Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

Title 1 through Title 16.....	as of January 1
Title 17 through Title 27.....	as of April 1
Title 28 through Title 41.....	as of July 1
Title 42 through Title 50.....	as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, April 1, 2022), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cut-off date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.

Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

PAST PROVISIONS OF THE CODE

Provisions of the Code that are no longer in force and effect as of the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on any given date in the past by using the appropriate List of CFR Sections Affected (LSA). For the convenience of the reader, a “List of CFR Sections Affected” is published at the end of each CFR volume. For changes to the Code prior to the LSA listings at the end of the volume, consult previous annual editions of the LSA. For changes to the Code prior to 2001, consult the List of CFR Sections Affected compilations, published for 1949-1963, 1964-1972, 1973-1985, and 1986-2000.

“[RESERVED]” TERMINOLOGY

The term “[Reserved]” is used as a place holder within the Code of Federal Regulations. An agency may add regulatory information at a “[Reserved]” location at any time. Occasionally “[Reserved]” is used editorially to indicate that a portion of the CFR was left vacant and not dropped in error.

INCORPORATION BY REFERENCE

What is incorporation by reference? Incorporation by reference was established by statute and allows Federal agencies to meet the requirement to publish regulations in the Federal Register by referring to materials already published elsewhere. For an incorporation to be valid, the Director of the Federal Register must approve it. The legal effect of incorporation by reference is that the material is treated as if it were published in full in the Federal Register (5 U.S.C. 552(a)). This material, like any other properly issued regulation, has the force of law.

What is a proper incorporation by reference? The Director of the Federal Register will approve an incorporation by reference only when the requirements of 1 CFR part 51 are met. Some of the elements on which approval is based are:

- (a) The incorporation will substantially reduce the volume of material published in the Federal Register.
- (b) The matter incorporated is in fact available to the extent necessary to afford fairness and uniformity in the administrative process.
- (c) The incorporating document is drafted and submitted for publication in accordance with 1 CFR part 51.

What if the material incorporated by reference cannot be found? If you have any problem locating or obtaining a copy of material listed as an approved incorporation by reference, please contact the agency that issued the regulation containing that incorporation. If, after contacting the agency, you find the material is not available, please notify the Director of the Federal Register, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001, or call 202-741-6010.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Authorities and Rules. A list of CFR titles, chapters, subchapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

§ 242.103 Nasdaq passive market making.

(a) *Scope of section*. This section permits broker-dealers to engage in market making transactions in covered securities that are Nasdaq securities without violating the provisions of § 242.101; *Except That* this section shall not apply to any security for which a stabilizing bid subject to § 242.104 is in effect, or during any at-the-market offering or best efforts offering.

(b) *Conditions to be met*—(1) *General limitations*. A passive market maker must effect all transactions in the capacity of a registered market maker on Nasdaq. A passive market maker shall not bid for or purchase a covered security at a price that exceeds the highest independent bid for the covered security at the time of the transaction, except as permitted by paragraph (b)(3) of this section or required by a rule promulgated by the Commission or the NASD governing the handling of customer orders.

(2) *Purchase limitation*. On each day of the restricted period, a passive market

maker’s net purchases shall not exceed the greater of its 30% ADTV limitation or 200 shares (together, “purchase limitation”); *Provided, however*, That a passive market maker may purchase all of the securities that are part of a single order that, when executed, results in its purchase limitation being equalled or exceeded. If a passive market maker’s net purchases equal or exceed its purchase limitation, it shall withdraw promptly its quotations from Nasdaq. If a passive market maker withdraws its quotations pursuant to this paragraph, it may not effect any bid or purchase in the covered security for the remainder of that day, irrespective of any later sales during that day, unless otherwise permitted by § 242.101.

(3) *Requirement to lower the bid*. If all independent bids for a covered security are reduced to a price below the passive market maker’s bid, the passive market maker must lower its bid promptly to a level not higher than the then highest independent bid; *Provided, however*, That a passive market maker may continue to bid and effect purchases at its bid at a price exceeding the then highest independent bid until the passive market maker purchases an aggregate amount of the covered security that equals or, through the purchase of all securities that are part of a single order, exceeds the lesser of two times the minimum quotation size for the security, as determined by NASD rules, or the passive market maker’s remaining purchasing capacity under paragraph (b)(2) of this section.

(4) *Limitation on displayed size*. At all times, the passive market maker’s displayed bid size may not exceed the lesser of the minimum quotation size for the covered security, or the passive market maker’s remaining purchasing capacity under paragraph (b)(2) of this section; *Provided, however*, That a passive market maker whose purchasing capacity at any time is between one and 99 shares may display a bid size of 100 shares.

(5) *Identification of a passive market making bid*. The bid displayed by a passive market maker shall be designated as such.

(6) *Notification and reporting to the NASD*. A passive market maker shall

notify the NASD in advance of its intention to engage in passive market making, and shall submit to the NASD information regarding passive market making purchases, in such form as the NASD shall prescribe.

(7) *Prospectus disclosure.* The prospectus for any registered offering in which any passive market maker intends to effect transactions in any covered security shall contain the information required in §§ 228.502, 228.508, 229.502, and 229.508 of this chapter.

(c) *Transactions at prices resulting from unlawful activity.* No transaction shall be made at a price that the passive market maker knows or has reason to know is the result of activity that is fraudulent, manipulative, or deceptive under the securities laws, or any rule or regulation thereunder.

§ 242.104 Stabilizing and other activities in connection with an offering.

(a) *Unlawful activity.* It shall be unlawful for any person, directly or indirectly, to stabilize, to effect any syndicate covering transaction, or to impose a penalty bid, in connection with an offering of any security, in contravention of the provisions of this section. No stabilizing shall be effected at a price that the person stabilizing knows or has reason to know is in contravention of this section, or is the result of activity that is fraudulent, manipulative, or deceptive under the securities laws, or any rule or regulation thereunder.

(b) *Purpose.* Stabilizing is prohibited except for the purpose of preventing or retarding a decline in the market price of a security.

(c) *Priority.* To the extent permitted or required by the market where stabilizing occurs, any person stabilizing shall grant priority to any independent bid at the same price irrespective of the size of such independent bid at the time that it is entered.

(d) *Control of stabilizing.* No sole distributor or syndicate or group stabilizing the price of a security or any member or members of such syndicate or group shall maintain more than one stabilizing bid in any one market at the same price at the same time.

(e) *At-the-market offerings.* Stabilizing is prohibited in an at-the-market offering.

(f) *Stabilizing levels—(1) Maximum stabilizing bid.* Notwithstanding the other provisions of this paragraph (f), no stabilizing shall be made at a price higher than the lower of the offering price or the stabilizing bid for the security in the principal market (or, if the principal market is closed, the stabilizing bid in the principal market at its previous close).

(2) *Initiating stabilizing—(i) Initiating stabilizing when the principal market is open.* After the opening of quotations for the security in the principal market, stabilizing may be initiated in any market at a price no higher than the last independent transaction price for the security in the principal market if the security has traded in the principal market on the day stabilizing is initiated or on the most recent prior day of trading in the principal market and the current asked price in the principal market is equal to or greater than the last independent transaction price. If both conditions of the preceding sentence are not satisfied, stabilizing may be initiated in any market after the opening of quotations in the principal market at a price no higher than the highest current independent bid for the security in the principal market.

(ii) *Initiating stabilizing when the principal market is closed.* (A) When the principal market for the security is closed, but immediately before the opening of quotations for the security in the market where stabilizing will be initiated, stabilizing may be initiated at a price no higher than the lower of:

(1) The price at which stabilizing could have been initiated in the principal market for the security at its previous close; or

(2) The most recent price at which an independent transaction in the security has been effected in any market since the close of the principal market, if the person stabilizing knows or has reason to know of such transaction.

(B) When the principal market for the security is closed, but after the opening of quotations in the market where stabilizing will be initiated, stabilizing may be initiated at a price no higher than the lower of:

(1) The price at which stabilization could have been initiated in the principal market for the security at its previous close; or

(2) The last independent transaction price for the security in that market if the security has traded in that market on the day stabilizing is initiated or on the last preceding business day and the current asked price in that market is equal to or greater than the last independent transaction price. If both conditions of the preceding sentence are not satisfied, under this paragraph (f)(2)(ii)(B)(2), stabilizing may be initiated at a price no higher than the highest current independent bid for the security in that market.

(iii) *Initiating stabilizing when there is no market for the security or before the offering price is determined.* If no bona fide market for the security being distributed exists at the time stabilizing is initiated, no stabilizing shall be initiated at a price in excess of the offering price. If stabilizing is initiated before the offering price is determined, then stabilizing may be continued after determination of the offering price at the price at which stabilizing then could be initiated.

(3) *Maintaining or carrying over a stabilizing bid.* A stabilizing bid initiated pursuant to paragraph (f)(2) of this section, which has not been discontinued, may be maintained, or carried over into another market, irrespective of changes in the independent bids or transaction prices for the security.

(4) *Increasing or reducing a stabilizing bid.* A stabilizing bid may be increased to a price no higher than the highest current independent bid for the security in the principal market if the principal market is open, or, if the principal market is closed, to a price no higher than the highest independent bid in the principal market at the previous close thereof. A stabilizing bid may be reduced, or carried over into another market at a reduced price, irrespective of changes in the independent bids or transaction prices for the security. If stabilizing is discontinued, it shall not be resumed at a price higher than the price at which stabilizing then could be initiated.

(5) *Initiating, maintaining, or adjusting a stabilizing bid to reflect the current ex-*

change rate. If a stabilizing bid is expressed in a currency other than the currency of the principal market for the security, such bid may be initiated, maintained, or adjusted to reflect the current exchange rate, consistent with the provisions of this section. If, in initiating, maintaining, or adjusting a stabilizing bid pursuant to this paragraph (f)(5), the bid would be at or below the midpoint between two trading differentials, such stabilizing bid shall be adjusted downward to the lower differential.

(6) *Adjustments to stabilizing bid.* If a security goes ex-dividend, ex-rights, or ex-distribution, the stabilizing bid shall be reduced by an amount equal to the value of the dividend, right, or distribution. If, in reducing a stabilizing bid pursuant to this paragraph (f)(6), the bid would be at or below the midpoint between two trading differentials, such stabilizing bid shall be adjusted downward to the lower differential.

(7) *Stabilizing of components.* When two or more securities are being offered as a unit, the component securities shall not be stabilized at prices the sum of which exceeds the then permissible stabilizing price for the unit.

(8) *Special prices.* Any stabilizing price that otherwise meets the requirements of this section need not be adjusted to reflect special prices available to any group or class of persons (including employees or holders of warrants or rights).

(g) *Offerings with no U.S. stabilizing activities.* (1) Stabilizing to facilitate an offering of a security in the United States shall not be deemed to be in violation of this section if all of the following conditions are satisfied:

(i) No stabilizing is made in the United States;

(ii) Stabilizing outside the United States is made in a jurisdiction with statutory or regulatory provisions governing stabilizing that are comparable to the provisions of this section; and

(iii) No stabilizing is made at a price above the offering price in the United States, except as permitted by paragraph (f)(5) of this section.

(2) For purposes of this paragraph (g), the Commission by rule, regulation, or order may determine whether a foreign

statute or regulation is comparable to this section considering, among other things, whether such foreign statute or regulation: specifies appropriate purposes for which stabilizing is permitted; provides for disclosure and control of stabilizing activities; places limitations on stabilizing levels; requires appropriate recordkeeping; provides other protections comparable to the provisions of this section; and whether procedures exist to enable the Commission to obtain information concerning any foreign stabilizing transactions.

(h) *Disclosure and notification.* (1) Any person displaying or transmitting a bid that such person knows is for the purpose of stabilizing shall provide prior notice to the market on which such stabilizing will be effected, and shall disclose its purpose to the person with whom the bid is entered.

(2) Any person effecting a syndicate covering transaction or imposing a penalty bid shall provide prior notice to the self-regulatory organization with direct authority over the principal market in the United States for the security for which the syndicate covering transaction is effected or the penalty bid is imposed.

(3) Any person subject to this section who sells to, or purchases for the account of, any person any security where the price of such security may be or has been stabilized, shall send to the purchaser at or before the completion of the transaction, a prospectus, offering circular, confirmation, or other document containing a statement similar to that comprising the statement provided for in Item 502(d) of Regulation S-B (§ 228.502(d) of this chapter) or Item 502(d) of Regulation S-K (§ 229.502(d) of this chapter).

(i) *Recordkeeping requirements.* A person subject to this section shall keep the information and make the notification required by § 240.17a-2 of this chapter.

(j) *Excepted securities.* The provisions of this section shall not apply to:

(1) *Excepted securities.* “Exempted securities,” as defined in section 3(a)(12) of the Exchange Act (15 U.S.C. 78c(a)(12)); or

(2) *Transactions of Rule 144A securities.* Transactions in securities eligible for

resale under § 230.144A(d)(3) of this chapter, if such securities are sold in the United States solely to:

(i) Qualified institutional buyers, as defined in § 230.144A(a)(1) of this chapter, or to purchasers that the seller and any person acting on behalf of the seller reasonably believes are qualified institutional buyers, in a transaction exempt from registration under section 4(2) of the Securities Act (15 U.S.C. 77d(2)) or §§ 230.144A or § 230.500 *et seq* of this chapter; or

(ii) Persons not deemed to be “U.S. persons” for purposes of §§ 230.902(o)(2) or 230.902(o)(7) of this chapter, during a distribution qualifying under paragraph (j)(2)(i) of this section.

(k) *Exemptive authority.* Upon written application or upon its own motion, the Commission may grant an exemption from the provisions of this section, either unconditionally or on specified terms and conditions, to any transaction or class of transactions, or to any security or class of securities.

§ 242.105 Short selling in connection with a public offering.

(a) *Unlawful activity.* In connection with an offering of equity securities for cash pursuant to a registration statement or a notification on Form 1-A (§ 239.90 of this chapter) or Form 1-E (§ 239.200 of this chapter) filed under the Securities Act of 1933 (“offered securities”), it shall be unlawful for any person to sell short (as defined in § 242.200(a)) the security that is the subject of the offering and purchase the offered securities from an underwriter or broker or dealer participating in the offering if such short sale was effected during the period (“Rule 105 restricted period”) that is the shorter of the period:

(1) Beginning five business days before the pricing of the offered securities and ending with such pricing; or

(2) Beginning with the initial filing of such registration statement or notification on Form 1-A or Form 1-E and ending with the pricing.

(b) *Excepted activity—(1) Bona fide purchase.* It shall not be prohibited for

§ 242.200

such person to purchase the offered securities as provided in paragraph (a) of this section if:

(i) Such person makes a bona fide purchase(s) of the security that is the subject of the offering that is:

(A) At least equivalent in quantity to the entire amount of the Rule 105 restricted period short sale(s);

(B) Effected during regular trading hours;

(C) Reported to an “effective transaction reporting plan” (as defined in § 242.600(b)(30)); and

(D) Effected after the last Rule 105 restricted period short sale, and no later than the business day prior to the day of pricing; and

(ii) Such person did not effect a short sale, that is reported to an effective transaction reporting plan, within the 30 minutes prior to the close of regular trading hours (as defined in § 242.600(b)(77)) on the business day prior to the day of pricing.

(2) *Separate accounts.* Paragraph (a) of this section shall not prohibit the purchase of the offered security in an account of a person where such person sold short during the Rule 105 restricted period in a separate account, if decisions regarding securities transactions for each account are made separately and without coordination of trading or cooperation among or between the accounts.

(3) *Investment companies.* Paragraph (a) of this section shall not prohibit an investment company (as defined by Section 3 of the Investment Company Act) that is registered under Section 8 of the Investment Company Act, or a series of such company (investment company) from purchasing an offered security where any of the following sold the offered security short during the Rule 105 restricted period:

(i) An affiliated investment company, or any series of such a company; or

(ii) A separate series of the investment company.

(c) *Excepted offerings.* This section shall not apply to offerings that are not conducted on a firm commitment basis.

REGULATION SHO—REGULATION OF SHORT SALES

§ 242.200 Definition of “short sale” and marking requirements.

(a) The term *short sale* shall mean any sale of a security which the seller does not own or any sale which is consummated by the delivery of a security borrowed by, or for the account of, the seller.

(b) A person shall be deemed to own a security if:

(1) The person or his agent has title to it; or

(2) The person has purchased, or has entered into an unconditional contract, binding on both parties thereto, to purchase it, but has not yet received it; or

(3) The person owns a security convertible into or exchangeable for it and has tendered such security for conversion or exchange; or

(4) The person has an option to purchase or acquire it and has exercised such option; or

(5) The person has rights or warrants to subscribe to it and has exercised such rights or warrants; or

(6) The person holds a security futures contract to purchase it and has received notice that the position will be physically settled and is irrevocably bound to receive the underlying security.

(c) A person shall be deemed to own securities only to the extent that he has a net long position in such securities.

(d) A broker or dealer shall be deemed to own a security, even if it is not net long, if:

(1) The broker or dealer acquired that security while acting in the capacity of a block positioner; and

(2) If and to the extent that the broker or dealer’s short position in the security is the subject of offsetting positions created in the course of bona

Securities and Exchange Commission

§ 242.201

fide arbitrage, risk arbitrage, or bona fide hedge activities.

(e) A broker-dealer shall be deemed to own a security even if it is not net long, if:

(1) The broker-dealer is unwinding index arbitrage position involving a long basket of stock and one or more short index futures traded on a board of trade or one or more standardized options contracts as defined in 17 CFR 240.9b-1(a)(4); and

(2) If and to the extent that the broker-dealer's short position in the security is the subject of offsetting positions created and maintained in the course of bona-fide arbitrage, risk arbitrage, or bona fide hedge activities; and

(3) The sale does not occur during a period commencing at the time that the NYSE Composite Index has declined by two percent or more from its closing value on the previous day and terminating upon the end of the trading day. The two percent shall be calculated at the beginning of each calendar quarter and shall be two percent, rounded down to the nearest 10 points, of the average closing value of the NYSE Composite Index for the last month of the previous quarter.

(f) In order to determine its net position, a broker or dealer shall aggregate all of its positions in a security unless it qualifies for independent trading unit aggregation, in which case each independent trading unit shall aggregate all of its positions in a security to determine its net position. Independent trading unit aggregation is available only if:

(1) The broker or dealer has a written plan of organization that identifies each aggregation unit, specifies its trading objective(s), and supports its independent identity;

(2) Each aggregation unit within the firm determines, at the time of each sale, its net position for every security that it trades;

(3) All traders in an aggregation unit pursue only the particular trading objective(s) or strategy(s) of that aggregation unit and do not coordinate that strategy with any other aggregation unit; and

(4) Individual traders are assigned to only one aggregation unit at any time.

(g) A broker or dealer must mark all sell orders of any equity security as "long," "short," or "short exempt."

(1) An order to sell shall be marked "long" only if the seller is deemed to own the security being sold pursuant to paragraphs (a) through (f) of this section and either:

(i) The security to be delivered is in the physical possession or control of the broker or dealer; or

(ii) It is reasonably expected that the security will be in the physical possession or control of the broker or dealer no later than the settlement of the transaction.

(2) A sale order shall be marked "short exempt" only if the provisions of § 242.201(c) or (d) are met.

(h) Upon written application or upon its own motion, the Commission may grant an exemption from the provisions of this section, either unconditionally or on specified terms and conditions, to any transaction or class of transactions, or to any security or class of securities, or to any person or class of persons.

[69 FR 48029, Aug. 6, 2004, as amended at 72 FR 36359, July 3, 2007; 72 FR 45557, Aug. 14, 2007; 75 FR 11323, Mar. 10, 2010]

§ 242.201 Circuit breaker.

(a) *Definitions.* For the purposes of this section:

(1) The term *covered security* shall mean any NMS stock as defined in § 242.600(b)(55).

(2) The term *effective transaction reporting plan for a covered security* shall have the same meaning as in § 242.600(b)(30).

(3) The term *listing market* shall have the same meaning as the term "primary listing exchange" as defined in § 242.600(b)(68).

(4) The term *national best bid* shall have the same meaning as in § 242.600(b)(50).

(5) The term *odd lot* shall have the same meaning as in § 242.600(b)(58).

(6) The term *plan processor* shall have the same meaning as in § 242.600(b)(67).

(7) The term *regular trading hours* shall have the same meaning as in § 242.600(b)(77).

(8) The term *riskless principal* shall mean a transaction in which a broker or dealer, after having received an

order to buy a security, purchases the security as principal at the same price to satisfy the order to buy, exclusive of any explicitly disclosed markup or markdown, commission equivalent, or other fee, or, after having received an order to sell, sells the security as principal at the same price to satisfy the order to sell, exclusive of any explicitly disclosed markup or markdown, commission equivalent, or other fee.

(9) The term *trading center* shall have the same meaning as in § 242.600(b)(95).

(b)(1) A trading center shall establish, maintain, and enforce written policies and procedures reasonably designed to:

(i) Prevent the execution or display of a short sale order of a covered security at a price that is less than or equal to the current national best bid if the price of that covered security decreases by 10% or more from the covered security's closing price as determined by the listing market for the covered security as of the end of regular trading hours on the prior day; and

(ii) Impose the requirements of paragraph (b)(1)(i) of this section for the remainder of the day and the following day when a national best bid for the covered security is calculated and disseminated on a current and continuing basis pursuant to an effective national market system plan.

(iii) *Provided, however*, that the policies and procedures must be reasonably designed to permit:

(A) The execution of a displayed short sale order of a covered security by a trading center if, at the time of initial display of the short sale order, the order was at a price above the current national best bid; and

(B) The execution or display of a short sale order of a covered security marked "short exempt" without regard to whether the order is at a price that is less than or equal to the current national best bid.

(2) A trading center shall regularly surveil to ascertain the effectiveness of the policies and procedures required by paragraph (b)(1) of this section and shall take prompt action to remedy deficiencies in such policies and procedures.

(3) The determination regarding whether the price of a covered security

has decreased by 10% or more from the covered security's closing price as determined by the listing market for the covered security as of the end of regular trading hours on the prior day shall be made by the listing market for the covered security and, if such decrease has occurred, the listing market shall immediately make such information available as provided in § 242.603(b).

(c) Following any determination and notification pursuant to paragraph (b)(3) of this section with respect to a covered security, a broker or dealer submitting a short sale order of the covered security in question to a trading center may mark the order "short exempt" if the broker or dealer identifies the order as being at a price above the current national best bid at the time of submission; *provided, however*:

(1) The broker or dealer that identifies a short sale order of a covered security as "short exempt" in accordance with this paragraph (c) must establish, maintain, and enforce written policies and procedures reasonably designed to prevent incorrect identification of orders for purposes of this paragraph; and

(2) The broker or dealer shall regularly surveil to ascertain the effectiveness of the policies and procedures required by paragraph (c)(1) of this section and shall take prompt action to remedy deficiencies in such policies and procedures.

(d) Following any determination and notification pursuant to paragraph (b)(3) of this section with respect to a covered security, a broker or dealer may mark a short sale order of a covered security "short exempt" if the broker or dealer has a reasonable basis to believe that:

(1) The short sale order of a covered security is by a person that is deemed to own the covered security pursuant to § 242.200, provided that the person intends to deliver the security as soon as all restrictions on delivery have been removed.

(2) The short sale order of a covered security is by a market maker to offset customer odd-lot orders or to liquidate an odd-lot position that changes such broker's or dealer's position by no more than a unit of trading.

(3) The short sale order of a covered security is for a good faith account of a person who then owns another security by virtue of which he is, or presently will be, entitled to acquire an equivalent number of securities of the same class as the securities sold; provided such sale, or the purchase which such sale offsets, is effected for the bona fide purpose of profiting from a current difference between the price of the security sold and the security owned and that such right of acquisition was originally attached to or represented by another security or was issued to all the holders of any such securities of the issuer.

(4) The short sale order of a covered security is for a good faith account and submitted to profit from a current price difference between a security on a foreign securities market and a security on a securities market subject to the jurisdiction of the United States, provided that the short seller has an offer to buy on a foreign market that allows the seller to immediately cover the short sale at the time it was made. For the purposes of this paragraph (d)(4), a depository receipt of a security shall be deemed to be the same security as the security represented by such receipt.

(5)(i) The short sale order of a covered security is by an underwriter or member of a syndicate or group participating in the distribution of a security in connection with an over-allotment of securities; or

(ii) The short sale order of a covered security is for purposes of a lay-off sale by an underwriter or member of a syndicate or group in connection with a distribution of securities through a rights or standby underwriting commitment.

(6) The short sale order of a covered security is by a broker or dealer effecting the execution of a customer purchase or the execution of a customer "long" sale on a riskless principal basis. In addition, for purposes of this paragraph (d)(6), a broker or dealer must have written policies and procedures in place to assure that, at a minimum:

(i) The customer order was received prior to the offsetting transaction;

(ii) The offsetting transaction is allocated to a riskless principal or customer account within 60 seconds of execution; and

(iii) The broker or dealer has supervisory systems in place to produce records that enable the broker or dealer to accurately and readily reconstruct, in a time-sequenced manner, all orders on which a broker or dealer relies pursuant to this exception.

(7) The short sale order is for the sale of a covered security at the volume weighted average price (VWAP) that meets the following criteria:

(i) The VWAP for the covered security is calculated by:

(A) Calculating the values for every regular way trade reported in the consolidated system for the security during the regular trading session, by multiplying each such price by the total number of shares traded at that price;

(B) Compiling an aggregate sum of all values; and

(C) Dividing the aggregate sum by the total number of reported shares for that day in the security.

(ii) The transactions are reported using a special VWAP trade modifier.

(iii) The VWAP matched security:

(A) Qualifies as an "actively-traded security" pursuant to § 242.101 and § 242.102; or

(B) The proposed short sale transaction is being conducted as part of a basket transaction of twenty or more securities in which the subject security does not comprise more than 5% of the value of the basket traded.

(iv) The transaction is not effected for the purpose of creating actual, or apparent, active trading in or otherwise affecting the price of any security.

(v) A broker or dealer shall be permitted to act as principal on the contra-side to fill customer short sale orders only if the broker's or dealer's position in the covered security, as committed by the broker or dealer during the pre-opening period of a trading day and aggregated across all of its customers who propose to sell short the same security on a VWAP basis, does not exceed 10% of the covered security's relevant average daily trading volume.

§ 242.203

17 CFR Ch. II (4–1–22 Edition)

(e) No self-regulatory organization shall have any rule that is not in conformity with, or conflicts with, this section.

(f) Upon written application or upon its own motion, the Commission may grant an exemption from the provisions of this section, either unconditionally or on specified terms and conditions, to any person or class of persons, to any transaction or class of transactions, or to any security or class of securities to the extent that such exemption is necessary or appropriate, in the public interest, and is consistent with the protection of investors.

[75 FR 11323, Mar. 10, 2010, as amended at 83 FR 58427, Nov. 19, 2018; 86 FR 18809, Apr. 9, 2021]

§ 242.203 Borrowing and delivery requirements.

(a) *Long sales.* (1) If a broker or dealer knows or has reasonable grounds to believe that the sale of an equity security was or will be effected pursuant to an order marked “long,” such broker or dealer shall not lend or arrange for the loan of any security for delivery to the purchaser’s broker after the sale, or fail to deliver a security on the date delivery is due.

(2) The provisions of paragraph (a)(1) of this section shall not apply:

(i) To the loan of any security by a broker or dealer through the medium of a loan to another broker or dealer;

(ii) If the broker or dealer knows, or has been reasonably informed by the seller, that the seller owns the security, and that the seller would deliver the security to the broker or dealer prior to the scheduled settlement of the transaction, but the seller failed to do so; or

(iii) If, prior to any loan or arrangement to loan any security for delivery, or failure to deliver, a national securities exchange, in the case of a sale effected thereon, or a national securities association, in the case of a sale not effected on an exchange, finds:

(A) That such sale resulted from a mistake made in good faith;

(B) That due diligence was used to ascertain that the circumstances specified in § 242.200(g) existed; and

(C) Either that the condition of the market at the time the mistake was discovered was such that undue hardship would result from covering the transaction by a “purchase for cash” or that the mistake was made by the seller’s broker and the sale was at a permissible price under any applicable short sale price test.

(b) *Short sales.* (1) A broker or dealer may not accept a short sale order in an equity security from another person, or effect a short sale in an equity security for its own account, unless the broker or dealer has:

(i) Borrowed the security, or entered into a bona-fide arrangement to borrow the security; or

(ii) Reasonable grounds to believe that the security can be borrowed so that it can be delivered on the date delivery is due; and

(iii) Documented compliance with this paragraph (b)(1).

(2) The provisions of paragraph (b)(1) of this section shall not apply to:

(i) A broker or dealer that has accepted a short sale order from another registered broker or dealer that is required to comply with paragraph (b)(1) of this section, unless the broker or dealer relying on this exception contractually undertook responsibility for compliance with paragraph (b)(1) of this section;

(ii) Any sale of a security that a person is deemed to own pursuant to § 242.200, provided that the broker or dealer has been reasonably informed that the person intends to deliver such security as soon as all restrictions on delivery have been removed. If the person has not delivered such security within 35 days after the trade date, the broker-dealer that effected the sale must borrow securities or close out the short position by purchasing securities of like kind and quantity;

(iii) Short sales effected by a market maker in connection with bona-fide market making activities in the security for which this exception is claimed; and

(iv) Transactions in security futures.

(3) If a participant of a registered clearing agency has a fail to deliver position at a registered clearing agency in a threshold security for thirteen

consecutive settlement days, the participant shall immediately thereafter close out the fail to deliver position by purchasing securities of like kind and quantity:

(i) *Provided, however,* that a participant of a registered clearing agency that has a fail to deliver position at a registered clearing agency in a threshold security on the effective date of this amendment and which, prior to the effective date of this amendment, had been previously grandfathered from the close-out requirement in this paragraph (b)(3) (i.e., because the participant of a registered clearing agency had a fail to deliver position at a registered clearing agency on the settlement day preceding the day that the security became a threshold security), shall close out that fail to deliver position within thirty-five consecutive settlement days of the effective date of this amendment by purchasing securities of like kind and quantity;

(ii) *Provided, however,* that if a participant of a registered clearing agency has a fail to deliver position at a registered clearing agency in a threshold security that was sold pursuant to § 230.144 of this chapter for thirty-five consecutive settlement days, the participant shall immediately thereafter close out the fail to deliver position in the security by purchasing securities of like kind and quantity;

(iii) *Provided, however,* that a participant of a registered clearing agency that has a fail to deliver position at a registered clearing agency in a threshold security on the effective date of this amendment and which, prior to the effective date of this amendment, had been previously excepted from the close-out requirement in paragraph (b)(3) of this section (i.e., because the participant of a registered clearing agency had a fail to deliver position in the threshold security that is attributed to short sales effected by a registered options market maker to establish or maintain a hedge on options positions that were created before the security became a threshold security), shall immediately close out that fail to deliver position, including any adjustments to the fail to deliver position, within 35 consecutive settlement days of the effective date of this amendment

by purchasing securities of like kind and quantity;

(iv) If a participant of a registered clearing agency has a fail to deliver position at a registered clearing agency in a threshold security for thirteen consecutive settlement days, the participant and any broker or dealer for which it clears transactions, including any market maker that would otherwise be entitled to rely on the exception provided in paragraph (b)(2)(iii) of this section, may not accept a short sale order in the threshold security from another person, or effect a short sale in the threshold security for its own account, without borrowing the security or entering into a bona-fide arrangement to borrow the security, until the participant closes out the fail to deliver position by purchasing securities of like kind and quantity;

(v) If a participant of a registered clearing agency entitled to rely on the 35 consecutive settlement day close-out requirement contained in paragraph (b)(3)(i), (b)(3)(ii), or (b)(3)(iii) of this section has a fail to deliver position at a registered clearing agency in the threshold security for 35 consecutive settlement days, the participant and any broker or dealer for which it clears transactions, including any market maker, that would otherwise be entitled to rely on the exception provided in paragraph (b)(2)(ii) of this section, may not accept a short sale order in the threshold security from another person, or effect a short sale in the threshold security for its own account, without borrowing the security or entering into a bona fide arrangement to borrow the security, until the participant closes out the fail to deliver position by purchasing securities of like kind and quantity;

(vi) If a participant of a registered clearing agency reasonably allocates a portion of a fail to deliver position to another registered broker or dealer for which it clears trades or for which it is responsible for settlement, based on such broker or dealer's short position, then the provisions of this paragraph (b)(3) relating to such fail to deliver position shall apply to the portion of such registered broker or dealer that was allocated the fail to deliver position, and not to the participant; and

(vii) A participant of a registered clearing agency shall not be deemed to have fulfilled the requirements of this paragraph (b)(3) where the participant enters into an arrangement with another person to purchase securities as required by this paragraph (b)(3), and the participant knows or has reason to know that the other person will not deliver securities in settlement of the purchase.

(c) *Definitions.* (1) For purposes of this section, the term *market maker* has the same meaning as in section 3(a)(38) of the Securities Exchange Act of 1934 (“Exchange Act”) (15 U.S.C. 78c(a)(38)).

(2) For purposes of this section, the term *participant* has the same meaning as in section 3(a)(24) of the Exchange Act (15 U.S.C. 78c(a)(24)).

(3) For purposes of this section, the term *registered clearing agency* means a clearing agency, as defined in section 3(a)(23)(A) of the Exchange Act (15 U.S.C. 78c(a)(23)(A)), that is registered with the Commission pursuant to section 17A of the Exchange Act (15 U.S.C. 78q-1).

§ 242.204 Close-out requirement.

(a) A participant of a registered clearing agency must deliver securities to a registered clearing agency for clearance and settlement on a long or short sale in any equity security by settlement date, or if a participant of a registered clearing agency has a fail to deliver position at a registered clearing agency in any equity security for a long or short sale transaction in that equity security, the participant shall, by no later than the beginning of regular trading hours on the settlement day following the settlement date, immediately close out its fail to deliver position by borrowing or purchasing securities of like kind and quantity; *Provided, however:*

(1) If a participant of a registered clearing agency has a fail to deliver position at a registered clearing agency in any equity security and the participant can demonstrate on its books and records that such fail to deliver position resulted from a long sale, the participant shall by no later than the beginning of regular trading hours on the third consecutive settlement day following the settlement date, immediately close out the fail to deliver position by purchasing or borrowing securities of like kind and quantity;

(2) If a participant of a registered clearing agency has a fail to deliver position at a registered clearing agency in any equity security resulting from a sale of a security that a person is deemed to own pursuant to § 242.200 and that such person intends to deliver as soon as all restrictions on delivery have been removed, the participant shall, by no later than the beginning of

regular trading hours on the thirty-fifth consecutive calendar day following the trade date for the transaction, immediately close out the fail to deliver position by purchasing securities of like kind and quantity; or

(3) If a participant of a registered clearing agency has a fail to deliver position at a registered clearing agency in any equity security that is attributable to bona fide market making activities by a registered market maker, options market maker, or other market maker obligated to quote in the over-the-counter market, the participant shall by no later than the beginning of regular trading hours on the third consecutive settlement day following the settlement date, immediately close out the fail to deliver position by purchasing or borrowing securities of like kind and quantity.

(b) If a participant of a registered clearing agency has a fail to deliver position in any equity security at a registered clearing agency and does not close out such fail to deliver position in accordance with the requirements of paragraph (a) of this section, the participant and any broker or dealer from which it receives trades for clearance and settlement, including any market maker that would otherwise be entitled to rely on the exception provided in § 242.203(b)(2)(iii), may not accept a short sale order in the equity security from another person, or effect a short sale in the equity security for its own account, to the extent that the broker or dealer submits its short sales to that participant for clearance and settlement, without first borrowing the security, or entering into a bona fide arrangement to borrow the security, until the participant closes out the fail to deliver position by purchasing securities of like kind and quantity and that purchase has cleared and settled at a registered clearing agency; *Provided, however:* A broker or dealer shall not be subject to the requirements of this paragraph if the broker or dealer timely certifies to the participant of a registered clearing agency that it has not incurred a fail to deliver position on settlement date for a long or short sale in an equity security for which the participant has a fail to deliver position at a registered clearing agency or

that the broker or dealer is in compliance with paragraph (e) of this section.

(c) The participant must notify any broker or dealer from which it receives trades for clearance and settlement, including any market maker that would otherwise be entitled to rely on the exception provided in § 242.203(b)(2)(iii):

(1) That the participant has a fail to deliver position in an equity security at a registered clearing agency that has not been closed out in accordance with the requirements of paragraph (a) of this section; and

(2) When the purchase that the participant has made to close out the fail to deliver position has cleared and settled at a registered clearing agency.

(d) If a participant of a registered clearing agency reasonably allocates a portion of a fail to deliver position to another registered broker or dealer for which it clears trades or from which it receives trades for settlement, based on such broker's or dealer's short position, the provisions of paragraphs (a) and (b) of this section relating to such fail to deliver position shall apply to such registered broker or dealer that was allocated the fail to deliver position, and not to the participant. A broker or dealer that has been allocated a portion of a fail to deliver position that does not comply with the provisions of paragraph (a) of this section must immediately notify the participant that it has become subject to the requirements of paragraph (b) of this section.

(e) Even if a participant of a registered clearing agency has not closed out a fail to deliver position at a registered clearing agency in accordance with paragraph (a) of this section, or has not allocated a fail to deliver position to a broker or dealer in accordance with paragraph (d) of this section, a broker or dealer shall not be subject to the requirements of paragraph (a) or (b) of this section if the broker or dealer purchases or borrows the securities, and if:

(1) The purchase or borrow is bona fide;

(2) The purchase or borrow is executed after trade date but by no later than the end of regular trading hours on settlement date for the transaction;

§ 242.300

17 CFR Ch. II (4–1–22 Edition)

(3) The purchase or borrow is of a quantity of securities sufficient to cover the entire amount of that broker's or dealer's fail to deliver position at a registered clearing agency in that security; and

(4) The broker or dealer can demonstrate that it has a net flat or net long position on its books and records on the day of the purchase or borrow.

(f) A participant of a registered clearing agency shall not be deemed to have fulfilled the requirements of this section where the participant enters into an arrangement with another person to purchase or borrow securities as required by this section, and the participant knows or has reason to know that the other person will not deliver securities in settlement of the purchase or borrow.

(g) *Definitions.* (1) For purposes of this section, the term *settlement date* shall mean the business day on which delivery of a security and payment of money is to be made through the facilities of a registered clearing agency in connection with the sale of a security.

(2) For purposes of this section, the term *regular trading hours* has the same meaning as in § 242.600(b)(77) (Rule 600(b)(77) of Regulation NMS).

paper form or in any of the forms permitted under § 240.17a–4(f) of this chapter.

(c) Alternative trading systems must comply with any other applicable recordkeeping or reporting requirement in the Act, and the rules and regulations thereunder. If the information in a record required to be made pursuant to this section is preserved in a record made pursuant to § 240.17a–3 or § 240.17a–4 of this chapter, or otherwise preserved by the alternative trading system (whether in summary or some other form), this section shall not require the sponsor to maintain such information in a separate file, provided that the sponsor can promptly sort and retrieve the information as if it had been kept in a separate file as a record made pursuant to this section, and preserves the information in accordance with the time periods specified in paragraph (a) of this section.

(d) The records required to be maintained and preserved pursuant to this section may be prepared or maintained by a service bureau, depository, or other recordkeeping service on behalf of the alternative trading system. An agreement with a service bureau, depository, or other recordkeeping service shall not relieve the alternative trading system from the responsibility to prepare and maintain records as specified in this section. The service bureau, depository, or other recordkeeping service shall file with the Commission a written undertaking in a form acceptable to the Commission, signed by a duly authorized person, to the effect that such records are the property of the alternative trading system required to be maintained and preserved and will be surrendered promptly on request of the alternative trading system, and shall include the following provision: With respect to any books and records maintained or preserved on behalf of (name of alternative trading system), the undersigned hereby undertakes to permit examination of such books and records at any time, or from time to time, during business hours by the staff of the Securities and Exchange Commission, any self-regulatory organization of which the alternative trading system is a member, or any State securities regulator having

jurisdiction over the alternative trading system, and to promptly furnish to the Commission, self-regulatory organization of which the alternative trading system is a member, or any State securities regulator having jurisdiction over the alternative trading system a true, correct, complete and current hard copy of any, all, or any part of, such books and records.

§ 242.304 NMS Stock ATSs.

(a) *Conditions to the exemption.* Unless not required to comply with Regulation ATS pursuant to § 242.301(a), an NMS Stock ATS must comply with §§ 242.300 through 242.304 (except § 242.301(b)(2)(i) through (vii)) to be exempt pursuant to § 240.3a1-1(a)(2).

(1) *Initial Form ATS-N.* (i) *Filing and effectiveness requirement.* No exemption is available to an NMS Stock ATS pursuant to § 240.3a1-1(a)(2) unless the NMS Stock ATS files with the Commission an initial Form ATS-N, in accordance with the conditions of this section, and the initial Form ATS-N is effective pursuant to paragraph (a)(1)(iii) or (a)(1)(iv)(A) of this section.

(ii) *Commission review period.* (A) The Commission may, by order, as provided in paragraph (a)(1)(iii) of this section, declare an initial Form ATS-N filed by an NMS Stock ATS ineffective no later than 120 calendar days from the date of filing with the Commission, or, if applicable, the end of the extended review period. The Commission may extend the initial Form ATS-N review period for:

(1) An additional 90 calendar days, if the Form ATS-N is unusually lengthy or raises novel or complex issues that require additional time for review, in which case the Commission will notify the NMS Stock ATS in writing within the initial 120-calendar day review period and will briefly describe the reason for the determination for which additional time for review is required; or

(2) Any extended review period to which a duly authorized representative of the NMS Stock ATS agrees in writing.

(B) During review by the Commission of the initial Form ATS-N, the NMS Stock ATS shall amend its initial Form ATS-N pursuant to the requirements of paragraphs (a)(2)(i)(B) and (C) of this section. To make material changes to its initial Form ATS-N during the Commission review period, the NMS Stock ATS shall withdraw its filed initial Form ATS-N and may refile an initial Form ATS-N pursuant to paragraph (a)(1) of this section.

(iii) *Effectiveness; Ineffectiveness determination.* (A) An initial Form ATS-N, as amended, filed by an NMS Stock ATS will become effective, unless declared ineffective, upon the earlier of:

(1) The completion of review by the Commission and publication pursuant to paragraph (b)(2)(i) of this section; or

(2) The expiration of the review period, or, if applicable, the end of the extended review period, pursuant to paragraph (a)(1)(ii) of this section.

(B) The Commission will, by order, declare an initial Form ATS-N ineffective if it finds, after notice and opportunity for hearing, that such action is necessary or appropriate in the public interest, and is consistent with the protection of investors. If the Commission declares an initial Form ATS-N ineffective, the NMS Stock ATS shall be prohibited from operating as an NMS Stock ATS pursuant to § 240.3a1-1(a)(2). An initial Form ATS-N declared ineffective does not prevent the NMS Stock ATS from subsequently filing a new Form ATS-N.

(iv) *Transition for Legacy NMS Stock ATSs.* (A) *Initial Form ATS-N filing requirements.* A Legacy NMS Stock ATS shall file with the Commission an initial Form ATS-N, in accordance with the conditions of this section, no earlier than January 7, 2019, and no later than February 8, 2019. An initial Form ATS-N filed by a Legacy NMS Stock ATS shall supersede and replace for purposes of the exemption the previously filed Form ATS of the Legacy NMS Stock ATS. The Legacy NMS

Stock ATS may operate, on a provisional basis, pursuant to the filed initial Form ATS-N, and any amendments thereto, during the review of the initial Form ATS-N by the Commission. An initial Form ATS-N filed by a Legacy NMS Stock ATS, as amended, will become effective, unless declared ineffective, upon the earlier of:

(1) The completion of review by the Commission and publication pursuant to paragraph (b)(2)(i) of this section; or

(2) The expiration of the review period, or, if applicable, the end of the extended review period, pursuant to paragraph (a)(1)(iv)(B) of this section.

(B) *Commission review period; Ineffectiveness determination.* The Commission may, by order, as provided in paragraph (a)(1)(iii) of this section, declare an initial Form ATS-N filed by a Legacy NMS Stock ATS ineffective no later than 120 calendar days from the date of filing with the Commission, or, if applicable, the end of the extended review period. The Commission may extend the initial Form ATS-N review period for a Legacy NMS Stock ATS for:

(1) An additional 120 calendar days if the initial Form ATS-N is unusually lengthy or raises novel or complex issues that require additional time for review, in which case the Commission will notify the Legacy NMS Stock ATS in writing within the initial 120-calendar day review period and will briefly describe the reason for the determination for which additional time for review is required; or

(2) Any extended review period to which a duly-authorized representative of the Legacy NMS Stock ATS agrees in writing.

(C) *Amendments to initial Form ATS-N.* During review by the Commission of the initial Form ATS-N filed by a Legacy NMS Stock ATS, the Legacy NMS Stock ATS shall amend its initial Form ATS-N pursuant to the requirements of paragraphs (a)(2)(i)(A) through (D) of this section.

(2) *Form ATS-N amendment.* (i) *Filing requirements.* An NMS Stock ATS shall amend a Form ATS-N, in accordance with the conditions of this section:

(A) At least 30 calendar days, except as provided by paragraph (a)(2)(i)(D) of this section, prior to the date of imple-

mentation of a material change to the operations of the NMS Stock ATS or to the activities of the broker-dealer operator or its affiliates that are subject to disclosure on Form ATS-N (“Material Amendment”);

(B) No later than 30 calendar days after the end of each calendar quarter to correct information that has become inaccurate or incomplete for any reason and was not required to be reported to the Commission as a Form ATS-N amendment pursuant to paragraphs (a)(2)(i)(A), (C), or (D) of this section (“Updating Amendment”);

(C) Promptly, to correct information in any previous disclosure on Form ATS-N, after discovery that any information previously filed on Form ATS-N was materially inaccurate or incomplete when filed (“Correcting Amendment”); or

(D) No later than seven calendar days after information required to be disclosed in Part III, Items 24 and 25 on Form ATS-N has become inaccurate or incomplete (“Order Display and Fair Access Amendment”).

(ii) *Commission review period; Ineffectiveness determination.* The Commission will, by order, declare ineffective any Form ATS-N amendment filed pursuant to paragraphs (a)(2)(i)(A) through (D) of this section, no later than 30 calendar days from filing with the Commission, if the Commission finds that such action is necessary or appropriate in the public interest, and is consistent with the protection of investors. A Form ATS-N amendment declared ineffective shall prohibit the NMS Stock ATS from operating pursuant to the ineffective Form ATS-N amendment. A Form ATS-N amendment declared ineffective does not prevent the NMS Stock ATS from subsequently filing a new Form ATS-N amendment. During review by the Commission of a Material Amendment, the NMS Stock ATS shall amend the Material Amendment pursuant to the requirements of paragraphs (a)(2)(i)(B) through (C) of this section. To make material changes to a filed Material Amendment during the Commission review period, an NMS Stock ATS shall withdraw its filed Material Amendment and must file the new Material Amendment pursuant to (a)(2)(i)(A) of this section.

(3) *Notice of cessation.* An NMS Stock ATS shall notice its cessation of operations on Form ATS-N at least 10 business days prior to the date the NMS Stock ATS will cease to operate as an NMS Stock ATS. The notice of cessation shall cause the Form ATS-N to become ineffective on the date designated by the NMS Stock ATS.

(4) *Suspension, limitation, and revocation of the exemption from the definition of exchange.* (i) The Commission will, by order, if it finds, after notice and opportunity for hearing, that such action is necessary or appropriate in the public interest, and is consistent with the protection of investors, suspend for a period not exceeding twelve months, limit, or revoke the exemption for an NMS Stock ATS pursuant to § 240.3a1-1(a)(2) of this chapter.

(ii) If the exemption for an NMS Stock ATS is suspended or revoked pursuant to paragraph (a)(4)(i) of this section, the NMS Stock ATS shall be prohibited from operating pursuant to the exemption pursuant to § 240.3a1-1(a)(2) of this chapter. If the exemption for an NMS Stock ATS is limited pursuant to paragraph (a)(4)(i) of this section, the NMS Stock ATS shall be prohibited from operating in a manner otherwise inconsistent with the terms and conditions of the Commission order.

(b) *Public disclosures.* (1) Every Form ATS-N filed pursuant to this section shall constitute a “report” within the meaning of sections 11A, 17(a), 18(a), and 32(a) (15 U.S.C. 78k-1, 78q(a), 78r(a), and 78ff(a)), and any other applicable provisions of the Act.

(2) The Commission will make public via posting on the Commission’s website, each:

(i) Effective initial Form ATS-N, as amended;

(ii) Order of ineffective initial Form ATS-N;

(iii) Form ATS-N amendment to an effective Form ATS-N;

(A) *Material Amendments:* The cover page of the Material Amendment will be made public by the Commission upon filing and, unless the Commission declares the Material Amendment ineffective, the entirety of the Material Amendment, as amended, will be made public by the Commission following

the expiration of the review period pursuant to paragraph (a)(2)(ii) of this section.

(B) *Updating, Correcting, and Order Display and Fair Access Amendments:* The entirety of Updating, Correcting, and Order Display and Fair Access Amendments will be made public by the Commission upon filing. Notwithstanding the foregoing, an Updating or Correcting Amendment filed to a Material Amendment will be made public by the Commission following the expiration of the review period for such Material Amendment pursuant to paragraph (a)(2)(ii) of this section.

(v) Notice of cessation; and

(vi) Order suspending, limiting, or revoking the exemption for an NMS Stock ATS from the definition of an “exchange” pursuant to § 240.3a1-1(a)(2) of this chapter.

(3) Each NMS Stock ATS shall make public via posting on its website a direct URL hyperlink to the Commission’s website that contains the documents enumerated in paragraph (b)(2) of this section.

(c) *Form ATS-N disclosure requirements.* (1) An NMS Stock ATS must file a Form ATS-N in accordance with the instructions therein.

(2) Any report required to be filed with the Commission under this section shall be filed on Form ATS-N, and include all information as prescribed in Form ATS-N and the instructions thereto. Such document shall be executed at, or prior to, the time Form ATS-N is filed and shall be retained by the NMS Stock ATS in accordance with §§ 242.303 and § 232.302 of this chapter, and the instructions in Form ATS-N.

(2) A security futures intermediary that carries a security future on behalf of a customer in a futures account shall record and conduct all financial relations with respect to such security future and related positions in accordance with the margin rules of the self-regulatory authorities of which the security futures intermediary is a member.

(b) *Separation and consolidation of accounts.* (1) The requirements for security futures and related positions in one account may not be met by considering items in any other account, except as permitted or required under paragraph (b)(2) of this section or applicable margin rules. If withdrawals of cash, securities or other assets deposited as margin are permitted under this Regulation (§§ 242.400 through 242.406), bookkeeping entries shall be made when such cash, securities, or assets are used for purposes of meeting requirements in another account.

(2) Notwithstanding paragraph (b)(1) of this section, the security futures intermediary shall consider all futures accounts in which security futures and related positions are held that are within the same regulatory classification or account type and are owned by the same customer to be a single account for purposes of this Regulation (§§ 242.400 through 242.406). The security futures intermediary may combine such accounts with other futures accounts that are within the same regulatory classification or account type and are owned by the same customer for purposes of computing a customer's overall margin requirement, as permitted or required by applicable margin rules.

(c) *Accounts of partners.* If a partner of the security futures intermediary has an account with the security futures intermediary in which security futures or related positions are held, the security futures intermediary shall disregard the partner's financial relations with the firm (as shown in the partner's capital and ordinary drawing accounts) in calculating the margin or equity of any such account.

(d) *Contribution to joint venture.* If an account in which security futures or related positions are held is the account of a joint venture in which the security futures intermediary participates, any interest of the security futures intermediary in the joint account in excess of the interest which the security futures intermediary would have on the basis of its right to share in the profits shall be margined in accordance with this Regulation (§§ 242.400 through 242.406).

(e) *Extensions of credit.* (1) No security futures intermediary may extend or maintain credit to or for any customer for the purpose of evading or circumventing any requirement under this Regulation (§§ 242.400 through 242.406).

(2) A security futures intermediary may arrange for the extension or maintenance of credit to or for any customer by any person, provided that the security futures intermediary does not willfully arrange credit that would constitute a violation of Regulation T, U or X of the Board of Governors of the Federal Reserve System (12 CFR parts 220, 221, and 224) by such person.

(f) *Change in exempted person status.* Once a person ceases to qualify as an exempted person, it shall notify the security futures intermediary of this fact before entering into any new security futures transaction or related transaction that would require additional margin to be deposited under this Regulation (§§ 242.400 through 242.406). Financial relations with respect to any such transactions shall be subject to the provisions of this Regulation (§§ 242.400 through 242.406).

§ 242.403 Required margin.

(a) *Applicability.* Each security futures intermediary shall determine the

required margin for the security futures and related positions held on behalf of a customer in a securities account or futures account as set forth in this section.

(b) *Required margin*—(1) *General rule.* The required margin for each long or short position in a security future shall be fifteen (15) percent of the current market value of such security future.

(2) *Offsetting positions.* Notwithstanding the margin levels specified in paragraph (b)(1) of this section, a self-regulatory authority may set the required initial or maintenance margin level for an offsetting position involving security futures and related positions at a level lower than the level that would be required under paragraph (b)(1) of this section if such positions were margined separately, pursuant to rules that meet the criteria set forth in section 7(c)(2)(B) of the Act (15 U.S.C. 78g(c)(2)(B)) and are effective in accordance with section 19(b)(2) of the Act (15 U.S.C. 78s(b)(2)) and, as applicable, Section 5c(c) of the CEA (7 U.S.C. 7a-2(c)).

(c) *Procedures for certain margin level adjustments.* An exchange registered under section 6(g) of the Act (15 U.S.C. 78f(g)), or a national securities association registered under section 15A(k) of the Act (15 U.S.C. 78o-3(k)), may raise or lower the required margin level for a security future to a level not lower than that specified in this section, in accordance with section 19(b)(7) of the Act (15 U.S.C. 78s(b)(7)).

§ 242.404 Type, form and use of margin.

(a) *When margin is required.* Margin is required to be deposited whenever the required margin for security futures and related positions in an account is not satisfied by the equity in the account, subject to adjustment under paragraph (c) of this section.

(b) *Acceptable margin deposits.* (1) The required margin may be satisfied by a deposit of cash, margin securities (subject to paragraph (b)(2) of this section), exempted securities, any other asset permitted under Regulation T to satisfy a margin deficiency in a securities margin account, or any combination

thereof, each as valued in accordance with paragraph (c) of this section.

(2) Shares of a money market mutual fund may be accepted as a margin deposit for purposes of this Regulation (§§ 242.400 through 242.406), *provided that*:

(i) The customer waives any right to redeem the shares without the consent of the security futures intermediary and instructs the fund or its transfer agent accordingly;

(ii) The security futures intermediary (or clearing agency or derivatives clearing organization with which the shares are deposited as margin) obtains the right to redeem the shares in cash, promptly upon request; and

(iii) The fund agrees to satisfy any conditions necessary or appropriate to ensure that the shares may be redeemed in cash, promptly upon request.

(c) *Adjustments*—(1) *Futures accounts.* For purposes of this section, the equity in a futures account shall be computed in accordance with the margin rules applicable to the account, subject to the following:

(i) A security future shall have no value;

(ii) Each net long or short position in a listed option on a contract for future delivery shall be valued in accordance with the margin rules applicable to the account;

(iii) Except as permitted in paragraph (e) of this section, each margin equity security shall be valued at an amount no greater than its Regulation T collateral value;

(iv) Each other security shall be valued at an amount no greater than its current market value reduced by the percentage specified for such security in § 240.15c3-1(c)(2)(vi) of this chapter;

(v) Freely convertible foreign currency may be valued at an amount no greater than its daily marked-to-market U.S. dollar equivalent;

(vi) Variation settlement receivable (or payable) by an account at the close of trading on any day shall be treated as a credit (or debit) to the account on that day; and

(vii) Each other acceptable margin deposit or component of equity shall be valued at an amount no greater than its value under Regulation T.

(2) *Securities accounts.* For purposes of this section, the equity in a securities account shall be computed in accordance with the margin rules applicable to the account, subject to the following:

(i) A security future shall have no value;

(ii) Freely convertible foreign currency may be valued at an amount no greater than its daily mark-to-market U.S. dollar equivalent; and

(iii) Variation settlement receivable (or payable) to an account at the close of trading on any day shall be treated as a credit (or debit) by the account on that day.

(d) *Satisfaction restriction.* Any transaction, position or deposit that is used to satisfy the required margin for security futures or related positions under this Regulation (§§ 242.400 through 242.406), including a related position, shall be unavailable to satisfy the required margin for any other position or transaction or any other requirement.

(e) *Alternative collateral valuation for margin equity securities in a futures account.* (1) Notwithstanding paragraph (c)(1)(iii) of this section, a security futures intermediary need not value a margin equity security at its Regulation T collateral value when determining whether the required margin for the security futures and related positions in a futures account is satisfied, *provided that:*

(i) The margin equity security is valued at an amount no greater than the current market value of the security reduced by the lowest percentage level of margin required for a long position in the security held in a margin account under the rules of a national securities exchange registered pursuant to section 6(a) of the Act (15 U.S.C. 78f(a));

(ii) Additional margin is required to be deposited on any day when the day's security futures transactions and related transactions would create or increase a margin deficiency in the account if the margin equity securities were valued at their Regulation T collateral value, and shall be for the amount of the margin deficiency so created or increased (a "special margin requirement"); and

(iii) Cash, securities, or other assets deposited as margin for the positions in an account are not permitted to be withdrawn from the account at any time that:

(A) Additional cash, securities, or other assets are required to be deposited as margin under this section for a transaction in the account on the same or a previous day; or

(B) The withdrawal, together with other transactions, deposits, and withdrawals on the same day, would create or increase a margin deficiency if the margin equity securities were valued at their Regulation T collateral value.

(2) All security futures transactions and related transactions on any day shall be combined to determine the amount of a special margin requirement. Additional margin deposited to satisfy a special margin requirement shall be valued at an amount no greater than its Regulation T collateral value.

(3) If the alternative collateral valuation method set forth in paragraph (e) of this section is used with respect to an account in which security futures or related positions are carried:

(i) An account that is transferred from one security futures intermediary to another may be treated as if it had been maintained by the transferee from the date of its origin, if the transferee accepts, in good faith, a signed statement of the transferor (or, if that is not practicable, of the customer), that any margin call issued under this Regulation (§§ 242.400 through 242.406) has been satisfied; and

(ii) An account that is transferred from one customer to another as part of a transaction, not undertaken to avoid the requirements of this Regulation (§§ 242.400 through 242.406), may be treated as if it had been maintained for the transferee from the date of its origin, if the security futures intermediary accepts in good faith and keeps with the transferee account a signed statement of the transferor describing the circumstances for the transfer.

(f) *Guarantee of accounts.* No guarantee of a customer's account shall be given any effect for purposes of determining whether the required margin in

Securities and Exchange Commission

§ 242.500

an account is satisfied, except as permitted under applicable margin rules.

§ 242.405 Withdrawal of margin.

(a) *By the customer.* Except as otherwise provided in § 242.404(e)(1)(ii) of this Regulation (§§ 242.400 through 242.406), cash, securities, or other assets deposited as margin for positions in an account may be withdrawn, provided that the equity in the account after such withdrawal is sufficient to satisfy the required margin for the security futures and related positions in the account under this Regulation (§§ 242.400 through 242.406).

(b) *By the security futures intermediary.* Notwithstanding paragraph (a) of this section, the security futures intermediary, in its usual practice, may deduct the following items from an account in which security futures or related positions are held if they are considered in computing the balance of such account:

(1) Variation settlement payable, directly or indirectly, to a clearing agency that is registered under section 17A of the Act (15 U.S.C. 78q-1) or a derivatives clearing organization that is registered under section 5b of the CEA (7 U.S.C. 7a-1);

(2) Interest charged on credit maintained in the account;

(3) Communication or shipping charges with respect to transactions in the account;

(4) Payment of commissions, brokerage, taxes, storage and other charges lawfully accruing in connection with the positions and transactions in the account;

(5) Any service charges that the security futures intermediary may impose; or

(6) Any other withdrawals that are permitted from a securities margin account under Regulation T, to the extent permitted under applicable margin rules.

§ 242.406 Undermargined accounts.

(a) *Failure to satisfy margin call.* If any margin call required by this Regulation (§§ 242.400 through 242.406) is not met in full, the security futures intermediary shall take the deduction required with respect to an undermargined account in computing its net

capital under Commission or CFTC rules.

(b) *Accounts that liquidate to a deficit.* If at any time there is a liquidating deficit in an account in which security futures are held, the security futures intermediary shall take steps to liquidate positions in the account promptly and in an orderly manner.

(c) *Liquidation of undermargined accounts not required.* Notwithstanding Section 402(a) of this Regulation (§§ 242.400 through 242.406), section 220.4(d) of Regulation T (12 CFR 220.4(d)) respecting liquidation of positions in lieu of deposit shall not apply with respect to security futures carried in a securities account.

(iii) The election of a national securities exchange or member of a national securities association for any NMS security pursuant to this paragraph (a)(5) shall cease to be in effect if such exchange or member ceases to make available or communicate bids, offers, and quotation sizes in such security.

(b) *Obligations of responsible brokers and dealers.* (1) Each responsible broker or dealer shall promptly communicate to its national securities exchange or national securities association, pursuant to the procedures established by that exchange or association, its best bids, best offers, and quotation sizes for any subject security.

(2) Subject to the provisions of paragraph (b)(3) of this section, each responsible broker or dealer shall be obligated to execute any order to buy or sell a subject security, other than an odd-lot order, presented to it by another broker or dealer, or any other person belonging to a category of persons with whom such responsible broker or dealer customarily deals, at a price at least as favorable to such buyer or seller as the responsible broker's or dealer's published bid or published offer (exclusive of any commission, commission equivalent or differential customarily charged by such responsible broker or dealer in connection with execution of any such order) in any amount up to its published quotation size.

(3)(i) No responsible broker or dealer shall be obligated to execute a transaction for any subject security as provided in paragraph (b)(2) of this section to purchase or sell that subject security in an amount greater than such revised quotation size if:

(ii) No responsible broker or dealer shall be obligated to execute a transaction for any subject security as provided in paragraph (b)(2) of this section if:

(B) At the time the order sought to be executed is presented, such responsible broker or dealer is in the process of effecting a transaction in such subject security, and, immediately after the completion of such transaction, such responsible broker or dealer communicates to its exchange or association pursuant to paragraph (b)(1) of this section, a revised bid or offer; *provided, however*, that such responsible broker or dealer shall nonetheless be obligated to execute any such order in such subject security as provided in paragraph (b)(2) of this section at its revised bid or offer in any amount up to its published quotation size or revised quotation size.

(4) Subject to the provisions of paragraph (a)(4) of this section:

(i) No national securities exchange or OTC market maker may make available, disseminate or otherwise communicate to any vendor, directly or indirectly, for display on a terminal or other display device any bid, offer, quotation size, or aggregate quotation size for any NMS security which is not a subject security with respect to such exchange or OTC market maker; and

(ii) No vendor may disseminate or display on a terminal or other display device any bid, offer, quotation size, or aggregate quotation size from any national securities exchange or OTC market maker for any NMS security which is not a subject security with respect to such exchange or OTC market maker.

(5)(i) Entry of any priced order for an NMS security by an exchange market maker or OTC market maker in that security into an electronic communications network that widely disseminates such order shall be deemed to be:

(A) A bid or offer under this section, to be communicated to the market maker's exchange or association pursuant to this paragraph (b) for at least the minimum quotation size that is required by the rules of the market maker's exchange or association if the priced order is for the account of a market maker, or the actual size of the order up to the minimum quotation size required if the priced order is for the account of a customer; and

(B) A communication of a bid or offer to a vendor for display on a display device for purposes of paragraph (b)(4) of this section.

(ii) An exchange market maker or OTC market maker that has entered a priced order for an NMS security into an electronic communications network that widely disseminates such order shall be deemed to be in compliance with paragraph (b)(5)(i)(A) of this section if the electronic communications network:

(A)(I) Provides to a national securities exchange or national securities association (or an exclusive processor acting on behalf of one or more exchanges or associations) the prices and sizes of the orders at the highest buy price and the lowest sell price for such

security entered in, and widely disseminated by, the electronic communications network by exchange market makers and OTC market makers for the NMS security, and such prices and sizes are included in the quotation data made available by such exchange, association, or exclusive processor to vendors pursuant to this section; and

(2) Provides, to any broker or dealer, the ability to effect a transaction with a priced order widely disseminated by the electronic communications network entered therein by an exchange market maker or OTC market maker that is:

(ii) At the price of the highest priced buy order or lowest priced sell order, or better, for the lesser of the cumulative size of such priced orders entered therein by exchange market makers or OTC market makers at such price, or the size of the execution sought by the broker or dealer, for such security; or

(B) Is an alternative trading system that:

(1) Displays orders and provides the ability to effect transactions with such orders under § 242.301(b)(3); and

(2) Otherwise is in compliance with Regulation ATS (§ 242.300 through § 242.303).

(c) *Transactions in listed options.* (1) A national securities exchange or national securities association:

(i) Shall not be required, under paragraph (a) of this section, to collect from responsible brokers or dealers who are members of such exchange or association, or to make available to vendors, the quotation sizes and aggregate quotation sizes for listed options, if such exchange or association establishes by rule and periodically publishes the quotation size for which such responsible brokers or dealers are obligated to execute an order to buy or sell an options series that is a subject security at its published bid or offer under paragraph (b)(2) of this section;

(ii) May establish by rule and periodically publish a quotation size, which shall not be for less than one contract, for which responsible brokers or dealers who are members of such exchange or association are obligated under paragraph (b)(2) of this section to execute an order to buy or sell a listed option for the account of a broker or dealer that is in an amount different from the quotation size for which it is obligated to execute an order for the account of a customer; and

(iii) May establish and maintain procedures and mechanisms for collecting from responsible brokers and dealers who are members of such exchange or association, and making available to vendors, the quotation sizes and aggregate quotation sizes in listed options for which such responsible broker or dealer will be obligated under paragraph (b)(2) of this section to execute an order from a customer to buy or sell a listed option and establish by rule and periodically publish the size, which shall not be less than one contract, for which such responsible brokers or dealers are obligated to execute an order for the account of a broker or dealer.

(2) If, pursuant to paragraph (c)(1) of this section, the rules of a national securities exchange or national securities association do not require its members to communicate to it their quotation sizes for listed options, a responsible broker or dealer that is a member of such exchange or association shall:

(i) Be relieved of its obligations under paragraph (b)(1) of this section to communicate to such exchange or association its quotation sizes for any listed option; and

(ii) Comply with its obligations under paragraph (b)(2) of this section by executing any order to buy or sell a listed option, in an amount up to the size established by such exchange's or association's rules under paragraph (c)(1) of this section.

- (2) Its published quotation size; and
- (B) Revise its bid or offer.

(4) Notwithstanding paragraph (c)(3) of this section, no responsible broker or dealer shall be obligated to execute a transaction for any listed option as provided in paragraph (b)(2) of this section if:

(ii) The full size of each customer limit order held by the specialist that:

(A) Is priced equal to the bid or offer of such specialist for such security;

(2) Each registered broker or dealer that acts as an OTC market maker shall publish immediately a bid or offer that reflects:

(7) That is an "all or none" order.

(c) *Exemptions.* The Commission may exempt from the provisions of this section, either unconditionally or on specified terms and conditions, any responsible broker or dealer, electronic communications network, national securities exchange, or national securities association if the Commission determines that such exemption is consistent with the public interest, the protection of investors and the removal of impediments to and perfection of the mechanism of a national market system.

§ 242.605 Disclosure of order execution information.

This section requires market centers to make available standardized, monthly reports of statistical information concerning their order executions. This information is presented in accordance with uniform standards that are based on broad assumptions about order execution and routing practices. The information will provide a starting point to promote visibility and competition on the part of market centers and broker-dealers, particularly on the

factors of execution price and speed. The disclosures required by this section do not encompass all of the factors that may be important to investors in evaluating the order routing services of a broker-dealer. In addition, any particular market center's statistics will encompass varying types of orders routed by different broker-dealers on behalf of customers with a wide range of objectives. Accordingly, the statistical information required by this section alone does not create a reliable basis to address whether any particular broker-dealer failed to obtain the most favorable terms reasonably available under the circumstances for customer orders.

(a) *Monthly electronic reports by market centers.* (1) Every market center shall make available for each calendar month, in accordance with the procedures established pursuant to paragraph (a)(2) of this section, a report on the covered orders in NMS stocks that it received for execution from any person. Such report shall be in electronic form; shall be categorized by security, order type, and order size; and shall include the following columns of information:

(i) For market orders, marketable limit orders, inside-the-quote limit orders, at-the-quote limit orders, and near-the-quote limit orders:

(A) The number of covered orders;

(B) The cumulative number of shares of covered orders;

(C) The cumulative number of shares of covered orders cancelled prior to execution;

(D) The cumulative number of shares of covered orders executed at the receiving market center;

(E) The cumulative number of shares of covered orders executed at any other venue;

(F) The cumulative number of shares of covered orders executed from 0 to 9 seconds after the time of order receipt;

(G) The cumulative number of shares of covered orders executed from 10 to 29 seconds after the time of order receipt;

(H) The cumulative number of shares of covered orders executed from 30 seconds to 59 seconds after the time of order receipt;

(I) The cumulative number of shares of covered orders executed from 60 sec-

onds to 299 seconds after the time of order receipt;

(J) The cumulative number of shares of covered orders executed from 5 minutes to 30 minutes after the time of order receipt; and

(K) The average realized spread for executions of covered orders; and

(ii) For market orders and marketable limit orders:

(A) The average effective spread for executions of covered orders;

(B) The cumulative number of shares of covered orders executed with price improvement;

(C) For shares executed with price improvement, the share-weighted average amount per share that prices were improved;

(D) For shares executed with price improvement, the share-weighted average period from the time of order receipt to the time of order execution;

(E) The cumulative number of shares of covered orders executed at the quote;

(F) For shares executed at the quote, the share-weighted average period from the time of order receipt to the time of order execution;

(G) The cumulative number of shares of covered orders executed outside the quote;

(H) For shares executed outside the quote, the share-weighted average amount per share that prices were outside the quote; and

(I) For shares executed outside the quote, the share-weighted average period from the time of order receipt to the time of order execution.

(2) Every national securities exchange on which NMS stocks are traded and each national securities association shall act jointly in establishing procedures for market centers to follow in making available to the public the reports required by paragraph (a)(1) of this section in a uniform, readily accessible, and usable electronic form. In the event there is no effective national market system plan establishing such procedures, market centers shall prepare their reports in a consistent, usable, and machine-readable electronic format, and make such reports available for downloading from an Internet

Web site that is free and readily accessible to the public. Every market center shall keep such reports posted on an internet website that is free and readily accessible to the public for a period of three years from the initial date of posting on the internet website.

(3) A market center shall make available the report required by paragraph (a)(1) of this section within one month after the end of the month addressed in the report.

(b) *Exemptions.* The Commission may, by order upon application, conditionally or unconditionally exempt any person, security, or transaction, or any class or classes of persons, securities, or transactions, from any provision or provisions of this section, if the Commission determines that such exemption is necessary or appropriate in the public interest, and is consistent with the protection of investors.

§ 242.606 Disclosure of order routing information.

(a) *Quarterly report on order routing.*

(1) Every broker or dealer shall make publicly available for each calendar quarter a report on its routing of non-directed orders in NMS stocks that are submitted on a held basis and of non-directed orders that are customer orders in NMS securities that are option contracts during that quarter broken down by calendar month and keep such report posted on an internet website that is free and readily accessible to the public for a period of three years from the initial date of posting on the internet website. Such report shall include a section for NMS stocks—separated by securities that are included in the S&P 500 Index as of the first day of that quarter and other NMS stocks—and a separate section for NMS securities that are option contracts. Such report shall be made available using the most recent versions of the XML schema and the associated PDF renderer as published on the Commission's website for all reports required by this section. Each section in a report shall include the following information:

(i) The percentage of total orders for the section that were non-directed orders, and the percentages of total non-

directed orders for the section that were market orders, marketable limit orders, non-marketable limit orders, and other orders;

(ii) The identity of the ten venues to which the largest number of total non-directed orders for the section were routed for execution and of any venue to which five percent or more of non-directed orders were routed for execution, the percentage of total non-directed orders for the section routed to the venue, and the percentages of total non-directed market orders, total non-directed marketable limit orders, total non-directed non-marketable limit orders, and total non-directed other orders for the section that were routed to the venue;

(iii) For each venue identified pursuant to paragraph (a)(1)(ii) of this section, the net aggregate amount of any payment for order flow received, payment from any profit-sharing relationship received, transaction fees paid, and transaction rebates received, both as a total dollar amount and per share, for each of the following non-directed order types:

- (A) Market orders;
- (B) Marketable limit orders;
- (C) Non-marketable limit orders; and
- (D) Other orders.

(iv) A discussion of the material aspects of the broker's or dealer's relationship with each venue identified pursuant to paragraph (a)(1)(ii) of this section, including a description of any arrangement for payment for order flow and any profit-sharing relationship and a description of any terms of such arrangements, written or oral, that may influence a broker's or dealer's order routing decision including, among other things:

(A) Incentives for equaling or exceeding an agreed upon order flow volume threshold, such as additional payments or a higher rate of payment;

(B) Disincentives for failing to meet an agreed upon minimum order flow threshold, such as lower payments or the requirement to pay a fee;

(C) Volume-based tiered payment schedules; and

(D) Agreements regarding the minimum amount of order flow that the broker-dealer would send to a venue.

(2) A broker or dealer shall make the report required by paragraph (a)(1) of this section publicly available within one month after the end of the quarter addressed in the report.

(i) Orders in NMS stocks that are submitted on a held basis;

(ii) Orders in NMS stocks that are submitted on a not held basis and the broker or dealer is not required to provide the customer a report under paragraph (b)(3) of this section; and

(iii) Orders in NMS securities that are option contracts, the identity of the venue to which the customer's orders were routed for execution in the six months prior to the request, whether the orders were directed orders or non-directed orders, and the time of the transactions, if any, that resulted from such orders. Such disclosure shall be made available using the most recent versions of the XML schema and the associated PDF renderer as published on the Commission's website for all reports required by this section.

(2) A broker or dealer shall notify customers in writing at least annually of the availability on request of the information specified in paragraph (b)(1) of this section.

(3) Except as provided for in paragraphs (b)(4) and (5) of this section, every broker or dealer shall, on request of a customer that places, directly or indirectly, one or more orders in NMS stocks that are submitted on a not held basis with the broker or dealer, disclose to such customer within seven business days of receiving the request, a report on its handling of such orders for that customer for the prior six months by calendar month. Such report shall be made available using the most recent versions of the XML schema and the associated PDF renderer as published on the Commission's website for all reports required by this section. For purposes of such report, the handling of a NMS stock order submitted by a customer to a broker-dealer on a not held basis includes the handling of all child orders derived from that order. Such report shall be divided into two sections: One for directed orders

and one for non-directed orders. Each section of such report shall include, with respect to such order flow sent by the customer to the broker or dealer, the total number of shares sent to the broker or dealer by the customer during the relevant period; the total number of shares executed by the broker or dealer as principal for its own account; the total number of orders exposed by the broker or dealer through an actionable indication of interest; and the venue or venues to which orders were exposed by the broker or dealer through an actionable indication of interest, provided that, where applicable, a broker or dealer must disclose that it exposed a customer's order through an actionable indication of interest to other customers but need not disclose the identity of such customers. Each section of such report also shall include the following columns of information for each venue to which the broker or dealer routed such orders for the customer, in the aggregate:

(4) Except as provided below, no broker or dealer shall be required to provide reports pursuant to paragraph (b)(3) of this section if the percentage of shares of not held orders in NMS stocks the broker or dealer received from its customers over the prior six calendar months was less than five percent of the total shares in NMS stocks the broker or dealer received from its customers during that time (the “five percent threshold” for purposes of this paragraph). A broker or dealer that equals or exceeds this five percent threshold shall be required (subject to paragraph (b)(5) of this section) to provide reports pursuant to paragraph (b)(3) of this section for at least six calendar months (“Compliance Period”) regardless of the percentage of shares of not held orders in NMS stocks the broker or dealer receives from its customers during the Compliance Period. The Compliance Period shall begin the first calendar day of the next calendar month after the broker or dealer equaled or exceeded the five percent threshold, unless it is the first time the broker or dealer has equaled or exceeded the five percent threshold, in which case the Compliance Period shall begin the first calendar day four calendar months later. A broker or dealer shall not be required to provide reports pursuant to paragraph (b)(3) of this section for orders that the broker or dealer did not receive during a Compliance Pe-

If, at any time after the end of a Compliance Period, the percentage of shares of not held orders in NMS stocks the broker or dealer received from its customers was less than five percent of the total shares in NMS stocks the broker or dealer received from its customers over the prior six calendar months, the broker or dealer shall not be required to provide reports pursuant to paragraph (b)(3) of this section, except for orders that the broker or dealer received during the portion of a Compliance Period that remains covered by paragraph (b)(3) of this section.

(5) No broker or dealer shall be subject to the requirements of paragraph (b)(3) of this section with respect to a customer that traded on average each month for the prior six months less than \$1,000,000 of notional value of not held orders in NMS stocks through the broker or dealer.

(c) *Exemptions.* The Commission may, by order upon application, conditionally or unconditionally exempt any person, security, or transaction, or any class or classes of persons, securities, or transactions, from any provision or provisions of this section, if the Commission determines that such exemption is necessary or appropriate in the public interest, and is consistent with the protection of investors.

If the Commission fails to send the notice to the FEDERAL REGISTER for publication thereof within such 90-day period, then the date of publication shall be deemed to be the last day of such 90-day period.

(ii) *Publication of proposed amendments.* The Commission shall send the notice of the filing of a proposed amendment to the FEDERAL REGISTER for publication thereof under this paragraph (b)(1) within 15 days of the business day on which such proposed amendment was posted on a plan website or a website designated by plan participants pursuant to paragraph (a) of this section after being filed with the Commission pursuant to paragraph (a) of this section. If the Commission fails to send the notice to the FEDERAL REGISTER for publication thereof within such 15-day period, then the date of publication shall be deemed to be the business day on which such website posting was made.

(iii) A national market system plan or proposed amendment has not been filed with the Commission for purposes of this paragraph (b)(1) if, not later than 7 business days after the business

as the Commission may deem necessary or appropriate, if it finds that such plan or amendment is necessary or appropriate in the public interest, for the protection of investors and the maintenance of fair and orderly markets, to remove impediments to, and perfect the mechanisms of, a national market system, or otherwise in furtherance of the purposes of the Act. The Commission shall disapprove a national market system plan or proposed amendment if it does not make such a finding. Approval or disapproval of a national market system plan, or an amendment to an effective national market system plan (other than an amendment initiated by the Commission), shall be by order. Promulgation of an amendment to an effective national market system plan initiated by the Commission shall be by rule.

(i) Within 90 days of the date of publication of notice of the filing of a national market system plan or proposed amendment, or within such longer period as to which the plan participants consent, the Commission shall, by order, approve or disapprove the plan or amendment, or institute proceedings to determine whether the plan or amendment should be disapproved. Proceedings to determine whether the plan or amendment should be disapproved will be conducted pursuant to 17 CFR 201.700 and 201.701. Such proceedings shall include notice of the grounds for disapproval under consideration and opportunity for hearing and shall be concluded within 180 days of the date of publication of notice of the plan or amendment. At the conclusion of such proceedings the Commission shall, by order, approve or disapprove the plan or amendment. The time for conclusion of such proceedings may be extended for up to 60 days (up to 240 days from the date of notice publication) if the Commission determines that a longer period is appropriate and publishes the reasons for such determination or the plan participants consent to the longer period.

(ii) The time for conclusion of proceedings to determine whether a national market system plan or proposed amendment should be disapproved may be extended for an additional period up to 60 days beyond the period set forth

in paragraph (b)(2)(i) of this section (up to 300 days from the date of notice publication) if the Commission determines that a longer period is appropriate and publishes the reasons for such determination or the plan participants consent to the longer period.

(3) A proposed amendment may be put into effect upon filing with the Commission if designated by the sponsors as:

(i) [Reserved]

(ii) Concerned solely with the administration of the plan, or involving the governing or constituent documents relating to any person (other than a self-regulatory organization) authorized to implement or administer such plan on behalf of its sponsors; or

(iii) Involving solely technical or ministerial matters. At any time within 60 days of the filing of any such amendment, the Commission may summarily abrogate the amendment and require that such amendment be refiled in accordance with paragraph (a)(1) of this section and reviewed in accordance with paragraph (b)(2) of this section, if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or the maintenance of fair and orderly markets, to remove impediments to, and perfect the mechanisms of, a national market system or otherwise in furtherance of the purposes of the Act.

(4) Notwithstanding the provisions of paragraph (b)(1) of this section, a proposed amendment may be put into effect summarily upon publication of notice of such amendment, on a temporary basis not to exceed 120 days, if the Commission finds that such action is necessary or appropriate in the public interest, for the protection of investors or the maintenance of fair and orderly markets, to remove impediments to, and perfect the mechanisms of, a national market system or otherwise in furtherance of the purposes of the Act.

(5) Any plan (or amendment thereto) in connection with:

(i) The planning, development, operation, or regulation of a national market system (or a subsystem thereof) or one or more facilities thereof; or

(ii) The development and implementation of procedures and/or facilities designed to achieve compliance by self-regulatory organizations and/or their members of any section of this Regulation NMS (§§ 242.600 through 242.612) and part 240, subpart A of this chapter promulgated pursuant to section 11A of the Act (15 U.S.C. 78k-1), approved by the Commission pursuant to section 11A of the Act (or pursuant to any rule or regulation thereunder) prior to the effective date of this section (either temporarily or permanently) shall be deemed to have been filed and approved pursuant to this section and no additional filing need be made by the sponsors with respect to such plan or amendment; *provided, however*, that all terms and conditions associated with any such approval (including time limitations) shall continue to be applicable; *provided, further*, that any amendment to such plan filed with or approved by the Commission on or after the effective date of this section shall be subject to the provisions of, and considered in accordance with the procedures specified in, this section.

(c) *Compliance with terms of national market system plans.* Each self-regulatory organization shall comply with the terms of any effective national market system plan of which it is a sponsor or a participant. (d) *Appeals.* The Commission may, in its discretion, entertain appeals in connection with the implementation or operation of any effective national market system plan as follows:

(1) Any action taken or failure to act by any person in connection with an effective national market system plan (other than a prohibition or limitation of access reviewable by the Commission pursuant to section 11A(b)(5) or section 19(d) of the Act (15 U.S.C. 78k-1(b)(5) or 78s(d))) shall be subject to review by the Commission, on its own motion or upon application by any person aggrieved thereby (including, but not limited to, self-regulatory organizations, brokers, dealers, issuers, and vendors), filed not later than 30 days

after notice of such action or failure to act or within such longer period as the Commission may determine.

(2) Application to the Commission for review, or the institution of review by the Commission on its own motion, shall not operate as a stay of any such action unless the Commission determines otherwise, after notice and opportunity for hearing on the question of a stay (which hearing may consist only of affidavits or oral arguments).

(3) In any proceedings for review, if the Commission, after appropriate notice and opportunity for hearing (which hearing may consist solely of consideration of the record of any proceedings conducted in connection with such action or failure to act and an opportunity for the presentation of reasons supporting or opposing such action or failure to act) and upon consideration of such other data, views, and arguments as it deems relevant, finds that the action or failure to act is in accordance with the applicable provisions of such plan and that the applicable provisions are, and were, applied in a manner consistent with the public interest, the protection of investors, the maintenance of fair and orderly markets, and the removal of impediments to, and the perfection of the mechanisms of, a national market system, the Commission, by order, shall dismiss the proceeding. If the Commission does not make any such finding, or if it finds that such action or failure to act imposes any burden on competition not necessary or appropriate in furtherance of the purposes of the Act, the Commission, by order, shall set aside such action and/or require such action with respect to the matter reviewed as the Commission deems necessary or appropriate in the public interest, for the protection of investors, and the maintenance of fair and orderly markets, or to remove impediments to, and perfect the mechanisms of, a national market system.

(e) *Exemptions.* The Commission may exempt from the provisions of this section, either unconditionally or on specified terms and conditions, any self-regulatory organization, member thereof, or specified security, if the Commission determines that such exemption is consistent with the public interest, the protection of investors,

(2) A trading center shall regularly surveil to ascertain the effectiveness of the policies and procedures required by paragraph (a)(1) of this section and shall take prompt action to remedy deficiencies in such policies and procedures.

(b) *Exceptions.* (1) The transaction that constituted the trade-through was effected when the trading center displaying the protected quotation that was traded through was experiencing a failure, material delay, or malfunction of its systems or equipment.

(2) The transaction that constituted the trade-through was not a "regular way" contract.

(3) The transaction that constituted the trade-through was a single-priced opening, reopening, or closing transaction by the trading center.

higher than a protected offer in the NMS stock.

