This part satisfies the requirements in 2 CFR 180.20, section 3 of Executive Order 12549, "Debarment and Suspension", Executive Order 12689, "Debarment and Suspension" and 31 U.S.C. 6101 note (Section 2455, Pub. #### §376.20 Does this part apply to me?

This part and, through this part, pertinent portions of the OMB guidance in subparts A through I of 2 CFR part 180

# § 376.30

(see table at 2 CFR 180.100(b)), apply to you if you are a—

(a) Participant or principal in a "covered transaction" under subpart B of 2 CFR part 180, as supplemented by this part, and the definition of non-procurement transaction" at 2 CFR 180.970.

(b) Respondent in HHS suspension or debarment action;

(c) HHS debarment or suspension official;

(d) HHS grants officer, agreements officer, or other HHS official authorized to enter into any type of nonprocurement transaction that is a covered transaction.

#### §376.30 What policies and procedures must I follow?

The policies and procedures that you must follow are the policies and procedures specified in each applicable section of the OMB guidance in subparts A through I of 2 CFR part 180, including the corresponding section that HHS published in 2 CFR part 376 identified by the same section number. The contracts under a nonprocurement transaction, that are covered transactions, for example, are specified by section 220 of the OMB guidance (i.e., 2 CFR 180.220) as supplemented by section 220 in this part (i.e., 2 CFR 376.220). For any section of OMB guidance in subparts A through I of 2 CFR part 180 that has no corresponding section in this part. HHS policies and procedures are those in the OMB guidance at 2 CFR part 180.

# Subpart A—General

#### §376.137 Who in the Department of Health and Human Services (HHS) may grant an exception to let an excluded person participate in a covered transaction?

The HHS Debarring/Suspension Official has the authority to grant an exception to let an excluded person participate in a covered transaction as provided at 2 CFR 180.135.

# 2 CFR Ch. III (1-1-22 Edition)

#### §376.147 Does an exclusion from participation in Federal health care programs under Title XI of the Social Security Act affect a person's eligibility to participate in nonprocurement and procurement transactions?

Any individual or entity excluded from participation in Medicare, Medicaid, and other Federal health care programs under Title XI of the Social Security Act, 42 U.S.C. 1320a-7, 1320a-7a, 1320c-5, or 1395ccc, and implementing regulation at 42 CFR part 1001, will be subject to the prohibitions against participating in covered transactions, as set forth in this part and part 180, and is prohibited from participating in all Federal Government procurement programs and nonprocurement programs. For example, if an individual or entity is excluded by the HHS Office of the Inspector General from participation in Medicare, Medicaid, and/or other Federal health care programs, in accordance with 42 U.S.C. 1320a-7, then that individual or entity is prohibited from participating in all Federal Government procurement and nonprocurement programs (42 CFR part 1001).

# Subpart B—Covered Transactions

#### § 376.220 What contracts and subcontracts, in addition to those listed in 2 CFR 180.220, are covered transactions?

In addition to the contracts covered under 2 CFR 180.220(b), this part also applies to all lower tiers of subcontracts under covered nonprocurement transactions, as permitted under the OMB guidance at 2 CFR 180.220(c). (See optional lower tier coverage in the diagram in the appendix to 2 CFR part 180.)

# Subpart C—Responsibilities of Participants Regarding Transactions

#### § 376.332 What methods must I use to pass requirements down to participants at lower tiers with whom I intend to do business?

To communicate the requirements to lower-tier participants, you must include a term or condition in the lower-

#### Department of Health and Human Services

tier transaction requiring the lowertier participant's compliance with 2 CFR part 180, as supplemented by this subpart.

#### §376.370 What are the obligations of Medicare carriers and intermediaries?

Because Medicare carriers, intermediaries and other Medicare contractors undertake responsibilities on behalf of the Medicare program (Title XVIII of the Social Security Act), these entities assume the same obligations and responsibilities as the HHS Medicare officials responsible for the Medicare Program with respect to actions under 2 CFR part 376. This would include the requirement for these entities to check the Excluded Parties List System (EPLS) and take necessary steps to effect this part.

# Subpart D—Responsibilities of Federal Agency Officials Regarding Transactions

#### § 376.437 What method do I use to communicate to a participant the requirements described in the OMB guidance at 2 CFR 180.435?

To communicate to a participant the requirements described in 2 CFR 180.435, you must include a term or condition in the transaction that requires the participant's compliance with subpart C of 2 CFR part 180, as supplemented by subpart C of this part, and require the participant to include a similar term or condition in lower-tier covered transactions.

#### §400.1 What does this part do?

This part adopts the OMB guidance in subparts A through F of 2 CFR part 200, as supplemented by this part, as USDA policies and procedures for uniform administrative requirements, cost principles, and audit requirements for Federal awards. It thereby gives regulatory effect for the USDA to the OMB guidance, as supplemented by this part.

# §400.2 Conflict of interest.

(a) Each USDA awarding agency must establish conflict of interest policies for its Federal awards.

(b) Non-Federal entities must disclose in writing any potential conflicts of interest to the USDA awarding agency or pass-through entity.

(1) The non-Federal entity must maintain written standards of conduct covering conflicts of interest and governing the performance of its employees in the selection, award and administration of Federal awards. No employee, officer or agent may participate in the selection, award, or administration of a Federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a non-Federal entity considered for a Federal award. The non-Federal entity may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the non-Federal entity.

(2) If the non-Federal entity has a parent, affiliate, or subsidiary organization that is not a state, local government, or Indian tribe, the non-Federal entity must also maintain written standards of conduct covering organizational conflicts of interest. Organizational conflicts of interest means that because of the relationships with a parent company, affiliate, or subsidiary organization, is unable or appears to be unable to be impartial in conducting a Federal award action involving a related organization.

# §415.1

# Subpart A—Application for Federal Assistance

# §415.1 Competition in the awarding of discretionary grants and cooperative agreements.

(a) Standards for competition. Except as provided in paragraph (d) of this section, awarding agencies shall enter into discretionary grants and cooperative agreements only after competition. An awarding agency's competitive award process shall adhere to the following standards:

(1) Potential applicants must be invited to submit proposals through publications such as the FEDERAL REG-ISTER, OMB-designated governmentwide website as described in 2 CFR 200.204, professional trade journals, agency or program handbooks, the Assistance Listings, or any other appropriate means of solicitation. In so doing, awarding agencies should consider the broadest dissemination of project solicitations in order to reach the highest number of potential applicants.

(2) Proposals are to be evaluated objectively by independent reviewers in accordance with written criteria set forth by the awarding agency. Reviewers should make written comments, as appropriate, on each application. Independent reviewers may be from the private sector, another agency, or within the awarding agency, as long as they do not include anyone who has approval authority for the applications being reviewed or anyone who might appear to have a conflict of interest in the role of reviewer of applications. A conflict of interest might arise when the reviewer or the reviewer's immediate family members have been associated with the applicant or applicant organization within the past two years as an owner, partner, officer, director, employee, or consultant; has any financial interest in the applicant or applicant organization; or is negotiating for, or has any arrangement, concerning prospective employment.

(3) An unsolicited application, which is not unique and innovative, shall be competed under the project solicitation it comes closest to fitting. Awarding agency officials will determine the solicitation under which the application is to be evaluated. When the awarding agency official decides that the unsolicited application does not fall under a recent, current, or planned solicitation, a noncompetitive award may be made, if appropriate to do so under the criteria of this section. Otherwise, the application should be returned to the applicant.

(b) *Project solicitations*. A project solicitation by the awarding agency shall include or reference the following, as appropriate:

(1) A description of the eligible activities which the awarding agency proposes to support and the program priorities;

(2) Eligible applicants;

(3) The dates and amounts of funds expected to be available for awards;

(4) Evaluation criteria and weights, if appropriate, assigned to each;

(5) Methods for evaluating and ranking applications;

(6) Name and address where proposals should be mailed or emailed and submission deadline(s);

(7) Any required forms and how to obtain them;

(8) Applicable cost principles and administrative requirements;

(9) Type of funding instrument intended to be used (grant or cooperative agreement); and

(10) The Assistance Listings number and title.

(c) Approval of applications. The final decision to award is at the discretion of the awarding/approving official in each agency. The awarding/approving official shall consider the ranking, comments, and recommendations from the independent review group, and any other pertinent information before deciding which applications to approve and their order of approval. Any appeals by applicants regarding the award decision shall be handled by the awarding agency using existing agency appeal procedures or good administrative practice and sound business judgment.

(d) *Exceptions*. The awarding/approving official may make a determination in writing that competition is not deemed appropriate for a particular transaction. Such determination shall be limited to transactions where it can

be adequately justified that a noncompetitive award is in the best interest of the Government and necessary to the accomplishment of the goals of the program. Reasons for considering noncompetitive awards may include, but are not necessarily limited to, the following:

(1) Nonmonetary awards of property or services;

(2) Awards of less than \$75,000;

(3) Awards to fund continuing work already started under a previous award;

(4) Awards which cannot be delayed due to an emergency or a substantial danger to health or safety;

(5) Awards when it is impracticable to secure competition; or

(6) Awards to fund unique and innovative unsolicited applications.

# Subpart B—Miscellaneous

#### §415.2 Acknowledgement of USDA Support on Publications and Audiovisuals.

(a) *Definitions*. (1) "Audiovisual" means a product containing visual imagery or sound or both. Examples of audiovisuals are motion pictures, live or prerecorded radio or television programs, slide shows, filmstrips, audio recordings, and multimedia presentations.

(2) "Production of an audiovisual" means any of the steps that lead to a finished audiovisual, including design, layout, script-writing, filming, editing, fabrication, sound recording or taping. The term does not include the placing of captions for the hearing impaired on films or videotapes not originally produced for use with the hearing impaired.

(3) "Publication" means a published book, periodical, pamphlet, brochure, flier, or similar item. It does not include any audiovisuals.

(b) *Publications*. Recipients shall have an acknowledgement of USDA awarding agency support placed on any publications written or published with grant support and, if feasible, on any publication reporting the results of, or describing, a grant-supported activity. (c) Audiovisuals. Recipients shall have an acknowledgement of USDA awarding agency support placed on any audiovisual which is produced with grant support and which has a direct production cost to the recipient of over \$5,000. Unless the other provisions of the grant award make it apply, this requirement does not apply to:

(1) Audiovisuals produced as research instruments or for documenting experimentation or findings and not intended for presentation or distribution to the general public.

(2) [Reserved]

(d) Waivers. USDA awarding agencies may waive any requirement of this section.

# Subpart C—Intergovernmental Review of Department of Agriculture Programs and Activities

# §415.3 Purpose.

(a) The regulations in this part implement Executive Order 12372, "Intergovernmental Review of Federal Programs", issued July 14, 1982, and amended on April 8, 1983. (7) Supports State and local governments by discouraging the reauthorization or creation of any planning organization which is Federally-funded, which has a limited purpose, and which is not adequately representative of, or accountable to, State or local elected officials.

#### §415.7 Federal interagency coordination.

The Secretary, to the extent practicable, consults with and seeks advice from all other substantially affected Federal departments and agencies in an effort to assure full coordination between such agencies and the Department regarding programs and activities covered under these regulations.

# §415.8 State selection of programs and activities.

(a) A State may select any program or activity published in the FEDERAL REGISTER in accordance with §415.5 for intergovernmental review under these regulations. Each State, before selecting programs and activities, shall consult with local elected officials.

(b) Each State that adopts a process shall notify the secretary of the Department's programs and activities selected for that process.

(c) A State may notify the Secretary of changes in its selections at any time. For each change, the State shall submit to the Secretary an assurance that the State has consulted with elected local officials regarding the change. The Department may establish deadlines by which States are required to inform the Secretary of changes in their program selections.

(d) The Secretary uses a State's process as soon as feasible, depending on individual programs and activities, after the Secretary is notified of its selections.

# §415.9 Communication with State and local elected officials.

(a) The Secretary provides notice to directly affected State, areawide, regional, and local entities in a State of proposed Federal financial assistance or direct Federal development if:

(1) The State has not adopted a process under the Order; or

(2) The assistance or development involves a program or an activity that is not covered under the State process.

(b) This notice may be made by publication in the FEDERAL REGISTER or other appropriate means, which the Department in its discretion deems appropriate.

(c) In order to facilitate communication with State and local officials the Secretary has established an office within the Department to receive all communications pertinent to this Order. All communications should be sent to the Office of the Chief Financial Officer, Room 143-W, 1400 Independence Avenue SW., Washington, DC 20250, Attention: E.O. 12372.

#### §415.10 State comments on proposed Federal financial assistance and direct Federal development.

(a) Except in unusual circumstances, the Secretary gives State processes or directly affected State, areawide, regional, and local officials and entities:

(1) At least 30 days from the date established by the Secretary to comment on proposed Federal financial assistance in the form of noncompeting continuation awards; and

(2) At least 60 days from the date established by the Secretary to comment on proposed direct Federal development or Federal financial assistance other than noncompeting continuation awards.

(b) This section also applies to comments in cases in which the review, coordination and communication with the Department have been delegated.

(c) Applicants for programs and activities subject to section 204 of the Demonstration Cities and Metropolitan Development Act shall allow areawide agencies a 60-day opportunity for review and comment.

### §415.11 Processing comments.

(a) The Secretary follows the procedures in §415.12 if:

(1) A State office or official is designated to act as a single point of contact between a State process and all Federal agencies; and

(2) That office or official transmits a State process recommendation for a program selected under §415.8.

(b)(1) The single point of contact is not obligated to transmit comments from State, areawide, regional or local officials and entities where there is no State process recommendation.

(2) If a State process recommendation is transmitted by a single point of contact, all comments from State, areawide, regional and local officials and entities that differ from it must also be transmitted.

(c) If a State has not established a process, or is unable to submit a State process recommendation, State, areawide, regional and local officials and entities may submit comments either to the applicant or to the Department.

(d) If a program or activity is not selected by a State process, State, areawide, regional and local officials and entities may submit comments either to the applicant or to the Department. In addition, if a State process recommendation for a non-selected program or activity is transmitted to the Department by the single point of contact, the Secretary follows the procedures of §415.12.

(e) The Secretary considers comments which do not constitute a State process recommendation submitted under these regulations and for which the Secretary is not required to apply the procedures of §415.12, when such comments are provided by a single point of contact by the applicant, or directly to the Department by a commenting party.

#### §415.12 Accommodation of intergovernmental concerns.

(a) If a State process provides a State process recommendation to the Department through its single point of contact, the Secretary either—

(1) Accepts the recommendations;

(2) Reaches a mutually agreeable solution with the State process; or

# §415.13

(3) Provides the single point of contact with a written explanation of the decision, as the Secretary in his or her discretion deems appropriate. The Secretary may also supplement the written explanation by also providing the explanation to the single point of contact by telephone, other telecommunication, or other means.

(b) In any explanation under paragraph (a)(3) of this section, the Secretary informs the single point of contact that:

(1) The Department will not implement its decision for at least ten days after the single point of contact receives the explanation; or

(2) The Secretary has reviewed the decision and determined that, because of unusual circumstances, the waiting period of at least ten days is not feasible.

(c) For purposes of computing the waiting period under paragraph (b)(1) of this section, a single point of contact is presumed to have received written notification five days after the date of mailing of such notification.

#### §415.13 Interstate situations.

(a) The Secretary is responsible for:

(1) Identifying proposed Federal financial assistance and direct Federal development that have an impact on interstate areas;

(2) Notifying appropriate officials in States which have adopted a process and which selected the Department's program or activity;

(3) Making efforts to identify and notify the affected State, areawide, regional and local officials and entities in those States that have not adopted a process under the Order or do not select the Department's program or activity; and

(4) Responding, pursuant to §415.12, if the Secretary receives a recommendation from a designated areawide agency transmitted by a single point of contact, in cases in which the review, coordination, and communication with the Department have been delegated.

(b) The Secretary uses the procedures in §415.12 if a State process provides a State process recommendation to the Department through a single point of contact.

# 2 CFR Ch. IV (1–1–22 Edition)

#### §415.14 Simplification, consolidation, or substitution of State plans.

(a) As used in this section:

(1) Simplify means that a State may develop its own format, choose its own submission date, and select the planning period for a State plan.

(2) Consolidate means that a State may meet statutory and regulatory requirements by combining two or more plans into one document and that the State can select the format, submission date, and the planning period for the consolidated plan.

(3) Substitute means that a State may use a plan or other document that it has developed for its own purposes to meet Federal requirements.

(b) If not inconsistent with law, a State may decide to try to simplify, consolidate, or substitute Federally required State plans without prior approval by the Secretary.

(c) The Secretary reviews each State plan a State has simplified, consolidated or substituted and accepts the plan only if its contents meet Federal requirements.

#### §415.15 Waivers.

In an emergency, the Secretary may waive any provision in Subpart C— Intergovernmental Review of Department of Agriculture Programs and Activities, 2 CFR 415.3 to 415.14.

#### §416.1 Special Procurement Provisions.

(a) In order to ensure objective contractor performance and eliminate unfair competitive advantage, a prospective contractor that develops or drafts specifications, requirements, statements of work, invitations for bids, request for proposals, contract term and conditions or other documents for use

by a State in conducting a procurement under the USDA entitlement programs specified in 2 CFR 200.101(f)(4) through (6) shall be excluded from competing for such procurements. Such prospective contractors are ineligible for contract awards resulting from such procurements regardless of the procurement method used. However, prospective contractors may provide States with specification information related to a State procurement under the USDA entitlement programs specified in 2 CFR 200.101(f)(4) through (6) and still compete for the procurement if the State, and not the prospective contractor, develops or drafts the specifications, requirements, statements of work, invitations for bid, and/or requests for proposals used to conduct the procurement.

(b) Procurements by States under USDA entitlement programs specified in 2 CFR 200.101(f)(4) through (6) shall be conducted in a manner that prohibits the use of statutorily or administratively imposed in-State or local geographic preferences except as provided for in 2 CFR 200.319(c).

SOURCE: 75 FR 29185, May 25, 2010, unless otherwise noted.

#### §417.10 What does this part do?

This part adopts the OMB guidance in subparts A through I of 2 CFR part 180, as supplemented by this part, as the USDA policies and procedures for nonprocurement debarment and suspension. It thereby gives regulatory effect for the USDA to the OMB guidance, as supplemented by this part. This part satisfies the requirements in section 3 of Executive Order 12549, "Debarment and Suspension" (3 CFR 1986 Comp., p. 189), Executive Order 12689, "Debarment and Suspension" (3 CFR 1989 Comp., p. 235) and 31 U.S.C. 6101 note (Section 2455, Pub. L. 103-355, 108 Stat. 3327).

#### §417.20 Does this part apply to me?

Through this part, pertinent portions of the OMB guidance in subparts A

# 2 CFR Ch. IV (1–1–22 Edition)

through I of 2 CFR part 180 (see table at 2 CFR 180.100(b)) apply to you if you are a:

(a) Participant or principal in a "covered transaction" (*see* subpart B of 2 CFR part 180 and the definition of "nonprocurement transaction" at 2 CFR 180.970, as supplemented by §§ 417.215 and 417.220 of this part);

(b) Respondent in a USDA debarment

and suspension action;

(c) USDA debarment or suspension official; or

(d) USDA grants officer, agreements officer, or other official authorized to enter into any type of nonprocurement transaction that is a covered transaction.

# §417.30 What policies and procedures must I follow?

The USDA policies and procedures that you must follow are the policies and procedures specified in this regulation and each applicable section of the OMB guidance in subparts A through I of 2 CFR part 180, as that section is supplemented by the section in this part with the same section number. The contracts that are covered transactions, for example, are specified by section 220 of the OMB guidance (i.e., 2 CFR 180.220) as supplemented by section 220 in this part (i.e., §417.220). For any section of OMB guidance in subparts A through I of 2 CFR part 180 that has no corresponding section in this part, USDA policies and procedures are those in the OMB guidance.

# Subpart A—General

#### §417.137 Who in the USDA may grant an exception to let an excluded person participate in a covered transaction?

Within the USDA, a debarring official may grant an exception to let an excluded person participate in a covered transaction as provided under 2 CFR 180.135.

## §417.220

# Subpart B—Covered Transactions

# \$417.210 Which nonprocurement transactions are covered transactions?

All nonprocurement transactions, as defined in §417.970, are covered transactions unless listed in §417.215.

#### \$417.215 Which nonprocurement transactions, in addition to those listed in 2 CFR 180.215, are not covered transactions?

(a) *Transactions not covered*. In addition to the nonprocurement transactions listed in 2 CFR 180.215, the following nonprocurement transactions are not covered transactions:

(1) An entitlement or mandatory award required by a statute, including a lower tier entitlement or mandatory award that is required by a statute.

(2) The export or substitution of Federal timber governed by the Forest Resources Conservation and Shortage Relief Act of 1990, 16 U.S.C. 620 *et seq.* (The "Export Act"), which prevents a debarred person from entering into any contract for the purchase of unprocessed timber from Federal lands. *See* 16 U.S.C. 620d(d)(1)(A).

(3) The receipt of licenses, permits, certificates, and indemnification under regulatory programs conducted in the interest of public health and safety, and animal and plant health and safety.

(4) The receipt of official grading and inspection services, animal damage control services, public health and safety inspection services, and animal and plant health and safety inspection services.

(5) If the person is a State or local government, the provision of official grading and inspection services, animal damage control services, animal and plant health and safety inspection services.

(6) The receipt of licenses, permits, or certificates under regulatory programs conducted in the interest of ensuring fair trade practices.

(7) Permits, licenses, exchanges and other acquisitions of real property, rights of way, and easements under natural resource management programs. (8) Any transaction to be implemented outside the United States that is below the primary tier covered transaction in a USDA foreign assistance program.

(9) Any transaction to be implemented outside the United States that is below the primary tier covered transaction in a USDA export credit guarantee program or direct credit program.

(b) Limited requirement to check EPLS. Notwithstanding the fact that transactions to be implemented outside the United States that are below the primary tier covered transaction in a USDA foreign assistance program, export credit guarantee program or direct credit program are not covered transactions, pursuant to paragraphs (a)(8) and (9) of this section, primary tier participants under these programs must check the EPLS prior to entering into any transaction with a person at the first lower tier and shall not enter into such a transaction if the person is excluded or disgualified under the EPLS.

(c) Exception. A cause for suspension or debarment under §180.700 or §180.800 of this title (as supplemented by §417.800) may be based on the actions of a person with respect to a procurement or nonprocurement transaction under a USDA program even if such transaction has been excluded from covered transaction status by this section or §417.220.

#### §417.220 Are any procurement contracts included as covered transactions?

(a) Covered transactions under this part:

(1) Do not include any procurement contracts awarded directly by a Federal agency; but

(2) Do include some procurement contracts awarded by non-Federal participants in nonprocurement covered transactions (*see* appendix to this part).

(b) Specifically, a contract for goods or services is a covered transaction if any of the following applies:

(1) The contract is awarded by a participant in a nonprocurement transaction that is covered under §417.210, and the amount of the contract is expected to equal or exceed \$25,000.

# §417.221

(2) The contract requires the consent of a USDA official. In that case, the contract, regardless of the amount, always is a covered transaction, and it does not matter who awarded it. For example, it could be a subcontract awarded by a contractor at a tier below a nonprocurement transaction, as shown in the appendix to this part.

(3) The contract is for federally-required audit services.

(c) Any procurement contract to be implemented outside the United States that is below the primary tier covered transaction in a USDA foreign assistance program is not a covered transaction, notwithstanding the provisions in paragraphs (a) and (b) of this section.

(d) Any procurement contract to be implemented outside the United States that is below the primary tier covered transaction in a USDA export credit guarantee program or direct credit program is not a covered transaction, notwithstanding the provisions in paragraphs (a) and (b) of this section.

(e) Notwithstanding the fact that procurement contracts to be implemented outside the United States that are below the primary tier covered transaction in a USDA foreign assistance program, export credit guarantee program or direct credit program are not covered transactions, pursuant to paragraphs (c) and (d) of this section, primary tier participants under these programs must check the EPLS prior to entering into any procurement contract that is expected to equal or exceed \$25,000 with a person at the first lower tier and shall not enter into such a procurement contract if the person is excluded or disqualified under the EPLS.

#### § 417.221 How would the exclusions from coverage for the USDA's foreign assistance programs apply?

The primary tier covered transaction would be the food aid grant agreement entered into between USDA and a program participant, such as a U.S. private voluntary organization. USDA would have to check the EPLS before entering into the food aid grant agreement to ensure that the U.S. private voluntary organization that would be the primary tier participant is not ex-

# 2 CFR Ch. IV (1–1–22 Edition)

cluded or disqualified. A transaction at the first lower tier might be a subrecipient agreement between the U.S. private voluntary organization and a foreign subrecipient of the commodities that were provided under the food aid grant agreement. Pursuant to §417.215(a)(8), this nonprocurement transaction would not be a covered transaction. In addition, a transaction at the first lower tier might be a procurement contract entered into between the U.S. private voluntary organization and a foreign entity to provide supplies or services that are expected to equal or exceed \$25,000 in value and that are needed by such organization to implement activities under the food aid grant agreement. Pursuant to §417.220(c), this procurement contract would not be a covered transaction. However, pursuant to §§417.215(b) and 417.220(e), the U.S. private voluntary organization would be prohibited from entering into, at the first lower tier, an agreement with a subrecipient or a procurement contract that is expected to equal or exceed \$25,000 with an entity that appears on the EPLS as excluded or disqualified.

#### \$417.222 How would the exclusions from coverage for USDA's export credit guarantee and direct credit programs apply?

(a) Export credit guarantee program. In the case of the export credit guarantee program, the primary tier covered transaction would be the guarantee issued by the USDA to a U.S. exporter. The U.S. exporter usually assigns the guarantee to a U.S. financial institution, and this would create another primary tier covered transaction between USDA and the U.S. financial institution. USDA would have to check the EPLS before issuing a guarantee or accepting a guarantee assignment to ensure that the U.S. exporter or financial institution that would be the primary tier participant is not excluded or disqualified. A transaction at the first lower tier under the export credit guarantee program might be a payment obligation of a foreign bank to the U.S. exporter to pay on behalf of the importer for the exported U.S. commodities that are covered by the guarantee. Similarly, a transaction at the first

lower tier might be a payment obligation of a foreign bank under an instrument, such as a loan agreement or letter of credit, to the U.S. financial institution assigned the guarantee, which has paid the exporter for the exported U.S. commodities and, in so doing, issued a loan to the foreign bank, which the foreign bank is obligated to repay on deferred payment terms. Pursuant to §417.215(a)(9), these nonprocurement transactions would not be covered transactions. In addition, a transaction at the first lower tier under the export credit guarantee program might be a procurement contract (i.e., a contract for the purchase and sale of goods) that is expected to equal or exceed \$25,000 entered into between the U.S. exporter and the foreign importer for the U.S. commodities, the payment for which is covered by the guarantee. Pursuant to §417.220(d), this procurement contract would not be a covered transaction. However, pursuant to §§417.215(b) and 417.220(e), the U.S. exporter or U.S. financial institution would be prohibited from entering into, at the first lower tier, an agreement with an importer (or intervening purchaser) or foreign bank or a procurement contract that is expected to equal or exceed \$25,000 with an entity that appears on the EPLS as excluded or disqualified.

(b) Direct credit program. In the case of the direct credit program, the primary tier covered transaction would be the financing agreement between the USDA and the U.S. exporter. USDA purchases the exporter's account receivable in a particular transaction pursuant to the financing agreement. On occasion, such transaction may contemplate a payment obligation of a U.S. or foreign bank to make the required payments. USDA would have to check the EPLS before entering into a financing agreement or accepting such a payor to ensure that the U.S. exporter or the bank, if any, that would be the primary tier participant is not excluded or disqualified. A transaction at the first lower tier might be a payment obligation of the importer to pay the exporter for the exported U.S. commodities that are covered by the fiagreement. Pursuant to nancing §417.215(a)(9),  $_{\mathrm{this}}$ nonprocurement

transaction would not be a covered transaction. In addition, a transaction at the first lower tier might be a procurement contract that is expected to equal or exceed \$25,000 entered into between the U.S. exporter and the foreign importer for the U.S. commodities, the payment for which is covered by the financing agreement. Pursuant to §417.220(d), this procurement contract would not be a covered transaction. However, pursuant to §§ 417.215(b) and 417.220(e), the U.S. exporter would be prohibited from entering into, at the first lower tier, an agreement with an importer (or intervening purchaser) or bank, or a procurement contract that is expected to equal or exceed \$25,000 with an entity that appears on the EPLS as excluded or disqualified.

# Subpart C—Responsibilities of Participants Regarding Transactions

#### §417.332 What methods must I use to pass down requirements to participants in lower tier covered transactions with whom I intend to do business?

You as a participant must include a term or condition in lower tier covered transactions requiring lower tier participants to comply with subpart C of the OMB guidance in 2 CFR part 180, as supplemented by subpart C of this part.

# Subpart D—Responsibilities of Department of Agriculture Officials Regarding Transactions

#### § 417.437 What method do I use to communicate to a participant the requirements described in the OMB guidance at 2 CFR 180.435?

To communicate to a participant the requirements described in 2 CFR 180.435, you must include a term or condition in the transaction that requires the participant's compliance with subpart C of 2 CFR part 180, as supplemented by subpart C of this part, and requires the participant to include a similar term or condition in lower tier covered transactions.

# Subpart E—System for Award Management Exclusions

SOURCE: 84 FR 52994, Oct. 4, 2019, unless otherwise noted.

### §417.500 What is the purpose of the System for Award Management Exclusions (SAM Exclusions)?

SAM Exclusions is a widely available source of the most current information about persons who are excluded or disqualified from covered transactions.

#### §417.505 Who uses SAM Exclusions?

(a) Federal agency officials use SAM Exclusions to determine whether to enter into a transaction with a person, as required under §180.430 of this title.

(b) Participants also may, but are not required to, use SAM Exclusions to determine if—

(1) Principals of their transactions are excluded or disqualified, as required under §180.320 of this title; or

(2) Persons with whom they are entering into covered transactions at the next lower tier are excluded or disqualified.

(c) SAM Exclusions are available to the general public.

# §417.510 Who maintains SAM Exclusions?

The General Services Administration (GSA) maintains SAM Exclusions. When a Federal agency takes an action to exclude a person under the nonprocurement or procurement debarment and suspension system, the agency enters the information about the excluded person into SAM Exclusions.

# §417.515 What specific information is in SAM Exclusions?

(a) At a minimum, SAM Exclusions indicates—

(1) The full name (where available) and address of each excluded and disqualified person, in alphabetical order, with cross references if more than one name is involved in a single action;

(2) The type of action;

(3) The cause for the action;

(4) The scope of the action;

(5) Any termination date for the action: 2 CFR Ch. IV (1–1–22 Edition)

(6) The Federal agency and name and telephone number of the agency point of contact for the action; and

(7) The unique entity identifier approved by the GSA, of the excluded or disqualified person, if available.

(b)(1) The database for SAM Exclusions includes a field for the Taxpayer Identification Number (TIN) (the social security number (SSN) for an individual) of an excluded or disqualified person.

(2) Agencies disclose the SSN of an individual to verify the identity of an individual, only if permitted under the Privacy Act of 1974 and, if appropriate, the Computer Matching and Privacy Protection Act of 1988, as codified in 5 U.S.C. 552(a).

# §417.520 Who places the information into SAM Exclusions?

Federal agency officials who take actions to exclude persons under this part or officials who are responsible for identifying disqualified persons must enter the following information about those persons into SAM Exclusions:

(a) Information required by §180.515(a) of this title;

(b) The Taxpayer Identification Number (TIN) of the excluded or disqualified person, including the social security number (SSN) for an individual, if the number is available and may be disclosed under law;

(c) Information about an excluded or disqualified person, within three business days, after—

(1) Taking an exclusion action;

(2) Modifying or rescinding an exclusion action;

(3) Finding that a person is disqualified; or

(4) Finding that there has been a change in the status of a person who is listed as disqualified.

#### §417.525 Whom do I ask if I have questions about a person in SAM Exclusions?

If you have questions about a listed person in SAM Exclusions, ask the point of contact for the Federal agency that placed the person's name into SAM Exclusions. You may find the agency point of contact from SAM Exclusions.

# §417.530 Where can I find SAM Exclusions?

You may access SAM Exclusions through the internet, currently at *https://www.sam.gov.* 

# Subpart F—General Principles Relating to Suspension and Debarment Actions

SOURCE: 84 FR 52994, Oct. 4, 2019, unless otherwise noted.

#### §417.600 How do suspension and debarment actions start?

When Federal agency officials receive information from any source concerning a cause for suspension or debarment, they will promptly report it and the agency will investigate. # § 417.625 What is the scope of a suspension or debarment?

If you are suspended or debarred, the suspension or debarment is effective as follows:

# §418.205 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §418.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or an extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) For purposes of paragraph (a) of this section, "professional and technical services" shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client's proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the

intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by this section are allowable under this section.

#### §418.210 Reporting.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

#### Subpart C—Activities by Other Than Own Employees

# §418.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §418.100 (a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) The reporting requirements in §418.110 (a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to professional or technical services rendered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.

(c) For purposes of paragraph (a) of this section, "professional and tech-

nical services" shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client's proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(d) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(e) Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(f) Only those services expressly authorized by this section are allowable under this section.

#### Subpart D—Penalties and Enforcement

#### §418.400 Penalties.

(a) Any person who makes an expenditure prohibited herein shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such expenditure.

(b) Any person who fails to file or amend the disclosure form (see Appendix B) to be filed or amended if required herein, shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

(c) A filing or amended filing on or after the date on which an administrative action for the imposition of a civil penalty is commenced does not prevent the imposition of such civil penalty for a failure occurring before that date. An administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.

(d) In determining whether to impose a civil penalty, and the amount of any such penalty, by reason of a violation by any person, the agency shall consider the nature, circumstances, extent, and gravity of the violation, the effect on the ability of such person to continue in business, any prior violations by such person, the degree of culpability of such person, the ability of the person to pay the penalty, and such other matters as may be appropriate.

(e) First offenders under paragraphs (a) or (b) of this section shall be subject to a civil penalty of \$10,000, absent aggravating circumstances. Second and subsequent offenses by persons shall be subject to an appropriate civil penalty between \$10,000 and \$100,000, as determined by the agency head or his or her designee.

(f) An imposition of a civil penalty under this section does not prevent the United States from seeking any other remedy that may apply to the same conduct that is the basis for the imposition of such civil penalty.

#### §418.405 Penalty procedures.

Agencies shall impose and collect civil penalties pursuant to the provisions of the Program Fraud and Civil 2 CFR Ch. IV (1–1–22 Edition)

Remedies Act, 31 U.S.C.s 3803 (except subsection (c)), 3804, 3805, 3806, 3807, 3808, and 3812, insofar as these provisions are not inconsistent with the requirements herein.

#### §418.410 Enforcement.

The head of each agency shall take such actions as are necessary to ensure that the provisions herein are vigorously implemented and enforced in that agency.

## Subpart E—Exemptions

# §418.500 Secretary of Defense.

(a) The Secretary of Defense may exempt, on a case-by-case basis, a covered Federal action from the prohibition whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of each such written exemption to Congress immediately after making such a determination.

(b) The Department of Defense may issue supplemental regulations to implement paragraph (a) of this section.

#### Subpart F—Agency Reports

Such information shall not be available for public inspection.

(e) The first semi-annual compilation shall be submitted on May 31, 1990, and shall contain a compilation of the disclosure reports received from December 23, 1989 to March 31, 1990.

(f) Major agencies, designated by the Office of Management and Budget (OMB), are required to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives no later than with the compilations due on May 31, 1991. OMB shall provide detailed specifications in a memorandum to these agencies.

(g) Non-major agencies are requested to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives.

(h) Agencies shall keep the originals of all disclosure reports in the official files of the agency.

The evaluation may include any recommended changes that may be necessary to strengthen or improve the requirements.

agency official comparable to an Inspector General shall prepare and submit the annual report, or, if there is no such comparable official, the head of the agency shall prepare and submit the annual report.

USDA. United States Department of Agriculture.

USDA Research Integrity Officer (USDA RIO). The individual designated by the Office of the Under Secretary for Research, Education, and Economics (REE) who is responsible for:

(1) Overseeing USDA agency responses to allegations of research misconduct;

(2) Ensuring that agency research misconduct procedures are consistent with this part;

(3) Receiving and assigning allegations of research misconduct reported by the public;

(4) Developing Memoranda of Understanding with agencies that elect not §422.2

to develop their own research misconduct procedures;

(5) Monitoring the progress of all research misconduct cases; and

(6) Serving as liaison with OIG to receive allegations of research misconduct when they are received via the OIG Hotline.

#### § 422.2 Procedures.

Research institutions that conduct extramural research funded by USDA must foster an atmosphere conducive to research integrity. They must develop or have procedures in place to respond to allegations of research misconduct that ensure:

(a) Appropriate separations of responsibility for inquiry, investigation, and adjudication;

(b) Objectivity;

(c) Due process;

(d) Whistleblower protection;

(e) Confidentiality. To the extent possible and consistent with a fair and thorough investigation and as allowed by law, knowledge about the identity of subjects and informants is limited to those who need to know; and

(f) Timely resolution.

#### §422.3 Inquiry, investigation, and adjudication.

A research institution that conducts extramural research funded by USDA bears primary responsibility for prevention and detection of research misconduct and for the inquiry, investigation, and adjudication of research misconduct allegations reported directly to it. The research institution must perform an inquiry in response to an allegation, and must follow the inquiry with an investigation if the inquiry determines that the allegation or apparent instance of research misconduct has substance. The responsibilities for adjudication must be separate from those for inquiry and investigation. In most instances, USDA will rely on a research institution conducting extramural research to promptly:

(a) Initiate an inquiry into any suspected or alleged research misconduct;

(b) Conduct a subsequent investigation, if warranted;

(c) Acquire, prepare, and maintain appropriate records of allegations of extramural research misconduct and all related inquiries, investigations, and findings; and

(d) Take action to ensure the following:

(1) The integrity of research;

(2) The rights and interests of the subject of the investigation and the public are protected;

(3) The observance of legal requirements or responsibilities including cooperation with criminal investigations; and

(4) Appropriate safeguards for subjects of allegations, as well as informants (see §422.6). These safeguards should include timely written notification of subjects regarding substantive allegations made against them; a description of all such allegations; reasonable access to the data and other evidence supporting the allegations; and the opportunity to respond to allegations, the supporting evidence and the proposed findings of research misconduct, if any.

# § 422.4 USDA Panel to determine appropriateness of research misconduct policy.

Before USDA will rely on a research institution to conduct an inquiry, investigation, and adjudication of an allegation in accordance with this part, the research institution where the research misconduct is alleged must provide the ARIO its policies and procedures related to research misconduct at the institution. The research institution has the option of providing either a written copy of such policies and procedures or a Web site address where such policies and procedures can be accessed. The ARIO to whom the policies and procedures were made available shall convene a panel comprised of the USDA RIO and ARIOs from the Forest Service, the Agricultural Research Service, and the National Institute of Food and Agriculture. The Panel will review the research institution's policies and procedures for compliance with the OSTP Policy and render a decision regarding the research institution's ability to adequately resolve research misconduct allegations. The ARIO will inform the research institution of the Panel's determination that its inquiry, investigation, and adjudication procedures are

sufficient. If the Panel determines that the research institution does not have sufficient policies and procedures in place to conduct inquiry, investigation, and adjudication proceedings, or that the research institution is in any way unfit or unprepared to handle the inquiry, investigation, and adjudication in a prompt, unbiased, fair, and independent manner, the ARIO will inform the research institution in writing of the Panel's decision. An appropriate USDA agency, as determined by the Panel, will then conduct the inquiry, investigation, and adjudication of research misconduct in accordance with this part. If an allegation of research misconduct is made regarding extramural research conducted at a Federal research institution (whether USDA or not), it is presumed that the Federal research institution has research misconduct procedures consistent with the OSTP Policy. USDA reserves the right to convene the Panel to assess the sufficiency of a Federal agency's research misconduct procedures, should there be any question whether the agency's procedures will ensure a fair, unbiased, equitable, and independent inquiry, investigation, and adjudication process.

#### § 422.5 Reservation of right to conduct subsequent inquiry, investigation, and adjudication.

(a) USDA reserves the right to conduct its own inquiry, investigation, and adjudication into allegations of research misconduct at a research institution conducting extramural research subsequent to the proceedings of the research institution related to the same allegation. This may be necessary if the USDA RIO or ARIO believes, in his or her sound discretion, that despite the Panel's finding that the research institution in question had appropriate and OSTP-compliant research misconduct procedures in place, the research institution conducting the extramural research at issue:

(1) Did not adhere to its own research misconduct procedures;

(2) Did not conduct research misconduct proceedings in a fair, unbiased, or independent manner; or

(3) Has not completed research misconduct inquiry, investigation, or adjudication in a timely manner. (b) Additionally, USDA reserves the right to conduct its own inquiry, investigation, and adjudication into allegations of research misconduct at a research institution conducting extramural research subsequent to the proceedings of the research institution related to the same allegation for any other reason that the USDA RIO or ARIO considers it appropriate to conduct research misconduct proceedings in lieu of the research institution's conducting the extramural research at issue. This right is subject to paragraph (c) of this section.

(c) In cases where the USDA RIO or ARIO believes it is necessary for USDA to conduct its own inquiry, investigation, and adjudication subsequent to the proceedings of the research institution related to the same allegation, the USDA RIO or ARIO shall reconvene the Panel, which will determine whether it is appropriate for the relevant USDA agency to conduct the research misconduct proceedings related to the allegation(s) of research misconduct. If the Panel determines that it is appropriate for a USDA agency to conduct the proceedings, the ARIO will immediately notify the research institution in question. The research institution must then promptly provide the relevant USDA agency with documentation of the research misconduct proceedings the research institution has conducted to that point, and the USDA agency will conduct research misconduct proceedings in accordance with the Agency research misconduct procedures.

#### § 422.6 Notification of USDA of allegations of research misconduct.

(a) Research institutions that conduct USDA-funded extramural research must promptly notify OIG and the USDA RIO of all allegations of research misconduct involving USDA funds when the institution inquiry into the allegation warrants the institution moving on to an investigation.

(b) Individuals at research institutions who suspect research misconduct at the institution should report allegations in accordance with the institution's research misconduct policies and procedures. Anyone else who suspects §422.7

that researchers or research institutions performing Federally-funded research may have engaged in research misconduct is encouraged to make a formal allegation of research misconduct to OIG.

(1) OIG may be notified using any of the following methods:

(i) Via the OIG Hotline: Telephone: (202) 690-1622, (800) 424-9121, (202) 690-1202 (TDD).

(ii) Email: usda\_hotline@oig.usda.gov.

(iii) U.S. Mail: United States Department of Agriculture, Office of Inspector General, P.O. Box 23399, Washington, DC 20026-3399.

(2) The USDA RIO may be reached at: USDA Research Integrity Officer, 214W Whitten Building, Washington, DC 20250; telephone: 202–720–5923; Email: researchintegrity@usda.gov.

(c) To the extent known, the following details should be included in any formal allegation:

(1) The name of the research projects involved, the nature of the alleged misconduct, and the names of the individual or individuals alleged to be involved in the misconduct;

(2) The source or sources of funding for the research project or research projects involved in the alleged misconduct;

(3) Important dates;

(4) Any documentation that bears upon the allegation; and

(5) Any other potentially relevant information.

(d) Safeguards for informants give individuals the confidence that they can bring allegations of research misconduct made in good faith to the attention of appropriate authorities or serve as informants to an inquiry or an investigation without suffering retribution. Safeguards include protection against retaliation for informants who make good faith allegations, fair and objective procedures for the examination and resolution of allegations of research misconduct, and diligence in protecting the positions and reputations of those persons who make allegations of research misconduct in good faith. The identity of informants who wish to remain anonymous will be kept confidential to the extent permitted by law or regulation.

# §422.7 Notification of ARIO during an inquiry or investigation.

(a) Research institutions that conduct USDA-funded extramural research must promptly notify the ARIO should the institution become aware during an inquiry or investigation that:

Public health or safety is at risk;
 The resources, reputation, or other interests of USDA are in need of protection;

(3) Research activities should be suspended:

(4) Federal action may be needed to protect the interest of a subject of the investigation or of others potentially affected;

(5) A premature public disclosure of the inquiry into or investigation of the allegation may compromise the process;

(6) The scientific community or the public should be informed; or

(7) There is reasonable indication of possible violations of civil or criminal law.

(b) If research misconduct proceedings reveal behavior that may be criminal in nature at any point during the proceedings, the institution must promptly notify the ARIO.

# § 422.8 Communication of research misconduct policies and procedures.

Institutions that conduct USDAfunded extramural research are to maintain and effectively communicate to their staffs policies and procedures relating to research misconduct, including the guidelines in this part. The institution is to inform their researchers and staff members who conduct extramural research USDA-funded when and under what circumstances USDA is to be notified of allegations of research misconduct, and when and under what circumstances USDA is to be updated on research misconduct proceedings.

#### §422.9 Documents required.

(a) A research institution that conducts USDA-funded extramural research must maintain the following documents related to an allegation of research misconduct at the research institution:

(1) A written statement describing the original allegation;

(2) A copy of the formal notification presented to the subject of the allegation;

(3) A written report describing the inquiry stage and its outcome including copies of all supporting documentation;

(4) A description of the methods and procedures used to gather and evaluate information pertinent to the alleged misconduct during inquiry and investigation stages;

(5) A written report of the investigation, including the evidentiary record and supporting documentation;

(6) A written statement of the find-ings; and

(7) If applicable, a statement of recommended corrective actions, and any response to such a statement by the subject of the original allegation, and/ or other interested parties, including any corrective action plan.

(b) The research institution must retain the documents specified in paragraph (a) of this section for at least 3 years following the final adjudication of the alleged research misconduct.

#### §422.10 Reporting to USDA.

Following completion of an investigation into allegations of research misconduct, the institution conducting extramural research must provide to the ARIO a copy of the evidentiary record, the report of the investigation, recommendations made to the institution's adjudicating official, the adjudicating official's determination, the institution's corrective action taken or planned, and the written response of the individual who is the subject of the allegation to any recommendations.

#### §422.11 Research records and evidence.

(a) A research institution that conducts extramural research supported by USDA funds, as the responsible legal entity for the USDA-supported research, has a continuing obligation to create and maintain adequate records (including documents and other evidentiary matter) as may be required by any subsequent inquiry, investigation, finding, adjudication, or other proceeding. (b) Whenever an investigation is initiated, the research institution must promptly take all reasonable and practical steps to obtain custody of all relevant research records and evidence as may be necessary to conduct the research misconduct proceedings. This must be accomplished before the research institution notifies the researcher/respondent of the allegation, or immediately thereafter.

(c) The original research records and evidence taken into custody by the research institution shall be inventoried and stored in a secure place and manner. Research records involving raw data shall include the devices or instruments on which they reside. However, if deemed appropriate by the research institution or investigator, research data or records that reside on or in instruments or devices may be copied and removed from those instruments or devices as long as the copies are complete, accurate, and have substantially equivalent evidentiary value as the data or records have when the data or records reside on the instruments or devices. Such copies of data or records shall be made by a disinterested, qualified technician and not by the subject of the original allegation or other interested parties. When the relevant data or records have been removed from the devices or instruments, the instruments or devices need not be maintained as evidence.

#### § 422.12 Remedies for noncompliance.

USDA agencies' implementation procedures identify the administrative actions available to remedy a finding of research misconduct. Such actions may include the recovery of funds, correction of the research record, debarment of the researcher(s) that engaged in the research misconduct, proper attribution, or any other action deemed appropriate to remedy the instance(s) of research misconduct. The agency should consider the seriousness of the misconduct, including, but not limited to, the degree to which the misconduct was knowingly conducted, intentional, or reckless: was an isolated event or part of a pattern; or had significant impact on the research record, research

#### §422.12

#### §422.13

subjects, other researchers, institutions, or the public welfare. In determining the appropriate administrative action, the appropriate agency must impose a remedy that is commensurate with the infraction as described in the finding of research misconduct.

# §422.13 Appeals.

(a) If USDA relied on an institution to conduct an inquiry, investigation, and adjudication, the alleged person(s) should first follow the institution's appeal policy and procedures.

(b) USDA agencies' implementation procedures identify the appeal process when a finding of research misconduct is elevated to the agency.

# §422.14 Relationship to other requirements.

Some of the research covered by this part also may be subject to regulations

#### 2 CFR Ch. IV (1-1-22 Edition)

of other governmental agencies (e.g., a university that receives funding from a USDA agency and also under a grant from another Federal agency). If more than one agency of the Federal Government has jurisdiction, USDA will cooperate with the other agency(ies) in designating a lead agency. When USDA is not the lead agency, it will rely on the lead agency following its policies and procedures in determining whether there is a finding of research misconduct. Further, USDA may, in consultation with the lead agency, take action to protect the health and safety of the public, to promote the integrity of the USDA-supported research and research process, or to conserve public funds. When appropriate, USDA will seek to resolve allegations jointly with the other agency or agencies.

SOURCE: 79 FR 76019, Dec. 19, 2014, unless otherwise noted.

#### §600.101 Applicability.

Under the authority listed above, the Department of State adopts the Office of Management and Budget (OMB) Guidance in 2 CFR part 200, except for:

(a) The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards set forth in 2 CFR part 200 (Subparts A through F) shall apply to all non-Federal entities, except as noted below.

(b) Subparts A through E of 2 CFR part 200 shall apply to all foreign organizations not recognized as Foreign Entities Public and Subparts Α through D of 2 CFR part 200 shall apply to all U.S. and foreign for-profit entities, except where the Federal awarding agency determines that the application of these subparts would be inconsistent with the international obligations of the United States or the statute or regulations of a foreign government. The Federal Acquisition Regulation (FAR) at 48 CFR part 30, Cost Accounting Standards, and Part 31 Contract Cost Principles and Procedures takes precedence over the cost principles in Subpart E for Federal awards to U.S. and foreign for-profit entities. Thus, this part gives regulatory effect to the OMB guidance and supplements the guidance as needed for the Department.

# §600.205 Federal awarding agency review of risk posed by applicants.

Use of 2 CFR 200.205 (the DOS review of risk posed by applicants) is required

for all selected competitive and non-competitive awards.

#### §600.315 Intangible property.

If the DOS obtains research data solely in response to a FOIA request, the DOS may charge the requester fees consistent with the FOIA and applicable DOS regulations and policies.

# §600.407 Prior written approval (prior approval).

The non-Federal entity must seek the prior written approval for indirect or special or unusual costs prior to incurring such costs where DOS is the cognizant agency.

## Subpart B—Covered Transactions

#### §601.220 What contracts and subcontracts, in addition to those listed in 2 CFR 180.220, are covered transactions?

In addition to the contracts covered under 2 CFR 180.220(b) of the OMB guidance, this part applies to any contract, regardless of tier, that is awarded by a contractor, subcontractor, supplier, consultant, or its agent or representative in any transaction, if the contract is to be funded or provided by the DOS under a covered nonprocurement transaction and the amount of the contract is expected to equal or exceed \$25,000. This extends the coverage of the DOS nonprocurement suspension and debarment requirements to all lower tiers of subcontracts under covered nonprocurement transactions, as permitted under the OMB guidance at 2 CFR 180.220(c) (see optional lower tier coverage in the figure in the appendix to 2 CFR part 180).

#### Subpart A—Acronyms and Definitions

#### §700.1 Definitions.

These are the definitions for terms used in this part. Different definitions may be found in Federal statutes or regulations that apply more specifically to particular programs or activities.

Activity means a set of actions through which inputs—such as commodities, technical assistance, training, or resource transfers—are mobilized to produce specific outputs, such as vaccinations given, schools built, microenterprise loans issued, or policies changed. Activities are undertaken to achieve objectives that have been formally approved and notified to Congress.

Agreement Officer means a person with the authority to enter into, administer, terminate and/or closeout assistance agreements subject to this part, and make related determinations and findings on behalf of USAID. An Agreement Officer can only act within the scope of a duly authorized warrant or other valid delegation of authority. The term "Agreement Officer" includes persons warranted as "Grant Officers." It also includes certain authorized representatives of the Agreement Officer acting within the limits of their authority as delegated by the Agreement Officer.

Apparently successful applicant(s) means the applicant(s) for USAID funding recommended for an award after merit review, but who has not yet been awarded a grant, cooperative agreement or other assistance award by the Agreement Officer. Apparently successful applicant status confers no right and constitutes no USAID commitment to an award, which still must be executed by the Agreement Officer.

Award means financial assistance that provides support or stimulation to accomplish a public purpose. Awards include grants, cooperative agreements, and other agreements in the form of money or property in lieu of money, by the Federal Government to an eligible recipient. The term does not include: Technical assistance, which provides services instead of money: other assistance in the form of loans, loan guarantees, interest subsidies, or insurance; direct payments of any kind to individuals; contracts which are required to be entered into and administered under procurement laws and regulations.

Branding strategy means a strategy the apparently successful applicant submits at the specific request of an USAID Agreement Officer after merit review of an application for USAID funding, describing how the program, project, or activity is named and positioned, as well as how it is promoted and communicated to beneficiaries and cooperating country citizens. It identifies all donors and explains how they will be acknowledged. A Branding Strategy is required even if a Presumptive Exception is approved in the Marking Plan.

*Commodities* mean any material, article, supply, goods or equipment, excluding recipient offices, vehicles, and non-deliverable items for recipient's internal use in administration of the USAID-funded grant, cooperative agreement, or other agreement or sub-agreement.

Date of completion means the date on which all work under an award is completed or the date on the award document, or any supplement or amendment, on which USAID sponsorship ends.

Marking plan means a plan that the apparently successful applicant submits at the specific request of a USAID Agreement Officer after merit review of an application for USAID funding, detailing the public communications, commodities, and program materials and other items that will visibly bear the USAID Identity. Recipients may request approval of Presumptive Exceptions to marking requirements in the Marking Plan.

Principal officer means the most senior officer in an USAID Operating Unit in the field, e.g., USAID Mission Director or USAID Representative. For global programs managed from Washington but executed across many countries such as disaster relief and assistance to internally displaced persons, humanitarian emergencies or immediate post conflict and political crisis response, the cognizant Principal Officer may be an Office Director, for example, the Directors of USAID/W/Office of Foreign Disaster Assistance and Office of Transition Initiatives. For non-presence countries, the cognizant Principal Officer is the Senior USAID officer in a regional USAID Operating Unit responsible for the non-presence country, or in the absence of such a responsible operating unit, the Principle U.S Diplomatic Officer in the non-presence country exercising delegated authority from USAID.

2 CFR Ch. VII (1-1-22 Edition)

*Program* means an organized set of activities and allocation of resources directed toward a common purpose, objective, or goal undertaken or proposed by an organization to carry out the responsibilities assigned to it. Projects include all the marginal costs of inputs (including the proposed investment) technically required to produce a discrete marketable output or a desired result (for example, services from a fully functional water/sewage treatment facility).

Public communications are documents and messages intended for distribution to audiences external to the recipient's organization. They include, but are not limited to, correspondence, publications, studies, reports, audio visual productions, and other informational products; applications, forms, press and promotional materials used in connection with USAID funded programs, projects or activities, including signage and plaques; Web sites/Internet activities; and events such as training courses, conferences, seminars, press conferences and the like.

Suspension means an action by USAID that temporarily withdraws Federal sponsorship under an award, pending corrective action by the recipient or pending a decision to terminate the award. Suspension of an award is a separate action from suspension under USAID regulations implementing E.O.'s 12549 and 12689, "Debarment and Suspension." See 2 CFR part 780.

Unrecovered indirect cost means the difference between the amount awarded and the amount which could have been awarded under the recipient's approved negotiated indirect cost rate.

USAID means the United States Agency for International Development.

USAID Identity (Identity) means the official marking for the United States Agency for International Development (USAID) comprised of the USAID logo or seal and new brandmark with the tagline that clearly communicates our assistance is "from the American people." In exceptional circumstances, upon a written determination by the USAID Administrator, the definition of the USAID Identity may be amended to include additional or substitute use of a logo or seal and tagline representing a presidential initiative or other high

#### Agency for International Development

level interagency Federal initiative that requires consistent and uniform branding and marking by all participating agencies. The USAID Identity (including any required presidential initiative or related identity) is available on the USAID Web site at http:// www.usaid.gov/branding and is provided without royalty, license or other fee to recipients of USAID funded grants or cooperative agreements or other assistance awards.

#### Subpart B—General Provisions

#### §700.2 Adoption of 2 CFR Part 200.

Under the authority listed above the Agency for International Development adopts the Office of Management and Budget (OMB) guidance Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards to Non-Federal Entities (subparts A through F of 2 CFR part 200), as supplemented by this part, as the Agency for International Development (USAID) policies and procedures for financial assistance administration. This part satisfies the requirements of 2 CFR 200.110(a) and gives regulatory effect to the OMB guidance as supplemented by this part.

#### §700.3 Applicability.

(a) Subparts A through D of 2 CFR part 200 apply to for-profit entities. The Federal Acquisition Regulation (FAR) at 48 CFR part 30, Cost Accounting Standards, and Part 31, Contract Cost Principles and Procedures, takes precedence over the cost principles in Subpart E for Federal awards to forprofit entities.

(b) Subpart E applies to foreign organizations and foreign public entities, except where the Federal awarding agency determines that the application of these subparts would be inconsistent with the international obligations of the United States or the statute or regulations of a foreign government.

#### §700.4 Exceptions.

Consistent with 2 CFR 200.102(b):

(a) Exceptions on a case-by-case basis for individual non-Federal entities may be authorized by USAID's Assistant Administrator, Bureau for Management, or designee as delegated in Agency policy, except where otherwise required by law or where OMB or other approval is expressly required by this Part. No case-by-case exceptions may be granted to the provisions of Subpart F—Audit Requirements of this Part.

(b) USAID's Assistant Administrator, Bureau for Management, or designee as delegated in Agency policy, is also authorized to approve exceptions, on a class or an individual case basis, to USAID program specific assistance regulations other than those which implement statutory and executive order requirements.

(c) The Federal awarding agency may apply more restrictive requirements to a class of Federal awards or non-Federal entities when approved by OMB, required by Federal statutes or regulations except for the requirements in Subpart F-Audit Requirements of this part. A Federal awarding agency may apply less restrictive requirements when making awards at or below the simplified acquisition threshold, or when making fixed amount awards as defined in Subpart A-Acronyms and Definitions of 2 CFR part 200, except for those requirements imposed by statute or in Subpart F-Audit Requirements of this part.

#### §700.5 Supersession.

Effective December 26, 2014, this part supersedes the following regulations under Title 22 of the Code of Federal Regulations: 22 CFR part 226, "Administration of Assistance Awards To U.S. Non-Governmental Organizations."

#### Subpart C—Pre-Federal Award Requirements and Contents of Federal Awards

#### §700.6 Metric system of measurement.

(a) The Metric Conversion Act, as amended by the Omnibus Trade and Competitiveness Act (15 U.S.C. 205) declares that the metric system is the preferred measurement system for U.S. trade and commerce.

(b) Wherever measurements are required or authorized, they must be made, computed, and recorded in metric system units of measurement, unless otherwise authorized by the Agreement Officer in writing when it has been found that such usage is impractical or is likely to cause U.S. firms to experience significant inefficiencies or the loss of markets. Where the metric system is not the predominant standard for a particular application, measurements may be expressed in both the metric and the traditional equivalent units, provided the metric units are listed first.

#### §700.7 Advance payment.

Advance payment mechanisms include, but are not limited to, Letter of Credit, Treasury check and electronic funds transfer and must comply with applicable guidance in 31 CFR part 205.

## Subpart D—Post Federal Award Requirements

#### §700.8 Payment.

(a) Use of resources before requesting advance payments. To the extent available, the non-Federal entity must disburse funds available from program income (including repayments to a revolving fund), rebates, refunds, contract settlements, audit recoveries, and interest earned on such funds before requesting additional cash payments. This paragraph is not applicable to such earnings which are generated as foreign currencies.

(b) Standards governing the use of banks and other institutions as depositories of advance payments under Federal awards are as follows:

(1) Except for situations described in paragraph (b)(2) of this section, USAID does not require separate depository accounts for funds provided to a non-Federal entity or establish any eligibility requirements for depositories for funds provided to the non-Federal entity. However, the non-Federal entity must be able to account for receipt, obligation and expenditure of funds.

(2) Advance payments of Federal funds must be deposited and maintained in insured accounts whenever possible.

#### §700.9 Property standards.

(a) *Real property*. Unless the agreement provides otherwise, title to real property will vest in accordance with 2 CFR 200.311.

#### 2 CFR Ch. VII (1-1-22 Edition)

(b) *Equipment*. Unless the agreement provides otherwise, title to equipment will vest in accordance with 2 CFR 200.313.

#### §700.10 Cost sharing or matching.

Unrecovered indirect costs, including indirect costs on cost sharing or matching may be included as part of cost sharing or matching. Unrecovered indirect cost means the difference between the amount charged to the Federal award and the amount which would have been charged to the Federal award under the non-Federal entity's approved negotiated indirect cost rate.

#### §700.11 Contracting with small and minority businesses, women's business enterprises, and labor surplus area firms.

(a) Make information on forthcoming opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women's business enterprises. To permit USAID, in accordance with the small business provisions of the Foreign Assistance Act of 1961, as amended, to give United States small business firms an opportunity to participate in supplying commodities and services procured under the award, the recipient must to the maximum extent possible provide the following information to the Office of Small Dis-Business advantaged Utilization (OSDBU), USAID, Washington, DC 20523, at least 45 days prior to placing any order or contract in excess of the simplified acquisition threshold:

(1) Brief general description and quantity of goods or services;

(2) Closing date for receiving quotations, proposals or bids; and

(3) Address where solicitations or specifications can be obtained.

(b) [Reserved]

#### §700.12 Contract provisions.

(a) The non-Federal entity's contracts must contain the applicable provisions described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards.

#### Agency for International Development

(b) All negotiated contracts (except those for less than the simplified acquisition threshold) awarded by the non-Federal entity must include a provision to the effect that the non-Federal Entity, USAID, the Comptroller General of the United States, or any of their duly authorized representatives, must have access to any books, documents, papers and records of the contractor which are directly pertinent to a specific program for the purpose of making audits, examinations, excerpts and transcriptions.

# § 700.13 Additional provisions for awards to for-profit entities.

(a) This paragraph contains additional provisions that apply to awards to for-profit entities. These provisions supplement and make exceptions for awards to for-profit entities from other provisions of this part.

(1) Prohibition against profit. No funds will be paid as profit to any forprofit entity receiving or administering Federal financial assistance as a recipient or subrecipient. Federal financial assistance does not include contracts as defined at 2 CFR 200.22, other contracts a Federal agency uses to buy goods or services from a contractor, or contracts to operate Federal government owned, contractor operated facilities (GOCOs). Profit is any amount in excess of allowable direct and indirect costs.

(2) Program income. As described in §200.307(e)(2), program income earned by a for-profit entity may not be added to the Federal award.

(b) [Reserved]

#### TERMINATION AND DISPUTES

#### §700.14 Termination.

If at any time USAID determines that continuation of all or part of the funding for a program should be suspended or terminated because such assistance would not be in the national interest of the United States or would be in violation of an applicable law, then USAID may, following notice to the recipient, suspend or terminate the award in whole or in part and prohibit the recipient from incurring additional obligations chargeable to the award other than those costs specified in the notice of suspension. If a suspension is put into effect and the situation causing the suspension continues for 60 calendar days or more, then USAID may terminate the award in whole or in part on written notice to the recipient and cancel any portion of the award which has not been disbursed or irrevocably committed to third parties.

#### §700.15 Disputes.

(a) Any dispute under or relating to a grant or agreement will be decided by the USAID Agreement Officer. The Agreement Officer must furnish the recipient a written copy of the decision.

(b) Decisions of the USAID Agreement Officer will be final unless, within 30 calendar days of receipt of the decision, the recipient appeals the decision to USAID's Assistant Administrator, Bureau for Management, or designee as delegated in Agency policy. Appeals must be in writing with a copy concurrently furnished to the Agreement Officer.

(c) In order to facilitate review of the record by the USAID's Assistant Administrator, Bureau for Management, or designee as delegated in Agency policy, the recipient will be given an opportunity to submit written evidence in support of its appeal. No hearing will be provided.

(d) Decisions by the Assistant Administrator, Bureau for Management, or designee as delegated in Agency policy, will be final.

#### USAID—Specific Requirements

#### §700.16 Marking.

(a) USAID policy is that all programs, projects, activities, public communications, and commodities, specified further at paragraphs (c) through (f) of this section, partially or fully funded by a USAID grant or cooperative agreement or other assistance award or subaward must be marked appropriately overseas with the USAID Identity, of a size and prominence equivalent to or greater than the recipient's, other donor's or any other third party's identity or logo.

(1) USAID reserves the right to require the USAID Identity to be larger and more prominent if it is the majority donor, or to require that a cooperating country government's identity be larger and more prominent if circumstances warrant; any such requirement will be on a case-by-case basis depending on the audience, program goals and materials produced.

(2) USAID reserves the right to request pre-production review of USAID funded public communications and program materials for compliance with the approved Marking Plan.

(3) USAID reserves the right to require marking with the USAID Identity in the event the recipient does not choose to mark with its own identity or logo.

(4) To ensure that the marking requirements "flow down" to subrecipients of subawards, recipients of USAID funded grants and cooperative agreements or other assistance awards are required to include a USAID-approved marking provision in any USAID funded subaward, to read as follows:

As a condition of receipt of this subaward, marking with the USAID Identity of a size and prominence equivalent to or greater than the recipient's, subrecipient's, other donor's or third party's is required. In the event the recipient chooses not to require marking with its own identity or logo by the subrecipient, USAID may, at its discretion, require marking by the subrecipient with the USAID Identity.

(b) Subject to §700.16(a), (h), and (j), program, project, or activity sites funded by USAID, including visible infrastructure projects (for example, roads, bridges, buildings) or other programs, projects, or activities that are physical in nature (for example, agriculture, forestry, water management), must be marked with the USAID Iden-Temporary signs or plaques tity. should be erected early in the construction or implementation phase. When construction or implementation is complete, a permanent, durable sign, plaque or other marking must be installed.

(c) Subject to §700.16(a), (h), and (j), technical assistance, studies, reports, papers, publications, audio-visual productions, public service announcements, Web sites/Internet activities and other promotional, informational, media, or communications products 2 CFR Ch. VII (1-1-22 Edition)

funded by USAID must be marked with the USAID Identity.

(1) Any "public communications" as defined in §700.1, funded by USAID, in which the content has not been approved by USAID, must contain the following disclaimer:

This study/report/audio/visual/other information/media product (specify) is made possible by the generous support of the American people through the United States Agency for International Development (USAID). The contents are the responsibility of [insert recipient name] and do not necessarily reflect the views of USAID or the United States Government.

(2) The recipient must provide the Agreement Officer's Representative (AOR) or other USAID personnel designated in the grant or cooperative agreement with at least two copies of all program and communications materials produced under the award. In addition, the recipient must submit one electronic and/or one hard copy of all final documents to USAID's Development Experience Clearinghouse.

(d) Subject to §700.16(a), (h), and (j), events financed by USAID such as training courses, conferences, seminars, exhibitions, fairs, workshops, press conferences and other public activities, must be marked appropriately with the USAID Identity. Unless directly prohibited and as appropriate to the surroundings, recipients should display additional materials such as signs and banners with the USAID Identity. In circumstances in which the USAID Identity cannot be displayed visually, recipients are encouraged otherwise to acknowledge USAID and the American people's support.

(e) Subject to §700.16(a), (h), and (j), all commodities financed by USAID, including commodities or equipment provided under humanitarian assistance or disaster relief programs, and all other equipment, supplies and other materials funded by USAID, and their export packaging, must be marked with the USAID Identity.

(f) After merit review of applications for USAID funding, USAID Agreement Officers will request apparently successful applicants to submit a Branding Strategy, defined in §700.1. The proposed Branding Strategy will not be

#### Agency for International Development

evaluated competitively. The Agreement Officer will review for adequacy the proposed Branding Strategy, and will negotiate, approve and include the Branding Strategy in the award. Failure to submit or negotiate a Branding Strategy within the time specified by the Agreement Officer will make the apparently successful applicant ineligible for award.

(g) After merit review of applications for USAID funding, USAID Agreement Officers will request apparently successful applicants to submit a Marking Plan, defined in §700.1. The Marking Plan may include requests for approval of Presumptive Exceptions, paragraph (h) of this section. All estimated costs associated with branding and marking USAID programs, such as plaques, labels, banners, press events, promotional materials, and the like, must be included in the total cost estimate of the grant or cooperative agreement or other assistance award, and are subject to revision and negotiation with the Agreement Officer upon submission of the Marking Plan. The Marking Plan will not be evaluated competitively. The Agreement Officer will review for adequacy the proposed Marking Plan, and will negotiate, approve and include the Marking Plan in the award. Failure to submit or negotiate a Marking Plan within the time specified by the Agreement Officer will make the apparently successful applicant ineligible for award. Agreement Officers have the discretion to suspend the implementation requirements of the Marking Plan if circumstances warrant. Recipients of USAID funded grant or cooperative agreement or other assistance award or subaward should retain copies of any specific marking instructions or waivers in their project, program or activity files. Agreement Officer's Representatives will be assigned responsibility to monitor marking requirements on the basis of the approved Marking Plan.

(h) Presumptive exceptions:

(1) The above marking requirements in §700.16(a) through (e) may not apply if marking would:

(i) Compromise the intrinsic independence or neutrality of a program or materials where independence or neutrality is an inherent aspect of the program and materials, such as election monitoring or ballots, and voter information literature; political party support or public policy advocacy or reform; independent media, such as television and radio broadcasts, newspaper articles and editorials; public service announcements or public opinion polls and surveys.

(ii) Diminish the credibility of audits, reports, analyses, studies, or policy recommendations whose data or findings must be seen as independent.

(iii) Undercut host-country government "ownership" of constitutions, laws, regulations, policies, studies, assessments, reports, publications, surveys or audits, public service announcements, or other communications better positioned as "by" or "from" a cooperating country ministry or government official.

(iv) Impair the functionality of an item, such as sterilized equipment or spare parts.

(v) Incur substantial costs or be impractical, such as items too small or other otherwise unsuited for individual marking, such as food in bulk.

(vi) Offend local cultural or social norms, or be considered inappropriate on such items as condoms, toilets, bed pans, or similar commodities.

(vii) Conflict with international law.

(2) These exceptions are presumptive, not automatic and must be approved by the Agreement Officer. Apparently successful applicants may request approval of one or more of the presumptive exceptions, depending on the circumstances, in their Marking Plan. The Agreement Officer will review requests for presumptive exceptions for adequacy, along with the rest of the Marking Plan. When reviewing a request for approval of a presumptive exception, the Agreement Officer may review how program materials will be marked (if at all) if the USAID identity is removed. Exceptions approved will apply to subrecipients unless otherwise provided by USAID.

(i) In cases where the Marking Plan has not been complied with, the Agreement Officer will initiate corrective action. Such action may involve informing the recipient of a USAID grant or cooperative agreement or other assistance award or subaward of instances of noncompliance and requesting that the recipient carry out its responsibilities as set forth in the Marking Plan and award. Major or repeated non-compliance with the Marking Plan will be governed by the uniform suspension and termination procedures set forth at 2 CFR 200.338 through 2 CFR 200.342, and 2 CFR 700.14.

