by the applicable rate of reimbursement for each type of breakfast as prescribed for the school year.

(d) The State agency, or FNSRO where applicable, shall determine whether a school is in severe need based on the following eligibility criteria:

(1) The school is participating in or desiring to initiate a breakfast program; and

(2) At least 40 percent of the lunches served to students at the school in the second preceding school year were served free or at a reduced price. Schools that did not serve lunches in the second preceding year and that would like to receive reimbursement at the severe need rate may apply to their administering State agency. The administering State agency shall approve or deny such requests in accordance with guidance, issued by the Secretary, that determines that the second preceding school year requirement would otherwise have been met.

Reimbursement payments under the School Breakfast Program may be made only to School Food Authorities operating under an agreement with the State Agency or the Department, and may be made only after execution of the agreement. § 220.11 Reimbursement procedures.

(a) To be entitled to reimbursement under this part, each School Food Authority shall submit to the State agency, or FNSRO where applicable, a monthly Claim for Reimbursement.

(b) Claims for Reimbursement shall include data in sufficient detail to justify the reimbursement claimed and to enable the State agency to provide the Reports of School Program Operations required under § 220.13(b)(2). Unless otherwise approved by FNS, the Claim for Reimbursement for any month shall include only breakfasts served in that month except if the first or last month of Program operations for any year contains 10 operating days or less, such month may be added to the Claim for Reimbursement for the appropriate adjacent month; however, Claims for Reimbursement may not combine operations occurring in two fiscal years. If a single State agency administers any combination of the Child Nutrition Programs, the SFA shall be able to use a common claim form with respect to claims for reimbursement for meals served under those programs. A final Claim for Reimbursement shall be postmarked and/or submitted to the State agency, or FNSRO where applicable, not later than 60 days following the last day of the full month covered by the claim. State agencies may establish shorter deadlines at their discretion. Claims not postmarked and/or submitted within 60 days shall not be paid with Program funds unless FNS determines that an exception should be granted. The State agency, or FNSRO where applicable, shall promptly take corrective action with respect to any Claim for Reimbursement as determined necessary through its claim review process or otherwise. In taking such corrective action, State agencies may make upward adjustments in Program funds claimed on claims filed within the 60 day deadline if such adjustments are completed within 90 days of the last day of the claim month and are reflected in the final Report of School Program Operations (FNS-10) for the claim month which is required under § 220.13(b)(2). Upward adjustments in Program funds claimed which are not reflected in the final FNS-10 for the claim month shall not be made

unless authorized by FNS. Downward adjustments in Program funds claimed shall always be made, without FNS authorization, regardless of when it is determined that such adjustments are necessary.

(c) Where a school participates in both the National School Lunch Program and the School Breakfast Program, the State agency or FNSRO, where applicable, may authorize the submission of one claim for reimbursement to cover both programs.

(d) The school food authority shall establish internal controls which ensure the accuracy of breakfast counts prior to the submission of the monthly Claim for Reimbursement. At a minimum, these internal controls shall include: an on-site review of the breakfast counting and claiming system employed by each school within the jurisdiction of the school food authority; comparisons of daily free, reduced price and paid breakfast counts against data which will assist in the identification of breakfast counts in excess of the number of free, reduced price and paid breakfasts served each day to children eligible for such breakfasts; and a system for following up on those breakfast counts which suggest the likelihood of breakfast counting problems.

(1) *On-site reviews.* Every school year, each school food authority with more than one school shall perform no less than one on-site review of the breakfast counting and claiming system and the readily observable general areas of review identified under §210.18(h) of this chapter, as specified by FNS, for a minimum of 50 percent of schools under its jurisdiction with every school within the jurisdiction being reviewed at least once every two years. The on-site review shall take place prior to February 1 of each school year. Further, if the review discloses problems with a school's meal counting or claiming procedures or general review areas, the school food authority shall ensure that the school implements corrective action, and within 45 days of the review, conduct a follow-up on-site review to

determine that the corrective action resolved the problems. Each on-site review shall ensure that the school's claim is based on the counting system and that the counting system, as implemented, yields the actual number of reimbursable free, reduced price and paid breakfasts, respectively, served for each day of operation.