(5) The transaction that constituted the trade-through was the execution of an order identified as an intermarket sweep order.

(8) The trading center displaying the protected quotation that was traded through had displayed, within one second prior to execution of the transaction that constituted the trade-through, a best bid or best offer, as applicable, for the NMS stock with a price that was equal or inferior to the price of the trade-through transaction.

(9) The transaction that constituted the trade-through was the execution by a trading center of an order for which, at the time of receipt of the order, the trading center had guaranteed an execution at no worse than a specified price (a “stopped order”), where:

(i) The stopped order was for the account of a customer;

(ii) The customer agreed to the specified price on an order-by-order basis; and

(iii) The price of the trade-through transaction was, for a stopped buy order, lower than the national best bid in the NMS stock at the time of execution or, for a stopped sell order, higher than the national best offer in the NMS stock at the time of execution.

of this section, either unconditionally or on specified terms and conditions, any person, security, transaction, quotation, or order, or any class or classes of persons, securities, quotations, or orders, if the Commission determines that such exemption is necessary or appropriate in the public interest, and is consistent with the protection of investors.

(A) May receive directly, pursuant to an effective national market system plan, from a national securities exchange or national securities association information with respect to quotations for and transactions in NMS stocks; and

(B) Generate a consolidated market data product for dissemination to any person unless the person files with the Commission an initial Form CC and the initial Form CC has become effective pursuant to paragraph (a)(1)(v) of this section.

(ii) No later than 30 calendar days after the end of each calendar year to correct information that has become inaccurate or incomplete for any reason and to provide an Annual Report as required under Form CC (each a “Form CC amendment”).

(4) *Date of filing.* For purposes of filings made pursuant to this section:

(i) The term *business day* shall have the same meaning as defined in § 240.19b-4(b)(2) of this chapter.

(10) If the security-based swap arises from the allocation, termination, novation, or assignment of one or more existing security-based swaps, the transaction ID of the allocated, terminated, assigned, or novated security-based swap(s), except in the case of a clearing transaction that results from the netting or compression of other clearing transactions.

(e) *Reporting of life cycle events.* (1)(i) *Generally.* A life cycle event, and any adjustment due to a life cycle event, that results in a change to information previously reported pursuant to paragraph (c), (d), or (i) of this section shall be reported by the reporting side, except that the reporting side shall not report whether or not a security-based swap has been accepted for clearing.

(ii) *Acceptance for clearing.* A registered clearing agency shall report whether or not it has accepted a security-based swap for clearing.

(2) All reports of life cycle events and adjustments due to life cycle events shall, within the timeframe specified in paragraph (j) of this section, be reported to the entity to which the original security-based swap transaction will be reported or has been reported and shall include the transaction ID of the original transaction.

APPENDIX TO 17 CFR 242.901 REPORTS REGARDING THE ESTABLISHMENT OF BLOCK THRESHOLDS AND REPORTING DELAYS FOR REGULATORY REPORTING OF SECURITY-BASED SWAP TRANSACTION DATA

This appendix sets forth guidelines applicable to reports that the Commission has directed its staff to make in connection with the determination of block thresholds and reporting delays for security-based swap transaction data. The Commission intends to use these reports to inform its specification of the criteria for determining what con-

stitutes a large notional security-based swap transaction (block trade) for particular markets and contracts; and the appropriate time delay for reporting large notional security-based swap transactions (block trades) to the public in order to implement regulatory requirements under Section 13 of the Act (15 U.S.C. 78m). In producing these reports, the staff shall consider security-based swap data collected by the Commission pursuant to other Title VII rules, as well as any other applicable information as the staff may determine to be appropriate for its analysis.

(a) *Report topics.* As appropriate, based on the availability of data and information, the reports should address the following topics for each asset class:

(1) *Price impact.* In connection with the Commission's obligation to specify criteria for determining what constitutes a block trade and the appropriate reporting delay for block trades, the report generally should assess the effect of notional amount and observed reporting delay on price impact of trades in the security-based swap market.

(2) *Hedging.* In connection with the Commission's obligation to specify criteria for determining what constitutes a block trade and the appropriate reporting delay for block trades, the report generally should consider potential relationships between observed reporting delays and the incidence and cost of hedging large trades in the security-based swap market, and whether these relationships differ for interdealer trades and dealer to customer trades.

(3) *Price efficiency.* In connection with the Commission's obligation to specify criteria for determining what constitutes a block trade and the appropriate reporting delay for block trades, the report generally should assess the relationship between reporting delays and the speed with which transaction information is impounded into market prices, estimating this relationship for trades of different notional amounts.

(4) *Other topics.* Any other analysis of security-based swap data and information, such as security-based swap market liquidity and price volatility, that the Commission or the staff deem relevant to the specification of:

(i) The criteria for determining what constitutes a large notional security-based swap transaction (block trade) for particular markets and contracts; and

(ii) The appropriate time delay for reporting large notional security-based swap transactions (block trades).

(b) *Timing of reports.* Each report shall be complete no later than two years following the initiation of public dissemination of security-based swap transaction data by the first registered SDR in that asset class.

(c) *Public comment on the report.* Following completion of the report, the report shall be

published in the FEDERAL REGISTER for public comment.

§ 242.902 Public dissemination of transaction reports.

(a) *General.* Except as provided in paragraph (c) of this section, a registered security-based swap data repository shall publicly disseminate a transaction report of a security-based swap, or a life cycle event or adjustment due to a life cycle event, immediately upon receipt of information about the security-based swap, or upon re-opening following a period when the registered security-based swap data repository was closed. The transaction report shall consist of all the information reported pursuant to § 242.901(c), plus any condition flags contemplated by the registered security-based swap data repository's policies and procedures that are required by § 242.907.

(b) [Reserved].

(c) *Non-disseminated information.* A registered security-based swap data repository shall not disseminate:

(1) The identity of any counterparty to a security-based swap;

(2) With respect to a security-based swap that is not cleared at a registered clearing agency and that is reported to the registered security-based swap data repository, any information disclosing the business transactions and market positions of any person;

(3) Any information regarding a security-based swap reported pursuant to § 242.901(i);

(4) Any non-mandatory report;

(5) Any information regarding a security-based swap that is required to be reported pursuant to §§ 242.901 and 242.908(a)(1) but is not required to be publicly disseminated pursuant to § 242.908(a)(2);

(6) Any information regarding a clearing transaction that arises from the acceptance of a security-based swap for clearing by a registered clearing agency or that results from netting other clearing transactions;

(7) Any information regarding the allocation of a security-based swap; or

(8) Any information regarding a security-based swap that has been rejected from clearing or rejected by a prime

broker if the original transaction report has not yet been publicly disseminated.

(d) *Temporary restriction on other market data sources.* No person shall make available to one or more persons (other than a counterparty or a post-trade processor) transaction information relating to a security-based swap before the primary trade information about the security-based swap is sent to a registered security-based swap data repository.

[80 FR 14728, Mar. 19, 2015, as amended at 81 FR 53654, Aug. 12, 2016]

§ 242.903 Coded information.

(a) If an internationally recognized standards-setting system that imposes fees and usage restrictions on persons that obtain UICs for their own usage that are fair and reasonable and not unreasonably discriminatory and that meets the criteria of paragraph (b) of this section is recognized by the Commission and has assigned a UIC to a person, unit of a person, or product (or has endorsed a methodology for assigning transaction IDs), the registered security-based swap data repository shall employ that UIC (or methodology for assigning transaction IDs). If no such system has been recognized by the Commission, or a recognized system has not assigned a UIC to a particular person, unit of a person, or product (or has not endorsed a methodology for assigning transaction IDs), the registered security-based swap data repository shall assign a UIC to that person, unit of person, or product using its own methodology (or endorse a methodology for assigning transaction IDs). If the Commission has recognized such a system that assigns UICs to persons, each participant of a registered security-based swap data repository shall obtain a UIC from or through that system for identifying itself, and each participant that acts as a guarantor of a direct counterparty's performance of any obligation under a security-based swap that is subject to § 242.908(a) shall, if the direct counterparty has not already done so, obtain a UIC for identifying the direct counterparty from or through that system, if that system

§ 242.904

permits third-party registration without a requirement to obtain prior permission of the direct counterparty.

(b) A registered security-based swap data repository may permit information to be reported pursuant to § 242.901, and may publicly disseminate that information pursuant to § 242.902, using codes in place of certain data elements, provided that the information necessary to interpret such codes is widely available to users of the information on a non-fee basis.

§ 242.904 Operating hours of registered security-based swap data repositories.

A registered security-based swap data repository shall have systems in place to continuously receive and disseminate information regarding security-based swaps pursuant to §§ 242.900 through 242.909, subject to the following exceptions:

(a) A registered security-based swap data repository may establish normal closing hours during periods when, in its estimation, the U.S. market and major foreign markets are inactive. A registered security-based swap data repository shall provide reasonable advance notice to participants and to the public of its normal closing hours.

(b) A registered security-based swap data repository may declare, on an *ad hoc* basis, special closing hours to perform system maintenance that cannot wait until normal closing hours. A registered security-based swap data repository shall, to the extent reasonably possible under the circumstances, avoid scheduling special closing hours during periods when, in its estimation, the U.S. market and major foreign markets are most active; and provide reasonable advance notice of its special closing hours to participants and to the public.

(c) During normal closing hours, and to the extent reasonably practicable during special closing hours, a registered security-based swap data repository shall have the capability to receive and hold in queue information regarding security-based swaps that has been reported pursuant to §§ 242.900 through 242.909.

(d) When a registered security-based swap data repository re-opens fol-

17 CFR Ch. II (4–1–22 Edition)

lowing normal closing hours or special closing hours, it shall disseminate transaction reports of security-based swaps held in queue, in accordance with the requirements of § 242.902.

(e) If a registered security-based swap data repository could not receive and hold in queue transaction information that was required to be reported pursuant to §§ 242.900 through 242.909, it must immediately upon re-opening send a message to all participants that it has resumed normal operations. Thereafter, any participant that had an obligation to report information to the registered security-based swap data repository pursuant to §§ 242.900 through 242.909, but could not do so because of the registered security-based swap data repository's inability to receive and hold in queue data, must promptly report the information to the registered security-based swap data repository.

§ 242.905 Correction of errors in security-based swap information.

(a) *Duty to correct.* Any counterparty or other person having a duty to report a security-based swap that discovers an error in information previously reported pursuant to §§ 242.900 through 242.909 shall correct such error in accordance with the following procedures:

(1) If a person that was not the reporting side for a security-based swap transaction discovers an error in the information reported with respect to such security-based swap, that person shall promptly notify the person having the duty to report the security-based swap of the error; and

(2) If the person having the duty to report a security-based swap transaction discovers an error in the information reported with respect to a security-based swap, or receives notification from a counterparty of an error, such person shall promptly submit to the entity to which the security-based swap was originally reported an amended report pertaining to the original transaction report. If the person having the duty to report reported the initial transaction to a registered security-based swap data repository, such person shall submit an amended report to the registered security-based swap data repository in a manner consistent

with the policies and procedures contemplated by § 242.907(a)(3).

(b) *Duty of security-based swap data repository to correct.* A registered security-based swap data repository shall:

(1) Upon discovery of an error or receipt of a notice of an error, verify the accuracy of the terms of the security-based swap and, following such verification, promptly correct the erroneous information regarding such security-based swap contained in its system; and

(2) If such erroneous information relates to a security-based swap that the registered security-based swap data repository previously disseminated and falls into any of the categories of information enumerated in § 242.901(c), publicly disseminate a corrected transaction report of the security-based swap promptly following verification of the trade by the counterparties to the security-based swap, with an indication that the report relates to a previously disseminated transaction.

§ 242.906 Other duties of participants.

(a) *Identifying missing UIC information.* A registered security-based swap data repository shall identify any security-based swap reported to it for which the registered security-based swap data repository does not have the counterparty ID and (if applicable) the broker ID, branch ID, execution agent ID, trading desk ID, and trader ID of each direct counterparty. Once a day, the registered security-based swap data repository shall send a report to each participant of the registered security-based swap data repository or, if applicable, an execution agent, identifying, for each security-based swap to which that participant is a counterparty, the security-based swap(s) for which the registered security-based swap data repository lacks counterparty ID and (if applicable) broker ID, branch ID, execution agent ID, trading desk ID, and trader ID. A participant of a registered security-based swap data repository that receives such a report shall provide the missing information with respect to its side of each security-based swap referenced in the report to the

registered security-based swap data repository within 24 hours.

(b) *Duty to provide ultimate parent and affiliate information.* Each participant of a registered security-based swap data repository that is not a platform, a registered clearing agency, an externally managed investment vehicle, or a registered broker-dealer (including a registered security-based swap execution facility) that becomes a participant solely as a result of making a report to satisfy an obligation under § 242.901(a)(2)(ii)(E)(4) shall provide to the registered security-based swap data repository information sufficient to identify its ultimate parent(s) and any affiliate(s) of the participant that also are participants of the registered security-based swap data repository, using ultimate parent IDs and counterparty IDs. Any such participant shall promptly notify the registered security-based swap data repository of any changes to that information.

(c) *Policies and procedures to support reporting compliance.* Each participant of a registered security-based swap data repository that is a registered security-based swap dealer, registered major security-based swap participant, registered clearing agency, platform, or registered broker-dealer (including a registered security-based swap execution facility) that becomes a participant solely as a result of making a report to satisfy an obligation under § 242.901(a)(2)(ii)(E)(4) shall establish, maintain, and enforce written policies and procedures that are reasonably designed to ensure that it complies with any obligations to report information to a registered security-based swap data repository in a manner consistent with §§ 242.900 through 242.909. Each such participant shall review and update its policies and procedures at least annually.

[81 FR 53654, Aug. 12, 2016]

§ 242.907 Policies and procedures of registered security-based swap data repositories.

(a) *General policies and procedures.* With respect to the receipt, reporting, and dissemination of data pursuant to §§ 242.900 through 242.909, a registered security-based swap data repository

§ 242.908

17 CFR Ch. II (4–1–22 Edition)

shall establish and maintain written policies and procedures:

(1) That enumerate the specific data elements of a security-based swap that must be reported, which shall include, at a minimum, the data elements specified in § 242.901(c) and (d);

(2) That specify one or more acceptable data formats (each of which must be an open-source structured data format that is widely used by participants), connectivity requirements, and other protocols for submitting information;

(3) For specifying procedures for reporting life cycle events and corrections to previously submitted information, making corresponding updates or corrections to transaction records, and applying an appropriate flag to the transaction report to indicate that the report is an error correction required to be disseminated by § 242.905(b)(2), or is a life cycle event, or any adjustment due to a life cycle event, required to be disseminated by § 242.902(a);

(4) For:

(i) Identifying characteristic(s) of a security-based swap, or circumstances associated with the execution or reporting of the security-based swap, that could, in the fair and reasonable estimation of the registered security-based swap data repository, cause a person without knowledge of these characteristic(s) or circumstance(s), to receive a distorted view of the market;

(ii) Establishing flags to denote such characteristic(s) or circumstance(s);

(iii) Directing participants that report security-based swaps to apply such flags, as appropriate, in their reports to the registered security-based swap data repository; and

(iv) Applying such flags:

(A) To disseminated reports to help to prevent a distorted view of the market; or

(B) In the case of a transaction referenced in § 242.902(c), to suppress the report from public dissemination entirely, as appropriate;

(5) For assigning UICs in a manner consistent with § 242.903; and

(6) For periodically obtaining from each participant other than a platform, registered clearing agency, externally managed investment vehicle, or registered broker-dealer (including a reg-

istered security-based swap execution facility) that becomes a participant solely as a result of making a report to satisfy an obligation under § 242.901(a)(2)(ii)(E)(4) information that identifies the participant's ultimate parent(s) and any participant(s) with which the participant is affiliated, using ultimate parent IDs and counterparty IDs.

(b) [Reserved].

(c) *Public availability of policies and procedures.* A registered security-based swap data repository shall make the policies and procedures required by §§ 242.900 through 242.909 publicly available on its Web site.

(d) *Updating of policies and procedures.* A registered security-based swap data repository shall review, and update as necessary, the policies and procedures required by §§ 242.900 through 242.909 at least annually. Such policies and procedures shall indicate the date on which they were last reviewed.

(e) A registered security-based swap data repository shall provide to the Commission, upon request, information or reports related to the timeliness, accuracy, and completeness of data reported to it pursuant to §§ 242.900 through 242.909 and the registered security-based swap data repository's policies and procedures thereunder.

§ 242.908 Cross-border matters.

(a) *Application of Regulation SBSR to cross-border transactions.* (1) A security-based swap shall be subject to regulatory reporting and public dissemination if:

(i) There is a direct or indirect counterparty that is a U.S. person on either or both sides of the transaction;

(ii) The security-based swap is accepted for clearing by a clearing agency having its principal place of business in the United States;

(iii) The security-based swap is executed on a platform having its principal place of business in the United States;

(iv) The security-based swap is effected by or through a registered broker-dealer (including a registered security-based swap execution facility); or

(v) The transaction is connected with a non-U.S. person's security-based swap dealing activity and is arranged, negotiated, or executed by personnel of such non-U.S. person located in a U.S. branch or office, or by personnel of an agent of such non-U.S. person located in a U.S. branch or office.

(2) A security-based swap that is not included within paragraph (a)(1) of this section shall be subject to regulatory reporting but not public dissemination if there is a direct or indirect counterparty on either or both sides of the transaction that is a registered security-based swap dealer or a registered major security-based swap participant.

(b) *Limitation on obligations.* Notwithstanding any other provision of §§ 242.900 through 242.909, a person shall not incur any obligation under §§ 242.900 through 242.909 unless it is:

(1) A U.S. person;

(2) A registered security-based swap dealer or registered major security-based swap participant;

(3) A platform;

(4) A registered clearing agency; or

(5) A non-U.S. person that, in connection with such person's security-based swap dealing activity, arranged, negotiated, or executed the security-based swap using its personnel located in a U.S. branch or office, or using personnel of an agent located in a U.S. branch or office.

(c) *Substituted compliance*—(1) *General.* Compliance with the regulatory reporting and public dissemination requirements in sections 13(m) and 13A of the Act (15 U.S.C. 78m(m) and 78m-1), and the rules and regulations thereunder, may be satisfied by compliance with the rules of a foreign jurisdiction that is the subject of a Commission order described in paragraph (c)(2) of this section, provided that at least one of the direct counterparties to the security-based swap is either a non-U.S. person or a foreign branch.

(2) *Procedure.* (i) The Commission may, conditionally or unconditionally, by order, make a substituted compliance determination regarding regulatory reporting and public dissemination of security-based swaps with respect to a foreign jurisdiction if that jurisdiction's requirements for the reg-

ulatory reporting and public dissemination of security-based swaps are comparable to otherwise applicable requirements. The Commission may, conditionally or unconditionally, by order, make a substituted compliance determination regarding regulatory reporting of security-based swaps that are subject to § 242.908(a)(2) with respect to a foreign jurisdiction if that jurisdiction's requirements for the regulatory reporting of security-based swaps are comparable to otherwise applicable requirements.

(ii) A party that potentially would comply with requirements under §§ 242.900 through 242.909 pursuant to a substituted compliance order or any foreign financial regulatory authority or authorities supervising such a person's security-based swap activities may file an application, pursuant to the procedures set forth in § 240.0-13 of this chapter, requesting that the Commission make a substituted compliance determination regarding regulatory reporting and public dissemination with respect to a foreign jurisdiction the rules of which also would require reporting and public dissemination of those security-based swaps.

(iii) In making such a substituted compliance determination, the Commission shall take into account such factors as the Commission determines are appropriate, such as the scope and objectives of the relevant foreign regulatory requirements, as well as the effectiveness of the supervisory compliance program administered, and the enforcement authority exercised, by the foreign financial regulatory authority to support oversight of its regulatory reporting and public dissemination system for security-based swaps. The Commission shall not make such a substituted compliance determination unless it finds that:

(A) The data elements that are required to be reported pursuant to the rules of the foreign jurisdiction are comparable to those required to be reported pursuant to § 242.901;

(B) The rules of the foreign jurisdiction require the security-based swap to be reported and publicly disseminated in a manner and a timeframe comparable to those required by §§ 242.900

§ 242.909

through 242.909 (or, in the case of transactions that are subject to § 242.908(a)(2) but not to § 242.908(a)(1), the rules of the foreign jurisdiction require the security-based swap to be reported in a manner and a timeframe comparable to those required by §§ 242.900 through 242.909);

(C) The Commission has direct electronic access to the security-based swap data held by a trade repository or foreign regulatory authority to which security-based swaps are reported pursuant to the rules of that foreign jurisdiction; and

(D) Any trade repository or foreign regulatory authority in the foreign jurisdiction that receives and maintains required transaction reports of security-based swaps pursuant to the laws of that foreign jurisdiction is subject to requirements regarding data collection and maintenance; systems capacity, integrity, resiliency, availability, and security; and recordkeeping that are comparable to the requirements imposed on security-based swap data repositories by the Commission's rules and regulations.

(iv) Before issuing a substituted compliance order pursuant to this section, the Commission shall have entered into memoranda of understanding and/or other arrangements with the relevant foreign financial regulatory authority or authorities under such foreign financial regulatory system addressing supervisory and enforcement cooperation and other matters arising under the substituted compliance determination.

(v) The Commission may, on its own initiative, modify or withdraw such order at any time, after appropriate notice and opportunity for comment.

§ 242.1001 Obligations related to policies and procedures of SCI entities.

(a) *Capacity, integrity, resiliency, availability, and security.* (1) Each SCI entity shall establish, maintain, and enforce written policies and procedures reasonably designed to ensure that its SCI systems and, for purposes of security standards, indirect SCI systems, have levels of capacity, integrity, resiliency, availability, and security, adequate to maintain the SCI entity's operational capability and promote the maintenance of fair and orderly markets.

(2) Policies and procedures required by paragraph (a)(1) of this section shall include, at a minimum:

(i) The establishment of reasonable current and future technological infrastructure capacity planning estimates;

(iv) Regular reviews and testing, as applicable, of such systems, including backup systems, to identify vulnerabilities pertaining to internal and external threats, physical hazards, and natural or manmade disasters;

(v) Business continuity and disaster recovery plans that include maintain-

ing backup and recovery capabilities sufficiently resilient and geographically diverse and that are reasonably designed to achieve next business day resumption of trading and two-hour resumption of critical SCI systems following a wide-scale disruption;

(vi) Standards that result in such systems being designed, developed, tested, maintained, operated, and surveilled in a manner that facilitates the successful collection, processing, and dissemination of market data; and

(vii) Monitoring of such systems to identify potential SCI events.

(3) Each SCI entity shall periodically review the effectiveness of the policies and procedures required by this paragraph (a), and take prompt action to remedy deficiencies in such policies and procedures.

(4) For purposes of this paragraph (a), such policies and procedures shall be deemed to be reasonably designed if they are consistent with current SCI industry standards, which shall be comprised of information technology practices that are widely available to information technology professionals in the financial sector and issued by an authoritative body that is a U.S. governmental entity or agency, association of U.S. governmental entities or agencies, or widely recognized organization. Compliance with such current SCI industry standards, however, shall not be the exclusive means to comply with the requirements of this paragraph (a).

(b) *Systems compliance.* (1) Each SCI entity shall establish, maintain, and enforce written policies and procedures reasonably designed to ensure that its SCI systems operate in a manner that complies with the Act and the rules and regulations thereunder and the entity's rules and governing documents, as applicable.

(i) Testing of all SCI systems and any changes to SCI systems prior to implementation;

(ii) A system of internal controls over changes to SCI systems;

(3) Each SCI entity shall periodically review the effectiveness of the policies and procedures required by this paragraph (b), and take prompt action to remedy deficiencies in such policies and procedures.

(4) Safe harbor from liability for individuals. Personnel of an SCI entity shall be deemed not to have aided, abetted, counseled, commanded, caused, induced, or procured the violation by an SCI entity of this paragraph (b) if the person:

(i) Has reasonably discharged the duties and obligations incumbent upon such person by the SCI entity's policies and procedures; and

(ii) Was without reasonable cause to believe that the policies and procedures relating to an SCI system for which such person was responsible, or had supervisory responsibility, were not established, maintained, or enforced in accordance with this paragraph (b) in any material respect.

(c) *Responsible SCI personnel.* (1) Each SCI entity shall establish, maintain, and enforce reasonably designed written policies and procedures that include the criteria for identifying responsible SCI personnel, the designation and documentation of responsible SCI personnel, and escalation procedures to quickly inform responsible SCI personnel of potential SCI events.

(2) Each SCI entity shall periodically review the effectiveness of the policies and procedures required by paragraph (c)(1) of this section, and take prompt action to remedy deficiencies in such policies and procedures.

§ 242.1002 Obligations related to SCI events.

(a) *Corrective action.* Upon any responsible SCI personnel having a reasonable

basis to conclude that an SCI event has occurred, each SCI entity shall begin to take appropriate corrective action which shall include, at a minimum, mitigating potential harm to investors and market integrity resulting from the SCI event and devoting adequate resources to remedy the SCI event as soon as reasonably practicable.

(b) *Commission notification and record-keeping of SCI events.* Each SCI entity shall:

(1) Upon any responsible SCI personnel having a reasonable basis to conclude that an SCI event has occurred, notify the Commission of such SCI event immediately;

(i) A description of the SCI event, including the system(s) affected; and

(3) Until such time as the SCI event is resolved and the SCI entity's investigation of the SCI event is closed, provide updates pertaining to such SCI event to the Commission on a regular basis, or at such frequency as reasonably requested by a representative of the Commission, to correct any materially incorrect information previously provided, or when new material information is discovered, including but not limited to, any of the information listed in paragraph (b)(2)(ii) of this section;

(4)(i)(A) If an SCI event is resolved and the SCI entity's investigation of

the SCI event is closed within 30 calendar days of the occurrence of the SCI event, then within five business days after the resolution of the SCI event and closure of the investigation regarding the SCI event, submit a final written notification pertaining to such SCI event to the Commission containing the information required in paragraph (b)(4)(ii) of this section.

(B)(I) If an SCI event is not resolved or the SCI entity's investigation of the SCI event is not closed within 30 calendar days of the occurrence of the SCI event, then submit an interim written notification pertaining to such SCI event to the Commission within 30 calendar days after the occurrence of the SCI event containing the information required in paragraph (b)(4)(ii) of this section, to the extent known at the time.

(2) Within five business days after the resolution of such SCI event and closure of the investigation regarding such SCI event, submit a final written notification pertaining to such SCI event to the Commission containing the information required in paragraph (b)(4)(ii) of this section.

(ii) Written notifications required by paragraph (b)(4)(i) of this section shall include:

(A) A detailed description of: The SCI entity's assessment of the types and number of market participants affected by the SCI event; the SCI entity's assessment of the impact of the SCI event on the market; the steps the SCI entity has taken, is taking, or plans to take, with respect to the SCI event; the time the SCI event was resolved; the SCI entity's rule(s) and/or governing document(s), as applicable, that relate to the SCI event; and any other pertinent information known by the SCI entity about the SCI event;

(B) A copy of any information disseminated pursuant to paragraph (c) of this section by the SCI entity to date regarding the SCI event to any of its members or participants; and

(C) An analysis of parties that may have experienced a loss, whether monetary or otherwise, due to the SCI event, the number of such parties, and an estimate of the aggregate amount of such loss.

(5) The requirements of paragraphs (b)(1) through (4) of this section shall not apply to any SCI event that has had, or the SCI entity reasonably estimates would have, no or a de minimis impact on the SCI entity's operations or on market participants. For such events, each SCI entity shall:

(i) Make, keep, and preserve records relating to all such SCI events; and

(ii) Submit to the Commission a report, within 30 calendar days after the end of each calendar quarter, containing a summary description of such systems disruptions and systems intrusions, including the SCI systems and, for systems intrusions, indirect SCI systems, affected by such systems disruptions and systems intrusions during the applicable calendar quarter.

(i) Promptly after any responsible SCI personnel has a reasonable basis to conclude that an SCI event that is a systems disruption or systems compliance issue has occurred, disseminate the following information about such SCI event:

(A) The system(s) affected by the SCI event; and

(C) A description of the progress of its corrective action for the SCI event and when the SCI event has been or is expected to be resolved; and

(iii) Until resolved, provide regular updates of any information required to be disseminated under paragraphs (c)(1)(i) and (ii) of this section.

(2) Each SCI entity shall, promptly after any responsible SCI personnel has a reasonable basis to conclude that a SCI event that is a systems intrusion has occurred, disseminate a summary description of the systems intrusion, including a description of the corrective action taken by the SCI entity and when the systems intrusion has been or

is expected to be resolved, unless the SCI entity determines that dissemination of such information would likely compromise the security of the SCI entity's SCI systems or indirect SCI systems, or an investigation of the systems intrusion, and documents the reasons for such determination.

(3) The information required to be disseminated under paragraphs (c)(1) and (2) of this section promptly after any responsible SCI personnel has a reasonable basis to conclude that an SCI event has occurred, shall be promptly disseminated by the SCI entity to those members or participants of the SCI entity that any responsible SCI personnel has reasonably estimated may have been affected by the SCI event, and promptly disseminated to any additional members or participants that any responsible SCI personnel subsequently reasonably estimates may have been affected by the SCI event; *provided, however*, that for major SCI events, the information required to be disseminated under paragraphs (c)(1) and (2) of this section shall be promptly disseminated by the SCI entity to all of its members or participants.

(4) The requirements of paragraphs (c)(1) through (3) of this section shall not apply to:

(i) SCI events to the extent they relate to market regulation or market surveillance systems; or

(ii) Any SCI event that has had, or the SCI entity reasonably estimates would have, no or a de minimis impact on the SCI entity's operations or on market participants.

(b) *SCI review.* Each SCI entity shall:

(1) Conduct an SCI review of the SCI entity's compliance with Regulation SCI not less than once each calendar year; *provided, however*, that:

(ii) Assessments of SCI systems directly supporting market regulation or market surveillance shall be conducted at a frequency based upon the risk assessment conducted as part of the SCI review, but in no case less than once every three years; and

(2) Submit a report of the SCI review required by paragraph (b)(1) of this section to senior management of the SCI entity for review no more than 30 calendar days after completion of such SCI review; and

(3) Submit to the Commission, and to the board of directors of the SCI entity or the equivalent of such board, a report of the SCI review required by paragraph (b)(1) of this section, together with any response by senior management, within 60 calendar days after its submission to senior management of the SCI entity.

With respect to an SCI entity's business continuity and disaster recovery plans, including its backup systems, each SCI entity shall:

§ 242.1005

(b) Designate members or participants pursuant to the standards established in paragraph (a) of this section and require participation by such designated members or participants in scheduled functional and performance testing of the operation of such plans, in the manner and frequency specified by the SCI entity, provided that such frequency shall not be less than once every 12 months; and

(c) Coordinate the testing of such plans on an industry- or sector-wide basis with other SCI entities.

(b) An SCI entity that is not an SCI SRO shall:

(1) Make, keep, and preserve at least one copy of all documents, including correspondence, memoranda, papers, books, notices, accounts, and other such records, relating to its compliance with Regulation SCI, including, but not limited to, records relating to any changes to its SCI systems and indirect SCI systems;

(2) Keep all such documents for a period of not less than five years, the first two years in a place that is readily accessible to the Commission or its representatives for inspection and examination; and

(3) Upon request of any representative of the Commission, promptly furnish to the possession of such representative copies of any documents required to be kept and preserved by it pursuant to paragraphs (b)(1) and (2) of this section.

§ 242.1007 Requirements for service bureaus.

If records required to be filed or kept by an SCI entity under Regulation SCI are prepared or maintained by a service bureau or other recordkeeping service on behalf of the SCI entity, the SCI entity shall ensure that the records are available for review by the Commission and its representatives by submitting a written undertaking, in a form acceptable to the Commission, by such service bureau or other recordkeeping service, signed by a duly authorized person at such service bureau or other recordkeeping service. Such a written undertaking shall include an agreement by the service bureau to permit the Commission and its representatives to examine such records at any time or from time to time during business hours, and to promptly furnish to the Commission and its representatives true, correct, and current electronic files in a form acceptable to the Commission or its representatives or hard copies of any or all or any part of such records, upon request, periodically, or continuously and, in any case, within the same time periods as would apply to the SCI

§ 243.101 Definitions.

This section defines certain terms as used in Regulation FD (§§ 243.100–243.103).

(a) *Intentional*. A selective disclosure of material nonpublic information is “intentional” when the person making the disclosure either knows, or is reckless in not knowing, that the information he or she is communicating is both material and nonpublic.

(b) *Issuer*. An “issuer” subject to this regulation is one that has a class of securities registered under Section 12 of the Securities Exchange Act of 1934 (15 U.S.C. 78l), or is required to file reports under Section 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78o(d)), including any closed-end investment company (as defined in Section 5(a)(2) of the Investment Company Act of 1940) (15 U.S.C. 80a–5(a)(2)), but not including any other investment company or any foreign government or foreign private issuer, as those terms are defined in Rule 405 under the Securities Act (§ 230.405 of this chapter).

(c) *Person acting on behalf of an issuer*. “Person acting on behalf of an issuer” means any senior official of the issuer (or, in the case of a closed-end investment company, a senior official of the issuer's investment adviser), or any other officer, employee, or agent of an issuer who regularly communicates with any person described in § 243.100(b)(1)(i), (ii), or (iii), or with holders of the issuer's securities. An officer, director, employee, or agent of an issuer who discloses material nonpublic information in breach of a duty of trust or confidence to the issuer shall not be considered to be acting on behalf of the issuer.

(d) *Promptly*. “Promptly” means as soon as reasonably practicable (but in no event after the later of 24 hours or the commencement of the next day's trading on the New York Stock Exchange) after a senior official of the issuer (or, in the case of a closed-end investment company, a senior official of the issuer's investment adviser) learns that there has been a non-intentional disclosure by the issuer or person acting on behalf of the issuer of information that the senior official knows, or is reckless in not knowing, is both material and nonpublic.

(e) *Public disclosure*. (1) Except as provided in paragraph (e)(2) of this section, an issuer shall make the “public disclosure” of information required by § 243.100(a) by furnishing to or filing with the Commission a Form 8-K (17 CFR 249.308) disclosing that information.

(2) An issuer shall be exempt from the requirement to furnish or file a Form 8-K if it instead disseminates the information through another method (or combination of methods) of disclosure that is reasonably designed to provide broad, non-exclusionary distribution of the information to the public.

(f) *Senior official*. “Senior official” means any director, executive officer (as defined in § 240.3b–7 of this chapter), investor relations or public relations officer, or other person with similar functions.

(g) *Securities offering*. For purposes of § 243.100(b)(2)(iv):

Securities and Exchange Commission

§ 244.100

(1) *Underwritten offerings.* A securities offering that is underwritten commences when the issuer reaches an understanding with the broker-dealer that is to act as managing underwriter and continues until the later of the end of the period during which a dealer must deliver a prospectus or the sale of the securities (unless the offering is sooner terminated);

(2) *Non-underwritten offerings.* A securities offering that is not underwritten:

(i) If covered by Rule 415(a)(1)(x) (§ 230.415(a)(1)(x) of this chapter), commences when the issuer makes its first bona fide offer in a takedown of securities and continues until the later of the end of the period during which each dealer must deliver a prospectus or the sale of the securities in that takedown (unless the takedown is sooner terminated);

(ii) If a business combination as defined in Rule 165(f)(1) (§ 230.165(f)(1) of this chapter), commences when the first public announcement of the transaction is made and continues until the completion of the vote or the expiration of the tender offer, as applicable (unless the transaction is sooner terminated);

(iii) If an offering other than those specified in paragraphs (a) and (b) of this section, commences when the issuer files a registration statement and continues until the later of the end of the period during which each dealer must deliver a prospectus or the sale of the securities (unless the offering is sooner terminated).

§ 243.102 No effect on antifraud liability.

No failure to make a public disclosure required solely by § 243.100 shall be deemed to be a violation of Rule 10b-5 (17 CFR 240.10b-5) under the Securities Exchange Act.

§ 243.103 No effect on Exchange Act reporting status.

A failure to make a public disclosure required solely by § 243.100 shall not affect whether:

(a) For purposes of Forms S-3 (17 CFR 239.13), S-8 (17 CFR 239.16b) and SF-3 (17 CFR 239.45) under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*), or Form N-2 (17 CFR 239.14 and 274.11a-1)

under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) and the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*), an issuer is deemed to have filed all the material required to be filed pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m or 78o(d)) or where applicable, has made those filings in a timely manner; or

(b) There is adequate current public information about the issuer for purposes of § 230.144(c) of this chapter (Rule 144(c)).

[68 FR 4355, Jan. 28, 2003, as amended at 71 FR 53263, Sept. 8, 2006]

§ 245.101 Prohibition of insider trading during pension fund blackout periods.

(a) Except to the extent otherwise provided in paragraph (c) of this section, it is unlawful under section 306(a)(1) of the Sarbanes-Oxley Act of 2002 (15 U.S.C. 7244(a)(1)) for any director or executive officer of an issuer of any equity security (other than an exempt security), directly or indirectly, to purchase, sell or otherwise acquire or transfer any equity security of the issuer (other than an exempt security) during any blackout period with respect to such equity security, if such director or executive officer acquires or previously acquired such equity security in connection with his or her service or employment as a director or executive officer.

(b) For purposes of section 306(a)(1) of the Sarbanes-Oxley Act of 2002, any sale or other transfer of an equity security of the issuer during a blackout period will be treated as a transaction involving an equity security "acquired in connection with service or employment as a director or executive officer" (as defined in § 245.100(a)) to the extent that the director or executive officer has a pecuniary interest (as defined in § 245.100(l)) in such equity security, unless the director or executive officer establishes by specific identification of securities that the transaction did not involve an equity security "acquired in connection with service or employment as a director or executive officer." To establish that the equity security was not so acquired, a director or executive officer must identify the source of the equity securities and demonstrate that he or she has utilized the same specific identification for any purpose related to the transaction (such as tax reporting and any applicable disclosure and reporting requirements).

(c) The following transactions are exempt from section 306(a)(1) of the Sarbanes-Oxley Act of 2002:

(1) Any acquisition of equity securities resulting from the reinvestment of dividends in, or interest on, equity securities of the same issuer if the acquisition is made pursuant to a plan providing for the regular reinvestment of dividends or interest and the plan provides for broad-based participation,

does not discriminate in favor of employees of the issuer and operates on substantially the same terms for all plan participants;

(2) Any purchase or sale of equity securities of the issuer pursuant to a contract, instruction or written plan entered into by the director or executive officer that satisfies the affirmative defense conditions of § 240.10b5-1(c) of this chapter; provided that the director or executive officer did not enter into or modify the contract, instruction or written plan during the blackout period (as defined in § 245.100(b)) in question, or while aware of the actual or approximate beginning or ending dates of that blackout period (whether or not the director or executive officer received notice of the blackout period as required by Section 306(a)(6) of the Sarbanes-Oxley Act of 2002 (15 U.S.C. 7244(a)(6)));

(3) Any purchase or sale of equity securities, other than a Discretionary Transaction (as defined in § 240.16b-3(b)(1) of this chapter), pursuant to a Qualified Plan (as defined in § 240.16b-3(b)(4) of this chapter), an Excess Benefit Plan (as defined in § 240.16b-3(b)(2) of this chapter) or a Stock Purchase Plan (as defined in § 240.16b-3(b)(5) of this chapter) (or, in the case of a foreign private issuer, pursuant to an employee benefit plan that either (i) has been approved by the taxing authority of a foreign jurisdiction, or (ii) is eligible for preferential treatment under the tax laws of a foreign jurisdiction because the plan provides for broad-based employee participation); provided that a Discretionary Transaction that meets the conditions of paragraph (c)(2) of this section also shall be exempt;

(4) Any grant or award of an option, stock appreciation right or other equity compensation pursuant to a plan that, by its terms:

- (i) Permits directors or executive officers to receive grants or awards; and
- (ii) Either:

(A) States the amount and price of securities to be awarded to designated directors and executive officers or categories of directors and executive officers (though not necessarily to others who may participate in the plan) and

specifies the timing of awards to directors and executive officers; or

(B) Sets forth a formula that determines the amount, price and timing, using objective criteria (such as earnings of the issuer, value of the securities, years of service, job classification, and compensation levels);

(5) Any exercise, conversion or termination of a derivative security that the director or executive officer did not write or acquire during the blackout period (as defined in § 245.100(b)) in question, or while aware of the actual or approximate beginning or ending dates of that blackout period (whether or not the director or executive officer received notice of the blackout period as required by Section 306(a)(6) of the Sarbanes-Oxley Act of 2002); and either:

(i) The derivative security, by its terms, may be exercised, converted or terminated only on a fixed date, with no discretionary provision for earlier exercise, conversion or termination; or

(ii) The derivative security is exercised, converted or terminated by a counterparty and the director or executive officer does not exercise any influence on the counterparty with respect to whether or when to exercise, convert or terminate the derivative security;

(6) Any acquisition or disposition of equity securities involving a bona fide gift or a transfer by will or the laws of descent and distribution;

(7) Any acquisition or disposition of equity securities pursuant to a domestic relations order, as defined in the Internal Revenue Code or Title I of the Employment Retirement Income Security Act of 1974, or the rules thereunder;

(8) Any sale or other disposition of equity securities compelled by the laws or other requirements of an applicable jurisdiction;

(9) Any acquisition or disposition of equity securities in connection with a merger, acquisition, divestiture or similar transaction occurring by operation of law;

(10) The increase or decrease in the number of equity securities held as a result of a stock split or stock dividend applying equally to all securities of that class, including a stock dividend in which equity securities of a different

issuer are distributed; and the acquisition of rights, such as shareholder or pre-emptive rights, pursuant to a pro rata grant to all holders of the same class of equity securities; and

(11) Any acquisition or disposition of an asset-backed security, as defined in § 229.1101 of this chapter.

[70 FR 1623, Jan. 7, 2005]

§ 245.102 Exceptions to definition of blackout period.

The term “blackout period,” as defined in § 245.100(b), does not include:

(a) A regularly scheduled period in which participants and beneficiaries may not purchase, sell or otherwise acquire or transfer an interest in any equity security of an issuer, if a description of such period, including its frequency and duration and the plan transactions to be suspended or otherwise affected, is:

(1) Incorporated into the individual account plan or included in the documents or instruments under which the plan operates; and

(2) Disclosed to an employee before he or she formally enrolls, or within 30 days following formal enrollment, as a participant under the individual account plan or within 30 days after the adoption of an amendment to the plan. For purposes of this paragraph (a)(2), the disclosure may be provided in any graphic form that is reasonably accessible to the employee; or

(b) Any trading suspension described in § 245.100(b) that is imposed in connection with a corporate merger, acquisition, divestiture or similar transaction involving the plan or plan sponsor, the principal purpose of which is to permit persons affiliated with the acquired or divested entity to become participants or beneficiaries, or to cease to be participants or beneficiaries, in an individual account plan; provided that the persons who become participants or beneficiaries in an individual account plan are not able to participate in the same class of equity securities after the merger, acquisition, divestiture or similar transaction as before the transaction.

§ 245.103 Issuer right of recovery; right of action by equity security owner.

(a) *Recovery of profits.* Section 306(a)(2) of the Sarbanes-Oxley Act of 2002 (15 U.S.C. 7244(a)(2)) provides that any profit realized by a director or executive officer from any purchase, sale or other acquisition or transfer of any equity security of an issuer in violation of section 306(a)(1) of that Act (15 U.S.C. 7244(a)(1)) will inure to and be recoverable by the issuer, regardless of any intention on the part of the director or executive officer in entering into the transaction.

(b) *Actions to recover profit.* Section 306(a)(2) of the Sarbanes-Oxley Act of 2002 provides that an action to recover profit may be instituted at law or in equity in any court of competent jurisdiction by the issuer, or by the owner of any equity security of the issuer in the name and on behalf of the issuer if the issuer fails or refuses to bring such action within 60 days after the date of request, or fails diligently to prosecute the action thereafter, except that no such suit may be brought more than two years after the date on which such profit was realized.

(c) *Measurement of profit.* (1) In determining the profit recoverable in an action undertaken pursuant to section 306(a)(2) of the Sarbanes-Oxley Act of 2002 from a transaction that involves a purchase, sale or other acquisition or transfer (other than a grant, exercise, conversion or termination of a derivative security) in violation of section 306(a)(1) of that Act of an equity security of an issuer that is registered pursuant to section 12(b) or 12(g) of the Exchange Act (15 U.S.C. 78l(b) or (g)) and listed on a national securities exchange or listed in an automated inter-dealer quotation system of a national securities association, profit (including any loss avoided) may be measured by comparing the difference between the amount paid or received for the equity security on the date of the transaction during the blackout period and the average market price of the equity security calculated over the first three trading days after the ending date of the blackout period.

(2) In determining the profit recoverable in an action undertaken pursuant

§ 245.104

17 CFR Ch. II (4–1–22 Edition)

to section 306(a)(2) of the Sarbanes-Oxley Act of 2002 from a transaction that is not described in paragraph (c)(1) of this section, profit (including any loss avoided) may be measured in a manner that is consistent with the objective of identifying the amount of any gain realized or loss avoided by a director or executive officer as a result of a transaction taking place in violation of section 306(a)(1) of that Act during the blackout period as opposed to taking place outside of such blackout period.

(3) The terms of this section do not limit in any respect the authority of the Commission to seek or determine remedies as the result of a transaction taking place in violation of section 306(a)(1) of the Sarbanes-Oxley Act.

§ 245.104 Notice.

(a) In any case in which a director or executive officer is subject to section 306(a)(1) of the Sarbanes-Oxley Act of 2002 (15 U.S.C. 7244(a)(1)) in connection with a blackout period (as defined in § 245.100(b)) with respect to any equity security, the issuer of the equity security must timely notify each director or officer and the Commission of the blackout period.

(b) For purposes of this section:

(1) The notice must include:

(i) The reason or reasons for the blackout period;

(ii) A description of the plan transactions to be suspended during, or otherwise affected by, the blackout period;

(iii) A description of the class of equity securities subject to the blackout period;

(iv) The length of the blackout period by reference to:

(A) The actual or expected beginning date and ending date of the blackout period; or

(B) The calendar week during which the blackout period is expected to begin and the calendar week during which the blackout period is expected to end, provided that the notice to directors and executive officers describes how, during such week or weeks, a director or executive officer may obtain, without charge, information as to whether the blackout period has begun or ended; and provided further that the notice to the Commission describes

how, during the blackout period and for a period of two years after the ending date of the blackout period, a security holder or other interested person may obtain, without charge, the actual beginning and ending dates of the blackout period.

(C) For purposes of this paragraph (b)(1)(iv), a *calendar week* means a seven-day period beginning on Sunday and ending on Saturday; and

(v) The name, address and telephone number of the person designated by the issuer to respond to inquiries about the blackout period, or, in the absence of such a designation, the issuer's human resources director or person performing equivalent functions.

(2) (i) Notice to an affected director or executive officer will be considered timely if the notice described in paragraph (b)(1) of this section is provided (in graphic form that is reasonably accessible to the recipient):

(A) No later than five business days after the issuer receives the notice required by section 101(i)(2)(E) of the Employment Retirement Income Security Act of 1974 (29 U.S.C. 1021(i)(2)(E)); or

(B) If no such notice is received by the issuer, a date that is at least 15 calendar days before the actual or expected beginning date of the blackout period.

(ii) Notwithstanding paragraph (b)(2)(i) of this section, the requirement to give advance notice will not apply in any case in which the inability to provide advance notice of the blackout period is due to events that were unforeseeable to, or circumstances that were beyond the reasonable control of, the issuer, and the issuer reasonably so determines in writing. Determinations described in the preceding sentence must be dated and signed by an authorized representative of the issuer. In any case in which this exception to the advance notice requirement applies, the issuer must provide the notice described in paragraph (b)(1) of this section, as well as a copy of the written determination, to all affected directors and executive officers as soon as reasonably practicable.

(iii) If there is a subsequent change in the beginning or ending dates of the

blackout period as provided in the notice to directors and executive officers under paragraph (b)(2)(i) of this section, an issuer must provide directors and executive officers with an updated notice explaining the reasons for the change in the date or dates and identifying all material changes in the information contained in the prior notice. The updated notice is required to be provided as soon as reasonably practicable, unless such notice in advance of the termination of a blackout period is impracticable.

(3) Notice to the Commission will be considered timely if:

(i) The issuer, except as provided in paragraph (b)(3)(ii) of this section, files a current report on Form 8-K (§249.308 of this chapter) within the time prescribed for filing the report under the instructions for the form; or

(ii) In the case of a foreign private issuer (as defined in §240.3b-4(c) of this chapter), the issuer includes the information set forth in paragraph (b)(1) of this section in the first annual report on Form 20-F (§249.220f of this chapter) or 40-F (§249.240f of this chapter) required to be filed after the receipt of the notice of a blackout period required by 29 CFR 2520.101-3(c) within the time prescribed for filing the report under the instructions for the form or in an earlier filed report on Form 6-K (§249.306).

(iii) If there is a subsequent change in the beginning or ending dates of the blackout period as provided in the notice to the Commission under paragraph (b)(3)(i) of this section, an issuer must file a current report on Form 8-K containing the updated beginning or ending dates of the blackout period, explaining the reasons for the change in the date or dates and identifying all material changes in the information contained in the prior report. The updated notice is required to be provided as soon as reasonably practicable.

mortgage asset, together with the Secretary of Housing and Urban Development and the Federal Housing Finance Agency, pursuant to Section 15G of the Securities Exchange Act of 1934 (15 U.S.C. 78o–11). The Commission also is issuing this part pursuant to its authority under Sections 7, 10, 19(a), and 28 of the Securities Act and Sections 3, 13, 15, 23, and 36 of the Exchange Act. This part requires securitizers to retain an economic interest in a portion of the credit risk for any asset that the securitizer, through the issuance of an asset-backed security, transfers, sells, or conveys to a third party. This part specifies the permissible types, forms, and amounts of credit risk retention, and establishes certain exemptions for securitizations collateralized by assets that meet specified underwriting standards or otherwise qualify for an exemption.

(b) The authority of the Commission under this part shall be in addition to the authority of the Commission to otherwise enforce the federal securities laws, including, without limitation, the antifraud provisions of the securities laws.

(1) Any type of interest or obligation issued by an issuing entity, whether or not in certificated form, including a security, obligation, beneficial interest or residual interest (other than an uncertificated regular interest in a REMIC that is held by another REMIC, where both REMICs are part of the same structure and a single REMIC in that structure issues ABS interests to investors, or a non-economic residual interest issued by a REMIC), payments on which are primarily dependent on the cash flows of the collateral owned or held by the issuing entity; and

(2) Does not include common or preferred stock, limited liability interests, partnership interests, trust certificates, or similar interests that:

- (i) Are issued primarily to evidence ownership of the issuing entity; and
- (ii) The payments, if any, on which are not primarily dependent on the

(1) That is an interest in a single class or multiple classes in the issuing entity, provided that each interest meets, individually or in the aggregate, all of the requirements of this definition;

(2) With respect to which, on any payment date or allocation date on which the issuing entity has insufficient funds to satisfy its obligation to pay all contractual interest or principal due, any resulting shortfall will

reduce amounts payable to the eligible horizontal residual interest prior to any reduction in the amounts payable to any other ABS interest, whether through loss allocation, operation of the priority of payments, or any other governing contractual provision (until the amount of such ABS interest is reduced to zero); and

Credit risk in securitized assets required to be retained and held by any person for purposes of compliance with this part, whether a sponsor, an originator, an originator-seller, or a third-party purchaser, except as otherwise provided in this part, may be acquired and held by any of such person’s majority-owned

Securities and Exchange Commission

§ 246.4

affiliates (other than an issuing entity).

(b) *Multiple sponsors.* If there is more than one sponsor of a securitization transaction, it shall be the responsibility of each sponsor to ensure that at least one of the sponsors of the securitization transaction (or at least one of their majority-owned or wholly-owned affiliates, as applicable) retains an economic interest in the credit risk of the securitized assets in accordance with any one of §§ 246.4, 246.5, 246.8, 246.9, or 246.10.

§ 246.4 Standard risk retention.

(a) *General requirement.* Except as provided in §§ 246.5 through 246.10, the sponsor of a securitization transaction must retain an eligible vertical interest or eligible horizontal residual interest, or any combination thereof, in accordance with the requirements of this section.

(1) If the sponsor retains only an eligible vertical interest as its required risk retention, the sponsor must retain an eligible vertical interest in a percentage of not less than 5 percent.

(2) If the sponsor retains only an eligible horizontal residual interest as its required risk retention, the amount of the interest must equal at least 5 percent of the fair value of all ABS interests in the issuing entity issued as a part of the securitization transaction, determined using a fair value measurement framework under GAAP.

(3) If the sponsor retains both an eligible vertical interest and an eligible horizontal residual interest as its required risk retention, the percentage of the fair value of the eligible horizontal residual interest and the percentage of the eligible vertical interest must equal at least five.

(4) The percentage of the eligible vertical interest, eligible horizontal residual interest, or combination thereof retained by the sponsor must be determined as of the closing date of the securitization transaction.

(b) *Option to hold base amount in eligible horizontal cash reserve account.* In lieu of retaining all or any part of an eligible horizontal residual interest under paragraph (a) of this section, the sponsor may, at closing of the securitization transaction, cause to be

established and funded, in cash, an eligible horizontal cash reserve account in the amount equal to the fair value of such eligible horizontal residual interest or part thereof, provided that the account meets all of the following conditions:

(1) The account is held by the trustee (or person performing similar functions) in the name and for the benefit of the issuing entity;

(2) Amounts in the account are invested only in cash and cash equivalents; and

(3) Until all ABS interests in the issuing entity are paid in full, or the issuing entity is dissolved:

(i) Amounts in the account shall be released only to:

(A) Satisfy payments on ABS interests in the issuing entity on any payment date on which the issuing entity has insufficient funds from any source to satisfy an amount due on any ABS interest; or

(B) Pay critical expenses of the trust unrelated to credit risk on any payment date on which the issuing entity has insufficient funds from any source to pay such expenses and:

(1) Such expenses, in the absence of available funds in the eligible horizontal cash reserve account, would be paid prior to any payments to holders of ABS interests; and

(2) Such payments are made to parties that are not affiliated with the sponsor; and

(ii) Interest (or other earnings) on investments made in accordance with paragraph (b)(2) of this section may be released once received by the account.

(c) *Disclosures.* A sponsor relying on this section shall provide, or cause to be provided, to potential investors, under the caption “Credit Risk Retention”, a reasonable period of time prior to the sale of the asset-backed securities in the securitization transaction the following disclosures in written form and within the time frames set forth in this paragraph (c):

(1) *Horizontal interest.* With respect to any eligible horizontal residual interest held under paragraph (a) of this section, a sponsor must disclose:

(i) A reasonable period of time prior to the sale of an asset-backed security

issued in the same offering of ABS interests,

(A) The fair value (expressed as a percentage of the fair value of all of the ABS interests issued in the securitization transaction and dollar amount (or corresponding amount in the foreign currency in which the ABS interests are issued, as applicable)) of the eligible horizontal residual interest that the sponsor expects to retain at the closing of the securitization transaction. If the specific prices, sizes, or rates of interest of each tranche of the securitization are not available, the sponsor must disclose a range of fair values (expressed as a percentage of the fair value of all of the ABS interests issued in the securitization transaction and dollar amount (or corresponding amount in the foreign currency in which the ABS interests are issued, as applicable)) of the eligible horizontal residual interest that the sponsor expects to retain at the close of the securitization transaction based on a range of bona fide estimates or specified prices, sizes, or rates of interest of each tranche of the securitization. A sponsor disclosing a range of fair values based on a range of bona fide estimates or specified prices, sizes or rates of interest of each tranche of the securitization must also disclose the method by which it determined any range of prices, tranche sizes, or rates of interest.

(B) A description of the material terms of the eligible horizontal residual interest to be retained by the sponsor;

(C) A description of the valuation methodology used to calculate the fair values or range of fair values of all classes of ABS interests, including any portion of the eligible horizontal residual interest retained by the sponsor;

(D) All key inputs and assumptions or a comprehensive description of such key inputs and assumptions that were used in measuring the estimated total fair value or range of fair values of all classes of ABS interests, including the eligible horizontal residual interest to be retained by the sponsor.

(E) To the extent applicable to the valuation methodology used, the disclosure required in paragraph (c)(1)(i)(D) of this section shall include,

but should not be limited to, quantitative information about each of the following:

- (1) Discount rates;
- (2) Loss given default (recovery);
- (3) Prepayment rates;
- (4) Default rates;
- (5) Lag time between default and recovery; and
- (6) The basis of forward interest rates used.

(F) The disclosure required in paragraphs (c)(1)(i)(C) and (D) of this section shall include, at a minimum, descriptions of all inputs and assumptions that either could have a material impact on the fair value calculation or would be material to a prospective investor's ability to evaluate the sponsor's fair value calculations. To the extent the disclosure required in this paragraph (c)(1) includes a description of a curve or curves, the description shall include a description of the methodology that was used to derive each curve and a description of any aspects or features of each curve that could materially impact the fair value calculation or the ability of a prospective investor to evaluate the sponsor's fair value calculation. To the extent a sponsor uses information about the securitized assets in its calculation of fair value, such information shall not be as of a date more than 60 days prior to the date of first use with investors; provided that for a subsequent issuance of ABS interests by the same issuing entity with the same sponsor for which the securitization transaction distributes amounts to investors on a quarterly or less frequent basis, such information shall not be as of a date more than 135 days prior to the date of first use with investors; provided further, that the balance or value (in accordance with the transaction documents) of the securitized assets may be increased or decreased to reflect anticipated additions or removals of assets the sponsor makes or expects to make between the cut-off date or similar date for establishing the composition of the asset pool collateralizing such asset-backed security and the closing date of the securitization.

(G) A summary description of the reference data set or other historical information used to develop the key inputs and assumptions referenced in paragraph (c)(1)(i)(D) of this section, including loss given default and default rates;

(ii) A reasonable time after the closing of the securitization transaction:

(A) The fair value (expressed as a percentage of the fair value of all of the ABS interests issued in the securitization transaction and dollar amount (or corresponding amount in the foreign currency in which the ABS are issued, as applicable)) of the eligible horizontal residual interest the sponsor retained at the closing of the securitization transaction, based on actual sale prices and finalized tranche sizes;

(B) The fair value (expressed as a percentage of the fair value of all of the ABS interests issued in the securitization transaction and dollar amount (or corresponding amount in the foreign currency in which the ABS are issued, as applicable)) of the eligible horizontal residual interest that the sponsor is required to retain under this section; and

(C) To the extent the valuation methodology or any of the key inputs and assumptions that were used in calculating the fair value or range of fair values disclosed prior to sale and required under paragraph (c)(1)(i) of this section materially differs from the methodology or key inputs and assumptions used to calculate the fair value at the time of closing, descriptions of those material differences.

(iii) If the sponsor retains risk through the funding of an eligible horizontal cash reserve account:

(A) The amount to be placed (or that is placed) by the sponsor in the eligible horizontal cash reserve account at closing, and the fair value (expressed as a percentage of the fair value of all of the ABS interests issued in the securitization transaction and dollar amount (or corresponding amount in the foreign currency in which the ABS interests are issued, as applicable)) of the eligible horizontal residual interest that the sponsor is required to fund through the eligible horizontal cash reserve account in order for such ac-

count, together with other retained interests, to satisfy the sponsor's risk retention requirement;

(B) A description of the material terms of the eligible horizontal cash reserve account; and

(C) The disclosures required in paragraphs (c)(1)(i) and (ii) of this section.

(2) *Vertical interest.* With respect to any eligible vertical interest retained under paragraph (a) of this section, the sponsor must disclose:

(i) A reasonable period of time prior to the sale of an asset-backed security issued in the same offering of ABS interests,

(A) The form of the eligible vertical interest;

(B) The percentage that the sponsor is required to retain as a vertical interest under this section; and

(C) A description of the material terms of the vertical interest and the amount that the sponsor expects to retain at the closing of the securitization transaction.

(ii) A reasonable time after the closing of the securitization transaction, the amount of the vertical interest the sponsor retained at closing, if that amount is materially different from the amount disclosed under paragraph (c)(2)(i) of this section.

(d) *Record maintenance.* A sponsor must retain the certifications and disclosures required in paragraphs (a) and (c) of this section in its records and must provide the disclosure upon request to the Commission and its appropriate Federal banking agency, if any, until three years after all ABS interests are no longer outstanding.

§ 246.5 Revolving pool securitizations.

(a) *Definitions.* For purposes of this section, the following definitions apply:

Revolving pool securitization means an issuing entity that is established to issue on multiple issuance dates more than one series, class, subclass, or tranche of asset-backed securities that are collateralized by a common pool of securitized assets that will change in composition over time, and that does not monetize excess interest and fees from its securitized assets.

Seller's interest means an ABS interest or ABS interests:

(1) Collateralized by the securitized assets and servicing assets owned or held by the issuing entity, other than the following that are not considered a component of seller's interest:

(i) Servicing assets that have been allocated as collateral only for a specific series in connection with administering the revolving pool securitization, such as a principal accumulation or interest reserve account; and

(ii) Assets that are not eligible under the terms of the securitization transaction to be included when determining whether the revolving pool securitization holds aggregate securitized assets in specified proportions to aggregate outstanding investor ABS interests issued; and

(2) That is *pari passu* with each series of investor ABS interests issued, or partially or fully subordinated to one or more series in identical or varying amounts, with respect to the allocation of all distributions and losses with respect to the securitized assets prior to early amortization of the revolving securitization (as specified in the securitization transaction documents); and

(3) That adjusts for fluctuations in the outstanding principal balance of the securitized assets in the pool.

(b) *General requirement.* A sponsor satisfies the risk retention requirements of § 246.3 with respect to a securitization transaction for which the issuing entity is a revolving pool securitization if the sponsor maintains a seller's interest of not less than 5 percent of the aggregate unpaid principal balance of all outstanding investor ABS interests in the issuing entity.

(c) *Measuring the seller's interest.* In measuring the seller's interest for purposes of meeting the requirements of paragraph (b) of this section:

(1) The unpaid principal balance of the securitized assets for the numerator of the 5 percent ratio shall not include assets of the types excluded from the definition of seller's interest in paragraph (a) of this section;

(2) The aggregate unpaid principal balance of outstanding investor ABS interests in the denominator of the 5 percent ratio may be reduced by the amount of funds held in a segregated

principal accumulation account for the repayment of outstanding investor ABS interests, if:

(i) The terms of the securitization transaction documents prevent funds in the principal accumulation account from being applied for any purpose other than the repayment of the unpaid principal of outstanding investor ABS interests; and

(ii) Funds in that account are invested only in the types of assets in which funds held in an eligible horizontal cash reserve account pursuant to § 246.4 are permitted to be invested;

(3) If the terms of the securitization transaction documents set minimum required seller's interest as a proportion of the unpaid principal balance of outstanding investor ABS interests for one or more series issued, rather than as a proportion of the aggregate outstanding investor ABS interests in all outstanding series combined, the percentage of the seller's interest for each such series must, when combined with the percentage of any minimum seller's interest set by reference to the aggregate outstanding investor ABS interests, equal at least 5 percent;

(4) The 5 percent test must be determined and satisfied at the closing of each issuance of ABS interests to investors by the issuing entity, and

(i) At least monthly at a seller's interest measurement date specified under the securitization transaction documents, until no ABS interest in the issuing entity is held by any person not a wholly-owned affiliate of the sponsor; or

(ii) If the revolving pool securitization fails to meet the 5 percent test as of any date described in paragraph (c)(4)(i) of this section, and the securitization transaction documents specify a cure period, the 5 percent test must be determined and satisfied within the earlier of the cure period, or one month after the date described in paragraph (c)(4)(i).

(d) *Measuring outstanding investor ABS interests.* In measuring the amount of outstanding investor ABS interests for purposes of this section, ABS interests held for the life of such ABS interests by the sponsor or its wholly-owned affiliates may be excluded.

(e) *Holding and retention of the seller's interest; legacy trusts.* (1) Notwithstanding § 246.12(a), the seller's interest, and any offsetting horizontal retention interest retained pursuant to paragraph (g) of this section, must be retained by the sponsor or by one or more wholly-owned affiliates of the sponsor, including one or more depositors of the revolving pool securitization.

(2) If one revolving pool securitization issues collateral certificates representing a beneficial interest in all or a portion of the securitized assets held by that securitization to another revolving pool securitization, which in turn issues ABS interests for which the collateral certificates are all or a portion of the securitized assets, a sponsor may satisfy the requirements of paragraphs (b) and (c) of this section by retaining the seller's interest for the assets represented by the collateral certificates through either of the revolving pool securitizations, so long as both revolving pool securitizations are retained at the direction of the same sponsor or its wholly-owned affiliates.

(3) If the sponsor retains the seller's interest associated with the collateral certificates at the level of the revolving pool securitization that issues those collateral certificates, the proportion of the seller's interest required by paragraph (b) of this section retained at that level must equal the proportion that the principal balance of the securitized assets represented by the collateral certificates bears to the principal balance of the securitized assets in the revolving pool securitization that issues the ABS interests, as of each measurement date required by paragraph (c) of this section.

(f) *Offset for pool-level excess funding account.* The 5 percent seller's interest required on each measurement date by paragraph (c) of this section may be reduced on a dollar-for-dollar basis by the balance, as of such date, of an excess funding account in the form of a segregated account that:

(1) Is funded in the event of a failure to meet the minimum seller's interest requirements or other requirement to maintain a minimum balance of securitized assets under the

securitization transaction documents by distributions otherwise payable to the holder of the seller's interest;

(2) Is invested only in the types of assets in which funds held in a horizontal cash reserve account pursuant to § 246.4 are permitted to be invested; and

(3) In the event of an early amortization, makes payments of amounts held in the account to holders of investor ABS interests in the same manner as payments to holders of investor ABS interests of amounts received on securitized assets.

(g) *Combined seller's interests and horizontal interest retention.* The 5 percent seller's interest required on each measurement date by paragraph (c) of this section may be reduced to a percentage lower than 5 percent to the extent that, for all series of investor ABS interests issued after the applicable effective date of this § 246.5, the sponsor, or notwithstanding § 246.12(a) a wholly-owned affiliate of the sponsor, retains, at a minimum, a corresponding percentage of the fair value of ABS interests issued in each series, in the form of one or more of the horizontal residual interests meeting the requirements of paragraphs (h) or (i).

(h) *Residual ABS interests in excess interest and fees.* The sponsor may take the offset described in paragraph (g) of this section for a residual ABS interest in excess interest and fees, whether certificated or uncertificated, in a single or multiple classes, subclasses, or tranches, that meets, individually or in the aggregate, the requirements of this paragraph (h);

(1) Each series of the revolving pool securitization distinguishes between the series' share of the interest and fee cash flows and the series' share of the principal repayment cash flows from the securitized assets collateralizing the revolving pool securitization, which may according to the terms of the securitization transaction documents, include not only the series' ratable share of such cash flows but also excess cash flows available from other series;

(2) The residual ABS interest's claim to any part of the series' share of the interest and fee cash flows for any interest payment period is subordinated to all accrued and payable interest due

on the payment date to more senior ABS interests in the series for that period, and further reduced by the series' share of losses, including defaults on principal of the securitized assets collateralizing the revolving pool securitization (whether incurred in that period or carried over from prior periods) to the extent that such payments would have been included in amounts payable to more senior interests in the series;

(3) The revolving pool securitization continues to revolve, with one or more series, classes, subclasses, or tranches of asset-backed securities that are collateralized by a common pool of assets that change in composition over time; and

(4) For purposes of taking the offset described in paragraph (g) of this section, the sponsor determines the fair value of the residual ABS interest in excess interest and fees, and the fair value of the series of outstanding investor ABS interests to which it is subordinated and supports using the fair value measurement framework under GAAP, as of:

(i) The closing of the securitization transaction issuing the supported ABS interests; and

(ii) The seller's interest measurement dates described in paragraph (c)(4) of this section, except that for these periodic determinations the sponsor must update the fair value of the residual ABS interest in excess interest and fees for the numerator of the percentage ratio, but may at the sponsor's option continue to use the fair values determined in (h)(4)(i) for the outstanding investor ABS interests in the denominator.

(i) *Offsetting eligible horizontal residual interest.* The sponsor may take the offset described in paragraph (g) of this section for ABS interests that would meet the definition of eligible horizontal residual interests in § 246.2 but for the sponsor's simultaneous holding of subordinated seller's interests, residual ABS interests in excess interests and fees, or a combination of the two, if:

(1) The sponsor complies with all requirements of paragraphs (b) through (e) of this section for its holdings of subordinated seller's interest, and

paragraph (h) for its holdings of residual ABS interests in excess interests and fees, as applicable;

(2) For purposes of taking the offset described in paragraph (g) of this section, the sponsor determines the fair value of the eligible horizontal residual interest as a percentage of the fair value of the outstanding investor ABS interests in the series supported by the eligible horizontal residual interest, determined using the fair value measurement framework under GAAP:

(i) As of the closing of the securitization transaction issuing the supported ABS interests; and

(ii) Without including in the numerator of the percentage ratio any fair value based on:

(A) The subordinated seller's interest or residual ABS interest in excess interest and fees;

(B) the interest payable to the sponsor on the eligible horizontal residual interest, if the sponsor is including the value of residual ABS interest in excess interest and fees pursuant to paragraph (h) of this section in taking the offset in paragraph (g) of this section; and,

(C) the principal payable to the sponsor on the eligible horizontal residual interest, if the sponsor is including the value of the seller's interest pursuant to paragraphs (b) through (f) of this section and distributions on that seller's interest are available to reduce charge-offs that would otherwise be allocated to reduce principal payable to the offset eligible horizontal residual interest.

(j) *Specified dates.* A sponsor using data about the revolving pool securitization's collateral, or ABS interests previously issued, to determine the closing-date percentage of a seller's interest, residual ABS interest in excess interest and fees, or eligible horizontal residual interest pursuant to this § 246.5 may use such data prepared as of specified dates if:

(1) The sponsor describes the specified dates in the disclosures required by paragraph (k) of this section; and

(2) The dates are no more than 60 days prior to the date of first use with investors of disclosures required for the interest by paragraph (k) of this section, or for revolving pool securitizations that make distributions

to investors on a quarterly or less frequent basis, no more than 135 days prior to the date of first use with investors of such disclosures.

(k) *Disclosure and record maintenance.*

(1) *Disclosure.* A sponsor relying on this section shall provide, or cause to be provided, to potential investors, under the caption “Credit Risk Retention” the following disclosure in written form and within the time frames set forth in this paragraph (k):

(i) A reasonable period of time prior to the sale of an asset-backed security, a description of the material terms of the seller’s interest, and the percentage of the seller’s interest that the sponsor expects to retain at the closing of the securitization transaction, measured in accordance with the requirements of this § 246.5, as a percentage of the aggregate unpaid principal balance of all outstanding investor ABS interests issued, or as a percentage of the aggregate unpaid principal balance of outstanding investor ABS interests for one or more series issued, as required by the terms of the securitization transaction;

(ii) A reasonable time after the closing of the securitization transaction, the amount of seller’s interest the sponsor retained at closing, if that amount is materially different from the amount disclosed under paragraph (k)(1)(i) of this section; and

(iii) A description of the material terms of any horizontal residual interests offsetting the seller’s interest in accordance with paragraphs (g), (h), and (i) of this section; and

(iv) Disclosure of the fair value of those horizontal residual interests retained by the sponsor for the series being offered to investors and described in the disclosures, as a percentage of the fair value of the outstanding investor ABS interests issued, described in the same manner and within the same timeframes required for disclosure of the fair values of eligible horizontal residual interests specified in § 246.4(c).

(2) *Adjusted data.* Disclosures required by this paragraph (k) to be made a reasonable period of time prior to the sale of an asset-backed security of the amount of seller’s interest, residual ABS interest in excess interest and fees, or eligible horizontal residual in-

terest may include adjustments to the amount of securitized assets for additions or removals the sponsor expects to make before the closing date and adjustments to the amount of outstanding investor ABS interests for expected increases and decreases of those interests under the control of the sponsor.

(3) *Record maintenance.* A sponsor must retain the disclosures required in paragraph (k)(1) of this section in its records and must provide the disclosure upon request to the Commission and its appropriate Federal banking agency, if any, until three years after all ABS interests are no longer outstanding.

(1) *Early amortization of all outstanding series.* A sponsor that organizes a revolving pool securitization that relies on this § 246.5 to satisfy the risk retention requirements of § 246.3, does not violate the requirements of this part if its seller’s interest falls below the level required by § 246.5 after the revolving pool securitization commences early amortization, pursuant to the terms of the securitization transaction documents, of all series of outstanding investor ABS interests, if:

(1) The sponsor was in full compliance with the requirements of this section on all measurement dates specified in paragraph (c) of this section prior to the commencement of early amortization;

(2) The terms of the seller’s interest continue to make it *pari passu* with or subordinate in identical or varying amounts to each series of outstanding investor ABS interests issued with respect to the allocation of all distributions and losses with respect to the securitized assets;

(3) The terms of any horizontal interest relied upon by the sponsor pursuant to paragraph (g) to offset the minimum seller’s interest amount continue to require the interests to absorb losses in accordance with the terms of paragraph (h) or (i) of this section, as applicable; and

(4) The revolving pool securitization issues no additional ABS interests after early amortization is initiated to any person not a wholly-owned affiliate of the sponsor, either at the time of

issuance or during the amortization period.

§ 246.6 Eligible ABCP conduits.

(a) *Definitions.* For purposes of this section, the following additional definitions apply:

100 percent liquidity coverage means an amount equal to the outstanding balance of all ABCP issued by the conduit plus any accrued and unpaid interest without regard to the performance of the ABS interests held by the ABCP conduit and without regard to any credit enhancement.

ABCP means asset-backed commercial paper that has a maturity at the time of issuance not exceeding 397 days, exclusive of days of grace, or any renewal thereof the maturity of which is likewise limited.

ABCP conduit means an issuing entity with respect to ABCP.

Eligible ABCP conduit means an ABCP conduit, *provided that*:

(1) The ABCP conduit is bankruptcy remote or otherwise isolated for insolvency purposes from the sponsor of the ABCP conduit and from any intermediate SPV;

(2) The ABS interests acquired by the ABCP conduit are:

(i) ABS interests collateralized solely by assets originated by an originator-seller and by servicing assets;

(ii) Special units of beneficial interest (or similar ABS interests) in a trust or special purpose vehicle that retains legal title to leased property underlying leases originated by an originator-seller that were transferred to an intermediate SPV in connection with a securitization collateralized solely by such leases and by servicing assets;

(iii) ABS interests in a revolving pool securitization collateralized solely by assets originated by an originator-seller and by servicing assets; or

(iv) ABS interests described in paragraph (2)(i), (ii), or (iii) of this definition that are collateralized, in whole or in part, by assets acquired by an originator-seller in a business combination that qualifies for business combination accounting under GAAP, and, if collateralized in part, the remainder of such assets are assets described in paragraph (2)(i), (ii), or (iii) of this definition; and

(v) Acquired by the ABCP conduit in an initial issuance by or on behalf of an intermediate SPV:

(A) Directly from the intermediate SPV,

(B) From an underwriter of the ABS interests issued by the intermediate SPV, or

(C) From another person who acquired the ABS interests directly from the intermediate SPV;

(3) The ABCP conduit is collateralized solely by ABS interests acquired from intermediate SPVs as described in paragraph (2) of this definition and servicing assets; and

(4) A regulated liquidity provider has entered into a legally binding commitment to provide 100 percent liquidity coverage (in the form of a lending facility, an asset purchase agreement, a repurchase agreement, or other similar arrangement) to all the ABCP issued by the ABCP conduit by lending to, purchasing ABCP issued by, or purchasing assets from, the ABCP conduit in the event that funds are required to repay maturing ABCP issued by the ABCP conduit. With respect to the 100 percent liquidity coverage, in the event that the ABCP conduit is unable for any reason to repay maturing ABCP issued by the issuing entity, the liquidity provider shall be obligated to pay an amount equal to any shortfall, and the total amount that may be due pursuant to the 100 percent liquidity coverage shall be equal to 100 percent of the amount of the ABCP outstanding at any time plus accrued and unpaid interest (amounts due pursuant to the required liquidity coverage may not be subject to credit performance of the ABS interests held by the ABCP conduit or reduced by the amount of credit support provided to the ABCP conduit and liquidity support that only funds performing loans or receivables or performing ABS interests does not meet the requirements of this section).

Intermediate SPV means a special purpose vehicle that:

(1) (i) Is a direct or indirect wholly-owned affiliate of the originator-seller; or

(ii) Has nominal equity owned by a trust or corporate service provider that specializes in providing independent ownership of special purpose vehicles,

and such trust or corporate service provider is not affiliated with any other transaction parties;

(2) Is bankruptcy remote or otherwise isolated for insolvency purposes from the eligible ABCP conduit and from each originator-seller and each majority-owned affiliate in each case that, directly or indirectly, sells or transfers assets to such intermediate SPV;

(3) Acquires assets from the originator-seller that are originated by the originator-seller or acquired by the originator-seller in the acquisition of a business that qualifies for business combination accounting under GAAP or acquires ABS interests issued by another intermediate SPV of the originator-seller that are collateralized solely by such assets; and

(4) Issues ABS interests collateralized solely by such assets, as applicable.

Originator-seller means an entity that originates assets and sells or transfers those assets, directly or through a majority-owned affiliate, to an intermediate SPV, and includes (except for the purposes of identifying the sponsorship and affiliation of an intermediate SPV pursuant to this §246.6) any affiliate of the originator-seller that, directly or indirectly, majority controls, is majority controlled by or is under common majority control with, the originator-seller. For purposes of this definition, majority control means ownership of more than 50 percent of the equity of an entity, or ownership of any other controlling financial interest in the entity, as determined under GAAP.

Regulated liquidity provider means:

(1) A depository institution (as defined in section 3 of the Federal Deposit Insurance Act (12 U.S.C. 1813));

(2) A bank holding company (as defined in 12 U.S.C. 1841), or a subsidiary thereof;

(3) A savings and loan holding company (as defined in 12 U.S.C. 1467a), provided all or substantially all of the holding company's activities are permissible for a financial holding company under 12 U.S.C. 1843(k), or a subsidiary thereof; or

(4) A foreign bank whose home country supervisor (as defined in §211.21 of

the Federal Reserve Board's Regulation K (12 CFR 211.21)) has adopted capital standards consistent with the Capital Accord of the Basel Committee on Banking Supervision, as amended, and that is subject to such standards, or a subsidiary thereof.

(b) *In general.* An ABCP conduit sponsor satisfies the risk retention requirement of §246.3 with respect to the issuance of ABCP by an eligible ABCP conduit in a securitization transaction if, for each ABS interest the ABCP conduit acquires from an intermediate SPV:

(1) An originator-seller of the intermediate SPV retains an economic interest in the credit risk of the assets collateralizing the ABS interest acquired by the eligible ABCP conduit in the amount and manner required under §246.4 or §246.5; and

(2) The ABCP conduit sponsor:

(i) Approves each originator-seller permitted to sell or transfer assets, directly or indirectly, to an intermediate SPV from which an eligible ABCP conduit acquires ABS interests;

(ii) Approves each intermediate SPV from which an eligible ABCP conduit is permitted to acquire ABS interests;

(iii) Establishes criteria governing the ABS interests, and the securitized assets underlying the ABS interests, acquired by the ABCP conduit;

(iv) Administers the ABCP conduit by monitoring the ABS interests acquired by the ABCP conduit and the assets supporting those ABS interests, arranging for debt placement, compiling monthly reports, and ensuring compliance with the ABCP conduit documents and with the ABCP conduit's credit and investment policy; and

(v) Maintains and adheres to policies and procedures for ensuring that the requirements in this paragraph (b) of this section have been met.

(c) *Originator-seller compliance with risk retention.* The use of the risk retention option provided in this section by an ABCP conduit sponsor does not relieve the originator-seller that sponsors ABS interests acquired by an eligible ABCP conduit from such originator-seller's obligation to comply with its own risk retention obligations under this part.

(d) *Disclosures*—(1) *Periodic disclosures to investors.* An ABCP conduit sponsor relying upon this section shall provide, or cause to be provided, to each purchaser of ABCP, before or contemporaneously with the first sale of ABCP to such purchaser and at least monthly thereafter, to each holder of commercial paper issued by the ABCP conduit, in writing, each of the following items of information, which shall be as of a date not more than 60 days prior to date of first use with investors:

(i) The name and form of organization of the regulated liquidity provider that provides liquidity coverage to the eligible ABCP conduit, including a description of the material terms of such liquidity coverage, and notice of any failure to fund.

(ii) With respect to each ABS interest held by the ABCP conduit:

(A) The asset class or brief description of the underlying securitized assets;

(B) The standard industrial category code (SIC Code) for the originator-seller that will retain (or has retained) pursuant to this section an interest in the securitization transaction; and

(C) A description of the percentage amount of risk retention pursuant to the rule by the originator-seller, and whether it is in the form of an eligible horizontal residual interest, vertical interest, or revolving pool securitization seller's interest, as applicable.

(2) *Disclosures to regulators regarding originator-sellers.* An ABCP conduit sponsor relying upon this section shall provide, or cause to be provided, upon request, to the Commission and its appropriate Federal banking agency, if any, in writing, all of the information required to be provided to investors in paragraph (d)(1) of this section, and the name and form of organization of each originator-seller that will retain (or has retained) pursuant to this section an interest in the securitization transaction.

(e) *Sale or transfer of ABS interests between eligible ABCP conduits.* At any time, an eligible ABCP conduit that acquired an ABS interest in accordance with the requirements set forth in this section may transfer, and another eligible ABCP conduit may acquire, such

ABS interest, if the following conditions are satisfied:

(1) The sponsors of both eligible ABCP conduits are in compliance with this section; and

(2) The same regulated liquidity provider has entered into one or more legally binding commitments to provide 100 percent liquidity coverage to all the ABCP issued by both eligible ABCP conduits.

(f) *Duty to comply.* (1) The ABCP conduit sponsor shall be responsible for compliance with this section.

(2) An ABCP conduit sponsor relying on this section:

(i) Shall maintain and adhere to policies and procedures that are reasonably designed to monitor compliance by each originator-seller which is satisfying a risk retention obligation in respect of ABS interests acquired by an eligible ABCP conduit with the requirements of paragraph (b)(1) of this section; and

(ii) In the event that the ABCP conduit sponsor determines that an originator-seller no longer complies with the requirements of paragraph (b)(1) of this section, shall:

(A) Promptly notify the holders of the ABCP, and upon request, the Commission and its appropriate Federal banking agency, if any, in writing of:

(1) The name and form of organization of any originator-seller that fails to retain risk in accordance with paragraph (b)(1) of this section and the amount of ABS interests issued by an intermediate SPV of such originator-seller and held by the ABCP conduit;

(2) The name and form of organization of any originator-seller that hedges, directly or indirectly through an intermediate SPV, its risk retention in violation of paragraph (b)(1) of this section and the amount of ABS interests issued by an intermediate SPV of such originator-seller and held by the ABCP conduit; and

(3) Any remedial actions taken by the ABCP conduit sponsor or other party with respect to such ABS interests; and

(B) Take other appropriate steps pursuant to the requirements of paragraphs (b)(2)(iv) and (v) of this section which may include, as appropriate, curing any breach of the requirements in

this section, or removing from the eligible ABCP conduit any ABS interest that does not comply with the requirements in this section.

§ 246.7 Commercial mortgage-backed securities.

(a) *Definitions.* For purposes of this section, the following definition shall apply:

Special servicer means, with respect to any securitization of commercial real estate loans, any servicer that, upon the occurrence of one or more specified conditions in the servicing agreement, has the right to service one or more assets in the transaction.

(b) *Third-party purchaser.* A sponsor may satisfy some or all of its risk retention requirements under § 246.3 with respect to a securitization transaction if a third party (or any majority-owned affiliate thereof) purchases and holds for its own account an eligible horizontal residual interest in the issuing entity in the same form, amount, and manner as would be held by the sponsor under § 246.4 and all of the following conditions are met:

(1) *Number of third-party purchasers.* At any time, there are no more than two third-party purchasers of an eligible horizontal residual interest. If there are two third-party purchasers, each third-party purchaser's interest must be *pari passu* with the other third-party purchaser's interest.

(2) *Composition of collateral.* The securitization transaction is collateralized solely by commercial real estate loans and servicing assets.

(3) *Source of funds.* (i) Each third-party purchaser pays for the eligible horizontal residual interest in cash at the closing of the securitization transaction.

(ii) No third-party purchaser obtains financing, directly or indirectly, for the purchase of such interest from any other person that is a party to, or an affiliate of a party to, the securitization transaction (including, but not limited to, the sponsor, depositor, or servicer other than a special servicer affiliated with the third-party purchaser), other than a person that is a party to the transaction solely by reason of being an investor.

(4) *Third-party review.* Each third-party purchaser conducts an independent review of the credit risk of each securitized asset prior to the sale of the asset-backed securities in the securitization transaction that includes, at a minimum, a review of the underwriting standards, collateral, and expected cash flows of each commercial real estate loan that is collateral for the asset-backed securities.

