[84 FR 62467, Nov. 15, 2019]

§ 515.19 Registration of foreign-based unlicensed NVOCC.

(a) Any NVOCC whose primary place of business is located outside the United States and does not elect to become licensed by the Commission shall register with the Commission by submitting to the Director of the Bureau of Certification and Licensing (BCL) a completed registration form, Form FMC-65 (Foreign-based Unlicensed NVOCC Registration/Renewal). A notice of each registration shall be published on the Commission's Web site *www.fmc.gov*. It is a violation of the Commission's regulations implementing the Shipping Act for a foreign-based unlicensed non-vessel-operating common carrier to provide NVOCC services in the U.S. foreign trade without a valid registration and an effective tariff.

(b) A registration form which appears, upon submission, to be substantially incomplete may be rejected. If rejected, a notice, together with the reasons therefore, shall be sent to the foreign-based unlicensed NVOCC. Persons who have had a registration rejected may submit a new registration at any time.

(c) Registrations are complete upon receipt of a registration form which meets the requirements of this section, evidence of financial responsibility pursuant to § 515.21, and Form FMC-1 pursuant to § 520.3.

(d) Registrations shall be effective for a period of three (3) years. Thereafter, registrations will be renewed for sequential three year periods upon submission of an updated registration form.

(e) A tariff shall not be published and NVOCC service shall not commence until the Commission receives valid proof of financial responsibility from the registrant and a Form FMC-1 has been submitted.

(f) Registered NVOCCs must report in writing to BCL any changes, within 30 days of such changes, to: legal name(s) or trade name(s); principal place of business address (including telephone number, facsimile number); contact person and email address (including physical address if different from principal place of business); name of resident agent(s) (including physical address, mailing address, email address, telephone and facsimile number(s), and contact person) in the United States for receipt of service of judicial and administrative process (including subpoenas).

(g) *Termination or suspension of registration—(1) Grounds.* A registration shall become automatically ineffective for a failure of a registered NVOCC to maintain proof of financial responsibility on file with the Commission. The effectiveness of such a registration may otherwise be terminated or suspended, after notice and the opportunity for a hearing, for any of the following reasons:

(i) Violation of any provision of the Act, or any other statute or Commission order or regulation related to carrying on the business of an ocean transportation intermediary;

§ 515.20

46 CFR Ch. IV (10–1–21 Edition)

(ii) Failure to respond to any lawful order or inquiry by the Commission or an authorized Commission representative;

(iii) Making a materially false or misleading statement to the Commission in connection with a registration or renewal thereof;

(iv) Failure to honor financial obligations to the Commission;

(v) Failure to timely renew a registration;

(vi) Failure to maintain a Form FMC–1 or a tariff in compliance with 46 CFR part 520;

(vii) Knowingly and willfully accepting cargo from or transporting cargo for the account of:

(A) an NVOCC that does not have a published tariff as required by 46 U.S.C. 40501 and part 520 of this chapter, and a bond, insurance, or other surety as required by 46 U.S.C. 40902 and this part; or

(B) an OFF that does not have a bond, insurance, or other surety as required by 46 U.S.C. 40902 and this part; and

(viii) Failure to designate and maintain a person in the United States as legal agent for the receipt of judicial and administrative process, including subpoenas, as required by § 515.24.

(2) *Hearing procedure.* Registrants may request a hearing for terminations or suspensions of the effectiveness of their registrations following the same procedures set forth in § 515.17 (governing hearing requests for denials, revocations and suspensions of licenses).

(3) *Publication of Notice.* The Commission shall publish on the Commission's Web site, *www.fmc.gov*, a notice of each termination or suspension.

§ 515.20 Changes in organization.

(a) *Licenses.* The following changes in an existing licensee's organization require prior approval of the Commission, and application for such status change or license transfer shall be made on Form FMC–18, filed with the Commission's Bureau of Certification and Licensing, and accompanied by the fee required under § 515.5(c):

(1) Transfer of a corporate license to another person;

(2) Change in ownership of a sole proprietorship;

(3) Any change in the business structure of a licensee from or to a sole proprietorship, partnership, limited liability company, or corporation, whether or not such change involves a change in ownership;

(4) Any change in a licensee's name, including adding or deleting a trade name relating to its OTI services; or

(5) Change in the identity or status of the designated QI, except as described in paragraphs (b) and (c) of this section.

