6(e) of the Fair Labor Standards Act.

Contractors and subcontractors performing work on contracts subject to the Service Contract Act are required to pay all employees, including those employees who are not performing work on or in connection with such contracts, not less than the general minimum wage standard provided in section 6(a)(1) of the Fair Labor Standards Act, as amended (Pub. L. 95-151).

§4.161 Minimum monetary wages under contracts exceeding \$2,500.

The standards established pursuant to the Act for minimum monetary wages to be paid by contractors and subcontractors under service contracts in excess of \$2,500 to service employees engaged in performance of the contract or subcontract are required to be specified in the contract and in all subcontracts (see §4.6). Pursuant to the statutory scheme provided by sections 2(a)(1) and 4(c) of the Act, every covered contract (and any bid specification therefor) which is in excess of \$2,500 shall contain a provision specifying the minimum monetary wages to be paid the various classes of service employees engaged in the performance

29 CFR Subtitle A (7-1-21 Edition)

of the contract or any subcontract thereunder, as determined by the Secretary or his authorized representative in accordance with prevailing rates for such employees in the locality, or, where a collective bargaining agreement applied to the employees of a predecessor contractor in the same locality, in accordance with the rates for such employees provided for in such agreement, including prospective wage increases as provided in such agreement as a result of arm's-length negotiations. In no case may such wages be lower than the minimum wage specified under section 6(a)(1) of the Fair Labor Standards Act of 1938, as amended. (For a detailed discussion of the application of section 4(c) of the Act, see §4.163.) If some or all of the determined wages in a contract fall below the level of the Fair Labor Standards Act minimum by reason of a change in that rate by amendment of the law, these rates become obsolete and the employer is obligated under section 2(b)(1) of the Service Contract Act to pay the minimum wage rate established by the amendment as of the date it becomes effective. A change in the Fair Labor Standards Act minimum by operation of law would also have the same effect on advertised specifications or negotiations for covered service contracts, i.e., it would make ineffective and would supplant any lower rate or rates included in such specifications or negotiations whether or not determined. However, unless affected by such a change in the Fair Labor Standards Act minimum wage, by contract changes necessitating the insertion of new wage provisions (see §§4.5(c) and 4.143-4.145) or by the requirements of section 4(c) of the Act (see §4.163), the minimum monetary wage rate specified in the contract for each of the classes of service employees for which wage determinations have been made under section 2(a)(1) will continue to apply throughout the period of contract performance. No change in the obligation of the contractor or subcontractor with respect to minimum monetary wages will result from the mere fact that higher or lower wage rates may be determined to be prevailing for such employees in the locality after the award and before completion of the

contract. Such wage determinations are effective for contracts not yet awarded, as provided in § 4.5(a).

§ 4.162 Fringe benefits under contracts exceeding \$2,500.

(a) Pursuant to the statutory scheme provided by sections 2(a)(2) and 4(c) of the Act, every covered contract in excess of \$2,500 shall contain a provision specifying the fringe benefits to be furnished the various classes of service employees, engaged in the performance of the contract or any subcontract thereunder, as determined by the Secretary or his authorized representative to be prevailing for such employees in the locality or, where a collective bargaining agreement applied to the employees of a predecessor contractor in the same locality, the various classes of service employees engaged in the performance of the contract or any subcontract must be provided the fringe benefits, including prospective or accrued fringe benefit increases, provided for in such agreement as a result of arm's-length negotiations. (For a detailed discussion of section 4(c) of the Act, see § 4.163.) As provided by section 2(a)(2) of the Act, fringe benefits include medical or hospital care, pensions on retirement or death, compensation for injuries or illness resulting from occupational activity, or insurance to provide any of the foregoing, unemployment benefits, life insurance, disability and sickness insurance, accident insurance, vacation and holiday pay, costs of apprenticeship or other similar programs and other bona fide fringe benefits not otherwise required by Federal, State, or local law to be provided by the contractor or subcontractor.

(b) Under this provision, the fringe benefits, if any, which the contractor or subcontractor is required to furnish the service employees engaged in the performance of the contract are specified in the contract documents (see § 4.6). How the contractor may satisfy this obligation is dealt with in §§ 4.170 through 4.177 of this part. A change in the fringe benefits required by the contract provision will not result from the mere fact that other or additional fringe benefits are determined to be prevailing for such employees in the lo-

cality at a time subsequent to the award but before completion of the contract. Such fringe benefit determinations are effective for contracts not yet awarded (see § 4.5(a)), or in the event that changes in an existing contract requiring their insertion for prospective application have occurred (see §§ 4.143 through 4.145). However, none of the provisions of this paragraph may be construed as altering a successor contractor's obligations under section 4(c) of the Act. (See § 4.163.)

§ 4.163 Section 4(c) of the Act.

(a) Section 4(c) of the Act provides that no "contractor or subcontractor under a contract, which succeeds a contract subject to this Act and under which substantially the same services are furnished, shall pay any service employee under such contract less than the wages and fringe benefits, including accrued wages and fringe benefits, and any prospective increases in wages and fringe benefits provided for in a collective-bargaining agreement as a result of arm's-length negotiations, to which such service employees would have been entitled if they were employed under the predecessor contract: *Provided*, That in any of the foregoing circumstances such obligations shall not apply if the Secretary finds after a hearing in accordance with regulations adopted by the Secretary that such wages and fringe benefits are substantially at variance with those which prevail for services of a character similar in the locality." Under this provision, the successor contractor's sole obligation is to insure that all service employees are paid no less than the wages and fringe benefits to which such employees would have been entitled if employed under the predecessor's collective bargaining agreement (i.e., irrespective of whether the successor's employees were or were not employed by the predecessor contractor). The obligation of the successor contractor is limited to the wage and fringe benefit requirements of the predecessor's collective bargaining agreement and does not extend to other items such as seniority, grievance procedures, work rules, overtime, etc.

(b) *Section 4(c) is self-executing.* Under section 4(c), a successor contractor in

§4.163

29 CFR Subtitle A (7-1-21 Edition)

the same locality as the predecessor contractor is statutorily obligated to pay no less than the wage rates and fringe benefits which were contained in the predecessor contractor's collective bargaining agreement. This is a direct statutory obligation and requirement placed on the successor contractor by section 4(c) and is not contingent or dependent upon the issuance or incorporation in the contract of a wage determination based on the predecessor contractor's collective bargaining agreement. Pursuant to section 4(b) of the Act, a variation has been granted which limits the self-executing application of section 4(c) in the circumstances and under the conditions described in §4.1b(b) of this part. It must be emphasized, however, that the variation in §4.1b(b) is applicable only if the contracting officer has given both the incumbent (predecessor) contractor and the employees' collective bargaining representative notification at least 30 days in advance of any estimated procurement date.

(c) *Variance hearings.* The regulations and procedures for hearings pursuant to section 4(c) of the Act are contained in §4.10 of subpart A and parts 6 and 8 of this title. If, as the result of such hearing, some or all of the wage rate and/or fringe benefit provisions of a predecessor contractor's collective bargaining agreement are found to be substantially at variance with the wage rates and/or fringe benefits prevailing in the locality, the Administrator will cause a new wage determination to be issued in accordance with the decision of the Administrative Law Judge or the Administrative Review Board, as appropriate. Since "it was the clear intent of Congress that any revised wage determinations resulting from a section 4(c) proceeding were to have validity with respect to the procurement involved" (53 Comp. Gen. 401, 402, 1973), the solicitation, or the contract if already awarded, must be amended to incorporate the newly issued wage determination. Such new wage determination shall be made applicable to the contract as of the date of the Administrative Law Judge's decision or, where the decision is reviewed by the Administrative Review Board, the date of that decision. The legislative history of

the 1972 Amendments makes clear that the collectively bargained "wages and fringe benefits shall continue to be honored * * * unless and until the Secretary finds, after a hearing, that such wages and fringe benefits are substantially at variance with those prevailing in the locality for like services" (S. Rept. 92-1131, 92nd Cong., 2d Sess. 5). Thus, variance decisions do not have application retroactive to the commencement of the contract.

(d) *Sections 2(a) and 4(c) must be read in conjunction.* The Senate report accompanying the bill which amended the Act in 1972 states that "Sections 2(a)(1), 2(a)(2), and 4(c) must be read in harmony to reflect the statutory scheme." (S. Rept. 92-1131, 92nd Cong., 2d Sess. 4.) Therefore, since section 4(c) refers only to the predecessor contractor's collective bargaining agreement, the reference to collective bargaining agreements in sections 2(a)(1) and 2(a)(2) can only be read to mean a predecessor contractor's collective bargaining agreement. The fact that a successor contractor may have its own collective bargaining agreement does not negate the clear mandate of the statute that the wages and fringe benefits called for by the predecessor contractor's collective bargaining agreement shall be the minimum payable under a new (successor) contract nor does it negate the application of a prevailing wage determination issued pursuant to section 2(a) where there was no applicable predecessor collective bargaining agreement. 48 Comp. Gen. 22, 23-24 (1968). In addition, because section 2(a) only applies to covered contracts in excess of \$2,500, the requirements of section 4(c) likewise apply only to successor contracts which may be in excess of \$2,500. However, if the successor contract is in excess of \$2,500, section 4(c) applies regardless of the amount of the predecessor contract. (See §§4.141-4.142 for determining contract amount.)

(e) *The operative words of section 4(c) refer to "contract" not "contractor".* Section 4(c) begins with the language, "[n]o contractor or subcontractor under a contract, which succeeds a contract subject to this Act" (emphasis supplied). Thus, the statute is applicable by its terms to a successor contract

without regard to whether the successor contractor was also the predecessor contractor. A contractor may become its own successor because it was the successful bidder on a recompetition of an existing contract, or because the contracting agency exercises an option or otherwise extends the term of the existing contract, etc. (See §§4.143-4.145.) Further, since sections 2(a) and 4(c) must be read in harmony to reflect the statutory scheme, it is clear that the provisions of section 4(c) apply whenever the Act or the regulations require that a new wage determination be incorporated into the contract (53 Comp. Gen. 401, 404-6 (1973)).

(f) *Collective bargaining agreement must be applicable to work performed on the predecessor contract.* Section 4(c) will be operative only if the employees who worked on the predecessor contract were actually paid in accordance with the wage and fringe benefit provisions of a predecessor contractor's collective bargaining agreement. Thus, for example, section 4(c) would not apply if the predecessor contractor entered into a collective bargaining agreement for the first time, which did not become effective until after the expiration of the predecessor contract. Likewise, the requirements of section 4(c) would not apply if the predecessor contractor's collective bargaining agreement applied only to other employees of the firm and not to the employees working on the contract.

(g) *Contract reconfigurations.* As a result of changing priorities, mission requirements, or other considerations, contracting agencies may decide to restructure their support contracts. Thus, specific contract requirements from one contract may be broken out and placed in a new contract or combined with requirements from other contracts into a consolidated contract. The protections afforded service employees under section 4(c) are not lost or negated because of such contract reconfigurations, and the predecessor contractor's collectively bargained rates follow identifiable contract work requirements into new or consolidated contracts, provided that the new or consolidated contract is for services which were furnished in the same locality under a predecessor contract. See

§4.163(i). However, where there is more than one predecessor contract to the new or consolidated contract, and where the predecessor contracts involve the same or similar function(s) of work, using substantially the same job classifications, the predecessor contract which covers the greater portion of the work in such function(s) shall be deemed to be the predecessor contract for purposes of section 4(c), and the collectively bargained wages and fringe benefits under that contract, if any, shall be applicable to such function(s). This limitation on the application of section 4(c) is necessary and proper in the public interest and is in accord with the remedial purpose of the Act to protect prevailing labor standards.

(h) *Interruption of contract services.* Other than the requirement that substantially the same services be furnished, the requirement for arm's-length negotiations and the provision for variance hearings, the Act does not impose any other restrictions on the application of section 4(c). Thus, the application of section 4(c) is not negated because the contracting authority may change and the successor contract is awarded by a different contracting agency. Also, there is no requirement that the successor contract commence immediately after the completion or termination of the predecessor contract, and an interruption of contract services does not negate the application of section 4(c). Contract services may be interrupted because the Government facility is temporarily closed for renovation, or because a predecessor defaulted on the contract or because a bid protest has halted a contract award requiring the Government to perform the services with its own employees. In all such cases, the requirements of section 4(c) would apply to any successor contract which may be awarded after the temporary interruption or hiatus. The basic principle in all of the preceding examples is that successorship provisions of section 4(c) apply to the full term successor contract. Therefore, temporary interim contracts, which allow a contracting agency sufficient time to solicit bids for a full term contract, also do not negate the application of section 4(c) to a full term successor contract.

§ 4.164

(i) *Place of performance.* The successorship requirements of section 4(c) apply to all contracts for substantially the same services as were furnished under a predecessor contract in the same locality. As stated in § 4.4(a)(2), a wage determination incorporated in the contract shall be applicable thereto regardless of whether the successful contractor subsequently changes the place(s) of contract performance. Similarly, the application of section 4(c) (and any wage determination issued pursuant to section 4(c) and included in the contract) is not negated by the fact that a successor prime contractor subsequently changes the place(s) of contract performance or subcontracts any part of the contract work to a firm which performs the work in a different locality.

(j) *Interpretation of wage and fringe benefit provisions of wage determinations issued pursuant to sections 2(a) and 4(c).* Wage determinations which are issued for successor contracts subject to section 4(c) are intended to accurately reflect the rates and fringe benefits set forth in the predecessor's collective bargaining agreement. However, failure to include in the wage determination any job classification, wage rate, or fringe benefit encompassed in the collective bargaining agreement does not relieve the successor contractor of the statutory requirement to comply at a minimum with the terms of the collective bargaining agreement insofar as wages and fringe benefits are concerned. Since the successor's obligations are governed by the terms of the collective bargaining agreement, any interpretation of the wage and fringe benefit provisions of the collective bargaining agreement where its provisions are unclear must be based on the intent of the parties to the collective bargaining agreement, provided that such interpretation is not violative of law. Therefore, some of the principles discussed in §§ 4.170 through 4.177 regarding specific interpretations of the fringe benefit provisions of prevailing wage determinations may not be applicable to wage determinations issued pursuant to section 4(c). As provided in section 2(a)(2), a contractor may satisfy its fringe benefit obligations under any wage determination

29 CFR Subtitle A (7-1-21 Edition)

“by furnishing any equivalent combinations of fringe benefits or by making equivalent or differential payments in cash” in accordance with the rules and regulations set forth in § 4.177 of this subpart.

(k) No provision of this section shall be construed as permitting a successor contractor to pay its employees less than the wages and fringe benefits to which such employees would have been entitled under the predecessor contractor's collective bargaining agreement. Thus, some of the principles discussed in § 4.167 may not be applicable in section 4(c) successorship situations. For example, unless the predecessor contractor's collective bargaining agreement allowed the deduction from employees' wages of the reasonable cost or fair value for providing board, lodging, or other facilities, the successor may not include such costs as part of the applicable minimum wage specified in the wage determination. Likewise, unless the predecessor contractor's agreement allowed a tip credit (§ 4.6(q)), the successor contractor may not take a tip credit toward satisfying the minimum wage requirements under sections 2(a)(1) and 4(c).

§ 4.164 [Reserved]

COMPLIANCE WITH COMPENSATION STANDARDS

§ 4.165 Wage payments and fringe benefits—in general.

(a)(1) Monetary wages specified under the Act shall be paid to the employees to whom they are due promptly and in no event later than one pay period following the end of the pay period in which they are earned. No deduction, rebate, or refund is permitted, except as hereinafter stated. The same rules apply to cash payments authorized to be paid with the statutory monetary wages as equivalents of determined fringe benefits (see § 4.177).

(2) The Act makes no distinction, with respect to its compensation provisions, between temporary, part-time, and full-time employees, and the wage and fringe benefit determinations apply, in the absence of an express limitation, equally to all such service employees engaged in work subject to the Act's provisions. (See § 4.176 regarding

fringe benefit payments to temporary and part-time employees.)

(b) The Act does not prescribe the length of the pay period. However, for purposes of administration of the Act, and to conform with practices required under other statutes that may be applicable to the employment, wages and hours worked must be calculated on the basis of a fixed and regularly recurring workweek of seven consecutive 24-hour workday periods, and the records must be kept on this basis. It is appropriate to use this workweek for the pay period. A bi-weekly or semimonthly pay period may, however, be used if advance notification is given to the affected employees. A pay period longer than semimonthly is not recognized as appropriate for service employees and wage payments at greater intervals will not be considered as constituting proper payments in compliance with the Act.

(c) The prevailing rate established by a wage determination under the Act is a minimum rate. A contractor is not precluded from paying wage rates in excess of those determined to be prevailing in the particular locality. Nor does the Act affect or require the changing of any provisions of union contracts specifying higher monetary wages or fringe benefits than those contained in an applicable determination. However, if an applicable wage determination contains a wage or fringe benefit provision for a class of service employees which is higher than that specified in an existing union agreement, the determination's provision must be observed for any work performed on a contract subject to that determination.

§4.166 Wage payments—unit of payment.

The standard by which monetary wage payments are measured under the Act is the wage rate per hour. An hourly wage rate is not, however, the only unit for payment of wages that may be used for employees subject to the Act. Employees may be paid on a daily, weekly, or other time basis, or by piece or task rates, so long as the measure of work and compensation used, when translated or reduced by computation to an hourly basis each workweek, will

provide a rate per hour that will fulfill the statutory requirement. Whatever system of payment is used, however, must ensure that each hour of work in performance of the contract is compensated at not less than the required minimum rate. Failure to pay for certain hours at the required rate cannot be transformed into compliance with the Act by reallocating portions of payments made for other hours which are in excess of the specified minimum.

§4.167 Wage payments—medium of payment.

The wage payment requirements under the Act for monetary wages specified under its provisions will be satisfied by the timely payment of such wages to the employee either in cash or negotiable instrument payable at par. Such payment must be made finally and unconditionally and "free and clear." Scrip, tokens, credit cards, "dope checks", coupons, salvage material, and similar devices which permit the employer to retain and prevent the employee from acquiring control of money due for the work until some time after the pay day for the period in which it was earned, are not proper mediums of payment under the Act. If, as is permissible, they are used as a convenient device for measuring earnings or allowable deductions during a single pay period, the employee cannot be charged with the loss or destruction of any of them and the employer may not, because the employee has not actually redeemed them, credit itself with any which remain outstanding on the pay day in determining whether it has met the requirements of the Act. The employer may not include the cost of fringe benefits or equivalents furnished as required under section 2(a)(2) of the Act, as a credit toward the monetary wages it is required to pay under section 2(a)(1) or 2(b) of the Act (see §4.170). However, the employer may generally include, as a part of the applicable minimum wage which it is required to pay under the Act, the reasonable cost or fair value, as determined by the Administrator, of furnishing an employee with "board, lodging, or other facilities," as defined in part 531 of this title, in situations where such facilities are customarily

§ 4.168

furnished to employees, for the convenience of the employees, not primarily for the benefit of the employer, and the employees' acceptance of them is voluntary and uncoerced. (See also § 4.163(k).) The determination of reasonable cost or fair value will be in accordance with the Administrator's regulations under the Fair Labor Standards Act, contained in such part 531 of this title. While employment on contracts subject to the Act would not ordinarily involve situations in which service employees would receive tips from third persons, the treatment of tips for wage purposes in the situations where this may occur should be understood. For purposes of this Act, tips may generally be included in wages in accordance with the regulations under the Fair Labor Standards Act, contained in part 531. (See also § 4.6(q) and § 4.163(k).) The general rule under that Act provides, when determining the wage an employer is required to pay a tipped employee, the maximum allowable hourly tip credit is limited to the difference between \$2.13 and the applicable minimum wage specified in section 6(a)(1) of that Act. (See § 4.163(k) for exceptions in section 4(c) situations.) In no event shall the sum credited as tips exceed the value of tips actually received by the employee. The tip credit is not available to an employer unless the employer has informed the employee of the tip credit provisions and all tips received by the employee have been retained by the employee (other than as part of a valid tip pooling arrangement among employees who customarily and regularly receive tips; see section 3(m) of the Fair Labor Standards Act).

[48 FR 49762, Oct. 27, 1983; 48 FR 50529, Nov. 2, 1983, as amended at 76 FR 18854, Apr. 5, 2011]

§ 4.168 Wage payments—deductions from wages paid.

(a) The wage requirements of the Act will not be met where unauthorized deductions, rebates, or refunds reduce the wage payment made to the employee below the minimum amounts required under the provisions of the Act and the regulations thereunder, or where the employee fails to receive such amounts free and clear because he "kicks back" directly or indirectly to the employer

29 CFR Subtitle A (7-1-21 Edition)

or to another person for the employer's benefit the whole or part of the wage delivered to him. Authorized deductions are limited to those required by law, such as taxes payable by employees required to be withheld by the employer and amounts due employees which the employer is required by court order to pay to another; deductions allowable for the reasonable cost or fair value of board, lodging, and facilities furnished as set forth in § 4.167; and deductions of amounts which are authorized to be paid to third persons for the employee's account and benefit pursuant to his voluntary assignment or order or a collective bargaining agreement with bona fide representatives of employees which is applicable to the employer. Deductions for amounts paid to third persons on the employee's account which are not so authorized or are contrary to law or from which the contractor, subcontractor or any affiliated person derives any payment, rebate, commission, profit, or benefit directly or indirectly, may not be made if they cut into the wage required to be paid under the Act. The principles applied in determining the permissibility of deductions for payments made to third persons are explained in more detail in §§ 531.38-531.40 of this title.

(b) *Cost of maintaining and furnishing uniforms.* (1) If the employees are required to wear uniforms either by the employer, the nature of the job, or the Government contract, then the cost of furnishing and maintaining the uniforms is deemed to be a business expense of the employer and such cost may not be borne by the employees to the extent that to do so would reduce the employees' compensation below that required by the Act. Since it may be administratively difficult and burdensome for employers to determine the actual cost incurred by all employees for maintaining their own uniforms, payment in accordance with the following standards is considered sufficient for the contractor to satisfy its wage obligations under the Act:

(i) The contractor furnishes all employees with an adequate number of uniforms without cost to the employees or reimburses employees for the actual cost of the uniforms.

(ii) Where uniform cleaning and maintenance is made the responsibility of the employee, the contractor reimburses all employees for such cleaning and maintenance at the rate of \$3.35 a week (or 67 cents a day). Since employees are generally required to wear a clean uniform each day regardless of the number of hours the employee may work that day, the preceding weekly amount generally may be reduced to the stated daily equivalent but not to an hourly equivalent. A contractor may reimburse employees at a different rate if the contractor furnishes affirmative proof as to the actual cost to the employees of maintaining their uniforms or if a different rate is provided for in a bona fide collective bargaining agreement covering the employees working on the contract.

(2) However, there generally is no requirement that employees be reimbursed for uniform maintenance costs in those instances where the uniforms furnished are made of "wash and wear" materials which may be routinely washed and dried with other personal garments, and do not generally require daily washing, dry cleaning, commercial laundering, or any other special treatment because of heavy soiling in work usage or in order to meet the cleanliness or appearance standards set by the terms of the Government contract, by the contractor, by law, or by the nature of the work. This limitation does not apply where a different provision has been set forth on the applicable wage determination. In the case of wage determinations issued under section 4(c) of the Act for successor contracts, the amount established by the parties to the predecessor collective bargaining agreement is deemed to be the cost of laundering wash and wear uniforms.

(c) Stipends, allowances or other payments made directly to an employee by a party other than the employer (such as a stipend for training paid by the Veterans Administration) are not part of "wages" and the employer may not claim credit for such payments toward its monetary obligations under the Act.

§ 4.169 Wage payments—work subject to different rates.

If an employee during a workweek works in different capacities in the performance of the contract and two or more rates of compensation under section 2 of the Act are applicable to the classes of work which he or she performs, the employee must be paid the highest of such rates for all hours worked in the workweek unless it appears from the employer's records or other affirmative proof which of such hours were included in the periods spent in each class of work. The rule is the same where such an employee is employed for a portion of the workweek in work not subject to the Act, for which compensation at a lower rate would be proper if the employer by his records or other affirmative proof, segregated the worktime thus spent.

§ 4.170 Furnishing fringe benefits or equivalents.

(a) *General.* Fringe benefits required under the Act shall be furnished, separate from and in addition to the specified monetary wages, by the contractor or subcontractor to the employees engaged in performance of the contract, as specified in the determination of the Secretary or his authorized representative and prescribed in the contract documents. Section 2(a)(2) of the Act provides that the obligation to furnish the specified benefits "may be discharged by furnishing any equivalent combinations of fringe benefits or by making equivalent or differential payments in cash under rules and regulations established by the Secretary." The governing rules and regulations for furnishing such equivalents are set forth in § 4.177 of this subpart. An employer cannot offset an amount of monetary wages paid in excess of the wages required under the determination in order to satisfy his fringe benefit obligations under the Act, and must keep appropriate records separately showing amounts paid for wages and amounts paid for fringe benefits.

(b) *Meeting the requirement, in general.* The various fringe benefits listed in the Act and in § 4.162(a) are illustrative of those which may be found to be prevailing for service employees in a particular locality. The benefits which an

§4.171

29 CFR Subtitle A (7-1-21 Edition)

employer will be required to furnish employees performing on a particular contract will be specified in the contract documents. A contractor may dispose of certain of the fringe benefit obligations which may be required by an applicable fringe benefit determination, such as pension, retirement, or health insurance, by irrevocably paying the specified contributions for fringe benefits to an independent trustee or other third person pursuant to an existing "bona fide" fund, plan, or program on behalf of employees engaged in work subject to the Act's provisions. Where such a plan or fund does not exist, a contractor must discharge his obligation relating to fringe benefits by furnishing either an equivalent combination of "bona fide" fringe benefits or by making equivalent payments in cash to the employee, in accordance with the regulations in §4.177.

§4.171 "Bona fide" fringe benefits.

(a) To be considered a "bona fide" fringe benefit for purposes of the Act, a fringe benefit plan, fund, or program must constitute a legally enforceable obligation which meets the following criteria:

(1) The provisions of a plan, fund, or program adopted by the contractor, or by contract as a result of collective bargaining, must be specified in writing, and must be communicated in writing to the affected employees. Contributions must be made pursuant to the terms of such plan, fund, or program. The plan may be either contractor-financed or a joint contractor-employee contributory plan. For example, employer contributions to Individual Retirement Accounts (IRAs) approved by IRS are permissible. However, any contributions made by employees must be voluntary, and if such contributions are made through payroll deductions, such deductions must be made in accordance with §4.168. No contribution toward fringe benefits made by the employees themselves, or fringe benefits provided from monies deducted from the employee's wages may be included or used by an employer in satisfying any part of any fringe benefit obligation under the Act.

(2) The primary purpose of the plan must be to provide systematically for

the payment of benefits to employees on account of death, disability, advanced age, retirement, illness, medical expenses, hospitalization, supplemental unemployment benefits, and the like.

(3) The plan must contain a definite formula for determining the amount to be contributed by the contractor and a definite formula for determining the benefits for each of the employees participating in the plan.

(4) Except as provided in paragraph (b), the contractor's contributions must be paid irrevocably to a trustee or third person pursuant to an insurance agreement, trust or other funded arrangement. The trustee must assume the usual fiduciary responsibilities imposed upon trustees by applicable law. The trust or fund must be set up in such a way that the contractor will not be able to recapture any of the contributions paid in nor in any way divert the funds to its own use or benefit.

(5) Benefit plans or trusts of the types listed in 26 U.S.C. 401(a) which are disapproved by the Internal Revenue Service as not satisfying the requirements of section 401(a) of the Internal Revenue Code or which do not meet the requirements of the Employee Retirement Income Security Act of 1974, 29 U.S.C. 1001, *et seq.* and regulations thereunder, are not deemed to be "bona fide" plans for purposes of the Service Contract Act.

(6) It should also be noted that such plans must meet certain other criteria as set forth in §778.215 of 29 CFR part 778 in order for any contributions to be excluded from computation of the regular rate of pay for overtime purposes under the Fair Labor Standards Act (§§4.180-4.182).

(b)(1) Unfunded self-insured fringe benefit plans (other than fringe benefits such as vacations and holidays which by their nature are normally unfunded) under which contractors allegedly make "out of pocket" payments to provide benefits as expenses may arise, rather than making irrevocable contributions to a trust or other funded arrangement as required under §4.171(a)(4), are not normally considered "bona fide" plans or equivalent benefits for purposes of the Act.

(2) A contractor may request approval by the Administrator of an unfunded self-insured plan in order to allow credit for payments under the plan to meet the fringe benefit requirements of the Act. In considering whether such a plan is bona fide, the Administrator will consider such factors as whether it could be reasonably anticipated to provide the prescribed benefits, whether it represents a legally enforceable commitment to provide such benefits, whether it is carried out under a financially responsible program, and whether the plan has been communicated to the employees in writing. The Administrator in his/her discretion may direct that assets be set aside and preserved in an escrow account or that other protections be afforded to meet the plan's future obligation.

(c) No benefit required by any other Federal law or by any State or local law, such as unemployment compensation, workers' compensation, or social security, is a fringe benefit for purposes of the Act.

(d) The furnishing to an employee of board, lodging, or other facilities under the circumstances described in §4.167, the cost or value of which is creditable toward the monetary wages specified under the Act, may not be used to offset any fringe benefit obligations, as such items and facilities are not fringe benefits or equivalent benefits for purposes of the Act.

(e) The furnishing of facilities which are primarily for the benefit or convenience of the contractor or the cost of which is properly a business expense of the contractor is not the furnishing of a "bona fide" fringe benefit or equivalent benefit or the payment of wages. This would be true of such items, for example, as relocation expenses, travel and transportation expenses incident to employment, incentive or suggestion awards, and recruitment bonuses, as well as tools and other materials and services incidental to the employer's performance of the contract and the carrying on of his business, and the cost of furnishing, laundering, and maintaining uniforms and/or related apparel or equipment where employees are required by the contractor, by the contractor's Government contract, by

law, or by the nature of the work to wear such items. See also §4.168.

(f) Contributions by contractors for such items as social functions or parties for employees, flowers, cards, or gifts on employee birthdays, anniversaries, etc. (sunshine funds), employee rest or recreation rooms, paid coffee breaks, magazine subscriptions, and professional association or club dues, may not be used to offset any wages or fringe benefits specified in the contract, as such items are not "bona fide" wages or fringe benefits or equivalent benefits for purposes of the Act.

§4.172 Meeting requirements for particular fringe benefits—in general.

Where a fringe benefit determination specifies the amount of the employer's contribution to provide the benefit, the amount specified is the actual minimum cash amount that must be provided by the employer for the employee. No deduction from the specified amount may be made to cover any administrative costs which may be incurred by the contractor in providing the benefits, as such costs are properly a business expense of the employer. If prevailing fringe benefits for insurance or retirement are determined in a stated amount, and the employer provides such benefits through contribution in a lesser amount, he will be required to furnish the employee with the difference between the amount stated in the determination and the actual cost of the benefits which he provides. Unless otherwise specified in the particular wage determination, such as one reflecting collectively bargained fringe benefit requirements, issued pursuant to section 4(c) of the Act, every employee performing on a covered contract must be furnished the fringe benefits required by that determination for all hours spent working on that contract up to a maximum of 40 hours per week and 2,080 (i.e., 52 weeks of 40 hours each) per year, as these are the typical number of nonovertime hours of work in a week, and in a year, respectively. Since the Act's fringe benefit requirements are applicable on a contract-by-contract basis, employees performing on more than one contract subject to the Act must be furnished the full amount of fringe benefits to

§ 4.173

29 CFR Subtitle A (7-1-21 Edition)

which they are entitled under each contract and applicable wage determination. Where a fringe benefit determination has been made requiring employer contributions for a specified fringe benefit in a stated amount per hour, a contractor employing employees part of the time on contract work and part of the time on other work, may only credit against the hourly amount required for the hours spent on the contract work, the corresponding proportionate part of a weekly, monthly, or other amount contributed by him for such fringe benefits or equivalent benefits for such employees. If, for example, the determination requires health and welfare benefits in the amount of 30 cents an hour and the employer provides hospitalization insurance for such employees at a cost of \$10.00 a week, the employer may credit 25 cents an hour ($\$10.00 \div 40$) toward his fringe benefit obligation for such employees. If an employee works 25 hours on the contract work and 15 hours on other work, the employer cannot allocate the entire \$10.00 to the 25 hours spent on contract work and take credit for 30 cents per hour in that manner, but must spread the cost over the full forty hours.

§ 4.173 Meeting requirements for vacation fringe benefits.

(a) *Determining length of service for vacation eligibility.* It has been found that for many types of service contracts performed at Federal facilities a successor contractor will utilize the employees of the previous contractor in the performance of the contract. The employees typically work at the same location providing the same services to the same clientele over a period of years, with periodic, often annual, changes of employer. The incumbent contractor, when bidding on a contract, must consider his liability for vacation benefits for those workers in his employ. If prospective contractors who plan to employ the same personnel were not required to furnish these employees with the same prevailing vacation benefits, it would place the incumbent contractor at a distinct competitive disadvantage as well as denying such employees entitlement to prevailing vacation benefits.

(1) Accordingly, most vacation fringe benefit determinations issued under the Act require an employer to furnish to employees working on the contract a specified amount of paid vacation upon completion of a specified length of service with a contractor or successor. This requirement may be stated in the determination, for example, as "one week paid vacation after one year of service with a contractor or successor" or by a determination which calls for "one week's paid vacation after one year of service". Unless specified otherwise in an applicable fringe benefit determination, an employer must take the following two factors into consideration in determining when an employee has completed the required length of service to be eligible for vacation benefits:

(i) The total length of time spent by an employee in any capacity in the continuous service of the present (successor) contractor, including both the time spent in performing on regular commercial work and the time spent in performing on the Government contract itself, and

(ii) Where applicable, the total length of time spent in any capacity as an employee in the continuous service of any predecessor contractor(s) who carried out similar contract functions at the same Federal facility.

(2) The application of these principles may be illustrated by the example given above of a fringe benefit determination calling for "one week paid vacation after one year of service with a contractor or successor". In that example, if a contractor has an employee who has worked for him for 18 months on regular commercial work and only for 6 months on a Government service contract, that employee would be eligible for the one week vacation since his total service with the employer adds up to more than 1 year. Similarly, if a contractor has an employee who worked for 16 months under a janitorial service contract at a particular Federal base for two different predecessor contractors, and only 8 months with the present employer, that employee would also be considered as meeting the "after one year of service" test and would thus be eligible for the specified vacation.

(3) The “contractor or successor” requirement set forth in paragraph (a)(1) of this section is not affected by the fact that a different contracting agency may have contracted for the services previously or by the agency’s dividing and/or combining the contract services. However, prior service as a Federal employee is not counted toward an employee’s eligibility for vacation benefits under fringe benefit determinations issued pursuant to the Act.

(4) Some fringe benefit determinations may require an employer to furnish a specified amount of paid vacation upon completion of a specified length of service *with the employer*, for example, “one week paid vacation after one year of service with an employer”. Under such determinations, only the time spent in performing on commercial work and on Government contract work in the employment of the present contractor need be considered in computing the length of service for purposes of determining vacation eligibility.

(5) Whether or not the predecessor contract(s) was covered by a fringe benefit determination is immaterial in determining whether the one year of service test has been met. This qualification refers to work performed before, as well as after, an applicable fringe benefit determination is incorporated into a contract. Also, the fact that the labor standards in predecessor service contract(s) were only those required under the Fair Labor Standards Act has no effect on the applicable fringe benefit determination contained in a current contract.

(b) *Eligibility requirement—continuous service.* Under the principles set forth above, if an employee’s total length of service adds up to at least one year, the employee is eligible for vacation with pay. However, such service must have been rendered continuously for a period of not less than one year for vacation eligibility. The term “continuous service” does not require the combination of two entirely separate periods of employment. Whether or not there is a break in the continuity of service so as to make an employee ineligible for a vacation benefit is dependent upon all the facts in the par-

ticular case. No fixed time period has been established for determining whether an employee has a break in service. Rather, as illustrated below, the reason(s) for an employee’s absence from work is the primary factor in determining whether a break in service occurred.

(1) In cases where employees have been granted leave with or without pay by their employer, or are otherwise absent with permission for such reasons as sickness or injury, or otherwise perform no work on the contract because of reasons beyond their control, there would not be a break in service. Likewise, the absence from work for a few days, with or without notice, does not constitute a break in service, without a formal termination of employment. The following specific examples are illustrative situations where it has been determined that a break in service did not occur:

(i) An employee absent for five months due to illness but employed continuously for three years.

(ii) A strike after which employees returned to work.

(iii) An interim period of three months between contracts caused by delays in the procurement process during which time personnel hired directly by the Government performed the necessary services. However, the successor contractor in this case was not held liable for vacation benefits for those employees who had anniversary dates of employment during the interim period because no employment relationship existed during such period.

(iv) A mess hall closed three months for renovation. Contractor employees were considered to be on temporary layoff during the renovation period and did not have a break in service.

(2) Where an employee quits, is fired for cause, or is otherwise terminated (except for temporary layoffs), there would be a break in service even if the employee were rehired at a later date. However, an employee may not be discharged and rehired as a subterfuge to evade the vacation requirement.

(c) *Vesting and payment of vacation benefits.* (1) In the example given in paragraph (a)(1) of this section of a fringe benefit determination calling for “one week paid vacation after 1 year of

§4.173

service with a contractor or successor”, an employee who renders the “one year of service” continuously becomes eligible for the “one week paid vacation” (i.e., 40 hours of paid vacation, unless otherwise specified in an applicable wage determination) upon his anniversary date of employment and upon each succeeding anniversary date thereafter. However, there is no accrual or vesting of vacation eligibility before the employee’s anniversary date of employment, and no segment of time smaller than one year need be considered in computing the employer’s vacation liability, unless specifically provided for in a particular fringe benefit determination. For example, an employee who has worked 13 months for an employer subject to such stipulations and is separated without receiving any vacation benefit is entitled only to one full week’s (40 hours) paid vacation. He would not be entitled to the additional fraction of one-twelfth of one week’s paid vacation for the month he worked in the second year unless otherwise stated in the applicable wage determination. An employee who has not met the “one year of service” requirement would not be entitled to any portion of the “one week paid vacation”.

(2) Eligibility for vacation benefits specified in a particular wage determination is based on completion of the stated period of past service. The individual employee’s anniversary date (and each annual anniversary date of employment thereafter) is the reference point for vesting of vacation eligibility, but does not necessarily mean that the employee must be given the vacation or paid for it on the date on which it is vested. The vacation may be scheduled according to a reasonable plan mutually agreed to and communicated to the employees. A “reasonable” plan may be interpreted to be a plan which allows the employer to maintain uninterrupted contract services but allows the employee some choice, by seniority or similar factor, in the scheduling of vacations. However, the required vacation must be given or payment made in lieu thereof before the next anniversary date, before completion of the current contract, or before the employee termi-

29 CFR Subtitle A (7-1-21 Edition)

nates employment, whichever occurs first.

(d) *Contractor liability for vacation benefits.* (1) The liability for an employee’s vacation is not prorated among contractors unless specifically provided for under a particular fringe benefit determination. The contractor by whom a person is employed at the time the vacation right vests, i.e., on the employee’s anniversary date of employment, must provide the full benefit required by the determination which is applicable on that date. For example, an employee, who had not previously performed similar contract work at the same facility, was first hired by a predecessor contractor on July 1, 1978. July 1 is the employee’s anniversary date. The predecessor’s contract ended June 30, 1979, but the employee continued working on the contract for the successor. Since the employee did not have an anniversary date of employment during the predecessor’s contract, the predecessor would not have any vacation liability with respect to this employee. However, on July 1, 1979 the employee’s entitlement to the full vacation benefit vested and the successor contractor would be liable for the full amount of the employee’s vacation benefit.

(2) The requirements for furnishing data relative to employee hiring dates in situations where such employees worked for “predecessor” contractors are set forth in §4.6. However, a contractor is not relieved from any obligation to provide vacation benefits because of any difficulty in obtaining such data.

(e) *Rate applicable to computation of vacation benefits.* (1) If an applicable wage determination requires that the hourly wage rate be increased during the period of the contract, the rate applicable to the computation of any required vacation benefits is the hourly rate in effect in the workweek in which the actual paid vacation is provided or the equivalent is paid, as the case may be, and would not be the average of the two hourly rates. This rule would not apply to situations where a wage determination specified the method of computation and the rate to be used.

(2) As set forth in §4.172, unless specified otherwise in an applicable fringe

benefit determination, service employees must be furnished the required amount of fringe benefits for all hours paid for up to a maximum of 40 hours per week and 2,080 hours per year. Thus, an employee on paid vacation leave would accrue and must be compensated for any other applicable fringe benefits specified in the fringe benefit determination, and if any of the other benefits are furnished in the form of cash equivalents, such equivalents must be included with the applicable hourly wage rate in computing vacation benefits or a cash equivalent therefor. The rules and regulations for computing cash equivalents are set forth in §4.177.

§4.174 Meeting requirements for holiday fringe benefits.

(a) *Determining eligibility for holiday benefits—in general.* (1) Most fringe benefit determinations list a specific number of named holidays for which payment is required. Unless specified otherwise in an applicable determination, an employee who performs any work during the workweek in which a named holiday occurs is entitled to the holiday benefit, regardless of whether the named holiday falls on a Sunday, another day during the workweek on which the employee is not normally scheduled to work, or on the employee's day off. In addition, holiday benefits cannot be denied because the employee has not been employed by the contractor for a designated period prior to the named holiday or because the employee did not work the day before or the day after the holiday, unless such qualifications are specifically included in the determination.

(2) An employee who performs no work during the workweek in which a named holiday occurs is generally not entitled to the holiday benefit. However, an employee who performs no work during the workweek because he is on paid vacation or sick leave in accordance with the terms of the applicable fringe benefit determination is entitled to holiday pay or another day off with pay to substitute for the named holiday. In addition, an employee who performs no work during the workweek because of a layoff does not forfeit his entitlement to holiday benefits if the

layoff is merely a subterfuge by the contractor to avoid the payment of such benefits.

(3) The obligation to furnish holiday pay for the named holiday may be discharged if the contractor furnishes another day off with pay in accordance with a plan communicated to the employees involved. However, in such instances the holidays named in the fringe benefit determination are the reference points for determining whether an employee is eligible to receive holiday benefits. In other words, if an employee worked in a workweek in which a listed holiday occurred, the employee is entitled to pay for that holiday. Some determinations may provide for a specific number of holidays without naming them. In such instances the contractor is free to select the holidays to be taken in accordance with a plan communicated to the employees involved, and the agreed-upon holidays are the reference points for determining whether an employee is eligible to receive holiday benefits.

(b) *Determining eligibility for holiday benefits—newly hired employees.* The contractor generally is not required to compensate a newly hired employee for the holiday occurring prior to the hiring of the employee. However, in the one situation where a named holiday falls in the first week of a contract, all employees who work during the first week would be entitled to holiday pay for that day. For example, if a contract to provide services for the period January 1 through December 31 contained a fringe benefit determination listing New Year's Day as a named holiday, and if New Year's Day were officially celebrated on January 2 in the year in question because January 1 fell on a Sunday, employees hired to begin work on January 3 would be entitled to holiday pay for New Year's Day.

(c) *Payment of holiday benefits.* (1) A full-time employee who is eligible to receive payment for a named holiday must receive a full day's pay up to 8 hours unless a different standard is used in the fringe benefit determination, such as one reflecting collectively bargained holiday benefit requirements issued pursuant to section 4(c) of the Act or a different historic practice in

§4.175

29 CFR Subtitle A (7-1-21 Edition)

an industry or locality. Thus, for example, a contractor must furnish 7 hours of holiday pay to a full-time employee whose scheduled workday consists of 7 hours. An employee whose scheduled workday is 10 hours would be entitled to a holiday payment of 8 hours unless a different standard is used in the determination. As discussed in §4.172, such holiday pay must include the full amount of other fringe benefits to which the employee is entitled.

(2) Unless a different standard is used in the wage determination, a full-time employee who works on the day designated as a holiday must be paid, in addition to the amount he ordinarily would be entitled to for that day's work, the cash equivalent of a full-day's pay up to 8 hours or be furnished another day off with pay.

(3) If the fringe benefit determination lists the employee's birthday as a paid holiday and that day coincides with another listed holiday, the contractor may discharge his obligation to furnish payment for the second holiday by either substituting another day off with pay with the consent of the employee, furnishing holiday benefits of an extra day's pay, or if the employee works on the holiday in question, furnish holiday benefits of two extra days' pay.

(4) As stated in paragraph (a)(1) of this section, an employee's entitlement to holiday pay fully vests by working in the workweek in which the named holiday occurs. Accordingly, any employee who is terminated before receiving the full amount of holiday benefits due him must be paid the holiday benefits as a final cash payment.

(5) The rules and regulations for furnishing holiday pay to temporary and part-time employees are discussed in §4.176.

(6) The rules and regulations for furnishing equivalent fringe benefits or cash equivalents in lieu of holiday pay are discussed in §4.177.

§4.175 Meeting requirements for health, welfare, and/or pension benefits.

(a) *Determining the required amount of benefits.* (1) Most fringe benefit determinations containing health and welfare and/or pension requirements speci-

fy a fixed payment per hour on behalf of each service employee. These payments are usually also stated as weekly or monthly amounts. As set forth in §4.172, unless specified otherwise in the applicable determination such payments are due for all hours paid for, including paid vacation, sick leave, and holiday hours, up to a maximum of 40 hours per week and 2,080 hours per year on each contract. The application of this rule can be illustrated by the following examples:

(i) An employee who works 4 days a week, 10 hours a day is entitled to 40 hours of health and welfare and/or pension fringe benefits. If an employee works 3 days a week, 12 hours a day, then such employee is entitled to 36 hours of these benefits.

(ii) An employee who works 32 hours in a workweek and also receives 8 hours of holiday pay is entitled to the maximum of 40 hours of health and welfare and/or pension payments in that workweek. If the employee works more than 32 hours and also received 8 hours of holiday pay, the employee is still only entitled to the maximum of 40 hours of health and welfare and/or pension payments.

(iii) If an employee is off work for two weeks on vacation and received 80 hours of vacation pay, the employee must also receive payment for the 80 hours of health and welfare and/or pension benefits which accrue during the vacation period.

(iv) An employee entitled to two weeks paid vacation who instead works the full 52 weeks in the year, receiving the full 2,080 hours worth of health and welfare and/or pension benefits, would be due an extra 80 hours of vacation pay in lieu of actually taking the vacation; however, such an employee would not be entitled to have an additional 80 hours of health and welfare and/or pension benefits included in his vacation pay.

(2) A fringe benefit determination calling for a specified benefit such as health insurance contemplates a fixed and definite contribution to a "bona fide" plan (as that term is defined in §4.171) by an employer on behalf of each employee, based on the monetary cost to the employer rather than on

the level of benefits provided. Therefore, in determining compliance with an applicable fringe benefit determination, the amount of the employer's contribution on behalf of each individual employee governs. Thus, as set forth in §4.172, if a determination should require a contribution to a plan providing a specified fringe benefit and that benefit can be obtained for less than the required contribution, it would be necessary for the employer to make up the difference in cash to the employee, or furnish equivalent benefits, or a combination thereof. The following illustrates the application of this principle: A fringe benefit determination requires a rate of \$36.40 per month per employee for a health insurance plan. The employer obtains the health insurance coverage specified at a rate of \$20.45 per month for a single employee, \$30.60 for an employee with spouse, and \$40.90 for an employee with a family. The employer is required to make up the difference in cash or equivalent benefits to the first two classes of employees in order to satisfy the determination, notwithstanding that coverage for an employee would be automatically changed by the employer if the employee's status should change (e.g., single to married) and notwithstanding that the employer's average contribution per employee may be equal to or in excess of \$36.40 per month.

(3) In determining eligibility for benefits under certain wage determinations containing hours or length of service requirements (such as having to work 40 hours in the preceding month), the contractor must take into account time spent by employees on commercial work as well as time spent on the Government contract.

(b) Some fringe benefit determinations specifically provide for health and welfare and/or pension benefits in terms of average cost. Under this concept, a contractor's contributions per employee to a "bona fide" fringe benefit plan are permitted to vary depending upon the individual employee's marital or employment status. However, the firm's total contributions for all service employees enrolled in the plan must average at least the fringe benefit determination requirement per

hour per service employee. If the contractor's contributions average less than the amount required by the determination, then the firm must make up the deficiency by making cash equivalent payments or equivalent fringe benefit payments to all service employees in the plan who worked on the contract during the payment period. Where such deficiencies are made up by means of cash equivalent payments, the payments must be made promptly on the following payday. The following illustrates the application of this principle: The determination requires an average contribution of \$0.84 an hour. The contractor makes payments to bona fide fringe benefit plans on a monthly basis. During a month the firm contributes \$15,000 for the service employees employed on the contract who are enrolled in the plan, and a total of 20,000 man-hours had been worked by all service employees during the month. Accordingly, the firm's average cost would have been $\$15,000 \div 20,000$ hours or \$0.75 per hour, resulting in a deficiency of \$0.09 per hour. Therefore, the contractor owes the service employees in the plan who worked on the contract during the month an additional \$0.09 an hour for each hour worked on the contract, payable on the next regular payday for wages. Unless otherwise provided in the applicable wage determination, contributions made by the employer for non-service employees may not be credited toward meeting Service Contract Act fringe benefit obligations.

(c) *Employees not enrolled in or excluded from participating in fringe benefit plans.* (1) Some health and welfare and pension plans contain eligibility exclusions for certain employees. For example, temporary and part-time employees may be excluded from participating in such plans. Also, employees receiving benefits through participation in plans of an employer other than the Government contractor or by a spouse's employer may be prevented from receiving benefits from the contractor's plan because of prohibitions against "double coverage". While such exclusions do not invalidate an otherwise bona fide insurance plan, employer contributions to such a plan

§4.176

29 CFR Subtitle A (7-1-21 Edition)

cannot be considered to be made on behalf of the excluded employees. Accordingly, under fringe benefit determination requirements as described in paragraph (a)(2) of this section, the employees excluded from participation in the health insurance plan must be furnished equivalent bona fide fringe benefits or be paid a cash equivalent payment during the period that they are not eligible to participate in the plan.

(2) It is not required that all employees participating in a fringe benefit plan be entitled to receive benefits from that plan at all times. For example, under some plans, newly hired employees who are eligible to participate in an insurance plan from their first day of employment may be prohibited from receiving benefits from the plan during a specified "waiting period". Contributions made on behalf of such employees would serve to discharge the contractor's obligation to furnish the fringe benefit. However, if no contributions are made for such employees, no credit may be taken toward the contractor's fringe benefit obligations.

(d) *Payment of health and welfare and pension benefits.* (1) Health and welfare and/or pension payments to a "bona fide" insurance plan or trust program may be made on a periodic payment basis which is not less often than quarterly. However, where fringe benefit determinations contemplate a fixed contribution on behalf of each employee, and a contractor exercises his option to make hourly cash equivalent or differential payments, such payments must be made promptly on the regular payday for wages. (See §4.165.)

(2) The rules and regulations for furnishing health and welfare and pension benefits to temporary and part-time employees are discussed in §4.176.

(3) The rules and regulations for furnishing equivalent fringe benefits or cash equivalents in lieu of health and welfare and pension benefits are discussed in §4.177.

§4.176 Payment of fringe benefits to temporary and part-time employees.

(a) As set forth in §4.165(a)(2), the Act makes no distinction, with respect to its compensation provisions, between temporary, part-time, and full-time

employees. Accordingly, in the absence of express limitations, the provisions of an applicable fringe benefit determination apply to all temporary and part-time service employees engaged in covered work. However, in general, such temporary and part-time employees are only entitled to an amount of the fringe benefits specified in an applicable determination which is proportionate to the amount of time spent in covered work. The application of these principles may be illustrated by the following examples:

(1) Assuming the paid vacation for full-time employees is one week of 40 hours, a part-time employee working a regularly scheduled workweek of 16 hours is entitled to 16 hours of paid vacation time or its equivalent each year, if all other qualifications are met.

(2) In the case of holidays, a part-time employee working a regularly scheduled workweek of 16 hours would be entitled to two-fifths of the holiday pay due full-time employees. It is immaterial whether or not the holiday falls on a normal workday of the part-time employee. Except as provided in §4.174(b), a temporary or casual employee hired during a holiday week, but after the holiday, would be due no holiday benefits for that week.

(3) Holiday or vacation pay obligations to temporary and part-time employees working an irregular schedule of hours may be discharged by paying such employees a proportion of the holiday or vacation benefits due full-time employees based on the number of hours each such employee worked in the workweek prior to the workweek in which the holiday occurs or, with respect to vacations, the number of hours which the employee worked in the year preceding the employee's anniversary date of employment. For example:

(i) An employee works 10 hours during the week preceding July 4, a designated holiday. The employee is entitled to 10/40 of the holiday pay to which a full-time employee is entitled (i.e., 10/40 times 8 = 2 hours holiday pay).

(ii) A part-time employee works 520 hours during the 12 months preceding the employee's anniversary date. Since the typical number of nonovertime hours in a year of work is 2,080, if a full-time employee would be entitled to

one week (40 hours) paid vacation under the applicable fringe benefit determination, then the part-time employee would be entitled to 520/2,080 times 40 = 10 hours paid vacation.

(4) A part-time employee working a regularly scheduled workweek of 20 hours would be entitled to one-half of the health and welfare and/or pension benefits specified in the applicable fringe benefit determination. Thus, if the determination requires \$36.40 per month for health insurance, the contractor could discharge his obligation towards the employee in question by providing a health insurance policy costing \$18.20 per month.

(b) A contractor's obligation to furnish the specified fringe benefits to temporary and part-time employees may be discharged by furnishing equivalent benefits, cash equivalents, or a combination thereof in accordance with the rules and regulations set forth in § 4.177.

§ 4.177 Discharging fringe benefit obligations by equivalent means.

(a) *In general.* (1) Section 2(a)(2) of the Act, which provides for fringe benefits that are separate from and in addition to the monetary compensation required under section 2(a)(1), permits an employer to discharge his obligation to furnish the fringe benefits specified in an applicable fringe benefit determination by furnishing any equivalent combinations of "bona fide" fringe benefits or by making equivalent or differential payments in cash. However, credit for such payments is limited to the employer's fringe benefit obligations under section 2(a)(2), since the Act does not authorize any part of the monetary wage required by section 2(a)(1) and specified in the wage determination and the contract, to be offset by the fringe benefit payments or equivalents which are furnished or paid pursuant to section 2(a)(2).

(2) When a contractor substitutes fringe benefits not specified in the fringe benefit determination contained in the contract for fringe benefits which are so specified, the substituted fringe benefits, like those for which the contract provisions are prescribed, must be "bona fide" fringe benefits, as that term is defined in § 4.171.

(3) When a contractor discharges his fringe benefit obligation by furnishing, in lieu of those benefits specified in the applicable fringe benefit determination, other "bona fide" fringe benefits, cash payments, or a combination thereof, the substituted fringe benefits and/or cash payments must be "equivalent" to the benefits specified in the determination. As used in this subpart, the terms *equivalent fringe benefit* and *cash equivalent* mean equal in terms of monetary cost to the contractor. Thus, as set forth in § 4.172, if an applicable fringe benefit determination calls for a particular fringe benefit in a stated amount and the contractor furnished this benefit through contributions in a lesser amount, the contractor must furnish the employee with the difference between the amount stated in the determination and the actual cost of the benefit which the contractor provides. This principle may be illustrated by the example given in § 4.175(a)(2).

(b) *Furnishing equivalent fringe benefits.* (1) A contractor's obligation to furnish fringe benefits which are stated in a specified cash amount may be discharged by furnishing any combination of "bona fide" fringe benefits costing an equal amount. Thus, if an applicable determination specifies that 20 cents per hour is to be paid into a pension fund, this fringe benefit obligation will be deemed to be met if, instead, hospitalization benefits costing not less than 20 cents per hour are provided. The same obligation will be met if hospitalization benefits costing 10 cents an hour and life insurance benefits costing 10 cents an hour are provided. As set forth in § 4.171(c), no benefit required to be furnished the employee by any other law, such as workers' compensation, may be credited toward satisfying the fringe benefit requirements of the Act.

(2) A contractor who wishes to furnish equivalent fringe benefits in lieu of those benefits which are not stated in a specified cash amount, such as "one week paid vacation", must first determine the equivalent cash value of such benefits in accordance with the rules set forth in paragraph (c) of this section.

§4.177

29 CFR Subtitle A (7-1-21 Edition)

(c) *Furnishing cash equivalents.* (1) Fringe benefit obligations may be discharged by paying to the employee on his regular payday, in addition to the monetary wage required, a cash amount per hour in lieu of the specified fringe benefits, provided such amount is equivalent to the cost of the fringe benefits required. If, for example, an employee's monetary rate under an applicable determination is \$4.50 an hour, and the fringe benefits to be furnished are hospitalization benefits costing 20 cents an hour and retirement benefits costing 20 cents an hour, the fringe benefit obligation is discharged if instead of furnishing the required fringe benefits, the employer pays the employee, in cash, 40 cents per hour as the cash equivalent of the fringe benefits in addition to the \$4.50 per hour wage rate required under the applicable wage determination.

(2) The hourly cash equivalent of those fringe benefits which are not stated in the applicable determination in terms of hourly cash amounts may be obtained by mathematical computation through the use of pertinent factors such as the monetary wages paid the employee and the hours of work attributable to the period, if any, by which fringe benefits are measured in the determination. If the employee's regular rate of pay is greater than the minimum monetary wage specified in the wage determination and the contract, the former must be used for this computation, and if the fringe benefit determination does not specify any daily or weekly hours of work by which benefits are to be measured, a standard 8-hour day and 40-hour week will be considered applicable. The application of these rules in typical situations is illustrated in paragraphs (c)(3) through (7) of this section.

(3) Where fringe benefits are stated as a percentage of the monetary rate, the hourly cash equivalent is determined by multiplying the stated percentage by the employees' regular or basic (i.e., wage determination) rate of pay, whichever is greater. For example, if the determination calls for a 5 percent pension fund payment and the employee is paid a monetary rate of \$4.50 an hour, or if the employee earns \$4.50 an hour on a piece-work basis in a par-

ticular workweek, the cash equivalent of that payment would be 22½ cents an hour.

(4) If the determination lists a particular fringe benefit in such terms as \$8 a week, the hourly cash equivalent is determined by dividing the amount stated in the determination by the number of working hours to which the amount is attributable. For example, if a determination lists a fringe benefit as "pension—\$8 a week", and does not specify weekly hours, the hourly cash equivalent is 20 cents per hour, i.e., \$8 divided by 40, the standard number of non-overtime working hours in a week.

(5) In determining the hourly cash equivalent of those fringe benefits which are not stated in the determination in terms of a cash amount, but are stated, for example, as "nine paid holidays per year" or "1 week paid vacation after one year of service", the employee's hourly monetary rate of pay is multiplied by the number of hours making up the paid holidays or vacation. Unless the hours contemplated in the fringe benefit are specified in the determination, a standard 8-hour day and 40-hour week is considered applicable. The total annual cost so determined is divided by 2,080, the standard number of non-overtime hours in a year of work, to arrive at the hourly cash equivalent. This principle may be illustrated by the following examples:

(i) If a particular determination lists as a fringe benefit "nine holidays per year" and the employee's hourly rate of pay is \$4.50, the \$4.50 is multiplied by 72 (9 days of 8 hours each) and the result, \$324, is then divided by 2,080 to arrive at the hourly cash equivalent, \$0.1557 an hour. See §4.174(c)(4).

(ii) If the determination requires "one week paid vacation after one year of service", and the employee's hourly rate of pay is \$4.50, the \$4.50 is multiplied by 40 and the result, \$180.00, is then divided by 2,080 to arrive at the hourly cash equivalent, \$0.0865 an hour.

(6) Where an employer elects to pay an hourly cash equivalent in lieu of a paid vacation, which is computed in accordance with paragraph (c)(5) of this section, such payments need commence only after the employee has satisfied the "after one year of service" requirement. However, should the employee

terminate employment for any reason before receiving the full amount of vested vacation benefits due, the employee must be paid the full amount of any difference remaining as the final cash payment. For example, an employee becomes eligible for a week's vacation pay on March 1. The employer elects to pay this employee an hourly cash equivalent beginning that date; the employee terminates employment on March 31. Accordingly, as this employee has received only $\frac{1}{12}$ of the vacation pay to which he/she is entitled, the employee is due the remaining $\frac{11}{12}$ upon termination. As set forth in § 4.173(e), the rate applicable to the computation of cash equivalents for vacation benefits is the hourly wage rate in effect at the time such equivalent payments are actually made.

(d) *Furnishing a combination of equivalent fringe benefits and cash payments.* Fringe benefit obligations may be discharged by furnishing any combination of cash or fringe benefits as illustrated in the preceding paragraphs of this section, in monetary amounts the total of which is equivalent, under the rules therein stated, to the determined fringe benefits specified in the contract. For example, if an applicable determination specifies that 20 cents per hour is to be paid into a pension fund, this fringe benefit obligation will be deemed to be met if instead, hospitalization benefits costing 15 cents an hour and a cash equivalent payment of 5 cents an hour are provided.

(e) *Effect of equivalents in computing overtime pay.* Section 6 of the Act excludes from the regular or basic hourly rate of an employee, for purposes of determining the overtime pay to which the employee is entitled under any other Federal law, those fringe benefit payments computed under the Act which are excluded from the regular rate under the Fair Labor Standards Act by provisions of section 7(e) (formerly designated as section 7(d)) of that Act (29 U.S.C. 207(e)). Fringe benefit payments which qualify for such exclusion are described in subpart C of Regulations, 29 CFR part 778. When such fringe benefits are required to be furnished to service employees engaged in contract performance, the right to compute overtime pay in accordance

with the above rule is not lost to a contractor or subcontractor because it discharges its obligation under this Act to furnish such fringe benefits through alternative equivalents as provided in this section. If it furnishes equivalent benefits or makes cash payments, or both, to such an employee as authorized herein, the amounts thereof, which discharge the employer's obligation to furnish such specified fringe benefits, may be excluded pursuant to this Act from the employee's regular or basic rate of pay in computing any overtime pay due the employee under any other Federal law. No such exclusion can operate, however, to reduce an employee's regular or basic rate of pay below the monetary wage rate specified as the applicable minimum wage rates under sections 2(a)(1), 2(b), or 4(c) of this Act or under other law or an employment contract.

§ 4.178 Computation of hours worked.

Since employees subject to the Act are entitled to the minimum compensation specified under its provisions for each hour worked in performance of a covered contract, a computation of their hours worked in each workweek when such work under the contract is performed is essential. Determinations of hours worked will be made in accordance with the principles applied under the Fair Labor Standards Act as set forth in part 785 of this title which is incorporated herein by reference. In general, the hours worked by an employee include all periods in which the employee is suffered or permitted to work whether or not required to do so, and all time during which the employee is required to be on duty or to be on the employer's premises or to be at a prescribed workplace. The hours worked which are subject to the compensation provisions of the Act are those in which the employee is engaged in performing work on contracts subject to the Act. However, unless such hours are adequately segregated, as indicated in § 4.179, compensation in accordance with the Act will be required for all hours of work in any workweek in which the employee performs any work in connection with the contract, in the absence of affirmative proof to

§ 4.179

the contrary that such work did not continue throughout the workweek.

§ 4.179 Identification of contract work.

Contractors and subcontractors under contracts subject to the Act are required to comply with its compensation requirements throughout the period of performance on the contract and to do so with respect to all employees who in any workweek are engaged in performing work on such contracts. If such a contractor during any workweek is not exclusively engaged in performing such contracts, or if while so engaged it has employees who spend a portion but not all of their worktime in the workweek in performing work on such contracts, it is necessary for the contractor to identify accurately in its records, or by other means, those periods in each such workweek when the contractor and each such employee performed work on such contracts. In cases where contractors are not exclusively engaged in Government contract work, and there are adequate records segregating the periods in which work was performed on contracts subject to the Act from periods in which other work was performed, the compensation specified under the Act need not be paid for hours spent on non-contract work. However, in the absence of records adequately segregating non-covered work from the work performed on or in connection with the contract, all employees working in the establishment or department where such covered work is performed shall be presumed to have worked on or in connection with the contract during the period of its performance, unless affirmative proof establishing the contrary is presented. Similarly, in the absence of such records, an employee performing any work on or in connection with the contract in a workweek shall be presumed to have continued to perform such work throughout the workweek, unless affirmative proof establishing the contrary is presented. Even where a contractor can segregate Government from non-Government work, it is necessary that the contractor comply with the requirements of section 6(e) of the FLSA discussed in § 4.160.

29 CFR Subtitle A (7-1-21 Edition)

OVERTIME PAY OF COVERED EMPLOYEES

§ 4.180 Overtime pay—in general.

The Act does not provide for compensation of covered employees at premium rates for overtime hours of work. Section 6 recognizes, however, that other Federal laws may require such compensation to be paid to employees working on or in connection with contracts subject to the Act (see § 4.181) and prescribes, for purposes of such laws, the manner in which fringe benefits furnished pursuant to the Act shall be treated in computing such overtime compensation as follows: "In determining any overtime pay to which such service employees are entitled under any Federal law, the regular or basic hourly rate of such an employee shall not include any fringe benefit payments computed hereunder which are excluded from the regular rate under the Fair Labor Standards Act by provisions of section 7(d) [now section 7(e)] thereof." Fringe benefit payments which qualify for such exclusion are described in part 778, subpart C of this title. The interpretations there set forth will be applied in determining the overtime pay to which covered service employees are entitled under other Federal statutes. The effect of section 6 of the Act in situations where equivalent fringe benefits or cash payments are provided in lieu of the specified fringe benefits is stated in § 4.177(e) of this part, and illustrated in § 4.182.

§ 4.181 Overtime pay provisions of other Acts.

(a) *Fair Labor Standards Act.* Although provision has not been made for insertion in Government contracts of stipulations requiring compliance with the overtime provisions of the Fair Labor Standards Act, contractors and subcontractors performing contracts subject to the McNamara-O'Hara Service Contract Act may be required to compensate their employees working on or in connection with such contracts for overtime work pursuant to the overtime pay standards of the Fair Labor Standards Act. This is true with respect to employees engaged in interstate or foreign commerce or in the production of goods for such commerce (including occupations and processes

closely related and directly essential to such production) and employees employed in enterprises which are so engaged, subject to the definitions and exceptions provided in such Act. Such employees, except as otherwise specifically provided in such Act, must receive overtime compensation at a rate of not less than 1½ times their regular rate of pay for all hours worked in excess of the applicable standard in a workweek. See part 778 of this title. However, the Fair Labor Standards Act provides no overtime pay requirements for employees, not within such interstate commerce coverage of the Act, who are subject to its minimum wage provisions only by virtue of the provisions of section 6(e), as explained in §4.180.

(b) *Contract Work Hours and Safety Standards Act.* (1) The Contract Work Hours and Safety Standards Act (40 U.S.C. 327-332) applies generally to Government contracts, including service contracts in excess of \$100,000, which may require or involve the employment of laborers and mechanics. Guards, watchmen, and many other classes of service employees are laborers or mechanics within the meaning of such Act. However, employees rendering only professional services, seamen, and as a general rule those whose work is only clerical or supervisory or nonmanual in nature, are not deemed laborers or mechanics for purposes of the Act. The wages of every laborer and mechanic for performance of work on such contracts must include compensation at a rate not less than 1½ times the employees' basic rate of pay for all hours worked in any workweek in excess of 40. Exemptions are provided for certain transportation and communications contracts, contracts for the purchase of supplies ordinarily available in the open market, and work, required to be done in accordance with the provisions of the Walsh-Healey Act.

(2) Regulations concerning this Act are contained in 29 CFR part 5 which permit overtime pay to be computed in the same manner as under the Fair Labor Standards Act.

(c) *Walsh-Healey Public Contracts Act.* As pointed out in §4.117, while some Government contracts may be subject

both to the McNamara-O'Hara Service Contract Act and to the Walsh-Healey Public Contracts Act, the employees performing work on the contract which is subject to the latter Act are, when so engaged, exempt from the provisions of the former. They are, however, subject to the overtime provisions of the Walsh-Healey Act if, in any workweek, any of the work performed for the employer is subject to such Act and if, in such workweek, the total hours worked by the employee for the employer (whether wholly or only partly on such work) exceed 40 hours in the workweek. In any such workweek the Walsh-Healey Act requires payment of overtime compensation at a rate not less than 1½ times the employee's basic rate for such weekly overtime hours. The overtime pay provisions of the Walsh-Healey Act are discussed in greater detail in 41 CFR part 50-201.

[48 FR 49762, Oct. 27, 1983, as amended at 51 FR 12265, Apr. 9, 1986; 61 FR 40716, Aug. 5, 1996]

§4.182 Overtime pay of service employees entitled to fringe benefits.

Reference is made in §4.180 to the rules prescribed by section 6 of the Act which permit exclusion of certain fringe benefits and equivalents provided pursuant to section 2(a)(2) of the Act from the regular or basic rate of pay when computing overtime compensation of a service employee under the provisions of any other Federal law. As provided in §4.177, not only those fringe benefits excludable under section 6 as benefits determined and specified under section 2(a)(2), but also equivalent fringe benefits and cash payments furnished in lieu of the specified benefits may be excluded from the regular or basic rate of such an employee. The application of this rule may be illustrated by the following examples:

(a) The A company pays a service employee \$4.50 an hour in cash under a wage determination which requires a monetary rate of not less than \$4 and a fringe benefit contribution of 50 cents which would qualify for exclusion from the regular rate under section 7(e) of the Fair Labor Standards Act. The contractor pays the 50 cents in cash because he made no contributions for

§4.183

fringe benefits specified in the determination and the contract. Overtime compensation in this case would be computed on a regular or basic rate of \$4 an hour.

(b) The B company has for some time been paying \$4.25 an hour to a service employee as his basic cash wage plus 25 cents an hour as a contribution to a welfare and pension plan, which contribution qualifies for exclusion from the regular rate under the Fair Labor Standards Act. For performance of work under a contract subject to the Act a monetary rate of \$4 and a fringe benefit contribution of 50 cents (also qualifying for such exclusion) are specified because they are found to be prevailing for such employees in the locality. The contractor may credit the 25 cent welfare and pension contribution toward the discharge of his fringe benefit obligation under the contract but must also make an additional contribution of 25 cents for the specified or equivalent fringe benefits or pay the employee an additional 25 cents in cash. These contributions or equivalent payments may be excluded from the employee's regular rate which remains \$4.25, the rate agreed upon as the basic cash wage.

(c) The C company has been paying \$4 an hour as its basic cash wage on which the firm has been computing overtime compensation. For performance of work on a contract subject to the Act the same rate of monetary wages and a fringe benefit contribution of 50 cents an hour (qualifying for exclusion from the regular rate under the Fair Labor Standards Act) are specified in accordance with a determination that these are the monetary wages and fringe benefits prevailing for such employees in the locality. The contractor is required to continue to pay at least \$4 an hour in monetary wages and at least this amount must be included in the employee's regular or basic rate for overtime purposes under applicable Federal law. The fringe benefit obligation under the contract would be discharged if 50 cents of the contributions for fringe benefits were for the fringe benefits specified in the contract or equivalent benefits as defined in §4.177. The company may exclude such fringe benefit contributions from the regular or

29 CFR Subtitle A (7-1-21 Edition)

basic rate of pay of the service employee in computing overtime pay due.

NOTICE TO EMPLOYEES

§4.183 Employees must be notified of compensation required.

The Act, in section 2(a)(4), and the regulations thereunder in §4.6(e), require all contracts subject to the Act which are in excess of \$2,500 to contain a clause requiring the contractor or subcontractor to notify each employee commencing work on a contract to which the Act applies of the compensation required to be paid such employee under section 2(a)(1) and the fringe benefits required to be furnished under section 2(a)(2). A notice form (WH Publication 1313 and any applicable wage determination) provided by the Wage and Hour Division is to be used for this purpose. It may be delivered to the employee or posted as stated in §4.184.

§4.184 Posting of notice.

Posting of the notice provided by the Wage and Hour Division shall be in a prominent and accessible place at the worksite, as required by §4.6(e). The display of the notice in a place where it may be seen by employees performing on the contract will satisfy the requirement that it be in a "prominent and accessible place". Should display be necessary at more than one site, in order to assure that it is seen by such employees, additional copies of the poster may be obtained without cost from the Division. The contractor or subcontractor is required to notify each employee of the compensation due or attach to the poster any applicable wage determination specified in the contract listing all minimum monetary wages and fringe benefits to be paid or furnished to the classes of service employees performing on the contract.

RECORDS

§4.185 Recordkeeping requirements.

The records which a contractor or subcontractor is required to keep concerning employment of employees subject to the Act are specified in §4.6(g) of subpart A of this part. They are required to be maintained for 3 years

from the completion of the work, and must be made available for inspection and transcription by authorized representatives of the Administrator. Such records must be kept for each service employee performing work under the contract, for each workweek during the performance of the contract. If the required records are not separately kept for the service employees performing on the contract, it will be presumed, in the absence of affirmative proof to the contrary, that all service employees in the department or establishment where the contract was performed were engaged in covered work during the period of performance. (See § 4.179.)

§ 4.186 [Reserved]

Subpart E—Enforcement

§ 4.187 Recovery of underpayments.

(a) The Act, in section 3(a), provides that any violations of any of the contract stipulations required by sections 2(a)(1), 2(a)(2), or 2(b) of the Act, shall render the party responsible liable for the amount of any deductions, rebates, refunds, or underpayments (which includes non-payment) of compensation due to any employee engaged in the performance of the contract. So much of the accrued payments due either on the contract or on any other contract (whether subject to the Service Contract Act or not) between the same contractor and the Government may be withheld in a deposit fund as is necessary to pay the employees. In the case of requirements-type contracts, it is the contracting agency, and not the using agencies, which has the responsibility for complying with a withholding request by the Secretary or authorized representative. The Act further provides that on order of the Secretary (or authorized representatives), any compensation which the head of the Federal agency or the Secretary has found to be due shall be paid directly to the underpaid employees from any accrued payments withheld. In order to effectuate the efficient administration of this provision of the Act, such withheld funds shall be transferred to the Department of Labor for disbursement to the underpaid employ-

ees on order of the Secretary or his or her authorized representatives, an Administrative Law Judge, or the Administrative Review Board, and are not paid directly to such employees by the contracting agency without the express prior consent of the Department of Labor. (See Decision of the Comptroller General, B-170784, February 17, 1971.) It is mandatory for a contracting officer to adhere to a request from the Department of Labor to withhold funds where such funds are available. (See Decision of the Comptroller General, B-109257, October 14, 1952, arising under the Walsh-Healey Act.) Contract funds which are or may become due a contractor under any contract with the United States may be withheld prior to the institution of administrative proceedings by the Secretary. (*McCasland v. U.S. Postal Service*, 82 CCH Labor Cases ¶33,607 (N.D. N.Y. 1977); *G & H Machinery Co. v. Donovan*, 96 CCH Labor Cases ¶34,354 (S.D. Ill. 1982).)

(b) *Priority to withheld funds.* The Comptroller General has afforded employee wage claims priority over an Internal Revenue Service levy for unpaid taxes. (See Decisions of the Comptroller General, B-170784, February 17, 1971; B-189137, August 1, 1977; 56 Comp. Gen. 499 (1977); 55 Comp. Gen. 744 (1976), arising under the Davis-Bacon Act; B-178198, August 30, 1973; B-161460, May 25, 1967.)

(1) As the Comptroller General has stated, “[t]he legislative histories of these labor statutes [Service Contract Act and Contract Work Hours and Safety Standards Act, 41 U.S.C. 327, *et seq.*] disclose a progressive tendency to extend a more liberal interpretation and construction in successive enactments with regard to worker’s benefits, recovery and repayment of wage underpayments. Further, as remedial legislation, it is axiomatic that they are to be liberally construed”. (Decision of the Comptroller General, B-170784, February 17, 1971.)

(2) Since section 3(a) of the Act provides that accrued contract funds withheld to pay employees wages must be held in a deposit fund, it is the position of the Department of Labor that monies so held may not be used or set aside for agency procurement costs. To hold otherwise would be inequitable

and contrary to public policy, since the employees have performed work from which the Government has received the benefit (see *National Surety Corporation v. U.S.*, 132 Ct. Cl. 724, 728, 135 F. Supp. 381 (1955), cert. denied, 350 U.S. 902), and to give contracting agency reprocurement claims priority would be to require employees to pay for the breach of contract between the employer and the agency. The Comptroller General has sanctioned priority being afforded wage underpayments over the reprocurement costs of the contracting agency following a contractor's default or termination for cause. Decision of the Comptroller General, B-167000, June 26, 1969; B-178198, August 30, 1973; and B-189137, August 1, 1977.

(3) Wage claims have priority over reprocurement costs and tax liens without regard to when the competing claims were raised. See Decisions of the Comptroller General, B-161460, May 25, 1967; B-189137, August 1, 1977.

(4) Wages due workers underpaid on the contract have priority over any assignee of the contractor, including assignments made under the Assignment of Claims Act, 31 U.S.C. 203, 41 U.S.C. 15, to funds withheld under the contract, since an assignee can acquire no greater rights to withheld funds than the assignor has in the absence of an assignment. See *Modern Industrial Bank v. U.S.*, 101 Ct. Cl. 808 (1944); *Royal Indemnity Co. v. United States*, 178 Ct. Cl. 46, 371 F. 2d 462 (1967), cert. denied, 389 U.S. 833; *Newark Insurance Co. v. U.S.*, 149 Ct. Cl. 170, 181 F. Supp. 246 (1960); *Henningsen v. United States Fidelity and Guaranty Company*, 208 U.S. 404 (1908). Where employees have been underpaid, the assignor has no right to assign funds since the assignor has no property rights to amounts withheld from the contract to cover underpayments of workers which constitute a violation of the law and the terms, conditions, and obligations under the contract. (Decision of the Comptroller General, B-164881, August 14, 1968; B-178198, August 30, 1973; 56 Comp. Gen. 499 (1977); 55 Comp. Gen. 744 (1976); *The National City Bank of Evansville v. United States*, 143 Ct. Cl. 154, 163 F. Supp. 846 (1958); *National Surety Corporation v. United States*, 132 Ct. Cl. 724, 135 F. Supp. 381 (1955), cert. denied, 350 U.S. 902.)

(5) The Comptroller General, recognizing that unpaid laborers have an equitable right to be paid from contract retainages, has also held that wage underpayments under the Act have priority over any claim by the trustee in bankruptcy. 56 Comp. Gen. 499 (1977), citing *Pearlman v. Reliance Insurance Company*, 371 U.S. 132 (1962); *Hadden v. United States*, 132 Ct. Cl. 529 (1955), in which the courts gave priority to sureties who had paid unpaid laborers over the trustee in bankruptcy.

(c) Section 5(b) of the Act provides that if the accrued payments withheld under the terms of the contract are insufficient to reimburse all service employees with respect to whom there has been a failure to pay the compensation required pursuant to the Act, the United States may bring action against the contractor, subcontractor, or any sureties in any court of competent jurisdiction to recover the remaining amount of underpayments. The Service Contract Act is not subject to the statute of limitations in the Portal to Portal Act, 29 U.S.C. 255, and contains no prescribed period within which such an action must be instituted; it has therefore been held that the general period of six years prescribed by 28 U.S.C. 2415 applies to such actions, *United States of America v. Deluxe Cleaners and Laundry, Inc.*, 511 F. 2d 929 (C.A. 4, 1975). Any sums thus recovered by the United States shall be held in the deposit fund and shall be paid, on the order of the Secretary, directly to the underpaid employees. Any sum not paid to an employee because of inability to do so within 3 years shall be covered into the Treasury of the United States as miscellaneous receipts.

(d) Releases or waivers executed by employees for unpaid wages and fringe benefits due them are without legal effect. As stated by the Supreme Court in *Brooklyn Savings Bank v. O'Neil*, 324 U.S. 697, 704, (1945), arising under the Fair Labor Standards Act:

"Where a private right is granted in the public interest to effectuate a legislative policy, waiver of a right so charged or colored with the public interest will not be allowed where it would thwart the legislative policy which it was designed to effectuate."

See also *Schulte, Inc. v. Gangi*, 328 U.S. 108 (1946); *United States v. Morley Construction Company*, 98 F. 2d 781 (C.A. 2, 1938), cert. denied, 305 U.S. 651.

Further, as noted above, monies not paid to employees to whom they are due because of violation are covered into the U.S. Treasury as provided by section 5(b) of the Act.

(e)(1) The term *party responsible* for violations in section 3(a) of the Act is the same term as contained in the Walsh-Healey Public Contracts Act, and therefore, the same principles are applied under both Acts. An officer of a corporation who actively directs and supervises the contract performance, including employment policies and practices and the work of the employees working on the contract, is a party responsible and liable for the violations, individually and jointly with the company (*S & G Coal Sales, Inc.*, Decision of the Hearing Examiner, PC-946, January 21, 1965, affirmed by the Administrator June 8, 1965; *Tennessee Processing Co., Inc.*, Decision of the Hearing Examiner, PC-790, September 28, 1965).

(2) The failure to perform a statutory public duty under the Service Contract Act is not only a corporate liability but also the personal liability of each officer charged by reason of his or her corporate office while performing that duty. *United States v. Sancelmar Industries, Inc.*, 347 F. Supp. 404, 408 (E.D. N.Y. 1972). Accordingly, it has been held by administrative decisions and by the courts that the term *party responsible*, as used in section 3(a) of the Act, imposes personal liability for violations of any of the contract stipulations required by sections 2(a)(1) and (2) and 2(b) of the Act on corporate officers who control, or are responsible for control of, the corporate entity, as they, individually, have an obligation to assure compliance with the requirements of the Act, the regulations, and the contracts. See, for example, *Waite, Inc.*, Decision of the ALJ, SCA 530-566, October 19, 1976, *Spruce-Up Corp.*, Decision of the Administrator SCA 368-370, August 19, 1976, *Ventilation and Cleaning Engineers, Inc.*, Decision of the ALJ, SCA 176, August 23, 1973, Assistant Secretary, May 17, 1974, Secretary, September 27, 1974; *Fred Van Elk*, Decision

of the ALJ, SCA 254-58, May 28, 1974, Administrator, November 25, 1974; *Murcole, Inc.*, Decision of the ALJ, SCA 195-198, April 11, 1974; *Emile J. Bouchet*, Decision of the ALJ, SCA 38, February 24, 1970; *Darwyn L. Grover*, Decision of the ALJ, SCA 485, August 15, 1976; *United States v. Islip Machine Works, Inc.*, 179 F. Supp. 585 (E.D. N.Y. 1959); *United States v. Sancelmar Industries, Inc.*, 347 F. Supp. 404 (E.D. N.Y. 1972).

(3) In essence, individual liability attaches to the corporate official who is responsible for, and therefore causes or permits, the violation of the contract stipulations required by the Act, i.e., corporate officers who control the day-to-day operations and management policy are personally liable for underpayments because they cause or permit violations of the Act.

(4) It has also been held that the personal responsibility and liability of individuals for violations of the Act is not limited to the officers of a contracting firm or to signatories to the Government contract who are bound by and accept responsibility for compliance with the Act and imposition of its sanctions set forth in the contract clauses in §4.6, but includes all persons, irrespective of proprietary interest, who exercise control, supervision, or management over the performance of the contract, including the labor policy or employment conditions regarding the employees engaged in contract performance, and who, by action or inaction, cause or permit a contract to be breached. *U.S. v. Islip Machine Works, Inc.*, 179 F. Supp. 585 (E.D. N.Y. 1959); *U.S. v. Sancelmar Industries, Inc.*, 347 F. Supp. 404 (E.D. N.Y. 1972); *Oscar Hestrom Corp.*, Decision of the Administrator, PC-257, May 7, 1946, affirmed, *U.S. v. Hedstrom*, 8 Wage Hour Cases 302 (N.D. Ill. 1948); *Craddock-Terry Shoe Corp.*, Decision of the Administrator, PC-330, October 3, 1947; *Reynolds Research Corp.*, Decision of the Administrator, PC-381, October 24, 1951; *Etowah Garment Co., Inc.*, Decision of the Hearing Examiner, PC-632, August 9, 1957, Decision of the Administrator, April 29, 1958; *Cardinal Fuel and Supply Co.*, Decision of the Hearing Examiner, PC-890, June 17, 1963.

§4.188

(5) Reliance on advice from contracting agency officials (or Department of Labor officials without the authority to issue rulings under the Act) is not a defense against a contractor's liability for back wages under the Act. *Standard Fabrication Ltd.*, Decision of the Secretary, PC-297, August 3, 1948; *Airport Machining Corp.*, Decision of the ALJ, PC-1177, June 15, 1973; *James D. West*, Decision of the ALJ, SCA 397-398, November 17, 1975; *Metropolitan Rehabilitation Corp.*, WAB Case No. 78-25, August 2, 1979; *Fry Brothers Corp.*, WAB Case No. 76-6, June 14, 1977.

(f) The procedures for a contractor or subcontractor to dispute findings regarding violations of the Act, including back wage liability or the disposition of funds withheld by the agency for such liability, are contained in parts 6 and 8 of this title. Appeals in such matters have not been delegated to the contracting agencies and such matters cannot be appealed under the disputes clause in the contractor's contract.

(g) While the Act provides that action may be brought against a surety to recover underpayments of compensation, there is no statutory provision requiring that contractors furnish either payment or performance bonds before an award can be made. The courts have held, however, that when such a bond has been given, including one denominated as a performance rather than payment bond, and such a bond guarantees that the principal shall fulfill "all the undertakings, covenants, terms, conditions, and agreements" of the contract, or similar words to the same effect, the surety-guarantor is jointly liable for underpayments by the contractor of the wages and fringe benefits required by the Act up to the amount of the bond. *U.S. v. Powers Building Maintenance Co.*, 366 F. Supp. 819 (W.D. Okla. 1972); *U.S. v. Gillespie*, 72 CCH Labor Cases ¶33,986 (C.D. Cal. 1973) *U.S. v. Glens Falls Insurance Co.*, 279 F. Supp. 236 (E.D. Tenn. 1967); *United States v. Hudgins-Dize Co.*, 83 F. Supp. 593 (E.D. Va. 1949); *U.S. v. Continental Casualty Company*, 85 F. Supp. 573 (E.D. Pa. 1949), affirmed per curiam, 182 F.2d 941 (3rd Cir. 1950).

29 CFR Subtitle A (7-1-21 Edition)

§4.188 Ineligibility for further contracts when violations occur.

(a) Section 5 of the Act provides that any person or firm found by the Secretary or the Federal agencies to have violated the Act shall be declared ineligible to receive further Federal contracts unless the Secretary recommends otherwise because of unusual circumstances. It also directs the Comptroller General to distribute a list to all agencies of the Government giving the names of persons or firms that have been declared ineligible. No contract of the United States or the District of Columbia (whether or not subject to the Act) shall be awarded to the persons or firms appearing on this list or to any firm, corporation, partnership, or association in which such persons or firms have a substantial interest until 3 years have elapsed from the date of publication of the list containing the names of such persons or firms. This prohibition against the award of a contract to an ineligible contractor applies to the contractor in its capacity as either a prime contractor or a subcontractor. Because the Act contains no provision authorizing removal from the list of the names of such persons or firms prior to the expiration of the three-year statutory period, the Secretary is without authority to accomplish such removal (other than in situations involving mistake or legal error). On the other hand, there may be situations in which persons or firms already on the list are found in a subsequent administrative proceeding to have again violated the Act and their debarment ordered. In such circumstances, a new, three-year debarment term will commence with the republication of such names on the list.

(b)(1) The term *unusual circumstances* is not defined in the Act. Accordingly, the determination must be made on a case-by-case basis in accordance with the particular facts present. It is clear, however, that the effect of the 1972 Amendments is to limit the Secretary's discretion to relieve violators from the debarred list (H. Rept. 92-1251, 92d Cong., 2d Sess. 5; S. Rept. 92-1131, 92d Cong., 2d Sess. 3-4) and that the violator of the Act has the burden of establishing the existence of unusual circumstances to warrant relief from the

debarment sanction, *Ventilation and Cleaning Engineers, Inc.*, SCA-176, Administrative Law Judge, August 23, 1973, Assistant Secretary, May 22, 1974, Secretary, October 2, 1974. It is also clear that unusual circumstances do not include any circumstances which would have been insufficient to relieve a contractor from the ineligible list prior to the 1972 amendments, or those circumstances which commonly exist in cases where violations are found, such as negligent or willful disregard of the contract requirements and of the Act and regulations, including a contractor's plea of ignorance of the Act's requirements where the obligation to comply with the Act is plain from the contract, failure to keep necessary records and the like. *Emerald Maintenance Inc.*, Supplemental Decision of the ALJ, SCA-153, April 5, 1973.

(2) The Subcommittee report following the oversight hearings conducted just prior to the 1972 amendments makes it plain that the limitation of the Secretary's discretion through the unusual circumstances language was designed in part to prevent the Secretary from relieving a contractor from the ineligible list provisions merely because the contractor paid what he was required by his contract to pay in the first place and promised to comply with the Act in the future. See, House Committee on Education and Labor, Special Subcommittee on Labor, *The Plight of Service Workers under Government Contracts 12-13* (Comm. Print 1971). As Congressman O'Hara stated: "Restoration * * * [of wages and benefits] is not in and of itself a penalty. The penalty for violation is the suspension from the right to bid on Government contracts * * *. The authority [to relieve from blacklisting] was intended to be used in situations where the violation was a minor one, or an inadvertent one, or one in which debarment * * * would have been wholly disproportionate to the offense." House Committee on Education and Labor, Special Subcommittee on Labor, Hearings on H.R. 6244 and H.R. 6245, 92d Cong., 1st Sess. 3 (1971).

(3)(i) The Department of Labor has developed criteria for determining when there are unusual circumstances

within the meaning of the Act. See, e.g., *Washington Moving & Storage Co.*, Decision of the Assistant Secretary, SCA 68, August 16, 1973, Secretary, March 12, 1974; *Quality Maintenance Co.*, Decision of the Assistant Secretary, SCA 119, January 11, 1974. Thus, where the respondent's conduct in causing or permitting violations of the Service Contract Act provisions of the contract is willful, deliberate or of an aggravated nature or where the violations are a result of culpable conduct such as culpable neglect to ascertain whether practices are in violation, culpable disregard of whether they were in violation or not, or culpable failure to comply with recordkeeping requirements (such as falsification of records), relief from the debarment sanction cannot be in order. Furthermore, relief from debarment cannot be in order where a contractor has a history of similar violations, where a contractor has repeatedly violated the provisions of the Act, or where previous violations were serious in nature.

(ii) A good compliance history, cooperation in the investigation, repayment of moneys due, and sufficient assurances of future compliance are generally prerequisites to relief. Where these prerequisites are present and none of the aggravated circumstances in the preceding paragraph exist, a variety of factors must still be considered, including whether the contractor has previously been investigated for violations of the Act, whether the contractor has committed recordkeeping violations which impeded the investigation, whether liability was dependent upon resolution of a bona fide legal issue of doubtful certainty, the contractor's efforts to ensure compliance, the nature, extent, and seriousness of any past or present violations, including the impact of violations on unpaid employees, and whether the sums due were promptly paid.

(4) A contractor has an affirmative obligation to ensure that its pay practices are in compliance with the Act, and cannot itself resolve questions which arise, but rather must seek advice from the Department of Labor. *Murcole, Inc.*, Decision of the ALJ, SCA 195-198, April 10, 1974; *McLaughlin Storage, Inc.*, Decision of the ALJ, SCA 362-

365, November 5, 1975, Administrator, March 25, 1976; *Able Building & Maintenance & Service Co.*, Decision of the ALJ, SCA 389-390, May 29, 1975, Assistant Secretary, January 13, 1976; *Aarid Van Lines, Inc.*, Decision of the Administrator, SCA 423-425, May 13, 1977.

(5) Furthermore, a contractor cannot be relieved from debarment by attempting to shift his/her responsibility to subordinate employees. *Security Systems, Inc.*, Decision of the ALJ, SCA 774-775, April 10, 1978; *Ventilation & Cleaning Engineers, Inc.*, Decision of the Secretary, SCA 176, September 27, 1974; *Ernest Roman*, Decision of the Secretary, SCA 275, May 6, 1977. As the Comptroller General has stated in considering debarment under the Davis-Bacon Act, “[n]egligence of the employer to instruct his employees as to the proper method of performing his work or to see that the employee obeys his instructions renders the employer liable for injuries to third parties resulting therefrom. * * * The employer will be liable for acts of his employee within the scope of the employment regardless of whether the acts were expressly or impliedly authorized. * * * Willful and malicious acts of the employee are imputable to the employer under the doctrine of respondeat superior although they might not have been consented to or expressly authorized or ratified by the employer.” (Decision of the Comptroller General, B-145608, August 1, 1961.)

(6) Negligence per se does not constitute unusual circumstances. Relief on no basis other than negligence would render the effect of section 5(a) a nullity, since it was intended that only responsible bidders be awarded Government contracts. *Greenwood’s Transfer & Storage, Inc.*, Decision of the Secretary, SCA 321-326, June 1, 1976; *Ventilation & Cleaning Engineers, Inc.*, Decision of the Secretary, SCA 176, September 27, 1974.

(c) Similarly, the term *substantial interest* is not defined in the Act. Accordingly, this determination, too, must be made on a case-by-case basis in light of the particular facts, and cognizant of the legislative intent “to provide to service employees safeguards similar to those given to employees covered by the Walsh-Healey Public Contracts

Act”. *Federal Food Services, Inc.*, Decision of the ALJ, SCA 585-592, November 22, 1977. Thus, guidance can be obtained from cases arising under the Walsh-Healey Act, which uses the concept “controlling interest”. See *Regal Mfg. Co.*, Decision of the Administrator, PC-245, March 1, 1946; *Acme Sportswear Co.*, Decision of the Hearing Examiner, PC-275, May 8, 1946; *Gearcraft, Inc.*, Decision of the ALJ, PCX-1, May 3, 1972. In a supplemental decision of February 23, 1979, in *Federal Food Services, Inc.* the Judge ruled as a matter of law that the term “does not preclude every employment or financial relationship between a party under sanction and another * * * [and that] it is necessary to look behind titles, payments, and arrangements and examine the existing circumstances before reaching a conclusion in this matter.”

(1) Where a person or firm has a direct or beneficial ownership or control of more than 5 percent of any firm, corporation, partnership, or association, a “substantial interest” will be deemed to exist. Similarly, where a person is an officer or director in a firm or the debarred firm shares common management with another firm, a “substantial interest” will be deemed to exist. Furthermore, wherever a firm is an affiliate as defined in §4.1a(g) of subpart A, a “substantial interest” will be deemed to exist, or where a debarred person forms or participates in another firm in which he/she has comparable authority, he/she will be deemed to have a “substantial interest” in the new firm and such new firm would also be debarred (*Etowah Garment Co., Inc.*, Decision of the Hearing Examiner, PC-632, August 9, 1957).

(2) Nor is interest determined by ownership alone. A debarred person will also be deemed to have a “substantial interest” in a firm if such person has participated in contract negotiations, is a signatory to a contract, or has the authority to establish, control, or manage the contract performance and/or the labor policies of a firm. A “substantial interest” may also be deemed to exist, in other circumstances, after consideration of the facts of the individual case. Factors to be examined include, among others,

sharing of common premises or facilities, occupying any position such as manager, supervisor, or consultant to, any such entity, whether compensated on a salary, bonus, fee, dividend, profit-sharing, or other basis of remuneration, including indirect compensation by virtue of family relationships or otherwise. A firm will be particularly closely examined where there has been an attempt to sever an association with a debarred firm or where the firm was formed by a person previously affiliated with the debarred firm or a relative of the debarred person.

(3) Firms with such identity of interest with a debarred person or firm will be placed on the debarred bidders list after the determination is made pursuant to procedures in §4.12 and parts 6 and 8 of this title. Where a determination of such "substantial interest" is made after the initiation of the debarment period, contracting agencies are to terminate any contract with such firm entered into after the initiation of the original debarment period since all persons or firms in which the debarred person or firm has a substantial interest were also ineligible to receive Government contracts from the date of publication of the violating person's or firm's name on the debarred bidders list.

§4.189 Administrative proceedings relating to enforcement of labor standards.

The Secretary is authorized pursuant to the provisions of section 4(a) of the Act to hold hearings and make decisions based upon findings of fact as are deemed to be necessary to enforce the provisions of the Act. Pursuant to section 4(a) of the Act, the Secretary's findings of fact after notice and hearing are conclusive upon all agencies of the United States and, if supported by the preponderance of the evidence, conclusive in any court of the United States, without a trial de novo. *United States v. Powers Building Maintenance Co.*, 336 F. Supp. 819 (W.D. Okla. 1972). Rules of practice for administrative proceedings are set forth in parts 6 and 8 of this title.

§4.190 Contract cancellation.

(a) As provided in section 3 of the Act, where a violation is found of any contract stipulation, the contract is subject upon written notice to cancellation by the contracting agency, whereupon the United States may enter into other contracts or arrangements for the completion of the original contract, charging any additional cost to the original contractor.

(b) Every contractor shall certify pursuant to §4.6(n) of subpart A that it is not disqualified for the award of a contract by virtue of its name appearing on the debarred bidders list or because any such currently listed person or firm has a substantial interest in said contractor, as described in §4.188. Upon discovery of such false certification or determination of substantial interest in a firm performing on a Government contract, as the case may be, the contract is similarly subject upon written notice to immediate cancellation by the contracting agency and any additional cost for the completion of the contract charged to the original contractor as specified in paragraph (a). Such contract is without warrant of law and has no force and effect and is void ab initio, 33 Comp Gen. 63; Decision of the Comptroller General, B-115051, August 6, 1953. Furthermore, any profit derived from said illegal contract is forfeited (*Paisner v. U.S.*, 138 Ct. Cl. 420, 150 F. Supp. 835 (1957), cert. denied, 355 U.S. 941).

§4.191 Complaints and compliance assistance.

(a) Any employer, employee, labor or trade organization, contracting agency, or other interested person or organization may report to any office of the Wage and Hour Division (or to any office of the Occupational Safety and Health Administration, in instances involving the safety and health provisions), a violation, or apparent violation, of the Act, or of any of the rules or regulations prescribed thereunder. Such offices are also available to assist or provide information to contractors or subcontractors desiring to insure that their practices are in compliance with the Act. Information furnished is treated confidentially. It is the policy of the Department of Labor to protect

Pt. 5

the identity of its confidential sources and to prevent an unwarranted invasion of personal privacy. Accordingly, the identity of an employee who makes a confidential written or oral statement as a complaint or in the course of an investigation, as well as portions of the statement which would reveal his identity, will not be disclosed without the prior consent of the employee. Disclosure of employee statements shall be governed by the provisions of the "Freedom of Information Act" (5 U.S.C. 552, see 29 CFR part 70) and the "Privacy Act of 1974" (5 U.S.C. 552a).

(b) A report of breach or violation relating solely to safety and health requirements may be in writing and addressed to the Regional Administrator of an Occupational Safety and Health Administration Regional Office, U.S. Department of Labor, or to the Assistant Secretary for Occupational Safety and Health, U.S. Department of Labor, Washington, DC 20210.

(c) Any other report of breach or violation may be in writing and addressed to the Assistant Regional Administrator of a Wage and Hour Division's regional office, U.S. Department of Labor, or to the Administrator of the Wage and Hour Division, U.S. Department of Labor, Washington, DC 20210.

(d) In the event that an Assistant Regional Administrator for the Wage and Hour Division, is notified of a breach or violation which also involves safety and health standards, the Regional Administrator of the Wage and Hour Division shall notify the appropriate Regional Administrator of the Occupational Safety and Health Administration who shall with respect to the safety and health violations take action commensurate with his responsibilities pertaining to safety and health standards.

(e) Any report should contain the following:

(1) The full name and address of the person or organization reporting the breach or violations.

(2) The full name and address of the person against whom the report is made.

(3) A clear and concise statement of the facts constituting the alleged breach or violation of any of the provisions of the McNamara-O'Hara Service

(b) Part 1 of this subtitle contains the Department's procedural rules governing requests for wage determinations and the issuance and use of such wage determinations under the Davis-Bacon Act and its related statutes as listed in that part.

§5.2 Definitions.

(a) The term *Secretary* includes the Secretary of Labor, the Deputy Under Secretary for Employment Standards, and their authorized representatives.

(b) The term *Administrator* means the Administrator of the Wage and Hour Division, U.S. Department of Labor, or authorized representative.

(c) The term *Federal agency* means the agency or instrumentality of the United States which enters into the contract or provides assistance through loan, grant, loan guarantee or insurance, or otherwise, to the project subject to a statute listed in §5.1.

(d) The term *Agency Head* means the principal official of the Federal agency and includes those persons duly authorized to act in the behalf of the Agency Head.

(e) The term *Contracting Officer* means the individual, a duly appointed successor, or authorized representative who is designated and authorized to enter into contracts on behalf of the Federal agency.

(f) The term *labor standards* as used in this part means the requirements of the Davis-Bacon Act, the Contract Work Hours and Safety Standards Act (other than those relating to safety and health), the Copeland Act, and the prevailing wage provisions of the other statutes listed in § 5.1, and the regulations in parts 1 and 3 of this subtitle and this part.

(g) The term *United States or the District of Columbia* means the United States, the District of Columbia, and all executive departments, independent establishments, administrative agencies, and instrumentalities of the United States and of the District of Columbia, including corporations, all or substantially all of the stock of which is beneficially owned by the United States, by the foregoing departments, establishments, agencies, instrumentalities, and including nonappropriated fund instrumentalities.

(h) The term *contract* means any prime contract which is subject wholly or in part to the labor standards provisions of any of the acts listed in § 5.1 and any subcontract of any tier thereunder, let under the prime contract. A State or local Government is not regarded as a contractor under statutes providing loans, grants, or other Federal assistance in situations where construction is performed by its own employees. However, under statutes requiring payment of prevailing wages to all laborers and mechanics employed on the assisted project, such as the U.S. Housing Act of 1937, State and local recipients of Federal-aid must pay these employees according to Davis-Bacon labor standards.

(i) The terms *building* or *work* generally include construction activity as distinguished from manufacturing, furnishing of materials, or servicing and maintenance work. The terms include without limitation, buildings, structures, and improvements of all types, such as bridges, dams, plants, highways, parkways, streets, subways, tunnels, sewers, mains, power lines, pump-

ing stations, heavy generators, railways, airports, terminals, docks, piers, wharves, ways, lighthouses, buoys, jetties, breakwaters, levees, canals, dredging, shoring, rehabilitation and reactivation of plants, scaffolding, drilling, blasting, excavating, clearing, and landscaping. The manufacture or furnishing of materials, articles, supplies or equipment (whether or not a Federal or State agency acquires title to such materials, articles, supplies, or equipment during the course of the manufacture or furnishing, or owns the materials from which they are manufactured or furnished) is not a *building* or *work* within the meaning of the regulations in this part unless conducted in connection with and at the site of such a building or work as is described in the foregoing sentence, or under the United States Housing Act of 1937 and the Housing Act of 1949 in the construction or development of the project.

(j) The terms *construction*, *prosecution*, *completion*, or *repair* mean the following:

(1) All types of work done on a particular building or work at the site thereof, including work at a facility which is deemed a part of the site of the work within the meaning of (paragraph (1) of this section by laborers and mechanics employed by a construction contractor or construction subcontractor (or, under the United States Housing Act of 1937; the Housing Act of 1949; and the Native American Housing Assistance and Self-Determination Act of 1996, all work done in the construction or development of the project), including without limitation—

(i) Altering, remodeling, installation (where appropriate) on the site of the work of items fabricated off-site;

(ii) Painting and decorating;

(iii) Manufacturing or furnishing of materials, articles, supplies or equipment on the site of the building or work (or, under the United States Housing Act of 1937; the Housing Act of 1949; and the Native American Housing Assistance and Self-Determination Act of 1996 in the construction or development of the project);

(iv)(A) Transportation between the site of the work within the meaning of

§5.2

paragraph (1)(1) of this section and a facility which is dedicated to the construction of the building or work and deemed a part of the site of the work within the meaning of paragraph (1)(2) of this section; and

(B) Transportation of portion(s) of the building or work between a site where a significant portion of such building or work is constructed, which is a part of the site of the work within the meaning of paragraph (1)(1) of this section, and the physical place or places where the building or work will remain.

(2) Except for laborers and mechanics employed in the construction or development of the project under the United States Housing Act of 1937; the Housing Act of 1949; and the Native American Housing Assistance and Self-Determination Act of 1996, and except as provided in paragraph (j)(1)(iv)(A) of this section, the transportation of materials or supplies to or from the site of the work by employees of the construction contractor or a construction subcontractor is not “construction, prosecution, completion, or repair” (see *Building and Construction Trades Department, AFL-CIO v. United States Department of Labor Wage Appeals Board (Midway Excavators, Inc.)*, 932 F.2d 985 (D.C. Cir. 1991)).

(k) The term *public building* or *public work* includes building or work, the construction, prosecution, completion, or repair of which, as defined above, is carried on directly by authority of or with funds of a Federal agency to serve the interest of the general public regardless of whether title thereof is in a Federal agency.

(1) The term *site of the work* is defined as follows:

(1) *The site of the work* is the physical place or places where the building or work called for in the contract will remain; and any other site where a significant portion of the building or work is constructed, *provided* that such site is established specifically for the performance of the contract or project;

(2) Except as provided in paragraph (1)(3) of this section, job headquarters, tool yards, batch plants, borrow pits, etc., are part of the *site of the work*, *provided* they are dedicated exclusively, or nearly so, to performance of the con-

29 CFR Subtitle A (7-1-21 Edition)

tract or project, *and provided* they are adjacent or virtually adjacent to the *site of the work* as defined in paragraph (1)(1) of this section;

(3) Not included in the *site of the work* are permanent home offices, branch plant establishments, fabrication plants, tool yards, etc., of a contractor or subcontractor whose location and continuance in operation are determined wholly without regard to a particular Federal or federally assisted contract or project. In addition, fabrication plants, batch plants, borrow pits, job headquarters, tool yards, etc., of a commercial or material supplier, which are established by a supplier of materials for the project before opening of bids and not on the site of the work as stated in paragraph (1)(1) of this section, are not included in the *site of the work*. Such permanent, previously established facilities are not part of the *site of the work*, even where the operations for a period of time may be dedicated exclusively, or nearly so, to the performance of a contract.

(m) The term *laborer* or *mechanic* includes at least those workers whose duties are manual or physical in nature (including those workers who use tools or who are performing the work of a trade), as distinguished from mental or managerial. The term *laborer* or *mechanic* includes apprentices, trainees, helpers, and, in the case of contracts subject to the Contract Work Hours and Safety Standards Act, watchmen or guards. The term does not apply to workers whose duties are primarily administrative, executive, or clerical, rather than manual. Persons employed in a bona fide executive, administrative, or professional capacity as defined in part 541 of this title are not deemed to be laborers or mechanics. Working foremen who devote more than 20 percent of their time during a workweek to mechanic or laborer duties, and who do not meet the criteria of part 541, are laborers and mechanics for the time so spent.

(n) The terms *apprentice*, *trainee*, and *helper* are defined as follows:

(1) *Apprentice* means (i) a person employed and individually registered in a bona fide apprenticeship program registered with the U.S. Department of

Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Bureau, or (ii) a person in the first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice;

(2) *Trainee* means a person registered and receiving on-the-job training in a construction occupation under a program which has been approved in advance by the U.S. Department of Labor, Employment and Training Administration, as meeting its standards for on-the-job training programs and which has been so certified by that Administration.

(3) These provisions do not apply to *apprentices* and *trainees* employed on projects subject to 23 U.S.C. 113 who are enrolled in programs which have been certified by the Secretary of Transportation in accordance with 23 U.S.C. 113(c).

(4) A distinct classification of “helper” will be issued in wage determinations applicable to work performed on construction projects covered by the labor standards provisions of the Davis-Bacon and Related Acts only where:

(i) The duties of the helper are clearly defined and distinct from those of any other classification on the wage determination;

(ii) The use of such helpers is an established prevailing practice in the area; and

(iii) The helper is not employed as a trainee in an informal training program. A “helper” classification will be added to wage determinations pursuant to § 5.5(a)(1)(ii)(A) only where, in addition, the work to be performed by the helper is not performed by a classification in the wage determination.

(o) Every person performing the duties of a laborer or mechanic in the construction, prosecution, completion, or repair of a public building or public

work, or building or work financed in whole or in part by loans, grants, or guarantees from the United States is *employed* regardless of any contractual relationship alleged to exist between the contractor and such person.

(p) The term *wages* means the basic hourly rate of pay; any contribution irrevocably made by a contractor or subcontractor to a trustee or to a third person pursuant to a bona fide fringe benefit fund, plan, or program; and the rate of costs to the contractor or subcontractor which may be reasonably anticipated in providing bona fide fringe benefits to laborers and mechanics pursuant to an enforceable commitment to carry out a financially responsible plan of program, which was communicated in writing to the laborers and mechanics affected. The fringe benefits enumerated in the Davis-Bacon Act include medical or hospital care, pensions on retirement or death, compensation for injuries or illness resulting from occupational activity, or insurance to provide any of the foregoing; unemployment benefits; life insurance, disability insurance, sickness insurance, or accident insurance; vacation or holiday pay; defraying costs of apprenticeship or other similar programs; or other bona fide fringe benefits. Fringe benefits do not include benefits required by other Federal, State, or local law.

(q) The term *wage determination* includes the original decision and any subsequent decisions modifying, superseding, correcting, or otherwise changing the provisions of the original decision. The application of the wage determination shall be in accordance with the provisions of § 1.6 of this title.

§ 5.5 Contract provisions and related matters.

(a) The Agency head shall cause or require the contracting officer to insert in full in any contract in excess of

§5.5

\$2,000 which is entered into for the actual construction, alteration and/or repair, including painting and decorating, of a public building or public work, or building or work financed in whole or in part from Federal funds or in accordance with guarantees of a Federal agency or financed from funds obtained by pledge of any contract of a Federal agency to make a loan, grant or annual contribution (except where a different meaning is expressly indicated), and which is subject to the labor standards provisions of any of the acts listed in §5.1, the following clauses (or any modifications thereof to meet the particular needs of the agency, *Provided*, That such modifications are first approved by the Department of Labor):

(1) *Minimum wages.* (i) All laborers and mechanics employed or working upon the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (a)(1)(iv) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the ap-

29 CFR Subtitle A (7-1-21 Edition)

propriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in §5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: *Provided*, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conforming under paragraph (a)(1)(ii) of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

(ii)(A) The contracting officer shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(B) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or

disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(C) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a)(1)(ii) (B) or (C) of this section, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, *Provided*, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

(2) *Withholding.* The (write in name of Federal Agency or the loan or grant recipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), all or part of the wages required by the contract, the (Agency) may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

(3) *Payrolls and basic records.* (i) Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR

§ 5.5

29 CFR Subtitle A (7-1-21 Edition)

5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

(ii)(A) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to the (write in name of appropriate federal agency) if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant, sponsor, or owner, as the case may be, for transmission to the (write in name of agency). The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i), except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (*e.g.*, the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <http://www.dol.gov/esa/whd/forms/wh347instr.htm> or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon

request to the (write in name of appropriate federal agency) if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit them to the applicant, sponsor, or owner, as the case may be, for transmission to the (write in name of agency), the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this section for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to the sponsoring government agency (or the applicant, sponsor, or owner).

(B) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under § 5.5 (a)(3)(ii) of Regulations, 29 CFR part 5, the appropriate information is being maintained under § 5.5 (a)(3)(i) of Regulations, 29 CFR part 5, and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 CFR part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(C) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for

submission of the "Statement of Compliance" required by paragraph (a)(3)(ii)(B) of this section.

(D) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of title 18 and section 231 of title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under paragraph (a)(3)(i) of this section available for inspection, copying, or transcription by authorized representatives of the (write the name of the agency) or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, the Federal agency may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

(4) *Apprentices and trainees*—(i) *Apprentices*. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force

under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) *Trainees*. Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of

§5.5

Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) *Equal employment opportunity.* The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR part 30.

(5) *Compliance with Copeland Act requirements.* The contractor shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this contract.

29 CFR Subtitle A (7-1-21 Edition)

(6) *Subcontracts.* The contractor or subcontractor shall insert in any subcontracts the clauses contained in 29 CFR 5.5(a)(1) through (10) and such other clauses as the (write in the name of the Federal agency) may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in 29 CFR 5.5.

(7) *Contract termination: debarment.* A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

(8) *Compliance with Davis-Bacon and Related Act requirements.* All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this contract.

(9) *Disputes concerning labor standards.* Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.

(10) *Certification of eligibility.* (i) By entering into this contract, the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001.

(b) *Contract Work Hours and Safety Standards Act.* The Agency Head shall

cause or require the contracting officer to insert the following clauses set forth in paragraphs (b)(1), (2), (3), and (4) of this section in full in any contract in an amount in excess of \$100,000 and subject to the overtime provisions of the Contract Work Hours and Safety Standards Act. These clauses shall be inserted in addition to the clauses required by § 5.5(a) or § 4.6 of part 4 of this title. As used in this paragraph, the terms *laborers* and *mechanics* include watchmen and guards.

(1) *Overtime requirements.* No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of \$27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section.

(3) *Withholding for unpaid wages and liquidated damages.* The (write in the name of the Federal agency or the loan or grant recipient) shall upon its own action or upon written request of an

authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section.

(4) *Subcontracts.* The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (4) of this section.

(c) In addition to the clauses contained in paragraph (b), in any contract subject only to the Contract Work Hours and Safety Standards Act and not to any of the other statutes cited in § 5.1, the Agency Head shall cause or require the contracting officer to insert a clause requiring that the contractor or subcontractor shall maintain payrolls and basic payroll records during the course of the work and shall preserve them for a period of three years from the completion of the contract for all laborers and mechanics, including guards and watchmen, working on the contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid. Further, the Agency Head shall cause or require the contracting officer to insert in any such contract a clause providing that the records to be maintained under this paragraph shall be made available by the contractor or subcontractor for inspection, copying, or transcription by authorized representatives of the

§5.6 Enforcement.

(a)(1) It shall be the responsibility of the Federal agency to ascertain whether the clauses required by §5.5 have been inserted in the contracts subject to the labor standards provisions of the Acts contained in §5.1. Agencies which do not directly enter into such contracts shall promulgate the necessary regulations or procedures to require the recipient of the Federal assistance to insert in its contracts the provisions of §5.5. No payment, advance, grant, loan, or guarantee of funds shall be approved by the Federal agency unless the agency insures that the clauses required by §5.5 and the appropriate wage determination of the Secretary of Labor are contained in such contracts. Furthermore, no payment, advance, grant, loan, or guarantee of funds shall be approved by the Federal agency after the beginning of construction unless there is on file with the agency a certification by the contractor that the contractor and its subcontractors have complied with the provisions of §5.5 or unless there is on file with the agency a certification by the contractor that there is a substantial dispute with respect to the required provisions.

(2) Payrolls and Statements of Compliance submitted pursuant to §5.5(a)(3)(ii) shall be preserved by the Federal agency for a period of 3 years from the date of completion of the contract and shall be produced at the request of the Department of Labor at any time during the 3-year period.

(3) The Federal agency shall cause such investigations to be made as may be necessary to assure compliance with the labor standards clauses required by §5.5 and the applicable statutes listed in §5.1. Investigations shall be made of all contracts with such frequency as may be necessary to assure compliance. Such investigations shall include interviews with employees, which shall be taken in confidence, and examinations of payroll data and evidence of registration and certification with respect to apprenticeship and training plans. In making such examinations, particular care shall be taken to determine the correctness of classifications and to determine whether there is a disproportionate employment of laborers and of apprentices or trainees registered in approved programs. Such investigations shall also include evidence of fringe benefit plans and payments thereunder. Complaints of alleged violations shall be given priority.

(4) In accordance with normal operating procedures, the contracting agency may be furnished various investigatory material from the investigation files of the Department of Labor. None of the material, other than computations of back wages and liquidated damages and the summary of back wages due, may be disclosed in any manner to anyone other than Federal officials charged with administering the contract or program providing Federal assistance to the contract, without requesting the permission and views of the Department of Labor.

(5) It is the policy of the Department of Labor to protect the identity of its confidential sources and to prevent an unwarranted invasion of personal privacy. Accordingly, the identity of an employee who makes a written or oral statement as a complaint or in the course of an investigation, as well as portions of the statement which would reveal the employee's identity, shall

not be disclosed in any manner to any one other than Federal officials without the prior consent of the employee. Disclosure of employee statements shall be governed by the provisions of the "Freedom of Information Act" (5 U.S.C. 552, see 29 CFR part 70) and the "Privacy Act of 1974" (5 U.S.C. 552a).

(b) The Administrator shall cause to be made such investigations as deemed necessary, in order to obtain compliance with the labor standards provisions of the applicable statutes listed in § 5.1, or to affirm or reject the recommendations by the Agency Head with respect to labor standards matters arising under the statutes listed in § 5.1. Federal agencies, contractors, subcontractors, sponsors, applicants, or owners shall cooperate with any authorized representative of the Department of Labor in the inspection of records, in interviews with workers, and in all other aspects of the investigations. The findings of such an investigation, including amounts found due, may not be altered or reduced without the approval of the Department of Labor. Where the underpayments disclosed by such an investigation total \$1,000 or more, where there is reason to believe that the violations are aggravated or willful (or, in the case of the Davis-Bacon Act, that the contractor has disregarded its obligations to employees and subcontractors), or where liquidated damages may be assessed under the Contract Work Hours and Safety Standards Act, the Department of Labor will furnish the Federal agency an enforcement report detailing the labor standards violations disclosed by the investigation and any action taken by the contractor to correct the violative practices, including any payment of back wages. In other circumstances, the Federal agency will be furnished a letter of notification summarizing the findings of the investigation.

§ 5.7 Reports to the Secretary of Labor.

(a) *Enforcement reports.* (1) Where underpayments by a contractor or subcontractor total less than \$1,000, and where there is no reason to believe that the violations are aggravated or willful (or, in the case of the Davis-Bacon Act

that the contractor has disregarded its obligations to employees and subcontractors), and where restitution has been effected and future compliance assured, the Federal agency need not submit its investigative findings and recommendations to the Administrator, unless the investigation was made at the request of the Department of Labor. In the latter case, the Federal agency shall submit a factual summary report detailing any violations including any data on the amount of restitution paid, the number of workers who received restitution, liquidated damages assessed under the Contract Work Hours and Safety Standards Act, corrective measures taken (such as "letters of notice"), and any information that may be necessary to review any recommendations for an appropriate adjustment in liquidated damages under § 5.8.

(2) Where underpayments by a contractor or subcontractor total \$1,000 or more, or where there is reason to believe that the violations are aggravated or willful (or, in the case of the Davis-Bacon Act, that the contractor has disregarded its obligations to employees and subcontractors), the Federal agency shall furnish within 60 days after completion of its investigation, a detailed enforcement report to the Administrator.

(b) *Semi-annual enforcement reports.* To assist the Secretary in fulfilling the responsibilities under Reorganization Plan No. 14 of 1950, Federal agencies shall furnish to the Administrator by April 30 and October 31 of each calendar year semi-annual reports on compliance with and enforcement of the labor standards provisions of the Davis-Bacon Act and its related acts covering the periods of October 1 through March 31 and April 1 through September 30, respectively. Such reports shall be prepared in the manner prescribed in memoranda issued to Federal agencies by the Administrator. This report has been cleared in accordance with FPMR 101-11.11 and assigned interagency report control number 1482-DOL-SA.

(c) *Additional information.* Upon request, the Agency Head shall transmit to the Administrator such information available to the Agency with respect to

§5.8

contractors and subcontractors, their contracts, and the nature of the contract work as the Administrator may find necessary for the performance of his or her duties with respect to the labor standards provisions referred to in this part.

(d) *Contract termination.* Where a contract is terminated by reason of violations of the labor standards provisions of the statutes listed in §5.1, a report shall be submitted promptly to the Administrator and to the Comptroller General (if the contract is subject to the Davis-Bacon Act), giving the name and address of the contractor or subcontractor whose right to proceed has been terminated, and the name and address of the contractor or subcontractor, if any, who is to complete the work, the amount and number of the contract, and the description of the work to be performed.

§5.8 Liquidated damages under the Contract Work Hours and Safety Standards Act.

(a) The Contract Work Hours and Safety Standards Act requires that laborers or mechanics shall be paid wages at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in any workweek. In the event of violation of this provision, the contractor and any subcontractor shall be liable for the unpaid wages and in addition for liquidated damages, computed with respect to each laborer or mechanic employed in violation of the Act in the amount of \$27 for each calendar day in the workweek on which such individual was required or permitted to work in excess of forty hours without payment of required overtime wages. Any contractor or subcontractor aggrieved by the withholding of liquidated damages shall have the right to appeal to the head of the agency of the United States (or the territory of District of Columbia, as appropriate) for which the contract work was performed or for which financial assistance was provided.

(b) *Findings and recommendations of the Agency Head.* The Agency Head has the authority to review the administrative determination of liquidated damages and to issue a final order af-

29 CFR Subtitle A (7-1-21 Edition)

firming the determination. It is not necessary to seek the concurrence of the Administrator but the Administrator shall be advised of the action taken. Whenever the Agency Head finds that a sum of liquidated damages administratively determined to be due is incorrect or that the contractor or subcontractor violated inadvertently the provisions of the Act notwithstanding the exercise of due care upon the part of the contractor or subcontractor involved, and the amount of the liquidated damages computed for the contract is in excess of \$500, the Agency Head may make recommendations to the Secretary that an appropriate adjustment in liquidated damages be made or that the contractor or subcontractor be relieved of liability for such liquidated damages. Such findings with respect to liquidated damages shall include findings with respect to any wage underpayments for which the liquidated damages are determined.

(c) The recommendations of the Agency Head for adjustment or relief from liquidated damages under paragraph (a) of this section shall be reviewed by the Administrator or an authorized representative who shall issue an order concurring in the recommendations, partially concurring in the recommendations, or rejecting the recommendations, and the reasons therefor. The order shall be the final decision of the Department of Labor, unless a petition for review is filed pursuant to part 7 of this title, and the Administrative Review Board in its discretion reviews such decision and order; or, with respect to contracts subject to the Service Contract Act, unless petition for review is filed pursuant to part 8 of this title, and the Administrative Review Board in its discretion reviews such decision and order.

(d) Whenever the Agency Head finds that a sum of liquidated damages administratively determined to be due under section 104(a) of the Contract Work Hours and Safety Standards Act for a contract is \$500 or less and the Agency Head finds that the sum of liquidated damages is incorrect or that the contractor or subcontractor violated inadvertently the provisions of the Contract Work Hours and Safety

Standards Act notwithstanding the exercise of due care upon the part of the contractor or subcontractor involved, an appropriate adjustment may be made in such liquidated damages or the contractor or subcontractor may be relieved of liability for such liquidated damages without submitting recommendations to this effect or a report to the Department of Labor. This delegation of authority is made under section 105 of the Contract Work Hours and Safety Standards Act and has been found to be necessary and proper in the public interest to prevent undue hardship and to avoid serious impairment of the conduct of Government business.

§ 5.9 Suspension of funds.

In the event of failure or refusal of the contractor or any subcontractor to comply with the labor standards clauses contained in § 5.5 and the applicable statutes listed in § 5.1, the Federal agency, upon its own action or upon written request of an authorized representative of the Department of Labor, shall take such action as may be necessary to cause the suspension of the payment, advance or guarantee of funds until such time as the violations are discontinued or until sufficient funds are withheld to compensate employees for the wages to which they are entitled and to cover any liquidated damages which may be due.

§ 5.10 Restitution, criminal action.

(a) In cases other than those forwarded to the Attorney General of the United States under paragraph (b), of this section, where violations of the labor standards clauses contained in § 5.5 and the applicable statutes listed in § 5.1 result in underpayment of wages to employees, the Federal agency or an authorized representative of the Department of Labor shall request that restitution be made to such employees or on their behalf to plans, funds, or programs for any type of bona fide fringe benefits within the meaning of section 1(b)(2) of the Davis-Bacon Act.

(b) In cases where the Agency Head or the Administrator finds substantial

evidence that such violations are willful and in violation of a criminal statute, the matter shall be forwarded to the Attorney General of the United States for prosecution if the facts warrant. In all such cases the Administrator shall be informed simultaneously of the action taken.

§ 5.11 Disputes concerning payment of wages.

(a) This section sets forth the procedure for resolution of disputes of fact or law concerning payment of prevailing wage rates, overtime pay, or proper classification. The procedures in this section may be initiated upon the Administrator's own motion, upon referral of the dispute by a Federal agency pursuant to § 5.5(a)(9), or upon request of the contractor or subcontractor(s).

(b)(1) In the event of a dispute described in paragraph (a) of this section in which it appears that relevant facts are at issue, the Administrator will notify the affected contractor and subcontractor(s) (if any), by registered or certified mail to the last known address, of the investigation findings. If the Administrator determines that there is reasonable cause to believe that the contractor and/or subcontractor(s) should also be subject to debarment under the Davis-Bacon Act or § 5.12(a)(1), the letter will so indicate.

(2) A contractor and/or subcontractor desiring a hearing concerning the Administrator's investigative findings shall request such a hearing by letter postmarked within 30 days of the date of the Administrator's letter. The request shall set forth those findings which are in dispute and the reasons therefor, including any affirmative defenses, with respect to the violations and/or debarment, as appropriate.

(3) Upon receipt of a timely request for a hearing, the Administrator shall refer the case to the Chief Administrative Law Judge by Order of Reference, to which shall be attached a copy of the letter from the Administrator and response thereto, for designation of an Administrative Law Judge to conduct such hearings as may be necessary to resolve the disputed matters. The hearing shall be conducted in accordance

§5.12

with the procedures set forth in 29 CFR part 6.

(c)(1) In the event of a dispute described in paragraph (a) of this section in which it appears that there are no relevant facts at issue, and where there is not at that time reasonable cause to institute debarment proceedings under §5.12, the Administrator shall notify the contractor and subcontractor(s) (if any), by registered or certified mail to the last known address, of the investigation findings, and shall issue a ruling on any issues of law known to be in dispute.

(2)(i) If the contractor and/or subcontractor(s) disagree with the factual findings of the Administrator or believe that there are relevant facts in dispute, the contractor or subcontractor(s) shall so advise the Administrator by letter postmarked within 30 days of the date of the Administrator's letter. In the response, the contractor and/or subcontractor(s) shall explain in detail the facts alleged to be in dispute and attach any supporting documentation.

(ii) Upon receipt of a response under paragraph (c)(2)(i) of this section alleging the existence of a factual dispute, the Administrator shall examine the information submitted. If the Administrator determines that there is a relevant issue of fact, the Administrator shall refer the case to the Chief Administrative Law Judge in accordance with paragraph (b)(3) of this section. If the Administrator determines that there is no relevant issue of fact, the Administrator shall so rule and advise the contractor and subcontractor(s) (if any) accordingly.

(3) If the contractor and/or subcontractor(s) desire review of the ruling issued by the Administrator under paragraph (c)(1) or (2) of this section, the contractor and/or subcontractor(s) shall file a petition for review thereof with the Administrative Review Board within 30 days of the date of the ruling, with a copy thereof the Administrator. The petition for review shall be filed in accordance with part 7 of this title.

(d) If a timely response to the Administrator's findings or ruling is not made or a timely petition for review is not filed, the Administrator's findings and/or ruling shall be final, except that

29 CFR Subtitle A (7-1-21 Edition)

with respect to debarment under the Davis-Bacon Act, the Administrator shall advise the Comptroller General of the Administrator's recommendation in accordance with §5.12(a)(1). If a timely response or petition for review is filed, the findings and/or ruling of the Administrator shall be inoperative unless and until the decision is upheld by the Administrative Law Judge or the Administrative Review Board.

§5.12 Debarment proceedings.

(a)(1) Whenever any contractor or subcontractor is found by the Secretary of Labor to be in aggravated or willful violation of the labor standards provisions of any of the applicable statutes listed in §5.1 other than the Davis-Bacon Act, such contractor or subcontractor or any firm, corporation, partnership, or association in which such contractor or subcontractor has a substantial interest shall be ineligible for a period not to exceed 3 years (from the date of publication by the Comptroller General of the name or names of said contractor or subcontractor on the ineligible list as provided below) to receive any contracts or subcontracts subject to any of the statutes listed in §5.1.

(2) In cases arising under contracts covered by the Davis-Bacon Act, the Administrator shall transmit to the Comptroller General the names of the contractors or subcontractors and their responsible officers, if any (and any firms in which the contractors or subcontractors are known to have an interest), who have been found to have disregarded their obligations to employees, and the recommendation of the Secretary of Labor or authorized representative regarding debarment. The Comptroller General will distribute a list to all Federal agencies giving the names of such ineligible person or firms, who shall be ineligible to be awarded any contract or subcontract of the United States or the District of Columbia and any contract or subcontract subject to the labor standards provisions of the statutes listed in §5.1.

(b)(1) In addition to cases under which debarment action is initiated pursuant to §5.11, whenever as a result of an investigation conducted by the

Federal agency or the Department of Labor, and where the Administrator finds reasonable cause to believe that a contractor or subcontractor has committed willful or aggravated violations of the labor standards provisions of any of the statutes listed in § 5.1 (other than the Davis-Bacon Act), or has committed violations of the Davis-Bacon Act which constitute a disregard of its obligations to employees or subcontractors under section 3(a) thereof, the Administrator shall notify by registered or certified mail to the last known address, the contractor or subcontractor and its responsible officers, if any (and any firms in which the contractor or subcontractor are known to have a substantial interest), of the finding. The Administrator shall afford such contractor or subcontractor and any other parties notified an opportunity for a hearing as to whether debarment action should be taken under paragraph (a)(1) of this section or section 3(a) of the Davis-Bacon Act. The Administrator shall furnish to those notified a summary of the investigative findings. If the contractor or subcontractor or any other parties notified wish to request a hearing as to whether debarment action should be taken, such a request shall be made by letter postmarked within 30 days of the date of the letter from the Administrator, and shall set forth any findings which are in dispute and the reasons therefor, including any affirmative defenses to be raised. Upon receipt of such request for a hearing, the Administrator shall refer the case to the Chief Administrative Law Judge by Order of Reference, to which shall be attached a copy of the letter from the Administrator and the response thereto, for designation of an Administrative Law Judge to conduct such hearings as may be necessary to determine the matters in dispute. In considering debarment under any of the statutes listed in § 5.1 other than the Davis-Bacon Act, the Administrative Law Judge shall issue an order concerning whether the contractor or subcontractor is to be debarred in accordance with paragraph (a)(1) of this section. In considering debarment under the Davis-Bacon Act, the Administrative Law Judge shall issue a recommenda-

tion as to whether the contractor or subcontractor should be debarred under section 3(a) of the Act.

(2) Hearings under this section shall be conducted in accordance with 29 CFR part 6. If no hearing is requested within 30 days of receipt of the letter from the Administrator, the Administrator's findings shall be final, except with respect to recommendations regarding debarment under the Davis-Bacon Act, as set forth in paragraph (a)(2) of this section.

(c) Any person or firm debarred under paragraph (a)(1) of this section may in writing request removal from the debarment list after six months from the date of publication by the Comptroller General of such person or firm's name on the ineligible list. Such a request should be directed to the Administrator of the Wage and Hour Division, U.S. Department of Labor, Washington, DC 20210, and shall contain a full explanation of the reasons why such person or firm should be removed from the ineligible list. In cases where the contractor or subcontractor failed to make full restitution to all underpaid employees, a request for removal will not be considered until such underpayments are made. In all other cases, the Administrator will examine the facts and circumstances surrounding the violative practices which caused the debarment, and issue a decision as to whether or not such person or firm has demonstrated a current responsibility to comply with the labor standards provisions of the statutes listed in § 5.1, and therefore should be removed from the ineligible list. Among the factors to be considered in reaching such a decision are the severity of the violations, the contractor or subcontractor's attitude towards compliance, and the past compliance history of the firm. In no case will such removal be effected unless the Administrator determines after an investigation that such person or firm is in compliance with the labor standards provisions applicable to Federal contracts and Federally assisted construction work subject to any of the applicable statutes listed in § 5.1 and other labor statutes providing wage protection, such as the Service Contract Act, the Walsh-Healey Public Contracts Act, and the

§5.12

Fair Labor Standards Act. If the request for removal is denied, the person or firm may petition for review by the Administrative Review Board pursuant to 29 CFR part 7.

(d)(1) Section 3(a) of the Davis-Bacon Act provides that for a period of three years from date of publication on the ineligible list, no contract shall be awarded to any persons or firms placed on the list as a result of a finding by the Comptroller General that such persons or firms have disregarded obligations to employees and subcontractors under that Act, and further, that no contract shall be awarded to "any firm, corporation, partnership, or association in which such persons or firms have an interest." Paragraph (a)(1) of this section similarly provides that for a period not to exceed three years from date of publication on the ineligible list, no contract subject to any of the statutes listed in §5.1 shall be awarded to any contractor or subcontractor on the ineligible list pursuant to that paragraph, or to "any firm, corporation, partnership, or association" in which such contractor or subcontractor has a "substantial interest." A finding as to whether persons or firms whose names appear on the ineligible list have an interest (or a substantial interest, as appropriate) in any other firm, corporation, partnership, or association, may be made through investigation, hearing, or otherwise.

(2)(i) The Administrator, on his/her own motion or after receipt of a request for a determination pursuant to paragraph (d)(3) of this section may make a finding on the issue of interest (or substantial interest, as appropriate).

(ii) If the Administrator determines that there may be an interest (or substantial interest, as appropriate), but finds that there is insufficient evidence to render a final ruling thereon, the Administrator may refer the issue to the Chief Administrative Law Judge in accordance with paragraph (d)(4) of this section.

(iii) If the Administrator finds that no interest (or substantial interest, as appropriate) exists, or that there is not sufficient information to warrant the initiation of an investigation, the re-

29 CFR Subtitle A (7-1-21 Edition)

questing party, if any, will be so notified and no further action taken.

(iv)(A) If the Administrator finds that an interest (or substantial interest, as appropriate) exists, the person or firm affected will be notified of the Administrator's finding (by certified mail to the last known address), which shall include the reasons therefor, and such person or firm shall be afforded an opportunity to request that a hearing be held to render a decision on the issue.

(B) Such person or firm shall have 20 days from the date of the Administrator's ruling to request a hearing. A detailed statement of the reasons why the Administrator's ruling is in error, including facts alleged to be in dispute, if any, shall be submitted with the request for a hearing.

(C) If no hearing is requested within the time mentioned in paragraph (d)(2)(iv)(B) of this section, the Administrator's finding shall be final and the Administrator shall so notify the Comptroller General. If a hearing is requested, the ruling of the Administrator shall be inoperative unless and until the administrative law judge or the Administrative Review Board issues an order that there is an interest (or substantial interest, as appropriate).

(3)(i) A request for a determination of interest (or substantial interest, as appropriate), may be made by any interested party, including contractors or prospective contractors and associations of contractor's representatives of employees, and interested Government agencies. Such a request shall be submitted in writing to the Administrator, Wage and Hour Division, U.S. Department of Labor, Washington, DC 20210.

(ii) The request shall include a statement setting forth in detail why the petitioner believes that a person or firm whose name appears on the debarred bidders list has an interest (or a substantial interest, as appropriate) in any firm, corporation, partnership, or association which is seeking or has been awarded a contract of the United States or the District of Columbia, or which is subject to any of the statutes

listed in § 5.1. No particular form is prescribed for the submission of a request under this section.

(4) *Referral to the Chief Administrative Law Judge.* The Administrator, on his/her own motion under paragraph (d)(2)(ii) of this section or upon a request for hearing where the Administrator determines that relevant facts are in dispute, will by order refer the issue to the Chief Administrative Law Judge, for designation of an Administrative Law Judge who shall conduct such hearings as may be necessary to render a decision solely on the issue of interest (or substantial interest, as appropriate). Such proceedings shall be conducted in accordance with the procedures set forth at 29 CFR part 6.

(5) *Referral to the Administrative Review Board.* If the person or firm affected requests a hearing and the Administrator determines that relevant facts are not in dispute, the Administrator will refer the issue and the record compiled thereon to the Administrative Review Board to render a decision solely on the issue of interest (or substantial interest, as appropriate). Such proceeding shall be conducted in accordance with the procedures set forth at 29 CFR part 7.

§ 5.13 Rulings and interpretations.

All questions relating to the application and interpretation of wage determinations (including the classifications therein) issued pursuant to part 1 of this subtitle, of the rules contained in this part and in parts 1 and 3, and of the labor standards provisions of any of the statutes listed in § 5.1 shall be referred to the Administrator for appropriate ruling or interpretation. The rulings and interpretations shall be authoritative and those under the Davis-Bacon Act may be relied upon as provided for in section 10 of the Portal-to-Portal Act of 1947 (29 U.S.C. 259). Requests for such rulings and interpretations should be addressed to the Administrator, Wage and Hour Division, U.S. Department of Labor, Washington, DC 20210.

§ 5.14 Variations, tolerances, and exemptions from parts 1 and 3 of this subtitle and this part.

The Secretary of Labor may make variations, tolerances, and exemptions from the regulatory requirements of this part and those of parts 1 and 3 of this subtitle whenever the Secretary finds that such action is necessary and proper in the public interest or to prevent injustice and undue hardship. Variations, tolerances, and exemptions may not be made from the statutory requirements of any of the statutes listed in § 5.1 unless the statute specifically provides such authority.

§ 5.15 Limitations, variations, tolerances, and exemptions under the Contract Work Hours and Safety Standards Act.

(a) *General.* Upon his or her own initiative or upon the request of any Federal agency, the Secretary of Labor may provide under section 105 of the Contract Work Hours and Safety Standards Act reasonable limitations and allow variations, tolerances, and exemptions to and from any or all provisions of that Act whenever the Secretary finds such action to be necessary and proper in the public interest to prevent injustice, or undue hardship, or to avoid serious impairment of the conduct of Government business. Any request for such action by the Secretary shall be submitted in writing, and shall set forth the reasons for which the request is made.

(b) *Exemptions.* Pursuant to section 105 of the Contract Work Hours and Safety Standards Act, the following classes of contracts are found exempt from all provisions of that Act in order to prevent injustice, undue hardship, or serious impairment of Government business:

(1) Contract work performed in a workplace within a foreign country or within territory under the jurisdiction of the United States other than the following: A State of the United States; the District of Columbia; Puerto Rico; the Virgin Islands; Outer Continental Shelf lands defined in the Outer Continental Shelf Lands Act (ch. 345, 67 Stat. 462); American Samoa; Guam; Wake Island; Eniwetok Atoll; Kwajalein Atoll; and Johnston Island.

§ 5.15

(2) Agreements entered into by or on behalf of the Commodity Credit Corporation providing for the storing in or handling by commercial warehouses of wheat, corn, oats, barley, rye, grain sorghums, soybeans, flaxseed, rice, naval stores, tobacco, peanuts, dry beans, seeds, cotton, and wool.

(3) Sales of surplus power by the Tennessee Valley Authority to States, counties, municipalities, cooperative organization of citizens or farmers, corporations and other individuals pursuant to section 10 of the Tennessee Valley Authority Act of 1933 (16 U.S.C. 8311).

(c) *Tolerances.* (1) The “basic rate of pay” under section 102 of the Contract Work Hours and Safety Standards Act may be computed as an hourly equivalent to the rate on which time-and-one-half overtime compensation may be computed and paid under section 7 of the Fair Labor Standards Act of 1938, as amended (29 U.S.C. 207), as interpreted in part 778 of this title. This tolerance is found to be necessary and proper in the public interest in order to prevent undue hardship.

(2) Concerning the tolerance provided in paragraph (c)(1) of this section, the provisions of section 7(d)(2) of the Fair Labor Standards Act and § 778.7 of this title should be noted. Under these provisions, payments for occasional periods when no work is performed, due to vacations, and similar causes are excludable from the “regular rate” under the Fair Labor Standards Act. Such payments, therefore, are also excludable from the “basic rate” under the Contract Work Hours and Safety Standards Act.

(3) See § 5.8(c) providing a tolerance subdelegating authority to the heads of agencies to make appropriate adjustments in the assessment of liquidated damages totaling \$500 or less under specified circumstances.

(4)(i) Time spent in an organized program of related, supplemental instruction by laborers or mechanics employed under bona fide apprenticeship or training programs may be excluded from working time if the criteria prescribed in paragraphs (c)(4)(ii) and (iii) of this section are met.

29 CFR Subtitle A (7-1-21 Edition)

(ii) The apprentice or trainee comes within the definition contained in § 5.2(n).

(iii) The time in question does not involve productive work or performance of the apprentice’s or trainee’s regular duties.

(d) *Variations.* (1) In the event of failure or refusal of the contractor or any subcontractor to comply with overtime pay requirements of the Contract Work Hours and Safety Standards Act, if the funds withheld by Federal agencies for the violations are not sufficient to pay fully both the unpaid wages due laborers and mechanics and the liquidated damages due the United States, the available funds shall be used first to compensate the laborers and mechanics for the wages to which they are entitled (or an equitable portion thereof when the funds are not adequate for this purpose); and the balance, if any, shall be used for the payment of liquidated damages.

(2) In the performance of any contract entered into pursuant to the provisions of 38 U.S.C. 620 to provide nursing home care of veterans, no contractor or subcontractor under such contract shall be deemed in violation of section 102 of the Contract Work Hours and Safety Standards Act by virtue of failure to pay the overtime wages required by such section for work in excess of 40 hours in the workweek to any individual employed by an establishment which is an institution primarily engaged in the care of the sick, the aged, or the mentally ill or defective who reside on the premises if, pursuant to an agreement or understanding arrived at between the employer and the employee before performance of the work, a work period of 14 consecutive days is accepted in lieu of the workweek of 7 consecutive days for the purpose of overtime compensation and if such individual receives compensation for employment in excess of 8 hours in any workday and in excess of 80 hours in such 14-day period at a rate not less than 1½ times the regular rate at which the individual is employed, computed in accordance with the requirements of the Fair Labor Standards Act of 1938, as amended.

Office of the Secretary of Labor

§ 5.16

(3) Any contractor or subcontractor performing on a government contract the principal purpose of which is the furnishing of fire fighting or suppression and related services, shall not be deemed to be in violation of section 102 of the Contract Work Hour and Safety Standards Act for failing to pay the overtime compensation required by section 102 of the Act in accordance with the basic rate of pay as defined in paragraph (c)(1) of this section, to any pilot or copilot of a fixed-wing or rotary-wing aircraft employed on such contract if:

(i) Pursuant to a written employment agreement between the contractor and the employee which is arrived at before performance of the work.

(A) The employee receives gross wages of not less than \$300 per week regardless of the total number of hours worked in any workweek, and

(B) Within any workweek the total wages which an employee receives are not less than the wages to which the employee would have been entitled in that workweek if the employee were paid the minimum hourly wage required under the contract pursuant to the provisions of the Service Contract Act of 1965 and any applicable wage determination issued thereunder for all hours worked, plus an additional premium payment of one-half times such minimum hourly wage for all hours worked in excess of 40 hours in the workweek;

(ii) The contractor maintains accurate records of the total daily and weekly hours of work performed by such employee on the government contract. In the event these conditions for the exemption are not met, the requirements of section 102 of the Contract Work Hours and Safety Standards Act shall be applicable to the contract from the date the contractor or subcontractor fails to satisfy the con-

ditions until completion of the contract.

§ 5.16 Training plans approved or recognized by the Department of Labor prior to August 20, 1975.

(a) Notwithstanding the provisions of § 5.5(a)(4)(ii) relating to the utilization of trainees on Federal and federally assisted construction, no contractor shall be required to obtain approval of a training program which, prior to August 20, 1975, was approved by the Department of Labor for purposes of the Davis-Bacon and Related Acts, was established by agreement of organized labor and management and therefore recognized by the Department, and/or was recognized by the Department under Executive Order 11246, as amended. A copy of the program and evidence of its prior approval, if applicable shall be submitted to the Employment and Training Administration, which shall certify such prior approval or recognition of the program. In every other respect, the provisions of § 5.5(a)(4)(ii)—including those relating to registration of trainees, permissible ratios, and wage rates to be paid—shall apply to these programs.

(b) Every trainee employed on a contract executed on and after August 20, 1975, in one of the above training programs must be individually registered in the program in accordance with Employment and Training Administration procedures, and must be paid at the rate specified in the program for the level of progress. Any such employee listed on the payroll at a trainee rate who is not registered and participating in a program certified by ETA pursuant to this section, or approved and certified by ETA pursuant to § 5.5(a)(4)(ii), must be paid the wage rate determined by the Secretary of Labor for the classification of work actually performed. The ratio of trainees

§5.17

to journeymen shall not be greater than permitted by the terms of the program.

(c) In the event a program which was recognized or approved prior to August 20, 1975, is modified, revised, extended, or renewed, the changes in the program or its renewal must be approved by the Employment and Training Administration before they may be placed into effect.

§5.17 Withdrawal of approval of a training program.

If at any time the Employment and Training Administration determines, after opportunity for a hearing, that the standards of any program, whether it is one recognized or approved prior to August 20, 1975, or a program subsequently approved, have not been complied with, or that such a program fails to provide adequate training for participants, a contractor will no longer be permitted to utilize trainees at less than the predetermined rate for the classification of work actually performed until an acceptable program is approved.

Subpart B—Interpretation of the Fringe Benefits Provisions of the Davis-Bacon Act

SOURCE: 29 FR 13465, Sept. 30, 1964, unless otherwise noted.

§5.20 Scope and significance of this subpart.

The 1964 amendments (Pub. L. 88-349) to the Davis-Bacon Act require, among other things, that the prevailing wage determined for Federal and federally-assisted construction include: (a) The basic hourly rate of pay; and (b) the amount contributed by the contractor or subcontractor for certain fringe benefits (or the cost to them of such benefits). The purpose of this subpart is to explain the provisions of these amendments. This subpart makes available in one place official interpretations of the fringe benefits provisions of the Davis-Bacon Act. These interpretations will guide the Department of Labor in carrying out its responsibilities under these provisions. These interpretations are intended also for the guidance of contractors, their associations, labor-

ers and mechanics and their organizations, and local, State and Federal agencies, who may be concerned with these provisions of the law. The interpretations contained in this subpart are authoritative and may be relied upon as provided for in section 10 of the Portal-to-Portal Act of 1947 (29 U.S.C. 359). The omission to discuss a particular problem in this subpart or in interpretations supplementing it should not be taken to indicate the adoption of any position by the Secretary of Labor with respect to such problem or to constitute an administrative interpretation, practice, or enforcement policy. Questions on matters not fully covered by this subpart may be referred to the Secretary for interpretation as provided in §5.12.

§5.21 [Reserved]

§5.22 Effect of the Davis-Bacon fringe benefits provisions.

The Davis-Bacon Act and the prevailing wage provisions of the related statutes listed in §1.1 of this subtitle confer upon the Secretary of Labor the authority to predetermine, as minimum wages, those wage rates found to be prevailing for corresponding classes of laborers and mechanics employed on projects of a character similar to the contract work in the area in which the work is to be performed. See paragraphs (a) and (b) of §1.2 of this subtitle. The fringe benefits amendments enlarge the scope of this authority by including certain bona fide fringe benefits within the meaning of the terms "wages", "scale of wages", "wage rates", "minimum wages" and "prevailing wages", as used in the Davis-Bacon Act.

§5.23 The statutory provisions.

The fringe benefits provisions of the 1964 amendments to the Davis-Bacon Act are, in part, as follows:

(b) As used in this Act the term "wages", "scale of wages", "wage rates", "minimum wages", and "prevailing wages" shall include—

- (1) The basic hourly rate of pay; and
- (2) The amount of—

(A) The rate of contribution irrevocably made by a contractor or subcontractor to a trustee or to a third person pursuant to a fund, plan, or program; and

(B) The rate of costs to the contractor or subcontractor which may be reasonably anticipated in providing benefits to laborers and mechanics pursuant to an enforceable commitment to carry out a financially responsible plan or program which was communicated in writing to the laborers and mechanics affected,

for medical or hospital care, pensions on retirement or death, compensation for injuries or illness resulting from occupational activity, or insurance to provide any of the foregoing, for unemployment benefits, life insurance, disability and sickness insurance, or accident insurance, for vacation and holiday pay, for defraying costs of apprenticeship or other similar programs, or for other bona fide fringe benefits, but only where the contractor or subcontractor is not required by other Federal, State, or local law to provide any of such benefits * * *.

§ 5.24 The basic hourly rate of pay.

“The basic hourly rate of pay” is that part of a laborer’s or mechanic’s wages which the Secretary of Labor would have found and included in wage determinations prior to the 1964 amendments. The Secretary of Labor is required to continue to make a separate finding of this portion of the wage. In general, this portion of the wage is the cash payment made directly to the laborer or mechanic. It does not include fringe benefits.

§ 5.25 Rate of contribution or cost for fringe benefits.

(a) Under the amendments, the Secretary is obligated to make a separate finding of the rate of contribution or cost of fringe benefits. Only the amount of contributions or costs for fringe benefits which meet the requirements of the act will be considered by the Secretary. These requirements are discussed in this subpart.

(b) The rate of contribution or cost is ordinarily an hourly rate, and will be reflected in the wage determination as such. In some cases, however, the contribution or cost for certain fringe benefits may be expressed in a formula or method of payment other than an hourly rate. In such cases, the Secretary may in his discretion express in the wage determination the rate of contribution or cost used in the formula or method or may convert it to an hourly rate of pay whenever he finds that such action would facilitate the

administration of the Act. See § 5.5(a)(1)(i) and (iii).

§ 5.26 “* * * contribution irrevocably made * * * to a trustee or to a third person”.

Under the fringe benefits provisions (section 1(b)(2) of the Act) the amount of contributions for fringe benefits must be made to a trustee or to a third person irrevocably. The “third person” must be one who is not affiliated with the contractor or subcontractor. The trustee must assume the usual fiduciary responsibilities imposed upon trustees by applicable law. The trust or fund must be set up in such a way that in no event will the contractor or subcontractor be able to recapture any of the contributions paid in or any way divert the funds to his own use or benefit. Although contributions made to a trustee or third person pursuant to a benefit plan must be irrevocably made, this does not prevent return to the contractor or subcontractor of sums which he had paid in excess of the contributions actually called for by the plan, as where such excess payments result from error or from the necessity of making payments to cover the estimated cost of contributions at a time when the exact amount of the necessary contributions under the plan is not yet ascertained. For example, a benefit plan may provide for definite insurance benefits for employees in the event of the happening of a specified contingency such as death, sickness, accident, etc., and may provide that the cost of such definite benefits, either in full or any balance in excess of specified employee contributions, will be borne by the contractor or subcontractor. In such a case the return by the insurance company to the contractor or subcontractor of sums paid by him in excess of the amount required to provide the benefits which, under the plan, are to be provided through contributions by the contractor or subcontractor, will not be deemed a recapture or diversion by the employer of contributions made pursuant to the plan. (See Report of the Senate Committee on Labor and Public Welfare, S. Rep. No. 963, 88th Cong., 2d Sess., p. 5.)

§ 5.27

§ 5.27 “* * * fund, plan, or program”.

The contributions for fringe benefits must be made pursuant to a fund, plan or program (sec. 1(b)(2)(A) of the act). The phrase “fund, plan, or program” is merely intended to recognize the various types of arrangements commonly used to provide fringe benefits through employer contributions. The phrase is identical with language contained in section 3(1) of the Welfare and Pension Plans Disclosure Act. In interpreting this phrase, the Secretary will be guided by the experience of the Department in administering the latter statute. (See Report of Senate Committee on Labor and Public Welfare, S. Rep. No. 963, 88th Cong., 2d Sess., p. 5.)

§ 5.28 Unfunded plans.

(a) The costs to a contractor or subcontractor which may be reasonably anticipated in providing benefits of the types described in the act pursuant to an enforceable commitment to carry out a financially responsible plan or program, are considered fringe benefits within the meaning of the act (see 1(b)(2)(B) of the act). The legislative history suggests that these provisions were intended to permit the consideration of fringe benefits meeting, among others, these requirements and which are provided from the general assets of a contractor or subcontractor. (Report of the House Committee on Education and Labor, H. Rep. No. 308, 88th Cong., 1st Sess., p. 4.)

(b) No type of fringe benefit is eligible for consideration as a so-called unfunded plan unless:

(1) It could be reasonably anticipated to provide benefits described in the act;

(2) It represents a commitment that can be legally enforced;

(3) It is carried out under a financially responsible plan or program; and

(4) The plan or program providing the benefits has been communicated in writing to the laborers and mechanics affected. (See S. Rep. No. 963, p. 6.)

(c) It is in this manner that the act provides for the consideration of unfunded plans or programs in finding prevailing wages and in ascertaining compliance with the Act. At the same time, however, there is protection against the use of this provision as a means of avoiding the act's require-

29 CFR Subtitle A (7-1-21 Edition)

ments. The words “reasonably anticipated” are intended to require that any unfunded plan or program be able to withstand a test which can perhaps be best described as one of actuarial soundness. Moreover, as in the case of other fringe benefits payable under the act, an unfunded plan or program must be “bona fide” and not a mere simulation or sham for avoiding compliance with the act. (See S. Rep. No. 963, p. 6.) The legislative history suggests that in order to insure against the possibility that these provisions might be used to avoid compliance with the act, the committee contemplates that the Secretary of Labor in carrying out his responsibilities under Reorganization Plan No. 14 of 1950, may direct a contractor or subcontractor to set aside in an account assets which, under sound actuarial principles, will be sufficient to meet the future obligation under the plan. The preservation of this account for the purpose intended would, of course, also be essential. (S. Rep. No. 963, p. 6.) This is implemented by the contractual provisions required by § 5.5(a)(1)(iv).

§ 5.29 Specific fringe benefits.

(a) The act lists all types of fringe benefits which the Congress considered to be common in the construction industry as a whole. These include the following: Medical or hospital care, pensions on retirement or death, compensation for injuries or illness resulting from occupational activity, or insurance to provide any of the foregoing, unemployment benefits, life insurance, disability and sickness insurance, or accident insurance, vacation and holiday pay, defrayment of costs of apprenticeship or other similar programs, or other bona fide fringe benefits, but only where the contractor or subcontractor is not required by other Federal, State, or local law to provide any of such benefits.

(b) The legislative history indicates that it was not the intent of the Congress to impose specific standards relating to administration of fringe benefits. It was assumed that the majority of fringe benefits arrangements of this nature will be those which are administered in accordance with requirements of section 302(c)(5) of the National

Labor Relations Act, as amended (S. Rep. No. 963, p. 5).

(c) The term "other bona fide fringe benefits" is the so-called "open end" provision. This was included so that new fringe benefits may be recognized by the Secretary as they become prevailing. It was pointed out that a particular fringe benefit need not be recognized beyond a particular area in order for the Secretary to find that it is prevailing in that area. (S. Rep. No. 963, p. 6).

(d) The legislative reports indicate that, to insure against considering and giving credit to any and all fringe benefits, some of which might be illusory or not genuine, the qualification was included that such fringe benefits must be "bona fide" (H. Rep. No. 308, p. 4; S. Rep. No. 963, p. 6). No difficulty is anticipated in determining whether a particular fringe benefit is "bona fide" in the ordinary case where the benefits are those common in the construction industry and which are established under a usual fund, plan, or program. This would be typically the case of those fringe benefits listed in paragraph (a) of this section which are funded under a trust or insurance program. Contractors may take credit for contributions made under such conventional plans without requesting the approval of the Secretary of Labor under § 5.5(a)(1)(iv).

(e) Where the plan is not of the conventional type described in the preceding paragraph, it will be necessary for the Secretary to examine the facts and circumstances to determine whether they are "bona fide" in accordance with requirements of the act. This is particularly true with respect to unfunded plans. Contractors or subcontractors seeking credit under the act for costs incurred for such plans must request specific permission from the Secretary under § 5.5(a)(1)(iv).

(f) The act excludes fringe benefits which a contractor or subcontractor is obligated to provide under other Federal, State, or local law. No credit may be taken under the act for the payments made for such benefits. For example, payment for workmen's compensation insurance under either a compulsory or elective State statute are not considered payments for fringe benefits under the Act. While each situation must be separately considered on its own merits, payments made for travel, subsistence or to industry promotion funds are not normally payments for fringe benefits under the Act. The omission in the Act of any express reference to these payments, which are common in the construction industry, suggests that these payments should not normally be regarded as bona fide fringe benefits under the Act.

§ 5.30 Types of wage determinations.

(a) When fringe benefits are prevailing for various classes of laborers and mechanics in the area of proposed construction, such benefits are includable in any Davis-Bacon wage determination. Illustrations, contained in paragraph (c) of this section, demonstrate some of the different types of wage determinations which may be made in such cases.

(b) Wage determinations of the Secretary of Labor under the act do not include fringe benefits for various classes of laborers and mechanics whenever such benefits do not prevail in the area of proposed construction. When this occurs the wage determination will contain only the basic hourly rates of pay, that is only the cash wages which are prevailing for the various classes of laborers and mechanics. An illustration of this situation is contained in paragraph (c) of this section.

§5.31 Meeting wage determination obligations.

(a) A contractor or subcontractor performing work subject to a Davis-Bacon wage determination may discharge his minimum wage obligations for the payment of both straight time wages and fringe benefits by paying in cash, making payments or incurring costs for “bona fide” fringe benefits of the types listed in the applicable wage determination or otherwise found prevailing by the Secretary of Labor, or by a combination thereof.

(b) A contractor or subcontractor may discharge his obligations for the payment of the basic hourly rates and the fringe benefits where both are contained in a wage determination applicable to his laborers or mechanics in the following ways:

(1) By paying not less than the basic hourly rate to the laborers or mechanics and by making the contributions for the fringe benefits in the wage determinations, as specified therein. For example, in the illustration contained in paragraph (c) of §5.30, the obligations for “painters” will be met by the payment of a straight time hourly rate of not less than \$3.90 and by contributing not less than at the rate of 15 cents an hour for health and welfare benefits, 10 cents an hour for pensions, and 20 cents an hour for vacations; or

(2) By paying not less than the basic hourly rate to the laborers or mechanics and by making contributions for “bona fide” fringe benefits in a total amount not less than the total of the fringe benefits required by the wage determination. For example, the obligations for “painters” in the illustration in paragraph (c) of §5.30 will be met by the payment of a straight time hourly rate of not less than \$3.90 and by contributions of not less than a total of 45 cents an hour for “bona fide” fringe benefits; or

(3) By paying in cash directly to laborers or mechanics for the basic hourly rate and by making an additional cash payment in lieu of the required benefits. For example, where an employer does not make payments or incur costs for fringe benefits, he would meet his obligations for “painters” in the illustration in paragraph (c) of §5.30, by paying directly to the painters a straight time hourly rate of not less than \$4.35 (\$3.90 basic hourly rate plus 45 cents for fringe benefits); or

(4) As stated in paragraph (a) of this section, the contractor or subcontractor may discharge his minimum wage obligations for the payment of straight time wages and fringe benefits by a combination of the methods illustrated in paragraphs (b)(1) thru (3) of this section. Thus, for example, his obligations for “painters” may be met by an hourly rate, partly in cash and partly in payments or costs for fringe benefits which total not less than \$4.35 (\$3.90 basic hourly rate plus 45 cents for fringe benefits). The payments in such case may be \$4.10 in cash and 25 cents in payments or costs in fringe benefits. Or, they may be \$3.75 in cash and 60 cents in payments or costs for fringe benefits.

[30 FR 13136, Oct. 15, 1965]

§5.32 Overtime payments.

(a) The act excludes amounts paid by a contractor or subcontractor for fringe benefits in the computation of overtime under the Fair Labor Standards Act, the Contract Work Hours and Safety Standards Act, and the Walsh-Healey Public Contracts Act whenever the overtime provisions of any of these statutes apply concurrently with the Davis-Bacon Act or its related prevailing wage statutes. It is clear from the legislative history that in no event can the regular or basic rate upon

which premium pay for overtime is calculated under the aforementioned Federal statutes be less than the amount determined by the Secretary of Labor as the basic hourly rate (i.e. cash rate) under section 1(b)(1) of the Davis-Bacon Act. (See S. Rep. No. 963, p. 7.) Contributions by employees are not excluded from the regular or basic rate upon which overtime is computed under these statutes; that is, an employee's regular or basic straight-time rate is computed on his earnings before any deductions are made for the employee's contributions to fringe benefits. The contractor's contributions or costs for fringe benefits may be excluded in computing such rate so long as the exclusions do not reduce the regular or basic rate below the basic hourly rate contained in the wage determination.

(b) The legislative report notes that the phrase "contributions irrevocably made by a contractor or subcontractor to a trustee or to a third person pursuant to a fund, plan, or program" was added to the bill in Committee. This language in essence conforms to the overtime provisions of section 7(d)(4) of the Fair Labor Standards Act, as amended. The intent of the committee was to prevent any avoidance of overtime requirements under existing law. See H. Rep. No. 308, p. 5.

(c)(1) The act permits a contractor or subcontractor to pay a cash equivalent of any fringe benefits found prevailing by the Secretary of Labor. Such a cash equivalent would also be excludable in computing the regular or basic rate under the Federal overtime laws mentioned in paragraph (a). For example, the W construction contractor pays his laborers or mechanics \$3.50 in cash under a wage determination of the Secretary of Labor which requires a basic hourly rate of \$3 and a fringe benefit contribution of 50 cents. The contractor pays the 50 cents in cash because he made no payments and incurred no costs for fringe benefits. Overtime compensation in this case would be computed on a regular or basic rate of \$3.00 an hour. However, in some cases a question of fact may be presented in ascertaining whether or not a cash payment made to laborers or mechanics is actually in lieu of a

fringe benefit or is simply part of their straight time cash wage. In the latter situation, the cash payment is not excludable in computing overtime compensation. Consider the examples set forth in paragraphs (c)(2) and (3) of this section.

(2) The X construction contractor has for some time been paying \$3.25 an hour to a mechanic as his basic cash wage plus 50 cents an hour as a contribution to a welfare and pension plan. The Secretary of Labor determines that a basic hourly rate of \$3 an hour and a fringe benefit contribution of 50 cents are prevailing. The basic hourly rate or regular rate for overtime purposes would be \$3.25, the rate actually paid as a basic cash wage for the employee of X, rather than the \$3 rate determined as prevailing by the Secretary of Labor.

(3) Under the same prevailing wage determination, discussed in paragraph (c)(2) of this section, the Y construction contractor who has been paying \$3 an hour as his basic cash wage on which he has been computing overtime compensation reduces the cash wage to \$2.75 an hour but computes his costs of benefits under section 1(b)(2)(B) as \$1 an hour. In this example the regular or basic hourly rate would continue to be \$3 an hour. See S. Rep. No. 963, p. 7.

Only where a petition for review of such default judgment cites alleged procedural irregularities in the proceeding below

§ 6.8 Transmission of record.

If a petition for review of the Administrative Law Judge's decision is filed with the Administrative Review Board, the Chief Administrative Law Judge shall promptly transmit the record of the proceeding.

Subpart B—Enforcement Proceedings Under the Service Contract Act (and Under the Contract Work Hours and Safety Standards Act for Contracts Subject to the Service Contract Act)

§ 6.15 Complaints.

(a) Enforcement proceedings under the Service Contract Act and under the Contract Work Hours and Safety Standards Act for contracts subject to the Service Contract Act, may be instituted by the Associate Solicitor for Fair Labor Standards or a Regional Solicitor by issuing a complaint and causing the complaint to be served upon the respondent.

(c) The Administrative Law Judge shall notify the parties of the time and place for a hearing.

§ 6.16 Answers.

(a) Within 30 days after the service of the complaint the respondent shall file an answer with the Chief Administrative Law Judge. The answer shall be signed by the respondent or his/her attorney.

(b) The answer shall (1) contain a statement of the facts which constitute the grounds of defense, and shall specifically admit, explain, or deny each

29 CFR Subtitle A (7-1-21 Edition)

of the allegations of the complaint unless the respondent is without knowledge, in which case the answer shall so state; or (2) state that the respondent admits all of the allegations of the complaint. The answer may contain a waiver of hearing. Failure to file an answer to or plead specifically to any allegation of the complaint shall constitute an admission of such allegation.

(c) Failure to file an answer shall constitute grounds for waiver of hearing and entry of a default judgment unless respondent shows good cause for such failure to file. In preparing the decision of default judgment the Administrative Law Judge shall adopt as findings of fact the material facts alleged in the complaint and shall order the appropriate relief and/or sanctions.

§ 6.17 Amendments to pleadings.

At any time prior to the close of the hearing record, the complaint or answer may be amended with the permission of the Administrative Law Judge and on such terms as he/she may approve. When issues not raised by the pleadings are reasonably within the scope of the original complaint and are tried by express or implied consent of the parties, they shall be treated in all respects as if they had been raised in the pleadings, and such amendments may be made as necessary to make them conform to the evidence. Such amendments shall be allowed when justice and the presentation of the merits are served thereby, provided there is no prejudice to the objecting party's presentation on the merits. A continuance in the hearing may be granted or the record left open to enable the new allegations to be addressed. The presiding Administrative Law Judge may, upon reasonable notice and upon such terms as are just, permit supplemental pleadings setting forth transactions, occurrences or events which have happened since the data of the pleadings and which are relevant to any of the issues involved.

§ 6.18 Consent findings and order.

(a) At any time prior to the receipt of evidence or, at the discretion of the Administrative Law Judge, prior to the issuance of the decision of the Administrative Law Judge, the parties may

enter into consent findings and an order disposing of the processings in whole or in part.

(b) Any agreement containing consent findings and an order disposing of a proceeding in whole or in part shall also provide:

(1) That the order shall have the same force and effect as an order made after full hearing;

(2) That the entire record on which any order may be based shall consist solely of the complaint and the agreement;

(3) A waiver of any further procedural steps before the Administrative Law Judge and Administrative Review Board regarding those matters which are the subject of the agreement; and

§ 6.31 Amendments to pleadings.

At any time prior to the closing of the hearing record, the complaint (notification letter) or answer (response) may be amended with the permission of the Administrative Law Judge and upon such terms as he/she may approve. For proceedings pursuant to § 5.11 of part 5 of this title, such an amendment may include a statement that debarment action is warranted under § 5.12(a)(1) of part 5 of this title or under section 3(a) of the Davis-Bacon Act. Such amendments shall be allowed when justice and the presentation of the merits are served thereby, provided there is no prejudice to the objecting party's presentation on the merits. When issues not raised by the

pleadings are reasonably within the scope of the original complaint and are tried by express or implied consent of the parties, they shall be treated in all respects as if they had been raised in the pleadings, and such amendments may be made as necessary to make them conform to the evidence. The presiding Administrative Law Judge may, upon reasonable notice and upon such terms as are just, permit supplemental pleadings setting forth transactions, occurrences or events which have happened since the date of the pleadings and which are relevant to any of the issues involved. A continuance in the hearing may be granted or the record left open to enable the new allegations to be addressed.

(4) A waiver of any further procedural steps before the Administrative Law Judge and the Administrative Review Board regarding those matters which are the subject of the agreement; and

(5) A waiver of any right to challenge or contest the validity of the findings and order entered into in accordance with the agreement.

(c) Within 30 days after receipt of an agreement containing consent findings and an order disposing of the disputed

matter in whole, the Administrative Law Judge shall, if satisfied with its form and substance, accept such agreement by issuing a decision based upon the agreed findings and order. If such agreement disposes of only a part of the disputed matter, a hearing shall be conducted on the matters remaining in dispute.

§ 6.33 Decision of the Administrative Law Judge.

(a) *Proposed findings of fact, conclusions, and order.* Within 20 days of filing of the transcript of the testimony or such additional time as the Administrative Law Judge may allow, each party may file with the Administrative Law Judge proposed findings of fact, conclusions of law, and order, together with a supporting brief expressing the reasons for such proposals. Such proposals and brief shall be served on all parties, and shall refer to all portions of the record and to all authorities relied upon in support of each proposal.

(b) *Decision of the Administrative Law Judge.* (1) Within a reasonable time after the time allowed for filing of proposed findings of fact, conclusions of law, and order, or within 30 days of receipt of an agreement containing consent findings and order disposing of the disputed matter in whole, the Administrative Law Judge shall make his/her decision. If any aggrieved party desires review of the decision, a petition for review thereof shall be filed as provided in § 6.34 of this title, and such decision and order shall be inoperative unless and until the Administrative Review Board either declines to review the decision or issues an order affirming the decision. It shall

§ 6.34

be supported by reliable and probative evidence.

(2) If the respondent is found to have violated the labor standards provisions of any of the statutes listed in §5.1 of part 5 of this title other than the Davis-Bacon Act, and if debarment action was requested pursuant to the complaint (notification letter) or any amendment thereto, the Administrative Law Judge shall issue an order as to whether the respondent is to be subject to the ineligible list as provided in §5.12(a)(1) of this title, including any findings of aggravated or willful violations. If the respondent is found to have violated the Davis-Bacon Act, and if debarment action was requested, the Administrative Law Judge shall issue as a part of the order a recommendation as to whether respondent should be subject to the ineligible list pursuant to section 3(a) of the Act, including any findings regarding respondent's disregard of obligations to employees and subcontractors. If wages are found due and are unpaid, no relief from the ineligible list shall be ordered or recommended except on condition that such wages are paid.

(3) The Administrative Law Judge shall make no findings regarding liquidated damages under the Contract Work Hours and Safety Standards Act.

(a) This part contains the rules of practice of the Administrative Review Board when it is exercising its jurisdiction described in paragraph (b) of this section.

(b) The Board has jurisdiction to hear and decide in its discretion appeals concerning questions of law and fact from final decisions of the Administrator of the Wage and Hour Division or authorized representative, and from decisions of Administrative Law Judges under subparts B, D, and E of part 6 of this title, arising under the Service Contract Act and the Contract Work Hours and Safety Standards Act where the contract is also subject to the Service Contract Act. The Board shall not have jurisdiction to pass on the validity of any portion of the Code of Federal Regulations which has been duly promulgated through notice and comment by the Department of Labor and shall observe the provisions thereof, where pertinent, in its decisions. The jurisdiction of the Board includes:

- (1) Wage determinations issued under the Service Contract Act;
- (2) Substantial variance proceedings or arm's-length negotiations proceedings pursuant to section 4(c) of the Service Contract Act;
- (3) Debarment or other enforcement proceedings;
- (4) Proceedings to determine substantial interest of debarred persons or firms;
- (5) Decisions of the Wage-Hour Administrator or authorized representative regarding recommendations of a Federal agency for adjustment or waiver of liquidated damages assessed under the Contract Work Hours and Safety Standards Act;
- (6) Other final actions of the Wage-Hour Administrator or authorized representative (e.g., additional classification actions and rulings with respect to application of the Act(s), or the regulations, or of wage determinations issued thereunder).
- (7) Other matters specifically referred to the Board by the Secretary of Labor.

(c) In considering the matters within the scope of its jurisdiction the Board

shall act as the authorized representative of the Secretary of Labor and shall act as fully and finally as might the Secretary of Labor concerning such matters, except as provided in Secretary's Order 01-2020 (or any successor to that order).

(d) The Board is an appellate body and shall decide cases properly brought before it on the basis of all relevant matter contained in the entire record before it. Decisions by the Board shall be based upon the preponderance of the evidence before it. It may remand with appropriate instructions any case for the taking of additional evidence and the making of new or modified findings by reason of the additional evidence. However, unless the petition for review cites alleged procedural irregularities in the proceeding below and not the merits of a case, the Board shall not consider a petition for review filed by any party against whom default judgment has been entered pursuant to the provisions of part 6 of this title.

[49 FR 10637, Mar. 21, 1984, as amended at 61 FR 19985, May 3, 1996; 85 FR 13031, Mar. 6, 2020; 85 FR 30616, May 20, 2020]

Subpart B—Review of Wage Determinations**§ 8.2 Who may file petitions of review.**

(a) Any interested party who is seeking a modification of other change in a wage determination under the Service Contract Act and who has requested the Wage-Hour Administrator or authorized representative to make such modification or other change under § 4.55 of part 4 of this title, and the request has been denied, shall have a right to petition of review of the action taken by that officer.

(b) For purposes of this subpart, the term *interested party* shall mean:

- (1) Any employee or any labor organization which represents an employee who is likely to be employed or to seek employment under a contract containing a particular wage determination, or any contractor or an association representing a contractor who is likely to seek a contract or to work under a contract containing a particular wage determination;

§ 8.3

(2) The Federal agency(s) which will administer a proposed contract containing a particular wage determination issued pursuant to the Service Contract Act; and

(3) Any other party whom the Board finds to have a sufficient interest in the wage determination.

§ 8.3 When to file.

(a) Requests for review of wage determinations must be filed within 20 days of issuance of the Wage-Hour Administrator's decision denying a request to make a change in the wage determination.

(b) The Board shall under no circumstances request any administering agency to postpone any contract action because of the filing of a petition.

§ 8.4 Contents of petition.

(a) A petition for review of a wage determination shall:

(1) Be in writing and signed by the petitioner or his/her counsel (or other authorized representative);

(2) Be addressed to the Administrative Review Board;

(3) Identify clearly the wage determination, location where the contract will be performed, if known, and the agency concerned;

(4) State that the petitioner has requested reconsideration of the wage determination in question pursuant to 29 CFR 4.55 and describe briefly the action taken in response to the request;

(5) Contain a short and plain statement of the grounds for review;

(6) Be accompanied by supporting data, views, or arguments; and

§ 8.6 Disposition by the Administrative Review Board.

(a) The Board may decline review of any case whenever in its judgment review would be inappropriate because of lack of timeliness, the nature of the relief sought, the case involves only settled issues of law, the appeal is frivolous on its face, or other reasons. A case will be reviewed upon the affirmative vote of one member.

(b) Except as provided in paragraphs (c) and (d) of this section, the Board will not review a wage determination after award, exercise of option, or extension of a contract, unless such procurement action was taken without the wage determination required pursuant to §§ 4.4 and 4.5 of part 4 of this title.

(c) A wage determination may be reviewed after award, exercise of option, or extension of a contract if it is issued after a finding by an Administrative Law Judge or the Board that a substantial variance exists between collectively bargained wage rates and/or fringe benefits otherwise required to be paid pursuant to section 4(c) of the Act and those prevailing for services of a character similar in the locality, or after a finding that such collective bargaining agreement was not reached as a result of arm's length negotiations.

(d) Where a petition for review of a wage determination is filed prior to award, exercise of option, or extension of a contract, the Board may review the wage determination after such award, exercise of option, or extension of a contract if the issue is a significant issue of general applicability. The Board's decision shall not affect the contract after such award, exercise of option, or extension.

(e) In issuing its decision the Board will act expeditiously, taking into consideration procurement deadlines. The Board shall decide the case upon the basis of all relevant matters contained in the entire record before it and shall not consider any data not submitted to

the Wage-Hour Administrator with the request for reconsideration. The Board in its decision affirming, modifying, or setting aside the wage determination, shall include a statement of reasons or bases for the actions taken. In any remand of a case as provided in § 8.1(d) of this title, the Board shall include appropriate instructions.

Subpart C—Review of Other Proceedings and Related Matters

(b) In issuing its decision the Board will take into consideration procurement deadlines where appropriate. The Board may affirm, modify or set aside, in whole or in part, the decision under review and shall issue a decision including a statement of reasons or bases for the actions taken. APPENDIX A TO PART 10—CONTRACT CLAUSE

AUTHORITY: 5 U.S.C. 301; section 4, E.O. 13658, 79 FR 9851, 3 CFR, 2014 Comp., p. 219; Secretary of Labor's Order No. 01-2014 (Dec. 19, 2014), 79 FR 77527 (Dec. 24, 2014).

SOURCE: 79 FR 60721, Oct. 7, 2014, unless otherwise noted.

Subpart A—General

§ 10.1 Purpose and scope.

(a) *Purpose.* This part contains the Department of Labor's rules relating to the administration of Executive Order 13658 (Executive Order or the Order), "Establishing a Minimum Wage for Contractors," and implements the enforcement provisions of the Executive Order. The Executive Order assigns responsibility for investigating potential violations of and obtaining compliance with the Executive Order to the Department of Labor. The Executive Order states that the Federal Government's procurement interests in economy and efficiency are promoted when the Federal Government contracts

§ 10.2

with sources that adequately compensate their workers. There is evidence that raising the pay of low-wage workers can increase their morale and productivity and the quality of their work, lower turnover and its accompanying costs, and reduce supervisory costs. The Executive Order thus states that cost savings and quality improvements in the work performed by parties who contract with the Federal Government will lead to improved economy and efficiency in Government procurement. Executive Order 13658 therefore generally requires that the hourly minimum wage paid by contractors to workers performing on or in connection with covered contracts with the Federal Government shall be at least:

(1) \$10.10 per hour, beginning January 1, 2015; and

(2) An amount determined by the Secretary of Labor, beginning January 1, 2016, and annually thereafter.

(b) *Policy.* Executive Order 13658 sets forth a general position of the Federal Government that increasing the hourly minimum wage paid by Federal contractors to \$10.10 will increase efficiency and cost savings for the Federal Government. The Executive Order therefore establishes a minimum wage requirement for Federal contractors and subcontractors. The Order provides that executive departments and agencies shall, to the extent permitted by law, ensure that new covered contracts, contract-like instruments, and solicitations (collectively referred to as “contracts”) include a clause, which the contractor and any subcontractors shall incorporate into lower-tier subcontracts, specifying, as a condition of payment, that the minimum wage to be paid to workers, including workers whose wages are calculated pursuant to special certificates issued under 29 U.S.C. 214(c), in the performance of the contract or any subcontract thereunder, shall be at least:

(1) \$10.10 per hour beginning January 1, 2015; and

(2) Beginning January 1, 2016, and annually thereafter, an amount determined by the Secretary pursuant to the Order. Nothing in Executive Order 13658 or this part shall excuse non-compliance with any applicable Fed-

29 CFR Subtitle A (7–1–21 Edition)

eral or State prevailing wage law or any applicable law or municipal ordinance establishing a minimum wage higher than the minimum wage established under the Order.

(c) *Scope.* Neither Executive Order 13658 nor this part creates or changes any rights under the Contract Disputes Act or any private right of action. The Executive Order provides that disputes regarding whether a contractor has paid the minimum wages prescribed by the Order, to the extent permitted by law, shall be disposed of only as provided by the Secretary in regulations issued under the Order. However, nothing in the Order or this part is intended to limit or preclude a civil action under the False Claims Act, 31 U.S.C. 3730, or criminal prosecution under 18 U.S.C. 1001. The Order similarly does not preclude judicial review of final decisions by the Secretary in accordance with the Administrative Procedure Act, 5 U.S.C. 701 *et seq.*

§ 10.2 Definitions.

For purposes of this part:

Administrative Review Board (ARB or Board) means the Administrative Review Board, U.S. Department of Labor.

Administrator means the Administrator of the Wage and Hour Division and includes any official of the Wage and Hour Division authorized to perform any of the functions of the Administrator under this part.

Concessions contract or *contract for concessions* means a contract under which the Federal Government grants a right to use Federal property, including land or facilities, for furnishing services. The term *concessions contract* includes but is not limited to a contract the principal purpose of which is to furnish food, lodging, automobile fuel, souvenirs, newspaper stands, and/or recreational equipment, regardless of whether the services are of direct benefit to the Government, its personnel, or the general public.

Contract or *contract-like instrument* means an agreement between two or more parties creating obligations that are enforceable or otherwise recognizable at law. This definition includes, but is not limited to, a mutually binding legal relationship obligating one party to furnish services (including construction) and another party to pay for them. The term *contract* includes all contracts and any subcontracts of any tier thereunder, whether negotiated or advertised, including any procurement actions, lease agreements, cooperative agreements, provider agreements, intergovernmental service agreements, service agreements, licenses, permits, or any other type of agreement, regardless of nomenclature, type, or particular form, and whether entered into verbally or in writing. The term *contract* shall be interpreted broadly as to include, but not be limited to, any contract that may be consistent with the definition provided in the Federal Acquisition Regulation (FAR) or applicable Federal statutes. This definition includes, but is not limited to, any contract that may be covered under any Federal procurement statute. Contracts may be the result of competitive bidding or awarded to a single source under applicable authority to do so. In addition to bilateral instruments, contracts include, but are not limited to, awards and notices of awards; job orders or task letters issued under basic ordering agreements; letter contracts; orders, such as purchase orders, under which the contract becomes effective by written acceptance or performance; and bilateral contract modifications. It does not apply to the unilateral exercise of a pre-negotiated option to renew an existing contract by the Federal Government. For purposes of the Executive Order, a contract that is entered into prior to January 1, 2015 will constitute a *new contract* if, through bilateral negotiation, on or after January 1, 2015:

This exclusion is inapplicable to covered workers performing on covered contracts, *i.e.*, those workers directly engaged in performing the specific work called for by the contract.

(g) *Contracts in connection with seasonal recreational services and seasonal recreational equipment rental offered for public use on Federal lands.* This part shall not apply to contracts or contract-like instruments entered into with the Federal Government in connection with seasonal recreational services or seasonal recreational equipment rental for the general public on Federal lands, but this exemption shall not apply to lodging and food services associated with seasonal recreational services. Seasonal recreational services include river running, hunting, fishing, horseback riding, camping, mountain-

eering activities, recreational ski services, and youth camps.

§ 10.5 Minimum wage for Federal contractors and subcontractors.

(a) *General.* Pursuant to Executive Order 13658, the minimum hourly wage rate required to be paid to workers performing on or in connection with covered contracts with the Federal Government is at least:

(1) \$10.10 per hour beginning January 1, 2015; and

(2) Beginning January 1, 2016, and annually thereafter, an amount determined by the Secretary pursuant to section 2 of Executive Order 13658. In accordance with section 2 of the Order, the Secretary will determine the applicable minimum wage rate to be paid to workers on covered contracts on an annual basis beginning at least 90 days before any new minimum wage is to take effect.

(b) *Method for determining the applicable Executive Order minimum wage for workers.* The minimum wage to be paid to workers, including workers whose wages are calculated pursuant to special certificates issued under 29 U.S.C. 214(c), in the performance of a covered contract shall be at least:

(1) \$10.10 per hour beginning January 1, 2015; and

(2) An amount determined by the Secretary, beginning January 1, 2016, and annually thereafter. The applicable minimum wage determined for each calendar year by the Secretary shall be:

(i) Not less than the amount in effect on the date of such determination;

(ii) Increased from such amount by the annual percentage increase in the Consumer Price Index for Urban Wage Earners and Clerical Workers (United States city average, all items, not seasonally adjusted), or its successor publication, as determined by the Bureau of Labor Statistics; and

(iii) Rounded to the nearest multiple of \$0.05. In calculating the annual percentage increase in the Consumer Price Index for purposes of this section, the Secretary shall compare such Consumer Price Index for the most recent

year available with the Consumer Price Index for the preceding year.

(c) *Relation to other laws.* Nothing in the Executive Order or this part shall excuse noncompliance with any applicable Federal or State prevailing wage law or any applicable law or municipal ordinance establishing a minimum wage higher than the minimum wage established under the Executive Order and this part.

§ 10.6 Antiretaliation.

It shall be unlawful for any person to discharge or in any other manner discriminate against any worker because such worker has filed any complaint or instituted or caused to be instituted any proceeding under or related to Executive Order 13658 or this part, or has testified or is about to testify in any such proceeding.

§ 10.7 Waiver of rights.

Workers cannot waive, nor may contractors induce workers to waive, their rights under Executive Order 13658 or this part.

Subpart B—Federal Government Requirements

§ 10.11 Contracting agency requirements.

(a) *Contract clause.* The contracting agency shall include the Executive Order minimum wage contract clause set forth in appendix A of this part in all covered contracts and solicitations for such contracts, as described in § 10.3, except for procurement contracts subject to the FAR. The required contract clause directs, as a condition of payment, that all workers performing work on or in connection with covered contracts must be paid the applicable, currently effective minimum wage under Executive Order 13658 and § 10.5. For procurement contracts subject to the FAR, contracting agencies must use the clause set forth in the FAR developed to implement this rule. Such clause will accomplish the same purposes as the clause set forth in Appendix A and be consistent with the requirements set forth in this rule.

(b) *Failure to include the contract clause.* Where the Department or the contracting agency discovers or deter-

mines, whether before or subsequent to a contract award, that a contracting agency made an erroneous determination that Executive Order 13658 or this part did not apply to a particular contract and/or failed to include the applicable contract clause in a contract to which the Executive Order applies, the contracting agency, on its own initiative or within 15 calendar days of notification by an authorized representative of the Department of Labor, shall incorporate the contract clause in the contract retroactive to commencement of performance under the contract through the exercise of any and all authority that may be needed (including, where necessary, its authority to negotiate or amend, its authority to pay any necessary additional costs, and its authority under any contract provision authorizing changes, cancellation and termination).

(c) *Withholding.* A contracting officer shall upon his or her own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the prime contractor under the covered contract or any other Federal contract with the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay workers the full amount of wages required by the Executive Order. In the event of failure to pay any covered workers all or part of the wages due under Executive Order 13658, the agency may, after authorization or by direction of the Department of Labor and written notification to the contractor, take action to cause suspension of any further payment or advance of funds until such violations have ceased. Additionally, any failure to comply with the requirements of Executive Order 13658 may be grounds for termination of the right to proceed with the contract work. In such event, the contracting agency may enter into other contracts or arrangements for completion of the work, charging the contractor in default with any additional cost.

(d) *Actions on complaints—(1) Reporting—(i) Reporting time frame.* The contracting agency shall forward all information listed in paragraph (d)(1)(ii) of

§ 10.12

this section to the Branch of Government Contracts Enforcement, Wage and Hour Division, U.S. Department of Labor, Washington, DC 20210 within 14 calendar days of receipt of a complaint alleging contractor noncompliance with the Executive Order or this part or within 14 calendar days of being contacted by the Wage and Hour Division regarding any such complaint.

(ii) *Report contents.* The contracting agency shall forward to the Branch of Government Contracts Enforcement, Wage and Hour Division, U.S. Department of Labor, Washington, DC 20210 any:

(A) Complaint of contractor non-compliance with Executive Order 13658 or this part;

(B) Available statements by the worker, contractor, or any other person regarding the alleged violation;

(C) Evidence that the Executive Order minimum wage contract clause was included in the contract;

(D) Information concerning known settlement negotiations between the parties, if applicable; and

(E) Any other relevant facts known to the contracting agency or other information requested by the Wage and Hour Division.

(2) [Reserved]

§ 10.12 Department of Labor requirements.

(a) *In general.* The Executive Order minimum wage applicable from January 1, 2015 through December 31, 2015 is \$10.10 per hour. The Secretary will determine the applicable minimum wage rate to be paid to workers performing work on or in connection with covered contracts on an annual basis, beginning January 1, 2016.

(b) *Method for determining the applicable Executive Order minimum wage.* The Secretary will determine the applicable minimum wage under the Executive Order, beginning January 1, 2016, by using the methodology set forth in § 10.5(b).

(c) *Notice.* (1) The Administrator will notify the public of the applicable minimum wage rate to be paid to workers performing work on or in connection with covered contracts on an annual basis at least 90 days before any new minimum wage is to take effect.

29 CFR Subtitle A (7–1–21 Edition)

(2) *Method of notification*—(i) FEDERAL REGISTER. The Administrator will publish a notice in the FEDERAL REGISTER stating the applicable minimum wage rate to be paid to workers performing work on or in connection with covered contracts on an annual basis at least 90 days before any new minimum wage is to take effect.

(ii) *Wage Determinations OnLine Web site.* The Administrator will publish and maintain on Wage Determinations OnLine (WDOL), <http://www.wdol.gov>, or any successor site, the applicable minimum wage rate to be paid to workers performing work on or in connection with covered contracts.

(iii) *Wage Determinations.* The Administrator will publish a prominent general notice on all wage determinations issued under the Davis-Bacon Act and the Service Contract Act stating the Executive Order minimum wage and that the Executive Order minimum wage applies to all workers performing on or in connection with such contracts whose wages are governed by the Fair Labor Standards Act, the Davis-Bacon Act, and the Service Contract Act. The Administrator will update this general notice on all such wage determinations annually.

(iv) *Other means as appropriate.* The Administrator may publish the applicable minimum wage rate to be paid to workers performing work on or in connection with covered contracts on an annual basis at least 90 days before any such new minimum wage is to take effect in any other media that the Administrator deems appropriate.