(5) *Affiliation and control rights.* (i) Except as provided in paragraph (b)(5)(ii) of this section, no third-party purchaser is affiliated with any party to the securitization transaction (including, but not limited to, the sponsor, depositor, or servicer) other than investors in the securitization transaction.

(ii) Notwithstanding paragraph (b)(5)(i) of this section, a third-party purchaser may be affiliated with:

(A) The special servicer for the securitization transaction; or

(B) One or more originators of the securitized assets, as long as the assets originated by the affiliated originator or originators collectively comprise less than 10 percent of the unpaid principal balance of the securitized assets included in the securitization transaction at the cut-off date or similar date for establishing the composition of the securitized assets collateralizing the asset-backed securities issued pursuant to the securitization transaction.

(6) *Operating Advisor.* The underlying securitization transaction documents shall provide for the following:

(i) The appointment of an operating advisor (the Operating Advisor) that:

(A) Is not affiliated with other parties to the securitization transaction;

(B) Does not directly or indirectly have any financial interest in the securitization transaction other than in fees from its role as Operating Advisor; and

(C) Is required to act in the best interest of, and for the benefit of, investors as a collective whole;

(ii) Standards with respect to the Operating Advisor's experience, expertise and financial strength to fulfill its duties and responsibilities under the applicable transaction documents over the life of the securitization transaction;

(iii) The terms of the Operating Advisor's compensation with respect to the securitization transaction;

(iv) When the eligible horizontal residual interest has been reduced by principal payments, realized losses, and appraisal reduction amounts (which reduction amounts are determined in accordance with the applicable transaction documents) to a principal balance of 25 percent or less of its initial principal balance, the special servicer for the securitized assets must consult with the Operating Advisor in connection with, and prior to, any material decision in connection with its servicing of the securitized assets, including, without limitation:

(A) Any material modification of, or waiver with respect to, any provision of a loan agreement (including a mortgage, deed of trust, or other security agreement);

(B) Foreclosure upon or comparable conversion of the ownership of a property; or

(C) Any acquisition of a property.

(v) The Operating Advisor shall have adequate and timely access to information and reports necessary to fulfill its duties under the transaction documents, including all reports made available to holders of ABS interests and third-party purchasers, and shall be responsible for:

(A) Reviewing the actions of the special servicer;

(B) Reviewing all reports provided by the special servicer to the issuing entity or any holder of ABS interests;

(C) Reviewing for accuracy and consistency with the transaction documents calculations made by the special servicer; and

(D) Issuing a report to investors (including any third-party purchasers) and the issuing entity on a periodic basis concerning:

(1) Whether the Operating Advisor believes, in its sole discretion exercised in good faith, that the special servicer is operating in compliance with any standard required of the special servicer in the applicable transaction documents; and

(2) Which, if any, standards the Operating Advisor believes, in its sole discretion exercised in good faith, the special servicer has failed to comply.

(vi)(A) The Operating Advisor shall have the authority to recommend that the special servicer be replaced by a successor special servicer if the Operating Advisor determines, in its sole discretion exercised in good faith, that:

(1) The special servicer has failed to comply with a standard required of the special servicer in the applicable transaction documents; and

(2) Such replacement would be in the best interest of the investors as a collective whole; and

(B) If a recommendation described in paragraph (b)(6)(vi)(A) of this section is made, the special servicer shall be replaced upon the affirmative vote of a majority of the outstanding principal balance of all ABS interests voting on the matter, with a minimum of a quorum of ABS interests voting on the matter. For purposes of such vote, the applicable transaction documents shall specify the quorum and may not specify a quorum of more than the holders of 20 percent of the outstanding principal balance of all ABS interests in the issuing entity, with such quorum including at least three ABS interest holders that are not affiliated with each other.

(7) *Disclosures.* The sponsor provides, or causes to be provided, to potential investors a reasonable period of time prior to the sale of the asset-backed securities as part of the securitization transaction and, upon request, to the Commission and its appropriate Federal banking agency, if any, the following disclosure in written form under the caption "Credit Risk Retention":

(i) The name and form of organization of each initial third-party purchaser that acquired an eligible horizontal residual interest at the closing of a securitization transaction;

(ii) A description of each initial third-party purchaser's experience in investing in commercial mortgage-backed securities;

(iii) Any other information regarding each initial third-party purchaser or each initial third-party purchaser's retention of the eligible horizontal residual interest that is material to investors in light of the circumstances of the particular securitization transaction;

(iv) The fair value (expressed as a percentage of the fair value of all of the ABS interests issued in the securitization transaction and dollar amount (or corresponding amount in the foreign currency in which the ABS interests are issued, as applicable)) of the eligible horizontal residual interest that will be retained (or was retained) by each initial third-party purchaser, as well as the amount of the purchase price paid by each initial third-party purchaser for such interest;

(v) The fair value (expressed as a percentage of the fair value of all of the ABS interests issued in the securitization transaction and dollar amount (or corresponding amount in the foreign currency in which the ABS interests are issued, as applicable)) of the eligible horizontal residual interest in the securitization transaction that the sponsor would have retained pursuant to § 246.4 if the sponsor had relied on retaining an eligible horizontal residual interest in that section to meet the requirements of § 246.3 with respect to the transaction;

(vi) A description of the material terms of the eligible horizontal residual interest retained by each initial third-party purchaser, including the same information as is required to be disclosed by sponsors retaining horizontal interests pursuant to § 246.4;

(vii) The material terms of the applicable transaction documents with respect to the Operating Advisor, including without limitation:

(A) The name and form of organization of the Operating Advisor;

(B) A description of any material conflict of interest or material potential conflict of interest between the Operating Advisor and any other party to the transaction;

(C) The standards required by paragraph (b)(6)(ii) of this section and a description of how the Operating Advisor satisfies each of the standards; and

(D) The terms of the Operating Advisor's compensation under paragraph (b)(6)(iii) of this section; and

(viii) The representations and warranties concerning the securitized assets, a schedule of any securitized assets that are determined not to comply with such representations and warranties, and what factors were used to

make the determination that such securitized assets should be included in the pool notwithstanding that the securitized assets did not comply with such representations and warranties, such as compensating factors or a determination that the exceptions were not material.

(8) *Hedging, transfer and pledging*—(i) *General rule.* Except as set forth in paragraph (b)(8)(ii) of this section, each third-party purchaser and its affiliates must comply with the hedging and other restrictions in § 246.12 as if it were the retaining sponsor with respect to the securitization transaction and had acquired the eligible horizontal residual interest pursuant to § 246.4; provided that, the hedging and other restrictions in § 246.12 shall not apply on or after the date that each CRE loan (as defined in § 246.14) that serves as collateral for outstanding ABS interests has been defeased. For purposes of this section, a loan is deemed to be defeased if:

(A) cash or cash equivalents of the types permitted for an eligible horizontal cash reserve account pursuant to § 246.4 whose maturity corresponds to the remaining debt service obligations, have been pledged to the issuing entity as collateral for the loan and are in such amounts and payable at such times as necessary to timely generate cash sufficient to make all remaining debt service payments due on such loan; and

(B) the issuing entity has an obligation to release its lien on the loan.

(ii) *Exceptions*—(A) *Transfer by initial third-party purchaser or sponsor.* An initial third-party purchaser that acquired an eligible horizontal residual interest at the closing of a securitization transaction in accordance with this section, or a sponsor that acquired an eligible horizontal residual interest at the closing of a securitization transaction in accordance with this section, may, on or after the date that is five years after the date of the closing of the securitization transaction, transfer that interest to a subsequent third-party purchaser that complies with paragraph (b)(8)(ii)(C) of this section. The initial third-party purchaser shall provide the sponsor with complete identifying information

§ 246.8

17 CFR Ch. II (4–1–22 Edition)

for the subsequent third-party purchaser.

(B) *Transfer by subsequent third-party purchaser.* At any time, a subsequent third-party purchaser that acquired an eligible horizontal residual interest pursuant to this section may transfer its interest to a different third-party purchaser that complies with paragraph (b)(8)(ii)(C) of this section. The transferring third-party purchaser shall provide the sponsor with complete identifying information for the acquiring third-party purchaser.

(C) *Requirements applicable to subsequent third-party purchasers.* A subsequent third-party purchaser is subject to all of the requirements of paragraphs (b)(1), (b)(3) through (5), and (b)(8) of this section applicable to third-party purchasers, provided that obligations under paragraphs (b)(1), (b)(3) through (5), and (b)(8) of this section that apply to initial third-party purchasers at or before the time of closing of the securitization transaction shall apply to successor third-party purchasers at or before the time of the transfer of the eligible horizontal residual interest to the successor third-party purchaser.

(c) *Duty to comply.* (1) The retaining sponsor shall be responsible for compliance with this section by itself and for compliance by each initial or subsequent third-party purchaser that acquired an eligible horizontal residual interest in the securitization transaction.

(2) A sponsor relying on this section:

(i) Shall maintain and adhere to policies and procedures to monitor each third-party purchaser's compliance with the requirements of paragraphs (b)(1), (b)(3) through (5), and (b)(8) of this section; and

(ii) In the event that the sponsor determines that a third-party purchaser no longer complies with one or more of the requirements of paragraphs (b)(1), (b)(3) through (5), or (b)(8) of this section, shall promptly notify, or cause to be notified, the holders of the ABS interests issued in the securitization transaction of such noncompliance by such third-party purchaser.

§ 246.8 Federal National Mortgage Association and Federal Home Loan Mortgage Corporation ABS.

(2) Any limited-life regulated entity succeeding to the charter of either the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation pursuant to section 1367(i) of the Federal Housing Enterprises Financial Safety and Soundness Act of 1992 (12 U.S.C. 4617(i)), provided that the entity is operating with capital support from the United States.

(b) *Certain provisions not applicable.* The provisions of § 246.12(b), (c), and (d) shall not apply to a sponsor described in paragraph (a)(1) or (2) of this section, its affiliates, or the issuing entity with respect to a securitization transaction for which the sponsor has retained credit risk in accordance with the requirements of this section.

(c) *Disclosure.* A sponsor relying on this section shall provide to investors, in written form under the caption "Credit Risk Retention" and, upon request, to the Federal Housing Finance Agency and the Commission, a description of the manner in which it has met the credit risk retention requirements of this part.

(ii) Has taken an allocation of the funded portion of the syndicated credit facility under the terms of the transaction that includes the CLO-eligible loan tranche of at least 20 percent of the aggregate principal balance at origination, and no other member (or members affiliated with each other) of the syndication group that funded at origination has taken a greater allocation; and

(iii) Is identified in the applicable agreement governing the CLO-eligible loan tranche; represents therein to the holders of the CLO-eligible loan tranche and to any holders of participation interests in such CLO-eligible loan tranche that such lead arranger satisfies the requirements of paragraph (i) of this definition and, at the time of initial funding of the CLO-eligible tranche, will satisfy the requirements of paragraph (ii) of this definition; further represents therein (solely for the purpose of assisting such holders to determine the eligibility of such CLO-eligible loan tranche to be held by an open market CLO) that in the reason-

able judgment of such lead arranger, the terms of such CLO-eligible loan tranche are consistent with the requirements of paragraphs (c)(2) and (3) of this section; and covenants therein to such holders that such lead arranger will fulfill the requirements of paragraph (c)(1) of this section.

(iii) The value of the collateral subject to such first priority security interest or lien, together with other attributes of the obligor (including, without limitation, its general financial condition, ability to generate cash flow available for debt service and other demands for that cash flow), is adequate (in the commercially reasonable judgment of the CLO manager exercised at the time of investment) to repay the loan and to repay all other indebtedness of equal seniority secured by such first priority security interest or lien in or on the same collateral, and the CLO manager certifies, on or prior to each date that it acquires a loan constituting part of a new CLO-eligible tranche, that it has policies and procedures to evaluate the likelihood of repayment of loans acquired by the CLO and it has followed such policies and procedures in evaluating each CLO-eligible loan tranche.

(b) *In general.* A sponsor satisfies the risk retention requirements of § 246.3 with respect to an open market CLO transaction if:

§ 246.15 Qualifying commercial loans, commercial real estate loans, and automobile loans.

(a) *General exception for qualifying assets.* Commercial loans, commercial real estate loans, and automobile loans that are securitized through a securitization transaction shall be subject to a 0 percent risk retention requirement under subpart B, provided that the following conditions are met:

(1) The assets meet the underwriting standards set forth in §§ 246.16 (qualifying commercial loans), 246.17 (qualifying CRE loans), or 246.18 (qualifying automobile loans) of this part, as applicable;

(2) The securitization transaction is collateralized solely by loans of the same asset class and by servicing assets;

(3) The securitization transaction does not permit reinvestment periods; and

(4) The sponsor provides, or causes to be provided, to potential investors a reasonable period of time prior to the sale of asset-backed securities of the issuing entity, and, upon request, to the Commission, and to its appropriate Federal banking agency, if any, in written form under the caption "Credit Risk Retention", a description of the

§ 246.16

17 CFR Ch. II (4–1–22 Edition)

manner in which the sponsor determined the aggregate risk retention requirement for the securitization transaction after including qualifying commercial loans, qualifying CRE loans, or qualifying automobile loans with 0 percent risk retention.

(b) *Risk retention requirement.* For any securitization transaction described in paragraph (a) of this section, the percentage of risk retention required under § 246.3(a) is reduced by the percentage evidenced by the ratio of the unpaid principal balance of the qualifying commercial loans, qualifying CRE loans, or qualifying automobile loans (as applicable) to the total unpaid principal balance of commercial loans, CRE loans, or automobile loans (as applicable) that are included in the pool of assets collateralizing the asset-backed securities issued pursuant to the securitization transaction (the qualifying asset ratio); provided that:

(1) The qualifying asset ratio is measured as of the cut-off date or similar date for establishing the composition of the securitized assets collateralizing the asset-backed securities issued pursuant to the securitization transaction;

(2) If the qualifying asset ratio would exceed 50 percent, the qualifying asset ratio shall be deemed to be 50 percent; and

(3) The disclosure required by paragraph (a)(4) of this section also includes descriptions of the qualifying commercial loans, qualifying CRE loans, and qualifying automobile loans (qualifying assets) and descriptions of the assets that are not qualifying assets, and the material differences between the group of qualifying assets and the group of assets that are not qualifying assets with respect to the composition of each group's loan balances, loan terms, interest rates, borrower credit information, and characteristics of any loan collateral.

(c) *Exception for securitizations of qualifying assets only.* Notwithstanding other provisions of this section, the risk retention requirements of subpart B of this part shall not apply to securitization transactions where the transaction is collateralized solely by servicing assets and either qualifying commercial loans, qualifying CRE loans, or qualifying automobile loans.

(d) *Record maintenance.* A sponsor must retain the disclosures required in paragraphs (a) and (b) of this section and the certifications required in §§ 246.16(a)(8), 246.17(a)(10), and 246.18(a)(8), as applicable, in its records until three years after all ABS interests issued in the securitization are no longer outstanding. The sponsor must provide the disclosures and certifications upon request to the Commission and the sponsor's appropriate Federal banking agency, if any.

(ii) The evaluation of the effectiveness of the depositor's internal supervisory controls referenced in paragraph (a)(8)(i) of this section shall be performed, for each issuance of an asset-backed security, as of a date within 60 days of the cut-off date or similar date for establishing the composition of the asset pool collateralizing such asset-backed security; and

(b) *Cure or buy-back requirement.* If a sponsor has relied on the exception provided in § 246.15 with respect to a qualifying commercial loan and it is subsequently determined that the loan did not meet all of the requirements set forth in paragraphs (a)(1) through (7) of this section, the sponsor shall not lose the benefit of the exception with respect to the commercial loan if the depositor complied with the certification requirement set forth in paragraph (a)(8) of this section and:

(1) The failure of the loan to meet any of the requirements set forth in paragraphs (a)(1) through (7) of this section is not material; or

(2) No later than 90 days after the determination that the loan does not meet one or more of the requirements of paragraphs (a)(1) through (7) of this section, the sponsor:

(ii) Repurchases the loan(s) from the issuing entity at a price at least equal to the remaining principal balance and accrued interest on the loan(s) as of the date of repurchase.

(3) If the sponsor cures or repurchases pursuant to paragraph (b)(2) of this section, the sponsor must promptly notify, or cause to be notified, the holders of the asset-backed securities issued in the securitization transaction of any loan(s) included in such securitization transaction that is required to be cured or repurchased by the sponsor pursuant to paragraph (b)(2) of this section, including the principal amount of such loan(s) and the cause for such cure or repurchase.

(b) *Cure or buy-back requirement.* If a sponsor has relied on the exception provided in § 246.15 with respect to a qualifying CRE loan and it is subsequently determined that the CRE loan did not meet all of the requirements set forth in paragraphs (a)(1) through (9) and (a)(11) of this section, the sponsor shall not lose the benefit of the exception with respect to the CRE loan if the depositor complied with the certification requirement set forth in paragraph (a)(10) of this section, and:

(1) The failure of the loan to meet any of the requirements set forth in paragraphs (a)(1) through (9) and (a)(11) of this section is not material; or;

(1) Contacts or keeps an appointment with a broker or dealer as a result of the referral; or

(2) Meets any objective, base-line qualification criteria established by the bank or broker or dealer for customer referrals, including such criteria as minimum assets, net worth, income, or marginal federal or state income tax rate, or any requirement for citizenship or residency that the broker or dealer, or the bank, may have established generally for referrals for securities brokerage accounts.

(i) The bank, either on a stand-alone or consolidated basis;

(ii) Any affiliate of the bank (other than a broker or dealer), or any operating unit of the bank or an affiliate (other than a broker or dealer), if the affiliate or operating unit does not over time predominately engage in the business of making referrals to a broker or dealer; or

(A) Such measure of overall profitability or revenue is only one of multiple factors or variables used to determine the compensation of the officer, director or employee;

(B) The factors or variables used to determine the compensation of the officer, director or employee include multiple significant factors or variables that are not related to the profitability or revenue of the broker or dealer;

(C) A referral made by the employee is not a factor or variable in determining the employee's compensation under the plan; and

(2) *Examples—(i) Information included.* Personally identifiable financial information includes:

(A) Information a consumer provides to you on an application to obtain a loan, credit card, or other financial product or service;

(B) Account balance information, payment history, overdraft history, and credit or debit card purchase information;

(C) The fact that an individual is or has been one of your customers or has obtained a financial product or service from you;

(D) Any information about your consumer if it is disclosed in a manner that indicates that the individual is or has been your consumer;

(E) Any information that a consumer provides to you or that you or your agent otherwise obtain in connection with collecting on a loan or servicing a loan;

(F) Any information you collect through an Internet "cookie" (an information collecting device from a web server); and

(G) Information from a consumer report.

(ii) *Information not included.* Personally identifiable financial information does not include:

(A) A list of names and addresses of customers of an entity that is not a financial institution; or

(B) Information that does not identify a consumer, such as aggregate information or blind data that does not contain personal identifiers such as account numbers, names, or addresses.

(v)(1) *Publicly available information* means any information that you reasonably believe is lawfully made available to the general public from:

(i) Federal, State, or local government records;

(ii) Widely distributed media; or

(iii) Disclosures to the general public that are required to be made by federal, State, or local law.

(2) *Examples—(i) Reasonable belief.* (A) You have a reasonable belief that information about your consumer is made available to the general public if you have confirmed, or your consumer has represented to you, that the information is publicly available from a source described in paragraphs (v)(1)(i)–(iii) of this section;

(B) You have a reasonable belief that information about your consumer is made available to the general public if you have taken steps to submit the information, in accordance with your internal procedures and policies and with applicable law, to a keeper of federal, State, or local government records that is required by law to make the information publicly available.

(C) You have a reasonable belief that an individual's telephone number is lawfully made available to the general public if you have located the telephone number in the telephone book or the consumer has informed you that the telephone number is not unlisted.

(D) You do not have a reasonable belief that information about a consumer is publicly available solely because that information would normally be recorded with a keeper of federal, State, or local government records that is required by law to make the information publicly available, if the consumer has the ability in accordance with applicable law to keep that information nonpublic, such as where a consumer may record a deed in the name of a blind trust.

(ii) *Government records.* Publicly available information in government records includes information in government real estate records and security interest filings.

(iii) *Widely distributed media.* Publicly available information from widely distributed media includes information from a telephone book, a television or radio program, a newspaper, or a web site that is available to the general public on an unrestricted basis. A web site is not restricted merely because an Internet service provider or a site operator requires a fee or a password, so long as access is available to the general public.

(w) *You means:*

(1) Any broker or dealer;

(2) Any investment company; and

(3) Any investment adviser registered with the Commission under the Investment Advisers Act of 1940.

PRIVACY AND OPT OUT NOTICES

§ 248.4 Initial privacy notice to consumers required.

(a) *Initial notice requirement.* You must provide a clear and conspicuous notice that accurately reflects your privacy policies and practices to:

(1) *Customer.* An individual who becomes your customer, not later than when you establish a customer rela-

tionship, except as provided in paragraph (e) of this section; and

(2) *Consumer.* A consumer, before you disclose any nonpublic personal information about the consumer to any nonaffiliated third party, if you make such a disclosure other than as authorized by §§ 248.14 and 248.15.

(b) *When initial notice to a consumer is not required.* You are not required to provide an initial notice to a consumer under paragraph (a) of this section if:

(1) You do not disclose any nonpublic personal information about the consumer to any nonaffiliated third party, other than as authorized by §§ 248.14 and 248.15; and

(2) You do not have a customer relationship with the consumer.

(c) *When you establish a customer relationship—(1) General rule.* You establish a customer relationship when you and the consumer enter into a continuing relationship.

(2) *Special rule for loans.* You do not have a customer relationship with a consumer if you buy a loan made to the consumer but do not have the servicing rights for that loan.

(3) *Examples of establishing customer relationship.* You establish a customer relationship when the consumer:

(i) Effects a securities transaction with you or opens a brokerage account with you under your procedures;

(ii) Opens a brokerage account with an introducing broker or dealer that clears transactions with and for its customers through you on a fully disclosed basis;

(iii) Enters into an advisory contract with you (whether in writing or orally); or

(iv) Purchases shares you have issued (and the consumer is the record owner of the shares), if you are an investment company.

(d) *Existing customers.* When an existing customer obtains a new financial product or service from you that is to be used primarily for personal, family, or household purposes, you satisfy the initial notice requirements of paragraph (a) of this section as follows:

(1) You may provide a revised privacy notice, under § 248.8, that covers the customer's new financial product or service; or

§ 248.5

17 CFR Ch. II (4–1–22 Edition)

(2) If the initial, revised, or annual notice that you most recently provided to that customer was accurate with respect to the new financial product or service, you do not need to provide a new privacy notice under paragraph (a) of this section.

(e) *Exceptions to allow subsequent delivery of notice.* (1) You may provide the initial notice required by paragraph (a)(1) of this section within a reasonable time after you establish a customer relationship if:

(i) Establishing the customer relationship is not at the customer's election;

(ii) Providing notice not later than when you establish a customer relationship would substantially delay the customer's transaction and the customer agrees to receive the notice at a later time; or

(iii) A nonaffiliated broker or dealer or investment adviser establishes a customer relationship between you and a consumer without your prior knowledge.

(2) *Examples of exceptions*—(i) *Not at customer's election.* Establishing a customer relationship is not at the customer's election if the customer's account is transferred to you by a trustee selected by the Securities Investor Protection Corporation ("SIPC") and appointed by a United States Court.

(ii) *Substantial delay of customer's transaction.* Providing notice not later than when you establish a customer relationship would substantially delay the customer's transaction when you and the individual agree over the telephone to enter into a customer relationship involving prompt delivery of the financial product or service.

(iii) *No substantial delay of customer's transaction.* Providing notice not later than when you establish a customer relationship would not substantially delay the customer's transaction when the relationship is initiated in person at your office or through other means by which the customer may view the notice, such as on a web site.

(f) *Delivery.* When you are required to deliver an initial privacy notice by this section, you must deliver it according to § 248.9. If you use a short-form initial notice for non-customers according to

§ 248.6(d), you may deliver your privacy notice according to § 248.6(d)(3).

§ 248.5 Annual privacy notice to customers required.

(a)(1) *General rule.* You must provide a clear and conspicuous notice to customers that accurately reflects your privacy policies and practices not less than annually during the continuation of the customer relationship. *Annually* means at least once in any period of 12 consecutive months during which that relationship exists. You may define the 12-consecutive-month period, but you must apply it to the customer on a consistent basis.

(2) *Example.* You provide a notice annually if you define the 12-consecutive-month period as a calendar year and provide the annual notice to the customer once in each calendar year following the calendar year in which you provided the initial notice. For example, if a customer opens an account on any day of year 1, you must provide an annual notice to that customer by December 31 of year 2.

(b)(1) *Termination of customer relationship.* You are not required to provide an annual notice to a former customer.

(2) *Examples.* Your customer becomes a former customer when:

(i) The individual's brokerage account is closed;

(ii) The individual's investment advisory contract is terminated;

(iii) You are an investment company and the individual is no longer the record owner of securities you have issued; or

(iv) You are an investment company and your customer has been determined to be a lost securityholder as defined in 17 CFR 240.17a-24(b).

(c) *Special rule for loans.* If you do not have a customer relationship with a consumer under the special provision for loans in § 248.4(c)(2), then you need not provide an annual notice to that consumer under this section.

(d) *Delivery.* When you are required to deliver an annual privacy notice by this section, you must deliver it according to § 248.9.

§ 248.6 Information to be included in privacy notices.

(a) *General rule.* The initial, annual, and revised privacy notices that you provide under §§ 248.4, 248.5, and 248.8 must include each of the following items of information that applies to you or to the consumers to whom you send your privacy notice, in addition to any other information you wish to provide:

(1) The categories of nonpublic personal information that you collect;

(2) The categories of nonpublic personal information that you disclose;

(3) The categories of affiliates and nonaffiliated third parties to whom you disclose nonpublic personal information, other than those parties to whom you disclose information under §§ 248.14 and 248.15;

(4) The categories of nonpublic personal information about your former customers that you disclose and the categories of affiliates and nonaffiliated third parties to whom you disclose nonpublic personal information about your former customers, other than those parties to whom you disclose information under §§ 248.14 and 248.15;

(5) If you disclose nonpublic personal information to a nonaffiliated third party under § 248.13 (and no other exception applies to that disclosure), a separate statement of the categories of information you disclose and the categories of third parties with whom you have contracted;

(6) An explanation of the consumer's right under § 248.10(a) to opt out of the disclosure of nonpublic personal information to nonaffiliated third parties, including the method(s) by which the consumer may exercise that right at that time;

(7) Any disclosures that you make under section 603(d)(2)(A)(iii) of the Fair Credit Reporting Act (15 U.S.C. 1681a(d)(2)(A)(iii)) (that is, notices regarding the ability to opt out of disclosures of information among affiliates);

(8) Your policies and practices with respect to protecting the confidentiality and security of nonpublic personal information; and

(9) Any disclosure that you make under paragraph (b) of this section.

(b) *Description of nonaffiliated third parties subject to exceptions.* If you disclose nonpublic personal information to third parties as authorized under §§ 248.14 and 248.15, you are not required to list those exceptions in the initial or annual privacy notices required by §§ 248.4 and 248.5. When describing the categories with respect to those parties, it is sufficient to state that you make disclosures to other nonaffiliated companies:

(1) For your everyday business purposes such as [*include all that apply*] to process transactions, maintain account(s), respond to court orders and legal investigations, or report to credit bureaus; or

(2) As permitted by law.

(c) *Examples—*(1) *Categories of nonpublic personal information that you collect.* You satisfy the requirement to categorize the nonpublic personal information that you collect if you list the following categories, as applicable:

(i) Information from the consumer;

(ii) Information about the consumer's transactions with you or your affiliates;

(iii) Information about the consumer's transactions with nonaffiliated third parties; and

(iv) Information from a consumer-reporting agency.

(2) *Categories of nonpublic personal information you disclose.* (i) You satisfy the requirement to categorize the nonpublic personal information that you disclose if you list the categories described in paragraph (e)(1) of this section, as applicable, and a few examples to illustrate the types of information in each category.

(ii) If you reserve the right to disclose all of the nonpublic personal information about consumers that you collect, you may simply state that fact without describing the categories or examples of the nonpublic personal information you disclose.

(3) *Categories of affiliates and nonaffiliated third parties to whom you disclose.* You satisfy the requirement to categorize the affiliates and nonaffiliated third parties to whom you

§ 248.6

17 CFR Ch. II (4–1–22 Edition)

disclose nonpublic personal information if you list the following categories, as applicable, and a few examples to illustrate the types of third parties in each category:

- (i) Financial service providers;
- (ii) Non-financial companies; and
- (iii) Others.

(4) *Disclosures under exception for service providers and joint marketers.* If you disclose nonpublic personal information under the exception in § 248.13 to a nonaffiliated third party to market products or services that you offer alone or jointly with another financial institution, you satisfy the disclosure requirement of paragraph (a)(5) of this section if you:

(i) List the categories of nonpublic personal information you disclose, using the same categories and examples you used to meet the requirements of paragraph (a)(2) of this section, as applicable; and

(ii) State whether the third party is:

(A) A service provider that performs marketing services on your behalf or on behalf of you and another financial institution; or

(B) A financial institution with which you have a joint marketing agreement.

(5) *Simplified notices.* If you do not disclose, and do not wish to reserve the right to disclose, nonpublic personal information to affiliates or non-affiliated third parties except as authorized under §§ 248.14 and 248.15, you may simply state that fact, in addition to the information you must provide under paragraphs (a)(1), (a)(8), (a)(9), and (b) of this section.

(6) *Confidentiality and security.* You describe your policies and practices with respect to protecting the confidentiality and security of nonpublic personal information if you do both of the following:

(i) Describe in general terms who is authorized to have access to the information; and

(ii) State whether you have security practices and procedures in place to ensure the confidentiality of the information in accordance with your policy. You are not required to describe technical information about the safeguards you use.

(d) *Short-form initial notice with opt out notice for non-customers.* (1) You may satisfy the initial notice requirements in §§ 248.4(a)(2), 248.7(b), and 248.7(c) for a consumer who is not a customer by providing a short-form initial notice at the same time as you deliver an opt out notice as required in § 248.7.

(2) A short-form initial notice must:

- (i) Be clear and conspicuous;
- (ii) State that your privacy notice is available upon request; and
- (iii) Explain a reasonable means by which the consumer may obtain the privacy notice.

(3) You must deliver your short-form initial notice according to § 248.9. You are not required to deliver your privacy notice with your short-form initial notice. You instead may simply provide the consumer a reasonable means to obtain your privacy notice. If a consumer who receives your short-form notice requests your privacy notice, you must deliver your privacy notice according to § 248.9.

(4) *Examples of obtaining privacy notice.* You provide a reasonable means by which a consumer may obtain a copy of your privacy notice if you:

(i) Provide a toll-free telephone number that the consumer may call to request the notice; or

(ii) For a consumer who conducts business in person at your office, maintain copies of the notice on hand that you provide to the consumer immediately upon request.

(e) *Future disclosures.* Your notice may include:

(1) Categories of nonpublic personal information that you reserve the right to disclose in the future, but do not currently disclose; and

(2) Categories of affiliates or non-affiliated third parties to whom you reserve the right in the future to disclose, but to whom you do not currently disclose, nonpublic personal information.

(f) *Model privacy form.* Pursuant to § 248.2(a) and appendix A to subpart A of this part, Form S-P meets the notice content requirements of this section.

[65 FR 40362, June 29, 2000, as amended at 74 FR 62985, Dec. 1, 2009]

§ 248.7 Form of opt out notice to consumers; opt out methods.

(a)(1) *Form of opt out notice.* If you are required to provide an opt out notice under § 248.10(a), you must provide a clear and conspicuous notice to each of your consumers that accurately explains the right to opt out under that section. The notice must state:

- (i) That you disclose or reserve the right to disclose nonpublic personal information about your consumer to a nonaffiliated third party;
- (ii) That the consumer has the right to opt out of that disclosure; and
- (iii) A reasonable means by which the consumer may exercise the opt out right.

(2) *Examples—(i) Adequate opt out notice.* You provide adequate notice that the consumer can opt out of the disclosure of nonpublic personal information to a nonaffiliated third party if you:

(A) Identify all of the categories of nonpublic personal information that you disclose or reserve the right to disclose, and all of the categories of nonaffiliated third parties to which you disclose the information, as described in § 248.6(a)(2) and (3) and state that the consumer can opt out of the disclosure of that information; and

(B) Identify the financial products or services that the consumer obtains from you, either singly or jointly, to which the opt out direction would apply.

(ii) *Reasonable opt out means.* You provide a reasonable means to exercise an opt out right if you:

(A) Designate check-off boxes in a prominent position on the relevant forms with the opt out notice;

(B) Include a reply form together with the opt out notice;

(C) Provide an electronic means to opt out, such as a form that can be sent via electronic mail or a process at your web site, if the consumer agrees to the electronic delivery of information; or

(D) Provide a toll-free telephone number that consumers may call to opt out.

(iii) *Unreasonable opt out means.* You do not provide a reasonable means of opting out if:

(A) The only means of opting out is for the consumer to write his or her

own letter to exercise that opt out right; or

(B) The only means of opting out as described in any notice subsequent to the initial notice is to use a check-off box that you provided with the initial notice but did not include with the subsequent notice.

(iv) *Specific opt out means.* You may require each consumer to opt out through a specific means, as long as that means is reasonable for that consumer.

(b) *Same form as initial notice permitted.* You may provide the opt out notice together with or on the same written or electronic form as the initial notice you provide in accordance with § 248.4.

(c) *Initial notice required when opt out notice delivered subsequent to initial notice.* If you provide the opt out notice after the initial notice in accordance with § 248.4, you must also include a copy of the initial notice with the opt out notice in writing or, if the consumer agrees, electronically.

(d) *Joint relationships.* (1) If two or more consumers jointly obtain a financial product or service from you, you may provide a single opt out notice. Your opt out notice must explain how you will treat an opt out direction by a joint consumer.

(2) Any of the joint consumers may exercise the right to opt out. You may either:

(i) Treat an opt out direction by a joint consumer as applying to all of the associated joint consumers; or

(ii) Permit each joint consumer to opt out separately.

(3) If you permit each joint consumer to opt out separately, you must permit one of the joint consumers to opt out on behalf of all of the joint consumers.

(4) You may not require *all* joint consumers to opt out before you implement *any* opt out direction.

(5) *Example.* If John and Mary have a joint brokerage account with you and arrange for you to send statements to John's address, you may do any of the following, but you must explain in your opt out notice which opt out policy you will follow:

(i) Send a single opt out notice to John's address, but you must accept an

§ 248.8

17 CFR Ch. II (4–1–22 Edition)

opt out direction from either John or Mary;

(ii) Treat an opt out direction by either John or Mary as applying to the entire account. If you do so, and John opts out, you may not require Mary to opt out as well before implementing John's opt out direction; or

(iii) Permit John and Mary to make different opt out directions. If you do so:

(A) You must permit John and Mary to opt out for each other.

(B) If both opt out, you must permit both to notify you in a single response (such as on a form or through a telephone call).

(C) If John opts out and Mary does not, you may only disclose nonpublic personal information about Mary, but not about John and not about John and Mary jointly.

(e) *Time to comply with opt out.* You must comply with a consumer's opt out direction as soon as reasonably practicable after you receive it.

(f) *Continuing right to opt out.* A consumer may exercise the right to opt out at any time.

(g) *Duration of consumer's opt out direction.* (1) A consumer's direction to opt out under this section is effective until the consumer revokes it in writing or, if the consumer agrees, electronically.

(2) When a customer relationship terminates, the customer's opt out direction continues to apply to the nonpublic personal information that you collected during or related to that relationship. If the individual subsequently establishes a new customer relationship with you, the opt out direction that applied to the former relationship does not apply to the new relationship.

(h) *Delivery.* When you are required to deliver an opt out notice by this section, you must deliver it according to § 248.9.

(i) *Model privacy form.* Pursuant to § 248.2(a) and appendix A to subpart A of this part, Form S-P meets the notice content requirements of this section.

[65 FR 40362, June 29, 2000, as amended at 74 FR 62985, Dec. 1, 2009]

§ 248.8 Revised privacy notices.

(a) *General rule.* Except as otherwise authorized in this subpart, you must not, directly or through any affiliate, disclose any nonpublic personal information about a consumer to a non-affiliated third party other than as described in the initial notice that you provided to that consumer under § 248.4, unless:

(1) You have provided to the consumer a clear and conspicuous revised notice that accurately describes your policies and practices;

(2) You have provided to the consumer a new opt out notice;

(3) You have given the consumer a reasonable opportunity, before you disclose the information to the non-affiliated third party, to opt out of the disclosure; and

(4) The consumer does not opt out.

(b) *Examples.* (1) Except as otherwise permitted by §§ 248.13, 248.14, and 248.15, you must provide a revised notice before you:

(i) Disclose a new category of nonpublic personal information to any nonaffiliated third party;

(ii) Disclose nonpublic personal information to a new category of non-affiliated third party; or

(iii) Disclose nonpublic personal information about a former customer to a nonaffiliated third party, if that former customer has not had the opportunity to exercise an opt out right regarding that disclosure.

(2) A revised notice is not required if you disclose nonpublic personal information to a new nonaffiliated third party that you adequately described in your prior notice.

(c) *Delivery.* When you are required to deliver a revised privacy notice by this section, you must deliver it according to § 248.9.

§ 248.9 Delivering privacy and opt out notices.

(a) *How to provide notices.* You must provide any privacy notices and opt out notices, including short-form initial notices that this subpart requires so that each consumer can reasonably be expected to receive actual notice in writing or, if the consumer agrees, electronically.

(b)(1) *Examples of reasonable expectation of actual notice.* You may reasonably expect that a consumer will receive actual notice if you:

(i) Hand-deliver a printed copy of the notice to the consumer;

(ii) Mail a printed copy of the notice to the last known address of the consumer;

(iii) For the consumer who conducts transactions electronically, post the notice on the electronic site and require the consumer to acknowledge receipt of the notice as a necessary step to obtaining a particular financial product or service; or

(iv) For an isolated transaction with the consumer, such as an ATM transaction, post the notice on the ATM screen and require the consumer to acknowledge receipt of the notice as a necessary step to obtaining the particular financial product or service.

(2) *Examples of unreasonable expectation of actual notice.* You may not, however, reasonably expect that a consumer will receive actual notice of your privacy policies and practices if you:

(i) Only post a sign in your branch or office or generally publish advertisements of your privacy policies and practices; or

(ii) Send the notice via electronic mail to a consumer who does not obtain a financial product or service from you electronically.

(c) *Annual notices only.* (1) You may reasonably expect that a customer will receive actual notice of your annual privacy notice if:

(i) The customer uses your web site to access financial products and services electronically and agrees to receive notices at the web site and you post your current privacy notice continuously in a clear and conspicuous manner on the web site; or

(ii) The customer has requested that you refrain from sending any information regarding the customer relationship, and your current privacy notice remains available to the customer upon request.

(2) *Example of reasonable expectation of receipt of annual privacy notice.* You may reasonably expect that consumers who share an address will receive actual notice of your annual privacy notice

if you deliver the notice with or in a stockholder or shareholder report under the conditions in 17 CFR 270.30d-1(f) or 17 CFR 270.30d-2(b), or with or in a prospectus under the conditions in 17 CFR 230.154.

(d) *Oral description of notice insufficient.* You may not provide any notice required by this subpart solely by orally explaining the notice, either in person or over the telephone.

(e) *Retention or accessibility of notices for customers.* (1) For customers only, you must provide the initial notice required by § 248.4(a)(1), the annual notice required by § 248.5(a), and the revised notice required by § 248.8, so that the customer can retain them or obtain them later in writing or, if the customer agrees, electronically.

(2) *Examples of retention or accessibility.* You provide a privacy notice to the customer so that the customer can retain it or obtain it later if you:

(i) Hand-deliver a printed copy of the notice to the customer;

(ii) Mail a printed copy of the notice to the last known address of the customer; or

(iii) Make your current privacy notice available on a web site (or a link to another web site) for the customer who obtains a financial product or service electronically and agrees to receive the notice at the web site.

(f) *Joint notice with other financial institutions.* You may provide a joint notice from you and one or more of your affiliates or other financial institutions, as identified in the notice, as long as the notice is accurate with respect to you and the other institutions.

(g) *Joint relationships.* If two or more consumers jointly obtain a financial product or service from you, you may satisfy the initial, annual, and revised notice requirements of paragraph (a) of this section by providing one notice to those consumers jointly.

LIMITS ON DISCLOSURES

§ 248.10 Limits on disclosure of non-public personal information to non-affiliated third parties.

(a)(1) *Conditions for disclosure.* Except as otherwise authorized in this subpart, you may not, directly or through any affiliate, disclose any nonpublic

§ 248.11

17 CFR Ch. II (4–1–22 Edition)

personal information about a consumer to a nonaffiliated third party unless:

(i) You have provided to the consumer an initial notice as required under § 248.4;

(ii) You have provided to the consumer an opt out notice as required in § 248.7;

(iii) You have given the consumer a reasonable opportunity, before you disclose the information to the nonaffiliated third party, to opt out of the disclosure; and

(iv) The consumer does not opt out.

(2) *Opt out definition.* Opt out means a direction by the consumer that you not disclose nonpublic personal information about that consumer to a nonaffiliated third party, other than as permitted by §§ 248.13, 248.14, and 248.15.

(3) *Examples of reasonable opportunity to opt out.* You provide a consumer with a reasonable opportunity to opt out if:

(i) *By mail.* You mail the notices required in paragraph (a)(1) of this section to the consumer and allow the consumer to opt out by mailing a form, calling a toll-free telephone number, or any other reasonable means within 30 days after the date you mailed the notices.

(ii) *By electronic means.* A customer opens an on-line account with you and agrees to receive the notices required in paragraph (a)(1) of this section electronically, and you allow the customer to opt out by any reasonable means within 30 days after the date that the customer acknowledges receipt of the notices in conjunction with opening the account.

(iii) *Isolated transaction with consumer.* For an isolated transaction, such as the provision of brokerage services to a consumer as an accommodation, you provide the consumer with a reasonable opportunity to opt out if you provide the notices required in paragraph (a)(1) of this section at the time of the transaction and request that the consumer decide, as a necessary part of the transaction, whether to opt out before completing the transaction.

(b) *Application of opt out to all consumers and all nonpublic personal information.* (1) You must comply with this section, regardless of whether you and

the consumer have established a customer relationship.

(2) Unless you comply with this section, you may not, directly or through any affiliate, disclose any nonpublic personal information about a consumer that you have collected, regardless of whether you collected it before or after receiving the direction to opt out from the consumer.

(c) *Partial opt out.* You may allow a consumer to select certain nonpublic personal information or certain nonaffiliated third parties with respect to which the consumer wishes to opt out.

§ 248.11 Limits on redisclosure and reuse of information.

(a)(1) *Information you receive under an exception.* If you receive nonpublic personal information from a nonaffiliated financial institution under an exception in § 248.14 or § 248.15, your disclosure and use of that information is limited as follows:

(i) You may disclose the information to the affiliates of the financial institution from which you received the information;

(ii) You may disclose the information to your affiliates, but your affiliates may, in turn, disclose and use the information only to the extent that you may disclose and use the information; and

(iii) You may disclose and use the information pursuant to an exception in § 248.14 or § 248.15 in the ordinary course of business to carry out the activity covered by the exception under which you received the information.

(2) *Example.* If you receive a customer list from a nonaffiliated financial institution in order to provide account-processing services under the exception in § 248.14(a), you may disclose that information under any exception in § 248.14 or § 248.15 in the ordinary course of business in order to provide those services. You could also disclose that information in response to a properly authorized subpoena or in the ordinary course of business to your attorneys, accountants, and auditors. You could not disclose that information to a third party for marketing purposes or use that information for your own marketing purposes.

(b)(1) *Information you receive outside of an exception.* If you receive nonpublic personal information from a non-affiliated financial institution other than under an exception in §248.14 or §248.15, you may disclose the information only:

(i) To the affiliates of the financial institution from which you received the information;

(ii) To your affiliates, but your affiliates may, in turn, disclose the information only to the extent that you can disclose the information; and

(iii) To any other person, if the disclosure would be lawful if made directly to that person by the financial institution from which you received the information.

(2) *Example.* If you obtain a customer list from a nonaffiliated financial institution outside of the exceptions in §§248.14 and 248.15:

(i) You may use that list for your own purposes;

(ii) You may disclose that list to another nonaffiliated third party only if the financial institution from which you purchased the list could have lawfully disclosed the list to that third party. That is, you may disclose the list in accordance with the privacy policy of the financial institution from which you received the list, as limited by the opt out direction of each consumer whose nonpublic personal information you intend to disclose, and you may disclose the list in accordance with an exception in §248.14 or §248.15, such as in the ordinary course of business to your attorneys, accountants, or auditors.

(c) *Information you disclose under an exception.* If you disclose nonpublic personal information to a nonaffiliated third party under an exception in §248.14 or §248.15, the third party may disclose and use that information only as follows:

(1) The third party may disclose the information to your affiliates;

(2) The third party may disclose the information to its affiliates, but its affiliates may, in turn, disclose and use the information only to the extent that the third party may disclose and use the information; and

(3) The third party may disclose and use the information pursuant to an ex-

ception in §248.14 or §248.15 in the ordinary course of business to carry out the activity covered by the exception under which it received the information.

(d) *Information you disclose outside of an exception.* If you disclose nonpublic personal information to a nonaffiliated third party other than under an exception in §248.14 or §248.15, the third party may disclose the information only:

(1) To your affiliates;

(2) To its affiliates, but its affiliates, in turn, may disclose the information only to the extent the third party can disclose the information; and

(3) To any other person, if the disclosure would be lawful if you made it directly to that person.

§ 248.12 Limits on sharing account number information for marketing purposes.

(a) *General prohibition on disclosure of account numbers.* You must not, directly or through an affiliate, disclose, other than to a consumer reporting agency, an account number or similar form of access number or access code for a consumer's credit card account, deposit account, or transaction account to any nonaffiliated third party for use in telemarketing, direct mail marketing, or other marketing through electronic mail to the consumer.

(b) *Exceptions.* Paragraph (a) of this section does not apply if you disclose an account number or similar form of access number or access code:

(1) To your agent or service provider solely in order to perform marketing for your own products or services, as long as the agent or service provider is not authorized to directly initiate charges to the account; or

(2) To a participant in a private label credit card program or an affinity or similar program where the participants in the program are identified to the customer when the customer enters into the program.

(c) *Example—Account number.* An account number, or similar form of access number or access code, does not include a number or code in an encrypted form, as long as you do not

§ 248.13

17 CFR Ch. II (4–1–22 Edition)

EXCEPTIONS

§ 248.13 Exception to opt out requirements for service providers and joint marketing.

(a) *General rule.* (1) The opt out requirements in §§ 248.7 and 248.10 do not apply when you provide nonpublic personal information to a nonaffiliated third party to perform services for you or functions on your behalf, if you:

(1) Processing or servicing a financial product or service that a consumer requests or authorizes;

(2) Maintaining or servicing the consumer's account with you, or with another entity as part of a private label credit card program or other extension of credit on behalf of such entity; or

B. General Instructions

1. How the Model Privacy Form is Used

(a) The model form may be used, at the option of a financial institution, including a group of financial institutions that use a common privacy notice, to meet the content requirements of the privacy notice and opt-out notice set forth in §§248.6 and 248.7 of this part.

(b) The model form is a standardized form, including page layout, content, format, style, pagination, and shading. Institutions seeking to obtain the safe harbor through use of the model form may modify it only as described in these instructions.

(c) Note that disclosure of certain information, such as assets, income, and information from a consumer reporting agency, may give rise to obligations under the Fair Credit Reporting Act [15 U.S.C. 1681–1681x] (FCRA), such as a requirement to permit a consumer to opt out of disclosures to affiliates or designation as a consumer reporting agency if disclosures are made to nonaffiliated third parties.

(d) The word “customer” may be replaced by the word “member” whenever it appears in the model form, as appropriate.

2. The Contents of the Model Privacy Form

(4) Disclosure table (“Reasons we can share your personal information”).

(5) “To limit our sharing” box, as needed, for the financial institution’s opt-out information.

(6) “Questions” box, for customer service contact information.

(7) Mail-in opt-out form, as needed.

(b) *Logo.* A financial institution may include a corporate logo on any page of the notice, so long as it does not interfere with the

readability of the model form or the space constraints of each page.

(c) *Page size and orientation.* Each page of the model form must be printed on paper in portrait orientation, the size of which must be sufficient to meet the layout and minimum font size requirements, with sufficient white space on the top, bottom, and sides of the content.

(d) *Color.* The model form must be printed on white or light color paper (such as cream) with black or other contrasting ink color. Spot color may be used to achieve visual interest, so long as the color contrast is distinctive and the color does not detract from the readability of the model form. Logos may also be printed in color.

(e) *Languages.* The model form may be translated into languages other than English.

C. Information Required in the Model Privacy Form

The information in the model form may be modified only as described below:

The information shall appear in minimum 8-point font as “rev. [month/year]” using either the name or number of the month, such as “rev. July 2009” or “rev. 7/09”.

(b) *General instructions for the “What?” box.*

(1) The bulleted list identifies the types of personal information that the institution collects and shares. All institutions must use the term “Social Security number” in the first bullet.

(2) Institutions must use five (5) of the following terms to complete the bulleted list: income; account balances; payment history; transaction history; transaction or loss history; credit history; credit scores; assets; investment experience; credit-based insurance scores; insurance claim history; medical information; overdraft history; purchase history; account transactions; risk tolerance; medical-related debts; credit card or other debt; mortgage rates and payments; retirement assets; checking account information; employment information; wire transfer instructions.

(c) *General instructions for the disclosure table.* The left column lists reasons for sharing or using personal information. Each rea-

son correlates to a specific legal provision described in paragraph C.2(d) of this Instruction. In the middle column, each institution must provide a “Yes” or “No” response that accurately reflects its information sharing policies and practices with respect to the reason listed on the left. In the right column, each institution must provide in each box one of the following three (3) responses, as applicable, that reflects whether a consumer can limit such sharing: “Yes” if it is required to or voluntarily provides an opt-out; “No” if it does not provide an opt-out; or “We don’t share” if it answers “No” in the middle column. Only the sixth row (“For our affiliates to market to you”) may be omitted at the option of the institution. See paragraph C.2(d)(6) of this Instruction.

(d) *Specific disclosures and corresponding legal provisions.* (1) *For our everyday business purposes.* This reason incorporates sharing information under §§248.14 and 248.15 and with service providers pursuant to §248.13 of this part other than the purposes specified in paragraphs C.2(d)(2) or C.2(d)(3) of these Instructions.

(2) *For our marketing purposes.* This reason incorporates sharing information with service providers by an institution for its own marketing pursuant to §248.13 of this part. An institution that shares for this reason may choose to provide an opt-out.

(3) *For joint marketing with other financial companies.* This reason incorporates sharing information under joint marketing agreements between two or more financial institutions and with any service provider used in connection with such agreements pursuant to §248.13 of this part. An institution that shares for this reason may choose to provide an opt-out.

(4) *For our affiliates’ everyday business purposes—information about transactions and experiences.* This reason incorporates sharing information specified in sections 603(d)(2)(A)(i) and (ii) of the FCRA. An institution that shares for this reason may choose to provide an opt-out.

(5) *For our affiliates’ everyday business purposes—information about creditworthiness.* This reason incorporates sharing information pursuant to section 603(d)(2)(A)(iii) of the FCRA. An institution that shares for this reason must provide an opt-out.

(6) *For our affiliates to market to you.* This reason incorporates sharing information specified in section 624 of the FCRA. This reason may be omitted from the disclosure table when: the institution does not have affiliates (or does not disclose personal information to its affiliates); the institution’s affiliates do not use personal information in a manner that requires an opt-out; or the institution provides the affiliate marketing notice separately. Institutions that include

this reason must provide an opt-out of indefinite duration. An institution that is required to provide an affiliate marketing opt-out, but does not include that opt-out in the model form under this part, must comply with section 624 of the FCRA and 17 CFR part 248, subpart B, with respect to the initial notice and opt-out and any subsequent renewal notice and opt-out. An institution not required to provide an opt-out under this subparagraph may elect to include this reason in the model form.

(7) *For nonaffiliates to market to you.* This reason incorporates sharing described in §§248.7 and 248.10(a) of this part. An institution that shares personal information for this reason must provide an opt-out.

(e) *To limit our sharing:* A financial institution must include this section of the model form *only* if it provides an opt-out. The word “choice” may be written in either the singular or plural, as appropriate. Institutions must select one or more of the applicable opt-out methods described: telephone, such as by a toll-free number; a Web site; or use of a mail-in opt-out form. Institutions may include the words “toll-free” before telephone, as appropriate. An institution that allows consumers to opt out online must provide either a specific Web address that takes consumers directly to the opt-out page or a general Web address that provides a clear and conspicuous direct link to the opt-out page. The opt-out choices made available to the consumer who contacts the institution through these methods must correspond accurately to the “Yes” responses in the third column of the disclosure table. In the part titled “Please note” institutions may insert a number that is 30 or greater in the space marked “[30].” Instructions on voluntary or state privacy law opt-out information are in paragraph C.2(g)(5) of these Instructions.

(f) *Questions box.* Customer service contact information must be inserted as appropriate, where [phone number] or [Web site] appear. Institutions may elect to provide either a phone number, such as a toll-free number, or a Web address, or both. Institutions may include the words “toll-free” before the telephone number, as appropriate.

(g) *Mail-in opt-out form.* Financial institutions must include this mail-in form *only* if they state in the “To limit our sharing” box that consumers can opt out by mail. The mail-in form must provide opt-out options that correspond accurately to the “Yes” responses in the third column in the disclosure table. Institutions that require customers to provide only name and address may omit the section identified as “[account #].” Institutions that require additional or different information, such as a random opt-out number or a truncated account number, to implement an opt-out election should modify the “[account #]” reference accordingly. This includes institutions that require customers

with multiple accounts to identify each account to which the opt-out should apply. An institution must enter its opt-out mailing address: in the far right of this form (see version 3); or below the form (see version 4). The reverse side of the mail-in opt-out form must not include any content of the model form.

(1) *Joint accountholder.* Only institutions that provide their joint accountholders the choice to opt out for only one accountholder, in accordance with paragraph C.3(a)(5) of these Instructions, must include in the far left column of the mail-in form the following statement: “If you have a joint account, your choice(s) will apply to everyone on your account unless you mark below. ☐ Apply my choice(s) only to me.” The word “choice” may be written in either the singular or plural, as appropriate. Financial institutions that provide insurance products or services, provide this option, and elect to use the model form may substitute the word “policy” for “account” in this statement. Institutions that do not provide this option may eliminate this left column from the mail-in form.

(2) *FCRA Section 603(d)(2)(A)(iii) opt-out.* If the institution shares personal information pursuant to section 603(d)(2)(A)(iii) of the FCRA, it must include in the mail-in opt-out form the following statement: “☐ Do not share information about my creditworthiness with your affiliates for their everyday business purposes.”

(3) *FCRA Section 624 opt-out.* If the institution incorporates section 624 of the FCRA in accord with paragraph C.2(d)(6) of these Instructions, it must include in the mail-in opt-out form the following statement: “☐ Do not allow your affiliates to use my personal information to market to me.”

(4) *Nonaffiliate opt-out.* If the financial institution shares personal information pursuant to §248.10(a) of this part, it must include in the mail-in opt-out form the following statement: “☐ Do not share my personal information with nonaffiliates to market their products and services to me.”

(5) *Additional opt-outs.* Financial institutions that use the disclosure table to provide opt-out options beyond those required by Federal law must provide those opt-outs in this section of the model form. A financial institution that chooses to offer an opt-out for its own marketing in the mail-in opt-out form must include one of the two following statements: “☐ Do not share my personal information to market to me.” or “☐ Do not use my personal information to market to me.” A financial institution that chooses to offer an opt-out for joint marketing must include the following statement: “☐ Do not share my personal information with other financial institutions to jointly market to me.”

(h) *Barcodes.* A financial institution may elect to include a barcode and/or “tagline” (an internal identifier) in 6-point font at the bottom of page one, as needed for information internal to the institution, so long as these do not interfere with the clarity or text of the form.

3. Page Two

(a) *General Instructions for the Questions.* Certain of the Questions may be customized as follows:

(1) “*Who is providing this notice?*” This question may be omitted where only one financial institution provides the model form and that institution is clearly identified in the title on page one. Two or more financial institutions that jointly provide the model form must use this question to identify themselves as required by §248.9(f) of this part. Where the list of institutions exceeds four (4) lines, the institution must describe in the response to this question the general types of institutions jointly providing the notice and must separately identify those institutions, in minimum 8-point font, directly following the “Other important information” box, or, if that box is not included in the institution’s form, directly following the “Definitions.” The list may appear in a multi-column format.

(2) “*How does [name of financial institution] protect my personal information?*” The financial institution may only provide additional information pertaining to its safeguards practices following the designated response to this question. Such information may include information about the institution’s use of cookies or other measures it uses to safeguard personal information. Institutions are limited to a maximum of 30 additional words.

(3) “*How does [name of financial institution] collect my personal information?*” Institutions must use five (5) of the following terms to complete the bulleted list for this question: open an account; deposit money; pay your bills; apply for a loan; use your credit or debit card; seek financial or tax advice; apply for insurance; pay insurance premiums; file an insurance claim; seek advice about your investments; buy securities from us; sell securities to us; direct us to buy securities; direct us to sell your securities; make deposits or withdrawals from your account; enter into an investment advisory contract; give us your income information; provide employment information; give us your employment history; tell us about your investment or retirement portfolio; tell us about your investment or retirement earnings; apply for financing; apply for a lease; provide account information; give us your contact information; pay us by check; give us your wage statements; provide your mortgage information; make a wire transfer; tell us who receives the money; tell us where to

send the money; show your government-issued ID; show your driver’s license; order a commodity futures or option trade. Institutions that collect personal information from their affiliates and/or credit bureaus must include after the bulleted list the following statement: “We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.” Institutions that do not collect personal information from their affiliates or credit bureaus but do collect information from other companies must include the following statement instead: “We also collect your personal information from other companies.” Only institutions that do not collect any personal information from affiliates, credit bureaus, or other companies can omit both statements.

(4) “*Why can’t I limit all sharing?*” Institutions that describe state privacy law provisions in the “Other important information” box must use the bracketed sentence: “See below for more on your rights under state law.” Other institutions must omit this sentence.

(5) “*What happens when I limit sharing for an account I hold jointly with someone else?*” Only financial institutions that provide opt-out options must use this question. Other institutions must omit this question. Institutions must choose one of the following two statements to respond to this question: “Your choices will apply to everyone on your account.” or “Your choices will apply to everyone on your account—unless you tell us otherwise.” Financial institutions that provide insurance products or services and elect to use the model form may substitute the word “policy” for “account” in these statements.

(b) *General Instructions for the Definitions.* The financial institution must customize the space below the responses to the three definitions in this section. This specific information must be in italicized lettering to set off the information from the standardized definitions.

(1) *Affiliates.* As required by §248.6(a)(3) of this part, where [affiliate information] appears, the financial institution must:

(i) If it has no affiliates, state: “[name of financial institution] has no affiliates;”

(ii) If it has affiliates but does not share personal information, state: “[name of financial institution] does not share with our affiliates;” or

(iii) If it shares with its affiliates, state, as applicable: “Our affiliates include companies with a [common corporate identity of financial institution] name; financial companies such as [insert illustrative list of companies]; non-financial companies, such as [insert illustrative list of companies] and others, such as [insert illustrative list].”

(2) *Nonaffiliates.* As required by §248.6(c)(3) of this part, where [nonaffiliate information] appears, the financial institution must:

§ 248.101

(i) If it does not share with nonaffiliated third parties, state: “[name of financial institution] does not share with nonaffiliates so they can market to you;” or

(ii) If it shares with nonaffiliated third parties, state, as applicable: “Nonaffiliates we share with can include [list categories of companies such as mortgage companies, insurance companies, direct marketing companies, and nonprofit organizations].”

(3) *Joint Marketing.* As required by § 248.13 of this part, where [joint marketing] appears, the financial institution must:

(i) If it does not engage in joint marketing, state: “[name of financial institution] doesn’t jointly market;” or

(ii) If it shares personal information for joint marketing, state, as applicable: “Our joint marketing partners include [list categories of companies such as credit card companies].”

(c) *General instructions for the “Other important information” box.* This box is optional. The space provided for information in this box is not limited. Only the following types of information can appear in this box.

(1) State and/or international privacy law information; and/or

(2) Acknowledgment of receipt form.

Subpart B—Regulation S-AM: Limitations on Affiliate Marketing

SOURCE: 74 FR 40431, Aug. 11, 2009, unless otherwise noted.

§ 248.101 Purpose and scope.

(a) *Purpose.* The purpose of this subpart is to implement section 624 of the Fair Credit Reporting Act, 15 U.S.C. 1681, *et seq.* (“FCRA”). Section 624, which was added to the FCRA by section 214 of the Fair and Accurate Credit Transactions Act of 2003, Public Law 108–159, 117 Stat. 1952 (2003) (“FACT Act” or “Act”), regulates the use of consumer information received from an affiliate to make marketing solicitations.

(b) *Scope.* This subpart applies to any broker or dealer other than a notice-registered broker or dealer, to any investment company, and to any investment adviser or transfer agent registered with the Commission. These entities are referred to in this subpart as “you.”

§ 248.102 Examples.

The examples in this subpart are not exclusive. The examples in this subpart

17 CFR Ch. II (4–1–22 Edition)

provide guidance concerning the rules’ application in ordinary circumstances. The facts and circumstances of each individual situation, however, will determine whether compliance with an example, to the extent applicable, constitutes compliance with this subpart. Examples in a paragraph illustrate only the issue described in the paragraph and do not illustrate any other issue that may arise under this subpart. Similarly, the examples do not illustrate any issues that may arise under other laws or regulations.

§§ 248.103–248.119 [Reserved]

§ 248.120 Definitions.

As used in this subpart, unless the context requires otherwise:

(a) *Affiliate* of a broker, dealer, or investment company, or an investment adviser or transfer agent registered with the Commission means any person that is related by common ownership or common control with the broker, dealer, or investment company, or the investment adviser or transfer agent registered with the Commission. In addition, a broker, dealer, or investment company, or an investment adviser or transfer agent registered with the Commission will be deemed an affiliate of a company for purposes of this subpart if:

(1) That company is regulated under section 214 of the FACT Act, Public Law 108–159, 117 Stat. 1952 (2003), by a government regulator other than the Commission; and

(2) Rules adopted by the other government regulator under section 214 of the FACT Act treat the broker, dealer, or investment company, or investment adviser or transfer agent registered with the Commission as an affiliate of that company.

(b) *Broker* has the same meaning as in section 3(a)(4) of the Securities Exchange Act of 1934 (15 U.S.C. 78c(a)(4)). A “broker” does not include a broker registered by notice with the Commission under section 15(b)(11) of the Securities Exchange Act of 1934 (15 U.S.C. 78o(b)(11)).

(c) *Clear and conspicuous* means reasonably understandable and designed to call attention to the nature and significance of the information presented.

(d) *Commission* means the Securities and Exchange Commission.

(e) *Company* means any corporation, limited liability company, business trust, general or limited partnership, association, or similar organization.

(f) *Concise*—(1) *In general*. The term “concise” means a reasonably brief expression or statement.

(2) *Combination with other required disclosures*. A notice required by this subpart may be concise even if it is combined with other disclosures required or authorized by Federal or State law.

(g) *Consumer* means an individual.

(h) *Control* of a company means the power to exercise a controlling influence over the management or policies of a company whether through ownership of securities, by contract, or otherwise. Any person who owns beneficially, either directly or through one or more controlled companies, more than 25 percent of the voting securities of any company is presumed to control the company. Any person who does not own more than 25 percent of the voting securities of any company will be presumed not to control the company. Any presumption regarding control may be rebutted by evidence, but, in the case of an investment company, will continue until the Commission makes a decision to the contrary according to the procedures described in section 2(a)(9) of the Investment Company Act of 1940 (15 U.S.C. 80a-2(a)(9)).

(i) *Dealer* has the same meaning as in section 3(a)(5) of the Securities Exchange Act of 1934 (15 U.S.C. 78c(a)(5)). A “dealer” does not include a dealer registered by notice with the Commission under section 15(b)(11) of the Securities Exchange Act of 1934 (15 U.S.C. 78o(b)(11)).

(j) *Eligibility information* means any information the communication of which would be a consumer report if the exclusions from the definition of “consumer report” in section 603(d)(2)(A) of the FCRA did not apply. Eligibility information does not include aggregate or blind data that does not contain personal identifiers such as account numbers, names, or addresses.

(k) *FCRA* means the Fair Credit Reporting Act (15 U.S.C. 1681, *et seq.*).

(l) *GLBA* means the Gramm-Leach-Bliley Act (15 U.S.C. 6801, *et seq.*).

(m) *Investment adviser* has the same meaning as in section 202(a)(11) of the Investment Advisers Act of 1940 (15 U.S.C. 80b-2(a)(11)).

(n) *Investment company* has the same meaning as in section 3 of the Investment Company Act of 1940 (15 U.S.C. 80a-3) and includes a separate series of the investment company.

(o) *Marketing solicitation*—(1) *In general*. The term “marketing solicitation” means the marketing of a product or service initiated by a person to a particular consumer that is:

(i) Based on eligibility information communicated to that person by its affiliate as described in this subpart; and

(ii) Intended to encourage the consumer to purchase or obtain such product or service.

(2) *Exclusion of marketing directed at the general public*. A marketing solicitation does not include marketing communications that are directed at the general public. For example, television, general circulation magazine, billboard advertisements and publicly available Web sites that are not directed to particular consumers would not constitute marketing solicitations, even if those communications are intended to encourage consumers to purchase products and services from the person initiating the communications.

(3) *Examples of marketing solicitations*. A marketing solicitation would include, for example, a telemarketing call, direct mail, e-mail, or other form of marketing communication directed to a particular consumer that is based on eligibility information received from an affiliate.

(p) *Person* means any individual, partnership, corporation, trust, estate, cooperative, association, government or governmental subdivision or agency, or other entity.

(q) *Pre-existing business relationship*—(1) *In general*. The term “pre-existing business relationship” means a relationship between a person, or a person’s licensed agent, and a consumer based on:

(i) A financial contract between the person and the consumer which is in force on the date on which the consumer is sent a solicitation covered by this subpart;

(ii) The purchase, rental, or lease by the consumer of the person's goods or services, or a financial transaction (including holding an active account or a policy in force or having another continuing relationship) between the consumer and the person, during the 18-month period immediately preceding the date on which the consumer is sent a solicitation covered by this subpart; or

(iii) An inquiry or application by the consumer regarding a product or service offered by that person during the three-month period immediately preceding the date on which the consumer is sent a solicitation covered by this subpart.

(2) *Examples of pre-existing business relationships.* (i) If a consumer has a brokerage account with a broker-dealer that is currently in force, the broker-dealer has a pre-existing business relationship with the consumer and can use eligibility information it receives from its affiliates to make solicitations to the consumer about its products or services.

(ii) If a consumer has an investment advisory contract with a registered investment adviser, the investment adviser has a pre-existing business relationship with the consumer and can use eligibility information it receives from its affiliates to make solicitations to the consumer about its products or services.

(iii) If a consumer was the record owner of securities issued by an investment company, but the consumer redeems these securities, the investment company has a pre-existing business relationship with the consumer and can use eligibility information it receives from its affiliates to make solicitations to the consumer about its products or services for 18 months after the date the consumer redeemed the investment company's securities.

(iv) If a consumer applies for a margin account offered by a broker-dealer, but does not obtain a product or service from or enter into a financial contract or transaction with the broker-dealer, the broker-dealer has a pre-existing business relationship with the consumer and can therefore use eligibility information it receives from its affiliates to make solicitations to the

consumer about its products or services for three months after the date of the application.

(v) If a consumer makes a telephone inquiry to a broker-dealer about its products or services and provides contact information to the broker-dealer, but does not obtain a product or service from or enter into a financial contract or transaction with the institution, the broker-dealer has a pre-existing business relationship with the consumer and can therefore use eligibility information it receives from its affiliates to make solicitations to the consumer about its products or services for three months after the date of the inquiry.

(vi) If a consumer makes an inquiry by e-mail to a broker-dealer about one of its affiliated investment company's products or services but does not obtain a product or service from, or enter into a financial contract or transaction with the broker-dealer or the investment company, the broker-dealer and the investment company both have a pre-existing business relationship with the consumer and can therefore use eligibility information they receive from their affiliates to make solicitations to the consumer about their products or services for three months after the date of the inquiry.

(vii) If a consumer who has a pre-existing business relationship with an investment company that is part of a group of affiliated companies makes a telephone call to the centralized call center for the affiliated companies to inquire about products or services offered by a broker-dealer affiliated with the investment company, and provides contact information to the call center, the call constitutes an inquiry to the broker-dealer. In these circumstances, the broker-dealer has a pre-existing business relationship with the consumer and can therefore use eligibility information it receives from the investment company to make solicitations to the consumer about its products or services for three months after the date of the inquiry.

(3) *Examples where no pre-existing business relationship is created.* (i) If a consumer makes a telephone call to a centralized call center for a group of affiliated companies to inquire about the

consumer's existing account at a broker-dealer, the call does not constitute an inquiry to any affiliate other than the broker-dealer that holds the consumer's account and does not establish a pre-existing business relationship between the consumer and any affiliate of the account-holding broker-dealer.

(ii) If a consumer who has an advisory contract with a registered investment adviser makes a telephone call to an affiliate of the investment adviser to ask about the affiliate's retail locations and hours, but does not make an inquiry about the affiliate's products or services, the call does not constitute an inquiry and does not establish a pre-existing business relationship between the consumer and the affiliate. Also, the affiliate's capture of the consumer's telephone number does not constitute an inquiry and does not establish a pre-existing business relationship between the consumer and the affiliate.

(iii) If a consumer makes a telephone call to a broker-dealer in response to an advertisement offering a free promotional item to consumers who call a toll-free number, but the advertisement does not indicate that the broker-dealer's products or services will be marketed to consumers who call in response, the call does not create a pre-existing business relationship between the consumer and the broker-dealer because the consumer has not made an inquiry about a product or service offered by the institution, but has merely responded to an offer for a free promotional item.

(r) *Transfer agent* has the same meaning as in section 3(a)(25) of the Securities Exchange Act of 1934 (15 U.S.C. 78c(a)(25)).

(s) *You* means:

(1) Any broker or dealer other than a broker or dealer registered by notice with the Commission under section 15(b)(11) of the Securities Exchange Act of 1934 (15 U.S.C. 78o(b)(11));

(2) Any investment company;

(3) Any investment adviser registered with the Commission under the Investment Advisers Act of 1940 (15 U.S.C. 80b-1, *et seq.*); and

(4) Any transfer agent registered with the Commission under section 17A

of the Securities Exchange Act of 1934 (15 U.S.C. 78q-1).

§ 248.121 Affiliate marketing opt out and exceptions.

(a) *Initial notice and opt out requirement*—(1) *In general.* You may not use eligibility information about a consumer that you receive from an affiliate to make a marketing solicitation to the consumer, unless:

(i) It is clearly and conspicuously disclosed to the consumer in writing or, if the consumer agrees, electronically, in a concise notice that you may use eligibility information about that consumer received from an affiliate to make marketing solicitations to the consumer;

(ii) The consumer is provided a reasonable opportunity and a reasonable and simple method to "opt out," or the consumer prohibits you from using eligibility information to make marketing solicitations to the consumer; and

(iii) The consumer has not opted out.

(2) *Example.* A consumer has a brokerage account with a broker-dealer. The broker-dealer furnishes eligibility information about the consumer to its affiliated investment adviser. Based on that eligibility information, the investment adviser wants to make a marketing solicitation to the consumer about its discretionary advisory accounts. The investment adviser does not have a pre-existing business relationship with the consumer and none of the other exceptions apply. The investment adviser is prohibited from using eligibility information received from its broker-dealer affiliate to make marketing solicitations to the consumer about its discretionary advisory accounts unless the consumer is given a notice and opportunity to opt out and the consumer does not opt out.

(3) *Affiliates who may provide the notice.* The notice required by this paragraph must be provided:

(i) By an affiliate that has or has previously had a pre-existing business relationship with the consumer; or

(ii) As part of a joint notice from two or more members of an affiliated group of companies, provided that at least one of the affiliates on the joint notice

has or has previously had a pre-existing business relationship with the consumer.

(b) *Making marketing solicitations*—(1) *In general.* For purposes of this subpart, you make a marketing solicitation if:

(i) You receive eligibility information from an affiliate;

(ii) You use that eligibility information to do one or more of the following:

(A) Identify the consumer or type of consumer to receive a marketing solicitation;

(B) Establish criteria used to select the consumer to receive a marketing solicitation; or

(C) Decide which of your products or services to market to the consumer or tailor your marketing solicitation to that consumer; and

(iii) As a result of your use of the eligibility information, the consumer is provided a marketing solicitation.

(2) *Receiving eligibility information from an affiliate, including through a common database.* You may receive eligibility information from an affiliate in various ways, including when the affiliate places that information into a common database that you may access.

(3) *Receipt or use of eligibility information by your service provider.* Except as provided in paragraph (b)(5) of this section, you receive or use an affiliate's eligibility information if a service provider acting on your behalf (whether an affiliate or a nonaffiliated third party) receives or uses that information in the manner described in paragraph (b)(1)(i) or (b)(1)(ii) of this section. All relevant facts and circumstances will determine whether a person is acting as your service provider when it receives or uses an affiliate's eligibility information in connection with marketing your products and services.

(4) *Use by an affiliate of its own eligibility information.* Unless you have used eligibility information that you receive from an affiliate in the manner described in paragraph (b)(1)(ii) of this section, you do not make a marketing solicitation subject to this subpart if your affiliate:

(i) Uses its own eligibility information that it obtained in connection with a pre-existing business relationship it has or had with the consumer to

market your products or services to the affiliate's consumer; or

(ii) Directs its service provider to use the affiliate's own eligibility information that it obtained in connection with a pre-existing business relationship it has or had with the consumer to market your products or services to the consumer, and you do not communicate directly with the service provider regarding that use.

(5) *Use of eligibility information by a service provider*—(i) *In general.* You do not make a marketing solicitation subject to this subpart if a service provider (including an affiliated or third-party service provider that maintains or accesses a common database that you may access) receives eligibility information from your affiliate that your affiliate obtained in connection with a pre-existing business relationship it has or had with the consumer and uses that eligibility information to market your products or services to that affiliate's consumer, so long as:

(A) Your affiliate controls access to and use of its eligibility information by the service provider (including the right to establish the specific terms and conditions under which the service provider may use such information to market your products or services);

(B) Your affiliate establishes specific terms and conditions under which the service provider may access and use your affiliate's eligibility information to market your products and services (or those of affiliates generally) to your affiliate's consumers, such as the identity of the affiliated companies whose products or services may be marketed to the affiliate's consumers by the service provider, the types of products or services of affiliated companies that may be marketed, and the number of times your affiliate's consumers may receive marketing materials, and periodically evaluates the service provider's compliance with those terms and conditions;

(C) Your affiliate requires the service provider to implement reasonable policies and procedures designed to ensure that the service provider uses your affiliate's eligibility information in accordance with the terms and conditions established by your affiliate relating to

the marketing of your products or services;

(D) Your affiliate is identified on or with the marketing materials provided to the consumer; and

(E) You do not directly use your affiliate's eligibility information in the manner described in paragraph (b)(1)(ii) of this section.

(ii) *Writing requirements.* (A) The requirements of paragraphs (b)(5)(i)(A) and (C) of this section must be set forth in a written agreement between your affiliate and the service provider; and

(B) The specific terms and conditions established by your affiliate as provided in paragraph (b)(5)(i)(B) of this section must be set forth in writing.

(6) *Examples of making marketing solicitations.* (i) A consumer has an investment advisory contract with a registered investment adviser that is affiliated with a broker-dealer. The broker-dealer receives eligibility information about the consumer from the investment adviser. The broker-dealer uses that eligibility information to identify the consumer to receive a marketing solicitation about brokerage products and services, and, as a result, the broker-dealer provides a marketing solicitation to the consumer about its brokerage services. Pursuant to paragraph (b)(1) of this section, the broker-dealer has made a marketing solicitation to the consumer.

(ii) The same facts as in the example in paragraph (b)(6)(i) of this section, except that after using the eligibility information to identify the consumer to receive a marketing solicitation about brokerage products and services, the broker-dealer asks the registered investment adviser to send the marketing solicitation to the consumer and the investment adviser does so. Pursuant to paragraph (b)(1) of this section, the broker-dealer has made a marketing solicitation to the consumer because it used eligibility information about the consumer that it received from an affiliate to identify the consumer to receive a marketing solicitation about its products or services, and, as a result, a marketing solicitation was provided to the consumer about the broker-dealer's products and services.

(iii) The same facts as in the example in paragraph (b)(6)(i) of this section, except that eligibility information about consumers who have an investment advisory contract with a registered investment adviser is placed into a common database that all members of the affiliated group of companies may independently access and use. Without using the investment adviser's eligibility information, the broker-dealer develops selection criteria and provides those criteria, marketing materials, and related instructions to the investment adviser. The investment adviser reviews eligibility information about its own consumers using the selection criteria provided by the broker-dealer to determine which consumers should receive the broker-dealer's marketing materials and sends the broker-dealer's marketing materials to those consumers. Even though the broker-dealer has received eligibility information through the common database as provided in paragraph (b)(2) of this section, it did not use that information to identify consumers or establish selection criteria; instead, the investment adviser used its own eligibility information. Therefore, pursuant to paragraph (b)(4)(i) of this section, the broker-dealer has not made a marketing solicitation to the consumer.

(iv) The same facts as in the example in paragraph (b)(6)(iii) of this section, except that the registered investment adviser provides the broker-dealer's criteria to the investment adviser's service provider and directs the service provider to use the investment adviser's eligibility information to identify investment adviser consumers who meet the criteria and to send the broker-dealer's marketing materials to those consumers. The broker-dealer does not communicate directly with the service provider regarding the use of the investment adviser's information to market its products or services to the investment adviser's consumers. Pursuant to paragraph (b)(4)(ii) of this section, the broker-dealer has not made a marketing solicitation to the consumer.

(v) An affiliated group of companies includes an investment company, a principal underwriter for the investment company, a retail broker-dealer,

and a transfer agent that also acts as a service provider. Each affiliate in the group places information about its consumers into a common database. The service provider has access to all information in the common database. The investment company controls access to and use of its eligibility information by the service provider. This control is set forth in a written agreement between the investment company and the service provider. The written agreement also requires the service provider to establish reasonable policies and procedures designed to ensure that the service provider uses the investment company's eligibility information in accordance with specific terms and conditions established by the investment company relating to the marketing of the products and services of all affiliates, including the principal underwriter and the retail broker-dealer. In a separate written communication, the investment company specifies the terms and conditions under which the service provider may use the investment company's eligibility information to market the retail broker-dealer's products and services to the investment company's consumers. The specific terms and conditions are: a list of affiliated companies (including the retail broker-dealer) whose products or services may be marketed to the investment company's consumers by the service provider; the specific products or services or types of products or services that may be marketed to the investment company's consumers by the service provider; the categories of eligibility information that may be used by the service provider in marketing products or services to the investment company's consumers; the types or categories of the investment company's consumers to whom the service provider may market products or services of investment company affiliates; the number and types of marketing communications that the service provider may send to the investment company's consumers; and the length of time during which the service provider may market the products or services of the investment company's affiliates to its consumers. The investment company periodically evaluates the service provider's compliance with these terms

and conditions. The retail broker-dealer asks the service provider to market brokerage services to certain of the investment company's consumers. Without using the investment company's eligibility information, the retail broker-dealer develops selection criteria and provides those criteria, its marketing materials, and related instructions to the service provider. The service provider uses the investment company's eligibility information from the common database to identify the investment company's consumers to whom brokerage services will be marketed. When the retail broker-dealer's marketing materials are provided to the identified consumers, the name of the investment company is displayed on the retail broker-dealer's marketing materials, an introductory letter that accompanies the marketing materials, an account statement that accompanies the marketing materials, or the envelope containing the marketing materials. The requirements of paragraph (b)(5) of this section have been satisfied, and the retail broker-dealer has not made a marketing solicitation to the consumer.

(vi) The same facts as in the example in paragraph (b)(6)(v) of this section, except that the terms and conditions permit the service provider to use the investment company's eligibility information to market the products and services of other affiliates to the investment company's consumers whenever the service provider deems it appropriate to do so. The service provider uses the investment company's eligibility information in accordance with the discretion afforded to it by the terms and conditions. Because the terms and conditions are not specific, the requirements of paragraph (b)(5) of this section have not been satisfied.

(c) *Exceptions.* The provisions of this subpart do not apply to you if you use eligibility information that you receive from an affiliate:

(1) To make a marketing solicitation to a consumer with whom you have a pre-existing business relationship;

(2) To facilitate communications to an individual for whose benefit you provide employee benefit or other services pursuant to a contract with an employer related to and arising out of the

current employment relationship or status of the individual as a participant or beneficiary of an employee benefit plan;

(3) To perform services on behalf of an affiliate, except that this paragraph shall not be construed as permitting you to send marketing solicitations on behalf of an affiliate if the affiliate would not be permitted to send the marketing solicitation as a result of the election of the consumer to opt out under this subpart;

(4) In response to a communication about your products or services initiated by the consumer;

(5) In response to an authorization or request by the consumer to receive solicitations; or

(6) If your compliance with this subpart would prevent you from complying with any provision of State insurance laws pertaining to unfair discrimination in any State in which you are lawfully doing business.

(d) *Examples of exceptions*—(1) *Example of the pre-existing business relationship exception.* A consumer has a brokerage account with a broker-dealer. The consumer also has a deposit account with the broker-dealer's affiliated depository institution. The broker-dealer receives eligibility information about the consumer from its depository institution affiliate and uses that information to make a marketing solicitation to the consumer about the broker-dealer's college savings accounts. The broker-dealer may make this marketing solicitation even if the consumer has not been given a notice and opportunity to opt out because the broker-dealer has a pre-existing business relationship with the consumer.

(2) *Examples of service provider exception.* (i) A consumer has a brokerage account with a broker-dealer. The broker-dealer furnishes eligibility information about the consumer to its affiliate, a registered investment adviser. Based on that eligibility information, the investment adviser wants to make a marketing solicitation to the consumer about its advisory services. The investment adviser does not have a pre-existing business relationship with the consumer and none of the other exceptions in paragraph (c) of this section apply. The consumer has

been given an opt out notice and has elected to opt out of receiving such marketing solicitations. The investment adviser asks a service provider to send the marketing solicitation to the consumer on its behalf. The service provider may not send the marketing solicitation on behalf of the investment adviser because, as a result of the consumer's opt out election, the investment adviser is not permitted to make the marketing solicitation.

(ii) The same facts as in paragraph (d)(2)(i) of this section, except the consumer has been given an opt out notice, but has not elected to opt out. The investment adviser asks a service provider to send the solicitation to the consumer on its behalf. The service provider may send the marketing solicitation on behalf of the investment adviser because, as a result of the consumer's not opting out, the investment adviser is permitted to make the marketing solicitation.

(3) *Examples of consumer-initiated communications.* (i) A consumer who is the record owner of shares in an investment company initiates a communication with an affiliated registered investment adviser about advisory services. The affiliated investment adviser may use eligibility information about the consumer it obtains from the investment company or any other affiliate to make marketing solicitations regarding the affiliated investment adviser's services in response to the consumer-initiated communication.

(ii) A consumer who has a brokerage account with a broker-dealer contacts the broker-dealer to request information about how to save and invest for a child's college education without specifying the type of savings or investment vehicle in which the consumer may be interested. Information about a range of different products or services offered by the broker-dealer and one or more of its affiliates may be responsive to that communication. Such products, services, and investments may include the following: investments in affiliated investment companies; investments in section 529 plans offered by the broker-dealer; or trust services offered by a different financial institution in the affiliated group. Any affiliate offering

products or services that would be responsive to the consumer's request for information about saving and investing for a child's college education may use eligibility information to make marketing solicitations to the consumer in response to this communication.

(iii) A registered investment adviser makes a marketing call to the consumer without using eligibility information received from an affiliate. The investment adviser leaves a voice-mail message that invites the consumer to call a toll-free number to receive information about services offered by the investment adviser. If the consumer calls the toll-free number to inquire about the investment advisory services, the call is a consumer-initiated communication about a product or service, and the investment adviser may now use eligibility information it receives from its affiliates to make marketing solicitations to the consumer.

(iv) A consumer calls a broker-dealer to ask about retail locations and hours, but does not request information about its products or services. The broker-dealer may not use eligibility information it receives from an affiliate to make marketing solicitations to the consumer because the consumer-initiated communication does not relate to the broker-dealer's products or services. Thus, the use of eligibility information received from an affiliate would not be responsive to the communication and the exception does not apply.