(b) *Operation after death of sole proprietor.* In the event that the owner of a licensed sole proprietorship dies, the licensee's executor, administrator, heir(s), or assign(s) may continue operation of such proprietorship solely with respect to shipments for which the deceased sole proprietor had undertaken to act as an ocean transportation intermediary pursuant to the existing license, if the death is reported within 30 days to the Commission and to all principals and shippers for whom services on such shipments are to be rendered. The acceptance or solicitation of any other shipments is expressly prohibited until a new license has been issued. Applications for a new license by the executor, administrator, heir(s), or assign(s) shall be made on Form FMC–18, and shall be accompanied by the fee required under § 515.5(c).

(c) *Operation after retirement, resignation, or death of QI.* When a partnership, LLC, or corporation has been licensed on the basis of the qualifications of one or more of the partners, members, managers or officers thereof, and the QI no longer serves as a full-time employee with the OTI or is no longer responsible for the licensee's OTI activities, the licensee shall report such change to the Commission within thirty (30) days. Within the same 30-day period, the licensee shall furnish to the Commission the name(s) and detailed intermediary experience of any other active partner(s), member(s), manager(s) or officer(s) who may qualify the licensee. Such QI(s) must meet the applicable requirements set forth in § 515.11(a) through (c). The licensee may

Federal Maritime Commission

§ 515.21

continue to operate as an ocean transportation intermediary while the Commission investigates the qualifications of the newly designated partner, member, manager, or officer.

(d) *Acquisition of one or more additional licensees.* In the event a licensee acquires one or more additional licensees, for the purpose of merger, consolidation, or control, the acquiring licensee shall advise the Commission of such acquisition, including any change in ownership, within 30 days after such change occurs by submitting an amended Form FMC-18. No application fee is required when reporting this change.

(e) *Other changes.* Other changes in material fact of a licensee shall be reported within thirty (30) days of such changes, in writing by mail or email (bcl@fmc.gov) to the Director, Bureau of Certification and Licensing, Federal Maritime Commission, Washington, DC 20573. Material changes include, but are not limited to: Changes in business address; any criminal indictment or conviction of a licensee, QI, or officer; any voluntary or involuntary bankruptcy filed by or naming a licensee, QI, or officer; changes of five (5) percent or more of the common equity ownership or voting securities of the OTI; or, the addition or reduction of one or more partners of a licensed partnership, one or more members or managers of a Limited Liability Company, or one or more branch offices. No fee shall be charged for reporting such changes.

Subpart C—Financial Responsibility Requirements; Claims Against Ocean Transportation Intermediaries

§ 515.21 Financial responsibility requirements.

(a) *Form and amount.* Except as otherwise provided in this part, no person may advertise, hold oneself out, or act as an ocean transportation intermediary unless that person furnishes a bond, proof of insurance, or other surety in a form and amount determined by the Commission to insure financial responsibility. The bond, insurance, or

other surety covers the transportation-related activities of an ocean transportation intermediary.

(1) Any person in the United States advertising, holding oneself out, or acting as an ocean freight forwarder as defined in § 515.2(m)(1) shall furnish evidence of financial responsibility in the amount of \$50,000.

(2) Any person in the United States advertising, holding oneself out, or acting as an NVOCC as defined in § 515.2(m)(2) shall furnish evidence of financial responsibility in the amount of \$75,000.

(3) Any registered NVOCC, as defined in § 515.2(r), shall furnish evidence of financial responsibility in the amount of \$150,000. Such registered NVOCC shall be strictly responsible for the acts and omissions of its employees and agents, wherever they are located.

(b) *Group financial responsibility.* When a group or association of ocean transportation intermediaries accepts liability for an ocean transportation intermediary's financial responsibility for such ocean transportation intermediary's transportation-related activities under the Act, the group or association of ocean transportation intermediaries shall file a group bond form, insurance form or guaranty form, clearly identifying each ocean transportation intermediary covered, before a covered ocean transportation intermediary may provide ocean transportation intermediary services. In such cases, a group or association must establish financial responsibility in an amount equal to the lesser of the amount required by paragraph (a) of this section for each member, or \$3,000,000 in aggregate. A group or association of ocean transportation intermediaries may also file an optional bond rider as provided in § 515.25(b).