(d) *Notification to a contractor of the withholding of funds.* If the Administrator requests that a contracting agency withhold funds from a contractor pursuant to § 10.11(c), the Administrator and/or contracting agency shall notify the affected prime contractor of the Administrator's withholding request to the contracting agency.

Subpart C—Contractor Requirements

§ 10.21 Contract clause.

(a) *Contract clause.* The contractor, as a condition of payment, shall abide by the terms of the applicable Executive

Office of the Secretary of Labor

§ 10.24

Order minimum wage contract clause referred to in §10.11(a).

(b) The contractor and any subcontractors shall include in any covered subcontracts the Executive Order minimum wage contract clause referred to in §10.11(a) and shall require, as a condition of payment, that the subcontractor include the minimum wage contract clause in any lower-tier subcontracts. The prime contractor and any upper-tier contractor shall be responsible for the compliance by any subcontractor or lower-tier subcontractor with the Executive Order minimum wage requirements, whether or not the contract clause was included in the subcontract.

§ 10.22 Rate of pay.

(a) *General.* The contractor must pay each worker performing work on or in connection with a covered contract no less than the applicable Executive Order minimum wage for all hours worked on or in connection with the covered contract, unless such worker is exempt under §10.4 of this part. In determining whether a worker is performing within the scope of a covered contract, all workers who, on or after the date of award, are engaged in working on or in connection with the contract, either in performing the specific services called for by its terms or in performing other duties necessary to the performance of the contract, are thus subject to the Executive Order and this part unless a specific exemption is applicable. Nothing in the Executive Order or these regulations shall excuse noncompliance with any applicable Federal or State prevailing wage law or any applicable law or municipal ordinance establishing a minimum wage higher than the minimum wage established under Executive Order 13658.

(b) *Workers who receive fringe benefits.* The contractor may not discharge any part of its minimum wage obligation under the Executive Order by furnishing fringe benefits or, with respect to workers whose wages are governed by the Service Contract Act, the cash equivalent thereof.

(c) *Tipped employees.* The contractor may satisfy the wage payment obligation to a tipped employee under the

Executive Order through a combination of an hourly cash wage and a credit based on tips received by such employee pursuant to the provisions in §10.28.

§ 10.23 Deductions.

The contractor may make deductions that reduce a worker's wages below the Executive Order minimum wage rate only if such deduction qualifies as a:

(a) Deduction required by Federal, State, or local law, such as Federal or State withholding of income taxes;

(b) Deduction for payments made to third parties pursuant to court order;

(c) Deduction directed by a voluntary assignment of the worker or his or her authorized representative; or

(d) Deduction for the reasonable cost or fair value, as determined by the Administrator, of furnishing such worker with "board, lodging, or other facilities," as defined in 29 U.S.C. 203(m) and part 531 of this title.

§ 10.24 Overtime payments.

(a) *General.* The Fair Labor Standards Act and the Contract Work Hours and Safety Standards Act require overtime payment of not less than one and one-half times the regular rate of pay or basic rate of pay for all hours worked over 40 hours in a workweek to covered workers. The regular rate of pay under the Fair Labor Standards Act is generally determined by dividing the worker's total earnings in any workweek by the total number of hours actually worked by the worker in that workweek for which such compensation was paid.

(b) *Tipped employees.* When overtime is worked by tipped employees who are entitled to overtime pay under the Fair Labor Standards Act and/or the Contract Work Hours and Safety Standards Act, the employees' regular rate of pay includes both the cash wages paid by the employer (*see* §§10.22(a) and 10.28(a)(1)) and the amount of any tip credit taken (*see* §10.28(a)(2)). (*See* part 778 of this title for a detailed discussion of overtime compensation under the Fair Labor Standards Act.) Any tips received by the employee in excess of the tip credit are not included in the regular rate.

§ 10.25

§ 10.25 Frequency of pay.

Wage payments to workers shall be made no later than one pay period following the end of the regular pay period in which such wages were earned or accrued. A pay period under Executive Order 13658 may not be of any duration longer than semi-monthly.

§ 10.26 Records to be kept by contractors.

(a) The contractor and each subcontractor performing work subject to Executive Order 13658 shall make and maintain, for three years, records containing the information specified in paragraphs (a)(1) through (6) of this section for each worker and shall make them available for inspection and transcription by authorized representatives of the Wage and Hour Division of the U.S. Department of Labor:

- (1) Name, address, and social security number of each worker;
- (2) The worker's occupation(s) or classification(s);
- (3) The rate or rates of wages paid;
- (4) The number of daily and weekly hours worked by each worker;
- (5) Any deductions made; and
- (6) The total wages paid.

(b) The contractor shall permit authorized representatives of the Wage and Hour Division to conduct interviews with workers at the worksite during normal working hours.

(c) Nothing in this part limits or otherwise modifies the contractor's recordkeeping obligations, if any, under the Davis-Bacon Act, the Service Contract Act, or the Fair Labor Standards Act, or their implementing regulations.

§ 10.27 Anti-kickback.

All wages paid to workers performing on or in connection with covered contracts must be paid free and clear and without subsequent deduction (except as set forth in §10.23), rebate, or kickback on any account. Kickbacks directly or indirectly to the employer or to another person for the employer's benefit for the whole or part of the wage are prohibited.

§ 10.28 Tipped employees.

(a) *Payment of wages to tipped employees.* With respect to workers who are

29 CFR Subtitle A (7-1-21 Edition)

tipped employees as defined in §10.2 and this section, the amount of wages paid to such employee by the employer's employer shall be equal to:

- (1) An hourly cash wage of at least:
 - (i) \$4.90 an hour beginning on January 1, 2015;
 - (ii) For each succeeding 1-year period until the hourly cash wage equals 70 percent of the wage in effect under section 2 of the Executive Order, the hourly cash wage applicable in the prior year, increased by the lesser of \$0.95 or the amount necessary for the hourly cash wage to equal 70 percent of the wage in effect under section 2 of the Executive Order;
 - (iii) For each subsequent year, 70 percent of the wage in effect under section 2 of the Executive Order for such year rounded to the nearest multiple of \$0.05; and

(2) An additional amount on account of the tips received by such employee (tip credit) which amount is equal to the difference between the hourly cash wage in paragraph (a)(1) of this section and the wage in effect under section 2 of the Executive Order. Where tipped employees do not receive a sufficient amount of tips in the workweek to equal the amount of the tip credit, the employer must increase the cash wage paid for the workweek under paragraph (a)(1) of this section so that the amount of the cash wage paid and the tips received by the employee equal the minimum wage under section 2 of the Executive Order.

(3) An employer may pay a higher cash wage than required by paragraph (a)(1) of this section and take a lower tip credit but may not pay a lower cash wage than required by paragraph (a)(1) of this section and take a greater tip credit. In order for the employer to claim a tip credit, the employer must demonstrate that the worker received at least the amount of the credit claimed in actual tips. If the worker received less than the claimed tip credit amount in tips during the workweek, the employer is required to pay the balance on the regular payday so that the worker receives the wage in effect under section 2 of the Executive Order with the defined combination of wages and tips.

(4) If the wage required to be paid under the Service Contract Act, 41 U.S.C. 6701 *et seq.*, or any other applicable law or regulation is higher than the wage required by section 2 of the Executive Order, the employer shall pay additional cash wages equal to the difference between the wage in effect under section 2 of the Executive Order and the highest wage required to be paid.

(b) *Tipped employees.* (1) As provided in §10.2, a covered worker employed in an occupation in which he or she receives tips is a "tipped employee" when he or she customarily and regularly receives more than \$30 a month in tips. Only tips actually retained by the employee after any tip pooling may be counted in determining whether the person is a "tipped employee" and in applying the provisions of section 3 of the Executive Order. An employee may be a "tipped employee" regardless of whether the employee is employed full time or part time so long as the employee customarily and regularly receives more than \$30 a month in tips. An employee who does not receive more than \$30 a month in tips customarily and regularly is not a tipped employee for purposes of the Executive Order and must receive the full minimum wage in section 2 of the Executive Order without any credit for tips received under the provisions of section 3.

(2) *Dual jobs.* In some situations an employee is employed in a tipped occupation and a non-tipped occupation (dual jobs), as for example, where a maintenance person in a hotel also works as a server. In such a situation if the employee customarily and regularly receives at least \$30 a month in tips for the work as a server, the employee is a tipped employee only when working as a server. The tip credit can only be taken for the hours spent in the tipped occupation and no tip credit can be taken for the hours of employment in the non-tipped occupation. Such a situation is distinguishable from that of a tipped employee performing incidental duties that are related to the tipped occupation but that are not directed toward producing tips, for example when a server spends part of his or her time cleaning and setting

tables, toasting bread, making coffee and occasionally washing dishes or glasses. Related duties may not comprise more than 20 percent of the hours worked in the tipped occupation in a workweek.

(c) *Characteristics of tips.* A tip is a sum presented by a customer as a gift or gratuity in recognition of some service performed for the customer. It is to be distinguished from payment of a fixed charge, if any, made for the service. Whether a tip is to be given, and its amount, are matters determined solely by the customer. Customers may present cash tips directly to the employee or may designate a tip amount to be added to their bill when paying with a credit card or by other electronic means. Special gifts in forms other than money or its equivalent such as theater tickets, passes, or merchandise, are not counted as tips received by the employee for purposes of determining wages paid under the Executive order.

(d) *Service charges.* (1) A compulsory charge for service, such as 15 percent of the amount of the bill, imposed on a customer by an employer's establishment, is not a tip and, even if distributed by the employer to its workers, cannot be counted as a tip for purposes of determining if the worker is a tipped employee. Similarly, where negotiations between a hotel and a customer for banquet facilities include amounts for distribution to workers of the hotel, the amounts so distributed are not tips.

(2) As stated above, service charges and other similar sums are considered to be part of the employer's gross receipts and are not tips for the purposes of the Executive Order. Where such sums are distributed by the employer to its workers, however, they may be used in their entirety to satisfy the wage payment requirements of the Executive Order.

(e) *Tip pooling.* Where tipped employees share tips through a tip pool, only the amounts retained by the tipped employees after any redistribution through a tip pool are considered tips in applying the provisions of FLSA section 3(t) and the wage payment provisions of section 3 of the Executive

§ 10.28, Nt.

29 CFR Subtitle A (7-1-21 Edition)

order. There is no maximum contribution percentage on mandatory tip pools. However, an employer must notify its employees of any required tip pool contribution amount, may only take a tip credit for the amount of tips each employee ultimately receives, and may not retain any of the employees' tips for any other purpose.

(f) *Notice.* An employer is not eligible to take the tip credit unless it has informed its tipped employees in advance of the employer's use of the tip credit. The employer must inform the tipped employee of the amount of the cash wage that is to be paid by the employer, which cannot be lower than the cash wage required by paragraph (a)(1) of this section; the additional amount by which the wages of the tipped employee will be considered increased on account of the tip credit claimed by the employer, which amount may not exceed the value of the tips actually received by the employee; that all tips received by the tipped employee must be retained by the employee except for a tip pooling arrangement; and that the tip credit shall not apply to any worker who has not been informed of the requirements in this section.

[79 FR 60721, Oct. 7, 2014, as amended at 85 FR 86788, Dec. 30, 2020]

EFFECTIVE DATE NOTE: At 85 FR 86788, Dec. 30, 2020, § 10.28 was amended by revising paragraphs (b)(2), (c), (e), and (f), effective Mar. 1, 2021. At 86 FR 11632, Feb. 26, 2021, this effective date was delayed until Apr. 30, 2021. At 86 FR 22597, Apr. 29, 2021, the amendment to paragraph 10.28(b)(2) was further delayed until Dec. 31, 2021. For the convenience of the user, the revised text is set forth as follows:

§ 10.28 Tipped employees.

* * * * *

(b) * * *

(2)(i) In some situations an employee is employed in a dual job, as, for example, where a maintenance person in a hotel also works as a server. In such a situation the employee, if he or she customarily and regularly receives more than \$30 a month in tips for his or her work as a server, is a tipped employee only with respect to his or her employment as a server. The employee is employed in two occupations, and no tip credit can be taken for his or her hours of employment in the occupation of maintenance person.

(ii) Such a situation is distinguishable from that of an employee who spends time performing duties that are related to his or her tip-producing occupation but not themselves directed toward producing tips. For example, a server may spend part of his or her time cleaning and setting tables, toasting bread, making coffee, and occasionally washing dishes or glasses. Likewise, a counter attendant may also prepare his or her own short orders or may, as part of a group of counter attendants, take a turn as a short order cook for the group. An employer may take a tip credit for any hours that an employee performs related, non-tipped duties contemporaneously with his or her tipped duties, or for a reasonable time immediately before or after performing the tipped duties.

(iii) In addition to the examples described in paragraph (b)(2)(ii) of this section, a non-tipped duty is presumed to be related to a tip-producing occupation if the duty is listed as a task in the description of the tip-producing occupation in the Occupational Information Network (O*NET) at www.onetonline.org. Occupations not listed in O*NET may qualify as tipped occupations. For those occupations, duties usually and customarily performed by employees are presumed to be related duties as long as they are included in the list of duties performed in similar O*NET occupations.

§ 10.29 Notice.

(a) The contractor must notify all workers performing work on or in connection with a covered contract of the applicable minimum wage rate under the Executive Order. With respect to service employees on contracts covered by the Service Contract Act and laborers and mechanics on contracts covered by the Davis-Bacon Act, the contractor may meet this requirement by posting, in a prominent and accessible place at the worksite, the applicable wage determination under those statutes.

(b) With respect to workers performing work on or in connection with a covered contract whose wages are governed by the FLSA, the contractor must post a notice provided by the Department of Labor in a prominent and accessible place at the worksite so it may be readily seen by workers.

(c) Contractors that customarily post notices to workers electronically may post the notice electronically, provided such electronic posting is displayed prominently on any Web site that is

maintained by the contractor, whether external or internal, and customarily used for notices to workers about terms and conditions of employment.

Subpart D—Enforcement

§ 10.41 Complaints.

(a) Any worker, contractor, labor organization, trade organization, contracting agency, or other person or entity that believes a violation of the Executive Order or this part has occurred may file a complaint with any office of the Wage and Hour Division. No particular form of complaint is required. A complaint may be filed orally or in writing. If the complainant is unable to file the complaint in English, the Wage and Hour Division will accept the complaint in any language.

(b) It is the policy of the Department of Labor to protect the identity of its confidential sources and to prevent an unwarranted invasion of personal privacy. Accordingly, the identity of any individual who makes a written or oral statement as a complaint or in the course of an investigation, as well as portions of the statement which would reveal the individual's identity, shall not be disclosed in any manner to anyone other than Federal officials without the prior consent of the individual. Disclosure of such statements shall be governed by the provisions of the Freedom of Information Act (5 U.S.C. 552, see 29 CFR part 70) and the Privacy Act of 1974 (5 U.S.C. 552a).

§ 10.42 Wage and Hour Division conciliation.

After receipt of a complaint, the Administrator may seek to resolve the matter through conciliation.

§ 10.43 Wage and Hour Division investigation.

The Administrator may investigate possible violations of the Executive Order or this part either as the result of a complaint or at any time on his or her own initiative. As part of the investigation, the Administrator may conduct interviews with the relevant contractor, as well as the contractor's workers at the worksite during normal work hours; inspect the relevant contractor's records (including contract

documents and payrolls, if applicable); make copies and transcriptions of such records; and require the production of any documentary or other evidence the Administrator deems necessary to determine whether a violation, including conduct warranting imposition of debarment, has occurred. Federal agencies and contractors shall cooperate with any authorized representative of the Department of Labor in the inspection of records, in interviews with workers, and in all aspects of investigations.

§ 10.44 Remedies and sanctions.

(a) *Unpaid wages.* When the Administrator determines a contractor has failed to pay the applicable Executive Order minimum wage to workers, the Administrator will notify the contractor and the applicable contracting agency of the unpaid wage violation and request the contractor to remedy the violation. If the contractor does not remedy the violation of the Executive Order or this part, the Administrator shall direct the contractor to pay all unpaid wages to the affected workers in the investigative findings letter it issues pursuant to § 10.51. The Administrator may additionally direct that payments due on the contract or any other contract between the contractor and the Government be withheld as necessary to pay unpaid wages. Upon the final order of the Secretary that unpaid wages are due, the Administrator may direct the relevant contracting agency to transfer the withheld funds to the Department of Labor for disbursement.

(b) *Antiretaliation.* When the Administrator determines that any person has discharged or in any other manner retaliated against any worker because such worker filed any complaint or instituted or caused to be instituted any proceeding under or related to the Executive Order or this part, or because such worker testified or is about to testify in any such proceeding, the Administrator may provide for any relief to the worker as may be appropriate, including employment, reinstatement, promotion, and the payment of lost wages.

(c) *Debarment.* Whenever a contractor is found by the Secretary of Labor to

§ 10.51

have disregarded its obligations under the Executive Order, or this part, such contractor and its responsible officers, and any firm, corporation, partnership, or association in which the contractor or responsible officers have an interest, shall be ineligible to be awarded any contract or subcontract subject to the Executive Order for a period of up to three years from the date of publication of the name of the contractor or responsible officer on the ineligible list. Neither an order for debarment of any contractor or its responsible officers from further Government contracts nor the inclusion of a contractor or its responsible officers on a published list of noncomplying contractors under this section shall be carried out without affording the contractor or responsible officers an opportunity for a hearing before an Administrative Law Judge.

(d) *Civil action to recover greater underpayments than those withheld.* If the payments withheld under §10.11(c) are insufficient to reimburse all workers' lost wages, or if there are no payments to withhold, the Department of Labor, following a final order of the Secretary, may bring action against the contractor in any court of competent jurisdiction to recover the remaining amount of underpayments. The Department of Labor shall, to the extent possible, pay any sums it recovers in this manner directly to the underpaid workers. Any sum not paid to a worker because of inability to do so within three years shall be transferred into the Treasury of the United States as miscellaneous receipts.

(e) *Retroactive inclusion of contract clause.* If a contracting agency fails to include the applicable contract clause in a contract to which the Executive Order applies, the contracting agency, on its own initiative or within 15 calendar days of notification by an authorized representative of the Department of Labor, shall incorporate the contract clause in the contract retroactive to commencement of performance under the contract through the exercise of any and all authority that may be needed (including, where necessary, its authority to negotiate or amend, its authority to pay any necessary additional costs, and its author-

29 CFR Subtitle A (7-1-21 Edition)

ity under any contract provision authorizing changes, cancellation and termination).

Subpart E—Administrative Proceedings

§ 10.51 Disputes concerning contractor compliance.

(a) This section sets forth the procedure for resolution of disputes of fact or law concerning a contractor's compliance with subpart C of this part. The procedures in this section may be initiated upon the Administrator's own motion or upon request of the contractor.

(b)(1) In the event of a dispute described in paragraph (a) of this section in which it appears that relevant facts are at issue, the Administrator will notify the affected contractor(s) and the prime contractor (if different) of the investigative findings by certified mail to the last known address.

(2) A contractor desiring a hearing concerning the Administrator's investigative findings letter shall request such a hearing by letter postmarked within 30 calendar days of the date of the Administrator's letter. The request shall set forth those findings which are in dispute with respect to the violations and/or debarment, as appropriate, and explain how the findings are in dispute, including by making reference to any affirmative defenses.

(3) Upon receipt of a timely request for a hearing, the Administrator shall refer the case to the Chief Administrative Law Judge by Order of Reference, to which shall be attached a copy of the investigative findings letter from the Administrator and response thereto, for designation to an Administrative Law Judge to conduct such hearings as may be necessary to resolve the disputed matters. The hearing shall be conducted in accordance with the procedures set forth in 29 CFR part 6.

(c)(1) In the event of a dispute described in paragraph (a) of this section in which it appears that there are no relevant facts at issue, and where there is not at that time reasonable cause to institute debarment proceedings under §10.52, the Administrator shall notify the contractor(s) of the investigation findings by certified mail to the last known address, and shall issue a ruling

in the investigative findings letter on any issues of law known to be in dispute.

(2)(i) If the contractor disagrees with the factual findings of the Administrator or believes that there are relevant facts in dispute, the contractor shall so advise the Administrator by letter postmarked within 30 calendar days of the date of the Administrator's letter. In the response, the contractor shall explain in detail the facts alleged to be in dispute and attach any supporting documentation.

(ii) Upon receipt of a timely response under paragraph (c)(2)(i) of this section alleging the existence of a factual dispute, the Administrator shall examine the information submitted. If the Administrator determines that there is a relevant issue of fact, the Administrator shall refer the case to the Chief Administrative Law Judge in accordance with paragraph (b)(3) of this section. If the Administrator determines that there is no relevant issue of fact, the Administrator shall so rule and advise the contractor accordingly.

(3) If the contractor desires review of the ruling issued by the Administrator under paragraph (c)(1) or (c)(2)(ii) of this section, the contractor shall file a petition for review thereof with the Administrative Review Board postmarked within 30 calendar days of the date of the ruling, with a copy thereof to the Administrator. The petition for review shall be filed in accordance with the procedures set forth in 29 CFR part 7.

(d) If a timely response to the Administrator's investigative findings letter is not made or a timely petition for review is not filed, the Administrator's investigative findings letter shall become the final order of the Secretary. If a timely response or petition for review is filed, the Administrator's letter shall be inoperative unless and until the decision is upheld by the Administrative Law Judge or the Administrative Review Board, or otherwise becomes a final order of the Secretary.

§ 10.52 Debarment proceedings.

(a) Whenever any contractor is found by the Secretary of Labor to have disregarded its obligations to workers or subcontractors under Executive Order 13658 or this part, such contractor and

its responsible officers, and any firm, corporation, partnership, or association in which such contractor or responsible officers have an interest, shall be ineligible for a period of up to three years to receive any contracts or subcontracts subject to Executive Order 13658 from the date of publication of the name or names of the contractor or persons on the ineligible list.

(b)(1) Whenever the Administrator finds reasonable cause to believe that a contractor has committed a violation of Executive Order 13658 or this part which constitutes a disregard of its obligations to workers or subcontractors, the Administrator shall notify by certified mail to the last known address, the contractor and its responsible officers (and any firms, corporations, partnerships, or associations in which the contractor or responsible officers are known to have an interest), of the finding. The Administrator shall afford such contractor and any other parties notified an opportunity for a hearing as to whether debarment action should be taken under Executive Order 13658 or this part. The Administrator shall furnish to those notified a summary of the investigative findings. If the contractor or any other parties notified wish to request a hearing as to whether debarment action should be taken, such a request shall be made by letter to the Administrator postmarked within 30 calendar days of the date of the investigative findings letter from the Administrator, and shall set forth any findings which are in dispute and the reasons therefor, including any affirmative defenses to be raised. Upon receipt of such timely request for a hearing, the Administrator shall refer the case to the Chief Administrative Law Judge by Order of Reference, to which shall be attached a copy of the investigative findings letter from the Administrator and the response thereto, for designation of an Administrative Law Judge to conduct such hearings as may be necessary to determine the matters in dispute.

(2) Hearings under this section shall be conducted in accordance with the procedures set forth in 29 CFR part 6. If

§ 10.53

no hearing is requested within 30 calendar days of the letter from the Administrator, the Administrator's findings shall become the final order of the Secretary.

§ 10.53 Referral to Chief Administrative Law Judge; amendment of pleadings.

(a) Upon receipt of a timely request for a hearing under §10.51 (where the Administrator has determined that relevant facts are in dispute) or §10.52 (debarment), the Administrator shall refer the case to the Chief Administrative Law Judge by Order of Reference, to which shall be attached a copy of the investigative findings letter from the Administrator and response thereto, for designation of an Administrative Law Judge to conduct such hearings as may be necessary to decide the disputed matters. A copy of the Order of Reference and attachments thereto shall be served upon the respondent. The investigative findings letter from the Administrator and response thereto shall be given the effect of a complaint and answer, respectively, for purposes of the administrative proceedings.

(b) At any time prior to the closing of the hearing record, the complaint (investigative findings letter) or answer (response) may be amended with the permission of the Administrative Law Judge and upon such terms as he/she may approve. For proceedings pursuant to §10.51, such an amendment may include a statement that debarment action is warranted under §10.52. Such amendments shall be allowed when justice and the presentation of the merits are served thereby, provided there is no prejudice to the objecting party's presentation on the merits. When issues not raised by the pleadings are reasonably within the scope of the original complaint and are tried by express or implied consent of the parties, they shall be treated in all respects as if they had been raised in the pleadings, and such amendments may be made as necessary to make them conform to the evidence. The presiding Administrative Law Judge may, upon reasonable notice and upon such terms as are just, permit supplemental pleadings setting forth transactions, occur-

29 CFR Subtitle A (7-1-21 Edition)

rences or events which have happened since the date of the pleadings and which are relevant to any of the issues involved. A continuance in the hearing may be granted or the record left open to enable the new allegations to be addressed.

§ 10.54 Consent findings and order.

(a) At any time prior to the receipt of evidence or, at the Administrative Law Judge's discretion prior to the issuance of the Administrative Law Judge's decision, the parties may enter into consent findings and an order disposing of the proceeding in whole or in part.

(b) Any agreement containing consent findings and an order disposing of a proceeding in whole or in part shall also provide:

(1) That the order shall have the same force and effect as an order made after full hearing;

(2) That the entire record on which any order may be based shall consist solely of the Administrator's findings letter and the agreement;

(3) A waiver of any further procedural steps before the Administrative Law Judge and the Administrative Review Board regarding those matters which are the subject of the agreement; and

(4) A waiver of any right to challenge or contest the validity of the findings and order entered into in accordance with the agreement.

(c) Within 30 calendar days after receipt of an agreement containing consent findings and an order disposing of the disputed matter in whole, the Administrative Law Judge shall, if satisfied with its form and substance, accept such agreement by issuing a decision based upon the agreed findings and order. If such agreement disposes of only a part of the disputed matter, a hearing shall be conducted on the matters remaining in dispute.

§ 10.55 Proceedings of the Administrative Law Judge.

(a) The Office of Administrative Law Judges has jurisdiction to hear and decide appeals concerning questions of law and fact from the Administrator's investigative findings letters issued under §§10.51 and 10.52. Any party may, when requesting an appeal or during

the pendency of a proceeding on appeal, timely move an Administrative Law Judge to consolidate a proceeding initiated hereunder with a proceeding initiated under the Service Contract Act or the Davis-Bacon Act.

(b) *Proposed findings of fact, conclusions, and order.* Within 20 calendar days of filing of the transcript of the testimony or such additional time as the Administrative Law Judge may allow, each party may file with the Administrative Law Judge proposed findings of fact, conclusions of law, and a proposed order, together with a supporting brief expressing the reasons for such proposals. Each party shall serve such proposals and brief on all other parties.

(c) *Decision.* (1) Within a reasonable period of time after the time allowed for filing of proposed findings of fact, conclusions of law, and order, or within 30 calendar days of receipt of an agreement containing consent findings and order disposing of the disputed matter in whole, the Administrative Law Judge shall issue a decision. The decision shall contain appropriate findings, conclusions, and an order, and be served upon all parties to the proceeding.

(2) If the respondent is found to have violated Executive Order 13658 or this part, and if the Administrator requested debarment, the Administrative Law Judge shall issue an order as to whether the respondent is to be subject to the ineligible list, including findings that the contractor disregarded its obligations to workers or subcontractors under the Executive Order or this part.

(d) *Limit on scope of review.* The Equal Access to Justice Act, as amended, does not apply to proceedings under this part. Accordingly, Administrative Law Judges shall have no authority to award attorney's fees and/or other litigation expenses pursuant to the provisions of the Equal Access to Justice Act for any proceeding under this part.

(e) *Orders.* If the Administrative Law Judge concludes a violation occurred, the final order shall mandate action to remedy the violation, including, but not limited to, monetary relief for unpaid wages. Where the Administrator has sought imposition of debarment, the Administrative Law Judge shall de-

termine whether an order imposing debarment is appropriate.

(f) *Finality.* The Administrative Law Judge's decision shall become the final order of the Secretary, unless a timely petition for review is filed with the Administrative Review Board.

§ 10.56 Petition for review.

(a) Within 30 calendar days after the date of the decision of the Administrative Law Judge (or such additional time as is granted by the Administrative Review Board), any party aggrieved thereby who desires review thereof shall file a petition for review of the decision with supporting reasons. Such party shall transmit the petition in writing to the Administrative Review Board with a copy thereof to the Chief Administrative Law Judge. The petition shall refer to the specific findings of fact, conclusions of law, or order at issue. A petition concerning the decision on debarment shall also state the disregard of obligations to workers and/or subcontractors, or lack thereof, as appropriate. A party must serve the petition for review, and all briefs, on all parties and the Chief Administrative Law Judge. It must also timely serve copies of the petition and all briefs on the Administrator, Wage and Hour Division, and on the Associate Solicitor, Division of Fair Labor Standards, Office of the Solicitor, U.S. Department of Labor, Washington, DC 20210.

(b) *Effect of filing.* If a party files a timely petition for review, the Administrative Law Judge's decision shall be inoperative unless and until the Administrative Review Board issues an order affirming the letter or decision, or the letter or decision otherwise becomes a final order of the Secretary. If a petition for review concerns only the imposition of debarment, however, the remainder of the decision shall be effective immediately. No judicial review shall be available unless a timely petition for review to the Administrative Review Board is first filed.

§ 10.57 Administrative Review Board proceedings.

(a) *Authority—(1) General.* The Administrative Review Board has jurisdiction

§ 10.58

to hear and decide in its discretion appeals concerning questions of law and fact from investigative findings letters of the Administrator issued under §10.51(c)(1) or (2), Administrator's rulings issued under §10.58, and decisions of Administrative Law Judges issued under §10.55.

(2) *Limit on scope of review.* (i) The Board shall not have jurisdiction to pass on the validity of any provision of this part. The Board is an appellate body and shall decide cases properly before it on the basis of substantial evidence contained in the entire record before it. The Board shall not receive new evidence into the record.

(ii) The Equal Access to Justice Act, as amended, does not apply to proceedings under this part. Accordingly, the Administrative Review Board shall have no authority to award attorney's fees and/or other litigation expenses pursuant to the provisions of the Equal Access to Justice Act for any proceeding under this part.

(b) *Decisions.* The Board's decision shall be issued within a reasonable period of time following receipt of the petition for review and shall be served upon all parties by mail to the last known address and on the Chief Administrative Law Judge (in cases involving an appeal from an Administrative Law Judge's decision).

(c) *Orders.* If the Board concludes a violation occurred, an order shall be issued mandating action to remedy the violation, including, but not limited to, monetary relief for unpaid wages. Where the Administrator has sought imposition of debarment, the Board shall determine whether an order imposing debarment is appropriate. The ARB's order is subject to discretionary review by the Secretary as provided in Secretary's Order 01-2020 (or any successor to that order).

[85 FR 30617, May 20, 2020]

sion, U.S. Department of Labor, Washington, DC 20210.

(b) Any interested party may appeal to the Administrative Review Board for review of a final ruling of the Administrator issued under paragraph (a) of this section. The petition for review shall be filed with the Administrative Review Board within 30 calendar days of the date of the ruling.

APPENDIX A TO 29 CFR PART 10— CONTRACT CLAUSE

The following clause shall be included by the contracting agency in every contract, contract-like instrument, and solicitation to which Executive Order 13658 applies, except for procurement contracts subject to the Federal Acquisition Regulation (FAR):

(a) *Executive Order 13658.* This contract is subject to Executive Order 13658, the regulations issued by the Secretary of Labor in 29 CFR part 10 pursuant to the Executive Order, and the following provisions.

(b) *Minimum Wages.* (1) Each worker (as defined in 29 CFR 10.2) engaged in the performance of this contract by the prime contractor or any subcontractor, regardless of any contractual relationship which may be alleged to exist between the contractor and worker, shall be paid not less than the applicable minimum wage under Executive Order 13658.

(2) The minimum wage required to be paid to each worker performing work on or in connection with this contract between January 1, 2015 and December 31, 2015 shall be \$10.10 per hour. The minimum wage shall be adjusted each time the Secretary of Labor's annual determination of the applicable minimum wage under section 2(a)(ii) of Executive Order 13658 results in a higher minimum wage. Adjustments to the Executive Order minimum wage under section 2(a)(ii) of Executive Order 13658 will be effective for all workers subject to the Executive Order beginning January 1 of the following year. If appropriate, the contracting officer, or other agency official overseeing this contract shall ensure the contractor is compensated only for the increase in labor costs resulting from the annual inflation increases in the Executive Order 13658 minimum wage beginning on January 1, 2016. The Secretary of Labor will publish annual determinations in the FEDERAL REGISTER no later than 90 days before such new wage is to take effect. The Secretary will also publish the applicable minimum wage on www.wdol.gov (or any successor Web site). The applicable published minimum wage is incorporated by reference into this contract.

(3) The contractor shall pay unconditionally to each worker all wages due free and

clear and without subsequent deduction (except as otherwise provided by 29 CFR 10.23), rebate, or kickback on any account. Such payments shall be made no later than one pay period following the end of the regular pay period in which such wages were earned or accrued. A pay period under this Executive Order may not be of any duration longer than semi-monthly.

(4) The prime contractor and any upper-tier subcontractor shall be responsible for the compliance by any subcontractor or lower-tier subcontractor with the Executive Order minimum wage requirements. In the event of any violation of the minimum wage obligation of this clause, the contractor and any subcontractor(s) responsible therefore shall be liable for the unpaid wages.

(5) If the commensurate wage rate paid to a worker on a covered contract whose wages are calculated pursuant to a special certificate issued under 29 U.S.C. 214(c), whether hourly or piece rate, is less than the Executive Order minimum wage, the contractor must pay the Executive Order minimum wage rate to achieve compliance with the Order. If the commensurate wage due under the certificate is greater than the Executive Order minimum wage, the contractor must pay the 14(c) worker the greater commensurate wage.

(c) *Withholding.* The agency head shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the prime contractor under this or any other Federal contract with the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay workers the full amount of wages required by Executive Order 13658.

(d) *Contract Suspension/Contract Termination/Contractor Debarment.* In the event of a failure to pay any worker all or part of the wages due under Executive Order 13658 or 29 CFR part 10, or a failure to comply with any other term or condition of Executive Order 13658 or 29 CFR part 10, the contracting agency may on its own action or after authorization or by direction of the Department of Labor and written notification to the contractor, take action to cause suspension of any further payment, advance or guarantee of funds until such violations have ceased. Additionally, any failure to comply with the requirements of this clause may be grounds for termination of the right to proceed with the contract work. In such event, the Government may enter into other contracts or arrangements for completion of the work, charging the contractor in default with any additional cost. A breach of the contract clause may be grounds for debarment as a contractor and subcontractor as provided in 29 CFR 10.52.

(e) The contractor may not discharge any part of its minimum wage obligation under Executive Order 13658 by furnishing fringe benefits or, with respect to workers whose wages are governed by the Service Contract Act, the cash equivalent thereof.

(f) Nothing herein shall relieve the contractor of any other obligation under Federal, State or local law, or under contract, for the payment of a higher wage to any worker, nor shall a lower prevailing wage under any such Federal, State, or local law, or under contract, entitle a contractor to pay less than \$10.10 (or the minimum wage as established each January thereafter) to any worker.

(g) *Payroll Records.* (1) The contractor shall make and maintain for three years records containing the information specified in paragraphs (g)(1) (i) through (vi) of this section for each worker and shall make the records available for inspection and transcription by authorized representatives of the Wage and Hour Division of the U.S. Department of Labor:

- (i) Name, address, and social security number.
- (ii) The worker's occupation(s) or classification(s)
- (iii) The rate or rates of wages paid.
- (iv) The number of daily and weekly hours worked by each worker.
- (v) Any deductions made; and
- (vi) Total wages paid.

(2) The contractor shall also make available a copy of the contract, as applicable, for inspection or transcription by authorized representatives of the Wage and Hour Division.

(3) Failure to make and maintain or to make available such records for inspection and transcription shall be a violation of 29 CFR part 10 and this contract, and in the case of failure to produce such records, the contracting officer, upon direction of an authorized representative of the Department of Labor, or under its own action, shall take such action as may be necessary to cause suspension of any further payment or advance of funds until such time as the violations are discontinued.

(4) The contractor shall permit authorized representatives of the Wage and Hour Division to conduct investigations, including interviewing workers at the worksite during normal working hours.

(5) Nothing in this clause limits or otherwise modifies the contractor's payroll and recordkeeping obligations, if any, under the Davis-Bacon Act, as amended, and its implementing regulations; the Service Contract Act, as amended, and its implementing regulations; the Fair Labor Standards Act, as amended, and its implementing regulations; or any other applicable law.

Pt. 11

29 CFR Subtitle A (7-1-21 Edition)

(h) The contractor (as defined in 29 CFR 10.2) shall insert this clause in all of its covered subcontracts and shall require its subcontractors to include this clause in any covered lower-tier subcontracts. The prime contractor and any upper-tier subcontractor shall be responsible for the compliance by any subcontractor or lower-tier subcontractor with this contract clause.

(i) *Certification of Eligibility.* (1) By entering into this contract, the contractor (and officials thereof) certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of the sanctions imposed pursuant to section 5 of the Service Contract Act, section 3(a) of the Davis-Bacon Act, or 29 CFR 5.12(a)(1).

(2) No part of this contract shall be subcontracted to any person or firm whose name appears on the list of persons or firms ineligible to receive Federal contracts.

(3) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001.

(j) *Tipped employees.* In paying wages to a tipped employee as defined in section 3(t) of the Fair Labor Standards Act, 29 U.S.C. 203(t), the contractor may take a partial credit against the wage payment obligation (tip credit) to the extent permitted under section 3(a) of Executive Order 13658. In order to take such a tip credit, the employee must receive an amount of tips at least equal to the amount of the credit taken; where the tipped employee does not receive sufficient tips to equal the amount of the tip credit the contractor must increase the cash wage paid for the workweek so that the amount of cash wage paid and the tips received by the employee equal the applicable minimum wage under Executive Order 13658. To utilize this proviso:

(1) The employer must inform the tipped employee in advance of the use of the tip credit;

(2) The employer must inform the tipped employee of the amount of cash wage that will be paid and the additional amount by which the employee's wages will be considered increased on account of the tip credit;

(3) The employees must be allowed to retain all tips (individually or through a pooling arrangement and regardless of whether the employer elects to take a credit for tips received); and

(4) The employer must be able to show by records that the tipped employee receives at least the applicable Executive Order minimum wage through the combination of direct wages and tip credit.

(k) *Antiretaliation.* It shall be unlawful for any person to discharge or in any other manner discriminate against any worker because such worker has filed any complaint or instituted or caused to be instituted any pro-

ceeding under or related to Executive Order 13658 or 29 CFR part 10, or has testified or is about to testify in any such proceeding.

(l) *Disputes concerning labor standards.* Disputes related to the application of Executive Order 13658 to this contract shall not be subject to the general disputes clause of the contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR part 10. Disputes within the meaning of this contract clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the workers or their representatives.

(m) *Notice.* The contractor must notify all workers performing work on or in connection with a covered contract of the applicable minimum wage rate under the Executive Order. With respect to service employees on contracts covered by the Service Contract Act and laborers and mechanics on contracts covered by the Davis-Bacon Act, the contractor may meet this requirement by posting, in a prominent and accessible place at the worksite, the applicable wage determination under those statutes. With respect to workers performing work on or in connection with a covered contract whose wages are governed by the FLSA, the contractor must post a notice provided by the Department of Labor in a prominent and accessible place at the worksite so it may be readily seen by workers. Contractors that customarily post notices to workers electronically may post the notice electronically provided such electronic posting is displayed prominently on any Web site that is maintained by the contractor, whether external or internal, and customarily used for notices to workers about terms and conditions of employment.

§ 11.3

AUTHORITY: NEPA, (42 U.S.C. 4321 *et seq.*), Executive Order 11514, Protection and Enhancement of Environmental Quality (March 5, 1970, as amended by Executive Order 11991, May 24, 1977) and Council on Environmental Quality Regulations (National Environmental Policy Act, Implementation of Procedural Provisions) 40 CFR parts 1500–1508 (43 FR 55978).

SOURCE: 45 FR 51188, Aug. 1, 1980, unless otherwise noted.

Subpart A—General Provisions

§ 11.1 Purpose and scope.

(a) The National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321 *et seq.*) directs that, “to the fullest extent possible, * * * the policies, regulations and public laws of the United States shall be interpreted and administered in accordance with the policies set forth” in the Act for the preservation of the environment. As a means for achieving this objective, Executive Order 11991 of May 24, 1977 (amending E.O. 11514 of March 5, 1970) directed the Council on Environmental Quality (CEQ) to issue uniform regulations for implementation of NEPA by all Federal agencies. These regulations were published in final form on November 29, 1978 (43 FR 55978) as 40 CFR parts 1500–1508. The CEQ’s NEPA regulations require that each Federal agency adopt implementing procedures to supplement their regulations (40 CFR 1507.3). Accordingly, the purpose of this part is to prescribe procedures to be followed by Department of Labor agencies when such agencies are contemplating actions which may be subject to the requirements of NEPA. These regulations do not replace 40 CFR parts 1500–1508; rather they are to be read together with, and as a supplement to, the CEQ’s regulations.

(b) It is the responsibility of each agency to comply with the policies set forth in NEPA to the fullest extent possible and consistent with its statutory authority. Each agency shall comply with all applicable requirements of this part except where compliance would be inconsistent with other statutory requirements. However, no trivial violation of, or noncompliance with, these procedures shall give rise to an independent cause of action (cf. 40 CFR 1500.3 and 1507.3(b)).

§ 11.2 Applicability.

Although all Department of Labor agencies are subject to NEPA, only three of its agencies routinely propose or consider actions which may require the preparation of environment assessments or environmental impact statements. These are the Occupational Safety and Health Administration (OSHA), which acts pursuant to the Occupational Safety and Health Act of 1970 (29 U.S.C. 651, *et seq.*); the Mine Safety and Health Administration (MSHA), which acts pursuant to the Federal Mine Safety and Health Act of 1977 (30 U.S.C. 801, *et seq.*); and the Office of Job Corps which purchases and leases land and constructs Job Corps centers pursuant to the Workforce Investment Act of 1998 (29 U.S.C. 2801, *et seq.*). Therefore, these procedures have been designed primarily with the duties and rulemaking processes of these agencies in mind. If and when other Department of Labor agencies propose actions requiring environmental impact analyses, they shall use these procedures, to the extent that they are applicable, in performing such analyses.

[45 FR 51188, Aug. 1, 1980, as amended at 72 FR 37098, July 9, 2007]

§ 11.3 Responsible agency officials.

(a) The Assistant Secretary for Policy shall be responsible for the following:

(1) Overall review of Department of Labor agency compliance with the requirements of NEPA, the CEQ’s regulations and these Departmental procedures;

(2) Maintaining contacts with CEQ and the Environmental Protection Agency (EPA) as the Departmental NEPA liaison; and

(3) Preparing and coordinating Departmental comments in response to environmental impact statements prepared by other Federal agencies which have been submitted to the Department for review, as required by 40 CFR 1503.2.

(b) Assistant Secretaries of Labor and other officials of equivalent rank or responsibility (hereinafter “agency heads”) shall be responsible for their agencies’ compliance with NEPA.

§ 11.10

(1) These responsibilities shall include the following:

(i) Assuring that the agencies under their control observe the requirements of 40 CFR 1507.2 on compliance capability;

(ii) Preparing environmental impact assessments and statements in accordance with the requirements of these regulations and 40 CFR parts 1501 and 1502, and advising private applicants, or other non-Federal entities, of the possible need for information foreseeably required for later Federal action pursuant to 40 CFR 1501.2(d);

(iii) Assuring public participation in the NEPA process in accordance with 40 CFR parts 1503 and 1506;

(iv) Commenting on environmental impact statements prepared by other agencies, when their agencies have jurisdiction by law or special expertise with respect to any environmental impacts connected with a proposed action, as required by 40 CFR part 1503;

(v) Assuring that environmental documents prepared by their agencies accompany proposed actions through existing agency review processes, and that, along with other relevant materials, and consistent with 40 CFR 1505.1(e), the full range of alternatives discussed in these documents are considered in the planning of agency actions and in the making of decisions and that the alternatives considered are encompassed by those discussed in the documents; and

(vi) Assuring, where possible, the mitigation of adverse environmental effects of agency actions.

(2) In accordance with 40 CFR 1506.5(c), agency heads will also be responsible for assuring the quality of environmental impact statements prepared by their agencies. Where environmental impact statements will be prepared by a contractor, the agency heads will assure that their agencies furnish guidance to the contractor, participate in the document's preparation, independently evaluate the statement prior to approval and take responsibility for the scope and contents.

(c) Agency heads may designate program offices or individuals as NEPA contacts for their agencies. The name and address of the NEPA contact shall be included on the cover sheet of each

29 CFR Subtitle A (7-1-21 Edition)

environmental document published by the agency, or if no cover sheet is provided, the name and address of this office or individual shall be included with any instructions to the public on obtaining further information or submitting comments on the document.

(1) It shall be the duty of an agency's NEPA contact to know the status of all environmental documents being prepared by the agency or in cooperation with another agency.

(2) The NEPA contact shall receive and respond to inquiries concerning the status of all environmental documents being prepared within the agency or in cooperation with another agency.

Subpart B—Administrative Procedures

§ 11.10 Identification of agency actions.

Pursuant to the CEQ definition of "major Federal action" (40 CFR 1508.18) and 40 CFR 1507.3(b)(2), the following paragraphs identify and classify Department of Labor actions which: normally will not require preparation of an environmental document (i.e. an environmental assessment or an environmental impact statement); or usually will require preparation of an environmental document.

(a) *OSHA/MSHA actions.* Actions of the Occupational Safety and Health Administration (OSHA) and the Mine Safety and Health Administration (MSHA) are classified as follows:

(1) *Categorically excluded actions.* OSHA/MSHA actions listed in the following Table will normally qualify for categorical exclusion from NEPA requirements: i.e., such actions do not require preparation of either an environmental assessment or an environmental impact statement, because they do not have a significant impact on the quality of the human environment. Classification as a categorical exclusion, however, does not prohibit OSHA or MSHA from preparing an environmental assessment or environmental impact statement on any of the following actions when OSHA or MSHA determines it to be appropriate. Also, in extraordinary circumstances where

a normally excluded action is found to have a potentially significant environmental effect, OSHA or MSHA shall prepare an environmental assessment and/or an environmental impact statement as required.

OSHA/MSHA CATEGORICAL EXCLUSIONS

Type of action	Reason for exclusion
(i) Promulgation, modification or revocation of any safety standard. Examples of these actions are: Machine guarding requirements, safety lines, warning signals, etc.	Safety standards promote injury avoidance by means of mechanical applications or work practices, the effects of which do not impact on air, water or soil quality, plant or animal life, the use of land or other aspects of the human environment.
(ii) Approval of petitions for variances from MSHA/ OSHA safety standards or OSHA health standards.	Variances are taken from existing standards. Thus environmental documents, as appropriate, will already have been prepared. In terms of worker health and safety, any variance must be at least as effective as the original standard.
(iii) Agency legislative requests for appropriations.	Exempted by 40 CFR 1508.17.
(iv) Recordkeeping and reporting requirements.	No possibility of significant environmental impact.
(v) Routine agency personnel actions.	Such actions typically involve small numbers of individuals and have no possibility of significant environmental impact.
(vi) Training of employers, employees, agency personnel and others in the recognition, avoidance or abatement of occupational hazards. Providing consultative services to industry.	These actions involve educational activities which have no possibility of significant environmental impact.
(vii) Enforcement proceedings	Exempted by 40 CFR 1508.18.
(viii) Equipment approvals	No possibility of significant environmental impact.
(ix) State grants under Sec. 503 of the Federal Mine Safety and Health Act.	These grants assist States in developing and implementing laws to improve mine safety and health and to promote coordination between State and Federal governments. They have no possibility of significant environmental impact.
(x) Certification or qualification proceedings.	No possibility of significant environmental impact.

(2) *Actions requiring environmental assessment.* Several classes of OSHA/MSHA actions normally require the preparation of an environmental assessment prior to determining whether either a finding of no significant impact or an environmental impact statement must be prepared. (However, OSHA or MSHA may proceed to prepare an environmental impact state-

ment, without first preparing an environmental assessment, if it determines such action to be appropriate or necessary, as provided by 40 CFR 1501.3(a)). Actions in this classification include:

- (i) Promulgation, modification or revocation of a health standard; and
- (ii) Approval or revocation of State plans for the enforcement of safety and health standards (not applicable to MSHA).

(3) *Actions requiring preparation of an environmental impact statement.* Preparation of an environmental impact statement will always be required for proposals for promulgation, modification or revocation of health standards which will significantly affect air, water or soil quality, plant or animal life, the use of land or other aspects of the human environment.

(4) *Emergency temporary standards.* Situations requiring the issuance of emergency temporary standards (issued for a period of up to six months, pursuant to section 6(c) of the Occupational Safety and Health Act of 1970, and for a period of up to nine months, pursuant to section 101(b) of the Federal Mine Safety and Health Act of 1977) are of such nature that the provisions of 40 CFR parts 1500 *et seq.* may not be strictly observable. Pursuant to 40 CFR 1506.11, however, OSHA and MSHA will consult with the Council on Environmental Quality in connection with such situations, and will, in any event, prepare environmental assessments or environmental impact statements, as appropriate, on any proposed permanent regulation to be promulgated for the purpose of replacing the temporary action.

(b) *Real property actions.* Actions that will involve construction, or the purchase or lease of property, in connection with the establishment or substantial alteration of a Job Corps center, of any similar Job Corps facility, or other property actions of a similar character by another agency, will normally require the preparation of an environmental assessment prior to determining whether either a finding of no significant impact or an environmental impact statement must be prepared.

(c) *Other Departmental actions.* Certain actions taken to implement other Department of Labor programs will

§ 11.11

normally qualify for categorical exclusion from NEPA requirements. These matters are excluded because the possibility of environmental impact is remote. However, classification as a categorical exclusion does not prohibit or release an agency from preparing an environmental assessment or environmental impact statement when the agency determines it to be appropriate. These actions include:

(1) Office of Workforce Investment activities and related placement, counseling, recruitment, information, testing, certification and associated actions;

(2) Apprenticeship activities and related certification and technical assistance actions;

(3) Training activities, other than Job Corps, including work experience, classroom training and public service employment;

(4) Unemployment insurance, trade adjustment assistance, workers' compensation programs, retirement programs, employee protection programs, and related employees benefit programs or activities involving the replacement or regulation of employee wages;

(5) Wage and hour programs to protect low-income workers, eliminate discriminatory employment practices, prevent curtailment of employment and earnings for certain groups of workers, minimize loss of income due to indebtedness, protect farm and migrant labor and related activities;

(6) Contract compliance programs to ensure equal employment opportunity and related actions;

(7) Labor-management relations activities and activities of labor organizations, employers and their officers or representatives;

(8) Research, evaluation, development and information collection projects related to any of the aforementioned activities;

(9) Labor statistics programs; and

(10) Matters involving personnel policy, procurement policy, freedom of information and privacy policy, and related matters of Departmental management.

29 CFR Subtitle A (7-1-21 Edition)

§ 11.11 Development of environmental analyses and documents.

(a) Potential environmental effects of agency actions shall begin to be examined at the time a topic for potential action is submitted to the agency staff for research, proposal development, or other consideration. During this stage the agency shall determine whether the type of action which may be proposed may be categorically excluded from NEPA environmental analysis requirements pursuant to § 11.10. If the type of action being considered is not categorically excluded, or is an extraordinary case of a normally excluded action which may have significant environmental impacts, development of the information needed to make an environmental assessment shall begin. Actions described in § 11.10(b) shall be submitted to the Assistant Secretary for Administration and Management at this point, pursuant to applicable Departmental procedures, for appropriate review, including a determination with respect to whether or not the action is located in or near a floodplain or wetlands area in connection with the requirements of Executive Orders 11988 and 11990.

(b) When information gathered during the early stages of proposal development indicates that preparation of an environmental impact statement will be required, the agency shall begin preparation of such a document by initiating the scoping process in accordance with 40 CFR 1501.7. However, if the information is not clearly indicative of the need for preparation of an environmental impact statement, an environmental assessment shall be prepared.

(c) Agencies are encouraged, in developing environmental assessments, to explore all factors which it may become necessary to examine should it be determined that preparation of an environmental impact statement is necessary, even though some of those factors, such as economic and social effects, "are not intended by themselves to require preparation of an environmental impact statement" (40 CFR 1508.14). Thus in making environmental assessments of real property actions described in § 11.10(b), agencies are encouraged to consider the following factors, among others:

Office of the Secretary of Labor

§ 11.11

(1) The nature and degree of any former use of a proposed facility and the number of individuals the facility formerly served, as compared with its use and population to be served under the new proposal;

(2) The population of the area (numbers, density and makeup);

(3) Community facilities and services, taking into consideration capacity and present and former use, including: Health services (hospitals, physicians), business and community development policy, recreational facilities (parks, theaters), fire and police protection, schools, energy resources, waste disposal, water, traffic and roadway systems, sewage systems, communications, and public transportation;

(4) The proximity of the facility to residential areas;

(5) The potential impact on the quality of drinking water, air quality, noise levels, designated scenic areas, land use, soil quality (including drainage or erosion problems), buildings valued for their design or which are otherwise locally significant, the listing or eligibility for listing of a site in the National Register for Historic places, consistent with the requirements of 20 CFR 684.24a where applicable, neighborhood character, and health and safety of residents;

(6) The potential impact on natural systems and resources including rivers and streams, forests, wetlands, floodplains, wilderness areas or places, and species designated for preservation, including species of plants and animals and their critical habitats as identified in regulations published by the Secretary of the Interior (50 CFR chapter I, part 17), and by the Secretary of Commerce (50 CFR chapter II, parts 217, 222.23, 223, and 227.4); and

(7) Other considerations appropriate in light of the nature and size of the project.

(d) If an agency determines, on the basis of an environmental assessment, that preparation of an environmental impact statement is not required, notice of a finding of no significant impact and the availability of the environmental assessment shall be prepared and published in the FEDERAL REGISTER. In the case of proposed rulemaking, the notice of a finding of no

significant impact may be published in the FEDERAL REGISTER at any time prior to the publication of the proposed action, or it may be included in the FEDERAL REGISTER notice of proposed rulemaking. Issuance of a finding of no significant impact at the proposal stage of rulemaking shall not foreclose further consideration of environmental issues during the rulemaking proceedings. Therefore the Department of Labor notes that, consistent with 40 CFR 1500.3, the finding shall not be considered final until promulgation of the rule involved (the action affecting the environment).

(1) If it is determined that preparation of an environmental impact statement is not required for an action, but that action is one which would normally require the preparation of an environmental impact statement, an action closely similar to one which would normally require the preparation of an environmental impact statement, or an action without precedent in this regard, the agency shall make a preliminary finding of no significant impact available for public review and comment. In accordance with 40 CFR 1501.4(e)(2), this finding shall be made available for at least 30 days before a final determination is made as to whether an environmental impact statement will be prepared, and before any public record may be closed and the proposed action may become effective.

(2) Although not required by 40 CFR 1501.4(e)(2), an agency may use the procedure described in § 11.11(d)(1) whenever the agency determines it to be appropriate.

(e) If it is determined on the basis of an environmental assessment, prepared in connection with an action described in § 11.10(b), that preparation of an environmental impact statement is required, or that public review is required in connection with actions in floodplains or wetlands that do not require environmental impact statements under E.O. 11988 or E.O. 11990, the agency shall consider altering the proposed action or changing the site of the proposed project, and shall proceed with preparation of an environmental impact statement or appropriate public review actions only after obtaining

§ 11.12

written authorization from the Assistant Secretary for Administration and Management.

(f) Filing of any draft environmental impact statement with the Environmental Protection Agency (EPA), pursuant to 40 CFR 1506.9, and circulation to the public, will ordinarily coincide with publication of the proposed agency action, which is the subject of that document, in the FEDERAL REGISTER. In any event, the statement will be made available for public comment for at least a 45-day period.

(g) The final decision on the proposed action shall be made not earlier than 90 days following publication of EPA's notice of the filing of the draft environmental impact statement, and, except as provided below, not earlier than 30 days following publication of EPA's notice of the filing of the final environmental impact statement.

(1) In accordance with 40 CFR 1506.10, an agency engaged in rulemaking under the Administrative Procedure Act or other statute, for the purpose of protecting the public health or safety, may waive the 30-day time period noted above and publish a decision on a final rule simultaneously with publication of the notice of the availability of the final environmental impact statement. Therefore, Departmental agencies (such as OSHA and MSHA) meeting these requirements, may file and circulate the final environmental impact statement at the same time a notice of decision is being published, provided that the final rule or action may not become effective for at least 30 days from the date of publication of the EPA's notice of filing of the final environmental impact statement.

(2) If a supplement to a final environmental impact statement is prepared, it shall be incorporated into the rulemaking record. If the supplement is prepared following the close of the rulemaking record and is based on, or introduces, new data or major new alternatives or analyses, the rulemaking record will be reopened for at least 30 days to receive public comments. The final action may not become effective for at least 30 days following EPA publication of the filing of the supplemental statement.

29 CFR Subtitle A (7-1-21 Edition)

(h) In accordance with 40 CFR 1505.2, when an agency prepares a final environmental impact statement, the agency shall prepare a concise public record of decision detailing what the decision was, what alternatives were considered (specifying the environmentally preferable alternative), how those considerations entered into the decision, and whether all practicable means to avoid or minimize environmental harm from the alternative selected have been adopted, and if not, the reason they were not. This record may be contained in, or integrated with, the preamble to the FEDERAL REGISTER notice of final action or in any other public document considered appropriate by the agency.

§ 11.12 Content and format of environmental documents.

(a) An environmental assessment may be prepared in any format considered effective by the agency involved. When such a document is prepared in connection with a proposed action, it must be made readily available to the public either by placement into the public record (with public notice provided in accordance with 40 CFR part 1506) or by publication in the FEDERAL REGISTER. The preamble to the FEDERAL REGISTER notice of proposed rulemaking may be considered the environmental assessment provided that the document contains the elements required by 40 CFR 1508.9(b).

(b) A finding of no significant impact (40 CFR 1508.13) may be prepared in any format considered to be effective or necessary by the agency involved in the proposed action.

(c) The finding of no significant impact, and the environmental assessment on which it was based, as well as any comments received in response to these documents shall be included in the public record of the proposed action.

(d) Department of Labor agencies shall comply with the format requirements for environmental impact statements as set forth at 40 CFR 1502.10, except when an agency determines that there is a compelling reason to do otherwise, such as more effective communication or reduced duplication of effort and paperwork (40 CFR 1506.4). For example, in OSHA/MSHA informal

rulemaking proceedings, environmental documents may be combined with the FEDERAL REGISTER notice of proposed or final rulemaking. Filing and circulation of the combined preamble/environmental document shall be in accordance with the requirements of 40 CFR 1506.9.

(e) The final environmental impact statement shall contain any changes in information or supplemental information received since the filing and circulation of the draft environmental impact statement, as well as a summary, or copies of the substantive comments received in response to the draft environmental impact statement. If such changes and comments are minor, an agency may circulate only the changes and comments, including responses to the comments, rather than the entire impact statement, to the extent permitted by 40 CFR 1502.19. However, the entire document, with a new cover sheet, shall be filed with EPA and placed in the rulemaking record.

§ 11.13 Public participation.

(a) When an agency has determined that preparation of an environmental impact statement is required, the agency shall publish a notice of intent to prepare an environmental impact statement in the FEDERAL REGISTER and shall invite public participation in the agency's scoping process as required by 40 CFR 1501.7.

(b) When the draft environmental impact statement has been prepared and filed with the EPA pursuant to § 11.11(f), comments on the document shall be solicited from appropriate Federal, State and local agencies, Indian tribes, and other persons or organizations who may be interested or affected, as required by 40 CFR 1503.1.

(c) In the case of an action with effects primarily of local concern, agencies shall consider the use of clearinghouses, newspapers and other public media likely to generate local participation in the agency process as ways of supplementing the notices otherwise specified in this part. The use of such public media does not, however, require or authorize the use of paid advertising.

§ 11.14 Legislation.

Notwithstanding any provisions of this part, environmental assessments or impact statements prepared in connection with requests for new legislation or modification of existing statutes shall be handled in accordance with applicable OMB and Department of Labor procedures on the preparation and submission of legislative proposals and the requirements of 40 CFR 1506.8.

§ 12.1 Uniform relocation assistance and real property acquisition.

AUTHORITY: 5 U.S.C. 301; E.O. 13706, 80 FR 54697, 3 CFR, 2016 Comp., p. 367; Secretary's Order 01-2014, 79 FR 77527.

SOURCE: 81 FR 67709, Sept. 30, 2016, unless otherwise noted.

Subpart A—General

§ 13.1 Purpose and scope.

(a) *Purpose.* This part contains the Department of Labor's rules relating to the administration and enforcement of Executive Order 13706 (Executive Order or the Order), "Establishing Paid Sick Leave for Federal Contractors." The Order states that providing paid sick leave to employees will improve the health and performance of employees of Federal contractors and will bring benefits packages offered by Federal contractors in line with model employers, ensuring they remain competitive in the search for dedicated and talented employees. The Executive Order concludes that providing paid sick

leave will result in savings and quality improvements in the work performed by parties who contract with the Federal Government that will in turn lead to improved economy and efficiency in Government procurement.

(b) *Policy.* Executive Order 13706 sets forth the general position of the Federal Government that providing access to paid sick leave on Federal contracts will increase efficiency and cost savings for the Federal Government. The Order therefore provides that executive departments and agencies shall, to the extent permitted by law, ensure that new covered contracts, contract-like instruments, and solicitations (collectively referred to as "contracts") include a clause, which the contractor and any subcontractors shall incorporate into lower-tier subcontracts, specifying, as a condition of payment, that employees will earn not less than 1 hour of paid sick leave for every 30 hours worked on or in connection with covered contracts.

(c) *Scope.* Neither Executive Order 13706 nor this part creates or changes any rights under the Contract Disputes Act or creates any private right of action. The Executive Order provides that disputes regarding whether a contractor has provided paid sick leave as prescribed by the Order, to the extent permitted by law, shall be disposed of only as provided in this part. However, nothing in the Order or this part is intended to limit or preclude a civil action under the False Claims Act, 31 U.S.C. 3730, or criminal prosecution under 18 U.S.C. 1001. The Order and this part similarly do not preclude judicial review of final decisions by the Secretary of Labor in accordance with the Administrative Procedure Act, 5 U.S.C. 701 *et seq.*

§ 13.2 Definitions.

For purposes of this part:

§ 13.3 Coverage.

(a) This part applies to any new contract with the Federal Government, unless excluded by § 13.4, provided that:

(1)(i) It is a procurement contract for construction covered by the Davis-Bacon Act;

(ii) It is a contract for services covered by the Service Contract Act;

(iii) It is a contract for concessions, including any concessions contract ex-

cluded from coverage under the Service Contract Act by Department of Labor regulations at § 4.133(b); or

(iv) It is a contract in connection with Federal property or lands and related to offering services for Federal employees, their dependents, or the general public; and

(2) The wages of employees performing on or in connection with such contract are governed by the Davis-Bacon Act, the Service Contract Act, or the Fair Labor Standards Act, including employees who qualify for an exemption from the Fair Labor Standards Act's minimum wage and overtime provisions.

(b) For contracts covered by the Service Contract Act or the Davis-Bacon Act, this part applies to prime contracts only at the thresholds specified in those statutes. For procurement contracts where employees' wages are governed by the Fair Labor Standards Act, this part applies when the prime contract exceeds the micro-purchase threshold, as defined in 41 U.S.C. 1902(a). For all other prime contracts covered by Executive Order 13706 and this part and for all subcontracts awarded under prime contracts covered by Executive Order 13706 and this part, this part applies regardless of the value of the contract.

(c) This part only applies to contracts with the Federal Government requiring performance in whole or in part within the United States. If a contract with the Federal Government is to be performed in part within and in part outside the United States and is otherwise covered by the Executive Order and this part, the requirements of the Order and this part would apply with respect to that part of the contract that is performed within the United States.

(d) This part does not apply to contracts for the manufacturing or furnishing of materials, supplies, articles, or equipment to the Federal Government, including those that are subject to the Walsh-Healey Public Contracts Act, 41 U.S.C. 6501 *et seq.*

§ 13.5

meaning of the Federal Grant and Cooperative Agreement Act, as amended, 31 U.S.C. 6301 *et seq.*

(b) *Contracts and agreements with and grants to Indian Tribes.* This part does not apply to contracts and agreements with and grants to Indian Tribes under the Indian Self-Determination and Education Assistance Act, as amended, 25 U.S.C. 450 *et seq.*

(d) *Contracts for services that are exempted from coverage under the Service Contract Act.* Service contracts, except for those expressly covered by §13.3(a)(1)(iii) or (iv), that are exempt from coverage of the Service Contract Act pursuant to its statutory language at 41 U.S.C. 6702(b) or its implementing regulations, including those at §4.115 through 4.122 and §4.123(d) and (e), are not subject to this part.

(e) *Employees performing in connection with covered contracts for less than 20 percent of their work hours in a given workweek.* The accrual requirements of this part do not apply to employees performing in connection with covered contracts, *i.e.*, those employees who perform work duties necessary to the performance of the contract but who are not directly engaged in performing the specific work called for by the contract, who spend less than 20 percent of their hours worked in a particular workweek performing in connection with such contracts. This exclusion is inapplicable to employees performing on covered contracts, *i.e.*, those employees directly engaged in performing the specific work called for by the contract, at any point during the workweek. This exclusion is also inapplicable to employees performing in connection with covered contracts with respect to any workweek in which the employees spend 20 percent or more of their hours worked performing in connection with a covered contract.

(f) *Employees whose covered work is governed by a collective bargaining agreement that already provides 56 hours of paid sick time.* If a collective bargaining agreement ratified before September

29 CFR Subtitle A (7–1–21 Edition)

30, 2016 applies to an employee's work performed on or in connection with a covered contract and provides the employee with at least 56 hours (or 7 days, if the agreement refers to days rather than hours) of paid sick time (or paid time off that may be used for reasons related to sickness or health care) each year, the requirements of the Executive Order and this part do not apply to the employee until the earlier of the date the agreement terminates or January 1, 2020. If a collective bargaining agreement ratified before September 30, 2016 applies to an employee's work performed on or in connection with a covered contract and provides the employee with paid sick time (or paid time off that may be used for reasons related to sickness or health care) each year, but the amount of such leave provided under the agreement is less than 56 hours (or 7 days, if the agreement refers to days rather than hours), the requirements of the Executive Order and this part do not apply to the employee until the earlier of the date the agreement terminates or January 1, 2020, *provided that* each year the contractor provides covered employees with the difference between 56 hours (or 7 days) and the amount provided under the existing agreement in a manner consistent with either the Executive Order and this part or the terms and conditions of the collective bargaining agreement.

§13.5 Paid sick leave for Federal contractors and subcontractors.

(a) *Accrual.* (1) A contractor shall permit an employee to accrue not less than 1 hour of paid sick leave for every 30 hours worked on or in connection with a covered contract. A contractor shall aggregate an employee's hours worked on or in connection with all covered contracts for that contractor for purposes of paid sick leave accrual.

(i) Hours worked has the same meaning for purposes of Executive Order 13706 and this part as it does under the Fair Labor Standards Act, as set forth in 29 CFR part 785. To properly exclude time spent on non-covered work from an employee's hours worked that count toward the accrual of paid sick leave, a contractor must accurately identify in its records the employee's covered and

non-covered hours worked, or, if the employee performs work in connection with rather than on covered contracts, a contractor may estimate the portion of an employee's hours worked spent in connection with covered contracts provided the estimate is reasonable and based on verifiable information.

(ii) A contractor shall calculate an employee's accrual of paid sick leave no less frequently than at the conclusion of each pay period or each month, whichever interval is shorter. A contractor need not allow an employee to accrue paid sick leave in increments smaller than 1 hour for completion of any fraction of 30 hours worked. Any such fraction of hours worked shall be added to hours worked for the same contractor in subsequent pay periods to reach the next 30 hours worked provided that the next pay period in which the employee performs on or in connection with a covered contract occurs within the same accrual year.

(iii) If a contractor is not obligated by the Service Contract Act, Davis-Bacon Act, or Fair Labor Standards Act to keep records of an employee's hours worked, such as because the employee is employed in a bona fide executive, administrative, or professional capacity as those terms are defined in 29 CFR part 541, the contractor may, as to that employee, calculate paid sick leave accrual by tracking the employee's actual hours worked or by using the assumption that the employee works 40 hours on or in connection with a covered contract in each workweek. If such an employee regularly works fewer than 40 hours per week on or in connection with covered contracts, whether because the employee's time is split between covered and non-covered contracts or because the employee has a part-time schedule, the contractor may allow the employee to accrue paid sick leave based on the employee's typical number of hours worked on or in connection with covered contracts per workweek provided the contractor has probative evidence to support the number it uses or, if the employee performs work in connection with rather than on covered contracts, a contractor may estimate the employee's typical number of hours worked in connection with covered contracts per

workweek provided the estimate is reasonable and based on verifiable information.

(2) A contractor shall inform an employee, in writing, of the amount of paid sick leave that the employee has accrued but not used no less than once each pay period or each month, whichever interval is shorter, as well as upon a separation from employment and upon reinstatement of paid sick leave pursuant to paragraph (b)(4) of this section. A contractor's existing procedure for informing employees of their available leave, such as notification accompanying each paycheck or an online system an employee can check at any time, may be used to satisfy or partially satisfy these requirements provided it is written (including electronically, if the contractor customarily corresponds with or makes information available to its employees by electronic means).

(3) A contractor may choose to provide an employee with at least 56 hours of paid sick leave at the beginning of each accrual year rather than allowing the employee to accrue such leave based on hours worked over time.

(i) If a contractor chooses to use the option described in this paragraph, the contractor need not comply with the accrual requirements described in paragraph (a)(1) of this section. The contractor must, however, allow carry-over of paid sick leave as required by paragraph (b)(2) of this section, and although the contractor may limit the amount of paid sick leave an employee may carry over to no less than 56 hours, the contractor may not limit the amount of paid sick leave an employee has available for use at any point as is otherwise permitted by paragraph (b)(3) of this section.

(ii) If a contractor chooses to use the option described in this paragraph and the contractor hires an employee or newly assigns the employee to work on or in connection with a covered contract after the beginning of the accrual year, the contractor may provide the employee with a prorated amount of paid sick leave based on the number of pay periods remaining in the accrual year.

(iii) A contractor may use the option described in this paragraph as to any

§ 13.5

or all of its employees in any or all accrual years.

(b) *Maximum accrual, carryover, reinstatement, and payment for unused leave.*

(1) A contractor may limit the amount of paid sick leave an employee is permitted to accrue to not less than 56 hours in each accrual year. An accrual year is a 12-month period beginning on the date an employee's work on or in connection with a covered contract began or any other fixed date chosen by the contractor, such as the date a covered contract began, the date the contractor's fiscal year begins, a date relevant under State law, or the date a contractor uses for determining employees' leave entitlements under the FMLA pursuant to § 825.200 of this title. A contractor may choose its accrual year but must use a consistent option for all, or across similarly situated groups of, employees and may not select or change any employee's accrual year in order to avoid the paid sick leave requirements of Executive Order 13706 and this part.

(2) Paid sick leave shall carry over from one accrual year to the next. Paid sick leave carried over from the previous accrual year shall not count toward any limit the contractor sets on annual accrual.

(3) A contractor may limit the amount of paid sick leave an employee is permitted to have available for use at any point to not less than 56 hours. Accordingly, even if an employee has accrued fewer than 56 hours of paid sick leave since the beginning of the accrual year, the employee need only be permitted to accrue additional paid sick leave if the employee has fewer than 56 hours available for use.

(4) Paid sick leave shall be reinstated for employees rehired by the same contractor within 12 months after a job separation. This reinstatement requirement applies whether the employee leaves and returns to a job on or in connection with a single covered contract or works for a single contractor on or in connection with more than one covered contract, regardless of whether the employee remains employed by the contractor in between periods of working on covered contracts.

(5) Nothing in Executive Order 13706 or this part shall require a contractor

29 CFR Subtitle A (7-1-21 Edition)

to make a financial payment to an employee for accrued paid sick leave that has not been used upon a separation from employment. If a contractor nevertheless makes such a payment in an amount equal to or greater than the value of the pay and benefits the employee would have received pursuant to paragraph (c)(3) of this section had the employee used the paid sick leave, the contractor is relieved of the obligation to reinstate an employee's accrued paid sick leave upon rehiring the employee within 12 months of the separation pursuant to paragraph (b)(4) of this section.

(c) *Use.* (1) Subject to the conditions described in paragraphs (d) and (e) of this section and the amount of paid sick leave the employee has available for use, a contractor must permit an employee to use paid sick leave to be absent from work for that contractor during time the employee would have been performing work on or in connection with a covered contract or, if the contractor estimates the employee's hours worked in connection with such contracts for purposes of accrual, during any work time because of:

(i) A physical or mental illness, injury, or medical condition of the employee;

(ii) Obtaining diagnosis, care, or preventive care from a health care provider by the employee;

(iii) Caring for the employee's child, parent, spouse, domestic partner, or any other individual related by blood or affinity whose close association with the employee is the equivalent of a family relationship who has any of the conditions or needs for diagnosis, care, or preventive care referred to in paragraphs (c)(1)(i) or (ii) of this section or is otherwise in need of care; or

(iv) Domestic violence, sexual assault, or stalking, if the time absent from work is for the purposes otherwise described in paragraphs (c)(1)(i) or (ii) of this section or to obtain additional counseling, seek relocation, seek assistance from a victim services organization, take related legal action, including preparation for or participation in any related civil or criminal legal proceeding, or assist an individual related to the employee as described in paragraph (c)(1)(iii) of this

section in engaging in any of these activities.

(2) A contractor shall account for an employee's use of paid sick leave in increments of no greater than 1 hour.

(i) A contractor may not reduce an employee's accrued paid sick leave by more than the amount of time the employee is actually absent from work, and a contractor may not require an employee to use more leave than is necessary to address the circumstances that precipitated the need for the leave, provided that the leave is counted using an increment of no greater than 1 hour.

(ii) The amount of paid sick leave used may not exceed the hours an employee would have worked if the need for leave had not arisen.

(iii) If it is physically impossible for an employee using paid sick leave to commence or end work mid-way through a shift, such as if a flight attendant or a railroad conductor is scheduled to work aboard an airplane or train, or a laboratory employee is unable to enter or leave a sealed "clean room" during a certain period of time, and no equivalent position is available, the entire period that the employee is forced to be absent constitutes paid sick leave. The period of the physical impossibility is limited to the period during which the contractor is unable to permit the employee to work prior to the use of paid sick leave or return the employee to the same or an equivalent position due to the physical impossibility after the use of paid sick leave.

(3) A contractor shall provide to an employee using paid sick leave the same regular pay and benefits the employee would have received had the employee not been absent from work. Regular pay means payments that would be included in the calculation of the employee's regular rate for hours worked under the Fair Labor Standards Act as set forth in 29 CFR part 778.

(4) A contractor may not limit the amount of paid sick leave an employee may use per year or at once on any basis other than the amount of paid sick leave an employee has available.

(5) An employee is encouraged to make a reasonable effort to schedule preventive care or another foreseeable

need to use paid sick leave to suit the needs of both the contractor and employee, and a contractor may ask an employee to make a reasonable effort to schedule foreseeable paid sick leave so as to not disrupt unduly the contractor's operations, but a contractor may not make an employee's use of paid sick leave contingent on the employee's finding a replacement worker to cover any work time to be missed or on the fulfillment of the contractor's operational needs.

(d) *Request for leave.* (1) A contractor shall permit an employee to use any or all of the employee's available paid sick leave upon the oral or written request of an employee that includes information sufficient to inform the contractor that the employee is seeking to be absent from work for a purpose described in paragraph (c)(1) of this section and, to the extent reasonably feasible, the anticipated duration of the leave.

(i) An employee's request to use paid sick leave need not include a specific reference to the Executive Order or this part or even use the words "sick leave" or "paid sick leave," and a contractor may not require an employee to provide extensive or detailed information about the need to be absent from work or the employee's family or family-like relationship with an individual for whom the employee is requesting to care.

(ii) Although an employee shall make a good faith effort to provide a reasonable estimate of the length of the requested absence from work, a contractor shall permit the employee to return to work earlier, or continue to use available paid sick leave for longer, than anticipated.

(iii) The employee's request shall be directed to the appropriate personnel pursuant to a contractor's policy or, in the absence of a formal policy, any personnel who typically receive requests for other types of leave or otherwise address scheduling issues on behalf of the contractor.

(iv) The contractor shall maintain the confidentiality of any medical or other personal information contained in an employee's request to use paid sick leave as required by § 13.25(d).

§ 13.5

29 CFR Subtitle A (7-1-21 Edition)

(2) If the need for leave is foreseeable, the employee's request shall be made at least 7 calendar days in advance. If the employee is unable to request paid sick leave at least 7 calendar days in advance, the request shall be made as soon as is practicable. When an employee becomes aware of a need to use paid sick leave less than 7 calendar days in advance, it should typically be practicable for the employee to make a request for leave either the day the employee becomes aware of the need to use paid sick leave or the next business day. In all cases, however, the determination of when an employee could practicably make a request must take into account the individual facts and circumstances.

(3)(i) A contractor may communicate its grant of a request to use paid sick leave either orally or in writing (including electronically, if the contractor customarily corresponds with or makes information available to its employees by such means).

(ii) A contractor shall communicate any denial of a request to use paid sick leave in writing (including electronically, if the contractor customarily corresponds with or makes information available to its employees by such means), with an explanation for the denial. Denial is appropriate if, for example, the employee did not provide sufficient information about the need for paid sick leave; the reason given is not consistent with the uses of paid sick leave described in paragraph (c)(1) of this section; the employee did not indicate when the need would arise; the employee has not accrued, and will not have accrued by the date of leave anticipated in the request, a sufficient amount of paid sick leave to cover the request (in which case, if the employee will have any paid sick leave available for use, only a partial denial is appropriate); or the request is to use paid sick leave during time the employee is scheduled to be performing non-covered work. If the denial is based on insufficient information provided in the request, such as if the employee did not state the time of an appointment with a health care provider, the contractor must permit the employee to submit a new, corrected request. If the denial is based on an employee's request to use

paid sick leave during time she is scheduled to be performing non-covered work, the denial must be supported by records adequately segregating the employee's time spent on covered and non-covered contracts.

(iii) A contractor shall respond to any request to use paid sick leave as soon as is practicable after the request is made. Although the determination of when it is practicable for a contractor to provide a response will take into account the individual facts and circumstances, it should in many circumstances be practicable for the contractor to respond to a request immediately or within a few hours. In some instances, however, such as if it is unclear at the time of the request whether the employee will be working on or in connection with a covered or non-covered contract at the time for which paid sick leave is requested, as soon as practicable could mean within a day or no longer than within a few days.

(e) *Certification or documentation for leave of 3 or more consecutive full workdays.* (1)(i) A contractor may require certification issued by a health care provider to verify the need for paid sick leave used for a purpose described in paragraphs (c)(1)(i), (ii), or (iii) of this section only if the employee is absent for 3 or more consecutive full workdays. The contractor shall protect the confidentiality of any certification as required by § 13.25(d).

(ii) A contractor may only require documentation from an appropriate individual or organization to verify the need for paid sick leave used for a purpose described in paragraph (c)(1)(iv) of this section only if the employee is absent for 3 or more consecutive full workdays. The source of such documentation may be any person involved in providing or assisting with the care, counseling, relocation, assistance of a victim services organization, or related legal action, such as, but not limited to, a health care provider, counselor, representative of a victim services organization, attorney, clergy member, family member, or close friend. Self-certification is also permitted. The contractor may only require that such documentation contain the minimum necessary information establishing a need for the employee to be absent

from work. The contractor shall not disclose any verification information and shall maintain confidentiality about the domestic abuse, sexual assault, or stalking, as required by §13.25(d).

(2) If certification or documentation is to verify the illness, injury, or condition, need for diagnosis, care, or preventive care, or activity related to domestic violence, sexual assault, or stalking of an individual related to the employee as described in paragraph (c)(1)(iii) of this section, a contractor may also require the employee to provide reasonable documentation or a statement of the family or family-like relationship. This documentation may take the form of a simple written statement from the employee or could be a legal or other document proving the relationship, such as a birth certificate or court order.

(3)(i) A contractor may only require certification or documentation if the contractor informs an employee before the employee returns to work that certification or documentation will be required to verify the use of paid sick leave if the employee is absent for 3 or more consecutive full workdays. The contractor may inform an employee of this requirement each time the employee requests to use or does use paid sick leave, or the contractor may inform employees of a general policy to require certification or documentation for absences of 3 or more consecutive full workdays if it does so in a manner reasonably calculated to provide actual notice of the requirement to employees.

(ii) A contractor may require the employee to provide certification or documentation within 30 days of the first day of the 3 or more consecutive full workdays of paid sick leave but may not set a shorter deadline for its submission.

(iii) While a contractor is waiting for or reviewing certification or documentation, it must treat the employee's otherwise proper request for 3 or more consecutive full workdays of paid sick leave as valid. If the employee provides certification or documentation that is insufficient to verify the employee's need for paid sick leave, the contractor shall notify the employee of

the deficiency and allow the employee at least 5 days to provide new or supplemental certification or documentation. If after 30 days the employee has not provided any certification or documentation, or if after the 5 or more days allowed for resubmission the employee has either provided no new or supplemental certification or documentation or the new certification or documentation is still insufficient to verify the employee's need for paid sick leave, the contractor may, within 10 calendar days of the employee's deadline for providing sufficient certification or documentation, retroactively deny the employee's request to use paid sick leave. In such circumstances, the contractor may recover the value of the pay and benefits the employee received but to which the employee was not entitled, including through deduction from any sums due to the employee (*e.g.*, unpaid wages, vacation pay, profit sharing, etc.), provided such deductions do not otherwise violate applicable Federal, State, or local wage payment or other laws.

(4) A contractor may contact the health care provider or other individual who created or signed the certification or documentation only for purposes of authenticating the document or clarifying its contents. The contractor may not request additional details about the medical or other condition referenced, seek a second opinion, or otherwise question the substance of the certification. To make such contact, the contractor must use a human resources professional, a leave administrator, or a management official. The employee's direct supervisor may not contact the employee's health care provider unless there is no other appropriate individual who can do so. The requirements of the Health Insurance Portability and Accountability Act (HIPAA) Privacy Rule, set forth at 45 CFR parts 160 and 164, must be satisfied when individually identifiable health information of an employee is shared with a contractor by a HIPAA-covered health care provider.

(f) *Interaction with other laws and paid time off policies.* (1) *General.* Nothing in Executive Order 13706 or this part shall excuse noncompliance with or supersede any applicable Federal or State

§ 13.5

29 CFR Subtitle A (7-1-21 Edition)

law, any applicable law or municipal ordinance, or a collective bargaining agreement requiring greater paid sick leave or leave rights than those established under the Executive Order and this part.

(2) *SCA and DBA requirements.* (i) Paid sick leave required by Executive Order 13706 and this part is in addition to a contractor's obligations under the Service Contract Act and Davis-Bacon Act. A contractor may not receive credit toward its prevailing wage or fringe benefit obligations under those Acts for any paid sick leave provided in satisfaction of the requirements of Executive Order 13706 and this part.

(ii) A contractor may count the value of any paid sick time provided in excess of the requirements of Executive Order 13706 and this part (and any other law) toward its obligations under the Service Contract Act or Davis-Bacon Act in keeping with the requirements of those Acts.

(3) *FMLA.* A contractor's obligations under the Executive Order and this part have no effect on its obligations to comply with, or ability to act pursuant to, the Family and Medical Leave Act. Paid sick leave may be substituted for (that is, may run concurrently with) unpaid FMLA leave under the same conditions as other paid time off pursuant to § 825.207 of this title. As to time off that is designated as FMLA leave and for which an employee uses paid sick leave, all notices and certifications that satisfy the FMLA requirements set forth at § 825.300 through 300.308 of this title will satisfy the request for leave and certification requirements of paragraphs (d) and (e) of this section.

(4) *State and local paid sick time laws.* A contractor's compliance with a State or local law requiring that employees be provided with paid sick time does not excuse the contractor from compliance with any of its obligations under the Executive Order 13706 or this part. A contractor may, however, satisfy its obligations under the Order and this part by providing paid sick time that fulfills the requirements of a State or local law provided that the paid sick time is accrued and may be used in a manner that meets or exceeds all of the requirements of the Order and this part

including but not limited to the accrual and use requirements in this section and the prohibitions on interference and discrimination in § 13.6. Where the requirements of an applicable State or local law and the Order and this part differ, satisfying both will require a contractor to comply with the requirement that is more generous to employees.

(5) *Paid time off policies.* (i) The paid sick leave requirements of Executive Order 13706 and this part need not have any effect on a contractor's voluntary paid time off policy, whether provided pursuant to a collective bargaining agreement or otherwise.

(ii) A contractor's existing paid time off policy (if provided in addition to the fulfillment of Service Contract Act or Davis-Bacon Act obligations, if applicable) will satisfy the requirements of the Executive Order and this part if the paid time off is made available to all employees described in § 13.3(a)(2) (other than those excluded by § 13.4(e)); may be used for at least all of the purposes described in paragraph (c)(1) of this section; is provided in a manner and an amount sufficient to comply with the rules and restrictions regarding the accrual of paid sick leave set forth in paragraph (a) of this section and regarding maximum accrual, carryover, reinstatement, and payment for unused leave set forth in paragraph (b) of this section; is provided pursuant to policies sufficient to comply with the rules and restrictions regarding use of paid sick leave set forth in paragraph (c) of this section, regarding requests for leave set forth in paragraph (d) of this section, and regarding certification and documentation set forth in paragraph (e) of this section, at least with respect to any paid time off used for the purposes described in paragraph (c)(1) of this section; and is protected by the prohibitions against interference, discrimination, and record-keeping violations described in § 13.6 and the prohibition against waiver of rights described in § 13.7, at least with respect to any paid time off used for the purposes described in paragraph (c)(1) of this section.

(iii) A contractor satisfying the requirements of the Executive Order and this part with a paid time off policy

that provides more than 56 hours of leave per accrual year may choose to either provide all paid time off as described in paragraph (f)(5)(ii) of this section or track, and make and maintain records reflecting, the amount of paid time off an employee uses for the purposes described in paragraph (c)(1) of this section, in which case the contractor need only provide, for each accrual year, up to 56 hours of paid time off the employee requests to use for such purposes in compliance with the Order and this part.

§ 13.6 Prohibited acts.

(a) *Interference.* (1) A contractor may not in any manner interfere with an employee's accrual or use of paid sick leave as required by Executive Order 13706 or this part.

(2) Interference includes, but is not limited to, miscalculating the amount of paid sick leave an employee has accrued, denying or unreasonably delaying a response to a proper request to use paid sick leave, discouraging an employee from using paid sick leave, reducing an employee's accrued paid sick leave by more than the amount of such leave used, transferring the employee to work on non-covered contracts to prevent the accrual or use of paid sick leave, disclosing confidential information contained in certification or other documentation provided to verify the need to use paid sick leave, or making the use of paid sick leave contingent on the employee's finding a replacement worker or the fulfillment of the contractor's operational needs.

(b) *Discrimination.* (1) A contractor may not discharge or in any other manner discriminate against any employee for:

(i) Using, or attempting to use, paid sick leave as provided for under Executive Order 13706 and this part;

(ii) Filing any complaint, initiating any proceeding, or otherwise asserting any right or claim under Executive Order 13706 or this part;

(iii) Cooperating in any investigation or testifying in any proceeding under Executive Order 13706 or this part; or

(iv) Informing any other person about his or her rights under Executive Order 13706 or this part.

(2) Discrimination includes, but is not limited to, a contractor's considering any of the activities described in paragraph (b)(1) of this section as a negative factor in employment actions, such as hiring, promotions, or disciplinary actions, or a contractor's counting paid sick leave under a no fault attendance policy.

(c) *Recordkeeping.* A contractor's failure to make and maintain or to make available to authorized representatives of the Wage and Hour Division records for inspection, copying, and transcription as required by § 13.25, or any other failure to comply with the requirements of § 13.25, constitutes a violation of Executive Order 13706, this part, and the underlying contract.

§ 13.7 Waiver of rights.

Employees cannot waive, nor may contractors induce employees to waive, their rights under Executive Order 13706 or this part.

§ 13.8 Multiemployer plans or other funds, plans, or programs.

(a) A contractor may fulfill its obligations under Executive Order 13706 and this part jointly with other contractors—that is, as though all of the contractors are a single contractor—through a multiemployer plan that provides paid sick leave in compliance with the rules and requirements of Executive Order 13706 and this part. Regardless of what functions the plan performs, each contractor remains responsible for any violation of the Order or this part that occurs during its employment of the employee.

(b) Nothing in this part prohibits a contractor from providing paid sick leave through a fund, plan, or program. Regardless of the manner in which a contractor provides paid sick leave or what functions any fund, plan, or program performs, the contractor remains responsible for any violation of the Order or this part with respect to any of its employees.

Subpart B—Federal Government Requirements

§ 13.11 Contracting agency requirements.

(a) *Contract clause.* The contracting agency shall include the Executive Order paid sick leave contract clause set forth in Appendix A of this part in all covered contracts and solicitations for such contracts, as described in § 13.3, except for procurement contracts subject to the FAR. The required contract clause directs, as a condition of payment, that all employees performing work on or in connection with covered contracts shall be provided paid sick leave as required by Executive Order 13706 and this part. For procurement contracts subject to the FAR, contracting agencies must use the clause set forth in the FAR developed to implement this rule. Such clause will accomplish the same purposes as the clause set forth in Appendix A and be consistent with the requirements set forth in this rule.

(b) *Failure to include the contract clause.* Where the Department of Labor or the contracting agency discovers or determines, whether before or subsequent to a contract award, that a contracting agency made an erroneous determination that Executive Order 13706 and this part did not apply to a particular contract and/or failed to include the applicable contract clause in a contract to which the Executive Order and this part apply, the contracting agency, on its own initiative or within 15 calendar days of notification by an authorized representative of the Department of Labor, shall incorporate the contract clause in the contract retroactive to commencement of performance under the contract through the exercise of any and all authority that may be needed (including, where necessary, its authority to negotiate or amend, its authority to pay any necessary additional costs, and its authority under any contract provision authorizing changes, cancellation, and termination).

(c) *Withholding.* A contracting officer shall, upon his or her own action or upon written request of the Administrator, withhold or cause to be withheld from the prime contractor under

the covered contract or any other Federal contract with the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay employees the full amount owed to compensate for any violation of Executive Order 13706 or this part. In the event of any such violation, the agency may, after authorization or by direction of the Administrator and written notification to the contractor, take action to cause suspension of any further payment, advance, or guarantee of funds until such violations have ceased. Additionally, any failure to comply with the requirements of Executive Order 13706 or this part may be grounds for termination of the right to proceed with the contract work. In such event, the contracting agency may enter into other contracts or arrangements for completion of the work, charging the contractor in default with any additional cost.

(d) *Suspending payment.* A contracting officer shall, upon his or her own action or upon the direction of the Administrator and notification of the contractor, take action to cause suspension of any further payment, advance, or guarantee of funds to a contractor that has failed to make available for inspection, copying, and transcription any of the records identified in § 13.25.

(e) *Actions on complaints—(1) Reporting time frame.* The contracting agency shall forward all information listed in paragraph (e)(2) of this section to the Office of Government Contracts Enforcement, Wage and Hour Division, U.S. Department of Labor, 200 Constitution Avenue NW., Washington, DC 20210 within 14 calendar days of receipt of a complaint alleging contractor non-compliance with Executive Order 13706 or this part or within 14 calendar days of being contacted by the Wage and Hour Division regarding any such complaint.

(2) *Report contents.* The contracting agency shall forward to the Office of Government Contracts Enforcement, Wage and Hour Division, U.S. Department of Labor, 200 Constitution Avenue NW., Washington, DC 20210 any:

(i) Complaint of contractor non-compliance with Executive Order 13706 or this part;

(ii) Available statements by the worker, contractor, or any other person regarding the alleged violation;

(iii) Evidence that the Executive Order paid sick leave contract clause was included in the contract;

(iv) Information concerning known settlement negotiations between the parties, if applicable; and

(v) Any other relevant facts known to the contracting agency or other information requested by the Wage and Hour Division.

§ 13.12 Department of Labor requirements.

(a) *Notice*—(1) *Wage Determinations OnLine Web site.* The Administrator will publish and maintain on Wage Determinations OnLine (WDOL), <http://www.wdol.gov>, or any successor site, a notice that Executive Order 13706 creates a requirement to allow employees performing work on or in connection with contracts covered by Executive Order 13706 and this part to accrue and use paid sick leave, as well as an indication of where to find more complete information about that requirement.

(2) *Wage determinations.* The Administrator will publish on all wage determinations issued under the Davis-Bacon Act and the Service Contract Act a notice that Executive Order 13706 creates a requirement to allow employees performing work on or in connection with contracts covered by Executive Order 13706 and this part to accrue and use paid sick leave, as well as an indication of where to find more complete information about that requirement.

(b) *Notification to a contractor of the withholding of funds.* If the Administrator requests that a contracting agency withhold funds from a contractor pursuant to § 13.11(c), or suspend payment, advance, or guarantee of funds pursuant to § 13.11(d), the Administrator and/or contracting agency shall notify the affected prime contractor of the Administrator's request to the contracting agency.

Subpart C—Contractor Requirements

§ 13.21 Contract clause.

(a) The contractor, as a condition of payment, shall abide by the terms of the applicable Executive Order paid sick leave contract clause referred to in § 13.11(a).

(b) The contractor shall include in any covered subcontracts the applicable Executive Order paid sick leave contract clause referred to in § 13.11(a) and shall require, as a condition of payment, that the subcontractor include the contract clause in any lower-tier subcontracts. The prime contractor and any upper-tier contractor shall be responsible for the compliance by any subcontractor or lower-tier subcontractor with the requirements of Executive Order 13706 and this part, whether or not the contract clause was included in the subcontract.

§ 13.22 Paid sick leave.

The contractor shall allow all employees performing work on or in connection with a covered contract to accrue and use paid sick leave as required by Executive Order 13706 and this part.

§ 13.23 Deductions.

The contractor may make deductions from the pay and benefits of an employee who is using paid sick leave only if such deduction qualifies as a:

(a) Deduction required by Federal, State, or local law, such as Federal or State withholding of income taxes;

(b) Deduction for payments made to third parties pursuant to court order;

(c) Deduction directed by a voluntary assignment of the employee or his or her authorized representative;

(d) Deduction for the reasonable cost or fair value, as determined by the Administrator, of furnishing such employee with "board, lodging, or other facilities," as defined in 29 U.S.C. 203(m) and 29 CFR part 531;

(e) Deduction, to the extent permitted by law, for the purpose of recouping pay and benefits provided for paid sick leave as to which the contractor retroactively denied the employee's request pursuant to § 13.5(e)(3)(iii) or because the contractor

§ 13.24

approved the use of the paid sick leave based on a fraudulent request.

§ 13.24 Anti-kickback.

All paid sick leave used by employees performing on or in connection with covered contracts must be paid free and clear and without subsequent deduction (except as set forth in §13.23), rebate, or kickback on any account. Kickbacks directly or indirectly to the contractor or to another person for the contractor's benefit for the whole or part of the paid sick leave are prohibited.

§ 13.25 Records to be kept by contractors.

(a) The contractor and each subcontractor performing work subject to Executive Order 13706 and this part shall make and maintain during the course of the covered contract, and preserve for no less than 3 years thereafter, records containing the information specified in paragraphs (a)(1) through (15) of this section for each employee and shall make them available for inspection, copying, and transcription by authorized representatives of the Wage and Hour Division of the U.S. Department of Labor:

(1) Name, address, and Social Security number of each employee;

(2) The employee's occupation(s) or classification(s);

(3) The rate or rates of wages paid (including all pay and benefits provided);

(4) The number of daily and weekly hours worked;

(5) Any deductions made;

(6) The total wages paid (including all pay and benefits provided) each pay period;

(7) A copy of notifications to employees of the amount of paid sick leave the employees have accrued as required under §13.5(a)(2);

(8) A copy of employees' requests to use paid sick leave, if in writing, or, if not in writing, any other records reflecting such employee requests;

(9) Dates and amounts of paid sick leave used by employees (unless a contractor's paid time off policy satisfies the requirements of Executive Order 13706 and this part as described in §13.5(f)(5), leave must be designated in

29 CFR Subtitle A (7-1-21 Edition)

records as paid sick leave pursuant to Executive Order 13706);

(10) A copy of any written responses to employees' requests to use paid sick leave, including explanations for any denials of such requests, as required under §13.5(d)(3);

(11) Any records relating to the certification and documentation a contractor may require an employee to provide under §13.5(e), including copies of any certification or documentation provided by an employee;

(12) Any other records showing any tracking of or calculations related to an employee's accrual and/or use of paid sick leave;

(13) The relevant covered contract;

(14) The regular pay and benefits provided to an employee for each use of paid sick leave; and

(15) Any financial payment made for unused paid sick leave upon a separation from employment intended, pursuant to §13.5(b)(5), to relieve a contractor from the obligation to reinstate such paid sick leave as otherwise required by §13.5(b)(4).

(b) *Segregation of time.* (1) If a contractor wishes to distinguish between an employee's covered and non-covered work (such as time spent performing work on or in connection with a covered contract versus time spent performing work on or in connection with non-covered contracts or time spent performing work on or in connection with a covered contract in the United States versus time spent performing work outside the United States, or to establish that time spent performing solely in connection with covered contracts constituted less than 20 percent of an employee's hours worked during a particular workweek), the contractor must keep records or other proof reflecting such distinctions. Only if the contractor adequately segregates the employee's time will time spent on non-covered work be excluded from hours worked counted toward the accrual of paid sick leave. Similarly, only if that contractor adequately segregates the employee's time may a contractor properly deny an employee's request to take leave under §13.5(d) on the ground that the employee was scheduled to perform non-covered work

during the time she asked to use paid sick leave.

(2) If a contractor estimates covered hours worked by an employee who performs work in connection with covered contracts pursuant to §13.5(a)(1)(i) or (iii), the contractor must keep records or other proof of the verifiable information on which such estimates are reasonably based. Only if the contractor relies on an estimate that is reasonable and based on verifiable information will an employee's time spent in connection with non-covered contracts be excluded from hours worked counted toward the accrual of paid sick leave. If a contractor estimates the amount of time an employee spends performing in connection with covered contracts, the contractor must permit the employee to use her paid sick leave during any work time for the contractor.

(c) If a contractor is not obligated by the Service Contract Act, Davis-Bacon Act, or Fair Labor Standards Act to keep records of an employee's hours worked, such as because the employee is employed in a bona fide executive, administrative, or professional capacity as those terms are defined in 29 CFR part 541, and the contractor chooses to use the assumption permitted by §13.5(a)(1)(iii), the contractor is excused from the requirement in paragraph (a)(4) of this section to keep records of the employee's number of daily and weekly hours worked.

(d)(1) Records relating to medical histories or domestic violence, sexual assault, or stalking, created by or provided to a contractor for purposes of Executive Order 13706, whether of an employee or an employee's child, parent, spouse, domestic partner, or other individual related by blood or affinity whose close association with the employee is the equivalent of a family relationship, shall be maintained as confidential records in separate files/records from the usual personnel files.

(2) If the confidentiality requirements of the Genetic Information Non-discrimination Act of 2008 (GINA), section 503 of the Rehabilitation Act of 1973, and/or the Americans with Disabilities Act (ADA) apply to medical information contained in records or documents that the contractor created

or received in connection with compliance with the recordkeeping or other requirements of this part, the records and documents must also be maintained in compliance with the confidentiality requirements of the GINA, section 503 of the Rehabilitation Act of 1973, and/or ADA as described in §1635.9 of this title, 41 CFR 60-741.23(d), and §1630.14(c)(1) of this title, respectively.

(3) The contractor shall not disclose any documentation used to verify the need to use 3 or more consecutive days of paid sick leave for the purposes listed in §13.5(c)(1)(iv) (as described in §13.5(d)(2)) and shall maintain confidentiality about any domestic abuse, sexual assault, or stalking, unless the employee consents or when disclosure is required by law.

(e) The contractor shall permit authorized representatives of the Wage and Hour Division to conduct interviews with employees at the worksite during normal working hours.

(f) Nothing in this part limits or otherwise modifies the contractor's recordkeeping obligations, if any, under the Davis-Bacon Act, the Service Contract Act, the Fair Labor Standards Act, the Family and Medical Leave Act, Executive Order 13658, their implementing regulations, or other applicable law.

§ 13.26 Notice.

(a) The contractor must notify all employees performing work on or in connection with a covered contract of the paid sick leave requirements of Executive Order 13706 and this part by posting a notice provided by the Department of Labor in a prominent and accessible place at the worksite so it may be readily seen by employees.

(b) Contractors that customarily post notices to employees electronically may post the notice electronically, provided such electronic posting is displayed prominently on any Web site that is maintained by the contractor, whether external or internal, and customarily used for notices to employees about terms and conditions of employment.

§ 13.27 Timing of pay.

The contractor shall compensate an employee for time during which the

§ 13.41

employee used paid sick leave no later than one pay period following the end of the regular pay period in which the paid sick leave was used.

Subpart D—Enforcement

§ 13.41 Complaints.

(a) Any employee, contractor, labor organization, trade organization, contracting agency, or other person or entity that believes a violation of the Executive Order or this part has occurred may file a complaint with any office of the Wage and Hour Division. No particular form of complaint is required. A complaint may be filed orally or in writing. If the complainant is unable to file the complaint in English, the Wage and Hour Division will accept the complaint in any language.

(b) It is the policy of the Department of Labor to protect the identity of its confidential sources and to prevent an unwarranted invasion of personal privacy. Accordingly, the identity of any individual who makes a written or oral statement as a complaint or in the course of an investigation, as well as portions of the statement which would reveal the individual's identity, shall not be disclosed in any manner to anyone other than Federal officials without the prior consent of the individual. Disclosure of such statements shall be governed by the provisions of the Freedom of Information Act, 5 U.S.C. 552, 29 CFR part 70, and the Privacy Act of 1974, 5 U.S.C. 552a.

§ 13.42 Wage and Hour Division conciliation.

After receipt of a complaint, the Administrator may seek to resolve the matter through conciliation.

§ 13.43 Wage and Hour Division investigation.

The Administrator may investigate possible violations of the Executive Order or this part either as the result of a complaint or at any time on his or her own initiative. As part of the investigation, the Administrator may conduct interviews with the relevant contractor, as well as the contractor's employees at the worksite during normal work hours; inspect the relevant contractor's records (including contract

29 CFR Subtitle A (7–1–21 Edition)

documents and payrolls, if applicable); make copies and transcriptions of such records; and require the production of any documentary or other evidence the Administrator deems necessary to determine whether a violation, including conduct warranting imposition of debarment, has occurred. Federal agencies and contractors shall cooperate with any authorized representative of the Department of Labor in the inspection of records, in interviews with employees, and in all aspects of investigations.

§ 13.44 Remedies and sanctions.

(a) *Interference.* When the Administrator determines that a contractor has interfered with an employee's accrual or use of paid sick leave in violation of § 13.6(a), the Administrator will notify the contractor and the relevant contracting agency of the interference and request that the contractor remedy the violation. If the contractor does not remedy the violation, the Administrator shall direct the contractor to provide any appropriate relief to the affected employee(s) in the investigative findings letter issued pursuant to § 13.51. Such relief may include any pay and/or benefits denied or lost by reason of the violation; other actual monetary losses sustained as a direct result of the violation; or appropriate equitable or other relief. Payment of liquidated damages in an amount equaling any monetary relief may also be directed unless such amount is reduced by the Administrator because the violation was in good faith and the contractor had reasonable grounds for believing it had not violated the Order or this part. The Administrator may additionally direct that payments due on the contract or any other contract between the contractor and the Federal Government be withheld as may be necessary to provide any appropriate monetary relief. Upon the final order of the Secretary that monetary relief is due, the Administrator may direct the relevant contracting agency to transfer the withheld funds to the Department of Labor for disbursement.

(b) *Discrimination.* When the Administrator determines that a contractor has discriminated against an employee

in violation of §13.6(b), the Administrator will notify the contractor and the relevant contracting agency of the discrimination and request that the contractor remedy the violation. If the contractor does not remedy the violation, the Administrator shall direct the contractor to provide appropriate relief to the affected employee(s) in the investigative findings letter issued pursuant to §13.51. Such relief may include, but is not limited to, employment, reinstatement, promotion, restoration of leave, or lost pay and/or benefits. Payment of liquidated damages in an amount equaling any monetary relief may also be directed unless such amount is reduced by the Administrator because the violation was in good faith and the contractor had reasonable grounds for believing the contractor had not violated the Order or this part. The Administrator may additionally direct that payments due on the contract or any other contract between the contractor and the Federal Government be withheld as may be necessary to provide any appropriate monetary relief. Upon the final order of the Secretary that monetary relief is due, the Administrator may direct the relevant contracting agency to transfer the withheld funds to the Department of Labor for disbursement.

(c) *Recordkeeping.* When a contractor fails to comply with the requirements of §13.25 in violation of §13.6(c), the Administrator will request that the contractor remedy the violation. If the contractor fails to produce required records upon request, the contracting officer, upon direction of an authorized representative of the Department of Labor, or under its own action, shall take such action as may be necessary to cause suspension of any further payment, advance, or guarantee of funds on the contract until such time as the violations are discontinued.

(d) *Debarment.* Whenever a contractor is found by the Secretary to have disregarded its obligations under the Executive Order or this part, such contractor and its responsible officers, and any firm, corporation, partnership, or association in which the contractor or responsible officers have an interest, shall be ineligible to be awarded any contract or subcontract subject to the

Executive Order for a period of up to 3 years from the date of publication of the name of the contractor or responsible officer on the excluded parties list currently maintained on the System for Award Management Web site, <http://www.SAM.gov>. Neither an order of debarment of any contractor or its responsible officers from further Government contracts nor the inclusion of a contractor or its responsible officers on a published list of noncomplying contractors under this section shall be carried out without affording the contractor or responsible officers an opportunity for a hearing before an Administrative Law Judge.

(e) *Civil actions to recover greater underpayments than those withheld.* If the payments withheld under §13.11(c) are insufficient to reimburse all monetary relief due, or if there are no payments to withhold, the Department of Labor, following a final order of the Secretary, may bring an action against the contractor in any court of competent jurisdiction to recover the remaining amount. The Department of Labor shall, to the extent possible, pay any sums it recovers in this manner directly to the employees who suffered the violation(s) of §13.6(a) or (b). Any sum not paid to an employee because of inability to do so within 3 years shall be transferred into the Treasury of the United States as miscellaneous receipts.

(f) *Retroactive inclusion of contract clause.* If a contracting agency fails to include the applicable contract clause in a contract to which the Executive Order applies, the contracting agency, on its own initiative or within 15 calendar days of notification by an authorized representative of the Department of Labor, shall incorporate the contract clause in the contract retroactive to commencement of performance under the contract through the exercise of any and all authority that may be needed (including, where necessary, its authority to negotiate or amend, its authority to pay any necessary additional costs, and its authority under any contract provision authorizing changes, cancellation, and termination).

Subpart E—Administrative Proceedings

§ 13.51 Disputes concerning contractor compliance.

(a) This section sets forth the procedures for resolution of disputes of fact or law concerning a contractor's compliance with this part. The procedures in this section may be initiated upon the Administrator's own motion or upon request of the contractor.

(b)(1) In the event of a dispute described in paragraph (a) of this section in which it appears that relevant facts are at issue, the Administrator will notify the affected contractor(s) and the prime contractor (if different) of the investigative findings by certified mail to the last known address.

(2) A contractor desiring a hearing concerning the Administrator's investigative findings letter shall request such a hearing by letter postmarked within 30 calendar days of the date of the Administrator's letter. The request shall set forth those findings that are in dispute with respect to the violations and/or debarment, as appropriate, explain how the findings are in dispute including by making reference to any affirmative defenses.

(3) Upon receipt of a timely request for a hearing, the Administrator shall refer the case to the Chief Administrative Law Judge by Order of Reference, to which shall be attached a copy of the investigative findings letter from the Administrator and response thereto, for designation to an Administrative Law Judge to conduct such hearings as may be necessary to resolve the disputed matters. The hearing shall be conducted in accordance with the procedures set forth in 29 CFR part 6.

(c)(1) In the event of a dispute described in paragraph (a) of this section in which it appears that there are no relevant facts at issue, and where there is not at that time reasonable cause to institute debarment proceedings under § 13.52, the Administrator shall notify the contractor(s) of the investigative findings by certified mail to the last known address, and shall issue a ruling in the investigative findings letter on any issues of law known to be in dispute.

(2)(i) If the contractor disagrees with the factual findings of the Administrator or believes that there are relevant facts in dispute, the contractor shall so advise the Administrator by letter postmarked within 30 calendar days of the date of the Administrator's letter. In the response, the contractor shall explain in detail the facts alleged to be in dispute and attach any supporting documentation.

(ii) Upon receipt of a timely response under paragraph (c)(2)(i) of this section alleging the existence of a factual dispute, the Administrator shall examine the information submitted. If the Administrator determines that there is a relevant issue of fact, the Administrator shall refer the case to the Chief Administrative Law Judge in accordance with paragraph (b)(3) of this section. If the Administrator determines that there is no relevant issue of fact, the Administrator shall so rule and advise the contractor accordingly.

(3) If the contractor desires review of the ruling issued by the Administrator under paragraph (c)(1) or the final sentence of (c)(2)(ii) of this section, the contractor shall file a petition for review thereof with the Administrative Review Board postmarked within 30 calendar days of the date of the ruling, with a copy thereof to the Administrator. The petition for review shall be filed in accordance with the procedures set forth in 29 CFR part 7.

(d) If a timely response to the Administrator's investigative findings letter is not made or a timely petition for review is not filed, the Administrator's investigative findings letter shall become the final order of the Secretary. If a timely response or petition for review is filed, the Administrator's letter shall be inoperative unless and until the decision is upheld by an Administrative Law Judge or the Administrative Review Board or otherwise becomes a final order of the Secretary.

§ 13.52 Debarment proceedings.

(a) Whenever any contractor is found by the Secretary of Labor to have disregarded its obligations to employees or subcontractors under Executive Order 13706 or this part, such contractor and its responsible officers, and any firm, corporation, partnership, or

association in which such contractor or responsible officers have an interest, shall be ineligible for a period up to 3 years to receive any contracts or subcontracts subject to Executive Order 13706 from the date of publication of the name or names of the contractor or persons on the excluded parties list currently maintained on the System for Award Management Web site, <http://www.SAM.gov>.

(b)(1) Whenever the Administrator finds reasonable cause to believe that a contractor has committed a violation of Executive Order 13706 or this part which constitutes a disregard of its obligations to employees or subcontractors, the Administrator shall notify by certified mail to the last known address or by personal delivery, the contractor and its responsible officers (and any firms, corporations, partnerships, or associations in which the contractor or responsible officers are known to have an interest), of the finding. The Administrator shall afford such contractor and any other parties notified an opportunity for a hearing as to whether debarment action should be taken under Executive Order 13706 or this part. The Administrator shall furnish to those notified a summary of the investigative findings. If the contractor or any other parties notified wish to request a hearing as to whether debarment action should be taken, such a request shall be made by letter to the Administrator postmarked within 30 calendar days of the date of the investigative findings letter from the Administrator, and shall set forth any findings which are in dispute and the reasons therefor, including any affirmative defenses to be raised. Upon receipt of such timely request for a hearing, the Administrator shall refer the case to the Chief Administrative Law Judge by Order of Reference, to which shall be attached a copy of the investigative findings letter from the Administrator and the response thereto, for designation of an Administrative Law Judge to conduct such hearings as may be necessary to determine the matters in dispute.

(2) Hearings under this section shall be conducted in accordance with the procedures set forth in 29 CFR part 6. If no hearing is requested within 30 cal-

endar days of the letter from the Administrator, the Administrator's findings shall become the final order of the Secretary.

§ 13.53 Referral to Chief Administrative Law Judge; amendment of pleadings.

(a) Upon receipt of a timely request for a hearing under § 13.51 (where the Administrator has determined that relevant facts are in dispute) or § 13.52 (debarment), the Administrator shall refer the case to the Chief Administrative Law Judge by Order of Reference, to which shall be attached a copy of the investigative findings letter from the Administrator and response thereto, for designation of an Administrative Law Judge to conduct such hearings as may be necessary to decide the disputed matters. A copy of the Order of Reference and attachments thereto shall be served upon the respondent. The investigative findings letter from the Administrator and response thereto shall be given the effect of a complaint and answer, respectively, for purposes of the administrative proceedings.

(b) At any time prior to the closing of the hearing record, the complaint (investigative findings letter) or answer (response) may be amended with the permission of the Administrative Law Judge and upon such terms as the Administrative Law Judge may approve. For proceedings pursuant to § 13.51, such an amendment may include a statement that debarment action is warranted under § 13.52. Such amendments shall be allowed when justice and the presentation of the merits are served thereby, provided there is no prejudice to the objecting party's presentation on the merits. When issues not raised by the pleadings are reasonably within the scope of the original complaint and are tried by express or implied consent of the parties, they shall be treated in all respects as if they had been raised in the pleadings, and such amendments may be made as necessary to make them conform to the evidence. The presiding Administrative Law Judge may, upon reasonable notice and upon such terms as are just, permit supplemental pleadings setting forth transactions, occurrences,

§ 13.54

or events that have happened since the date of the pleadings and that are relevant to any of the issues involved. A continuance in the hearing may be granted or the record left open to enable the new allegations to be addressed.

§ 13.54 Consent findings and order.

(a) At any time prior to the receipt of evidence or, at the Administrative Law Judge's discretion prior to the issuance of the Administrative Law Judge's decision, the parties may enter into consent findings and an order disposing of the proceeding in whole or in part.

(b) Any agreement containing consent findings and an order disposing of a proceeding in whole or in part shall also provide:

(1) That the order shall have the same force and effect as an order made after full hearing;

(2) That the entire record on which any order may be based shall consist solely of the Administrator's findings letter and the agreement;

(3) A waiver of any further procedural steps before the Administrative Law Judge and the Administrative Review Board regarding those matters which are the subject of the agreement; and

(4) A waiver of any right to challenge or contest the validity of the findings and order entered into in accordance with the agreement.

(c) Within 30 calendar days after receipt of an agreement containing consent findings and an order disposing of the disputed matter in whole, the Administrative Law Judge shall, if satisfied with its form and substance, accept such agreement by issuing a decision based upon the agreed findings and order. If such agreement disposes of only a part of the disputed matter, a hearing shall be conducted on the matters remaining in dispute.

§ 13.55 Administrative Law Judge proceedings.

(a) *Jurisdiction.* The Office of Administrative Law Judges has jurisdiction to hear and decide appeals concerning questions of law and fact from the Administrator's investigative findings letters issued under §§ 13.51 and 13.52.

29 CFR Subtitle A (7-1-21 Edition)

(b) *Proposed findings of fact, conclusions, and order.* Within 20 calendar days of filing of the transcript of the testimony or such additional time as the Administrative Law Judge may allow, each party may file with the Administrative Law Judge proposed findings of fact, conclusions of law, and a proposed order, together with a supporting brief expressing the reasons for such proposals. Each party shall serve such proposals and brief on all other parties.

(c) *Decision.* (1) Within a reasonable period of time after the time allowed for filing of proposed findings of fact, conclusions of law, and order, or within 30 calendar days of receipt of an agreement containing consent findings and order disposing of the disputed matter in whole, the Administrative Law Judge shall issue a decision. The decision shall contain appropriate findings, conclusions, and an order, and be served upon all parties to the proceeding.

(2) If the respondent is found to have violated Executive Order 13706 or this part, and if the Administrator requested debarment, the Administrative Law Judge shall issue an order as to whether the respondent is to be subject to the excluded parties list, including findings that the contractor disregarded its obligations to employees or subcontractors under the Executive Order or this part.

(d) *Limit on scope of review.* The Equal Access to Justice Act, as amended, does not apply to proceedings under this part. Accordingly, Administrative Law Judges shall have no authority to award attorney's fees and/or other litigation expenses pursuant to the provisions of the Equal Access to Justice Act for any proceeding under this part.

(e) *Orders.* If the Administrative Law Judge concludes a violation occurred, the final order shall mandate action to remedy the violation, including any monetary or equitable relief described in § 13.44. Where the Administrator has sought imposition of debarment, the Administrative Law Judge shall determine whether an order imposing debarment is appropriate.

(f) *Finality.* The Administrative Law Judge's decision shall become the final order of the Secretary, unless a timely

petition for review is filed with the Administrative Review Board.

§ 13.56 Petition for review.

(a) *Filing.* Within 30 calendar days after the date of the decision of the Administrative Law Judge (or such additional time as is granted by the Administrative Review Board), any party aggrieved thereby who desires review thereof shall file a petition for review of the decision with supporting reasons. Such party shall transmit the petition in writing to the Administrative Review Board with a copy thereof to the Chief Administrative Law Judge. The petition shall refer to the specific findings of fact, conclusions of law, or order at issue. A petition concerning the decision on debarment shall also state the disregard of obligations to employees and/or subcontractors, or lack thereof, as appropriate. A party must serve the petition for review, and all briefs, on all parties and the Chief Administrative Law Judge. It must also timely serve copies of the petition and all briefs on the Administrator, Wage and Hour Division, and on the Associate Solicitor, Division of Fair Labor Standards, Office of the Solicitor, U.S. Department of Labor, Washington, DC 20210.

(b) *Effect of filing.* If a party files a timely petition for review, the Administrative Law Judge's decision shall be inoperative unless and until the Administrative Review Board issues an order affirming the decision, or the decision otherwise becomes a final order of the Secretary. If a petition for review concerns only the imposition of debarment, however, the remainder of the decision shall be effective immediately. No judicial review shall be available unless a timely petition for review to the Administrative Review Board is first filed.

§ 13.57 Administrative Review Board proceedings.

(a) *Authority—(1) General.* The Administrative Review Board has jurisdiction to hear and decide in its discretion appeals concerning questions of law and fact from investigative findings letters of the Administrator issued under § 13.51(c)(1) or the final sentence of § 13.51(c)(2)(ii), Administrator's rulings

issued under § 13.58, and decisions of Administrative Law Judges issued under § 13.55.

(2) *Limit on scope of review.* (i) The Administrative Review Board shall not have jurisdiction to pass on the validity of any provision of this part. The Administrative Review Board is an appellate body and shall decide cases properly before it on the basis of substantial evidence contained in the entire record before it. The Administrative Review Board shall not receive new evidence into the record.

(ii) The Equal Access to Justice Act, as amended, does not apply to proceedings under this part. Accordingly, the Administrative Review Board shall have no authority to award attorney's fees and/or other litigation expenses pursuant to the provisions of the Equal Access to Justice Act for any proceeding under this part.

(b) *Decisions.* The Administrative Review Board's decision shall be issued within a reasonable period of time following receipt of the petition for review and shall be served upon all parties by mail to the last known address and on the Chief Administrative Law Judge (in cases involving an appeal from an Administrative Law Judge's decision).

(c) *Orders.* If the Board concludes a violation occurred, an order shall be issued mandating action to remedy the violation, including, but not limited to, any monetary or equitable relief described in § 13.44. Where the Administrator has sought imposition of debarment, the Administrative Review Board shall determine whether an order imposing debarment is appropriate. The ARB's order is subject to discretionary review by the Secretary as provided in Secretary's Order 01-2020 (or any successor to that order).

[85 FR 30617, May 20, 2020]

§ 13.58 Administrator ruling.

(a) Questions regarding the application and interpretation of the rules contained in this part may be referred to the Administrator, who shall issue an appropriate ruling. Requests for such rulings should be addressed to the Administrator, Wage and Hour Division, U.S. Department of Labor, Washington, DC 20210.

(b) Any interested party may appeal to the Administrative Review Board for review of a final ruling of the Administrator issued under paragraph (a) of this section. The petition for review shall be filed with the Administrative Review Board within 30 calendar days of the date of the ruling.

APPENDIX A TO PART 13—CONTRACT
CLAUSE

The following clause shall be included by the contracting agency in every contract, contract-like instrument, and solicitation to which Executive Order 13706 applies, except for procurement contracts subject to the Federal Acquisition Regulation (FAR):

(a) *Executive Order 13706.* This contract is subject to Executive Order 13706, the regulations issued by the Secretary of Labor in 29 CFR part 13 pursuant to the Executive Order, and the following provisions.

(b) *Paid Sick Leave.* (1) The contractor shall permit each employee (as defined in 29 CFR 13.2) engaged in the performance of this contract by the prime contractor or any subcontractor, regardless of any contractual relationship that may be alleged to exist between the contractor and employee, to earn not less than 1 hour of paid sick leave for every 30 hours worked. The contractor shall additionally allow accrual and use of paid sick leave as required by Executive Order 13706 and 29 CFR part 13. The contractor shall in particular comply with the accrual, use, and other requirements set forth in 29 CFR 13.5 and 13.6, which are incorporated by reference in this contract.

(2) The contractor shall provide paid sick leave to all employees when due free and clear and without subsequent deduction (except as otherwise provided by 29 CFR 13.24), rebate, or kickback on any account. The contractor shall provide pay and benefits for paid sick leave used no later than one pay period following the end of the regular pay period in which the paid sick leave was taken.

(3) The prime contractor and any upper-tier subcontractor shall be responsible for the compliance by any subcontractor or lower-tier subcontractor with the requirements of Executive Order 13706, 29 CFR part 13, and this clause.

(c) *Withholding.* The contracting officer shall, upon its own action or upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld from the prime contractor under this or any other Federal contract with the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay employees the full amount owed to compensate for any violation of the requirements of Executive

Order 13706, 29 CFR part 13, or this clause, including any pay and/or benefits denied or lost by reason of the violation; other actual monetary losses sustained as a direct result of the violation, and liquidated damages.

(d) *Contract Suspension/Contract Termination/Contractor Debarment.* In the event of a failure to comply with Executive Order 13706, 29 CFR part 13, or this clause, the contracting agency may on its own action or after authorization or by direction of the Department of Labor and written notification to the contractor, take action to cause suspension of any further payment, advance, or guarantee of funds until such violations have ceased. Additionally, any failure to comply with the requirements of this clause may be grounds for termination of the right to proceed with the contract work. In such event, the Government may enter into other contracts or arrangements for completion of the work, charging the contractor in default with any additional cost. A breach of the contract clause may be grounds for debarment as a contractor and subcontractor as provided in 29 CFR 13.52.

(e) The paid sick leave required by Executive Order 13706, 29 CFR part 13, and this clause is in addition to a contractor's obligations under the Service Contract Act and Davis-Bacon Act, and a contractor may not receive credit toward its prevailing wage or fringe benefit obligations under those Acts for any paid sick leave provided in satisfaction of the requirements of Executive Order 13706 and 29 CFR part 13.

(f) Nothing in Executive Order 13706 or 29 CFR part 13 shall excuse noncompliance with or supersede any applicable Federal or State law, any applicable law or municipal ordinance, or a collective bargaining agreement requiring greater paid sick leave or leave rights than those established under Executive Order 13706 and 29 CFR part 13.

(g) *Recordkeeping.* (1) Any contractor performing work subject to Executive Order 13706 and 29 CFR part 13 must make and maintain, for no less than three (3) years from the completion of the work on the contract, records containing the information specified in paragraphs (i) through (xv) of this section for each employee and shall make them available for inspection, copying, and transcription by authorized representatives of the Wage and Hour Division of the U.S. Department of Labor:

(i) Name, address, and Social Security number of each employee;

(ii) The employee's occupation(s) or classification(s);

(iii) The rate or rates of wages paid (including all pay and benefits provided);

(iv) The number of daily and weekly hours worked;

(v) Any deductions made;

(vi) The total wages paid (including all pay and benefits provided) each pay period;

(vii) A copy of notifications to employees of the amount of paid sick leave the employee has accrued, as required under 29 CFR 13.5(a)(2);

(viii) A copy of employees' requests to use paid sick leave, if in writing, or, if not in writing, any other records reflecting such employee requests;

(ix) Dates and amounts of paid sick leave taken by employees (unless a contractor's paid time off policy satisfies the requirements of Executive Order 13706 and 29 CFR part 13 as described in §13.5(f)(5), leave must be designated in records as paid sick leave pursuant to Executive Order 13706);

(x) A copy of any written responses to employees' requests to use paid sick leave, including explanations for any denials of such requests, as required under 29 CFR 13.5(d)(3);

(xi) Any records reflecting the certification and documentation a contractor may require an employee to provide under 29 CFR 13.5(e), including copies of any certification or documentation provided by an employee;

(xii) Any other records showing any tracking of or calculations related to an employee's accrual or use of paid sick leave;

(xiii) The relevant covered contract;

(xiv) The regular pay and benefits provided to an employee for each use of paid sick leave; and

(xv) Any financial payment made for unused paid sick leave upon a separation from employment intended, pursuant to 29 CFR 13.5(b)(5), to relieve a contractor from the obligation to reinstate such paid sick leave as otherwise required by 29 CFR 13.5(b)(4).

(2)(i) If a contractor wishes to distinguish between an employee's covered and non-covered work, the contractor must keep records or other proof reflecting such distinctions. Only if the contractor adequately segregates the employee's time will time spent on non-covered work be excluded from hours worked counted toward the accrual of paid sick leave. Similarly, only if that contractor adequately segregates the employee's time may a contractor properly refuse an employee's request to use paid sick leave on the ground that the employee was scheduled to perform non-covered work during the time she asked to use paid sick leave.

(ii) If a contractor estimates covered hours worked by an employee who performs work in connection with covered contracts pursuant to 29 CFR 13.5(a)(i) or (iii), the contractor must keep records or other proof of the verifiable information on which such estimates are reasonably based. Only if the contractor relies on an estimate that is reasonable and based on verifiable information will an employee's time spent in connection with non-covered work be excluded from hours worked counted toward the accrual of paid sick leave. If a contractor estimates the amount of time an employee spends performing in connection with covered con-

tracts, the contractor must permit the employee to use her paid sick leave during any work time for the contractor.

(3) In the event a contractor is not obligated by the Service Contract Act, the Davis-Bacon Act, or the Fair Labor Standards Act to keep records of an employee's hours worked, such as because the employee is exempt from the FLSA's minimum wage and overtime requirements, and the contractor chooses to use the assumption permitted by 29 CFR 13.5(a)(1)(iii), the contractor is excused from the requirement in paragraph (1)(d) of this section to keep records of the employee's number of daily and weekly hours worked.

(4)(i) Records relating to medical histories or domestic violence, sexual assault, or stalking, created for purposes of Executive Order 13706, whether of an employee or an employee's child, parent, spouse, domestic partner, or other individual related by blood or affinity whose close association with the employee is the equivalent of a family relationship, shall be maintained as confidential records in separate files/records from the usual personnel files.

(ii) If the confidentiality requirements of the Genetic Information Nondiscrimination Act of 2008 (GINA), section 503 of the Rehabilitation Act of 1973, and/or the Americans with Disabilities Act (ADA) apply to records or documents created to comply with the recordkeeping requirements in this contract clause, the records and documents must also be maintained in compliance with the confidentiality requirements of the GINA, section 503 of the Rehabilitation Act of 1973, and/or ADA as described in 29 CFR 1635.9, 41 CFR 60-741.23(d), and 29 CFR 1630.14(c)(1), respectively.

(iii) The contractor shall not disclose any documentation used to verify the need to use 3 or more consecutive days of paid sick leave for the purposes listed in 29 CFR 13.5(c)(1)(iv) (as described in 29 CFR 13.5(e)(1)(ii)) and shall maintain confidentiality about any domestic abuse, sexual assault, or stalking, unless the employee consents or when disclosure is required by law.

(5) The contractor shall permit authorized representatives of the Wage and Hour Division to conduct interviews with employees at the worksite during normal working hours.

(6) Nothing in this contract clause limits or otherwise modifies the contractor's recordkeeping obligations, if any, under the Davis-Bacon Act, the Service Contract Act, the Fair Labor Standards Act, the Family and Medical Leave Act, Executive Order 13658, their respective implementing regulations, or any other applicable law.

(h) The contractor (as defined in 29 CFR 13.2) shall insert this clause in all of its covered subcontracts and shall require its sub-contractors to include this clause in any covered lower-tier subcontracts.

Pt. 14

(i) *Certification of Eligibility.* (1) By entering into this contract, the contractor (and officials thereof) certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of the sanctions imposed pursuant to section 5 of the Service Contract Act, section 3(a) of the Davis-Bacon Act, or 29 CFR 5.12(a)(1).

(2) No part of this contract shall be subcontracted to any person or firm whose name appears on the list of persons or firms ineligible to receive Federal contracts currently maintained on the System for Award Management Web site, <http://www.SAM.gov>.

(3) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001.

(j) *Interference/Discrimination.* (1) A contractor may not in any manner interfere with an employee's accrual or use of paid sick leave as required by Executive Order 13706 or 29 CFR part 13. Interference includes, but is not limited to, miscalculating the amount of paid sick leave an employee has accrued, denying or unreasonably delaying a response to a proper request to use paid sick leave, discouraging an employee from using paid sick leave, reducing an employee's accrued paid sick leave by more than the amount of such leave used, transferring an employee to work on non-covered contracts to prevent the accrual or use of paid sick leave, disclosing confidential information contained in certification or other documentation provided to verify the need to use paid sick leave, or making the use of paid sick leave contingent on the employee's finding a replacement worker or the fulfillment of the contractor's operational needs.

(2) A contractor may not discharge or in any other manner discriminate against any employee for:

(i) Using, or attempting to use, paid sick leave as provided for under Executive Order 13706 and 29 CFR part 13;

(ii) Filing any complaint, initiating any proceeding, or otherwise asserting any right or claim under Executive Order 13706 and 29 CFR part 13;

(iii) Cooperating in any investigation or testifying in any proceeding under Executive Order 13706 and 29 CFR part 13; or

(iv) Informing any other person about his or her rights under Executive Order 13706 and 29 CFR part 13.

(k) *Waiver.* Employees cannot waive, nor may contractors induce employees to waive, their rights under Executive Order 13706, 29 CFR part 13, or this clause.

(l) *Notice.* The contractor must notify all employees performing work on or in connection with a covered contract of the paid sick leave requirements of Executive Order 13706, 29 CFR part 13, and this clause by posting a notice provided by the Department of Labor

29 CFR Subtitle A (7-1-21 Edition)

in a prominent and accessible place at the worksite so it may be readily seen by employees. Contractors that customarily post notices to employees electronically may post the notice electronically, provided such electronic posting is displayed prominently on any Web site that is maintained by the contractor, whether external or internal, and customarily used for notices to employees about terms and conditions of employment.

(m) *Disputes concerning labor standards.* Disputes related to the application of Executive Order 13706 to this contract shall not be subject to the general disputes clause of the contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR part 13. Disputes within the meaning of this contract clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.

AUTHORITY: E.O. 12356 of April 2, 1982 (47 FR 14874).

SOURCE: 50 FR 51391, Dec. 17, 1985, unless otherwise noted.

Subpart A—Introduction to Security Regulations

§ 14.1 Purpose.

These regulations implement Executive Order 12356, entitled National Security Information, dated April 2, 1982, and directives issued pursuant to that Order through the National Security

Office of the Secretary of Labor

§ 14.4

Council and the Atomic Energy Act of 1954, as amended.

§ 14.2 Policy.

The interests of the United States and its citizens are best served when information regarding the affairs of Government is readily available to the public. Provisions for such an informed citizenry are reflected in the Freedom of Information Act (5 U.S.C. 552) and in the current public information policies of the executive branch.

(a) *Safeguarding national security information.* Some official information within the Federal Government is directly concerned with matters of national defense and the conduct of foreign relations. This information must, therefore, be subject to security constraints, and limited in term of its distribution.

(b) *Exemption from public disclosure.* Official information of a sensitive nature, hereinafter referred to as national security information, is expressly exempted from compulsory public disclosure by Section 552(b)(1) of title 5 U.S.C. Persons wrongfully disclosing such information are subject to prosecution under United States criminal laws.

(c) *Scope.* To ensure that national security information is protected, but only to the extent and for such a period as is necessary, these regulations:

(1) Identify information to be protected.

(2) Prescribe procedures on classification, declassification, downgrading, and safeguarding of information.

(3) Establish a monitoring system to ensure the effectiveness of the Department of Labor (DOL) security program and regulations.

(d) *Limitation.* The need to safeguard national security information in no way implies an indiscriminate license to withhold information from the public. It is important that the citizens of the United States have access, consistent with national security, to information concerning the policies and programs of their Government.

§ 14.3 DOL Classification Review Committee.

A DOL Classification Review Committee is hereby established.

(a) Composition of committee. The members of this Committee are:

Chairperson—Deputy Assistant Secretary for Security and Emergency Management, OASAM.

Member—Administrative Officer, Office of the Solicitor.

Member—Director, Office of Foreign Relations, Bureau of International Labor Affairs.

Advisor—DOL Document Security Officer.

(b) *Responsibilities.* The Committee is responsible for:

(1) Acting on all suggestions and complaints arising with respect to the DOL's information security program.

(2) Reviewing all requests for records under the Freedom of Information Act, 5 U.S.C. 552, when a proposed denial is based on classification under Executive Order 12356 to determine if such classification is current.

(3) Recommending to the Secretary of Labor appropriate administrative actions to correct abuses or violations of any provision of Executive Order 12356 or directives thereunder. Recommended administrative actions may include notification by warning letter, formal reprimand, and, to the extent permitted by law, suspension without pay and removal. Upon receipt of any such recommendation, the Secretary shall immediately advise the Committee of the action taken.

Subpart B—Review of Classified Information

§ 14.10 Mandatory review for declassification.

(a) *Scope of review.* The mandatory review procedures apply to information originally classified by the DOL when it had such authority, i.e., before December 1, 1978. Requests may come from members of the public or a government employee or agency. The procedures do not apply to information originated by other agencies and merely held in possession of the DOL. Requests for disclosure submitted under provisions of the Freedom of Information Act are to be processed in accordance with provisions of that Act.

(b) *Where requests should be directed.* Requests for mandatory review for declassification should be directed to the Department of Labor, Office of the Assistant Secretary for Administration and Management (OASAM), Washington, DC 20210. Requests should be in writing and should reasonably describe the classified information to allow identification. Whenever a request does not reasonably describe the information sought, the requestor will be notified that unless additional information is provided or the scope of the request is narrowed, no further action will be undertaken.

(c) *Processing.* The OASAM will assign the request for information to the appropriate DOL office for declassification consideration. A decision will be made within 60 days as to whether the requested information may be declassified and, if so, made available to the requestor. If the information may not be released in whole or in part, the requestor will be given a brief statement

as to the reasons for denial, and a notice of the right to appeal the determination to the DOL Classification Review Committee, Office of the Assistant Secretary for Administration and Management, Washington, DC 20210. The requestor is to be told that such an appeal must be filed with the DOL within 60 days.

(d) *Appeals procedure.* The DOL Classification Review Committee will review and act within 30 days on all applications and appeals for the declassification of information. The Committee is authorized to overrule on behalf of the Secretary, Agency determinations in whole or in part, when it decides that continued protection is not required. It will notify the requestor of the declassification and provide the information. If the Committee determines that continued classification is required, it will promptly notify the requestor and provide the reasons for the determination.

(e) *Burden of proof.* In evaluating requests for declassification the DOL Classification Review Committee will require the DOL office having jurisdiction over the document to prove that continued classification is warranted.

(f) *Fees.* If the request requires a service for which fair and equitable fees may be charged pursuant to title 5 of the Independent Office Appropriation Act, 31 U.S.C. 483a (1976), the requestor will be notified and charged.

Subpart C—Transmission of Classified Information

§ 14.20 Dissemination to individuals and firms outside the executive branch.

Request for classified information received from sources outside the executive branch of the Federal Government, provided the information has been originated by the DOL, will be honored in accordance with the following guidelines:

(a) *Top Secret information.* All requests for Top Secret information by an individual or firm outside the executive branch must be referred promptly to the OASAM for consideration on an individual basis.

(b) *Secret and Confidential information.* Subject to the restrictions below, Se-

cret or Confidential information may be furnished to an individual or firm outside the executive branch if the action furthers the official program of the organization unit in which the information originated. The official furnishing such information must ensure that the individuals to whom the information is to be furnished have the appropriate DOL clearance, or at least clearance for the same or higher classification for another Federal department, or outside agency whose security clearances are acceptable to the DOL. The official must also ensure that the person to whom the classified information is being furnished possess the proper facilities for safeguarding such information. No Secret or Confidential information may be furnished to an individual or firm outside the executive branch without written concurrence from the primary organizational unit head or the Security Officer of that unit.

(d) *Requests from outside the United States.* All requests from outside the United States for Top Secret, Secret or Confidential information, except those received from foreign offices of the primary organizational unit or from U.S. embassies or similar missions, will be referred to the Deputy Under Secretary for International Labor Affairs.

(e) *Access by historical researchers.* Individuals outside the executive branch engaged in historical research may be authorized access to classified information over which the DOL has jurisdiction provided:

(1) The research and need for access conform to the requirements of section 4-3 of Executive Order 12356.

(2) The information requested is reasonably accessible and can be located and compiled with a reasonable amount of effort.

§ 14.21

(3) The researcher agrees to safeguard the information in a manner consistent with E.O. 12356 and directives thereunder.

(4) The researcher agrees to a review of the notes and manuscript to determine that no classified information is contained therein.

Authorization for access is valid for the period required but no longer than two years from the date of issuance unless it is renewed under the conditions and regulations governing its original authorization.

(f) *Access by former presidential appointees.* Individuals who have previously occupied policymaking positions to which they were appointed by the President may be authorized access to classified information which they originated, reviewed, signed, or received while in public office. Upon request, information identified by such individuals will be reviewed for declassification in accordance with the provisions of these regulations.

National security information will be released to foreign governments in accordance with the criteria and procedures stated in the President's Directive entitled "Basic Policy Governing the Release of Classified Defense Information to Foreign Governments" dated September 25, 1958. All requests for the release of such information will be referred to the Deputy Under Secretary for International Labor Affairs.

This subpart is issued subject to and consistent with applicable regulations on administrative claims under the Federal Tort Claims Act issued by the Attorney General (28 CFR part 14).

(c) Subpart C of this part provides the procedures for processing claims filed by or on behalf of employees of the Department of Labor for loss of or damage to personal property incident to their service with the Department under the Military Personnel and Civilian Employees' Claims Act of 1964.

(d) Subpart D of this part provides the procedures used in processing claims relating to damage to persons or property arising out of the operation of Job Corps, pursuant to the Workforce Investment Act, including damages under the Federal Tort Claims Act, damage to personal property of Job Corps students, and claims which the Secretary of Labor finds to be a proper charge against the United States but which are not cognizable under the Federal Tort Claims Act.

§ 15.2 What definitions apply to this part?

(a) *Department* means the Department of Labor.

(b) *Organizational unit* means the jurisdictional area of each Assistant Secretary and each office head within the Department reporting directly to the Secretary.

Subpart B—Claims Against the Government Under the Federal Tort Claims Act

§ 15.100 What claims against the Department are covered by the FTCA?

(a) The FTCA is a limited waiver of sovereign immunity that allows claims for money damages against the Department for negligent acts or omissions of its employees acting within the course and scope of their employment. Subject to the exception set forth in paragraph (b) of this section, all such claims against the Department should be handled under the procedures in this subpart.

(b) In instances where a third party has agreed to insure the Federal government, such as under a U.S. Government Car Rental Agreement, claimants are required to pursue those claims in accordance with such agreements.

§ 15.101 Who may file an administrative claim under the FTCA against the Department?

(a) A claim for the injury to or loss of property may be presented by the owner of the property, his or her duly authorized agent, or his or her legal representative.

(b) A claim for personal injury may be presented by the injured person, his or her duly authorized agent, or his or her legal representative.

(c) A claim for death may be presented by the executor or administrator of the decedent's estate or by any other person legally entitled to assert such a claim in accordance with applicable State law.

(d) A claim presented by an agent or legal representative shall be presented

29 CFR Subtitle A (7–1–21 Edition)

in the name of the claimant, be signed by the agent or representative, show the title or legal capacity of the person signing and be accompanied by evidence of his or her authority to present a claim on behalf of the claimant as agent, executor, administrator, parent, guardian, or legal representative.

(e) Only claims involving alleged acts or omissions of Department employees (including Job Corps students) should be presented to the Department.

§ 15.102 May an insurance company file an FTCA administrative claim on behalf of a claimant?

(a) A claim for loss wholly compensated by an insurance company may be presented by that company.

(b) A claim for loss partially compensated by an insurance company may be presented by the company or the insured individually, in accordance with their respective interests or jointly. It should be noted, however, that if the insurance company claims only part of the insured's interests, an acceptance of that claim may bar any additional claim by the insured for damages beyond that claimed by the insurance company as such acceptance would be in full and final settlement of all such claims arising out of the incident that gave rise to the claim as described in § 15.110(b).

(c) If the claimant is directly compensated by the Department for medical bills under this subpart, the claimant may be required to reimburse his or her insurance company in accordance with the terms of his or her insurance policy if the company has already paid those bills.

(d) Whenever an insurance company presents a claim on behalf of the insured (such as a claim for an auto loss that includes the deductible), it shall present with its claim appropriate evidence that it has the rights of a subrogee, such as a copy of the signed policy.

§ 15.103 May an agent or legal representative file an FTCA administrative claim on behalf of a claimant?

(a) An agent or legal representative may file a claim on behalf of a claimant.

Office of the Secretary of Labor

(c) If a representative is dismissed from representing a claimant before the claim is resolved, the representative may not place a lien on the claimant's recoveries under the claim.

(d) Any purported representative of a minor must provide documentation that he or she is the legal agent of that minor.

§ 15.104 Where should the FTCA administrative claim be filed?

(a) Only claims involving alleged acts or omissions of Department employees should be presented to the Department. For the purposes of this subpart, an FTCA claim shall be deemed to have been presented when the Department receives, at a place designated in paragraph (b) of this section, a properly executed "Claim for Damage, Injury, or Death" on Standard Form 95, or other written notification of an incident accompanied by a claim for money damages in a sum certain for injury to or loss of property or personal injury or death by reason of the incident.

(b) In any FTCA case where the claim seeks damages for an incident resulting in aggregate claims in excess of \$25,000 or which involves an alleged act or omission of an employee of the Department whose official duty station is in Washington, DC, the claimant shall mail or deliver the claim for money damages for injury to or loss of property or personal injury or death caused by the negligent or wrongful act or omission of any employee of the Department while acting within the scope of office or employment to the Counsel for Claims and Compensation, Office of the Solicitor, U.S. Department of Labor, 200 Constitution Avenue NW., Suite S4325, Washington, DC 20210.

(c) In all other cases, the claimant shall submit his or her claim to the official duty station of the employee whose act or omission forms the basis of the complaint, which should be immediately forwarded to the appropriate Regional Office of the Office of the So-

In addition, the claimant may be required to submit to a physical or mental examination by a physician employed or designated by the Department or another Federal agency. A copy of the report of the examining physician shall be made available to the claimant upon the claimant's written request.

(2) Itemized bills for medical, dental and hospital, or any other, expenses incurred or itemized receipts of payment for such expenses.

(3) If the prognosis reveals the necessity for future treatment, a statement of expected expenses for such treatment.

(4) Any other evidence or information which may have a bearing on either the responsibility of the United States for the personal injury or the damages claimed.

(b) *Death.* In support of a claim based on death, the claimant may be required to submit the following evidence or information:

(1) An authenticated death certificate, an autopsy report and or other competent evidence that includes cause or causes of death, date of death, and age of the decedent.

(2) Decedent's employment or occupation at the time of death, including his or her monthly or yearly salary or earnings (if any), and the duration of his or her last employment or occupation.

(6) Itemized bills for medical and burial expenses incurred by reason of the incident causing death, or itemized receipts of payment for such expenses.

(7) If damages for pain and suffering prior to death are claimed, a physician's detailed statement specifying the injuries suffered, duration of pain and suffering, any drugs administered for pain, and the decedent's physical condition in the interval between injury and death.

(8) Any other evidence or information which may have a bearing on either the responsibility of the United States for the death or damages claimed.

(c) *Property damages.* In support of a claim for injury to or loss of property, real or personal, the claimant may be required to submit the following evidence or information with respect to each item of property:

(1) Proof of ownership.

(2) A detailed statement of the amount claimed.

(3) An itemized receipt of payment for necessary repairs or itemized written estimates of the cost of such repairs.

(4) A statement listing date of purchase, purchase price, and salvage value where repair is not economical.

(5) Any other evidence or information which may have a bearing on either the responsibility of the United States for the injury to or loss of property or the damages claimed.

(d) *Loss of income.* In support of a claim based on loss of income, the claimant may be required to submit the following evidence or information:

(1) A written statement from his or her employer showing actual time lost from employment, whether he or she is a full or part-time employee, and wages or salary actually lost.

29 CFR Subtitle A (7-1-21 Edition)

(2) If the claimant is self-employed, documentary evidence showing the amount of earnings lost such as:

(i) Income tax returns for several years prior to the injury in question and the year in which the injury occurred may be used to indicate or measure lost income; or

(3) Any other evidence or information which may have a bearing on either the responsibility of the United States for the personal injury or the damages claimed.

§ 15.106 How is the administrative claim processed?

(a) *Investigation.* When an organizational unit learns of an incident that reasonably can be expected to result in an allegation of harm caused to an individual or organization by an alleged negligent act or omission by an employee of that organizational unit or when it learns of an administrative claim or of litigation alleging such harm, it has the responsibility to fully investigate the incident and to take all actions necessary to preserve all relevant documents and other evidence. Each organizational unit should institute appropriate procedures to ensure that notification of such incidents are reported to the office responsible for ensuring that evidence is preserved and investigation undertaken.

(b) *Notification.* Upon receipt of an administrative claim under the Act or of notice of litigation seeking damages for an alleged negligent act or omission of an employee of the Department acting within the scope of his or her employment, the Office of the Solicitor shall notify the organizational unit responsible for the activity which gave rise to the claim or litigation and shall provide a copy of the administrative claim or the claim filed in the litigation.

(c) *FTCA Contact.* Each organizational unit will establish an FTCA contact, unless this requirement is waived by the Counsel for Claims and Compensation. The FTCA contact will coordinate and oversee the preservation

of documents related to the circumstances of all claims arising from his or her organizational unit. The FTCA contact will arrange for the preparation and submission of the Administrative Report relating to each claim within 30 days after notification of receipt of an administrative claim, unless the Office of the Solicitor grants additional time.

(d) *Litigation.* During the course of any litigation, organizational units are responsible for providing assistance to the Office of the Solicitor in responding to discovery requests such as interrogatories and requests to produce documents, for providing assistance in analyzing factual and program issues, for providing witnesses for depositions and trials, and for assistance in producing affidavits and exhibits for use in the litigation.

§ 15.107 What must be provided in the administrative report?

(a) The administrative report shall be in the form of a single memorandum in narrative form with attachments. It should contain all of the following elements, unless permission is obtained from the Office of the Solicitor to dispense with a particular element:

(1) A brief explanation of the organization and operation of the program involved including statutory authority and applicable regulations;

(2) A complete description of the events that gave rise to the claim or litigation, including a specific response to every allegation in the claim or litigation;

(3) Any information available regarding the questions of whether the claimant or plaintiff actually suffered the harm alleged in the claim or litigation and what individual or organization caused any harm which appears to have occurred;

(4) Any information available regarding the damages claimed;

(5) Any policy reasons which the organizational unit wishes to advance for or against settlement of the claim or litigation; and

(6) Details of any claims the Department may have against the claimant or plaintiff, whether or not they appear to be related to the subject matter of the claim or litigation.

(b) A copy of all documents relevant to the issues involved in the claim or litigation should be attached to each copy of the Administrative Report. Original records should not be forwarded to the Office of the Solicitor unless specifically requested. They should be preserved, however, and remain available for litigation if necessary.

(c) Organizational units should ensure that all Administrative Reports are either prepared or reviewed by an official of the organizational unit who was not personally involved in the incident in question prior to filing of the claim or suit.

(d) The Office of the Solicitor may waive the requirement of an Administrative Report. If the Administrative Report is waived, the organizational unit or units involved in the circumstances of the claim or litigation shall provide certification from the supervisor of the employee whose alleged negligent act or omission gave rise to the claim, certifying that the employee was acting within the scope of his or her employment at the time of the alleged negligent act or omission.

§ 15.108 Who is authorized to decide an administrative claim?

(a) The Counsel for Claims and Compensation shall have the authority to consider, ascertain, adjust, determine, compromise and settle claims pursuant to the Federal Tort Claims Act which involve an alleged negligent or wrongful act or omission of an employee whose official duty station is the Department's national office in Washington, DC, or which involve aggregate claims in excess of \$25,000, or which involve a new point of law or a question of policy.

(b) Regional Solicitors and the Associate Regional Solicitors are authorized to consider, ascertain, adjust, determine, compromise and settle claims arising in their respective jurisdictions pursuant to the Federal Tort Claims Act where the aggregate claimed does not exceed \$25,000 in amount and which do not involve a new point of law or a question of policy.

§ 15.109

§ 15.109 What if the claim is denied?

Denial of an administrative claim under this subpart shall be in writing, and notification of denial shall be sent to the claimant, or his or her attorney or legal representative by certified or registered mail. The notification of final denial shall include a statement of the reasons for the denial and shall include a statement that, if the claimant is dissatisfied with the Department's action, that claimant may file suit in an appropriate U.S. District Court not later than 6 months after the date of mailing of the notification.

§ 15.110 What must a claimant do if the administrative claim is approved?

(a) Payment of a claim approved under this subpart is contingent upon claimant's execution of the appropriate forms, such as the SF-194, SF-196, or SF-197, in accordance with instructions by the Department of Justice and/or the Judgment Fund. When a claimant is represented by an attorney, the voucher for payment shall designate the claimant as payee (as the beneficial interest holder), and the check shall be delivered to the attorney whose address appears on the voucher.

(b) Acceptance by the claimant, or his or her agent or legal representative, of an award, compromise, or settlement under 28 U.S.C. 2672 or 28 U.S.C. 2677 is final and conclusive on the claimant, his or her agent or legal representative, and any other person on whose behalf or for whose benefit the claim has been presented and constitutes a complete release of any claim against the United States and against any officer or employee of the Government whose act or omission gave rise to the claim by reason of the same subject matter.

§ 15.111 If the administrative claim is approved, how is the award paid?

(a) Any award, compromise, or settlement in the amount of \$2,500 or less made pursuant to this section shall be paid by the Secretary of Labor out of appropriations available to the Department.

(b) Payment of an award, compromise, or settlement in an amount in excess of \$2,500 made pursuant to this

29 CFR Subtitle A (7-1-21 Edition)

subpart shall be made in accordance with 28 CFR 14.10.

(c) An award, compromise or settlement of a claim under 28 U.S.C. 2672 and this subpart in excess of \$25,000 may be effected only with the prior written approval of the Attorney General or his designee. For the purpose of this subpart, a principal claim and any derivative or subrogated claim shall be treated as a single claim.

Subpart C—Claims Under the Military Personnel and Civilian Employees' Claims Act of 1964

§ 15.200 What is a claim under the MPCECA and who may file such a claim?

(a) A claim under the MPCECA for damage or loss is allowable only if the property involved was being used incident to service with the Department.

(b) A claim may be made under this subpart by an employee of the Department or by a spouse or authorized agent, or legal representative on behalf of the employee. If the employee is deceased, the claim may be filed by a survivor in the following order of preference: Spouse, children, parent, brother or sister or the authorized agent or legal representative of such person or persons.

(c) An MPCECA claim may not be made by or for the benefit of an insurance company, subrogee, assignee, conditional vendor or other third party.

§ 15.201 Where should the MPCECA claim be filed?

(a) If the claimant's official duty station is at the Department's national office in Washington, DC, or if the claim is for an amount in excess of \$25,000, the claim should be filed with the Counsel for Claims and Compensation, Office of the Solicitor of Labor, U.S. Department of Labor, Suite S4325, 200 Constitution Avenue NW., Washington, DC, 20210.

(b) In all other cases, the claimant shall address the claim to the regional or branch office of the Office of the Solicitor servicing the claimant's official duty station.

§ 15.202 How is a claim filed under the MPCECA?

(a) A claim under this subpart must be presented in writing. A sample claim, located on the Department's Office of the Solicitor, Federal Employees' and Energy Workers' Compensation Division Web site at *www.dol.gov*, is provided as an example for convenience of filing. The SF-95 for FTCA claims is not an appropriate form for a MPCECA claim.

(b) The claimant is responsible for substantiating ownership or possession, the facts surrounding the loss or damage, and the value of the property. Any claim filed must be accompanied by the following:

(1) A written statement, signed by the claimant or his or her authorized agent, setting forth the circumstances under which the damage or loss occurred. This statement may also include:

(i) A description of the type, design, model number or other identification of the property.

(ii) The date of purchase or acquisition and the original cost of the property.

(iii) The location of the property when the loss or damage occurred.

(iv) The value of the property when lost or damaged.

(v) The actual or estimated cost of the repair of any damaged item.

(vi) The purpose of and authority for travel, if the loss or damage occurred incident to transportation or to the use of a motor vehicle.

(vii) Any and all available information as to the party responsible for the loss or damage, if such party is someone other than the claimant, and all information as to insurance contracts, whether held by the claimant or by the party responsible.

(2) Copies of all available and appropriate documents such as bills of sale, estimates of repairs, or travel orders. In the case of an automobile, the claimant must file two estimates of repair or a certified paid bill showing the damage incurred and the cost of all parts, labor and other items necessary to the repair of the vehicle or a statement from an authorized dealer or repair garage showing that the cost of such repairs exceeds the value of the

vehicle. The Office of the Solicitor may waive the requirement of two estimates of repair.

(3) A copy of the power of attorney or other authorization if someone other than the employee files the claim.

(4) A statement from the employee's immediate supervisor confirming that possession of the property was reasonable, useful or proper under the circumstances and that the damage or loss was incident to service.

§ 15.203 When should a claim under the MPCECA be filed?

A claim under this subpart may be allowed only if it is filed in writing within 2 years after accrual of the claim. For the purpose of this part, a claim accrues at the later of:

(a) The time of the accident or incident causing the loss or damage;

(b) Such time as the loss or damage should have been discovered by the claimant by the exercise of due diligence; or

(c) Such time as cause preventing filing no longer exists or as war or armed conflict ends, whichever is earlier, if a claim otherwise accrues during war or an armed conflict or has accrued within 2 years before war or an armed conflict begins, and for cause shown.

§ 15.204 Are there limits on claims under the MPCECA?

(a) The maximum amount that can be paid for any claim under the MPCECA is \$40,000, or, if the claim arises from emergency evacuation or extraordinary circumstances, up to \$100,000, and property may be replaced in kind at the option of the Government. 31 U.S.C. 3721(b)(1).

(b) The Department is not an insurer and does not underwrite all personal property losses that an employee may sustain. Employees are encouraged to carry private insurance to the maximum extent practicable to avoid losses, which may not be recoverable from the Department.

§ 15.205 What types of claims for property damage are allowed under the MPCECA?

(a) Claims for property damage are allowed under the MPCECA only if the

§ 15.206

property involved was being used incident to service with the Department and:

(1) The damage or loss was not caused wholly or partly by the negligent or wrongful act or omission of the claimant, his or her agent, the members of his or her family, or his or her private employee (the standard to be applied is that of reasonable care under the circumstances); and

(2) The possession of the property lost or damaged and the quantity and the quality possessed is determined by the claimant's supervisor to have been reasonable, useful or proper under the circumstances; and

(3) The claim is substantiated by proper and convincing evidence.

(b) Claims otherwise allowable under this subpart shall not be disallowed solely because the claimant was not the legal owner of the property for which the claim is made.

§ 15.206 What claims arising at a residence or Telework location may be covered under the MPCECA?

(a) Claims arising at a residence, Telework center or other flexiplace location may be covered under the MPCECA.

(b) For the purpose of this subpart, residence means a house, apartment or other location that is a Department employee's principal abode.

(c) Claims for property damage at an alternative work location at which the employee is performing duties pursuant to an approved Telework agreement may be covered by the MPCECA if the property was being used incident to service with the Department, as, for the purposes of this subpart, that location is considered to be an official duty station. Under most circumstances, property damage will only be allowed if it occurs at or in connection with the employee's workstation.

(d) Claims under the MPCECA at a residence not covered by paragraph (c) of this section may be allowable for damage to, or loss of, property arising from fire, flood, hurricane, other natural disaster, theft, or other unusual occurrence, if the property was being used incident to service with the Department, while such property is located at:

29 CFR Subtitle A (7-1-21 Edition)

(1) Residences within the 50 States or the District of Columbia that were assigned to the claimant or otherwise provided in kind by the United States; or

(2) Residences outside the 50 States and the District of Columbia that were occupied by the claimant, whether or not they were assigned or otherwise provided in kind by the United States, except when the claimant is a civilian employee who is a local inhabitant; or

(3) Any warehouse, office, working area or other place (except residences) authorized or apparently authorized for the reception or storage of property.

§ 15.207 What are examples of claims allowed under the MPCECA?

The following are examples of the principal types of allowable claims, but these examples are not exclusive; other claims may be allowed, unless hereinafter excluded:

(a) *Transportation or travel losses.* Claims may be allowed for damage to, or loss of, property incident to transportation or storage pursuant to order or in connection with travel under orders, including property in the custody of a carrier, an agent or agency of the Government, or the claimant.

(b) *Enemy action or public service.* Claims may be allowed for damage to, or loss of, property as a direct consequence of:

(1) Enemy action or threat thereof, or terrorism, combat, guerrilla, brigandage, or other belligerent activity, or unjust confiscation by a foreign power or its nationals.

(2) Action by the claimant to quiet a civil disturbance or to alleviate a public disaster.

(3) Efforts by the claimant to save human life or Government property.

(c) *Property used for the benefit of the Government.* Claims may be allowed for damage to, or loss of, property when used for the benefit of the Government at the request of, or with the knowledge and consent of superior authority.

(d) *Electronics and cellular phones.* Claims may be allowed for loss of, or damage to, cellular phones, personal data assistants and similar communication and electronic devices subject to the limitations in § 15.209(e).

(e) *Clothing and accessories.* Claims may be allowed for damage to, or loss of, clothing and accessories customarily worn on the person, such as eyeglasses, hearing aids, or dentures subject to the limitations in §15.209(e).

(f) *Expenses incident to repair.* Claimants may be reimbursed for the payment of any sales tax incurred in connection with repairs to an item. The costs of obtaining estimates of repair (subject to the limitations set forth in §15.208(c)) are also allowable.

§ 15.208 What are the restrictions on otherwise allowable claims?

(a) *Money or currency.* Claims may be allowed for loss of money or currency (which includes coin collections) only when lost incident to fire, flood, hurricane, other natural disaster, or by theft from residence (as limited by §15.206). In incidents of theft from a residence, it must be conclusively shown that the residence was locked at the time of the theft. Reimbursement for loss of money or currency is limited to an amount, which is determined to have been reasonable for the claimant to have had in his or her possession at the time of the loss.

(b) *Government property.* Claims may only be allowed for property owned by the United States for which the claimant is financially responsible to an agency of the Government other than the Department.

(c) *Estimate fees.* Claims may include fees paid to obtain estimates of repairs only when it is clear that an estimate could not have been obtained without paying a fee. In that case, the fee may be allowed only in an amount determined to be reasonable in relation to the value of the property or the cost of the repairs.

(d) *Automobiles and motor vehicles.* Claims may only be allowed for damage to, or loss of automobiles and other motor vehicles if:

(1) Such motor vehicles were required to be used for official Government business (official Government business, as used here, does not include travel, or parking incident thereto, between residence and office, or use of vehicles for the convenience of the owner. However, it does include travel, and parking incident thereto, between a residence and

an assigned place of duty specifically authorized or otherwise shown to be permitted by the employee's supervisor as being more advantageous to the Government); or

(2) Shipment of such motor vehicles was being furnished or provided by the Government, subject to the provisions of §15.210.

§ 15.209 What claims are not allowed?

(a) *Unassigned residences in United States.* Property loss or damage in quarters occupied by the claimant within the 50 States or the District of Columbia that were not assigned to him or otherwise provided in kind by the United States or part of an approved Telework agreement.

(b) *Business property.* Property used for business or profit.

(c) *Unserviceable property.* Wornout or unserviceable property.

(d) *Illegal possession.* Property acquired, possessed or transferred in violation of the law or in violation of applicable regulations or directives.

(e) *Articles of extraordinary value.* Valuable articles, such as watches, jewelry, furs, clothes, electronics or other articles of extraordinary value. This prohibition does not apply to articles in the personal custody of the claimant or articles properly checked, if the claimant has taken reasonable protection or security measures.

(f) *Intangible property.* Loss of property that has no extrinsic and marketable value but is merely representative or evidence of value (such as a non-negotiable stock certificate or warehouse receipt) is not compensable. Intangible value is not compensable.

(g) *Incidental expenses and consequential damages.* The MPCECA and this subpart authorize payment for loss of or damage to personal property only. Except as provided in §15.207(f), consequential damages or other types of loss or incidental expenses (such as loss of use, interest, carrying charges, cost of lodging or food while awaiting arrival of shipment, attorney fees, telephone calls, cost of transporting claimant or family members, inconvenience, time spent in preparation of claim, or cost of insurance premiums) are not compensable.

§ 15.210

29 CFR Subtitle A (7-1-21 Edition)

(h) *Real property.* Damage to real property is not compensable. In determining whether an item is considered to be an item of personal property, as opposed to real property, normally, any movable item is considered personal property even if physically joined to the land.

(i) *Commercial property.* Articles acquired or held for sale or disposition by other commercial transactions on more than an occasional basis, or for use in a private profession or business enterprise.

(j) *Commercial storage.* Property stored at a commercial facility for the convenience of the claimant and at his or her expense.

(k) *Minimum amount.* Loss or damage amounting to less than \$40.

§ 15.210 What affect does insurance have on a claim under the MPCECA?

In the event the property, which is the subject of the claim, was lost or damaged while in the possession of a commercial carrier or was insured, the following procedures will apply:

(a) Whenever property is damaged, lost or destroyed while being shipped pursuant to authorized travel orders, the owner must file a written claim for reimbursement with the last commercial carrier known or believed to have handled the goods, or the carrier known to be in possession of the property when the damage or loss occurred, according to the terms of its bill of lading or contract, before submitting a claim against the Government under this subpart.

(b) Whenever property is damaged, lost or destroyed incident to the claimant's service and is insured in whole or in part, the claimant should make demand in writing against the insurer for reimbursement under the terms and conditions of the insurance coverage, prior to the filing of the claim against the Government, unless, in the subsequent determination of the deciding official, the filing of such a demand was impracticable or inequitable. For example, if the value of a claim is \$535 and the insurance deductible is \$500, the deciding official may determine that no claim need be made against the insurer.

(c) Unless the deciding official determines that no demand should have been or need be made, failure to make a demand on a carrier or insurer or to make all reasonable efforts to protect and prosecute rights available against a carrier or insurer and to collect the amount recoverable from the carrier or insurer may result in reducing the amount recoverable from the Government by the maximum amount which would have been recoverable from the carrier or insurer had the claim been timely or diligently prosecuted.

(d) Following the submission of the claim against the carrier or insurer, the claimant may immediately submit his claim against the Government in accordance with the provisions of this subpart, without waiting until either final approval or denial of the claim is made by the carrier or insurer.

(1) Upon submitting his or her claim, the claimant shall certify in the claim that he or she has or has not gained any recovery from a carrier or insurer, and enclose all correspondence pertinent thereto.

(2) If final action has not been taken by the carrier or insurer on the claim, the claimant shall immediately notify them to address all correspondence in regard to the claim to the appropriate Office of the Solicitor of Labor.

(3) The claimant shall advise the appropriate Office of the Solicitor of any action taken by the carrier or insurer on the claim and, upon request, shall furnish all correspondence, documents, and other evidence pertinent to the matter.

(e) The claimant shall assign to the United States, to the extent of any payment on the claim accepted by him or her, all rights, title and interest in any claim he or she may have against any carrier, insurer, or other party arising out of the incident on which the claim against the United States is based. After payment of the claim by the United States, the claimant shall, upon receipt of any payment from a carrier or insurer, pay the proceeds to the United States to the extent of the payment received by him or her from the United States.

(f) Where a claimant recovers for the loss from the carrier or insurer before his or her claim under this subpart is

settled, the amount of recovery shall be applied to the claim as follows:

(1) When the amount recovered from a carrier, insurer, or other third party is greater than or equal to the claimant's total loss as determined under this part, no compensation is allowable under this subpart.

(2) When the amount recovered is less than such total loss, the allowable amount is determined by deducting the recovery from the amount of such total loss.

(3) For this purpose, the claimant's total loss is to be determined without regard to the maximum payment limitations set forth in §15.204. However, if the resulting amount, after making this deduction exceeds the maximum payment limitations, the claimant shall be allowed only the maximum amount set forth in §15.204.

§ 15.211 How is a claim under this subpart processed?

(a) The Counsel for Claims and Compensation, the Regional Solicitors, and the Associate Regional Solicitors are authorized to consider, ascertain, adjust, determine, compromise and settle claims filed under this subpart that arise within their respective jurisdictions, except that any claim for an amount in excess of \$25,000 shall fall within the exclusive jurisdiction of the Counsel for Claims and Compensation.

(b) Any writing received by the Office of the Solicitor within the time limits set forth in §15.203 will be accepted and considered a claim under the MPCECA if it constitutes a demand for compensation from the Department. A sample claim, located on the Department's Office of the Solicitor, Federal Employees' and Energy Workers' Compensation Division Web site at www.dol.gov, is provided for convenience of filing. The SF-95 form used to file a claim under the FTCA is not an appropriate form for a claim under the MPCECA claim.

(c) A demand is not required to be for a specific sum of money.

(d) The determination upon the claim shall be provided to the claimant in writing by the deciding official.

§ 15.212 How is the amount of the award under this subpart calculated?

(a) The amount allowable for damage to or loss of any item of property may not exceed the lowest of:

(1) The amount requested by the claimant for the item as a result of its loss, damage or the cost of its repair;

(2) The actual or estimated cost of its repair; or

(3) The actual value at the time of its loss, damage, or destruction. The actual value is determined by using the current replacement cost or the depreciated value of the item since its acquisition, whichever is lower, less any salvage value of the item in question.

(b) Depreciation in value is determined by considering the type of article involved, its cost, its condition when damaged or lost, and the time elapsed between the date of acquisition and the date of damage or loss.

(c) Current replacement cost and depreciated value are determined by use of publicly available adjustment rates or through use of other reasonable methods at the discretion of the official authorized to issue a determination upon the claim in question.

(d) Replacement of lost or damaged property may be made in kind wherever appropriate.

(e) At the discretion of the official authorized to issue the determination upon the claim in question, a claimant may be required to turn over an item alleged to have been damaged beyond economical repair to the United States, in which case no deduction for salvage value will be made in the calculation of actual value.

(f) Notwithstanding any other provisions of law, settlement of claims under the MPCECA is final and conclusive.

§ 15.213 Are there limits to representatives' fees for claims under this subpart?

Yes. No more than 10 percent of the amount in settlement of each individual claim submitted and settled under this subpart shall be paid or delivered to or received by any agent or attorney on account of services rendered in connection with that claim. 31 U.S.C. 3721(i).

§ 15.214

§ 15.214 How may a decision under this subpart be reconsidered?

(a) While there is no appeal from the decision of the deciding official in regard to claims under the MPCECA, the deciding official may always reconsider his or her determination of a claim.

(b) A claimant may request reconsideration from the deciding official by directing a written request for reconsideration to the deciding official within 60 days of the date of the original determination. The claimant must clearly state the factual or legal basis upon which he or she rests the request for a more favorable determination.

(c) The determination upon the reconsideration will be provided to the claimant in writing by the deciding official.

Subpart D—Claims Arising Out of the Operation of the Job Corps

§ 15.300 How are claims involving the Job Corps initiated?

(a) Claims involving the Job Corps, including claims against Job Corps Centers run by other Federal agencies, claims by third parties involving the acts or omissions of students of Job Corps, and claims involving the loss of personal property of students of Job Corps should be submitted to the appropriate Job Corps Regional Office. Claims under the MPCECA for non-Department Federal employees should be sent to and must be handled by their respective Federal employer, subject to that employer's procedures. FTCA claims over \$25,000 should be sent to and must be handled by the Counsel for Claims and Compensation under subpart B of this part.

(b) The Job Corps Regional Office shall investigate all facts of the claim, including accident and medical reports, interview witnesses, and, where necessary, prepare the appropriate administrative reports.

(c) Following the investigation, the Job Corps Regional Office will determine the appropriate reviewing official and if necessary forward the claim to the appropriate office immediately with all currently available documentation, as described in § 15.301.

29 CFR Subtitle A (7-1-21 Edition)

§ 15.301 What office is responsible for determining liability in claims arising out of the Job Corps?

(a) The Director of the appropriate Job Corps Regional Office is responsible for claims not cognizable under the FTCA pursuant to the WIA arising out of the operation of the Job Corps involving loss or damage to persons or personal property of students of Job Corps Centers that do not exceed \$300.

(b) The Regional Solicitor is responsible for claims not cognizable under the FTCA pursuant to the WIA arising out of the operation of the Job Corps involving loss or damage to persons or personal property of students of Job Corps Centers for claims exceeding \$300.

(c) The Regional Solicitor is responsible for all FTCA claims involving damage to persons or property arising out of an act or omission of a Job Corps student or Federal employee that do not exceed \$25,000 and do not involve a new point of law or a question of policy.

(d) All remaining claims with aggregate damages of \$25,000 or more are the responsibility of the Counsel for Claims and Compensation.

(e) The Job Corps Regional Office Director, the Regional Solicitors and the Associate Regional Solicitors are authorized to consider, determine and settle claims filed under this subpart that arose within their respective jurisdictions.

§ 15.302 What procedures apply to these claims?

(a) Claims involving the negligent acts or omissions of Job Corps students or Federal employees are claims under the FTCA and are determined under the procedures in subpart B of this part. FTCA claims must be forwarded to and decided by the responsible Solicitor's Office.

(b) Claims involving loss or damage to persons or the personal property of Job Corps students are covered by the WIA, 29 U.S.C. 2897(b), which provides that the Secretary of Labor may adjust or settle claims for damages to a person or property of up to \$1,500 if those claims are found to be a proper charge against the United States and are not cognizable under the FTCA.

§ 15.303 How does a Job Corps student file a claim for loss of or damages to personal property under the WIA?

(a) A WIA claim under this subpart must be in writing and signed by the claimant or by an authorized representative. In order to be a proper claim, a WIA claim must fully describe the property and the circumstances that gave rise to the loss or damage.

(b) All WIA claims under this subpart must be filed with the appropriate Job Corps Regional Office within 2 years of the date upon which the claim accrued. The Job Corps Regional Office may consult with the Regional Solicitor and/or Counsel for Claims and Compensation as necessary.

(c) The determination upon the claim shall be provided to the claimant in writing by the appropriate deciding official.

(d) Reconsideration of a determination under this subpart shall be available upon written request received within 60 days by the appropriate deciding official. The deciding official will provide a written response to the claimant within 60 days of such request. No further review of the matter will be permitted.

§ 15.304 Are there limits to claims for loss of or damages to personal property under the WIA?

(a) Only claims involving damage or loss to personal property that occurred while at the Job Corps Center or while on authorized travel, training or other authorized activities may be considered under the WIA.

(b) The Job Corps will only reimburse up to \$300.00 per item for claims for loss or damage of personal property under the WIA, up to a maximum of \$1,500 per occurrence.

(c) If the property in question is not of a type that the student is authorized to bring to the Job Corps Center, no compensation will be made under this subpart. For example, if the Job Corps Center has explicit written rules imposing limitations on the type of electronic equipment or other personal items such as jewelry that may be brought to the center, no compensation will be awarded for the loss or damage of such property.

Subpart A—General Provisions

§ 16.101 Purpose of these rules.

Section 203(a)(1) of the Equal Access to Justice Act amends section 504 of the Administrative Procedure Act to provide for the award of attorney fees and other expenses to eligible individuals and entities who are parties to certain administrative proceedings before the Department of Labor. An eligible party may receive an award when it prevails over an agency, unless the agency's position in the proceeding was substantially justified or special circumstances make an award unjust. The rules in this part describe the parties eligible for awards, the proceedings that are covered, how to apply for awards, and the standards under which awards will be granted.

§ 16.102

29 CFR Subtitle A (7-1-21 Edition)

§ 16.102 Definitions.

As used in this part:

(a) *The Act* means section 504 of title 5 U.S.C., as amended by section 203(a)(1) of the Equal Access to Justice Act, Public Law No. 96-481.

(b) *Adversary adjudication* means an adjudication under 5 U.S.C. 554 or other proceeding required by statute to be determined on the record after an opportunity for an agency hearing, but excludes an adjudication for the purpose of establishing or fixing a rate or for the purpose of granting or renewing a license.

(c) *Adjudicative officer* means the official who presides at the adversary adjudication, without regard to whether the official is designated as an administrative law judge, a hearing officer or examiner, or otherwise.

(d) *Department* refers to the cognizant departmental component which is participating in the adversary adjudication, (e.g., Occupational Safety and Health Administration, Mine Safety and Health Administration, and Employment Standards Administration).

(e) *Proceeding* means an adversary adjudication as defined in paragraph (b) of this section.

§ 16.103 When the Act applies.

The Act applies to any adversary adjudication pending before the Department at any time between October 1, 1981 and September 30, 1984. This includes proceedings begun before October 1, 1981 if final agency action has not been taken before that date, and proceedings pending on September 30, 1984, regardless of when they were initiated or when final agency action occurs, except that it shall not apply in any case pending on October 1, 1981 in which a decision has been issued, but final agency action has not been taken by reason of an abatement.

§ 16.104 Proceedings covered.

(a) The Act applies in adversary adjudications in which the position of the Department or another agency of the United States is presented by an attorney or other representative who enters an appearance and participates in the proceeding in an adversarial capacity. Any proceeding which prescribes a lawful present or future rate or is pri-

marily rule-making is not covered. Proceedings to grant or renew licenses are also excluded, but proceedings to modify, suspend or revoke licenses are covered if they are otherwise adversary adjudications. The following types of proceedings are deemed to be adversarial adjudications which will be covered by the Act, when all other conditions in the Act and in these rules are met:

(1) Hearings conducted by the Occupational Safety and Health Review Commission under the authority of 29 U.S.C. 661 of the Occupational Safety and Health Act; and hearings conducted by the Federal Mine Safety and Health Review Commission under the authority of 30 U.S.C. 823 of the Mine Safety and Health Act. In these proceedings, the rules of the respective Commissions rather than the instant rules will be applicable.

(2) Wage and Hour Division, Employment Standards Administration:

§ 16.105 Eligibility of applicants.

(a) To be eligible for an award of attorney fees and other expenses under the Act, the applicant must be a party, as that term is defined in 5 U.S.C. 551(3), to an adversary adjudication for which it seeks an award; the applicant must prevail; and must meet all the conditions of eligibility set out in this subpart and subpart B.

(b) To be eligible for an award, the applicant must be:

(1) An individual with a net worth of not more than \$1 million;

(2) The sole owner of an unincorporated business which has a net worth of not more than \$5 million, including both personal and business interests, and not more than 500 employees;

(3) A charitable or other tax exempt organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) with not more than 500 employees;

(4) A cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)) with not more than 500 employees;

(5) Any other partnership, corporation, association or public or private organization with a net worth of not more than \$5 million and not more than 500 employees. A unit of state or local government is not a public organization within the meaning of this provision.

(c) For purposes of eligibility, the net worth and number of employees of an applicant shall be determined as of the date the proceeding was initiated.

(d) An applicant who owns an unincorporated business will be considered as an *individual* rather than a *sole owner of an unincorporated business* if the issues on which the applicant prevails are related primarily to personal interests rather than to business interests.

(e) The employees of an applicant include all persons who perform services for remuneration for the applicant, under the applicant's direction and control. Part-time employees shall be included.

(f) The net worth and number of employees of the applicant and all of its affiliates shall be aggregated to determine eligibility. Any individual, corporation or other entity that directly or indirectly controls or owns a majority of the voting shares of another business, or controls, *in any manner*, the election of a majority of that business' board of directors, trustees or other persons exercising similar functions, shall be considered an affiliate for purposes of this part, unless the adjudicative officer determines that such treatment would be unjust and contrary to the purposes of the Act in

§ 16.106

light of the actual relationship between the affiliated entities. In addition, the adjudicative officer may determine that financial relationships of the applicant other than those described in this paragraph constitute special circumstances that would make an award unjust.

(g) An applicant that participates in a proceeding primarily on behalf of one or more other persons or entities that would be ineligible is not itself eligible for an award.

[46 FR 63021, Dec. 29, 1981, as amended at 72 FR 37098, July 9, 2007]

§ 16.106 Standards for awards.

(a) A prevailing applicant may receive an award for fees and expenses incurred in connection with a proceeding, or in a significant and discrete substantive portion of the proceeding, unless the position of the Department as a party over which the applicant has prevailed was substantially justified or if special circumstances make the award sought unjust. No presumption arises that the Department's position was not substantially justified simply because the Department did not prevail.

(b) An award will be reduced or denied if the applicant has unduly or unreasonably protracted the proceeding.

§ 16.107 Allowable fees and expenses.

(a) The following fees and other expenses are allowable under the Act:

(1) Reasonable expenses of expert witnesses;

(2) Reasonable cost of any study, analysis, engineering report, test, or project necessary for the preparation of the party's case;

(3) Reasonable attorney or agent fees;

(b) Awards will be based on the prevailing market rates for the kind and quality of services furnished not to exceed the rates set forth in paragraph (c) of this section.

(c) No award under these rules for the fee of an attorney or agent may exceed \$125.00 per hour. No award to compensate an expert witness may exceed \$24.09 per hour.

(d) In determining the reasonableness of the fee sought, the adjudicative officer shall consider the following:

29 CFR Subtitle A (7-1-21 Edition)

(1) The prevailing rate for similar services in the community in which the attorney, agent or witness ordinarily performs services;

(2) The time actually spent in the representation of the applicant;

(3) The difficulty or complexity of the issues in the proceeding;

(4) Such other factors as may bear on the value of the services performed.

[46 FR 63021, Dec. 29, 1981, as amended at 72 FR 37098, July 9, 2007]

§ 16.108 Awards against other agencies.

If an applicant is entitled to an award because it prevails over another agency of the United States that participates in a proceeding before the Department of Labor and the other agency takes a position that is not substantially justified, the award or an appropriate portion of the award shall be made against that agency by the adjudicative officer for the Department of Labor.

Subpart B—Information Required From Applicants

§ 16.201 Contents of application.

(a) An application for an award of fees and expenses under the Act shall identify the applicant and the proceeding for which an award is sought. The application shall show that the applicant has prevailed and identify the position of an agency or agencies in the proceeding that the applicant alleges was not substantially justified. Unless the applicant is an individual, the application shall also state the number of employees of the applicant at the time the proceeding was instituted and describe briefly the type and purpose of its organization or business.

(b) The application shall also include a statement that the applicant's net worth at the time the formal proceedings were instituted did not exceed \$1 million (if an individual) or \$5 million (for all other applicants, including their affiliates). However, an applicant may omit this statement if:

(1) It attaches a copy of a ruling by the Internal Revenue Service that it qualifies as an organization described

in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) or, in the case of a tax-exempt organization not required to obtain a ruling from the Internal Revenue Service on its exempt status, a statement that describes the basis for the applicant's belief that it qualifies under such section; or

(2) It states that it is a cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)).

(c) If the applicant is a partnership, corporation, association, or organization, or a sole owner of an unincorporated business, the application shall certify that it did not have more than 500 employees at the time the formal proceedings were initiated, giving the number of its employees and describing briefly the type and purpose of its organization or business.

(d) The application shall state the amount of fees and expenses for which an award is sought.

(e) The application may also include any other matters that the applicant wishes the adjudicative officer to consider in determining whether and in what amount an award should be made.

(f) The application shall be signed by the applicant with respect to the eligibility of the applicant and by the attorney of the applicant with respect to fees and expenses sought. It shall also contain or be accompanied by a written verification under oath or under penalty of perjury that the information provided in the application is true and correct.

§ 16.202 Net worth exhibit.

(a) Each applicant except a qualified tax-exempt organization or cooperative association must provide with its application a detailed exhibit showing the net worth of the applicant and any affiliates (as defined in § 16.105(f) of this part) as of the date when the proceeding was initiated, i.e. the date the complaint was filed. The exhibit may be in any form convenient to the applicant that provides full disclosure of the applicant's and its affiliates' assets and liabilities and is sufficient to deter-

mine whether the applicant qualifies under the standards in this part. The adjudicative officer may require an applicant to file additional information to determine its eligibility for an award.

(b) The net worth exhibit shall be included in the public record of the proceeding in which an award is sought.

[46 FR 63021, Dec. 29, 1981, as amended at 47 FR 14696, Apr. 6, 1982]

§ 16.203 Documentation of fees and expenses.

(a) The application shall be accompanied by full documentation of the fees and expenses, including the cost of any study, analysis, engineering report, test, project or similar matter, for which an award is sought.

(b) The document shall include an affidavit from each professional firm or individual whose services are covered by the application, showing the hours spent in connection with the proceeding by each individual, a description of the specific services performed, the rate at which each fee has been computed, any expenses for which reimbursement is sought, the total amount claimed, and the total amount paid or payable by the applicant or by any other person or entity for the services provided.

(1) The affidavit shall itemize in detail the services performed by the date, number of hours per date and the services performed during those hours. In order to establish the hourly rate, the affidavit shall state the hourly rate which is billed and paid by the majority of clients during the relevant time periods.

(2) If no hourly rate is paid by the majority of clients because, for instance, the attorney or agent represents most clients on a contingency basis, the attorney or agent shall provide affidavits from two attorneys or agents with similar experience, who perform similar work, stating the hourly rate which they bill and are paid by the majority of their clients during a comparable time period.

(c) The documentation shall also include a description of any expenses for which reimbursement is sought and a

statement of the amounts paid and payable by the applicant or by any other person or entity for the services provided.

(d) The adjudicative officer may require the applicant to provide vouchers, receipts, or other substantiation for any expenses claimed.

§ 16.204 When an application may be filed.

(a) An application may be filed whenever the applicant has prevailed in the proceeding or in a significant and discrete substantive portion of the proceeding, but in no case later than 30 days after the agency's final disposition of the proceeding.

(b) If review or reconsideration is sought or taken of a decision as to which an applicant believes it has prevailed, matters related to the consideration of an award of fees and expenses shall be stayed pending final disposition of the underlying controversy.

(c) For purposes of this rule final disposition means the later of:

(1) The date on which an initial decision or other recommended disposition of the merits of the proceeding by an adjudicative officer or intermediate review board becomes administratively final;

(2) Issuance of an order disposing of any petitions for reconsideration of this agency's final order in the proceeding; (3) if no petition for reconsideration is filed, the last date on which such a petition could have been filed; or

(4) Issuance of a final order or any other final resolution of a proceeding, such as a settlement or voluntary dismissal, which is not subject to a petition for reconsideration, or, in the case of an abatement, the end of the abatement period or the date on which an order is issued terminating the abatement period.

29 CFR Subtitle A (7-1-21 Edition)

Subpart C—Procedures for Considering Applications

§ 16.301 Filing and service of documents.

Any application for an award or other pleading or document related to an application shall be filed with the adjudicative officer and served on all parties to the proceeding in the same manner as other pleadings in the proceeding.

§ 16.302 Answer to application.

(a) Within 30 days after service of an application, counsel representing the agency against which an award is sought may file an answer to the application. Unless agency counsel requests an extension of time for filing or files a statement of intent to negotiate under paragraph (b) of this section, failure to file an answer within the 30 day period may be treated as a consent to the award requested.

(b) If agency counsel and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing an answer for an additional 30 days, and further extensions may be granted by the adjudicative officer upon request by agency counsel and the applicant.

(c) The answer shall explain in detail any objections to the award requested and identify the facts relied on in support of agency counsel's position. If the answer is based on any alleged facts not already in the record of the proceeding, agency counsel shall include with the answer either supporting affidavits or a request for further proceedings under § 16.304.

§ 16.303 Settlement.

The applicant and agency counsel may agree on a proposed settlement of the award before final action on the application, either in connection with a settlement of the underlying proceeding, or after the underlying proceeding has been concluded, in accordance with the agency's standard settlement procedure. If a prevailing party and agency counsel agree on a proposed

settlement of an award before an application has been filed, the application shall be filed with the proposed settlement.

§ 16.304 Further proceedings.

(a) Ordinarily, the determination of an award will be made on the basis of the written record. However, on request of either the applicant or agency counsel, or on his or her own initiative, the adjudicative officer may order further proceedings, such as an informal conference, oral argument, additional written submissions or an evidentiary hearing. Such further proceedings shall be held only when necessary for full and fair resolution of the issues arising from the application, and shall be conducted as promptly as possible.

(b) A request that the adjudicative officer order further proceedings under this section shall specifically identify the information sought or the disputed issues and shall explain why the additional proceedings are necessary to resolve the issues.

§ 16.305 Decision.

The adjudicative officer shall issue a recommended decision on the application which shall include written findings and conclusions on the applicant's eligibility and status as a prevailing party, and an explanation of the reasons for any difference between the amount requested and the amount awarded. The decisions shall also include, if at issue, findings on whether the agency's position was substantially justified, whether the applicant unduly protracted the proceedings, or whether special circumstances make an award unjust. If the applicant has sought an award against more than one agency, the decision shall allocate responsibility for payment of any award made among the agencies, and shall explain the reasons for the allocation made.

§ 16.306 Review by the Secretary.

The Secretary, for purposes of this subsection, means the Secretary of Labor or a person, board or other organizational unit authorized to perform the review function. Either the applicant or agency counsel may seek review of the recommended decision on the fee application, or the Secretary

may decide to review the decision on his or her own initiative, in accordance with the Department of Labor's regular review procedures. If neither the applicant nor agency counsel seeks review and the Secretary does not take review on his or her own initiative, the adjudicative officer's decision on the application shall become a final decision of the Department 45 days after it is issued. If review is taken, the Secretary will issue a final decision on the application or remand the application to the adjudicative officer for further proceedings.

§ 16.307 Judicial review.

Judicial review of final agency decisions on awards may be sought as provided in 5 U.S.C. 504(c)(2).

§ 16.308 Payment of award.

An applicant seeking payment of an award shall submit to the Comptroller for the Department of Labor a copy of the final decision granting the award, accompanied by a statement that the applicant will not seek review of the decision in the United States courts. The request for payment shall be addressed to: Comptroller, U.S. Department of Labor, Frances S. Perkins Building, 200 Constitution Avenue, NW., Washington, DC 20210.

Subpart A—General

SOURCE: 80 FR 28785, May 19, 2015, unless otherwise noted.

GENERAL PROVISIONS

§ 18.10 Scope and purpose.

(a) *In general.* These rules govern the procedure in proceedings before the United States Department of Labor, Office of Administrative Law Judges. They should be construed and administered to secure the just, speedy, and inexpensive determination of every proceeding. To the extent that these rules may be inconsistent with a governing statute, regulation, or executive order, the latter controls. If a specific Department of Labor regulation governs a proceeding, the provisions of that regulation apply, and these rules apply to situations not addressed in the governing regulation. The Federal Rules of Civil Procedure (FRCP) apply in any situation not provided for or controlled by these rules, or a governing statute, regulation, or executive order.

(b) *Type of proceeding.* Unless the governing statute, regulation, or executive order prescribes a different procedure, proceedings follow the Administrative Procedure Act, 5 U.S.C. 551 through 559.

(c) *Waiver, modification, and suspension.* Upon notice to all parties, the presiding judge may waive, modify, or suspend any rule under this subpart when doing so will not prejudice a party and will serve the ends of justice.

§ 18.11 Definitions.

For purposes of these rules, these definitions supplement the definitions in the Administrative Procedure Act, 5 U.S.C. 551.

Calendar call means a meeting in which the judge calls cases awaiting hearings, determines case status, and assigns a hearing date and time.

Chief Judge means the Chief Administrative Law Judge of the United States Department of Labor Office of Administrative Law Judges and judges to whom the Chief Judge delegates authority.

