

Surface Transportation Board

§ 1018.7

arise under provisions of the Interstate Commerce Act or legislation supplemental thereto. Those claims are handled under procedures set forth in 49 CFR part 1021.

(3) A claim involved in a case pending before any Federal Contract Appeals Board or Grant Appeals Board. However, nothing in this part prevents negotiation and settlement of a claim pending before a Board.

§ 1018.2 Definitions.

(a) *Administrative offset* means withholding money payable by the United States to, or held by the Government for, a person to satisfy a debt the person owes the Government.

(b) *Claim* and *debt* are used synonymously and interchangeably for purposes of this part. These terms refer to an amount of money or property which has been determined by an appropriate agency official to be owed to the United States by any person, organization, or entity except another Federal agency.

(c) *Delinquent*. A debt is considered delinquent if it has not been paid by the date specified in the initial written demand for payment or applicable contractual agreement with the Board, unless other satisfactory payment arrangements have been made by that date. If the debtor fails to satisfy an obligation under a payment agreement with the Board after other payment arrangements have been made, the debt becomes a delinquent debt.

(d) *Payment in full* means payment of the total debt due the United States, including any interest, penalty, and administrative costs of collection assessed against the debtor.

§ 1018.3 Communications.

Unless otherwise specified, all communications concerning the regulations in this part should be addressed to the Chief, Section of Financial Services, Surface Transportation Board, Washington, DC.

§ 1018.4 Claims that are covered.

(a) These procedures generally apply to any claim for payment of a debt which:

(1) Results from activities of the Board including fees imposed under 49 CFR part 1002; or

(2) Is referred to the Board for collection.

(b) These procedures do not apply to:

(1) A claim based on a civil monetary penalty for violation of a requirement of the Interstate Commerce Act or an order or regulation of the Board unless 49 CFR part 1021 provides otherwise;

(2) A claim as to which there is an indication of fraud, the presentation of a false claim, or misrepresentation on the part of the debtor, or any other party having an interest in the claim;

(3) A claim between Federal agencies; and

(4) A claim once it becomes subject to salary offset which is governed by 5 U.S.C. 5514.

§ 1018.5 Monetary limitation on Board authority.

The Board's authority to compromise a claim or to terminate or suspend collection action on a claim covered by these procedures is limited by 31 U.S.C. 3711(a) to claims that:

(a) Have not been referred to another Federal agency, including the GAO, for further collection action; and

(b) Do not exceed \$100,000, exclusive of interest, penalties, and administrative costs (the monetary limitation).

§ 1018.6 Omissions not a defense.

(a) The failure of the Board to include in this part any provision of the Federal Claims Collection Standards, 31 CFR parts 900 through 904, does not prevent the Board from applying these provisions.

(b) A debtor may not use the failure of the Board to comply with any provision of this part or the Federal Claims Collection Standards as a defense to the debt.
