

employee whose covered family member moves outside the geographic area from which the plan accepts enrollments, or if already outside this area, moves further from this area, may change the enrollment upon notifying the employing office of the family member's move. The change of enrollment takes effect on the first day of the pay period that begins after the employing office receives an appropriate request.

(k) *On becoming eligible for Medicare.* An employee may change the enrollment from one plan or option to another at any time beginning on the 30th day before becoming eligible for coverage under title XVIII of the Social Security Act (Medicare). A change of enrollment based on becoming eligible for Medicare may be made only once.

(l) *Salary of temporary employee insufficient to pay withholdings.* If the salary of a temporary employee eligible under 5 U.S.C. 8906a is not sufficient to pay the withholdings for the plan in which the employee is enrolled, the employing office shall notify the employee of the plans available at a cost that does not exceed the employee's salary. The employee may enroll in another plan whose cost is no greater than his or her salary within 60 days after receiving such notification from the employing office. The change of enrollment takes effect immediately upon termination of the prior enrollment.

(m) *An employee or eligible family member becomes eligible for premium assistance under Medicaid or a State Children's Health Insurance Program (CHIP).* An eligible employee may enroll and an enrolled employee may decrease or increase enrollment type, change from one plan or option to another, or make any combination of these changes when the employee or an eligible family member of the employee becomes eligible for premium assistance under a Medicaid plan or CHIP. An employee must enroll or change his or her enrollment within 60 days after the date the employee or family member is determined to be eligible for assistance.

(n) OPM will annually determine the lowest-cost nationwide plan option calculated based on the enrollee share of the cost of a self only enrollment. The

plan option identified may not be a High Deductible Health Plan (HDHP) or an option from a health benefits plan that charges an association or membership fee. OPM reserves the right to designate an alternate plan for automatic enrollments if OPM determines circumstances dictate this.

§ 890.302 Coverage of family members.

(a)(1) *Enrollment.* An enrollment for self plus one includes the enrollee and one eligible family member. An enrollment for self and family includes all family members who are eligible to be covered by the enrollment except as provided in § 890.308(h). Proof of family member eligibility may be required, and must be provided upon request, to the carrier, the employing office or OPM. Except as provided in paragraph (a)(2) of this section, no employee, former employee, annuitant, child, or former spouse may enroll or be covered as a family member if he or she is already covered under another person's self plus one or self and family enrollment in the FEHB Program.

(2) *Dual enrollment.* (i) A dual enrollment exists when an individual is covered under more than one FEHB Program enrollment. Dual enrollments are prohibited except when an eligible individual would otherwise not have access to coverage and the dual enrollment has been authorized by the employing office.

(ii) *Exception.* An individual described in paragraph (a)(2)(i) of this section may enroll if he or she or his or her eligible family members would otherwise not have access to coverage, in which case the individual may enroll in his or her own right for self only, self plus one, or self and family coverage, as appropriate. However, an eligible individual is entitled to receive benefits under only one enrollment regardless of whether he or she qualifies as a family member under a spouse's or parent's enrollment. To ensure that no person receives benefits under more

than one enrollment, each enrollee must promptly notify the insurance carrier as to which person(s) will be covered under his or her enrollment. These individuals are not covered under the other enrollment. Examples include but are not limited to:

(A) To protect the interests of married or legally separated Federal employees, annuitants, and their children, an employee or annuitant may enroll in his or her own right in a self only, self plus one, or self and family enrollment, as appropriate, even though his or her spouse also has a self plus one or self and family enrollment if the employee, annuitant, or his or her children live apart from the spouse and would otherwise not have access to coverage due to a service area restriction and the spouse refuses to change health plans.

(B) When an employee who is under age 26 and covered under a parent's self plus one or self and family enrollment acquires an eligible family member, the employee may elect to enroll for self plus one or self and family coverage.

(iii) Children are entitled to receive benefits under only one enrollment regardless of whether the children qualify as family members under the enrollment of both parents or of a parent and a stepparent and regardless of whether the parents are married, unmarried, divorced, or legally separated. To ensure that no person receives benefits under more than one enrollment, each enrollee must promptly notify the insurance carrier as to which family members will be covered under his or her enrollment. These individuals are not covered under the other enrollment.

(b)(1) A child under the age of 26, or a child of any age who is incapable of self-support because of a mental or physical disability which existed before age 26, is considered to be a family member eligible to be covered by the enrollment of an enrolled employee or annuitant or a former employee or child enrolled under § 890.1103 of this part if he or she is—

- (i) A child born within marriage;
- (ii) A recognized natural child;
- (iii) An adopted child;
- (iv) A stepchild; or

(v) A foster child.