Docket clerk means the Chief Docket Clerk at the Office of Administrative Law Judges in Washington, DC. But once a case is assigned to a judge in a

district office, *docket clerk* means the docket staff in that office.

Hearing means that part of a proceeding consisting of a session to decide issues of fact or law that is recorded and transcribed and provides the opportunity to present evidence or argument.

Judge means an administrative law judge appointed under the provisions of 5 U.S.C. 3105.

Order means the judge's disposition of one or more procedural or substantive issues, or of the entire matter.

Proceeding means an action before the Office of Administrative Law Judges that creates a record leading to an adjudication or order.

Representative means any person permitted to represent another in a proceeding before the Office of Administrative Law Judges.

§ 18.12 Proceedings before administrative law judge.

(a) *Designation.* The Chief Judge designates the presiding judge for all proceedings.

(b) *Authority.* In all proceedings under this part, the judge has all powers necessary to conduct fair and impartial proceedings, including those described in the Administrative Procedure Act, 5 U.S.C. 556. Among them is the power to:

- (1) Regulate the course of proceedings in accordance with applicable statute, regulation or executive order;
- (2) Administer oaths and affirmations and examine witnesses;
- (3) Compel the production of documents and appearance of witnesses within a party's control;
- (4) Issue subpoenas authorized by law;
- (5) Rule on offers of proof and receive relevant evidence;
- (6) Dispose of procedural requests and similar matters;
- (7) Terminate proceedings through dismissal or remand when not inconsistent with statute, regulation, or executive order;
- (8) Issue decisions and orders;
- (9) Exercise powers vested in the Secretary of Labor that relate to proceedings before the Office of Administrative Law Judges; and

§ 18.13

(10) Where applicable take any appropriate action authorized by the FRCP.

§ 18.13 Settlement judge procedure.

(a) *How initiated.* The Office of Administrative Law Judges provides settlement judges to aid the parties in resolving the matter that is the subject of the controversy. Upon a joint request by the parties or upon referral by the judge when no party objects, the Chief Judge may appoint a settlement judge. A settlement judge will not be appointed when settlement proceedings would be inconsistent with a statute, regulation, or executive order.

(b) *Appointment.* The Chief Judge has discretion to appoint a settlement judge, who must be an active or retired judge. The settlement judge will not be appointed to hear and decide the case or approve the settlement without the parties' consent and the approval of the Chief Judge.

(c) *Duration of settlement proceeding.* Unless the Chief Judge directs otherwise, settlement negotiations under this section must be completed within 60 days from the date of the settlement judge's appointment. The settlement judge may request that the Chief Judge extend the appointment. The negotiations will be terminated if a party withdraws from participation, or if the settlement judge determines that further negotiations would be unproductive or inappropriate.

(d) *Powers of the settlement judge.* The settlement judge may convene settlement conferences; require the parties or their representatives to attend with full authority to settle any disputes; and impose other reasonable requirements to expedite an amicable resolution of the case.

(e) *Stay of proceedings before presiding judge.* The appointment of a settlement judge does not stay any aspect of the proceeding before the presiding judge. Any motion to stay must be directed to the presiding judge.

(f) *Settlement conferences.* Settlement conferences may be conducted by telephone, videoconference or in person at the discretion of the settlement judge after considering the nature of the case, location of the participants, availability of technology, and efficiency of administration.

29 CFR Subtitle A (7-1-21 Edition)

(g) *Confidentiality.* All discussions with the settlement judge are confidential; none may be recorded or transcribed. The settlement judge must not disclose any confidential communications made during settlement proceedings, except as required by statute, executive order, or court order. The settlement judge may not be subpoenaed or called as a witness in any hearing of the case or any subsequent administrative proceedings before the Department to testify to statements made or conduct during the settlement discussions.

(h) *Report.* The parties must promptly inform the presiding judge of the outcome of the settlement negotiations. If a settlement is reached, the parties must submit the required documents to the presiding judge within 14 days of the conclusion of settlement discussions unless the presiding judge orders otherwise.

(i) *Non-reviewable decisions.* Whether a settlement judge should be appointed, the selection of a particular settlement judge, and the termination of proceedings under this section are matters not subject to review by Department officials.

§ 18.14 Ex parte communication.

The parties, their representatives, or other interested persons must not engage in ex parte communications on the merits of a case with the judge.

§ 18.15 Substitution of administrative law judge.

(a) *Substitution during hearing.* If the judge is unable to complete a hearing, a successor judge designated pursuant to § 18.12 may proceed upon certifying familiarity with the record and determining that the case may be completed without prejudice to the parties. The successor judge must, at a party's request, recall any witness whose testimony is material and disputed and who is available to testify again without undue burden. The successor judge may also recall any other witness.

(b) *Substitution following hearing.* If the judge is unable to proceed after the hearing is concluded, the successor judge appointed pursuant to § 18.12 may issue a decision and order based upon the existing record after notifying the

parties and giving them an opportunity to respond. Within 14 days of receipt of the judge's notice, a party may file an objection to the judge issuing a decision based on the existing record. If no objection is filed, the objection is considered waived. Upon good cause shown, the judge may order supplemental proceedings.

§ 18.16 Disqualification.

(a) *Disqualification on judge's initiative.* A judge must withdraw from a proceeding whenever he or she considers himself or herself disqualified.

(b) *Request for disqualification.* A party may file a motion to disqualify the judge. The motion must allege grounds for disqualification, and include any appropriate supporting affidavits, declarations or other documents. The presiding judge must rule on the motion in a written order that states the grounds for the ruling.

§ 18.17 Legal assistance.

The Office of Administrative Law Judges does not appoint representatives, refer parties to representatives, or provide legal assistance.

PARTIES AND REPRESENTATIVES

§ 18.20 Parties to a proceeding.

A party seeking original relief or action is designated a complainant, claimant or plaintiff, as appropriate. A party against whom relief or other action is sought is designated a respondent or defendant, as appropriate. When participating in a proceeding, the applicable Department of Labor's agency is a party or party-in-interest.

§ 18.21 Party appearance and participation.

(a) *In general.* A party may appear and participate in the proceeding in person or through a representative.

(b) *Waiver of participation.* By filing notice with the judge, a party may waive the right to participate in the hearing or the entire proceeding. When all parties waive the right to participate in the hearing, the judge may issue a decision and order based on the pleadings, evidence, and briefs.

(c) *Failure to appear.* When a party has not waived the right to participate

in a hearing, conference or proceeding but fails to appear at a scheduled hearing or conference, the judge may, after notice and an opportunity to be heard, dismiss the proceeding or enter a decision and order without further proceedings if the party fails to establish good cause for its failure to appear.

§ 18.22 Representatives.

(a) *Notice of appearance.* When first making an appearance, each representative must file a notice of appearance that indicates on whose behalf the appearance is made and the proceeding name and docket number. Any attorney representative must include in the notice of appearance the license registration number(s) assigned to the attorney.

(b) *Categories of representation; admission standards—(1) Attorney representative.* Under these rules, "attorney" or "attorney representative" means an individual who has been admitted to the bar of the highest court of a State, Commonwealth, or Territory of the United States, or the District of Columbia.

(i) *Attorney in good standing.* An attorney who is in good standing in his or her licensing jurisdiction may represent a party or subpoenaed witness before the Office of Administrative Law Judges. The filing of the Notice of Appearance required in paragraph (a) of this section constitutes an attestation that:

(A) The attorney is a member of a bar in good standing of the highest court of a State, Commonwealth, or Territory of the United States, or the District of Columbia where the attorney has been licensed to practice law; and

(B) No disciplinary proceeding is pending against the attorney in any jurisdiction where the attorney is licensed to practice law.

(ii) *Attorney not in good standing.* An attorney who is not in good standing in his or her licensing jurisdiction may not represent a party or subpoenaed witness before the Office of Administrative Law Judges, unless he or she obtains the judge's approval. Such an attorney must file a written statement that establishes why the failure to

§ 18.23

maintain good standing is not disqualifying. The judge may deny approval for the appearance of such an attorney after providing notice and an opportunity to be heard.

(iii) *Disclosure of discipline.* An attorney representative must promptly disclose to the judge any action suspending, enjoining, restraining, disbarring, or otherwise currently restricting the attorney in the practice of law in any jurisdiction where the attorney is licensed to practice law.

(2) *Non-attorney representative.* An individual who is not an attorney as defined by paragraph (b)(1) of this section may represent a party or subpoenaed witness upon the judge's approval. The individual must file a written request to serve as a non-attorney representative that sets forth the name of the party or subpoenaed witness represented and certifies that the party or subpoenaed witness desires the representation. The judge may require that the representative establish that he or she is subject to the laws of the United States and possesses communication skills, knowledge, character, thoroughness and preparation reasonably necessary to render appropriate assistance. The judge may inquire as to the qualification or ability of a non-attorney representative to render assistance at any time. The judge may deny the request to serve as non-attorney representative after providing the party or subpoenaed witness with notice and an opportunity to be heard.

(c) *Duties.* A representative must be diligent, prompt, and forthright when dealing with parties, representatives and the judge, and act in a manner that furthers the efficient, fair and orderly conduct of the proceeding. An attorney representative must adhere to the applicable rules of conduct for the jurisdiction(s) in which the attorney is admitted to practice.

(d) *Prohibited actions.* A representative must not:

(1) Threaten, coerce, intimidate, deceive or knowingly mislead a party, representative, witness, potential witness, judge, or anyone participating in the proceeding regarding any matter related to the proceeding;

(2) Knowingly make or present false or misleading statements, assertions or

29 CFR Subtitle A (7-1-21 Edition)

representations about a material fact or law related to the proceeding;

(3) Unreasonably delay, or cause to be delayed without good cause, any proceeding; or

(4) Engage in any other action or behavior prejudicial to the fair and orderly conduct of the proceeding.

(e) *Withdrawal of appearance.* A representative who desires to withdraw after filing a notice of appearance and a party desiring to withdraw the appearance of a representative must file a motion with the judge. The motion must state that notice of the withdrawal has been given to the party, client or representative. The judge may deny a representative's motion to withdraw when necessary to avoid undue delay or prejudice to the rights of a party.

§ 18.23 Disqualification of representatives.

(a) *Disqualification—(1) Grounds for disqualification.* Representatives qualified under § 18.22 may be disqualified for:

(i) Suspension of a license to practice law or disbarment from the practice of law by any court or agency of the United States, highest court of a State, Commonwealth, or Territory of the United States, or the District of Columbia;

(ii) Disbarment from the practice of law on consent or resignation from the bar of a court or agency while an investigation into an allegation of misconduct is pending; or

(iii) Committing an act, omission, or contumacious conduct that violates these rules, an applicable statute, an applicable regulation, or the judge's order(s).

(2) *Disqualification procedure.* The Chief Judge must provide notice and an opportunity to be heard as to why the representative should not be disqualified from practice before the Office of Administrative Law Judges. The notice will include a copy of the document that provides the grounds for the disqualification. Unless otherwise directed, any response must be filed within 21 days of service of the notice. The Chief Judge's determination must be based on the reliable, probative and

substantial evidence of record, including the notice and response.

(b) *Notification of disqualification action.* When an attorney representative is disqualified, the Chief Judge will notify the jurisdiction(s) in which the attorney is licensed to practice and the National Lawyer Regulatory Data Bank maintained by the American Bar Association Standing Committee on Professional Discipline, by providing a copy of the decision and order.

(c) *Application for reinstatement.* A representative disqualified under this section may be reinstated by the Chief Judge upon application. At the discretion of the Chief Judge, consideration of an application for reinstatement may be limited to written submissions or may be referred for further proceedings before the Chief Judge.

§ 18.24 Briefs from amicus curiae.

The United States or an officer or agency thereof, or a State, Territory, Commonwealth, or the District of Columbia may file an amicus brief without the consent of the parties or leave of the judge. Any other amicus curiae may file a brief only by leave of the judge, upon the judge's request, or if the brief states that all parties have consented to its filing. A request for leave to file an amicus brief must be made by written motion that states the interest of the movant in the proceeding. The deadline for submission of an amicus brief will be set by the presiding judge.

SERVICE, FORMAT, AND TIMING OF FILINGS AND OTHER PAPERS

§ 18.30 Service and filing.

(a) *Service on parties—(1) In general.* Unless these rules provide otherwise, all papers filed with OALJ or with the judge must be served on every party.

(2) *Service: how made—(i) Serving a party's representative.* If a party is represented, service under this section must be made on the representative. The judge also may order service on the party.

(ii) *Service in general.* A paper is served under this section by:

- (A) Handing it to the person;
- (B) Leaving it;

(1) At the person's office with a clerk or other person in charge or, if no one is in charge, in a conspicuous place in the office; or

(2) If the person has no office or the office is closed, at the person's dwelling or usual place of abode with someone of suitable age and discretion who resides there.

(C) Mailing it to the person's last known address—in which event service is complete upon mailing;

(D) Leaving it with the docket clerk if the person has no known address;

(E) Sending it by electronic means if the person consented in writing—in which event service is complete upon transmission, but is not effective if the serving party learns that it did not reach the person to be served; or

(F) Delivering it by any other means that the person consented to in writing—in which event service is complete when the person making service delivers it to the agency designated to make delivery.

(3) *Certificate of service.* A certificate of service is a signed written statement that the paper was served on all parties. The statement must include:

- (i) The title of the document;
- (ii) The name and address of each person or representative being served;
- (iii) The name of the party filing the paper and the party's representative, if any;
- (iv) The date of service; and
- (v) How the paper was served.

(b) *Filing with Office of Administrative Law Judges—(1) Required filings.* Any paper that is required to be served must be filed within a reasonable time after service with a certificate of service. But disclosures under § 18.50(c) and the following discovery requests and responses must not be filed until they are used in the proceeding or the judge orders filing:

- (i) Notices of deposition,
- (ii) Depositions,
- (iii) Interrogatories,
- (iv) Requests for documents or tangible things or to permit entry onto land;
- (v) Requests for admission, and
- (vi) The notice (and the related copy of the subpoena) that must be served on the parties under rule 18.56(b)(1) before a "documents only" subpoena may

§ 18.31

be served on the person commended to produce the material.

(2) *Filing: when made—in general.* A paper is filed when received by the docket clerk or the judge during a hearing.

(3) *Filing how made.* A paper may be filed by mail, courier service, hand delivery, facsimile or electronic delivery.

(i) *Filing by facsimile—(A) When permitted.* A party may file by facsimile only as directed or permitted by the judge. If a party cannot obtain prior permission because the judge is unavailable, a party may file by facsimile up to 12 pages, including a statement of the circumstances precluding filing by delivery or mail. Based on the statement, the judge may later accept the document as properly filed at the time transmitted.

(B) *Cover sheet.* Filings by facsimile must include a cover sheet that identifies the sender, the total number of pages transmitted, and the matter's docket number and the document's title.

(C) *Retention of the original document.* The original signed document will not be substituted into the record unless required by law or the judge.

(ii) Any party filing a facsimile of a document must maintain the original document and transmission record until the case is final. A transmission record is a paper printed by the transmitting facsimile machine that states the telephone number of the receiving machine, the number of pages sent, the transmission time and an indication that no error in transmission occurred.

(iii) Upon a party's request or judge's order, the filing party must provide for review the original transmitted document from which the facsimile was produced.

(4) *Electronic filing, signing, or verification.* A judge may allow papers to be filed, signed, or verified by electronic means.

§ 18.31 Privacy protection for filings and exhibits.

(a) *Redacted filings and exhibits.* Unless the judge orders otherwise, in an electronic or paper filing or exhibit that contains an individual's social-security number, taxpayer-identification number, or birth date, the name of an

29 CFR Subtitle A (7–1–21 Edition)

individual known to be a minor, or a financial-account number, the party or nonparty making the filing must redact all such information, except:

(1) The last four digits of the social-security number and taxpayer-identification number;

(2) The year of the individual's birth;

(3) The minor's initials; and

(4) The last four digits of the financial-account number.

(b) *Exemptions from the redaction requirement.* The redaction requirement does not apply to the following:

(1) The record of an administrative or agency proceeding;

(2) The official record of a state-court proceeding;

(3) The record of a court or tribunal, if that record was not subject to the redaction requirement when originally filed; and

(4) A filing or exhibit covered by paragraph (c) of this section.

(c) *Option for filing a reference list.* A filing that contains redacted information may be filed together with a reference list that identifies each item of redacted information and specifies an appropriate identifier that uniquely corresponds to each item listed. The reference list must be filed under seal and may be amended as of right. Any reference in the case to a listed identifier will be construed to refer to the corresponding item of information.

(d) *Waiver of protection of identifiers.* A person waives the protection of paragraph (a) of this section as to the person's own information by filing or offering it without redaction and not under seal.

(e) *Protection of material.* For good cause, the judge may order protection of material pursuant to §§ 18.85 and 18.52.

§ 18.32 Computing and extending time.

(a) *Computing time.* The following rules apply in computing any time period specified in these rules, a judge's order, or in any statute, regulation, or executive order that does not specify a method of computing time.

(1) When the period is stated in days or a longer unit of time:

(i) Exclude the day of the event that triggers the period;

(ii) Count every day, including intermediate Saturdays, Sundays, and legal holidays; and

(iii) Include the last day of the period, but if the last day is a Saturday, Sunday, or legal holiday, the period continues to run until the end of the next day that is not a Saturday, Sunday, or legal holiday.

(2) “*Last day*” defined. Unless a different time is set by a statute, regulation, executive order, or judge’s order, the “last day” ends at 4:30 p.m. local time where the event is to occur.

(3) “*Next day*” defined. The “next day” is determined by continuing to count forward when the period is measured after an event and backward when measured before an event.

(4) “*Legal holiday*” defined. “Legal holiday” means the day set aside by statute for observing New Year’s Day, Martin Luther King Jr.’s Birthday, Washington’s Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans’ Day, Thanksgiving Day, or Christmas Day; and any day on which the district office in which the document is to be filed is closed or otherwise inaccessible.

(b) *Extending time*. When an act may or must be done within a specified time, the judge may, for good cause, extend the time:

(1) With or without motion or notice if the judge acts, or if a request is made, before the original time or its extension expires; or

(2) On motion made after the time has expired if the party failed to act because of excusable neglect.

(c) *Additional time after certain kinds of service*. When a party may or must act within a specified time after service and service is made under §18.30(a)(2)(ii)(C) or (D), 3 days are added after the period would otherwise expire under paragraph (a) of this section.

[80 FR 28785, May 19, 2015, as amended at 80 FR 37539, July 1, 2015]

§ 18.33 Motions and other papers.

(a) *In general*. A request for an order must be made by motion. The motion must:

(1) Be in writing, unless made during a hearing;

(2) State with particularity the grounds for seeking the order;

(3) State the relief sought;

(4) Unless the relief sought has been agreed to by all parties, be accompanied by affidavits, declarations, or other evidence; and

(5) If required by paragraph (c)(4) of this section, include a memorandum of points and authority supporting the movant’s position.

(b) *Form*. The rules governing captions and other matters of form apply to motions and other requests.

(c) *Written motion before hearing*. (1) A written motion before a hearing must be served with supporting papers, at least 21 days before the time specified for the hearing, with the following exceptions:

(i) When the motion may be heard ex parte;

(ii) When these rules or an appropriate statute, regulation, or executive order set a different time; or

(iii) When an order sets a different time.

(2) A written motion served within 21 days before the hearing must state why the motion was not made earlier.

(3) A written motion before hearing must state that counsel conferred, or attempted to confer, with opposing counsel in a good faith effort to resolve the motion’s subject matter, and whether the motion is opposed or unopposed. A statement of consultation is not required with pro se litigants or with the following motions:

(i) To dismiss;

(ii) For summary decision; and

(iii) Any motion filed as “joint,” “agreed,” or “unopposed.”

(4) Unless the motion is unopposed, the supporting papers must include affidavits, declarations or other proof to establish the factual basis for the relief. For a dispositive motion and a motion relating to discovery, a memorandum of points and authority must also be submitted. A judge may direct the parties file additional documents in support of any motion.

(d) *Opposition or other response to a motion filed prior to hearing*. A party to the proceeding may file an opposition or other response to the motion within 14 days after the motion is served. The

§ 18.34

opposition or response may be accompanied by affidavits, declarations, or other evidence, and a memorandum of the points and authorities supporting the party's position. Failure to file an opposition or response within 14 days after the motion is served may result in the requested relief being granted. Unless the judge directs otherwise, no further reply is permitted and no oral argument will be heard prior to hearing.

(e) *Motions made at hearing.* A motion made at a hearing may be stated orally unless the judge determines that a written motion or response would best serve the ends of justice.

(f) *Renewed or repeated motions.* A motion seeking the same or substantially similar relief previously denied, in whole or in part, must include the following information:

- (1) The earlier motion(s),
- (2) When the respective motion was made,
- (3) The judge to whom the motion was made,
- (4) The earlier ruling(s), and
- (5) The basis for the current motion.

(g) *Motion hearing.* The judge may order a hearing to take evidence or oral argument on a motion.

§ 18.34 Format of papers filed.

Every paper filed must be printed in black ink on 8.5 × 11-inch opaque white paper and begin with a caption that includes:

- (a) The parties' names,
- (b) A title that describes the paper's purpose, and
- (c) The docket number assigned by the Office of Administrative Law Judges. If the Office has not assigned a docket number, the paper must bear the case number assigned by the Department of Labor agency where the matter originated. If the case number is an individual's Social Security number then only the last four digits may be used. See § 18.31(a)(1).

§ 18.35 Signing motions and other papers; representations to the judge; sanctions.

(a) *Date and signature.* Every written motion and other paper filed with

29 CFR Subtitle A (7–1–21 Edition)

OALJ must be dated and signed by at least one representative of record in the representative's name—or by a party personally if the party is unrepresented. The paper must state the signer's address, telephone number, facsimile number and email address, if any. The judge must strike an unsigned paper unless the omission is promptly corrected after being called to the representative's or party's attention.

(b) *Representations to the judge.* By presenting to the judge a written motion or other paper—whether by signing, filing, submitting, or later advocating it—the representative or unrepresented party certifies that to the best of the person's knowledge, information, and belief, formed after an inquiry reasonable under the circumstances:

(1) It is not being presented for any improper purpose, such as to harass, cause unnecessary delay, or needlessly increase the cost of the proceedings;

(2) The claims, defenses, and other legal contentions are warranted by existing law or by a nonfrivolous argument for extending, modifying, or reversing existing law or for establishing new law;

(3) The factual contentions have evidentiary support or, if specifically so identified, will likely have evidentiary support after a reasonable opportunity for further investigation or discovery; and

(4) The denials of factual contentions are warranted on the evidence or, if specifically so identified, are reasonably based on belief or a lack of information.

(c) *Sanctions—(1) In general.* If, after notice and a reasonable opportunity to respond, the judge determines that paragraph (b) of this section has been violated, the judge may impose an appropriate sanction on any representative, law firm, or party that violated the rule or is responsible for the violation. Absent exceptional circumstances, a law firm must be held jointly responsible for a violation committed by its partner, associate, or employee.

(2) *Motion for sanctions.* A motion for sanctions must be made separately

from any other motion and must describe the specific conduct that allegedly violates paragraph (b) of this section. The motion must be served under § 18.30(a), but it must not be filed or be presented to the judge if the challenged paper, claim, defense, contention, or denial is withdrawn or appropriately corrected within 21 days after service or within another time the judge sets.

(3) *On the judge's initiative.* On his or her own, the judge may order a representative, law firm, or party to show cause why conduct specifically described in the order has not violated paragraph (b) of this section.

(4) *Nature of a sanction.* A sanction imposed under this section may include, but is not limited to, striking part or all of the offending document, forbidding the filing of any further documents, excluding related evidence, admonishment, referral of counsel misconduct to the appropriate licensing authority, and including the sanctioned activity in assessing the quality of representation when determining an appropriate hourly rate and billable hours when adjudicating attorney fees.

(5) *Requirements for an order.* An order imposing a sanction must describe the sanctioned conduct and explain the basis for the sanction.

(d) *Inapplicability to discovery.* This section does not apply to disclosures and discovery requests, responses, objections, and motions under §§ 18.50 through 18.65.

§ 18.36 Amendments after referral to the Office of Administrative Law Judges.

The judge may allow parties to amend and supplement their filings.

PREHEARING PROCEDURE

§ 18.40 Notice of hearing.

(a) *In general.* Except when the hearing is scheduled by calendar call, the judge must notify the parties of the hearing's date, time, and place at least 14 days before the hearing. The notice is sent by regular, first-class mail, unless the judge determines that circumstances require service by certified mail or other means. The parties may agree to waive the 14-day notice for the hearing.

(b) *Date, time, and place.* The judge must consider the convenience and necessity of the parties and the witnesses in selecting the date, time, and place of the hearing.

§ 18.41 Continuances and changes in place of hearing.

(a) *By the judge.* Upon reasonable notice to the parties, the judge may change the time, date, and place of the hearing.

(b) *By a party's motion.* A request by a party to continue a hearing or to change the place of the hearing must be made by motion.

(1) *Continuances.* A motion for continuance must be filed promptly after the party becomes aware of the circumstances supporting the continuance. In exceptional circumstances, a party may orally request a continuance and must immediately notify the other parties of the continuance request.

(2) *Change in place of hearing.* A motion to change the place of a hearing must be filed promptly.

§ 18.42 Expedited proceedings.

A party may move to expedite the proceeding. The motion must demonstrate the specific harm that would result if the proceeding is not expedited. If the motion is granted, the formal hearing ordinarily will not be scheduled with less than 7 days notice to the parties, unless all parties consent to an earlier hearing.

§ 18.43 Consolidation; separate hearings.

(a) *Consolidation.* If separate proceedings before the Office of the Administrative Law Judges involve a common question of law or fact, a judge may:

- (1) Join for hearing any or all matters at issue in the proceedings;
- (2) Consolidate the proceedings; or
- (3) Issue any other orders to avoid unnecessary cost or delay.

(b) *Separate hearings.* For convenience, to avoid prejudice, or to expedite and economize, the judge may order a separate hearing of one or more issues.

§ 18.44

§ 18.44 Prehearing conference.

(a) *In general.* The judge, with or without a motion, may order one or more prehearing conferences for such purposes as:

- (1) Expediting disposition of the proceeding;
 - (2) Establishing early and continuing control so that the case will not be protracted because of lack of management;
 - (3) Discouraging wasteful prehearing activities;
 - (4) Improving the quality of the hearing through more thorough preparation; and
 - (5) Facilitating settlement.
- (b) *Scheduling.* Prehearing conferences may be conducted in person, by telephone, or other means after reasonable notice of time, place and manner of conference has been given.

(c) *Participation.* All parties must participate in prehearing conferences as directed by the judge. A represented party must authorize at least one of its attorneys or representatives to make stipulations and admissions about all matters that can reasonably be anticipated for discussion at the prehearing conference, including possible settlement.

(d) *Matters for consideration.* At the conference, the judge may consider and take appropriate actions on the following matters:

- (1) Formulating and simplifying the issues, and eliminating frivolous claims or defenses;
- (2) Amending the papers that had framed the issues before the matter was referred for hearing;
- (3) Obtaining admissions and stipulations about facts and documents to avoid unnecessary proof, and ruling in advance on the admissibility of evidence;
- (4) Avoiding unnecessary proof and cumulative evidence, and limiting the number of expert or other witnesses;
- (5) Determining the appropriateness and timing of dispositive motions under §§ 18.70 and 18.72;
- (6) Controlling and scheduling discovery, including orders affecting disclosures and discovery under §§ 18.50 through 18.65;
- (7) Identifying witnesses and documents, scheduling the filing and ex-

29 CFR Subtitle A (7-1-21 Edition)

change of any exhibits and prehearing submissions, and setting dates for further conferences and for the hearing;

- (8) Referring matters to a special master;
- (9) Settling the case and using special procedures to assist in resolving the dispute such as the settlement judge procedure under § 18.13, private mediation, and other means authorized by statute or regulation;
- (10) Determining the form and content of prehearing orders;
- (11) Disposing of pending motions;
- (12) Adopting special procedures for managing potentially difficult or protracted proceedings that may involve complex issues, multiple parties, difficult legal questions, or unusual proof problems;
- (13) Consolidating or ordering separate hearings under § 18.43;
- (14) Ordering the presentation of evidence early in the proceeding on a manageable issue that might, on the evidence, be the basis for disposing of the proceeding;
- (15) Establishing a reasonable limit on the time allowed to present evidence; and
- (16) Facilitating in other ways the just, speedy, and inexpensive disposition of the proceeding.

(e) *Reporting.* The judge may direct that the prehearing conference be recorded and transcribed. If the conference is not recorded, the judge should summarize the conference proceedings on the record at the hearing or by separate prehearing notice or order.

DISCLOSURE AND DISCOVERY

§ 18.50 General provisions governing disclosure and discovery.

- (a) *Timing and sequence of discovery—*
- (1) *Timing.* A party may seek discovery at any time after a judge issues an initial notice or order. But if the judge orders the parties to confer under paragraph (b) of this section:
 - (i) The time to respond to any pending discovery requests is extended until the time agreed in the discovery plan, or that the judge sets in resolving disputes about the discovery plan, and

(ii) No party may seek additional discovery from any source before the parties have conferred as required by paragraph (b) of this section, except by stipulation.

(2) *Sequence.* Unless, on motion, the judge orders otherwise for the parties' and witnesses' convenience and in the interests of justice:

(i) Methods of discovery may be used in any sequence; and

(ii) Discovery by one party does not require any other party to delay its discovery.

(b) *Conference of the parties; planning for discovery—(1) In general.* The judge may order the parties to confer on the matters described in paragraphs (b)(2) and (3) of this section.

(2) *Conference content; parties' responsibilities.* In conferring, the parties must consider the nature and basis of their claims and defenses and the possibilities for promptly settling or resolving the case; make or arrange for the disclosures required by paragraph (c) of this section; discuss any issues about preserving discoverable information; and develop a proposed discovery plan. The representatives of record and all unrepresented parties that have appeared in the case are jointly responsible for arranging the conference, for attempting in good faith to agree on the proposed discovery plan, and for submitting to the judge within 14 days after the conference a written report outlining the plan. The judge may order the parties or representatives to attend the conference in person.

(3) *Discovery plan.* A discovery plan must state the parties' views and proposals on:

(i) What changes should be made in the timing, form, or requirement for disclosures under paragraph (c) of this section, including a statement of when initial disclosures were made or will be made;

(ii) The subjects on which discovery may be needed, when discovery should be completed, and whether discovery should be conducted in phases or be limited to or focused on particular issues;

(iii) Any issues about disclosure or discovery of electronically stored information, including the form or forms in which it should be produced;

(iv) Any issues about claims of privilege or of protection as hearing-preparation materials, including—if the parties agree on a procedure to assert these claims after production—whether to ask the judge to include their agreement in an order;

(v) What changes should be made in the limitations on discovery imposed under these rules and what other limitations should be imposed; and

(vi) Any other orders that the judge should issue under § 18.52 or § 18.44.

(c) *Required disclosures—(1) Initial disclosure—(i) In general.* Except as exempted by paragraph (c)(1)(ii) of this section or otherwise ordered by the judge, a party must, without awaiting a discovery request, provide to the other parties:

(A) The name and, if known, the address and telephone number of each individual likely to have discoverable information—along with the subjects of that information—that the disclosing party may use to support its claims or defenses, unless the use would be solely for impeachment;

(B) A copy—or a description by category and location—of all documents, electronically stored information, and tangible things that the disclosing party has in its possession, custody, or control and may use to support its claims or defenses, unless the use would be solely for impeachment; and

(C) A computation of each category of damages claimed by the disclosing party—who must also make available for inspection and copying as under § 18.61 the documents or other evidentiary material, unless privileged or protected from disclosure, on which each computation is based, including materials bearing on the nature and extent of injuries suffered.

(ii) *Proceedings exempt from initial disclosure.* The following proceedings are exempt from initial disclosure:

(A) A proceeding under 29 CFR part 20 for review of an agency determination regarding the existence or amount of a debt, or the repayment schedule proposed by the agency;

(B) A proceeding before the Board of Alien Labor Certification Appeals under the Immigration and Nationality Act; and

§ 18.50

29 CFR Subtitle A (7-1-21 Edition)

(C) A proceeding under the regulations governing certification of H-2 non-immigrant temporary agricultural employment at 20 CFR part 655, subpart B;

(D) A rulemaking proceeding under the Occupational Safety and Health Act of 1970; and

(E) A proceeding for civil penalty assessments under Employee Retirement Income Security Act of 1974, 29 U.S.C. 1132.

(iii) *Parties exempt from initial disclosure.* The following parties are exempt from initial disclosure:

(A) In a Black Lung benefits proceeding under 30 U.S.C. 901 *et seq.*, the representative of the Office of Workers' Compensation Programs of the Department of Labor, if an employer has been identified as the Responsible Operator and is a party to the proceeding, *see* 20 CFR 725.418(d); and

(B) In a proceeding under the Longshore and Harbor Workers' Compensation Act, 33 U.S.C. 901-950, or an associated statute such as the Defense Base Act, 42 U.S.C. 1651-1654, the representative of the Office of Workers' Compensation Programs of the Department of Labor, unless the Solicitor of Labor or the Solicitor's designee has elected to participate in the proceeding under 20 CFR 702.333(b), or unless an employer or carrier has applied for relief under the special fund, as defined in 33 U.S.C. 908(f).

(iv) *Time for initial disclosures—in general.* A party must make the initial disclosures required by paragraph (c)(1)(i) of this section within 21 days after an initial notice or order is entered acknowledging that the proceeding has been docketed at the OALJ unless a different time is set by stipulation or a judge's order, or a party objects during the conference that initial disclosures are not appropriate in the proceeding and states the objection in the proposed discovery plan. In ruling on the objection, the judge must determine what disclosures, if any, are to be made and must set the time for disclosure.

(v) *Time for initial disclosures—for parties served or joined later.* A party that is first served or otherwise joined later in the proceeding must make the initial disclosures within 21 days after being served or joined, unless a different

time is set by stipulation or the judge's order. Copies of all prior disclosures must be served on a newly served or joined party within 21 days of the service or joinder.

(vi) *Basis for initial disclosure; unacceptable excuses.* A party must make its initial disclosures based on the information then reasonably available to it. A party is not excused from making its disclosures because it has not fully investigated the case or because it challenges the sufficiency of another party's disclosures or because another party has not made its disclosures.

(2) *Disclosure of expert testimony—(i) In general.* A party must disclose to the other parties the identity of any witness who may testify at hearing, either live or by deposition. The judge should set the time for the disclosure by prehearing order.

(ii) *Witnesses who must provide a written report.* Unless otherwise stipulated or ordered by the judge, this disclosure must be accompanied by a written report—prepared and signed by the witness—if the witness is one retained or specially employed to provide expert testimony in the case or one whose duties as the party's employee regularly involve giving expert testimony. The report must contain:

(A) A complete statement of all opinions the witness will express and the basis and reasons for them;

(B) The facts or data considered by the witness in forming them;

(C) Any exhibits that will be used to summarize or support them;

(D) The witness's qualifications, including a list of all publications authored in the previous 10 years;

(E) A list of all other cases in which, during the previous 4 years, the witness testified as an expert at trial, a hearing, or by deposition; and

(F) A statement of the compensation to be paid for the study and testimony in the case.

(iii) *Witnesses who do not provide a written report.* Unless otherwise stipulated or ordered by the judge that the witness is not required to provide a written report, this disclosure must state:

(A) The subject matter on which the witness is expected to present expert opinion evidence; and

(B) A summary of the facts and opinions to which the witness is expected to testify.

(iv) *Supplementing the disclosure.* The parties must supplement these disclosures when required under § 18.53.

(3) *Prehearing disclosures.* In addition to the disclosures required by paragraphs (c)(1) and (2) of this section, a party must provide to the other parties and promptly file the prehearing disclosures described in § 18.80.

(4) *Form of disclosures.* Unless the judge orders otherwise, all disclosures under this paragraph (c) must be in writing, signed, and served.

(d) *Signing disclosures and discovery requests, responses, and objections—(1) Signature required; effect of signature.* Every disclosure under paragraph (c) of this section and every discovery request, response, or objection must be signed by at least one of the party's representatives in the representative's own name, or by the party personally if unrepresented, and must state the signer's address, telephone number, facsimile number, and email address, if any. By signing, a representative or party certifies that to the best of the person's knowledge, information, and belief formed after a reasonable inquiry:

(i) With respect to a disclosure, it is complete and correct as of the time it is made; and

(ii) With respect to a discovery request, response, or objection, it is:

(A) Consistent with these rules and warranted by existing law or by a non-frivolous argument for extending, modifying, or reversing existing law, or for establishing new law;

(B) Not interposed for any improper purpose, such as to harass, cause unnecessary delay, or needlessly increase the cost of litigation; and

(C) Neither unreasonable nor unduly burdensome or expensive, considering the needs of the case, prior discovery in the case, the amount in controversy, and the importance of the issues at stake in the action.

(2) *Failure to sign.* Other parties have no duty to act on an unsigned disclosure, request, response, or objection until it is signed, and the judge must strike it unless a signature is promptly supplied after the omission is called to

the representative's or party's attention.

(3) *Sanction for improper certification.* If a certification violates this section without substantial justification, the judge, on motion or on his or her own, must impose an appropriate sanction, as provided in § 18.57, on the signer, the party on whose behalf the signer was acting, or both.

§ 18.51 Discovery scope and limits.

(a) *Scope in general.* Unless otherwise limited by a judge's order, the scope of discovery is as follows: Parties may obtain discovery regarding any nonprivileged matter that is relevant to any party's claim or defense—including the existence, description, nature, custody, condition, and location of any documents or other tangible things and the identity and location of persons who know of any discoverable matter. For good cause, the judge may order discovery of any matter relevant to the subject matter involved in the proceeding. Relevant information need not be admissible at the hearing if the discovery appears reasonably calculated to lead to the discovery of admissible evidence. All discovery is subject to the limitations imposed by paragraph (b)(4) of this section.

(b) *Limitations on frequency and extent—(1) When permitted.* By order, the judge may alter the limits in these rules on the number of depositions and interrogatories or on the length of depositions under § 18.64. The judge's order may also limit the number of requests under § 18.63.

(2) *Specific limitations on electronically stored information.* A party need not provide discovery of electronically stored information from sources that the party identifies as not reasonably accessible because of undue burden or cost. On motion to compel discovery or for a protective order, the party from whom discovery is sought must show that the information is not reasonably accessible because of undue burden or cost. If that showing is made, the judge may nonetheless order discovery from such sources if the requesting party shows good cause, considering the limitations of paragraph (b)(4) of this section. The judge may specify conditions for the discovery.

§ 18.51

29 CFR Subtitle A (7-1-21 Edition)

(3) *Inadvertently disclosed privileged or protected information.* By requesting electronically stored information, a party consents to the application of Federal Rule of Evidence 502 with regard to inadvertently disclosed privileged or protected information.

(4) *When required.* On motion or on his or her own, the judge must limit the frequency or extent of discovery otherwise allowed by these rules when:

(i) The discovery sought is unreasonably cumulative or duplicative, or can be obtained from some other source that is more convenient, less burdensome, or less expensive;

(ii) The party seeking discovery has had ample opportunity to obtain the information by discovery in the action; or

(iii) The burden or expense of the proposed discovery outweighs its likely benefit, considering the needs of the case, the amount in controversy, the parties' resources, the importance of the issues at stake in the action, and the importance of the discovery in resolving the issues.

(c) *Hearing preparation: Materials—(1) Documents and tangible things.* Ordinarily, a party may not discover documents and tangible things that are prepared in anticipation of litigation or for hearing by or for another party or its representative (including the other party's attorney, consultant, surety, indemnitor, insurer, or agent). But, subject to paragraph (d) of this section, those materials may be discovered if:

(i) They are otherwise discoverable under paragraph (a) of this section; and

(ii) The party shows that it has substantial need for the materials to prepare its case and cannot, without undue hardship, obtain their substantial equivalent by other means.

(2) *Protection against disclosure.* A judge who orders discovery of those materials must protect against disclosure of the mental impressions, conclusions, opinions, or legal theories of a party's representative concerning the litigation.

(3) *Previous statement.* Any party or other person may, on request and without the required showing, obtain the person's own previous statement about the action or its subject matter. If the request is refused, the person may

move for a judge's order. A previous statement is either:

(i) A written statement that the person has signed or otherwise adopted or approved; or

(ii) A contemporaneous stenographic, mechanical, electrical, or other recording—or a transcription of it—that recites substantially verbatim the person's oral statement.

(d) *Hearing preparation: Experts—(1) Deposition of an expert who may testify.* A party may depose any person who has been identified as an expert whose opinions may be presented at trial. If §18.50(c)(2)(ii) requires a report from the expert the deposition may be conducted only after the report is provided, unless the parties stipulate otherwise.

(2) *Hearing-preparation protection for draft reports or disclosures.* Paragraphs (c)(1) and (2) of this section protect drafts of any report or disclosure required under §18.50(c)(2), regardless of the form in which the draft is recorded.

(3) *Hearing-preparation protection for communications between a party's representative and expert witnesses.* Paragraphs (c)(1) and (2) under this section protect communications between the party's representative and any witness required to provide a report under §18.50(c)(2)(ii), regardless of the form of the communications, except to the extent that the communications:

(i) Relate to compensation for the expert's study or testimony;

(ii) Identify facts or data that the party's representative provided and that the expert considered in forming the opinions to be expressed; or

(iii) Identify assumptions that the party's representative provided and that the expert relied on in forming the opinions to be expressed.

(4) *Expert employed only for hearing preparation.* Ordinarily, a party may not, by interrogatories or deposition, discover facts known or opinions held by an expert who has been retained or specially employed by another party in anticipation of litigation or to prepare for hearing and whose testimony is not anticipated to be used at the hearing. But a party may do so only:

(i) As provided in §18.62(c); or

(ii) On showing exceptional circumstances under which it is impracticable for the party to obtain facts or opinions on the same subject by other means.

(e) *Claiming privilege or protecting hearing-preparation materials*—(1) *Information withheld*. When a party withholds information otherwise discoverable by claiming that the information is privileged or subject to protection as hearing-preparation material, the party must:

(i) Expressly make the claim; and

(ii) Describe the nature of the documents, communications, or tangible things not produced or disclosed—and do so in a manner that, without revealing information itself privileged or protected, will enable other parties to assess the claim.

(2) *Information produced*. If information produced in discovery is subject to a claim of privilege or of protection as hearing-preparation material, the party making the claim must notify any party that received the information of the claim and the basis for it. After being notified, a party must promptly return, sequester, or destroy the specified information and any copies it has; must not use or disclose the information until the claim is resolved; must take reasonable steps to retrieve the information if the party disclosed it before being notified; and may promptly present the information to the judge for an *in camera* determination of the claim. The producing party must preserve the information until the claim is resolved.

[80 FR 28785, May 19, 2015, as amended at 80 FR 37539, July 1, 2015]

§ 18.52 Protective orders.

(a) *In general*. A party or any person from whom discovery is sought may file a written motion for a protective order. The motion must include a certification that the movant has in good faith conferred or attempted to confer with other affected parties in an effort to resolve the dispute without the judge's action. The judge may, for good cause, issue an order to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense, including one or more of the following:

(1) Forbidding the disclosure or discovery;

(2) Specifying terms, including time and place, for the disclosure or discovery;

(3) Prescribing a discovery method other than the one selected by the party seeking discovery;

(4) Forbidding inquiry into certain matters, or limiting the scope of disclosure or discovery to certain matters;

(5) Designating the persons who may be present while the discovery is conducted;

(6) Requiring that a deposition be sealed and opened only on the judge's order;

(7) Requiring that a trade secret or other confidential research, development, or commercial information not be revealed or be revealed only in a specified way;

and

(8) Requiring that the parties simultaneously file specified documents or information in sealed envelopes, to be opened as the judge directs.

(b) *Ordering discovery*. If a motion for a protective order is wholly or partly denied, the judge may, on just terms, order that any party or person provide or permit discovery.

§ 18.53 Supplementing disclosures and responses.

(a) *In general*. A party who has made a disclosure under § 18.50(c)—or who has responded to an interrogatory, request for production, or request for admission—must supplement or correct its disclosure or response:

(1) In a timely manner if the party learns that in some material respect the disclosure or response is incomplete or incorrect, and if the additional or corrective information has not otherwise been made known to the other parties during the discovery process or in writing; or

(2) As ordered by the judge.

(b) *Expert witness*. For an expert whose report must be disclosed under § 18.50(c)(2)(ii), the party's duty to supplement extends both to information included in the report and to information given during the expert's deposition. Any additions or changes to this information must be disclosed by the

§ 18.54

time the party's prehearing disclosures under § 18.50(c)(3) are due.

[80 FR 28785, May 19, 2015, as amended at 80 FR 37540, July 1, 2015]

§ 18.54 Stipulations about discovery procedure.

Unless the judge orders otherwise, the parties may stipulate that:

(a) A deposition may be taken before any person, at any time or place, on any notice, and in the manner specified—in which event it may be used in the same way as any other deposition; and

(b) Other procedures governing or limiting discovery be modified— but a stipulation extending the time for any form of discovery must have the judge's approval if it would interfere with the time set for completing discovery, for hearing a motion, or for hearing.

§ 18.55 Using depositions at hearings.

(a) *Using depositions*—(1) *In general.* If there is no objection, all or part of a deposition may be used at a hearing to the extent it would be admissible under the applicable rules of evidence as if the deponent were present and testifying.

(2) *Over objection.* Notwithstanding any objection, all or part of a deposition may be used at a hearing against a party on these conditions:

(i) The party was present or represented at the taking of the deposition or had reasonable notice of it;

(ii) It is used to the extent it would be admissible under the applicable rules of evidence if the deponent were present and testifying; and

(iii) The use is allowed by paragraphs (a)(3) through (9) of this section.

(3) *Impeachment and other uses.* Any party may use a deposition to contradict or impeach the testimony given by the deponent as a witness, or for any other purpose allowed by the applicable rules of evidence.

(4) *Deposition of party, agent, or designee.* An adverse party may use for any purpose the deposition of a party or anyone who, when deposed, was the party's officer, director, managing agent, or designee under § 18.64(b)(6) or § 18.65(a)(4).

29 CFR Subtitle A (7–1–21 Edition)

(5) *Deposition of expert, treating physician, or examining physician.* A party may use for any purpose the deposition of an expert witness, treating physician or examining physician.

(6) *Unavailable witness.* A party may use for any purpose the deposition of a witness, whether or not a party, if the judge finds:

(i) That the witness is dead;

(ii) That the witness is more than 100 miles from the place of hearing or is outside the United States, unless it appears that the witness's absence was procured by the party offering the deposition;

(iii) That the witness cannot attend or testify because of age, illness, infirmity, or imprisonment;

(iv) That the party offering the deposition could not procure the witness's attendance by subpoena; or

(v) on motion and notice, that exceptional circumstances make it desirable—in the interests of justice and with due regard to the importance of live testimony in an open hearing—to permit the deposition to be used.

(7) *Limitations on use*—(i) *Deposition taken on short notice.* A deposition must not be used against a party who, having received less than 14 days' notice of the deposition, promptly moved for a protective order under § 18.52(a)(2) requesting that it not be taken or be taken at a different time or place—and this motion was still pending when the deposition was taken.

(ii) *Unavailable deponent; party could not obtain a representative.* A deposition taken without leave of the judge under the unavailability provision of § 18.64(a)(2)(i)(C) must not be used against a party who shows that, when served with the notice, it could not, despite diligent efforts, obtain a representative to represent it at the deposition.

(8) *Using part of a deposition.* If a party offers in evidence only part of a deposition, an adverse party may require the offeror to introduce other parts that in fairness should be considered with the part introduced, and any party may itself introduce any other parts.

(9) *Deposition taken in an earlier action.* A deposition lawfully taken may be used in a later action involving the

same subject matter between the same parties, or their representatives or successors in interest, to the same extent as if taken in the later action. A deposition previously taken may also be used as allowed by the applicable rules of evidence.

(b) *Objections to admissibility.* Subject to paragraph (d)(3) of this section, an objection may be made at a hearing to the admission of any deposition testimony that would be inadmissible if the witness were present and testifying.

(c) *Form of presentation.* Unless the judge orders otherwise, a party must provide a transcript of any deposition testimony the party offers, but the judge may receive the testimony in nontranscript form as well.

(d) *Waiver of objections—(1) To the notice.* An objection to an error or irregularity in a deposition notice is waived unless promptly served in writing on the party giving the notice.

(2) *To the officer's qualification.* An objection based on disqualification of the officer before whom a deposition is to be taken is waived if not made:

(i) Before the deposition begins; or

(ii) Promptly after the basis for disqualification becomes known or, with reasonable diligence, could have been known.

(3) *To the taking of the deposition—(i) Objection to competence, relevance, or materiality.* An objection to a deponent's competence—or to the competence, relevance, or materiality of testimony—is not waived by a failure to make the objection before or during the deposition, unless the ground for it might have been corrected at that time.

(ii) *Objection to an error or irregularity.* An objection to an error or irregularity at an oral examination is waived if:

(A) It relates to the manner of taking the deposition, the form of a question or answer, the oath or affirmation, a party's conduct, or other matters that might have been corrected at that time; and

(B) It is not timely made during the deposition.

(iii) *Objection to a written question.* An objection to the form of a written question under § 18.65 is waived if not served in writing on the party submitting the question within the time for serving re-

sponsive questions or, if the question is a recross-question, within 7 days after being served with it.

(4) *To completing and returning the deposition.* An objection to how the officer transcribed the testimony—or prepared, signed, certified, sealed, endorsed, sent, or otherwise dealt with the deposition—is waived unless a motion to suppress is made promptly after the error or irregularity becomes known or, with reasonable diligence, could have been known.

§ 18.56 Subpoena.

(a) *In general.* (1) Upon written application of a party the judge may issue a subpoena authorized by statute or law that requires a witness to attend and to produce relevant papers, books, documents, or tangible things in the witness' possession or under the witness' control.

(2) *Form and contents—(i) Requirements—in general.* Every subpoena must:

(A) State the title of the matter and show the case number assigned by the Office of Administrative Law Judges or the Office of Worker's Compensation Programs. In the event that the case number is an individual's Social Security number only the last four numbers may be used. *See* § 18.31(a)(1);

(B) Bear the signature of the issuing judge;

(C) Command each person to whom it is directed to do the following at a specified time and place: attend and testify; produce designated documents, electronically stored information, or tangible things in that person's possession, custody, or control; or permit the inspection of premises; and

(D) Set out the text of paragraphs (c) and (d) of this section.

(ii) *Command to attend a deposition—notice of the recording method.* A subpoena commanding attendance at a deposition must state the method for recording the testimony.

(iii) *Combining or separating a command to produce or to permit inspection; specifying the form for electronically stored information.* A command to produce documents, electronically stored information, or tangible things or to permit the inspection of premises

§ 18.56

29 CFR Subtitle A (7-1-21 Edition)

may be included in a subpoena commanding attendance at a deposition or hearing, or may be set out in a separate subpoena. A subpoena may specify the form or forms in which electronically stored information is to be produced.

(iv) *Command to produce; included obligations.* A command in a subpoena to produce documents, electronically stored information, or tangible things requires the responding party to permit inspection, copying, testing, or sampling of the materials.

(b) *Service—(1) By whom; tendering fees; serving a copy of certain subpoenas.* Any person who is at least 18 years old and not a party may serve a subpoena. Serving a subpoena requires delivering a copy to the named person and, if the subpoena requires that person's attendance, tendering with it the fees for 1 day's attendance and the mileage allowed by law. Service may also be made by certified mail with return receipt. Fees and mileage need not be tendered when the subpoena issues on behalf of the United States or any of its officers or agencies. If the subpoena commands the production of documents, electronically stored information, or tangible things or the inspection of premises before the formal hearing, then before it is served on the person to whom it is directed, a notice and copy of the subpoena must be served on each party.

(2) *Service in the United States.* Subject to paragraph (c)(3)(i)(B) of this section, a subpoena may be served at any place within a State, Commonwealth, or Territory of the United States, or the District of Columbia.

(3) *Service in a foreign country.* 28 U.S.C. 1783 governs issuing and serving a subpoena directed to a United States national or resident who is in a foreign country.

(4) *Proof of service.* Proving service, when necessary, requires filing with the judge a statement showing the date and manner of service and the names of the persons served. The statement must be certified by the server.

(c) *Protecting a person subject to a subpoena—(1) Avoiding undue burden; sanctions.* A party or representative responsible for requesting, issuing, or serving a subpoena must take reasonable steps

to avoid imposing undue burden on a person subject to the subpoena. The judge must enforce this duty and impose an appropriate sanction.

(2) *Command to produce materials or permit inspection—(i) Appearance not required.* A person commanded to produce documents, electronically stored information, or tangible things, or to permit the inspection of premises, need not appear in person at the place of production or inspection unless also commanded to appear for a deposition or hearing.

(ii) *Objections.* A person commanded to produce documents or tangible things or to permit inspection may serve on the party or representative designated in the subpoena a written objection to inspecting, copying, testing or sampling any or all of the materials or to inspecting the premises—or to producing electronically stored information in the form or forms requested. The objection must be served before the earlier of the time specified for compliance or 14 days after the subpoena is served. If an objection is made, the following rules apply:

(A) At any time, on notice to the commanded person, the serving party may move the judge for an order compelling production or inspection.

(B) These acts may be required only as directed in the order, and the order must protect a person who is neither a party nor a party's officer from significant expense resulting from compliance.

(3) *Quashing or modifying a subpoena—(i) When required.* On timely motion, the judge must quash or modify a subpoena that:

(A) Fails to allow a reasonable time to comply;

(B) Requires a person who is neither a party nor a party's officer to travel more than 100 miles from where that person resides, is employed, or regularly transacts business in person—except that, subject to paragraph (c)(3)(ii)(C) of this section, the person may be commanded to attend the formal hearing;

(C) Requires disclosure of privileged or other protected matter, if no exception or waiver applies; or

(D) Subjects a person to undue burden.

(ii) *When permitted.* To protect a person subject to or otherwise affected by a subpoena, the judge may, on motion, quash or modify the subpoena if it requires:

(A) Disclosing a trade secret or other confidential research, development, or commercial information;

(B) Disclosing an unretained expert's opinion or information that does not describe specific occurrences in dispute and results from the expert's study that was not requested by a party; or

(C) A person who is neither a party nor a party's officer to incur substantial expense to travel more than 100 miles to attend the formal hearing.

(iii) *Specifying conditions as an alternative.* In the circumstances described in paragraph (c)(3)(ii) of this section, the judge may, instead of quashing or modifying a subpoena, order appearance or production under specified conditions if the serving party:

(A) Shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship; and

(B) Ensures that the subpoenaed person will be reasonably compensated.

(d) *Duties in responding to a subpoena—(1) Producing documents or electronically stored information.* These procedures apply to producing documents or electronically stored information:

(i) *Documents.* A person responding to a subpoena to produce documents must produce them as they are kept in the ordinary course of business or must organize and label them to correspond to the categories in the demand.

(ii) *Form for producing electronically stored information not specified.* If a subpoena does not specify a form for producing electronically stored information, the person responding must produce it in a form or forms in which it is ordinarily maintained or in a reasonably usable form or forms.

(iii) *Electronically stored information produced in only one form.* The person responding need not produce the same electronically stored information in more than one form.

(iv) *Inaccessible electronically stored information.* The person responding need not provide discovery of electronically stored information from sources that the person identifies as not reasonably

accessible because of undue burden or cost. On motion to compel discovery or for a protective order, the person responding must show that the information is not reasonably accessible because of undue burden or cost. If that showing is made, the judge may nonetheless order discovery from such sources if the requesting party shows good cause, considering the limitations of §18.51(b)(4)(iii). The judge may specify conditions for the discovery.

(2) *Claiming privilege or protection—(i) Information withheld.* A person withholding subpoenaed information under a claim that it is privileged or subject to protection as hearing-preparation material must:

(A) Expressly make the claim; and

(B) Describe the nature of the withheld documents, communications, or tangible things in a manner that, without revealing information itself privileged or protected, will enable the parties to assess the claim.

(ii) *Information produced.* If information produced in response to a subpoena is subject to a claim of privilege or of protection as hearing-preparation material, the person making the claim may notify any party that received the information of the claim and the basis for it. After being notified, a party must promptly return, sequester, or destroy the specified information and any copies it has; must not use or disclose the information until the claim is resolved; must take reasonable steps to retrieve the information if the party disclosed it before being notified; and may promptly present the information to the judge *in camera* for a determination of the claim. The person who produced the information must preserve the information until the claim is resolved.

(e) *Failure to obey.* When a person fails to obey a subpoena, the party adversely affected by the failure may, when authorized by statute or by law, apply to the appropriate district court to enforce the subpoena.

§18.57 Failure to make disclosures or to cooperate in discovery; sanctions.

(a) *Motion for an order compelling disclosure or discovery—(1) In general.* On notice to other parties and all affected

§ 18.57

persons, a party may move for an order compelling disclosure or discovery. The motion must include a certification that the movant has in good faith conferred or attempted to confer with the person or party failing to make disclosure or discovery in an effort to obtain it without the judge's action.

(2) *Specific motions*—(i) *To compel disclosure*. If a party fails to make a disclosure required by §18.50(c), any other party may move to compel disclosure and for appropriate sanctions.

(ii) *To compel a discovery response*. A party seeking discovery may move for an order compelling an answer, designation, production, or inspection. This motion may be made if:

(A) A deponent fails to answer a question asked under §§18.64 and 18.65;

(B) A corporation or other entity fails to make a designation under §§18.64(b)(6) and 18.65(a)(4);

(C) A party fails to answer an interrogatory submitted under §18.60; or

(D) A party fails to respond that inspection will be permitted—or fails to permit inspection—as requested under §18.61.

(iii) *Related to a deposition*. When taking an oral deposition, the party asking a question may complete or adjourn the examination before moving for an order.

(3) *Evasive or incomplete disclosure, answer, or response*. For purposes of paragraph (a) of this section, an evasive or incomplete disclosure, answer, or response must be treated as a failure to disclose, answer, or respond.

(b) *Failure to comply with a judge's order*—(1) *For not obeying a discovery order*. If a party or a party's officer, director, or managing agent—or a witness designated under §§18.64(b)(6) and 18.65(a)(4)—fails to obey an order to provide or permit discovery, including an order under §18.50(b) or paragraph (a) of this section, the judge may issue further just orders. They may include the following:

(i) Directing that the matters embraced in the order or other designated facts be taken as established for purposes of the proceeding, as the prevailing party claims;

(ii) Prohibiting the disobedient party from supporting or opposing designated

29 CFR Subtitle A (7–1–21 Edition)

claims or defenses, or from introducing designated matters in evidence;

(iii) Striking claims or defenses in whole or in part;

(iv) Staying further proceedings until the order is obeyed;

(v) Dismissing the proceeding in whole or in part; or

(vi) Rendering a default decision and order against the disobedient party;

(2) *For not producing a person for examination*. If a party fails to comply with an order under §18.62 requiring it to produce another person for examination, the judge may issue any of the orders listed in paragraph (b)(1) of this section, unless the disobedient party shows that it cannot produce the other person.

(c) *Failure to disclose, to supplement an earlier response, or to admit*. If a party fails to provide information or identify a witness as required by §§18.50(c) and 18.53, or if a party fails to admit what is requested under §18.63(a) and the requesting party later proves a document to be genuine or the matter true, the party is not allowed to use that information or witness to supply evidence on a motion or at a hearing, unless the failure was substantially justified or is harmless. In addition to or instead of this sanction, the judge, on motion and after giving an opportunity to be heard may impose other appropriate sanctions, including any of the orders listed in paragraph (b)(1) of this section.

(d) *Party's failure to attend its own deposition, serve answers to interrogatories, or respond to a request for inspection*—(1) *In general*—(i) *Motion; grounds for sanctions*. The judge may, on motion, order sanctions if:

(A) A party or a party's officer, director, or managing agent—or a person designated under §§18.64(b)(6) and 18.65(a)(4)—fails, after being served with proper notice, to appear for that person's deposition; or

(B) A party, after being properly served with interrogatories under §18.60 or a request for inspection under §18.61, fails to serve its answers, objections, or written response.

(ii) *Certification*. A motion for sanctions for failing to answer or respond must include a certification that the movant has in good faith conferred or attempted to confer with the party

failing to act in an effort to obtain the answer or response without the judge's action.

(2) *Unacceptable excuse for failing to act.* A failure described in paragraph (d)(1)(i) of this section is not excused on the ground that the discovery sought was objectionable, unless the party failing to act has a pending motion for a protective order under § 18.52(a).

(3) *Types of sanctions.* Sanctions may include any of the orders listed in paragraph (b)(1) of this section.

(e) *Failure to provide electronically stored information.* Absent exceptional circumstances, a judge may not impose sanctions under these rules on a party for failing to provide electronically stored information lost as a result of the routine, good-faith operation of an electronic information system.

(f) *Procedure.* A judge may impose sanctions under this section upon:

(1) A separately filed motion; or

(2) Notice from the judge followed by a reasonable opportunity to be heard.

TYPES OF DISCOVERY

§ 18.60 Interrogatories to parties.

(a) *In general*—(1) *Number.* Unless otherwise stipulated or ordered by the judge, a party may serve on any other party no more than 25 written interrogatories, including all discrete subparts. Leave to serve additional interrogatories may be granted to the extent consistent with § 18.51.

(2) *Scope.* An interrogatory may relate to any matter that may be inquired into under § 18.51. An interrogatory is not objectionable merely because it asks for an opinion or contention that relates to fact or the application of law to fact, but the judge may order that the interrogatory need not be answered until designated discovery is complete, or until a prehearing conference or some other time.

(b) *Answers and objections*—(1) *Responding party.* The interrogatories must be answered:

(i) By the party to whom they are directed; or

(ii) If that party is a public or private corporation, a partnership, an association, or a governmental agency, by any

officer or agent, who must furnish the information available to the party.

(2) *Time to respond.* The responding party must serve its answers and any objections within 30 days after being served with the interrogatories. A shorter or longer time may be stipulated to under § 18.54 or be ordered by the judge.

(3) *Answering each interrogatory.* Each interrogatory must, to the extent it is not objected to, be answered separately and fully in writing under oath.

(4) *Objections.* The grounds for objecting to an interrogatory must be stated with specificity. Any ground not stated in a timely objection is waived unless the judge, for good cause, excuses the failure.

(5) *Signature.* The person who makes the answers must sign them, and the attorney or non-attorney representative who objects must sign any objections.

(c) *Use.* An answer to an interrogatory may be used to the extent allowed by the applicable rules of evidence.

(d) *Option to produce business records.* If the answer to an interrogatory may be determined by examining, auditing, compiling, abstracting, or summarizing a party's business records (including electronically stored information), and if the burden of deriving or ascertaining the answer will be substantially the same for either party, the responding party may answer by:

(1) Specifying the records that must be reviewed, in sufficient detail to enable the interrogating party to locate and identify them as readily as the responding party could; and

(2) Giving the interrogating party a reasonable opportunity to examine and audit the records and to make copies, compilations, abstracts, or summaries.

§ 18.61 Producing documents, electronically stored information, and tangible things, or entering onto land, for inspection and other purposes.

(a) *In general.* A party may serve on any other party a request within the scope of § 18.51:

(1) To produce and permit the requesting party or its representative to

§ 18.62

29 CFR Subtitle A (7-1-21 Edition)

inspect, copy, test, or sample the following items in the responding party's possession, custody, or control:

(i) Any designated documents or electronically stored information—including writings, drawings, graphs, charts, photographs, sound recordings, images, and other data or data compilations—stored in any medium from which information can be obtained either directly or, if necessary, after translation by the responding party into a reasonably usable form; or

(ii) Any designated tangible things; or

(2) To permit entry onto designated land or other property possessed or controlled by the responding party, so that the requesting party may inspect, measure, survey, photograph, test, or sample the property or any designated object or operation on it.

(b) *Procedure*—(1) *Contents of the request*. The request:

(i) Must describe with reasonable particularity each item or category of items to be inspected;

(ii) Must specify a reasonable time, place, and manner for the inspection and for performing the related acts; and

(iii) May specify the form or forms in which electronically stored information is to be produced.

(2) *Responses and objections*—(i) *Time to respond*. The party to whom the request is directed must respond in writing within 30 days after being served. A shorter or longer time may be stipulated to under §18.54 or be ordered by the judge.

(ii) *Responding to each item*. For each item or category, the response must either state that inspection and related activities will be permitted as requested or state an objection to the request, including the reasons.

(iii) *Objections*. An objection to part of a request must specify the part and permit inspection of the rest.

(iv) *Responding to a request for production of electronically stored information*. The response may state an objection to a requested form for producing electronically stored information. If the responding party objects to a requested form—or if no form was specified in the request—the party must state the form or forms it intends to use.

(v) *Producing the documents or electronically stored information*. Unless otherwise stipulated or ordered by the judge, these procedures apply to producing documents or electronically stored information:

(A) A party must produce documents as they are kept in the usual course of business or must organize and label them to correspond to the categories in the request;

(B) If a request does not specify a form for producing electronically stored information, a party must produce it in a form or forms in which it is ordinarily maintained or in a reasonably usable form or forms; and

(C) A party need not produce the same electronically stored information in more than one form.

(c) *Nonparties*. As provided in §18.56, a nonparty may be compelled to produce documents and tangible things or to permit an inspection.

§ 18.62 Physical and mental examinations.

(a) *Examination by notice*—(1) *In general*. A party may serve upon another party whose mental or physical condition is in controversy a notice to attend and submit to an examination by a suitably licensed or certified examiner.

(2) *Contents of the notice*. The notice must specify:

(i) The legal basis for the examination;

(ii) The time, place, manner, conditions, and scope of the examination, as well as the person or persons who will perform it; and

(iii) How the reasonable transportation expenses were calculated.

(3) *Service of notice*. Unless otherwise agreed by the parties, the notice must be served no fewer than 30 days before the examination date.

(4) *Objection*. The person to be examined must serve any objection to the notice no later than 14 days after the notice is served. The objection must be stated with particularity.

(b) *Examination by motion*. Upon objection by the person to be examined the requesting party may file a motion to compel a physical or mental examination. The motion must include the

elements required by paragraph (a)(2) of this section.

(c) *Examiner's report*—(1) *Delivery of the report.* The party who initiated the examination must deliver a complete copy of the examination report to the party examined no later than seven days after it receives the report, together with like reports of all earlier examinations of the same condition.

(2) *Contents.* The examiner's report must be in writing and must set out in detail the examiner's findings, including diagnoses, conclusions, and the results of any tests.

§ 18.63 Requests for admission.

(a) *Scope and procedure*—(1) *Scope.* A party may serve on any other party a written request to admit, for purposes of the pending action only, the truth of any matters within the scope of § 18.51 relating to:

(i) Facts, the application of law to fact, or opinions about either; and

(ii) The genuineness of any described documents.

(2) *Form; copy of a document.* Each matter must be separately stated. A request to admit the genuineness of a document must be accompanied by a copy of the document unless it is, or has been, otherwise furnished or made available for inspection and copying.

(3) *Time to respond; effect of not responding.* A matter is admitted unless, within 30 days after being served, the party to whom the request is directed serves on the requesting party a written answer or objection addressed to the matter and signed by the party or its attorney. A shorter or longer time for responding may be stipulated to under § 18.54 or be ordered by the judge.

(4) *Answer.* If a matter is not admitted, the answer must specifically deny it or state in detail why the answering party cannot truthfully admit or deny it. A denial must fairly respond to the substance of the matter; and when good faith requires that a party qualify an answer or deny only a part of a matter, the answer must specify the part admitted and qualify or deny the rest. The answering party may assert lack of knowledge or information as a reason for failing to admit or deny only if the party states that it has made reasonable inquiry and that the informa-

tion it knows or can readily obtain is insufficient to enable it to admit or deny.

(5) *Objections.* The grounds for objecting to a request must be stated. A party must not object solely on the ground that the request presents a genuine issue for hearing.

(6) *Motion regarding the sufficiency of an answer or objection.* The requesting party may move to determine the sufficiency of an answer or objection. Unless the judge finds an objection justified, the judge must order that an answer be served. On finding that an answer does not comply with this section, the judge may order either that the matter is admitted or that an amended answer be served. The judge may defer final decision until a prehearing conference or a specified time before the hearing.

(b) *Effect of an admission; withdrawing or amending it.* A matter admitted under this section is conclusively established unless the judge, on motion, permits the admission to be withdrawn or amended. The judge may permit withdrawal or amendment if it would promote the presentation of the merits of the action and if the judge is not persuaded that it would prejudice the requesting party in maintaining or defending the action on the merits. An admission under this section is not an admission for any other purpose and cannot be used against the party in any other proceeding.

§ 18.64 Depositions by oral examination.

(a) *When a deposition may be taken*—

(1) *Without leave.* A party may, by oral questions, depose any person, including a party, without leave of the judge except as provided in paragraph (a)(2) of this section. The deponent's attendance may be compelled by subpoena under § 18.56.

(2) *With leave.* A party must obtain leave of the judge, and the judge must grant leave to the extent consistent with § 18.51(b):

(i) If the parties have not stipulated to the deposition and:

(A) The deposition would result in more than 10 depositions being taken under this section or § 18.65 by one of the parties;

§ 18.64

29 CFR Subtitle A (7-1-21 Edition)

(B) The deponent has already been deposed in the case; or

(C) The party seeks to take the deposition before the time specified in §18.50(a), unless the party certifies in the notice, with supporting facts, that the deponent is expected to leave the United States and be unavailable for examination in this country after that time; or

(ii) If the deponent is confined in prison.

(b) *Notice of the deposition; other formal requirements*—(1) *Notice in general.* Except as stipulated or otherwise ordered by the judge, a party who wants to depose a person by oral questions must give reasonable written notice to every other party of no fewer than 14 days. The notice must state the time and place of the deposition and, if known, the deponent's name and address. If the name is unknown, the notice must provide a general description sufficient to identify the person or the particular class or group to which the person belongs.

(2) *Producing documents.* If a subpoena duces tecum is to be served on the deponent, the materials designated for production, as set out in the subpoena, must be listed in the notice or in an attachment. If the notice to a party deponent is accompanied by a request for production under §18.61, the notice must comply with the requirements of §18.61(b).

(3) *Method of recording*—(i) *Method stated in the notice.* The party who notices the deposition must state in the notice the method for recording the testimony. Unless the judge orders otherwise, testimony may be recorded by audio, audiovisual, or stenographic means. The noticing party bears the recording costs. Any party may arrange to transcribe a deposition.

(ii) *Additional method.* With prior notice to the deponent and other parties, any party may designate another method for recording the testimony in addition to that specified in the original notice. That party bears the expense of the additional record or transcript unless the judge orders otherwise.

(4) *By remote means.* The parties may stipulate—or the judge may on motion order—that a deposition be taken by

telephone or other remote means. For the purpose of this section, the deposition takes place where the deponent answers the questions.

(5) *Deposition officer's duties*—(i) *Before the deposition.* Unless the parties stipulate otherwise, a deposition must be conducted before a person having power to administer oaths. The officer must begin the deposition with an on-the-record statement that includes:

(A) The officer's name and business address;

(B) The date, time, and place of the deposition;

(C) The deponent's name;

(D) The officer's administration of the oath or affirmation to the deponent;

(E) The identity of all persons present; and

(F) The date and method of service of the notice of deposition.

(ii) *Conducting the deposition; avoiding distortion.* If the deposition is recorded nonstenographically, the officer must repeat the items in paragraphs (b)(5)(i)(A) and (B) of this section at the beginning of each unit of the recording medium. The deponent's and attorneys' appearance or demeanor must not be distorted through recording techniques.

(iii) *After the deposition.* At the end of a deposition, the officer must state on the record that the deposition is complete and must set out any stipulations made by the attorneys about custody of the transcript or recording and of the exhibits, or about any other pertinent matters.

(6) *Notice or subpoena directed to an organization.* In its notice or subpoena, a party may name as the deponent a public or private corporation, a partnership, an association, a governmental agency, or other entity and must describe with reasonable particularity the matters for examination. The named organization must then designate one or more officers, directors, or managing agents, or designate other persons who consent to testify on its behalf; and it may set out the matters on which each person designated will testify. A subpoena must advise a nonparty organization of its duty to make this designation. The persons

designated must testify about information known or reasonably available to the organization. This paragraph (b)(6) does not preclude a deposition by any other procedure allowed by these rules.

(c) *Examination and cross-examination; record of the examination; objections; written questions*—(1) *Examination and cross-examination.* The examination and cross-examination of a deponent proceed as they would at the hearing under the applicable rules of evidence. After putting the deponent under oath or affirmation, the officer must record the testimony by the method designated under paragraph (b)(3)(i) of this section. The testimony must be recorded by the officer personally or by a person acting in the presence and under the direction of the officer.

(2) *Objections.* An objection at the time of the examination—whether to evidence, to a party's conduct, to the officer's qualifications, to the manner of taking the deposition, or to any other aspect of the deposition—must be noted on the record, but the examination still proceeds; the testimony is taken subject to any objection. An objection must be stated concisely in a nonargumentative and nonsuggestive manner. A person may instruct a deponent not to answer only when necessary to preserve a privilege, to enforce a limitation ordered by the judge, or to present a motion under paragraph (d)(3) of this section.

(3) *Participating through written questions.* Instead of participating in the oral examination, a party may serve written questions in a sealed envelope on the party noticing the deposition, who must deliver them to the officer. The officer must ask the deponent those questions and record the answers verbatim.

(d) *Duration; sanction; motion to terminate or limit*—(1) *Duration.* Unless otherwise stipulated or ordered by the judge, a deposition is limited to 1 day of 7 hours. The judge must allow additional time consistent with § 18.51(b) if needed to fairly examine the deponent or if the deponent, another person, or any other circumstance impedes or delays the examination.

(2) *Sanction.* The judge may impose an appropriate sanction, in accordance with § 18.57, on a person who impedes,

delays, or frustrates the fair examination of the deponent.

(3) *Motion to terminate or limit*—(i) *Grounds.* At any time during a deposition, the deponent or a party may move to terminate or limit it on the ground that it is being conducted in bad faith or in a manner that unreasonably annoys, embarrasses, or oppresses the deponent or party. If the objecting deponent or party so demands, the deposition must be suspended for the time necessary to obtain an order.

(ii) *Order.* The judge may order that the deposition be terminated or may limit its scope and manner as provided in § 18.52. If terminated, the deposition may be resumed only by the judge's order.

(e) *Review by the witness; changes*—(1) *Review; statement of changes.* On request by the deponent or a party before the deposition is completed, the deponent must be allowed 30 days after being notified by the officer that the transcript or recording is available in which:

(i) To review the transcript or recording; and

(ii) If there are changes in form or substance, to sign a statement listing the changes and the reasons for making them.

(2) *Changes indicated in the officer's certificate.* The officer must note in the certificate prescribed by paragraph (f)(1) of this section whether a review was requested and, if so, must attach any changes the deponent makes during the 30-day period.

(f) *Certification and delivery; exhibits; copies of the transcript or recording; filing*—(1) *Certification and delivery.* The officer must certify in writing that the witness was duly sworn and that the deposition accurately records the witness's testimony. The certificate must accompany the record of the deposition. Unless the judge orders otherwise, the officer must seal the deposition in an envelope or package bearing the title of the action and marked "Deposition of [witness's name]" and must promptly send it to the party or the party's representative who arranged for the transcript or recording. The party or the party's representative must store it under conditions that

§ 18.65

will protect it against loss, destruction, tampering, or deterioration.

(2) *Documents and tangible things*—(i) *Originals and copies.* Documents and tangible things produced for inspection during a deposition must, on a party's request, be marked for identification and attached to the deposition. Any party may inspect and copy them. But if the person who produced them wants to keep the originals, the person may:

(A) Offer copies to be marked, attached to the deposition, and then used as originals—after giving all parties a fair opportunity to verify the copies by comparing them with the originals; or

(B) Give all parties a fair opportunity to inspect and copy the originals after they are marked—in which event the originals may be used as if attached to the deposition.

(ii) *Order regarding the originals.* Any party may move for an order that the originals be attached to the deposition pending final disposition of the proceeding.

(3) *Copies of the transcript or recording.* Unless otherwise stipulated or ordered by the judge, the officer must retain the stenographic notes of a deposition taken stenographically or a copy of the recording of a deposition taken by another method. When paid reasonable charges, the officer must furnish a copy of the transcript or recording to any party or the deponent.

(4) *Notice of filing.* A party who files the deposition must promptly notify all other parties of the filing.

(g) *Failure to attend a deposition or serve a subpoena.* A judge may order sanctions, in accordance with §18.57, if a party who, expecting a deposition to be taken, attends in person or by an attorney, and the noticing party failed to:

(1) Attend and proceed with the deposition; or

(2) Serve a subpoena on a nonparty deponent, who consequently did not attend.

§ 18.65 Depositions by written questions.

(a) *When a deposition may be taken*—(1) *Without leave.* A party may, by written questions, depose any person, including a party, without leave of the judge except as provided in paragraph

29 CFR Subtitle A (7–1–21 Edition)

(a)(2) of this section. The deponent's attendance may be compelled by subpoena under §18.56.

(2) *With leave.* A party must obtain leave of the judge, and the judge must grant leave to the extent consistent with §18.51(b):

(i) If the parties have not stipulated to the deposition and:

(A) The deposition would result in more than 10 depositions being taken under this section or §18.64 by a party;

(B) The deponent has already been deposed in the case; or

(C) The party seeks to take a deposition before the time specified in §18.50(a); or

(ii) If the deponent is confined in prison.

(3) *Service; required notice.* A party who wants to depose a person by written questions must serve them on every other party, with a notice stating, if known, the deponent's name and address. If the name is unknown, the notice must provide a general description sufficient to identify the person or the particular class or group to which the person belongs. The notice must also state the name or descriptive title and the address of the officer before whom the deposition will be taken.

(4) *Questions directed to an organization.* A public or private corporation, a partnership, an association, or a governmental agency may be deposed by written questions in accordance with §18.64(b)(6).

(5) *Questions from other parties.* Any questions to the deponent from other parties must be served on all parties as follows: cross-questions, within 14 days after being served with the notice and direct questions; redirect questions, within 7 days after being served with cross-questions; and recross-questions, within 7 days after being served with redirect questions. The judge may, for good cause, extend or shorten these times.

(b) *Delivery to the deposition officer; officer's duties.* Unless a different procedure is ordered by the judge, the party who noticed the deposition must deliver to the officer a copy of all the questions served and of the notice. The officer must promptly proceed in the manner provided in §18.64(c), (e), and (f) to:

Office of the Secretary of Labor

§ 18.72

(1) Take the deponent's testimony in response to the questions;

(2) Prepare and certify the deposition; and

(3) Send it to the party, attaching a copy of the questions and of the notice.

(c) *Notice of completion or filing*—(1) *Completion.* The party who noticed the deposition must notify all other parties when it is completed.

(2) *Filing.* A party who files the deposition must promptly notify all other parties of the filing.

DISPOSITION WITHOUT HEARING

§ 18.70 Motions for dispositive action.

(a) *In general.* When consistent with statute, regulation or executive order, any party may move under § 18.33 for disposition of the pending proceeding. If the judge determines at any time that subject matter jurisdiction is lacking, the judge must dismiss the matter.

(b) *Motion to remand.* A party may move to remand the matter to the referring agency. A remand order must include any terms or conditions and should state the reason for the remand.

(c) *Motion to dismiss.* A party may move to dismiss part or all of the matter for reasons recognized under controlling law, such as lack of subject matter jurisdiction, failure to state a claim upon which relief can be granted, or untimeliness. If the opposing party fails to respond, the judge may consider the motion unopposed.

(d) *Motion for decision on the record.* When the parties agree that an evidentiary hearing is not needed, they may move for a decision based on stipulations of fact or a stipulated record.

§ 18.71 Approval of settlement or consent findings.

(a) *Motion for approval of settlement agreement.* When the applicable statute or regulation requires it, the parties must submit a settlement agreement for the judge's review and approval.

(b) *Motion for consent findings and order.* Parties may file a motion to accept and adopt consent findings. Any agreement that contains consent findings and an order that disposes of all or part of a matter must include:

(1) A statement that the order has the same effect as one made after a full hearing;

(2) A statement that the order is based on a record that consists of the paper that began the proceeding (such as a complaint, order of reference, or notice of administrative determination), as it may have been amended, and the agreement;

(3) A waiver of any further procedural steps before the judge; and

(4) A waiver of any right to challenge or contest the validity of the order entered into in accordance with the agreement.

§ 18.72 Summary decision.

(a) *Motion for summary decision or partial summary decision.* A party may move for summary decision, identifying each claim or defense—or the part of each claim or defense—on which summary decision is sought. The judge shall grant summary decision if the movant shows that there is no genuine dispute as to any material fact and the movant is entitled to decision as a matter of law. The judge should state on the record the reasons for granting or denying the motion.

(b) *Time to file a motion.* Unless the judge orders otherwise, a party may file a motion for summary decision at any time until 30 days before the date fixed for the formal hearing.

(c) *Procedures*—(1) *Supporting factual positions.* A party asserting that a fact cannot be or is genuinely disputed must support the assertion by:

(i) Citing to particular parts of materials in the record, including depositions, documents, electronically stored information, affidavits or declarations, stipulations (including those made for purposes of the motion only), admissions, interrogatory answers, or other materials; or

(ii) Showing that the materials cited do not establish the absence or presence of a genuine dispute, or that an adverse party cannot produce admissible evidence to support the fact.

(2) *Objection that a fact is not supported by admissible evidence.* A party may object that the material cited to support or dispute a fact cannot be presented in a form that would be admissible in evidence.

§ 18.80

(3) *Materials not cited.* The judge need consider only the cited materials, but the judge may consider other materials in the record.

(4) *Affidavits or declarations.* An affidavit or declaration used to support or oppose a motion must be made on personal knowledge, set out facts that would be admissible in evidence, and show that the affiant or declarant is competent to testify on the matters stated.

(d) *When facts are unavailable to the nonmovant.* If a nonmovant shows by affidavit or declaration that, for specified reasons, it cannot present facts essential to justify its opposition, the judge may:

(1) Defer considering the motion or deny it;

(2) Allow time to obtain affidavits or declarations or to take discovery; or

(3) Issue any other appropriate order.

(e) *Failing to properly support or address a fact.* If a party fails to properly support an assertion of fact or fails to properly address another party's assertion of fact as required by paragraph (c) of this section, the judge may:

(1) Give an opportunity to properly support or address the fact;

(2) Consider the fact undisputed for purposes of the motion;

(3) Grant summary decision if the motion and supporting materials—including the facts considered undisputed—show that the movant is entitled to it; or

(4) Issue any other appropriate order.

(f) *Decision independent of the motion.* After giving notice and a reasonable time to respond, the judge may:

(1) Grant summary decision for a nonmovant;

(2) Grant the motion on grounds not raised by a party; or

(3) Consider summary decision on the judge's own after identifying for the parties material facts that may not be genuinely in dispute.

(g) *Failing to grant all the requested relief.* If the judge does not grant all the relief requested by the motion, the judge may enter an order stating any material fact—including an item of damages or other relief—that is not genuinely in dispute and treating the fact as established in the case.

29 CFR Subtitle A (7-1-21 Edition)

(h) *Affidavit or declaration submitted in bad faith.* If satisfied that an affidavit or declaration under this section is submitted in bad faith or solely for delay, the judge—after notice and a reasonable time to respond—may order sanctions or other relief as authorized by law.

HEARING

§ 18.80 Prehearing statement.

(a) *Time for filing.* Unless the judge orders otherwise, at least 21 days before the hearing, each participating party must file a prehearing statement.

(b) *Required conference.* Before filing a prehearing statement, the party must confer with all other parties in good faith to:

(1) Stipulate to the facts to the fullest extent possible; and

(2) Revise exhibit lists, eliminate duplicative exhibits, prepare joint exhibits, and attempt to resolve any objections to exhibits.

(c) *Contents.* Unless ordered otherwise, the prehearing statement must state:

(1) The party's name;

(2) The issues of law to be determined with reference to the appropriate statute, regulation, or case law;

(3) A precise statement of the relief sought;

(4) The stipulated facts that require no proof;

(5) The facts disputed by the parties;

(6) A list of witnesses the party expects to call;

(7) A list of the joint exhibits;

(8) A list of the party's exhibits;

(9) An estimate of the time required for the party to present its case-in-chief; and

(10) Any additional information that may aid the parties' preparation for the hearing or the disposition of the proceeding, such as the need for specialized equipment at the hearing.

(d) *Joint prehearing statement.* The judge may require the parties to file a joint prehearing statement rather than individual prehearing statements.

(e) *Signature.* The prehearing statement must be in writing and signed. By signing, an attorney, representative, or

party makes the certifications described in § 18.50(d).

§ 18.81 Formal hearing.

(a) *Public.* Hearings are open to the public. But, when authorized by law and only to the minimum extent necessary, the judge may order a hearing or any part of a hearing closed to the public, including anticipated witnesses. The order closing all or part of the hearing must state findings and explain why the reasons for closure outweigh the presumption of public access. The order and any objection must be part of the record.

(b) *Taking testimony.* Unless a closure order is issued under paragraph (a) of this section, the witnesses' testimony must be taken in an open hearing. For good cause and with appropriate safeguards, the judge may permit testimony in an open hearing by contemporaneous transmission from a different location.

(c) *Party participation.* For good cause and with appropriate safeguards, the judge may permit a party to participate in an open hearing by contemporaneous transmission from a different location.

§ 18.82 Exhibits.

(a) *Identification.* All exhibits offered in evidence must be marked with a designation identifying the party offering the exhibit and must be numbered and paginated as the judge orders.

(b) *Electronic data.* By order the judge may prescribe the format for the submission of data that is in electronic form.

(c) *Exchange of exhibits.* When written exhibits are offered in evidence, one copy must be furnished to the judge and to each of the parties at the hearing, unless copies were previously furnished with the list of proposed exhibits or the judge directs otherwise. If the judge does not fix a date for the exchange of exhibits, the parties must exchange copies of exhibits at the earliest practicable time before the hearing begins.

(d) *Authenticity.* The authenticity of a document identified in a pre-hearing exhibit list is admitted unless a party files a written objection to authenticity at least 7 days before the hear-

ing. The judge may permit a party to challenge a document's authenticity if the party establishes good cause for its failure to file a timely written objection.

(e) *Substitution of copies for original exhibits.* The judge may permit a party to withdraw original documents offered in evidence and substitute accurate copies of the originals.

(f) *Designation of parts of documents.* When only a portion of a document contains relevant matter, the offering party must exclude the irrelevant parts to the greatest extent practicable.

(g) *Records in other proceedings.* Portions of the record of other administrative proceedings, civil actions or criminal prosecutions may be received in evidence, when the offering party shows the copies are accurate.

§ 18.83 Stipulations.

(a) The parties may stipulate to any facts in writing at any stage of the proceeding or orally on the record at a deposition or at a hearing. These stipulations bind the parties unless the judge disapproves them.

(b) Every stipulation that requests or requires a judge's action must be written and signed by all affected parties or their representatives. Any stipulation to extend time must state the reason for the date change.

(c) A proposed form of order may be submitted with the stipulation; it may consist of an endorsement on the stipulation of the words, "Pursuant to stipulation, it is so ordered," with spaces designated for the date and the signature of the judge.

§ 18.84 Official notice.

On motion of a party or on the judge's own, official notice may be taken of any adjudicative fact or other matter subject to judicial notice. The parties must be given an adequate opportunity to show the contrary of the matter noticed.

§ 18.85 Privileged, sensitive, or classified material.

(a) *Exclusion.* On motion of any interested person or the judge's own, the judge may limit the introduction of material into the record or issue orders to protect against undue disclosure of

§ 18.86

privileged communications, or sensitive or classified matters. The judge may admit into the record a summary or extract that omits the privileged, sensitive or classified material.

(b) *Sealing the record.* (1) On motion of any interested person or the judge's own, the judge may order any material that is in the record to be sealed from public access. The motion must propose the fewest redactions possible that will protect the interest offered as the basis for the motion. A redacted copy or summary of any material sealed must be made part of the public record unless the necessary redactions would be so extensive that the public version would be meaningless, or making even a redacted version or summary available would defeat the reason the original is sealed.

(2) An order that seals material must state findings and explain why the reasons to seal adjudicatory records outweigh the presumption of public access. Sealed materials must be placed in a clearly marked, separate part of the record. Notwithstanding the judge's order, all parts of the record remain subject to statutes and regulations pertaining to public access to agency records.

§ 18.86 Hearing room conduct.

Participants must conduct themselves in an orderly manner. The consumption of food or beverage, and rearranging courtroom furniture are prohibited, unless specifically authorized by the judge. Electronic devices must be silenced and must not disrupt the proceedings. Parties, witnesses and spectators are prohibited from using video or audio recording devices to record hearings.

§ 18.87 Standards of conduct.

(a) *In general.* All persons appearing in proceedings must act with integrity and in an ethical manner.

(b) *Exclusion for misconduct.* During the course of a proceeding, the judge may exclude any person—including a party or a party's attorney or non-attorney representative—for contumacious conduct such as refusal to comply with directions, continued use of dilatory tactics, refusal to adhere to reasonable standards of orderly or eth-

29 CFR Subtitle A (7-1-21 Edition)

ical conduct, failure to act in good faith, or violation of the prohibition against ex parte communications. The judge must state the basis for the exclusion.

(c) *Review of representative's exclusion.* Any representative excluded from a proceeding may appeal to the Chief Judge for reinstatement within 7 days of the exclusion. The exclusion order is reviewed for abuse of discretion. The proceeding from which the representative was excluded will not be delayed or suspended pending review by the Chief Judge, except for a reasonable delay to enable the party to obtain another representative.

§ 18.88 Transcript of proceedings.

(a) *Hearing transcript.* All hearings must be recorded and transcribed. The parties and the public may obtain copies of the transcript from the official reporter at rates not to exceed the applicable rates fixed by the contract with the reporter.

(b) *Corrections to the transcript.* A party may file a motion to correct the official transcript. Motions for correction must be filed within 14 days of the receipt of the transcript unless the judge permits additional time. The judge may grant the motion in whole or part if the corrections involve substantive errors. At any time before issuing a decision and upon notice to the parties, the judge may correct errors in the transcript.

POST HEARING

§ 18.90 Closing the record; subsequent motions.

(a) *In general.* The record of a hearing closes when the hearing concludes, unless the judge directs otherwise. If any party waives a hearing, the record closes on the date the judge sets for the filing of the parties' submissions.

(b) *Motion to reopen the record.* (1) A motion to reopen the record must be made promptly after the additional evidence is discovered. No additional evidence may be admitted unless the offering party shows that new and material evidence has become available that could not have been discovered with reasonable diligence before the record closed. Each new item must be

designated as an exhibit under § 18.82(a) and accompanied by proof that copies have been served on all parties.

(2) If the record is reopened, the other parties must have an opportunity to offer responsive evidence, and a new evidentiary hearing may be set.

(c) *Motions after the decision.* After the decision and order is issued, the judge retains jurisdiction to dispose of appropriate motions, such as a motion to award attorney's fees and expenses, a motion to correct the transcript, or a motion for reconsideration.

§ 18.91 Post-hearing brief.

The judge may grant a party time to file a post-hearing brief with proposed findings of fact, conclusions of law, and the specific relief sought. The brief must refer to all portions of the record and authorities relied upon in support of each assertion.

§ 18.92 Decision and order.

At the conclusion of the proceeding, the judge must issue a written decision and order.

§ 18.93 Motion for reconsideration.

A motion for reconsideration of a decision and order must be filed no later than 10 days after service of the decision on the moving party.

§ 18.94 Indicative ruling on a motion for relief that is barred by a pending petition for review.

(a) *Relief pending review.* If a timely motion is made for relief that the judge lacks authority to grant because a petition for review has been docketed and is pending, the judge may:

- (1) Defer considering the motion;
- (2) Deny the motion; or

(3) State either that the judge would grant the motion if the reviewing body remands for that purpose or that the motion raises a substantial issue.

(b) *Notice to reviewing body.* The movant must promptly notify the clerk of the reviewing body if the judge states that he or she would grant the motion or that the motion raises a substantial issue.

(c) *Remand.* The judge may decide the motion if the reviewing body remands for that purpose.

§ 18.95 Review of decision and review by the Secretary.

(a) *Review.* The statute or regulation that conferred hearing jurisdiction provides the procedure for review of a judge's decision. If the statute or regulation does not provide a procedure, the judge's decision becomes the Secretary's final administrative decision, except as provided in paragraph (b) of this section.

(b) *Finality.* A decision of the Board of Alien Labor Certification Appeals (BALCA) shall constitute the Secretary's final administrative decision except in those cases over which the Secretary has, in accordance with this paragraph (b) and paragraph (c) of this section, assumed jurisdiction:

(1) In any case for which administrative review is sought or handled in accordance with 20 CFR 655.171(a) or 20 CFR 655.461, at any point from when the BALCA receives a request for review until the passage of 10 business days after the date on which BALCA has issued its decision.

(2) In any case for which a de novo hearing is sought or handled under 20 CFR 655.171(b), at any point within 15 business days after the date on which the BALCA has issued its decision.

(3) In any case for which review is sought or handled in accordance with 20 CFR 656.26 and 20 CFR 656.27, at any point from when the BALCA receives a request for review until the passage of 30 business days after the BALCA has issued its decision.

(c) *Review by the Secretary—(1) Transmission of information.* (i) Whenever the BALCA receives a request for review, it shall immediately transmit a copy of such request to the Deputy Secretary.

(ii) Within 3 business days of when the BALCA issues a decision, the Chair of the BALCA, or his or her designee, shall transmit to the Deputy Secretary a copy of the decision and a concise recommendation as to whether the decision involves an issue or issues of such exceptional importance that review by the Secretary is warranted.

(2) *Review.* (i) The Secretary may, at any point within the time periods provided for in paragraph (b) of this section, and in his or her sole discretion, assume jurisdiction to review the decision or determination of the Certifying

§ 18.101

Officer, the Office of Foreign Labor Certification Administrator, the National Prevailing Wage Center Director, or the BALCA, as the case may be.

(ii) When the Secretary assumes jurisdiction over a case, the Secretary shall promptly notify the BALCA. The BALCA shall promptly notify the parties to the case of such action and shall submit the Appeal File and any briefs filed to the Secretary.

(iii) In any case the Secretary decides, the Secretary's decision shall be stated in writing and transmitted to the BALCA, which shall promptly publish the decision and transmit it to the parties to the case. Such decision shall constitute final action by the Department and shall serve as binding precedent on all Department employees and in all Department proceedings involving the same issue or issues.

(iv) The Solicitor of Labor, or his or her designee, shall have the responsibility for providing legal advice to the Secretary with respect to the Secretary's exercise of review under this section, except that no individual involved in the investigation or prosecution of a case shall advise the Secretary on the exercise of review with respect to such case or a case involving a common nucleus of operative fact.

Subpart B—Rules of Evidence

SOURCE: 55 FR 13219, Apr. 9, 1990, unless otherwise noted.

GENERAL PROVISIONS

§ 18.101 Scope.

These rules govern formal adversarial adjudications of the United States Department of Labor conducted before a presiding officer.

(a) Which are required by Act of Congress to be determined on the record after opportunity for an administrative agency hearing in accordance with the Administrative Procedure Act, 5 U.S.C. 554, 556 and 557, or

(b) Which by United States Department of Labor regulation are conducted in conformance with the foregoing provisions, to the extent and with the exceptions stated in § 18.1101. *Presiding officer*, referred to in these

29 CFR Subtitle A (7–1–21 Edition)

rules as *the judge*, means an Administrative Law Judge, an agency head, or other officer who presides at the reception of evidence at a hearing in such an adjudication.

§ 18.102 Purpose and construction.

These rules shall be construed to secure fairness in administration, elimination of unjustifiable expense and delay, and promotion of growth and development of the law of evidence to the end that the truth may be ascertained and proceedings justly determined.

§ 18.103 Rulings on evidence.

(a) *Effect of erroneous ruling.* Error may not be predicated upon a ruling which admits or excludes evidence unless a substantial right of the party is affected, and

(1) *Objection.* In case the ruling is one admitting evidence, a timely objection or motion to strike appears of record, stating the specific ground of objection, if the specific ground was not apparent from the context; or

(2) *Offer of proof.* In case the ruling is one excluding evidence, the substance of the evidence was made known to the judge by offer or was apparent from the context within which questions were asked. A substantial right of the party is affected unless it is more probably true than not true that the error did not materially contribute to the decision or order of the judge. Properly objected to evidence admitted in error does not affect a substantial right if explicitly not relied upon by the judge in support of the decision or order.

(b) *Record of offer and ruling.* The judge may add any other or further statement which shows the character of the evidence, the form in which it was offered, the objection made, and the ruling thereon. The judge may direct the making of an offer in question and answer form.

(c) *Plain error.* Nothing in this rule precludes taking notice of plain errors affecting substantial rights although they were not brought to the attention of the judge.

§ 18.104 Preliminary questions.

(a) *Questions of admissibility generally.* Preliminary questions concerning the

qualification of a person to be a witness, the existence of a privilege, or the admissibility of evidence shall be determined by the judge, subject to the provisions of paragraph (b) of this section. In making such determination the judge is not bound by the rules of evidence except those with respect to privileges.

(b) *Relevance conditioned on fact.* When the relevancy of evidence depends upon the fulfillment of a condition of fact, the judge shall admit it upon, or subject to, the introduction of evidence sufficient to support a finding of the fulfillment of the condition.

(c) *Weight and credibility.* This rule does not limit the right of a party to introduce evidence relevant to weight or credibility.

§ 18.105 Limited admissibility.

When evidence which is admissible as to one party or for one purpose but not admissible as to another party or for another purpose is admitted, the judge, upon request, shall restrict the evidence to its proper scope.

§ 18.106 Remainder of or related writings or recorded statements.

When a writing or recorded statement or part thereof is introduced by a party, an adverse party may require the introduction at that time of any other part or any other writing or recorded statement which ought in fairness to be considered contemporaneously with it.

OFFICIAL NOTICE

§ 18.201 Official notice of adjudicative facts.

(a) *Scope of rule.* This rule governs only official notice of adjudicative facts.

(b) *Kinds of facts.* An officially noticed fact must be one not subject to reasonable dispute in that it is either:

(1) Generally known within the local area,

(2) Capable of accurate and ready determination by resort to sources whose accuracy cannot reasonably be questioned, or

(3) Derived from a not reasonably questioned scientific, medical or other technical process, technique, principle,

or explanatory theory within the administrative agency's specialized field of knowledge.

(c) *When discretionary.* A judge may take official notice, whether requested or not.

(d) *When mandatory.* A judge shall take official notice if requested by a party and supplied with the necessary information.

(e) *Opportunity to be heard.* A party is entitled, upon timely request, to an opportunity to be heard as to the propriety of taking official notice and the tenor of the matter noticed. In the absence of prior notification, the request may be made after official notice has been taken.

(f) *Time of taking notice.* Official notice may be taken at any stage of the proceeding.

(g) *Effect of official notice.* An officially noticed fact is accepted as conclusive.

PRESUMPTIONS

§ 18.301 Presumptions in general.

Except as otherwise provided by Act of Congress, or by rules or regulations prescribed by the administrative agency pursuant to statutory authority, or pursuant to executive order, a presumption imposes on the party against whom it is directed the burden of going forward with evidence to rebut or meet the presumption, but does not shift to such party the burden of proof in the sense of the risk of nonpersuasion, which remains throughout the trial upon the party on whom it was originally cast.

§ 18.302 Applicability of state law.

The effect of a presumption respecting a fact which is an element of a claim or defense as to which State law supplies the rule of decision is determined in accordance with State law.

RELEVANCY AND ITS LIMITS

§ 18.401 Definition of *relevant evidence*.

Relevant evidence means evidence having any tendency to make the existence of any fact that is of consequence to the determination of the

§ 18.402

action more probable or less probable than it would be without the evidence.

§ 18.402 Relevant evidence generally admissible; irrelevant evidence inadmissible.

All relevant evidence is admissible, except as otherwise provided by the Constitution of the United States, by Act of Congress, pursuant to executive order, by these rules, or by other rules or regulations prescribed by the administrative agency pursuant to statutory authority. Evidence which is not relevant is not admissible.

§ 18.403 Exclusion of relevant evidence on grounds of confusion or waste of time.

Although relevant, evidence may be excluded if its probative value is substantially outweighed by the danger of confusion of issues, or misleading the judge as trier of fact, or by considerations of undue delay, waste of time, or needless presentation of cumulative evidence.

§ 18.404 Character evidence not admissible to prove conduct; exceptions; other crimes.

(a) *Character evidence generally.* Evidence of a person's character or a trait of character is not admissible for the purpose of proving action in conformity therewith on a particular occasion, except evidence of the character of a witness, as provided in §§ 18.607, 18.608, and 18.609.

(b) *Other crimes, wrongs, or acts.* Evidence of other crimes, wrongs, or acts is not admissible to prove the character of a person in order to show action in conformity therewith. It may, however, be admissible for other purposes, such as proof of motive, opportunity, intent, preparation, plan, knowledge, identity, or absence of mistake or accident.

§ 18.405 Methods of proving character.

(a) *Reputation of opinion.* In all cases in which evidence of character or a trait of character of a person is admissible, proof may be made by testimony as to reputation or by testimony in the form of an opinion. On cross-examination, inquiry is allowable into relevant specific instances of conduct.

29 CFR Subtitle A (7-1-21 Edition)

(b) *Specific instances of conduct.* In cases in which character or a trait of character of a person is an essential element of a claim or defense, proof may also be made of specific instances of that person's conduct.

§ 18.406 Habit; routine practice.

Evidence of the habit of a person or of the routine practice of an organization, whether corroborated or not and regardless of the presence of eye-witnesses, is relevant to prove that the conduct of the person or organization on a particular occasion was in conformity with the habit or routine practice.

§ 18.407 Subsequent remedial measures.

When, after an event, measures are taken which, if taken previously, would have made the event less likely to occur, evidence of the subsequent measures is not admissible to prove negligence or culpable conduct in connection with the event. This rule does not require the exclusion of evidence of subsequent measures when offered for another purpose, such as proving ownership, control, or feasibility of precautionary measures, if controverted, or impeachment.

§ 18.408 Compromise and offers to compromise.

Evidence of furnishing or offering or promising to furnish, or of accepting or offering or promising to accept, a valuable consideration in compromising or attempting to compromise a claim which was disputed as to either validity or amount, is not admissible to prove liability for or invalidity of the claim or its amount. Evidence of conduct or statements made in compromise negotiations is likewise not admissible. This rule does not require the exclusion of any evidence otherwise discoverable merely because it is presented in the course of compromise negotiations. This rule does not require exclusion when the evidence is offered for another purpose, such as proving bias or prejudice of a witness, or negating a contention of undue delay.

§ 18.409 Payment of medical and similar expenses.

Evidence of furnishing or offering or promising to pay medical, hospital, or similar expenses occasioned by an injury is not admissible to prove liability for the injury.

§ 18.410 Inadmissibility of pleas, plea discussion, and related statements.

Except as otherwise provided in this rule, evidence of the following is not admissible against the defendant who made the plea or was a participant in the plea discussions:

(a) A plea of guilty which was later withdrawn;

(b) A plea of nolo contendere;

(c) Any statement made in the course of any proceedings under Rule 11 of the Federal Rules of Criminal Procedure or comparable state procedure regarding either of the foregoing pleas; or

(d) Any statement made in the course of plea discussions with an attorney for the prosecuting authority which do not result in a plea of guilty or which result in a plea of guilty later withdrawn. However, such a statement is admissible in any proceeding wherein another statement made in the course of the same plea discussions has been introduced and the statement ought in fairness be considered contemporaneously with it.

§ 18.411 Liability insurance.

Evidence that a person was or was not insured against liability is not admissible upon the issue whether the person acted negligently or otherwise wrongfully. This rule does not require the exclusion of evidence of insurance against liability when offered for another purpose, such as proof of agency, ownership, or control, or bias or prejudice of a witness.

PRIVILEGES

§ 18.501 General rule.

Except as otherwise required by the Constitution of the United States, or provided by Act of Congress, or by rules or regulations prescribed by the administrative agency pursuant to statutory authority, or pursuant to executive order, the privilege of a witness, person, government, State, or po-

litical subdivision thereof shall be governed by the principles of the common law as they may be interpreted by the courts of the United States in the light of reason and experience. However with respect to an element of a claim or defense as to which State law supplies the rule of decision, the privilege of a witness, person, government, State, or political subdivision thereof shall be determined in accordance with State law.

WITNESSES

§ 18.601 General rule of competency.

Every person is competent to be a witness except as otherwise provided in these rules. However with respect to an element of a claim or defense as to which State law supplies the rule of decision, the competency of a witness shall be determined in accordance with State law.

§ 18.602 Lack of personal knowledge.

A witness may not testify to a matter unless evidence is introduced sufficient to support a finding that the witness has personal knowledge of the matter. Evidence to prove personal knowledge may, but need not, consist of the witness' own testimony. This rule is subject to the provisions of § 18.703, relating to opinion testimony by expert witnesses.

§ 18.603 Oath or affirmation.

Before testifying, every witness shall be required to declare that the witness will testify truthfully, by oath or affirmation administered in a form calculated to awaken the witness' conscience and impress the witness' mind with the duty to do so.

§ 18.604 Interpreters.

An interpreter is subject to the provisions of these rules relating to qualification as an expert and the administration of an oath or affirmation to make a true translation.

§ 18.605 Competency of judge as witness.

The judge presiding at the hearing may not testify in that hearing as a witness. No objection need be made in order to preserve the point.

§ 18.606

§ 18.606 [Reserved]

§ 18.607 Who may impeach.

The credibility of a witness may be attacked by any party, including the party calling the witness.

§ 18.608 Evidence of character and conduct of witness.

(a) *Opinion and reputation evidence of character.* The credibility of a witness may be attacked or supported by evidence in the form of opinion or reputation, but subject to these limitations:

(1) The evidence may refer only to character for truthfulness or untruthfulness, and

(2) Evidence of truthful character is admissible only after the character of the witness for truthfulness has been attacked by opinion or reputation evidence or otherwise.

(b) *Specific instances of conduct.* Specific instances of the conduct of a witness, for the purpose of attacking or supporting the witness' credibility, other than conviction of crime as provided in § 18.609, may not be proved by extrinsic evidence. They may, however, in the discretion of the judge, if probative of truthfulness or untruthfulness, be inquired into on cross-examination of the witness, concerning the witness' character for truthfulness or untruthfulness, or concerning the character for truthfulness or untruthfulness of another witness as to which character the witness being cross-examined has testified.

The giving of testimony by any witness does not operate as a waiver of the witness' privilege against self-incrimination when examined with respect to matters which relate only to credibility.

§ 18.609 Impeachment by evidence of conviction of crime.

(a) *General rule.* For the purpose of attacking the credibility of a witness, evidence that the witness has been convicted of a crime shall be admitted if the crime was punishable by death or imprisonment in excess of one year under the law under which the witness was convicted, or involved dishonesty or false statement, regardless of the punishment.

29 CFR Subtitle A (7-1-21 Edition)

(b) *Time limit.* Evidence of a conviction under this rule is not admissible if a period of more than ten years has elapsed since the date of the conviction or of the release of the witness from the confinement imposed for that conviction, whichever is the later date.

(c) *Effect of pardon, annulment, or certificate of rehabilitation.* Evidence of a conviction is not admissible under this rule if:

(1) The conviction has been the subject of a pardon, annulment, certificate of rehabilitation, or other equivalent procedure based on a finding of the rehabilitation of the person convicted, and that person has not been convicted of a subsequent crime which was punishable by death or imprisonment in excess of one year, or

(2) The conviction has been the subject of a pardon, annulment, or other equivalent procedure based on a finding of innocence.

(d) *Juvenile adjudications.* Evidence of juvenile adjudications is not admissible under this rule.

(e) *Pendency of appeal.* The pendency of an appeal therefrom does not render evidence of a conviction inadmissible. Evidence of the pendency of an appeal is admissible.

[55 FR 13219, Apr. 9, 1990; 55 FR 14033, Apr. 13, 1990]

§ 18.610 Religious beliefs or opinions.

Evidence of the beliefs or opinions of a witness on matters of religion is not admissible for the purpose of showing that by reason of their nature the witness' credibility is impaired or enhanced.

§ 18.611 Mode and order of interrogation and presentation.

(a) *Control by judge.* The judge shall exercise reasonable control over the mode and order of interrogating witnesses and presenting evidence so as to:

(1) Make the interrogation and presentation effective for the ascertainment of the truth,

(2) Avoid needless consumption of time, and

(3) Protect witnesses from harassment or undue embarrassment.

(b) *Scope of cross-examination.* Cross-examination should be limited to the

subject matter of the direct examination and matters affecting the credibility of the witness. The judge may, in the exercise of discretion, permit inquiry into additional matters as if on direct examination.

(c) *Leading questions.* Leading questions should not be used on the direct examination of a witness except as may be necessary to develop the witness' testimony. Ordinarily leading questions should be permitted on cross-examination. When a party calls a hostile witness, an adverse party, or a witness identified with an adverse party, interrogation may be by leading questions.

§ 18.612 Writing used to refresh memory.

If a witness uses a writing to refresh memory for the purpose of testifying, either while testifying, or before testifying if the judge in the judge's discretion determines it is necessary in the interest of justice, an adverse party is entitled to have the writing produced at the hearing, to inspect it, to cross-examine the witness thereon, and to introduce in evidence those portions which relate to the testimony of the witness. If it is claimed that the writing contains matters not related to the subject matter of the testimony the judge shall examine the writing in camera, excise any portion not so related, and order delivery of the remainder to the party entitled thereto. Any portion withheld over objections shall be preserved and made available in the event of review. If a writing is not produced or delivered pursuant to order under this rule, the judge shall make any order justice requires.

§ 18.613 Prior statements of witnesses.

(a) *Examining witness concerning prior statement.* In examining a witness concerning a prior statement made by the witness, whether written or not, the statement need not be shown nor its contents disclosed to the witness at that time, but on request the same shall be shown or disclosed to opposing counsel.

(b) *Extrinsic evidence of prior inconsistent statement of witness.* Extrinsic evidence of a prior inconsistent statement by a witness is not admissible un-

less the witness is afforded an opportunity to explain or deny the same and the opposite party is afforded an opportunity to interrogate the witness thereon, or the interests of justice otherwise require. This provision does not apply to admissions of a party-opponent as defined in § 18.801(d)(2).

§ 18.614 Calling and interrogation of witnesses by judge.

(a) *Calling by the judge.* The judge may, on the judge's own motion or at the suggestion of a party, call witnesses, and all parties are entitled to cross-examine witnesses thus called.

(b) *Interrogation by the judge.* The judge may interrogate witnesses, whether called by the judge or by a party.

(c) *Objections.* Objections to the calling of witnesses by the judge or to interrogation by the judge must be timely.

§ 18.615 Exclusion of witnesses.

At the request of a party the judge shall order witnesses excluded so that they cannot hear the testimony of other witnesses, and the judge may make the order of the judge's own motion. This rule does not authorize exclusion of a party who is a natural person, or an officer or employee of a party which is not a natural person designated as its representative by its attorney, or a person whose presence is shown by a party to be essential to the presentation of the party's cause.

OPINIONS AND EXPERT TESTIMONY

§ 18.701 Opinion testimony by lay witnesses.

If the witness is not testifying as an expert, the witness' testimony in the form of opinions or inferences is limited to those opinions or inferences which are rationally based on the perception of the witness and helpful to a clear understanding of the witness' testimony or the determination of a fact in issue.

§ 18.702 Testimony by experts.

If scientific, technical, or other specialized knowledge will assist the judge as trier of fact to understand the evidence or to determine a fact in issue, a

§ 18.703

witness qualified as an expert by knowledge, skill, experience, training, or education, may testify thereto in the form of an opinion or otherwise.

§ 18.703 Bases of opinion testimony by experts.

The facts or data in the particular case upon which an expert bases an opinion or inference may be those perceived by or made known to the expert at or before the hearing. If of a type reasonably relied upon by experts in the particular field in forming opinions or inferences upon the subject, the facts or data need not be admissible in evidence.

§ 18.704 Opinion on ultimate issue.

Testimony in the form of an opinion or inference otherwise admissible is not objectionable because it embraces an ultimate issue to be decided by the judge as trier of fact.

§ 18.705 Disclosure of facts or data underlying expert opinion.

The expert may testify in terms of opinion or inference and give reasons therefor without prior disclosure of the underlying facts or data, unless the judge requires otherwise. The expert may in any event be required to disclose the underlying facts or data on cross-examination.

§ 18.706 Judge appointed experts.

(a) *Appointment.* The judge may on the judge's own motion or on the motion of any party enter an order to show cause why expert witnesses should not be appointed, and may request the parties to submit nominations. The judge may appoint any expert witnesses agreed upon by the parties, and may appoint expert witnesses of the judge's own selection. An expert witness shall not be appointed by the judge unless the witness consents to act. A witness so appointed shall be informed of the witness' duties by the judge in writing, a copy of which shall be filed with the clerk, or at a conference in which the parties shall have an opportunity to participate. A witness so appointed shall advise the parties of the witness' findings, if any; the witness' deposition may be taken by any party; and the witness may be

29 CFR Subtitle A (7-1-21 Edition)

called to testify by the judge or any party. The witness shall be subject to cross-examination by each party, including a party calling the witness.

(b) *Compensation.* Expert witnesses so appointed are entitled to reasonable compensation in whatever sum the judge may allow. The compensation thus fixed is payable from funds which may be provided by law in hearings involving just compensation under the fifth amendment. In other hearings the compensation shall be paid by the parties in such proportion and at such time as the judge directs, and thereafter charged in like manner as other costs.

(c) *Parties' experts of own selection.* Nothing in this rule limits the parties in calling expert witnesses of their own selection.

ably pertinent to diagnosis or treatment.

(5) *Recorded recollection.* A memorandum or record concerning a matter about which a witness once had knowledge but now has insufficient recollection to enable the witness to testify fully and accurately, shown to have been made or adopted by the witness when the matter was fresh in the witness' memory and to reflect that knowledge correctly.

(6) *Records of regularly conducted activity.* A memorandum, report, record, or data compilation, in any form, of acts, events, conditions, opinions, or diagnoses, made at or near the time by, or from information transmitted by, a person with knowledge, if kept in the course of a regularly conducted business activity, and if it was the regular practice of that business activity to make the memorandum, report, record, or data compilation, all as shown by the testimony of the custodian or other qualified witness, unless the source of information or the method or circumstances of preparation indicate lack of trustworthiness. The term *business* as used in this paragraph includes business, institution, association, profession, occupation, and calling of every kind, whether or not conducted for profit.

(7) *Absence of entry in records kept in accordance with the provisions of paragraph (6).* Evidence that a matter is not included in the memoranda reports, records, or data compilations, in any form, kept in accordance with the provisions of paragraph (6), to prove the nonoccurrence or nonexistence of the matter, if the matter was of a kind of which a memorandum, report, record, or data compilation was regularly made and preserved, unless the sources of information or other circumstances indicate lack of trustworthiness.

However, a statement may not be admitted under this exception unless the proponent of it makes known to the adverse party sufficiently in advance of the hearing to provide the adverse party with a fair opportunity to prepare to meet it, the proponent's intention to offer the statement and the particulars of it, including the name and address of the declarant.

(25) *Self-authentication.* The self-authentication of documents and other items as provided in §18.902.

The adverse party may not dispute the authenticity, the value or reasonableness of such charges, the necessity therefore or the accuracy of the report, unless the adverse party files and serves written objection thereto sufficiently in advance of the hearing stating the objections, and the grounds thereof, that the adverse party will make if the bill, estimate, or reports is offered at the time of the hearing. An adverse party may call the author of the bill, estimate, or report as a witness and examine the witness as if under cross-examination.

(27) *Medical reports.* In actions involving injury, illness, disease, death, disability, or physical or mental impairment, doctor, hospital, laboratory and

§ 18.804

The adverse party may not object to the admissibility of the report unless the adverse party files and serves written objection thereto sufficiently in advance of the hearing stating the objections, and the grounds therefor, that the adverse party will make if the report is offered at the time of the hearing. The adverse party may not object to the admissibility of the report unless the adverse party files and serves written objection thereto sufficiently in advance of the hearing stating the objections, and the grounds therefor, that the adverse party will make if the report is offered at the time of the hearing. An adverse party may call the expert as a witness

29 CFR Subtitle A (7-1-21 Edition)

and examine the witness as if under cross-examination.

(29) *Written statements of lay witnesses.* Written statements of a lay witness made under oath or affirmation and subject to the penalty of perjury, so far as admissible under the rules of evidence applied as though the witness was then present and testifying, unless the sources of information or the method or circumstances of preparation indicate lack of trustworthiness provided that (i) a copy of the written statement has been filed and served upon the adverse party sufficiently in advance of the hearing to provide the adverse party with a fair opportunity to prepare to object or meet it, and (ii) if the declarant is reasonably available as a witness, as determined by the judge, no adverse party has sufficiently in advance of the hearing filed and served upon the noticing party a written demand that the declarant be produced in person to testify at the hearing. An adverse party may call the declarant as a witness and examine the witness as if under cross-examination.

(30) *Deposition testimony.* Testimony given as a witness in a deposition taken in compliance with law in the course of the same proceeding, so far as admissible under the rules of evidence applied as though the witness was then present and testifying, if the party against whom the testimony is now offered had an opportunity and similar motive to develop the testimony by direct, cross, or redirect examination, provided that a notice of intention to offer the deposition in evidence, together with a copy thereof if not otherwise previously provided, has been served upon the adverse party sufficiently in advance of the hearing to provide the adverse party with a fair opportunity to prepare to object or meet it. An adverse party may call the deponent as a witness and examine the witness as if under cross-examination.

(b) [Reserved]

§ 18.804 Hearsay exceptions; declarant unavailable.

(a) *Definition of unavailability.* Unavailability as a witness includes situations in which the declarant:

(1) Is exempted by ruling of the judge on the ground of privilege from testifying concerning the subject matter of the declarant's statement; or

(2) Persists in refusing to testify concerning the subject matter of the declarant's statement despite an order of the judge to do so; or

(3) Testifies to a lack of memory of the subject matter of the declarant's statement; or

(4) Is unable to be present or to testify at the hearing because of death or then existing physical or mental illness or infirmity; or

(5) Is absent from the hearing and the proponent of a statement has been unable to procure the declarant's attendance (or in the case of a hearsay exception under paragraph (b) (2), (3), or (4) of this section, the declarant's attendance or testimony) by process or other reasonable means.

A declarant is not unavailable as a witness if exemption, refusal, claim of lack of memory, inability, or absence is due to the procurement or wrongdoing of the proponent of a statement for the purpose of preventing the witness from attending or testifying.

(b) *Hearsay exceptions.* The following are not excluded by the hearsay rule if the declarant is unavailable as a witness:

(1) *Former testimony.* Testimony given as a witness at another hearing of the same or a different proceeding, or in a deposition taken in compliance with law in the course of the same or another proceeding, if the party against whom the testimony is now offered, or a predecessor in interest, had an opportunity and similar motive to develop the testimony by direct, cross, or redirect examination.

(2) *Statement under belief of impending death.* A statement made by a declarant while believing that the declarant's death was imminent, concerning the cause or circumstances of what the declarant believed to be impending death.

(3) *Statement against interest.* A statement which was at the time of its making so far contrary to the declarant's pecuniary or proprietary interest, or so far tended to subject the declarant to civil or criminal liability, or to render invalid a claim by the declarant against another, that a reasonable per-

son in the declarant's position would not have made the statement unless believing it to be true.

(4) *Statement of personal or family history.* (i) A statement concerning the declarant's own birth, adoption, marriage, divorce, legitimacy, relationship by blood, adoption, or marriage, ancestry, or other similar fact of personal or family history, even though declarant had no means of acquiring personal knowledge of the matter stated; or

(ii) A statement concerning the foregoing matters, and death also, of another person, if the declarant was related to the other by blood, adoption, or marriage or was so intimately associated with the other's family as to be likely to have accurate information concerning the matter declared.

(5) *Other exceptions.* A statement not specifically covered by any of the foregoing exceptions but having equivalent circumstantial guarantees of trustworthiness to the aforementioned hearsay exceptions, if the judge determines that—

(i) The statement is offered as evidence of a material fact;

(ii) The statement is more probative on the point for which it is offered than any other evidence which the proponent can procure through reasonable efforts; and

(iii) The general purposes of these rules and the interests of justice will best be served by admission of the statement into evidence. However, a statement may not be admitted under this exception unless the proponent of it makes known to the adverse party sufficiently in advance of the hearing to provide the adverse party with a fair opportunity to prepare to meet it, the proponent's intention to offer the statement and the particulars of it, including the name and address of the declarant.

§ 18.805 Hearsay within hearsay.

Hearsay included within hearsay is not excluded under the hearsay rule if each part of the combined statements conforms with an exception to the hearsay rule provided in these rules.

§ 18.806

§ 18.806 Attacking and supporting credibility of declarant.

When a hearsay statement, or a statement defined in § 18.801(d)(2), (iii), (iv), or (v), has been admitted in evidence, the credibility of the declarant may be attacked, and if attacked may be supported, by any evidence which would be admissible for those purposes if declarant had testified as a witness. Evidence of a statement or conduct by the declarant at any time, inconsistent with the declarant's hearsay statement, is not subject to any requirement that the declarant may have been afforded an opportunity to deny or explain. If the party against whom a hearsay statement has been admitted calls the declarant as a witness, the party is entitled to examine the declarant on the statement as if under cross-examination.

AUTHENTICATION AND IDENTIFICATION

§ 18.901 Requirement of authentication or identification.

(a) *General provision.* The requirement of authentication or identification as a condition precedent to admissibility is satisfied by evidence sufficient to support a finding that the matter in question is what its proponent claims.

(b) *Illustrations.* By way of illustration only, and not by way of limitation, the following are examples of authentication or identification conforming with the requirements of this rule:

(1) *Testimony of witness with knowledge.* Testimony that a matter is what it is claimed to be.

(2) *Nonexpert opinion on handwriting.* Nonexpert opinion as to the genuineness of handwriting, based upon familiarity not acquired for purposes of litigation.

(3) *Comparison by judge or expert witness.* Comparison by the judge as trier of fact or by expert witnesses with specimens which have been authenticated.

(4) *Distinctive characteristics and the like.* Appearance, contents, substance, internal patterns, or other distinctive characteristics, taken in conjunction with circumstances.

(5) *Voice identification.* Identification of a voice, whether heard firsthand or

29 CFR Subtitle A (7-1-21 Edition)

through mechanical or electronic transmission or recording, by opinion based upon hearing the voice at any time under circumstances connecting it with the alleged speaker.

(6) *Telephone conversations.* Telephone conversations, by evidence that a call was made to the number assigned at the time by the telephone company to a particular person or business, if—

(i) In the case of a person, circumstances, including self-identification, show the person answering to be the one called, or

(ii) In the case of a business, the call was made to a place of business and the conversation related to business reasonably transacted over the telephone.

(7) *Public records or reports.* Evidence that a writing authorized by law to be recorded or filed and in fact recorded or filed in a public office, or a purported public record, report, statement, or data compilation, in any form, is from the public office where items of this nature are kept.

(8) *Ancient documents or data compilation.* Evidence that a document or data compilation, in any form,

(i) Is in such condition as to create no suspicion concerning its authenticity,

(ii) Was in a place where it, if authentic, would likely be, and

(iii) Has been in existence 20 years or more at the time it is offered.

(9) *Process or system.* Evidence describing a process or system used to produce a result and showing that the process or system produces an accurate result.

(10) *Methods provided by statute or rule.* Any method of authentication or identification provided by Act of Congress, or by rule or regulation prescribed by the administrative agency pursuant to statutory authority, or pursuant to executive order.

§ 18.902 Self-authentication.

(a) Extrinsic evidence of authenticity as a condition precedent to admissibility is not required with respect to the following:

(1) *Domestic public documents under seal.* A document bearing a seal purporting to be that of the United States, or of any State, district, Commonwealth, territory, or insular possession

thereof, or the Panama Canal Zone, or the Trust Territory of the Pacific Islands, or of a political subdivision, department, officer, or agency thereof, and a signature purporting to be an attestation or execution.

(2) *Domestic public documents not under seal.* A document purporting to bear the signature in the official capacity of an officer or employee of any entity included in paragraph (a)(1) of this section, having no seal, if a public officer having a seal and having official duties in the district or political subdivision of the officer or employee certifies under seal that the signer has the official capacity and that the signature is genuine.

(3) *Foreign public documents.* A document purporting to be executed or attested in an official capacity by a person authorized by the laws of a foreign country to make the execution or attestation, and accompanied by a final certification as to the genuineness of the signature and official position—

(i) Of the executing or attesting person, or

(ii) Of any foreign official whose certificate of genuineness of signature and official position relates to the execution or attestation or is in a chain of certificates of genuineness of signature and official position relating to the execution or attestation. A final certification may be made by a secretary of embassy or legation, consul, vice consul, or consular agent of the United States, or a diplomatic or consular official of the foreign country assigned or accredited to the United States. If reasonable opportunity has been given to all parties to investigate the authenticity and accuracy of official documents, the judge may, for good cause shown, order that they be treated as presumptively authentic without final certification or permit them to be evidenced by an attested summary with or without final certification.

(4) *Certified copies of public records.* A copy of an official record or report or entry therein, or of a document authorized by law to be recorded or filed and actually recorded or filed in a public office, including data compilations in any form, certified as correct by the custodian or other person authorized to make the certification, by certificate

complying with paragraph (a) (1), (2), or (3) of this section, with any Act of Congress, or with any rule or regulation prescribed by the administrative agency pursuant to statutory authority, or pursuant to executive order.

(5) *Official publications.* Books, pamphlets, or other publications purporting to be issued by public authority.

(6) *Newspapers and periodicals.* Printed materials purporting to be newspapers or periodicals.

(7) *Trade inscriptions and the like.* Inscriptions, signs, tags, or labels purporting to have been affixed in the course of business and indicating ownership, control, or origin.

(8) *Acknowledged documents.* Documents accompanied by a certificate of acknowledgment executed in the manner provided by law by a notary public or other officer authorized by law to take acknowledgments.

(9) *Commercial paper and related documents.* Commercial paper, signatures thereon, and documents relating thereto to the extent provided by general commercial law.

(10) *Presumptions under Acts of Congress or administrative agency rules or regulations.* Any signature, document, or other matter declared by Act of Congress or by rule or regulation prescribed by the administrative agency pursuant to statutory authority or pursuant to executive order to be presumptively or prima facie genuine or authentic.

(11) *Certified records of regularly conducted activity.* The original or a duplicate of a record of regularly conducted activity, within the scope of §18.803(6), which the custodian thereof or another qualified individual certifies

(i) Was made, at or near the time of the occurrence of the matters set forth, by, or from information transmitted by, a person with knowledge of those matters,

(ii) Is kept in the course of the regularly conducted activity, and

(iii) Was made by the regularly conducted activity as a regular practice, unless the sources of information or the method or circumstances of preparation indicate lack of trustworthiness. A record so certified is not self-authenticating under this paragraph unless

the proponent makes an intention to offer it known to the adverse party and makes it available for inspection sufficiently in advance of its offer in evidence to provide the adverse party with a fair opportunity to object or meet it. As used in this subsection, *certifies* means, with respect to a domestic record, a written declaration under oath subject to the penalty of perjury and, with respect to a foreign record, a written declaration signed in a foreign country which, if falsely made, would subject the maker to criminal penalty under the laws of that country.

(12) *Bills, estimates, and reports.* In actions involving injury, illness, disease, death, disability, or physical or mental impairment, or damage to property, the following bills, estimates, and reports provided that a copy of said bill, estimate, or report has been served upon the adverse party sufficiently in advance of the hearing to provide the adverse party with a fair opportunity to prepare to object or meet it:

(i) Hospital bills on the official letterhead or billhead of the hospital, when dated and itemized.

(ii) Bills of doctors and dentists, when dated and containing a statement showing the date of each visit and the charge therefor.

(iii) Bills of registered nurses, licensed practical nurses and physical therapists or other licensed health care providers, when dated and containing an itemized statement of the days and hours of service and the charges therefor.

(iv) Bills for medicine, eyeglasses, prosthetic devices, medical belts or similar items, when dated and itemized.

(v) Property repair bills or estimates, when dated and itemized, setting forth the charges for labor and material. In the case of an estimate, the party intending to offer the estimate shall forward with his notice to the adverse party, together with a copy of the estimate, a statement indicating whether or not the property was repaired, and, if so, whether the estimated repairs were made in full or in part and by whom, the cost thereof, together with a copy of the bill therefor.

(vi) Reports of past earnings, or of the rate of earnings and time lost from

work or lost compensation, prepared by an employer on official letterhead, when dated and itemized. The adverse party may not dispute the authenticity, therefor, unless the adverse party files and serves written objection thereto sufficiently in advance of the hearing stating the objections, and the grounds therefor, the adverse party will make if the bill, estimate, or report is offered at the time of the hearing. An adverse party may call the authors of the bill, estimate, or report as a witness and examine the witness as if under cross-examination.

(13) *Medical reports.* In actions involving injury, illness, disease, death, disability or physical or mental impairment, doctor, hospital, laboratory and other medical reports made for purposes of medical treatment, provided that a copy of the report has been filed and served upon the adverse party sufficiently in advance of the hearing to provide the adverse party with a fair opportunity to prepare to object or meet it. The adverse party may not object to the authenticity of the report unless the adverse party files and serves written objection thereto sufficiently in advance of the hearing stating the objections, and the grounds therefor, that the adverse party will make if the report is offered at the time of the hearing. An adverse party may call the author of the medical report as a witness and examine the witness as if under cross-examination.

(14) *Written reports of expert witnesses.* Written reports of an expert witness prepared with a view toward litigation including but not limited to a diagnostic report of a physician, including inferences and opinions, when on official letterhead, when dated, when including a statement of the experts qualifications, when including a summary of experience as an expert witness in litigation, when including the basic facts, data, and opinions forming the basis of the inferences or opinions, and when including the reasons for or explanation of the inferences or opinions, so far as admissible under the rules of evidence applied as though the witness was then present and testifying, provided that a copy of the report has been filed and served upon the adverse party sufficiently in advance of

the hearing to provide the adverse party with a fair opportunity to prepare to object or meet it. The adverse party may not object to the authenticity of the report unless the adverse party files and serves written objection thereto sufficiently in advance of the hearing stating the objections, and the grounds therefor, that the adverse party will make if the report is offered at the time of the hearing. An adverse party may call the expert as a witness and examine the witness as if under cross-examination.

(15) *Written statements of lay witnesses.* Written statements of a lay witness made under oath or affirmation and subject to the penalty of perjury, so far as admissible under the rules of evidence applied as though the witness was then present and testifying, provided that:

(i) A copy of the written statement has been filed and served upon the adverse party sufficiently in advance of the hearing to provide the adverse party with a fair opportunity to prepare to object or meet it, and

(ii) If the declarant is reasonably available as a witness, as determined by the judge, no adverse party has sufficiently in advance of the hearing filed and served upon the noticing party a written demand that the declarant be produced in person to testify at the hearing. An adverse party may call the declarant as a witness and examine the witness as if under cross-examination.

(16) *Deposition testimony.* Testimony given as a witness in a deposition taken in compliance with law in the course of the same proceeding, so far as admissible under the rules of evidence applied as though the witness was then present and testifying, if the party against whom the testimony is now offered had an opportunity and similar motive to develop the testimony by direct, cross, or redirect examination, provided that a notice of intention to offer the deposition in evidence, together with a copy thereof if not otherwise previously provided, has been served upon the adverse party sufficiently in advance of the hearing to provide the adverse party with a fair opportunity to prepare to object or meet it. An adverse party may call the

deponent as a witness and examine the witness as if under cross-examination.

(b) [Reserved]

§ 18.903 Subscribing witness' testimony unnecessary.

The testimony of a subscribing witness is not necessary to authenticate a writing unless required by the laws of the jurisdiction whose laws govern the validity of the writing.

CONTENTS OF WRITINGS, RECORDINGS,
AND PHOTOGRAPHS

§ 18.1001 Definitions.

(a) For purposes of this article the following definitions are applicable:

(1) *Writings and recordings.* *Writings* and *recordings* consist of letters, words, or numbers, or their equivalent, set down by handwriting, typewriting, printing, photostating, photographing, magnetic impulse, mechanical or electronic recording, or other form of data compilation.

(2) *Photographs.* *Photographs* include still photographs, X-ray films, video tapes, and motion pictures.

(3) *Original.* An *original* of a writing or recording is the writing or recording itself or any counterpart intended to have the same effect by a person executing or issuing it. An *original* of a photograph includes the negative or, other than with respect to X-ray films, any print therefrom. If data are stored in a computer or similar device, any printout or other output readable by sight, shown to reflect the data accurately, is an *original*.

(4) *Duplicate.* A *duplicate* is a counterpart produced by the same impression as the original, or from the same matrix, or by means of photography, including enlargements and miniatures, or by mechanical or electronic re-recording, or by chemical reproduction, or by other equivalent techniques which accurately reproduces the original.

(b) [Reserved]

§ 18.1002 Requirement of original.

To prove the content of a writing, recording, or photograph, the original writing, recording, or photograph is required, except as otherwise provided in these rules, or by rule or regulation

§ 18.1003

prescribed by the administrative agency pursuant to statutory authority, or pursuant to executive order, or by Act of Congress.

§ 18.1003 Admissibility of duplicates.

A duplicate is admissible to the same extent as an original unless a genuine question is raised as to the authenticity of the original, or in the circumstances it would be unfair to admit the duplicate in lieu of the original.

§ 18.1004 Admissibility of other evidence of contents.

(a) The original is not required, and other evidence of the contents of a writing, recording, or photograph is admissible if:

(1) *Originals lost or destroyed.* All originals are lost or have been destroyed, unless the proponent lost or destroyed them in bad faith; or

(2) *Original not obtainable.* No original can be obtained by any available judicial process or procedure; or

(3) *Original in possession of opponent.* At a time when an original was under the control of the party against whom offered, that party was put on notice, by the pleading or otherwise, that the contents would be a subject of proof at the hearing, and that party does not produce the original at the hearing; or

(4) *Collateral matters.* The writing, recording, or photograph is not closely related to a controlling issue.

(b) [Reserved]

§ 18.1005 Public records.

The contents of an official record, or of a document authorized to be recorded or filed and actually recorded or filed, including data compilations in any form, if otherwise admissible, may be proved by copy, certified as correct in accordance with §18.902 or testified to be correct by a witness who has compared it with the original. If a copy which complies with the foregoing cannot be obtained by the exercise of reasonable diligence, then other evidence of the contents may be given.

§ 18.1006 Summaries.

The contents of voluminous writings, recordings, or photographs which cannot conveniently be examined at the hearing may be presented in the form

29 CFR Subtitle A (7-1-21 Edition)

of a chart, summary, or calculation. The originals, or duplicates, shall be made available for examination or copying, or both, by other parties at reasonable time and place. The judge may order that they be produced at the hearing.

§ 18.1007 Testimony or written admission of party.

Contents of writings, recordings, or photographs may be proved by the testimony or deposition of the party against whom offered or by that party's written admission, without accounting for the nonproduction of the original.

§ 18.1008 Functions of the judge.

When the admissibility of other evidence of contents of writings, recordings, or photographs under these rules depends upon the fulfillment of a condition of fact, the question whether the condition has been fulfilled is ordinarily for the judge to determine in accordance with the provisions of §18.104(a). However, when an issue is raised whether the asserted writing ever existed; or whether another writing, recording, or photograph produced at the hearing is the original; or whether other evidence of contents correctly reflects the contents, the issue is for the judge as trier of fact to determine as in the case of other issues of fact.

APPLICABILITY

§ 18.1101 Applicability of rules.

(a) *General provision.* These rules govern formal adversarial adjudications conducted by the United States Department of Labor before a presiding officer.

(1) Which are required by Act of Congress to be determined on the record after opportunity for an administrative agency hearing in accordance with the Administrative Procedure Act, 5 U.S.C. 554, 556 and 557, or

(2) Which by United States Department of Labor regulation are conducted in conformance with the foregoing provisions. *Presiding officer*, referred to in these rules as *the judge*, means an Administrative Law Judge, an agency head, or other officer who

presides at the reception of evidence at a hearing in such an adjudication.

(b) *Rules inapplicable.* The rules (other than with respect to privileges) do not apply in the following situations:

(1) *Preliminary questions of fact.* The determination of questions of fact preliminary to admissibility of evidence when the issue is to be determined by the judge under §18.104.

(2) *Longshore, black lung, and related acts.* Other than with respect to §§18.403, 18.611(a), 18.614 and without prejudice to current practice, hearings held pursuant to the Longshore and Harbor Workers' Compensation Act, 33 U.S.C. 901; the Federal Mine Safety and Health Act (formerly the Federal Coal Mine Health and Safety Act) as amended by the Black Lung Benefits Act, 30 U.S.C. 901; and acts such as the Defense Base Act, 42 U.S.C. 1651; the District of Columbia Workmen's Compensation Act, 36 DC Code 501; the Outer Continental Shelf Lands Act, 43 U.S.C. 1331; and the Nonappropriated Fund Instrumentalities Act, 5 U.S.C. 8171, which incorporate section 23(a) of the Longshore and Harbor Workers' Compensation Act by reference.

(c) *Rules inapplicable in part.* These rules do not apply to the extent inconsistent with, in conflict with, or to the extent a matter is otherwise specifically provided by an Act of Congress, or by a rule or regulation of specific application prescribed by the United States Department of Labor pursuant to statutory authority, or pursuant to executive order.

§ 18.1102 [Reserved]

§ 18.1103 Title.

These rules may be known as the United States Department of Labor Rules of Evidence and cited as 29 CFR 18.____ (1989).

§ 18.1104 Effective date.

These rules are effective thirty days after date of publication with respect to formal adversarial adjudications as specified in §18.1101 except that with respect to hearings held following an investigation conducted by the United States Department of Labor, these rules shall be effective only where the

investigation commenced thirty days after publication.

APPENDIX TO SUBPART B OF PART 18—
REPORTER'S NOTES

Reporter's Introductory Note

The Rules of Evidence for the United States Department of Labor modify the Federal Rules of Evidence for application in formal adversarial adjudications conducted by the United States Department of Labor. The civil nonjury nature of the hearings and the broad underlying values and goals of the administrative process are given recognition in these rules.

REPORTER'S NOTE TO §18.102

In all formal adversarial adjudications of the United States Department of Labor governed by these rules, and in particular such adjudications in which a party appears without the benefit of counsel, the judge is required to construe these rules and to exercise discretion as provided in the rules, see, e.g., §18.403, to secure fairness in administration and elimination of unjustifiable expense and delay to the end that the truth may be ascertained and the proceedings justly determined, §18.102. The judge shall also exercise reasonable control over the mode and order of interrogating witnesses and presenting evidence so as to (1) make the interrogation and presentation effective for the ascertainment of the truth, (2) avoid needless consumption of time, and (3) protect witnesses from harassment or undue embarrassment, §18.611(a).

REPORTER'S NOTE TO §18.103

Section 18.103(a) provides that error is not harmless, i.e., a substantial right is affected, unless on review it is determined that it is more probably true than not true that the error did not materially contribute to the decision or order of the court. The more probably true than not true test is the most liberal harmless error standard. See *Haddad v. Lockheed California Corp.*, 720 F.2d 1454, 1458-59 (9th Cir. 1983):

The purpose of a harmless error standard is to enable an appellate court to gauge the probability that the trier of fact was affected by the error. See R. Traynor, [The Riddle of Harmless Error] at 29-30. Perhaps the most important factor to consider in fashioning such a standard is the nature of the particular fact-finding process to which the standard is to be applied. Accordingly, a crucial first step in determining how we should gauge the probability that an error was harmless is recognizing the distinction between civil and criminal trials. See *Kotteakos v. United States*, 328 U.S. 750, 763, 66 S.Ct. 1239, 1247, 90 L.Ed. 1557 (1946); *Valle-Valdez*, 544 F.2d at 914-15. This distinction has two facets,

each of which reflects the differing burdens of proof in civil and criminal cases. First, the lower burden of proof in civil cases implies a larger margin of error. The danger of the harmless error doctrine is that an appellate court may usurp the jury's function, by merely deleting improper evidence from the record and assessing the sufficiency of the evidence to support the verdict below. See *Kotteakos*, 328 U.S. at 764-65, 66 S.Ct. at 1247-48; R. Traynor, *supra*, at 18-22. This danger has less practical importance where, as in most civil cases, the jury verdict merely rests on a more probable than not standard of proof.

The second facet of the distinction between errors in civil and criminal trials involves the differing degrees of certainty owed to civil and criminal litigants. Whereas a criminal defendant must be found guilty beyond a reasonable doubt, a civil litigant merely has a right to a jury verdict that more probably than not corresponds to the truth.

The term *materially contribute* was chosen as the most appropriate in preference to *substantially swayed*, *Kotteakos v. United States*, 328 U.S. 750, 66 S.Ct. 1239, 90 L.Ed. 1557 (1946) or *material effect*. *Holloway v. Arkansas*, 435 U.S. 475, 98 S.Ct. 1173, 55 L.Ed.2d 426 (1978). The word *contribute* was employed in *Schneble v. Florida*, 405 U.S. 427, 92 S.Ct. 1056, 31 L.Ed.2d 340 (1972) and *United States v. Hastings*, 461 U.S. 499, 103 S.Ct. 1974, 76 L.Ed.2d 96 (1983).

Error will not be considered in determining whether a substantial right of a party was affected if the evidence was admitted in error following a properly made objection, §18.103(a)(1), and the judge explicitly states that he or she does not rely on such evidence in support of the decision or order. The judge must explicitly decline to rely upon the improperly admitted evidence. The alternative of simply assuming nonreliance unless the judge explicitly states reliance, goes too far toward emasculating the benefits flowing from rules of evidence.

The question addressed in *Richardson v. Perales*, 402 U.S. 389, 91 S.Ct. 1420, 28 L.Ed.2d 842 (1971) of whether *substantial evidence* as specified in §556(d) of the Administrative Procedure Act requires that there be a residuum of legally admissible evidence to support an agency determination is of no concern with respect to these rules; only properly admitted evidence is to be considered in determining whether the *substantial evidence* requirement has been satisfied.

REPORTER'S NOTE TO §18.104

As to the standard on review with respect to questions of admissibility generally, section 18.104(a), see *In re Japanese Electronic Products Antitrust Litigation*, 723 F.2d 238, 265-66 (3d Cir. 1983) ("The scope of review of the trial court's trustworthiness determination depends on the basis for the ruling. When the

trial court makes §18.104(a) findings of historical fact about the manner in which a report containing findings was compiled we review by the clearly erroneous standard of Fed.R.Civ.P. 52. But a determination of untrustworthiness, if predicated on factors properly extraneous to such a determination, would be an error of law * * * * There is no discretion to rely on improper factors. Such an error of law might, of course, in a given instance be harmless within the meaning of Fed.R.Civ.P. 61. In weighing factors which we consider proper, the trial court exercises discretion and we review for abuse of discretion. Giving undue weight to trustworthiness factors of slight relevance while disregarding factors more significant, for example, might be an abuse of discretion.'"). Accord, *United States v. Wilson*, 798 F.2d 509 (1st Cir. 1986).

As to the standard on review with respect to relevancy, conditional relevancy and the exercise of discretion, see, e.g., *United States v. Abel*, 469 U.S. 45, 54, 105 S.Ct. 465, 470, 83 L.Ed.2d 450 (1984) ("A district court is accorded a wide discretion in determining the admissibility of evidence under the Federal Rules. Assessing the probative value of common membership in any particular group, and weighing any factors counselling against admissibility is a matter first for the district court's sound judgment under Rules 401 and 403 and ultimately, if the evidence is admitted, for the trier of fact."); *Alford v. United States*, 282 U.S. 687, 694, 51 S.Ct. 218, 220, 75 L.Ed. 624 (1931) ("The extent of cross-examination with respect to an appropriate subject of inquiry is within the sound discretion of the trial court. It may exercise a reasonable judgment in determining when the subject is exhausted."); *Hill v. Bache Halsey Stuart Shields Inc.*, 790 F.2d 817, 825 (10th Cir. 1986) ("We recognize that a trial court has broad discretion to determine whether evidence is relevant, and its decision will not be reversed on appeal absent a showing of clear abuse of that discretion. *Beacham v. Lee-Norse*, 714 F.2d 1010, 1014 (10th Cir. 1983). The same standard of review applies to a trial court's determination, under Fed.R.Evid. 403, that the probative value of the evidence is outweighed by its potential to prejudice or confuse the jury, or to lead to undue delay. *Id.*").

REPORTER'S NOTE TO §18.201

A.P.A. section 556(e) provides that "when an agency decision rests on official notice of a material fact not appearing in the evidence in the record, a party is entitled, on timely request, to an opportunity to show the contrary." No definition of "official notice" is provided. An administrative agency may take official notice of any adjudicative fact that could be judicially noticed by a court. In addition "the rule is now clearly emerging

that an administrative agency may take official notice of any generally recognized technical or scientific facts within the agency's specialized knowledge, subject always to the proviso that the parties must be given adequate advance notice of the facts which the agency proposes to note, and given adequate opportunity to show the inaccuracy of the facts or the fallacy of the conclusions which the agency proposes tentatively to accept without proof. To satisfy this requirement, it is necessary that a statement of the facts noticed must be incorporated into the record. The source material on which the agency relies should, on request, be made available to the parties for their examination." 1 Cooper, *State Administrative Law* 412-13 (1965). Accord, *Uniform Law Commissioners' Model State Administrative Procedure Act* section 10(4) (1961) ("Notice may be taken of judicially cognizable facts. In addition, notice may be taken of generally recognized technical or scientific facts within the agency's specialized knowledge. Parties shall be notified either before or during the hearing, or by reference in preliminary reports or otherwise, of the material noticed, including any staff memoranda or data, and they shall be afforded an opportunity to contest the material so noticed. The agency's experience, technical competence, and specialized knowledge may be utilized in the evaluation of the evidence."); Schwartz, *Administrative Law* §7.16 at 375 (2d ed. 1984) ("Clearly an agency may take notice of the same kinds of fact of which a court takes judicial notice. It has, however, been recognized that the differences between agencies and courts * * * may justify a broader approach. Under it, an agency may be permitted to take 'official notice' not only of facts that are obvious and notorious to the average man but also of those that are obvious and notorious to an expert in the given field." "A commission that regulates gas companies may take notice of the fact that a well-managed gas company loses no more than 7 percent of its gas through leakage, condensation, expansion, or contraction, where its regulation of gas companies, over the years has made the amount of 'unaccounted for gas' without negligence obvious and notorious to it as the expert in gas regulation. A workers' compensation commission may similarly reject a claim that an inguinal hernia was traumatic in origin where the employee gave no indication of pain and continued work for a month after the alleged accident. The agency had dealt with numerous hernia cases and was as expert in diagnosing them as any doctor would be. Its experience taught it that where a hernia was traumatic in origin, there was immediate discomfort, outward evidences of pain observable to fellow employees, and at least temporary suspension from work. The agency could notice this fact based upon its knowledge as an ex-

pert and reject uncontradicted opinion testimony that its own expertise renders unpersuasive." Compare *Uniform Law Commissioners' Model State Administrative Procedure Act* section 4-212(f) (1981) ("Official notice may be taken of (i) any fact that could be judicially noticed in the courts of this State, (ii) the record of other proceedings before the agency, (iii) technical or scientific matters within the agency's specialized knowledge, and (iv) codes or standards that have been adopted by an agency of the United States, of this State or of another state, or by a nationally recognized organization or association. Parties must be notified before or during the hearing, or before the issuance of any initial or final order that is based in whole or in part on facts or materials noticed, of the specific facts or material noticed and the source thereof, including any staff memoranda and data, and be afforded an opportunity to contest and rebut the facts or materials so noticed."). Contra Davis, *Official Notice*, 62 *Harv. L. Rev.* 537, 539 (1949) ("To limit official notice to facts which are beyond the realm of dispute would virtually emasculate the administrative process. The problem of official notice should not be one of drawing lines between disputable and indisputable facts. Nor should it even be one of weighing the importance of basing decisions upon all available information against the importance of providing full and fair hearings in the sense of permitting parties to meet all materials that influence decision. The problem is the intensely practical one of devising a procedure which will provide both informed decisions and fair hearings without undue inconvenience or expense.").

Section 18.201 adopts the philosophy of Federal Rule of Evidence 201. The Advisory Committee's Note to Fed.R.Evid. 201 (b) states:

With respect to judicial notice of adjudicative facts, the tradition has been one of caution in requiring that the matter be beyond reasonable controversy. This tradition of circumspection appears to be soundly based, and no reason to depart from it is apparent. As Professor Davis says:

"The reason we use trial-type procedure, I think, is that we make the practical judgment, on the basis of experience, that taking evidence, subject to cross-examination and rebuttal, is the best way to resolve controversies involving disputes of adjudicative facts, that is, facts pertaining to the parties. The reason we require a determination on the record is that we think fair procedure in resolving disputes of adjudicative facts calls for giving each party a chance to meet in the appropriate fashion the facts that come to the tribunal's attention, and the appropriate fashion for meeting disputed adjudicative facts includes rebuttal evidence, cross-examination, usually confrontation, and argument (either written or oral or both). The

Pt. 18, Subpt. B, App.

key to a fair trial is opportunity to use the appropriate weapons (rebuttal evidence, cross-examination, and argument) to meet adverse materials that come to the tribunal's attention." A System of Judicial Notice Based on Fairness and Convenience, in *Perspectives of Law* 69, 93 (1964).

The rule proceeds upon the theory that these considerations call for dispensing with traditional methods of proof only in clear cases. Compare Professor Davis' conclusion that judicial notice should be a matter of convenience, subject to requirements of procedural fairness. *Id.*, 94. Section 18.201 of the Federal Rules of Evidence incorporated the Morgan position on judicial notice. The contrary position, expressed by Wigmore and Thayer, and advocated by Davis, was rejected. See McNaughton, *Judicial Notice-Excerpts Relating to the Morgan-Wigmore Controversy*, 14 *Vand. L. Rev.* 779 (1961) ("They do not differ with respect to the application of the doctrine to 'law'. Nor do they reveal a difference with respect to so-called 'jury notice.' Their difference relates to judicial notice of 'facts.' Here Wigmore, following Thayer, insists that judicial notice is solely to save time where dispute is unlikely and that a matter judicially noticed is therefore only 'prima facie,' or rebuttable, if the opponent elects to dispute it. It is expressed in Thayer and implicit in Wigmore that (perhaps because the matter is rebuttable) judicial notice may be applied not only to indisputable matters but also to matters of lesser certainty. Morgan on the other hand defines judicial notice more narrowly, and his consequences follow from his definition. He limits judicial notice of fact to matters patently indisputable. And his position is that matters judicially noticed are not rebuttable. He asserts that it is wasteful to permit patently indisputable matters to be litigated by way of formal proof and furthermore that it would be absurd to permit a party to woo a jury to an obviously erroneous finding contrary to the noticed fact. Also, he objects to the Wigmorean conception on the ground that it is really a 'presumption' of sorts attempting to pass under a misleading name. It is, according to Morgan, a presumption with no recognized rules as to how the presumption works, what activates it, and who has the burden of doing how much to rebut it.'").

Accordingly, notice that items (ii) and (iv) of the Uniform Law Commissioners' Model State Administrative Procedure Act quoted above are not included as separate items in §18.201. However codes and standards, (iv), to the extent not subject to reasonable question fall within §18.201(b)(2). To the extent such codes and standards do not so fall, proof should be required. Official notice of records of other proceedings before the agency would "permit an agency to notice facts contained in its files, such as the revenue statistics

29 CFR Subtitle A (7-1-21 Edition)

contained in the reports submitted to it by a regulated company." Schwartz, *supra* at 377. Once again, to the extent such information is not capable of accurate and ready determination by resort to sources whose accuracy cannot reasonably be questioned, §18.201(b)(2), proof should be required.

REPORTER'S NOTE TO §18.301

Section 18.301 does not prevent an administrative agency by either rule, regulation, or common law development from allocating burdens of production and burdens of persuasion in an otherwise permissible manner. See *N.L.R.B. v. Transportation Management Corp.*, 462 U.S. 400, 403 n.7, 103 S.Ct. 2469, 2475 n.7, 76 L.Ed.2d 667 (1983) ("Respondent contends that Federal Rule of Evidence 301 requires that the burden of persuasion rest on the General Counsel. Rule 301 provides:

In all civil actions and proceedings not otherwise provided for by Act of Congress or by these rules, a presumption imposes on the party against whom it is directed the burden of going forward with evidence to rebut or meet the presumption, but does not shift to such party the burden of proof in the sense of the risk of nonpersuasion, which remains throughout the trial upon the party on whom it was originally cast.

The Rule merely defines the term 'presumption.' It in no way restricts the authority of a court or an agency to change the customary burdens of persuasion in a manner that otherwise would be permissible. Indeed, were respondent correct, we could not have assigned to the defendant the burden of persuasion on one issue in *Mt. Healthy City Board of Education v. Doyle*, 429 U.S. 274, 97 S.Ct. 568, 50 L.Ed.2d 471 (1977).')

REPORTER'S NOTE TO §18.302

The Advisory Committee's Note to Federal Rule of Evidence 302, 56 F.R.D. 118, 211 states:

A series of Supreme Court decisions in diversity cases leaves no doubt of the relevance of *Erie Railroad Co. v. Tompkins*, 304 U.S. 64, 58 S.Ct. 817, 82 L.Ed. 1188 (1938), to questions of burden of proof. These decisions are *Cities Service Oil Co. v. Dunlap*, 308 U.S. 208, 60 S.Ct. 201, 84 L.Ed. 196 (1939), *Palmer v. Hoffman*, 318 U.S. 477, 87 L.Ed. 645 (1943), and *Dick v. New York Life Ins. Co.*, 359 U.S. 437, 79 S.Ct. 921, 3 L.Ed.2d 935 (1959). They involved burden of proof, respectively, as to status as bona fide purchaser, contributory negligence, and nonaccidental death (suicide) of an insured. In each instance the state rule was held to be applicable. It does not follow, however, that all presumptions in diversity cases are governed by state law. In each case cited, the burden of proof question had to do with a substantive element of the claim or defense. Application of the state law is called for only when the presumption operates upon such an element. Accordingly the

rule does not apply state law when the presumption operates upon a lesser aspect of the case, i.e. "tactical" presumptions.

The situations in which the state law is applied have been tagged for convenience in the preceding discussion as "diversity cases." The designation is not a completely accurate one since *Erie* applies to any claim or issue having its source in state law, regardless of the basis of federal jurisdiction, and does not apply to a federal claim or issue, even though jurisdiction is based on diversity.

Vestal, *Erie R. R. v. Tompkins: A Projection*, 48 Iowa L.Rev. 248, 257 (1963); Hart and Wechsler, *The Federal Courts and the Federal System*, 697 (1953); 1A Moore Federal Practice p. 0.305[3] (2d ed. 1965); Wright, *Federal Courts*, 217-218 (1963). Hence the rule employs, as appropriately descriptive, the phrase "as to which state law supplies the rule of decision." See A.L.I. Study of the Division of Jurisdiction Between State and Federal Courts, 2344(c), p. 40, P.F.D. No. 1 (1965).

It is anticipated that § 18.302 will very rarely come into play.

REPORTER'S NOTE TO § 18.403

Rule 403 of the Federal Rules of Evidence provides for the exclusion of relevant evidence on the grounds of unfair prejudice. Since all effective evidence is prejudicial in the sense of being damaging to the party against whom it is offered, prejudice which calls for exclusion is given a more specialized meaning: An undue tendency to suggest decision on an improper basis, commonly but not necessarily an emotional one, such as bias, sympathy, hatred, contempt, retribution or horror. Unfair prejudice is not, however, a proper ground for the exclusive of relevant evidence under these rules. Judges have shown over the years the ability to resist deciding matters on such an improper basis. Accord *Gulf States Utilities Co. v. Ecodyne Corp.*, 635 F.2d 517, 519 (5th Cir. 1981). ("The exclusion of this evidence under Rule 403's weighing of probative value against prejudice was improper. This portion of Rule 403 has no logical application to bench trials. Excluding relevant evidence in a bench trial because it is cumulative or a waste of time is clearly a proper exercise of the judge's power, but excluding relevant evidence on the basis of 'unfair prejudice' is a useless procedure. Rule 403 assumes a trial judge is able to discern and weigh the improper inferences that a jury might draw from certain evidence, and then balance those improprieties against probative value and necessity. Certainly, in a bench trial, the same judge can also exclude those improper inferences from his mind in reaching a decision.")

While § 18.403, like Rule 403 of the Federal Rules of Evidence, does speak in terms of both confusion of the issues and misleading

of the trier of fact, the distinction between such terms is unclear in the literature and in the cases. McCormick, *Evidence* section 185 at 546 (3d ed. 1984), refers to the probability that certain proof and the answering evidence that it provokes might unduly distract the trier of fact from the main issues. 2 Wigmore, *Evidence* section 443 at 528-29 (Chadbourn rev. 1979), describes the concept as follows:

In attempting to dispute or explain away the evidence thus offered, new issues will arise as to the occurrence of the instances and the similarity of conditions, new witnesses will be needed whose cross-examination and impeachment may lead to further issues; and that thus the trial will be unduly prolonged, and the multiplicity of minor issues will be such that the jury will lose sight of the main issue, and the whole evidence will be only a mass of confused data from which it will be difficult to extract the kernel of controversy.

Both commentators are clearly describing the notion of confusion of the issues. The notion of confusion of the issues of course applies as well to a reviewing body considering a record in such condition. While a trier of fact or reviewing body confused in the foregoing manner can also be said to have been misled, it is suggested that the concept of misleading refers primarily to the possibility of the trier of fact overvaluing the probative value of a particular item of evidence for any reason other than the emotional reaction associated with unfair prejudice. To illustrate, evidence of the results of a lie detector, even where an attempt is made to explain fully the significance of the results, is likely to be overvalued by the trier of fact. Similarly, the test of *Frye v. United States*, 293 F.1013, 1014 (D.C. Cir. 1923), imposing the requirement with respect to the admissibility of scientific evidence that the particular technique be shown to have gained "general acceptance in the particular field in which it belongs," is an attempt to prevent decision makers from being unduly swayed by unreliable scientific evidence. Demonstrative evidence in the form of a photograph, map, model, drawing or chart which varies substantially from the fact of consequence sought to be illustrated similarly may mislead. Finally, any trier of fact may be misled by the sheer amount of time spent upon a question into believing the issue to be of major importance and accordingly into attaching too much significance to it in its determination of the factual issues involved. While clearly of less import where the judge is the trier of fact and with respect to the state of the record on review, the danger of confusion of the issues or misleading the judge as trier of fact, together with such

risks on review, are each of sufficient moment especially when considered in connection with needless consumption of time to warrant inclusion in §18.403.

Occasionally evidence is excluded not because distracting side issues will be created but rather because an unsuitable amount of time would be consumed in clarifying the situation. Concerns associated with the proper use of trial time also arise where the evidence being offered is relevant to a fact as to which substantial other evidence has already been introduced, including evidence bearing on the question of credibility, where the evidence itself possesses only minimal probative value, such as evidence admitted as background, or where evidence is thought by the court to be collateral. In recognition of the legitimate concern of the court with expenditures of time, §18.403 provides for exclusion of evidence where its incremental probative value is substantially outweighed by considerations of undue delay, waste of time, or needless presentation of cumulative evidence. Roughly speaking undue delay can be argued to refer to delay caused by the failure of the party to be able to produce the given evidence at the appropriate time at trial but only at some later time. Waste of time may be taken to refer to the fact that the evidence possesses inadequate incremental probative value in light of the time its total exploration will consume. Cumulative refers to multiple sources of different evidence establishing the same fact of consequence as well as multiple same sources, such as ten witnesses all testifying to the same speed of the car or the same character of a witness.

REPORTER'S NOTE TO §18.501

The Conference Report to Federal Rule of Evidence 501, 1975 U.S. Code Cong. & Ad. News 7098, 7100 states:

Rule 501 deals with the privilege of a witness not to testify. Both the House and Senate bills provide that federal privilege law applies in criminal cases. In civil actions and proceedings, the House bill provides that state privilege law applies "to an element of a claim or defense as to which State law supplies the rule of decision." The Senate bill provides that "in civil actions and proceedings arising under 28 U.S.C. 1332 or 28 U.S.C. 1335, or between citizens of different States and removed under 28 U.S.C. 1441(b) the privilege of a witness, person, government, State or political subdivision thereof is determined in accordance with State law unless with respect to the particular claim or defense, Federal law supplies the rule of decision."

The wording of the House and Senate bills differs in the treatment of civil actions and proceedings. The rule in the House bill applies to evidence that relates to "an element of a claim or defense." If an item of proof tends to support or defeat a claim or defense,

or an element of a claim or defense, and if state law supplies the rule of decision for that claim or defense, then state privilege law applies to that item of proof.

Under the provision in the House bill, therefore, state privilege law will usually apply in diversity cases. There may be diversity cases, however, where a claim or defense is based upon federal law. In such instances, federal privilege law will apply to evidence relevant to the federal claim or defense. See *Sola Electric Co. v. Jefferson Electric Co.*, 317 U.S. 173 (1942).

In nondiversity jurisdiction civil cases, federal privilege law will generally apply. In those situations where a federal court adopts or incorporates state law to fill interstices or gaps in federal statutory phrases, the court generally will apply federal privilege law.

As Justice Jackson has said:

A federal court sitting in a nondiversity case such as this does not sit as a local tribunal. In some cases it may see fit for special reasons to give the law of a particular state highly persuasive or even controlling effect, but in the last analysis its decision turns upon the law of the United States, not that of any state.

D'Oench, Duhme & Co. v. Federal Deposit Insurance Corp., 315 U.S. 447, 471 (1942) (Jackson, J., concurring). When a federal court chooses to absorb state law, it is applying the state law as a matter of federal common law. Thus, state law does not supply the rule of decision (even though the federal court may apply a rule derived from state decisions), and state privilege law would not apply. See C.A. Wright, Federal Courts 251-252 (2d ed. 1970); *Holmberg v. Armbrrecht*, 327 U.S. 392 (1946); *DeSylva v. Ballentine*, 351 U.S. 570, 581 (1956); 9 Wright & Miller, Federal Rules and Procedures §2408.

In civil actions and proceedings, where the rule of decision as to a claim or defense or as to an element of a claim or defense is supplied by state law, the House provision requires that state privilege law apply.

The Conference adopts the House provision.

It is anticipated that the proviso in §18.501 will very rarely come into play.

REPORTER'S NOTE TO §18.601

The Conference Report to Federal Rule of Evidence 601, 1975 U.S. Code Cong. & Ad. News 7051, 7059 states:

Rule 601 deals with competency of witnesses. Both the House and Senate bills provide that federal competency law applies in criminal cases. In civil actions and proceedings, the House bill provides that state competency law applies "to an element of a claim or defense as to which State law supplies the rule of decision." The Senate bill provides that "in civil actions and proceedings arising under 28 U.S.C. 1332 or 28

U.S.C. 1335, or between citizens of different States and removed under 28 U.S.C. 1441(b) the competency of a witness, person, government, State or political subdivision thereof is determined in accordance with State law, unless with respect to the particular claim or defense, Federal law supplies the rule of decision.”

The wording of the House and Senate bills differs in the treatment of civil actions and proceedings. The rule in the House bill applies to evidence that relates to “an element of a claim or defense.” If an item of proof tends to support or defeat a claim or defense, or an element of a claim or defense, and if state law supplies the rule of decision for that claim or defense, then state competency law applies to that item of proof.

For reasons similar to those underlying its action on Rule 501, the Conference adopts the House provision.

It is anticipated that the proviso to § 18.601 will very rarely come into play.

REPORTER'S NOTE TO § 18.609

Consistent with the position taken in § 18.403, unfair prejudice is not felt to be a proper reason of the exclusion of relevant evidence in a hearing where the judge is the trier of fact. Sections 18.609 (a) and (b) provide for the use of every prior conviction punishable by death or imprisonment in excess of one year under the law under which the witness was convicted and every prior conviction involving dishonesty or false statement, regardless of punishment, provided not more than ten years has elapsed since the date of the conviction or the release of the witness from the confinement imposed for that conviction, whichever is the later date. Convictions more than ten years old are felt to be too stale to be admitted to impeach the credibility of a witness testifying in any hearing to which these rules apply.

REPORTER'S NOTE TO § 18.801

Rule 801(d)(1)(A) of the Federal Rules of Evidence has been revised in § 18.801(d)(1)(A) to permit the substantive admissibility of all prior inconsistent statements. The added protection of certainty of making and circumstances conducive to trustworthiness provided by the restriction that the prior inconsistent statement be “given under oath subject to the penalty of perjury at a trial, hearing, in other proceeding, or in a deposition” were added by Congress to Federal Rule of Evidence 801(d)(1)(A) for the benefit of the criminal defendant. See Graham, *Employing Inconsistent Statements for Impeachment and as Substantive Evidence: A Critical Review and Proposed Amendments of Federal Rules of Evidence 801(d)(1)(A)*, 613 and 607, 75 Mich L. Rev. 565 (1977).

REPORTER'S NOTE TO § 18.802

An “administrative file” is admissible as such to the extent so provided by rule or regulation of the administrative agency prescribed pursuant to statutory authority, or pursuant to executive order, or by Act of Congress. If a program provides for the creation of an “administrative file” and for the submission of an “administrative file” to the judge presiding at a formal adversarial adjudication governed by these rules, see section 18.1101, the “administrative file” would fall outside the bar of the hearsay rule. Similarly, such “administrative file” is self-authenticating, section 18.902(10).

REPORTER'S NOTE TO § 18.803

Section 18.803(24) provides that the “equivalent circumstantial guarantees of trustworthiness” required to satisfy the “other [reliable] hearsay” exception is that possessed solely by the “aforementioned hearsay exceptions,” i.e., §§ 18.803(1)–18.803(24). The hearsay exceptions which follow, i.e., §§ 18.803(25)–18.803(30), rely too greatly upon necessity and convenience to serve as a basis to judge “equivalent circumstantial guarantees of trustworthiness.”

Section 18.803(25) provides a hearsay exception for the self-authenticating aspect of documents and other items as provided in § 18.902. Out of court statements admitted under § 18.902 for the purpose of establishing that the document or other item offered into evidence is as purported to be are received in evidence to establish the truth of the matter stated, §§ 18.801(a)–(c). Section 18.802 provides that “hearsay is not admissible except as provided by these rules * * *” Section 18.902 thus operates as a hearsay exception on the limited question of authenticity. Section 18.902 does not, however, purport to create a hearsay exception for matters asserted to be true in the self-authenticated exhibit itself. As a matter of drafting consistency, it is preferable to have a specific hearsay exception in § 18.803 for statements of self-authentication under § 18.902 than to have a hearsay exception exist in these rules not bearing an 18.800 number.

Sections 18.803(26) and 18.803(27) are derived from Rules 4(e) and (f) of the Arizona Uniform Rules of Procedure for Arbitration. Section 18.803(26)(f) is derived from Illinois Supreme Court Rule 90(c)(4).

Sections 18.803(27) and 18.803(28) maintain the common law distinction between a treating physician, i.e., medical treatment, and an examining or nontreating physician, i.e., medical diagnosis. A treating physician provides or acts with a view toward providing medical treatment. An examining physician is one hired with a view toward testifying on behalf of a party and not toward treating a

patient. As such, written reports of the examining physician are not felt to be sufficiently trustworthy to be given the preferred treatment of §18.803(27). Thus a report of a physician made for the purpose of medical treatment, i.e., treating physician, is admissible if the requirements of §18.803(27) are satisfied. A report of physician prepared with a view toward litigation, i.e., examining physician, satisfying the requirements of §18.802(28) is also admissible. The reports of a given physician may, of course, fall within either or both categories. Reports of any medical surveillance test the purpose of which is to detect actual or potential impairment of health or functional capacity and autopsy reports fall within §18.803(28).

Section 18.803(28) is derived from Rule 1613(b)(1) of the California Rules of Court. A summary of litigation experience of the expert is required to assist the evaluation of credibility.

Section 18.803(29) is derived from Rule 1613(b)(2) of the California Rules of Court.

Section 18.803(30) is derived from Rule 1613(b)(3) of the California Rules of Court.

Sections 18.803(26)–18.803(30) each provide that the adverse party may call the declarant of the hearsay statement, if available, as a witness and examine the witness as if under cross-examination. The proviso relating to the calling of witnesses is derived from Rule 1305(b) of the Pennsylvania Rules of Court Procedure Governing Compulsory Arbitration. See also §§18.902(12)–18.902(16) *infra*.

These rules take no position with respect to which party must initially bear the cost of lay witness and expert witness fees nor as to the ultimate disposition of such fees. Ordinarily, however, it is anticipated that the adverse party calling the witness should initially pay statutory witness fees, mileage, etc., and reasonable compensation to an expert witness in whatever sum and at such time as the judge may allow. Such witness fees, mileage, etc., and reasonable expert witness compensation should thereafter be charged to the same extent and in like manner as other such costs.

REPORTER'S NOTE TO §18.902

Section 18.902(11) is modeled upon Uniform Rule of Evidence 902(11). The requirement of a final certification with respect to a foreign record has been deleted as unnecessary in accordance with the position adopted in 18 U.S.C. 3505 which governs the self-authentication of a foreign record offered in a federal criminal proceeding. The "Comment" to Uniform Rule of Evidence 902(11) states:

Subsection 11 is new and embodies a revised version of the recently enacted federal statute dealing with foreign records of regularly conducted activity, 18 U.S.C. 3505. Under the federal statute, authentication by certification is limited to foreign business

records and to use in criminal proceedings. This subsection broadens the federal provision so that it includes domestic as well as foreign records and is applicable in civil as well as criminal cases. Domestic records are presumably no less trustworthy and the certification of such records can more easily be challenged if the opponent of the evidence chooses to do so. As to the federal statute's limitation to criminal matters, ordinarily the rules are more strictly applied in such cases, and the rationale of trustworthiness is equally applicable in civil matters. Moreover, the absence of confrontation concerns in civil actions militates in favor of extending the rule to the civil side as well.

The rule requires that the certified record be made available for inspection by the adverse party sufficiently in advance of the offer to permit the opponent a fair opportunity to challenge it. A fair opportunity to challenge the offer may require that the proponent furnish the opponent with a copy of the record in advance of its introduction and that the opponent have an opportunity to examine, not only the record offered, but any other records or documents from which the offered record was procured or to which the offered record relates. That is a matter not addressed by the rule but left to the discretion of the trial judge.

Sections 18.902 (12) and (13) are derived from Rule 4 (e) and (f) of the Arizona Uniform Rules of Procedure for Arbitration. Section 18.902(12)(f) is derived from Illinois Supreme Court Rule 90(c)(4).

Section 18.902(14) is derived from Rule 1613(b)(1) of the California Rules of Court. A summary of litigation experience of the expert is required to assist the evaluation of credibility.

With respect to §§18.902(13) and 18.902(14) as applied to a treating or examining physician, see Reporter's Note to §§18.803(27) and 18.803(28) *supra*.

Section 18.902(15) is derived from Rule 1613(b)(2) of the California Rules of Court.

Section 18.902(16) is derived from Rule 1613(b)(3) of the California Rules of Court.

Sections 18.902 (12)–(16) each provide that the adverse party may call the declarant of the hearsay statement, if available, as a witness and examine the witness as if under cross-examination. The proviso relating to the calling of witnesses is derived from Rule 1305(b) of the Pennsylvania Rules of Civil Procedure Governing Compulsory Arbitration.

These rules take no position with respect to which party must initially bear the cost of lay witness and expert witness fees nor as to the ultimate disposition of such fees. Ordinarily, however, it is anticipated that the adverse party calling the witness should initially pay statutory witness fees, mileage, etc., and reasonable compensation to an expert witness in whatever sum and at such

time as the judge may allow. Such witness fees, mileage, etc., and reasonable expert witness compensation should thereafter be charged to the same extent and in like manner as other such costs. See also §§ 18.803 (25)–(30) *supra*.

REPORTER'S NOTE TO § 18.1001

Section 18.1001(3) excludes prints made from X-ray film from the definition of an original. A print made from X-ray film is not felt to be equivalent to the X-ray film itself when employed for purposes of medical treatment or diagnosis.

REPORTER'S NOTE TO § 18.1101

Section 23(a) of the Longshore and Harbor Workers' Compensation Act, 33 U.S.C. 922, provides as follows:

In making an investigation or inquiry or conducting a hearing the deputy commissioner or Board shall not be bound by common law or statutory rules of evidence or by technical or formal rules of procedure, except as provided by this chapter; but may make such investigation or inquiry or conduct such hearing in such manner as to best ascertain the rights of the parties. Declarations of a deceased employee concerning the injury in respect of which the investigation or inquiry is being made or the hearing conducted shall be received in evidence and shall, if corroborated by other evidence, be sufficient to establish the injury.

Other acts such as the Defense Base Act, 42 U.S.C. 1651, adopt section 23(a) of the Longshore and Harbor Workers' Compensation Act by reference. In addition 20 CFR 725.455(b) provides as follows with respect to the Black Lung Benefits Act, 30 U.S.C. 901:

Evidence. The administrative law judge shall at the hearing inquire fully into all matters at issue, and shall not be bound by common law or statutory rules of evidence, or by technical or formal rules of procedure, except as provided by 5 U.S.C. 554 and this subpart. The administrative law judge shall receive into evidence the testimony of the witnesses and parties, the evidence submitted to the Office of Administrative Law Judges by the deputy commissioner under § 725.421, and such additional evidence as may be submitted in accordance with the provisions of this subpart. The administrative law judge may entertain the objections of any party to the evidence submitted under this section.

Section 18.1101(c) provides that these rules do not apply to the extent inconsistent with, in conflict with, or to the extent a matter is otherwise specifically provided for by an Act of Congress or by a rule or regulation of specific application prescribed by the United States Department of Labor pursuant to statutory authority. Whether section 23(a) and § 725.455(b) are in fact incompatible with

these rules, while unlikely for various reasons including their lack of specificity, is nevertheless arguable.

Without regard to section 23(a) and § 725.455(b), various other considerations support the conclusion to exclude hearings under Longshore, Black Lung, and related acts from coverage of these rules at this time. Longshore, Black Lung, and related acts involve entitlements. Claimants in such hearings benefit from proceeding pursuant to the most liberal evidence rules that are consistent with the orderly administration of justice and the ascertainment of truth. Claimants in such hearings on occasion appear *pro se*. While the modifications made by these rules are clearly designed to further liberalize the already liberal Federal Rules of Evidence, it is nevertheless unclear at this time whether even conformity with minimal requirements with respect to the introduction of evidence would present a significant barrier to the successful prosecution of meritorious claims. Rather than speculate as to the impact adoption of these rules would have upon such entitlement programs, it was decided to exclude hearings involving such entitlement programs from coverage of these rules. It is anticipated that application of these rules to hearings involving such entitlement programs will be reconsidered in the future following careful study. Notice that the inapplicability of these rules in such hearings at this time is specifically stated in § 18.1101(b)(2) to be without prejudice to the continuation of current practice with respect to application of rules of evidence in such hearings.

Subpart A—Disclosure of Information to Credit Reporting Agencies

§ 20.1 Purpose and scope.

The regulations in this subpart establish procedures to implement section 3 of the Debt Collection Act of 1982 (Pub. L. 97-365), 31 U.S.C. 3711(f). This statute, and other applicable authority, authorizes Department heads to disclose to credit reporting agencies information concerning claims owed the United States under programs administered by the Department head. This disclosure is limited to certain information and must be in accordance with procedures set forth in the Debt Collection Act and other applicable laws. This subpart specifies the agency procedures and debtor rights that will be followed in making a disclosure to a credit reporting agency.

§ 20.2 Definitions.

For purposes of this subpart—

(a) The term *commercial debt* means any non-tax business debt in excess of \$100, arising from loans, loan guarantees, overpayments, fines, penalties or other causes.

(b) The term *consumer debt* means any non-tax debt of an individual in excess of \$100, arising from loans—loan guarantees, overpayments, fines, penalties, or other causes.

(c) A debt is considered delinquent if it has not been paid by the date specified in the agency's initial demand letter (§ 20.4), unless satisfactory payment arrangements have been made by that date, or if, at any time thereafter, the debtor fails to satisfy his obligations

29 CFR Subtitle A (7-1-21 Edition)

under a payment agreement with the Department of Labor, or any agency thereof.

(d) The term *claim* and *debt* are deemed synonymous and interchangeable. They refer to an amount of money or property which has been determined by an appropriate agency official to be owed to the United States from any person, organization, or entity, except another federal agency.

§ 20.3 Agency responsibilities.

(a) As authorized by law, each Department of Labor agency may report all delinquent consumer debts to consumer credit reporting agencies and may also report all commercial debts to appropriate commercial credit reporting agencies.

(b) Information provided to a consumer credit reporting agency on delinquent consumer debts from a system of records subject to the Privacy Act of 1974, 5 U.S.C. 552a, must be maintained by the Department of Labor in accordance with that Act, except as otherwise modified by law. Furthermore, no disclosure may be made until the appropriate notice of system of records has been amended in accordance with 5 U.S.C. 552a(e)(11).

(c) The Chief Financial Officer, or his or her designee, shall have the responsibility for obtaining satisfactory assurances from each credit reporting agency to which information will be provided, concerning compliance by the credit reporting agency with the Fair Credit Reporting Act (15 U.S.C. 1681 *et seq.*) and any other Federal law governing the provision of credit information.

(d) The information disclosed to the credit reporting agency is limited to: (1) The name, address, taxpayer identification number, and other information necessary to establish the identity of the individual, (2) the amount, status, and history of the claim, and (3) the Department of Labor agency or program under which the claim arose.

(e) The agency official providing information to a credit reporting agency: (1) Shall promptly disclose to each credit reporting agency to which the original disclosure was made, any substantial change in the status or

amount of the claim; and (2) shall within 30 days whenever feasible, or otherwise promptly verify or correct, as appropriate, information concerning the claim upon the request of any such credit reporting agency for verification of any or all information so disclosed.

(f) Each Department of Labor agency is responsible for ensuring the continued accuracy of calculations and records relating to its claims, and for the prompt notification to the credit reporting agency of any substantial change in the status or amount of the claim. The agencies shall promptly follow-up on any allegation made by a debtor that the records of the agency concerning a claim are in error. Agencies should respond promptly to communications from the debtor, within 30 days whenever feasible.

(g) The agency official responsible for providing information to a consumer credit reporting agency shall take reasonable action to locate the individual owing the debt prior to disclosing any information to a consumer credit reporting agency.

§ 20.4 Determination of delinquency; notice.

(a) The agency head (or designee) responsible for carrying out the provisions of this subpart with respect to the debt shall send to the debtor appropriate written demands for payment in terms which inform the debtor of the consequences of failure to cooperate. In accordance with guidelines established by the Chief Financial Officer, a total of three progressively stronger written demands at not more than 30-day intervals will normally be made unless a response to the first or second demand indicates that a further demand would be futile and the debtor's response does not require rebuttal. In determining the timing of the demand letters, agencies should give due regard to the need to act promptly so that, as a general rule, if necessary to refer the debt to the Department of Justice for litigation, such referral can be made within one year of the final determination of the fact and the amount of the debt. When the agency head (or designee) deems it appropriate to protect the government's interests (for example, to prevent the statute of limitations, 28

U.S.C. 2415, from expiring), written demand may be preceded by other appropriate actions, including immediate referral for litigation.

(b) Prior to disclosing information to a consumer credit reporting agency in accordance with this subpart, the agency head (or designee) responsible for administering the program under which the debt arose shall review the claim and determine that the claim is valid and overdue. In cases where the debt arises under programs of two or more Department of Labor agencies, or in such other instances as the Chief Financial Officer or his or her designee may deem appropriate, the Chief Financial Officer, or his or her designee, may determine which agency, or official, shall have responsibility for carrying out the provisions of this subpart.

(c) In accordance with guidelines established by the Chief Financial Officer, the agency official responsible for disclosure of the debt to a consumer credit reporting agency shall send written notice to the individual debtor informing such debtor:

- (1) Of the basis for the indebtedness;
- (2) That the payment of the claim is overdue;
- (3) That the agency intends to disclose to a consumer credit reporting agency, within not less than sixty days after sending such notice, that the individual is responsible for such claim;
- (4) Of the specific information intended to be disclosed to the credit reporting agency;
- (5) Of the rights of such debtor to a full explanation of the claim, to dispute any information in the records of the agency concerning the claim, and of the name of an agency employee who can provide a full explanation of the claim;
- (6) Of the debtor's right to administrative appeal or review with respect to the claim and how such review shall be obtained; and,
- (7) Of the date on which or after which the information will be reported to the consumer credit reporting agency.

(d) Where the disclosure concerns a commercial debt, the responsible agency head (or designee) shall send written

§ 20.5

notice to the commercial debtor informing such debtor of the information discussed in paragraphs (c)(1), (4), (5), and (6) of this section.

(e) Agencies shall also include in their demand letters the notice provisions to debtors required by other regulations of the Labor Department, pertaining to waiver, assessment of interest, penalties and administrative costs, administrative offset, and salary offset to the extent that such inclusion is appropriate and practicable.

(f) The responsible agency head (or designee) shall exercise due care to insure that demand letters are mailed or hand-delivered on the same day that they are actually dated. If evidence suggests that the debtor is no longer located at the address of record, reasonable action shall be taken to obtain a current address.

(g) To the extent that the requirements under this section have been provided to the debtor in relation to the same debt under some other statutory or regulatory authority, the agency is not required to duplicate such efforts.

[50 FR 5202, Feb. 5, 1985; 50 FR 8608, Mar. 4, 1985]

§ 20.5 Examination of records relating to the claim; opportunity for full explanation of the claim.

Following receipt of the notice specified in § 20.4, the debtor may request to examine and copy the information to be disclosed to the consumer credit reporting agency, in accordance with 5 U.S.C. 552a.

§ 20.6 Opportunity for repayment.

The Department of Labor agency responsible for collecting the claim shall afford the debtor the opportunity to repay the debt or enter into a repayment plan which is agreeable to the head of the agency and is in a written form signed by such debtor. The head of the agency (or designee) may deem a repayment plan to be abrogated if the debtor should, after the repayment plan is signed, fail to comply with the terms of the plan.

§ 20.7 Review of the obligation.

(a) The debtor shall have the opportunity to obtain review by the respon-

29 CFR Subtitle A (7-1-21 Edition)

sible agency of the initial decision concerning the existence or amount of the debt.

(b) The debtor seeking review shall make the request in writing to the reviewing official or employee, not more than 15 days from the date the initial demand letter was received by the debtor. The request for review shall state the basis for challenging the initial determination. If the debtor alleges that specific information to be disclosed to a credit reporting agency is not accurate, timely, relevant or complete, such debtor shall provide information or documentation to support this allegation.

(c) The review shall ordinarily be based on written submissions and documentation by the debtor. However a reasonable opportunity for an oral hearing shall be provided an individual debtor when the responsible agency determines that:

(1) An applicable statute authorizes or requires the agency to consider waiver of the indebtedness involved, the debtor requests waiver of the indebtedness, and the waiver determination turns on an issue of credibility or veracity; or

(2) An individual debtor requests reconsideration of the debt and the agency determines that the question of the indebtedness cannot be resolved by review of the documentary evidence, for example, when the validity of the debt turns on an issue of credibility or veracity; or

(3) In other situations in which the agency deems an oral hearing appropriate. Unless otherwise required by law an oral hearing under this section is not required to be a formal evidentiary-type hearing, although the reviewing official should carefully document all significant matters discussed at the hearing.

(d) Upon receipt of a timely request for review, the agency shall suspend its schedule for disclosure of a delinquent consumer debt to a consumer credit reporting agency until such time as a final decision is made on the request.

(e) Upon completion of the review, the reviewing official shall transmit to the debtor a written notification of the decision. If appropriate, this notification shall inform the debtor of the

scheduled date on or after which information concerning the debt will be provided to credit reporting agencies. The notification shall, also if appropriate, indicate any changes in the information to be disclosed to the extent such information differs from that provided in the initial notification.

(f) Nothing in this subpart shall preclude an agency, upon request of the debtor alleged by the agency to be responsible for a debt, or on its own initiative, from reviewing the obligation of such debtor, including an opportunity for reconsideration of the initial decision concerning the debt, and including the accuracy, timeliness, relevance, and completeness of the information to be disclosed to a credit reporting agency.

(g) To the extent that the requirements under this section have been provided to the debtor in relation to the same debt under some other statutory or regulatory authority, the agency is not required to duplicate such efforts.

(Approved by the Office of Management and Budget under control number 1225-0030)

§ 20.8 Disclosure to credit reporting agencies.

(a) In accordance with guidelines established by the Chief Financial Officer, the responsible Department of Labor agency shall make the disclosure of information on the debtor to the credit reporting agency. Such disclosure to consumer credit reporting agencies shall be made on or after the date specified in the § 20.4 notification to the individual owing the claim, and shall be comprised of the information set forth in the initial determination, or any modification thereof.

(b) This section shall not apply to individual debtors when—

(1) Such debtor has repaid or agreed to repay his or her obligation, and such agreement is still valid, as provided in § 20.6; or

(2) Such debtor has filed for review of the claim under § 20.7(b), and the reviewing official or employee has not issued a decision on the review.

(c) In addition, the agency may determine not to make a disclosure of information to a credit reporting agency when the agency, on its own initiative,

is reviewing and has not concluded such review of its initial determination of the claim under § 20.7(f).

§ 20.9 Waiver of credit reporting.

The agency head (or designee) may waive reporting a commercial debt or delinquent consumer debt to a credit reporting agency, if otherwise appropriate and if reporting the debt would not be in the best interests of the United States.

§ 20.10 Responsibilities of the Chief Financial Officer.

The Chief Financial Officer, or his or her designee, shall provide appropriate and binding, written or other guidance to Department of Labor agencies and officials in carrying out this subpart, including the issuance of guidelines and instructions, which he or she may deem appropriate. The Chief Financial Officer shall also take such administrative steps as may be appropriate to carry out the purposes and ensure the effective implementation of this regulation, including the designation of credit reporting agencies authorized to receive and disseminate information under this subpart.

Subpart B—Administrative Offset

§ 20.19 Purpose and scope.

The regulations in this subpart establish procedures to implement section 10 of the Debt Collection Act of 1982 (Pub. L. 97-365), 31 U.S.C. 3716(d). Among other things, this statute authorizes the head of each agency to collect a claim arising under an agency program by means of administrative offset, except that no claim may be collected by such means if outstanding for more than 10 years after the agency's right to collect the debt first accrued, unless facts material to the Government's right to collect the debt were not known and could not reasonably have been known by the official or officials of the government who were charged with the responsibility to discover and collect such debts. This subpart specifies the agency procedures that will be followed by the Department of Labor for an administrative offset.

§ 20.20

29 CFR Subtitle A (7-1-21 Edition)

§ 20.20 Definitions.

For purposes of this subpart—

(a) The term *administrative offset* means the withholding of money payable by the United States to or held by the United States on behalf of a person to satisfy a debt owned the United States by that person; and

(b) The term *person* does not include any agency of the United States, or any state or local government.

(c) The terms *claim* and *debt* are deemed synonymous and interchangeable. They refer to an amount of money or property which has been determined by an appropriate agency official to be owed to the United States from any person, organization, or entity, except another federal agency.

(d) A debt is considered delinquent if it has not been paid by the date specified in the agency's initial demand letter (§ 20.22), unless satisfactory payment arrangements have been made by that date, or if, at any time thereafter, the debtor fails to satisfy his obligations under a payment agreement with the Department of Labor, or any agency thereof.

§ 20.21 Agency responsibilities.

(a) Each Department of Labor agency which has delinquent debts owed under its program is responsible for collecting its claims by means of administrative offset, in accordance with guidelines established by the Chief Financial Officer.

(b) Before collecting a claim by means of administrative offset, the responsible agency must ensure that administrative offset is feasible, allowable and appropriate, and must notify the debtor of the Department's policies for collecting a claim by means of administrative offset.

(c) Whether collection by administrative offset is feasible is a determination to be made by the creditor agency on a case-by-case basis, in the exercise of sound discretion. Agencies shall consider not only whether administrative offset can be accomplished, both practically and legally, but also whether offset is best suited to further and protect all of the Government's interests. In appropriate circumstances, agencies may give due consideration to the debtor's financial condition, and are

not required to use offset in every instance in which there is an available source of funds. Agencies may also consider whether offset would substantially interfere with or defeat the purposes of the program authorizing the payments against which offset is contemplated.