(c) *Common trade name.* Where more than one person operates under a common trade name, separate proof of financial responsibility is required covering each corporation or person separately providing ocean transportation intermediary services.

(d) *Federal military and civilian household goods.* Any person which exclusively transports used household goods and personal effects for the account of the Department of Defense, or for the

§ 515.22

account of the federal civilian executive agencies shipping under the International Household Goods Program administered by the General Services Administration, or both, is not subject to the requirements of subpart C of this part, but may be subject to other requirements, such as alternative surety bonding, imposed by the Department of Defense, or the General Services Administration.

§ 515.22 Proof of financial responsibility.

Prior to the date it commences furnishing ocean transportation intermediary services, every ocean transportation intermediary shall establish its financial responsibility for the purpose of this part by one of the following methods:

(a) Surety bond, by filing with the Commission a valid bond on Form FMC-48. Bonds must be issued by a surety company found acceptable by the Secretary of the Treasury;

(b) Insurance, by filing with the Commission evidence of insurance on Form FMC-67. The insurance must provide coverage for damages, reparations or penalties arising from any transportation-related activities under the Act of the insured ocean transportation intermediary. This evidence of financial responsibility shall be accompanied by: in the case of a financial rating, the Insurer's financial rating on the rating organization's letterhead or designated form; in the case of insurance provided by Underwriters at Lloyd's, documentation verifying membership in Lloyd's; and in the case of insurance provided by surplus lines insurers, documentation verifying inclusion on a current "white list" issued by the Non-Admitted Insurers' Information Office of the National Association of Insurance Commissioners. The Insurer must certify that it has sufficient and acceptable assets located in the United States to cover all damages arising from the transportation-related activities of the insured ocean transportation intermediary as specified under the Act. The insurance must be placed with:

(c) Guaranty, by filing with the Commission evidence of guaranty on Form FMC-68. The guaranty must provide coverage for damages, reparations or penalties arising from any transportation-related activities under the Act of the covered ocean transportation intermediary. This evidence of financial responsibility shall be accompanied by: in the case of a financial rating, the Guarantor's financial rating on the rating organization's letterhead or designated form; in the case of a guaranty provided by Underwriters at Lloyd's, documentation verifying membership in Lloyd's; and in the case of a guaranty provided by surplus lines insurers, documentation verifying inclusion on a current "white list" issued by the Non-Admitted Insurers' Information Office of the National Association of Insurance Commissioners. The Guarantor must certify that it has sufficient and acceptable assets located in the United States to cover all damages arising from the transportation-related activities of the covered ocean transportation intermediary as specified under the Act. The guaranty must be placed with:

(1) A Guarantor having a financial rating of Class V or higher under the Financial Size Categories of A.M. Best & Company, or equivalent from an acceptable international rating organization;

of ocean transportation intermediaries on behalf of its members, subject to the following conditions and procedures:

(1) Each group or association of ocean transportation intermediaries shall notify the Commission of its intention to participate in such a program and furnish documentation as will demonstrate its authenticity and authority to represent its members, such as articles of incorporation, by-laws, etc.;

(2) Each group or association of ocean transportation intermediaries shall provide the Commission with a list certified by its Chief Executive Officer containing the names of those ocean transportation intermediaries to which it will provide coverage; the manner and amount of existing coverage each covered ocean transportation intermediary has; an indication that the existing coverage provided each ocean transportation intermediary is provided by a surety bond issued by a surety company found acceptable to the Secretary of the Treasury, or by insurance or guaranty issued by a firm meeting the requirements of paragraphs (b) or (c) of this section with coverage limits specified above in §515.21; and the name, address and facsimile number of each surety, insurer or guarantor providing coverage pursuant to this section. Each group or association of ocean transportation intermediaries or its financial responsibility provider shall notify the Commission within 30 days of any changes to its list;

(3) The group or association shall provide the Commission with a sample copy of each type of existing financial responsibility coverage used by member ocean transportation intermediaries;

(4) Each group or association of ocean transportation intermediaries shall be responsible for ensuring that each member's financial responsibility coverage allows for claims to be made in the United States against the Surety, Insurer or Guarantor for any judgment for damages against the ocean transportation intermediary arising from its transportation-related activities under the Act, or order for reparations issued pursuant to section 11 of the Act (46 U.S.C. 41301-41302, 41305-