(j)(1) Waivers. USAID Principal Officers, defined for purposes of this provision at §700.1, may at any time after award waive in whole or in part the USAID approved Marking Plan, including USAID marking requirements for each USAID funded program, project, activity, public communication or commodity, or in exceptional circumstances may make a waiver by region or country, if the Principal Officer determines that otherwise USAID required marking would pose compelling political, safety, or security concerns, or marking would have an adverse impact in the cooperating country. USAID recipients may request waivers of the Marking Plan in whole or in part, through the AOR. No marking is required while a waiver determination is pending. The waiver determination on safety or security grounds must be made in consultation with U.S. Government security personnel if available, and must consider the same information that applies to determinations of the safety and security of U.S. Government employees in the cooperating country, as well as any information supplied by the AOR or the recipient for whom the waiver is sought. When reviewing a request for approval of a waiver, the Principal Officer may review how program materials will be marked (if at all) if the USAID Identity is removed. Approved waivers are not limited in duration but are subject to Principal Officer review at any time due to changed circumstances. Approved waivers "flow down" to recipients of subawards unless specified otherwise. Principal Officers may also authorize the removal of USAID markings already affixed if circumstances warrant. Principal Officers' determinations regarding waiver requests are subject to appeal to the Principal Officer's cognizant Assistant Administrator. Recipients may appeal by submitting a written request to reconsider

#### 2 CFR Ch. VII (1-1-22 Edition)

the Principal Officer's waiver determination to the cognizant Assistant Administrator.

(2) Non-retroactivity. Marking requirements apply to any obligation of USAID funds for new awards as of January 2, 2006. Marking requirements also will apply to new obligations under existing awards, such as incremental funding actions, as of January 2, 2006, when the total estimated cost of the existing award has been increased by USAID or the scope of effort is changed to accommodate any costs associated with marking. In the event a waiver is rescinded, the marking requirements will apply from the date forward that the waiver is rescinded. In the event a waiver is rescinded after the period of performance as defined in 2 CFR 200.77 but before closeout as defined in 2 CFR 200.16., the USAID mission or operating unit with initial responsibility to administer the marking requirements must make a cost benefit analysis as to requiring USAID marking requirements after the date of completion of the affected programs, projects, activities, public communications or commodifies.

(k) The USAID Identity and other guidance will be provided at no cost or fee to recipients of USAID grants, cooperative agreements or other assistance awards or subawards. Additional costs associated with marking requirements will be met by USAID if reasonable, allowable, and allocable under 2 CFR part 200, subpart E. The standard cost reimbursement provisions of the grant, cooperative agreement, other assistance award or subaward must be followed when applying for reimbursement of additional marking costs.

- APPENDIX B TO PART 701—PARTNER VETTING PRE-AWARD REQUIREMENTS AND AWARD TERM.

#### Agency for International Development

AUTHORITY: 22 U.S.C. 2251 *et seq.*; 22 U.S.C. 2151t, 22 U.S.C. 2151a, 2151b, 2151c, and 2151d; 22 U.S.C. 2395(b).

SOURCE: 80 FR 36705, June 26, 2015, unless otherwise noted.

#### §701.1 Definitions.

This section contains the definitions for terms used in this part. Other terms used in the part are defined at 2 CFR part 200. Different definitions may be found in Federal statutes or regulations that apply more specifically to particular programs or activities.

Key individual means the principal officer of the organization's governing body (for example, chairman, vice chairman, treasurer and secretary of the board of directors or board of trustees); the principal officer and deputy principal officer of the organization (for example, executive director, deputy director, president, vice president); the program manager or chief of party for the USG-financed program; and any other person with significant responsibilities for administration of the USG-financed activities or resources, such as key personnel as identified in the solicitation or resulting cooperative agreement. Key personnel, whether or not they are employees of the prime recipient, must be vetted.

Key personnel means those individuals identified for approval as part of substantial involvement in a cooperative agreement whose positions are essential to the successful implementation of an award. *Vetting official* means the USAID employee identified in the application or award as having responsibility for receiving vetting information, responding to questions about information to be included on the Partner Information Form, coordinating with the USAID Office of Security (SEC), and conveying the vetting determination to each applicant, potential subrecipients and contractors subject to vetting, and the agreement officer. The vetting official is not part of the office making the award selection and has no involvement in the selection process.

#### §701.2 Applicability.

The requirements established in this part apply to non-Federal entities,

non-profit organizations, for-profit entities, and foreign organizations.

#### §701.3 Partner vetting.

(a) It is USAID policy that USAID may determine that a particular award is subject to vetting in the interest of national security. In that case, USAID may require vetting of the key individuals of applicants, including key personnel, whether or not they are employees of the applicant, first tier subrecipients, contractors, and any other class of subawards and procurements as identified in the assistance solicitation and resulting award. When USAID conducts partner vetting, it will not award to any applicant who determined ineligible by the vetting process.

(b) When USAID determines an award to be subject to vetting, the agreement officer determines the appropriate stage of the award cycle to require applicants to submit the completed USAID Partner Information Form, USAID Form 500-13, to the vetting official identified in the assistance solicitation. The agreement officer must specify in the assistance solicitation the stage at which the applicants will be required to submit the USAID Partner Information Form, USAID Form 500-13. As a general matter those applicants who will be vetted will be typically the applicants that have been determined to be apparently successful.

(c) Selection of the successful applicant proceeds separately from vetting. The agreement officer makes the selection determination separately from the vetting process and without knowledge of vetting-related information other than that, based on the vetting results, the apparently successful applicant is eligible or ineligible for an award. However, no applicants will be excluded from an award until after vetting has been completed.

(d) For those awards the agency has determined are subject to vetting, the agreement officer may only award to an applicant that has been determined to be eligible after completion of the vetting process.

(e)(1) For those awards the agency has determined are subject to vetting, the recipient must submit the completed USAID Partner Information Form any time it changes:

#### Pt. 701, App. B

(i) Key individuals; or

(ii) Subrecipients and contractors for which vetting is required.

(2) The recipient must submit the completed Partner Information Form within 15 days of the change in either paragraph (e)(1)(i) or (ii) of this section.

(f) USAID may vet key individuals of the recipient, subrecipients and contractors periodically during program implementation using information already submitted on the Form.

(g) When the prime recipient is subject to vetting, vetting may be required for key individuals of subawards when the prime recipient requests prior approval in accordance with 2 CFR 200.308(c)(6) for the subaward, transfer, or contracting out of any work.

(h) When the prime recipient is subject to vetting, vetting may be required for key individuals of contractors of certain services. The agreement officer must identify these services in the assistance solicitation and any resulting award.

(i) When vetting of subawards is required, the agreement officer must not approve the subaward, transfer, or contracting out, or the procurement of certain classes of items until the organization subject to vetting has been determined eligible. When vetting of contractors is required, the recipient may not procure the identified services until the contractor has been determined to be eligible.

(j) The recipient may instruct prospective subrecipients or, when applicable contractors who are subject to vetting to submit the USAID Partner Information Form to the vetting official as soon as the recipient submits the USAID Partner Information Form for its key individuals.

(k) Pre-award provision and award term. (1) The agreement officer must insert the pre-award provision Partner Vetting Pre-Award Requirements in Appendix B of this part in all assistance solicitations USAID identifies as subject to vetting.

(2) The agreement officer must insert the award term Partner Vetting in Appendix B in all assistance solicitations and awards USAID identifies as subject to vetting.

#### 2 CFR Ch. VII (1-1-22 Edition)

#### APPENDIX B TO PART 701—PARTNER VETTING PRE-AWARD REQUIREMENTS AND AWARD TERM

#### Partner Vetting Pre-Award Requirements

(a) USAID has determined that any award resulting from this assistance solicitation is subject to vetting. An applicant that has not passed vetting is ineligible for award.

(b) The following are the vetting procedures for this solicitation:

(1) Prospective applicants review the attached USAID Partner Information Form, USAID Form 500-13, and submit any questions about the USAID Partner Information Form or these procedures to the agreement officer by the deadline in the solicitation.

(2) The agreement officer notifies the applicant when to submit the USAID Partner Information Form. For this solicitation, USAID will vet [insert in the provision the applicable stage of the selection process at which the Agreement Officer will notify the applicant(s) who must be vetted]. Within the timeframe set by the agreement officer in the notification, the applicant must complete and submit the USAID Partner Information Form to the vetting official. The designated vetting official is:

Address: \_\_\_\_\_ Email: \_\_\_\_\_

(for inquiries only).

(3) The applicants must notify proposed subrecipients and contractors of this requirement when the subrecipients or contractors are subject to vetting.

NOTE: Applicants who submit using non-secure methods of transmission do so at their own risk.

(c) Selection proceeds separately from vetting. Vetting is conducted independently from any discussions the agreement officer may have with an applicant. The applicant and any proposed subrecipient or contractor subject to vetting must not provide vetting information to anyone other than the vetting official. The applicant and any proposed subrecipient or contractor subject to vetting will communicate only with the vetting official regarding their vetting submission(s) and not with any other USAID or USG personnel, including the agreement officer or the agreement officer's representatives. The agreement officer designates the vetting official as the only individual authorized to clarify the applicant's and proposed subrecipient's and contractor's vetting information

(d)(1) The vetting official notifies the applicant that it: (i) Is eligible based on the vetting results, (ii) is ineligible based on the vetting results, or (iii) must provide additional information, and resubmit the USAID

Partner Information Form with the additional information within the number of days the vetting official specified in the notification.

(2) The vetting official will coordinate with the agency that provided the data being used for vetting prior to notifying the applicant or releasing any information. In any determination for release of information, the classification and sensitivity of the information, the need to protect sources and methods, and the status of ongoing law enforcement and intelligence community investigations or operations will be taken into consideration.

(e) Reconsideration: (1) Within 7 calendar days after the date of the vetting official's notification, an applicant that vetting has determined to be ineligible may request in writing to the vetting official that the Agency reconsider the vetting determination. The request should include any written explanation, legal documentation and any other relevant written material for reconsideration.

(2) Within 7 calendar days after the vetting official receives the request for reconsideration, the Agency will determine whether the applicant's additional information merits a revised decision.

(3) The Agency's determination of whether reconsideration is warranted is final.

(f) Revisions to vetting information: (1) Applicants who change key individuals, whether the applicant has previously been determined eligible or not, must submit a revised USAID Partner Information Form to the vetting official. This includes changes to key personnel resulting from revisions to the technical portion of the application.

(2) The vetting official will follow the vetting process of this provision for any revision of the applicant's Form.

(g) Award. At the time of award, the agreement officer will confirm with the vetting official that the apparently successful applicant is eligible after vetting. The agreement officer may award only to an apparently successful applicant that is eligible after vetting.

#### Partner Vetting

(a) The recipient must comply with the vetting requirements for key individuals under this award.

(b) Definitions: As used in this provision, "key individual," "key personnel," and "vetting official" have the meaning contained in 22 CFR 701.1.

(c) The Recipient must submit within 15 days a USAID Partner Information Form, USAID Form 500-13, to the vetting official identified below when the Recipient replaces key individuals with individuals who have not been previously vetted for this award. Note: USAID will not approve any key personnel who are not eligible for approval after vetting. The designated vetting official is: Pt. 701, App. B

Vetting official: \_ Address: \_\_\_\_

(d)(1) The vetting official will notify the Recipient that it—

(2) Denial of participation in programs administered by the Department of Housing and Urban Development or the Department of Agriculture, Rural Housing Service;

Where such a concurrent limited denial of participation is imposed, participation may be restricted on the same basis without the need for an additional conference or further hearing.

### §801.1105

### 2 CFR Ch. VIII (1-1-22 Edition)

### \$801.1110 Scope and period of a limited denial of participation.

(1) A limited denial of participation extends only to participation in the VA Loan Guaranty Program and shall be effective only within the geographic jurisdiction of the office or offices imposing it.

In cases involving construction deficiencies, the builder may be excluded for either a period not to exceed 12 months or for an indeterminate period which ends when the deficiency has been corrected or otherwise resolved in a manner acceptable to VA.

(b) *Effectiveness*. The sanction shall be effective immediately upon issuance and shall remain effective for the prescribed period. If the cause for the limited denial of participation is resolved before the expiration of the prescribed period, the official who imposed the sanction may terminate it. The imposition of a limited denial of participation shall not affect the right of the Department to suspend or debar any person under this part.

(c) Affiliates. An affiliate or organizational element may be included in a limited denial of participation solely on the basis of its affiliation, and regardless of its knowledge of or participation in the acts providing cause for the sanction. The burden of proving that a particular affiliate or organizational element is capable of meeting VA requirements and is currently a responsible entity and not controlled by the primary sanctioned party (or by an entity that itself is controlled by the primary sanctioned party) is on the affiliate or organizational element.

### §801.1111 Notice.

(a) *Generally*. A limited denial of participation shall be initiated by advising a participant or contractor, and any specifically named affiliate, by certified mail, return receipt requested:

(1) That the sanction is effective as of the date of the notice;

(2) Of the reasons for the sanction in terms sufficient to put the participant or contractor on notice of the conduct or transaction(s) upon which it is based;

(3) Of the cause(s) relied upon under \$801.1105 for imposing the sanction;

(4) Of the right to request in writing, within 30 days of receipt of the notice, a conference on the sanction, and the right to have such conference held within 10 business days of receipt of the request;

(5) Of the potential effect of the sanction and the impact on the participant's or contractor's participation in Departmental programs, specifying the program(s) involved and the geographical area affected by the action.

(b) Notification of action. After 30 days, if no conference has been requested, the official imposing the limited denial of participation will notify VA Central Office of the action taken and of the fact that no conference has been requested. If a conference is requested within the 30-day period, VA Central Office need not be notified unless a decision to affirm all or a portion of the remaining period of exclusion is issued. VA Central Office will notify all VA field offices of sanctions imposed and still in effect under this subpart.

### §801.1112 Conference.

Upon receipt of a request for a conference, the official imposing the sanction shall arrange such a conference with the participant or contractor and may designate another official to conduct the conference. The participant shall be given the opportunity to be heard within 10 business days of receipt of the request. This conference precedes, and is in addition to, the formal hearing provided if an appeal is taken under §801.1113. Although formal rules of procedure do not apply to the conference, the participant or contractor may be represented by counsel and may present all relevant information and materials to the official or designee. After consideration of the information and materials presented, the official shall, in writing, advise the participant or contractor of the decision to withdraw, modify or affirm the limited denial of participation. If the decision is made to affirm all or a portion

of the remaining period of exclusion, the participant shall be advised of the right to request a formal hearing in writing within 30 days of receipt of the notice of decision. This decision shall be issued promptly, but in no event later than 20 days after the conference and receipt of materials.

#### §801.1113 Appeal.

Where the decision is made to affirm all or a portion of the remaining period of exclusion, any participant desiring an appeal shall file a written request for a hearing with the Under Secretary for Benefits, Department of Veterans Affairs, 810 Vermont Avenue, NW., Washington, DC 20420. This request shall be filed within 30 days of receipt of the decision to affirm. If a hearing is requested, it shall be held in accordance with the procedures in §§108.825 through 108.855. Where a limited denial of participation is followed by a suspension or debarment, the limited denial of participation shall be superseded and the appeal shall be heard solely as an appeal of the suspension or debarment.

#### §901.10 What does this part do?

This part adopts the Office of Management and Budget (OMB) guidance in subparts A through I of 2 CFR part 180, as supplemented by this part, as the DOE policies and procedures for nonprocurement debarment and suspension. It thereby gives regulatory effect for DOE to the OMB guidance as supplemented by this part. This part satisfies the requirements in section 3 of Executive Order 12549. "Debarment and Suspension'' (3 CFR 1986 Comp., p. 189); Executive Order 12689, "Debarment and Suspension'' (3 CFR 1989 Comp., p. 235); and section 2455 of the Federal Acquisition Streamlining Act of 1994, Pub. If the Director, Office of Procurement and Assistance Management, DOE, for DOE actions, and Director, Office of Acquisition and Supply Management, NNSA, for NNSA actions, grants an exception, the exception must be in writing and state the reason(s) for deviating from the government-wide policy in Executive Order 12549.

### Subpart B—Covered Transactions

#### § 901.220 What contracts and subcontracts, in addition to those listed in 2 CFR 180.220, are covered transactions?

Although the OMB guidance at 2 CFR180.220(c) allows a Federal agency to do so (also see optional lower tier coverage in the figure in the appendix to 2 CFR part 180), DOE does not extend coverage of nonprocurement suspension and debarment requirements beyond first-tier procurement contracts under a covered nonprocurement transaction.

### Subpart C—Responsibilities of Participants Regarding Transactions

#### §901.332 What methods must I use to pass requirements down to participants at lower tiers with whom I intend to do business?

You, as a participant, must include a term or condition in lower-tier transactions requiring lower-tier participants to comply with subpart C of the OMB guidance in 2 CFR part 180, as supplemented by this subpart.

### Subpart A [Reserved]

### Subpart B—General Provisions

### §910.120 Adoption of 2 CFR part 200.

(a) Under the authority listed above, the Department of Energy adopts the Office of Management and Budget (OMB) Guidance in 2 CFR part 200, with the following additions. Thus, this part gives regulatory effect to the OMB guidance and supplements the guidance as needed for the Department.

(b) The additions include: Expanding the definition of non-Federal entity for DOE to include For-profit entities; adding back additional coverage from 10 CFR part 600 required by DOE statute; adding back coverage specific for For-Profit entities which existed in 10 CFR part 600 which still applies.

### §910.122 Applicability.

(a) For DOE, unless otherwise noted in Part 910, the definition of Non-Federal entity found in 2 CFR 200.69 is expanded to include for-profit organizations in addition to states, local governments, Indian tribes, institutions of higher education (IHE), and nonprofit organizations.

(b) A for-profit organization is defined as one that distributes any profit

### §910.122

### §910.124

not reinvested into the business as profit or dividends to its employees or shareholders.

### §910.124 Eligibility.

(a) Purpose and scope. This section implements section 2306 of the Energy Policy Act of 1992, 42 U.S.C. 13525, and sets forth a general statement of policy, including procedures and interpretations, for the guidance of implementing DOE officials in making mandatory pre-award determinations of eligibility for financial assistance under Titles XX through XXIII of that Act.

(b) *Definitions*. The definitions in Subpart A of 2 CFR part 200, including the definition of the term "Federal financial assistance," are applicable to this section. In addition, as used in this section:

Act means the Energy Policy Act of 1992.

Company means any business entity other than an organization of the type described in section 501(c) (3) of the Internal Revenue Code of 1954 (26 U.S.C. 501(c)(3)).

*Covered program* means a program under Titles XX through XXIII of the Act. (A list of covered programs, updated periodically as appropriate, is maintained and published by the Department of Energy.)

Parent company means a company that:

(1) Exercises ultimate ownership of the applicant company either directly, by ownership of a majority of that company's voting securities, or indirectly, by control over a majority of that company's voting securities through one or more intermediate subsidiary companies or otherwise, and

(2) Is not itself subject to the ultimate ownership control of another company.

*United States* means the several States, the District of Columbia, and all commonwealths, territories, and possessions of the United States.

United States-owned company means:

(1) A company that has majority ownership by individuals who are citizens of the United States, or

(2) A company organized under the laws of a State that either has no parent company or has a parent company organized under the laws of a State. 2 CFR Ch. IX (1–1–22 Edition)

*Voting security* has the meaning given the term in the Public Utility Holding Company Act (15 U.S.C. 15b(17)).

(c) What must DOE determine. A company shall be eligible to receive an award of financial assistance under a covered program only if DOE finds that—

(1) Consistent with §910.124(d), the company's participation in a covered program would be in the economic interest of the United States; and

(2) The company is either—

(i) A United States-owned company; or

(ii) Incorporated or organized under the laws of any State and has a parent company which is incorporated or organized under the laws of a country which—

(A) Affords to the United Statesowned companies opportunities, comparable to those afforded to any other company, to participate in any joint venture similar to those authorized under the Act;

(B) Affords to United States-owned companies local investment opportunities comparable to those afforded to any other company; and

(C) Affords adequate and effective protection for the intellectual property rights of United States-owned companies.

(d) Determining the economic interest of the United States. In determining whether participation of an applicant company in a covered program would be in the economic interest of the United States under §910.124(c)(1), DOE may consider any evidence showing that a financial assistance award would be in the economic interest of the United States including, but not limited to—

(1) Investments by the applicant company and its affiliates in the United States in research, development, and manufacturing (including, for example, the manufacture of major components or subassemblies in the United States);

(2) Significant contributions to employment in the United States by the applicant company and its affiliates; and

(3) An agreement by the applicant company, with respect to any technology arising from the financial assistance being sought—

(i) To promote the manufacture within the United States of products resulting from that technology (taking into account the goals of promoting the competitiveness of United States industry); and

(ii) To procure parts and materials from competitive suppliers.

(e) Information an applicant must submit.

(1) Any applicant for Federal financial assistance under a covered program shall submit with the application for Federal financial assistance, or at such later time as may be specified by DOE, evidence for DOE to consider in making findings required under \$910.124(c)(1) and findings concerning ownership status under \$910.124(c)(2).

(2) If an applicant for Federal financial assistance is submitting evidence relating to future undertakings, such as an agreement under §910.124(d)(3) to promote manufacture in the United States of products resulting from a technology developed with financial assistance or to procure parts and materials from competitive suppliers, the applicant shall submit a representation affirming acceptance of these undertakings. The applicant should also briefly describe its plans, if any, for any manufacturing of products arising from the program-supported research and development, including the location where such manufacturing is expected to occur.

(3) If an applicant for Federal financial assistance is claiming to be a United States-owned company, the applicant must submit a representation affirming that it falls within the definition of that term provided in §910.124(b).

(4) DOE may require submission of additional information deemed necessary to make any portion of the determination required by §910.124(b) 2.

(f) Other information DOE may consider.

In making the determination under §910.124(c)(2)(ii), DOE may—

(1) Consider information on the relevant international and domestic law obligations of the country of incorporation of the parent company of an applicant;

(2) Consider information relating to the policies and practices of the country of incorporation of the parent company of an applicant with respect to:

(i) The eligibility criteria for, and the experience of United States-owned company participation in, energy-related research and development programs;

(ii) Local investment opportunities afforded to United States-owned companies; and

(iii) Protection of intellectual property rights of United States-owned companies;

(3) Seek and consider advice from other federal agencies, as appropriate; and

(4) Consider any publicly available information in addition to the information provided by the applicant.

#### §910.126 Competition.

(a) *General*. DOE shall solicit applications for Federal financial assistance in a manner which provides for the maximum amount of competition feasible.

(b) Restricted eligibility. If DOE restricts eligibility, an explanation of why the restriction of eligibility is considered necessary shall be included in the notice of funding opportunity or, program rule. Such restriction of eligibility shall be:

(1) Supported by a written determination initiated by the program office:

(2) Concurred in by legal counsel and the Contracting Officer; and

(3) Approved, prior to award, by an approver at least one level above the Contracting Officer.

(c) Noncompetitive Federal financial assistance. DOE may award a grant or cooperative agreement on a noncompetitive basis only if the application satisfies one or more of the follow selection criteria:

(1) The activity to be funded is necessary to the satisfactory completion of, or is a continuation or renewal of, an activity presently being funded by DOE or another Federal agency, and for which competition for support would have a significant adverse effect

2 CFR Ch. IX (1-1-22 Edition)

on continuity or completion of the activity.

(2) The activity is being or would be conducted by the applicant using its own resources or those donated or provided by third parties; however, DOE support of that activity would enhance the public benefits to be derived and DOE knows of no other entity which is conducting or is planning to conduct such an activity.

(3) The applicant is a unit of government and the activity to be supported is related to performance of a governmental function within the subject jurisdiction, thereby precluding DOE provision of support to another entity.

(4) The applicant has exclusive domestic capability to perform the activity successfully, based upon unique equipment, proprietary data, technical expertise, or other such unique qualifications.

(5) The award implements an agreement between the United States Government and a foreign government to fund a foreign applicant.

(6) Time constraints associated with a public health, safety, welfare or national security requirement preclude competition.

(7) The proposed project was submitted as an unsolicited proposal and represents a unique or innovative idea, method, or approach that would not be eligible for financial assistance under a recent, current, or planned notice of funding opportunity, and if, as determined by DOE, a competitive notice of funding opportunity would not be appropriate.

(8) The responsible program Assistant Secretary, Deputy Administrator, or other official of equivalent authority has determined that making the award non-competitively is in the public interest. This authority cannot not be delegated.

(d) Approval requirements. Determinations of noncompetitive awards shall be:

(1) Documented in writing;

(2) Concurred in by the responsible program technical official and local legal counsel; and

(3) Approved, prior to award, by the Contracting Officer and an approver at least one level above the CO.

(e) *Definitions*. For purposes of this section, the following definitions are applicable:

*Continuation Award*—A financial assistance award authorizing a second or subsequent budget period within an existing project period.

*Renewal Award*—A financial assistance award authorizing the first budget period of an extended project period.

[79 FR 76024, Dec. 19, 2014, as amended at 80 FR 57511, Sept. 24, 2015]

#### §910.127 Legal authority and effect.

(a) A DOE financial assistance award is valid only if it is in writing and is signed, either in writing or electronically, by a DOE Contracting Officer.

(b) Recipients are free to accept or reject the award. A request to draw down DOE funds constitutes the Recipient's acceptance of the terms and conditions of this Award.

[80 FR 57511, Sept. 24, 2015]

#### §910.128 Disputes and appeals.

(a) Informal dispute resolution. Whenever practicable, DOE shall attempt to resolve informally any dispute over the award or administration of Federal financial assistance. Informal resolution, including resolution through an alternative dispute resolution mechanism, shall be preferred over formal procedures, to the extent practicable.

(b) Alternative dispute resolution (ADR). Before issuing a final determination in any dispute in which informal resolution has not been achieved, the Contracting Officer shall suggest that the other party consider the use of voluntary consensual methods of dispute resolution, such as mediation. The DOE dispute resolution specialist is available to provide assistance for such disputes, as are trained mediators of other federal agencies. ADR may be used at any stage of a dispute.

(c) Final determination. Whenever a dispute is not resolved informally or through an alternative dispute resolution process, DOE shall mail (by certified mail) a brief written determination signed by a Contracting Officer, setting forth DOE's final disposition of such dispute. Such determination shall contain the following information:

(1) A summary of the dispute, including a statement of the issues and of the positions taken by DOE and the party or parties to the dispute; and

(2) The factual, legal and, if appropriate, policy reasons for DOE's disposition of the dispute.

(d) Right of appeal. Except as provided in paragraph (f)(1) of this section, the final determination under paragraph (c) of this section may be appealed to the cognizant Senior Procurement Executive (SPE) for either DOE or the National Nuclear Security Administration (NNSA). The appeal must be received by DOE within 90 days of the receipt of the final determination. The mailing address for the DOE SPE is Office of Acquisition and Project Management, 1000 Independence Ave., SW., Washington, DC 20585. The mailing address for the NNSA SPE is Office of Acquisition Management, National Nuclear Security Administration (NNSA), 1000 Independence Ave. SW., Washington, DC 20585.

(e) *Effect of appeal.* The filing of an appeal with the SPE shall not stay any determination or action taken by DOE which is the subject of the appeal. Consistent with its obligation to protect the interests of the Federal Government, DOE may take such authorized actions as may be necessary to preserve the status quo pending decision by the SPE, or to preserve its ability to provide relief in the event the SPE decides in favor of the appealant.

(f) *Review on appeal*. (1) The SPE shall have no jurisdiction to review:

(i) Any preaward dispute (except as provided in paragraph (f)(2)(ii) of this section), including use of any special restrictive condition pursuant to 2 CFR 200.207 Specific Conditions;

(ii) DOE denial of a request for an Exception under 2 CFR 200.102;

(iii) DOE denial of a request for a budget revision or other change in the approved project under 2 CFR 200.308 or 200.403 or under another term or condition of the award;

(iv) Any DOE action authorized under 2 CFR 200.338, Remedies for Noncompliance, or such actions authorized by program rule;

(v) Any DOE decision about an action requiring prior DOE approval under 2

CFR 200.324 or under another term or condition of the award;

(2) In addition to any right of appeal established by program rule, or by the terms and conditions (not inconsistent with paragraph (f)(1) of this section) of an award, the SPE shall have jurisdiction to review:

(i) A DOE determination that the recipient has failed to comply with the applicable requirements of this part, the program statute or rules, or other terms and conditions of the award;

(ii) A DOE decision not to make a continuation award based on any of the determinations described in paragraph (f)(2)(i) of this section;

(iii) Termination of an award, in whole or in part, by DOE under 2 CFR 200.339 (a)(1)-(2);

(iv) A DOE determination that an award is void or invalid;

(v) The application by DOE of an indirect cost rate; and

(vi) DOE disallowance of costs.

(3) In reviewing disputes authorized under paragraph (f)(2) of this section, the SPE shall be bound by the applicable law, statutes, and rules, including the requirements of this part, and by the terms and conditions of the award.

(4) The decision of the SPE shall be the final decision of DOE.

### §910.130 Cost sharing (EPACT).

In addition to the requirements of 2 CFR 200.306 the following requirements apply to research, development, demonstration and commercial application activities:

(a) Cost sharing is required for most financial assistance awards for research, development, demonstration and commercial applications activities initiated after the enactment of the Energy Policy Act of 2005 on August 8, 2005. This requirement does not apply to:

(1) An award under the small business innovation research program (SBIR) or the small business technology transfer program (STTR); or

(2) A program with cost sharing requirements defined by other than Section 988 of the Energy Policy Act of 2005 including other sections of the 2005 Act and the Energy Policy Act of 1992.

(b) A cost share of at least 20 percent of the cost of the activity is required for research and development except where:

(1) A research or development activity of a basic or fundamental nature has been excluded by an appropriate officer of DOE, generally an Under Secretary;

(2) The Secretary has determined it is necessary and appropriate to reduce or eliminate the cost sharing requirement for a research and development activity of an applied nature; or

(3) The research or development activity is to be performed by an institution of higher education or nonprofit institution (as defined in section 4 of the Stevenson-Wydler Technology Innovation Act of 1980 (15 U.S.C. 3703)) during the two-year period ending September 27, 2020.

(c) A cost share of at least 50 percent of the cost of a demonstration or commercial application activity is required unless the Secretary has determined it is necessary and appropriate to reduce the cost sharing requirements, taking into consideration any technological risk relating to the activity.

(d) Cost share shall be provided by non-Federal funds unless otherwise authorized by statute. In calculating the amount of the non-Federal contribution:

(1) Base the non-Federal contribution on total project costs, including the cost of work where funds are provided directly to a partner, consortium member or subrecipient, such as a Federally Funded Research and Development Center;

(2) Include the following costs as allowable in accordance with the applicable cost principles:

(i) Cash;

(ii) Personnel costs;

(iii) The value of a service, other resource, or third party in-kind contribution determined in accordance with Subpart E—Cost Principles—of 2 CFR part 200. For recipients that are forprofit organizations as defined by 2 CFR 910.122, the Cost Principles which apply are contained in 48 CFR 31.2. See §910.352 for further information:

(iv) Indirect costs or facilities and administrative costs; and/or

(v) Any funds received under the power program of the Tennessee Valley Authority (except to the extent that 2 CFR Ch. IX (1–1–22 Edition)

such funds are made available under an annual appropriation Act);

(3) Exclude the following costs:

(i) Revenues or royalties from the prospective operation of an activity beyond the time considered in the award;

(ii) Proceeds from the prospective sale of an asset of an activity; or

(iii) Other appropriated Federal funds.

(iv) Repayment of the Federal share of a cost-shared activity under Section 988 of the Energy Policy Act of 2005 shall not be a condition of the award.

(e) For purposes of this section, the following definitions are applicable:

*Demonstration* means a project designed to determine the technical feasibility and economic potential of a technology on either a pilot or prototype scale.

Development is defined in 2 CFR 200.87.

Research is also defined in 2 CFR 200.87.

[79 FR 76024, Dec. 19, 2014, as amended at 84 FR 12049, Apr. 1, 2019]

#### §910.132 Research misconduct.

(a) A recipient is responsible for maintaining the integrity of research of any kind under an award from DOE including the prevention, detection, and remediation of research misconduct, and the conduct of inquiries, investigations, and adjudication of allegations of research misconduct in accordance with the requirements of this section.

(b) For purposes of this section, the following definitions are applicable:

Adjudication means a formal review of a record of investigation of alleged research misconduct to determine whether and what corrective actions and sanctions should be taken.

*Fabrication* means making up data or results and recording or reporting them.

*Falsification* means manipulating research materials, equipment, or processes, or changing or omitting data or results such that the research is not accurately represented in the research record.

Finding of Research Misconduct means a determination, based on a preponderance of the evidence, that research

misconduct has occurred. Such a finding requires a conclusion that there has been a significant departure from accepted practices of the relevant research community and that it be knowingly, intentionally, or recklessly committed.

*Inquiry* means information gathering and initial fact-finding to determine whether an allegation or apparent instance of misconduct warrants an investigation.

*Investigation* means the formal examination and evaluation of the relevant facts.

*Plagiarism* means the appropriation of another person's ideas, processes, results, or words without giving appropriate credit.

*Research misconduct* means fabrication, falsification, or plagiarism in proposing, performing, or reviewing research, or in reporting research results, but does not include honest error or differences of opinion.

Research record means the record of all data or results that embody the facts resulting from scientists' inquiries, including, but not limited to, research proposals, laboratory records, both physical and electronic, progress reports, abstracts, theses, oral presentations, internal reports, and journal articles.

(c) Unless otherwise instructed by the Contracting Officer, the recipient must conduct an initial inquiry into any allegation of research misconduct. If the recipient determines that there is sufficient evidence to proceed to an investigation, it must notify the Contracting Officer and, unless otherwise instructed, the recipient must:

(1) Conduct an investigation to develop a complete factual record and an examination of such record leading to either a finding of research misconduct and an identification of appropriate remedies or a determination that no further action is warranted;

(2) Inform the Contracting Officer if an initial inquiry supports an investigation and, if requested by the Contracting Officer thereafter, keep the Contracting Officer informed of the results of the investigation and any subsequent adjudication. When an investigation is complete, the recipient will forward to the Contracting Officer a copy of the evidentiary record, the investigative report, any recommendations made to the recipient's adjudicating official, and the adjudicating official's decision and notification of any corrective action taken or planned, and the subject's written response to the recommendations (if any).

(3) If the investigation leads to a finding of research misconduct, conduct an adjudication by a responsible official who was not involved in the inquiry or investigation and is separated organizationally from the element which conducted the investigation. The adjudication must include a review of the investigative record and, as warranted, a determination of appropriate corrective actions and sanctions.

(d) DOE may elect to act in lieu of the recipient in conducting an inquiry or investigation into an allegation of research misconduct if the Contracting Officer finds that:

(1) The research organization is not prepared to handle the allegation in a manner consistent with this section;

(2) The allegation involves an entity of sufficiently small size that it cannot reasonably conduct the inquiry;

(3) DOE involvement is necessary to ensure the public health, safety, and security, or to prevent harm to the public interest; or,

(4) The allegation involves possible criminal misconduct.

(e) DOE reserves the right to pursue such remedies and other actions as it deems appropriate, consistent with the terms and conditions of the award instrument and applicable laws and regulations. However, the recipient's good faith administration of this section and the effectiveness of its remedial actions and sanctions shall be positive considerations and shall be taken into account as mitigating factors in assessing the need for such actions. If DOE pursues any such action, it will inform the subject of the action of the outcome and any applicable appeal procedures.

(f) In conducting the activities in paragraph (c) of this section, the recipient and DOE, if it elects to conduct the inquiry or investigation, shall adhere to the following guidelines:

(1) Safeguards for information and subjects of allegations. The recipient shall

provide safeguards to ensure that individuals may bring allegations of research misconduct made in good faith to the attention of the recipient without suffering retribution. Safeguards include: Protection against retaliation; fair and objective procedures for examining and resolving allegations; and diligence in protecting positions and reputations. The recipient shall also provide the subjects of allegations confidence that their rights are protected and that the mere filing of an allegation of research misconduct will not result in an adverse action. Safeguards include timely written notice regarding substantive allegations against them, a description of the allegation and reasonable access to any evidence submitted to support the allegation or developed in response to an allegation and notice of any findings of research misconduct.

(2) Objectivity and expertise. The recipient shall select individual(s) to inquire, investigate, and adjudicate allegations of research misconduct who have appropriate expertise and have no unresolved conflict of interest. The individual(s) who conducts an adjudication must not be the same individual(s) who conducted the inquiry or investigation, and must be separate organizationally from the element that conducted the inquiry or investigation.

(3) *Timeliness.* The recipient shall coordinate, inquire, investigate and adjudicate allegations of research misconduct promptly, but thoroughly. Generally, an investigation should be completed within 120 days of initiation, and adjudication should be complete within 60 days of receipt of the record of investigation.

(4) Confidentiality. To the extent possible, consistent with fair and thorough processing of allegations of research misconduct and applicable law and regulation, knowledge about the identity of the subjects of allegations and informants should be limited to those with a need to know.

(5) Remediation and sanction. If the recipient finds that research misconduct has occurred, it shall assess the seriousness of the misconduct and its impact on the research completed or in process. The recipient must take all necessary corrective actions. Such ac-

### 2 CFR Ch. IX (1-1-22 Edition)

tion may include but are not limited to, correcting the research record and as appropriate imposing restrictions, controls, or other parameters on research in process or to be conducted in the future. The recipient must coordinate remedial actions with the Contracting Officer. The recipient must also consider whether personnel sanctions are appropriate. Any such sanction must be consistent with any applicable personnel laws, policies, and procedures, and must take into account the seriousness of the misconduct and its impact, whether it was done knowingly or intentionally, and whether it was an isolated event or pattern of conduct.

(g) By executing this agreement, the recipient provides its assurance that it has established an administrative process for performing an inquiry, mediating if possible, investigating, and reporting allegations of research misconduct; and that it will comply with its own administrative process and the requirements and definitions of 10 CFR part 733 for performing an inquiry, possible mediation, investigation and reporting of allegations of research misconduct.

(h) The recipient must insert or have inserted the substance of this section, including paragraph (g), in subawards at all tiers that involve research.

### §910.133 Deviation authority.

(a) General. (1) A deviation is the use of any policy, procedure, form, standard, term, or condition which varies from a requirement of this part, or the waiver of any such requirement, unless such use or waiver is authorized or precluded by Federal statute. The use of optional or discretionary provisions of this part, including special restrictive conditions used in accordance with §910.372, exceptions under 2 CFR 200.102, and the waiver of the cost sharing requirements in §910.130 are not deviations. Awards to foreign entities are not subject to this section.

(2) A single-case deviation is a deviation which applies to one financial assistance transaction and one applicant, recipient, or subrecipient only.

(3) A class deviation is a deviation which applies to more than one financial assistance transaction, applicant, recipient, or subrecipient.

(b) Conditions for approval. The DOE/ NNSA officials specified in paragraph (c) of this section may authorize a deviation only upon a written determination that the deviation is—

(1) Necessary to achieve program objectives;

(2) Necessary to conserve public funds;

(3) Otherwise essential to the public interest; or

(4) Necessary to achieve equity.

(c) Approval procedures. (1) A deviation request must be in writing and must be submitted to the responsible DOE/NNSA Contracting Officer. An applicant for a subaward or a subrecipient shall submit any such request through the recipient.

(2) Except as provided in paragraph (c)(3) of this section—

(i) A single-case deviation may be authorized by the responsible HCA.

(ii) A class deviation may be authorized by the Director, Office of Acquisition Management, for DOE actions, and the Deputy Associate Administrator for the Office of Acquisition and Project Management for NNSA, for NNSA actions, or designee.

(3) Whenever the approval of OMB, other Federal agency, or other DOE/ NNSA office is required to authorize a deviation, the proposed deviation must be submitted to the Director, Office of Acquisition Management, for DOE actions, and the Deputy Associate Administrator for the Office of Acquisition and Project Management for NNSA, for NNSA actions, or designee for concurrence prior to submission to the authorizing official.

(d) *Notice*. Whenever a request for a class deviation is approved, DOE/NNSA will identify this class deviation (as applicable) in the Notice of Funding Opportunity(s) that may be affected.

(e) *Subawards*. A recipient may use a deviation in a subaward only with the prior written approval of a DOE/NNSA Contracting Officer.

### Subpart C [Reserved]

### Subpart D—Post Award Federal Requirements for For-Profit Entities

## §910.350 Applicability of 2 CFR part 200.

(a) As stated in 2 CFR 910.122, unless otherwise noted in part 910, the definition of Non-Federal entity found in 2 CFR 200.69 is expanded for DOE to include for-profit organizations in addition to states, local governments, Indian tribes, institutions of higher education (IHE), and nonprofit organizations.

(b) A for-profit organization is defined as one that distributes any profit not reinvested into the business as profit or dividends to its employees or shareholders.

(c) Subpart D of 2 CFR part 910 contains specific changes to 2 CFR part 200 that apply only to For-Profit Recipients and, unless otherwise specified, subrecipients. In some cases, the coverage in Subpart D will replace the language in a specific section of 2 CFR part 200.

#### §910.352 Cost Principles.

For For-Profit Entities, the Cost Principles contained in 48 CFR 31.2 (Contracts with Commercial Organizations) must be followed in lieu of the Cost principles contained in 2 CFR 200.400 through 200.475, except that patent prosecution costs are not allowable unless specifically authorized in the award document. This applies to For-Profit entities whether they are recipients or subrecipients.

#### §910.354 Payment.

(a) For-Profit Recipients are an exception to 2 CFR 200.305(b)(1) which requires that non-Federal entities be paid in advance as long as certain conditions are met.

(b) For For-Profit Recipients who are paid directly by DOE, reimbursement is the preferred method of payment. Under the reimbursement method of payment, the Federal awarding agency must reimburse the non-Federal entity for its actual cash disbursements. When the reimbursement method is used, the Federal awarding agency must make payment within 30 calendar days after receipt of the billing, unless

### §910.356

the Federal awarding agency reasonably believes the request to be improper.

### §910.356 Audits.

See Subpart F of this part (Sections 910.500 through 910.521) for specific DOE regulations which apply to audits of DOE's For-Profit Recipients. For-Profit entities are an exception to the Single Audit requirements contained in Subpart F of 2 CFR 200 and therefore the regulations contained in 2 CFR 910 Subpart F apply instead.

### §910.358 Profit or fee for SBIR/STTR.

(a) As authorized by 2 CFR 200.400 (g), DOE may expressly allow non-federal entities to earn a profit or fee resulting from Federal financial assistance.

(b) DOE allows a profit or fee to be paid under two of its financial assistance programs only: Small Business Innovation Research (SBIR) and Small Business Technology Transfer Research (STTR).

(c) Awards under these programs will contain a specific provision which allows a profit or fee to be paid.

(d) Profit or Fee is unallowable for all other DOE programs which award grants and cooperative agreements.

### §910.360 Real property and equipment.

(a) Prior approvals for acquisition with Federal funds. Recipients may purchase real property or equipment with an acquisition cost per unit of \$5,000 or more in whole or in part with Federal funds only with the prior written approval of the contracting officer or in accordance with express award terms.

(b) *Title.* Unless a statute specifically authorizes and the award specifies that title to property vests unconditionally in the recipient, title to real property or equipment vests in the recipient, subject to all terms and conditions of the award and that the recipient shall:

(1) Use the real property or equipment for the authorized purposes of the project until funding for the project ceases, or until the real property or equipment is no longer needed for the purposes of the project, as may be determined by the contracting officer;

(2) Not encumber or permit any encumbrance on the real property or

### 2 CFR Ch. IX (1–1–22 Edition)

equipment without the prior written approval of the contracting officer;

(3) Use and dispose of the real property or equipment in accordance with paragraphs (e), (f), and (g) of this section; and

(4) Properly record, and consent to the Department's ability to properly record if the recipient fails to do so, UCC financing statement(s) for all equipment purchased with Federal funds (Financial assistance awards made under the Small Business Innovation Research/Small Business Technology Transfer (SBIR/STTR) program are exempt from this requirement unless otherwise specified within the grant agreement); such a filing is required when the Federal share of the financial assistance agreement is more than \$1,000,000, and the Contracting Officer may require it in his or her discretion when the Federal share is less than \$1,000,000. These financing statement(s) must be approved in writing by the contracting officer prior to the recording, and they shall provide notice that the recipient's title to all equipment (not real property) purchased with Federal funds under the financial assistance agreement is conditional pursuant to the terms of this section, and that the Government retains an undivided reversionary interest in the equipment. The UCC financing statement(s) must be filed before the contracting officer may reimburse the recipient for the Federal share of the equipment unless otherwise provided for in the relevant financial assistance agreement. The recipient shall further make any amendments to the financing statements or additional recordings, including appropriate continuation statements, as necessary or as the contracting officer may direct.

(c) *Remedies.* If the recipient fails at any time to comply with any of the conditions or requirements of paragraph (b) of this section, then the contracting officer may:

(1) Notify the recipient of noncompliance in accordance with 2 CFR 200.338, which may lead to suspension or termination of the award:

(2) Impose special award conditions pursuant to 2 CFR 200.205 and 200.207 as amended by 2 CFR 910.372;

(3) Issue instructions to the recipient for disposition of the property in accordance with paragraph (g) of this section;

(4) In the case of a failure to properly record UCC financing statement(s) in accordance with paragraph (b)(4) of this section, effect such a recording; and

(5) Apply other remedies that may be legally available.

(d) Title to and Federal interest in real property or equipment offered as costshare. As provided in 2 CFR 200.306(h). depending upon the purpose of the Federal award, a recipient may offer the fair market value of real property or equipment that is purchased with recipient's funds or that is donated by a third party to meet a portion of any required cost sharing or matching. If a resulting award includes such property as a portion of the recipient's cost share, the recipient holds conditional title to the property and the Government has an undivided reversionary interest in the share of the property value equal to the Federal participation in the project. The property is treated as if it had been acquired in part with Federal funds, and is subject to the provisions of paragraph (b) of this section and to the provisions of 2 CFR 200.311 and 200.313.

(e) *Insurance*. Recipients must, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired with Federal funds as provided to property owned by the recipient.

(f) Additional uses during and after the project period. Unless a statute and the award terms expressly provide for the vesting of unconditional title to real property or equipment with the recipient, the real property or equipment acquired wholly or in part with Federal funds is subject to the following:

(1) During the Project Period, the recipient must make real property and equipment available for use on other projects or programs, if such other use does not interfere with the work on the project or program for which the real property or equipment was originally acquired. Use of the real property or equipment on other projects is subject to the following order of priority: (i) Activities sponsored by DOE grants, cooperative agreements, or other assistance awards;

(ii) Activities sponsored by other Federal agencies' grants, cooperative agreements, or other assistance awards;

(iii) Activities under Federal procurement contracts or activities not sponsored by any Federal agency. If so used, use charges must be assessed to those activities. For real property or equipment, the use charges must be at rates equivalent to those for which comparable real property or equipment may be leased.

(2) After Federal funding for the project ceases, or if, as may be determined by the contracting officer, the real property or equipment is no longer needed for the purposes of the project, or if the recipient suspends work on the project, the recipient may use the real property or equipment for other projects, if:

(i) There are Federally sponsored projects for which the real property or equipment may be used;

(ii) The recipient obtains written approval from the contracting officer to do so. The contracting officer must ensure that there is a formal change of accountability for the real property or equipment to a currently funded Federal award; and

(iii) The recipient's use of the real property or equipment for other projects is in the same order of priority as described in paragraph (e)(1) of this section.

(iv) If the only use for the real property or equipment is for projects that have no Federal sponsorship, the recipient must proceed with disposition of the real property or equipment in accordance with paragraph (g) of this section.

(g) Disposition. (1) If, as determined by the contracting officer, an item of real property or equipment is no longer needed for Federally sponsored projects, or if the recipient has suspended work on the project, the recipient has the following options:

(i) If the property is equipment with a current per unit fair market value of less than \$5,000, it may be retained, sold, or otherwise disposed of with no further obligation to DOE.

### §910.362

(ii) If the property is equipment (rather than real property) and with the written approval of the contracting officer, the recipient may replace it with an item that is needed currently for the project by trading in or selling to offset the costs of the replacement equipment.

(iii) The recipient may elect to retain title, without further obligation to the Federal Government, by compensating the Federal Government for that percentage of the current fair market value of the real property or equipment that is attributable to the Federal participation in the project.

(iv) If the recipient does not elect to retain title to real property or equipment or does not request approval to use equipment as trade-in or offset for replacement equipment, the recipient must request disposition instructions from the responsible agency.

(2) If a recipient requests disposition instructions, the contracting officer must:

(i) For either real property or equipment, issue instructions to the recipient for disposition of the property no later than 120 calendar days after the recipient's request. The contracting officer's options for disposition are to direct the recipient to:

(A) Transfer title to the real property or equipment to the Federal Government or to a third party designated by the contracting officer provided that, in such cases, the recipient is entitled to compensation for its attributable percentage of the current fair market value of the real property or equipment, plus any reasonable shipping or interim storage costs incurred; or

(B) Sell the real property or equipment and pay the Federal Government for that percentage of the current fair market value of the property that is attributable to the Federal participation in the project (after deducting actual and reasonable selling and fix-up expenses, if any, from the sale proceeds). If the recipient is authorized or required to sell the real property or equipment, the recipient must use competitive procedures that result in the highest practicable return.

(3) If the contracting officer fails to issue disposition instructions within 120 calendar days of the recipient's re2 CFR Ch. IX (1-1-22 Edition)

quest, the recipient must dispose of the real property or equipment through the option described in paragraph (g)(2)(i)(B) of this section.

[80 FR 53237, Sept. 3, 2015]

### §910.362 Intellectual property.

(a) *Scope*. This section sets forth the policies with regard to disposition of rights to data and to inventions conceived or first actually reduced to practice in the course of, or under, a grant or cooperative agreement made to a For-Profit entity by DOE.

(b) Patents right—small business concerns. In accordance with 35 U.S.C. 202, if the recipient is a small business concern and receives a grant, cooperative agreement, subaward, or contract for research, developmental, or demonstration activities, then, unless there are "exceptional circumstances" as described in 35 U.S.C. 202(e), the award must contain the standard clause in appendix A to this subpart, entitled "Patents Rights (Small Business Firms and Nonprofit Organizations" which provides to the recipient the right to elect ownership of inventions made under the award.

(c) Patent rights—other than small business concerns, e.g., large businesses—

(1) No Patent Waiver. Except as provided by paragraph (c)(2) of this section, if the recipient is a for-profit organization other than a small business concern, as defined in 35 U.S.C. 201(h) and receives an award or a subaward for research, development, and demonstration activities, then, pursuant to statute, the award must contain the standard clause in appendix A to this subpart, entitled "Patent Rights (Large Business Firms)—No Waiver" which provides that DOE owns the patent rights to inventions made under the award.

(2) *Patent Waiver Granted*. Paragraph (c)(1) of this section does not apply if:

(i) DOE grants a class waiver for a particular program under 10 CFR part 784;

(ii) The applicant requests and receives an advance patent waiver under 10 CFR part 784; or

(iii) A subaward is covered by a waiver granted under the prime award.

(3) Special Provision. Normally, an award will not include a background

patent and data provision. However, under special circumstances, in order to provide heightened assurance of commercialization, a provision providing for a right to require licensing of third parties to background inventions, limited rights data and/or restricted computer software, may be included. Inclusion of a background patent and/or a data provision to assure commercialization will be done only with the written concurrence of the DOE program official setting forth the need for such assurance. An award may include the right to license the Government and third party contractors for special Government purposes when future availability of the technology would also benefit the government, e.g., clean-up of DOE facilities. The scope of any such background patent and/or data licensing provision is subject to negotiation.

(d) Rights in data—general rule. (1) Subject to paragraphs (d)(2) and (3) of this section, and except as otherwise provided by paragraphs (e) and (f) of this section or other law, any award under this subpart must contain the standard clause in appendix A to this subpart, entitled "Rights in Data— General".

(2) Normally, an award will not require the delivery of limited rights data or restricted computer software. However, if the contracting officer, in consultation with DOE patent counsel and the DOE program official, determines that delivery of limited rights data or restricted computer software is necessary, the contracting officer, after negotiation with the applicant, may insert in the award the standard clause as modified by Alternates I and/ or II set forth in appendix A to this subpart.

(3) If software is specified for delivery to DOE, or if other special circumstances exist, *e.g.*, DOE specifying "open-source" treatment of software, then the contracting officer, after negotiation with the recipient, may include in the award special provisions requiring the recipient to obtain written approval of the contracting officer prior to asserting copyright in the software, modifying the retained Government license, and/or otherwise altering the copyright provisions.

(e) Rights in data-programs covered under special protected data statutes. (1) If a statute, other than those providing for the Small Business Innovation Research (SBIR) and Small Business Technology Transfer Research (STTR) programs, provides for a period of time, typically up to five years, during which data produced under an award for research, development, and demonstration may be protected from public disclosure, then the contracting officer must insert in the award the standard clause in appendix A to this subpart entitled "Rights in Data-Programs Covered Under Special Protected Data Statutes" or, as determined in consultation with DOE patent counsel and the DOE program official, a modified version of such clause which may identify data or categories of data that the recipient must make available to the public.

(2) An award under paragraph (e)(1) of this section is subject to the provisions of paragraphs (d)(2) and (3) of this section.

(f) Rights in data—SBIR/STTR programs. If an applicant receives an award under the SBIR or STTR program, then the contracting officer must insert in the award the standard data clause in the General Terms and Conditions for SBIR Grants, entitled "Rights in Data—SBIR Program".

(g) Authorization and consent. (1) Work performed by a recipient under a grant is not subject to authorization and consent to the use of a patented invention, and the Government assumes no liability for patent infringement by the recipient under 28 U.S.C. 1498.

(2) Work performed by a recipient under a cooperative agreement is subject to authorization and consent to the use of a patented invention consistent with the principles set forth in 48 CFR 27.201-1.

(3) The contracting officer, in consultation with patent counsel, may also include clauses in the cooperative agreement addressing other patent matters related to authorization and consent, such as patent indemnification of the Government by recipient and notice and assistance regarding patent and copyright infringement. The policies and clauses for these other patent matters will be the same or consistent with those in 48 CFR part 927.

## §910.364 Reporting on utilization of subject inventions.

(a) Unless otherwise instructed, a recipient that obtains title to an invention made under an award shall submit annual reports on the utilization or efforts to obtain utilization of the invention for at least 10 years from the date the invention was first disclosed to DOE (Utilization Reports). Utilization Reports shall include at least the following information:

(1) Status of development;

(2) Date of first commercial sale or use;

(3) Gross royalties received by the recipient;

(4) The location of any manufacture of products embodying the subject invention; and

(5) Any such other data and information as DOE may reasonably specify.

(b) To the extent data or information supplied in a Utilization Report is considered by the recipient to be privileged and confidential and is so marked by the recipient, DOE agrees that, to the extent permitted by law, it shall not disclose such information to persons outside the Government.

#### §910.366 Export Control and U.S. Manufacturing and Competitiveness.

(a) *Export Control*. Any recipient of any award for research, development and/or demonstration must comply with all applicable U.S. laws regarding export control.

(b) U.S. Manufacturing and Competitiveness. It is the policy of DOE to ensure that DOE-funded research, development, and/or demonstration projects foster domestic manufacturing. Funding opportunity announcements (FOAs), therefore, may require that applicants submit a "U.S. Manufacturing Plan" in their applications. Such FOAs may encourage U.S. Manufacturing Plans to include proposals by recipients and any sub-recipients to manufacture DOE-funded technologies in the United States; however, the FOAs will also state that these plans should not include requirements regarding the source of inputs used during the manu-

### 2 CFR Ch. IX (1-1-22 Edition)

facturing process. Regardless of whether such plans will be part of the merit review criteria or a program policy factor, and to the extent legally permissible, all awards subject to this subpart, including subawards, for research, development, and/or demonstration, must include a provision that provides plans by the recipient and any subrecipients to support manufacturing in the United States of technology developed under the award. The recipient and any subrecipients must agree to make those plans binding on any assignee or licensee or any entity otherwise acquiring rights to any subject invention or developed technology covered under the award. A recipient, subrecipient, assignee, licensee, or any entity otherwise acquiring the rights to any subject invention or developed technology may request a waiver or modification of U.S. manufacturing plans from DOE. DOE will determine whether to approve such a waiver in light of equitable considerations, including, for example, whether the requester satisfactorily shows that the planned support is not economically feasible and whether there is a satisfactory alternative net benefit to the U.S. economy if the requested waiver or modification is approved.

### §910.368 Change of control.

(a) Change of control is defined as any of the following:

(1) Any event by which any individual or entity other than the recipient becomes the beneficial owner of more than 50% of the total voting power of the voting stock of the recipient:

(2) The recipient merges with or into any entity other than in a transaction in which the shares of the recipient's voting stock are converted into a majority of the voting stock of the surviving entity;

(3) The sale, lease or transfer of all or substantially all of the assets of the recipient to any individual or entity other than the recipient in one or a series of related transactions;

(4) The adoption of a plan relating to the liquidation or dissolution of the recipient; or

(5) Where the recipient is a whollyowned subsidiary at the time of award or novation, and the recipient's parent entity undergoes a change of control as defined in this section.

(b) When the Federal share of the financial assistance agreement is more than \$10,000,000 or DOE requests the information in writing, the recipient must provide the contracting officer with documentation identifying all parties who exercise control in the recipient at the time of award.

(c) When there is a change of control of a recipient, or the recipient has reason to know a change of control is likely, the recipient must notify the contracting officer within 30 days of its knowledge of such change of control. Such notification must include, at a minimum, copies of documents necessary to reflect the transaction that resulted or will result in the change of control, and identification of all entities, individuals or other parties to such transaction. Failure to notify the contracting officer of a change of control is grounds for suspension or termination of the award for failure to comply with the terms and conditions of the award.

(d) The contracting officer must authorize a change of control for the purposes of the award. Failure to receive the contracting officer's authorization for a change of control may lead to a suspension of the award, termination for failure to comply with the terms and conditions of the award, or imposition of special award conditions pursuant to 2 CFR 910.372. Special award conditions may include but are not limited to:

(1) Additional reporting requirements related to the change of control; and

(2) Suspension of payments due to the recipient.

[80 FR 53239, Sept. 3, 2015]

#### §910.370 Novation of financial assistance agreements.

(a) Financial assistance agreements are not assignable absent written consent from the contracting officer. At his or her sole discretion, the contracting officer may, through novation, recognize a third party as the successor in interest to a financial assistance agreement if such recognition is in the Pt. 910, Subpt. D, App. A

Government's interest, conforms with all applicable laws and the third party's interest in the agreement arises out of the transfer of:

(1) All of the recipient's assets; or

(2) The entire portion of the assets necessary to perform the project described in the agreement.

(b) When the contracting officer determines that it is not in the Government's interest to consent to the novation of a financial assistance agreement from the original recipient to a third party, the original recipient remains subject to the terms of the financial assistance agreement, and the Department may exercise all legally available remedies under 2 CFR 200.338 through 200.342, or that may be otherwise available, should the original recipient not perform.

(c) The contracting officer may require submission of any documentation in support of a request for novation, including but not limited to documents identified in 48 CFR Subpart 42.12. The contracting officer may use the format in 48 CFR 42.1204 as guidance for novation agreements identified in paragraph (a) of this section.

[80 FR 53239, Sept. 3, 2015]

#### §910.372 Special award conditions.

(a) In addition to the requirements of 2 CFR 200.205, the following actions may require the use of Specific Conditions as identified in 2 CFR 200.207:

(1) Has not conformed to the terms and conditions of a previous award;

(2) Has a change of control as defined in §910.368;

(3) Fails to comply with real property and equipment requirements at §910.360; or

(4) Is not otherwise responsible.

APPENDIX A TO SUBPART D OF PART 910—PATENT AND DATA PROVISIONS

- 1. Patent Rights (Small Business Firms and Nonprofit Organizations)
- 2. Patent Rights (Large Business Firms)—No Waiver
- 3. Rights in Data—General
- 4. Rights in Data—Programs Covered Under Special Protected Data Statutes

### Pt. 910, Subpt. D, App. A

#### 1. Patent Rights (Small Business Firms and Nonprofit Organizations)

(a) Definitions

Invention means any invention or discovery which is or may be patentable or otherwise protectable under title 35 of the United States Code, or any novel variety of plant which is or may be protected under the Plant Variety Protection Act (7 U.S.C. 2321 et seq.).

*Made* when used in relation to any invention means the conception or first actual reduction to practice of such invention.

*Nonprofit organization* is defined in 2 CFR 200.70.

Practical application means to manufacture in the case of a composition or product, to practice in the case of a process or method, or to operate in the case of a machine or system; and, in each case, under such conditions as to establish that the invention is being utilized and that its benefits are to the extent permitted by law or Government regulations available to the public on reasonable terms.

Small business firm means a small business concern as defined at section 2 of Public Law 85-536 (16 U.S.C. 632) and implementing regulations of the Administrator of the Small Business Administration. For the purpose of this clause, the size standards for small business concerns involved in Government procurement and subcontracting at 13 CFR 121.3 through 121.8 and 13 CFR 121.3 through 121.12, respectively, will be used.

Subject invention means any invention of the Recipient conceived or first actually reduced to practice in the performance of work under this award, provided that in the case of a variety of plant, the date of determination (as defined in section 41(d) of the Plant Variety Protection Act, 7 U.S.C. 2401(d) must also occur during the period of award performance.

(b) Allocation of Principal Rights

The Recipient may retain the entire right, title, and interest throughout the world to each subject invention subject to the provisions of this Patent Rights clause and 35 U.S.C. 203. With respect to any subject invention in which the Recipient retains title, the Federal Government shall have a non-exclusive, nontransferable, irrevocable, paid-up license to practice or have practiced for or on behalf of the U.S. the subject invention throughout the world.

(c) Invention Disclosure, Election of Title and Filing of Patent Applications by Recipient

(1) The Recipient will disclose each subject invention to DOE within two months after the inventor discloses it in writing to Recipient personnel responsible for the administration of patent matters. The disclosure to DOE shall be in the form of a written report and shall identify the award under which the invention was made and the inventor(s). It

### 2 CFR Ch. IX (1–1–22 Edition)

shall be sufficiently complete in technical detail to convey a clear understanding to the extent known at the time of disclosure, of the nature, purpose, operation, and the physical, chemical, biological or electrical characteristics of the invention. The disclosure shall also identify any publication, on sale or public use of the invention and whether a manuscript describing the invention has been submitted for publication and, if so, whether it has been accepted for publication at the time of disclosure. In addition, after disclosure to DOE, the Recipient will promptly notify DOE of the acceptance of any manuscript describing the invention for publication or of any on sale or public use planned by the Recipient.

(2) The Recipient will elect in writing whether or not to retain title to any such invention by notifying DOE within two years of disclosure to DOE. However, in any case where publication, on sale, or public use has initiated the one-year statutory period wherein valid patent protection can still be obtained in the U.S., the period for election of title may be shortened by the agency to a date that is no more than 60 days prior to the end of the statutory period.

(3) The Recipient will file its initial patent application on an invention to which it elects to retain title within one year after election of title or, if earlier, prior to the end of any statutory period wherein valid patent protection can be obtained in the U.S. after a publication, on sale, or public use. The Recipient will file patent applications in additional countries or international patent offices within either ten months of the corresponding initial patent application, or six months from the date when permission is granted by the Commissioner of Patents and Trademarks to file foreign patent applications when such filing has been prohibited by a Secrecy Order.

(4) Requests for extension of the time for disclosure to DOE, election, and filing under subparagraphs (c)(1), (2), and (3) of this clause may, at the discretion of DOE, be granted.

(d) Conditions When the Government May Obtain Title

The Recipient will convey to DOE, upon written request, title to any subject invention:

(1) If the Recipient fails to disclose or elect the subject invention within the times specified in paragraph (c) of this patent rights clause, or elects not to retain title; provided that DOE may only request title within 60 days after learning of the failure of the Recipient to disclose or elect within the specified times;

(2) In those countries in which the Recipient fails to file patent applications within the times specified in paragraph (c) of this Patent Rights clause; provided, however,

that if the Recipient has filed a patent application in a country after the times specified in paragraph (c) of this Patent Rights clause, but prior to its receipt of the written request of DOE, the Recipient shall continue to retain title in that country; or

(3) In any country in which the Recipient decides not to continue the prosecution of any application for, to pay the maintenance fees on, or defend in a reexamination or opposition proceeding on, a patent on a subject invention.

(e) Minimum Rights to Recipient and Protection of the Recipient Right To File

(1) The Recipient will retain a non-exclusive royalty-free license throughout the world in each subject invention to which the Government obtains title, except if the Recipient fails to disclose the subject invention within the times specified in paragraph (c) of this Patent Rights clause. The Recipient's license extends to its domestic subsidiaries and affiliates, if any, within the corporate structure of which the Recipient is a party and includes the right to grant sublicenses of the same scope of the extent the Recipient was legally obligated to do so at the time the award was awarded. The license is transferable only with the approval of DOE except when transferred to the successor of that part of the Recipient's business to which the invention pertains.

(2) The Recipient's domestic license may be revoked or modified by DOE to the extent necessary to achieve expeditious practical application of the subject invention pursuant to an application for an exclusive license submitted in accordance with applicable provisions at 37 CFR part 404 and the agency's licensing regulation, if any. This license will not be revoked in that field of use or the geographical areas in which the Recipient has achieved practical application and continues to make the benefits of the invention reasonably accessible to the public. The license in any foreign country may be revoked or modified at discretion of the funding Federal agency to the extent the Recipient, its licensees, or its domestic subsidiaries or affiliates have failed to achieve practical application in that foreign country.

(3) Before revocation or modification of the license, the funding Federal agency will furnish the Recipient a written notice of its intention to revoke or modify the license, and the Recipient will be allowed thirty days (or such other time as may be authorized by DOE for good cause shown by the Recipient) after the notice to show cause why the license should not be revoked or modified. The Recipient has the right to appeal, in accordance with applicable regulations in 37 CFR part 404 and the agency's licensing regulations, if any, concerning the licensing of Government-owned inventions, any decision concerning the revocation or modification of its license.

Pt. 910, Subpt. D, App. A

(f) Recipient Action To Protect Government's Interest

(1) The Recipient agrees to execute or to have executed and promptly deliver to DOE all instruments necessary to:

(i) Establish or confirm the rights the Government has throughout the world in those subject inventions for which the Recipient retains title; and

(ii) Convey title to DOE when requested under paragraph (d) of this Patent Rights clause, and to enable the government to obtain patent protection throughout the world in that subject invention.

(2) The Recipient agrees to require, by written agreement, its employees, other than clerical and non-technical employees. to disclose promptly in writing to personnel identified as responsible for the administration of patent matters and in a format suggested by the Recipient each subject invention made under this award in order that the Recipient can comply with the disclosure provisions of paragraph (c) of this Patent Rights clause, and to execute all papers necessary to file patent applications on subject inventions and to establish the Government's rights in the subject inventions. The disclosure format should require, as a minimum, the information requested by paragraph (c)(1) of this Patent Rights clause. The Recipient shall instruct such employees through the employee agreements or other suitable educational programs on the importance of reporting inventions in sufficient time to permit the filing of patent applications prior to U.S. or foreign statutory bars.

(3) The Recipient will notify DOE of any decision not to continue prosecution of a patent application, pay maintenance fees, or defend in a reexamination or opposition proceeding on a patent, in any country, not less than 30 days before the expiration of the response period required by the relevant patent office.

(4) The Recipient agrees to include, within the specification of any U.S. patent application and any patent issuing thereon covering a subject invention, the following statement: "This invention was made with Government support under (identify the award) awarded by (identify DOE). The Government has certain rights in this invention."

(g) Subaward/Contract

(1) The Recipient will include this Patent Rights clause, suitably modified to identify the parties, in all subawards/contracts, regardless of tier, for experimental, developmental or research work to be performed by a small business firm or nonprofit organization. The subrecipient/contractor will retain all rights provided for the Recipient in this Patent Rights clause, and the Recipient will not, as part of the consideration for awarding the subcontract, obtain rights in the subcontractors' subject inventions.

### Pt. 910, Subpt. D, App. A

2 CFR Ch. IX (1–1–22 Edition)

(2) The Recipient will include in all other subawards/contracts, regardless of tier, for experimental, developmental or research work, the patent rights clause required by 2 CFR 910.362(c).

(3) In the case of subawards/contracts at any tier, DOE, the Recipient, and the subrecipient/contractor agree that the mutual obligations of the parties created by this clause constitute a contract between the subrecipient/contractor and DOE with respect to those matters covered by the clause.

(h) Reporting on Utilization of Subject Inventions

The Recipient agrees to submit on request periodic reports no more frequently than annually on the utilization of a subject invention or on efforts at obtaining such utilization that are being made by the Recipient or its licensees or assignees. Such reports shall include information regarding the status of development, date of first commercial sale or use, gross royalties received by the Recipient and such other data and information as DOE may reasonably specify. The Recipient also agrees to provide additional reports in connection with any march-in proceeding undertaken by DOE in accordance with paragraph (j) of this Patent Rights clause. As required by 35 U.S.C. 202(c)(5), DOE agrees it will not disclose such information to persons outside the Government without the permission of the Recipient.

(i) Preference for United States Industry.

Notwithstanding any other provision of this Patent Rights clause, the Recipient agrees that neither it nor any assignee will grant to any person the exclusive right to use or sell any subject invention in the U.S. unless such person agrees that any products embodying the subject invention or produced through the use of the subject invention will be manufactured substantially in the U.S. However, in individual cases, the requirement for such an agreement may be waived by DOE upon a showing by the Recipient or its assignee that reasonable but unsuccessful efforts have been made to grant licenses on similar terms to potential licensees that would be likely to manufacture substantially in the U.S. or that under the circumstances domestic manufacture is not commercially feasible.

(j) March-in-Rights

The Recipient agrees that with respect to any subject invention in which it has acquired title, DOE has the right in accordance with procedures at 37 CFR 401.6 and any supplemental regulations of the Agency to require the Recipient, an assignee or exclusive licensee of a subject invention to grant a non-exclusive, partially exclusive, or exclusive license in any field of use to a responsible applicant or applicants, upon terms that are reasonable under the circumstances and if the Recipient, assignee, or exclusive licensee refuses such a request. DOE has the right to grant such a license itself if DOE determines that:

(1) Such action is necessary because the Recipient or assignee has not taken or is not expected to take within a reasonable time, effective steps to achieve practical application of the subject invention in such field of use:

(2) Such action is necessary to alleviate health or safety needs which are not reasonably satisfied by the Recipient, assignee, or their licensees;

(3) Such action is necessary to meet requirements for public use specified by Federal regulations and such requirements are not reasonably satisfied by the Recipient, assignee, or licensee; or

(4) Such action is necessary because the agreement required by paragraph (i) of this Patent Rights clause has not been obtained or waived or because a licensee of the exclusive right to use or sell any subject invention in the U.S. is in breach of such agreement.

(k) Special Provisions for Awards With Nonprofit Organizations

If the Recipient is a nonprofit organization, it agrees that:

(1) Rights to a subject invention in the U.S. may not be assigned without the approval of DOE, except where such assignment is made to an organization which has as one of its primary functions the management of inventions, provided that such assignee will be subject to the same provisions as the Recipient:

(2) The Recipient will share royalties collected on a subject invention with the inventor, including Federal employee co-inventors (when DOE deems it appropriate) when the subject invention is assigned in accordance with 35 U.S.C. 202(e) and 37 CFR 401.10;

(3) The balance of any royalties or income earned by the Recipient with respect to subject inventions, after payment of expenses (including payments to inventors) incidental to the administration of subject inventions, will be utilized for the support of scientific or engineering research or education; and

(4) It will make efforts that are reasonable under the circumstances to attract licensees of subject inventions that are small business firms and that it will give preference to a small business firm if the Recipient determines that the small business firm has a plan or proposal for marketing the invention which, if executed, is equally likely to bring the invention to practical application as any plans or proposals from applicants that are not small business firms; provided that the Recipient is also satisfied that the small business firm has the capability and resources to carry out its plan or proposal. The decision whether to give a preference in any specific case will be at the discretion of the Recipient. However, the Recipient agrees that the Secretary of Commerce may review

the Recipient's licensing program and decisions regarding small business applicants, and the Recipient will negotiate changes to its licensing policies, procedures or practices with the Secretary when the Secretary's review discloses that the Recipient could take reasonable steps to implement more effectively the requirements of this paragraph (k)(4).