(v) A consumer calls a broker-dealer to ask about retail locations and hours. The customer service representative asks the consumer if there is a particular product or service about which the consumer is seeking information. The consumer responds that the consumer wants to stop in and find out about mutual funds (i.e., registered open-end investment companies). The customer service representative offers to provide that information by telephone and mail additional information to the consumer. The consumer agrees and provides or confirms contact information for receipt of the materials to be mailed. The broker-dealer may use eligibility information it receives from an affiliate to make marketing solicita-

tations to the consumer about mutual funds because such marketing solicitations would respond to the consumer-initiated communication about mutual funds.

(4) *Examples of consumer authorization or request for marketing solicitations.* (i) A consumer who has a brokerage account with a broker-dealer authorizes or requests information about life insurance offered by the broker-dealer's insurance affiliate. The authorization or request, whether given to the broker-dealer or the insurance affiliate, would permit the insurance affiliate to use eligibility information about the consumer it obtains from the broker-dealer or any other affiliate to make marketing solicitations to the consumer about life insurance.

(ii) A consumer completes an online application to open an online brokerage account with a broker-dealer. The broker-dealer's online application contains a blank check box that the consumer may check to authorize or request information from the broker-dealer's affiliates. The consumer checks the box. The consumer has authorized or requested marketing solicitations from the broker-dealer's affiliates.

(iii) A consumer completes an online application to open an online brokerage account with a broker-dealer. The broker-dealer's online application contains a check box indicating that the consumer authorizes or requests information from the broker-dealer's affiliates. The consumer does not deselect the check box. The consumer has not authorized or requested marketing solicitations from the broker-dealer's affiliates.

(iv) The terms and conditions of a brokerage account agreement contain preprinted boilerplate language stating that by applying to open an account the consumer authorizes or requests to receive solicitations from the broker-dealer's affiliates. The consumer has not authorized or requested marketing solicitations from the broker-dealer's affiliates.

(e) *Relation to affiliate-sharing notice and opt out.* Nothing in this subpart limits the responsibility of a person to comply with the notice and opt out provisions of Section 603(d)(2)(A)(iii) of

the FCRA (15 U.S.C. 1681a(d)(2)(A)(iii)) where applicable.

§ 248.122 Scope and duration of opt out.

(a) *Scope of opt out*—(1) *In general.* Except as otherwise provided in this section, the consumer's election to opt out prohibits any affiliate covered by the opt out notice from using eligibility information received from another affiliate as described in the notice to make marketing solicitations to the consumer.

(2) *Continuing relationship*—(i) *In general.* If the consumer establishes a continuing relationship with you or your affiliate, an opt out notice may apply to eligibility information obtained in connection with:

(A) A single continuing relationship or multiple continuing relationships that the consumer establishes with you or your affiliates, including continuing relationships established subsequent to delivery of the opt out notice, so long as the notice adequately describes the continuing relationships covered by the opt out; or

(B) Any other transaction between the consumer and you or your affiliates as described in the notice.

(ii) *Examples of continuing relationships.* A consumer has a continuing relationship with you or your affiliate if the consumer:

(A) Opens a brokerage account or enters into an advisory contract with you or your affiliate;

(B) Obtains a loan for which you or your affiliate owns the servicing rights;

(C) Purchases investment company shares in his or her own name;

(D) Holds an investment through you or your affiliate; such as when you act or your affiliate acts as a custodian for securities or for assets in an individual retirement arrangement;

(E) Enters into an agreement or understanding with you or your affiliate whereby you or your affiliate undertakes to arrange or broker a home mortgage loan for the consumer;

(F) Enters into a lease of personal property with you or your affiliate; or

(G) Obtains financial, investment, or economic advisory services from you or your affiliate for a fee.

(3) *No continuing relationship*—(i) *In general.* If there is no continuing relationship between a consumer and you or your affiliate, and you or your affiliate obtain eligibility information about a consumer in connection with a transaction with the consumer, such as an isolated transaction or an application that is denied, an opt out notice provided to the consumer only applies to eligibility information obtained in connection with that transaction.

(ii) *Examples of isolated transactions.* An isolated transaction occurs if:

(A) The consumer uses your or your affiliate's ATM to withdraw cash from an account at another financial institution; or

(B) A broker-dealer opens a brokerage account for the consumer solely for the purpose of liquidating or purchasing securities as an accommodation, i.e., on a one-time basis, without the expectation of engaging in other transactions.

(4) *Menu of alternatives.* A consumer may be given the opportunity to choose from a menu of alternatives when electing to prohibit solicitations, such as by electing to prohibit solicitations from certain types of affiliates covered by the opt out notice but not other types of affiliates covered by the notice, electing to prohibit marketing solicitations based on certain types of eligibility information but not other types of eligibility information, or electing to prohibit marketing solicitations by certain methods of delivery but not other methods of delivery. However, one of the alternatives must allow the consumer to prohibit all marketing solicitations from all of the affiliates that are covered by the notice.

(5) *Special rule for a notice following termination of all continuing relationships*—(i) *In general.* A consumer must be given a new opt out notice if, after all continuing relationships with you or your affiliate(s) are terminated, the consumer subsequently establishes another continuing relationship with you or your affiliate(s) and the consumer's eligibility information is to be used to make a marketing solicitation. The new opt out notice must apply, at a minimum, to eligibility information obtained in connection with the new continuing relationship. Consistent

with paragraph (b) of this section, the consumer's decision not to opt out after receiving the new opt out notice would not override a prior opt out election by the consumer that applies to eligibility information obtained in connection with a terminated relationship, regardless of whether the new opt out notice applies to eligibility information obtained in connection with the terminated relationship.

(ii) *Example.* A consumer has an advisory contract with a company that is registered with the Commission as both a broker-dealer and an investment adviser, and that is part of an affiliated group. The consumer terminates the advisory contract. One year after terminating the advisory contract, the consumer opens a brokerage account with the same company. The consumer must be given a new notice and opportunity to opt out before the company's affiliates may make marketing solicitations to the consumer using eligibility information obtained by the company in connection with the new brokerage account relationship, regardless of whether the consumer opted out in connection with the advisory contract.

(b) *Duration of opt out.* The election of a consumer to opt out must be effective for a period of at least five years (the "opt out period") beginning when the consumer's opt out election is received and implemented, unless the consumer subsequently revokes the opt out in writing or, if the consumer agrees, electronically. An opt out period of more than five years may be established, including an opt out period that does not expire unless revoked by the consumer.

(c) *Time of opt out.* A consumer may opt out at any time.

§ 248.123 Contents of opt out notice; consolidated and equivalent notices.

(a) *Contents of opt out notice—(1) In general.* A notice must be clear, conspicuous, and concise, and must accurately disclose:

(i) *The name of the affiliate(s) providing the notice.* If the notice is provided jointly by multiple affiliates and each affiliate shares a common name, such as "ABC," then the notice may

indicate that it is being provided by multiple companies with the ABC name or multiple companies in the ABC group or family of companies, for example, by stating that the notice is provided by "all of the ABC companies," "the ABC banking, credit card, insurance, and securities companies," or by listing the name of each affiliate providing the notice. But if the affiliates providing the joint notice do not all share a common name, then the notice must either separately identify each affiliate by name or identify each of the common names used by those affiliates, for example, by stating that the notice is provided by "all of the ABC and XYZ companies" or by "the ABC bank and securities companies and the XYZ insurance companies";

(ii) A list of the affiliates or types of affiliates whose use of eligibility information is covered by the notice, which may include companies that become affiliates after the notice is provided to the consumer. If each affiliate covered by the notice shares a common name, such as "ABC," then the notice may indicate that it applies to multiple companies with the ABC name or multiple companies in the ABC group or family of companies, for example, by stating that the notice is provided by "all of the ABC companies," "the ABC banking, credit card, insurance, and securities companies," or by listing the name of each affiliate providing the notice. But if the affiliates covered by the notice do not all share a common name, then the notice must either separately identify each covered affiliate by name or identify each of the common names used by those affiliates, for example, by stating that the notice applies to "all of the ABC and XYZ companies" or to "the ABC banking and securities companies and the XYZ insurance companies";

(iii) A general description of the types of eligibility information that may be used to make marketing solicitations to the consumer;

(iv) That the consumer may elect to limit the use of eligibility information to make marketing solicitations to the consumer;

(v) That the consumer's election will apply for the specified period of time stated in the notice and, if applicable,

that the consumer will be allowed to renew the election once that period expires;

(vi) If the notice is provided to consumers who may have previously opted out, such as if a notice is provided to consumers annually, that the consumer who has chosen to limit marketing solicitations does not need to act again until the consumer receives a renewal notice; and

(vii) A reasonable and simple method for the consumer to opt out.

(2) *Joint relationships.* (i) If two or more consumers jointly obtain a product or service, a single opt out notice may be provided to the joint consumers. Any of the joint consumers may exercise the right to opt out.

(ii) The opt out notice must explain how an opt out direction by a joint consumer will be treated. An opt out direction by a joint consumer may be treated as applying to all of the associated joint consumers, or each joint consumer may be permitted to opt out separately. If each joint consumer is permitted to opt out separately, one of the joint consumers must be permitted to opt out on behalf of all of the joint consumers and the joint consumers must be permitted to exercise their separate rights to opt out in a single response.

(iii) It is impermissible to require all joint consumers to opt out before implementing any opt out direction.

(3) *Alternative contents.* If the consumer is afforded a broader right to opt out of receiving marketing than is required by this subpart, the requirements of this section may be satisfied by providing the consumer with a clear, conspicuous, and concise notice that accurately discloses the consumer's opt out rights.

(4) *Model notices.* Model notices are provided in the Appendix to this subpart.

(b) *Coordinated and consolidated notices.* A notice required by this subpart may be coordinated and consolidated with any other notice or disclosure required to be issued under any other provision of law by the entity providing the notice, including but not limited to the notice described in section 603(d)(2)(A)(iii) of the FCRA (15

U.S.C. 1681a(d)(2)(A)(iii)) and the GLBA privacy notice.

(c) *Equivalent notices.* A notice or other disclosure that is equivalent to the notice required by this subpart, and that is provided to a consumer together with disclosures required by any other provision of law, satisfies the requirements of this section.

§ 248.124 Reasonable opportunity to opt out.

(a) *In general.* You must not use eligibility information that you receive from an affiliate to make marketing solicitations to a consumer about your products or services unless the consumer is provided a reasonable opportunity to opt out, as required by § 248.121(a)(1)(ii).

(b) *Examples of a reasonable opportunity to opt out.* The consumer is given a reasonable opportunity to opt out if:

(1) *By mail.* The opt out notice is mailed to the consumer. The consumer is given 30 days from the date the notice is mailed to elect to opt out by any reasonable means.

(2) *By electronic means.* (i) The opt out notice is provided electronically to the consumer, such as by posting the notice at an Internet Web site at which the consumer has obtained a product or service. The consumer acknowledges receipt of the electronic notice. The consumer is given 30 days after the date the consumer acknowledges receipt to elect to opt out by any reasonable means.

(ii) The opt out notice is provided to the consumer by e-mail where the consumer has agreed to receive disclosures by e-mail from the person sending the notice. The consumer is given 30 days after the e-mail is sent to elect to opt out by any reasonable means.

(3) *At the time of an electronic transaction.* The opt out notice is provided to the consumer at the time of an electronic transaction, such as a transaction conducted on an Internet Web site. The consumer is required to decide, as a necessary part of proceeding with the transaction, whether to opt out before completing the transaction. There is a simple process that the consumer may use to opt out at that time using the same mechanism through which the transaction is conducted.

(4) *At the time of an in-person transaction.* The opt out notice is provided to the consumer in writing at the time of an in-person transaction. The consumer is required to decide, as a necessary part of proceeding with the transaction, whether to opt out before completing the transaction, and is not permitted to complete the transaction without making a choice. There is a simple process that the consumer may use during the course of the in-person transaction to opt out, such as completing a form that requires consumers to write a “yes” or “no” to indicate their opt out preference or that requires the consumer to check one of two blank check boxes—one that allows consumers to indicate that they want to opt out and one that allows consumers to indicate that they do not want to opt out.

(5) *By including in a privacy notice.* The opt out notice is included in a GLBA privacy notice. The consumer is allowed to exercise the opt out within a reasonable period of time and in the same manner as the opt out under that privacy notice.

§ 248.125 Reasonable and simple methods of opting out.

(a) *In general.* You must not use eligibility information about a consumer that you receive from an affiliate to make a marketing solicitation to the consumer about your products or services, unless the consumer is provided a reasonable and simple method to opt out, as required by § 248.121(a)(1)(ii).

(b) *Examples—(1) Reasonable and simple opt out methods.* Reasonable and simple methods for exercising the opt out right include:

(i) Designating a check-off box in a prominent position on the opt out form;

(ii) Including a reply form and a self-addressed envelope together with the opt out notice;

(iii) Providing an electronic means to opt out, such as a form that can be electronically mailed or processed at an Internet Web site, if the consumer agrees to the electronic delivery of information;

(iv) Providing a toll-free telephone number that consumers may call to opt out; or

(v) Allowing consumers to exercise all of their opt out rights described in a consolidated opt out notice that includes the GLBA privacy, FCRA affiliate sharing, and FCRA affiliate marketing opt outs, by a single method, such as by calling a single toll-free telephone number.

(2) *Opt out methods that are not reasonable and simple.* Reasonable and simple methods for exercising an opt out right do not include:

(i) Requiring the consumer to write his or her own letter;

(ii) Requiring the consumer to call or write to obtain a form for opting out, rather than including the form with the opt out notice; or

(iii) Requiring the consumer who receives the opt out notice in electronic form only, such as through posting at an Internet Web site, to opt out solely by paper mail or by visiting a different Web site without providing a link to that site.

(c) *Specific opt out means.* Each consumer may be required to opt out through a specific means, as long as that means is reasonable and simple for that consumer.

§ 248.126 Delivery of opt out notices.

(a) *In general.* The opt out notice must be provided so that each consumer can reasonably be expected to receive actual notice. For opt out notices provided electronically, the notice may be provided in compliance with either the electronic disclosure provisions in this subpart or the provisions in section 101 of the Electronic Signatures in Global and National Commerce Act, 15 U.S.C. 7001, *et seq.*

(b) *Examples of reasonable expectation of actual notice.* A consumer may reasonably be expected to receive actual notice if the affiliate providing the notice:

(1) Hand-delivers a printed copy of the notice to the consumer;

(2) Mails a printed copy of the notice to the last known mailing address of the consumer;

(3) Provides a notice by e-mail to a consumer who has agreed to receive electronic disclosures by e-mail from the affiliate providing the notice; or

(4) Posts the notice on the Internet Web site at which the consumer obtained a product or service electronically and requires the consumer to acknowledge receipt of the notice.

(c) *Examples of no reasonable expectation of actual notice.* A consumer may not reasonably be expected to receive actual notice if the affiliate providing the notice:

(1) Only posts the notice on a sign in a branch or office or generally publishes the notice in a newspaper;

(2) Sends the notice by e-mail to a consumer who has not agreed to receive electronic disclosures by e-mail from the affiliate providing the notice; or

(3) Posts the notice on an Internet Web site without requiring the consumer to acknowledge receipt of the notice.

§ 248.127 Renewal of opt out elections.

(a) *Renewal notice and opt out requirement—(1) In general.* After the opt out period expires, you may not make marketing solicitations to a consumer who previously opted out, unless:

(i) The consumer has been given a renewal notice that complies with the requirements of this section and §§ 248.124 through 248.126, and a reasonable opportunity and a reasonable and simple method to renew the opt out, and the consumer does not renew the opt out; or

(ii) An exception in § 248.121(c) applies.

(2) *Renewal period.* Each opt out renewal must be effective for a period of at least five years as provided in § 248.122(b).

(3) *Affiliates who may provide the notice.* The notice required by this paragraph must be provided:

(i) By the affiliate that provided the previous opt out notice, or its successor; or

(ii) As part of a joint renewal notice from two or more members of an affiliated group of companies, or their successors, that jointly provided the previous opt out notice.

(b) *Contents of renewal notice.* The renewal notice must be clear, conspicuous, and concise, and must accurately disclose:

(1) The name of the affiliate(s) providing the notice. If the notice is provided jointly by multiple affiliates and each affiliate shares a common name, such as “ABC,” then the notice may indicate it is being provided by multiple companies with the ABC name or multiple companies in the ABC group or family of companies, for example, by stating that the notice is provided by “all of the ABC companies,” “the ABC banking, credit card, insurance, and securities companies,” or by listing the name of each affiliate providing the notice. But if the affiliates providing the joint notice do not all share a common name, then the notice must either separately identify each affiliate by name or identify each of the common names used by those affiliates, for example, by stating that the notice is provided by “all of the ABC and XYZ companies” or by “the ABC banking and securities companies and the XYZ insurance companies”;

(2) A list of the affiliates or types of affiliates whose use of eligibility information is covered by the notice, which may include companies that become affiliates after the notice is provided to the consumer. If each affiliate covered by the notice shares a common name, such as “ABC,” then the notice may indicate that it applies to multiple companies with the ABC name or multiple companies in the ABC group or family of companies, for example, by stating that the notice is provided by “all of the ABC companies,” “the ABC banking, credit card, insurance, and securities companies,” or by listing the name of each affiliate providing the notice. But if the affiliates covered by the notice do not all share a common name, then the notice must either separately identify each covered affiliate by name or identify each of the common names used by those affiliates, for example, by stating that the notice applies to “all of the ABC and XYZ companies” or to “the ABC banking and securities companies and the XYZ insurance companies”;

(3) A general description of the types of eligibility information that may be used to make marketing solicitations to the consumer;

§ 248.128

17 CFR Ch. II (4–1–22 Edition)

(4) That the consumer previously elected to limit the use of certain information to make marketing solicitations to the consumer;

(5) That the consumer's election has expired or is about to expire;

(6) That the consumer may elect to renew the consumer's previous election;

(7) If applicable, that the consumer's election to renew will apply for the specified period of time stated in the notice and that the consumer will be allowed to renew the election once that period expires; and

(8) A reasonable and simple method for the consumer to opt out.

(c) *Timing of the renewal notice*—(1) *In general.* A renewal notice may be provided to the consumer either:

(i) A reasonable period of time before the expiration of the opt out period; or

(ii) Any time after the expiration of the opt out period but before marketing solicitations that would have been prohibited by the expired opt out are made to the consumer.

(2) *Combination with annual privacy notice.* If you provide an annual privacy notice under the GLBA, providing a renewal notice with the last annual privacy notice provided to the consumer before expiration of the opt out period is a reasonable period of time before expiration of the opt out in all cases.

(d) *No effect on opt out period.* An opt out period may not be shortened by sending a renewal notice to the consumer before expiration of the opt out period, even if the consumer does not renew the opt out.

§ 248.128 Effective date, compliance date, and prospective application.

(a) *Effective date.* This subpart is effective September 10, 2009.

(b) *Mandatory compliance date.* Compliance with this subpart is required not later than January 1, 2010.

(c) *Prospective application.* The provisions of this subpart do not prohibit you from using eligibility information that you receive from an affiliate to make a marketing solicitation to a

consumer if you receive such information prior to January 1, 2010. For purposes of this section, you are deemed to receive eligibility information when such information is placed into a common database and is accessible by you.

APPENDIX TO SUBPART B OF PART 248— MODEL FORMS

a. Although you and your affiliates are not required to use the model forms in this Appendix, use of a model form (if applicable to each person that uses it) complies with the requirement in section 624 of the FCRA for clear, conspicuous, and concise notices.

b. Although you may need to change the language or format of a model form to reflect your actual policies and procedures, any such changes may not be so extensive as to affect the substance, clarity, or meaningful sequence of the language in the model forms. Acceptable changes include, for example:

1. Rearranging the order of the references to “your income,” “your account history,” and “your credit score.”

Under these circumstances, the card issuer may not issue an additional or replacement card, until, in accordance with its reasonable policies and procedures and for the purpose of assessing the validity of the change of address, the card issuer:

(1)(i) Notifies the cardholder of the request:

(A) At the cardholder's former address; or

(B) By any other means of communication that the card issuer and the cardholder have previously agreed to use; and

(d) *Alternative timing of address validation.* A card issuer may satisfy the requirements of paragraph (c) of this section if it validates an address pursuant to the methods in paragraph (c)(1) or

(c)(2) of this section when it receives an address change notification, before it receives a request for an additional or replacement card.

(e) *Form of notice.* Any written or electronic notice that the card issuer provides under this paragraph must be clear and conspicuous and be provided separately from its regular correspondence with the cardholder.

APPENDIX A TO SUBPART C OF PART 248—INTERAGENCY GUIDELINES ON IDENTITY THEFT DETECTION, PREVENTION, AND MITIGATION

Section 248.201 requires each financial institution and creditor that offers or maintains one or more covered accounts, as defined in §248.201(b)(3), to develop and provide for the continued administration of a written Program to detect, prevent, and mitigate identity theft in connection with the opening of a covered account or any existing covered account. These guidelines are intended to assist financial institutions and creditors in the formulation and maintenance of a Program that satisfies the requirements of §248.201.

I. THE PROGRAM

In designing its Program, a financial institution or creditor may incorporate, as appropriate, its existing policies, procedures, and other arrangements that control reasonably foreseeable risks to customers or to the safety and soundness of the financial institution or creditor from identity theft.

II. IDENTIFYING RELEVANT RED FLAGS

(a) *Risk Factors.* A financial institution or creditor should consider the following factors in identifying relevant Red Flags for covered accounts, as appropriate:

- (1) The types of covered accounts it offers or maintains;
- (2) The methods it provides to open its covered accounts;
- (3) The methods it provides to access its covered accounts; and
- (4) Its previous experiences with identity theft.

(b) *Sources of Red Flags.* Financial institutions and creditors should incorporate relevant Red Flags from sources such as:

- (1) Incidents of identity theft that the financial institution or creditor has experienced;
 - (2) Methods of identity theft that the financial institution or creditor has identified that reflect changes in identity theft risks; and
 - (3) Applicable regulatory guidance.
- (c) *Categories of Red Flags.* The Program should include relevant Red Flags from the

following categories, as appropriate. Examples of Red Flags from each of these categories are appended as Supplement A to this Appendix A.

- (1) Alerts, notifications, or other warnings received from consumer reporting agencies or service providers, such as fraud detection services;
- (2) The presentation of suspicious documents;
- (3) The presentation of suspicious personal identifying information, such as a suspicious address change;
- (4) The unusual use of, or other suspicious activity related to, a covered account; and
- (5) Notice from customers, victims of identity theft, law enforcement authorities, or other persons regarding possible identity theft in connection with covered accounts held by the financial institution or creditor.

III. DETECTING RED FLAGS

The Program's policies and procedures should address the detection of Red Flags in connection with the opening of covered accounts and existing covered accounts, such as by:

- (a) Obtaining identifying information about, and verifying the identity of, a person opening a covered account, for example, using the policies and procedures regarding identification and verification set forth in the Customer Identification Program rules implementing 31 U.S.C. 5318(l) (31 CFR 1023.220 (broker-dealers) and 1024.220 (mutual funds)); and
- (b) Authenticating customers, monitoring transactions, and verifying the validity of change of address requests, in the case of existing covered accounts.

IV. PREVENTING AND MITIGATING IDENTITY THEFT

The Program's policies and procedures should provide for appropriate responses to the Red Flags the financial institution or creditor has detected that are commensurate with the degree of risk posed. In determining an appropriate response, a financial institution or creditor should consider aggravating factors that may heighten the risk of identity theft, such as a data security incident that results in unauthorized access to a customer's account records held by the financial institution, creditor, or third party, or notice that a customer has provided information related to a covered account held by the financial institution or creditor to someone fraudulently claiming to represent the financial institution or creditor or to a fraudulent Web site. Appropriate responses may include the following:

- (a) Monitoring a covered account for evidence of identity theft;
- (b) Contacting the customer;

- (c) Changing any passwords, security codes, or other security devices that permit access to a covered account;
- (d) Reopening a covered account with a new account number;
- (e) Not opening a new covered account;
- (f) Closing an existing covered account;
- (g) Not attempting to collect on a covered account or not selling a covered account to a debt collector;
- (h) Notifying law enforcement; or
- (i) Determining that no response is warranted under the particular circumstances.

V. UPDATING THE PROGRAM

Financial institutions and creditors should update the Program (including the Red Flags determined to be relevant) periodically, to reflect changes in risks to customers or to the safety and soundness of the financial institution or creditor from identity theft, based on factors such as:

- (a) The experiences of the financial institution or creditor with identity theft;
- (b) Changes in methods of identity theft;
- (c) Changes in methods to detect, prevent, and mitigate identity theft;
- (d) Changes in the types of accounts that the financial institution or creditor offers or maintains; and
- (e) Changes in the business arrangements of the financial institution or creditor, including mergers, acquisitions, alliances, joint ventures, and service provider arrangements.

VI. METHODS FOR ADMINISTERING THE PROGRAM

(a) *Oversight of Program.* Oversight by the board of directors, an appropriate committee of the board, or a designated employee at the level of senior management should include:

- (1) Assigning specific responsibility for the Program's implementation;
- (2) Reviewing reports prepared by staff regarding compliance by the financial institution or creditor with § 248.201; and
- (3) Approving material changes to the Program as necessary to address changing identity theft risks.

(b) *Reports.* (1) *In general.* Staff of the financial institution or creditor responsible for development, implementation, and administration of its Program should report to the board of directors, an appropriate committee of the board, or a designated employee at the level of senior management, at least annually, on compliance by the financial institution or creditor with § 248.201.

(2) *Contents of report.* The report should address material matters related to the Program and evaluate issues such as: The effectiveness of the policies and procedures of the financial institution or creditor in addressing the risk of identity theft in connection with the opening of covered accounts and

with respect to existing covered accounts; service provider arrangements; significant incidents involving identity theft and management's response; and recommendations for material changes to the Program.

(c) *Oversight of service provider arrangements.* Whenever a financial institution or creditor engages a service provider to perform an activity in connection with one or more covered accounts the financial institution or creditor should take steps to ensure that the activity of the service provider is conducted in accordance with reasonable policies and procedures designed to detect, prevent, and mitigate the risk of identity theft. For example, a financial institution or creditor could require the service provider by contract to have policies and procedures to detect relevant Red Flags that may arise in the performance of the service provider's activities, and either report the Red Flags to the financial institution or creditor, or to take appropriate steps to prevent or mitigate identity theft.

VII. OTHER APPLICABLE LEGAL REQUIREMENTS

Financial institutions and creditors should be mindful of other related legal requirements that may be applicable, such as:

- (a) For financial institutions and creditors that are subject to 31 U.S.C. 5318(g), filing a Suspicious Activity Report in accordance with applicable law and regulation;
- (b) Implementing any requirements under 15 U.S.C. 1681c-1(h) regarding the circumstances under which credit may be extended when the financial institution or creditor detects a fraud or active duty alert;
- (c) Implementing any requirements for furnishers of information to consumer reporting agencies under 15 U.S.C. 1681s-2, for example, to correct or update inaccurate or incomplete information, and to not report information that the furnisher has reasonable cause to believe is inaccurate; and
- (d) Complying with the prohibitions in 15 U.S.C. 1681m on the sale, transfer, and placement for collection of certain debts resulting from identity theft.

Supplement A to Appendix A

In addition to incorporating Red Flags from the sources recommended in section II.b. of the Guidelines in Appendix A to this subpart, each financial institution or creditor may consider incorporating into its Program, whether singly or in combination, Red Flags from the following illustrative examples in connection with covered accounts:

Alerts, Notifications or Warnings From a Consumer Reporting Agency

8. Other information on the identification is not consistent with readily accessible information that is on file with the financial institution or creditor, such as a signature card or a recent check.

9. An application appears to have been altered or forged, or gives the appearance of having been destroyed and reassembled.

Suspicious Personal Identifying Information

10. Personal identifying information provided is inconsistent when compared against external information sources used by the financial institution or creditor. For example:

a. The address does not match any address in the consumer report; or

b. The Social Security Number (SSN) has not been issued, or is listed on the Social Security Administration's Death Master File.

11. Personal identifying information provided by the customer is not consistent with other personal identifying information provided by the customer. For example, there is a lack of correlation between the SSN range and date of birth.

12. Personal identifying information provided is associated with known fraudulent activity as indicated by internal or third-party sources used by the financial institution or creditor. For example:

a. The address on an application is the same as the address provided on a fraudulent application; or

16. The person opening the covered account or the customer fails to provide all required personal identifying information on an application or in response to notification that the application is incomplete.

17. Personal identifying information provided is not consistent with personal identifying information that is on file with the financial institution or creditor.

18. For financial institutions and creditors that use challenge questions, the person opening the covered account or the customer cannot provide authenticating information beyond that which generally would be available from a wallet or consumer report.

Unusual Use of, or Suspicious Activity Related to, the Covered Account

19. Shortly following the notice of a change of address for a covered account, the institution or creditor receives a request for a new, additional, or replacement means of accessing the account or for the addition of an authorized user on the account.

20. A covered account is used in a manner that is not consistent with established patterns of activity on the account. There is, for example:

a. Nonpayment when there is no history of late or missed payments;

b. A material increase in the use of available credit;

c. A material change in purchasing or spending patterns; or

d. A material change in electronic fund transfer patterns in connection with a deposit account.

21. A covered account that has been inactive for a reasonably lengthy period of time is used (taking into consideration the type of account, the expected pattern of usage and other relevant factors).

(b) *Definition of trading account.* (1) *Trading account.* Trading account means:

(i) Any account that is used by a banking entity to purchase or sell one or more financial instruments principally for the purpose of short-term resale, benefitting from actual or expected short-term price movements, realizing short-term arbitrage profits, or hedging one or more of the positions resulting from the purchases or sales of

financial instruments described in this paragraph;

(ii) Any account that is used by a banking entity to purchase or sell one or more financial instruments that are both market risk capital rule covered positions and trading positions (or hedges of other market risk capital rule covered positions), if the banking entity, or any affiliate with which the banking entity is consolidated for regulatory reporting purposes, calculates risk-based capital ratios under the market risk capital rule; or

(iii) Any account that is used by a banking entity to purchase or sell one or more financial instruments, if the banking entity:

(A) Is licensed or registered, or is required to be licensed or registered, to engage in the business of a dealer, swap dealer, or security-based swap dealer, to the extent the instrument is purchased or sold in connection with the activities that require the banking entity to be licensed or registered as such; or

or change to an election under paragraph (b)(2)(ii) of this section must apply to the electing banking entity and all of its wholly owned subsidiaries. The primary financial regulatory agency of a banking entity that is affiliated with but is not a wholly owned subsidiary of such electing banking entity may require that the banking entity be subject to this uniform application requirement if the primary financial regulatory agency determines that it is necessary to prevent evasion of the requirements of this part after notice and opportunity for response as provided in subpart D.

(iii) Requires that any financial instruments purchased or sold for liquidity management purposes be highly liquid and limited to financial instruments the market, credit, and other risks of which the banking entity does not reasonably expect to give rise to appreciable profits or losses as a result of short-term price movements;

(9) Any purchase or sale of one or more financial instruments by a banking entity in the ordinary course of collecting a debt previously contracted in good faith, provided that the banking entity divests the financial instrument as soon as practicable, and in no event may the banking entity retain such instrument for longer than such period permitted by the SEC;

(B) Follows established written authorization procedures, including escalation procedures that require review and approval of any trade that exceeds a trading desk's limit(s), demonstrable analysis of the basis for any temporary or permanent increase to a trading desk's limit(s), and independent review of such demonstrable analysis and approval.

(4) *Rebutting the presumption.* The presumption in paragraph (c)(1)(i) of this section may be rebutted by the SEC if the SEC determines, taking into account the liquidity, maturity, and depth of the market for the relevant types of financial instruments and based on all relevant facts and circumstances, that a trading desk is engaging in activity that is not based on the reasonably expected near term demands of clients, customers, or counterparties. The SEC's rebuttal of the presumption in paragraph (c)(1)(i) must be made in accordance with the notice and response procedures in subpart D of this part.

§ 255.5 Permitted risk-mitigating hedging activities.

(a) *Permitted risk-mitigating hedging activities.* The prohibition contained in § 255.3(a) does not apply to the risk-mitigating hedging activities of a banking entity in connection with and related to individual or aggregated positions, contracts, or other holdings of the banking entity and designed to reduce the specific risks to the banking entity in connection with and related to such positions, contracts, or other holdings.

(b) *Requirements.* (1) The risk-mitigating hedging activities of a banking entity that has significant trading assets and liabilities are permitted under paragraph (a) of this section only if:

(i) The banking entity has established and implements, maintains and enforces an internal compliance program required by subpart D of this part that is reasonably designed to ensure the banking entity's compliance with the requirements of this section, including:

(A) Reasonably designed written policies and procedures regarding the positions, techniques and strategies that may be used for hedging, including documentation indicating what positions, contracts or other holdings a particular trading desk may use in its risk-mitigating hedging activities, as well as position and aging limits with respect to such positions, contracts or other holdings;

(B) Internal controls and ongoing monitoring, management, and authorization procedures, including relevant escalation procedures; and

(C) The conduct of analysis and independent testing designed to ensure that the positions, techniques and strategies that may be used for hedging may reasonably be expected to reduce or otherwise significantly mitigate the specific, identifiable risk(s) being hedged;

(ii) The risk-mitigating hedging activity:

(A) Is conducted in accordance with the written policies, procedures, and internal controls required under this section;

(B) At the inception of the hedging activity, including, without limitation, any adjustments to the hedging activ-

ity, is designed to reduce or otherwise significantly mitigate one or more specific, identifiable risks, including market risk, counterparty or other credit risk, currency or foreign exchange risk, interest rate risk, commodity price risk, basis risk, or similar risks, arising in connection with and related to identified positions, contracts, or other holdings of the banking entity, based upon the facts and circumstances of the identified underlying and hedging positions, contracts or other holdings and the risks and liquidity thereof;

(C) Does not give rise, at the inception of the hedge, to any significant new or additional risk that is not itself hedged contemporaneously in accordance with this section;

(D) Is subject to continuing review, monitoring and management by the banking entity that:

(1) Is consistent with the written hedging policies and procedures required under paragraph (b)(1)(i) of this section;

(2) Is designed to reduce or otherwise significantly mitigate the specific, identifiable risks that develop over time from the risk-mitigating hedging activities undertaken under this section and the underlying positions, contracts, and other holdings of the banking entity, based upon the facts and circumstances of the underlying and hedging positions, contracts and other holdings of the banking entity and the risks and liquidity thereof; and

(3) Requires ongoing recalibration of the hedging activity by the banking entity to ensure that the hedging activity satisfies the requirements set out in paragraph (b)(1)(ii) of this section and is not prohibited proprietary trading; and

(iii) The compensation arrangements of persons performing risk-mitigating hedging activities are designed not to reward or incentivize prohibited proprietary trading.

(2) The risk-mitigating hedging activities of a banking entity that does not have significant trading assets and liabilities are permitted under paragraph (a) of this section only if the risk-mitigating hedging activity:

(i) At the inception of the hedging activity, including, without limitation,

any adjustments to the hedging activity, is designed to reduce or otherwise significantly mitigate one or more specific, identifiable risks, including market risk, counterparty or other credit risk, currency or foreign exchange risk, interest rate risk, commodity price risk, basis risk, or similar risks, arising in connection with and related to identified positions, contracts, or other holdings of the banking entity, based upon the facts and circumstances of the identified underlying and hedging positions, contracts or other holdings and the risks and liquidity thereof; and

(ii) Is subject, as appropriate, to ongoing recalibration by the banking entity to ensure that the hedging activity satisfies the requirements set out in paragraph (b)(2) of this section and is not prohibited proprietary trading.

(c) *Documentation requirement.* (1) A banking entity that has significant trading assets and liabilities must comply with the requirements of paragraphs (c)(2) and (3) of this section, unless the requirements of paragraph (c)(4) of this section are met, with respect to any purchase or sale of financial instruments made in reliance on this section for risk-mitigating hedging purposes that is:

(i) Not established by the specific trading desk establishing or responsible for the underlying positions, contracts, or other holdings the risks of which the hedging activity is designed to reduce;

(ii) Established by the specific trading desk establishing or responsible for the underlying positions, contracts, or other holdings the risks of which the purchases or sales are designed to reduce, but that is effected through a financial instrument, exposure, technique, or strategy that is not specifically identified in the trading desk's written policies and procedures established under paragraph (b)(1) of this section or under § 255.4(b)(2)(iii)(B) of this subpart as a product, instrument, exposure, technique, or strategy such trading desk may use for hedging; or

(iii) Established to hedge aggregated positions across two or more trading desks.

(2) In connection with any purchase or sale identified in paragraph (c)(1) of this section, a banking entity must, at

a minimum, and contemporaneously with the purchase or sale, document:

(i) The specific, identifiable risk(s) of the identified positions, contracts, or other holdings of the banking entity that the purchase or sale is designed to reduce;

(ii) The specific risk-mitigating strategy that the purchase or sale is designed to fulfill; and

(iii) The trading desk or other business unit that is establishing and responsible for the hedge.

(3) A banking entity must create and retain records sufficient to demonstrate compliance with the requirements of this paragraph (c) for a period that is no less than five years in a form that allows the banking entity to promptly produce such records to the SEC on request, or such longer period as required under other law or this part.

(4) The requirements of paragraphs (c)(2) and (3) of this section do not apply to the purchase or sale of a financial instrument described in paragraph (c)(1) of this section if:

(i) The financial instrument purchased or sold is identified on a written list of pre-approved financial instruments that are commonly used by the trading desk for the specific type of hedging activity for which the financial instrument is being purchased or sold; and

(ii) At the time the financial instrument is purchased or sold, the hedging activity (including the purchase or sale of the financial instrument) complies with written, pre-approved limits for the trading desk purchasing or selling the financial instrument for hedging activities undertaken for one or more other trading desks. The limits shall be appropriate for the:

(A) Size, types, and risks of the hedging activities commonly undertaken by the trading desk;

(B) Financial instruments purchased and sold for hedging activities by the trading desk; and

(C) Levels and duration of the risk exposures being hedged.

not apply to the purchase or sale of financial instruments by a banking entity acting as riskless principal in a transaction in which the banking entity, after receiving an order to purchase (or sell) a financial instrument from a customer, purchases (or sells) the financial instrument for its own account to offset a contemporaneous sale to (or purchase from) the customer.

(d) *Permitted trading by a regulated insurance company.* The prohibition contained in § 255.3(a) does not apply to the purchase or sale of financial instruments by a banking entity that is an insurance company or an affiliate of an insurance company if:

(e) *Permitted trading activities of foreign banking entities.* (1) The prohibition contained in § 255.3(a) does not apply to the purchase or sale of financial instruments by a banking entity if:

(4) For purposes of this paragraph (e), a U.S. branch, agency, or subsidiary of a foreign banking entity is considered to be located in the United States; however, the foreign bank that operates or controls that branch, agency, or subsidiary is not considered to be located in the United States solely by virtue of operating or controlling the U.S. branch, agency, or subsidiary.

§255.7 Limitations on permitted proprietary trading activities.

(a) No transaction, class of transactions, or activity may be deemed permissible under §§255.4 through 255.6 if the transaction, class of transactions, or activity would:

(1) Involve or result in a material conflict of interest between the banking entity and its clients, customers, or counterparties;

(2) Result, directly or indirectly, in a material exposure by the banking entity to a high-risk asset or a high-risk trading strategy; or

(3) Pose a threat to the safety and soundness of the banking entity or to the financial stability of the United States.

(b) *Definition of material conflict of interest.* (1) For purposes of this section, a material conflict of interest between a banking entity and its clients, customers, or counterparties exists if the banking entity engages in any transaction, class of transactions, or activity that would involve or result in the banking entity's interests being materially adverse to the interests of its client, customer, or counterparty with respect to such transaction, class of transactions, or activity, and the banking entity has not taken at least one of the actions in paragraph (b)(2) of this section.

(2) Prior to effecting the specific transaction or class or type of transactions, or engaging in the specific activity, the banking entity:

(i) *Timely and effective disclosure.* (A) Has made clear, timely, and effective disclosure of the conflict of interest,

together with other necessary information, in reasonable detail and in a manner sufficient to permit a reasonable client, customer, or counterparty to meaningfully understand the conflict of interest; and

(B) Such disclosure is made in a manner that provides the client, customer, or counterparty the opportunity to negate, or substantially mitigate, any materially adverse effect on the client, customer, or counterparty created by the conflict of interest; or

(ii) *Information barriers.* Has established, maintained, and enforced information barriers that are memorialized in written policies and procedures, such as physical separation of personnel, or functions, or limitations on types of activity, that are reasonably designed, taking into consideration the nature of the banking entity's business, to prevent the conflict of interest from involving or resulting in a materially adverse effect on a client, customer, or counterparty. A banking entity may not rely on such information barriers if, in the case of any specific transaction, class or type of transactions or activity, the banking entity knows or should reasonably know that, notwithstanding the banking entity's establishment of information barriers, the conflict of interest may involve or result in a materially adverse effect on a client, customer, or counterparty.

(c) *Definition of high-risk asset and high-risk trading strategy.* For purposes of this section:

(1) *High-risk asset* means an asset or group of related assets that would, if held by a banking entity, significantly increase the likelihood that the banking entity would incur a substantial financial loss or would pose a threat to the financial stability of the United States.

(2) *High-risk trading strategy* means a trading strategy that would, if engaged in by a banking entity, significantly increase the likelihood that the banking entity would incur a substantial financial loss or would pose a threat to the financial stability of the United States.

(ii) Through a deferred compensation, stock-bonus, profit-sharing, or pension plan of the banking entity (or an affiliate thereof) that is established and administered in accordance with the law of the United States or a foreign sovereign, if the ownership interest is held or controlled directly or indirectly by the banking entity as trustee for the benefit of persons who are or were employees of the banking entity (or an affiliate thereof);

(iii) In the ordinary course of collecting a debt previously contracted in good faith, provided that the banking entity divests the ownership interest as soon as practicable, and in no event may the banking entity retain such ownership interest for longer than such period permitted by the SEC; or

(D) The issuer has filed or submitted, with the appropriate regulatory authority in such jurisdiction, offering disclosure documents that are publicly available.

(2) *Wholly-owned subsidiaries.* An entity, all of the outstanding ownership interests of which are owned directly or indirectly by the banking entity (or an affiliate thereof), except that:

(7) No director or employee of the banking entity (or an affiliate thereof) takes or retains an ownership interest in the covered fund, except for any director or employee of the banking entity or such affiliate who is directly engaged in providing investment advisory, commodity trading advisory, or other services to the covered fund at the time the director or employee takes the ownership interest; and

(8) The banking entity:

(i) Clearly and conspicuously discloses, in writing, to any prospective and actual investor in the covered fund (such as through disclosure in the covered fund’s offering documents):

(A) That “any losses in [such covered fund] will be borne solely by investors in [the covered fund] and not by [the banking entity] or its affiliates; therefore, [the banking entity’s] losses in [such covered fund] will be limited to losses attributable to the ownership interests in the covered fund held by [the banking entity] and any affiliate in its capacity as investor in the [covered fund] or as beneficiary of a restricted profit interest held by [the banking entity] or any affiliate”;

(B) That such investor should read the fund offering documents before investing in the covered fund;

(C) That the “ownership interests in the covered fund are not insured by the FDIC, and are not deposits, obligations of, or endorsed or guaranteed in any way, by any banking entity” (unless that happens to be the case); and

(D) The role of the banking entity and its affiliates and employees in sponsoring or providing any services to the covered fund; and

(ii) Complies with any additional rules of the appropriate Federal banking agencies, the SEC, or the CFTC, as provided in section 13(b)(2) of the BHC Act, designed to ensure that losses in such covered fund are borne solely by investors in the covered fund and not by the covered banking entity and its affiliates.

(b) *Organizing and offering an issuing entity of asset-backed securities.* (1) Notwithstanding § 255.10(a) of this subpart, a banking entity is not prohibited from acquiring or retaining an ownership interest in, or acting as sponsor to, a covered fund that is an issuing entity of asset-backed securities in connection with, directly or indirectly, organizing and offering that issuing entity, so long as the banking entity and its affiliates comply with all of the requirements of paragraph (a)(3) through (8) of this section.

(2) For purposes of this paragraph (b), organizing and offering a covered fund that is an issuing entity of asset-backed securities means acting as the securitizer, as that term is used in section 15G(a)(3) of the Exchange Act (15 U.S.C. 78o–11(a)(3)) of the issuing entity, or acquiring or retaining an ownership interest in the issuing entity as required by section 15G of that Act (15

U.S.C. 78o–11) and the implementing regulations issued thereunder.

(c) *Underwriting and market making in ownership interests of a covered fund.* The prohibition contained in § 255.10(a) of this subpart does not apply to a banking entity’s underwriting activities or market making-related activities involving a covered fund so long as:

(1) Those activities are conducted in accordance with the requirements of § 255.4(a) or § 255.4(b) of subpart B, respectively; and

(2) With respect to any banking entity (or any affiliate thereof) that: Acts as a sponsor, investment adviser or commodity trading advisor to a particular covered fund or otherwise acquires and retains an ownership interest in such covered fund in reliance on paragraph (a) of this section; or acquires and retains an ownership interest in such covered fund and is either a securitizer, as that term is used in section 15G(a)(3) of the Exchange Act (15 U.S.C. 78o–11(a)(3)), or is acquiring and retaining an ownership interest in such covered fund in compliance with section 15G of that Act (15 U.S.C. 78o–11) and the implementing regulations issued thereunder each as permitted by paragraph (b) of this section, then in each such case any ownership interests acquired or retained by the banking entity and its affiliates in connection with underwriting and market making related activities for that particular covered fund are included in the calculation of ownership interests permitted to be held by the banking entity and its affiliates under the limitations of § 255.12(a)(2)(ii); § 255.12(a)(2)(iii), and § 255.12(d) of this subpart.

[79 FR 5779, 5805, Jan. 31, 2014, as amended at 84 FR 35022, July 22, 2019; 84 FR 62244, Nov. 14, 2019]

§ 255.12 Permitted investment in a covered fund.

(a) *Authority and limitations on permitted investments in covered funds.* (1) Notwithstanding the prohibition contained in § 255.10(a) of this subpart, a banking entity may acquire and retain an ownership interest in a covered fund that the banking entity or an affiliate

thereof organizes and offers pursuant to § 255.11, for the purposes of:

(i) *Establishment.* Establishing the fund and providing the fund with sufficient initial equity for investment to permit the fund to attract unaffiliated investors, subject to the limits contained in paragraphs (a)(2)(i) and (iii) of this section; or

(ii) *De minimis investment.* Making and retaining an investment in the covered fund subject to the limits contained in paragraphs (a)(2)(ii) and (iii) of this section.

(2) *Investment limits*—(i) *Seeding period.* With respect to an investment in any covered fund made or held pursuant to paragraph (a)(1)(i) of this section, the banking entity and its affiliates:

(A) Must actively seek unaffiliated investors to reduce, through redemption, sale, dilution, or other methods, the aggregate amount of all ownership interests of the banking entity in the covered fund to the amount permitted in paragraph (a)(2)(i)(B) of this section; and

(B) Must, no later than 1 year after the date of establishment of the fund (or such longer period as may be provided by the Board pursuant to paragraph (e) of this section), conform its ownership interest in the covered fund to the limits in paragraph (a)(2)(ii) of this section;

(ii) *Per-fund limits.* (A) Except as provided in paragraph (a)(2)(ii)(B) of this section, an investment by a banking entity and its affiliates in any covered fund made or held pursuant to paragraph (a)(1)(ii) of this section may not exceed 3 percent of the total number or value of the outstanding ownership interests of the fund.

(B) An investment by a banking entity and its affiliates in a covered fund that is an issuing entity of asset-backed securities may not exceed 3 percent of the total fair market value of the ownership interests of the fund measured in accordance with paragraph (b)(3) of this section, unless a greater percentage is retained by the banking entity and its affiliates in compliance with the requirements of section 15G of the Exchange Act (15 U.S.C. 78o-11) and the implementing regulations issued thereunder, in which

case the investment by the banking entity and its affiliates in the covered fund may not exceed the amount, number, or value of ownership interests of the fund required under section 15G of the Exchange Act and the implementing regulations issued thereunder.

(iii) *Aggregate limit.* The aggregate value of all ownership interests of the banking entity and its affiliates in all covered funds acquired or retained under this section may not exceed 3 percent of the tier 1 capital of the banking entity, as provided under paragraph (c) of this section, and shall be calculated as of the last day of each calendar quarter.

(iv) *Date of establishment.* For purposes of this section, the date of establishment of a covered fund shall be:

(A) *In general.* The date on which the investment adviser or similar entity to the covered fund begins making investments pursuant to the written investment strategy for the fund;

(B) *Issuing entities of asset-backed securities.* In the case of an issuing entity of asset-backed securities, the date on which the assets are initially transferred into the issuing entity of asset-backed securities.

(b) *Rules of construction*—(1) *Attribution of ownership interests to a covered banking entity.* (i) For purposes of paragraph (a)(2) of this section, the amount and value of a banking entity's permitted investment in any single covered fund shall include any ownership interest held under § 255.12 directly by the banking entity, including any affiliate of the banking entity.

(ii) *Treatment of registered investment companies, SEC-regulated business development companies, and foreign public funds.* For purposes of paragraph (b)(1)(i) of this section, a registered investment company, SEC-regulated business development companies, or foreign public fund as described in § 255.10(c)(1) will not be considered to be an affiliate of the banking entity so long as:

(A) The banking entity, together with its affiliates, does not own, control, or hold with the power to vote 25 percent or more of the voting shares of the company or fund; and

(B) The banking entity, or an affiliate of the banking entity, provides investment advisory, commodity trading advisory, administrative, and other services to the company or fund in compliance with the limitations under applicable regulation, order, or other authority.

(iii) *Covered funds.* For purposes of paragraph (b)(1)(i) of this section, a covered fund will not be considered to be an affiliate of a banking entity so long as the covered fund is held in compliance with the requirements of this subpart.

(iv) *Treatment of employee and director investments financed by the banking entity.* For purposes of paragraph (b)(1)(i) of this section, an investment by a director or employee of a banking entity who acquires an ownership interest in his or her personal capacity in a covered fund sponsored by the banking entity will be attributed to the banking entity if the banking entity, directly or indirectly, extends financing for the purpose of enabling the director or employee to acquire the ownership interest in the fund and the financing is used to acquire such ownership interest in the covered fund.

(2) *Calculation of permitted ownership interests in a single covered fund.* Except as provided in paragraph (b)(3) or (4), for purposes of determining whether an investment in a single covered fund complies with the restrictions on ownership interests under paragraphs (a)(2)(i)(B) and (a)(2)(ii)(A) of this section:

(i) The aggregate number of the outstanding ownership interests held by the banking entity shall be the total number of ownership interests held under this section by the banking entity in a covered fund divided by the total number of ownership interests held by all entities in that covered fund, as of the last day of each calendar quarter (both measured without regard to committed funds not yet called for investment);

(ii) The aggregate value of the outstanding ownership interests held by the banking entity shall be the aggregate fair market value of all investments in and capital contributions made to the covered fund by the banking entity, divided by the value of all

investments in and capital contributions made to that covered fund by all entities, as of the last day of each calendar quarter (all measured without regard to committed funds not yet called for investment). If fair market value cannot be determined, then the value shall be the historical cost basis of all investments in and contributions made by the banking entity to the covered fund;

(iii) For purposes of the calculation under paragraph (b)(2)(ii) of this section, once a valuation methodology is chosen, the banking entity must calculate the value of its investment and the investments of all others in the covered fund in the same manner and according to the same standards.

(3) *Issuing entities of asset-backed securities.* In the case of an ownership interest in an issuing entity of asset-backed securities, for purposes of determining whether an investment in a single covered fund complies with the restrictions on ownership interests under paragraphs (a)(2)(i)(B) and (a)(2)(ii)(B) of this section:

(i) For securitizations subject to the requirements of section 15G of the Exchange Act (15 U.S.C. 78o–11), the calculations shall be made as of the date and according to the valuation methodology applicable pursuant to the requirements of section 15G of the Exchange Act (15 U.S.C. 78o–11) and the implementing regulations issued thereunder; or

(ii) For securitization transactions completed prior to the compliance date of such implementing regulations (or as to which such implementing regulations do not apply), the calculations shall be made as of the date of establishment as defined in paragraph (a)(2)(iv)(B) of this section or such earlier date on which the transferred assets have been valued for purposes of transfer to the covered fund, and thereafter only upon the date on which additional securities of the issuing entity of asset-backed securities are priced for purposes of the sales of ownership interests to unaffiliated investors.

(iii) For securitization transactions completed prior to the compliance date of such implementing regulations (or as to which such implementing regulations do not apply), the aggregate

value of the outstanding ownership interests in the covered fund shall be the fair market value of the assets transferred to the issuing entity of the securitization and any other assets otherwise held by the issuing entity at such time, determined in a manner that is consistent with its determination of the fair market value of those assets for financial statement purposes.

(iv) For purposes of the calculation under paragraph (b)(3)(iii) of this section, the valuation methodology used to calculate the fair market value of the ownership interests must be the same for both the ownership interests held by a banking entity and the ownership interests held by all others in the covered fund in the same manner and according to the same standards.

(4) *Multi-tier fund investments*—(i) *Master-feeder fund investments*. If the principal investment strategy of a covered fund (the “feeder fund”) is to invest substantially all of its assets in another single covered fund (the “master fund”), then for purposes of the investment limitations in paragraphs (a)(2)(i)(B) and (a)(2)(ii) of this section, the banking entity’s permitted investment in such funds shall be measured only by reference to the value of the master fund. The banking entity’s permitted investment in the master fund shall include any investment by the banking entity in the master fund, as well as the banking entity’s pro-rata share of any ownership interest in the master fund that is held through the feeder fund; and

(ii) *Fund-of-funds investments*. If a banking entity organizes and offers a covered fund pursuant to § 255.11 for the purpose of investing in other covered funds (a “fund of funds”) and that fund of funds itself invests in another covered fund that the banking entity is permitted to own, then the banking entity’s permitted investment in that other fund shall include any investment by the banking entity in that other fund, as well as the banking entity’s pro-rata share of any ownership interest in the fund that is held through the fund of funds. The investment of the banking entity may not represent more than 3 percent of the amount or value of any single covered fund.

(5) *Parallel Investments and Co-Investments*. (i) A banking entity shall not be required to include in the calculation of the investment limits under paragraph (a)(2) of this section any investment the banking entity makes alongside a covered fund as long as the investment is made in compliance with applicable laws and regulations, including applicable safety and soundness standards.

(ii) A banking entity shall not be restricted under this section in the amount of any investment the banking entity makes alongside a covered fund as long as the investment is made in compliance with applicable laws and regulations, including applicable safety and soundness standards.

(c) *Aggregate permitted investments in all covered funds*. (1)(i) For purposes of paragraph (a)(2)(iii) of this section, the aggregate value of all ownership interests held by a banking entity shall be the sum of all amounts paid or contributed by the banking entity in connection with acquiring or retaining an ownership interest in covered funds (together with any amounts paid by the entity in connection with obtaining a restricted profit interest under § 255.10(d)(6)(ii)), on a historical cost basis;

(ii) Treatment of employee and director restricted profit interests financed by the banking entity. For purposes of paragraph (c)(1)(i) of this section, an investment by a director or employee of a banking entity who acquires a restricted profit interest in his or her personal capacity in a covered fund sponsored by the banking entity will be attributed to the banking entity if the banking entity, directly or indirectly, extends financing for the purpose of enabling the director or employee to acquire the restricted profit interest in the fund and the financing is used to acquire such ownership interest in the covered fund.

(2) *Calculation of tier 1 capital*. For purposes of paragraph (a)(2)(iii) of this section:

(i) *Entities that are required to hold and report tier 1 capital*. If a banking entity is required to calculate and report tier 1 capital, the banking entity’s tier 1 capital shall be equal to the amount of tier 1 capital of the banking entity

as of the last day of the most recent calendar quarter, as reported to its primary financial regulatory agency; and

(ii) If a banking entity is not required to calculate and report tier 1 capital, the banking entity's tier 1 capital shall be determined to be equal to:

(A) In the case of a banking entity that is controlled, directly or indirectly, by a depository institution that calculates and reports tier 1 capital, be equal to the amount of tier 1 capital reported by such controlling depository institution in the manner described in paragraph (c)(2)(i) of this section;

(B) In the case of a banking entity that is not controlled, directly or indirectly, by a depository institution that calculates and reports tier 1 capital:

(1) *Bank holding company subsidiaries.* If the banking entity is a subsidiary of a bank holding company or company that is treated as a bank holding company, be equal to the amount of tier 1 capital reported by the top-tier affiliate of such covered banking entity that calculates and reports tier 1 capital in the manner described in paragraph (c)(2)(i) of this section; and

(2) *Other holding companies and any subsidiary or affiliate thereof.* If the banking entity is not a subsidiary of a bank holding company or a company that is treated as a bank holding company, be equal to the total amount of shareholders' equity of the top-tier affiliate within such organization as of the last day of the most recent calendar quarter that has ended, as determined under applicable accounting standards.

(iii) *Treatment of foreign banking entities—(A) Foreign banking entities.* Except as provided in paragraph (c)(2)(iii)(B) of this section, with respect to a banking entity that is not itself, and is not controlled directly or indirectly by, a banking entity that is located or organized under the laws of the United States or of any State, the tier 1 capital of the banking entity shall be the consolidated tier 1 capital of the entity as calculated under applicable home country standards.

(B) *U.S. affiliates of foreign banking entities.* With respect to a banking entity that is located or organized under the laws of the United States or of any State and is controlled by a foreign

banking entity identified under paragraph (c)(2)(iii)(A) of this section, the banking entity's tier 1 capital shall be as calculated under paragraphs (c)(2)(i) or (ii) of this section.

(d) *Capital treatment for a permitted investment in a covered fund.* For purposes of calculating compliance with the applicable regulatory capital requirements, a banking entity shall deduct from the banking entity's tier 1 capital (as determined under paragraph (c)(2) of this section) the greater of:

(1)(i) The sum of all amounts paid or contributed by the banking entity in connection with acquiring or retaining an ownership interest (together with any amounts paid by the entity in connection with obtaining a restricted profit interest under § 255.10(d)(6)(ii) of subpart C of this part), on a historical cost basis, plus any earnings received; and

(ii) The fair market value of the banking entity's ownership interests in the covered fund as determined under paragraph (b)(2)(ii) or (b)(3) of this section (together with any amounts paid by the entity in connection with obtaining a restricted profit interest under § 255.10(d)(6)(ii) of subpart C of this part), if the banking entity accounts for the profits (or losses) of the fund investment in its financial statements.

(2) *Treatment of employee and director restricted profit interests financed by the banking entity.* For purposes of paragraph (d)(1) of this section, an investment by a director or employee of a banking entity who acquires a restricted profit interest in his or her personal capacity in a covered fund sponsored by the banking entity will be attributed to the banking entity if the banking entity, directly or indirectly, extends financing for the purpose of enabling the director or employee to acquire the restricted profit interest in the fund and the financing is used to acquire such ownership interest in the covered fund.

(e) *Extension of time to divest an ownership interest.* (1) *Extension period.* Upon application by a banking entity, the Board may extend the period under paragraph (a)(2)(i) of this section for up to 2 additional years if the Board finds that an extension would be consistent

Securities and Exchange Commission

§ 255.13

with safety and soundness and not detrimental to the public interest.

(2) *Application requirements.* An application for extension must:

(i) Be submitted to the Board at least 90 days prior to the expiration of the applicable time period;

(ii) Provide the reasons for application, including information that addresses the factors in paragraph (e)(3) of this section; and

(iii) Explain the banking entity's plan for reducing the permitted investment in a covered fund through redemption, sale, dilution or other methods as required in paragraph (a)(2) of this section.

(3) *Factors governing the Board determinations.* In reviewing any application under paragraph (e)(1) of this section, the Board may consider all the facts and circumstances related to the permitted investment in a covered fund, including:

(i) Whether the investment would result, directly or indirectly, in a material exposure by the banking entity to high-risk assets or high-risk trading strategies;

(ii) The contractual terms governing the banking entity's interest in the covered fund;

(iii) The date on which the covered fund is expected to have attracted sufficient investments from investors unaffiliated with the banking entity to enable the banking entity to comply with the limitations in paragraph (a)(2)(i) of this section;

(iv) The total exposure of the covered banking entity to the investment and the risks that disposing of, or maintaining, the investment in the covered fund may pose to the banking entity and the financial stability of the United States;

(v) The cost to the banking entity of divesting or disposing of the investment within the applicable period;

(vi) Whether the investment or the divestiture or conformance of the investment would involve or result in a material conflict of interest between the banking entity and unaffiliated parties, including clients, customers, or counterparties to which it owes a duty;

(vii) The banking entity's prior efforts to reduce through redemption,

sale, dilution, or other methods its ownership interests in the covered fund, including activities related to the marketing of interests in such covered fund;

(viii) Market conditions; and

(ix) Any other factor that the Board believes appropriate.

(4) *Authority to impose restrictions on activities or investment during any extension period.* The Board may impose such conditions on any extension approved under paragraph (e)(1) of this section as the Board determines are necessary or appropriate to protect the safety and soundness of the banking entity or the financial stability of the United States, address material conflicts of interest or other unsound banking practices, or otherwise further the purposes of section 13 of the BHC Act and this part.

(5) *Consultation.* In the case of a banking entity that is primarily regulated by another Federal banking agency, the SEC, or the CFTC, the Board will consult with such agency prior to acting on an application by the banking entity for an extension under paragraph (e)(1) of this section.

§ 255.13 Other permitted covered fund activities and investments.

(a) *Permitted risk-mitigating hedging activities.* (1) The prohibition contained in § 255.10(a) of this subpart does not apply with respect to an ownership interest in a covered fund acquired or retained by a banking entity that is designed to reduce or otherwise significantly mitigate the specific, identifiable risks to the banking entity in connection with:

(i) A compensation arrangement with an employee of the banking entity or an affiliate thereof that directly provides investment advisory, commodity trading advisory or other services to the covered fund; or

(ii) A position taken by the banking entity when acting as intermediary on behalf of a customer that is not itself a banking entity to facilitate the exposure by the customer to the profits and losses of the covered fund.

(2) The risk-mitigating hedging activities of a banking entity are permitted under this paragraph (a) only if:

(i) The banking entity has established and implements, maintains and enforces an internal compliance program in accordance with subpart D of this part that is reasonably designed to ensure the banking entity's compliance with the requirements of this section, including:

(A) Reasonably designed written policies and procedures; and

(B) Internal controls and ongoing monitoring, management, and authorization procedures, including relevant escalation procedures; and

(ii) The acquisition or retention of the ownership interest:

(A) Is made in accordance with the written policies, procedures, and internal controls required under this section;

(B) At the inception of the hedge, is designed to reduce or otherwise significantly mitigate one or more specific, identifiable risks arising:

(1) Out of a transaction conducted solely to accommodate a specific customer request with respect to the covered fund; or

(2) In connection with the compensation arrangement with the employee that directly provides investment advisory, commodity trading advisory, or other services to the covered fund;

(C) Does not give rise, at the inception of the hedge, to any significant new or additional risk that is not itself hedged contemporaneously in accordance with this section; and

(D) Is subject to continuing review, monitoring and management by the banking entity.

(iii) With respect to risk-mitigating hedging activity conducted pursuant to paragraph (a)(1)(i) of this section, the compensation arrangement relates solely to the covered fund in which the banking entity or any affiliate has acquired an ownership interest pursuant to paragraph (a)(1)(i) and such compensation arrangement provides that any losses incurred by the banking entity on such ownership interest will be offset by corresponding decreases in amounts payable under such compensation arrangement.

(b) *Certain permitted covered fund activities and investments outside of the United States.* (1) The prohibition contained in § 255.10(a) of this subpart does not apply to the acquisition or retention of any ownership interest in, or the sponsorship of, a covered fund by a banking entity only if:

(i) The banking entity is not organized or directly or indirectly controlled by a banking entity that is organized under the laws of the United States or of one or more States;

(ii) The activity or investment by the banking entity is pursuant to paragraph (9) or (13) of section 4(c) of the BHC Act;

(iii) No ownership interest in the covered fund is offered for sale or sold to a resident of the United States; and

(iv) The activity or investment occurs solely outside of the United States.

(2) An activity or investment by the banking entity is pursuant to paragraph (9) or (13) of section 4(c) of the BHC Act for purposes of paragraph (b)(1)(ii) of this section only if:

(i) The activity or investment is conducted in accordance with the requirements of this section; and

(ii)(A) With respect to a banking entity that is a foreign banking organization, the banking entity meets the qualifying foreign banking organization requirements of section 211.23(a), (c) or (e) of the Board's Regulation K (12 CFR 211.23(a), (c) or (e)), as applicable; or

(B) With respect to a banking entity that is not a foreign banking organization, the banking entity is not organized under the laws of the United States or of one or more States and the banking entity, on a fully-consolidated basis, meets at least two of the following requirements:

(1) Total assets of the banking entity held outside of the United States exceed total assets of the banking entity held in the United States;

(2) Total revenues derived from the business of the banking entity outside of the United States exceed total revenues derived from the business of the banking entity in the United States; or

(3) Total net income derived from the business of the banking entity outside of the United States exceeds total net

income derived from the business of the banking entity in the United States.

(3) An ownership interest in a covered fund is not offered for sale or sold to a resident of the United States for purposes of paragraph (b)(1)(iii) of this section only if it is not sold and has not been sold pursuant to an offering that targets residents of the United States in which the banking entity or any affiliate of the banking entity participates. If the banking entity or an affiliate sponsors or serves, directly or indirectly, as the investment manager, investment adviser, commodity pool operator or commodity trading advisor to a covered fund, then the banking entity or affiliate will be deemed for purposes of this paragraph (b)(3) to participate in any offer or sale by the covered fund of ownership interests in the covered fund.

(4) An activity or investment occurs solely outside of the United States for purposes of paragraph (b)(1)(iv) of this section only if:

(i) The banking entity acting as sponsor, or engaging as principal in the acquisition or retention of an ownership interest in the covered fund, is not itself, and is not controlled directly or indirectly by, a banking entity that is located in the United States or organized under the laws of the United States or of any State;

(ii) The banking entity (including relevant personnel) that makes the decision to acquire or retain the ownership interest or act as sponsor to the covered fund is not located in the United States or organized under the laws of the United States or of any State; and

(iii) The investment or sponsorship, including any transaction arising from risk-mitigating hedging related to an ownership interest, is not accounted for as principal directly or indirectly on a consolidated basis by any branch or affiliate that is located in the United States or organized under the laws of the United States or of any State.

(5) For purposes of this section, a U.S. branch, agency, or subsidiary of a foreign bank, or any subsidiary thereof, is located in the United States; however, a foreign bank of which that

branch, agency, or subsidiary is a part is not considered to be located in the United States solely by virtue of operation of the U.S. branch, agency, or subsidiary.

(c) Permitted covered fund interests and activities by a regulated insurance company. The prohibition contained in §255.10(a) of this subpart does not apply to the acquisition or retention by an insurance company, or an affiliate thereof, of any ownership interest in, or the sponsorship of, a covered fund only if:

(1) The insurance company or its affiliate acquires and retains the ownership interest solely for the general account of the insurance company or for one or more separate accounts established by the insurance company;

(2) The acquisition and retention of the ownership interest is conducted in compliance with, and subject to, the insurance company investment laws and regulations of the State or jurisdiction in which such insurance company is domiciled; and

(3) The appropriate Federal banking agencies, after consultation with the Financial Stability Oversight Council and the relevant insurance commissioners of the States and foreign jurisdictions, as appropriate, have not jointly determined, after notice and comment, that a particular law or regulation described in paragraph (c)(2) of this section is insufficient to protect the safety and soundness of the banking entity, or the financial stability of the United States.

(d) *Permitted covered fund activities and investments of qualifying foreign excluded funds.* (1) The prohibition contained in §255.10(a) does not apply to a qualifying foreign excluded fund.

(2) For purposes of this paragraph (d), a qualifying foreign excluded fund means a banking entity that:

(i) Is organized or established outside the United States, and the ownership interests of which are offered and sold solely outside the United States;

(ii)(A) Would be a covered fund if the entity were organized or established in the United States, or

(B) Is, or holds itself out as being, an entity or arrangement that raises money from investors primarily for the

§ 255.14

17 CFR Ch. II (4–1–22 Edition)

purpose of investing in financial instruments for resale or other disposition or otherwise trading in financial instruments;

(iii) Would not otherwise be a banking entity except by virtue of the acquisition or retention of an ownership interest in, sponsorship of, or relationship with the entity, by another banking entity that meets the following:

(A) The banking entity is not organized, or directly or indirectly controlled by a banking entity that is organized, under the laws of the United States or of any State; and

(B) The banking entity's acquisition of an ownership interest in or sponsorship of the fund by the foreign banking entity meets the requirements for permitted covered fund activities and investments solely outside the United States, as provided in § 255.13(b);

(iv) Is established and operated as part of a bona fide asset management business; and

(v) Is not operated in a manner that enables the banking entity that sponsors or controls the qualifying foreign excluded fund, or any of its affiliates, to evade the requirements of section 13 of the BHC Act or this part.

[79 FR 5779, 5805, Jan. 31, 2014, as amended at 84 FR 62244, Nov. 14, 2019; 85 FR 46528, July 31, 2020]

§ 255.14 Limitations on relationships with a covered fund.

(a) *Relationships with a covered fund.*

(1) Except as provided for in paragraph (a)(2) of this section, no banking entity that serves, directly or indirectly, as the investment manager, investment adviser, commodity trading advisor, or sponsor to a covered fund, that organizes and offers a covered fund pursuant to § 255.11 of this subpart, or that continues to hold an ownership interest in accordance with § 255.11(b) of this subpart, and no affiliate of such entity, may enter into a transaction with the covered fund, or with any other covered fund that is controlled by such covered fund, that would be a covered transaction as defined in section 23A of the Federal Reserve Act (12 U.S.C. 371c(b)(7)), as if such banking entity and the affiliate thereof were a member bank and the covered fund were an affiliate thereof.

(2) Notwithstanding paragraph (a)(1) of this section, a banking entity may:

(i) Acquire and retain any ownership interest in a covered fund in accordance with the requirements of §§ 255.11, 255.12, or 255.13;

(ii) Enter into any prime brokerage transaction with any covered fund in which a covered fund managed, sponsored, or advised by such banking entity (or an affiliate thereof) has taken an ownership interest, if:

(A) The banking entity is in compliance with each of the limitations set forth in § 255.11 of this subpart with respect to a covered fund organized and offered by such banking entity (or an affiliate thereof);

(B) The chief executive officer (or equivalent officer) of the banking entity certifies in writing annually no later than March 31 to the SEC (with a duty to update the certification if the information in the certification materially changes) that the banking entity does not, directly or indirectly, guarantee, assume, or otherwise insure the obligations or performance of the covered fund or of any covered fund in which such covered fund invests; and

(C) The Board has not determined that such transaction is inconsistent with the safe and sound operation and condition of the banking entity; and

(iii) Enter into a transaction with a covered fund that would be an exempt covered transaction under 12 U.S.C. 371c(d) or § 223.42 of the Board's Regulation W (12 CFR 223.42) subject to the limitations specified under 12 U.S.C. 371c(d) or § 223.42 of the Board's Regulation W (12 CFR 223.42), as applicable,

(iv) Enter into a riskless principal transaction with a covered fund; and

(v) Extend credit to or purchase assets from a covered fund, provided:

(A) Each extension of credit or purchase of assets is in the ordinary course of business in connection with payment transactions; settlement services; or futures, derivatives, and securities clearing;

(B) Each extension of credit is repaid, sold, or terminated by the end of five business days; and

(C) The banking entity making each extension of credit meets the requirements of § 223.42(1)(i) and (ii) of the Board's Regulation W (12 CFR

223.42(l)(1)(i) and(ii)), as if the extension of credit was an intraday extension of credit, regardless of the duration of the extension of credit.

(3) Any transaction or activity permitted under paragraphs (a)(2)(iii), (iv) or (v) must comply with the limitations in § 255.15.

(b) *Restrictions on transactions with covered funds.* A banking entity that serves, directly or indirectly, as the investment manager, investment adviser, commodity trading advisor, or sponsor to a covered fund, or that organizes and offers a covered fund pursuant to § 255.11 of this subpart, or that continues to hold an ownership interest in accordance with § 255.11(b) of this subpart, shall be subject to section 23B of the Federal Reserve Act (12 U.S.C. 371c-1), as if such banking entity were a member bank and such covered fund were an affiliate thereof.

(c) *Restrictions on other permitted transactions.* Any transaction permitted under paragraphs (a)(2)(ii), (iii), or (iv) of this section shall be subject to section 23B of the Federal Reserve Act (12 U.S.C. 371c-1) as if the counterparty were an affiliate of the banking entity under section 23B.

§ 255.15 Other limitations on permitted covered fund activities.

(a) No transaction, class of transactions, or activity may be deemed permissible under §§ 255.11 through 255.13 of this subpart if the transaction, class of transactions, or activity would:

(1) Involve or result in a material conflict of interest between the banking entity and its clients, customers, or counterparties;

(2) Result, directly or indirectly, in a material exposure by the banking entity to a high-risk asset or a high-risk trading strategy; or

(3) Pose a threat to the safety and soundness of the banking entity or to the financial stability of the United States.

(b) *Definition of material conflict of interest.* (1) For purposes of this section, a material conflict of interest between a banking entity and its clients, customers, or counterparties exists if the

banking entity engages in any transaction, class of transactions, or activity that would involve or result in the banking entity's interests being materially adverse to the interests of its client, customer, or counterparty with respect to such transaction, class of transactions, or activity, and the banking entity has not taken at least one of the actions in paragraph (b)(2) of this section.

(2) Prior to effecting the specific transaction or class or type of transactions, or engaging in the specific activity, the banking entity:

(i) *Timely and effective disclosure.* (A) Has made clear, timely, and effective disclosure of the conflict of interest, together with other necessary information, in reasonable detail and in a manner sufficient to permit a reasonable client, customer, or counterparty to meaningfully understand the conflict of interest; and

(B) Such disclosure is made in a manner that provides the client, customer, or counterparty the opportunity to negate, or substantially mitigate, any materially adverse effect on the client, customer, or counterparty created by the conflict of interest; or

(ii) *Information barriers.* Has established, maintained, and enforced information barriers that are memorialized in written policies and procedures, such as physical separation of personnel, or functions, or limitations on types of activity, that are reasonably designed, taking into consideration the nature of the banking entity's business, to prevent the conflict of interest from involving or resulting in a materially adverse effect on a client, customer, or counterparty. A banking entity may not rely on such information barriers if, in the case of any specific transaction, class or type of transactions or activity, the banking entity knows or should reasonably know that, notwithstanding the banking entity's establishment of information barriers, the conflict of interest may involve or result in a materially adverse effect on a client, customer, or counterparty.

(c) *Definition of high-risk asset and high-risk trading strategy.* For purposes of this section:

(1) *High-risk asset* means an asset or group of related assets that would, if

§ 255.16

held by a banking entity, significantly increase the likelihood that the banking entity would incur a substantial financial loss or would pose a threat to the financial stability of the United States.

(2) *High-risk trading strategy* means a trading strategy that would, if engaged in by a banking entity, significantly increase the likelihood that the banking entity would incur a substantial financial loss or would pose a threat to the financial stability of the United States.

§ 255.16 Ownership of interests in and sponsorship of issuers of certain collateralized debt obligations backed by trust-preferred securities.

(a) The prohibition contained in § 255.10(a)(1) does not apply to the ownership by a banking entity of an interest in, or sponsorship of, any issuer if:

(1) The issuer was established, and the interest was issued, before May 19, 2010;

(2) The banking entity reasonably believes that the offering proceeds received by the issuer were invested primarily in Qualifying TruPS Collateral; and

(3) The banking entity acquired such interest on or before December 10, 2013 (or acquired such interest in connection with a merger with or acquisition of a banking entity that acquired the interest on or before December 10, 2013).

(b) For purposes of this § 255.16, *Qualifying TruPS Collateral* shall mean any trust preferred security or subordinated debt instrument issued prior to May 19, 2010 by a depository institution holding company that, as of the end of any reporting period within 12 months immediately preceding the issuance of such trust preferred security or subordinated debt instrument, had total consolidated assets of less than \$15,000,000,000 or issued prior to May 19, 2010 by a mutual holding company.

(c) Notwithstanding paragraph (a)(3) of this section, a banking entity may act as a market maker with respect to the interests of an issuer described in paragraph (a) of this section in accordance with the applicable provisions of §§ 255.4 and 255.11.

17 CFR Ch. II (4–1–22 Edition)

(d) Without limiting the applicability of paragraph (a) of this section, the Board, the FDIC and the OCC will make public a non-exclusive list of issuers that meet the requirements of paragraph (a). A banking entity may rely on the list published by the Board, the FDIC and the OCC.

§§ 255.17–255.19 [Reserved]

Subpart D—Compliance Program Requirement; Violations

§ 255.20 Program for compliance; reporting.

(a) *Program requirement.* Each banking entity (other than a banking entity with limited trading assets and liabilities or a qualifying foreign excluded fund under section 255.6(f) or 255.13(d)) shall develop and provide for the continued administration of a compliance program reasonably designed to ensure and monitor compliance with the prohibitions and restrictions on proprietary trading and covered fund activities and investments set forth in section 13 of the BHC Act and this part. Securities and Exchange Commission

§ 255.20

and this part comply with section 13 of the BHC Act and this part;

(2) A system of internal controls reasonably designed to monitor compliance with section 13 of the BHC Act and this part and to prevent the occurrence of activities or investments that are prohibited by section 13 of the BHC Act and this part;

(3) A management framework that clearly delineates responsibility and accountability for compliance with section 13 of the BHC Act and this part and includes appropriate management review of trading limits, strategies, hedging activities, investments, incentive compensation and other matters identified in this part or by management as requiring attention;

(4) Independent testing and audit of the effectiveness of the compliance program conducted periodically by qualified personnel of the banking entity or by a qualified outside party;

(5) Training for trading personnel and managers, as well as other appropriate personnel, to effectively implement and enforce the compliance program; and

(c) *CEO attestation.* The CEO of a banking entity that has significant trading assets and liabilities must, based on a review by the CEO of the banking entity, attest in writing to the SEC, each year no later than March 31, that the banking entity has in place processes to establish, maintain, enforce, review, test and modify the compliance program required by paragraph (b) of this section in a manner reasonably designed to achieve compliance with section 13 of the BHC Act and this part. In the case of a U.S. branch or agency of a foreign banking entity, the attestation may be provided for the entire U.S. operations of the foreign banking entity by the senior management officer of the U.S. operations of the foreign banking entity who is located in the United States.

(d) *Reporting requirements under appendix A to this part.* (1) A banking enti-

ty (other than a qualifying foreign excluded fund under section 255.6(f) or 255.13(d)) engaged in proprietary trading activity permitted under subpart B shall comply with the reporting requirements described in appendix A to this part, if:

(i) The banking entity has significant trading assets and liabilities; or

(ii) The SEC notifies the banking entity in writing that it must satisfy the reporting requirements contained in appendix A to this part.

(2) *Frequency of reporting:* Unless the SEC notifies the banking entity in writing that it must report on a different basis, a banking entity subject to appendix A to this part shall report the information required by appendix A for each quarter within 30 days of the end of the quarter.

(e) *Additional documentation for covered funds.* A banking entity with significant trading assets and liabilities (other than a qualifying foreign excluded fund under section 255.6(f) or 255.13(d)) shall maintain records that include:

(1) Documentation of the exclusions or exemptions other than sections 3(c)(1) and 3(c)(7) of the Investment Company Act of 1940 relied on by each fund sponsored by the banking entity (including all subsidiaries and affiliates) in determining that such fund is not a covered fund;

(2) For each fund sponsored by the banking entity (including all subsidiaries and affiliates) for which the banking entity relies on one or more of the exclusions from the definition of covered fund provided by §§ 255.10(c)(1), 255.10(c)(5), 255.10(c)(8), 255.10(c)(9), or 255.10(c)(10) of subpart C, documentation supporting the banking entity's determination that the fund is not a covered fund pursuant to one or more of those exclusions;

(3) For each seeding vehicle described in § 255.10(c)(12)(i) or (iii) of subpart C that will become a registered investment company or SEC-regulated business development company, a written plan documenting the banking entity's determination that the seeding vehicle will become a registered investment company or SEC-regulated business development company; the period of time during which the vehicle will operate

as a seeding vehicle; and the banking entity's plan to market the vehicle to third-party investors and convert it into a registered investment company or SEC-regulated business development company within the time period specified in § 255.12(a)(2)(i)(B) of subpart C;

(4) For any banking entity that is, or is controlled directly or indirectly by a banking entity that is, located in or organized under the laws of the United States or of any State, if the aggregate amount of ownership interests in foreign public funds that are described in § 255.10(c)(1) of subpart C owned by such banking entity (including ownership interests owned by any affiliate that is controlled directly or indirectly by a banking entity that is located in or organized under the laws of the United States or of any State) exceeds \$50 million at the end of two or more consecutive calendar quarters, beginning with the next succeeding calendar quarter, documentation of the value of the ownership interests owned by the banking entity (and such affiliates) in each foreign public fund and each jurisdiction in which any such foreign public fund is organized, calculated as of the end of each calendar quarter, which documentation must continue until the banking entity's aggregate amount of ownership interests in foreign public funds is below \$50 million for two consecutive calendar quarters; and

(5) For purposes of paragraph (e)(4) of this section, a U.S. branch, agency, or subsidiary of a foreign banking entity is located in the United States; however, the foreign bank that operates or controls that branch, agency, or subsidiary is not considered to be located in the United States solely by virtue of operating or controlling the U.S. branch, agency, or subsidiary.

(f) *Simplified programs for less active banking entities*—(1) *Banking entities with no covered activities*. A banking entity that does not engage in activities or investments pursuant to subpart B or subpart C (other than trading activities permitted pursuant to § 255.6(a) of subpart B) may satisfy the requirements of this section by establishing the required compliance program prior to becoming engaged in such activities or making such investments (other

than trading activities permitted pursuant to § 255.6(a) of subpart B).

(2) *Banking entities with moderate trading assets and liabilities*. A banking entity with moderate trading assets and liabilities may satisfy the requirements of this section by including in its existing compliance policies and procedures appropriate references to the requirements of section 13 of the BHC Act and this part and adjustments as appropriate given the activities, size, scope, and complexity of the banking entity.

(g) *Rebuttable presumption of compliance for banking entities with limited trading assets and liabilities*—(1) *Rebuttable presumption*. Except as otherwise provided in this paragraph, a banking entity with limited trading assets and liabilities shall be presumed to be compliant with subpart B and subpart C of this part and shall have no obligation to demonstrate compliance with this part on an ongoing basis.

(2) *Rebuttal of presumption*. If upon examination or audit, the SEC determines that the banking entity has engaged in proprietary trading or covered fund activities that are otherwise prohibited under subpart B or subpart C of this part, the SEC may require the banking entity to be treated under this part as if it did not have limited trading assets and liabilities. The SEC's rebuttal of the presumption in this paragraph must be made in accordance with the notice and response procedures in paragraph (i) of this section.

(h) *Reservation of authority*. Notwithstanding any other provision of this part, the SEC retains its authority to require a banking entity without significant trading assets and liabilities to apply any requirements of this part that would otherwise apply if the banking entity had significant or moderate trading assets and liabilities if the SEC determines that the size or complexity of the banking entity's trading or investment activities, or the risk of evasion of subpart B or subpart C of this part, does not warrant a presumption of compliance under paragraph (g) of this section or treatment as a banking entity with moderate trading assets and liabilities, as applicable. The SEC's exercise of this reservation of authority must be made in accordance with

the notice and response procedures in paragraph (i) of this section.

(i) *Notice and response procedures*—(1) *Notice*. The SEC will notify the banking entity in writing of any determination requiring notice under this part and will provide an explanation of the determination.

(2) *Response*. The banking entity may respond to any or all items in the notice described in paragraph (i)(1) of this section. The response should include any matters that the banking entity would have the SEC consider in deciding whether to make the determination. The response must be in writing and delivered to the designated SEC official within 30 days after the date on which the banking entity received the notice. The SEC may shorten the time period when, in the opinion of the SEC, the activities or condition of the banking entity so requires, provided that the banking entity is informed of the time period at the time of notice, or with the consent of the banking entity. In its discretion, the SEC may extend the time period for good cause.

(3) *Waiver*. Failure to respond within 30 days or such other time period as may be specified by the SEC shall constitute a waiver of any objections to the SEC's determination.

(4) *Decision*. The SEC will notify the banking entity of the decision in writing. The notice will include an explanation of the decision.

[79 FR 5779, 5805, Jan. 31, 2014, as amended at 84 FR 62245, Nov. 14, 2019; 85 FR 46529, July 31, 2020]

§ 255.21 Termination of activities or investments; penalties for violations.

(a) Any banking entity that engages in an activity or makes an investment in violation of section 13 of the BHC Act or this part, or acts in a manner that functions as an evasion of the requirements of section 13 of the BHC Act or this part, including through an abuse of any activity or investment permitted under subparts B or C, or otherwise violates the restrictions and requirements of section 13 of the BHC Act or this part, shall, upon discovery, promptly terminate the activity and, as relevant, dispose of the investment.