41307(a)), or any penalty assessed against the ocean transportation intermediary pursuant to section 13 of the Act (46 U.S.C. 41107-41109). Each group or association of ocean transportation intermediaries shall be responsible for requiring each member ocean transportation intermediary to provide it with valid proof of financial responsibility annually;

(5) Where the group or association of ocean transportation intermediaries determines to secure on behalf of its members other forms of financial responsibility, as specified by this section, for damages, reparations or penalties not covered by a member's individual financial responsibility coverage, such additional coverage must:

(i) Allow claims to be made in the United States directly against the group or association's Surety, Insurer or Guarantor for damages against each covered member ocean transportation intermediary arising from each covered member ocean transportation intermediary's transportation-related activities under the Act, or order for reparations issued pursuant to section 11 of the Act (46 U.S.C. 41301-41302, 41305-41307(a)), or any penalty assessed against each covered member ocean transportation intermediary pursuant to section 13 of the Act (46 U.S.C. 41107-41109); and

(ii) Be for an amount up to the amount determined in accordance with §515.21(b), taking into account a member's individual financial responsibility coverage already in place. In the event of a claim against a group bond, the bond must be replenished up to the original amount of coverage within 30 days of payment of the claim; and

(iii) be in excess of a member's individual financial responsibility coverage already in place; and

(6) The coverage provided by the group or association of ocean transportation intermediaries on behalf of its members shall be provided by:

(i) in the case of a surety bond, a surety company found acceptable to the Secretary of the Treasury and issued by such a surety company on Form FMC-69; and

(ii) in the case of insurance and guaranty, a firm having a financial rating

of Class V or higher under the Financial Size Categories of A.M. Best & Company or equivalent from an acceptable international rating organization, Underwriters at Lloyd's, or surplus line insurers named on a current "white list" issued by the Non-Admitted Insurers' Information Office of the National Association of Insurance Commissioners and issued by such firms on Form FMC-67 and Form FMC-68, respectively.

(e) All forms and documents for establishing financial responsibility of ocean transportation intermediaries prescribed in this section shall be submitted to the Director, Bureau of Certification and Licensing, via email to *bcl@fmc.gov*. Such forms and documents must clearly identify the principal's name; trade name, if any; address; the state of incorporation/formation; and the printed name and title of the signatory.

§ 515.23 Claims against an ocean transportation intermediary.

(a) *Who may seek payment.* Shippers, common carriers, and other affected persons may seek payment from the bond, insurance, or other surety maintained by an ocean transportation intermediary for damages arising out of its ocean transportation-related activities. The Commission may also seek payment of civil penalties assessed under section 13 of the Shipping Act (46 U.S.C. 41107-41109).

(b) *Payment pursuant to a claim.* (1) If a person does not file a complaint with the Commission pursuant to section 11 of the Shipping Act (46 U.S.C. 41301-41302, 41305-41307(a)), but otherwise seeks to pursue a claim against an ocean transportation intermediary bond, insurance, or other surety for damages arising from its transportation-related activities, it shall attempt to resolve its claim with the financial responsibility provider prior to seeking payment on any judgment for damages obtained. When a claimant seeks payment under this section, it simultaneously shall notify both the financial responsibility provider and the ocean transportation intermediary of

46 CFR Ch. IV (10-1-21 Edition)

the claim by mail or courier service. The bond, insurance, or other surety may be available to pay such claim if:

(i) The ocean transportation intermediary consents to payment, subject to review by the financial responsibility provider; or

(ii) The ocean transportation intermediary fails to respond within forty-five (45) days from the date of the notice of the claim, and the financial responsibility provider deems the claim valid.

(2) If the parties fail to reach an agreement in accordance with paragraph (b)(1) of this section within ninety (90) days of the date of the initial notification of the claim, the bond, insurance, or other surety shall be available to pay any final judgment for reparations ordered by the Commission or damages obtained from an appropriate court. The financial responsibility provider shall pay such judgment for damages only to the extent they arise from the transportation-related activities of the ocean transportation intermediary, ordinarily within thirty (30) days, without requiring further evidence related to the validity of the claim; it may, however, inquire into the extent to which the judgment for damages arises from the ocean transportation intermediary's transportation-related activities.