(1) Communications

All communications required by this Patent Rights clause should be sent to the DOE Patent Counsel address listed in the Award Document.

(m) Electronic Filing

Unless otherwise specified in the award, the information identified in paragraphs (f)(2) and (f)(3) may be electronically filed.

#### (End of clause)

#### 2. Patent Rights (Large Business Firms)—No Waiver

#### (a) Definitions

DOE patent waiver regulations, as used in this clause, means the Department of Energy patent waiver regulations in effect on the date of award. See 10 CFR part 784.

Invention, as used in this clause, means any invention or discovery which is or may be patentable of otherwise protectable under title 35 of the United States Code or any novel variety of plant that is or may be protectable under the Plant Variety Protection Act (7 U.S.C. 2321, et seq.).

Patent Counsel, as used in this clause, means the Department of Energy Patent Counsel assisting the awarding activity.

Subject invention, as used in this clause, means any invention of the Recipient conceived or first actually reduced to practice in the course of or under this agreement.

(b) Allocations of Principal Rights

(1) Assignment to the Government. The Recipient agrees to assign to the Government the entire right, title, and interest throughout the world in and to each subject invention, except to the extent that rights are retained by the Recipient under subparagraph (b)(2) and paragraph (d) of this clause.

(2) Greater rights determinations. The Recipient, or an employee-inventor after consultation with the Recipient, may request greater rights than the nonexclusive license and the foreign patent rights provided in paragraph (d) of this clause on identified inventions in accordance with the DOE patent waiver regulation. Each determination of greater rights under this agreement shall be subject to paragraph (c) of this clause, unless otherwise provided in the greater rights determination, and to the reservations and conditions deemed to be appropriate by the Secretary of Energy or designee.

(c) Minimum Rights Acquired by the Government

## Pt. 910, Subpt. D, App. A

With respect to each subject invention to which the Department of Energy grants the Recipient principal or exclusive rights, the Recipient agrees to grant to the Government: A nonexclusive, nontransferable, irrevocable, paid-up license to practice or have practiced each subject invention throughout the world by or on behalf of the Government of the United States (including any Government agency): "march-in rights" as set forth in 37 CFR 401.14(a)(J)); preference for U.S. industry as set forth in 37 CFR 401.14(a)(I): periodic reports upon request, no more frequently than annually, on the utilization or intent of utilization of a subject invention in a manner consistent with 35 U.S.C. 202(c)(50); and such Government rights in any instrument transferring rights in a subject invention.

(d) Minimum Rights to the Recipient

(1) The Recipient is hereby granted a revocable, nonexclusive, royalty-free license in each patent application filed in any country on a subject invention and any resulting patent in which the Government obtains title, unless the Recipient fails to disclose the subject invention within the times specified in subparagraph (e)(2) of this clause. The Recipient's license extends to its domestic subsidiaries and affiliates, if any, within the corporate structure of which the Recipient is a part and includes the right to grant sublicenses of the same scope to the extent the Recipient was legally obligated to do so at the time the agreement was awarded. The license is transferable only with the approval of DOE except when transferred to the successor of that part of the Recipient's business to which the invention pertains.

(2) The Recipient may request the right to acquire patent rights to a subject invention in any foreign country where the Government has elected not to secure such rights, subject to the minimum rights acquired by the Government similar to paragraph (c) of this clause. Such request must be made in writhing to the Patent Counsel as part of the disclosure required by subparagraph (e)(2) of this clause, with a copy to the DOE Contracting Officer. DOE approval, if given, will be based on a determination that this would best serve the national interest.

(e) Invention Identification, Disclosures, and Reports

(1) The Recipient shall establish and maintain active and effective procedures to assure that subject inventions are promptly identified and disclosed to Recipient personnel responsible for patent matters within 6 months of conception and/or first actual reduction to practice, whichever occurs first in the performance of work under this agreement. These procedures shall include the maintenance of laboratory notebooks or equivalent records and other records as are reasonably necessary to document the conception and/or the first actual reduction to

## Pt. 910, Subpt. D, App. A

practice of subject inventions, and records that show that the procedures for identifying and disclosing the inventions are followed. Upon request, the Recipient shall furnish the Contracting Officer a description of such procedures for evaluation and for determination as to their effectiveness.

(2) The Recipient shall disclose each subject invention to the DOE Patent Counsel with a copy to the Contracting Officer within 2 months after the inventor discloses it in writing to Recipient personnel responsible for patent matters or, if earlier, within 6 months after the Recipient becomes aware that a subject invention has been made, but in any event before any on sale, public use, or publication of such invention known to the Recipient. The disclosure to DOE shall be in the form of a written report and shall identify the agreement under which the invention was made and the inventor(s). It shall be sufficiently complete in technical detail to convey a clear understanding, to the extent known at the time of the disclosure, of the nature, purpose, operation, and physical, chemical, biological, or electrical characteristics of the invention. The disclosure shall also identify any publication, on sale, or public use of the invention and whether a manuscript describing the invention has been submitted for publication and, if so, whether it has been accepted for publication at the time of disclosure. In addition, after disclosure to DOE, the Recipient shall promptly notify Patent Counsel of the acceptance of any manuscript describing the invention for publication or of any on sale or public use planned by the Recipient. The report should also include any request for a greater rights determination in accordance with subparagraph (b)(2) of this clause. When an invention is disclosed to DOE under this paragraph, it shall be deemed to have been made in the manner specified in Sections (a)(1) and (a)(2) of 42 U.S.C. 5908, unless the Recipient contends in writing at the time the invention is disclosed that it was not so made.

(3) The Recipient shall furnish the Contracting Officer a final report, within 3 months after completion of the work listing all subject inventions or containing a statement that there were no such inventions, and listing all subawards/contracts at any tier containing a patent rights clause or containing a statement that there were no such subawards/contracts.

(4) The Recipient agrees to require, by written agreement, its employees, other than clerical and nontechnical employees, to disclose promptly in writing to personnel identified as responsible for the administration of patent matters and in a format suggested by the Recipient each subject invention made under subaward/contract in order that the Recipient can comply with the disclosure provisions of paragraph (c) of this

## 2 CFR Ch. IX (1–1–22 Edition)

clause, and to execute all papers necessary to file patent applications on subject inventions and to establish the Government's rights in the subject inventions. This disclosure format should require, as a minimum, the information required by subparagraph (e)(2) of this clause.

(5) The Recipient agrees, subject to FAR 27.302(j), that the Government may duplicate and disclose subject invention disclosures and all other reports and papers furnished or required to be furnished pursuant to this clause.

(f) Examination of Records Relating to Inventions

(1) The Contracting Officer or any authorized representative shall, until 3 years after final payment under this agreement, have the right to examine any books (including laboratory notebooks), records, and documents of the Recipient relating to the conception or first actual reduction to practice of inventions in the same field of technology as the work under this agreement to determine whether—(i) Any such inventions are subject inventions; (ii) The Recipient has established and maintains the procedures required by subparagraphs (e)(1) and (4) of this clause; (iii) The Recipient and its inventors have complied with the procedures.

(2) If the Contracting Officer learns of an unreported Recipient invention which the Contracting Officer believes may be a subject invention, the Recipient may be required to disclose the invention to DOE for a determination of ownership rights.

(3) Any examination of records under this paragraph will be subject to appropriate conditions to protect the confidentiality of the information involved.

(g) Subaward/Contract

(1) The recipient shall include the clause PATENT RIGHTS (SMALL BUSINESS FIRMS AND NONPROFIT ORGANIZA-TIONS) (suitably modified to identify the parties) in all subawards/contracts, regardless of tier, for experimental, developmental, demonstration, or research work to be performed by a small business firm or domestic nonprofit organization, except where the work of the subaward/contract is subject to an Exceptional Circumstances Determination by DOE. In all other subawards/contracts, regardless of tier, for experimental, developmental, demonstration, or research work, the Recipient shall include this clause (suitably modified to identify the parties), or an alternate clause as directed by the contracting officer. The Recipient shall not, as part of the consideration for awarding the subaward/contract, obtain rights in the subrecipient's/contractor's subject inventions.

(2) In the event of a refusal by a prospective subrecipient/contractor to accept such a

clause the Recipient: (i) Shall promptly submit a written notice to the Contracting Officer setting forth the subrecipient/contractor's reasons for such refusal and other pertinent information that may expedite disposition of the matter; and (ii) Shall not proceed with such subaward/contract without the written authorization of the Contracting Officer.

(3) In the case of subawards/contracts at any tier, DOE, the subrecipient/contractor, and Recipient agree that the mutual obligations of the parties created by this clause constitute a contract between the subrecipient/contractor and DOE with respect to those matters covered by this clause.

(4) The Recipient shall promptly notify the Contracting Officer in writing upon the award of any subaward/contract at any tier containing a patent rights clause by identifying the subrecipient/contractor, the applicable patent rights clause, the work to be performed under the subaward/contract, and the dates of award and estimated completion. Upon request of the Contracting Officer, the Recipient shall furnish a copy of such subaward/contract, and, no more frequently than annually, a listing of the subawards/contracts that have been awarded.

(5) The Recipient shall identify all subject inventions of a subrecipient/contractor of which it acquires knowledge in the performance of this agreement and shall notify the Patent Counsel, with a copy to the contracting officer, promptly upon identification of the inventions.

(h) Atomic Energy

(1) No claim for pecuniary award of compensation under the provisions of the Atomic Energy Act of 1954, as amended, shall be asserted with respect to any invention or discovery made or conceived in the course of or under this agreement.

(2) Except as otherwise authorized in writing by the Contracting Officer, the Recipient will obtain patent agreements to effectuate the provisions of subparagraph (h)(1) of this clause from all persons who perform any part of the work under this agreement, except nontechnical personnel, such as clerical employees and manual laborers.

(i) Publication

It is recognized that during the course of the work under this agreement, the Recipient or its employees may from time to time desire to release or publish information regarding scientific or technical developments conceived or first actually reduced to practice in the course of or under this agreement. In order that public disclosure of such information will not adversely affect the patent interests of DOE or the Recipient, patent approval for release of publication shall be secured from Patent Counsel prior to any such release or publication.

(j) Forfeiture of Rights in Unreported Subject Inventions

## Pt. 910, Subpt. D, App. A

(1) The Recipient shall forfeit and assign to the Government, at the request of the Secretary of Energy or designee, all rights in any subject invention which the Recipient fails to report to Patent Counsel within six months after the time the Recipient: (i) Files or causes to be filed a United States or foreign patent application thereon; or (ii) Submits the final report required by subparagraph (e)(3) of this clause, whichever is later.

(2) However, the Recipient shall not forfeit rights in a subject invention if, within the time specified in subparagraph (e)(2) of this clause, the Recipient: (i) Prepares a written decision based upon a review of the record that the invention was neither conceived nor first actually reduced to practice in the course of or under the agreement and delivers the decision to Patent Counsel, with a copy to the Contracting Officer, or (ii) Contending that the invention is not a subject invention, the Recipient nevertheless discloses the invention and all facts pertinent to this contention to the Patent Counsel. with a copy of the Contracting Officer; or (iii) Establishes that the failure to disclose did not result from the Recipient's fault or negligence.

(3) Pending written assignment of the patent application and patents on a subject invention determined by the Secretary of Energy or designee to be forfeited (such determination to be a final decision under the Disputes clause of this agreement), the Recipient shall be deemed to hold the invention and the patent applications and patents pertaining thereto in trust for the Government. The forfeiture provision of this paragraph (j) shall be in addition to and shall not supersede other rights and remedies which the Government may have with respect to subiect inventions.

#### (End of clause)

#### 3. Rights in Data—General

(a) Definitions

*Computer Data Bases*, as used in this clause, means a collection of data in a form capable of, and for the purpose of, being stored in, processed, and operated on by a computer. The term does not include computer software.

Computer software, as used in this clause, means (i) computer programs which are data comprising a series of instructions, rules, routines or statements, regardless of the media in which recorded, that allow or cause a computer to perform a specific operation or series of operations and (ii) data comprising source code listings, design details, algorithms, processes, flow charts, formulae, and related material that would enable the computer program to be produced, created or compiled. The term does not include computer data bases.

## Pt. 910, Subpt. D, App. A

Data, as used in this clause, means recorded information, regardless of form or the media on which it may be recorded. The term includes technical data and computer software. Form, fit, and function data, as used in this clause, means data relating to items, components, or processes that are sufficient to enable physical and functional interchangeability, as well as data identifying source, size, configuration, mating, and attachment characteristics, functional characteristics, and performance requirements; except that for computer software it means data identifying source, functional characteristics, and performance requirements but specifically excludes the source code, algorithm, process, formulae, and flow charts of the software.

Limited rights, as used in this clause, means the rights of the Government in limited rights data as set forth in the Limited Rights Notice of subparagraph (g)(2) if included in this clause.

Limited rights data, as used in this clause, means data (other than computer software) developed at private expense that embody trade secrets or are commercial or financial and confidential or privileged.

Restricted computer software, as used in this clause, means computer software developed at private expense and that is a trade secret; is commercial or financial and is confidential or privileged; or is published copyrighted computer software; including minor modifications of such computer software.

Restricted rights, as used in this clause, means the rights of the Government in restricted computer software, as set forth in a Restricted Rights Notice of subparagraph (g)(3) if included in this clause, or as otherwise may be provided in a collateral agreement incorporated in and made part of this contract, including minor modifications of such computer software.

(b) Allocations of Rights

(1) Except as provided in paragraph (c) of this clause regarding copyright, the Government shall have unlimited rights in—

(i) Data first produced in the performance of this agreement;

## 2 CFR Ch. IX (1-1-22 Edition)

(ii) Form, fit, and function data delivered under this agreement;

(iii) Data delivered under this agreement (except for restricted computer software) that constitute manuals or instructional and training material for installation, operation, or routine maintenance and repair of items, components, or processes delivered or furnished for use under this agreement; and

(iv) All other data delivered under this agreement unless provided otherwise for limited rights data or restricted computer software in accordance with paragraph (g) of this clause.

(2) The Recipient shall have the right to—

(i) Use, release to others, reproduce, distribute, or publish any data first produced or specifically used by the Recipient in the performance of this agreement, unless provided otherwise in paragraph (d) of this clause;

(ii) Protect from unauthorized disclosure and use those data which are limited rights data or restricted computer software to the extent provided in paragraph (g) of this clause;

(iii) Substantiate use of, add or correct limited rights, restricted rights, or copyright notices and to take over appropriate action, in accordance with paragraphs (e) and (f) of this clause: and

(iv) Establish claim to copyright subsisting in data first produced in the performance of this agreement to the extent provided in paragraph (c)(1) of this clause.

(c) Copyright

(1) Data first produced in the performance of this agreement. Unless provided otherwise in paragraph (d) of this clause, the Recipient may establish, without prior approval of the Contracting Officer, claim to copyright subsisting in data first produced in the performance of this agreement. When claim to copyright is made, the Recipient shall affix the applicable copyright notices of 17 U.S.C. 401 or 402 and acknowledgement of Government sponsorship (including agreement number) to the data when such data are delivered to the Government, as well as when the data are published or deposited for registration as a published work in the U.S. Copyright Office. For such copyrighted data, including computer software, the Recipient grants to the Government, and others acting on its behalf, a paid-up nonexclusive, irrevocable worldwide license in such copyrighted data to reproduce, prepare derivative works, distribute copies to the public, and perform publicly and display publicly, by or on behalf of the Government.

(2) Data not first produced in the performance of this agreement. The Recipient shall not, without prior written permission of the Contracting Officer, incorporate in data delivered under this agreement any data not first produced in the performance of this agreement and which contains the copyright

notice of 17 U.S.C. 401 or 402, unless the Recipient identifies such data and grants to the Government, or acquires on its behalf, a license of the same scope as set forth in paragraph (c)(1) of this clause; provided, however, that if such data are computer software the Government shall acquire a copyright license as set forth in paragraph (g)(3) of this clause if included in this agreement or as otherwise may be provided in a collateral agreement incorporated in or made part of this agreement.

(3) Removal of copyright notices. The Government agrees not to remove any copyright notices placed on data pursuant to this paragraph (c), and to include such notices on all reproductions of the data.

(d) Release, Publication and Use of Data

(1) The Recipient shall have the right to use, release to others, reproduce, distribute, or publish any data first produced or specifically used by the Recipient in the performance of this agreement, except to the extent such data may be subject to the Federal export control or national security laws or regulations, or unless otherwise provided in this paragraph of this clause or expressly set forth in this agreement.

(2) The Recipient agrees that to the extent it receives or is given access to data necessary for the performance of this award, which contain restrictive markings, the Recipient shall treat the data in accordance with such markings unless otherwise specifically authorized in writing by the contracting officer.

(e) Unauthorized Marking of Data

(1) Notwithstanding any other provisions of this agreement concerning inspection or acceptance, if any data delivered under this agreement are marked with the notices specified in paragraph (g)(2) or (g)(3) of this clause and use of such is not authorized by this clause, or if such data bears any other restrictive or limiting markings not authorized by this agreement, the Contracting Officer may at any time either return the data to the Recipient or cancel or ignore the markings. However, the following procedures shall apply prior to canceling or ignoring the markings.

(i) The Contracting Officer shall make written inquiry to the Recipient affording the Recipient 30 days from receipt of the inquiry to provide written justification to substantiate the propriety of the markings;

(ii) If the Recipient fails to respond or fails to provide written justification to substantiate the propriety of the markings within the 30-day period (or a longer time not exceeding 90 days approved in writing by the Contracting Officer for good cause shown), the Government shall have the right to cancel or ignore the markings at any time after said period and the data will no longer be made subject to any disclosure prohibitions.

## Pt. 910, Subpt. D, App. A

(iii) If the Recipient provides written justification to substantiate the propriety of the markings within the period set in paragraph (e)(1)(i) of this clause, the Contracting Officer shall consider such written justification and determine whether or not the markings are to be cancelled or ignored. If the Contracting Officer determines that the markings are authorized, the Recipient shall be so notified in writing. If the Contracting Officer determines, with concurrence of the head of the contracting activity, that the markings are not authorized, the Con-tracting Officer shall furnish the Recipient a written determination, which determination shall become the final agency decision regarding the appropriateness of the markings unless the Recipient files suit in a court of competent jurisdiction within 90 days of receipt of the Contracting Officer's decision. The Government shall continue to abide by the markings under this paragraph (e)(1)(iii) until final resolution of the matter either by the Contracting Officer's determination becoming final (in which instance the Government shall thereafter have the right to cancel or ignore the markings at any time and the data will no longer be made subject to any disclosure prohibitions), or by final disposition of the matter by court decision if suit is filed.

(2) The time limits in the procedures set forth in paragraph (e)(1) of this clause may be modified in accordance with agency regulations implementing the Freedom of Information Act (5 U.S.C. 552) if necessary to respond to a request thereunder.

(f) Omitted or Incorrect Markings

(1) Data delivered to the Government without either the limited rights or restricted rights notice as authorized by paragraph (g) of this clause, or the copyright notice required by paragraph (c) of this clause, shall be deemed to have been furnished with unlimited rights, and the Government assumes no liability for the disclosure, use, or reproduction of such data. However, to the extent the data has not been disclosed without restriction outside the Government, the Recipient may request, within 6 months (or a longer time approved by the Contracting Officer for good cause shown) after delivery or such data, permission to have notices placed on qualifying data at the Recipient's expense, and the Contracting Officer may agree to do so if the Recipient:

(i) Identifies the data to which the omitted notice is to be applied;

(ii) Demonstrates that the omission of the notice was inadvertent;

(iii) Establishes that the use of the proposed notice is authorized; and

(iv) Acknowledges that the Government has no liability with respect to the disclosure, use, or reproduction of any such data made prior to the addition of the notice or resulting from the omission of the notice.

## Pt. 910, Subpt. D, App. A

(2) The Contracting Officer may also:

(i) Permit correction at the Recipient's expense of incorrect notices if the Recipient identifies the data on which correction of the notice is to be made, and demonstrates that the correct notice is authorized, or

(ii) Correct any incorrect notices.

(g) Protection of Limited Rights Data and Restricted Computer Software

When data other than that listed in paragraphs (b)(1)(i), (ii), and (iii) of this clause are specified to be delivered under this agreement and qualify as either limited rights data or restricted computer software, if the Recipient desires to continue protection of such data, the Recipient shall withhold such data and not furnish them to the Government under this agreement. As a condition to this withholding, the Recipient shall identify the data being withheld and furnish form, fit, and function data in lieu thereof. Limited rights data that are formatted as a computer data base for delivery to the Government are to be treated as limited rights data and not restricted computer software.

(h) Subaward/Contract

The Recipient has the responsibility to obtain from its subrecipients/contractors all data and rights therein necessary to fulfill the Recipient's obligations to the Government under this agreement. If a subrecipient/ contractor refuses to accept terms affording the Government such rights, the Recipient shall promptly bring such refusal to the attention of the Contracting Officer and not proceed with the subaward/contract award without further authorization.

(i) Additional Data Requirements

In addition to the data specified elsewhere in this agreement to be delivered, the Contracting Officer may, at any time during agreement performance or within a period of 3 years after acceptance of all items to be delivered under this agreement, order any data first produced or specifically used in the performance of this agreement. This clause is applicable to all data ordered under this subparagraph. Nothing contained in this subparagraph shall require the Recipient to deliver any data the withholding of which is authorized by this clause, or data which are specifically identified in this agreement as not subject to this clause. When data are to be delivered under this subparagraph, the Recipient will be compensated for converting the data into the prescribed form, for reproduction, and for delivery.

(j) The recipient agrees, except as may be otherwise specified in this award for specific data items listed as not subject to this paragraph, that the Contracting Officer or an authorized representative may, up to three years after acceptance of all items to be delivered under this award, inspect at the Recipient's facility any data withheld pursuant to paragraph (g) of this clause, for purposes

## 2 CFR Ch. IX (1–1–22 Edition)

of verifying the Recipient's assertion pertaining to the limited rights or restricted rights status of the data or for evaluating work performance. Where the Recipient whose data are to be inspected demonstrates to the Contracting Officer that there would be a possible conflict of interest if the inspection were made by a particular representative, the Contracting Officer shall designate an alternate inspector.

As prescribed in 2 CFR 910.362(d)(1), the following Alternate I and/or II may be inserted in the clause in the award instrument.

#### Alternate I:

(g)(2) Notwithstanding paragraph (g)(1) of this clause, the agreement may identify and specify the delivery of limited rights data, or the Contracting Officer may require by written request the delivery of limited rights data that has been withheld or would otherwise be withholdable. If delivery of such data is so required, the Recipient may affix the following "Limited Rights Notice" to the data and the Government will thereafter treat the data, in accordance with such Notice:

#### Limited Rights Notice

(a) These data are submitted with limited rights under Government agreement No. \_\_\_\_\_\_\_\_ (and subaward/contract No. \_\_\_\_\_\_\_, if appropriate). These data may be reproduced and used by the Government with the express limitation that they will not, without written permission of the Recipient, be used for purposes of manufacture nor disclosed outside the Government; except that the Government may disclose these data outside the Government for the following purposes, if any, provided that the Government makes such disclosure subject to prohibition against further use and disclosure:

(1) Use (except for manufacture) by Federal support services contractors within the scope of their contracts;

(2) This "limited rights data" may be disclosed for evaluation purposes under the restriction that the "limited rights data" be retained in confidence and not be further disclosed;

(3) This "limited rights data" may be disclosed to other contractors participating in the Government's program of which this Recipient is a part for information or use (except for manufacture) in connection with the work performed under their awards and under the restriction that the "limited rights data" be retained in confidence and not be further disclosed:

(4) This "limited rights data" may be used by the Government or others on its behalf for emergency repair or overhaul work under the restriction that the "limited rights data" be retained in confidence and not be further disclosed; and

(5) Release to a foreign government, or instrumentality thereof, as the interests of the United States Government may require, for information or evaluation, or for emergency repair or overhaul work by such government. This Notice shall be marked on any reproduction of this data in whole or in part.

(b) This Notice shall be marked on any reproduction of these data, in whole or in part.

#### (End of notice)

#### Alternate II:

(g)(3)(i) Notwithstanding paragraph (g)(1)of this clause, the agreement may identify and specify the delivery of restricted computer software, or the Contracting Officer may require by written request the delivery of restricted computer software that has been withheld or would otherwise be withholdable. If delivery of such computer software is so required, the Recipient may affix the following "Restricted Rights Notice" to the computer software and the Government will thereafter treat the computer software, subject to paragraphs (e) and (f) of this clause, in accordance with the Notice.

#### Restricted Rights Notice

(a) This computer software is submitted with restricted rights under Government Agreement No.\_\_\_\_\_\_ (and subaward/contract\_\_\_\_\_\_, if appropriate). It may not be used, reproduced, or disclosed by the Government except as provided in paragraph (b) of this Notice or as otherwise expressly stated in the agreement.

(b) This computer software may be-

(1) Used or copies for use in or with the computer or computers for which it was acquired, including use at any Government installation to which such computer or computers may be transferred;

(4) Modified, adapted, or combined with other computer software, provided that the modified, combined, or adapted portions of the derivative software are made subject to the same restricted rights;

(5) Disclosed to and reproduced for use by support service Recipients in accordance with paragraph (b)(1) through (4) of this clause, provided the Government makes such disclosure or reproduction subject to these restricted rights; and

(6) Used or copied for use in or transferred to a replacement computer.

(c) Notwithstanding the foregoing, if this computer software is published copyrighted computer software, it is licensed to the Government, without disclosure prohibitions, with the minimum rights set forth in paragraph (b) of this clause.

## Pt. 910, Subpt. D, App. A

(d) Any other rights or limitations regarding the use, duplication, or disclosure of this computer software are to be expressly stated, in, or incorporated in, the agreement.

(e) This Notice shall be marked on any reproduction of this computer software, in whole or in part.

#### (End of notice)

(ii) Where it is impractical to include the Restricted Rights Notice on restricted computer software, the following short-form Notice may be used in lieu thereof:

#### Restricted Rights Notice

Use, reproduction, or disclosure is subject to restrictions set forth in agreement No. \_\_\_\_\_(and subaward/contract\_\_\_\_\_, If appro-

priate) with \_\_\_\_\_(name of Recipient and subrecipient/contractor).

#### (End of notice)

(iii) If restricted computer software is delivered with the copyright notice of 17 U.S.C. 401, it will be presumed to be published copyrighted computer software licensed to the government without disclosure prohibitions, with the minimum rights set forth in paragraph (b) of this clause, unless the Recipient includes the following statement with such copyright notice: "Unpublished—rights reserved under the Copyright Laws of the United States."

(2) Any such marked Protected Data may be disclosed under obligations of confidentiality for the following purposes:

(a) For evaluation purposes under the restriction that the "Protected Data" be retained in confidence and not be further disclosed; or

(b) To subcontractors or other team members performing work under the Government's (insert name of program or other applicable activity) program of which this award is a part, for information or use in connection with the work performed under their activity, and under the restriction that the Protected Data be retained in confidence and not be further disclosed.

(3) The obligations of confidentiality and restrictions on publication and dissemination shall end for any Protected Data.

(a) At the end of the protected period;

(b) If the data becomes publicly known or available from other sources without a breach of the obligation of confidentiality with respect to the Protected Data;

(c) If the same data is independently developed by someone who did not have access to the Protected Data and such data is made available without obligations of confidentiality; or

(d) If the Recipient disseminates or authorizes another to disseminate such data without obligations of confidentiality.

(4) However, the Recipient agrees that the following types of data are not considered to be protected and shall be provided to the

## 2 CFR Ch. IX (1–1–22 Edition)

Government when required by this award without any claim that the data are Protected Data. The parties agree that notwithstanding the following lists of types of data, nothing precludes the Government from seeking delivery of additional data in accordance with this award, or from making publicly available additional non-protected data. nor does the following list constitute any admission by the Government that technical data not on the list is Protected Data. (Note: It is expected that this paragraph will specify certain types of mutually agreed upon data that will be available to the public and will not be asserted by the recipient/contractor as limited rights or protected data).

(5) The Government's sole obligation with respect to any protected data shall be as set forth in this paragraph (g).

(h) Protection of Limited Rights Data

When data other than that listed in paragraphs (b)(1)(i), (ii), and (iii) of this clause are specified to be delivered under this agreement and such data qualify as either limited rights data or restricted computer software, the Recipient, if the Recipient desires to continue protection of such data, shall withhold such data and not furnish them to the Government under this agreement. As a condition to this withholding the Recipient shall identify the data being withheld and furnish form, fit, and function data in lieu thereof.

(i) Subaward/Contract

The Recipient has the responsibility to obtain from its subrecipients/contractors all data and rights therein necessary to fulfill the Recipient's obligations to the Government under this agreement. If a subrecipient/ contractor refuses to accept terms affording the Government such rights, the Recipient shall promptly bring such refusal to the attention of the Contracting Officer and not proceed with subaward/contract award without further authorization.

(j) Additional Data Requirements

In addition to the data specified elsewhere in this agreement to be delivered, the Contracting Officer may, at any time during agreement performance or within a period of 3 years after acceptance of all items to be delivered under this agreement, order any data first produced or specifically used in the performance of this agreement. This clause is applicable to all data ordered under this subparagraph. Nothing contained in this subparagraph shall require the Recipient to deliver any data the withholding of which is authorized by this clause or data which are specifically identified in this agreement as not subject to this clause. When data are to be delivered under this subparagraph, the Recipient will be compensated for converting the data into the prescribed form, for reproduction, and for delivery.

(k) The Recipient agrees, except as may be otherwise specified in this agreement for

specific data items listed as not subject to this paragraph, that the Contracting Officer or an authorized representative may, up to three years after acceptance of all items to be delivered under this contract, inspect at the Recipient's facility any data withheld pursuant to paragraph (h) of this clause, for purposes of verifying the Recipient's assertion pertaining to the limited rights or restricted rights status of the data or for evaluating work performance. Where the Recipient whose data are to be inspected demonstrates to the Contracting Officer that there would be a possible conflict of interest if the inspection were made by a particular representative, the Contracting Officer shall designate an alternate inspector.

As prescribed in 2 CFR 910.362(e)(2), the following Alternate I and/or II may be inserted in the clause in the award instrument.

#### Alternate I

(h)(2) Notwithstanding paragraph (h)(1) of this clause, the agreement may identify and specify the delivery of limited rights data, or the Contracting Officer may require by written request the delivery of limited rights data that has been withheld or would otherwise be withholdable. If delivery of such data is so required, the Recipient may affix the following "Limited Rights Notice" to the data and the Government will thereafter treat the data, in accordance with such Notice:

#### Limited Rights Notice

(a) These data are submitted with limited under Government rights agreement (and subaward/contract No. No. if appropriate). These data may be reproduced and used by the Government with the express limitation that they will not, without written permission of the Recipient, be used for purposes of manufacture nor disclosed outside the Government; except that the Government may disclose these data outside the Government for the following purposes, if any, provided that the Government makes such disclosure subject to prohibition against further use and disclosure:

(1) Use (except for manufacture) by Federal support services contractors within the scope of their contracts;

(2) This "limited rights data" may be disclosed for evaluation purposes under the restriction that the "limited rights data" be retained in confidence and not be further disclosed;

(3) This "limited rights data" may be disclosed to other contractors participating in the Government's program of which this Recipient is a part for information or use (except for manufacture) in connection with the work performed under their awards and under the restriction that the "limited

(4) This "limited rights data" may be used by the Government or others on its behalf for emergency repair or overhaul work under the restriction that the "limited rights data" be retained in confidence and not be further disclosed; and

(5) Release to a foreign government, or instrumentality thereof, as the interests of the United States Government may require, for information or evaluation, or for emergency repair or overhaul work by such government. #### Alternate II

(h)(3)(i) Notwithstanding paragraph (h)(1) of this clause, the agreement may identify and specify the delivery of restricted computer software, or the Contracting Officer may require by written request the delivery of restricted computer software that has been withheld or would otherwise be withholdable. If delivery of such computer software is so required, the Recipient may affix the following "Restricted Rights Notice" to the computer software and the Government will thereafter treat the computer software, subject to paragraphs (d) and (e) of this clause, in accordance with the Notice:

#### Restricted Rights Notice

(a) This computer software is submitted with restricted rights under Government Agreement No.\_\_\_\_\_(and subaward/contract \_\_\_\_\_\_, if appropriate). (2) Used or copies for use in a backup computer if any computer for which it was acquired is inoperative

(3) Reproduced for safekeeping (archives) or backup purposes;

(4) Modified, adapted, or combined with other computer software, provided that the modified, combined, or adapted portions of the derivative software are made subject to the same restricted rights;

(5) Disclosed to and reproduced for use by Federal support service Contractors in accordance with paragraphs (b)(1) through (4) of this clause, provided the Government makes such disclosure or reproduction subject to these restricted rights; and

#### Subpart E—Cost Principles

#### §910.401 Application to M&O's.

In accordance with 48 CFR 970.3002–1 and 970.3101–00–70, a Federally Funded Research Center (FFRDC) which is also a designated DOE Management and Operating (M&O) contract must follow the cost accounting standards (CAS) contained in 48 CFR part 30 and must follow the appropriate Cost Principles contained in 48 CFR part 31.

#### 2 CFR Ch. IX (1–1–22 Edition)

## Subpart F—Audit Requirements for For-Profit Entities

#### General

#### §910.500 Purpose.

This Part follows the same format as 2 CFR 200.500. We purposely did not renumber the paragraphs within this part so that auditors and recipients can compare this to the single audit requirements contained in 2 CFR 200.500.

#### AUDITS

#### §910.501 Audit requirements.

(a) Audit required. A for-profit entity that expends \$750,000 or more during the non-Federal entity's fiscal year in DOE awards must have a compliance audit conducted for that year in accordance with the provisions of this Part.

(b) Compliance audit. (1) If a for-profit entity has one or more DOE awards with expenditures of \$750,000 or more during the for-profit entity's fiscal year, they must have a compliance audit for each of the awards with \$750,000 or more in expenditures. A compliance audit should comply with the applicable provisions in §910.514— Scope of Audit. The remaining awards do not require, individually or in the aggregate, a compliance audit.

(2) If a for-profit entity receives more than one award from DOE with a sum total of expenditures of \$750,000 or more during the for-profit entity's fiscal year, but does not have any single award with expenditures of \$750,000 or more; the entity must determine whether any or all of the awards have common compliance requirements (i.e., are considered a cluster of awards) and determine the total expenditures of the awards with common compliance requirements. A compliance audit is required for the largest cluster of awards (if multiple clusters of awards exist) or the largest award not in a cluster of awards, whichever corresponding expenditure total is greater. A compliance audit should comply with the applicable provisions in §910.514-Scope of Audit. The remaining awards do not require, individually or in the aggregate, a compliance audit;

(3) If a for-profit entity receives one or more awards from DOE with a sum total of expenditures less than \$750,000, no compliance audit is required;

(4) If the for-profit entity is a sub-recipient, 2 CFR 200.501(h) requires that the pass-through entity establish appropriate monitoring and controls to ensure the sub-recipient complies with award requirements. These compliance audits must be conducted in accordance with 2 CFR 200.514 Scope of audit

(c) *Program-specific audit election*. Not applicable.

(d) Exemption when Federal awards expended are less than \$750,000. A for-profit entity that expends less than \$750,000 during the for-profit's fiscal year in DOE awards is exempt from DOE audit requirements for that year, except as noted in §910.503 Relation to other audit requirements, but records must be available for review or audit by appropriate officials of the Federal agency, pass-through entity, and Government Accountability Office (GAO).

(e) Federally Funded Research and Development Centers (FFRDC). Management of an auditee that owns or operates a FFRDC may elect to treat the FFRDC as a separate entity for purposes of this Part.

(f) Subrecipients and Contractors. An auditee may simultaneously be a recipient, a subrecipient, and a contractor. Federal awards expended as a recipient are subject to audit under this Part. The payments received for goods or services provided as a contractor are not Federal awards. Section 2 CFR 200.330 Subrecipient and contractor determinations should be considered in determining whether payments constitute a Federal award or a payment for goods or services provided as a contractor.

(g) Compliance responsibility for contractors. In most cases, the auditee's compliance responsibility for contractors is only to ensure that the procurement, receipt, and payment for goods and services comply with Federal statutes, regulations, and the terms and conditions of Federal awards. Federal award compliance requirements normally do not pass through to contractors. However, the auditee is responsible for ensuring compliance for procurement transactions which are structured such that the contractor is responsible for program compliance or the contractor's records must be reviewed to determine program compliance. Also, when these procurement transactions relate to a major program, the scope of the audit must include determining whether these transactions are in compliance with Federal statutes, regulations, and the terms and conditions of Federal awards.

(h) For-profit subrecipient. Since this Part does not apply to for-profit subrecipients, the pass-through entity is responsible for establishing requirements, as necessary, to ensure compliance by for-profit subrecipients to DOE Federal award requirements. The agreement with the for-profit subrecipient should describe applicable compliance requirements and the forprofit subrecipient's compliance responsibility. Methods to ensure compliance for Federal awards made to forprofit subrecipients may include preaward audits, monitoring during the agreement, and post-award audits. See also 2 CFR 200.331 Requirements for pass-through entities.

# §910.502 Basis for determining DOE awards expended.

Determining Federal awards expended. The determination of when a Federal award is expended must be based on when the activity related to the DOE award occurs. Generally, the activity pertains to events that require the non-Federal entity to comply with Federal statutes, regulations, and the terms and conditions of DOE awards, such as: expenditure/expense transactions associated with awards including grants, cost-reimbursement contracts under the FAR, compacts with Indian Tribes, cooperative agreements, and direct appropriations; the disbursement of funds to subrecipients; the use of loan proceeds under loan and loan guarantee programs; the receipt of property; the receipt of surplus property; the receipt or use of program income; the distribution or use of food commodities; the disbursement of amounts entitling the for-profit entity to an interest subsidy; and the period when insurance is in force.

(a) Loan and loan guarantees (loans). Loan and loan guarantees issued by the DOE Loan Program Office corresponding to Title XVII of the Energy Policy Act of 2005, as amended, 42 U.S.C. 16511–16516 ("Title XVII") are exempt from these provisions.

(1) Not applicable.

(2) Not applicable.

(3) Not applicable.

(b) Not applicable.

(c) Not applicable.

(d) Endowment funds. The cumulative balance of DOE awards for endowment funds that are federally restricted are considered DOE awards expended in each audit period in which the funds are still restricted.

(e) *Free rent.* Free rent received by itself is not considered a DOE award expended under this Part. However, free rent received as part of a DOE award to carry out a DOE program must be included in determining DOE awards expended and subject to audit under this Part.

(f) Valuing non-cash assistance. DOE non-cash assistance, such as free rent, food commodities, donated property, or donated surplus property, must be valued at fair market value at the time of receipt or the assessed value provided by DOE.

(g) Not applicable.

(h) Not applicable.

(i) Not applicable.

#### §910.503 Relation to other audit requirements.

(a) An audit conducted in accordance with this Part must be in lieu of any financial audit of DOE awards which a for-profit entity is required to undergo under any other Federal statute or regulation. To the extent that such audit provides DOE with the information it requires to carry out its responsibilities under Federal statute or regulation, DOE must rely upon and use that information.

(b) Notwithstanding paragraph (a) of this section, DOE, Inspectors General, or GAO may conduct or arrange for additional audits which are necessary to carry out its responsibilities under Federal statute or regulation. The provisions of this Part do not authorize

## 2 CFR Ch. IX (1–1–22 Edition)

any for-profit entity to constrain, in any manner, DOE from carrying out or arranging for such additional audits, except that DOE must plan such audits to not be duplicative of other audits of DOE. Any additional audits must be planned and performed in such a way as to build upon work performed, including the audit documentation, sampling, and testing already performed, by other auditors.

(c) The provisions of this Part do not limit the authority of DOE to conduct, or arrange for the conduct of, audits and evaluations of DOE awards, nor limit the authority of any Federal agency Inspector General or other Federal official.

(d) DOE to pay for additional audits. If DOE conducts or arranges for additional audits it must, consistent with other applicable Federal statutes and regulations, arrange for funding the full cost of such additional audits. (e) Not applicable.

## §910.504 Frequency of audits.

Audits required by this Part must be performed annually.

(a) Not applicable.

(b) Not applicable.

## §910.505 Sanctions.

In cases of continued inability or unwillingness to have an audit conducted in accordance with this Part, DOE and pass-through entities must take appropriate action as provided in 2 CFR 200.338 Remedies for noncompliance.

#### §910.506 Audit costs.

See 2 CFR 200.425 Audit services.

#### §910.507 Compliance audits.

(a) Program-specific audit guide available. In many cases, a program-specific audit guide will be available to provide specific guidance to the auditor with respect to internal controls, compliance requirements, suggested audit procedures, and audit reporting requirements. A listing of current program-specific audit guides can be found in the compliance supplement beginning with the 2014 supplement including Federal awarding agency contact information and a Web site where a copy of the guide can be obtained. When a current program-specific audit

guide is available, the auditor must follow GAGAS and the guide when performing a compliance audit.

(1) Program-specific audit guide not available. When a program-specific audit guide is not available, the auditee and auditor must conduct the compliance audit in accordance with GAAS and GAGAS.

(2) If audited financial statements are available, for-profit recipients should submit audited financial statements to DOE as a part of the compliance audit. (If the recipient is a subsidiary for which separate financial statements are not available, the recipient may submit the financial statements of the consolidated group.)

(3) The auditor must:

(i) Not applicable.

(ii) Obtain an understanding of internal controls and perform tests of internal controls over the DOE program consistent with the requirements of §910.514 Scope of audit.,

(iii) Perform procedures to determine whether the auditee has complied with Federal statutes, regulations, and the terms and conditions of DOE awards that could have a direct and material effect on the DOE program consistent with the requirements of §910.514 Scope of audit.

(iv) Follow up on prior audit findings, perform procedures to assess the reasonableness of the summary schedule of prior audit findings prepared by the auditee in accordance with the requirements of §910.511 Audit findings followup, and report, as a current year audit finding, when the auditor concludes that the summary schedule of prior audit findings materially misrepresents the status of any prior audit finding; and

(v) Report any audit findings consistent with the requirements of §910.516 Audit findings.

(4) The auditor's report(s) may be in the form of either combined or separate reports and may be organized differently from the manner presented in this section. The auditor's report(s) must state that the audit was conducted in accordance with this Part and include the following:

(i) An opinion (or disclaimer of opinion) as to whether the financial statement(s) (if available) of the DOE program is presented fairly in all material respects in accordance with the stated accounting policies;

(ii) A report on internal control related to the DOE program, which must describe the scope of testing of internal control and the results of the tests;

(iii) A report on compliance which includes an opinion (or disclaimer of opinion) as to whether the auditee complied with laws, regulations, and the terms and conditions of DOE awards which could have a direct and material effect on the DOE program; and

(iv) A schedule of findings and questioned costs for the DOE program that includes a summary of the auditor's results relative to the DOE program in a format consistent with \$910.515 Audit reporting, paragraph (d)(1) and findings and questioned costs consistent with the requirements of \$910.515 Audit reporting, paragraph (d)(3).

(5) Report submission for program-specific audits. The audit must be completed and the reporting required by paragraph (c)(2) or (c)(3) of this section submitted within the earlier of 30 calendar days after receipt of the auditor's report(s), or nine months after the end of the audit period, unless a different period is specified in a program-specific audit guide. Unless restricted by Federal law or regulation, the auditee must make report copies available for public inspection. Auditees and auditors must ensure that their respective parts of the reporting package do not include protected personally identifiable information.

(6) When a program-specific audit guide is available, the compliance audits must be submitted (along with audited financial statements if audited financial statements are available), to the appropriate DOE Contracting Officer as well as to the DOE Office of the Chief Financial Officer.

(7) When a program-specific audit guide is not available, the reporting package for a program-specific audit must consist of, a summary schedule of prior audit findings, and a corrective action plan as described in paragraph (b)(2) of this section, and the auditor's report(s) described in paragraph (b)(4) of this section. The compliance audit must be submitted (along with audited financial statements if audited financial statements are available), to the appropriate DOE Contracting Officer as well as to the DOE Office of the Chief Financial Officer.

(b) Other sections of this Part may apply. Compliance audits are subject to:

(1) 910.500 Purpose through 910.503 Relation to other audit requirements, paragraph (d);

(2) 910.504 Frequency of audits through 910.506 Audit costs;

(3) 910.508 Auditee responsibilities through 910.509 Auditor selection;

(4) 910.511 Audit findings follow-up;

(5) 910.512 Report submission, paragraphs (e) through (h);

#### AUDITEES

## § 910.508 Auditee responsibilities.

The auditee must:

(a) Procure or otherwise arrange for the audit required by this Part in accordance with §910.509 Auditor selection, and ensure it is properly performed and submitted when due in accordance with §910.512 Report submission.

(b) Submit appropriate financial statements (if available).

(c) Submit the schedule of expenditures of DOE awards in accordance with §910.510 Financial statements.

(d) Promptly follow up and take corrective action on audit findings, including preparation of a summary schedule of prior audit findings and a corrective action plan in accordance with §910.511 Audit findings follow- up, paragraph (b) and §910.511 Audit findings follow-up, paragraph (c), respectively.

(e) Provide the auditor with access to personnel, accounts, books, records, supporting documentation, and other 2 CFR Ch. IX (1-1-22 Edition)

information as needed for the auditor to perform the audit required by this Part.

#### §910.509 Auditor selection.

(a) Auditor procurement. When procuring audit services, the objective is to obtain high-quality audits. In requesting proposals for audit services, the objectives and scope of the audit must be made clear and the for-profit entity must request a copy of the audit organization's peer review report which the auditor is required to provide under GAGAS. Factors to be considered in evaluating each proposal for audit services include the responsiveness to the request for proposal, relevant experience, availability of staff with professional qualifications and technical abilities, the results of peer and external quality control reviews, and price. Whenever possible, the auditee must make positive efforts to utilize small businesses, minority-owned firms, and women's business enterprises, in procuring audit services as stated in 2 CFR 200.321 Contracting with small and minority businesses, women's business enterprises, and labor surplus area firms, or the FAR (48 CFR part 42), as applicable.

(b) Restriction on auditor preparing indirect cost proposals. An auditor who prepares the indirect cost proposal or cost allocation plan may not also be selected to perform the audit required by this Part when the indirect costs recovered by the auditee during the prior year exceeded \$1 million. This restriction applies to the base year used in the preparation of the indirect cost proposal or cost allocation plan and any subsequent years in which the resulting indirect cost agreement or cost allocation plan is used to recover costs.

(c) Use of Federal auditors. Federal auditors may perform all or part of the work required under this Part if they comply fully with the requirements of this Part.

#### §910.510 Financial statements.

(a) *Financial statements*. If available, the auditee must submit financial statements that reflect its financial position, results of operations or changes in net assets, and, where appropriate, cash flows for the fiscal year

audited. The financial statements must be for the same organizational unit and fiscal year that is chosen to meet the requirements of this Part. However, for-profit entity-wide financial statements may also include departments, agencies, and other organizational units that have separate audits in accordance with §910.514 Scope of audit, paragraph (a) and prepare separate financial statements.

(b) Schedule of expenditures of DOE awards. The auditee must prepare a schedule of expenditures of DOE awards for the period covered by the auditee's fiscal year which must include the total DOE awards expended as determined in accordance with §910.502 Basis for determining DOE awards expended. While not required. the auditee may choose to provide information requested by DOE and passthrough entities to make the schedule easier to use. For example, when a DOE program has multiple DOE award years, the auditee may list the amount of DOE awards expended for each DOE award year separately. At a minimum, the schedule must:

(1) List individual DOE programs. For a cluster of programs, provide the cluster name, list individual DOE programs within the cluster of programs. For R&D, total DOE awards expended must be shown by individual DOE award and major subdivision within DOE. For example, the National Institutes of Health is a major subdivision in the Department of Health and Human Services.

(2) Not applicable.

(3) Provide total DOE awards expended for each individual DOE program and the CFDA number For a cluster of programs also provide the total for the cluster.

(4) Not applicable.

(4) Not applicable.

(5) Not applicable.

(6) Include notes that describe that significant accounting policies used in preparing the schedule, and note whether or not the for-profit entity elected to use the 10% de minimis cost rate as covered in 2 CFR 200.414 Indirect (F&A) costs.

## §910.511 Audit findings follow-up.

(a) *General*. The auditee is responsible for follow-up and corrective action on

all audit findings. As part of this responsibility, the auditee must prepare a summary schedule of prior audit findings. The auditee must also prepare a corrective action plan for current year audit findings. The summary schedule of prior audit findings and the corrective action plan must include the reference numbers the auditor assigns to audit findings under §910.516 Audit findings, paragraph (c). Since the summary schedule may include audit findings from multiple years, it must include the fiscal year in which the finding initially occurred. The corrective action plan and summary schedule of prior audit findings must include findings relating to the financial statements which are required to be reported in accordance with GAGAS.

(b) Summary schedule of prior audit findings. The summary schedule of prior audit findings must report the status of all audit findings included in the prior audit's schedule of findings and questioned costs. The summary schedule must also include audit findings reported in the prior audit's summary schedule of prior audit findings except audit findings listed as corrected in accordance with paragraph (b)(1) of this section, or no longer valid or not warranting further action in accordance with paragraph (b)(3) of this section.

(1) When audit findings were fully corrected, the summary schedule need only list the audit findings and state that corrective action was taken.

(2) When audit findings were not corrected or were only partially corrected, the summary schedule must describe the reasons for the finding's recurrence and planned corrective action, and any partial corrective action taken. When corrective action taken. When corrective action taken. When corrective action taken is significantly different from corrective action previously reported in a corrective action plan or in DOE's or pass-through entity's management decision, the summary schedule must provide an explanation.

(3) When the auditee believes the audit findings are no longer valid or do not warrant further action, the reasons for this position must be described in the summary schedule. A valid reason for considering an audit finding as not

warranting further action is that all of the following have occurred:

(i) Two years have passed since the audit report in which the finding occurred was submitted to DOE;

(ii) DOE is not currently following up with the auditee on the audit finding; and

(iii) A management decision was not issued.

(c) Corrective action plan. At the completion of the audit, the auditee must prepare, in a document separate from the auditor's findings described in §910.516 Audit findings, a corrective action plan to address each audit finding included in the current year auditor's reports. The corrective action plan must provide the name(s) of the contact person(s) responsible for corrective action, the corrective action planned, and the anticipated completion date. If the auditee does not agree with the audit findings or believes corrective action is not required, then the corrective action plan must include an explanation and specific reasons.

#### §910.512 Report submission.

(a) General. (1) The audit must be completed and the reporting package described in paragraph (c) of this section must be submitted within the earlier of 30 calendar days after receipt of the auditor's report(s), or nine months after the end of the audit period. If the due date falls on a Saturday, Sunday, or Federal holiday, the reporting package is due the next business day.

(2) Unless restricted by Federal statutes or regulations, the auditee must make copies available for public inspection. Auditees and auditors must ensure that their respective parts of the reporting package do not include protected personally identifiable information.

(b) *Data collection*. See paragraph (b)(1) of this section:

(1) A senior level representative of the auditee (e.g., director of finance, chief executive officer, or chief financial officer) must sign a statement to be included as part of the reporting package that says that the auditee complied with the requirements of this Part, the reporting package does not include protected personally identifiable information, and the information

## 2 CFR Ch. IX (1–1–22 Edition)

included in its entirety is accurate and complete.

(2) Not applicable.

(3) Not applicable.

(c) *Reporting package*. The reporting package must include the:

(1) Financial statements (if available) and schedule of expenditures of DOE awards discussed in §910.510 Financial statements, paragraphs (a) and (b), respectively;

(2) Summary schedule of prior audit findings discussed in §910.511 Audit findings follow-up, paragraph (b);

(3) Auditor's report(s) discussed in §910.515 Audit reporting; and

(4) Corrective action plan discussed in §910.511 Audit findings follow-up, paragraph (c).

(d) Submission to DOE. The auditee must electronically submit the compliance reporting package described in paragraph (c) of this section compliance audits must be submitted (along with audited financial statements if audited financial statements are available), to the appropriate DOE Contracting Officer as well as to the DOE Office of the Chief Financial Officer.

(e) Requests for management letters issued by the auditor. In response to requests by a Federal agency, auditees must submit a copy of any management letters issued by the auditor.

#### AUDITORS

#### §910.514 Scope of audit.

(a) *General.* The audit must be conducted in accordance with GAGAS. The audit must cover the entire operations of the auditee, or, at the option of the auditee, such audit must include a series of audits that cover departments, agencies, and other organizational units that expended or otherwise administered DOE awards during such audit period, provided that each such audit must encompass the schedule of expenditures of DOE awards for each such department, agency, and other organizational unit, which must be considered to be a for-profit entity. The financial statements (if available) and schedule of expenditures of DOE awards must be for the same audit period.

(b) *Financial statements*. If financial statements are available, the auditor must determine whether the schedule of expenditures of DOE awards is stated fairly in all material respects in relation to the auditee's financial statements as a whole.

(1) Internal control. The compliance supplement provides guidance on internal controls over Federal programs based upon the guidance in Standards for Internal Control in the Federal Government issued by the Comptroller General of the United States and the Internal Control— Integrated Framework, issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).

(2) In addition to the requirements of GAGAS the auditor must perform procedures to obtain an understanding of internal control over DOE programs sufficient to plan the audit to support a low assessed level of control risk of noncompliance for major programs.

(3) Except as provided in paragraph (c)(4) of this section, the auditor must:

(i) Plan the testing of internal control over compliance to support a low assessed level of control risk for the assertions relevant to the compliance requirements.

(ii) Perform testing of internal control as planned in paragraph (c)(3)(i) of this section.

(4) When internal control over some or all of the compliance requirements are likely to be ineffective in preventing or detecting noncompliance, the planning and performing of testing described in paragraph (c)(3) of this section are not required for those compliance requirements. However, the auditor must report a significant deficiency or material weakness in accordance with §910.516 Audit findings, assess the related control risk at the maximum, and consider whether additional compliance tests are required because of ineffective internal control.

(5) *Compliance*. In addition to the requirements of GAGAS, the auditor must determine whether the auditee has complied with Federal statutes, regulations, and the terms and conditions of Federal awards that may have a direct and material effect.

(6) The principal compliance requirements applicable to most Federal programs and the compliance requirements of the largest Federal programs are included in the compliance supplement.

(7) For the compliance requirements related to Federal programs contained in the compliance supplement, an audit of these compliance requirements will meet the requirements of this Part. Where there have been changes to the compliance requirements and the changes are not reflected in the compliance supplement, the auditor must determine the current compliance requirements and modify the audit procedures accordingly. For those Federal programs not covered in the compliance supplement, the auditor should follow the compliance supplement's guidance for programs not included in the supplement.

(8) The compliance testing must include tests of transactions and such other auditing procedures necessary to provide the auditor sufficient appropriate audit evidence to support an opinion on compliance.

(c) Audit follow-up. The auditor must follow-up on prior audit findings, perform procedures to assess the reasonableness of the summary schedule of prior audit findings prepared by the auditee in accordance with §910.511 Audit findings follow-up paragraph (b), and report, as a current year audit finding, when the auditor concludes that the summary schedule of prior audit findings materially misrepresents the status of any prior audit finding. The auditor must perform audit follow-up procedures.

## 2 CFR Ch. IX (1-1-22 Edition)

#### §910.515 Audit reporting.

The auditor's report(s) may be in the form of either combined or separate reports and may be organized differently from the manner presented in this section. The auditor's report(s) must state that the audit was conducted in accordance with this Part and include the following:

(a) An opinion (or disclaimer of opinion) as to whether the financial statements (if available) are presented fairly in all material respects in accordance with generally accepted accounting principles and an opinion (or disclaimer of opinion) as to whether the schedule of expenditures of DOE awards is fairly stated in all material respects in relation to the financial statements (if available) as a whole.

(b) A report on internal control over financial reporting and compliance with Federal statutes, regulations, and the terms and conditions of the DOE award, noncompliance with which could have a material effect on the financial statements. This report must describe the scope of testing of internal control and compliance and the results of the tests, and, where applicable, it will refer to the separate schedule of findings and questioned costs described in paragraph (d) of this section.

(c) A report on compliance and report and internal control over compliance. This report must describe the scope of testing of internal control over compliance, include an opinion or modified opinion as to whether the auditee complied with Federal statutes, regulations, and the terms and conditions of DOE awards which could have a direct and material effect and refer to the separate schedule of findings and questioned costs described in paragraph (d) of this section.

(d) A schedule of findings and questioned costs which must include the following three components:

(1) A summary of the auditor's results, which must include:

(i) The type of report the auditor issued (if applicable)on whether the financial statements (if available) audited were prepared in accordance with GAAP (*i.e.*, unmodified opinion, qualified opinion, adverse opinion, or disclaimer of opinion);

(ii) Where applicable, a statement about whether significant deficiencies or material weaknesses in internal control were disclosed by the audit of the financial statements (if available);

(iii) A statement (if applicable) as to whether the audit disclosed any noncompliance that is material to the financial statements (if available) of the auditee;

(iv) Where applicable, a statement about whether significant deficiencies or material weaknesses in internal control over major programs were disclosed by the audit;

(v) The type of report the auditor issued on compliance (*i.e.*, unmodified opinion, qualified opinion, adverse opinion, or disclaimer of opinion);

(vi) A statement as to whether the audit disclosed any audit findings that the auditor is required to report under §910.516 Audit findings paragraph (a);

(vii) Not applicable.

(viii) Not applicable.

(ix) Not applicable.

(2) Findings relating to the financial Statements (if available) which are required to be reported in accordance with GAGAS.

(i) Findings and questioned costs for DOE awards which must include audit findings as defined in §910.516 Audit findings, paragraph (a).Audit findings (*e.g.*, internal control findings, compliance findings, questioned costs, or fraud) that relate to the same issue should be presented as a single audit finding.

(ii) Audit findings that relate to both the financial statements (if available) and DOE awards, as reported under paragraphs (d)(2) and (d)(3) of this section, respectively, should be reported in both sections of the schedule. However, the reporting in one section of the schedule may be in summary form with a reference to a detailed reporting in the other section of the schedule.

(e) Nothing in this Part precludes combining of the audit reporting required by this section with the reporting required by §910.512 Report submission, paragraph (b) Data Collection when allowed by GAGAS.

## §910.516 Audit findings.

(a) Audit findings reported. The auditor must report the following as audit

findings in a schedule of findings and questioned costs:

(1) Significant deficiencies and material weaknesses in internal control over major programs and significant instances of abuse relating to major programs. The auditor's determination of whether a deficiency in internal control is a significant deficiency or material weakness for the purpose of reporting an audit finding is in relation to a type of compliance requirement for a major program identified in the Compliance Supplement.

(2) Material noncompliance with the provisions of Federal statutes, regulations, or the terms and conditions of DOE awards related to a major program. The auditor's determination of whether a noncompliance with the provisions of Federal statutes, regulations, or the terms and conditions of DOE awards is material for the purpose of reporting an audit finding is in relation to a type of compliance requirement for a major program identified in the compliance supplement.

(3) Known questioned costs that are greater than \$25,000 for a type of compliance requirement for a major program. Known questioned costs are those specifically identified by the auditor. In evaluating the effect of questioned costs on the opinion on compliance, the auditor considers the best estimate of total costs questioned (likely questioned costs), not just the questioned costs specifically identified (known questioned costs). The auditor must also report known questioned costs when likely questioned costs are greater than \$25,000 for a type of compliance requirement for a major program. In reporting questioned costs, the auditor must include information to provide proper perspective for judging the prevalence and consequences of the questioned costs.

(4) Known questioned costs that are greater than \$25,000 for a DOE program. which is not audited as a major program. Except for audit follow-up, the auditor is not required under this Part to perform audit procedures for such a DOE program; therefore, the auditor will normally not find questioned costs for a program that is not audited as a major program. However, if the auditor does become aware of questioned costs for a DOE program that is not audited as a major program (*e.g.*, as part of audit follow-up or other audit procedures) and the known questioned costs are greater than \$25,000, then the auditor must report this as an audit finding.

(5) Not applicable.

(6) Known or likely fraud affecting a DOE award, unless such fraud is otherwise reported as an audit finding in the schedule of findings and questioned costs for DOE awards. This paragraph does not require the auditor to report publicly information which could compromise investigative or legal proceedings or to make an additional reporting when the auditor confirms that the fraud was reported outside the auditor's reports under the direct reporting requirements of GAGAS.

(7) Instances where the results of audit follow-up procedures disclosed that the summary schedule of prior audit findings prepared by the auditee in accordance with §910.511 Audit findings follow-up, paragraph (b) materially misrepresents the status of any prior audit finding.

(b) Audit finding detail and clarity. Audit findings must be presented in sufficient detail and clarity for the auditee to prepare a corrective action plan and take corrective action, and for DOE to arrive at a management decision. The following specific information must be included, as applicable, in audit findings:

(1) Federal program and specific Federal award identification including the CFDA title and number, and Federal award identification number and year. When information, such as the CFDA title and number or DOE award identification number, is not available, the auditor must provide the best information available to describe the Federal award.

(2) The criteria or specific requirement upon which the audit finding is based, including the Federal statutes, regulations, or the terms and conditions of the DOE awards. Criteria generally identify the required or desired state or expectation with respect to the program or operation. Criteria provide a context for evaluating evidence and understanding findings. 2 CFR Ch. IX (1–1–22 Edition)

(3) The condition found, including facts that support the deficiency identified in the audit finding.

(4) A statement of cause that identifies the reason or explanation for the condition or the factors responsible for the difference between the situation that exists (condition) and the required or desired state (criteria), which may also serve as a basis for recommendations for corrective action.

(5) The possible asserted effect to provide sufficient information to the auditee and DOE to permit them to determine the cause and effect to facilitate prompt and proper corrective action. A statement of the effect or potential effect should provide a clear, logical link to establish the impact or potential impact of the difference between the condition and the criteria.

(6) Identification of questioned costs and how they were computed. Known questioned costs must be identified by applicable CFDA number(s) and applicable DOE award identification number(s).

(7) Information to provide proper perspective for judging the prevalence and consequences of the audit findings, such as whether the audit findings represent an isolated instance or a systemic problem. Where appropriate, instances identified must be related to the universe and the number of cases examined and be quantified in terms of dollar value. The auditor should report whether the sampling was a statistically valid sample.

(8) Identification of whether the audit finding was a repeat of a finding in the immediately prior audit and if so any applicable prior year audit finding numbers.

(9) Recommendations to prevent future occurrences of the deficiency identified in the audit finding.

(10) Views of responsible officials of the auditee.

(c) Reference numbers. Each audit finding in the schedule of findings and questioned costs must include a reference number in the format meeting the requirements of the data collection form submission required by §910.512 Report submission, paragraph (b) to allow for easy referencing of the audit findings during follow-up.

#### §910.517 Audit documentation.

(a) Retention of audit documentation. The auditor must retain audit documentation and reports for a minimum of three years after the date of issuance of the auditor's report(s) to the auditee, unless the auditor is notified in writing by DOE or the cognizant agency for indirect costs to extend the retention period. When the auditor is aware that the Federal agency or auditee is contesting an audit finding, the auditor must contact the parties contesting the audit finding for guidance prior to destruction of the audit documentation and reports.

(b) Access to audit documentation. Audit documentation must be made available upon request to the cognizant agency for indirect cost, DOE, or GAO at the completion of the audit, as part of a quality review, to resolve audit findings, or to carry out oversight responsibilities consistent with the purposes of this Part. Access to audit documentation includes the right of Federal agencies to obtain copies of audit documentation, as is reasonable and necessary.

## §910.518 [Reserved]

## §910.519 Criteria for Federal program risk.

(a) General. The auditor's determination should be based on an overall evaluation of the risk of noncompliance occurring that could be material to the DOE program. The auditor must consider criteria, such as described in paragraphs (b), (c), and (d) of this section, to identify risk in Federal programs. Also, as part of the risk analysis, the auditor may wish to discuss a particular DOE program with auditee management and DOE.

(1) Current and prior audit experience. Weaknesses in internal control over DOE programs would indicate higher risk. Consideration should be given to the control environment over DOE programs and such factors as the expectation of management's adherence to Federal statutes, regulations, and the terms and conditions of DOE awards and the competence and experience of personnel who administer the DOE programs. (i) A DOE program administered under multiple internal control structures may have higher risk. The auditor must consider whether weaknesses are isolated in a single operating unit (e.g., one college campus) or pervasive throughout the entity.

(ii) When significant parts of a DOE program are passed through to subrecipients, a weak system for monitoring subrecipients would indicate higher risk.

(2) Prior audit findings would indicate higher risk, particularly when the situations identified in the audit findings could have a significant impact on a DOE program or have not been corrected.

(3) DOE programs not recently audited as major programs may be of higher risk than Federal programs recently audited as major programs without audit findings.

(4) Oversight exercised by DOE. Oversight exercised by DOE could be used to assess risk. For example, recent monitoring or other reviews performed by an oversight entity that disclosed no significant problems would indicate lower risk, whereas monitoring that disclosed significant problems would indicate higher risk.

(5) Federal agencies, with the concurrence of OMB, may identify Federal programs that are higher risk. OMB will provide this identification in the compliance supplement.

(6) Inherent risk of the Federal program. The nature of a Federal program mav indicate risk. Consideration should be given to the complexity of the program and the extent to which the Federal program contracts for goods and services. For example, Federal programs that disburse funds through third party contracts or have eligibility criteria may be of higher risk. Federal programs primarily involving staff payroll costs may have high risk for noncompliance with requirements of 2 CFR 200.430 Compensation-personal services, but otherwise be at low risk.

(7) The phase of a Federal program in its life cycle at the Federal agency may indicate risk. For example, a new Federal program with new or interim regulations may have higher risk than an established program with time-tested regulations. Also, significant changes in Federal programs, statutes, regulations, or the terms and conditions of Federal awards may increase risk.

(8) The phase of a Federal program in its life cycle at the auditee may indicate risk. For example, during the first and last years that an auditee participates in a Federal program, the risk may be higher due to start-up or closeout of program activities and staff.

(9) Programs with larger Federal awards expended would be of higher risk than programs with substantially smaller Federal awards expended.

## §910.520 Criteria for a low-risk auditee.

(a) An auditee that meets all of the following conditions for each of the preceding two audit periods may qualify as a low-risk auditee and be eligible for reduced audit coverage. Compliance audits were performed on an annual basis in accordance with the provisions of this Subpart, including submitting the data collection form to DOE within the timeframe specified in §910.512 Report submission. A for-profit entity that has biennial audits does not qualify as a low-risk auditee.

(b) The auditor's opinion on whether the financial statements (if available) were prepared in accordance with GAAP, or a basis of accounting required by state law, and the auditor's in relation to opinion on the schedule of expenditures of DOE awards were unmodified.

(c) There were no deficiencies in internal control which were identified as material weaknesses under the requirements of GAGAS.

(d) The auditor did not report a substantial doubt about the auditee's ability to continue as a going concern.

(e) None of the DOE programs had audit findings from any of the following in either of the preceding two audit periods:

(1) Internal control deficiencies that were identified as material weaknesses

## 2 CFR Ch. IX (1–1–22 Edition)

in the auditor's report on internal control as required under §910.515 Audit reporting, paragraph (c);

(2) Not applicable.

(3) Not applicable.

#### MANAGEMENT DECISIONS

#### §910.521 Management decision.

(a) General. The management decision must clearly state whether or not the audit finding is sustained, the reasons for the decision, and the expected auditee action to repay disallowed costs, make financial adjustments, or take other action. If the auditee has not completed corrective action, a timetable for follow-up should be given. Prior to issuing the management decision, the Federal agency may request additional information or documentation from the auditee, including a request for auditor assurance related to the documentation, as a way of mitigating disallowed costs. The management decision should describe any appeal process available to the auditee. While not required, DOE agency may also issue a management decision on findings relating to the financial statements (if they were available) which are required to be reported in accordance with GAGAS.

(b) As provided in 910.513 Responsibilities, paragraph (c)(3), DOE is responsible for issuing a management decision for findings that relate to DOE awards it makes to for-profit entities.

(c) Not applicable.

(d) *Time requirements.* DOE must issue a management decision within six months of acceptance of the audit report. The auditee must initiate and proceed with corrective action as rapidly as possible and corrective action should begin no later than upon receipt of the audit report.

(e) *Reference numbers.* Management decisions must include the reference numbers the auditor assigned to each audit finding in accordance with §910.516 Audit findings paragraph (c).

- APPENDIX A TO PART 1108—BACKGROUND ON ASSISTANCE, ACQUISITION, AND TERMS FOR TYPES OF LEGAL INSTRUMENTS

AUTHORITY: 5 U.S.C. 301 and 10 U.S.C. 113.

SOURCE: 85 FR 51230, Aug. 19, 2020, unless otherwise noted.

## Subpart A—General

#### §1108.1 Purpose of this part.

(a) This part provides:

(1) Definitions of terms used in subchapters A through F of this chapter; and

(2) Background information as context for understanding terms related to assistance and acquisition purposes, legal instruments that DoD Components make at the prime tier, and lower-tier transactions into which recipients and subrecipients enter when carrying out programs at lower tiers under DoD awards.

(b) This part is, for DoD, the regulatory implementation of OMB guidance in subpart A of 2 CFR part 200.

# §1108.2 Precedence of definitions of terms in national policy requirements.

(a) General. Some portions of the DoD Grant and Agreement Regulations (DoDGARs) may use a term in relation to compliance with a national policy requirement in a statute, Executive order, or other source that defines the term differently than it is defined in subpart B of this part. For purposes of that particular national policy requirement, the definition of a term provided by the source of the requirement and any regulation specifically implementing it takes precedence over the definition in subpart B of this part. Using the definition of a term that takes precedence for each national policy requirement is therefore important when determining the applicability and effect of that requirement.

(b) *Examples.* (1) Current portions of the DoDGARs that specifically implement national policy requirements, as described in paragraph (a) of this section. are:

(i) A Governmentwide regulation currently codified by DoD at 32 CFR part 26, which implements the Drug-Free Workplace Act of 1988 as it applies to grants (41 U.S.C. chapter 81, as amended);

(ii) A Government regulation currently codified by DoD at 32 CFR part 28, which implements restrictions on lobbying in 31 U.S.C. 1352;

(iii) A DoD regulation at part 1125 of this chapter, which implements Governmentwide guidance on nonprocurement debarment and suspension (2 CFR part 180) that has bases both in statute (section 2455 of Public Law 103-355, 108 Stat. 3327) and in Executive orders 12549 and 12689; and

(iv) Part 1122 of this chapter, which provides standard wording of terms and conditions related to a number of national policy requirements.

(2) To illustrate that a term may be defined differently in conjunction with specific national policy requirements than it is in this part, the term "State" is defined differently in the drug-free workplace requirements at 32 CFR part 26, the lobbying restrictions at 32 CFR part 28, and Subpart B of this part.