(b) Whenever the SEC finds reasonable cause to believe any banking enti-

ty has engaged in an activity or made an investment in violation of section 13 of the BHC Act or this part, or engaged in any activity or made any investment that functions as an evasion of the requirements of section 13 of the BHC Act or this part, the SEC may take any action permitted by law to enforce compliance with section 13 of the BHC Act and this part, including directing the banking entity to restrict, limit, or terminate any or all activities under this part and dispose of any investment.

APPENDIX A TO PART 255—REPORTING AND RECORDKEEPING REQUIREMENTS FOR COVERED TRADING ACTIVITIES

I. PURPOSE

a. This appendix sets forth reporting and recordkeeping requirements that certain banking entities must satisfy in connection with the restrictions on proprietary trading set forth in subpart B (“proprietary trading restrictions”). Pursuant to § 255.20(d), this appendix applies to a banking entity that, together with its affiliates and subsidiaries, has significant trading assets and liabilities. These entities are required to (i) furnish periodic reports to the SEC regarding a variety of quantitative measurements of their covered trading activities, which vary depending on the scope and size of covered trading activities, and (ii) create and maintain records documenting the preparation and content of these reports. The requirements of this appendix must be incorporated into the banking entity's internal compliance program under § 255.20.

b. The purpose of this appendix is to assist banking entities and the SEC in:

(1) Better understanding and evaluating the scope, type, and profile of the banking entity's covered trading activities;

(2) Monitoring the banking entity's covered trading activities;

(3) Identifying covered trading activities that warrant further review or examination by the banking entity to verify compliance with the proprietary trading restrictions;

(4) Evaluating whether the covered trading activities of trading desks engaged in market making-related activities subject to § 255.4(b) are consistent with the requirements governing permitted market making-related activities;

(5) Evaluating whether the covered trading activities of trading desks that are engaged in permitted trading activity subject to § 255.4, § 255.5, or § 255.6(a) and (b) (i.e., underwriting and market making-related activity,

risk-mitigating hedging, or trading in certain government obligations) are consistent with the requirement that such activity not result, directly or indirectly, in a material exposure to high-risk assets or high-risk trading strategies;

(6) Identifying the profile of particular covered trading activities of the banking entity, and the individual trading desks of the banking entity, to help establish the appropriate frequency and scope of examination by SEC of such activities; and

(7) Assessing and addressing the risks associated with the banking entity's covered trading activities.

c. Information that must be furnished pursuant to this appendix is not intended to serve as a dispositive tool for the identification of permissible or impermissible activities.

d. In addition to the quantitative measurements required in this appendix, a banking entity may need to develop and implement other quantitative measurements in order to effectively monitor its covered trading activities for compliance with section 13 of the BHC Act and this part and to have an effective compliance program, as required by §255.20. The effectiveness of particular quantitative measurements may differ based on the profile of the banking entity's businesses in general and, more specifically, of the particular trading desk, including types of instruments traded, trading activities and strategies, and history and experience (e.g., whether the trading desk is an established, successful market maker or a new entrant to a competitive market). In all cases, banking entities must ensure that they have robust measures in place to identify and monitor the risks taken in their trading activities, to ensure that the activities are within risk tolerances established by the banking entity, and to monitor and examine for compliance with the proprietary trading restrictions in this part.

e. On an ongoing basis, banking entities must carefully monitor, review, and evaluate all furnished quantitative measurements, as well as any others that they choose to utilize in order to maintain compliance with section 13 of the BHC Act and this part. All measurement results that indicate a heightened risk of impermissible proprietary trading, including with respect to otherwise-permitted activities under §§255.4 through 255.6(a) and (b), or that result in a material exposure to high-risk assets or high-risk trading strategies, must be escalated within the banking entity for review, further analysis, explanation to SEC, and remediation, where appropriate. The quantitative measurements discussed in this appendix should be helpful to banking entities in identifying and managing the risks related to their covered trading activities.

II. DEFINITIONS

The terms used in this appendix have the same meanings as set forth in §§255.2 and 255.3. In addition, for purposes of this appendix, the following definitions apply:

Applicability identifies the trading desks for which a banking entity is required to calculate and report a particular quantitative measurement based on the type of covered trading activity conducted by the trading desk.

Calculation period means the period of time for which a particular quantitative measurement must be calculated.

Comprehensive profit and loss means the net profit or loss of a trading desk's material sources of trading revenue over a specific period of time, including, for example, any increase or decrease in the market value of a trading desk's holdings, dividend income, and interest income and expense.

Covered trading activity means trading conducted by a trading desk under §255.4, §255.5, §255.6(a), or §255.6(b). A banking entity may include in its covered trading activity trading conducted under §255.3(d), §255.6(c), §255.6(d), or §255.6(e).

Measurement frequency means the frequency with which a particular quantitative metric must be calculated and recorded.

Trading day means a calendar day on which a trading desk is open for trading.

III. REPORTING AND RECORDKEEPING

a. Scope of Required Reporting

1. Quantitative measurements. Each banking entity made subject to this appendix by §255.20 must furnish the following quantitative measurements, as applicable, for each trading desk of the banking entity engaged in covered trading activities and calculate these quantitative measurements in accordance with this appendix:

- i. Internal Limits and Usage;
- ii. Value-at-Risk;
- iii. Comprehensive Profit and Loss Attribution;
- iv. Positions; and
- v. Transaction Volumes.

2. Trading desk information. Each banking entity made subject to this appendix by §255.20 must provide certain descriptive information, as further described in this appendix, regarding each trading desk engaged in covered trading activities.

3. Quantitative measurements identifying information. Each banking entity made subject to this appendix by §255.20 must provide certain identifying and descriptive information, as further described in this appendix, regarding its quantitative measurements.

4. Narrative statement. Each banking entity made subject to this appendix by §255.20 may provide an optional narrative statement, as further described in this appendix.

5. File identifying information. Each banking entity made subject to this appendix by § 255.20 must provide file identifying information in each submission to the SEC pursuant to this appendix, including the name of the banking entity, the RSSD ID assigned to the top-tier banking entity by the Board, and identification of the reporting period and creation date and time.

b. Trading Desk Information

1. Each banking entity must provide descriptive information regarding each trading desk engaged in covered trading activities, including:

- i. Name of the trading desk used internally by the banking entity and a unique identification label for the trading desk;
- ii. Identification of each type of covered trading activity in which the trading desk is engaged;
- iii. Brief description of the general strategy of the trading desk;
- v. A list identifying each Agency receiving the submission of the trading desk;
2. Indication of whether each calendar date is a trading day or not a trading day for the trading desk; and
3. Currency reported and daily currency conversion rate.

c. Quantitative Measurements Identifying Information

Each banking entity must provide the following information regarding the quantitative measurements:

1. An Internal Limits Information Schedule that provides identifying and descriptive information for each limit reported pursuant to the Internal Limits and Usage quantitative measurement, including the name of the limit, a unique identification label for the limit, a description of the limit, the unit of measurement for the limit, the type of limit, and identification of the corresponding risk factor attribution in the particular case that the limit type is a limit on a risk factor sensitivity and profit and loss attribution to the same risk factor is reported; and
2. A Risk Factor Attribution Information Schedule that provides identifying and descriptive information for each risk factor attribution reported pursuant to the Comprehensive Profit and Loss Attribution quantitative measurement, including the name of the risk factor or other factor, a unique identification label for the risk factor or other factor, a description of the risk factor or other factor, and the risk factor or other factor's change unit.

d. Narrative Statement

Each banking entity made subject to this appendix by § 255.20 may submit in a separate electronic document a Narrative Statement

to the SEC with any information the banking entity views as relevant for assessing the information reported. The Narrative Statement may include further description of or changes to calculation methods, identification of material events, description of and reasons for changes in the banking entity's trading desk structure or trading desk strategies, and when any such changes occurred.

e. Frequency and Method of Required Calculation and Reporting

A banking entity must calculate any applicable quantitative measurement for each trading day. A banking entity must report the Trading Desk Information, the Quantitative Measurements Identifying Information, and each applicable quantitative measurement electronically to the SEC on the reporting schedule established in § 255.20 unless otherwise requested by the SEC. A banking entity must report the Trading Desk Information, the Quantitative Measurements Identifying Information, and each applicable quantitative measurement to the SEC in accordance with the XML Schema specified and published on the SEC's website.

f. Recordkeeping

A banking entity must, for any quantitative measurement furnished to the SEC pursuant to this appendix and § 255.20(d), create and maintain records documenting the preparation and content of these reports, as well as such information as is necessary to permit the SEC to verify the accuracy of such reports, for a period of five years from the end of the calendar year for which the measurement was taken. A banking entity must retain the Narrative Statement, the Trading Desk Information, and the Quantitative Measurements Identifying Information for a period of five years from the end of the calendar year for which the information was reported to the SEC.

IV. QUANTITATIVE MEASUREMENTS

a. Risk-Management Measurements

1. Internal Limits and Usage

i. *Description:* For purposes of this appendix, Internal Limits are the constraints that define the amount of risk and the positions that a trading desk is permitted to take at a point in time, as defined by the banking entity for a specific trading desk. Usage represents the value of the trading desk's risk or positions that are accounted for by the current activity of the desk. Internal limits and their usage are key compliance and risk management tools used to control and monitor risk taking and include, but are not limited to, the limits set out in §§ 255.4 and 255.5.

A trading desk's risk limits, commonly including a limit on "Value-at-Risk," are useful in the broader context of the trading desk's overall activities, particularly for the market making activities under §255.4(b) and hedging activity under §255.5. Accordingly, the limits required under §§255.4(b)(2)(iii)(C) and 255.5(b)(1)(i)(A) must meet the applicable requirements under §§255.4(b)(2)(iii)(C) and 255.5(b)(1)(i)(A) and also must include appropriate metrics for the trading desk limits including, at a minimum, "Value-at-Risk" except to the extent the "Value-at-Risk" metric is demonstrably ineffective for measuring and monitoring the risks of a trading desk based on the types of positions traded by, and risk exposures of, that desk.

A. A banking entity must provide the following information for each limit reported pursuant to this quantitative measurement: The unique identification label for the limit reported in the Internal Limits Information Schedule, the limit size (distinguishing between an upper and a lower limit), and the value of usage of the limit.

ii. *Calculation Period*: One trading day.

iii. *Measurement Frequency*: Daily.

iv. *Applicability*: All trading desks engaged in covered trading activities.

2. Value-at-Risk

i. *Description*: For purposes of this appendix, Value-at-Risk ("VaR") is the measurement of the risk of future financial loss in the value of a trading desk's aggregated positions at the ninety-nine percent confidence level over a one-day period, based on current market conditions.

ii. *Calculation Period*: One trading day.

iii. *Measurement Frequency*: Daily.

iv. *Applicability*: All trading desks engaged in covered trading activities.

b. Source-of-Revenue Measurements

1. Comprehensive Profit and Loss Attribution

i. *Description*: For purposes of this appendix, Comprehensive Profit and Loss Attribution is an analysis that attributes the daily fluctuation in the value of a trading desk's positions to various sources. First, the daily profit and loss of the aggregated positions is divided into two categories: (i) Profit and loss attributable to a trading desk's existing positions that were also positions held by the trading desk as of the end of the prior day ("existing positions"); and (ii) profit and loss attributable to new positions resulting from the current day's trading activity ("new positions").

A. The comprehensive profit and loss associated with existing positions must reflect changes in the value of these positions on the applicable day. The comprehensive profit and loss from existing positions must be further attributed, as applicable, to (i) changes

in the specific risk factors and other factors that are monitored and managed as part of the trading desk's overall risk management policies and procedures; and (ii) any other applicable elements, such as cash flows, carry, changes in reserves, and the correction, cancellation, or exercise of a trade.

B. For the attribution of comprehensive profit and loss from existing positions to specific risk factors and other factors, a banking entity must provide the following information for the factors that explain the preponderance of the profit or loss changes due to risk factor changes: The unique identification label for the risk factor or other factor listed in the Risk Factor Attribution Information Schedule, and the profit or loss due to the risk factor or other factor change.

C. The comprehensive profit and loss from new positions may be reported in the aggregate and does not need to be further attributed to specific sources.

§ 270.0-1

17 CFR Ch. II (4-1-22 Edition)

§ 270.0-1 Definition of terms used in this part.

(a) As used in the rules and regulations prescribed by the Commission pursuant to the Investment Company Act of 1940, unless the context otherwise requires:

(1) The term *Commission* means the Securities and Exchange Commission.

(2) The term *act* means the Investment Company Act of 1940.

(3) The term *section* refers to a section of the act.

(4) The terms *rule* and *regulations* refer to the rules and regulations adopted by the Commission pursuant to the Act, including the forms for registration and reports and the accompanying instructions thereto.

(5) The term *administrator* means any person who provides significant administrative or business affairs management services to an investment company.

(6)(i) A person is an *independent legal counsel* with respect to the directors who are not interested persons of an investment company (“disinterested directors”) if:

(A) A majority of the disinterested directors reasonably determine in the exercise of their judgment (and record the basis for that determination in the minutes of their meeting) that any representation by the person of the company’s investment adviser, principal underwriter, administrator (“management organizations”), or any of their control persons, since the beginning of the fund’s last two completed fiscal years, is or was sufficiently limited that it is unlikely to adversely affect the professional judgment of the person in providing legal representation to the disinterested directors; and

(B) The disinterested directors have obtained an undertaking from such person to provide them with information necessary to make their determination and to update promptly that information when the person begins to represent, or materially increases his representation of, a management organization or control person.

(ii) The disinterested directors are entitled to rely on the information obtained from the person, unless they know or have reason to believe that the information is materially false or

incomplete. The disinterested directors must re-evaluate their determination no less frequently than annually (and record the basis accordingly), except as provided in paragraph (iii) of this section.

(iii) After the disinterested directors obtain information that the person has begun to represent, or has materially increased his representation of, a management organization (or any of its control persons), the person may continue to be an independent legal counsel, for purposes of paragraph (a)(6)(i) of this section, for no longer than three months unless during that period the disinterested directors make a new determination under that paragraph.

(iv) For purposes of paragraphs (a)(6)(i)–(iii) of this section:

(A) The term *person* has the same meaning as in section 2(a)(28) of the Act (15 U.S.C. 80a-2(a)(28)) and, in addition, includes a partner, co-member, or employee of any person; and

(B) The term *control person* means any person (other than an investment company) directly or indirectly controlling, controlled by, or under common control with any of the investment company’s management organizations.

(7) *Fund governance standards.* The board of directors of an investment company (“fund”) satisfies the *fund governance standards* if:

(i) At least seventy-five percent of the directors of the fund are not interested persons of the fund (“disinterested directors”) or, if the fund has three directors, all but one are disinterested directors;

(ii) The disinterested directors of the fund select and nominate any other disinterested director of the fund;

(iii) Any person who acts as legal counsel for the disinterested directors of the fund is an independent legal counsel as defined in paragraph (a)(6) of this section;

(iv) A disinterested director serves as chairman of the board of directors of the fund, presides over meetings of the board of directors and has substantially the same responsibilities as would a chairman of a board of directors;

(v) The board of directors evaluates at least once annually the performance

of the board of directors and the committees of the board of directors, which evaluation must include a consideration of the effectiveness of the committee structure of the fund board and the number of funds on whose boards each director serves;

(vi) The disinterested directors meet at least once quarterly in a session at which no directors who are interested persons of the fund are present; and

(vii) The disinterested directors have been authorized to hire employees and to retain advisers and experts necessary to carry out their duties.

(d) Unless otherwise specified or the context otherwise requires, the term “prospectus” means a prospectus meeting the requirements of section 10(a) of the Securities Act of 1933 as amended.

(f)(1) No later than 45 days from the date of filing of an application for which expedited review is requested:

(i) Notice of an application will be issued in accordance with paragraph (a) of this section; or

(ii) The applicant will be notified that the application is not eligible for expedited review because it does not meet the criteria set forth in paragraph (d) or (e) of this section or because additional time is necessary for appropriate consideration of the application.

(2) For purposes of paragraph (f)(1) of this section:

(i) The 45-day period will stop running upon:

(A) Any request for modification of an application and will resume running on the 14th day after the applicant has filed an amended application responsive to such request, including a marked copy showing any changes made and a certification signed by the person executing the application that such marked copy is complete and accurate;

(ii) If the applicant does not file an amendment responsive to any request

for modification within 30 days of receiving such request, including a marked copy showing any changes made and a certification signed by the person executing the application that such marked copy is complete and accurate, the application will be deemed withdrawn.

(g) If an applicant has not responded in writing to any request for clarification or modification of an application filed under this section, other than an application that is under expedited review under paragraphs (d) and (e) of this section, within 120 days after the request, the application will be deemed withdrawn.

(b) Any open-end company which has heretofore valued its securities at cost for the purpose of qualifying as a "mutual investment company" under the Internal Revenue Code, prior to its amendment by the Revenue Act of 1942, shall henceforth, for the purposes of sections 5 and 12 of the Act, value its securities in accordance with the method prescribed in clause (A) of section 2(a)(41) of the Act unless such company is permitted under paragraph (a) of this section to use a different method of valuation.

(B) At least annually, an assessment of the adequacy and effectiveness of the valuation designee's process for determining the fair value of the designated portfolio of investments, including, at a minimum:

(1) A summary of the results of the testing of fair value methodologies required under paragraph (a)(3) of this section; and

(2) An assessment of the adequacy of resources allocated to the process for determining the fair value of designated investments, including any material changes to the roles or functions of the persons responsible for determining fair value under paragraph (b)(2) of this section; and

(ii) *Prompt board notification and reporting.* The valuation designee notifies the board of the occurrence of matters that materially affect the fair value of the designated portfolio of investments, including a significant defi-

ciency or material weakness in the design or effectiveness of the valuation designee's fair value determination process, or material errors in the calculation of net asset value, (any such matter or error, a "material matter") within a time period determined by the board (but in no event later than five business days after the valuation designee becomes aware of the material matter), with such timely follow-on reporting as the board may determine appropriate; and

(2) *Specify responsibilities.* The valuation designee specifies the titles of the persons responsible for determining the fair value of the designated investments, including by specifying the particular functions for which they are responsible, and reasonably segregates fair value determinations from the portfolio management of the fund such that the portfolio manager(s) may not determine, or effectively determine by exerting substantial influence on, the fair values ascribed to portfolio investments.

(c) *Readily available market quotations.* For purposes of section 2(a)(41) of the Act (15 U.S.C. 80a-2(a)(41)), a market quotation is readily available only when that quotation is a quoted price (unadjusted) in active markets for identical investments that the fund can access at the measurement date, provided that a quotation will not be readily available if it is not reliable.

(d) *Unit investment trusts.* If the fund is a unit investment trust, and the initial deposit of portfolio securities into the unit investment trust occurs *after* March 8, 2021, the fund's trustee or depositor must carry out the requirements of paragraph (a) of this section. If the initial deposit of portfolio securities into the unit investment trust occurred *before* March 8, 2021, and an entity other than the fund's trustee or depositor has been designated to carry out the fair value determination, that entity must carry out the requirements of paragraph (a) of this section.

(e) *Definitions.* For purposes of this section:

(1) *Fund* means a registered investment company or business development company.

(2) *Amortized cost method of valuation* means the method of calculating an investment company's net asset value whereby portfolio securities are valued at the fund's acquisition cost as adjusted for amortization of premium or accretion of discount rather than at their value based on current market factors.

(iv) Amounts receivable and due unconditionally within one business day on pending sales of portfolio securities.

(9) *Demand feature* means a feature permitting the holder of a security to sell the security at an exercise price equal to the approximate amortized cost of the security plus accrued interest, if any, at the later of the time of exercise or the settlement of the transaction, paid within 397 calendar days of exercise.

(A) Financial condition;

(B) Sources of liquidity;

(C) Ability to react to future market-wide and issuer- or guarantor-specific events, including ability to repay debt in a highly adverse situation; and

(D) Strength of the issuer or guarantor’s industry within the economy and relative to economic trends, and issuer or guarantor’s competitive position within its industry.

(ii) That is issued by a registered investment company that is a money market fund; or

(13) *Floating rate security* means a security the terms of which provide for the adjustment of its interest rate whenever a specified interest rate changes and that, at any time until the final maturity of the instrument or the period remaining until the principal amount can be recovered through demand, can reasonably be expected to have a market value that approximates its amortized cost.

(14) *Government money market fund* means a money market fund that invests 99.5 percent or more of its total assets in cash, government securities, and/or repurchase agreements that are collateralized fully.

(15) *Government security* has the same meaning as defined in section 2(a)(16) of the Act (15 U.S.C. 80a-2(a)(16)).

A guarantee includes a letter of credit, financial guaranty (bond) insurance, and an unconditional demand feature (other than an unconditional demand feature provided by the issuer of the security).

(ii) The sponsor of a special purpose entity with respect to an asset-backed security shall be deemed to have provided a guarantee with respect to the entire principal amount of the asset-backed security for purposes of this section, except paragraphs (a)(11) (definition of eligible security), (d)(2)(ii)

(credit substitution), (d)(3)(iv)(A) (fractional guarantees) and (e) (guarantees not relied on) of this section, unless the money market fund's board of directors has determined that the fund is not relying on the sponsor's financial strength or its ability or willingness to provide liquidity, credit or other support to determine the quality (pursuant to paragraph (d)(2) of this section) or liquidity (pursuant to paragraph (d)(4) of this section) of the asset-backed security, and maintains a record of this determination (pursuant to paragraphs (g)(7) and (h)(6) of this section).

(17) *Guarantee issued by a non-controlled person* means a guarantee issued by:

(i) A person that, directly or indirectly, does not control, and is not controlled by or under common control with the issuer of the security subject to the guarantee (*control* means "control" as defined in section 2(a)(9) of the Act (15 U.S.C. 80a-2(a)(9))); or

(ii) A sponsor of a special purpose entity with respect to an asset-backed security.

(18) *Illiquid security* means a security that cannot be sold or disposed of in the ordinary course of business within seven calendar days at approximately the value ascribed to it by the fund.

(19) *Penny-rounding method* of pricing means the method of computing an investment company's price per share for purposes of distribution, redemption and repurchase whereby the current net asset value per share is rounded to the nearest one percent.

(20) *Refunded security* has the same meaning as defined in § 270.5b-3(c)(4).

(21) *Retail money market fund* means a money market fund that has policies and procedures reasonably designed to limit all beneficial owners of the fund to natural persons.

(23) *Tax exempt fund* means any money market fund that holds itself out as distributing income exempt from regular federal income tax.

(24) *Total assets* means, with respect to a money market fund using the Amortized Cost Method, the total amortized cost of its assets and, with respect to any other money market fund, means the total value of the money market fund's assets, as defined in section 2(a)(41) of the Act (15 U.S.C. 80a-2(a)(41)) and the rules thereunder.

(25) *Unconditional demand feature* means a demand feature that by its terms would be readily exercisable in the event of a default in payment of principal or interest on the underlying security or securities.

(26) *United States dollar-denominated* means, with reference to a security, that all principal and interest payments on such security are payable to security holders in United States dollars under all circumstances and that the interest rate of, the principal amount to be repaid, and the timing of payments related to such security do not vary or float with the value of a foreign currency, the rate of interest payable on foreign currency borrowings, or with any other interest rate or index expressed in a currency other than United States dollars.

(27) *Variable rate security* means a security the terms of which provide for the adjustment of its interest rate on set dates (such as the last day of a month or calendar quarter) and that, upon each adjustment until the final maturity of the instrument or the period remaining until the principal amount can be recovered through demand, can reasonably be expected to have a market value that approximates its amortized cost.

(28) *Weekly liquid assets* means:

(i) Cash;

(ii) Direct obligations of the U.S. Government;

(iii) Government securities that are issued by a person controlled or supervised by and acting as an instrumentality of the government of the United States pursuant to authority granted by the Congress of the United States that:

(B) Have a remaining maturity date of 60 days or less.

(iv) Securities that will mature, as determined without reference to the exceptions in paragraph (i) of this section regarding interest rate readjustments, or are subject to a demand feature that is exercisable and payable, within five business days; or

(v) Amounts receivable and due unconditionally within five business days on pending sales of portfolio securities.

(b) *Holding out and use of names and titles*—(1) *Holding out*. It shall be an untrue statement of material fact within the meaning of section 34(b) of the Act (15 U.S.C. 80a-33(b)) for a registered investment company, in any registration statement, application, report, account, record, or other document filed or transmitted pursuant to the Act, including any advertisement, pamphlet, circular, form letter, or other sales literature addressed to or intended for distribution to prospective investors that is required to be filed with the Commission by section 24(b) of the Act (15 U.S.C. 80a-24(b)), to hold itself out to investors as a money market fund or the equivalent of a money market fund, unless such registered investment company complies with this section.

(2) *Names*. It shall constitute the use of a materially deceptive or misleading name or title within the meaning of section 35(d) of the Act (15 U.S.C. 80a-34(d)) for a registered investment company to adopt the term “money market” as part of its name or title or the name or title of any redeemable securities of which it is the issuer, or to adopt a name that suggests that it is a money market fund or the equivalent of a money market fund, unless such registered investment company complies with this section.

(3) *Titles*. For purposes of paragraph (b)(2) of this section, a name that suggests that a registered investment company is a money market fund or the equivalent thereof includes one that uses such terms as “cash,” “liquid,” “money,” “ready assets” or similar terms.

(c) *Pricing and Redeeming Shares*—(1) *Share price calculation*.

(i) The current price per share, for purposes of distribution, redemption and repurchase, of any redeemable security issued by a government money market fund or retail money market

fund, notwithstanding the requirements of section 2(a)(41) of the Act (15 U.S.C. 80a-2(a)(41)) and of §§ 270.2a-4 and 270.22c-1 thereunder, may be computed by use of the amortized cost method and/or the penny-rounding method. To use these methods, the board of directors of the government or retail money market fund must determine, in good faith, that it is in the best interests of the fund and its shareholders to maintain a stable net asset value per share or stable price per share, by virtue of either the amortized cost method and/or the penny-rounding method. The government or retail money market fund may continue to use such methods only so long as the board of directors believes that they fairly reflect the market-based net asset value per share and the fund complies with the other requirements of this section.

(ii) Any money market fund that is not a government money market fund or a retail money market fund must compute its price per share for purposes of distribution, redemption and repurchase by rounding the fund's current net asset value per share to a minimum of the fourth decimal place in the case of a fund with a \$1.0000 share price or an equivalent or more precise level of accuracy for money market funds with a different share price (e.g. \$10.000 per share, or \$100.00 per share).

(2) *Liquidity fees and temporary suspensions of redemptions*. Except as provided in paragraphs (c)(2)(iii) and (v) of this section, and notwithstanding sections 22(e) and 27(i) of the Act (15 U.S.C. 80a-22(e) and 80a-27(i)) and § 270.22c-1:

(i) *Discretionary liquidity fees and temporary suspensions of redemptions*. If, at any time, the money market fund has invested less than thirty percent of its total assets in weekly liquid assets, the fund may institute a liquidity fee (not to exceed two percent of the value of the shares redeemed) or suspend the right of redemption temporarily, subject to paragraphs (c)(2)(i)(A) and (B) of this section, if the fund's board of directors, including a majority of the directors who are not interested persons of the fund, determines that the fee or suspension of redemptions is in the best interests of the fund.

(A) *Duration and application of discretionary liquidity fee.* Once imposed, a discretionary liquidity fee must be applied to all shares redeemed and must remain in effect until the money market fund's board of directors, including a majority of the directors who are not interested persons of the fund, determines that imposing such liquidity fee is no longer in the best interests of the fund. Provided however, that if, at the end of a business day, the money market fund has invested thirty percent or more of its total assets in weekly liquid assets, the fund must cease charging the liquidity fee, effective as of the beginning of the next business day.

(B) *Duration of temporary suspension of redemptions.* The temporary suspension of redemptions must apply to all shares and must remain in effect until the fund's board of directors, including a majority of the directors who are not interested persons of the fund, determines that the temporary suspension of redemptions is no longer in the best interests of the fund. Provided, however, that the fund must restore the right of redemption on the earlier of:

(1) The beginning of the next business day following a business day that ended with the money market fund having invested thirty percent or more of its total assets in weekly liquid assets; or

(2) The beginning of the next business day following ten business days after suspending redemptions. The money market fund may not suspend the right of redemption pursuant to this section for more than ten business days in any rolling ninety calendar day period.

(ii) *Default liquidity fees.* If, at the end of a business day, the money market fund has invested less than ten percent of its total assets in weekly liquid assets, the fund must institute a liquidity fee, effective as of the beginning of the next business day, as described in paragraphs (c)(2)(ii)(A) and (B) of this section, unless the fund's board of directors, including a majority of the directors who are not interested persons of the fund, determines that imposing the fee is not in the best interests of the fund.

(A) *Amount of default liquidity fee.* The default liquidity fee shall be one percent of the value of shares redeemed

unless the money market fund's board of directors, including a majority of the directors who are not interested persons of the fund, determines, at the time of initial imposition or later, that a higher or lower fee level is in the best interests of the fund. A liquidity fee may not exceed two percent of the value of the shares redeemed.

(B) *Duration and application of default liquidity fee.* Once imposed, the default liquidity fee must be applied to all shares redeemed and shall remain in effect until the money market fund's board of directors, including a majority of the directors who are not interested persons of the fund, determines that imposing such liquidity fee is not in the best interests of the fund. Provided however, that if, at the end of a business day, the money market fund has invested thirty percent or more of its total assets in weekly liquid assets, the fund must cease charging the liquidity fee, effective as of the beginning of the next business day.

(iii) *Government money market funds.* The requirements of paragraphs (c)(2)(i) and (ii) of this section shall not apply to a government money market fund. A government money market fund may, however, choose to rely on the ability to impose liquidity fees and suspend redemptions consistent with the requirements of paragraph (c)(2)(i) and/or (ii) of this section and any other requirements that apply to liquidity fees and temporary suspensions of redemptions (e.g., Item 4(b)(1)(ii) of Form N-1A (§274.11A of this chapter)).

(iv) *Variable contracts.* Notwithstanding section 27(i) of the Act (15 U.S.C. 80a-27(i)), a variable insurance contract issued by a registered separate account funding variable insurance contracts or the sponsoring insurance company of such separate account may apply a liquidity fee or temporary suspension of redemptions pursuant to paragraph (c)(2) of this section to contract owners who allocate all or a portion of their contract value to a sub-account of the separate account that is either a money market fund or that invests all of its assets in shares of a money market fund.

(v) *Master feeder funds.* Any money market fund (a "feeder fund") that owns, pursuant to section 12(d)(1)(E) of

Securities and Exchange Commission

§ 270.2a-7

the Act (15 U.S.C. 80a-12(d)(1)(E)), shares of another money market fund (a “master fund”) may not impose liquidity fees or temporary suspensions of redemptions under paragraphs (c)(2)(i) and (ii) of this section, provided however, that if a master fund, in which the feeder fund invests, imposes a liquidity fee or temporary suspension of redemptions pursuant to paragraphs (c)(2)(i) and (ii) of this section, then the feeder fund shall pass through to its investors the fee or redemption suspension on the same terms and conditions as imposed by the master fund.

(d) *Risk-limiting conditions*—(1) *Portfolio maturity*. The money market fund must maintain a dollar-weighted average portfolio maturity appropriate to its investment objective; provided, however, that the money market fund must not:

(i) Acquire any instrument with a remaining maturity of greater than 397 calendar days;

(ii) Maintain a dollar-weighted average portfolio maturity (“WAM”) that exceeds 60 calendar days; or

(iii) Maintain a dollar-weighted average portfolio maturity that exceeds 120 calendar days, determined without reference to the exceptions in paragraph (i) of this section regarding interest rate readjustments (“WAL”).

(2) *Portfolio quality*—(i) *General*. The money market fund must limit its portfolio investments to those United States dollar-denominated securities that at the time of acquisition are eligible securities.

(ii) *Securities subject to guarantees*. A security that is subject to a guarantee may be determined to be an eligible security based solely on whether the guarantee is an eligible security, provided however, that the issuer of the guarantee, or another institution, has undertaken to promptly notify the holder of the security in the event the guarantee is substituted with another guarantee (if such substitution is permissible under the terms of the guarantee).

(iii) *Securities subject to conditional demand features*. A security that is subject to a conditional demand feature (“underlying security”) may be determined to be an eligible security only if:

(A) The conditional demand feature is an eligible security;

(B) The underlying security or any guarantee of such security is an eligible security, except that the underlying security or guarantee may have a remaining maturity of more than 397 calendar days.

(C) At the time of the acquisition of the underlying security, the money market fund’s board of directors has determined that there is minimal risk that the circumstances that would result in the conditional demand feature not being exercisable will occur; and

(1) The conditions limiting exercise either can be monitored readily by the fund or relate to the taxability, under federal, state or local law, of the interest payments on the security; or

(2) The terms of the conditional demand feature require that the fund will receive notice of the occurrence of the condition and the opportunity to exercise the demand feature in accordance with its terms; and

(D) The issuer of the conditional demand feature, or another institution, has undertaken to promptly notify the holder of the security in the event the conditional demand feature is substituted with another conditional demand feature (if such substitution is permissible under the terms of the conditional demand feature).

(3) *Portfolio diversification*—(i) *Issuer diversification*. The money market fund must be diversified with respect to issuers of securities acquired by the fund as provided in paragraphs (d)(3)(i) and (ii) of this section, other than with respect to government securities.

(A) *Taxable and national funds*. Immediately after the acquisition of any security, a money market fund other than a single state fund must not have invested more than:

(1) Five percent of its total assets in securities issued by the issuer of the security, provided, however, that with respect to paragraph (d)(3)(i)(A) of this section, such a fund may invest up to twenty-five percent of its total assets in the securities of a single issuer for a period of up to three business days after the acquisition thereof; provided, further, that the fund may not invest in the securities of more than one issuer in accordance with the foregoing

proviso in this paragraph (d)(3)(i)(A)(1) at any time; and

(2) Ten percent of its total assets in securities issued by or subject to demand features or guarantees from the institution that issued the demand feature or guarantee, provided, however, that a tax exempt fund need only comply with this paragraph (d)(3)(i)(A)(2) with respect to eighty-five percent of its total assets, subject to paragraph (d)(3)(iii) of this section.

(B) *Single state funds.* Immediately after the acquisition of any security, a single state fund must not have invested:

(1) With respect to seventy-five percent of its total assets, more than five percent of its total assets in securities issued by the issuer of the security; and

(2) With respect to seventy-five percent of its total assets, more than ten percent of its total assets in securities issued by or subject to demand features or guarantees from the institution that issued the demand feature or guarantee, subject to paragraph (d)(3)(iii) of this section.

(ii) *Issuer diversification calculations.* For purposes of making calculations under paragraph (d)(3)(i) of this section:

(A) *Repurchase agreements.* The acquisition of a repurchase agreement may be deemed to be an acquisition of the underlying securities, provided the obligation of the seller to repurchase the securities from the money market fund is collateralized fully and the fund's board of directors has evaluated the seller's creditworthiness.

(B) *Refunded securities.* The acquisition of a refunded security shall be deemed to be an acquisition of the escrowed government securities.

(C) *Conduit securities.* A conduit security shall be deemed to be issued by the person (other than the municipal issuer) ultimately responsible for payments of interest and principal on the security.

(D) *Asset-backed securities—(1) General.* An asset-backed security acquired by a fund ("primary ABS") shall be deemed to be issued by the special purpose entity that issued the asset-backed security, provided, however:

(i) *Holdings of primary ABS.* Any person whose obligations constitute ten percent or more of the principal amount of the qualifying assets of the primary ABS ("ten percent obligor") shall be deemed to be an issuer of the portion of the primary ABS such obligations represent; and

(ii) *Holdings of secondary ABS.* If a ten percent obligor of a primary ABS is itself a special purpose entity issuing asset-backed securities ("secondary ABS"), any ten percent obligor of such secondary ABS also shall be deemed to be an issuer of the portion of the primary ABS that such ten percent obligor represents.

(2) *Restricted special purpose entities.* A ten percent obligor with respect to a primary or secondary ABS shall not be deemed to have issued any portion of the assets of a primary ABS as provided in paragraph (d)(3)(ii)(D)(1) of this section if that ten percent obligor is itself a special purpose entity issuing asset-backed securities ("restricted special purpose entity"), and the securities that it issues (other than securities issued to a company that controls, or is controlled by or under common control with, the restricted special purpose entity and which is not itself a special purpose entity issuing asset-backed securities) are held by only one other special purpose entity.

(3) *Demand features and guarantees.* In the case of a ten percent obligor deemed to be an issuer, the fund must satisfy the diversification requirements of paragraph (d)(3)(iii) of this section with respect to any demand feature or guarantee to which the ten percent obligor's obligations are subject.

(E) *Shares of other money market funds.* A money market fund that acquires shares issued by another money market fund in an amount that would otherwise be prohibited by paragraph (d)(3)(i) of this section shall nonetheless be deemed in compliance with this section if the board of directors of the acquiring money market fund reasonably believes that the fund in which it has invested is in compliance with this section.

(F) *Treatment of certain affiliated entities—(1) General.* The money market fund, when calculating the amount of

its total assets invested in securities issued by any particular issuer for purposes of paragraph (d)(3)(i) of this section, must treat as a single issuer two or more issuers of securities owned by the money market fund if one issuer controls the other, is controlled by the other issuer, or is under common control with the other issuer, provided that “control” for this purpose means ownership of more than 50 percent of the issuer’s voting securities.

(2) *Equity owners of asset-backed commercial paper special purpose entities.* The money market fund is not required to aggregate an asset-backed commercial paper special purpose entity and its equity owners under paragraph (d)(3)(ii)(F)(1) of this section provided that a primary line of business of its equity owners is owning equity interests in special purpose entities and providing services to special purpose entities, the independent equity owners’ activities with respect to the SPEs are limited to providing management or administrative services, and no qualifying assets of the special purpose entity were originated by the equity owners.

(3) *Ten percent obligors.* For purposes of determining ten percent obligors pursuant to paragraph (d)(3)(ii)(D)(1)(i) of this section, the money market fund must treat as a single person two or more persons whose obligations in the aggregate constitute ten percent or more of the principal amount of the qualifying assets of the primary ABS if one person controls the other, is controlled by the other person, or is under common control with the person, provided that “control” for this purpose means ownership of more than 50 percent of the person’s voting securities.

(iii) *Diversification rules for demand features and guarantees.* The money market fund must be diversified with respect to demand features and guarantees acquired by the fund as provided in paragraphs (d)(3)(i), (iii), and (iv) of this section, other than with respect to a demand feature issued by the same institution that issued the underlying security, or with respect to a guarantee or demand feature that is itself a government security.

(A) *General.* Immediately after the acquisition of any demand feature or

guarantee, any security subject to a demand feature or guarantee, or a security directly issued by the issuer of a demand feature or guarantee, a money market fund must not have invested more than ten percent of its total assets in securities issued by or subject to demand features or guarantees from the institution that issued the demand feature or guarantee, subject to paragraphs (d)(3)(i) and (d)(3)(iii)(B) of this section.

(B) *Tax exempt funds.* Immediately after the acquisition of any demand feature or guarantee, any security subject to a demand feature or guarantee, or a security directly issued by the issuer of a demand feature or guarantee (any such acquisition, a “demand feature or guarantee acquisition”), a tax exempt fund, with respect to eighty-five percent of its total assets, must not have invested more than ten percent of its total assets in securities issued by or subject to demand features or guarantees from the institution that issued the demand feature or guarantee; provided that any demand feature or guarantee acquisition in excess of ten percent of the fund’s total assets in accordance with this paragraph must be a demand feature or guarantee issued by a non-controlled person.

(iv) *Demand feature and guarantee diversification calculations—(A) Fractional demand features or guarantees.* In the case of a security subject to a demand feature or guarantee from an institution by which the institution guarantees a specified portion of the value of the security, the institution shall be deemed to guarantee the specified portion thereof.

(B) *Layered demand features or guarantees.* In the case of a security subject to demand features or guarantees from multiple institutions that have not limited the extent of their obligations as described in paragraph (d)(3)(iv)(A) of this section, each institution shall be deemed to have provided the demand feature or guarantee with respect to the entire principal amount of the security.

(v) *Diversification safe harbor.* A money market fund that satisfies the applicable diversification requirements of paragraphs (d)(3) and (e) of this section shall be deemed to have satisfied

the diversification requirements of section 5(b)(1) of the Act (15 U.S.C. 80a-5(b)(1)) and the rules adopted thereunder.

(4) *Portfolio liquidity.* The money market fund must hold securities that are sufficiently liquid to meet reasonably foreseeable shareholder redemptions in light of the fund's obligations under section 22(e) of the Act (15 U.S.C. 80a-22(e)) and any commitments the fund has made to shareholders; provided, however, that:

(i) *Illiquid securities.* The money market fund may not acquire any illiquid security if, immediately after the acquisition, the money market fund would have invested more than five percent of its total assets in illiquid securities.

(ii) *Minimum daily liquidity requirement.* The money market fund may not acquire any security other than a daily liquid asset if, immediately after the acquisition, the fund would have invested less than ten percent of its total assets in daily liquid assets. This provision does not apply to tax exempt funds.

(iii) *Minimum weekly liquidity requirement.* The money market fund may not acquire any security other than a weekly liquid asset if, immediately after the acquisition, the fund would have invested less than thirty percent of its total assets in weekly liquid assets.

(e) *Demand features and guarantees not relied upon.* If the fund's board of directors has determined that the fund is not relying on a demand feature or guarantee to determine the quality (pursuant to paragraph (d)(2) of this section), or maturity (pursuant to paragraph (i) of this section), or liquidity of a portfolio security (pursuant to paragraph (d)(4) of this section), and maintains a record of this determination (pursuant to paragraphs (g)(3) and (h)(7) of this section), then the fund may disregard such demand feature or guarantee for all purposes of this section.

(f) *Defaults and other events—(1) Adverse events.* Upon the occurrence of any of the events specified in paragraphs (f)(1)(i) through (iii) of this section with respect to a portfolio security, the money market fund shall dis-

pose of such security as soon as practicable consistent with achieving an orderly disposition of the security, by sale, exercise of any demand feature or otherwise, absent a finding by the board of directors that disposal of the portfolio security would not be in the best interests of the money market fund (which determination may take into account, among other factors, market conditions that could affect the orderly disposition of the portfolio security):

(i) The default with respect to a portfolio security (other than an immaterial default unrelated to the financial condition of the issuer);

(ii) A portfolio security ceases to be an eligible security (e.g., no longer presents minimal credit risks); or

(iii) An event of insolvency occurs with respect to the issuer of a portfolio security or the provider of any demand feature or guarantee.

(2) *Notice to the Commission.* The money market fund must notify the Commission of the occurrence of certain material events, as specified in Form N-CR (§274.222 of this chapter).

(3) *Defaults for purposes of paragraphs (f)(1) and (2) of this section.* For purposes of paragraphs (f)(1) and (2) of this section, an instrument subject to a demand feature or guarantee shall not be deemed to be in default (and an event of insolvency with respect to the security shall not be deemed to have occurred) if:

(i) In the case of an instrument subject to a demand feature, the demand feature has been exercised and the fund has recovered either the principal amount or the amortized cost of the instrument, plus accrued interest;

(ii) The provider of the guarantee is continuing, without protest, to make payments as due on the instrument; or

(iii) The provider of a guarantee with respect to an asset-backed security pursuant to paragraph (a)(16)(ii) of this section is continuing, without protest, to provide credit, liquidity or other support as necessary to permit the asset-backed security to make payments as due.

(g) *Required procedures.* The money market fund's board of directors must adopt written procedures including the following:

(1) *Funds using amortized cost.* In the case of a government or retail money market fund that uses the amortized cost method of valuation, in supervising the money market fund's operations and delegating special responsibilities involving portfolio management to the money market fund's investment adviser, the money market fund's board of directors, as a particular responsibility within the overall duty of care owed to its shareholders, shall establish written procedures reasonably designed, taking into account current market conditions and the money market fund's investment objectives, to stabilize the money market fund's net asset value per share, as computed for the purpose of distribution, redemption and repurchase, at a single value.

(i) *Specific procedures.* Included within the procedures adopted by the board of directors shall be the following:

(A) *Shadow pricing.* Written procedures shall provide:

(1) That the extent of deviation, if any, of the current net asset value per share calculated using available market quotations (or an appropriate substitute that reflects current market conditions) from the money market fund's amortized cost price per share, shall be calculated at least daily, and at such other intervals that the board of directors determines appropriate and reasonable in light of current market conditions;

(2) For the periodic review by the board of directors of the amount of the deviation as well as the methods used to calculate the deviation; and

(3) For the maintenance of records of the determination of deviation and the board's review thereof.

(B) *Prompt consideration of deviation.* In the event such deviation from the money market fund's amortized cost price per share exceeds $\frac{1}{2}$ of 1 percent, the board of directors shall promptly consider what action, if any, should be initiated by the board of directors.

(C) *Material dilution or unfair results.* Where the board of directors believes the extent of any deviation from the money market fund's amortized cost price per share may result in material dilution or other unfair results to investors or existing shareholders, it

shall cause the fund to take such action as it deems appropriate to eliminate or reduce to the extent reasonably practicable such dilution or unfair results.

(ii) [Reserved]

(2) *Funds using penny rounding.* In the case of a government or retail money market fund that uses the penny rounding method of pricing, in supervising the money market fund's operations and delegating special responsibilities involving portfolio management to the money market fund's investment adviser, the money market fund's board of directors, as a particular responsibility within the overall duty of care owed to its shareholders, must establish written procedures reasonably designed, taking into account current market conditions and the money market fund's investment objectives, to assure to the extent reasonably practicable that the money market fund's price per share as computed for the purpose of distribution, redemption and repurchase, rounded to the nearest one percent, will not deviate from the single price established by the board of directors.

(3) *Ongoing Review of Credit Risks.* The written procedures must require the adviser to provide ongoing review of whether each security (other than a government security) continues to present minimal credit risks. The review must:

(i) Include an assessment of each security's credit quality, including the capacity of the issuer or guarantor (including conditional demand feature provider, when applicable) to meet its financial obligations; and

(ii) Be based on, among other things, financial data of the issuer of the portfolio security or provider of the guarantee or demand feature, as the case may be, and in the case of a security subject to a conditional demand feature, the issuer of the security whose financial condition must be monitored under paragraph (d)(2)(iii) of this section, whether such data is publicly available or provided under the terms of the security's governing documents.

(4) *Securities subject to demand features or guarantees.* In the case of a security subject to one or more demand features or guarantees that the fund's board of

directors has determined that the fund is not relying on to determine the quality (pursuant to paragraph (d)(2) of this section), maturity (pursuant to paragraph (i) of this section) or liquidity (pursuant to paragraph (d)(4) of this section) of the security subject to the demand feature or guarantee, written procedures must require periodic evaluation of such determination.

(5) *Adjustable rate securities without demand features.* In the case of a variable rate or floating rate security that is not subject to a demand feature and for which maturity is determined pursuant to paragraph (i)(1), (i)(2) or (i)(4) of this section, written procedures shall require periodic review of whether the interest rate formula, upon readjustment of its interest rate, can reasonably be expected to cause the security to have a market value that approximates its amortized cost value.

(6) *Ten percent obligors of asset-backed securities.* In the case of an asset-backed security, written procedures must require the fund to periodically determine the number of ten percent obligors (as that term is used in paragraph (d)(3)(ii)(D) of this section) deemed to be the issuers of all or a portion of the asset-backed security for purposes of paragraph (d)(3)(ii)(D) of this section; provided, however, written procedures need not require periodic determinations with respect to any asset-backed security that a fund's board of directors has determined, at the time of acquisition, will not have, or is unlikely to have, ten percent obligors that are deemed to be issuers of all or a portion of that asset-backed security for purposes of paragraph (d)(3)(ii)(D) of this section, and maintains a record of this determination.

(7) *Asset-backed securities not subject to guarantees.* In the case of an asset-backed security for which the fund's board of directors has determined that the fund is not relying on the sponsor's financial strength or its ability or willingness to provide liquidity, credit or other support in connection with the asset-backed security to determine the quality (pursuant to paragraph (d)(2) of this section) or liquidity (pursuant to paragraph (d)(4) of this section) of the asset-backed security, written proce-

dures must require periodic evaluation of such determination.

(8) *Stress Testing.* Written procedures must provide for:

(i) *General.* The periodic stress testing, at such intervals as the board of directors determines appropriate and reasonable in light of current market conditions, of the money market fund's ability to have invested at least ten percent of its total assets in weekly liquid assets, and the fund's ability to minimize principal volatility (and, in the case of a money market fund using the amortized cost method of valuation or penny rounding method of pricing as provided in paragraph (c)(1) of this section, the fund's ability to maintain the stable price per share established by the board of directors for the purpose of distribution, redemption and repurchase), based upon specified hypothetical events that include, but are not limited to:

(A) Increases in the general level of short-term interest rates, in combination with various levels of an increase in shareholder redemptions;

(B) An event indicating or evidencing credit deterioration, such as a downgrade or default of particular portfolio security positions, each representing various portions of the fund's portfolio (with varying assumptions about the resulting loss in the value of the security), in combination with various levels of an increase in shareholder redemptions;

(C) A widening of spreads compared to the indexes to which portfolio securities are tied in various sectors in the fund's portfolio (in which a sector is a logically related subset of portfolio securities, such as securities of issuers in similar or related industries or geographic region or securities of a similar security type), in combination with various levels of an increase in shareholder redemptions; and

(D) Any additional combinations of events that the adviser deems relevant.

(ii) A report on the results of such testing to be provided to the board of directors at its next regularly scheduled meeting (or sooner, if appropriate in light of the results), which report must include:

(A) The date(s) on which the testing was performed and an assessment of

the money market fund's ability to have invested at least ten percent of its total assets in weekly liquid assets and to minimize principal volatility (and, in the case of a money market fund using the amortized cost method of valuation or penny rounding method of pricing as provided in paragraph (c)(1) of this section to maintain the stable price per share established by the board of directors); and

(B) An assessment by the fund's adviser of the fund's ability to withstand the events (and concurrent occurrences of those events) that are reasonably likely to occur within the following year, including such information as may reasonably be necessary for the board of directors to evaluate the stress testing conducted by the adviser and the results of the testing. The fund adviser must include a summary of the significant assumptions made when performing the stress tests.

(h) *Recordkeeping and reporting*—(1) *Written procedures*. For a period of not less than six years following the replacement of existing procedures with new procedures (the first two years in an easily accessible place), a written copy of the procedures (and any modifications thereto) described in this section must be maintained and preserved.

(2) *Board considerations and actions*. For a period of not less than six years (the first two years in an easily accessible place) a written record must be maintained and preserved of the board of directors' considerations and actions taken in connection with the discharge of its responsibilities, as set forth in this section, to be included in the minutes of the board of directors' meetings.

(3) *Credit risk analysis*. For a period of not less than three years from the date that the credit risks of a portfolio security were most recently reviewed, a written record must be maintained and preserved in an easily accessible place of the determination that a portfolio security is an eligible security, including the determination that it presents minimal credit risks at the time the fund acquires the security, or at such later times (or upon such events) that the board of directors determines that the investment adviser must reassess

whether the security presents minimal credit risks.

(4) *Determinations with respect to adjustable rate securities*. For a period of not less than three years from the date when the assessment was most recently made, a written record must be preserved and maintained, in an easily accessible place, of the determination required by paragraph (g)(5) of this section (that a variable rate or floating rate security that is not subject to a demand feature and for which maturity is determined pursuant to paragraph (i)(1), (i)(2) or (i)(4) of this section can reasonably be expected, upon readjustment of its interest rate at all times during the life of the instrument, to have a market value that approximates its amortized cost).

(5) *Determinations with respect to asset-backed securities*. For a period of not less than three years from the date when the determination was most recently made, a written record must be preserved and maintained, in an easily accessible place, of the determinations required by paragraph (g)(6) of this section (the number of ten percent obligors (as that term is used in paragraph (d)(3)(ii)(D) of this section) deemed to be the issuers of all or a portion of the asset-backed security for purposes of paragraph (d)(3)(ii)(D) of this section). The written record must include:

(i) The identities of the ten percent obligors (as that term is used in paragraph (d)(3)(ii)(D) of this section), the percentage of the qualifying assets constituted by the securities of each ten percent obligor and the percentage of the fund's total assets that are invested in securities of each ten percent obligor; and

(ii) Any determination that an asset-backed security will not have, or is unlikely to have, ten percent obligors deemed to be issuers of all or a portion of that asset-backed security for purposes of paragraph (d)(3)(ii)(D) of this section.

(6) *Evaluations with respect to asset-backed securities not subject to guarantees*. For a period of not less than three years from the date when the evaluation was most recently made, a written record must be preserved and maintained, in an easily accessible place, of the evaluation required by paragraph

§ 270.2a-7

17 CFR Ch. II (4-1-22 Edition)

(g)(7) of this section (regarding asset-backed securities not subject to guarantees).

(7) *Evaluations with respect to securities subject to demand features or guarantees.* For a period of not less than three years from the date when the evaluation was most recently made, a written record must be preserved and maintained, in an easily accessible place, of the evaluation required by paragraph (g)(4) of this section (regarding securities subject to one or more demand features or guarantees).

(8) *Reports with respect to stress testing.* For a period of not less than six years (the first two years in an easily accessible place), a written copy of the report required under paragraph (g)(8)(ii) of this section must be maintained and preserved.

(9) *Inspection of records.* The documents preserved pursuant to paragraph (h) of this section are subject to inspection by the Commission in accordance with section 31(b) of the Act (15 U.S.C. 80a-30(b)) as if such documents were records required to be maintained pursuant to rules adopted under section 31(a) of the Act (15 U.S.C. 80a-30(a)).

(10) *Web site disclosure of portfolio holdings and other fund information.* The money market fund must post prominently on its Web site the following information:

(i) For a period of not less than six months, beginning no later than the fifth business day of the month, a schedule of its investments, as of the last business day or subsequent calendar day of the preceding month, that includes the following information:

(A) With respect to the money market fund and each class of redeemable shares thereof:

- (1) The WAM; and
- (2) The WAL.

(B) With respect to each security held by the money market fund:

Backed Commercial Paper; Other Asset Backed Securities; U.S. Treasury Repurchase Agreement, if collateralized only by U.S. Treasuries (including Strips) and cash; U.S. Government Agency Repurchase Agreement, collateralized only by U.S. Government Agency securities, U.S. Treasuries, and cash; Other Repurchase Agreement, if any collateral falls outside Treasury, Government Agency and cash; Insurance Company Funding Agreement; Investment Company; Financial Company Commercial Paper; and Non-Financial Company Commercial Paper. If Other Instrument, include a brief description);

(3) CUSIP number (if any);

(4) Principal amount;

(5) The maturity date determined by taking into account the maturity shortening provisions in paragraph (i) of this section (*i.e.*, the maturity date used to calculate WAM under paragraph (d)(1)(ii) of this section);

(6) The maturity date determined without reference to the exceptions in paragraph (i) of this section regarding interest rate readjustments (*i.e.*, the maturity used to calculate WAL under paragraph (d)(1)(iii) of this section);

(7) Coupon or yield; and

(8) Value.

(ii) A schedule, chart, graph, or other depiction, which must be updated each business day as of the end of the preceding business day, showing, as of the end of each business day during the preceding six months:

(B) The percentage of the money market fund's total assets invested in weekly liquid assets; and

(C) The money market fund's net inflows or outflows.

(iii) A schedule, chart, graph, or other depiction showing the money market fund's net asset value per share (which the fund must calculate based on current market factors before applying the amortized cost or penny-rounding method, if used), rounded to the fourth decimal place in the case of funds with a \$1.000 share price or an equivalent level of accuracy for funds with a different share price (*e.g.*, \$10.00

per share), as of the end of each business day during the preceding six months, which must be updated each business day as of the end of the preceding business day.

(iv) A link to a Web site of the Securities and Exchange Commission where a user may obtain the most recent 12 months of publicly available information filed by the money market fund pursuant to § 270.30b1-7.

(v) For a period of not less than one year, beginning no later than the same business day on which the money market fund files an initial report on Form N-CR (§ 274.222 of this chapter) in response to the occurrence of any event specified in Parts C, E, F, or G of Form N-CR, the same information that the money market fund is required to report to the Commission on Part C (Items C.1, C.2, C.3, C.4, C.5, C.6, and C.7), Part E (Items E.1, E.2, E.3, and E.4), Part F (Items F.1 and F.2), or Part G of Form N-CR concerning such event, along with the following statement: “The Fund was required to disclose additional information about this event [or “these events,” as appropriate] on Form N-CR and to file this form with the Securities and Exchange Commission. Any Form N-CR filing submitted by the Fund is available on the EDGAR Database on the Securities and Exchange Commission’s Internet site at <http://www.sec.gov>.”

(11) *Processing of transactions.* A government money market fund and a retail money market fund (or its transfer agent) must have the capacity to redeem and sell securities issued by the fund at a price based on the current net asset value per share pursuant to § 270.22c-1. Such capacity must include the ability to redeem and sell securities at prices that do not correspond to a stable price per share.

(i) *Maturity of portfolio securities.* For purposes of this section, the maturity of a portfolio security shall be deemed to be the period remaining (calculated from the trade date or such other date on which the fund’s interest in the security is subject to market action) until the date on which, in accordance with the terms of the security, the principal amount must unconditionally be paid, or in the case of a security called for redemption, the date on

which the redemption payment must be made, except as provided in paragraphs (i)(1) through (i)(8) of this section:

(1) *Adjustable rate government securities.* A government security that is a variable rate security where the variable rate of interest is readjusted no less frequently than every 397 calendar days shall be deemed to have a maturity equal to the period remaining until the next readjustment of the interest rate. A government security that is a floating rate security shall be deemed to have a remaining maturity of one day.

(2) *Short-term variable rate securities.* A variable rate security, the principal amount of which, in accordance with the terms of the security, must unconditionally be paid in 397 calendar days or less shall be deemed to have a maturity equal to the earlier of the period remaining until the next readjustment of the interest rate or the period remaining until the principal amount can be recovered through demand.

(3) *Long-term variable rate securities.* A variable rate security, the principal amount of which is scheduled to be paid in more than 397 calendar days, that is subject to a demand feature, shall be deemed to have a maturity equal to the longer of the period remaining until the next readjustment of the interest rate or the period remaining until the principal amount can be recovered through demand.

(4) *Short-term floating rate securities.* A floating rate security, the principal amount of which, in accordance with the terms of the security, must unconditionally be paid in 397 calendar days or less shall be deemed to have a maturity of one day, except for purposes of determining WAL under paragraph (d)(1)(iii) of this section, in which case it shall be deemed to have a maturity equal to the period remaining until the principal amount can be recovered through demand.

(5) *Long-term floating rate securities.* A floating rate security, the principal amount of which is scheduled to be paid in more than 397 calendar days, that is subject to a demand feature, shall be deemed to have a maturity equal to the period remaining until the

§ 270.2a19-2

17 CFR Ch. II (4-1-22 Edition)

principal amount can be recovered through demand.

(6) *Repurchase agreements.* A repurchase agreement shall be deemed to have a maturity equal to the period remaining until the date on which the repurchase of the underlying securities is scheduled to occur, or, where the agreement is subject to demand, the notice period applicable to a demand for the repurchase of the securities.

(7) *Portfolio lending agreements.* A portfolio lending agreement shall be treated as having a maturity equal to the period remaining until the date on which the loaned securities are scheduled to be returned, or where the agreement is subject to demand, the notice period applicable to a demand for the return of the loaned securities.

(8) *Money market fund securities.* An investment in a money market fund shall be treated as having a maturity equal to the period of time within which the acquired money market fund is required to make payment upon redemption, unless the acquired money market fund has agreed in writing to provide redemption proceeds to the investing money market fund within a shorter time period, in which case the maturity of such investment shall be deemed to be the shorter period.

(j) *Delegation.* The money market fund's board of directors may delegate to the fund's investment adviser or officers the responsibility to make any determination required to be made by the board of directors under this section other than the determinations required by paragraphs (c)(1) (board findings), (c)(2)(i) and (ii) (determinations related to liquidity fees and temporary suspensions of redemptions), (f)(1) (adverse events), (g)(1) and (2) (amortized cost and penny rounding procedures), and (g)(8) (stress testing procedures) of this section.

(1) *Written guidelines.* The board of directors must establish and periodically review written guidelines (including guidelines for determining whether securities present minimal credit risks as required in paragraphs (d)(2) and (g)(3) of this section) and procedures under which the delegate makes such determinations.

(2) *Oversight.* The board of directors must take any measures reasonably

necessary (through periodic reviews of fund investments and the delegate's procedures in connection with investment decisions and prompt review of the adviser's actions in the event of the default of a security or event of insolvency with respect to the issuer of the security or any guarantee or demand feature to which it is subject that requires notification of the Commission under paragraph (f)(2) of this section by reference to Form N-CR (§ 274.222 of this chapter)) to assure that the guidelines and procedures are being followed.

§ 270.2a19-2 Investment company general partners not deemed interested persons.

PRELIMINARY NOTE TO § 270.2a19-2: This § 270.2a19-2 conditionally excepts from the definition of interested person in section 2(a)(19) (15 U.S.C. 80a-2(a)(19)) general partners of investment companies organized in limited partnership form. Compliance with the conditions of this § 270.2a19-2 does not relieve an investment company of any other requirement of this Act, or except a general partner that is an interested person by virtue of any other provision.

(a) *Director General Partners Not Deemed Interested Persons.* A general partner serving as a director of a limited partnership investment company shall not be deemed to be an interested person of such company, or of any investment adviser of, or principal underwriter for, such company, solely by reason of being a partner of the limited partnership investment company, or a copartner in the limited partnership investment company with any investment adviser of, or principal underwriter for, the company, *provided* that the Limited Partnership Agreement contains in substance the following:

(1) Only general partners who are natural persons shall serve as, and perform the functions of, directors of the limited partnership investment company, except that any general partner may act as provided in paragraph (a)(2)(iii) of this section.

(2) A general partner shall not have the authority to act individually on behalf of, or to bind, the Limited Partnership Investment Company, except:

Securities and Exchange Commission

§ 270.2a41-1

(i) In such person's capacity as investment adviser, principal underwriter, or administrator;

(ii) Within the scope of such person's authority as delegated by the board of directors; or

(iii) In the event that no director of the company remains, to the extent necessary to continue the Limited Partnership Investment Company, for such limited periods as are permitted under the Act to fill director vacancies.

(3) Limited partners shall have all of the rights afforded shareholders under the Act. If a limited partnership interest is transferred in a manner that is effective under the Partnership Agreement, the transferee shall have all of the rights afforded shareholders under the Act.

(4) A general partner shall not withdraw from the Limited Partnership Investment Company or reduce its Federal Tax Status Contribution without giving at least one year's prior written notice to the Limited Partnership Investment Company, if such withdrawal or reduction is likely to cause the company to lose its partnership tax classification. This paragraph (a)(4) shall not apply to an investment adviser general partner if the company terminates its advisory agreement with such general partner.

(b) *Definitions.* (1) "Federal Tax Status Contribution" shall mean the interest (including limited partnership interest) in each material item of partnership income, gain, loss, deduction, or credit, and other contributions, required to be held or made by general partners, pursuant to section 4 of Internal Revenue Service Revenue Procedure 89-12, or any successor provisions thereto.

(2) "Limited Partnership Investment Company" shall mean a registered management company or a business development company that is organized as a limited partnership under state law.

(3) "Partnership Agreement" shall mean the agreement of the partners of the Limited Partnership Investment Company as to the affairs of the limited partnership and the conduct of its business.

§ 270.2a19-3 Certain investment company directors not considered interested persons because of ownership of index fund securities.

If a director of a registered investment company ("Fund") owns shares of a registered investment company (including the Fund) with an investment objective to replicate the performance of one or more broad-based securities indices ("Index Fund"), ownership of the Index Fund shares will not cause the director to be considered an "interested person" of the Fund or of the Fund's investment adviser or principal underwriter (as defined by section 2(a)(19)(A)(iii) and (B)(iii) of the Act (15 U.S.C. 80a-2(a)(19)(A)(iii) and (B)(iii))).

§ 270.2a41-1 Valuation of standby commitments by registered investment companies.

(a) A standby commitment means a right to sell a specified underlying security or securities within a specified period of time and at an exercise price equal to the amortized cost of the underlying security or securities plus accrued interest, if any, at the time of exercise, that may be sold, transferred or assigned only with the underlying security or securities. A standby commitment entitles the holder to receive same day settlement, and will be considered to be from the party to whom the investment company will look for payment of the exercise price. A standby commitment may be assigned a fair value of zero, Provided, That:

(1) The standby commitment is not used to affect the company's valuation of the security or securities underlying the standby commitment; and

(2) Any consideration paid by the company for the standby commitment, whether paid in cash or by paying a premium for the underlying security or securities, is accounted for by the company as unrealized depreciation until the standby commitment is exercised or expires.

(3) On October 11, 1996, under section 3(c)(1)(A) of the Act as then in effect, the voting securities of the issuer were deemed to be beneficially owned by the holders of the owning company’s outstanding securities (other than short-term paper), in which case, such holders shall be deemed to be beneficial owners of the issuer’s outstanding voting securities.

NOTES TO § 270.2a51-2: 1. On both April 30, 1996 and October 11, 1996, section 3(c)(1)(A) of the Act as then in effect provided that: (A) Beneficial ownership by a company shall be deemed to be beneficial ownership by one person, except that, if the company owns 10 per centum or more of the outstanding voting securities of the issuer, the beneficial ownership shall be deemed to be that of the holders of such company’s outstanding securities (other than short-term paper) unless, as of the date of the most recent acquisition by such company of securities of that issuer, the value of all securities owned by such company of all issuers which are or would, but for the exception set forth in this subparagraph, be excluded from the definition of investment company solely by this paragraph, does not exceed 10 per centum of the value of the company’s total assets. Such issuer nonetheless is deemed to be an investment company for purposes of section 12(d)(1).

2. Issuers seeking the consent required by section 2(a)(51)(C) of the Act should note that section 2(a)(51)(C) requires an issuer to obtain the consent of the beneficial owners of its securities and the beneficial owners of securities of any “excepted investment company” that directly or indirectly owns the securities of the issuer. Except as set forth in paragraphs (d) (with respect to indirect owners) and (e) (with respect to direct owners) of this section, nothing in this section is designed to limit this consent requirement.

§ 270.3a-4 Status of investment advisory programs.

NOTE: This section is a nonexclusive safe harbor from the definition of investment company for programs that provide discretionary investment advisory services to clients. There is no registration requirement under section 5 of the Securities Act of 1933 [15 U.S.C. 77e] with respect to programs that are organized and operated in the manner described in § 270.3a-4. The section is not intended, however, to create any presumption about a program that is not organized and operated in the manner contemplated by the section.

(a) Any program under which discretionary investment advisory services are provided to clients that has the following characteristics will not be deemed to be an investment company

within the meaning of the Act [15 U.S.C. 80a, *et seq.*]:

(1) Each client's account in the program is managed on the basis of the client's financial situation and investment objectives and in accordance with any reasonable restrictions imposed by the client on the management of the account.

(2)(i) At the opening of the account, the sponsor or another person designated by the sponsor obtains information from the client regarding the client's financial situation and investment objectives, and gives the client the opportunity to impose reasonable restrictions on the management of the account;

(ii) At least annually, the sponsor or another person designated by the sponsor contacts the client to determine whether there have been any changes in the client's financial situation or investment objectives, and whether the client wishes to impose any reasonable restrictions on the management of the account or reasonably modify existing restrictions;

(iii) At least quarterly, the sponsor or another person designated by the sponsor notifies the client in writing to contact the sponsor or such other person if there have been any changes in the client's financial situation or investment objectives, or if the client wishes to impose any reasonable restrictions on the management of the client's account or reasonably modify existing restrictions, and provides the client with a means through which such contact may be made; and

(iv) The sponsor and personnel of the manager of the client's account who are knowledgeable about the account and its management are reasonably available to the client for consultation.

(3) Each client has the ability to impose reasonable restrictions on the management of the client's account, including the designation of particular securities or types of securities that should not be purchased for the account, or that should be sold if held in the account; *Provided, however*, that nothing in this section requires that a client have the ability to require that particular securities or types of securities be purchased for the account.

(4) The sponsor or person designated by the sponsor provides each client with a statement, at least quarterly, containing a description of all activity in the client's account during the preceding period, including all transactions made on behalf of the account, all contributions and withdrawals made by the client, all fees and expenses charged to the account, and the value of the account at the beginning and end of the period.

(5) Each client retains, with respect to all securities and funds in the account, to the same extent as if the client held the securities and funds outside the program, the right to:

(i) Withdraw securities or cash;

(ii) Vote securities, or delegate the authority to vote securities to another person;

(iii) Be provided in a timely manner with a written confirmation or other notification of each securities transaction, and all other documents required by law to be provided to security holders; and

(iv) Proceed directly as a security holder against the issuer of any security in the client's account and not be obligated to join any person involved in the operation of the program, or any other client of the program, as a condition precedent to initiating such proceeding.

(b) As used in this section, the term sponsor refers to any person who receives compensation for sponsoring, organizing or administering the program, or for selecting, or providing advice to clients regarding the selection of, persons responsible for managing the client's account in the program. If a program has more than one sponsor, one person shall be designated the principal sponsor, and such person shall be considered the sponsor of the program under this section.

(7) The investment adviser of the separate account is registered under the Investment Advisers Act of 1940.

ified in any flexible contract that may be charged against the assets of the separate account for such services; or

(2) The proposed investment adviser may be expected to employ investment techniques which vary from the general techniques used by the current investment adviser to the separate account, or advise the purchase or sale of securities which would not be consistent with the investment objectives of the separate account, or which would vary from the quality and nature of investments made by other separate accounts with similar investment objectives of the life insurer or an affiliated life insurance company; and

(D) Any action described in paragraph (b)(7)(ii)(A), (B), or (C) of this section and the reasons for it shall be disclosed in the next communication to contractholders, but in no case, later than twelve months from the date of such action.

(A) Such persons were appointed directors of the account by the life insurer before the effective date of the 1933 Act registration statement for flexible contracts and are identified in the registration statement (or are replacements appointed by the life insurer for any such persons who have become unable to serve as directors); and

(B) An election of directors for the account is held at the first meeting of contractholders and within one year after the effective date of the 1933 Act registration statement for flexible contracts, unless the time for holding the meeting is extended by the Commission upon written request and for good cause shown; and

(i) The securities and similar investments allocated to the separate account are clearly identified as owned by the account, and the securities and similar investments are kept in the vault of an insurance company which meets the qualifications in paragraph (b)(9)(ii) of this section, and whose safekeeping function is supervised by the insurance regulatory authorities of the jurisdiction in which the securities and similar investments will be held;

(ii) The insurance company maintaining such investments must file with an insurance regulatory authority of a state or territory of the United States or the District of Columbia an annual statement of its financial condition in the form prescribed by the National Association of Insurance Commissioners, must be subject to supervision and inspection by such authority and must be examined periodically as to its financial condition and other affairs by such authority, must hold the securities and similar investments of the separate account in its vault, which vault must be equivalent to that of a bank which is a member of the Federal Reserve System, and must have a combined capital and surplus, if a stock company, or an unassigned surplus, if a mutual company, of not less than \$1,000,000 as set forth in its most recent annual statement filed with such authority;

(iii) Access to such securities and similar investments shall be limited to employees of the Commission, representatives of insurance regulatory authorities, independent public accountants retained by the separate account (or on its behalf by the life insurer), accountants for the life insurer, and to no more than 20 persons authorized by a resolution of the board of directors of the separate account, which persons shall be directors of the separate account, officers and responsible employees of the life insurer or officers and responsible employees of the affi-

(iv) The requirement in paragraph (b)(9)(i) of this section that the securities and similar investments of the separate account be maintained in the vault of a qualified insurance company shall not apply to securities deposited with insurance regulatory authorities or deposited in accordance with any rule under section 17(f), or to securities on loan which are collateralized to the extent of their full market value, or to securities hypothecated, pledged, or placed in escrow for the account of such separate account in connection with a loan or other transaction authorized by specific resolution of the board of directors of the separate account, or to securities in transit in connection with the sale, exchange, redemption, maturity or conversion, the exercise of warrants or rights, assents to changes in terms of the securities, or to other transactions necessary or appropriate in the ordinary course of business relating to the management of securities;

(A) The date and time of the deposit, withdrawal or order;

(B) The title and amount of the securities or other investments deposited, withdrawn or ordered to be withdrawn, and an identification thereof by certificate numbers or otherwise;

(vi) The securities and similar investments shall be verified by complete examination by an independent public accountant retained by the separate account (or on its behalf by the life insurer) at least three times each fiscal year, at least two of which shall be chosen by the accountant without prior notice to the separate account. A certificate of the accountant stating that he has made an examination of such securities and investments and describing the nature and extent of the examination shall be sent to the Commission by the accountant promptly after each examination; and

(10) Section 18(i) (15 U.S.C. 80a-18(i)), to the extent that:

(i) For the purposes of any section of the Act which provides for the vote of securityholders on matters relating to the investment company:

(B) The life insurer shall have one vote for each \$100 of assets of the separate account not otherwise attributable to contractholders under paragraph (b)(10)(i)(A) of this section, with

fractional votes allocated for amounts less than \$100; provided that after the commencement of sales of flexible contracts, the life insurer shall cast its votes for and against each matter which may be voted upon by contractholders in the same proportion as the votes cast by contractholders; and

(C) The number of votes to be allocated shall be determined as of a record date not more than 90 days before any meeting at which such vote is held; provided that if a quorum is not present at the meeting, the meeting may be adjourned for up to 60 days without fixing a new record date; and

(ii) The requirement of section 18(i) that every share of stock issued by a registered management investment company (except a common-law trust of the character described in section 16(c) (15 U.S.C. 80a-16(c))) shall be a voting stock and have equal voting rights with every other outstanding voting stock shall not be deemed to be violated by actions specifically permitted by any provisions of this section.

(11) Section 19 (15 U.S.C. 80a-19), to the extent that the provisions of this section shall not apply to any dividend or similar distribution paid or payable under provisions of participating flexible contracts.

(12) Sections 22(c), 22(d), 22(e) and 27(i)(2)(A) (15 U.S.C. 80a-22(c)), 80a-22(d), 80a-22(e), and 80a-27(i)(2)(A), respectively) and § 270.22c-1 (Rule 22c-1) to the extent:

(i) The cash value of each flexible contract shall be computed in accordance with Rule 22c-1(b); provided, however, that where actual computation is not necessary for the operation of a particular contract, then the cash value of that contract must only be capable of computation; and provided further that to the extent the calculation of the cash value reflects deductions for the cost of insurance and other insurance benefits or administrative expenses and fees or sales charges, such deductions need only be made at such times as specified in the contract or as necessary for compliance with insurance laws and regulations;

(ii) The death benefit, unless required by insurance laws and regulations, shall be computed on any day that the

investment experience of the separate account would affect the death benefit under the terms of the contract provided that such terms are reasonable, fair, and nondiscriminatory; and

(iii) Necessary to comply with this section or with insurance laws and regulations and established administrative procedures of the life insurer for issuance, increases in or additions of insurance benefits, transfer and redemption of flexible contracts, including, but not limited to, premium rate structure and premium processing, insurance underwriting standards, and the particular benefit afforded by the contract; provided, however, that any procedure or action shall be reasonable, fair, and not discriminatory to the interests of the affected contractholders and to all other holders of contracts of the same class or series funded by the separate account; and provided further that any such action shall be disclosed in the form filed by the separate account with the Commission under paragraph (b)(3)(ii) of this section.

(13) Sections 27(i)(2)(A) and 22(c) (15 U.S.C. 80a-27(i)(2)(A) and 80a-22(c)) and § 270.22c-1 (Rule 22c-1), to the extent that:

(i) Such sections require that the flexible contract be redeemable or provide for a refund in cash; provided that the contract provides for election by the contractholder of a cash surrender value or certain non-forfeiture and settlement options which are required or permitted by the insurance law or regulation of the jurisdiction in which the contract is offered; and provided further that unless required by the insurance law or regulation of the jurisdiction in which the contract is offered or unless elected by the contractholder, the contract shall not provide for the automatic imposition of any option, including, but not limited to, an automatic premium loan, which would involve the accrual or payment of an interest or similar charge.

(ii) Notwithstanding the provisions of paragraph (b)(13)(i) of this section, if the amounts available under the contract to pay the charges due under the contract on any contract processing day are less than such charges due, the contract may provide that the cash

surrender value shall be applied to purchase a non-forfeiture option specified by the life insurer in such contract; provided that the contract also provides that Contract processing days occur not less frequently than monthly.

(iii) Subject to section 26(f) (15 U.S.C. 80a-26(f)), sales charges and administrative expenses or fees may be deducted upon redemption.

(14) Section 32(a)(2) (15 U.S.C. 80a-31(a)(2)); provided that:

(ii) The selection of the accountant is submitted for ratification or rejection to flexible contractholders at their first meeting and within one year after the effective date of the 1933 Act registration statement for flexible contracts, unless the time for holding the meeting is extended by order of the Commission.

(15) If the separate account is organized as a unit investment trust, all the assets of which consist of the shares of one or more registered management investment companies which offer their shares exclusively to separate accounts of the life insurer, or of any affiliated life insurance company, offering either scheduled contracts or flexible contracts, or both; or which also offer their shares to variable annuity separate accounts of the life insurer or of an affiliated life insurance company, or which offer their shares to any such life insurance company in consideration solely for advances made by the life insurer in connection with the operation of the separate account; provided that the board of directors of each investment company, constituted with a majority of disinterested directors, will monitor such company for the existence of any material irreconcilable conflict between the interests of variable annuity contractholders and scheduled or flexible contractholders investing in such company; the life insurer agrees that it will be responsible for reporting any potential or existing conflicts to the directors; and if a conflict arises, the life insurer will,

at its own cost, remedy such conflict up to and including establishing a new registered management investment company and segregating the assets underlying the variable annuity contracts and the scheduled or flexible contracts; then:

(i) The eligibility restrictions of section 9(a) shall not apply to those persons who are officers, directors or employees of the life insurer or its affiliates who do not participate directly in the management or administration of any registered management investment company described in paragraph (b)(15) of this section;

(ii) The life insurer shall be ineligible under paragraph (3) of section 9(a) to serve as investment adviser of or principal underwriter for any registered management investment company described in paragraph (b)(15) of this section only if an affiliated person of such life insurer, ineligible by reason of paragraphs (1) or (2) of section 9(a), participates in the management or administration of such company;

(iii) For purposes of any section of the Act which provides for the vote of securityholders on matters relating to the separate account or the underlying registered investment company, the voting provisions of paragraphs (b)(10)(i) and (ii) of this section apply; provided that:

(A) The life insurer may vote shares of the registered management investment companies held by the separate account without regard to instructions from contractholders of the separate account if such instructions would require such shares to be voted:

(1) To cause such companies to make (or refrain from making) certain investments which would result in changes in the sub-classification or investment objectives of such companies or to approve or disapprove any contract between such companies and an investment adviser when required to do so by an insurance regulatory authority subject to the provisions of paragraphs (b)(5)(i) and (b)(7)(ii)(A) of this section; or

(2) In favor of changes in investment objectives, investment adviser of or principal underwriter for such companies subject to the provisions of para-

graphs (b)(5)(ii) and (b)(7)(ii)(B) and (C) of this section;

(B) Any action taken in accordance with paragraph (b)(15)(iii)(A)(I) or (2) of this section and the reasons therefor shall be disclosed in the next report contractholders made under section 30(e) (15 U.S.C. 80a-29(e)) and § 270.30e-2 (Rule 30e-2);

(iv) Any registered management investment company established by the life insurer and described in paragraph (b)(15) of this section shall be exempt from section 14(a); and

(v) Any registered management investment company established by the life insurer and described in paragraph (b)(14) of this section shall be exempt from sections 15(a), 16(a), and 32(a)(2) (15 U.S.C. 80a-15(a), 80-16(a), and 80-31(a)(2), respectively), to the extent prescribed by paragraphs (b)(7)(i), (b)(8)(i), and (b)(14) of this section; provided that the company complies with the conditions set forth in paragraphs (b)(7)(i), (b)(8)(i), and (b)(14) of this section as if it were a separate account.

(ii) A death benefit the amount or duration of which may vary to reflect the investment experience of the separate account;

§270.7d-1 Specification of conditions and arrangements for Canadian management investment companies requesting order permitting registration.

(a) A management investment company organized under the laws of Canada or any province thereof may obtain an order pursuant to section 7(d) permitting its registration under the act and the public offering of its securities, if otherwise appropriate, upon the filing of an application complying with paragraph (b) of this section. All such applications will be considered by the Commission pursuant to the procedure set forth in §270.0-5 and other applicable rules. Conditions and arrangements proposed by investment companies organized under the laws of other countries will be considered by the Commission in the light of the special circumstances and local laws involved in each case.

(b) An application filed pursuant to this section shall contain, inter alia, the following undertakings and agreements of the applicant:

(1) Applicant will cause each present and future officer, director, investment adviser, principal underwriter and cus-

todian of the applicant to enter into an agreement, to be filed by applicant with the Commission upon the filing of its registration statement or upon the assumption of such office by such person which will provide, among other things, that each such person agrees (i) to comply with the applicant's Letters Patent (Charter) and By Laws, the act and the rules thereunder, and the undertakings and agreements contained in said application insofar as applicable to such person; (ii) to do nothing inconsistent with the applicant's undertakings and agreements required by this section; (iii) that the undertakings enumerated as paragraphs (b)(1)(i) and (ii) of this section constitute representations and inducements to the Commission to issue its order in the premises and continue the same in effect, as the case may be; (iv) that each such agreement constitutes a contract between such person and the applicant and its shareholders with the intent that applicant's shareholders shall be beneficiaries of and shall have the status of parties to such agreement so as to enable them to maintain actions at law or in equity within the United States and Canada for any violation thereof. In addition the agreement of each officer and director will contain provisions similar to those contained in paragraph (b)(6) of this section.

(2) That every agreement and undertaking of the applicant, its officers, directors, investment adviser, principal underwriter and custodian required by this section (i) constitute inducements to the Commission for the issuance and continuance in effect of, and conditions to, the Commission's order to be entered under this section; (ii) constitute a contract among applicant and applicant's shareholders with the same intent as set forth in paragraph (b)(1)(iv) of this section; and (iii) failure by the applicant or any of the above enumerated persons to comply with any such agreement and undertaking, unless permitted by the Commission, shall constitute a violation of the order entered under this section.

(3) That the Commission, in its discretion, may revoke its order permitting registration of the applicant and the public offering of its securities if it shall find after notice and opportunity

for hearing that there shall have been a violation of such order or the act and may determine whether distribution of applicant's assets is necessary or appropriate in the interests of investors and may so direct.

(4) That applicant will perform every action and thing necessary to cause and assist the custodian of its assets to distribute the same, or the proceeds thereof, if the Commission or a court of competent jurisdiction, shall have so directed by a final order.

(5) That any shareholder of the applicant or the Commission on its own motion or on request of shareholders shall have the right to initiate a proceeding (i) before the Commission for the revocation of the order permitting registration of the applicant or (ii) before a court of competent jurisdiction for the liquidation of applicant and a distribution of its assets to its shareholders and creditors. Such court may enter such order in the event that it shall find, after notice and opportunity for hearing that applicant, its officers, directors, investment adviser, principal underwriter or custodian shall have violated any provision of the act or the Commission's order of registration of the applicant.

A court of competent jurisdiction for the purpose of paragraphs (b)(4) and (5) of this paragraph means the District Court of the United States of the district in which the assets of the applicant are maintained.

(6) That any shareholder of the applicant shall have the right to bring suit at law or in equity, in any court of the United States or Canada having jurisdiction over applicant, its assets or any of its officers or directors to enforce compliance by applicant, its officers and directors with any provision of applicant's Charter or By Laws, the act and the rules thereunder, or undertakings and agreements required by this section, insofar as applicable to such persons. That such court may appoint a trustee or receiver of the applicant with all powers necessary to implement the purposes of such suit, including the administration of the estate, the collection of corporate property including choses-in-action, and distribution of applicant's assets to its creditors and shareholders. That appli-

cant and its officers and directors waive any objection they may be entitled to raise and any right they may have to object to the power and right of any shareholder of the applicant to bring such suit, reserving, however, their right to maintain that they have complied with the aforesaid provisions, undertakings and agreements, and otherwise to dispute such suit on its merits. Applicant, its officers and directors also agree that any final judgment or decree of any United States court as aforesaid, may be granted full faith and credit by a court of competent jurisdiction of Canada and consent that such Canadian court may enter judgment or decree thereon at the instance of any shareholder, receiver or trustee of the applicant.

(7) Applicant will file, and will cause each of its present or future directors, officers, or investment advisers who is not a resident of the United States to file with the Commission irrevocable designation of the applicant's custodian as an agent in the United States to accept service of process in any suit, action or proceeding before the Commission or any appropriate court to enforce the provisions of the acts administered by the Commission, or to enforce any right or liability based upon applicant's Charter, By Laws, contracts, or the respective undertakings and agreements of any such person required by this section, or which alleges a liability on the part of any such persons arising out of their service, acts of transactions relating to the applicant.