(d) Before advising the debtor that the delinquent debt will be subject to administrative offset, the agency head (or designee) responsible for administering the program under which the debt arose shall review the claim and determine that the debt is valid and overdue. In the case where a debt arises under the programs of two or more Department of Labor agencies, or in such other instances as the Chief Financial Officer, or his or her designee, may deem appropriate, the Chief Financial Officer, or his or her designee, may determine which agency (or agencies), or official (or officials), shall have responsibility for carrying out the provisions of this subpart.

(e) Administrative offset shall be considered by agencies only after attempting to collect a claim under Section 3(a) of the Federal Claims Collection Act, except that no claim under this Act that has been outstanding for more than 10 years after the Government's right to collect the debt first accrued may be collected by means of administrative offset, unless facts material to the right to collect the debt were not known and could not reasonably have been known by the official of the Agency who was charged with the responsibility to discover and collect such debts. When the debt first accrued should be determined according to existing laws regarding the accrual of debts, such as under 28 U.S.C. 2415.

§ 20.22 Notifications.

(a) The agency head (or designee) responsible for carrying out the provisions of this subpart with respect to the debt shall send appropriate written demands to the debtor in terms which inform the debtor of the consequences of failure to cooperate. In accordance with guidelines established by the Chief Financial Officer, a total of three

progressively stronger written demands at not more than 30-day intervals will normally be made unless a response to the first or second demand indicates that a further demand would be futile and the debtor's response does not require rebuttal. In determining the timing of the demand letters, agencies should give due regard to the need to act promptly so that, as a general rule, if necessary to refer the debt to the Department of Justice for litigation, such referral can be made within one year of the final determination of the fact and the amount of the debt. When the agency head (or designee) deems it appropriate to protect the government's interests (for example, to prevent the statute of limitations, 28 U.S.C. 2415, from expiring), written demand may be preceded by other appropriate actions, including immediate referral for litigation.

(b) In accordance with guidelines established by the Chief Financial Officer, the agency official responsible for collection of the debt shall send written notice to the debtor, informing such debtor as appropriate:

(1) Of the nature and amount of the indebtedness;

(2) That the agency intends to collect, as appropriate, interest, penalties and administrative costs; and, in accordance with guidelines of the Chief Financial Officer, of the applicable standards for collecting such payments;

(3) Of the date by which payment is to be made (which normally should be not more than 30 days from the date that the initial notification was mailed or hand-delivered);

(4) Of the agency's intention to collect by administrative offset and of the debtor's rights in conjunction with such an offset;

(5) Of the debtor's entitlement to waiver, where applicable, and of the debtor's rights in conjunction with waiver;

(6) Of the debtor's opportunity to enter into a written agreement with the agency to repay the debt;

(7) Of the rights of such debtor to a full explanation of the claim, of the opportunity to inspect and copy the agency records with respect to the claim and to dispute any information in the

records of the agency concerning the claim;

(8) Of the debtor's right to administrative appeal or review with respect to the claim and how such review shall be obtained; and

(9) Of the date on which or after which an administrative offset will begin.

(c) Agencies shall also include in their demand letters the notice provisions to debtors required by other regulations of the Labor Department, pertaining to disclosures to credit reporting agencies, salary offset, and assessment of interest, penalties and administrative costs, to the extent inclusion of such is appropriate and practicable.

(d) The responsible agency head (or designee) shall exercise due care to insure that demand letters are mailed or hand-delivered on the same day that they are actually dated. If evidence suggests that the debtor is no longer located at the address of record, reasonable action shall be taken to obtain a current address.

(e) The agency responsible for collecting the claim shall, in the initial demand letter to the debtor, provide the name of an agency employee who can provide a full explanation of the claim.

§ 20.23 Examination of records relating to the claim; opportunity for full explanation of the claim.

Following receipt of the initial demand letter specified in § 20.22, the debtor may request to examine and copy agency records pertaining to the debt.

§ 20.24 Opportunity for repayment.

(a) The Department of Labor agency responsible for collecting the claim shall afford the debtor the opportunity to repay the debt or enter into a repayment plan which is agreeable to the agency head (or designee) and is in a written form signed by such debtor. The head of the agency (or designee) may deem a repayment plan to be abrogated if the debtor should, after the repayment plan is signed, fail to comply with the terms of the plan.

§ 20.25

(b) Agencies have discretion and should exercise sound judgment in determining whether to accept a repayment agreement in lieu of offset. The determination should balance the Government's interest in collecting the debt against fairness to the debtor. If the debt is delinquent and the debtor has not disputed its existence or amount, an agency should effect an offset unless the debtor is able to establish that offset would result in undue financial hardship or would be against equity and good conscience.

§ 20.25 Review of the obligation.

(a) The debtor shall have the opportunity to obtain review by the responsible agency of the determination concerning the existence or amount of the debt.

(b) The debtor seeking review shall make the request in writing to the reviewing official or employee, not more than 15 days from the date the initial demand letter was received by the debtor. The request for review shall state the basis for challenging the determination. If the debtor alleges that the agency's information relating to the debt is not accurate, timely, relevant or complete, such debtor shall provide information or documentation to support this allegation.

(c) The review shall ordinarily be based on written submissions and documentation by the debtor. However a reasonable opportunity for an oral hearing shall be provided an individual debtor when the responsible agency determines that:

(1) An applicable statute authorizes or requires the agency to consider waiver of the indebtedness involved, the debtor requests waiver of the indebtedness, and the waiver determination turns on an issue of credibility or veracity; or

(2) An individual debtor requests reconsideration of the debt and the agency determines that the question of the indebtedness cannot be resolved by review of the documentary evidence, for example, when the validity of the debt turns on an issue of credibility or veracity; or

(3) In other situations in which the agency deems an oral hearing appropriate. Unless otherwise required by

29 CFR Subtitle A (7-1-21 Edition)

law, an oral hearing under this section is not required to be a formal evidentiary-type hearing, although the reviewing official should carefully document all significant matters discussed at the hearing.

(d) Agencies may effect an administrative offset against a payment to be made to a debtor prior to the completion of the due process procedures required by this subpart, if failure to take the offset would substantially prejudice the agency's ability to collect the debt; for example, if the time before the payment is to be made would not reasonably permit the completion of due process procedures. Offset prior to completion of due process procedures must be promptly followed by the completion of those procedures. Amounts recovered by offset but later found not owed to the agency should be promptly refunded.

(e) Upon completion of the review, the reviewing official shall transmit to the debtor a written notification of the decision. If appropriate, this notification shall inform the debtor of the scheduled date on or after which administrative offset will begin. The notification shall also, if appropriate, indicate any changes in the information to the extent such information differs from that provided in the initial notification under § 20.22.

(f) Nothing in this subpart shall preclude an agency, upon request of the debtor alleged by the agency to be responsible for a debt, or on its own initiative, from reviewing the obligation of such debtor, including an opportunity for reconsideration of the determination concerning the debt, and including the accuracy, timeliness, relevance, and completeness of the information on which the debt is based.

(Approved by the Office of Management and Budget under control number 1225-0030)

§ 20.26 Request for waiver or administrative review.

(a) If the statute under which waiver or administrative review is sought is *mandatory*, that is, if it prohibits the agency from collecting the debt prior to the agency's consideration of the request for waiver or review (see *Califano v. Yamasaki*, 442 U.S. 682 (1979)), then

collection action must be suspended until either

(1) The agency has considered the request for waiver/review, or

(2) The applicable time limit for making the waiver/review request, as prescribed in the agency's regulations, has expired and the debtor, upon proper notice, has not made such a request.

(b) If the applicable waiver/review statute is *permissive*, that is, if it does not require all requests for waiver/review to be considered, and if it does not prohibit collection action pending consideration of a waiver/review request (for example, 5 U.S.C. 5584), collection action may be suspended pending agency action on a waiver/review request based upon appropriate consideration, on a case-by-case basis, as to whether:

(1) There is a reasonable possibility that waiver will be granted, or that the debt (in whole or in part) will be found not owing from the debtor;

(2) The Government's interests would be protected, if suspension were granted, by reasonable assurance that the debt could be recovered if the debtor does not prevail; and

(3) Collection of the debt will cause undue hardship.

(c) If the applicable statutes and regulations would not authorize refund by the agency to the debtor of amounts collected prior to agency consideration of the debtor's waiver/review request in the event the agency acts favorably on it, collection action should ordinarily be suspended, without regard to the factors specified in paragraph (b) of this section, unless it appears clear, based on the request and the surrounding circumstances, that the request is frivolous and was made primarily to delay collection.

§ 20.27 Cooperation with other DOL agencies and Federal agencies.

(a) Appropriate use should be made of the cooperative efforts of other DOL agencies and Federal agencies in effecting collection by administrative offset. Generally, agencies should comply with requests from other agencies to initiate administrative offset to collect debts owed to the United States, unless the requesting agency has not complied with the applicable regulations or the request would otherwise be contrary to

law or the best interests of the United States.

(b) Unless otherwise prohibited by law, a DOL agency may request that monies due and payable to a debtor by another DOL agency or a Federal agency outside the Department be administratively offset in order to collect debts owed the creditor DOL agency by the debtor. In requesting an administrative offset, the creditor DOL agency must provide the DOL agency or other Federal agency holding funds of the debtor with written certification stating

(1) That the debtor owes the creditor agency a debt (including the amount of debt); and

(2) That the creditor agency has complied with the applicable Federal Claims Collection Standards, including any hearing or review.

§ 20.28 DOL agency as organization holding funds of the debtor.

(a) Whenever a DOL agency is holding funds of a debtor from which administrative offset is sought by another DOL agency or other Federal agency, the DOL agency holding funds should not initiate the requested offset until it has been provided by the creditor organization with an appropriate written certification that the debtor owes a debt (including the amount) and that applicable provisions of the Federal Claims Collection Standards have been fully complied with.

(b) Moreover, the DOL agency holding funds of the debtor should determine whether collection by offset would be in the best interests of the United States; for example, if the debtor is a contractor for the DOL agency holding funds, whether administrative offset would impair the contractor's ability to perform under the terms of the contract. The creditor organization should be notified promptly of the termination.

§ 20.29 Notice of offset.

Prior to effecting an administrative offset, the agency holding funds of a debtor should advise the debtor of the impending offset. This notice should state that the debtor has been provided his/her rights under the Federal Claims

§ 20.30

Collection Standards, that a determination has been made that collection by administrative offset would be in the best interests of the United States, the amount of the offset, and the source of funds from which the offset will be made.

§ 20.30 Multiple debts.

When collecting multiple debts by administrative offset, agencies should apply the recovered amounts to those debts, in accordance with the best interests of the United States, as determined by the facts and circumstances of the particular case, paying special attention to applicable statutes of limitations.

§ 20.31 Administrative offset against amounts payable from Civil Service Retirement and Disability fund.

(a) Unless otherwise prohibited by law, agencies may request that moneys which are due and payable to a debtor from the Civil Service Retirement and Disability Fund be administratively offset in reasonable amounts in order to collect debts owed to the United States by the debtor. Such requests shall be made to the appropriate officials of the Office of Personnel Management in accordance with such regulations as may be prescribed by the Director of that Office.

(b) When making a request for administrative offset under paragraph (a) of this section, an agency shall include a written certification that:

(1) The debtor owes the United States a debt, including the amount of the debt;

(2) The requesting agency has complied with all applicable statutes, regulations, and procedures of the Office of Personnel Management; and

(3) The requesting agency has complied with the requirements of the applicable provisions of the Federal Claims Collection Standards, including any required hearing or review.

(c) Once an agency decides to request administrative offset under paragraph (a) of this section, it should make the request as soon as practical after completion of the applicable due process procedures in order that the Office of Personnel Management may identify and “flag” the debtor’s account in an-

29 CFR Subtitle A (7-1-21 Edition)

icipation of the time when the debtor becomes eligible and requests to receive payments from the Fund. This will satisfy any requirement that offset be initiated prior to expiration of the applicable statute of limitations. At such time as the debtor makes a claim for payments from the Fund, if at least a year has elapsed since the offset request was originally made, the debtor should be permitted to offer a satisfactory repayment plan in lieu of offset upon establishing that changed financial circumstances would render the offset unjust.

(d) In accordance with procedures established by the Office of Personnel Management, agencies may request an offset from the Civil Service Retirement and Disability Fund prior to completion of due process procedures.

(e) If the requesting agency collects part or all of the debt by other means before deductions are made or completed pursuant to paragraph (a) of this section, the agency shall act promptly to modify or terminate its request for offset under paragraph (a).

§ 20.32 Liquidation of collateral.

An agency holding security or collateral which may be liquidated and the proceeds applied on debts due it through the exercise of a power of sale in the security instrument or a non-judicial foreclosure should do so by such procedures if the debtor fails to pay the debt within a reasonable time after demand, unless the cost of disposing of the collateral will be disproportionate to its value or special circumstances require judicial foreclosure. The agency should provide the debtor with reasonable notice of the sale, an accounting of any surplus proceeds, and any other procedures required by contract or law. Collection from other sources, including liquidation of security or collateral, is not a prerequisite to requiring payment by a surety or insurance concern unless such action is expressly required by statute or contract.

§ 20.33 Collection in installments.

(a) Whenever feasible, and except as otherwise provided by law, debts owed to the United States, together with interest, penalties, and administrative

costs should be collected in full in one lump sum. This is true whether the debt is being collected by administrative offset or by another method, including voluntary payment. However, if the debtor is financially unable to pay the indebtedness in one lump sum, payment may be accepted in regular installments. Agencies should obtain and may require financial statements from debtors who represent that they are unable to pay the debt in one lump sum. Agencies which agree to accept payment in regular installments should obtain a legally enforceable written agreement from the debtor which specifies all of the terms of the arrangement and which contains a provision accelerating the debt in the event the debtor defaults. The size and frequency of installment payments should bear a reasonable relation to the size of the debt and the debtor's ability to pay. If possible, the installment payments should be sufficient in size and frequency to liquidate the Government's claim in not more than 3 years. Installment payment of less than \$50 per month should be accepted only if justifiable on the grounds of financial hardship or for some other reasonable cause. An agency holding an unsecured claim for administrative collection should attempt to obtain an executed confess-judgment note, comparable to the Department of Justice Form USA-70a, from a debtor when the total amount of the deferred installments will exceed \$750. Such notes may be sought when an unsecured obligation of a lesser amount is involved. When attempting to obtain confess-judgment notes, agencies should provide their debtors with written explanation of the consequences of signing the note, and should maintain documentation sufficient to demonstrate that the debtor has signed the note knowingly and voluntarily. Security for deferred payments other than a confess-judgment note may be accepted in appropriate cases. An agency may accept installment payments notwithstanding the refusal of a debtor to execute a confess-judgment note or to give other security, at the agency's option.

(b) If the debtor owes more than one debt and designates how a voluntary installment payment is to be applied as

among those debts, that designation must be followed. If the debtor does not designate the application of the payment, agencies should apply payments to the various debts in accordance with the best interests of the United States, as determined by the facts and circumstances of the particular case, paying special attention to applicable statutes of limitations.

§ 20.34 Exclusions.

(a) Agencies are not authorized by section 10 of the Debt Collection Act of 1982 (31 U.S.C. 3716) to use administrative offset with respect to: (1) Debts owed by any State or local Government; (2) debts arising under or payments made under the Social Security Act, the Internal Revenue Code of 1954, or the tariff laws of the United States; or (3) any case in which collection of the type of debt involved by administrative offset is explicitly provided for or prohibited by another statute. However, unless otherwise provided by contract or law, debts or payments which are not subject to administrative offset under 31 U.S.C. 3716 may be collected by administrative offset under the common law or other applicable statutory authority, pursuant to this paragraph or agency regulations established pursuant to such other statutory authority.

(b) This section should not be construed as prohibiting use of these authorities or requirements when collecting debts owed by persons employed by agencies administering the laws cited in the preceding paragraph unless the debt "arose under" those laws.

(c) Collection by offset against a judgment obtained by a debtor against the United States shall be accomplished in accordance with 31 U.S.C. 3728.

§ 20.35 Additional administrative collection action.

Nothing contained in this subpart is intended to preclude the utilization of any other administrative remedy which may be available.

§ 20.36

§ 20.36 Prior provision of rights with respect to debt.

To the extent that the rights of the debtor in relation to the same debt have been previously provided under some other statutory or regulatory authority, the agency is not required to duplicate those efforts before taking administrative offset.

§ 20.37 Responsibilities of the Chief Financial Officer.

The Chief Financial Officer, or his or her designee, shall provide appropriate and binding written or other guidance to Department of Labor agencies and officials in carrying out this subpart, including the issuance of guidelines and instructions, which he or she may deem appropriate. The Chief Financial Officer shall also take such administrative steps as may be appropriate to carry out the purposes and ensure the effective implementation of this regulation.

Subpart C—Interest, Penalties and Administrative Costs

§ 20.50 Purpose and scope.

The regulations in this subpart establish the policies and procedures to implement section 11 of the Debt Collection Act of 1982 (Pub. L. 97-365), 31 U.S.C. 3717. Among other things, this statute authorizes the head of each agency to assess interest, penalties and administrative costs against debtors with respect to delinquent debts arising under the agency's program. This subpart establishes the standards and procedures that will be followed by the Department of Labor in assessing such charges.

§ 20.51 Exemptions.

(a) The provisions of 31 U.S.C. 3717 do not apply:

(1) To debts owed by any State or local government;

(2) To debts arising under contracts which were executed prior to, and were in effect on (i.e., were not completed as of), October 25, 1982;

(3) To debts where an applicable statute, regulation required by statute, loan agreement, or contract either prohibits such charges or explicitly fixes

29 CFR Subtitle A (7-1-21 Edition)

the charges that apply to the debts involved; or

(4) To debts arising under the Social Security Act, the Internal Revenue Code of 1954, or the tariff laws of the United States.

(b) Agencies are authorized to assess interest and related charges on debts which are not subject to 31 U.S.C. 3717 to the extent authorized under the common law or other applicable statutory authority.

§ 20.52 Definitions.

For purposes of this subpart—

(a) The terms *claim* and *debt* are deemed synonymous and interchangeable. They refer to an amount of money or property which has been determined by an appropriate agency official to be owed to the United States from any person, organization or entity, except another federal agency.

(b) A debt is considered delinquent if it has not been paid by the date specified in the agency's initial demand letter (§20.54), unless satisfactory payment arrangements have been made by that date, or if, at any time thereafter, the debtor fails to satisfy his obligations under payment agreement with the Department of Labor, or any agency thereof.

§ 20.53 Agency responsibilities.

(a) The Department of Labor agency responsible for administering the program under which a delinquent debt arose shall assess interest and related charges on the debt, in accordance with guidelines established by the Chief Financial Officer. In the case where a debt arises under the program of two or more Department of Labor agencies, or in such other instances as the Chief Financial Officer, or his or her designee, may deem appropriate, the Chief Financial Officer, or his or her designee, may determine which agency, or official, shall have responsibility for carrying out the provisions of this subpart.

(b) Before assessing any charges on a delinquent debt, the responsible agency must notify the debtor of the Department's policies for assessing interest, penalties and administrative costs and must ensure that the debt is overdue

for the respective periods specified in these regulations.

(c) Each Department of Labor agency is responsible for ensuring the continued accuracy of calculations and records relating to its assessment of charges, and for the prompt notification of the debtor of any substantial change in the status or amount of the claim. As appropriate, the Agencies should promptly follow up on any allegation made by a debtor that principal or charges is in error. Agencies should respond promptly to communication from the debtor, within 30 days whenever feasible.

§ 20.54 Notification of charges.

The agency head (or designee) responsible for carrying out the provisions of this subpart shall mail or hand-deliver an initial demand for payment to the debtor. In the initial demand, the debtor shall be notified that interest on the debt will start to accrue from the date on which the notice is mailed or hand-delivered, but that payment of interest will be waived if the debt is paid by the due date, or within 30 days of the date of notice, if no due date is specified. The initial demand shall also state that administrative costs of recovering the delinquent debt will be assessed if payment is not received by the due date.

§ 20.55 Second and subsequent notifications.

(a) In accordance with guidelines established by the Chief Financial Officer, the responsible agency head (or designee) shall send progressively stronger second and subsequent demands for payment, if payment or other appropriate response is not received within the time specified by the initial demand. Unless a response to the first or second demand indicates that a further demand would be futile or the debtor's response does not require rebuttal, the second and subsequent demands shall generally be made at 30-day intervals from the first, and shall state that a 6 percent per annum penalty will be assessed after the debt has been delinquent 90 days, accruing from the date it became delinquent. An agency head (or designee), however, in his or her sole discretion can send sec-

ond and subsequent demands at shorter intervals. The second and subsequent demands shall identify the amount of interest then accrued on the debt, as well as administrative costs thus far assessed. In determining the timing of the demand letters, agencies should give due regard to the need to act promptly so that, if necessary, the debt may be referred in a timely manner to the Department of Justice for litigation. When the agency head (or designee) deems it appropriate to protect the government's interests (for example, to prevent the statute of limitations 28 U.S.C. 2415, from expiring), written demand may be preceded by other appropriate actions, including immediate referral for litigation.

(b) Agencies shall also include in their demand letters the notice provisions to debtors required by other regulations of the Labor Department, pertaining to waiver of the indebtedness, administrative offset, salary offset and disclosure of information to credit reporting agencies, to the extent that such inclusion is appropriate and practicable.

[50 FR 5202, Feb. 6, 1985, as amended at 85 FR 83817, Dec. 23, 2020]

§ 20.56 Delivery of notices.

The responsible agency head (or designee) shall exercise due care to ensure that demand letters are dated and mailed or hand-delivered on the same day that they are actually dated. If evidence suggests that the debtor is no longer located at the address of record, reasonable action shall be taken to obtain a current address.

§ 20.57 Accrual of interest.

Interest shall accrue from the date on which notice of the debt and the interest requirements is first mailed or hand-delivered to the debtor, using the most current address that is available to the agency.

§ 20.58 Rate of interest.

(a) The rate of interest assessed shall be the rate of the current value of funds to the United States Treasury as published in the FEDERAL REGISTER (as of the date the notice is sent), unless another rate is specified by statute, regulations or preexisting contract

§ 20.59

condition. The Office of the Chief Financial Officer will notify agencies promptly of the current Treasury rate. The responsible agency may assess a higher rate of interest if it reasonably determines that a higher rate is necessary to protect the interests of the United States, and such rate is agreed to by the Chief Financial Officer (or his designee). The rate of interest prescribed in section 6621 of the Internal Revenue Code shall be sought for backwages recovered in litigation by the Department.

(b) The rate of interest as initially assessed shall remain fixed for the duration of the indebtedness, except that where a debtor has defaulted on a repayment agreement and seeks to enter into a new agreement, the agency may set a new interest rate which reflects the current value of funds to the Treasury at the time the new agreement is executed.

(c) Interest shall not be assessed on interest, penalties or administrative costs required by this subpart. However, if the debtor defaults on a previous repayment agreement, charges which accrued but were not collected under the defaulted agreement shall be added to the principal to be paid under a new repayment agreement.

§ 20.59 Assessment of administrative costs.

(a) The Department of Labor agency responsible for collecting the claim shall assess against debtors charges to cover administrative costs incurred as a result of the delinquent debt; that is, the additional costs incurred in processing and handling the debt because it became delinquent. Calculation of administrative costs shall be based on cost analyses establishing an average of actual additional costs incurred by the agency in processing and handling claims against other debtors in similar stages of delinquency.

(b) In addition to assessing the costs listed in the administrative cost fee schedule, the responsible agency may include the costs incurred in obtaining a credit report or in using a private debt collector, to the extent they are attributable to delinquency.

(c) The Chief Financial Officer shall issue each year a schedule providing

29 CFR Subtitle A (7-1-21 Edition)

the costs associated with various common activities required to collect delinquent debts.

§ 20.60 Application of partial payments to amounts owed.

When a debt is paid in partial or installment payments, amounts received by the responsible agency should be applied first to outstanding penalty and administrative cost charges, second to accrued interest, and third to outstanding principal.

§ 20.61 Waiver.

(a) The Department of Labor agency responsible for collecting the claim shall waive the collection of interest on the debt or any portion of the debt which is paid within 30 days after the date on which interest began to accrue. This 30-day period may be extended for another 30 days on a case-by-case basis, if the agency reasonably determines that such action is appropriate, and is in accordance with these regulations. Also, the responsible agency may waive charges assessed under this subpart, based on criteria specified in the Federal Claims Collection Standards relating to the compromise of claims (without regard to the amount of the debt), or if the agency determines that collection of these charges would be against equity and good conscience or not be in the best interests of the United States. Waiver under the first sentence of this paragraph is mandatory. Under the second and third sentences waiver is permissive and may be exercised only in accordance with the standards set by these regulations.

(b) Agencies may waive interest and other charges under appropriate circumstances, including, for example:

(1) Pending consideration of a request for reconsideration, administrative review, or waiver under a permissive statute,

(2) If the agency has accepted an installment plan, there is no fault or lack of good faith on the part of the debtor, and the amount of interest is large enough in relation to the size of the debt and the amount of the installments that the debtor can reasonably afford to pay so that the debt can never be repaid, or

(3) If repayment of the full amount of the debt is made after the date upon which interest and other charges became payable and the estimated costs of recovering the residual interest balance exceed the amount owed the Agency.

(c) Where a mandatory waiver or review statute applies, interest and related charges may not be assessed for those periods during which collection action must be suspended.

§ 20.62 Responsibilities of the Chief Financial Officer.

The Chief Financial Officer, or his or her designee, shall provide appropriate and binding written or other guidance to Department of Labor agencies and officials in carrying out this subpart, including the issuance of guidelines and instructions, which he or she may deem appropriate. The Chief Financial Officer shall also take such administrative steps as may be appropriate to carry out the purposes and ensure the effective implementation of this regulation.

Subpart D—Salary Offset

SOURCE: 52 FR 3772, Feb. 5, 1987, unless otherwise noted.

§ 20.74 Purpose.

(a) The regulations in this subpart establish procedures to implement section 5 of the Debt Collection Act of 1982 (Pub. L. 97-365), 5 U.S.C. 5514. This statute authorizes the head of each agency to deduct from the current pay account of an employee (*salary offset*) when the employee owes money to the United States. This subpart specifies the agency procedures that will be available in a *salary offset* by the Department of Labor of an employee's current pay account.

(b) Administrative offset is defined in 31 U.S.C. 3701(a)(1) as "withholding money payable by the United States Government, to or held by the Government for a person to satisfy a debt the person owes the Government."

A salary offset is a form of administrative offset and is separately authorized and governed by 5 U.S.C. 5514. This authority is consistent with and supple-

mented by administrative offset regulations of subpart B of 29 CFR part 20.

§ 20.75 Scope.

(a) This subpart applies to debts owed to the United States (arising under Labor Department programs) by Labor Department employees, debts owed to the United States (arising under Labor Department programs) by employees of other Federal agencies, and debts owed to the United States (arising under programs of other Federal agencies) by Labor Department employees. *Other agency* means:

(1) An executive agency as defined in section 105 of title 5 U.S.C. (but not including the Labor Department), including the U.S. Postal Service and the U.S. Postal Rate Commission;

(2) A military Department as defined in section 102 of title U.S.C.;

(3) An agency or court in the judicial branch, including a court as defined in section 610 of title 28 U.S.C., the District Court for the Northern Mariana Islands, and the Judicial Panel on Multidistrict Litigation;

(4) An agency of the legislative branch, including the U.S. Senate and the U.S. House of Representatives; and

(5) Other independent establishments that are entities of the Federal Government.

(b) The procedures contained in this subpart do not apply to debts or claims arising under the Internal Revenue Code of 1954 as amended (26 U.S.C. 1 *et seq*), the Social Security Act (42 U.S.C. 301 *et seq*), or the tariff laws of the United States; or to any case where collection of a debt by salary offset is explicitly provided for or prohibited by another statute (e.g.) travel advances in 5 U.S.C. 5705 and employee training expenses in 5 U.S.C. 4108.

(c) This subpart does not preclude an employee from requesting waiver of a salary overpayment under 5 U.S.C. 5584, 10 U.S.C. 2774, or 32 U.S.C. 716, or in any way questioning the amount or validity of a debt by submitting a subsequent claim to the Government Accountability Office in accordance with procedures prescribed by the Government Accountability Office. Similarly, in the case of other types of debts, this subpart does not preclude an employee from requesting waiver, if waiver is

§ 20.76

available under any statutory provisions pertaining to the particular debt being collected.

[52 FR 3772, Feb. 5, 1987, as amended at 72 FR 37098, July 9, 2007]

§ 20.76 Definitions.

(a) *Disposable pay* means that part of current basic pay, special pay, incentive pay, retired pay, retainer pay, or in the case of an employee not entitled to basic pay, other authorized pay remaining after the deduction of any amount required by law to be withheld. Agencies must exclude deductions described in 5 CFR 581.105 paragraphs (b) through (f) to determine disposal pay subject to salary offset.

(b) As used in this subpart, the terms *claim* and *debt* are deemed synonymous and interchangeable. A *debt* means an amount owed to the United States from sources which include loans insured or guaranteed by the United States and all other amounts due the United States from fees, leases, rents, royalties, services, sales of real or personal property, overpayments, penalties, damages, interest, fines and forfeitures (except those arising under the Uniform Code of Military Justice), and all other similar sources.

(c) *Employee* means a current employee of an agency, including a current member of the Armed Forces or a Reserve of the Armed Forces (Reserves).

(d) *Paying agency* means the agency employing the individual and authorizing the payment of his or her current account.

(e) *Credit agency* means the agency to which the debt is owed.

(f) *Salary offset* means an administrative offset to collect a debt under 5 U.S.C. 5514 by deduction(s) at one or more officially established pay intervals from the current pay account of an employee without his or her consent.

(g) *FCCS* means the Federal Claims Collection Standards jointly published by the Justice Department and the Government Accountability Office at 4 CFR 101.1 *et seq.*

(h) *Waiver* means the cancellation, remission, forgiveness, or non-recovery of a debt allegedly owed by an employee to an agency as permitted or re-

quired by 5 U.S.C. 5584, 10 U.S.C. 2774, or 32 U.S.C. 716, 5 U.S.C. 8346(b), or any other law.

[52 FR 3772, Feb. 5, 1987, as amended at 72 FR 37098, July 9, 2007]

§ 20.77 Agency responsibilities.

(a) Each Department of Labor agency which has delinquent debts owed under its program and administrative activities is responsible for collecting its claims by means of salary offset, in accordance with guidelines established by the Chief Financial Officer.

(b) Before collecting a claim by means of salary offset, the responsible agency should be satisfied that salary offset is feasible, allowable and appropriate, and, as otherwise provided in these regulations, must notify the debtor of the Department's policies for collecting a claim by means of salary offset.

(c) Whether collection by salary offset is feasible is a determination to be made by the creditor agency on a case-by-case basis, in the exercise of sound discretion. Agencies shall consider not only whether salary offset can be accomplished, both practically and legally, but also whether offset is best suited to further and protect all of the Government's interests. In appropriate circumstances, agencies may give due consideration to the debtor's financial condition, and are not required to use offset of the full or partial amount of the claim in every instance in which there is an available source of funds.

(d) Before advising the debtor that the delinquent debt will be subject to salary offset, the agency head (or designee) responsible for administering the program under which the debt arose shall review the claim and determine that the debt is valid and overdue. In the case where a debt arises under the programs of two or more Department of Labor agencies, or in such other instances as the Chief Financial Officer, or his or her designee, may deem appropriate, the Chief Financial Officer, or his or her designee, may determine which agency (or agencies), or official (or officials), shall have responsibility for carrying out the provisions of this subpart.

(e) Agencies may not initiate offset to collect a debt more than 10 years

after the Government's right to collect the debt first accrued, unless facts material to the right to collect the debt were not known and could not reasonably have been known by the official of the Agency who was charged with the responsibility to discover and collect such debts. When the debt first accrued should be determined according to existing laws regarding the accrual of debts, such as under 28 U.S.C. 2415.

§ 20.78 Notifications.

(a) The agency head (or designee) of the creditor Labor Department agency shall send appropriate written demands to the debtor in terms which inform the debtor of the consequences of failure to repay claims. In accordance with guidelines as may be established by the Chief Financial Officer, a total of three progressively stronger written demands at not more than 30-day intervals will normally be made unless a response to the first or second demand indicates that a further demand would be futile and the debtor's response does not require rebuttal. In determining the timing of the demand letters, agencies should give due regard to the need to act promptly so that a debt to be collected by salary offset will be recovered during the employee's anticipated period of employment with the Government.

(b) In accordance with guidelines as may be established by the Chief Financial Officer, the creditor Labor Department agency shall send (at least 30 days prior to any deduction) written notice to the debtor, informing such debtor as appropriate:

(1) Of the origin, nature and amount of the indebtedness determined by the agency to be due;

(2) Of the intention of the agency to initiate proceedings to collect the debt by means of deduction from the employee's current disposable pay account;

(3) Of the amount, frequency, proposed beginning date, and duration of the intended deductions;

(4) Unless such payments are excused in accordance with the FCCS, of the creditor agency's policy concerning assessment of interest, penalties, and administrative costs;

(5) Of the employee's right to inspect and copy Government records relating to the debt or, if the employee or his or her representative cannot personally inspect the records, to request and receive a copy of such records;

(6) If not previously provided, of the opportunity (under terms agreeable to the creditor agency) to establish a schedule for the voluntary repayment of the debt or to enter into a written agreement to establish a schedule for repayment of the debt in lieu of offset. The agreement must be in writing, be signed by both the employee and the creditor agency, and be documented in the creditor agency's files (4 CFR 102.2(e));

(7) Of the employee's right to a hearing conducted by an administrative law judge of the Department of Labor, if a petition is filed as prescribed by the Department of Labor. In the event the debtor is an employee working in the Office of Administrative Law Judges, the notification shall inform such debtor of the right to elect to have the review of the agency's determination heard and decided by a person who is not in the Office of Administrative Law Judges, and not under the supervision and control of the Secretary of Labor; in such a case, all provisions in this subpart will otherwise apply, unless stated otherwise in the notification;

(8) Of the method and time period for petitioning for hearing;

(9) That the timely filing of a petition for hearing will stay the commencement of collection proceedings, unless the creditor agency determines that § 20.81(d) applies and further informs the debtor of the basis for its determination;

(10) That a final decision on the hearing (if one is requested) will be issued at the earliest practical date, but not later than 60 days after the filing of the petition requesting the hearing unless the employee requests and the administrative law judge grants a delay in the proceedings;

(11) That any knowingly false or frivolous statements, representations, or evidence may subject the employee to:

(i) Disciplinary procedures appropriate under chapter 75 of title 5

§ 20.79

U.S.C., part 752 of title 5, Code of Federal Regulations, or any other applicable statutes or regulations;

(ii) Penalties under the False Claims Act, sections 3729-3731 of title 31 U.S.C., or any other applicable statutory authority; or

(iii) Criminal penalties under sections 286, 287, 1001 and 1002 of title 18 U.S.C., or any other applicable statutory authority;

(12) Of any other rights and remedies available to the employee under statutes or regulations governing the program for which the collection is being made; and

(13) That unless there are applicable contractual or statutory provisions to the contrary, amounts paid on or deducted for the debt which are later waived or found not owed to the United States will be promptly refunded to the employee.

(c) Creditor Labor Department agencies shall also include in their demand letters the notice provisions to debtors required by other regulations of the Labor Department, pertaining to disclosures to credit reporting agencies, administrative offset from other sources of funds, and the assessment of interest, penalties and administrative costs, to the extent inclusion of such is appropriate and practicable.

(d) The responsible agency head (or designee) shall exercise due care to ensure that demand letters are mailed or hand-delivered on the same day that they are actually dated. If evidence suggests that the debtor is no longer located at the address of record, reasonable action shall be taken to obtain a current address.

(e) The creditor Labor Department agency shall, in the initial demand letter to the debtor, provide the name of an agency employee who can provide a full explanation of the claim.

(f) In any internal Labor Department collection, the provisions of § 20.78 paragraphs (a) through (e) need not be applied to any adjustment to pay which is not considered to be the result of collection of a debt, such as excess pay or allowances caused by:

(1) An employee's election of coverage or a change of coverage under a Federal benefits program requiring periodic deductions from pay, if the

29 CFR Subtitle A (7-1-21 Edition)

amount to be recovered was accumulated in four pay periods or less; or

(2) Ministerial adjustments in pay rates or allowances which cannot be placed into effect immediately because of normal processing delays, if the amount to be recovered was accumulated in four pay periods or less.

§ 20.79 Examination of records relating to the claim; opportunity for full explanation of the claim.

Following receipt of the notice specified in § 20.78(b), the debtor may request to examine and copy agency records pertaining to the debt.

§ 20.80 Opportunity for repayment.

(a) The creditor Labor Department agency shall afford the debtor the opportunity to (1) repay the debt or (2) enter into a repayment plan which is agreeable to the agency head (or designee) and is in a written form signed by such debtor and the creditor agency. The head of the agency (or designee) may deem a repayment plan to be abrogated if the debtor should, after the repayment plan is signed, fail to comply with the terms of the plan.

(b) Agencies have discretion and should exercise sound judgment in determining whether to accept a repayment agreement in lieu of offset. The determination should balance the Government's interest in collecting the debt against fairness to the debtor. If the debt is delinquent and the debtor has not disputed its existence or amount, an agency should effect an offset unless the debtor is able to establish that offset would result in undue financial hardship or would be against equity and good conscience, or the agency otherwise determines that offset would be contrary to sound judgment.

§ 20.81 Review of the obligation.

(a) The debtor shall have the opportunity to obtain a hearing by an administrative law judge of the agency's determination concerning the existence or amount of the debt, or the repayment schedule proposed by the agency, and except as provided in § 20.75(c), review by an administrative

law judge is to be the exclusive administrative review remedy on the agency's determination under these regulations.

(b) The debtor seeking a hearing shall make the request in writing to the Chief Administrative Law Judge, pursuant to 29 CFR part 18, not more than 15 days from the date the notice of proposed salary offset was received by the debtor. The request for hearing shall be signed by the employee and state the basis for challenging the determination. If the debtor alleges that the agency's information relating to the debt is not accurate, timely, relevant or complete, such debtor shall fully identify and explain with reasonable specificity all the facts, evidence and witnesses, if any, which the employee believes supports his or her position.

(c) The hearing ordinarily shall be based on written submissions and documentation by the debtor. However, an opportunity for an oral hearing shall be provided an individual debtor when the administrative law judge determines that:

(1) An applicable statute authorizes or requires the agency to consider waiver of the indebtedness involved, the debtor requests waiver of the indebtedness, and the waiver determination turns on an issue of credibility or veracity; or

(2) An individual debtor requests reconsideration of the debt and the administrative law judge determines that the question of the indebtedness cannot be resolved by review of the documentary evidence, for example, when the validity of the debt turns on an issue of credibility or veracity; or

(3) In other situations in which the administrative law judge deems an oral hearing appropriate.

Unless otherwise required by law or these regulations, any oral hearing under this section shall be conducted under the procedures in 29 CFR part 18. Except as provided under § 20.79, the provisions for discovery shall not be applicable unless otherwise ordered by the administrative law judge. Procedural and evidentiary rules shall be relaxed by the administrative law judge to provide informality and to facilitate the hearing.

(d) Agencies may effect a salary offset against the current pay account of a debtor prior to the completion of the hearing procedures required by this subpart, if failure to initiate the offset would substantially prejudice the agency's ability to collect the debt; for example, if the employee's anticipated period of employment with the Government would not reasonably permit the completion of the hearing and recovery of the debt prior to termination of employment. Offset prior to completion of the hearing must be promptly followed by the completion of that hearing.

(e) If the debtor seeking a hearing under this section makes the request for review of the obligation after the expiration of the period for filing as described in paragraph (b) of this section, the administrative law judge may accept the request for hearing if the debtor can show that the delay was because of circumstances beyond his or her control or because of failure to receive notice of the time limit (unless otherwise aware of it).

(f) Upon completion of the hearing, the administrative law judge shall transmit to the debtor a written decision. This decision shall state, at a minimum: The facts purported to evidence the nature and origin of the alleged debt; the administrative law judge's findings and conclusions, as to the employee's and/or creditor agency's grounds; the amount and validity of the alleged debt; and, where applicable, the repayment schedule. If appropriate, the notification shall also indicate any changes in the information to the extent such information differs from that provided in the notification under § 20.78(b).

§ 20.82 Cooperation with other DOL agencies and Federal agencies.

(a) Appropriate use should be made of the cooperative efforts of other DOL and Federal agencies in effecting collection by salary offset. Generally, paying agencies should comply with requests from other agencies to initiate salary offset to collect debts owed to the United States, unless the creditor

§ 20.83

agency has not complied with applicable regulations or the request would otherwise be contrary to law.

(b) Unless otherwise prohibited by law, a DOL agency may request that the current pay account of a debtor in another DOL or Federal agency be administratively offset in order to collect debts owed the creditor DOL agency by the debtor. In requesting a salary offset, the creditor DOL agency must provide the paying DOL agency or other paying Federal agency with written certification stating:

(1) That the debtor owes the creditor agency a debt (including the basis and amount of the debt);

(2) The date on which payment was due;

(3) The date on which the Government's right to collect the debt first accrued; and

(4) Where the paying agency is another federal agency, that the creditor agency's regulations under 5 U.S.C. 5514 have been approved by the Office of Personnel Management, and that the creditor agency has followed such regulations to the best of its information and belief.

§ 20.83 DOL agency as paying agency of the debtor.

Whenever a salary offset is sought by another DOL or Federal agency from a paying DOL agency, the paying DOL agency should not initiate the requested offset until it has been provided by the creditor organization with an appropriate written certification as described in § 20.82(b). Where the creditor agency is not another DOL agency, the creditor agency must certify that its regulations under 5 U.S.C. 5514 have been approved by the Office of Personnel Management and that it, the creditor agency, has followed such regulations to the best of its information and belief. When the creditor agency is not also the paying DOL agency, the creditor agency should also be required to certify that if an administrative or judicial order is issued directing the paying DOL agency to pay a debtor an amount previously paid to the creditor agency, the creditor agency will reimburse the paying DOL agency or pay the debtor directly within 15 days of the date of the order.

29 CFR Subtitle A (7-1-21 Edition)

§ 20.84 Collections.

(a) Whenever feasible, and except as otherwise provided by law, debts owed to the United States, together with interest, penalties, and administrative costs should be collected in full in one lump sum. This is true whether the debt is being collected by salary offset or by another method, including voluntary payment. However, if the debtor is financially unable to pay the indebtedness in one lump sum, or the amount of the debt exceeds 15 percent of disposable pay for an officially established pay interval, collection must be made in installments. Ordinarily, the size of installment deductions must bear a reasonable relationship to the size of the debt and the employee's ability to pay. However, the amount deducted for any period must not exceed 15 percent of the disposable pay from which the deduction is made, unless the employee has agreed in writing to the deduction of a greater amount. Installment deductions must be made over a period not greater than the anticipated period of active duty or employment, as the case may be except as provided in § 20.84 paragraphs (c) and (d). Where a DOL agency is the paying agency, salary offset will ordinarily begin with the salary payment made to the employee for the first full pay period following expiration of the 30 day notice period described in § 20.78(b), or if a hearing is pending under § 20.81, the first full pay period following the date of the administrative law judge's written decision.

(b) If the debtor owes more than one debt and designates how a voluntary installment payment is to be applied as among those debts, that designation must be followed. If the debtor does not designate the application of the payment, agencies should apply payments to the various debts in accordance with the best interests of the United States, as determined by the facts and circumstances of the particular case, paying special attention to applicable statutes of limitations.

(c) If the employee retires or resigns or if his or her employment or period of active duty ends before collection of the debt is completed, under 5 U.S.C. 5514, salary offset shall be from subsequent payments of any nature (e.g.,

Office of the Secretary of Labor

§ 20.101

final salary payment, lump-sum leave, etc.) due the employee from the paying agency as of the date of separation to the extent necessary to liquidate the debt.

(d) If the debt cannot be liquidated by salary offset from any final payment due the former employee as of the date of separation, under 5 U.S.C. 5514, administrative offset shall be from later payments of any kind due the former employee from the United States.

§ 20.85 Notice of offset.

Prior to effecting a salary offset, the paying DOL agency should advise the debtor of the impending offset. This notice should state that the debtor has been provided his/her rights under 5 U.S.C. 5514, that a determination has been made that collection by salary offset would be in the best interests of the United States, the amount of the offset, the date the salary offset will begin, and that the source of funds shall be from current disposable pay, except as provided by (c) and (d) of § 20.84. If evidence suggests that the debtor is no longer located at the address of record, reasonable action shall be taken to obtain a current address.

§ 20.86 Non-waiver of rights by payments.

An employee's involuntary payment, of all or any portion of a debt being collected under 5 U.S.C. 5514, shall not be construed as a waiver of any rights which the employee may have under 5 U.S.C. 5514 or any other provision of contract or law, unless there are statutory or contractual provisions to the contrary.

§ 20.87 Refunds.

(a) Agencies shall promptly refund to the appropriate party amounts paid or deducted under this subpart when—

(1) A debt is waived or is otherwise not owing to the United States (unless refund is expressly prohibited by statute or regulation); or

(2) The employee's paying agency is directed by an administrative or judicial order to refund amounts deducted from his or her current pay.

(b) Refunds do not bear interest unless required or permitted by law or contract.

§ 20.88 Additional administrative collection action.

Nothing contained in this subpart is intended to preclude the utilization of any other administrative remedy which may be available.

§ 20.89 Prior provision of rights with respect to debt.

To the extent that the rights of the debtor in relation to the same debt have been previously provided by the creditor agency under some other statutory or regulatory authority, the creditor agency is not required to duplicate those efforts before taking salary offset.

§ 20.90 Responsibilities of the Chief Financial Officer.

The Chief Financial Officer, or his or her designee, shall provide appropriate and binding written or other guidance to Department of Labor agencies and officials in carrying out this subpart, including the issuance of guidelines and instructions, which he or she may deem appropriate. The Chief Financial Officer shall also take such administrative steps as may be appropriate to carry out the purposes and ensure the effective implementation of this subpart.

Subpart E—Federal Income Tax Refund Offset

SOURCE: 59 FR 47250, Sept. 15, 1994, unless otherwise noted.

§ 20.101 Purpose and scope.

The regulations in this subpart establish procedures to implement 31 U.S.C. 3720A. This statute together with implementing regulations of the Internal Revenue Service (IRS) at 26 CFR 301.6402-6, authorizes the IRS to reduce a tax refund by the amount of a past-due legally enforceable debt owed to the United States. The regulations apply to past-due legally enforceable debts owed to the Department by individuals and business entities. The regulations are not intended to limit or restrict debtor access to any judicial

§ 20.102

remedies to which he/she may otherwise be entitled.

§ 20.102 Redelegation of authority.

Authority delegated by statute or IRS regulation to the Secretary or Department is redelegated to the heads of the Department's constituent agencies. This authority may be further redelegated as necessary to ensure the efficient implementation of these regulations.

§ 20.103 Definitions.

For purposes of this subpart:

(a) *Tax refund offset* refers to the IRS income tax refund offset program operated under authority of 31 U.S.C. 3720A.

(b) *Past-due legally enforceable debt* is a delinquent debt administratively determined to be valid, whereon no more than 10 years have lapsed since the date of delinquency, and which is not discharged under a bankruptcy proceeding or subject to an automatic stay under 11 U.S.C. 362.

(c) *Agency* refers to the constituent offices, administrations and bureaus of the Department of Labor.

(d) *Individual* refers to a taxpayer identified by a social security number (SSN).

(e) *Business entity* refers to an entity identified by an employer identification number (EIN).

(f) *Taxpayer mailing address* refers to the debtor's current mailing address as obtained from IRS.

(g) *Memorandum of understanding* refers to the agreement between the Department and IRS outlining the duties and responsibilities of the respective parties for participation in the tax refund offset program.

§ 20.104 Agency responsibilities.

(a) As authorized and required by law, each Department of Labor agency may refer past-due legally enforceable debts to IRS for collection by offset from any overpayment of income tax that may otherwise be due to be refunded to the taxpayer.

(b) Prior to actual referral of a past-due legally enforceable debt for tax refund offset, the DOL agency heads (or their designees) must take the actions specified in § 20.107 and, as appropriate, § 20.106 and § 20.108.

29 CFR Subtitle A (7-1-21 Edition)

(c) DOL agency heads must ensure the confidentiality of taxpayer information as required by IRS in its *Tax Information Security Guidelines*.

§ 20.105 Minimum referral amount.

The IRS annually establishes the minimum amount for debts otherwise eligible for referral. Minimum referral amounts are established separately for individual debts and business debts, as set forth in the memorandum of understanding. The amount referred may include the principal portion of the debt, as well as any accrued interest, penalties and/or administrative cost charges.

[60 FR 41017, Aug. 11, 1995]

§ 20.106 Relation to other collection efforts.

(a) Tax refund offset is intended to be an administrative collection remedy of last resort, consistent with IRS requirements for participation in the program, and the costs and benefits of pursuing alternative remedies when the tax refund offset program is readily available. To the extent practical, the requirements of the program will be met by merging IRS requirements into the Department's overall requirements for delinquent debt collection.

(b) The debts of individuals of \$100 or more will be reported to a consumer credit reporting agency before referral for tax refund offset.

(c) Debts owed by individuals will be screened for salary and administrative offset potential using the most current information reasonably available to the Department, and will not be referred for tax refund offset where such other offset potential is found to exist.

[59 FR 47250, Sept. 15, 1994, as amended at 60 FR 41017, Aug. 11, 1995]

§ 20.107 Debtor notification.

(a) The agency head (or designee) of the creditor Labor Department agency shall send appropriate written demands to the debtor in terms which inform the debtor of the consequences of failure to repay claims. In accordance with guidelines as may be established by the Department's Chief Financial Officer, a total of three progressively stronger written demands at not more than 30-

day intervals will normally be made unless a response to the first or second demand indicates that a further demand would be futile and the debtor's response does not require rebuttal. In determining the timing of demand letters, agencies should give due regard to the need to act promptly so the ability to refer a debt for tax refund offset will not be unduly delayed.

(b) Before the Department refers a debt to IRS for tax refund offset, it will make a reasonable attempt to notify the debtor that:

(1) The debt is past-due;

(2) Unless the debt is repaid or a satisfactory repayment agreement established within 60 days thereafter, it will be referred to IRS for offset from any overpayment of tax remaining after taxpayer liabilities of greater priority have been satisfied; and

(3) The debtor will have a minimum of 60 days from the date of notification to present evidence that all or part of the debt is not past-due or legally enforceable, and the Department will consider this evidence in a review of its determination that the debt is past-due and legally enforceable. The debtor will be advised where and to whom evidence is to be submitted.

(c) The Department will make a reasonable attempt to notify the debtor by using the most recent address information obtained from the IRS, unless written notification is received from the debtor that notices from the Department are to be sent to a different address.

(d) The notification required by paragraph (b) of this section and sent to the address specified in paragraph (c) of this section may, at the option of the Department, be incorporated into demand letters required by paragraph (a) of this section.

§ 20.108 Agency review of the obligation.

(a) The individual responsible for collection of the debt will consider any evidence submitted by the debtor as a result of the notification required by § 20.107(b) and notify the debtor of the result. If appropriate, the debtor will also be advised where and to whom to request a review of any unresolved dispute.

(b) The debtor will be granted at least 30 days from the date of the notification required by paragraph (a) of this section to request a review of the determination of the individual responsible for collection of the debt on any unresolved dispute. The debtor will be advised of the result.

(c) The review required by paragraph (b) of this section will ordinarily be based on written submissions and documentation provided by the debtor. However, a reasonable opportunity for an oral hearing will be provided the debtor when the reviewing official determines that any remaining dispute cannot be resolved by review of the documentary evidence alone. Unless otherwise required by law, an oral hearing under this section is not required to be a formal evidentiary-type hearing, although the reviewing official should carefully document all significant matters discussed at the hearing.

§ 20.109 Prior provision of rights with respect to debt.

To the extent that the rights of the debtor in relation to the same debt have been previously provided under some other statutory or regulatory authority, the Department is not required to duplicate those efforts before referring a debt for tax refund offset.

§ 20.110 Referral to IRS for tax refund offset.

(a) By the date and in the manner prescribed by the IRS the Department will refer for tax refund offset the following information on past-due legally enforceable debts:

(1) Whether the debtor is an individual or a business entity;

(2) Name and taxpayer identification number (SSN or EIN) of the debtor who is responsible for the debt;

(3) The amount of the debt;

(4) The date on which the debt became past-due;

(5) Department-level, sub-Department-level and (as appropriate) account identifiers.

(b) As necessary to reflect changes in the status of debts/debtors referred for tax refund offset, the Department will submit updated information at the times and in the manner prescribed by

§ 20.111

IRS. The original submission described in paragraph (a) of this section will not be changed to increase the amount of the debt or to refer additional debtors.

(c) Amounts erroneously offset will be refunded by the Department or IRS in accordance with the Memorandum of Understanding.

§ 20.111 Administrative cost charges.

Costs incurred by the Department in connection with referral of debts for tax refund offset will be added to the debt and thus increase the amount of the offset.

Subpart F—Administrative Wage Garnishment

SOURCE: 80 FR 60799, Oct. 8, 2015, unless otherwise noted.

§ 20.201 Purpose.

This section provides procedures the U.S. Department of Labor may use to collect money from a debtor's disposable pay by means of administrative wage garnishment to satisfy delinquent nontax debt owed to the Department. In accordance with the procedures set forth in 31 U.S.C. 3720D and 31 CFR 285.11, the Department may request that a non-Federal employer garnish the disposable pay of an individual to collect delinquent non-tax debt owed to the Department or in connection with any program administered by the Department.

§ 20.202 Scope.

(a) This subpart applies to any nontax debt owed to the U.S. Department of Labor or in connection with any program administered by the Department and to any entity that pursues recovery of such debt. The Department can enter into arrangements with other federal agencies to carry out its responsibilities under this part.

(b) This subpart shall apply notwithstanding any provision of State law.

(c) Nothing in this subpart precludes the compromise of a debt or the suspension or termination of a collection action in accordance with applicable law. See, for example, the Federal Claims Collection Standards (FCCS), 31 CFR parts 900-904.

29 CFR Subtitle A (7-1-21 Edition)

(d) The receipt of payments pursuant to this subpart does not preclude the Department from pursuing other debt collection remedies separately or in conjunction with administrative wage garnishment, including the offset of Federal payments, to satisfy delinquent nontax debt owed to the Department.

(e) This subpart does not apply to the collection of delinquent nontax debt owed to the United States from the wages of Federal employees from their Federal employment. Federal pay is subject to the Federal salary offset procedures set forth in 5 U.S.C. 5514 and other applicable laws.

(f) Nothing in this subpart requires the Department to duplicate notices or administrative proceedings required by contract, this subpart, or other laws, regulations, or procedures.

§ 20.203 Definitions.

As used in this section the following definitions shall apply:

(a) The term *business day* means Monday through Friday, not including Federal legal holidays. For purposes of computation, the last day of the period will be included unless it is a Federal legal holiday.

(b) The term *day* means calendar day. For purposes of computation, the last day of the period will be included unless it is a Saturday, a Sunday, or a Federal legal holiday.

(c) The term *debt or claim* means any amount of money, funds or property that has been determined by an appropriate official of the Federal Government to be owed to the Department by an individual, including debt administered by a third party as an agent for the Federal Government.

(d) The term *debtor* means an individual who owes a delinquent nontax debt to the Department.

(e) The term *delinquent nontax debt* means any nontax debt that has not been paid by the date specified in the initial written demand for payment, or applicable agreement, unless other satisfactory payment arrangements have been made. For purposes of this section, the terms "debt" and "claim" are synonymous and refer to delinquent nontax debt.

(f) The term *Department* means the United States Department of Labor.

(g) The term *disposable pay* means that part of the debtor's compensation (including, but not limited to, salary, bonuses, commissions, and vacation pay) from an employer remaining after the deduction of health insurance premiums and any amounts required by law to be withheld. For purposes of this subpart, "amounts required by law to be withheld" include amounts for deductions such as social security taxes and withholding taxes but do not include any amount withheld pursuant to a court order.

(h) The term *employer* means a person or entity that employs the services of others and that pays their wages or salaries. The term employer includes, but is not limited to, State and local Governments but does not include an agency of the Federal Government.

(i) The term *evidence of service* means information retained by the Department indicating the nature of the document to which it pertains, the date of mailing of the document, and to whom the document is being sent. Evidence of service may be retained electronically so long as the manner of retention is sufficient for evidentiary purposes.

(j) The term *garnishment* means the process of withholding amounts from an employee's disposable pay and the paying of those amounts to a creditor in satisfaction of a withholding order.

(k) The term *hearing official* means any qualified individual, as determined by the Department.

(l) The term *withholding order* means any order for withholding or garnishment of pay issued by the Department. For purposes of this section, the terms "wage garnishment order" and "garnishment order" have the same meaning as "withholding order."

§ 20.204 General rule.

Whenever the Department determines that a delinquent debt is owed by an individual, to the Department or in connection with any program administered by the Department, the Department may initiate proceedings administratively to garnish the wages of the delinquent debtor.

§ 20.205 Notice requirements.

(a) At least 30 days before the initiation of garnishment proceedings, the Department shall mail, by first class mail to the debtor's last known address a written notice informing the debtor of:

(1) The nature and amount of the debt;

(2) The intention of the Department to initiate proceedings to collect the debt through deductions from pay until the debt and all accumulated interest, penalties and administrative costs are paid in full; and

(3) An explanation of the debtor's rights, including those set forth in paragraph (b) of this section, and the time frame within which the debtor may exercise his or her rights.

(b) The debtor shall be afforded the opportunity:

(1) To inspect and copy the Department's records related to the debt;

(2) To enter into a written repayment agreement with the Department under terms agreeable to the Department; and

(3) For a hearing in accordance with § 20.206 before a hearing official. The debtor is not entitled to a hearing concerning the terms of the proposed repayment schedule if these terms have been established by written agreement under 20.206(b)(2).

(c) The Department will retain evidence of service indicating the date of mailing of the notice.

§ 20.206 Hearing.

(a) *Request for hearing.* If the debtor submits a written request for a hearing concerning the existence or amount of the debt or the terms of the repayment schedule, the Department shall provide a written or oral hearing in accordance with 31 CFR 285.11(f) before a hearing official.

(b) *Type of hearing or review.* (1) For purposes of this subpart, whenever the Department is required to afford a debtor a hearing, the Department shall provide the debtor with a reasonable opportunity for an oral hearing when the hearing official determines that the issues in dispute cannot be resolved by review of the documentary evidence, for example, when the validity of the

§ 20.206

29 CFR Subtitle A (7-1-21 Edition)

claim turns on the issue of credibility or veracity.

(2) If a hearing official determines that an oral hearing is appropriate, the time and location of the hearing, including the amount of time allotted for the hearing, shall be at the discretion of the hearing official. An oral hearing may, at the discretion of the hearing official, be conducted either in-person, by telephone conference, or by other electronic means. All travel expenses incurred by the debtor in connection with an in-person hearing will be borne by the debtor. All charges incurred during the hearing as a result of the use of telephone conference or other electronic means will be the responsibility of the Department.

(3) In those cases when an oral hearing is not required by this section, a hearing official shall nevertheless accord the debtor a "paper hearing," that is, a hearing official will decide the issues in dispute based upon a review of the written record. The hearing official will establish a reasonable deadline for the submission of evidence.

(c) *Effect of timely request.* Subject to § 20.206(k), if the debtor's written request is received by the Department on or before the 15th business day following the mailing of the notice described in § 20.205(a), the Department shall not issue a withholding order under § 20.207 until the debtor has been provided the requested hearing and a decision in accordance with paragraphs (h) and (i) of this section has been rendered.

(d) *Failure to timely request a hearing.* If the debtor's written request is received by the Department after the 15th business day following the mailing of the notice described in § 20.205(a), the Department shall provide the debtor with a hearing before a hearing official. However, the Department will not delay issuance of a withholding order unless the Department determines that the delay in filing the request was caused by factors beyond the debtor's control or the Department receives information that the Department believes justifies a delay or cancellation of the withholding order.

(e) *Procedure.* After the debtor requests a hearing, the hearing official shall notify the debtor of:

(1) The date and time of a hearing conducted by telephone conference or other electronic means;

(2) The date, time, and location of an in-person oral hearing; or

(3) The deadline for the submission of evidence for a written hearing.

(f) *Burden of proof.* (1) The agency will have the burden of going forward to prove the existence or amount of the debt. The Department can satisfy this burden by submitting a certified copy of the adjudication or other document that establishes the existence of the debt and the amount of the debt.

(2) Thereafter, if the debtor disputes the existence or amount of the debt, the debtor must show by a preponderance of the evidence that no debt exists or that the amount of the debt is incorrect. In addition, the debtor may present evidence that:

(i) The terms of the repayment schedule are unlawful;

(ii) The terms would cause a financial hardship to the debtor; or

(iii) The collection of the debt may not be pursued due to operation of law.

(3) Debts that arise under the Federal Employees Compensation Act, 5 U.S.C. 8101-8193, are subject to preclusion of administrative and judicial review, as described at 5 U.S.C. 8128(b). As a result, once the Department meets its burden of showing the existence and amount of a debt under this statute, the debtor must prove by a preponderance of the evidence that:

(i) The documentation put forward by the agency to establish the debt was not authentic; or

(ii) The debt was incurred by someone other than the debtor as a result of identity theft.

(g) *Record.* The hearing official must maintain a summary record of any hearing provided under this section.

(h) *Hearing procedure.* A hearing is an informal process and the hearing official is not bound by common law or statutory rules of evidence or by technical or formal rules of procedure. However, witnesses who testify in oral hearings must do so under affirmation, so that 18 U.S.C. 1001 applies.

(i) *Date of decision.* The hearing official shall issue a written opinion stating his or her decision, as soon as practicable, but not later than 60 days after

the date on which the request for such hearing was received. If a hearing official is unable to provide the debtor with a hearing and render a decision within 60 days after the receipt of the request for such hearing:

(1) The Department may not issue a withholding order until the hearing is held and a decision rendered; or

(2) If the Department had previously issued a withholding order to the debtor's employer, the Department must suspend the withholding order beginning on the 61st day after the receipt of the hearing request and continuing until a hearing is held and a decision is rendered.

(j) *Content of decision.* The written decision shall include:

(1) A summary of the facts presented;

(2) The hearing official's findings, analysis, and conclusions; and

(3) The terms of any repayment schedules, if applicable.

(k) *Final agency action.* The hearing official's decision will be the final agency action for the purposes of judicial review under the Administrative Procedure Act, 5 U.S.C. 701-706.

(l) *Failure to appear.* In the absence of good cause shown to the hearing official, a debtor who fails to appear at a hearing scheduled pursuant to this section will be deemed as not having timely filed a request for a hearing.

§ 20.207 Wage garnishment order.

(a) Unless the Department receives information that the Department believes justifies a delay or cancellation of the withholding order, the Department shall send, by first class mail, a withholding order to the debtor's employer:

(1) Within 30 days after the debtor fails to make a timely request for a hearing (*i.e.*, within 15 business days after the mailing of the notice described in § 20.205(a), or,

(2) If a timely request for a hearing is made by the debtor, within 30 days after a final decision is made by the hearing official, or,

(3) As soon as reasonably possible thereafter.

(b) The withholding order sent to the employer under paragraph (a) of this section shall be in the form prescribed by the Secretary of the Treasury. The

withholding order shall contain the signature of, or the image of the signature of, the Secretary of Labor or his or her delegatee. The order shall contain only the information necessary for the employer to comply with the withholding order. Such information includes the debtor's name, address, and Employee Identification Number, as well as instructions for withholding and information as to where payments should be sent.

(c) The Department will retain evidence of service indicating the date of mailing of the order.

§ 20.208 Certification by employer.

Along with the withholding order, the agency shall send to the employer a certification in the form prescribed by the Secretary of the Treasury. The employer shall complete and return the certification to the Department within the time frame prescribed in the instructions to the form. The certification will address matters such as information about the debtor's employment status and disposable pay available for withholding.

§ 20.209 Amounts withheld.

(a) After an employer receives a garnishment order, the employer must deduct from all disposable pay paid to the applicable debtor during each pay period the amount of garnishment described in paragraph (b) of this section.

(b) Subject to the provisions in paragraphs (c) and (d) of this section, the amount of garnishment shall be the lesser of:

(1) The amount indicated on the garnishment order up to 15 percent of the debtor's disposable pay; or

(2) The amount set forth in 15 U.S.C. 1673(a)(2) (Restriction on Garnishment). The amount set forth at 15 U.S.C. 1673(a)(2) is the amount by which a debtor's disposable pay exceeds an amount equivalent to thirty times the minimum wage. See 29 CFR 870.10.

(c) When a debtor's pay is subject to withholding orders with priority the following shall apply:

(1) Unless otherwise provided by Federal law, withholding orders issued under this subpart shall be paid in the amounts set forth under paragraph (b) of this section and shall have priority

§ 20.210

over other withholding orders which are served later in time. However, withholding orders for family support shall have priority over withholding orders issued under this subpart.

(2) If amounts are being withheld from a debtor's pay pursuant to a withholding order served on an employer before a withholding order issued pursuant to this subpart, or if a withholding order for family support is served on an employer at any time, the amounts withheld pursuant to the withholding order issued under this subpart shall be the lesser of:

(i) The amount calculated under paragraph (b) of this section, or

(ii) An amount equal to 25 percent of the debtor's disposable pay less the amount(s) withheld under the withholding order(s) with priority.

(3) If a debtor owes more than one debt to the Department, the Department may issue multiple withholding orders provided that the total amount garnished from the debtor's pay for such orders does not exceed the amount set forth in paragraph (b) of this section.

(d) An amount greater than that set forth in paragraphs (b) and (c) of this section may be withheld upon the written consent of the debtor.

(e) The employer shall promptly pay to the Department all amounts withheld in accordance with the withholding order issued pursuant to this subpart.

(f) An employer shall not be required to vary its normal pay and disbursement cycles in order to comply with the withholding order.

(g) Any assignment or allotment by an employee of his earnings shall be void to the extent it interferes with or prohibits execution of the withholding order issued under this subpart, except for any assignment or allotment made pursuant to a family support judgment or earlier withholding order.

(h) The employer shall withhold the appropriate amount from the debtor's wages for each pay period until the employer receives notification from the Department to discontinue wage withholding. The garnishment order shall indicate a reasonable period of time within which the employer is required to commence wage withholding.

29 CFR Subtitle A (7-1-21 Edition)

§ 20.210 Exclusions from garnishment.

The Department may not garnish the wages of a debtor who it knows has been involuntarily separated from employment until the debtor has been re-employed continuously for at least 12 months. The debtor has the burden of informing the Department (or any other federal agency exercising the Department's authority under this subpart) of the circumstances surrounding an involuntary separation from employment.

§ 20.211 Financial hardship.

(a) A debtor whose wages are subject to a wage withholding order under this subpart, may, at any time, request a review by the Department of the amount garnished, based on materially changed circumstances such as disability, divorce, or catastrophic illness which result in financial hardship.

(b) A debtor requesting a review under paragraph (a) of this section shall submit the basis for claiming that the current amount of garnishment results in a financial hardship to the debtor, along with supporting documentation. The Department shall consider any information submitted in accordance with procedures and standards established by the agency.

(c) If a financial hardship is found, the Department shall downwardly and temporarily adjust the amount garnished to reflect the debtor's financial condition. The Department will notify the employer of any adjustments to the amounts to be withheld.

§ 20.212 Ending garnishment.

(a) Once the Department has fully recovered the amounts owed by the debtor, including interest, penalties, and administrative costs consistent with the FCCS, the Department shall send the debtor's employer notification to discontinue wage withholding.

(b) At least annually, the Department shall review its debtors' accounts to ensure that garnishment has been terminated for accounts that have been paid in full.

§ 20.213 Actions prohibited by employer.

An employer may not discharge, refuse to employ, or take disciplinary

action against the debtor due to the issuance of a withholding order under this subpart.

§ 20.214 Refunds.

(a) If a hearing official, at a hearing held pursuant to § 20.206, determines that a debt is not legally due and owing to the Department, the Department shall promptly refund any amount collected by means of administrative wage garnishment.

(b) Unless required by Federal law or contract, refunds under this section shall not bear interest.

§ 20.215 Right of action.

The Department may sue any employer for any amount that the employer fails to withhold from wages owed and payable to an employee in accordance with §§ 20.207 and 20.209. However, a suit may not be filed before the termination of the collection action involving a particular debtor, unless earlier filing is necessary to avoid expiration of any applicable statute of limitations period. For purposes of this subpart, “termination of the collection action” occurs when the agency has terminated collection action in accordance with the FCCS or other applicable standards. In any event, termination of the collection action will have been deemed to occur if the agency has not received any payments to satisfy the debt from the particular debtor whose wages were subject to garnishment, in whole or in part, for a period of 1 year.

§ 21.101 To what does this policy apply?

(a) Except as detailed in § 21.104, this policy applies to all research involving human subjects conducted, supported, or otherwise subject to regulation by any Federal department or agency that takes appropriate administrative action to make the policy applicable to such research. This includes research conducted by Federal civilian employees or military personnel, except that each department or agency head may adopt such procedural modifications as may be appropriate from an administrative standpoint. It also includes research conducted, supported, or otherwise subject to regulation by the Federal Government outside the United States. Institutions that are engaged in research described in this paragraph and institutional review boards (IRBs) reviewing research that is subject to this policy must comply with this policy.

(b) [Reserved]

(c) Department or agency heads retain final judgment as to whether a particular activity is covered by this

§21.101

29 CFR Subtitle A (7-1-21 Edition)

policy and this judgment shall be exercised consistent with the ethical principles of the Belmont Report.⁶²

(d) Department or agency heads may require that specific research activities or classes of research activities conducted, supported, or otherwise subject to regulation by the Federal department or agency but not otherwise covered by this policy comply with some or all of the requirements of this policy.

(e) Compliance with this policy requires compliance with pertinent federal laws or regulations that provide additional protections for human subjects.

(f) This policy does not affect any state or local laws or regulations (including tribal law passed by the official governing body of an American Indian or Alaska Native tribe) that may otherwise be applicable and that provide additional protections for human subjects.

(g) This policy does not affect any foreign laws or regulations that may otherwise be applicable and that provide additional protections to human subjects of research.

(h) When research covered by this policy takes place in foreign countries, procedures normally followed in the foreign countries to protect human subjects may differ from those set forth in this policy. In these circumstances, if a department or agency head determines that the procedures prescribed by the institution afford protections that are at least equivalent to those provided in this policy, the department or agency head may approve the substitution of the foreign procedures in lieu of the procedural requirements provided in this policy. Except when otherwise required by statute, Executive Order, or the department or agency head, notices of these actions as they occur will be published in the FEDERAL REGISTER or will be otherwise published as provided in department or agency procedures.

(i) Unless otherwise required by law, department or agency heads may waive

the applicability of some or all of the provisions of this policy to specific research activities or classes of research activities otherwise covered by this policy, provided the alternative procedures to be followed are consistent with the principles of the Belmont Report.⁶³ Except when otherwise required by statute or Executive Order, the department or agency head shall forward advance notices of these actions to the Office for Human Research Protections, Department of Health and Human Services (HHS), or any successor office, or to the equivalent office within the appropriate Federal department or agency, and shall also publish them in the FEDERAL REGISTER or in such other manner as provided in department or agency procedures. The waiver notice must include a statement that identifies the conditions under which the waiver will be applied and a justification as to why the waiver is appropriate for the research, including how the decision is consistent with the principles of the Belmont Report.

(j) Federal guidance on the requirements of this policy shall be issued only after consultation, for the purpose of harmonization (to the extent appropriate), with other Federal departments and agencies that have adopted this policy, unless such consultation is not feasible.

(k) [Reserved]

(1) *Pre-2018 Requirements.* Compliance dates and transition provisions:

(1) For purposes of this section, the *pre-2018 Requirements* means this subpart as published in the 2016 edition of the Code of Federal Regulations.

(i) Research initially approved by an IRB under the pre-2018 Requirements before January 21, 2019;

(ii) Research for which IRB review was waived pursuant to §21.101(i) of the pre-2018 Requirements before January 21, 2019; and

(iii) Research for which a determination was made that the research was exempt under §21.101(b) of the pre-2018 Requirements before January 21, 2019.

(4) *Transitioning research.* If, on or after July 19, 2018, an institution planning or engaged in research otherwise covered by paragraph (1)(3) of this section determines that such research instead will transition to comply with the 2018 Requirements, the institution or an IRB must document and date such determination.

(i) If the determination to transition is documented between July 19, 2018, and January 20, 2019, the research shall:

(A) Beginning on the date of such documentation through January 20, 2019, comply with the pre-2018 Requirements, except that the research shall comply with the following:

(1) Section 21.102(l) of the 2018 Requirements (definition of research) (instead of §21.102(d) of the pre-2018 Requirements);

(2) Section 21.103(d) of the 2018 Requirements (revised certification requirement that eliminates IRB review of application or proposal) (instead of §21.103(f) of the pre-2018 Requirements); and

(3) Section 21.109(f)(1)(i) and (iii) of the 2018 Requirements (exceptions to mandated continuing review) (instead of §21.103(b), as related to the requirement for continuing review, and in addition to §21.109, of the pre-2018 Requirements); and

(B) Beginning on January 21, 2019, comply with the 2018 Requirements.

(ii) If the determination to transition is documented on or after January 21, 2019, the research shall, beginning on the date of such documentation, comply with the 2018 Requirements.

(5) *Research subject to 2018 Requirements.* The 2018 Requirements shall apply to the following research:

(i) Research initially approved by an IRB on or after January 21, 2019;

(iii) Research for which a determination is made that the research is exempt on or after January 21, 2019.

(m) *Severability:* Any provision of this part held to be invalid or unenforceable by its terms, or as applied to any person or circumstance, shall be construed so as to continue to give maximum effect to the provision permitted by law, unless such holding shall be one of utter invalidity or unenforceability, in which event the provision shall be severable from this part and shall not affect the remainder thereof or the application of the provision to other persons not similarly situated or to other dissimilar circumstances.

§ 21.102 Definitions for purposes of this policy.

(a) *Certification* means the official notification by the institution to the supporting Federal department or agency component, in accordance with the requirements of this policy, that a research project or activity involving human subjects has been reviewed and approved by an IRB in accordance with an approved assurance.

(b) *Clinical trial* means a research study in which one or more human subjects are prospectively assigned to one or more interventions (which may include placebo or other control) to evaluate the effects of the interventions on biomedical or behavioral health-related outcomes.

(c) *Department or agency head* means the head of any Federal department or agency, for example, the Secretary of HHS, and any other officer or employee of any Federal department or agency to whom the authority provided by these regulations to the department or agency head has been delegated.

(d) *Federal department or agency* refers to a federal department or agency (the department or agency itself rather than its bureaus, offices or divisions)

§ 21.102

that takes appropriate administrative action to make this policy applicable to the research involving human subjects it conducts, supports, or otherwise regulates (*e.g.*, the U.S. Department of Health and Human Services, the U.S. Department of Defense, or the Central Intelligence Agency).

(e)(1) *Human subject* means a living individual about whom an investigator (whether professional or student) conducting research:

(i) Obtains information or biospecimens through intervention or interaction with the individual, and uses, studies, or analyzes the information or biospecimens; or (ii) Obtains, uses, studies, analyzes, or generates identifiable private information or identifiable biospecimens.

(2) *Intervention* includes both physical procedures by which information or biospecimens are gathered (*e.g.*, venipuncture) and manipulations of the subject or the subject's environment that are performed for research purposes.

(3) *Interaction* includes communication or interpersonal contact between investigator and subject.

(4) *Private information* includes information about behavior that occurs in a context in which an individual can reasonably expect that no observation or recording is taking place, and information that has been provided for specific purposes by an individual and that the individual can reasonably expect will not be made public (*e.g.*, a medical record).

(5) *Identifiable private information* is private information for which the identity of the subject is or may readily be ascertained by the investigator or associated with the information.

(6) *An identifiable biospecimen* is a biospecimen for which the identity of the subject is or may readily be ascertained by the investigator or associated with the biospecimen.

(7) Federal departments or agencies implementing this policy shall:

(i) Upon consultation with appropriate experts (including experts in data matching and re-identification), reexamine the meaning of "identifiable private information," as defined in paragraph (e)(5) of this section, and "identifiable biospecimen," as defined

29 CFR Subtitle A (7-1-21 Edition)

in paragraph (e)(6) of this section. This reexamination shall take place within 1 year and regularly thereafter (at least every 4 years). This process will be conducted by collaboration among the Federal departments and agencies implementing this policy. If appropriate and permitted by law, such Federal departments and agencies may alter the interpretation of these terms, including through the use of guidance.

(ii) Upon consultation with appropriate experts, assess whether there are analytic technologies or techniques that should be considered by investigators to generate "identifiable private information," as defined in paragraph (e)(5) of this section, or an "identifiable biospecimen," as defined in paragraph (e)(6) of this section. This assessment shall take place within 1 year and regularly thereafter (at least every 4 years). This process will be conducted by collaboration among the Federal departments and agencies implementing this policy. Any such technologies or techniques will be included on a list of technologies or techniques that produce identifiable private information or identifiable biospecimens. This list will be published in the FEDERAL REGISTER after notice and an opportunity for public comment. The Secretary, HHS, shall maintain the list on a publicly accessible Web site.

(f) *Institution* means any public or private entity, or department or agency (including federal, state, and other agencies).

(g) *IRB* means an institutional review board established in accord with and for the purposes expressed in this policy.

(h) *IRB approval* means the determination of the IRB that the research has been reviewed and may be conducted at an institution within the constraints set forth by the IRB and by other institutional and federal requirements.

(i) *Legally authorized representative* means an individual or judicial or other body authorized under applicable law to consent on behalf of a prospective subject to the subject's participation in the procedure(s) involved in the research. If there is no applicable law addressing this issue, *legally authorized*

representative means an individual recognized by institutional policy as acceptable for providing consent in the nonresearch context on behalf of the prospective subject to the subject's participation in the procedure(s) involved in the research.

(j) *Minimal risk* means that the probability and magnitude of harm or discomfort anticipated in the research are not greater in and of themselves than those ordinarily encountered in daily life or during the performance of routine physical or psychological examinations or tests.

(k) *Public health authority* means an agency or authority of the United States, a state, a territory, a political subdivision of a state or territory, an Indian tribe, or a foreign government, or a person or entity acting under a grant of authority from or contract with such public agency, including the employees or agents of such public agency or its contractors or persons or entities to whom it has granted authority, that is responsible for public health matters as part of its official mandate.

(l) *Research* means a systematic investigation, including research development, testing, and evaluation, designed to develop or contribute to generalizable knowledge. Activities that meet this definition constitute research for purposes of this policy, whether or not they are conducted or supported under a program that is considered research for other purposes. For example, some demonstration and service programs may include research activities. For purposes of this part, the following activities are deemed not to be research:

(1) Scholarly and journalistic activities (*e.g.*, oral history, journalism, biography, literary criticism, legal research, and historical scholarship), including the collection and use of information, that focus directly on the specific individuals about whom the information is collected.

(2) Public health surveillance activities, including the collection and testing of information or biospecimens, conducted, supported, requested, ordered, required, or authorized by a public health authority. Such activities are limited to those necessary to allow

a public health authority to identify, monitor, assess, or investigate potential public health signals, onsets of disease outbreaks, or conditions of public health importance (including trends, signals, risk factors, patterns in diseases, or increases in injuries from using consumer products). Such activities include those associated with providing timely situational awareness and priority setting during the course of an event or crisis that threatens public health (including natural or man-made disasters).

(3) Collection and analysis of information, biospecimens, or records by or for a criminal justice agency for activities authorized by law or court order solely for criminal justice or criminal investigative purposes.

(4) Authorized operational activities (as determined by each agency) in support of intelligence, homeland security, defense, or other national security missions.

(m) *Written, or in writing*, for purposes of this part, refers to writing on a tangible medium (*e.g.*, paper) or in an electronic format.

§ 21.103 Assuring compliance with this policy—research conducted or supported by any Federal department or agency.

(a) Each institution engaged in research that is covered by this policy, with the exception of research eligible for exemption under § 21.104, and that is conducted or supported by a Federal department or agency, shall provide written assurance satisfactory to the department or agency head that it will comply with the requirements of this policy. In lieu of requiring submission of an assurance, individual department or agency heads shall accept the existence of a current assurance, appropriate for the research in question, on file with the Office for Human Research Protections, HHS, or any successor office, and approved for Federal-wide use by that office. When the existence of an HHS-approved assurance is accepted in lieu of requiring submission of an assurance, reports (except certification) required by this policy to be made to department and agency heads shall also be made to the Office for Human Research Protections, HHS,

§21.104

or any successor office. Federal departments and agencies will conduct or support research covered by this policy only if the institution has provided an assurance that it will comply with the requirements of this policy, as provided in this section, and only if the institution has certified to the department or agency head that the research has been reviewed and approved by an IRB (if such certification is required by §21.103(d)).

(b) The assurance shall be executed by an individual authorized to act for the institution and to assume on behalf of the institution the obligations imposed by this policy and shall be filed in such form and manner as the department or agency head prescribes.

(c) The department or agency head may limit the period during which any assurance shall remain effective or otherwise condition or restrict the assurance.

(d) Certification is required when the research is supported by a Federal department or agency and not otherwise waived under §21.101(i) or exempted under §21.104. For such research, institutions shall certify that each proposed research study covered by the assurance and this section has been reviewed and approved by the IRB. Such certification must be submitted as prescribed by the Federal department or agency component supporting the research. Under no condition shall research covered by this section be initiated prior to receipt of the certification that the research has been reviewed and approved by the IRB.

(e) For nonexempt research involving human subjects covered by this policy (or exempt research for which limited IRB review takes place pursuant to §21.104(d)(2)(iii), (d)(3)(i)(C), or (d)(7) or (8)) that takes place at an institution in which IRB oversight is conducted by an IRB that is not operated by the institution, the institution and the organization operating the IRB shall document the institution's reliance on the IRB for oversight of the research and the responsibilities that each entity will undertake to ensure compliance with the requirements of this policy (*e.g.*, in a written agreement between the institution and the IRB, by implementation of an institution-wide policy

29 CFR Subtitle A (7-1-21 Edition)

directive providing the allocation of responsibilities between the institution and an IRB that is not affiliated with the institution, or as set forth in a research protocol).

(Approved by the Office of Management and Budget under Control Number 0990-0260)

§21.104 Exempt research.

(a) Unless otherwise required by law or by department or agency heads, research activities in which the only involvement of human subjects will be in one or more of the categories in paragraph (d) of this section are exempt from the requirements of this policy, except that such activities must comply with the requirements of this section and as specified in each category.

(b) Use of the exemption categories for research subject to the requirements of subparts B, C, and D: Application of the exemption categories to research subject to the requirements of 45 CFR part 46, subparts B, C, and D, is as follows:

(1) *Subpart B.* Each of the exemptions at this section may be applied to research subject to subpart B if the conditions of the exemption are met.

(2) *Subpart C.* The exemptions at this section do not apply to research subject to subpart C, except for research aimed at involving a broader subject population that only incidentally includes prisoners.

(3) *Subpart D.* The exemptions at paragraphs (d)(1), (4), (5), (6), (7), and (8) of this section may be applied to research subject to subpart D if the conditions of the exemption are met. Paragraphs (d)(2)(i) and (ii) of this section only may apply to research subject to subpart D involving educational tests or the observation of public behavior when the investigator(s) do not participate in the activities being observed. Paragraph (d)(2)(iii) of this section may not be applied to research subject to subpart D.

(c) [Reserved]

(d) Except as described in paragraph (a) of this section, the following categories of human subjects research are exempt from this policy:

(1) Research, conducted in established or commonly accepted educational settings, that specifically involves normal educational practices

that are not likely to adversely impact students' opportunity to learn required educational content or the assessment of educators who provide instruction. This includes most research on regular and special education instructional strategies, and research on the effectiveness of or the comparison among instructional techniques, curricula, or classroom management methods.

(2) Research that only includes interactions involving educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures, or observation of public behavior (including visual or auditory recording) if at least one of the following criteria is met:

(i) The information obtained is recorded by the investigator in such a manner that the identity of the human subjects cannot readily be ascertained, directly or through identifiers linked to the subjects;

(ii) Any disclosure of the human subjects' responses outside the research would not reasonably place the subjects at risk of criminal or civil liability or be damaging to the subjects' financial standing, employability, educational advancement, or reputation; or

(iii) The information obtained is recorded by the investigator in such a manner that the identity of the human subjects can readily be ascertained, directly or through identifiers linked to the subjects, and an IRB conducts a limited IRB review to make the determination required by § 21.111(a)(7).

(3)(i) Research involving benign behavioral interventions in conjunction with the collection of information from an adult subject through verbal or written responses (including data entry) or audiovisual recording if the subject prospectively agrees to the intervention and information collection and at least one of the following criteria is met:

(A) The information obtained is recorded by the investigator in such a manner that the identity of the human subjects cannot readily be ascertained, directly or through identifiers linked to the subjects;

(B) Any disclosure of the human subjects' responses outside the research would not reasonably place the sub-

jects at risk of criminal or civil liability or be damaging to the subjects' financial standing, employability, educational advancement, or reputation; or

(C) The information obtained is recorded by the investigator in such a manner that the identity of the human subjects can readily be ascertained, directly or through identifiers linked to the subjects, and an IRB conducts a limited IRB review to make the determination required by § 21.111(a)(7).

(ii) For the purpose of this provision, benign behavioral interventions are brief in duration, harmless, painless, not physically invasive, not likely to have a significant adverse lasting impact on the subjects, and the investigator has no reason to think the subjects will find the interventions offensive or embarrassing. Provided all such criteria are met, examples of such benign behavioral interventions would include having the subjects play an online game, having them solve puzzles under various noise conditions, or having them decide how to allocate a nominal amount of received cash between themselves and someone else.

(iii) If the research involves deceiving the subjects regarding the nature or purposes of the research, this exemption is not applicable unless the subject authorizes the deception through a prospective agreement to participate in research in circumstances in which the subject is informed that he or she will be unaware of or misled regarding the nature or purposes of the research.

(4) Secondary research for which consent is not required: Secondary research uses of identifiable private information or identifiable biospecimens, if at least one of the following criteria is met:

(i) The identifiable private information or identifiable biospecimens are publicly available;

(ii) Information, which may include information about biospecimens, is recorded by the investigator in such a manner that the identity of the human subjects cannot readily be ascertained directly or through identifiers linked to the subjects, the investigator does not contact the subjects, and the investigator will not re-identify subjects;

§ 21.104

29 CFR Subtitle A (7-1-21 Edition)

(iii) The research involves only information collection and analysis involving the investigator's use of identifiable health information when that use is regulated under 45 CFR parts 160 and 164, subparts A and E, for the purposes of "health care operations" or "research" as those terms are defined at 45 CFR 164.501 or for "public health activities and purposes" as described under 45 CFR 164.512(b); or

(iv) The research is conducted by, or on behalf of, a Federal department or agency using government-generated or government-collected information obtained for nonresearch activities, if the research generates identifiable private information that is or will be maintained on information technology that is subject to and in compliance with section 208(b) of the E-Government Act of 2002, 44 U.S.C. 3501 note, if all of the identifiable private information collected, used, or generated as part of the activity will be maintained in systems of records subject to the Privacy Act of 1974, 5 U.S.C. 552a, and, if applicable, the information used in the research was collected subject to the Paperwork Reduction Act of 1995, 44 U.S.C. 3501 *et seq.*

(5) Research and demonstration projects that are conducted or supported by a Federal department or agency, or otherwise subject to the approval of department or agency heads (or the approval of the heads of bureaus or other subordinate agencies that have been delegated authority to conduct the research and demonstration projects), and that are designed to study, evaluate, improve, or otherwise examine public benefit or service programs, including procedures for obtaining benefits or services under those programs, possible changes in or alternatives to those programs or procedures, or possible changes in methods or levels of payment for benefits or services under those programs. Such projects include, but are not limited to, internal studies by Federal employees, and studies under contracts or consulting arrangements, cooperative agreements, or grants. Exempt projects also include waivers of otherwise mandatory requirements using authorities such as sections 1115 and 1115A of the Social Security Act, as amended.

(i) Each Federal department or agency conducting or supporting the research and demonstration projects must establish, on a publicly accessible Federal Web site or in such other manner as the department or agency head may determine, a list of the research and demonstration projects that the Federal department or agency conducts or supports under this provision. The research or demonstration project must be published on this list prior to commencing the research involving human subjects.

(ii) [Reserved]

(6) Taste and food quality evaluation and consumer acceptance studies:

(i) If wholesome foods without additives are consumed, or

(ii) If a food is consumed that contains a food ingredient at or below the level and for a use found to be safe, or agricultural chemical or environmental contaminant at or below the level found to be safe, by the Food and Drug Administration or approved by the Environmental Protection Agency or the Food Safety and Inspection Service of the U.S. Department of Agriculture.

(7) Storage or maintenance for secondary research for which broad consent is required: Storage or maintenance of identifiable private information or identifiable biospecimens for potential secondary research use if an IRB conducts a limited IRB review and makes the determinations required by § 21.111(a)(8).

(8) Secondary research for which broad consent is required: Research involving the use of identifiable private information or identifiable biospecimens for secondary research use, if the following criteria are met:

(i) Broad consent for the storage, maintenance, and secondary research use of the identifiable private information or identifiable biospecimens was obtained in accordance with § 21.116(a)(1) through (4), (a)(6), and (d);

(ii) Documentation of informed consent or waiver of documentation of consent was obtained in accordance with § 21.117;

(iii) An IRB conducts a limited IRB review and makes the determination required by § 21.111(a)(7) and makes the determination that the research to be

conducted is within the scope of the broad consent referenced in paragraph (d)(8)(i) of this section; and (iv) The investigator does not include returning individual research results to subjects as part of the study plan. This provision does not prevent an investigator from abiding by any legal requirements to return individual research results.

§§ 21.105-21.106 [Reserved]

§ 21.107 IRB membership.

(a) Each IRB shall have at least five members, with varying backgrounds to promote complete and adequate review of research activities commonly conducted by the institution. The IRB shall be sufficiently qualified through the experience and expertise of its members (professional competence), and the diversity of its members, including race, gender, and cultural backgrounds and sensitivity to such issues as community attitudes, to promote respect for its advice and counsel in safeguarding the rights and welfare of human subjects. The IRB shall be able to ascertain the acceptability of proposed research in terms of institutional commitments (including policies and resources) and regulations, applicable law, and standards of professional conduct and practice. The IRB shall therefore include persons knowledgeable in these areas. If an IRB regularly reviews research that involves a category of subjects that is vulnerable to coercion or undue influence, such as children, prisoners, individuals with impaired decision-making capacity, or economically or educationally disadvantaged persons, consideration shall be given to the inclusion of one or more individuals who are knowledgeable about and experienced in working with these categories of subjects.

(b) Each IRB shall include at least one member whose primary concerns are in scientific areas and at least one member whose primary concerns are in nonscientific areas.

(c) Each IRB shall include at least one member who is not otherwise affiliated with the institution and who is not part of the immediate family of a

person who is affiliated with the institution.

(d) No IRB may have a member participate in the IRB's initial or continuing review of any project in which the member has a conflicting interest, except to provide information requested by the IRB.

(e) An IRB may, in its discretion, invite individuals with competence in special areas to assist in the review of issues that require expertise beyond or in addition to that available on the IRB. These individuals may not vote with the IRB.

§ 21.108 IRB functions and operations.

(a) In order to fulfill the requirements of this policy each IRB shall:

(1) Have access to meeting space and sufficient staff to support the IRB's review and recordkeeping duties;

(2) Prepare and maintain a current list of the IRB members identified by name; earned degrees; representative capacity; indications of experience such as board certifications or licenses sufficient to describe each member's chief anticipated contributions to IRB deliberations; and any employment or other relationship between each member and the institution, for example, full-time employee, part-time employee, member of governing panel or board, stockholder, paid or unpaid consultant;

(3) Establish and follow written procedures for:

(i) Conducting its initial and continuing review of research and for reporting its findings and actions to the investigator and the institution;

(ii) Determining which projects require review more often than annually and which projects need verification from sources other than the investigators that no material changes have occurred since previous IRB review; and

(iii) Ensuring prompt reporting to the IRB of proposed changes in a research activity, and for ensuring that investigators will conduct the research activity in accordance with the terms of the IRB approval until any proposed changes have been reviewed and approved by the IRB, except when necessary to eliminate apparent immediate hazards to the subject.

§ 21.109

(4) Establish and follow written procedures for ensuring prompt reporting to the IRB; appropriate institutional officials; the department or agency head; and the Office for Human Research Protections, HHS, or any successor office, or the equivalent office within the appropriate Federal department or agency of

(i) Any unanticipated problems involving risks to subjects or others or any serious or continuing noncompliance with this policy or the requirements or determinations of the IRB; and

(ii) Any suspension or termination of IRB approval.

(b) Except when an expedited review procedure is used (as described in § 21.110), an IRB must review proposed research at convened meetings at which a majority of the members of the IRB are present, including at least one member whose primary concerns are in nonscientific areas. In order for the research to be approved, it shall receive the approval of a majority of those members present at the meeting.

§ 21.109 IRB review of research.

(a) An IRB shall review and have authority to approve, require modifications in (to secure approval), or disapprove all research activities covered by this policy, including exempt research activities under § 21.104 for which limited IRB review is a condition of exemption (under § 21.104(d)(2)(iii), (d)(3)(i)(C), and (d)(7), and (8)).

(b) An IRB shall require that information given to subjects (or legally authorized representatives, when appropriate) as part of informed consent is in accordance with § 21.116. The IRB may require that information, in addition to that specifically mentioned in § 21.116, be given to the subjects when in the IRB's judgment the information would meaningfully add to the protection of the rights and welfare of subjects.

(c) An IRB shall require documentation of informed consent or may waive documentation in accordance with § 21.117.

29 CFR Subtitle A (7-1-21 Edition)

(d) An IRB shall notify investigators and the institution in writing of its decision to approve or disapprove the proposed research activity, or of modifications required to secure IRB approval of the research activity. If the IRB decides to disapprove a research activity, it shall include in its written notification a statement of the reasons for its decision and give the investigator an opportunity to respond in person or in writing.

(e) An IRB shall conduct continuing review of research requiring review by the convened IRB at intervals appropriate to the degree of risk, not less than once per year, except as described in § 21.109(f).

(f)(1) Unless an IRB determines otherwise, continuing review of research is not required in the following circumstances:

(i) Research eligible for expedited review in accordance with § 21.110;

(ii) Research reviewed by the IRB in accordance with the limited IRB review described in § 21.104(d)(2)(iii), (d)(3)(i)(C), or (d)(7) or (8);

(iii) Research that has progressed to the point that it involves only one or both of the following, which are part of the IRB-approved study:

(A) Data analysis, including analysis of identifiable private information or identifiable biospecimens, or

(B) Accessing follow-up clinical data from procedures that subjects would undergo as part of clinical care.

(2) [Reserved]

(g) An IRB shall have authority to observe or have a third party observe the consent process and the research.

(Approved by the Office of Management and Budget under Control Number 0990-0260)

§ 21.110 Expedited review procedures for certain kinds of research involving no more than minimal risk, and for minor changes in approved research.

(a) The Secretary of HHS has established, and published as a Notice in the FEDERAL REGISTER, a list of categories of research that may be reviewed by the IRB through an expedited review procedure. The Secretary will evaluate the list at least every 8 years and

amend it, as appropriate, after consultation with other federal departments and agencies and after publication in the FEDERAL REGISTER for public comment. A copy of the list is available from the Office for Human Research Protections, HHS, or any successor office.

(b)(1) An IRB may use the expedited review procedure to review the following:

(i) Some or all of the research appearing on the list described in paragraph (a) of this section, unless the reviewer determines that the study involves more than minimal risk;

(ii) Minor changes in previously approved research during the period for which approval is authorized; or

(iii) Research for which limited IRB review is a condition of exemption under §21.104(d)(2)(iii), (d)(3)(i)(C), and (d)(7) and (8).

(2) Under an expedited review procedure, the review may be carried out by the IRB chairperson or by one or more experienced reviewers designated by the chairperson from among members of the IRB. In reviewing the research, the reviewers may exercise all of the authorities of the IRB except that the reviewers may not disapprove the research. A research activity may be disapproved only after review in accordance with the nonexpedited procedure set forth in §21.108(b).

(c) Each IRB that uses an expedited review procedure shall adopt a method for keeping all members advised of research proposals that have been approved under the procedure.

(d) The department or agency head may restrict, suspend, terminate, or choose not to authorize an institution's or IRB's use of the expedited review procedure.

§21.111 Criteria for IRB approval of research.

(a) In order to approve research covered by this policy the IRB shall determine that all of the following requirements are satisfied:

(1) Risks to subjects are minimized:

(i) By using procedures that are consistent with sound research design and that do not unnecessarily expose subjects to risk, and

(ii) Whenever appropriate, by using procedures already being performed on the subjects for diagnostic or treatment purposes.

(2) Risks to subjects are reasonable in relation to anticipated benefits, if any, to subjects, and the importance of the knowledge that may reasonably be expected to result. In evaluating risks and benefits, the IRB should consider only those risks and benefits that may result from the research (as distinguished from risks and benefits of therapies subjects would receive even if not participating in the research). The IRB should not consider possible long-range effects of applying knowledge gained in the research (*e.g.*, the possible effects of the research on public policy) as among those research risks that fall within the purview of its responsibility.

(3) Selection of subjects is equitable. In making this assessment the IRB should take into account the purposes of the research and the setting in which the research will be conducted. The IRB should be particularly cognizant of the special problems of research that involves a category of subjects who are vulnerable to coercion or undue influence, such as children, prisoners, individuals with impaired decision-making capacity, or economically or educationally disadvantaged persons.

(4) Informed consent will be sought from each prospective subject or the subject's legally authorized representative, in accordance with, and to the extent required by, §21.116.

(5) Informed consent will be appropriately documented or appropriately waived in accordance with §21.117.

(6) When appropriate, the research plan makes adequate provision for monitoring the data collected to ensure the safety of subjects.

(7) When appropriate, there are adequate provisions to protect the privacy of subjects and to maintain the confidentiality of data.

(i) The Secretary of HHS will, after consultation with the Office of Management and Budget's privacy office and other Federal departments and agencies that have adopted this policy, issue guidance to assist IRBs in assessing what provisions are adequate to

§21.112

protect the privacy of subjects and to maintain the confidentiality of data.

(ii) [Reserved]

(8) For purposes of conducting the limited IRB review required by §21.104(d)(7)), the IRB need not make the determinations at paragraphs (a)(1) through (7) of this section, and shall make the following determinations:

(i) Broad consent for storage, maintenance, and secondary research use of identifiable private information or identifiable biospecimens is obtained in accordance with the requirements of §21.116(a)(1)–(4), (a)(6), and (d);

(ii) Broad consent is appropriately documented or waiver of documentation is appropriate, in accordance with §21.117; and

(iii) If there is a change made for research purposes in the way the identifiable private information or identifiable biospecimens are stored or maintained, there are adequate provisions to protect the privacy of subjects and to maintain the confidentiality of data.

(b) When some or all of the subjects are likely to be vulnerable to coercion or undue influence, such as children, prisoners, individuals with impaired decision-making capacity, or economically or educationally disadvantaged persons, additional safeguards have been included in the study to protect the rights and welfare of these subjects.

§21.112 Review by Institution

Research covered by this policy that has been approved by an IRB may be subject to further appropriate review and approval or disapproval by officials of the institution. However, those officials may not approve the research if it has not been approved by an IRB.

§21.113 Suspension or Termination of IRB Approval of Research.

An IRB shall have authority to suspend or terminate approval of research that is not being conducted in accordance with the IRB's requirements or that has been associated with unexpected serious harm to subjects. Any suspension or termination of approval shall include a statement of the reasons for the IRB's action and shall be reported promptly to the investigator,

29 CFR Subtitle A (7–1–21 Edition)

appropriate institutional officials, and the department or agency head.

(Approved by the Office of Management and Budget under Control Number 0990–0260)

§21.114 Cooperative Research.

(a) Cooperative research projects are those projects covered by this policy that involve more than one institution. In the conduct of cooperative research projects, each institution is responsible for safeguarding the rights and welfare of human subjects and for complying with this policy.

(b)(1) Any institution located in the United States that is engaged in cooperative research must rely upon approval by a single IRB for that portion of the research that is conducted in the United States. The reviewing IRB will be identified by the Federal department or agency supporting or conducting the research or proposed by the lead institution subject to the acceptance of the Federal department or agency supporting the research.

(2) The following research is not subject to this provision:

(i) Cooperative research for which more than single IRB review is required by law (including tribal law passed by the official governing body of an American Indian or Alaska Native tribe); or

(ii) Research for which any Federal department or agency supporting or conducting the research determines and documents that the use of a single IRB is not appropriate for the particular context.

(c) For research not subject to paragraph (b) of this section, an institution participating in a cooperative project may enter into a joint review arrangement, rely on the review of another IRB, or make similar arrangements for avoiding duplication of effort.

§21.115 IRB Records.

(a) An institution, or when appropriate an IRB, shall prepare and maintain adequate documentation of IRB activities, including the following:

(1) Copies of all research proposals reviewed, scientific evaluations, if any, that accompany the proposals, approved sample consent forms, progress reports submitted by investigators, and reports of injuries to subjects.

(2) Minutes of IRB meetings, which shall be in sufficient detail to show attendance at the meetings; actions taken by the IRB; the vote on these actions including the number of members voting for, against, and abstaining; the basis for requiring changes in or disapproving research; and a written summary of the discussion of controverted issues and their resolution.

(3) Records of continuing review activities, including the rationale for conducting continuing review of research that otherwise would not require continuing review as described in §21.109(f)(1).

(4) Copies of all correspondence between the IRB and the investigators.

(5) A list of IRB members in the same detail as described in §21.108(a)(2).

(6) Written procedures for the IRB in the same detail as described in §21.108(a)(3) and (4).

(7) Statements of significant new findings provided to subjects, as required by §21.116(c)(5).

(8) The rationale for an expedited reviewer's determination under §21.110(b)(1)(i) that research appearing on the expedited review list described in §21.110(a) is more than minimal risk.

(9) Documentation specifying the responsibilities that an institution and an organization operating an IRB each will undertake to ensure compliance with the requirements of this policy, as described in §21.103(e).

(b) The records required by this policy shall be retained for at least 3 years, and records relating to research that is conducted shall be retained for at least 3 years after completion of the research. The institution or IRB may maintain the records in printed form, or electronically. All records shall be accessible for inspection and copying by authorized representatives of the Federal department or agency at reasonable times and in a reasonable manner.

§21.116 General Requirements for Informed Consent.

(a) *General.* General requirements for informed consent, whether written or oral, are set forth in this paragraph and apply to consent obtained in ac-

cordance with the requirements set forth in paragraphs (b) through (d) of this section. Broad consent may be obtained in lieu of informed consent obtained in accordance with paragraphs (b) and (c) of this section only with respect to the storage, maintenance, and secondary research uses of identifiable private information and identifiable biospecimens. Waiver or alteration of consent in research involving public benefit and service programs conducted by or subject to the approval of state or local officials is described in paragraph (e) of this section. General waiver or alteration of informed consent is described in paragraph (f) of this section. Except as provided elsewhere in this policy:

(1) Before involving a human subject in research covered by this policy, an investigator shall obtain the legally effective informed consent of the subject or the subject's legally authorized representative.

(2) An investigator shall seek informed consent only under circumstances that provide the prospective subject or the legally authorized representative sufficient opportunity to discuss and consider whether or not to participate and that minimize the possibility of coercion or undue influence.

(3) The information that is given to the subject or the legally authorized representative shall be in language understandable to the subject or the legally authorized representative.

(4) The prospective subject or the legally authorized representative must be provided with the information that a reasonable person would want to have in order to make an informed decision about whether to participate, and an opportunity to discuss that information.

(5) Except for broad consent obtained in accordance with paragraph (d) of this section:

(i) Informed consent must begin with a concise and focused presentation of the key information that is most likely to assist a prospective subject or legally authorized representative in understanding the reasons why one might or might not want to participate in the research. This part of the informed

§21.116

29 CFR Subtitle A (7-1-21 Edition)

consent must be organized and presented in a way that facilitates comprehension.

(ii) Informed consent as a whole must present information in sufficient detail relating to the research, and must be organized and presented in a way that does not merely provide lists of isolated facts, but rather facilitates the prospective subject's or legally authorized representative's understanding of the reasons why one might or might not want to participate.

(6) No informed consent may include any exculpatory language through which the subject or the legally authorized representative is made to waive or appear to waive any of the subject's legal rights, or releases or appears to release the investigator, the sponsor, the institution, or its agents from liability for negligence.

(b) *Basic elements of informed consent.* Except as provided in paragraph (d), (e), or (f) of this section, in seeking informed consent the following information shall be provided to each subject or the legally authorized representative:

(1) A statement that the study involves research, an explanation of the purposes of the research and the expected duration of the subject's participation, a description of the procedures to be followed, and identification of any procedures that are experimental;

(2) A description of any reasonably foreseeable risks or discomforts to the subject;

(3) A description of any benefits to the subject or to others that may reasonably be expected from the research;

(4) A disclosure of appropriate alternative procedures or courses of treatment, if any, that might be advantageous to the subject;

(5) A statement describing the extent, if any, to which confidentiality of records identifying the subject will be maintained;

(6) For research involving more than minimal risk, an explanation as to whether any compensation and an explanation as to whether any medical treatments are available if injury occurs and, if so, what they consist of, or where further information may be obtained;

(7) An explanation of whom to contact for answers to pertinent questions about the research and research subjects' rights, and whom to contact in the event of a research-related injury to the subject;

(8) A statement that participation is voluntary, refusal to participate will involve no penalty or loss of benefits to which the subject is otherwise entitled, and the subject may discontinue participation at any time without penalty or loss of benefits to which the subject is otherwise entitled; and

(9) One of the following statements about any research that involves the collection of identifiable private information or identifiable biospecimens:

(i) A statement that identifiers might be removed from the identifiable private information or identifiable biospecimens and that, after such removal, the information or biospecimens could be used for future research studies or distributed to another investigator for future research studies without additional informed consent from the subject or the legally authorized representative, if this might be a possibility; or

(ii) A statement that the subject's information or biospecimens collected as part of the research, even if identifiers are removed, will not be used or distributed for future research studies.

(c) *Additional elements of informed consent.* Except as provided in paragraph (d), (e), or (f) of this section, one or more of the following elements of information, when appropriate, shall also be provided to each subject or the legally authorized representative:

(1) A statement that the particular treatment or procedure may involve risks to the subject (or to the embryo or fetus, if the subject is or may become pregnant) that are currently unforeseeable;

(2) Anticipated circumstances under which the subject's participation may be terminated by the investigator without regard to the subject's or the legally authorized representative's consent;

(3) Any additional costs to the subject that may result from participation in the research;

(4) The consequences of a subject's decision to withdraw from the research

and procedures for orderly termination of participation by the subject;

(5) A statement that significant new findings developed during the course of the research that may relate to the subject's willingness to continue participation will be provided to the subject;

(6) The approximate number of subjects involved in the study;

(7) A statement that the subject's biospecimens (even if identifiers are removed) may be used for commercial profit and whether the subject will or will not share in this commercial profit;

(8) A statement regarding whether clinically relevant research results, including individual research results, will be disclosed to subjects, and if so, under what conditions; and

(9) For research involving biospecimens, whether the research will (if known) or might include whole genome sequencing (*i.e.*, sequencing of a human germline or somatic specimen with the intent to generate the genome or exome sequence of that specimen).

(d) *Elements of broad consent for the storage, maintenance, and secondary research use of identifiable private information or identifiable biospecimens.* Broad consent for the storage, maintenance, and secondary research use of identifiable private information or identifiable biospecimens (collected for either research studies other than the proposed research or nonresearch purposes) is permitted as an alternative to the informed consent requirements in paragraphs (b) and (c) of this section. If the subject or the legally authorized representative is asked to provide broad consent, the following shall be provided to each subject or the subject's legally authorized representative:

(1) The information required in paragraphs (b)(2), (b)(3), (b)(5), and (b)(8) and, when appropriate, (c)(7) and (9) of this section;

(2) A general description of the types of research that may be conducted with the identifiable private information or identifiable biospecimens. This description must include sufficient information such that a reasonable person would expect that the broad consent would permit the types of research conducted;

(3) A description of the identifiable private information or identifiable biospecimens that might be used in research, whether sharing of identifiable private information or identifiable biospecimens might occur, and the types of institutions or researchers that might conduct research with the identifiable private information or identifiable biospecimens;

(4) A description of the period of time that the identifiable private information or identifiable biospecimens may be stored and maintained (which period of time could be indefinite), and a description of the period of time that the identifiable private information or identifiable biospecimens may be used for research purposes (which period of time could be indefinite);

(5) Unless the subject or legally authorized representative will be provided details about specific research studies, a statement that they will not be informed of the details of any specific research studies that might be conducted using the subject's identifiable private information or identifiable biospecimens, including the purposes of the research, and that they might have chosen not to consent to some of those specific research studies;

(6) Unless it is known that clinically relevant research results, including individual research results, will be disclosed to the subject in all circumstances, a statement that such results may not be disclosed to the subject; and

(7) An explanation of whom to contact for answers to questions about the subject's rights and about storage and use of the subject's identifiable private information or identifiable biospecimens, and whom to contact in the event of a research-related harm.

(e) *Waiver or alteration of consent in research involving public benefit and service programs conducted by or subject to the approval of state or local officials—(1) Waiver.* An IRB may waive the requirement to obtain informed consent for research under paragraphs (a) through (c) of this section, provided the IRB satisfies the requirements of paragraph (e)(3) of this section. If an individual was asked to provide broad consent for

the storage, maintenance, and secondary research use of identifiable private information or identifiable biospecimens in accordance with the requirements at paragraph (d) of this section, and refused to consent, an IRB cannot waive consent for the storage, maintenance, or secondary research use of the identifiable private information or identifiable biospecimens.

(2) *Alteration.* An IRB may approve a consent procedure that omits some, or alters some or all, of the elements of informed consent set forth in paragraphs (b) and (c) of this section provided the IRB satisfies the requirements of paragraph (e)(3) of this section. An IRB may not omit or alter any of the requirements described in paragraph (a) of this section. If a broad consent procedure is used, an IRB may not omit or alter any of the elements required under paragraph (d) of this section.

(3) *Requirements for waiver and alteration.* In order for an IRB to waive or alter consent as described in this subsection, the IRB must find and document that:

(i) The research or demonstration project is to be conducted by or subject to the approval of state or local government officials and is designed to study, evaluate, or otherwise examine:

(A) Public benefit or service programs;

(B) Procedures for obtaining benefits or services under those programs;

(C) Possible changes in or alternatives to those programs or procedures; or

(D) Possible changes in methods or levels of payment for benefits or services under those programs; and

(ii) The research could not practicably be carried out without the waiver or alteration.

(f) *General waiver or alteration of consent—(1) Waiver.* An IRB may waive the requirement to obtain informed consent for research under paragraphs (a) through (c) of this section, provided the IRB satisfies the requirements of paragraph (f)(3) of this section. If an individual was asked to provide broad consent for the storage, maintenance, and secondary research use of identifiable private information or identifiable biospecimens in accordance with the

requirements at paragraph (d) of this section, and refused to consent, an IRB cannot waive consent for the storage, maintenance, or secondary research use of the identifiable private information or identifiable biospecimens.

(2) *Alteration.* An IRB may approve a consent procedure that omits some, or alters some or all, of the elements of informed consent set forth in paragraphs (b) and (c) of this section provided the IRB satisfies the requirements of paragraph (f)(3) of this section. An IRB may not omit or alter any of the requirements described in paragraph (a) of this section. If a broad consent procedure is used, an IRB may not omit or alter any of the elements required under paragraph (d) of this section.

(3) *Requirements for waiver and alteration.* In order for an IRB to waive or alter consent as described in this subsection, the IRB must find and document that:

(i) The research involves no more than minimal risk to the subjects;

(ii) The research could not practicably be carried out without the requested waiver or alteration;

(iii) If the research involves using identifiable private information or identifiable biospecimens, the research could not practicably be carried out without using such information or biospecimens in an identifiable format;

(iv) The waiver or alteration will not adversely affect the rights and welfare of the subjects; and

(v) Whenever appropriate, the subjects or legally authorized representatives will be provided with additional pertinent information after participation.

(g) *Screening, recruiting, or determining eligibility.* An IRB may approve a research proposal in which an investigator will obtain information or biospecimens for the purpose of screening, recruiting, or determining the eligibility of prospective subjects without the informed consent of the prospective subject or the subject's legally authorized representative, if either of the following conditions are met:

(1) The investigator will obtain information through oral or written communication with the prospective subject or legally authorized representative, or

(2) The investigator will obtain identifiable private information or identifiable biospecimens by accessing records or stored identifiable biospecimens.

(h) *Posting of clinical trial consent form.* (1) For each clinical trial conducted or supported by a Federal department or agency, one IRB-approved informed consent form used to enroll subjects must be posted by the awardee or the Federal department or agency component conducting the trial on a publicly available Federal Web site that will be established as a repository for such informed consent forms.

(2) If the Federal department or agency supporting or conducting the clinical trial determines that certain information should not be made publicly available on a Federal Web site (*e.g.* confidential commercial information), such Federal department or agency may permit or require redactions to the information posted.

(3) The informed consent form must be posted on the Federal Web site after the clinical trial is closed to recruitment, and no later than 60 days after the last study visit by any subject, as required by the protocol.

(i) *Preemption.* The informed consent requirements in this policy are not intended to preempt any applicable Federal, state, or local laws (including tribal laws passed by the official governing body of an American Indian or Alaska Native tribe) that require additional information to be disclosed in order for informed consent to be legally effective.

(j) *Emergency medical care.* Nothing in this policy is intended to limit the authority of a physician to provide emergency medical care, to the extent the physician is permitted to do so under applicable Federal, state, or local law (including tribal law passed by the official governing body of an American Indian or Alaska Native tribe).

(Approved by the Office of Management and Budget under Control Number 0990-0260)

§21.117 Documentation of informed consent.

(a) Except as provided in paragraph (c) of this section, informed consent shall be documented by the use of a written informed consent form approved by the IRB and signed (including in an electronic format) by the subject or the subject's legally authorized representative. A written copy shall be given to the person signing the informed consent form.

(b) Except as provided in paragraph (c) of this section, the informed consent form may be either of the following:

(1) A written informed consent form that meets the requirements of §21.116. The investigator shall give either the subject or the subject's legally authorized representative adequate opportunity to read the informed consent form before it is signed; alternatively, this form may be read to the subject or the subject's legally authorized representative.

(2) A short form written informed consent form stating that the elements of informed consent required by §21.116 have been presented orally to the subject or the subject's legally authorized representative, and that the key information required by §21.116(a)(5)(i) was presented first to the subject, before other information, if any, was provided. The IRB shall approve a written summary of what is to be said to the subject or the legally authorized representative. When this method is used, there shall be a witness to the oral presentation. Only the short form itself is to be signed by the subject or the subject's legally authorized representative. However, the witness shall sign both the short form and a copy of the summary, and the person actually obtaining consent shall sign a copy of the summary. A copy of the summary shall be given to the subject or the subject's legally authorized representative, in addition to a copy of the short form.

(c)(1) An IRB may waive the requirement for the investigator to obtain a signed informed consent form for some or all subjects if it finds any of the following:

(i) That the only record linking the subject and the research would be the

§21.118

informed consent form and the principal risk would be potential harm resulting from a breach of confidentiality. Each subject (or legally authorized representative) will be asked whether the subject wants documentation linking the subject with the research, and the subject's wishes will govern;

(ii) That the research presents no more than minimal risk of harm to subjects and involves no procedures for which written consent is normally required outside of the research context; or

(iii) If the subjects or legally authorized representatives are members of a distinct cultural group or community in which signing forms is not the norm, that the research presents no more than minimal risk of harm to subjects and provided there is an appropriate alternative mechanism for documenting that informed consent was obtained.

(2) In cases in which the documentation requirement is waived, the IRB may require the investigator to provide subjects or legally authorized representatives with a written statement regarding the research.

(Approved by the Office of Management and Budget under Control Number 0990-0260)

§21.118 Applications and proposals lacking definite plans for involvement of human subjects.

Certain types of applications for grants, cooperative agreements, or contracts are submitted to Federal departments or agencies with the knowledge that subjects may be involved within the period of support, but definite plans would not normally be set forth in the application or proposal. These include activities such as institutional type grants when selection of specific projects is the institution's responsibility; research training grants in which the activities involving subjects remain to be selected; and projects in which human subjects' involvement will depend upon completion of instruments, prior animal studies, or purification of compounds. Except for research waived under §21.101(i) or exempted under §21.104, no human subjects may be involved in any project supported by these awards until the project has been reviewed and approved

29 CFR Subtitle A (7-1-21 Edition)

by the IRB, as provided in this policy, and certification submitted, by the institution, to the Federal department or agency component supporting the research.

§21.119 Research undertaken without the intention of involving human subjects.

Except for research waived under §21.101(i) or exempted under §21.104, in the event research is undertaken without the intention of involving human subjects, but it is later proposed to involve human subjects in the research, the research shall first be reviewed and approved by an IRB, as provided in this policy, a certification submitted by the institution to the Federal department or agency component supporting the research, and final approval given to the proposed change by the Federal department or agency component.

§21.120 Evaluation and disposition of applications and proposals for research to be conducted or supported by a Federal department or agency.

(a) The department or agency head will evaluate all applications and proposals involving human subjects submitted to the Federal department or agency through such officers and employees of the Federal department or agency and such experts and consultants as the department or agency head determines to be appropriate. This evaluation will take into consideration the risks to the subjects, the adequacy of protection against these risks, the potential benefits of the research to the subjects and others, and the importance of the knowledge gained or to be gained.

(b) On the basis of this evaluation, the department or agency head may approve or disapprove the application or proposal, or enter into negotiations to develop an approvable one.

§21.121 [Reserved]

§21.122 Use of Federal funds.

Federal funds administered by a Federal department or agency may not be expended for research involving human subjects unless the requirements of this policy have been satisfied.

Office of the Secretary of Labor

§ 22.1

§ 21.123 Early termination of research support: Evaluation of applications and proposals.

(a) The department or agency head may require that Federal department or agency support for any project be terminated or suspended in the manner prescribed in applicable program requirements, when the department or agency head finds an institution has materially failed to comply with the terms of this policy.

(b) In making decisions about supporting or approving applications or proposals covered by this policy the department or agency head may take into account, in addition to all other eligibility requirements and program criteria, factors such as whether the applicant has been subject to a termination or suspension under paragraph (a) of this section and whether the applicant or the person or persons who would direct or has/have directed the scientific and technical aspects of an activity has/have, in the judgment of the department or agency head, materially failed to discharge responsibility for the protection of the rights and welfare of human subjects (whether or not the research was subject to federal regulation).

§ 21.124 Conditions.

With respect to any research project or any class of research projects the department or agency head of either the conducting or the supporting Federal department or agency may impose additional conditions prior to or at the time of approval when in the judgment of the department or agency head additional conditions are necessary for the protection of human subjects.

(4) Each claim for property, services, or money is subject to a civil penalty regardless of whether such property, services, or money is actually delivered or paid.

(5) If the Government has made any payment (including transferred property or provided services) on a claim, a person subject to a civil penalty under paragraph (a)(1) of this section shall also be subject to an assessment of not more than twice the amount of such claim or that portion thereof that is determined to be in violation of paragraph (a)(1) of this section. poena is issued and shall identify the records or documents sought;

(2) The investigating official may designate a person to act on his or her behalf to receive the documents sought; and

(3) The person receiving such subpoena shall be required to tender to the investigating official or the person designated to receive the documents a certification that the documents sought have been produced, or that such documents are not available and the reasons therefor, or that such documents, suitably identified, have been withheld based upon the assertion of an identified privilege.

(b) If the investigating official concludes that an action under the Program Fraud Civil Remedies Act may be warranted, the investigating official shall submit a report containing the findings and conclusions of such investigation to the reviewing official.

(c) Nothing in this section shall preclude or limit an investigating official's discretion to refer allegations directly to the Department of Justice for suit under the False Claims Act or other civil relief, or to defer or postpone a report or referral to the reviewing official to avoid interference with a criminal investigation or prosecution.

(d) Nothing in this section modifies any responsibility of an investigating official to report violations of criminal law to the Attorney General.

§ 22.5 Review by the reviewing official.

(b) Such notice shall include—

(6) A statement that there is a reasonable prospect of collecting an appropriate amount of penalties and assessments.

§ 22.6 Prerequisites for issuing a complaint.

(a) The reviewing official may issue a complaint under § 22.7 only if—

(1) The Department of Justice approves the issuance of a complaint in a written statement described in 31 U.S.C. 3803(b)(1), and

(2) In the case of allegations of liability under § 22.3(a) with respect to a claim, the reviewing official determines that, with respect to such claim or a group of related claims submitted at the same time such claim is submitted (as defined in paragraph (b) of this section), the amount of money or the value of property or services demanded or requested in violation of § 22.3(a) does not exceed \$150,000.

(b) For the purposes of this section, a related group of claims submitted at the same time shall include only those claims arising from the same transaction (*e.g.*, grant, loan, application, or contract) that are submitted simultaneously as part of a single request, demand, or submission.

(c) Nothing in this section shall be construed to limit the reviewing official's authority to join in a single complaint against a person claims that are unrelated or were not submitted simultaneously, regardless of the amount of money, or the value of property or services, demanded or requested.

§ 22.7 Complaint.

(a) On or after the date the Department of Justice approves the issuance of a complaint in accordance with 31 U.S.C. 3803(b)(1), the reviewing official may serve a complaint on the defendant, as provided in § 22.8.

(b) The complaint shall state—

(1) The allegations of liability against the defendant, including the statutory basis for liability, an identification of the claims or statements that are the basis for the alleged liability, and the reasons why liability allegedly arises from such claims or statements;

(2) The maximum amount of penalties and assessments for which the defendant may be held liable;

(3) Instructions for filing an answer to request a hearing, including a specific statement of the defendant's right to request a hearing by filing an answer and to be represented by a representative; and

(4) That failure to file an answer within 30 days of service of the complaint will result in the imposition of the maximum amount of penalties and assessments without right to appeal, as provided in § 22.10.

(c) At the same time the reviewing official serves the complaint, he or she shall serve the defendant with a copy of these regulations.

§ 22.8 Service of complaint.

(a) Service of a complaint must be made by certified or registered mail or by delivery in any manner authorized by Rule 4(d) of the Federal Rules of Civil Procedure. Service is complete upon receipt.

(b) Proof of service, stating the name and address of the person on whom the complaint was served, and the manner and date of service, may be made by—

(1) Affidavit of the individual serving the complaint by delivery;

(2) A United States Postal Service return receipt card acknowledging receipt; or

(3) Written acknowledgment of receipt by the defendant or his representative.

§ 22.9 Answer.

(a) The defendant may request a hearing by filing an answer with the reviewing official within 30 days of service of the complaint. An answer shall be deemed to be a request for hearing.

(b) In the answer, the defendant—

(1) Shall admit or deny each of the allegations of liability made in the complaint;

§ 22.10

(2) Shall state any defense on which the defendant intends to rely;

(3) May state any reasons why the defendant contends that the penalties and assessments should be less than the statutory maximum; and

(4) Shall state the name, address, and telephone number of the person authorized by the defendant to act as defendant's representative, if any.

(c) If the defendant is unable to file an answer meeting the requirements of paragraph (b) of this section within the time provided, the defendant may, before the expiration of 30 days from service of the complaint, file with the reviewing official a general answer denying liability and requesting a hearing, and a request for an extension of time within which to file an answer meeting the requirements of paragraph (b) of this section. The reviewing official shall file promptly with the ALJ the complaint, the general answer denying liability, and the request for an extension of time as provided in § 22.11. For good cause shown, the ALJ may grant the defendant up to 30 additional days within which to file an answer meeting the requirements of paragraph (b) of this section.

§ 22.10 Default upon failure to file an answer.

(a) If the defendant does not file an answer within the time prescribed in § 22.9(a), the reviewing official may refer the complaint to the ALJ.

(b) Upon the referral of the complaint, the ALJ shall promptly serve on defendant in the manner prescribed in § 22.8, a notice that an initial decision will be issued under this section.

(c) The ALJ shall assume the facts alleged in the complaint to be true, and, if such facts establish liability under § 22.3, the ALJ shall issue an initial decision imposing the maximum amount of penalties and assessments allowed under the statute.

(d) Except as otherwise provided in this section, by failing to file a timely answer, the defendant waives any right to further review of the penalties and assessments imposed under paragraph (c) of this section and the initial decision shall become final and binding upon the parties 30 days after it is issued.

29 CFR Subtitle A (7-1-21 Edition)

(e) If, before such an initial decision becomes final, the defendant files a motion with the ALJ seeking to reopen on the grounds that extraordinary circumstances prevented the defendant from filing an answer, the initial decision shall be stayed pending the ALJ's decision on the motion.

(f) If, on such motion, the defendant can demonstrate extraordinary circumstances excusing the failure to file a timely answer, the ALJ shall withdraw the initial decision in paragraph (c) of this section, if such a decision has been issued, and shall grant the defendant an opportunity to answer the complaint.

(g) A decision of the ALJ denying a defendant's motion under paragraph (e) of this section is not subject to reconsideration under § 22.38.

(h) The defendant may appeal to the ARB the decision denying a motion to reopen by filing a notice of appeal with the ARB within 15 days after the ALJ denies the motion. The timely filing of a notice of appeal shall stay the initial decision until the ARB decides the issue.

(i) If the defendant files a timely notice of appeal with the ARB, the ALJ shall forward the record of the proceeding to the ARB.

(j) The ARB shall decide expeditiously whether extraordinary circumstances excuse the defendant's failure to file a timely answer based solely on the record before the ALJ.

(k) If the ARB decides that extraordinary circumstances excused the defendant's failure to file a timely answer, the ARB shall remand the case to the ALJ with instructions to grant the defendant an opportunity to answer.

(l) If the ARB decides that the defendant's failure to file a timely answer is not excused, the ARB shall reinstate the initial decision of the ALJ, which shall become final and binding upon the parties 30 days after the ARB issues such decision and it becomes final in accordance with Secretary's Order 01-2020 (or any successor to that order).

(d) Such affidavit shall state specific facts that support the party's belief that personal bias or other reason for disqualification exists and the time and circumstances of the party's discovery of such facts. It shall be accompanied by a certificate of the representative of record that it is made in good faith.

Upon payment of fees for duplication, the defendant may obtain copies of such documents.

(b) Upon written request to the reviewing official, the defendant also may obtain a copy of all exculpatory information in the possession of the reviewing official or investigating official relating to the allegations in the complaint, even if it is contained in a document that would otherwise be privileged. If the document would otherwise be privileged, only that portion containing exculpatory information must be disclosed.

(b) For the purpose of this section and §§ 22.22 and 22.23, the term *documents* includes information, documents, reports, answers, records, accounts, pa-

At the time the above documents are exchanged, any party that intends to rely on the transcript of deposition testimony in lieu of live testimony at the hearing, if permitted by the ALJ, shall provide each party with a copy of the specific pages of the transcript it intends to introduce into evidence.

(b) If a party objects, the ALJ shall not admit into evidence the testimony of any witness whose name does not appear on the witness list or any exhibit not provided to the opposing party as provided above unless the ALJ finds good cause for the failure or that there is no prejudice to the objecting party.

(c) Unless another party objects within the time set by the ALJ, documents exchanged in accordance with paragraph (a) of this section shall be deemed to be authentic for the purpose of admissibility at the hearing.

§ 22.23 Subpoenas for attendance at hearing.

(a) A party wishing to procure the appearance and testimony of any individual at the hearing may request that the ALJ issue a subpoena.

(b) A subpoena requiring the attendance and testimony of an individual may also require the individual to produce documents at the hearing.

(a) A party or a prospective witness or deponent may file a motion for a protective order with respect to discovery sought by an opposing party or with respect to the hearing, seeking to limit the availability or disclosure of evidence.

(b) In issuing a protective order, the ALJ may make any order which justice requires to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense, including one or more of the following:

- (1) That the discovery not be had;
- (2) That the discovery may be had only on specified terms and conditions, including a designation of the time or place;
- (3) That the discovery may be had only through a method of discovery other than that requested;
- (4) That certain matters not be inquired into, or that the scope of discovery be limited to certain matters;

§ 22.25 Fees.

The party requesting a subpoena shall pay the cost of the fees and mileage of any witness subpoenaed in the amounts that would be payable to a witness in a proceeding in United States District Court. A check for witness fees and mileage shall accompany the subpoena when served, except that when a subpoena is issued on behalf of the authority, a check for witness fees and mileage need not accompany the subpoena.

§ 22.26 Form, filing and service of papers.

(a) *Form.* (1) Documents filed with the ALJ shall include an original and two copies.

(2) Every pleading and paper filed in the proceeding shall contain a caption setting forth the title of the action, the case number assigned by the ALJ, and a designation of the paper (e.g., motion to quash subpoena).

(3) Every pleading and paper shall be signed by, and shall contain the address and telephone number of the party or the person on whose behalf the paper was filed, or his or her representative.

(4) Papers are considered filed when they are mailed. Date of mailing may be established by a certificate from the party or its representative or by proof that the document was sent by certified or registered mail.

(b) *Service.* A party filing a document with the ALJ shall, at the time of filing, serve a copy of such document on every other party. Service upon any party of any document other than those required to be served as prescribed in § 22.8 shall be made in accordance with 29 CFR part 18. When a party is represented by a representative, service shall be made upon such representative in lieu of the actual party.

(c) *Proof of service.* A certificate of the individual serving the document, setting forth the manner of service, shall be proof of service.

§ 22.27 Computation of time.

(a) In computing any period of time under this part or in an order issued thereunder, the time begins with the day following the act, event, or default, and includes the last day of the period, unless it is a Saturday, Sunday, or legal holiday observed by the Federal government, in which event it includes the next business day.

(b) When the period of time allowed is less than seven days, intermediate Saturdays, Sundays, and legal holidays observed by the Federal government shall be excluded from the computation.

(c) Where a document has been served or issued by placing it in the mail, an additional five days will be added to the time permitted for any response.

§ 22.28 Motions.

(a) Any application to the ALJ for an order or ruling shall be by motion. Motions shall state the relief sought, the authority relied upon, and the facts alleged, and shall be filed with the ALJ and served on all other parties.

(b) Except for motions made during a prehearing conference or at the hearing, all motions shall be in writing. The ALJ may require that oral motions be reduced to writing.

(c) Within 15 days after a written motion is served, or such other time as may be fixed by the ALJ, any party may file a response to such motion.

(d) The ALJ may not grant a written motion before the time for filing responses thereto has expired, except upon consent of the parties or following a hearing on the motion, but may overrule or deny such motion without awaiting a response.

(e) The ALJ shall make a reasonable effort to dispose of all outstanding motions prior to the beginning of the hearing.

§ 22.29 Sanctions.

(a) The ALJ may sanction a person, including any party or representative for—

(1) Failing to comply with an order, rule, or procedure governing the proceeding;

(2) Failing to prosecute or defend an action; or

§ 22.30

(3) Engaging in other misconduct that interferes with the speedy, orderly, or fair conduct of the hearing.

(b) Any such sanction, including but not limited to those listed in paragraphs (c), (d), and (e) of this section, shall reasonably relate to the severity and nature of the failure or misconduct.

(c) When a party fails to comply with an order, including an order for taking a deposition, the production of evidence within the party's control, or a request for admission, the ALJ may—

(1) Draw an inference in favor of the requesting party with regard to the information sought;

(2) In the case of requests for admission, deem each matter of which an admission is requested to be admitted;

(3) Prohibit the party failing to comply with such order from introducing evidence concerning, or otherwise relying, upon testimony relating to the information; and

(4) Strike any part of the pleadings or other submissions of the party failing to comply with such request.

(d) If a party fails to prosecute or defend an action under this part commenced by service of a notice of hearing, the ALJ may dismiss the action or may issue an initial decision imposing penalties and assessments.

(e) The ALJ may refuse to consider any motion, request, response, brief or other document which is not filed in a timely fashion.

§ 22.30 The hearing and burden of proof.

(a) The ALJ shall conduct a hearing on the record in order to determine whether the defendant is liable for a civil penalty or assessment under § 22.3 and, if so, the appropriate amount of any such civil penalty or assessment considering any aggravating or mitigating factors.

(b) The authority shall prove defendant's liability and any aggravating factors by a preponderance of the evidence.

(c) The defendant shall prove any affirmative defenses and any mitigating factors by a preponderance of the evidence.

29 CFR Subtitle A (7-1-21 Edition)

(d) The hearing shall be open to the public unless otherwise ordered by the ALJ for good cause shown.

§ 22.31 Determining the amount of penalties and assessments.

(a) In determining an appropriate amount of civil penalties and assessments, the ALJ and the ARB, upon appeal, should evaluate any circumstances that mitigate or aggravate the violation and should articulate in their opinions the reasons that support the penalties and assessments they impose. Because of the intangible costs of fraud, the expense of investigating such conduct, and the need to deter others who might be similarly tempted, ordinarily double damages and a significant civil penalty should be imposed.

(b) Although not exhaustive, the following factors are among those that may influence the ALJ and the ARB in determining the amount of penalties and assessments to impose with respect to the misconduct (*i.e.*, the false, fictitious, or fraudulent claims or statements) charged in the complaint:

(1) The number of false, fictitious, or fraudulent claims or statements;

(2) The time period over which such claims or statements were made;

(3) The degree of the defendant's culpability with respect to the misconduct;

(4) The amount of money or the value of the property, services, or benefit falsely claimed;

(5) The value of the Government's actual loss as a result of the misconduct, including foreseeable consequential damages and the costs of investigation;

(6) The relationship of the amount imposed as civil penalties to the amount of the Government's loss;

(7) The potential or actual impact of the misconduct upon national defense, public health or safety, or public confidence in the management of Government programs and operations, including particularly the impact on the intended beneficiaries of such programs;

(8) Whether the defendant has engaged in a pattern of the same or similar misconduct;

(9) Whether the defendant attempted to conceal the misconduct;

(10) The degree to which the defendant has involved others in the misconduct or in concealing it;

(11) Where the misconduct of employees or agents is imputed to the defendant, the extent to which the defendant's practices fostered or attempted to preclude such misconduct;

(12) Whether the defendant cooperated in or obstructed an investigation of the misconduct;

(13) Whether the defendant assisted in identifying and prosecuting other wrongdoers;

(14) The complexity of the program or transaction, and the degree of the defendant's sophistication with respect to it, including the extent of the defendant's prior participation in the program or in similar transactions;

(15) Whether the defendant has been found, in any criminal, civil, or administrative proceeding to have engaged in similar misconduct or to have dealt dishonestly with the Government of the United States or of a State, directly or indirectly; and

(16) The need to deter the defendant and others from engaging in the same or similar misconduct.

(c) Nothing in this section shall be construed to limit the ALJ or the ARB from considering any other factors that in any given case may mitigate or aggravate the offense for which penalties and assessments are imposed.

[52 FR 48492, Dec. 22, 1987, as amended at 86 FR 1781, Jan. 11, 2021]

§ 22.32 Location of hearing.

(a) The hearing may be held—

(1) In any judicial district of the United States in which the defendant resides or transacts business;

(2) In any judicial district of the United States in which the claim or statement in issue was made; or

(3) In such other place as may be agreed upon by the defendant and the ALJ.

(b) Each party shall have the opportunity to present argument with respect to the location of the hearing.

(c) The hearing shall be held at the place and at the time ordered by the ALJ.

§ 22.33 Witnesses.

(a) Except as provided in paragraph (b) of this section, testimony at the hearing shall be given orally by witnesses under oath or affirmation.

(b) At the discretion of the ALJ, testimony may be admitted in the form of a written statement or deposition. Any such written statement must be provided to all other parties along with the last known address of such witness, in a manner which allows sufficient time for other parties to subpoena such witness for cross-examination at the hearing. Prior written statements of witnesses proposed to testify at the hearing and deposition transcripts shall be exchanged as provided in § 22.22(a).

(c) The ALJ shall exercise reasonable control over the mode and order of interrogating witnesses and presenting evidence so as to (1) Make the interrogation and presentation effective for the ascertainment of the truth, (2) Avoid needless consumption of time, and (3) Protect witnesses from harassment or undue embarrassment.

(d) The ALJ shall permit the parties to conduct such cross-examination as may be required for a full and true disclosure of the facts.

(e) At the discretion of the ALJ, a witness may be cross-examined on matters relevant to the proceeding without regard to the scope of his or her direct examination. To the extent permitted by the ALJ, cross-examination on matters outside the scope of direct examination shall be conducted in the manner of direct examination and may proceed by leading questions only if the witness is a hostile witness, an adverse party, or a witness identified with an adverse party.

(f) Upon motion of any party, the ALJ shall order witnesses excluded so that they cannot hear the testimony of other witnesses. This rule does not authorize exclusion of—

(1) A party who is an individual;

(2) In the case of a party that is not an individual, an officer or employee of the party appearing for the entity pro se or designated by the party's representative; or

(3) An individual whose presence is shown by a party to be essential to the presentation of its case, including an

§ 22.34

individual employed by the Government engaged in assisting the representative for the Government.

§ 22.34 Evidence.

(a) The ALJ shall determine the admissibility of evidence.

(b) Except as provided in this part, the ALJ shall not be bound by the Federal Rules of Evidence. However, the ALJ may apply the Federal Rules of Evidence where appropriate, e.g., to exclude unreliable evidence.

(c) The ALJ shall exclude irrelevant and immaterial evidence.

(d) Although relevant, evidence may be excluded if its probative value is substantially outweighed by the danger of unfair prejudice, confusion of the issues, or by considerations of undue delay or needless presentation of cumulative evidence.

(e) Although relevant, evidence may be excluded if it is privileged under Federal law.

(f) Evidence concerning offers of compromise or settlement shall be inadmissible to the extent provided in Rule 408 of the Federal Rules of Evidence.

(g) The ALJ shall permit the parties to introduce rebuttal witnesses and evidence.

(h) All documents and other evidence offered or taken for the record shall be open to examination by all parties, unless otherwise ordered by the ALJ pursuant to § 22.24.

§ 22.35 The record.

(a) The hearing will be recorded and transcribed. Transcripts may be obtained following the hearing from the ALJ at a cost not to exceed the actual cost of duplication.

(b) The transcript of testimony, exhibits, and other evidence admitted at the hearing, and all papers and requests filed in the proceeding constitute the record for the decision by the ALJ, the ARB, and the authority head.

(c) The record may be inspected and copied (upon payment of a reasonable fee) by anyone, unless otherwise ordered by the ALJ pursuant to § 22.24.

§ 22.36 Post-hearing briefs.

The ALJ may require the parties to file post-hearing briefs. In any event, any party may file a post-hearing brief. The ALJ shall fix the time for filing such briefs, not to exceed 60 days from the date the parties receive the transcript of the hearing or, if applicable, the stipulated record. Such briefs may be accompanied by proposed findings of fact and conclusions of law. The ALJ may permit the parties to file reply briefs.

§ 22.37 Initial decision.

(a) The ALJ shall issue an initial decision based only on the record, which shall contain findings of fact, conclusions of law, and the amount of any penalties and assessments imposed.

(b) The findings of fact shall include a finding on each of the following issues:

(1) Whether the claims or statements identified in the complaint, or any portions thereof, violate § 22.3;

(2) If the person is liable for penalties or assessments, the appropriate amount of any such penalties or assessments considering any mitigating or aggravating factors that he or she finds in the case, such as those described in § 22.31.

(c) The ALJ shall promptly serve the initial decision on all parties within 90 days after the time for submission of post-hearing briefs and reply briefs (if permitted) has expired. The ALJ shall at the same time serve all parties with a statement describing the right of any defendant determined to be liable for a civil penalty or assessment to file a motion for reconsideration with the ALJ or a notice of appeal with the ARB. If the ALJ fails to meet the deadline contained in this paragraph, the ALJ shall notify the parties of the reason for the delay and shall set a new deadline.

(d) Unless the initial decision of the ALJ is timely appealed to the ARB, or a motion for reconsideration of the initial decision is timely filed, the initial decision shall constitute the final decision of the authority head and shall be

final and binding on the parties 30 days after it is issued by the ALJ.

§ 22.38 Reconsideration of initial decision.

(a) Except as provided in paragraph (d) of this section, any party may file a motion for reconsideration of the initial decision within 20 days of receipt of the initial decision. If service was made by mail, receipt will be presumed to be five days from the date of mailing in the absence of contrary proof.

(b) Every such motion must set forth the matters claimed to have been erroneously decided and the nature of the alleged errors. Such motion shall be accompanied by a supporting brief.

(c) Responses to such motions shall be allowed only upon request of the ALJ.

(d) No party may file motion for reconsideration of an initial decision that has been revised in response to a previous motion for reconsideration.

(e) The ALJ may dispose of a motion for reconsideration by denying it or by issuing a revised initial decision.

(f) If the ALJ denies a motion for reconsideration, the initial decision shall constitute the final decision of the authority head and shall be final and binding on the parties 30 days after the ALJ denies the motion, unless the initial decision is timely appealed to the ARB in accordance with § 22.39.

(g) If the ALJ issues a revised initial decision, that decision shall constitute the final decision of the authority head and shall be final and binding on the parties 30 days after it is issued, unless it is timely appealed to the ARB in accordance with § 22.39.

§ 22.39 Appeal to ARB.

(a) Any defendant who has filed a timely answer and who is determined in an initial decision to be liable for a civil penalty or assessment may appeal such decision to the ARB by filing a notice of appeal with the ARB in accordance with this section and with 29 CFR part 26.

(b)(1) A notice of appeal may be filed at any time within 30 days after the ALJ issues an initial decision. However, if another party files a motion for reconsideration under § 22.38, consideration of the appeal shall be stayed automatically pending resolution of the motion for reconsideration.

(2) If a motion for reconsideration is timely filed, a notice of appeal may be filed within 30 days after the ALJ denies the motion or issues a revised initial decision, whichever applies.

(3) The ARB may extend the initial 30-day period for an additional 30 days if the defendant files with the ARB a request for an extension within the initial 30-day period and shows good cause.

(c) If the defendant files a timely notice of appeal with the ARB, and the time for filing motions for reconsideration under § 22.38 has expired, the ALJ shall forward the record of the proceeding to the ARB.

(d) A notice of appeal shall be accompanied by a written brief specifying exceptions to the initial decision and reasons supporting the exceptions.

(e) The representative for the Government may file a brief in opposition to exceptions within 30 days of receiving the notice of appeal and accompanying brief.

(f) There is no right to appear personally before the ARB.

(g) There is no right to appeal any interlocutory ruling by the ALJ.

(h) In reviewing the initial decision, the ARB shall not consider any objection that was not raised before the ALJ unless a demonstration is made of extraordinary circumstances causing the failure to raise the objection.

(i) If any party demonstrates to the satisfaction of the ARB that additional evidence not presented at such hearing is material and that there were reasonable grounds for the failure to present such evidence at such hearing, the ARB shall remand the matter to the ALJ for consideration of such additional evidence.

(j) The ARB may affirm, reduce, reverse, compromise, remand, or settle any penalty or assessment, determined by the ALJ in any initial decision. The

§ 22.40

ARB's decision is subject to discretionary review by the Secretary as provided in Secretary's Order 01-2020 (or any successor to that order).

(k) The ARB shall promptly serve each party to the appeal with a copy of the decision of the ARB and a statement describing the right of any person determined to be liable for a penalty or assessment to seek judicial review.

(l) Unless a petition for review is filed as provided in 31 U.S.C. 3805 after a defendant has exhausted all administrative remedies under this part and within 60 days after the date on which the authority head serves the defendant with a copy of the authority head's decision, a determination that a defendant is liable under § 22.3 is final and is not subject to judicial review.

Subpart A—Complaints, Investigations, Issuance of Findings

§ 24.100 Purpose and scope.

(a) This part implements procedures under the employee protection (or “whistleblower”) provisions for which the Secretary of Labor has been given responsibility pursuant to the following Federal statutes: Safe Drinking Water Act, 42 U.S.C. 300j-9(i); Federal Water Pollution Control Act, 33 U.S.C. 1367; Toxic Substances Control Act, 15 U.S.C. 2622; Solid Waste Disposal Act, 42 U.S.C. 6971; Clean Air Act, 42 U.S.C. 7622; Energy Reorganization Act of 1974, 42 U.S.C. 5851; and Comprehensive Environmental Response, Compensation and Liability Act of 1980, 42 U.S.C. 9610.

(b) This part establishes procedures pursuant to the Federal statutory provisions listed in paragraph (a) of this section for the expeditious handling of retaliation complaints made by employees, or by persons acting on their behalf. These rules, together with those rules codified at 29 CFR part 18, set forth the procedures for submission of complaints under the Federal statutory provisions listed in paragraph (a) of this section, investigations, issuance of findings, objections to findings, litigation before administrative law judges (“ALJ”), issuance of decisions and orders, post-hearing administrative review, and withdrawals and settlements.

§ 24.101 Definitions.

Assistant Secretary means the Assistant Secretary of Labor for Occupational Safety and Health or the person or persons to whom he or she delegates

§ 24.102

authority under any of the statutes listed in § 24.100(a).

Business days means days other than Saturdays, Sundays, and Federal holidays.

Complainant means the employee who filed a complaint under any of the statutes listed in § 24.100(a) or on whose behalf a complaint was filed.

OSHA means the Occupational Safety and Health Administration of the United States Department of Labor.

Respondent means the employer named in the complaint, who is alleged to have violated any of the statutes listed in § 24.100(a).

Secretary means the Secretary of Labor or persons to whom authority under any of the statutes listed in § 24.100(a) has been delegated.

§ 24.102 Obligations and prohibited acts.

(a) No employer subject to the provisions of any of the statutes listed in § 24.100(a), or to the Atomic Energy Act of 1954 (AEA), 42 U.S.C. 2011 *et seq.*, may discharge or otherwise retaliate against any employee with respect to the employee's compensation, terms, conditions, or privileges of employment because the employee, or any person acting pursuant to the employee's request, engaged in any of the activities specified in this section.

(b) It is a violation for any employer to intimidate, threaten, restrain, coerce, blacklist, discharge, discipline, or in any other manner retaliate against any employee because the employee has:

(1) Commenced or caused to be commenced, or is about to commence or cause to be commenced, a proceeding under one of the statutes listed in § 24.100(a) or a proceeding for the administration or enforcement of any requirement imposed under such statute;

(2) Testified or is about to testify in any such proceeding; or

(3) Assisted or participated, or is about to assist or participate, in any manner in such a proceeding or in any other action to carry out the purposes of such statute.

(c) Under the Energy Reorganization Act, and by interpretation of the Secretary under any of the other statutes listed in § 24.100(a), it is a violation for

29 CFR Subtitle A (7-1-21 Edition)

any employer to intimidate, threaten, restrain, coerce, blacklist, discharge, or in any other manner retaliate against any employee because the employee has:

(1) Notified the employer of an alleged violation of such statute or the AEA of 1954;

(2) Refused to engage in any practice made unlawful by such statute or the AEA of 1954, if the employee has identified the alleged illegality to the employer; or

(3) Testified or is about to testify before Congress or at any Federal or State proceeding regarding any provision (or proposed provision) of such statute or the AEA of 1954.

(d)(1) Every employer subject to the Energy Reorganization Act of 1974, as amended, shall prominently post and keep posted in any place of employment to which the whistleblower provisions of the Act apply, a fully legible copy of the notice prepared by OSHA, printed as appendix A to this part, or a notice approved by the Assistant Secretary that contains substantially the same provisions and explains the whistleblower provisions of the Act and the regulations in this part. Copies of the notice prepared by OSHA may be obtained from the Assistant Secretary for Occupational Safety and Health, U.S. Department of Labor, Washington, DC 20210, from local OSHA offices, or from OSHA's Web site at <http://www.osha.gov>.

(2) Where the notice required by paragraph (d)(1) of this section has not been posted, the requirement in § 24.103(d)(2) that a complaint be filed with the Assistant Secretary within 180 days of an alleged violation will be inoperative, unless the respondent establishes that the complainant had knowledge of the material provisions of the notice. If it is established that the notice was posted at the employee's place of employment after the alleged retaliatory action occurred or that the complainant later obtained knowledge of the provisions of the notice, the 180 days will ordinarily run from whichever of those dates is relevant.

(e) This part shall have no application to any employee who, acting without direction from his or her employer (or the employer's agent), deliberately

causes a violation of any requirement of any of the statutes listed in § 24.100(a) or the AEA of 1954.

§ 24.103 Filing of retaliation complaint.

(a) *Who may file.* An employee who believes that he or she has been retaliated against by an employer in violation of any of the statutes listed in § 24.100(a) may file, or have filed by any person on the employee's behalf, a complaint alleging such retaliation.

(b) *Nature of Filing.* No particular form of complaint is required. A complaint may be filed orally or in writing. Oral complaints will be reduced to writing by OSHA. If a complainant is not able to file the complaint in English, the complaint may be filed in any language.

(c) *Place of Filing.* The complaint should be filed with the OSHA Area Director responsible for enforcement activities in the geographical area where the employee resides or was employed, but may be filed with any OSHA officer or employee. Addresses and telephone numbers for these officials are set forth in local directories and at the following Internet address: <http://www.osha.gov>.

(d) *Time for Filing.* (1) Except as provided in paragraph (d)(2) of this section, within 30 days after an alleged violation of any of the statutes listed in § 24.100(a) occurs (*i.e.*, when the retaliatory decision has been both made and communicated to the complainant), an employee who believes that he or she has been retaliated against in violation of any of the statutes listed in § 24.100(a) may file, or have filed by any person on the employee's behalf, a complaint alleging such retaliation. The date of the postmark, facsimile transmittal, e-mail communication, telephone call, hand-delivery, delivery to a third-party commercial carrier, or in-person filing at an OSHA office will be considered the date of filing. The time for filing a complaint may be tolled for reasons warranted by applicable case law.

(2) Under the Energy Reorganization Act, within 180 days after an alleged violation of the Act occurs (*i.e.*, when the retaliatory decision has been both made and communicated to the complainant), an employee who believes

that he or she has been retaliated against in violation of the Act may file, or have filed by any person on the employee's behalf, a complaint alleging such retaliation. The date of the postmark, facsimile transmittal, e-mail communication, telephone call, hand-delivery, delivery to a third-party commercial carrier, or in-person filing at an OSHA office will be considered the date of filing. The time for filing a complaint may be tolled for reasons warranted by applicable case law.

(e) *Relationship to Section 11(c) complaints.* A complaint filed under any of the statutes listed in § 24.100(a) alleging facts that would also constitute a violation of Section 11(c) of the Occupational Safety and Health Act, 29 U.S.C. 660(c), will be deemed to be a complaint under both Section 11(c) and the applicable statutes listed in § 24.100(a). Similarly, a complaint filed under Section 11(c) that alleges facts that would also constitute a violation of any of the statutes listed in § 24.100(a) will be deemed to be a complaint under both section 11(c) and the applicable statutes listed in § 24.100(a). Normal procedures and timeliness requirements under the respective statutes and regulations will be followed.

§ 24.104 Investigation.

(a) Upon receipt of a complaint in the investigating office, the Assistant Secretary will notify the respondent of the filing of the complaint by providing the respondent (or the respondent's legal counsel if respondent is represented by counsel) with a copy of the complaint, redacted, if necessary, in accordance with the Privacy Act of 1974, 5 U.S.C. 552a, *et seq.*, and other applicable confidentiality laws. The Assistant Secretary will provide a copy of the unredacted complaint to the complainant (or complainant's legal counsel, if complainant is represented) and to the appropriate office of the Federal agency charged with the administration of the general provisions of the statute(s) under which the complaint is filed.

(b) Within 20 days of receipt of the notice of the filing of the complaint provided under paragraph (a) of this section, the respondent may submit to the Assistant Secretary a written

statement and any affidavits or documents substantiating its position. Within the same 20 days, the respondent may request a meeting with the Assistant Secretary to present its position.

(c) Throughout the investigation, the agency will provide to the complainant (or the complainant's legal counsel if complainant is represented by counsel) a copy of all of respondent's submissions to the agency that are responsive to the complainant's whistleblower complaint. Before providing such materials to the complainant, the agency will redact them, if necessary, in accordance with the Privacy Act of 1974, 5 U.S.C. 552a, *et seq.*, and other applicable confidentiality laws.

(d) Investigations will be conducted in a manner that protects the confidentiality of any person who provides information on a confidential basis, other than the complainant, in accordance with part 70 of title 29 of the Code of Federal Regulations.

(e) *Investigation under the six environmental statutes.* In addition to the investigative procedures set forth in §§24.104(a), (b), (c), and (d), this paragraph sets forth the procedures applicable to investigations under the Safe Drinking Water Act; Federal Water Pollution Control Act; Toxic Substances Control Act; Solid Waste Disposal Act; Clean Air Act; and Comprehensive Environmental Response, Compensation and Liability Act.

(1) A complaint of alleged violation will be dismissed unless the complainant has made a prima facie showing that protected activity was a motivating factor in the adverse action alleged in the complaint.

(2) The complaint, supplemented as appropriate by interviews of the complainant, must allege the existence of facts and evidence to make a prima facie showing as follows:

(i) The employee engaged in a protected activity;

(ii) The respondent knew or suspected that the employee engaged in the protected activity;

(iii) The employee suffered an adverse action; and

(iv) The circumstances were sufficient to raise the inference that the

protected activity was a motivating factor in the adverse action.

(3) The complainant will be considered to have met the required showing if the complaint on its face, supplemented as appropriate through interviews of the complainant, alleges the existence of facts and either direct or circumstantial evidence sufficient to give rise to an inference that the respondent knew or suspected that the employee engaged in protected activity and that the protected activity was a motivating factor in the adverse action. The required showing may be satisfied, for example, if the complainant shows that the adverse action took place shortly after the protected activity, giving rise to the inference that it was a motivating factor in the adverse action.

(4) The complaint will be dismissed if a preponderance of the evidence shows that the respondent would have taken the same adverse action in the absence of the complainant's protected activity.

(f) *Investigation under the Energy Reorganization Act.* In addition to the investigative procedures set forth in §§24.104(a), (b), (c), and (d), this paragraph sets forth special procedures applicable only to investigations under the Energy Reorganization Act.

(1) A complaint of alleged violation will be dismissed unless the complainant has made a prima facie showing that protected activity was a contributing factor in the adverse action alleged in the complaint.

(2) The complaint, supplemented as appropriate by interviews of the complainant, must allege the existence of facts and evidence to make a prima facie showing as follows:

(i) The employee engaged in a protected activity;

(ii) The respondent knew or suspected, actually or constructively, that the employee engaged in the protected activity;

(iii) The employee suffered an adverse action; and

(iv) The circumstances were sufficient to raise the inference that the protected activity was a contributing factor in the adverse action.

(3) For purposes of determining whether to investigate, the complainant will be considered to have met the required burden if the complaint on its face, supplemented as appropriate through interviews of the complainant, alleges the existence of facts and either direct or circumstantial evidence to meet the required showing, *i.e.*, to give rise to an inference that the respondent knew or suspected that the employee engaged in protected activity and that the protected activity was a contributing factor in the adverse action. The burden may be satisfied, for example, if the complainant shows that the adverse action took place shortly after the protected activity, giving rise to the inference that it was a contributing factor in the adverse action. If the required showing has not been made, the complainant (or the complainant's legal counsel if complainant is represented by counsel) will be so notified and the investigation will not commence.

(4) Notwithstanding a finding that a complainant has made a *prima facie* showing, as required by this section, an investigation of the complaint will not be conducted or will be discontinued if the respondent, pursuant to the procedures provided in this paragraph, demonstrates by clear and convincing evidence that it would have taken the same adverse action in the absence of the complainant's protected behavior or conduct.

(5) If the respondent fails to make a timely response or fails to demonstrate by clear and convincing evidence that it would have taken the same adverse action in the absence of the behavior protected by the Act, the Assistant Secretary will proceed with the investigation. The investigation will proceed whenever it is necessary or appropriate to confirm or verify the information provided by the respondent.

§ 24.105 Issuance of findings and orders.

(a) After considering all the relevant information collected during the investigation, the Assistant Secretary will issue, within 30 days of filing of the complaint, written findings as to whether or not there is reasonable cause to believe that the respondent

has retaliated against the complainant in violation of any of the statutes listed in § 24.100(a).

(1) If the Assistant Secretary concludes that there is reasonable cause to believe that a violation has occurred, he or she shall accompany the findings with an order providing relief to the complainant. The order shall include, where appropriate, a requirement that the respondent abate the violation; reinstate the complainant to his or her former position, together with the compensation (including back pay), terms, conditions and privileges of the complainant's employment; pay compensatory damages; and, under the Toxic Substances Control Act and the Safe Drinking Water Act, pay exemplary damages, where appropriate. At the complainant's request the order shall also assess against the respondent the complainant's costs and expenses (including attorney's fees) reasonably incurred in connection with the filing of the complaint.

(2) If the Assistant Secretary concludes that a violation has not occurred, the Assistant Secretary will notify the parties of that finding.

(b) The findings and order will be sent by means that allow OSHA to confirm delivery to all parties of record (and each party's legal counsel if the party is represented by counsel). The findings and order will inform the parties of their right to file objections and to request a hearing and provide the address of the Chief Administrative Law Judge. The Assistant Secretary will file a copy of the original complaint and a copy of the findings and order with the Chief Administrative Law Judge, U.S. Department of Labor.

(c) The findings and order will be effective 30 days after receipt by the respondent (or the respondent's legal counsel if the respondent is represented by counsel) or on the compliance date set forth in the order, whichever is later, unless an objection and/or a request for a hearing has been filed as provided at § 24.106.

§ 24.106

29 CFR Subtitle A (7–1–21 Edition)

Subpart B—Litigation

§ 24.106 Objections to the findings and order and request for a hearing.

(a) Any party who desires review, including judicial review, of the findings and order must file any objections and/or a request for a hearing on the record within 30 days of receipt of the findings and order pursuant to § 24.105(b). The objection and/or request for a hearing must be in writing and state whether the objection is to the findings and/or the order. The date of the postmark, facsimile transmittal, email communication, or electronic submission will be considered to be the date of filing; if the objection is filed in person, by hand-delivery or other means, the objection is filed upon receipt. Objections must be filed with the Chief Administrative Law Judge, U.S. Department of Labor, in accordance with 29 CFR part 18, and copies of the objections must be served at the same time on the other parties of record, the OSHA official who issued the findings and order, the Assistant Secretary, and the Associate Solicitor, Division of Fair Labor Standards, U.S. Department of Labor.

(b) If a timely objection is filed, all provisions of the order will be stayed. If no timely objection is filed with respect to either the findings or the order, the findings and order will become the final decision of the Secretary, not subject to judicial review.

[76 FR 2820, Jan. 18, 2011, as amended at 86 FR 1782, Jan. 11, 2021]

§ 24.107 Hearings.

(a) Except as provided in this part, proceedings will be conducted in accordance with the rules of practice and procedure and the rules of evidence for administrative hearings before the Office of Administrative Law Judges, codified at part 18 of title 29 of the Code of Federal Regulations.

(b) Upon receipt of an objection and request for hearing, the Chief Administrative Law Judge will promptly assign the case to a judge who will notify the parties of the day, time, and place of hearing. The hearing is to commence expeditiously, except upon a showing of good cause or otherwise agreed to by the parties. Hearings will be conducted de novo, on the record.

(c) If both the complainant and the respondent object to the findings and/or order, the objections will be consolidated, and a single hearing will be conducted.

[76 FR 2820, Jan. 18, 2011, as amended at 86 FR 1782, Jan. 11, 2021]

§ 24.108 Role of Federal agencies.

(a)(1) The complainant and the respondent will be parties in every proceeding. At the Assistant Secretary's discretion, he or she may participate as a party or participate as *amicus curiae* at any time at any stage of the proceeding. This right to participate includes, but is not limited to, the right to petition for review of a decision of an administrative law judge, including a decision approving or rejecting a settlement agreement between the complainant and the respondent.

(2) Copies of documents in all cases, whether or not the Assistant Secretary is participating in the proceeding, must be sent to the Assistant Secretary, Occupational Safety and Health Administration, and to the Associate Solicitor, Division of Fair Labor Standards, U.S. Department of Labor.

(b) The Environmental Protection Agency, the Nuclear Regulatory Commission, and the Department of Energy, if interested in a proceeding, may participate as *amicus curiae* at any time in the proceedings, at the respective agency's discretion. At the request of the interested Federal agency, copies of all pleadings in a case must be sent to the Federal agency, whether or not the agency is participating in the proceeding.

§ 24.109 Decision and orders of the administrative law judge.

(a) The decision of the ALJ will contain appropriate findings, conclusions, and an order pertaining to the remedies provided in paragraph (c) of this section, as appropriate.

(b)(1) In cases arising under the ERA, a determination that a violation has occurred may only be made if the complainant has demonstrated by a preponderance of the evidence that the protected activity was a contributing factor in the adverse action alleged in the complaint. If the complainant has demonstrated by a preponderance of

the evidence that the protected activity was a contributing factor in the adverse action alleged in the complaint, relief may not be ordered if the respondent demonstrates by clear and convincing evidence that it would have taken the same adverse action in the absence of any protected activity.

(2) In cases arising under the six environmental statutes listed in § 24.100(a), a determination that a violation has occurred may only be made if the complainant has demonstrated by a preponderance of the evidence that the protected activity caused or was a motivating factor in the adverse action alleged in the complaint. If the complainant has demonstrated by a preponderance of the evidence that the protected activity caused or was a motivating factor in the adverse action alleged in the complaint, relief may not be ordered if the respondent demonstrates by a preponderance of the evidence that it would have taken the same adverse action in the absence of the protected activity.

(c) Neither the Assistant Secretary's determination to dismiss a complaint without completing an investigation pursuant to § 24.104(e) nor the Assistant Secretary's determination to proceed with an investigation is subject to review by the ALJ, and a complaint may not be remanded for the completion of an investigation or for additional findings on the basis that a determination to dismiss was made in error. Rather, if there otherwise is jurisdiction, the ALJ will hear the case on the merits or dispose of the matter without a hearing if the facts and circumstances warrant.

(d)(1) If the ALJ concludes that the respondent has violated the law, the order shall direct the respondent to take appropriate affirmative action to abate the violation, including reinstatement of the complainant to that person's former position, together with the compensation (including back pay), terms, conditions, and privileges of that employment, and compensatory damages. In cases arising under the Safe Drinking Water Act or the Toxic Substances Control Act, exemplary damages may also be awarded when appropriate. At the request of the complainant, the ALJ shall assess against

the respondent, all costs and expenses (including attorney fees) reasonably incurred.

(2) In cases brought under the Energy Reorganization Act, when an ALJ issues a decision that the complaint has merit and orders the relief prescribed in paragraph (d)(1) of this section, the relief ordered, with the exception of compensatory damages, shall be effective immediately upon receipt, whether or not a petition for review is filed with the ARB.

(3) If the ALJ determines that the respondent has not violated the law, an order will be issued denying the complaint.

(e) The decision will be served upon all parties to the proceeding, the Assistant Secretary, and the Associate Solicitor for Fair Labor Standards. Any ALJ's decision issued under any of the statutes listed in § 24.100(a) will be effective 10 business days after the date of the decision unless a timely petition for review has been filed with the ARB. An ALJ's order issued under the Energy Reorganization Act will be effective immediately upon receipt, except for that portion of the order awarding any compensatory damages.

§ 24.110 Decisions and orders of the Administrative Review Board.

(a) Any party desiring to seek review, including judicial review, of a decision of the ALJ must file a written petition for review with the ARB, U.S. Department of Labor, in accordance with 29 CFR part 26. The decision of the ALJ will become the final order of the Secretary unless, pursuant to this section, a timely petition for review is filed with the ARB and the ARB accepts the case for review. The parties should identify in their petitions for review the legal conclusions or orders to which they object, or the objections will ordinarily be deemed waived. A petition must be filed within 10 business days of the date of the decision of the ALJ. The date of the postmark, facsimile transmittal, email communication, or electronic submission will be considered to be the date of filing; if the petition is filed in person, by hand-delivery or other means, the petition is considered filed upon receipt. The petition must be served on all parties and

§ 24.111

on the Chief Administrative Law Judge at the time it is filed with the ARB. Copies of the petition for review and all briefs must be served on the Assistant Secretary, Occupational Safety and Health Administration, and on the Associate Solicitor, Division of Fair Labor Standards, U.S. Department of Labor.

(b) If a timely petition for review is filed pursuant to paragraph (a) of this section, and the ARB, within 30 days of the filing of the petition, issues an order notifying the parties that the case has been accepted for review, the decision of the ALJ will be inoperative unless and until the ARB issues an order adopting the decision, except that an order by an ALJ issued under the Energy Reorganization Act, other than that portion of the order awarding compensatory damages, will be effective while review is conducted by the ARB, unless the ARB grants a motion by the respondent to stay the order based on exceptional circumstances. The ARB will specify the terms under which any briefs are to be filed. The ARB will review the factual findings of the ALJ under the substantial evidence standard. If no timely petition for review is filed, or the ARB denies review, the decision of the ALJ will become the final order of the Secretary. If no timely petition for review is filed, the resulting final order is not subject to judicial review.

(c) The final decision of the ARB will be issued within 90 days of the filing of the complaint. The decision will be served upon all parties and the Chief Administrative Law Judge. The final decision will also be served on the Assistant Secretary, Occupational Safety and Health Administration, and on the Associate Solicitor, Division of Fair Labor Standards, U.S. Department of Labor, even if the Assistant Secretary is not a party.

(d) If the ARB concludes that the respondent has violated the law, the order will order the respondent to take appropriate affirmative action to abate the violation, including reinstatement of the complainant to that person's former position, together with the compensation (including back pay), terms, conditions, and privileges of employment, and compensatory damages.

29 CFR Subtitle A (7-1-21 Edition)

In cases arising under the Safe Drinking Water Act or the Toxic Substances Control Act, exemplary damages may also be awarded when appropriate. At the request of the complainant, the ARB will assess against the respondent all costs and expenses (including attorney's fees) reasonably incurred.

(e) If the ARB determines that the respondent has not violated the law, an order will be issued denying the complaint.

Subpart C—Miscellaneous Provisions

§ 24.111 Withdrawal of complaints, objections, and petitions for review; settlement.

(a) At any time prior to the filing of objections to the findings and/or order, a complainant may withdraw his or her complaint under any of the statutes listed in § 24.100(a) by filing a written withdrawal with the Assistant Secretary. The Assistant Secretary will then determine whether to approve the withdrawal. The Assistant Secretary will notify the respondent of the approval of any withdrawal. If the complaint is withdrawn because of settlement under the Energy Reorganization Act, the Clean Air Act, the Safe Drinking Water Act, or the Toxic Substances Control Act, the settlement must be submitted for approval in accordance with paragraph (d) of this section. Parties to settlements under the Federal Water Pollution Control Act, the Solid Waste Disposal Act, and the Comprehensive Environmental Response, Compensation and Liability Act are encouraged to submit their settlements for approval. After the filing of objections to the Assistant Secretary's findings and/or order, a complainant may not withdraw his or her complaint.

(b) The Assistant Secretary may withdraw his or her findings and/or order, at any time before the expiration of the 30-day objection period described in § 24.106, provided that no objection has yet been filed, and substitute new findings and/or a new order. The date of the receipt of the

substituted findings and/or order will begin a new 30-day objection period.

(c) At any time before the Assistant Secretary's findings or order become final, a party may withdraw its objections to the Assistant Secretary's findings or order by filing a written withdrawal with the ALJ. If a case is on review with the ARB, a party may withdraw its petition for review of an ALJ's decision at any time before that decision becomes final by filing a written withdrawal with the ARB. The ALJ or the ARB, as the case may be, will determine whether to approve the withdrawal of the objections or the petition for review. If the ALJ approves a request to withdraw objections to the Assistant Secretary's findings or order, and there are no other pending objections, the Assistant Secretary's findings and order will become the final order of the Secretary. If the ARB approves a request to withdraw a petition for review of an ALJ decision, and there are no other pending petitions for review of that decision, the ALJ's decision will become the final order of the Secretary. If the objections are withdrawn because of settlement under the Energy Reorganization Act, the Clean Air Act, the Safe Drinking Water Act, or the Toxic Substances Control Act, the settlement must be submitted for approval in accordance with paragraph (d) of this section.

(d)(1) *Investigative settlements under the Energy Reorganization Act, the Clean Air Act, the Safe Drinking Water Act, and the Toxic Substances Control Act.* At any time after the filing of a complaint, and before the findings and/or order are objected to or become a final order by operation of law, the case may be settled if the Assistant Secretary, the complainant and the respondent agree to a settlement. The Assistant Secretary's approval of a settlement reached by the respondent and the complainant demonstrates his or her consent and achieves the consent of all three parties.

(2) *Adjudicatory settlements under the Energy Reorganization Act, the Clean Air Act, the Safe Drinking Water Act, and the Toxic Substances Control Act.* At any time after the filing of objections to the Assistant Secretary's findings and/or order, the case may be settled if the

participating parties agree to a settlement and the settlement is approved by the ALJ if the case is before the judge, or by the ARB if the ARB has accepted the case for review. A copy of the settlement must be filed with the administrative law judge or the ARB, as the case may be.

(e) Any settlement approved by the Assistant Secretary, the administrative law judge, or the ARB will constitute the final order of the Secretary and may be enforced pursuant to § 24.113.

§ 24.112 Judicial review.

(a) Except as provided under paragraphs (b) through (d) of this section, within 60 days after the issuance of a final order (including a decision issued by the Secretary upon his or her discretionary review) for which judicial review is available, any person adversely affected or aggrieved by the order may file a petition for review of the order in the United States Court of Appeals for the circuit in which the violation allegedly occurred or the circuit in which the complainant resided on the date of the violation. A final order of the ARB (or a decision issued by the Secretary upon his or her discretionary review) is not subject to judicial review in any criminal or other civil proceeding.

(b) Under the Federal Water Pollution Control Act, within 120 days after the issuance of a final order (including a decision issued by the Secretary upon his or her discretionary review) for which judicial review is available, any person adversely affected or aggrieved by the order may file a petition for review of the order in the United States Court of Appeals for the circuit in which the violation allegedly occurred or the circuit in which the complainant resided on the date of the violation.

(c) Under the Solid Waste Disposal Act, within 90 days after the issuance of a final order (including a decision issued by the Secretary upon his or her discretionary review) for which judicial review is available, any person adversely affected or aggrieved by the order may file a petition for review of the order in the United States Court of Appeals for the circuit in which the

§ 24.113

violation allegedly occurred or the circuit in which the complainant resided on the date of the violation.

(d) Under the Comprehensive Environmental Response, Compensation and Liability Act, after the issuance of a final order (including a decision issued by the Secretary upon his or her discretionary review) for which judicial review is available, any person adversely affected or aggrieved by the order may file a petition for review of the order in the United States district court in which the violation allegedly occurred. For purposes of judicial economy and consistency, when a final order under the Comprehensive Environmental Response, Compensation and Liability Act also is issued under any other statute listed in § 24.100(a), the adversely affected or aggrieved person may file a petition for review of the entire order in the United States Court of Appeals for the circuit in which the violation allegedly occurred or the circuit in which the complainant resided on the date of the violation. The time for filing a petition for review of an order issued under the Comprehensive Environmental Response, Compensation and Liability Act and any other statute listed in § 24.100(a) is determined by the time period applicable under the other statute(s).

(e) If a timely petition for review is filed, the record of a case, including the record of proceedings before the administrative law judge, will be transmitted by the ARB or the ALJ, as appropriate, to the appropriate court pursuant to the Federal Rules of Appellate Procedure and the local rules of the court.

[85 FR 30618, May 20, 2020]

§ 24.113 Judicial enforcement.

Whenever any person has failed to comply with an order by an ALJ issued under the Energy Reorganization Act, with the exception of any award of compensatory damages, or with a final order of the Secretary, including final orders approving settlement agreements as provided under § 24.111(d), the Secretary may file a civil action seeking enforcement of the order in the United States district court for the district in which the violation was found to have occurred. Whenever any person has failed to comply with an order by

29 CFR Subtitle A (7-1-21 Edition)

an ALJ issued under the Energy Reorganization Act, with the exception of any award of compensatory damages, or with a final order of the Secretary under either the Energy Reorganization Act or the Clean Air Act, the person on whose behalf the order was issued also may file a civil action seeking enforcement of the order in the United States district court for the district in which the violation was found to have occurred.

§ 24.114 District court jurisdiction of retaliation complaints under the Energy Reorganization Act.

(a) If there is no final order of the Secretary, one year has passed since the filing of a complaint under the Energy Reorganization Act, and there is no showing that there has been delay due to the bad faith of the complainant, the complainant may bring an action at law or equity for *de novo* review in the appropriate district court of the United States, which will have jurisdiction over such an action without regard to the amount in controversy.

(b) Fifteen days in advance of filing a complaint in Federal court, a complainant must file with the Assistant Secretary, the ALJ, or the ARB, depending upon where the proceeding is pending, a notice of his or her intention to file such complaint. The notice must be served on all parties to the proceeding. A copy of the notice must be served on the Regional Administrator, the Assistant Secretary, Occupational Safety and Health Administration, and on the Associate Solicitor, Division of Fair Labor Standards, U.S. Department of Labor. The complainant shall file and serve a copy of the district court complaint on the above as soon as possible after the district court complaint has been filed with the court.

§ 24.115 Special circumstances; waiver of rules.

In special circumstances not contemplated by the provisions of this part, or for good cause shown, the ALJ or the ARB on review may, upon application, after three days notice to all parties, waive any rule or issue any orders that justice or the administration

of any of the statutes listed in APPENDIX A TO PART 24—YOUR RIGHTS UNDER THE ENERGY REORGANIZATION ACT §24.100(a) requires.

AUTHORITY: Sec. 11, E.O. 10988, 3 CFR 1959-1963 Comp. p. 521.

SOURCE: 25 FR 9441, Sept. 13, 1966, unless otherwise noted.

§ 25.1 Purpose and scope.

These procedures govern the nomination of arbitrators by the Secretary to perform the advisory functions specified under section 11 of Executive Order 10988. Any arbitrators so nominated will be available for either or both of the following purposes:

(a) To investigate the facts and issue an advisory decision with respect to the appropriateness of a unit of Federal employees for the purpose of exclusive recognition and as to related issues submitted for consideration; or

(b) To determine and advise whether an employee organization represents a majority of employees in an appropriate unit by conducting or supervising an election (wherein a majority of those voting, provided there is a representative vote, cast their ballots for or against representation), or by other appropriate means. A request for a nomination will be considered as contemplating the performance of functions within the above categories if it specifies as a purpose obtaining an advisory decision on one or more questions involved in a unit determination or determination of majority status, such as an advisory decision on the eligibility of voters or the right to appear on the ballot, arising in connection with an election to be held, or on a question relating to matters affecting the results of an election which took place after the agreement to conduct

the election had been entered into, provided such conduct materially affected the results of the election. Subject to compliance with these procedures, the Secretary will nominate an arbitrator whenever he is so requested by an agency or by an employee organization which is seeking recognition as the exclusive representative of Federal employees in a prima facie appropriate unit and which meets all the prerequisites for seeking such recognition.

§ 25.2 Definitions.

When used in these procedures:

(a) *Order* means Executive Order No. 10988;

(b) *Agency, employee organization, and employee* have the same meaning as in the Order;

(c) *Recognition* means recognition which is or may be accorded to an employee organization pursuant to the provisions of the Order;

(d) *Secretary* means the Secretary of Labor.

§ 25.3 Requests for nomination of arbitrators: Filing, disputes, parties, time.

(a) Requests for nominations should be filed only where there exists a dispute or problem which cannot more appropriately be resolved through regular agency procedures. Parties, therefore, are expected to eliminate from their requests matters not necessary to the resolution of such dispute or problem and to use their best efforts to secure agreement on as many issues as possible before making the request.

(b) Requests for nominations may be filed either by an agency, or by an employee organization as described in § 25.1, or jointly by an agency and one or more employee organizations. Joint requests are encouraged.

(c) Subject to the provisions of paragraph (a) of this section, the Secretary will entertain on its merits a request by an employee organization for nomination of an arbitrator on a question of unit determination which is made within 30 days after receipt of an agency's final unit determination or 75 days after an appropriate request for exclusive recognition and no final unit determination has been received from the agency, provided the organization has

observed any reasonable time limits established by the agency for the processing of such requests within the agency. The Secretary will entertain on its merits a request by an employee organization for nomination of an arbitrator on a question of majority representation which is made within 15 days after an agency's decision with respect to a determination of majority representation. Any request by an employee organization for the nomination of an arbitrator will be considered untimely if:

(1) A written request for exclusive recognition was not made prior to the grant of such recognition to another organization provided such grant was preceded by posted notice to all employees in the unit and written notice to all organizations known to represent such employees that a request for exclusive recognition was under consideration.

(2) A written request for exclusive recognition was not made within 5 days after the agency posted appropriate notice of its intention to conduct an election to determine majority status, or more than 10 days before the date of the election.

(3) It was made less than 12 months after an agency's final unit determination with respect to such unit or subdivision thereof in a proceeding in which the organization sought exclusive recognition but failed to file a timely request for arbitration under these rules.

(4) It was made less than 12 months after a unit determination following a section 11 proceeding covering such unit or any subdivision thereof.

(5) The time limits set forth in this paragraph will be applied to all requests filed on or after October 15, 1963.

(d) No request contemplating an advisory determination as to whether an employee organization should become or continue to be recognized as the exclusive representative of employees in any unit will be entertained if the request is filed within 12 months after a prior determination of exclusive status has been made pursuant to the Order with respect to such unit unless the agency has withdrawn exclusive recognition from an employee organization by reason of its failure to main-

tain its compliance with sections 2 and 3(a) of the Order or with the Standards of Conduct for Employee Organizations and Code of Fair Labor Practices and the agency advises the Secretary that it has no objection to a new determination of exclusive representation being made within the 12-month period.

(e) No request contemplating an advisory determination as to whether an employee organization should become or continue to be recognized as the exclusive representative of employees in any unit will be entertained during the period within which a signed agreement between an agency and an employee organization is in force or awaiting approval at a higher management level, but not to exceed an agreement period of two years, unless (1) a request for redetermination is filed with the agency between the 90th and 60th day prior to the terminal date of such agreement or two years, whichever is earlier, or (2) unusual circumstances exist which will substantially affect the unit or the majority representation. When an agreement has been extended more than 60 days before its terminal date, such extension shall not serve as a basis for the denial of a request under this section submitted in accordance with the time limitations provided above.

[28 FR 9941, Sept. 13, 1963, as amended at 29 FR 11972, Aug. 21, 1964]

§ 25.4 Contents of requests; service on other parties; answer; intervention.

(a) Requests for nominations¹ shall be in triplicate and contain the following information:

(1) The name of the agency and the name and address of any office or branch of the agency below the national level that may be involved;

(2) A description of the unit appropriate for exclusive representation or claimed to be appropriate for such representation;

(3) The number of employees in the appropriate unit or any alleged appropriate unit;

§ 25.5

and the names, if known, of all other employee organizations claiming exclusive recognition, or having requested or attained formal or informal recognition with respect to any of the employees in the unit involved;

(5) If the request is by an agency, the names, affiliation, if any, and addresses of the employee organization or organizations claiming exclusive recognition and of any employee organization which has requested or attained formal or informal recognition with respect to any of the employees in the unit involved;

(6) A brief statement indicating specifically the matter or matters with respect to which an advisory decision or determination is sought;

(7) A brief statement of procedures followed by and before the agency prior to the request, two copies of any appropriate agency determination and two copies of all correspondence relating to the dispute or problem;

(8) If the request is made by an employee organization, an indication of the interest of such organization, including information or data such as membership lists, employee petitions or dues records showing prima facie that the organization has sufficient membership to qualify for formal recognition, and that it represents no less than 30 percent of the employees, in the appropriate unit or alleged appropriate unit; and

(9) Any other relevant facts.

(b) A party making a request shall furnish copies to all other parties or organizations listed in the request in compliance with paragraph (a) of this section; except that membership lists, employee petitions or dues records need not be furnished by the requesting employee organization to the other parties or organizations.

(c) Any employee organization claiming to have an interest in the matter or matters to be considered by an arbitrator as to the appropriateness of a unit or majority representation must have advised the agency of its position, in the manner prescribed by the agency's rules, and must have satisfied all of the requirements of section 5 of the Order and paragraph (a)(8) of this section; except that, in any employee organization which has satisfied all of

29 CFR Subtitle A (7-1-21 Edition)

the requirements of section 5 of the Order except for the 10 percent membership requirement shall be entitled to receive notice of the proceeding and to participate therein if it represents at least two members and/or is designated by at least two employees as their representative in the unit alleged to be appropriate by the employee organization seeking exclusive recognition or the unit alleged to be appropriate by the agency, provided, however, that such intervening employee organization may not request a unit different than that sought by the employee organization seeking exclusive recognition or the unit claimed to be appropriate by the agency.

(d) Within fifteen (15) days following the receipt of a copy of any request for a nomination filed with the Secretary, the agency or any employee organization may file a response thereto with the Secretary, raising any matter which is relevant to the request including the adequacy of the showing of interest and the appropriateness of the unit under terms of the Order or these procedures. A copy of any response shall be furnished to other parties and organizations listed in the request, in the manner provided in paragraph (b) of this section.

§ 25.5 Action to be taken by the Secretary; nomination and selection.

(a) Upon receipt of a request and the responses, if any, the Secretary shall make such further inquiries as may be necessary to determine his authority under the Order and these procedures; whether a timely request for nomination has been made; whether a valid question concerning representation exists in a prima facie appropriate unit; or for the purpose of obtaining a further specification of the issues or matters to be submitted for an advisory decision or determination, or assisting or advising the persons nominated or considered for nomination or otherwise facilitating submission of the matter to such person or persons in a manner that will permit an expeditious decision or determination.

(b) The Secretary will determine the adequacy of the showing of interest administratively, and such determination

shall not be subject to collateral attack at a hearing before an arbitrator.

(c) The Secretary shall nominate not less than three arbitrators. Within 5 days the parties may indicate their order of preference from among those nominated. The Secretary will thereafter make a selection from among the nominees listed.

§ 25.6 Time; additional time after service by mail.

(a) In computing any period of time prescribed or allowed by the rules of this part, the date of the act, event, or default after which the designated period of time begins to run, is not to be included. The last day of the period so computed is to be included, unless it is a Saturday, Sunday or a Federal legal holiday, in which event the period runs until the end of the next day which is neither a Saturday, Sunday nor a Federal legal holiday. When the period of time prescribed, or allowed, is less than 7 days, intermediate Saturdays, Sundays and holidays shall be excluded from the computations. Whenever a party has the right or is required to do some act or take some other proceedings within a prescribed period after service of a notice or other paper upon the Secretary or a party and the notice is served upon him by mail, 3 days shall be added to the prescribed period: *Provided, however*, That 3 days shall not be added if any extension of such time may have been granted.

(b) When these rules require the filing of any paper, such document must be received by the Secretary or a party before the close of business of the last day of the time limit, if any, for such filing or extension of time that may have been granted.

§ 25.7 Fees; cost; expenses; decisions.

(a) Arbitrator's fees, per diem and travel expenses, and election expenses for notices, ballots, postage, rentals, assistance, etc., shall be borne entirely by the agency.

(b) The standard fee for the services of an arbitrator should be \$100 per day. Travel and per diem should be paid at the maximum rate payable to Government employees under the Standardized Government Travel Regulations.

(c) The agency should provide the arbitrator with a copy of the transcript of testimony taken at the hearing, such transcript to be returned to the agency upon the issuance of the arbitrator's advisory decision.

(d) Costs involving assistance rendered by the Secretary's Office in connection with advisory decisions or determinations under section 11 of the order shall be limited to per diem, travel expenses and services on a time-worked basis.

(e) Upon request, the Secretary will make available copies of advisory decisions of arbitrators.

§ 25.8 Construction of rules.

The rules shall be liberally construed to effectuate the purposes and provisions of the order.

Section 2 of the Act authorizes the Secretary of Labor to "publish information relating to existing and proposed labor standards of apprenticeship," and to "appoint national advisory committees * * *." (29 U.S.C. 50a).

(b) The purpose of this subpart is to set forth labor standards to safeguard the welfare of apprentices, promote apprenticeship opportunity, and to extend the application of such standards by prescribing policies and procedures

§ 29.2

concerning the registration, for certain Federal purposes, of acceptable apprenticeship programs with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship. These labor standards, policies and procedures cover the registration, cancellation and deregistration of apprenticeship programs and of apprenticeship agreements; the recognition of a State agency as an authorized agency for registering apprenticeship programs for certain Federal purposes; and matters relating thereto.

§ 29.3 Eligibility and procedure for registration of an apprenticeship program.

(a) Eligibility for registration of an apprenticeship program for various Federal purposes is conditioned upon a program's conformity with the apprenticeship program standards published in this part. For a program to be determined by the Secretary as being in conformity with these published standards, the program must apply for registration and be registered with the Office of Apprenticeship or with a State Apprenticeship Agency recognized by the Office of Apprenticeship. The determination by the Secretary that the program meets the apprenticeship program standards is effectuated only through such registration.

(b) Only an apprenticeship program or agreement that meets the following criteria is eligible for Office of Apprenticeship or State Apprenticeship Agency registration:

(1) It is in conformity with the requirements of this subpart and the training is in an apprenticeable occupation having the characteristics set forth in § 29.4; and

(2) It is in conformity with the requirements of the Department's regulation on Equal Employment Opportunity in Apprenticeship and Training in 29 CFR part 30, as amended.

(c) Except as provided under paragraph (d) of this section, apprentices must be individually registered under a registered program. Such individual registration may be affected:

(1) By filing copies of each individual apprenticeship agreement with the Registration Agency; or

(2) Subject to prior Office of Apprenticeship or recognized State Apprenticeship Agency approval, by filing a master copy of such agreement followed by a listing of the name, and other required data, of each individual when apprenticed.

(d) The names of persons in probationary employment as an apprentice under an apprenticeship program registered by the Office of Apprenticeship

or a recognized State Apprenticeship Agency, if not individually registered under such program, must be submitted within 45 days of employment to the Office of Apprenticeship or State Apprenticeship Agency for certification to establish the apprentice as eligible for such probationary employment.

(e) The appropriate Registration Agency must be notified within 45 days of persons who have successfully completed apprenticeship programs; and of transfers, suspensions, and cancellations of apprenticeship agreements and a statement of the reasons therefore.

(f) Operating apprenticeship programs, when approved by the Office of Apprenticeship, are accorded registration evidenced by a Certificate of Registration. Programs approved by recognized State Apprenticeship Agencies must be accorded registration and/or approval evidenced by a similar certificate or other written indicia. When approved by the Office of Apprenticeship, National Apprenticeship Guideline Standards for policy or guidance will be accorded a certificate.

(g) Applications for new programs that the Registration Agency determines meet the required standards for program registration must be given provisional approval for a period of 1 year. The Registration Agency must review all new programs for quality and for conformity with the requirements of this subpart at the end of the first year after registration. At that time:

(1) A program that conforms with the requirements of this part:

(i) May be made permanent; or

(ii) May continue to be provisionally approved through the first full training cycle.

(2) A program not in operation or not conforming to the regulations during the provisional approval period must be recommended for deregistration procedures.

(h) The Registration Agency must review all programs for quality and for conformity with the requirements of this subpart at the end of the first full training cycle. A satisfactory review of a provisionally approved program will result in conversion of provisional approval to permanent registration. Sub-

sequent reviews must be conducted no less frequently than every 5 years. Programs not in operation or not conforming to the regulations must be recommended for deregistration procedures.

(i) Any sponsor proposals or applications for modification(s) or change(s) to registered programs or certified National Guidelines for Apprenticeship Standards must be submitted to the Registration Agency. The Registration Agency must make a determination on whether to approve such submissions within 90 days from the date of receipt. If approved, the modification(s) or change(s) will be recorded and acknowledged within 90 days of approval as an amendment to such program. If not approved, the sponsor must be notified of the disapproval and the reasons therefore and provided the appropriate technical assistance.