#### §1108.3 Definitions of terms used in the Governmentwide cost principles or single audit requirements.

(a) Some DoDGARs provisions state that DoD Components or recipients must comply with single audit or cost principles requirements in a Governmentwide issuance that contains defined terms and include the requirements by reference to the issuance without restating them.

(b) For any term in one of those issuances, this part includes the definition of the term only if the DoDGARs also use that term directly.

(c) If the DoDGARs only use the term indirectly, *i.e.*, through the DoDGARs' reference to the issuance, then this part will not include a definition and a user of the DoDGARs should consult definitions in the pertinent Governmentwide source, as follows:

## §1108.4

(1) The Single Audit Act requirements for audits of recipients and subrecipients that are in subpart F of OMB guidance in 2 CFR part 200;

(2) The Governmentwide cost principles for institutions of higher education, nonprofit organizations, States, local governments, and Indian tribes that are contained in subpart E of OMB guidance in 2 CFR part 200; and

(3) The cost principles for for-profit entities at Subpart 31.2 of the Federal Acquisition Regulation (FAR) at 48 CFR part 31, as supplemented by provisions of the Defense Federal Acquisition Regulation Supplement at subpart 231.2 of 48 CFR part 231.

## §1108.4 Definitions of terms that vary depending on context.

DoDGARs definitions of some terms related to types of legal instruments (e.g., "contract") and purposes for which they are used (e.g., "procurement" or "acquisition") may vary, depending on the context. Appendix A to this part provides additional information about those terms and their definitions.

## Subpart B—Definitions

#### §1108.10 Acquire.

Acquire means to:

(a) When the term is used in connection with a DoD Component action at the prime tier, obtain property or services by purchase, lease, or barter for the direct benefit or use of the United States Government.

(b) When the term is used in connection with a recipient action or a subrecipient action at a tier under a DoD Component's award:

(1) Purchase services;

(2) Obtain property under the award by:

(i) Purchase;

(ii) Construction:

(iii) Fabrication;

(iv) Development:

(v) The recipient's or subrecipient's donation of the property to the project or program under the award to meet a cost-sharing or matching requirement (*i.e.*, including within the entity's share of the award's project costs the value of the remaining life of the prop-

erty or its fair market value, rather than charging depreciation); or (vi) Otherwise.

#### §1108.15 Acquisition.

*Acquisition* means the process of acquiring as described in:

(a) Paragraph (a) of §1108.10 when used in connection with DoD Component actions at the prime tier.

(b) Paragraph (b) of §1108.10 when used in connection with recipient or subrecipient actions at a lower tier under a DoD Component's award.

#### §1108.20 Acquisition cost.

Acquisition cost means the cost of an asset to a recipient or subrecipient, including the cost to ready the asset for its intended use.

(a) For example, when used in conjunction with:

(1) The purchase of equipment, the term means the net invoice price of the equipment, including the cost of any modifications, attachments, accessories, or auxiliary apparatus necessary to make it usable for the purpose for which it is acquired.

(2) Equipment that a recipient or subrecipient constructs or fabricates or software that it develops—under an award, the term includes, when capitalized in accordance with generally accepted accounting principles (GAAP):

(i) The construction and fabrication costs of that equipment; and

(ii) The development costs of that software.

(b) Ancillary charges, such as taxes, duty, protective in-transit insurance, freight, and installation may be included in, or excluded from, the acquisition cost in accordance with the recipient's or subrecipient's regular accounting practices.

## §1108.25 Administrative offset.

Administrative offset means an action whereby money payable by the United States Government to, or held by the Government for, a recipient is withheld to satisfy a delinquent debt.

#### §1108.30 Advance payment.

Advance payment means a payment that DoD or a recipient or subrecipient makes by any appropriate payment mechanism, including a predetermined

## Department of Defense

payment schedule, before the recipient or subrecipient disburses the funds for project or program purposes.

#### §1108.35 Advanced research.

Advanced research means advanced technology development that creates new technology or demonstrates the viability of applying existing technology to new products and processes in a general way. Advanced research is most closely analogous to precompetitive technology development in the commercial sector (i.e., early phases of research and development on which commercial competitors are willing to collaborate, because the work is not so coupled to specific products and processes that the results of the work must be proprietary). It does not include development of military systems and hardware where specific requirements have been defined. It is typically funded in Advanced Technology Development (Budget Activity 3) programs within DoD's Research, Development, Test and Evaluation (RDT&E) appropriations.

## §1108.40 Agreements officer.

Agreements officer means a DoD official with the authority to enter into, administer, and/or terminate technology investment agreements.

#### §1108.45 Applied research.

Applied research means efforts that attempt to determine and exploit the potential of scientific discoveries or improvements in technology, such as new materials, devices, methods and processes. It typically is funded in Applied Research (Budget Activity 2) programs within DoD's Research, Development, Test and Evaluation (RDT&E) appropriations. Applied research often follows basic research but may not be fully distinguishable from the related basic research. The term does not include efforts whose principal aim is the design, development, or testing of specific products, systems or processes to be considered for sale or acquisition, efforts that are within the definition of "development."

## §1108.50 Approved budget.

Approved budget means, in conjunction with a DoD Component award to a recipient, the most recent version of the budget the recipient submitted, and the DoD Component approved (either at the time of the initial award or subsequently), to summarize planned expenditures for the project or program under the award. It includes:

(a) All Federal funding made available to the recipient under the award to use for project or program purposes.

(b) Any cost sharing or matching that the recipient is required to provide under the award.

(c) Any options that have been exercised but not any options that have not yet been exercised.

#### §1108.55 Assistance.

Assistance means the transfer of a thing of value to a recipient to carry out a public purpose of support or stimulation authorized by a law of the United States (see 31 U.S.C. 6101(3)). Grants, cooperative agreements, and technology investment agreements are examples of legal instruments that DoD Components use to provide assistance.

## §1108.60 Award.

Award means a grant, cooperative agreement, technology investment agreement, or other nonprocurement instrument subject to one or more parts of the DoDGARs. Within each part of the regulations, the term includes only the types of instruments subject to that part.

#### §1108.65 Award administration office.

Award administration office means a DoD Component office that performs post-award functions related to the administration of grants, cooperative agreements, technology investment agreements, or other nonprocurement instruments subject to one or more parts of the DoDGARs.

## §1108.70 Basic research.

Basic research means efforts directed toward increasing knowledge and understanding in science and engineering, rather than the practical application of that knowledge and understanding. It typically is funded within Basic Research (Budget Activity 1) programs within DoD's Research, Development, Test and Evaluation (RDT&E) appropriations. For the purposes of the DoDGARs, basic research includes:

(a) Research-related, science and engineering education and training, including graduate fellowships and research traineeships; and

(b) Research instrumentation and other activities designed to enhance the infrastructure for science and engineering research.

#### §1108.75 Capital asset.

*Capital asset* means a tangible or intangible asset used in operations having a useful life of more than one year which is capitalized in accordance with GAAP. Capital assets include:

(a) Land, buildings (facilities), equipment, and intellectual property (including software) whether acquired by purchase, construction, manufacture, lease-purchase, exchange, or through capital leases; and

(b) Additions, improvements, modifications, replacements, rearrangements, reinstallations, renovations or alterations to capital assets that materially increase their value or useful life (not ordinary repairs and maintenance).

#### §1108.80 Claim.

Claim means a written demand or written assertion by one of the parties to an award seeking as a matter of right, the payment of money in a sum certain, the adjustment or interpretation of an award term or condition, or other relief arising under or relating to the award. A routine request for payment that is not in dispute when submitted is not a claim. The submission may be converted to a claim by written notice to the grants or agreements officer if it is disputed either as to liability or amount or is not acted upon in a reasonable time.

#### §1108.85 Cognizant agency for indirect costs.

Cognizant agency for indirect costs means the Federal agency responsible for reviewing, negotiating, and approving cost allocation plans and indirect cost proposals on behalf of all Federal agencies. The cognizant agency for indirect costs for a particular entity may be different than the cognizant agency 2 CFR Ch. XI (1-1-22 Edition)

for audit. The cognizant agency for indirect costs:

(a) For an institution of higher education, nonprofit organization, State, local government, or Indian tribe is assigned as described in the appendices to 2 CFR part 200. See 2 CFR 200.19 for specific citations to those appendices.

(b) For a for-profit entity, normally will be the agency with the largest dollar amount of pertinent business, as described in the Federal Acquisition Regulation at 48 CFR 42.003.

## §1108.90 Contract.

*Contract* means a procurement transaction, as that term is defined in this subpart. A contract is a transaction into which a recipient or subrecipient enters. It is therefore distinct from the term "procurement contract," which is a transaction that a DoD Component awards at the prime tier.

#### §1108.95 Contracting activity.

*Contracting activity* means an activity to which the Head of a DoD Component has delegated broad authority regarding acquisition functions pursuant to 48 CFR 1.601.

#### §1108.110 Cooperative agreement.

Cooperative agreement means a legal instrument which, consistent with 31 U.S.C. 6305, is used to enter into the same kind of relationship as a grant (see definition of "grant" in this subpart), except that substantial involvement is expected between DoD and the recipient when carrying out the activity contemplated by the cooperative agreement. The term does not include "cooperative research and development agreements" as defined in 15 U.S.C. 3710a.

## §1108.115 Co-principal investigator.

Co-principal investigator means any one of a group of individuals whom an organization that is carrying out a research project with DoD support designates as sharing the authority and responsibility for leading and directing the research intellectually and logistically, other than the one among the group identified as the primary contact for scientific, technical, and related budgetary matters (see the definition of "principal investigator").

## §1108.120 Cost allocation plan.

*Cost allocation plan* means either a:

## §1108.135 Cost-type subaward.

*Cost-type subaward* means a subaward that:

(a) A recipient or subrecipient makes to another entity at the next lower tier; and

(b) Procurement contracts, which are in the Federal Acquisition Regulation at 48 CFR 9.4.

### §1108.145 Debt.

Debt means any amount of money or any property owed to a Federal agency by any person, organization, or entity except another United States Federal agency. Debts include any amounts due from insured or guaranteed loans, fees, leases, rents, royalties, services, sales of real or personal property, or overpayments, penalties, damages, interest, fines and forfeitures, and all other claims and similar sources. For the purposes of this chapter, amounts due a non-appropriated fund instrumentality are not debts owed the United States.

## §1108.150 Delinquent debt.

*Delinquent debt* means a debt:

(a) That the debtor fails to pay by the date specified in the initial written notice from the agency owed the debt, normally within 30 calendar days, unless the debtor makes satisfactory payment arrangements with the agency by that date; and

(b) With respect to which the debtor has elected not to exercise any available appeals or has exhausted all agency appeal processes.

#### §1108.155 Development.

Development means, when used in the context of "research and development," the systematic use of scientific and technical knowledge in the design, development, testing, or evaluation of potential new products, processes, or services to meet specific performance requirements or objectives. It includes the functions of design engineering, prototyping, and engineering testing. It typically is funded within programs in Budget Activities 4 through 7 of DoD's Research, Development, Test and Evaluation (RDT&E) appropriations.

(2) Elects to use that authority to do so.

(b) An example of exempt property authority is contained in the Federal Grant and Cooperative Agreement Act (31 U.S.C. 6306) for tangible personal property acquired under an award to conduct basic or applied research by a nonprofit institution of higher edu2 CFR Ch. XI (1–1–22 Edition)

## §1108.180 Expenditures.

*Expenditures* mean charges made by a recipient or subrecipient to a project or program under an award.

(a) The charges may be reported on a cash or accrual basis, as long as the methodology is disclosed and is consistently applied.

Principal investigator means either:

(a) The single individual whom an organization that is carrying out a research project with DoD support designates as having an appropriate level of authority and responsibility for leading and directing the research intellectually and logistically, which includes the proper conduct of the research, the appropriate use of funds, and compliance with administrative requirements such as the submission of performance reports to DoD; or

(b) If the organization designates more than one individual as sharing that authority and responsibility, the individual within that group identified by the organization as the one with whom the DoD Component's program manager generally should communicate as the primary contact for scientific, technical, and related budgetary matters concerning the project (others within the group are "co-principal investigators," as defined in this subpart).

## §1108.298 Prior approval.

*Prior approval* means written or electronic approval by a DoD grants or agreements officer evidencing prior consent. When prior approval is required for an activity or expenditure that would result in a direct cost to a DoD award, the grants or agreements officer's signature on an award that includes the planned activity or expenditure in the scope of work or approved budget satisfies the requirement for prior approval. Otherwise, a recipient is required to obtain such approval after award.

## §1108.300 Procurement contract.

Procurement contract means a legal instrument which, consistent with 31 U.S.C. 6303, reflects a relationship between the Federal Government and a State, a local government, or other recipient when the principal purpose of the instrument is to acquire property or services for the direct benefit or use of the Federal Government. A procurement contract is a prime-tier transaction and therefore distinct from a recipient's or subrecipient's "procurement transaction" or "contract" as defined in this subpart.

#### §1108.305 Procurement transaction.

Procurement transaction means a legal instrument by which a recipient or subrecipient purchases property or services it needs to carry out the project or program under its award or subaward, respectively. A procurement transaction is distinct both from "subaward" and "procurement contract," as those terms are defined in this subpart.

#### §1108.310 Program income.

*Program income* means gross income earned by a recipient or subrecipient that is directly generated by a supported activity or earned as a result of an award or subaward (during the period of performance unless the award or subaward specifies continuing requirements concerning disposition of program income after the end of that period).

(a) Program income includes, but is not limited to, income from:

(1) Fees for services performed;

(2) The use or rental of real or personal property for which the recipient or subrecipient is accountable under the award or subaward (whether acquired under the award or subaward, or other Federal awards from which accountability for the property was transferred);

(3) The sale of commodities or items fabricated under the award or subaward;

(4) License fees and royalties on patents and copyrights; and

(5) Payments of principal and interest on loans made with award or subaward funds.

(b) Program income does not include:(1) Interest earned on advances of Federal funds;

(2) Proceeds from the sale of real property or equipment under the award; or

(3) Unless otherwise specified in Federal statute or regulation, or the terms and conditions of the award or subaward:

(i) Rebates, credits, discounts, and interest earned on any of them; or

(ii) Governmental revenues, taxes, special assessments, levies, fines, and similar revenues raised by the recipient or subrecipient.

## §1108.315 Project costs.

Project costs means the total of:

(a) Allowable costs incurred under an award by the recipient, including costs of any subawards and contracts under the award; and

(b) Cost-sharing or matching contributions that are required under the award, which includes voluntary committed (but not voluntary uncommitted) contributions and the value of any third-party in-kind contributions.

## §1108.320 Property.

*Property* means real property and personal property (equipment, supplies, intangible property, and debt instruments), unless stated otherwise.

## 2 CFR Ch. XI (1–1–22 Edition)

## §1108.325 Real property.

*Real property* means land, including land improvements, structures and appurtenances thereto, but excluding moveable machinery and equipment.

#### §1108.330 Recipient.

*Recipient* means an entity that receives an award directly from a DoD Component. The term does not include subrecipients.

## §1108.335 Research.

*Research* means basic, applied, and advanced research.

## §1108.340 Simplified acquisition threshold.

Simplified acquisition threshold means the dollar amount set by the Federal Acquisition Regulation at 48 CFR subpart 2.1, which is adjusted periodically for inflation in accordance with 41 U.S.C. 1908.

#### §1108.345 Small award.

*Small award* means a DoD grant or cooperative agreement or a subaward with a total value over the life of the award that does not exceed the simplified acquisition threshold.

#### §1108.350 State.

State, for purposes of applying the administrative requirements in these regulations, means any State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, and any agency or instrumentality thereof exclusive of local governments.

#### §1108.355 Subaward.

Subaward means a legal instrument by which a recipient or subrecipient at any tier transfers—for performance by an entity at the next lower tier—a portion of the substantive program for which the DoD Component made an award.

## §1108.360 Subrecipient.

Subrecipient means an entity that receives a subaward.

## §1108.365 Supplies.

Supplies means all tangible personal property, including computing devices, acquired under an award that does not meet the definition of equipment in this subpart.

### §1108.370 Suspension.

Suspension means either:

(a) When used in the context of a specific award or subaward, the temporary withdrawal of authority for that recipient or subrecipient to obligate funds under the award or subaward, pending its taking corrective action or a decision to terminate the award or subaward.

(b) When used in the context of an entity, an action by a DoD Component's suspending official under 2 CFR part 1125, DoD's regulation implementing OMB guidance on nonprocurement debarment and suspension in 2 CFR part 180, to immediately exclude the entity from participating in covered Federal Government transactions, pending completion of an investigation and any legal or debarment proceedings that ensue.

## § 1108.375 Technology investment agreement.

Technology investment agreement means one of a special class of assistance instruments used to increase involvement of commercial firms in defense research programs and for other purposes related to integration of the commercial and defense sectors of the nation's technology and industrial base. Technology investment agreements include one kind of cooperative agreement with provisions tailored for involving commercial firms, as well as one kind of assistance transaction other than a grant or cooperative agreement. Technology investment agreements are subject to, and described more fully in, 32 CFR part 37.

## §1108.380 Termination.

*Termination* means the ending of an award or subaward, in whole or in part, at any time prior to the planned end of period of performance.

#### §1108.385 Third-party in-kind contribution.

Third-party in-kind contribution means the value of a non-cash contribution (*i.e.*, property or services) that:

(a) A non-Federal third party contributes, without charge, either to a recipient or subrecipient at any tier under a DoD Component's award; and

(b) Is identified and included in the approved budget of the DoD Component's award, as a contribution being used toward meeting the award's costsharing or matching requirement (which includes voluntary committed, but not voluntary uncommitted, contributions).

## §1108.390 Total value.

*Total value* of a DoD grant, cooperative agreement, or TIA means the total amount of costs that are currently expected to be charged to the award over its life, which includes amounts for:

(a) The Federal share and any non-Federal cost sharing or matching required under the award; and

(b) Any options, even if not yet exercised, for which the costs have been established in the award.

### §1108.395 Unique entity identifier.

Unique entity identifier means the identifier required for System for Award Management registration to uniquely identify entities with which the Federal Government does business (currently the Dun and Bradstreet Data Universal Numbering System, or DUNS, number).

### §1108.400 Unobligated balance.

Unobligated balance means the amount of funds under an award or subaward that the recipient or subrecipient has not obligated. The amount is computed by subtracting the cumulative amount of the recipient's or subrecipient's unliquidated obligations and expenditures of funds from the cumulative amount of funds that it was authorized to obligate under the award or subaward.

#### §1108.405 Voluntary (committed or uncommitted) cost sharing.

(a) Voluntary cost sharing means cost sharing that an entity pledges voluntarily in its application (*i.e.*, not due to

## §1108.410

a stated cost-sharing requirement in the notice of funding opportunity to which the entity's application responds).

(b) Voluntary committed cost sharing means voluntary cost sharing that a DoD Component accepts through inclusion in the approved budget for the project or program and as a binding requirement of the terms and conditions of the award made to the entity in response to its application.

(c) Voluntary uncommitted cost sharing means voluntary cost sharing that does not meet the criteria in paragraph (b) of this section.

### §1108.410 Working capital advance.

Working capital advance means a payment method under which funds are advanced to a recipient or subrecipient to cover its estimated disbursement needs for a given initial period, after which the DoD component making the award makes payment to the recipient or subrecipient by way of reimbursement.

## APPENDIX A TO PART 1108—BACKGROUND ON ASSISTANCE, ACQUISITION, AND TERMS FOR TYPES OF LEGAL INSTRU-MENTS

#### I. PURPOSE OF THIS APPENDIX

This appendix provides background intended to clarify some terms:

A. That are used in this chapter to describe either types of legal instruments that DoD Components, recipients, and subrecipients issue, or the purposes for which those types of instruments are used; and

B. For which this part provides definitions that vary depending on the context within which the terms are used.

#### II. WHY DEFINITIONS OF SOME TERMS ARE CONTEXT-DEPENDENT

A. The DoDGARs contain both:

1. Direction to DoD Components concerning their award of grants and cooperative agreements at the prime tier; and

2. Terms and conditions that DoD Components include in their grants and cooperative agreements to specify the Government's and recipients' rights and responsibilities, including post-award requirements with which recipients' actions must comply.

B. In some cases, the same defined term or two closely related terms are used in relation to both DoD Component actions at the prime tier and recipient or subrecipient actions at lower tiers under DoD Components' awards. But a given defined term may have meanings that differ at the two tiers. For ex-

## 2 CFR Ch. XI (1-1-22 Edition)

ample, in part because the Federal Grant and Cooperative Agreement Act applies to DoD Component actions at the prime tier but not to recipient or subrecipient actions at lower tiers (see sections III and IV of this appendix):

1. The terms "acquire" and "acquisition" do not have precisely the same meaning in conjunction with actions at the prime and lower tiers.

2. The meaning of the term "procurement contract" used to describe DoD Component prime-tier actions is not precisely the same as the meaning of "procurement transaction" or "contract" used to describe recipient or subrecipient actions at lower tiers.

#### III. BACKGROUND: DISTINGUISHING PRIME-TIER RELATIONSHIPS AND LEGAL INSTRUMENTS

A. The Federal Grant and Cooperative Agreement Act (31 U.S.C. chapter 63) specifies that the type of legal instrument a DoD Component is to use is based on the nature of the relationship between the DoD Component and the recipient.

B. Specifically, except where another statute authorizes DoD to do otherwise, 31 U.S.C. chapter 63 specifies use of:

1. A procurement contract as the legal instrument reflecting a relationship between a DoD Component and a recipient when the principal purpose of the relationship is to acquire property or services for the direct benefit or use of the Federal Government.

2. A grant or cooperative agreement as the legal instrument reflecting a relationship between those two parties when the principal purpose of the relationship is to transfer a thing of value to the recipient to carry out a public purpose of support or stimulation authorized by Federal statute.

C. The terms "acquisition" and "assistance" are defined in this part to correspond to the principal purposes described in paragraphs III.B.1 and 2 of this section, respectively. Using those terms, paragraphs III.B.1 and B.2 may be restated to say that grants and cooperative agreements are assistance instruments that DoD Components use, as distinct from procurement contracts they use for acquisition.

IV. BACKGROUND: DISTINGUISHING TYPES OF RECIPIENTS' AND SUBRECIPIENTS' INSTRU-MENTS

A. While the Federal Grant and Cooperative Agreement Act applies to Federal agencies, it does not govern types of instruments that recipients and subrecipients of any tier use. That statute does not require a recipient or subrecipient to:

1. Consider any instrument it makes at a lower tier under a Federal assistance award to be a grant or cooperative agreement.

Therefore, at its option, a recipient or subrecipient may consider all of its lower-tier instruments to be "contracts."

2. Associate an "assistance" relationship, as that term is defined in this part and used in this chapter, with any lower-tier transaction that it makes.

B. However, the DoDGARs in this chapter do distinguish between two classes of lowertier transactions that recipients and subrecipients make: Subawards and procurement transactions. The distinction promotes uniformity in requirements for lower-tier transactions under DoD grants and cooperative agreements. It is based on a long-standing distinction in OMB guidance to Federal agencies, currently at 2 CFR part 200, which DoD implements in this chapter.

C. The distinction between a subaward and procurement transaction is based on the primary purpose of that transaction. 1. The transaction is a subaward if a recipient or subrecipient enters into it with another entity at the next lower tier in order to transfer—for performance by that lower-tier entity—a portion of the substantive program for which the DoD grant or cooperative agreement provided financial assistance to the recipient. Because the Federal Grant and Cooperative Agreement Act does not apply to the recipient or subrecipient, it may make a subaward as defined in this part using an instrument that it considers a contract.

2. The transaction is a procurement transaction if the recipient or subrecipient enters into it in order to purchase goods or services from the lower-tier entity that the recipient or subrecipient needs to perform its portion of the substantive program supported by the DoD award.

#### §1120.1 Purpose of this part.

This part of the DoD Grant and Agreement Regulations (DoDGARs) establishes a standard award format for DoD Components' grants and cooperative agreements. It thereby makes the content easier for a recipient to locate in different DoD Components' awards.

## §1120.2 Applicability of this part.

(a) To whom it applies. This part:

(1) Sets forth requirements for DoD Components that award grants and cooperative agreements.

(2) Does not impose requirements on recipients of DoD Components' awards.

(b) To what awards it applies. This part applies to grants and cooperative agreements, other than technology investment agreements (TIAs), awarded to any type of recipient entity.

## §1120.3 DoD Component implementation.

Each DoD Component that awards grants or cooperative agreements must:

(a) Conform the format of its awards to the standard format established by this part no later than [18 months after the effective date of the final rule].

(b) Update electronic systems it maintains for generating awards within 18 months of the issuance of a new or updated DoD form for the award cover pages, in order to implement that form in those systems, unless it has an approved deviation in accordance with §1120.110.

#### §1120.4 Elements and subelements of the standard award format in relation to the organization of this part.

(a) The standard award format has three major elements that are designated as Divisions I through III of the award.

(1) The first major element of the standard award format is comprised of the award cover pages. It is designated as Division I of the award.

(2) The second major element is comprised of any award-specific terms and conditions. That element is designated as Division II of the award.

(3) The last of the three major elements of the standard award format is comprised of the general terms and conditions. That element is designated as Division III of the award. It has four subelements that are designated as Subdivisions A through D of the general terms and conditions.

(i) The first subelement of the general terms and conditions is the preamble, which is designated as Subdivision A.

(ii) The second subelement of the general terms and conditions is comprised of terms and conditions addressing administrative requirements. That subelement is designated as Subdivision B of the general terms and conditions.

(iii) The third subelement of the general terms and conditions is comprised of terms and conditions addressing national policy requirements. That subelement is designated as Subdivision C of the general terms and conditions.

(iv) The last of the four subelements of the general terms and conditions is comprised of any programmatic requirements that apply to awards using those general terms and conditions. That subelement is designated as Subdivision D of the general terms and conditions.

(b) This part has seven subparts. Each subpart addresses one major element or subelement of the standard award format, as shown in Table 1:

## Subpart A—Award Cover Pages

## §1120.100 Purpose of the award cover pages.

The award cover pages comprise the portion of each DoD Component award of a grant or cooperative agreement or modification to an award that the DoD Component transmits to the recipient when it makes the award or modification. It: (a) Contains basic information about the award or modification and the recipient, as described in §1120.105;

(b) Is signed by a DoD grants officer; and  $% \left( {{{\left( {{{{{\bf{n}}}} \right)}}}_{\rm{c}}}_{\rm{c}}} \right)$ 

(c) Also is signed by the recipient's authorized organizational representative if the award or modification is a bilateral action that is to be signed on behalf of both the DoD Component and recipient.

## §1120.105 Content of the award cover pages.

The award cover pages of each DoD Component grant or cooperative agreement or modification:

(a) Must include, as a minimum, the following information about the award or modification:

(1) The name of the DoD Component awarding office that made the award or modification.

(2) The award number (Federal Award Identification Number or FAIN) and, if the action is a modification, the modification number.

(3) The type of award—*i.e.*, grant or cooperative agreement.

(4) The type of award action—e.g., new award, funding modification, or administrative (non-funding) modification. For an administrative modification, the award cover pages should include a brief description of the purpose of the modification (e.g., a no-cost extension of the end date of the period of performance).

(5) For a new award or funding modification:

(i) A brief description of the project or program supported by the award.

(ii) The amount of the obligation or deobligation of Federal funds due to 2 CFR Ch. XI (1–1–22 Edition)

the current action and any accompanying change in the total amount of cost sharing or matching required under the award.

(iii) The cumulative amounts of Federal funds and any corresponding non-Federal share obligated to date (*i.e.*, the sums of the amounts of the current action and the cumulative amounts of prior obligations and deobligations).

(iv) The total amount of the project costs in the currently approved budget through the end of the period of performance, the Federal share of that amount, and the non-Federal share even if that share is "zero."

(v) The total value of the award; the Federal share of that total value (which includes Federal funding obligated to date; future incremental funding actions; and options for which amounts have been predetermined, whether or not they have been exercised yet); and the non-Federal share of that total value (*i.e.*, total cost sharing or matching required under the award).

(vi) A table such as the following may be helpful in clearly presenting the information described in paragraphs (a)(5)(ii) through (vi) of this section:

-

	Federal funds	Corresponding non-Federal share	Total amount
<ul> <li>(A) Obligated or deobligated this action</li> <li>(B) Cumulative obligations to date, including this and previous actions</li> <li>(C) Planned project costs in the currently approved budget through the end of the period of performance, to include any future incremental funding obligations</li> </ul>			
(D) Total value, which includes any unexercised options for which amounts were established in the award			

(6) The obligation date (*i.e.*, the date of the grants officer's signature) and, if different, the effective date.

(7) The start date and current end date of the period of performance.

(8) The statutory authority or authorities under which the award or modification was made.

(9) The number and title of the program listed in the Catalog of Federal Domestic Assistance under which the award or modification was made.

(10) For a new award (or, as needed, in a modification that amends any of the following information): (i) Whether the project or program under the award is research and development (R&D). This information is needed by auditors performing single audits of recipients because the OMB guidance to the auditors treats all Federal agencies' R&D programs as a single group (or "cluster") of programs for audit sampling purposes (see the Single Audit Act requirements implemented in subpart E of 2 CFR part 1128 and FMS Article V in appendix E to part 1128).

(ii) What the award includes in addition to the cover pages—*i.e.*, the:

(A) Scope of work or other appropriate content to specify the goals and objectives of the project or program supported by the award;

(B) Approved budget; and

(C) General, and any award specific, terms and conditions of the award.

(iii) Where the portions of the award listed in paragraph (a)(10)(ii) of this section are located, which content the DoD Component generally should incorporate into the award by reference. When incorporating that content into the award by reference, the DoD Component must both:

(A) Indicate in the award cover pages that the award incorporates those items into the award by reference, thereby making them an integral part of the award; and

(B) Specify their location (see §1120.315), rather than transmit them in their entirety with each award.

(iv) The order of precedence in the event of conflict among the general and any award-specific terms and conditions and other potential sources of requirements (*e.g.*, Federal statutes).

(v) The name of, and contact information for, the individual or office in the DoD responsible for post-award administration of the award. If there are multiple individuals and offices for different post-award functions (*e.g.*, payments and property administration), the award cover pages should provide information about each.

(vi) The name of, and contact information for, the DoD Component's program manager or other point of contact for programmatic matters.

(b) Must include, as a minimum, the following information about the recipient entity:

(1) The recipient's unique entity identifier required for its registration in the System for Award Management (SAM). Currently, that is the Dun and Bradstreet Data Universal Numbering System (DUNS) number.

(2) The recipient's business name and address, which must be the legal business or "doing business as" name and physical address in SAM at the time of award corresponding to the recipient's unique entity identifier.

(3) The name and title of the recipient's authorized representative, either the individual who signed the application or proposal on behalf of the recipient entity or another individual designated by that entity.

(4) The name of the recipient's Project or Program Director (PD) or Principal Investigator (PI) and his or her organization, if different from the name of the recipient organization. If there are multiple PDs or co-PIs, the name and organization of each should be included.

(5) The indirect cost rate in effect at the start of the performance period for the award, which generally is a Governmentwide rate negotiated by the recipient's cognizant agency for indirect costs. However, this requirement does not apply—*i.e.*, the award cover pages need not include the recipient's indirect cost rate—if the recipient entity affirms that it treats its indirect cost rate as proprietary information.

(c) May also include, as applicable, elements such as:

(1) A statement that the award can be amended only by a grants officer. The statement might also explain how amendments are issued.

(2) Information about any planned, future incremental funding or options for which amounts were pre-determined.

## §1120.110 Use of alternative to DoD form.

(a) A DoD Component may use something other than a DoD form as its award cover pages only if:

(1) There is not currently any DoD form for the award cover pages; or

(2) The DoD Component obtains approval for a deviation from the requirement to use a DoD form from the Office of the Assistant Secretary of Defense for Research and Engineering, in accordance with the procedures specified in 32 CFR 21.340.

(b) If a DoD Component does not use a DoD form for its award cover pages, as described in paragraph (a) of this section, its award cover pages must include all information specified in \$1120.105.

## Subpart B—Award-specific Terms and Conditions

#### §1120.200 Purpose and inclusion of award-specific terms and conditions.

A DoD Component must include with each award, for transmission to the recipient, any terms and conditions needed to communicate requirements specific to the individual award as distinct from the more broadly applicable requirements in the general terms and conditions. For a modification to an award, only changes to previously transmitted terms and conditions must be included.

### §1120.205 Organization and wording of award-specific terms and conditions.

DoD Components should organize and word award-specific terms and conditions to make them as clear and easy to understand as possible for the benefit of recipients, award administrators, auditors, and others who may need to use them. The DoDGARs specify neither a standard organization nor standard wording for award-specific terms and conditions.

## Subpart C—General Terms and Conditions

## §1120.300 Purpose of general terms and conditions.

The general terms and conditions comprise the portion of the award with requirements that apply to a class of awards (*e.g.*, awards under a particular program or type of program activity, such as research or education, or for a class of recipients, such as for-profit entities).

## §1120.305 Requirement for general terms and conditions.

Each DoD Component must establish at least one set of general terms and conditions. A DoD Component may have more than one set, as it deems appropriate to reflect differences in its award terms and conditions across different programs, classes of recipients, or types of activity.

## 2 CFR Ch. XI (1-1-22 Edition)

## §1120.310 Use of plain language.

(a) DoD Components must use plain language in:

(1) General terms and conditions of grants and cooperative agreements to institutions of higher education, nonprofit organizations, States, local governments, and Indian tribes. Those awards are subject to the DoDGARs provisions in:

(i) 2 CFR parts 1128 through 1138, the appendices to which provide standard wording for general terms and conditions addressing administrative requirements. That standard wording uses personal pronouns.

(ii) 2 CFR part 1122, the appendices to which provide standard wording for general terms and conditions addressing commonly applicable national policy requirements. That standard wording also uses personal pronouns.

(2) The national policy requirements in Subdivision B of general terms and conditions of grants and cooperative agreements to for-profit entities, which also are subject to 2 CFR part 1122.

(b) Although the DoDGARs currently do not provide standard wording for terms and conditions addressing administrative requirements for use in awards to for-profit entities, DoD Components are strongly encouraged to use plain language and personal pronouns in their terms and conditions of those other awards. The DoDGARs provisions that specify the administrative requirements to incorporate into those terms and conditions are listed in §1120.510(b).

## §1120.315 Availability of general terms and conditions.

(a) A DoD Component that issues a funding opportunity announcement under which grants or cooperative agreements may be awarded must maintain on the internet the general terms and conditions for those awards if:

(1) The distribution of the funding opportunity announcement is unlimited; and

(2) The DoD Component anticipates making 10 or more awards per year using those general terms and conditions.

(b) Each DoD Component that maintains a set of general terms and conditions on the internet must also maintain an archive of previous versions of that set at the same internet location, for use by recipients, post-award administrators, auditors, and others. Each version must be labeled with its effective dates.

(c) If a DoD Component has a set of general terms and conditions that is not subject to the requirement in paragraph (a) of this section and the DoD Component chooses not to maintain that set on the internet:

(1) It must tell potential applicants or proposers in the funding opportunity announcement, if there is one, how they may view or obtain a copy of the general terms and conditions; or

(2) If there is no funding opportunity announcement (e.g., if it is a noncompetitive program for which all recipients are known in advance), the DoD Component must provide the general terms and conditions to each recipient no later than the time of award.

## Subpart D—Preamble to the General Terms and Conditions

## §1120.400 Requirement to include a preamble.

Each DoD Component must include a preamble as Subdivision A of each set of general terms and conditions it maintains, to provide information to help recipients understand how to use those terms and conditions.

## §1120.405 Content of the preamble.

The preamble for each set of general terms and conditions must include at least the following information elements, organized in the order shown:

(a) *Table of contents*. This should show the articles within each other subdivision of the general terms and conditions (Subdivisions B and C for administrative and national policy requirements and, if needed, Subdivision D for programmatic requirements).

(b) *Scope*. This element identifies the programs, types of awards, and types of recipient entities that are subject to the set of general terms and conditions.

(c) *Effective date*. This is the date on which the particular version of the set of general terms and conditions became effective, which enables a recipient to easily distinguish it from any earlier or subsequent versions. The version date of each article within the general terms and conditions must be indicated in parentheses following the title of the article, to help a recipient identify the articles that changed from previous versions of the general terms and conditions.

(d) English language. The purpose of this element of the preamble is to implement OMB guidance in 2 CFR 200.111(b) by informing each recipient that:

(1) It must translate any of the award content (including attachments to it and any material incorporated into the award by reference) into another language to the extent that the recipient's compliance with the award's terms and conditions depends upon a significant number of its employees who are not fluent in English being able to read and comprehend that content.

(2) If it does translate any award content into another language, either as required by paragraph (d)(1) of this section or at its own initiative, the original award content in the English language will take precedence in the event of an inconsistency between the award requirements in the English and translated versions.

(e) *Plain language.* This section of the preamble is required when the general terms and conditions use personal pronouns, in accordance with §1120.310. Its purpose is to inform recipients about the meanings of those personal pronouns.

(f) *Definitions*. Providing the definitions of words and phrases that are used in the general terms and conditions and defined in the DoDGARs is more helpful to recipients than referring them to the DoDGARs to find the definitions.

## §1120.500

## Subpart E—Administrative Requirements Portion of the General Terms and Conditions

### §1120.500 Scope of administrative requirements.

The administrative requirements in an award are post-award and after-theaward requirements for recipients in the following subject matter areas:

(a) Financial and program management, to include financial management system standards, payment, allowable costs, program and budget revisions, audits, cost sharing or matching, and program income.

(b) Property administration, to include title vesting, property management system standards, and use and disposition of tangible and intangible property.

(c) Recipient procurement procedures.

(d) Financial, programmatic, property, and other reporting.

(e) Records retention and access, remedies, claims and disputes, and closeout.

#### §1120.505 Location of administrative requirements in the standard award format.

As shown in the table in §1120.4(b), the standard award format includes administrative requirements as Subdivision B of the general terms and conditions.

## §1120.510 Sources of administrative requirements.

The source of administrative requirements is:

(a) Subchapter D of this chapter for cost-type grant and cooperative agreement awards to institutions of higher education, nonprofit organizations, States, local governments, and Indian tribes. Subchapter D provides a standard set of articles into which a DoD Component organizes the administrative requirements. It also provides standard wording for the general terms and conditions in those articles, as explained in the overview of subchapter D in 2 CFR part 1126.

(b) 32 CFR part 34 for grant and cooperative agreement awards to for-profit entities. That part of the DoDGARs 2 CFR Ch. XI (1-1-22 Edition)

specifies the administrative requirements for awards to those entities but does not provide standard articles or terms and conditions.

#### §1120.515 Incorporation of administrative requirements into general terms and conditions by reference.

(a) For cost-type awards to institutions of higher education, nonprofit organizations, States, local governments, and Indian tribes, DoD Components are strongly encouraged to construct the portion of their general terms and conditions addressing administrative requirements by:

(1) Incorporating the standard wording of each article of administrative requirements provided in subchapter D of this chapter (the standard wording of the articles is in the appendices to 2 CFR parts 1128 through 1138) into those general terms and conditions by reference; and

(2) Stating any variations from that standard wording (*e.g.*, any sections or paragraphs that the DoD Component adds, revises, or omits, consistent with the DoDGARs prescription for use of the standard wording).

(b) Incorporating that standard wording into general terms and conditions by reference, rather than including the full text of each article of the general terms and conditions, will make it easier for those who must use terms and conditions of multiple DoD Components' awards (*e.g.*, recipients, DoD Components' post-award administrators, and auditors) to quickly identify how each Component's general terms and conditions differ from the DoD standard wording.

## Subpart F—National Policy Requirements Portion of the General Terms and Conditions

## §1120.600 Scope of national policy requirements.

National policy requirements, as defined in 2 CFR 1122.2, are requirements:

(a) That are prescribed by a statute, Executive order, policy guidance issued by the Executive Office of the President, or regulation that specifically

refer to grants, cooperative agreements, or financial assistance in general;

(b) With which a recipient of a grant or cooperative agreement must comply during the period of performance; and

(c) That are outside subject matter areas covered by administrative requirements, as described in §1120.500.

#### §1120.605 Location of national policy requirements in the standard award format.

As shown in the table in 1120.4(b), the standard award format includes national policy requirements as Subdivision C of the general terms and conditions.

#### §1120.610 Source of national policy requirements.

The source of national policy requirements to be included in a grant or cooperative agreement is 2 CFR part 1122.

### §1120.615 Incorporation of national policy requirements into general terms and conditions by reference.

For the same reason given in §1120.515(b), DoD Components are strongly encouraged to construct the portion of their general terms and conditions addressing national policy requirements for awards to all types of recipient entities, including for-profit entities, by:

(a) Incorporating the standard wording of each article of national policy requirements provided in the appendices to 2 CFR part 1122 into those general terms and conditions by reference; and

(b) Stating any variations from that standard wording (e.g., any added, omitted, or revised paragraphs, based on which national policy requirements apply to programs and recipients for which the general terms and conditions are used).

## Subpart G—Programmatic Requirements Portion of the General Terms and Conditions

## §1120.700 Scope of programmatic requirements.

A requirement is most appropriately included in the programmatic requirements portion of the general terms and conditions if it:

(a) Is not in one of the subject matter areas covered by the administrative requirements in Subdivision B of the general terms and conditions, as described in §1120.500.

(b) Does not meet the criteria in \$1120.600 for a national policy requirement.

(c) Broadly applies to awards using the general terms and conditions. Requirements that apply to relatively few of those awards are more appropriately included in the award-specific terms and conditions of the individual awards to which they apply.

(d) Is expected to be in effect for the foreseeable future, rather than for a limited period of time. For example, a requirement in an annual appropriations act that applies specifically to funding made available by that act is better addressed through the awardspecific terms and conditions of awards or modifications to which it applies.

### §1120.705 Location of programmatic requirements in the standard award format.

As shown in the table in §1120.4(b), the standard award format includes programmatic requirements as Subdivision D of the general terms and conditions.

## §1120.710 Examples of programmatic requirements.

Examples of provisions appropriately included as programmatic requirements in Subdivision D of the general terms and conditions include:

(a) Requirements for recipients to acknowledge the DoD Component's support in publications of results of the projects or programs performed under awards.

(b) Requirements for recipients to promptly alert the DoD Component if they develop any information in the course of performing the projects or programs under their awards that, in their judgment, might adversely affect national security if disclosed.

(c) Reservation of the Government's right to use non-Federal personnel in any aspect of post-award administration of awards, with appropriate nondisclosure requirements placed on

## Pt. 1122

those personnel to protect sensitive information about recipients or the projects or programs supported by their awards.

## Subpart A—General

## §1122.1 Purpose of this part.

(a) This part specifies a standard format and standard wording of general terms and conditions for Subdivision B of the general terms and conditions of DoD grants and cooperative agreements, which concerns national policy requirements.

(b) It thereby implements:

(1) Office of Management and Budget (OMB) guidance in 2 CFR 200.210(b)(ii) and 200.300, as those paragraphs of 2 CFR part 200 relate to national policy

## 2 CFR Ch. XI (1-1-22 Edition)

requirements for general terms and conditions of DoD grants and cooperative agreements to institutions of higher education and other nonprofit organizations, States, local governments, and Indian tribes.

(2) National policy requirements, to the extent they apply, for general terms and conditions of DoD awards to for-profit firms, foreign organizations, and foreign public entities.

## §1122.2 Definition of "national policy requirement."

For the purposes of this chapter, a national policy requirement is a requirement:

(a) That is prescribed by a statute, Executive order, policy guidance issued by the Executive Office of the President, or regulation that specifically refers to grants, cooperative agreements, or financial assistance in general;

(b) With which a recipient of a grant or cooperative agreement must comply during the period of performance; and

(c) That is outside subject matter areas covered by administrative requirements in subchapters D or E of this chapter.

#### §1122.3 Definition of other terms as they are used in this part.

Because the meaning of some terms used in this part derive from their definitions in the statutes, Executive orders, or other sources of national policy requirements that this part implements, the meanings of those terms may vary from their meanings in other parts of the DoD Grant and Agreement Regulations. For example, some statutes define "State" in ways that differ from each other and from the definition provided in 2 CFR part B. In each case, the definition in the source of the pertinent national policy requirement takes precedence over the definition in 2 CFR part B for the purposes of complying with that requirement.

## Subpart B—Terms and Conditions

## §1122.100 Purpose of this subpart.

This subpart provides:

(a) Direction to DoD Components on how to construct the four articles of

national policy requirements for inclusion in the general terms and conditions of grants and cooperative agreements.

(b) Standard wording for national policy requirements that are more commonly applicable to DoD Components' grants and cooperative agreements.

## § 1122.105 Where to find the terms and conditions.

(a) Appendices A through D of this part provide standard wording of terms

and conditions for the four articles of national policy requirements. The articles address the rights and responsibilities of the Government and the recipient related to those national policy requirements.

(b) The following table shows which national policy terms and conditions may be found in each appendix to this part:

	In	You will find terms and conditions specifying recipients' rights and responsibilities related to	That would appear in an award within NP Article
Appendix B Appendix C		Non-discrimination national policy requirements Environmental national policy requirements National policy requirements concerning live organisms Other national policy requirements	II. III.

### §1122.110 Organization of each article of national policy requirements.

Each of NP Articles I through IV includes two sections.

(a) Section A of each article includes national policy requirements that are cross-cutting in that their applicability extends to many or all DoD awards. Appendices A through D to this part provide standard wording for each of those requirements.

(b) Section B of each article is the location in the award for program-specific national policy requirements. Section B is reserved in the standard wording of the articles provided in appendices A through D to this part.

## \$1122.115 Cross-cutting national policy requirements.

(a) General requirement to include applicable cross-cutting requirements. A DoD Component's general terms and conditions must include the standard wording provided in appendices A through D to this part for each national policy requirement addressed in Section A of NP Articles I, II, III, and IV, respectively, that may apply either to:

(1) A recipient of an award using those general terms and conditions; or

(2) A subrecipient of a subaward under an award using those general terms and conditions. (b) Authority to reserve or omit inapplicable paragraphs. A DoD Component may reserve or omit any paragraph appendices A through D to this part provide for Section A of NP Articles I, II, III, and IV of its general terms and conditions if it determines that the national policy requirement addressed in that paragraph will not apply to any awards using those terms and conditions nor to any subawards under them.

(c) Authority to use alternate wording. (1) A DoD Component may use different wording for a national policy requirement than is provided in appendices A through D to this part if it is authorized or required to do so by a statute or a regulation published in the Code of Federal Regulations after opportunity for public comment.

(2) A DoD Component in that case:

(i) Must include the wording required by the statute or regulation in Section B of the appropriate article. This will help a recipient recognize the wording as a variation of the usual DoD wording for the requirement.

(ii) May either reserve the paragraph of Section A of the article in which that national policy requirement otherwise would appear or insert in that paragraph wording to refer the recipient to the paragraph in Section B of the article in which the requirement does appear.

#### §1122.120 Other national policy requirements.

If a DoD Component determines that awards using its general terms and conditions, or subawards under them, are subject to a national policy requirement that is not addressed in the standard wording appendices A through D to this part provide for cross-cutting requirements, the DoD Component must include the requirement in its general terms and conditions. It should add the requirement in Section B of NP Article I, II, III, or IV, as most appropriate to the subject matter of the requirement.

APPENDIX A TO PART 1122—TERMS AND CONDITIONS FOR NP ARTICLE I, "NONDISCRIMINATION NATIONAL POL-ICY REQUIREMENTS"

A DoD Component must use the following wording for NP Article I of its general terms and conditions in accordance with the provisions of Subpart B of this part.

#### NP ARTICLE I. NONDISCRIMINATION NATIONAL POLICY REQUIREMENTS. (DECEMBER 2014)

Section A. Cross-cutting nondiscrimination requirements. By signing this award or accepting funds under this award, you assure that you will comply with applicable provisions of the national policies prohibiting discrimination:

1. On the basis of race, color, or national origin, in Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d *et seq.*), as implemented by Department of Defense (DoD) regulations at 32 CFR part 195.

2. On the basis of gender, blindness, or visual impairment, in Title IX of the Education Amendments of 1972 (20 U.S.C. 1681 *et seq.*), as implemented by DoD regulations at 32 CFR part 196.

3. On the basis of age, in the Age Discrimination Act of 1975 (42 U.S.C.  $6101 \ et \ seq.$ ), as implemented by Department of Health and Human Services regulations at 45 CFR part 90.

4. On the basis of disability, in the Rehabilitation Act of 1973 (29 U.S.C. 794), as implemented by Department of Justice regulations at 28 CFR part 41 and DoD regulations at 32 CFR part 56.

5. On the basis of disability in the Architectural Barriers Act of 1968 (42 U.S.C. 4151 *et seq.*) related to physically handicapped persons' ready access to, and use of, buildings and facilities for which Federal funds are used in design, construction, or alteration.

Section B. [Reserved]

## 2 CFR Ch. XI (1–1–22 Edition)

APPENDIX B TO PART 1122—TERMS AND CONDITIONS FOR NP ARTICLE II, "ENVIRONMENTAL NATIONAL POLICY REQUIREMENTS"

A DoD Component must use the following wording for NP Article II of its general terms and conditions in accordance with the provisions of Subpart B of this part.

NP ARTICLE II. ENVIRONMENTAL NATIONAL POLICY REQUIREMENTS. (DECEMBER 2014)

In such cases, you may take no action that will have an environmental impact (e.g., physical disturbance of a site such as breaking of ground) or limit the choice of reasonable alternatives to the proposed action until we provide written notification of Federal compliance with NEPA or E.O. 12114.

b. Flood-prone areas and provide any help we may need to comply with the National Flood Insurance Act of 1968, as amended by the Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 *et seq.*), which require flood insurance, when available, for federally assisted construction or acquisition in flood-prone areas.

c. A land or water use or natural resource of a coastal zone that is part of a federally approved State coastal zone management plan and provide any help we may need to comply with the Coastal Zone Management Act of 1972 (16 U.S.C. 1451, *et seq.*) including preparation of a Federal agency Coastal Consistency Determination.

You also must provide any help we may need in complying with the consultation requirements of ESA section 7 (16 U.S.C. 1536) applicable to Federal agencies or any regulatory authorization we may need based on the award of this grant. This is not in lieu of responsibilities you have to comply with provisions of the Act that apply directly to you as a U.S. entity, independent of receiving this award.

6. You must fully comply with the Marine Mammal Protection Act of 1972, as amended (MMPA, at 16 U.S.C. 1361 *et seq.*) and provide any assistance we may need in obtaining any required MMPA permit based on an award of this grant.

APPENDIX C TO PART 1122—TERMS AND CONDITIONS FOR NP ARTICLE III, "NATIONAL POLICY REQUIREMENTS CONCERNING LIVE ORGANISMS"

A DoD Component must use the following wording for NP Article III of its general terms and conditions in accordance with the provisions of Subpart B of this part.

NP ARTICLE III. NATIONAL POLICY REQUIRE-MENTS CONCERNING LIVE ORGANISMS. (DE-CEMBER 2014)

Section A. Cross-cutting requirements concerning live organisms.

1. Human subjects.

a. You must protect the rights and welfare of individuals who participate as human subjects in research under this award and comply with the requirements at 32 CFR part 219, DoD Instruction (DoDI) 3216.02, 10 U.S.C. 980, and when applicable, Food and Drug Administration (FDA) regulations.

b. You must not begin performance of research involving human subjects, also known as human subjects research (HSR), that is covered under 32 CFR part 219, or that meets exemption criteria under 32 CFR 219.101(b), until you receive a formal notification of approval from a DoD Human Research Protection Official (HRPO). Approval to perform HSR under this award is received after the HRPO has performed a review of your documentation of planned HSR activities and has officially furnished a concurrence with your determination as presented in the documentation.

c. In order for the HRPO to accomplish this concurrence review, you must provide sufficient documentation to enable his or her assessment as follows:

i. If the HSR meets an exemption criterion under 32 CFR 219.101(b), the documentation must include a citation of the exemption category under 32 CFR 219.101(b) and a rationale statement.

ii. If your activity is determined as "nonexempt research involving human subjects", the documentation must include:

(A) Assurance of Compliance (*i.e.*, Department of Health and Human Services Office for Human Research Protections (OHRP) Federalwide Assurance (FWA)) appropriate for the scope of work or program plan; and

(B) Institutional Review Board (IRB) approval, as well as all documentation reviewed by the IRB to make their determination.

d. The HRPO retains final judgment on what activities constitute HSR, whether an exempt category applies, whether the risk determination is appropriate, and whether the planned HSR activities comply with the requirements in paragraph 1.a of this section.

e. You must notify the HRPO immediately of any suspensions or terminations of the Assurance of Compliance.

f. DoD staff, consultants, and advisory groups may independently review and inspect your research and research procedures involving human subjects and, based on such findings, DoD may prohibit research that presents unacceptable hazards or otherwise fails to comply with DoD requirements.

g. Definitions for terms used in paragraph 1 of this article are found in DoDI 3216.02.

2. Animals.

a. Prior to initiating any animal work under the award, you must:

i. Register your research, development, test, and evaluation or training facility with the Secretary of Agriculture in accordance with 7 U.S.C. 2136 and 9 CFR 2.30, unless otherwise exempt from this requirement by meeting the conditions in 7 U.S.C. 2136 and 9 CFR parts 1-4 for the duration of the activity.

ii. Have your proposed animal use approved in accordance with Department of Defense Instruction (DoDI) 3216.01, Use of Animals in DoD Programs by a DoD Component Headquarters Oversight Office.

## Part 1122, App. D

iii. Furnish evidence of such registration and approval to the grants officer.

b. You must make the animals on which the research is being conducted, and all premises, facilities, vehicles, equipment, and records that support animal care and use available during business hours and at other times mutually agreeable to you, the United States Department of Agriculture Office of Animal and Plant Health Inspection Service (USDA/APHIS) representative, personnel representing the DoD component oversight offices, as well as the grants officer, to ascertain that you are compliant with 7 U.S.C. 2131 *et seq.*, 9 CFR parts 1–4, and DoDI 3216.01.

c. Your care and use of animals must conform with the pertinent laws of the United States, regulations of the Department of Agriculture, and regulations, policies, and procedures of the Department of Defense (see 7 U.S.C. 2131 *et seq.*, 9 CFR parts 1-4, and DoDI 3216.01).

d. You must acquire animals in accordance with DoDI 3216.01.

3. Use of Remedies.

Failure to comply with the applicable requirements in paragraphs 1-2 of this section may result in the DoD Component's use of remedies, *e.g.*, wholly or partially terminating or suspending the award, temporarily withholding payment under the award pending correction of the deficiency, or disallowing all or part of the cost of the activity or action (including the federal share and any required cost sharing or matching) that is not in compliance. See OAR Article III.

Section B. [Reserved]

APPENDIX D TO PART 1122—TERMS AND CONDITIONS FOR NP ARTICLE IV, "OTHER NATIONAL POLICY REQUIRE-MENTS"

A DoD Component must use the following wording for NP Article IV of its general terms and conditions in accordance with the provisions of Subpart B of this part.

## NP ARTICLE IV. OTHER NATIONAL POLICY REQUIREMENTS. (DECEMBER 2014)

Section A. Cross-cutting requirements.

1. Debarment and suspension. You must comply with requirements regarding debarment and suspension in Subpart C of 2 CFR part 180, as adopted by DoD at 2 CFR part 1125. This includes requirements concerning your principals under this award, as well as requirements concerning your procurement transactions and subawards that are implemented in PROC Articles I through III and SUB Article II.

c. If you are a nonprofit organization described in section 501(c)(4) of title 26, United States Code (the Internal Revenue Code of 1968), you may not engage in lobbying activities as defined in the Lobbying Disclosure Act of 1995 (2 U.S.C., chapter 26). If we determine that you have engaged in lobbying activities, we will cease all payments to you under this and other awards and terminate the awards unilaterally for material failure to comply with the award terms and conditions.

4. Officials not to benefit. You must comply with the requirement that no member of Congress shall be admitted to any share or part of this award, or to any benefit arising from it, in accordance with 41 U.S.C. 6306.

5. Hatch Act. If applicable, you must comply with the provisions of the Hatch Act (5 U.S.C. 1501-1508) concerning political activities of certain State and local government employees, as implemented by the Office of Personnel Management at 5 CFR part 151, which limits political activity of employees or officers of State or local governments whose employment is connected to an activity financed in whole or part with Federal funds.

6. Native American graves protection and repatriation. If you control or possess Native American remains and associated funerary objects, you must comply with the requirements of 43 CFR part 10, the Department of the Interior implementation of the Native American Graves Protection and Repatriation Act of 1990 (25 U.S.C., chapter 32).

7. Fly America Act. You must comply with the International Air Transportation Fair Competitive Practices Act of 1974 (49 U.S.C. 40118), commonly referred to as the "Fly America Act," and implementing regulations at 41 CFR 301-10.131 through 301-10.143. The law and regulations require that U.S. Government financed international air travel of passengers and transportation of personal effects or property must use a U.S. Flag air carrier or be performed under a cost sharing arrangement with a U.S. carrier, if such service is available.

8. Use of United States-flag vessels. You must comply with the following requirements of

the Department of Transportation at 46 CFR 381.7, in regulations implementing the Cargo Preference Act of 1954:

a. Pursuant to Public Law 83-664 (46 U.S.C. 55305), at least 50 percent of any equipment, materials or commodities procured, contracted for or otherwise obtained with funds under this award, and which may be transported by ocean vessel, must be transported on privately owned United States-flag commercial vessels, if available.

b. Within 20 days following the date of loading for shipments originating within the United States or within 30 working days following the date of loading for shipments originating outside the United States, a legible copy of a rated, "on-board" commercial ocean bill-of-lading in English for each shipment of cargo described in paragraph 8.a of this section must be furnished to both our award administrator (through you in the case of your contractor's bill-of-lading) and to the Division of National Cargo, Office of Market Development, Maritime Administration, Washington, DC 20590.

9. Research misconduct. You must comply with requirements concerning research misconduct in Enclosure 4 to DoD Instruction 3210.7, "Research Integrity and Misconduct." The Instruction implements the Governmentwide research misconduct policy that the Office of Science and Technology Policy published in the FEDERAL REGISTER (65 FR 76260, December 6, 2000, available through the U.S. Government Printing Office website: https://www.federalregister.gov/documents/2000/ 12/06/00-30852/executive-office-of-the-presidentfederal-policy-on-research-misconduct-preamble-for-research).

**10.** Requirements for an Institution of Higher Education Concerning Military Recruiters and Reserve Officers Training Corps (ROTC).

a. As a condition for receiving funds available to the DoD under this award, you agree that you are not an institution of higher education (as defined in 32 CFR part 216) that has a policy or practice that either prohibits, or in effect prevents:

i. The Secretary of a Military Department from maintaining, establishing, or operating a unit of the Senior Reserve Officers Training Corps (ROTC)—in accordance with 10 U.S.C. 654 and other applicable Federal laws—at that institution (or any subelement of that institution):

ii. Any student at that institution (or any subelement of that institution) from enrolling in a unit of the Senior ROTC at another institution of higher education.

iii. The Secretary of a Military Department or Secretary of Homeland Security from gaining access to campuses, or access to students (who are 17 years of age or older) on campuses, for purposes of military recruiting in a manner that is at least equal in quality and scope to the access to campuses and to students that is provided to any other employer; or

iv. #### §1125.10 What does this part do?

This part adopts the Office of Management and Budget (OMB) guidance in subparts A through I of 2 CFR part 180, as supplemented by this part, as the Department of Defense (DoD) policies and procedures for nonprocurement debarment and suspension. It thereby gives regulatory effect for the Department of Defense to the OMB guidance as supplemented by this part. This part satisfies the requirements in section 3 of Executive Order 12549, "Debarment and Suspension" (3 CFR 1986 Comp., p. 189), Executive Order 12689, "Debarment and Suspension" (3 CFR 1989 Comp., p. 235) and 31 U.S.C. 6101 note (Section 2455, Public Law 103-355, 108 Stat. 3327).

### §1125.20 Does this part implement the OMB guidance in 2 CFR part 180 for all DoD nonprocurement transactions?

This part implements the OMB guidelines in 2 CFR part 180 for most DoD

nonprocurement transactions. However, it does not implement the guidelines as they apply to prototype projects under the authority of Section 845 of the National Defense Authorization Act for Fiscal Year 1994 (Pub. L. 103-160), as amended. The Director of Defense Procurement and Acquisition Policy maintains a DoD issuance separate from this part that addresses section 845 transactions.

## §1125.30 Does this part apply to me?

This part and, through this part, pertinent portions of the OMB guidance in subparts A through I of 2 CFR part 180 (see table at 2 CFR 180.100(b)) apply to you if you are a—

(a) Participant or principal in a "covered transaction" (see subpart B of 2 CFR part 180 and the definition of "nonprocurement transaction" at 2 CFR 180.970, as supplemented by subpart B of this part), other than a section 845 transaction described in §1125.20;

(b) Respondent in a DoD Component's nonprocurement suspension or debarment action;

(c) DoD Component's debarment or suspension official; or

(d) DoD Component's grants officer, agreements officer, or other official authorized to enter into a nonprocurement transaction that is a covered transaction.

## § 1125.40 What policies and procedures must I follow?

(a) *General.* You must follow the policies and procedures specified in applicable sections of the OMB guidance in subparts A through I of 2 CFR part 180, as implemented by this part.

(b) Specific sections of OMB guidance that this part supplements. In implementing the OMB guidance in 2 CFR part 180, this part supplements eight sections of the guidance, as shown in the following table. For each of those sections, you must follow the policies and procedures in the OMB guidance, as supplemented by this part.

Section of OMB guidance	Section in this part where supplemented	What the supplementation clarifies
(1) 2 CFR 180.135	§1125.137	Who in DoD may grant an exception for an excluded person to participate in a covered transaction.
(2) 2 CFR 180.220	§1125.220	Which lower-tier contracts under a nonprocurement transaction are covered transactions.
(3) 2 CFR 180.330	§1125.332	What method a participant must use to communicate requirements to a lower-tier participant.
(4) 2 CFR 180.425	§1125.425	When a DoD awarding official must check to see if a person is excluded or disqualified.
(5) 2 CFR 180.435	§1125.437	What method a DoD official must use to communicate requirements to a participant.
(6) 2 CFR 180.930	§1125.930	Which DoD officials are debarring officials.
(7) 2 CFR 180.1010	§1125.1010	Which DoD officials are suspending officials.

(c) Sections of the OMB guidance that this part does not supplement. For any section of OMB guidance in subparts A through I of 2 CFR 180 that is not listed in paragraph (b) of this section, DoD policies and procedures are the same as those in the OMB guidance.

## Subpart A—General

#### §1125.137 Who in the Department of Defense may grant an exception to let an excluded person participate in a covered transaction?

Within the Department of Defense, the Secretary of Defense, Secretary of a Military Department, Head of a Defense Agency, Head of the Office of Economic Adjustment, and Head of the Special Operations Command have the authority to grant an exception to let an excluded person participate in a covered transaction, as provided in the OMB guidance at 2 CFR 180.135.

## Subpart B—Covered Transactions

## §1125.220 What contracts and subcontracts, in addition to those listed in 2 CFR 180.220, are covered transactions?

Although the OMB guidance at 2 CFR 180.220(c) allows a Federal agency to do

## §1125.332

so (also see optional lower tier coverage in the figure in the appendix to 2 CFR part 180), the Department of Defense does not extend coverage of nonprocurement suspension and debarment requirements beyond first-tier procurement contracts under a covered nonprocurement transaction.

## Subpart C—Responsibilities of Participants Regarding Transactions

#### §1125.332 What method must I use to pass requirements down to participants at lower tiers with whom I intend to do business?

You as a participant in a covered transaction must include a term or condition in any lower-tier covered transaction into which you enter, to require the participant of that transaction to—

(a) Comply with subpart C of the OMB guidance in 2 CFR part 180; and

(b) Include a similar term or condition in any covered transaction into which it enters at the next lower tier.

## Subpart D—Responsibilities of DoD Officials Regarding Transactions

## §1125.425 When do I check to see if a person is excluded or disqualified?

In addition to the four instances identified in the OMB guidance at 2 CFR 180.425, you as a DoD Component official must check to see if a person is excluded or disqualified before you obligate additional funding (*e.g.*, through an incremental funding action) for a pre-existing grant or cooperative agreement with an institution of higher education, as provided in 32 CFR 22.520(e)(5).

## 2 CFR Ch. XI (1–1–22 Edition)

#### §1125.437 What method do I use to communicate to a participant the requirements described in the OMB guidance at 2 CFR 180.435?

You as a DoD Component official must include a term or condition in each covered transaction into which you enter, to communicate to the participant the requirements to—

(a) Comply with subpart C of 2 CFR part 180, as supplemented by subpart C of this part; and

(b) Include a similar term or condition in any lower-tier covered transactions into which the participant enters.

## §1126.1 Purposes of this subchapter.

This subchapter of the DoD Grant and Agreement Regulations:

(a) Addresses general terms and conditions governing administrative requirements for use by DoD Components when awarding cost-type grants and cooperative agreements to institutions of higher education, nonprofit organizations, States, local governments, and Indian tribes. It does so by providing:

(1) A standard organization of the administrative requirements into articles of general terms and conditions, each of which is in a specific subject area.

(2) Standard wording for those articles; and

(3) Associated prescriptions for DoD Component's use of the standard wording to construct their general terms and conditions, which allow for adding, omitting, or varying in other ways from the standard wording in certain situations.

(b) Thereby implements OMB guidance in 2 CFR part 200 as it relates to general terms and conditions of grants and cooperative agreements to institutions of higher education, nonprofit organizations, States, local governments, and Indian tribes.

## §1126.2 Applicability of this subchapter.

(a) *Entities*. This subchapter:

(1) Applies to DoD Components that award cost-type grants and cooperative agreements to institutions of higher education, nonprofit organizations, States, local governments, and Indian tribes.

(2) Does not directly impose requirements on a recipient of a DoD Component's award but does do so indirectly, through the DoD Component's compliance with this subchapter when it constructs its general award terms and conditions. The terms and conditions delineate the rights and responsibilities of the recipient and the Federal Government under the award.

(b) Awards. This subchapter applies to DoD Components' cost-type grants and cooperative agreements to types of entities identified in paragraph (a)(1) of this section, other than Technology Investment Agreements that are addressed in 32 CFR part 37.

#### §1126.3 Exceptions from requirements in this subchapter.

(a) Exceptions that are not permitted. A DoD Component may not grant any exception to the requirements in this subchapter if the exception is:

(1) Prohibited by statute, executive order, or regulation;

(2) Inconsistent with the OMB implementation of the Single Audit Act in Subpart F of 2 CFR part 200.

(b) Other exceptions. Other exceptions are permitted from requirements in this subchapter for institutions of higher education, nonprofit organizations, States, local governments, and Indian tribes as follows:

(1) Statutory or regulatory exceptions. A DoD Component's general terms and conditions may incorporate a requirement that is inconsistent with the requirements in this subchapter if that requirement is specifically authorized or required by a statute or regulation

## §1126.4

adopted in the Code of Federal Regulations after opportunity for public comment.

(2) Individual exceptions. The Head of the DoD Component or his or her designee may approve an individual exception affecting only one award in accordance with procedures stated in 32 CFR 21.340.

(3) Small awards. A DoD Component's terms and conditions for small awards may apply less restrictive requirements than those specified in this subchapter (a small award is an award for which the total value of obligated funding through the life of the award is not expected to exceed the simplified acquisition threshold).

(4) Other class exceptions. The Assistant Secretary of Defense for Research and Engineering or his or her designee may approve any class exception affecting multiple awards other than small awards, with OMB concurrence if the class exception is for a requirement that is inconsistent with OMB guidance in 2 CFR part 200. Procedures for

## 2 CFR Ch. XI (1–1–22 Edition)

DoD Components' requests for class exceptions are stated in 32 CFR 21.340.

#### §1126.4 Relationship to other portions of the DoD grant and agreement regulations.

The administrative requirements specified in this subchapter complement:

(a) Provisions of 32 CFR part 34 that address administrative requirements for DoD Components' grants and cooperative agreements to for-profit entities; and

(b) Requirements in 32 CFR part 37 for technology investment agreements.

## §1126.6 Organization of the other parts of this subchapter.

(a) Each of parts 1128 through 1138 of this subchapter is organized into subparts and appendices.

(1) Each appendix provides the standard wording of general terms and conditions for one of the articles of general terms and conditions that the part addresses.

(2) For each appendix addressing a particular article, the part has an associated subpart that provides the prescription for DoD Components' use of the standard wording for that article.

(b) For example, Table 1 to §1126.5 indicates that 2 CFR part 1128 provides the standard wording of general terms and conditions for FMS Articles I through VII and the prescriptions for DoD Components' use of that standard wording.

(1) FMS Article I on financial management system standards is the first of the articles that 2 CFR part 1128 covers. Appendix A to 2 CFR part 1128 provides the standard wording of general terms and conditions for FMS Article I. The associated subpart of 2 CFR part 1128, subpart A, provides the prescription for DoD Components' use of the standard wording of that article.

(2) Appendices B through G of 2 CFR part 1128 provide the standard wording of general terms and conditions for FMS Articles II through VII, respectively. The associated subparts, Subparts B through G, provide the corresponding prescriptions for DoD Components.

## §1128.105 Content of FMS Article I.

(a) *Requirement*. A DoD Component's general terms and conditions must address requirements for recipients' financial management systems.

(b) Award terms and conditions—(1) General. Except as provided in paragraph (b)(2) of this section, a DoD Component's general terms and conditions must include the wording appendix A to this part provides for FMS Article I.

(2) *Exceptions*. A DoD Component's general terms and conditions may:

(i) Reserve Section A of FMS Article I if the DoD Component determines that it is not possible that any States will receive:

(A) DoD Component awards using those general terms and conditions; or

(B) Subawards from recipients of DoD Component awards using those general terms and conditions.

(ii) Reserve paragraph B.6 of FMS Article I if the DoD Component determines that it will not require recipients of awards using those general terms and conditions to relate financial data to performance accomplishments (*e.g.*, through unit costs). Because the nature of research makes the use of unit costs and other relationships between financial data and performance accomplishments generally inappropriate, DoD Components should reserve paragraph B.6 in general terms and conditions for awards supporting research.

# Subpart B—Payments (FMS Article II)

## §1128.200 Purpose of FMS Article II.

FMS Article II contains requirements related to payments under an award. It thereby implements OMB guidance in 2 CFR 200.305.

#### §1128.205 Content of FMS Article II.

(a) *Requirement*. A DoD Component's general terms and conditions must address payment method; payment timing and amounts, which relate to cash

management; frequency of payment requests; and matters related to recipients' depositories, including interest earned on advance payments.

(b) Award terms and conditions. A DoD Component's general terms and conditions must include the wording appendix B to this part provides for FMS Article II with appropriate additions, deletions, and substitutions as described in §§ 1128.210 through 1128.220.

## §1128.210 Payment requirements for States.

(a) Policy. Payments to States are subject to requirements in Department of the Treasury regulations at 31 CFR part 205 that implement the Cash Management Improvement Act. Those regulations are in two subparts with distinct requirements that apply to different programs:

(1) Subpart A of 31 CFR part 205 contains requirements for payments to States under "major programs," as defined in that part. The Department of the Treasury negotiates Treasury-State agreements for major programs. Those agreements specify the appropriate timing and amounts of payments. They further specify a State's interest liability if it receives an advance payment too many days before it disburses the funds for program purposes, as well as the Federal Government's interest liability if it reimburses the State too many days after the State disburses the funds. Most DoD awards to States are not under major programs, so Subpart A applies relatively infrequently.

(2) Subpart B of 31 CFR part 205 applies to all other DoD grants and cooperative agreements to States—*i.e.*, awards that are not under major programs.

