

§ 1320.9

5 CFR Ch. III (1–1–21 Edition)

(3) The agency need not separately seek such public comment for any proposed collection of information contained in a proposed rule to be reviewed under §1320.11, if the agency provides notice and comment through the notice of proposed rulemaking for the proposed rule and such notice specifically includes the solicitation of comments for the same purposes as are listed under paragraph (d)(1) of this section.

(4) The agency need not seek or may shorten the time allowed for such public comment if OMB grants an exemption from such requirement for emergency processing under §1320.13.

§ 1320.9 Agency certifications for proposed collections of information.

As part of the agency submission to OMB of a proposed collection of information, the agency (through the head of the agency, the Senior Official, or their designee) shall certify (and provide a record supporting such certification) that the proposed collection of information—

(a) Is necessary for the proper performance of the functions of the agency, including that the information to be collected will have practical utility;

(b) Is not unnecessarily duplicative of information otherwise reasonably accessible to the agency;

(c) Reduces to the extent practicable and appropriate the burden on persons who shall provide information to or for the agency, including with respect to small entities, as defined in the Regulatory Flexibility Act (5 U.S.C. 601(6)), the use of such techniques as:

(1) Establishing differing compliance or reporting requirements or timetables that take into account the resources available to those who are to respond;

(2) The clarification, consolidation, or simplification of compliance and reporting requirements; or

(3) An exemption from coverage of the collection of information, or any part thereof;

(d) Is written using plain, coherent, and unambiguous terminology and is understandable to those who are to respond;

(e) Is to be implemented in ways consistent and compatible, to the maximum

extent practicable, with the existing reporting and recordkeeping practices of those who are to respond;

(f) Indicates for each recordkeeping requirement the length of time persons are required to maintain the records specified;

(g) Informs potential respondents of the information called for under §1320.8(b)(3);

(h) Has been developed by an office that has planned and allocated resources for the efficient and effective management and use of the information to be collected, including the processing of the information in a manner which shall enhance, where appropriate, the utility of the information to agencies and the public;

(i) Uses effective and efficient statistical survey methodology appropriate to the purpose for which the information is to be collected; and

(j) To the maximum extent practicable, uses appropriate information technology to reduce burden and improve data quality, agency efficiency and responsiveness to the public.

§ 1320.10 Clearance of collections of information, other than those contained in proposed rules or in current rules.

Agencies shall submit all collections of information, other than those contained either in proposed rules published for public comment in the FEDERAL REGISTER (which are submitted under §1320.11) or in current rules that were published as final rules in the FEDERAL REGISTER (which are submitted under §1320.12), in accordance with the following requirements:

(a) On or before the date of submission to OMB, the agency shall, in accordance with the requirements in §1320.5(a)(1)(iv), forward a notice to the FEDERAL REGISTER stating that OMB approval is being sought. The notice shall direct requests for information, including copies of the proposed collection of information and supporting documentation, to the agency, and shall request that comments be submitted to OMB within 30 days of the notice's publication. The notice shall direct comments to the Office of Information and Regulatory Affairs of OMB, Attention: Desk Officer for [name of agency]. A

copy of the notice submitted to the FEDERAL REGISTER, together with the date of expected publication, shall be included in the agency's submission to OMB.

(b) Within 60 days after receipt of the proposed collection of information or publication of the notice under paragraph (a) of this section, whichever is later, OMB shall notify the agency involved of its decision to approve, to instruct the agency to make a substantive or material change to, or to disapprove, the collection of information, and shall make such decision publicly available. OMB shall provide at least 30 days for public comment after receipt of the proposed collection of information before making its decision, except as provided under §1320.13. Upon approval of a collection of information, OMB shall assign an OMB control number and, if appropriate, an expiration date. OMB shall not approve any collection of information for a period longer than three years.

(c) If OMB fails to notify the agency of its approval, instruction to make substantive or material change, or disapproval within the 60-day period, the agency may request, and OMB shall assign without further delay, an OMB control number that shall be valid for not more than one year.

(d) As provided in §1320.5(b) and §1320.6(a), an agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

(e)(1) In the case of a collection of information not contained in a published current rule which has been approved by OMB and has a currently valid OMB control number, the agency shall:

(i) Conduct the review established under §1320.8, including the seeking of public comment under §1320.8(d); and

(ii) After having made a reasonable effort to seek public comment, but no later than 60 days before the expiration date of the OMB control number for the currently approved collection of in-

formation, submit the collection of information for review and approval under this part, which shall include an explanation of how the agency has used the information that it has collected.

(2) The agency may continue to conduct or sponsor the collection of information while the submission is pending at OMB.

(f) Prior to the expiration of OMB's approval of a collection of information, OMB may decide on its own initiative, after consultation with the agency, to review the collection of information. Such decisions will be made only when relevant circumstances have changed or the burden estimates provided by the agency at the time of initial submission were materially in error. Upon notification by OMB of its decision to review the collection of information, the agency shall submit it to OMB for review under this part.

(g) For good cause, after consultation with the agency, OMB may stay the effectiveness of its prior approval of any collection of information that is not specifically required by agency rule; in such case, the agency shall cease conducting or sponsoring such collection of information while the submission is pending, and shall publish a notice in the FEDERAL REGISTER to that effect.

§ 1320.11 Clearance of collections of information in proposed rules.

Agencies shall submit collections of information contained in proposed rules published for public comment in the FEDERAL REGISTER in accordance with the following requirements:

(a) The agency shall include, in accordance with the requirements in §1320.5(a)(1)(iv) and §1320.8(d)(1) and (3), in the preamble to the Notice of Proposed Rulemaking a statement that the collections of information contained in the proposed rule, and identified as such, have been submitted to OMB for review under section 3507(d) of the Act. The notice shall direct comments to the Office of Information and Regulatory Affairs of OMB, Attention: Desk Officer for [name of agency].

(b) All such submissions shall be made to OMB not later than the day on which the Notice of Proposed Rulemaking is published in the FEDERAL