(j) Under a program proposed for registration by an employer or employers' association, where the standards, collective bargaining agreement or other instrument provides for participation by a union in any manner in the operation of the substantive matters of the apprenticeship program, and such participation is exercised, written acknowledgement of union agreement or no objection to the registration is required. Where no such participation is evidenced and practiced, the employer or employers' association must simultaneously furnish to an existing union, which is the collective bargaining agent of the employees to be trained, a copy of its application for registration and of the apprenticeship program. The Registration Agency must provide for receipt of union comments, if any, within 45 days before final action on the application for registration and/or approval.

(k) Where the employees to be trained have no collective bargaining agreement, an apprenticeship program may be proposed for registration by an employer or group of employers, or an employer association.

§ 29.4

29 CFR Subtitle A (7-1-21 Edition)

§ 29.4 Criteria for apprenticeable occupations.

An apprenticeable occupation is one which is specified by industry and which must:

(a) Involve skills that are customarily learned in a practical way through a structured, systematic program of on-the-job supervised learning;

(b) Be clearly identified and commonly recognized throughout an industry;

(c) Involve the progressive attainment of manual, mechanical or technical skills and knowledge which, in accordance with the industry standard for the occupation, would require the completion of at least 2,000 hours of on-the-job learning to attain; and

(d) Require related instruction to supplement the on-the-job learning.

§ 29.5 Standards of apprenticeship.

An apprenticeship program, to be eligible for approval and registration by a Registration Agency, must conform to the following standards:

(a) The program must have an organized, written plan (program standards) embodying the terms and conditions of employment, training, and supervision of one or more apprentices in an apprenticeable occupation, as defined in this part, and subscribed to by a sponsor who has undertaken to carry out the apprentice training program.

(b) The program standards must contain provisions that address:

(1) The employment and training of the apprentice in a skilled occupation.

(2) The term of apprenticeship, which for an individual apprentice may be measured either through the completion of the industry standard for on-the-job learning (at least 2,000 hours) (time-based approach), the attainment of competency (competency-based approach), or a blend of the time-based and competency-based approaches (hybrid approach).

(i) The time-based approach measures skill acquisition through the individual apprentice's completion of at least 2,000 hours of on-the-job learning as described in a work process schedule.

(ii) The competency-based approach measures skill acquisition through the individual apprentice's successful dem-

onstration of acquired skills and knowledge, as verified by the program sponsor. Programs utilizing this approach must still require apprentices to complete an on-the-job learning component of Registered Apprenticeship. The program standards must address how on-the-job learning will be integrated into the program, describe competencies, and identify an appropriate means of testing and evaluation for such competencies.

(iii) The hybrid approach measures the individual apprentice's skill acquisition through a combination of specified minimum number of hours of on-the-job learning and the successful demonstration of competency as described in a work process schedule.

(iv) The determination of the appropriate approach for the program standards is made by the program sponsor, subject to approval by the Registration Agency of the determination as appropriate to the apprenticeable occupation for which the program standards are registered.

(3) An outline of the work processes in which the apprentice will receive supervised work experience and training on the job, and the allocation of the approximate amount of time to be spent in each major process.

(4) Provision for organized, related instruction in technical subjects related to the occupation. A minimum of 144 hours for each year of apprenticeship is recommended. This instruction in technical subjects may be accomplished through media such as classroom, occupational or industry courses, electronic media, or other instruction approved by the Registration Agency. Every apprenticeship instructor must:

(i) Meet the State Department of Education's requirements for a vocational-technical instructor in the State of registration, or be a subject matter expert, which is an individual, such as a journeyworker, who is recognized within an industry as having expertise in a specific occupation; and

(ii) Have training in teaching techniques and adult learning styles, which may occur before or after the apprenticeship instructor has started to provide the related technical instruction.

(5) A progressively increasing schedule of wages to be paid to the apprentice consistent with the skill acquired. The entry wage must not be less than the minimum wage prescribed by the Fair Labor Standards Act, where applicable, unless a higher wage is required by other applicable Federal law, State law, respective regulations, or by collective bargaining agreement.

(6) Periodic review and evaluation of the apprentice's performance on the job and in related instruction; and the maintenance of appropriate progress records.

(7) A numeric ratio of apprentices to journeyworkers consistent with proper supervision, training, safety, and continuity of employment, and applicable provisions in collective bargaining agreements, except where such ratios are expressly prohibited by the collective bargaining agreements. The ratio language must be specific and clearly described as to its application to the job site, workforce, department or plant.

(8) A probationary period reasonable in relation to the full apprenticeship term, with full credit given for such period toward completion of apprenticeship. The probationary period cannot exceed 25 percent of the length of the program, or 1 year, whichever is shorter.

(9) Adequate and safe equipment and facilities for training and supervision, and safety training for apprentices on the job and in related instruction.

(10) The minimum qualifications required by a sponsor for persons entering the apprenticeship program, with an eligible starting age not less than 16 years.

(11) The placement of an apprentice under a written Apprenticeship Agreement that meets the requirements of § 29.7 or the State apprenticeship law of a recognized Registration Agency. The agreement must directly, or by reference, incorporate the standards of the program as part of the agreement.

(12) The granting of advanced standing or credit for demonstrated competency, acquired experience, training, or skills for all applicants equally, with commensurate wages for any progression step so granted.

(13) The transfer of an apprentice between apprenticeship programs and within an apprenticeship program must be based on agreement between the apprentice and the affected apprenticeship committees or program sponsors, and must comply with the following requirements:

(i) The transferring apprentice must be provided a transcript of related instruction and on-the-job learning by the committee or program sponsor;

(ii) Transfer must be to the same occupation; and

(iii) A new apprenticeship agreement must be executed when the transfer occurs between program sponsors.

(14) Assurance of qualified training personnel and adequate supervision on the job.

(15) Recognition for successful completion of apprenticeship evidenced by an appropriate certificate issued by the Registration Agency.

(16) Program standards that utilize the competency-based or hybrid approach for progression through an apprenticeship and that choose to issue interim credentials must clearly identify the interim credentials, demonstrate how these credentials link to the components of the apprenticeable occupation, and establish the process for assessing an individual apprentice's demonstration of competency associated with the particular interim credential. Further, interim credentials must only be issued for recognized components of an apprenticeable occupation, thereby linking interim credentials specifically to the knowledge, skills, and abilities associated with those components of the apprenticeable occupation.

(17) Identification of the Registration Agency.

(18) Provision for the registration, cancellation and deregistration of the program; and for the prompt submission of any program standard modification or amendment to the Registration Agency for approval.

(19) Provision for registration of apprenticeship agreements, modifications, and amendments; notice to the Registration Agency of persons who have successfully completed apprenticeship programs; and notice of transfers, suspensions, and cancellations of

§ 29.6

apprenticeship agreements and a statement of the reasons therefore.

(20) Authority for the cancellation of an apprenticeship agreement during the probationary period by either party without stated cause; cancellation during the probationary period will not have an adverse impact on the sponsor's completion rate.

(21) Compliance with 29 CFR part 30, including the equal opportunity pledge prescribed in 29 CFR 30.3(c); an affirmative action program complying with 29 CFR 30.4; and a method for the selection of apprentices complying with 29 CFR 30.10, or compliance with parallel requirements contained in a State plan for equal opportunity in apprenticeship adopted under 29 CFR part 30 and approved by the Department. The apprenticeship standards must also include a statement that the program will be conducted, operated and administered in conformity with applicable provisions of 29 CFR part 30, as amended, or if applicable, an approved State plan for equal opportunity in apprenticeship.

(22) Contact information (name, address, telephone number, and e-mail address if appropriate) for the appropriate individual with authority under the program to receive, process and make disposition of complaints.

(23) Recording and maintenance of all records concerning apprenticeship as may be required by the Office of Apprenticeship or recognized State Apprenticeship Agency and other applicable law.

[73 FR 64425, Oct. 29, 2008, as amended at 81 FR 92107, Dec. 19, 2016]

§ 29.6 Program performance standards.

(a) Every registered apprenticeship program must have at least one registered apprentice, except for the following specified periods of time, which may not exceed 1 year:

(1) Between the date when a program is registered and the date of registration for its first apprentice(s); or

(2) Between the date that a program graduates an apprentice and the date of registration for the next apprentice(s) in the program.

29 CFR Subtitle A (7-1-21 Edition)

(b) Registration Agencies must evaluate performance of registered apprenticeship programs.

(1) The tools and factors to be used must include, but are not limited to:

- (i) Quality assurance assessments;
- (ii) Equal Employment Opportunity (EEO) Compliance Reviews; and
- (iii) Completion rates.

(2) Any additional tools and factors used by the Registration Agency in evaluating program performance must adhere to the goals and policies of the Department articulated in this subpart and in guidance issued by the Office of Apprenticeship.

(c) In order to evaluate completion rates, the Registration Agency must review a program's completion rates in comparison to the national average for completion rates. Based on the review, the Registration Agency must provide technical assistance to programs with completion rates lower than the national average.

(d) Cancellation of apprenticeship agreements during the probationary period will not have an adverse impact on a sponsor's completion rate.

[73 FR 64425, Oct. 29, 2008, as amended at 85 FR 14387, Mar. 11, 2020]

(b) The date of birth and, on a voluntary basis, Social Security number of the apprentice.

(c) Contact information of the Program Sponsor and Registration Agency.

(d) A statement of the occupation in which the apprentice is to be trained, and the beginning date and term (duration) of apprenticeship.

(e) A statement showing:

(1) The number of hours to be spent by the apprentice in work on the job in a time-based program; or a description of the skill sets to be attained by completion of a competency-based program, including the on-the-job learning component; or the minimum number of hours to be spent by the apprentice and

a description of the skill sets to be attained by completion of hybrid program; and

(2) The number of hours to be spent in related instruction in technical subjects related to the occupation, which is recommended to be not less than 144 hours per year.

(f) A statement setting forth a schedule of the work processes in the occupation or industry divisions in which the apprentice is to be trained and the approximate time to be spent at each process.

(g) A statement of the graduated scale of wages to be paid to the apprentice and whether or not the required related instruction is compensated.

(h) Statements providing:

(1) For a specific period of probation during which the apprenticeship agreement may be cancelled by either party to the agreement upon written notice to the registration agency, without adverse impact on the sponsor.

(2) That, after the probationary period, the agreement may be:

(i) Cancelled at the request of the apprentice, or

(ii) Suspended or cancelled by the sponsor, for good cause, with due notice to the apprentice and a reasonable opportunity for corrective action, and with written notice to the apprentice and to the Registration Agency of the final action taken.

(i) A reference incorporating as part of the agreement the standards of the apprenticeship program as they exist on the date of the agreement and as they may be amended during the period of the agreement.

[73 FR 64425, Oct. 29, 2008, as amended at 81 FR 92107, Dec. 19, 2016]

§ 29.8 Deregistration of a registered program.

Deregistration of a program may be effected upon the voluntary action of the sponsor by submitting a request for cancellation of the registration in accordance with paragraph (a) of this section, or upon reasonable cause, by the Registration Agency instituting formal deregistration proceedings in accordance with paragraph (b) of this section.

(a) *Deregistration at the request of the sponsor.* The Registration Agency may cancel the registration of an apprenticeship program by written acknowledgment of such request stating the following:

(1) The registration is cancelled at the sponsor's request, and the effective date thereof;

(2) That, within 15 days of the date of the acknowledgment, the sponsor will notify all apprentices of such cancellation and the effective date; that such cancellation automatically deprives the apprentice of individual registration; that the deregistration of the program removes the apprentice from coverage for Federal purposes which require the Secretary of Labor's approval of an apprenticeship program, and that all apprentices are referred to the Registration Agency for information about potential transfer to other registered apprenticeship programs.

(b) *Deregistration by the registration agency upon reasonable cause.* (1)(i) Deregistration proceedings may be undertaken when the apprenticeship program is not conducted, operated, or administered in accordance with the program's registered provisions or with the requirements of this part, including but not limited to: failure to provide on-the-job learning; failure to provide related instruction; failure to pay the apprentice a progressively increasing schedule of wages consistent with

§ 29.8

29 CFR Subtitle A (7-1-21 Edition)

the apprentices skills acquired; or persistent and significant failure to perform successfully.

(ii) For purposes of this section, persistent and significant failure to perform successfully occurs when a program sponsor consistently fails to register at least one apprentice, shows a pattern of poor quality assessment results over a period of several years, demonstrates an ongoing pattern of very low completion rates over a period of several years, or shows no indication of improvement in the areas identified by the Registration Agency during a review process as requiring corrective action.

(2) Where it appears the program is not being operated in accordance with the registered standards or with requirements of this part, the Registration Agency must notify the program sponsor in writing.

(3) The notice sent to the program sponsor's contact person must:

(i) Be sent by registered or certified mail, with return receipt requested;

(ii) State the shortcoming(s) and the remedy required; and

(iii) State that a determination of reasonable cause for deregistration will be made unless corrective action is effected within 30 days.

(4) Upon request by the sponsor for good cause, the 30-day term may be extended for another 30 days. During the period for corrective action, the Registration Agency must assist the sponsor in every reasonable way to achieve conformity.

(5) If the required correction is not effected within the allotted time, the Registration Agency must send a notice to the sponsor, by registered or certified mail, return receipt requested, stating the following:

(i) The notice is sent under this paragraph;

(ii) Certain deficiencies were called to the sponsor's attention (enumerating them and the remedial measures requested, with the dates of such occasions and letters), and that the sponsor has failed or refused to effect correction;

(iii) Based upon the stated deficiencies and failure to remedy them, a determination has been made that there is reasonable cause to deregister

the program and the program may be deregistered unless, within 15 days of the receipt of this notice, the sponsor requests a hearing with the applicable Registration Agency; and

(iv) If the sponsor does not request a hearing, the entire matter will be submitted to the Administrator, Office of Apprenticeship, for a decision on the record with respect to deregistration.

(6) If the sponsor does not request a hearing, the Registration Agency will transmit to the Administrator a report containing all pertinent facts and circumstances concerning the nonconformity, including the findings and recommendation for deregistration, and copies of all relevant documents and records. Statements concerning interviews, meetings and conferences will include the time, date, place, and persons present. The Administrator will make a final order on the basis of the record presented.

(7) If the sponsor requests a hearing, the Registration Agency will transmit to the Administrator a report containing all the data listed in paragraph (b)(6) of this section, and the Administrator will refer the matter to the Office of Administrative Law Judges. An Administrative Law Judge will convene a hearing in accordance with § 29.10, and issue a decision as required in § 29.10(c).

(8) Every order of deregistration must contain a provision that the sponsor must, within 15 days of the effective date of the order, notify all registered apprentices of the deregistration of the program; the effective date thereof; that such cancellation automatically deprives the apprentice of individual registration; that the deregistration removes the apprentice from coverage for Federal purposes which require the Secretary of Labor's approval of an apprenticeship program; and that all apprentices are referred to the Registration Agency for information about potential transfer to other registered apprenticeship programs.

[73 FR 64425, Oct. 29, 2008, as amended at 81 FR 92108, Dec. 19, 2016]

§ 29.9 Reinstatement of program registration.

Any apprenticeship program deregistered under § 29.8 may be reinstated upon presentation of adequate evidence that the apprenticeship program is operating in accordance with this part. Such evidence must be presented to the Registration Agency.

§ 29.10 Hearings for deregistration.

(a) Within 10 days of receipt of a request for a hearing, the Administrator of the Office of Apprenticeship must contact the Department's Office of Administrative Law Judges to request the designation of an Administrative Law Judge to preside over the hearing. The Administrative Law Judge shall give reasonable notice of such hearing to the appropriate sponsor. Such notice will include:

- (1) A reasonable time and place of hearing;
- (2) A statement of the provisions of this subpart pursuant to which the hearing is to be held; and
- (3) A concise statement of the matters pursuant to which the action forming the basis of the hearing is proposed to be taken.

(b) The procedures contained in 29 CFR part 18 will apply to the disposition of the request for hearing except that:

- (1) The Administrative Law Judge will receive, and make part of the record, documentary evidence offered by any party and accepted at the hearing. Copies thereof will be made available by the party submitting the documentary evidence to any party to the hearing upon request.
- (2) Technical rules of evidence will not apply to hearings conducted pursuant to this part, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to test by cross-examination will be applied, where reasonably necessary, by the Administrative Law Judge conducting the hearing. The Administrative Law Judge may exclude irrelevant, immaterial, or unduly repetitious evidence.

(c) The Administrative Law Judge should issue a written decision within 90 days of the close of the hearing

record. The Administrative Law Judge's decision constitutes final agency action unless, within 15 days from receipt of the decision, a party dissatisfied with the decision files a petition for review with the Administrative Review Board in accordance with 29 CFR part 26, specifically identifying the procedure, fact, law, or policy to which exception is taken. Any exception not specifically urged is deemed to have been waived. A copy of the petition for review must be served on the opposing party at the same time in accordance with 29 CFR part 26. Thereafter, the decision of the Administrative Law Judge remains final agency action unless the Administrative Review Board, within 30 days of the filing of the petition for review, notifies the parties that it has accepted the case for review. The Administrative Review Board may set a briefing schedule or decide the matter on the record. The Administrative Review Board must issue a decision in any case it accepts for review within 180 days of the close of the record. If a decision is not so issued, the Administrative Law Judge's decision constitutes final agency action.

Nothing in this subpart or in any apprenticeship agreement will operate to invalidate:

- (a) Any apprenticeship provision in any collective bargaining agreement between employers and employees establishing higher apprenticeship standards; or

§ 29.12

§ 29.12 Complaints.

(a) This section is not applicable to any complaint concerning discrimination or other equal opportunity matters; all such complaints must be submitted, processed and resolved in accordance with applicable provisions in 29 CFR part 30, or applicable provisions of a State Plan for Equal Employment Opportunity in Apprenticeship adopted pursuant to 29 CFR part 30 and approved by the Department.

(b) Except for matters described in paragraph (a) of this section, any controversy or difference arising under an apprenticeship agreement which cannot be adjusted locally and which is not covered by a collective bargaining agreement, may be submitted by an apprentice, or the apprentice's authorized representative, to the appropriate Registration Authority, either Federal or State, which has registered and/or approved the program in which the apprentice is enrolled, for review. Matters covered by a collective bargaining agreement are not subject to such review.

(c) The complaint must be in writing and signed by the complainant, or authorized representative, and must be submitted within 60 days of the final local decision. It must set forth the specific matter(s) complained of, together with relevant facts and circumstances. Copies of pertinent documents and correspondence must accompany the complaint.

(d) The Office of Apprenticeship or recognized State Apprenticeship Agency, as appropriate, will render an opinion within 90 days after receipt of the complaint, based upon such investigation of the matters submitted as may be found necessary, and the record before it. During the 90-day period, the Office of Apprenticeship or recognized State Apprenticeship Agency will make reasonable efforts to effect a satisfactory resolution between the parties involved. If so resolved, the parties will be notified that the case is closed. Where an opinion is rendered, copies will be sent to all interested parties.

(e) Nothing in this section precludes an apprentice from pursuing any other remedy authorized under another Federal, State, or local law.

29 CFR Subtitle A (7-1-21 Edition)

(f) A State Apprenticeship Agency may adopt a complaint review procedure differing in detail from that given in this section provided it is submitted for review and approval by the Office of Apprenticeship.

§ 29.13 Recognition of State Apprenticeship Agencies.

(a) *Recognition.* The Department may exercise its authority to grant recognition to a State Apprenticeship Agency. Recognition confers non-exclusive authority to determine whether an apprenticeship program conforms to the published standards and whether the program is, therefore, eligible for those Federal purposes which require such a determination by the Department. Such recognition shall be accorded upon the State's submission of, the Department's approval of, and the State's compliance with the following:

(1) The State Apprenticeship Agency must submit a State apprenticeship law, whether instituted through statute, Executive Order, regulation, or other means, that conforms to the requirements of 29 CFR part 29 subpart A, and part 30;

(2) The State Apprenticeship Agency must establish and continue to use a State Apprenticeship Council, which operates under the direction of the State Apprenticeship Agency. The State Apprenticeship Council may be either regulatory or advisory and must meet the following requirements:

(i) It must be composed of persons familiar with apprenticeable occupations, and

(ii) It must include an equal number of representatives of employer and of employee organizations and include public members who shall not number in excess of the number named to represent either employer or employee organizations;

(3) The State Apprenticeship Agency must submit a State Plan for Equal Employment Opportunity in Apprenticeship that conforms to the requirements published in 29 CFR part 30;

(4) The State Apprenticeship Agency's submission must include a description of the basic standards, criteria, and requirements for program registration and/or approval, and demonstrate linkages and coordination with the

State's economic development strategies and publicly-funded workforce investment system; and

(5) The State Apprenticeship Agency's submission must include a description of policies and operating procedures which depart from or impose requirements in addition to those prescribed in this part.

(b) *Basic requirements.* In order to obtain and maintain recognition as provided under paragraph (a) of this section, the State Apprenticeship Agency must conform to the requirements of this part. To accomplish this, the State must:

(1) Establish and maintain an administrative entity (the State Apprenticeship Agency) that is capable of performing the functions of a Registration Agency under 29 CFR part 29 subpart A;

(2) Provide sufficient resources to carry out the functions of a Registration Agency, including: Outreach and education; registration of programs and apprentices; provision of technical assistance, and monitoring as required to fulfill the requirements of this part;

(3) Clearly delineate the respective powers and duties of the State office, the State Apprenticeship Agency, and the State Apprenticeship Council;

(4) Establish policies and procedures to promote equality of opportunity in apprenticeship programs pursuant to a State Plan for Equal Employment Opportunity in Apprenticeship which adopts and implements the requirements of 29 CFR part 30, and to require apprenticeship programs to operate in conformity with such State Plan and 29 CFR part 30;

(5) Prescribe the contents of apprenticeship agreements, in conformity with § 29.7;

(6) Ensure that the registration of apprenticeship programs occurs only in apprenticeable occupations, as provided in § 29.4, including occupations in high growth and high demand industries;

(7) Accord reciprocal approval for Federal purposes to apprentices, apprenticeship programs and standards that are registered in other States by the Office of Apprenticeship or a Registration Agency if such reciprocity is requested by the apprenticeship program sponsor. Program sponsors seek-

ing reciprocal approval must meet the wage and hour provisions and apprentice ratio standards of the reciprocal State;

(8) Provide for the cancellation and/or deregistration of programs, and for temporary suspension, cancellation, and/or deregistration of apprenticeship agreements; and

(9) Submit all proposed modifications in legislation, regulations, policies and/or operational procedures planned or anticipated by a State Apprenticeship Agency, either at the time of application for recognition or subsequently, to the Office of Apprenticeship for review and obtain the Office of Apprenticeship's concurrence prior to implementation.

(c) *Application for recognition.* A State Apprenticeship Agency desiring new or continued recognition as a Registration Agency must submit to the Administrator of the Office of Apprenticeship the documentation specified in paragraph (a) of this section. A currently recognized State desiring continued recognition by the Office of Apprenticeship must submit to the Administrator of the Office of Apprenticeship the documentation specified in paragraph (a) of this section within 2 years of the effective date of the final rule. The recognition of a currently recognized State shall continue for up to 2 years from the effective date of this regulation and during any extension period granted by the Administrator. An extension of time within which to comply with the requirements of this subpart may be granted by the Administrator for good cause upon written request by the State, but the Administrator shall not extend the time for submission of the documentation required by paragraph (a) of this section. Upon approval of the State Apprenticeship Agency's application for recognition and any subsequent modifications to this application as required under paragraph (b)(9) of this section, the Administrator shall so notify the State Apprenticeship Agency in writing.

(d) *Duration of recognition.* The recognition of a State Apprenticeship Agency shall last for 5 years from the

§ 29.13

date recognition is granted under paragraph (c) of this section. The Administrator shall notify each State Registration Agency at least 180 days prior to the expiration of the 5-year period whether the Registration Agency is in conformity with this part, based on reviews conducted by the Office of Apprenticeship, as required by paragraph (e) of this section. If the notification states that the State Apprenticeship Agency is in conformity, recognition will be renewed for an additional 5-year period. If the notification states that the State Apprenticeship Agency is not in conformity, the notification shall specify the areas of non-conformity, require corrective action, and offer technical assistance. After the Administrator determines that a State Apprenticeship Agency has corrected the identified non-conformities, recognition will be renewed for an additional 5-year period.

(e) *Compliance.* The Office of Apprenticeship will monitor a State Registration Agency for compliance with the recognition requirements of this subpart through:

(1) On-site reviews conducted by Office of Apprenticeship staff.

(2) Self-assessment reports, as required by the Office of Apprenticeship.

(3) Review of State Apprenticeship Agency legislation, regulations, policies, and/or operating procedures required to be submitted under paragraphs (a)(1), (a)(5) and (b)(9) of this section for review and approval as required under § 29.13(a).

(4) Determination whether, based on the review performed under paragraphs (e)(1), (2), and (3) of this section, the State Registration Agency is in compliance with part 29 subpart A. Notice to the State Registration Agency of the determination will be given within 45 days of receipt of proposed modifications to legislation, regulations, policies, and/or operational procedures required to be submitted under paragraphs (a)(1), (a)(5) and (b)(9) of this section.

(f) *Accountability/Remedies for non-conformity.* (1) State Registration Agencies that fail to maintain compliance with the requirements of this part, as provided under paragraph (e) of this section, will:

29 CFR Subtitle A (7-1-21 Edition)

(i) Receive technical assistance from the Office of Apprenticeship in an effort to remedy the non-conforming activity; and

(ii) Be placed on “Conditional Recognition” for a period of 45 days during which the State Apprenticeship Agency must submit a corrective action plan to remedy the non-conforming activity to the Office of Apprenticeship. Upon request from the State Apprenticeship Agency, for good cause, the 45-day period may be extended.

(2) Failure to comply with these requirements will result in rescission of recognition, for Federal Purposes as provided under § 29.14.

(g) *Denial of State apprenticeship agency recognition.* A denial by the Office of Apprenticeship of a State Apprenticeship Agency’s application for new or continued recognition must be in writing and must set forth the reasons for denial. The notice must be sent by certified mail, return receipt requested. In addition to the reasons stated for the denial, the notice must specify the remedies which must be undertaken prior to consideration of a resubmitted request, and must state that a request for administrative review of a denial of recognition may be made within 30 calendar days of receipt of the notice of denial from the Department. Such request must be filed with the Chief Administrative Law Judge for the Department in accordance with 29 CFR part 18. Within 30 calendar days of the filing of the request for review, the Administrator must prepare an administrative record for submission to the Administrative Law Judge designated by the Chief Administrative Law Judge.

(1) The procedures contained in 29 CFR part 18 will apply to the disposition of the request for review except that:

(i) The Administrative Law Judge will receive, and make part of the record, documentary evidence offered by any party and accepted at the hearing. Copies thereof will be made available by the party submitting the documentary evidence to any party to the hearing upon request.

(ii) Technical rules of evidence will not apply to hearings conducted under this part, but rules or principles designed to assure production of the most

credible evidence available and to subject testimony to test by cross-examination will be applied, where reasonably necessary, by the Administrative Law Judge conducting the hearing. The Administrative Law Judge may exclude irrelevant, immaterial, or unduly repetitious evidence.

(2) The Administrative Law Judge should submit proposed findings, a recommended decision, and a certified record of the proceedings to the Administrative Review Board within 90 calendar days after the close of the record.

(3) Within 20 days of the receipt of the recommended decision, any party may file exceptions. Any party may file a response to the exceptions filed by another party within 10 days of receipt of the exceptions. All exceptions and responses must be filed with the Administrative Review Board with copies served on all parties and amici curiae in accordance with 29 CFR part 26.

(4) After the close of the period for filing exceptions and responses, the Administrative Review Board may issue a briefing schedule or may decide the matter on the record before it. The Administrative Review Board must decide any case it accepts for review within 180 days of the close of the record. If a decision is not so issued, the Administrative Law Judge's decision constitutes final agency action.

(h) *Withdrawal from recognition.* Where a State Apprenticeship Agency voluntarily relinquishes its recognition for Federal purposes, the State must:

(1) Send a formal notice of intent to the Administrator of the Office of Apprenticeship;

(2) Provide all apprenticeship program standards, apprenticeship agreements, completion records, cancellation and suspension records, Equal Employment Opportunity Compliance Review files and any other documents relating to the State's apprenticeship programs, to the Department; and

(3) Cooperate fully during a transition period.

(i) *Retention of authority.* Notwithstanding any grant of recognition to a State Apprenticeship Agency under this section, the Office of Apprenticeship retains the full authority to register apprenticeship programs and ap-

prentices in all States and Territories where the Office of Apprenticeship determines that such action is necessary to further the interests of the National Apprenticeship System.

(j) *State apprenticeship programs.* (1) An apprenticeship program submitted to a State Registration Agency for registration must, for Federal purposes, be in conformity with the State apprenticeship law, regulations, and with the State Plan for Equal Employment Opportunity in Apprenticeship as submitted to and approved by the Office of Apprenticeship pursuant to 29 CFR part 30.

(2) In the event that a State Apprenticeship Agency is not recognized by the Office of Apprenticeship for Federal purposes or that such recognition has been withdrawn, or if no State Apprenticeship Agency exists, registration with the Office of Apprenticeship may be requested. Such registration must be granted if the program is conducted, administered and operated in accordance with the requirements of this part and the equal opportunity regulation in 29 CFR part 30, as amended.

§ 29.14 Derecognition of State Apprenticeship Agencies.

The recognition for Federal purposes of a State Apprenticeship Agency may be withdrawn for the failure to fulfill, or operate in conformity with, the requirements of part 29 subpart A, and part 30. Derecognition proceedings for reasonable cause will be instituted in accordance with the following:

(a) Derecognition proceedings for failure to adopt or properly enforce a State Plan for Equal Employment Opportunity in Apprenticeship must be processed in accordance with the procedures prescribed in this part.

(b) For causes other than those under paragraph (a) of this section, the Office of Apprenticeship must notify the respondent and appropriate State sponsors in writing, by certified mail, with return receipt requested. The notice must set forth the following:

§ 29.14

29 CFR Subtitle A (7-1-21 Edition)

(1) That reasonable cause exists to believe that the respondent has failed to fulfill or operate in conformity with the requirements of this part;

(2) The specific areas of nonconformity;

(3) The needed remedial measures; and

(4) That the Office of Apprenticeship proposes to withdraw recognition for Federal purposes unless corrective action is taken, or a hearing request mailed, within 30 days of the receipt of the notice.

(c) If, within the 30-day period, the State Apprenticeship Agency:

(1) Acknowledges that the State is out of conformity, specifies its proposed remedial action and commits itself to remedying the identified deficiencies, the Office of Apprenticeship will suspend the derecognition process to allow a reasonable period of time for the State Apprenticeship Agency to implement its corrective action plan.

(i) If the Office of Apprenticeship determines that the State's corrective action has addressed the identified concerns, the Office of Apprenticeship must so notify the State and the derecognition proceedings shall be terminated.

(ii) If the Office of Apprenticeship determines that the State has not addressed or failed to remedy the identified concerns, the Administrator must notify the State, in writing, of its failure, specifying the reasons therefore, and offer the State an opportunity to request a hearing within 30 days.

(2) Fails to comply or to request a hearing, the Office of Apprenticeship shall decide whether recognition should be withdrawn. If the decision is in the affirmative, the Administrator must begin the process of transferring registrations in paragraph (d).

(3) *Requests a hearing.* The Administrator shall refer the matter to the Office of Administrative Law Judges. An Administrative Law Judge will convene a hearing in accordance with § 29.13(g) and submit proposed findings and a recommended decision to the Administrative Review Board. The Administrative Review Board must issue a decision in any case it accepts for review within 180 days of the close of the record. If a decision is not so issued,

the Administrative Law Judge's decision constitutes final agency action.

(d) If the Administrative Review Board determines to withdraw recognition for Federal purposes or if the Office of Apprenticeship has decided that recognition should be withdrawn under paragraph (c)(2) of this section, the Administrator must:

(1) Notify the registration agency and the State sponsors of such withdrawal and effect public notice of such withdrawal.

(2) Notify the sponsors that, 30 days after the date of the order withdrawing recognition of the State's registration agency, the Department shall cease to recognize, for Federal purposes, each apprenticeship program registered with the State Apprenticeship Agency, unless within that time, the sponsor requests registration with the Office of Apprenticeship.

(e) In the event that a State Apprenticeship Agency is not recognized by the Office of Apprenticeship for Federal purposes or that such recognition has been withdrawn, or if no State Apprenticeship Agency exists, apprenticeship program sponsors may request registration with the Office of Apprenticeship in accordance with the following:

(1) The Office of Apprenticeship may grant the request for registration on an interim basis. Continued recognition will be contingent upon its finding that the State apprenticeship program is operating in accordance with the requirements of this subpart and of 29 CFR part 30.

(2) The Office of Apprenticeship must make a finding on this issue within 30 days of receipt of the request.

(3) If the finding is in the negative, the State sponsor must be notified in writing that the interim registration with the Office of Apprenticeship has been revoked and that the program will be deregistered unless the sponsor requests a hearing within 15 days of the receipt of the notice. If a hearing is requested, the matter will be forwarded to the Office of Administrative Law Judges for a hearing in accordance with § 29.10.

(4) If the finding is in the affirmative, the State sponsor must be notified in writing that the interim registration

with the Office of Apprenticeship has been made permanent based upon compliance with the requirements of this part.

(f) If the sponsor fails to request registration with the Office of Apprenticeship, the written notice to such State sponsor must further advise the recipient that any actions or benefits applicable to recognition for Federal purposes are no longer available to the participants in its apprenticeship program as of the date 30 days after the date of the order withdrawing recognition.

(g) Such notice must also direct the State sponsor to notify, within 15 days, all its registered apprentices of the withdrawal of recognition for Federal purposes; the effective date thereof; and that such withdrawal removes the apprentice from coverage under any Federal provision applicable to their individual registration under a program recognized or registered by the Secretary of Labor for Federal purposes. Such notice must direct that all apprentices are referred to the Office of Apprenticeship for information about potential transfer to other registered apprenticeship programs.

(h) Where a State Apprenticeship Agency's recognition for Federal purposes has been withdrawn; the State must:

(1) Provide all apprenticeship program standards, apprenticeship agreements, completion records, cancellation and suspension records, Equal Employment Opportunity Compliance Review files and any other documents relating to the State's apprenticeship programs, to the Department; and

(2) Cooperate fully during a transition period.

(i) A State Apprenticeship Agency whose recognition has been withdrawn under this subpart may have its recognition reinstated upon presentation of adequate evidence that it has fulfilled the requirements established in §§ 29.13(i) and 29.14(g) and (h) and is operating in conformity with the requirements of this subpart.

Subpart B—Standards Recognition Entities of Industry-Recognized Apprenticeship Programs

SOURCE: 85 FR 14388, Mar. 11, 2020, unless otherwise noted.

§ 29.20 Standards Recognition Entities, Industry-Recognized Apprenticeship Programs, Administrator, and Apprentices.

For the purpose of this subpart, which establishes a new apprenticeship pathway distinct from the registered apprenticeship programs described in subpart A:

(a) A *Standards Recognition Entity (SRE)* of Industry-Recognized Apprenticeship Programs (IRAPs) is an entity that is qualified to recognize apprenticeship programs as IRAPs under § 29.21 and that has been recognized by the Department of Labor. The types of entities that can become SREs include:

- (1) Trade, industry, and employer groups or associations;
- (2) Corporations and other organized entities;
- (3) Educational institutions, such as universities or community colleges;
- (4) State and local government agencies or entities;
- (5) Non-profit organizations;
- (6) Unions;
- (7) Joint labor-management organizations;
- (8) Certification and accreditation bodies or entities for a profession or industry; or
- (9) A consortium or partnership of entities such as those above.

(b) *IRAPs* are high-quality apprenticeship programs, wherein an individual obtains workplace-relevant knowledge and progressively advancing skills, that include a paid-work component and an educational or instructional component, and that result in an industry-recognized credential. An IRAP is developed or delivered by entities such as trade and industry groups, corporations, non-profit organizations, educational institutions, unions, and joint labor-management organizations.

An IRAP is an apprenticeship program that has been recognized as a high-quality program by an SRE pursuant to § 29.22(a)(4)(i) through (x).

§ 29.21

(c) The *Administrator* is the Administrator of the Department of Labor's Office of Apprenticeship, or any person specifically designated by the Administrator.

(d) An *apprentice* is an individual training in an IRAP under an apprenticeship agreement.

§ 29.21 Becoming a Standards Recognition Entity.

(a) To apply to be recognized as an SRE, an entity (or consortium or partnership of entities) must complete and submit an application to the Administrator for recognition as an IRAP SRE. Such application must be in a form prescribed by the Administrator, which will require the applicant's written attestation that the information and documentation provided is true and correct. This application must include all policies and procedures required by this subpart or addressing requirements in this subpart, which will be reviewed by the Administrator when making a recognition determination.

(b) An entity is qualified to be recognized as an SRE if it demonstrates:

(1) It has the expertise to set competency-based standards, through a consensus-based process involving industry experts, for the requisite training, structure, and curricula for apprenticeship programs in the industry(ies) or occupational area(s) in which it seeks to be an SRE.

(i) The requirements in paragraph (b)(1) of this section may be met through an SRE's past or current standard-setting activities and need only engender new activity if necessary to comply with this rule.

(ii) [Reserved]

(2) It has the capacity and quality assurance processes and procedures sufficient to comply with § 29.22(a)(4), given the scope of the IRAPs to be recognized.

(3) It has the resources to operate as an SRE for a 5-year period. As part of its application, an entity must report any bankruptcies from the past 5 years.

(4) Its disclosure of any confirmed or potential partner who will be engaged in the recognition activities and describes their roles, including relationships with subsidiaries or other related

29 CFR Subtitle A (7-1-21 Edition)

entities that could reasonably impact its impartiality.

(5) It is not suspended or debarred from conducting business with the U.S. Federal Government.

(6) It mitigates—via any specific policies, processes, procedures, or structures—any actual or potential conflicts of interest, including, but not limited to, conflicts that may arise from the entity recognizing its own apprenticeship program(s) and conflicts relating to the entity's provision of services to actual or prospective IRAPs.

(7) It has the appropriate knowledge and resources to recognize IRAPs in the industry(ies) or occupational areas in the intended geographical area, that may be nationwide or limited to a region, State, or local area.

(8) It meets any other applicable requirements of this subpart.

(c) The Administrator will recognize an entity as an SRE if it is qualified under paragraph (b) of this section.

(1) An SRE will be recognized for 5 years, and must reapply at least 6 months before the date that its current recognition is set to expire if it seeks re-recognition.

(i) To reapply to continue serving as an SRE, an entity must complete and submit an updated application to the Administrator for re-recognition as an IRAP SRE that is in a form prescribed by the Administrator.

(ii) To determine whether re-recognition should be granted, the Administrator will evaluate the information provided by the SRE in the updated application and the data provided pursuant to § 29.22(h), to verify that the SRE's quality assurance processes and procedures were and continue to be sufficient to effect compliance with § 29.22(a)(4).

(2) An SRE must notify the Administrator and must provide all related material information if:

(i) It makes any major change that could affect the operations of the program, such as involvement in lawsuits that materially affect the SRE, changes in legal status, or any other change that materially affects the SRE's ability to function in its recognition capacity; or

(ii) It seeks to recognize apprenticeship programs in additional industries,

occupational areas, or geographical areas.

(3) An SRE must submit changes as described in paragraph (c)(2)(ii) of this section to the Administrator for evaluation prior to the SRE implementing the changes. In light of the information received, the Administrator will evaluate whether the SRE remains qualified for recognition under paragraph (b) of this section, including its qualification to recognize programs in the new industries, occupational areas, or geographical areas identified under paragraph (c)(2)(i) of this section.

(d) The requirements for denials of recognition are as follows:

(1) A denial of recognition must be in writing and must state the reason(s) for denial. The notice must tell the applicant what it needs to do differently before resubmitting its application.

(2) The notice must state that a request for administrative review may be made within 30 calendar days of receipt of the notice.

(3) The notice must explain that a request for administrative review must comply with the service requirements contained in 29 CFR part 18. The Administrator will refer any requests for administrative review to the Office of Administrative Law Judges to be addressed in accordance with § 29.29.

§ 29.22 Responsibilities and requirements of Standards Recognition Entities.

(a) An SRE must:

(1) Recognize or reject an apprenticeship program seeking recognition as an IRAP in a timely manner;

(2) Inform the Administrator within 30 calendar days when it has recognized, suspended, or derecognized an IRAP, and include the name and contact information of the program;

(3) Provide the Administrator any data or information the Administrator is expressly authorized to collect under this subpart; and

(4) Only recognize as IRAPs and maintain such recognition of apprenticeship programs that meet the following requirements:

(i) The program must train apprentices for employment in jobs that require specialized knowledge and experi-

ence and involve the performance of complex tasks.

(ii) The program has a written training plan, consistent with its SRE's requirements and standards as developed pursuant to the process set forth in § 29.21(b)(1). The written training plan, which must be provided to an apprentice prior to beginning an IRAP, must detail the program's structured work experiences and appropriate related instruction, be designed so that apprentices demonstrate competency and earn credential(s), and provide apprentices progressively advancing industry-essential skills.

(iii) The program ensures that, where appropriate, apprentices receive credit for prior knowledge and experience relevant to the instruction of the program.

(iv) The program provides apprentices industry-recognized credential(s) during participation in or upon completion of the program.

(v) The program provides a working environment for apprentices that adheres to all applicable Federal, State, and local safety laws and regulations and complies with any additional safety requirements of its SRE.

(vi) The program provides apprentices structured mentorship opportunities throughout the duration of the apprenticeship that involve ongoing, focused supervision and training by experienced instructors and employees, to ensure apprentices have additional guidance on the progress of their training and their employability.

(vii) The program ensures apprentices are paid at least the applicable Federal, State, or local minimum wage. The program must provide a written notice to apprentices of what wages apprentices will receive and under what circumstances apprentices' wages will increase. The program's charging of costs or expenses to apprentices must comply with all applicable Federal, State, or local wage laws and regulations, including but not limited to the Fair Labor Standards Act and its regulations. This rule does not purport to alter or supersede an employer's obligations under any such laws and regulations.

(viii) The program affirms its adherence to all applicable Federal, State,

§ 29.22

29 CFR Subtitle A (7-1-21 Edition)

and local laws pertaining to Equal Employment Opportunity (EEO).

(ix) The program discloses to apprentices, before they agree to participate in the program, any costs or expenses that will be charged to them (such as costs related to tools or educational materials).

(x) The program maintains a written apprenticeship agreement for each apprentice that outlines the terms and conditions of the apprentice's employment and training. The apprenticeship agreement must be consistent with its SRE's requirements.

(b) An SRE must validate its IRAPs' compliance with paragraph (a)(4) of this section when it provides the Administrator with notice of recognition under paragraph (a)(2) of this section, and on an annual basis thereafter, and must at that time provide the Administrator a written attestation that its IRAPs meet the requirements of paragraph (a)(4) of this section and any other requirements of the SRE.

(c) An SRE must publicly disclose the credential(s) that apprentices will earn during their participation in or upon completion of an IRAP.

(d) An SRE must establish policies and procedures for recognizing, and validating compliance of, programs that ensure that SRE decisions are impartial, consistent, and based on objective and merit-based criteria; ensure that SRE decisions are confidential except as required or permitted by this subpart, or otherwise required by law; and are written in sufficient detail to reasonably achieve the foregoing criteria. An SRE must submit these policies and procedures to the Administrator with its application.

(e) An SRE's recognition of an IRAP may last no longer than 5 years. An SRE may not re-recognize an IRAP without the IRAP seeking re-recognition.

(f) An SRE must remain in an ongoing quality-control relationship with the IRAPs it has recognized. The specific means and nature of the relationship between the IRAP and SRE will be defined by the SRE, provided the relationship:

(1) Does in fact result in reasonable and effective quality control that includes, as appropriate, consideration of

apprentices' credential attainment, program completion, retention rates, and earnings;

(2) Does not prevent the IRAP from receiving recognition from another SRE;

(3) Does not conflict with this subpart or violate any applicable Federal, State, or local law;

(4) Involves periodic compliance reviews by the SRE of its IRAP to ensure compliance with the requirements of paragraph (a)(4) of this section and the SRE's requirements; and

(5) Includes policies and procedures for the suspension or derecognition of an IRAP that fails to comply with the requirements of paragraph (a)(4) of this section and its SRE's requirements.

(g) Participating as an SRE under this subpart does not make the SRE a joint employer with entities that develop or deliver IRAPs.

(h) Each year, an SRE must report to the Administrator, in a format prescribed by the Administrator, and make publicly available the following information on each IRAP it recognizes:

(1) Up-to-date contact information for each IRAP;

(2) The total number of new and continuing apprentices annually training in each IRAP under an apprenticeship agreement;

(3) The total number of apprentices who successfully completed the IRAP annually;

(4) The annual completion rate for apprentices. Annual completion rate must be calculated by comparing the number of apprentices in a designated apprenticeship cohort who successfully completed the IRAP requirements and attained an industry-recognized credential with the number of apprentices in that cohort who initially began training in the IRAP;

(5) The median length of time for IRAP completion;

(6) The post-apprenticeship employment retention rate, calculated 6 and 12 months after program completion;

(7) The industry-recognized credentials attained by apprentices in an IRAP, and the annual number of such credentials attained;

(8) The annualized average earnings of an IRAP's former apprentices, calculated over the 6 month period after IRAP completion;

(9) Training cost per apprentice; and

(10) Basic demographic information on participants.

(b) SREs must provide requested materials to the Administrator, consistent with § 29.22(a)(3).

(c) The information that is described in this subpart may be utilized by the Administrator to discharge the recognition, review, suspension, and derecognition duties outlined in §§ 29.21(c)(1), 29.26, and 29.27.

§ 29.26

(d) Nothing in this section precludes a complainant from pursuing any remedy authorized under Federal, State, or local law.

§ 29.26 Review of a Standards Recognition Entity.

(a) The Administrator may initiate review of an SRE if it receives information indicating that:

(1) The SRE is not in substantial compliance with this subpart; or

(2) The SRE is no longer capable of continuing as an SRE.

(b) As part of the review, the Administrator must provide the SRE written notice of the review and an opportunity to provide information for the review. Such notice must include a statement of the basis for review, including potential areas in which the SRE is not in substantial compliance or why the SRE may no longer be capable of continuing as an SRE and a detailed description of the information supporting review under paragraphs (a)(1) or (2) of this section, or both.

(c) Upon conclusion of the Administrator's review, the Administrator will give written notice to the SRE of its decision to either take no action against the SRE, or to suspend the SRE as provided under § 29.27.

§ 29.27 Suspension and derecognition of a Standards Recognition Entity.

The Administrator may suspend an SRE for 45 calendar days based on the Administrator's review and determination that any of the situations described in § 29.26(a)(1) or (2) exist.

29 CFR Subtitle A (7-1-21 Edition)

(c) If, within the 45-day period, the SRE:

(1) Specifies its proposed remedial actions and commits itself to remedying the identified areas in which the SRE is not in substantial compliance or the circumstances that render is no longer capable of continuing as an SRE, or both, the Administrator will extend the 45-day period to allow a reasonable time for the SRE to implement remedial actions.

(i) If the Administrator subsequently determines that the SRE has remedied the identified areas in which the SRE is not in substantial compliance or the circumstances that render is no longer capable of continuing as an SRE, or both, the Administrator must notify the SRE, and the suspension will end.

(ii) If the Administrator subsequently determines that the SRE has not remedied the identified areas in which the SRE is not in substantial compliance or the circumstances that render is no longer capable of continuing as an SRE, or both, after the close of the 45-day period and any extensions previously allowed by the Administrator, the Administrator will derecognize the SRE and must notify the SRE in writing and specify the reasons for its determination. IRAP's SRE becomes final, including any appeals. At the end of 1 year, the IRAP will lose its status unless it is already recognized by another SRE recognized under this subpart.

(b) Upon derecognizing an SRE, the Administrator will update the public list described in § 29.24 to reflect the derecognition, and the Administrator will notify the SRE's IRAP(s) of the derecognition.

§ 29.29 Requests for administrative review.

(a) Within 30 calendar days of the filing of a request for administrative review, the Administrator must prepare an administrative record for submission to the Administrative Law Judge designated by the Chief Administrative Law Judge.

(b) The procedures contained in 29 CFR part 18 will apply to the disposition of the request for review except that:

(1) The Administrative Law Judge will receive, and make part of the record, documentary evidence offered by any party and accepted at the hearing. Copies thereof will be made available by the party submitting the documentary evidence to any party to the hearing upon request.

(2) Technical rules of evidence will not apply to hearings conducted under this subpart, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to test by cross-examination will be applied, where reasonably necessary, by the Administrative Law Judge conducting the hearing. The Administrative Law Judge may exclude irrelevant, immaterial, or unduly repetitious evidence.

(c) The Administrative Law Judge should submit proposed findings, a recommended decision, and a certified record of the proceedings to the Administrative Review Board, SRE, and Administrator within 90 calendar days after the close of the record.

(d) Within 20 calendar days of the receipt of the recommended decision, any party may file exceptions. Any party may file a response to the exceptions filed by another party within 10 calendar days of receipt of the exceptions. All exceptions and responses must be

filed with the Administrative Review Board with copies served on all parties and amici curiae.

(e) After the close of the period for filing exceptions and responses, the Administrative Review Board may issue a briefing schedule or may decide the matter on the record before it. The Administrative Review Board must issue a decision in any case it accepts for review within 180 calendar days of the close of the record. If a decision is not so issued, the Administrative Law Judge's decision constitutes final agency action.

(f) The Administrator's decision must be upheld unless the decision is arbitrary, capricious, an abuse of discretion, or otherwise not in accordance with the law.

§ 29.30 Scope of Industry-Recognized Apprenticeship Programs Recognition by Standards Recognition Entities.

(a) The Administrator will not recognize as SREs entities that intend to recognize as IRAPs programs that seek to train apprentices to perform construction activities, consisting of: The erecting of buildings and other structures (including additions); heavy construction other than buildings; and alterations, reconstruction, installation, and maintenance and repairs.

(b) SREs that obtain recognition from the Administrator are prohibited from recognizing as IRAPs programs that seek to train apprentices to perform construction activities, consisting of: The erecting of buildings and other structures (including additions); heavy construction other than buildings; and alterations, reconstruction, installation, and maintenance and repairs.

§ 29.31 Severability.

Should a court of competent jurisdiction hold any provision(s) of this subpart to be invalid, such action will not affect any other provision of this subpart.

§ 30.1 Purpose, applicability, and relationship to other laws.

(a) *Purpose.* The purpose of this part is to promote equal opportunity for apprentices and applicants for apprenticeship in registered apprenticeship programs by prohibiting discrimination based on race, color, religion, national origin, sex, sexual orientation, age (40 or older), genetic information, and disability. This part also prescribes affirmative action efforts sponsors must take to ensure equal opportunity for apprentices and applicants for apprenticeship. The regulations set forth the equal opportunity obligations of sponsors, the contents of affirmative action programs, procedures for the filing and processing of complaints, and enforcement procedures. These regulations also establish procedures for deregistration of an apprenticeship

program in the event of noncompliance with this part and prescribe the equal opportunity requirements for recognition of State Apprenticeship Agencies (SAA) under part 29.

(b) *Applicability.* This part applies to all sponsors of apprenticeship programs registered with either the U.S. Department of Labor or a recognized SAA.

(c) *Relationship to other laws.* This part does not invalidate or limit the remedies, rights, and procedures under any Federal law or the law of any State or political subdivision of any State or jurisdiction that provides greater or equal protection for individuals based on race, color, religion, national origin, sex, sexual orientation, age (40 or older), genetic information, or disability than are afforded by this part. It may be a defense to a charge of a violation of this part that a challenged action is required or necessitated by another Federal law or regulation, or that another Federal law or regulation prohibits an action that would otherwise be required by this part.

§ 30.2 Definitions.

For the purpose of this part:

Administrator means the Administrator of the Office of Apprenticeship, or any person specifically designated by the Administrator.

Apprentice means a worker at least 16 years of age, except where a higher minimum age standard is otherwise fixed by law, who is employed to learn an apprenticeable occupation as provided in §29.4 of this chapter under standards of apprenticeship fulfilling the requirements of §29.5 of this chapter.

The determination that an individual poses a “direct threat” must be based on an individualized assessment of the individual’s present ability to safely perform the essential functions of the job. This assessment must be based on a reasonable medical judgment that relies on the most current medical knowledge and/or on the best available objective evidence. In determining whether an individual would pose a direct threat, the factors to be considered include:

- (1) The duration of the risk;
- (2) The nature and severity of the potential harm;
- (3) The likelihood that the potential harm will occur; and
- (4) The imminence of the potential harm.

*Disability*¹ means, with respect to an individual:

- (1) A physical or mental impairment that substantially limits one or more major life activities of such individual;

EEO means equal employment opportunity.

Electronic media means media that utilize electronics or electromechanical energy for the end user (audience) to access the content; and includes, but is not limited to, electronic storage media, transmission media, the Internet, extranet, lease lines, dial-up lines, private networks, and the physical movement of removable/transportable electronic media and/or interactive distance learning.

The operation of a major bodily function includes the operation of an individual organ within a body system.

It involves a form of structured workplace education and training in which an employer, employer group, industry association, labor union, community-based organization, or educational institution collaborates to provide formal instruction that will introduce participants to the competencies, skills, and materials used in one or more apprenticeable occupations.

Qualified applicant or apprentice is an individual who, with or without reasonable accommodation, can perform the essential functions of the apprenticeship program for which the individual applied or is enrolled.

Race, for purposes of recordkeeping and affirmative action, has the same meaning as under the Office of Management and Budget's Standards for the Classification of Federal Data on Race and Ethnicity, or any successor standards. Race thus refers to the following designations:

(ii) Modifications or adjustments to the work environment, or to the manner or circumstances under which the position held or desired is customarily performed, that enable a qualified individual with a disability to perform the essential functions of that position; or

(iii) Modifications or adjustments that enable a sponsor's apprentice with a disability to enjoy equal benefits and privileges of apprenticeship as are enjoyed by its other similarly situated apprentices without disabilities.

(2) *Reasonable accommodation* may include but is not limited to:

(i) Making existing facilities used by apprentices readily accessible to and usable by individuals with disabilities; and

(ii) Job restructuring; part-time or modified work schedules; reassignment to a vacant position; acquisition or modifications of equipment or devices; appropriate adjustment or modifications of examinations, training materials, or policies; the provision of qualified readers or interpreters; and other similar accommodations for individuals with disabilities.

This process should identify the precise limitations resulting from the disability and potential reasonable accommodations that could overcome those limitations.

Registration Agency means the Office of Apprenticeship or a recognized SAA that has responsibility for registering apprenticeship programs and apprentices; providing technical assistance;

conducting quality assurance assessments and reviews of registered apprenticeship programs for compliance with the requirements of part 29 and this part.

(2) *Factors to be considered.* In determining whether an accommodation would impose an undue hardship on a sponsor, factors to be considered include:

(i) The nature and net cost of the accommodation needed under this part, taking into consideration the availability of tax credits and deductions, and/or outside funding;

(ii) The overall financial resources of the facility or facilities involved in the provision of the reasonable accommodation, the number of persons employed at such facility, and the effect on expenses and resources;

(iii) The overall financial resources of the sponsor, the overall size of the

§ 30.3

29 CFR Subtitle A (7–1–21 Edition)

registered apprenticeship program with respect to the number of apprentices, and the number, type and location of its facilities;

(iv) The type of operation or operations of the sponsor, including the composition, structure and functions of the workforce of such entity, and the geographic separateness and administrative or fiscal relationship of the facility or facilities in question to the sponsor; and

(v) The impact of the accommodation upon the operation of the facility, including the impact on the ability of other apprentices to perform their duties and the impact on the facility's ability to conduct business.

§ 30.3 Equal opportunity standards applicable to all sponsors.

(a)(1) *Discrimination prohibited.* It is unlawful for a sponsor of a registered apprenticeship program to discriminate against an apprentice or applicant for apprenticeship on the basis of race, color, religion, national origin, sex, sexual orientation, age (40 or older), genetic information, or disability with regard to:

42 U.S.C. 2000e *et seq.* and Executive Order 11246, as applicable, in determining whether a sponsor has engaged in a practice unlawful under paragraph (a)(1) of this section.

(ii) *Disability.* With respect to discrimination based on a disability, the Registration Agency will apply the same standards, defenses, and exceptions to the definition of disability as those set forth in title I of the Americans with Disabilities Act (ADA), 42 U.S.C. 12112 and 12113, as amended, and the implementing regulations promulgated by the Equal Employment Opportunity Commission (EEOC) at 29 CFR part 1630, which include, among other things, the standards governing reasonable accommodation, medical examinations and disability-related inquiries, qualification standards, and direct threat defense. The Interpretive Guidance on title I of the ADA set out as an appendix to part 1630 issued pursuant to title I may be relied upon for guidance in complying with the non-discrimination requirements of this part with respect to the treatment of individuals with disabilities.

(iii) *Age.* The Registration Agency will apply the same standards and defenses for age discrimination as those set forth in the Age Discrimination in Employment Act (ADEA), 29 U.S.C. 623, and the implementing regulations promulgated by the EEOC at 29 CFR part 1625.

(iv) *Genetic information.* The Registration Agency will apply the same standards and defenses for discrimination based on genetic information as those set forth in the Genetic Information Nondiscrimination Act (GINA), 42 U.S.C. 2000ff *et seq.* and the implementing regulations promulgated by the EEOC at 29 CFR part 1635.

(b) *General duty to engage in affirmative action.* For each registered apprenticeship program, a sponsor is required to take affirmative steps to provide equal opportunity in apprenticeship. These steps must include:

(1) *Assignment of responsibility.* The sponsor will designate an individual or individuals with appropriate authority under the program, such as an apprenticeship coordinator, to be responsible and accountable for overseeing its commitment to equal opportunity in

registered apprenticeship, including the development and implementation of an affirmative action program as required by §30.4. The individual(s) must have the resources, support of, and access to the sponsor leadership to ensure effective implementation. The individual(s) will be responsible for:

(i) Monitoring all registered apprenticeship activity to ensure compliance with the nondiscrimination and affirmative action obligations required by this part;

(ii) Maintaining records required under this part; and

(iii) Generating and submitting reports as may be required by the Registration Agency.

(2) *Internal dissemination of equal opportunity policy.* The sponsor must inform all applicants for apprenticeship, apprentices, and individuals connected with the administration or operation of the registered apprenticeship program of its commitment to equal opportunity and its affirmative action obligations. In addition, the sponsor must require that individuals connected with the administration or operation of the apprenticeship program take the necessary action to aid the sponsor in meeting its nondiscrimination and affirmative action obligations under this part. A sponsor, at a minimum, is required to:

(i) Publish its equal opportunity pledge—set forth in paragraph (c) of this section—in the apprenticeship standards required under §29.5(b) of this title, and in appropriate publications, such as apprentice and employee handbooks, policy manuals, newsletters, or other documents disseminated by the sponsor or that otherwise describe the nature of the sponsorship;

(ii) Post its equal opportunity pledge from paragraph (c) of this section on bulletin boards, including through electronic media, such that it is accessible to all apprentices and applicants for apprenticeship;

(iii) Conduct orientation and periodic information sessions for individuals connected with the administration or operation of the apprenticeship program, including all apprentices and journeyworkers who regularly work with apprentices, to inform and remind such individuals of the sponsor's equal

employment opportunity policy with regard to apprenticeship, and to provide the training required by paragraph (b)(4)(i) of this section; and

(iv) Maintain records necessary to demonstrate compliance with these requirements and make them available to the Registration Agency upon request.

(3) *Universal outreach and recruitment.* The sponsor will implement measures to ensure that its outreach and recruitment efforts for apprentices extend to all persons available for apprenticeship within the sponsor's relevant recruitment area without regard to race, sex, ethnicity, or disability. In furtherance of this requirement, the sponsor must:

(i) Develop and update annually a list of current recruitment sources that will generate referrals from all demographic groups within the relevant recruitment area. Examples of relevant recruitment sources include: The public workforce system's One-Stop Career Centers and local workforce investment boards; community-based organizations; community colleges; vocational, career and technical schools; pre-apprenticeship programs; and Federally-funded, youth job-training programs such as YouthBuild and Job Corps or their successors;

(ii) Identify a contact person, mailing address, telephone number, and email address for each recruitment source; and

(iii) Provide recruitment sources advance notice, preferably 30 days, of apprenticeship openings so that the recruitment sources can notify and refer candidates. Such notification must also include documentation of the sponsor's equal opportunity pledge specified in paragraph (c) of this section.

(4) *Maintaining apprenticeship programs free from harassment, intimidation, and retaliation.* The sponsor must develop and implement procedures to ensure that its apprentices are not harassed because of their race, color, religion, national origin, sex, sexual orientation, age (40 or older), genetic information, or disability and to ensure that its apprenticeship program is free from intimidation and retaliation as prohibited by §30.17. To promote an environment in which all apprentices feel

§ 30.4

safe, welcomed, and treated fairly, the sponsor must ensure the following steps are taken:

(i) Providing anti-harassment training to all individuals connected with the administration or operation of the apprenticeship program, including all apprentices and journeyworkers who regularly work with apprentices. This training must not be a mere transmittal of information, but must include participation by trainees, such as attending a training session in person or completing an interactive training online. The training content must include, at a minimum, communication of the following:

(A) That harassing conduct will not be tolerated;

(B) The definition of harassment and the types of conduct that constitute unlawful harassment on the basis of race, color, religion, national origin, sex, sexual orientation, age (40 or older), genetic information, and disability; and

(C) The right to file a harassment complaint under §30.14 of this part.

(ii) Making all facilities and apprenticeship activities available without regard to race, color, religion, national origin, sex, sexual orientation, age (40 or older), genetic information, or disability except that if the sponsor provides restrooms or changing facilities, the sponsor must provide separate or single-user restrooms and changing facilities to assure privacy between the sexes;

(iii) Establishing and implementing procedures for handling and resolving complaints about harassment and intimidation based on race, color, religion, national origin, sex, sexual orientation, age (40 or older), genetic information, and disability, as well as complaints about retaliation for engaging in protected activity described in §30.17 of this part.

(5) *Compliance with Federal and State equal employment opportunity laws.* The sponsor must comply with all other applicable Federal and State laws and regulations that require equal employment opportunity without regard to race, color, religion, national origin, sex (including pregnancy and gender identity, as applicable), sexual orientation, age (40 or older), genetic informa-

tion, or disability. Failure to comply with such laws if such noncompliance is related to the equal employment opportunity of apprentices and/or graduates of such an apprenticeship programs under this part is grounds for deregistration or the imposition of other enforcement actions in accordance with §30.15.

(c) *Equal opportunity pledge.* (1) Each sponsor of an apprenticeship program must include in its Standards of Apprenticeship and apprenticeship opportunity announcements the following equal opportunity pledge:

[Name of sponsor] will not discriminate against apprenticeship applicants or apprentices based on race, color, religion, national origin, sex (including pregnancy and gender identity), sexual orientation, genetic information, or because they are an individual with a disability or a person 40 years old or older. [Name of sponsor] will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required under Title 29 of the Code of Federal Regulations, part 30.

(2) The nondiscrimination bases listed in this pledge may be broadened to conform to consistent State and local requirements. Sponsors may include additional protected bases but may not exclude any of the bases protected by this part.

(d) *Compliance.* (1) Current sponsors: A sponsor that has a registered apprenticeship program as of the effective date of this regulation must comply with all obligations of this section within 180 days of the effective date of this rule.

(2) New sponsors: A sponsor registering with a Registration Agency after the effective date of this regulation shall comply with all obligations of this section upon registration or 180 days after the effective date of this regulation, whichever is later.

[81 FR 92108, Dec. 19, 2016, as amended at 84 FR 3301, Feb. 12, 2019]

§ 30.4 Affirmative action programs.

(a) *Definition and purpose.* As used in this part:

(1) An affirmative action program is designed to ensure equal opportunity

and prevent discrimination in apprenticeship programs. An affirmative action program is more than mere passive nondiscrimination. Such a program requires the sponsor to take affirmative steps to encourage and promote equal opportunity, to create an environment free from discrimination, and to address any barriers to equal opportunity in apprenticeship. An affirmative action program is more than a paperwork exercise. It includes those policies, practices, and procedures, including self-analyses, that the sponsor implements to ensure that all qualified applicants and apprentices are receiving an equal opportunity for recruitment, selection, advancement, retention and every other term and privilege associated with apprenticeship. An affirmative action program should be a part of the way the sponsor regularly conducts its apprenticeship program.

(2) A central premise underlying affirmative action is that, absent discrimination, over time a sponsor's apprenticeship program, generally, will reflect the sex, race, ethnicity, and disability profile of the labor pools from which the sponsor recruits and selects. Consistent with this premise, affirmative action programs contain a diagnostic component which includes quantitative analyses designed to evaluate the composition of the sponsor's apprenticeship program and compare it to the composition of the relevant labor pools. If women, individuals with disabilities, or individuals from a particular minority group, for example, are not being admitted into apprenticeship at a rate to be expected given their availability in the relevant labor pool, the sponsor's affirmative action program must include specific, practical steps designed to address any barriers to equal opportunity that may be contributing to this underutilization.

(3) Effective affirmative action programs include internal auditing and reporting systems as a means of measuring the sponsor's progress toward achieving an apprenticeship program that would be expected absent discrimination.

(4) An affirmative action program also ensures equal opportunity in apprenticeship by incorporating the sponsor's commitment to equality in every

aspect of the apprenticeship program. Therefore, as part of its affirmative action program, a sponsor must monitor and examine its employment practices, policies and decisions and evaluate the impact such practices, policies and decisions have on the recruitment, selection and advancement of apprentices. It must evaluate the impact of its employment and personnel policies on minorities, women, and persons with disabilities, and revise such policies accordingly where such policies or practices are found to create a barrier to equal opportunity.

(5) The commitments contained in an affirmative action program are not intended and must not be used to discriminate against any qualified applicant or apprentice on the basis of race, color, religion, national origin, sex, sexual orientation, age (40 or older), genetic information, or disability.

(b) *Adoption of affirmative action programs.* Sponsors other than those identified in paragraph (d) of this section must develop and maintain an affirmative action program, setting forth that program in a written plan. The components of the written plan, as detailed in §§30.5 through 30.9, must be developed in accordance with the respective compliance dates and made available to the Registration Agency any time thereafter upon request.

(c) *Contents of affirmative action programs.* An affirmative action program must include the following components in addition to those required of all sponsors by §30.3(a):

(1) Utilization analysis for race, sex, and ethnicity, as described in §30.5;

(2) Establishment of utilization goals for race, sex, and ethnicity, as described in §30.6;

(3) Utilization goals for individuals with disabilities, as described in §30.7;

(4) Targeted outreach, recruitment, and retention, as described in §30.8;

(5) Review of personnel processes, as described in §30.9; and

(6) Invitations to self-identify, as described in §30.11

(d) *Exemptions*—(1) *Programs with fewer than five apprentices.* A sponsor is exempt from the requirements of paragraphs (b) and (c) of this section if the sponsor's apprenticeship program has fewer than five apprentices registered,

§ 30.5

unless such program was adopted to circumvent the requirements of this section.

(2) *Programs subject to approved equal employment opportunity programs.* A sponsor is exempt from the requirements of paragraphs (b) and (c) of this section if the sponsor both submits to the Registration Agency satisfactory evidence that it is in compliance with an equal employment opportunity program providing for affirmative action in apprenticeship, including the use of goals for any underrepresented group or groups of individuals, which has been approved as meeting the requirements of either title VII of the Civil Rights Act of 1964, as amended (42 U.S.C. 2000e *et seq.*) and agrees to extend such program to include individuals with disabilities, or if the sponsor submits to the Registration Agency satisfactory evidence that it is in compliance with an equal employment opportunity program providing for affirmative action in apprenticeship, including the use of goals for any underrepresented group or groups of individuals, which has been approved as meeting the requirements of both Executive Order 11246, as amended, and section 503 of the Rehabilitation Act, as amended (29 U.S.C. 793), and their implementing regulations at title 41 of the Code of Federal Regulations, Chapter 60: *Provided*, That programs approved, modified or renewed subsequent to the effective date of this amendment will qualify for this exception only if the goals for any underrepresented group for the selection of apprentices provided for in such programs are likely to be equal to or greater than the goals required under this part.

(e) *Written affirmative action plans.* Sponsors required to undertake an affirmative action program must create and update a written document memorializing and discussing the contents of the program set forth in paragraph (c) of this section.

(1) *Compliance—(i) Apprenticeship programs existing as of January 18, 2017.* The initial written affirmative action plan for such programs must be completed within two years of January 18, 2017. The written affirmative action plan for such programs must be updated every time the sponsor completes

29 CFR Subtitle A (7–1–21 Edition)

workforce analyses required by §§ 30.5(b) and 30.7(d)(2).

(ii) Apprenticeship programs registered after January 18, 2017. The initial written affirmative action plan for such programs must be completed within two years of registration. The written affirmative action plan for such programs must be updated every time the sponsor completes workforce analyses required by §§ 30.5(b) and 30.7(d)(2).

§ 30.5 Utilization analysis for race, sex, and ethnicity.

(a) *Purpose.* The purpose of the utilization analysis is to provide sponsors with a method for assessing whether possible barriers to apprenticeship exist for particular groups of individuals by determining whether the race, sex, and ethnicity of apprentices in a sponsor's apprenticeship program is reflective of persons available for apprenticeship by race, sex, and ethnicity in the relevant recruitment area. Where significant disparity exists between availability and representation, the sponsor will be required to establish a utilization goal pursuant to § 30.6.

(b) *Analysis of apprenticeship program workforce—(1) Process.* Sponsors must analyze the race, sex, and ethnic composition of their apprentice workforce. This is a two-step process. First, each sponsor must group all apprentices in its registered apprenticeship program by occupational title. Next, for each occupation represented, the sponsor must identify the race, sex, and ethnicity of its apprentices within that occupation.

(2) *Schedule of analyses.* Each sponsor is required to conduct an apprenticeship program workforce analysis at each compliance review, and again if and when three years have passed without a compliance review. This updated workforce analysis should be compared to the utilization goal established at the sponsor's most recent compliance review to determine if the sponsor is underutilized, according to the process in paragraph (d) of this section.

(3) *Compliance date.* (i) Sponsors registered with a Registration Agency as of January 18, 2017: A sponsor must conduct its first workforce analysis,

pursuant to this section, no later than two years after January 18, 2017.

(ii) New sponsors: A sponsor registering with a Registration Agency after the effective date of the Final Rule must conduct its initial workforce analysis pursuant to this section no later than two years after the date of registration.

(c) *Availability analysis*—(1) The purpose of the availability analysis is to establish a benchmark against which the demographic composition of the sponsor's apprenticeship program can be compared in order to determine whether barriers to equal opportunity may exist with regard to the sponsor's apprenticeship program.

(2) Availability is an estimate of the number of qualified individuals available for apprenticeship by race, sex, and ethnicity expressed as a percentage of all qualified persons available for apprenticeship in the sponsor's relevant recruitment area.

(3) In determining availability, the following factors must be considered for each major occupation group represented in the sponsor's registered apprenticeship program standards:

(i) The percentage of individuals who are eligible for enrollment in the apprenticeship program, within the sponsor's relevant recruitment area broken down by race, sex, and ethnicity; and

(ii) The percentage of the sponsor's employees who are eligible for enrollment in the apprenticeship program broken down by race, sex, and ethnicity.

(4) In determining availability, the relevant recruitment area is defined as the geographical area from which the sponsor usually seeks or reasonably could seek apprentices. The sponsor must identify the relevant recruitment area in its written affirmative action plan. The sponsor may not draw its relevant recruitment area in such a way as to have the effect of excluding individuals based on race, sex, or ethnicity from consideration, and must develop a brief rationale for selection of that recruitment area.

(5) Availability will be derived from the most current and discrete statistical information available. Examples of such information include census data, data from local job service of-

fices, and data from colleges or other training institutions.

(6) Sponsors, working with the Registration Agency, will conduct availability analyses at each compliance review.

(d) *Rate of utilization*. To determine the rate of utilization, the sponsor, working with the Registration Agency, must group each occupational title in its apprenticeship workforce by major occupation group and compare the racial, sex, and ethnic representation within each major occupation group to the racial, sex, and ethnic representation available in the relevant recruitment area, as determined in paragraph (c) of this section. When the sponsor's utilization of women, Hispanics or Latinos, or a particular racial minority group is significantly less than would be reasonably expected given the availability of such individuals for apprenticeship, the sponsor must establish a utilization goal for the affected group in accordance with the procedures set forth in §30.6. Sponsors are not required or expected to establish goals where no significant disparity in utilization rates has been found.

§30.6 Establishment of utilization goals for race, sex, and ethnicity.

(a) Where, pursuant to §30.5, a sponsor is required to establish a utilization goal for a particular racial, sex, or ethnic group in a major occupation group in its apprenticeship program, the sponsor, working with the Registration Agency, must establish a percentage goal at least equal to the availability figure derived under §30.5(c) for that major occupation group.

(b) A sponsor's determination under §30.5 that a utilization goal is required constitutes neither a finding nor an admission of discrimination.

(c) Utilization goals serve as objectives or targets reasonably attainable by means of applying every good faith effort to make all aspects of the entire affirmative action program work. Utilization goals are used to measure the effectiveness of the sponsor's outreach, recruitment, and retention efforts.

(d) In establishing utilization goals, the following principles apply:

§ 30.7

(1) Utilization goals may not be rigid and inflexible quotas, which must be met, nor are they to be considered either a ceiling or a floor for the selection of particular groups as apprentices. Quotas are expressly forbidden.

(2) Utilization goals may not provide a sponsor with a justification to extend a preference to any individual, select an individual, or adversely affect an individual's status as an apprentice, on the basis of that person's race, sex, or ethnicity.

(3) Utilization goals do not create set-asides for specific groups, nor are they intended to achieve proportional representation or equal results.

(4) Utilization goals may not be used to supersede eligibility requirements for apprenticeship. Affirmative action programs prescribed by the regulations of this part do not require sponsors to select a person who lacks qualifications to participate in the apprenticeship program successfully, or select a less-qualified person in preference to a more qualified one.

§ 30.7 Utilization goals for individuals with disabilities.

(a) *Utilization goal.* The Administrator of OA has established a utilization goal of 7 percent for employment of qualified individuals with disabilities as apprentices for each major occupation group within which the sponsor has an apprenticeship program.

(b) *Purpose.* The purpose of the utilization goal established in paragraph (a) of this section is to establish a benchmark against which the sponsor must measure the representation of individuals with disabilities in the sponsor's apprentice workforce by major occupation group. The goal serves as an equal opportunity objective that should be attainable by complying with all of the affirmative action requirements of this part.

(c) *Periodic review of goal.* The Administrator of OA will periodically review and update, as appropriate, the utilization goal established in paragraph (a) of this section.

(d) *Utilization analysis—(1) Purpose.* The utilization analysis is designed to evaluate the representation of individuals with disabilities in the sponsor's apprentice workforce grouped by major

29 CFR Subtitle A (7–1–21 Edition)

occupation group. If individuals with disabilities are represented in the sponsor's apprentice workforce in any given major occupation group at a rate less than the utilization goal, the sponsor must take specific measures outlined in paragraphs (e) and (f) of this section.

(2) *Apprentice workforce analysis—(i) Process.* Sponsors are required to analyze the representation of individuals with disabilities within their apprentice workforce by occupation. This is a two-step process. First, as required in § 30.5, each sponsor must group all apprentices in its registered apprenticeship program according to the occupational titles represented in its registered apprenticeship program. Next, for each occupation represented, the sponsor must identify the number of apprentices with disabilities.

(ii) *Schedule of evaluation.* The sponsor must conduct its apprentice workforce analysis at each compliance review, and again if and when three years have passed without a compliance review. This updated workforce analysis, grouped according to major occupation group, should then be compared to the utilization goal established under paragraph (a) of this section.

(iii) *Compliance date.* (A) Sponsors currently registered with a Registration Agency: A sponsor must conduct its first workforce analysis, pursuant to this section, no later than two years after January 18, 2017.

(B) New sponsors: A sponsor registering with a Registration Agency after January 18, 2017 must conduct its initial workforce analysis pursuant to this section no later than two years after the date of registration.

(e) *Identification of problem areas.* When the sponsor, working with the Registration Agency, determines that the percentage of individuals with disabilities in one or more major occupation groups within which a sponsor has apprentices is less than the utilization goal established in paragraph (a) of this section, the sponsor must take steps to determine whether and/or where impediments to equal opportunity exist. When making this determination, the sponsor must look at the results of its assessment of personnel

processes required by §30.9 and the effectiveness of its outreach and recruitment efforts required by §30.8 of this part, if applicable.

(f) *Action-oriented programs.* The sponsor must undertake action-oriented programs, including targeted outreach, recruitment, and retention activities identified in §30.8, designed to correct any problem areas that the sponsor identified pursuant to its review of personnel processes and outreach and recruitment efforts.

(g) *Utilization goal relation to discrimination.* A determination that the sponsor has not attained the utilization goal established in paragraph (a) of this section in one or more major occupation groups does not constitute either a finding or admission of discrimination in violation of this part.

(h) *Utilization goal not a quota or ceiling.* The utilization goal established in paragraph (a) of this section must not be used as a quota or ceiling that limits or restricts the employment of individuals with disabilities as apprentices.

§30.8 Targeted outreach, recruitment, and retention.

(a) *Minimum activities required.* Where a sponsor has found underutilization and established a utilization goal for a specific group or groups pursuant to §30.6 and/or where a sponsor has determined pursuant to §30.7(f) that there are problem areas resulting in impediments to equal employment opportunity, the sponsor must undertake targeted outreach, recruitment, and retention activities that are likely to generate an increase in applications for apprenticeship and improve retention of apprentices from the targeted group or groups and/or from individuals with disabilities, as appropriate. In furtherance of this requirement, the sponsor must:

(1) Set forth in its written affirmative action plan the specific targeted outreach, recruitment, and retention activities it plans to take for the upcoming program year. Such activities must include at a minimum:

(i) Dissemination of information to organizations serving the underutilized group regarding the nature of apprenticeship, requirements for selection for apprenticeship, availability of appren-

ticeship opportunities, and the equal opportunity pledge of the sponsor. These organizations may include: Community-based organizations; local high schools; local community colleges; local vocational, career and technical schools; and local workforce system partners including One Stop Career Centers;

(ii) Advertising openings for apprenticeship opportunities by publishing advertisements in appropriate media which have wide circulation in the relevant recruitment areas;

(iii) Cooperation with local school boards and vocational education systems to develop and/or establish relationships with pre-apprenticeship programs targeting students from the underutilized group to prepare them to meet the standards and criteria required to qualify for entry into apprenticeship programs; and

(iv) Establishment of linkage agreements or partnerships enlisting the assistance and support of pre-apprenticeship programs, community-based organizations, advocacy organizations, or other appropriate organizations, in recruiting qualified individuals for apprenticeship;

(2) Evaluate and document after every selection cycle for registering apprentices the overall effectiveness of such activities;

(3) Refine its targeted outreach, recruitment, and retention activities as needed; and

(4) Maintain records of its targeted outreach, recruitment, and retention activities and records related to its evaluation of these activities.

(b) *Other activities.* In addition to the activities set forth in paragraph (a) of this section, as a matter of best practice, sponsors are encouraged but not required to consider other outreach, recruitment, and retention activities that may assist sponsors in addressing any barriers to equal opportunity in apprenticeship. Such activities include but are not limited to:

(1) Enlisting the use of journeyworkers from the underutilized group or groups to assist in the implementation of the sponsor's affirmative action program;

(2) Enlisting the use of journeyworkers from the underutilized

§ 30.9

group or groups to mentor apprentices and to assist with the sponsor's targeted outreach and recruitment activities; and

(3) Conducting exit interviews of each apprentice who leaves the sponsor's apprenticeship program prior to receiving a certificate of completion to understand better why the apprentice is leaving the program and to help shape the sponsor's retention activities.

§ 30.9 Review of personnel processes.

(a) As part of its affirmative action program, the sponsor must, for each registered apprenticeship program, engage in an annual review of its personnel processes related to the administration of the apprenticeship program to ensure that the sponsor is operating an apprenticeship program free from discrimination based on race, color, religion, national origin, sex, sexual orientation, age (40 or older), genetic information, and disability. This annual review is required regardless of whether the sponsor is underutilized as described in § 30.5(d). The review must be a careful, thorough, and systematic one and include review of all aspects of the apprenticeship program at the program, industry and occupation level, including, but not limited to, the qualifications for apprenticeship, application and selection procedures, wages, outreach and recruitment activities, advancement opportunities, promotions, work assignments, job performance, rotations among all work processes of the occupation, disciplinary actions, handling of requests for reasonable accommodations, and the program's accessibility to individuals with disabilities (including to the use of information and communication technology). The sponsor must make any necessary modifications to its program to ensure that its obligations under this part are met.

(1) *Compliance date.* (i) Current sponsors: A sponsor that has a registered apprenticeship program as of the effective date of this regulation must comply with the obligations of paragraph (a) of this section within two years of the effective date of this rule.

(ii) New sponsors: A sponsor registering with a Registration Agency after the effective date of this regula-

29 CFR Subtitle A (7-1-21 Edition)

tion shall comply with the obligations of paragraph (a) of this section within two years after the date of registration.

(2) *[Reserved]*

(b) The sponsor must include a description of its review in its written affirmative action plan and identify in the written plan any modifications made or to be made to the program as a result of its review.

§ 30.10 Selection of apprentices.

(a) A sponsor's procedures for selection of apprentices must be included in the written plan for Standards of Apprenticeship submitted to and approved by the Registration Agency, as required under § 29.5 of this title.

(b) Sponsors may utilize any method or combination of methods for selection of apprentices, provided that the selection method(s) used meets the following requirements:

(1) The use of the selection procedure(s) must comply with the Uniform Guidelines on Employee Selection Procedures (UGESP) (41 CFR part 60-3), including the requirements to evaluate the impact of the selection procedure on race, sex, and ethnic groups (Hispanic or Latino/non-Hispanic or Latino) and to demonstrate job-relatedness and business necessity for those procedures that result in adverse impact in accordance with the requirements of UGESP.

(2) The selection procedure(s) must be uniformly and consistently applied to all applicants and apprentices within each selection procedure utilized.

(3) The selection procedure(s) must comply with title I of the ADA and EEOC's implementing regulations at part 1630. This procedure(s) must not screen out or tend to screen out an individual with a disability or a class of individuals with disabilities, on the basis of disability, unless the standard, test or other selection criteria, as used by the program sponsor, is shown to be job-related for the position in question and is consistent with business necessity.

(4) The selection procedure(s) must be facially neutral in terms of race, color, religion, national origin, sex, sexual orientation, age (40 or older), genetic information, and disability.

§ 30.11 Invitation to self-identify as an individual with a disability.

(a) *Pre-offer.* (1) A sponsor adopting an affirmative action program pursuant to §30.4 must invite applicants for apprenticeship to inform the sponsor whether the applicant believes that that he or she is an individual with a disability as defined in §30.2. This invitation must be provided to each applicant when the applicant applies or is considered for apprenticeship. The invitation may be included with the application materials for apprenticeship, but must be separate from the application.

(2) The sponsor must invite an applicant to self-identify as required in paragraph (a) of this section using the language and manner prescribed by the Administrator and published on the OA Web site.

(b) *Post offer.* (1) At any time after acceptance into the apprenticeship program, but before the applicant begins his or her apprenticeship, the sponsor must invite the applicant to inform the sponsor whether the applicant believes that he or she is an individual with a disability as defined in §30.2.

(2) The sponsor must invite an applicant to self-identify as required in paragraph (b) of this section using the language and manner prescribed by the Administrator and published on the OA Web site.

(c) *Apprentices.* (1) Within the timeframe specified in paragraph (h) below, the sponsor must make a one-time invitation to each current apprentice to inform the sponsor whether he or she is an individual with a disability as defined in §30.2. The sponsor must make this invitation using the language and manner prescribed by the Administrator and published on the OA Web site.

(2) Thereafter, the sponsor must remind apprentices yearly that they may voluntarily update their disability status.

(d) *Voluntary self-identification for apprentices.* The sponsor may not compel or coerce an individual to self-identify as an individual with a disability.

(e) *Confidentiality.* The sponsor must keep all information on self-identification confidential, and must maintain it in a data analysis file (rather than the

medical files of individual apprentices) as required under §30.12(e). The sponsor must provide self-identification information to the Registration Agency upon request. Self-identification information may be used only in accordance with this part.

(f) *Affirmative action obligations.* Nothing in this section may relieve the sponsor of its obligation to take affirmative action with respect to those applicants and apprentices of whose disability the sponsor has knowledge.

(g) *Nondiscrimination obligations.* Nothing in this section may relieve the sponsor from liability for discrimination in violation of this part.

(h) *Compliance dates.* (1) Sponsors currently registered with a Registration Agency: A sponsor must begin inviting applicants and apprentices to identify as individuals with disabilities, pursuant to this section, no later than two years after the January 18, 2017. A sponsor must also invite each of its current apprentices to voluntarily inform the sponsor whether the apprentice believes that he or she is an individual with a disability, as defined in §30.2, no later than two years after January 18, 2017.

(2) New sponsors: A sponsor registering with a Registration Agency after the effective date of this Final Rule must begin inviting applicants and apprentices to identify as individuals with disabilities, pursuant to this section, no later than two years after the date of registration. A sponsor covered by this subparagraph must also invite each of its current apprentices to voluntarily inform the sponsor whether the apprentice believes that he or she is an individual with a disability, as defined in §30.2, no later than two years after the date of registration.

§ 30.12 Recordkeeping.

(a) *General obligation.* Each sponsor must collect such data and maintain such records as the Registration Agency finds necessary to determine whether the sponsor has complied or is complying with the requirements of this part. Such records must include, but are not limited to records relating to:

§ 30.12

(1) Selection for apprenticeship, including applications, tests and test results, interview notes, bases for selection or rejection, and any other records required to be maintained under UGESP;

(2) The invitation to self-identify as an individual with a disability;

(3) Information relative to the operation of the apprenticeship program, including but not limited to job assignments in all components of the occupation as required under §29.5(b)(3) of this title, promotion, demotion, transfer, layoff, termination, rates of pay, other forms of compensation, conditions of work, hours of work, hours of training provided, and any other personnel records relevant to EEO complaints filed with the Registration Agency under §30.14 or with other enforcement agencies;

(4) Compliance with the requirements of §30.3;

(5) Requests for reasonable accommodation; and

(6) Any other records pertinent to a determination of compliance with these regulations, as may be required by the Registration Agency.

(b) *Sponsor identification of record.* For any record the sponsor maintains pursuant to this part, the sponsor must be able to identify the race, sex, ethnicity (Hispanic or Latino/non-Hispanic or Latino), and when known, disability status of each apprentice, and where possible, the race, sex, ethnicity, and disability status of each applicant to apprenticeship and supply this information upon request to the Registration Agency.

(c) *Affirmative action programs.* Each sponsor required under §30.4 to develop and maintain an affirmative action program must retain both the written affirmative action plan and documentation of its component elements set forth in §§30.5, 30.6, 30.7, 30.8, 30.9, and 30.11.

(d) *Maintenance of records.* The records required by this part and any other information relevant to compliance with these regulations must be maintained for 5 years from the date of the making of the record or the personnel action involved, whichever occurs later, and must be made available upon request to the Registration Agen-

29 CFR Subtitle A (7-1-21 Edition)

cy or other authorized representative in such form as the Registration Agency may determine is necessary to enable it to ascertain whether the sponsor has complied or is complying with this part. Failure to preserve complete and accurate records as required by paragraphs (a), (b), and (c) of this section constitutes noncompliance with this part.

(e) *Confidentiality and use of medical information.* (1) Any information obtained pursuant to this part regarding the medical condition or history of an applicant or apprentice must be collected and maintained on separate forms and in separate medical files and treated as a confidential medical record, except that:

(i) Supervisors and managers may be informed regarding necessary restrictions on the work or duties of the applicant or apprentice and necessary accommodations;

(ii) First aid and safety personnel may be informed, when appropriate, if the disability might require emergency treatment; and

(iii) Government officials engaged in enforcing this part, the laws administered by OFCCP, or the ADA, must be provided relevant information on request.

(2) Information obtained under this part regarding the medical condition or history of any applicant or apprentice may not be used for any purpose inconsistent with this part.

(f) *Access to records.* Each sponsor must permit access during normal business hours to its places of business for the purpose of conducting on-site EEO compliance reviews and complaint investigations and inspecting and copying such books, accounts, and records, including electronic records, and any other material the Registration Agency deems relevant to the matter under investigation and pertinent to compliance with this part. The sponsor must also provide the Registration Agency access to these materials, including electronic records, off-site for purposes of conducting EEO compliance reviews and complaint investigations. Upon request, the sponsor must provide the Registration Agency information about all format(s), including specific electronic formats, in which its records

and other information are available. Information obtained in this manner will be used only in connection with the administration of this part or other applicable EEO laws.

§ 30.13 Equal employment opportunity compliance reviews.

(a) *Conduct of compliance reviews.* The Registration Agency will regularly conduct EEO compliance reviews to determine if the sponsor maintains compliance with this part, and will also conduct EEO compliance reviews when circumstances so warrant. An EEO compliance review may consist of, but is not limited to, comprehensive analyses and evaluations of each aspect of the apprenticeship program through off-site reviews, such as desk audits of records submitted to the Registration Agency, and on-site reviews conducted at the sponsor's establishment that may involve examination of records required under this part; inspection and copying of documents related to recordkeeping requirements of this part; and interviews with employees, apprentices, journeyworkers, supervisors, managers, and hiring officials.

(b) *Notification of compliance review findings.* Within 45 business days of completing an EEO compliance review, the Registration Agency must present a written Notice of Compliance Review Findings to the sponsor's contact person through registered or certified mail, with return receipt requested. If the compliance review indicates a failure to comply with this part, the registration agency will so inform the sponsor in the Notice and will set forth in the Notice the following:

- (1) The deficiency(ies) identified;
- (2) How to remedy the deficiency(ies);
- (3) The timeframe within which the deficiency(ies) must be corrected; and
- (4) Enforcement actions may be undertaken if compliance is not achieved within the required timeframe.

(c) *Compliance.* (1) When a sponsor receives a Notice of Compliance Review Findings that indicates a failure to comply with this part, the sponsor must, within 30 business days of notification, either implement a compliance action plan and notify the Registration Agency of that plan or submit a written rebuttal to the Findings. Sponsors

may also seek to extend this deadline one time by up to 30 days for good cause shown. If the Registration Agency upholds the Notice after receiving a written response, the sponsor must implement a compliance action plan within 30 days of receiving the notice from the Registration Agency upholding its Findings. The compliance action plan must include, but is not limited to, the following provisions:

- (i) A specific commitment, in writing, to correct or remediate identified deficiency(ies) and area(s) of non-compliance;
- (ii) The precise actions to be taken for each deficiency identified;
- (iii) The time period within which the cited deficiency(ies) will be remedied and any corrective program changes implemented; and
- (iv) The name of the individual(s) responsible for correcting each deficiency identified.

(2) Upon the Registration Agency's approval of the compliance action plan, the sponsor may be considered in compliance with this part provided that the compliance action plan is implemented.

(d) *Enforcement actions.* Any sponsor that fails to implement its compliance action plan within the specified timeframes may be subject to an enforcement action under § 30.15.

§ 30.14 Complaints.

(a) *Requirements for individuals filing complaints—(1) Who may file.* Any individual who believes that he or she has been or is being discriminated against on the basis of race, color, religion, national origin, sex, sexual orientation, age (40 or older), genetic information, or disability with regard to apprenticeship, or who believes he or she has been retaliated against as described in § 30.17, may, personally or through an authorized representative, file a written complaint with the Registration Agency with whom the apprenticeship program is registered.

(2) *Time period for filing a complaint.* Generally, a complaint must be filed within 300 days of the alleged discrimination or specified failure to follow the equal opportunity standards. However, for good cause shown, the Registration Agency may extend the filing time.

§ 30.14

The time period for filing is for the administrative convenience of the Registration Agency and does not create a defense for the respondent.

(3) *Contents of the complaint.* Each complaint must be made in writing and must contain the following information:

(i) The complainant's name, address and telephone number, or other means for contacting the complainant;

(ii) The identity of the respondent (the individual or entity that the complainant alleges is responsible for the discrimination);

(iii) A short description of the events that the complainant believes were discriminatory, including but not limited to when the events took place, what occurred, and why complainant believes the actions were discriminatory (for example, because of his or her race, color, religion, sex, sexual orientation, national origin, age (40 or older), genetic information, or disability).

The notice must be provided in the application for apprenticeship and must also be displayed in a prominent, publicly available location where all apprentices will see the notice. Your Right to Equal Opportunity

It is against the law for a sponsor of an apprenticeship program registered for Federal purposes to discriminate against an apprenticeship applicant or apprentice based on race, color, religion, national origin, sex, sexual orientation, age (40 years or older), genetic information, or disability. The sponsor must ensure equal opportunity with regard to all terms, conditions, and privileges associated with apprenticeship. If you think that you have been subjected to discrimination, you may file a complaint within 300 days from the date of the alleged discrimination or failure to follow the equal oppor-

tunity standards with [INSERT NAME OF REGISTRATION AGENCY, ADDRESS, PHONE NUMBER, EMAIL ADDRESS, AND CONTACT NAME OF INDIVIDUAL AT THE REGISTRATION AGENCY WHO IS RESPONSIBLE FOR RECEIVING COMPLAINTS]. You may also be able to file complaints directly with the EEOC, or State fair employment practices agency. If those offices have jurisdiction over the sponsor/employer, their contact information is listed below. Each complaint filed must be made in writing and include the following information:

1. Complainant's name, address and telephone number, or other means for contacting the complainant;

2. The identity of the respondent (*i.e.* the name, address, and telephone number of the individual or entity that the complainant alleges is responsible for the discrimination);

3. A short description of the events that the complainant believes were discriminatory, including but not limited to when the events took place, what occurred, and why the complainant believes the actions were discriminatory (for example, because of his/her race, color, religion, sex, sexual orientation, national origin, age (40 or older), genetic information, or disability);

4. The complainant's signature or the signature of the complainant's authorized representative.

(c) *Requirements of the Registration Agency—(1) Conduct investigations.* The investigation of a complaint filed under this part will be undertaken by the Registration Agency, and will proceed as expeditiously as possible. In conducting complaint investigations, the Registration Agency must:

(i) Provide written notice to the complainant acknowledging receipt of the complaint;

(ii) Contact the complainant, if the complaint form is incomplete, to obtain full information necessary to initiate an investigation;

(iii) Initiate an investigation upon receiving a complete complaint;

(iv) Complete a thorough investigation of the allegations of the complaint and develop a complete case record that must contain, but is not limited to, the name, address, and telephone number of each person interviewed, the

interview statements, copies, transcripts, or summaries (where appropriate) of pertinent documents, and a narrative report of the investigation with references to exhibits and other evidence which relate to the alleged violations; and

(v) Provide written notification of the Registration Agency's findings to both the respondent and the complainant.

(2) *Seek compliance.* Where a report of findings from a complaint investigation indicates a violation of the non-discrimination requirements of this part, the Registration Agency should attempt to resolve the matter quickly at the Registration Agency level whenever appropriate. Where a complaint of discrimination cannot be resolved at the Registration Agency level to the satisfaction of the complainant, the Registration Agency must refer the complaint to other Federal, State or local EEO agencies, as appropriate.

(3) *Referrals to other EEO agencies.* The Registration Agency, at its discretion, may choose to refer a complaint immediately upon its receipt or any time thereafter to:

- (i) The EEOC;
- (ii) The United States Attorney General;
- (iii) The Department's OFCCP; or
- (iv) For an SAA, to its Fair Employment Practices Agency.

(4) *Alternative complaint procedures.* An SAA may adopt a complaint review procedure differing in detail from that given in this section provided it is submitted for review to and receives approval by the Administrator.

§ 30.15 Enforcement actions.

Where the Registration Agency, as a result of a compliance review, complaint investigation, or other reason, determines that the sponsor is not operating its apprenticeship program in accordance with this part, the Registration Agency must notify the sponsor in writing of the specific violation(s) identified and may:

- (a) Offer the sponsor technical assistance to promote compliance with this part.
- (b) Suspend the sponsor's right to register new apprentices if the sponsor fails to implement a compliance action

plan to correct the specific violation(s) identified within 30 business days from the date the sponsor is so notified of the violation(s), or, if the sponsor submits a written response to the findings of noncompliance, fails to implement a compliance action plan within 30 days of receiving the Registration Agency's notice upholding its initial noncompliance findings. If the sponsor has not implemented a compliance action plan within 30 business days of notification of suspension, the Registration Agency may institute proceedings to deregister the program in accordance with the deregistration proceedings set forth in part 29 of this chapter, or if the Registration Agency does not institute such proceedings within 45 days of the start of the suspension, the suspension is lifted.

(c) Take any other action authorized by law. These other actions may include, but are not limited to:

- (1) Referral to the EEOC;
- (2) Referral to an appropriate State fair employment practice agency; or
- (3) Referral to the Department's OFCCP.

§ 30.16 Reinstatement of program registration.

An apprenticeship program that has been deregistered pursuant to this part may be reinstated by the Registration Agency upon presentation of adequate evidence that the apprenticeship program is operating in accordance with this part.

§ 30.17 Intimidation and retaliation prohibited.

(a) A participant in an apprenticeship program may not be intimidated, threatened, coerced, retaliated against, or discriminated against because the individual has:

- (1) Filed a complaint alleging a violation of this part;
- (2) Opposed a practice prohibited by the provisions of this part or any other Federal or State equal opportunity law;
- (3) Furnished information to, or assisted or participated in any manner, in any investigation, compliance review, proceeding, or hearing under this part or any Federal or State equal opportunity law; or

§ 30.18

(4) Otherwise exercised any rights and privileges under the provisions of this part.

(b) Any sponsor that permits such intimidation or retaliation in its apprenticeship program, including by participating employers, and fails to take appropriate steps to prevent such activity will be subject to enforcement action under §30.15.

§ 30.18 State apprenticeship agencies.

(a) *State plan.* (1) Within 1 year of January 18, 2017, unless an extension for good cause is sought and granted by the Administrator, an SAA that seeks to obtain or maintain recognition under §29.13 of this title must submit to OA a State EEO plan that:

(i) Includes, at a minimum, draft State apprenticeship authorizing language corresponding to the requirements of this part; and

(ii) Requires all apprenticeship programs registered with the State for Federal purposes to comply with the requirements of the State's EEO plan within 180 days from the date that OA provides written approval of the State EEO plan submitted under this paragraph (a)(1).

(2) Upon receipt of the State's EEO plan, OA will review the plan to determine if the plan conforms to this part. OA will:

(i) Grant the SAA continued recognition during this review period;

(ii) Provide technical assistance to facilitate conformity, and provide written notification of the areas of nonconformity, if any; and

(iii) Upon successful completion of the review process, notify the SAA of OA's determination that the State's EEO plan conforms to this part.

(3) If the State does not submit a revised State EEO plan that addresses identified non-conformities within 90 days from the date that OA provides the SAA with written notification of the areas of nonconformity, OA will begin the process set forth in §29.14 of this title to rescind recognition of the SAA.

(4) An SAA that seeks to obtain or maintain recognition must obtain the Administrator's written concurrence in any proposed State EEO plan, as well as any subsequent modification to that

29 CFR Subtitle A (7-1-21 Edition)

plan, as provided in §29.13(b)(9) of this title.

(b) *Recordkeeping requirements.* A recognized SAA must keep all records pertaining to program compliance reviews, complaint investigations, and any other records pertinent to a determination of compliance with this part. These records must be maintained for five years from the date of their creation.

(c) *Retention of authority.* As provided in §29.13 of this chapter, OA retains the full authority to:

(1) Conduct compliance reviews of all registered apprenticeship programs;

(2) Conduct complaint investigations of any program sponsor to determine whether an apprenticeship program registered for Federal purposes is operating in accordance with this part;

(3) Deregister for Federal purposes an apprenticeship program registered with a recognized SAA as provided in §§29.8(b) and 29.10 of this chapter; and

(4) Refer any matter pertaining to paragraph (c)(1) or (2) of this section to the following:

(i) The EEOC or the U.S. Attorney General with a recommendation for the institution of an enforcement action under title VII of the Civil Rights Act of 1964, as amended; the ADEA; GINA, or title I of the ADA;

(ii) The Department's OFCCP with a recommendation for the institution of agency action under Executive Order 11246; or section 503 of the Rehabilitation Act of 1973, as amended; or

(iii) The U.S. Attorney General for other action as authorized by law.

(d) *Derecognition.* A recognized SAA that fails to comply with the requirements of this section will be subject to derecognition proceedings, as provided in §29.14 of this chapter.

§ 30.19 Exemptions.

Requests for exemption from these regulations, or any part thereof, must be made in writing to the Registration Agency and must contain a statement of reasons supporting the request. Exemptions may be granted for good cause by the Registration Agency. State Apprenticeship Agencies must receive approval to grant an exemption

from the Administrator, prior to granting an exemption from these regulations.

§ 31.3 General standards.

(a) *General.* No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity receiving Federal financial assistance from the Department of Labor.

(b) *Specific discriminatory actions prohibited.* (1) A recipient to which this

29 CFR Subtitle A (7-1-21 Edition)

regulation applies may not, directly or through contractual or other arrangements, on the ground of race, color, or national origin:

(i) Deny an individual any service, financial aid, or other benefit provided under the program;

(ii) Provide any service, financial aid, or other benefit to an individual which is different, or is provided in a different manner, from that provided to others under the program;

(iii) Subject an individual to segregation or separate treatment in any matter related to his receipt of any service, financial aid, or other benefit under the program;

(iv) Restrict an individual in any way in the enjoyment of any advantage or privilege enjoyed by others receiving any service, financial aid, or other benefit under the program;

(v) Treat an individual differently from others in determining whether he satisfies any admission, enrollment, quota, eligibility, membership or other requirement or condition which individuals must meet in order to be provided any service, financial aid, or other benefit provided under the program;

(vi) Deny an individual an opportunity to participate in the program through the provision of services or otherwise or afford him an opportunity to do so which is different from that afforded others under the program, or

(vii) Deny an individual an opportunity to participate in a program as an employee where a primary objective of the Federal financial assistance is to provide employment.

(viii) Deny a person the opportunity to participate as a member of a planning or advisory body which is an integral part of the program.

(2) A recipient, in determining the types of services, financial aid, or other benefits, or facilities which will be provided under any such program, or the class of individuals to whom, or the situations in which, such services, financial aid, other benefits, or facilities will be provided under any such program or the class of individuals to be afforded an opportunity to participate in any such program, may not, directly or through contractual or other arrangements, utilize criteria or methods

of administration which have the effect of subjecting individuals to discrimination because of race, color or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program as respects individuals of a particular race, color, or national origin.

(3) In determining the site or location of facilities, a recipient or applicant may not make selections with the purpose or effect of excluding individuals from, denying them the benefits of, or subjecting them to discrimination under any program to which this regulation applies, on the ground of race, color or national origin; or with the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the Act or this regulation.

(4) As used in this section the services, financial aid, or other benefit provided under a program receiving Federal financial assistance shall be deemed to include any service, financial aid, or other benefit provided in or through a facility provided with the aid of Federal financial assistance.

(5) The enumeration of specific forms of prohibited discrimination in this paragraph does not limit the generality of the prohibition in paragraph (a).

(6)(i) In administering a program regarding which the recipient has previously discriminated against persons on the ground of race, color, or national origin, the recipient must take affirmative action to overcome the effects of prior discrimination.

(ii) Even in the absence of such prior discrimination, a recipient in administering a program shall take affirmative action to overcome the effects of conditions which resulted in limiting participation by persons of a particular race, color or national origin.

(7) The following will illustrate the application of the provisions of the foregoing paragraph to programs for which Federal financial assistance is furnished by this Department:

(i) In some situations even though past discriminatory practices have been abandoned, the consequences of such practices continue to impede the full availability of a benefit. If the efforts required of the applicant or recipient under § 31.5(d) to provide infor-

mation as to the availability of the program or activity, and the rights of beneficiaries under this regulation, have failed to overcome these consequences, it will become necessary for such applicant or recipient to take additional steps to make the benefits fully available to racial and nationality groups previously subjected to discrimination. This action might take the form, for example, of special arrangements for obtaining referrals or making selections which will insure that groups previously subjected to discrimination are adequately served.

(ii) Even though an applicant or recipient has never used discriminatory policies, the services and benefits of the program or activity it administers may not in fact be equally available to some racial or nationality groups. In some circumstances an applicant or recipient may properly give special consideration to race, color, or national origin to make the benefits of its program more widely available to such groups not then being adequately served. For example, where an employment service office is not adequately serving members of a particular racial or nationality group, it may establish special recruitment policies to make its program better known and more readily available to such group, and take other steps to provide that group with more adequate service.

(c) *Employment practices.* (1) Where a primary objective of the Federal financial assistance to a program to which this regulation applies is to provide employment, a recipient may not (directly or through contractual or other arrangements) subject an individual to discrimination on the ground of race, color, or national origin in its employment practices under such program including recruitment, examination, appointment, training, promotion, retention or any other personnel action.

(2) Where a primary objective of the Federal financial assistance is not to provide employment, but discrimination on the ground of race, color, or national origin in the employment practices of the recipient or other persons subject to the regulation tends, on the ground of race, color or national origin, to exclude individuals from participation in, to deny them the benefits

§ 31.4

of, or to subject them to discrimination under any program to which this regulation applies, the provision of the foregoing paragraph shall apply to the employment practices of the recipient to the extent necessary to assure equality of opportunity to, and nondiscriminatory treatment of, beneficiaries. Accordingly, the employment practices of recipients under programs enumerated in §§ 31.3(d)(2) and 31.3(d)(3) are subject to the provisions of this paragraph (c) to the extent necessary to assure equality of opportunity to, and nondiscriminatory treatment of, the beneficiaries of the Federal financial assistance. Any action taken by the Department pursuant to this provision with respect to a State or local agency subject to the Standards for a Merit System of Personnel Administration, 45 CFR part 70, shall be consistent with those standards and shall be coordinated with the United States Civil Service Commission.

(3) The requirements applicable to construction employment under any program for which Federal financial assistance is furnished by this Department shall be those specified in or pursuant to part III of Executive Order 11246 or any Executive order which supersedes it.

(d) In order that all parties may have a clear understanding of the applicability of the regulations in this part to their activities, there are listed in this section types of Federal financial assistance together with illustrations by way of example only, of types of activity covered by the regulations in this part. These illustrations and examples, however, are not intended to be all inclusive. The fact that a particular type of Federal financial assistance is not listed does not, of course, indicate that it is not covered by the regulations in this part. Moreover, the examples set forth with respect to any particular listed type of Federal financial assistance are not limited to assistance alone and the prohibited actions described may also be prohibited in programs or activities receiving other types of Federal financial assistance whether or not listed below.

(1) *Employment service.* (i) The registration, counseling, testing, recruitment, selection and referral of individ-

29 CFR Subtitle A (7-1-21 Edition)

uals for job openings or training opportunities and all other activities performed by or through employment service offices financed in whole or in part from Federal funds, including the establishment and maintenance of physical facilities, shall be conducted without regard to race, color, or national origin.

(ii) No selection or referral of any individual for employment or training shall be made on the basis of any job order or request containing discriminatory specifications with regard to race, color, or national origin.

(2) *Manpower Development and Training Act, work-incentive under Social Security Act, Area Redevelopment Act, work-training under Economic Opportunity Act and other Government-sponsored training.* (i) The registration, counseling, testing, guidance, selection, referral or training of any individual including employment as an enrollee under title I-B of the Economic Opportunity Act shall be furnished without discrimination because of race, color, or national origin.

(ii) The recruitment, examination, appointment, training, promotion, retention, or any other personnel action with respect to any trainee or enrollee under the Manpower Development and Training Act, Area Redevelopment Act, or the Economic Opportunity Act while the individual is receiving training or employment shall be without regard to race, color or national origin.

(3) *State and Federal Unemployment Insurance Programs; allowances under Trade Readjustment Assistance Programs, Manpower Development and Training Act, and Area Redevelopment Act.* (i) The filing for, adjudication and payment of benefits, establishment and maintenance of physical facilities and other application of the laws shall be without regard to race, color or national origin.

§ 31.5 Compliance information.

(a) *Cooperation and assistance.* The Secretary shall to the fullest extent

practicable seek the cooperation of recipients in obtaining compliance with this part and shall provide assistance and guidance to recipients to help them comply voluntarily with this part.

(b) *Compliance reports.* Each recipient shall keep such records and submit to the Secretary timely, complete and accurate compliance reports at such times, and in such form and containing such information, as the Secretary may determine to be necessary to enable him to ascertain whether the recipient has complied or is complying with this part. In general, recipients should have available for the department racial and ethnic data showing the extent to which members of minority groups are beneficiaries of federally assisted programs. In the case in which a primary recipient extends Federal financial assistance to any other recipient, such other recipient shall also submit such compliance reports to the primary recipient as may be necessary to enable the primary recipient to carry out its obligations under this part.

(c) *Access to sources of information.* Each recipient shall permit access by the Secretary during normal business hours to such of its books, records, accounts, and other sources of information, and its facilities as may be pertinent to ascertain compliance with this part. Where any information required of a recipient is in the exclusive possession of any other agency, institution or person and this agency, institution or person shall fail or refuse to furnish this information, the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) *Information to beneficiaries and participants.* Each recipient shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the program for which the recipient receives Federal financial assistance, and make such information available to them in such manner, as the Secretary finds necessary to apprise such persons of the protections against discrimina-

tion assured them by the Act and this part.

[29 FR 16284, Dec. 4, 1964. Redesignated and amended at 38 FR 17956, July 5, 1973; 68 FR 51367, Aug. 26, 2003]

§ 31.6 Assurances required.

(a) *General.* (1) Every application for Federal financial assistance to which this part applies, and every contract, subcontract, agreement or arrangement except an application to which paragraph (b) of this section applies, and every application for Federal financial assistance to provide a facility, and every contract, subcontract, agreement or arrangement to provide such a facility shall as a condition to its approval and the extension of any Federal financial assistance pursuant to the application, contract, subcontract, agreement or arrangement contain or be accompanied by an assurance that the program will be conducted or the facility operated in compliance with all requirements imposed by or pursuant to this part. Every award of Federal financial assistance shall require the submission of such an assurance. In the case where the Federal financial assistance is to provide or is in the form of personal property, or real property or interest therein or structures thereon, the assurance shall obligate the recipient, or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In all cases the assurance shall obligate the recipient for the period during which Federal financial assistance is extended to the program. In the case where the assistance is sought for the construction of a facility or part of a facility, the assurance shall in any event extend to the entire facility and to facilities operated in connection therewith. The Secretary shall specify the form of the foregoing assurances, and the extent to which like assurances will be required of subgrantees, contractors and subcontractors, transferees, successors in interest, and other participants. Any

§ 31.7

such assurance shall include provisions which give the United States a right to seek its judicial enforcement.

(2) In the case where Federal assistance is provided in the form of a transfer of real property, structures, or improvements thereon, or interest therein, from the Federal Government, the instrument effecting or recording the transfer shall contain a covenant running with the land assuring non-discrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. Where no transfer of property or interest therein from the Federal Government is involved, but property is acquired with Federal financial assistance, the recipient shall agree to include such covenant in any subsequent transfer of such property. When the property is obtained from the Federal Government, such covenant may also include a condition coupled with a right to be reserved by the Department to revert title to the property in the event of a breach of the covenant where, in the discretion of the Secretary, such a condition and right of reverter is appropriate to the statute under which the real property is obtained and to the nature of the grant and the grantee. In such event if a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing facilities on such property for the purpose for which the property was transferred, the Secretary may agree, upon request of the transferee and if necessary to accomplish such financing and upon such conditions as he deems appropriate, to subordinate such rights of reversion to the sum of such mortgage or other encumbrance.

(b) *Continuing Federal financial assistance.* Every application by a State or a State agency for continuing federal financial assistance to which this part applies shall as a condition to its approval and the extension of any Federal financial assistance pursuant to the application

(1) Contain or be accompanied by a statement that the program is (or, in

29 CFR Subtitle A (7-1-21 Edition)

the case of a new program, will be) conducted in compliance with all requirements imposed by or pursuant to this part, and

(2) Provide or be accompanied by provision for such methods of administration for the program as are found by the Secretary to give reasonable guarantee that the applicant and all recipients of Federal financial assistance under such program will comply with all requirements imposed by or pursuant to this part.

[38 FR 17957, July 5, 1973, as amended at 68 FR 51367, Aug. 26, 2003]

§ 31.7 Conduct of investigations.

(a) *Periodic compliance reviews.* The Secretary shall from time to time review the practices of recipients to determine whether they are complying with this part.

(b) *Complaints.* Any person who believes himself or any specific class of individuals to be subjected to discrimination prohibited by this part may by himself or by a representative file with the Secretary a written complaint. A complaint must be filed not later than 180 days from the date of the alleged discrimination, unless the time for filing is extended by the Secretary.

(c) *Investigations.* The Secretary will make a prompt investigation whenever a compliance review, report, complaint, or any other information indicates a possible failure to comply with this part. The investigation should include, where appropriate, a review of the pertinent practices and policies of the recipient, the circumstances under which the possible noncompliance with this part occurred, and other factors relevant to a determination as to whether the recipient has failed to comply with this part.

(d) *Resolution of matters.* (1) If an investigation pursuant to paragraph (c) indicates a failure to comply with this part, the Secretary will so inform the recipient and the matter will be resolved by informal means whenever possible. If it has been determined that the matter cannot be resolved by informal means, action will be taken as provided for in § 31.8.

(2) If an investigation does not warrant action pursuant to paragraph (d)(1) the Secretary will so inform the

Office of the Secretary of Labor

recipient and the complainant, if any, in writing.

(e) *Intimidatory or retaliatory acts prohibited.* No recipient or other person shall intimidate, threaten, coerce or discriminate against any individual for the purpose of interfering with any right or privilege secured by section 601 of the Act or this part, or because he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this part. The identity of complainant shall be kept confidential except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

§ 31.8 Procedure for effecting compliance.

(a) *General.* If there appears to be a failure or threatened failure to comply with this part, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance, or by any other means authorized by law. Such other means may include, but are not limited to,

(1) A reference to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States (including other titles of the Act), or any assurance or other contractual undertaking, and

(2) Any applicable proceeding under State or local law.

(b) *Termination of or refusal to grant or to continue Federal financial assistance.* No order suspending, terminating, or refusing to grant or continue Federal financial assistance shall become effective until:

(1) The Secretary has advised the applicant or recipient of his failure to comply and has determined that compliance cannot be secured by voluntary means,

(2) There has been an express finding on the record, after opportunity for

hearing, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to this part,

(3) The action has been approved by the Secretary, and

(4) The expiration of 30 days after the Secretary has filed with the committee of the House and the committee of the Senate having legislative jurisdiction over the program involved, a full written report of the circumstances and the grounds for such action. Any action to suspend or terminate or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other applicant or recipient as to whom such a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found.

(c) *Other means authorized by law.* No action to effect compliance by any other means authorized by law shall be taken until:

(1) The Secretary has determined that compliance cannot be secured by voluntary means,

(2) The action has been approved by the Secretary,

(3) The recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance, and

(4) The expiration of at least 10 days from the mailing of such notice to the recipient or other person. During this period of at least 10 days additional efforts shall be made to persuade the recipient or other person to comply with this part and to take such corrective action as may be appropriate.

§ 31.9 Hearings.

(a) *Opportunity for hearing.* Whenever an opportunity for a hearing is required by § 31.8(b), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or

§ 31.10

law asserted as the basis for this action, and either

(1) Fix a date not less than 20 days after the date of such notice within which the applicant or recipient may request of the Secretary that the matter be scheduled for hearing, or

(2) Advise the applicant or recipient that the matter in question has been set down for hearing at a stated place and time. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing under this section or to appear at a hearing under this section or to appear at a hearing for which a date has been set shall be deemed to be a waiver of the right to a hearing under section 602 of the Act and § 31.8(b) of this part and consent to the making of a decision on the basis of such information as is available.

(b) *Time and place of hearing.* Hearings shall be held at the offices of the Department in Washington, DC, at a time fixed by the Secretary unless he determines that the convenience of the applicant or recipient or of the Department requires that another place be selected. Hearings shall be held before the Secretary or before a hearing examiner designated in accordance with 5 U.S.C. 3105 and 3344 (section 11 of the Administrative Procedure Act).

(c) *Right to counsel.* In all proceedings under this section, the applicant or recipient, and the Department shall have the right to be represented by counsel.

(d) *Procedures, evidence, and record.* (1) The hearing, decision, and any administrative review thereof shall be conducted in conformity with 5 U.S.C. 554-557 (sections 5-8 of the Administrative Procedure Act), and in accordance with such rules of procedure as are proper (and not inconsistent with this section) relating to the conduct of the hearing, giving of notices subsequent to those provided for in paragraph (a) of this section, taking of testimony, exhibits, arguments and briefs, requests for findings, and other related matters. Both the Department and the applicant or

29 CFR Subtitle A (7-1-21 Edition)

recipient shall be entitled to introduce all relevant evidence on the issues as stated in the notice for hearing or as determined by the officer conducting the hearing at the outset of or during the hearing.

(2) Technical rules of evidence shall not apply to hearings conducted pursuant to this part, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to test by cross-examination shall be applied where reasonably necessary by the officer conducting the hearing. The hearing officer may exclude irrelevant, immaterial, or unduly repetitious evidence. All documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues. A transcript shall be made of the oral evidence except to the extent the substance thereof is stipulated for the record. All decisions shall be based upon the hearing record and written findings shall be made.

(e) *Consolidated or Joint hearings.* In cases in which the same or related facts are asserted to constitute non-compliance with this part with respect to two or more Federal statutes, authorities, or other means by which Federal financial assistance is extended and to which this part applies or noncompliance with this part and the regulations of one or more other Federal departments or agencies issued under title VI of the Act, the Secretary may, by agreement with such other departments or agencies, where applicable, provide for the conduct of consolidated or joint hearings, and for the application to such hearings or rules of procedure not inconsistent with this part. Final decisions in such cases, insofar as this part is concerned, shall be made in accordance with § 31.10.

[29 FR 16284, Dec. 4, 1964. Redesignated and amended at 38 FR 17958, July 5, 1973; 68 FR 51367, Aug. 26, 2003]

§ 31.10 Decisions and notices.

(a) *Decision by a hearing examiner.* If the hearing is held by a hearing examiner such hearing examiner shall either

make an initial decision, if so authorized, or certify the entire record including his recommended findings and proposed decision to the Secretary for a final decision, and a copy of such initial decision or certification shall be mailed to the applicant or recipient and the complainant. Where the initial decision is made by the hearing examiner the applicant or recipient may within 30 days of the mailing of such notice of initial decision file with the Secretary his exceptions to the initial decision, with his reasons therefor. In the absence of exceptions, the Secretary may on his own motion within 45 days after the initial decision serve on the applicant or recipient a notice that he will review the decision. Upon the filing of such exceptions or of such notice of review the Secretary shall review the initial decision and issue his own decision thereon including the reasons therefor. The decision of the Secretary shall be mailed promptly to the applicant or recipient and the complainant, if any. In the absence of either exceptions or a notice of review the initial decision shall constitute the final decision of the Secretary.

(b) *Decisions on record or review by the Secretary.* Whenever a record is certified to the Secretary for decision or he reviews the decision of a hearing examiner pursuant to paragraph (a), or whenever the Secretary conducts the hearing, the applicant or recipient shall be given reasonable opportunity to file with him briefs or other written statements of its contentions, and a copy of the final decision of the Secretary shall be given in writing to the applicant or recipient and the complainant, if any.

(c) *Decisions on record where a hearing is waived.* Whenever a hearing is waived pursuant to §31.9(a) a decision shall be made by the Secretary on the record and a copy of such decision shall be given in writing to the applicant or recipient and to the complainant, if any.

(d) *Rulings required.* Each decision of a hearing officer or the Secretary shall set forth his ruling on each finding, conclusion, or exception presented, and shall identify the requirement or requirements imposed by or pursuant to this part with which it is found that

the applicant or recipient has failed to comply.

(e) *Content of orders.* The final decision may provide for suspension or termination of, or refusal to grant or continue Federal financial assistance, in whole or in part, to which this regulation applies, and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the Act and this part, including provisions designed to assure that no Federal financial assistance to which this regulation applies will thereafter be extended to the applicant or recipient determined by such decision to be in default in its performance of an assurance given by it pursuant to this part, or to have otherwise failed to comply with this part, unless and until it corrects its noncompliance and satisfies the Secretary that it will fully comply with this part.

(f) *Post-termination proceedings.* (1) An applicant or recipient adversely affected by an order issued under paragraph (c) of this section shall be restored to full eligibility to receive Federal financial assistance if it satisfies the terms and conditions of that order for such eligibility or if it brings itself into compliance with this regulation and provides reasonable assurance that it will fully comply with this regulation.

(2) Any applicant or recipient adversely affected by an order entered pursuant to paragraph (c) of this section may at any time request the Secretary to restore fully its eligibility to receive Federal financial assistance. Any such request shall be supported by information showing that the applicant or recipient has met the requirements of paragraph (f)(1) of this section. If the Secretary determines that those requirements have been satisfied, he shall restore such eligibility.

(3) If the Secretary denies any such request, the applicant or recipient may submit a request for a hearing in writing, specifying why it believes the Secretary to have been in error. It shall thereupon be given an expeditious hearing, with a decision on the record, in accordance with rules of procedure issued by the Secretary. The applicant or recipient will be restored to such eligibility if it proves at such a hearing

§ 31.11

that it satisfied the requirements of paragraph (f)(1) of this section. While proceedings under this paragraph are pending, the sanctions imposed by the order issued under paragraph (e) of this section shall remain in effect.

§ 31.12 Effect on other regulations; supervision and coordination.

(a) *Effect on other regulations.* All regulations, orders or like directions heretofore issued by any officer of the Department which impose requirements designed to prohibit any discrimination against individuals on the ground of race, color, or national origin under any program to which this part applies, and which authorize the suspension or termination of or refusal to grant or to continue Federal financial assistance to any applicant for or recipient of such assistance for failure to comply with such requirements, are hereby superseded to the extent that such discrimination is prohibited by this part, except that nothing in this part shall be deemed to relieve any person of any obligations assumed or imposed under any such superseded regulation, order, instruction, or like direction prior to the effective date of this part. Nothing in this part, however, shall be deemed to supersede any of the following (including future amendments thereof):

(1) Executive Orders 10925, 11114 and 11246 and regulations issued thereunder,

(2) The "Standards for a Merit System of Personnel Administration," issued jointly by the Secretaries of Defense, of Health, Education and Welfare, and of Labor, 23 FR 734, or

(3) Any other regulation or instruction insofar as it prohibits discrimination on the ground of race, color, or national origin in any program or situation to which this part is inapplicable, or prohibits discrimination on any other ground.

29 CFR Subtitle A (7-1-21 Edition)

(b) *Supervision and coordination.* (1) The Secretary may from time to time assign to officials of other departments or agencies of the government (with the consent of such department or agency) responsibilities in connection with the effectuation of the purposes of title VI of the Act and this part (other than responsibility for final decision as provided in § 31.11), including the achievement of effective coordination and maximum uniformity within the Department and within the executive branch of the Government in the application of title VI and this part to similar programs and in similar situations.

(2) Any action taken, determination made, or requirement imposed by an official of another Department or agency acting pursuant to an assignment of responsibility under this subsection shall have the same effect as though such action had been taken by the Secretary.

sistance from the Department of Labor.

[45 FR 66709, Oct. 7, 1980, as amended at 68 FR 51367, Aug. 26, 2003]

§ 32.3 Definitions.

As used in this part, the term:

The Act means the Rehabilitation Act of 1973, Public Law 93-112, as amended by the Rehabilitation Act Amendments of 1974, Public Law 93-516, and by the Rehabilitation, Comprehensive Services, and Developmental Disabilities Amendments of 1978, Public Law 95-602.

Department means the Department of Labor.

Facility means all or any portion of the buildings, structures, equipment, roads, walks, parking lots or other real or personal property or interest in such property which are utilized in the execution of the program or activity for which Federal financial assistance is received.

Federal financial assistance means any grant, loan, contract (other than a procurement contract or a contract of insurance or guarantee), or any other arrangement by which the Department provides or otherwise makes available assistance in the form of:

- (a) Funds;
- (b) Services of Federal personnel; or
- (c) Real and personal property or any interest in or use of such property, including:

(1) Transfers or leases of such property for less than fair market value or for reduced consideration; and

(2) Proceeds from a subsequent transfer or lease of such property if the Federal share of its fair market value is not returned to the Federal Government.

(iii) Has none of the impairments defined in paragraph (b)(1) of this section but is treated by a recipient as having such an impairment.

(c) With respect to employment and to employment related training, a handicapped individual who meets both the eligibility requirements for participation in the program or activity and valid job or training qualifications with reasonable accommodation.

Reasonable accommodation means the changes and modifications which can be made in the structure of a job or employment and training, or in the manner in which a job is performed or employment and training is conducted, unless it would impose an undue hardship on the operation of the recipient's program or activity. Reasonable accommodation may include:

(a) Making the facilities used by the employees or participants in the area where the program or activity is conducted, including common areas used by all employees or participants such as hallways, restrooms, cafeterias and lounges, readily accessible to and usable by handicapped persons, and

§ 32.4 Discrimination prohibited.

(a) *General.* No qualified handicapped individual shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity which receives Federal financial assistance.

(b) *Discriminatory actions prohibited.*
(1) A recipient, in providing any aid, benefit, service or training, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap:

(i) Deny a qualified handicapped individual the opportunity to participate in or benefit from the aid, benefit, service or training;

(ii) Afford a qualified handicapped individual an opportunity to participate in or benefit from the aid, benefit, service or training that is not equal to that afforded others;

(iii) Provide a qualified handicapped individual with any aid, benefit, service or training that is not as effective as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped individuals or to any class of handicapped individuals unless such action is necessary to provide qualified handicapped individuals with aid, benefits, services or training that are as effective as those provided to others;

(v) Aid or perpetuate discrimination against a qualified handicapped individual by providing significant assistance to an agency, organization, or person that discriminates on the basis

§ 32.4

29 CFR Subtitle A (7-1-21 Edition)

of handicap in providing any aid, benefit, service or training to beneficiaries of the recipient's program or activity;

(vi) Deny a qualified handicapped individual the opportunity to participate as a member of planning or advisory boards; or

(vii) Otherwise limit a qualified handicapped individual in enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving any aid, benefit, service or training.

(2) For purposes of this part, aid, benefits, services or training, to be equally effective, are not required to produce the identical result or level of achievement for handicapped and nonhandicapped individuals, but must afford handicapped individuals equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement, in the most integrated setting appropriate to the person's needs.

(3) A recipient may not deny a qualified handicapped individual the opportunity to participate in its regular aid, benefits, services, or training, despite the existence of separate or different aid, benefits, services, or training for the handicapped which are established in accordance with this part.

(4) A recipient may not, directly or through contractual or other arrangements, utilize criteria or methods of administration:

(i) That have the effect of subjecting qualified handicapped individuals to discrimination on the basis of handicap;

(ii) That have the purpose or effect of defeating or substantially impairing accomplishment of the objectives of the recipient's program or activity with respect to handicapped individuals; or

(iii) That perpetuate the discrimination of another recipient if both recipients are subject to common administrative control or are agencies of the same state.

(5) In determining the site or location of a facility, an applicant for assistance or a recipient may not make selections.

(i) That have the effect of excluding handicapped individuals from, denying them the benefits of, or otherwise subjecting them to discrimination under

any program or activity that receives Federal financial assistance; or

(ii) That have the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the program or activity with respect to handicapped individuals.

(6) As used in this section, the aid, benefit, service or training provided under a program or activity receiving Federal financial assistance includes any aid, benefit, service or training provided in or through a facility that has been constructed, expanded, altered, leased, rented, or otherwise acquired, in whole or in part, with Federal financial assistance.

(7)(i) In providing services receiving Federal financial assistance, except for employment-related training, a recipient to which this subpart applies, except small recipients, shall ensure that no handicapped participant is denied the benefits of, excluded from participation in, or otherwise subjected to discrimination under the program or activity operated by the recipient because of the absence of auxiliary aids for participants with impaired sensory, manual or speaking skills. In employment and employment-related training, this paragraph shall apply only to the intake, assessment and referral services. A recipient shall operate each program or activity to which this subpart applies so that, when viewed in its entirety, auxiliary aids are readily available.

(ii) Auxiliary aids may include brailled and taped written materials, interpreters or other effective methods of making orally delivered information available to persons with hearing impairments, readers for persons with visual impairments, equipment adapted for use by persons with manual impairments, and other similar services and actions. Recipients need not provide attendants, individually prescribed devices, readers for personal use or study, or other devices or services of a personal nature.

(c) *Aid, benefits, services, or training limited by Federal law.* The exclusion of nonhandicapped persons from aid, benefits, program services, or training limited by Federal statute on Executive order to handicapped individuals or the exclusion of a specific class of

handicapped individuals from aid, benefits, services, or training limited by Federal statute or Executive order to a different class of handicapped individuals is not prohibited by this part.

(d) *Integrated setting.* Recipients shall administer programs or activities in the most integrated setting appropriate to the needs of qualified handicapped individuals.

(e) *Communications with individuals with impaired vision and hearing.* Recipients shall take appropriate steps to ensure that communications with their applicants, employees, and beneficiaries are available to persons with impaired vision and hearing.

[45 FR 66709, Oct. 7, 1980, as amended at 68 FR 51367, 51368, Aug. 26, 2003]

§ 32.5 Assurances required.

(a) *Assurances.* An applicant for Federal financial assistance to which this part applies shall submit an assurance, on a form specified by the Assistant Secretary, that the program or activity will be operated in compliance with this part. An applicant may incorporate these assurances by reference in subsequent applications to the Department.

(b) *Duration of obligation.* (1) In the case of Federal financial assistance extended in the form of real property or structures on the property, the assurance will obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used for the purpose involving the provision of similar services or benefits.

(2) In the case of Federal financial assistance extended to provide personal property, the assurance will obligate the recipient for the period during which it retains ownership or possession of the property.

(3) In all other cases the assurance will obligate the recipient for the period during which Federal financial assistance is extended or the federally-funded program or activity is operated, whichever is longer.

(c) *Covenants.* (1) Where Federal financial assistance is provided in the form of real property or interest in the property from the Department, the instrument effecting or recording this transfer shall contain a covenant run-

ning with the land to assure non-discrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) Where no Federal transfer of property is involved but property is purchased or improved with Federal financial assistance, the recipient shall agree to include the covenant described in paragraph (c)(1) of this section in the instrument effecting or recording any subsequent transfer of the property.

(3) Where Federal financial assistance is provided in the form of real property or interest in the property from the Department, the covenant shall also include a condition coupled with a right to be reserved by the Department to revert title to the property in the event of a breach of the covenant. If a transferee of real property proposes to mortgage or otherwise encumber the real property as security to finance construction of new, or improvement of existing, facilities on the property for the purposes for which the property was transferred, the Assistant Secretary may agree to forbear the exercise of such right to revert title for so long as the lien of such mortgage or other encumbrance remains effective. Such an agreement by the Assistant Secretary may be entered into only upon the request of the transferee (recipient) if it is necessary to accomplish such financing and upon such terms and conditions as the Assistant Secretary deems appropriate.

(d) *Interagency agreements.* Where funds are granted by the Department to another Federal agency, and where the grant obligates the recipient agency to comply with the rules and regulations of the Department applicable to that grant the provisions of this part shall apply to programs or activities operated with such funds.

§ 32.6 Remedial action, voluntary action, and self-evaluation.

(a) *Remedial action.* (1) If the Assistant Secretary finds that a recipient has discriminated against persons on the

§ 32.7

basis of handicap in violation of section 504 of this part, the recipient shall take such remedial action as the Assistant Secretary deems necessary to overcome the effects of the discrimination.

(2) Where a recipient is found to have discriminated against persons on the basis of handicap in violation of section 504 or this part and where another recipient exercises control over the recipient that has discriminated, the Assistant Secretary, where appropriate, may require either or both recipients to take remedial action.

(3) The Assistant Secretary may, where necessary to overcome the effects of discrimination in violation of section 504 or this part, require a recipient to take remedial action:

(i) With respect to handicapped individuals who would have been participants in the program or activity had the discrimination not occurred; and

(ii) With respect to handicapped persons who are no longer participants in the recipient's program but who were participants in the program or activity when the discrimination occurred; and

(iii) With respect to employees and applicants for employment.

(b) *Voluntary action.* A recipient may take steps, in addition to any action that is required by this part, to overcome the effects of conditions that resulted in limited participation in the recipient's program or activity by qualified handicapped individuals.

(c) *Self-evaluation.* (1) A recipient shall, within one year of the effective date of this part:

(i) Evaluate, with the assistance of interested persons who are selected by the recipient, including handicapped individuals or organizations representing handicapped individuals, its current policies and practices and the effects thereof that do not or may not meet the requirements of this part;

(ii) Modify, after consultation with interested persons who are selected by the recipient, including handicapped individuals or organizations representing handicapped individuals, any policies and practices that do not meet the requirements of this part; and

(iii) Take, after consultation with interested persons who are selected by the recipient, including handicapped

29 CFR Subtitle A (7-1-21 Edition)

individuals or organizations representing handicapped individuals, appropriate remedial steps to eliminate the effects of any discrimination that resulted from adherence to these policies and practices.

(2) A recipient, other than a small recipient, shall for at least three years following completion of the evaluation required under paragraph (c)(1) of this section, maintain on file, make available for public inspection, and provide to the Assistant Secretary upon request:

(i) A list of the interested persons consulted;

(ii) A description of areas examined and any problems identified; and

(iii) A description of any modifications made and of any remedial steps taken.

§ 32.7 Designation of responsible employee.

A recipient, other than a small recipient shall designate at least one person to coordinate its efforts to comply with this part.

§ 32.8 Notice.

(a) A recipient, other than a small recipient, shall take appropriate initial and continuing steps to notify participants, beneficiaries, referral sources, applicants, and employees, including those with impaired vision or hearing, and unions or professional organizations which have collective bargaining or professional agreements with the recipient, that it does not discriminate on the basis of handicap in violation of section 504 and of this part. The notification shall state, where appropriate, that the recipient does not discriminate in the admission or access to, or treatment or employment in, its programs or activities. The notification shall also include an identification of the responsible employee designated pursuant to § 32.7. A recipient shall make the initial notifications required by this paragraph within 90 days of the effective date of this part. Methods of initial and continuing notification may include the posting of notices, publication in newspapers and magazines,

placement of notices in recipient's publications, and distribution of memoranda or other written communications.

(b) If a recipient publishes or uses recruitment materials or publications containing general information that it makes available to participants, beneficiaries, applicants, or employees, it shall include in those materials or publications a statement of the policy described in paragraph (a) of this section. A recipient may meet the requirement of this paragraph either by including appropriate inserts in existing materials and publications or by revising and reprinting the materials and publications.

§ 32.9 Administrative requirements for small recipients.

The Assistant Secretary may require any recipient that provides services to fewer than 15 beneficiaries or with fewer than 15 employees, or any class of such recipients, to comply with §§ 32.7 and 32.8, in whole or in part, when the Assistant Secretary finds a violation of this part or finds that such compliance will not significantly impair the ability of the recipient or class of recipients to provide benefits or services.

§ 32.10 Effect of State or local law or other requirements and effect of employment opportunities.

(a) The obligation to comply with this part is not obviated or alleviated by the existence of any state or local law or other requirement that, on the basis of handicap, imposes prohibitions or limits upon the eligibility of qualified handicapped individuals to receive services, participate in programs or activities or practice any occupation or profession.

(b) The obligation to comply with this part is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for handicapped individuals than for nonhandicapped persons.

Subpart B—Employment Practices and Employment Related Training Participation

§ 32.12 Discrimination prohibited.

(a) *General.* (1) No qualified handicapped individual shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity to which this part applies. This subpart is applicable to employees and applicants for employment with all recipients and to participants in employment and training under programs or activities financed in whole or in part by Federal financial assistance.

(2) A recipient shall make all decisions concerning employment or training under any program or activity to which this subpart applies in a manner which ensures that discrimination on the basis of handicap does not occur and may not limit, segregate, or classify applicants or employees or participants in any way that adversely affects their opportunities or status because of handicap.

(3) A recipient may not participate in a contractual or other relationship that has the effect of subjecting qualified handicapped applicants, employees or participants to discrimination prohibited by this subpart. The relationships referred to in this subparagraph include relationships with employment and referral agencies, with labor unions, with organizations providing or administering fringe benefits to employees of the recipient, and with organizations providing training and apprenticeships.

(b) *Specific activities.* The provisions of this subpart apply to:

(1) Recruitment advertising, and the processing of applicants for employment;

(2) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff and rehiring;

(3) Rates of pay or any other form of compensation and changes in compensation;

(4) Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists;

(5) Leaves of absence, sick leave, or any other leave;

§ 32.13

(6) Fringe benefits available by virtue of employment, whether or not administered by the recipient;

(7) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training;

(8) Employer-sponsored activities, including those that are social or recreational; and

(9) Any other term, condition, or privilege of employment.

(c) *Collective bargaining agreements.* Whenever a recipient's obligation to comply with this subpart and to correct discriminatory practices impacts on and/or necessitates changes in a term of a collective bargaining agreement(s) to which the recipient is a party, the recipient shall attempt to achieve compliance consistent with the provisions of § 32.17(a). However a recipient's obligation to comply with this subpart is not relieved by a term of any such collective bargaining agreement(s).

(d) *Compensation.* In offering employment or promotions to handicapped individuals, the recipient shall not reduce the amount of compensation offered because of any disability income, pension or other benefit the applicant or employee receives from other source.

[45 FR 66709, Oct. 7, 1980, as amended at 68 FR 51368, Aug. 26, 2003]

§ 32.13 Reasonable accommodation.

(a) A recipient shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified handicapped applicant, employee or participant unless the recipient can demonstrate that the accommodation would impose an undue hardship on the operation of its program or activity.

(b) In determining pursuant to paragraph (a) of this section whether an accommodation would impose an undue hardship on the operation of a recipient's program or activity, factors to be considered include;

(1) The overall size of the recipient's program or activity with respect to number of employees, number of par-

29 CFR Subtitle A (7-1-21 Edition)

ticipants, number and type of facilities, and size of budget;

(2) The type of the recipient's operation, including the composition and structure of the recipient's workforce, and duration and type of training; and

(3) The nature and cost of the accommodation needed.

(c) A recipient may not deny any employment or training opportunity to a qualified handicapped employee, applicant or participant if the basis for the denial is the need to make reasonable accommodation to the physical or mental limitations of the employee, applicant or participant.

(d) Nothing in this paragraph shall relieve a recipient of its obligation to make its program or activity accessible as required in subpart C of this part, or to provide auxiliary aids, as required by § 32.4(b)(7).

[45 FR 66709, Oct. 7, 1980, as amended at 68 FR 51368, Aug. 26, 2003]

§ 32.14 Job qualifications.

(a) The recipient shall provide for, and shall adhere to, a schedule for the review of the appropriateness of all job qualifications to ensure that to the extent job qualifications tend to exclude handicapped individuals because of their handicap, they are related to the performance of the job and are consistent with business necessity and safe performance.

(b) Whenever a recipient applies job qualifications in the selection of applicants, employees or participants for employment or training or other change in employment status such as promotion, demotion or training, which would tend to exclude handicapped individuals because of their handicap, the qualifications shall be related to the specific job or jobs for which the individual is being considered and shall be consistent with business necessity and safe performance. The recipient shall have the burden to demonstrate that it has complied with the requirements of this paragraph.

§ 32.15 Preemployment inquiries.

(a) Except as provided in paragraphs (b) and (c) of this section, a recipient

may not conduct preemployment medical examinations or make preemployment inquiry of an applicant for employment or training as to whether the applicant is a handicapped person or as to the nature or the severity of a handicap. A recipient may, however, make preemployment inquiry into an applicant's ability to perform job-related functions.

(b) When a recipient is taking remedial action to correct the effects of past discrimination, when a recipient is taking voluntary action to overcome the effects of conditions that resulted in limited participation in its federally-assisted program or activity, or when a recipient is taking affirmative action pursuant to section 503 of the Act, the recipient may invite applicants for employment or training to indicate whether and to what extent they are handicapped if:

(1) The recipient states clearly on any written questionnaire used for this purpose or makes clear orally, if no written questionnaire is used, that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary or affirmative action efforts.

(2) The recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential as provided in paragraph (d) of this section, that refusal to provide it will not subject the applicant, employee or participant to any adverse treatment, and that it will be used only in accordance with this part.

(c) An employer who routinely requires medical examinations as part of the employment selection process must demonstrate that each of the requirements of this subsection are met:

(1) The medical examination shall be performed by a physician qualified to make functional assessments of individuals in a form which will express residual capacity for work or training. Such an assessment does not require clinical determinations of disease or disability, but shall provide selecting or referring officials sufficient information regarding any functional limitations relevant to proper job placement or referral to appropriate training. Factors which may be assessed may include, for example, use of limbs

and extremities, mobility and posture, endurance and energy expenditure, ability to withstand various working conditions and environments, use of senses and mental capacity;

(2) The results of the medical examination shall be specific and objective so as to be susceptible to review by independent medical evaluators and shall be transmitted to the applicant or employee at the same time as the employing official;

(3) The results of the medical examination shall not be used to screen out qualified applicants and employees but to determine proper placement and reasonable accommodation. The employing official using physical or mental information obtained pursuant to this section should be familiar with physical or mental activities involved in performing the job, and the working conditions and environment in which it is carried out. If the applicant is being considered for a variety of jobs having different requirements or skills, the employing official should make a functional assessment of the physical or mental demands of the jobs in order to match the applicant with the most suitable vacancy;

(4) All of potential employees for the jobs are subjected to the medical examination;

(5) The procedures for using medical examinations or the medical information shall be constructed in such a manner that:

(i) A conditional job offer was made or the individual was conditionally placed in a job pool or conditionally placed on an eligibility list prior to the medical examination being performed; or

(ii) The results of the medical examination were considered by the employing official only after a conditional decision to make a job offer or the individual had been placed conditionally in a job pool or conditionally placed on an eligibility list; that is the medical results were the last factor evaluated by the employing officials before a final decision to make an offer of employment was made.

(6) Unless a conditional job offer is made prior to the medical examination, all potential employees for the

§ 32.16

job shall be informed at the time of the medical examination that:

(i) The results of the medical examination are the last factor evaluated by the employing official before a final decision to make an offer of employment is made, and

(ii) The medical examination results shall be transmitted to the employing official and the applicant only after a conditional decision to make a job offer has been made.

(d) Information obtained in accordance with this section as to the medical condition or history of the applicant shall be collected and maintained on separate forms that shall be accorded confidentiality as medical records, except that:

(1) Employing officials may obtain the information after making a conditional decision to make a job offer to the applicant or the applicant was placed conditionally in a job pool or placed conditionally on an eligibility list.

(2) Supervisors and managers may be informed regarding restrictions on the work or duties of qualified handicapped persons and regarding necessary accommodations;

(3) First aid and safety personnel may be informed, where appropriate, if the condition might require emergency treatment; and

(4) Government officials investigating compliance with the Act shall be provided information upon request.

§ 32.16 Listing of employment openings.

Recipients should request State employment security agencies to refer qualified handicapped individuals for consideration for employment.

§ 32.17 Labor unions and recruiting and training agencies.

(a) The performance of a recipient's obligations under the nondiscrimination provisions of these regulations may necessitate a revision in a collective bargaining agreement(s). The policy of the Department of Labor is to use its best efforts, directly or through the recipients, subgrantees, local officials, vocational rehabilitation facili-

29 CFR Subtitle A (7-1-21 Edition)

ties, and other available instrumentalities, to cause any labor union, recruiting and training agency or other representative or workers who are or may be engaged in work under programs or activities receiving Federal financial assistance to cooperate with, and to comply in the implementation of section 504.

(b) To effectuate the purposes of paragraph (a) of this section, the Assistant Secretary may hold hearings, public or private, with respect to the practices and policies of any such labor union or recruiting and training agency.

(c) Whenever compliance with section 504 necessitates a revision of a collective bargaining agreement or otherwise significantly affects a substantial number of employees represented by the union, the collective bargaining representatives shall be given an opportunity to present their views to the Assistant Secretary.

(d) The Assistant Secretary may notify any Federal, State, or local agency of his/her conclusions and recommendations with respect to any such labor organization or recruiting and training agency which in his/her judgment has failed to cooperate with the Department of Labor, recipients, subgrantees or applicants in carrying out the purposes of section 504. The Assistant Secretary also may notify other appropriate Federal agencies when there is reason to believe that the practices of any such labor organization or agency violates other provisions of Federal law.

[45 FR 66709, Oct. 7, 1980, as amended at 68 FR 51368, Aug. 26, 2003]

Subpart C—Accessibility

§ 32.26 Discrimination prohibited.

No qualified handicapped individual shall, because a recipient's facilities are inaccessible to or unusable by handicapped individuals, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which this part applies.

§ 32.27 Accessibility.

(a) *Purpose.* A recipient shall operate each program or activity to which this part applies so that when each part is viewed in its entirety it is readily accessible to qualified handicapped individuals. This paragraph does not require a recipient to make each of its existing facilities or every part of a facility accessible to and usable by qualified handicapped individuals. However, if a particular aid, benefit, service, or training is available in only one location, that site must be made accessible or the aid, benefit, service, or training must be made available at an alternative accessible site or sites. Accessibility requires nonpersonal aids to make the program or activity accessible to mobility impaired persons. Reasonable accommodations, as defined in § 32.3, are required for particular handicapped individuals in response to the specific limitations of their handicaps.

(b) *Scope and application.* (1) For the purpose of this subpart, prime sponsors under the Comprehensive Employment and Training Act and any other individual or organization which receives a grant directly from the Department to establish or operate any program or activity shall assure that the program or activity, including those involving Public Service Employment, Work Experience, Classroom Training and On-the-Job-Training, when each part is viewed in its entirety, is readily accessible to qualified handicapped individuals.

(2) *Job Corps.* All agencies, grantees, or contractors which screen or recruit applicants for the Job Corps shall comply with the nondiscrimination provisions of this part. Each regional office of the Department of Labor's Employment and Training Administration which makes the decision on the assignment of a Job Corps applicant to a particular center may, where it finds, after consultation with the qualified handicapped person seeking Job Corps services, that there is no method of complying with § 32.27(a) at a particular Job Corps Center, other than by making a significant alteration in its existing facilities or in its training, assign that individual to another Job Corps Center which is accessible in ac-

cordance with this section and which is offering comparable training. The Job Corps, and each regional office of the Employment and Training Administration, shall assure that the Job Corps Program, when viewed in its entirety, is readily accessible to qualified handicapped individuals and that all future construction, including improvements to existing Centers, be made accessible to the handicapped.

(3) If a small recipient finds, after consultation with a qualified handicapped person seeking its services, that there is no method of complying with § 32.27(a) other than making a significant alteration in its existing facilities or facility the recipient may, as an alternative, refer the qualified handicapped person to other providers of those services that are accessible.

(c) *Methods.* A recipient may comply with the requirement of § 32.27(a) through such means as redesign of equipment, reassignment of classes or other services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities in conformance with the requirements of § 32.28, or any other method that results in making its program or activity accessible to handicapped individuals. A recipient is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with § 32.27(a). In choosing among available methods for meeting the requirement of § 32.27(a), a recipient shall give priority to those methods that serve handicapped persons in the most integrated setting appropriate.

(d) *Time period.* A recipient shall comply with the requirements of § 32.27(a) within 60 days of the effective date of this part except that where structural changes in facilities are necessary, such changes shall be made within three years of the effective date of this part, but in any even as expeditiously as possible.

(e) *Transition plan.* In the event that structural changes to facilities are necessary to meet the requirement of § 32.27(a), a recipient shall develop, within six months of the effective date of this part, a transition plan setting

§ 32.28

forth the steps necessary to complete such changes. The plan shall be developed with the assistance of interested persons, including qualified handicapped individuals. A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum:

(1) Identify physical obstacles in the recipient's facilities that limit the accessibility of its program or activity to qualified handicapped individuals;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve full accessibility under § 32.27(a) and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the person responsible for implementation of the plan.

(f) *Notice.* The recipient shall adopt and implement procedures to ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of services, activities, and facilities that are accessible to and usable by qualified handicapped individuals.

[45 FR 66709, Oct. 7, 1980, as amended at 68 FR 51368, Aug. 26, 2003]

§ 32.28 Architectural standards.

(a) *Design and construction.* Each facility or part of a facility constructed by, on behalf of, or for the use of a recipient shall be designed and constructed in such manner that the facility or part of the facility is readily accessible to and usable by qualified handicapped individuals, if the construction was commenced after the effective date of this part.

(b) *Alteration.* Each facility or part of a facility which is altered by, on behalf of, or for the use of a recipient after the effective date of this part in a manner that affects or could affect the usability of the facility or part of the facility shall, to the maximum extent feasible, be altered in such manner that the altered portion of the facility is readily accessible to and usable by qualified handicapped individuals.

29 CFR Subtitle A (7-1-21 Edition)

(c) *Standards for architectural accessibility.* Design, construction, or alteration of facilities under this subpart shall meet the most current standards for physical accessibility prescribed by the General Services Administration under the Architectural Barriers Act at 41 CFR 101-19.6. Alternative standards may be adopted when it is clearly evident that equivalent or greater access to the facility or part of the facility is thereby provided.

Subpart D—Procedures

§ 32.44 Compliance information.

(a) *Cooperation and assistance.* The Assistant Secretary shall to the fullest extent practicable seek the cooperation of recipients in obtaining compliance with this part and shall provide assistance and guidance to recipients to help them comply voluntarily with this part.

(b) *Compliance reports.* Each recipient shall keep such records and submit to the Assistant Secretary timely, complete and accurate compliance reports at such times, and in such form and containing such information as the Assistant Secretary may determine to be necessary to enable him to ascertain whether the recipient had complied or is complying with this part. For example, recipients should have available for the Department data showing the extent to which known handicapped individuals are beneficiaries and participants in federally assisted programs or activities. In the case in which a primary recipient extends Federal financial assistance to any other recipient, such other recipient shall also submit such compliance reports to the primary recipient as may be necessary to enable the primary recipient to carry out its obligations under this part.

(c) *Access to sources of information.* Each recipient shall permit access by the Assistant Secretary during normal business hours to such of its books, records, accounts, and other sources of information and its facilities as may be pertinent to ascertain compliance with this part. Where any information required of a recipient is in the exclusive possession of any other agency, institution or person and this agency, institution or person shall fail or refuse to

furnish this information, the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information. Asserted considerations of privacy or confidentiality may not operate to bar the Department from access to or copying of records or information, or from evaluating or seeking to enforce compliance with this part.

(d) *Posters and information.* The recipient will post in prominent locations (bulletin boards, time clock areas, etc.) posters designed and furnished by DOL outlining and summarizing the nondiscrimination requirements of section 504. The recipient also will make readily available information on section 504 requirements with respect to compliance procedures, the rights of beneficiaries and employees through handbooks, pamphlets and other materials furnished by DOL.

[45 FR 66709, Oct. 7, 1980, as amended at 68 FR 51368, Aug. 26, 2003]

§ 32.45 Investigations.

(a) *Periodic compliance reviews.* The Assistant Secretary shall from time-to-time review the practices of recipients to determine whether they are complying with this part.

(b) *Adoption of grievance procedures.* A recipient shall adopt an internal review procedure incorporating appropriate due process standards which provides for the prompt and equitable resolution of complaints alleging any action prohibited by this part. The complainant or his or her representative shall file the complaint with the recipient for processing under those procedures. A complaint must be filed not later than 180 days from the date of the alleged discrimination, unless the time for filing is extended by the Assistant Secretary for good cause shown. The recipient shall maintain records on all complaints filed alleging violation of the Act and shall make such records available to the Assistant Secretary upon request. The complaint and all actions taken thereunder shall be kept confidential by the recipient. If the complaint has not been resolved under those procedures satisfactorily to the complainant within 60 days of the filing or referral, the complainant or his or her representative may file a com-

plaint with the Assistant Secretary within 30 days of the recipient level decision or 90 days from the date of filing the complaint, whichever is earlier. Upon such filing, the Assistant Secretary will proceed as provided in this section. Exhaustion of recipient level procedures shall be required except where:

(1) The recipient has not acted within the timeframe specified in this section; or

(2) The recipient's procedures are not in compliance with this section; or

(3) An emergency situation is determined to exist by the Assistant Secretary.

(c) *Complaints.* Where recipient level procedures have been exhausted, any person who believes he or she or any specific class of individuals has been subjected to discrimination prohibited by this part may (or through an authorized representative) file a written complaint with the Assistant Secretary.

(d) *Contents of complaints.* Complaints must be signed by the complainant or his or her authorized representative and must contain the following information:

(1) Name and address (including telephone or TTY number) of the complainant;

(2) Name and address of the recipient or sub-grantee who committed the alleged violation;

(3) A description of the act or acts considered to be a violation;

(4) A statement that the individual is handicapped or has a history of a handicap or other documentation of impairment or was regarded by the recipient as having an impairment; and

(5) Other pertinent information available which will assist in the investigation and resolution of the complaint.

(e) *Incomplete information.* Where a complaint contains incomplete information, the Assistant Secretary shall seek the needed information or any other information which indicates a possible failure to comply with this part from the complainant and shall be responsible for developing a complete record. If such information is not provided within 60 days, the complaint may be closed upon notice to the parties.

§ 32.46

29 CFR Subtitle A (7-1-21 Edition)

(f) *Resolution of matters.* Where an investigation indicates that the recipient has not complied with the requirements of the Act or this part, efforts shall be made to secure compliance through conciliation and persuasion within a reasonable time. Before the recipient or subgrantee can be found to be in compliance, it must make a specific commitment, in writing, to take corrective action to meet the requirements of the Act and this part. The commitment must indicate the precise action to be taken and dates for completion. The time period allowed should be no longer than the minimum period necessary to effect such changes. Upon approval of such commitment by the Assistant Secretary, the recipient may be considered in compliance on condition that the commitments are kept. Where the investigation indicates a violation of the Act or regulations in this part (and the matter has not been resolved by informal means), the Assistant Secretary shall afford the recipient an opportunity for a hearing in accordance with § 32.47.

(g) *Intimidatory or retaliatory acts prohibited.* The sanctions and penalties contained in this regulation may be exercised by the Assistant Secretary against any recipient or sub-grantee who fails to take all necessary steps to ensure that no person intimidates, threatens, coerces or discriminates against any individual for the purpose of interfering with the filing of a complaint, furnishing information, or assisting or participating in any manner in an investigation, compliance review, hearing, or any other activity related to the administration of the Act.

§ 32.46 Procedure for effecting compliance.

(a) *General.* If there appears to be a failure or threatened failure to comply with this regulation and if the non-compliance or threatened non-compliance cannot be corrected by informal means, the Department may suspend, terminate or refuse to grant or to continue Federal financial assistance or take any other means authorized by law. Such other means may include, but are not limited to:

(1) A referral to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States or any assurance; and

(2) Any applicable proceeding under state or local law.

(b) *Noncompliance with the requirements of this part.* If a recipient fails or refuses to comply with a requirement imposed by or pursuant to this part, the Department may institute an administrative enforcement proceeding to compel compliance with the requirement, to seek appropriate relief, and or to terminate Federal financial assistance in accordance with the procedures of paragraph (c) of this section. The Department shall not be required to provide assistance in such a case during the pendency of the administrative proceedings under such paragraph if grants have not yet been approved or funds not yet committed to the recipient. However, the Department shall continue assistance during the pendency of such proceedings where such assistance is due and payable pursuant to an application therefor approved prior to the effective date of this part.

(c) *Termination of or refusal to grant or to continue Federal financial assistance.* No order suspending, terminating or refusing to grant or continue Federal financial assistance shall become effective until:

(1) The Assistant Secretary has advised the applicant or recipient of its failure to comply and compliance has not been secured by voluntary means; and

(2) There has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to this part. Any action to suspend or terminate or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other applicant or recipient as to whom such a finding has been made and shall be limited in its effect to the particular program or activity, or part thereof, in which such noncompliance has been so found.

(d) *Other means authorized by law.* No action to effect compliance by any

other means authorized by law shall be taken until:

(1) The Assistant Secretary has determined that compliance cannot be secured by voluntary means;

(2) The recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance; and

(3) The expiration of at least 10 days from the mailing of such notice to the recipient or other person.

§ 32.47 Hearing practice and procedure.

(a) All hearings conducted under section 504 of the Rehabilitation Act of 1973, as amended, and the regulations in this part shall be governed by the Department of Labor's rules of practice for administrative proceedings to enforce title VI of the Civil Rights Act of 1964 contained in 29 CFR part 31.

(b) For the purposes of hearings pursuant to this part 32, references in 29 CFR part 31 to title VI of the Civil Rights Act of 1964 shall mean section 504 of the Rehabilitation Act of 1973, as amended.

(c) The Assistant Secretary from time-to-time may assign to officials of other departments or agencies of the Government or of the Department of Labor (with the consent of such department or agency) responsibilities in connection with the effectuation of the purposes of section 504 of the Act and this part (other than responsibility for final decisions as provided in § 32.46), including the achievement of effective coordination and maximum uniformity within the Department and within the executive branch of the Government in the application of section 504 and this part to similar programs or activities and in similar situations.

(d) Any action taken, determination made, or requirement imposed by an official of another Department or agency acting pursuant to an assignment of responsibility under this subsection shall have the same effect as though such action had been taken by the Secretary.

Subpart E—Auxiliary Matters

§ 32.48 Post-termination proceedings.

(a) An applicant or recipient adversely affected by an order suspending, terminating or refusing to grant or continue Federal financial assistance shall be restored to full eligibility to receive Federal financial assistance if it satisfies the terms and conditions of that order for such eligibility, brings itself into compliance with this part and satisfies the Assistant Secretary that it will fully comply with section 504 and this part.

(b) Any applicant or recipient adversely affected by an order suspending, terminating or refusing to grant or continue Federal financial assistance may request the Assistant Secretary to restore fully its eligibility to receive Federal financial assistance. Any such request shall be supported by information showing that the applicant or recipient has met the requirements of subparagraph (a) of this paragraph. If the Assistant Secretary determines that those requirements have been satisfied, the applicant's or recipient's eligibility shall be restored.

(c) If the Assistant Secretary denies any such request, the applicant or recipient may submit a written request for a hearing, specifying why it believes the Assistant Secretary to have been in error. It shall thereupon be given an expeditious hearing, with a decision on the record, in accordance with rules of procedure specified in this part. The applicant or recipient will be restored to such eligibility if it proves at such hearing that it satisfied the requirements of paragraph (a) of this section. While proceedings under this paragraph are pending, the sanctions imposed by the order suspending, terminating or refusing to grant or continue Federal financial assistance shall remain in effect.

§ 32.49 Recordkeeping.

(a) Each recipient shall maintain for a period of not less than three years records regarding complaints and actions taken thereunder, and such employment or other records as required by the Assistant Secretary or by this part and shall furnish such information in the form required by the Assistant

§ 32.50

Secretary or as the Assistant Secretary deems necessary for the administration of the Act and regulations in this part.

(b) Failure to maintain and furnish complete and accurate records as required under this section is a ground for the imposition of appropriate sanctions.

§ 32.50 Access to records.

Each recipient shall permit access and copying during normal business hours to its places of business, books, records and accounts pertinent to compliance with the Act, and all rules and regulations promulgated pursuant thereto for the purposes of investigation.

§ 32.51 Rulings and interpretations.

Ruling under or interpretations of the Act and the regulations contained in this part 32 shall be made by the Assistant Secretary.

APPENDIX A TO PART 32

Accommodations may take many forms based on the type of handicap and the needs of the individual. In developing appropriate accommodations, the individual should be consulted as to particular needs.

The following is a list of possible types of accommodations provided for guidance and technical assistance. These suggestions are not mandatory, and other forms of accommodation not described herein may be required if they are appropriate to meet the needs of particular handicapped individuals.

Accommodations for Participants and Employees

(a) Job restructuring means the procedure which includes:

(1) Identifying the separate tasks that comprise a job or group of jobs;

(2) Developing new position descriptions which retain some of the tasks of the original job; and

(3) Developing a career ladder which builds upward from the new positions which contain the lesser skilled tasks to regular jobs. A restructured job can be clearly different from the original one in terms of skills, knowledge, abilities, and work experience needed to perform the work. Job restructuring is intended to maximize the abilities of the particular handicapped person and is not intended to permit a recipient to under-employ or job-stereotype that person. A restructured job, for example, could be one in which the more highly skilled but physically

29 CFR Subtitle A (7-1-21 Edition)

less demanding duties are retained, e.g. operating controls and switches in a steel mill, and less skilled, physically taxing duties, e.g. lifting, pulling, are reassigned to non-handicapped employees.

(b) Modify job or program schedules, for example, by allowing for a flexible schedule a few days a week so that a participant or employee may undergo medical treatment or therapy. Work-times or participation in program activities may also be altered to permit handicapped individuals to travel to and from work during non-rush hours. For employees or participants who become unable to perform the duties of their positions because of a physical or mental condition, recipients may be required to grant liberal time off or leave without pay when paid sick leave is exhausted and when the disability is of a nature that it is likely to respond to treatment of hospitalization. See, e.g., 339 Federal Personnel Manual-1-3(b)(1).

(c) Modify program and work procedures and training time.

(d) Relocate particular offices or jobs or program activities so that they are in facilities accessible to and usable by qualified handicapped persons. For example, an employee or participant with a respiratory ailment can be placed in a "nonsmoking" and/or well-ventilated office.

(e) Acquire or modify equipment or devices. For hearing-impaired participants or employees, this may include placing amplifiers on telephone receivers, making telephone equipment compatible with hearing aids, providing flashing lights to supplement telephone rings or installing telecommunications devices (TDD's or TTY's). For blind participants or employees, this may include providing tape recorders or dictating machines for those who cannot type. For wheelchair-users, this may include raising on blocks a desk that is otherwise too low for the employee, rather than purchasing a specially-made desk. A recipient is not obligated to acquire or modify equipment that enables a participant or employee to perform a particular job or participate in a particular program until after an employee with a need for these modifications is hired for a particular office or admitted to a program.

(f) Provide readers, interpreters, and similar assistance as needed for deaf, blind and other handicapped participants or employees. In most instances, this would not require a full-time assistant.

(g) Decrease reliance solely on one form of communication. For example, for deaf participants or employees this may include supplementing program or job orientation sessions with written manuals and other visual materials. If appropriate, a visual warning system should be installed. It may also include providing flashing lights to supplement auditory signals such as sirens and alarm bells. For blind employees, this may

include making some communications available in braille, enlarged print, or on cassette recordings. A recipient should tailor the accommodations listed above to the needs of the individual participants or employees who have been admitted to a particular program or hired for a particular office.

(h) Provide human relations-sensitivity training on issues pertaining to handicapped discrimination to all recipient employees.

(i) Conduct ongoing training and planning sessions with recipient supervisors, managers, personnel, technical experts and disability rights advocates to implement and evaluate methods of reasonable accommodation.

Accommodations for Applicants

(a) Announce program and job vacancies in a form readily understandable by mentally handicapped persons and by persons with impaired vision or hearing, for example, by making the announcements available in braille or on cassette tapes. §32.4(e) of DOL's proposed section 504 regulations requires recipients to insure that communications with applicants are available to persons with impaired vision or hearing. Recipients shall undertake to explain, as appropriate, program and job announcements to mentally handicapped participants or employees or applicants. For example, this might entail notifying known mentally handicapped participants or employees of openings for positions that they might be able to perform and taking specific steps to clearly explain the nature of the program or job and its benefits to that individual.

Handicapped Persons

(b) Provide readers, interpreters, and other similar assistance during the application, testing, and interview process.

(c) Appropriately adjust or modify examinations so that the test results accurately reflect the applicant's skills, aptitude or whatever other factor the test purports to measure, rather than reflecting the applicant's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure). This may require the extension of traditional time deadlines or allowing, for example, a blind person to answer an examination orally.

(d) If necessary waive traditional tests and permit the applicant to demonstrate his or her skills through alternate techniques and utilization of adapted tools, aids, and devices.

§ 33.4 Self-evaluation.

(a) The Department shall, by May 11, 1988, evaluate, with the assistance of interested persons, including individuals with handicaps or organizations representing individuals with handicaps, its current policies and practices, and the effects thereof, that do not or may not meet the requirements of this part, and, to the extent modification of any such policies and practices is required, the Department shall proceed to make the necessary modifications.

§ 33.6 General prohibitions against discrimination.

(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the Department.

(b)(1) The Department, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(i) Deny a qualified individual with handicaps the opportunity to participate in or benefit from the aid, benefit, or service;

(v) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards; or

(vi) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

opportunity to participate in programs or activities despite the existence of permissibly separate or different programs or activities.

(i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(4) The Department may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the Department; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(5) The provisions of paragraph (b)(4) of this section do not apply to sites or locations at which the Department owns or leases buildings on the date the regulations in this part become effective.

(6) The Department, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap.

(7) The Department may not administer a licensing or certification program in a manner that subjects qualified individuals with handicaps to discrimination on the basis of handicap, nor may the Department establish requirements for the programs or activities of licensees or certified entities that subject qualified individuals with handicaps to discrimination on the basis of handicap. This part does not apply to the programs or activities of non-departmental entities that are licensed or certified by the Department of Labor.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to persons with handicaps or

29 CFR Subtitle A (7-1-21 Edition)

the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive order to a different class of individuals with handicaps is not prohibited by this part.

(d) The Department shall administer programs and activities in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

[52 FR 11606, Apr. 9, 1987; 52 FR 23967, June 26, 1987]

§ 33.7 Employment.

No qualified individual with handicaps shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the Department. The definitions, requirements and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established in 29 CFR part 1613 (subpart G), shall apply to employment in federally conducted programs or activities.

[52 FR 11606, Apr. 9, 1987; 52 FR 23967, June 26, 1987]

§ 33.8 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §§ 33.9 and 33.10 of this part, no qualified individual with handicaps shall, because the Department's facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the Department.

[52 FR 11606, Apr. 9, 1987; 52 FR 23967, June 26, 1987]

§ 33.9 Program accessibility: Existing facilities.

(a) *General.* The Department shall operate such program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

(1) Necessarily require the Department to make each of its existing facilities accessible to and usable by individuals with handicaps;

(2) Require the Department to take any action that it can demonstrate

would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens.

(b)(1) If a Department official believes that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the official shall prepare a report for the Secretary of Labor which objectively considers and evaluates these issues based on the nature of the program and all departmental resources available for use in the funding and operation of the conducted program or activity. In preparing the report, the Department official shall make reasonable efforts to ensure that the person(s) requesting accommodation in the particular program or activity has an opportunity to provide any relevant information. The report shall specifically address any such information. Upon completion, the report and all information before the program official shall be transmitted to the Secretary for a decision to be made in accordance with paragraph (b)(2) of this section.

(2) The Secretary shall decide, after considering the material submitted by the program official and all departmental resources available for use in the funding and operation of the conducted program or activity, whether the proposed action would fundamentally alter the program or result in undue financial and administrative burdens. A decision that compliance would result in such alteration or burdens must be accompanied by a written statement of the reasons for reaching that conclusion and shall be transmitted to the person(s) requesting accommodation. This decision represents the final administrative action of the Department.

(3) The Department has the burden of proving that compliance with paragraph (a) of this section would result in such alteration or undue burdens.

(c) If an action would result in such an alteration or such burdens, the Department shall take any other action that would not result in such an alteration or such a burden but would nevertheless ensure that qualified individuals with handicaps receive the bene-

fits and services of the program or activity.

(d) *Methods.* The Department may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The Department is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. Alterations to existing buildings shall be made in accordance with the provisions of § 33.10 of this part. In choosing among available methods for meeting the requirements of this section, the Department shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(e) *Time period for compliance.* The Department shall comply with the obligations established under this section within sixty days of the effective date of this part except that where structural changes in facilities are undertaken, such changes shall be made within three years of the effective date of this part, but in any event as expeditiously as possible.

(f) *Transition plan.* In the event that structural changes to facilities will be undertaken to achieve program accessibility, the Department shall develop, within six months of the effective date of this part, a transition plan setting forth the steps necessary to complete such changes. The plan shall be developed with the assistance of interested persons, including individuals with handicaps and organizations representing individuals with handicaps. A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the Department's facilities that limit the accessibility of its programs or activities to individuals with handicaps;

§ 33.10

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period;

(4) Indicate the official responsible for implementation of the plan; and

(5) Identify the persons or groups with whose assistance the plan was prepared.

[52 FR 11606, Apr. 9, 1987; 52 FR 23967, June 26, 1987]

§ 33.10 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered after the effective date of this part by, on behalf of, or for the use of the Department shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps in accordance with the requirements of the Uniform Federal Accessibility Standards adopted by the General Services Administration at 41 CFR §§ 101-19.600 to 101-19.607 (1984).

[52 FR 11606, Apr. 9, 1987; 52 FR 23967, June 26, 1987]

§ 33.11 Communications.

(a) The Department shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The Department shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the Department.

(i) In determining what type of auxiliary aid is necessary, the Department shall give primary consideration to the requests of the individual with handicaps.

(ii) The Department need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

29 CFR Subtitle A (7-1-21 Edition)

(2) Where the Department communicates with applicants and beneficiaries by telephone, telecommunications devices for deaf persons (TDDs), or equally effective telecommunications systems shall be used.

(b) The Department shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The Department shall provide signage at a primary entrance to each of its accessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) The Department shall take appropriate steps to provide individuals with handicaps with information regarding their section 504 rights under the Department's programs or activities. If the Department uses recruitment materials, informational publications, or other materials which it distributes or makes available to participants, beneficiaries, referral sources, applicants, employees, or the public, it shall include in those materials or publications a statement of the policy described in § 33.6 of this part and information as to complaint procedures. The requirements of this paragraph may be met either by including applicable inserts in existing materials and publications or by revising and reprinting such materials, as appropriate.

(e) This section does not require the Department to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens.

(1) If a Department official believes that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the official shall prepare a report for the Secretary of Labor which objectively considers and evaluates these issues based on the nature of the program and all departmental resources available for use in the funding and operation of the

conducted program or activity. In preparing the report, the Department official shall make reasonable efforts to ensure that the person(s) requesting accommodation in the particular program or activity has an opportunity to provide any relevant information. The report shall specifically address any such information. Upon completion, the report and all information before the program official shall be transmitted to the Secretary for a decision to be made in accordance with paragraph (e)(2) of this section.

(2) The Secretary shall decide, after considering the material submitted by the program official and all departmental resources available for use in the funding and operation of the conducted program or activity, whether the proposed action would fundamentally alter the program or result in undue financial and administrative burdens. A decision that compliance would result in such alteration or burdens must be accompanied by a written statement of the reasons for reaching that conclusion and shall be transmitted to the person(s) requesting accommodation. This decision represents the final administrative action of the Department.

(3) The Department has the burden of proving that compliance with paragraphs (a) through (d) of this section, as applicable, would result in such alteration or undue burdens.

(f) If an action required to comply with this section would result in such an alteration or such burdens, the Department shall take any other action that would not result in such an alteration or such a burden but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

[52 FR 11606, Apr. 9, 1987; 52 FR 24367, June 30, 1987]

§ 33.12 Complaint handling procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by DOL.

(b)(1) Complaints alleging violations of section 504 with respect to employ-

ment shall be processed according to the procedures established in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(2) Complaints based upon program inaccessibility in violation of section 504 will be governed by the procedures at §§ 33.9(b) and 33.11(e) of this part, as applicable.

(c) Responsibility for implementation and operation of this section shall be vested in the Director, Directorate of Civil Rights (DCR). Complaints may be delivered or mailed to the Director, Directorate of Civil Rights, U.S. Department of Labor, 200 Constitution Avenue, NW., Room N-4123, Washington, DC 20210.

(d) All complaints must be filed within 180 days of the alleged act of discrimination. The Director may extend this time period for good cause.

(e) Where a complaint contains insufficient information, the Director shall seek the needed information from the complainant. If the complainant is unavailable after reasonable means have been utilized to locate him or her, or the information is not furnished within 30 days of the date of such request, the complaint may be dismissed upon notice sent to the complainant's last known address.

(f) If the Director receives a complaint over which the Department does not have jurisdiction, he or she shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.

(g) The Director shall accept and investigate all complete complaints which are timely filed, are within the Department's jurisdiction, and state an allegation(s) which, if true, would violate section 504 or its implementing regulations.

(1) Where the Director determines that the complaint will be investigated, he or she will notify the complainant(s) and the appropriate Department official(s).

(2) Such notification will advise the parties that a determination on the merits of the complaint will be issued within 180 days of the date of notification unless the matter is resolved informally prior to that time.

§ 33.13

(3) If, during the course of the investigation, the Department official states that he or she believes that resolution of the complaint would require a fundamental alteration of the program or undue financial and administrative burdens, the complaint will proceed in accordance with §§ 33.9(b) and 33.11(e) of this part, as applicable.

(h) At any time prior to the issuance of the determination the parties to the complaint may resolve the complaint on an informal basis. For this purpose, the Director shall furnish, to the extent permitted by law, a copy of the investigative file to the complainant and the appropriate Department official. If the complaint is resolved, the terms of the agreement shall be reduced to writing and entered as part of the official file by the Deputy Assistant Secretary for Administration and Management (Deputy ASAM).

(i) If informal resolution is not achieved, the Deputy ASAM shall issue a determination on the merits which notifies the parties to the complaint of the results of the investigation and includes—

(1) The findings of fact and conclusions of law;

APPENDIX A TO PART 35—AGE DISTINCTIONS IN STATUTES AFFECTING FEDERAL FINANCIAL ASSISTANCE ADMINISTERED BY DOL

AUTHORITY: 42 U.S.C. 6101 *et seq.*; 45 CFR Part 90.

SOURCE: 69 FR 17571, Apr. 2, 2004, unless otherwise noted.

Subpart A—General**§ 35.1 What is the purpose of the Department of Labor (DOL) age discrimination regulations?**

The purpose of this part is to set out the DOL rules for implementing the

Age Discrimination Act of 1975, as amended. The Act prohibits discrimination on the basis of age by recipients of Federal financial assistance and in federally assisted programs or activities, but permits the use of certain age distinctions and factors other than age that meet the requirements of the Act and this part.

§ 35.2 To what programs or activities do these regulations apply?

(a) *Application.* This part applies to any program or activity that receives Federal financial assistance, directly or indirectly, from DOL.

(b) *Limitation of application.* This part does not apply to:

(1) An age distinction contained in that part of a Federal, State, or local statute or ordinance adopted by an elected, general purpose legislative body that:

- (i) Provides persons with any benefits or assistance based on age; or
- (ii) Establishes criteria for participation in age-related terms; or
- (iii) Describes intended beneficiaries or target groups in age-related terms.

Subpart B—Standards for Determining Age Discrimination

§ 35.10 Rules against age discrimination.

The rules stated in this section are subject to the exceptions contained in §§ 35.12 and 35.13.

(a) *General rule.* No person in the United States shall be, on the basis of

age, excluded from participation in, denied the benefits of or subjected to discrimination under, any program or activity receiving Federal financial assistance from DOL.

(b) *Specific rules.* A recipient may not, directly or through contractual, licensing, or other arrangements, use age distinctions or take any other actions that have the effect of, on the basis of age:

(1) Excluding individuals from, denying them the benefits of, or subjecting them to discrimination under, a program or activity receiving Federal financial assistance from DOL; or

(2) Denying or limiting individuals in their opportunity to participate in any program or activity receiving Federal financial assistance from DOL.

(c) *Other forms of age discrimination.* The listing of specific forms of age discrimination in paragraph (b) of this section is not exhaustive and does not imply that any other form of age discrimination is permitted.

§ 35.11 Definitions of the terms “normal operation” and “statutory objective.”

As used in this part, the term:

(a) *Normal operation* means the operation of a program or activity without significant changes that would impair the ability of the program or activity to meet its objectives.

(b) *Statutory objective* means any purpose of a program or activity expressly stated in any Federal statute, State statute, or local statute or ordinance adopted by an elected, general purpose legislative body.

§ 35.12 Exceptions to the rules against age discrimination: normal operation or statutory objective of any program or activity.

A recipient is permitted to take an action otherwise prohibited by § 35.10 if the action reasonably takes age into account as a factor necessary to the normal operation or the achievement of any statutory objective of a program or activity. An action reasonably takes age into account as a factor necessary to the normal operation or the achievement of any statutory objective of a program or activity if:

(a) Age is used as a measure or approximation of one or more other characteristics;

(b) The other characteristic(s) must be measured or approximated in order for the normal operation of the program or activity to continue, or to achieve any statutory objective of the program or activity;

(c) The other characteristic(s) can reasonably be measured or approximated by the use of age; and

(d) The other characteristic(s) are impractical to measure directly on an individual basis.

§ 35.13 Exceptions to the rules against age discrimination: reasonable factors other than age.

A recipient is permitted to take an action otherwise prohibited by § 35.10, if that action is based on a factor other than age, even though the action may have a disproportionate effect on persons of different ages. An action is based on a factor other than age only if the factor bears a direct and substantial relationship to the normal operation of the program or activity or to the achievement of a statutory objective.

§ 35.14 Burden of proof.

The recipient has the burden of proving that an age distinction or other action falls within the exceptions outlined in §§ 35.12 and 35.13.

§ 35.15 Remedial action.

Even in the absence of a finding of discrimination, a recipient, in administering a program, may take steps to overcome the effects of conditions that resulted in a limited participation on the basis of age. Nothing in this section will permit any otherwise prohibited use of age distinctions that have the effect of excluding individuals from, denying them benefits of, subjecting them to discrimination under, or limiting them in their opportunity to participate in any program or activity receiving Federal financial assistance from DOL.

§ 35.16

§ 35.16 Special benefits for children and the elderly.

If a recipient is operating a program or activity that provides special benefits to the elderly or to children, the use of such age distinctions is presumed to be necessary to the normal operation of the program or activity, notwithstanding the provisions of § 35.12.

§ 35.17 Age distinctions in DOL regulations.

Any age distinction in regulations issued by DOL is presumed to be necessary to the achievement of a statutory objective of the program or activity to which the regulations apply, notwithstanding the provisions of § 35.12.

Subpart C—Duties of DOL Recipients

§ 35.20 General responsibilities.

Each DOL recipient has primary responsibility for ensuring that its programs or activities are in compliance with the Act and this part and for taking appropriate steps to correct any violations of the Act or this part.

§ 35.21 Recipient responsibility to provide notice.

(a) *Notice to other recipients.* Where a recipient of Federal financial assistance from DOL passes on funds to other recipients, that recipient shall notify such other recipients of their obligations under the Act and this part.

(b) *Notice to beneficiaries.* A recipient shall notify its beneficiaries about the provisions of the Act and this part and their applicability to specific programs or activities. The notification must also identify the responsible employee designated under § 35.24 by name or title, address, and telephone number.

§ 35.22 Information requirements.

Each recipient shall:

(a) Keep such records as CRC determines are necessary to ascertain whether the recipient is complying with the Act and this part;

(b) Upon request, provide CRC with such information and reports as the Director determines are necessary to as-

29 CFR Subtitle A (7–1–21 Edition)

certain whether the recipient is complying with the Act and this part; and

(c) Permit reasonable access by CRC to books, records, accounts, reports, other recipient facilities and other sources of information to the extent CRC determines is necessary to ascertain whether the recipient is complying with the Act and this part.

§ 35.23 Assurances required.

A recipient or applicant for Federal financial assistance from DOL shall sign a written assurance, in a form specified by DOL, that the program or activity will be operated in compliance with the Act and this part. In subsequent applications to DOL, an applicant may incorporate this assurance by reference.

§ 35.24 Designation of responsible employee.

Each recipient shall designate at least one employee to coordinate its compliance activities under the Act and this part, including investigation of any complaints that the recipient receives alleging any actions that are prohibited by the Act or this part.

§ 35.25 Complaint procedures.

Each recipient shall adopt and publish complaint procedures providing for prompt and equitable resolution of complaints alleging any action that would be prohibited by the Act or this part.

§ 35.26 Recipient assessment of age distinctions.

(a) In order to assess a recipient's compliance with the Act and this part, as part of a compliance or monitoring review, or a complaint investigation, CRC may require a recipient employing the equivalent of 15 or more full-time employees to complete a written self-evaluation, in a manner specified by CRC, of any age distinction imposed in its program or activity receiving Federal financial assistance from DOL.

(b) Whenever such an assessment indicates a violation of the Act or this part, the recipient shall take prompt and appropriate corrective action.

Subpart D—Investigation, Conciliation, and Enforcement Procedures

§ 35.30 Compliance reviews.

(a) CRC will conduct such compliance reviews, pre-award reviews, and other similar procedures as permit CRC to investigate and correct violations of the Act and this part, irrespective of whether a complaint has been filed against a recipient. Such reviews may be as comprehensive as necessary to determine whether a violation of the Act or this part has occurred.

(b) Where a review conducted pursuant to paragraph (a) of this section indicates a violation of the Act or this part, CRC will attempt to achieve voluntary compliance. If voluntary compliance cannot be achieved, CRC will begin enforcement proceedings, as described in § 35.36.

§ 35.31 Complaints.

(a) *Who may file.* Any person, whether individually, as a member of a class, or on behalf of others, may file a complaint with CRC alleging discrimination in violation of the Act or these regulations, based on an action occurring on or after July 1, 1979.

(b) *When to file.* A complainant must file a complaint within 180 days from the date the complainant first had knowledge of the alleged act of discrimination. The Director may extend this time limit for good cause shown.

(c) *Complaint procedure.* A complaint is considered to be complete on the date CRC receives all the information necessary to process it, as provided in paragraph (c)(1) of this section. CRC will:

(1) Accept as a complete complaint any written statement that identifies the parties involved and the date the complainant first had knowledge of the alleged violation, describes generally the action or practice complained of, and is signed by the complainant;

(2) Freely permit a complainant to add information to the complaint to meet the requirements of a complete complaint;

(3) Notify the complainant and the recipient of their rights and obligations under the complaint procedure, including the right to have a represent-

ative at all stages of the complaint procedure; and

(4) Notify the complainant and the recipient (or their representatives) of their right to contact CRC for information and assistance regarding the complaint resolution process.

(d) *No jurisdiction.* CRC will return to the complainant any complaint outside the jurisdiction of this part, with a statement indicating why there is no jurisdiction.

§ 35.32 Mediation.

(a) *Referral to mediation.* CRC will promptly refer to the Federal Mediation and Conciliation Service or the mediation agency designated by the Secretary of Health and Human Services under 45 CFR part 90, all complaints that:

(1) Fall within the jurisdiction of the Act or this part, unless the age distinction complained of is clearly within an exception; and

(2) Contain all information necessary for further processing, as provided in § 35.31(c)(1).

(b) *Participation in mediation process.* Both the complainant and the recipient shall participate in the mediation process to the extent necessary to reach an agreement or to make an informed judgment that an agreement is not possible. The recipient and the complainant do not need to meet with the mediator at the same time, and a meeting may be conducted by telephone or other means of effective dialogue if a personal meeting between the party and the mediator is impractical.

(c) *When agreement is reached.* If the complainant and the recipient reach an agreement, the mediator shall prepare a written statement of the agreement, have the complainant and recipient sign it, and send a copy of the agreement to CRC.

(d) *Confidentiality.* The mediator shall protect the confidentiality of all information obtained in the course of the mediation process. No mediator may testify in any adjudicative proceeding, produce any document, or otherwise disclose any information obtained in the course of the mediation process, unless the mediator has obtained prior approval of the head of the mediation agency.

§ 35.33

(e) *Maximum time period for mediation.* The mediation shall proceed for a maximum of 60 days after a complaint is filed with CRC. This 60-day period may be extended by the mediator, with the concurrence of the Director, for not more than 30 days, if the mediator determines that agreement is likely to be reached during the extended period. In the absence of such an extension, mediation ends if:

(1) Sixty days elapse from the time the complaint is filed; or

(2) Prior to the end of the 60-day period, either

(i) An agreement is reached; or

(ii) The mediator determines that agreement cannot be reached.

(f) *Unresolved complaints.* The mediator shall return unresolved complaints to CRC.

§ 35.33 Investigations.

(a) *Initial investigation.* CRC will investigate complaints that are unresolved after mediation or reopened because the mediation agreement has been violated.

(1) As part of the initial investigation, CRC will use informal fact-finding methods, including joint or separate discussions with the complainant and recipient to establish the facts and, if possible, resolve the complaint to the mutual satisfaction of the parties. CRC may seek the assistance of any involved State, local, or other Federal agency.

(2) Where agreement between the parties has been reached pursuant to paragraph (a)(1) of this section, the agreement shall be put in writing by DOL, and signed by the parties and an authorized official of DOL.

(b) *Formal findings, conciliation, and hearing.* If CRC cannot resolve the complaint during the early stages of the investigation, CRC will complete the investigation of the complaint and make formal findings. If the investigation indicates a violation of the Act or this part, CRC will attempt to achieve voluntary compliance. If CRC cannot obtain voluntary compliance, CRC will begin appropriate enforcement action, as provided in § 35.36.

29 CFR Subtitle A (7-1-21 Edition)

§ 35.34 Effect of agreements on enforcement effort.

An agreement reached pursuant to either § 35.32(c) or § 35.33(a) shall have no effect on the operation of any other enforcement effort of DOL, such as compliance reviews and investigations of other complaints, including those against the recipient.

§ 35.35 Prohibition against intimidation or retaliation.

A recipient may not engage in acts of intimidation or retaliation against any person who:

(a) Attempts to assert a right protected by the Act or this part; or

(b) Cooperates in any mediation, investigation, hearing or other part of CRC's investigation, conciliation, and enforcement process.

§ 35.36 Enforcement.

(a) DOL may enforce the Act and this part through:

(1) Termination of, or refusal to grant or continue, a recipient's Federal financial assistance from DOL under the program or activity in which the recipient has violated the Act or this part. Such enforcement action may be taken only after a recipient has had an opportunity for a hearing on the record before an administrative law judge.

(2) Any other means authorized by law, including, but not limited to:

(i) Referral to the Department of Justice for proceedings to enforce any rights of the United States or obligation of the recipient created by the Act or this part; or

(ii) Use of any requirement of, or referral to, any Federal, State, or local government agency that will have the effect of correcting a violation of the Act or this part.

(b) Any termination or refusal under paragraph (a)(1) of this section will be limited to the particular recipient and to the particular program or activity found to be in violation of the Act or this part. A finding with respect to a program or activity that does not receive Federal financial assistance from DOL will not form any part of the basis for termination or refusal.

(c) No action may be taken under paragraph (a) of this section until:

(1) DOL has advised the recipient of its failure to comply with the Act or with this part and has determined that voluntary compliance cannot be obtained; and

(2) Thirty days have elapsed since DOL sent a written report of the circumstances and grounds of the action to the committees of Congress having jurisdiction over the program or activity involved.

(d) *Deferral.* DOL may defer granting new Federal financial assistance to a recipient when termination proceedings under paragraph (a)(1) of this section are initiated.

(1) New Federal financial assistance from DOL includes all assistance for which DOL requires an application or approval, including renewal or continuation of existing activities, or authorization of new activities, during the deferral period. New Federal financial assistance from DOL does not include increases in funding as a result of changed computation of formula awards or assistance approved prior to the initiation of a hearing under paragraph (a)(1) of this section.

(2) DOL may not defer a grant until the recipient has received notice of an opportunity for a hearing under paragraph (a)(1) of this section. A deferral may not continue for more than 60 days unless a hearing has begun within the 60-day period or the recipient and DOL have mutually agreed to extend the time for beginning the hearing. If the hearing does not result in a finding against the recipient, the deferral may not continue for more than 30 days after the close of the hearing.

§ 35.37 Hearings, decisions, and post-termination proceedings.

Certain DOL procedural provisions applicable to Title VI of the Civil Rights Act of 1964 apply to DOL enforcement of these regulations. They are found at 29 CFR 31.9 through 31.11.

§ 35.38 Procedure for disbursement of funds to an alternate recipient.

