

(2) Survivors, if actually or constructively living in the same household, have only one right of election among them. The election shall be made by the payee. The fact that one payee is receiving annuity or compensation for all members of the family is prima facie evidence that they are living in the same household. The existence of more than one payee is prima facie evidence that each payee and the survivors in whose behalf the payee is receiving annuity or compensation constitute a separate household, and each payee may elect for the survivors in whose behalf he is receiving annuity or compensation, but where a family is receiving annuity or compensation through more than one payee, one payee, with the consent of the other payees, may elect for the whole family.

(3) A retired employee may not be covered under more than one election.

(4) A retired employee who is entitled to more than one annuity or to compensation and annuity is entitled to only one election.

(c) Each retired employee who elects to receive a Government contribution toward the cost of a private health benefits plan shall file with his election a certificate of the carrier, on the form prescribed by OPM for the purpose, that he is a subscriber to a health benefits plan. OPM, or the appropriate retirement office, at any time may require that a retired employee renew the certificate, or may take such other action as it considers desirable to verify the continuing eligibility of the retired employee to receive a Government contribution. The appropriate retirement office may suspend the Government contribution when there is a reasonable doubt of the retired employee's continuing eligibility to receive the Government contribution.

(d) In the discretion of the retirement office, a representative of the retired employee having a written authorization to do so may elect for him.

(e) A person who was not eligible, during the months of March and April 1961, to elect to subscribe to the uniform plan or to receive a Government contribution toward the cost of a private health benefits plan, may apply to the appropriate retirement office when he becomes eligible. If the retirement

office determines that he is eligible, it shall notify the retired employee that he is eligible to make an election in accordance with paragraphs (a) to (d) of this section within 60 days of the date of the notice. If the retirement office determines that a retired employee was unable, for cause beyond his control, to make an election within the time limits prescribed by this section, it shall notify the retired employee that he is eligible to make an election in accordance with paragraphs (a) to (d) of this section within 60 days of the date of the notice. Elections made under this paragraph are effective, for a retired employee receiving annuity and a survivor receiving compensation, on the first day of the third month following the month in which the retirement office receives the election. Withholdings and contributions are effective for months beginning on and after the first day of the second month following the month in which the retirement office receives the election. For any other retired employee receiving compensation, changes of election made under this paragraph are effective on the first day of the third 4-week period following the 4-week period in which the Bureau of Employees' Compensation receives the election, and withholdings and contributions are effective beginning with the second 4-week period following receipt of the election. This paragraph does not apply to retired employees who have been, at any time, covered by the election of another under this part.

(f) Retired employees and survivors who, on January 1, 1973, were enrolled for either basic coverage only or major medical coverage only of the Uniform Plan are, effective January 1, 1973, automatically enrolled in basic plus major medical coverage of the Uniform Plan.