(f) *Investment income.* The term “investment income” means the aggregate of net operating income or loss from real estate and gross income from interest, dividends and all other sources, exclusive of profit or loss on sales of securities or other properties.

(g) *Material.* The term “material”, when used to qualify a requirement for the furnishing of information as to any subject, limits the information required to those matters as to which an average prudent investor ought reasonably to be informed before buying or selling any security of the particular company.

(h) *Parent.* A “parent” of a specified person is an affiliated person who controls the specified person directly or indirectly through one or more intermediaries.

(i) *Previously filed or reported.* The terms “previously filed” and “previously reported” means previously filed with, or reported in, a registration statement filed under section 8 of the Act or under the Securities Act of 1933, a report filed under section 30 of the Act or section 13 or 15(d) of the Securities Exchange Act of 1934, a definitive proxy statement filed under section 20 of the Act or section 14 of the Securities Exchange Act of 1934, or a prospectus filed under the Securities Act of 1933: *Provided*, That information contained in any such document shall be deemed to have been previously filed with, or reported to, an exchange only if such document is filed with such exchange.

(ii) 10 percent of the absolute value of the change in net assets resulting from operations of the registrant and its subsidiaries consolidated for the most recently completed fiscal year and the investment test (paragraph (k)(1) of this section) condition exceeds 5 percent. However, if the absolute value of the change in net assets resulting from operations of the registrant and its subsidiaries consolidated is at least 10 percent lower than the average of the absolute value of such amounts for each of its last five fiscal years, then the registrant may compute both conditions of the income test using the average of the absolute value of such amounts for the registrant and its subsidiaries consolidated for each of its last five fiscal years.

[Rule N-10F-2, 9 FR 339, Jan. 8, 1944]

(A) It has a class of securities registered pursuant to section 12(b) or 12(g) of the Securities Exchange Act of 1934 [15 U.S.C. 78l(b) or 78l(g)] or is required to file reports pursuant to section 15(d) of the Securities Exchange Act of 1934 [15 U.S.C. 78o(d)]; and

(B) It has filed all the material required to be filed pursuant to section 13(a) or 15(d) of the Securities Ex-

change Act of 1934 [15 U.S.C. 78m(a) or 78o(d)] for a period of at least twelve months immediately preceding the sale of securities made in reliance upon this (or for such shorter period that the issuer was required to file such material).

(3) *Eligible Municipal Securities* means “municipal securities,” as defined in section 3(a)(29) of the Securities Exchange Act of 1934 (15 U.S.C. 78c(a)(29)), that are sufficiently liquid that they can be sold at or near their carrying value within a reasonably short period of time and either:

(i) Are subject to no greater than moderate credit risk; or

(ii) If the issuer of the municipal securities, or the entity supplying the revenues or other payments from which the issue is to be paid, has been in continuous operation for less than three years, including the operation of any predecessors, the securities are subject to a minimal or low amount of credit risk.

(4) *Eligible Rule 144A Offering* means an offering of securities that meets the following conditions:

(i) The securities are offered or sold in transactions exempt from registration under section 4(2) of the Securities Act of 1933 [15 U.S.C. 77d(2)], rule 144A thereunder [§ 230.144A of this chapter], or rules 501-508 thereunder [§§ 230.501-230.508 of this chapter];

(5) *Managed portion* of a portfolio of a registered investment company means a discrete portion of a portfolio of a registered investment company for which a subadviser is responsible for providing investment advice, provided that:

(i) The subadviser is not an affiliated person of any investment adviser, promoter, underwriter, officer, director,

member of an advisory board, or employee of the registered investment company; and

(ii) The subadviser's advisory contract:

(A) Prohibits it from consulting with any subadviser of the investment company that is a principal underwriter or an affiliated person of a principal underwriter concerning transactions of the investment company in securities or other assets; and

(B) Limits its responsibility in providing advice to providing advice with respect to such portion.

(6) *Series of a series company* means any class or series of a registered investment company that issues two or more classes or series of preferred or special stock, each of which is preferred over all other classes or series with respect to assets specifically allocated to that class or series.

Therefore, a purchase or acquisition of a security by a registered investment company is exempt from the prohibitions of section 10(f) of the Act if section 10(f) of the Act would not prohibit such purchase if each Series and each Managed Portion of the company were a separately registered investment company.

(c) *Exemption for other purchases.* Any purchase of securities by a registered investment company prohibited by section 10(f) of the Act [15 U.S.C. 80a-10(f)] shall be exempt from the provisions of such section if the following conditions are met:

(1) *Type of Security.* The securities to be purchased are:

(i) Part of an issue registered under the Securities Act of 1933 (15 U.S.C. 77a-aa) that is being offered to the public;

(ii) Part of an issue of government securities, as defined in section 2(a)(16) of the Act (15 U.S.C. 80a-2(a)(16));

(iii) Eligible Municipal Securities;

(iv) Securities sold in an Eligible Foreign Offering; or

(v) Securities sold in an Eligible Rule 144A Offering.

(2) *Timing and Price.* (i) The securities are purchased prior to the end of the first day on which any sales are made, at a price that is not more than the price paid by each other purchaser of securities in that offering or in any concurrent offering of the securities (except, in the case of an Eligible Foreign Offering, for any rights to purchase that are required by law to be granted to existing security holders of the issuer); and

(ii) If the securities are offered for subscription upon exercise of rights, the securities shall be purchased on or before the fourth day preceding the day on which the rights offering terminates.

(3) *Reasonable reliance.* For purposes of determining compliance with paragraphs (c)(1)(v) and (c)(2)(i) of this section, an investment company may reasonably rely upon written statements made by the issuer or a syndicate manager, or by an underwriter or seller of the securities through which such investment company purchases the securities.

(4) *Continuous operation.* If the securities to be purchased are part of an issue registered under the Securities Act of 1933 (15 U.S.C. 77a-aa) that is being offered to the public, are government securities (as defined in section 2(a)(16) of the Act (15 U.S.C. 80a-2(a)(16))), or are purchased pursuant to an Eligible Foreign Offering or an Eligible Rule 144A Offering, the issuer of the securities must have been in continuous operation for not less than three years, including the operations of any predecessors.

(5) *Firm Commitment Underwriting.* The securities are offered pursuant to an underwriting or similar agreement under which the underwriters are committed to purchase all of the securities being offered, except those purchased by others pursuant to a rights offering, if the underwriters purchase any of the securities.

(6) *Reasonable commission.* The commission, spread or profit received or to

Securities and Exchange Commission

§ 270.10f-3

be received by the principal underwriters is reasonable and fair compared to the commission, spread or profit received by other such persons in connection with the underwriting of similar securities being sold during a comparable period of time.

(7) *Percentage limit*—(i) *Generally*. The amount of securities of any class of such issue to be purchased by the investment company, aggregated with purchases by any other investment company advised by the investment company's investment adviser, and any purchases by another account with respect to which the investment adviser has investment discretion if the investment adviser exercised such investment discretion with respect to the purchase, does not exceed the following limits:

(A) If purchased in an offering other than an Eligible Rule 144A Offering, 25 percent of the principal amount of the offering of such class; or

(B) If purchased in an Eligible Rule 144A Offering, 25 percent of the total of:

(1) The principal amount of the offering of such class sold by underwriters or members of the selling syndicate to qualified institutional buyers, as defined in § 230.144A(a)(1) of this chapter; plus

(2) The principal amount of the offering of such class in any concurrent public offering.

(ii) *Exemption from percentage limit*. The requirement in paragraph (c)(7)(i) of this section applies only if the investment adviser of the investment company is, or is an affiliated person of, a principal underwriter of the security; and

(iii) *Separate aggregation*. The requirement in paragraph (c)(7)(i) of this section applies independently with respect to each investment adviser of the investment company that is, or is an affiliated person of, a principal underwriter of the security.

(8) *Prohibition of Certain Affiliate Transactions*. Such investment company does not purchase the securities being offered directly or indirectly from an officer, director, member of an advisory board, investment adviser or employee of such investment company or from a person of which any such officer, director, member of an advisory

board, investment adviser or employee is an affiliated person; *provided*, that a purchase from a syndicate manager shall not be deemed to be a purchase from a specific underwriter if:

(i) Such underwriter does not benefit directly or indirectly from the transaction; or

(ii) In respect to the purchase of Eligible Municipal Securities, such purchase is not designated as a group sale or otherwise allocated to the account of any person from whom this paragraph prohibits the purchase.

(9) [Reserved]

(10) *Board review*. The board of directors of the investment company, including a majority of the directors who are not interested persons of the investment company:

(i) Has approved procedures, pursuant to which such purchases may be effected for the company, that are reasonably designed to provide that the purchases comply with all the conditions of this section;

(ii) Approves such changes to the procedures as the board deems necessary; and

(iii) Determines no less frequently than quarterly that all purchases made during the preceding quarter were effected in compliance with such procedures.

(11) *Board composition*. The board of directors of the investment company satisfies the fund governance standards defined in § 270.0-1(a)(7).

(12) *Maintenance of records*. The investment company:

(i) Shall maintain and preserve permanently in an easily accessible place a written copy of the procedures, and any modification thereto, described in paragraphs (c)(10)(i) and (c)(10)(ii) of this section; and

(ii) Shall maintain and preserve for a period not less than six years from the end of the fiscal year in which any transactions occurred, the first two years in an easily accessible place, a written record of each such transaction, setting forth from whom the securities were acquired, the identity of the underwriting syndicate's members, the terms of the transaction, and the information or materials upon which

(2) Upon the termination, retirement or cancellation of an outstanding security of such issuer in accordance with the terms thereof.

(b) A security shall not be deemed to have been repurchased by or at the instance of the issuer, or terminated, retired or canceled in accordance with the terms of the security if—

(1) The security was redeemed or repurchased at the instance of the holder; or

(2) A security holder's account was closed for failure to make payments as prescribed in the security or instruments pursuant to which the security was issued, and notice of intention to close the account was mailed to the security holder, and he had a reasonable time in which to meet the deficiency; or

(3) Sale of the security was restricted to a specified, limited group of persons and, in accordance with the terms of the security or the instruments pursuant to which the security was issued, upon its being transferred by the holder to a person not a member of the group eligible to purchase the security, the issuer required the surrender of the security and paid the redemption price thereof.

(c) The provisions of paragraph (a) of this section shall not apply if, following the repurchase of an out-

§ 270.11a-2 Offers of exchange by certain registered separate accounts or others the terms of which do not require prior Commission approval.

(a) As used in this section:

(1) *Deferred sales load* shall mean any sales load, including a contingent deferred sales load, that is deducted upon redemption or annuitization of amounts representing all or a portion of a securityholder's interest in a separate account;

(2) *Exchanged security* shall include not only the security or securities (or portion[s] thereof) of a securityholder actually exchanged pursuant to an exchange offer but also any security or securities (or portion[s] thereof) of the securityholder previously exchanged for the exchanged security or its predecessors;

(3) *Front-end sales load* shall mean any sales load that is deducted from one or more purchase payments made by a securityholder before they are invested in a separate account; and

(4) *Purchase payments made for the acquired security*, as used in paragraphs (c)(2) and (d)(2) of this section, shall not include any purchase payments made for the exchanged security or any appreciation attributable to those purchase payments that are transferred to

Securities and Exchange Commission

§ 270.11a-3

the offering account in connection with an exchange.

(b) Notwithstanding section 11 of the Act [15 U.S.C. 80a-11], any registered separate account or any principal underwriter for such an account (collectively, the “offering account”) may make or cause to be made an offer to the holder of a security of the offering account, or of any other registered separate account having the same insurance company depositor or sponsor as the offering account or having an insurance company depositor or sponsor that is an affiliate of the offering account’s depositor or sponsor, to exchange his security (or portion thereof) (the “exchanged security”) for a security (or portion thereof) of the offering account (the “acquired security”) without the terms of such exchange offer first having been submitted to and approved by the Commission, as provided below:

(1) If the securities (or portions thereof) involved are variable annuity contracts, then

(i) The exchange must be made on the basis of the relative net asset values of the securities to be exchanged, except that the offering account may deduct at the time of the exchange

(A) An administrative fee which is disclosed in the part of the offering account’s registration statement under the Securities Act of 1933 relating to the prospectus, and

(B) Any front-end sales load permitted by paragraph (c) of this section, and

(ii) Any deferred sales load imposed on the acquired security by the offering account shall be calculated in the manner prescribed by paragraph (d) or (e) of this section; or

(2) If the securities (or portions thereof) involved are variable life insurance contracts offered by a separate account registered under the Act as a unit investment trust, then the exchange must be made on the basis of the relative net asset values of the securities to be exchanged, except that the offering account may deduct at the time of the exchange an administrative fee which is disclosed in the part of the offering account’s registration statement under the Securities Act of 1933 relating to the prospectus.

(c) If the offering account imposes a front-end sales load on the acquired security, then such sales load shall be a percentage that is no greater than the excess of the rate of the front-end sales load otherwise applicable to that security over the rate of any front-end sales load previously paid on the exchanged security.

(d) If the offering account imposes a deferred sales load on the acquired security and the exchanged security was also subject to a deferred sales load, then any deferred sales load imposed on the acquired security shall be calculated as if:

(1) The holder of the acquired security had been the holder of that security from the date on which he became the holder of the exchanged security; and

(2) Purchase payments made for the exchanged security had been made for the acquired security on the date on which they were made for the exchanged security.

(e) If the offering account imposes a deferred sales load on the acquired security and a front-end sales load was paid on the exchanged security, then any deferred sales load imposed on the acquired security may not be imposed on purchase payments made for the exchanged security or any appreciation attributable to purchase payments made for the exchanged security that are transferred in connection with the exchange.

(f) Notwithstanding the foregoing, no offer of exchange shall be made in reliance on this section if both a front-end sales load and a deferred sales load are to be imposed on the acquired security or if both such sales loads are imposed on the exchanged security.

Securities and Exchange Commission

§ 270.11a-3

exchanged security, exceed the maximum sales load rate, calculated in accordance with paragraph (b)(5) of this section, that would be applicable in the absence of an exchange to the security (exchanged or acquired) with the highest such rate;

(5) Any deferred sales load charged at the time the acquired security is redeemed is calculated as if the holder of the acquired security had held that security from the date on which he became the holder of the exchanged security, *Provided that*:

(i) The time period during which the acquired security is held need not be included when the amount of the deferred sales load is calculated, if the deferred sales load is

(B) Solely the result of a sales load imposed on the exchanged security, and no other sales loads, including deferred sales loads, are imposed with respect to the acquired security,

(B) The exchanged security was not subject to any sales load, and

(iii) The holding periods in this subsection may be computed as of the end of the calendar month in which a security was purchased or redeemed;

change offer is subject to termination and its terms are subject to change;

(7) Any sales literature or advertising that mentions the existence of the exchange offer also discloses

(i) The existence of any administrative fee or redemption fee that would be imposed at the time of an exchange; and

(ii) If the offering company reserves the right to change the terms of or terminate the exchange offer, that the exchange offer is subject to termination and its terms are subject to change;

(8) Whenever an exchange offer is to be terminated or its terms are to be amended materially, any holder of a security subject to that offer shall be given prominent notice of the impending termination or amendment at least 60 days prior to the date of termination or the effective date of the amendment, *Provided that*:

(i) No such notice need be given if the only material effect of an amendment is to reduce or eliminate an administrative fee, sales load or redemption fee payable at the time of an exchange, and

(ii) No notice need be given if, under extraordinary circumstances, either

(A) There is a suspension of the redemption of the exchanged security under section 22(e) of the Act [15 U.S.C. 80a-22(e)] and the rules and regulations thereunder, or

(c) If either no sales load is imposed on the acquired security or the sales load imposed is less than the maximum allowed by paragraph (b)(4) of this section, the offering company may require the exchanging securityholder to have held the exchanged security for a minimum period of time previously established by the offering company and applied uniformly to all securityholders of the class specified.

(d) Any offering company that has previously made an offer of exchange may continue to impose fees or sales loads permitted by an order under section 11(a) of the Act upon shares purchased before the earlier of (1) One year after the effective date of this section, or (2) When the offer has been brought into compliance with the terms of this section, and upon shares acquired through reinvestment of dividends or capital gains distributions based on such shares, until such shares are redeemed.

(e) Any offering company that has previously made an offer of exchange cannot rely on this section to amend such prior offer unless

(1) The offering company's prospectus disclosed, during at least the two year period prior to the amendment of the offer (or, if the fund is less than two years old, at all times the offer has been outstanding) that the terms of the offer were subject to change, or

(2) The only effect of such change is to reduce or eliminate an administrative fee, sales load or redemption fee payable at the time of an exchange.

(iv) In the case of an agreement related to a plan:

(A) That it may be terminated at any time, without the payment of any penalty, by vote of a majority of the members of the board of directors of such company who are not interested persons of the company and have no direct or indirect financial interest in the operation of the plan or in any agreements related to the plan or by vote of a majority of the outstanding voting securities of such company on not more than sixty days' written notice to any other party to the agreement, and

(B) For its automatic termination in the event of its assignment;

(4) Such plan provides that it may not be amended to increase materially the amount to be spent for distribution without shareholder approval and that all material amendments of the plan must be approved in the manner described in paragraph (b)(2) of this section; and

(5) Such plan is implemented and continued in a manner consistent with the provisions of paragraphs (c), (d), and (e) of this section;

(c) A registered open-end management investment company may rely on the provisions of paragraph (b) of this section only if its board of directors satisfies the fund governance standards as defined in § 270.0-1(a)(7);

who is a party to any agreement with such company relating to such plan shall have a duty to furnish, such information as may reasonably be necessary to an informed determination of whether such plan should be implemented or continued; in fulfilling their duties under this paragraph the directors should consider and give appropriate weight to all pertinent factors, and minutes describing the factors considered and the basis for the decision to use company assets for distribution must be made and preserved in accordance with paragraph (f) of this section;

NOTE: For a discussion of factors which may be relevant to a decision to use company assets for distribution, see Investment Company Act Releases Nos. 10862, September 7, 1979, and 11414, October 28, 1980.

(f) A registered open-end management investment company must preserve copies of any plan, agreement or report made pursuant to this section for a period of not less than six years from the date of such plan, agreement or report, the first two years in an easily accessible place;

(g) If a plan covers more than one series or class of shares, the provisions of the plan must be severable for each series or class, and whenever this rule provides for any action to be taken with respect to a plan, that action must be taken separately for each series or class affected by the matter. Nothing in this paragraph (g) shall affect the rights of any purchase class under § 270.18f-3(f)(2)(iii).

§ 270.12d1-4 Exemptions for investments in certain investment companies.

(a) *Exemptions for acquisition and sale of acquired fund shares.* If the conditions of paragraph (b) of this section are satisfied, notwithstanding sections 12(d)(1)(A), 12(d)(1)(B), 12(d)(1)(C), 17(a), 57(a)(1)-(2), and 57(d)(1)-(2) of the Act (15 U.S.C. 80a-12(d)(1)(A), 80a-12(d)(1)(C), 80a-17(a), 80a-56(a)(1)-(2), and 80a-56(d)(1)-(2)):

(1) A registered investment company (other than a face-amount certificate company) or business development company (an *acquiring fund*) may purchase or otherwise acquire the securities issued by another registered investment company (other than a face-

amount certificate company) or business development company (an *acquired fund*);

(2) An acquired fund, any principal underwriter thereof, and any broker or dealer registered under the Securities Exchange Act of 1934 may sell or otherwise dispose of the securities issued by the acquired fund to any acquiring fund and any acquired fund may redeem or repurchase any securities issued by the acquired fund from any acquiring fund; and

(3) An acquiring fund that is an affiliated person of an exchange-traded fund (or who is an affiliated person of such a fund) solely by reason of the circumstances described in § 270.6c-11(b)(3)(i) and (ii), may deposit and receive the exchange-traded fund's baskets, provided that the acquired exchange-traded fund is not otherwise an affiliated person (or affiliated person of an affiliated person) of the acquiring fund.

(b) *Conditions*—(1) *Control*. (i) The acquiring fund and its advisory group will not control (individually or in the aggregate) an acquired fund;

(ii) If the acquiring fund and its advisory group, in the aggregate,

(A) Hold more than 25% of the outstanding voting securities of an acquired fund that is a registered open-end management investment company or registered unit investment trust as a result of a decrease in the outstanding voting securities of the acquired fund, or

(B) Hold more than 10% of the outstanding voting securities of an acquired fund that is a registered closed-end management investment company or business development company, each of those holders will vote its securities in the same proportion as the vote of all other holders of such securities; provided, however, that in circumstances where all holders of the outstanding voting securities of the acquired fund are required by this section or otherwise under section 12(d)(1) to vote securities of the acquired fund in the same proportion as the vote of all other holders of such securities, the acquiring fund will seek instructions from its security holders with regard to the voting of all proxies with respect to such acquired fund securities and

vote such proxies only in accordance with such instructions; and

(iii) The conditions in paragraphs (b)(1)(i) through (ii) of this section do not apply if:

(A) The acquiring fund is in the same group of investment companies as an acquired fund; or

(B) The acquiring fund's investment sub-adviser or any person controlling, controlled by, or under common control with such investment sub-adviser acts as an acquired fund's investment adviser or depositor.

(2) *Findings and agreements*. (i) Management companies.

(A) If the acquiring fund is a management company, prior to the initial acquisition of an acquired fund in excess of the limits in section 12(d)(1)(A)(i) of the Act (15 U.S.C. 80a-12(d)(1)(A)(i)), the acquiring fund's investment adviser must evaluate the complexity of the structure and fees and expenses associated with the acquiring fund's investment in the acquired fund, and find that the acquiring fund's fees and expenses do not duplicate the fees and expenses of the acquired fund;

(B) If the acquired fund is a management company, prior to the initial acquisition of an acquired fund in excess of the limits in section 12(d)(1)(A)(i) of the Act (15 U.S.C. 80a-12(d)(1)(A)(i)), the acquired fund's investment adviser must find that any undue influence concerns associated with the acquiring fund's investment in the acquired fund are reasonably addressed and, as part of this finding, the investment adviser must consider at a minimum the following items:

(1) The scale of contemplated investments by the acquiring fund and any maximum investment limits;

(2) The anticipated timing of redemption requests by the acquiring fund;

(3) Whether and under what circumstances the acquiring fund will provide advance notification of investments and redemptions; and

(4) The circumstances under which the acquired fund may elect to satisfy redemption requests in kind rather than in cash and the terms of any such redemptions in kind; and

(C) The investment adviser to each acquiring or acquired management company must report its evaluation,

finding, and the basis for its evaluations or findings required by paragraphs (b)(2)(i)(A) or (B) of this section, as applicable, to the fund's board of directors, no later than the next regularly scheduled board of directors meeting.

(ii) Unit investment trusts. If the acquiring fund is a unit investment trust (*UIT*) and the date of initial deposit of portfolio securities into the UIT occurs after the effective date of this section, the UIT's principal underwriter or depositor must evaluate the complexity of the structure associated with the UIT's investment in acquired funds and, on or before such date of initial deposit, find that the UIT's fees and expenses do not duplicate the fees and expenses of the acquired funds that the UIT holds or will hold at the date of deposit.

(iii) Separate accounts funding variable insurance contracts. With respect to a separate account funding variable insurance contracts that invests in an acquiring fund, the acquiring fund must obtain a certification from the insurance company offering the separate account that the insurance company has determined that the fees and expenses borne by the separate account, acquiring fund, and acquired fund, in the aggregate, are consistent with the standard set forth in section 26(f)(2)(A) of the Act (15 U.S.C. 80a-26(f)(2)(A)).

(iv) Fund of funds investment agreement. Unless the acquiring fund's investment adviser acts as the acquired fund's investment adviser and such adviser is not acting as the sub-adviser to either fund, the acquiring fund must enter into an agreement with the acquired fund effective for the duration of the funds' reliance on this section, which must include the following:

(A) Any material terms regarding the acquiring fund's investment in the acquired fund necessary to make the finding required under paragraph (b)(2)(i) through (ii) of this section;

(B) A termination provision whereby either the acquiring fund or acquired fund may terminate the agreement subject to advance written notice no longer than 60 days; and

(C) A requirement that the acquired fund provide the acquiring fund with

information on the fees and expenses of the acquired fund reasonably requested by the acquiring fund.

(3) *Complex fund structures.* (i) No investment company may rely on section 12(d)(1)(G) of the Act (15 U.S.C. 80a-12(d)(1)(G)) or this section to purchase or otherwise acquire, in excess of the limits in section 12(d)(1)(A) of the Act (15 U.S.C. 80a-12(d)(1)(A)), the outstanding voting securities of an investment company (a *second-tier fund*) that relies on this section to acquire the securities of an acquired fund, unless the second-tier fund makes investments permitted by paragraph (b)(3)(ii) of this section; and

(ii) No acquired fund may purchase or otherwise acquire the securities of an investment company or private fund if immediately after such purchase or acquisition, the securities of investment companies and private funds owned by the acquired fund have an aggregate value in excess of 10 percent of the value of the total assets of the acquired fund; provided, however, that the 10 percent limitation of this paragraph shall not apply to investments by the acquired fund in:

(A) Reliance on section 12(d)(1)(E) of the Act (15 U.S.C. 80a-12(d)(1)(E));

(B) Reliance on § 270.12d1-1;

(D) Securities received as a dividend or as a result of a plan of reorganization of a company; or

(E) Securities of another investment company received pursuant to exemptive relief from the Commission to engage in interfund borrowing and lending transactions.

(c) *Recordkeeping.* The acquiring and acquired funds relying upon this section must maintain and preserve for a period of not less than five years, the first two years in an easily accessible place, as applicable:

(3) A written record of the finding required by paragraph (b)(2)(ii) of this section and the basis for such finding; and

(d) *Definitions.* For purposes of this section:

Advisory group means either:

(1) An acquiring fund's investment adviser or depositor, and any person controlling, controlled by, or under common control with such investment adviser or depositor; or

Any annual continuance of a contract approved in accordance with the provisions of paragraph (a)(1) or (a)(2) of § 270.15a-2 will constitute a renewal of such contract for the purposes of section 15(c) of the Act, and therefore such renewal must be approved by the disinterested directors within the times specified in the section for a continuance.

(d) *Reporting requirements of access persons*—(1) *Reports required.* Unless excepted by paragraph (d)(2) of this section, every Access Person of a Fund (other than a money market fund or a Fund that does not invest in Covered Securities) and every Access Person of an investment adviser of or principal underwriter for the Fund, must report to that Fund, investment adviser or principal underwriter:

(i) *Initial holdings reports.* No later than 10 days after the person becomes an Access Person (which information must be current as of a date no more than 45 days prior to the date the person becomes an Access Person):

(A) The title, number of shares and principal amount of each Covered Security in which the Access Person had any direct or indirect beneficial ownership when the person became an Access Person;

(B) The name of any broker, dealer or bank with whom the Access Person maintained an account in which any securities were held for the direct or indirect benefit of the Access Person as of the date the person became an Access Person; and

(C) The date that the report is submitted by the Access Person.

(ii) *Quarterly transaction reports.* No later than 30 days after the end of a calendar quarter, the following information:

(A) With respect to any transaction during the quarter in a Covered Security in which the Access Person had any direct or indirect beneficial ownership:

(1) The date of the transaction, the title, the interest rate and maturity date (if applicable), the number of shares and the principal amount of each Covered Security involved;

(2) The nature of the transaction (i.e., purchase, sale or any other type of acquisition or disposition);

(3) The price of the Covered Security at which the transaction was effected;

(4) The name of the broker, dealer or bank with or through which the transaction was effected; and

(5) The date that the report is submitted by the Access Person.

(B) With respect to any account established by the Access Person in which any securities were held during

the quarter for the direct or indirect benefit of the Access Person:

(1) The name of the broker, dealer or bank with whom the Access Person established the account;

(2) The date the account was established; and

(3) The date that the report is submitted by the Access Person.

(iii) *Annual Holdings Reports.* Annually, the following information (which information must be current as of a date no more than 45 days before the report is submitted):

(A) The title, number of shares and principal amount of each Covered Security in which the Access Person had any direct or indirect beneficial ownership;

(B) The name of any broker, dealer or bank with whom the Access Person maintains an account in which any securities are held for the direct or indirect benefit of the Access Person; and

(C) The date that the report is submitted by the Access Person.

(2) *Exceptions from reporting requirements.* (i) A person need not make a report under paragraph (d)(1) of this section with respect to transactions effected for, and Covered Securities held in, any account over which the person has no direct or indirect influence or control.

(ii) A director of a Fund who is not an “interested person” of the Fund within the meaning of section 2(a)(19) of the Act [15 U.S.C. 80a-2(a)(19)], and who would be required to make a report solely by reason of being a Fund director, need not make:

(A) An initial holdings report under paragraph (d)(1)(i) of this section and an annual holdings report under paragraph (d)(1)(iii) of this section; and

(B) A quarterly transaction report under paragraph (d)(1)(ii) of this section, unless the director knew or, in the ordinary course of fulfilling his or her official duties as a Fund director, should have known that during the 15-day period immediately before or after the director’s transaction in a Covered Security, the Fund purchased or sold the Covered Security, or the Fund or its investment adviser considered purchasing or selling the Covered Security.

(iii) An Access Person to a Fund's principal underwriter need not make a report to the principal underwriter under paragraph (d)(1) of this section if:

(A) The principal underwriter is not an affiliated person of the Fund (unless the Fund is a unit investment trust) or any investment adviser of the Fund; and

(B) The principal underwriter has no officer, director or general partner who serves as an officer, director or general partner of the Fund or of any investment adviser of the Fund.

(iv) An Access Person to an investment adviser need not make a separate report to the investment adviser under paragraph (d)(1) of this section to the extent the information in the report would duplicate information required to be recorded under § 275.204-2(a)(13) of this chapter.

(v) An Access Person need not make a quarterly transaction report under paragraph (d)(1)(ii) of this section if the report would duplicate information contained in broker trade confirmations or account statements received by the Fund, investment adviser or principal underwriter with respect to the Access Person in the time period required by paragraph (d)(1)(ii), if all of the information required by that paragraph is contained in the broker trade confirmations or account statements, or in the records of the Fund, investment adviser or principal underwriter.

(vi) An Access Person need not make a quarterly transaction report under paragraph (d)(1)(ii) of this section with respect to transactions effected pursuant to an Automatic Investment Plan.

(3) *Review of reports.* Each Fund, investment adviser and principal underwriter to which reports are required to be made by paragraph (d)(1) of this section must institute procedures by which appropriate management or compliance personnel review these reports.

(4) *Notification of reporting obligation.* Each Fund, investment adviser and principal underwriter to which reports are required to be made by paragraph (d)(1) of this section must identify all Access Persons who are required to make these reports and must inform

those Access Persons of their reporting obligation.

(5) *Beneficial ownership.* For purposes of this section, beneficial ownership is interpreted in the same manner as it would be under § 240.16a-1(a)(2) of this chapter in determining whether a person is the beneficial owner of a security for purposes of section 16 of the Securities Exchange Act of 1934 [15 U.S.C. 78p] and the rules and regulations thereunder. Any report required by paragraph (d) of this section may contain a statement that the report will not be construed as an admission that the person making the report has any direct or indirect beneficial ownership in the Covered Security to which the report relates.

(e) *Pre-approval of investments in IPOs and limited offerings.* Investment Personnel of a Fund or its investment adviser must obtain approval from the Fund or the Fund's investment adviser before directly or indirectly acquiring beneficial ownership in any securities in an Initial Public Offering or in a Limited Offering.

(f) *Recordkeeping Requirements.* (1) Each Fund, investment adviser and principal underwriter that is required to adopt a code of ethics or to which reports are required to be made by Access Persons must, at its principal place of business, maintain records in the manner and to the extent set out in this paragraph (f), and must make these records available to the Commission or any representative of the Commission at any time and from time to time for reasonable periodic, special or other examination:

(A) A copy of each code of ethics for the organization that is in effect, or at any time within the past five years was in effect, must be maintained in an easily accessible place;

(B) A record of any violation of the code of ethics, and of any action taken as a result of the violation, must be maintained in an easily accessible place for at least five years after the end of the fiscal year in which the violation occurs;

(C) A copy of each report made by an Access Person as required by this section, including any information provided in lieu of the reports under paragraph (d)(2)(v) of this section, must be

Securities and Exchange Commission

§ 270.18f-1

maintained for at least five years after the end of the fiscal year in which the report is made or the information is provided, the first two years in an easily accessible place;

(D) A record of all persons, currently or within the past five years, who are or were required to make reports under paragraph (d) of this section, or who are or were responsible for reviewing these reports, must be maintained in an easily accessible place; and

(E) A copy of each report required by paragraph (c)(2)(ii) of this section must be maintained for at least five years after the end of the fiscal year in which it is made, the first two years in an easily accessible place.

(2) A Fund or investment adviser must maintain a record of any decision, and the reasons supporting the decision, to approve the acquisition by investment personnel of securities under paragraph (e), for at least five years after the end of the fiscal year in which the approval is granted.

(b) For the purposes of paragraph (a) of this §270.18f-2, a class or series of stock will be deemed to be affected by such a matter, unless (1) the interests of each class or series in the matter are substantially identical, or (2) the matter does not affect any interest of such class or series.

(c)(1) With respect to the submission of an investment advisory contract to the holders of the outstanding voting securities of a series company for the approval required by section 15(a) of the Act, such matter shall be deemed to be effectively acted upon with respect to any class or series of securities of such company if a majority of the outstanding voting securities of such class or series vote for the approval of such matter, notwithstanding (i) that such matter has not been approved by the holders of a majority of the outstanding voting securities of any other class or series affected by such matter, and (ii) that such matter has not been approved by the vote of a majority of the outstanding voting securities of such company, provided that if such a majority is required by State law or otherwise, such requirement shall apply.

(2) If any class or series of securities of a series company fails to approve an investment advisory contract in the manner required by paragraph (c)(1) of this section, the investment adviser of such company may continue to serve or act in such capacity for the period of time pending such required approval of such contract, of a new contract with the same or different adviser, or other definitive action: *Provided*, That the compensation received by such investment adviser during such period is equal to no more than its actual costs incurred in furnishing investment advisory services to such class or series or the amount it would have received under the advisory contract, whichever is less.

§ 270.18f-3 Multiple class companies.

Notwithstanding sections 18(f)(1) and 18(i) of the Act (15 U.S.C. 80a-18(f)(1) and (i), respectively), a registered open-end management investment company or series or class thereof established in accordance with section 18(f)(2) of the Act (15 U.S.C. 80a-18(f)(2)) whose shares are registered on Form N-1A [§§ 239.15A and 274.11A of this chapter] (“company”) may issue more than one class of voting stock, *provided* that:

(a) Each class:

(1)(i) Shall have a different arrangement for shareholder services or the distribution of securities or both, and shall pay all of the expenses of that arrangement;

(ii) May pay a different share of other expenses, not including advisory or custodial fees or other expenses related to the management of the company’s assets, if these expenses are actually incurred in a different amount by that class, or if the class receives services of a different kind or to a different degree than other classes; and

(iii) May pay a different advisory fee to the extent that any difference in amount paid is the result of the application of the same performance fee provisions in the advisory contract of the company to the different investment performance of each class;

(2) Shall have exclusive voting rights on any matter submitted to shareholders that relates solely to its arrangement;

(3) Shall have separate voting rights on any matter submitted to shareholders in which the interests of one class differ from the interests of any other class; and

(4) Shall have in all other respects the same rights and obligations as each other class.

(b) Expenses may be waived or reimbursed by the company's adviser, underwriter, or any other provider of services to the company.

(c)(1) Income, realized gains and losses, unrealized appreciation and depreciation, and Fundwide Expenses shall be allocated based on one of the following methods (which method shall be applied on a consistent basis):

(i) To each class based on the net assets of that class in relation to the net assets of the company ("relative net assets");

(ii) To each class based on the Simultaneous Equations Method;

(iii) To each class based on the Settled Shares Method, *provided that* the company is a Daily Dividend Fund (such a company may allocate income and Fundwide Expenses based on the Settled Shares Method and realized gains and losses and unrealized appreciation and depreciation based on relative net assets);

(iv) To each share without regard to class, *provided that* the company is a Daily Dividend Fund that maintains the same net asset value per share in each class; that the company has received undertakings from its adviser, underwriter, or any other provider of services to the company, agreeing to waive or reimburse the company for payments to such service provider by one or more classes, as allocated under paragraph (a)(1) of this section, to the extent necessary to assure that all classes of the company maintain the same net asset value per share; and that payments waived or reimbursed under such an undertaking may not be carried forward or recouped at a future date; or

(v) To each class based on any other appropriate method, *provided that* a majority of the directors of the company, and a majority of the directors who are not interested persons of the company, determine that the method is fair to the shareholders of each class and that the annualized rate of return of each class will generally differ from that of the other classes only by the expense differentials among the classes.

(2) For purposes of this section:

(i) *Daily Dividend Fund* means any company that has a policy of declaring distributions of net income daily, including any money market fund that operates in compliance with § 270.2a-7;

(ii) *Fundwide Expenses* means expenses of the company not allocated to a particular class under paragraph (a)(1) of this section;

(iii) The *Settled Shares Method* means allocating to each class based on relative net assets, excluding the value of subscriptions receivable; and

(iv) The *Simultaneous Equations Method* means the simultaneous allocation to each class of each day's income, realized gains and losses, unrealized appreciation and depreciation, and Fundwide Expenses and reallocation to each class of undistributed net investment income, undistributed realized gains or losses, and unrealized appreciation or depreciation, based on the operating results of the company, changes in ownership interests of each class, and expense differentials between the classes, so that the annualized rate of return of each class generally differs from that of the other classes only by the expense differentials among the classes.

(d) Any payments made under paragraph (a) of this section shall be made pursuant to a written plan setting forth the separate arrangement and expense allocation of each class, and any related conversion features or exchange privileges. Before the first issuance of a share of any class in reliance upon this section, and before any material amendment of a plan, a majority of the directors of the company, and a majority of the directors who are not interested persons of the company, shall find that the plan as proposed to be adopted or amended, including the expense allocation, is in the best interests of each class individually and the company as a whole; initial board approval of a plan under this paragraph (d) is not required, however, if the plan does not make any change in the arrangements and expense allocations previously approved by the board under an existing order of exemption. Before any vote on the plan, the directors shall request and evaluate, and any

Securities and Exchange Commission

§ 270.18f-4

agreement relating to a class arrangement shall require the parties thereto to furnish, such information as may be reasonably necessary to evaluate the plan.

(e) The board of directors of the investment company satisfies the fund governance standards defined in § 270.0-1(a)(7).

(f) Nothing in this section prohibits a company from offering any class with:

(1) An exchange privilege providing that securities of the class may be exchanged for certain securities of another company; or

(2) A conversion feature providing that shares of one class of the company (the “purchase class”) will be exchanged automatically for shares of another class of the company (the “target class”) after a specified period of time, *provided that*:

(i) The conversion is effected on the basis of the relative net asset values of the two classes without the imposition of any sales load, fee, or other charge;

(ii) The expenses, including payments authorized under a plan adopted pursuant to § 270.12b-1 (“rule 12b-1 plan”), for the target class are not higher than the expenses, including payments authorized under a rule 12b-1 plan, for the purchase class; and

(iii) If the shareholders of the target class approve any increase in expenses allocated to the target class under paragraphs (a)(1)(i) and (a)(1)(ii) of this section, and the purchase class shareholders do not approve the increase, the company will establish a new target class for the purchase class on the same terms as applied to the target class before that increase.

(3) A conversion feature providing that shares of a class in which an investor is no longer eligible to participate may be converted to shares of a class in which that investor is eligible to participate, *provided that*:

(i) The investor is given prior notice of the proposed conversion; and

(ii) The conversion is effected on the basis of the relative net asset values of the two classes without the imposition of any sales load, fee, or other charge.

§ 270.18f-4 Exemption from the requirements of section 18 and section 61 for certain senior securities transactions.

(a) *Definitions.* For purposes of this section:

Absolute VaR test means that the VaR of the fund’s portfolio does not exceed 20% of the value of the fund’s net assets, or in the case of a closed-end company that has issued to investors and has then outstanding shares of a class of senior security that is a stock, that the VaR of the fund’s portfolio does not exceed 25% of the value of the fund’s net assets.

Derivatives exposure means the sum of the gross notional amounts of the fund’s derivatives transactions described in paragraph (1) of the definition of the term “derivatives transaction” of this section, and in the case of short sale borrowings, the value of the assets sold short. If a fund’s derivatives transactions include reverse repurchase agreements or similar financing transactions under paragraph (d)(1)(ii) of this section, the fund’s derivatives exposure also includes, for each transaction, the proceeds received but not yet repaid or returned, or for which the associated liability has not been extinguished, in connection with the transaction. In determining derivatives exposure a fund may convert the notional amount of interest rate derivatives to 10-year bond equivalents and delta adjust the notional amounts of options contracts and exclude any closed-out positions, if those positions were closed out with the same counterparty and result in no credit or market exposure to the fund.

Derivatives risk manager means an officer or officers of the fund’s investment adviser responsible for administering the program and policies and procedures required by paragraph (c)(1) of this section, provided that the derivatives risk manager:

(1) May not be a portfolio manager of the fund, or if multiple officers serve as derivatives risk manager, may not have a majority composed of portfolio managers of the fund; and

(2) Must have relevant experience regarding the management of derivatives risk.

Derivatives risks means the risks associated with a fund's derivatives transactions or its use of derivatives transactions, including leverage, market, counterparty, liquidity, operational, and legal risks and any other risks the derivatives risk manager (or, in the case of a fund that is a limited derivatives user as described in paragraph (c)(4) of this section, the fund's investment adviser) deems material.

Derivatives transaction means:

(1) Any swap, security-based swap, futures contract, forward contract, option, any combination of the foregoing, or any similar instrument ("derivatives instrument"), under which a fund is or may be required to make any payment or delivery of cash or other assets during the life of the instrument or at maturity or early termination, whether as margin or settlement payment or otherwise;

(2) Any short sale borrowing; and

(3) If a fund relies on paragraph (d)(1)(ii) of this section, any reverse repurchase agreement or similar financing transaction.

Designated index means an unleveraged index that is approved by the derivatives risk manager for purposes of the relative VaR test and that reflects the markets or asset classes in which the fund invests and is not administered by an organization that is an affiliated person of the fund, its investment adviser, or principal underwriter, or created at the request of the fund or its investment adviser, unless the index is widely recognized and used. In the case of a blended index, none of the indexes that compose the blended index may be administered by an organization that is an affiliated person of the fund, its investment adviser, or principal underwriter, or created at the request of the fund or its investment adviser, unless the index is widely recognized and used.

Designated reference portfolio means a designated index or the fund's securities portfolio. Notwithstanding paragraph (2) of the definition of *designated index* of this section, if the fund's investment objective is to track the performance (including a leverage multiple or inverse multiple) of an unleveraged index, the fund must use

that index as its designated reference portfolio.

Fund means a registered open-end or closed-end company or a business development company, including any separate series thereof, but does not include a registered open-end company that is regulated as a money market fund under § 270.2a-7.

Leveraged/inverse fund means a fund that seeks, directly or indirectly, to provide investment returns that correspond to the performance of a market index by a specified multiple ("leverage multiple"), or to provide investment returns that have an inverse relationship to the performance of a market index ("inverse multiple"), over a predetermined period of time.

Relative VaR test means that the VaR of the fund's portfolio does not exceed 200% of the VaR of the designated reference portfolio, or in the case of a closed-end company that has issued to investors and has then outstanding shares of a class of senior security that is a stock, that the VaR of the fund's portfolio does not exceed 250% of the VaR of the designated reference portfolio.

Securities portfolio means the fund's portfolio of securities and other investments, excluding any derivatives transactions, that is approved by the derivatives risk manager for purposes of the relative VaR test, provided that the fund's securities portfolio reflects the markets or asset classes in which the fund invests (*i.e.*, the markets or asset classes in which the fund invests directly through securities and other investments and indirectly through derivatives transactions).

Unfunded commitment agreement means a contract that is not a derivatives transaction, under which a fund commits, conditionally or unconditionally, to make a loan to a company or to invest equity in a company in the future, including by making a capital commitment to a private fund that can be drawn at the discretion of the fund's general partner.

Value-at-risk or *VaR* means an estimate of potential losses on an instrument or portfolio, expressed as a percentage of the value of the portfolio's assets (or net assets when computing a

fund's VaR), over a specified time horizon and at a given confidence level, provided that any VaR model used by a fund for purposes of determining the fund's compliance with the relative VaR test or the absolute VaR test must:

(1) Take into account and incorporate all significant, identifiable market risk factors associated with a fund's investments, including, as applicable:

(i) Equity price risk, interest rate risk, credit spread risk, foreign currency risk and commodity price risk;

(ii) Material risks arising from the nonlinear price characteristics of a fund's investments, including options and positions with embedded optionality; and

(iii) The sensitivity of the market value of the fund's investments to changes in volatility;

(2) Use a 99% confidence level and a time horizon of 20 trading days; and

(3) Be based on at least three years of historical market data.

(b) *Derivatives transactions.* If a fund satisfies the conditions of paragraph (c) of this section, the fund may enter into derivatives transactions, notwithstanding the requirements of sections 18(a)(1), 18(c), 18(f)(1), and 61 of the Investment Company Act (15 U.S.C. 80a-18(a)(1), 80a-18(c), 80a-18(f)(1), and 80a-60), and derivatives transactions entered into by the fund in compliance with this section will not be considered for purposes of computing asset coverage, as defined in section 18(h) of the Investment Company Act (15 U.S.C. 80a-18(h)).

(c) *Conditions—(1) Derivatives risk management program.* The fund adopts and implements a written derivatives risk management program ("program"), which must include policies and procedures that are reasonably designed to manage the fund's derivatives risks and to reasonably segregate the functions associated with the program from the portfolio management of the fund. The program must include the following elements:

(i) *Risk identification and assessment.* The program must provide for the identification and assessment of the fund's derivatives risks. This assessment must take into account the fund's de-

rivatives transactions and other investments.

(ii) *Risk guidelines.* The program must provide for the establishment, maintenance, and enforcement of investment, risk management, or related guidelines that provide for quantitative or otherwise measurable criteria, metrics, or thresholds of the fund's derivatives risks. These guidelines must specify levels of the given criterion, metric, or threshold that the fund does not normally expect to exceed, and measures to be taken if they are exceeded.

(iii) *Stress testing.* The program must provide for stress testing to evaluate potential losses to the fund's portfolio in response to extreme but plausible market changes or changes in market risk factors that would have a significant adverse effect on the fund's portfolio, taking into account correlations of market risk factors and resulting payments to derivatives counterparties. The frequency with which the stress testing under this paragraph is conducted must take into account the fund's strategy and investments and current market conditions, provided that these stress tests must be conducted no less frequently than weekly.

(iv) *Backtesting.* The program must provide for backtesting to be conducted no less frequently than weekly, of the results of the VaR calculation model used by the fund in connection with the relative VaR test or the absolute VaR test by comparing the fund's gain or loss that occurred on each business day during the backtesting period with the corresponding VaR calculation for that day, estimated over a one-trading day time horizon, and identifying as an exception any instance in which the fund experiences a loss exceeding the corresponding VaR calculation's estimated loss.

(v) *Internal reporting and escalation—(A) Internal reporting.* The program must identify the circumstances under which persons responsible for portfolio management will be informed regarding the operation of the program, including exceedances of the guidelines specified in paragraph (c)(1)(ii) of this section and the results of the stress tests specified in paragraph (c)(1)(iii) of this section.

(B) *Escalation of material risks.* The derivatives risk manager must inform in a timely manner persons responsible for portfolio management of the fund, and also directly inform the fund's board of directors as appropriate, of material risks arising from the fund's derivatives transactions, including risks identified by the fund's exceedance of a criterion, metric, or threshold provided for in the fund's risk guidelines established under paragraph (c)(1)(ii) of this section or by the stress testing described in paragraph (c)(1)(iii) of this section.

(vi) *Periodic review of the program.* The derivatives risk manager must review the program at least annually to evaluate the program's effectiveness and to reflect changes in risk over time. The periodic review must include a review of the VaR calculation model used by the fund under paragraph (c)(2) of this section (including the backtesting required by paragraph (c)(1)(iv) of this section) and any designated reference portfolio to evaluate whether it remains appropriate.

(2) *Limit on fund leverage risk.* (i) The fund must comply with the relative VaR test unless the derivatives risk manager reasonably determines that a designated reference portfolio would not provide an appropriate reference portfolio for purposes of the relative VaR test, taking into account the fund's investments, investment objectives, and strategy. A fund that does not apply the relative VaR test must comply with the absolute VaR test.

(ii) The fund must determine its compliance with the applicable VaR test at least once each business day. If the fund determines that it is not in compliance with the applicable VaR test, the fund must come back into compliance promptly after such determination, in a manner that is in the best interests of the fund and its shareholders.

(iii) If the fund is not in compliance with the applicable VaR test within five business days:

(A) The derivatives risk manager must provide a written report to the fund's board of directors and explain how and by when (*i.e.*, number of business days) the derivatives risk manager

reasonably expects that the fund will come back into compliance;

(B) The derivatives risk manager must analyze the circumstances that caused the fund to be out of compliance for more than five business days and update any program elements as appropriate to address those circumstances; and

(C) The derivatives risk manager must provide a written report within thirty calendar days of the exceedance to the fund's board of directors explaining how the fund came back into compliance and the results of the analysis and updates required under paragraph (c)(2)(iii)(B) of this section. If the fund remains out of compliance with the applicable VaR test at that time, the derivatives risk manager's written report must update the report previously provided under paragraph (c)(2)(iii)(A) of this section and the derivatives risk manager must update the board of directors on the fund's progress in coming back into compliance at regularly scheduled intervals at a frequency determined by the board.

(3) *Board oversight and reporting—(i) Approval of the derivatives risk manager.* A fund's board of directors, including a majority of directors who are not interested persons of the fund, must approve the designation of the derivatives risk manager.

(ii) *Reporting on program implementation and effectiveness.* On or before the implementation of the program, and at least annually thereafter, the derivatives risk manager must provide to the board of directors a written report providing a representation that the program is reasonably designed to manage the fund's derivatives risks and to incorporate the elements provided in paragraphs (c)(1)(i) through (vi) of this section. The representation may be based on the derivatives risk manager's reasonable belief after due inquiry. The written report must include the basis for the representation along with such information as may be reasonably necessary to evaluate the adequacy of the fund's program and, for reports following the program's initial implementation, the effectiveness of its implementation. The written report also

must include, as applicable, the derivatives risk manager's basis for the approval of any designated reference portfolio or any change in the designated reference portfolio during the period covered by the report; or an explanation of the basis for the derivatives risk manager's determination that a designated reference portfolio would not provide an appropriate reference portfolio for purposes of the relative VaR test.

(iii) *Regular board reporting.* The derivatives risk manager must provide to the board of directors, at a frequency determined by the board, a written report regarding the derivatives risk manager's analysis of exceedances described in paragraph (c)(1)(ii) of this section, the results of the stress testing conducted under paragraph (c)(1)(iii) of this section, and the results of the backtesting conducted under paragraph (c)(1)(iv) of this section since the last report to the board. Each report under this paragraph must include such information as may be reasonably necessary for the board of directors to evaluate the fund's response to exceedances and the results of the fund's stress testing.

(4) *Limited derivatives users.* (i) A fund is not required to adopt a program as prescribed in paragraph (c)(1) of this section, comply with the limit on fund leverage risk in paragraph (c)(2) of this section, or comply with the board oversight and reporting requirements as prescribed in paragraph (c)(3) of this section, if:

(A) The fund adopts and implements written policies and procedures reasonably designed to manage the fund's derivatives risk; and

(B) The fund's derivatives exposure does not exceed 10 percent of the fund's net assets, excluding, for this purpose, currency or interest rate derivatives that hedge currency or interest rate risks associated with one or more specific equity or fixed-income investments held by the fund (which must be foreign-currency-denominated in the case of currency derivatives), or the fund's borrowings, provided that the currency or interest rate derivatives are entered into and maintained by the fund for hedging purposes and that the notional amounts of such derivatives

do not exceed the value of the hedged investments (or the par value thereof, in the case of fixed-income investments, or the principal amount, in the case of borrowing) by more than 10 percent.

(ii) If a fund's derivatives exposure exceeds 10 percent of its net assets, as calculated in accordance with paragraph (c)(4)(i)(B) of this section, and the fund is not in compliance with that paragraph within five business days, the fund's investment adviser must provide a written report to the fund's board of directors informing them whether the investment adviser intends either:

(A) To reduce the fund's derivatives exposure to less than 10 percent of the fund's net assets promptly, but within no more than thirty calendar days of the exceedance, in a manner that is in the best interests of the fund and its shareholders; or

(B) For the fund to establish a program as prescribed in paragraph (c)(1) of this section, comply with the limit on fund leverage risk in paragraph (c)(2) of this section, and comply with the board oversight and reporting requirements as prescribed in paragraph (c)(3) of this section, as soon as reasonably practicable.

(5) *Leveraged/inverse funds.* A leveraged/inverse fund that cannot comply with the limit on fund leverage risk in paragraph (c) of this section is not required to comply with the limit on fund leverage risk if, in addition to complying with all other applicable requirements of this section:

(i) As of October 28, 2020, the fund is in operation; has outstanding shares issued in one or more public offerings to investors; and discloses in its prospectus a leverage multiple or inverse multiple that exceeds 200% of the performance or the inverse of the performance of the underlying index;

(ii) The fund does not change the underlying market index or increase the level of leveraged or inverse market exposure the fund seeks, directly or indirectly, to provide; and

(iii) The fund discloses in its prospectus that it is not subject to the limit on fund leverage risk in paragraph (c)(2) of this section.

(6) *Recordkeeping*—(i) *Records to be maintained.* A fund must maintain a written record documenting, as applicable:

(A) The fund's written policies and procedures required by paragraph (c)(1) of this section, along with:

(1) The results of the fund's stress tests under paragraph (c)(1)(iii) of this section;

(2) The results of the backtesting conducted under paragraph (c)(1)(iv) of this section;

(3) Records documenting any internal reporting or escalation of material risks under paragraph (c)(1)(v)(B) of this section; and

(4) Records documenting the reviews conducted under paragraph (c)(1)(vi) of this section.

(B) Copies of any materials provided to the board of directors in connection with its approval of the designation of the derivatives risk manager, any written reports provided to the board of directors relating to the program, and any written reports provided to the board of directors under paragraphs (c)(2)(iii)(A) and (C) of this section.

(C) Any determination and/or action the fund made under paragraphs (c)(2)(i) and (ii) of this section, including a fund's determination of: The VaR of its portfolio; the VaR of the fund's designated reference portfolio, as applicable; the fund's VaR ratio (the value of the VaR of the fund's portfolio divided by the VaR of the designated reference portfolio), as applicable; and any updates to any VaR calculation models used by the fund and the basis for any material changes thereto.

(D) If applicable, the fund's written policies and procedures required by paragraph (c)(4) of this section, along with copies of any written reports provided to the board of directors under paragraph (c)(4)(ii) of this section.

(ii) *Retention periods.* (A) A fund must maintain a copy of the written policies and procedures that the fund adopted under paragraph (c)(1) or (4) of this section that are in effect, or at any time within the past five years were in effect, in an easily accessible place.

(B) A fund must maintain all records and materials that paragraphs (c)(6)(i)(A)(I) through (4) and (c)(6)(i)(B) through (D) of this section describe for

a period of not less than five years (the first two years in an easily accessible place) following each determination, action, or review that these paragraphs describe.

(7) *Current reports.* A fund that experiences an event specified in the parts of Form N-RN [referenced in 17 CFR 274.223] titled "Relative VaR Test Breaches," "Absolute VaR Test Breaches," or "Compliance with VaR Test" must file with the Commission a report on Form N-RN within the period and according to the instructions specified in that form.

(d) *Reverse repurchase agreements.* (1) A fund may enter into reverse repurchase agreements or similar financing transactions, notwithstanding the requirements of sections 18(c) and 18(f)(1) of the Investment Company Act, if the fund:

(i) Complies with the asset coverage requirements of section 18, and combines the aggregate amount of indebtedness associated with all reverse repurchase agreements or similar financing transactions with the aggregate amount of any other senior securities representing indebtedness when calculating the asset coverage ratio; or

(ii) Treats all reverse repurchase agreements or similar financing transactions as derivatives transactions for all purposes under this section.

(2) A fund relying on paragraph (d) of this section must maintain a written record documenting whether the fund is relying on paragraph (d)(1)(i) or (ii) of this section for a period of not less than five years (the first two years in an easily accessible place) following the determination.

(e) *Unfunded commitment agreements.*

(1) A fund may enter into an unfunded commitment agreement, notwithstanding the requirements of sections 18(a), 18(c), 18(f)(1), and 61 of the Investment Company Act, if the fund reasonably believes, at the time it enters into such agreement, that it will have sufficient cash and cash equivalents to meet its obligations with respect to all of its unfunded commitment agreements, in each case as they come due. In forming a reasonable belief, the fund must take into account its reasonable expectations with respect to other obligations (including any obligation with

respect to senior securities or redemptions), and may not take into account cash that may become available from the sale or disposition of any investment at a price that deviates significantly from the market value of those investments, or from issuing additional equity. Unfunded commitment agreements entered into by the fund in compliance with this section will not be considered for purposes of computing asset coverage, as defined in section 18(h) of the Investment Company Act (15 U.S.C. 80a-18(h)).

(2) For each unfunded commitment agreement that a fund enters into under paragraph (e)(1) of this section, a fund must document the basis for its reasonable belief regarding the sufficiency of its cash and cash equivalents to meet its unfunded commitment agreement obligations, and maintain a record of this documentation for a period of not less than five years (the first two years in an easily accessible place) following the date that the fund entered into the agreement.

(f) *When issued, forward-settling, and non-standard settlement cycle securities transactions.* Notwithstanding the requirements of sections 18(a)(1), 18(c), 18(f)(1), and 61 of the Investment Company Act (15 U.S.C. 80a-18(a)(1), 80a-18(c), 80a-18(f)(1), and 80a-60), a fund or registered open-end company that is regulated as a money market fund under § 270.2a-7 may invest in a security on a when-issued or forward-settling basis, or with a non-standard settlement cycle, and the transaction will be deemed not to involve a senior security, provided that: The fund intends to physically settle the transaction; and the transaction will settle within 35 days of its trade date.

[85 FR 83291, Dec. 21, 2020]

§ 270.19a-1 Written statement to accompany dividend payments by management companies.

(a) Every written statement made pursuant to section 19 by or on behalf of a management company shall be made on a separate paper and shall clearly indicate what portion of the payment per share is made from the following sources:

(1) Net income for the current or preceding fiscal year, or accumulated un-

distributed net income, or both, not including in either case profits or losses from the sale of securities or other properties.

(2) Accumulated undistributed net profits from the sale of securities or other properties (except that an open-end company may treat as a separate source its net profits from such sales during its current fiscal year).

(3) Paid-in surplus or other capital source.

To the extent that a payment is properly designated as being made from a source specified in paragraph (a) (1) or (2) of this section, it need not be designated as having been made from a source specified in this paragraph.

(b) If the payment is made in whole or in part from a source specified in paragraph (a)(2) of this section the written statement shall indicate, after giving effect to the part of such payment so specified, the deficit, if any, in the aggregate of (1) accumulated undistributed realized profits less losses on the sale of securities or other properties and (2) the net unrealized appreciation or depreciation of portfolio securities, all as of a date reasonably close to the end of the period as of which the dividend is paid. Any statement made pursuant to the preceding sentence shall specify the amount, if any, of such deficit which represents unrealized depreciation of portfolio securities.

(c) Accumulated undistributed net income and accumulated undistributed net profits from the sale of securities or other properties shall be determined, at the option of the company, either (1) from the date of the organization of the company, (2) from the date of a reorganization, as defined in clause (A) or (B) of section 2(a)(33) of the Act (54 Stat. 790; 15 U.S.C. 80a-2(a)(33)), (3) from the date as of which a write-down of portfolio securities was made in connection with a corporate readjustment, approved by stockholders, of the type known as "quasi-reorganization," or (4) from January 1, 1925, to the close of the period as of which the dividend is paid, without giving effect to such payment.

(d) For the purpose of this section, open-end companies which upon the

§ 270.19b-1

sale of their shares allocate to undistributed income or other similar account that portion of the consideration received which represents the approximate per share amount of undistributed net income included in the sales price, and make a corresponding deduction from undistributed net income upon the purchase or redemption of shares, need not treat the amounts so allocated as paid-in surplus or other capital source.

(e) For the purpose of this section, the source or sources from which a dividend is paid shall be determined (or reasonably estimated) to the close of the period as of which it is paid without giving effect to such payment. If any such estimate is subsequently ascertained to be inaccurate in a significant amount, a correction thereof shall be made by a written statement pursuant to section 19(a) of the Act or in the first report to stockholders following discovery of the inaccuracy.

(f) Insofar as a written statement made pursuant to section 19(a) of the Act relates to a dividend on preferred stock paid for a period of less than a year, a company may elect to indicate only that portion of the payment which is made from sources specified in paragraph (a)(1) of this section, and need not specify the sources from which the remainder was paid. Every company which in any fiscal year elects to make a statement pursuant to the preceding sentence shall transmit to the holders of such preferred stock, at a date reasonably near the end of the last dividend period in such fiscal year, a statement meeting the requirements of paragraph (a) of this section on an annual basis.

(g) The purpose of this section, in the light of which it shall be construed, is to afford security holders adequate disclosure of the sources from which dividend payments are made. Nothing in this section shall be construed to prohibit the inclusion in any written statement of additional information in explanation of the information required by this section. Nothing in this section shall be construed to permit a dividend payment in violation of any State law or to prevent compliance with any requirement of State law re-

17 CFR Ch. II (4-1-22 Edition)

garding dividends consistent with this rule.

§ 270.19b-1 Frequency of distribution of capital gains.

(a) No registered investment company which is a “regulated investment company” as defined in section 851 of the Internal Revenue Code of 1986 (“Code”) shall distribute more than one capital gain dividend (“distribution”), as defined in section 852(b)(3)(C) of the Code, with respect to any one taxable year of the company, other than a distribution otherwise permitted by this rule or made pursuant to section 855 of the Code which is supplemental to the prior distribution with respect to the same taxable year of the company and which does not exceed 10% of the aggregate amount distributed for such taxable year.

(b) No registered investment company which is not a “regulated investment company” as defined in section 851 of the Code shall make more than one distribution of long-term capital gains, as defined in the Code, in any one taxable year of the company: *Provided*, That a unit investment trust may distribute capital gain dividends received from a “regulated investment company” within a reasonable time after receipt.

(c) The provisions of this rule shall not apply to a unit investment trust (hereinafter referred to as the “Trust”) engaged exclusively in the business of investing in eligible trust securities (as defined in Rule 14a-3(b) (17 CFR 270.14a-3(b)) under this Act); *Provided*, That:

(1) The capital gain distribution is a result of—

(i) An issuer’s calling or redeeming an eligible trust security held by the Trust,

(ii) The sale of an eligible trust security by the Trust to provide funds for redemption of Trust units when the amount received by the Trust for such

Securities and Exchange Commission

§ 270.20a-1

sale exceeds the amount required to satisfy the redemption distribution,

(iii) The sale of an eligible trust security to maintain qualification of the Trust as a "regulated investment company" under section 851 of the Code,

(iv) Regular distributions of principal and prepayment of principal on eligible trust securities, or

(v) The sale of an eligible trust security in order to maintain the investment stability of the Trust; and

(2) Capital gains distributions are clearly described as such in a report to the unitholder which accompanies each such distribution.

(d) For purposes of paragraph (c) of this section, sales made to maintain the investment stability of the Trust means sales made to prevent deterioration of the value of the eligible trust securities held in the Trust portfolio when one or more of the following factors exist:

(1) A default in the payment of principal or interest on an eligible trust security;

(2) An action involving the issuer of an eligible trust security which adversely affects the ability of such issuer to continue payment of principal or interest on its eligible trust securities; or

(3) A change in market, revenue or credit factors which adversely affects the ability of such issuer to continue payment of principal or interest on its eligible trust securities.

(e) If a registered investment company because of unforeseen circumstances in a particular taxable year proposes to make a distribution which would be prohibited by the provisions of this section, it may file a request with the Commission for authorization to make such a distribution. Such request shall comply with the requirements of § 270.0-2 of this chapter and shall set forth the pertinent facts and explain the circumstances which the company believes justify such distribution. The request shall be deemed granted unless the Commission within 15 days after receipt thereof shall deny such request as not being necessary or appropriate in the public interest or for the protection of investors and notify the company in writing of such denial.

(f) A registered investment company may make one additional distribution of long-term capital gains, as defined in the Code, with respect to any one taxable year of the company, which distribution is made, in whole or in part, for the purpose of not incurring any tax under section 4982 of the Code. Such additional distribution may be made prior or subsequent to any distribution otherwise permitted by paragraph (a) of this section.

§ 270.20a-1 Solicitation of proxies, consents and authorizations.

(a) No person shall solicit or permit the use of his or her name to solicit any proxy, consent, or authorization with respect to any security issued by a registered Fund, except upon compliance with Regulation 14A (§ 240.14a-1 of this chapter), Schedule 14A (§ 240.14a-101 of this chapter), and all other rules and regulations adopted pursuant to section 14(a) of the Securities Exchange Act of 1934 that would be applicable to such solicitation if it were made in respect of a security registered pursuant to section 12 of the Securities Exchange Act of 1934. Unless the solicitation is made in respect of a security registered on a national securities exchange, none of the soliciting material need be filed with such exchange.

(b) If the solicitation is made by or on behalf of the management of the investment company, then the investment adviser or any prospective investment adviser and any affiliated person thereof as to whom information is required in the solicitation shall upon request of the investment company promptly transmit to the investment company all information necessary to enable the management of such company to comply with the rules and regulations applicable to such solicitation. affiliated person thereof as to whom information is required in the solicitation shall upon request of the person making the solicitation promptly transmit to such person all information necessary to enable such person to comply with the rules and regulations applicable to the solicitation.

§§ 270.20a-2—270.20a-4 [Reserved]

§ 270.22c-1 Pricing of redeemable securities for distribution, redemption and repurchase.

(a) No registered investment company issuing any redeemable security, no person designated in such issuer's prospectus as authorized to consummate transactions in any such security, and no principal underwriter of, or dealer in, any such security shall sell, redeem, or repurchase any such security except at a price based on the current net asset value of such security which is next computed after receipt of a tender of such security for redemption or of an order to purchase or repurchase such security: *Provided, That:*

(1) This paragraph shall not prevent a sponsor of a unit investment trust (hereinafter referred to as the "Trust") engaged exclusively in the business of investing in eligible trust securities (as defined in Rule 14a-3(b) (17 CFR 270.14a-3(b))) from selling or repurchasing Trust units in a secondary market at a price based on the offering side evaluation of the eligible trust securities in the Trust's portfolio, determined at any time on the last business day of each week, effective for all sales made during the following week, if on the days that such sales or repurchases are made the sponsor receives a letter

from a qualified evaluator stating, in its opinion, that:

(i) In the case of repurchases, the current bid price is not higher than the offering side evaluation, computed on the last business day of the previous week; and

(ii) In the case of resales, the offering side evaluation, computed as of the last business day of the previous week, is not more than one-half of one percent (\$5.00 on a unit representing \$1,000 principal amount of eligible trust securities) greater than the current offering price.

(2) This paragraph shall not prevent any registered investment company from adjusting the price of its redeemable securities sold pursuant to a merger, consolidation or purchase of substantially all of the assets of a company which meets the conditions specified in § 270.17a-8.

(3) Notwithstanding this paragraph (a), a registered open-end management investment company (but not a registered open-end management investment company that is regulated as a money market fund under § 270.2a-7 or an exchange-traded fund as defined in paragraph (a)(3)(v)(A) of this section) (a "fund") may use swing pricing to adjust its current net asset value per share to mitigate dilution of the value of its outstanding redeemable securities as a result of shareholder purchase or redemption activity, provided that it has established and implemented swing pricing policies and procedures in compliance with the paragraphs (a)(3)(i) through (v) of this section.

(i) The fund's swing pricing policies and procedures must:

(A) Provide that the fund must adjust its net asset value per share by a single swing factor or multiple factors that may vary based on the swing threshold(s) crossed once the level of net purchases into or net redemptions from such fund has exceeded the applicable swing threshold for the fund. In determining whether the fund's level of net purchases or net redemptions has exceeded the applicable swing threshold(s), the person(s) responsible for administering swing pricing shall be permitted to make such determination based on receipt of sufficient information about the fund investors' daily

purchase and redemption activity (“investor flow”) to allow the fund to reasonably estimate whether it has crossed the swing threshold(s) with high confidence, and shall exclude any purchases or redemptions that are made in kind and not in cash. This investor flow information may consist of individual, aggregated, or netted orders, and may include reasonable estimates where necessary.

(B) Specify the process for how the fund’s swing threshold(s) shall be determined, considering:

(1) The size, frequency, and volatility of historical net purchases or net redemptions of fund shares during normal and stressed periods;

(2) The fund’s investment strategy and the liquidity of the fund’s portfolio investments;

(3) The fund’s holdings of cash and cash equivalents, and borrowing arrangements and other funding sources; and

(4) The costs associated with transactions in the markets in which the fund invests.

(C) Specify the process for how the swing factor(s) shall be determined, which must include: The establishment of an upper limit on the swing factor(s) used, which may not exceed two percent of net asset value per share; and the determination that the factor(s) used are reasonable in relationship to the costs discussed in this paragraph. In determining the swing factor(s) and the upper limit, the person(s) responsible for administering swing pricing may take into account only the near-term costs expected to be incurred by the fund as a result of net purchases or net redemptions that occur on the day the swing factor(s) is used, including spread costs, transaction fees and charges arising from asset purchases or asset sales resulting from those purchases or redemptions, and borrowing-related costs associated with satisfying redemptions.

(ii) The fund’s board of directors, including a majority of directors who are not interested persons of the fund must:

(A) Approve the fund’s swing pricing policies and procedures;

(B) Approve the fund’s swing threshold(s) and the upper limit on the swing

factor(s) used, and any changes to the swing threshold(s) or the upper limit on the swing factor(s) used;

(C) Designate the fund’s investment adviser, officer, or officers responsible for administering the swing pricing policies and procedures (“person(s) responsible for administering swing pricing”). The administration of swing pricing must be reasonably segregated from portfolio management of the fund and may not include portfolio managers; and

(D) Review, no less frequently than annually, a written report prepared by the person(s) responsible for administering swing pricing that describes:

(1) Its review of the adequacy of the fund’s swing pricing policies and procedures and the effectiveness of their implementation, including the impact on mitigating dilution;

(2) Any material changes to the fund’s swing pricing policies and procedures since the date of the last report; and

(3) Its review and assessment of the fund’s swing threshold(s), swing factor(s), and swing factor upper limit considering the requirements of paragraphs (a)(3)(i)(B) and (C) of this section, including the information and data supporting the determination of the swing threshold(s), swing factor(s), and swing factor upper limit.

(iii) The fund shall maintain the policies and procedures adopted by the fund under this paragraph (a)(3) that are in effect, or at any time within the past six years were in effect, in an easily accessible place, and shall maintain a written copy of the report provided to the board under paragraph (a)(3)(ii)(C) of this section for six years, the first two in an easily accessible place.

(iv) Any fund (a “feeder fund”) that invests, pursuant to section 12(d)(1)(E) of the Act (15 U.S.C. 80a-12(d)(1)(E)), in another fund (a “master fund”) may not use swing pricing to adjust the feeder fund’s net asset value per share; however, a master fund may use swing pricing to adjust the master fund’s net asset value per share, pursuant to the requirements set forth in this paragraph (a)(3).

(v) For purposes of this paragraph (a)(3):

(A) *Exchange-traded fund* means an open-end management investment company (or series or class thereof), the shares of which are listed and traded on a national securities exchange, and that has formed and operates under an exemptive order under the Act granted by the Commission or in reliance on an exemptive rule adopted by the Commission.

(C) *Swing pricing* means the process of adjusting a fund's current net asset value per share to mitigate dilution of the value of its outstanding redeemable securities as a result of shareholder purchase and redemption activity, pursuant to the requirements set forth in this paragraph (a)(3).

(E) *Transaction fees and charges* means brokerage commissions, custody fees, and any other charges, fees, and taxes associated with portfolio asset purchases and sales.

(b) For the purposes of this section,

(1) The current net asset value of any such security shall be computed no less frequently than once daily, Monday through Friday, at the specific time or times during the day that the board of directors of the investment company sets, in accordance with paragraph (e) of this section, except on:

(i) Days on which changes in the value of the investment company's portfolio securities will not materially affect the current net asset value of the investment company's redeemable securities;

(ii) Days during which no security is tendered for redemption and no order to purchase or sell such security is received by the investment company; or

(iii) Customary national business holidays described or listed in the prospectus and local and regional business holidays listed in the prospectus; and

(2) A "qualified evaluator" shall mean any evaluator which represents it is in a position to determine, on the basis of an informal evaluation of the eligible trust securities held in the Trust's portfolio, whether—

(i) The current bid price is higher than the offering side evaluation, computed on the last business day of the previous week, and

(ii) The offering side evaluation, computed as of the last business day of the previous week, is more than one-half of one percent (\$5.00 on a unit representing \$1,000 principal amount of eligible trust securities) greater than the current offering price.

(c) Notwithstanding the provisions above, any registered separate account offering variable annuity contracts, any person designated in such account's prospectus as authorized to consummate transactions in such contracts, and any principal underwriter of or dealer in such contracts shall be permitted to apply the initial purchase payment for any such contract at a price based on the current net asset value of such contract which is next computed:

(1) Not later than two business days after receipt of the order to purchase by the insurance company sponsoring the separate account ("insurer"), if the contract application and other information necessary for processing the order to purchase (collectively, "application") are complete upon receipt; or

(2) Not later than two business days after an application which is incomplete upon receipt by the insurer is made complete, *Provided*, That, if an incomplete application is not made complete within five business days after receipt,

(i) The prospective purchaser shall be informed of the reasons for the delay, and

(ii) The initial purchase payment shall be returned immediately and in full, unless the prospective purchaser specifically consents to the insurer retaining the purchase payment until the application is made complete.

(3) As used in this section:

(i) *Prospective Purchaser* shall mean either an individual contractowner or an individual participant in a group contract.

Securities and Exchange Commission

§ 270.22c-2

(ii) *Initial Purchase Payment* shall refer to the first purchase payment submitted to the insurer by, or on behalf of, a prospective purchaser.

§ 270.22c-2 Redemption fees for redeemable securities.

(a) *Redemption fee.* It is unlawful for any fund issuing redeemable securities, its principal underwriter, or any dealer in such securities, to redeem a redeemable security issued by the fund within seven calendar days after the security was purchased, unless it complies with the following requirements:

(1) *Board determination.* The fund's board of directors, including a majority of directors who are not interested persons of the fund, must either:

(i) Approve a redemption fee, in an amount (but no more than two percent of the value of shares redeemed) and on shares redeemed within a time period (but no less than seven calendar days), that in its judgment is necessary or appropriate to recoup for the fund the costs it may incur as a result of those redemptions or to otherwise eliminate or reduce so far as practicable any dilution of the value of the outstanding securities issued by the fund, the proceeds of which fee will be retained by the fund; or

(ii) Determine that imposition of a redemption fee is either not necessary or not appropriate.

(2) *Shareholder information.* With respect to each financial intermediary that submits orders, itself or through its agent, to purchase or redeem shares directly to the fund, its principal underwriter or transfer agent, or to a registered clearing agency, the fund (or on the fund's behalf, the principal underwriter or transfer agent) must either:

(i) Enter into a shareholder information agreement with the financial intermediary (or its agent); or

(ii) Prohibit the financial intermediary from purchasing in nominee name on behalf of other persons, securities issued by the fund. For purposes of this paragraph, "purchasing" does not include the automatic reinvestment of dividends.

(3) *Recordkeeping.* The fund must maintain a copy of the written agreement under paragraph (a)(2)(i) of this section that is in effect, or at any time within the past six years was in effect, in an easily accessible place.

(b) *Excepted funds.* The requirements of paragraph (a) of this section do not apply to the following funds, unless they elect to impose a redemption fee pursuant to paragraph (a)(1) of this section:

(1) Money market funds;

(2) Any fund that issues securities that are listed on a national securities exchange; and

(3) Any fund that affirmatively permits short-term trading of its securities, if its prospectus clearly and prominently discloses that the fund permits short-term trading of its securities and that such trading may result in additional costs for the fund.

(c) *Definitions.* For the purposes of this section:

(1) *Financial intermediary* means:

(i) Any broker, dealer, bank, or other person that holds securities issued by the fund, in nominee name;

(ii) A unit investment trust or fund that invests in the fund in reliance on section 12(d)(1)(E) of the Act (15 U.S.C. 80a-12(d)(1)(E)); and

(iii) In the case of a participant-directed employee benefit plan that owns the securities issued by the fund, a retirement plan's administrator under section 3(16)(A) of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1002(16)(A)) or any person that maintains the plan's participant records.

(iv) *Financial intermediary* does not include any person that the fund treats as an individual investor with respect to the fund's policies established for the purpose of eliminating or reducing any dilution of the value of the outstanding securities issued by the fund.

(3) *Money market fund* means an open-end management investment company that is registered under the Act and is regulated as a money market fund under § 270.2a-7.

(4) *Shareholder* includes a beneficial owner of securities held in nominee name, a participant in a participant-directed employee benefit plan, and a holder of interests in a fund or unit investment trust that has invested in the fund in reliance on section 12(d)(1)(E) of the Act. A shareholder does not include a fund investing pursuant to section 12(d)(1)(G) of the Act (15 U.S.C. 80a-12(d)(1)(G)), a trust established pursuant to section 529 of the Internal Revenue Code (26 U.S.C. 529), or a holder of an interest in such a trust.

(5) *Shareholder information agreement* means a written agreement under which a financial intermediary agrees to:

(i) Provide, promptly upon request by a fund, the Taxpayer Identification Number (or in the case of non U.S. shareholders, if the Taxpayer Identification Number is unavailable, the International Taxpayer Identification Number or other government issued identifier) of all shareholders who have purchased, redeemed, transferred, or exchanged fund shares held through an account with the financial intermediary, and the amount and dates of such shareholder purchases, redemptions, transfers, and exchanges;

(ii) Execute any instructions from the fund to restrict or prohibit further purchases or exchanges of fund shares by a shareholder who has been identified by the fund as having engaged in transactions of fund shares (directly or indirectly through the intermediary's account) that violate policies established by the fund for the purpose of eliminating or reducing any dilution of the value of the outstanding securities issued by the fund; and

(iii) Use best efforts to determine, promptly upon request of the fund, whether any specific person about whom it has received the identification

and transaction information set forth in paragraph (c)(5)(i) of this section, is itself a financial intermediary ("indirect intermediary") and, upon further request by the fund:

(A) Provide (or arrange to have provided) the identification and transaction information set forth in paragraph (c)(5)(i) of this section regarding shareholders who hold an account with an indirect intermediary; or

(B) Restrict or prohibit the indirect intermediary from purchasing, in nominee name on behalf of other persons, securities issued by the fund.

an investment company, but does not include a registered open-end management investment company that is regulated as a money market fund under § 270.2a-7 or an In-Kind ETF.

(6) *Highly liquid investment* means any cash held by a fund and any investment that the fund reasonably expects to be convertible into cash in current market conditions in three business days or less without the conversion to cash significantly changing the market value of the investment, as determined pursuant to the provisions of paragraph (b)(1)(ii) of this section.

(7) *Highly liquid investment minimum* means the percentage of the fund's net assets that the fund invests in highly liquid investments that are assets pursuant to paragraph (b)(1)(iii) of this section.

(8) *Illiquid investment* means any investment that the fund reasonably expects cannot be sold or disposed of in current market conditions in seven calendar days or less without the sale or disposition significantly changing the market value of the investment, as determined pursuant to the provisions of paragraph (b)(1)(ii) of this section.

(9) *In-Kind Exchange Traded Fund* or *In-Kind ETF* means an ETF that meets redemptions through in-kind transfers of securities, positions, and assets other than a *de minimis* amount of cash and that publishes its portfolio holdings daily.

(10) *Less liquid investment* means any investment that the fund reasonably expects to be able to sell or dispose of in current market conditions in seven calendar days or less without the sale or disposition significantly changing the market value of the investment, as determined pursuant to the provisions of paragraph (b)(1)(ii) of this section, but where the sale or disposition is reasonably expected to settle in more than seven calendar days.

(11) *Liquidity risk* means the risk that the fund could not meet requests to redeem shares issued by the fund without significant dilution of remaining investors' interests in the fund.

(12) *Moderately liquid investment* means any investment that the fund reasonably expects to be convertible into cash in current market conditions in more than three calendar days but

in seven calendar days or less, without the conversion to cash significantly changing the market value of the investment, as determined pursuant to the provisions of paragraph (b)(1)(ii) of this section.

(13) *Person(s) designated to administer the program* means the fund or In-Kind ETF's investment adviser, officer, or officers (which may not be solely portfolio managers of the fund or In-Kind ETF) responsible for administering the program and its policies and procedures pursuant to paragraph (b)(2)(ii) of this section.

(14) *Unit Investment Trust* or *UIT* means a unit investment trust as defined in section 4(2) of the Act (15 U.S.C. 80a-4).

(b) *Liquidity Risk Management Program*. Each fund and In-Kind ETF must adopt and implement a written liquidity risk management program ("program") that is reasonably designed to assess and manage its liquidity risk.

(1) *Required program elements*. The program must include policies and procedures reasonably designed to incorporate the following elements:

(i) *Assessment, management, and periodic review of liquidity risk*. Each fund and In-Kind ETF must assess, manage, and periodically review (with such review occurring no less frequently than annually) its liquidity risk, which must include consideration of the following factors, as applicable:

(A) The fund or In-Kind ETF's investment strategy and liquidity of portfolio investments during both normal and reasonably foreseeable stressed conditions, including whether the investment strategy is appropriate for an open-end fund, the extent to which the strategy involves a relatively concentrated portfolio or large positions in particular issuers, and the use of borrowings for investment purposes and derivatives;

(B) Short-term and long-term cash flow projections during both normal and reasonably foreseeable stressed conditions;

(C) Holdings of cash and cash equivalents, as well as borrowing arrangements and other funding sources; and

(D) For an ETF:

(1) The relationship between the ETF's portfolio liquidity and the way

in which, and the prices and spreads at which, ETF shares trade, including, the efficiency of the arbitrage function and the level of active participation by market participants (including authorized participants); and

(2) The effect of the composition of baskets on the overall liquidity of the ETF's portfolio.

(ii) *Classification*. Each fund must, using information obtained after reasonable inquiry and taking into account relevant market, trading, and investment-specific considerations, classify each of the fund's portfolio investments (including each of the fund's derivatives transactions) as a highly liquid investment, moderately liquid investment, less liquid investment, or illiquid investment. A fund must review its portfolio investments' classifications, at least monthly in connection with reporting the liquidity classification for each portfolio investment on Form N-PORT in accordance with § 270.30b1-9, and more frequently if changes in relevant market, trading, and investment-specific considerations are reasonably expected to materially affect one or more of its investments' classifications.

NOTE TO PARAGRAPH (b)(1)(ii) INTRODUCTORY TEXT: If an investment could be viewed as either a highly liquid investment or a moderately liquid investment, because the period to convert the investment to cash depends on the calendar or business day convention used, a fund should classify the investment as a highly liquid investment. For a discussion of considerations that may be relevant in classifying the liquidity of the fund's portfolio investments, see Investment Company Act Release No. IC-32315 (Oct. 13, 2016).

(A) The fund may generally classify and review its portfolio investments (including the fund's derivatives transactions) according to their asset class, provided, however, that the fund must separately classify and review any investment within an asset class if the fund or its adviser has information about any market, trading, or investment-specific considerations that are reasonably expected to significantly affect the liquidity characteristics of that investment as compared to the fund's other portfolio holdings within that asset class.

(B) In classifying and reviewing its portfolio investments or asset classes

(as applicable), the fund must determine whether trading varying portions of a position in a particular portfolio investment or asset class, in sizes that the fund would reasonably anticipate trading, is reasonably expected to significantly affect its liquidity, and if so, the fund must take this determination into account when classifying the liquidity of that investment or asset class.

(C) For derivatives transactions that the fund has classified as moderately liquid investments, less liquid investments, and illiquid investments, identify the percentage of the fund's highly liquid investments that it has pledged as margin or collateral in connection with derivatives transactions in each of these classification categories.

NOTE TO PARAGRAPH (b)(1)(ii)(C): For purposes of calculating these percentages, a fund that has pledged highly liquid investments and non-highly liquid investments as margin or collateral in connection with derivatives transactions classified as moderately liquid, less liquid, or illiquid investments first should apply pledged assets that are highly liquid investments in connection with these transactions, unless it has specifically identified non-highly liquid investments as margin or collateral in connection with such derivatives transactions.

