

only coverage) under this subpart. Such panel shall be authorized to enforce enrollment and eligibility decisions. The tribal employer shall notify affected individuals of this panel and its functions.

(b) Under procedures set forth by the tribal employer, an individual may file a written request to the independent dispute resolution panel to reconsider an initial decision of the tribal employer under this subpart. A reconsideration decision made by the panel must be issued to the individual in writing and must fully state the findings and reasons for the findings. The panel may consider information from the tribal employer, the individual, or another source. The panel must retain a file of its documentation until December 31 of the 3rd year after the year in which the decision was made, and must provide the file to OPM upon request.

(c) If the panel determines that the individual is ineligible to enroll in FEHB as a tribal employee or to change enrollment, the individual may request that OPM reconsider the denial. Such a request must be made in writing and any decision by OPM will be binding on the tribal employer.

(d) OPM may request a panel decision file during the retention period described at paragraph (b) of this section. Panel decisions remain subject to final OPM authority to correct errors, as set forth in § 890.1406.

§ 890.1416 Filing claims for payment or service and court review.

(a) Tribal employees may file claims for payment or service as described at § 890.105.

(b) Tribal employees may invoke the provisions for court review described at § 890.107(b) through (d).

§ 890.1417 No continuation of FEHB enrollment into retirement from employment with a tribal employer.

(a) An FEHB enrollment cannot be continued into retirement from employment with a tribal employer.

(b) A Federal annuitant may continue FEHB enrollment into retirement from Federal service if the requirements of 5 U.S.C. 8905(b) for carrying FEHB coverage into retirement

are satisfied through enrollment, or coverage as a family member, either through a Federal employing office or a tribal employer, or any combination thereof.

(c) A Federal annuitant who is employed after retirement by a tribal employer in an FEHB eligible position may participate in FEHB through the tribal employer. In such a case, the Federal annuitant's retirement system will transfer the FEHB enrollment to the tribal employer, in a similar manner as for a Federal annuitant who is employed by a Federal agency after retirement.

(d) A tribal employee who becomes a survivor annuitant as described in § 890.303(d)(2) is entitled to reinstatement of health benefits coverage as a Federal employee would under the same circumstances.

§ 890.1418 No continuation of FEHB enrollment in compensation status past 365 days.

A tribal employee who is not also a Federal employee who becomes eligible for one of the Department of Labor's disability compensation programs may not continue FEHB coverage in leave without pay status past 365 days.

For the purpose of this paragraph, an employee is considered to have retired before his/her first pay period beginning after June 30, 1960, if his/her annuity began to accrue before his/her first pay period after June 30, 1960, or if he/she was eligible under paragraph (d) of this section until the date his/her annuity began to accrue.

[33 FR 12516, Sept. 4, 1968, as amended at 43 FR 35018, Aug. 8, 1978]

§ 891.104 Responsibilities of retirement offices.

(a) The Office of Worker's Compensation Program is responsible only for retired employees who are receiving compensation from the Office and is responsible even though the retired employee has retired under another retirement office from which he/she is not currently receiving annuity. If the retired employee is currently receiving annuity from another retirement office, that retirement office, rather than the Office of Worker's Compensation Program, will have the responsibilities imposed on retirement offices by this part for that retired employee.

(b) Retirement offices are responsible, in accordance with regulations and instructions issued by OPM, for withholding from the annuity or compensation of each retired employee within the jurisdiction of the retirement office who elects to subscribe to the uniform plan his/her share of the cost, for forwarding the amount withheld to the Retired Federal Employees Health Benefits Fund, and for reporting to OPM amounts required for Government contribution for these retired employees.

(c) Retirement offices are responsible, in accordance with regulations and instructions issued by OPM, for reporting to OPM amounts required for Government contributions to retired employees within the jurisdiction of the retirement office who have elected to receive a Government contribution toward the cost of a private health benefits plan, and for paying the Government contributions to these retired employees.

(d) Retirement offices are responsible for advising retired employees within the jurisdiction of the retirement office of the rights and obligations of retired employees under this part.

(e) When one or more of the family members is a child 19 years of age or older who is incapable of self-support because of mental or physical disability which existed before the child became 19 years of age, the appropriate retirement office shall obtain the necessary evidence and make a determination of incapacity.

(f) Retirement offices are responsible, in accordance with regulations and instructions issued by OPM, for verifying continuing eligibility of retired employees to receive Government contributions.

§ 891.105 Correction of errors.

OPM may order correction of administrative errors at any time upon a showing satisfactory to OPM that it would be against equity and good conscience not to do so.

[45 FR 23637, Apr. 8, 1980]

§ 891.106 Reconsideration.

(a) *Who may file.* A retired employee may request OPM to reconsider its initial decision that he/she is not eligible

to make an election or to receive a Government contribution under the part or that he/she may not enroll another individual as a family member.

(b) *Initial OPM decision.* An OPM decision shall be considered an initial decision as used in § 891.106(a) of this part, when rendered by OPM in writing and stating the right to reconsideration. However, a decision initially rendered at the highest level of review available within OPM will not be subject to reconsideration.