(2) *School food authority claims review process.* Prior to the submission of a monthly Claim for Reimbursement, each school food authority shall review the breakfast count data for each school under its jurisdiction to ensure the accuracy of the monthly Claim for Reimbursement. The objective of this review is to ensure that monthly claims include only the number of free, reduced price and paid breakfasts served on any day of operation to children currently eligible for such breakfasts.

(e) Notwithstanding any other provision of this section, the State agency, or FNSRO where applicable, may advance funds available for the School Breakfast Program to a School Food Authority in an amount equal to the reimbursement estimated for the total number of breakfasts, including free and reduced price breakfasts, to be served to children for 1 month. The State agency, or FNSRO where applicable, shall require School Food Authorities who receive advances of funds under the provisions of this paragraph to make timely submissions of claims for reimbursement on a monthly basis and shall suspend advances of funds in the absence of such timely submissions. Following the receipt of claims the State agency, or FNSRO where applicable, shall make such adjustments as are necessary in such advances of funds to insure that the total amount of reimbursement received by a School Food Authority for the fiscal year will not exceed an amount equal to the number of breakfasts, including free and reduced price breakfast, served to children times the respective rates of reimbursement assigned by the State

agency, or FNSRO where applicable, in accordance with § 220.9.

§ 220.13 Special responsibilities of State agencies.

(a) [Reserved]

(a-1) Each State agency, or FNSRO where applicable, shall require each School Food Authority of a school participating in the School Breakfast Program to develop and file for approval a free and reduced price policy statement in accordance with paragraph (a) of § 220.7.

(b) *Records and reports.* (1) Each State agency shall maintain Program records as necessary to support the reimbursement payments made to School Food Authorities under § 220.9 and the reports submitted to FNS under § 220.13(b)(2). The records may be kept in their original form or on microfilm, and shall be retained for a period of three years after the date of submission of the final Financial Status Report for the fiscal year, except that if audit findings have not been resolved, the records shall be retained beyond the three-year period as long as required for the resolution of the issues raised by the audit.

(2) Each State agency shall submit to FNS a final Report of School Program Operations (FNS-10) for each month which shall be limited to claims submitted in accordance with § 220.11(b) and which shall be postmarked and/or submitted no later than 90 days following the last day of the month covered by the report. States shall not receive Program funds for any month for

which the final report is not submitted within this time limit unless FNS grants an exception. Upward adjustments to a State agency's report shall not be made after 90 days from the month covered by the report unless authorized by FNS. Downward adjustments shall always be made, without FNS authorization, regardless of when it is determined that such adjustments are necessary. Adjustments shall be reported to FNS in accordance with procedures established by FNS. Each State agency shall also submit to FNS a quarterly Financial Status Report (FNS-777) on the use of Program funds. Such reports shall be postmarked and/or submitted no later than 30 days after the end of each fiscal year quarter. Obligations shall be reported only for the fiscal year in which they occur. A final Financial Status Report for each fiscal year shall be postmarked and/or submitted to FNS within 120 days after the end of the fiscal year. FNS shall not be responsible for reimbursing unpaid Program obligations reported later than 120 days after the close of the fiscal year in which they were incurred.

(3) For each of school years 2005-2006 through 2014-2015, each State agency shall monitor school food authority compliance with the food safety inspection requirement in § 220.7(a)(2) and submit an annual report to FNS documenting school compliance based on data supplied by the school food authorities. The report must be filed by November 15 following each of school years 2005-2006 through 2014-2015, beginning November 15, 2006. The State agency shall keep the records supplied by the school food authorities showing the number of food safety inspections obtained by schools for the current and three most recent school years.

(c) Each State agency shall promptly investigate complaints received or irregularities noted in connection with the operation of either program, and shall take appropriate action to correct any irregularities. State Agencies shall maintain on file evidence of such investigations and actions. FNS or OI shall make investigations at the request of the State Agency or where FNS or OI determines investigations are appropriate.