(b) Award terms and conditions—(1) General. Because few DoD awards to States are under major programs, appendix B to this part includes wording for Section A of FMS Article II that specifies the requirements of Subpart B of 31 CFR part 205. A DoD Component's general terms and conditions must include this wording for Section A of FMS Article II if no award using those terms and conditions will be made to a State under a program designated as a 2 CFR Ch. XI (1-1-22 Edition)

major program in the applicable Treasury-State agreement.

(2) Exception for awards under major programs. If a DoD Component is establishing general terms and conditions that will be used for awards to States, only some of which are subject to requirements for major programs in Subpart A of 31 CFR part 205, then the DoD Component should:

(i) Use appendix B's wording for Section A of FMS Article II in its general terms and conditions; and

(ii) In each award subject to Subpart A of 31 CFR part 205, include awardspecific terms and conditions that make payments to the recipient subject to the requirements in Subpart A of 31 CFR part 205 and the applicable Treasury-State agreement, thereby overriding the wording of Section A of FMS Article II.

### § 1128.215 Payment requirements for institutions of higher education, nonprofit organizations, local governments, and Indian tribes.

(a) Policy. OMB guidance in 2 CFR 200.305 addresses the use of three payment methods for grants and cooperative agreements—advance payments, reimbursement, and working capital advances. Two of the methods pertain to a DoD Component's general terms and conditions, as described in paragraphs (a)(1) and (2) of this section.

(1) Advance payments. With the possible exception of construction awards, as provided in paragraph (a)(2) of this section, a DoD Component's general terms and conditions must authorize each recipient to request payments in advance as long as the recipient maintains, or demonstrates the willingness to maintain, both:

(i) Written procedures that minimize the time elapsing between its receipt of funds from the Federal Government and its disbursement of the funds for project or program purposes; and

(ii) Financial management systems that meet the standards for fund control and accountability specified in the wording of FMS Article I (see Subpart A and appendix A to this part).

(2) Reimbursement. A DoD Component's general terms and conditions may specify the reimbursement method if the awards using those terms and

conditions will support construction projects financed in whole or in part by the Federal Government.

(b) Award terms and conditions—(1) General. Appendix B provides wording for Section B of FMS Article II that a DoD Component:

(i) Must use in general terms and conditions for non-construction awards to authorize recipients to request advance payments; and

(ii) May use in general terms and conditions for construction awards if it elects to authorize recipients of those awards to request advance payments.

(2) Alternative award terms and conditions. A DoD Component may develop an alternative to appendix B's wording for Section B of FMS Article II to use in general terms and conditions for construction awards, if it elects to specify reimbursement as the payment method for those awards. The alternative:

(i) Would replace appendix B's wording for paragraph B.1 with wording to specify the reimbursement method of payment;

(ii) Must include appendix B's wording for paragraphs B.2.b and c, B.4, and B.5, which may be renumbered as appropriate, because those paragraphs apply to reimbursements as well as advance payments;

(iii) Should omit appendix B's wording for paragraphs B.2.a, B.3, and B.6 because those paragraphs apply specifically to advance payments; and

(iv) Must inform recipients that the DoD payment office generally makes payment within 30 calendar days after receipt of the request for reimbursement by the award administration office, unless the request is reasonably believed to be improper.

#### §1128.220 Electronic funds transfer and other payment procedural instructions or information.

(a) Policy. A DoD Component's general terms and conditions must specify that payments will be made by electronic funds transfer (EFT) unless a recipient is excepted in accordance with Department of the Treasury regulations at 31 CFR part 208 from the Governmentwide requirement to use EFT.

(b) Award terms and conditions—(1) Electronic funds transfer. Appendix B provides wording for Section C of FMS Article II that a DoD Component must use to specify payment by EFT, when awards are not excepted from the Governmentwide requirement.

(2) Other payment procedures or instructions. A DoD Component may insert one or more paragraphs in its general terms and conditions in lieu of the reserved paragraph C.2 in appendix B, to provide procedural instructions or information regarding payments that is common to awards using those terms and conditions. For example, it may insert wording to give detailed instructions on where and how recipients are to submit payment requests. All forms, formats, and data elements for payment requests must be OMB-approved information collections.

## Subpart C—Allowable Costs, Period of Availability of Funds, and Fee or Profit (FMS Article III)

## §1128.300 Purpose of FMS Article III.

FMS Article III of the general terms and conditions specifies what costs are allowable as charges to awards and when they are allowable. It also specifies restrictions on payment of fee or profit. It thereby implements OMB guidance in §§ 200.209 and 200.309 and Subpart E of 2 CFR part 200. It also implements 2partially CFR. 200.201(b)(1) and 200.323(c), as those sections apply to the cost principles to be used in relation to subawards and contracts, respectively.

### §1128.305 Content of FMS Article III.

(a) *Requirement*. A DoD Component's general terms and conditions must address allowability of costs and permissibility of fee or profit.

(b) Award terms and conditions. A DoD Component's general terms and conditions must include the wording appendix C to this part provides for FMS Article III with appropriate reservations as described in §§1128.310 through 1128.325.

#### §1128.310 Cost principles.

(a) *Policy*. The set of Governmentwide cost principles applicable to a particular entity type governs the allowability of costs that may be:

(1) Charged to each cost-type:

(i) DoD grant or cooperative agreement to a recipient of that entity type;

(ii) Subaward to a subrecipient of that entity type at any tier below a DoD grant or cooperative agreement; and

(iii) Procurement transaction with a contractor of that entity type awarded by a recipient of a DoD grant or cooperative agreement or a subrecipient that received a subaward at any tier below that grant or cooperative agreement.

(2) Considered in establishing the amount of any:

(i) Fixed-amount subaward, at any tier under a grant or cooperative agreement, to a subrecipient of that entity type; or

(ii) Fixed-price procurement transaction with a contractor of that entity type that is awarded by either a recipient of a DoD grant or cooperative agreement or a subrecipient that received a subaward at any tier below that grant or cooperative agreement.

(b) Award terms and conditions—(1) General. Because almost all DoD grants and cooperative agreements are costtype awards, appendix C includes wording for Section A of FMS Article III that specifies use of the applicable Governmentwide cost principles in the determination of the allowability of costs.

(2) Exception. A DoD Component may reserve any paragraph of appendix C's wording for Section A of FMS Article III in its general terms and conditions if the Component is certain that no entities of the type to which the paragraph applies could be recipients of awards using those general terms and conditions or recipients of subawards or procurement transactions at any tier under those awards.

## §1128.315 Clarification concerning allowability of publication costs.

(a) *Requirement*. A DoD Component's general terms and conditions must clarify that a recipient must charge publication costs consistently as either

## 2 CFR Ch. XI (1-1-22 Edition)

direct or indirect costs in order for those costs to be allowable charges to DoD grants and cooperative agreements.

(b) Award terms and conditions—(1) General. To clarify the allowability of publication costs, a DoD Component's general terms and conditions must include the wording appendix C to this part provides for Section B of FMS Article III.

(2) Exception. A DoD Component may instead reserve Section B of FMS Article III in its general terms and conditions if the DoD Component determines that there will be no publication costs under any of the awards using those general terms and conditions.

## §1128.320 Period of availability of funds.

(a) *Requirement*. A DoD Component's general terms and conditions must specify the period during which Federal funds are available for obligation by recipients for project or program purposes.

(b) Award terms and conditions. A DoD Component's general terms and conditions must include the wording appendix C to this part provides for Section C of FMS Article III to specify the period of availability of funds.

## §1128.325 Fee or profit.

(a) *Requirement*. A DoD Component's general terms and conditions must specify that recipients may neither receive fee or profit nor pay fee or profit to subrecipients.

(b) Award terms and conditions. A DoD Component must use the wording appendix C to this part provides for Section D of FMS Article III to specify the limitation on payment of fee or profit.

## Subpart D—Revision of Budget and Program Plans (FMS Article IV)

## §1128.400 Purpose of FMS Article IV.

FMS Article IV of the general terms and conditions specifies requirements related to changes in recipients' budget and program plans. It thereby implements OMB guidance in §200.308 of 2 CFR part 200 and partially implements §200.209 and Subpart E of that part.

## §1128.405 Content of FMS Article IV.

(a) Requirement. A DoD Component's general terms and conditions must specify the changes in budget and program plans for which a recipient is required to request DoD Component prior approval and the procedures for submitting those requests.

(b) Award terms and conditions. A DoD Component's general terms and conditions must include as FMS Article IV the §wording appendix D to this part provides, with any revisions to the wording that are authorized by §§1128.410 through 1128.430.

## §1128.410 Approved budget.

(a) *OMB guidance*. As described in 2 CFR 200.308(a), the approved budget for a grant or cooperative agreement may include both the Federal and non-Federal shares of funding under the award or only the Federal share.

(b) *DoD implementation*. For DoD grants and cooperative agreements, the approved budget includes the Federal share and any cost sharing or matching that the recipient is required to provide under the award.

(c) Award terms and conditions. A DoD Component's general terms and conditions therefore must include the wording appendix D to this part provides for Section A of FMS Article IV.

#### §1128.415 Prior approvals for non-construction activities.

(a) OMB guidance. OMB guidance in 2 CFR 200.308(c) through (e) addresses prior approval requirements for revisions of a recipient's budget and program plans under a non-construction grant or cooperative agreement, which includes, for the purposes of this section, non-construction activities under an award that supports both construction and non-construction.

(b) DoD implementation of the guidance. The following paragraphs (c) through (g) of this section provide details of the DoD implementation of the guidance in 2 CFR 200.308(c) through (e) and paragraph (h) specifies the corresponding award terms and conditions. A DoD Component's general terms and conditions for non-construction awards may require additional prior approvals for budget and program revisions (*i.e.*, prior approvals other than those authorized by this subpart) only in accordance with the exceptions provisions of 2 CFR 1126.3.

(c) Scope or objective, cost sharing or matching, and additional Federal funds. A DoD Component's general terms and conditions for non-construction awards must require that a recipient obtain DoD Component prior approval:

(1) For a change in scope or objective of the project or program, as described in 2 CFR 200.308(c)(1)(i).

(2) For any change in the cost sharing or matching included in the approved budget for which FMS Article VI requires prior approval, as described in OMB guidance at 2 CFR 200.308(c)(1)(vii).

(3) If the need arises for additional Federal funds to complete the project or program, as described in 2 CFR 200.308(c)(1)(viii).

(d) Personnel changes, disengagements, or reductions in time. A DoD Component must include the following prior approval requirements in general terms and conditions of research awards and may include them in general terms and conditions of other non-construction awards:

(1) A change in a key person, as described in 2 CFR 200.308(c)(1)(ii).

(2) A principal investigator's or project director's disengagement from, or reduction in time devoted to, the project or program, as described in 2 CFR 200.308(c)(1)(iii).

(e) Costs requiring prior approval under the cost principles. With respect to waivers of prior approvals required by the cost principles, as described in 2 CFR 200.308(c)(1)(iv):

(1) Any waiver of a cost principles requirement for prior approval by a recipient entity's cognizant agency for indirect costs is appropriately addressed in award-specific terms and conditions, rather than general terms and conditions, because the general terms and conditions must be appropriate for use in awards to multiple recipient entities.

(2) A DoD Component may waive requirements in the cost principles for recipients to request prior approval before charging certain costs as direct costs to awards. However, the DoD Component should carefully consider each prior approval requirement individually and decide:

(i) Which, if any, to waive; and

(ii) Whether to make the waiver of the prior approval requirement contingent on specified conditions (e.g., a DoD Component might waive the prior approval required for direct charging of special purpose equipment purchases under an award but elect to waive it only up to a certain dollar value).

(f) *Transfers of funds and subawards*. A DoD Component's general terms and conditions for non-construction awards may include prior approval requirements for:

(1) Transfers of funds for participant support costs, as described in 2 CFR 200.308(c)(1)(v).

(2) Subawarding of work under an award, as described in 2 CFR 200.308(c)(1)(vi).

(3) Transfers of funds among direct cost categories, as described in 2 CFR 200.308(e), but the wording in the general terms and conditions must make clear that the prior approval requirement applies only to awards using those terms and conditions if the Federal share of the total value is in excess of the simplified acquisition threshold. As a matter of DoD policy, requiring prior approvals for transfers among direct cost categories generally is not appropriate for the general terms and conditions of grants and cooperative agreements that support research.

(g) Pre-award costs, carry forward of unobligated balances, and no-cost extensions. (1) A DoD Component's general terms and conditions may authorize recipients to incur project costs up to 90 calendar days prior to the beginning date of the period of performance, at their own risk, as described in 2 CFR  $200.308(\mbox{d})(1).$  OMB guidance in 2 CFR 200.308(d)(4) makes that authorization the default policy for research awards. Therefore, a DoD Component must use this policy in general terms and conditions for research awards unless exceptional circumstances provide the basis for overriding that policy.

(2) If a DoD Component's general terms and conditions are used for awards that have multiple periods of performance, the DoD Component should authorize recipients to carry 2 CFR Ch. XI (1-1-22 Edition)

forward unobligated balances to subsequent periods of performance, as described in 2 CFR 200.308(d)(3), unless there are compelling reasons not to do so.

(3) A DoD Component's general terms and conditions may authorize recipients to initiate one-time extensions in the periods of performance of their awards by up to 12 months, subject to the conditions described in 2 CFR 200.308(d)(2), but only if the DoD Component judges that authorizing no-cost extensions for awards using the general terms and conditions will not cause the DoD Component to fail to comply with DoD funding policies (e.g., the incremental program budgeting and execution policy for research funding) contained in Volume 2A of the DoD Financial Management Regulation, DoD 7000.14-R.

(h) Award terms and conditions. Appendix D to this part provides wording for inclusion in Section B of a DoD Component's general terms and conditions in accordance with paragraphs (c) through (g) of this section. Specifically:

(1) In accordance with paragraph (c) of this section, a DoD Component's general terms and conditions for nonconstruction awards must include the wording that appendix D provides for paragraphs B.1.a and B.1.i of FMS Article IV and, if there will be cost sharing or matching required under any awards using the general terms and conditions, paragraph B.1.g.

(2) In accordance with paragraph (d) of this section, a DoD Component's general terms and conditions for research awards must include the wording that appendix D provides for paragraphs B.1.b and B.1.c of FMS Article IV. A DoD Component also may include paragraphs B.1.b and B.1.c in general terms and conditions for other nonconstruction awards.

(3) In accordance with paragraph (e) of this section, a DoD Component's general terms and conditions for nonconstruction awards must include the wording that appendix D provides for paragraph B.1.d of FMS Article IV unless the DoD Component decides to waive any requirements in the applicable cost principles for recipients to obtain prior approval before including

certain types of costs as direct charges to awards. If a DoD Component elects to waive any of those prior approval requirements, it must add wording to paragraph B.1.d to identify the specific types of costs for which recipients need not obtain DoD Component prior approval (thereby leaving in place the other prior approval requirements in the cost principles).

(4) In accordance with paragraphs (f) and (g) of this section, a DoD Component's general terms and conditions for non-construction awards may include the wording that appendix D provides for paragraphs B.1.e, B.1.f, and B.1.h (except as noted for research awards in paragraph (f)(3) of this section) and Section C of FMS Article IV. A DoD Component may modify the wording as specified in paragraphs (f) and (g) of this section (e.g., to limit the authorization for pre-award costs in non-construction awards other than research to a period of less than 90 calendar days prior to the beginning date of the period of performance).

(5) If no awards using a DoD Component's general terms and conditions will support non-construction activities, the DoD Component may reserve section B.1 of the wording that appendix D provides for FMS Article IV.

#### §1128.420 Prior approvals for construction activities.

(a) OMB guidance. OMB guidance in 2 CFR 200.308(g)(1) through (4) addresses prior approval requirements for revisions of a recipient's budget and program plans under a construction grant or cooperative agreement or construction activities under an award that supports both construction and nonconstruction activities.

(b) DoD implementation of the guidance. DoD implements the guidance in 2 CFR 200.308(g)(1) through (4) through terms and conditions of awards for construction. A DoD Component's general terms and conditions for construction awards may require additional prior approvals for budget and program revisions (*i.e.*, prior approvals other than those authorized by this subpart) only in accordance with the exceptions provisions of 2 CFR 1126.3.

(c) Award terms and conditions. In a DoD Component's general terms and

conditions for construction awards or awards supporting construction activities, the DoD Component:

(1) Must include the wording that appendix D to this part provides for paragraph B.2 of FMS Article IV.

(2) May reserve or remove the wording appendix D to this part provides for paragraph B.1 and Section C of FMS Article IV unless some awards using the general terms and conditions will also support non-construction activities (if the DoD Component elects to remove Section C, it should redesignate Section D in the article as Section C).

#### §1128.425 Additional prior approval for awards that support both nonconstruction and construction activities.

(a) *OMB guidance*. Guidance on an additional prior approval requirement for grants or cooperative agreements that support both construction and non-construction activities is contained in 2 CFR 200.308(g)(5).

(b) *DoD implementation of the guidance*. DoD implements the guidance in 2 CFR 200.308(g)(5) through terms and conditions for awards that support both non-construction and construction activities.

(c) Award terms and conditions. If a DoD Component establishes general terms and conditions for awards that support both non-construction and construction activities, the DoD Component may add the prior approval requirement for funding or budget transfers between construction and non-construction activities that is described in OMB guidance in 2 CFR 200.308(g)(5). The wording that appendix D to this part provides for Section B of FMS Article IV includes a reserved paragraph B.3 in which the DoD Component may add appropriate wording to include that prior approval requirement.

# §1128.430 Procedures for prior approvals.

(a) *OMB guidance*. Guidance on procedures related to recipient requests for prior approval is contained in 2 CFR 200.308(h) and (i).

(b) *DoD implementation of the guidance.* DoD implements the guidance in 2 CFR 200.308(h) and (i) for prior approval requests through award terms and conditions.

(c) *Award terms and conditions*. A DoD Component must:

(1) Include the wording appendix D to this part provides for paragraph D.1 of FMS Article IV of its general terms and conditions.

(2) Insert appropriate wording in lieu of the reserved paragraph D.2 that appendix D to this part includes in FMS Article IV to specify:

(i) The format the recipient must use when it requests approval for budget revisions. As described in 2 CFR 200.308(h), the award term may allow the recipient to submit a letter of request or otherwise must specify that the recipient use the same format it used for budget information in its application or proposal.

(ii) Any other procedural instructions related to requests for prior approvals for budget or program revisions (e.g., to whom requests must be submitted) that are common to the awardsusing the general terms and conditions.For procedural instructions that willvary from one award to another, it isappropriate to include wording thatpoints to the award-specific terms andconditions as the source of the information.

# Subpart E—Non-Federal Audits (FMS Article V)

#### §1128.500 Purpose of FMS Article V.

FMS Article V of the general terms and conditions specifies requirements related to audits required under the Single Audit Act, as amended (31 U.S.C., chapter 75). The article thereby implements for grants and cooperative agreements the OMB guidance in Subpart F of 2 CFR part 200.

## §1128.505 Content of FMS Article V.

(a) *Requirement*. A DoD Component's general terms and conditions must address audit requirements.

(b) Award terms and conditions—(1) General. A DoD Component's general terms and conditions must include the wording appendix E to this part provides for FMS Article V.

(2) *Exception*. A DoD Component may reserve Section B of the wording in ap-

2 CFR Ch. XI (1-1-22 Edition)

pendix E if there will be no subawards to for-profit entities under any award using those terms and conditions.

# Subpart F-Cost Sharing or Matching (FMS Article VI)

### §1128.600 Purpose of FMS Article VI.

FMS Article VI sets forth requirements concerning recipients' cost sharing or matching under awards. It thereby implements OMB guidance in:

(a) 2 CFR 200.306 and 200.308(c)(1)(vii); and

(b) 2 CFR 200.434, in conjunction with FMS Article III in appendix C to this part.

# §1128.605 Content of FMS Article VI.

(a) Requirement. A DoD Component's general terms and conditions for awards under which there may be required cost sharing or matching must specify the criteria for determining allowability, methods for valuation, and requirements for documentation of cost sharing or matching.

(b) Award terms and conditions—(1) General. A DoD Component's general terms and conditions must include as FMS Article VI the wording appendix F to this part provides, with any revisions to the wording that are authorized by §§ 1128.610 through 1128.635.

(2) Exception. A DoD Component may reserve FMS Article VI of its general terms and conditions if it determines that there will be no cost sharing or matching required under any of the awards using those terms and conditions.

# §1128.610 General requirement for cost sharing or matching.

(a) *Requirement*. (1) FMS Article VI of the general terms and conditions must tell a recipient that:

(i) It may find the amount or percentage of cost sharing or matching required under its award in the award cover pages.

(ii) The cost sharing or matching amount or percentage identified in the award includes all required (but not voluntary uncommitted) contributions to the project or program by the recipient and its subrecipients, including any that involve third-party contributions

or donations to the recipient and sub-recipients.

(iii) It must obtain the DoD Component's prior approval for any change in the required amount or percentage of cost share or match.

(2) At a DoD Component's option, FMS Article VI also may require a recipient to obtain the DoD Component's prior approval if it wishes to substitute alternative cost sharing or matching contributions in lieu of specific contributions included in the approved budget (*e.g.*, to use a third-party inkind contribution not included in the approved budget).

(b) Award terms and conditions. To implement paragraph (a) of this section, a DoD Component's general terms and conditions must include the wording appendix F to this part provides as Section A of FMS Article VI. A DoD Component may insert wording in lieu of the reserved paragraph A.2.b if it elects to require recipients to obtain prior approval before substituting alternative cost sharing or matching contributions, as described in paragraph (a)(2) of this section.

#### §1128.615 General criteria for determining allowability as cost sharing or matching.

(a) *OMB guidance*. The OMB guidance in 2 CFR 200.306(b) lists the basic criteria for the allowability of cost sharing or matching under grants and cooperative agreements.

(b) Award terms and conditions—(1) General. A DoD Component's general terms and conditions must include the wording appendix F to this part provides as Section B of FMS Article VI to specify the allowability of cash or third-party in-kind contributions as cost sharing or matching.

(2) Exception. A DoD Component may reserve paragraph B.4 of Section B of FMS Article VI in its general terms and conditions, or replace it with appropriate alternative wording, if the DoD Component has statutory authority to accept costs reimbursed by other Federal awards as cost sharing or matching under the awards using its general terms and conditions.

### §1128.620 Allowability of unrecovered indirect costs as cost sharing or matching.

(a) *OMB guidance*. The OMB guidance in 2 CFR 200.306(c) provides that unrecovered indirect costs may only be included as part of cost sharing and matching with the prior approval of the Federal awarding agency.

(b) DoD implementation. DoD Components must allow any recipient that either has an approved negotiated indirect cost rate or is using the de minimis rate described in 2 CFR 200.414(f) to count unrecovered indirect costs toward any required cost sharing or matching under awards. The basis for this policy is that recipients' indirect costs that are allowable and allocable to DoD projects and programs are legitimate costs of carrying out those projects and programs.

(c) Award terms and conditions. To implement the policy in paragraph (b) of this section, a DoD Component's general terms and conditions must include the wording appendix F to this part provides as Section C of FMS Article VI unless a statute requires otherwise.

#### § 1128.625 Allowability of program income as cost sharing or matching.

(a) OMB guidance. OMB guidance in 2 CFR 200.307(e)(3) specifies that, with the prior approval of the Federal awarding agency, recipients may use program income to meet cost sharing or matching requirements of their awards.

(b) Award terms and conditions—(1) General. A DoD Component's general terms and conditions must include the wording appendix F to this part provides as Section D of FMS Article VI if, in FMS Article VII of those terms and conditions, the DoD Component specifies that recipients dispose of program income using either:

(i) The cost sharing or matching alternative described in paragraph (b)(1)(iii) of §1128.720; or

(ii) A combination alternative, as described in paragraph (b)(1)(iv) of §1128.720, that includes use of at least some program income as cost sharing or matching.

(2) *Exception*. A DoD Component may reserve Section D of FMS Article VI if FMS Article VII of those terms and conditions does not provide that recipients will use any program income as cost sharing or matching.

#### §1128.630 Valuation of services or property contributed or donated by recipients or subrecipients.

(a) *OMB guidance*. OMB guidance in 2 CFR 200.306(d) specifies:

(1) That values for recipients' and subrecipients' contributions of services or property toward cost sharing or matching must be established in accordance with the cost principles in Subpart E of 2 CFR part 200; and

(2) Types of projects or programs under which recipients' or subrecipients' donations of buildings or land are allowable as cost sharing or matching, with the prior approval of the Federal awarding agency, and how the donations are to be valued in those cases.

(b) *DoD implementation*. DoD implements the guidance in 2 CFR 200.306(d) through award terms and conditions, with the following clarifications:

(1) Cost principles to be used for valuation. (i) Values for recipients' and subrecipients' contributions of services or property toward cost sharing or matching must be established in accordance with the cost principles applicable to the entity making the contribution.

(ii) Consistent with the cost principles, what generally should be charged to awards for real property and equipment is depreciation rather than allowing a recipient's or subrecipient's donation of the property (*i.e.*, counting the full value of the property toward cost sharing or matching). However, depreciation included in a recipient's or subrecipient's indirect costs is not appropriate for counting as cost sharing or matching under an individual award.

(2) Donations of property to projects or programs under awards. (i) In addition to donations of buildings or land described in 2 CFR 200.306(d), recipients and subrecipients may, with the prior approval of the DoD Component, donate other capital assets described in the cost principles in 2 CFR 200.439(b)(1) through (3). The basis for clarifying that recipients may donate other capital assets to projects or programs under awards is that, with the DoD Component's approval: 2 CFR Ch. XI (1–1–22 Edition)

(A) Capital expenditures to acquire those types of capital assets are allowable as direct charges to awards; and

(B) The costs therefore satisfy the allowability criterion in 2 CFR 200.306(b)(4) and can qualify as cost sharing or matching if they meet the other criteria listed in 2 CFR 200.306(b).

(ii) However, when there are alternative ways for recipients to meet requirements for cost sharing or matching, DoD Components should not approve donations of capital assets to projects or programs under awards. Inclusion of the full value of a donated asset as project costs in the approved budget of an award is analogous to inclusion of the acquisition cost for an asset that is purchased under the award. Through the donation, the Federal Government acquires an interest in the donated asset that must be resolved at time of disposition of the asset, which is best avoided if possible.

(iii) Whenever a DoD Component permits a recipient to donate a capital asset to a project or program under an award, the DoD Component should inform the cognizant Federal agency that negotiates the indirect cost rate for that recipient. Doing so enables the cognizant agency to take the donation into account when it establishes the recipient's indirect cost rate, given that the recipient may not include depreciation for the donated asset as indirect costs that enter into the computation of that rate.

(c) Award terms and conditions—(1) General. A DoD Component's general terms and conditions must use the wording appendix F to this part provides as Section E of FMS Article VI.

(2) Exception. A DoD Component's general terms and conditions may reserve paragraph E.2 of the wording appendix F to this part provides if the DoD Component does not allow recipients to donate buildings, land, or other capital assets to projects or programs under awards using those terms and conditions.

#### §1128.635 Valuation of third-party inkind contributions.

(a) *OMB guidance*. OMB guidance in 2 CFR 200.306(e) through (j) and 2 CFR 200.434(b) through (g) specifies how to value and document various types of

third-party in-kind contributions for cost sharing or matching purposes.

(b) Award terms and conditions—(1) General. To implement the OMB guidance described in paragraph (a) of this section as it applies to valuation and documentation of third-party in-kind contributions, a DoD Component's general terms and conditions must use the wording Section VI of appendix F to this part provides as Section F of FMS Article VI.

(2) Exception. A DoD Component's general terms and conditions may reserve any paragraph of the wording appendix F to this part provides for Section F of FMS Article VI if the DoD Component determines that there will be no possibility of third-party in-kind contributions under awards using those terms and conditions.

# Subpart G-Program Income (FMS Article VII)

## §1128.700 Purpose of FMS Article VII.

FMS Article VII of the general terms and conditions specifies requirements for program income that recipients earn. The article thereby implements OMB guidance in 2 CFR 200.80 and 200.307.

## §1128.705 Content of FMS Article VII.

(a) Requirement. A DoD Component's general terms and conditions must address the kinds of income included as program income, the way or ways in which a recipient may use it, the duration of the recipient's accountability for it, and related matters.

(b) Award terms and conditions. A DoD Component's general terms and conditions must include as FMS Article VII the wording appendix G to this part provides, unless, as authorized by §§ 1128.710 through 1128.725, there are revisions to the wording of Sections A and E of the article or Section D is reserved.

#### §1128.710 What program income includes.

(a) *OMB guidance*. Under the definition of "program income" at 2 CFR 200.80 and related OMB guidance at 2 CFR 200.307, an agency's regulations or terms and conditions of grants and cooperative agreements may include as program income:

(1) Rebates, credits, discounts, and interest earned on any of them; and

(2) Taxes, special assessments, levies, fines and other similar revenue raised by a governmental recipient.

(b) DoD implementation. Unless a statute or program regulation adopted in the Code of Federal Regulations after opportunity for public comment specifies otherwise, each DoD Component must exclude the types of income listed in paragraphs (a)(1) and (2) of this section from program income for which recipients are accountable to the Federal Government.

(c) Award terms and conditions — (1) General. Except as provided in paragraph (c)(2) of this section, a DoD Component must use the wording provided in appendix G to this part as Section A of FMS Article VII in its general terms and conditions. Doing so excludes the types of income listed in paragraphs (a)(1) and (2) of this section from program income for which recipients are accountable to the Federal Government.

(2) Exceptions. If a DoD Component has a statutory or regulatory basis for including either or both types of income described in paragraphs (a)(1) and (2) of this section, it may do so by appropriately revising the wording appendix G provides for Section A of FMS Article VII. For example, to include as program income:

(i) Rebates, credits, discounts, and interest earned on them, a DoD Component would reserve paragraph A.3.c and insert the wording of that paragraph as a new paragraph at the end of section A.2, thereby adding them to the list of items included as program income subject to FMS Article VII.

(ii) Taxes, special assessments, levies, fines and other similar revenue raised by a governmental recipient, a DoD Component would reserve paragraph A.3.d and insert that wording as a new paragraph at the end of section A.2, thereby adding them to the list of items included as program income subject to FMS Article VII.

#### §1128.715 Recipient obligations for license fees and royalties.

(a) *Policy*. Unless a statute or program regulation adopted in the Code of Federal Regulations after opportunity for public comment provides otherwise, a DoD Component's general terms and conditions may not specify that recipients have obligations to the Federal Government with respect to program income from license fees and royalties for patents or patent applications, copyrights, trademarks, or inventions produced under DoD awards.

(b) Award terms and conditions—(1) General. Except as provided in paragraph (b)(2) of this section, a DoD Component's general terms and conditions must implement the policy in paragraph (a) of this section by including the wording provided in appendix G to this part as Section D of FMS Article VII.

(2) *Exception*. If a DoD Component has a statutory or regulatory basis for establishing recipient obligations for the license fees and royalties described in paragraph (a) of this section, it may reserve Section D of FMS Article VII in its general terms and conditions.

#### §1128.720 Program income use.

(a) *OMB guidance*. OMB guidance in 2 CFR 200.307(e) identifies alternative ways that a Federal agency might specify that recipients use program income they earn.

(b) *DoD implementation*. A DoD Component's general terms and conditions must specify how recipients are to use program income under awards using those terms and conditions.

(1) The terms and conditions may specify one of the following ways for recipients to use program income:

(i) Addition. A recipient under this alternative adds program income to the total amount of the approved budget, which consists of the Federal share of funding and any required matching or cost sharing.

(ii) *Deduction*. A recipient using this alternative subtracts program income from total allowable costs to determine net allowable costs for purposes of determining the Federal share of funding and any required cost sharing or matching. 2 CFR Ch. XI (1–1–22 Edition)

(iii) Cost sharing or matching. Under this alternative, a recipient counts program income toward its required cost sharing or matching.

(iv) Combination. The fourth alternative is a combination of any of the three alternatives described in paragraphs (b)(1)(i) through (iii) of this section. For example, an agency might specify one alternative to be used for program income up to a dollar limit and a second alternative for any program income beyond that amount.

(2) For research awards, absent compelling reasons to do otherwise for a specific set of general terms and conditions, a DoD Component must specify the addition alternative described in paragraph (b)(1)(i) of this section.

(3) For general terms and conditions of other awards, a Component may specify any of the alternatives described in paragraph (a) of this section. However, the cost sharing or matching alternative is best used as part of a combination alternative, as described in paragraph (b)(1)(iv) of this section, unless the DoD Component knows at the time awards are made how much program income recipients will earn in relation to the amounts of their required cost sharing or matching.

(c) Award terms and conditions. (1) Default—addition alternative. In accordance with the DoD implementation in paragraph (b) of this section, a DoD Component must use the wording provided in appendix G to this part as Section E of FMS Article VII in:

(i) Research awards; and

(ii) Other awards for which it elects to specify the addition alternative for use of program income.

(2) Deduction alternative. A DoD Component electing to specify the deduction alternative for use of program income must modify the wording appendix G to this part provides for Section E by:

(i) Substituting the following wording for the wording of paragraph E.1: "1. You must use any program income that you earn during the period of performance under this award as a deduction from the total approved budget of this award. The program income must be used for the purposes and in accordance with the terms and conditions of the award."

(ii) Including an additional paragraph E.4, such as the following, to inform recipients how the award will change if program income is deducted: "If you report program income on the Federal Financial Report (SF-425), we will recalculate the Federal share of the budget and the non-Federal share if there is one. We also will modify the award to reflect the recalculated share or shares and the amount of program income you must spend on the project, which is the difference between the originally approved and recalculated budget amounts."

(3) Cost-sharing or matching alternative. A DoD Component electing to specify the cost-sharing or matching alternative for use of program income must replace the wording appendix G to this part provides for Section E with the following wording: "You must use any program income that you earn during the period of performance under this award to meet any cost-sharing or matching requirement under this award. The program income must be used for the purposes and in accordance with the terms and conditions of the award."

(4) A combination of alternatives. A DoD Component electing to specify some combination of addition, deduction, and cost-sharing or matching alternatives must use wording in Section E of FMS Article VII that specifies requirements for each alternative in the combination that is consistent with the requirements specified for that alternative in paragraphs (c)(1), (2), or (3) of this section.

# §1128.725 Program income after the period of performance.

(a) *OMB guidance*. OMB guidance in 2 CFR 200.307(f) provides that an agency may specify in agency regulations, grant or cooperative agreement terms and conditions, or agreements negotiated with recipients during the closeout process that a recipient is accountable to the Federal Government for program income earned after the end of the period of performance.

(b) *DoD implementation*. A DoD Component should rarely, if ever, establish a requirement for a recipient to be accountable to the Federal Government for program income earned after the end of the period of performance.

(c) Award terms and conditions. A DoD Component's general terms and conditions must include as Section F of FMS Article VII the wording for that section that is provided in appendix G to this part. That wording specifies that recipients are not accountable to the Federal Government for program income earned after the end of the performance period. If an exception is warranted for an individual award, the exception is properly addressed at the time of award in the award-specific terms and conditions.

#### APPENDIX A TO PART 1128—TERMS AND CONDITIONS FOR FMS ARTICLE I, "FINANCIAL MANAGEMENT SYSTEM STANDARDS"

Unless any part of this appendix is reserved, as provided in §1128.105, a DoD Component's general terms and conditions must include the following wording for FMS Article I.

FMS ARTICLE I. FINANCIAL MANAGEMENT SYSTEM STANDARDS. (DECEMBER 2014)

Section A. System standard for States. As a State, you must expend and account for funds under this award in accordance with:

1. Applicable State laws; and

2. To the extent they comply with the requirements of Section B of this Article, your procedures for expending and accounting for your own State funds.

Section B. System standards for all recipients. Your financial management system must provide for:

1. Inclusion, in your accounts, of the following information about each DoD grant or cooperative agreement that you receive:

a. That you received the award from DoD;

b. The number and title listed in the Catalog of Federal Domestic Assistance for the DoD program under which the award was made;

c. The DoD award number; and

d. The year (your fiscal year) in which you received the award.

2. Accurate, current, and complete disclosure of the financial results of the award needed to comply with financial and programmatic reporting requirements that are specified in REP Articles I and II of these general terms and conditions, as supplemented by any award-specific terms and conditions of this award concerning reporting requirements. If you are asked at any time under this award to report financial information on an accrual basis, you:

# Pt. 1128, App. A

## Pt. 1128, App. B

a. Need not establish an accrual accounting system if you maintain your records on a different basis; and

b. May develop the accrual data based on an analysis of the data you have on hand.

3. Records that identify adequately the sources of funds for all activities funded by DoD awards, including any required cost sharing or matching, and the application of those funds. This includes funding authorizations; your obligations and expenditures of the funds; unobligated balances; property and other assets under the award; program income; and interest.

4. Effective control over, and accountability for, all funds, property, and other assets under this award. You must adequately safeguard all assets and ensure they are used solely for authorized purposes (see Section C of this article for additional requirements concerning internal controls).

5. Comparison of expenditures under this award for project or program purposes with amounts in the approved budget for those purposes.

6. The ability to relate financial data to performance accomplishments under this award if you are required to do so by the programmatic reporting requirements in REP Article I of these general terms and conditions, as supplemented by any award-specific terms and conditions of this award concerning reporting requirements.

7. Written procedures:

a. To implement requirements specified in FMS Article II, "Payments;"

b. For determining the allowability of costs, which for this award are determined in accordance with FMS Article III, "Allowable costs, period of availability of funds, and fee or profit," of these general terms and conditions, as supplemented by any award-specific terms and conditions of this award that relate to allowability of costs.

Section C. Internal controls. Your system of internal controls must conform to OMB guidance in 2 CFR 200.303. With respect to paragraph (e) of 2 CFR 200.303, your internal control system must include measures to safeguard any information that Federal statute, Executive order, or regulation requires to be protected (e.g., personally identifiable or export controlled information), whether generated under the award or provided to you and identified as being subject to protection.

#### APPENDIX B TO PART 1128—TERMS AND CONDITIONS FOR FMS ARTICLE II, "PAYMENTS"

Unless a DoD Component adds, deletes, or modifies wording, as permitted by §§1128.210 through 1128.220, a DoD Component's general terms and conditions must include the following wording for FMS Article II.

# 2 CFR Ch. XI (1-1-22 Edition)

# FMS ARTICLE II. PAYMENTS. (DECEMBER 2014)

Section A. Awards to States. If the awardspecific terms and conditions of this award do not identify it as an award subject to Subpart A of 31 CFR part 205 (Department of the Treasury regulations implementing the Cash Management Improvement Act), then this award is subject to Subpart B of that part. Consistent with Subpart B of 31 CFR part 205:

1. Payment method, timing, and amounts. You must:

a. Minimize the time between your receipt of a payment under this award and your disbursement of those funds for program purposes.

b. Limit the amount of each advance payment request to the minimum amount you need to meet your actual, immediate cash requirements for carrying out the program or project.

c. Submit each advance payment request approximately 10 days before you anticipate disbursing the requested amount for program purposes, so that your receipt of the funds will be as close in time as is administratively feasible to your actual cash outlay for direct project costs and the proportionate share of any allowable indirect costs.

2. Interest. Unlike awards subject to Subpart A of 31 CFR part 205, neither you nor we will incur any interest liability due to a difference in timing between your receipt of payments under this award and your disbursement of those funds for project or program purposes.

Section B. Awards to institutions of higher education, nonprofit organizations, local governments, and Indian tribes.

1. Payment method. Unless the award-specific terms and conditions of this award provide otherwise, you are authorized to request advance payments under this award. That authorization is contingent on your continuing to maintain, or demonstrating the willingness to maintain, written procedures that minimize the time elapsing between your receipt of each payment and your disbursement of the funds for program purposes. Note that you are not required to request advance payments and may instead, at your option, request reimbursements of funds after you disburse them for project or program purposes.

2. Amounts requested. You must:

a. Limit the amount of any advance payment request to the minimum amount needed to meet your actual, immediate cash requirements for carrying out the purpose of the approved program or project, including direct project costs and a proportionate share of any allowable indirect costs.

b. Exclude from any payment request amounts you are withholding from payments

to contractors to assure satisfactory completion of the work. You may request those amounts when you make the payments to the contractors or to escrow accounts established to ensure satisfactory completion of the work.

c. Exclude from any payment request amounts from any of the following sources that are available to you for program purposes under this award: program income, including repayments to a revolving fund; rebates; refunds; contract settlements; audit recoveries; and interest earned on any of those funds. You must disburse those funds for program purposes before requesting additional funds from us.

3. Timing of requests. For any advance payment you request, you should submit the request approximately 10 days before you anticipate disbursing the requested amount for project or program purposes. With time for agency processing of the request, that should result in payment as close as is administratively feasible to your actual disbursements for project or program purposes.

4. Frequency of requests. You may request payments as often as you wish unless you have been granted a waiver from requirements to receive payments by electronic funds transfer (EFT). If you have been granted a waiver from EFT requirements, the award-specific terms and conditions of this award specify the frequency with which you may submit payment requests.

5. Withholding of payments. We will withhold payments for allowable costs under the award at any time during the period of performance only if one or more of the following applies:

a. We suspend either payments or the award, or disallow otherwise allowable costs, as a remedy under OAR Article III due to your material failure to comply with Federal statutes, regulations, or the terms and conditions of this award. If we suspend payments and not the award, we will release withheld payments upon your subsequent compliance. If we suspend the award, then amounts of payments are subject to adjustment in accordance with the terms and conditions of OAR Article III.

b. You are delinquent in a debt to the United States as defined in OMB Circular A-129, "Policies for Federal Credit Programs and Non-Tax Receivables," in which case we may, after reasonable notice, inform you that we will not make any further payments for costs you incurred after a specified date until you correct the conditions or liquidate the indebtedness to the Federal Government.

c. The award-specific terms and conditions of this award include additional requirements that provide for withholding of payments based on conditions identified during our pre-award risk evaluation, in which case you should have been notified about the nature of those conditions and the actions needed to remove the additional requirements.

6. Depository requirements.

a. There are no eligibility requirements for depositories you use for funds you receive under this award.

b. You are not required to deposit funds you receive under this award in a depository account separate from accounts in which you deposit other funds. However, FMS Article I requires that you be able to account for the receipt, obligation, and expenditure of all funds under this award.

c. You must deposit any advance payments of funds you receive under this award in insured accounts whenever possible and, unless any of the following apply, you must deposit them in interest-bearing accounts:

i. You receive a total of less than \$120,000 per year under Federal grants and cooperative agreements.

ii. You would not expect the best reasonably available interest-bearing account to earn interest in excess of \$500 per year on your cash balances of advance payments under Federal grants and cooperative agreements.

iii. The best reasonably available interestbearing account would require you to maintain an average or minimum balance higher than it would be feasible for you to do within your expected Federal and non-Federal cash balances.

iv. A foreign government or banking system precludes your use of interest-bearing accounts.

d. You may retain for administrative expenses up to \$500 per year of interest that you earn in the aggregate on advance payments you receive under this award and other Federal grants and cooperative agreements. You must remit annually the rest of the interest to the Department of Health and Human Services, Payment Management System, using the procedures set forth in OMB guidance in 2 CFR 200.305(b)(9).

Section C. Electronic funds transfer and other payment procedural instructions or information. 1. Electronic funds transfer. Unless the award-specific terms and conditions of this award provide otherwise, you will receive payments under this award by electronic funds transfer.

2. [Reserved]

#### APPENDIX C TO PART 1128—TERMS AND CONDITIONS FOR FMS ARTICLE III, "ALLOWABLE COSTS, PERIOD OF AVAILABILITY OF FUNDS, AND FEE OR PROFIT"

Unless a DoD Component reserves sections or paragraphs of this article, as permitted by §§1128.310 through 1128.325, a DoD Component's general terms and conditions must include the following wording for FMS Article III.

## Pt. 1128, App. C

FMS ARTICLE III. ALLOWABLE COSTS, PERIOD OF AVAILABILITY OF FUNDS, AND FEE OR PROFIT (DECEMBER 2014)

Section A. Allowable costs. This section. with the clarification provided in Section B, specifies which Federal cost principles must be used in determining the allowability of costs charged to this award, a subrecipient's costs charged to any cost-type subaward that you make under this award, and a contractor's costs charged to any cost-type procurement transaction into which you enter under this award. These cost principles also govern the allowable costs that you or a subrecipient of a subaward at any tier below this award may consider when establishing the amount of any fixed-amount subaward or fixed-price procurement transaction at the next lower tier. The set of cost principles to be used in each case depends on the type of entity incurring the cost under the award, subaward, or contract.

1. *General case*. If you, your subrecipient, or your contractor is:

a. An institution of higher education, the allowability of costs must be determined in accordance with provisions of Subpart E of OMB guidance in 2 CFR part 200 other than 2 CFR 200.400(g), supplemented by appendix III to that part.

b. A hospital, the allowability of costs must be determined in accordance with provisions of appendix IX to 2 CFR part 200, which currently specifies the cost principles in appendix IX to 45 CFR part 75 as the applicable cost principles.

c. A nonprofit organization other than a hospital or institution of higher education, the allowability of costs must be determined in accordance with provisions of Subpart E of OMB guidance in 2 CFR part 200 other than 2 CFR 200.400(g), supplemented by appendices IV and VIII to that part. In accordance with guidance in 2 CFR 200.401(c), a nonprofit organization listed in appendix VIII to 2 CFR part 200 is subject to the cost principles for for-profit entities specified in paragraph 1.e of this section.

d. A State, local government, or Indian tribe, the allowability of costs must be determined in accordance with applicable provisions of Subpart E of OMB guidance in 2 CFR part 200 other than 2 CFR 200.400(g), supplemented by appendices V through VII to that part.

e. A for-profit entity (other than a hospital) or a nonprofit organization listed in appendix VIII to 2 CFR part 200:

i. The allowability of costs must be determined in accordance with:

(A) The cost principles for commercial organizations in the Federal Acquisition Regulation (FAR) at Subpart 31.2 of 48 CFR part 31, as supplemented by provisions of the Defense Federal Acquisition Regulation Supplement (DFARS) at Subpart 231.2 of 48 CFR part 231; and 2 CFR Ch. XI (1–1–22 Edition)

(B) For a for-profit entity, the additional provisions on allowability of audit costs, in 32 CFR 34.16(f).

ii. The indirect cost rate to use in that determination is:

(A) The for-profit entity's federally negotiated indirect cost rate if it has one.

(B) Subject to negotiation between you and the for-profit entity if it does not have a federally negotiated indirect cost rate. The rate that you negotiate may provide for reimbursement only of costs that are allowable in accordance with the cost principles specified in paragraph A.1.e.i of this article.

2. Exception. You may use your own cost principles in determining the allowability of a contractor's costs charged to a cost-type procurement transaction under this award or in pricing for a fixed-price contract based on estimated costs—as long as your cost principles comply with the Federal cost principles that paragraph A.1 of this section identifies as applicable to the contractor.

Section B. Clarifications concerning charges for professional journal publications. For an entity that Section A of this article makes subject to the cost principles in Subpart E of 2 CFR part 200:

1. Costs of publishing in professional journals are allowable under 2 CFR 200.461(b) only if they are consistently applied across the organization. An organization may not charge costs of journal publications as direct costs to this award if it charges any of the same type of costs for other journal publications as indirect costs.

2. "Costs of publication or sharing of research results" in 2 CFR 200.461(b)(3) are the "charges for professional journal publications" described in 2 CFR 200.461(b) and subject to the conditions of 2 CFR 200.461(b)(1) and (2).

Section C. Period of availability of funds. You may charge to this award only:

1. Allowable costs incurred during the period of performance specified in this award, including any subsequent amendments to it;

2. Any pre-award costs that you are authorized (by either the terms and conditions of FMS Article IV or the DoD awarding official) to incur prior to the start of the period of performance, at your own risk, for purposes of the project or program under this award; and

3. Costs of publishing in professional journals incurred after the period of performance, as permitted under 2 CFR 200.461(b)(3), if:

a. We receive the request for payment for such costs no later than the date on which REP Article II requires you to submit the final financial report to us (or, if we grant your request for an extension of the due date, that later date on which the report is due); and

b. Your reported expenditures on the final financial report include the amount you disbursed for those costs.

Section D. Fee or profit.

 $1. \ {\rm You} \ {\rm may} \ {\rm not} \ {\rm receive} \ {\rm any} \ {\rm fee} \ {\rm or} \ {\rm profit} \ {\rm under this award}.$ 

2. You may not use funds available to you under this award to pay fee or profit to an entity of any type to which you make a subaward.

3. You may pay fee or profit to an entity with which you enter into a procurement transaction to purchase goods or general support services for your use in carrying out the project or program under the award.

#### APPENDIX D TO PART 1128—TERMS AND CONDITIONS FOR FMS ARTICLE IV, "REVISION OF BUDGET AND PROGRAM PLANS"

Unless a DoD Component reserves a section or paragraph or adds or modifies wording, as permitted by §\$1128.410 through 1128.430, a DoD Component's general terms and conditions must include the following wording for FMS Article IV.

#### FMS ARTICLE IV. REVISION OF BUDGET AND PROGRAM PLANS (DECEMBER 2014)

Section A. Approved budget. The approved budget of this award:

1. Is the most recent version of the budget that you submitted, and we approved (either at the time of the initial award or a more recent amendment), to summarize planned expenditures for project or program purposes.

2. Includes all Federal funding that we make available to you under this award to use for project or program purposes and any cost sharing or matching that you are required to provide under this award for those same purposes.

Section B. Revisions requiring prior approval. 1. Non-construction activities. You must request prior approval from us for any of the following program or budget revisions in non-construction activities:

a. A change in the scope or objective of the project or program under this award, even if there is no associated budget revision that requires our prior approval.

b. A change in a key person identified in the award cover pages.

c. The approved principal investigator's or project director's disengagement from the project for more than three months, or a 25 percent reduction in his or her time devoted to the project.

d. The inclusion of direct costs that require prior approval in accordance with the applicable cost principles, as identified in FMS Article III.

e. The transfer to other categories of expense of funds included in the approved budget for participant support costs, as defined at 2 CFR 200.75.

f. A subaward to another entity under which it will perform a portion of the substantive project or program under the award, if it was not included in the approved budget. This does not apply to your contracts for acquisition of supplies, equipment, or general support services you need to carry out the project or program.

g. Any change in the cost sharing or matching you provide under the award, as included in the approved budget, for which FMS Article VI requires prior approval.

h. A transfer of funds among direct cost categories or programs, functions, and activities, if the Federal share of the total value for your award exceeds the simplified acquisition threshold and the cumulative amount of the transfers exceeds or is expected to exceed 10 percent of the approved budget.

i. The need arises for additional Federal funds to complete the project or program.

2. Construction activities. You must request prior approval from us for any of the following program or budget revisions in construction activities:

a. A change in the scope or objective of the project or program under this award, even if there is no associated budget revision that requires our prior approval.

b. The need arises for additional Federal funds to complete the project or program.

c. The inclusion of direct costs that require prior approval in accordance with the applicable cost principles, as identified in FMS Article III.

3. Funding transfers between construction and non-construction activities. [Reserved]

Section C. Pre-award costs, carry forward of unobligated balances, and one-time no-cost extensions. You are authorized, without requesting prior approval from us, to:

1. Charge to this award after you receive it pre-award costs that you incurred, at your own risk, up to 90 calendar days before the start date of the period of performance, as long as they are costs that would be allowable charges to the project or program under the terms and conditions of FMS Article III if they were incurred during the period of performance.

2. Carry forward an unobligated balance to a subsequent period of performance under this award.

3. Initiate a one-time extension of the period of performance by up to 12 months, as long as:

a. You notify us in writing with the supporting reasons and revised end date of the period of performance at least 10 calendar days before the current end date.

b. The extension does not require any additional Federal funding.

c. The extension does not involve any change in the scope or objectives of the project or program.

Section D. Procedures.

# Pt. 1128, App. D

# Pt. 1128, App. E

1. We will review each request you submit for prior approval for a budget or program change and, within 30 calendar days of our receipt of your request, we will respond to you in writing to either:

a. Notify you whether your request is approved; or

b. Inform you that we still are considering the request, in which case we will let you know when you may expect our decision.

2. [Reserved]

#### APPENDIX E TO PART 1128—TERMS AND CONDITIONS FOR FMS ARTICLE V, "NON-FEDERAL AUDITS"

Unless a DoD Component reserves Section B, as permitted by §1128.605, a DoD Component's general terms and conditions must use the following wording for FMS Article V.

#### FMS ARTICLE V. NON-FEDERAL AUDITS (DECEMBER 2014)

Section A. Requirements for entities subject to the Single Audit Act. You and each subrecipient under this award that is an institution of higher education, nonprofit organization, State, local government, or Indian tribe must comply with the audit requirements specified in Subpart F of 2 CFR part 200, which is the OMB implementation of the Single Audit Act, as amended (31 U.S.C. chapter 75).

Section B. Requirements for for-profit entities. Any for-profit entity that receives a subaward from you under this award is subject to the audit requirements specified in 32 CFR 34.16. Your subaward terms and conditions will require the subrecipient to provide the reports to you if it is willing to do so, so that you can resolve audit findings that pertain specifically to your subaward (e.g., disallowance of costs). If the for-profit entity is unwilling to agree to provide the auditor's report to you, contact the grants officer for this award to discuss an alternative approach for carrying out audit oversight of the subaward. If the grants officer does not provide an alternative approach within 30days of receiving your request, you may determine an approach to ensure the for-profit subrecipient's compliance with the subaward terms and conditions, as described in OMB guidance at 2 CFR 200.501(h).

#### APPENDIX F TO PART 1128—TERMS AND CONDITIONS FOR FMS ARTICLE VI, "COST SHARING OR MATCHING"

Unless a DoD Component reserves FMS Article VI in its entirety, reserves one or more paragraphs within sections of the article, or includes added or alternate wording, as permitted by §§1128.610 through 1128.635, a DoD Component's general terms and conditions must use the following wording for FMS Article VI.

# 2 CFR Ch. XI (1–1–22 Edition)

#### FMS ARTICLE VI. COST SHARING OR MATCHING (DECEMBER 2014)

Section A. Required cost sharing or matching. 1. If any cost sharing or matching is required under this award, the total amount or percentage required is shown in the award cover pages and included in the approved budget. That cost sharing or matching includes all:

a. Cash contributions to the project or program either made by or through (if made by a third party) you and any subrecipients.

b. Third-party in-kind contributions to the project or program.

2. You must obtain our prior approval if you wish to:

a. Change the amount or percentage of cost sharing or matching required under this award.

b. [Reserved]

Section B. Allowability as cost sharing or matching. Each cash or third party in-kind contribution toward any cost sharing or matching required under this award, whether put forward by you or a subrecipient under a subaward that you make, is allowable as cost sharing or matching if:

1. You (or the subrecipient, if it is a subrecipient contribution) maintain records from which one may verify that the contribution was made to the project or program and, if it is a third-party in-kind contribution, its value.

2. The contribution is not counted as cost sharing or matching for any other Federal award.

3. The contribution is:

a. Allowable under the cost principles applicable to you (or the subrecipient, if it is a subrecipient contribution) under FMS Article III of these terms and conditions; and

b. Allocable to the project or program and reasonable.

4. The Government does not pay for the contribution through another Federal award, unless that award is under a program that has a Federal statute authorizing application of that program's Federal funds to other Federal programs' cost sharing or matching requirements.

5. The value of the contribution is not reimbursed by the Federal share of this award as either a direct or indirect cost.

6. The contribution conforms to the other terms and conditions of this award, including the award-specific terms and conditions.

Section C. Allowability of unrecovered indirect costs as cost sharing or matching. You may use your own or a subrecipient's unrecovered indirect costs as cost sharing or matching under this award. Unrecovered indirect costs means the difference between the amount of indirect costs charged to the award and the amount that you and any subrecipients could have charged in accordance with your respective approved indirect cost rates,

whether those rates are negotiated or de minimis (as described in 2 CFR 200.414(f)).

Section D. Allowability of program income as cost sharing or matching. If FMS Article VII of these general terms and conditions or the award-specific terms and conditions of this award specify that you are to use some or all of the program income you earn to meet cost-sharing or matching requirements under the award, then program income is allowable as cost sharing or matching to the extent specified in those award terms and conditions.

Section E. Valuation of services or property that you or subrecipients contribute or donate. You must establish values for services or property contributed or donated toward cost sharing or matching by you or subrecipients in accordance with the provisions of this section. These contributions or donations are distinct from third-party in-kind contributions to you or subrecipients, which are addressed in Section F of this article.

1. Usual valuation of services or property that you or subrecipients contribute or donate. Values established for contributions of services or property by you or a subrecipient must be the amounts allowable in accordance with the cost principles applicable to the entity making the contribution (*i.e.*, you or the subrecipient), as identified in FMS Article III. For property, that generally is depreciation.

2. Needed approvals for, and valuation of, property that you or subrecipients donate.

a. Types of property that may be donated.

i. Buildings or land. If the purposes of this award include construction, facilities acquisition, or long-term use of real property, you may donate buildings or land to the project if you obtain our prior approval. Donation of property to the project, as described in PROP Article I, means counting the value of the property toward cost sharing or matching, rather than charging depreciation.

ii. Other capital assets. If you obtain our prior approval, you may donate to the project other capital assets identified in 2 CFR 200.439(b)(1) through (3).

b. Usual valuation of donated property. Unless you obtain our approval as described in paragraph E.2.c of this article, the value for the donated property must be the lesser of:

i. The value of the remaining life of the property recorded in your accounting records at the time of donation, or

ii. The current fair market value.

c. Approval needed for alternative valuation of property. If you obtained our approval in the approved budget, you may count as cost sharing or matching the current fair market value of the donated property even if it exceeds the value of the remaining life of the property recorded in your accounting records at the time of donation.

d. Federal interest in donated property. Donating buildings, land, or other property to the project, rather than charging depreciation, results in a Federal interest in the property in accordance with PROP Article I of these terms and conditions.

Section F. Valuation of third-party in-kind contributions.

1. General. If a third party furnishes goods or services to you or subrecipients that are to be counted toward cost sharing or matching under this award, the entity to which the third party furnishes the goods or services (*i.e.*, you or a subrecipient) must document the fair market value of those in-kind contributions and, to the extent feasible, support those values using the same methods the entity uses internally.

2. Valuation of third-party services. You must establish values for third-party volunteer services and services of third parties' employees furnished to you or subrecipients as follows:

a. Volunteer services. Volunteer services furnished by third-party professional and technical personnel, consultants, and other skilled and unskilled labor must be valued in accordance with 2 CFR 200.306(e).

b. Services of third parties' employees. When a third-party organization furnishes the services of its employees to you or a subrecipient, values for the contributions must be established in accordance with 2 CFR 200.306(f).

c. Additional requirement for donations to nonprofit organizations. For volunteer services or services of third parties' employees furnished to a nonprofit organization:

i. OMB guidance in 2 CFR 200.434(e) also applies and may require the nonprofit organization to allocate a proportionate share of its applicable indirect costs to the donated services.

ii. The indirect costs that the nonprofit organization allocates to the donated services in that case must be considered project costs and may be either reimbursed under the award or counted toward required cost sharing or matching, but not both.

3. Valuation of third-party property. You must establish values for third-party property furnished to you or subrecipients as follows:

a. Supplies donated by third parties. When a third-party organization donates supplies (e.g., office, laboratory, workshop, or class-room supplies), the value that may be counted toward cost sharing or matching may not exceed the fair market value of the supplies at the time of donation.

b. Equipment, buildings, or land donated by third parties.

i. The value of third-party donations of equipment, buildings, or land that may be counted toward cost sharing or matching when the third party transferred title to you or a subrecipient depends on the purpose of the award in accordance with the following:

# Pt. 1128, App. G

(A) If one of the purposes of the award is to assist you or the subrecipient in the acquisition of equipment, buildings, or land, you may count the aggregate fair market value of the donated property toward cost sharing or matching.

(B) If the award's purposes instead include only the support of activities that require the use of equipment, buildings, or land, you may only charge depreciation unless you obtain our prior approval to count as cost sharing or matching the fair market value of equipment or other capital assets and fair rental charges for land.

ii. The values of the donated property must be determined in accordance with the usual accounting policies of the entity to which the third party transferred title to the property, with the qualifications specified in 2 CFR 200.306(i)(1) and (2) for donated land and buildings and donated equipment, respectively.

c. Use of space donated by third parties. If a third party makes space available for use by you or a subrecipient, the value that you may count toward cost sharing or matching may not exceed the fair rental value of comparable space as established by an independent appraisal, as described in 2 CFR 200.306(i)(3).

d. Equipment loaned by third parties. If a third party loans equipment for use by you or a subrecipient, the value that you may count toward cost sharing or matching may not exceed its fair rental value.

#### APPENDIX G TO PART 1128—TERMS AND CONDITIONS FOR FMS ARTICLE VII, "PROGRAM INCOME"

Unless a DoD Component revises the wording of Section A or E or reserves Section D, as permitted by §§1128.710 through 1128.725, a DoD Component's general terms and conditions must use the following wording for FMS Article VII.

#### FMS ARTICLE VII. PROGRAM INCOME (DECEMBER 2014)

Section A. Definition. The term "program income" as used in this award:

1. Is gross income that:

a. You earn that is directly generated by a supported activity or earned as a result of this award; or

b. A subrecipient earns as a result of a subaward you make under this award.

2. Includes, but is not limited to, income earned under this award from:

a. Fees for services performed;

b. The use or rental of real or personal property acquired under any Federal award and currently administered under this award:

c. The sale of commodities or items fabricated under this award;

# 2 CFR Ch. XI (1–1–22 Edition)

d. License fees and royalties on patents and copyrights; and

e. Payments of principal and interest on loans made with Federal award funds.

3. Does not include for purposes of this award any:

a. Interest earned on advance payments, disposition of which is addressed in FMS Article II;

b. Proceeds from the sale of real property, equipment or supplies, which is addressed in PROP Articles III and IV;

c. Rebates, credits, discounts, and interest earned on any of them; and

d. Governmental revenues, including any taxes, special assessments, levies, fines and similar revenues you raise.

Section B. Encouragement to earn program income. You are encouraged to earn program income under this award when doing so does not interfere with the program or project the award supports.

Section C. Costs of generating program income. You may deduct costs incidental to the generation of program income from the amount that you use in accordance with Section E of this Article, as long as those costs are not charged to this award (which includes their being counted toward any cost sharing or matching you are required to provide).

Section D. License fees and royalties. You have no obligations to the Federal Government with respect to program income earned under this award from license fees and royalties for patents or patent applications, copyrights, trademarks, or inventions developed or produced under the award.

Section E. Use of program income.

1. You must use any program income that you earn during the period of performance under this award to increase the amount of the award (the sum of the Federal share and any cost sharing or matching you are required to provide), thereby increasing the amount budgeted for the project. The program income must be used for the purposes and under the terms and conditions of the award.

2. Your use of the additional funding is subject to the terms and conditions of this award, including:

a. FMS Article II concerning your use of balances of program income before you request additional funds from us; and

b. FMS Article III concerning allowability of costs for which the funds may be used.

3. You must report on each Federal Financial Report (SF-425) that you submit in accordance with REP Article II the program income that you earn and any that you use during the reporting period covered by that SF-425.

Section F. Duration of accountability for program income. The requirements concerning disposition of program income in Section E of this Article apply only to program income

you earn during the period of performance. There are no requirements under this award applicable to program income you earn after the end of the period of performance.

### §1130.1 Purpose of this part.

(a) This part specifies standard wording of general terms and conditions concerning equipment, supplies, and real, intangible, and federally owned property.

(b) It thereby implements OMB guidance in 2 CFR 200.310 through 200.316, as that guidance applies to general terms and conditions of grants and cooperative agreements.

# §1130.2 Applicability of this part.

The types of awards and entities to which this part and other parts in this subchapter apply are described in the subchapter overview at 2 CFR 1126.2.

# §1130.3 Exceptions from requirements of this part.

Exceptions are permitted from the administrative requirements in this part only as described at 2 CFR 1126.3.

## §1130.3

## §1130.4

### §1130.4 Organization of this part.

(a) The content of this part is organized into subparts and associated appendices.

(1) Each subpart provides direction to DoD Components on how to construct one article of general terms and conditions for grants and cooperative agreements.

(2) For each subpart, there is a corresponding appendix with standard wording for terms and conditions of the article addressed by the subpart. Terms and conditions address rights and re2 CFR Ch. XI (1-1-22 Edition)

sponsibilities of the Federal Government and recipients.

(b) A DoD Component must use the wording provided in each appendix in accordance with the direction in the corresponding subpart. That direction may permit DoD Components to vary from the standard wording in some situations.

(c) Table 1 shows which article of general terms and conditions may be found in each of appendices A through F to this part (with the associated direction to DoD Components in Subparts A through F, respectively):

# Subpart A—Title to Property (PROP Article I)

## §1130.100 Purpose of PROP Article I.

PROP Article I specifies in whom and under what conditions title to property vests under the award. It thereby implements OMB guidance for grants and cooperative agreements:

(a) Pertaining to vesting of title to property, in 2 CFR 200.311(a), 200.312(a), 200.313(a), 200.314(a), and 200.315(a).

(b) Pertaining to the property trust relationship in 2 CFR 200.316.

# §1130.105 Title to property acquired under awards.

(a) General policy. Title to tangible property that a recipient acquires under an award (whether by purchase, construction or fabrication, development, or otherwise), and title to intangible property that a recipient acquires other than by developing or producing it under an award, generally vests in the recipient subject to the conditions in PROP Articles II-IV and Section D of PROP Article VI, which protect the Federal interest in the property.

(b) Exceptions to the general policy when there is statutory authority—(1) Exempt property in general. If a DoD Component has statutory authority to do so, it may vest title in recipients to property acquired under awards either unconditionally or subject to fewer conditions than those in PROP Articles II-IV and VI. This subpart refers to acquired property for which a DoD Component has such statutory authority and elects to use it—as "exempt property."

(2) Research awards. (i) Under 31 U.S.C. 6306, a DoD Component may vest title to tangible personal property (*i.e.*, equipment and supplies) in a nonprofit institution of higher education or nonprofit organization whose primary purpose is conducting scientific research without further obligation to the Federal Government or subject to conditions the DoD Component deems appropriate—if the property is bought with amounts provided under a grant or cooperative agreement for basic or applied research.

(ii) As a matter of policy, to enhance the university infrastructure for future performance of defense research and research-related education and training, DoD Components must make maximum use of the authority of 31 U.S.C. 6306 to

vest title to equipment in nonprofit institutions of higher education subject to only the following three conditions:

(A) The recipient uses the equipment for the authorized purposes of the project or program until the property is no longer needed for those purposes.

(B) The recipient manages the equipment as provided in PROP Article II of the general terms and conditions (see Subpart B of this part). This includes maintaining property records that include the percentage of Federal participation in the costs of the project or program under which the recipient acquired the exempt property, so that the recipient may deduct the Federal share if it wishes to use the property in future contributions for cost sharing or matching purposes on Federal awards.

(C) The DoD Component reserves the right to transfer title to the equipment to another recipient entity if the Principal Investigator relocates his or her research program to that entity.

(c) Award terms and conditions—(1) General. Unless a DoD Component has a statute authorizing it to identify acquired property as exempt property, as described in paragraph (b) of this section, it must use the wording appendix A to this part provides for Section A of PROP Article I.

(2) *Exceptions*. (i) If a DoD Component has statutory authority such as described in paragraph (b) of this section, and elects to use that authority for awards subject to its general terms and conditions, it must insert wording in paragraph A.2 of PROP Article I to:

(A) Identify the type or types of property it is exempting from the standard requirements for title vesting, use, and disposition contained in PROP Articles II through IV and VI and reporting requirements contained in REP Article III of the general terms and conditions.

(B) If it is exempting the property from some, but not all, of the standard requirements, identify the requirements to which the exempt property will be subject.

(ii) Paragraph A.2 of PROP Article I in general terms and conditions used for research awards to institutions of higher education and nonprofit organizations whose primary purpose is conducting scientific research generally should provide for vesting of title to acquired equipment and supplies in those types of entities when they are conducting basic or applied research subject only to the three conditions described in paragraph (b)(2)(ii) of this section.

### §1130.110 Property trust relationship.

(a) *OMB guidance*. OMB guidance in 2 CFR 200.316 describes the property trust relationship. It states that:

(1) Recipients must hold real property, equipment, and intangible property acquired or improved under grants or cooperative agreements in trust for the beneficiaries of the projects or programs under which the property was acquired or improved; and

(2) A Federal agency may require a recipient to record liens or other appropriate notices of record to indicate that personal or real property was acquired or improved under a grant or cooperative agreement, making the property's use and disposition subject to the award terms and conditions.

(b) *DoD implementation*. A DoD Component's general terms and conditions must specify that recipients hold title to real property, equipment, and intangible property acquired or improved under DoD grants and cooperative agreements in trust for the beneficiaries of the projects or programs carried out under those awards.

(c) Award terms and conditions. A DoD Component's general terms and conditions:

(1) Must include the wording appendix A to this part provides for paragraph B.1 of PROP Article I, except that a DoD Component may instead reserve Section B if there will be no acquisition or improvement of real property, equipment, or intangible property under awards using those general terms and conditions or subawards under those awards.

(2) May add wording to the reserved paragraph B.2 of the wording of Section B of PROP Article I to require recipients to record liens or other notices of record, as described in paragraph (a) of this section.

§1130.110

# §1130.115 Title to federally owned property.

(a) *Requirement*. A DoD Component's general terms and conditions must inform recipients that title to federally owned property remains with the Federal Government and include the wording appendix A to this part provides for Section C of PROP Article I.

(b) Award terms and conditions. A DoD Component's general terms and conditions must either:

(1) Include the wording appendix A to this part provides for Section C of PROP Article I to indicate that title to federally owned property remains with the Federal Government; or

(2) Reserve Section C if it provides no federally owned property under its awards.

# §1130.120 Federal interest in donated property.

(a) Requirement. A DoD Component's general terms and conditions must inform recipients that the Federal Government acquires an interest in any real property or equipment for which the value of the remaining life of the property in the recipient's accounting records or the fair market value of the property is counted toward required cost sharing or matching, rather than charging depreciation.

(b) Award terms and conditions. A DoD Component's general terms and conditions therefore must either:

(1) Include the wording appendix A to this part provides for Section D of PROP Article I to specify the Federal interest in donated real property or equipment; or

(2) Reserve Section D of PROP Article I if the DoD Component does not permit recipients to count the fair market value of real property or equipment toward cost sharing or matching.

# §1130.125 Federal interest in property improved under awards.

(a) *Requirement*. A DoD Component's general terms and conditions must address the Federal interest in improvements to real property or equipment that results if a recipient directly charges the costs of the improvements to an award.

2 CFR Ch. XI (1-1-22 Edition)

(b) Award terms and conditions. A DoD Component's general terms and conditions therefore must either:

(1) Include the wording appendix A to this part provides for Section E of PROP Article I to specify the Federal interest in improved real property or equipment; or

(2) Reserve Section E of PROP Article I if there will be no improvements to real property or equipment under awards using those general terms and conditions or subawards under those awards.

# Subpart B—Property Management System (PROP Article II)

#### §1130.200 Purpose of PROP Article II.

(a) PROP Article II prescribes standards for:

(1) Insurance coverage for real property and equipment acquired or improved under awards;

(2) The system that a recipient uses to manage both equipment that is acquired or improved in whole or in part under awards and federally owned property.

(b) It thereby implements OMB guidance in 2 CFR 200.310 and 200.313(d)(1) through (4), and partially implements 2 CFR 200.313(b).