(a) If funds are withheld from a recipient under this part, the Secretary may disburse the funds withheld directly to an alternate recipient.

(b) The Secretary will require any alternate recipient to demonstrate:

(1) The ability to comply with the Act and this part; and

(2) The ability to achieve the goals of the Federal statute authorizing the Federal financial assistance.

§ 35.39 Remedial action by recipient.

Where CRC finds discrimination on the basis of age in violation of this Act or this part, the recipient shall take any remedial action that CRC deems necessary to overcome the effects of the discrimination. In addition, if a recipient funds or otherwise exercises control over another recipient that has discriminated, both recipients may be required to take remedial action.

§ 35.40 Exhaustion of administrative remedies.

(a) A complainant may file a civil action under the Act following the exhaustion of administrative remedies. Administrative remedies are exhausted if:

(1) One hundred eighty days have elapsed since the complainant filed the complaint with CRC, and CRC has made no finding with regard to the complaint; or

(2) CRC issues any finding in favor of the recipient.

(b) If CRC fails to make a finding within 180 days, or issues a finding in favor of the recipient, CRC will promptly:

(1) Notify the complainant;

(2) Advise the complainant of his or her right to bring a civil action for injunctive relief; and

(3) Inform the complainant that:

(i) The complainant may bring a civil action only in a United States district court for the district in which the recipient is found or transacts business;

(ii) A complainant who prevails in a civil action has the right to be awarded the costs of the action, including reasonable attorney's fees, but that the complainant must demand these costs in the complaint filed with the court;

(iii) Before commencing the action, the complainant must give 30 days notice by registered mail to the Secretary, the Secretary of Health and Human Services, the Attorney General of the United States, and the recipient;

(iv) The notice required by paragraph (b)(3)(iii) of this section must state the

29 CFR Subtitle A (7-1-21 Edition)

alleged violation of the Act, the relief requested, the court in which the complainant is bringing the action, and whether or not attorney's fees are demanded in the event that the complainant prevails; and

(v) The complainant may not bring an action if the same alleged violation of the Act by the same recipient is the subject of a pending action in any court of the United States.

§ 36.110 Remedial and affirmative action and self-evaluation.

(b) *Affirmative action.* In the absence of a finding of discrimination on the basis of sex in an education program or activity, a recipient may take affirmative action consistent with law to overcome the effects of conditions that resulted in limited participation therein by persons of a particular sex. (2) Modify any of these policies and practices that do not or may not meet the requirements of these Title IX regulations; and

(3) Take appropriate remedial steps to eliminate the effects of any discrimination that resulted or may have resulted from adherence to these policies and practices.

(d) *Availability of self-evaluation and related materials.* Recipients shall maintain on file for at least three years following completion of the evaluation required under paragraph (c) of this section, and shall provide to the designated agency official upon request, a description of any modifications made pursuant to paragraph (c)(2) of this section and of any remedial steps taken pursuant to paragraph (c)(3) of this section.

§ 36.115 Assurance required.

(a) *General.* Either at the application stage or the award stage, Federal agencies must ensure that applications for Federal financial assistance or awards of Federal financial assistance contain, be accompanied by, or be covered by a specifically identified assurance from the applicant or recipient, satisfactory to the designated agency official, that each education program or activity operated by the applicant or recipient and to which these Title IX regulations apply will be operated in compliance with these Title IX regulations. An assurance of compliance with these Title IX regulations shall not be satisfactory to the designated agency official if the applicant or recipient to whom such assurance applies fails to commit itself to take whatever remedial action is necessary in accordance with § 36.110(a) to eliminate existing discrimination on the basis of sex or to eliminate the effects of past discrimination whether occurring prior to or subsequent to the submission to the designated agency official of such assurance.

(b) *Duration of obligation.* (1) In the case of Federal financial assistance extended to provide real property or structures thereon, such assurance shall obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used to provide an education program or activity.

(2) In the case of Federal financial assistance extended to provide personal property, such assurance shall obligate the recipient for the period during which it retains ownership or possession of the property.

(3) In all other cases such assurance shall obligate the recipient for the pe-

riod during which Federal financial assistance is extended.

(c) *Form.* (1) The assurances required by paragraph (a) of this section, which may be included as part of a document that addresses other assurances or obligations, shall include that the applicant or recipient will comply with all applicable Federal statutes relating to nondiscrimination. These include but are not limited to: Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681-1683, 1685-1688).

(2) The designated agency official will specify the extent to which such assurances will be required of the applicant's or recipient's subgrantees, contractors, subcontractors, transferees, or successors in interest.

§ 36.120 Transfers of property.

If a recipient sells or otherwise transfers property financed in whole or in part with Federal financial assistance to a transferee that operates any education program or activity, and the Federal share of the fair market value of the property is not upon such sale or transfer properly accounted for to the Federal Government, both the transferor and the transferee shall be deemed to be recipients, subject to the provisions of §§ 36.205 through 36.235(a).

§ 36.125 Effect of other requirements.

(a) *Effect of other Federal provisions.* The obligations imposed by these Title IX regulations are independent of, and do not alter, obligations not to discriminate on the basis of sex imposed by Executive Order 11246, 3 CFR, 1964-1965 Comp., p. 339; as amended by Executive Order 11375, 3 CFR, 1966-1970 Comp., p. 684; as amended by Executive Order 11478, 3 CFR, 1966-1970 Comp., p. 803; as amended by Executive Order 12087, 3 CFR, 1978 Comp., p. 230; as amended by Executive Order 12107, 3 CFR, 1978 Comp., p. 264; sections 704 and 855 of the Public Health Service Act (42 U.S.C. 295m, 298b-2); Title VII of the Civil Rights Act of 1964 (42 U.S.C. 2000e *et seq.*); the Equal Pay Act of 1963 (29 U.S.C. 206); and any other Act of Congress or Federal regulation.

(b) *Effect of State or local law or other requirements.* The obligation to comply with these Title IX regulations is not obviated or alleviated by any State or

§ 36.130

local law or other requirement that would render any applicant or student ineligible, or limit the eligibility of any applicant or student, on the basis of sex, to practice any occupation or profession.

(c) *Effect of rules or regulations of private organizations.* The obligation to comply with these Title IX regulations is not obviated or alleviated by any rule or regulation of any organization, club, athletic or other league, or association that would render any applicant or student ineligible to participate or limit the eligibility or participation of any applicant or student, on the basis of sex, in any education program or activity operated by a recipient and that receives Federal financial assistance.

§ 36.130 Effect of employment opportunities.

The obligation to comply with these Title IX regulations is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for members of one sex than for members of the other sex.

§ 36.135 Designation of responsible employee and adoption of grievance procedures.

(a) *Designation of responsible employee.* Each recipient shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under these Title IX regulations, including any investigation of any complaint communicated to such recipient alleging its noncompliance with these Title IX regulations or alleging any actions that would be prohibited by these Title IX regulations. The recipient shall notify all its students and employees of the name, office address, and telephone number of the employee or employees appointed pursuant to this paragraph.

(b) *Complaint procedure of recipient.* A recipient shall adopt and publish grievance procedures providing for prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by these Title IX regulations.

29 CFR Subtitle A (7-1-21 Edition)

§ 36.140 Dissemination of policy.

(a) *Notification of policy.* (1) Each recipient shall implement specific and continuing steps to notify applicants for admission and employment, students and parents of elementary and secondary school students, employees, sources of referral of applicants for admission and employment, and all unions or professional organizations holding collective bargaining or professional agreements with the recipient, that it does not discriminate on the basis of sex in the educational programs or activities that it operates, and that it is required by Title IX and these Title IX regulations not to discriminate in such a manner. Such notification shall contain such information, and be made in such manner, as the designated agency official finds necessary to apprise such persons of the protections against discrimination assured them by Title IX and these Title IX regulations, but shall state at least that the requirement not to discriminate in education programs or activities extends to employment therein, and to admission thereto unless §§ 36.300 through 36.310 do not apply to the recipient, and that inquiries concerning the application of Title IX and these Title IX regulations to such recipient may be referred to the employee designated pursuant to § 36.135, or to the designated agency official.

(2) Each recipient shall make the initial notification required by paragraph (a)(1) of this section within 90 days of September 29, 2000 or of the date these Title IX regulations first apply to such recipient, whichever comes later, which notification shall include publication in:

(i) Newspapers and magazines operated by such recipient or by student, alumnae, or alumni groups for or in connection with such recipient; and

(ii) Memoranda or other written communications distributed to every student and employee of such recipient.

(b) *Publications.* (1) Each recipient shall prominently include a statement of the policy described in paragraph (a) of this section in each announcement, bulletin, catalog, or application form that it makes available to any person of a type, described in paragraph (a) of this section, or which is otherwise used

in connection with the recruitment of students or employees.

(2) A recipient shall not use or distribute a publication of the type described in paragraph (b)(1) of this section that suggests, by text or illustration, that such recipient treats applicants, students, or employees differently on the basis of sex except as such treatment is permitted by these Title IX regulations.

(c) *Distribution.* Each recipient shall distribute without discrimination on the basis of sex each publication described in paragraph (b)(1) of this section, and shall apprise each of its admission and employment recruitment representatives of the policy of non-discrimination described in paragraph (a) of this section, and shall require such representatives to adhere to such policy.

(b) *Administratively separate units.* For the purposes only of this section, §§ 36.225 and 36.230, and §§ 36.300 through 36.310, each administratively separate unit shall be deemed to be an educational institution.

(c) *Application of §§ 36.300 through .310.* Except as provided in paragraphs (d) and (e) of this section, §§ 36.300 through 36.310 apply to each recipient. A recipient to which §§ 36.300 through 36.310 apply shall not discriminate on the

(c) *Nondiscrimination.* No policy or practice of a recipient to which § 36.225 applies shall result in treatment of applicants to or students of such recipient in violation of §§ 36.300 through 36.310 unless such treatment is necessitated by an obstacle identified in paragraph (b)(3) of this section and a schedule for eliminating that obstacle has been provided as required by paragraph (b)(4) of this section.

(d) *Effects of past exclusion.* To overcome the effects of past exclusion of students on the basis of sex, each educational institution to which § 36.225 applies shall include in its transition plan, and shall implement, specific steps designed to encourage individuals of the previously excluded sex to apply for admission to such institution. Such steps shall include instituting recruitment programs that emphasize the institution's commitment to enrolling students of the sex previously excluded.

§ 36.235 Statutory amendments.

The pageant, however, must comply with other non-discrimination provisions of Federal law.

(c) *Program or activity or program* means:

(1) All of the operations of any entity described in paragraphs (c)(1)(i) through (iv) of this section, any part of which is extended Federal financial assistance:

(i)(A) A department, agency, special purpose district, or other instrumentality of a State or of a local government; or

(2)(i) *Program or activity* does not include any operation of an entity that is controlled by a religious organization if the application of 20 U.S.C. 1681 to such operation would not be consistent with the religious tenets of such organization.

(ii) For example, all of the operations of a college, university, or other postsecondary institution, including but not limited to traditional educational operations, faculty and student housing, campus shuttle bus service, campus restaurants, the bookstore, and other commercial activities are part of a "program or activity" subject to these Title IX regulations if the college, university, or other institution receives Federal financial assistance.

§ 36.300

Accordingly, subject to paragraph (d)(1) of this section, no person shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, employment, or other educational program or activity operated by a recipient that receives Federal financial assistance because such individual has sought or received, or is seeking, a legal abortion, or any benefit or service related to a legal abortion.

Subpart C—Discrimination on the Basis of Sex in Admission and Recruitment Prohibited

§ 36.300 Admission.

(a) *General.* No person shall, on the basis of sex, be denied admission, or be subjected to discrimination in admission, by any recipient to which §§ 36.300 through 36.310 apply, except as provided in §§ 36.225 and 36.230.

(b) *Specific prohibitions.* (1) In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which §§ 36.300 through 36.310 apply shall not:

(i) Give preference to one person over another on the basis of sex, by ranking applicants separately on such basis, or otherwise;

(ii) Apply numerical limitations upon the number or proportion of persons of either sex who may be admitted; or

(iii) Otherwise treat one individual differently from another on the basis of sex.

(2) A recipient shall not administer or operate any test or other criterion for admission that has a disproportionately adverse effect on persons on the basis of sex unless the use of such test or criterion is shown to predict validly success in the education program or activity in question and alternative tests or criteria that do not have such a disproportionately adverse effect are shown to be unavailable.

29 CFR Subtitle A (7–1–21 Edition)

(c) *Prohibitions relating to marital or parental status.* In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which §§ 36.300 through 36.310 apply:

(4) Shall not make pre-admission inquiry as to the marital status of an applicant for admission, including whether such applicant is “Miss” or “Mrs.” A recipient may make pre-admission inquiry as to the sex of an applicant for admission, but only if such inquiry is made equally of such applicants of both sexes and if the results of such inquiry are not used in connection with discrimination prohibited by these Title IX regulations.

§ 36.305 Preference in admission.

A recipient to which §§ 36.300 through 36.310 apply shall not give preference to applicants for admission, on the basis of attendance at any educational institution or other school or entity that admits as students only or predominantly members of one sex, if the giving of such preference has the effect of discriminating on the basis of sex in violation of §§ 36.300 through 36.310.

§ 36.310 Recruitment.

(a) *Nondiscriminatory recruitment.* A recipient to which §§ 36.300 through 36.310 apply shall not discriminate on the basis of sex in the recruitment and admission of students. A recipient may be required to undertake additional recruitment efforts for one sex as remedial action pursuant to § 36.110(a), and may choose to undertake such efforts

as affirmative action pursuant to § 36.110(b).

(b) *Recruitment at certain institutions.* A recipient to which §§ 36.300 through 36.310 apply shall not recruit primarily or exclusively at educational institutions, schools, or entities that admit as students only or predominantly members of one sex, if such actions have the effect of discriminating on the basis of sex in violation of §§ 36.300 through 36.310.

Subpart D—Discrimination on the Basis of Sex in Education Programs or Activities Prohibited

§ 36.400 Education programs or activities.

(a) *General.* Except as provided elsewhere in these Title IX regulations, no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, or other education program or activity operated by a recipient that receives Federal financial assistance. Sections 36.400 through 36.455 do not apply to actions of a recipient in connection with admission of its students to an education program or activity of a recipient to which §§ 36.300 through 36.310 do not apply, or an entity, not a recipient, to which §§ 36.300 through 36.310 would not apply if the entity were a recipient.

(b) *Specific prohibitions.* Except as provided in §§ 36.400 through 36.455, in providing any aid, benefit, or service to a student, a recipient shall not, on the basis of sex:

(1) Treat one person differently from another in determining whether such person satisfies any requirement or condition for the provision of such aid, benefit, or service;

(2) Provide different aid, benefits, or services or provide aid, benefits, or services in a different manner;

(3) Deny any person any such aid, benefit, or service;

(4) Subject any person to separate or different rules of behavior, sanctions, or other treatment;

(5) Apply any rule concerning the domicile or residence of a student or

applicant, including eligibility for in-state fees and tuition;

(6) Aid or perpetuate discrimination against any person by providing significant assistance to any agency, organization, or person that discriminates on the basis of sex in providing any aid, benefit, or service to students or employees;

(7) Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.

(c) *Assistance administered by a recipient educational institution to study at a foreign institution.* A recipient educational institution may administer or assist in the administration of scholarships, fellowships, or other awards established by foreign or domestic wills, trusts, or similar legal instruments, or by acts of foreign governments and restricted to members of one sex, that are designed to provide opportunities to study abroad, and that are awarded to students who are already matriculating at or who are graduates of the recipient institution; *Provided*, that a recipient educational institution that administers or assists in the administration of such scholarships, fellowships, or other awards that are restricted to members of one sex provides, or otherwise makes available, reasonable opportunities for similar studies for members of the other sex. Such opportunities may be derived from either domestic or foreign sources.

(d) *Aids, benefits or services not provided by recipient.* (1) This paragraph (d) applies to any recipient that requires participation by any applicant, student, or employee in any education program or activity not operated wholly by such recipient, or that facilitates, permits, or considers such participation as part of or equivalent to an education program or activity operated by such recipient, including participation in educational consortia and cooperative employment and student-teaching assignments.

(2) Such recipient:

(i) Shall develop and implement a procedure designed to assure itself that the operator or sponsor of such other education program or activity takes no action affecting any applicant, student, or employee of such recipient that

§ 36.405

these Title IX regulations would prohibit such recipient from taking; and

(ii) Shall not facilitate, require, permit, or consider such participation if such action occurs.

§ 36.405 Housing.

(a) *Generally.* A recipient shall not, on the basis of sex, apply different rules or regulations, impose different fees or requirements, or offer different services or benefits related to housing, except as provided in this section (including housing provided only to married students).

(b) *Housing provided by recipient.* (1) A recipient may provide separate housing on the basis of sex.

(2) Housing provided by a recipient to students of one sex, when compared to that provided to students of the other sex, shall be as a whole:

(i) Proportionate in quantity to the number of students of that sex applying for such housing; and

(ii) Comparable in quality and cost to the student.

(c) *Other housing.* (1) A recipient shall not, on the basis of sex, administer different policies or practices concerning occupancy by its students of housing other than that provided by such recipient.

(2)(i) A recipient which, through solicitation, listing, approval of housing, or otherwise, assists any agency, organization, or person in making housing available to any of its students, shall take such reasonable action as may be necessary to assure itself that such housing as is provided to students of one sex, when compared to that provided to students of the other sex, is as a whole:

(A) Proportionate in quantity; and

(B) Comparable in quality and cost to the student.

(ii) A recipient may render such assistance to any agency, organization, or person that provides all or part of such housing to students of only one sex.

§ 36.410 Comparable facilities.

A recipient may provide separate toilet, locker room, and shower facilities on the basis of sex, but such facilities provided for students of one sex shall

29 CFR Subtitle A (7-1-21 Edition)

be comparable to such facilities provided for students of the other sex.

§ 36.415 Access to course offerings.

(a) A recipient shall not provide any course or otherwise carry out any of its education program or activity separately on the basis of sex, or require or refuse participation therein by any of its students on such basis, including health, physical education, industrial, business, vocational, technical, home economics, music, and adult education courses.

(b)(1) With respect to classes and activities in physical education at the elementary school level, the recipient shall comply fully with this section as expeditiously as possible but in no event later than one year from September 29, 2000. With respect to physical education classes and activities at the secondary and post-secondary levels, the recipient shall comply fully with this section as expeditiously as possible but in no event later than three years from September 29, 2000.

(2) This section does not prohibit grouping of students in physical education classes and activities by ability as assessed by objective standards of individual performance developed and applied without regard to sex.

(3) This section does not prohibit separation of students by sex within physical education classes or activities during participation in wrestling, boxing, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

(4) Where use of a single standard of measuring skill or progress in a physical education class has an adverse effect on members of one sex, the recipient shall use appropriate standards that do not have such effect.

(5) Portions of classes in elementary and secondary schools, or portions of education programs or activities, that deal exclusively with human sexuality may be conducted in separate sessions for boys and girls.

(6) Recipients may make requirements based on vocal range or quality that may result in a chorus or chorus of one or predominantly one sex.

§ 36.420 Access to schools operated by LEAs.

A recipient that is a local educational agency shall not, on the basis of sex, exclude any person from admission to:

(a) Any institution of vocational education operated by such recipient; or

(b) Any other school or educational unit operated by such recipient, unless such recipient otherwise makes available to such person, pursuant to the same policies and criteria of admission, courses, services, and facilities comparable to each course, service, and facility offered in or through such schools.

§ 36.425 Counseling and use of appraisal and counseling materials.

(a) *Counseling.* A recipient shall not discriminate against any person on the basis of sex in the counseling or guidance of students or applicants for admission.

(b) *Use of appraisal and counseling materials.* A recipient that uses testing or other materials for appraising or counseling students shall not use different materials for students on the basis of their sex or use materials that permit or require different treatment of students on such basis unless such different materials cover the same occupations and interest areas and the use of such different materials is shown to be essential to eliminate sex bias. Recipients shall develop and use internal procedures for ensuring that such materials do not discriminate on the basis of sex. Where the use of a counseling test or other instrument results in a substantially disproportionate number of members of one sex in any particular course of study or classification, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination in the instrument or its application.

(c) *Disproportion in classes.* Where a recipient finds that a particular class contains a substantially disproportionate number of individuals of one sex, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination on the basis of

sex in counseling or appraisal materials or by counselors.

§ 36.430 Financial assistance.

(a) *General.* Except as provided in paragraphs (b) and (c) of this section, in providing financial assistance to any of its students, a recipient shall not:

(1) On the basis of sex, provide different amounts or types of such assistance, limit eligibility for such assistance that is of any particular type or source, apply different criteria, or otherwise discriminate;

(2) Through solicitation, listing, approval, provision of facilities, or other services, assist any foundation, trust, agency, organization, or person that provides assistance to any of such recipient's students in a manner that discriminates on the basis of sex; or

(3) Apply any rule or assist in application of any rule concerning eligibility for such assistance that treats persons of one sex differently from persons of the other sex with regard to marital or parental status.

(b) *Financial aid established by certain legal instruments.* (1) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established pursuant to domestic or foreign wills, trusts, bequests, or similar legal instruments or by acts of a foreign government that require that awards be made to members of a particular sex specified therein; *Provided*, that the overall effect of the award of such sex-restricted scholarships, fellowships, and other forms of financial assistance does not discriminate on the basis of sex.

(2) To ensure nondiscriminatory awards of assistance as required in paragraph (b)(1) of this section, recipients shall develop and use procedures under which:

(i) Students are selected for award of financial assistance on the basis of nondiscriminatory criteria and not on the basis of availability of funds restricted to members of a particular sex;

(ii) An appropriate sex-restricted scholarship, fellowship, or other form of financial assistance is allocated to each student selected under paragraph (b)(2)(i) of this section; and

§ 36.435

(iii) No student is denied the award for which he or she was selected under paragraph (b)(2)(i) of this section because of the absence of a scholarship, fellowship, or other form of financial assistance designated for a member of that student's sex.

(c) *Athletic scholarships.* (1) To the extent that a recipient awards athletic scholarships or grants-in-aid, it must provide reasonable opportunities for such awards for members of each sex in proportion to the number of students of each sex participating in interscholastic or intercollegiate athletics.

(2) A recipient may provide separate athletic scholarships or grants-in-aid for members of each sex as part of separate athletic teams for members of each sex to the extent consistent with this paragraph (c) and § 36.450.

§ 36.435 Employment assistance to students.

(a) *Assistance by recipient in making available outside employment.* A recipient that assists any agency, organization, or person in making employment available to any of its students:

(1) Shall assure itself that such employment is made available without discrimination on the basis of sex; and

(2) Shall not render such services to any agency, organization, or person that discriminates on the basis of sex in its employment practices.

(b) *Employment of students by recipients.* A recipient that employs any of its students shall not do so in a manner that violates §§ 36.500 through 36.550.

§ 36.440 Health and insurance benefits and services.

Subject to § 36.235(d), in providing a medical, hospital, accident, or life insurance benefit, service, policy, or plan to any of its students, a recipient shall not discriminate on the basis of sex, or provide such benefit, service, policy, or plan in a manner that would violate §§ 36.500 through 36.550 if it were provided to employees of the recipient. This section shall not prohibit a recipient from providing any benefit or service that may be used by a different proportion of students of one sex than of the other, including family planning services. However, any recipient that

29 CFR Subtitle A (7-1-21 Edition)

provides full coverage health service shall provide gynecological care.

§ 36.445 Marital or parental status.

(a) *Status generally.* A recipient shall not apply any rule concerning a student's actual or potential parental, family, or marital status that treats students differently on the basis of sex.

(b) *Pregnancy and related conditions.*

(1) A recipient shall not discriminate against any student, or exclude any student from its education program or activity, including any class or extracurricular activity, on the basis of such student's pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom, unless the student requests voluntarily to participate in a separate portion of the program or activity of the recipient.

(2) A recipient may require such a student to obtain the certification of a physician that the student is physically and emotionally able to continue participation as long as such a certification is required of all students for other physical or emotional conditions requiring the attention of a physician.

(3) A recipient that operates a portion of its education program or activity separately for pregnant students, admittance to which is completely voluntary on the part of the student as provided in paragraph (b)(1) of this section, shall ensure that the separate portion is comparable to that offered to non-pregnant students.

(4) Subject to § 36.235(d), a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom in the same manner and under the same policies as any other temporary disability with respect to any medical or hospital benefit, service, plan, or policy that such recipient administers, operates, offers, or participates in with respect to students admitted to the recipient's educational program or activity.

(5) In the case of a recipient that does not maintain a leave policy for its students, or in the case of a student who does not otherwise qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom as a justification

for a leave of absence for as long a period of time as is deemed medically necessary by the student's physician, at the conclusion of which the student shall be reinstated to the status that she held when the leave began.

§ 36.450 Athletics.

(a) *General.* No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, be treated differently from another person, or otherwise be discriminated against in any interscholastic, intercollegiate, club, or intramural athletics offered by a recipient, and no recipient shall provide any such athletics separately on such basis.

(b) *Separate teams.* Notwithstanding the requirements of paragraph (a) of this section, a recipient may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport. However, where a recipient operates or sponsors a team in a particular sport for members of one sex but operates or sponsors no such team for members of the other sex, and athletic opportunities for members of that sex have previously been limited, members of the excluded sex must be allowed to try out for the team offered unless the sport involved is a contact sport. For the purposes of these Title IX regulations, contact sports include boxing, wrestling, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

(c) *Equal opportunity.* (1) A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics shall provide equal athletic opportunity for members of both sexes. In determining whether equal opportunities are available, the designated agency official will consider, among other factors:

- (i) Whether the selection of sports and levels of competition effectively accommodate the interests and abilities of members of both sexes;
- (ii) The provision of equipment and supplies;
- (iii) Scheduling of games and practice time;
- (iv) Travel and per diem allowance;

(v) Opportunity to receive coaching and academic tutoring;

(vi) Assignment and compensation of coaches and tutors;

(vii) Provision of locker rooms, practice, and competitive facilities;

(viii) Provision of medical and training facilities and services;

(ix) Provision of housing and dining facilities and services;

(x) Publicity.

(2) For purposes of paragraph (c)(1) of this section, unequal aggregate expenditures for members of each sex or unequal expenditures for male and female teams if a recipient operates or sponsors separate teams will not constitute noncompliance with this section, but the designated agency official may consider the failure to provide necessary funds for teams for one sex in assessing equality of opportunity for members of each sex.

(d) *Adjustment period.* A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the elementary school level shall comply fully with this section as expeditiously as possible but in no event later than one year from September 29, 2000. A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the secondary or postsecondary school level shall comply fully with this section as expeditiously as possible but in no event later than three years from September 29, 2000.

§ 36.455 Textbooks and curricular material.

(2) A recipient shall make all employment decisions in any education program or activity operated by such recipient in a nondiscriminatory manner and shall not limit, segregate, or classify applicants or employees in any way that could adversely affect any applicant's or employee's employment opportunities or status because of sex.

(3) A recipient shall not enter into any contractual or other relationship which directly or indirectly has the effect of subjecting employees or students to discrimination prohibited by §§ 36.500 through 36.550, including relationships with employment and referral agencies, with labor unions, and with organizations providing or administering fringe benefits to employees of the recipient.

(4) A recipient shall not grant preferences to applicants for employment on the basis of attendance at any educational institution or entity that admits as students only or predominantly members of one sex, if the giving of such preferences has the effect of discriminating on the basis of sex in violation of these Title IX regulations.

(1) Recruitment, advertising, and the process of application for employment;

(2) Hiring, upgrading, promotion, consideration for and award of tenure, demotion, transfer, layoff, termination, application of nepotism policies, right of return from layoff, and rehiring;

(a) Use of such test or other criterion is shown to predict validly successful performance in the position in question; and

(b) Alternative tests or criteria for such purpose, which do not have such disproportionately adverse effect, are shown to be unavailable.

§ 36.510 Recruitment.

(a) *Nondiscriminatory recruitment and hiring.* A recipient shall not discriminate on the basis of sex in the recruitment and hiring of employees. Where a recipient has been found to be presently discriminating on the basis of sex in the recruitment or hiring of employees, or has been found to have so discriminated in the past, the recipient shall recruit members of the sex so discriminated against so as to overcome the effects of such past or present discrimination.

(b) *Recruitment patterns.* A recipient shall not recruit primarily or exclusively at entities that furnish as applicants only or predominantly members of one sex if such actions have the effect of discriminating on the basis of sex in violation of §§ 36.500 through 36.550.

§ 36.515 Compensation.

A recipient shall not make or enforce any policy or practice that, on the basis of sex:

(a) Makes distinctions in rates of pay or other compensation;

§ 36.525 Fringe benefits.

(a) *“Fringe benefits” defined.* For purposes of these Title IX regulations, *fringe benefits* means: Any medical, hospital, accident, life insurance, or retirement benefit, service, policy or plan, any profit-sharing or bonus plan, leave, and any other benefit or service of employment not subject to the provision of § 36.515.

(b) *Prohibitions.* A recipient shall not:

(1) Discriminate on the basis of sex with regard to making fringe benefits available to employees or make fringe benefits available to spouses, families, or dependents of employees differently upon the basis of the employee’s sex;

(2) Administer, operate, offer, or participate in a fringe benefit plan that does not provide for equal periodic benefits for members of each sex and for equal contributions to the plan by such recipient for members of each sex; or

(3) Administer, operate, offer, or participate in a pension or retirement plan that establishes different optional or compulsory retirement ages based on sex or that otherwise discriminates in benefits on the basis of sex.

§ 36.530 Marital or parental status.

(a) *General.* A recipient shall not apply any policy or take any employment action:

(1) Concerning the potential marital, parental, or family status of an employee or applicant for employment that treats persons differently on the basis of sex; or

(b) *Pregnancy.* A recipient shall not discriminate against or exclude from employment any employee or applicant for employment on the basis of pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom.

(c) *Pregnancy as a temporary disability.* Subject to § 36.235(d), a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, recovery therefrom, and any temporary disability resulting therefrom as any other temporary disability for all job-related purposes, including commencement, duration, and extensions of leave, payment of disability income, accrual of seniority and any other benefit or service, and reinstatement, and under any fringe benefit offered to employees by virtue of employment.

(d) *Pregnancy leave.* In the case of a recipient that does not maintain a leave policy for its employees, or in the case of an employee with insufficient leave or accrued employment time to qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom as a justification for a leave of absence without pay for a reasonable period of time, at the conclusion of which the employee shall be reinstated to the status that she held when the leave began or to a comparable position, without decrease in rate of compensation or loss of promotional opportunities, or any other right or privilege of employment.

§ 36.535 Effect of state or local law or other requirements.

(a) *Prohibitory requirements.* The obligation to comply with §§ 36.500 through

§ 36.550 Sex as a bona fide occupational qualification.

A recipient may take action otherwise prohibited by §§ 36.500 through 36.550 provided it is shown that sex is a bona fide occupational qualification for that action, such that consideration of sex with regard to such action is essential to successful operation of the employment function concerned. A recipient shall not take action pursuant to this section that is based upon alleged comparative employment characteristics or stereotyped characterizations of one or the other sex, or upon preference based on sex of the recipient, employees, students, or other persons, but nothing contained in this section shall prevent a recipient from considering an employee’s sex in relation to employment in a locker room or toilet

(i) The types of aid, benefits, services, training, or facilities that will be provided under any WIA Title I—funded program or activity;

(ii) The class of individuals to whom such aid, benefits, services, training, or facilities will be provided; or

(iii) The situations in which such aid, benefits, services, training, or facilities will be provided.

(3) Paragraph (d) of this section applies to the administration of WIA Title I—funded programs or activities providing aid, benefits, services, training, or facilities in any manner, including, but not limited to:

(i) Outreach and recruitment;

(ii) Registration;

(iii) Counseling and guidance;

(iv) Testing;

(v) Selection, placement, appointment, and referral;

(vi) Training; and

(vii) Promotion and retention.

(4) A recipient must not take any of the prohibited actions listed in paragraph (d) of this section either directly or through contractual, licensing, or other arrangements.

(e) In determining the site or location of facilities, a grant applicant or recipient must not make selections that have any of the following purposes or effects:

(1) On a prohibited ground:

(i) Excluding individuals from a WIA Title I—financially assisted program or activity;

(ii) Denying them the benefits of such a program or activity; or

(iii) Subjecting them to discrimination; or

(2) Defeating or substantially impairing the accomplishment of the objectives of either:

(i) The WIA Title I—financially assisted program or activity; or

(ii) The nondiscrimination and equal opportunity provisions of WIA or this part.

(f)(1) 29 CFR part 2, subpart D governs the circumstances under which DOL support, including WIA Title I financial assistance, may be used to employ or train participants in religious activities. Under that subpart, such assistance may be used for such employment or training only when the assistance is provided indirectly within the meaning of the Establishment Clause of the U.S. Constitution, and not when the assistance is provided directly. As explained in that subpart, assistance provided through an Individual Training Account is generally considered indirect, and other mechanisms may also

§ 37.7

29 CFR Subtitle A (7-1-21 Edition)

be considered indirect. *See also* §§ 667.266 and 667.275 of 20 CFR. 29 CFR part 2, subpart D also contains requirements related to equal treatment of religious organizations in Department of Labor programs, and to protection of religious liberty for Department of Labor social service providers and beneficiaries.

(f)(2) Except under the circumstances described in paragraph (f)(3) below, a recipient must not employ participants to carry out the construction, operation, or maintenance of any part of any facility that is used, or to be used, for religious instruction or as a place for religious worship.

(3) A recipient may employ participants to carry out the maintenance of a facility that is not primarily or inherently devoted to religious instruction or religious worship if the organization operating the facility is part of a program or activity providing services to participants.

(g) The exclusion of an individual from programs or activities limited by Federal statute or Executive Order to a certain class or classes of individuals of which the individual in question is not a member is not prohibited by this part.

[64 FR 61715, Nov. 12, 1999, as amended at 69 FR 41893, 41900, July 12, 2004]

§ 37.7 What specific discriminatory actions based on disability are prohibited by this part?

(a) In providing any aid, benefits, services, or training under a WIA Title I—financially assisted program or activity, a recipient must not, directly or through contractual, licensing, or other arrangements, on the ground of disability:

(1) Deny a qualified individual with a disability the opportunity to participate in or benefit from the aid, benefits, services, or training;

(2) Afford a qualified individual with a disability an opportunity to participate in or benefit from the aid, benefits, services, or training that is not equal to that afforded others;

(3) Provide a qualified individual with a disability with an aid, benefit, service or training that is not as effective in affording equal opportunity to obtain the same result, to gain the

same benefit, or to reach the same level of achievement as that provided to others;

(4) Provide different, segregated, or separate aid, benefits, services, or training to individuals with disabilities, or to any class of individuals with disabilities, unless such action is necessary to provide qualified individuals with disabilities with aid, benefits, services or training that are as effective as those provided to others;

(5) Deny a qualified individual with a disability the opportunity to participate as a member of planning or advisory boards; or

(6) Otherwise limit a qualified individual with a disability in enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving any aid, benefit, service or training.

(b) A recipient must not, directly or through contractual, licensing, or other arrangements, aid or perpetuate discrimination against qualified individuals with disabilities by providing significant assistance to an agency, organization, or person that discriminates on the basis of disability in providing any aid, benefits, services or training to registrants, applicants, or participants.

(c) A recipient must not deny a qualified individual with a disability the opportunity to participate in WIA Title I—financially assisted programs or activities despite the existence of permissibly separate or different programs or activities.

(d) A recipient must administer WIA Title I—financially assisted programs and activities in the most integrated setting appropriate to the needs of qualified individuals with disabilities.

(e) A recipient must not, directly or through contractual, licensing, or other arrangements, use standards, procedures, criteria, or administrative methods:

(1) That have the purpose or effect of subjecting qualified individuals with disabilities to discrimination on the ground of disability;

(2) That have the purpose or effect of defeating or substantially impairing accomplishment of the objectives of the WIA Title I—financially assisted

program or activity with respect to individuals with disabilities; or

(3) That perpetuate the discrimination of another entity if both entities are subject to common administrative control or are agencies of the same state.

(f) In determining the site or location of facilities, a grant applicant or recipient must not make selections that have any of the following purposes or effects:

(1) On the basis of disability:

(i) Excluding qualified individuals from a WIA Title I-financially assisted program or activity;

(ii) Denying them the benefits of such a program or activity; or

(iii) Subjecting them to discrimination; or

(2) Defeating or substantially impairing the accomplishment of the disability-related objectives of either:

(i) The WIA Title I-financially assisted program or activity; or

(ii) The nondiscrimination and equal opportunity provisions of WIA or this part.

(g) A recipient, in the selection of contractors, must not use criteria that subject qualified individuals with disabilities to discrimination on the basis of disability.

(h) A recipient must not administer a licensing or certification program in a manner that subjects qualified individuals with disabilities to discrimination on the basis of disability, nor may a recipient establish requirements for the programs or activities of licensees or certified entities that subject qualified individuals with disabilities to discrimination on the basis of disability. The programs or activities of entities that are licensed or certified by a recipient are not, themselves, covered by this part.

(i) A recipient must not impose or apply eligibility criteria that screen out or tend to screen out an individual with a disability or any class of individuals with disabilities from fully and equally enjoying any aid, benefit, service, training, program, or activity, unless such criteria can be shown to be necessary for the provision of the aid, benefit, service, training, program, or activity being offered.

(j) Nothing in this part prohibits a recipient from providing aid, benefits, services, training, or advantages to individuals with disabilities, or to a particular class of individuals with disabilities, beyond those required by this part.

(k) A recipient must not place a surcharge on a particular individual with a disability, or any group of individuals with disabilities, to cover the costs of measures, such as the provision of auxiliary aids or program accessibility, that are required to provide that individual or group with the nondiscriminatory treatment required by WIA Title I or this part.

(l) A recipient must not exclude, or otherwise deny equal aid, benefits, services, training, programs, or activities to, an individual or entity because of the known disability of an individual with whom the individual or entity is known to have a relationship or association.

(m) The exclusion of an individual without a disability from the benefits of a program limited by Federal statute or Executive Order to individuals with disabilities, or the exclusion of a specific class of individuals with disabilities from a program limited by Federal statute or Executive Order to a different class of individuals with disabilities, is not prohibited by this part.

(n) This part does not require a recipient to provide any of the following to individuals with disabilities:

(1) Personal devices, such as wheelchairs;

(2) Individually prescribed devices, such as prescription eyeglasses or hearing aids;

(3) Readers for personal use or study; or

(4) Services of a personal nature, including assistance in eating, toileting, or dressing.

(o)(1) Nothing in this part requires an individual with a disability to accept an accommodation, aid, benefit, service, training, or opportunity provided under WIA Title I or this part that such individual chooses not to accept.

(2) Nothing in this part authorizes the representative or guardian of an individual with a disability to decline food, water, medical treatment, or medical services for that individual.

§ 37.8

§ 37.8 What are a recipient's responsibilities regarding reasonable accommodation and reasonable modification for individuals with disabilities?

(a) With regard to aid, benefits, services, training, and employment, a recipient must provide reasonable accommodation to qualified individuals with disabilities who are applicants, registrants, eligible applicants/registrants, participants, employees, or applicants for employment, unless providing the accommodation would cause undue hardship. See the definitions of "reasonable accommodation" and "undue hardship" in § 37.4 of this part.

(1) In those circumstances where a recipient believes that the proposed accommodation would cause undue hardship, the recipient has the burden of proving that the accommodation would result in such hardship.

(2) The recipient must make the decision that the accommodation would cause such hardship only after considering all factors listed in the definition of "undue hardship" in § 37.4. The decision must be accompanied by a written statement of the recipient's reasons for reaching that conclusion. The recipient must provide a copy of the statement of reasons to the individual or individuals who requested the accommodation.

(3) If a requested accommodation would result in undue hardship, the recipient must take any other action that would not result in such hardship, but would nevertheless ensure that, to the maximum extent possible, individuals with disabilities receive the aid, benefits, services, training, or employment provided by the recipient.

(b) A recipient must also make reasonable modifications in policies, practices, or procedures when the modifications are necessary to avoid discrimination on the basis of disability, unless making the modifications would fundamentally alter the nature of the service, program, or activity. See the definition of "fundamental alteration" in § 37.4 of this part.

(1) In those circumstances where a recipient believes that the proposed modification would fundamentally alter the program, activity, or service, the recipient has the burden of proving

29 CFR Subtitle A (7-1-21 Edition)

that the modification would result in such an alteration.

(2) The recipient must make the decision that the modification would result in such an alteration only after considering all factors listed in the definition of "fundamental alteration" in § 37.4. The decision must be accompanied by a written statement of the recipient's reasons for reaching that conclusion. The recipient must provide a copy of the statement of reasons to the individual or individuals who requested the modification.

(3) If a modification would result in a fundamental alteration, the recipient must take any other action that would not result in such an alteration, but would nevertheless ensure that, to the maximum extent possible, individuals with disabilities receive the aid, benefits, services, training, or employment provided by the recipient.

§ 37.9 What are a recipient's responsibilities to communicate with individuals with disabilities?

(a) Recipients must take appropriate steps to ensure that communications with beneficiaries, registrants, applicants, eligible applicants/registrants, participants, applicants for employment, employees, and members of the public who are individuals with disabilities, are as effective as communications with others.

(b) A recipient must furnish appropriate auxiliary aids or services where necessary to afford individuals with disabilities an equal opportunity to participate in, and enjoy the benefits of, the WIA Title I—financially assisted program or activity. In determining what type of auxiliary aid or service is appropriate and necessary, such recipient must give primary consideration to the requests of the individual with a disability.

(c) Where a recipient communicates by telephone with beneficiaries, registrants, applicants, eligible applicants/registrants, participants, applicants for employment, and/or employees, the recipient must use telecommunications devices for individuals with hearing impairments (TDDs/TTYs), or equally effective communications systems, such as telephone relay services.

(d) A recipient must ensure that interested individuals, including individuals with visual or hearing impairments, can obtain information as to the existence and location of accessible services, activities, and facilities.

(e)(1) A recipient must provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The signage provided must meet the most current standards prescribed by the General Services Administration under the Architectural Barriers Act at 41 CFR 101-19.6. Alternative standards for the signage may be adopted when it is clearly evident that such alternative standards provide equivalent or greater access to the information.

(2) The international symbol for accessibility must be used at each primary entrance of an accessible facility.

(f) This section does not require a recipient to take any action that it can demonstrate would result in a fundamental alteration in the nature of a service, program, or activity.

(1) In those circumstances where a recipient believes that the proposed action would fundamentally alter the WIA Title I—financially assisted program, activity, or service, the recipient has the burden of proving that compliance with this section would result in such an alteration.

(2) The decision that compliance would result in such an alteration must be made by the recipient after considering all resources available for use in the funding and operation of the WIA Title I—financially assisted program, activity, or service, and must be accompanied by a written statement of the reasons for reaching that conclusion.

(3) If an action required to comply with this section would result in the fundamental alteration described in paragraph (f)(1) of this section, the recipient must take any other action that would not result in such an alteration, but would nevertheless ensure that, to the maximum extent possible, individuals with disabilities receive the benefits or services provided by the recipient.

§ 37.10 To what extent are employment practices covered by this part?

(a) Discrimination on the ground of race, color, religion, sex, national origin, age, disability, or political affiliation or belief is prohibited in employment practices in the administration of, or in connection with:

(1) Any WIA Title I—financially assisted program or activity; and

(2) Any program or activity that is part of the One-Stop delivery system and is operated by a One-Stop partner listed in Section 121(b) of WIA, to the extent that the program or activity is being conducted as part of the One-Stop delivery system.

(b) *Employee selection procedures.* In implementing this section, a recipient must comply with the Uniform Guidelines on Employee Selection Procedures, 41 CFR part 60-3.

(c) *Standards for employment-related investigations and reviews.* In any investigation or compliance review, the Director must consider Equal Employment Opportunity Commission (EEOC) regulations, guidance and appropriate case law in determining whether a recipient has engaged in an unlawful employment practice.

(d) As provided in § 37.3(b) of this part, 29 CFR part 32, subparts B and C and Appendix A, which implement the requirements of Section 504 pertaining to employment practices and employment-related training, program accessibility, and reasonable accommodation, have been incorporated into this part by reference. Therefore, recipients must comply with the requirements set forth in those regulatory sections as well as the requirements listed in this part.

(e) Recipients that are also employers, employment agencies, or other entities covered by Titles I and II of the ADA should be aware of obligations imposed by those titles. *See* 29 CFR part 1630 and 28 CFR part 35.

(f) Similarly, recipients that are also employers covered by the anti-discrimination provision of the Immigration and Nationality Act should be aware of the obligations imposed by that provision. *See* 8 U.S.C. 1324b, as amended.

(g) This rule does not preempt consistent State and local requirements.

§ 37.11**§ 37.11 To what extent are intimidation and retaliation prohibited by this part?**

(a) A recipient must not discharge, intimidate, retaliate, threaten, coerce or discriminate against any individual because the individual has:

(1) Filed a complaint alleging a violation of Section 188 of WIA or this part;

(2) Opposed a practice prohibited by the nondiscrimination and equal opportunity provisions of WIA or this part;

(3) Furnished information to, or assisted or participated in any manner in, an investigation, review, hearing, or any other activity related to any of the following:

(i) Administration of the nondiscrimination and equal opportunity provisions of WIA or this part;

(ii) Exercise of authority under those provisions; or

(iii) Exercise of privilege secured by those provisions; or

(4) Otherwise exercised any rights and privileges under the nondiscrimination and equal opportunity provisions of WIA or this part.

(b) The sanctions and penalties contained in Section 188(b) of WIA or this part may be imposed against any recipient that engages in any such retaliation or intimidation, or fails to take appropriate steps to prevent such activity.

§ 37.12 What Department of Labor office is responsible for administering this part?

The Civil Rights Center (CRC), in the Office of the Assistant Secretary for Administration and Management, is responsible for administering and enforcing the nondiscrimination and equal opportunity provisions of WIA and this part, and for developing and issuing policies, standards, guidance, and procedures for effecting compliance.

§ 37.13 Who is responsible for providing interpretations of this part?

The Director will make any rulings under, or interpretations of, the nondiscrimination and equal opportunity provisions of WIA or this part.

§ 37.14 Under what circumstances may the Secretary delegate the responsibilities of this part?

(a) The Secretary may from time to time assign to officials of other departments or agencies of the Government (with the consent of such department or agency) responsibilities in connection with the effectuation of the nondiscrimination and equal opportunity provisions of WIA and this part (other than responsibility for final decisions under § 37.112), including the achievement of effective coordination and maximum uniformity within the Department and within the executive branch of the Government in the application of the nondiscrimination and equal opportunity provisions of WIA or this part to similar programs and similar situations.

(b) Any action taken, determination made, or requirement imposed by an official of another department or agency acting under an assignment of responsibility under this section has the same effect as if the action had been taken by the Director.

§ 37.15 What are the Director's responsibilities to coordinate with other civil rights agencies?

(a) Whenever a compliance review or complaint investigation under this part reveals possible violation of one or more of the laws listed in paragraph (b) of this section, or of any other Federal civil rights law, that is not also a violation of the nondiscrimination and equal opportunity provisions of WIA or this part, the Director must attempt to notify the appropriate agency and provide it with all relevant documents and information.

(b) This section applies to the following:

(1) Executive Order 11246, as amended;

(2) Section 503 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 793);

(3) The affirmative action provisions of the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended (38 U.S.C. 4212);

(4) The Equal Pay Act of 1963, as amended (29 U.S.C. 206d);

(5) Title VII of the Civil Rights Act of 1964, as amended (42 U.S.C. 2000e *et seq.*);

(6) The Age Discrimination in Employment Act of 1967, as amended (29 U.S.C. 621);

(7) The Americans with Disabilities Act of 1990, as amended (42 U.S.C. 12101 *et seq.*);

(8) The anti-discrimination provision of the Immigration and Nationality Act, as amended (8 U.S.C. 1324b); and

(9) Any other Federal civil rights law.

§ 37.16 What is this part's effect on a recipient's obligations under other laws, and what limitations apply?

(a) *Effect of State or local law or other requirements.* The obligation to comply with the nondiscrimination and equal opportunity provisions of WIA or this part are not excused or reduced by any State or local law or other requirement that, on a prohibited ground, prohibits or limits an individual's eligibility to receive aid, benefits, services, or training; to participate in any WIA Title I—financially assisted program or activity; to be employed by any recipient; or to practice any occupation or profession.

(b) *Effect of private organization rules.* The obligation to comply with the nondiscrimination and equal opportunity provisions of WIA and this part is not excused or reduced by any rule or regulation of any private organization, club, league or association that, on a prohibited ground, prohibits or limits an individual's eligibility to participate in any WIA Title I—financially assisted program or activity to which this part applies.

(c) *Effect of possible future exclusion from employment opportunities.* A recipient must not exclude any individual from, or restrict any individual's participation in, any program or activity based on the recipient's belief or concern that the individual will encounter limited future employment opportunities because of his or her race, color, religion, sex, national origin, age, disability, political affiliation or belief, or citizenship.

Subpart B—Recordkeeping and Other Affirmative Obligations of Recipients

ASSURANCES

§ 37.20 What is a grant applicant's obligation to provide a written assurance?

(a)(1) Each application for financial assistance under Title I of WIA, as defined in § 37.4, must include the following assurance:

As a condition to the award of financial assistance from the Department of Labor under Title I of WIA, the grant applicant assures that it will comply fully with the nondiscrimination and equal opportunity provisions of the following laws:

Section 188 of the Workforce Investment Act of 1998 (WIA), which prohibits discrimination against all individuals in the United States on the basis of race, color, religion, sex, national origin, age, disability, political affiliation or belief, and against beneficiaries on the basis of either citizenship/status as a lawfully admitted immigrant authorized to work in the United States or participation in any WIA Title I—financially assisted program or activity;

Title VI of the Civil Rights Act of 1964, as amended, which prohibits discrimination on the bases of race, color and national origin;

Section 504 of the Rehabilitation Act of 1973, as amended, which prohibits discrimination against qualified individuals with disabilities;

The Age Discrimination Act of 1975, as amended, which prohibits discrimination on the basis of age; and

Title IX of the Education Amendments of 1972, as amended, which prohibits discrimination on the basis of sex in educational programs.

The grant applicant also assures that it will comply with 29 CFR part 37 and all other regulations implementing the laws listed above. This assurance applies to the grant applicant's operation of the WIA Title I—financially assisted program or activity, and to all agreements the grant applicant makes to carry out the WIA Title I—financially assisted program or activity. The grant applicant understands that the United States has the right to seek judicial enforcement of this assurance.

(2) The assurance is considered incorporated by operation of law in the grant, cooperative agreement, contract or other arrangement whereby Federal financial assistance under Title I of the WIA is made available, whether or not it is physically incorporated in such

§ 37.21

document and whether or not there is a written agreement between the Department and the recipient, between the Department and the Governor, between the Governor and the recipient, or between recipients. The assurance also may be incorporated by reference in such grants, cooperative agreements, contracts, or other arrangements.

(b) *Continuing State programs.* Each Strategic Five-Year State Plan submitted by a State to carry out a continuing WIA Title I-financially assisted program or activity must provide a statement that the WIA Title I-financially assisted program or activity is (or, in the case of a new WIA Title I-financially assisted program or activity, will be) conducted in compliance with the nondiscrimination and equal opportunity provisions of WIA and this part, as a condition to the approval of the Five-Year Plan and the extension of any WIA Title I financial assistance under the Plan. The State also must certify that it has developed and maintains a Methods of Administration under § 37.54.

§ 37.21 How long will the recipient's obligation under the assurance last, and how broad is the obligation?

(a) Where the WIA Title I financial assistance is intended to provide, or is in the form of, either personal property, real property, structures on real property, or interest in any such property or structures, the assurance will obligate the recipient, or (in the case of a subsequent transfer) the transferee, for the longer of:

(1) The period during which the property is used either:

(i) For a purpose for which WIA Title I financial assistance is extended; or

(ii) For another purpose involving the provision of similar services or benefits; or

(2) The period during which either:

(i) The recipient retains ownership or possession of the property; or

(ii) The transferee retains ownership or possession of the property without compensating the Departmental grantmaking agency for the fair market value of that ownership or possession.

(b) In all other cases, the assurance will obligate the recipient for the pe-

29 CFR Subtitle A (7-1-21 Edition)

riod during which WIA Title I financial assistance is extended.

§ 37.22 How must covenants be used in connection with this part?

(a) Where WIA Title I financial assistance is provided in the form of a transfer of real property, structures, or improvements on real property or structures, or interests in real property or structures, the instrument effecting or recording the transfer must contain a covenant assuring nondiscrimination and equal opportunity for the period described in § 37.21.

(b) Where no Federal transfer of real property or interest therein from the Federal Government is involved, but real property or an interest therein is acquired or improved under a program of WIA Title I financial assistance, the recipient must include the covenant described in paragraph (a) of this section in the instrument effecting or recording any subsequent transfer of such property.

(c) When the property is obtained from the Federal Government, the covenant described in paragraph (a) of this section also may include a condition coupled with a right of reverter to the Department in the event of a breach of the covenant.

EQUAL OPPORTUNITY OFFICERS

§ 37.23 Who must designate an Equal Opportunity Officer?

Every recipient must designate an Equal Opportunity Officer ("EO Officer"), except small recipients and service providers, as defined in § 37.4. The responsibilities of small recipients and service providers are described in §§ 37.27 and 37.28.

§ 37.24 Who is eligible to serve as an Equal Opportunity Officer?

A senior-level employee of the recipient should be appointed as the recipient's Equal Opportunity Officer. Depending upon the size of the recipient, the size of the recipient's WIA Title I-financially assisted programs or activities, and the number of applicants, registrants, and participants served by the recipient, the EO Officer may, or may not, be assigned other duties. However,

he or she must not have other responsibilities or activities that create a conflict, or the appearance of a conflict, with the responsibilities of an EO Officer.

§ 37.25 What are the responsibilities of an Equal Opportunity Officer?

An Equal Opportunity Officer is responsible for coordinating a recipient's obligations under this part. Those responsibilities include, but are not limited to:

(a) Serving as the recipient's liaison with CRC;

(b) Monitoring and investigating the recipient's activities, and the activities of the entities that receive WIA Title I funds from the recipient, to make sure that the recipient and its subrecipients are not violating their nondiscrimination and equal opportunity obligations under WIA Title I and this part;

(c) Reviewing the recipient's written policies to make sure that those policies are nondiscriminatory;

(d) Developing and publishing the recipient's procedures for processing discrimination complaints under §§ 37.76 through 37.79, and making sure that those procedures are followed;

(e) Reporting directly to the appropriate official (including, but not limited to, the State WIA Director, Governor's WIA Liaison, Job Corps Center Director, SESA Administrator, or LWIA grant recipient) about equal opportunity matters;

(f) Undergoing training (at the recipient's expense) to maintain competency, if the Director requires him or her, and/or his or her staff, to do so; and

(g) If applicable, overseeing the development and implementation of the recipient's Methods of Administration under § 37.54.

§ 37.26 What are a recipient's obligations relating to the Equal Opportunity Officer?

A recipient has the following obligations:

(a) Making the Equal Opportunity Officer's name, and his or her position title, address, and telephone number (voice and TDD/TTY) public;

(b) Ensuring that the EO Officer's identity and contact information appears on all internal and external com-

munications about the recipient's non-discrimination and equal opportunity programs;

(c) Assigning sufficient staff and resources to the Equal Opportunity Officer, and providing him or her with the necessary support of top management, to ensure compliance with the non-discrimination and equal opportunity provisions of WIA and this part; and

(d) Ensuring that the EO Officer and his/her staff are afforded the opportunity to receive the training necessary and appropriate to maintain competency.

§ 37.27 What are the obligations of small recipients regarding Equal Opportunity Officers?

Although small recipients do not need to designate Equal Opportunity Officers who have the full range of responsibilities listed above, they must designate an individual who will be responsible for developing and publishing of complaint procedures, and the processing of complaints, as explained in §§ 37.76 through 37.79.

§ 37.28 What are the obligations of service providers regarding Equal Opportunity Officers?

Service providers, as defined in § 37.4, are not required to designate an Equal Opportunity Officer. The obligation for ensuring service provider compliance with the nondiscrimination and equal opportunity provisions of WIA and this part rests with the Governor or LWIA grant recipient, as specified in the State's Methods of Administration.

NOTICE AND COMMUNICATION

§ 37.29 What are a recipient's obligations to disseminate its equal opportunity policy?

(a) A recipient must provide initial and continuing notice that it does not discriminate on any prohibited ground. This notice must be provided to:

(1) Registrants, applicants, and eligible applicants/registrants;

(2) Participants;

(3) Applicants for employment and employees;

(4) Unions or professional organizations that hold collective bargaining or professional agreements with the recipient;

§ 37.30

(5) Subrecipients that receive WIA Title I funds from the recipient; and

(6) Members of the public, including those with impaired vision or hearing.

(b) As provided in § 37.9, the recipient must take appropriate steps to ensure that communications with individuals with disabilities are as effective as communications with others.

§ 37.30 What specific wording must the notice contain?

The notice must contain the following specific wording:

EQUAL OPPORTUNITY IS THE LAW

It is against the law for this recipient of Federal financial assistance to discriminate on the following bases:

against any individual in the United States, on the basis of race, color, religion, sex, national origin, age, disability, political affiliation or belief; and

against any beneficiary of programs financially assisted under Title I of the Workforce Investment Act of 1998 (WIA), on the basis of the beneficiary's citizenship/status as a lawfully admitted immigrant authorized to work in the United States, or his or her participation in any WIA Title I-financially assisted program or activity.

The recipient must not discriminate in any of the following areas:

deciding who will be admitted, or have access, to any WIA Title I-financially assisted program or activity;

providing opportunities in, or treating any person with regard to, such a program or activity; or

making employment decisions in the administration of, or in connection with, such a program or activity.

WHAT TO DO IF YOU BELIEVE YOU HAVE EXPERIENCED DISCRIMINATION

If you think that you have been subjected to discrimination under a WIA Title I-financially assisted program or activity, you may file a complaint within 180 days from the date of the alleged violation with either:

the recipient's Equal Opportunity Officer (or the person whom the recipient has designated for this purpose); or

the Director, Civil Rights Center (CRC), U.S. Department of Labor, 200 Constitution Avenue NW, Room N-4123, Washington, DC 20210.

If you file your complaint with the recipient, you must wait either until the recipient issues a written Notice of Final Action, or until 90 days have passed (whichever is sooner), before filing with the Civil Rights Center (see address above).

If the recipient does not give you a written Notice of Final Action within 90 days of the

29 CFR Subtitle A (7-1-21 Edition)

day on which you filed your complaint, you do not have to wait for the recipient to issue that Notice before filing a complaint with CRC. However, you must file your CRC complaint within 30 days of the 90-day deadline (in other words, within 120 days after the day on which you filed your complaint with the recipient).

If the recipient does give you a written Notice of Final Action on your complaint, but you are dissatisfied with the decision or resolution, you may file a complaint with CRC. You must file your CRC complaint within 30 days of the date on which you received the Notice of Final Action.

§ 37.31 Where must the notice required by §§ 37.29 and 37.30 be published?

(a) At a minimum, the notice required by §§ 37.29 and 37.30 must be:

(1) Posted prominently, in reasonable numbers and places;

(2) Disseminated in internal memoranda and other written or electronic communications;

(3) Included in handbooks or manuals; and

(4) Made available to each participant, and made part of each participant's file.

(b) The notice must be provided in appropriate formats to individuals with visual impairments. Where notice has been given in an alternate format to a participant with a visual impairment, a record that such notice has been given must be made a part of the participant's file.

§ 37.32 When must the notice required by §§ 37.29 and 37.30 be provided?

The notice required by §§ 37.29 and 37.30 must be initially provided within 90 days of the effective date of this part, or of the date this part first applies to the recipient, whichever comes later.

§ 37.33 Who is responsible for meeting the notice requirement with respect to service providers?

The Governor or the LWIA grant recipient, as determined by the Governor and as provided in that State's Methods of Administration, will be responsible for meeting the notice requirement provided in Sections 37.29 and 37.30 with respect to a State's service providers.

§ 37.34 What type of notice must a recipient include in publications, broadcasts, and other communications?

(a) Recipients must indicate that the WIA Title I-financially assisted program or activity in question is an “equal opportunity employer/program,” and that “auxiliary aids and services are available upon request to individuals with disabilities,” in recruitment brochures and other materials that are ordinarily distributed or communicated in written and/or oral form, electronically and/or on paper, to staff, clients, or the public at large, to describe programs financially assisted under Title I of WIA or the requirements for participation by recipients and participants. Where such materials indicate that the recipient may be reached by telephone, the materials must state the telephone number of the TDD/TTY or relay service used by the recipient, as required by § 37.9(c).

(b) Recipients that publish or broadcast program information in the news media must ensure that such publications and broadcasts state that the WIA Title I-financially assisted program or activity in question is an equal opportunity employer/program (or otherwise indicate that discrimination in the WIA Title I-financially assisted program or activity is prohibited by Federal law), and indicate that auxiliary aids and services are available upon request to individuals with disabilities.

(c) A recipient must not communicate any information that suggests, by text or illustration, that the recipient treats beneficiaries, registrants, applicants, participants, employees or applicants for employment differently on any prohibited ground specified in § 37.5, except as such treatment is otherwise permitted under Federal law or this part.

§ 37.35 What are a recipient’s responsibilities to provide services and information in languages other than English?

(a) A significant number or proportion of the population eligible to be served, or likely to be directly affected, by a WIA Title I-financially assisted program or activity may need services

or information in a language other than English in order to be effectively informed about, or able to participate in, the program or activity. Where such a significant number or proportion exists, a recipient must take the following actions:

(1) Consider:

(i) The scope of the program or activity, and

(ii) The size and concentration of the population that needs services or information in a language other than English; and

(2) Based on those considerations, take reasonable steps to provide services and information in appropriate languages. This information must include the initial and continuing notice required under §§ 37.29 and 37.30, and all information that is communicated under § 37.34.

(b) In circumstances other than those described in paragraph (a) of this section, a recipient should nonetheless make reasonable efforts to meet the particularized language needs of limited-English-speaking individuals who seek services or information from the recipient.

§ 37.36 What responsibilities does a recipient have to communicate information during orientations?

During each presentation to orient new participants, new employees, and/or the general public to its WIA Title I-financially assisted program or activity, a recipient must include a discussion of rights under the nondiscrimination and equal opportunity provisions of WIA and this part, including the right to file a complaint of discrimination with the recipient or the Director.

DATA AND INFORMATION COLLECTION AND MAINTENANCE

§ 37.37 What are a recipient’s responsibilities to collect and maintain data and other information?

(a) The Director will not require submission of data that can be obtained from existing reporting requirements or sources, including those of other agencies, if the source is known and available to the Director.

(b)(1) Each recipient must collect such data and maintain such records,

§ 37.38

in accordance with procedures prescribed by the Director, as the Director finds necessary to determine whether the recipient has complied or is complying with the nondiscrimination and equal opportunity provisions of WIA or this part. The system and format in which the records and data are kept must be designed to allow the Governor and CRC to conduct statistical or other quantifiable data analyses to verify the recipient's compliance with section 188 of WIA and this part.

(2) Such records must include, but are not limited to, records on applicants, registrants, eligible applicants/registrants, participants, terminees, employees, and applicants for employment. Each recipient must record the race/ethnicity, sex, age, and where known, disability status, of every applicant, registrant, eligible applicant/registrant, participant, terminee, applicant for employment, and employee. Such information must be stored in a manner that ensures confidentiality, and must be used only for the purposes of recordkeeping and reporting; determining eligibility, where appropriate, for WIA Title I-financially assisted programs or activities; determining the extent to which the recipient is operating its WIA Title I-financially assisted program or activity in a non-discriminatory manner; or other use authorized by law.

(c) Each recipient must maintain, and submit to CRC upon request, a log of complaints filed with it that allege discrimination on the ground(s) of race, color, religion, sex, national origin, age, disability, political affiliation or belief, citizenship, and/or participation in a WIA Title I-financially assisted program or activity. The log must include: the name and address of the complainant; the ground of the complaint; a description of the complaint; the date the complaint was filed; the disposition and date of disposition of the complaint; and other pertinent information. Information that could lead to identification of a particular individual as having filed a complaint must be kept confidential.

(d) Where designation of individuals by race or ethnicity is required, the guidelines of the Office of Management and Budget must be used.

29 CFR Subtitle A (7-1-21 Edition)

(e) A service provider's responsibility for collecting and maintaining the information required under this section may be assumed by the Governor or LWIA grant recipient, as provided in the State's Methods of Administration.

§ 37.38 What information must grant applicants and recipients provide to CRC?

In addition to the information which must be collected, maintained, and, upon request, submitted to CRC under § 37.37:

(a) Each grant applicant and recipient must promptly notify the Director when any administrative enforcement actions or lawsuits are filed against it alleging discrimination on the ground of race, color, religion, sex, national origin, age, disability, political affiliation or belief, and for beneficiaries only, citizenship or participation in a WIA Title I-financially assisted program or activity. This notification must include:

(1) The names of the parties to the action or lawsuit;

(2) The forum in which each case was filed; and

(3) The relevant case numbers.

(b) Each grant applicant (as part of its application) and recipient (as part of a compliance review conducted under § 37.63, or monitoring activity carried out under § 37.65) must provide the following information:

(1) The name of any other Federal agency that conducted a civil rights compliance review or complaint investigation, and that found the grant applicant or recipient to be in noncompliance, during the two years before the grant application was filed or CRC began its examination; and

(2) Information about any administrative enforcement actions or lawsuits that alleged discrimination on any protected basis, and that were filed against the grant applicant or recipient during the two years before the application or renewal application, compliance review, or monitoring activity. This information must include:

(i) The names of the parties;

(ii) The forum in which each case was filed; and

(iii) The relevant case numbers.

(c) At the discretion of the Director, grant applicants and recipients may be required to provide, in a timely manner, any information and data necessary to investigate complaints and conduct compliance reviews on grounds prohibited under the nondiscrimination and equal opportunity provisions of WIA and this part.

(d) At the discretion of the Director, recipients may be required to provide, in a timely manner, the particularized information and/or to submit the periodic reports that the Director considers necessary to determine compliance with the nondiscrimination and equal opportunity provisions of WIA or this part.

(e) At the discretion of the Director, grant applicants may be required to submit, in a timely manner, the particularized information necessary to determine whether or not the grant applicant, if financially assisted, would be able to comply with the nondiscrimination and equal opportunity provisions of WIA or this part.

(f) Where designation of individuals by race or ethnicity is required, the guidelines of the Office of Management and Budget must be used.

§ 37.39 How long must grant applicants and recipients maintain the records required under this part?

(a) Each recipient must maintain the following records for a period of not less than three years from the close of the applicable program year:

(1) The records of applicants, registrants, eligible applicants/registrants, participants, terminees, employees, and applicants for employment; and

(2) Such other records as are required under this part or by the Director.

(b) Records regarding complaints and actions taken on the complaints must be maintained for a period of not less than three years from the date of resolution of the complaint.

§ 37.40 What access to sources of information must grant applicants and recipients provide the Director?

(a) Each grant applicant and recipient must permit access by the Director during normal business hours to its premises and to its employees and par-

ticipants, to the extent that such individuals are on the premises during the course of the investigation, for the purpose of conducting complaint investigations, compliance reviews, monitoring activities associated with a State's development and implementation of a Methods of Administration, and inspecting and copying such books, records, accounts and other materials as may be pertinent to ascertain compliance with and ensure enforcement of the nondiscrimination and equal opportunity provisions of WIA or this part.

(b) Asserted considerations of privacy or confidentiality are not a basis for withholding information from CRC and will not bar CRC from evaluating or seeking to enforce compliance with the nondiscrimination and equal opportunity provisions of WIA and this part.

(c) Whenever any information that the Director asks a grant applicant or recipient to provide is in the exclusive possession of another agency, institution, or person, and that agency, institution, or person fails or refuses to furnish the information upon request, the grant applicant or recipient must certify to CRC that it has made efforts to obtain the information and that the agency, institution, or person has failed or refused to provide it. This certification must list the name and address of the agency, institution, or person that has possession of the information and the specific efforts the grant applicant or recipient made to obtain it.

§ 37.41 What responsibilities do grant applicants, recipients, and the Department have to maintain the confidentiality of the information collected?

The identity of any individual who furnishes information relating to, or assisting in, an investigation or a compliance review, including the identity of any individual who files a complaint, must be kept confidential to the extent possible, consistent with a fair determination of the issues. An individual whose identity it is necessary to disclose must be protected from retaliation (see § 37.11).

§ 37.42

§ 37.42 What are a recipient's responsibilities under this part to provide universal access to WIA Title I-financially assisted programs and activities?

Recipients must take appropriate steps to ensure that they are providing universal access to their WIA Title I-financially assisted programs and activities. These steps should involve reasonable efforts to include members of both sexes, various racial and ethnic groups, individuals with disabilities, and individuals in differing age groups. Such efforts may include, but are not limited to:

- (a) Advertising the recipient's programs and/or activities in media, such as newspapers or radio programs, that specifically target various populations;
- (b) Sending notices about openings in the recipient's programs and/or activities to schools or community service groups that serve various populations; and
- (c) Consulting with appropriate community service groups about ways in which the recipient may improve its outreach and service to various populations.

Subpart C—Governor's Responsibilities To Implement the Nondiscrimination and Equal Opportunity Requirements of WIA

§ 37.50 To whom does this subpart apply?

This subpart applies to State Programs as defined in § 37.4. However, the provisions of § 37.52(b) do not apply to State Employment Security Agencies (SESAs), because the Governor's liability for any noncompliance on the part of a SESA cannot be waived.

§ 37.51 What are a Governor's oversight responsibilities?

The Governor is responsible for oversight of all WIA Title I-financially assisted State programs. This responsibility includes ensuring compliance with the nondiscrimination and equal opportunity provisions of WIA and this part, and negotiating, where appropriate, with a recipient to secure voluntary compliance when noncompliance is found under § 37.95(b).

29 CFR Subtitle A (7-1-21 Edition)

§ 37.52 To what extent may a Governor be liable for the actions of a recipient he or she has financially assisted under WIA Title I?

(a) The Governor and the recipient are jointly and severally liable for all violations of the nondiscrimination and equal opportunity provisions of WIA and this part by the recipient, unless the Governor has:

- (1) Established and adhered to a Methods of Administration, under § 37.54, designed to give reasonable guarantee of the recipient's compliance with such provisions;
- (2) Entered into a written contract with the recipient that clearly establishes the recipient's obligations regarding nondiscrimination and equal opportunity;
- (3) Acted with due diligence to monitor the recipient's compliance with these provisions; and
- (4) Taken prompt and appropriate corrective action to effect compliance.

(b) If the Director determines that the Governor has demonstrated substantial compliance with the requirements of paragraph (a) of this section, he or she may recommend to the Secretary that the imposition of sanctions against the Governor be waived and that sanctions be imposed only against the noncomplying recipient.

§ 37.53 What are a Governor's oversight responsibilities regarding recipients' recordkeeping?

The Governor must ensure that recipients collect and maintain records in a manner consistent with the provisions of § 37.37 and any procedures prescribed by the Director under § 37.37(b). The Governor must further ensure that recipients are able to provide data and reports in the manner prescribed by the Director.

§ 37.54 What are a Governor's obligations to develop and maintain a Methods of Administration?

(a) (1) Each Governor must establish and adhere to a Methods of Administration for State programs as defined in § 37.4. In those States in which one

agency contains both SESA or unemployment insurance and WIA Title I—financially assisted programs, the Governor should develop a combined Methods of Administration.

(2) Each Methods of Administration must be designed to give a reasonable guarantee that all recipients will comply, and are complying, with the non-discrimination and equal opportunity provisions of WIA and this part.

(b) The Methods of Administration must be:

(1) In writing, addressing each requirement of § 37.54(d) with narrative and documentation;

(2) Reviewed and updated as required in § 37.55; and

(3) Signed by the Governor.

(c) [Reserved]

(d) At a minimum, each Methods of Administration must:

(1) Describe how the State programs and recipients have satisfied the requirements of the following regulations:

(i) Sections 37.20 through 37.22 (assurances);

(ii) Sections 37.23 through 37.28 (Equal Opportunity Officers);

(iii) Sections 37.29 through 37.36 (Notice and Communication);

(iv) Sections 37.37 through 37.41 (Data and Information Collection and Maintenance);

(v) Section 37.42 (Universal Access);

(vi) Section 37.53 (Governor's Oversight Responsibilities Regarding Recipients' Recordkeeping); and

(vii) Sections 37.76 through 37.79 (Complaint Processing Procedures); and

(2) Include the following additional elements:

(i) A system for determining whether a grant applicant, if financially assisted, and/or a training provider, if selected as eligible under section 122 of the Act, is likely to conduct its WIA Title I—financially assisted programs or activities in a nondiscriminatory way, and to comply with the regulations in this part;

(ii) A system for periodically monitoring the compliance of recipients with WIA section 188 and this part, including a determination as to whether each recipient is conducting its WIA Title I—financially assisted program or

activity in a nondiscriminatory way. At a minimum, each periodic monitoring review required by this paragraph must include:

(A) A statistical or other quantifiable analysis of records and data kept by the recipient under § 37.37, including analyses by race/ethnicity, sex, age, and disability status;

(B) An investigation of any significant differences identified in paragraph (A) of this section in participation in the programs, activities, or employment provided by the recipient, to determine whether these differences appear to be caused by discrimination. This investigation must be conducted through review of the recipient's records and any other appropriate means; and

(C) An assessment to determine whether the recipient has fulfilled its administrative obligations under section 188 or this part (for example, recordkeeping, notice and communication) and any duties assigned to it under the MOA;

(iii) A review of recipient policy issuances to ensure they are non-discriminatory;

(iv) A system for reviewing recipients' job training plans, contracts, assurances, and other similar agreements to ensure that they are both non-discriminatory and contain the required language regarding non-discrimination and equal opportunity;

(v) Procedures for ensuring that recipients comply with the requirements of Section 504 and this part with regard to individuals with disabilities;

(vi) A system of policy communication and training to ensure that EO Officers and members of the recipients' staffs who have been assigned responsibilities under the nondiscrimination and equal opportunity provisions of WIA or this part are aware of and can effectively carry out these responsibilities;

(vii) Procedures for obtaining prompt corrective action or, as necessary, applying sanctions when noncompliance is found; and

(viii) Supporting documentation to show that the commitments made in the Methods of Administration have been and/or are being carried out. This

§ 37.55

supporting documentation includes, but is not limited to:

(A) Policy and procedural issuances concerning required elements of the Methods of Administration;

(B) Copies of monitoring instruments and instructions;

(C) Evidence of the extent to which nondiscrimination and equal opportunity policies have been developed and communicated as required by this part;

(D) Information reflecting the extent to which Equal Opportunity training, including training called for by §§ 37.25(f) and 37.26(c), is planned and/or has been carried out;

(E) Reports of monitoring reviews and reports of follow-up actions taken under those reviews where violations have been found, including, where appropriate, sanctions; and

(F) Copies of any notices made under §§ 37.29 through 37.36.

§ 37.55 When must the Governor carry out his or her obligations with regard to the Methods of Administration?

(a) Within 180 days of either the date on which this interim final rule is effective, or the date on which the Department gives final approval to a State's Five-Year Plan, whichever is later, a Governor must:

(1) Develop and implement a Methods of Administration consistent with the requirements of this part, and

(2) Submit a copy of the Methods of Administration to the Director.

(b) The Governor must promptly update the Methods of Administration whenever necessary, and must notify the Director in writing at the time that any such updates are made.

(c) Every two years from the date on which the initial MOA is submitted to the Director under § 37.55(a)(2), the Governor must review the Methods of Administration and the manner in which it has been implemented, and determine whether any changes are necessary in order for the State to comply fully and effectively with the nondiscrimination and equal opportunity provisions of WIA and this part.

(1) If any such changes are necessary, the Governor must make the appropriate changes and submit them, in writing, to the Director.

29 CFR Subtitle A (7-1-21 Edition)

(2) If the Governor determines that no such changes are necessary, s/he must certify, in writing, to the Director that the Methods of Administration previously submitted continues in effect.

Subpart D—Compliance Procedures

§ 37.60 How does the Director evaluate compliance with the nondiscrimination and equal opportunity provisions of WIA and this part?

From time to time, the Director may conduct pre-approval compliance reviews of grant applicants for, and post-approval compliance reviews of recipients of, WIA Title I financial assistance, to determine compliance with the nondiscrimination and equal opportunity provisions of WIA and this part. Reviews may focus on one or more specific programs or activities, or one or more issues within a program or activity. The Director may also investigate and resolve complaints alleging violations of the nondiscrimination and equal opportunity provisions of WIA and this part.

§ 37.61 Is there authority to issue subpoenas?

Yes, section 183(c) of WIA authorizes the issuance of subpoenas. A subpoena may direct the individual named on the subpoena to take the following actions:

(a) To appear:

(1) Before a designated CRC representative,

(2) At a designated time and place;

(b) To give testimony; and/or

(c) To produce documentary evidence.

The subpoena may require the appearance of witnesses, and the production of documents, from any place in the United States, at any designated time and place.

COMPLIANCE REVIEWS

§ 37.62 What are the authority and procedures for conducting pre-approval compliance reviews?

(a) As appropriate and necessary to ensure compliance with the nondiscrimination and equal opportunity

provisions of WIA or this part, the Director may review any application, or class of applications, for Federal financial assistance under Title I of WIA, before and as a condition of their approval. The basis for such review may be the assurance specified in §37.20, information and reports submitted by the grant applicant under this part or guidance published by the Director, and any relevant records on file with the Department.

(b) Where the Director determines that the grant applicant for Federal financial assistance under WIA Title I, if financially assisted, might not comply with the nondiscrimination and equal opportunity requirements of WIA or this part, the Director must:

(1) Notify, in a timely manner, the Departmental grantmaking agency and the Assistant Attorney General of the findings of the pre-approval compliance review; and

(2) Issue a Letter of Findings. The Letter of Findings must advise the grant applicant, in writing, of:

(i) The preliminary findings of the review;

(ii) The proposed remedial or corrective action under Section 37.94 and the time within which the remedial or corrective action should be completed;

(iii) Whether it will be necessary for the grant applicant to enter into a written Conciliation Agreement as described in §§37.95 and 37.97; and

(iv) The opportunity to engage in voluntary compliance negotiations.

(c) If a grant applicant has agreed to certain remedial or corrective actions in order to receive WIA Title I-funded Federal financial assistance, the Department must ensure that the remedial or corrective actions have been taken, or that a Conciliation Agreement has been entered into, before approving the award of further assistance under WIA Title I. If a grant applicant refuses or fails to take remedial or corrective actions or to enter into a Conciliation Agreement, as applicable, the Director must follow the procedures outlined in §§37.98 through 37.100.

§37.63 What are the authority and procedures for conducting post-approval compliance reviews?

(a) The Director may initiate a post-approval compliance review of any recipient to determine compliance with the nondiscrimination and equal opportunity provisions of WIA and this part. The initiation of a post-approval review may be based on, but need not be limited to, the results of routine program monitoring by other Departmental or Federal agencies, or the nature or frequency of complaints.

(b) A post-approval review must be initiated by a Notification Letter, advising the recipient of:

(1) The practices to be reviewed;

(2) The programs to be reviewed;

(3) The information, records, and/or data to be submitted by the recipient within 30 days of the receipt of the Notification Letter, unless this time frame is modified by the Director; and

(4) The opportunity, at any time before receipt of the Final Determination described in §§37.99 and 37.100, to make a documentary or other submission that explains, validates or otherwise addresses the practices under review.

(c) The Director may conduct post-approval reviews using such techniques as desk audits and on-site reviews.

§37.64 What procedures must the Director follow when CRC has completed a post-approval compliance review?

(a) Where, as the result of a post-approval review, the Director has made a finding of noncompliance, he or she must issue a Letter of Findings. This Letter must advise the recipient, in writing, of:

(1) The preliminary findings of the review;

(2) Where appropriate, the proposed remedial or corrective action to be taken, and the time by which such action should be completed, as provided in §37.94;

(3) Whether it will be necessary for the recipient to enter into a written assurance and/or Conciliation Agreement, as provided in §§37.96 and 37.97; and

(4) The opportunity to engage in voluntary compliance negotiations.

§ 37.65

(b) Where no violation is found, the recipient must be so informed in writing.

§ 37.65 What is the Director's authority to monitor the activities of a Governor?

(a) The Director may periodically review the adequacy of the Methods of Administration established by a Governor, as well as the adequacy of the Governor's performance under the Methods of Administration, to determine compliance with the requirements of §§ 37.50 through 37.55. The Director may review the Methods of Administration during a compliance review under §§ 37.62 and 37.63, or at another time.

(b) Nothing in this subpart limits or precludes the Director from monitoring directly any WIA Title I recipient or from investigating any matter necessary to determine a recipient's compliance with the nondiscrimination and equal opportunity provisions of WIA or this part.

§ 37.66 What happens if a recipient fails to submit requested data, records, and/or information, or fails to provide CRC with the required access?

The Director may issue a Notice to Show Cause to a recipient failing to comply with the requirements of this part, where such failure results in the inability of the Director to make a finding. Such a failure includes, but is not limited to, the recipient's failure or refusal to:

(a) Submit requested information, records, and/or data within 30 days of receiving a Notification Letter;

(b) Submit, in a timely manner, information, records, and/or data requested during a compliance review, complaint investigation, or other action to determine a recipient's compliance with the nondiscrimination and equal opportunity provisions of WIA or this part; or

(c) Provide CRC access in a timely manner to a recipient's premises, records, or employees during a compliance review, as required in § 37.40.

29 CFR Subtitle A (7-1-21 Edition)

§ 37.67 What information must a Notice to Show Cause contain?

(a) A Notice to Show Cause must contain:

(1) A description of the violation and a citation to the pertinent nondiscrimination or equal opportunity provision(s) of WIA and this part;

(2) The corrective action necessary to achieve compliance or, as may be appropriate, the concepts and principles of acceptable corrective or remedial action and the results anticipated; and

(3) A request for a written response to the findings, including commitments to corrective action or the presentation of opposing facts and evidence.

(b) A Notice to Show Cause must give the recipient 30 days to show cause why enforcement proceedings under the nondiscrimination and equal opportunity provisions of WIA or this part should not be instituted.

§ 37.68 How may a recipient show cause why enforcement proceedings should not be instituted?

A recipient may show cause why enforcement proceedings should not be instituted by, among other means:

(a) Correcting the violation(s) that brought about the Notice to Show Cause and entering into a written assurance and/or entering into a Conciliation Agreement, as appropriate, under §§ 37.95 through 37.97;

(b) Demonstrating that CRC does not have jurisdiction; or

(c) Demonstrating that the violation alleged by CRC did not occur.

§ 37.69 What happens if a recipient fails to show cause?

If the recipient fails to show cause why enforcement proceedings should not be initiated, the Director must follow the enforcement procedures outlined in §§ 37.99 and 37.100.

COMPLAINT PROCESSING PROCEDURES

§ 37.70 Who may file a complaint concerning discrimination connected with WIA Title I?

Any person who believes that either he or she, or any specific class of individuals, has been or is being subjected to discrimination prohibited by WIA or

this part, may file a written complaint, either by him/herself or through a representative.

§ 37.71 Where may a complaint be filed?

A complainant may file a complaint with either the recipient or the Director. Complaints filed with the Director should be sent to the address listed in the notice in § 37.30.

§ 37.72 When must a complaint be filed?

Generally, a complaint must be filed within 180 days of the alleged discrimination. However, for good cause shown, the Director may extend the filing time. The time period for filing is for the administrative convenience of CRC, and does not create a defense for the respondent.

§ 37.73 What information must a complaint contain?

Each complaint must be filed in writing, and must contain the following information:

- (a) The complainant's name and address (or another means of contacting the complainant);
- (b) The identity of the respondent (the individual or entity that the complainant alleges is responsible for the discrimination);
- (c) A description of the complainant's allegations. This description must include enough detail to allow the Director or the recipient, as applicable, to decide whether:
 - (i) CRC or the recipient, as applicable, has jurisdiction over the complaint;
 - (ii) The complaint was filed in time; and
 - (iii) The complaint has apparent merit; in other words, whether the complainant's allegations, if true, would violate any of the non-discrimination and equal opportunity provisions of WIA or this part; and
- (d) The complainant's signature or the signature of the complainant's authorized representative.

§ 37.74 Are there any forms that a complainant may use to file a complaint?

Yes. A complainant may file a complaint by completing and submitting CRC's Complaint Information and Privacy Act Consent Forms, which may be obtained either from the recipient's EO Officer, or from CRC at the address listed in the notice contained in § 37.30.

§ 37.75 Is there a right of representation in the complaint process?

Yes. Both the complainant and the respondent have the right to be represented by an attorney or other individual of their choice.

§ 37.76 What are the required elements of a recipient's discrimination complaint processing procedures?

- (a) The procedures that a recipient adopts and publishes must provide that the recipient will issue a written Notice of Final Action on discrimination complaints within 90 days of the date on which the complaint is filed.
 - (b) At a minimum, the procedures must include the following elements:
 - (1) Initial, written notice to the complainant that contains the following information:
 - (i) An acknowledgment that the recipient has received the complaint, and
 - (ii) Notice that the complainant has the right to be represented in the complaint process;
 - (2) A written statement of the issue(s), provided to the complainant, that includes the following information:
 - (i) A list of the issues raised in the complaint, and
 - (ii) For each such issue, a statement whether the recipient will accept the issue for investigation or reject the issue, and the reasons for each rejection;
 - (3) A period for fact-finding or investigation of the circumstances underlying the complaint;
 - (4) A period during which the recipient attempts to resolve the complaint. The methods available to resolve the complaint must include alternative dispute resolution (ADR), as described in paragraph (c) of this section
 - (5) A written Notice of Final Action, provided to the complainant within 90

§ 37.77

days of the date on which the complaint was filed, that contains the following information:

(i) For each issue raised in the complaint, a statement of either:

(A) The recipient's decision on the issue and an explanation of the reasons underlying the decision, or

(B) A description of the way the parties resolved the issue; and

(ii) Notice that the complainant has a right to file a complaint with CRC within 30 days of the date on which the Notice of Final Action is issued if he or she is dissatisfied with the recipient's final action on the complaint.

(c) The procedures the recipient adopts must provide for alternative dispute resolution (ADR). The recipient's ADR procedures must provide that:

(1) The choice whether to use ADR or the customary process rests with the complainant;

(2) A party to any agreement reached under ADR may file a complaint with the Director in the event the agreement is breached. In such circumstances, the following rules will apply:

(i) The non-breaching party may file a complaint with the Director within 30 days of the date on which the non-breaching party learns of the alleged breach;

(ii) The Director must evaluate the circumstances to determine whether the agreement has been breached. If he or she determines that the agreement has been breached, the complainant may file a complaint with CRC based upon his/her original allegation(s), and the Director will waive the time deadline for filing such a complaint.

(3) If the parties do not reach an agreement under ADR, the complainant may file a complaint with the Director as described in §§ 37.71 through 37.74.

§ 37.77 Who is responsible for developing and publishing complaint processing procedures for service providers?

The Governor or the LWIA grant recipient, as provided in the State's Methods of Administration, must develop and publish, on behalf of its service providers, the complaint processing procedures required in § 37.76. The serv-

29 CFR Subtitle A (7-1-21 Edition)

ice providers must then follow those procedures.

§ 37.78 Does a recipient have any special obligations in cases in which the recipient determines that it has no jurisdiction over a complaint?

Yes. If a recipient determines that it does not have jurisdiction over a complaint, it must notify the complainant, in writing, immediately. This Notice of Lack of Jurisdiction must include:

(a) A statement of the reasons for that determination, and

(b) Notice that the complainant has a right to file a complaint with CRC within 30 days of the date on which the complainant receives the Notice.

§ 37.79 If, before the 90-day period has expired, a recipient issues a Notice of Final Action with which the complainant is dissatisfied, how long does the complainant have to file a complaint with the Director?

If, during the 90-day period, the recipient issues its Notice of Final Action, but the complainant is dissatisfied with the recipient's decision on the complaint, the complainant or his/her representative may file a complaint with the Director within 30 days after the date on which the complainant receives the Notice.

§ 37.80 What happens if a recipient fails to issue a Notice of Final Action within 90 days of the date on which a complaint was filed?

If, by the end of 90 days from the date on which the complainant filed the complaint, the recipient has failed to issue a Notice of Final Action, the complainant or his/her representative may file a complaint with the Director within 30 days of the expiration of the 90-day period. In other words, the complaint must be filed with the Director within 120 days of the date on which the complaint was filed with the recipient.

§ 37.81 Are there any circumstances under which the Director may extend the time limit for filing a complaint with him or her?

Yes. The Director may extend the 30-day time limit:

(a) If the recipient does not include in its Notice of Final Action the required notice about the complainant's right to file with the Director, as described in § 37.76(b)(5)(ii); or

(b) For other good cause shown.

The complainant has the burden of proving to the Director that the time limit should be extended.

§ 37.82 Does the Director accept every complaint for resolution?

No. The Director must determine whether CRC will accept a particular complaint for resolution. For example, a complaint need not be accepted if:

(a) It has not been timely filed;

(b) CRC has no jurisdiction over the complaint; or

(c) CRC has previously decided the matter.

§ 37.83 What happens if a complaint does not contain enough information?

(a) If a complaint does not contain enough information, the Director must try to get the needed information from the complainant.

(b) The Director may close the complainant's file, without prejudice, if:

(1) The Director makes reasonable efforts to try to find the complainant, but is unable to reach him or her; or

(2) The complainant does not provide the needed information to CRC within the time specified in the request for more information.

(c) If the Director closes the complainant's file, he or she must send written notice to the complainant's last known address.

§ 37.84 What happens if CRC does not have jurisdiction over a complaint?

If CRC does not have jurisdiction over a complaint, the Director must:

(a) Notify the complainant and explain why the complaint falls outside the coverage of the nondiscrimination and equal opportunity provisions of WIA or this part; and

(b) Where possible, transfer the complaint to an appropriate Federal, State or local authority.

§ 37.85 Are there any other circumstances in which the Director will send a complaint to another authority?

Yes. The Director refers complaints to other agencies in the following circumstances:

(a) Where the complaint alleges discrimination based on age, and the complaint falls within the jurisdiction of the Age Discrimination Act of 1975, as amended, then the Director must refer the complaint, in accordance with the provisions of 45 CFR 90.43(c)(3).

(b) Where the only allegation in the complaint is a charge of individual employment discrimination that is covered both by WIA or this part and by one or more of the laws listed below, then the complaint is a "joint complaint," and the Director may refer it to the EEOC for investigation and conciliation under the procedures described in 29 CFR part 1640 or 1691, as appropriate. The relevant laws are:

(1) Title VII of the Civil Rights Act of 1964, as amended (42 U.S.C. 2000e to 2000e-17);

(2) The Equal Pay Act of 1963, as amended (29 U.S.C. 206(d));

(3) The Age Discrimination in Employment Act of 1976, as amended (29 U.S.C. 621, *et seq.*); and

(4) Title I of the Americans with Disabilities Act of 1990, as amended (42 U.S.C. 12101 *et seq.*).

(c) Where the complaint alleges discrimination by an entity that operates a program or activity financially assisted by a Federal grantmaking agency other than the Department, but that participates as a partner in a One-Stop delivery system, the following procedures apply:

(1) Where the complaint alleges discrimination on a basis that is prohibited both by Section 188 of WIA and by a civil rights law enforced by the Federal grantmaking agency, then CRC and the grantmaking agency have dual jurisdiction over the complaint, and the Director will refer the complaint to the grantmaking agency for processing. In such circumstances, the grantmaking agency's regulations will govern the processing of the complaint.

(2) Where the complaint alleges discrimination on a basis that is prohibited by Section 188 of WIA, but not by

§ 37.86

any civil rights laws enforced by the Federal grantmaking agency, then CRC has sole jurisdiction over the complaint, and will retain the complaint and process it pursuant to this part. Such bases generally include religion, political affiliation or belief, citizenship, and/or participation in a WIA Title I-financially assisted program or activity.

(d) Where the Director makes a referral under this section, he or she must notify the complainant and the respondent about the referral.

§ 37.86 What must the Director do if he or she determines that a complaint will not be accepted?

If a complaint will not be accepted, the Director must notify the complainant, in writing, about that fact, and provide the complainant his/her reasons for making that determination.

§ 37.87 What must the Director do if he or she determines that a complaint will be accepted?

If the Director accepts the complaint for resolution, he or she must notify the complainant, the respondent, and the grantmaking agency. The notice must:

- (a) State that the complaint will be accepted;
- (b) Identify the issues over which CRC has accepted jurisdiction; and
- (c) Explain the reasons why any issues were rejected.

§ 37.88 Who may contact CRC about a complaint?

Both the complainant and the respondent, or their authorized representatives, may contact CRC for information about the complaint. The Director will determine what information, if any, about the complaint will be released.

§ 37.89 May the Director offer the parties to a complaint the option of mediation?

Yes. The Director may offer the parties to a complaint the option of mediating the complaint. In such circumstances, the following rules apply:

- (a) Mediation is voluntary; the parties must consent before the mediation process will proceed.

29 CFR Subtitle A (7-1-21 Edition)

(b) The mediation will be conducted under guidance issued by the Director.

(c) If the parties are unable to reach resolution of the complaint through mediation, CRC will investigate and process the complaint under §§ 37.82 through 37.88 of this part.

DETERMINATIONS

§ 37.90 If a complaint is investigated, what must the Director do when the investigation is completed?

At the conclusion of the investigation of the complaint, the Director must take the following actions:

- (a) Determine whether there is reasonable cause to believe that the respondent has violated the nondiscrimination and equal opportunity provisions of WIA or this part; and
- (b) Notify the complainant, the respondent, and the grantmaking agency, in writing, of that determination.

§ 37.91 What notice must the Director issue if he or she finds reasonable cause to believe that a violation has taken place?

If the Director finds reasonable cause to believe that the respondent has violated the nondiscrimination and equal opportunity provisions of WIA or this part, he or she must issue an Initial Determination. The Initial Determination must include:

- (a) The specific findings of the investigation;
- (b) The corrective or remedial action that the Department proposes to the respondent, under § 37.94;
- (c) The time by which the respondent must complete the corrective or remedial action;
- (d) Whether it will be necessary for the respondent to enter into a written agreement under § 37.95 and 37.96; and
- (e) The opportunity to engage in voluntary compliance negotiations.

§ 37.92 What notice must the Director issue if he or she finds no reasonable cause to believe that a violation has taken place?

If the Director determines that there is no reasonable cause to believe that a violation has taken place, he or she must issue a Final Determination under § 37.100. The Final Determination

Office of the Secretary of Labor

§ 37.95

represents the Department's final agency action on the complaint.

§ 37.93 What happens if the Director finds that a violation has taken place, and the recipient fails or refuses to take the corrective action listed in the Initial Determination?

Under such circumstances, the Department must take the actions described in § 37.99 of this part.

§ 37.94 What corrective or remedial actions may be imposed where, after a compliance review or complaint investigation, the Director finds a violation of the nondiscrimination and equal opportunity provisions of WIA or this part?

(a) A Letter of Findings, Notice to Show Cause, or Initial Determination, issued under § 37.62 or §§ 37.63, 37.66 and 37.67, or § 37.91 respectively, must include the specific steps the grant applicant or recipient, as applicable, must take within a stated period of time in order to achieve voluntary compliance.

(b) Such steps must include:

(1) Actions to end and/or redress the violation of the nondiscrimination and equal opportunity provisions of WIA or this part;

(2) Make whole relief where discrimination has been identified, including, as appropriate, back pay (which must not accrue from a date more than 2 years before the filing of the complaint or the initiation of a compliance review) or other monetary relief; hire or reinstatement; retroactive seniority; promotion; benefits or other services discriminatorily denied; and

(3) Such other remedial or affirmative relief as the Director deems necessary, including but not limited to outreach, recruitment and training designed to ensure equal opportunity.

(c) Monetary relief may not be paid from Federal funds.

§ 37.95 What procedures apply if the Director finds that a recipient has violated the nondiscrimination and equal opportunity provisions of WIA or this part?

(a) *Violations at State level.* Where the Director has determined that a violation of the nondiscrimination and equal opportunity provisions of WIA or this part has occurred at the State

level, he or she must notify the Governor through the issuance of a Letter of Findings, Notice to Show Cause or Initial Determination, as appropriate, under § 37.62 or §§ 37.63, 37.66 and 37.67, or § 37.91, respectively. The Director may secure compliance with the nondiscrimination and equal opportunity provisions of WIA and this part through, among other means, the execution of a written assurance and/or Conciliation Agreement, under paragraph (d) of this section.

(b) *Violations below State level.* Where the Director has determined that a violation of the nondiscrimination and equal opportunity provisions of WIA or this part has occurred below the State level, the Director must so notify the Governor and the violating recipient(s) through the issuance of a Letter of Findings, Notice to Show Cause or Initial Determination, as appropriate, under § 37.62 or §§ 37.63, 37.66 and 37.67, or § 37.91, respectively.

(1) Such issuance must:

(i) Direct the Governor to initiate negotiations immediately with the violating recipient(s) to secure compliance by voluntary means;

(ii) Direct the Governor to complete such negotiations within 30 days of the Governor's receipt of the Notice to Show Cause or within 45 days of the Governor's receipt of the Letter of Findings or Initial Determination, as applicable. The Director reserves the right to enter into negotiations with the recipient at any time during the period. For good cause shown, the Director may approve an extension of time to secure voluntary compliance. The total time allotted to secure voluntary compliance must not exceed 60 days.

(iii) Include a determination as to whether compliance must be achieved by:

(A) Immediate correction of the violation(s) and written assurance that such violations have been corrected, under § 37.96;

(B) Entering into a written Conciliation Agreement under § 37.97; or

(C) Both.

(2) If the Governor determines, at any time during the period described in paragraph (b)(1)(ii) of this section, that a recipient's compliance cannot be

§ 37.96

achieved by voluntary means, the Governor must so notify the Director.

(3) If the Governor is able to secure voluntary compliance under paragraph (b)(1) of this section, he or she must submit to the Director for approval, as applicable:

(i) Written assurance that the required action has been taken, as described in § 37.96;

(ii) A copy of the Conciliation Agreement, as described in § 37.97; or

(iii) Both.

(c) *Violations in National Programs.* Where the Director has determined that a violation of the nondiscrimination and equal opportunity provisions of WIA or this part has occurred in a National Program, he or she must notify the Federal grantmaking agency and the recipient by issuing a Letter of Findings, Notice to Show Cause, or Initial Determination, as appropriate, under § 37.62 or §§ 37.63, 37.66 and 37.67, or § 37.91, respectively. The Director may secure compliance with the nondiscrimination and equal opportunity provisions of WIA and this part through, among other means, the execution of a written assurance and/or Conciliation Agreement under § 37.96 or § 37.97, as applicable.

§ 37.96 What are the required elements of a written assurance?

A written assurance must provide documentation that the violations listed in the Letter of Findings, Notice to Show Cause or Initial Determination, as applicable, have been corrected.

§ 37.97 What are the required elements of a Conciliation Agreement?

A Conciliation Agreement must:

(a) Be in writing;

(b) Address each cited violation;

(c) Specify the corrective or remedial action to be taken within a stated period of time to come into compliance;

(d) Provide for periodic reporting on the status of the corrective and remedial action;

29 CFR Subtitle A (7-1-21 Edition)

(e) Provide that the violation(s) will not recur; and

(f) Provide for enforcement for a breach of the agreement.

§ 37.98 When will the Director conclude that compliance cannot be secured by voluntary means?

(b) The Director has not approved an extension of time for agreement on voluntary compliance, under § 37.95(b)(1)(ii), and he or she either:

(2) Has disapproved a written assurance or Conciliation Agreement, under § 37.95(b)(4); or

(3) Has received notice from the Governor, under § 37.95(b)(2), that the grant applicant or recipient will not comply voluntarily.

§ 37.99 If the Director concludes that compliance cannot be secured by voluntary means, what actions must he or she take?

If the Director concludes that compliance cannot be secured by voluntary means, he or she must either:

(a) Issue a Final Determination;

(b) Refer the matter to the Attorney General with a recommendation that an appropriate civil action be instituted; or

(c) Take such other action as may be provided by law.

§ 37.100 What information must a Final Determination contain?

(c) A list of any modifications to the findings of fact or conclusions that were set forth in the Initial Determination, Notice to Show Cause or Letter of Findings;

(d) A statement of the grant applicant's or recipient's liability, and, if appropriate, the extent of that liability;

(e) A description of the corrective or remedial actions that the grant applicant or recipient must take to come into compliance;

(f) A notice that if the grant applicant or recipient fails to come into compliance within 10 days of the date on which it receives the Final Determination, one or more of the following consequences may result:

Where a compliance review or complaint investigation results in a finding of noncompliance, the Director must notify:

- (a) The grant applicant or recipient;
- (b) The grantmaking agency; and
- (c) The Assistant Attorney General.

BREACHES OF CONCILIATION
AGREEMENTS

§ 37.102 What happens if a grant applicant or recipient breaches a Conciliation Agreement?

When it becomes known to the Director that a Conciliation Agreement has been breached, the Director may issue

a Notification of Breach of Conciliation Agreement.

§ 37.103 Whom must the Director notify about a breach of a Conciliation Agreement?

The Director must send a Notification of Breach of Conciliation Agreement to the Governor, the grantmaking agency, and/or other party(ies) to the Conciliation Agreement, as applicable.

§ 37.104 What information must a Notification of Breach of Conciliation Agreement contain?

A Notification of Breach of Conciliation Agreement must:

(a) Specify any efforts made to achieve voluntary compliance, and indicate that those efforts have been unsuccessful;

(b) Identify the specific provisions of the Conciliation Agreement violated;

(c) Determine liability for the violation and the extent of the liability;

(d) Indicate that failure of the violating party to come into compliance within 10 days of the receipt of the Notification of Breach of Conciliation Agreement may result, after opportunity for a hearing, in the termination or denial of the grant, or discontinuation of assistance, as appropriate, or in referral to the Department of Justice with a request from the Department to file suit;

(e) Advise the violating party of the right to request a hearing, and reference the applicable procedures in § 37.111; and

(f) Include a determination as to the Governor's liability, if any, in accordance with the provisions of § 37.52.

§ 37.105 Whom must the Director notify if enforcement action under a Notification of Breach of Conciliation Agreement is commenced?

In such circumstances, the Director must notify:

- (b) The Governor, recipient or grant applicant, as applicable.

Subpart E—Federal Procedures For Effecting Compliance

§ 37.110 What enforcement procedures does the Department follow to effect compliance with the non-discrimination and equal opportunity provisions of WIA and this part?

(a) *Sanctions; judicial enforcement.* If compliance has not been achieved after issuance of a Final Determination under §§ 37.99 and 37.100, or a Notification of Breach of Conciliation Agreement under §§ 37.102 through 37.105, the Secretary may:

- (1) After opportunity for a hearing, suspend, terminate, deny or discontinue the WIA Title I financial assistance, in whole or in part;
- (2) Refer the matter to the Attorney General with a recommendation that an appropriate civil action be instituted; or
- (3) Take such action as may be provided by law.

(b) *Deferral of new grants.* When proceedings under § 37.111 have been initiated against a particular recipient, the Department may defer action on that recipient's applications for new WIA Title I financial assistance until a Final Decision under § 37.112 has been rendered. Deferral is not appropriate when WIA Title I financial assistance is due and payable under a previously approved application.

(1) New WIA Title I financial assistance includes all assistance for which an application or approval, including renewal or continuation of existing activities, or authorization of new activities, is required during the deferral period.

(2) New WIA Title I financial assistance does not include assistance approved before the beginning of proceedings under § 37.111, or increases in funding as a result of changed computations of formula awards.

§ 37.111 What hearing procedures does the Department follow?

(a) *Notice of opportunity for hearing.* As part of a Final Determination, or a Notification of Breach of a Conciliation Agreement, the Director must include, and serve on the grant applicant or recipient (by certified mail, return

receipt requested), a notice of opportunity for hearing.

(b) *Complaint; request for hearing; answer.* (1) In the case of noncompliance that cannot be voluntarily resolved, the Final Determination or Notification of Breach of Conciliation Agreement is considered the Department's formal complaint.

(2) To request a hearing, the grant applicant or recipient must file a written answer to the Final Determination or Notification of Breach of Conciliation Agreement, and a copy of the Final Determination or Notification of Breach of Conciliation Agreement, with the Office of the Administrative Law Judges in accordance with 29 CFR part 18.

(i) The answer must be filed within 30 days of the date of receipt of the Final Determination or Notification of Breach of Conciliation Agreement.

(ii) A request for hearing must be set forth in a separate paragraph of the answer.

(iii) The answer must specifically admit or deny each finding of fact in the Final Determination or Notification of Breach of Conciliation Agreement. Where the grant applicant or recipient does not have knowledge or information sufficient to form a belief, the answer may so state and the statement will have the effect of a denial. Findings of fact not denied are considered admitted. The answer must separately state and identify matters alleged as affirmative defenses, and must also set forth the matters of fact and law relied on by the grant applicant or recipient.

(3) The grant applicant or recipient must simultaneously serve a copy of its filing on the Office of the Solicitor, Civil Rights Division, Room N-2464, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington DC 20210.

(4) (i) The failure of a grant applicant or recipient to request a hearing under this paragraph, or to appear at a hearing for which a date has been set, waives the right to a hearing; and

(ii) Whenever a hearing is waived, all allegations of fact contained in the Final Determination or Notification of Breach of Conciliation Agreement are

considered admitted, and the Final Determination or Notification of Breach of Conciliation Agreement becomes the Final Decision of the Secretary as of the day following the last date by which the grant applicant or recipient was required to request a hearing or was to appear at a hearing. See § 37.112(b)(3).

(c) *Time and place of hearing.* Hearings will be held at a time and place ordered by the Administrative Law Judge upon reasonable notice to all parties and, as appropriate, the complainant. In selecting a place for the hearing, due regard must be given to the convenience of the parties, their counsel, and witnesses, if any.

(d) *Judicial process; evidence.* (1) The Administrative Law Judge may use judicial process to secure the attendance of witnesses and the production of documents authorized by Section 9 of the Federal Trade Commission Act (15 U.S.C. 49).

(2) *Evidence.* In any hearing or administrative review conducted under this part, evidentiary matters will be governed by the standards and principles set forth in the Uniform Rules of Evidence issued by the Department of Labor's Office of Administrative Law Judges, 29 CFR part 18.

[64 FR 61715, Nov. 12, 1999, as amended at 86 FR 1784, Jan. 11, 2021]

§ 37.112 What procedures for initial and final decisions does the Department follow?

(a) *Initial decision.* After the hearing, the Administrative Law Judge must issue an initial decision and order, containing findings of fact and conclusions of law. The initial decision and order must be served on all parties in accordance with 29 CFR part 18.

(b) *Exceptions; final decision*—(1) *Final decision after a hearing.* The initial decision and order becomes the Final Decision and Order of the Secretary unless exceptions are filed by a party or, in the absence of exceptions, the Administrative Review Board (Board) serves notice that it will review the decision.

(i) A party dissatisfied with the initial decision and order may, within 45 days of receipt, file with the Board and serve on the other parties to the proceedings and on the Administrative

Law Judge, exceptions to the initial decision and order or any part thereof, in accordance with 29 CFR part 26.

(ii) Upon receipt of exceptions, the Administrative Law Judge must index and forward the record and the initial decision and order to the Board within three days of such receipt.

(iii) A party filing exceptions must specifically identify the finding or conclusion to which exception is taken. Any exception not specifically urged is waived.

(iv) Within 45 days of the date of filing such exceptions, a reply, which must be limited to the scope of the exceptions, may be filed and served by any other party to the proceeding.

(v) Requests for extensions for the filing of exceptions or replies must be received by the Board no later than 3 days before the exceptions or replies are due.

(vi) If no exceptions are filed, the Board may, within 30 days of the expiration of the time for filing exceptions, on its own motion serve notice on the parties that it will review the decision.

(vii) Final decision and order.

(A) Where exceptions have been filed, the initial decision and order of the Administrative Law Judge becomes the Final Decision and Order of the Secretary unless the Board, within 30 days of the expiration of the time for filing exceptions and replies, has notified the parties that the case is accepted for review.

(B) Where exceptions have not been filed, the initial decision and order of the Administrative Law Judge becomes the Final Decision and Order of the Secretary unless the Board has served notice on the parties that it will review the decision, as provided in paragraph (b)(1)(vi) of this section.

(viii) In any case reviewed by the Board under this paragraph, a decision must be issued within 180 days of the notification of such review. If the Board fails to issue a Decision and Order within the 180-day period, the initial decision and order of the Administrative Law Judge becomes the Final Decision and Order of the Secretary.

(2) *Final Decision where a hearing is waived.* (i) If, after issuance of a Final

§ 37.113

Determination under § 37.100 or Notification of Breach of Conciliation Agreement under § 37.104, voluntary compliance has not been achieved within the time set by this part and the opportunity for a hearing has been waived as provided for in § 37.111(b)(4), the Final Determination or Notification of Breach of Conciliation Agreement becomes the Final Decision of the Secretary.

(ii) When a Final Determination or Notification of Breach of Conciliation Agreement becomes the Final Decision of the Secretary, the Secretary may, within 45 days, issue an order terminating or denying the grant or continuation of assistance or imposing other appropriate sanctions for the grant applicant or recipient's failure to comply with the required corrective and/or remedial actions, or referring the matter to the Attorney General for further enforcement action.

[86 FR 1784, Jan. 11, 2021]

§ 37.113 What procedure does the Department follow to suspend, terminate, withhold, deny or discontinue WIA Title I financial assistance?

Any action to suspend, terminate, deny or discontinue WIA Title I financial assistance must be limited to the particular political entity, or part thereof, or other recipient (or grant applicant) as to which the finding has been made, and must be limited in its effect to the particular program, or part thereof, in which the noncompliance has been found. No order suspending, terminating, denying or discontinuing WIA Title I financial assistance will become effective until:

(a) The Director has issued a Final Determination under § 37.100 or Notification of Breach of Conciliation Agreement under § 37.104;

(b) There has been an express finding on the record, after opportunity for a hearing, of failure by the grant applicant or recipient to comply with a requirement imposed by or under the nondiscrimination and equal opportunity provisions of WIA or this part;

(c) A Final Decision has been issued by the Secretary, the Administrative Law Judge's decision and order has become the Final Decision of the Secretary, or the Final Determination or

29 CFR Subtitle A (7-1-21 Edition)

Notification of Conciliation Agreement has been deemed the Final Decision of the Secretary, under § 37.112(b); and

(d) The expiration of 30 days after the Secretary has filed, with the committees of Congress having legislative jurisdiction over the program involved, a full written report of the circumstances and grounds for such action.

§ 37.114 What procedure does the Department follow to distribute WIA Title I financial assistance to an alternate recipient?

When the Department withholds funds from a recipient or grant applicant under these regulations, the Secretary may disburse the withheld funds directly to an alternate recipient. In such case, the Secretary will require any alternate recipient to demonstrate:

(a) The ability to comply with these regulations; and

(b) The ability to achieve the goals of the nondiscrimination and equal opportunity provisions of WIA.

§ 37.115 What procedures does the Department follow for post-termination proceedings?

(a) A grant applicant or recipient adversely affected by a Final Decision and Order issued under § 37.112(b) will be restored, where appropriate, to full eligibility to receive WIA Title I financial assistance if the grant applicant or recipient satisfies the terms and conditions of the Final Decision and Order and brings itself into compliance with the nondiscrimination and equal opportunity provisions of WIA and this part.

(b) A grant applicant or recipient adversely affected by a Final Decision and Order issued under § 37.112(b) may at any time petition the Director to restore its eligibility to receive WIA Title I financial assistance. A copy of the petition must be served on the parties to the original proceeding that led to the Final Decision and Order. The petition must be supported by information showing the actions taken by the grant applicant or recipient to bring itself into compliance. The grant applicant or recipient has the burden of demonstrating that it has satisfied the requirements of paragraph (a) of this section. While proceedings under this

section are pending, sanctions imposed by the Final Decision and Order under § 37.112(b) (1) and (2) must remain in effect.

(c) The Director must issue a written decision on the petition for restoration.

(1) If the Director determines that the grant applicant or recipient has not brought itself into compliance, he or she must issue a decision denying the petition.

(2) Within 30 days of its receipt of the Director's decision, the recipient or grant applicant may file a petition for review of the decision by the Secretary, setting forth the grounds for its objection to the Director's decision.

(3) The petition must be served on the Director and on the Office of the Solicitor, Civil Rights Division.

(4) The Director may file a response to the petition within 14 days.

(5) The Secretary must issue the final agency decision denying or granting the recipient's or grant applicant's request for restoration to eligibility.

Subpart A—General Provisions**§ 38.1 Purpose.**

The purpose of this part is to implement the nondiscrimination and equal opportunity provisions of the Workforce Innovation and Opportunity Act (WIOA), which are contained in section 188 of WIOA (29 U.S.C. 3248). Section 188 prohibits discrimination on the basis of race, color, religion, sex, national origin, age, disability, or political affiliation or belief, or, for beneficiaries, applicants, and participants only, on the basis of citizenship status or participation in a WIOA Title I-financially assisted program or activity. This part clarifies the application of the nondiscrimination and equal opportunity provisions of WIOA and provides uniform procedures for implementing them.

§ 38.2 Applicability.

(a) *Applicability.* This part applies to:

- (1) Any recipient, as defined in § 38.4;
- (2) Programs and activities that are part of the one-stop delivery system and that are operated by one-stop partners listed in section 121(b) of WIOA, to the extent that the programs and activities are being conducted as part of the one-stop delivery system; and
- (3) As provided in § 38.18, the employment practices of a recipient and/or one-stop partner, to the extent that the employment is in the administration of or in connection with programs and activities that are being conducted as a part of WIOA Title I or the one-stop delivery system.

(b) *Limitation of application.* This part does not apply to:

- (1) Programs or activities that are financially assisted by the U.S. Department of Labor (Department) exclusively under laws other than Title I of WIOA, and that are not part of the one-stop delivery system (including programs or activities implemented under, authorized by, and/or financially assisted by the Department under the Workforce Investment Act of 1998 (WIA));
- (2) Contracts of insurance or guaranty;
- (3) The ultimate beneficiary to a program of Federal financial assistance; and

(4) Federal procurement contracts, with the exception of contracts to operate or provide services to Job Corps Centers.

§ 38.3 Effect on other obligations.

(a) A recipient's compliance with this part will satisfy any obligation of the recipient to comply with 29 CFR part 31, the Department's regulations implementing Title VI of the Civil Rights Act of 1964, as amended (Title VI), and with subparts A, D, and E of 29 CFR part 32, the Department's regulations implementing Section 504 of the Rehabilitation Act of 1973, as amended (Section 504).

(b) 29 CFR part 32, subparts B and C and appendix A, the Department's regulations which implement the requirements of Section 504 pertaining to employment practices and employment-related training, program accessibility, and reasonable accommodation, are hereby adopted by this part. Therefore, recipients must comply with the requirements set forth in those regulatory sections as well as the requirements listed in this part.

(c) This part does not invalidate or limit the obligations, remedies, rights, and procedures under any Federal law, or the law of any State or political subdivision, that provides greater or equal protection for the rights of persons as compared to this part:

(1) Recipients that are also public entities or public accommodations, as defined by Titles II and III of the Americans with Disabilities Act of 1990 (ADA), should be aware of obligations imposed by those titles.

(2) Similarly, recipients that are also employers, employment agencies, or other entities covered by Title I of the ADA should be aware of obligations imposed by that title.

(d) Compliance with this part does not affect, in any way, any additional obligations that a recipient may have to comply with applicable federal laws and their implementing regulations, such as the following:

- (1) Executive Order 11246, as amended;
- (2) Executive Order 13160;
- (3) Sections 503 and 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 793 and 794);

§ 38.4

(4) The affirmative action provisions of the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended (38 U.S.C. 4212);

(5) The Equal Pay Act of 1963, as amended (29 U.S.C. 206d);

(6) Title VII of the Civil Rights Act of 1964, as amended (42 U.S.C. 2000e *et seq.*);

(7) The Age Discrimination Act of 1975, as amended (42 U.S.C. 6101);

(8) The Age Discrimination in Employment Act of 1967, as amended (29 U.S.C. 621);

(9) Title IX of the Education Amendments of 1972, as amended (Title IX) (20 U.S.C. 1681);

(10) The Americans with Disabilities Act of 1990, as amended (42 U.S.C. 12101 *et seq.*); and

(11) The anti-discrimination provision of the Immigration and Nationality Act, as amended (8 U.S.C. 1324b).

(o) *Director* means the Director, Civil Rights Center, Office of the Assistant Secretary for Administration and Management, U.S. Department of Labor, or a designee authorized to act for the Director.

(p) *Direct threat* means a significant risk of substantial harm to the health or safety of others that cannot be eliminated or reduced by auxiliary aids and services, reasonable accommodations, or reasonable modifications in policies, practices and/or procedures. The determination whether an individual with a disability poses a direct threat must be based on an individualized assessment of the individual’s present ability safely to either:

(1) Satisfy the essential eligibility requirements of the program or activity (in the case of aid, benefits, services, or training); or

(2) Perform the essential functions of the job (in the case of employment). This assessment must be based on a reasonable medical judgment that relies on the most current medical knowledge and/or on the best available objective evidence. In determining whether an individual would pose a direct threat, the factors to be considered include:

(i) The duration of the risk;

(ii) The nature and severity of the potential harm;

(iii) The likelihood that the potential harm will occur; and

(iv) The imminence of the potential harm.

(q) *Disability*—(1) *General*. “Disability” means, with respect to an individual:

(i) A physical or mental impairment that substantially limits one or more of the major life activities of such individual;

(ii) A record of such an impairment; or

(iii) Being regarded as having such an impairment as described in paragraph (q)(7) of this section.

(2) *Rules of construction*. (i) The definition of “disability” shall be construed broadly in favor of expansive coverage, to the maximum extent permitted by Federal disability non-discrimination law and this part.

(ii) An individual may establish coverage under any one or more of the three prongs of the general definition of disability in paragraph (q)(1) of this section, the “actual disability” prong in paragraph (q)(1)(i) of this section, the “record of” prong in paragraph (q)(1)(ii) of this section, or the “regarded as” prong in paragraph (q)(1)(iii) of this section.

(iii) Where an individual is not challenging a recipient’s failure to provide reasonable accommodations or reasonable modifications under §38.14(a) or (b), it is generally unnecessary to proceed under the “actual disability” or “record of” prongs, which require a showing of an impairment that substantially limits a major life activity or a record of such an impairment. In these cases, the evaluation of coverage can be made solely under the “regarded as” prong of the definition of “disability,” which does not require a

§ 38.4

29 CFR Subtitle A (7-1-21 Edition)

showing of an impairment that substantially limits a major life activity or a record of such an impairment. An individual may choose, however, to proceed under the “actual disability” or “record of” prong regardless of whether the individual is challenging a recipient’s failure to provide reasonable accommodations, or reasonable modifications.

(3) *Physical or mental impairment.* (i) “Physical or mental impairment” means—

(A) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more body systems, such as: Neurological, musculoskeletal, special sense organs, respiratory (including speech organs), cardiovascular, reproductive, digestive, genitourinary, immune, circulatory, hemic, lymphatic, skin, and endocrine; or

(B) Any mental or psychological disorder such as intellectual disability, organic brain syndrome, emotional or mental illness, and specific learning disabilities.

(ii) “Physical or mental impairment” includes, but is not limited to, contagious and noncontagious diseases and conditions such as the following: Orthopedic, visual, speech and hearing impairments, and cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, intellectual disability, emotional illness, pregnancy-related medical conditions, dyslexia and other specific learning disabilities, Attention Deficit Hyperactivity Disorder, Human Immunodeficiency Virus infection (whether symptomatic or asymptomatic), tuberculosis, drug addiction, and alcoholism.

(iii) “Physical or mental impairment” does not include homosexuality or bisexuality.

(4) *Major life activities.* (i) Major life activities include, but are not limited to:

(A) Caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, sitting, reaching, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, writing, communicating, interacting with others, and working; and

(B) The operation of a “major bodily function,” such as the functions of the immune system, special sense organs and skin, normal cell growth, and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, cardiovascular, endocrine, hemic, lymphatic, musculoskeletal, and reproductive systems. The operation of a major bodily function includes the operation of an individual organ within a body system.

(ii) *Rules of construction.* (A) In determining whether an impairment substantially limits a major life activity, the term “major” shall not be interpreted strictly to create a demanding standard.

(B) Whether an activity is a “major life activity” is not determined by reference to whether it is of central importance to daily life.

(5) *Substantially limits*—(i) *Rules of construction.* The following rules of construction apply when determining whether an impairment substantially limits an individual in a major life activity.

(A) The term “substantially limits” shall be construed broadly in favor of expansive coverage, to the maximum extent permitted by Federal disability nondiscrimination law and this part. “Substantially limits” is not meant to be a demanding standard.

(B) The primary object of attention in disability cases brought under WIOA Section 188 should be whether recipients have complied with their obligations and whether discrimination has occurred, not the extent to which an individual’s impairment substantially limits a major life activity. Accordingly, the threshold issue of whether an impairment substantially limits a major life activity should not demand extensive analysis.

(C) An impairment that substantially limits one major life activity does not need to limit other major life activities in order to be considered a substantially limiting impairment.

(D) An impairment that is episodic or in remission is a disability if it would substantially limit a major life activity when active.

(E) An impairment is a disability within the meaning of this section if it substantially limits the ability of an

individual to perform a major life activity as compared to most people in the general population. An impairment does not need to prevent, or significantly or severely restrict, the individual from performing a major life activity in order to be considered substantially limiting. Nonetheless, not every impairment will constitute a disability within the meaning of this section.

(F) The determination of whether an impairment substantially limits a major life activity requires an individualized assessment. However, in making this assessment, the term “substantially limits” shall be interpreted and applied to require a degree of functional limitation that is lower than the standard for “substantially limits” applied prior to the ADA Amendments Act of 2008 (ADAAA).

(G) The comparison of an individual’s performance of a major life activity to the performance of the same major life activity by most people in the general population usually will not require scientific, medical, or statistical evidence. Nothing in this paragraph (q)(5)(i)(G) is intended, however, to prohibit or limit the presentation of scientific, medical, or statistical evidence in making such a comparison where appropriate.

(H) The determination of whether an impairment substantially limits a major life activity shall be made without regard to the ameliorative effects of mitigating measures. However, the ameliorative effects of ordinary eyeglasses or contact lenses shall be considered in determining whether an impairment substantially limits a major life activity. Ordinary eyeglasses or contact lenses are lenses that are intended to fully correct visual acuity or to eliminate refractive error.

(I) The six-month “transitory” part of the “transitory and minor” exception in paragraph (q)(7)(ii) of this section does not apply to the “actual disability” or “record of” prongs of the definition of “disability.” The effects of an impairment lasting or expected to last less than six months can be substantially limiting within the meaning of this paragraph (q)(5)(i) for establishing an actual disability or a record of a disability.

(ii) *Predictable assessments.* (A) The principles set forth in paragraph (q)(5)(i) of this section are intended to provide for more generous coverage and application of the prohibition on discrimination through a framework that is predictable, consistent, and workable for all individuals and recipients with rights and responsibilities with respect to avoiding discrimination on the basis of disability.

(B) Applying these principles, the individualized assessment of some types of impairments will, in virtually all cases, result in a determination of coverage under paragraph (q)(1)(i) of this section (the “actual disability” prong) or paragraph (q)(1)(ii) (the “record of” prong). Given their inherent nature, these types of impairments will, as a factual matter, virtually always be found to impose a substantial limitation on a major life activity. Therefore, with respect to these types of impairments, the necessary individualized assessment should be particularly simple and straightforward.

(C) For example, applying these principles, it should easily be concluded that the types of impairments set forth in paragraphs (q)(5)(ii)(C)(I) through (II) of this section will, at a minimum, substantially limit the major life activities indicated. The types of impairments described in paragraphs (q)(5)(ii)(C)(I) through (II) may substantially limit additional major life activities (including major bodily functions) not explicitly listed in paragraphs (q)(5)(ii)(C)(I) through (II).

(1) Deafness substantially limits hearing;

(2) Blindness substantially limits seeing;

(3) Intellectual disability substantially limits brain function;

(4) Partially or completely missing limbs or mobility impairments requiring the use of a wheelchair substantially limit musculoskeletal function;

(5) Autism substantially limits brain function;

(6) Cancer substantially limits normal cell growth;

(7) Cerebral palsy substantially limits brain function;

(8) Diabetes substantially limits endocrine function;

§ 38.4

(9) Epilepsy, muscular dystrophy, and multiple sclerosis each substantially limits neurological function;

(10) Human Immunodeficiency Virus (HIV) infection substantially limits immune function; and

(11) Major depressive disorder, bipolar disorder, post-traumatic stress disorder, traumatic brain injury, obsessive compulsive disorder, and schizophrenia each substantially limits brain function.

(iii) *Condition, manner, or duration.*

(A) At all times taking into account the principles in paragraph (q)(5)(i) of this section, in determining whether an individual is substantially limited in a major life activity, it may be useful in appropriate cases to consider, as compared to most people in the general population, the conditions under which the individual performs the major life activity; the manner in which the individual performs the major life activity; or the duration of time it takes the individual to perform the major life activity, or for which the individual can perform the major life activity.

(B) Consideration of facts such as condition, manner or duration may include, among other things, consideration of the difficulty, effort or time required to perform a major life activity; pain experienced when performing a major life activity; the length of time a major life activity can be performed; or the way an impairment affects the operation of a major bodily function. In addition, the non-ameliorative effects of mitigating measures, such as negative side effects of medication or burdens associated with following a particular treatment regimen, may be considered when determining whether an individual's impairment substantially limits a major life activity.

(C) In determining whether an individual has a disability under the "actual disability" or "record of" prongs of the definition of "disability," the focus is on how a major life activity is substantially limited, and not on what outcomes an individual can achieve. For example, someone with a learning disability may achieve a high level of academic success, but may nevertheless be substantially limited in one or more major life activities, including,

29 CFR Subtitle A (7-1-21 Edition)

but not limited to, reading, writing, speaking, or learning, because of the additional time or effort the individual must spend to read, write, speak, or learn compared to most people in the general population.

(D) Given the rules of construction set forth in paragraph (q)(5)(i) of this section, it may often be unnecessary to conduct an analysis involving most or all of the facts related to condition, manner, or duration. This is particularly true with respect to impairments such as those described in paragraph (q)(5)(ii)(C) of this section, which by their inherent nature should be easily found to impose a substantial limitation on a major life activity, and for which the individualized assessment should be particularly simple and straightforward.

(iv) *Mitigating measures* include, but are not limited to:

(A) Medication, medical supplies, equipment, appliances, low-vision devices (defined as devices that magnify, enhance, or otherwise augment a visual image, but not including ordinary eyeglasses or contact lenses), prosthetics including limbs and devices, hearing aid(s) and cochlear implant(s) or other implantable hearing devices, mobility devices, and oxygen therapy equipment and supplies;

(B) Use of assistive technology;

(C) Reasonable modifications of policies, practices, and procedures, or auxiliary aids or services;

(D) Learned behavioral or adaptive neurological modifications; or

(E) Psychotherapy, behavioral therapy, or physical therapy.

(6) *Has a record of such an impairment.*

(i) An individual has a record of such an impairment if the individual has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(ii) *Broad construction.* Whether an individual has a record of an impairment that substantially limited a major life activity shall be construed broadly to the maximum extent permitted by Federal disability nondiscrimination law and this part and should not demand extensive analysis. An individual will be considered to fall within this prong of the definition of "disability"

if the individual has a history of an impairment that substantially limited one or more major life activities when compared to most people in the general population, or was misclassified as having had such an impairment. In determining whether an impairment substantially limited a major life activity, the principles articulated in paragraph (q)(5)(i) of this section apply.

(iii) *Reasonable accommodation or reasonable modification.* An individual with a record of a substantially limiting impairment may be entitled to a reasonable accommodation or reasonable modification if needed and related to the past disability.

(7) *Is regarded as having such an impairment.* The following principles apply under the “regarded as” prong of the definition of “disability” (paragraph (q)(1)(iii) of this section):

(i) Except as set forth in paragraph (q)(7)(ii) of this section, an individual is “regarded as having such an impairment” if the individual is subjected to an action prohibited by WIOA Section 188 and this part because of an actual or perceived physical or mental impairment, whether or not that impairment substantially limits, or is perceived to substantially limit, a major life activity, even if the recipient asserts, or may or does ultimately establish, a defense to the action prohibited by WIOA Section 188 and this part.

(ii) An individual is not “regarded as having such an impairment” if the recipient demonstrates that the impairment is, objectively, both “transitory” and “minor.” A recipient may not defeat “regarded as” coverage of an individual simply by demonstrating that it subjectively believed the impairment was transitory and minor; rather, the recipient must demonstrate that the impairment is (in the case of an actual impairment) or would be (in the case of a perceived impairment), objectively, both “transitory” and “minor.” For purposes of this section, “transitory” is defined as lasting or expected to last six months or less.

(iii) Establishing that an individual is “regarded as having such an impairment” does not, by itself, establish liability. Liability is established only when an individual proves that a recipient discriminated on the basis of

disability within the meaning of federal nondiscrimination law and this part.

(r) *Eligible applicant/registrant* means an individual who has been determined eligible to participate in one or more WIOA Title I-financially assisted programs or activities.

(s) *Employment practices* of a recipient include, but are not limited to:

(1) Recruitment or recruitment advertising;

(2) Selection, placement, layoff or termination of employees;

(3) Upgrading, promotion, demotion or transfer of employees;

(4) Training, including employment-related training;

(5) Participation in upward mobility programs;

(6) Deciding rates of pay or other forms of compensation;

(7) Use of facilities; or

(8) Deciding other terms, conditions, benefits, and/or privileges of employment.

(t) *Employment-related training* means training that allows or enables an individual to obtain skills, abilities and/or knowledge that are designed to lead to employment.

(i) The WIOA Title I-financially assisted program or activity; or

(ii) The nondiscrimination and equal opportunity provisions of WIOA or this part.

(f)(1) 29 CFR part 2, subpart D, governs the circumstances under which Department support, including under WIOA Title I financial assistance, may be used to employ or train participants in religious activities. Under that subpart, such assistance may be used for such employment or training only

when the assistance is provided indirectly within the meaning of the Establishment Clause of the U.S. Constitution, and not when the assistance is provided directly. As explained in that subpart, assistance provided through an Individual Training Account is generally considered indirect, and other mechanisms may also be considered indirect. See also 20 CFR 683.255 and 683.285. 29 CFR part 2, subpart D, also contains requirements related to equal treatment of religious organizations in Department of Labor programs, and to protection of religious liberty for Department of Labor social service providers and beneficiaries.

(2) Except under the circumstances described in paragraph (f)(3) of this section, a recipient must not employ participants to carry out the construction, operation, or maintenance of any part of any facility that is used, or to be used, for religious instruction or as a place for religious worship.

(3) A recipient may employ participants to carry out the maintenance of a facility that is not primarily or inherently devoted to religious instruction or religious worship if the organization operating the facility is part of a program or activity providing services to participants.

(g) The exclusion of an individual from programs or activities limited by Federal statute or Executive Order to a certain class or classes of individuals of which the individual in question is not a member is not prohibited by this part.

§ 38.7 Discrimination prohibited based on sex.

(a) In providing any aid, benefit, service, or training under a WIOA Title I-financially assisted program or activity, a recipient must not directly or through contractual, licensing, or other arrangements, discriminate on the basis of sex. An individual may not be excluded from participation in, denied the benefits of, or subjected to discrimination under any WIOA Title I-financially assisted program or activity based on sex. The term sex includes, but is not limited to, pregnancy, childbirth, and related medical conditions,

transgender status, and gender identity.

(b) Recipients may not make any distinction based on sex in providing any aid, benefit, service, or training under a WIOA Title I-financially assisted program or activity. Such unlawful sex-based discriminatory practices include, but are not limited to, the following:

(1) Making a distinction between married and unmarried persons that is not applied equally to both sexes;

(2) Denying individuals of one sex who have children access to any aid, benefit, service, or training that is available to individuals of another sex who have children;

(3) Adversely treating unmarried individuals of one sex, but not unmarried individuals of another sex, who become parents;

(4) Distinguishing on the basis of sex in formal or informal job training and/or educational programs, other opportunities such as networking, mentoring, individual development plans, or on the job training opportunities;

(5) Posting job announcements for jobs that recruit or advertise for individuals for certain jobs on the basis of sex;

(6) Treating an individual adversely because the individual identifies with a gender different from that individual's sex assigned at birth, or the individual has undergone, is undergoing, or is planning to undergo, any processes or procedures designed to facilitate the individual's transition to a sex other than the individual's sex assigned at birth;

(7) Denying individuals who are pregnant, who become pregnant, or who plan to become pregnant opportunities for or access to any aid, benefit, service, or training on the basis of pregnancy (see also § 38.8);

(8) Making any facilities associated with WIOA Title I-financially assisted program or activities available only to members of one sex, except that if the recipient provides restrooms or changing facilities, the recipient may provide separate or single-user restrooms or changing facilities; and

(9) Denying individuals access to the restrooms, locker rooms, showers, or similar facilities consistent with the gender with which they identify.

§ 38.7

29 CFR Subtitle A (7-1-21 Edition)

(c) A recipient's policies or practices that have the effect of discriminating on the basis of sex and that lack a substantial legitimate justification constitute sex discrimination in violation of WIOA and this part. Such unlawful sex-based discriminatory practices include, but are not limited to, the following:

(1) Height or weight qualifications that lack a substantial legitimate justification and that negatively affect women substantially more than men.

(2) Strength, agility, or other physical requirements that lack a substantial legitimate justification and that negatively affect women substantially more than men.

(d) Discrimination on the basis of sex stereotypes, such as stereotypes about how persons of a particular sex are expected to look, speak, or act, is a form of unlawful sex discrimination. Examples of sex stereotyping include, but are not limited to:

(1) Denying an individual access to, or otherwise subjecting the individual to adverse treatment in accessing, any aid, benefit, service, or training under a WIOA Title I-financially assisted program or activity because of that individual's failure to comply with gender norms and expectations for dress, appearance and/or behavior, including wearing jewelry, make-up, high-heeled shoes, suits, or neckties.

(2) Harassment or other adverse treatment of a male applicant, participant, or beneficiary of a WIOA Title I-financially assisted program or activity because he is considered effeminate or insufficiently masculine.

(3) Adverse treatment of an applicant, participant, or beneficiary of a WIOA Title I-financially assisted program or activity because of the individual's actual or perceived gender identity.

(4) Adverse treatment of an applicant, participant, or beneficiary of a WIOA Title I-financially assisted program or activity based on sex stereotypes about caregiver responsibilities. For example, adverse treatment of a female participant because of a sex-based assumption that she has (or will have) family caretaking responsibilities, and that those responsibilities will interfere with her ability to access any aid,

benefit, service, or training, is discrimination based on sex.

(5) Adverse treatment of a male applicant, participant, or beneficiary of a WIOA Title I-financially assisted program or activity because he has taken, or is planning to take, care of his newborn or recently adopted or fostered child, based on the sex-stereotyped belief that women, and not men, should care for children.

(6) Denying a woman access to, or otherwise subjecting her to adverse treatment in accessing, any aid, benefit, service, or training under a WIOA Title I-financially assisted program or activity, based on the sex-stereotyped belief that women with children should not work long hours, regardless of whether the recipient is acting out of hostility or belief that it is acting in her or her children's best interest.

(7) Denying an individual access to, or otherwise subjecting the individual to adverse treatment in accessing, any aid, benefit, service, or training under a WIOA Title I-financially assisted program or activity, based on sex stereotyping including the belief that a victim of domestic violence would disrupt the program or activity and/or may be unable to access any aid, benefit, service, or training.

(8) Adverse treatment of a woman applicant, participant, or beneficiary of a WIOA Title I-financially assisted program or activity because she does not dress or talk in a feminine manner.

(9) Denying an individual access to, failing to provide information about, or otherwise subjecting the individual to adverse treatment in accessing, any aid, benefit, service, or training under a WIOA Title I-financially assisted program or activity, because the individual does not conform to a sex stereotype about individuals of a particular sex working in a specific job, sector, or industry.

(10) Adverse treatment of an applicant, participant, or beneficiary of a WIOA Title I-financially assisted program or activity based on sexual orientation where the evidence establishes that the discrimination is based on gender stereotypes.

§ 38.8 Discrimination prohibited based on pregnancy.

Discrimination on the basis of pregnancy, childbirth, or related medical conditions, including childbearing capacity, is a form of sex discrimination and a violation of the nondiscrimination provisions of WIOA and this part. Recipients may not treat persons of childbearing capacity, or those affected by pregnancy, childbirth, or related medical conditions, adversely in accessing any aid, benefit, service, or training under a WIOA Title I-financially assisted program or activity. In their covered employment practices, recipients must treat people of childbearing capacity and those affected by pregnancy, childbirth, or related medical conditions the same for all employment-related purposes, including receipt of benefits under fringe-benefit programs, as other persons not so affected but similar in their ability or inability to work. Related medical conditions include, but are not limited to: Lactation; disorders directly related to pregnancy, such as preeclampsia (pregnancy-induced high blood pressure), placenta previa, and gestational diabetes; symptoms such as back pain; complications requiring bed rest; and the after-effects of a delivery. A pregnancy-related medical condition may also be a disability. See § 38.4(q)(3)(ii). Examples of unlawful pregnancy discrimination may include:

(a) Refusing to provide any aid, benefit, service, or training under a WIOA Title I-financially assisted program or activity to a pregnant individual or an individual of childbearing capacity, or otherwise subjecting such individuals to adverse treatment on the basis of pregnancy or childbearing capacity;

(b) Limiting an individual's access to any aid, benefit, service, or training under a WIOA Title I-financially assisted program or activity based on her pregnancy, or requiring a doctor's note in order for a pregnant woman to begin or continue participation while pregnant when doctors' notes are not required for participants who are similarly situated;

(c) Denying an individual access to any aid, benefit, service, or training under a WIOA Title I-financially assisted program or activity or requiring

the individual to terminate participation in any WIOA Title I-financially assisted program or activity when the individual becomes pregnant or has a child; and

(d) Denying reasonable accommodations or modifications of policies, practices, or procedures to a pregnant applicant or participant who is temporarily unable to participate in some portions of a WIOA Title I-financially assisted program or activity because of pregnancy, childbirth, and/or related medical conditions, when such accommodations or modifications are provided, or are required to be provided, by a recipient's policy or by other relevant laws, to other similarly situated applicants or participants.

§ 38.9 Discrimination prohibited based on national origin, including limited English proficiency.

(a) In providing any aid, benefit, service, or training under a WIOA Title I-financially assisted program or activity, a recipient must not, directly or through contractual, licensing, or other arrangements, discriminate on the basis of national origin, including limited English proficiency. An individual must not be excluded from participation in, denied the benefits of, or otherwise subjected to discrimination under, any WIOA Title I-financially assisted program or activity based on national origin. National origin discrimination includes treating individual beneficiaries, participants, or applicants for any aid, benefit, service, or training under any WIOA Title I-financially assisted program or activity adversely because they (or their families or ancestors) are from a particular country or part of the world, because of ethnicity or accent (including physical, linguistic, and cultural characteristics closely associated with a national origin group), or because the recipient perceives the individual to be of a certain national origin, even if they are not.

(b) A recipient must take reasonable steps to ensure meaningful access to each limited English proficient (LEP) individual served or encountered so that LEP individuals are effectively informed about and/or able to participate in the program or activity.

§ 38.9

29 CFR Subtitle A (7-1-21 Edition)

(1) Reasonable steps generally may include, but are not limited to, an assessment of an LEP individual to determine language assistance needs; providing oral interpretation or written translation of both hard copy and electronic materials, in the appropriate non-English languages, to LEP individuals; and outreach to LEP communities to improve service delivery in needed languages.

(2) Reasonable steps to provide meaningful access to training programs may include, but are not limited to, providing:

(i) Written training materials in appropriate non-English languages by written translation or by oral interpretation or summarization; and

(ii) Oral training content in appropriate non-English languages through in-person interpretation or telephone interpretation.

(c) A recipient should ensure that every program delivery avenue (*e.g.*, electronic, in person, telephonic) conveys in the appropriate languages how an individual may effectively learn about, participate in, and/or access any aid, benefit, service, or training that the recipient provides. As a recipient develops new methods for delivery of information or assistance, it is required to take reasonable steps to ensure that LEP individuals remain able to learn about, participate in, and/or access any aid, benefit, service, or training that the recipient provides.

(d) Any language assistance services, whether oral interpretation or written translation, must be accurate, provided in a timely manner and free of charge. Language assistance will be considered timely when it is provided at a place and time that ensures equal access and avoids the delay or denial of any aid, benefit, service, or training at issue.

(e) A recipient must provide adequate notice to LEP individuals of the existence of interpretation and translation services and that these language assistance services are available free of charge.

(f)(1) A recipient shall not require an LEP individual to provide their own interpreter.

(2) A recipient also shall not rely on an LEP individual's minor child or

adult family or friend(s) to interpret or facilitate communication, except:

(i) An LEP individual's minor child or adult family or friend(s) may interpret or facilitate communication in emergency situations while awaiting a qualified interpreter; or

(ii) The accompanying adult (but not minor child) may interpret or facilitate communication when the information conveyed is of minimal importance to the services to be provided or when the LEP individual specifically requests that the accompanying adult provide language assistance, the accompanying adult agrees to provide assistance, and reliance on that adult for such assistance is appropriate under the circumstances. When the recipient permits the accompanying adult to provide such assistance, it must make and retain a record of the LEP individual's decision to use their own interpreter.

(3) Where precise, complete, and accurate interpretations or translation of information and/or testimony are critical for adjudicatory or legal reasons, or where the competency of the interpreter requested by the LEP individual is not established, a recipient may decide to provide its own, independent interpreter, even if an LEP individual wants to use their own interpreter as well.

(g) With regard to vital information:

(1) For languages spoken by a significant number or portion of the population eligible to be served, or likely to be encountered, a recipient must translate vital information in written materials into these languages and make the translations readily available in hard copy, upon request, or electronically such as on a Web site. Written training materials offered or used within employment-related training programs as defined under § 38.4(t) are excluded from these translation requirements. However, recipients must take reasonable steps to ensure meaningful access as stated in § 38.9(b).

(2) For languages not spoken by a significant number or portion of the population eligible to be served, or likely to be encountered, a recipient must take reasonable steps to meet the particularized language needs of LEP individuals who seek to learn about,

participate in, and/or access the aid, benefit, service, or training that the recipient provides. Vital information may be conveyed orally if not translated.

(3) Recipients must include a “Babel notice,” indicating in appropriate languages that language assistance is available, in all communications of vital information, such as hard copy letters or decisions or those communications posted on Web sites.

(h) To the extent otherwise required by this part, once a recipient becomes aware of the non-English preferred language of an LEP beneficiary, participant, or applicant for aid, benefit, service, or training, the recipient must convey vital information in that language.

(i) Recipients are required to take reasonable steps to provide language assistance and should develop a written language access plan to ensure that LEP individuals have meaningful access. The appendix to this section provides guidance to recipients on developing a language access plan.

APPENDIX TO § 38.9—GUIDANCE TO RECIPIENTS
RECIPIENT LANGUAGE ASSISTANCE PLAN (LEP PLAN): PROMISING PRACTICES

The guidelines in this appendix are consistent with and, in large part, derived from existing federal guidance to federal financial assistance recipients to take reasonable steps to ensure meaningful access by limited English proficient (LEP) individuals.

Recipients that develop, implement, and periodically revise a written language assistance plan are more likely to fulfill their obligation of taking reasonable steps to ensure access to programs and activities by LEP individuals. The guidelines set forth below provide a clear framework for developing a written plan that will ensure meaningful access to LEP individuals. Developing and implementing a written plan has many benefits, including providing the recipient with a roadmap for establishing and documenting compliance with nondiscrimination obligations and ensuring that LEP beneficiaries receive the necessary assistance to participate in the recipient’s programs and activities.

The elements of a successful LEP plan are not fixed. Written LEP plans must be tailored to the recipient’s specific programs and activities. And, over time, plans will need to be revised to reflect new recommendations and government guidance; changes in the recipient’s operations, as well as the recipient’s experiences and lessons learned; chang-

ing demographics; and stakeholder and beneficiary feedback. Nonetheless, a recipient that develops an LEP plan incorporating the elements identified below will benefit greatly in accomplishing its mission and providing an equal opportunity for LEP individuals to participate in its programs and activities.

A written LEP plan should identify and describe:

1. The process the recipient will use to determine the language needs of individuals who may or may seek to participate in the recipient’s program and activities (self- or needs-assessment)
2. The results of the assessment, *e.g.*, identifying the LEP populations to be served by the recipient
3. Timelines for implementing the written LEP plan
4. All language services to be provided to LEP individuals
5. The manner in which LEP individuals will be advised of available services
6. Steps individuals should take to request language assistance
7. The manner in which staff will provide language assistance services
8. What steps must be taken to implement the LEP plan, *e.g.*, creating or modifying policy documents, employee manuals, employee training material, posters, Web sites, outreach material, contracts, and electronic and information technologies, applications, or adaptations
9. The manner in which staff will be trained
10. Steps the recipient will take to ensure quality control, including monitoring implementation, establishing a complaint process, timely addressing complaints, and obtaining feedback from stakeholders and employees
11. The manner in which the recipient will document the provision of language assistance services
12. The schedule for revising the LEP plan
13. The individual(s) assigned to oversee implementation of the plan (*e.g.*, LEP Coordinator or Program Manager)
14. Allocation of resources to implement the plan

ILLUSTRATIVE APPLICATIONS IN RECIPIENT PROGRAMS AND ACTIVITIES

Unemployment Insurance Program Example

1. Unemployment insurance programs are recipients covered under this rule, and States must take reasonable steps to provide meaningful access to LEP individuals served or encountered in their unemployment insurance programs and activities. For example, given the nature and importance of unemployment insurance, if an LEP individual who speaks Urdu seeks information about unemployment insurance from a State’s

§ 38.10

telephone call center that assists unemployment insurance enrollees and applicants, the State may consider the proportion of Urdu-speaking LEP individuals served or encountered by the State's unemployment insurance program; the frequency with which Urdu-speaking LEP individuals come in contact with the State's unemployment insurance program; and the resources available to the State and costs in determining how it will provide this LEP individual with language assistance. Urdu is a language that is rarely, if ever, encountered by this State's UI program. Because low-cost commercial language services, such as telephonic oral interpretation services, are widely available, the State should, at a minimum, provide the Urdu-speaking LEP individual telephonic interpretation services to ensure meaningful access to unemployment insurance because, even if Urdu is a non-frequently encountered, non-English language, low-cost commercial language services, such as telephonic oral interpretation services, are widely available.

POPULATION SIGNIFICANCE AS IT PERTAINS TO VITAL INFORMATION

2. Recipients have some flexibility as to the means to provide language assistance services to LEP individuals, as long as they take reasonable steps to provide meaningful access to their program or activity. For instance, if a recipient provides career services to an LEP individual who speaks Tagalog and the individual requests a translated brochure on an upcoming job fair, the recipient should consider the importance of the information in the brochure, and may consider: The proportion of Tagalog-speaking LEP individuals served or encountered; the frequency with which Tagalog-speaking LEP individuals come in contact with the recipient; and the resources available to the recipient. In this instance, the recipient would be required to provide a written translation of the brochure for the LEP individual if Tagalog were a language spoken by a significant number or proportion of the LEP persons in the eligible service population and a language frequently encountered in the career services program. But if Tagalog is not spoken by a significant number or proportion of the population eligible to be served, and was not frequently encountered by the career services program, it would be reasonable for the recipient to provide an oral summary of the brochure's contents in Tagalog.

TRAINING PROVIDER EXAMPLE INCORPORATING ENGLISH LANGUAGE LEARNING

3. Providing English language learning opportunities may be one step that a recipient takes in order to take reasonable steps to provide an LEP individual meaningful access to its programs or activities. For example, John, a Korean-speaking LEP individual,

29 CFR Subtitle A (7-1-21 Edition)

learns through the one-stop center about available welding positions at ABC Welding, Co. He also learns through the one-stop center about upcoming welder training courses offered at XYZ Technical Institute, an eligible training provider. John decides to enroll in one of the XYZ welding courses. XYZ, which conducts its training courses in English, must take reasonable steps to provide John meaningful access to the welder training course.

Recipients may work together to provide meaningful access, but remain independently obligated to take reasonable steps to provide meaningful access to programs and activities. In this regard, XYZ is not required to administer an English language learning class itself. Instead, XYZ may coordinate with the one-stop center to ensure that John receives appropriate English language learning either directly from the one-stop or from another organization that provides such English language training. The English language class would not be offered to John instead of the training program, but John could attend the English language class at the same time as or prior to the training program. Whether John takes the English class before or concurrently with the welding course will depend on many factors including an objective, individualized analysis of John's English proficiency relative to the welding course. Regardless of how the English language learning is delivered, it must be provided at no cost to John.

In evaluating whether reasonable steps include oral interpretation, translation, English language learning, another language service, or some combination of these services, XYZ may work with the one-stop center to provide meaningful access to John.

§ 38.10 Harassment prohibited.

Harassment of an individual based on race, color, religion, sex, national origin, age, disability, or political affiliation or belief, or, for beneficiaries, applicants, and participants only, based on citizenship status or participation in any WIOA Title I-financially assisted program or activity, is a violation of the nondiscrimination provisions of WIOA and this part.

(a) Unwelcome sexual advances, requests for sexual favors, or offensive remarks about a person's race, color, religion, sex, national origin, age, disability, political affiliation or belief, or citizenship or participation, and other unwelcome verbal or physical conduct based on one or more of these protected categories constitutes unlawful harassment on that basis when:

(1) Submission to such conduct is made either explicitly or implicitly a term or condition of accessing the aid, benefit, service, or training of, or employment in the administration of or in connection with, any WIOA Title I-financially assisted program or activity;

(2) Submission to or rejection of such conduct by an individual is used as the basis for limiting that individual's access to any aid, benefit, service, training, or employment from, or employment in the administration of or in connection with, any WIOA Title I-financially assisted program or activity; or

(3) Such conduct has the purpose or effect of unreasonably interfering with an individual's participation in a WIOA Title I-financially assisted program or activity creating an intimidating, hostile or offensive program environment.

(b) Harassment because of sex includes harassment based on gender identity; harassment based on failure to comport with sex stereotypes; harassment based on pregnancy, childbirth, and related medical conditions; and sex-based harassment that is not sexual in nature but that is because of sex or where one sex is targeted for the harassment.

§ 38.11 Discrimination prohibited based on citizenship status.

In providing any aid, benefit, service, or training under a WIOA Title I-financially assisted program or activity, a recipient must not directly or through contractual, licensing, or other arrangements, discriminate on the basis of citizenship status. Individuals protected under this section include citizens and nationals of the United States, lawfully admitted permanent resident aliens, refugees, asylees, and parolees, and other immigrants authorized by the Secretary of Homeland Security or the Secretary's designee to work in the United States. Citizenship discrimination occurs when a recipient maintains and enforces policies and procedures that have the purpose or effect of discriminating against individual beneficiaries, applicants, and participants, on the basis of their status as citizens or nationals of the United States, lawfully admitted permanent resident aliens, refugees,

asylees, and parolees, or other immigrants authorized by the Secretary of Homeland Security or the Secretary's designee to work in the United States.

§ 38.12 Discrimination prohibited based on disability.

(a) In providing any aid, benefit, service, or training under a WIOA Title I-financially assisted program or activity, a recipient must not, directly or through contractual, licensing, or other arrangements, on the basis of disability:

(1) Deny a qualified individual with a disability the opportunity to participate in or benefit from the aid, benefit, service, or training, including meaningful opportunities to seek employment and work in competitive integrated settings;

(2) Afford a qualified individual with a disability an opportunity to participate in or benefit from the aid, benefits, services, or training that is not equal to that afforded others;

(3) Provide a qualified individual with a disability with any aid, benefit, service, or training that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(4) Provide different, segregated, or separate aid, benefit, service, or training to individuals with disabilities, or to any class of individuals with disabilities, unless such action is necessary to provide qualified individuals with disabilities with any aid, benefit, service, or training that is as effective as those provided to others, and consistent with the requirements of the Rehabilitation Act as amended by WIOA, including those provisions that prioritize opportunities in competitive integrated employment;

(5) Deny a qualified individual with a disability the opportunity to participate as a member of planning or advisory boards; or

(6) Otherwise limit a qualified individual with a disability in enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving any aid, benefit, service, or training.

§ 38.12

29 CFR Subtitle A (7-1-21 Edition)

(b) A recipient must not, directly or through contractual, licensing, or other arrangements, aid or perpetuate discrimination against qualified individuals with disabilities by providing significant assistance to an agency, organization, or person that discriminates on the basis of disability in providing any aid, benefit, service, or training to registrants, applicants, or participants.

(c) A recipient must not deny a qualified individual with a disability the opportunity to participate in WIOA Title I-financially assisted programs or activities despite the existence of permissibly separate or different programs or activities.

(d) A recipient must administer WIOA Title I-financially assisted programs and activities in the most integrated setting appropriate to the needs of qualified individuals with disabilities.

(e) A recipient must not, directly or through contractual, licensing, or other arrangements, use standards, procedures, criteria, or administrative methods:

(1) That have the purpose or effect of subjecting qualified individuals with disabilities to discrimination on the basis of disability;

(2) That have the purpose or effect of defeating or substantially impairing accomplishment of the objectives of the WIOA Title I-financially assisted program or activity with respect to individuals with disabilities; or

(3) That perpetuate the discrimination of another entity if both entities are subject to common administrative control or are agencies of the same State.

(f) In determining the site or location of facilities, a grant applicant or recipient must not make selections that have any of the following purposes or effects:

(1) On the basis of disability:

(i) Excluding qualified individuals from a WIOA Title I-financially assisted program or activity;

(ii) Denying qualified individuals the benefits of such a program or activity; or

(iii) Subjecting qualified individuals to discrimination; or

(2) Defeating or substantially impairing the accomplishment of the disability-related objectives of either:

(i) The WIOA Title I-financially assisted program or activity; or

(ii) The nondiscrimination and equal opportunity provisions of WIOA or this part.

(g) A recipient, in the selection of contractors, must not use criteria that subject qualified individuals with disabilities to discrimination on the basis of disability.

(h) A recipient must not administer a licensing or certification program in a manner that subjects qualified individuals with disabilities to discrimination on the basis of disability, nor may a recipient establish requirements for the programs or activities of licensees or certified entities that subject qualified individuals with disabilities to discrimination on the basis of disability. The programs or activities of entities that are licensed or certified by a recipient are not, themselves, covered by this part.

(i) A recipient must not impose or apply eligibility criteria that screen out or tend to screen out individuals with disabilities or any class of individuals with disabilities from fully and equally enjoying any aid, benefit, service, training, program, or activity, unless such criteria can be shown to be necessary for the provision of any aid, benefit, service, training, program, or activity being offered.

(j) Nothing in this part prohibits a recipient from providing any aid, benefit, service, training, or advantages to individuals with disabilities, or to a particular class of individuals with disabilities, beyond those required by this part.

(k) A recipient must not place a surcharge on a particular individual with a disability, or any group of individuals with disabilities, to cover the costs of measures, such as the provision of auxiliary aids or program accessibility, that are required to provide that individual or group with the nondiscriminatory treatment required by WIOA Title I or this part.

(l) A recipient must not exclude, or otherwise deny equal aid, benefits, services, training, programs, or activities to, an individual or entity because

of the known disability of an individual with whom the individual or entity is known to have a relationship or association.

(m) The exclusion of an individual without a disability from the benefits of a program limited by federal law to individuals with disabilities, or the exclusion of a specific class of individuals with disabilities from a program limited by Federal statute or Executive Order to a different class of individuals with disabilities, is not prohibited by this part.

(n) This part does not require a recipient to provide any of the following to individuals with disabilities:

(1) Personal devices, such as wheelchairs;

(2) Individually prescribed devices, such as prescription eyeglasses or hearing aids;

(3) Readers for personal use or study; or

(4) Services of a personal nature, including assistance in eating, toileting, or dressing.

(o)(1) Nothing in this part requires an individual with a disability to accept any accommodation, aid, benefit, service, training, or opportunity provided under WIOA Title I or this part that such individual chooses not to accept.

(2) Nothing in this part authorizes the representative or guardian of an individual with a disability to decline food, water, medical treatment, or medical services for that individual.

(p) *Claims of no disability.* Nothing in this part provides the basis for a claim that an individual without a disability was subject to discrimination because of a lack of disability, including a claim that an individual with a disability was granted auxiliary aids or services, reasonable modifications, or reasonable accommodations that were denied to an individual without a disability.

§ 38.13 Accessibility requirements.

(a) *Physical accessibility.* No qualified individual with a disability may be excluded from participation in, or be denied the benefits of a recipient's service, program, or activity or be subjected to discrimination by any recipient because a recipient's facilities are inaccessible or unusable by individuals

with disabilities. Recipients that are subject to Title II of the ADA must also ensure that new facilities or alterations of facilities that began construction after January 26, 1992, comply with the applicable federal accessible design standards, such as the ADA Standards for Accessible Design (1991 or 2010) or the Uniform Federal Accessibility Standards. In addition, recipients that receive federal financial assistance must meet their accessibility obligations under Section 504 of the Rehabilitation Act and the implementing regulations at 29 CFR part 32. Some recipients may be subject to additional accessibility requirements under other statutory authority, including Title III of the ADA, that is not enforced by CRC. As indicated in § 38.3(d)(10), compliance with this part does not affect a recipient's obligation to comply with the applicable ADA Standards for Accessible Design.

(b) *Programmatic accessibility.* All WIOA Title I-financially assisted programs and activities must be programmatic accessible, which includes providing reasonable accommodations for individuals with disabilities, making reasonable modifications to policies, practices, and procedures, administering programs in the most integrated setting appropriate, communicating with persons with disabilities as effectively as with others, and providing appropriate auxiliary aids or services, including assistive technology devices and services, where necessary to afford individuals with disabilities an equal opportunity to participate in, and enjoy the benefits of, the program or activity.

§ 38.14 Reasonable accommodations and reasonable modifications for individuals with disabilities.

(a) With regard to any aid, benefit, service, training, and employment, a recipient must provide reasonable accommodations to qualified individuals with disabilities who are applicants, registrants, eligible applicants/registrants, participants, employees, or applicants for employment, unless providing the accommodation would cause undue hardship. See the definitions of "reasonable accommodation" and "undue hardship" in § 38.4(rrr)(1).

§ 38.15

(1) In those circumstances where a recipient believes that the proposed accommodation would cause undue hardship, the recipient has the burden of proving that the accommodation would result in such hardship.

(2) The recipient must make the decision that the accommodation would cause such hardship only after considering all factors listed in the definition of “undue hardship” in §38.4(rrr)(1). The decision must be accompanied by a written statement of the recipient’s reasons for reaching that conclusion. The recipient must provide a copy of the statement of reasons to the individual or individuals who requested the accommodation.

(3) If a requested accommodation would result in undue hardship, the recipient must, after consultation with an individual with a disability (or individuals with disabilities), take any other action that would not result in such hardship, but would nevertheless ensure that, to the maximum extent possible, individuals with disabilities receive the aid, benefit, service, training, or employment provided by the recipient.

(b) With regard to any aid, benefit, service, training, and employment, a recipient must also make reasonable modifications in policies, practices, or procedures when the modifications are necessary to avoid discrimination on the basis of disability, unless making the modifications would fundamentally alter the nature of the service, program, or activity. See the definition of “fundamental alteration” in §38.4(z).

(1) In those circumstances where a recipient believes that the proposed modification would fundamentally alter the program, activity, or service, the recipient has the burden of proving that the modification would result in such an alteration.

(2) The recipient must make the decision that the modification would result in such an alteration only after considering all factors listed in the definition of “fundamental alteration” in §38.4(z). The decision must be accompanied by a written statement of the recipient’s reasons for reaching that conclusion. The recipient must provide a copy of the statement of reasons to the indi-

29 CFR Subtitle A (7–1–21 Edition)

vidual or individuals who requested the modification.

(3) If a modification would result in a fundamental alteration, the recipient must take any other action that would not result in such an alteration, but would nevertheless ensure that, to the maximum extent possible, individuals with disabilities receive the aid, benefits, services, training, or employment provided by the recipient.

§ 38.15 Communications with individuals with disabilities.

(a) *General*—(1) *Communications with individuals with disabilities.* (i) A recipient must take appropriate steps to ensure that communications with individuals with disabilities, such as beneficiaries, registrants, applicants, eligible applicants/registrants, participants, applicants for employment, employees, members of the public, and their companions are as effective as communications with others.

(ii) For purposes of this section, “companion” means a family member, friend, or associate of an individual seeking access to an aid, benefit, service, training, program, or activity of a recipient, who, along with such individual, is an appropriate person with whom the recipient should communicate.

(2) *Auxiliary aids and services.* (i) A recipient must furnish appropriate auxiliary aids and services where necessary to afford individuals with disabilities, including beneficiaries, registrants, applicants, eligible applicants/registrants, participants, members of the public, and companions, an equal opportunity to participate in, and enjoy the benefits of, a WIOA Title I-financially assisted service, program, or activity of a recipient.

(ii) The type of auxiliary aid or service necessary to ensure effective communication will vary in accordance with the method of communication used by the individual; the nature, length, and complexity of the communication involved; and the context in which the communication is taking place. In determining what types of auxiliary aids and services are necessary, a recipient must give primary consideration to the requests of individuals with disabilities. In order to be

effective, auxiliary aids and services must be provided in accessible formats, in a timely manner, and in such a way as to protect the privacy and independence of the individual with a disability.

(3) *Interpreters.* (i) A recipient must not require an individual with a disability to bring another individual to interpret for him or her.

(ii) A recipient must not rely on an adult accompanying an individual with a disability to interpret or facilitate communication except—

(A) In an emergency involving an imminent threat to the safety or welfare of an individual or the public where there is no interpreter available; or

(B) Where the individual with a disability specifically requests that an accompanying adult interpret or facilitate communication, the accompanying adult agrees to provide such assistance, and reliance on that adult for such assistance is appropriate under the circumstances.

(iii) A recipient must not rely on a minor child to interpret or facilitate communication, except in an emergency involving an imminent threat to the safety or welfare of an individual or the public where there is no interpreter available.

(4) *Video remote interpreting (VRI) services.* A recipient that chooses to provide qualified interpreters via VRI services must ensure that it provides—

(i) Real-time, full-motion video and audio over a dedicated high-speed, wide-bandwidth video connection or wireless connection that delivers high-quality video images that do not produce lags, choppy, blurry, or grainy images, or irregular pauses in communication;

(ii) A sharply delineated image that is large enough to display the interpreter's face, arms, hands, and fingers, and the participating individual's face, arms, hands, and fingers, regardless of the individual's body position;

(iii) A clear, audible transmission of voices; and

(iv) Adequate training to users of the technology and other involved individuals so that they may quickly and efficiently set up and operate the VRI.

(5) *Electronic and information technology.* When developing, procuring, maintaining, or using electronic and

information technology, a recipient must utilize electronic and information technologies, applications, or adaptations which:

(i) Incorporate accessibility features for individuals with disabilities;

(ii) Are consistent with modern accessibility standards, such as Section 508 Standards (36 CFR part 1194) and W3C's Web Content Accessibility Guidelines (WCAG) 2.0 AA; and

(iii) Provide individuals with disabilities access to, and use of, information, resources, programs, and activities that are fully accessible, or ensure that the opportunities and benefits provided by the electronic and information technologies are provided to individuals with disabilities in an equally effective and equally integrated manner.

(b) *Telecommunications.* (1) Where a recipient communicates by telephone with beneficiaries, registrants, applicants, eligible applicants/registrants, participants, applicants for employment, employees, and/or members of the public, text telephones (TTYs) or equally effective telecommunications systems must be used to communicate with individuals who are deaf or hard of hearing or have speech impairments.

(2) When a recipient uses an automated-attendant system, including, but not limited to, voicemail and messaging, or an interactive voice response system, for receiving and directing incoming telephone calls, that system must provide effective real-time communication with individuals using auxiliary aids and services, including TTYs and all forms of FCC-approved telecommunications relay systems, including internet-based relay systems.

(3) A recipient must respond to telephone calls from a telecommunications relay service established under title IV of the Americans with Disabilities Act in the same manner that it responds to other telephone calls.

(c) *Information and signage.* (1) A recipient must ensure that interested individuals, including individuals with visual or hearing impairments, can obtain information as to the existence and location of accessible services, activities, and facilities.

(2)(i) A recipient must provide signage at the public entrances to each of its inaccessible facilities, directing

§ 38.16

users to a location at which they can obtain information about accessible facilities. The signage provided must meet the Standards for Accessible Design under the Americans with Disabilities Act. Alternative standards for the signage may be adopted when it is clearly evident that such alternative standards provide equivalent or greater access to the information. See 36 CFR part 1191, appendix B, section 103.

(ii) The international symbol for accessibility must be used at each primary entrance of an accessible facility.

(d) *Fundamental alteration.* This section does not require a recipient to take any action that it can demonstrate would result in a fundamental alteration in the nature of a WIOA Title I-financially assisted service, program, or activity.

(1) In those circumstances where a recipient believes that the proposed action would fundamentally alter the WIOA Title I-financially assisted program, activity, or service, the recipient has the burden of proving that compliance with this section would result in such an alteration.

(2) The decision that compliance would result in such an alteration must be made by the recipient after considering all resources available for use in the funding and operation of the WIOA Title I-financially assisted program, activity, or service, and must be accompanied by a written statement of the recipient's reasons for reaching that conclusion.

(3) If an action required to comply with this section would result in the fundamental alteration described in paragraph (d)(1) of this section, the recipient must take any other action that would not result in such an alteration or such burdens, but would nevertheless ensure that, to the maximum extent possible, individuals with disabilities receive the benefits or services provided by the recipient.

§ 38.16 Service animals.

(a) *General.* Generally, a recipient shall modify its policies, practices, or procedures to permit the use of a service animal by an individual with a disability.

(b) *Exceptions.* A recipient may ask an individual with a disability to re-

29 CFR Subtitle A (7-1-21 Edition)

move a service animal from the premises if—

(1) The animal is out of control and the animal's handler does not take effective action to control it; or

(2) The animal is not housebroken.

(c) *If an animal is properly excluded.* If a recipient properly excludes a service animal under paragraph (b) of this section, the recipient must give the individual with a disability the opportunity to participate in the WIOA Title I-financially assisted service, program, or activity without having the service animal on the premises.

(d) *Animal under handler's control.* A service animal must be under the control of its handler. A service animal must have a harness, leash, or other tether, unless either the handler is unable because of a disability to use a harness, leash, or other tether, or the use of a harness, leash, or other tether would interfere with the service animal's safe, effective performance of work or tasks, in which case the service animal must be otherwise under the handler's control (*e.g.*, voice control, signals, or other effective means).

(e) *Care or supervision.* A recipient is not responsible for the care or supervision of a service animal.

(f) *Inquiries.* A recipient must not ask about the nature or extent of a person's disability, but may make two inquiries to determine whether an animal qualifies as a service animal. A recipient may ask if the animal is required because of a disability and what work or task the animal has been trained to perform. A recipient must not require documentation, such as proof that the animal has been certified, trained, or licensed as a service animal. Generally, a recipient may not make these inquiries about a service animal when it is readily apparent that an animal is trained to do work or perform tasks for an individual with a disability (*e.g.*, the dog is observed guiding an individual who is blind or has low vision, pulling a person's wheelchair, or providing assistance with stability or balance to an individual with an observable mobility disability).

(g) *Access to areas of a recipient's facilities.*

(1) *In general.* Individuals with disabilities must be permitted to be accompanied by their service animals in all areas of a recipient's facilities where members of the public, participants in services, programs or activities, beneficiaries, registrants, applicants, eligible applicants/registrants, applicants for employment and employees, or invitees, as relevant, are allowed to go.

(2) *Use of service animals in food preparation areas.* An employee, applicant or beneficiary with a disability who needs to use a service animal in a food preparation area must be allowed to do so unless the employer recipient, after an individualized assessment, can demonstrate, that the presence of the service animal presents a direct threat to health or safety that cannot be eliminated or reduced by a reasonable accommodation to the employee, applicant or beneficiary.

(h) *Surcharges.* A recipient must not ask or require an individual with a disability to pay a surcharge because of the individual's service animal, even if people accompanied by pets are required to pay fees, or to comply with other requirements generally not applicable to people without pets. If a recipient normally charges individuals for the damage they cause, an individual with a disability may be charged for damage caused by the individual's service animal.

§ 38.17 Mobility aids and devices.

(a) *Use of wheelchairs and manually-powered mobility aids.* A recipient must permit individuals with mobility disabilities to use wheelchairs and manually-powered mobility aids, such as walkers, crutches, canes, braces, or other similar devices designed for use by individuals with mobility disabilities, in any areas open to pedestrian use.

(b)(1) *Use of other power-driven mobility devices.* A recipient must make reasonable modifications in its policies, practices, or procedures to permit the use of other power-driven mobility devices by individuals with mobility disabilities, unless the recipient can demonstrate that the class of other power-driven mobility devices cannot be operated in accordance with legitimate

safety requirements that the recipient has adopted.

(2) *Assessment factors.* In determining whether a particular other power-driven mobility device can be allowed in a specific facility as a reasonable modification under paragraph (b)(1) of this section, a recipient must consider—

(i) The type, size, weight, dimensions, and speed of the device;

(ii) The facility's volume of pedestrian traffic (which may vary at different times of the day, week, month, or year);

(iii) The facility's design and operational characteristics (*e.g.*, whether its WIOA Title I-financially assisted service, program, or activity is conducted indoors, its square footage, the density and placement of stationary devices, and the availability of storage for the device, if requested by the user);

(iv) Whether legitimate safety requirements can be established to permit the safe operation of the other power-driven mobility device in the specific facility; and

(v) Whether the use of the other power-driven mobility device creates a substantial risk of serious harm to the immediate environment or natural or cultural resources, or poses a conflict with Federal land management laws.

§ 38.18 Employment practices covered.

(a) *Employment practices covered.* It is an unlawful employment practice to discriminate on the basis of race, color, religion, sex (including pregnancy, childbirth, and related medical conditions, transgender status, and gender identity), national origin, age, disability, or political affiliation or belief in the administration of, or in connection with:

(1) Any WIOA Title I-financially assisted program or activity; and

(2) Any program or activity that is part of the one-stop delivery system and is operated by a one-stop partner listed in Section 121(b) of WIOA, to the extent that the program or activity is being conducted as part of the one-stop delivery system.

(b) *Employee selection procedures.* In implementing this section, a recipient

§ 38.19

must comply with the Uniform Guidelines on Employee Selection Procedures, 41 CFR part 60-3, where applicable.

(c) *Standards for employment-related investigations and reviews.* In any investigation or compliance review, the Director must consider Equal Employment Opportunity Commission (EEOC) regulations, guidance and appropriate case law in determining whether a recipient has engaged in an unlawful employment practice.

(d) *Section 504 of the Rehabilitation Act.* As provided in § 38.3(b), 29 CFR part 32, subparts B and C and appendix A, which implement the requirements of Section 504 pertaining to employment practices and employment-related training, program accessibility, and reasonable accommodation, have been adopted by this part. Therefore, recipients must comply with the requirements set forth in those regulatory sections as well as the requirements listed in this part.

(e) *Employers, employment agencies, or other entities.* (1) Recipients that are also employers, employment agencies, or other entities subject to or covered by Titles I and II of the ADA should be aware of obligations imposed by those titles. See 29 CFR part 1630 and 28 CFR part 35.

(2) Recipients that are also employers, employment agencies, or other entities subject to or covered by Section 503 of the Rehabilitation Act of 1973 (29 U.S.C. 793) must meet their obligations imposed by that provision.

(f) *Immigration and Nationality Act.* Similarly, recipients that are also employers covered by the anti-discrimination provision of the Immigration and Nationality Act should be aware of the obligations imposed by that provision. See 8 U.S.C. 1324b, as amended.

(g) *State and local requirements.* This section does not preempt consistent State and local requirements.

§ 38.19 Intimidation and retaliation prohibited.

(a) A recipient must not discharge, intimidate, retaliate, threaten, coerce or discriminate against any individual because the individual has:

29 CFR Subtitle A (7-1-21 Edition)

(1) Filed a complaint alleging a violation of Section 188 of WIOA or this part;

(2) Opposed a practice prohibited by the nondiscrimination and equal opportunity provisions of WIOA or this part;

(3) Furnished information to, or assisted or participated in any manner in, an investigation, review, hearing, or any other activity related to any of the following:

(i) Administration of the nondiscrimination and equal opportunity provisions of WIOA or this part;

(ii) Exercise of authority under those provisions; or

(iii) Exercise of privilege secured by those provisions; or

(4) Otherwise exercised any rights and privileges under the nondiscrimination and equal opportunity provisions of WIOA or this part.

(b) The sanctions and penalties contained in Section 188(b) of WIOA or this part may be imposed against any recipient that engages in any such retaliation or intimidation, or fails to take appropriate steps to prevent such activity.

§ 38.20 Administration of this part.

The Civil Rights Center, in the Office of the Assistant Secretary for Administration and Management, U.S. Department of Labor, is responsible for administering and enforcing the nondiscrimination and equal opportunity provisions of WIOA and this part, and for developing and issuing policies, standards, guidance, and procedures for effecting compliance.

§ 38.21 Interpretation of this part.

The Director will make any rulings under, or interpretations of, the nondiscrimination and equal opportunity provisions of WIOA or this part.

§ 38.22 Delegation of administration and interpretation of this part.

(a) The Secretary may from time to time assign to officials of other departments or agencies of the Federal Government (with the consent of such department or agency) responsibilities in connection with the effectuation of the nondiscrimination and equal opportunity provisions of WIOA and this part (other than responsibility for final

decisions under §38.112), including the achievement of effective coordination and maximum uniformity within the Department and within the executive branch of the Government in the application of the nondiscrimination and equal opportunity provisions of WIOA or this part to similar programs and similar situations.

(b) Any action taken, determination made, or requirement imposed by an official of another department or agency acting under an assignment of responsibility under this section has the same effect as if the action had been taken by the Director.

§ 38.23 Coordination with other agencies.

(a) Whenever a compliance review or complaint investigation under this part reveals possible violation of one or more of the laws listed in paragraph (b) of this section, or of any other Federal civil rights law, that is not also a violation of the nondiscrimination and equal opportunity provisions of WIOA or this part, the Director must attempt to notify the appropriate agency and provide it with all relevant documents and information.

(b) This section applies to the following:

(1) Executive Order 11246, as amended;

(2) Section 503 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 793);

(3) The affirmative action provisions of the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended (38 U.S.C. 4212);

(4) The Equal Pay Act of 1963, as amended (29 U.S.C. 206d);

(5) Title VII of the Civil Rights Act of 1964, as amended (42 U.S.C. 2000e *et seq.*);

(6) The Age Discrimination in Employment Act of 1967, as amended (29 U.S.C. 621);

(7) The Americans with Disabilities Act of 1990, as amended (42 U.S.C. 12101 *et seq.*);

(8) The anti-discrimination provision of the Immigration and Nationality Act, as amended (8 U.S.C. 1324b); and

(9) Any other Federal civil rights law.

§ 38.24 Effect on other laws and policies.

(a) *Effect of State or local law or other requirements.* The obligation to comply with the nondiscrimination and equal opportunity provisions of WIOA or this part are not excused or reduced by any State or local law or other requirement that, on a prohibited basis, prohibits or limits an individual's eligibility to receive any aid, benefit, service, or training; to participate in any WIOA Title I-financially assisted program or activity; to be employed by any recipient; or to practice any occupation or profession.

(b) *Effect of private organization rules.* The obligation to comply with the nondiscrimination and equal opportunity provisions of WIOA Title I-financially assisted program or activity and this part is not excused or reduced by any rule or regulation of any private organization, club, league or association that, on a prohibited basis, prohibits or limits an individual's eligibility to participate in any WIOA financially assisted program or activity to which this part applies.

(c) *Effect of possible future exclusion from employment opportunities.* A recipient must not exclude any individual from, or restrict any individual's participation in, any program or activity based on the recipient's belief or concern that the individual will encounter limited future employment opportunities because of the individual's race, color, religion, sex, national origin, age, disability, political affiliation or belief, citizenship status, or participation in a WIOA Title I-financially assisted program or activity.

Subpart B—Recordkeeping and Other Affirmative Obligations of Recipients

ASSURANCES

§ 38.25 A grant applicant's obligation to provide a written assurance.

(a) *Grant applicant's obligation to provide a written assurance.* (1) Each application for financial assistance, under Title I of WIOA, as defined in §38.4, must include the following assurance:

§ 38.26

29 CFR Subtitle A (7-1-21 Edition)

(i) As a condition to the award of financial assistance from the Department of Labor under Title I of WIOA, the grant applicant assures that it has the ability to comply with the non-discrimination and equal opportunity provisions of the following laws and will remain in compliance for the duration of the award of federal financial assistance:

(A) Section 188 of the Workforce Innovation and Opportunity Act (WIOA), which prohibits discrimination against all individuals in the United States on the basis of race, color, religion, sex (including pregnancy, childbirth, and related medical conditions, transgender status, and gender identity), national origin (including limited English proficiency), age, disability, or political affiliation or belief, or against beneficiaries on the basis of either citizenship status or participation in any WIOA Title I-financially assisted program or activity;

(B) Title VI of the Civil Rights Act of 1964, as amended, which prohibits discrimination on the bases of race, color and national origin;

(C) Section 504 of the Rehabilitation Act of 1973, as amended, which prohibits discrimination against qualified individuals with disabilities;

(D) The Age Discrimination Act of 1975, as amended, which prohibits discrimination on the basis of age; and

(E) Title IX of the Education Amendments of 1972, as amended, which prohibits discrimination on the basis of sex in educational programs.

(ii) The grant applicant also assures that, as a recipient of WIOA Title I financial assistance, it will comply with 29 CFR part 38 and all other regulations implementing the laws listed above. This assurance applies to the grant applicant's operation of the WIOA Title I-financially assisted program or activity, and to all agreements the grant applicant makes to carry out the WIOA Title I-financially assisted program or activity. The grant applicant understands that the United States has the right to seek judicial enforcement of this assurance.

(2) The assurance is considered incorporated by operation of law in the grant, cooperative agreement, contract or other arrangement whereby Federal

financial assistance under Title I of WIOA is made available, whether it is explicitly incorporated in such document and whether there is a written agreement between the Department and the recipient, between the Department and the Governor, between the Governor and the recipient, or between recipients. The assurance also may be incorporated in such grants, cooperative agreements, contracts, or other arrangements by reference.

(b) *Continuing State Programs.* Each Strategic Four-Year State Plan submitted by a State to carry out a continuing WIOA financially assisted program or activity must provide the text of the assurance in paragraph (a)(1) of this section, as a condition to the approval of the Four-Year Plan and the extension of any WIOA Title I assistance under the Plan. The State also must certify that it has developed and maintains a Nondiscrimination Plan under § 38.54.

§ 38.26 Duration and scope of the assurance.

(a) Where the WIOA Title I financial assistance is intended to provide, or is in the form of, either personal property, real property, structures on real property, or interest in any such property or structures, the assurance will obligate the recipient, or (in the case of a subsequent transfer) the transferee, for the longer of:

(1) The period during which the property is used either:

(i) For a purpose for which WIOA Title I financial assistance is extended; or

(ii) For another purpose involving the provision of similar services or benefits; or

(2) The period during which either:

(i) The recipient retains ownership or possession of the property; or

(ii) The transferee retains ownership or possession of the property without compensating the Departmental grantmaking agency for the fair market value of that ownership or possession.

(b) In all other cases, the assurance will obligate the recipient for the period during which WIOA Title I financial assistance is extended.

§ 38.27 Covenants.

(a) Where WIOA Title I financial assistance is provided in the form of a transfer of real property, structures, or improvements on real property or structures, or interests in real property or structures, the instrument effecting or recording the transfer must contain a covenant assuring nondiscrimination and equal opportunity for the period described in § 38.25(a)(1).

(b) Where no Federal transfer of real property or interest therein from the Federal Government is involved, but real property or an interest therein is acquired or improved under a program of WIOA Title I financial assistance, the recipient must include the covenant described in paragraph (a) of this section in the instrument effecting or recording any subsequent transfer of such property.

(c) When the property is obtained from the Federal Government, the covenant described in paragraph (a) of this section also may include a condition coupled with a right of reverter to the Department in the event of a breach of the covenant.

EQUAL OPPORTUNITY OFFICERS

§ 38.28 Designation of Equal Opportunity Officers.

(a) *Governors.* Every Governor must designate an individual as a State-level Equal Opportunity Officer (State-level EO Officer), who reports directly to the Governor and is responsible for State Program-wide coordination of compliance with the equal opportunity and nondiscrimination requirements in WIOA and this part, including but not limited to §§ 38.51, 38.53, 38.54, and 38.55 for State Programs. The State-level EO Officer must have staff and resources sufficient to carry out these requirements.

(b) *All recipients.* Every recipient except small recipients and service providers, as defined in § 38.4(hhh) and (ggg), must designate a recipient-level Equal Opportunity Officer (recipient-level EO Officer), who reports directly to the individual in the highest-level position of authority for the entity that is the recipient, such as the Governor, the Administrator of the State Department of Employment Services,

the Chair of the Local Workforce Development Board, the Chief Executive Officer, the Chief Operating Officer, or an equivalent official. The recipient-level EO Officer must have staff and resources sufficient to carry out the requirements of this section and § 38.31. The responsibilities of small recipients and service providers are described in §§ 38.32 and 38.33.

§ 38.29 Recipients' obligations regarding Equal Opportunity Officers.

All recipients have the following obligations related to their EO Officers:

(a) Ensuring that the EO Officer is a senior-level employee reporting directly to the individual in the highest-level position of authority for the entity that is the recipient, such as the Governor, the Administrator of the State Department of Employment Services, the Chair of the Local Workforce Development Board, the Chief Executive Officer, the Chief Operating Officer, or an equivalent official;

(b) Designating an individual who can fulfill the responsibilities of an EO Officer as described in § 38.31;

(c) Making the EO Officer's name, position title, address, and telephone number (voice and TDD/TTY) public;

(d) Ensuring that the EO Officer's identity and contact information appear on all internal and external communications about the recipient's nondiscrimination and equal opportunity programs;

(e) Assigning sufficient authority, staff, and resources to the EO Officer, and support of top management, to ensure compliance with the nondiscrimination and equal opportunity provisions of WIOA and this part; and

(f) Ensuring that the EO Officer and the EO Officer's staff are afforded the opportunity to receive (at the recipient's expense) the training necessary and appropriate to maintain competency.

§ 38.30 Requisite skill and authority of Equal Opportunity Officer.

The EO Officer must be a senior level employee of the recipient who has the knowledge, skills and abilities necessary to fulfill the responsibilities

§ 38.31

competently as described in this subpart. Depending upon the size of the recipient, the size of the recipient's WIOA Title I-financially assisted programs or activities, and the number of applicants, registrants, and participants served by the recipient, the EO Officer may, or may not, be assigned other duties. However, the EO Officer must not have other responsibilities or activities that create a conflict or the appearance of a conflict with the responsibilities of an EO Officer.

§ 38.31 Equal Opportunity Officer responsibilities.

An Equal Opportunity Officer is responsible for coordinating a recipient's obligations under this part. Those responsibilities include, but are not limited to:

(a) Serving as a recipient's liaison with CRC;

(b) Monitoring and investigating the recipient's activities, and the activities of the entities that receive WIOA Title I-financial assistance from the recipient, to make sure that the recipient and its subrecipients are not violating their nondiscrimination and equal opportunity obligations under WIOA Title I and this part, which includes monitoring the collection of data required in this part to ensure compliance with the nondiscrimination and equal opportunity requirements of WIOA and this part;

(c) Reviewing the recipient's written policies to make sure that those policies are nondiscriminatory;

(d) Developing and publishing the recipient's procedures for processing discrimination complaints under §§ 38.72 through 38.73, including tracking the discrimination complaints filed against the recipient, developing procedures for investigating and resolving discrimination complaints filed against the recipient, making sure that those procedures are followed, and making available to the public, in appropriate languages and formats, the procedures for filing a complaint;

(e) Conducting outreach and education about equal opportunity and nondiscrimination requirements consistent with § 38.40 and how an individual may file a complaint consistent with § 38.69;

29 CFR Subtitle A (7-1-21 Edition)

(f) Undergoing training (at the recipient's expense) to maintain competency of the EO Officer and staff, as required by the Director; and

(g) If applicable, overseeing the development and implementation of the recipient's Nondiscrimination Plan under § 38.54.

§ 38.32 Small recipient Equal Opportunity Officer obligations.

Although small recipients, as defined in § 38.4(hhh), do not need to designate EO Officers who have the full range of responsibilities listed in § 38.31, they must designate an individual who will be responsible for adopting and publishing complaint procedures, and processing complaints, as explained in §§ 38.72 through 38.75.

§ 38.33 Service provider Equal Opportunity Officer obligations.

Service providers, as defined in § 38.4(ggg), are not required to designate an EO Officer. The obligation for ensuring service provider compliance with the nondiscrimination and equal opportunity provisions of WIOA and this part rests with the Governor or LWDA grant recipient, as specified in the State's Nondiscrimination Plan.

NOTICE AND COMMUNICATION

§ 38.34 Recipients' obligations to disseminate equal opportunity notice.

(a) A recipient must provide initial and continuing notice as defined in § 38.36 that it does not discriminate on any prohibited basis. This notice must be provided to:

(1) Registrants, applicants, and eligible applicants/registrants;

(2) Participants;

(3) Applicants for employment and employees;

(4) Unions or professional organizations that hold collective bargaining or professional agreements with the recipient;

(5) Subrecipients that receive WIOA Title I financial assistance from the recipient; and

(6) Members of the public, including those with impaired vision or hearing and those with limited English proficiency.

(b) As provided in §38.15, the recipient must take appropriate steps to ensure that communications with individuals with disabilities are as effective as communications with others and that this notice is provided in appropriate languages to ensure meaningful access for LEP individuals as described in §38.9.

§38.35 Equal opportunity notice/poster.

The notice must contain the following specific wording:

Equal Opportunity Is the Law

It is against the law for this recipient of Federal financial assistance to discriminate on the following bases: Against any individual in the United States, on the basis of race, color, religion, sex (including pregnancy, childbirth, and related medical conditions, sex stereotyping, transgender status, and gender identity), national origin (including limited English proficiency), age, disability, or political affiliation or belief, or, against any beneficiary of, applicant to, or participant in programs financially assisted under Title I of the Workforce Innovation and Opportunity Act, on the basis of the individual's citizenship status or participation in any WIOA Title I-financially assisted program or activity.

The recipient must not discriminate in any of the following areas:

Deciding who will be admitted, or have access, to any WIOA Title I-financially assisted program or activity;

providing opportunities in, or treating any person with regard to, such a program or activity; or

making employment decisions in the administration of, or in connection with, such a program or activity.

Recipients of federal financial assistance must take reasonable steps to ensure that communications with individuals with disabilities are as effective as communications with others. This means that, upon request and at no cost to the individual, recipients are required to provide appropriate auxiliary aids and services to qualified individuals with disabilities.

What To Do If You Believe You Have Experienced Discrimination

If you think that you have been subjected to discrimination under a WIOA Title I-financially assisted program or activity, you may file a complaint within 180 days from the date of the alleged violation with either:

The recipient's Equal Opportunity Officer (or the person whom the recipient has designated for this purpose); or
The Director, Civil Rights Center (CRC), U.S. Department of Labor, 200 Constitution Avenue NW., Room N-4123, Washington, DC 20210 or electronically as directed on the CRC Web site at www.dol.gov/crc.

If you file your complaint with the recipient, you must wait either until the recipient issues a written Notice of Final Action, or until 90 days have passed (whichever is sooner), before filing with the Civil Rights Center (see address above).

If the recipient does not give you a written Notice of Final Action within 90 days of the day on which you filed your complaint, you may file a complaint with CRC before receiving that Notice. However, you must file your CRC complaint within 30 days of the 90-day deadline (in other words, within 120 days after the day on which you filed your complaint with the recipient).