(iii) *Highly liquid investment minimum.* (A) Any fund that does not primarily hold assets that are highly liquid investments must:

(I) Determine a highly liquid investment minimum, considering the factors specified in paragraphs (b)(1)(i)(A) through (D) of this section, as applicable (but considering those factors specified in paragraphs (b)(1)(i)(A) and (B) only as they apply during normal conditions, and during stressed conditions only to the extent they are reasonably foreseeable during the period until the next review of the highly liquid investment minimum). The highly liquid investment minimum determined pursuant to this paragraph may not be changed during any period of time that a fund's assets that are highly liquid investments are below the determined minimum without approval from the fund's board of directors, including a majority of directors who are not interested persons of the fund;

(2) Periodically review, no less frequently than annually, the highly liquid investment minimum; and

(3) Adopt and implement policies and procedures for responding to a shortfall of the fund's highly liquid investments below its highly liquid investment minimum, which must include requiring the person(s) designated to administer the program to report to the fund's board of directors no later than its next regularly scheduled meeting with a brief explanation of the causes of the shortfall, the extent of the shortfall, and any actions taken in response, and if the shortfall lasts more than 7 consecutive calendar days, must include requiring the person(s) designated to administer the program to report to the board within one business day thereafter with an explanation of how the fund plans to restore its minimum within a reasonable period of time.

(B) For purposes of determining whether a fund primarily holds assets that are highly liquid investments, a fund must exclude from its calculations the percentage of the fund's assets that are highly liquid investments that it has pledged as margin or collateral in connection with derivatives transactions that the fund has classified as moderately liquid investments, less liquid investments, and illiquid investments, as determined pursuant to paragraph (b)(1)(ii)(C) of this section.

(iv) *Illiquid investments.* No fund or In-Kind ETF may acquire any illiquid investment if, immediately after the acquisition, the fund or In-Kind ETF would have invested more than 15% of its net assets in illiquid investments that are assets. If a fund or In-Kind ETF holds more than 15% of its net assets in illiquid investments that are assets:

(A) It must cause the person(s) designated to administer the program to report such an occurrence to the fund's or In-Kind ETF's board of directors within one business day of the occurrence, with an explanation of the extent and causes of the occurrence, and how the fund or In-Kind ETF plans to bring its illiquid investments that are assets to or below 15% of its net assets within a reasonable period of time; and

(B) If the amount of the fund's or In-Kind ETF's illiquid investments that are assets is still above 15% of its net assets 30 days from the occurrence (and at each consecutive 30 day period thereafter), the fund or In-Kind ETF's board of directors, including a majority of directors who are not interested persons of the fund or In-Kind ETF, must assess whether the plan presented to it pursuant to paragraph (b)(1)(iv)(A) continues to be in the best interest of the fund or In-Kind ETF.

(v) *Redemptions in Kind.* A fund that engages in, or reserves the right to engage in, redemptions in kind and any In-Kind ETF must establish policies and procedures regarding how and when it will engage in such redemptions in kind.

(2) *Board oversight.* A fund or In-Kind ETF's board of directors, including a majority of directors who are not interested persons of the fund or In-Kind ETF, must:

(i) Initially approve the liquidity risk management program;

(ii) Approve the designation of the person(s) designated to administer the program; and

(iii) Review, no less frequently than annually, a written report prepared by the person(s) designated to administer the program that addresses the operation of the program and assesses its adequacy and effectiveness of implementation, including, if applicable, the operation of the highly liquid investment minimum, and any material changes to the program.

(3) *Recordkeeping.* The fund or In-Kind ETF must maintain:

(i) A written copy of the program and any associated policies and procedures adopted pursuant to paragraphs (b)(1) through (b)(2) of this section that are in effect, or at any time within the past five years were in effect, in an easily accessible place;

(ii) Copies of any materials provided to the board of directors in connection with its approval under paragraph (b)(2)(i) of this section, and materials provided to the board of directors under paragraph (b)(2)(iii) of this section, for at least five years after the end of the fiscal year in which the documents were provided, the first two years in an easily accessible place; and

(iii) If applicable, a written record of the policies and procedures related to how the highly liquid investment minimum, and any adjustments thereto, were determined, including assessment of the factors incorporated in paragraphs (b)(1)(iii)(A) through (B) of this section and any materials provided to the board pursuant to paragraph (b)(1)(iii)(A)(3) of this section, for a period of not less than five years (the first two years in an easily accessible place) following the determination of, and each change to, the highly liquid investment minimum.

(c) *UIT liquidity.* On or before the date of initial deposit of portfolio securities into a registered UIT, the UIT's principal underwriter or depositor must determine that the portion of the illiquid investments that the UIT holds or will hold at the date of deposit that are assets is consistent with the redeemable nature of the securities it issues, and must maintain a record of that determination for the life of the UIT and for five years thereafter.

of such class shall have an asset coverage of at least 300 percent immediately after such purchase; and if the security to be purchased is junior to any class of outstanding senior security of the issuer which is a stock, all securities of such class shall have an asset coverage of at least 200 percent immediately after such purchase, and shall not be in arrears as to dividends.

(4) The seller of the security is not to the knowledge of the issuer an affiliated person of the issuer.

(5) Payment of the purchase price is accompanied or preceded by a written confirmation of the purchase.

(6) The purchase is made at a price not above the market value, if any, or the asset value of such security, whichever is lower, at the time of such purchase.

(7) The issuer discloses to the seller or, if the seller is acting through a broker, to the seller's broker, either prior to or at the time of purchase the approximate or estimated asset coverage per unit of the security to be purchased.

(8) No brokerage commission is paid by the issuer to any affiliated person of the issuer in connection with the purchase.

(9) The purchase is not made in a manner or on a basis which discriminates unfairly against any holders of the class of securities purchased.

(10) If the security is a stock, the issuer has, within the preceding six months, informed stockholders of its intention to purchase stock of such class by letter or report addressed to all the stockholders of such class.

(11) The issuer files with the Commission, as an exhibit to Form N-CSR (§249.331 and §274.128), a copy of any written solicitation to purchase securities under this section sent or given during the period covered by the report by or on behalf of the issuer to 10 or more persons.

(b) Notwithstanding the conditions of paragraph (a) of this section, a closed-end company may purchase fractional interests in, or fractional rights to receive, any security of which it is the issuer.

(c) This rule does not apply to purchase of securities made pursuant to section 23(c)(1) or (2) of the Act (54

Stat. 825; 15 U.S.C. 80a-23). A registered closed-end company may file an application with the Commission for an order under section 23(c)(3) of the Act permitting the purchase of any security of which it is the issuer which does not meet the conditions of this rule and which is not to be made pursuant to section 23(c)(1) or (2) of the Act.

(d) This rule relates exclusively to the requirements of section 23(c) of the Act, and the provisions hereof shall not be construed to authorize any action which contravenes any other applicable law, statutory or otherwise, or the provision of any indenture or other instrument pursuant to which securities of the issuer were issued.

[Rule N-23C-2, 7 FR 6669, Aug. 25, 1942]

§ 270.23c-3 Repurchase offers by closed-end companies.

(a) *Definitions.* For purposes of this section:

(1) *Periodic interval* shall mean an interval of three, six, or twelve months.

(2) *Repurchase offer* shall mean an offer pursuant to this section by an investment company to repurchase common stock of which it is the issuer.

(3) *Repurchase offer amount* shall mean the amount of common stock that is the subject of a repurchase offer, expressed as a percentage of such stock outstanding on the repurchase request deadline, that an investment company offers to repurchase in a repurchase offer. The repurchase offer amount shall not be less than five percent nor more than twenty-five percent of the common stock outstanding on a repurchase request deadline. Before each repurchase offer, the repurchase offer amount for that repurchase offer shall be determined by the directors of the company.

(4) *Repurchase payment deadline* with respect to a tender of common stock shall mean the date by which an investment company must pay securities holders for any stock repurchased. A repurchase payment deadline shall occur seven days after the repurchase pricing date applicable to such tender.

(5) *Repurchase pricing date* with respect to a tender of common stock shall mean the date on which an investment company determines the net asset value applicable to the repurchase of the securities. A repurchase pricing date shall occur no later than the fourteenth day after a repurchase request deadline, or the next business day if the fourteenth day is not a business day. In no event shall an investment company determine the net asset

value applicable to the repurchase of the stock before the close of business on the repurchase request deadline.

(i) For an investment company making a repurchase offer pursuant to paragraph (b) of this section, the number of days between the repurchase request deadline and the repurchase pricing date for a repurchase offer shall be the maximum number specified by the company pursuant to paragraph (b)(2)(i)(D) of this section.

(ii) For an investment company making a repurchase offer pursuant to paragraph (c) of this section, the repurchase pricing date shall be such date as the company shall disclose to security holders in the notification pursuant to paragraph (b)(4) of this section with respect to such offer.

(iii) For purposes of paragraph (b)(1) of this section, a repurchase pricing date may be a date earlier than the date determined pursuant to paragraph (a)(5) (i) or (ii) of this section if, on or immediately following the repurchase request deadline, it appears that the use of an earlier repurchase pricing date is not likely to result in significant dilution of the net asset value of either stock that is tendered for repurchase or stock that is not tendered.

(6) *Repurchase request* shall mean the tender of common stock in response to a repurchase offer.

(7) *Repurchase request deadline* with respect to a repurchase offer shall mean the date by which an investment company must receive repurchase requests submitted by security holders in response to that offer or withdrawals or modifications of previously submitted repurchase requests. The first repurchase request deadline after the effective date of the registration statement for the common stock that is the subject of a repurchase offer, or after a shareholder vote adopting the fundamental policy specifying a company's periodic interval, whichever is later, shall occur no later than two periodic intervals thereafter.

(b) *Periodic repurchase offers.* A registered closed-end company or a business development company may repurchase common stock of which it is the issuer from the holders of the stock at

periodic intervals, pursuant to repurchase offers made to all holders of the stock, *Provided* that:

(1) The company shall repurchase the stock for cash at the net asset value determined on the repurchase pricing date and shall pay the holders of the stock by the repurchase payment deadline except as provided in paragraph (b)(3) of this section. The company may deduct from the repurchase proceeds only a repurchase fee, not to exceed two percent of the proceeds, that is paid to the company and is reasonably intended to compensate the company for expenses directly related to the repurchase. A company may not condition a repurchase offer upon the tender of any minimum amount of shares.

(2)(i) The company shall repurchase the security pursuant to a fundamental policy, changeable only by a majority vote of the outstanding voting securities of the company, stating:

(A) That the company will make repurchase offers at periodic intervals pursuant to this section, as this section may be amended from time to time;

(B) The periodic intervals between repurchase request deadlines;

(C) The dates of repurchase request deadlines or the means of determining the repurchase request deadlines; and

(D) The maximum number of days between each repurchase request deadline and the next repurchase pricing date.

(ii) The company shall include a statement in its annual report to shareholders of the following:

(A) Its policy under paragraph (b)(2)(i) of this section; and

(B) With respect to repurchase offers by the company during the period covered by the annual report, the number of repurchase offers, the repurchase offer amount and the amount tendered in each repurchase offer, and the extent to which in any repurchase offer the company repurchased stock pursuant to the procedures in paragraph (b)(5) of this section.

(iii) A company shall be deemed to be making repurchase offers pursuant to a policy within paragraph (b)(2)(i) of this section if:

(A) The company makes repurchase offers to its security holders at periodic intervals and, before May 14, 1993,

has disclosed in its registration statement its intention to make or consider making such repurchase offers; and

(B) The company's board of directors adopts a policy specifying the matters required by paragraph (b)(2)(i) of this section, and the periodic interval specified therein conforms generally to the frequency of the company's prior repurchase offers.

(3)(i) The company shall not suspend or postpone a repurchase offer except pursuant to a vote of a majority of the directors, including a majority of the directors who are not interested persons of the company, and only:

(A) If the repurchase would cause the company to lose its status as a regulated investment company under Subchapter M of the Internal Revenue Code [26 U.S.C. 851-860];

(B) If the repurchase would cause the stock that is the subject of the offer that is either listed on a national securities exchange or quoted in an inter-dealer quotation system of a national securities association to be neither listed on any national securities exchange nor quoted on any inter-dealer quotation system of a national securities association;

(C) For any period during which the New York Stock Exchange or any other market in which the securities owned by the company are principally traded is closed, other than customary week-end and holiday closings, or during which trading in such market is restricted;

(D) For any period during which an emergency exists as a result of which disposal by the company of securities owned by it is not reasonably practicable, or during which it is not reasonably practicable for the company fairly to determine the value of its net assets; or

(E) For such other periods as the Commission may by order permit for the protection of security holders of the company.

(ii) If a repurchase offer is suspended or postponed, the company shall provide notice to security holders of such suspension or postponement. If the company renews the repurchase offer, the company shall send a new notification to security holders satisfying the

Securities and Exchange Commission

§ 270.23c-3

requirements of paragraph (b)(4) of this section.

(4)(i) No less than twenty-one and no more than forty-two days before each repurchase request deadline, the company shall send to each holder of record and to each beneficial owner of the stock that is the subject of the repurchase offer a notification providing the following information:

(A) A statement that the company is offering to repurchase its securities from security holders at net asset value;

(B) Any fees applicable to such repurchase;

(C) The repurchase offer amount;

(D) The dates of the repurchase request deadline, repurchase pricing date, and repurchase payment deadline, the risk of fluctuation in net asset value between the repurchase request deadline and the repurchase pricing date, and the possibility that the company may use an earlier repurchase pricing date pursuant to paragraph (a)(5)(iii) of this section;

(E) The procedures for security holders to tender their shares and the right of the security holders to withdraw or modify their tenders until the repurchase request deadline;

(F) The procedures under which the company may repurchase such shares on a pro rata basis pursuant to paragraph (b)(5) of this section;

(G) The circumstances in which the company may suspend or postpone a repurchase offer pursuant to paragraph (b)(3) of this section;

(H) The net asset value of the common stock computed no more than seven days before the date of the notification and the means by which security holders may ascertain the net asset value thereafter; and

(I) The market price, if any, of the common stock on the date on which such net asset value was computed, and the means by which security holders may ascertain the market price thereafter.

(ii) The company shall file three copies of the notification with the Commission within three business days after sending the notification to security holders. Those copies shall be accompanied by copies of Form N-23c-3 (§ 274.221 of this chapter) ("Notification

of Repurchase Offer"). The format of the copies shall comply with the requirements for registration statements and reports under § 270.8b-12 of this chapter.

(iii) For purposes of sending a notification to a beneficial owner pursuant to paragraph (b)(4)(i) of this section, where the company knows that shares of common stock that is the subject of a repurchase offer are held of record by a broker, dealer, voting trustee, bank, association or other entity that exercises fiduciary powers in nominee name or otherwise, the company shall follow the procedures for transmitting materials to beneficial owners of securities that are set forth in § 240.14a-13 of this chapter.

(5) If security holders tender more than the repurchase offer amount, the company may repurchase an additional amount of stock not to exceed two percent of the common stock outstanding on the repurchase request deadline. If the company determines not to repurchase more than the repurchase offer amount, or if security holders tender stock in an amount exceeding the repurchase offer amount plus two percent of the common stock outstanding on the repurchase request deadline, the company shall repurchase the shares tendered on a pro rata basis; *Provided, however*, That this provision shall not prohibit the company from:

(i) Accepting all stock tendered by persons who own, beneficially or of record, an aggregate of not more than a specified number which is less than one hundred shares and who tender all of their stock, before prorating stock tendered by others; or

(ii) Accepting by lot stock tendered by security holders who tender all stock held by them and who, when tendering their stock, elect to have either all or none or at least a minimum amount or none accepted, if the company first accepts all stock tendered by security holders who do not so elect.

(6) The company shall permit tenders of stock for repurchase to be withdrawn or modified at any time until the repurchase request deadline but shall not permit tenders to be withdrawn or modified thereafter.

(7)(i) The current net asset value of the company's common stock shall be

computed no less frequently than weekly on such day and at such specific time or times during the day that the board of directors of the company shall set.

(ii) The current net asset value of the company's common stock shall be computed daily on the five business days preceding a repurchase request deadline at such specific time or times during the day that the board of directors of the company shall set.

(iii) For purposes of section 23(b) [15 U.S.C. 80a-23(b)], the current net asset value applicable to a sale of common stock by the company shall be the net asset value next determined after receipt of an order to purchase such stock. During any period when the company is offering its common stock, the current net asset value of the common stock shall be computed no less frequently than once daily, Monday through Friday, at the specific time or times during the day that the board of directors of the company shall set, except on:

(A) Days on which changes in the value of the company's portfolio securities will not materially affect the current net asset value of the common stock;

(B) Days during which no order to purchase its common stock is received, other than days when the net asset value would otherwise be computed pursuant to paragraph (b)(7)(i) of this section; or

(C) Customary national, local, and regional business holidays described or listed in the prospectus.

(8) The board of directors of the investment company satisfies the fund governance standards defined in § 270.0-1(a)(7).

(9) Any senior security issued by the company or other indebtedness contracted by the company either shall mature by the next repurchase pricing date or shall provide for the redemption or call of such security or the repayment of such indebtedness by the company by the next repurchase pricing date, either in whole or in part, without penalty or premium, as necessary to permit the company to repurchase securities in such repurchase offer amount as the directors of the company shall determine in compli-

ance with the asset coverage requirements of section 18 [15 U.S.C. 80a-18] or 61 [15 U.S.C. 80a-60], as applicable.

(10)(i) From the time a company sends a notification to shareholders pursuant to paragraph (b)(4) of this section until the repurchase pricing date, a percentage of the company's assets equal to at least 100 percent of the repurchase offer amount shall consist of assets that can be sold or disposed of in the ordinary course of business, at approximately the price at which the company has valued the investment, within a period equal to the period between a repurchase request deadline and the repurchase payment deadline, or of assets that mature by the next repurchase payment deadline.

(ii) In the event that the company's assets fail to comply with the requirements in paragraph (b)(10)(i) of this section, the board of directors shall cause the company to take such action as it deems appropriate to ensure compliance.

(iii) In supervising the company's operations and portfolio management by the investment adviser, the company's board of directors shall adopt written procedures reasonably designed, taking into account current market conditions and the company's investment objectives, to ensure that the company's portfolio assets are sufficiently liquid so that the company can comply with its fundamental policy on repurchases, and comply with the liquidity requirements of paragraph (b)(10)(i) of this section. The board of directors shall review the overall composition of the portfolio and make and approve such changes to the procedures as the board deems necessary.

(11) The company, or any underwriter for the company, shall comply, as if the company were an open-end company, with the provisions of section 24(b) [15 U.S.C. 80a-24(b)] and rules issued thereunder with respect to any advertisement, pamphlet, circular, form letter, or other sales literature addressed to or intended for distribution to prospective investors.

pursuant to a repurchase offer that is not made pursuant to a fundamental policy and that is made to all holders of the stock not earlier than two years after another offer pursuant to this paragraph (c) if the company complies with the requirements of paragraphs (b) (1), (3), (4), (5), (6), (7)(ii), (8), (10)(i), and (10)(ii) of this section.

(d) *Exemption from the definition of redeemable security.* A company that makes repurchase offers pursuant to paragraph (b) or (c) of this section shall not be deemed thereby to be an issuer of redeemable securities within section 2(a)(32) [15 U.S.C. 80a-2(a)(32)].

(e) *Registration of an indefinite amount of securities.* A company that makes repurchase offers pursuant to paragraph (b) of this section shall be deemed to have registered an indefinite amount of securities pursuant to Section 24(f) of the Act (15 U.S.C. 80a-24(f)) upon the effective date of its registration statement.

§ 270.24f-2 Registration under the Securities Act of 1933 of certain investment company securities.

(a) *General.* Any face-amount certificate company, open-end management company, closed-end management company that makes periodic repurchase offers pursuant to § 270.23c-3(b), or unit investment trust ("issuer") that is deemed to have registered an indefinite amount of securities pursuant to Section 24(f) of the Act (15 U.S.C. 80a-24(f)) must not later than 90 days after the end of any fiscal year during which it has publicly offered such securities, file Form 24F-2 (17 CFR 274.24) with the Commission. Form 24F-2 must be prepared in accordance with the requirements of that form, and must be accompanied by the payment of a registration fee with respect to the securities sold during the fiscal year in reliance upon registration pursuant to section 24(f) of the Act calculated in the manner specified in section 24(f) of the Act and in the Form. An issuer that pays the registration fee more than 90 days after the end of its fiscal year

must pay interest in the manner specified in section 24(f) of the Act and in Form 24F-2.

(b) *Issuer ceasing operations; mergers and other transactions.* For purposes of this section, if an issuer ceases operations, the date the issuer ceases operations will be deemed to be the end of its fiscal year. In the case of a liquidation, merger, or sale of all or substantially all of the assets ("merger") of the issuer, the issuer will be deemed to have ceased operations for the purposes of this section on the date the merger is consummated; *provided, however*, that in the case of a merger of an issuer or a series of an issuer ("Predecessor Issuer") with another issuer or a series of an issuer ("Successor Issuer"), the Predecessor Issuer will not be deemed to have ceased operations and the Successor issuer will assume the obligations, fees, and redemption credits of the Predecessor Issuer incurred pursuant to section 24(f) of the Act and § 270.24e-2 (as in effect prior to October 11, 1997; see 17 CFR part 240 to end, revised as of April 1, 1997) if the Successor Issuer:

(1) had no assets or liabilities, other than nominal assets or liabilities, and no operating history immediately prior to the merger;

(2) Acquired substantially all of the assets and assumed substantially all of the liabilities and obligations of the Predecessor Issuer; and

(3) The merger is not designed to result in the Predecessor Issuer merging with, or substantially all of its assets being acquired by, an issuer (or a series of an issuer) that would not meet the conditions of paragraph (b)(1) of this section.

(c) *Counting days.* To determine the date on which Form 24F-2 must be filed with the Commission under paragraph (a) of this section, the first day of the 90-day period is the first calendar day of the fiscal year following the fiscal year for which the Form is to be filed. If the last day of the 90-day period falls on a Saturday, Sunday, or federal holiday, the period ends on the first business day thereafter.

NOTE TO PARAGRAPH (c): For example, a Form 24F-2 for a fiscal year ending on June 30 must be filed no later than September 28. If September 28 falls on a Saturday, Sunday,

For purposes of section 26(a)(2)(C) of the Act, payment of a fee to the depositor or of a principal underwriter for a registered unit investment trust, or to any affiliated person or agent of such depositor or underwriter (collectively, “depositor”), for bookkeeping or other administrative services provided to the trust shall be allowed the custodian or trustee (“trustee”) as an expense, provided that such fee is an amount not greater than the expenses, without profit:

(a) Actually paid by such depositor directly attributable to the services provided; and

(b) Increased by the services provided directly by such depositor, as determined in accordance with generally accepted accounting principles consistently applied.

[85 FR 26110, May 1, 2020]

§ 270.27c-1 [Reserved]

§ 270.27d-1 Reserve requirements for principal underwriters and depositors to carry out the obligations to refund charges required by section 27(d) and section 27(f) of the Act.

(a)(1) Every depositor of or principal underwriter for the issuer of a periodic payment plan certificate sold subject to section 27(d) or section 27(f) of the Act or both, shall deposit and maintain funds in a segregated trust account as a reserve and as security for the purpose of assuring the refund of charges required by sections 27(d) and 27(f) of the Act.

(2) The assets of such trust account may be held as cash or invested only in one or more of (i) government securities as defined in section 2(a)(16) of the Act (except equity securities) or (ii) negotiable certificates of deposit issued by a bank, as defined in section 2(a)(5) of the Act and having capital and surplus of at least \$10 million: *Provided*, That no such investment may have a

maturity of more than 5 years, no more than 50 percent of the assets may be invested in obligations having a maturity of more than 1 year, and certificates of deposit of a single issuer may not constitute more than 10 percent of the value of the assets in the account.

(3) Any income, gains, or losses from assets allocated to such account, whether or not realized, shall be credited to or charged against such account without regard to other income, gains, or losses of the depositor or principal underwriter.

(4) The assets of such trust account may be withdrawn only as permitted by paragraph (f) of this section and shall in no event be chargeable with liabilities arising out of any aspect of the business of the depositor or principal underwriter other than assuring the ability of the depositor or principal underwriter to refund the amounts required by such sections.

(b) For purposes of this section:

(1) “Excess sales load” on any payment is that portion of the sales load in excess of 15 percent of that payment.

(2) “Monthly payment” shall be the amount of the smallest monthly installment scheduled to be paid during the life of the plan. If payments are required or permitted to be made on a basis less frequently than monthly, an equivalent monthly payment shall be the amount determined by dividing the smallest minimum payment required or permitted in a payment period by the number of months included in such period.

(3) The assets in the segregated trust account shall be valued as follows: (i) With respect to securities for which market quotations are readily available, the market value of such securities; and (ii) with respect to other securities, fair value as determined in good faith by the depositor or principal underwriter.

(c) For every periodic payment plan certificate governed by section 27(d), the depositor or principal underwriter shall deposit into the segregated trust account not less than 45 percent of the excess sales load on each of the first six monthly payments or their equivalent.

(d) For all periodic payment plan certificates governed by section 27(d)

which have not been surrendered in accordance with their terms, and for which the depositor or principal underwriter may be liable for the refund of any sales load, the depositor or principal underwriter shall maintain in the segregated trust account an amount equal to not less than 15% of the total refundable sales load on the payments made on those certificates. The depositor or principal underwriter shall also maintain in the segregated trust account such additional amounts as the Commission by order may require for the depositor or principal underwriter to carry out refund obligations pursuant to sections 27(d) and 27(f) of the Act.

(e) For every periodic payment plan certificate governed by section 27(f) of the Act, and for which the depositor or principal underwriter has no obligation to refund any excess sales load pursuant to section 27(d) of the Act, the depositor or principal underwriter shall deposit and maintain during the refund period, at least the following amounts in the segregated trust account:

(f) Assets may be withdrawn from the segregated trust account by each depositor or principal underwriter:

(1) To refund excess sales load to a certificate holder exercising the right

of surrender specified in section 27(d) of the Act; or

(2) To refund to a certificate holder exercising the right of withdrawal specified in section 27(f) of the Act the difference between the amount of his gross payments and the net amount invested; or

(g) The minimum amounts required to be maintained by paragraphs (d) and (e) of this section shall be computed at least monthly. Any additional deposits required by paragraph (d) or (e) of this section shall be made immediately after such computation, and any withdrawals permitted by paragraph (f)(3) of this section may be made only at such time.

(h) Nothing in this section shall be construed to prohibit a depositor or principal underwriter, acting as such for two or more registered investment companies issuing periodic payment plan certificates, from combining in a single segregated trust account the reserves for such companies required by this section.

(i) The refunds required to be made to certificate holders pursuant to sections 27(d) and 27(f) (of the Act) shall be paid in cash not more than 7 days from the date the certificate is received in proper form by the custodian bank or such other paying agent as may be designated under the periodic payment plan.

§ 270.34b-1 Sales literature deemed to be misleading.

Any advertisement, pamphlet, circular, form letter, or other sales literature addressed to or intended for distribution to prospective investors that is required to be filed with the Commission by section 24(b) of the Act [15 U.S.C. 80a-24(b)] ("sales literature") shall have omitted to state a fact necessary in order to make the statements made therein not materially misleading unless the sales literature includes the information specified in paragraphs (a) and (b) of this section.

NOTE TO INTRODUCTORY TEXT OF § 270.34b-1: The fact that the sales literature includes the information specified in paragraphs (a) and (b) of this section does not relieve the investment company, underwriter, or dealer of any obligations with respect to the sales literature under the antifraud provisions of the federal securities laws. For guidance about factors to be weighed in determining whether statements, representations, illustrations, and descriptions contained in investment company sales literature are misleading, see § 230.156 of this chapter.

(a) Sales literature for a money market fund shall contain the information required by paragraph (b)(4) of § 230.482 of this chapter, presented in the manner required by paragraph (b)(5) of § 230.482 of this chapter.

(b)(1) Except as provided in paragraph (b)(3) of this section:

(i) In any sales literature that contains performance data for an investment company, include the disclosure required by paragraph (b)(3) of § 230.482 of this chapter, presented in the manner required by paragraph (b)(5) of § 230.482 of this chapter.

(ii) In any sales literature for a money market fund:

(A) Accompany any quotation of yield or similar quotation purporting to demonstrate the income earned or distributions made by the money market fund with a quotation of current yield specified by paragraph (e)(1)(i) of § 230.482 of this chapter;

(B) Accompany any quotation of the money market fund's tax equivalent yield or tax equivalent effective yield with a quotation of current yield as specified in § 230.482(d)(1)(iii) of this chapter; and

(C) Accompany any quotation of the money market fund's total return with a quotation of the money market fund's current yield specified in paragraph (e)(1)(i) of § 230.482 of this chapter. Place the quotations of total return and current yield next to each other, in the same size print, and if there is a material difference between the quoted total return and the quoted current yield, include a statement that the yield quotation more closely reflects the current earnings of the money market fund than the total return quotation.

(iii) In any sales literature for an investment company other than a money market fund that contains performance data:

(A) Include the total return information required by paragraph (d)(3) of § 230.482 of this chapter;

(B) Accompany any quotation of performance adjusted to reflect the effect of taxes (not including a quotation of tax equivalent yield or other similar quotation purporting to demonstrate the tax equivalent yield earned or distributions made by the company) with the quotations of total return specified by paragraph (d)(4) of § 230.482 of this chapter;

(C) If the sales literature (other than sales literature for a company that is permitted under § 270.35d-1(a)(4) to use a name suggesting that the company's distributions are exempt from federal income tax or from both federal and state income tax) represents or implies that the company is managed to limit or control the effect of taxes on company performance, include the quotations of total return specified by paragraph (d)(4) of § 230.482 of this chapter;

(D) Accompany any quotation of yield or similar quotation purporting to demonstrate the income earned or distributions made by the company with a quotation of current yield specified by paragraph (d)(1) of § 230.482 of this chapter; and

(E) Accompany any quotation of tax equivalent yield or other similar quotation purporting to demonstrate the tax equivalent yield earned or distributions made by the company with a quotation of tax equivalent yield specified in paragraph (d)(2) and current yield specified by paragraph (d)(1) of § 230.482 of this chapter.

(2) Any performance data included in sales literature under paragraphs (b)(1)(ii) or (iii) of this section must meet the currentness requirements of paragraph (g) of § 230.482 of this chapter.

(3) The requirements specified in paragraph (b)(1) of this section shall not apply to any quarterly, semi-annual, or annual report to shareholders under Section 30 of the Act (15 U.S.C. 80a-29) containing performance data for a period commencing no earlier than the first day of the period covered by the report; nor shall the requirements of paragraphs (d)(3)(ii), (d)(4)(ii), and (g) of § 230.482 of this chapter apply to any such periodic report containing any other performance data.

NOTE: Sales literature (except that of a money market fund) containing a quotation of yield or tax equivalent yield must also contain the total return information. In the case of sales literature, the currentness provisions apply from the date of distribution and not the date of submission for publication.

§ 270.35d-1 Investment company names.

(a) For purposes of section 35(d) of the Act (15 U.S.C. 80a-34(d)), a materially deceptive and misleading name of a Fund includes:

(1) *Names suggesting guarantee or approval by the United States government.* A name suggesting that the Fund or the securities issued by it are guaranteed, sponsored, recommended, or approved by the United States govern-

ment or any United States government agency or instrumentality, including any name that uses the words “guaranteed” or “insured” or similar terms in conjunction with the words “United States” or “U.S. government.”

(2) *Names suggesting investment in certain investments or industries.* A name suggesting that the Fund focuses its investments in a particular type of investment or investments, or in investments in a particular industry or group of industries, unless:

(i) The Fund has adopted a policy to invest, under normal circumstances, at least 80% of the value of its Assets in the particular type of investments, or in investments in the particular industry or industries, suggested by the Fund’s name; and

(ii) Either the policy described in paragraph (a)(2)(i) of this section is a fundamental policy under section 8(b)(3) of the Act (15 U.S.C. 80a-8(b)(3)), or the Fund has adopted a policy to provide the Fund’s shareholders with at least 60 days prior notice of any change in the policy described in paragraph (a)(2)(i) of this section that meets the requirements of paragraph (c) of this section.

(3) *Names suggesting investment in certain countries or geographic regions.* A name suggesting that the Fund focuses its investments in a particular country or geographic region, unless:

(i) The Fund has adopted a policy to invest, under normal circumstances, at least 80% of the value of its Assets in investments that are tied economically to the particular country or geographic region suggested by its name;

(ii) The Fund discloses in its prospectus the specific criteria used by the Fund to select these investments; and

(iii) Either the policy described in paragraph (a)(3)(i) of this section is a fundamental policy under section 8(b)(3) of the Act (15 U.S.C. 80a-8(b)(3)), or the Fund has adopted a policy to provide the Fund’s shareholders with at least 60 days prior notice of any change in the policy described in paragraph (a)(3)(i) of this section that meets the requirements of paragraph (c) of this section.

(4) *Tax-exempt Funds.* A name suggesting that the Fund’s distributions are exempt from federal income tax or

§ 270.38a-1

from both federal and state income tax, unless the Fund has adopted a fundamental policy under section 8(b)(3) of the Act (15 U.S.C. 80a-8(b)(3)):

(i) To invest, under normal circumstances, at least 80% of the value of its Assets in investments the income from which is exempt, as applicable, from federal income tax or from both federal and state income tax; or

(ii) To invest, under normal circumstances, its Assets so that at least 80% of the income that it distributes will be exempt, as applicable, from federal income tax or from both federal and state income tax.

(b) The requirements of paragraphs (a)(2) through (a)(4) of this section apply at the time a Fund invests its Assets, except that these requirements shall not apply to any unit investment trust (as defined in section 4(2) of the Act (15 U.S.C. 80a-4(2))) that has made an initial deposit of securities prior to July 31, 2002. If, subsequent to an investment, these requirements are no longer met, the Fund's future investments must be made in a manner that will bring the Fund into compliance with those paragraphs.

(c) A policy to provide a Fund's shareholders with notice of a change in a Fund's investment policy as described in paragraphs (a)(2)(ii) and (a)(3)(iii) of this section must provide that:

(1) The notice will be provided in plain English in a separate written document;

(2) The notice will contain the following prominent statement, or similar clear and understandable statement, in bold-face type: "Important Notice Regarding Change in Investment Policy"; and

(3) The statement contained in paragraph (c)(2) of this section also will appear on the envelope in which the notice is delivered or, if the notice is delivered separately from other communications to investors, that the statement will appear either on the notice or on the envelope in which the notice is delivered.

(d) For purposes of this section:

(1) *Fund* means a registered investment company and any series of the investment company.

(2) *Assets* means net assets, plus the amount of any borrowings for investment purposes.

§ 275.203-3 Hardship exemptions.

This section provides two “hardship exemptions” from the requirement to make Advisers Act filings electronically with the Investment Adviser Registration Depository (IARD).

(a) *Temporary hardship exemption—(1) Eligibility for exemption.* If you are registered or are registering with the Commission as an investment adviser and submit electronic filings on the Investment Adviser Registration Depository (IARD) system, but have unanticipated technical difficulties that prevent you from submitting a filing to the IARD system, you may request a temporary hardship exemption from

Securities and Exchange Commission

§ 275.203(l)-1

the requirements of this chapter to file electronically.

(2) *Application procedures.* To request a temporary hardship exemption, you must:

(i) File Form ADV-H (17 CFR 279.3) in paper format with no later than one business day after the filing that is the subject of the ADV-H was due; and

(ii) Submit the filing that is the subject of the Form ADV-H in electronic format with the IARD no later than seven business days after the filing was due.

(3) *Effective date—upon filing.* The temporary hardship exemption will be granted when you file a completed Form ADV-H.

(b) *Continuing hardship exemption—(1) Eligibility for exemption.* If you are a “small business” (as described in paragraph (b)(5) of this section), you may apply for a continuing hardship exemption.

The period of the exemption may be no longer than one year after the date on which you apply for the exemption.

(2) *Application procedures.* To apply for a continuing hardship exemption, you must file Form ADV-H at least ten business days before a filing is due. The Commission will grant or deny your application within ten business days after you file Form ADV-H.

(3) *Effective date—upon approval.* You are not exempt from the electronic filing requirements until and unless the Commission approves your application. If the Commission approves your application, you may submit your filings to FINRA in paper format for the period of time for which the exemption is granted.

(4) *Criteria for exemption.* Your application will be granted only if you are able to demonstrate that the electronic filing requirements of this chapter are prohibitively burdensome or expensive.

(5) *Small business.* You are a “small business” for purposes of this section if you are required to answer Item 12 of Form ADV (17 CFR 279.1) and checked “no” to each question in Item 12 that you were required to answer.

NOTE TO PARAGRAPH (b): FINRA will charge you an additional fee covering its cost to

convert to electronic format a filing made in reliance on a continuing hardship exemption.

(2) *Exceptions.* This paragraph (a) does not apply if:

(i) You are an investment adviser to an investment company registered under the Investment Company Act of 1940 (15 U.S.C. 80a) or to a company which has elected to be a business development company pursuant to section 54 of the Investment Company Act of 1940 (15 U.S.C. 80a-54), and has not withdrawn the election; or

(2) An investment adviser is a pension consultant, for purposes of paragraph (a) of this section, if the investment adviser provides investment advice to:

(d) *Multi-state investment advisers.* An investment adviser that:

(1) Upon submission of its application for registration with the Commission, is required by the laws of 15 or more States to register as an investment adviser with the state securities authority in the respective States, and thereafter would, but for this section, be required by the laws of at least 15 States to register as an investment adviser with the state securities authority in the respective States;

(2) Elects to rely on paragraph (d) of this section by:

(3) Maintains in an easily accessible place a record of the States in which the investment adviser has determined it would, but for the exemption, be required to register for a period of not less than five years from the filing of a Form ADV that includes a representation that is based on such record.

(1) Deliver to a client or prospective client your current brochure before or at the time you enter into an investment advisory contract with that client.

(2) Deliver to each client, annually within 120 days after the end of your fiscal year and without charge, if there are material changes in your brochure since your last annual updating amendment:

(i) A current brochure, or

(ii) The summary of material changes to the brochure as required by Item 2 of Form ADV, Part 2A that offers to provide your current brochure without charge, accompanied by the Web site address (if available) and an e-mail address (if available) and telephone number by which a client may obtain the current brochure from you, and the Web site address for obtaining information about you through the Investment Adviser Public Disclosure (IAPD) system.

(3) Deliver to each client or prospective client a current brochure supplement for a supervised person before or at the time that supervised person begins to provide advisory services to the client; provided, however, that if investment advice for a client is provided by a team comprised of more than five supervised persons, a current brochure supplement need only be delivered to that client for the five supervised persons with the most significant responsibility for the day-to-day advice provided to that client. For purposes of this section, a supervised person will provide advisory services to a client if that supervised person will:

(i) Formulate investment advice for the client and have direct client contact; or

(ii) Make discretionary investment decisions for the client, even if the supervised person will have no direct client contact.

(4) Deliver the following to each client promptly after you create an amended brochure or brochure supplement, as applicable, if the amendment adds disclosure of an event, or materially revises information already disclosed about an event, in response to Item 9 of Part 2A of Form ADV or Item 3 of Part 2B of Form ADV (Disciplinary Information), respectively, (i) the amended brochure or brochure supplement, as applicable, along with a statement describing the material facts relating to the change in disciplinary information, or (ii) a statement describing the material facts relating to the change in disciplinary information.

Any additional information in a wrap fee program brochure must be limited to information applicable to wrap fee programs that you sponsor.

(2) You do not have to deliver a wrap fee program brochure if another sponsor of the wrap fee program delivers, to the client or prospective client of the wrap fee program, a wrap fee program brochure containing all the information required by Part 2A, Appendix 1 of Form ADV.

NOTE TO PARAGRAPH (d): A wrap fee program brochure does not take the place of any brochure supplements that you are required to deliver under paragraph (b) of this section.

(e) *Multiple brochures.* If you provide substantially different advisory services to different clients, you may provide them with different brochures, so long as each client receives all information about the services and fees that are applicable to that client. The brochure you deliver to a client may omit any information required by Part 2A of Form ADV if the information does not apply to the advisory services or fees

that you will provide or charge, or that you propose to provide or charge, to that client.

§ 275.205-1 Definition of “investment performance” of an investment company and “investment record” of an appropriate index of securities prices.

(a) *Investment performance* of an investment company for any period shall mean the sum of:

(1) The change in its net asset value per share during such period;

(3) The value of capital gains taxes per share paid or payable on undistributed realized long-term capital gains accumulated to the end of such period; expressed as a percentage of its net asset value per share at the beginning of such period. For this purpose, the value of distributions per share of realized capital gains, of dividends per share paid from investment income and of capital gains taxes per share paid or payable on undistributed realized long-term capital gains shall be treated as reinvested in shares of the investment company at the net asset value per share in effect at the close of business on the record date for the payment of such distributions and dividends and the date on which provision is made for such taxes, after giving effect to such distributions, dividends and taxes.

(b) *Investment record* of an appropriate index of securities prices for any period shall mean the sum of:

(1) The change in the level of the index during such period; and

(2) The value, computed consistently with the index, of cash distributions made by companies whose securities comprise the index accumulated to the end of such period; expressed as a percentage of the index level at the beginning of such period. For this purpose cash distributions on the securities which comprise the index shall be treated as reinvested in the index at least as frequently as the end of each calendar quarter following the payment of the dividend.

³ Quarterly percentages have been rounded to two decimal places.

Change in index value for 1971: 102.09 – 92.15 Accumulated value of dividends for 1971:
= 9.94.

$$\frac{\text{Quarter ending:}}{\text{Percent yield}} = \frac{\text{March}}{1.0078} \times \frac{\text{June}}{1.0079} \times \frac{\text{Sept.}}{1.0079} \times \frac{\text{Dec.}}{1.0075} - 1.00 = .0314$$

Aggregate value of dividends paid, assuming quarterly reinvestment and computed consistently with the index:

(Percent yield as computed above) × (ending index value) = Aggregate value of dividends paid

For 1971:

$$.0314 \times 102.09 = 3.21$$

Investment record of Standard & Poor's 500 stock composite index assuming quarterly reinvestment dividends:

$$\frac{9.94 + 3.21}{92.15} = 14.27 \text{ percent}$$

The same method can be extended to cases where an investment company's fiscal quarters do not coincide with the fiscal quarters of the S & P dividend record or to instances where a "rolling period" is used for performance comparisons as indicated by the following example of the calculation of the investment record of the Standard & Poor's 500 Stock Composite Index for the 12 months ended November 1971:

Investment record of the Standard & Poor's 500 Stock Composite Index for the 12 months ended November 30, 1971:

$$\frac{6.79 + 3.01}{87.20} = 11.24 \text{ percent}$$

⁴ The rate for October and November would be two-thirds of the yield for the quarter ended Sept. 30 (i.e. .667 × .79 = .5269) since the yield for the quarter ended Dec. 31 would not be available as of Nov. 30.

§ 275.205-2 Definition of “specified period” over which the asset value of the company or fund under management is averaged.

(a) For purposes of this rule:

(1) *Fulcrum fee* shall mean the fee which is paid or earned when the investment company’s performance is equivalent to that of the index or other measure of performance.

(2) *Rolling period* shall mean a period consisting of a specified number of subperiods of definite length in which the most recent subperiod is substituted for the earliest subperiod as time passes.

(b) The specified period over which the asset value of the company or fund under management is averaged shall mean the period over which the investment performance of the company or fund and the investment record of an appropriate index of securities prices or such other measure of investment performance are computed.

(c) Notwithstanding paragraph (b) of this section, the specified period over which the asset value of the company or fund is averaged for the purpose of computing the fulcrum fee may differ from the period over which the asset value is averaged for computing the performance related portion of the fee, only if:

(1) The performance related portion of the fee is computed over a rolling period and the total fee is payable at the end of each subperiod of the rolling period; and

(2) The fulcrum fee is computed on the basis of the asset value averaged over the most recent subperiod or subperiods of the rolling period.

[37 FR 24896, Nov. 22, 1972]

§ 275.205-3 Exemption from the compensation prohibition of section 205(a)(1) for investment advisers.

(a) *General.* The provisions of section 205(a)(1) of the Act (15 U.S.C. 80b-5(a)(1)) will not be deemed to prohibit an investment adviser from entering into, performing, renewing or extending an investment advisory contract that provides for compensation to the investment adviser on the basis of a share of the capital gains upon, or the capital appreciation of, the funds, or any portion of the funds, of a client, *Provided*, That the client entering into the contract subject to this section is a qualified client, as defined in paragraph (d)(1) of this section.

(b) *Identification of the client.* In the case of a private investment company, as defined in paragraph (d)(3) of this section, an investment company registered under the Investment Company Act of 1940, or a business development company, as defined in section 202(a)(22) of the Act (15 U.S.C. 80b-2(a)(22)), each equity owner of any such company (except for the investment adviser entering into the contract and any other equity owners not charged a fee on the basis of a share of capital gains or capital appreciation) will be considered a client for purposes of paragraph (a) of this section.

(c) *Transition rules—(1) Registered investment advisers.* If a registered investment adviser entered into a contract and satisfied the conditions of this section that were in effect when the contract was entered into, the adviser will be considered to satisfy the conditions of this section; *Provided*, however, that if a natural person or company who was not a party to the contract becomes a party (including an equity owner of a private investment company advised by the adviser), the conditions of this section in effect at that time will apply with regard to that person or company.

(2) *Registered investment advisers that were previously not registered.* If an investment adviser was not required to register with the Commission pursuant to section 203 of the Act (15 U.S.C. 80b-3) and was not registered, section 205(a)(1) of the Act will not apply to an advisory contract entered into when the adviser was not required to register

and was not registered, or to an account of an equity owner of a private investment company advised by the adviser if the account was established when the adviser was not required to register and was not registered; *Provided*, however, that section 205(a)(1) of the Act will apply with regard to a natural person or company who was not a party to the contract and becomes a party (including an equity owner of a private investment company advised by the adviser) when the adviser is required to register.

(3) *Certain transfers of interests.* Solely for purposes of paragraphs (c)(1) and (c)(2) of this section, a transfer of an equity ownership interest in a private investment company by gift or bequest, or pursuant to an agreement related to a legal separation or divorce, will not cause the transferee to “become a party” to the contract and will not cause section 205(a)(1) of the Act to apply to such transferee.

(d) *Definitions.* For the purposes of this section:

(1) The term *qualified client* means:

(i) A natural person who, or a company that, immediately after entering into the contract has, under the management of the investment adviser, at least the applicable dollar amount specified in the most recent order;

(I) The person’s primary residence must not be included as an asset;

(2) Indebtedness secured by the person’s primary residence, up to the estimated fair market value of the primary residence at the time the investment advisory contract is entered into may not be included as a liability (except that if the amount of such indebtedness outstanding at the time of calculation exceeds the amount outstanding 60 days before such time,

other than as a result of the acquisition of the primary residence, the amount of such excess must be included as a liability); and

(3) Indebtedness that is secured by the person’s primary residence in excess of the estimated fair market value of the residence must be included as a liability; or

(B) Is a qualified purchaser as defined in section 2(a)(51)(A) of the Investment Company Act of 1940 (15 U.S.C. 80a-2(a)(51)(A)) at the time the contract is entered into; or

(iii) A natural person who immediately prior to entering into the contract is:

(A) An executive officer, director, trustee, general partner, or person serving in a similar capacity, of the investment adviser; or

(B) An employee of the investment adviser (other than an employee performing solely clerical, secretarial or administrative functions with regard to the investment adviser) who, in connection with his or her regular functions or duties, participates in the investment activities of such investment adviser, provided that such employee has been performing such functions and duties for or on behalf of the investment adviser, or substantially similar functions or duties for or on behalf of another company for at least 12 months.

(2) The term *company* has the same meaning as in section 202(a)(5) of the Act (15 U.S.C. 80b-2(a)(5)), but does not include a company that is required to be registered under the Investment Company Act of 1940 but is not registered.

(3) The term *private investment company* means a company that would be defined as an investment company under section 3(a) of the Investment Company Act of 1940 (15 U.S.C. 80a-3(a)) but for the exception provided from that definition by section 3(c)(1) of such Act (15 U.S.C. 80a-3(c)(1)).

(4) The term *executive officer* means the president, any vice president in charge of a principal business unit, division or function (such as sales, administration or finance), any other officer who performs a policy-making

function, or any other person who performs similar policy-making functions, for the investment adviser.

(5) The term *most recent order* means the most recently issued Commission order in accordance with paragraph (e) of this section and as published in the FEDERAL REGISTER.

(e) *Inflation adjustments.* Pursuant to section 205(e) of the Act, the dollar amounts referenced in paragraphs (d)(1)(i) and (d)(1)(ii)(A) of this section shall be adjusted, by order of the Commission, issued on or about May 1, 2026, and approximately every five years thereafter. The adjusted dollar amounts established in such orders shall be computed by:

(1) Dividing the year-end value of the Personal Consumption Expenditures Chain-Type Price Index (or any successor index thereto), as published by the United States Department of Commerce, for the calendar year preceding the calendar year in which the order is being issued, by the year-end value of such index (or successor) for the calendar year 1997;

(2) For the dollar amount in paragraph (d)(1)(i) of this section, multiplying \$750,000 times the quotient obtained in paragraph (e)(1) of this section and rounding the product to the nearest multiple of \$100,000; and

(3) For the dollar amount in paragraph (d)(1)(ii)(A) of this section, multiplying \$1,500,000 times the quotient obtained in paragraph (e)(1) of this section and rounding the product to the nearest multiple of \$100,000.

§ 275.206(3)-1 Exemption of investment advisers registered as broker-dealers in connection with the provision of certain investment advisory services.

(a) An investment adviser which is a broker or dealer registered pursuant to section 15 of the Securities Exchange Act of 1934 shall be exempt from section 206(3) in connection with any transaction in relation to which such broker or dealer is acting as an investment adviser solely (1) by means of publicly distributed written materials or publicly made oral statements; (2)

by means of written materials or oral statements which do not purport to meet the objectives or needs of specific individuals or accounts; (3) through the issuance of statistical information containing no expressions of opinion as to the investment merits of a particular security; or (4) any combination of the foregoing services: *Provided, however,* That such materials and oral statements include a statement that if the purchaser of the advisory communication uses the services of the adviser in connection with a sale or purchase of a security which is a subject of such communication, the adviser may act as principal for its own account or as agent for another person.

(b) For the purpose of this Rule, publicly distributed written materials are those which are distributed to 35 or more persons who pay for such materials, and publicly made oral statements are those made simultaneously to 35 or more persons who pay for access to such statements.

NOTE: The requirement that the investment adviser disclose that it may act as principal or agent for another person in the sale or purchase of a security that is the subject of investment advice does not relieve the investment adviser of any disclosure obligation which, depending upon the nature of the relationship between the investment adviser and the client, may be imposed by subparagraphs (1) or (2) of section 206 or the other provisions of the federal securities laws.

§ 275.206(3)-2 Agency cross transactions for advisory clients.

(a) An investment adviser, or a person registered as a broker-dealer under section 15 of the Securities Exchange Act of 1934 (15 U.S.C. 78o) and controlling, controlled by, or under common control with an investment adviser, shall be deemed in compliance with the provisions of sections 206(3) of the Act (15 U.S.C. 80b-6(3)) in effecting an agency cross transaction for an advisory client, if:

(1) The advisory client has executed a written consent prospectively authorizing the investment adviser, or any other person relying on this rule, to effect agency cross transactions for such advisory client, provided that such written consent is obtained after full

written disclosure that with respect to agency cross transactions the investment adviser or such other person will act as broker for, receive commissions from, and have a potentially conflicting division of loyalties and responsibilities regarding, both parties to such transactions;

(2) The investment adviser, or any other person relying on this rule, sends to each such client a written confirmation at or before the completion of each such transaction, which confirmation includes (i) a statement of the nature of such transaction, (ii) the date such transaction took place, (iii) an offer to furnish upon request, the time when such transaction took place, and (iv) the source and amount of any other remuneration received or to be received by the investment adviser and any other person relying on this rule in connection with the transaction, *Provided, however*, That if, in the case of a purchase, neither the investment adviser nor any other person relying on this rule was participating in a distribution, or in the case of a sale, neither the investment adviser nor any other person relying on this rule was participating in a tender offer, the written confirmation may state whether any other remuneration has been or will be received and that the source and amount of such other remuneration will be furnished upon written request of such customer;

(3) The investment adviser, or any other person relying in this rule, sends to each such client, at least annually, and with or as part of any written statement or summary of such account from the investment adviser or such other person, a written disclosure statement identifying the total number of such transactions during the period since the date of the last such statement or summary, and the total amount of all commissions or other remuneration received or to be received by the investment adviser or any other person relying on this rule in connection with such transactions during such period;

(4) Each written disclosure statement and confirmation required by this rule includes a conspicuous statement that the written consent referred to in paragraph (a)(1) of this section may be re-

voked at any time by written notice to the investment adviser, or to any other person relying on this rule, from the advisory client; and

(5) No such transaction is effected in which the same investment adviser or an investment adviser and any person controlling, controlled by or under common control with such investment adviser recommended the transaction to both any seller and any purchaser.

(b) For purposes of this rule the term *agency cross transaction for an advisory client* shall mean a transaction in which a person acts as an investment adviser in relation to a transaction in which such investment adviser, or any person controlling, controlled by, or under common control with such investment adviser, acts as broker for both such advisory client and for another person on the other side of the transaction.

(c) This rule shall not be construed as relieving in any way the investment adviser or another person relying on this rule from acting in the best interests of the advisory client, including fulfilling the duty with respect to the best price and execution for the particular transaction for the advisory client; nor shall it relieve such person or persons from any disclosure obligation which may be imposed by subparagraphs (1) or (2) of section 206 of the Act or by other applicable provisions of the federal securities laws.

§ 275.206(4)-1 Investment adviser marketing.

As a means reasonably designed to prevent fraudulent, deceptive, or manipulative acts, practices, or courses of business within the meaning of section 206(4) of the Act (15 U.S.C. 80b-6(4)), it is unlawful for any investment adviser registered or required to be registered under section 203 of the Act (15 U.S.C. 80b-3), directly or indirectly, to disseminate any advertisement that violates any of paragraphs (a) through (d) of this section.

(a) *General prohibitions.* An advertisement may not:

(1) Include any untrue statement of a material fact, or omit to state a material fact necessary in order to make the statement made, in the light of the circumstances under which it was made, not misleading;

(2) Include a material statement of fact that the adviser does not have a reasonable basis for believing it will be able to substantiate upon demand by the Commission;

(3) Include information that would reasonably be likely to cause an untrue or misleading implication or inference to be drawn concerning a material fact relating to the investment adviser;

(4) Discuss any potential benefits to clients or investors connected with or resulting from the investment adviser's services or methods of operation without providing fair and balanced treatment of any material risks or material limitations associated with the potential benefits;

(5) Include a reference to specific investment advice provided by the investment adviser where such investment advice is not presented in a manner that is fair and balanced;

§ 275.206(4)-2 Custody of funds or securities of clients by investment advisers.

(a) *Safekeeping required.* If you are an investment adviser registered or required to be registered under section 203 of the Act (15 U.S.C. 80b-3), it is a fraudulent, deceptive, or manipulative act, practice or course of business within the meaning of section 206(4) of the Act (15 U.S.C. 80b-6(4)) for you to have custody of client funds or securities unless:

(1) *Qualified custodian.* A qualified custodian maintains those funds and securities:

(i) In a separate account for each client under that client's name; or

(ii) In accounts that contain only your clients' funds and securities, under your name as agent or trustee for the clients.

(2) *Notice to clients.* If you open an account with a qualified custodian on your client's behalf, either under the client's name or under your name as agent, you notify the client in writing of the qualified custodian's name, address, and the manner in which the funds or securities are maintained, promptly when the account is opened and following any changes to this information. If you send account statements to a client to which you are required to provide this notice, include in the notification provided to that client and in any subsequent account statement you send that client a statement urging the client to compare the account statements from the custodian with those from the adviser.

(3) *Account statements to clients.* You have a reasonable basis, after due inquiry, for believing that the qualified custodian sends an account statement, at least quarterly, to each of your clients for which it maintains funds or securities, identifying the amount of funds and of each security in the account at the end of the period and setting forth all transactions in the account during that period.

(4) *Independent verification.* The client funds and securities of which you have custody are verified by actual examination at least once during each calendar year, except as provided below, by an independent public accountant, pursuant to a written agreement between you and the accountant, at a time that is chosen by the accountant without prior notice or announcement to you and that is irregular from year to year. The written agreement must provide for the first examination to occur within six months of becoming subject to this paragraph, except that, if you maintain client funds or securities pursuant to this section as a qualified custodian, the agreement must provide for the first examination to occur no later than six months after

obtaining the internal control report. The written agreement must require the accountant to:

(i) File a certificate on Form ADV-E (17 CFR 279.8) with the Commission within 120 days of the time chosen by the accountant in paragraph (a)(4) of this section, stating that it has examined the funds and securities and describing the nature and extent of the examination;

(ii) Upon finding any material discrepancies during the course of the examination, notify the Commission within one business day of the finding, by means of a facsimile transmission or electronic mail, followed by first class mail, directed to the attention of the Director of the Office of Compliance Inspections and Examinations; and

(iii) Upon resignation or dismissal from, or other termination of, the engagement, or upon removing itself or being removed from consideration for being reappointed, file within four business days Form ADV-E accompanied by a statement that includes:

(A) The date of such resignation, dismissal, removal, or other termination, and the name, address, and contact information of the accountant; and

(6) *Investment advisers acting as qualified custodians.* If you maintain, or if you have custody because a related person maintains, client funds or securities pursuant to this section as a qualified custodian in connection with advisory services you provide to clients:

(i) The independent public accountant you retain to perform the independent verification required by para-

graph (a)(4) of this section must be registered with, and subject to regular inspection as of the commencement of the professional engagement period, and as of each calendar year-end, by, the Public Company Accounting Oversight Board in accordance with its rules; and

(ii) You must obtain, or receive from your related person, within six months of becoming subject to this paragraph and thereafter no less frequently than once each calendar year a written internal control report prepared by an independent public accountant:

(A) The internal control report must include an opinion of an independent public accountant as to whether controls have been placed in operation as of a specific date, and are suitably designed and are operating effectively to meet control objectives relating to custodial services, including the safeguarding of funds and securities held by either you or a related person on behalf of your advisory clients, during the year;

(B) The independent public accountant must verify that the funds and securities are reconciled to a custodian other than you or your related person; and

(3) *Fee deduction.* Notwithstanding paragraph (a)(4) of this section, you are not required to obtain an independent verification of client funds and securities maintained by a qualified custodian if:

(ii) if the qualified custodian is a related person, you can rely on paragraph (b)(6) of this section.

(4) *Limited partnerships subject to annual audit.* You are not required to comply with paragraphs (a)(2) and (a)(3) of this section and you shall be deemed to have complied with paragraph (a)(4) of this section with respect to the account of a limited partnership (or limited liability company, or another type of pooled investment vehicle) that is subject to audit (as defined in rule 1-02(d) of Regulation S-X (17 CFR 210.1-02(d))):

(6) *Certain Related Persons.* Notwithstanding paragraph (a)(4) of this section, you are not required to obtain an independent verification of client funds and securities if:

(i) you have custody under this rule solely because a related person holds, directly or indirectly, client funds or securities, or has any authority to obtain possession of them, in connection with advisory services you provide to clients; and

(ii) your related person is operationally independent of you.

(c) *Delivery to Related Person.* Sending an account statement under paragraph (a)(5) of this section or distributing audited financial statements under paragraph (b)(4) of this section shall not satisfy the requirements of this section if such account statements or financial statements are sent solely to limited partners (or members or other beneficial owners) that themselves are limited partnerships (or limited liability companies, or another type of pooled investment vehicle) and are your related persons.

(a) *Prohibitions.* As a means reasonably designed to prevent fraudulent, deceptive or manipulative acts, practices, or courses of business within the meaning of section 206(4) of the Act (15 U.S.C. 80b–6(4)), it shall be unlawful:

(1) For any investment adviser registered (or required to be registered) with the Commission, or unregistered in reliance on the exemption available under section 203(b)(3) of the Advisers Act (15 U.S.C. 80b–3(b)(3)), or that is an exempt reporting adviser, as defined in section 275.204–4(a), to provide investment advisory services for compensation to a government entity within two years after a contribution to an official of the government entity is made by the investment adviser or any covered associate of the investment adviser (including a person who becomes a cov-

ered associate within two years after the contribution is made); and

(2) For any investment adviser registered (or required to be registered) with the Commission, or unregistered in reliance on the exemption available under section 203(b)(3) of the Advisers Act (15 U.S.C. 80b–3(b)(3)), or that is an exempt reporting adviser, or any of the investment adviser's covered associates:

(i) To provide or agree to provide, directly or indirectly, payment to any person to solicit a government entity for investment advisory services on behalf of such investment adviser unless such person is:

(A) A regulated person; or

(B) An executive officer, general partner, managing member (or, in each case, a person with a similar status or function), or employee of the investment adviser; and

(ii) To coordinate, or to solicit any person or political action committee to make, any:

(A) Contribution to an official of a government entity to which the investment adviser is providing or seeking to provide investment advisory services; or

(B) Payment to a political party of a State or locality where the investment adviser is providing or seeking to provide investment advisory services to a government entity.

(b) *Exceptions*—(1) *De minimis exception.* Paragraph (a)(1) of this section does not apply to contributions made by a covered associate, if a natural person, to officials for whom the covered associate *was* entitled to vote at the time of the contributions and which in the aggregate do not exceed \$350 to any one official, per election, or to officials for whom the covered associate was not entitled to vote at the time of the contributions and which in the aggregate do not exceed \$150 to any one official, per election.

(2) *Exception for certain new covered associates.* The prohibitions of paragraph (a)(1) of this section shall not apply to an investment adviser as a result of a contribution made by a natural person more than six months prior to becoming a covered associate of the investment adviser unless such person,

after becoming a covered associate, solicits clients on behalf of the investment adviser.

(3) *Exception for certain returned contributions.* (i) An investment adviser that is prohibited from providing investment advisory services for compensation pursuant to paragraph (a)(1) of this section as a result of a contribution made by a covered associate of the investment adviser is excepted from such prohibition, subject to paragraphs (b)(3)(ii) and (b)(3)(iii) of this section, upon satisfaction of the following requirements:

(A) The investment adviser must have discovered the contribution which resulted in the prohibition within four months of the date of such contribution;

(B) Such contribution must not have exceeded \$350; and

(C) The contributor must obtain a return of the contribution within 60 calendar days of the date of discovery of such contribution by the investment adviser.

(ii) In any calendar year, an investment adviser that has reported on its annual updating amendment to Form ADV (17 CFR 279.1) that it has more than 50 employees is entitled to no more than three exceptions pursuant to paragraph (b)(3)(i) of this section, and an investment adviser that has reported on its annual updating amendment to Form ADV that it has 50 or fewer employees is entitled to no more than two exceptions pursuant to paragraph (b)(3)(i) of this section.

(iii) An investment adviser may not rely on the exception provided in paragraph (b)(3)(i) of this section more than once with respect to contributions by the same covered associate of the investment adviser regardless of the time period.

(c) *Prohibitions as applied to covered investment pools.* For purposes of this section, an investment adviser to a covered investment pool in which a government entity invests or is solicited to invest shall be treated as though that investment adviser were providing or seeking to provide investment advisory services directly to the government entity.

(d) *Further prohibition.* As a means reasonably designed to prevent fraudu-

lent, deceptive or manipulative acts, practices, or courses of business within the meaning of section 206(4) of Advisers Act (15 U.S.C. 80b-6(4)), it shall be unlawful for any investment adviser registered (or required to be registered) with the Commission, or unregistered in reliance on the exemption available under section 203(b)(3) of the Advisers Act (15 U.S.C. 80b-3(b)(3)), or that is an exempt reporting adviser, or any of the investment adviser's covered associates to do anything indirectly which, if done directly, would result in a violation of this section.

(e) *Exemptions.* The Commission, upon application, may conditionally or unconditionally exempt an investment adviser from the prohibition under paragraph (a)(1) of this section. In determining whether to grant an exemption, the Commission will consider, among other factors:

(ii) Prior to or at the time the contribution which resulted in such prohibition was made, had no actual knowledge of the contribution; and

(iii) After learning of the contribution:

(A) Has taken all available steps to cause the contributor involved in making the contribution which resulted in such prohibition to obtain a return of the contribution; and

(B) Has taken such other remedial or preventive measures as may be appropriate under the circumstances;

(3) Whether, at the time of the contribution, the contributor was a covered associate or otherwise an employee of the investment adviser, or was seeking such employment;

EXPLANATORY NOTE: Pursuant to section 3(e)(2)(D) of the Securities Investor Protection Act of 1970 (hereinafter referred to as “the Act”), the Securities and Exchange Commission (hereinafter referred to as “the Commission”) shall approve a proposed rule change submitted by the Securities Investor Protection Corporation if it finds that such proposed rule change is in the public interest and is consistent with the purposes of the Act, and any proposed rule change so approved shall be given force and effect as if promulgated by the Commission. The rules of this part 300 have been so approved.

ACCOUNTS OF “SEPARATE” CUSTOMERS OF SIPC MEMBERS

§ 300.100 General.

(a) For the purpose of sections 9(a)(2) and 16(12) of the Securities Investor Protection Act (hereinafter referred to as “the Act”), these rules will be applied in determining what accounts held by a person with a member of SIPC (hereinafter called a “member”) are to be deemed accounts held in a capacity other than his individual capacity.

(b) Accounts held by a customer in different capacities, as specified by these rules, shall be deemed to be accounts of “separate” customers.

(c) A “person” as used in these rules includes, but is not limited to, an individual, a corporation, a partnership, an association, a joint stock company, a trust, an unincorporated organization, or a government or political subdivision thereof.

(d) The burden shall be upon the customer to establish each capacity in which he claims to hold accounts separate from his individual capacity.

§ 300.101 Individual accounts.

(a) Except as otherwise provided in these rules, all accounts held with a member by a person in his own name,

§ 300.102

and those which under these rules are deemed his individual accounts, shall be combined so as to constitute a single account of a separate customer.

(b) An account held with a member by an agent or nominee for another person as a principal or beneficial owner shall, except as otherwise provided in these rules, be deemed to be an individual account of such principal or beneficial owner.

§ 300.102 Accounts held by executors, administrators, guardians, etc.

(a) Accounts held with a member in the name of a decedent or in the name of his estate or in the name of the executor or administrator of the estate of the decedent shall be combined so as to constitute a single account of a separate customer.

(b) An account held with a member by a guardian, custodian, or conservator for the benefit of a ward or for the benefit of a minor under the Uniform Gifts to Minors Act or in a similar capacity shall be deemed to be held by such guardian, custodian, or conservator in a different capacity from any account or accounts maintained by such person in his individual capacity.

§ 300.103 Accounts held by a corporation, partnership or unincorporated association.

A corporation, partnership or unincorporated association holding an account with a member shall be deemed to be a separate customer distinct from the person or persons owning such corporation or comprising such partnership or unincorporated association if on the filing date it existed for a purpose other than primarily to obtain or increase protection under the Act.

§ 300.104 Trust accounts.

(a) A trust account held with a member shall be deemed a "qualifying trust account" if it is held on behalf of a valid and subsisting express trust created by a written instrument. No account held on behalf of a trust that on the filing date existed primarily to obtain or increase protection under the Act shall be deemed to be a qualifying trust account.

(b) A qualifying trust account held with a member shall be deemed held by

17 CFR Ch. II (4-1-22 Edition)

a separate customer of the member, distinct from the trustee, the testator or his estate, the settlor, or any beneficiary of the trust.

(c) Any account held with a member on behalf of a trust which does not meet the requirements of paragraph (a) of this rule shall be deemed to be an individual account of the settlor of the trust on behalf of which the account is held.

§ 300.105 Joint accounts.

(a) A joint account shall be deemed to be a "qualifying joint account" if it is owned jointly, whether by the owners thereof as joint tenants with the right of survivorship, as tenants by the entirety or as tenants in common, or by husband and wife as community property, but only if each co-owner possesses authority to act with respect to the entire account.

(b) Subject to paragraph (c) of this rule, each qualifying joint account with a member shall be deemed held by one separate customer of the member.

(c) All qualifying joint accounts with a member owned by the same persons shall be deemed held by the same customer so that the maximum protection afforded to such accounts in the aggregate shall be the protection afforded to one separate customer of the member.

(d) A joint account with a member which does not meet the requirements of paragraph (a) of this rule shall be deemed to be an individual or qualifying joint account of the co-owner or co-owners having the exclusive power to act with respect to it.

ACCOUNTS INTRODUCED BY OTHER BROKERS OR DEALERS

§ 300.200 General.

A person having one or more accounts cleared by the member on a fully disclosed basis for one or more introducing brokers or dealers is a customer of the member and shall be protected with respect to such account or accounts without regard to the protection available for any other account or accounts he may have with the member.

Securities and Exchange Commission

§ 300.301

§ 300.201 Accounts introduced by same or different broker or dealer.

(b) The term *failed to deliver* shall mean a contractual commitment of the debtor, made in the ordinary course of business, to deliver securities to another broker or dealer against receipt from such broker or dealer of the contract price in cash: *Provided*, That the respective obligations of the parties remained outstanding until the close of business on the filing date.

(c) The term *open contractual commitment* shall mean a failed to receive or a failed to deliver which had a settlement date prior to the filing date and the respective obligations of the parties remained outstanding on the filing date or had a settlement date which occurs on or within three business days subsequent to the filing date: *Provided*,

however, That the term "open contractual commitment" shall not include any contractual commitment for which the security which is the subject of the trade had not been issued by the issuer as of the trade date.

(d) The term *customer* shall mean a person (other than a broker or dealer) in whose behalf a broker or dealer has executed a transaction out of which arose an open contractual commitment with the debtor, but shall not include any person to the extent that such person at the filing date (1) had a claim for property which by contract, agreement of understanding, or by operation of law, was a part of the capital of the broker or dealer who executed such transaction or was subordinated to the claims of creditors of such broker or dealer, or (2) had a relationship with the debtor which is specified in section 9(a)(4) of the Act.

[44 FR 21211, Apr. 9, 1979, as amended at 62 FR 10451, Mar. 7, 1997]

§ 300.301 Contracts to be closed out or completed.

An open contractual commitment shall be closed out or completed if:

(a) The open contractual commitment:

(1) Arises from a transaction in which a customer (as defined in § 300.300) of the other broker or dealer had an interest. For the purposes of this rule a customer is deemed to have an interest in a transaction if (i) the other broker was acting as agent for the customer or (ii) the other dealer was not a market maker in the security involved, to the extent such other dealer held a firm order from the customer and in connection therewith: In the case of a buy order, prior to executing such customer's order purchased as principal the same number of shares or purchased shares to accumulate the number of shares necessary to complete the order; or in the case of a sell order, prior to executing such customer's order sold the same number of shares or a portion thereof; and

(2)(i) Had a settlement date on or within 30 calendar days prior to the filing date and the respective obligations of the parties remained outstanding on the filing date or had a settlement date

§ 300.302

17 CFR Ch. II (4-1-22 Edition)

which occurs on or within three business days subsequent to the filing date; and

(ii) Had a trade date on or within three business days prior to such settlement date; and

(b) The other broker or dealer can establish to the satisfaction of the trustee through appropriate documentation that:

(1) In the case of a broker or dealer who maintains his records on a specific identification basis:

(i) The open contractual commitment arose out of a transaction in which his customer had such an interest, and

(ii) In the case of a failed to deliver of the debtor, as of the filing date such broker's or dealer's customer's interest had not been sold to such broker or dealer; or

(2) In the case of a broker or dealer who maintains his records other than on a specific identification basis, he has determined that a customer had such an interest in a manner consistent with that used by such broker or dealer prior to the filing date to allocate fails to receive and fails to deliver in computing the special reserve bank account requirement pursuant to the provisions of Rule 15c3-3 under the Securities Exchange Act of 1934 (17 CFR 240.15c3-3); or

(3) In the case of a broker or dealer not described in paragraph (b)(1) or (2) of this section, he has made the determination in a manner which the trustee finds to be fair and equitable.

[44 FR 21211, Apr. 9, 1979, as amended at 62 FR 10451, Mar. 7, 1997]

§ 300.302 Mechanics of closeout or completion.

(a) The closeout or completion of an open contractual commitment meeting the requirements of § 300.301 shall be effected only:

(1) By the buy-in or sell-out of the commitment by the other broker or dealer in accordance with the usual trade practices initiated by the other broker or dealer within or promptly upon the expiration of a period of 30 calendar days after settlement date; or

(2) At the option of the trustee by the delivery of securities against receipt of the contract price or payment of the

contract price against the receipt of the securities at any time within 30 calendar days after settlement date unless the commitment previously has been bought-in or sold-out in accordance with paragraph (a)(1) of this section; or

(3) In the event of the refusal of the other broker or dealer to accept completion of an open contractual commitment in accordance with paragraph (a)(2) of this section, or the failure of the other broker or dealer to promptly buy-in or sell-out a commitment in accordance with paragraph (a)(1) of this section, or in the event of the failure of the other broker or dealer to provide the trustee with appropriate documentation as required by § 300.303, by delivery of securities against receipt of the contract price or payment of the contract price against receipt of securities, or the buy-in or sell-out of the commitment or cancellation of the commitment or otherwise, as may be appropriate, as the trustee in his discretion will most benefit the estate of the debtor.

(b) In the event of a close-out of an open contractual commitment pursuant to paragraph (a)(1) of this section, the money differences resulting from such close-out shall be payable by the other broker or dealer to the trustee or by the trustee to the other broker or dealer, whichever would be entitled to receive such difference under the usual trade practices: *Provided, however*, (1) That prior to the payment of any such money difference by the trustee to such other broker or dealer with respect to transactions executed by such other broker or dealer for any separate customer account, all open contractual commitments with respect to such account which meet the requirements of § 300.301 must have been completed by delivery of securities against receipt of the contract price or by payment of the contract price against receipt of the securities in conformity with paragraph (a)(2) of this section, or by buy-in or sell-out in conformity with paragraph (a)(1) of this section, and (2) that the net amount so payable by the trustee to the other broker or dealer shall not exceed \$40,000 with respect to any separate customer account.

§ 300.303 Report to trustee.

Promptly upon the expiration of 30 calendar days after the filing date, or if by the expiration of such 30-day period notice pursuant to section 8(a) of the Act of the commencement of proceedings has not been published, then as soon as practicable after publication of such notice, a broker or dealer who had executed transactions in securities out of which arose open contractual commitments with the debtor shall furnish to the trustee such information with respect to the buy-in, sell-out or other status of open contractual commitments as called for by Forms 300-A, B and C (§§301.300a-301.300c of this chapter) including appropriate supporting documentation and schedules.

§ 300.304 Retained rights of brokers or dealers.

(a) Nothing stated in these rules shall be construed to prejudice the right of a broker or dealer to any claim against the debtor's estate, or the right of the trustee to make any claim against a broker or dealer, with respect to a commitment of the debtor which was outstanding on the filing date, but (1) which is not described in § 300.300(c), or (2) which, although described in § 300.300(c), does not meet the requirements specified in § 300.301 or was not closed out of completed in accordance with § 300.302 or was not reported to the trustee in conformity with § 300.303 or was not supported by appropriate documentation.

(b) Nothing stated in these rules shall be construed to prejudice the right of a broker or dealer to a claim against the debtor's estate for the amount by which the money difference due the broker or dealer upon a buy-in or sell-out may exceed the amount paid by the trustee to such broker or dealer.

§ 300.305 Excluded contracts.

Notwithstanding the fact that an open contractual commitment described in § 300.300(c) meets the requirements of § 300.301 and the other requirements of these rules, a court shall not be precluded from canceling such commitment, awarding damages, or granting such other remedy as it shall deem fair and equitable if, on application of the trustee or SIPC, it determines that

such commitment was not entered into in the ordinary course of business or was entered into by the debtor, or the broker or dealer or his customer, for the purposes of creating a commitment in contemplation of a liquidation proceeding under the Act. Such a determination shall be made after notice and opportunity for hearing by the debtor, such broker or dealer, or such customer, and may be made before or after the delivery of securities or payment of the contract price or before or after any buy-in or sell-out of the open contractual commitment, or otherwise.

§ 300.306 Completion or closeout pursuant to SIPC direction.

In its discretion SIPC may, in order to prevent a substantial detrimental impact upon the financial condition of one or more brokers or dealers, direct the closeout or completion of an open contractual commitment, irrespective of whether it is described in § 300.300(c) or meets the requirements of § 300.301 or has been reported in conformity with § 300.303 or is supported by appropriate documentation. SIPC shall consult with the Securities and Exchange Commission before SIPC makes any determinations under this section.

§ 300.307 Completion with cash or securities of customer.

The trustee may, if authorized by the court, complete an open contractual commitment of the debtor, regardless of whether it is described in § 300.300(c) or meets the requirements of § 300.301 or has been reported to the trustee in conformity with § 300.303, to the extent that such commitment is completed with customer name securities of the customer of the debtor for whose account the commitment was made, or with cash or securities paid or delivered by or for the account of such customer to the debtor or trustee after the filing date.

§ 300.400 Satisfaction of customer claims for standardized options.

(a) For the purpose of sections 7(b)(1), 8 (b) and (d), and 16(11) of the Securities Investor Protection Act (hereinafter referred to as "the Act"), this rule will

§ 300.500

17 CFR Ch. II (4–1–22 Edition)

be applied in determining what a customer will receive in either (1) a liquidation proceeding pursuant to the Act or (2) a direct payment procedure pursuant to section 10 of the Act, in satisfaction of a claim based upon Standardized Options positions.

(b) As promptly as practicable after the initiation of a liquidation proceeding or a direct payment procedure under the Act, the trustee in a liquidation proceeding, or SIPC in a direct payment procedure, shall liquidate or cause to be liquidated, by sale or purchase, all Standardized Options positions held for the accounts of customers except to the extent that the trustee, with SIPC's consent, or SIPC as trustee, as the case may be, has arranged or is able promptly to arrange, a transfer of some or all of such positions to another SIPC member.

(c) A trustee in a liquidation proceeding, or SIPC in a direct payment procedure, shall calculate the dollar amount of all Standardized Options positions held for the account of a customer in accordance with section 16(11) of the Act, and credit or debit, as appropriate, the dollar amount so calculated to the account of such customer.

(d) Notwithstanding paragraph (b) of this section, neither the trustee in a liquidation proceeding nor SIPC in a direct payment procedure shall be required under this rule to liquidate any short position in Standardized Options covered by the deposit of (1) the underlying securities, in the case of a call option, or (2) treasury bills, in the case of a put option, by or on behalf of a customer with a bank or other depository. Any such positions that are not liquidated shall be excluded from the calculation provided for in paragraph (c) of this section.

(e) In no event will Standardized Options positions be delivered to or on behalf of customers in satisfaction of claims pursuant to section 7(b)(1) of the Act except to the extent that such positions have been transferred as provided in paragraph (b) of this section.

(f) In no event will Standardized Options be purchased for delivery to customers pursuant to section 8(d) of the Act.

(g) This rule shall not be construed as limiting or restricting in any way the exercise of any right of a broker or registered clearing agency to liquidate or cause the liquidation of Standardized Options Positions.

(h) As used in this rule the term *Standardized Options* means options traded on a national securities exchange, an automated quotation system of a registered securities association, or a foreign securities exchange, and any other option that is a security under section 16(14) of the Act, 15 U.S.C. 78ll(14), and is issued by a securities clearing agency registered under section 17A of the Securities Exchange Act of 1934, 15 U.S.C. 78q-1, or a foreign securities clearing agency.

§ 302.101 Appointment of receiver and trustee for covered broker or dealer.

Upon the appointment of the Corporation as receiver for a covered broker or dealer, the Corporation shall appoint SIPC to act as trustee for the covered broker or dealer.

§ 302.102 Notice and application for protective decree for covered broker or dealer.

(a) SIPC and the Corporation, upon consultation with the Commission, shall jointly determine the terms of a notice and application for a protective decree that will be filed promptly with the Federal district court for the district within which the principal place of business of the covered broker or dealer is located; *provided that* if a case or proceeding under SIPA with respect to such covered broker or dealer is then pending, then such notice and application for a protective decree will be filed promptly with the Federal district court in which such case or proceeding under SIPA is pending. (1) Of the appointment of the Corporation as receiver and the appoint-

17 CFR Ch. II (4–1–22 Edition)

ment of SIPC as trustee for the covered broker or dealer; and

(2) That the provisions of Title II of the Dodd-Frank Act and any regulations promulgated thereunder may apply, including without limitation the following:

(i) Any existing case or proceeding with respect to a covered broker or dealer under the Bankruptcy Code or SIPA shall be dismissed effective as of the appointment date and no such case or proceeding may be commenced with respect to a covered broker or dealer at any time while the Corporation is receiver for such covered broker or dealer;

(ii) The revesting of assets in a covered broker or dealer to the extent that they have vested in any entity other than the covered broker or dealer as a result of any case or proceeding commenced with respect to the covered broker or dealer under the Bankruptcy Code, SIPA, or any similar provision of State liquidation or insolvency law applicable to the covered broker or dealer; *provided that* any such revesting shall not apply to assets held by the covered broker or dealer, including customer property, transferred prior to the appointment date pursuant to an order entered by the bankruptcy court presiding over the case or proceeding with respect to the covered broker or dealer;

(iii) The request of the Corporation as receiver for a stay in any judicial action or proceeding (other than actions dismissed in accordance with paragraph (b)(i) of this section) in which the covered broker or dealer is or becomes a party for a period of up to 90 days from the appointment date;

(v) The exercise of rights and the performance of obligations by parties to qualified financial contracts with the covered broker or dealer may be affected, stayed, or delayed pursuant to the provisions of Title II of the Dodd-Frank Act (including 12 U.S.C. 5390(c)) and the regulations promulgated thereunder.

§ 302.103 Bridge broker or dealer.

(a) The Corporation, as receiver for one or more covered brokers or dealers or in anticipation of being appointed receiver for one or more covered broker or dealers, may organize one or more bridge brokers or dealers with respect to a covered broker or dealer.

(b) If the Corporation establishes one or more bridge brokers or dealers with respect to a covered broker or dealer, then, subject to paragraph (d) of this section, the Corporation as receiver for such covered broker or dealer shall transfer all customer accounts and all associated customer name securities and customer property to such bridge brokers or dealers unless the Corporation determines, after consultation with the Commission and SIPC, that:

(1) The customer accounts, customer name securities, and customer property are likely to be promptly transferred to one or more qualified brokers or dealers such that the use of a bridge broker or dealer would not facilitate such transfer to one or more qualified brokers or dealers; or

(2) The transfer of such customer accounts to a bridge broker or dealer would materially interfere with the ability of the Corporation to avoid or mitigate serious adverse effects on financial stability or economic conditions in the United States.

(c) The Corporation, as receiver for such covered broker or dealer, also may transfer any other assets and liabilities of the covered broker or dealer (including non-customer accounts and any associated property and any assets and liabilities associated with any trust or custody business) to such

bridge brokers or dealers as the Corporation may, in its discretion, determine to be appropriate in accordance with, and subject to the requirements of, 12 U.S.C. 5390(h), including 12 U.S.C. 5390(h)(1) and 5390(h)(5), and any regulations promulgated thereunder.

(d) In connection with customer accounts transferred to the bridge broker or dealer pursuant to paragraph (b) of this section, claims for net equity shall not be transferred but shall remain with the covered broker or dealer. Customer property transferred from the covered broker or dealer, along with advances from SIPC, shall be allocated to customer accounts at the bridge broker or dealer in accordance with § 302.104(a)(3). Such allocations initially may be based upon estimates, and such estimates may be based upon the books and records of the covered broker or dealer or any other information deemed relevant in the discretion of the Corporation, as receiver, in consultation with SIPC, as trustee. Such estimates may be adjusted from time to time as additional information becomes available. With respect to each account transferred to the bridge broker or dealer pursuant to paragraph (b) or (c) of this section, the bridge broker or dealer shall undertake the obligations of a broker or dealer only with respect to property transferred to and held by the bridge broker or dealer, and allocated to the account as provided in § 302.104(a)(3), including any customer property and any advances from SIPC. The bridge broker or dealer shall have no obligations with respect to any customer property or other property that is not transferred from the covered broker or dealer to the bridge broker or dealer. The transfer of customer property to such an account shall have no effect on calculation of the amount of the affected account holder's net equity, but the value, as of the appointment date, of the customer property and advances from SIPC so transferred shall be deemed to satisfy any such claim, in whole or in part.

(e) The transfer of assets or liabilities held by a covered broker or dealer, including customer accounts and all associated customer name securities

and customer property, assets and liabilities held by a covered broker or dealer for any non-customer creditor, and assets and liabilities associated with any trust or custody business, to a bridge broker or dealer, shall be effective without any consent, authorization, or approval of any person or entity, including but not limited to, any customer, contract party, governmental authority, or court.