# §1130.205 Insurance coverage for real property and equipment.

(a) *OMB guidance*. OMB guidance in 2 CFR 200.310 includes a requirement for recipients' insurance coverage for real property and equipment acquired or improved under grants and cooperative agreements and states that federally owned property need not be insured unless required by Federal award terms and conditions.

(b) *DoD implementation*. A DoD Component's general terms and conditions must require recipients to provide insurance coverage for real property and equipment acquired or improved under awards. However, unless a statute or program regulation adopted in the Code of Federal Regulations after opportunity for public comment specifies otherwise, DoD awards will not require recipients to insure federally owned property.

(c) Award terms and conditions. A DoD Component's general terms and conditions therefore must either:

(1) Include the wording appendix B to this part provides for Section A of PROP Article II; or

(2) Reserve Section A of PROP Article II if there will be no real property or equipment acquired or improved under awards using those terms and conditions or subawards under those awards.

# §1130.210 Other property management system standards for States.

(a) *Requirement*. A DoD Component's general terms and conditions must address the standards for States' property management systems.

(b) Award terms and conditions. A DoD Component's general terms and conditions therefore must either:

(1) Include the wording appendix B to this part provides for Section B of PROP Article II; or

(2) Reserve Section B of PROP Article II if no State will acquire or improve equipment, in whole or in part, or be accountable for federally owned property under awards using those general terms and conditions or subawards under those awards.

#### \$1130.215 Other property management system standards for institutions of higher education, nonprofit organizations, local governments, and Indian tribes.

(a) Requirement. A DoD Component's general terms and conditions must address the standards for property management systems of institutions of higher education, nonprofit organizations, local governments, and Indian tribes.

(b) Award terms and conditions. A DoD Component's general terms and conditions therefore must either:

(1) Include the wording appendix B to this part provides for Section C of PROP Article II; or

(2) Reserve Section C of PROP Article II if no institution of higher education, nonprofit organization, local government, or Indian tribe will acquire or improve equipment, in whole or in part, or be accountable for federally owned property under awards using those general terms and conditions or subawards under those awards.

# Subpart C—Use and Disposition of Real Property (PROP Article III)

## §1130.300 Purpose of PROP Article III.

PROP Article III specifies requirements for recipients' use and disposition of real property acquired or improved under an award. It thereby implements OMB guidance in 2 CFR 200.311(b) and (c).

### §1130.305 Use of real property.

(a) *OMB guidance*. OMB guidance in 2 CFR 200.311(b) states that, except as otherwise provided by Federal statute or the Federal awarding agency, a recipient must use real property acquired or improved under a grant or cooperative agreement for the originally authorized purpose as long as needed for that purpose, during which time the recipient must not dispose of the property or encumber its title or other interests.

(b) *DoD implementation*. Unless a statute or program regulation adopted in the Code of Federal Regulations after opportunity for public comment specifies otherwise, DoD awards must permit recipients to do the following:

(1) While real property acquired or improved under an award still is needed for the authorized purpose, also use it for other projects or programs that either are supported by DoD Components or other Federal agencies or not federally supported, as long as that use does not interfere with the property's use for the authorized purpose.

(2) After the real property no longer is needed for the authorized purpose, with the written approval of the award administration office, use the property on other federally supported projects or programs that have purposes consistent with those authorized for support by the DoD Component that made the award under which the property was acquired or improved.

(c) Award terms and conditions. A DoD Component's general terms and conditions must either:

(1) Include the wording appendix C to this part provides for Section A of PROP Article III; or

(2) If a statute or program regulation in the Code of Federal Regulations

# §1130.310

specifies different requirements for recipients' use of real property, substitute alternative wording for Section A to specify those requirements.

## §1130.310 Disposition of real property.

(a) *OMB guidance*. OMB guidance in 2 CFR 200.311(c):

(1) Addresses the recipient's responsibility to request disposition instructions for real property when the recipient no longer needs it for the originally authorized purpose; and

(2) Identifies three alternative disposition methods those instructions may specify.

(b) *DoD implementation*. DoD implements the guidance in 2 CFR 200.311(c) through award terms and conditions that govern disposition of real property acquired or improved under awards.

(c) Award terms and conditions. A DoD Component's general terms and conditions must include the wording appendix C to this part provides for Section B of PROP Article III to specify requirements concerning disposition of real property acquired or improved under awards.

# Subpart D—Use and Disposition of Equipment and Supplies (PROP Article IV)

## §1130.400 Purpose of PROP Article IV.

PROP Article IV specifies requirements for recipients' use and disposition of equipment and supplies in which there is a Federal interest. It thereby implements OMB guidance in:

(a) 2 CFR 200.313(a) through (c), 200.313(d)(5), and 200.313(e) as that guidance applies to requirements for use and disposition of equipment; and

(b) 2 CFR 200.314, as that guidance applies to requirements for use and disposition of supplies.

#### §1130.405 Property subject to PROP Article IV.

(a) *Requirement*. A DoD Component's general terms and conditions must identify the types of non-exempt property to which requirements for use and disposition of equipment and supplies apply.

(b) Award terms and conditions. To implement the requirement in paragraph (a) of this section, a DoD Component's 2 CFR Ch. XI (1–1–22 Edition)

general terms and conditions must use the wording appendix D to this part provides for Section A of PROP Article IV. That wording identifies the categories of equipment and supplies in which there is a Federal interest.

# §1130.410 Requirements for a State's use and disposition of equipment.

(a) OMB guidance. OMB guidance in:

(1) 2 CFR 200.313(a) sets forth basic conditions for use of equipment acquired under a grant or cooperative agreement that apply when title to the equipment is vested in a recipient conditionally, because the awarding agency either does not have statutory authority to vest title in the equipment unconditionally or elects not to do so.

(2) 2 CFR 200.313(b) provides that a State must use, manage, and dispose of equipment in accordance with State laws and procedures.

(b) DoD implementation. DoD implements 2 CFR 200.313(a) and (b) through award terms and conditions that govern States' use and disposition of equipment.

(c) Award terms and conditions. A DoD Component's general terms and conditions must use the wording appendix D to this part provides for Section B of PROP Article IV to specify the requirements for a State's use and disposition of equipment in which there is a Federal interest.

#### §1130.415 Use of equipment by an institution of higher education, nonprofit organization, local government, or Indian tribe.

(a) *OMB guidance*. OMB guidance in:

(1) 2 CFR 200.313(a) sets forth basic conditions for use of equipment acquired under a grant or cooperative agreement that apply when title to the equipment is vested in a recipient conditionally, because the awarding agency either does not have statutory authority to vest title in the equipment unconditionally or elects not to do so.

(2) 2 CFR 200.313(c) provides the parameters for use of equipment by an institution of higher education, nonprofit organization, local government, or Indian tribe.

(3) 2 CFR 200.313(d)(5) calls for use of sales procedures to ensure highest possible return when selling equipment.

(b) *DoD implementation*. For equipment in which there is a Federal interest under awards to institutions of higher education, nonprofit organizations, local governments, or Indian tribes, DoD implements through award terms and conditions the following portions of 2 CFR part 200 as they apply to use of equipment prior to the time of its disposition:

(1) 2 CFR 200.313(a) and (c); and

(2) 2 CFR 200.313(d)(5), as it applies to equipment sales prior to the time of disposition, to offset the acquisition cost of replacement equipment.

(c) Award terms and conditions. A DoD Component's general terms and conditions must use the wording appendix D to this part provides for Section C of PROP Article IV to specify the requirements for use of equipment described in paragraph (b) of this section.

#### §1130.420 Disposition of equipment by an institution of higher education, nonprofit organization, local government, or Indian tribe.

(a) *OMB guidance*. OMB guidance in 2 CFR 200.313(e) addresses disposition of original or replacement equipment acquired under a grant or cooperative agreement by an institution of higher education, nonprofit organization, local government, or Indian tribe.

(b) DoD implementation. DoD implements 2 CFR 200.313(e) through award terms and conditions that govern disposition of original or replacement equipment acquired under an award by an institution of higher education, nonprofit organization, local government, or Indian tribe when there is a Federal interest in the equipment.

(c) Award terms and conditions. A DoD Component's general terms and conditions must use the wording appendix D to this part provides for Section D of PROP Article IV to specify the requirements for disposition of equipment described in paragraph (b) of this section.

# §1130.425 Use and disposition of supplies.

(a) *OMB guidance*. OMB guidance in 2 CFR 200.314 sets forth requirements for use and disposition of supplies acquired under a grant or cooperative agreement. (b) *DoD implementation*. DoD implements 2 CFR 200.314 through award terms and conditions that govern use and disposition of supplies acquired under awards either by purchase or by donation as cost sharing or matching.

(c) Award terms and conditions. A DoD Component's general terms and conditions must use the wording appendix D to this part provides for Section E of PROP Article IV to specify the requirements for use and disposition of acquired supplies.

# Subpart E—Use and Disposition of Federally Owned Property (PROP Article V)

### §1130.500 Purpose of PROP Article V.

PROP Article V specifies requirements for recipients' use and disposition of federally owned property. It implements the portion of OMB guidance in 2 CFR 200.312(a) that applies to disposition of federally owned property.

#### §1130.505 Content of PROP Article V.

A DoD Component's general terms and conditions must either:

(a) Include the wording appendix E to this part provides for PROP Article V to specify requirements for use and disposition of federally owned property; or

(b) Reserve PROP Article V if there is no possibility of recipients or subrecipients being accountable for federally owned property under awards using those terms and conditions.

## Subpart F—Intangible Property (PROP Article VI)

#### §1130.600 Purpose of PROP Article VI.

PROP Article VI sets forth the rights and responsibilities of recipients and the Federal Government with respect to intangible property. It thereby implements OMB guidance in 2 CFR 200.315.

#### §1130.605 Copyrights asserted in works developed or otherwise acquired under awards.

(a) *OMB guidance*. OMB guidance in 2 CFR 200.315(b) addresses recipients' and the Federal Government's rights related to works that recipients may copyright under grants and cooperative agreements.

(b) *DoD implementation*. DoD implements 2 CFR 200.315(b) through award terms and conditions that specify recipient and DoD rights with respect to copyrightable works.

(c) Award terms and conditions. A DoD Component's general terms and conditions must use the wording appendix F to this part provides for Section A of PROP Article VI to affirm the recipient's right to assert copyright in works it develops or otherwise acquires under an award, as well as DoD's right to use the works for Federal purposes.

# §1130.610 Inventions developed under awards.

(a) *OMB guidance*. OMB guidance in 2 CFR 200.315(c) states that recipients of grants and cooperative agreements are subject to applicable regulations concerning patents and inventions, including Department of Commerce regulations at 37 CFR part 401.

(b) *DoD implementation*. In implementing 2 CFR 200.315(c) for awards for the performance of experimental, developmental, or research work, DoD:

(1) Extends to other entities the patent rights provisions of chapter 18 of Title 35 of the U.S. Code and 37 CFR part 401 that directly apply to small business firms and nonprofit organizations. This broadened applicability is in accordance with the February 18, 1983, Presidential memorandum on Government patent policy, referred to in Executive Order 12591, "Facilitating Access to Science and Technology."

(2) Establishes a requirement for recipients to provide final reports listing all subject inventions under their awards or stating there were none, a requirement that 37 CFR 401.5(f)(1) provides as an agency option.

(3) Incorporates the prohibition in 35 U.S.C. 212 on asserting Federal Government rights in inventions made by recipients of scholarships, fellowships, training grants, or other awards made primarily for educational purposes.

(c) Award terms and conditions. (1) Awards for research, developmental, or experimental work. A DoD Component's general terms and conditions for awards for the performance of experimental, developmental, or research 2 CFR Ch. XI (1-1-22 Edition)

work funded in whole or in part by the Federal Government must include the wording appendix F to this part provides for Section B of PROP Article VI, with one permitted exception. The exception is that a DoD Component may reserve or substitute alternative wording for paragraph B.2.b of Section B of PROP Article VI, as appropriate, if it elects to:

(i) Omit the requirement for final invention reports;

(ii) Substitute "120 calendar days" for "90 calendar days" to provide an additional 30 days for recipient's submissions of final reports after the end date of the period of performance; or

(iii) Include a requirement for recipients to submit information about each patent application they submit for a subject invention, interim listings of all subject inventions, or both, which the Department of Commerce regulations at 37 CFR 401.5(f)(2) and (3) permit agencies to require.

(2) Awards for primarily educational purposes. A DoD Component's general terms and conditions for awards to support scholarships or fellowships, training grants, or other awards for primarily educational purposes must replace the wording appendix F to this part provides for Section B of PROP Article VI with an alternative award provision stating that the Federal Government will have no rights to inventions made by recipients.

(3) Awards for other purposes. A DoD Component developing general terms and conditions for awards other than those described in paragraphs (c)(1) and (2) of this section should:

(i) Consult its intellectual property counsel if it anticipates that recipients may develop patentable inventions under its awards, to identify any applicable statutes or regulations and determine an appropriate substitute for the wording appendix F to this part provides for Section B of PROP Article VI; or

(ii) Reserve Section B of PROP Article VI if it does not expect development of any patentable inventions under those awards.

# §1130.615 Data produced under awards.

(a) *OMB guidance*. OMB guidance in 2 CFR 200.315(d) and (e) addresses rights in data under grants and cooperative agreements.

(b) *DoD implementation*. DoD implements 2 CFR 200.315(d) and (e) through award terms and conditions.

(c) Award terms and conditions—(1) General. A DoD Component's general terms and conditions must include the wording appendix F to this part provides for Section C of PROP Article VI.

(2) *Exception*. A DoD Component may reserve paragraph C.2 of Section C of PROP Article VI in its general terms and conditions if:

(i) Those terms and conditions will not be used for research awards; and

(ii) The DoD Component determines that no research data as defined in 2 CFR 200.315 will be generated under the awards using those terms and conditions.

#### §1130.620 Intangible property acquired, but not developed or produced, under awards.

(a) *OMB guidance*. OMB guidance in 2 CFR 200.315(a) addresses use and disposition of intangible property that is acquired under grants and cooperative agreements (in addition to vesting of title, which is implemented in §1130.105 and appendix A to this part).

(b) *DoD implementation*. DoD implements 2 CFR 200.315(a) through award terms and conditions that govern use and disposition of intangible property that is acquired, but not developed or produced, under awards.

(c) Award terms and conditions. A DoD Component's general terms and conditions must include the wording appendix F to this part provides for Section D of PROP Article VI.

#### APPENDIX A TO PART 1130—TERMS AND CONDITIONS FOR PROP ARTICLE I, "TITLE TO PROPERTY"

Unless a DoD Component inserts or adds wording or reserves sections of the article, as provided in §§ 1130.105 through 1130.125, a DoD Component's general terms and conditions must use the following wording for PROP Article I.

# Pt. 1130, App. A

## PROP ARTICLE I. TITLE TO PROPERTY. (DECEMBER 2014)

Section A. Title to property acquired under this award.

1. *General.* Other than any property identified in paragraph A.2 of this section as exempt property:

a. Title to real property, equipment, and supplies that you acquire (whether by purchase, construction or fabrication, development, or otherwise) and charge as direct project costs under this award vests in you, the recipient. Title to intangible property that you acquire (other than by developing or producing it) under this award also vests in you.

b. That title is a conditional title, subject to the terms and conditions in PROP Articles II-IV, Section D of PROP Article VI, and REP Article III of this award.

c. There is a Federal interest in the property, other than intangible property that you develop or produce under the award. For real property, equipment, and intangible property, we retain this Federal interest until final disposition of the property under PROP Article III (for real property), PROP Article IV (for equipment and supplies), or Section D of PROP Article VI (for intangible property that is acquired, other than by developing or producing it), a period that in some cases may extend beyond closeout of this award.

2. Exempt property. [Reserved]

Section B. Property trust relationship.

1. Basic requirement. Other than intangible property that you develop or produce under the award, you hold any real property, equipment, or intangible property that you acquire or improve under this award in trust for the beneficiaries of the project or program that you are carrying out under the award.

2. Notices of record. [Reserved]

Section C. Federally owned property. Title to any federally owned property that we provide to you under this award (or for which accountability is transferred to this award from another Federal award) remains with the Federal Government.

Section D. Federal interest in donated real property or equipment. If real property or equipment is acquired under this award through your donation of the property to the project or program (*i.e.*, counting the value of the remaining life of the property recorded in your accounting records or the fair market value as permitted under FMS Article VI of this award as part of your share of project costs to meet any cost sharing or matching requirements, rather than charging depreciation):

1. The Federal Government acquires through that donation an interest in the real property or equipment, the value of which at any given time is the product of:

# Pt. 1130, App. B

a. The Federal share of the project costs under this award; and

b. The current fair market value of the property at that time.

2. The real property or equipment is subject to Section B of this article and the terms and conditions of PROP Articles II–IV and REP Article III that are applicable to property acquired under the award.

3. The Federal interest in the real property or equipment must be addressed at the time of property disposition.

Section E. Federal interest in property improved under the award.

1. The Federal Government has an interest in improvements (as distinct from ordinary repairs and maintenance) you make to an item of real property or equipment if you charge the costs of the improvements as direct costs to this award.

2. We thereby acquire an interest in the property if the Government did not previously have one. If the Government already had an interest in the property, the value of that Federal interest in the property increases by the amount of the Federal interest in the improvements.

3. The property is subject to Section B of this article and the terms and conditions of PROP Articles II-IV and REP Article III that are applicable to real property or equipment acquired under the award.

4. The Federal interest must be addressed at the time of property disposition.

### APPENDIX B TO PART 1130—TERMS AND CONDITIONS FOR PROP ARTICLE II, "PROPERTY MANAGEMENT SYSTEM"

Unless a DoD Component reserves sections of the article, as provided in §§1130.205 through 1130.215, a DoD Component's general terms and conditions must use the following wording for PROP Article II.

#### PROP ARTICLE II. PROPERTY MANAGEMENT SYSTEM. (DECEMBER 2014)

Section A. Insurance coverage for real property and equipment. You must, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired or improved under this award as you provide for real property and equipment that you own.

Section B. Other property management system standards for a State.

1. Equipment. Your property management system for equipment acquired or improved in whole or in part under this award must be in accordance with your State laws and procedures.

2. Federally owned property. You may use your own property management system for any federally owned property for which you are accountable, as long as it meets the following minimum standards:

a. *Records*. Your records must include for each item of federally owned property:

# 2 CFR Ch. XI (1-1-22 Edition)

i. A description of the item.

ii. The location of the item.

iii. The serial or other identification number.

iv. Which Federal agency holds title.

v. The date you received the item.

vi. Any data on the ultimate disposition of the item, such as the date of disposal.

vii. The Federal award identification number of the award under which you are accountable for the item.

b. Inventory. You must take a physical inventory of federally owned property annually.

c. Control system. You must:

i. Maintain an internal property control system with adequate safeguards to prevent loss, damage, or theft of federally owned property.

ii. Investigate any loss, damage, or theft of federally owned property and promptly notify the award administration office.

d. *Maintenance*. You must maintain the property in good condition.

Section C. Other property management system standards for an institution of higher education, nonprofit organization, local government, or Indian tribe. Your procedures for managing equipment (including replacement equipment) acquired or improved in whole or in part under this award and any federally owned property for which you are accountable under this award must, as a minimum, meet the requirements in this section.

1. *Records*. You must maintain records that include for each item of equipment or federally owned property:

a. A description of the item.

b. The serial or other identification number.

c. Who holds title (*e.g.*, you or the Federal Government and, if the latter, which Federal agency).

d. The source of funding for the equipment, including the Federal award identification number, or the source of the federally owned property, including the award number of the award under which you are accountable for the property.

e. The acquisition date and cost of the equipment (or improvement to the equipment) or the date you received the federally owned property.

f. The location, use, and condition of the equipment or federally owned property.

g. Information from which one can calculate the amount of the Federal interest in the acquisition or improvement of the item (this amount is zero after you compensate us for the Federal interest in the item or improvement).

h. Any data on the ultimate disposition of the item including the date of disposal and sale price.

2. *Labelling*. You must ensure that property owned by the Federal Government is labeled to identify it as federally owned property.

3. Inventory.

a. You must take a physical inventory of equipment in which there is a Federal interest and reconcile the results with your records at least once every 2 years.

b. You must take an annual inventory of any federally owned property for which you are accountable under this award.

4. Control system. You must:

a. Maintain an internal property control system with adequate safeguards to prevent loss, damage, or theft of equipment and federally owned property.

b. Investigate any loss, damage, or theft and notify the award administration office if it involved equipment in which there is a Federal interest under the award or federally owned property.

5. *Maintenance*. You must maintain equipment acquired or improved in whole or in part under the award and federally owned property in good condition.

## APPENDIX C TO PART 1130—TERMS AND CONDITIONS FOR PROP ARTICLE III, "USE AND DISPOSITION OF REAL PROPERTY"

Unless a DoD Component substitutes wording in Section A, as provided in §1130.305, a DoD Component's general terms and conditions must use the following wording for PROP Article III.

#### PROP ARTICLE III. USE AND DISPOSITION OF REAL PROPERTY. (DECEMBER 2014)

Section A. Use of real property.

1. You must use real property acquired or improved under this award for the originally authorized purpose as long as needed for that purpose. During that time, you may not:

a. Dispose of the property except, with the approval of the award administration office, to acquire replacement property under this award, in which case you must use the proceeds from the disposition as an offset to the cost of the replacement property; or

b. Encumber the title or other interests in the property without the approval of the award administration office identified in this award.

2. During the time that the real property is used for the originally authorized purpose, you may make the property available for use on other projects or programs, but only if that use will not interfere with the property's use as needed for its originally authorized purpose.

a. First preference must be given to other projects or programs supported by DoD Components and second preference to those supported by other Federal agencies.

b. Third preference is for other projects or programs not currently supported by the Federal Government. You should charge user fees for use of the property in those cases, if it is at all practicable.

3. When the real property is no longer needed for the originally authorized purpose, with the written approval of the award administration office, you may delay final disposition of the property to use it on other federally sponsored projects or programs. A condition for the award administration office's approval is that the other projects or programs have purposes consistent with those authorized for support by the DoD Component that made the award under which the property was acquired or improved.

Section B. Disposition of real property. When you no longer need real property for the originally authorized purpose, you must obtain disposition instructions from the award administration office, except as provided in paragraph A.3 of this article. Those instructions will provide for one of the following three alternatives, which are that you:

1. Retain title after compensating us for the Federal interest in the property, which is to be computed as specified in the definition of "Federal interest."

2. Sell the property and compensate us for the Federal interest in the property, as described in 2 CFR 200.311(c)(2).

3. Transfer title to us or a third party we designate, as described in 2 CFR 200.311(c)(3).

## APPENDIX D TO PART 1130—TERMS AND CONDITIONS FOR PROP ARTICLE IV, "USE AND DISPOSITION OF EQUIP-MENT AND SUPPLIES"

As specified in §§1130.405 through 1130.425, a DoD Component's general terms and conditions must use the following wording for PROP Article IV.

#### PROP ARTICLE IV. USE AND DISPOSITION OF EQUIPMENT AND SUPPLIES. (DECEMBER 2014)

Section A. Property subject to this article. This article specifies requirements for use and disposition of equipment and supplies. If a provision of PROP Article I identifies any type of equipment or supplies as exempt property, requirements of this Article apply to that exempt property only to the extent specified in that provision of PROP Article I or an award-specific term or condition. The types of non-exempt property to which this article applies are:

1. Supplies that you acquire either by purchase or by donation as cost sharing or matching under this award; and

2. Equipment for which title is vested conditionally in you. That includes equipment with a conditional title resulting from your having, either under this award or under a previous award from which you transferred accountability for the equipment to this award:

# Pt. 1130, App. D

a. Directly charged as project costs, in whole or in part, the acquisition (by purchase, construction or fabrication, or development) of equipment;

b. Donated the equipment to the project or program by counting the value of the remaining life of the property recorded in your accounting records or the fair market value toward any cost sharing or matching requirements under the award, rather than charging depreciation (see PROP Article I, Section D); or

c. Directly charged as project costs improvements to the equipment that meet the criteria given in paragraph E.1 of PROP Article I.

Section B. Requirements for a State's use and disposition of equipment. You:

1. Must use the equipment for the authorized purposes of the project or program during the period of performance, or until the property is no longer needed for those purposes.

2. May not encumber the property without the prior written approval of the award administration office.

3. Must use and dispose of the equipment in accordance with your State laws and procedures.

Section C. Use of equipment by an institution of higher education, nonprofit organization, local government, or Indian tribe. You:

1. Must use the equipment for the authorized purposes of the project or program under this award until the equipment is no longer needed for those purposes, whether or not the project or program continues to be supported by this award.

2. May not encumber the equipment without the prior written approval of the award administration office.

3. During the time that the equipment is used for the project or program under this award:

a. You must make the equipment available for use on other projects or programs but only if that use will not interfere with the equipment's use as needed for the project or program supported by this award.

i. First preference must be given to other projects or programs supported or previously supported by DoD Components

ii. Second preference to projects or programs supported or previously supported by other Federal agencies.

iii. Third preference is for other projects or programs not supported by the Federal Government. You should charge user fees for use of the equipment in those cases, if it is at all practicable.

b. You may use the equipment, if you need to acquire replacement equipment, as a trade-in or sell it (using sales procedures designed to ensure the highest possible return) and use the proceeds from the sale to offset the cost of the replacement equipment.

# 2 CFR Ch. XI (1–1–22 Edition)

4. When the equipment is no longer needed for the project or program under this award, you may defer final disposition of the equipment and continue to use it on other federally sponsored projects or programs. You must give first priority to other projects or programs supported by DoD Components.

5. Notwithstanding the encouragement in FMS Article VII to earn program income, you may not use equipment in which there currently is a Federal interest—whether you acquired it under this award or are otherwise accountable for it under this award—to provide services for a fee that is less than private companies charge for equivalent services.

Section D. Disposition of equipment by an institution of higher education, nonprofit organization, local government, or Indian tribe. You must request disposition instructions from the award administration office when either original or replacement equipment acquired under this award with a current fair market value that exceeds \$5,000 is no longer needed for the original project or program or for other federally sponsored activities as described in paragraph C.4 of this article. For each item of equipment with a current fair market value of \$5,000 or less, you may retain, sell, or otherwise dispose of the item with no further obligation to the Federal Government.

1. We may issue disposition instructions that:

a. Allow you to retain or sell any item of equipment after compensating us for the Federal interest in the property, which is to be computed as specified in the definition of "Federal interest;" or

b. Require you to transfer title to the equipment to a Federal agency or a third party, in which case you are entitled to compensation from us for the non-Federal interest in the equipment, plus any reasonable shipping or interim storage costs incurred.

2. If we fail to provide disposition instructions for any item of equipment within 120 calendar days of receiving your request, you may retain or sell the equipment, but you must compensate us for the amount of the Federal interest in the equipment.

3. If you sell the equipment:

a. You must use sales procedures designed to ensure the highest possible return; and

b. You may deduct and retain for selling and handling expenses either \$500 or ten percent of the proceeds, whichever is less.

Section E. Use and disposition of supplies acquired under this award.

1. Use. As long as we retain a Federal interest in supplies acquired under this award either by purchase or by donation as cost sharing or matching, you may not use the supplies to provide services to other organizations for a fee that is less than private companies charge for equivalent services, notwithstanding the encouragement in FMS Article VII to earn program income.

2. Disposition. If you have a residual inventory of unused supplies with aggregate value exceeding \$5,000 at the end of the period of performance under this award, and the supplies are not needed for any other Federal award, you must retain the supplies or sell them but must in either case compensate us for the amount of the Federal interest in the supplies. You may deduct and retain for selling and handling expenses either \$500 or ten percent of the proceeds, whichever is less.

#### APPENDIX E TO PART 1130—TERMS AND CONDITIONS FOR PROP ARTICLE V, "USE AND DISPOSITION OF FEDER-ALLY OWNED PROPERTY"

Unless a DoD Component reserves the article, as specified in §1130.505, a DoD Component's general terms and conditions must use the following wording for PROP Article V.

#### PROP ARTICLE V. USE AND DISPOSITION OF FEDERALLY OWNED PROPERTY. (DECEMBER 2014)

Section A. Use. During the time that federally owned property for which you are accountable under this award is used for the project or program supported by the award, you:

1. Also may make the property available for use on other federally supported projects or programs, but only if that use will not interfere with the property's use for the project or program supported by this award. You must give first priority to other projects or programs supported by DoD Components.

2. May use the property for purposes other than federally supported projects or programs only with the prior approval of the awarding office or, if you request approval after the award is made, the award administration office.

Section B. Disposition. You must request disposition instructions from the award administration office for any federally owned property under this award, including any property for which a subrecipient is accountable under a subaward you make under this award, either:

1. At any time during the period of performance if the property is no longer needed for the project or program supported by this award; or

2. At the end of the period of performance.

## Pt. 1130, App. F

#### APPENDIX F TO PART 1130—TERMS AND CONDITIONS FOR PROP ARTICLE VI, "INTANGIBLE PROPERTY"

Except for Section B, whose language must be tailored or reserved based on the type of award as specified in §1130.610, and Section D if reserved as provided in §1130.615, a DoD Component's general terms and conditions must use the following wording for PROP Article VI.

#### PROP ARTICLE VI. INTANGIBLE PROPERTY. (DECEMBER 2014)

Section A. Assertion of copyright.

1. You may assert copyright in any work that is eligible for copyright protection if you acquire ownership of it under this award, either by developing it or otherwise.

2. With respect to any work, you developed or otherwise acquired under this award, DoD reserves a royalty-free, nonexclusive and irrevocable license to:

a. Reproduce, publish, or otherwise use the work for Federal Government purposes; and

b. Authorize others to reproduce, publish, or otherwise use the work for Federal Government purposes.

Section B. Inventions developed under the award.

1. Applicability of Governmentwide clause for research awards. You must comply with the Governmentwide patent rights award clause published at 37 CFR 401.14, with the modifications described in paragraph B.2 of this section. DoD adopts that Governmentwide clause for the following entities, thereby broadening the applicability beyond types of tractor' in 37 CFR part 401:

a. Any governmental or nonprofit entity (the types of entities subject to these general terms and conditions) receiving a DoD award for the performance of experimental, research, or developmental work;

b. Any governmental, nonprofit, or forprofit entity receiving a subaward to perform experimental, research, or developmental work under an award described in paragraph B.1.a of this section.

2. Modifications to the wording of the Governmentwide clause. DoD adopts the Governmentwide clause at 37 CFR 401.14, as described in paragraph B.1 of this section, with the following modifications:

a. *Terminology*. Throughout the Governmentwide clause:

i. Insert the terms "recipient" and "subrecipient (or contractor to the recipient or to a subrecipient)" to replace the terms "contractor" and "subcontractor," respectively.

ii. Insert the terms "award" and "subaward (or contract under either the award or a subaward)" to replace the terms "contract" and "subcontract," respectively.

# Pt. 1132

b. Final report. Add a new subparagraph (f)(5) to read, "The recipient must submit a final report listing all subject inventions made under the award or stating that there were none. The final report is due 90 calendar days after the end date of the period of performance unless you request, and we grant, an extension of the due date."

c. Broadening applicability to all entities. Delete paragraphs (g)(2) and (3) of the Governmentwide clause, redesignate paragraph (g)(1) as paragraph (g) and delete the phrase "to be performed by a small business firm or domestic nonprofit organization" from paragraph (g) as redesignated.

Section C. Data produced under the award.

1. Data in general. The Federal Government has the right to:

a. Obtain, reproduce, publish, or otherwise use the data produced under this award; and

b. Authorize others to receive, reproduce, publish, or otherwise use the data produced under this award for Federal Government purposes.

2. Research data requested under the Freedom of Information Act (FOIA).

a. If we receive a request under the FOIA for "research data" that are related to "published research findings" produced under this award and that were "used by the Federal Government in developing an agency action that has the force and effect of law," you must provide the data to us within a reasonable time after we request it from you, so that the data can be made available to the public through procedures established under the FOIA.

b. For purposes of the requirement in paragraph C.2.a of this section, 2 CFR 200.315(e) provides definitions of the phrases "published research findings," "used by the Federal Government in developing an agency action that has the force and effect of law," and "research data."

Section D. Use and disposition of intangible property acquired, but not developed or produced, under the award.

1. Applicability. This section applies to a patent, patent application, copyright, or other intangible property acquired, but not developed or produced, under this award.

### §1132.1 Purpose of this part.

(a) This part specifies standard wording of general terms and conditions concerning recipients' purchases of property (supplies, equipment, and real property) and services.

(b) It thereby implements OMB guidance in 2 CFR 200.317 through 200.326, and appendix II to 2 CFR part 200, as

those portions of 2 CFR part 200 apply to general terms and conditions of grants and cooperative agreements. It also partially implements 2 CFR 200.205(d), 200.213, and 200.517.

## §1132.2 Applicability of this part.

The types of awards and entities to which this part and other parts in this subchapter apply are described in the subchapter overview at 2 CFR 1126.2.

# §1132.3 Exceptions from requirements of this part.

Exceptions are permitted from the administrative requirements in this part only as follows:

(a) As described in 2 CFR 1126.3, and

(b) Based on any language in 2 CFR 200.110(a) regarding the applicability of the procurement standards in 2 CFR part 200.

## §1132.4 Organization of this part.

(a) The content of this part is organized into subparts and associated appendices. (1) Each subpart provides direction to DoD Components on how to construct one article of general terms and conditions for grants and cooperative agreements.

(2) For each subpart, there is a corresponding appendix with standard wording for terms and conditions of the article addressed by the subpart. Terms and conditions address rights and responsibilities of the Federal Government and recipients.

(b) A DoD Component must use the wording provided in each appendix in accordance with the direction in the corresponding subpart. That direction may permit DoD Components to vary from the standard wording in some situations.

(c) Table 1 shows which article of general terms and conditions may be found in each of appendices A through C to this part (with the associated direction to DoD Components in Subparts A through C, respectively):

# Subpart A-Procurement Standards for States (PROC Article I)

### §1132.100 Purpose of PROC Article I.

PROC Article I of the general terms and conditions specifies requirements for a State's procurement of property and services under grants or cooperative agreements. It thereby implements OMB guidance in 2 CFR 200.317 and partially implements the guidance in 2 CFR 200.205(d) and 200.213.

#### §1132.105 Content of PROC Article I.

(a) *Requirement*. A DoD Component's general terms and conditions must address requirements for States' procurement systems.

(b) Award terms and conditions—(1) General. Except as provided in para-

graph (b)(2) of this section, a DoD Component's general terms and conditions must use the wording appendix A to this part provides for PROC Article I.

(2) Exception. A DoD Component's general terms and conditions may instead reserve PROC Article I if the DoD Component determines that it is not possible that any States will receive:

(i) DoD Component awards using those general terms and conditions; or

(ii) Subawards from recipients of DoD Component awards using those general terms and conditions.

# §1132.105

# Subpart B—Procurement Standards for Institutions of Higher Education, Nonprofit Organizations, Local Governments, and Indian Tribes (PROC Article II)

# §1132.200 Purpose of PROC Article II.

PROC Article II of the general terms and conditions specifies procurement procedures for a recipient of a grant or cooperative agreement other than a State or for-profit entity. It thereby:

(a) Implements OMB guidance in 2 CFR 200.318 through 200.323, 200.324(a) and (b), and 200.325;

(b) Partially implements 2 CFR 200.205(d) and 200.213; and

(c) Implements, in conjunction with PROC Article III, 2 CFR 200.326.

#### §1132.205 Procurement procedures.

(a) *Requirement*. A DoD Component's general terms and conditions must address requirements for procurement systems of institutions of higher education, nonprofit organizations, local governments, and Indian tribes.

(b) Award terms and conditions. In order to implement the requirement described in paragraph (a) of this section, a DoD Component's general terms and conditions must use the wording that appendix B provides for Sections A through F of PROC Article II.

# §1132.210 Procurement of recovered materials.

(a) Requirement. A DoD Component's general terms and conditions must address requirements for procurement of recovered materials if State agencies or agencies of a political subdivision of a State may receive awards using those terms and conditions or be subrecipients under those awards.

(b) Award terms and conditions. A DoD Component's general terms and conditions must either:

(1) Use the wording that appendix B provides for Section G of PROC Article II, to specify requirements for a local government or other political subdivision of a State to comply with Resource Conservation and Recovery Act requirements; or

(2) Reserve Section G if the DoD Component determines that it is not 2 CFR Ch. XI (1–1–22 Edition)

possible that a political subdivision of a State will receive either:

(i) An award using those terms and conditions; or

(ii) A subaward under an award using those terms and conditions.

#### §1132.215 Review of recipient procurement documents.

(a) *Requirements*. A DoD Component's general terms and conditions must:

(1) Include a requirement for recipients to make technical specifications for proposed procurements available upon the DoD Component's request, as described in 2 CFR 200.324(a).

(2) Reserve the DoD Component's right to review a recipient's pre-procurement documents when any of the conditions described in 2 CFR 200.324(b)(1) through (5) apply and the recipient is not exempted from the requirement in accordance with 2 CFR 200.324(c).

(b) Award terms and conditions. To implement the requirements described in paragraph (a) of this section, a DoD Component's general terms and conditions must use the wording that appendix B to this part provides for Section H of PROC Article II.

### §1132.220 Bonding requirements.

(a) Requirements. A DoD Component's general terms and conditions must require each recipient to meet minimum bonding requirements if it awards any construction or facility improvement contract with a value in excess of the simplified acquisition threshold. A recipient would instead use its own bonding requirements if the DoD Component determined that the recipient's bonding policy and requirements are adequate to protect Federal interests.

(b) Award terms and conditions—(1) General. To implement the requirements in paragraph (a) of this section, a DoD Component's general terms and conditions must use the wording that appendix B to this part provides for Section I of PROC Article II. The DoD Component may include a provision in the award-specific terms and conditions to override Section I of PROC Article II in each award to a recipient for which it made the determination about

the recipient's bonding policy and requirements, as described in paragraph (a) of this section.

(2) Exceptions. A DoD Component's general terms and conditions may reserve Section I if the DoD Component determines that there will be no construction or facility improvement contracts with values in excess of the simplified acquisition threshold under awards using its general terms and conditions.

# Subpart C—Contract Provisions for Recipient Procurements (PROC Article III)

## §1132.300 Purpose of PROC Article III.

PROC Article III of the general terms and conditions specifies provisions that recipients must include in contracts under their awards, as applicable. It thereby:

(a) Implements, in conjunction with PROC Articles I and II, OMB guidance concerning recipients' contract provisions under grants and cooperative agreements in 2 CFR 200.317 and 200.326;

(b) Partially implements the OMB guidance in 2 CFR 200.205(d) and 200.213 concerning suspension and debarment requirements; and

(c) Partially implements the OMB guidance in 2 CFR 200.517 concerning retention and access of auditors' records.

#### §1132.305 Administrative requirements.

(a) Requirement. A DoD Component's general terms and conditions must require recipients to include in their contracts standard administrative requirements related to remedies, termination, allowable costs, rights in copyrights and data, records access and retention, and reporting.

(b) Award terms and conditions. To implement the requirement described in paragraph (a) of this section, a DoD Component's general terms and conditions must use the wording that appendix C to this part provides for Section A of PROC Article III.

#### §1132.310 National policy requirements.

(a) *Requirement*. A DoD Component's general terms and conditions must re-

quire recipients to include provisions in their contracts that require the contractors to comply with applicable national policy requirements.

(b) Award terms and conditions—(1) General. To implement the requirement in paragraph (a) of this section, a DoD Component's general terms and conditions must use the wording that appendix C to this part provides for Section B of PROC Article III.

(2) Exceptions. (i) The Wage Rate Requirements (Construction) statute (40 U.S.C. 3141–44, 3146, and 3147) does not apply to a program carried out through grants or cooperative agreements unless another statute makes it apply to that program. A DoD Component's general terms and conditions therefore may not include the provision that appendix C to this part includes as paragraph B.2 of PROC Article III unless another statute makes the Wage Rate Requirements statute apply to the program using those general terms and conditions.

(ii) If a DoD Component determines that any of the other national policy requirements in Section B will not apply to any of the awards subject to its general terms and conditions, the DoD Component may reserve the paragraphs of Section B addressing those requirements. Should a future need arise to include the requirements in a given award, the DoD Component may include them as award-specific terms and conditions.

#### APPENDIX A TO PART 1132—TERMS AND CONDITIONS FOR PROC ARTICLE I, "PROCUREMENT STANDARDS FOR STATES"

Unless a DoD Component reserves the article, as specified in §1132.105, a DoD Component's general terms and conditions must use the following wording for PROC Article I.

#### PROC ARTICLE I. PROCUREMENT STANDARDS FOR STATES. (DECEMBER 2014)

Section A. Use of State procurement system. Subject only to the conditions in Sections B through D of this article, you must use the same policies and procedures to procure supplies, equipment, real property, and services under this award that you use when you procure those items for State purposes using non-Federal funds.

With the exception of Sections G and I, which may be reserved as specified in §§1132.210 and 1132.220, a DoD Component's general terms and conditions must use the following wording for PROC Article II.

PROC ARTICLE II. PROCUREMENT STANDARDS FOR INSTITUTIONS OF HIGHER EDUCATION, NONPROFIT ORGANIZATIONS, LOCAL GOVERN-MENTS, AND INDIAN TRIBES. (DECEMBER 2014)

Section I. Bonding requirements. If you award a construction or facility improvement contract under this award with a value in excess of the simplified acquisition threshold, you must comply with at least the minimum requirements for bidders' bid guarantees and contractors' performance and payment bonds described in 2 CFR 200.325(a) through (c), unless a provision in the awardspecific terms and conditions of this award excepts you from the requirement based on our determination that your bonding policy and requirements are adequate to protect Federal interests.

#### APPENDIX C TO PART 1132—TERMS AND CONDITIONS FOR PROC ARTICLE III, "CONTRACT PROVISIONS FOR RECIPI-ENT PROCUREMENTS"

Unless a DoD Component reserves one or more paragraphs of Section B, as specified in §1132.310, a DoD Component's general terms and conditions must use the following wording for PROC Article III.

(a) The content of this part is organized into subparts and associated appendices.

(1) Each subpart provides direction to DoD Components on how to construct one article of general terms and conditions for grants and cooperative agreements.

(2) For each subpart, there is a corresponding appendix with standard wording for terms and conditions of the article addressed by the subpart. Terms

2 CFR Ch. XI (1-1-22 Edition)

and conditions address rights and responsibilities of the Federal Government and recipients.

(b) A DoD Component must use the wording provided in each appendix in accordance with the direction in the corresponding subpart. That direction may permit DoD Components to vary from the standard wording in some situations.

(c) Table 1 shows which article of general terms and conditions may be found in each of appendices A through D to this part (with the associated direction to DoD Components in Subparts A through D, respectively):

# Subpart A—Performance Management, Monitoring, and Reporting (REP Article I)

### §1134.100 Purpose of REP Article I.

REP Article I of the general terms and conditions specifies requirements related to recipient reporting on program performance. It thereby implements OMB guidance for grants and cooperative agreements in:

(a) 2 CFR 200.328; and

(b) Portions of 2 CFR 200.301 and 200.343(a) that relate to performance reporting.

# §1134.105 Performance reporting for construction awards.

(a) *OMB guidance*. OMB guidance in 2 CFR 200.328(c) notes that agencies rely heavily on onsite technical inspections and certified percentage of completion data to monitor progress under construction grants and cooperative agreements and states that agencies may require additional performance reports only when considered necessary.

(b) *DoD implementation*. DoD Components may require performance reports under construction awards only when necessary and, to reduce recipient burdens, should coordinate the performance reporting with financial reporting to the maximum extent practicable.

(c) Award terms and conditions. (1) If a DoD Component has general terms and conditions specifically for construction awards and does not need performance reports for those awards, it:

(i) Should reserve Sections A through D of REP Article I in those terms and conditions;

(ii) Must follow the specifications in §§ 1134.135 and 1134.145 to include the wording appendix A to this part provides for Sections E and G of REP Article I in those terms and conditions, in order to require recipients to promptly report significant developments and reserve the DoD Component's right to make site visits.

(iii) Must follow the specifications in §1134.140 to insert wording in Section F of REP Article I in those terms and conditions, to tell recipients where and how to submit any reports of significant developments.

(2) If a DoD Component has general terms and conditions specifically for construction awards and determines that it needs performance reports for those awards:

(i) It may tailor the template and content that appendix A to this part provides for Sections A through D of REP Article I in those terms and conditions, as needed to specify the reporting requirements or, as appropriate, instead integrate those requirements into REP Article II on financial reporting. The form, format, or data elements that the DoD Component specifies for any of those performance reports must comply with requirements of the Paperwork Reduction Act of 1995, as implemented by OMB at 5 CFR

part 1320, to use OMB-approved information collections if more than 9 recipients will be subject to the reporting requirement.

(ii) It must follow the specifications in \$\$1134.135 through 1134.145 concerning Sections E through G of REP Article I in those terms and conditions, as described in paragraphs (c)(1)(ii) and (iii) of this section.

## §1134.110 Performance reporting for non-construction awards.

(a) *OMB guidance*. OMB guidance in 2 CFR 200.328(f) states that an agency may waive any performance report that it does not need.

(b) DoD implementation—(1) Interim reports. DoD Components should waive requirements for interim performance reports under non-construction awards, including research awards, only when program managers have an alternative source for the information that the reports provide in support of the need for technical program oversight during the period of performance.

(2) Final reports—(i) Research. DoD Components may not waive requirements for final performance reports under research awards, even when program managers have other sources of the information they contain. A primary purpose of a final report under a research award is to document the overall project or program well enough to serve as a long-term reference from which others may understand the purpose, scope, approach, results or outcomes, and conclusions or recommendations of the research.

(ii) Non-construction awards other than research. DoD Components should consider the long-term value of final performance reports for documenting program outcomes, as well as any nearterm value, before waiving requirements for final reports under other non-construction awards.

(c) Award terms and conditions. Appendix A to this part provides a template for REP Article I of the general terms and conditions of research awards or other non-construction awards under which performance reports are required. A DoD Component must either use the wording that appendix A provides or insert wording into the template, in accordance with §§1134.115 through 1134.145, to:

(1) Specify the content and form, format, or data elements recipients must use for interim and final performance reporting (see §1134.115);

(2) Specify the reporting frequency, reporting periods, and due dates for interim performance reports (see §1134.120);

(3) Specify the due dates and reporting periods for final performance reports (see §1134.125);

(4) Specify that recipients may request extensions of due dates for performance reports (see §1134.130);

(5) Require recipients to report significant developments (see §1134.135);

(6) Specify reporting procedures (see §1134.140); and

(7) Reserve the DoD Component's right to make site visits (see §1134.145).

#### §1134.115 Content and forms, formats, or data elements for interim and final performance reporting under non-construction awards.

(a) *OMB guidance*. OMB guidance in:

(1) 2 CFR 200.301 and 200.328(b)(2) state that Federal awarding agencies must require recipients to use standard OMB-approved information collections for reporting performance information.

(2) 2 CFR 200.328(b)(2)(i) through (iii) list types of information that performance reports under non-construction grants and cooperative agreements will contain, as appropriate, unless other collections are approved by OMB.

(b) DoD implementation. (1) The content of the information collections that a DoD Component's general terms and conditions specify for non-construction awards must include the elements listed in 2 CFR 200.328(b)(2)(i)through (iii) that are appropriate to the projects or programs subject to those general terms and conditions.

(2) Forms, formats, and data elements that a DoD Component's general terms and conditions specify for performance reporting under non-construction awards must comply with requirements of the Paperwork Reduction Act of 1995 to use OMB-approved information collections, as implemented by OMB at 5 CFR part 1320.

(3) To the maximum extent practicable, a DoD Component's general terms and conditions for non-construction awards must specify that recipients use Governmentwide standard forms, formats, and data elements that also are used by other Federal agencies for similar programs, recipients, and types of awards (*e.g.*, the Research Performance Progress Report format or any successor to it that OMB clears for interim performance progress reports under research awards to institutions of higher education and nonprofit organizations).

(c) Award terms and conditions. To implement the provisions of paragraphs (a) and (b) of this section, a DoD Component must insert wording in lieu of the reserved Section A of REP Article I of its general terms and conditions for non-construction awards to specify the form, format, or data elements that recipients must use for interim and final performance reports. Section A of REP Article I may specify a different requirement for final performance reports than interim reports.

#### \$1134.120 Frequency, reporting periods, and due dates for interim performance reporting under non-construction awards.

(a) *OMB guidance*. OMB guidance in 2 CFR 200.328(b)(1) addresses performance reporting frequency under grants and cooperative agreements and due dates.

(1) Reporting frequency. The OMB guidance states that interim performance reports should be no less frequent than annually, nor more frequent than quarterly except in unusual circumstances (e.g., when more frequent reporting is necessary for effective program monitoring).

(2) *Due dates*. The OMB guidance states that due dates for interim performance reports must be:

(i) 30 calendar days after the end of the reporting period if interim reports are required quarterly or semiannually; and

(ii) 90 calendar days after the end of the reporting period if interim reports are required annually, unless the agency elects to require the annual reports before the anniversary dates of multiyear awards.

(b) *DoD implementation*. DoD implements the OMB guidance in 2 CFR 200.328(b)(1) concerning frequency and

2 CFR Ch. XI (1-1-22 Edition)

due dates of interim performance reports through award terms and conditions, with the following clarifications and added specifications concerning reporting periods:

(1) Reporting frequency. DoD Components rarely, if ever, should require recipients to submit interim performance reports more often than annually for basic research awards. Before requiring interim performance reports more frequently than annually for other research awards, DoD Components should carefully consider whether the benefits of more frequent reporting are sufficient to offset the potential for slowing the rate of research progress, due to diversion of researchers' time from research performance to report preparation.

(2) Reporting periods. For research awards, a DoD Component should not require any recipient to submit interim performance reports on a cumulative basis—*i.e.*, the second and any subsequent performance report should address only the most recent reporting period and not also address previous reporting periods covered by earlier interim performance reports.

(3) Due dates. If a DoD Component requires an interim report more frequently than quarterly due to unusual circumstances, as described in 2 CFR 200.328(a)(1) and paragraph (a)(1) of this section, the DoD Component must specify that the due date for the report is 30 days after the end of the reporting period. For all other interim reports, DoD Components must specify due dates in accordance with paragraph (a)(2) of this section.

(c) Award terms and conditions. A DoD Component must insert wording in lieu of the reserved Section B of REP Article I of its general terms and conditions for non-construction awards to specify:

(1) The frequency with which recipients must submit interim performance reports;

(2) The reporting period each interim performance report must cover; and

(3) The due date for each interim performance report, stated as the number of calendar days after the end of the reporting period.

#### §1134.125 Due dates and reporting periods for final performance reports under non-construction awards.

(a) *OMB guidance*. OMB guidance in 2 CFR 200.328(b)(1) states that each final performance report will be due 90 calendar days after the end date of the period of performance. It also states that an agency may extend the due date if a recipient submits a justified request.

(b) *DoD implementation*—(1) *Due dates*. Consistent with 2 CFR 200.328(b)(1):

(i) *General.* A DoD Component's general terms and conditions must specify that the due date for each recipient's submission of its final performance report is:

(A) 90 calendar days after the end of the period of performance for non-construction awards other than research.

(B) 120 calendar days after the end of the period of performance for research awards.

(ii) Exception. A DoD Component may pre-approve a 30-day extension to the due date in its general terms and conditions for non-construction awards other than research by specifying that each recipient's final performance report is due 120 calendar days after the end of the period of performance. Doing so would be especially helpful to recipients that have subawards and need time to assimilate subrecipient inputs into the final report for the project or program as a whole.

(2) Reporting periods—(i) Non-construction awards other than research. A DoD Component's general terms and conditions for non-construction awards other than research may require each recipient to submit a final report that is cumulative and covers the entire period of performance, as that may more effectively document the project or program for future reference.

(ii) *Research.* Final reports for research awards must be cumulative (*i.e.*, each final report must cover the entire period of performance under the award and not just the period since the previous interim performance report) because a primary purpose of a final report for a research award is to document the overall project or program, as described in \$1134.110(b)(2).

(c) Award terms and conditions. To implement the provisions of paragraphs (a) and (b) of this section, a DoD Component in its general terms and conditions for non-construction awards:

(1) Must either:

(i) Specify that the due date for final performance reports is either 90 or 120 calendar days after the end of the period of performance, as indicated in paragraph (b)(1)(i), by including the wording that appendix A to this part provides for paragraph C.1 of REP Article I and modifying the bracketed language in that wording by removing the brackets and showing only the number of days (*i.e.*, 90 or 120 calendar days) appropriate for the type of awards; or

(ii) Pre-approve a 30-day extension to the 90 calendar day due date, as described in paragraph (b)(1)(ii) of this section for non-construction awards other than research, by including the wording that appendix A to this part provides for paragraph C.1 of REP Article I and modifying the bracketed language in that wording by removing the brackets and showing only "120 calendar days" in lieu of "90 calendar days."

(2) Must insert wording in lieu of the reserved paragraph C.2 of REP Article I, to specify the reporting period for final reports (*e.g.*, that research awards require cumulative final reports).

## §1134.130 Requesting extensions of due dates for performance reports.

(a) *OMB guidance*. OMB guidance in 2 CFR 200.328(b)(1) states that, if a recipient submits a justified request for an extension in the due date for any interim or final performance report under a grant or cooperative agreement, an agency may extend the due date.

(b) DoD implementation. A DoD Component's general terms and conditions for non-construction awards must specify that a recipient may request an extension of the due date for interim or final performance reports. DoD Components should grant requests that provide adequate justification. For a DoD Component that pre-approves a 30-day extension of due dates for final performance reports in its general terms conditions, as described in and §1134.125(b)(1)(ii) and (c)(1)(ii), any award-specific extensions would be beyond the pre-approved 30-day extension.

## §1134.135

(c) Award terms and conditions. To implement the provisions of paragraphs (a) and (b) of this section, a DoD Component's general terms and conditions for non-construction awards must include the wording that appendix A to this part provides for Section D of REP Article I on extensions of performance reporting due dates.

#### §1134.135 Reporting significant developments.

(a) *OMB guidance*. OMB guidance in 2 CFR 200.328(d) states that a recipient must promptly notify the awarding agency about significant developments under grants and cooperative agreements.

(b) *DoD implementation*. A DoD Component's general terms and conditions must require recipients to report significant developments, as described in 2 CFR 200.328(d).

(c) Award terms and conditions. A DoD Component's general terms and conditions must include the wording that appendix A to this part provides for Section E of REP Article I on reporting of significant developments.

#### §1134.140 Performance reporting procedures.

(a) *Requirement*. A DoD Component's general terms and conditions must inform recipients about performance reporting procedures.

(b) Award terms and conditions. To implement the requirement of paragraph (a) of this section, a DoD Component in its general terms and conditions must insert wording in Section F of REP Article I (which is reserved in the template for REP Article I that appendix A to this part provides), to specify:

(1) The office or offices to which a recipient must submit its interim and final performance reports, any requests in due dates for those reports, and any reports of significant developments; and

(2) How the recipient is to submit those reports and requests (*e.g.*, email or other electronic submission method).

(3) For research awards, component must assure that the recipient final report complies with the distribution and marking requirements of DoD Manual 3200.14, Volume 1. This includes the re-

## 2 CFR Ch. XI (1–1–22 Edition)

quirement that all significant scientific or technological findings, recommendations, and results derived from DoD endeavors—which shall include the final performance report at a minimum—are recorded and provided to Defense Technical Information Center (DTIC). Follow guidance in (b)(1) to inform recipients as the submission and distribution requirements (*i.e.* Component may choose to receive the report and submit to DTIC themselves or provide instructions to recipient on submission to DTIC).

(4) Access to Research Results

(i) For purposes of this term and condition, the following definition applies:

Final Peer-Reviewed Manuscript: The final version of a peer-reviewed article for a professional journal publication disclosing the results of scientific research which is authored or co-authored by the recipient or funded, in whole or in part, with funds from a DoD award, that includes all modifications from the publishing peer review process, and all graphics and supplemental material associated with the article.

(ii) The recipient shall ensure that any Final Peer-Reviewed Manuscript is submitted to the Defense Technical Information Center (DTIC) repository, currently at *www.dtic.mil*. Ensure that the Final Peer-Reviewed Manuscript is submitted when it is accepted for publication, and when the final title and date of publication are known.

#### §1134.145 Site visits.

(a) *OMB guidance*. OMB guidance in 2 CFR 200.328(e) states that a Federal awarding agency may make site visits as warranted by program needs.

(b) *DoD implementation*. A DoD Component's general terms and conditions must state that the Federal Government reserves the right to make site visits as warranted.

(c) Award terms and conditions. A DoD Component's general terms and conditions must include the wording that appendix A to this part provides for Section G of REP Article I concerning site visits.

## Subpart B—Financial Reporting (REP Article II)

#### §1134.200 Purpose of REP Article II.

REP Article II of the general terms and conditions specifies requirements related to financial reporting. It thereby implements OMB guidance in 2 CFR 200.327 and the portions of 2 CFR 200.301 and 200.343(a) that are specific to financial reporting under grants and cooperative agreements.

## §1134.205 Reporting forms, formats, or data elements.

(a) *OMB guidance*. OMB guidance in 2 CFR 200.327 states that Federal awarding agencies may require recipients to use only the standard OMB-approved Governmentwide data elements for collection of financial information, unless OMB approves other forms, formats, or data elements for financial information collection.

(b) *DoD implementation*. DoD Components must collect financial information from recipients using OMB-approved forms, formats, or data elements.

(1) Unless current approvals expire, approved financial information collections include the Federal Financial Report (SF-425) and Request for Advance or Reimbursement (SF-270). In the future, they would include any additional information collections that OMB approves.

(2) For all but the recipient's final financial report, a DoD Component may rely on financial information the recipient provides on the SF-270 or other OMB-approved payment request form, format, or data elements if that financial information is sufficient to meet the DoD Component's needs. For the final report, the DoD Component must require the recipient to use the SF-425 or other OMB-approved financial information collection.

(3) A DoD Component must obtain approval for any variations from OMBapproved forms or formats, including use of additional or substitute data elements or modification of the associated instructions for recipient entities submitting the information.

### §1134.210 Content of REP Article II.

(a) *Requirement*. A DoD Component's general terms and conditions must specify what financial information recipients are required to report and how often, when, where, and how they must report.

(b) Award terms and conditions—(1) General. Appendix B to this part provides a template into which a DoD Component must insert wording to specify the form, format, or data elements recipients must use for financial reporting; the frequency, reporting periods, and due dates for their financial reports (stated as the number of days after the end of the reporting period); and where and how they must submit the information.

(2) Required reporting form, format, or data elements for interim and final financial reports. In Section A of REP Article II, which is reserved in appendix B to this part, a DoD Component must insert wording to specify the OMB-approved form, format, or data elements that recipients must use for financial reporting and the website where they can be found. The section may provide a different requirement for final financial reports than interim reports during the period of performance if the DoD Component needs less information on interim reports than is needed on the final report.

(3) Interim financial reports: Frequency, reporting periods, and due dates. In Section B of REP Article II, which is reserved in appendix B to this part, a DoD Component must insert wording to specify the frequency with which recipients must submit interim financial reports, as well as the reporting period each report must cover and when it is due. However, this section of the article may waive interim reporting requirements if the DoD Component relies on information already provided with payment requests (e.g., on the SF-270).

(i) Consistent with OMB guidance in 2 CFR 200.327, the reporting frequency may be no less often than annually and no more frequently than quarterly except in unusual circumstances (*e.g.*, a need for more frequent reporting for monitoring program performance, in which case financial reporting should

be coordinated with performance reporting).

(ii) The reporting frequency, reporting periods, and due dates must conform with any guidance on those aspects of financial reporting in the OMB-approved instructions accompanying the form, format, or data elements used.

(iii) When a DoD Component's general terms and conditions provide for advance payments based on predetermined schedules—which is very rarely if ever appropriate for research awards—the terms and conditions must provide for quarterly reporting. This will enable post-award administrators to closely monitor recipients' balances of cash on hand for compliance with Governmentwide cash management standards.

(4) Final financial report. Appendix B to this part provides wording for Section C of REP Article II to implement OMB guidance in 2 CFR 200.343(a) as it applies to final financial reports. Given that 2 CFR part 200 provides 90 days for subrecipients to liquidate subaward obligations and submit their final financial reports to recipients, the wording in appendix B gives recipients 120 days to submit final financial reports to DoD post-award administration offices. That provides a reasonable amount of time for recipients to incorporate any information they need from final subaward reports. A DoD Component may alter the wording or supplement it if the DoD Component has a basis to do so in a statute or a regulation published in the Code of Federal Regulations.

(5) Extensions of due dates. A DoD Component's general terms and conditions must include the wording for Section D of REP Article II that appendix B to this part provides to authorize recipients to request extensions of due dates for interim or final financial reports.

(6) Where and how to submit financial reports. In Section E of REP Article II, which is reserved in appendix B to this part, a DoD Component must insert wording to specify the DoD official or office to whom a recipient must submit its interim and final financial reports and the method it must use to do so

2 CFR Ch. XI (1-1-22 Edition)

(*e.g.*, email or other electronic submission method).

## Subpart C—Reporting on Property (REP Article III)

#### §1134.300 Purposes of REP Article III.

REP Article III of the general terms and conditions provides a consolidated source that sets out required reports, notifications, requests, and accountings related to federally owned property and property that is acquired or improved under awards. The article is: (a) The original source of require-

ments for recipients to:

(1) Submit periodic status reports and notifications of critical changes for real property (in paragraphs A.1 and A.2 of the article), which thereby implements OMB guidance in 2 CFR 200.329;

(2) Submit an annual inventory of federally owned property (in paragraph C.1 of the article), which thereby partially implements OMB guidance in 2 CFR 200.312(a);

(3) Provide information on request about copyrighted works and data produced under awards (in paragraph D.2 of the article).

(b) A secondary source provided for the convenience of recipients and DoD post-award administrators that lists and refers to the original sources of requirements for recipients to:

(1) Request disposition instructions and account at closeout for real property (in paragraphs A.3 and A.4 of the article), the original sources of which are in PROP Article III and OAR Article VI;

(2) Provide notifications of loss, damage, or theft and requests for disposition instructions for equipment (in paragraphs B.2 and B.3 of the article), the original sources of which are in PROP Articles II and IV, respectively;

(3) Account at closeout for equipment and supplies (in paragraph B.4 of the article), the original sources of which are in OAR Article VI and PROP Article IV;

(4) Provide notifications of loss, damage, or theft and requests for disposition instructions for federally owned property (in paragraphs C.2 and C.3 of the article), the original sources of

which are in PROP Articles II and V, respectively;

(5) Disclose and report on inventions developed under awards (in paragraph D.1), the original source of which is in PROP Article VI; and

(6) Request disposition instructions for intangible property acquired, but not developed or produced, under awards (in paragraph D.3 of the article), the original source of which is in PROP Article VI.

#### §1134.305 Real property: reports, notifications, requests, and accounting.

(a) Requirement. A DoD Component's general terms and conditions must specify the real property reporting requirements described in §1134.300(a)(1) and provide references to the related requirements described in §1134.300(b)(1).

(b) Award terms and conditions. To implement the requirement described in paragraph (a) of this section, the wording of Section A of REP Article III of a DoD Component's general terms and conditions must comply with either paragraph (b)(1) or (b)(2) of this section.

(1) General. Unless a DoD Component determines that there will be no acquisition or improvement of real property under awards using its general terms and conditions, those general terms and conditions must include the wording appendix C to this part provides for Section A of REP Article III, to which the DoD Component:

(i) Must add wording in lieu of the reserved paragraph A.1.a to specify how often a recipient must submit periodic status reports and how long it is required to do so (which should be the duration of the Federal interest in the real property). The wording of paragraph A.1.a must be consistent with OMB guidance in 2 CFR 200.329, which provides different options for reporting frequency depending on the duration of the Federal interest in the real property.

(ii) Must add wording in lieu of the reserved paragraph A.1.b to specify the due date for each periodic status report in terms of the number of calendar days after the end of the period covered by the report (*e.g.*, a report on the status of the property as of September 30 might be due 30 calendar days after that date).

(iii) May provide wording in lieu of the reserved paragraph A.1.c if there are other instructions—e.g., a form, format, or information elements that a recipient must use (which must be cleared by OMB under the Paperwork Reduction Act, as implemented by OMB at 5 CFR part 1320) or a particular office to which reports must be submitted, especially if reporting will continue beyond closeout of the award under which the real property was acquired or improved.

(2) *Exception*. A DoD Component may reserve Section A of REP Article III if it determines that there will be no acquisition or improvement of real property under awards using its general terms and conditions.

# §1134.310 Equipment and supplies: reports, notifications, requests, and accounting.

(a) Requirement. REP Article III of a DoD Component's general terms and conditions must clarify that there is no requirement for routine periodic reporting about equipment acquired under an award and provide the references described in §1134.300(b)(2) and (3) to requirements in other articles for notifications, requests, and accounting related to equipment and supplies.

(b) Award terms and conditions. To implement the requirement described in paragraph (a) of this section, a DoD Component's general terms and conditions must use the wording appendix C to this part provides for Section B of REP Article III.

#### §1134.315 Federally owned property: inventory, notifications, and requests.

(a) Requirement. REP Article III of a DoD Component's general terms and conditions must specify the reporting requirement described in \$1134.300(a)(2) and provide the references described in \$1134.300(b)(4) to requirements in other articles for notifications and requests related to federally owned property.

(b) *Policy*. (1) Except as provided by statute or in regulations adopted in the Code of Federal Regulations after opportunity for public comment, a DoD Component may not specify: (i) Due dates for the annual inventories of federally owned property; or

(ii) Forms, formats, or specific data elements for the inventories, notifications, or requests for disposition instructions. Any form, format, or data elements that a DoD Component specifies must be cleared by OMB under the Paperwork Reduction Act, as implemented by OMB at 5 CFR part 1320.

(2) Not specifying due dates, forms, formats, or data elements provides flexibility for recipients and DoD postaward administrators to handle these requirements in ways that reduce burdens and costs. For example, a recipient may arrange with a post-award administration office to submit one consolidated inventory annually for federally owned property under all of the awards it receives that are administered by that office, using a format its property management system already generates.

(c) Award terms and conditions—(1) General. To implement the requirement described in paragraph (a) of this section, a DoD Component's general terms and conditions must use the wording appendix C to this part provides for Section C of REP Article III. The DoD Component may add wording on due dates or on forms, formats, or data elements only as provided in paragraph (b) of this section.

(2) Exception. A DoD Component may reserve Section C of REP Article III if it determines that no recipients of awards using its general terms and conditions, or subrecipients of subawards under those awards, will be accountable for federally owned property under those awards or subawards.

#### §1134.320 Intangible property: disclosures, reports, and requests.

(a) Requirement. REP Article III of a DoD Component's general terms and conditions must specify the requirement described in \$1134.300(a)(3) and provide the references described in \$1134.300(b)(5) and (6) to requirements in other articles for disclosures, reports, and requests related to intangible property.

(b) Award terms and conditions—(1) General. To implement the requirement described in paragraph (a) of this section, a DoD Component's general terms 2 CFR Ch. XI (1-1-22 Edition)

and conditions must use the wording appendix C to this part provides for Section D of REP Article III.

(2) *Exceptions*. A DoD Component may reserve:

(i) Section D of REP Article III if it determines that no recipients of awards using its general terms and conditions, or subrecipients of subawards under those awards, will have any intangible property for which they will be accountable to the Federal Government; or

(ii) Any of paragraphs D.1 through D.3, if it determines that no recipients of awards using its general terms and conditions, or subrecipients of sub-awards under those awards, will be accountable to the Federal Government for the particular types of intangible property addressed by those paragraphs.

## Subpart D—Reporting on Subawards and Executive Compensation (REP Article IV)

#### §1134.400 Purpose of REP Article IV.

REP Article IV of the general terms and conditions specifies requirements for recipients to report information about subawards and executive compensation.

## §1134.405 Content of REP Article IV.

(a) Source of the reporting requirements. The requirements for recipients to report information about subawards and executive compensation originate in the Federal Funding Accountability and Transparency Act of 2006, as amended (31 U.S.C. 6101 note). OMB guidance at 2 CFR part 170 implements those statutory requirements and appendix A to that part provides standard Governmentwide wording of an award provision.

(b) Award terms and conditions. To implement the reporting requirements described in paragraph (a) of this section, a DoD Component's general terms and conditions must use the wording appendix E to this part provides as REP Article IV.

## Subpart E—Other Reporting (REP Article V)

#### §1134.500 Purpose of REP Article V.

REP Article V of the general terms and conditions specifies requirements for recipients to provide any type of report not addressed in REP Articles I– IV.

#### §1134.505 Content of REP Article V.

(a) Source of reporting requirement. Any requirement in a DoD Component's general terms and conditions for recipients to provide a type of report not addressed in REP Articles I-IV must:

(1) Have a basis in a statute or regulation adopted in the FEDERAL REG-ISTER after an opportunity for public comment; and

(2) Use a form/format that has been approved by OMB under the PRA, as implemented by OMB in 5 CFR part 1320.

(b) Award terms and conditions. (1) To implement any reporting requirement described in paragraph (a) of this section, a DoD Component's general terms and conditions must include the following content in REP Article V, consistent with the PRA approval. Otherwise, REP Article V must be reserved.

(a) The name of the report and where a recipient can obtain it;

(b) For an interim report, the frequency with which it must be submitted and due date(s);

(c) For a final report, whether the report is due 90 days or, if the DoD Component has pre-approved a 30-day extension, 120 days after the end of the period of performance; and

(d) To what DoD office/official the report(s) must be submitted.

(2) If there is more than one such report, the DoD Component must show the information for each in separate sections of the article.

#### APPENDIX A TO PART 1134—TERMS AND CONDITIONS FOR REP ARTICLE I, "PERFORMANCE MANAGEMENT, MON-ITORING, AND REPORTING"

#### APPENDIX C TO PART 1134—TERMS AND CONDITIONS FOR REP ARTICLE III, "REPORTING ON PROPERTY"

Unless a DoD Component reserves REP Article III in its entirety as specified in §1134.305, or reserves Sections C or D (or any paragraph in those sections) as specified in §\$1134.315 and 1134.320, a DoD Component's general terms and conditions must include a completed Section A (as specified in §1134.305) and use the following wording for the remainder of REP Article III.

#### REP ARTICLE III. REPORTING ON PROPERTY (DECEMBER 2014)

Section A. Real property. Paragraphs A.1 through A.4 apply to real property for which you are accountable under this award, for as long as there is a Federal interest in the property (whether that interest is due to you or a subrecipient having acquired or improved the property under this award, or a transfer of the accountability for the property to this award from another award).

1. *Periodic status reports*. You must submit periodic status reports, as follows:

a. Frequency and duration of reporting requirement. [Reserved]

b. Due dates. [Reserved]

c. Other submission instructions. [Reserved]

2. Notifications of critical changes. You must notify the award administration office of any critical change in the status of real property as soon as feasible after you become aware of it. A critical change is any event with a significant adverse impact on the condition or value of the property, such as damage due to 2 CFR Ch. XI (1–1–22 Edition)

fire; flood, hurricane, or other severe weather; earthquake; or accident.

3. Requests for disposition instructions. You must comply with applicable requirements in PROP Article III to request disposition instructions, either during the period of performance or at closeout.

4. Closeout accounting. You must account to the award administration office for real property at the time of closeout of the award, as required by Section D of OAR Article VI.

Section B. Equipment and supplies. Paragraphs B.1 through B.4 apply to equipment or supplies for which you are accountable under this award and in which there is a Federal interest (whether that interest is due to you or a subrecipient having acquired or improved the property under this award, or a transfer of the accountability for the property to this award from another award).

