§ 891.104 Responsibilities of retirement offices.

(a) The Office of Worker's Compensation Program is responsible only for retired employees who are receiving compensation from the Office and is responsible even though the retired employee has retired under another retirement office from which he/she is not currently receiving annuity. If the retired employee is currently receiving annuity from another retirement office, that retirement office, rather than the Office of Worker's Compensation Program, will have the responsibilities imposed on retirement offices by this part for that retired employee.