If the recipient does give you a written Notice of Final Action on your complaint, but you are dissatisfied with the decision or resolution, you may file a complaint with CRC. You must file your CRC complaint within 30 days of the date on which you received the Notice of Final Action.

The Governor or the LWDA grant recipient, as determined by the Governor and as provided in that State's Non-discrimination Plan, will be responsible for meeting the notice requirement provided in §§ 38.34 and 38.35 with respect to a State's service providers.

§ 38.38 Publications, broadcasts, and other communications.

(a) Recipients must indicate that the WIOA Title I-financially assisted program or activity in question is an "equal opportunity employer/program," and that "auxiliary aids and services are available upon request to individuals with disabilities," in recruitment brochures and other materials that are ordinarily distributed or communicated in written and/or oral form, electronically and/or on paper, to staff, clients, or the public at large, to describe programs financially assisted under Title I of WIOA or the requirements for participation by recipients and participants. Where such materials indicate that the recipient may be

29 CFR Subtitle A (7-1-21 Edition)

reached by voice telephone, the materials must also prominently provide the telephone number of the text telephone (TTY) or equally effective telecommunications system, such as a relay service, videophone, or captioned telephone used by the recipient, as required by § 38.15(b).

(b) Recipients that publish or broadcast program information in the news media must ensure that such publications and broadcasts state that the WIOA Title I-financially assisted program or activity in question is an equal opportunity employer/program (or otherwise indicate that discrimination in the WIOA Title I-financially assisted program or activity is prohibited by Federal law), and indicate that auxiliary aids and services are available upon request to individuals with disabilities.

(c) A recipient must not communicate any information that suggests, by text or illustration, that the recipient treats beneficiaries, registrants, applicants, participants, employees or applicants for employment differently on any prohibited basis specified in § 38.5, except as such treatment is otherwise permitted under Federal law or this part.

§ 38.39 Communication of notice in orientations.

During each presentation to orient new participants, new employees, and/or the general public to its WIOA Title I-financially assisted program or activity, in person or over the internet or using other technology, a recipient must include a discussion of rights and responsibilities under the non-discrimination and equal opportunity provisions of WIOA and this part, including the right to file a complaint of discrimination with the recipient or the Director. These steps should involve reasonable efforts to include members of the various groups protected by these regulations including but not limited to persons of different sexes, various racial and ethnic/national origin groups, various religions, individuals with limited English proficiency, individuals with disabilities, and individuals in different age groups. Such efforts may include, but are not limited to:

(b) Sending notices about openings in the recipient's programs and/or activities to schools or community service groups that serve various populations; and

(c) Consulting with appropriate community service groups about ways in which the recipient may improve its outreach and service to various populations.

DATA AND INFORMATION COLLECTION
MAINTENANCE

§ 38.41 Collection and maintenance of equal opportunity data and other information.

(a) The Director will not require submission of data that can be obtained from existing reporting requirements or sources, including those of other agencies, if the source is known and available to the Director.

(b)(1) Each recipient must collect such data and maintain such records, in accordance with procedures prescribed by the Director, as the Director finds necessary to determine whether the recipient has complied or is complying with the nondiscrimination and equal opportunity provisions of WIOA or this part. The system and format in which the records and data are kept must be designed to allow the Governor and CRC to conduct statistical or other quantifiable data analyses to verify the recipient's compliance with section 188 of WIOA and this part.

(2) Such records must include, but are not limited to, records on applicants, registrants, eligible applicants/registrants, participants, terminees, employees, and applicants for employ-

ment. Each recipient must record the race/ethnicity, sex, age, and where known, disability status, of every applicant, registrant, participant, terminatee, applicant for employment, and employee. Beginning on January 3, 2019, each recipient must also record the limited English proficiency and preferred language of each applicant, registrant, participant, and terminatee. (3) Any medical or disability-related information obtained about a particular individual, including information that could lead to the disclosure of a disability, must be collected on separate forms. All such information, whether in hard copy, electronic, or both, must be maintained in one or more separate files, apart from any other information about the individual, and treated as confidential. Whether these files are electronic or hard copy, they must be locked or otherwise secured (for example, through password protection).

(i) *Knowledge of disability status or medical condition and access to information in related files.* Persons in the following categories may be informed about an individual's disability or medical condition and have access to the information in related files under the following listed circumstances:

(B) First aid and safety personnel who need access to underlying documentation related to a participant's medical condition in an emergency.

(C) Government officials engaged in enforcing this part, any other laws administered by the Department, or any other Federal laws. *See also* § 38.44.

§ 38.42

29 CFR Subtitle A (7-1-21 Edition)

managers, and other necessary personnel may be informed regarding restrictions on the activities of individuals with disabilities and regarding reasonable accommodations for such individuals.

(c) Each recipient must maintain, and submit to CRC upon request, a log of complaints filed with the recipient that allege discrimination on the basis(es) of race, color, religion, sex (including pregnancy, childbirth, and related medical conditions, transgender status, and gender identity), national origin, age, disability, political affiliation or belief, citizenship, and/or participation in a WIOA Title I-financially assisted program or activity. The log must include: The name and address of the complainant; the basis of the complaint; a description of the complaint; the date the complaint was filed; the disposition and date of disposition of the complaint; and other pertinent information. Information that could lead to identification of a particular individual as having filed a complaint must be kept confidential.

(d) Where designation of individuals by race or ethnicity is required, the guidelines of the Office of Management and Budget must be used.

(e) A service provider's responsibility for collecting and maintaining the information required under this section may be assumed by the Governor or LWDA grant recipient, as provided in the State's Nondiscrimination Plan.

§ 38.42 Information to be provided to the Civil Rights Center (CRC) by grant applicants and recipients.

In addition to the information which must be collected, maintained, and, upon request, submitted to CRC under § 38.41:

(a) Each grant applicant and recipient must promptly notify the Director when any administrative enforcement actions or lawsuits are filed against it alleging discrimination on the basis of race, color, religion, sex (including pregnancy, childbirth, and related medical conditions, transgender status, and gender identity), national origin (including limited English proficiency), age, disability, or political affiliation or belief, or, for beneficiaries, appli-

cants, and participants only, on the basis of citizenship or participation in a WIOA Title I-financially assisted program or activity. This notification must include:

(1) The names of the parties to the action or lawsuit;

(2) The forum in which each case was filed; and

(3) The relevant case numbers.

(b) Each recipient (as part of a compliance review conducted under § 38.63, or monitoring activity carried out under § 38.65) must provide the following information:

(1) The name of any other Federal agency that conducted a civil rights compliance review or complaint investigation, and that found the grant applicant or recipient to be in noncompliance, during the two years before the grant application was filed or CRC began its examination; and

(2) Information about any administrative enforcement actions or lawsuits that alleged discrimination on any protected basis, and that were filed against the grant applicant or recipient during the two years before the application or renewal application, compliance review, or monitoring activity. This information must include:

(i) The names of the parties;

(ii) The forum in which each case was filed; and

(iii) The relevant case numbers.

(c) At the discretion of the Director, grant applicants and recipients may be required to provide, in a timely manner, any information and data that the Director considers necessary to investigate complaints and conduct compliance reviews on bases prohibited under the nondiscrimination and equal opportunity provisions of WIOA and this part.

(d) At the discretion of the Director, recipients may be required to provide, in a timely manner, the particularized information and/or to submit the periodic reports that the Director considers necessary to determine compliance with the nondiscrimination and equal opportunity provisions of WIOA or this part.

(e) At the discretion of the Director, grant applicants may be required to

submit, in a timely manner, the particularized information that the Director considers necessary to determine whether or not the grant applicant, if financially assisted, would be able to comply with the nondiscrimination and equal opportunity provisions of WIOA or this part.

(f) Where designation of individuals by race or ethnicity is required, the guidelines of the Office of Management and Budget must be used.

§ 38.43 Required maintenance of records by recipients.

(a) Each recipient must maintain the following records, whether they exist in electronic form (including email) or hard copy, for a period of not less than three years from the close of the applicable program year:

(1) The records of applicants, registrants, eligible applicants/registrants, participants, terminees, employees, and applicants for employment; and

(2) Such other records as are required under this part or by the Director.

(b) Where a discrimination complaint has been filed or compliance review initiated, every recipient that possesses or maintains any type of hard-copy or electronic record related to the complaint (including records that have any relevance to the underlying allegations in the complaint, as well as records regarding actions taken on the complaint) or to the subject of the compliance review must preserve all records, regardless whether hard-copy or electronic, that may be relevant to a complaint investigation or compliance review, and maintain those records for a period of not less than three years from the date of final action related to resolution of the complaint or compliance review.

§ 38.44 CRC access to information and information sources.

(a) Each grant applicant and recipient must permit access by the Director or the Director's designee during its hours of operation to its premises and to its employees and participants, to the extent that such individuals are on the premises during the course of the investigation, for the purpose of con-

ducting complaint investigations, compliance reviews, or monitoring activities associated with a State's development and implementation of a Nondiscrimination Plan, and for inspecting and copying such books, records, accounts and other materials as may be pertinent to ascertain compliance with and ensure enforcement of the nondiscrimination and equal opportunity provisions of WIOA or this part.

(b) Asserted considerations of privacy or confidentiality are not a basis for withholding information from CRC and will not bar CRC from evaluating or seeking to enforce compliance with the nondiscrimination and equal opportunity provisions of WIOA and this part.

(c) Whenever any information that the Director asks a grant applicant or recipient to provide is in the exclusive possession of another agency, institution, or person, and that agency, institution, or person fails or refuses to furnish the information upon request, the grant applicant or recipient must certify to CRC that it has made efforts to obtain the information and that the agency, institution, or person has failed or refused to provide it. This certification must list the name and address of the agency, institution, or person that has possession of the information and the specific efforts the grant applicant or recipient made to obtain it.

§ 38.45 Confidentiality responsibilities of grant applicants, recipients, and the Department.

Grant applicants, recipients and the Department must keep confidential to the extent possible, consistent with a fair determination of the issues, the identity of any individual who furnishes information relating to, or assists in, an investigation or a compliance review, including the identity of any individual who files a complaint. An individual whose identity is disclosed must be protected from retaliation (*See* § 38.19).

§ 38.50

Subpart C—Governor’s Responsibilities to Implement the Nondiscrimination and Equal Opportunity Requirements of the Workforce Innovation and Opportunity Act (WIOA)

§ 38.50 Subpart application to State Programs.

This subpart applies to State Programs as defined in § 38.4. However, the provisions of § 38.52(b) do not apply to State Workforce Agencies (SWA), because the Governor’s liability for any noncompliance on the part of a SWA cannot be waived.

§ 38.51 Governor’s oversight and monitoring responsibilities for State Programs.

The Governor is responsible for oversight and monitoring of all WIOA Title I-financially assisted State Programs. This responsibility includes:

(a) Ensuring compliance with the nondiscrimination and equal opportunity provisions of WIOA and this part, and negotiating, where appropriate, with a recipient to secure voluntary compliance when noncompliance is found under § 38.91(b).

(b) Annually monitoring the compliance of recipients with WIOA section 188 and this part, including a determination as to whether each recipient is conducting its WIOA Title I-financially assisted program or activity in a nondiscriminatory way. At a minimum, each annual monitoring review required by this paragraph must include:

(1) A statistical or other quantifiable analysis of records and data kept by the recipient under § 38.41, including analyses by race/ethnicity, sex, limited English proficiency, preferred language, age, and disability status;

(2) An investigation of any significant differences identified in paragraph (b)(1) of this section in participation in the programs, activities, or employment provided by the recipient, to determine whether these differences appear to be caused by discrimination. This investigation must be conducted through review of the recipient’s records and any other appropriate means; and

29 CFR Subtitle A (7–1–21 Edition)

(3) An assessment to determine whether the recipient has fulfilled its administrative obligations under Section 188 of WIOA or this part (for example, recordkeeping, notice and communication) and any duties assigned to it under the Nondiscrimination Plan.

§ 38.52 Governor’s liability for actions of recipients the Governor has financially assisted under Title I of WIOA.

(a) The Governor and the recipient are jointly and severally liable for all violations of the nondiscrimination and equal opportunity provisions of WIOA and this part by the recipient, unless the Governor has:

(1) Established and implemented a Nondiscrimination Plan, under § 38.54, designed to give a reasonable guarantee of the recipient’s compliance with such provisions;

(2) Entered into a written contract with the recipient that clearly establishes the recipient’s obligations regarding nondiscrimination and equal opportunity;

(3) Acted with due diligence to monitor the recipient’s compliance with these provisions; and

(4) Taken prompt and appropriate corrective action to effect compliance.

(b) If the Director determines that the Governor has demonstrated substantial compliance with the requirements of paragraph (a) of this section, the Director may recommend to the Secretary that the imposition of sanctions against the Governor be waived and that sanctions be imposed only against the noncomplying recipient.

§ 38.53 Governor’s oversight responsibilities regarding recipients’ recordkeeping.

The Governor must ensure that recipients collect and maintain records in a manner consistent with the provisions of § 38.41 and any procedures prescribed by the Director under § 38.41(a). The Governor must further ensure that recipients are able to provide data and reports in the manner prescribed by the Director.

§ 38.54 Governor's obligations to develop and implement a Nondiscrimination Plan.

(a)(1) Each Governor must establish and implement a Nondiscrimination Plan for State Programs as defined in § 38.4(kkk). In those States in which one agency contains both SWA or unemployment insurance and WIOA Title I-financially assisted programs, the Governor must develop a combined Nondiscrimination Plan.

(2) Each Nondiscrimination Plan must be designed to give a reasonable guarantee that all recipients will comply, and are complying, with the nondiscrimination and equal opportunity provisions of WIOA and this part.

(b) The Nondiscrimination Plan must be:

(1) In writing, addressing each requirement of paragraph (c) of this section with narrative and documentation;

(2) Reviewed and updated as required in § 38.55; and

(3) Signed by the Governor.

(c) At a minimum, each Nondiscrimination Plan must:

(1) Describe how the State Programs and recipients have satisfied the requirements of the following regulations:

(i) Sections 38.25 through 38.27 (Assurances);

(ii) Sections 38.28 through 38.33 (Equal Opportunity Officers);

(iii) Sections 38.34 through 38.39 (Notice and Communication);

(iv) Sections 38.41 through 38.45 (Data and Information Collection and Maintenance);

(v) Section 38.40 (Affirmative Outreach);

(vi) Section 38.53 (Governor's Oversight Responsibility Regarding Recipients' Recordkeeping);

(vii) Sections 38.72 and 38.73 (Complaint Processing Procedures); and

(viii) Sections 38.51 and 38.53 (Governor's Oversight and Monitoring Responsibilities for State Programs).

(2) Include the following additional elements:

(i) A system for determining whether a grant applicant, if financially assisted, and/or a training provider, if selected as eligible under Section 122 of WIOA, is likely to conduct its WIOA

Title I-financially assisted programs or activities in a nondiscriminatory way, and to comply with the regulations in this part;

(ii) A review of recipient policy issuances to ensure they are nondiscriminatory;

(iii) A system for reviewing recipients' job training plans, contracts, assurances, and other similar agreements to ensure that they are both nondiscriminatory and contain the required language regarding nondiscrimination and equal opportunity;

(iv) Procedures for ensuring that recipients comply with the nondiscrimination and equal opportunity requirements of § 38.5 regarding race, color, religion, sex (including pregnancy, childbirth, and related medical conditions, transgender status, and gender identity), national origin (including limited English proficiency), age, political affiliation or belief, citizenship, or participation in any WIOA Title I-financially assisted program or activity;

(v) Procedures for ensuring that recipients comply with the requirements of applicable Federal disability nondiscrimination law, including Section 504; Title II of the Americans with Disabilities Act of 1990, as amended, if applicable; WIOA Section 188, and this part with regard to individuals with disabilities;

(vi) A system of policy communication and training to ensure that EO Officers and members of the recipients' staffs who have been assigned responsibilities under the nondiscrimination and equal opportunity provisions of WIOA or this part are aware of and can effectively carry out these responsibilities;

(vii) Procedures for obtaining prompt corrective action or, as necessary, applying sanctions when noncompliance is found; and

(viii) Supporting documentation to show that the commitments made in the Nondiscrimination Plan have been and/or are being carried out. This supporting documentation includes, but is not limited to:

§ 38.55

(B) Copies of monitoring instruments and instructions;

(C) Evidence of the extent to which nondiscrimination and equal opportunity policies have been developed and communicated as required by this part;

(D) Information reflecting the extent to which equal opportunity training, including training called for by §§ 38.29(f) and 38.31(f), is planned and/or has been carried out;

(E) Reports of monitoring reviews and reports of follow-up actions taken under those reviews where violations have been found, including, where appropriate, sanctions; and

(F) Copies of any notices made under §§ 38.34 through 38.40.

§ 38.55 Schedule of the Governor's obligations regarding the Nondiscrimination Plan.

(a) Within 180 days of either January 3, 2017, or the date on which the Governor is required to review and update their Methods of Administration as determined by the schedule in § 37.55, whichever is later, a Governor must:

(1) Develop and implement a Nondiscrimination Plan consistent with the requirements of this part; and

(2) Submit a copy of the Nondiscrimination Plan to the Director.

(b) The Governor must promptly update the Nondiscrimination Plan whenever necessary, and submit the changes made to the Director in writing at the time that any such updates are made.

(c) Every two years from the date on which the initial Nondiscrimination Plan is submitted to the Director under paragraph (a)(2) of this section, the Governor must review the Nondiscrimination Plan and the manner in which it has been implemented, and determine whether any changes are necessary in order for the State to comply fully and effectively with the nondiscrimination and equal opportunity provisions of WIOA and this part.

(1) If any such changes are necessary, the Governor must make the appropriate changes and submit them, in writing, to the Director.

(2) If the Governor determines that no such changes are necessary, the Governor must certify, in writing, to the Director that the Nondiscrimina-

29 CFR Subtitle A (7-1-21 Edition)

tion Plan previously submitted continues in effect.

(3) Submit a copy of all reports of any monitoring reviews conducted by the Governor pursuant to § 38.51(b) since the last Nondiscrimination Plan update.

Subpart D—Compliance Procedures

§ 38.60 Evaluation of compliance.

From time to time, the Director may conduct pre-approval compliance reviews of grant applicants for WIOA Title I-financial assistance to determine the ability to comply with the nondiscrimination and equal opportunity provisions of WIOA and this part and may conduct post-approval compliance reviews of recipients to determine compliance with the nondiscrimination and equal opportunity provisions of WIOA and this part. Reviews may focus on one or more specific programs or activities, or one or more issues within a program or activity. The Director may also investigate and resolve complaints alleging violations of the nondiscrimination and equal opportunity provisions of WIOA and this part.

§ 38.61 Authority to issue subpoenas.

Section 183(c) of WIOA authorizes the issuance of subpoenas. The subpoena may require the appearance of witnesses, and the production of documents, from any place in the United States, at any designated time and place. A subpoena may direct the individual named on the subpoena to take the following actions:

(a) To appear:

(1) Before a designated CRC representative;

(2) At a designated time and place;

(b) To give testimony; and/or

(c) To produce documentary evidence.

COMPLIANCE REVIEWS

§ 38.62 Authority and procedures for pre-approval compliance reviews.

(a) As appropriate and necessary to ensure compliance with the nondiscrimination and equal opportunity

provisions of WIOA or this part, the Director may review any application, or class of applications, for Federal financial assistance under Title I of WIOA, before and as a condition of their approval. The basis for such review may be the assurance specified in § 38.25, information and reports submitted by the grant applicant under this part or guidance published by the Director, and any relevant records on file with the Department.

(b) When awarding financial assistance under Title I of WIOA, departmental grantmaking agencies must consult with the Director to review whether the CRC has issued a Notice to Show Cause under § 38.66(b) or a Final Determination against an applicant that has been identified as a probable awardee.

(c) The grantmaking agency will consider, in consultation with the Director, the information referenced in paragraph (b) of this section, along with any other information provided by the Director in determining whether to award a grant or grants. Departmental grantmaking agencies must consider refraining from awarding new grants to applicants or must consider including special terms in the grant agreement for entities named by the Director as described in paragraph (b) of this section. Special terms will not be lifted until a compliance review has been conducted by the Director, and the Director has approved a determination that the applicant is likely to comply with the nondiscrimination and equal opportunity requirements of WIOA and this part.

(d) Where the Director determines that the grant applicant for Federal financial assistance under Title I of WIOA, if financially assisted, is not likely to comply with the nondiscrimination and equal opportunity requirements of WIOA or this part, the Director must:

(1) Notify, in a timely manner, the Departmental grantmaking agency and the Assistant Attorney General of the findings of the pre-approval compliance review; and

(2) Issue a Letter of Findings. The Letter of Findings must advise the grant applicant, in writing, of:

(i) The preliminary findings of the review;

(ii) The proposed remedial or corrective action under § 38.90 and the time within which the remedial or corrective action should be completed;

(iii) Whether it will be necessary for the grant applicant to enter into a written Conciliation Agreement as described in §§ 38.91 and 38.93; and

(iv) The opportunity to engage in voluntary compliance negotiations.

(e) If a grant applicant has agreed to certain remedial or corrective actions in order to receive WIOA Title I financial assistance, the Department must ensure that the remedial or corrective actions have been taken, or that a Conciliation Agreement has been entered into, before approving the award of further assistance under WIOA Title I. If a grant applicant refuses or fails to take remedial or corrective actions or to enter into a Conciliation Agreement, as applicable, the Director must follow the procedures outlined in §§ 38.95 through 38.97.

§ 38.63 Authority and procedures for conducting post-approval compliance reviews.

(a) The Director may initiate a post-approval compliance review of any recipient to determine compliance with the nondiscrimination and equal opportunity provisions of WIOA and this part. The initiation of a post-approval review may be based on, but need not be limited to, the results of routine program monitoring by other Departmental or Federal agencies, or the nature or frequency of complaints.

(b) A post-approval review must be initiated by a Notification Letter, advising the recipient of:

(1) The practices to be reviewed;

(2) The programs to be reviewed;

(3) The information, records, and/or data to be submitted by the recipient within 30 days of the receipt of the Notification Letter, unless this time frame is modified by the Director; and

(4) The opportunity, at any time before receipt of the Final Determination described in §§ 38.95 and 38.96, to make a documentary or other written submission that explains, validates or otherwise addresses the practices under review.

§ 38.64

(c) The Director may conduct post-approval reviews using such techniques as desk audits and on-site reviews.

§ 38.64 Procedures for concluding post-approval compliance reviews.

(a) Where, as the result of a post-approval review, the Director has made a finding of noncompliance, the Director must issue a Letter of Findings. This Letter must advise the recipient, in writing, of:

(1) The preliminary findings of the review;

(2) Where appropriate, the proposed remedial or corrective action to be taken, and the time by which such action should be completed, as provided in § 38.90;

(3) Whether it will be necessary for the recipient to enter into a written assurance or Conciliation Agreement, as provided in §§ 38.92 and 38.93; and

(4) The opportunity to engage in voluntary compliance negotiations.

(b) Where no violation is found, the recipient must be so informed in writing.

§ 38.65 Authority to monitor the activities of a Governor.

(a) The Director may periodically review the adequacy of the Nondiscrimination Plan established by a Governor, as well as the adequacy of the Governor's performance under the Nondiscrimination Plan, to determine compliance with the requirements of §§ 38.50 through 38.55. The Director may review the Nondiscrimination Plan during a compliance review under §§ 38.62 and 38.63, or at another time.

(b) Nothing in this subpart limits or precludes the Director from monitoring directly any recipient or from investigating any matter necessary to determine a recipient's compliance with the nondiscrimination and equal opportunity provisions of WIOA or this part.

(c) Where the Director determines that the Governor has not complied with the oversight and monitoring responsibilities set forth in the nondiscrimination and equal opportunity requirements of WIOA or this part, the Director may:

(1) Issue a Letter of Findings. The Letter of Findings must advise the Governor, in writing, of:

29 CFR Subtitle A (7-1-21 Edition)

(i) The preliminary findings of the review;

(ii) The proposed remedial or corrective action under § 38.90 and the time within which the remedial or corrective action should be completed;

(iii) Whether it will be necessary for the Governor to enter into a conciliation agreement as described in §§ 38.91 and 38.93; and

(iv) The opportunity to engage in voluntary compliance negotiations.

(2) If a Governor refuses or fails to take remedial or corrective actions or to enter into a conciliation agreement, the Director may follow the procedures outlined in §§ 38.89, 38.90, and 38.91.

§ 38.66 Notice to Show Cause issued to a recipient.

(a) The Director may issue a Notice to Show Cause to a recipient failing to comply with the requirements of this part, where such failure results in the inability of the Director to make a finding. Such a failure includes, but is not limited to, the recipient's failure or refusal to:

(1) Submit requested information, records, and/or data within the time-frame specified in a Notification Letter issued pursuant to § 38.63;

(2) Submit, in a timely manner, information, records, and/or data requested during a compliance review, complaint investigation, or other action to determine a recipient's compliance with the nondiscrimination and equal opportunity provisions of WIOA or this part; or

(3) Provide CRC access in a timely manner to a recipient's premises, records, or employees during a compliance review or complaint investigation, as required in § 38.42(c).

(b) The Director may issue a Notice to Show Cause to a recipient after a Letter of Findings and/or an Initial Determination has been issued, and after a reasonable period of time has passed within which the recipient refuses to negotiate a conciliation agreement with the Director regarding the violation(s).

(c) A Notice to Show Cause must contain:

(1) A description of the violation and a citation to the pertinent non-discrimination or equal opportunity provision(s) of WIOA and this part;

(2) The corrective action necessary to achieve compliance or, as may be appropriate, the concepts and principles of acceptable corrective or remedial action and the results anticipated; and

(3) A request for a written response to the findings, including commitments to corrective action or the presentation of opposing facts and evidence.

(d) A Notice to Show Cause must give the recipient 30 days from receipt of the Notice to show cause why enforcement proceedings under the non-discrimination and equal opportunity provisions of WIOA or this part should not be instituted.

§ 38.67 Methods by which a recipient may show cause why enforcement proceedings should not be instituted.

A recipient may show cause why enforcement proceedings should not be instituted by, among other means:

(a) Correcting the violation(s) that brought about the Notice to Show Cause and entering into a Conciliation Agreement, under §§ 38.91 and 38.93;

(b) Demonstrating that CRC does not have jurisdiction; or

(c) Demonstrating that the violation alleged by CRC did not occur.

§ 38.68 Failing to show cause.

If the recipient fails to show cause why enforcement proceedings should not be initiated, the Director may follow the enforcement procedures outlined in § 38.95.

COMPLAINT PROCESSING PROCEDURES

§ 38.69 Complaint filing.

(a) Any person or the person's representative who believes that any of the following circumstances exist may file a written complaint:

(1) A person, or any specific class of individuals, has been or is being discriminated against on the basis of race, color, religion, sex (including pregnancy, childbirth, and related medical conditions, transgender status, and gender identity), national origin (in-

cluding limited English proficiency), age, disability, political affiliation or belief, citizenship status, or participation in any WIOA Title I-financially assisted program or activity as prohibited by WIOA or this part.

(2) Either the person, or any specific class of individuals, has been or is being retaliated against as described in § 38.19.

(b) A person or the person's representative may file a complaint with either the recipient's EO Officer (or the person the recipient has designated for this purpose) or the Director. Complaints filed with the Director should be sent to the address listed in the notice or filed electronically as described in the notice in § 38.35.

(c) Generally, a complaint must be filed within 180 days of the alleged discrimination or retaliation. However, for good cause shown, the Director may extend the filing time. The time period for filing is for the administrative convenience of CRC, and does not create a defense for the respondent.

§ 38.70 Required contents of complaint.

Each complaint must be filed in writing, either electronically or in hard copy, and must contain the following information:

(a) The complainant's name, mailing address, and, if available, email address (or another means of contacting the complainant).

(b) The identity of the respondent (the individual or entity that the complainant alleges is responsible for the discrimination).

(c) A description of the complainant's allegations. This description must include enough detail to allow the Director or the recipient, as applicable, to decide whether:

(1) CRC or the recipient, as applicable, has jurisdiction over the complaint;

(2) The complaint was filed in time; and

(3) The complaint has apparent merit; in other words, whether the complainant's allegations, if true, would indicate noncompliance with any of the nondiscrimination and equal opportunity provisions of WIOA or this part.

§ 38.71

29 CFR Subtitle A (7-1-21 Edition)

(d) The written or electronic signature of the complainant or the written or electronic signature of the complainant's representative.

(e) A complainant may file a complaint by completing and submitting CRC's Complaint Information and Privacy Act Consent Forms, which may be obtained either from the recipient's EO Officer or from CRC. The forms are available electronically on CRC's Web site, and in hard copy via postal mail upon request. The latter requests may be sent to CRC at the address listed in the notice contained in § 38.35.

§ 38.71 Right to representation.

Both the complainant and the respondent have the right to be represented by an attorney or other individual of their choice.

§ 38.72 Required elements of a recipient's complaint processing procedures.

(a) The procedures that a recipient adopts and publishes for processing complaints permitted under this part and WIOA Section 188 must state that the recipient will issue a written Notice of Final Action on complaints within 90 days of the date on which the complaint is filed.

(b) At a minimum, the procedures must include the following elements:

(1) Initial, written notice to the complainant that contains the following information:

(i) An acknowledgment that the recipient has received the complaint; and

(ii) Notice that the complainant has the right to be represented in the complaint process;

(iii) Notice of rights contained in § 38.35; and

(iv) Notice that the complainant has the right to request and receive, at no cost, auxiliary aids and services, language assistance services, and that this notice will be translated into the non-English languages as required in §§ 38.4(h) and (i), 38.34, and 38.36.

(2) A written statement of the issue(s), provided to the complainant, that includes the following information:

(i) A list of the issues raised in the complaint; and

(ii) For each such issue, a statement whether the recipient will accept the issue for investigation or reject the issue, and the reasons for each rejection.

(3) A period for fact-finding or investigation of the circumstances underlying the complaint.

(4) A period during which the recipient attempts to resolve the complaint. The methods available to resolve the complaint must include alternative dispute resolution (ADR), as described in paragraph (c) of this section.

(5) A written Notice of Final Action, provided to the complainant within 90 days of the date on which the complaint was filed, that contains the following information:

(i) For each issue raised in the complaint, a statement of either:

(A) The recipient's decision on the issue and an explanation of the reasons underlying the decision; or

(B) A description of the way the parties resolved the issue; and

(ii) Notice that the complainant has a right to file a complaint with CRC within 30 days of the date on which the Notice of Final Action is received if the complainant is dissatisfied with the recipient's final action on the complaint.

(c) The procedures the recipient adopts must provide for alternative dispute resolution (ADR). The recipient's ADR procedures must provide that:

(1) The complainant may attempt ADR at any time after the complainant has filed a written complaint with the recipient, but before a Notice of Final Action has been issued.

(2) The choice whether to use ADR or the customary process rests with the complainant.

(3) A party to any agreement reached under ADR may notify the Director in the event the agreement is breached. In such circumstances, the following rules will apply:

(i) The non-breaching party may notify with the Director within 30 days of the date on which the non-breaching party learns of the alleged breach; and

(ii) The Director must evaluate the circumstances to determine whether the agreement has been breached. If

the Director determines that the agreement has been breached, the complaint will be reinstated and processed in accordance with the recipient's procedures.

(4) If the parties do not reach an agreement under ADR, the complainant may file a complaint with the Director as described in §§38.69 through 38.71.

§ 38.73 Responsibility for developing and publishing complaint processing procedures for service providers.

The Governor or the LWDA grant recipient, as provided in the State's Non-discrimination Plan, must develop and publish, on behalf of its service providers, the complaint processing procedures required in §38.72. The service providers must then follow those procedures.

§ 38.74 Recipient's obligations when it determines that it has no jurisdiction over a complaint.

If a recipient determines that it does not have jurisdiction over a complaint, it must notify the complainant, in writing within five business days of making such determination. This Notice of Lack of Jurisdiction must include:

(a) A statement of the reasons for that determination; and

(b) Notice that the complainant has a right to file a complaint with CRC within 30 days of the date on which the complainant receives the Notice.

§ 38.75 If the complainant is dissatisfied after receiving a Notice of Final Action.

If the recipient issues its Notice of Final Action before the 90-day period ends, but the complainant is dissatisfied with the recipient's decision on the complaint, the complainant or the complainant's representative may file a complaint with the Director within 30 days after the date on which the complainant receives the Notice.

§ 38.76 If a recipient fails to issue a Notice of Final Action within 90 days after the complaint was filed.

If, by the end of 90 days from the date on which the complainant filed the complaint, the recipient has failed to

issue a Notice of Final Action, the complainant or the complainant's representative may file a complaint with the Director within 30 days of the expiration of the 90-day period. In other words, the complaint must be filed with the Director within 120 days of the date on which the complaint was filed with the recipient.

§ 38.77 Extension of deadline to file complaint.

(a) The Director may extend the 30-day time limit for filing a complaint:

(1) If a recipient does not include in its Notice of Final Action the required notice about the complainant's right to file with the Director, as described in §38.72(b)(5); or

(2) For other good cause shown.

(b) The complainant has the burden of proving to the Director that the time limit should be extended.

§ 38.78 Determinations regarding acceptance of complaints.

The Director must decide whether CRC will accept a particular complaint for resolution. For example, a complaint need not be accepted if:

(a) It has not been timely filed;

(b) CRC has no jurisdiction over the complaint; or

(c) CRC has previously decided the matter.

§ 38.79 When a complaint contains insufficient information.

(a) If a complaint does not contain enough information to identify the respondent or the basis of the alleged discrimination, the timeliness of the complaint, or the apparent merit of the complaint, the Director must try to get the needed information from the complainant.

(b) The Director may close the complainant's file, without prejudice, if:

(1) The Director makes reasonable efforts to try to find the complainant, but is unable to reach him or her; or

(2) The complainant does not provide the needed information to CRC within the time specified in the request for more information.

(c) If the Director closes the complainant's file, the Director must send written notice to the complainant's last known address, email address (or

§ 38.80

another known method of contacting the complainant in writing).

§ 38.80 Lack of jurisdiction.

If CRC does not have jurisdiction over a complaint, the Director must:

(a) Notify the complainant in writing and explain why the complaint falls outside the coverage of the non-discrimination and equal opportunity provisions of WIOA or this part; and

(b) Where possible, transfer the complaint to an appropriate Federal, State or local authority.

§ 38.81 Complaint referral.

The Director refers complaints to other agencies in the following circumstances:

(a) Where the complaint alleges discrimination based on age, and the complaint falls within the jurisdiction of the Age Discrimination Act of 1975, as amended, then the Director must refer the complaint, in accordance with the provisions of 45 CFR 90.43(c)(3).

(b) Where the only allegation in the complaint is a charge of individual employment discrimination that is covered both by WIOA or this part and by one or more of the laws listed in paragraphs (b)(1) through (4) of this section, then the complaint is a "joint complaint," and the Director may refer it to the EEOC for investigation and conciliation under the procedures described in 29 CFR part 1640 or 1691, as appropriate. The relevant laws are:

(1) Title VII of the Civil Rights Act of 1964, as amended (42 U.S.C. 2000e to 2000e-17);

(2) The Equal Pay Act of 1963, as amended (29 U.S.C. 206(d));

(3) The Age Discrimination in Employment Act of 1976, as amended (29 U.S.C. 621, *et seq.*); and

(4) Title I of the Americans with Disabilities Act of 1990, as amended (42 U.S.C. 12101 *et seq.*).

(c) Where the complaint alleges discrimination by an entity that operates a program or activity financially assisted by a Federal grantmaking agency other than the Department, but that participates as a partner in a one-stop delivery system, the following procedures apply:

(1) Where the complaint alleges discrimination on a basis that is prohib-

29 CFR Subtitle A (7-1-21 Edition)

ited both by Section 188 of WIOA and by a civil rights law enforced by the Federal grantmaking agency, then CRC and the grantmaking agency have dual jurisdiction over the complaint, and the Director will refer the complaint to the grantmaking agency for processing. In such circumstances, the grantmaking agency's regulations will govern the processing of the complaint.

(2) Where the complaint alleges discrimination on a basis that is prohibited by Section 188 of WIOA, but not by any civil rights laws enforced by the Federal grantmaking agency, then CRC has sole jurisdiction over the complaint, and will retain the complaint and process it pursuant to this part. Such bases generally include religion, political affiliation or belief, citizenship, and/or participation in a WIOA Title I-financially assisted program or activity.

(d) Where the Director makes a referral under this section, the Director must notify the complainant and the respondent about the referral.

§ 38.82 Notice that complaint will not be accepted.

If a complaint will not be accepted, the Director must notify the complainant, in writing, about that fact, and provide the complainant the Director's reasons for making that determination.

§ 38.83 Notice of complaint acceptance.

If the Director accepts the complaint for resolution, the Director must notify in writing the complainant, the respondent, and the grantmaking agency. The notice must:

(a) State that the complaint will be accepted;

(b) Identify the issues over which CRC has accepted jurisdiction; and

(c) Explain the reasons why any issues were rejected.

§ 38.84 Contacting CRC about a complaint.

Both the complainant and the respondent, or their representative, may contact CRC for information about the complaint. The Director will determine what information, if any, about the complaint will be released.

§ 38.85 Alternative dispute resolution.

The Director may offer the option of alternative dispute resolution (ADR) of the complaint filed with CRC. In such circumstances, the following rules apply:

(a) ADR is voluntary; consent must be given by the complainant and respondent before the ADR process will proceed.

(b) The ADR will be conducted under the guidance of the Director.

(c) ADR may take place at any time after a complaint has been filed under § 38.69, as deemed appropriate by the Director.

(d) CRC will not suspend its investigation and complaint processes during ADR.

COMPLAINT DETERMINATIONS

§ 38.86 Notice at conclusion of complaint investigation.

At the conclusion of the investigation of the complaint, the Director must take the following actions:

(a) Determine whether there is reasonable cause to believe that the respondent has violated the nondiscrimination and equal opportunity provisions of WIOA or this part; and

(b) Notify the complainant, the respondent, and the grantmaking agency, in writing, of that determination as provided in §§ 38.87 and 38.88.

§ 38.87 Director's Initial Determination that reasonable cause exists to believe that a violation has taken place.

If the Director finds reasonable cause to believe that the respondent has violated the nondiscrimination and equal opportunity provisions of WIOA or this part the Director must issue an Initial Determination. The Initial Determination must include:

(a) The specific findings of the investigation;

(b) The corrective or remedial action that the Department proposes to the respondent, under § 38.90;

(c) The time by which the respondent must complete the corrective or remedial action;

(d) Whether it will be necessary for the respondent to enter into a written

agreement under §§ 38.91 through 38.93; and

(e) The opportunity to engage in voluntary compliance negotiations.

§ 38.88 Director's Final Determination that no reasonable cause exists to believe that a violation has taken place.

If the Director determines that there is no reasonable cause to believe that a violation has taken place, the Director must issue a Final Determination under § 38.96. The Final Determination represents the Department's final agency action on the complaint.

§ 38.89 When the recipient fails or refuses to take the corrective action listed in the Initial Determination.

Under such circumstances, following a complaint investigation or compliance review, the Department may take the actions described in § 38.95.

§ 38.90 Corrective or remedial action that may be imposed when the Director finds a violation.

(a) A Letter of Findings, Notice to Show Cause, or Initial Determination, issued under § 38.62 or § 38.64, §§ 38.66 and 38.67, or § 38.87, respectively, must include the specific steps the grant applicant or recipient, as applicable, must take within a stated period of time in order to achieve voluntary compliance.

(b) Such steps may include:

(1) Actions to end and/or redress the violation of the nondiscrimination and equal opportunity provisions of WIOA or this part;

(2) Make-whole relief where discrimination has been identified, including, as appropriate, back pay (which must not accrue from a date more than 2 years before the filing of the complaint or the initiation of a compliance review), or other monetary relief; hire or reinstatement; retroactive seniority; promotion; benefits or other services discriminatorily denied; and

(3) Such other remedial or affirmative relief as the Director deems necessary, including but not limited to outreach, recruitment and training designed to ensure equal opportunity.

(c) Monetary relief may not be paid from Federal funds.

§ 38.91

29 CFR Subtitle A (7-1-21 Edition)

§ 38.91 Post-violation procedures.

(a) *Violations at the State level.* Where the Director has determined that a violation of the nondiscrimination and equal opportunity provisions of WIOA or this part has occurred at the State level, the Director must notify the Governor of that State through the issuance of a Letter of Findings, Notice to Show Cause, or Initial Determination, as appropriate, under § 38.62 or § 38.64, §§ 38.66 and 38.67, or § 38.87, respectively. The Director may secure compliance with the nondiscrimination and equal opportunity provisions of WIOA and this part through, among other means, the execution of a written assurance or Conciliation Agreement.

(b) *Violations below State level.* Where the Director has determined that a violation of the nondiscrimination and equal opportunity provisions of WIOA or this part has occurred below the State level, the Director must so notify the Governor and the violating recipient(s) through the issuance of a Letter of Findings, Notice to Show Cause or Initial Determination, as appropriate, under § 38.62 or § 38.64, §§ 38.66 and 38.67, or § 38.87, respectively.

(1) Such issuance may:

(i) Direct the Governor to initiate negotiations immediately with the violating recipient(s) to secure compliance by voluntary means.

(ii) Direct the Governor to complete such negotiations within 30 days of the Governor's receipt of the Notice to Show Cause or within 45 days of the Governor's receipt of the Letter of Findings or Initial Determination, as applicable. The Director reserves the right to enter into negotiations with the recipient at any time during the period. For good cause shown, the Director may approve an extension of time to secure voluntary compliance. The total time allotted to secure voluntary compliance must not exceed 60 days.

(iii) Include a determination as to whether compliance must be achieved by:

(A) Immediate correction of the violation(s) and written assurance that such violations have been corrected, under § 38.92; or

(B) Entering into a written Conciliation Agreement under § 38.93.

(2) If the Governor determines, at any time during the period described in paragraph (b)(1)(ii) of this section, that a recipient's compliance cannot be achieved by voluntary means, the Governor must so notify the Director.

(3) If the Governor is able to secure voluntary compliance under paragraph (b)(1) of this section, the Governor must submit to the Director for approval, as applicable:

(i) Written assurance that the required action has been taken, as described in § 38.92; or

(ii) A copy of the Conciliation Agreement, as described in § 38.93.

(4) The Director may disapprove any written assurance or Conciliation Agreement submitted for approval under paragraph (b)(3) of this section that fails to satisfy each of the applicable requirements provided in §§ 38.92 and 38.93.

(c) *Violations in National Programs.* Where the Director has determined that a violation of the nondiscrimination and equal opportunity provisions of WIOA or this part has occurred in a National Program, the Director must notify the Federal grantmaking agency and the recipient by issuing a Letter of Findings, Notice to Show Cause, or Initial Determination, as appropriate, under § 38.62 or § 38.63, §§ 38.66 and 38.67, or § 38.87, respectively. The Director may secure compliance with the nondiscrimination and equal opportunities provisions of WIOA through, among other means, the execution of a written assurance or conciliation agreement under § 38.92 or § 38.93.

§ 38.92 Written assurance.

A written assurance is the resolution document that may be used when the Director determines that a recipient has, within fifteen business days after receipt of the Letter of Findings or Initial Determination identifying the violations, taken all corrective actions to remedy the violations specified in those documents.

§ 38.93 Required elements of a conciliation agreement.

A conciliation agreement must:

(a) Be in writing;

(b) Address the legal and contractual obligations of the recipient;

- (c) Address each cited violation;
- (d) Specify the corrective or remedial action to be taken within a stated period of time to come into compliance;
- (e) Provide for periodic reporting on the status of the corrective and remedial action;
- (f) State that the violation(s) will not recur;
- (g) State that nothing in the agreement will prohibit CRC from sending the agreement to the complainant, making it available to the public, or posting it on the CRC or recipient's Web site;
- (h) State that, in any proceeding involving an alleged violation of the conciliation agreement, CRC may seek enforcement of the agreement itself and shall not be required to present proof of the underlying violations resolved by the agreement; and
- (i) Provide for enforcement for a breach of the agreement.

§ 38.94 When voluntary compliance cannot be secured.

The Director will conclude that compliance cannot be secured by voluntary means under the following circumstances:

- (a) The Governor, grant applicant or recipient fails to or refuses to correct the violation(s) within the time period established by the Letter of Findings, Notice to Show Cause or Initial Determination; or
- (b) The Director has not approved an extension of time for agreement on voluntary compliance under § 38.91(b)(1)(ii) and the Director either:
 - (1) Has not been notified under § 38.91(b)(3) that the Governor, grant applicant, or recipient has agreed to voluntary compliance;
 - (2) Has disapproved a written assurance or Conciliation Agreement, under § 38.91(b)(4); or
 - (3) Has received notice from the Governor, under § 38.91(b)(2), that the grant applicant or recipient will not comply voluntarily.

§ 38.95 Enforcement when voluntary compliance cannot be secured.

If the Director concludes that compliance cannot be secured by voluntary means, the Director must either:

- (a) Issue a Final Determination;

- (b) Refer the matter to the Attorney General with a recommendation that an appropriate civil action be instituted; or

- (c) Take such other action as may be provided by law.

A Final Determination must contain the following information:

- (a) A statement of the efforts made to achieve voluntary compliance, and a statement that those efforts have been unsuccessful;
- (b) A statement of those matters upon which the grant applicant or recipient and CRC continue to disagree;
- (c) A list of any modifications to the findings of fact or conclusions that were set forth in the Initial Determination, Notice to Show Cause or Letter of Findings;
- (d) A statement of the grant applicant's or recipient's liability, and, if appropriate, the extent of that liability;
- (e) A description of the corrective or remedial actions that the grant applicant or recipient must take to come into compliance;
- (f) A notice that if the grant applicant or recipient fails to come into compliance within 10 days of the date on which it receives the Final Determination, one or more of the following consequences may result:
 - (1) After the grant applicant or recipient is given the opportunity for a hearing, its WIOA Title I financial assistance may be terminated, discontinued, or withheld in whole or in part, or its application for such financial assistance may be denied, as appropriate;
 - (2) The Secretary of Labor may refer the case to the Department of Justice with a request to file suit against the grant applicant or recipient; or
 - (3) The Secretary may take any other action against the grant applicant or recipient that is provided by law;
- (g) A notice of the grant applicant's or recipient's right to request a hearing under the procedures described in §§ 38.112 through 37.115; and
- (h) A determination of the Governor's liability, if any, under § 38.52.

§ 38.97

- (a) The grant applicant or recipient;
- (b) The grantmaking agency; and
- (c) The Assistant Attorney General.

BREACHES OF CONCILIATION
AGREEMENTS

§ 38.98 Notification of Breach of Conciliation Agreement.

(b) The Director must send a Notification of Breach of Conciliation Agreement to the Governor, the grantmaking agency, and/or other party(ies) to the Conciliation Agreement, as applicable.

§ 38.99 Contents of Notification of Breach of Conciliation Agreement.

A Notification of Breach of Conciliation Agreement must:

- (a) Specify any efforts made to achieve voluntary compliance, and indicate that those efforts have been unsuccessful;
- (b) Identify the specific provisions of the Conciliation Agreement violated;
- (c) Determine liability for the violation and the extent of the liability;
- (d) Indicate that failure of the violating party to come into compliance within 10 days of the receipt of the Notification of Breach of Conciliation Agreement may result, after opportunity for a hearing, in the termination or denial of the grant, or discontinuation of assistance, as appropriate, or in referral to the Department of Justice with a request from the Department to file suit;
- (e) Advise the violating party of the right to request a hearing, and reference the applicable procedures in § 38.111; and
- (f) Include a determination as to the Governor's liability, if any, in accordance with the provisions of § 38.52.

29 CFR Subtitle A (7-1-21 Edition)

§ 38.100 Notification of an enforcement action based on breach of conciliation agreement.

In such circumstances, the Director must notify:

- (a) The grantmaking agency; and
- (b) The Governor, recipient or grant applicant, as applicable.

Subpart E—Federal Procedures for Effecting Compliance

§ 38.110 Enforcement procedures.

(a) *Sanctions; judicial enforcement.* If compliance has not been achieved after issuance of a Final Determination under §§ 38.95 and 38.96, or a Notification of Breach of Conciliation Agreement under §§ 38.98 through 38.100, the Secretary may:

(1) After opportunity for a hearing, suspend, terminate, deny or discontinue the WIOA Title I financial assistance, in whole or in part;

(2) Refer the matter to the Attorney General with a recommendation that an appropriate civil action be instituted; or

(3) Take such action as may be provided by law, which may include seeking injunctive relief.

(b) *Deferral of new grants.* When proceedings under § 38.111 have been initiated against a particular recipient, the Department may defer action on that recipient's applications for new WIOA Title I financial assistance until a Final Decision under § 38.112 has been rendered. Deferral is not appropriate when WIOA Title I financial assistance is due and payable under a previously approved application.

(1) New WIOA Title I financial assistance includes all assistance for which an application or approval, including renewal or continuation of existing activities, or authorization of new activities, is required during the deferral period.

(2) New WIOA Title I financial assistance does not include assistance approved before the beginning of proceedings under § 38.111, or increases in funding as a result of changed computations of formula awards.

§ 38.111 Hearing procedures.

(a) *Notice of opportunity for hearing.* As part of a Final Determination, or a Notification of Breach of a Conciliation Agreement, the Director must include, and serve on the grant applicant or recipient (by certified mail, return receipt requested), a notice of opportunity for hearing.

(b) *Complaint; request for hearing; answer.* (1) In the case of noncompliance that cannot be voluntarily resolved, the Final Determination or Notification of Breach of Conciliation Agreement is considered the Department's formal complaint.

(2) To request a hearing, the grant applicant or recipient must file a written answer to the Final Determination or Notification of Breach of Conciliation Agreement, and a copy of the Final Determination or Notification of Breach of Conciliation Agreement, with the Office of the Administrative Law Judges in accordance with 29 CFR part 18.

(i) The answer must be filed within 30 days of the date of receipt of the Final Determination or Notification of Breach of Conciliation Agreement.

(ii) A request for hearing must be set forth in a separate paragraph of the answer.

(iii) The answer must specifically admit or deny each finding of fact in the Final Determination or Notification of Breach of Conciliation Agreement. Where the grant applicant or recipient does not have knowledge or information sufficient to form a belief, the answer may so state and the statement will have the effect of a denial. Findings of fact not denied are considered admitted. The answer must separately state and identify matters alleged as affirmative defenses, and must also set forth the matters of fact and law relied on by the grant applicant or recipient.

(3) The grant applicant or recipient must simultaneously serve a copy of its filing on the Office of the Solicitor, Civil Rights and Labor-Management Division, Room N-2474, U.S. Department of Labor, 200 Constitution Avenue NW., Washington, DC 20210.

(4)(i) The failure of a grant applicant or recipient to request a hearing under this paragraph (b), or to appear at a

hearing for which a date has been set, waives the right to a hearing; and

(ii) Whenever a hearing is waived, all allegations of fact contained in the Final Determination or Notification of Breach of Conciliation Agreement are considered admitted, and the Final Determination or Notification of Breach of Conciliation Agreement becomes the Final Decision of the Secretary as of the day following the last date by which the grant applicant or recipient was required to request a hearing or was to appear at a hearing.

(c) *Time and place of hearing.* Hearings will be held at a time and place ordered by the Administrative Law Judge upon reasonable notice to all parties and, as appropriate, the complainant. In selecting a place for the hearing, due regard must be given to the convenience of the parties, their counsel, and witnesses, if any.

(d) *Judicial process; evidence*—(1) *Judicial process.* The Administrative Law Judge may use judicial process to secure the attendance of witnesses and the production of documents authorized by Section 9 of the Federal Trade Commission Act (15 U.S.C. 49).

(2) *Evidence.* In any hearing or administrative review conducted under this part, evidentiary matters will be governed by the standards and principles set forth in the Rules of Evidence issued by the Department of Labor's Office of Administrative Law Judges, 29 CFR part 18.

[81 FR 87211, Dec. 2, 2016, as amended at 86 FR 1785, Jan. 11, 2021]

§ 38.112 Initial and final decision procedures.

(a) *Initial decision.* After the hearing, the Administrative Law Judge must issue an initial decision and order, containing findings of fact and conclusions of law. The initial decision and order must be served on all parties.

(b) *Exceptions; Final Decision*—(1) *Final Decision after a hearing.* The initial decision and order becomes the Final Decision and Order of the Department unless exceptions are filed by a party or, in the absence of exceptions, the Administrative Review Board serves notice that it will review the decision.

§ 38.113

29 CFR Subtitle A (7–1–21 Edition)

(i) *Exceptions.* A party dissatisfied with the initial decision and order may, within 45 days of receipt, file with the Administrative Review Board and serve on the other parties to the proceedings and on the Administrative Law Judge, exceptions to the initial decision and order or any part thereof, in accordance with 29 CFR part 26.

These regulations are promulgated by the Secretary of Labor to describe the coordination of the activities of the Employment Standards Administration, the Occupational Safety and Health Administration, and the Employment and Training Administration relating to migrant farmworkers.

§ 42.2 Purpose.

(a) These regulations coordinate the activities of ESA, OSHA and ETA, and are intended to:

(1) Ensure effective enforcement efforts under the protective statutes—i.e., the Farm Labor Contractor Registration Act (FLCRA), the Occupational Safety and Health Act (OSHA), and the Fair Labor Standards Act (FLSA) (*protective statutes*).

(2) Ensure that the enforcement efforts of DOL agencies are coordinated to maximize their effectiveness, yet minimize unnecessary duplication.

(3) Focus the attention of DOL agencies upon the special employment-related problems faced by migrant farmworkers.

(4) Coordinate DOL enforcement efforts with related activities of farmworker groups, federal and State agencies, and other concerned parties outside the Department of Labor whose operations are related to the employment, housing, and working conditions of migrant farmworkers.

(5) Establish an information exchange which will afford the Department, farmworker groups, and other concerned parties outside the Department of Labor the opportunity to ex-

change information concerning wages, hours and working conditions.

§ 42.3 National Committee.

A National Farm Labor Coordinated Enforcement Committee (*National Committee*) is hereby established which shall be responsible for: Reviewing policies, guidelines and enforcement goals and strategies for the Department of Labor with respect to migrant farm labor-related enforcement efforts under the protective statutes; resolving policies which are in conflict between DOL agencies; advising the Secretary on legislative initiatives which would strengthen farm labor-related enforcement efforts; and providing guidance and recommendations to DOL agencies on related enforcement activities.

§ 42.4 Structure of the National Committee.

(a) The National Committee shall consist of the Under Secretary of Labor, the Solicitor of Labor, and the Assistant Secretaries for the Employment Standards Administration (ESA), the Occupational Safety and Health Administration (OSHA), and the Employment and Training Administration (ETA).

(b) The Committee shall be headed by the Under Secretary, who shall assign to one of his/her Special Assistants the responsibility of directing the necessary staff work required by the Committee.

(c) The National Committee shall meet on a quarterly basis to review the Department's responsibilities affecting migrant farmworkers, and at any other time as determined by the Under Secretary to be necessary to carry out the National Committee's responsibilities.

(d) There shall be a National Committee staff level working group consisting of senior staff representatives from the Branch of Farm Labor Law Enforcement, the Wage and Hour Division, the U.S. Employment Service (the National MSFW Monitor Advocate), the Employment and Training Administration, the Office of Field Coordination and the Directorate of Federal Compliance and State Programs in the

Occupational Safety and Health Administration, and the Office of the Solicitor.

(e) The Special Assistant to the Under Secretary shall be the director of the staff level working group.

(f) The staff level working group shall meet monthly or more frequently as requested by the director.

(g) The director, or another member of the National Committee, shall attend the annual public meeting of each of the Regional Farm Labor Coordinating Committees.

(a) The National Committee shall review the policies of OSHA, ESA and the United States Employment Service (USES), and the Office of the Solicitor and shall guide the respective agencies in improving the effectiveness of and coordination among all DOL agencies assigned responsibilities related to migrant farmworkers. These policies and guidance shall include such issues as the following:

(1) The coordination of inspections, including housing inspections, reports and procedures of DOL agencies and State agencies designated by the Department to follow-up on complaints under, and to detect promptly violations of, any of the protective statutes.

(2) The expedited enforcement and legal procedures to accommodate the transient and seasonal nature of migrant farmworker's problems.

(3) The development of systems for prompt and efficient referral to the appropriate federal or State agency of violations or complaints discovered by or reported to DOL agencies or appropriate State agencies, along with prompt and efficient follow-up action by the appropriate agency from the initiation of the investigation through final enforcement action.

(4) The training of all appropriate DOL personnel in order to ensure coordinated and effective enforcement.

(5) The level of enforcement achieved by the remedies or sanctions used by DOL agencies to enforce the protective statutes.

(6) The effectiveness of the Specialists Program and the Regional Farm Labor Coordinated Enforcement Committees.

§ 42.6 Enforcement strategy.

(a) Each Regional Farm Labor Coordinated Enforcement Committee shall annually prepare, on a regional basis, a migrant farm labor enforcement strategy for each protective statute pursuant to § 42.20(c)(3). The National Committee shall review these regional strategies and make recommendations to the appropriate DOL agencies. In reviewing the enforcement strategies, the Committee shall pay particular attention to:

(1) The priorities set for the investigation and enforcement activities of compliance officers.

(2) Available data on the past and current levels of enforcement of the protective statutes in the region, including the data collected pursuant to § 42.21, *infra*.

(9) Other activities of DOL agencies related to migrant farmworker enforcement.

§ 42.7 Complaint/directed action logs.

(a) To facilitate the Committee's review of all migrant farmworker complaints, including pre and post occupancy housing inspections and the enforcement strategies of DOL agencies, the Committee shall oversee the operation of a system of coordinated Complaint/Directed Action Logs (*logs*). The logs shall be maintained by each DOL agency and appropriate SESA and OSHA State agencies.

§ 42.8

(b) The logs shall record both the numbers of compliance actions initiated as a result of complaints and those initiated on the basis of directed activity. They shall also include a statistical record of all original referrals both from and to other DOL agencies or federal or State authorities.

(1) Whenever a complaint is received and/or an investigation is completed by an agency, the appropriate official of that agency shall enter the matter on the log.

(2) Wherever possible, the responsible agency, upon request, shall inform the complainant of the status of the actions pending, and shall inform, when applicable, the referring agency.

(3) ESA, OSHA, USES, and the Office of the Solicitor shall be responsible for preparing the quarterly statistical summary by regions of the respective agency's compliance activity. This summary shall include all complaints and compliance actions which

(i) Were pursued to completion by the subagency during the reporting period or

(ii) Were received during the reporting period or earlier, and are pending. Each agency also shall report a summary of aging and resource allocation data. The summary shall be submitted to the National Committee and the appropriate Regional Committee.

(c) The National Committee staff shall analyze the statistical summaries and shall recommend National or Regional Committee action where problems or short-comings are identified. Pursuant to this review, the National Committee shall take steps to ensure that the responsible agencies make timely responses to complaints and conduct vigorous enforcement action.

§ 42.8 Coordination plan.

(a) Based upon, among other things, the regional enforcement strategies submitted under § 42.6, the National Committee shall develop an annual coordination plan concerning farm labor-related responsibilities of the Department, including migrant housing inspections, the referral of complaints, enforcement action on violations of federal or State employment-related laws subject to the jurisdiction of DOL, or regulations administered by DOL or

The representatives are to be elected by and from the State employment statistics directors affiliated with the State agencies designated to carry out the employment statistics responsibilities under the revised section 15 of the Wagner-Peyser Act (29 U.S.C. 49 1-2), as amended by section 309 of the Workforce Investment Act of 1998. If there is a tie after the first round of votes are counted, the Commissioner shall conduct additional rounds of voting using a ballot containing the names of the directors who tied with the most votes in the previous round until a representative is elected. The Commissioner will prescribe a time limit of not less than one week for each additional round of voting and will tally the votes received within the prescribed time limit. The director with the most votes will be the representative.

(b) *Method of transmission.* The Commissioner may distribute the ballots relating to the election under this part by electronic mail or other methods the Commissioner determines to be appropriate and may specify the methods through which votes are to be cast.

Subpart A—General

§ 70.1 General provisions.

(a) This part is organized as follows: Subpart A contains general information about Department of Labor policies and procedures; subpart B sets forth the procedures for obtaining access to records of the Department; subpart C contains the Department's regulations on fees; and subpart D sets forth the procedures for obtaining access to certain public records. Appendix A contains a list of all Department

of Labor FOIA components from which records may be obtained.

(b) This part contains the rules that the Department of Labor follows in processing requests for records under the Freedom of Information Act (FOIA), as amended, 5 U.S.C. 552. The rules in this part should be read together with the text of the FOIA, which provides additional information about access to records maintained by the Department. Additionally, the Department's "Guide to Submitting Requests under the FOIA" and related documents contain helpful information about the specific procedures particular to the Department with respect to making FOIA requests, and descriptions of the types of records maintained by different components of the Department. These references are available at <http://www.dol.gov/dol/foia/guide6.html>.

(c) Requests made by individuals for records about themselves under the Privacy Act of 1974, 5 U.S.C. 552a, are processed under 29 CFR part 71 as well as under this part. Information routinely provided to the public as part of a regular Department activity (for example, press releases issued by the Office of Public Affairs (OPA)) may be provided to the public without following this subpart.

(d) As set forth in § 70.3 of this part, the Department operates its FOIA program with a presumption of openness and withholds records or information under the FOIA only when the Department reasonably foresees that disclosure would harm an interest protected by a FOIA exemption or when disclosure is prohibited by law.

(e) The Department has a decentralized system for processing requests, with each component handling requests for its own records. Each component has a FOIA Customer Service Center that can assist individuals in locating records and address questions regarding pending FOIA requests. A list of the Department's Customer Service Centers is available at <http://www.dol.gov/dol/foia/RequestorServiceCenters.htm>.

(f) The Secretary has designated a Chief FOIA Officer for the Department. Contact information for the Chief

§70.2

FOIA Officer is available on the Department's FOIA Web site, <http://www.dol.gov/dol/foia/>. The Office of Information Services (OIS), which is located within the Office of the Solicitor, provides Department level guidance and oversight for the Department's FOIA program and supports the statutorily-based responsibilities of the DOL Chief FOIA Officer.

(g) The Department has a designated FOIA Public Liaison who can assist individuals in locating records of a particular component and with resolving issues relating to the processing of a pending FOIA request. Information concerning the DOL FOIA Public Liaison is available at <http://www.dol.gov/sol/foia/liaison.htm>. The DOL FOIA Public Liaison is responsible for assisting in reducing delays in FOIA processing, increasing transparency and understanding, providing information concerning the status of requests, and assisting in the resolution of disputes.

§70.2 Definitions.

As used in this part:

(a) The terms agency, person, party, rule, order, and adjudication have the meaning attributed to these terms by the definitions in 5 U.S.C. 551.

(b) Confidential commercial information means commercial or financial information received or obtained by the Department from a submitter, directly or indirectly, that arguably may be protected from disclosure under Exemption 4 of the FOIA.

(c) The Department means the Department of Labor.

(d) FOIA Component means an official component of the Department that has authority to disclose or withhold records under the FOIA and to which requests to inspect or copy records in its custody should be addressed. Department of Labor components are listed in Appendix A to this part.

(e) Record means any information that would be an agency record subject to the requirements of this part when maintained by an agency in any format, including an electronic format, and any information described under this part that is maintained for an agency by an entity under Government contract, for the purposes of records management.

29 CFR Subtitle A (7-1-21 Edition)

(f) Request means any written request for records made pursuant to 5 U.S.C. 552(a)(3) and which meets the requirements of this part.

(g) Requester means any person who makes a request.

(h) Search means to look for, manually or by automated means, Department records for the purpose of locating them in response to a pending request.

(i) The Secretary means the Secretary of Labor.

(j) Submitter means any person or entity from whom the Department receives or obtains confidential commercial or financial information, directly or indirectly. The term submitter includes, but is not limited to, corporations, labor organizations, non-profit organizations, and local, state, and tribal and foreign governments.

(k) Unusual circumstances means, to the extent reasonably necessary for the proper processing of a FOIA request:

(1) The need to search for and collect the requested records from physically separate facilities;

(2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records that are demanded in a single request; or

(3) The need for consultation, which will be conducted with all practicable speed, with another agency or among two or more components of the Department having a substantial interest in the determination of the request.

§70.3 Presumption of openness.

All agency records, except those exempt from mandatory disclosure by one or more provisions of 5 U.S.C. 552(b) or the law enforcement exclusions in 5 U.S.C. 552(c), will be made promptly available to any person submitting a written request in accordance with the procedures of this part. The Department will withhold records under the FOIA only when the Department reasonably foresees that disclosure would harm an interest protected by a FOIA exemption or is prohibited by law. Whenever the Department determines that full disclosure of a requested record is not possible, the Department will consider whether partial

disclosure is possible and will take reasonable steps to segregate and release nonexempt material. As set forth in Sec. 70.4, the Department proactively identifies and discloses records of interest to the public.

§ 70.4 Proactive disclosure of Departmental records.

Records that are required by the FOIA, 5 U.S.C. 552(a)(2), to be made available for public inspection in an electronic format may be accessed through the Department's Web site. Each component is responsible for determining which of its records are required to be made publicly available, as well as identifying additional records of interest to the public that are appropriate for public disclosure, and for posting and indexing such records. Each component must review and update its Web site of posted records and indices on an ongoing basis.

§ 70.5 Compilation of new records.

Nothing in 5 U.S.C. 552 or this part requires that any agency or component create a new record in order to respond to a request for records. A component must, however, make reasonable efforts to search for records that already exist in electronic form or format, except when such efforts would significantly interfere with the operation of the component's automated information systems. The component will determine what constitutes a reasonable effort on a case-by-case basis.

§ 70.6 Disclosure of originals.

(a) No original record or file in the custody of the Department of Labor, or of any component or official thereof, will on any occasion be given to any agent, attorney, or other person not officially connected with the Department without the written consent of the Secretary, the Solicitor of Labor or the Inspector General.

(b) The individual authorizing the release of the original record or file must ensure that a copy of the document or file is retained in the component that had custody and/or control when an original document or file is released pursuant to this subpart.

§§ 70.7–70.18 [Reserved]

Subpart B—Procedures for Disclosure of Records Under the Freedom of Information Act

§ 70.19 Requirements for making a request.

(a) *General information.* The Department of Labor has a decentralized system for responding to requests submitted under the FOIA, as explained in § 70.1 of this part. In addition to processing requests for its own records, each agency component has the ability to receive FOIA requests in writing by mail, delivery service/courier or facsimile at its designated mailing address. However, to enable proper handling, any FOIA request submitted electronically, by email, must be submitted to the Department's central FOIA mailbox at foiarequests@dol.gov. FOIA requests sent electronically to any other email address will not be accepted. A FOIA request submitted via email should designate the component or components to which the requester is submitting his/her request. The Department's central FOIA mailbox is regularly monitored, and requests will be assigned to the appropriate DOL FOIA component.

(b) *Request for records.* To make a request for records of the Department, whenever possible, a requester should write directly to the FOIA office of the component that maintains the records sought or, if emailing a request to the DOL central FOIA mailbox, should identify the component(s) to which the request is directed. Submitting the request directly to the FOIA office of the component that maintains the records sought, or identifying that component when sending a FOIA request via email, will facilitate the quickest response. The requester must provide a mailing address to receive correspondence, and it may facilitate processing if telephone and email contact information are provided.

(1) The Department's components for the purposes of the FOIA are listed in Appendix A to this part. The function and mailing address of each Department of Labor component is available on the Department's FOIA Web site at <http://www.dol.gov/dol.foia>. This page

§ 70.20

also provides other information that is helpful in determining where to make a request.

(2) Requesters who cannot determine the proper FOIA office component or who are requesting records from multiple components may also send requests to the Office of the Solicitor, Office of Information Services, 200 Constitution Avenue NW., Room N-2420, Washington, DC 20210 or by email to foiarequests@dol.gov.

(3) Pursuant to § 70.25(a), if a requester submits a FOIA request to the incorrect DOL FOIA component, or sends a request to the Department's central FOIA office or mailbox without identifying the component(s) to which the request is submitted, the time to respond begins to run when the request is received by the proper component, but no later than 10 working days after receipt in any component identified in Appendix A or in the Office of Information Services.

(c) *Description of records sought.* Requesters must describe the record or records sought in sufficient detail to enable Department personnel to locate them with a reasonable amount of effort. To the extent possible, the request should provide enough identifying information to help the component identify the requested records, such as the subject of the record, the date or approximate date when the record was created, the record's title or name, case or file number, reference number, the person or office or the office location that created it, and any other pertinent identifying details. Prior to submitting the request, a requester may wish to consult the references provided in § 70.1 of this part, the relevant FOIA Requester Service Center or the FOIA Public Liaison to discuss the records they are seeking and to receive assistance on how to describe the records.

(d) *Deficient descriptions and revised requests.* If the description is insufficient, so that a knowledgeable employee who is familiar with the subject area of the request cannot identify the record with a reasonable amount of effort, the component processing the request will notify the requester and describe what additional information is needed to process the request.

29 CFR Subtitle A (7-1-21 Edition)

(1) Requesters who are attempting to modify or reformulate their requests may discuss their requests with the component's designated FOIA contact, the FOIA Public Liaison, or a representative of OIS, each of whom is available to assist the requester in reasonably describing the records sought. Every reasonable effort will be made to assist a requester in the identification and location of the records sought. If the requester fails to reasonably describe the records sought, the agency's response to the request may be delayed.

(2) Any amended request must be confirmed in writing and meet the requirements for a request under this part.

(3) While an agency component awaits a requester's modified FOIA request, the processing time limits described in § 70.25(a)(1) will be tolled (that is, the processing time clock will be stopped on one occasion only) until clarification is received from the requester.

§ 70.20 Responsibility for responding to requests.

(a) *In general.* Except in the instances stated in paragraph (d) of this section, the component that first receives a request for a record and maintains that record is the component responsible for responding to the request. In determining which records are responsive to a request, a component ordinarily will include only records in its possession as of the date that the component begins the search; if any other date is used, the component will inform the requester of that date. A record that is excluded from the requirements of the FOIA pursuant to 5 U.S.C. 552(c), is not considered responsive to a request. When it is determined that records responsive to a request may be located in multiple components of the Department, the Office of Information Services may coordinate the Department's response. If the Office of Information Services deems a consolidated response appropriate, it will issue such a response on behalf of the Department.

(b) *Authority to grant or deny requests.* Pursuant to relevant exemptions under 5 U.S.C. 552(b) or an exclusion under 5 U.S.C. 552(c), the head of a component,

or designee, is authorized to grant or to deny any requests for records that are maintained by that component.

(c) *Re-routing of misdirected requests.* Where a component's FOIA office determines that a request was misdirected within the Department, the receiving component's FOIA office will work with OIS to facilitate the routing of the request to the FOIA office of the proper component(s).

(d) *Consultations and referrals.* When a component is reviewing records in response to a request, it will determine if another component of the Department, or of the Federal Government, is better able to determine whether the record can be disclosed or is exempt from disclosure under the FOIA. If the receiving component determines that it is not best able to process the record, then the receiving component will either:

(1) Respond to the request after consulting with the component or agency best able to determine whether to disclose the record and with any other component or agency that has a substantial interest in the record; or

(2) Refer the responsibility for responding to the request regarding that record to the component best able to determine whether to disclose it, or to another agency that originated the record (but only if that entity is subject to the FOIA). Ordinarily, the component or agency that originated the record will be presumed to be best able to determine whether to disclose it.

(e) *Notice of referral.* Whenever a component refers all or any part of the responsibility for responding to a request to another component or agency, the component will notify the requester of the referral and inform the requester of the name of each component or agency to which the request has been referred and provide contact information for that component or agency.

(f) *Classified records.* Any request for classified records which are in the custody of the Department of Labor will be referred to the classifying agency under paragraphs (d) and (e) of this section.

§ 70.21 Responses to requests.

(a) *In general.* Components should, to the extent practicable, communicate

with requesters using the method that is most likely to increase the speed and efficiency of the communication, including by electronic means, such as by email.

(b) *Acknowledgements of requests.* A component will acknowledge each new request and assign it an individualized tracking number. Components will include in the acknowledgment a brief description of the records sought to allow the requesters to more easily keep track of their requests.

(c) *Granting a request.* After a component makes a determination to grant a request in full or in part, the component will notify the requester in writing. The component will provide the record in the form or format requested if the record is readily reproducible in that form or format, provided the requester has agreed to pay and/or has paid any fees required by subpart C of this part. The component will determine on a case-by-case basis what constitutes a readily reproducible format. Each component should make reasonable efforts to maintain its records in commonly reproducible forms or formats. The component must notify the requester of the right to seek assistance from the Department's FOIA Public Liaison.

(d) *Adverse determinations of requests.* A component making an adverse determination denying a request in any respect must notify the requester in writing. Adverse determinations, or denials of requests, include decisions that: The requested record is exempt, in whole or in part, from release pursuant to one or more exemptions under the FOIA, 5 U.S.C. 552; the request does not reasonably describe the records sought; the information requested is not a record subject to the FOIA; the requested record does not exist, cannot be located, or has been destroyed; or the requested record is not readily reproducible in the form or format sought by the requester. Adverse determinations also include denials involving fees or fee waiver matters or denials for requests for expedited processing.

(e) *Content of the denial.* The denial notice must be signed by the component agency head or a designee and will include:

§ 70.22

(1) The name and title or position of the person responsible for the denial;

(2) A brief statement of the reason or reasons for the denial, including any FOIA exemption or exemptions applied or procedural reasons relied upon by the component in denying the request;

(3) An estimate of the volume of records or information withheld, in number of pages or in some other reasonable form of estimation. This estimate does not need to be provided if the volume is otherwise indicated through deletions on records disclosed in part, or if providing an estimate would harm an interest protected by the exemption under which the deletion was made;

(4) A statement that the denial may be appealed as described under Sec. 70.22; and

(5) A statement notifying the requester of the right to seek dispute resolution services from the Department's FOIA Public Liaison or the Office of Government Information Services (within the National Archives and Records Administration). Engaging in dispute resolution services provided by OGIS is a voluntary process. If the Department agrees to participate in the mediation services provided by OGIS, it will actively engage as a partner to the process in an attempt to resolve the dispute.

(f) *Markings on released documents.* Markings on released documents must be clearly visible to the requester. Records disclosed in part shall be marked to show the amount of information deleted and the exemption(s) under which the deletion was made unless doing so would harm an interest protected by an applicable exemption. The location of the information deleted shall also be indicated on the records, if technically feasible.

§ 70.22 Appeals from denial of requests.

(a) A requester may appeal to the Solicitor of Labor from any adverse determination, including but not limited to when one or more of the following has occurred: A request for access to records has been denied in whole or in part; a requester disputes a determination that records cannot be located or have been destroyed; a requester dis-

29 CFR Subtitle A (7-1-21 Edition)

putes a determination by a component concerning the assessment or waiver of fees; a requester disputes the denial of a request for expedited processing; or a component fails to respond to a request within the time limits set forth in the FOIA and referenced in 70.25(a). The appeal must be filed within 90 days of the date of the action being appealed.

(b) The appeal must state in writing the grounds for appeal, and it may include any supporting statements or arguments, but such statements are not required. In order to facilitate processing of the appeal, the appeal should include the assigned request number (if applicable), appellant's mailing address and daytime telephone number, as well as copies of the initial request and the component's response. If mailed, the envelope and the letter of appeal should be clearly marked: "Freedom of Information Act Appeal." Any amendment to the appeal must be in writing and received prior to a decision on the appeal.

(c) The appeal should be addressed to the Solicitor of Labor, Office of the Solicitor, FOIA Appeals Unit, Division of Management and Administrative Legal Services, U.S. Department of Labor, 200 Constitution Avenue NW., Room N-2420, Washington, DC 20210. Appeals also may be submitted by fax to 202-693-5538 or by email to foiaappeal@dol.gov. Appeals submitted to any other email address will not be accepted.

§ 70.23 Action on appeals.

The Solicitor of Labor, or designee, will review the appellant's appeal and make a determination de novo whether the action of the component was proper and in accordance with the applicable law.

§ 70.24 Form and content of action on appeals.

The disposition of an appeal will be issued by the Solicitor of Labor or designee in writing. A decision affirming, in whole or in part, the decision below will include a brief statement of the reason or reasons for the affirmance, including the FOIA exemption or exemptions relied upon, and its relation to each record withheld. The appeal determination will advise the requester

of the availability of the mediation services of the Office of Government Information Services (OGIS) as a non-exclusive alternative to litigation. The appeal will also notify the requester of the statutory right to judicial review of the denial by the United States District Court for the judicial district in which the requester resides or maintains his or her principal place of business, the judicial district in which the requested records are located, or the District of Columbia. If it is determined on appeal that a record should be disclosed, the record will be provided in accordance with the decision on appeal. If it is determined that records should be denied in whole or in part, the appeal determination will include an estimate of the volume of records or information withheld, in number of pages or in some other reasonable form of estimation. This estimate does not need to be provided if the volume is otherwise indicated through deletions on records disclosed in part, or if providing an estimate would harm an interest protected by an applicable exemption.

§ 70.25 Time limits and order in which requests and appeals must be processed.

(a) *Time limits.* The FOIA establishes a 20 business day deadline for regular requests and appeals, and a 10 calendar day time limit for making determinations regarding expedited processing. Components of the Department of Labor will comply with the time limits required by the FOIA for responding to and processing requests and appeals. In instances involving misdirected requests that are re-routed pursuant to § 70.20(c) of this subpart, the response time will commence on the date that the request is received by the proper component's office that is designated to receive requests, but in any event not later than 10 working days after the request is first received by any component's office that is designated by these regulations to receive requests. A component or the designated appeal authority will notify a requester whenever they are unable to respond to or process the request or appeal within the time limits established by the FOIA.

(b) *Multitrack processing.* All components must designate a specific track for requests that are granted expedited processing, in accordance with the standards set forth in paragraph (d) of this section. A component may also designate additional processing tracks that distinguish between simple and complex requests based on the estimated amount of work and/or time needed to process the request, including based on the number of pages involved and the need for consultations or referrals. Components shall advise the requesters of the track into which their request falls and, when appropriate, shall offer the requester an opportunity to limit the scope of their requests in order to qualify for faster processing within the specified limits of the component's faster track.

(c) *Unusual circumstances.* (1) Where the statutory time limits for processing a request cannot be met because of "unusual circumstances," as set forth in the FOIA at 5 U.S.C. 552(a)(6)(B)(i)-(iii), and the component determines to extend the time limits on that basis, the component shall, before the expiration of the 20 working day deadline to respond, notify the requester in writing of the unusual circumstances and of the date by which processing of the request can be expected to be completed. If the component intends to extend the deadline to respond by more than ten working days, the component must:

(i) Provide the requester with an opportunity either to modify the request so that it may be processed within the time limits or to arrange an alternative time period with the component for processing the request or a modified request;

(ii) Make available to the requester the contact information for the designated FOIA contact and the FOIA Public Liaison to assist the requester; and

(iii) Notify the requester of the right to seek dispute resolution services from the Office of Government Information Services (OGIS).

(d) *Aggregating requests.* Where a component reasonably believes that multiple requests submitted by a requester, or by a group of requesters acting in concert, constitute a single

§ 70.26

request that would otherwise involve unusual circumstances, and the requests involve clearly related matters, they may be aggregated. Components shall not aggregate multiple requests involving unrelated matters.

(e) *Expedited processing.* (1) Requests and appeals will be taken out of order and given expedited treatment whenever it is determined that they involve:

(i) Circumstances in which the lack of expedited treatment could reasonably be expected to pose an imminent threat to the life or physical safety of an individual;

(ii) An urgency to inform the public about an actual or alleged federal government activity, if made by a person primarily engaged in disseminating information;

(iii) The loss of substantial due process rights; or

(iv) A matter of widespread and exceptional media interest in which there exists possible questions about the government's integrity which affect public confidence.

(2) A request for expedited processing may be made at the time of the initial request for records or at any later time. For a prompt determination, a request for expedited processing must be received by the proper component. Requests based on paragraphs (e)(1)(i) through (iv) of this section must be submitted to the component that maintains the records requested.

(3) A requester who seeks expedited processing must submit a statement, certified to be true and correct to the best of that person's knowledge and belief, explaining in detail the basis for requesting expedited processing. For example, a requester within the category in paragraph (e)(1)(ii) of this section, if not a full-time member of the news media, must establish that he or she is a person whose main professional activity or occupation is information dissemination, though it need not be his or her sole occupation. Such a requester also must establish a particular urgency to inform the public about the government activity involved in the request—one that goes beyond the public's general right to know about government activity. The existence of numerous articles published on a given subject can be helpful

29 CFR Subtitle A (7-1-21 Edition)

in establishing the requirement that there be an "urgency to inform" the public on a topic. As a matter of administrative discretion, a component may waive the formality of certification.

(4) Within ten calendar days of its receipt of a request for expedited processing, the proper component will decide whether to grant the request and will notify the requester of the decision. If a request for expedited treatment is granted, the request will be given priority and will be processed as soon as practicable. If a request for expedited processing is denied, any appeal of that decision will be acted on expeditiously.

§ 70.26 Confidential commercial information.

(a) *In general.* Confidential commercial information will be disclosed under the FOIA only in accordance with this section and Executive Order 12,600, "Predisclosure Notification Procedures for Confidential Commercial Information" (3 CFR 1988 Comp., p.235).

(b) *Designation of confidential commercial information.* A submitter of confidential commercial information will use good-faith efforts to designate, by appropriate markings, either at the time of submission or at a reasonable time thereafter, any portions of its submission that it considers to be protected from disclosure under Exemption 4. These designations will expire ten years after the date of the submission unless the submitter requests, and provides justification for, a longer designation period.

(c) *Notice to submitters.* A component will provide a submitter with prompt written notice of a FOIA request that seeks its confidential commercial information whenever required under paragraph (d) of this section, except as provided in paragraph (g) of this section, in order to give the submitter an opportunity to object in writing to disclosure of any specified portion of that information under paragraph (e) of this section. The notice will either describe the confidential commercial information requested or include copies of the requested records or record portions containing the information. When notification to a voluminous number of

submitters is required, notification may be made by posting or publishing notice reasonably likely to accomplish such notification.

(d) *When notice is required.* Notice will be given to a submitter whenever:

(1) The information requested under the FOIA has been designated in good faith by the submitter as information considered protected from disclosure under Exemption 4; or

(2) A component has reason to believe that the information requested under the FOIA may be protected from disclosure under Exemption 4, but has not yet determined whether the information is protected from disclosure under that exemption or any other applicable exemption.

(e) *Opportunity to object to disclosure.* A component will allow a submitter a reasonable time to respond to the notice described in paragraph (c) of this section taking into account the amount of material the submitter has to review and the deadlines imposed by the FOIA or agreed to with the requester. If a submitter has any objection to disclosure, it is required to submit a detailed written statement. The statement must show why the information is a trade secret or commercial or financial information that is privileged or confidential. In the event that a submitter fails to respond to the notice within the time specified, the submitter will be considered to have no objection to disclosure of the information. Information provided by a submitter under this paragraph may itself be subject to disclosure under the FOIA.

(f) *Notice of intent to disclose.* A component will consider a submitter's timely objections and specific grounds for non-disclosure in deciding whether to disclose confidential commercial information. Whenever a component decides to disclose confidential commercial information over the objection of a submitter, the component will give the submitter written notice, which will include:

(1) A statement of the reason(s) why each of the submitter's disclosure objections were not sustained;

(2) A description of the confidential commercial information to be disclosed; and

(3) A specified disclosure date, which will be a reasonable time subsequent to the notice.

(g) *Exceptions to notice requirements.* The notice requirements of paragraphs (c) and (f) of this section will not apply if:

(1) The component determines that the information should not be disclosed;

(2) The information lawfully has been published or has been officially made available to the public;

(3) Disclosure of the information is required by statute (other than the FOIA) or by a regulation issued in accordance with the requirements of Executive Order 12,600; or

(4) The designation made by the submitter under paragraph (b) of this section appears obviously frivolous or such a designation would be unsupported—except that, in such a case, the component will, within a reasonable time prior to a specified disclosure date, give the submitter written notice of any final decision to disclose the information.

(h) *Notice of a FOIA lawsuit.* Whenever a requester files a lawsuit seeking to compel the disclosure of confidential commercial information, the component will promptly notify the submitter.

(i) *Corresponding notice to requesters.* Whenever a component provides a submitter with notice and an opportunity to object to disclosure under paragraphs (d) and (e) of this section, the component will also notify the requester(s). Whenever a component notifies a submitter of its intent to disclose requested information under paragraph (f) of this section, the component will also notify the requester(s). Whenever a submitter files a lawsuit seeking to prevent the disclosure of confidential commercial information, the component will notify the requester(s).

(j) *Notice requirements.* The component will fulfill the notice requirements of this section by addressing the notice to the confidential commercial submitter or its legal successor at the address indicated on the records, or the

§ 70.27

last known address. If the notice is returned, the component will make a reasonable effort to locate the confidential commercial submitter or its legal successor. Where notification of a voluminous number of submitters is required, such notification may be accomplished by posting and publishing the notice in a place reasonably calculated to accomplish notification.

§ 70.27 Preservation of records.

Each component will preserve all correspondence relating to the requests it receives under this part, and all records processed pursuant to such requests, until disposition or destruction of such correspondence and records is authorized by Title 44 of the United States Code or the National Archives and Records Administration's General Records Schedule 4.2. Records are not to be destroyed while they are the subject of a pending request, appeal, or lawsuit under the Act.

§§ 70.28–70.37 [Reserved]

Subpart C—Costs for Production of Records

§ 70.38 Definitions related to costs.

The following definitions apply to this subpart:

(a) *Request*, in this subpart, includes any request, as defined by § 70.2(f) of this part.

(b) *Direct costs* means those expenditures which a component actually incurs in searching for and duplicating (and in the case of commercial use requests, reviewing) records to respond to a FOIA request. Direct costs include, for example, the salary of the Federal employee performing work (the basic rate of pay for the Federal employee plus 16 percent of that rate to cover benefits) and the cost of operating duplication machinery. Not included in direct costs are overhead expenses such as costs of space, heating or lighting the facility in which the records are kept.

(c) *Duplication* means the process of making a copy of a record necessary to respond to a request. Such copy can take the form of paper, microform, audio-visual materials or electronic records (such as a CD or other media).

29 CFR Subtitle A (7–1–21 Edition)

(d) *Search* means the process of looking for and retrieving records or information that are responsive to a FOIA request. It includes page-by-page or line-by-line identification of information within records and also includes reasonable efforts to locate and retrieve information from records maintained in electronic form or format. FOIA components will ensure that searches are done in the most efficient and least expensive manner reasonably possible. A search does not include the review of material, as defined in paragraph (e) of this section, which is performed to determine whether material is exempt from disclosure.

(e) *Review* means the process of examining records, including audio-visual, electronic mail, etc., located in response to a request to determine whether any portion of the located record is exempt from disclosure, and accordingly may be withheld. It also includes the act of preparing materials for disclosure, *i.e.*, doing all that is necessary to excise them and otherwise prepare them for release. Review time includes time spent contacting any submitter, and considering and responding to any objections to disclosure made by a submitter under Sec. 70.26, but does not include time spent resolving general legal or policy issues regarding the application of exemptions.

(f) *Commercial use request* means a request from or on behalf of a person who seeks information for a use or purpose that furthers his or her commercial, trade or profit interests, which can include furthering those interests through litigation. When considering fee issues, components will determine, whenever reasonably possible, the use to which a requester will put the requested records. When it appears that the requester will put the records to a commercial use, either because of the nature of the request itself or because a component has reasonable cause to doubt a requester's stated use, the component will provide the requester a reasonable opportunity to submit further clarification.

(g) *Educational institution* means an institution which:

(1) Is a preschool, public or private elementary or secondary school, an institution of undergraduate higher education, an institution of graduate higher education, an institution of professional education, or an institution of vocational education; or

(2) Operates a program or programs of scholarly research. To qualify under this definition, the program of scholarly research in connection with which the information is sought must be carried out under the auspices of the academic institution itself as opposed to the individual scholarly pursuits of persons affiliated with an institution. For example, a request from a professor predicated upon research funding granted to the institution would meet its requirements. A request from a professor seeking information that will assist in the writing of a book, independent of his or her institutional responsibilities, would not qualify under this definition.

(h) *Non-commercial scientific institution* means an institution that is not operated on a commercial basis and that is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(i) *Representative of the news media* means any person or entity that gathers information of potential interest to a segment of the public, uses its editorial skills to turn the raw materials into a distinct work, and distributes that work to an audience. Examples of news media entities include television or radio stations that broadcast "news" to the public at large and publishers of periodicals that disseminate "news" and make their products available through a variety of means to the general public, as well as news organizations that operate solely on the internet. Alternative media may be considered to be news media entities. These examples are not all inclusive.

(1) Factors indicating status as a news media representative include press accreditation, guild membership, a history of continuing publication, business registration, and/or Federal Communication Commission licensing, among others.

(2) For purposes of this definition, news contemplates information that is

about current events or that would be of current interest to the public.

(3) A freelance journalist will be treated as a representative of the news media if the person can demonstrate a solid basis for expecting publication of matters related to the requested information through a news media entity. A publication contract with a news media entity satisfies this requirement. An individual's past publication record with such organizations is also relevant in making this determination.

§ 70.39 Statutes specifically providing for setting of fees.

This subpart will not apply to fees charged under any statute, other than the FOIA, that specifically requires an agency to set and collect fees for particular types of records.

§ 70.40 Charges assessed for the production of records.

(a) *General.* Components shall charge for processing requests under the FOIA in accordance with the provisions of this section and with the OMB Guidelines. In order to resolve any fee issues that arise under this section, a component may contact a requester for additional information. Components will ensure that searches, review, and duplication are conducted in the most efficient and least expensive manner. A component ordinarily will collect all applicable fees before sending copies of records to the requester.

(b) *Types of charges.* There are three types of charges assessed in connection with the production of records in response to a request, specifically, charges for costs associated with:

(1) Searching for or locating responsive records (search costs),

(2) Duplicating such records (duplication costs), and

(3) Reviewing records to determine whether any materials are exempt (review costs).

(c) *Types of requesters.* (1) There are four types of requesters:

(i) Commercial use requesters,

(ii) Educational and non-commercial scientific institutions,

(iii) Representatives of the news media, and

(iv) All other requesters.

§ 70.40

29 CFR Subtitle A (7-1-21 Edition)

(2) Depending upon the type of requester, as set forth in paragraph (c)(1) of this section, the charges outlined in paragraph (d) of this section may be assessed.

(d) *Types of charges that will be assessed for each type of request*—(1) *Commercial use request*. When a requester makes a commercial use request, search costs, duplication costs and review costs will be assessed in their entirety.

(2) *Educational or non-commercial scientific institution request*. When an educational or non-commercial scientific institution makes a request, only duplication costs will be assessed, excluding charges for the first 100 pages.

(3) *Request by representative of news media*. When a representative of the news media makes a request, only duplication costs will be assessed, excluding charges for the first 100 pages.

(4) *All other requesters*. Requesters making a request which does not fall within paragraph (d)(1), (2), or (3) of this section will be charged search costs and duplication costs, except that the first 100 pages of duplication and the first two hours of search time will be furnished without charge. Where computer searches are involved, the monetary equivalent of two hours of search time by a professional employee will be deducted from the total cost of computer processing time.

(e) *Charges for each type of activity*—(1) *Search costs*. (i) When a search for records is performed by a clerical employee, a rate of \$5.00 per quarter hour will be applicable. When a search is performed by professional or supervisory personnel, a rate of \$10.00 per quarter hour will be applicable. Components will charge for time spent searching even if they do not locate any responsive records or they withhold the records located as exempt from disclosure.

(ii) For computer searches of records, requesters will be charged the direct costs of conducting the search, except as provided in paragraph (e)(4) of this section.

(2) *Duplication costs*. The standard copying charge for records in black and white paper copy is \$0.15 per page. This charge includes the operator's time to duplicate the record. When responsive

information is provided in a format other than 8½ x 11 or 11 x 14 inch black and white paper copy, such as computer tapes, disks and color copies, the requester may be charged the direct costs of the tape, disk, audio-visual or whatever medium is used to produce the information, as well as the direct cost of duplication, including operator time.

(3) *Review costs*. Costs associated with the review of records, as defined in § 70.38(e), will be charged for work performed by a clerical employee at a rate of \$5.00 per quarter hour when applicable. When professional or supervisory personnel perform work, a rate of \$10.00 per quarter hour will be charged, when applicable. Except as noted in this paragraph, charges may only be assessed for review the first time the records are analyzed to determine the applicability of specific exemptions to the particular record or portion of the record. Thus a requester would not be charged for review at the administrative appeal level with regard to the applicability of an exemption already applied at the initial level. When, however, a record has been withheld pursuant to an exemption which is subsequently determined not to apply and is reviewed again at the appellate level to determine the potential applicability of other exemptions, the costs attendant to such additional review will be assessed.

(4) *Limitations on charging fees*. If a component fails to comply with the time limits in which to respond to a request, it shall not assess certain fees except:

(i) If there are unusual circumstances (as that term is defined in § 70.25(c)) and the component has provided timely written notice, the component is permitted ten additional days to respond to the request. After the expiration of the ten additional days, the component is no longer permitted to assess search fees or, in the instances of requests from requesters described in § 70.38(h) and (i), duplication fees except as described in paragraph (e)(4)(ii) of this section.

(ii) If there are unusual circumstances (as that term is defined in § 70.25(c)), and more than 5,000 pages of documents are necessary to respond to

the request, the component may continue to charge assessable fees for as long as it takes to process the request, provided that the component has provided timely written notice and discussed with the requester via telephone, email, or written mail (or made at least three good-faith attempts to do so) how the requester could effectively limit the scope of the pending request.

(iii) If a court has determined that exceptional circumstances exist, as defined in the FOIA, 5 U.S.C. 552(a)(6)(C) the agency's failure to comply with any time limits of the FOIA are excused for the length of time provided by the court order.

(5) *Mailing cost.* Where responses are sent by mail, no postage charge will be made for transmitting by regular mail a single copy of the requested record to the requester, or for mailing additional copies where the total postage cost does not exceed \$5.00. However, where the volume of paper or other produced material or the requested method of transmittal requested is in excess of \$5.00, the transmittal costs will be added.

(f) *Aggregating requests for purposes of assessing costs.* (1) Where a component reasonably believes that a requester or a group of requesters acting together is attempting to divide a request into a series of requests for the purpose of avoiding fees, the disclosure officer may aggregate those requests and charge accordingly.

(2) Components may presume that multiple requests of this type made within a 30-day period have been submitted in order to avoid fees. Where requests are separated by a longer period, disclosure officers will aggregate them only where a solid basis exists for determining that aggregation is warranted under all of the circumstances involved. Multiple requests involving unrelated matters will not be aggregated.

(g) *Interest charges.* Components will assess interest on an unpaid bill starting on the 31st day following the date of billing the requester. Interest charges will be assessed at the rate provided in 31 U.S.C. 3717 and will accrue from the date of the billing until payment is received by the component.

Components will follow the provisions of the Debt Collection Act of 1982 (Pub. L. 97-365, 96 Stat. 1749), as amended, and its administrative procedures, including the use of consumer reporting agencies, collection agencies, and offset.

(h) *Authentication of copies—(1) Fees.* The FOIA does not require certification or attestation under seal of copies of records provided in accordance with its provisions. Pursuant to provisions of the general user-charger statute, 31 U.S.C. 9701 and Subchapter II of title 29 U.S.C., the following charges will be made when, upon request, such services are rendered by the agency in its discretion:

(i) For certification of true copies, \$10.00 each certification.

(ii) For attestation under the seal of the Department, \$10.00 each attestation under seal.

(2) *Authority and form for attestation under seal.* Authority is hereby given to any officer or officers of the Department of Labor designated as authentication officer or officers of the Department to sign and issue attestations under the seal of the Department of Labor.

(i) *Transcripts.* Fees for transcripts of an agency proceeding, as defined in the Administrative Procedure Act, 5 U.S.C. 5521(12) will be assessed in accordance with the provisions of this subpart.

(j) *Privacy Act requesters.* A request from an individual or on behalf of an individual for a record maintained by that individual's name or other unique identifier which is contained within a component's system of records, will be treated under the fee provisions at 29 CFR 71.6.

§ 70.41 Waiver or reduction of fees.

(a) *Requirements for waiver or reduction of fees.* (1) Records responsive to a request will be furnished without charge or at a charge reduced below that established under § 70.40(e) of this subpart, where a component determines, based on all available information, that the requester has demonstrated that:

(i) Disclosure of the requested information is in the public interest because it is likely to contribute significantly

§ 70.41

to public understanding of the operations or activities of the government, and

(ii) Disclosure of the information is not primarily in the commercial interest of the requester.

(2) To determine whether the requirement of paragraph (a)(1)(i) of this section is met, components will consider the following factors:

(i) The subject of the request: Whether the subject of the requested records concerns “the operations or activities of the government.” The subject of the requested records must concern identifiable operations or activities of the federal government, with a connection that is direct and clear, not remote or attenuated.

(ii) The informative value of the information to be disclosed: Whether the disclosure is “likely to contribute” to an understanding of government operations or activities. The disclosable portions of the requested records must be meaningfully informative about government operations or activities in order to be “likely to contribute” to an increased public understanding of those operations or activities. The disclosure of information that already is in the public domain, in either a duplicative or a substantially identical form, would not be as likely to contribute to such understanding where nothing new would be added to the public’s understanding.

(iii) The contribution to an understanding of the subject by the public likely to result from disclosure: Whether disclosure of the requested information will contribute to “public understanding.” The disclosure must contribute to the understanding of a reasonably broad audience of persons interested in the subject, as opposed to the individual understanding of the requester. A requester’s expertise in the subject area and ability and intention to effectively convey information to the public will be considered. It will be presumed that a representative of the news media will satisfy this consideration.

(iv) The significance of the contribution to public understanding: Whether the disclosure is likely to contribute “significantly” to the public understanding of government operations or

29 CFR Subtitle A (7–1–21 Edition)

activities. The public’s understanding of the subject in question must be enhanced by the disclosure to a significant extent.

(3) To determine whether the requirement of paragraph (a)(1)(ii) of this section is met, components will consider the following factors:

(i) The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that would be furthered by the requested disclosure. The component will consider any commercial interest of the requester (with reference to the definition of “commercial use request” in § 70.38(f) of this subpart), or of any person on whose behalf the requester may be acting, that would be furthered by the requested disclosure. Requesters will be given an opportunity in the administrative process to provide explanatory information regarding this consideration.

(ii) The primary interest in disclosure: Whether any identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is “primarily in the commercial interest of the requester.” A fee waiver or reduction is justified where the public interest standard is satisfied and that public interest is greater in magnitude than that of any identified commercial interest in disclosure. The component ordinarily will presume that where a news media requester has satisfied the public interest standard, the public interest will be the interest primarily served by disclosure to that requester. Disclosure to data brokers or others who merely compile and market government information for direct economic return will not be presumed to primarily serve the public interest.

(4) Where only some of the records to be released satisfy the requirements for a waiver of fees, a waiver will be granted only for those records.

(5) Requests for the waiver or reduction of fees should address the factors listed in paragraph (a) of this section, insofar as they apply to each request.

(b) *Submission.* Requests for a waiver or reduction of fees should be made when the request is first submitted to the component and should address the criteria referenced above. A requester

may submit a fee waiver request at a later time so long as the underlying record request is pending or on administrative appeal. When a requester who has committed to pay fees subsequently asks for a waiver of those fees and that waiver is denied, the requester will be required to pay any costs incurred up to the date the fee waiver request was received.

(c) *Appeal rights.* Requesters dissatisfied with treatment of fee waiver or reduction requests may follow the procedures for appeal under Sections 70.22 and 70.23.

§ 70.42 Consent to pay fees.

(a) The Department will not assess or collect fees where the fee to be assessed, after deducting any free pages and/or search time, is less than \$25.00. When making a request, a requester may specify a willingness to pay up to a certain amount, *e.g.*, \$50.00 or \$200.

(b) No request will be processed if a component reasonably believes that the fees are likely to exceed the amount to which the requester has originally consented, absent supplemental written consent by the requester to proceed after being notified of this determination.

(c) When a component determines or estimates that the fees to be assessed in accordance with this section will exceed \$25.00, the component shall notify the requester of the actual or estimated amount of the fees, including a breakdown of the fees for search, review or duplication, unless the requester has indicated a willingness to pay fees as high as those anticipated. If only a portion of the fee can be estimated readily, the component must advise the requester accordingly. Such notice may invite the requester to reformulate the request to satisfy his or her needs at a lower cost.

(d) Components must make available their FOIA contact to assist any requester in reformulating a request to meet the requester's needs at a lower cost.

§ 70.43 Payment of fees.

(a) *De minimis costs.* As noted in § 70.42(a) of this subpart, the Department has determined it will not assess or collect fees below \$25.00. In these

cases, the cost of collecting and processing a fee equals or exceeds the amount of the fee which would otherwise be assessed. The Department will assess fees where the costs to be assessed, after deduction of any free pages and/or search time, is \$25.00 or higher.

(b) *How payment will be made.* Requesters will pay fees assessed by check or money order made payable to the Treasury of the United States, and sent to the component that is processing the request.

(c) *Advance payments and billing.* (1) Prior to beginning to process a request, the component will make a preliminary assessment of the amount that can properly be charged to the requester for search and review time and copying costs. Where a component determines or estimates that a total fee to be charged under this section will be more than \$250.00, the component will require the requester to make an advance payment of an amount up to the entire anticipated fee before beginning to process the request. The component may waive the advance payment where the component receives a satisfactory assurance of full payment from a requester who has a history of prompt payment of an amount similar to the one anticipated by the request.

(2) Where a requester has previously failed to pay a properly charged FOIA fee to any component of the Department of Labor within 30 days of the date of billing, a component will require the requester to pay the full amount due, plus any applicable interest as provided in Sec. 70.40(f) and to make an advance payment of the full amount of any anticipated fee, before the component begins to process a new request or appeal or continues to process a pending request or appeal from that requester.

(3) For a request other than those described in paragraphs (c)(1) and (2) of this section, a component will not require the requester to make an advance payment before beginning to process a request. Payment owed for work already completed on a request pursuant to consent of the requester is not an advance payment and a component may require the requester to make a

§ 70.44

payment for such work prior to releasing any records to the requester.

(d) *Time limits to respond extended when advance payments are requested.* When a component has requested an advance payment of fees in accordance with paragraph (c) of this section, the time limits prescribed in Sec. 70.25 will only begin to run after the component has received the advance payment.

§ 70.44 Other rights and services.

Nothing in this subpart will be construed to entitle any person, as of right, to any service or to the disclosure of any records to which such person is not entitled under the FOIA.

§§ 70.45–70.52 [Reserved]

AUTHORITY: 5 U.S.C. 301; 5 U.S.C. 552a as amended; Reorganization Plan No. 6 of 1950, 5 U.S.C. Appendix.

SOURCE: 63 FR 56741, Oct. 22, 1998, unless otherwise noted.

Subpart A—General

§ 71.1 General provisions.

(a) *Purpose and scope.* This part contains the regulations of the U.S. Department of Labor implementing the

§ 71.1

Privacy Act of 1974, 5 U.S.C. 552a. The regulations apply to all records which are contained in systems of records maintained by, or under the control of, the Department of Labor and which are retrieved by an individual's name or personal identifier. These regulations set forth the procedures by which an individual may seek access under the Privacy Act to records pertaining to him, may request correction or amendment of such records, or may seek an accounting of disclosures of such records by the Department. These regulations are applicable to each component of the Department.

(b) *Government-wide systems of records.*

(1) DOL/GOVT-1 (Office of Workers' Compensation Programs, Federal Employees' Compensation Act File):

(i) All records, including claim forms, medical, investigative and other reports, statements of witnesses, and other papers relating to claims for compensation filed under the Federal Employees' Compensation Act (as amended and extended), are covered by the government-wide system of records entitled DOL/GOVT-1. This system is maintained by and under the control of the Employment Standards Administration's Office of Workers' Compensation Programs (OWCP), and, as such, all records contained in the OWCP claims file, as well as all copies of such documents retained and/or maintained by the injured worker's employing agency, are official records of the OWCP.

(ii) The protection, release, inspection and copying of records covered by DOL/GOVT-1 shall be accomplished in accordance with the rules, guidelines and provisions of this part, as well as with part 70 of this subtitle, and with the notice of the systems of records and routine uses published in the FEDERAL REGISTER. All questions relating to access/disclosure, and/or the amendment of FECA records maintained by the OWCP or an employing agency, are to be resolved in accordance with this part.

(iii)(A) While an employing agency may establish procedures that an injured employee or beneficiary should follow in requesting access to documents it maintains, any decision issued in response to such a request must

comply with the rules and regulations of the Department of Labor.

(B) Any administrative appeal taken from a denial issued by the employing agency shall be filed with the Solicitor of Labor in accordance with §§ 71.7 and 71.9 of this part.

(iv) No agency other than the OWCP has authority to issue determinations in response to requests for the correction or amendment of records contained in or covered by DOL/GOVT-1. Any request for correction or amendment received by an employing agency must be referred to the OWCP for review and decision.

(2) For the government-wide system of records entitled DOL/GOVT-2 (Job Corps Student Records), a system maintained by and under the control of the Employment and Training Administration, the regulations of this Department shall govern, including the procedure for requesting access to, or amendment of the records, as well as appeals therefrom, shall govern.

(c) *Definitions.* As used in this subpart, the following terms shall have the following meanings:

(1) *Agency* has the meaning set forth in 5 U.S.C. 552(f).

(2) *Component* means each separate agency, bureau, office, board, division, commission, service, or administration of the Department of Labor, as well as each agency which possesses records covered by a DOL government-wide system of records.

(3) *Individual Data Subject* means the individual by whose name or identifier the subject record is retrieved.

(4) *Record* means any item, collection, or grouping of information about an individual which is maintained by any component within a system of records and which contains the individual's name, identifying number, symbol, or other identifying particular assigned to the individual, such as a fingerprint, voiceprint, or photograph.

(5) *Requester* means an individual who makes either a request for access, a request for correction or amendment, or a request for an accounting.

(6) *Routine use* has the meaning set forth in 5 U.S.C. 552a(7).

(7) *Statistical record* has the meaning set forth in 5 U.S.C. 552a(6).

29 CFR Subtitle A (7-1-21 Edition)

Office of the Secretary of Labor

§ 71.2

(8) *System of records* means a group of any records under the control of the Department or any component from which information is retrieved by the name of an individual or by some identifying number, symbol, or other identifying particular assigned to that individual.

(9) *Under the control of* means those official records for which the agency is officially responsible and either has in its possession or exercises dominion over. This excludes those records which, although in the physical possession of agency employees and used by them in performing official functions, are not, in fact, agency records. Uncirculated personal notes, papers and records which are retained or discarded at the author's discretion and over which the agency exercises no dominion or control (e.g., personal telephone list) are not *agency records* for purposes of this part.

(10) *He, his, and him* include "she", "hers" and "her".

§ 71.2 Requests for access to records.

(a) *Procedure for making requests for access to records.* An individual, or legal representative acting on his behalf, may request access to a record about himself by appearing in person or by writing to the component that maintains the record. (See appendix A to this part which lists the components of the Department of Labor and their addresses.) A requester in need of guidance in defining his request may write to the Assistant Secretary for Administration and Management, U.S. Department of Labor, 200 Constitution Avenue, NW, Washington, DC 20210-0002. A request should be addressed to the component that maintains the requested record. Both the envelope and the request itself should be marked: "Privacy Act Request."

(b) *Description of records sought.* A request for access to records must describe the records sought in sufficient detail to enable Department personnel to locate the system of records containing the record with a reasonable amount of effort. Whenever possible, a request for access should describe the nature of the record sought, the date of the record or the period in which the record was compiled, and the name or

identifying number of the system of records in which the requester believes the record is kept.

(c) *Agreement to pay fees.* The filing of a request for access to a record under this subpart shall be deemed to constitute an agreement to pay all applicable fees charged under § 71.6 up to \$25.00. The component responsible for responding to the request shall confirm this agreement in its letter of acknowledgment to the requester. When filing a request, a requester may specify a willingness to pay a greater amount, if applicable.

(d) *Verification of identity.* Any individual who submits a request for access to records must verify his identity in one of the following ways:

(1) Any requester making a request in writing must state in his request his full name, and current address. In addition, a requester must provide with his request an example of his signature, which shall be notarized, or signed as an unsworn declaration under penalty of perjury, pursuant to 28 U.S.C. 1746. In order to facilitate the identification of the requested records, a requester may also include in his request his Social Security number.

(2) Any requester submitting a request in person may provide to the component a form of official photographic identification, such as a passport, an identification badge or a driver's license which contains the photograph of the requester. If a requester is unable to produce a form of photographic identification, he may provide to the component two or more acceptable forms of identification bearing his name and address. In all cases, sufficient identification must be presented to confirm that the requester is the individual data subject.

(e) *Verification of guardianship.* The parent, guardian, or representative of a minor or the guardian or representative of a person judicially determined to be incompetent who submits a request for access to the records of the minor or incompetent must establish:

(1) His identity, as required in paragraph (d) of this section,

(2) That the requester is the parent, guardian, or representative of the subject of the record, which may be proved by providing a copy of the subject's

§ 71.3

birth certificate showing parentage or by providing a court order establishing the guardianship, and

(3) That he seeks to act on behalf of the subject of the record.

(f) The disclosure officer may waive the requirements set forth in paragraphs (d) and (e) of this section when he deems such action to be appropriate, and may substitute in lieu thereof, other reasonable means of identification.

§ 71.3 Responses by components to requests for access to records.

(a) *In general.* Except as otherwise provided in this section, the component that:

(1) First receives a request for access to a record, and

(2) Has possession of the requested record is the component ordinarily responsible for responding to the request.

(b) *Authority to grant or deny requests.* The head of a component, or his designee (*i.e.* disclosure officer), is authorized to make an initial grant or denial of any request for access to a record in the possession of that component.

(c) *Processing of requests for access not properly addressed.* A request for access that is not properly addressed as specified in § 71.2 shall be forwarded to the Assistant Secretary for Administration and Management, who shall forward the request to the appropriate component or components for processing. A request not addressed to the appropriate component will be deemed not to have been received by the Department until the Assistant Secretary for Administration and Management has forwarded the request to the appropriate component which has the record and that component has received the request. When the component receives an improperly addressed request, it shall notify the requester of the date on which it received the request. Accordingly, a request for access shall be deemed received on the date that it is received in the appropriate component.

(d) *Date for determining responsive records.* In determining the extent to which records are responsive to a request for access, a component ordinarily will include only those records within the component's possession and

29 CFR Subtitle A (7-1-21 Edition)

control as of the date of its receipt of the request.

(e) *First party requests.* A request for access by the individual data subject for his or her own records shall be processed both under the Freedom of Information Act (FOIA) and the Privacy Act (PA).

§ 71.4 Form and content of component responses.

(a) *Form of notice granting request for access.* A request by the individual data subject for access to his or her own records shall not be denied unless both a Privacy Act exemption and a Freedom of Information Act exemption apply to the requested records. A component shall make a determination within 30 days to grant or deny a request for access in whole or in part. If the request is granted in whole, the component shall so notify the requester in writing. The notice shall describe the manner in which access to the record will be granted and shall inform the requester of any fees to be charged in accordance with § 71.6.

(b) *Form of notice denying request for access.* A component denying a request for access in whole or in part shall so notify the requester in writing. The notice, signed by the responsible agency official, shall include:

(1) The name and title or position of the person responsible for the denial;

(2) A brief statement of the reason or reasons for the denial, including the Privacy Act and FOIA exemption or exemptions which the component has relied upon in denying the request; and

(3) A statement that the denial may be appealed under § 71.7(a), and a description of the requirements of that paragraph.

(c) *Record cannot be located.* If no records are found which are responsive to the request, the component shall so notify the requester in writing. Such notification by the component shall inform the requester that, if the requester considers this response to be a denial of their request, the requester has a right to appeal to the Solicitor of Labor, within ninety days, as set forth in § 71.7.

(d) *Medical records.* When an individual requests medical records concerning himself, which are not otherwise exempt from disclosure, the disclosure officer shall, if deemed necessary because of possible harm to the individual, advise the individual that the Department of Labor believes that the records should be provided to a physician designated in writing by the individual. In addition, the Department shall request the individual to designate such a physician. Upon receipt of the designation, the disclosure officer will permit the physician to review the records or to receive copies of the records by mail, upon proper verification of identity.

§ 71.5 Access to records.

(a) *Manner of access.* A component that has made a determination to grant a request for access shall grant the requester access to the requested record either by providing the requester with a copy of the record, or making the record available for inspection by the requester at a reasonable time and place. The component shall charge the requester only duplication costs in accordance with the provisions of § 71.6. If a component provides access to a record by making the record available for inspection by the requester, the manner of such inspection shall not unreasonably disrupt the operations of the component.

(b) *Accompanying person.* A requester appearing in person to review his own records may be accompanied by another individual of his own choosing. The requester shall provide the Department with his or her written consent to disclose the record to the accompanying person.

§ 71.6 Fees for access to records.

(a) *When charged.* A component shall charge fees pursuant to 31 U.S.C. 9701 and 5 U.S.C. 552a(f)(5) for the copying of records unless the component, in its discretion, waives or reduces the fees for good cause shown. A component shall charge fees at the rate of \$0.15 per page. In accordance with the provisions of the Freedom of Information Act, the first 100 pages of copying shall be furnished without charge. For materials other than paper copies, the component

may charge the direct costs of reproduction, but only if the requester has been notified of such costs before they are incurred. Fees shall not be charged where they would amount, in the aggregate, for one request or for a series of related requests, to less than \$15.00. Notwithstanding any other provision of this paragraph, the first copy of an individual's Privacy Act record shall be provided to the individual at no cost.

(b) *Notice of estimated fees amounting to between \$25 to \$250.* When a component determines or estimates that the fees to be charged under this section may amount to between \$25 to \$250, the component shall notify the requester as soon as practicable of the actual or estimated amount of the fee, unless the requester has indicated in advance his willingness to pay a fee as high as that anticipated.

(c) *Notice of estimated fees in excess of \$250.* When a component determines or estimates that the fees to be charged under this section may amount to more than \$250, the component shall notify the requester as soon as practicable of the actual or estimated amount of the fee, unless the requester has indicated in advance his willingness to pay a fee as high as that estimated. If the fee is estimated to be in excess of \$250, then the agency may require payment in advance. (If only a portion of the fee can be estimated readily, the component shall advise the requester that the estimated fee may be only a portion of the total fee.) Where the estimated fee exceeds \$250 and a component has so notified the requester, the component will be deemed not to have received the request for access to records until the requester has paid the anticipated fee, in full or in part. A notice to a requester pursuant to this paragraph shall offer him the opportunity to confer with Department personnel with the object of reformulating his request to meet his needs at a lower cost.

(d) *Form of payment.* Requesters must pay fees by cash, check or money order payable to either the Treasury of the United States, or the U.S. Department of Labor. However, the Department shall not require advance payment in any case where the fee is under \$250,

§ 71.7

except that where a requester has previously failed to pay a fee charged under this part, the requester must pay the component or the Department the full amount owed and make an advance deposit of the full amount of any estimated fee before a component shall be required to process a new or pending request for access from that requester.

§ 71.7 Appeals from denials of access.

(a) *Appeals to the Solicitor of Labor.* When a component denies in whole or in part a request for access to records, the requester may appeal the denial to the Solicitor of Labor within 90 days of his receipt of the notice denying his request. An appeal to the Solicitor of Labor shall be made in writing, addressed to the Solicitor of Labor, U.S. Department of Labor, 200 Constitution Avenue, NW, Washington, DC. 20210-0002. Both the envelope and the letter of appeal itself must be clearly marked: "Privacy Act Appeal." An appeal not so addressed and marked shall be forwarded to the Office of the Solicitor as soon as it is identified as an appeal under the Privacy Act. An appeal that is improperly addressed shall be deemed not to have been received by the Department until the Office of the Solicitor receives the appeal.

(b) *Form of action on appeal.* The disposition of an appeal shall be in writing. A written decision affirming in whole or in part the denial of a request for access shall include a brief statement of the reason or reasons for the affirmation, including each Privacy Act and FOIA exemption relied upon and its relation to each record withheld, and a statement that judicial review of the denial is available in the U.S. District Court for the judicial district in which the requester resides or has his principal place of business, the judicial district in which the requested records are located, or the District of Columbia. If the denial of a request for access is reversed on appeal, the requester shall be so notified and the request shall be processed promptly in accordance with the decision on appeal.

(c) *Delegation of Authority by the Solicitor of Labor.* The Solicitor of Labor is authorized to delegate his authority to decide appeals from any and all denials

29 CFR Subtitle A (7-1-21 Edition)

of access to other senior attorneys within the Office of the Solicitor.

§ 71.8 Preservation of records.

Each component shall preserve all correspondence relating to the requests it receives under this subpart, and all records processed pursuant to such requests, until such time as the destruction of such correspondence and records is authorized pursuant to title 44 of the U.S. Code and record schedules approved by the National Archives and Records Administration, and otherwise in accordance with retention requirements as published in the agency's system of records. Under no circumstances shall records be destroyed while they are the subject of a pending request for access, appeal, or lawsuit under the Act.

§ 71.9 Request for correction or amendment of records.

(a) *How made.* An individual may submit a request for correction or amendment of a record pertaining to him. The request must be in writing and must be addressed to the component that maintains the record. (Appendix A of this part lists the components of the Department and their addresses.) The request must identify the particular record in question, state the correction or amendment sought, and set forth the justification for the change. Both the envelope and the request itself must be clearly marked: "Privacy Act Amendment Request."

(b) *Initial determination.* Within 30 working days of receiving a request for correction or amendment, a component shall notify the requester whether his request will be granted or denied, in whole or in part. If the component grants the request in whole or in part, it shall send the requester a copy of the amended record, in releasable form, as proof of the change. If the component denies the request in whole or in part, it shall notify the requester in writing of the denial. The notice of denial shall state the reason or reasons for the denial and advise the requester of his right to appeal.

(c) *Appeals.* When a request for correction or amendment is denied in whole or in part, the requester may appeal the denial to the Solicitor of

Office of the Secretary of Labor

§ 71.11

Labor within 90 days of his receipt of the notice denying his request. An appeal to the Solicitor of Labor shall be made in writing, shall set forth the specific item of information sought to be corrected or amended, and shall include any documentation said to justify the change. An appeal shall be addressed to the Solicitor of Labor, U.S. Department of Labor, 200 Constitution Avenue, NW, Washington, DC 20210-0002. Both the envelope and the letter of appeal itself must be clearly marked: "Privacy Act Amendment Appeal."

(d) *Determination on appeal.* The Solicitor of Labor shall decide all appeals from denials of requests to correct or amend records. All such appeals shall be decided within 30 working days of receipt of the appeal, unless there is good cause shown to extend this period. The appellant shall be notified if the period for decision has been extended.

(1) If the denial of a request is affirmed on appeal, the requester shall be so notified in writing and advised of:

(i) The reason or reasons the denial has been affirmed,

(ii) The requester's right to file a Statement of Disagreement, as provided in paragraph (f) of this section, and

(iii) The requester's right to obtain judicial review of the denial in the U.S. District Court for the judicial district in which the requester resides or has its principal place of business, the judicial district in which the record is located, or the District of Columbia.

(2) If the denial is reversed on appeal, the requester shall be so notified and the request for correction or amendment shall be promptly remanded to the component that denied the request for processing in accordance with the decision on appeal.

(e) *Delegation of Authority by the Solicitor of Labor.* The Solicitor of Labor is authorized to delegate his or her authority to decide any and all appeals from denials of requests to correct or amend records to other senior attorneys within the Office of the Solicitor.

(f) *Statements of disagreement.* A requester whose request or appeal under this section has been denied shall have the right to file a Statement of Disagreement with the Solicitor of Labor,

U.S. Department of Labor, 200 Constitution Avenue, NW, Washington, DC 20210-0002, within 30 days of receiving notice of denial. Statements of Disagreement may not exceed one typed page per fact disputed. Statements exceeding this limit shall be returned to the requester for condensation. Upon receipt of a Statement of Disagreement under this section, the agency shall promptly have the statement included in the record and shall have the disputed record marked so as to indicate that a Statement of Disagreement has been filed.

(g) *Notices of correction or amendment or disagreement.* Within 30 working days of the correction or amendment of a record, the component that maintains the record shall advise all components or agencies to which it previously disclosed the record that the record has been amended. Whenever an individual has filed a Statement of Disagreement, a component shall append a copy of the Statement to the disputed record whenever the record is disclosed. The component may also append to the disputed record a written statement giving the component's reasons for denying the request to correct or amend the record.

§ 71.10 Certain records not subject to correction.

Certain records are not subject to correction or amendment. These include, but are not limited to:

(a) Transcripts of testimony given under oath or written statements made under oath;

(b) Transcripts or decisions of grand jury, administrative, judicial, or quasi-judicial proceedings which constitute the official record of such proceedings;

(c) Records duly exempted from correction pursuant to 5 U.S.C. 552a(j) or 552a(k) by rulemaking promulgated under the Administrative Procedure Act (5 U.S.C. 551 *et seq.*)

§ 71.11 Emergency disclosures.

If the record of an individual has been disclosed to any person under compelling circumstances affecting the health or safety of any person, as described in 5 U.S.C. 552a(b)(8), the individual to whom the record pertains shall be notified of the disclosure at his

§ 71.12

last known address within 10 working days. The notice of such disclosure shall be in writing and shall state the nature of the information disclosed, the person or agency to whom it was disclosed, the date of disclosure, and the compelling circumstances justifying the disclosure. The officer who made or authorized the disclosure shall be responsible for providing such notification.

§ 71.12 Use and collection of social security numbers.

(a) Each component unit that requests an individual to disclose his social security account number shall provide the individual, in writing, with the following information:

(1) The statute, regulation, Executive Order or other authority under which the number is solicited;

(2) Whether the disclosure is mandatory or voluntary; and

(3) The consequences, if any, to the individual should he or she refuse or fail to disclose the number.

(b) Neither the Department nor any of its component units shall, in the absence of specific federal statutory authority, deny to an individual any right, benefit or privilege provided by law solely because of such individual's refusal to disclose his social security account number.

(c) The head of each component unit shall ensure that employees authorized to collect social security account numbers or tax identifying numbers, are aware of the statutory or other basis for collecting such information, of the uses to which such numbers may be put, and of the consequences, if any, that might follow if a person refuses to disclose the requested number.

§ 71.13 Employee standards of conduct.

(a) Each component shall inform its employees of the provisions of the Privacy Act, including the Act's civil liability and criminal penalty provisions. Each component also shall notify its employees that they have a duty to:

(1) Protect the security of records,

(2) Ensure the accuracy, relevance, timeliness, and completeness of records,

29 CFR Subtitle A (7-1-21 Edition)

(3) Avoid the unauthorized disclosure, either verbal or written, of records, and

(4) Ensure that the component maintains no system of records without public notice.

(b) Except to the extent that the Privacy Act permits such activities, an employee of the Department of Labor shall:

(1) Not collect information of a personal nature from individuals unless the employee is authorized to collect such information to perform a function or discharge a responsibility of the Department;

(2) Collect from individuals only that information which is necessary to the performance of the functions or to the discharge of the responsibilities of the Department;

(3) Collect information about an individual directly from that individual, whenever practicable;

(4) Inform each individual from whom information is collected of:

(i) The legal authority that authorizes the Department to collect such information,

(ii) The principal purposes for which the Department intends to use the information,

(iii) The routine uses the Department may make of the information, and

(iv) The practical and legal effects upon the individual of not furnishing the information;

(5) Maintain all records which are used by the agency in making any determination about any individual with such accuracy, relevance, timeliness, and completeness as to ensure fairness to the individual in the determination;

(6) Maintain no record describing how any individual exercises rights guaranteed by the First Amendment to the United States Constitution, unless:

(i) The individual has volunteered such information for his own benefit,

(ii) A statute expressly authorizes the Department to collect, maintain, use, or disseminate the information, or

(iii) The individual's beliefs, activities, or membership are pertinent to and within the scope of an authorized law enforcement activity;

(7) Notify the head of the component of the existence or development of any

system of records that has not been disclosed to the public;

(8) Disclose no record to anyone, for any use, unless authorized by the Act;

(9) Maintain and use records with care to prevent the inadvertent disclosure of a record to anyone; and

(10) Notify the head of the component of any record that contains information that the Act or the foregoing provisions of this paragraph do not permit the Department to maintain.

§ 71.14 Use of nonpublic information.

(a) *Prohibition.* (1) An employee shall not engage in a financial transaction using nonpublic information, nor allow the improper use of nonpublic information to further his own private interest or that of another, whether through advice or recommendations, or by knowing unauthorized disclosure. See 5 CFR 2635.703.

(2) Nonpublic information is information that an employee gains by reason of Federal employment that he knows or reasonably should know has not been made available to the general public. Nonpublic information includes information contained in a Privacy Act system of records which an individual knew or should have known:

(i) Is normally exempt from disclosure under Exemptions 6 or 7(C) of the Freedom of Information Act, or is otherwise protected from disclosure by statute, Executive Order or regulation;

(ii) Has not actually been disseminated to the general public and is not authorized to be made available to the public upon request.

(b) *Sanctions.* Any DOL employee who willfully discloses any information or records from any file that contains individually-identifiable information to any person or agency not entitled to receive it, and the disclosure of which is prohibited by the Privacy Act or by rules or regulations established thereunder, and who, knowing the disclosure of the specific material is so prohibited, will be subject to disciplinary action, as appropriate.

(c) *Public disclosures by third parties of DOL Privacy Act records.* When Labor Department records subject to the Privacy Act are disclosed to third parties, and as a condition of the disclosure of such records, the person or entity to

whom the records are furnished is expressly prohibited from further disseminating the information, any further dissemination of the information so furnished to such person or entity may be subject to the penalties set forth in 18 U.S.C. 641.

§ 71.15 Training.

All DOL systems managers, disclosure officers, and employees with responsibilities under the Privacy Act shall periodically attend training offered by the Department on the Privacy Act.

Subpart B—Exemption of Records Systems Under the Privacy Act

§ 71.50 General exemptions pursuant to subsection (j) of the Privacy Act.

(a) The following systems of records are eligible for exemption under 5 U.S.C. 552a(j)(2) because they are maintained by a component of the agency or subcomponent which performs as its principal function the enforcement of criminal laws, and they contain investigatory material compiled for criminal law enforcement purposes. Accordingly, these systems of records are exempt from the following subsections of 552a of title 5 U.S. Code: (c)(3) and (4), (d), (e)(1), (2), and (3), (e)(4)(G), (H), and (I), (e)(5) and (8), (f) and (g).

(1) DOL/ESA-45 (Investigative Files of the Office of Labor-Management Standards), a system of records maintained by the Office of Labor-Management Standards.

(2) DOL/OIG-1 (General Investigative Files, and Subject Title Index, USDOL/OIG), a system of records maintained by the Office of the Inspector General (OIG).

(3) DOL/OIG-2 (Freedom of Information/Privacy Acts Records), a system of records maintained by the OIG.

(4) DOL/OIG-3 (Case Development Records), a system of records maintained by the OIG.

(5) DOL/OIG-5 (Investigative Case Tracking Systems/Audit Information Reporting Systems, USDOL/OIG), a system of records maintained by the OIG.

(6) DOL/MSHA-20 (Civil/Criminal Investigations), a system of records

maintained by the Mine Safety and Health Administration.

(7) DOL/EBSA-2 (Office of Enforcement Index Cards and Investigation Files), a system of records maintained by the Employee Benefits Security Administration.

(b) This exemption applies to the extent that information in these systems of records is subject to exemption pursuant to 5 U.S.C. 552a(j)(2).

(c) These systems are exempted for the reasons set forth in paragraphs (c)(1) through (12) of this section, from the following subsections of 5 U.S.C. 552a:

(1) *Subsection (c)(3)*. The release of the disclosure accounting would present a serious impediment to law enforcement by permitting the subject of an investigation of an actual or potential criminal violation to determine whether he is the subject of investigation, or to obtain valuable information concerning the nature of that investigation and the information obtained, or to identify witnesses and informants.

(2) *Subsection (c)(4)*. Since an exemption is being claimed for subsection (d) of the Act (Access to Records), this subsection is inapplicable to the extent that these systems of records are exempted from subsection (d).

(3) *Subsection (d)*. Access to records contained in these systems would inform the subject of an actual or potential criminal investigation of the existence of that investigation, of the nature and scope of the investigation, of the information and evidence obtained as to his or her activities, and of the identity of witnesses or informants. Such access would, accordingly, provide information that could enable the subject to avoid detection, apprehension, and prosecution. This result, therefore, would constitute a serious impediment to effective law enforcement not only because it would prevent the successful completion of the investigation but also because it could endanger the physical safety of witnesses or informants, lead to the improper influencing of witnesses, the destruction of evidence, or the fabrication of testimony. Amendment of the records would interfere with ongoing criminal law enforcement proceedings and imposes an impossible administrative

burden by requiring criminal investigations to be continuously reinvestigated.

(4) *Subsection (e)(1)*. In the course of criminal and related law enforcement investigations, cases, and matters, the agency will occasionally obtain information concerning actual or potential violations of law that may not be technically within its statutory or other authority, or it may compile information in the course of an investigation which may not be relevant to a specific prosecution. In the interests of effective law enforcement, it is necessary to retain some or all of such information since it can aid in establishing patterns of criminal activity and can provide valuable leads for Federal and other law enforcement agencies. Moreover, it is difficult to know during the course of an investigation what is relevant and necessary. In this connection, facts or evidence may not seem relevant at first, but later in the investigation, their relevance is borne out.

(5) *Subsection (e)(2)*. To collect information to the greatest extent practicable from the subject individual of a criminal investigation or prosecution would present a serious impediment to law enforcement because the subject of the investigation or prosecution would be placed on notice as to the existence of the investigation and would therefore be able to avoid detection or apprehension, improperly influence witnesses, destroy evidence, or fabricate testimony.

(6) *Subsection (e)(3)*. To provide individuals supplying information with a form which includes the information required by subsection (e)(3) would constitute a serious impediment to law enforcement, i.e., it could compromise the existence of a confidential investigation or reveal the identity of witnesses or confidential informants.

(7) *Subsections (e)(4)(G) and (H)*. These subsections are inapplicable to the extent that these systems are exempt from the access provisions of subsection (d) and the rules provisions of subsection (f).

(8) *Subsection (e)(4)(I)*. The categories of sources of the records in these systems have been published in the FEDERAL REGISTER in broad generic terms

in the belief that this is all that subsection (e)(4)(I) of the Act requires. In the event, however, that this subsection should be interpreted to require more detail as to the identity of sources of the records in this system, exemption from this provision is necessary to protect the confidentiality of the sources of criminal and related law enforcement information. Such exemption is further necessary to protect the privacy and physical safety of witnesses and informants.

(9) *Subsection (e)(5)*. In the collection of information for criminal enforcement purposes it is impossible to determine in advance what information is accurate, relevant, timely, and complete. With the passage of time, seemingly irrelevant or untimely information may acquire new significance as further investigation brings new details to light. Furthermore, the accuracy of such information can often only be determined in a court of law. The restrictions of subsection (e)(5) would inhibit the ability of government attorneys in exercising their judgment in reporting on information and investigations and impede the development of criminal information and related data necessary for effective law enforcement.

(10) *Subsection (e)(8)*. The individual notice requirements of subsection (e)(8) could present a serious impediment to law enforcement as this could interfere with the ability to issue warrants or subpoenas and could reveal investigative techniques, procedures, or evidence.

(11) *Subsection (f)*. Procedures for notice to an individual pursuant to subsection (f)(1) as to existence of records pertaining to the individual dealing with an actual or potential criminal, civil, or regulatory investigation or prosecution must be exempted because such notice to an individual would be detrimental to the successful conduct and/or completion of an investigation or case, pending or future. In addition, mere notice of the fact of an investigation could inform the subject or others that their activities are under investigation or may become the subject of an investigation and could enable the subjects to avoid detection, to influence witnesses improperly, to destroy

evidence, or to fabricate testimony. Since an exemption is being claimed for subsection (d) of the Act (Access to Records) the rules required pursuant to subsections (f)(2) through (5) are inapplicable to these systems of records to the extent that these systems of records are exempted from subsection (d).

(12) *Subsection (g)*. Since an exemption is being claimed for subsections (d) (Access to Records) and (f) (Agency Rules) this section is inapplicable, and is exempted for the reasons set forth for those subsections, to the extent that these systems of records are exempted from subsections (d) and (f).

[63 FR 56741, Oct. 22, 1998, as amended at 68 FR 16399, Apr. 3, 2003]

§ 71.51 Specific exemptions pursuant to subsection (k)(2) of the Privacy Act.

(a) The following systems of records are eligible for exemption under 5 U.S.C. 552a(k)(2) because they contain investigatory material compiled for law enforcement purposes other than material within the scope of subsection (j)(2) of 5 U.S.C. 552a. Provided however, that if any individual is denied any right, privilege or benefit to which he would otherwise be entitled by Federal law, or for which he would otherwise be eligible, as a result of the maintenance of such material, such material shall be provided to such individual, except to the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or prior to January 1, 1975, under an implied promise that the identity of the source would be held in confidence. Accordingly the following systems of records are exempt from (c)(3), (d)(1), (d)(2), (d)(3), (d)(4), (e)(1), (e)(4)(G), (e)(4)(I) and (f) of 5 U.S.C. 552a.

(b) This exemption applies to the extent that information in these systems is subject to exemption pursuant to 5 U.S.C. 552a(k)(2).

(c) The systems of records listed under paragraphs (a)(1) through (a)(39) of this section are exempted for the reasons set forth in paragraphs (c) (1) through (6) of this section, from the following subsections of 5 U.S.C. 552a:

(1) *Subsection (c)(3)*. The release of the disclosure accounting, for disclosures made pursuant to subsection (b) of the Act, including those permitted under the routine uses published for these systems of records, would enable the subject of an investigation of an actual or potential civil case to determine whether he or she is the subject of investigation, to obtain valuable information concerning the nature of that investigation and the information obtained, and to determine the identity of witnesses or informants. Such access to investigative information would, accordingly, present a serious impedi-

ment to law enforcement. In addition, disclosure of the accounting would constitute notice to the individual of the existence of a record even though such notice requirement under subsection (f)(1) is specifically exempted for this system of records.

(2) *Subsections (d)(1), (d)(2), (d)(3), and (d)(4)*. Access to the records contained in these systems would inform the subject of an actual or potential civil investigation of the existence of that investigation, of the nature and scope of the information and evidence obtained as to his or her activities, and of the identity of witnesses or informants. Such access would, accordingly, provide information that could enable the subject to avoid detection. This result, therefore, would constitute a serious impediment to effective law enforcement not only because it would prevent the successful completion of the investigation but also because it could endanger the physical safety of witnesses or informants, lead to the improper influencing of witnesses, the destruction of evidence, or the fabrication of testimony.

(3) *Subsection (e)(1)*. The notices for these systems of records published in the FEDERAL REGISTER set forth the basic statutory or related authority for maintenance of these systems. However, in the course of civil and related law enforcement investigations, cases and matters, the agency will occasionally obtain information concerning actual or potential violations of law that are not strictly or technically within its statutory or other authority or may compile information in the course of an investigation which may not be relevant to a specific case. In the interests of effective law enforcement, it is necessary to retain some or all of such information in this system of records since it can aid in establishing patterns of compliance and can provide valuable leads for Federal and other law enforcement agencies. Moreover, it is difficult to know during the course of an investigation what is relevant and necessary. In this connection, facts or evidence may not seem relevant at first, but later in the investigation, their relevance is borne out.

§ 71.52

29 CFR Subtitle A (7-1-21 Edition)

(4) *Subsections (e)(4) (G) and (H)*. Since an exemption is being claimed for subsections (f) (Agency Rules) and (d) (Access to Records) of the Act, these subsections are inapplicable to the extent that these systems of records are exempted from subsections (f) and (d).

(5) *Subsection (e)(4)(I)*. The categories of sources of the records in these systems have been published in the FEDERAL REGISTER in broad generic terms in the belief that this is all that subsection (e)(4)(I) of the Act requires. In the event, however, that this subsection should be interpreted to require more detail as to the identity of sources of the records in this system, exemption from this provision is necessary in order to protect the confidentiality of the sources of civil law enforcement information. Such exemption is further necessary to protect the privacy and physical safety of witnesses and informants.

(6) *Subsection (f)*. Procedures for notice to an individual pursuant to subsection (f)(1) as to existence of records pertaining to the individual dealing with an actual or potential criminal, civil, or regulatory investigation or prosecution must be exempted because such notice to an individual would be detrimental to the successful conduct and/or completion of an investigation or case, pending or future. In addition, mere notice of the fact of an investigation could inform the subject or others that their activities are under or may become the subject of an investigation and could enable the subjects to avoid detection, to influence witnesses improperly, to destroy evidence, or to fabricate testimony. Since an exemption is being claimed for subsection (d) of the Act (Access to Records), the rules required pursuant to subsections (f)(2) through (5) are inapplicable to these systems of records to the extent that these systems of records are exempted from subsection (d).

[63 FR 56741, Oct. 22, 1998, as amended at 68 FR 16399, Apr. 3, 2003; 72 FR 37099, July 9, 2007]

§ 71.52 Specific exemptions pursuant to subsection (k)(5) of the Privacy Act.

(a) The following systems of records are eligible for exemption under 5

U.S.C. 552a(k)(5) because they contain investigatory material compiled solely for the purpose of determining suitability, eligibility, or qualifications for Federal civilian employment, military service, Federal contracts, or access to classified information, but only to the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or, prior to January 1, 1975, under an implied promise that the identity of the source would be held in confidence. Accordingly, these systems of records are exempt from (c)(3), (d)(1), (d)(2), (d)(3), (d)(4), (e)(1), (e)(4)(G), (e)(4)(I) and (f) of 5 U.S.C. 552a.

(1) DOL/OASAM-20 (Personnel Investigation Records), a system of records maintained by the Office of the Assistant Secretary for Administration and Management (OASAM).

(2) DOL/OIG-1 (General Investigative Files, and Subject Title Index, USDOL/OIG), a system of records maintained by the Office of the Inspector General (OIG).

(3) DOL/OIG-2 (Freedom of Information/Privacy Acts Records), a system of records maintained by the OIG.

(4) DOL/OIG-3 (Case Development Records), a system of records maintained by the OIG.

(5) DOL/OIG-5 (Investigative Case Tracking Systems/Audit Information Reporting Systems, USDOL/OIG), a system of records maintained by the OIG.

(b) This exemption applies to the extent that information in these systems is subject to exemption pursuant to 5 U.S.C. 552a(k)(5).

(c) The systems of records listed under paragraphs (a)(1) through (a)(5) of this section are exempted for the reasons set forth in paragraphs (c)(1) through (6) of this section, from the following subsections of 5 U.S.C. 552a:

(1) *Subsection (c)(3)*. The release of the disclosure accounting, for disclosures made pursuant to subsection (b) of the Act, including those permitted under the routine uses published for this system of records, would enable the subject of an investigation of an actual or potential civil case to determine

whether he or she is the subject of investigation, to obtain valuable information concerning the nature of that investigation and the information obtained, and to determine the identity of witnesses or informants. Such access to investigative information would, accordingly, present a serious impediment to the investigation. In addition, disclosure of the accounting would constitute notice to the individual of the existence of a record even though such notice requirement under subsection (f)(1) is specifically exempted for this system of records.

(2) *Subsections (d)(1), (d)(2), (d)(3), and (d)(4).* Access to the records contained in these systems would inform the subject of an actual or potential investigation of the existence of that investigation, of the nature and scope of the information and evidence obtained as to his or her activities, and of the identity of witnesses or informants. Such access would, accordingly, provide information that could enable the subject to avoid detection. This result, therefore, would constitute a serious impediment to effective investigation not only because it would prevent the successful completion of the investigation but also because it could endanger the physical safety of witnesses or informants, lead to the improper influencing of witnesses, the destruction of evidence, or the fabrication of testimony.

(3) *Subsection (e)(1).* The notices for these systems of records published in the FEDERAL REGISTER set forth the basic statutory or related authority for maintenance of this system. However, in the course of civil and related investigations, cases and matters, the agency will occasionally obtain information concerning actual or potential violations of law that are not strictly or technically within its statutory or other authority or may compile information in the course of an investigation which may not be relevant to a specific case. In the interests of effective investigation, it is necessary to retain some or all of such information in these systems of records since it can aid in establishing patterns of compliance and can provide valuable leads for Federal and other law enforcement agencies. Moreover, it is difficult to

know during the course of an investigation what is relevant and necessary. In this connection, facts or evidence may not seem relevant at first, but later in the investigation, their relevance is borne out.

(4) *Subsections (e)(4)(G) and (H).* Since an exemption is being claimed for subsections (f) (Agency Rules) and (d) (Access to Records) of the Act, these subsections are inapplicable to the extent that these systems of records are exempted from subsections (f) and (d).

(5) *Subsection (e)(4)(I).* The categories of sources of the records in these systems have been published in the FEDERAL REGISTER in broad generic terms in the belief that this is all that subsection (e)(4)(I) of the Act requires. In the event, however, that this subsection should be interpreted to require more detail as to the identity of sources of the records in this system, exemption from this provision is necessary in order to protect the confidentiality of the sources of investigatory information. Such exemption is further necessary to protect the privacy and physical safety of witnesses and informants.

(6) *Subsection (f).* Procedures for notice to an individual pursuant to subsection (f)(1) as to existence of records pertaining to the individual dealing with an actual or potential investigation must be exempted because such notice to an individual would be detrimental to the successful conduct and/or completion of an investigation or case, pending or future. In addition, mere notice of the fact of an investigation could inform the subject or others that their activities are under or may become the subject of an investigation and could enable the subjects to avoid detection, to influence witnesses improperly, to destroy evidence, or to fabricate testimony. Since an exemption is being claimed for subsection (d) of the Act (Access to Records), the rules required pursuant to subsections (f)(2) through (5) are inapplicable to these systems of records to the extent that these systems of records are exempted from subsection (d).

**PART 75—DEPARTMENT OF LABOR
REVIEW AND CERTIFICATION
PROCEDURES FOR RURAL INDUS-
TRIALIZATION LOAN AND GRANT
PROGRAMS UNDER THE CON-
SOLIDATED FARM AND RURAL
DEVELOPMENT ACT OF 1972**

Sec.

75.1 Introduction.

75.11 Standards for the review of applica-
tions.

AUTHORITY: Sec. 118, Pub. L. 92-419, 86 Stat.
663 (7 U.S.C. 1932).

§ 75.1 Introduction.

(a) Section 118 of the Consolidated Farm and Rural Development Act authorizes the Rural Development Administration (RDA) of the U.S. Department of Agriculture (USDA) to make or guarantee loans to finance industrial and business activities in rural areas (broadly defined to include any place with a population of less than 50,000), 7 U.S.C. 1932(d). The Act also permits RDA to make grants to public bodies for measures designed to facilitate the development of private business enterprises and for pollution control and abatement projects.

(b) As a prior condition for the approval of such loans, guarantees and grants, the Act further specifies that the Secretary of Labor must certify to the Secretary of Agriculture within 30 days after referral, that the loan or grant is not calculated to or likely to result in the transfer from one area to another of any employment or business activity provided by operations of the applicant and is not calculated to or likely to result in an increase in the production of goods, materials, or commodities, or the availability of services or facilities in the area, when there is not sufficient demand for such goods, materials, commodities, services, or facilities, to employ the efficient capacity of existing competitive commercial or industrial enterprises, unless such financial or other assistance will not have an adverse effect upon existing competitive enterprises in the area. Responsibility within the Department of Labor (DOL) for the review and certification process has been assigned to

the Employment and Training Administration (ETA).

(c) The following procedures have been established by the Department of Labor in consultation with the USDA for the issuance of labor certifications under this program. These procedures are designed to insure the orderly and expeditious review of the applications by the Department of Labor (DOL) within 30 days after they have been received from the USDA. It is anticipated that the procedure will permit completion of all cases within the 30-day legal maximum processing period permitted under the law.

[40 FR 4394, Jan. 29, 1975, as amended at 72 FR 37103, July 9, 2007]

§ 75.11 Standards for the review of applications.

(a) *Applications to be routinely approved without field review.* The following types of applications will be routinely approved and certified by the Employment and Training Administration (ETA), provided that the required information is submitted by the applicant:

(1) *Loans which involve the change of ownership from one person or group to another or the refinancing of an existing loan.* Provided, That such loans will not result in any transfer from one area to another of any employment or business activity provided by operations of the applicant and are not calculated to or likely to result in an increase in the production of goods, materials, or commodities, or the availability of services, or facilities, to employ the efficient capacity of existing competitive commercial or industrial enterprise. In transmitting such applications to ETA, RDA will include:

(i) A letter of transmittal stating the name and location of the applicant and the amount of the loan, and certifying that the loan is either for the purpose of financing the sale of the business or for the purpose of refinancing a loan and is not calculated to or likely to result in the transfer or expansion of employment or operations:

(ii) Three copies of Form RD 449-22, Certification of Non-Relocation; and

(iii) Three copies of Form RD 449-23, Data Information Sheet. ETA will issue an affirmative certification on

§ 75.11

such applications, without further review, within 10 working days.

(2) *Loans of less than \$100,000 where the loan proceeds are expected to result in the employment of not more than five workers.* In such instances, the RDA transmittal letter will call attention to the fact that the application involved falls within this category. This should be supported by data in the revised Forms RD 449-22 and 449-23 to be forwarded in triplicate to the DOL. For loan applications in this category, the RDA will also attach a certification signed by the State RDA director indicating that he has reviewed the loan application and certifying that such a loan is not calculated to or likely to result in the transfer from one area to another of any employment or business activity provided by operations of the applicant and is not calculated to or likely to result in an increase in the production of goods, materials, or commodities, or the availability of services or facilities, when there is not sufficient demand for such goods, materials, commodities, services, or facilities in the area, to employ the efficient capacity of existing competitive commercial or industrial enterprises, unless such financial or other assistance will not have an adverse effect upon existing competitive enterprises in the area. Unless there is other evidence to indicate an adverse effect on unemployment or competitive business enterprises, ETA will accept this certificate and accompanying forms as the basis for an affirmative certification without further review and will so certify within 10 working days after receipt.

(3) *Grants where there are no known current or future occupants.* In the case of such applications, e.g., a county's proposal to build an industrial park, RDA will send a transmittal letter to ETA stating the name and location of the applicant, and the amount and purpose of the grant, and certifying that there are no known current or future occupants. RDA will also forward with the letter a resolution or other statement from the local governing body agreeing to a *prior* review and certification by ETA of any person or organization which may occupy all or part of the facility within 3 years from the date of the certification, to insure

29 CFR Subtitle A (7-1-21 Edition)

that the requirements of the Act are being complied with. ETA will, within 10 days after receipt of such applications, issue an affirmative certification conditional upon the right of review and certification of each potential occupant within the 3-year period.

(4) *Grants where the occupants are known,* and the improvement will not result in a transfer or increase in operations or employment by the occupants. The RDA transmittal letter shall provide, in addition to the information specified in paragraph (a)(3) of this section, the names of the occupants and a statement that this grant is not calculated to or likely to result in a transfer or increase in operations or employment. The applicant shall also be required to submit the same type of resolution as that specified in paragraph (a)(3) of this section. On the receipt of such data, ETA will issue a certification on the grant application and will certify the known occupants as well. The certification may require, however, that additional occupants or a change in occupants within the first 3 years after certification is subject to review and a redetermination.

(b) *Applications which will require field or other review.* (1) All loan and grant applications other than those specified in paragraph (a) of this section will be subject to a full review by the ETA prior to the issuance of a certification. For each loan application, the RDA shall submit to ETA:

(i) A letter of transmittal stating the name and location of the applicant and the amount of the loan;

(ii) Six copies of the Certificate of Non-Relocation (Form RD 449-22);

(iii) Six copies of the Data Information Sheet (Form RD 449-23); and

(iv) Any supplemental information, including A-95 Clearinghouse Reports, which RDA believes may be of value to ETA in evaluating the application.

For grant applications, the letter of transmittal shall also provide information about the purpose of the grant. Two copies of a resolution or other statement of the type specified under paragraph (a)(3) of this section shall also be submitted with each grant application.

(2) Upon receipt of applications, ETA will review the materials for completeness and will inform RDA in writing of any missing items within 2 working days after the date of receipt. It is agreed that in such instances the statutory 30-day period will not begin until the file is complete. State workforce agencies will be requested, through the ETA regional offices, to provide labor market information needed to determine whether the loan would result in adverse competitive effect upon existing competitive enterprises in the area. Comments will be due in the ETA national office 3 weeks after receipt of the request in the ETA regional offices.

(3) To assist in the review process, DOL will publish in the FEDERAL REGISTER a weekly listing of applications received (other than those to be routinely certified). The listing will include the name and location (City and State) of the applicant and the principal product or type of business activity. In the case of grant applications, the listing will also include the name and principal product or business activity of the occupant(s) of the facility for which the grant is being made. All interested parties will be afforded a 2-week period from the date of publication to comment in writing to ETA. In the event that adverse comments are received, the applicant will be sent copies of such comments by certified mail, and afforded an opportunity to provide such additional information as the applicant deems appropriate within 2 weeks from the date of transmittal. The Rural Development Administration will also be provided with copies of such adverse comments.

(4) In some instances, involving particularly complex situations, ETA may request the Economic Development Administration (EDA) in the Department of Commerce, or other agencies to provide supplemental data. The number of such requests will depend upon the extent to which the DOL is capable of making resources available to EDA or other agencies to perform this function.

(5) When all the data have been assembled, a determination will be made by ETA of whether the requested certifications may be certified or denied. RDA will be notified in writing of the

determination. If DOL's investigation indicates the need for additional information, all material will be returned to RDA with instructions indicating the additional information needed to make a certification. Continuation of the 30-day time limit will begin again when the additional material is returned to Labor.

(6) All denials will be given additional consideration if the applicant or the USDA provides additional evidence which they believe merits further consideration. If the DOL reaffirms its denial after a review of all available facts and such additional investigation as it may make, such denial shall be considered as final.

(l) *Person* means an individual, corporation, company, association, authority, firm, partnership, society, State, and local government, regardless of whether such entity is operated for profit or not for profit. This term excludes an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.

(m) *Reasonable compensation* means, with respect to a regularly employed officer or employee of any person, compensation that is consistent with the normal compensation for such officer or employee for work that is not furnished to, not funded by, or not furnished in cooperation with the Federal Government.

(n) *Reasonable payment* means, with respect to professional and other technical services, a payment in an amount that is consistent with the amount normally paid for such services in the private sector.

(o) *Recipient* includes all contractors, subcontractors at any tier, and subgrantees at any tier of the recipient of funds received in connection with a Federal contract, grant, loan, or cooperative agreement. An officer or employee who is employed by such person for less than 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person shall be considered to be regularly employed as

(a) Each person shall file a certification, and a disclosure form, if required, with each submission that initiates agency consideration of such person for:

(1) Award of a Federal contract, grant, or cooperative agreement exceeding \$100,000; or

(2) An award of a Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding \$150,000.

(b) Each person shall file a certification, and a disclosure form, if required, upon receipt by such person of:

(1) A Federal contract, grant, or cooperative agreement exceeding \$100,000; or

(2) A Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding \$150,000,

Unless such person previously filed a certification, and a disclosure form, if required, under paragraph (a) of this section.

(c) Each person shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by such person under paragraphs (a) or (b) of this section. An event that materially affects the accuracy of the information reported includes:

(1) A cumulative increase of \$25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; or

(3) A contract or subcontract exceeding \$100,000 at any tier under a Federal loan exceeding \$150,000; or,

(4) A contract or subcontract exceeding \$100,000 at any tier under a Federal cooperative agreement,

Shall file a certification, and a disclosure form, if required, to the next tier above.

(e) All disclosure forms, but not certifications, shall be forwarded from tier to tier until received by the person referred to in paragraphs (a) or (b) of this section. That person shall forward all disclosure forms to the agency.

(f) Any certification or disclosure form filed under paragraph (e) of this section shall be treated as a material representation of fact upon which all receiving tiers shall rely. All liability arising from an erroneous representation shall be borne solely by the tier filing that representation and shall not be shared by any tier to which the erroneous representation is forwarded. Submitting an erroneous certification or disclosure constitutes a failure to file the required certification or disclosure, respectively. If a person fails to file a required certification or disclosure, the United States may pursue all available remedies, including those authorized by section 1352, title 31, U.S.C.

(g) For awards and commitments in process prior to December 23, 1989, but not made before that date, certifications shall be required at award or commitment, covering activities occurring between December 23, 1989, and the date of award or commitment. However, for awards and commitments in process prior to the December 23, 1989 effective date of these provisions, but not made before December 23, 1989, disclosure forms shall not be required at time of award or commitment but shall be filed within 30 days.

(h) No reporting is required for an activity paid for with appropriated funds

if that activity is allowable under either subpart B or C.

Subpart B—Activities by Own Employees

§ 93.200 Agency and legislative liaison.

(a) The prohibition on the use of appropriated funds, in § 93.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.

(b) For purposes of paragraph (a) of this section, providing any information specifically requested by an agency or Congress is allowable at any time.

(c) For purposes of paragraph (a) of this section, the following agency and legislative liaison activities are allowable at any time only where they are not related to a specific solicitation for any covered Federal action:

(1) Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and,

(2) Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

(d) For purposes of paragraph (a) of this section, the following agencies and legislative liaison activities are allowable only where they are prior to formal solicitation of any covered Federal action:

(1) Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

(2) Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,

(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Public Law 95-507 and other subsequent amendments.

(e) Only those activities expressly authorized by this section are allowable under this section.

§ 93.205 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in § 93.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or an extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) For purposes of paragraph (a) of this section, *professional and technical services* shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client's proposal, but generally advocate one proposal over another are not allowable under this section because the

§93.210

lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by this section are allowable under this section.

§93.210 Reporting.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

Subpart C—Activities by Other Than Own Employees

§93.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §93.100 (a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) The reporting requirements in §93.110 (a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to professional or technical services rendered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.

29 CFR Subtitle A (7–1–21 Edition)

(c) For purposes of paragraph (a) of this section, *professional and technical services* shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting or a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client's proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(d) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(e) Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(f) Only those services expressly authorized by this section are allowable under this section.

Subpart D—Penalties and Enforcement

§ 93.400 Penalties.

(a) Any person who makes an expenditure prohibited herein shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such expenditure.

(b) Any person who fails to file or amend the disclosure form (see appendix B) to be filed or amended if required herein, shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

(c) A filing or amended filing on or after the date on which an administrative action for the imposition of a civil penalty is commenced does not prevent the imposition of such civil penalty for a failure occurring before that date. An administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.

(d) In determining whether to impose a civil penalty, and the amount of any such penalty, by reason of a violation by any person, the agency shall consider the nature, circumstances, extent, and gravity of the violation, the effect on the ability of such person to continue in business, any prior violations by such person, the degree of culpability of such person, the ability of the person to pay the penalty, and such other matters as may be appropriate.

(e) First offenders under paragraphs (a) or (b) of this section shall be subject to a civil penalty of \$10,000, absent aggravating circumstances. Second and subsequent offenses by persons shall be subject to an appropriate civil penalty between \$10,000 and \$100,000, as determined by the agency head or his or her designee.

(f) An imposition of a civil penalty under this section does not prevent the United States from seeking any other remedy that may apply to the same conduct that is the basis for the imposition of such civil penalty.

§ 93.405 Penalty procedures.

Agencies shall impose and collect civil penalties pursuant to the provisions of the Program Fraud and Civil

Remedies Act, 31 U.S.C. 3803 (except subsection (c)), 3804, 3805, 3806, 3807, 3808, and 3812, insofar as these provisions are not inconsistent with the requirements herein.

§ 93.410 Enforcement.

The head of each agency shall take such actions as are necessary to ensure that the provisions herein are vigorously implemented and enforced in that agency.

Subpart E—Exemptions

§ 93.500 Secretary of Defense.

(a) The Secretary of Defense may exempt, on a case-by-case basis, a covered Federal action from the prohibition whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of each such written exemption to Congress immediately after making such a determination.

(b) The Department of Defense may issue supplemental regulations to implement paragraph (a) of this section.

Subpart F—Agency Reports

§ 93.600 Semi-annual compilation.

(a) The head of each agency shall collect and compile the disclosure reports (see appendix B) and, on May 31 and November 30 of each year, submit to the Secretary of the Senate and the Clerk of the House of Representatives a report containing a compilation of the information contained in the disclosure reports received during the six-month period ending on March 31 or September 30, respectively, of that year.

(b) The report, including the compilation, shall be available for public inspection 30 days after receipt of the report by the Secretary and the Clerk.

(c) Information that involves intelligence matters shall be reported only to the Select Committee on Intelligence of the Senate, the Permanent Select Committee on Intelligence of the House of Representatives, and the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures

§ 93.605

29 CFR Subtitle A (7-1-21 Edition)

agreed to by such committees. Such information shall not be available for public inspection.

(d) Information that is classified under Executive Order 12356 or any successor order shall be reported only to the Committee on Foreign Relations of the Senate and the Committee on Foreign Affairs of the House of Representatives or the Committees on Armed Services of the Senate and the House of Representatives (whichever such committees have jurisdiction of matters involving such information) and to the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(e) The first semi-annual compilation shall be submitted on May 31, 1990, and shall contain a compilation of the disclosure reports received from December 23, 1989 to March 31, 1990.

(f) Major agencies, designated by the Office of Management and Budget (OMB), are required to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives no later than with the compilations due on May 31, 1991. OMB shall provide detailed specifications in a memorandum to these agencies.

(g) Non-major agencies are requested to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives.

(h) Agencies shall keep the originals of all disclosure reports in the official files of the agency.

§ 93.605 Inspector General Report.

(a) The Inspector General, or other official as specified in paragraph (b) of this section, of each agency shall prepare and submit to Congress each year, commencing with submission of the President's Budget in 1991, an evaluation of the compliance of that agency with, and the effectiveness of, the requirements herein. The evaluation may include any recommended changes that may be necessary to strengthen or improve the requirements.

(b) In the case of an agency that does not have an Inspector General, the

agency official comparable to an Inspector General shall prepare and submit the annual report, or, if there is no such comparable official, the head of the agency shall prepare and submit the annual report.

(c) The annual report shall be submitted at the same time the agency submits its annual budget justifications to Congress.

(d) The annual report shall include the following: All alleged violations relating to the agency's covered Federal actions during the year covered by the report, the actions taken by the head of the agency in the year covered by the report with respect to those alleged violations and alleged violations in previous years, and the amounts of civil penalties imposed by the agency in the year covered by the report.

Subpart C—Requirements for Recipients Who Are Individuals

- 94.300 What must I do to comply with this part if I am an individual recipient?

Subpart A—Purpose and Coverage

§ 94.100 What does this part do?

This part carries out the portion of the Drug-Free Workplace Act of 1988 (41 U.S.C. 701 *et seq.*, as amended) that applies to grants. It also applies the provisions of the Act to cooperative agreements and other financial assistance awards, as a matter of Federal Government policy.

Subpart D—Responsibilities of Department of Labor Awarding Officials

- 94.400 What are my responsibilities as a Department of Labor awarding official?

§ 94.105 Does this part apply to me?

- (a) Portions of this part apply to you if you are either—
 - (1) A recipient of an assistance award from the Department of Labor; or
 - (2) A(n) Department of Labor awarding official. (See definitions of award and recipient in §§ 94.605 and 94.660, respectively.)
- (b) The following table shows the subparts that apply to you:

If you are . . .	see subparts . . .
(1) A recipient who is not an individual	A, B and E.
(2) A recipient who is an individual	A, C and E.
(3) A(n) Department of Labor awarding official	A, D and E.

§ 94.110

29 CFR Subtitle A (7-1-21 Edition)

§ 94.110 Are any of my Federal assistance awards exempt from this part?

This part does not apply to any award that the Secretary of Labor or designee determines that the application of this part would be inconsistent with the international obligations of the United States or the laws or regulations of a foreign government.

§ 94.115 Does this part affect the Federal contracts that I receive?

It will affect future contract awards indirectly if you are debarred or suspended for a violation of the requirements of this part, as described in § 94.510(c). However, this part does not apply directly to procurement contracts. The portion of the Drug-Free Workplace Act of 1988 that applies to Federal procurement contracts is carried out through the Federal Acquisition Regulation in chapter 1 of Title 48 of the Code of Federal Regulations (the drug-free workplace coverage currently is in 48 CFR part 23, subpart 23.5).

Subpart B—Requirements for Recipients Other Than Individuals

§ 94.200 What must I do to comply with this part?

There are two general requirements if you are a recipient other than an individual.

(a) First, you must make a good faith effort, on a continuing basis, to maintain a drug-free workplace. You must agree to do so as a condition for receiving any award covered by this part. The specific measures that you must take in this regard are described in more detail in subsequent sections of this subpart. Briefly, those measures are to—

(1) Publish a drug-free workplace statement and establish a drug-free awareness program for your employees (see §§ 94.205 through 94.220); and

(2) Take actions concerning employees who are convicted of violating drug statutes in the workplace (see § 94.225).

(b) Second, you must identify all known workplaces under your Federal awards (see § 94.230).

§ 94.205 What must I include in my drug-free workplace statement?

You must publish a statement that—

(a) Tells your employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in your workplace;

(b) Specifies the actions that you will take against employees for violating that prohibition; and

(c) Lets each employee know that, as a condition of employment under any award, he or she:

(1) Will abide by the terms of the statement; and

(2) Must notify you in writing if he or she is convicted for a violation of a criminal drug statute occurring in the workplace and must do so no more than five calendar days after the conviction.

§ 94.210 To whom must I distribute my drug-free workplace statement?

You must require that a copy of the statement described in § 94.205 be given to each employee who will be engaged in the performance of any Federal award.

§ 94.215 What must I include in my drug-free awareness program?

You must establish an ongoing drug-free awareness program to inform employees about—

(a) The dangers of drug abuse in the workplace;

(b) Your policy of maintaining a drug-free workplace;

(c) Any available drug counseling, rehabilitation, and employee assistance programs; and

(d) The penalties that you may impose upon them for drug abuse violations occurring in the workplace.

§ 94.220 By when must I publish my drug-free workplace statement and establish my drug-free awareness program?

If you are a new recipient that does not already have a policy statement as described in § 94.205 and an ongoing awareness program as described in § 94.215, you must publish the statement and establish the program by the time given in the following table:

If . . .	then you . . .
(a) The performance period of the award is less than 30 days	must have the policy statement and program in place as soon as possible, but before the date on which performance is expected to be completed.
(b) The performance period of the award is 30 days or more ...	must have the policy statement and program in place within 30 days after award.
(c) You believe there are extraordinary circumstances that will require more than 30 days for you to publish the policy statement and establish the awareness program.	may ask the Department of Labor awarding official to give you more time to do so. The amount of additional time, if any, to be given is at the discretion of the awarding official.

§ 94.225 What actions must I take concerning employees who are convicted of drug violations in the workplace?

There are two actions you must take if an employee is convicted of a drug violation in the workplace:

(a) First, you must notify Federal agencies if an employee who is engaged in the performance of an award informs you about a conviction, as required by § 94.205(c)(2), or you otherwise learn of the conviction. Your notification to the Federal agencies must—

- (1) Be in writing;
- (2) Include the employee’s position title;
- (3) Include the identification number(s) of each affected award;
- (4) Be sent within ten calendar days after you learn of the conviction; and
- (5) Be sent to every Federal agency on whose award the convicted employee was working. It must be sent to every awarding official or his or her official designee, unless the Federal agency has specified a central point for the receipt of the notices.

(b) Second, within 30 calendar days of learning about an employee’s conviction, you must either—

- (1) Take appropriate personnel action against the employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended; or
- (2) Require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for these purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

§ 94.230 How and when must I identify workplaces?

(a) You must identify all known workplaces under each Department of Labor award. A failure to do so is a violation of your drug-free workplace re-

quirements. You may identify the workplaces—

(1) To the Department of Labor official that is making the award, either at the time of application or upon award; or

(2) In documents that you keep on file in your offices during the performance of the award, in which case you must make the information available for inspection upon request by Department of Labor officials or their designated representatives.

(b) Your workplace identification for an award must include the actual address of buildings (or parts of buildings) or other sites where work under the award takes place. Categorical descriptions may be used (*e.g.*, all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

(c) If you identified workplaces to the Department of Labor awarding official at the time of application or award, as described in paragraph (a)(1) of this section, and any workplace that you identified changes during the performance of the award, you must inform the Department of Labor awarding official.

Subpart C—Requirements for Recipients Who Are Individuals

§ 94.300 What must I do to comply with this part if I am an individual recipient?

As a condition of receiving a(n) Department of Labor award, if you are an individual recipient, you must agree that—

- (a) You will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity related to the award; and

§ 94.301

(b) If you are convicted of a criminal drug offense resulting from a violation occurring during the conduct of any award activity, you will report the conviction:

(1) In writing.
(2) Within 10 calendar days of the conviction.

(3) To the Department of Labor awarding official or other designee for each award that you currently have, unless § 94.301 or the award document designates a central point for the receipt of the notices. When notice is made to a central point, it must include the identification number(s) of each affected award.

§ 94.301 [Reserved]

Subpart D—Responsibilities of Department of Labor Awarding Officials

§ 94.400 What are my responsibilities as a(n) Department of Labor awarding official?

As a(n) Department of Labor awarding official, you must obtain each recipient's agreement, as a condition of the award, to comply with the requirements in—

- (a) Subpart B of this part, if the recipient is not an individual; or
- (b) Subpart C of this part, if the recipient is an individual.

Subpart E—Violations of this Part and Consequences

§ 94.500 How are violations of this part determined for recipients other than individuals?

A recipient other than an individual is in violation of the requirements of this part if the Secretary of Labor or designee determines, in writing, that—

- (a) The recipient has violated the requirements of subpart B of this part; or
- (b) The number of convictions of the recipient's employees for violating criminal drug statutes in the workplace is large enough to indicate that the recipient has failed to make a good faith effort to provide a drug-free workplace.

29 CFR Subtitle A (7–1–21 Edition)

§ 94.505 How are violations of this part determined for recipients who are individuals?

An individual recipient is in violation of the requirements of this part if the Secretary of Labor or designee determines, in writing, that—

- (a) The recipient has violated the requirements of subpart C of this part; or
- (b) The recipient is convicted of a criminal drug offense resulting from a violation occurring during the conduct of any award activity.

§ 94.510 What actions will the Federal Government take against a recipient determined to have violated this part?

If a recipient is determined to have violated this part, as described in § 94.500 or § 94.505, the Department of Labor may take one or more of the following actions—

- (a) Suspension of payments under the award;
- (b) Suspension or termination of the award; and
- (c) Suspension or debarment of the recipient under 29 CFR part 98, for a period not to exceed five years.

§ 94.515 Are there any exceptions to those actions?

The Secretary of Labor or designee may waive with respect to a particular award, in writing, a suspension of payments under an award, suspension or termination of an award, or suspension or debarment of a recipient if the Secretary of Labor or designee determines that such a waiver would be in the public interest. This exception authority cannot be delegated to any other official.

A recipient so prohibited is debarred, in accordance with the Federal Acquisition Regulation for procurement contracts (48 CFR part 9, subpart 9.4) and the common rule, Government-wide Debarment and Suspension (Nonprocurement), that implements Executive Order 12549 and Executive Order 12689.

§ 94.635 Drug-free workplace.

- (b) This definition does not include workers not on the payroll of the recipient (*e.g.*, volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the payroll; or employees of subrecipients or subcontractors in covered workplaces).

the executive branch (including the Executive Office of the President), or any independent regulatory agency.

§ 94.650 Grant.

A recipient so prohibited is suspended, in accordance with the Federal Acquisition Regulation for procurement contracts (48 CFR part 9, subpart 9.4) and the common rule, Government-wide Debarment and Suspension (Non-procurement), that implements Executive Order 12549 and Executive Order

29 CFR Subtitle A (7-1-21 Edition)

Subpart A—General

§ 95.1 Purpose.

This part establishes uniform administrative requirements for Federal grants and agreements awarded to institutions of higher education, hospitals, other non-profit organizations, commercial organizations, foreign governments, organizations under the jurisdiction of foreign governments, and international organizations. DOL shall not impose additional or inconsistent requirements, except as provided in §§ 95.4 and 95.14 or unless specifically required by Federal statute or executive order. Non-profit and commercial organizations that implement Federal programs for the States are also subject to State requirements.

§ 95.2 Definitions.

(a) *Accrued expenditures* means the charges incurred by the recipient during a given period requiring the provision of funds for:

(1) Goods and other tangible property received;

(2) Services performed by employees, contractors, subrecipients, and other payees; and,

(b) *Accrued income* means the sum of:

(c) *Acquisition cost of equipment* means the net invoice price of the equipment, including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property usable for the purpose for which it was acquired. (d) *Advance* means a payment made by Treasury check or other appropriate payment mechanism to a recipient upon its request either before outlays are made by the recipient or through the use of predetermined payment schedules.

(e) *Award* means financial assistance that provides support or stimulation to accomplish a public purpose. Awards include grants and other agreements in the form of money or property in lieu of money, by DOL to an eligible recipient. The term does not include: technical assistance, which provides services instead of money; other assistance in the form of loans, loan guarantees, interest subsidies, or insurance; direct payments of any kind to individuals; and, contracts which are required to be entered into and administered under procurement laws and regulations.

§ 95.2

(f) *Cash contributions* means the recipient's cash outlay, including the outlay of money contributed to the recipient by third parties.

(h) *Commercial organization* means any business entity organized primarily for profit (even if its ownership is in the hands of a nonprofit entity) with a place of business located in or outside the United States. The term includes, but is not limited to, an individual, partnership, corporation, joint venture, association, or cooperative.

(i) *Contract* means a procurement contract under an award or subaward, and a procurement subcontract under a recipient's or subrecipient's contract.

(j) *Cost sharing or matching* means that portion of project or program costs not borne by DOL.

(m) *DOL* means the U.S. Department of Labor, including its agencies and organizational units.

(n) *Equipment* means tangible non-expendable personal property including exempt property charged directly to the award having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. for goods and services, the amount of indirect expense charged, the value of third party in-kind contributions applied and the amount of cash advances and payments made to subrecipients. For reports prepared on an accrual basis, outlays are the sum of cash disbursements for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the net increase (or decrease) in the amounts owed by the recipient for goods and other property received, for services performed by employees, contractors, subrecipients and other payees and other amounts becoming owed under programs for which no current services or performance are required.

Real property includes, but is not limited to, real property acquired before publication of these regulations and real property transferred from prior years.

The term includes public and private institutions of higher education, public and private hospitals, and other quasi-public and private non-profit organizations such as, but not limited to, community action agencies, research institutes, educational associations, and health centers. The term also includes commercial organizations, foreign or international organizations (such as agencies of the United Nations) which are recipients, subrecipients, or contractors or subcontractors of recipients or subrecipients. (hh) *Research and development* means all research activities, both basic and applied, and all development activities that are supported at universities, colleges, and other non-profit institutions. "Research" is defined as a systematic study directed toward fuller scientific knowledge or understanding of the subject studied. "Development" is the systematic use of knowledge and understanding gained from research directed toward the production of useful materials, devices, systems, or methods, including design and development of prototypes and processes. (jj) *Subaward* means an award of financial assistance in the form of money, or property in lieu of money, made under an award by a recipient to an eligible subrecipient or by a subrecipient to a lower tier subrecipient. The term includes financial assistance when provided by any legal agreement, even if the agreement is called a contract, but does not include procurement of goods and services nor does it include any form of assistance which is excluded from the definition of "award" in paragraph (e) of this section.

(kk) *Subrecipient* means the legal entity to which a subaward is made and which is accountable to the recipient for the use of the funds provided. The term includes foreign organizations and international organizations (such as agencies of the United Nations).

(ll) *Supplies* means all personal property excluding equipment, intangible property, and debt instruments as defined in this section, and inventions of a contractor conceived or first actually reduced to practice in the performance of work under a funding agreement ("subject inventions"), as defined in 37 CFR part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts, and Cooperative Agreements."

(mm) *Suspension* means an action by DOL that temporarily withdraws Federal sponsorship under an award, pending corrective action by the recipient or pending a decision to terminate the award by the Federal awarding agency. Suspension of an award is a separate action from suspension under DOL's regulations at 2 CFR part 2998, implementing E.O.'s 12549 and 12689, "Debarment and Suspension." See 29 CFR part 98.

(nn) *Termination* means the cancellation of Federal sponsorship, in whole or

in part, under an agreement at any time prior to the date of completion.

(oo) *Third party in-kind contributions* means the value of non-cash contributions provided by non-Federal third parties. Third party in-kind contributions may be in the form of real property, equipment, supplies and other expendable property, and the value of goods and services directly benefiting and specifically identifiable to the project or program.

(pp) *Unliquidated obligations*, for financial reports prepared on a cash basis, means the amount of obligations incurred by the recipient that have not been paid. For reports prepared on an accrued expenditure basis, they represent the amount of obligations incurred by the recipient for which an outlay has not been recorded.

(qq) *Unobligated balance* means the portion of the funds authorized by DOL that has not been obligated by the recipient and is determined by deducting the cumulative obligations from the cumulative funds authorized.

(rr) *Unrecovered indirect cost* means the difference between the amount awarded and the amount which could have been awarded under the recipient's approved negotiated indirect cost rate.

(ss) *Working capital advance* means a procedure whereby funds are advanced to the recipient to cover its estimated disbursement needs for a given initial period.

§ 95.3 Effect on other issuances.

For awards subject to this part, all administrative requirements of codified program regulations, program manuals, handbooks and other non-regulatory materials which are inconsistent with the requirements of this part shall be superseded, except to the extent they are required by statute, or authorized in accordance with the deviations provision in § 95.4.

§ 95.4 Deviations.

The Office of Management and Budget (OMB) may grant exceptions for classes of grants or recipients subject to the requirements of this part when

exceptions are not prohibited by statute. However, in the interest of maximum grant-wide uniformity, exceptions from the requirements of this part shall be permitted only in unusual circumstances. DOL may apply more restrictive requirements to a class of recipients when approved by OMB. DOL may apply less restrictive requirements when awarding small awards, except for those requirements which are statutory. Exceptions on a case-by-case basis may also be made by DOL.

§ 95.5 Subawards.

Unless sections of this part specifically exclude subrecipients from coverage, the provisions of this part shall be applied to subrecipients performing work under awards if such subrecipients are institutions of higher education, hospitals, other non-profit organizations, commercial organizations, foreign governments, organizations under the jurisdiction of foreign governments, and international organizations. State and local government subrecipients are subject to the provisions of regulations implementing the grants management common rule, "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments," and codified by DOL at 29 CFR part 97 or its successor.

Subpart B—Pre-Award Requirements

§ 95.10 Purpose.

Sections 95.11 through 95.17 prescribe forms and instructions and other pre-award matters to be used in applying for Federal awards.

§ 95.11 Pre-award policies.

Public Notice and Priority Setting. Federal awarding agencies shall notify the public of its intended funding priorities for discretionary grant programs, unless funding priorities are established by Federal statute.

§ 95.12 Forms for applying for Federal assistance.

(a) Applicants shall use the SF-424 series or those forms and instructions prescribed by DOL.

(b) The applicant shall complete the appropriate sections of the SF-424 (Application for Federal Assistance) indicating whether the application was subject to review by the State Single Point of Contact (SPOC). The name and address of the SPOC for a particular State can be obtained from DOL or the *Catalog of Federal Domestic Assistance*. The SPOC shall advise the applicant whether the program for which application is made has been selected by that State for review.

§ 95.13 Debarment and suspension.

Recipients shall comply with the nonprocurement debarment and suspension common rule implementing E.O.'s 12549 and 12689, "Debarment and Suspension" codified by DOL at 2 CFR part 2998. This common rule restricts subawards and contracts with certain parties that are debarred, suspended or otherwise excluded from or ineligible for participation in Federal assistance programs or activities.

[59 FR 38271, July 27, 1994, as amended at 81 FR 25587, Apr. 29, 2016]

§ 95.14 Special award conditions.

If an applicant or recipient:

- (a) Has a history of poor performance,
- (b) Is not financially stable,
- (c) Has a management system that does not meet the standards prescribed in this part,
- (d) Has not conformed to the terms and conditions of a previous award, or
- (e) Is not otherwise responsible,

DOL may impose additional requirements as needed, provided that such applicant or recipient is notified in writing as to: The nature of the additional requirements, the reason why the additional requirements are being imposed, the nature of the corrective action needed, the time allowed for completing the corrective actions, and the method for requesting reconsideration of the additional requirements imposed. Any special conditions shall be promptly removed once the conditions that prompted them have been corrected.

§ 95.15

§ 95.15 Metric system of measurement.

The Metric Conversion Act, as amended by the Omnibus Trade and Competitiveness Act (15 U.S.C. 205), declares that the metric system is the preferred measurement system for U.S. trade and commerce. The Act requires each Federal agency to establish a date or dates in consultation with the Secretary of Commerce, when the metric system of measurement will be used in the agency's procurements, grants, and other business-related activities. Metric implementation may take longer where the use of the system is initially impractical or likely to cause significant inefficiencies in the accomplishment of federally-funded activities. DOL shall follow the provisions of E.O. 12770, "Metric Usage in Federal Government Programs."

§ 95.16 Resource Conservation and Recovery Act.

Under the Resource Conservation and Recovery Act (RCRA) (Pub. L. 94-580 codified at 42 U.S.C. 6962), any State agency or agency of a political subdivision of a State which is using appropriated Federal funds must comply with Section 6002. Section 6002 requires that preference be given in procurement programs to the purchase of specific products containing recycled materials identified in guidelines developed by the Environmental Protection Agency (EPA) (40 CFR parts 247-254). Accordingly, State and local institutions of higher education, hospitals, and non-profit organizations that receive direct Federal awards or other Federal funds shall give preference in their procurement programs funded with Federal funds to the purchase of recycled products pursuant to the EPA guidelines.

§ 95.17 Certifications and representations.

Unless prohibited by statute or codified regulation, DOL requires recipients to submit certifications and representations required by statute, executive order, or regulation on an annual basis only, if the recipients have ongoing and continuing relationships with the agency. Annual certifications and representations shall be signed by responsible officials with the authority

29 CFR Subtitle A (7-1-21 Edition)

to ensure recipients' compliance with the pertinent requirements.

Subpart C—Post-Award Requirements

FINANCIAL AND PROGRAM MANAGEMENT

§ 95.20 Purpose of financial and program management.

Sections 95.21 through 95.28 prescribe standards for financial management systems, methods for making payments and rules for: Satisfying cost sharing and matching requirements, accounting for program income, budget revision approvals, making audits, determining allowability of cost, and establishing fund availability.

§ 95.21 Standards for financial management systems.

(a) Recipients shall relate financial data to performance data and develop unit cost information whenever practical.

(b) Recipients' financial management systems shall provide for the following:

(1) Accurate, current and complete disclosure of the financial results of each federally-sponsored project or program in accordance with the reporting requirements set forth in § 95.52. Though DOL requires reporting on an accrual basis from a recipient that maintains its records on other than an accrual basis, the recipient shall not be required to establish an accrual accounting system. These recipients may develop such accrual data for its reports on the basis of an analysis of the documentation on hand.

(2) Records that identify adequately the source and application of funds for federally-sponsored activities. These records shall contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, outlays, income and interest.

(3) Effective control over and accountability for all funds, property and other assets. Recipients shall adequately safeguard all such assets and assure they are used solely for authorized purposes.

(4) Comparison of outlays with budget amounts for each award. Whenever appropriate, financial information

should be related to performance and unit cost data.

(5) Written procedures to minimize the time elapsing between the transfer of funds to the recipient from the U.S. Treasury and the issuance or redemption of checks, warrants or payments by other means for program purposes by the recipient. To the extent that the provisions of the Cash Management Improvement Act (CMIA) (Pub. L. 101-453) govern, payment methods of State agencies, instrumentalities, and fiscal agents shall be consistent with CMIA Treasury-State Agreements or the CMIA default procedures codified at 31 CFR part 205, "Withdrawal of Cash from the Treasury for Advances under Federal Grant and Other Programs."

(6) Written procedures for determining the reasonableness, allocability and allowability of costs in accordance with the provisions of the applicable Federal cost principles and the terms and conditions of the award.

(7) Accounting records including cost accounting records that are supported by source documentation.

(c) Where the Federal Government guarantees or insures the repayment of money borrowed by the recipient, DOL, at its discretion, may require adequate bonding and insurance if the bonding and insurance requirements of the recipient are not deemed adequate to protect the interest of the Federal Government.

(d) DOL may require adequate fidelity bond coverage where the recipient lacks sufficient coverage to protect the Federal Government's interest.

(e) Where bonds are required in the situations described above, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties, as prescribed in 31 CFR part 223, "Surety Companies Doing Business with the United States."

§ 95.22 Payment.

(a) Payment methods shall minimize the time elapsing between the transfer of funds from the United States Treasury and the issuance or redemption of checks, warrants, or payment by other means by the recipients. Payment methods of State agencies or instrumentalities shall be consistent with Treasury-State CMIA agreements or

default procedures codified at 31 CFR part 205.

(b) Recipients are to be paid in advance, provided they maintain or demonstrate the willingness to maintain:

(1) Written procedures that minimize the time elapsing between the transfer of funds and disbursement by the recipient, and

(2) Financial management systems that meet the standards for fund control and accountability as established in § 95.21.

Cash advances to a recipient organization shall be limited to the minimum amounts needed and be timed to be in accordance with the actual, immediate cash requirements of the recipient organization in carrying out the purpose of the approved program or project. The timing and amount of cash advances shall be as close as is administratively feasible to the actual disbursements by the recipient organization for direct program or project costs and the proportionate share of any allowable indirect costs.

(c) Whenever possible, advances shall be consolidated to cover anticipated cash needs for all awards made by DOL to the recipient.

(1) Advance payment mechanisms include, but are not limited to, Treasury check and electronic funds transfer.

(2) Advance payment mechanisms are subject to 31 CFR part 205.

(3) Recipients are authorized to submit requests for advances monthly when electronic fund transfers are not used.

(d) Requests for Treasury check advance payment shall be submitted on SF-270, "Request for Advance or Reimbursement," or other forms as may be authorized by OMB. This form is not to be used when Treasury check advance payments are made to the recipient automatically through the use of a predetermined payment schedule or if precluded by special DOL instructions for electronic funds transfer.

(e) Reimbursement is the preferred method when the requirements in paragraph (b) of this section cannot be met. DOL may also use this method on any construction agreement, or if the major portion of the construction project is accomplished through private market financing or Federal

§ 95.22

29 CFR Subtitle A (7-1-21 Edition)

loans, and the Federal assistance constitutes a minor portion of the project.

(1) When the reimbursement method is used, DOL shall make payment within 30 days after receipt of the billing, unless the billing is improper.

(2) Recipients are authorized to submit requests for reimbursement monthly when electronic funds transfers are not used.

(f) If a recipient cannot meet the criteria for advance payments and DOL has determined that reimbursement is not feasible because the recipient lacks sufficient working capital, DOL may provide cash on a working capital advance basis. Under this procedure, DOL shall advance cash to the recipient to cover its estimated disbursement needs for an initial period generally geared to the awardee's disbursing cycle. Thereafter, DOL shall reimburse the recipient for its actual cash disbursements. The working capital advance method of payment shall not be used for recipients unwilling or unable to provide timely advances to their subrecipient to meet the subrecipient's actual cash disbursements.

(g) To the extent available, recipients shall disburse funds available from repayments to and interest earned on a revolving fund, program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting additional cash payments.

(h) Unless otherwise required by statute, DOL shall not withhold payments for proper charges made by recipients at any time during the project period unless paragraphs (h)(1) or (h)(2) of this section apply.

(1) A recipient has failed to comply with the project objectives, the terms and conditions of the award, or Federal reporting requirements.

(2) The recipient or subrecipient is delinquent in a debt to the United States as defined in OMB Circular A-129, "Managing Federal Credit Programs." Under such conditions, DOL may, upon reasonable notice, inform the recipient that payments shall not be made for obligations incurred after a specified date until the conditions are corrected or the indebtedness to the Federal Government is liquidated.

(i) Standards governing the use of banks and other institutions as depositories of funds advanced under awards are as follows:

(1) Except for situations described in paragraph (i)(2) of this section, DOL shall not require separate depository accounts for funds provided to a recipient or establish any eligibility requirements for depositories for funds provided to a recipient. However, recipients must be able to account for the receipt, obligation and expenditure of funds.

(2) Advances of Federal funds shall be deposited and maintained in insured accounts whenever possible.

(j) Consistent with the national goal of expanding the opportunities for women-owned and minority-owned business enterprises, recipients shall be encouraged to use women-owned and minority-owned banks (a bank which is owned at least 50 percent by women or minority group members).

(k) Recipients shall maintain advances of Federal funds in interest bearing accounts, unless paragraph (k)(1), (k)(2), or (k)(3) of this section apply.

(1) The recipient receives less than \$120,000 in Federal awards per year.

(2) The best reasonably available interest bearing account would not be expected to earn interest in excess of \$250 per year on Federal cash balances.

(3) The depository would require an average or minimum balance so high that it would not be feasible within the expected Federal and non-Federal cash resources.

In keeping with Electronic Funds Transfer rules, (31 CFR Part 206), interest should be remitted to the HHS Payment Management System through an electronic medium such as the FEDWIRE Deposit system. Recipients who do not have this capability should use a check.

(1) For those entities where CMIA and its implementing regulations do not apply, interest earned on Federal advances deposited in interest bearing accounts shall be remitted annually to Department of Health and Human Services, Payment Management System, P.O. Box 6021, Rockville, MD 20852. Interest amounts up to \$250 per year may be retained by the recipient

for administrative expense. State universities and hospitals shall comply with CMIA, as it pertains to interest. If an entity subject to CMIA uses its own funds to pay pre-award costs for discretionary awards without prior written approval from DOL, it waives its right to recover the interest under CMIA.

(m) Except as noted elsewhere in this part, only the following forms shall be authorized for the recipients in requesting advances and reimbursements. DOL shall not require more than an original and two copies of these forms.

(1) SF-270, Request for Advance or Reimbursement. The SF-270 is the standard form for all nonconstruction programs when electronic funds transfer or predetermined advance methods are not used. DOL, however, has the option of using this form for construction programs in lieu of the SF-271, "Outlay Report and Request for Reimbursement for Construction Programs."

(2) SF-271, Outlay Report and Request for Reimbursement for Construction Programs. The SF-271 is the standard form to be used for requesting reimbursement for construction programs. However, DOL may *substitute* the SF-270 when DOL determines that it provides adequate information to meet Federal needs.

§ 95.23 Cost sharing or matching.

(a) All contributions, including cash and third party in-kind, shall be accepted as part of the recipient's cost sharing or matching when such contributions meet all of the following criteria:

(1) Are verifiable from the recipient's records.

(2) Are not included as contributions for any other Federally-assisted project or program.

(3) Are necessary and reasonable for proper and efficient accomplishment of project or program objectives.

(4) Are allowable under the applicable cost principles.

(5) Are not paid by the Federal Government under another award, except where authorized by Federal statute to be used for cost sharing or matching.

(6) Are provided for in the approved budget when required by DOL.

(7) Conform to other provisions of this part, as applicable.

(b) Unrecovered indirect costs may be included as part of cost sharing or matching only with prior written approval of the grant officer.

(c) Values for recipient contributions of services and property shall be established in accordance with the applicable cost principles. If DOL authorizes recipients to donate buildings or land for construction/facilities acquisition projects or long-term use, the value of the donated property for cost sharing or matching shall be the lesser of the value determined under paragraph (c)(1) or paragraph (c)(2) of this section.

(1) The certified value of the remaining life of the property recorded in the recipient's accounting records at the time of donation.

(2) The current fair market value. However, when there is sufficient justification, the grant officer may approve the use of the current fair market value of the donated property, even if it exceeds the certified value at the time of donation to the project.

(d) Volunteer services furnished by professional and technical personnel, consultants, and other skilled and unskilled labor may be counted as cost sharing or matching if the service is an integral and necessary part of an approved project or program. Rates for volunteer services shall be consistent with those paid for similar work in the recipient's organization. In those instances in which the required skills are not found in the recipient organization, rates shall be consistent with those paid for similar work in the labor market in which the recipient competes for the kind of services involved. In either case, paid fringe benefits that are reasonable, allowable, and allocable may be included in the valuation.