1. *Periodic status report*. There is no requirement for periodic reporting during the period of performance.

2. Notifications of loss, damage, or theft. You must comply with applicable requirements in PROP Article II governing your property management system to promptly notify the award administration office of any loss, damage, or theft of equipment.

3. *Requests for disposition instructions.* You must comply with applicable requirements in PROP Article IV to request disposition instructions for equipment, either during the period of performance or at closeout.

4. Closeout accounting.

a. *Equipment*. You must account to the award administration office for equipment at the time of closeout of this award, as required by Section D of OAR Article VI.

b. Supplies. If you have a residual inventory of unused supplies that meets the criteria specified in paragraph E.2 of PROP Article IV, you must as part of your closeout accounting arrange with the award administration office for the compensation that paragraph specifies for the Federal interest in the supplies.

Section D. Intangible property. Paragraphs D.1 through D.3 apply to intangible property for which you are accountable under this award.

1. Inventions developed under the award. You must submit all reports on subject inventions developed under this award that are required by the modified Governmentwide patent rights award provision specified in Section B of PROP Article VI, which include a disclosure of each subject invention and a final report listing all such subject inventions.

2. Copyrights and data. You are not required to submit periodic reports about data produced under the award or about works for which you acquired ownership under this award, either by development or otherwise, and in which copyright was asserted. However, because of the DoD/Federal Government's rights in the works and data that Sections A and C of PROP Article VI specify, you must provide information about the works and data if we request it.

3. Intangible property acquired, but not developed or produced, under the award. You must comply with requirements in Section D of PROP Article VI to request disposition instructions for intangible property acquired, but not developed or produced, under the award.

#### APPENDIX D TO PART 1134—TERMS AND CONDITIONS FOR REP ARTICLE IV, "REPORTING ON SUBAWARDS AND EX-ECUTIVE COMPENSATION"

As specified in §1134.405, a DoD Component's general terms and conditions must use the following wording for REP Article IV.

REP ARTICLE IV. REPORTING ON SUBAWARDS AND EXECUTIVE COMPENSATION (DECEM-BER 2014)

You must report information about subawards and executive compensation as specified in the award provision in appendix A to 2 CFR part 170, "Reporting subaward and executive compensation information," modified as follows:

1. To accommodate any future designation of a different Governmentwide website for reporting subaward information, the website "http://www.fsrs.gov" cited in paragraphs a.2.i. and a.3 of the award provision is replaced by the phrase "http://www.fsrs.gov or successor OMB-designated website for reporting subaward information"; 2. To accommodate any future designation of a different Governmentwide website for reporting executive compensation information, the website "http://www.sam.gov" cited in paragraph b.2.i. of the award provision is replaced by the phrase "https://www.sam.gov or successor OMB-designated website for reporting information on total compensation"; and

3. The reference to "Sec. \_\_210 of the attachment to OMB Circular A-133, 'Audits of States, Local Governments, and Non-Profit Organizations'" in paragraph e.3.ii of the award provision is replaced by "2 CFR 200.330, as implemented in SUB Article I of this award".

#### APPENDIX E TO PART 1134—TERMS AND CONDITIONS FOR REP ARTICLE V, "OTHER REPORTING"

In accordance with §1134.505 of this part, a DoD Component's general terms and conditions must either reserve REP Article V or provide the information required by that section for each applicable report.

#### §1136.1 Purpose of this part.

(a) This part specifies standard wording of general terms and conditions concerning submission and maintenance of recipient information; records retention and access; remedies for noncompliance and termination; claims, disputes, and appeals; collection of amounts due; closeout; and after-theaward requirements.

(b) It thereby implements OMB guidance for grants and cooperative agreements in multiple portions of 2 CFR part 200, as those portions apply to general terms and conditions. Specifically, this part implements:

(1) 2 CFR 200.113 and 200.210(b)(1)(iii);

(2) 2 CFR 200.300(b) as it refers to requirements in 2 CFR part 25; and

(3) 2 CFR 200.333 through 200.345.

## §1136.2 Applicability of this part.

The types of awards and entities to which this part and other parts in this subchapter apply are described in the subchapter overview at 2 CFR 1126.2.

## \$1136.3 Exceptions from requirements of this part.

Exceptions are permitted from the administrative requirements in this part only as described at 2 CFR 1126.3.

#### §1136.4 Organization of this part.

(a) The content of this part is organized into subparts and associated appendices.

(1) Each subpart provides direction to DoD Components on how to construct one article of general terms and conditions for grants and cooperative agreements.

(2) For each subpart, there is a corresponding appendix with standard wording for terms and conditions of the article addressed by the subpart. Terms and conditions address rights and responsibilities of the Federal Government and recipients.

(b) A DoD Component must use the wording provided in each appendix in accordance with the direction in the corresponding subpart. That direction may permit DoD Components to vary from the standard wording in some situations.

(c) Table 1 shows which article of general terms and conditions may be found in each of appendices A through G to this part (with the associated direction to DoD Components in Subparts A through G, respectively):

## §1136.210

#### TABLE 1 TO PARAGRAPH (c)

In	You will find terms and conditions specifying recipients' rights and responsibilities related to	That would appear in an award within OAR Article
Appendix C Appendix D Appendix E Appendix F	Records retention and access	II. III. IV. V. V. V.

## Subpart A—Submitting and Maintaining Recipient Information (OAR Article I)

#### §1136.100 Purpose of OAR Article I.

OAR Article I sets forth requirements for recipients to maintain current information about themselves in the data system the Federal Government specifies as the repository for standard information about its business partners, currently the System for Award Management. The article thereby implements OMB guidance in:

(a) 2 CFR 200.113 and 200.210(b)(1)(iii);

(b) 2 CFR part 25; and

(c) The portion of 2 CFR 200.300(b) that cites 2 CFR part 25 and the System for Award Management).

#### §1136.105 Content of OAR Article I.

To implement the requirement described in §1136.100, a DoD Component's general terms and conditions must use the standard wording appendix A to this part provides as OAR Article I. A DoD Component may reserve Section B of the article in its general terms and conditions if it is certain that there will be no award using those general terms and conditions for which the Federal share of the award's total value will exceed \$500,000.

## Subpart B—Records Retention and Access (OAR Article II)

#### §1136.200 Purpose of OAR Article II.

OAR Article II addresses rights and responsibilities concerning retention of records related to awards; access to recipients' records; and collection, transmission, and storage of information. The article thereby implements OMB guidance in 2 CFR 200.333 through 200.337.

#### §1136.205 Records retention period.

(a) OMB quidance. OMB guidance in:

(1) The lead-in paragraph of 2 CFR 200.333 sets a standard retention period that is generally applicable to recipient records pertinent to grants and cooperative agreements.

(2) 2 CFR 200.333(c) and (f) provide different standard retention periods specifically for records that are related either to real property and equipment acquired with Federal funds or indirect cost rate proposals and cost allocation plans.

(b) *DoD implementation*. A DoD Component's general terms and conditions must specify the standard retention periods described in paragraph (a) of this section.

(c) Award terms and conditions—(1) General. A DoD Component's general terms and conditions must use the wording appendix B to this part provides for Section A of OAR Article II.

(2) Exception. A DoD Component's general terms and conditions may substitute alternative wording for paragraph A.3 of OAR Article II if the awards using those terms and conditions will be renewed quarterly or annually. The alternative wording for awards that will be renewed quarterly or annually would replace the words "final financial report" in paragraph A.3 with "quarterly financial report," respectively.

#### §1136.210 Extensions of retention period due to litigation, claim, or audit.

(a) *OMB guidance*. OMB guidance in:

(1) 2 CFR 200.333(a) provides for an extended retention period for records involved in a litigation, claim, or audit that begins before the end of the standard 3-year retention period.

## §1136.215

(2) 2 CFR 200.333(b) provides that a recipient also is required to extend the retention period when a Federal awarding, cognizant, or oversight agency notifies it in writing to do so.

(b) *DoD implementation*. (1) A DoD Component's general terms and conditions must provide for extended retention periods for records involved in a litigation, claim, or audit that begins before the end of the standard 3-year retention period, as described in 2 CFR 200.333(a).

(2)(i) Other than the exception described in paragraph (b)(2)(ii) of this section, DoD Components may not require recipients to extend the records retention period as described in 2 CFR 200.333(b).

(ii) A DoD Component's general terms and conditions must extend the "retention period," as that term is used in 2 CFR 200.344(a), to include the entire period during which recipients retain their records, even if that period extends beyond the standard 3-year retention period described in §1136.205. That extension will enable disallowance of costs and recovery of funds based on an audit or other review of records a recipient elected to retain beyond the standard retention period, even if the audit or review began after the end of that retention period. Without that extension, the ability to disallow costs and recover funds would be limited by 2 CFR 200.344(a), which states that an agency must make any disallowance determination about a recipient's costs and notify the recipient within the record retention period.

(c) Award terms and conditions. A DoD Component's general terms and conditions must use the wording appendix B to this part provides for Section B of OAR Article II.

#### \$1136.215 Records for program income earned after the end of the performance period.

(a) *OMB guidance*. OMB guidance in 2 CFR 200.333(e) provides the retention period for records related to program income earned under a grant or cooperative agreement after the end of the period of performance, if an agency establishes requirements governing the disposition of program income earned after that time.

## 2 CFR Ch. XI (1–1–22 Edition)

(b) DoD implementation. A DoD Component's general terms and conditions should not establish retention requirements for records related to program income earned after the end of the period of performance. Retention requirements for those records in general terms and conditions would be inconsistent with the statement in 2 CFR 1128.725 that a DoD Component should rarely, if ever, establish a requirement for a recipient to be accountable for program income earned after the end of the period of performance. Section 1128.725 provides for use of general terms and conditions wording in FMS Article VII that establishes no such requirement. Section 1128.725 further states that exceptions for individual awards are properly addressed at the time of award in the award-specific terms and conditions.

(c) Award terms and conditions. A DoD Component's general terms and conditions must use the wording appendix B to this part provides for Section C of OAR Article II. If a DoD Component includes a requirement in the award-specific terms and conditions for the recipient to be accountable for program income earned after the end of the period of performance, it also may include a requirement in the award-specific terms and conditions for the recipient's retention of the associated records.

#### §1136.220 Records for joint or longterm use.

(a) *OMB guidance*. OMB guidance in:

(1) 2 CFR 200.334 states that a Federal awarding agency must request that a recipient transfer records to its custody if the agency determines that the records have value that warrants longterm retention. It also provides that the agency may instead arrange for the recipient to retain records that are continuously needed for joint use.

(2) 2 CFR 200.333(d) exempts records transferred to a Federal agency from the standard records retention requirement.

(b) *DoD implementation*. A DoD Component's general terms and conditions must inform recipients that they may be asked to transfer records, maintain them for joint use, or retain them for a longer period.

(c) Award terms and conditions. A DoD Component's general terms and conditions must use the wording appendix B to this part provides for Section D of OAR Article II.

#### §1136.225 Methods for collecting, transmitting, and storing information.

(a) *OMB guidance*. OMB guidance in 2 CFR 200.335 addresses the use of electronic and paper formats in the collection, transmission, and storage of information related to awards.

(b) *DoD implementation*. A DoD Component's general terms and conditions must include provisions consistent with the guidance in 2 CFR 200.335 for recipients' use of electronic and paper formats to collect, transmit, and store information.

(c) Award terms and conditions. A DoD Component's general terms and conditions must use the wording appendix B to this part provides for Section E of OAR Article II.

#### §1136.230 Access to records.

(a) *OMB guidance*. OMB guidance in 2 CFR 200.336 and 200.337 addresses Federal Government and public access to recipient records related to grants and cooperative agreements.

(b) *DoD implementation*. A DoD Component's general terms and conditions must provide for Federal Government access to records consistent with 2 CFR 200.336 and address public access to records to implement the guidance in 2 CFR 200.337.

(c) Award terms and conditions. A DoD Component's general terms and conditions must use the wording appendix B to this part provides for Section F of OAR Article II.

## Subpart C—Remedies and Termination (OAR Article III)

#### §1136.300 Purpose of OAR Article III.

OAR Article III addresses remedies for noncompliance, including suspension and termination of awards. It thereby implements OMB guidance in 2 CFR 200.338 through 200.340 and 200.342.

#### §1136.305 Content of OAR Article III.

(a) *Requirement*. A DoD Component's general terms and conditions must

specify remedies available for addressing noncompliance with award terms and conditions, policies and procedures related to termination of awards, and effects of suspension and termination on allowability of costs.

(b) Award terms and conditions. To implement the requirement in paragraph (a) of this section, a DoD Component's general terms and conditions must use the wording appendix C to this part provides for OAR Article III.

## Subpart D—Claims, Disputes, and Appeals (OAR Article IV)

### §1136.400 Purpose of OAR Article IV.

OAR Article IV addresses claims, disputes, and appeals under awards. It thereby provides the award terms and conditions required by the DoDGARs at 32 CFR 22.815 and also implements OMB guidance in 2 CFR 200.341.

#### §1136.405 Content of OAR Article IV.

(a) Requirement. The DoDGARs at 32 CFR 22.815 require DoD Components' general terms and conditions to incorporate the procedures set forth in that section for processing claims and disputes and deciding appeals of grants officer's decisions.

(b) Award terms and conditions—(1) General. To implement the requirement in paragraph (a) of this section, a DoD Component's general terms and conditions must use the wording appendix D to this part provides for OAR Article IV, with wording inserted in lieu of the reserved paragraph A.2 to identify the Component's cognizant Grant Appeal Authority and provide his or her mailing or email address.

(2) Exception. A DoD Component may add one or more sections to the wording appendix D to this part provides for OAR Article IV to state a requirement that recipients must provide opportunities to subrecipients for hearings, appeals, or other administrative proceedings with respect to claims, disputes, remedies for noncompliance, or other matters if:

(i) That requirement is in a statute or regulation adopted in the Code of Federal Regulations after opportunity for public comment; and

(ii) The statutory or regulatory requirement applies to awards using the DoD Component's general terms and conditions.

## Subpart E—Collection of Amounts Due (OAR Article V)

## §1136.500 Purpose of OAR Article V.

OAR Article V addresses procedures for establishing, appealing, and collecting debts under DoD awards. It thereby:

(a) Provides requirements for recipients paralleling those for DoD Components in the DoDGARs at 32 CFR 22.820;

(b) Augments requirements of OAR Article IV in any case in which a claim leads to a determination that a recipient owes an amount to DoD; and

(c) Implements OMB guidance in 2 CFR 200.345.

#### §1136.505 Content of OAR Article V.

(a) Requirement. A DoD Component's general terms and conditions must specify how grants officers' decisions establish debts under awards, when debts become delinquent, how and when recipients may appeal, and how debts not paid in a timely manner are referred for debt collection.

(b) Award terms and conditions. To implement the requirement in paragraph (a) of this section, a DoD Component's general terms and conditions must use the wording appendix E to this part provides for OAR Article V.

## Subpart F—Closeout (OAR Article VI)

#### §1136.600 Purpose of OAR Article VI.

OAR Article VI addresses recipients' responsibilities for closeout of awards and subawards under them. The article thereby implements OMB guidance in 2 CFR 200.343.

#### §1136.605 Content of OAR Article VI.

(a) Requirement. A DoD Component's general terms and conditions must specify requirements related to closeout of awards and subawards, including recipients' liquidations of obligations, refunds of unobligated balances, and submission of final reports.

(b) Award terms and conditions—(1) General. To implement the requirement in paragraph (a) of this section, a DoD 2 CFR Ch. XI (1-1-22 Edition)

Component's general terms and conditions must use the wording appendix F to this part provides for OAR Article VI.

(2) Exception related to due dates for final reports other than performance, financial, and invention reports. Consistent with OMB guidance in 2 CFR 200.343(a), a DoD Component may grant extensions to due dates for final reports.

(i) To pre-approve a 30-day extension for final reports other than performance, financial, and invention reports, a DoD Component may substitute "120 calendar days" for "90 calendar days" in the wording appendix F to this part provides for paragraph C.4 of OAR Article VI. These pre-approved 30-day extensions in the general terms and conditions are for all awards using those terms and conditions; they therefore are separate and distinct from any additional extensions a recipient may later request for an individual award.

(ii) The parallel authorities for preapproved extensions of due dates for final performance and invention reports are elsewhere. DoDGARs provisions in:

(A) 2 CFR 1134.125 authorize a DoD Component to pre-approve a 30-day extension for due dates of performance reports by an appropriate substitution of wording in REP Article I of the general terms and conditions.

(B) 2 CFR 1130.610 authorize a DoD Component to pre-approve a 30-day extension for due dates of final reports listing subject inventions under awards by an appropriate substitution of wording in PROP Article VI of the general terms and conditions.

(C) 2 CFR 1134.505 authorize a DoD Component to pre-approve a 30-day extension for due dates of other types of final reports by inclusion of appropriate wording in REP Article V of the general terms and conditions.

## Subpart G—Post-Closeout Adjustments and Continuing Responsibilities (OAR Article VII)

## §1136.700 Purpose of OAR Article VII.

OAR Article VII addresses post-closeout funding adjustments and recipients' continuing responsibilities after

award closeout. It thereby implements OMB guidance in 2 CFR 200.344.

#### §1136.705 Content of OAR Article VII.

(a) Requirement. A DoD Component's general terms and conditions must specify the rights and responsibilities of the Federal Government and recipients with respect to funding adjustments and recipients' continuing responsibilities after award closeout.

(b) Award terms and conditions. To implement the requirement in paragraph (a) of this section, a DoD Component's general terms and conditions must use the wording appendix G to this part provides for OAR Article VII.

#### Appendix A to Part 1136—Terms and Conditions for OAR Article I, "Submitting and Maintaining Recipient Information"

Unless a DoD Component reserves Section B, as specified in §1136.105, a DoD Component's general terms and conditions must use the following wording for OAR Article I.

OAR ARTICLE I. SUBMITTING AND MAINTAIN-ING RECIPIENT INFORMATION. (DECEMBER 2014)

Section A. System for Award Management.

1. Unless you are exempted from this requirement in accordance with OMB guidance in 2 CFR 25.110, you must maintain the currency of information about yourself in the system the Federal Government specifies as the repository for information about its business partners (currently the System for Award Management (SAM)).

2. You must maintain the information in that system until you submit the final financial report required under this award or receive the final payment, whichever is later.

3. You must review and update the information at least annually after your initial registration in the system (unless you are subject to the requirements in Section B) and more frequently if required by changes in your information.

Section B. Reporting of Performance and Integrity Information.

1. General reporting requirement. If the total value of your currently active grants, cooperative agreements, and procurement contracts from all Federal agencies exceeds \$10,000,000 for any period of time during the period of performance of this award, then during that period of time you must maintain in SAM the currency of information required by paragraph B.2 of this section. Note that:

a. This reporting is required under section 872 of Public Law 110-417, as amended (41 U.S.C. 2313).

b. As required by section 3010 of Public Law 111–212, all performance and integrity information posted in the designated information system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.

c. Recipient information is submitted to the OMB-designated integrity and performance system through the SAM, as described in paragraph B.3 of this section. The currently designated integrity and performance information system is the Federal Awardee Performance and Integrity Information System (FAPIIS).

2. Proceedings about which you must report. Submit the information that the designated information system requires about each proceeding that:

a. Is in connection with the award or performance of a grant, cooperative agreement, or procurement contract from the Federal Government;

b. Reached its final disposition during the most recent 5-year period; and

c. Is one of the following:

i. A criminal proceeding that resulted in a conviction, as defined in paragraph B.5. of this section;

ii. A civil proceeding that resulted in a finding of fault and liability and payment of a monetary fine, penalty, reimbursement, restitution, or damages of \$5,000 or more;

iii. An administrative proceeding, as defined in paragraph B.5. of this section, that resulted in a finding of fault and liability and your payment of either monetary fine or penalty of \$5,000 or more or a reimbursement, restitution, or damages in excess of \$100.000: or

iv. Any other criminal, civil, or administrative proceeding if:

(A) It could have led to an outcome described in paragraph B.2.c.i, ii, or iii of this section;

(B) It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on your part; and

(C) The requirement in this section to disclose information about the proceeding does not conflict with applicable laws and regulations.

3. *Reporting procedures.* Submit the information required in paragraph B.2 of this section to the Entity Management functional area of the SAM.

a. Current procedures are to submit the information as part of the maintenance of your information in the SAM that Section A of this article requires.

b. You do not need to submit the information again under this award if you already reported current information to the SAM

## Pt. 1136, App. A

## Pt. 1136, App. B

2 CFR Ch. XI (1–1–22 Edition)

under another Federal grant, cooperative agreement, or procurement contract.

4. Reporting frequency. During any period of time when you are subject to the requirement in paragraph B.1 of this section, you must report to SAM at least semiannually following your initial report of any information required in paragraph B.2 of this section, either to provide new information not reported previously or affirm that there is no new information to report.

5. Definitions. For purposes of this section: a. Administrative proceeding means a non-judicial process that is adjudicatory in nature in order to make a determination of fault or liability (e.g., Securities and Exchange Commission Administrative proceedings, Civilian Board of Contract Appeals proceedings, and Armed Services Board of Contract Appeals proceedings). This includes proceedings at the Federal and State level but only in connection with performance of a Federal contract, grant, or cooperative agreement. It does not include audits, site visits, corrective plans, or inspection of deliverables.

b. Conviction means a judgment or conviction of a criminal offense by any court of competent jurisdiction, whether entered upon a verdict or a plea, and includes a conviction entered upon a plea of nolo contendere.

c. Total value of currently active grants, cooperative agreements, and procurement contracts includes:

i. Only the Federal share of the funding under any Federal agency award with a recipient cost share or match; and

ii. The value of all expected funding increments and options, even if not yet exercised, under each Federal agency award.

Section C. Disclosure of evidence of integrityrelated issues.

1. Disclosure requirement. At any time during the period of performance of this award, if you have evidence that a covered person committed a covered action (see paragraphs C.2 and C.3 of this section) that may affect this award, you must disclose the evidence in writing to the Office of the Inspector General, DoD, with a copy to the grants officer identified in the award cover pages.

2. Covered person. As the term is used in this section, "covered person" means a principal, employee, or agent of either you or a subrecipient under this award, where:

a. "Principal" means:

i. An officer, director, owner, partner, principal investigator, or other person with management or supervisory responsibilities that relate to this award; or

ii. A consultant or other person, whether or not employed by you or a subrecipient or paid with funds under this award, who:

(A) Is in a position to handle funds under this award;

(B) Is in a position to influence or control the use of those funds; or

(C) Occupies a technical or professional position capable of substantially influencing the development or outcome of an activity required to perform the project or program under this award.

b. "Agent" means any individual who acts on behalf of, or who is authorized to commit you or the subrecipient, whether or not employed by you or the subrecipient.

3. Covered action. As the term is used in this section, "covered action" means a violation of Federal criminal law in Title 18 of the United States Code involving fraud, bribery, or a gratuity violation.

4. Safeguarding of the information.

a. To the extent permitted by law and regulation, we will:

i. Safeguard and treat information you disclose to us as confidential if you mark the information as "confidential" or "proprietary."

ii. Not release the information to the public in response to a Freedom of Information Act (5 U.S.C. 552) request without notifying you in advance.

b. We may transfer documents you provide to us to any other department or agency within the Executive Branch of the Federal Government if the information relates to matters within that organization's jurisdiction.

#### APPENDIX B TO PART 1136—TERMS AND CONDITIONS FOR OAR ARTICLE II, "RECORDS RETENTION AND ACCESS"

Unless a DoD Component substitutes alternate wording in paragraph A.3, a DoD Component's general terms and conditions must use the following wording for OAR Article II, as specified in §§ 1136.205 through 1136.230.

#### OAR ARTICLE II. RECORDS RETENTION AND ACCESS. (DECEMBER 2014)

Section A. Records retention period. Except as provided in Sections B through D of this article:

1. You must keep records related to any real property and equipment acquired, in whole or in part, using Federal funds under the award for 3 years after final disposition of the property. For any item of exempt property with a current fair market value greater than \$5,000, and for which final disposition was not a condition of the title vesting, you must keep whatever records you need for as long as necessary to ensure that you can deduct the Federal share if you later use the property in contributions for cost sharing or matching purposes under any Federal award.

2. You must keep records related to rate proposals for indirect or facilities and administrative costs, cost allocation plans, and supporting records such as indirect cost rate computations and any similar accounting

computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback or composite fringe benefit rates) as follows:

a. If you are required to submit a proposal, plan, or other computations to your Federal cognizant agency for indirect costs, as the basis for negotiation of a rate, you must keep the submissions and all supporting records for 3 years from the date on which you were required to make the submissions.

b. If you are not required to submit a proposal, plan, or other computation as the basis for negotiation, you must keep the proposal, plan, other computation, and supporting records for 3 years from the end of the fiscal year or other accounting period covered by the proposal, plan, or other computation.

3. You must keep other financial records, supporting documents, statistical records, and other records pertinent to this award for a period of 3 years from the date you submit your final financial report under the award. Section B. Extensions of retention period due to litigation, claim, or audit.

1. If any litigation, claim, or audit begins before the end of the 3-year retention period specified in Section A of this article and the final action related to the litigation, claim, or audit is not taken before the end of that 3-year period, you must retain all records related to this award that may be involved in the litigation, claim, or audit until all findings involving the records have been resolved and final action taken.

2. We may disallow costs and recover funds under this award based on an audit or other review of records you elected to retain beyond the retention period required by this article, even if the audit or review begins after the end of the 3-year retention period specified in Section A of this article. Thus, the "retention period," as that term is used in OMB guidance in 2 CFR 200.334(a)(1), is extended, as described in 2 CFR 200.333(b), to include the entire period during which we and our authorized representatives continue to have access to those records under paragraph F.2 of this article.

Section C. Records for program income earned after the end of the performance period. In accordance with Section F of FMS Article VII, there are no requirements under this award applicable to program income you earn after the end of the period of performance and therefore no associated records retention requirements.

Section D. Records for joint or long-term use. 1. Joint use. To avoid duplicate recordkeeping for records that you and we both need to use on a continuous basis, we may ask you to make special arrangements with us, by mutual agreement, to make records available for joint and continuous use.

2. Long-term use. If we determine that some records will be needed longer than the 3-year

period specified in Section A of this article, we may request that you either:

a. Retain the records for a longer period of time; or

b. Transfer the records to our custody for long-term retention.

3. Retention requirements for transferred records. For any records transferred to our custody, you are not subject to the records retention requirements in Section A of this article.

Section E. Methods for collecting, transmitting, and storing information.

1. You should, whenever practicable, collect, transmit, and store information related to this award in open and machine-readable formats rather than in closed formats or on paper. However, if you request it, we will:

a. Provide award related-information to you on paper; and

b. Accept award related-information from you on paper. In that case, we will not require more than an original and two copies.

2. When your original records are in an electronic form that cannot be altered, you do not need to create and retain paper copies of those records.

3. When your original records are on paper, you may substitute electronic versions produced through duplication or using other forms of electronic media, provided that:

a. You conduct periodic quality control reviews of the records;

b. You provide reasonable safeguards against alteration of the records; and

c. The records remain readable.

Section F. Access to records.

1. Scope of Federal Government access rights. a. We as the awarding agency, the Federal Government Inspectors General, the Comptroller General of the United States, and any of our authorized representatives have the right of access to any documents, papers, or other records you have that are pertinent to this award, in order to make audits, examinations, excerpts, and transcripts.

b. This right also includes timely and reasonable access to your personnel for the purposes of interview and discussion related to the records.

c. As described in OMB guidance at 2 CFR 200.336(b), the access to records described in this section will include access to the true name of a victim of a crime only under extraordinary and rare circumstances.

i. You are required to provide that access only in response to a court order or subpoena pursuant to a bona fide confidential investigation, or in response to a request duly authorized by the head of the DoD Component or his or her designee; and

ii. You must take appropriate steps to protect this sensitive information.

2. Duration of Federal Government access rights. We have the access rights described in paragraph F.1 of this section as long as you retain the records.

## Pt. 1136, App. C

#### 3. Public access.

a. You must comply with requirements to protect information that Federal statute, Executive order, or regulation requires to be protected (e.g., personally identifiable or export controlled information), to include both information generated under this award and information provided to you and identified as being subject to protection. Other than those limitations on dissemination of information, we place no restrictions on you that limit public access to your records pertinent to this award.

b. We do not place any requirements on you to permit public access to your records separate from any Federal, State, local, or tribal statute that may require you to do so.

c. The Freedom of Information Act (FOIA, 5 U.S.C. 552) does not apply to records in your possession but records you provide to us generally will be subject to FOIA, with the applicable exemptions.

#### APPENDIX C TO PART 1136—TERMS AND CONDITIONS FOR OAR ARTICLE III, "REMEDIES AND TERMINATION"

As required by \$1136.305, a DoD Component's general terms and conditions must use the following wording for OAR Article III.

## OAR ARTICLE III. REMEDIES AND TERMINATION. (DECEMBER 2014)

Section A. Non-compliance with award terms and conditions. If you fail to comply with a term or condition of this award or an applicable Federal statute or regulation, we may amend this award to impose award-specific conditions, as described in OMB guidance in 2 CFR 200.207. If imposing award-specific conditions, we will notify you before modifying the award and, once you have corrected the non-compliance, promptly remove the award-specific conditions. If we determine that the imposition of award-specific conditions is insufficient to correct the non-compliance or the non-compliance remains uncorrected despite the use of award-specific conditions, we may consider taking one or more of the remedies specified in Section B of this article.

Section B. Remedies for noncompliance.

1. If you fail to comply with a term or condition of this award or an applicable Federal statute or regulation, we may take one or more of the following actions that we deem appropriate to the circumstances:

a. Temporarily withhold cash payments pending:

i. Your correction of the deficiency; or

ii. Our taking more severe enforcement action.

b. Disallow (that is, deny both use of funds and any applicable cost-sharing or matching credit for) all or part of the cost of the activity or action not in compliance;

## 2 CFR Ch. XI (1-1-22 Edition)

c. Suspend or, in accordance with paragraph C.1.a.i of this article, terminate this award, in whole or in part (suspension of an award is a separate and distinct action from suspension of a person under 2 CFR parts 180 and 1125, as noted in paragraph B.3 of this article);

d. Withhold further awards to you for the project or program that is not in compliance; e. Take any other action legally available

to us under the circumstances. 2. You may raise an objection to our tak-

ing any remedy we take under paragraph B.1 of this section and will be given an opportunity to provide information and documentation challenging the action. The procedures are those specified in OAR Article IV for claims and disputes.

3. Our use of any remedy under paragraph B.1 of this section, including suspension or termination of the award, does not preclude our referring the noncompliance to a suspension and debarment official and asking that official to consider initiating a suspension or debarment action under 2 CFR part 1125, the DoD implementation of OMB guidance at 2 CFR part 180.

Section C. Termination.

1. This award may be terminated in whole or in part as follows:

a. Unilaterally by the Federal Government. We will provide a notice of termination if we unilaterally terminate this award in whole or in part, which we may do for either of the following reasons:

i. Your material failure to comply with the award terms and conditions. If we terminate the award for that reason, we will report the termination to the OMB-designated integrity and performance system (currently FAPIIS). In accordance with 41 U.S.C. 2313, each Federal awarding official must review and consider the information in the OMBdesignated integrity and performance system with regard to any proposal or offer before awarding a grant or contract.

ii. The program office does not have funding for an upcoming increment if this award is incrementally funded. In that case, the Federal Government's financial obligation does not exceed the amount currently obligated under the award.

b. *By mutual agreement*. With your consent, we may terminate this award, in whole or in part, for any reason. In that case, you and we must agree to:

i. The termination conditions, including the effective date; and

ii. In the case of a partial termination, the portion to be terminated.

c. Unilaterally by the recipient. You may unilaterally terminate this award, in whole or in part, by sending us written notification that states:

i. The reasons for the termination;

ii. The effective date; and

iii. In the case of partial termination, the portion to be terminated. In that case, however, we may terminate the award in its entirety if we determine that the remaining portion of the award will not accomplish the purposes for which we made the award.

2. If this award is terminated in its entirety before the end of the performance period, you must complete the closeout actions for which you are responsible under OAR Article VI. The due date for each action is to be measured relative to the date of termination.

3. If this award is only partially terminated before the end of the performance period, with a reduced or modified portion of the award continuing through the end of the performance period, then closeout actions will occur at the end of the performance period as specified in OAR Article VI.

4. You will continue to have all of the postcloseout responsibilities that OAR Article VII specifies for you if this award is wholly or partially terminated before the end of the performance period.

Section D. Effects of suspension or termination of the award on allowability of costs. If we suspend or terminate this award prior to the end of the period of performance, costs resulting from obligations that you incurred:

1. Before the effective date of the suspension or termination are allowable if:

a. You properly incurred those obligations; b. You did not incur the obligations in an-

ticipation of the suspension or termination; c. In the case of termination, the costs re-

sulted from obligations that were noncancellable after the termination; and

d. The costs would have been allowable if we had not suspended or terminated the award and it had expired normally at the end of the period of performance.

2. During the suspension or after the termination are not allowable unless we expressly authorize them, either in the notice of suspension or termination or subsequently.

#### APPENDIX D TO PART 1136—TERMS AND CONDITIONS FOR OAR ARTICLE IV, "CLAIMS, DISPUTES, AND APPEALS"

As specified in §1136.405, a DoD Component's general terms and conditions must use the following wording for OAR Article IV, with the required insertion in paragraph A.2 of the article, along with any additional wording permitted by that section.

## OAR ARTICLE IV. CLAIMS, DISPUTES, AND APPEALS. (DECEMBER 2014)

Section A. Definitions.

1. *Claim.* The definition of the term "claim," as it is used in this article, is in the definitions section of the preamble to these general terms and conditions.

2. Grant Appeal Authority. [Reserved]

Section B. Submission of claims.

1. Your claims. To submit a claim arising out of this award, you must submit it in writing to the grants officer for decision, specify the nature and basis for the relief you are requesting, and include all data that supports your claim.

2. Federal Government claims. You will receive a written grants officer's decision if a DoD claim arises out of this award.

Section C. Alternative dispute resolution.

1. We encourage resolution of all issues related to this award by mutual agreement between you and the grants officer.

2. If you and the grants officer are unable to resolve an issue through unassisted negotiations, we encourage use of Alternative Dispute Resolution (ADR) procedures to try to do so. ADR procedures are any voluntary means, such as mini-trials or mediation, used to resolve issues in controversy. ADR procedures may be used prior to submission of a claim or at any other time prior to the Grant Appeal Authority's decision on any appeal you submit.

Section D. Grants officer decisions for claims you submit.

1. Within 60 calendar days of receiving your claim, the grants officer will either:

a. Transmit a written decision that:

i. Identifies data on which the decision is based; and

ii. Identifies and provides the mailing address for the Grant Appeal Authority to whom you would submit an appeal of the decision if you elect to do so; or

b. If more time is required to render a written decision, notify you of a specific date when he or she will render the decision and inform you of the reason for delaying it.

2. The grants officer's decision will be final unless you decide to appeal, in which case we encourage use of ADR procedures as noted in Section C of this article.

Section E. Formal administrative appeals.

1. *Right to appeal*. You have the right to appeal a grants officer's decision to the Grant Appeal Authority identified in Section A of this article.

2. Notice of appeal. You may appeal a grants officer's decision within 90 calendar days of receiving the decision by submitting a written notice of appeal to the Grant Appeal Authority and grants officer. If you elect to use ADR procedures, you are allowed an additional 60 calendar days to submit the written notice of appeal.

3. Appeal file. Within 30 calendar days of the grants officer's receipt of your notice of appeal, you should receive the appeal file with copies of all documents relevant to the appeal. You may supplement the file with other documents you deem relevant and with a memorandum in support of your position for the Grant Appeal Authority's consideration. The Grant Appeal Authority may request additional information from you.

## Pt. 1136, App. E

4. Decision. Unless the Grant Appeal Authority decides to conduct fact-finding procedures or an oral hearing on the appeal, the appeal will be decided solely on the basis of the written record. Any fact-finding or hearing will be conducted using procedures that the Grant Appeal Authority deems appropriate.

Section F. Representation. You may be represented by counsel or any other designated representative in any claim, appeal, or ADR proceeding, as long as the representative is not otherwise prohibited by law or regulation from appearing before the DoD Component concerned.

Section G. Effect of Grant Appeal Authority's decision. The Grant Appeal Authority's decision is the final administrative decision of DoD and cannot be further appealed within DoD.

Section H. Non-exclusivity of remedies. Nothing in this article is intended to limit your right to any remedy under the law.

#### APPENDIX E TO PART 1136—TERMS AND CONDITIONS FOR OAR ARTICLE V, "COLLECTION OF AMOUNTS DUE"

As required by \$1136.505, a DoD Component's general terms and conditions must use the following wording for OAR Article V.

#### OAR ARTICLE V. COLLECTION OF AMOUNTS DUE. (DECEMBER 2014)

Section A. Establishing a debt.

1. Any amount paid to you in excess of the amount to which you are determined to be entitled under the terms and conditions of this award constitutes a debt to the Federal Government.

2. A grants officer will attempt to resolve any claim of your indebtedness arising out of this award by mutual agreement.

3. If the grants officer fails to resolve the claim in that manner, you will receive a written notice of the grants officer's decision formally determining the debt, as described in paragraph B.2 of OAR Article IV. The notice will describe the debt, including the amount, name and address of the official who determined the debt, and a copy of that official's determination.

Section B. Debt delinquency and appeals.

1. Within 30 calendar days of the grants officer's decision, you must either pay the amount owed to the address provided in the written notice or inform the grants officer that you intend to appeal the decision. Appeal procedures are described in OAR Article IV.

2. If you elect not to appeal, any amounts not paid within 30 calendar days of the grants officer's decision will be a delinquent debt.

3. If you elect to appeal the grants officer's decision, you will have 90 calendar days after receipt of the grants officer's decision to file

## 2 CFR Ch. XI (1–1–22 Edition)

your appeal unless Alternative Dispute Resolution (ADR) procedures are used, as described in section C of OAR Article IV, in which case you will have 150 calendar days. Section C. Demand letter, interest, and debt

Section C. Demand letter, interest, and debt collection. 1. If within 30 calendar days of the grants

I. If within so calendar days of the grants officer's decision, you neither pay the amount due nor provide notice of your intent to appeal the grants officer's decision, the grants officer will send you a demand letter identifying a payment office that will be responsible for any further debt collection activity.

2. If you do not pay by the due date specified in the written demand letter, the Federal Government may collect part or all of the debt by:

a. Making an administrative offset against your requests for reimbursements under Federal awards;

b. Withholding advance payments otherwise due to you; and

c. Any other action permitted by Federal statute.

3. The debt will bear interest, and may include penalties and other administrative costs, in accordance with applicable provisions of the DoD Financial Management Regulation (DoD 7000.14–R), which implements the Federal Claims Collection Standards. The date from which interest is computed is not extended by litigation or the filing of any form of appeal.

#### APPENDIX F TO PART 1136—TERMS AND CONDITIONS FOR OAR ARTICLE VI, "CLOSEOUT"

As required by §1136.605, a DoD Component's general terms and conditions must use the following wording for OAR Article VI but may make a substitution in paragraph C.4 of the article as provided in that section.

## OAR ARTICLE VI. CLOSEOUT. (DECEMBER 2014)

Section A. Liquidation of obligations. Unless the award administration office authorizes an extension of the due date, you must liquidate all obligations that you incurred under this award not later than 120 calendar days after the end date of the period of performance.

Section B. Refunds of unobligated balances. You must promptly refund to the award administration office any balances of unobligated cash that we have advanced or paid to you and not authorized you to use on other projects or programs.

Section C. Final reports. You must submit the:

1. Final performance report under this award no later than the date specified in Section C of REP Article I, subject to any extensions granted under Section D of that article;

2. Final financial report under this award no later than the date specified in Section C of REP Article II, subject to any extensions granted under Section D of that article;

3. Final report listing subject inventions made under the award no later than the date specified in Section B of PROP Article VI; and

4. Other final reports that are required under this award no later than 90 calendar days after the end date of the period of performance, unless you request an extension of the due date and the award administration office approves the request.

Section D. Accounting for property. You must account for any real property, equipment, supplies, and intangible property that you and any subrecipients acquired or improved under the award, in accordance with PROP Articles I through IV and VI. Your requests for disposition instructions for any federally owned property, as required by PROP Article V, meet the need described in OMB guidance at 2 CFR 200.343(f) to account for that property at closeout.

APPENDIX G TO PART 1136—TERMS AND CONDITIONS FOR OAR ARTICLE VII, "POST-CLOSEOUT ADJUSTMENTS AND CONTINUING RESPONSIBILITIES"

As required by §1136.705, a DoD Component's general terms and conditions must use the following wording for OAR Article VII.

OAR ARTICLE VII. POST-CLOSEOUT ADJUST-MENTS AND CONTINUING RESPONSIBILITIES. (DECEMBER 2014)

Section A. Adjustments. The closeout of this award does not affect:

1. Our right to disallow costs and recover funds on the basis of a later audit or other review, as long as we make the determination that the costs are disallowed and notify you about that determination within the extended records retention period specified in paragraph B.2 of OAR Article II of these terms and conditions.

2. Your obligation to return any funds due to the Federal Government as a result of later refunds, corrections, or other transactions (to include any adjustments in final indirect cost rates).

Section B. Continuing responsibilities. After closeout of this award, you must continue to comply with terms and conditions of this award that have applicability beyond closeout, including requirements concerning:

1. Audits, as specified in FMS Article V that cover periods of time during which you expended funds under this award.

2. Management, use, and disposition of any real property or equipment acquired or improved under this award in which we continue to have a Federal interest after closeout, as specified in PROP Articles I through IV.

3. Retention of, and access to, records related to this award, as specified in OAR Article II.

#### §1138.1 Purpose of this part.

(a) This part specifies standard wording of general terms and conditions concerning recipients' award and administration of subawards under DoD grants and cooperative agreements.

(b) It thereby implements OMB guidance in Subparts A through F of 2 CFR part 200 and 2 CFR parts 25, 170, and 180, as they apply to subawards.

### §1138.2 Applicability of this part.

The types of awards and entities to which this part and other parts in this subchapter apply are described in the subchapter overview at 2 CFR 1126.2.

## §1138.3 Exceptions from requirements of this part.

Exceptions are permitted from the administrative requirements in this part only as described at 2 CFR 1126.3.

#### §1138.4 Organization of this part.

(a) The content of this part is organized into subparts and associated appendices.

(1) Each subpart provides direction to DoD Components on how to construct one article of general terms and conditions for grants and cooperative agreements.

(2) For each subpart, there is a corresponding appendix with standard wording for terms and conditions of the

article addressed by the subpart. Terms and conditions address rights and responsibilities of the Federal Government and recipients.

(b) A DoD Component must use the wording provided in each appendix in accordance with the direction in the corresponding subpart and the authorization in §1138.5, which permit a DoD Component to vary from the standard wording in some situations.

(c) Table 1 shows which article of general terms and conditions may be found in each of appendices A through L to this part (with the associated direction to DoD Components in Subparts A through L, respectively, as supplemented by the authorization in \$1138.5):

#### TABLE 1 TO PARAGRAPH (C)

Appendix I	National policy requirements for subawards	IX.
Appendix J	Subrecipient monitoring and other post-award administration	Х.
Appendix K	Requirements concerning subrecipients' lower-tier subawards	XI.
Appendix L	Fixed-amount subawards	XII.

#### §1138.5 Authority to omit or reserve portions of SUB Articles I through XII.

A DoD Component's general terms and conditions may:

(a) Omit SUB Articles II through XII that are the subject of this part if the DoD Component does not allow recipients to make subawards under awards using those terms and conditions. The DoD Component also may amend SUB Article I in that case, to state the prohibition on making subawards and limit the recipient's responsibility to ensuring that any transaction it awards at the next tier is a procurement transaction.

(b) Reserve portions of SUB Articles I through XII that do not apply to the DoD Component's awards using those terms and conditions. For example, the DoD Component may reserve paragraphs in SUB Articles IV through IX specifying administrative requirements that flow down solely to subawards to States if it determines that there is no possibility of a subaward to a State under any of the awards using its general terms and conditions. Similarly, it may reserve SUB Article XII if it does not permit any fixed-amount subawards under its awards.

## Subpart A–Distinguishing Subawards and Procurements (SUB Article I)

#### §1138.100 Purpose of SUB Article I.

SUB Article I specifies requirements for a recipient to determine whether each transaction it makes at the next tier below a DoD grant or cooperative agreement is a subaward or a procurement transaction. It thereby implements OMB guidance in 2 CFR 200.201(a) and 200.330.

### §1138.105 Content of SUB Article I.

(a) *Requirement*. A DoD Component's general terms and conditions must:

(1) Require the recipient to determine the nature of transactions it makes under its award; and

(2) Inform the recipient about the effect of that determination on the procedures for awarding the transaction and the transaction's terms and conditions.

(b) Award terms and conditions. A DoD Component's general terms and conditions must use the wording appendix A to this part provides for SUB Article I.

## Subpart B–Pre-Award and Time of Award Responsibilities (SUB Article II)

## §1138.200 Purpose of SUB Article II.

SUB Article II specifies requirements concerning subrecipients' unique entity identifiers and pre-award risk assessments. It also references requirements in REP Article IV to report on subawards and subrecipients' executive compensation. It thereby partially implements OMB guidance in:

(a) 2 CFR parts 25 and 170;

(b) 2 CFR 200.207; 200.300(b), as it applies to subaward reporting; and 200.331(b); and

(c) Subpart C of 2 CFR part 180, as implemented by DoD at 2 CFR part 1125.

#### §1138.205 Content of SUB Article II.

(a) *Requirement*. A DoD Component's general terms and conditions must require the recipient to:

(1) Obtain an entity's unique entity identifier before making a subaward to the entity;

(2) Notify potential subrecipients in advance about that requirement; and

(3) Conduct a pre-award risk assessment of an entity before making a subaward to the entity and adjust subaward terms and conditions if warranted by the results of the assessment.

(b) Award terms and conditions. A DoD Component's general terms and conditions must use the wording appendix B to this part provides for SUB Article II.

## Subpart C-Informational Content of Subawards (SUB Article III)

#### §1138.300 Purpose of SUB Article III.

SUB Article III specifies information that recipients must include in subawards they make under DoD grants and cooperative agreements. It thereby implements OMB guidance in 2 CFR 200.331(a)(1).

## §1138.305 Content of SUB Article III.

(a) *Requirement*. A DoD Component's general terms and conditions must require recipients to include certain information items in each subaward they make.

2 CFR Ch. XI (1–1–22 Edition)

(b) Award terms and conditions. A DoD Component's general terms and conditions must use the wording appendix C to this part provides for SUB Article III.

## Subpart D-Financial and Program Management Requirements for Subawards (SUB Article IV)

#### §1138.400 Purpose of SUB Article IV.

SUB Article IV specifies the financial and program management requirements that recipients must include in subawards they make under DoD grants and cooperative agreements. It thereby implements OMB guidance in the following portions of 2 CFR part 200, as they apply to subawards:

(a) Sections 200.209 and 200.302 through 200.309; and (b) Subparts E and F.

#### §1138.405 Content of SUB Article IV.

(a) *Requirement*. A DoD Component's general terms and conditions must require recipients to include pertinent requirements concerning financial and program management in each subaward they make.

(b) Award terms and conditions. A DoD Component's general terms and conditions must use the wording appendix D to this part provides for SUB Article IV.

## Subpart E-Property Requirements for Subawards (SUB Article V)

#### §1138.500 Purposes of SUB Article V in relation to other articles.

(a) *Purposes.* SUB Article V specifies requirements concerning equipment, supplies, and real, intangible, and federally owned property that recipients must include in subawards they make under DoD grants and cooperative agreements. It thereby:

(1) Specifies which of the requirements in PROP Articles I through VI of the award flow down to subawards; and

(2) Implements OMB guidance in 2 CFR 200.310 through 200.316, as those sections apply to subawards.

(b) Award terms and conditions. A DoD Component's general terms and conditions must use the wording appendix E to this part provides as Section A of SUB Article V to inform recipients about the relationship between requirements for the recipient in PROP Articles I through VI and requirements for subawards in SUB Article V.

#### §1138.505 Title to property under subawards.

(a) *Requirement*. A DoD Component's general terms and conditions must specify requirements related to title to property under subawards.

(b) Award terms and conditions—(1) General. A DoD Component's general terms and conditions must use the wording appendix E to this part provides as Section B of SUB Article V to specify the requirements concerning title to property that recipients must include in their subawards.

(2) Exception. If a DoD Component has the necessary statutory authority to do so and includes provisions in paragraph A.2 of PROP Article I to identify any property acquired under the award as exempt property, as described in 2 CFR 1130.105, the DoD Component may at its option insert wording in paragraph B.1.b of SUB Article V to allow recipients to pass through those provisions to subrecipients.

(i) It is critical, however, that the DoD Component ensures that the wording of paragraph B.1.b is consistent with the statutory authority.

(ii) For example, if the statutory authority is 31 U.S.C. 6306—as described in 2 CFR 1130.105(b)(2)(i)—the wording of paragraph B.1.b of SUB Article V may permit a recipient to flow down the substance of the exempt property provision in paragraph A.2 of PROP Article I only to a subrecipient that is a nonprofit institution of higher education or nonprofit organization whose primary purpose is conducting scientific research.

#### §1138.510 Property management system requirements for subawards.

(a) *Requirement*. A DoD Component's general terms and conditions must address the standards for property management systems that apply to sub-awards.

(b) Award terms and conditions. To specify the property management system standards that recipients must include in their subawards, a DoD Component's general terms and conditions must use the wording appendix E to this part provides as Section C of SUB Article V.

#### \$1138.515 Use and disposition of real property, equipment, supplies, and federally owned property under subawards.

(a) Requirement. A DoD Component's general terms and conditions must specify the requirements concerning use and disposition of real property, equipment, supplies, and federally owned property that recipients must include in subawards.

(b) Award terms and conditions. A DoD Component's general terms and conditions must use the wording appendix E to this part provides for Sections D through F of SUB Article V.

## §1138.520 Intangible property under subawards.

(a) *Requirement*. A DoD Component's general terms and conditions must address the provisions concerning intangible property that recipients must include in subawards.

(b) Award terms and conditions—(1) General. To specify the intangible property provisions that recipients must include in their subawards, a DoD Component's general terms and conditions must use the wording appendix E to this part provides as Section G of SUB Article V.

(2) Exception. A DoD Component's general terms and conditions may delete the reference to "Section B of PROP Article VI" in the wording appendix E to this part provides for paragraph G.2 of SUB Article V and provide alternative wording if:

(i) Those general terms and conditions will be used in awards for purposes other than research or education, as described in 2 CFR 1130.610(c)(3); and

(ii) The DoD Component wants to specify that nonprofit and governmental recipients include either:

(A) No provisions concerning inventions in subawards to for-profit entities; or

2 CFR Ch. XI (1-1-22 Edition)

(B) Provisions in subawards to forprofit entities that differ from those the DoD Component's general terms and conditions specify for nonprofit and governmental recipients.

## Subpart F-Procurement Procedures to Include in Subawards (SUB Article VI)

## §1138.600 Purpose of SUB Article VI.

SUB Article VI of the general terms and conditions specifies procurement provisions recipients must include in their subaward terms and conditions. It thereby:

(a) Specifies which of the requirements in PROC Articles I through III of the award flow down to subawards; and

(b) Implements OMB guidance in 2 CFR 200.317 through 200.326 and appendix II to 2 CFR part 200, as those portions of 2 CFR part 200 apply to subawards; and

(c) Partially implements OMB guidance in 2 CFR 200.205(d), 200.213, and 200.517, as those sections of 2 CFR part 200 apply to subawards.

#### §1138.605 Content of SUB Article VI.

(a) *Requirement*. A DoD Component's general terms and conditions must specify that recipients' subawards include requirements for subrecipients' procurement procedures.

(b) Award terms and conditions. To specify the requirements for procurement procedures that a recipient must include in its subawards, a DoD Component's general terms and conditions must use the wording appendix F to this part provides for SUB Article VI.

## Subpart G—Financial, Programmatic, and Property Reporting Requirements for Subawards (SUB Article VII)

#### §1138.700 Purposes of SUB Article VII in relation to other articles.

(a) *Purposes.* SUB Article VII of the general terms and conditions specifies provisions concerning reporting that recipients must include in their subaward terms and conditions, as applicable. It thereby implements OMB guidance in the following sections of 2

CFR part 200, as they apply to sub-awards:

(1) 2 CFR 200.301 and 200.327 through 200.329; and

(2) 2 CFR 200.315(c), as it relates to invention reporting; and

(3) 2 CFR 200.343(a), as it relates to financial and performance reporting.

(b) Award terms and conditions. A DoD Component's general terms and conditions must use the wording appendix G to this part provides as Section A of SUB Article VII to inform recipients about the relationship between requirements for the recipient in REP Articles I through III and requirements for subawards in SUB Article VII.

#### §1138.705 Performance reporting requirements for subawards.

(a) *Requirement*. A DoD Component's general terms and conditions must specify performance reporting requirements for subawards.

(b) Award terms and conditions. A DoD Component's general terms and conditions must use the wording appendix G to this part provides as Section B of SUB Article VII to specify the performance reporting requirements that recipients must include in their subawards.

#### §1138.710 Financial reporting requirements for subawards.

(a) *Requirement*. A DoD Component's general terms and conditions must specify financial reporting requirements for subawards.

(b) Award terms and conditions. A DoD Component's general terms and conditions must use the wording appendix G to this part provides for Section C of SUB Article VII to specify the financial reporting requirements that recipients must include in their subawards.

#### §1138.715 Reporting on property under subawards.

(a) *Requirement*. A DoD Component's general terms and conditions must specify the requirements for reporting on property that recipients must include in their subawards.

(b) Award terms and conditions. To implement the requirement described in paragraph (a) of this section, a DoD

Component's general terms and conditions must use the wording appendix G to this part provides as Section D of SUB Article VII.

#### §1138.720 Other reporting under subawards.

(a) *Requirement*. A DoD Component's general terms and conditions must specify any requirements for other reporting that recipients must include in their subawards.

(b) Award terms and conditions. To implement the requirement described in paragraph (a) of this section, a DoD Component's general terms and conditions must:

(1) Include in Section E of SUB Article VII any reporting requirement included in REP Article V that may flow down to subrecipients, and

(2) Indicate whether the recipient must require the subrecipient to provide any specific information or can comply by ensuring that the recipient meets its responsibilities to DoD.

## Subpart H—Other Administrative Requirements for Subawards (SUB Article VIII)

#### §1138.800 Purpose of SUB Article VIII.

SUB Article VIII of the general terms and conditions:

(a) Specifies provisions that a recipient must include in its subaward terms and conditions concerning submission and maintenance of subrecipient information; records retention and access; remedies and termination; disputes, hearings, and appeals; collection of amounts due; closeout; and post-closeout adjustments and continuing responsibilities.

(b) It thereby implements OMB guidance in 2 CFR 200.113 and 200.333 through 200.345, as those sections apply to subawards.

## §1138.805 Content of SUB Article VIII.

(a) Requirement. A DoD Component's general terms and conditions must specify the administrative requirements that a recipient must include in its subaward terms and conditions in areas covered by OAR Articles I through VII of the recipient's prime award.

(b) Award terms and conditions—(1) General. To implement the requirement in paragraph (a) of this section, a DoD Component's general terms and conditions must use the wording appendix H to this part provides for SUB Article VIII.

(2) Exception. A DoD Component's general terms and conditions may add one or more sections to the wording that appendix H to this part provides for SUB Article VIII if the DoD Component added requirements to OAR Article IV of its general terms and conditions, in accordance with paragraph 2 CFR 1136.405(b)(2), because a statute or regulation requires recipients to provide opportunities to subrecipients for hearings, appeals, or other administrative proceedings with respect to claims, disputes, remedies for noncompliance, or other matters. The additional wording in SUB Article VIII would address the flow down to subrecipients of the added requirements in OAR Article IV.

## Subpart I—National Policy Requirements for Subawards (SUB Article IX)

## §1138.900 Purpose of SUB Article IX.

SUB Article IX addresses national policy requirements that recipients must include in their subaward terms and conditions. It thereby partially implements OMB guidance in 2 CFR 200.331(a)(2).

#### §1138.905 Content of SUB Article IX.

(a) *Requirement*. A DoD Component's general terms and conditions must specify which of the national policy requirements in NP Articles I through IV of the award flow down to subawards.

(b) Award terms and conditions. A DoD Component's general terms and conditions:

(1) Must use the wording appendix B to this part provides for SUB Article IX if the DoD Component did not add, delete, or otherwise modify any of the wording that appendices A through D of 2 CFR part 1122 provided for NP Articles I through IV of the award (as permitted in accordance with DoDGARs provisions at 2 CFR 1122.115 and 1122.120).

### §1138.1000

(2) May make corresponding alterations to the wording appendix I to this part provides for SUB Article IX if the DoD Component did modify the wording of NP Articles I through IV, in order to conform the national policy requirements in SUB Article IX to the requirements in those modified articles.

## Subpart J—Subrecipient Monitoring and Other Post-Award Administration (SUB Article X)

#### §1138.1000 Purpose of SUB Article X.

SUB Article X specifies the requirements for recipients' monitoring of subrecipients and related post-award administration of subawards they make under DoD grants and cooperative agreements. It thereby implements OMB guidance in 2 CFR 200.331(d) through (h) and 2 CFR 200.340(a).

#### §1138.1005 Content of SUB Article X.

(a) *Requirement*. A DoD Component's general terms and conditions must specify requirements for recipients' monitoring of subrecipients and related post-award administration of sub-awards.

(b) Award terms and conditions. A DoD Component's general terms and conditions must use the wording appendix J to this part provides for SUB Article X of its general terms and conditions.

## Subpart K—Requirements Concerning Subrecipients' Lower-Tier Subawards (SUB Article XI)

#### §1138.1100 Purpose of SUB Article XI.

SUB Article XI specifies requirements that a recipient must include in any subaward under which it judges that the subrecipient may make lowertier subawards. It thereby implements OMB guidance in 2 CFR 200.331(a) through (c) and other portions of 2 CFR part 200 as they apply to lower-tier subawards.

#### §1138.1105 Content of SUB Article XI.

(a) *Requirement*. A DoD Component's general terms and conditions must address requirements that recipients

## 2 CFR Ch. XI (1-1-22 Edition)

must include in subawards to entities that may make lower-tier subawards.

(b) Award terms and conditions. A DoD Component's general terms and conditions must use the wording appendix K to this part provides for SUB Article XI.

## Subpart L—Fixed-Amount Subawards (SUB Article XII)

### §1138.1200 Purpose of SUB Article XII.

SUB Article XII specifies policy and procedures concerning recipients' use of fixed-amount subawards under DoD grants and cooperative agreements. It thereby implements OMB guidance in 2 CFR 200.201(b) and 200.332 and other portions of 2 CFR part 200 as they apply to fixed-amount subawards.

## §1138.1205 Content of SUB Article XII.

(a) *Requirement*. A DoD Component's general terms and conditions must address how a recipient may use a fixed-amount type of subaward, when it requires the Component's prior approval to do so, and what requirements the recipient must include in those sub-awards.

(b) Award terms and conditions — (1) General. A DoD Component's general terms and conditions must use the wording appendix L to this part provides for SUB Article XII.

(2) Exceptions.

(i) In addition to the authorities provided in §1138.5 to omit or reserve all or portions of the wording appendix L to this part provides for SUB Article XII, a DoD Component's general terms and conditions may add wording to Section B of the article to authorize recipients to use fixed-amount subawards without obtaining the Component's prior approval in other situations for which it would be appropriate to do so, given the nature of the program or programs that use its general terms and conditions.

(ii) However, a DoD Component's general terms and conditions should never authorize recipients' use of fixedamount subawards for basic or applied research, for the reason given in paragraph B.2.a.ii of the wording appendix L provides for SUB Article XII. It is

unrealistic to have a subrecipient commit in advance to accomplishing specific, well-defined, and observable research outcomes. Doing so subjects the subrecipient to undue risk of not being reimbursed for research costs it incurred if it fails to fully accomplish the outcomes.

#### APPENDIX A TO PART 1138—TERMS AND CONDITIONS FOR SUB ARTICLE I, "DISTINGUISHING SUBAWARDS AND PROCUREMENTS"

Unless modified as provided in §1138.5, a DoD Component's general terms and conditions must use the following wording for SUB Article I.

#### SUB ARTICLE I. DISTINGUISHING SUBAWARDS AND PROCUREMENTS. (DECEMBER 2014)

Section A. Required recipient determination. For each transaction into which you enter with another entity at the next tier below this award, you must determine whether the transaction is a subaward or a procurement. Section B. Considerations in making the determination.

1. The primary purpose of the transaction between you and the other entity is the key factor you must use to determine whether the transaction is a subaward or a procurement.

a. The transaction is a subaward and the other entity therefore a subrecipient if the transaction's primary purpose is for you to transfer—for performance by the other entity—a portion of the substantive program for which we are providing financial assistance to you through this award. You will continue to be accountable to us for performance of the project or program under the award, including portions performed by any subrecipients.

b. The transaction is a procurement and the other entity therefore your contractor if the transaction's primary purpose is for you to purchase goods or services that you need to perform the substantive program supported by this award. The distinction from a subaward is the contractor is not performing a portion of the substantive program as a result of the transaction.

2. What you call the transaction is not a factor in distinguishing a subaward from a procurement. If the transaction meets the criterion in paragraph B.1.a of this article, it is a subaward for purposes of the requirements of this award even if you call and consider the transaction a "contract."

Section C. Effect of the determination on the next-tier transaction.

1. Process for awarding the transaction. One important consequence of your determining whether a next-tier transaction is a subaward or a procurement is that there are different requirements governing the preaward and time of award processes that you use to award the transaction.

a. SUB Article II of this award specifies pre-award and time of award responsibilities for subawards.

b. PROC Articles I and II of this award govern pre-award and time of award processes for awarding procurement transactions.

2. Transaction terms and conditions. A second important consequence of your determining whether a next-tier transaction is a subaward or a procurement is that the terms and conditions you include in a subaward differ from those you include in a procurement transaction.

a. Section C of SUB Article II of this award addresses requirements you must include in subaward terms and conditions. Those requirements generally are either identical or directly related to requirements in the general terms and conditions of this award. They include national policy requirements as well as administrative requirements in areas such as financial and programmatic management, property administration, procurement, and reporting.

b. PROC Article III of this award lists requirements you must include in a procurement transaction when applicable to the procurement.

#### APPENDIX B TO PART 1138—TERMS AND CONDITIONS FOR SUB ARTICLE II, "PRE-AWARD AND TIME OF AWARD RESPONSIBILITIES"

Unless modified as provided in §1138.5, a DoD Component's general terms and conditions must use the following wording for SUB Article II.

SUB ARTICLE II. PRE-AWARD AND TIME OF AWARD RESPONSIBILITIES. (DECEMBER 2014)

Section A. Requirements for unique entity identifiers.

1. Definition of "entity." For purposes of the unique entity identifier requirements in paragraphs A.2 and 3 of this section, "entity" has the meaning given in paragraph C.3 of appendix A to OMB guidance in 2 CFR part 25.

2. Pre-notification of potential subrecipients. You must notify potential subrecipients that no entity may receive a subaward from you under this award unless it has provided its unique entity identifier to you.

3. Restriction on making subawards.

a. *General.* You may not make a subaward to an entity unless the entity has provided its unique entity identifier to you.

b. *Exception*. You may make a subaward to an entity that has not provided its unique entity identifier to you in rare cases in which you requested, and we approved, an

## Pt. 1138, App. C

exemption from the requirement for the entity to provide a unique entity identifier, based on the criteria in OMB guidance in 2 CFR part 25.110(d).

Section B. Pre-award risk assessment.

1. Before making a subaward to an entity, you must perform a risk assessment of the prospective subrecipient, as described in 2 CFR 200.331(b). OMB guidance in 2 CFR 200.205(c) provides examples of factors you may consider in evaluating risk.

2. As part of the risk assessment under paragraph B.1 of this article, you must:

a. Verify that neither the prospective subrecipient nor its principals under the subaward are excluded or disqualified from participating in the transaction, in accordance with requirements in Subpart C of OMB guidance in 2 CFR part 180, as implemented by DoD at 2 CFR part 1125; and

b. If warranted by risks you identify, determine whether to impose award-specific terms and conditions in the subaward to mitigate the risks.

i. These award-specific terms and conditions may be in addition to, or differ from, the terms and conditions that SUB Articles IV through IX of this award require you to include in subawards.

ii. They may include items such as those listed in OMB guidance in 2 CFR 200.207(b)(1) through (6).

iii. Your procedures for imposing and removing the additional or different requirements must comply with the procedural guidance in 2 CFR 200.207(c) and (d).

Section C. Subaward content.

1. Cost-type subawards.

a. SUB Article III of this award specifies informational content that you must include in each cost-type subaward.

b. SUB Articles IV through VIII specify administrative requirements that you must include:

i. As applicable, in each cost-type subaward to:

(A) A domestic U.S. entity (*i.e.*, an entity other than a foreign public entity or a foreign organization); or

(B) An organizational unit of a foreign organization if that unit has a place of business in the United States; and

ii. To the maximum extent practicable in each cost-type subaward to either a foreign public entity or an organizational unit of a foreign organization that does not have a place of business in the United States (regardless of whether another organizational unit of that foreign organization has one). However, absent our prior approval, you may not allow that foreign entity or organization to acquire real property or equipment under a subaward.

c. SUB Article IX of this award specifies national policy requirements that you must include, as applicable, in each cost-type subaward.

## 2 CFR Ch. XI (1–1–22 Edition)

2. Fixed-amount type subawards.

a. Sections A through F of SUB Article III of this award specify informational content that you must include in each fixed-amount subaward.

b. SUB Article IX of this award specifies national policy requirements that you must include, as applicable, in each fixed-amount subaward.

c. Section D of SUB Article XII of this award specifies administrative requirements that you must include, as applicable, in any fixed-amount subaward to:

i. A domestic U.S. entity (*i.e.*, an entity other than a foreign public entity or a foreign organization); or

ii. An organizational unit of a foreign organization if that unit has a place of business in the United States; and

iii. To the maximum extent practicable to either a foreign public entity or an organizational unit of a foreign organization that does not have a place of business in the United States (regardless of whether another organizational unit of that foreign organization has one). However, absent our prior approval, you may not allow that foreign entity or organization to acquire real property or equipment under a subaward.

3. Additional subaward terms and conditions. You may include other requirements in your subawards that you need in order to meet your responsibilities under this award for performance of the project or program (including portions performed by subrecipients) and compliance with applicable administrative and national policy requirements.

Section D. Subaward and executive compensation reporting. You must report subaward obligating actions and information on subrecipients' executive compensation as required by REP Article IV of this award.

#### APPENDIX C TO PART 1138—TERMS AND CONDITIONS FOR SUB ARTICLE III, "INFORMATIONAL CONTENT OF SUB-AWARDS"

Unless modified as provided in §1138.5, a DoD Component's general terms and conditions must use the following wording for SUB Article III.

#### SUB ARTICLE III. INFORMATIONAL CONTENT OF SUBAWARDS. (DECEMBER 2014)

Section A. Informational content in general. You must include in each subaward (and each subsequent amendment to a subaward that alters the amount of the subaward) the information specified in OMB guidance in 2 CFR 200.331(a)(1), "Federal Award Identification," with the clarifications provided in Sections B through G of this article.

Section B. Federal award identification number and award date. The "Federal Award Identification Number" and "Federal Award

Date'' described in 2 CFR 200.331(a)(1)(iii) and (iv), respectively, are the award number and award date for this award to you. You must provide the information in a way that makes it clear that the subaward is under this DoD award.

Section C. Amount of Federal funds obligated. 1. The "Amount of Federal Funds Obligated by this action by the pass-through entity to the subrecipient" that is described in 2 CFR 200.331(a)(1)(vi) is either:

a. The amount of your obligation to the subrecipient, if the terms and conditions of this award do not require you to provide any cost sharing or matching for the project or program the award supports; or

b. The amount of the Federal share of your subaward obligation if this award does require cost sharing or matching, which in that case is the product of:

i. The Federal share of total project costs under this DoD award to you, as a percentage of those total project costs; and

ii. The total amount of project costs obligated for the subaward action.

2. Note that the total project costs of the award and subaward, as used in paragraphs C.1.b.i and ii of this section, include any cost sharing or matching that you or the subrecipient provides if you are counting it toward the cost sharing or matching required under this award.

Section D. Total amount obligated to the subrecipient. The "Total Amount of Federal Funds Obligated to the Subrecipient by the pass-through entity including the current obligation," as described in 2 CFR 200.331(a)(1)(vii), is the cumulative amount to date of the amounts described in Section C of this article.

Section E. Total Amount of the Federal Award. The "Total Amount of the Federal Award committed to the subrecipient by the pass-through entity," as described in 2 CFR 200.331(a)(1)(viii), is the total amount through the end of the subaward that you and the subrecipient mutually agreed upon, to include: Funding obligated to date, any future anticipated funding increments, and any options you may exercise in the future.

Section F. Federal awarding agency, passthrough entity, and awarding official. The "Name of Federal awarding agency" and "pass-through entity," as those terms are used in 2 CFR 200.331(a)(1)(x) are the DoD and the business name associated with your registration in SAM. In that same paragraph of 2 CFR part 200, the "awarding official" is the individual in your organization who made the subaward.

Section G. Indirect cost rate. With respect to the requirement in 2 CFR 200.331(a)(1)(xiii) for the subaward to include the "Indirect cost rate for the Federal award."

1. This requirement applies to cost-type subawards only.

2. The rate the subaward must include is the subrecipient's rate, whether it is a rate set by negotiation with a Federal agency or you or is the de minimis rate described in 2 CFR 200.414(f).

3. You are required to include the indirect cost rate only if the subrecipient is willing to share that information with you and assents that information about its rate is not proprietary. If a subrecipient is not willing to share information about its indirect cost rate with you, consult the grants officer for this award to explore alternative ways to assess the reasonableness of costs of the subaward.

APPENDIX D TO PART 1138—TERMS AND CONDITIONS FOR SUB ARTICLE IV, "FINANCIAL AND PROGRAM MANAGE-MENT REQUIREMENTS FOR SUB-AWARDS"

Unless modified as provided in §1138.5, a DoD Component's general terms and conditions must use the following wording for SUB Article IV.

SUB ARTICLE IV. FINANCIAL AND PROGRAM MANAGEMENT REQUIREMENTS FOR SUB-AWARDS. (DECEMBER 2014)

Section A. Purposes of this article in relation to other articles.

1. This article specifies administrative requirements concerning financial and program management that you must include in the terms and conditions of each cost-type subaward that you make under this award to a domestic entity.

2. It thereby addresses the flow down to subrecipients of requirements with which you must comply under FMS Articles I through VII of this award.

3. SUB Article XII of this award addresses which of these administrative requirements you must include in any fixed-amount subaward that you make, if you are authorized to make fixed-amount subawards under this award.

Section B. Financial management system standards. You must include in any subaward you make under this award the requirements of:

1. Sections A through C of FMS Article I of this award if the subrecipient is a State:

2. Sections B and C of FMS Article I if the subrecipient is an institution of higher education, nonprofit organization, local government, or Indian tribe; or

 $3.\ 32\ {\rm CFR}\ 34.11$  if the subrecipient is a for-profit entity.

Section C. Payments.