(c) *Notices of court and other claims against OTIs by financial responsibility providers.* (1) As provided in each financial responsibility instrument between an OTI and its financial responsibility provider(s), the issuing financial responsibility provider shall submit a notice to the Commission of each claim, court action, or court judgment against the financial responsibility and each claim paid (including the amount) by the provider.

(2) Notices described in paragraph (c)(1) of this section shall be promptly submitted in writing by mail or email (*bcl@fmc.gov*) to the Director, Bureau of Certification and Licensing, Federal Maritime Commission, Washington, DC 20573.

(3) Notices required by this section shall include the name of the claimant,

Federal Maritime Commission

§ 515.25

name of the court and case number assigned, and the name and license or organization number of the OTI involved. Such notices may include or attach other information relevant to the claim.

(d) The Federal Maritime Commission shall not serve as depository or distributor to third parties of bond, guaranty, or insurance funds in the event of any claim, judgment, or order for reparation.

(e) *Optional bond riders.* The Federal Maritime Commission shall not serve as a depository or distributor to third parties of funds payable pursuant to optional bond riders described in § 515.25(b).

§ 515.24 Agent for service of process.

(a) Every ocean transportation intermediary not located in the United States and every group or association of ocean transportation intermediaries not located in the United States which provides financial coverage for the financial responsibility of a member ocean transportation intermediary shall designate and maintain a person in the United States as legal agent for the receipt of judicial and administrative process, including subpoenas.

(b) Service of administrative process, other than subpoenas, may be effected upon the legal agent by dispatching a copy of the document to be served by mail or courier service. Administrative subpoenas shall be served in accordance with § 502.134 of this chapter.

(c) If the designated legal agent cannot be served because of death, disability, unavailability, termination or expiration of the designation, or if a legal agent authorized to receive such service is not designated in compliance with this section, the Secretary of the Federal Maritime Commission will be deemed to be the legal agent for service of process. Any person serving the Secretary must also send to the ocean transportation intermediary, or group or association of ocean transportation intermediaries which provide financial coverage for the financial responsibilities of a member ocean transportation intermediary, by mail or courier service at the ocean transportation

intermediary's, or group's, address published in its tariff, a copy of each document served upon the Secretary, and shall attest to that service at the time service is made upon the Secretary. For purposes of this paragraph, it is sufficient that a person seeking to serve process on an ocean transportation intermediary, or group of such intermediaries, affirm to the Commission's Secretary that: they have contacted, or attempted to contact, the designated agent to confirm whether it remained authorized to accept service of process; or, if no legal agent is designated in the tariff, that it has no knowledge of the identity of the ocean transportation intermediary's legal agent. Designation of the Commission's Secretary as the legal agent shall survive any cancellation of the OTI's license or tariff and shall continue for the entire period during which claims may be made under the OTI's financial responsibility instrument.

(d) Designations of legal agent under paragraphs (a) and (b) of this section and provisions relating to service of process under paragraph (c) of this section shall be published in the ocean transportation intermediary's tariff, when required, in accordance with part 520 of this chapter.

(e) Every ocean transportation intermediary using a group or association of ocean transportation intermediaries to cover its financial responsibility requirement under § 515.21(b) shall publish the name and address of the group or association's resident agent for receipt of judicial and administrative process, including subpoenas, in its tariff, when required, in accordance with part 520 of this chapter.

(b) *Optional bond rider.* Any NVOCC as defined in § 515.2(m)(2), in addition to a bond meeting the requirements of § 515.21(a)(2) or (3), may obtain and file with the Commission proof of an optional bond rider, as provided in Appendix E or Appendix F of this part.

(b) A common carrier can obtain proof of an NVOCC or OFF's compliance with the OTI licensing, registration, tariff and financial responsibility requirements by:

(1) Consulting the Commission's website *www.fmc.gov* as provided in paragraph (d) of this section, to verify that the NVOCC or OFF has complied with the applicable licensing, registration, tariff, and financial responsibility requirements; or

(2) Any other appropriate procedure, provided that such procedure is set forth in the carrier's tariff.

(c) A common carrier that has employed the procedure prescribed in paragraph (b)(1) of this section shall be deemed to have met its obligations under 46 U.S.C. 41104(a)(11), unless the common carrier knew that such NVOCC or OFF was not in compliance with the applicable tariff or financial responsibility requirements.