(c) *Reconsideration.* A request for reconsideration must be made in writing, must include the claimant's name, address, date of birth, claim number, if appropriate, and reasons for the request.

(d) *Time limit.* A request for reconsideration of an initial OPM decision must be filed within 30 calendar days from the date of OPM's initial decision. OPM may extend the time limit on filing when the individual shows that he/she was not notified of the time limit and was not otherwise aware of it, or that he/she was prevented by circumstances beyond his/her control from making the request within the time limit.

(e) *Final decision.* After reconsideration, OPM shall issue a final decision which shall be in writing and shall fully set forth the findings and conclusions of OPM.

[45 FR 23637, Apr. 8, 1980]

Subpart B—Election and Change of Election

§ 891.201 Election.

(a) The original period for election by each eligible retired employee was during the months of March and April 1961. Failure to elect when eligible to do so is deemed an election not to participate in the program unless the failure is determined by the retirement office to be for cause beyond the control of the retired employee. In any case in which annuity or compensation is being paid to a payee in behalf of a retired employee, the payee shall make the election for the retired employee.

(b) (1) A retired employee may elect to participate in the program for self alone or for self and family.

(2) Survivors, if actually or constructively living in the same household, have only one right of election among them. The election shall be made by the payee. The fact that one payee is receiving annuity or compensation for all members of the family is prima facie evidence that they are living in the same household. The existence of more than one payee is prima facie evidence that each payee and the survivors in whose behalf the payee is receiving annuity or compensation constitute a separate household, and each payee may elect for the survivors in whose behalf he is receiving annuity or compensation, but where a family is receiving annuity or compensation through more than one payee, one payee, with the consent of the other payees, may elect for the whole family.

(3) A retired employee may not be covered under more than one election.

(4) A retired employee who is entitled to more than one annuity or to compensation and annuity is entitled to only one election.

(c) Each retired employee who elects to receive a Government contribution toward the cost of a private health benefits plan shall file with his election a certificate of the carrier, on the form prescribed by OPM for the purpose, that he is a subscriber to a health benefits plan. OPM, or the appropriate retirement office, at any time may require that a retired employee renew the certificate, or may take such other action as it considers desirable to verify the continuing eligibility of the retired employee to receive a Government contribution. The appropriate retirement office may suspend the Government contribution when there is a reasonable doubt of the retired employee's continuing eligibility to receive the Government contribution.

(d) In the discretion of the retirement office, a representative of the retired employee having a written authorization to do so may elect for him.

(e) A person who was not eligible, during the months of March and April 1961, to elect to subscribe to the uniform plan or to receive a Government contribution toward the cost of a private health benefits plan, may apply to the appropriate retirement office when he becomes eligible. If the retirement

office determines that he is eligible, it shall notify the retired employee that he is eligible to make an election in accordance with paragraphs (a) to (d) of this section within 60 days of the date of the notice. If the retirement office determines that a retired employee was unable, for cause beyond his control, to make an election within the time limits prescribed by this section, it shall notify the retired employee that he is eligible to make an election in accordance with paragraphs (a) to (d) of this section within 60 days of the date of the notice. Elections made under this paragraph are effective, for a retired employee receiving annuity and a survivor receiving compensation, on the first day of the third month following the month in which the retirement office receives the election. Withholdings and contributions are effective for months beginning on and after the first day of the second month following the month in which the retirement office receives the election. For any other retired employee receiving compensation, changes of election made under this paragraph are effective on the first day of the third 4-week period following the 4-week period in which the Bureau of Employees' Compensation receives the election, and withholdings and contributions are effective beginning with the second 4-week period following receipt of the election. This paragraph does not apply to retired employees who have been, at any time, covered by the election of another under this part.

(f) Retired employees and survivors who, on January 1, 1973, were enrolled for either basic coverage only or major medical coverage only of the Uniform Plan are, effective January 1, 1973, automatically enrolled in basic plus major medical coverage of the Uniform Plan.

[33 FR 12516, Sept. 4, 1968, as amended at 37 FR 20845, Dec. 20, 1972]

§ 891.202 Change of election.

(a) When used in this section, "month" includes the 4-week period for which a retired employee (other than a survivor) receives compensation.

(b) A retired employee shall change his election in accordance with the following table:

TABLE OF REQUIRED CHANGES

| Event requiring change | Type of election to which requirement applies | Change required | Effective date of change |
|---|--|---|---|
| (1) Loss of member of family by death or otherwise, leaving only one person covered by the election. | Election for self and family for uniform or private health benefits plan. | Change to self alone | First day of month following the event requiring change. Changes in withholdings and contributions are effective for annuity or compensation accruing for the month in which the event requiring change occurs. |
| (2) Termination of subscription to a private health benefits plan for all persons covered by the election but the retired employee making the election ¹ . | Election for self and family for private health benefits plan. |do | Do. |
| (3) Termination of subscription to a private health benefits plan for all persons covered by the election ¹ . | Election for self alone or for self and family for private health benefits plan. | Change to not participating (optional change may be made in accordance with paragraph (c) of this section). | Do. |

¹ If the termination is immediately succeeded by a similar subscription in another private health benefits plan a change of election is not required, but the retired employee shall file a certificate of the new carrier that he is a subscriber. A form for the certificate may be obtained from the retirement office.

