

(9) *Reopening of hearing.* The hearing may be reopened on the panel's initiative under compelling circumstances at any time before the decision is made.

(1) *Review by the arbitration panel—(1) Determination of timeliness.* Upon notification by FEMA, or on its own initiative, the arbitration panel will determine whether the applicant timely filed a request for arbitration.

(2) *Substantive review.* The arbitration panel will consider all relevant written materials provided by the applicant, the recipient, and FEMA, as well as oral presentations, if any. If the panel deems it appropriate or necessary, it may request additional written materials from either or both parties or seek the advice or expertise of independent scientific or technical subject matter experts.

(j) *Ex parte communications.* No party and no one acting on behalf of any party will engage in ex parte communications with a member of the arbitration panel. If a party or someone acting on behalf of any party engages in ex parte communications with a member of the arbitration panel, the party that engaged in such communication will provide a summary or a transcript of the entire communication to the other parties.

(k) *Decision—(1) Time limits.* The panel will make every effort to issue a written decision within 60 calendar days after the panel declares the hearing closed pursuant to paragraph (h)(4) of this section, or, if a hearing was not requested, within 60 calendar days following the receipt of FEMA's response to the request for arbitration. A decision of the panel may take longer than 60 calendar days if the arbitration involves a highly technical or complex matter.

(2) *Form and content.* The decision of the panel will be in writing and signed by each member of the panel. The panel will issue a reasoned decision that includes a brief and informal discussion of the factual and legal basis for the decision.

(3) *Finality of decision.* A decision of the majority of the panel shall constitute a final decision, binding on all parties. Final decisions are not subject to further administrative review. Final decisions are not subject to judicial re-

view, except as permitted by 9 U.S.C. 10.

(4) *Delivery of decision.* Notice and delivery of the decision will be by facsimile or other electronic means and by regular mail to each party or its authorized representative or counsel.

(1) *Costs.* FEMA will pay the fees associated with the arbitration panel, the costs of any expert retained by the panel, and the arbitration facility costs, if any. The expenses for each party, including attorney's fees, representative fees, copying costs, costs associated with attending any hearing, or any other fees not listed in this paragraph will be paid by the party incurring such costs.

(m) *Guidance.* FEMA may issue separate guidance as necessary to supplement this section.

§ 206.221 Definitions.

(a) *Educational institution* means:

(1) Any elementary school as defined by section 801(c) of the Elementary and Secondary Education Act of 1965; or

(2) Any secondary school as defined by section 801(h) of the Elementary and Secondary Education Act of 1965; or

(3) Any institution of higher education as defined by section 1201 of the Higher Education Act of 1965.

(b) *Force account* means an applicant's own labor forces and equipment.

(c) *Immediate threat* means the threat of additional damage or destruction from an event which can reasonably be expected to occur within five years.

(d) *Improved property* means a structure, facility or item of equipment which was built, constructed or manufactured. Land used for agricultural purposes is not improved property.

(e) *Private nonprofit facility* means any private nonprofit educational, utility, emergency, medical, or custodial care facility, including a facility for the aged or disabled, and other facility providing essential governmental type services to the general public, and such facilities on Indian reservations. Further definition is as follows:

(1) *Educational facilities* means classrooms plus related supplies, equipment, machinery, and utilities of an educational institution necessary or appropriate for instructional, administrative, and support purposes, but does not include buildings, structures and related items used primarily for religious purposes or instruction.

(2) *Utility* means buildings, structures, or systems of energy, communication, water supply, sewage collection and treatment, or other similar public service facilities.

(3) *Irrigation facility* means those facilities that provide water for essential services of a governmental nature to the general public. Irrigation facilities include water for fire suppression, generating and supplying electricity, and drinking water supply; they do not include water for agricultural purposes.

(4) *Emergency facility* means those buildings, structures, equipment, or systems used to provide emergency services, such as fire protection, ambulance, or rescue, to the general public, including the administrative and support facilities essential to the oper-

ation of such emergency facilities even if not contiguous.

(5) *Medical facility* means any hospital, outpatient facility, rehabilitation facility, or facility for long term care as such terms are defined in section 645 of the Public Health Service Act (42 U.S.C. 2910) and any similar facility offering diagnosis or treatment of mental or physical injury or disease, including the administrative and support facilities essential to the operation of such medical facilities even if not contiguous.