(d) The Commission will publish at its Web site, *www.fmc.gov*, a list of the locations of all carrier and conference tariffs, and a list of ocean transportation intermediaries (including a separate list for NVOCCs) who have met all of their applicable licensing, registration, tariff and financial responsibility requirements, current as of the last date on which the list is updated. The Commission will update this list on a periodic basis.

on shipping documents, its Commission license or registration number shall also be included.

(b) *Stationery and billing forms.* The name and license or registration number of each OTI shall be permanently imprinted on the licensee's or registrant's office stationery and billing forms.

(c) *Use of license or registration by others; prohibition.* No OTI shall permit its name, license, license number, registration, or registration number to be used by any person who is not an employee or an agent of the OTI. An entity that also provides OTI services in its own name and not on behalf of a licensed or registered OTI must be separately licensed under this part and must provide proof of its own financial responsibility and publish a tariff, if applicable. A branch office of an OTI may use the license of the OTI, provided that the address of the branch office has been reported to the Commission in Form FMC-18 or pursuant to § 515.20(e).

(d) *Arrangements with ocean transportation intermediaries whose licenses have been revoked.* Unless prior written approval from the Commission has been obtained, no OTI shall, directly or indirectly:

(1) Agree to perform ocean transportation intermediary services on shipments as an associate, correspondent, officer, employee, agent, or sub-agent of any person whose license has been revoked or suspended pursuant to § 515.16, or registration terminated or suspended pursuant to § 515.19(g);

(2) Assist in the furtherance of any ocean transportation intermediary business of an OTI whose license has been revoked;

(3) Share forwarding fees or freight compensation with any such person; or

(4) Permit any such person, directly or indirectly, to participate, through ownership or otherwise, in the control or direction of the ocean transportation intermediary business of the licensee or registrant.

(e) *False or fraudulent claims, false information.* No OTI shall prepare or file or assist in the preparation or filing of any claim, affidavit, letter of indemnity, or other paper or document concerning an ocean transportation inter-

mediary transaction which it has reason to believe is false or fraudulent, nor shall any such OTI knowingly impart to a principal, shipper, common carrier or other person, false information relative to any ocean transportation intermediary transaction.

(f) *Errors and omissions of the principal or shipper.* An OTI who has reason to believe that its principal or shipper has not, with respect to a shipment to be handled by such OTI, complied with the laws of the United States, or has made any error or misrepresentation in, or omission from, any export declaration, bill of lading, affidavit, or other document which the principal or shipper executes in connection with such shipment, shall advise its principal or shipper promptly of the suspected noncompliance, error, misrepresentation or omission, and shall decline to participate in any transaction involving such document until the matter is properly and lawfully resolved.

(g) *Response to requests of Commission.* Upon the request of any authorized representative of the Commission, an OTI shall make available promptly for inspection or reproduction all records and books of account in connection with its ocean transportation intermediary business, and shall respond promptly to any lawful inquiries by such representative. All OTIs are responsible for requiring that, upon the request of any authorized Commission representative, their agents make available all records and books of account relating to ocean transportation intermediary service provided by or for their principals, and respond promptly to any lawful inquiries by such representative.

(h) *Express written authority.* No OTI shall endorse or negotiate any draft, check, or warrant drawn to the order of its OTI principal or shipper without the express written authority of such OTI principal or shipper.

Subpart E—Freight Forwarding Fees and Compensation

§ 515.41 Forwarder and principal; fees.

(a) *Compensation or fee sharing.* No licensed freight forwarder shall share, directly or indirectly, any compensation or freight forwarding fee with a shipper, consignee, seller, or purchaser, or an agent, affiliate, or employee thereof; nor with any person advancing the purchase price of the property or guaranteeing payment therefor; nor with any person having a beneficial interest in the shipment.

(b) *Receipt for cargo.* Each receipt for cargo issued by a licensed freight forwarder shall be clearly identified as “Receipt for Cargo” and be readily distinguishable from a bill of lading.

(c) *Reduced forwarding fees.* No licensed freight forwarder shall render, or offer to render, any freight forwarding service free of charge or at a reduced fee in consideration of receiving compensation from a common carrier or for any other reason. *Exception:* A licensed freight forwarder may perform freight forwarding services for recognized relief agencies or charitable organizations, which are designated as such in the tariff of the common carrier, free of charge or at reduced fees.