(c) An annuitant may change his or her election in accordance with the following table by notifying his or her retirement system at any time:

TABLE OF OPTIONAL CHANGES

| Change permitted | Type of election from which changing | Effective date of change |
|---|---|---|
| (1) Change to not participating | Election for self alone or self and family for uniform or private health benefits plan. | First day of month specified in notice to retirement system, or first day of month following receipt of notice by retirement system, whichever is later. | (2) Change to self alone in same plan. | Election for self and family for uniform plan or private health benefits plan. | Do. |
| (3) Change to private health benefits plan for self alone or self and family. | Election for self alone or self and family for uniform plan. | Do. |
| (4) Change to self and family in same plan. | Election for self alone for uniform or private health benefits plan. | First day of fourth month following the month in which notice is received by retirement system. Changes in withholdings and contributions are effective for annuity or compensation accruing for the third month following month in which notice is received by the retirement system. |
| (5) Change to self alone or self and family for uniform plan or private health benefits plan. | Election not to participate | Do. |

[33 FR 12516, Sept. 4, 1968, as amended at 43 FR 35018, Aug. 8, 1978]

Subpart C—Suspension and Termination

§ 891.301 Suspension and termination.

(a) When used in this section, “month” includes the 4-week period for

which a retired employee (other than a survivor) receives compensation.

(b) When compensation is entirely suspended or annuity is entirely waived or suspended, Government contributions are suspended. If the election is to subscribe to the uniform plan, and the annuity or compensation

is suspended, or the annuity is waived to the extent that the retired employee's share of the cost cannot be withheld, withholdings and Government contributions are suspended, but the subscription continues.

(c) If the waiver or suspension covers 3 months or less, Government contributions and withholdings for the period of waiver or suspension shall be made when annuity payment is resumed. If the waiver or suspension covers more than 3 months, the retired employee's election is terminated effective at the end of the third month of waiver or suspension. A terminated election is renewed when annuity or compensation payment is resumed. When a terminated election is renewed pursuant to this paragraph, withholdings and Government contributions shall be made for the first 3 months of the waiver or suspension. Withholdings and Government contributions shall be made for annuity or compensation accruing after the election is renewed.

(d) If title of a retired employee to annuity or compensation is terminated, his eligibility under this part is terminated.

(e) If the eligibility of a retired employee is terminated and other members of the same family continue to be eligible under this part, the election of the former retired employee continues for the remainder of the family unless and until changed in accordance with § 891.202.

Subpart D—Contributions and Withholdings

§ 891.401 Government contributions.

(a) *For retired employees and survivors receiving an annuity.* (1) Each month, an amount equal to the current monthly premium paid by an individual for supplementary medical insurance under title XVIII of the Social Security Act (Medicare) for such month shall be paid by the Office of Personnel Management, through the appropriate retirement office, to each retired employee or survivor who:

- (i) Is in receipt of annuity for such month;

Workers' Compensation Programs, an amount equal to 93½ percent of the current monthly premium paid by an individual for supplementary medical insurance under title XVIII of the Social Security Act (Medicare) rounded to the nearest cent, counting one-half cent and over as a whole cent, for each 4-week period in which payment of such compensation is made.

(2) For each retired employee or survivor who is in receipt of compensation and who has elected to enroll for self-only in the uniform plan, the Office of Personnel Management shall contribute, during each 4-week period in which payment of such compensation is made, an amount equal to 93½ percent of the current monthly premium paid by an individual for supplementary medical insurance under title XVIII of the Social Security Act (Medicare) rounded to the nearest cent, counting one-half cent and over as a whole cent.

(5) If the current monthly rate for supplementary medical insurance

under Medicare changes to a new rate within a 4-week period in which compensation is paid, the amount to be contributed for that 4-week period will be a prorated amount determined by:

(i) Multiplying the number of days in the 4-week pay period occurring at the former monthly rate (the rate in effect at the beginning of the pay period) by the former rate for a 4-week pay period;

(iv) Dividing the sum by 28 and rounding to the nearest cent, counting one-half cent and over as a whole cent.

(c) So that the Government contribution provided under this section is paid or contributed in advance, it shall be included in the payment of annuity or compensation for the month or pay period immediately preceding the month or pay period for which the Government contribution is due.

(d) An election to subscribe to the uniform plan constitutes an agreement by the retired employee or survivor that the retirement office may withhold from his or her annuity or compensation his or her share of the cost of the plan, as provided by this part.

(e) The Government shall contribute to the Retired Federal Employees Health Benefits Fund two percent of the total Government contribution authorized by this section for payment of expenses incurred by the Office of Personnel Management in administering this part.

It shall not deny or limit benefits because of any preexisting condition. It shall offer basic plus major medical coverage. It shall provide a 31-day extension of coverage on termination of subscription other than by change of election or termination of the contract.