(f) Any succession to or assumption by a bridge broker or dealer of rights, powers, authorities, or privileges of a covered broker or dealer shall be effective without any consent, authorization, or approval of any person or entity, including but not limited to, any customer, contract party, governmental authority, or court, and any such bridge broker or dealer shall upon its organization by the Corporation immediately and by operation of law—

(1) Be established and deemed registered with the Commission under the Securities Exchange Act of 1934;

(2) Be deemed to be a member of SIPC; and

(3) Succeed to any and all registrations and memberships of the covered broker or dealer with or in any self-regulatory organizations.

(g) Except as provided in paragraph (f) of this section, the bridge broker or dealer shall be subject to applicable Federal securities laws and all requirements with respect to being a member of a self-regulatory organization and shall operate in accordance with all such laws and requirements and in accordance with its articles of association; provided, however, that the Commission may, in its discretion, exempt the bridge broker or dealer from any such requirements if the Commission deems such exemption to be necessary or appropriate in the public interest or for the protection of investors.

(h) At the end of the term of existence of a bridge broker or dealer, any proceeds that remain after payment of all administrative expenses of such bridge broker or dealer and all other claims against such bridge broker or dealer shall be distributed to the receiver for the related covered broker or dealer.

§ 302.104 Claims of customers and other creditors of a covered broker or dealer.

(a) *Trustee's role.* (1) SIPC, as trustee for a covered broker or dealer, shall determine customer status, claims for net equity, claims for customer name securities, and whether property of the covered broker or dealer qualifies as customer property. SIPC, as trustee for a covered broker or dealer, shall make claims determinations in accordance with SIPA and with paragraph (a)(3) of this section, but such determinations, and any claims related thereto, shall be governed by the procedures set forth in paragraph (b) of this section.

(2) SIPC shall make advances in accordance with, and subject to the limitations imposed by, 15 U.S.C. 78fff-3. Where appropriate, SIPC shall make such advances by delivering cash or securities to the customer accounts established at the bridge broker or dealer.

(3) Customer property held by a covered broker or dealer shall be allocated as follows:

(i) First, to SIPC in repayment of advances made by SIPC pursuant to 12 U.S.C. 5385(f) and 15 U.S.C. 78fff-3(c)(1), to the extent such advances effected the release of securities which then were apportioned to customer property pursuant to 15 U.S.C. 78fff(d);

(ii) Second, to customers of such covered broker or dealer, or in the case that customer accounts are transferred to a bridge broker or dealer, then to such customer accounts at a bridge broker or dealer, who shall share ratably in such customer property on the basis and to the extent of their respective net equities;

(iii) Third, to SIPC as subrogee for the claims of customers; and

(iv) Fourth, to SIPC in repayment of advances made by SIPC pursuant to 15 U.S.C. 78fff-3(c)(2).

(4) The determinations and advances made by SIPC as trustee for a covered broker or dealer under §§ 302.100 through 302.107 shall be made in a manner consistent with SIPC's customary practices under SIPA. The allocation of customer property, advances from SIPC, and delivery of customer name securities to each customer or to its customer account at a bridge broker or

dealer, in partial or complete satisfaction of such customer's net equity claims as of the close of business on the appointment date, shall be in a manner, including form and timing, and in an amount at least as beneficial to such customer as would have been the case had the covered broker or dealer been liquidated under SIPA. Any claims related to determinations made by SIPC as trustee for a covered broker or dealer shall be governed by the procedures set forth in paragraph (b) of this section.

(b) *Receiver's role.* Any claim shall be determined in accordance with the procedures set forth in 12 U.S.C. 5390(a)(2)–(5) and the regulations promulgated by the Corporation thereunder, provided however, that—

(1) *Notice requirements.* The notice of the appointment of the Corporation as receiver for a covered broker or dealer shall also include notice of the appointment of SIPC as trustee. The Corporation as receiver shall coordinate with SIPC as trustee to post the notice on SIPC's public website in addition to the publication procedures set forth in 12 CFR 380.33.

(2) *Procedures for filing a claim.* The Corporation as receiver shall consult with SIPC, as trustee, regarding a claim form and filing instructions with respect to claims against the Corporation as receiver for a covered broker or dealer, and such information shall be provided on SIPC's public website in addition to the Corporation's public website. Any such claim form shall contain a provision permitting a claimant to claim status as a customer of the broker or dealer, if applicable.

(3) *Claims bar date.* The Corporation as receiver shall establish a claims bar date in accordance with 12 U.S.C. 5390(a)(2)(B)(i) and any regulations promulgated thereunder by which date creditors of a covered broker or dealer, including all customers of the covered broker or dealer, shall present their claims, together with proof. The claims bar date for a covered broker or dealer shall be the date following the expiration of the six-month period beginning on the date a notice to creditors to file their claims is first published in accordance with 12 U.S.C. 5390(a)(2)(B)(i) and any regulations promulgated

thereunder. Any claim filed after the claims bar date shall be disallowed, and such disallowance shall be final, as provided by 12 U.S.C. 5390(a)(3)(C)(i) and any regulations promulgated thereunder, except that a claim filed after the claims bar date shall be considered by the receiver as provided by 12 U.S.C. 5390(a)(3)(C)(ii) and any regulations promulgated thereunder. In accordance with section 8(a)(3) of SIPA, 15 U.S.C. 78fff-2(a)(3), any claim for net equity filed more than sixty days after the date the notice to creditors to file claims is first published need not be paid or satisfied in whole or in part out of customer property and, to the extent such claim is paid by funds advanced by SIPC, it shall be satisfied in cash or securities, or both, as SIPC, as trustee, determines is most economical to the receivership estate.

(c) *Decision period.* The Corporation as receiver of a covered broker or dealer shall notify a claimant whether it allows or disallows the claim, or any portion of a claim or any claim of a security, preference, set-off, or priority, within the 180-day period set forth in 12 U.S.C. 5390(a)(3)(A) and any regulations promulgated thereunder (as such 180-day period may be extended by written agreement as provided therein) or within the 90-day period set forth in 12 U.S.C. 5390(a)(5)(B) and any regulations promulgated thereunder, whichever is applicable. In accordance with paragraph (a) of this section, the Corporation, as receiver, shall issue the notice required by this paragraph (c), which shall utilize the determination made by SIPC, as trustee, in a manner consistent with SIPC's customary practices in a liquidation under SIPA, with respect to any claim for net equity or customer name securities. The process established herein for the determination, within the 180-day period set forth in 12 U.S.C. 5390(a)(3)(A) and any regulations promulgated thereunder (as such 180-day period may be extended by written agreement as provided therein), of claims by customers of a covered broker or dealer for customer property or customer name securities shall constitute the exclusive process for the determination of such claims, and any procedure for expedited relief established pursuant to 12

§ 302.105

U.S.C. 5390(a)(5) and any regulations promulgated thereunder shall be inapplicable to such claims.

(d) *Judicial review.* The claimant may seek a judicial determination of any claim disallowed, in whole or in part, by the Corporation as receiver, including any claim disallowed based upon any determination(s) of SIPC as trustee made pursuant to §302.104(a), by the appropriate district or territorial court of the United States in accordance with 12 U.S.C. 5390(a)(4) or (5), whichever is applicable, and any regulations promulgated thereunder.

§302.105 Priorities for unsecured claims against a covered broker or dealer.

Allowed claims not satisfied pursuant to §302.103(d), including allowed claims for net equity to the extent not satisfied after final allocation of customer property in accordance with §302.104(a)(3), shall be paid in accordance with the order of priority set forth in 12 CFR 380.21 subject to the following adjustments:

(a) Administrative expenses of SIPC incurred in performing its responsibilities as trustee for a covered broker or dealer shall be included as administrative expenses of the receiver as defined in 12 CFR 380.22 and shall be paid *pro rata* with such expenses in accordance with 12 CFR 380.21(c).

(b) Amounts paid by the Corporation to customers or SIPC shall be included as amounts owed to the United States as defined in 12 CFR 380.23 and shall be paid *pro rata* with such amounts in accordance with 12 CFR 380.21(c).

(c) Amounts advanced by SIPC for the purpose of satisfying customer claims for net equity shall be paid following the payment of all amounts owed to the United States pursuant to 12 CFR 380.21(a)(3) but prior to the pay-

17 CFR Ch. II (4–1–22 Edition)

ment of any other class or priority of claims described in 12 CFR 380.21(a)(4) through (11).

§302.106 Administrative expenses of SIPC.

(a) In carrying out its responsibilities, SIPC, as trustee for a covered broker or dealer, may utilize the services of third parties, including private attorneys, accountants, consultants, advisors, outside experts, and other third party professionals. § 400.1 Scope of regulations.

(a) Title I of the Government Securities Act of 1986 (Pub. L. 99-571, 100 Stat. 3208) amends the Securities Exchange Act of 1934 (48 Stat. 881-905; 15 U.S.C. chapter 2B) (“Act”) by adding section 15C, authorizing the Secretary of the Treasury to promulgate regulations concerning the financial responsibility, protection of customer securities and balances, recordkeeping and reporting of brokers and dealers in government securities. Those regulations constitute subchapter A of this chapter. Unless otherwise explicitly provided, all regulations in this subchapter apply to all government securities brokers or dealers, including registered brokers or dealers and financial institutions. Registered brokers or dealers include OTC derivatives dealers.

(b) Section 15C(a)(1)(A) of the Act (15 U.S.C. 78o-5(a)(1)(A)) requires all government securities brokers and government securities dealers, except those who are brokers or dealers registered pursuant to section 15 or section 15B of the Act or financial institutions, to register with the Securities and Exchange Commission (“Commission”). Regulations concerning registration are at §240.15Ca2-1 *et seq.* of this title. The Commission is responsible for the

interpretation of the definitions of government securities broker and government securities dealer and of the regulations at §240.15Ca2-1 *et seq.*

(c) Section 15C(a)(1)(B)(i) of the Act (15 U.S.C. 78o-5(a)(1)(B)(i)) requires all government securities brokers or dealers that are also registered brokers or dealers to notify the Commission of their status as government securities brokers or dealers. Regulations concerning notice are at §240.15Ca1-1 of this title.

(d) Section 15C(a)(1)(B)(i) of the Act also requires all government securities brokers or dealers that are financial institutions to notify the appropriate regulatory agency, as defined in section 3(a)(34)(G) of the Act (15 U.S.C. 78c(a)(34)(G)), of their status as government securities brokers or dealers. The form of notice, Form G-FIN, is at §449.1 of this chapter. Forms are available from the appropriate regulatory agency.

(e) Section 104 of the Government Securities Act Amendments of 1993 (Pub. L. 103-202, 107 Stat. 2344) amended Section 15C of the Act (15 U.S.C. 78o-5) by adding a new subsection (f), authorizing the Secretary of the Treasury to adopt rules to require specified persons holding, maintaining or controlling a large position in to-be-issued or recently-issued Treasury securities to report such a position and make and keep records related to such a position. Part 420 of this subchapter contains the rules governing large position reporting.

[52 FR 27926, July 24, 1987, as amended at 61 FR 48348, Sept. 12, 1996; 71 FR 54410, Sept. 15, 2006]

§ 400.2 Office responsible for regulations; filing of requests for exemptions, for interpretations and of other materials.

(a) *Office responsible.* The regulations in this chapter are promulgated by the Assistant Secretary (Domestic Finance) pursuant to a delegation of authority from the Secretary of the

Treasury. The office responsible for implementing the regulations, including interpretations and action on requests for exemption, classification, or modification, is the Office of the Commissioner, Bureau of the Fiscal Service.

(b)(1) *Exemptions and classifications.* Section 15C(a)(4) of the Act (15 U.S.C. 78o-5(a)(4)) authorizes the Secretary to exempt any government securities broker or dealer or class thereof, conditionally or unconditionally, from the requirements of registration or regulations promulgated under section 15C. In addition, section 15C(b)(3) of the Act (15 U.S.C. 78o-5(b)(3)) provides for classification, by the Secretary, of government securities brokers or dealers and authorizes the whole or partial exemption of classes from rules under section 15C or the application of different standards to different classes.

(2) *Interpretations.* Although the appropriate regulatory agencies, as defined in § 400.3, and the self-regulatory organizations, as defined in section 3(a)(26) of the Act (15 U.S.C. 78c(a)(26)), have enforcement responsibility under section 15C of the Act, Treasury is responsible for interpretation of section 15C(b) of the Act (15 U.S.C. 78o-5(b)) and related sections and for interpretation and amendment of the regulations under this chapter (with the exception of Forms G-FIN and G-FINW, §§ 449.1 and 449.2 of this chapter, which are the responsibility of the Board of Governors of the Federal Reserve System ["Board"]).

(c) *Requests for interpretations, exemptions, classifications.* (1) Interpretations under this chapter may be provided, at the discretion of the Department, to firms or individuals actually or potentially affected by the Act or regulations, or to their representatives.

(2) Exemptions and classifications under sections 15C (a), (b) and (d) of the Act (15 U.S.C. 78o-5 (a), (b), and (d)) and related sections and Treasury regulations thereunder may be provided at the discretion of the Department and after consultation with the SEC and the Board, to firms or individuals actually or potentially affected by the Act or regulations, or to their representatives.

(3) All requests for exemptions and classifications, and all requests for

binding interpretations, shall be in writing, and shall conform to the following procedures.

(i) The names of the company or companies and all other persons involved shall be stated. Letters pertaining to unnamed companies or persons or hypothetical situations will not be answered.

(ii) The letter must contain a concise but complete statement of all material facts, a complete and accurate description of the entire transaction if the request is transactional (even though a request may apply to only a portion of a transaction), and a concise and unambiguous statement of the request, including precise statutory and regulatory citations.

(iii) The letter shall indicate why the writer believes a problem exists or interpretation is needed, the writer's opinion on the matter, and the basis for such opinion.

(iv) In addition to requests for confidential treatment under paragraph (c)(7)(ii) of this section, a person may request confidential treatment of information that is submitted as part of, or in support of, a request for interpretation, exemption, or classification. A separate request for confidential treatment and the basis for such request shall be submitted at the time the information for which confidential treatment is requested is submitted. The request for confidential treatment must specifically identify the information for which such confidential treatment is requested. To the extent practicable, the information should be segregated from information for which confidential treatment is not requested and should be clearly marked as confidential.

(v) Information designated as confidential in accordance with paragraph (c)(3)(iv) of this section shall not be disclosed to a person requesting such information other than in accordance with the procedures outlined in the Department's regulations published at 31 CFR 1.6.

(vi) An original and two copies of each request letter shall be submitted to the Office of the Commissioner, Government Securities Regulations Staff, Bureau of the Fiscal Service, 5th Floor, 401 14th Street SW., Washington, DC

Department of the Treasury

§ 400.3

20227. The envelope shall be marked "Government Securities Act Request." The letter shall indicate in the upper right hand corner of the first page the particular sections of the Act and of the regulations at issue.

(4) A written response by the Department to a request filed as stated in paragraph (c)(3) of this section shall be binding, with respect to the requester, on the Department, but shall cease to be binding if the facts are not as stated in the request or, prospectively, if the Department issues a superseding interpretation. In responding to such a request, the Department will, where appropriate, consult with and may obtain the formal concurrence of the appropriate regulatory agencies or their staffs. The Department understands that even if formal concurrence is not received the appropriate regulatory agencies and self-regulatory organizations will give appropriate deference to binding interpretations of the Department. The Department also expects the SEC staff to reflect such interpretations in responding, pursuant to the established procedures of the Commission, to no-action requests concerning rules the SEC enforces.

(5) The Department may decline to issue an interpretation for any reason and, in particular, may require that a requester make inquiry of its appropriate regulatory agency, the Commission or designated examining authority before the Department responds to a request.

(6) The Department will also provide informal oral and written advice, but such advice is not binding on the Department or on any other agency or organization.

(7)(i) Except as provided in paragraphs (c)(3)(iv) and (c)(7)(ii) of this section, every letter or other written communication requesting the Department to provide interpretive legal advice under the Act or to grant, deny or modify an exemption, classification or modification of the regulations, together with any written response thereto, shall be made available for inspection and copying as soon as practicable after the response has been sent or given to the person requesting it. These documents will be made available at the following location: Treas-

ury Department Library, 1500 Pennsylvania Avenue NW., Annex, Room 1020, Washington, DC 20220.

(ii) Any person submitting a letter or communication may also simultaneously submit a request that the letter or communication and the Department's response be accorded confidential treatment for a specified period of time not to exceed 120 days from the date the response has been made or given to such person. The request shall state the basis upon which the request for confidential treatment has been made. If the Department determines that the request for confidential treatment should be denied, the requester will be given 30 days to withdraw either the request for confidential treatment or the letter or communication requesting an interpretation, classification, or exemption.

(d) *Effect of Commission interpretations.* Interpretations of the Commission and its staff (including no-action positions) and of the designated examining authorities, of any Commission regulation expressly adopted by reference in these regulations shall be of the same effect as if the regulation being interpreted were solely the Commission's regulation. However, in the event the Treasury has issued a formal interpretation on the subject, the Treasury understands that the Commission will give that interpretation appropriate deference, particularly with respect to both subsequent no-action positions and the continued validity of prior no-action positions.

Department of the Treasury

§ 402.2

(1) The dollar amount of funds, debt instruments, other securities, and other inventory at risk to the counterparty in the event of the government securities broker's or dealer's default and the market value of unlisted options written by the government securities broker or dealer and held by the counterparty that are Treasury market risk instruments;

(2) The deductions taken from net worth for unsecured receivables, repurchase and reverse repurchase agreement deficits, aged fails to deliver, and aged fails to receive arising from transactions with the counterparty;

(3) Demand deposits in the case where the counterparty is a commercial bank;

(5) Custodial holdings of securities in the case where the counterparty is a clearing bank or clearing broker of the government securities broker or dealer; and

(6) Exposure to a counterparty due to holding marketable instruments subject to market risk haircuts under appendix A to this section (§ 402.2a) for which the counterparty is the obligor.

(ii) *Total counterparty exposure haircut.* The "total counterparty exposure haircut" equals the sum of the counterparty exposure haircuts taken for all counterparties except a Federal Reserve Bank, of the government securities broker or dealer. The "counterparty exposure haircut" equals the product of a counterparty exposure haircut factor of 5 percent and the net credit exposure to a single counterparty not in excess of 15 percent of the government securities broker's or dealer's liquid capital.

(iii) *Total concentration of credit haircut.* The "total concentration of credit haircut" equals the sum of the concentration of credit haircuts taken for all counterparties of the government securities broker or dealer. The "concentration of credit haircut" equals the product of a concentration of credit

haircut factor of 25 percent and the amount by which the net credit exposure to a single counterparty is in excess of 15 percent of the government securities broker's or dealer's liquid capital.

(iv) *Credit volatility haircut.* The "credit volatility haircut" equals the product of a credit volatility haircut factor of 0.15 percent and the dollar amount of the larger of the gross long position or gross short position in those Treasury market risk instruments described in paragraphs (e)(1)(iii), (iv) and (v) of this section that have a term to maturity greater than 44 days, including futures and forwards thereon, settled on a cash or delivery basis, and futures and forwards on time deposits described in paragraph (e)(1)(vii) of this section, that have a term to maturity greater than 44 days, settled on a cash or delivery basis.

(h) *Debt-equity requirements.* No government securities broker or dealer shall permit the total of outstanding principal amounts of its satisfactory subordination agreements as defined in § 240.15c3-1d of this title (appendix D to SEC Rule 15c3-1) modified as provided in appendix D to this section, § 402.2d, to exceed the allowable levels set forth in § 240.15c3-1(d) of this title.

(i) *Provisions relating to the withdrawal of equity capital*—(1) *Notice provisions.* No equity capital of the government securities broker or dealer or a subsidiary or affiliate consolidated pursuant to appendix C to this section, § 402.2c, may be withdrawn by action of a stockholder or partner, or by redemption or repurchase of shares of stock by any of the consolidated entities or through the payment of dividends or any similar distribution, nor may any unsecured advance or loan be made to a stockholder, partner, sole proprietor, employee or affiliate without providing written notice, given in accordance with paragraph (i)(1)(iv) of this section, when specified in paragraphs (i)(1) (i) and (ii) of this section:

§ 402.2

17 CFR Ch. IV (4–1–22 Edition)

(i) Two business days prior to any withdrawals, advances or loans if those withdrawals, advances or loans on a net basis exceed in the aggregate in any 30 calendar day period, 30 percent of the government securities broker's or dealer's excess liquid capital. A government securities broker or dealer, in an emergency situation, may make withdrawals, advances or loans that on a net basis exceed 30 percent of the government securities broker's or dealer's excess liquid capital in any 30 calendar day period without giving the advance notice required by this paragraph, with the prior approval of its designated examining authority. When a government securities broker or dealer makes a withdrawal with the consent of its designated examining authority, it shall in any event comply with paragraph (i)(1)(ii) of this section; and

(ii) Two business days after any withdrawals, advances or loans if those withdrawals, advances or loans on a net basis exceed in the aggregate in any 30 calendar day period, 20 percent of the government securities broker's or dealer's excess liquid capital.

(iii) This paragraph (i)(1) of this section does not apply to:

(A) Securities or commodities transactions in the ordinary course of business between a government securities broker or dealer and an affiliate where the government securities broker or dealer makes payment to or on behalf of such affiliate for such transaction and then receives payment from such affiliate for the securities or commodities transaction within two business days from the date of the transaction; or

(B) Withdrawals, advances or loans which in the aggregate in any such 30 calendar day period, on a net basis, equal \$500,000 or less.

(iv) Each required notice shall be effective when received by the Commission in Washington, DC, the regional or district office of the Commission for the area in which the government securities broker or dealer has its principal place of business, and the government securities broker's or dealer's designated examining authority.

(2) *Withdrawal limitations.* No equity capital of the government securities

broker or dealer or a subsidiary or affiliate consolidated pursuant to appendix C to this section, § 402.2c, may be withdrawn by action of a stockholder or a partner, or by redemption or repurchase of shares of stock by any of the consolidated entities or through the payment of dividends or any similar distribution, nor may any unsecured advance or loan be made to a stockholder, partner, sole proprietor, employee or affiliate if, after giving effect thereto and to any other such withdrawals, advances or loans and any Payments of Payment Obligations (as defined in § 240.15c3-1d of this title, appendix D to SEC Rule 15c3-1, modified as provided in appendix D to this section, § 402.2d) under satisfactory subordination agreements which are scheduled to occur within 180 calendar days following such withdrawal, advance or loan, either:

(i) The ratio of liquid capital to total haircuts, determined as provided in § 402.2, would be less than 150 percent; or

(ii) Liquid capital minus total haircuts would be less than 120 percent of the minimum capital required by § 402.2(b) or § 402.2(c) as applicable; or

(iii) In the case of any government securities broker or dealer included in such consolidation, the total outstanding principal amounts of satisfactory subordination agreements of the government securities broker or dealer (other than such agreements which qualify as equity under § 240.15c3-1(d) of this title) would exceed 70% of the debt-equity total as defined in § 240.15c3-1(d).

(3) *Miscellaneous provisions.* (i) Excess liquid capital is that amount in excess of the amount required by the greater of § 402.2(a) or, §§ 402.2 (b) or (c), as applicable. For the purposes of paragraphs (i)(1) and (i)(2) of this section, a government securities broker or dealer may use the amount of excess liquid capital, liquid capital and total haircuts reported in its most recently required filed Form G-405 for the purposes of calculating the effect of a projected withdrawal, advance or loan relative to excess liquid capital or total haircuts. The government securities broker or dealer must assure itself that the excess liquid capital, liquid capital

or the total haircuts reported on the most recently required filed Form G-405 have not materially changed since the time such report was filed.

(ii) The term equity capital includes capital contributions by partners, par or stated value of capital stock, paid-in capital in excess of par, retained earnings or other capital accounts. The term equity capital does not include securities in the securities accounts of partners and balances in limited partners' capital accounts in excess of their stated capital contributions.

(iii) Paragraphs (i)(1) and (i)(2) of this section shall not preclude a government securities broker or dealer from making required tax payments or preclude the payment to partners of reasonable compensation, and such payments shall not be included in the calculation of withdrawals, advances or loans for purposes of paragraphs (i)(1) and (i)(2) of this section.

(iv) For the purposes of this subsection (i), any transaction between a government securities broker or dealer and a stockholder, partner, sole proprietor, employee or affiliate that results in a diminution of the government securities broker's or dealer's liquid capital shall be deemed to be an advance or loan of liquid capital.

(j) *Modification of appendices to § 240.15c3-1 of this title.* For purposes of this section, appendix C to this section (§ 402.2c) is substituted for appendix C to Rule 15c3-1 (§ 240.15c3-1c of this title), and appendix D to Rule 15c3-1 (§ 240.15c3-1d of this title), relating to Satisfactory Subordination Agreements, is modified as provided in appendix D to this section (§ 402.2d).

§ 402.2a Appendix A—Calculation of market risk haircut for purposes of § 402.2(g)(2).

The market risk haircut is the sum of the Treasury market risk haircut and the other securities haircut, calculated as follows.

(a) *Treasury market risk haircut.* The “Treasury market risk haircut” equals the sum of the total governments off-

set portion haircut, the total futures and options offset haircut, the total hedging disallowance haircut, and the residual net position haircut, calculated with respect to financings and positions in Treasury market risk instruments, except to the extent that a permissible election is made pursuant to paragraph (b)(1) of this section to include qualified positions in the calculation of the other securities haircut.

(1) *Total governments offset portion haircut.* The “total governments offset portion haircut” equals the sum of the governments offset portion haircuts calculated for each category in § 402.2(f)(1). The “governments offset portion haircuts” equal, for each category in § 402.2(f)(1), the product of the offset haircut factor for that category set out in § 402.2(f)(2) and the smaller of the absolute values of the gross long immediate position or gross short immediate position for that category. Schedules B and C in paragraph (c) of this section can be used to make this calculation.

(i)(A) The “gross long immediate position” for purposes of this part equals, for each category except categories MB and AR in § 402.2(f)(1), the sum of the market values of each long immediate position in Treasury market risk instruments with a term to maturity (or, in the case of a floating rate note, the time to the next scheduled interest rate adjustment or the term to maturity, whichever is less) corresponding to such category, the contract values of each reverse repurchase agreement with a term to maturity or time to the next scheduled interest rate adjustment, whichever is less, corresponding to that category, and the values of the cash collateral of each security borrowing with a term to maturity or time to next scheduled interest rate adjustment, whichever is less, corresponding to such category.

(B) In the case of category MB, the “gross long immediate position” equals the sum of the market values of all long immediate positions in fixed rate mortgage-backed securities which are Treasury market risk instruments.

(C) In the case of category AR, the “gross long immediate position” equals the sum of the market values of all long immediate positions in adjustable

§ 402.2a

17 CFR Ch. IV (4-1-22 Edition)

rate mortgage-backed securities which are Treasury market risk instruments.

(ii)(A) The “gross short immediate position” for purposes of this section equals, for each category except categories MB and AR in § 402.2(f)(1), the sum of the market values of each short immediate position in Treasury market risk instruments with a term to maturity (or, in the case of a floating rate note, the time to the next scheduled interest rate adjustment or the term to maturity, whichever is less) corresponding to such category, and the values of funds received from each financing transaction (including repurchase agreements, securities lending secured by cash collateral, and term financings, but excluding subordinated debt which meets the requirements of § 240.15c3-1d of this title modified as provided in § 402.2d) with a term to maturity or time to the next scheduled interest rate adjustment, whichever is less, corresponding to that category.

(B) In the case of category MB, the “gross short immediate position” equals the sum of the market values of all short immediate positions in fixed rate mortgage-backed securities which are Treasury market risk instruments.

(C) In the case of category AR, the “gross short immediate position” equals the sum of the market values of all short immediate positions in adjustable rate mortgage-backed securities which are Treasury market risk instruments.

(iii) The term *long immediate position* in a Treasury market risk instrument means, for purposes of this part:

(A) The net long position in a Treasury market risk instrument as of the trade date, except when the settlement date, in the case of a Treasury market risk instrument except a mortgage-backed security, is scheduled more than five business days in the future, and, in the case of a mortgage-backed security, more than thirty calendar days in the future;

(B) The net long when-issued position in a marketable U.S. Treasury security between announcement and issue date;

(C) The net long when-issued position in a government agency or a government-sponsored agency debt security between release date and issue date; and

(D) The net long when-issued position in a security described in § 402.2(e)(1)(vi) between announcement date and issue date.

(iv) The term *short immediate position* on a Treasury market risk instrument means, for purposes of this part:

(A) The net short position in a Treasury market risk instrument as of the trade date, except when the settlement date, in the case of a Treasury market risk instrument except a mortgage-backed security, is scheduled more than five business days in the future, and, in the case of a mortgage-backed security, more than thirty calendar days in the future;

(B) The net short when-issued position in a marketable U.S. Treasury security between announcement and issue date;

(C) The net short when-issued position in a government agency or a government-sponsored agency debt security between release date and issue date; and

(D) The net short when-issued position in a security described in § 402.2(e)(1)(vi) between announcement date and issue date.

(2) *Net immediate position interim haircut.* The “net immediate position interim haircut” equals, for each category in § 402.2(f)(1), the product of the net position haircut factor for that category and the sum of the gross long immediate position and the gross short immediate position for that category. For purposes of this part, a gross long immediate position shall be a positive number and a gross short immediate position shall be a negative number. Schedules B and C in paragraph (c) of this section can be used to make this calculation.

(3) *Total futures and options offset haircut.* The “total futures and options offset haircut” equals the sum of the futures and options offset haircuts calculated for each category in § 402.2(f)(1). The “futures and options offset haircut” equals, for each category in § 402.2(f)(1), the product of a futures and options offset factor of 20 percent and the smaller of the absolute values of the positive and negative aggregate interim haircuts for that category.

Department of the Treasury

§ 402.2a

Schedule D in paragraph (c) of this section can be used to make this calculation.

(i) *Positive aggregate interim haircut.* The “positive aggregate interim haircut” equals, for each category in § 402.2(f)(1), the sum of the positive net immediate position interim haircut (see paragraph (a)(2) of this section), the gross long futures and forward interim haircut, and the positive gross options interim haircut for that category. Schedule D in paragraph (c) of this section can be used to make this calculation.

(A) *Gross long futures and forward interim haircut.* The “gross long futures and forward interim haircut” equals, for each category in § 402.2(f)(1), the sum of the interim haircuts on each long futures position and long forward position placed, in the case of a futures or forward contract which is a Treasury market risk instrument except those on mortgage-backed securities, in the category corresponding to the sum of the term to maturity of the contract and the term to maturity of the underlying instrument at the time of the maturity of the contract or, in the case of a futures or forward contract on Treasury market risk mortgage-backed securities, in the category corresponding to the type of Treasury market risk mortgage-backed security.

(1) For purposes of this part, the *interim haircut on each long futures position and each long forward position* is the product of the net position haircut factor for the category corresponding to, in the case of a futures or forward contract which is a Treasury market risk instrument except those on mortgage-backed securities, the maturity of the underlying instrument at the time of the maturity of the contract or, in the case of a futures or forward contract on Treasury market risk mortgage-backed securities, the type of Treasury market risk mortgage-backed security and the value of the long futures position or long forward position evaluated at the current market price for such contract.

(2) For purposes of this part, the gross long futures and forward interim haircut shall be a positive number.

(B) *Positive gross options interim haircut.* The “positive gross options interim

haircut” equals, for each category in § 402.2(f)(1), the sum of the interim haircuts on each purchased call and sold put placed in the category in which the underlying instrument would be placed.

(1) For purposes of this part, the “interim haircut on each purchased call and sold put” equals the lesser of the market value of the option or, (i) in the case of an option on a cash instrument, the product of the net position haircut factor for the category to which the underlying cash instrument corresponds and the market value of the underlying cash instrument or, (ii) in the case of an option on a futures contract, the interim haircut on the underlying futures contract.

(2) For purposes of this part, the positive gross options interim haircut is a positive number.

(ii) *Negative aggregate interim haircut.* The “negative aggregate interim haircut” equals, for each category in § 402.2(f)(1), the sum of the negative net immediate position interim haircut (see paragraph (a)(2) of this section), the gross short futures and forward interim haircut, and the negative gross options interim haircut for that category. Schedule D in paragraph (c) of this section can be used to make this calculation.

(A) *Gross short futures and forward interim haircut.* The “gross short futures and forward interim haircut” equals, for each category in § 402.2(f)(1), the sum of the interim haircuts on each short futures position and short forward position placed, in the case of a futures or forward contract which is a Treasury market risk instrument except those on mortgage-backed securities, in the category corresponding to the sum of the term to maturity of the contract and the term to maturity of the underlying instrument at the time of the maturity of the contract or, in the case of a futures or forward contract on Treasury market risk mortgage-backed securities, in the category corresponding to the type of Treasury market risk mortgage-backed security.

(1) For purposes of this part, the “interim haircut on each short futures position and each short forward position”

is the product of the net position haircut factor for the category corresponding to, in the case of a futures or forward contract which is a Treasury market risk instrument except those on mortgage-backed securities, the maturity of the underlying instrument at the time of the maturity of the contract or, in the case of a futures or forward contract on Treasury market risk mortgage-backed securities, the type of Treasury market risk mortgage-backed security and the value of the short futures position or short forward position evaluated at the current market price for such contract.

(2) For purposes of this part, the gross short futures and forward interim haircut is a negative number.

(B) *Negative gross options interim haircut.* The “negative gross options interim haircut” equals, for each category in § 402.2(f)(1), the sum of the interim haircuts on each sold call and purchased put placed in the category in which the underlying instrument would be placed.

(1) For purposes of this part, the “interim haircut on each sold call and purchased put” equals the lesser of the market value of the option or, (i) in the case of an option on a cash instrument, the product of the net position haircut factor for the category to which the underlying cash instrument corresponds and the market value of the underlying cash instrument or, (ii) in the case of an option on a futures contract, the interim haircut on the underlying futures contract.

(2) For purposes of this part, the negative gross options interim haircut is a negative number.

(4) *Total hedging disallowance haircut.* The “total hedging disallowance haircut” equals the sum of the hedging disallowance haircuts calculated pursuant to each netting of qualified netting interim haircuts. The “hedging disallowance haircut” equals the absolute value of the product of the applicable category pair hedging disallowance haircut factor specified in § 402.2(f)(3) and the smaller in absolute value of any two qualified netting interim haircuts, netted in accordance with the provisions of this paragraph. Schedule E in paragraph (c) of this section can be used to make this calculation.

(i) *Qualified netting interim haircut.* The term “qualified netting interim haircut” means a residual position interim haircut or a net residual position interim haircut.

(A) *Residual position interim haircut.* The “residual position interim haircut” equals, for each category in § 402.2(f)(1), the sum of the positive aggregate interim haircut and the negative aggregate interim haircut corresponding to the category, calculated in accordance with the provisions of paragraph (a)(3) of this section.

(B)(1) *Net residual position interim haircut.* The “net residual position interim haircut” equals, for any two categories between which netting is permitted, the sum of (i) the residual position interim haircuts calculated for those categories, in the case of the category of the larger in absolute value of the two residual position interim haircuts being netted, and (ii) zero, in the case of the category of the smaller in absolute value of the two residual position interim haircuts being netted.

(2) For the purposes of this paragraph (a)(4), netting is permitted only between categories for which a category pair hedging disallowance haircut factor has been specified in paragraph § 402.2(f)(3).

(ii) Net residual position interim haircuts shall be substituted for the residual position interim haircuts in the respective categories in which they have been placed and shall be considered as if they were residual position interim haircuts. New net residual position interim haircuts may continue to be calculated until for each category pair for which netting is permitted at least one of the two qualified netting interim haircuts is zero or both qualified netting interim haircuts are of the same sign.

(5) *Residual net position haircut.* The “residual net position haircut” equals the sum of the absolute values of all qualified netting interim haircuts remaining in each category after the completion of the calculation of permissible nettings described in paragraph (a)(4) of this section. Schedule E in paragraph (c) of this section can be used to make this calculation.

(b) *Other securities haircut.* The “other securities haircut” equals the sum of

Department of the Treasury

§ 402.2a

all deductions specified in § 240.15c3-1 (c)(2)(vi) and (c)(2)(viii) of this title and §§ 240.15c3-1a and 240.15c3-1b of this title for long and short positions in securities, futures contracts, forward contracts, options, and other inventory which are not Treasury market risk instruments as defined in § 402.2(e).

(1) A registered government securities broker or dealer may elect to exclude from its calculation of the Treasury market risk haircut and include in its calculation of the other securities haircut long and short positions in Treasury market risk instruments if such positions form part of a hedge against long and short positions in securities, futures contracts, forward contracts, or options which are not Treasury market risk instruments. Only the portion of the total position in a Treasury market risk instrument that forms part of such hedge may be excluded from the calculation of the Treasury market risk haircut and included in the calculation of the other securities haircut.

(2) For purposes of this paragraph (b), a gross long or short position in Treasury market risk instruments shall be considered part of a hedge if the inclusion of such position in the calculation of the other securities haircut would serve to reduce said haircut.

(3) For purposes of this paragraph (b) as it relates to § 240.15c3-1(c)(2)(vi)(M) (“undue concentration”), references to “10 percent of the “net capital”” shall be understood to refer to 10 percent of

the liquid capital and references to “Appendix (D) (17 CFR 240.15c3-1d)” shall be understood to refer to such section as modified by § 402.2d.

(c) *Schedules*. This paragraph sets forth schedules which may be used by government securities brokers or dealers in the calculation of total haircuts as required by this part 402. The appropriate regulatory agency or designated examining authority may specify other substantially similar forms required to be used by government securities brokers or dealers in the calculation of such haircuts.

INSTRUCTIONS TO SCHEDULES A THROUGH E

Schedules A through E may be used by government securities brokers or dealers subject to 17 CFR 402 to determine the firm's capital-to-risk ratio. Section 402.2 provides that a government securities broker or dealer must meet the applicable minimum dollar

liquid capital requirement and that the firm's ratio of liquid capital to risk (total haircuts) must be at least 1.2:1; liquid capital must exceed risk by at least 20 percent. Total haircuts is the risk measure used in the ratio; it is made up of measures of market risk and measures of credit risk. The market risk of a government securities broker's or dealer's positions is accounted for

§ 402.2a

17 CFR Ch. IV (4–1–22 Edition)

through the Treasury market risk haircut and the other securities haircut. Credit risk is accounted for in the counterparty exposure, concentration of credit, and credit volatility haircuts and in the computation of liquid capital through the various deductions and charges.

Only positions in Treasury market risk instruments and financings may be used in the calculation of the Treasury market risk haircut. Treasury market risk instruments and financings are described in 17 CFR 402.2 and in the instructions to the schedule where they are to be first entered. All other types of financial instruments are to be included in the calculation of the other securities haircut. Calculation of the other securities haircut is based on the SEC's Rule 15c3-1 (17 CFR 240.15c3-1).

Treasury market risk instruments may be excluded from the calculation of the Treasury market risk haircut if they are included in the calculation of the other securities haircut as part of a hedge against long and short positions in securities, futures contracts, forward contracts, or options that are not Treasury market risk instruments. Only the portion of the total position in a Treasury market risk instrument that forms part of such a hedge may be excluded, and the result of this transfer of the Treasury market risk instruments must be a reduction in the other securities haircut.

The categories for classifying Treasury market risk instruments are designated in 17 CFR 402.2(f)(1). The categories, which are designated by a maturity range, contain all securities with remaining terms to maturity greater than or equal to the lower end of the range but less than the higher. A half year is always considered to be 6 months. In categories A through D, zero-coupon instruments are to be treated in the same manner as all other instruments. In categories E through J, the maturity designations in parentheses give the maturities of the zero-coupon instruments to be placed in that category. All mortgage-backed securities that are Treasury market risk instruments are to be placed in category MB or category AR, depending on whether they are backed by conventional or adjustable-rate mortgages.

All haircuts may be calculated to the nearest hundred dollars, unless such rounding would materially affect the liquid capital calculation.

Appendix A to the Preamble published with the temporary regulations for 17 CFR part 402 (52 FR 19669, May 26, 1987) contains an example of the capital calculation. It may also be used as an aid in completing these schedules.

Schedule A—Liquid Capital Requirement Summary Computation

Schedule A is used to determine the capital-to-risk ratio by comparing liquid capital

to total haircuts. Schedule A will be the last schedule completed as many of the haircuts entered on Schedule A are calculated on Schedules B through E.

Line 1—Enter liquid capital, which is identical to the amount reported on line 3640 of the Report on Finances and Operations of Government Securities Brokers and Dealers, Form G-405.

Line 2—Haircuts on “Security and Financing Positions” including contractual commitments:

a. Enter the Total Governments Offset Portion Haircut from column 10 of Schedule C.

b. Enter the Total Futures and Options Offset Haircut from column 19 of Schedule D.

c. Enter the Total Hedging Disallowance Haircut as calculated in Schedule E, column 27.

d. Enter the Residual Net Position Haircut as given in column 28 of Schedule E.

e. Enter the other securities haircut as determined by applying the SEC haircut factors to securities, futures contracts, forward contracts, options and other inventory that are not Treasury market risk instruments as defined in 17 CFR 402.2(e). The other securities haircut is the sum of all applicable deductions as specified in 17 CFR 240.15c3-1 (c)(2)(vi) and (c)(2)(viii) and in 17 CFR 240.15c3-1a and 240.15c3-1b. Any position(s) in Treasury market risk instruments that have been excluded from the calculation of the Treasury market risk haircut because they are part of a hedge with these other instruments are to be included in the calculation of this haircut.

Line 3—Haircuts on credit exposure:

a. Enter the total counterparty exposure haircut which is the sum of the counterparty exposure haircut with each counterparty, except a Federal Reserve Bank. A counterparty exposure haircut is equal to 5 percent of the net credit exposure to a single counterparty which is not in excess of 15 percent of the government securities broker's or dealer's liquid capital. If the net credit exposure to a counterparty does exceed 15 percent of liquid capital, the excess will be used in calculating the total concentration of credit haircut on line 3b.

Net credit exposure equals the difference between the government securities broker's or dealer's credit exposure to a single counterparty and that counterparty's credit exposure to the government securities broker or dealer. The government securities broker's or dealer's credit exposure to a counterparty is equal to the sum of the dollar amount of funds, debt instruments, other securities, and other inventory at risk to the government securities broker or dealer in the event of the counterparty's default and the market value of purchased unlisted options that are Treasury market risk instruments and were written by the counterparty.

Department of the Treasury

§ 402.2a

It does not include, however, (1) the deduction taken from net worth for unsecured receivables, repurchase and reverse repurchase agreement deficits, aged fails to deliver, and aged fails to receive arising from transactions with the counterparty; (2) demand deposits in the case where the counterparty is a commercial bank; (3) loans of immediately available funds (commonly referred to as “sales of federal funds”) held by the government securities broker or dealer in connection with the clearance of securities on the day the loan is made in the case where the counterparty is a commercial bank; (4) custodial holdings of securities in the case where the counterparty is a clearing bank or clearing broker of the government securities broker or dealer; or (5) credit exposure to the counterparty due to holding marketable instruments for which the counterparty is the obligor.

The counterparty's credit exposure to the government securities broker or dealer equals the dollar amount of funds, debt instruments, other securities, and other inventory at risk to the counterparty in the event of the government security broker's or dealer's default and any unlisted options written by the government securities broker or dealer and held by the counterparty.

b. Enter the total concentration of credit haircut which is the sum of all concentration of credit haircuts applied in cases where the net credit exposure (as defined above) to a single counterparty is in excess of 15 percent of the government securities broker's or dealer's liquid capital. The concentration of credit haircut is 25 percent of the amount of net credit exposure in excess of 15 percent of the government securities broker's or dealer's liquid capital.

c. Enter the credit volatility haircut which equals a factor of 0.15 percent applied to the larger of the gross long or gross short position in money market instruments qualifying as Treasury market risk instruments which mature in 45 days or more, in futures and forwards on these instruments that are settled on a cash or delivery basis, and in futures and forwards on time deposits described in § 402.2(e)(1)(vii), that mature in 45 days or more, settled on a cash or delivery basis. Money market instruments qualifying as Treasury market risk instruments are (1) marketable certificates of deposit with no more than one year to maturity, (2) bankers acceptances, and (3) commercial paper of no more than one year to maturity and which has only a minimal amount of credit risk as determined by the government securities broker or dealer pursuant to reasonably designed written policies and procedures the government securities broker or government securities dealer establishes, maintains, and enforces to assess and monitor creditworthiness. These policies and procedures should

result in creditworthiness assessments that typically are consistent with market data.

Line 4—Enter total haircuts which is the sum of lines 2 a through e, and 3 a, b, and c.

Line 5—Enter the capital-to-risk ratio which is found by dividing line 1, “Liquid capital,” by line 4, “Total haircuts.” The capital-to-risk ratio must be at least equal to 1.2:1.

Schedule B—Calculation of Net Immediate Position in Securities and Financings

Schedule B is used to calculate the net immediate position in and offset portion of securities and financings. The results are then carried over to Schedule C for initial haircut calculations. Futures, forwards, and options which are Treasury market risk instruments are to be entered on Schedule D.

Positions in and financings on debt instruments other than mortgage-backed or adjustable rate mortgage-backed securities should be placed in the category corresponding to their remaining term to maturity. In the case of a floating rate note, however, the note should be placed in the category corresponding to the time to the next scheduled interest rate adjustment or remaining term to maturity, whichever is less.

Column 1—Under “Financings-Long” report in the appropriate category the contract value of reverse repurchase agreements and the value(s) of cash collateral on security borrowings. Financings so reported should be placed in the category corresponding to the remaining term to maturity or time to the next scheduled interest rate adjustment, whichever is less.

Column 2—Under “Financings-Short” report in the appropriate category as a negative number the values of funds received from financing transactions. Include repurchase agreements, securities lending secured by cash collateral, and term financings, but exclude subordinated debt which meets the requirements of 17 CFR 240.15c3-1d as modified by 17 CFR 402.2d. Financings so reported should be placed in the category corresponding to the remaining term to maturity or time to the next scheduled interest rate adjustment, whichever is less.

Columns 3 and 4—Report in the appropriate column by maturity or type of mortgage-backed security under “Securities Positions” the sum of the market values of immediate positions in Treasury market risk instruments. The net position in each individual Treasury market risk instrument is to be appropriately reported as a long (+) or short (−) position in summation with all other positions of the same category (long/short). Short positions are assigned a negative value. Treasury market risk instruments are defined in 17 CFR 402.2(e). Those to be reported in Schedule B are:

§ 402.2a

17 CFR Ch. IV (4-1-22 Edition)

(1) Government securities as defined in 17 CFR 400.3 except equity securities and mortgage-backed securities which do not pass through to the security holder on a pro rata basis a distribution based on the monthly payments and prepayments of principal and interest on the underlying pool of mortgage collateral less fees and expenses;

(2) Zero-coupon receipts or certificates based on marketable Treasury notes or bonds;

(3) Marketable certificates of deposit of no more than one year to maturity;

(4) Bankers acceptances;

(5) Commercial paper of no more than one year to maturity and which has only a minimal amount of credit risk as determined by the government securities broker or dealer pursuant to reasonably designed written policies and procedures the government securities broker or dealer establishes, maintains, and enforces to assess and monitor creditworthiness. These policies and procedures should result in creditworthiness assessments that typically are consistent with market data; and

(6) Securities described in § 402.2(e)(1)(vi).

Report all positions as of the trade date. If the settlement date is scheduled for more than five business days in the future (or, in the case of a mortgage-backed security, more than thirty calendar days in the future), then report the position as a forward contract on Schedule D. Also, under “Securities Positions” in the appropriate column and category, report any when-issued position in a marketable Treasury security between announcement and issue date, any when-issued position in a government agency or a government-sponsored agency debt security between release date and issue date, and any when-issued position in a security described in § 402.2(e)(1)(vi) between announcement date and issue date.

Exclude positions in Treasury market risk instruments which form part of a hedge against long and short positions in securities, futures contracts, forward contracts, or options that are not Treasury market risk instruments and are to be included in the calculation of the other securities haircut. Only that portion of the total position in a Treasury market risk instrument that forms part of such a hedge may be excluded, and the inclusion of the Treasury market risk instruments must reduce the other securities haircut.

Column 5—Under “Total Securities and Financing Positions (+)” report in the appropriate category the sum of the long financings (column 1) and long securities positions (column 3).

Column 6—Under “Total Securities and Financing Positions (–)” report in the appropriate category the sum of the short financings (column 2) and short securities positions (column 4).

Column 7—Under “Offset Portions” report in the appropriate category the lesser of the absolute values of the positive (column 5) or negative (column 6) total securities and financing positions.

Column 8—Under “Net Immediate Positions” report in the appropriate category the sum, or net value, of the positive (column 5) and negative (column 6) total securities and financing positions.

Columns 7, “Offset Portions,” and 8, “Net Immediate Positions,” are to be carried to Schedule C.

Schedule C—Governments Offset Portion and Net Immediate Position Interim Haircuts Calculation

Schedule C is used to calculate the total governments offset portion haircut and net immediate position interim haircuts by applying offset and net position haircut factors to the offset portions and net immediate positions in Treasury market risk instruments and financings. The total governments offset portion haircut is then carried to Schedule A, and the net immediate position interim haircuts are carried to Schedule D or E.

Column 7—Transfer to column 7, “Governments Offset Portion—\$ Amounts,” column seven from Schedule B, “Offset Portions.”

Column 9—These are the governments offset portion haircut factors given at 17 CFR 402.2(f)(2). They may be updated from time to time.

Column 10—Under “Governments Offset Portion—Haircuts” report in the appropriate category the product of the corresponding values in column 7, “\$ Amounts,” and in column 9, “Factors.”

To determine the total governments offset portion haircut, sum the values under “Governments Offset Portion—Haircuts” in column 10, and enter this number in the appropriate space. Carry this value to Schedule A, line 2a, converting, if necessary, to thousands of dollars.

Column 8—Transfer to column 8, “Net Immediate Positions—\$ Amounts,” column eight from Schedule B, “Net Immediate Positions.”

Column 11—These are the net immediate position haircut factors given at 17 CFR 402.2(f)(2). They may be updated from time to time.

Column 12—Under “Net Immediate Positions—Interim Haircuts” place in the appropriate category the product of the corresponding values in column 8, “\$ Amounts,” and in column 11, “Factors.” A haircut on a short position remains negative.

Carry column 12 to Schedule D, or, if there are no futures, forwards, or options positions, to Schedule E.

Department of the Treasury

§ 402.2a

Schedule D—Consolidation of Net Immediate Position Interim Haircuts with Gross Futures and Options Interim Haircuts

Schedule D is used to enter haircuts on futures, forwards and options positions and to calculate the total futures and options offset haircut and the residual position interim haircuts as needed for Schedules A and E respectively. If there are no futures and options positions, it is not necessary to fill out Schedule D.

Report on Schedule D futures, forwards, and options which are Treasury market risk instruments as defined in § 402.2(e). These futures, forwards, and listed option contracts may be based on any of the Treasury market risk instruments described in the instructions to columns 3 and 4 on Schedule B or on time deposits whose changes in yield are closely correlated with marketable certificates of deposit which are Treasury market risk instruments, as described in § 402.2(e)(1)(vii). Options on Treasury market risk futures contracts and unlisted options on marketable Treasury bills, notes, and bonds are also to be included. Futures contracts may settle on a cash or delivery basis. Any of these contracts which are being included as part of a hedge in the calculation of the other securities haircut must be excluded from Schedule D.

Report as a forward contract any position for which the time between trade date and settlement date is more than five business days (30 calendar days for a mortgage-backed security). Any when-issued position in a marketable Treasury security established between announcement and issue date, any when-issued position in a government agency or a government-sponsored agency debt security established between release date and issue date, and any when-issued position in a security described in § 402.2(e)(1)(vi) between announcement date and issue date is reported in the appropriate category on Schedule B under "Securities Positions."

Column 12—Transfer to column 12, "Net Immediate Position Interim Haircuts," column 12 from Schedule C, "Net Immediate Positions—Interim Haircuts," converting, if necessary, to thousands of dollars.

Columns 13 and 14—Under "Gross Interim Haircuts—Futures and Forward" enter in the appropriate category the sum of the interim haircuts on the futures or forward positions belonging to that category. The interim haircut on a futures or forward position equals the product of the value of the position evaluated at the current market price for such contract and the net position haircut factor that corresponds to either the term to maturity of the underlying instrument or, for mortgage-backed securities, the type of security. The term to maturity of the underlying instrument is the term to maturity of the deliverable security at the time of

the maturity of the futures or forward contract. The haircut on a futures or forward position on a non-mortgaged-backed instrument is to be entered in the category corresponding to the sum of the remaining time to maturity of the futures or forward contract and the maturity of the underlying instrument. Haircuts on futures and forwards on mortgage-backed securities are to be entered in the appropriate mortgage-backed securities category. The interim haircuts on long futures and forwards are positive (column 13), and on short futures and forwards, negative (column 14).

Columns 15 and 16—Under "Gross Interim Haircuts—Options" enter, in the category in which the instrument directly underlying the contract would be entered, the lesser of (1) the market value of the option or (2) the net immediate position interim haircut on the underlying cash instrument or gross futures interim haircut on the underlying futures contract. Note that in the case of an option on a futures contract the category in which the option contract is to be entered is the sum of the remaining time to maturity of the futures or forward contract and the maturity of the instrument underlying the futures or forward contract. The haircut factor used to determine the gross futures interim haircut is that factor corresponding to the term to maturity of the deliverable security at the time of the maturity of the futures or forward contract. Gross option haircuts on purchased calls and sold puts are positive, those on sold calls and purchased puts are negative.

Column 17—Under "Aggregate Interim Haircuts (+)" enter in the appropriate category, the sum of any positive net immediate position interim haircut (column 12) and the positive gross option (column 15) and gross futures and forward (column 13) interim haircuts for that category.

Column 18—Under "Aggregate Interim Haircuts (-)" enter in the appropriate category, the sum of any negative net immediate position interim haircut (column 12) and the negative gross option (column 16) and gross futures and forward (column 14) interim haircuts for that category.

Column 19—Under "Futures and Options Offset Portions" enter, in the appropriate category, the lesser of the absolute values of the positive and negative aggregate interim haircuts (columns 17 and 18) for that category.

The total futures and options offset portion is the sum of the values in column 19 under "Futures and Options Offset Portions."

The total futures and options offset haircut is the total futures and options offset portion multiplied by a factor of 20 percent and is carried to line 2b, Schedule A.

Column 20—Enter in the appropriate category under "Residual Position Interim

§ 402.2a

17 CFR Ch. IV (4-1-22 Edition)

Haircuts” the sum, or net value, of the positive and negative aggregate interim haircuts. Carry this to column 20 on Schedule E.

Schedule E—Calculation of Hedging Disallowance Haircuts When Netting Haircuts Across Categories

Schedule E is used to calculate the hedging disallowance and residual net position haircuts which are then carried to Schedule A. The purpose of Schedule E is to hedge positions in different categories in order to reduce total haircuts. Netting the residual position interim haircuts reflects the risk reduction inherent in hedges between positions in different categories where the price volatility is reasonably well correlated.

Section 402.2(f)(3) of the rule specifies the hedging disallowance haircut factors for the category pairs. Netting of residual position interim haircuts is permitted only between any two categories for which a hedging disallowance haircut factor is specified. Hedging disallowance haircuts are similar to offset haircuts in that they are applied to the smaller of the two residual position interim haircuts and represent the portion of the hedge being “disallowed.” A hedging disallowance haircut is determined each time two residual position interim haircuts are netted.

There are three levels of permissible netting corresponding to the three hedging disallowance haircut factors: The 20 percent, 30 percent, and 40 percent levels. It is not necessary to net all possible pairs at any one level. A greater reduction in total haircuts can sometimes be obtained by choosing not to net a pair at one level (e.g., the 20 percent level) so that one element of the pair can be netted against a third category at another level (e.g., the 30 percent level).

Column 20—Transfer column 20, “Residual Position Interim Haircuts,” from Schedule D. If there are no futures or options positions, transfer instead column 12, “Net Immediate Positions—Interim Haircuts,” from Schedule C.

Column 21—Use the matrix at 17 CFR 402.2(f)(3) to determine the categories from which the residual position interim haircuts may be paired at the 20 percent level. For each pair multiply the smaller of the absolute values of the two residual position interim haircuts by the hedging disallowance haircut factor of 20 percent, and, in the category of the smaller, enter the resulting hedging disallowance haircut.

Column 22—For each pair being netted at this level, enter under “Net Residual Position Interim Haircuts” (1) the sum, or net value, of the two residual position interim haircuts (and/or net residual position interim haircuts) in the category of the larger (in absolute value) of the two interim haircuts that were netted, and (2) a zero in the category of the smaller.

These net residual position interim haircuts replace the residual position interim haircuts (or net residual position interim haircuts) from which they were derived. Net residual position interim haircuts can in turn be used in any other allowable netting exactly as residual position interim haircuts would be. If further netting of that category at the same level is permissible and possible, it will be necessary to replace the net residual position interim haircut involved with a new (and smaller) net residual position interim haircut in column 22.

Since the net residual position interim haircut in any category containing a hedging disallowance haircut is zero, further netting with any such category is impossible.

After all netting has been completed for category pairs with a 20 percent hedging disallowance haircut factor, move on to column 23.

Column 23—Use the matrix at 17 CFR 402.2(f)(3) to determine the categories from which the residual position interim haircuts and/or net residual position interim haircuts may be paired at the 30 percent level. In each category, the newest (and smallest) net residual position interim haircut determined by netting at the 20 percent level replaces the old value and must be used in hedging in that category at higher levels. For each pair being netted, multiply the smaller of the absolute values of the two (net) residual position interim haircuts by the hedging disallowance haircut factor of 30 percent, and in the category of the smaller, enter the resulting hedging disallowance haircut.

Column 24—For each pair being netted at this level, enter under “Net Residual Position Interim Haircuts” (1) the sum, or net value, of the two residual position interim haircuts and/or net residual position interim haircuts in the category of the larger (in absolute value) of the two interim haircuts that were netted, and (2) a zero in the category of the smaller.

These net residual position interim haircuts replace the residual position interim haircuts (or net residual position interim haircuts) from which they were derived. Net residual position interim haircuts can in turn be used in any other allowable netting exactly as residual position interim haircuts would be. If further netting of that category at the same level is permissible and possible, it will be necessary to replace the net residual position interim haircut involved with a new (and smaller) net residual position interim haircut.

After all netting has been completed for category pairs with a 30 percent hedging disallowance haircut factor, continue to column 25.

Column 25—Use the matrix at 17 CFR 402.2(f)(3) to determine the categories from which the residual position interim haircuts and/or net residual position interim haircuts

Department of the Treasury

§ 402.2c

may be paired at the 40 percent level. In each category, any new net residual position interim haircut determined by netting at the 20 or 30 percent level replaces the old value and must be used in hedging with that category at the 40 percent level. For each pair being netted, multiply the smaller of the absolute values of the two (net) residual position interim haircuts by the hedging disallowance haircut factor of 40 percent and, in the category of the smaller, enter the resulting hedging disallowance haircut.

Column 26—For each pair being netted at this level, enter under “Net Residual Position Interim Haircuts” (1) the sum, or net value, of the two (net) residual position interim haircuts in the category of the larger (in absolute value) of the two interim haircuts that were netted, and (2) a zero in the category of the smaller. If further netting of that category at the same level is permissible and possible, it will be necessary to replace the net residual position interim haircut involved with a new (and smaller) net residual position interim haircut.

Column 27—When all possible (net) residual position interim haircuts have been netted, enter under “Hedging Disallowance Haircuts” all hedging disallowance haircuts calculated in the netting procedures, each in its appropriate category.

Enter under “Total Hedging Disallowance Haircut” the sum of all the hedging disallowance haircuts entered in column 27. Carry to Schedule A, line 2c.

Column 28—Under “Qualified Netting Interim Haircuts” enter in the appropriate category the absolute value of the haircut given under “Net Residual Position Interim Haircut” at the highest hedging disallowance factor used for that category (columns 26, 24, or 22). This value will also be the smallest of the net residual position interim haircuts in that category. If the position in a given category was not used in hedging then enter the absolute value of the residual position interim haircut from column 20.

Sum the qualified netting interim haircuts, enter this value under “Residual Net Position Haircut,” and carry to Schedule A, line 2d.

§ 402.2c Appendix C—Consolidated computations of liquid capital and total haircuts for certain subsidiaries and affiliates.

(a) *Consolidation.* (1) A government securities broker or dealer (the “parent broker or dealer”), in computing its

liquid capital and total haircuts pursuant to § 402.2:

(i) Shall consolidate in a single computation of liquid capital the assets and liabilities of any subsidiary or affiliate for which the parent broker or dealer guarantees, endorses, or assumes directly or indirectly the obligations or liabilities if the parent broker or dealer has obtained the opinion of counsel described in paragraph (b) of this section with respect to such subsidiary or affiliate;

(ii) May not consolidate in a single computation of liquid capital the assets and liabilities of any subsidiary or affiliate for which the parent broker or dealer guarantees, endorses, or assumes directly or indirectly the obligations or liabilities if the parent broker or dealer has not obtained the opinion of counsel described in paragraph (b) of this section with respect to such subsidiary or affiliate, but in that event, the parent broker or dealer shall compute its total haircuts by adding the total haircuts of each such subsidiary or affiliate computed in accordance with the provisions of § 402.2 to the haircuts of the parent broker or dealer computed separately in accordance with the provisions of § 402.2; and

(iii) May consolidate in its computation of liquid capital the assets and liabilities of any majority owned and controlled subsidiary or affiliate for which the parent broker or dealer does not guarantee, endorse or assume directly or indirectly the obligations or liabilities if the parent broker or dealer has obtained the opinion of counsel described in paragraph (b) of this section with respect to such subsidiary or affiliate.

(2) With respect to any subsidiary or affiliate whose assets and liabilities are consolidated in the parent broker’s or dealer’s computation of liquid capital according to the provisions of paragraph (a)(1)(i) or (a)(1)(iii) of this section, the parent broker or dealer shall compute its haircuts in accordance with the provisions of § 402.2 as if the consolidated entity were one firm, or, in the alternative, shall add the total haircuts of each consolidated subsidiary or affiliate computed in accordance with the provisions of § 402.2 to the haircuts of the parent broker or

dealer computed separately in accordance with the provisions of § 402.2.

(b) *Required counsel opinion.* The opinion of counsel referred to in paragraph (a) of this section shall demonstrate to the satisfaction of the Commission, through the Designated Examining Authority, that net asset values, or the portion thereof related to the parent broker's or dealer's ownership interest in a majority owned and controlled subsidiary or affiliate, may be caused by the parent broker or dealer or an appointed trustee to be distributed to the parent broker or dealer within 30 calendar days. Such opinion shall also set forth the actions necessary to cause such a distribution to be made, identify the parties having the authority to take such actions, identify and describe the rights of other parties or classes of parties, including but not limited to customers, general creditors, subordinated lenders, minority shareholder employees, litigants and governmental or regulatory authorities, who may delay or prevent such a distribution and such other assurances as the Commission or the Designated Examining Authority by rule or interpretation may require. Such opinion shall be current and periodically renewed in connection with the parent broker's or dealer's annual audit pursuant to § 240.17a-5 of this title, as made applicable to government securities brokers or dealers by § 405.2 of this chapter, or upon any material change in circumstances.

(c) *Principles of consolidation.* The following minimum and non-exclusive requirements shall govern the consolidation of a subsidiary or affiliate in the computation of total liquid capital and total haircuts of a government securities broker or dealer pursuant to this section:

(1) The total liquid capital of the government securities broker or dealer shall be reduced by the estimated amount of any taxes reasonably anticipated to be incurred upon distribution of the assets of the subsidiary or affiliate.

(2) Liabilities of a consolidated subsidiary or affiliate that are subordinated to the claims of present and future creditors pursuant to a satisfactory subordination agreement shall not

be added to consolidated net worth unless such subordination extends also to the claims of present or future creditors of the parent broker or dealer and all consolidated subsidiaries.

(3) Subordinated liabilities of a consolidated subsidiary or affiliate that are consolidated in accordance with paragraph (c)(2) of this section may not be prepaid, repaid or accelerated if any of the entities included in such consolidation would otherwise be unable to comply with the provision of § 240.15c3-1d of this title, as modified by § 402.2d.

(4) Each government securities broker or dealer included within the consolidation shall at all times be in compliance with the liquid capital or net capital requirement to which it is subject.

(d) *Certain Precluded Acts.* Even if consolidation is not required or allowed under paragraph (a) of this section, no parent broker or dealer shall guarantee, endorse or assume directly or indirectly any obligation or liability of a subsidiary or affiliate unless the obligation or liability is reflected in the parent broker's or dealer's computation of liquid capital.

Related accounts (e.g., the separate accounts of an individual, accounts under common control or subject to cross guarantees) shall be deemed to be a single customer’s accounts for purposes of this provision.”.

(m) For purposes of this section, the suspension of §240.15c3-3(m) of this title (38 FR 12103, May 9, 1973) is no longer effective and the paragraph is modified to read as follows: “(m) If a government securities broker or government securities dealer executes a sell order of a customer (other than an order to execute a sale of securities which the seller does not own, which for the purposes of this paragraph shall mean that the customer placing the sell order has identified the sale as a short sale to the government securities broker or dealer) and if for any reason whatever the government securities broker or government securities dealer has not obtained possession of the government securities, other than mortgage-backed securities, from the customer within 30 calendar days, or in the case of mortgage-backed securities within 60 calendar days, after the settlement date, the government securities broker or government securities dealer shall immediately thereafter close the transaction with the customer by purchasing, or otherwise obtaining, securities of like kind and quantity. For purposes of this paragraph (m), the term “customer” shall not include a broker or dealer who maintains a special omnibus account with another broker or dealer in com-

§ 403.5 Custody of securities held by financial institutions that are government securities brokers or dealers.

(a) A government securities broker or dealer that is a financial institution shall:

(b) A financial institution shall not be in violation of the possession or control requirements of paragraphs (c) and (d) of this section if, solely as the result of normal business operations, temporary lags occur between the time when a security is first required to be in the financial institution’s possession or control and the time when it is actually placed in possession or control, provided that the financial institution takes timely steps in good faith to establish prompt possession or control. In the event that a financial institution has accepted funds from a customer for the purchase of securities and the financial institution does not initiate the purchase of the specified securities by the close of the next business day after receipt of such customer’s funds, the financial institution shall immediately deposit or redeposit the funds in an account belonging to such customer and send the customer notice of such deposit or redeposit.

(c)(1) On each business day a financial institution shall determine the quantity and issue of such securities, if any, that are required to be but are not in the financial institution's possession or control. (ii) Promptly obtain the return of any securities loaned;

(iii) Take prompt steps to obtain possession or control of securities failed to receive for more than 30 calendar days, or in the case of mortgage-backed securities, for more than 60 calendar days; or

(iv) Take prompt steps to buy in securities as necessary to the extent any shortage of securities in possession or control cannot be resolved as required by any of the above procedures.

(2) The financial institution shall prepare and maintain a current and detailed description of the procedures and internal controls that it utilizes to comply with the possession or control requirements of this paragraph (c), which shall be made available upon request to its appropriate regulatory agency.

(3) Nothing stated in this section shall be construed as affecting the absolute right of a customer of a government securities broker or dealer, unless otherwise agreed in writing, in the normal course of business operations following demand made on the broker or dealer, to receive the physical delivery of certificates if the securities are issued in certificated form, or to direct a transfer of or otherwise to exercise control over any securities if they are:

(i) Fully-paid securities to which the customer is entitled;

(ii) Margin securities upon full payment by such customer to the broker or dealer of the customer's indebtedness to the broker or dealer; or

APPENDIX A TO PART 420—SEPARATE REPORTING ENTITY

APPENDIX B TO PART 420—SAMPLE LARGE POSITION REPORT

AUTHORITY: 15 U.S.C. 78o-5(f).

SOURCE: 79 FR 73414, Dec. 10, 2014, unless otherwise noted.

§ 420.1 Applicability.

(a) This part is applicable to all persons that participate in the government securities market, including, but not limited to: Government securities brokers and dealers, depository institutions that exercise investment discretion, registered investment companies, registered investment advisers, pension funds, hedge funds, and insurance companies that may control a position in a recently-issued marketable Treasury bill, note, or bond as those terms are defined in § 420.2.

(b) Notwithstanding paragraph (a) of this section, Treasury requests that central banks (including U.S. Federal

Department of the Treasury

§ 420.3

Reserve Banks for their own account), foreign governments, and international monetary authorities voluntarily submit large position reports when they meet or exceed a reporting threshold.

§ 420.2 Definitions.

For the purposes of this part:

Aggregating entity means a single entity (e.g., a parent company, affiliate, or organizational component) that is combined with other entities, as specified in the definition of “reporting entity” of this section, to form a reporting entity. In those cases where an entity has no affiliates, the aggregating entity is the same as the reporting entity.

Control means having the authority to exercise investment discretion over the purchase, sale, retention, or financing of specific Treasury securities.

Large position threshold means the minimum dollar par amount of the specified Treasury security that a reporting entity must control in order for the entity to be required to submit a large position report. It also means the minimum number of futures, options on futures, and exchange-traded options contracts for which the specified Treasury security is deliverable that the reporting entity must control in order for the entity to be required to submit a large position report. Treasury will announce the large position thresholds, which may vary with each notice of request to report large position information and with each specified Treasury security. Treasury may announce different thresholds for certain reporting criteria. Under no circumstances will a large position threshold be less than 10 percent of the amount outstanding of the specified Treasury security.

Recently-issued means:

(1) With respect to Treasury securities that are issued quarterly or more frequently, the three most recent issues of the security.

(2) With respect to Treasury securities that are issued less frequently than quarterly, the two most recent issues of the security.

(3) With respect to a reopened security, the entire issue of a reopened security (older and newer portions) based on the date the new portion of the re-

opened security is issued by Treasury (or for when-issued securities, the scheduled issue date).

(4) For all Treasury securities, a security announced to be issued or auctioned but unissued (when-issued), starting from the date of the issuance announcement. The most recent issue of the security is the one most recently announced.

(5) Treasury security issues other than those specified in paragraphs (1) and (2) of this definition, provided that such large position information is necessary and appropriate for monitoring the impact of concentrations of positions in Treasury securities.

Reporting entity means any corporation, partnership, person, or other entity and its affiliates, as further provided herein. For the purposes of this definition, an affiliate is any: Entity that is more than 50% owned, directly or indirectly, by the aggregating entity or by any other affiliate of the aggregating entity; person or entity that owns, directly or indirectly, more than 50% of the aggregating entity; person or entity that owns, directly or indirectly, more than 50% of any other affiliate of the aggregating entity; or entity, a majority of whose board of directors or a majority of whose general partners are directors or officers of the aggregating entity or any affiliate of the aggregating entity.

(1) Subject to the conditions prescribed in appendix A to this part, one aggregating entity, or a combination of aggregating entities, may be recognized as a separate reporting entity.

(2) Notwithstanding this definition, any persons or entities that intentionally act together with respect to the investing in, retention of, or financing of Treasury securities are considered, collectively, to be one reporting entity.

Reporting requirement means that an entity must file a large position report when it meets any one of eight criteria contained in appendix B to this part.

§ 420.3 Reporting.

(a) A reporting entity must file a large position report if it meets the reporting requirement as defined in § 420.2. Treasury will provide notice of the large position thresholds by issuing

a public announcement and subsequently publishing the notice in the FEDERAL REGISTER. Such notice will identify the Treasury security issue(s) to be reported (including, where applicable, identifying the related STRIPS principal component); the date or dates for which the large position information must be reported; and the large position thresholds for that issue. A reporting entity is responsible for taking reasonable actions to be aware of such a notice.

(b) A reporting entity shall select one entity from among its aggregating entities (*i.e.*, the designated filing entity) as the entity designated to compile and file a report on behalf of the reporting entity. The designated filing entity shall be responsible for filing any large position reports in response to a notice issued by Treasury and for maintaining the additional records prescribed in § 420.4.

Passive investment strategies include those that involve holding the security until maturity. A combination of active and passive strategies would involve applying the aforementioned active and passive strategies to all or a portion of a reporting entity's positions in the specified Treasury security. Reporting entities may select the most applicable investment strategy.

§ 420.4 Recordkeeping.

(a) *Recordkeeping responsibility of aggregating entities.* Notwithstanding the provisions of paragraphs (b) and (c) of this section, an aggregating entity that controls a portion of its reporting entity's position in a recently-issued Treasury security, when such position of the reporting entity equals or exceeds \$2 billion, shall be responsible for making and maintaining the records prescribed in this section.

(b) *Records to be made and preserved by entities that are subject to the recordkeeping provisions of the SEC, Treasury, or the appropriate regulatory agencies for financial institutions.* As an aggregating entity, compliance by a registered broker or dealer, registered government securities broker or dealer, noticed financial institution, depository institution that exercises investment discretion, registered investment adviser, or registered investment company with the applicable recordkeeping provisions of the SEC, Treasury, or the appropriate regulatory agencies for financial institutions shall constitute compliance with this section, provided that, if such entity is also the designated filing entity, it:

(1) Makes and keeps copies of all large position reports filed pursuant to this part;

(2) Makes and keeps supporting documents or schedules used to compute data for the large position reports filed pursuant to this part, including any certifications or schedules it receives from aggregating entities pertaining to their holdings of the reporting entity's position;

(3) Makes and keeps a chart showing the organizational entities that are aggregated (if applicable) in determining the reporting entity's position; and

(4) With respect to recordkeeping preservation requirements that contain more than one retention period, preserves records required by paragraphs (b)(1) through (3) of this section for the

longest record retention period of applicable recordkeeping provisions.

(c) *Records to be made and preserved by other entities.* (1) An aggregating entity that is not subject to the provisions of paragraph (b) of this section shall make and preserve a journal, blotter, or other record of original entry containing an itemized record of all transactions that contribute to a reporting entity's position, including information showing the account for which such transactions were effected and the following information pertaining to the identification of each instrument: The type of security, the par amount, the CUSIP number, the trade date, the maturity date, the type of transaction (*e.g.*, a reverse repurchase agreement), and the name or other designation of the person from whom sold or purchased.

(2) If such aggregating entity is also the designated filing entity, then in addition it shall make and preserve the following records:

(i) Copies of all large position reports filed pursuant to this part;

(ii) Supporting documents or schedules used to compute data for the large position reports filed pursuant to this part, including any certifications or schedules it receives from aggregating entities pertaining to their holdings of the reporting entity's position; and

(iii) A chart showing the organizational entities that are aggregated (if applicable) in determining the reporting entity's position.

(3) With respect to the records required by paragraphs (c)(1) and (2) of this section, each such aggregating entity shall preserve such records for a period of not less than six years, the first two years in an easily accessible place. If an aggregating entity maintains its records at a location other than its principal place of business, the aggregating entity must maintain an index that states the location of the records, and such index must be easily accessible at all times.

(Approved by the Office of Management and Budget under control number 1535-0089)

§ 420.5 Applicability date.

The provisions of this part shall be first applicable beginning March 31, 1997.

APPENDIX A TO PART 420—SEPARATE REPORTING ENTITY

Subject to the following conditions, one or more aggregating entity(ies) (*e.g.*, parent, subsidiary, or organizational component) in a reporting entity, either separately or together with one or more other aggregating entity(ies), may be recognized as a separate reporting entity. All of the following conditions must be met for such entity(ies) to qualify for recognition as a separate reporting entity:

(1) Such entity(ies) must be prohibited by law or regulation from exchanging, or must have established written internal procedures designed to prevent the exchange of information related to transactions in Treasury securities with any other aggregating entity;

(2) Such entity(ies) must not be created for the purpose of circumventing these large position reporting rules;

(3) Decisions related to the purchase, sale or retention of Treasury securities must be made by employees of such entity(ies). Employees of such entity(ies) who make decisions to purchase or dispose of Treasury securities must not perform the same function for other aggregating entities; and

(4) The records of such entity(ies) related to the ownership, financing, purchase and sale of Treasury securities must be maintained by such entity(ies). Those records must be identifiable—separate and apart from similar records for other aggregating entities.

To obtain recognition as a separate reporting entity, each aggregating entity or group of aggregating entities must request such recognition from Treasury pursuant to the procedures outlined in § 400.2(c) of this chapter. Such request must provide a description of the entity or group and its position within the reporting entity, and provide the following certification:

[Name of the entity(ies)] hereby certifies that to the best of its knowledge and belief it meets the conditions for a separate reporting entity as described in appendix A to 17 CFR part 420. The above named entity also certifies that it has established written policies or procedures, including ongoing compliance monitoring processes, that are designed to prevent the entity or group of entities from:

(1) Exchanging any of the following information with any other aggregating entity (a) positions that it holds or plans to trade in a Treasury security; (b) investment strategies that it plans to follow regarding Treasury securities; and (c) financing strategies that it plans to follow regarding Treasury securities, or

(2) In any way intentionally acting together with any other aggregating entity with respect to the purchase, sale, retention or financing of Treasury securities.

Pt. 420, App. B

The above-named entity agrees that it will promptly notify Treasury in writing when any of the information provided to obtain separate reporting entity status changes or when this certification is no longer valid.

Any entity, including any organizational component thereof, that previously has received recognition as a separate bidder in Treasury auctions from Treasury pursuant to 31 CFR part 356 is also recognized as a separate reporting entity without the need to request such status, provided such entity

17 CFR Ch. IV (4–1–22 Edition)

continues to be in compliance with the conditions set forth in appendix A to 31 CFR part 356.

§ 450.3 Exemption for holdings subject to fiduciary standards.

(a) The Secretary has determined that the rules and standards of the Comptroller of the Currency, the Board of Governors of the Federal Reserve System, and the Federal Deposit Insurance Corporation governing the holding of government securities in a fiduciary capacity by depository institutions subject thereto are adequate. Accordingly, such depository institutions are exempt from this part with respect to their holdings of government securities in a fiduciary capacity and their holdings of government securities in a custodial capacity provided that:

(1) Such institution has adopted policies and procedures that would apply to such custodial holdings all the requirements imposed by its appropriate regulatory agency that are applicable to government securities held in a fiduciary capacity, and

(2) Such custodial holdings are subject to examination by the appropriate regulatory agency for compliance with such fiduciary requirements.

(b) The Secretary expects that each appropriate regulatory agency will notify the Department if it materially revises its rules and standards governing the holding of government securities in a fiduciary capacity.

[52 FR 27957, July 24, 1987, as amended at 70 FR 29446, May 23, 2005; 79 FR 38456, July 8, 2014]

§ 450.4 Custodial holdings of government securities.

Depository institutions that are subject to this part shall observe the following requirements with respect to their holdings of government securities for customer accounts:

(a)(1) Except as otherwise provided in this section, a depository institution shall maintain possession or control of all government securities held for the account of customers by segregating such securities from the assets of the depository institution and keeping them free of any lien, charge or claim of any third party granted or created by such depository institution.

(2)(i) Where customer securities are maintained by a depository institution at another depository institution, including but not limited to a correspondent bank or a trust company (“custodian institution”), the depository institution shall be in compliance with paragraph (a)(1) of this section if:

(A) The depository institution notifies the custodian institution that such securities are customer securities;

(B) The custodian institution maintains such securities in an account that is designated for customers of the depository institution and that does not contain proprietary securities of the depository institution; and

(C) The depository institution instructs the custodian institution to maintain such securities free of any lien, charge, or claim of any kind in favor of such custodian institution or any persons claiming through it.

(ii) To the extent that a custodian institution holds securities that have been identified as customer securities by a depository institution in accordance with paragraph (a)(2)(i) of this section, the custodian institution shall treat such securities as customer securities separate from any other securities held for the account of the depository institution.

(3)(i) Where securities that a depository institution is required, pursuant to this part 450, to keep free of all liens, charges, or other claims ("customer securities") are maintained by a depository institution at a Federal Reserve Bank, the depository institution shall be in compliance with paragraph (a)(1) of this section if any lien, charge or other claim of such Federal Reserve Bank or any person claiming through it against securities of the depository institution expressly excludes customer securities.

(ii) Notwithstanding paragraph (a)(3)(i) of this section, a depository institution described in that paragraph shall be in compliance with paragraph (a)(1) of this section if a Federal Reserve Bank retains a lien on securities received during the day that are subsequently determined to be customer securities, *provided that*,

(A) On that day, the depository institution:

(1) Because of extraordinary circumstances, at the end of that day either requests a discount window advance or is unable to eliminate an overdraft with its Federal Reserve Bank and the Federal Reserve Bank extends credit to the depository institution in order to assure the safety and soundness or liquidity of the depository institution; and

(2) After reasonable efforts, is unable to provide the Federal Reserve Bank with an adequate security interest in other collateral that is clearly identifiable as pledgeable by the depository institution sufficient to fully collateralize such extension of credit; and

(B) The depository institution diligently pursues with the Federal Reserve Bank the substitution of other collateral for securities determined to be customer securities; and

(C) The Federal Reserve Bank agrees that to the extent the lien extends to collateral of a value greater than the outstanding balance on the loan, customer securities will be the first collateral released from the lien.

(4)(i) To the extent that a depository institution holds securities that have been identified to such depository institution as customer securities by a government securities broker or dealer, or that the government securities broker or dealer has instructed the depository institution to place in a segregated account, in accordance with part 403 of subchapter A of this chapter, the depository institution shall treat such securities as customer securities separate from any other securities held for the account of the government securities broker or dealer and shall comply with all of the provisions of this section with respect to such customer securities, except as provided in paragraph (a)(4)(ii) of this section.

(ii) A clearing bank that provides clearing services for a government securities broker or dealer and that maintains a segregated account as described in § 403.4 of this chapter shall not be required to transfer securities to such account upon the instruction of the broker or dealer for whom such account is maintained if the clearing bank determines that such securities continue to be required as collateral for an extension of clearing credit to such dealer. Whenever a clearing bank does not segregate securities as of the close of business upon the instruction of such broker or dealer, it shall send a notification to the appropriate regulatory agency of the broker or dealer for whom such account is maintained. Such securities shall thereafter be segregated pursuant to the instruction of the broker or dealer as soon as they are no longer required by the clearing bank as collateral for the extension of clearing credit.

(5) A depository institution that is subject to part 403 is not required to maintain possession or control of margin securities as that term is defined in § 403.5(f)(1).

(6) Notwithstanding the requirement of paragraph (a)(1) to maintain possession or control of customer securities, a depository institution may lend such

securities to a third party pursuant to the written agreement of the customer, if such loan of securities is carried out in full compliance with supervisory guidelines of its appropriate regulatory agency that expressly govern securities lending practices.

(b)(1) Except as otherwise provided in paragraph (b)(2) of this section, a depository institution shall issue a confirmation or a safekeeping receipt for each security held for a customer in accordance with this section with the exception of securities that are the subject of repurchase transactions which are subject to the requirements of § 403.5(d) of this chapter. The confirmation or safekeeping receipt shall identify the issuer, maturity date, par amount and coupon rate of the security being confirmed. The confirmation may be supplied to the customer in any manner that complies with applicable Federal banking regulations.

(2) A depository institution shall not be required to send the confirmation or safekeeping receipt required by paragraph (b)(1) of this section to a customer that is a non-U.S. citizen residing outside the United States or a foreign corporation, partnership, or trust, if such customer expressly waives in writing the right to receive such confirmation or safekeeping receipt.

(c) Records of government securities held for customers shall be maintained and shall be kept separate and distinct from other records of the depository institution. Such records shall:

(1) Provide a system for identifying each customer, and each government security (or the amount of each issue of a government security issued in book-entry form) held for the customer;

(2) Describe the customer's interest in the government security;

(3) Indicate all receipts and deliveries of government securities and all receipts and disbursements of cash by the depository institution in connection with such securities;

(4) Include a copy of the safekeeping receipt or a confirmation issued for each government security held; and

(5) Provide an adequate basis for audit of such information.

(d) Counts of government securities held for customers in both definitive

and book-entry form shall be conducted at least annually and such counts shall be reconciled with customer account records.

(1) Counts of book-entry securities and of definitive securities held outside the possession of the depository institution shall be made by reconciliation of the records of the depository institution with those of any depository, depository institution, or Federal Reserve Bank on whose books the depository institution has securities accounts.

(2) The depository institution conducting the count shall also verify any such securities in transfer, in transit, pledged, loaned, borrowed, deposited, failed to receive, failed to deliver, subject to repurchase or reverse repurchase agreements or otherwise subject to the depository institution's control or direction that are not in its physical possession, where the securities have been in such status for longer than thirty days.

(3) The dates and results of such counts and reconciliations shall be documented with differences noted in a security count difference account not later than seven business days after the date of each required count and verification as provided in this paragraph (d).

(e) For purposes of this section, a depository institution shall treat a government securities broker or dealer as a customer with respect to securities maintained by such government securities broker or dealer in a Segregated Account as defined in § 403.4(f)(1) of this chapter and with respect to securities otherwise identified to the depository institution as customer securities for purposes of maintaining possession or control of such securities as required by part 403 of this chapter. The record-keeping requirements of paragraph (c) of this section require the depository institution to treat such securities as customer securities separate from any other securities held for the account of the government securities broker or dealer, but do not require the depository institution to keep records identifying individual customers of the government securities broker or dealer.

(f) The records required by paragraphs (c) and (d)(3) of this section