(6) *Custodial care facility* means those buildings, structures, or systems including those for essential administration and support, which are used to provide institutional care for persons who require close supervision and some physical constraints on their daily activities for their self-protection, but do not require day-to-day medical care.

(7) *Other essential governmental service facility* means museums, zoos, community centers, libraries, homeless shelters, senior citizen centers, rehabilitation facilities, shelter workshops and facilities which provide health and safety services of a governmental nature. All such facilities must be open to the general public.

(f) *Private nonprofit organization* means any nongovernmental agency or entity that currently has:

(1) An effective ruling letter from the U.S. Internal Revenue Service, granting tax exemption under sections 501(c), (d), or (e) of the Internal Revenue Code of 1954, or

(2) Satisfactory evidence from the State that the nonrevenue producing organization or entity is a nonprofit one organized or doing business under State law.

(g) *Public entity* means an organization formed for a public purpose whose direction and funding are provided by one or more political subdivisions of the State.

(h) *Public facility* means the following facilities owned by a State or local government: any flood control, navigation, irrigation, reclamation, public power, sewage treatment and collection, water supply and distribution, watershed development, or airport facility; any non-Federal aid, street, road, or highway; and any other public

§ 206.222 Applicant eligibility.

The following entities are eligible to apply for assistance under the State public assistance grant:

(a) State and local governments.

(b) Private non-profit organizations or institutions which own or operate a private nonprofit facility as defined in § 206.221(e).

(c) Indian tribes or authorized tribal organizations and Alaska Native villages or organizations, but not Alaska Native Corporations, the ownership of which is vested in private individuals.

[55 FR 2307, Jan. 23, 1990, as amended at 82 FR 44, Jan. 3, 2017]

§ 206.223 General work eligibility.

(a) *General*. To be eligible for financial assistance, an item of work must:

(1) Be required as the result of the emergency or major disaster event;

(2) Be located within the designated area of a major disaster or emergency declaration, except that sheltering and evacuation activities may be located outside the designated area; and

(3) Be the legal responsibility of an eligible applicant.

(b) *Private nonprofit facilities*. To be eligible, all private nonprofit facilities must be owned and operated by an organization meeting the definition of a private nonprofit organization [see § 206.221(f)].

(c) *Public entities*. Facilities belonging to a public entity may be eligible for assistance when the application is submitted through the State or a political subdivision of the State.

(d) *Facilities serving a rural community or unincorporated town or village*. To be eligible for assistance, a facility not owned by an eligible applicant, as defined in § 206.222, must be owned by a private nonprofit organization; and provide an essential governmental service to the general public. Applica-

tions for these facilities must be submitted through a State or political subdivision of the State.

(e) *Negligence*. No assistance will be provided to an applicant for damages caused by its own negligence. If negligence by another party results in damages, assistance may be provided, but will be conditioned on agreement by the applicant to cooperate with FEMA in all efforts necessary to recover the cost of such assistance from the negligent party.

[55 FR 2307, Jan. 23, 1990, as amended at 71 FR 40027, July 14, 2006; 74 FR 60214, Nov. 20, 2009]

§ 206.224 Debris removal.

(a) *Public interest*. Upon determination that debris removal is in the public interest, the Regional Administrator may provide assistance for the removal of debris and wreckage from publicly and privately owned lands and waters. Such removal is in the public interest when it is necessary to:

(1) Eliminate immediate threats to life, public health, and safety; or

(2) Eliminate immediate threats of significant damage to improved public or private property; or

(3) Ensure economic recovery of the affected community to the benefit of the community-at-large; or

(4) Mitigate the risk to life and property by removing substantially damaged structures and associated appurtenances as needed to convert property acquired through a FEMA hazard mitigation program to uses compatible with open space, recreation, or wetlands management practices. Such removal must be completed within two years of the declaration date, unless the Assistant Administrator for the Disaster Assistance Directorate extends this period.

(b) *Debris removal from private property*. When it is in the public interest for an eligible applicant to remove debris from private property in urban, suburban and rural areas, including large lots, clearance of the living, recreational and working area is eligible except those areas used for crops and livestock or unused areas.