(d) *In-plant arrangements.* A licensed freight forwarder may place an employee or employees on the premises of its principal as part of the services rendered to such principal, provided:

(1) The in-plant forwarder arrangement is reduced to writing and identifies all services provided by either party (whether or not constituting a freight forwarding service); states the amount of compensation to be received by either party for such services; sets

forth all details concerning the procurement, maintenance or sharing of office facilities, personnel, furnishings, equipment and supplies; describes all powers of supervision or oversight of the licensee’s employee(s) to be exercised by the principal; and details all procedures for the administration or management of in-plant arrangements between the parties; and

[64 FR 11171, Mar. 8, 1999, as amended at 80 FR 68737, Nov. 5, 2015]

§ 515.42 Forwarder and carrier compensation; fees.

(a) *Disclosure of principal.* The identity of the shipper must always be disclosed in the shipper identification box on the bill of lading. The licensed freight forwarder’s name may appear with the name of the shipper, but the forwarder must be identified as the shipper’s agent.

(b) *Certification required for compensation.* A common carrier may pay compensation to a licensed freight forwarder only pursuant to such common carrier’s tariff provisions. When a common carrier’s tariff provides for the payment of compensation, such compensation shall be paid on any shipment forwarded on behalf of others where the forwarder has provided a certification as prescribed in paragraph (c) of this section and the shipper has been disclosed on the bill of lading as provided for in paragraph (a) of this section. The common carrier shall be entitled to rely on such certification unless it knows that the certification is incorrect. The common carrier shall retain such certifications for a period of five (5) years.

(c) *Form of certification.* When a licensed freight forwarder is entitled to compensation, the forwarder shall provide the common carrier with a certification which indicates that the forwarder has performed the required services that entitle it to compensation. The required certification may be provided electronically by the forwarder or may be placed on one copy of the relevant bill of lading, a summary statement from the forwarder, the forwarder’s compensation invoice, or as

§515.91

46 CFR Ch. IV (10–1–21 Edition)

an endorsement on the carrier's compensation check. Electronic certification must contain confirmations by the forwarder and the carrier identifying the shipments upon which forwarding compensation may be paid. Each forwarder shall retain evidence in its shipment files that the forwarder, in fact, has performed the required services enumerated on the certification. The certification shall read as follows:

The undersigned hereby certifies that neither I nor any holding company, subsidiary, affiliate, officer, director, agent or executive of the undersigned has a beneficial interest in this shipment; that it is the holder of valid FMC License No. ____, issued by the Federal Maritime Commission and has performed the following services:

(1) Engaged, booked, secured, reserved, or contracted directly with the carrier or its agent for space aboard a vessel or confirmed the availability of that space; and

(2) Prepared and processed the ocean bill of lading, dock receipt, or other similar document with respect to the shipment.

(d) *Compensation pursuant to tariff provisions.* No licensed freight forwarder, or employee thereof, shall accept compensation from a common carrier which is different from that specifically provided for in the carrier's effective tariff(s). No conference or group of common carriers shall deny in the export commerce of the United States compensation to an ocean freight forwarder or limit that compensation, as provided for by section 19(e)(4) of the Act (46 U.S.C. 40904(d)) and 46 CFR part 535.

(e) *Electronic data interchange.* A licensed freight forwarder may own, operate, or otherwise maintain or supervise an electronic data interchange-based computer system in its forwarding business; however, the forwarder must directly perform value-added services as described in paragraph (c) of this section in order to be entitled to carrier compensation.

(f) *Compensation; services performed by underlying carrier; exemptions.* No licensed freight forwarder shall charge or collect compensation in the event the underlying common carrier, or its

agent, has, at the request of such forwarder, performed any of the forwarding services set forth in §515.2(h), unless such carrier or agent is also a licensed freight forwarder, or unless no other licensed freight forwarder is willing and able to perform such services.

(g) *Duplicative compensation.* A common carrier shall not pay compensation for the services described in paragraph (c) of this section more than once on the same shipment.