(e) When an employer other than the recipient furnishes the services of an employee, these services shall be valued at the employee's regular rate of pay (plus an amount of fringe benefits that are reasonable, allowable, and allocable, but exclusive of overhead costs), provided these services are in the same skill for which the employee is normally paid.

(f) Donated supplies may include such items as expendable equipment,

§ 95.24

office supplies, laboratory supplies or workshop and classroom supplies. Value assessed to donated supplies included in the cost sharing or matching share shall be reasonable and shall not exceed the fair market value of the property at the time of the donation.

(g) The method used for determining cost sharing or matching for donated equipment, buildings and land for which title passes to the recipient may differ according to the purpose of the award, if paragraph (g)(1) or (g)(2) of this section apply.

(1) If the purpose of the award is to assist the recipient in the acquisition of equipment, buildings or land, the total value of the donated property may be claimed as cost sharing or matching.

(2) If the purpose of the award is to support activities that require the use of equipment, buildings or land, normally only depreciation or use charges for equipment and buildings may be made. However, the full value of equipment or other capital assets and fair rental charges for land may be allowed, provided that the grant officer has approved the charges.

(h) The value of donated property shall be determined in accordance with the usual accounting policies of the recipient, with the following qualifications:

(1) The value of donated land and buildings shall not exceed its fair market value at the time of donation to the recipient as established by an independent appraiser (e.g., certified real property appraiser or General Services Administration representative) and certified by a responsible official of the recipient.

(2) The value of donated equipment shall not exceed the fair market value of equipment of the same age and condition at the time of donation.

(3) The value of donated space shall not exceed the fair rental value of comparable space as established by an independent appraisal of comparable space and facilities in a privately-owned building in the same locality.

(4) The value of loaned equipment shall not exceed its fair rental value.

(5) The following requirements pertain to the recipient's supporting

29 CFR Subtitle A (7-1-21 Edition)

records for in-kind contributions from third parties:

(i) Volunteer services shall be documented and, to the extent feasible, supported by the same methods used by the recipient for its own employees.

(ii) The basis for determining the valuation for personal service, material, equipment, buildings and land shall be documented.

§ 95.24 Program income.

(a) Except as provided in paragraph (e) of this section, program income earned during the project period shall be retained by the recipient and added to funds committed to the project by DOL and recipient, and used to further eligible project or program objectives.

(b) Recipients shall have no obligation to the Federal Government regarding program income earned after the end of the project period.

(c) Costs incident to the generation of program income may be deducted from gross income to determine program income, provided these costs have not been charged to the award.

(d) Proceeds from the sale of property are not program income and shall be handled in accordance with the requirements of the Property Standards (See §§ 95.30 through 95.37).

(e) Unless DOL's regulations or the terms and condition of the award provide otherwise, recipients shall have no obligation to the Federal Government with respect to program income earned from license fees and royalties for copyrighted material, patents, patent applications, trademarks, and inventions produced under an award. However, Patent and Trademark Amendments (35 U.S.C. 18) apply to inventions made under an experimental, developmental, or research award.

§ 95.25 Revision of budget and program plans.

(a) The budget plan is the financial expression of the project or program as approved during the award process. It may include either the Federal and non-Federal share, or only the Federal share, depending upon DOL's requirements. It shall be related to performance for program evaluation purposes whenever appropriate.

(b) Recipients are required to report deviations from budget and program plans, and request prior approvals for budget and program plan revisions, in accordance with this section.

(c) For nonconstruction awards, recipients shall request prior written approvals from the grant officer for one or more of the following program or budget changes:

(1) Change in the scope or the objective of the project or program (even if there is no associated budget revision requiring prior written approval).

(2) Change in a key person specified in the application or award document.

(3) The absence for more than three months, or a 25-percent reduction in time devoted to the project, by the approved project director or principal investigator.

(4) The need for additional Federal funding.

(5) The transfer of amounts budgeted for indirect costs to absorb increases in direct costs, or vice versa.

(6) The inclusion, unless waived by the grant officer, of costs that require prior approval in accordance with OMB Circular A-21 (codified at 2 CFR part 220), "Cost Principles for Institutions of Higher Education," OMB Circular A-122 (codified at 2 CFR part 230), "Cost Principles for Non-Profit Organizations," or 45 CFR part 74, Appendix E, "Principles for Determining Costs Applicable to Research and Development under Grants and Contracts with Hospitals," or 48 CFR part 31, "Contract Cost Principles and Procedures," as applicable.

(7) The transfer of funds allotted for training allowances (direct payment to trainees) to other categories of expense.

(8) Unless described in the application and funded in the approved awards, the subaward, transfer or contracting out of any work under an award. This provision does not apply to the purchase of supplies, material, equipment or general support services.

(d) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(e) Except for requirements listed in paragraphs (c)(1) and (c)(4) of this section, the grant officer may waive cost-

related and administrative prior written approvals required by this part and OMB Circulars A-21 and A-122. Such waivers may include authorizing recipients to do any one or more of the following:

(1) Incur pre-award costs 90 calendar days prior to award or more than 90 calendar days with the prior written approval of the grant officer. All pre-award costs are incurred at the recipient's risk (i.e., the grant officer is under no obligation to reimburse such costs if for any reason the recipient does not receive an award or if the award is less than anticipated and inadequate to cover such costs).

(2) Initiate a one-time extension of the expiration date of the award of up to 12 months unless one or more of the following conditions apply. For one-time extensions, the recipient must notify the grant officer in writing with the supporting reasons and revised expiration date at least 10 days before the expiration date specified in the award. This one-time extension may not be exercised merely for the purpose of using unobligated balances. The one-time extension may not be initiated if:

(i) The terms and conditions of award prohibit the extension.

(ii) The extension requires additional Federal funds.

(iii) The extension involves any change in the approved objectives or scope of the project.

(3) Carry forward unobligated balances to subsequent funding periods.

(4) For awards that support research, unless the grant officer provides otherwise in the award or in DOL's regulations, the prior written approval requirements described in paragraph (e) are automatically waived (i.e., recipients need not obtain such prior written approvals) unless one of the conditions included in paragraph (e)(2) applies.

(f) DOL may, at its option, restrict the transfer of funds among direct cost categories or programs, functions and activities for awards in which the Federal share of the project exceeds \$100,000 and the cumulative amount of such transfers exceeds or is expected to exceed 10 percent of the total budget as last approved by DOL. DOL shall not permit a transfer that would cause any Federal appropriation or part thereof

§ 95.26

to be used for purposes other than those consistent with the original intent of the appropriation.

(g) All other changes to nonconstruction budgets, except for the changes described in paragraph (j), do not require prior approval.

(h) For construction awards, recipients shall request prior written approval promptly from the grant officer for budget revisions whenever paragraphs (h)(1), (h)(2) or (h)(3) of this section apply.

(1) The revision results from changes in the scope or the objective of the project or program.

(2) The need arises for additional Federal funds to complete the project.

(3) A revision is desired which involves specific costs for which prior written approval requirements may be imposed consistent with applicable OMB cost principles listed in § 95.27.

(i) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(j) When DOL makes an award that provides support for both construction and nonconstruction work, DOL may require the recipient to request prior written approval before making any fund or budget transfers between the two types of work supported.

(k) For both construction and nonconstruction awards, recipients shall notify the grant officer in writing promptly whenever the amount of Federal authorized funds is expected to exceed the needs of the recipient for the project period by more than \$5,000 or five percent of the award, whichever is greater. This notification shall not be required if an application for additional funding is submitted for a continuation award.

(l) When requesting written approval for budget revisions, recipients shall use the budget forms that were used in the application.

(m) Within 30 calendar days from the date of receipt of the request for budget revisions, the grant officer shall review the request and notify the recipient whether the budget revisions have been approved. If the revision is still under consideration at the end of 30 calendar days, the grant officer shall inform the recipient in writing of the

29 CFR Subtitle A (7-1-21 Edition)

date when the recipient may expect the decision.

§ 95.26 Non-Federal audits.

(a) Recipients and subrecipients that are institutions of higher education or other non-profit organizations (including hospitals) shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

(b) State and local governments shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

(c) For-profit hospitals not covered by the audit provisions of revised OMB Circular A-133 shall be subject to the audit requirements of the Federal awarding agencies.

(d) Commercial organizations shall be subject to the audit requirements specified by the DOL awarding agency or the prime recipient as incorporated into the award document. See 29 CFR part 96.

§ 95.27 Allowable costs.

For each kind of recipient, there is a set of Federal principles for determining allowable costs. Allowability of costs shall be determined in accordance with the cost principles applicable to the entity incurring the costs. Thus, allowability of costs incurred by State, local or federally-recognized Indian tribal governments is determined in accordance with the provisions of OMB Circular A-87 (codified at 2 CFR part 225), "Cost Principles for State and Local Governments." The allowability of costs incurred by non-profit organizations is determined in accordance with the provisions of OMB Circular A-122 (codified at 2 CFR part 230), "Cost

Principles for Non-Profit Organizations.” The allowability of costs incurred by institutions of higher education is determined in accordance with the provisions of OMB Circular A-21 (codified at 2 CFR part 220), “Cost Principles for Educational Institutions.” The allowability of costs incurred by hospitals is determined in accordance with the provisions of Appendix E of 45 CFR part 74, “Principles for Determining Costs Applicable to Research and Development Under Grants and Contracts with Hospitals.” The allowability of costs incurred by commercial organizations and those non-profit organizations listed in Attachment C to Circular A-122 is determined in accordance with the provisions of the Federal Acquisition Regulation (FAR) at 48 CFR part 31.

§ 95.28 Period of availability of funds.

(a) Where a funding period is specified, a recipient may charge to the grant only allowable costs resulting from obligations incurred during the funding period and any pre-award costs authorized by DOL.

(b) Where an expenditure period is specified, a grantee may charge to the award only the accrued expenditures incurred during the expenditure period.

[72 FR 37104, July 9, 2007]

PROPERTY STANDARDS

§ 95.30 Purpose of property standards.

Sections 95.31 through 95.37 set forth uniform standards governing management and disposition of property furnished by the Federal Government whose cost was charged to a project supported by a Federal award. Recipients are required to observe these standards under awards and no additional requirements shall be imposed, unless specifically required by Federal statute. The recipient may use its own property management standards and procedures provided it observes the provisions of §§ 95.31 through 95.37.

§ 95.31 Insurance coverage.

Recipients shall, at a minimum, provide the equivalent insurance coverage

for real property and equipment acquired with Federal funds as provided to property owned by the recipient. Federally-owned property need not be insured unless required by the terms and conditions of the award.

§ 95.32 Real property.

DOL shall prescribe requirements for recipients concerning the use and disposition of real property acquired in whole or in part under awards. Unless otherwise provided by statute, such requirements, at a minimum, shall contain the following:

(a) Title to real property shall vest in the recipient subject to the condition that the recipient shall use the real property for the authorized purpose of the project as long as it is needed and shall not encumber the property without approval of DOL.

(b) The recipient shall obtain prior written approval from the grant officer for the use of real property in other federally-sponsored projects when the recipient determines that the property is no longer needed for the purpose of the original project. Use in other projects shall be limited to those under federally-sponsored projects (i.e., awards) or programs that have purposes consistent with those authorized for support by DOL.

(c) When the real property is no longer needed as provided in paragraphs (a) and (b) of this section, the recipient shall request disposition instructions from the grant officer. The grant officer shall issue one or more of the following disposition instructions:

(1) The recipient may be permitted to retain title without further obligation to the Federal Government after it compensates the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project.

(2) The recipient may be directed to sell the property under guidelines provided by DOL and pay DOL for that percentage of the current fair market value of the property attributable to the Federal participation in the project (after deducting actual and reasonable selling and fix-up expenses, if any, from the sales proceeds). When the recipient is authorized or required to sell the

§ 95.33

property, proper sales procedures shall be established that provide for competition to the extent practicable and result in the highest possible return.

(3) The recipient may be directed to transfer title to the property to the Federal Government or to an eligible third party provided that, in such cases, the recipient shall be entitled to compensation for its attributable percentage of the current fair market value of the property.

§ 95.33 Federally-owned and exempt property.

(a) *Federally-owned property.* (1) Title to federally-owned property remains vested in the Federal Government. Recipients shall submit annually an inventory listing of federally-owned property in their custody to DOL. Upon completion of the award or when the property is no longer needed, the recipient shall report the property to DOL for further Federal agency utilization.

(2) If DOL has no further need for the property, it shall be declared excess and reported to the General Services Administration, unless DOL has statutory authority to dispose of the property by alternative methods (e.g., the authority provided by the Federal Technology Transfer Act (15 U.S.C. 3710(i)) to donate research equipment to educational and non-profit organizations in accordance with E.O. 12821, "Improving Mathematics and Science Education in Support of the National Education Goals.") Appropriate instructions shall be issued to the recipient by DOL.

(b) *Exempt property.* When statutory authority exists, DOL has the option to vest title to property acquired with Federal funds in the recipient without further obligation to the Federal Government and under conditions DOL considers appropriate. Such property is "exempt property." Should DOL not establish conditions, title to exempt property upon acquisition shall vest in the recipient without further obligation to the Federal Government.

§ 95.34 Equipment.

(a) Title to equipment acquired by a recipient with Federal funds shall vest

29 CFR Subtitle A (7-1-21 Edition)

in the recipient, subject to conditions of this section.

(b) The recipient shall not use equipment acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute, for as long as the Federal Government retains an interest in the equipment.

(c) The recipient shall use the equipment in the project or program for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds and shall not encumber the property without approval of the grant officer. When no longer needed for the original project or program, the recipient shall use the equipment in connection with its other federally, sponsored activities, in the following order of priority:

(1) Activities sponsored by the DOL agency which funded the original project, then

(2) Activities sponsored by other Federal awarding agencies.

(d) During the time that equipment is used on the project or program for which it was acquired, the recipient shall make it available for use on other projects or programs if such other use will not interfere with the work on the project or program for which the equipment was originally acquired. First preference for such other use shall be given to other projects or programs sponsored by the DOL agency that financed the equipment; second preference shall be given to projects or programs sponsored by other Federal awarding agencies. If the equipment is owned by the Federal Government, use on other activities not sponsored by the Federal Government shall be permissible if authorized by the grant officer. User charges shall be treated as program income.

(e) When acquiring replacement equipment, the recipient may use the equipment to be replaced as trade-in or sell the equipment and use the proceeds to offset the costs of the replacement equipment subject to the written approval of the grant officer.

(f) The recipient's property management standards for equipment acquired

with Federal funds and federally-owned equipment shall include all of the following:

(1) Equipment records shall be maintained accurately and shall include the following information:

- (i) A description of the equipment.
- (ii) Manufacturer's serial number, model number, Federal stock number, national stock number, or other identification number.
- (iii) Source of the equipment, including the award number.
- (iv) Whether title vests in the recipient or the Federal Government.
- (v) Acquisition date (or date received, if the equipment was furnished by the Federal Government) and cost.
- (vi) Information from which one can calculate the percentage of Federal participation in the cost of the equipment (not applicable to equipment furnished by the Federal Government).
- (vii) Location and condition of the equipment and the date the information was reported.

(viii) Unit acquisition cost.

(ix) Ultimate disposition data, including date of disposal and sales price or the method used to determine current fair market value where a recipient compensates DOL for its share.

(2) Equipment owned by the Federal Government shall be identified to indicate Federal ownership.

(3) A physical inventory of equipment shall be taken and the results reconciled with the equipment records at least once every two years. Any differences between quantities determined by the physical inspection and those shown in the accounting records shall be investigated to determine the causes of the difference. The recipient shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.

(4) A control system shall be in effect to insure adequate safeguards to prevent loss, damage, or theft of the equipment. Any loss, damage, or theft of equipment shall be investigated and fully documented; if the equipment was owned by the Federal Government, the recipient shall promptly notify the grant officer.

(5) Adequate maintenance procedures shall be implemented to keep the equipment in good condition.

(6) Where the recipient is authorized or required to sell the equipment, proper sales procedures shall be established which provide for competition to the extent practicable and result in the highest possible return.

(g) When the recipient no longer needs the equipment, the equipment may be used for other activities in accordance with the following standards. For equipment with a current per unit fair market value of \$5,000 or more, the recipient may retain the equipment for other uses provided that compensation is made to the original DOL agency. The amount of compensation shall be computed by applying the percentage of Federal participation in the cost of the original project or program to the current fair market value of the equipment. If the recipient has no need for the equipment, the recipient shall request disposition instructions from DOL. The DOL agency shall determine whether the equipment can be used to meet the agency's requirements. If no requirement exists within the DOL agency, the availability of the equipment shall be reported to the General Services Administration by DOL to determine whether a requirement for the equipment exists in other Federal agencies. DOL shall issue instructions to the recipient no later than 120 calendar days after the recipient's request and the following procedures shall govern.

(1) If so instructed or if disposition instructions are not issued within 120 calendar days after the recipient's request, the recipient shall sell the equipment and reimburse DOL an amount computed by applying to the sales proceeds the percentage of Federal participation in the cost of the original project or program. However, the recipient shall be permitted to deduct and retain from the Federal share \$500 or ten percent of the proceeds, whichever is less, for the recipient's selling and handling expenses.

(2) If the recipient is instructed to ship the equipment elsewhere, the recipient shall be reimbursed by the Federal Government by an amount which

§ 95.35

is computed by applying the percentage of the recipient's participation in the cost of the original project or program to the current fair market value of the equipment, plus any reasonable shipping or interim storage costs incurred.

(3) If the recipient is instructed to otherwise dispose of the equipment, the recipient shall be reimbursed by the awarding agency for such costs incurred in its disposition.

(4) The DOL agency reserves the right to transfer the title to the Federal Government or to a third party named by the Federal Government when such third party is otherwise eligible under existing statutes. Such transfer shall be subject to the following standards:

(i) The equipment shall be appropriately identified in the award or otherwise made known to the recipient in writing.

(ii) The DOL agency shall issue disposition instructions within 120 calendar days after receipt of a final inventory. The final inventory shall list all equipment acquired with grant funds and federally-owned equipment. If DOL fails to issue disposition instructions within the 120 calendar day period, the recipient shall apply the standards of this section, as appropriate.

(iii) When DOL exercises its right to take title, the equipment shall be subject to the provisions for federally-owned equipment.

§ 95.35 Supplies and other expendable property.

(a) Title to supplies and other expendable property shall vest in the recipient upon acquisition. If there is a residual inventory of unused supplies exceeding \$5,000 in total aggregate value upon termination or completion of the project or program and the supplies are not needed for any other federally-sponsored project or program, the recipient shall retain the supplies for use on non-Federal sponsored activities or sell them, but shall, in either case, compensate the Federal Government for its share. The amount of compensation shall be computed in the same manner as for equipment.

29 CFR Subtitle A (7-1-21 Edition)

(b) The recipient shall not use supplies acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute as long as the Federal Government retains an interest in the supplies.

§ 95.36 Intangible property.

(a) The recipient may copyright any work that is subject to copyright and was developed, or for which ownership was purchased, under an award. DOL reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for Federal purposes, and to authorize others to do so.

(b) Recipients are subject to applicable regulations governing patents and inventions, including government-wide regulations issued by the Department of Commerce at 37 CFR part 401, "Rights to Inventions Made by Non-profit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements."

(c) DOL has the right to:

(1) Obtain, reproduce, publish or otherwise use the data first produced under an award; and

(2) Authorize others to receive, reproduce, publish, or otherwise use such data for Federal purposes.

(d)(1) In addition, in response to a Freedom of Information Act (FOIA) request for research data relating to published research findings produced under an award that were used by the Federal government in developing an agency action that has the force and effect of law, the DOL shall request, and the recipient shall provide, within a reasonable time, the research data so that they can be made available to the public through the procedures established under the FOIA. If the DOL obtains the research data solely in response to a FOIA request, the agency may charge the requester a reasonable fee equaling the full incremental cost of obtaining the research data. This fee should reflect costs incurred by the agency, the recipient, and applicable subrecipients. This fee is in addition to any fees the

agency may assess under the FOIA (5 U.S.C. 552(a)(4)(A)).

(2) The following definitions apply for purposes of this paragraph (d):

(i) *Research data* is defined as the recorded factual material commonly accepted in the scientific community as necessary to validate research findings, but not any of the following: preliminary analyses, drafts of scientific papers, plans for future research, peer reviews, or communications with colleagues. This "recorded" material excludes physical objects (*e.g.*, laboratory samples). *Research data* also do not include:

(A) Trade secrets, commercial information, materials necessary to be held confidential by a researcher until they are published, or similar information which is protected under law; and

(B) Personnel and medical information and similar information the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, such as information that could be used to identify a particular person in a research study.

(ii) *Published* is defined as either when:

(A) Research findings are published in a peer-reviewed scientific or technical journal; or

(B) A Federal agency publicly and officially cites the research findings in support of an agency action that has the force and effect of law.

(iii) *Used by the Federal Government in developing an agency action that has the force and effect of law* is defined as when an agency publicly and officially cites the research findings in support of an agency action that has the force and effect of law.

(e) Title to intangible property and debt instruments acquired under an award or subaward vests upon acquisition in the recipient. The recipient shall use that property for the originally-authorized purpose, and the recipient shall not encumber the property without written approval of the grant officer. When no longer needed for the originally authorized purpose, disposition of the intangible property shall occur in accordance with the provisions of § 95.34(g).

[59 FR 38271, July 27, 1994, as amended at 65 FR 14407, 14410, Mar. 16, 2000]

§ 95.37 Property trust relationship.

Real property, equipment, intangible property and debt instruments that are acquired or improved with Federal funds shall be held in trust by the recipient as trustee for the beneficiaries of the project or program under which the property was acquired or improved. Grant officers may require recipients to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with Federal funds and that use and disposition conditions apply to the property.

PROCUREMENT STANDARDS

§ 95.40 Purpose of procurement standards.

Sections 95.41 through 95.48 set forth standards for use by recipients in establishing procedures for the procurement of supplies and other expendable property, equipment, real property and other services with Federal funds. These standards are furnished to ensure that such materials and services are obtained in an effective manner and in compliance with the provisions of applicable Federal statutes and executive orders. No additional procurement standards or requirements shall be imposed by DOL upon recipients, unless specifically required by Federal statute or executive order or approved by OMB.

§ 95.41 Recipient responsibilities.

The standards contained in this section do not relieve the recipient of the contractual responsibilities arising under its contract(s). The recipient is the responsible authority, without recourse to DOL, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into in support of an award or other agreement. This includes disputes, claims, protests of award, source evaluation or other matters of a contractual nature. Matters concerning violation of statute are to be referred to such Federal, State or local authority as may have proper jurisdiction.

§ 95.42

§ 95.42 Codes of conduct.

The recipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the recipient shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to subagreements. However, recipients may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient.

§ 95.43 Competition.

All procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, open and free competition. The recipient shall be alert to organizational conflicts of interest as well as noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, invitations for bids and/or requests for proposals shall be excluded from competing for such procurements. Awards shall be made to the bidder or offeror whose bid or offer is responsive to the solicitation and is most advantageous to the recipient, price, quality and other factors considered. Solicitations shall clearly set forth all requirements that the bidder or offeror shall fulfill in order for the bid or offer to be evaluated by the re-

29 CFR Subtitle A (7-1-21 Edition)

ipient. Any and all bids or offers may be rejected when it is in the recipient's interest to do so.

§ 95.44 Procurement procedures.

(a) All recipients shall establish written procurement procedures. These procedures shall provide for, at a minimum, that paragraphs (a)(1), (a)(2), and (a)(3) of this section apply.

(1) Recipients shall avoid purchasing unnecessary items.

(2) Where appropriate, an analysis shall be made of lease and purchase alternatives to determine which would be the most economical and practical procurement for the Federal Government.

(3) Solicitations for goods and services shall provide for all of the following:

(i) A clear and accurate description of the technical requirements for the material, product or service to be procured. In competitive procurements, such a description shall not contain features which unduly restrict competition.

(ii) Requirements which the bidder/offeror must fulfill and all other factors to be used in evaluating bids or proposals.

(iii) A description, whenever practicable, of technical requirements in terms of functions to be performed or performance required, including the range of acceptable characteristics or minimum acceptable standards.

(iv) The specific features of "brand name or equal" descriptions that bidders are required to meet when such items are included in the solicitation.

(v) The acceptance, to the extent practicable and economically feasible, of products and services dimensioned in the metric system of measurement.

(vi) Preference, to the extent practicable and economically feasible, for products and services that conserve natural resources and protect the environment and are energy efficient.

(b) Positive efforts shall be made by recipients to utilize small businesses, minority-owned firms, and women's business enterprises, whenever possible. Recipients of Federal awards shall take all of the following steps to further this goal:

(1) Ensure that small businesses, minority-owned firms, and women's business enterprises are used to the fullest extent practicable.

(2) Make information on forthcoming opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women's business enterprises.

(3) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women's business enterprises.

(4) Encourage contracting with consortiums of small businesses, minority-owned firms and women's business enterprises when a contract is too large for one of these firms to handle individually.

(5) Use the services and assistance, as appropriate, of such organizations as the Small Business Administration, the Department of Commerce's Minority Business Development Agency, and DOL's Office of Small Business Programs in the solicitation and utilization of small businesses, minority-owned firms and women's business enterprises.

(c) The type of procuring instruments used (e.g., fixed price contracts, cost reimbursable contracts, purchase orders, and incentive contracts) shall be determined by the recipient but shall be appropriate for the particular procurement and for promoting the best interest of the program or project involved. The "cost-plus-a-percentage-of-cost" or "percentage of construction cost" methods of contracting shall not be used.

(d) Contracts shall be made only with responsible contractors who possess the potential ability to perform successfully under the terms and conditions of the proposed procurement. Consideration shall be given to such matters as contractor integrity, record of past performance, financial and technical resources or accessibility to other necessary resources. In certain circumstances, contracts with certain parties are restricted by agencies' implementation of E.O.'s 12549 and 12689,

"Debarment and Suspension." See 2 CFR part 2998.

(e) Recipients shall, on request, make available to DOL, pre-award and procurement documents, such as request for proposals or invitations for bids, independent cost estimates, etc., when any of the following conditions apply:

(1) A recipient's procurement procedures or operation fails to comply with the procurement standards in this part.

(2) The procurement is expected to exceed the simplified acquisition threshold fixed at 41 U.S.C. 403(11) (currently \$100,000) and is to be awarded without competition or only one bid or offer is received in response to a solicitation.

(3) The procurement, which is expected to exceed the simplified acquisition threshold, specifies a "brand name" product.

(4) The proposed award over the simplified acquisition threshold is to be awarded to other than the apparent low bidder under a sealed bid procurement.

(5) A proposed contract modification changes the scope of a contract or increases the contract amount by more than the amount of the simplified acquisition threshold.

[59 FR 38271, July 27, 1994, as amended at 72 FR 37104, July 9, 2007; 81 FR 25587, Apr. 29, 2016]

§ 95.45 Cost and price analysis.

Some form of cost or price analysis shall be made and documented in the procurement files in connection with every procurement action. Price analysis may be accomplished in various ways, including the comparison of price quotations submitted, market prices and similar indicia, together with discounts. Cost analysis is the review and evaluation of each element of cost to determine reasonableness, allocability and allowability.

§ 95.46 Procurement records.

Procurement records and files for purchases in excess of the simplified acquisition threshold shall include the following at a minimum: (a) basis for contractor selection, (b) justification

§ 95.47

for lack of competition when competitive bids or offers are not obtained, and (c) basis for award cost or price.

[59 FR 38271, July 27, 1994, as amended at 72 FR 37104, July 9, 2007]

§ 95.47 Contract administration.

A system for contract administration shall be maintained to ensure contractor conformance with the terms, conditions and specifications of the contract and to ensure adequate and timely follow up of all purchases. Recipients shall evaluate contractor performance and document, as appropriate, whether contractors have met the terms, conditions and specifications of the contract.

§ 95.48 Contract provisions.

The recipient shall include, in addition to provisions to define a sound and complete agreement, the following provisions in all contracts. The following provisions shall also be applied to subcontracts:

(a) Contracts in excess of the simplified acquisition threshold shall contain contractual provisions or conditions that allow for administrative, contractual, or legal remedies in instances in which a contractor violates or breaches the contract terms, and provide for such remedial actions as may be appropriate.

(b) All contracts in excess of the simplified acquisition threshold shall contain suitable provisions for termination by the recipient, including the manner by which termination shall be effected and the basis for settlement. In addition, such contracts shall describe conditions under which the contract may be terminated for default as well as conditions where the contract may be terminated because of circumstances beyond the control of the contractor.

(c) Except as otherwise required by statute, an award that requires the contracting (or subcontracting) for construction or facility improvements shall provide for the recipient to follow its own requirements relating to bid guarantees, performance bonds, and payment bonds unless the construction contract or subcontract exceeds \$100,000. For those contracts or subcontracts exceeding \$100,000, DOL may

29 CFR Subtitle A (7-1-21 Edition)

accept the bonding policy and requirements of the recipient, provided DOL has made a determination that the Federal Government's interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows.

(1) A bid guarantee from each bidder equivalent to five percent of the bid price. The "bid guarantee" shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder shall, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

(2) A performance bond on the part of the contractor for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.

(3) A payment bond on the part of the contractor for 100 percent of the contract price. A "payment bond" is one executed in connection with a contract to assure payment as required by statute of all persons supplying labor and material in the execution of the work provided for in the contract.

(4) Where bonds are required in the situations described herein, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties pursuant to 31 CFR part 223, "Surety Companies Doing Business with the United States."

(d) All negotiated contracts (except those for less than the simplified acquisition threshold) awarded by recipients shall include a provision to the effect that the recipient, DOL, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers and records of the contractor which are directly pertinent to a specific program for the purpose of making audits, examinations, excerpts and transcriptions.

(e) All contracts, including simplified acquisitions, awarded by recipients and their contractors shall contain the procurement provisions of Appendix A to this part, as applicable.

[59 FR 38271, July 27, 1994, as amended at 72 FR 37104, July 9, 2007]

REPORTS AND RECORDS

§ 95.50 Purpose of reports and records.

Sections 95.51 through 95.53 set forth the procedures for monitoring and reporting on the recipient's financial and program performance and the necessary standard reporting forms. They also set forth record retention requirements.

§ 95.51 Monitoring and reporting program performance.

(a) Recipients are responsible for managing and monitoring each project, program, subaward, function or activity supported by the award. Recipients shall monitor subawards to ensure subrecipients have met the audit requirements as delineated in § 95.26.

(b) DOL shall prescribe the frequency with which performance reports shall be submitted. Except as provided in paragraph (f) of this section, performance reports shall not be required more frequently than quarterly or, less frequently than annually. Annual reports shall be due 90 calendar days after the grant year; quarterly or semi-annual reports shall be due 30 days after the reporting period. DOL may require annual reports before the anniversary dates of multiple-year awards in lieu of these requirements. The final performance reports are due 90 calendar days after the expiration or termination of the award.

(c) If inappropriate, a final technical or performance report shall not be required after completion of the project.

(d) When required, performance reports shall generally contain, for each award, brief information on each of the following:

(1) A comparison of actual accomplishments with the goals and objectives established for the period, the findings of the investigator, or both. Whenever appropriate and the output of programs or projects can be readily quantified, such quantitative data should be related to cost data for computation of unit costs.

(2) Reasons why established goals were not met, if appropriate.

(3) Other pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

(e) Recipients shall not be required to submit more than the original and two copies of performance reports.

(f) Recipients shall immediately notify DOL of developments that have a significant impact on the award-supported activities. Also, notification shall be given in the case of problems, delays, or adverse conditions which materially impair the ability to meet the objectives of the award. This notification shall include a statement of the action taken or contemplated, and any assistance needed to resolve the situation.

(g) DOL may make site visits, as needed.

(h) DOL shall comply with clearance requirements of 5 CFR part 1320 when requesting performance data from recipients.

(Approved by the Office of Management and Budget, Approval Number 1225-0017)

§ 95.52 Financial reporting.

(a) The following forms or such other forms as may be approved by OMB are authorized for obtaining financial information from recipients:

(1) *SF-269 or SF-269A, Financial Status Report.* (i) Recipients shall use the SF-269, SF-269A, or other OMB-approved forms to report the status of funds for all nonconstruction projects or programs. DOL may, however, have the option of not requiring the SF-269 or SF-269A when the SF-270, Request for Advance or Reimbursement, or SF-272, Report of Federal Cash Transactions, is determined to provide adequate information to meet its needs, except that a final SF-269 or SF-269A shall be required at the completion of the project when the SF-270 is used only for advances.

(ii) DOL shall prescribe whether the report shall be on a cash or an accrual basis. If DOL requires accrual information and the recipient's accounting records are not normally kept on the accrual basis, the recipient shall not convert its accounting system, but shall develop such accrual information through best estimates based on an analysis of the documentation on hand.

(iii) DOL shall determine the frequency of the Financial Status Report for each project or program, considering the size and complexity of the

§ 95.53

29 CFR Subtitle A (7-1-21 Edition)

particular project or program. However, the report shall not be required more frequently than quarterly or less frequently than annually. A final report shall be required at the completion of the agreement.

(iv) Recipients shall submit to DOL the SF-269, SF-269A, or other OMB-approved forms (an original and no more than two copies) no later than 30 days after the end of each specified reporting period for quarterly and semi-annual reports, and 90 calendar days for annual and final reports. Extensions of reporting due dates may be approved by DOL upon request of the recipient.

(2) *SF-272, Report of Federal Cash Transactions.* (i) When funds are advanced to recipients, the recipient shall submit the SF-272 and, when necessary, its continuation sheet, SF-272a. DOL shall use this report to monitor cash advanced to recipients and to obtain disbursement information for each agreement with the recipients.

(ii) DOL may require forecasts of Federal cash requirements in the "Remarks" section of the report.

(iii) When practical and deemed necessary, DOL may require recipients to report in the "Remarks" section the amount of cash advances received in excess of three days. Recipients shall provide short narrative explanations of actions taken to reduce the excess balances.

(iv) Recipients shall submit not more than the original and two copies of the SF-272 15 calendar days following the end of each quarter. The DOL agency may require a monthly report from those recipients receiving advances totaling \$1 million or more per year.

(v) DOL may waive the requirement for submission of the SF-272 for any one of the following reasons:

(A) When monthly advances do not exceed \$25,000 per recipient, provided that such advances are monitored through other forms contained in this section;

(B) If, in DOL's opinion, the recipient's accounting controls are adequate to minimize excessive Federal advances; or,

(C) When the electronic payment mechanisms provide adequate data.

(b) When DOL needs additional information or more frequent reports, the following shall be observed.

(1) When additional information is needed to comply with legislative requirements, DOL shall issue instructions to require recipients to submit such information under the "Remarks" section of the reports.

(2) When DOL determines that a recipient's accounting system does not meet the standards in § 95.21, additional pertinent information to further monitor awards may be obtained upon written notice to the recipient until such time as the system is brought up to standard. DOL, in obtaining this information, shall comply with report clearance requirements of 5 CFR part 1320.

(3) DOL may shade out any line item on any report if not necessary.

(4) DOL may accept the identical information from the recipients in machine readable format or computer printouts or electronic outputs in lieu of prescribed formats.

(5) DOL may provide computer or electronic outputs to recipients when such expedites or contributes to the accuracy of reporting.

(Approved by the Office of Management and Budget, Approval Number 1225-0017)

§ 95.53 Retention and access requirements for records.

(a) This section sets forth requirements for record retention and access to records for awards to recipients. DOL shall not impose any other record retention or access requirements upon recipients.

(b) Financial records, supporting documents, statistical records, and all other records pertinent to an award shall be retained for a period of three years from the date of submission of the final expenditure report or, for awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, as authorized by DOL. The only exceptions are the following:

(1) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved and final action taken.

(2) Records for real property and equipment acquired with Federal funds shall be retained for 3 years after final disposition.

(3) When records are transferred to or maintained by DOL, the 3-year retention requirement is not applicable to the recipient.

(4) Indirect cost rate proposals, cost allocations plans, etc., as specified in paragraph (g) of this section.

(c) Copies of original records may be substituted for the original records if authorized by DOL.

(d) DOL shall request transfer of certain records to its custody from recipients when it determines that the records possess long term retention value. However, in order to avoid duplicate recordkeeping, DOL may make arrangements for recipients to retain any records that are continuously needed for joint use.

(e) The Federal grantor awarding agency, the Inspector General, the Comptroller General of the United States, or any of their duly authorized representatives, have the right of timely and unrestricted access to any books, documents, papers, or other records of recipients that are pertinent to the awards, in order to make audits, examinations, excerpts, transcripts and copies of such documents. This right also includes timely and reasonable access to a recipient's personnel for the purpose of interview and discussion related to such documents. The rights of access in this paragraph are not limited to the required retention period, but shall last as long as records are retained.

(f) Unless required by statute, DOL shall not place restrictions on recipients that limit public access to the records of recipients that are pertinent to an award, except when DOL can demonstrate that such records shall be kept confidential and would have been exempted from disclosure pursuant to the Freedom of Information Act (5 U.S.C. 552) if the records had belonged to DOL.

(g) Indirect cost rate proposals, cost allocations plans, etc. Paragraphs (g)(1) and (g)(2) of this section apply to the following types of documents, and their supporting records: indirect cost rate computations or proposals, cost alloca-

tion plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

(1) If submitted for negotiation. If the recipient submits to DOL or the subrecipient submits to the recipient the proposal, plan, or other computation to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts on the date of such submission.

(2) If not submitted for negotiation. If the recipient is not required to submit to DOL or the subrecipient is not required to submit to the recipient the proposal, plan, or other computation for negotiation purposes, then the 3-year retention period for the proposal, plan, or other computation and its supporting records starts at the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

TERMINATION AND ENFORCEMENT

§ 95.60 Purpose of termination and enforcement.

Sections 95.61 and 95.62 set forth uniform suspension, termination and enforcement procedures.

§ 95.61 Termination.

(a) Awards may be terminated in whole or in part only if paragraphs (a) (1), (a)(2), or (a)(3) of this section apply.

(1) By grant officers, if a recipient materially fails to comply with the terms and conditions of an award.

(2) By grant officers, with the consent of the recipient, in which case the two parties shall agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated.

(3) By the recipient upon sending to the grant officer written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if the grant officer determines in the case of partial termination that the reduced

§ 95.62

or modified portion of the grant will not accomplish the purposes for which the grant was made, the grant officer may terminate the grant in its entirety under either paragraphs (a) (1) or (2) of this section.

(b) If costs are allowed under an award, the responsibilities of the recipient referred to in § 95.71(a), including those for property management as applicable, shall be considered in the termination of the award, and provision shall be made for continuing responsibilities of the recipient after termination, as appropriate.

§ 95.62 Enforcement.

(a) *Remedies for noncompliance.* If a recipient materially fails to comply with the terms and conditions of an award, whether stated in a Federal statute, regulation, assurance, application, or notice of award, DOL may, in addition to imposing any of the special conditions outlined in § 95.14, take one or more of the following actions, as appropriate in the circumstances:

(1) Temporarily withhold cash payments pending correction of the deficiency by the recipient or more severe enforcement action by DOL.

(2) Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.

(3) Wholly or partly suspend or terminate the current award.

(4) Withhold further awards for the project or program.

(5) Take other remedies that may be legally available.

(b) *Hearings and appeals.* In taking an enforcement action, DOL shall provide the recipient an opportunity for hearing, appeal, or other administrative proceeding to which the recipient is entitled under any statute or regulation applicable to the action involved.

(c) *Effects of suspension and termination.* Costs of a recipient resulting from obligations incurred by the recipient during a suspension or after termination of an award are not allowable unless DOL expressly authorizes them in the notice of suspension or termination or subsequently. Other recipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowable

29 CFR Subtitle A (7–1–21 Edition)

if paragraphs (c)(1) and (c)(2) of this section apply.

(1) The costs result from obligations which were properly incurred by the recipient before the effective date of suspension or termination, are not in anticipation of it, and in the case of a termination, are noncancellable.

(2) The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

(d) *Relationship to debarment and suspension.* The enforcement remedies identified in this section, including suspension and termination, do not preclude a recipient from being subject to debarment and suspension under E.O.'s 12549 and 12689 and DOL's implementing regulations. See § 95.13 and 2 CFR part 2998.

Subpart D—After-the-Award Requirements

§ 95.70 Purpose.

Sections 95.71 through 95.73 contain closeout procedures and other procedures for subsequent disallowances and adjustments.

§ 95.71 Closeout procedures.

(a) Recipients shall submit, within 90 calendar days after the date of completion of the award, all financial, performance, and other reports as required by the terms and conditions of the award. DOL may approve extensions when requested by the recipient.

(b) Unless DOL authorizes an extension, a recipient shall liquidate all obligations and/or accrued expenditures incurred under the award not later than 90 calendar days after the funding period or the date of completion as specified in the terms and conditions of the award or in agency implementing instructions.

(c) DOL shall make prompt payments to a recipient for allowable reimbursable costs under the award being closed out.

(d) The recipient shall promptly refund any balances of unobligated cash that DOL has advanced or paid and

that is not authorized to be retained by the recipient for use in other projects. OMB Circular A-129 governs unreturned amounts that become delinquent debts.

(e) When authorized by the terms and conditions of the award, DOL shall make a settlement for any upward or downward adjustments to the Federal share of costs after closeout reports are received.

(f) The recipient shall account for any real and personal property acquired with Federal funds or received from the Federal Government in accordance with §§95.31 through 95.37.

(g) In the event a final audit has not been performed prior to the closeout of an award, DOL retains the right to recover an appropriate amount after fully considering the recommendations on disallowed costs resulting from the final audit.

[59 FR 38271, July 27, 1994, as amended at 72 FR 37104, July 9, 2007]

§95.72 Subsequent adjustments and continuing responsibilities.

(a) The closeout of an award does not affect any of the following:

(1) The right of DOL to disallow costs and recover funds on the basis of a later audit or other review.

(2) The obligation of the recipient to return any funds due as a result of later refunds, corrections, or other transactions.

(3) Audit requirements in §95.26.

(4) Property management requirements in §§95.31 through 95.37.

(5) Records retention as required in §95.53.

(b) After closeout of an award, a relationship created under an award may be modified or ended in whole or in part with the consent of DOL and the recipient, provided the responsibilities of the recipient referred to in §95.73(a), including those for property management as applicable, are considered and provisions made for continuing responsibilities of the recipient, as appropriate.

§95.73 Collection of amounts due.

(a) Any funds paid to a recipient in excess of the amount to which the recipient is finally determined to be entitled under the terms and conditions of

the award constitute a debt to the Federal Government. If not paid within a reasonable period after the demand for payment, DOL may reduce the debt by paragraphs (a)(1), (a)(2), or (a)(3) of this section.

(1) Making an administrative offset against other requests for reimbursements.

(2) Withholding advance payments otherwise due to the recipient.

(3) Taking other action permitted by statute.

(b) Except as otherwise provided by law, DOL shall charge interest on an overdue debt in accordance with 4 CFR Chapter II, "Federal Claims Collection Standards."

APPENDIX A TO PART 95—CONTRACT PROVISIONS

All contracts, awarded by a recipient including simplified acquisitions, shall contain the following provisions as applicable:

1. *Equal Employment Opportunity*—All contracts shall contain a provision requiring compliance with E.O. 11246, "Equal Employment Opportunity," as amended by E.O. 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and as supplemented by regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

2. *Copeland "Anti-Kickback" Act (18 U.S.C. 874 and 40 U.S.C. 276c)*—All contracts and subgrants in excess of \$2000 for construction or repair awarded by recipients and subrecipients shall include a provision for compliance with the Copeland "Anti-Kickback" Act (18 U.S.C. §874), as supplemented by Department of Labor regulations (29 CFR part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient shall be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which one is otherwise entitled. The recipient shall report all suspected or reported violations to the Federal awarding agency.

3. *Davis-Bacon Act, as amended (40 U.S.C. 276a to a-7)*—When required by Federal program legislation, all construction contracts awarded by the recipients and subrecipients of more than \$2000 shall include a provision for compliance with the Davis-Bacon Act (40 U.S.C. §276a to a-7) and as supplemented by Department of Labor regulations (29 CFR

part 5, “Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction”). Under this Act, contractors shall be required to pay wages to laborers and mechanics at a rate not less than the minimum wages specified in a wage determination made by the Secretary of Labor. In addition, contractors shall be required to pay wages not less than once a week. The recipient shall place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation and the award of a contract shall be conditioned upon the acceptance of the wage determination. The recipient shall report all suspected or reported violations to the Federal awarding agency.

4. *Contract Work Hours and Safety Standards Act (40 U.S.C. § 327–333)*—Where applicable, all contracts awarded by recipients in excess of \$2,000 for construction contracts and in excess of \$2,500 for other contracts that involve the employment of mechanics or laborers shall include a provision for compliance with sections 102 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. § 327–333), as supplemented by Department of Labor regulations (29 CFR part 5). Under section 102 of the Act, each contractor shall be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than 1½ times the basic rate of pay for all hours worked in excess of 40 hours in the work week. Section 107 of the Act is applicable to construction work and provides that no laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

5. *Rights to Inventions Made Under a Contract or Agreement*—Contracts or agreements for the performance of experimental, developmental, or research work shall provide for the rights of the Federal Government and the recipient in any resulting invention in accordance with 37 CFR part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

6. *Clean Air Act (42 U.S.C. § 7401 et seq.) and the Federal Water Pollution Control Act (33 U.S.C. § 1251 et seq.)*, as amended—Contracts and subgrants of amounts in excess of \$100,000 shall contain a provision that requires the recipient to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. § 7401 et seq.) and the Federal Water

Pollution Control Act as amended (33 U.S.C. § 1251 et seq.). Violations shall be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

7. *Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352)*—Contractors who apply or bid for an award of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient. See 2 CFR part 2998.

8. *Debarment and Suspension (E.O.’s 12549 and 12689)*—No contract shall be made to parties listed on the General Services Administration’s List of Parties Excluded from Federal Procurement or Nonprocurement Programs in accordance with E.O.’s 12549 and 12689, “Debarment and Suspension.” This list contains the names of parties debarred, suspended, or otherwise excluded by agencies, and contractors declared ineligible under statutory or regulatory authority other than E.O. 12549. Contractors with awards that exceed the simplified acquisition threshold shall provide the required certification regarding its exclusion status and that of its principal employees.

SOURCE: 64 FR 14539, Mar. 25, 1999, unless otherwise noted.

§ 96.0 Purpose and scope of part.

This part identifies the audit requirements for recipients and subrecipients of Department of Labor (DOL) awards and contains DOL's procedures for the resolution of audits. It applies to all grants and contracts and other Federal awards provided by or on behalf of the DOL.

§ 96.1 Terminology.

As used in this part, the terms "Federal award," "Federal financial assistance," "recipient," and "subrecipient" have the same meanings as the definitions in 29 CFR 99.105 of this title.

Subpart A—Audits of States, Local Governments, and Non-profit Organizations

§ 96.11 Purpose and scope of subpart.

The regulations in this subpart and in 29 CFR part 99 implement Office of Management and Budget (OMB) Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations," which was issued pursuant to The Single Audit Act Amendments of

1996 (Act). The Act builds upon earlier efforts to improve audits of Federal financial assistance programs. This subpart establishes uniform audit requirements and policy for recipients and subrecipients that receive Federal financial assistance from DOL.

§ 96.12 Audit requirements.

(a) Organizations covered by this subpart are responsible for arranging for independent audits that meet the requirements of this section.

(b) The audit requirements contained in 29 CFR part 99 shall be followed for audits of all fiscal years beginning after June 30, 1996.

(c) Except as provided in paragraph (d) of this section, the audit requirements applicable to earlier fiscal years under regulations and award conditions in force when the awards were made shall continue in force.

(d) The Secretary or his/her designee may provide written notice to recipients/subrecipients subject to paragraph (c) of this section directing them to follow the requirements of 29 CFR 99.320, which provides for submission of audit data collection forms and reporting packages to a Federal clearinghouse designated by OMB.

Subpart B [Reserved]

Subpart C—Audits of Entities Not Covered by Subpart A

§ 96.31 Purpose and scope of subpart.

This subpart prescribes the requirement for audits of recipients, subrecipients, contractors, and subcontractors that receive funds from the DOL and are not covered by subpart A.

§ 96.32 Audit requirement.

The Secretary of Labor is responsible for the survey, audit or examination of recipients, subrecipients, contractors, and subcontractors covered by this subpart. Such surveys, audits, or examinations shall be conducted at the Secretary's discretion.

§ 96.41

29 CFR Subtitle A (7-1-21 Edition)

Subpart D—Access to Records, Audit Standards and Relation of Organization-wide Audits to Other Audit Requirements

§ 96.41 Access to records.

The Secretary of Labor, the DOL Inspector General, the Comptroller General of the United States, or any of their duly authorized representatives (including certified public accountants under contract), shall have access to any books, documents, papers, and records (manual and automated) of the entity receiving funds from DOL and its subrecipients/subcontractors for the purpose of making surveys, audits, examinations, excerpts, and transcripts.

§ 96.42 Audit standards.

Surveys, audits, and examinations will conform to the Government auditing standards, issued by the Comptroller General of the United States, and guides issued by the Secretary. For purposes of meeting audit requirements under subparts A and C, only the standards for financial and compliance audits need apply.

§ 96.43 Relation of organization-wide audits to other audit requirements.

To the extent that audits conducted in accordance with subpart A provide DOL officials with the information needed to carry out their responsibilities under Federal law or DOL regulations, the Secretary shall rely upon and use the information. Additional audit efforts are not precluded, but such efforts must build upon the organization-wide audit and not duplicate it. The provisions of subpart A do not authorize a covered entity, after having complied with those requirements, to constrain, in any manner, the Secretary from carrying out additional surveys, audits, or examinations as deemed necessary.

Subpart E—Audit Resolution

§ 96.51 Purpose and scope of subpart.

This subpart prescribes standards for resolution of audit findings, including, but not limited to, questioned costs and administrative deficiencies, identified as a result of the audit of grant

agreements, contracts, and other agreements awarded by or on behalf of DOL. In cases where these standards conflict with statutes or other DOL regulations, the latter shall be controlling. The DOL Office of Inspector General (OIG) is available to assist agencies in the audit resolution process.

§ 96.52 Pre-resolution phase activities.

(a) *Submission of reports.* Recipients and subrecipients of DOL funds that are audited in accordance with the requirements of subpart A shall comply in all respects with the report submission requirements of 29 CFR part 99. Failure to submit a complete audit package will result in the return of the submitted package by the Clearinghouse, which will assign a delinquency classification until the completed package is submitted.

(b) *Quality control.* The Office of Inspector General, in conjunction with other Federal agencies, will implement an audit quality program which may include random, planned, or directed reviews of audits submitted in compliance with OMB Circular A-133. When audits are found not to be performed in compliance with the requirements, the OIG may share the findings with the auditor, the auditee, and the funding agencies, and may work with the local licensing authorities to achieve corrective action.

§ 96.53 Audit resolution generally.

The DOL official(s) responsible for audit resolution shall promptly evaluate findings and recommendations reported by auditors and the corrective action plan developed by the recipient to determine proper actions in response to audit findings and recommendations. The process of audit resolution includes at a minimum an initial determination, an informal resolution period, and a final determination.

(a) *Initial determination.* After the conclusion of any comment period for audits provided the recipient/contractor, the responsible DOL official(s) shall make an initial determination on the allowability of questioned costs or activities, administrative or systemic findings, and the corrective actions outlined by the recipient. Such determination shall be based on applicable

statutes, regulations, administrative directives, or terms and conditions of the grant/contract award instrument.

(b) *Informal resolution.* The recipient/contractor shall have a reasonable period of time (as determined by the DOL official(s) responsible for audit resolution) from the date of issuance of the initial determination to informally resolve those matters in which the recipient/contractor disagrees with the decisions of the responsible DOL official(s).

(c) *Final determination.* After the conclusion of the informal resolution period, the responsible DOL official(s) shall issue a final determination that:

(1) As appropriate, indicate that efforts to informally resolve matters contained in the initial determination have either been successful or unsuccessful;

(2) Lists those matters upon which the parties continue to disagree;

(3) Lists any modifications to the factual findings and conclusions set forth in the initial determination;

(4) Lists any sanctions and required corrective actions; and

(5) Sets forth any appeal rights.

(d) *Time limit.* Insofar as possible, the requirements of this section should be met within 180 days of the date the final approved audit report is received by the DOL official(s) responsible for audit resolution.

§ 96.54 Responsibility for subrecipient audits.

Recipients of Federal assistance from DOL are responsible for ensuring that subrecipient organizations who expend \$300,000 or more in a fiscal year or \$500,000 for fiscal years ending after December 31, 2003 are audited and that any audit findings are resolved in accordance with this part. The recipient shall:

(a) Determine whether appropriate audit requirements outlined in subpart A have been met;

(b) Determine whether the subrecipient spent Federal assistance funds provided in accordance with applicable laws and regulations;

(c) Ensure that appropriate corrective action is taken within six months after receipt of the audit report in in-

stances of non-compliance with Federal law and regulations;

(d) Consider whether subrecipient audits necessitate adjustment of the recipient's own records; and

(e) Require that each subrecipient permit independent auditors to have access to the records and financial statements necessary to comply with this part.

[64 FR 14539, Mar. 25, 1999, as amended at 72 FR 37104, July 9, 2007]

Subpart F—Appeals

§ 96.61 Purpose and scope of subpart.

(a) The purpose of this subpart is to set forth procedures by which recipients and contractors may appeal final determinations by the DOL officials responsible for audit resolution as a result of audits.

(b) Subrecipients and subcontractors shall have only such appeal rights as may exist in subgrants or subcontracts with the respective recipients or contractors.

§ 96.62 Contracts.

(a) For the purpose of this subpart, the term "contract" includes all agreements described in sec. 602(a) of the Contract Disputes Act (Applicability of Law—Executive agency contracts) (41 U.S.C. 602(a)).

(b) Upon a contractor's receipt of the DOL contracting officer's final determination as a result of an audit, the contractor may appeal the final determination to the DOL Board of Contract Appeals, pursuant to 41 CFR part 29-60 and 48 CFR part 2933 or pursue such other remedies as may be available under the Contract Disputes Act.

§ 96.63 Federal financial assistance.

The DOL grantor agencies shall determine which of the two appeal options set forth in paragraphs (a) and (b) of this section the recipient may use to appeal the final determination of the grant officer. All awards within the same Federal financial assistance program shall follow the same appeal procedure.

(a) Appeal to the head of the grantor agency, or his/her designee, for which the audit was conducted.

§ 96.63

29 CFR Subtitle A (7-1-21 Edition)

(1) *Jurisdiction.* (i) *Request for hearing.* Within 21 days of receipt of the grant officer's final determination, the recipient may transmit, by certified mail, return receipt requested, a request for hearing to the head of the grantor agency, or his/her designee, as noted in the final determination. A copy must also be sent to the grant officer who signed the final determination.

(ii) *Statement of issues.* The request for a hearing shall be accompanied by a copy of the final determination, if issued, and shall specifically state those portions of the final determination upon which review is requested. Those portions of the final determination not specified for review shall be considered resolved and not subject to further review.

(iii) *Failure to request review.* When no timely request for a hearing is made, the final determination shall constitute final action by the Secretary of Labor and shall not be subject to further review.

(2) *Conduct of hearings.* The grantor agency shall establish procedures for the conduct of hearings by the head of the grantor agency, or his/her designee.

(3) *Decision of the head of the grantor agency, or his/her designee.* The head of the grantor agency, or his/her designee, should render a written decision no later than 90 days after the closing of the record. This decision constitutes final action of the Secretary.

(b) *Appeal to the DOL Office of Administrative Law Judges—(1) Jurisdiction—*(i) *Request for hearing.* Within 21 days of receipt of the grant officer's final determination, the recipient may file a request for hearing with the Chief Administrative Law Judge, United States Department of Labor, with a copy to the grant officer who signed the final determination. The Chief Administrative Law Judge shall designate an administrative law judge to hear the appeal.

(ii) *Statement of issues.* The request for a hearing shall be accompanied by a copy of the final determination, if issued, and shall specifically state those portions of the final determination upon which review is requested. Those portions of the final determination not specified for review shall be

considered resolved and not subject to further review.

(iii) *Failure to request review.* When no timely request for a hearing is made, the final determination shall constitute final action by the Secretary and shall not be subject to further review.

(2) *Conduct of hearings.* The DOL Rules of Practice and Procedure for Administrative Hearings Before the Office of Administrative Law Judges, set forth at 29 CFR part 18, shall govern the conduct of hearings under paragraph (b) of this section.

(3) *Decision of the administrative law judge.* The administrative law judge should render a written decision no later than 90 days after the closing of the record.

(4) *Filing exceptions to decision.* The decision of the administrative law judge shall constitute final action by the Secretary of Labor, unless, within 21 days after receipt of the decision of the administrative law judge, a party dissatisfied with the decision or any part thereof has filed exceptions with the Administrative Review Board (the Board), specifically identifying the procedure or finding of fact, law, or policy with which exception is taken, in accordance with 29 CFR part 26. Any exceptions not specifically urged shall be deemed to have been waived. Thereafter, the decision of the administrative law judge shall become the decision of the Secretary, unless the Board, within 30 days of such filing, has notified the parties that the case has been accepted for review.

(5) *Review by the Administrative Review Board.* In any case accepted for review by the Administrative Review Board, a decision shall be issued within 180 days of such acceptance. If a decision is not so issued, the decision of the Administrative Law Judge shall become the final decision of the Secretary.

SOURCE: 53 FR 8069, 8087, Mar. 11, 1988, unless otherwise noted.

Subpart A—General

§ 97.1 Purpose and scope of this part.

This part establishes uniform administrative rules for Federal grants and cooperative agreements and subawards to State, local and Indian tribal governments.

§ 97.2 Scope of subpart.

This subpart contains general rules pertaining to this part and procedures for control of exceptions from this part.

§ 97.3 Definitions.

As used in this part:

Accrued expenditures mean the charges incurred by the grantee during a given period requiring the provision of funds for:

(1) Goods and other tangible property received;

(2) Services performed by employees, contractors, subgrantees, subcontractors, and other payees; and

(3) Other amounts becoming owed under programs for which no current services or performance is required, such as annuities, insurance claims, and other benefit payments.

Accrued income means the sum of:

(1) Earnings during a given period from services performed by the grantee and goods and other tangible property delivered to purchasers, and

(2) Amounts becoming owed to the grantee for which no current services or performance is required by the grantee.

Acquisition cost of an item of purchased equipment means the net invoice unit price of the property including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property usable for the purpose for which it was acquired. Other charges such as the cost of installation, transportation, taxes, duty or protective in-transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the grantee’s regular accounting practices.

§97.3

29 CFR Subtitle A (7-1-21 Edition)

Administrative requirements mean those matters common to grants in general, such as financial management, kinds and frequency of reports, and retention of records. These are distinguished from *programmatic* requirements, which concern matters that can be treated only on a program-by-program or grant-by-grant basis, such as kinds of activities that can be supported by grants under a particular program.

Awarding agency means:

(1) With respect to a grant, the Federal agency, and

(2) With respect to a subgrant, the party that awarded the subgrant.

Cash contributions means the grantee's cash outlay, including the outlay of money contributed to the grantee or subgrantee by other public agencies and institutions, and private organizations and individuals. When authorized by Federal legislation, Federal funds received from other assistance agreements may be considered as grantee or subgrantee cash contributions.

Contract means (except as used in the definitions for *grant* and *subgrant* in this section and except where qualified by *Federal*) a procurement contract under a grant or subgrant, and means a procurement subcontract under a contract.

Cost sharing or matching means the value of the third party in-kind contributions and the portion of the costs of a federally assisted project or program not borne by the Federal Government.

Cost-type contract means a contract or subcontract under a grant in which the contractor or subcontractor is paid on the basis of the costs it incurs, with or without a fee.

Equipment means tangible, non-expendable, personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. A grantee may use its own definition of equipment provided that such definition would at least include all equipment defined above.

Expenditure report means:

(1) For nonconstruction grants, the SF-269 "Financial Status Report" (or other equivalent report);

(2) For construction grants, the SF-271 "Outlay Report and Request for Re-

imbursement" (or other equivalent report).

Federally recognized Indian tribal government means the governing body or a governmental agency of any Indian tribe, band, nation, or other organized group or community (including any Native village as defined in section 3 of the Alaska Native Claims Settlement Act, 85 Stat 688) certified by the Secretary of the Interior as eligible for the special programs and services provided by him through the Bureau of Indian Affairs.

Government means a State or local government or a federally recognized Indian tribal government.

Grant means an award of financial assistance, including cooperative agreements, in the form of money, or property in lieu of money, by the Federal Government to an eligible grantee. The term does not include technical assistance which provides services instead of money, or other assistance in the form of revenue sharing, loans, loan guarantees, interest subsidies, insurance, or direct appropriations. Also, the term does not include assistance, such as a fellowship or other lump sum award, which the grantee is not required to account for.

Grantee means the government to which a grant is awarded and which is accountable for the use of the funds provided. The grantee is the entire legal entity even if only a particular component of the entity is designated in the grant award document.

Local government means a county, municipality, city, town, township, local public authority (including any public and Indian housing agency under the United States Housing Act of 1937) school district, special district, intrastate district, council of governments (whether or not incorporated as a nonprofit corporation under state law), any other regional or interstate government entity, or any agency or instrumentality of a local government.

Obligations means the amounts of orders placed, contracts and subgrants awarded, goods and services received, and similar transactions during a given period that will require payment by the grantee during the same or a future period.

OMB means the United States Office of Management and Budget.

Outlays (expenditures) mean charges made to the project or program. They may be reported on a cash or accrual basis. For reports prepared on a cash basis, outlays are the sum of actual cash disbursement for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the amount of cash advances and payments made to contractors and subgrantees. For reports prepared on an accrued expenditure basis, outlays are the sum of actual cash disbursements, the amount of indirect expense incurred, the value of in-kind contributions applied, and the new increase (or decrease) in the amounts owed by the grantee for goods and other property received, for services performed by employees, contractors, subgrantees, subcontractors, and other payees, and other amounts becoming owed under programs for which no current services or performance are required, such as annuities, insurance claims, and other benefit payments.

Percentage of completion method refers to a system under which payments are made for construction work according to the percentage of completion of the work, rather than to the grantee's cost incurred.

Prior approval means documentation evidencing consent prior to incurring specific cost.

Real property means land, including land improvements, structures and appurtenances thereto, excluding movable machinery and equipment.

Share, when referring to the awarding agency's portion of real property, equipment or supplies, means the same percentage as the awarding agency's portion of the acquiring party's total costs under the grant to which the acquisition costs under the grant to which the acquisition cost of the property was charged. Only costs are to be counted—not the value of third-party in-kind contributions.

State means any of the several States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, or any agency or instrumentality of a State exclusive of local governments. The term does not

include any public and Indian housing agency under United States Housing Act of 1937.

Subgrant means an award of financial assistance in the form of money, or property in lieu of money, made under a grant by a grantee to an eligible subgrantee. The term includes financial assistance when provided by contractual legal agreement, but does not include procurement purchases, nor does it include any form of assistance which is excluded from the definition of *grant* in this part.

Subgrantee means the government or other legal entity to which a subgrant is awarded and which is accountable to the grantee for the use of the funds provided.

Supplies means all tangible personal property other than *equipment* as defined in this part.

Suspension means depending on the context, either

(1) Temporary withdrawal of the authority to obligate grant funds pending corrective action by the grantee or subgrantee or a decision to terminate the grant, or

(2) An action taken by a suspending official in accordance with agency regulations implementing E.O. 12549 to immediately exclude a person from participating in grant transactions for a period, pending completion of an investigation and such legal or debarment proceedings as may ensue.

Termination means permanent withdrawal of the authority to obligate previously-awarded grant funds before that authority would otherwise expire. It also means the voluntary relinquishment of that authority by the grantee or subgrantee. *Termination* does not include:

(1) Withdrawal of funds awarded on the basis of the grantee's underestimate of the unobligated balance in a prior period;

(2) Withdrawal of the unobligated balance as of the expiration of a grant;

(3) Refusal to extend a grant or award additional funds, to make a competing or noncompeting continuation, renewal, extension, or supplemental award; or

(4) Voiding of a grant upon determination that the award was obtained

§97.4

fraudulently, or was otherwise illegal or invalid from inception.

Terms of a grant or subgrant mean all requirements of the grant or subgrant, whether in statute, regulations, or the award document.

Third party in-kind contributions mean property or services which benefit a federally assisted project or program and which are contributed by non-Federal third parties without charge to the grantee, or a cost-type contractor under the grant agreement.

Unliquidated obligations for reports prepared on a cash basis mean the amount of obligations incurred by the grantee that has not been paid. For reports prepared on an accrued expenditure basis, they represent the amount of obligations incurred by the grantee for which an outlay has not been recorded.

Unobligated balance means the portion of the funds authorized by the Federal agency that has not been obligated by the grantee and is determined by deducting the cumulative obligations from the cumulative funds authorized.

§97.4 Applicability.

(a) *General.* Subparts A–D of this part apply to all grants and subgrants to governments, except where inconsistent with Federal statutes or with regulations authorized in accordance with the exception provision of §97.6, or:

(2) The block grants authorized by the Omnibus Budget Reconciliation Act of 1981 (Community Services; Preventive Health and Health Services; Alcohol, Drug Abuse, and Mental Health Services; Maternal and Child Health Services; Social Services; Low-Income Home Energy Assistance; States' Program of Community Development Block Grants for Small Cities; and Elementary and Secondary Education other than programs administered by the Secretary of Education under title V, subtitle D, chapter 2, Section 583—the Secretary's discretionary grant program) and titles I–III of the Job Training Partnership Act of 1982 and under the Public Health Services Act

§ 97.6 Additions and exceptions.

(a) For classes of grants and grantees subject to this part, Federal agencies may not impose additional administrative requirements except in codified regulations published in the FEDERAL REGISTER.

(b) Exceptions for classes of grants or grantees may be authorized only by OMB.

(c) Exceptions on a case-by-case basis and for subgrantees may be authorized by the affected Federal agencies.

Subpart B—Pre-Award Requirements

§ 97.10 Forms for applying for grants.

(a) *Scope.* (1) This section prescribes forms and instructions to be used by governmental organizations (except hospitals and institutions of higher education operated by a government) in applying for grants. This section is not applicable, however, to formula

grant programs which do not require applicants to apply for funds on a project basis.

(2) This section applies only to applications to Federal agencies for grants, and is not required to be applied by grantees in dealing with applicants for subgrants. However, grantees are encouraged to avoid more detailed or burdensome application requirements for subgrants.

(b) *Authorized forms and instructions for governmental organizations.* (1) In applying for grants, applicants shall only use standard application forms or those prescribed by the granting agency with the approval of OMB under the Paperwork Reduction Act of 1980.

(2) Applicants are not required to submit more than the original and two copies of preapplications or applications.

(3) Applicants must follow all applicable instructions that bear OMB clearance numbers. Federal agencies may specify and describe the programs, functions, or activities that will be used to plan, budget, and evaluate the work under a grant. Other supplementary instructions may be issued only with the approval of OMB to the extent required under the Paperwork Reduction Act of 1980. For any standard form, except the SF-424 facesheet, Federal agencies may shade out or instruct the applicant to disregard any line item that is not needed.

(4) When a grantee applies for additional funding (such as a continuation or supplemental award) or amends a previously submitted application, only the affected pages need be submitted. Previously submitted pages with information that is still current need not be resubmitted.

§ 97.11 State plans.

(a) *Scope.* The statutes for some programs require States to submit plans before receiving grants. Under regulations implementing Executive Order 12372, "Intergovernmental Review of Federal Programs," States are allowed to simplify, consolidate and substitute plans. This section contains additional provisions for plans that are subject to regulations implementing the Executive Order.

§97.12

(b) *Requirements.* A State need meet only Federal administrative or programmatic requirements for a plan that are in statutes or codified regulations.

(c) *Assurances.* In each plan the State will include an assurance that the State shall comply with all applicable Federal statutes and regulations in effect with respect to the periods for which it receives grant funding. For this assurance and other assurances required in the plan, the State may:

(1) Cite by number the statutory or regulatory provisions requiring the assurances and affirm that it gives the assurances required by those provisions,

(2) Repeat the assurance language in the statutes or regulations, or

(3) Develop its own language to the extent permitted by law.

(d) *Amendments.* A State will amend a plan whenever necessary to reflect: (1) New or revised Federal statutes or regulations or (2) a material change in any State law, organization, policy, or State agency operation. The State will obtain approval for the amendment and its effective date but need submit for approval only the amended portions of the plan.

§97.12 Special grant or subgrant conditions for “high-risk” grantees.

(a) A grantee or subgrantee may be considered “high risk” if an awarding agency determines that a grantee or subgrantee:

(1) Has a history of unsatisfactory performance, or

(2) Is not financially stable, or

(3) Has a management system which does not meet the management standards set forth in this part, or

(4) Has not conformed to terms and conditions of previous awards, or

(5) Is otherwise not responsible; and if the awarding agency determines that an award will be made, special conditions and/or restrictions shall correspond to the high risk condition and shall be included in the award.

(b) Special conditions or restrictions may include:

(1) Payment on a reimbursement basis;

(2) Withholding authority to proceed to the next phase until receipt of evi-

29 CFR Subtitle A (7–1–21 Edition)

dence of acceptable performance within a given funding period;

(3) Requiring additional, more detailed financial reports;

(4) Additional project monitoring;

(5) Requiring the grantee or subgrantee to obtain technical or management assistance; or

(6) Establishing additional prior approvals.

(c) If an awarding agency decides to impose such conditions, the awarding official will notify the grantee or subgrantee as early as possible, in writing, of:

(1) The nature of the special conditions/restrictions;

(2) The reason(s) for imposing them;

(3) The corrective actions which must be taken before they will be removed and the time allowed for completing the corrective actions and

(4) The method of requesting reconsideration of the conditions/restrictions imposed.

Subpart C—Post-Award Requirements

FINANCIAL ADMINISTRATION

§97.20 Standards for financial management systems.

(a) A State must expand and account for grant funds in accordance with State laws and procedures for expending and accounting for its own funds. Fiscal control and accounting procedures of the State, as well as its subgrantees and cost-type contractors, must be sufficient to—

(1) Permit preparation of reports required by this part and the statutes authorizing the grant, and

(2) Permit the tracing of funds to a level of expenditures adequate to establish that such funds have not been used in violation of the restrictions and prohibitions of applicable statutes.

(b) The financial management systems of other grantees and subgrantees must meet the following standards:

(1) *Financial reporting.* Accurate, current, and complete disclosure of the financial results of financially assisted activities must be made in accordance with the financial reporting requirements of the grant or subgrant.

(2) *Accounting records.* Grantees and subgrantees must maintain records which adequately identify the source and application of funds provided for financially-assisted activities. These records must contain information pertaining to grant or subgrant awards and authorizations, obligations, unobligated balances, assets, liabilities, outlays or expenditures, and income.

(3) *Internal control.* Effective control and accountability must be maintained for all grant and subgrant cash, real and personal property, and other assets. Grantees and subgrantees must adequately safeguard all such property and must assure that it is used solely for authorized purposes.

(4) *Budget control.* Actual expenditures or outlays must be compared with budgeted amounts for each grant or subgrant. Financial information must be related to performance or productivity data, including the development of unit cost information whenever appropriate or specifically required in the grant or subgrant agreement. If unit cost data are required, estimates based on available documentation will be accepted whenever possible.

(5) *Allowable cost.* Applicable OMB cost principles, agency program regulations, and the terms of grant and subgrant agreements will be followed in determining the reasonableness, allowability, and allocability of costs.

(6) *Source documentation.* Accounting records must be supported by such source documentation as cancelled checks, paid bills, payrolls, time and attendance records, contract and subgrant award documents, etc.

(7) *Cash management.* Procedures for minimizing the time elapsing between the transfer of funds from the U.S. Treasury and disbursement by grantees and subgrantees must be followed whenever advance payment procedures are used. Grantees must establish reasonable procedures to ensure the receipt of reports on subgrantees' cash balances and cash disbursements in sufficient time to enable them to prepare complete and accurate cash transactions reports to the awarding agency. When advances are made by letter-of-credit or electronic transfer of funds methods, the grantee must make

drawdowns as close as possible to the time of making disbursements. Grantees must monitor cash drawdowns by their subgrantees to assure that they conform substantially to the same standards of timing and amount as apply to advances to the grantees.

(c) An awarding agency may review the adequacy of the financial management system of any applicant for financial assistance as part of a preaward review or at any time subsequent to award.

§97.21 Payment.

(a) *Scope.* This section prescribes the basic standard and the methods under which a Federal agency will make payments to grantees, and grantees will make payments to subgrantees and contractors.

(b) *Basic standard.* Methods and procedures for payment shall minimize the time elapsing between the transfer of funds and disbursement by the grantee or subgrantee, in accordance with Treasury regulations at 31 CFR part 205.

(c) *Advances.* Grantees and subgrantees shall be paid in advance, provided they maintain or demonstrate the willingness and ability to maintain procedures to minimize the time elapsing between the transfer of the funds and their disbursement by the grantee or subgrantee.

(d) *Reimbursement.* Reimbursement shall be the preferred method when the requirements in paragraph (c) of this section are not met. Grantees and subgrantees may also be paid by reimbursement for any construction grant. Except as otherwise specified in regulation, Federal agencies shall not use the percentage of completion method to pay construction grants. The grantee or subgrantee may use that method to pay its construction contractor, and if it does, the awarding agency's payments to the grantee or subgrantee will be based on the grantee's or subgrantee's actual rate of disbursement.

(e) *Working capital advances.* If a grantee cannot meet the criteria for advance payments described in paragraph (c) of this section, and the Federal agency has determined that reimbursement is not feasible because the

§ 97.22

29 CFR Subtitle A (7-1-21 Edition)

grantee lacks sufficient working capital, the awarding agency may provide cash or a working capital advance basis. Under this procedure the awarding agency shall advance cash to the grantee to cover its estimated disbursement needs for an initial period generally geared to the grantee's disbursing cycle. Thereafter, the awarding agency shall reimburse the grantee for its actual cash disbursements. The working capital advance method of payment shall not be used by grantees or subgrantees if the reason for using such method is the unwillingness or inability of the grantee to provide timely advances to the subgrantee to meet the subgrantee's actual cash disbursements.

(f) *Effect of program income, refunds, and audit recoveries on payment.* (1) Grantees and subgrantees shall disburse repayments to and interest earned on a revolving fund before requesting additional cash payments for the same activity.

(2) Except as provided in paragraph (f)(1) of this section, grantees and subgrantees shall disburse program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting additional cash payments.

(g) *Withholding payments.* (1) Unless otherwise required by Federal statute, awarding agencies shall not withhold payments for proper charges incurred by grantees or subgrantees unless—

(i) The grantee or subgrantee has failed to comply with grant award conditions or

(ii) The grantee or subgrantee is indebted to the United States.

(2) Cash withheld for failure to comply with grant award condition, but without suspension of the grant, shall be released to the grantee upon subsequent compliance. When a grant is suspended, payment adjustments will be made in accordance with § 97.43(c).

(3) A Federal agency shall not make payment to grantees for amounts that are withheld by grantees or subgrantees from payment to contractors to assure satisfactory completion of work. Payments shall be made by the

Federal agency when the grantees or subgrantees actually disburse the withheld funds to the contractors or to escrow accounts established to assure satisfactory completion of work.

(h) *Cash depositories.* (1) Consistent with the national goal of expanding the opportunities for minority business enterprises, grantees and subgrantees are encouraged to use minority banks (a bank which is owned at least 50 percent by minority group members). A list of minority owned banks can be obtained from the Minority Business Development Agency, Department of Commerce, Washington, DC 20230.

(2) A grantee or subgrantee shall maintain a separate bank account only when required by Federal-State agreement.

(i) *Interest earned on advances.* Except for interest earned on advances of funds exempt under the Intergovernmental Cooperation Act (31 U.S.C. 6501 *et seq.*) and the Indian Self-Determination Act (23 U.S.C. 450), grantees and subgrantees shall promptly, but at least quarterly, remit interest earned on advances to the Federal agency. The grantee or subgrantee may keep interest amounts up to \$100 per year for administrative expenses.

§ 97.22 Allowable costs.

(a) *Limitation on use of funds.* Grant funds may be used only for:

(1) The allowable costs of the grantees, subgrantees and cost-type contractors, including allowable costs in the form of payments to fixed-price contractors; and

(2) Reasonable fees or profit to cost-type contractors but not any fee or profit (or other increment above allowable costs) to the grantee or subgrantee.

(b) *Applicable cost principles.* For each kind of organization, there is a set of Federal principles for determining allowable costs. Allowable costs will be determined in accordance with the cost principles applicable to the organization incurring the costs. The following chart lists the kinds of organizations and the applicable cost principles.

§ 97.23 Period of availability of funds.

(a) *General.* Where a funding period is specified, a grantee may charge to the award only costs resulting from obligations of the funding period unless carryover of unobligated balances is permitted, in which case the carryover balances may be charged for costs resulting from obligations of the subsequent funding period.

(b) *Liquidation of obligations.* A grantee must liquidate all obligations incurred under the award not later than 90 days after the end of the funding period (or as specified in a program regulation) to coincide with the submission of the annual Financial Status Report (SF-269). The Federal agency may extend this deadline at the request of the grantee.

§ 97.24 Matching or cost sharing.

(a) *Basic rule: Costs and contributions acceptable.* With the qualifications and exceptions listed in paragraph (b) of this section, a matching or cost sharing requirement may be satisfied by either or both of the following:

(1) Allowable costs incurred by the grantee, subgrantee or a cost-type contractor under the assistance agreement. This includes allowable costs borne by non-Federal grants or by others cash donations from non-Federal third parties.

(2) The value of third party in-kind contributions applicable to the period to which the cost sharing or matching requirements applies.

(b) *Qualifications and exceptions—(1) Costs borne by other Federal grant agreements.* Except as provided by Federal statute, a cost sharing or matching requirement may not be met by costs borne by another Federal grant. This prohibition does not apply to income

earned by a grantee or subgrantee from a contract awarded under another Federal grant.

(2) *General revenue sharing.* For the purpose of this section, general revenue sharing funds distributed under 31 U.S.C. 6702 are not considered Federal grant funds.

(3) *Cost or contributions counted towards other Federal costs-sharing requirements.* Neither costs nor the values of third party in-kind contributions may count towards satisfying a cost sharing or matching requirement of a grant agreement if they have been or will be counted towards satisfying a cost sharing or matching requirement of another Federal grant agreement, a Federal procurement contract, or any other award of Federal funds.

(4) *Costs financed by program income.* Costs financed by program income, as defined in § 97.25, shall not count towards satisfying a cost sharing or matching requirement unless they are expressly permitted in the terms of the assistance agreement. (This use of general program income is described in § 97.25(g).)

(5) *Services or property financed by income earned by contractors.* Contractors under a grant may earn income from the activities carried out under the contract in addition to the amounts earned from the party awarding the contract. No costs of services or property supported by this income may count toward satisfying a cost sharing or matching requirement unless other provisions of the grant agreement expressly permit this kind of income to be used to meet the requirement.

(6) *Records.* Costs and third party in-kind contributions counting towards satisfying a cost sharing or matching requirement must be verifiable from the records of grantees and subgrantee or cost-type contractors. These records must show how the value placed on

§ 97.24

29 CFR Subtitle A (7-1-21 Edition)

third party in-kind contributions was derived. To the extent feasible, volunteer services will be supported by the same methods that the organization uses to support the allocability of regular personnel costs.

(7) *Special standards for third party in-kind contributions.* (i) Third party in-kind contributions count towards satisfying a cost sharing or matching requirement only where, if the party receiving the contributions were to pay for them, the payments would be allowable costs.

(ii) Some third party in-kind contributions are goods and services that, if the grantee, subgrantee, or contractor receiving the contribution had to pay for them, the payments would have been an indirect costs. Costs sharing or matching credit for such contributions shall be given only if the grantee, subgrantee, or contractor has established, along with its regular indirect cost rate, a special rate for allocating to individual projects or programs the value of the contributions.

(iii) A third party in-kind contribution to a fixed-price contract may count towards satisfying a cost sharing or matching requirement only if it results in:

(A) An increase in the services or property provided under the contract (without additional cost to the grantee or subgrantee) or

(B) A cost savings to the grantee or subgrantee.

(iv) The values placed on third party in-kind contributions for cost sharing or matching purposes will conform to the rules in the succeeding sections of this part. If a third party in-kind contribution is a type not treated in those sections, the value placed upon it shall be fair and reasonable.

(c) *Valuation of donated services—(1) Volunteer services.* Unpaid services provided to a grantee or subgrantee by individuals will be valued at rates consistent with those ordinarily paid for similar work in the grantee's or subgrantee's organization. If the grantee or subgrantee does not have employees performing similar work, the rates will be consistent with those ordinarily paid by other employers for similar work in the same labor market. In either case, a reasonable amount for

fringe benefits may be included in the valuation.

(2) *Employees of other organizations.* When an employer other than a grantee, subgrantee, or cost-type contractor furnishes free of charge the services of an employee in the employee's normal line of work, the services will be valued at the employee's regular rate of pay exclusive of the employee's fringe benefits and overhead costs. If the services are in a different line of work, paragraph (c)(1) of this section applies.

(d) *Valuation of third party donated supplies and loaned equipment or space.*

(1) If a third party donates supplies, the contribution will be valued at the market value of the supplies at the time of donation.

(2) If a third party donates the use of equipment or space in a building but retains title, the contribution will be valued at the fair rental rate of the equipment or space.

(e) *Valuation of third party donated equipment, buildings, and land.* If a third party donates equipment, buildings, or land, and title passes to a grantee or subgrantee, the treatment of the donated property will depend upon the purpose of the grant or subgrant, as follows:

(1) *Awards for capital expenditures.* If the purpose of the grant or subgrant is to assist the grantee or subgrantee in the acquisition of property, the market value of that property at the time of donation may be counted as cost sharing or matching,

(2) *Other awards.* If assisting in the acquisition of property is not the purpose of the grant or subgrant, paragraphs (e)(2) (i) and (ii) of this section apply:

(i) If approval is obtained from the awarding agency, the market value at the time of donation of the donated equipment or buildings and the fair rental rate of the donated land may be counted as cost sharing or matching. In the case of a subgrant, the terms of the grant agreement may require that the approval be obtained from the Federal agency as well as the grantee. In all cases, the approval may be given only if a purchase of the equipment or rental of the land would be approved as an allowable direct cost. If any part of the donated property was acquired

with Federal funds, only the non-federal share of the property may be counted as cost-sharing or matching.

(ii) If approval is not obtained under paragraph (e)(2)(i) of this section, no amount may be counted for donated land, and only depreciation or use allowances may be counted for donated equipment and buildings. The depreciation or use allowances for this property are not treated as third party in-kind contributions. Instead, they are treated as costs incurred by the grantee or subgrantee. They are computed and allocated (usually as indirect costs) in accordance with the cost principles specified in § 97.22, in the same way as depreciation or use allowances for purchased equipment and buildings. The amount of depreciation or use allowances for donated equipment and buildings is based on the property's market value at the time it was donated.

(f) *Valuation of grantee or subgrantee donated real property for construction/acquisition.* If a grantee or subgrantee donates real property for a construction or facilities acquisition project, the current market value of that property may be counted as cost sharing or matching. If any part of the donated property was acquired with Federal funds, only the non-federal share of the property may be counted as cost sharing or matching.

(g) *Appraisal of real property.* In some cases under paragraphs (d), (e) and (f) of this section, it will be necessary to establish the market value of land or a building or the fair rental rate of land or of space in a building. In these cases, the Federal agency may require the market value or fair rental value be set by an independent appraiser, and that the value or rate be certified by the grantee. This requirement will also be imposed by the grantee on subgrantees.

§ 97.25 Program income.

(a) *General.* Grantees are encouraged to earn income to defray program costs. Program income includes income from fees for services performed, from the use or rental of real or personal property acquired with grant funds, from the sale of commodities or items fabricated under a grant agreement, and from payments of principal and interest on loans made with grant funds.

Except as otherwise provided in regulations of the Federal agency, program income does not include interest on grant funds, rebates, credits, discounts, refunds, etc. and interest earned on any of them.

(b) *Definition of program income.* Program income means gross income received by the grantee or subgrantee directly generated by a grant supported activity, or earned only as a result of the grant agreement during the grant period. *During the grant period* is the time between the effective date of the award and the ending date of the award reflected in the final financial report.

(c) *Cost of generating program income.* If authorized by Federal regulations or the grant agreement, costs incident to the generation of program income may be deducted from gross income to determine program income.

(d) *Governmental revenues.* Taxes, special assessments, levies, fines, and other such revenues raised by a grantee or subgrantee are not program income unless the revenues are specifically identified in the grant agreement or Federal agency regulations as program income.

(e) *Royalties.* Income from royalties and license fees for copyrighted material, patents, and inventions developed by a grantee or subgrantee is program income only if the revenues are specifically identified in the grant agreement or Federal agency regulations as program income. (See § 97.34.)

(f) *Property.* Proceeds from the sale of real property or equipment will be handled in accordance with the requirements of §§ 97.31 and 97.32.

(g) *Use of program income.* Program income shall be deducted from outlays which may be both Federal and non-Federal as described below, unless the Federal agency regulations or the grant agreement specify another alternative (or a combination of the alternatives). In specifying alternatives, the Federal agency may distinguish between income earned by the grantee and income earned by subgrantees and between the sources, kinds, or amounts of income. When Federal agencies authorize the alternatives in paragraphs (g) (2) and (3) of this section, program

§97.26

income in excess of any limits stipulated shall also be deducted from outlays.

(1) *Deduction.* Ordinarily program income shall be deducted from total allowable costs to determine the net allowable costs. Program income shall be used for current costs unless the Federal agency authorizes otherwise. Program income which the grantee did not anticipate at the time of the award shall be used to reduce the Federal agency and grantee contributions rather than to increase the funds committed to the project.

(2) *Addition.* When authorized, program income may be added to the funds committed to the grant agreement by the Federal agency and the grantee. The program income shall be used for the purposes and under the conditions of the grant agreement.

(3) *Cost sharing or matching.* When authorized, program income may be used to meet the cost sharing or matching requirement of the grant agreement. The amount of the Federal grant award remains the same.

(h) *Income after the award period.* There are no Federal requirements governing the disposition of program income earned after the end of the award period (i.e., until the ending date of the final financial report, see paragraph (a) of this section), unless the terms of the agreement or the Federal agency regulations provide otherwise.

§97.26 Non-Federal audit.

(a) *Basic rule.* Grantees and subgrantees are responsible for obtaining audits in accordance with the Single Audit Act Amendments of 1996 (31 U.S.C. 7501–7507) and revised OMB Circular A-133, “Audits of States, Local Governments, and Non-Profit Organizations.” The audits shall be made by an independent auditor in accordance with generally accepted government auditing standards covering financial audits.

(b) *Subgrantees.* State or local governments, as those terms are defined for purposes of the Single Audit Act Amendments of 1996, that provide Federal awards to a subgrantee, expends \$300,000 or more (or \$500,000 or more for fiscal years ending after December 31, 2003 or such other amount as specified

29 CFR Subtitle A (7–1–21 Edition)

by OMB) in Federal awards in a fiscal year, shall:

(1) Determine whether State or local subgrantees have met the audit requirements of the Act and whether subgrantees covered by OMB Circular A-110, “Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations,” have met the audit requirements of the Act. Commercial contractors (private for-profit and private and governmental organizations) providing goods and services to State and local governments are not required to have a single audit performed. State and local governments should use their own procedures to ensure that the contractor has complied with laws and regulations affecting the expenditure of Federal funds;

(2) Determine whether the subgrantee spent Federal assistance funds provided in accordance with applicable laws and regulations. This may be accomplished by reviewing an audit of the subgrantee made in accordance with the Act, Circular A-110 (as codified at 2 CFR part 215), or through other means (e.g., program reviews) if the subgrantee has not had such an audit;

(3) Ensure that appropriate corrective action is taken within six months after receipt of the audit report in instance of noncompliance with Federal laws and regulations;

(4) Consider whether subgrantee audits necessitate adjustment of the grantee’s own records; and

(5) Require each subgrantee to permit independent auditors to have access to the records and financial statements.

(c) *Auditor selection.* In arranging for audit services, §97.36 shall be followed.

[53 FR 8069, 8087, Mar. 11, 1988, as amended at 62 FR 45939, 45942, Aug. 29, 1997; 72 FR 37105, July 9, 2007]

CHANGES, PROPERTY, AND SUBAWARDS

§97.30 Changes.

(a) *General.* Grantees and subgrantees are permitted to rebudget within the approved direct cost budget to meet unanticipated requirements and may make limited program changes to the approved project. However, unless

waived by the awarding agency, certain types of post-award changes in budgets and projects shall require the prior written approval of the awarding agency.

(b) *Relation to cost principles.* The applicable cost principles (see §97.22) contain requirements for prior approval of certain types of costs. Except where waived, those requirements apply to all grants and subgrants even if paragraphs (c) through (f) of this section do not.

(c) *Budget changes*—(1) *Nonconstruction projects.* Except as stated in other regulations or an award document, grantees or subgrantees shall obtain the prior approval of the awarding agency whenever any of the following changes is anticipated under a non-construction award:

(i) Any revision which would result in the need for additional funding.

(ii) Unless waived by the awarding agency, cumulative transfers among direct cost categories, or, if applicable, among separately budgeted programs, projects, functions, or activities which exceed or are expected to exceed ten percent of the current total approved budget, whenever the awarding agency's share exceeds \$100,000.

(iii) Transfer of funds allotted for training allowances (i.e., from direct payments to trainees to other expense categories).

(2) *Construction projects.* Grantees and subgrantees shall obtain prior written approval for any budget revision which would result in the need for additional funds.

(3) *Combined construction and non-construction projects.* When a grant or subgrant provides funding for both construction and nonconstruction activities, the grantee or subgrantee must obtain prior written approval from the awarding agency before making any fund or budget transfer from non-construction to construction or vice versa.

(d) *Programmatic changes.* Grantees or subgrantees must obtain the prior approval of the awarding agency whenever any of the following actions is anticipated:

(1) Any revision of the scope or objectives of the project (regardless of

whether there is an associated budget revision requiring prior approval).

(2) Need to extend the period of availability of funds.

(3) Changes in key persons in cases where specified in an application or a grant award. In research projects, a change in the project director or principal investigator shall always require approval unless waived by the awarding agency.

(4) Under nonconstruction projects, contracting out, subgranting (if authorized by law) or otherwise obtaining the services of a third party to perform activities which are central to the purposes of the award. This approval requirement is in addition to the approval requirements of §97.36 but does not apply to the procurement of equipment, supplies, and general support services.

(e) *Additional prior approval requirements.* The awarding agency may not require prior approval for any budget revision which is not described in paragraph (c) of this section.

(f) *Requesting prior approval.* (1) A request for prior approval of any budget revision will be in the same budget form as the grantee used in its application and shall be accompanied by a narrative justification for the proposed revision.

(2) A request for a prior approval under the applicable Federal cost principles (see §97.22) may be made by letter.

(3) A request by a subgrantee for prior approval will be addressed in writing to the grantee. The grantee will promptly review such request and shall approve or disapprove the request in writing. A grantee will not approve any budget or project revision which is inconsistent with the purpose or terms and conditions of the Federal grant to the grantee. If the revision, requested by the subgrantee would result in a change to the grantee's approved project which requires Federal prior approval, the grantee will obtain the Federal agency's approval before approving the subgrantee's request.

§97.31 Real property.

(a) *Title.* Subject to the obligations and conditions set forth in this section, title to real property acquired under a

§ 97.32

grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively.

(b) *Use.* Except as otherwise provided by Federal statutes, real property will be used for the originally authorized purposes as long as needed for that purposes, and the grantee or subgrantee shall not dispose of or encumber its title or other interests.

(c) *Disposition.* When real property is no longer needed for the originally authorized purpose, the grantee or subgrantee will request disposition instructions from the awarding agency. The instructions will provide for one of the following alternatives:

(1) *Retention of title.* Retain title after compensating the awarding agency. The amount paid to the awarding agency will be computed by applying the awarding agency's percentage of participation in the cost of the original purchase to the fair market value of the property. However, in those situations where a grantee or subgrantee is disposing of real property acquired with grant funds and acquiring replacement real property under the same program, the net proceeds from the disposition may be used as an offset to the cost of the replacement property.

(2) *Sale of property.* Sell the property and compensate the awarding agency. The amount due to the awarding agency will be calculated by applying the awarding agency's percentage of participation in the cost of the original purchase to the proceeds of the sale after deduction of any actual and reasonable selling and fixing-up expenses. If the grant is still active, the net proceeds from sale may be offset against the original cost of the property. When a grantee or subgrantee is directed to sell property, sales procedures shall be followed that provide for competition to the extent practicable and result in the highest possible return.

(3) *Transfer of title.* Transfer title to the awarding agency or to a third-party designated/approved by the awarding agency. The grantee or subgrantee shall be paid an amount calculated by applying the grantee or subgrantee's percentage of participation in the purchase of the real property to the current fair market value of the property.

29 CFR Subtitle A (7-1-21 Edition)

§ 97.32 Equipment.

(a) *Title.* Subject to the obligations and conditions set forth in this section, title to equipment acquired under a grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively.

(b) *States.* A State will use, manage, and dispose of equipment acquired under a grant by the State in accordance with State laws and procedures. Other grantees and subgrantees will follow paragraphs (c) through (e) of this section.

(c) *Use.* (1) Equipment shall be used by the grantee or subgrantee in the program or project for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds. When no longer needed for the original program or project, the equipment may be used in other activities currently or previously supported by a Federal agency.

(2) The grantee or subgrantee shall also make equipment available for use on other projects or programs currently or previously supported by the Federal Government, providing such use will not interfere with the work on the projects or program for which it was originally acquired. First preference for other use shall be given to other programs or projects supported by the awarding agency. User fees should be considered if appropriate.

(3) Notwithstanding the encouragement in § 97.25(a) to earn program income, the grantee or subgrantee must not use equipment acquired with grant funds to provide services for a fee to compete unfairly with private companies that provide equivalent services, unless specifically permitted or contemplated by Federal statute.

(4) When acquiring replacement equipment, the grantee or subgrantee may use the equipment to be replaced as a trade-in or sell the property and use the proceeds to offset the cost of the replacement property, subject to the approval of the awarding agency.

(d) *Management requirements.* Procedures for managing equipment (including replacement equipment), whether acquired in whole or in part with grant funds, until disposition takes place

will, as a minimum, meet the following requirements:

(1) Property records must be maintained that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, percentage of Federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property.

(2) A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.

(3) A control system must be developed to ensure adequate safeguards to prevent loss, damage, or theft of the property. Any loss, damage, or theft shall be investigated.

(4) Adequate maintenance procedures must be developed to keep the property in good condition.

(5) If the grantee or subgrantee is authorized or required to sell the property, proper sales procedures must be established to ensure the highest possible return.

(e) *Disposition.* When original or replacement equipment acquired under a grant or subgrant is no longer needed for the original project or program or for other activities currently or previously supported by a Federal agency, disposition of the equipment will be made as follows:

(1) Items of equipment with a current per-unit fair market value of less than \$5,000 may be retained, sold or otherwise disposed of with no further obligation to the awarding agency.

(2) Items of equipment with a current per unit fair market value in excess of \$5,000 may be retained or sold and the awarding agency shall have a right to an amount calculated by multiplying the current market value or proceeds from sale by the awarding agency's share of the equipment.

(3) In cases where a grantee or subgrantee fails to take appropriate disposition actions, the awarding agency may direct the grantee or subgrantee to take excess and disposition actions.

(f) *Federal equipment.* In the event a grantee or subgrantee is provided federally-owned equipment:

(1) Title will remain vested in the Federal Government.

(2) Grantees or subgrantees will manage the equipment in accordance with Federal agency rules and procedures, and submit an annual inventory listing.

(3) When the equipment is no longer needed, the grantee or subgrantee will request disposition instructions from the Federal agency.

(g) *Right to transfer title.* The Federal awarding agency may reserve the right to transfer title to the Federal Government or a third part named by the awarding agency when such a third party is otherwise eligible under existing statutes. Such transfers shall be subject to the following standards:

(1) The property shall be identified in the grant or otherwise made known to the grantee in writing.

(2) The Federal awarding agency shall issue disposition instruction within 120 calendar days after the end of the Federal support of the project for which it was acquired. If the Federal awarding agency fails to issue disposition instructions within the 120 calendar-day period the grantee shall follow §97.32(e).

(3) When title to equipment is transferred, the grantee shall be paid an amount calculated by applying the percentage of participation in the purchase to the current fair market value of the property.

§97.33 Supplies.

(a) *Title.* Title to supplies acquired under a grant or subgrant will vest, upon acquisition, in the grantee or subgrantee respectively.

(b) *Disposition.* If there is a residual inventory of unused supplies exceeding \$5,000 in total aggregate fair market value upon termination or completion of the award, and if the supplies are not needed for any other federally sponsored programs or projects, the grantee or subgrantee shall compensate the awarding agency for its share.

§ 97.34

§ 97.34 Copyrights.

The Federal awarding agency reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for Federal Government purposes:

(a) The copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and

(b) Any rights of copyright to which a grantee, subgrantee or a contractor purchases ownership with grant support.

§ 97.35 Subawards to debarred and suspended parties.

Grantees and subgrantees must not make any award or permit any award (subgrant or contract) at any tier to any party which is debarred or suspended or is otherwise excluded from or ineligible for participation in Federal assistance programs under Executive Order 12549, "Debarment and Suspension."

§ 97.36 Procurement.

(a) *States.* When procuring property and services under a grant, a State will follow the same policies and procedures it uses for procurements from its non-Federal funds. The State will ensure that every purchase order or other contract includes any clauses required by Federal statutes and executive orders and their implementing regulations. Other grantees and subgrantees will follow paragraphs (b) through (i) in this section.

(b) *Procurement standards.* (1) Grantees and subgrantees will use their own procurement procedures which reflect applicable State and local laws and regulations, provided that the procurements conform to applicable Federal law and the standards identified in this section.

(2) Grantees and subgrantees will maintain a contract administration system which ensures that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders.

(3) Grantees and subgrantees will maintain a written code of standards of conduct governing the performance of their employees engaged in the award and administration of contracts. No

29 CFR Subtitle A (7-1-21 Edition)

employee, officer or agent of the grantee or subgrantee shall participate in selection, or in the award or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when:

(i) The employee, officer or agent,

(ii) Any member of his immediate family,

(iii) His or her partner, or

(iv) An organization which employs, or is about to employ, any of the above, has a financial or other interest in the firm selected for award. The grantee's or subgrantee's officers, employees or agents will neither solicit nor accept gratuities, favors or anything of monetary value from contractors, potential contractors, or parties to subagreements. Grantee and subgrantees may set minimum rules where the financial interest is not substantial or the gift is an unsolicited item of nominal intrinsic value. To the extent permitted by State or local law or regulations, such standards or conduct will provide for penalties, sanctions, or other disciplinary actions for violations of such standards by the grantee's and subgrantee's officers, employees, or agents, or by contractors or their agents. The awarding agency may in regulation provide additional prohibitions relative to real, apparent, or potential conflicts of interest.

(4) Grantee and subgrantee procedures will provide for a review of proposed procurements to avoid purchase of unnecessary or duplicative items. Consideration should be given to consolidating or breaking out procurements to obtain a more economical purchase. Where appropriate, an analysis will be made of lease versus purchase alternatives, and any other appropriate analysis to determine the most economical approach.

(5) To foster greater economy and efficiency, grantees and subgrantees are encouraged to enter into State and local intergovernmental agreements for procurement or use of common goods and services.

(6) Grantees and subgrantees are encouraged to use Federal excess and surplus property in lieu of purchasing new equipment and property whenever such

use is feasible and reduces project costs.

(7) Grantees and subgrantees are encouraged to use value engineering clauses in contracts for construction projects of sufficient size to offer reasonable opportunities for cost reductions. Value engineering is a systematic and creative analysis of each contract item or task to ensure that its essential function is provided at the overall lower cost.

(8) Grantees and subgrantees will make awards only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources.

(9) Grantees and subgrantees will maintain records sufficient to detail the significant history of a procurement. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price.

(10) Grantees and subgrantees will use time and material type contracts only—

(i) After a determination that no other contract is suitable, and

(ii) If the contract includes a ceiling price that the contractor exceeds at its own risk.

(11) Grantees and subgrantees alone will be responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to source evaluation, protests, disputes, and claims. These standards do not relieve the grantee or subgrantee of any contractual responsibilities under its contracts. Federal agencies will not substitute their judgment for that of the grantee or subgrantee unless the matter is primarily a Federal concern. Violations of law will be referred to the local, State, or Federal authority having proper jurisdiction.

(12) Grantees and subgrantees will have protest procedures to handle and

resolve disputes relating to their procurements and shall in all instances disclose information regarding the protest to the awarding agency. A protestor must exhaust all administrative remedies with the grantee and subgrantee before pursuing a protest with the Federal agency. Reviews of protests by the Federal agency will be limited to:

(i) Violations of Federal law or regulations and the standards of this section (violations of State or local law will be under the jurisdiction of State or local authorities) and

(ii) Violations of the grantee's or subgrantee's protest procedures for failure to review a complaint or protest. Protests received by the Federal agency other than those specified above will be referred to the grantee or subgrantee.

(c) *Competition.* (1) All procurement transactions will be conducted in a manner providing full and open competition consistent with the standards of § 97.36. Some of the situations considered to be restrictive of competition include but are not limited to:

(i) Placing unreasonable requirements on firms in order for them to qualify to do business,

(ii) Requiring unnecessary experience and excessive bonding,

(iii) Noncompetitive pricing practices between firms or between affiliated companies,

(iv) Noncompetitive awards to consultants that are on retainer contracts,

(v) Organizational conflicts of interest,

(vi) Specifying only a "brand name" product instead of allowing "an equal" product to be offered and describing the performance of other relevant requirements of the procurement, and

(vii) Any arbitrary action in the procurement process.

(2) Grantees and subgrantees will conduct procurements in a manner that prohibits the use of statutorily or administratively imposed in-State or local geographical preferences in the evaluation of bids or proposals, except in those cases where applicable Federal statutes expressly mandate or encourage geographic preference. Nothing in this section preempts State licensing laws. When contracting for architectural and engineering (A/E) services,

§97.36

29 CFR Subtitle A (7-1-21 Edition)

geographic location may be a selection criteria provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

(3) Grantees will have written selection procedures for procurement transactions. These procedures will ensure that all solicitations:

(i) Incorporate a clear and accurate description of the technical requirements for the material, product, or service to be procured. Such description shall not, in competitive procurements, contain features which unduly restrict competition. The description may include a statement of the qualitative nature of the material, product or service to be procured, and when necessary, shall set forth those minimum essential characteristics and standards to which it must conform if it is to satisfy its intended use. Detailed product specifications should be avoided if at all possible. When it is impractical or uneconomical to make a clear and accurate description of the technical requirements, a "brand name or equal" description may be used as a means to define the performance or other salient requirements of a procurement. The specific features of the named brand which must be met by offerors shall be clearly stated; and

(ii) Identify all requirements which the offerors must fulfill and all other factors to be used in evaluating bids or proposals.

(4) Grantees and subgrantees will ensure that all prequalified lists of persons, firms, or products which are used in acquiring goods and services are current and include enough qualified sources to ensure maximum open and free competition. Also, grantees and subgrantees will not preclude potential bidders from qualifying during the solicitation period.

(d) *Methods of procurement to be followed*—(1) *Procurement by small purchase procedures.* Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies, or other property that do not cost more than the simplified acquisition threshold fixed at 41 U.S.C. 403(11) (currently set at \$100,000, subject to adjustment for inflation). If small purchase procedures are used,

price or rate quotations shall be obtained from an adequate number of qualified sources.

(2) Procurement by *sealed bids* (formal advertising). Bids are publicly solicited and a firm-fixed-price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. The sealed bid method is the preferred method for procuring construction, if the conditions in §97.36(d)(2)(i) apply.

(i) In order for sealed bidding to be feasible, the following conditions should be present:

(A) A complete, adequate, and realistic specification or purchase description is available;

(B) Two or more responsible bidders are willing and able to compete effectively and for the business; and

(C) The procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price.

(ii) If sealed bids are used, the following requirements apply:

(A) The invitation for bids will be publicly advertised and bids shall be solicited from an adequate number of known suppliers, providing them sufficient time prior to the date set for opening the bids;

(B) The invitation for bids, which will include any specifications and pertinent attachments, shall define the items or services in order for the bidder to properly respond;

(C) All bids will be publicly opened at the time and place prescribed in the invitation for bids;

(D) A firm fixed-price contract award will be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs shall be considered in determining which bid is lowest. Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of; and

(E) Any or all bids may be rejected if there is a sound documented reason.

(3) Procurement by *competitive proposals*. The technique of competitive

proposals is normally conducted with more than one source submitting an offer, and either a fixed-price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used, the following requirements apply:

(i) Requests for proposals will be publicized and identify all evaluation factors and their relative importance. Any response to publicized requests for proposals shall be honored to the maximum extent practical;

(ii) Proposals will be solicited from an adequate number of qualified sources;

(iii) Grantees and subgrantees will have a method for conducting technical evaluations of the proposals received and for selecting awardees;

(iv) Awards will be made to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered; and

(v) Grantees and subgrantees may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in procurement of A/E professional services. It cannot be used to purchase other types of services though A/E firms are a potential source to perform the proposed effort.

(4) Procurement by *noncompetitive proposals* is procurement through solicitation of a proposal from only one source, or after solicitation of a number of sources, competition is determined inadequate.

(i) Procurement by noncompetitive proposals may be used only when the award of a contract is infeasible under small purchase procedures, sealed bids or competitive proposals and one of the following circumstances applies:

(A) The item is available only from a single source;

(B) The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation;

(C) The awarding agency authorizes noncompetitive proposals; or

(D) After solicitation of a number of sources, competition is determined inadequate.

(ii) Cost analysis, i.e., verifying the proposed cost data, the projections of the data, and the evaluation of the specific elements of costs and profits, is required.

(iii) Grantees and subgrantees may be required to submit the proposed procurement to the awarding agency for pre-award review in accordance with paragraph (g) of this section.

(e) *Contracting with small and minority firms, women's business enterprise and labor surplus area firms.* (1) The grantee and subgrantee will take all necessary affirmative steps to assure that minority firms, women's business enterprises, and labor surplus area firms are used when possible.

(2) Affirmative steps shall include:

(i) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

(ii) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

(iii) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises;

(iv) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women's business enterprises;

(v) Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce; and

(vi) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (e)(2) (i) through (v) of this section.

(f) *Contract cost and price.* (1) Grantees and subgrantees must perform a cost or price analysis in connection with every procurement action including contract modifications. The method and degree of analysis is dependent on the facts surrounding the particular

procurement situation, but as a starting point, grantees must make independent estimates before receiving bids or proposals. A cost analysis must be performed when the offeror is required to submit the elements of his estimated cost, e.g., under professional, consulting, and architectural engineering services contracts. A cost analysis will be necessary when adequate price competition is lacking, and for sole source procurements, including contract modifications or change orders, unless price reasonableness can be established on the basis of a catalog or market price of a commercial product sold in substantial quantities to the general public or based on prices set by law or regulation. A price analysis will be used in all other instances to determine the reasonableness of the proposed contract price.

(2) Grantees and subgrantees will negotiate profit as a separate element of the price for each contract in which there is no price competition and in all cases where cost analysis is performed. To establish a fair and reasonable profit, consideration will be given to the complexity of the work to be performed, the risk borne by the contractor, the contractor's investment, the amount of subcontracting, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work.

(3) Costs or prices based on estimated costs for contracts under grants will be allowable only to the extent that costs incurred or cost estimates included in negotiated prices are consistent with Federal cost principles (see §97.22). Grantees may reference their own cost principles that comply with the applicable Federal cost principles.

(4) The cost plus a percentage of cost and percentage of construction cost methods of contracting shall not be used.

(g) *Awarding agency review.* (1) Grantees and subgrantees must make available, upon request of the awarding agency, technical specifications on proposed procurements where the awarding agency believes such review is needed to ensure that the item and/or service specified is the one being proposed for purchase. This review gen-

erally will take place prior to the time the specification is incorporated into a solicitation document. However, if the grantee or subgrantee desires to have the review accomplished after a solicitation has been developed, the awarding agency may still review the specifications, with such review usually limited to the technical aspects of the proposed purchase.

(2) Grantees and subgrantees must on request make available for awarding agency pre-award review procurement documents, such as requests for proposals or invitations for bids, independent cost estimates, etc. when:

(i) A grantee's or subgrantee's procurement procedures or operation fails to comply with the procurement standards in this section; or

(ii) The procurement is expected to exceed the simplified acquisition threshold and is to be awarded without competition or only one bid or offer is received in response to a solicitation; or

(iii) The procurement, which is expected to exceed the simplified acquisition threshold, specifies a "brand name" product; or

(iv) The proposed award is more than the simplified acquisition threshold and is to be awarded to other than the apparent low bidder under a sealed bid procurement; or

(v) A proposed contract modification changes the scope of a contract or increases the contract amount by more than the simplified acquisition threshold.

(3) A grantee or subgrantee will be exempt from the pre-award review in paragraph (g)(2) of this section if the awarding agency determines that its procurement systems comply with the standards of this section.

(i) A grantee or subgrantee may request that its procurement system be reviewed by the awarding agency to determine whether its system meets these standards in order for its system to be certified. Generally, these reviews shall occur where there is a continuous high-dollar funding, and third-party contracts are awarded on a regular basis.

(ii) A grantee or subgrantee may self-certify its procurement system. Such self-certification shall not limit the

awarding agency's right to survey the system. Under a self-certification procedure, awarding agencies may wish to rely on written assurances from the grantee or subgrantee that it is complying with these standards. A grantee or subgrantee will cite specific procedures, regulations, standards, etc., as being in compliance with these requirements and have its system available for review.

(h) *Bonding requirements.* For construction or facility improvement contracts or subcontracts exceeding the simplified acquisition threshold, the awarding agency may accept the bonding policy and requirements of the grantee or subgrantee provided the awarding agency has made a determination that the awarding agency's interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows:

(1) *A bid guarantee from each bidder equivalent to five percent of the bid price.* The "bid guarantee" shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

(2) *A performance bond on the part of the contractor for 100 percent of the contract price.* A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.

(3) *A payment bond on the part of the contractor for 100 percent of the contract price.* A "payment bond" is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

(i) *Contract provisions.* A grantee's and subgrantee's contracts must contain provisions in paragraph (i) of this section. Federal agencies are permitted to require changes, remedies, changed conditions, access and records retention, suspension of work, and other clauses approved by the Office of Federal Procurement Policy.

(1) Administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as may be appropriate. (Contracts more than the simplified acquisition threshold)

(2) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of \$10,000)

(3) Compliance with Executive Order 11246 of September 24, 1965, entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations (41 CFR chapter 60). (All construction contracts awarded in excess of \$10,000 by grantees and their contractors or subgrantees)

(4) Compliance with the Copeland "Anti-Kickback" Act (18 U.S.C. 874) as supplemented in Department of Labor regulations (29 CFR part 3). (All contracts and subgrants for construction or repair)

(5) Compliance with the Davis-Bacon Act (40 U.S.C. 276a to 276a-7) as supplemented by Department of Labor regulations (29 CFR part 5). (Construction contracts in excess of \$2000 awarded by grantees and subgrantees when required by Federal grant program legislation)

(6) Compliance with Sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-330) as supplemented by Department of Labor regulations (29 CFR part 5). (Construction contracts awarded by grantees and subgrantees in excess of \$2000, and in excess of \$2500 for other contracts which involve the employment of mechanics or laborers)

(7) Notice of awarding agency requirements and regulations pertaining to reporting.

(8) Notice of awarding agency requirements and regulations pertaining to patent rights with respect to any discovery or invention which arises or is developed in the course of or under such contract.

(9) Awarding agency requirements and regulations pertaining to copyrights and rights in data.

§97.37

(10) Access by the grantee, the subgrantee, the Federal grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions.

(11) Retention of all required records for three years after grantees or subgrantees make final payments and all other pending matters are closed.

(12) Compliance with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857(h)), section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR part 15). (Contracts, subcontracts, and subgrants of amounts in excess of \$100,000)

(13) Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).

[53 FR 8069, Mar. 11, 1988, as amended at 60 FR 19639, 19643, Apr. 19, 1995; 72 FR 37105, July 9, 2007]

§97.37 Subgrants.

(a) *States.* States shall follow state law and procedures when awarding and administering subgrants (whether on a cost reimbursement or fixed amount basis) of financial assistance to local and Indian tribal governments. States shall:

(1) Ensure that every subgrant includes any clauses required by Federal statute and executive orders and their implementing regulations;

(2) Ensure that subgrantees are aware of requirements imposed upon them by Federal statute and regulation;

(3) Ensure that a provision for compliance with §97.42 is placed in every cost reimbursement subgrant; and

(4) Conform any advances of grant funds to subgrantees substantially to the same standards of timing and amount that apply to cash advances by Federal agencies.

29 CFR Subtitle A (7-1-21 Edition)

(b) *All other grantees.* All other grantees shall follow the provisions of this part which are applicable to awarding agencies when awarding and administering subgrants (whether on a cost reimbursement or fixed amount basis) of financial assistance to local and Indian tribal governments. Grantees shall:

(1) Ensure that every subgrant includes a provision for compliance with this part;

(2) Ensure that every subgrant includes any clauses required by Federal statute and executive orders and their implementing regulations; and

(3) Ensure that subgrantees are aware of requirements imposed upon them by Federal statutes and regulations.

(c) *Exceptions.* By their own terms, certain provisions of this part do not apply to the award and administration of subgrants:

(1) Section 97.10;

(2) Section 97.11;

(3) The letter-of-credit procedures specified in Treasury Regulations at 31 CFR part 205, cited in §97.21; and

(4) Section 97.50.

REPORTS, RECORDS RETENTION, AND ENFORCEMENT

§97.40 Monitoring and reporting program performance.

(a) *Monitoring by grantees.* Grantees are responsible for managing the day-to-day operations of grant and subgrant supported activities. Grantees must monitor grant and subgrant supported activities to assure compliance with applicable Federal requirements and that performance goals are being achieved. Grantee monitoring must cover each program, function or activity.

(b) *Nonconstruction performance reports.* The Federal agency may, if it decides that performance information available from subsequent applications contains sufficient information to meet its programmatic needs, require the grantee to submit a performance report only upon expiration or termination of grant support. Unless waived by the Federal agency this report will be due on the same date as the final Financial Status Report.

(1) Grantees shall submit annual performance reports unless the awarding agency requires quarterly or semi-annual reports. However, performance reports will not be required more frequently than quarterly. Annual reports shall be due 90 days after the grant year, quarterly or semi-annual reports shall be due 30 days after the reporting period. The final performance report will be due 90 days after the expiration or termination of grant support. If a justified request is submitted by a grantee, the Federal agency may extend the due date for any performance report. Additionally, requirements for unnecessary performance reports may be waived by the Federal agency.

(2) Performance reports will contain, for each grant, brief information on the following:

(i) A comparison of actual accomplishments to the objectives established for the period. Where the output of the project can be quantified, a computation of the cost per unit of output may be required if that information will be useful.

(ii) The reasons for slippage if established objectives were not met.

(iii) Additional pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

(3) Grantees will not be required to submit more than the original and two copies of performance reports.

(4) Grantees will adhere to the standards in this section in prescribing performance reporting requirements for subgrantees.

(c) *Construction performance reports.* For the most part, on-site technical inspections and certified percentage-of-completion data are relied on heavily by Federal agencies to monitor progress under construction grants and subgrants. The Federal agency will require additional formal performance reports only when considered necessary, and never more frequently than quarterly.

(d) *Significant developments.* Events may occur between the scheduled performance reporting dates which have significant impact upon the grant or subgrant supported activity. In such cases, the grantee must inform the

Federal agency as soon as the following types of conditions become known:

(1) Problems, delays, or adverse conditions which will materially impair the ability to meet the objective of the award. This disclosure must include a statement of the action taken, or contemplated, and any assistance needed to resolve the situation.

(2) Favorable developments which enable meeting time schedules and objectives sooner or at less cost than anticipated or producing more beneficial results than originally planned.

(e) Federal agencies may make site visits as warranted by program needs.

(f) *Waivers, extensions.* (1) Federal agencies may waive any performance report required by this part if not needed.

(2) The grantee may waive any performance report from a subgrantee when not needed. The grantee may extend the due date for any performance report from a subgrantee if the grantee will still be able to meet its performance reporting obligations to the Federal agency.

§97.41 Financial reporting.

(a) *General.* (1) Except as provided in paragraphs (a)(2) and (5) of this section, grantees will use only the forms specified in paragraphs (a) through (e) of this section, and such supplementary or other forms as may from time to time be authorized by OMB, for:

(i) Submitting financial reports to Federal agencies, or

(ii) Requesting advances or reimbursements when letters of credit are not used.

(2) Grantees need not apply the forms prescribed in this section in dealing with their subgrantees. However, grantees shall not impose more burdensome requirements on subgrantees.

(3) Grantees shall follow all applicable standard and supplemental Federal agency instructions approved by OMB to the extent required under the Paperwork Reduction Act of 1980 for use in connection with forms specified in paragraphs (b) through (e) of this section. Federal agencies may issue substantive supplementary instructions only with the approval of OMB. Federal agencies may shade out or instruct the grantee to disregard any line item that

§97.41

29 CFR Subtitle A (7-1-21 Edition)

the Federal agency finds unnecessary for its decisionmaking purposes.

(4) Grantees will not be required to submit more than the original and two copies of forms required under this part.

(5) Federal agencies may provide computer outputs to grantees to expedite or contribute to the accuracy of reporting. Federal agencies may accept the required information from grantees in machine usable format or computer printouts instead of prescribed forms.

(6) Federal agencies may waive any report required by this section if not needed.

(7) Federal agencies may extend the due date of any financial report upon receiving a justified request from a grantee.

(b) *Financial Status Report*—(1) *Form*. Grantees will use Standard Form 269 or 269A, Financial Status Report, to report the status of funds for all non-construction grants and for construction grants when required in accordance with §97.41(e)(2)(iii) of this section.

(2) *Accounting basis*. Each grantee will report program outlays and program income on a cash or accrual basis as prescribed by the awarding agency. If the Federal agency requires accrual information and the grantee's accounting records are not normally kept on the accrual basis, the grantee shall not be required to convert its accounting system but shall develop such accrual information through and analysis of the documentation on hand.

(3) *Frequency*. The Federal agency may prescribe the frequency of the report for each project or program. However, the report will not be required more frequently than quarterly. If the Federal agency does not specify the frequency of the report, it will be submitted annually. A final report will be required upon expiration or termination of grant support.

(4) *Due date*. When reports are required on a quarterly or semiannual basis, they will be due 30 days after the reporting period. When required on an annual basis, they will be due 90 days after the grant year. Final reports will be due 90 days after the expiration or termination of grant support.

(c) *Federal Cash Transactions Report*—

(1) *Form*. (i) For grants paid by letter or credit, Treasury check advances or electronic transfer of funds, the grantee will submit the Standard Form 272, Federal Cash Transactions Report, and when necessary, its continuation sheet, Standard Form 272a, unless the terms of the award exempt the grantee from this requirement.

(ii) These reports will be used by the Federal agency to monitor cash advanced to grantees and to obtain disbursement or outlay information for each grant from grantees. The format of the report may be adapted as appropriate when reporting is to be accomplished with the assistance of automatic data processing equipment provided that the information to be submitted is not changed in substance.

(2) *Forecasts of Federal cash requirements*. Forecasts of Federal cash requirements may be required in the "Remarks" section of the report.

(3) *Cash in hands of subgrantees*. When considered necessary and feasible by the Federal agency, grantees may be required to report the amount of cash advances in excess of three days' needs in the hands of their subgrantees or contractors and to provide short narrative explanations of actions taken by the grantee to reduce the excess balances.

(4) *Frequency and due date*. Grantees must submit the report no later than 15 working days following the end of each quarter. However, where an advance either by letter of credit or electronic transfer of funds is authorized at an annualized rate of one million dollars or more, the Federal agency may require the report to be submitted within 15 working days following the end of each month.

(d) *Request for advance or reimbursement*—(1) *Advance payments*. Requests for Treasury check advance payments will be submitted on Standard Form 270, Request for Advance or Reimbursement. (This form will not be used for drawdowns under a letter of credit, electronic funds transfer or when Treasury check advance payments are made to the grantee automatically on a predetermined basis.)

(2) *Reimbursements*. Requests for reimbursement under nonconstruction

grants will also be submitted on Standard Form 270. (For reimbursement requests under construction grants, see paragraph (e)(1) of this section.)

(3) The frequency for submitting payment requests is treated in § 97.41(b)(3).

(e) *Outlay report and request for reimbursement for construction programs.* (1) Grants that support construction activities paid by reimbursement method.

(i) Requests for reimbursement under construction grants will be submitted on Standard Form 271, Outlay Report and Request for Reimbursement for Construction Programs. Federal agencies may, however, prescribe the Request for Advance or Reimbursement form, specified in § 97.41(d), instead of this form.

(ii) The frequency for submitting reimbursement requests is treated in § 97.41(b)(3).

(2) Grants that support construction activities paid by letter of credit, electronic funds transfer or Treasury check advance.

(i) When a construction grant is paid by letter of credit, electronic funds transfer or Treasury check advances, the grantee will report its outlays to the Federal agency using Standard Form 271, Outlay Report and Request for Reimbursement for Construction Programs. The Federal agency will provide any necessary special instruction. However, frequency and due date shall be governed by § 97.41(b) (3) and (4).

(ii) When a construction grant is paid by Treasury check advances based on periodic requests from the grantee, the advances will be requested on the form specified in § 97.41(d).

(iii) The Federal agency may substitute the Financial Status Report specified in § 97.41(b) for the Outlay Report and Request for Reimbursement for Construction Programs.

(3) *Accounting basis.* The accounting basis for the Financial Status Report and Request for Reimbursement for Construction Programs shall be governed by § 97.41(b)(2).

§ 97.42 Retention and access requirements for records.

(a) *Applicability.* (1) This section applies to all financial and programmatic records, supporting documents, statis-

tical records, and other records of grantees or subgrantees which are:

(i) Required to be maintained by the terms of this part, program regulations or the grant agreement, or

(ii) Otherwise reasonably considered as pertinent to program regulations or the grant agreement.

(2) This section does not apply to records maintained by contractors or subcontractors. For a requirement to place a provision concerning records in certain kinds of contracts, see § 97.36(i)(10).

(b) *Length of retention period.* (1) Except as otherwise provided, records must be retained for three years from the starting date specified in paragraph (c) of this section.

(2) If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the 3-year period, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular 3-year period, whichever is later.

(3) To avoid duplicate recordkeeping, awarding agencies may make special arrangements with grantees and subgrantees to retain any records which are continuously needed for joint use. The awarding agency will request transfer of records to its custody when it determines that the records possess long-term retention value. When the records are transferred to or maintained by the Federal agency, the 3-year retention requirement is not applicable to the grantee or subgrantee.

(c) *Starting date of retention period*—(1) *General.* When grant support is continued or renewed at annual or other intervals, the retention period for the records of each funding period starts on the day the grantee or subgrantee submits to the awarding agency its single or last expenditure report for that period. However, if grant support is continued or renewed quarterly, the retention period for each year's records starts on the day the grantee submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases, the retention period starts on the day the grantee submits its

§97.43

final expenditure report. If an expenditure report has been waived, the retention period starts on the day the report would have been due.

(2) *Real property and equipment records.* The retention period for real property and equipment records starts from the date of the disposition or replacement or transfer at the direction of the awarding agency.

(3) *Records for income transactions after grant or subgrant support.* In some cases grantees must report income after the period of grant support. Where there is such a requirement, the retention period for the records pertaining to the earning of the income starts from the end of the grantee's fiscal year in which the income is earned.

(4) *Indirect cost rate proposals, cost allocations plans, etc.* This paragraph applies to the following types of documents, and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

(i) *If submitted for negotiation.* If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to the grantee) to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission.

(ii) *If not submitted for negotiation.* If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the grantee) for negotiation purposes, then the 3-year retention period for the proposal plan, or computation and its supporting records starts from end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

(d) *Substitution of microfilm.* Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.

(e) *Access to records—(1) Records of grantees and subgrantees.* The awarding agency and the Comptroller General of the United States, or any of their authorized representatives, shall have the right of access to any pertinent books,

29 CFR Subtitle A (7–1–21 Edition)

documents, papers, or other records of grantees and subgrantees which are pertinent to the grant, in order to make audits, examinations, excerpts, and transcripts.

(2) *Expiration of right of access.* The rights of access in this section must not be limited to the required retention period but shall last as long as the records are retained.

(f) *Restrictions on public access.* The Federal Freedom of Information Act (5 U.S.C. 552) does not apply to records owned and possessed by the grantee unless required by Federal, State, or local law, grantees and subgrantees are not required to permit public access to their records.

[53 FR 8069, 8087, Mar. 11, 1988, as amended at 72 FR 37105, July 9, 2007]

§97.43 Enforcement.

(a) *Remedies for noncompliance.* If a grantee or subgrantee materially fails to comply with any term of an award, whether stated in a Federal statute or regulation, an assurance, in a State plan or application, a notice of award, or elsewhere, the awarding agency may take one or more of the following actions, as appropriate in the circumstances:

(1) Temporarily withhold cash payments pending correction of the deficiency by the grantee or subgrantee or more severe enforcement action by the awarding agency,

(2) Disallow (that is, deny both use of funds and matching credit for) all or part of the cost of the activity or action not in compliance,

(3) Wholly or partly suspend or terminate the current award for the grantee's or subgrantee's program,

(4) Withhold further awards for the program, or

(5) Take other remedies that may be legally available.

(b) *Hearings, appeals.* In taking an enforcement action, the awarding agency will provide the grantee or subgrantee an opportunity for such hearing, appeal, or other administrative proceeding to which the grantee or subgrantee is entitled under any statute or regulation applicable to the action involved.

(c) *Effects of suspension and termination.* Costs of grantee or subgrantee

resulting from obligations incurred by the grantee or subgrantee during a suspension or after termination of an award are not allowable unless the awarding agency expressly authorizes them in the notice of suspension or termination or subsequently. Other grantee or subgrantee costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

(1) The costs result from obligations which were properly incurred by the grantee or subgrantee before the effective date of suspension or termination, are not in anticipation of it, and, in the case of a termination, are noncancellable, and,

(2) The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

(d) *Relationship to debarment and suspension.* The enforcement remedies identified in this section, including suspension and termination, do not preclude grantee or subgrantee from being subject to "Debarment and Suspension" under E.O. 12549 (see § 97.35).

§ 97.44 Termination for convenience.

Except as provided in § 97.43 awards may be terminated in whole or in part only as follows:

(a) By the awarding agency with the consent of the grantee or subgrantee in which case the two parties shall agree upon the termination conditions, including the effective date and in the case of partial termination, the portion to be terminated, or

(b) By the grantee or subgrantee upon written notification to the awarding agency, setting forth the reasons for such termination, the effective date, and in the case of partial termination, the portion to be terminated. However, if, in the case of a partial termination, the awarding agency determines that the remaining portion of the award will not accomplish the purposes for which the award was made, the awarding agency may terminate the award in its entirety under either § 97.43 or paragraph (a) of this section.

Subpart D—After-The-Grant Requirements

§ 97.50 Closeout.

(a) *General.* The Federal agency will close out the award when it determines that all applicable administrative actions and all required work of the grant has been completed.

(b) *Reports.* Within 90 days after the expiration or termination of the grant, the grantee must submit all financial, performance, and other reports required as a condition of the grant. Upon request by the grantee, Federal agencies may extend this timeframe. These may include but are not limited to:

(1) *Final performance or progress report.*

(2) *Financial Status Report (SF 269) or Outlay Report and Request for Reimbursement for Construction Programs (SF-271) (as applicable.)*

(3) *Final request for payment (SF-270) (if applicable).*

(4) *Invention disclosure (if applicable).*

(5) *Federally-owned property report:*

In accordance with § 97.32(f), a grantee must submit an inventory of all federally owned property (as distinct from property acquired with grant funds) for which it is accountable and request disposition instructions from the Federal agency of property no longer needed.

(c) *Cost adjustment.* The Federal agency will, within 90 days after receipt of reports in paragraph (b) of this section, make upward or downward adjustments to the allowable costs.

(d) *Cash adjustments.* (1) The Federal agency will make prompt payment to the grantee for allowable reimbursable costs.

(2) The grantee must immediately refund to the Federal agency any balance of unobligated (unencumbered) cash advanced that is not authorized to be retained for use on other grants.

§ 97.51 Later disallowances and adjustments.

The closeout of a grant does not affect:

(a) The Federal agency's right to disallow costs and recover funds on the basis of a later audit or other review;

§ 97.52

(b) The grantee's obligation to return any funds due as a result of later refunds, corrections, or other transactions;

(c) Records retention as required in § 97.42;

(d) Property management requirements in §§ 97.31 and 97.32; and

(e) Audit requirements in § 97.26.

§ 97.52 Collection of amounts due.

(a) Any funds paid to a grantee in excess of the amount to which the grantee is finally determined to be entitled under the terms of the award constitute a debt to the Federal Government. If not paid within a reasonable period after demand, the Federal agency may reduce the debt by:

(1) Making an administrative offset against other requests for reimbursements,

(2) Withholding advance payments otherwise due to the grantee, or

(3) Other action permitted by law.

(b) Except where otherwise provided by statutes or regulations, the Federal agency will charge interest on an overdue debt in accordance with the Federal Claims Collection Standards (4 CFR Ch. II). The date from which interest is computed is not extended by litigation or the filing of any form of appeal.

Subpart B—Audits

§ 99.200 Audit requirements.

(a) *Audit required.* Non-Federal entities that expend \$300,000 or more in a year in Federal awards (or \$500,000 for fiscal years ending after December 31, 2003) shall have a single or program-specific audit conducted for that year in accordance with the provisions of this part. Guidance on determining Federal awards expended is provided in § 99.205.

(b) *Single audit.* Non-Federal entities that expend \$300,000 or more in a year in Federal awards (or \$500,000 for fiscal years ending after December 31, 2003) shall have a single audit conducted in accordance with § 99.500 except when they elect to have a program-specific audit conducted in accordance with paragraph (c) of this section.

(c) *Program-specific audit election.* When an auditee expends Federal awards under only one Federal program (excluding R&D) and the Federal program's laws, regulations, or grant agreements do not require a financial statement audit of the auditee, the auditee may elect to have a program-specific audit conducted in accordance with § 99.235. A program-specific audit may not be elected for R&D unless all of the Federal awards expended were

§ 99.205

29 CFR Subtitle A (7-1-21 Edition)

received from the same Federal agency, or the same Federal agency and the same pass-through entity, and that Federal agency, or pass-through entity in the case of a subrecipient, approves in advance a program-specific audit.

(d) *Exemption when Federal awards expended are less than \$300,000 (or \$500,000 for fiscal years ending after December 31, 2003).* Non-Federal entities that expend less than \$300,000 a year in Federal awards (or \$500,000 for fiscal years ending after December 31, 2003) are exempt from Federal audit requirements for that year, except as noted in § 99.215(a), but records must be available for review or audit by appropriate officials of the Federal agency, pass-through entity, and Government Accountability Office (GAO).

[64 FR 14541, Mar. 25, 1999, as amended at 72 FR 37105, July 9, 2007]

§ 99.205 Basis for determining Federal awards expended.

(a) *Determining Federal awards expended.* The determination of when an award is expended should be based on when the activity related to the award occurs. Generally, the activity pertains to events that require the non-Federal entity to comply with laws, regulations, and the provisions of contracts or grant agreements, such as: expenditure/expense transactions associated with grants, cost-reimbursement contracts, cooperative agreements, and direct appropriations; the disbursement of funds passed through to subrecipients; the use of loan proceeds under loan and loan guarantee programs; the receipt of property; the receipt of surplus property; the receipt or use of program income; the distribution or consumption of food commodities; the disbursement of amounts entitling the non-Federal entity to an interest subsidy; and, the period when insurance is in force.

(b) *Loan and loan guarantees (loans).* Since the Federal Government is at risk for loans until the debt is repaid, the following guidelines shall be used

to calculate the value of Federal awards expended under loan programs, except as noted in paragraphs (c) and (d) of this section:

(1) Value of new loans made or received during the fiscal year; plus

(2) Balance of loans from previous years for which the Federal Government imposes continuing compliance requirements; plus

(3) Any interest subsidy, cash, or administrative cost allowance received.

(c) *Loan and loan guarantees (loans) at institutions of higher education.* When loans are made to students of an institution of higher education but the institution does not make the loans, then only the value of loans made during the year shall be considered Federal awards expended in that year. The balance of loans for previous years is not included as Federal awards expended because the lender accounts for the prior balances.

(d) *Prior loan and loan guarantees (loans).* Loans, the proceeds of which were received and expended in prior years, are not considered Federal awards expended under this part when the laws, regulations, and the provisions of contracts or grant agreements pertaining to such loans impose no continuing compliance requirements other than to repay the loans.

(e) *Endowment funds.* The cumulative balance of Federal awards for endowment funds which are federally restricted are considered awards expended in each year in which the funds are still restricted.

(f) *Free rent.* Free rent received by itself is not considered a Federal award expended under this part. However, free rent received as part of an award to carry out a Federal program shall be included in determining Federal awards expended and subject to audit under this part.

(g) *Valuing non-cash assistance.* Federal non-cash assistance, such as free rent, food stamps, food commodities, donated property, or donated surplus property, shall be valued at fair market value at the time of receipt or the assessed value provided by the Federal agency.

(h) *Medicare.* Medicare payments to a non-Federal entity for providing patient care services to Medicare eligible

individuals are not considered Federal awards expended under this part.

(i) *Medicaid*. Medicaid payments to a subrecipient for providing patient care services to Medicaid eligible individuals are not considered Federal awards expended under this part unless a State requires the funds to be treated as Federal awards expended because reimbursement is on a cost-reimbursement basis.

(j) *Certain loans provided by the National Credit Union Administration*. For purposes of this part, loans made from the National Credit Union Share Insurance Fund and the Central Liquidity Facility that are funded by contributions from insured institutions are not considered Federal awards expended.

§ 99.210 Subrecipient and vendor determinations.

(a) *General*. An auditee may be a recipient, a subrecipient, and a vendor. Federal awards expended as a recipient or a subrecipient would be subject to audit under this part. The payments received for goods or services provided as a vendor would not be considered Federal awards. The guidance in paragraphs (b) and (c) of this section should be considered in determining whether payments constitute a Federal award or a payment for goods and services.

(b) *Federal award*. Characteristics indicative of a Federal award received by a subrecipient are when the organization:

(1) Determines who is eligible to receive what Federal financial assistance;

(2) Has its performance measured against whether the objectives of the Federal program are met;

(3) Has responsibility for programmatic decision making;

(4) Has responsibility for adherence to applicable Federal program compliance requirements; and

(5) Uses the Federal funds to carry out a program of the organization as compared to providing goods or services for a program of the pass-through entity.

(c) *Payment for goods and services*. Characteristics indicative of a payment for goods and services received by a vendor are when the organization:

(1) Provides the goods and services within normal business operations;

(2) Provides similar goods or services to many different purchasers;

(3) Operates in a competitive environment;

(4) Provides goods or services that are ancillary to the operation of the Federal program; and

(5) Is not subject to compliance requirements of the Federal program.

(d) *Use of judgment in making determination*. There may be unusual circumstances or exceptions to the listed characteristics. In making the determination of whether a subrecipient or vendor relationship exists, the substance of the relationship is more important than the form of the agreement. It is not expected that all of the characteristics will be present and judgment should be used in determining whether an entity is a subrecipient or vendor.

(e) *For-profit subrecipient*. Since this part does not apply to for-profit subrecipients, the pass-through entity is responsible for establishing requirements, as necessary, to ensure compliance by for-profit subrecipients. The contract with the for-profit subrecipient should describe applicable compliance requirements and the for-profit subrecipient's compliance responsibility. Methods to ensure compliance for Federal awards made to for-profit subrecipients may include pre-award audits, monitoring during the contract, and post-award audits.

(f) *Compliance responsibility for vendors*. In most cases, the auditee's compliance responsibility for vendors is only to ensure that the procurement, receipt, and payment for goods and services comply with laws, regulations, and the provisions of contracts or grant agreements. Program compliance requirements normally do not pass through to vendors. However, the auditee is responsible for ensuring compliance for vendor transactions which are structured such that the vendor is responsible for program compliance or the vendor's records must be reviewed to determine program compliance. Also, when these vendor transactions relate to a major program, the scope of the audit shall include determining whether these transactions are

§99.215

in compliance with laws, regulations, and the provisions of contracts or grant agreements.

§99.215 Relation to other audit requirements.

(a) *Audit under this part in lieu of other audits.* An audit made in accordance with this part shall be in lieu of any financial audit required under individual Federal awards. To the extent this audit meets a Federal agency's needs, it shall rely upon and use such audits. The provisions of this part neither limit the authority of Federal agencies, including their Inspectors General, or GAO to conduct or arrange for additional audits (e.g., financial audits, performance audits, evaluations, inspections, or reviews) nor authorize any auditee to constrain Federal agencies from carrying out additional audits. Any additional audits shall be planned and performed in such a way as to build upon work performed by other auditors.

(b) *Federal agency to pay for additional audits.* A Federal agency that conducts or contracts for additional audits shall, consistent with other applicable laws and regulations, arrange for funding the full cost of such additional audits.

(c) *Request for a program to be audited as a major program.* A Federal agency may request an auditee to have a particular Federal program audited as a major program in lieu of the Federal agency conducting or arranging for the additional audits. To allow for planning, such requests should be made at least 180 days prior to the end of the fiscal year to be audited. The auditee, after consultation with its auditor, should promptly respond to such request by informing the Federal agency whether the program would otherwise be audited as a major program using the risk-based audit approach described in §99.520 and, if not, the estimated incremental cost. The Federal agency shall then promptly confirm to the auditee whether it wants the program audited as a major program. If the program is to be audited as a major program based upon this Federal agency request, and the Federal agency agrees to pay the full incremental costs, then the auditee shall have the program audited as a major program. A

29 CFR Subtitle A (7-1-21 Edition)

pass-through entity may use the provisions of this paragraph for a sub-recipient.

§99.220 Frequency of audits.

Except for the provisions for biennial audits provided in paragraphs (a) and (b) of this section, audits required by this part shall be performed annually. Any biennial audit shall cover both years within the biennial period.

(a) A State or local government that is required by constitution or statute, in effect on January 1, 1987, to undergo its audits less frequently than annually, is permitted to undergo its audits pursuant to this part biennially. This requirement must still be in effect for the biennial period under audit.

(b) Any non-profit organization that had biennial audits for all biennial periods ending between July 1, 1992, and January 1, 1995, is permitted to undergo its audits pursuant to this part biennially.

§99.225 Sanctions.

No audit costs may be charged to Federal awards when audits required by this part have not been made or have been made but not in accordance with this part. In cases of continued inability or unwillingness to have an audit conducted in accordance with this part, Federal agencies and pass-through entities shall take appropriate action using sanctions such as:

(a) Withholding a percentage of Federal awards until the audit is completed satisfactorily;

(b) Withholding or disallowing overhead costs;

(c) Suspending Federal awards until the audit is conducted; or

(d) Terminating the Federal award.

§99.230 Audit costs.

(a) *Allowable costs.* Unless prohibited by law, the cost of audits made in accordance with the provisions of this part are allowable charges to Federal awards. The charges may be considered a direct cost or an allocated indirect cost, as determined in accordance with the provisions of applicable OMB cost principles circulars, the Federal Acquisition Regulation (FAR)(48 CFR parts 30 and 31), or other applicable cost principles or regulations.

(b) *Unallowable costs.* A non-Federal entity shall not charge the following to a Federal award:

(1) The cost of any audit under the Single Audit Act Amendments of 1996 (31 U.S.C. 7501 *et seq.*) not conducted in accordance with this part.

(2) The cost of auditing a non-Federal entity which has Federal awards expended of less than \$300,000 per year (or \$500,000 for fiscal years ending after December 31, 2003) and is thereby exempted under § 99.200(d) from having an audit conducted under this part. However, this does not prohibit a pass-through entity from charging Federal awards for the cost of limited scope audits to monitor its subrecipients in accordance with § 99.400(d)(3), provided the subrecipient does not have a single audit. For purposes of this part, limited scope audits only include agreed-upon procedures engagements conducted in accordance with either the AICPA's generally accepted auditing standards or attestation standards, that are paid for and arranged by a pass-through entity and address only one or more of the following types of compliance requirements: activities allowed or unallowed; allowable costs/cost principles; eligibility; matching; level of effort; earmarking; and, reporting.

[64 FR 14541, Mar. 25, 1999, as amended at 72 FR 37105, July 9, 2007]

§ 99.235 Program-specific audits.

(a) *Program-specific audit guide available.* In many cases, a program-specific audit guide will be available to provide specific guidance to the auditor with respect to internal control, compliance requirements, suggested audit procedures, and audit reporting requirements. The auditor should contact the Office of Inspector General of the Federal agency to determine whether such a guide is available. When a current program-specific audit guide is available, the auditor shall follow GAGAS and the guide when performing a program-specific audit.

(b) *Program-specific audit guide not available.* (1) When a program-specific audit guide is not available, the auditee and auditor shall have basically the same responsibilities for the Federal program as they would have

for an audit of a major program in a single audit.

(2) The auditee shall prepare the financial statement(s) for the Federal program that includes, at a minimum, a schedule of expenditures of Federal awards for the program and notes that describe the significant accounting policies used in preparing the schedule, a summary schedule of prior audit findings consistent with the requirements of § 99.315(b), and a corrective action plan consistent with the requirements of § 99.315(c).

(3) The auditor shall:

(i) Perform an audit of the financial statement(s) for the Federal program in accordance with GAGAS;

(ii) Obtain an understanding of internal control and perform tests of internal control over the Federal program consistent with the requirements of § 99.500(c) for a major program;

(iii) Perform procedures to determine whether the auditee has complied with laws, regulations, and the provisions of contracts or grant agreements that could have a direct and material effect on the Federal program consistent with the requirements of § 99.500(d) for a major program; and

(iv) Follow up on prior audit findings, perform procedures to assess the reasonableness of the summary schedule of prior audit findings prepared by the auditee, and report, as a current year audit finding, when the auditor concludes that the summary schedule of prior audit findings materially misrepresents the status of any prior audit finding in accordance with the requirements of § 99.500(e).

(4) The auditor's report(s) may be in the form of either combined or separate reports and may be organized differently from the manner presented in this section. The auditor's report(s) shall state that the audit was conducted in accordance with this part and include the following:

(i) An opinion (or disclaimer of opinion) as to whether the financial statement(s) of the Federal program is presented fairly in all material respects in conformity with the stated accounting policies;

(ii) A report on internal control related to the Federal program, which

§ 99.300

shall describe the scope of testing of internal control and the results of the tests;

(iii) A report on compliance which includes an opinion (or disclaimer of opinion) as to whether the auditee complied with laws, regulations, and the provisions of contracts or grant agreements which could have a direct and material effect on the Federal program; and

(iv) A schedule of findings and questioned costs for the Federal program that includes a summary of the auditor's results relative to the Federal program in a format consistent with § 99.505(d)(1), and findings and questioned costs consistent with the requirements of § 99.505(d)(3).

(c) *Report submission for program-specific audits.* (1) The audit shall be completed and the reporting required by paragraph (c)(2) or (c)(3) of this section submitted within the earlier of 30 days after receipt of the auditor's report(s), or nine months after the end of the audit period, unless a longer period is agreed to in advance by the Federal agency that provided the funding or a different period is specified in a program-specific audit guide. (However, for fiscal years beginning on or before June 30, 1998, the audit shall be completed and the required reporting shall be submitted within the earlier of 30 days after receipt of the auditor's report(s), or 13 months after the end of the audit period, unless a different period is specified in a program-specific audit guide.) Unless restricted by law or regulation, the auditee shall make report copies available for public inspection.

(2) When a program-specific audit guide is available, the auditee shall submit to the Federal clearinghouse designated by the OMB, the data collection form prepared in accordance with § 99.320(b), as applicable to a program-specific audit, and the reporting required by the program-specific audit guide to be retained as an archival copy. Also, the auditee shall submit to the Federal awarding agency or pass-through entity the reporting required by the program-specific audit guide.

(3) When a program-specific audit guide is not available, the reporting package for a program-specific audit

29 CFR Subtitle A (7-1-21 Edition)

shall consist of the financial statement(s) of the Federal program, a summary schedule of prior audit findings, and a corrective action plan as described in paragraph (b)(2) of this section, and the auditor's report(s) described in paragraph (b)(4) of this section. The data collection form prepared in accordance with § 99.320(b), as applicable to a program-specific audit, and one copy of this reporting package shall be submitted to the Federal clearinghouse designated by the OMB to be retained as an archival copy. Also, when the schedule of findings and questioned costs disclosed audit findings or the summary schedule of prior audit findings reported the status of any audit findings, the auditee shall submit one copy of the reporting package to the Federal clearinghouse on behalf of the Federal awarding agency, or directly to the pass-through entity in the case of a subrecipient. Instead of submitting the reporting package to the pass-through entity, when a subrecipient is not required to submit a reporting package to the pass-through entity, the subrecipient shall provide written notification to the pass-through entity, consistent with the requirements of § 99.320(e)(2). A subrecipient may submit a copy of the reporting package to the pass-through entity to comply with this notification requirement.

(d) *Other sections of this part may apply.* Program-specific audits are subject to §§ 99.100 through 99.215(b), §§ 99.220 through 99.230, §§ 99.300 through 99.305, § 99.315, §§ 99.320(f) through 99.320(j), §§ 99.400 through 99.405, §§ 99.510 through 99.515, and other referenced provisions of this part unless contrary to the provisions of this section, a program-specific audit guide, or program laws and regulations.

Subpart C—Auditees

§ 99.300 Auditee responsibilities.

The auditee shall:

(a) Identify, in its accounts, all Federal awards received and expended and the Federal programs under which they were received. Federal program and award identification shall include, as applicable, the CFDA title and number, award number and year, name of the

Federal agency, and name of the pass-through entity.

(b) Maintain internal control over Federal programs that provides reasonable assurance that the auditee is managing Federal awards in compliance with laws, regulations, and the provisions of contracts or grant agreements that could have a material effect on each of its Federal programs.

(c) Comply with laws, regulations, and the provisions of contracts or grant agreements related to each of its Federal programs.

(d) Prepare appropriate financial statements, including the schedule of expenditures of Federal awards in accordance with § 99.310.

(e) Ensure that the audits required by this part are properly performed and submitted when due. When extensions to the report submission due date required by § 99.320(a) are granted by the cognizant or oversight agency for audit, promptly notify the Federal clearinghouse designated by OMB and each pass-through entity providing Federal awards of the extension.

(f) Follow up and take corrective action on audit findings, including preparation of a summary schedule of prior audit findings and a corrective action plan in accordance with § 99.315(b) and § 99.315(c), respectively.

§ 99.305 Auditor selection.

(a) *Auditor procurement.* In procuring audit services, auditees shall follow the procurement standards prescribed by OMB Circular A-102, "Grants and Cooperative Agreements with State and Local Governments;" 29 CFR part 97, "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments;" OMB Circular A-110, "Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals and Other Non-Profit Organizations;" (codified at 2 CFR part 215); or the FAR (48 CFR part 42), as applicable. (OMB Circulars are available on-line at <http://www.whitehouse.gov/omb/circulars/index.html>.) Whenever possible, auditees shall make positive efforts to utilize small businesses, minority-owned firms, and women's business enterprises, in procuring audit services as

stated in OMB Circular A-102, OMB Circular A-110 (2 CFR part 215), or the FAR (48 CFR part 42), as applicable. In requesting proposals for audit services, the objectives and scope of the audit should be made clear. Factors to be considered in evaluating each proposal for audit services include the responsiveness to the request for proposal, relevant experience, availability of staff with professional qualifications and technical abilities, the results of external quality control reviews, and price.

(b) *Restriction on auditor preparing indirect cost proposals.* An auditor who prepares the indirect cost proposal or cost allocation plan may not also be selected to perform the audit required by this part when the indirect costs recovered by the auditee during the prior year exceeded \$1 million. This restriction applies to the base year used in the preparation of the indirect cost proposal or cost allocation plan and any subsequent years in which the resulting indirect cost agreement or cost allocation plan is used to recover costs. To minimize any disruption in existing contracts for audit services, this paragraph applies to audits of fiscal years beginning after June 30, 1998.

(c) *Use of Federal auditors.* Federal auditors may perform all or part of the work required under this part if they comply fully with the requirements of this part.

§ 99.310 Financial statements.

(a) *Financial statements.* The auditee shall prepare financial statements that reflect its financial position, results of operations or changes in net assets, and, where appropriate, cash flows for the fiscal year audited. The financial statements shall be for the same organizational unit and fiscal year that is chosen to meet the requirements of this part. However, organization-wide financial statements may also include departments, agencies, and other organizational units that have separate audits in accordance with § 99.500(a) and prepare separate financial statements.

(b) *Schedule of expenditures of Federal awards.* The auditee shall also prepare a schedule of expenditures of Federal

§99.315

29 CFR Subtitle A (7-1-21 Edition)

awards for the period covered by the auditee's financial statements. While not required, the auditee may choose to provide information requested by Federal awarding agencies and pass-through entities to make the schedule easier to use. For example, when a Federal program has multiple award years, the auditee may list the amount of Federal awards expended for each award year separately. At a minimum, the schedule shall:

(1) List individual Federal programs by Federal agency. For Federal programs included in a cluster of programs, list individual Federal programs within a cluster of programs. For R&D, total Federal awards expended shall be shown either by individual award or by Federal agency and major subdivision within the Federal agency. For example, the National Institutes of Health is a major subdivision in the Department of Health and Human Services.

(2) For Federal awards received as a subrecipient, the name of the pass-through entity and identifying number assigned by the pass-through entity shall be included.

(3) Provide total Federal awards expended for each individual Federal program and the CFDA number or other identifying number when the CFDA information is not available.

(4) Include notes that describe the significant accounting policies used in preparing the schedule.

(5) To the extent practical, pass-through entities should identify in the schedule the total amount provided to subrecipients from each Federal program.

(6) Include, in either the schedule or a note to the schedule, the value of the Federal awards expended in the form of non-cash assistance, the amount of insurance in effect during the year, and loans or loan guarantees outstanding at year end. While not required, it is preferable to present this information in the schedule.

§99.315 Audit findings follow-up.

(a) *General.* The auditee is responsible for follow-up and corrective action on all audit findings. As part of this responsibility, the auditee shall prepare a summary schedule of prior audit find-

ings. The auditee shall also prepare a corrective action plan for current year audit findings. The summary schedule of prior audit findings and the corrective action plan shall include the reference numbers the auditor assigns to audit findings under §99.510(c). Since the summary schedule may include audit findings from multiple years, it shall include the fiscal year in which the finding initially occurred.

(b) *Summary schedule of prior audit findings.* The summary schedule of prior audit findings shall report the status of all audit findings included in the prior audit's schedule of findings and questioned costs relative to Federal awards. The summary schedule shall also include audit findings reported in the prior audit's summary schedule of prior audit findings except audit findings listed as corrected in accordance with paragraph (b)(1) of this section, or no longer valid or not warranting further action in accordance with paragraph (b)(4) of this section.

(1) When audit findings were fully corrected, the summary schedule need only list the audit findings and state that corrective action was taken.

(2) When audit findings were not corrected or were only partially corrected, the summary schedule shall describe the planned corrective action as well as any partial corrective action taken.

(3) When corrective action taken is significantly different from corrective action previously reported in a corrective action plan or in the Federal agency's or pass-through entity's management decision, the summary schedule shall provide an explanation.

(4) When the auditee believes the audit findings are no longer valid or do not warrant further action, the reasons for this position shall be described in the summary schedule. A valid reason for considering an audit finding as not warranting further action is that all of the following have occurred:

(i) Two years have passed since the audit report in which the finding occurred was submitted to the Federal clearinghouse;

(ii) The Federal agency or pass-through entity is not currently following up with the auditee on the audit finding; and

(iii) A management decision was not issued.

(c) *Corrective action plan.* At the completion of the audit, the auditee shall prepare a corrective action plan to address each audit finding included in the current year auditor's reports. The corrective action plan shall provide the name(s) of the contact person(s) responsible for corrective action, the corrective action planned, and the anticipated completion date. If the auditee does not agree with the audit findings or believes corrective action is not required, then the corrective action plan shall include an explanation and specific reasons.

§ 99.320 Report submission.

(a) *General.* The audit shall be completed and the data collection form described in paragraph (b) of this section and reporting package described in paragraph (c) of this section shall be submitted within the earlier of 30 days after receipt of the auditor's report(s), or nine months after the end of the audit period, unless a longer period is agreed to in advance by the cognizant or oversight agency for audit. (However, for fiscal years beginning on or before June 30, 1998, the audit shall be completed and the data collection form and reporting package shall be submitted within the earlier of 30 days after receipt of the auditor's report(s), or 13 months after the end of the audit period.) Unless restricted by law or regulation, the auditee shall make copies available for public inspection.

(b) *Data collection.* (1) The auditee shall submit a data collection form which states whether the audit was completed in accordance with this part and provides information about the auditee, its Federal programs, and the results of the audit. The form shall be approved by OMB, available from the Federal clearinghouse designated by OMB, and include data elements similar to those presented in this paragraph. A senior level representative of the auditee (e.g., State controller, director of finance, chief executive officer, or chief financial officer) shall sign a statement to be included as part of the form certifying that: the auditee complied with the requirements of this part, the form was prepared in accord-

ance with this part (and the instructions accompanying the form), and the information included in the form, in its entirety, are accurate and complete.

(2) The data collection form shall include the following data elements:

(i) The type of report the auditor issued on the financial statements of the auditee (i.e., unqualified opinion, qualified opinion, adverse opinion, or disclaimer of opinion).

(ii) Where applicable, a statement that reportable conditions in internal control were disclosed by the audit of the financial statements and whether any such conditions were material weaknesses.

(iii) A statement as to whether the audit disclosed any noncompliance which is material to the financial statements of the auditee.

(iv) Where applicable, a statement that reportable conditions in internal control over major programs were disclosed by the audit and whether any such conditions were material weaknesses.

(v) The type of report the auditor issued on compliance for major programs (i.e., unqualified opinion, qualified opinion, adverse opinion, or disclaimer of opinion).

(vi) A list of the Federal awarding agencies which will receive a copy of the reporting package pursuant to § 99.320(d)(2).

(vii) A yes or no statement as to whether the auditee qualified as a low-risk auditee under § 99.530.

(viii) The dollar threshold used to distinguish between Type A and Type B programs as defined in § 99.520(b).

(ix) The Catalog of Federal Domestic Assistance (CFDA) number for each Federal program, as applicable.

(x) The name of each Federal program and identification of each major program. Individual programs within a cluster of programs should be listed in the same level of detail as they are listed in the schedule of expenditures of Federal awards.

(xi) The amount of expenditures in the schedule of expenditures of Federal awards associated with each Federal program.

(xii) For each Federal program, a yes or no statement as to whether there

§ 99.320

29 CFR Subtitle A (7-1-21 Edition)

are audit findings in each of the following types of compliance requirements and the total amount of any questioned costs:

- (A) Activities allowed or unallowed.
- (B) Allowable costs/cost principles.
- (C) Cash management.
- (D) Davis-Bacon Act.
- (E) Eligibility.
- (F) Equipment and real property management.
- (G) Matching, level of effort, earmarking.
- (H) Period of availability of Federal funds.
- (I) Procurement and suspension and debarment.
- (J) Program income.
- (K) Real property acquisition and relocation assistance.
- (L) Reporting.
- (M) Subrecipient monitoring.
- (N) Special tests and provisions.
- (xiii) Auditee Name, Employer Identification Number(s), Name and Title of Certifying Official, Telephone Number, Signature, and Date.
- (xiv) Auditor Name, Name and Title of Contact Person, Auditor Address, Auditor Telephone Number, Signature, and Date.
- (xv) Whether the auditee has either a cognizant or oversight agency for audit.
- (xvi) The name of the cognizant or oversight agency for audit determined in accordance with § 99.400(a) and § 99.400(b), respectively.

(3) Using the information included in the reporting package described in paragraph (c) of this section, the auditor shall complete the applicable sections of the form. The auditor shall sign a statement to be included as part of the data collection form that indicates, at a minimum, the source of the information included in the form, the auditor's responsibility for the information, that the form is not a substitute for the reporting package described in paragraph (c) of this section, and that the content of the form is limited to the data elements prescribed by OMB.

(c) *Reporting package.* The reporting package shall include the:

- (1) Financial statements and schedule of expenditures of Federal awards

discussed in § 99.310(a) and § 99.310(b), respectively;

(2) Summary schedule of prior audit findings discussed in § 99.315(b);

(3) Auditor's report(s) discussed in § 99.505; and

(4) Corrective action plan discussed in § 99.315(c).

(d) *Submission to clearinghouse.* All auditees shall submit to the Federal clearinghouse designated by OMB the data collection form described in paragraph (b) of this section and one copy of the reporting package described in paragraph (c) of this section for:

(1) The Federal clearinghouse to retain as an archival copy; and

(2) Each Federal awarding agency when the schedule of findings and questioned costs disclosed audit findings relating to Federal awards that the Federal awarding agency provided directly or the summary schedule of prior audit findings reported the status of any audit findings relating to Federal awards that the Federal awarding agency provided directly.

(e) *Additional submission by subrecipients.* (1) In addition to the requirements discussed in paragraph (d) of this section, auditees that are also subrecipients shall submit to each pass-through entity one copy of the reporting package described in paragraph (c) of this section for each pass-through entity when the schedule of findings and questioned costs disclosed audit findings relating to Federal awards that the pass-through entity provided or the summary schedule of prior audit findings reported the status of any audit findings relating to Federal awards that the pass-through entity provided.

(2) Instead of submitting the reporting package to a pass-through entity, when a subrecipient is not required to submit a reporting package to a pass-through entity pursuant to paragraph (e)(1) of this section, the subrecipient shall provide written notification to the pass-through entity that: an audit of the subrecipient was conducted in accordance with this part (including the period covered by the audit and the name, amount, and CFDA number of the Federal award(s) provided by the pass-through entity); the schedule of findings and questioned costs disclosed

no audit findings relating to the Federal award(s) that the pass-through entity provided; and, the summary schedule of prior audit findings did not report on the status of any audit findings relating to the Federal award(s) that the pass-through entity provided. A subrecipient may submit a copy of the reporting package described in paragraph (c) of this section to a pass-through entity to comply with this notification requirement.

(f) *Requests for report copies.* In response to requests by a Federal agency or pass-through entity, auditees shall submit the appropriate copies of the reporting package described in paragraph (c) of this section and, if requested, a copy of any management letters issued by the auditor.

(g) *Report retention requirements.* Auditees shall keep one copy of the data collection form described in paragraph (b) of this section and one copy of the reporting package described in paragraph (c) of this section on file for three years from the date of submission to the Federal clearinghouse designated by OMB. Pass-through entities shall keep subrecipients' submissions on file for three years from date of receipt.

(h) *Clearinghouse responsibilities.* The Federal clearinghouse designated by OMB shall distribute the reporting packages received in accordance with paragraph (d)(2) of this section and § 99.235(c)(3) to applicable Federal awarding agencies, maintain a data base of completed audits, provide appropriate information to Federal agencies, and follow up with known auditees which have not submitted the required data collection forms and reporting packages.

(i) *Clearinghouse address.* The address of the Federal clearinghouse currently designated by OMB is: Federal Audit Clearinghouse, Bureau of the Census, 1201 E. 10th Street, Jeffersonville, IN 47132.

(j) *Electronic filing.* Nothing in this part shall preclude electronic submissions to the Federal clearinghouse in such manner as may be approved by OMB. With OMB approval, the Federal clearinghouse may pilot test methods of electronic submissions.

Subpart D—Federal Agencies and Pass-through Entities

§ 99.400 Responsibilities.

(a) *Cognizant agency for audit responsibilities.* Recipients expending more than \$25 million a year in Federal awards shall have a cognizant agency for audit. The designated cognizant agency for audit shall be the Federal awarding agency that provides the predominant amount of direct funding to a recipient unless OMB makes a specific cognizant agency for audit assignment. To provide for continuity of cognizance, the determination of the predominant amount of direct funding shall be based upon direct Federal awards expended in the recipient's fiscal years ending in 1995, 2000, 2005, and every fifth year thereafter. For example, audit cognizance for periods ending in 1997 through 2000 will be determined based on Federal awards expended in 1995. (However, for States and local governments that expend more than \$25 million a year in Federal awards and have previously assigned cognizant agencies for audit, the requirements of this paragraph are not applicable until fiscal years beginning after June 30, 2000.) Notwithstanding the manner in which audit cognizance is determined, a Federal awarding agency with cognizance for an auditee may reassign cognizance to another Federal awarding agency which provides substantial direct funding and agrees to be the cognizant agency for audit. Within 30 days after any reassignment, both the old and the new cognizant agency for audit shall notify the auditee, and, if known, the auditor of the reassignment. The cognizant agency for audit shall:

(1) Provide technical audit advice and liaison to auditees and auditors.

(2) Consider auditee requests for extensions to the report submission due date required by § 99.320(a). The cognizant agency for audit may grant extensions for good cause.

(3) Obtain or conduct quality control reviews of selected audits made by non-Federal auditors, and provide the results, when appropriate, to other interested organizations.

(4) Promptly inform other affected Federal agencies and appropriate Federal law enforcement officials of any

§ 99.400

direct reporting by the auditee or its auditor of irregularities or illegal acts, as required by GAGAS or laws and regulations.

(5) Advise the auditor and, where appropriate, the auditee of any deficiencies found in the audits when the deficiencies require corrective action by the auditor. When advised of deficiencies, the auditee shall work with the auditor to take corrective action. If corrective action is not taken, the cognizant agency for audit shall notify the auditor, the auditee, and applicable Federal awarding agencies and pass-through entities of the facts and make recommendations for follow-up action. Major inadequacies or repetitive substandard performance by auditors shall be referred to appropriate State licensing agencies and professional bodies for disciplinary action.

(6) Coordinate, to the extent practical, audits or reviews made by or for Federal agencies that are in addition to the audits made pursuant to this part, so that the additional audits or reviews build upon audits performed in accordance with this part.

(7) Coordinate a management decision for audit findings that affect the Federal programs of more than one agency.

(8) Coordinate the audit work and reporting responsibilities among auditors to achieve the most cost-effective audit.

(9) For biennial audits permitted under § 99.220, consider auditee requests to qualify as a low-risk auditee under § 99.530(a).

(b) *Oversight agency for audit responsibilities.* An auditee which does not have a designated cognizant agency for audit will be under the general oversight of the Federal agency determined in accordance with § 99.105. The oversight agency for audit:

(1) Shall provide technical advice to auditees and auditors as requested.

(2) May assume all or some of the responsibilities normally performed by a cognizant agency for audit.

(c) *Federal awarding agency responsibilities.* The Federal awarding agency shall perform the following for the Federal awards it makes:

(1) Identify Federal awards made by informing each recipient of the CFDA

29 CFR Subtitle A (7-1-21 Edition)

title and number, award name and number, award year, and if the award is for R&D. When some of this information is not available, the Federal agency shall provide information necessary to clearly describe the Federal award.

(2) Advise recipients of requirements imposed on them by Federal laws, regulations, and the provisions of contracts or grant agreements.

(3) Ensure that audits are completed and reports are received in a timely manner and in accordance with the requirements of this part.

(4) Provide technical advice and counsel to auditees and auditors as requested.

(5) Issue a management decision on audit findings within six months after receipt of the audit report and ensure that the recipient takes appropriate and timely corrective action.

(6) Assign a person responsible for providing annual updates of the compliance supplement to OMB.

(d) Pass-through entity responsibilities. A pass-through entity shall perform the following for the Federal awards it makes:

(1) Identify Federal awards made by informing each subrecipient of CFDA title and number, award name and number, award year, if the award is R&D, and name of Federal agency. When some of this information is not available, the pass-through entity shall provide the best information available to describe the Federal award.

(2) Advise subrecipients of requirements imposed on them by Federal laws, regulations, and the provisions of contracts or grant agreements as well as any supplemental requirements imposed by the pass-through entity.

(3) Monitor the activities of subrecipients as necessary to ensure that Federal awards are used for authorized purposes in compliance with laws, regulations, and the provisions of contracts or grant agreements and that performance goals are achieved.

(4) Ensure that subrecipients expending \$300,000 (or \$500,000 for fiscal years ending after December 31, 2003) or more in Federal awards during the subrecipient's fiscal year have met the audit requirements of this part for that fiscal year.

(5) Issue a management decision on audit findings within six months after receipt of the subrecipient's audit report and ensure that the subrecipient takes appropriate and timely corrective action.

(6) Consider whether subrecipient audits necessitate adjustment of the pass-through entity's own records.

(7) Require each subrecipient to permit the pass-through entity and auditors to have access to the records and financial statements as necessary for the pass-through entity to comply with this part.

[64 FR 14541, Mar. 25, 1999, as amended at 72 FR 37105, July 9, 2007]

§ 99.405 Management decision.

(a) *General.* The management decision shall clearly state whether or not the audit finding is sustained, the reasons for the decision, and the expected auditee action to repay disallowed costs, make financial adjustments, or take other action. If the auditee has not completed corrective action, a timetable for follow-up should be given. Prior to issuing the management decision, the Federal agency or pass-through entity may request additional information or documentation from the auditee, including a request for auditor assurance related to the documentation, as a way of mitigating disallowed costs. The management decision should describe any appeal process available to the auditee.

(b) *Federal agency.* As provided in § 99.400(a)(7), the cognizant agency for audit shall be responsible for coordinating a management decision for audit findings that affect the programs of more than one Federal agency. As provided in § 99.400(c)(5), a Federal awarding agency is responsible for issuing a management decision for findings that relate to Federal awards it makes to recipients. Alternate arrangements may be made on a case-by-case basis by agreement among the Federal agencies concerned.

(c) *Pass-through entity.* As provided in § 99.400(d)(5), the pass-through entity shall be responsible for making the management decision for audit findings that relate to Federal awards it makes to subrecipients.

(d) *Time requirements.* The entity responsible for making the management decision shall do so within six months of receipt of the audit report. Corrective action should be initiated within six months after receipt of the audit report and proceed as rapidly as possible.

(e) *Reference numbers.* Management decisions shall include the reference numbers the auditor assigned to each audit finding in accordance with § 99.510(c).

Subpart E—Auditors

§ 99.500 Scope of audit.

(a) *General.* The audit shall be conducted in accordance with GAGAS. The audit shall cover the entire operations of the auditee; or, at the option of the auditee, such audit shall include a series of audits that cover departments, agencies, and other organizational units which expended or otherwise administered Federal awards during such fiscal year, provided that each such audit shall encompass the financial statements and schedule of expenditures of Federal awards for each such department, agency, and other organizational unit, which shall be considered to be a non-Federal entity. The financial statements and schedule of expenditures of Federal awards shall be for the same fiscal year.

(b) *Financial statements.* The auditor shall determine whether the financial statements of the auditee are presented fairly in all material respects in conformity with generally accepted accounting principles. The auditor shall also determine whether the schedule of expenditures of Federal awards is presented fairly in all material respects in relation to the auditee's financial statements taken as a whole.

(c) *Internal control.* (1) In addition to the requirements of GAGAS, the auditor shall perform procedures to obtain an understanding of internal control over Federal programs sufficient to plan the audit to support a low assessed level of control risk for major programs.

(2) Except as provided in paragraph (c)(3) of this section, the auditor shall:

(i) Plan the testing of internal control over major programs to support a

§ 99.505

low assessed level of control risk for the assertions relevant to the compliance requirements for each major program; and

(ii) Perform testing of internal control as planned in paragraph (c)(2)(i) of this section.

(3) When internal control over some or all of the compliance requirements for a major program are likely to be ineffective in preventing or detecting noncompliance, the planning and performing of testing described in paragraph (c)(2) of this section are not required for those compliance requirements. However, the auditor shall report a reportable condition (including whether any such condition is a material weakness) in accordance with § 99.510, assess the related control risk at the maximum, and consider whether additional compliance tests are required because of ineffective internal control.

(d) *Compliance.* (1) In addition to the requirements of GAGAS, the auditor shall determine whether the auditee has complied with laws, regulations, and the provisions of contracts or grant agreements that may have a direct and material effect on each of its major programs.

(2) The principal compliance requirements applicable to most Federal programs and the compliance requirements of the largest Federal programs are included in the compliance supplement.

(3) For the compliance requirements related to Federal programs contained in the compliance supplement, an audit of these compliance requirements will meet the requirements of this part. Where there have been changes to the compliance requirements and the changes are not reflected in the compliance supplement, the auditor shall determine the current compliance requirements and modify the audit procedures accordingly. For those Federal programs not covered in the compliance supplement, the auditor should use the types of compliance requirements contained in the compliance supplement as guidance for identifying the types of compliance requirements to test, and determine the requirements governing the Federal program by reviewing the provisions of con-

29 CFR Subtitle A (7-1-21 Edition)

tracts and grant agreements and the laws and regulations referred to in such contracts and grant agreements.

(4) The compliance testing shall include tests of transactions and such other auditing procedures necessary to provide the auditor sufficient evidence to support an opinion on compliance.

(e) *Audit follow-up.* The auditor shall follow-up on prior audit findings; perform procedures to assess the reasonableness of the summary schedule of prior audit findings prepared by the auditee in accordance with § 99.315(b); and report, as a current year audit finding, when the auditor concludes that the summary schedule of prior audit findings materially misrepresents the status of any prior audit finding. The auditor shall perform audit follow-up procedures regardless of whether a prior audit finding relates to a major program in the current year.

(f) *Data collection form.* As required in § 99.320(b)(3), the auditor shall complete and sign specified sections of the data collection form.

§ 99.505 Audit reporting.

The auditor's report(s) may be in the form of either combined or separate reports and may be organized differently from the manner presented in this section. The auditor's report(s) shall state that the audit was conducted in accordance with this part and include the following:

(a) An opinion (or disclaimer of opinion) as to whether the financial statements are presented fairly in all material respects in conformity with generally accepted accounting principles and an opinion (or disclaimer of opinion) as to whether the schedule of expenditures of Federal awards is presented fairly in all material respects in relation to the financial statements taken as a whole.

(b) A report on internal control related to the financial statements and major programs. This report shall describe the scope of testing of internal control and the results of the tests, and, where applicable, refer to the separate schedule of findings and questioned costs described in paragraph (d) of this section.

(c) A report on compliance with laws, regulations, and the provisions of contracts or grant agreements, noncompliance with which could have a material effect on the financial statements. This report shall also include an opinion (or disclaimer of opinion) as to whether the auditee complied with laws, regulations, and the provisions of contracts or grant agreements which could have a direct and material effect on each major program, and, where applicable, refer to the separate schedule of findings and questioned costs described in paragraph (d) of this section.

(d) A schedule of findings and questioned costs which shall include the following three components:

(1) A summary of the auditor's results which shall include:

(i) The type of report the auditor issued on the financial statements of the auditee (i.e., unqualified opinion, qualified opinion, adverse opinion, or disclaimer of opinion);

(ii) Where applicable, a statement that reportable conditions in internal control were disclosed by the audit of the financial statements and whether any such conditions were material weaknesses;

(iii) A statement as to whether the audit disclosed any noncompliance which is material to the financial statements of the auditee;

(iv) Where applicable, a statement that reportable conditions in internal control over major programs were disclosed by the audit and whether any such conditions were material weaknesses;

(v) The type of report the auditor issued on compliance for major programs (i.e., unqualified opinion, qualified opinion, adverse opinion, or disclaimer of opinion);

(vi) A statement as to whether the audit disclosed any audit findings which the auditor is required to report under § 99.510(a);

(vii) An identification of major programs;

(viii) The dollar threshold used to distinguish between Type A and Type B programs, as described in § 99.520(b); and

(ix) A statement as to whether the auditee qualified as a low-risk auditee under § 99.530.

(2) Findings relating to the financial statements which are required to be reported in accordance with GAGAS.

(3) Findings and questioned costs for Federal awards which shall include audit findings as defined in § 99.510(a).

(i) Audit findings (e.g., internal control findings, compliance findings, questioned costs, or fraud) which relate to the same issue should be presented as a single audit finding. Where practical, audit findings should be organized by Federal agency or pass-through entity.

(ii) Audit findings which relate to both the financial statements and Federal awards, as reported under paragraphs (d)(2) and (d)(3) of this section, respectively, should be reported in both sections of the schedule. However, the reporting in one section of the schedule may be in summary form with a reference to a detailed reporting in the other section of the schedule.

§ 99.510 Audit findings.

(a) Audit findings reported. The auditor shall report the following as audit findings in a schedule of findings and questioned costs:

(1) Reportable conditions in internal control over major programs. The auditor's determination of whether a deficiency in internal control is a reportable condition for the purpose of reporting an audit finding is in relation to a type of compliance requirement for a major program or an audit objective identified in the compliance supplement. The auditor shall identify reportable conditions which are individually or cumulatively material weaknesses.

(2) Material noncompliance with the provisions of laws, regulations, contracts, or grant agreements related to a major program. The auditor's determination of whether a noncompliance with the provisions of laws, regulations, contracts, or grant agreements is material for the purpose of reporting an audit finding is in relation to a type of compliance requirement for a major program or an audit objective identified in the compliance supplement.

(3) Known questioned costs which are greater than \$10,000 for a type of compliance requirement for a major program. Known questioned costs are

§99.510

29 CFR Subtitle A (7-1-21 Edition)

those specifically identified by the auditor. In evaluating the effect of questioned costs on the opinion on compliance, the auditor considers the best estimate of total costs questioned (likely questioned costs), not just the questioned costs specifically identified (known questioned costs). The auditor shall also report known questioned costs when likely questioned costs are greater than \$10,000 for a type of compliance requirement for a major program. In reporting questioned costs, the auditor shall include information to provide proper perspective for judging the prevalence and consequences of the questioned costs.

(4) Known questioned costs which are greater than \$10,000 for a Federal program which is not audited as a major program. Except for audit follow-up, the auditor is not required under this part to perform audit procedures for such a Federal program; therefore, the auditor will normally not find questioned costs for a program which is not audited as a major program. However, if the auditor does become aware of questioned costs for a Federal program which is not audited as a major program (e.g., as part of audit follow-up or other audit procedures) and the known questioned costs are greater than \$10,000, then the auditor shall report this as an audit finding.

(5) The circumstances concerning why the auditor's report on compliance for major programs is other than an unqualified opinion, unless such circumstances are otherwise reported as audit findings in the schedule of findings and questioned costs for Federal awards.

(6) Known fraud affecting a Federal award, unless such fraud is otherwise reported as an audit finding in the schedule of findings and questioned costs for Federal awards. This paragraph does not require the auditor to make an additional reporting when the auditor confirms that the fraud was reported outside of the auditor's reports under the direct reporting requirements of GAGAS.

(7) Instances where the results of audit follow-up procedures disclosed that the summary schedule of prior audit findings prepared by the auditee in accordance with §99.315(b) materi-

ally misrepresents the status of any prior audit finding.

(b) *Audit finding detail.* Audit findings shall be presented in sufficient detail for the auditee to prepare a corrective action plan and take corrective action and for Federal agencies and pass-through entities to arrive at a management decision. The following specific information shall be included, as applicable, in audit findings:

(1) Federal program and specific Federal award identification including the CFDA title and number, Federal award number and year, name of Federal agency, and name of the applicable pass-through entity. When information, such as the CFDA title and number or Federal award number, is not available, the auditor shall provide the best information available to describe the Federal award.

(2) The criteria or specific requirement upon which the audit finding is based, including statutory, regulatory, or other citation.

(3) The condition found, including facts that support the deficiency identified in the audit finding.

(4) Identification of questioned costs and how they were computed.

(5) Information to provide proper perspective for judging the prevalence and consequences of the audit findings, such as whether the audit findings represent an isolated instance or a systemic problem. Where appropriate, instances identified shall be related to the universe and the number of cases examined and be quantified in terms of dollar value.

(6) The possible asserted effect to provide sufficient information to the auditee and Federal agency, or pass-through entity in the case of a sub-recipient, to permit them to determine the cause and effect to facilitate prompt and proper corrective action.

(7) Recommendations to prevent future occurrences of the deficiency identified in the audit finding.

(8) Views of responsible officials of the auditee when there is disagreement with the audit findings, to the extent practical.

(c) *Reference numbers.* Each audit finding in the schedule of findings and

questioned costs shall include a reference number to allow for easy referencing of the audit findings during follow-up.

§ 99.515 Audit working papers.

(a) *Retention of working papers.* The auditor shall retain working papers and reports for a minimum of three years after the date of issuance of the auditor's report(s) to the auditee, unless the auditor is notified in writing by the cognizant agency for audit, oversight agency for audit, or pass-through entity to extend the retention period. When the auditor is aware that the Federal awarding agency, pass-through entity, or auditee is contesting an audit finding, the auditor shall contact the parties contesting the audit finding for guidance prior to destruction of the working papers and reports.

(b) *Access to working papers.* Audit working papers shall be made available upon request to the cognizant or oversight agency for audit or its designee, a Federal agency providing direct or indirect funding, or GAO at the completion of the audit, as part of a quality review, to resolve audit findings, or to carry out oversight responsibilities consistent with the purposes of this part. Access to working papers includes the right of Federal agencies to obtain copies of working papers, as is reasonable and necessary.

§ 99.520 Major program determination.

(a) *General.* The auditor shall use a risk-based approach to determine which Federal programs are major programs. This risk-based approach shall include consideration of: Current and prior audit experience, oversight by Federal agencies and pass-through entities, and the inherent risk of the Federal program. The process in paragraphs (b) through (i) of this section shall be followed.

(b) *Step 1.* (1) The auditor shall identify the larger Federal programs, which shall be labeled Type A programs. Type A programs are defined as Federal programs with Federal awards expended during the audit period exceeding the larger of:

(i) \$300,000 (or \$500,000 for fiscal years ending after December 31, 2003) or three

percent (.03) of total Federal awards expended in the case of an auditee for which total Federal awards expended equal or exceed \$300,000 but are less than or equal to \$100 million.

(ii) \$3 million or three-tenths of one percent (.003) of total Federal awards expended in the case of an auditee for which total Federal awards expended exceed \$100 million but are less than or equal to \$10 billion.

(iii) \$30 million or 15 hundredths of one percent (.0015) of total Federal awards expended in the case of an auditee for which total Federal awards expended exceed \$10 billion.

(2) Federal programs not labeled Type A under paragraph (b)(1) of this section shall be labeled Type B programs.

(3) The inclusion of large loan and loan guarantees (loans) should not result in the exclusion of other programs as Type A programs. When a Federal program providing loans significantly affects the number or size of Type A programs, the auditor shall consider this Federal program as a Type A program and exclude its values in determining other Type A programs.

(4) For biennial audits permitted under § 99.220, the determination of Type A and Type B programs shall be based upon the Federal awards expended during the two-year period.

(c) *Step 2.* (1) The auditor shall identify Type A programs which are low-risk. For a Type A program to be considered low-risk, it shall have been audited as a major program in at least one of the two most recent audit periods (in the most recent audit period in the case of a biennial audit), and, in the most recent audit period, it shall have had no audit findings under § 99.510(a). However, the auditor may use judgment and consider that audit findings from questioned costs under § 99.510(a)(3) and § 99.510(a)(4), fraud under § 99.510(a)(6), and audit follow-up for the summary schedule of prior audit findings under § 99.510(a)(7) do not preclude the Type A program from being low-risk. The auditor shall consider: the criteria in § 99.525(c), § 99.525(d)(1), § 99.525(d)(2), and § 99.525(d)(3); the results of audit follow-up; whether any changes in personnel or systems affecting a Type A program

§ 99.520

29 CFR Subtitle A (7-1-21 Edition)

have significantly increased risk; and apply professional judgment in determining whether a Type A program is low-risk.

(2) Notwithstanding paragraph (c)(1) of this section, OMB may approve a Federal awarding agency's request that a Type A program at certain recipients may not be considered low-risk. For example, it may be necessary for a large Type A program to be audited as major each year at particular recipients to allow the Federal agency to comply with the Government Management Reform Act of 1994 (31 U.S.C. 3515). The Federal agency shall notify the recipient and, if known, the auditor at least 180 days prior to the end of the fiscal year to be audited of OMB's approval.

(d) *Step 3.* (1) The auditor shall identify Type B programs which are high-risk using professional judgment and the criteria in § 99.525. However, should the auditor select Option 2 under Step 4 (paragraph (e)(2)(i)(B) of this section), the auditor is not required to identify more high-risk Type B programs than the number of low-risk Type A programs. Except for known reportable conditions in internal control or compliance problems as discussed in § 99.525(b)(1), § 99.525(b)(2), and § 99.525(c)(1), a single criteria in § 99.525 would seldom cause a Type B program to be considered high-risk.

(2) The auditor is not expected to perform risk assessments on relatively small Federal programs. Therefore, the auditor is only required to perform risk assessments on Type B programs that exceed the larger of:

(i) \$100,000 or three-tenths of one percent (.003) of total Federal awards expended when the auditee has less than or equal to \$100 million in total Federal awards expended.

(ii) \$300,000 (or \$500,000 for fiscal years ending after December 31, 2003) or three-hundredths of one percent (.0003) of total Federal awards expended when the auditee has more than \$100 million in total Federal awards expended.

(e) *Step 4.* At a minimum, the auditor shall audit all of the following as major programs:

(1) All Type A programs, except the auditor may exclude any Type A programs identified as low-risk under Step 2 (paragraph (c)(1) of this section).

(2)(i) High-risk Type B programs as identified under either of the following two options:

(A) Option 1. At least one half of the Type B programs identified as high-risk under Step 3 (paragraph (d) of this section), except this paragraph (e)(2)(i)(A) does not require the auditor to audit more high-risk Type B programs than the number of low-risk Type A programs identified as low-risk under Step 2.

(B) Option 2. One high-risk Type B program for each Type A program identified as low-risk under Step 2.

(ii) When identifying which high-risk Type B programs to audit as major under either Option 1 or 2 in paragraph (e)(2)(i)(A) or (B), the auditor is encouraged to use an approach which provides an opportunity for different high-risk Type B programs to be audited as major over a period of time.

(3) Such additional programs as may be necessary to comply with the percentage of coverage rule discussed in paragraph (f) of this section. This paragraph (e)(3) may require the auditor to audit more programs as major than the number of Type A programs.

(f) *Percentage of coverage rule.* The auditor shall audit as major programs Federal programs with Federal awards expended that, in the aggregate, encompass at least 50 percent of total Federal awards expended. If the auditee meets the criteria in § 99.530 for a low-risk auditee, the auditor need only audit as major programs Federal programs with Federal awards expended that, in the aggregate, encompass at least 25 percent of total Federal awards expended.

(g) *Documentation of risk.* The auditor shall document in the working papers the risk analysis process used in determining major programs.

(h) *Auditor's judgment.* When the major program determination was performed and documented in accordance with this part, the auditor's judgment in applying the risk-based approach to determine major programs shall be presumed correct. Challenges by Federal agencies and pass-through entities shall only be for clearly improper use of the guidance in this part. However, Federal agencies and pass-through entities may provide auditors guidance

about the risk of a particular Federal program and the auditor shall consider this guidance in determining major programs in audits not yet completed.

(i) *Deviation from use of risk criteria.* For first-year audits, the auditor may elect to determine major programs as all Type A programs plus any Type B programs as necessary to meet the percentage of coverage rule discussed in paragraph (f) of this section. Under this option, the auditor would not be required to perform the procedures discussed in paragraphs (c), (d), and (e) of this section.

(1) A first-year audit is the first year the entity is audited under this part or the first year of a change of auditors.

(2) To ensure that a frequent change of auditors would not preclude audit of high-risk Type B programs, this election for first-year audits may not be used by an auditee more than once in every three years.

[64 FR 14541, Mar. 25, 1999, as amended at 72 FR 37105, July 9, 2007]

§ 99.525 Criteria for Federal program risk.

(a) *General.* The auditor's determination should be based on an overall evaluation of the risk of noncompliance occurring which could be material to the Federal program. The auditor shall use auditor judgment and consider criteria, such as described in paragraphs (b), (c), and (d) of this section, to identify risk in Federal programs. Also, as part of the risk analysis, the auditor may wish to discuss a particular Federal program with auditee management and the Federal agency or pass-through entity.

(b) *Current and prior audit experience.* (1) Weaknesses in internal control over Federal programs would indicate higher risk. Consideration should be given to the control environment over Federal programs and such factors as the expectation of management's adherence to applicable laws and regulations and the provisions of contracts and grant agreements and the competence and experience of personnel who administer the Federal programs.

(i) A Federal program administered under multiple internal control structures may have higher risk. When assessing risk in a large single audit, the auditor shall consider whether weak-

nesses are isolated in a single operating unit (e.g., one college campus) or pervasive throughout the entity.

(ii) When significant parts of a Federal program are passed through to subrecipients, a weak system for monitoring subrecipients would indicate higher risk.

(iii) The extent to which computer processing is used to administer Federal programs, as well as the complexity of that processing, should be considered by the auditor in assessing risk. New and recently modified computer systems may also indicate risk.

(2) Prior audit findings would indicate higher risk, particularly when the situations identified in the audit findings could have a significant impact on a Federal program or have not been corrected.

(3) Federal programs not recently audited as major programs may be of higher risk than Federal programs recently audited as major programs without audit findings.

(c) *Oversight exercised by Federal agencies and pass-through entities.* (1) Oversight exercised by Federal agencies or pass-through entities could indicate risk. For example, recent monitoring or other reviews performed by an oversight entity which disclosed no significant problems would indicate lower risk. However, monitoring which disclosed significant problems would indicate higher risk.

(2) Federal agencies, with the concurrence of OMB, may identify Federal programs which are higher risk. The OMB plans to provide this identification in the compliance supplement.

(d) *Inherent risk of the Federal program.* (1) The nature of a Federal program may indicate risk. Consideration should be given to the complexity of the program and the extent to which the Federal program contracts for goods and services. For example, Federal programs that disburse funds through third party contracts or have eligibility criteria may be of higher risk. Federal programs primarily involving staff payroll costs may have a high-risk for time and effort reporting, but otherwise be at low-risk.

(2) The phase of a Federal program in its life cycle at the Federal agency may indicate risk. For example, a new

§ 99.530

29 CFR Subtitle A (7-1-21 Edition)

Federal program with new or interim regulations may have higher risk than an established program with time-tested regulations. Also, significant changes in Federal programs, laws, regulations, or the provisions of contracts or grant agreements may increase risk.

(3) The phase of a Federal program in its life cycle at the auditee may indicate risk. For example, during the first and last years that an auditee participates in a Federal program, the risk may be higher due to start-up or close-out of program activities and staff.

(4) Type B programs with larger Federal awards expended would be of higher risk than programs with substantially smaller Federal awards expended.

§ 99.530 Criteria for a low-risk auditee.

An auditee which meets all of the following conditions for each of the preceding two years (or, in the case of biennial audits, preceding two audit periods) shall qualify as a low-risk auditee and be eligible for reduced audit coverage in accordance with § 99.520:

(a) Single audits were performed on an annual basis in accordance with the provisions of this part. A non-Federal entity that has biennial audits does not qualify as a low-risk auditee, unless agreed to in advance by the cognizant or oversight agency for audit.

(b) The auditor's opinions on the financial statements and the schedule of expenditures of Federal awards were unqualified. However, the cognizant or oversight agency for audit may judge that an opinion qualification does not affect the management of Federal awards and provide a waiver.

(c) There were no deficiencies in internal control which were identified as material weaknesses under the requirements of GAGAS. However, the cognizant or oversight agency for audit may judge that any identified material weaknesses do not affect the management of Federal awards and provide a waiver.

(d) None of the Federal programs had audit findings from any of the following in either of the preceding two years (or, in the case of biennial audits, preceding two audit periods) in which they were classified as Type A programs:

(1) Internal control deficiencies which were identified as material weaknesses;

(2) Noncompliance with the provisions of laws, regulations, contracts, or grant agreements which have a material effect on the Type A program; or

(3) Known or likely questioned costs that exceed five percent of the total Federal awards expended for a Type A program during the year.