(2) For purposes of this part, the term "stepchild" refers to the child of an enrollee's spouse and shall continue to refer to such child after the enrollee's divorce from the spouse or death of the spouse, so long as the child continues to live with the enrollee in a regular parent-child relationship.

(c) *Child incapable of self-support.* When an individual's enrollment for self plus one or self and family includes a child who has become 26 years of age and is incapable of self-support, the employing office must require such enrollee to submit a physician's certificate verifying the child's disability. The certificate must—

(1) State that the child is incapable of self-support because of a physical or mental disability that existed before the child became 26 years of age and that can be expected to continue for more than 1 year;

(2) Include a statement of the name of the child, the nature of the disability, the period of time it has existed, and its probable future course and duration; and,

(3) Be signed by the physician and show the physician's office address. The employing office must require the enrollee to submit the certificate on or before the date the child becomes 26 years of age. However, the employing office may accept otherwise satisfactory evidence of incapacity that is not timely filed.

(d) *Renewal of certificates of incapacity.* The employing office must require an enrollee who has submitted a certificate of incapacity to renew that certificate on the expiration of the minimum period of disability certified.

(e) *Determination of incapacity.* (1) Except as provided in paragraph (e)(2) of this section, the employing office shall make determinations of incapacity.

(2) Either the employing office or the carrier may make a determination of incapacity if a medical condition, as specified by OPM, exists that would cause a child to be incapable of self-support during adulthood.

(f) *Switching a covered family member.* (1) An enrollee with a self plus one enrollment may switch his or her covered family member during the annual Open

Season, upon a change in family status, upon a change in coverage, or upon a change in eligibility, so long as switching a covered family member is consistent with the event that has taken place.

(2) Switching a covered family member under a self plus one enrollment will be effective on the first day of the first pay period that begins after the date the employing office receives an appropriate request to switch the covered family member.

§ 890.303 Continuation of enrollment.

(a) *On transfer or retirement.* (1) Except as otherwise provided by this part, the enrollment of an employee or annuitant eligible to continue enrollment continues without change when he or she moves from one employing office to another, without a break in service of more than 3 days, whether the personnel action is designated as a transfer or not.

(2) In order for an employee to continue an enrollment as an annuitant, he or she must meet the participation requirements set forth at 8905(b) of title 5, United States Code, for continuing an enrollment as an annuitant as of the commencing date of his or her annuity or monthly compensation.

(3) For the purpose of this part, an employee is considered to have enrolled at his or her first opportunity if the employee enrolled during the first of the periods set forth in § 890.301 in which he or she was eligible to enroll or was covered at that time by the enrollment of another employee or annuitant, or whose enrollment was effective not later than December 31, 1964.

(4) Enrollment or eligibility for enrollment under subparts H or K of this part of an individual who is not an employee eligible for coverage under other provisions of this part is not considered in determining whether a retiring employee has met the participation requirements of § 8905(b) of title 5, U.S. Code. Coverage under subparts H or K of this part of an individual who is an employee eligible for coverage under other provisions of this part may be

considered in determining whether a retiring employee has met the participation requirements.

(b) *Change of enrolled employees to certain excluded positions.* Employees and annuitants enrolled under this part who move, without a break in service or after a separation of 3 days or less, to an employment in which they are excluded by § 890.102(c), continue to be enrolled unless excluded by paragraphs (c)(4), (5), (6), (7), or (9) of § 890.102.

(c) *On death.* The enrollment of a deceased employee or annuitant who is enrolled for self plus one or self and family (as opposed to self only) is transferred automatically to his or her eligible survivor annuitant(s) covered by the enrollment, as applicable. For self and family, the enrollment is considered to be that of:

(1) The survivor annuitant from whose annuity all or the greatest portion of the withholding for health benefits is made; or

(2) The surviving spouse entitled to a basic employee death benefit. The enrollment covers members of the family of the deceased employee or annuitant. In those instances in which the annuity is split among surviving family members, multiple enrollments are allowed. A remarried spouse is not a member of the family of the deceased employee or annuitant unless annuity under section 8341 or 8442 of title 5, United States Code, continues after remarriage.

(d)(1) *Survivor annuitants.* If an employee who is entitled to health benefits coverage as a survivor annuitant elects to enroll or to continue to be enrolled under his eligibility as an employee, and is thereafter separated without entitlement to continued enrollment based on his own service, he is entitled to reinstatement of his employee-acquired enrollment on application to his retirement office. Reinstatement is effective immediately after termination of his employee-acquired enrollment if the application is received by the retirement office within 60 days of separation; otherwise reinstatement is effective on the first day of the first pay period after receipt of the application. The retirement office shall withhold from the annuity that the former employee receives as a