(h) *Non-vessel-operating common carriers; compensation.* (1) A licensee operating as an NVOCC and a freight forwarder, or a person related thereto, may collect compensation when, and only when, the following certification is made together with the certification required under paragraph (c) of this section:

The undersigned certifies that neither I nor any related person has issued a bill of lading or otherwise undertaken common carrier responsibility as a non-vessel-operating common carrier for the ocean transportation of the shipment covered by this bill of lading.

(2) Whenever a person acts in the capacity of an NVOCC as to any shipment, such person shall not collect compensation, nor shall any underlying ocean common carrier pay compensation to such person, for such shipment.

(i) *Compensation; beneficial interest.* A licensed freight forwarder may not receive compensation from a common carrier with respect to any shipment in which the forwarder has a beneficial interest or with respect to any shipment in which any holding company, subsidiary, affiliate, officer, director, agent, or executive of such forwarder has a beneficial interest.

1. Whereas ___ (Name of Applicant [indicate whether NVOCC or Freight Forwarder]) (hereinafter "Applicant") is or may become an Ocean Transportation Intermediary ("OTI") subject to the Shipping Act of 1984 (46 U.S.C. 40101-41309) and the rules and regulations of the Federal Maritime Commission (FMC), or is or may become a group or association of OTIs, and desires to establish its financial responsibility in accordance with section 19 of the Shipping Act (46 U.S.C. 41107-41109), then, provided that the FMC shall have accepted, as sufficient for that purpose, the Applicant's application, supported by evidence of a financial rating for the Guarantor of Class V or higher under the Financial Size Categories of A.M. Best & Company or equivalent from an acceptable international rating organization on such rating organization's letterhead or designated form, or, in the case of Guaranty

provided by Underwriters at Lloyd's, documentation verifying membership in Lloyd's, or, in the case of surplus lines insurers, documentation verifying inclusion on a current "white list" issued by the Non-Admitted Insurers' Information Office of the National Association of Insurance Commissioners, the undersigned Guarantor certifies that it has sufficient and acceptable assets located in the United States to cover all damages arising from the transportation-related activities of the covered OTI as specified under the Shipping Act.

2. Whereas, this Guaranty is written to ensure compliance by the Applicant with section 19 of the Shipping Act (46 U.S.C. 40901–40904), and the rules and regulations of the Federal Maritime Commission relating to evidence of financial responsibility for OTIs (46 CFR part 515), this guaranty shall be available to pay any judgment obtained or any settlement made pursuant to a claim under 46 CFR 515.23 for damages against the Applicant arising from the Applicant's transportation-related activities under the Shipping Act, or order for reparations issued pursuant to section 11 of the Shipping Act (46 U.S.C. 41301–41302, 41305–41307(a)), or any penalty assessed against the Applicant pursuant to section 13 of the Shipping Act (46 U.S.C. 41107–41109).

3. Now, Therefore, The condition of this obligation is that the penalty amount of this Guaranty shall be available to pay any judgment obtained or any settlement made pursuant to a claim under 46 CFR 515.23 for damages against the Applicant arising from the Applicant's transportation-related activities or order for reparations issued pursuant to section 11 of the Shipping Act (46 U.S.C. 41301–41302, 41305–41307(a)), or any penalty assessed against the Principal pursuant to section 13 of the Shipping Act (46 U.S.C. 41107–41109).

4. The undersigned Guarantor hereby consents to be sued directly in respect of any bona fide claim owed by Applicant for damages, reparations or penalties arising from Applicant's transportation-related activities under the Shipping Act, in the event that such legal liability has not been discharged by the Applicant after any such claimant has obtained a final judgment (after appeal, if any) against the Applicant from a United States Federal or State Court of competent jurisdiction and has complied with the procedures for collecting on such a judgment pursuant to 46 CFR 515.23, the FMC, or where all parties and claimants otherwise mutually consent, from a foreign court, or where such claimant has become entitled to payment of a specified sum by virtue of a compromise settlement agreement made with the Applicant and/or Guarantor pursuant to 46 CFR 515.23, whereby, upon payment of the agreed sum, the Guarantor is to be fully, irrevocably and unconditionally discharged from

all further liability to such claimant. In the case of a guaranty covering the liability of a group or association of OTIs, Guarantor's obligation extends only to such damages, reparations or penalties described herein as are not covered by another insurance policy, guaranty or surety bond held by the OTI(s) against which a claim or final judgment has been brought.
