§ 891.104 Responsibilities of retirement offices.

(a) The Office of Worker's Compensation Program is responsible only for retired employees who are receiving compensation from the Office and is responsible even though the retired employee has retired under another retirement office from which he/she is not currently receiving annuity. If the retired employee is currently receiving annuity from another retirement office, that retirement office, rather than the Office of Worker's Compensation Program, will have the responsibilities imposed on retirement offices by this part for that retired employee.

(b) Retirement offices are responsible, in accordance with regulations and instructions issued by OPM, for withholding from the annuity or compensation of each retired employee within the jurisdiction of the retirement office who elects to subscribe to the uniform plan his/her share of the cost, for forwarding the amount withheld to the Retired Federal Employees Health Benefits Fund, and for reporting to OPM amounts required for Government contribution for these retired employees.

(c) Retirement offices are responsible, in accordance with regulations and instructions issued by OPM, for reporting to OPM amounts required for Government contributions to retired employees within the jurisdiction of the retirement office who have elected to receive a Government contribution toward the cost of a private health benefits plan, and for paying the Government contributions to these retired employees.

(d) Retirement offices are responsible for advising retired employees within the jurisdiction of the retirement office of the rights and obligations of retired employees under this part.

(e) When one or more of the family members is a child 19 years of age or older who is incapable of self-support because of mental or physical disability which existed before the child became 19 years of age, the appropriate retirement office shall obtain the necessary evidence and make a determination of incapacity.

(f) Retirement offices are responsible, in accordance with regulations and instructions issued by OPM, for verifying continuing eligibility of retired employees to receive Government contributions.

§ 891.105 Correction of errors.

OPM may order correction of administrative errors at any time upon a showing satisfactory to OPM that it would be against equity and good conscience not to do so.

§ 891.106 Reconsideration.

(a) *Who may file.* A retired employee may request OPM to reconsider its initial decision that he/she is not eligible

to make an election or to receive a Government contribution under the part or that he/she may not enroll another individual as a family member.

(b) *Initial OPM decision.* An OPM decision shall be considered an initial decision as used in § 891.106(a) of this part, when rendered by OPM in writing and stating the right to reconsideration. However, a decision initially rendered at the highest level of review available within OPM will not be subject to reconsideration.

(c) *Reconsideration.* A request for reconsideration must be made in writing, must include the claimant's name, address, date of birth, claim number, if appropriate, and reasons for the request.

(d) *Time limit.* A request for reconsideration of an initial OPM decision must be filed within 30 calendar days from the date of OPM's initial decision. OPM may extend the time limit on filing when the individual shows that he/she was not notified of the time limit and was not otherwise aware of it, or that he/she was prevented by circumstances beyond his/her control from making the request within the time limit.

(e) *Final decision.* After reconsideration, OPM shall issue a final decision which shall be in writing and shall fully set forth the findings and conclusions of OPM.

Subpart B—Election and Change of Election

§ 891.201 Election.

(a) The original period for election by each eligible retired employee was during the months of March and April 1961. Failure to elect when eligible to do so is deemed an election not to participate in the program unless the failure is determined by the retirement office to be for cause beyond the control of the retired employee. In any case in which annuity or compensation is being paid to a payee in behalf of a retired employee, the payee shall make the election for the retired employee.

(b) (1) A retired employee may elect to participate in the program for self alone or for self and family.