1. Subawards to States. You must include the provisions of Section A of FMS Article II of this award in each subaward you make to a State;

### Pt. 1138, App. D

2. Subawards to institutions of higher education, nonprofit organizations, local governments, and Indian tribes. The following paragraphs specify requirements you must include in subawards to institutions of higher education, nonprofit organizations, local governments, and Indian tribes.

a. Payment method.

i. If you are authorized to request advance payments under this award, you must authorize a subrecipient to request advance payments unless:

(A) The subrecipient does not maintain, or demonstrate the willingness to maintain, written procedures that minimize the time elapsing between its receipt of each payment and its disbursement of the funds for project or program purposes;

(B) You impose a requirement for the subrecipient to be paid by reimbursement as a result of your risk evaluation of the subrecipient under SUB Article II of this award. (C) The subaward is for construction.

(i) If you do not authorize advance payments for one of the reasons given in paragraph C.2.a.i of this article, you must specify either reimbursement or working capital advances as the payment method in accordance with OMB guidance in 2 CFR 200.305(b)(3) and (4).

b. Payment timing and amount.

i. Advances. You must limit advance payments to the minimum amounts needed and time the payments to be in accordance with the subrecipient's actual, immediate cash requirements in carrying out the project or program under the subaward. The timing and amount of your advance payments to the subrecipient must be as close as is administratively feasible to the subrecipient's actual disbursements for direct project costs and the proportionate share of any allowable indirect costs. Your subawards also must include the requirements of paragraphs B.2.b and c of FMS Article II to specify costs subrecipients must exclude from amounts of their advance payment requests.

ii. Reimbursements or working capital advances. You must follow OMB guidance in 2 CFR 200.305(b)(3) and (4) concerning timing and amount of reimbursements or working capital advances.

c. Frequency of requests. You must allow the subrecipient to request advance payments or reimbursements, including those associated with the working capital advance payment method, as often as it wishes if you pay using electronic funds transfers and at least monthly otherwise.

d. Other requirements.

i. In any subaward that was subject to our consent, you must include the requirements of paragraph B.5 of FMS Article II of this award concerning withholding of payments.

ii. You must include the provisions of paragraph B.6 of FMS Article II concerning depositories in each subaward that authorizes 2 CFR Ch. XI (1–1–22 Edition)

the subrecipient to request advance payments.

3. Subawards to for-profit entities. The provision concerning payments in each subaward you make to a for-profit entity must conform to the requirements in 32 CFR 34.12.

Section D. Allowable costs, period of availability of funds, and fee and profit.

1. You must include in each cost-type subaward a requirement that the allowability of costs under the subaward (and any lower-tier subawards or procurement transactions into which the subrecipient enters) must be determined in accordance with the applicable cost principles identified in Section A of FMS Article III of this award, as well as the clarification in Section B of that article if it applies to those cost principles.

2. You must specify in each subaward the period of availability of funds for any project or program purpose so that the period neither begins before nor ends after the period during which you may use funds available to you under this award for that same project or program purpose.

3. You must include in each subaward the provisions concerning fee or profit that are in Section D of FMS Article III of this award.

Section E. Revision of budget and program plans. You must include in each subaward provisions requiring the subrecipient to request your approval for any change in the subaward budget or program that would cause a budget or program change under this award for which Section B of FMS Article IV requires you to first obtain our prior approval. You may not approve any budget or program revision that is inconsistent with the purpose or terms and conditions of this award.

Section F. Non-Federal audits. You must include a provision in each subaward that you make under this award to require the subrecipient entity to comply with the audit requirements applicable to that entity, as specified in either Section A or Section B of FMS Article V.

Section G. Cost sharing or matching requirements. If you make a subaward under which the subrecipient may provide contributions or donations of cash or third-party in-kind contributions to be counted toward any cost sharing or matching that is required under this award, you must include provisions in that subaward to specify:

1. The criteria governing the allowability as cost sharing or matching of the types of cash or third-party in-kind contributions that the subrecipient may contribute or donate. Those criteria are specified in:

a. Sections B through D of FMS Article VI of this award if the subaward is to a State, institution of higher education, nonprofit organization, local government, or Indian tribe.

b. The provisions of 32 CFR 34.13(a) if the subaward is to a for-profit entity.

2. The methods for determining and documenting the values of those contributions or donations to be counted as cost sharing or matching. Those methods are specified in:

a. Sections E and F of FMS Article VI of this award if the subaward is to a State, institution of higher education, nonprofit organization, local government, or Indian tribe.

b. The provisions of 32 CFR 34.13(b) if the subaward is to a for-profit entity.

Section H. Program income. You must include requirements concerning program income in subawards, as follows:

1. In each subaward to a State, institution of higher education, nonprofit organization, local government, or Indian tribe:

a. You must require the subrecipient to account to you when it earns any program income under the subaward or uses it, so that you can prepare reports you are required to submit to us. If the award-specific terms and conditions of this award require you to account for program income earned after the period of performance, you must include a corresponding requirement in your subawards.

b. You must include the provisions of Sections A through D of FMS Article VII of this award.

c. You may specify the deduction, addition, or cost-sharing or matching alternative-described in 2 CFR 1128.720(b)-or a combination of those alternatives, for the subrecipient's use of any program income it earns. However, you still must comply with the alternative specified in Section E of FMS Article VII and any applicable award-specific terms and conditions for the total amount of program income earned, which includes amounts earned by you and your subrecipients. For example, if we require you to use the deduction alternative, you may authorize a subrecipient to use the addition alternative if you reduce the funding allocated for portions of the project or program that you or other subrecipients perform to make the required reduction in the total award amount.

2. In each subaward to a for-profit entity, you must include the provisions of 32 CFR 34.14, with the appropriate method specified for disposition of program income.

#### Appendix E to Part 1138—Terms and Conditions for SUB Article V, "Property Requirements for Sub-Awards"

You must comply with any statute or regulation that affords the subrecipient an opportunity for a hearing, appeal, or other administrative proceeding and is applicable to the dispute.

Section F. Collection of amounts due. Although your subaward terms and conditions do not need to include any of the requirements of OAR Article V because those requirements do not flow down to subrecipients, you should consider including provisions to specify what you would need from the subrecipient if you owed a debt to the Federal Government under this award that is related to its subaward.

Section G. Closeout.

1. In each subaward that you make to an institution of higher education, nonprofit organization, State, local government, or Indian tribe, you must include provisions to require the subrecipient to:

You may not omit an applicable national policy requirement in order to make the subaward.

1. The subrecipient comply with all applicable Federal environmental laws and regulations, including those specified in paragraphs A.2, A.3, A.5, and A.6 of NP Article II, as applicable.

2. Provide any information you need, when you need it, in order to comply with the requirement to immediately notify us of potential environmental impacts specified in paragraphs A.4, A.5, and A.6 of NP Article II, as applicable, due to activities under the award (which includes subaward activities).

Section D. National policy requirements concerning live organisms. You must include provisions in each subaward to require the subrecipient's compliance with the national policy requirements concerning human subjects and animals that are specified in paragraphs A.1 and A.2 of NP Article III, as applicable.

Section E. Other national policy requirements. You must include provisions in each subaward to require the subrecipient's compliance with the national policy requirements in the following portions of NP Article IV of this award, as applicable:

1. Paragraph A.1.

2. Paragraphs A.3.a and b.

3. Paragraphs A.4 through A.17.

Appendix J to Part 1138—Terms and Conditions for SUB Article X, "Subrecipient Monitoring and Other Post-Award Administration"

Unless modified as provided in §1138.5, a DoD Component's general terms and conditions must use the following wording for SUB Article X.

SUB ARTICLE X. SUBRECIPIENT MONITORING AND OTHER POST-AWARD ADMINISTRATION. (DECEMBER 2014)

Section A. General requirement for subrecipient monitoring. You must do the postaward monitoring of the subrecipient's activities under each subaward that is needed in order for you to ensure that:

1. The subrecipient carries out the portion of the substantive project or program under this award.

2. The subrecipient is using funds under the subaward (including any cost sharing or matching the subrecipient provides that is counted as project costs in the approved budget of this award) for authorized purposes.

3. The subrecipient's performance under the subaward is in compliance with applicable Federal statutes and regulations, and the terms and conditions of your subaward.

Section B. Subrecipient monitoring actions.

1. Required monitoring actions under costtype subawards. You must, as part of your post-award monitoring of each subrecipient:

# 2 CFR Ch. XI (1–1–22 Edition)

a. Review the financial and programmatic information that your subaward terms and conditions require the subrecipient to provide, in accordance with Sections B and C of SUB Article VII of this award.

b. Follow up and ensure that the subrecipient takes timely and appropriate action to remedy deficiencies detected through any means, including audits and on-site reviews.

c. With respect to audits of subrecipients that are required under FMS Article V of this award:

i. Verify that the subrecipient is audited in accordance with those requirements, as applicable (note that Section F of SUB Article IV requires you to include those audit requirements for the subrecipient in the subaward's terms and conditions).

ii. Resolve and issue a management decision for audit findings that pertain to your subaward. Doing so is a requirement under either Section A or B of FMS Article V of this award (Section B requires that explicitly and Section A does so by implementing OMB guidance in 2 CFR 200.521, as well as other portions of Subpart F of that part).

iii. Consider whether you need to adjust your own records related to this award based on results of audits, on-site reviews or other monitoring of the subrecipient and, as applicable, notify the award administration office.

2. Other monitoring actions. OMB guidance in 2 CFR 200.331(e)(1) through (3) describes other actions that may be useful as part of your subrecipient monitoring program, depending on the outcomes of the pre-award risk assessment you conducted in accordance with Section B of SUB Article II.

Section C. Remedies and subaward suspension or termination. With respect to any subaward under this award, you must:

1. Consider whether you need to take any remedial action if you determine that the subrecipient is noncompliant with an applicable Federal statute or regulation or the terms and conditions of your subaward, as described in Section D of SUB Article VIII.

2. Provide a notice of termination to the subrecipient if you terminate its subaward unilaterally for any reason prior to the end of the period of performance.

3. In the case of suspension or termination of a subaward prior to the end of the period of performance, allow or disallow subaward costs in accordance with Section D of OAR Article III.

Section D. Subaward closeout.

1. You will close out each subaward when you either:

a. Determine that the subrecipient has completed its programmatic performance under the subaward and all applicable administrative actions; or

## Department of Defense

b. Terminate the subaward, if you do so prior to the end of the subaward's period of performance.

2. With respect to the closeout of each subaward:

a. You must pay the subrecipient promptly for allowable and reimbursable costs.

b. Consistent with the terms and conditions of the subaward, you must make a settlement for any upward or downward adjustments to the Federal share of costs after you receive the information you need from the subrecipient to close out the subaward.

c. You should complete the closeout of the subaward no later than one year after you receive and accept the final reports and other information from the subrecipient that you need to close out the subaward.

APPENDIX K TO PART 1138—TERMS AND CONDITIONS FOR SUB ARTICLE XI, "REQUIREMENTS CONCERNING SUB-RECIPIENTS' LOWER-TIER SUB-AWARDS"

Unless modified as provided in §1138.5, a DoD Component's general terms and conditions must use the following wording for SUB Article XI.

#### SUB ARTICLE XI. REQUIREMENTS CONCERNING SUBRECIPIENTS' LOWER-TIER SUBAWARDS. (DECEMBER 2014)

Section A. Purpose. This article specifies requirements you must include in any costtype subaward under which you determine that the subrecipient of your subaward may make lower-tier cost-type subawards to other entities. Paragraph G.1 of SUB Article XII specifies requirements related to fixedamount type subawards at lower tiers.

Section B. Requirements for lower-tier subawards. Your cost-type subaward terms and conditions must require your subrecipient, with respect to each lower-tier cost-type subaward that it makes, to:

1. Ensure that the lower-tier transaction is a subaward, rather than a procurement, by making the determination that SUB Article I of this award requires you to make for your subawards.

2. Conduct the pre-award risk assessment of its intended subrecipient that Section B of SUB Article II of this award requires you to make for your subawards.

3. Include in any cost-type subaward it makes at the next tier:

a. The informational content that SUB Article III specifies;

b. The administrative requirements that SUB Articles IV through VIII of this award specify;

c. The national policy requirements that SUB Article IX of this award specifies, as applicable; and

d. The requirements of this article if the next-tier subrecipient may make even lowertier cost-type subawards to other entities

4. Carry out the subrecipient monitoring and other post-award administration responsibilities specified in SUB Article X of this award.

#### APPENDIX L TO PART 1138—TERMS AND CONDITIONS FOR SUB ARTICLE XII, "FIXED-AMOUNT SUBAWARDS"

Unless modified as provided in §1138.5 or 1138.1205, a DoD Component's general terms and conditions must use the following wording for SUB Article XII.

#### SUB ARTICLE XII. FIXED-AMOUNT SUBAWARDS. (DECEMBER 2014)

Section A. Limitations on use.

1. You may not use a fixed-amount subaward:

a. If the total value over the life of the subaward will exceed the simplified acquisition threshold.

b. Unless the project or program scope is specific, with definite outcomes, and you are able to establish a reasonable estimate of the actual costs of accomplishing those outcomes.

c. If you will predetermine a set amount or percentage of cost sharing or matching that the subrecipient must provide under the subaward.

d. If the subrecipient will acquire any real property or equipment under the subaward.

2. For fixed-amount subawards not prohibited by paragraph 1 of this section and except as provided in Section B of this article, you must obtain our prior approval before making a fixed-amount type of subaward.

a. If Section B of FMS Article IV requires you to obtain our prior approval before you make any subaward, and you do not identify the subaward as a fixed-amount subaward when you obtain that approval, then you must subsequently request separate approval before awarding it as a fixed-amount type of subaward.

b. If a subaward is identified as a fixedamount type of subaward in the budget you submit for our approval, then our approval of the budget is the required prior approval.

Section B. Fixed-amount subawards that do not require prior approval. You are not required to obtain our prior approval before using a fixed-amount type of subaward if:

1. The subaward is to either:

a. A foreign public entity; or

b. An organizational unit of a foreign organization, if that unit does not have a place of business in the United States, regardless of whether another organizational unit of that foreign organization has one.

2. You determine that the portion of the project or program under this award which the subrecipient will be carrying out under

# Pt. 1138, App. L

the subaward has one or more specific outcomes with the following characteristics:

a. You can define the outcomes well enough to specify them at the time you make the subaward. Note that:

i. Outcomes are distinct from inputs needed to achieve the outcomes, such as amounts or percentages of time that subrecipient employees or other participants will spend on the project or program.

ii. The inherently unpredictable nature of basic or applied research makes it rarely, if ever, possible to define specific research outcomes in advance, which makes fixedamount subawards inappropriate for research. Note that technical performance reports serve to document research outcomes but are not themselves outcomes, notwithstanding the definition of "performance goals" in OMB guidance at 2 CFR 200.76.

b. The accomplishment of each outcome will be observable and verifiable by you when it occurs, so that you will not need to rely solely on the subrecipient's assurance of that accomplishment.

c. The subrecipient associates its estimated costs with outcomes in the proposal it submits to you, and you are confident that the costs of accomplishment of the outcomes will equal or exceed the subaward amount. This requires either that you have a high degree of confidence:

i. In your estimate of the costs associated with accomplishing the well-defined and observable outcomes, based on the prospective subrecipient's proposal (and using the applicable cost principles in FMS Article III as a guide): or

ii. That those costs will be within a finite range, rather than a specific amount, so that you may provide an amount of funding under the subaward that does not exceed the lower end of the range, with the provision that the subrecipient agrees to provide any balance above that amount that ultimately is needed to accomplish the outcomes. Your subaward then would include a term or condition to reflect the subrecipient's agreement to provide that balance (which would be in an amount to be post-determined, when the outcomes are accomplished). Note that this is distinct from a situation in which you predetermine a set amount or percentage of cost sharing or matching that the subrecipient must provide under its subaward, a situation in which paragraph A.1.c of this article prohibits use of a fixed-amount subaward.

3. a. The subaward is based on a fixed rate per unit of outcome (or "unit cost") and you have both the confidence:

i. That is described in paragraph B.2.c of this article in the estimated costs associated with each unit of outcome; and

ii. In the subrecipient's guarantee that it can accomplish at least the number of units of outcome on which your total subaward amount will be based (*i.e.*, the product of the

# 2 CFR Ch. XI (1–1–22 Edition)

unit cost and the number of units of outcome the subrecipient guarantees to accomplish).

b. Note, however, that not every fixed rate subaward is also a fixed-amount subaward. If you have confidence in the unit cost but not also in the subrecipient's ability to guarantee the number of units of outcome that it will accomplish, then you should set a notto-exceed award amount based on the number of units desired and reduce the subaward amount at the end if the subrecipient accomplishes fewer than that number. Examples of activities for which it may be appropriate to award this type of fixed rate subaward that is not a fixed-amount subaward include:

i. A clinical trial for which the unit cost is the cost of treating each participant. The not-to-exceed amount would be based on the number of participants the subrecipient planned to recruit and the final award on the number who actually participated, documentation for which would be subject to audit.

ii. Labor costs for performance of a portion of the project or program under this award by a for-profit entity that treats its indirect cost rate as proprietary information. The unit cost in that case may be "loaded" labor rates for the entity's employees that include indirect costs. The final award amount would depend on the number of labor hours the entity's employees expended under the subaward, documentation for which may be audited without exposing proprietary details associated with the actual costs.

Section C. Informational content of fixedamount subawards. You must include in each fixed-amount subaward the informational content, other than the indirect cost rate, that is described in SUB Article III of this award.

Section D. Terms and conditions addressing administrative requirements.

1. General. This section:

a. Specifies the minimum set of terms and conditions (in lieu of the more extensive set specified in SUB Articles IV through X for cost-type subawards) addressing administrative requirements that you must include in each fixed-amount subaward:

i. To an entity other than a foreign organization, as applicable; and

ii. To the maximum extent practicable, to a foreign organization.

b. Does not preclude the inclusion of other requirements that you need in order to meet your responsibilities under this award for performance of the project or program and compliance with applicable administrative and national policy requirements.

2. Financial and program management requirements.

a. Financial management system standards. For a subaward to other than a for-profit entity, your subaward must require the subrecipient to include the information specified in paragraph B.1 of FMS Article I in its

### **Department of Defense**

financial management system, for the purposes of the non-Federal audits required by paragraph 2.d of this section.

b. *Payments*. Your payments must be based on accomplishment of the outcomes and associated costs that you used to establish the award amount, rather than on subrecipient expenditures for project or program purposes. Milestone payments before the end of the subaward's period of performance may be appropriate if there are outcomes that the subrecipient will accomplish at different times during that period.

c. Revision of budget and program plans. If our prior approval was required under paragraph A.2 of this article for use of a fixedamount type of subaward, then you must:

i. Request our prior approval for any change in scope or objective of the subaward; and

ii. Include a requirement in the subaward for the subrecipient to request that approval through you.

d. Non-Federal audits. You must include the requirement for non-Federal audits described in Section F of SUB Article IV. The audits are intended to focus on compliance with the performance requirements in the subaward terms and conditions and not to review actual costs as they would for a cost-type subaward.

3. Property requirements.

a. Federally owned property. If the subrecipient will be accountable for federally owned property, you must include the property management system, use, and disposition requirements described in Sections C and F of SUB Article V that are applicable to federally owned property.

b. *Intangible property*. You must include the applicable intangible property requirements described in Section G of SUB Article V.

4. *Reporting requirements.* You must include requirements for reporting that you need in order to meet your responsibilities under this award for reporting to us.

5. Other administrative requirements.

a. Integrity-related information. You must include the substance of the provision in Section C of OAR Article I in any subaward you make under this award. The provision must require the subrecipient's disclosure of any evidence directly to the Inspector General. DoD.

b. Records retention and access.

i. You must include the requirements for records retention and access in paragraph A.3 and Sections B and F of OAR Article II, as applicable, if the subaward is to an institution of higher education, nonprofit organization, State, local government, or Indian tribe. You may not impose any other records retention or access requirements on the subrecipient.

ii. You must include the corresponding requirements of 32 CFR 34.42 if the subaward is to a for-profit entity. c. *Remedies and termination*. You must include:

i. The requirements concerning remedies and termination that are described in paragraphs D.1 and 2 of SUB Article VIII;

ii. Provisions addressing any hearing and appeal rights the subrecipient has, as described in Section E of SUB Article VIII; and

iii. Terms and conditions addressing adjustment of the amount of the subaward if it is terminated before the subrecipient accomplishes all of the specified outcomes.

d. Continuing responsibilities. You must include requirements concerning continuing responsibilities for audits and records retention and access that are described in paragraphs B.1 and 3 of OAR Article VII.

e. Collection of amounts due. You should consider including requirements concerning collection of amounts due, as described in Section F of SUB Article VIII.

Section E. National policy requirements for fixed-amount subawards. You must include in the terms and conditions of each fixedamount subaward the national policy requirements that SUB Article IX of this award specifies, as applicable.

Section F. Subrecipient monitoring and other post-award administration. You must carry out the subrecipient monitoring and postaward administration actions specified in SUB Article X, as applicable.

Section G. Fixed-amount subawards at lower tiers.

1. Authority.

a. If Section B of this article authorizes you to use a fixed-amount type of subaward without our prior approval in some situations, a cost-type subaward that you make may authorize the subrecipient to use fixedamount subawards at the next lower tier in those same situations without our prior approval.

b. If you wish to allow a subrecipient of a cost-type subaward to use fixed-amount subawards at the next tier in other situations (*i.e.*, situations in which this article requires you to obtain our prior approval before using a fixed-amount type of subaward), your subaward terms and conditions must require the subrecipient to submit a request through you to obtain our prior approval for use of that type of subaward.

2. Subaward requirements. If your subrecipient is authorized to use lower-tier fixed-amount subawards, as described in paragraphs 1.a and b of this section, your subaward's terms and conditions must:

a. Require the subrecipient, before it makes any lower-tier fixed-amount subaward, to:

i. Ensure that the lower-tier transaction is a subaward, rather than a procurement, by making the determination that SUB Article I of this award requires you to make for your subawards.

# Pt. 1138, App. L

2 CFR Ch. XI (1-1-22 Edition)

ii. Conduct the pre-award risk assessment of its intended subrecipient that Section B of SUB Article II of this award requires you to make for your subawards. b. Include the requirements specified in Sections A through  ${\bf F}$  of this article.

#### §1200.10 What does this part do?

This part adopts the Office of Management and Budget (OMB) guidance in subparts A through I of 2 CFR part 180, as supplemented by this part, as the Department of Transportation policies and procedures for nonprocurement suspension and debarment. It thereby gives regulatory effect for the Department of Transportation to the OMB guidance as supplemented by this part. This part satisfies the requirements in section 3 of Executive Order 12549, "Supension and Debarment" (3 CFR 1986 Comp., p. 189), Executive Order 12689, "Suspension and Debarment" (3 CFR 1989 Comp., p. 235) and 31 U.S.C. 6101 note (Section 2455, Public Law 103-355, 108 Stat. 3327).

#### §1200.20 Does this part apply to me?

This part and, through this part, pertinent portions of the OMB guidance in subparts A through I of 2 CFR part 180 (see table at 2 CFR 180.100(b)) apply to you if you are a—

(a) Participant or principal in a "covered transaction" (see subpart B of 2 CFR part 180 and the definition of "nonprocurement transaction" at 2 CFR 180.970;

(b) Respondent in a Department of Transportation suspension or debarment action;

(c) Department of Transportation debarment or suspension official;

(d) Department of Transportation grants officer, agreements officer, or other official authorized to enter into any type of nonprocurement transaction that is a covered transaction.

# § 1200.30 What policies and procedures must I follow?

The Department of Transportation policies and procedures that you must follow are the policies and procedures specified in each applicable section of the OMB guidance in subparts A through I of 2 CFR part 180, as that section is supplemented by the section in this part with the same section number. The contracts that are covered transactions, for example, are specified by section 220 of the OMB guidance (i.e., 2 CFR 180.220), as supplemented by section 220 in this part (i.e., §1200.220). For any section of OMB guidance in subparts A through I of 2 CFR 180 that has no corresponding section in this part, Department of Transportation policies and procedures are those in the OMB guidance.

# Subpart A—General

#### § 1200.137 Who in the Department of Transportation may grant an exception to let an excluded person participate in a covered transaction?

Within the Department of Transportation, Office of the Secretary, the Secretary or an official designated by the

# § 1200.220

Secretary may grant an exception permitting an excluded person to participate in a particular covered transaction. Within an Operating Administration of the Department of Transportation, the head of the operating administration may grant an exception permitting an excluded person to participate in a particular covered transaction. The head of an operating administration may delegate this function and authorize successive delegations.

# Subpart B—Covered Transactions

#### § 1200.220 What contracts and subcontracts, in addition to those listed in 2 CFR 180.220, are covered transactions?

In addition to the contracts covered under 2 CFR 180.220(b) of the OMB guidance, this part applies to any contract, regardless of tier, that is awarded by a contractor, subcontractor, supplier, consultant, or its agent or representative in any transaction, if the contract is to be funded or provided by the Department of Transportation under a covered nonprocurement transaction and the amount of the contract is expected to equal or exceed \$25,000. This extends the coverage of the Department of Transportation nonprocurement suspension and debarment requirements to all lower tiers of subcontracts under covered nonprocurement transactions, as permitted under the OMB guidance at 2 CFR 180.220(c) (see optional lower-tier coverage in the figure in the appendix to 2 CFR part 180).

# Subpart C—Responsibilities of Participants Regarding Transactions

#### § 1200.332 What methods must I use to pass requirements down to participants at lower tiers with whom I intend to do business?

You as a participant must include a term or condition in lower-tier transactions requiring lower-tier participants to comply with subpart C of the OMB guidance in 2 CFR part 180, as supplemented by this subpart.

## 2 CFR Ch. XII (1–1–22 Edition)

# Subpart D—Responsibilities of Federal Agency Officials Regarding Transactions

#### §1200.437 What method do I use to communicate to a participant the requirements described in the OMB guidance at 2 CFR 180.435?

To communicate to a participant the requirements described in 2 CFR 180.435 of the OMB guidance, you must include a term or condition in the transaction that requires the participant's compliance with subpart C of 2 CFR part 180 and requires the participant to include a similar term or condition in lower-tier covered transactions.

Except as otherwise provided in this part, the Department of Transportation adopts the Office of Management and Budget Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR part 200). This part supersedes and repeals the requirements of the Department of Transportation Common Rules (49 CFR part 18—Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments and 49

## Department of Transportation

CFR part 19—Uniform Administrative Requirements—Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and other Non-Profit Organizations), except that grants and cooperative agreements executed prior to December 26, 2014 shall continue to be subject to 49 CFR parts 18 and 19 as in effect on the date of such grants or agreements. New parts with terminology specific to the Department of Transportation follow.

#### §1201.2 Definitions.

Throughout this part, the term "DOT Component" refers to any Division, Office, or Mode (e.g., the Federal Aviation Administration (FAA), Federal Highway Administration (FHWA), Federal Motor Carrier Safety Administration (FMCSA), Federal Railroad Administration (FRA), Federal Transit Administration (FTA), Maritime Administration (MARAD), National High-Traffic Safety Administration way (NHTSA), Office of Inspector General (OIG), Office of the Secretary of Transportation (OST), Pipeline and Haz-ardous Materials Safety Administration (PHMSA), St. Lawrence Seaway Development Corporation (SLSDC), and the Surface Transportation Board (STB)) within the Department of Transportation awarding Federal financial assistance. In addition, the term "DOT Headquarters" refers to the Secretary of Transportation or any office designated by the Secretary to fulfill headquarters' functions within any office under the Secretary's immediate supervision.

# §1201.80 Program income.

Notwithstanding 2 CFR 200.80, program income means gross income earned by the non-Federal entity that is directly generated by a supported activity or earned as a result of the Federal award during the period of performance. (See 2 CFR 200.77 Period of performance.) Program income includes but is not limited to income from fees for services performed, the use or rental or real or personal property acquired under Federal awards, the sale of commodities or items fabricated under a Federal award, license fees and royalties on patents and copyrights, and principal and interest on loans made with Federal award funds. Interest earned on advances of Federal funds is not program income. Except as otherwise provided in Federal statutes, regulations, or the terms and conditions of the Federal award, program income does not include rebates, credits, discounts, taxes, special assessments, levies, and fines raised by a grantee and subgrantee, and interest earned on any of them.

#### §1201.102 Exceptions.

DOT Headquarters may grant exceptions to Part 1201 on a case-by-case basis. Such exceptions will be granted only as determined by the Secretary of Transportation.

#### §1201.106 DOT Component implementation.

The specific requirements and responsibilities for grant-making DOT Components are set forth in this part. DOT Components must implement the language in this part unless different provisions are required by Federal statute or are approved by DOT Headquarters. DOT Components making Federal awards to non-Federal entities must implement the language in the Subpart C-Pre-Federal Award Requirements and Contents of Federal Awards of this Part through Subpart F-Audit Requirements of this Part in codified regulations unless different provisions are required by Federal statute or are approved by DOT Headquarters

# §1201.107 DOT Headquarters responsibilities.

DOT Headquarters will review DOT Component implementation of this part, and will provide interpretations of policy requirements and assistance to ensure effective and efficient implementation. Any exceptions will be subject to approval by DOT Headquarters. Exceptions will only be made in particular cases where adequate justification is presented.

#### §1201.108 Inquiries.

Inquiries regarding Part 1201 should be addressed to the DOT Component making the award, cognizant agency

# §1201.109

for indirect costs, cognizant or oversight agency for audit, or pass-through entities as appropriate. DOT Components will, in turn, direct the inquiry to the Office of Chief Financial Officer, Department of Transportation.

#### §1201.109 Review date.

DOT Headquarters will review this part at least every five years after December 26, 2014.

#### §1201.112 Conflict of interest.

The DOT Component making a financial assistance award must establish conflict of interest policies for Federal awards, including policies from DOT Headquarters. The non-Federal entity must disclose in writing any potential conflict of interest to the DOT Component or pass-through entity in accordance with applicable Federal awarding agency policy.

## §1201.206 Standard application requirements.

The requirements of 2 CFR 200.206 do not apply to formula grant programs,

# 2 CFR Ch. XII (1-1-22 Edition)

which do not require applicants to apply for funds on a project basis.

# §1201.313 Equipment.

Notwithstanding 2 CFR 200.313, subrecipients of States shall follow such policies and procedures allowed by the State with respect to the use, management and disposal of equipment acquired under a Federal award.

#### §1201.317 Procurements by States.

Notwithstanding 2 CFR 200.317, subrecipients of States shall follow such policies and procedures allowed by the State when procuring property and services under a Federal award.

It thereby—

(a) Gives regulatory effect to the OMB guidance (Subparts A through F of 2 CFR Part 182) for DOI's grants and cooperative agreements; and

(b) Establishes DOI policies and procedures for compliance with the Act that are the same as those of other Federal agencies, in conformance with the requirement in 41 U.S.C. 705 for

### §1401.110 What policies and procedures must I follow?

(a) *General.* You must follow the policies and procedures specified in applicable sections of the OMB guidance in Subparts A through F of 2 CFR part 182, as implemented by this part.

(b) In implementing OMB guidance in 2 CFR part 182, this part supplements four sections of the guidance, as shown in the following table. For each of those sections, you must follow the policies and procedures set forth in the OMB guidance, as supplemented by this part.

(2) 2 CFR 182.300(b)	§1401.401	Whom in the DOI a recipient who is an individual must notify if he or she is convicted of a criminal drug offense resulting from a violation occurring during the conduct of any award activity.

# §1401.120 Does this part affect the Federal contracts that I receive?

It will affect future contract awards indirectly if you are debarred or suspended for a violation of the requirements of this part, as described in §1401.610(c). However, this part does not directly apply to procurement contracts. # 2 CFR Ch. XIV (1–1–22 Edition)

# Subpart C—Requirements for Recipients Other Than Individuals

# §1401.300 What must I do to comply with this part?

There are two general requirements if you are a recipient other than an individual.

(a) First, you must make a good faith effort, on a continuing basis, to maintain a drug-free workplace. You must agree to do so as a condition for receiving any award covered by this part. The specific measures that you must take in this regard are described in more detail in subsequent sections of this subpart. Briefly, those measures are to—

(1) Publish a drug-free workplace statement and establish a drug-free awareness program for your employees; and

(2) Take actions concerning employees who are convicted of violating drug statutes in the workplace.

(b) Second, you must identify all known workplaces under your Federal awards.

# §1401.305 What must I include in my drug-free workplace statement?

You must publish a statement that-

(a) Tells your employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in your workplace:

(b) Specifies the actions that you will take against employees for violating that prohibition; and

(c) Lets each employee know that, as a condition of employment under any award, he or she:

(1) Will abide by the terms of the statement: and

(2) Must notify you in writing if he or she is convicted for a violation of a criminal drug statute occurring in the workplace and must do so no more than five calendar days after the conviction.

#### §1401.310 To whom must I distribute my drug-free workplace statement?

You must require that a copy of the statement described in §1401.305 be given to each employee who will be engaged in the performance of any Federal award.

#### Department of the Interior

# §1401.315 What must I include in my drug-free awareness program?

You must establish an ongoing drugfree awareness program to inform employees about—

(a) The dangers of drug abuse in the workplace;

(b) Your policy of maintaining a drug-free workplace;

(c) Any available drug counseling, rehabilitation, and employee assistance programs; and (d) The penalties that you may impose upon them for drug abuse violations occurring in the workplace.

#### §1401.320 By when must I publish my drug-free workplace statement and establish my drug-free awareness program?

If you are a new recipient that does not already have a policy statement as described in \$1401.305 and an ongoing awareness program as described in \$1401.315, you must publish the statement and establish the program by the time given in the following table:

lf	then you
(a) The performance period of the award is less than 30 days	must have the policy statement and program in place as soon as possible, but before the date on which performance is ex- pected to be completed.
(b) The performance period of the award is 30 days or more $\ \ldots$	must have the policy statement and program in place within 30 days after award.
(c) You believe there are extraordinary circumstances that will require more than 30 days for you to publish the policy state- ment and establish the awareness program.	may ask the Department of the Interior awarding official to give you more time to do so. The amount of additional time, if any, to be given is at the discretion of the awarding official.

#### §1401.325 What actions must I take concerning employees who are convicted of drug violations in the workplace?

There are two actions you must take if an employee is convicted of a drug violation in the workplace:

(a) First, you must notify Federal agencies if an employee who is engaged in the performance of an award informs you about a conviction, as required by \$1401.305(c)(2), or you otherwise learn of the conviction. Your notification to the Federal agencies must—

(1) Be in writing;

(2) Include the employee's position title;

(3) Include the identification number(s) of each affected award;

(4) Be sent within ten calendar days after you learn of the conviction; and

(5) Be sent to every Federal agency on whose award the convicted employee was working. It must be sent to every awarding official or his or her official designee, unless the Federal agency has specified a central point for the receipt of the notices.

(b) Second, within 30 calendar days of learning about an employee's conviction, you must either—

(1) Take appropriate personnel action against the employee, up to and includ-

ing termination, consistent with the requirements of the Rehabilitation Act of 1973, 29 U.S.C. 794, as amended; or

(2) Require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for these purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

#### §1401.330 How and when must I identify workplaces?

(a) You must identify all known workplaces under each DOI award. A failure to do so is a violation of your drug-free workplace requirements. You may identify the workplaces—

(1) To the DOI official that is making the award, either at the time of application or upon award; or

(2) In documents that you keep on file in your offices during the performance of the award, in which case you must make the information available for inspection upon request by DOI officials or their designated representatives.

(c) If you identified workplaces to the DOI awarding official at the time of application or award, as described in paragraph (a)(1) of this section, and any workplace that you identified changes during the performance of the award, you must inform the DOI awarding official.

#### §1401.335 Whom in the DOI does a recipient other than an individual notify about a criminal drug conviction?

The DOI is not designating a central location for the receipt of these reports. Therefore you shall provide this report to every grant officer, or other designee within a bureau or office of the Department on whose grant activity the convicted employee was working.

# Subpart D—Requirements for Recipients Who Are Individuals

#### §1401.400 What must I do to comply with this part if I am an individual recipient?

A recipient other than an individual is in violation of the requirements of this part if the Director, PAM determines, in writing, that—

(a) The recipient has violated the requirements of subpart B of this part; or

(b) The number of convictions of the recipient's employees for violating criminal drug statutes in the workplace is large enough to indicate that the recipient has failed to make a good faith effort to provide a drug-free workplace.

# Subpart C—Pre-Federal Award Requirements and Contents of Federal Awards

# § 1402.204 What are the merit review requirements for competitive awards?

The requirements in this section apply to competitive grants and cooperative agreements unless otherwise authorized by Federal statute. Merit review procedures must be described or incorporated by reference in NOFOs (see 2 CFR part 200, appendix I, and 2 CFR 200.203). Pre-award considerations for both discretionary competitive and noncompetitive awards shall take into account the alignment of the award's purpose, goals, and measurement with the current DOI Government Performance and Results Act Strategic Plan including, the mission statement, vision, values, goals, objectives, strategies, and performance metrics therein, unless otherwise prohibited by statute.

(a) Competition in grant and cooperative agreement awards. Competition is expected in awarding discretionary funds, unless otherwise directed by Congress. When grants and cooperative agreements are awarded competitively, DOI requires that the competitive process be fair and impartial, that all applicants be evaluated only on the criteria stated in the announcement, and that no applicant receive an unfair competitive advantage. All competitive funding announcements, and all modifications/amendments to those announcements, must be posted on Grants.gov (www.grants.gov).

(b) Independent objective evaluation of financial assistance applications and proposals. Bureaus and offices must conduct reviews of applications submitted in response to the announcement and for selecting applicants for award following established merit review procedures. Bureaus and offices must conduct comprehensive, impartial, and objective review of applications based on the criteria contained in the announcement by individuals who have no conflicts of interest with respect to the

### Department of the Interior

competing proposal/applications or applicants. Bureaus and offices must ensure reviewers are qualified, applications are scored on the basis of announced criteria, consideration is given to the level of applicant risk and past performance, applications are ranked, and funding determinations are made.

(c) Evaluation and Selection Plan for notice of funding opportunities. Bureaus and offices must develop an Evaluation and Selection Plan in concert with the notice of funding opportunity to ensure consistency, and to outline and document the selection process. The Evaluation and Selection Plan should be finalized prior to the release of the notice of funding opportunity. An Evaluation and Selection Plan is comprised of five basic elements:

(1) Merit review factors and sub-factors;

(2) A rating system (*e.g.*, adjectival, color coding, numerical, or ordinal);

(3) Evaluation standards or descriptions that explain the basis for assignment of the various rating system grades/scores;

(4) Program policy factors; and

(5) The basis for selection.

(d) Basic review standards. Bureaus and offices must initially screen applications/proposals to ensure that they meet the standards in paragraphs (e) through (g) of this section before they are subjected to a detailed evaluation utilizing a merit review process specified in paragraph (h) of this section. The review system should include three phases: Initial Screening, Threshold Screening, and a Merit Review Evaluation Screening. Bureaus and offices may remove an application from funding consideration if it does not pass the basic eligibility screening per paragraphs (e) through (g) of this section.

(e) Completeness. Bureaus and offices may return applications/proposals that are incomplete or otherwise fail to the requirements meet of the Grants.gov announcement to the applicant to be corrected, modified, or supplemented, or may reject the application/proposal outright. Until the application/proposal meets the substantive requirements of the announcement and this part, it shall not be given detailed evaluation. Bureaus and offices may use discretion to determine the length

of time for applicants to resolve application deficiencies.

(f) *Timeliness*. Bureaus and offices must consider the timeliness of the application submission. Applications that are submitted beyond the announced deadline date must be removed from the review process.

(g) Threshold Screening. Bureaus and offices are responsible for screening applications and proposals for the adequacy of the budget and compliance with statutory and other requirements. The SF-424 and budget information (SF-424A, SF-424C, or OMB-approved alternate budget data collection) must be reviewed according to Department of the Interior policy.

(h) Merit Review Evaluation Screening. This is the final review stage where the technical merit of the application/proposal is reviewed. In the absence of a program rule or statutory requirement, program officials shall develop criteria that include all aspects of technical merit. Bureaus and offices shall develop criteria that are conceptually independent of each other, but all-encompassing when taken together. While criteria will vary, the basic criteria shall focus reviewers' attention on the project's underlying merit (i.e., significance, approach, and feasibility). The criteria shall focus not only on the technical details of the proposed project but also on the broader importance or potential impact of the project. The criteria shall be easily understood.

(i) Risk assessments. Bureaus and offices must also consider risk thresholds during application/proposal review process. Elements to be considered may include organization; single audit submissions, past performance; availability of necessary resources, equipment, or facilities; financial strength and management capabilities; and procurement procedures; or procedures for selecting and monitoring subrecipients or sub-vendors, if applicable. For all non-Federal entities that receive an award, the Financial Assistance Officer must document the risk analysis.

(j) Requirements for proposal evaluators. Upon receipt of a Memorandum of Appointment, each proposal evaluator and advisor must sign and return a Conflict of Interest Certificate to the

Financial Assistance Officer. If an actual or potential conflict of interest exists, the appointee may not evaluate or provide advice on a potential applicant's proposal until the conflict has been resolved or mitigated. Further, each proposal evaluator or advisor must agree to comply with any notice or limitation placed on the application. Upon completion of the review, the proposal evaluator or advisor shall return or destroy all copies of the application and accompanying proposals (or abstracts) to DOI; and unless authorized by the Financial Assistance Officer or agency designee, the reviewer shall not contact the non-Federal entity concerning any aspect of the application.

Bureaus and offices must ensure recipients receive written notification of those reporting requirements, including reporting frequency/schedule, report content requirements, and submission instructions, at the time of award.

(2) If the interest in the land will be held for less than 15 years, reports must be submitted annually. If the interest in the land will be held for 15 years or more, then the recipient must submit the first report within one year of the period of performance end date of the award and then, at a minimum, every five years thereafter.

(3) The reports must be submitted to the Financial Assistance Officer within the period of performance of the award. After the end of the period of performance, reports must be submitted to a designated individual. Each bureau must have a process in place to designate specific individuals to receive, and review and accept the report.

§1402.329

# §§ 1402.330-1402.413

(4) Recipients must use the OMB-approved governmentwide data elements for collection of real property reporting information, as of October 29, 2019, the Real Property Status Report Standard Form (SF) 429-A, General Reporting, to report status of land or interests in land under Federal financial assistance awards. Bureaus or offices may request to use an equivalent reporting format. The Director, Office of Grants Management must approve alternate equivalent formats.

(5) Reports must include, at a minimum, sufficient information to demonstrate that all conditions imposed on the land use are being met, and a signed certification to that fact by the recipient of the financial assistance award.

(6) The Financial Assistance Officer must indicate the reporting schedule, including due dates, in the award document. The schedule must conform with the frequency required in paragraph (d)(2) of this section. For awards issued prior to October 29, 2019, the recipient must contact the program to establish due dates for reports going forward. If there is already a reporting schedule in place, then the recipient and the program shall ensure that the schedule is updated to conform with this part prior to the due date of the next scheduled report.

#### §§1402.330-1402.413 [Reserved]

#### §1402.414 What are the negotiated indirect cost rate deviation policies?

(a) This section establishes DOI policies, procedures, and decision making criteria for using an indirect cost rate that differs from the non-Federal entity's negotiated rate or approved rate for DOI awards. These are established in accordance with 2 CFR 200.414(c)(3) or (f).

(b) DOI accepts indirect cost rates that have been reduced or removed voluntarily by the proposed recipient of the award, on an award-specific basis.

(c) For all deviations to the Federal negotiated indirect cost rate, including statutory, regulatory, programmatic, and voluntary, the basis of direct costs against which the indirect cost rate is applied must be: 2 CFR Ch. XIV (1–1–22 Edition)

(1) The same base identified in the recipient's negotiated indirect cost rate agreement, if the recipient has a federally negotiated indirect cost rate agreement; or

(2) The Modified Total Direct Cost (MTDC) base, in cases where the recipient does not have a federally negotiated indirect cost rate agreement or, with prior approval of the awarding bureau or office, when the recipient's federally negotiated indirect cost rate agreement base is only a subset of the MTDC (such as salaries and wages) and the use of the MTDC still results in an overall reduction in the total indirect cost recovered. MTDC is the base defined by 2 CFR 200.68, Modified Total Direct Cost (MTDC).

(d) In cases where the recipient does not have a federally negotiated indirect cost rate agreement, DOI will not use a modified rate based upon total direct cost or other base not identified in the federally negotiated indirect cost rate agreement or defined within 2 CFR 200.68.

(1) Indirect cost rate deviation required by statute or regulation. In accordance with 2 CFR 200.414(c)(1), a Federal agency must use a rate other than the Federal negotiated rate where required by Federal statute or regulation. For such instances within DOI, the official award file must document the specific statute or regulation that required the deviation.

(2) Indirect cost rate reductions used as cost-share. Instances where the recipient elects to use a rate lower than the federally negotiated indirect cost rate, and uses the balance of the unrecovered indirect costs to meet a cost-share or matching requirement required by the program and/or statute, are not considered a deviation from 2 CFR 200.414(c), as the federally negotiated indirect cost rate is being applied under the agreement in order to meet the terms and conditions of the award.

(3) Programmatic indirect cost rate deviation approval process. Bureaus and offices with DOI approved deviations in place prior to October 29, 2019 are not required to resubmit those for reconsideration following the procedures in this paragraph (d)(3). The following requirements apply for review, approval,

#### Department of the Interior

and posting of programmatic indirect cost rate waivers:

(i) *Program qualifications*. Programs that have instituted a program-wide requirement and governance process for deviations from federally negotiated indirect cost rates may qualify for a programmatic deviation approval.

(ii) Deviation requests. Deviation requests must be submitted by the responsible senior program manager to the DOI Office of Grants Management. The request for deviation approval must include a description of the program, and the governance process for negotiating and/or communicating to recipients the indirect cost rate requirements under the program. The program must make its governance documentation, rate deviations, and other program information publicly available.

(iii) *Approvals.* Programmatic deviations must be approved, in writing, by the Director, Office of Grants Management. Approved deviations will be made publicly available. §§ 1402.415–1402.499

(4) Voluntary indirect cost rate reduc*tion*. On any single award, an applicant and/or proposed recipient may elect to reduce or eliminate the indirect cost rate applied to costs under that award. The election must be voluntary and cannot be required by the awarding official, NOFO, program, or other nonstatutory or non-regulatory requirements. For these award-specific and voluntary reductions, DOI can accept the lower rate provided the notice of award clearly documents the recipient's voluntary election. Once DOI has accepted the lower rate, that rate will apply for the duration of the award.

(5) Unrecovered indirect costs. In accordance with 2 CFR 200.405, indirect costs not recovered due to deviations to the federally negotiated rate are not allowable for recovery via any other means.

(1) Rebates or other subsidies provided to program participants for purchases and installations of commercially available, standard ("off the shelf") pollution control equipment or low emission vehicles under the Diesel Emission Reduction Act program or programs authorized by EPA appropriation acts and permitted by terms specified in EPA assistance agreements or guidance, when the program participant rather than the recipient owns the equipment.

(2) Subsidies, rebates, and other payments provided to program beneficiaries to encourage participation in statutorily authorized programs to encourage environmental stewardship and enable the public to participate in EPA funded research, pollution abatement, and other projects or programs to the extent permitted by statutes and terms specified in EPA assistance agreements or guidance.

# Subpart B—General Provisions

#### §1500.2 Adoption of 2 CFR Part 200.

Under the authority listed above the Environmental Protection Agency adopts the Office of Management and Budget (OMB) guidance Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards to Non-Federal Entities (subparts A through F of 2 CFR part 200), as supplemented by this part, as the Environmental Protection Agency (EPA) policies and procedures for financial assistance administration. #### §1500.3 Applicability.

(a) Uniform administrative requirements and cost principles (subparts A through E of 2 CFR part 200 as supplemented by this part) apply to foreign public entities or foreign organizations, except where EPA determines that the application of this part would be inconsistent with the international obligations of the United States or the statutes or regulations of a foreign government.

(b) Requirements for subrecipient monitoring and management at 2 CFR 200.331 through 200.333 do not apply to loan, loan guarantees, interest subsidies and principal forgiveness, purchases of insurance or local government debt or similar transactions with borrowers by recipients of Clean Water State Revolving Fund (CWSRF) capitalization grants and Drinking Water State Revolving Fund (DWSRF) capitalization grants. Requirements for reporting subaward and executive compensation in 2 CFR part 170 and internal controls described at 2 CFR 200.303 continue to apply to CWSRF and DWSRF grant recipients and borrowers.

#### §1500.8 Program income.

(a) *Governmental revenues*. Permit fees are governmental revenue and not program income. (See 2 CFR 200.307(c)).

(b) Use of program income. The default use of program income for EPA awards is addition even if the amount of program income the non-Federal entity generates exceeds the anticipated amount at time of the award of the assistance agreement. Unless the terms of the agreement provide otherwise, recipients may deduct costs incidental to the generation of program income from gross income to determine program income, provided these costs have not been charged to any Federal award. (See 2 CFR 200.307(b)). The program income shall be used for the purposes and under the conditions of the assistance agreement. (See 2 CFR 200.307(e)(2)).

(c) Brownfields Revolving Loan. (d) Other revolving loan programs. Recipients of EPA funding for other revolving loan fund programs may use EPA grant funding prior to using program income funds generated by the revolving loan fund. Recipients may also keep program income at the end of the assistance agreement as long as they use these funds to continue to operate the revolving loan fund or some other authorized purpose as outlined in their closeout agreement. Expenses more than 90 calendar days pre-award require prior approval of EPA. All costs incurred before EPA makes the award are at the recipient's risk. EPA is under no obligation to reimburse such costs if for any reason the recipient does not receive a Federal award or if the Federal award is less than anticipated and inadequate to cover such costs.

#### PROCUREMENT STANDARDS

# §1500.10 General procurement standards.

(a) EPA will limit its participation in the salary rate (excluding overhead) paid to individual consultants retained by recipients, and their contractors or subcontractors to the maximum daily rate for level 4 of the Executive Schedule unless a greater amount is authorized by law. (These non-Federal entities may, however, pay consultants more than this amount with non-EPA funds.) The limitation in this paragraph (a) applies to consultation services of designated individuals with specialized skills who are paid at a daily or hourly rate. This rate does not include transportation and subsistence costs for travel performed; recipients will pay these in accordance with their normal travel reimbursement practices.

(b) All contracts between recipients and subrecipients and individual consultants are subject to the procurement standards in subpart D of 2 CFR part 200. Contracts or subcontracts with multi-employee firms for consulting services are not affected by the limitation in paragraph (a) of this section provided the contractor or subcontractor rather than the recipient or subrecipient selects, directs and controls individual employees providing consulting services.

(c) Borrowers under EPA revolving loan fund capitalization grant programs are not subject to paragraphs (a) and (b) of this section.

[85 FR 61574, Sept. 30, 2020]

# §1500.11 Use of the same architect or engineer during construction.

(a) If the recipient is satisfied with the qualifications and performance of the architect or engineer who provided any or all of the facilities planning or design services for a waste-water treatment works project and wishes to retain that firm or individual during construction of the project, it may do so without further public notice and evaluation of qualifications, provided:

(1) The recipient received a facilities planning (Step 1) or design grant (Step 2), and selected the architect or engineer in accordance with EPA's procurement regulations in effect when EPA awarded the grant; or

(2) The award official approves noncompetitive procurement under 2 CFR 200.320(f) for reasons other than simply using the same individual or firm that provided facilities planning or design services for the project; or

(3) The recipient attests that:

(i) The initial request for proposals clearly stated the possibility that the firm or individual selected could be awarded a subaward for services during construction; and

(ii) The firm or individual was selected for facilities planning or design services in accordance with procedures specified in this section.

(iii) No employee, officer or agent of the recipient, any member of their immediate families, or their partners have financial or other interest in the firm selected for award; and

(iv) None of the recipient's officers, employees or agents solicited or accepted gratuities, favors or anything of monetary value from contractors or other parties to subawards.

(b) However, if the recipient uses the procedures in paragraph (a) of this section to retain an architect or engineer, any Step 3 subawards between the architect or engineer and the grantee must meet all of the other procurement provisions in 2 CFR 200.317 through 200.326.

#### §1500.14 Definitions.

As used in this subpart:

(a) Action Official (AO) is the EPA official who authors the Agency Decision to the Affected Entity regarding a preaward or post-award matter.

(b) Affected Entity is an entity that applies for and/or receives Federal financial assistance from EPA including but not limited to: State and local governments, Indian Tribes, Intertribal Consortia, Institutions of Higher Education, Hospitals, and other Non-profit Organizations, and Individuals.

(c) Agency Decision is the agency's initial pre-award or post-award assistance agreement determination that may be disputed in accordance with this subpart. The Agency Decision is sent by the Action Official (AO) to the Affected Entity electronically and informs them of their dispute rights and identifies the Dispute Decision Difficial (DDO). An Agency Decision based on audit findings serves as EPA's Management decision as defined in 2 CFR part 200.1.

(d) *Dispute* is a disagreement by an Affected Entity with a specific Agency Decision submitted to the DDO in accordance with this subpart.

(e) *Dispute Decision Official (DDO)* is the designated agency official responsible for issuing a decision resolving a Dispute.

(1) The DDO for a Headquarters Dispute is the Director of the Grants and Interagency Agreement Management Division in the Office of Grants and Debarment or designee. To provide for a fair and impartial review, the AO for the challenged Agency Decision may not serve as the Headquarters DDO.

# § 1500.15

(2) The DDO for a Regional Assistance Agreement Dispute is the Regional Administrator or the official designated by the Regional Administrator to issue the written decision resolving the Dispute. To provide for a fair and impartial review, the AO for the challenged Agency Decision may not serve as the Regional DDO.

(f) *Review Official* is the EPA official responsible for issuing a decision resolving an Affected Entity's request for review of a DDO's Appeal decision.

(1) For a Headquarters DDO Appeal decision, the Review Official is the Director of the Office of Grants and Debarment or designee.

(2) For a Regional DDO Appeal decision, the Review Official is the Regional Administrator or designee.

[79 FR 76050, Dec. 19, 2014. Redesignated at 85 FR 61573, Sept. 30, 2020; 85 FR 61574, Sept. 30, 2020]

#### §1500.15 Submission of Dispute.

An Affected Entity or its authorized representative may dispute an Agency Decision by electronically submitting a Dispute to the DDO identified in the Agency Decision. In order for the DDO to consider the Dispute, it must satisfy the following requirements:

(a) Timeliness. The DDO must receive the Dispute no later than 30 calendar days from the date the Agency Decision is electronically sent to the Affected Entity. The DDO will dismiss any Dispute received after the 30-day period unless the DDO grants an extension of time to submit the Dispute. The Affected Entity must submit a written request for extension to the DDO before the expiration of the 30-day period. The DDO may grant a one-time extension of up to 30 calendar days when justified by the situation, which may include the unusual complexity of the Dispute or because of exigent circumstances.

(b) *Method of submission*. The Affected Entity must submit the Dispute electronically via email to the DDO, with a copy to the AO, using the email addresses specified in the Agency Decision within the 30-day period stated in paragraph (a) of this section.

(c) *Contents of Dispute*. The Dispute submitted to the DDO must include:

# 2 CFR Ch. XV (1–1–22 Edition)

(1) A copy of the disputed Agency Decision;

(2) A detailed statement of the specific legal and factual grounds for the Dispute, including copies of any supporting documents;

(3) The specific remedy or relief the Affected Entity seeks under the Dispute; and

(4) The name and contact information, including email address, of the Affected Entity's designated point of contact for the Dispute.

[85 FR 61575, Sept. 30, 2020]

#### §1500.16 Notice of receipt of Dispute to Affected Entity.

Within 15 calendar days of receiving the Dispute, the DDO will provide the Affected Entity a written notice, sent electronically, acknowledging receipt of the Dispute.

(a) *Timely Disputes*. If the Dispute was timely submitted, the notice of acknowledgement may identify any additional information or documentation that is required for a thorough consideration of the Dispute. The notice should provide no more than 30 calendar days for the Affected Entity to provide the requested information. If it is not feasible to identify such information or documentation in the notice the DDO may request it at a later point in time prior to issuance of the Dispute decision.

(b) Untimely Disputes. If the DDO did not receive the Dispute within the required 30-day period, or any extension of it, the DDO will notify the Affected Entity that the Dispute is being dismissed as untimely and the Agency Decision of the AO becomes final. The dismissal of an untimely Dispute constitutes the final agency action. In appropriate circumstances, the DDO may, as a matter of discretion, consider an untimely Dispute if doing so would be in the interests of fairness and equity.

[85 FR 61575, Sept. 30, 2020]

#### §1500.17 Determination of Dispute.

(a) In determining the merits of the Dispute, the DDO will consider the record related to the Agency Decision, any documentation that the Affected Entity submits with its Dispute, any additional documentation submitted

by the Affected Entity in response to the DDO's request under §1500.16(a), and any other information the DDO determines is relevant to the Dispute provided the DDO gives notice of that information to the Affected Entity. The Affected Entity may not on its own initiative submit any additional documents except in the support of a request for reconsideration under paragraph (c) of this section.

(b) The DDO will issue the Dispute decision within 180 calendar days from the date the Dispute is received by the DDO unless a longer period is necessary based on the complexity of the legal, technical, and factual issues presented. The DDO will notify the Affected Entity if the expected decision will not be issued within the 180-day period and if feasible will indicate when the decision is expected to be issued. The DDO will issue the Dispute decision electronically and advise the Affected Entity of procedures for requesting reconsideration. The DDO's decision will constitute the final agency action unless the Affected Entity electronically petitions the DDO for reconsideration within 15 calendar days of issuance of the DDO Decision. The Affected Entity must include a detailed statement of the factual and legal grounds warranting reversal or modification of the DDO decision. In addition, the Affected Entity may submit additional documents that were not previously provided to the DDO.

(c) If a petition for reconsideration is submitted, the DDO's will advise the Affected Entity within 15 calendar days of receipt of the petition whether the DDO Decision will be reconsidered. The DDO will issue this determination electronically. DDO's will only grant a reconsideration petition if the Affected Entity provides relevant and material evidence that was not available to the Affected Entity at the time the Dispute was submitted or to correct a clear and prejudicial error of fact or law. Denial of a petition for reconsideration constitutes final agency action and the DDO will advise the Affected Entity of the reasons for denying the reconsideration in writing.

(d) If the DDO grants a reconsideration petition, the DDO will issue a revised DDO Decision within 30 calendar days of acceptance of the reconsideration petition unless a longer period is necessary based on the complexity of the legal, technical, and factual issues presented. The DDO will issue the revised DDO Decision electronically. The revised DDO Decision and any new material considered by the DDO in making the revised DDO Decision will become part of the record of the Dispute. The revised DDO Decision will constitute final agency action.

(e) The DDO may consider untimely filed reconsideration petitions only if necessary, to correct a DDO Decision that is manifestly unfair and inequitable in light of relevant and material evidence that the Affected Entity could not have discovered during the 30-day period for petitioning for reconsideration. This evidence must be submitted within six months of the date of the DDO Decision. The DDO will advise the Affected Entity within 30 days of receipt of an untimely filed reconsideration petition whether the DDO will accept the petition. Denial of an untimely filed reconsideration petition constitutes final agency action.

#### §1532.10 What does this part do?

This part adopts the Office of Management and Budget (OMB) guidance in subparts A through I of 2 CFR part 180, as supplemented by this part, as the Environmental Protection Agency (EPA) policies and procedures for nonprocurement debarment and suspension. It thereby gives regulatory effect for the EPA to the OMB guidance as supplemented by this part. This part satisfies the requirements in section 3 of Executive Order 12549, "Debarment and Suspension" (3 CFR 1986 Comp., p. 189), Executive Order 12689, "Debarment and Suspension" (3 CFR 1989 Comp., p. 235) and 31 U.S.C. 6101 note (Section 2455, Pub. L. 103-355, 108 Stat. 3327).

#### §1532.20 Does this part apply to me?

This part and, through this part, pertinent portions of the OMB guidance in subparts A through I of 2 CFR part 180 (see table at 2 CFR 180.100(b)) apply to you if you are a—

(a) Participant or principal in a "covered transaction" (see subpart B of 2 CFR part 180 and the definition of "nonprocurement transaction" at 2 CFR 180.970;

(b) Respondent in an EPA suspension or debarment action;

(c) EPA debarment or suspension official; or

(d) EPA grants officer, agreements officer, or other official authorized to enter into any type of nonprocurement transaction that is a covered transaction.

# §1532.30 What policies and procedures must I follow?

The EPA policies and procedures that you must follow are the policies and procedures specified in each applicable section of the OMB guidance in subparts A through I of 2 CFR part 180, as that section is supplemented by the section in this part with the same section number. The contracts that are covered transactions, for example, are specified by section 220 of the OMB guidance (i.e., 2 CFR 180.220) as supplemented by section 220 in this part (i.e., §1532.220). For any section of OMB guidance in subparts A through I of 2 CFR 180 that has no corresponding section in this part, EPA policies and procedures are those in the OMB guidance.

# Subpart A—General

#### §1532.137 Who in the EPA may grant an exception to let an excluded person participate in a covered transaction?

The EPA Debarring Official has the authority to grant an exception to let an excluded person participate in a covered transaction, as provided in the OMB guidance at 2 CFR 180.135. If the EPA Debarring Official grants an exception, the exception must be in writing and state the reason(s) for deviating from the governmentwide policy in Executive Order 12549.

# Subpart B—Covered Transactions

#### § 1532.220 What contracts and subcontracts, in addition to those listed in 2 CFR 180.220, are covered transactions?

In addition to the contracts covered under 2 CFR 180.220(b) of the OMB guidance, this part applies to any contract, regardless of tier, that is awarded by a contractor, subcontractor, supplier, consultant, or its agent or representa-

tive in any transaction, if the contract is to be funded or provided by the EPA under a covered nonprocurement transaction and the amount of the contract is expected to equal or exceed \$25,000. This extends the coverage of the EPA nonprocurement suspension and debarment requirements to all lower tiers of subcontracts under covered nonprocurement transactions, as permitted under the OMB guidance at 2 CFR 180.220(c) (see optional lower tier coverage in the figure in the appendix to 2 CFR part 180).

# Subpart C—Responsibilities of Participants Regarding Transactions

#### §1532.332 What methods must I use to pass requirements down to participants at lower tiers with whom I intend to do business?

You as a participant must include a term or condition in lower-tier transactions requiring lower-tier participants to comply with subpart C of the OMB guidance in 2 CFR part 180, as supplemented by this subpart.

# Subpart D—Responsibilities of Federal Agency Officials Regarding Transactions

#### §1532.437 What method do I use to communicate to a participant the requirements described in the OMB guidance at 2 CFR 180.435?

To communicate to a participant the requirements described in 2 CFR 180.435 of the OMB guidance, you must include a term or condition in the transaction that requires the participant's compliance with subpart C of 2 CFR part 180, as supplemented by subpart C of this part, and requires the participant to include a similar term or condition in lower-tier covered transactions.

# Subparts E-F [Reserved]

# Subpart G—Suspension

# §1532.765 How may I appeal my EPA suspension?

(a) If the EPA suspending official issues a decision under 2 CFR 180.755 to continue your suspension after you

present information in opposition to that suspension under 2 CFR 180.720, you can ask for review of the suspending official's decision in two ways:

(1) You may ask the suspending official to reconsider the decision for material errors of fact or law that you believe will change the outcome of the matter; and/or

(2) You may request the Director. Office of Grants and Debarment (OGD Director), to review the suspending official's decision to continue your suspension within 30 days of your receipt of the suspending official's decision under 2 CFR 180.755 or paragraph (a)(1) of thissection. However, the OGD Director can reverse the suspending official's decision only where the OGD Director finds that the decision is based on a clear error of material fact or law, or where the OGD Director finds that the suspending official's decision was arbitrary, capricious, or an abuse of discretion.

(b) A request for review under this section must be in writing; state the specific findings you believe to be in error; and include the reasons or legal bases for your position.

(c) A review under paragraph (a)(2) of this section is solely within the discretion of the OGD Director who may also stay the suspension pending review of the suspending official's decision.

(d) The EPA suspending official and the OGD Director must notify you of their decisions under this section, in writing, using the notice procedures at 2 CFR 180.615 and 180.975.

# Subpart H—Debarment

# §1532.890 How may I appeal my EPA debarment?

(a) If the EPA debarring official issues a decision under 2 CFR 180.870 to debar you after you present information in opposition to a proposed debarment under 2 CFR 180.815, you can ask for review of the debarring official's decision in two ways:

(1) You may ask the debarring official to reconsider the decision for material errors of fact or law that you believe will change the outcome of the matter; and/or

(2) You may request the Director, Office of Grants and Debarment (OGD Di-

2 CFR Ch. XV (1-1-22 Edition)

rector), to review the debarring official's decision to debar you within 30 days of your receipt of the debarring official's decision under 2 CFR 180.870 or paragraph (a)(1) of this section. However, the OGD Director can reverse the debarring official's decision only where the OGD Director finds that the decision is based on a clear error of material fact or law, or where the OGD Director finds that the debarring official's decision was arbitrary, capricious, or an abuse of discretion.

(b) A request for review under this section must be in writing; state the specific findings you believe to be in error; and include the reasons or legal bases for your position.

(c) A review under paragraph (a)(2) of this section is solely within the discretion of the OGD Director who may also stay the debarment pending review of the debarring official's decision.

(d) The EPA debarring official and the OGD Director must notify you of their decisions under this section, in writing, using the notice procedures at 2 CFR 180.615 and 180.975.

#### Subpart I—Definitions

#### §1532.995 Principal (EPA supplement to government-wide definition at 2 CFR 180.995).

In addition to those listed in 2 CFR 180.995, other examples of individuals who are principals in EPA covered transactions include:

(a) Principal investigators;

(b) Technical or management consultants;

(c) Individuals performing chemical or scientific analysis or oversight;

(d) Professional service providers such as doctors, lawyers, accountants, engineers, etc.;

(e) Individuals responsible for the inspection, sale, removal, transportation, storage or disposal of solid or hazardous waste or materials;

(f) Individuals whose duties require special licenses;

(g) Individuals that certify, authenticate or authorize billings; and

(h) Individuals that serve in positions of public trust.

# Subpart J—Statutory Disqualification and Reinstatement Under the Clean Air Act and Clean Water Act

# §1532.1100 What does this subpart do?

This subpart explains how the EPA administers section 306 of the Clean Air Act (CAA) (42 U.S.C. 7606) and section 508 of the Clean Water Act (CWA) (33 U.S.C. 1368), which disqualify persons convicted for certain offenses under those statutes (see §1532.1105), from eligibility to receive certain contracts, subcontracts, assistance, loans and other benefits (see coverage under the Federal Acquisition Regulation (FAR), 48 CFR part 9. subpart 9.4 and subparts A through I of 2 CFR part 180). It also explains: the procedures for seeking reinstatement of a person's eligibility under the CAA or CWA; the criteria and standards that apply to EPA's decision-making process; and requirements of award officials and others involved in Federal procurement and nonprocurement activities in carrying out their responsibilities under the CAA and CWA.

#### §1532.1105 Does this subpart apply to me?

(a) Portions of this subpart apply to you if you are convicted, or likely to be convicted, of any offense under section 7413(c) of the CAA or section 1319(c) of the CWA.

(b) Portions of this subpart apply to you if you are the EPA debarring official, a Federal procurement or nonprocurement award official, a participant in a Federal procurement or nonprocurement program that is precluded from entering into a covered transaction with a person disqualified under the CAA or CWA, or if you are a Federal department or agency anticipating issuing an exception to a person otherwise disqualified under the CAA or CWA.

#### §1532.1110 How will a CAA or CWA conviction affect my eligibility to participate in Federal contracts, subcontracts, assistance, loans and other benefits?

If you are convicted of any offense described in §1532.1105, you are automatically disqualified from eligibility

to receive any contract, subcontract, assistance, sub-assistance, loan or other nonprocurement benefit or transaction that is prohibited by a Federal department or agency under the Governmentwide debarment and suspension system (i.e. covered transactions under subpart A through I of 2 CFR part 180, or prohibited awards under 48 CFR part 9, subpart 9.4), if you:

(a) Will perform any part of the transaction or award at the facility giving rise to your conviction (called the violating facility); and

(b) You own, lease or supervise the violating facility.

#### §1532.1115 Can the EPA extend a CAA or CWA disqualification to other facilities?

The CAA specifically authorizes the EPA to extend a CAA disqualification to other facilities that are owned or operated by the convicted person. The EPA also has authority under subparts A through I of 2 CFR part 180, or under 48 CFR part 9, subpart 9.4, to take discretionary suspension and debarment actions on the basis of misconduct leading to a CAA or CWA conviction, or for activities that the EPA debarring official believes were designed to improperly circumvent a CAA or CWA disqualification.

# §1532.1120 What is the purpose of CAA or CWA disqualification?

As provided for in Executive Order 11738 (3 CFR, 1973 Comp., p. 799), the purpose of CAA and CWA disqualification is to enforce the Federal Government's policy of undertaking Federal procurement and nonprocurement activities in a manner that improves and enhances environmental quality by promoting effective enforcement of the CAA or CWA.

# §1532.1125 How do award officials and others know if I am disqualified?

If you are convicted under these statutes, the EPA enters your name and address and that of the violating facility into the Excluded Parties List System (EPLS) as soon as possible after the EPA learns of your conviction. In addition, the EPA enters other information describing the nature of your disqualification. Federal award officials and others who administer Federal programs consult the EPLS before entering into or approving procurement and nonprocurement transactions. Anyone may access the EPLS through the internet, currently at *http://www.epls.gov.* 

#### §1532.1130 How does disqualification under the CAA or CWA differ from a Federal discretionary suspension or debarment action?

(a) CAA and CWA disqualifications are exclusions mandated by statute. In contrast, suspensions and debarments imposed under subparts A through I of 2 CFR part 180 or under 48 CFR part 9, subpart 9.4, are exclusions imposed at the discretion of Federal suspending or debarring officials. This means that if you are convicted of violating the CAA or CWA provisions described under §1532.1105, ordinarily your name and that of the violating facility is placed into the EPLS before you receive a confirmation notice of the listing, or have the opportunity to discuss the disqualification with, or seek reinstatement from, the EPA.

(b) CAA or CWA disqualification applies to both the person convicted of the offense, and to the violating facility during performance of an award or covered transaction under the Federal procurement and nonprocurement suspension and debarment system. It is the EPA's policy to carry out CAA and CWA disqualifications in a manner which integrates the disqualifications into the Governmentwide suspension and debarment system. Whenever the EPA determines that the risk presented to Federal procurement and nonprocurement activities on the basis of the misconduct which gives rise to a person's CAA or CWA conviction exceeds the coverage afforded by mandatory disqualification, the EPA may use its discretionary authority to suspend or debar a person under subparts A through I of 2 CFR part 180, or under 48 CFR part 9, subpart 9.4.

#### §1532.1135 Does CAA or CWA disqualification mean that I must remain ineligible?

You must remain ineligible until the EPA debarring official certifies that the condition giving rise to your con2 CFR Ch. XV (1-1-22 Edition)

viction has been corrected. If you desire to have your disqualification terminated, you must submit a written request for reinstatement to the EPA debarring official and support your request with persuasive documentation. For information about the process for reinstatement see §\$1532.1205 and 1532.1300.

#### §1532.1140 Can an exception be made to allow me to receive an award even though I may be disqualified?

(a) After consulting with the EPA debarring official, the head of any Federal department or agency (or designee) may exempt any particular award or a class of awards with that department or agency from CAA or CWA disqualification. In the event an exemption is granted, the exemption must:

(1) Be in writing; and

(2) State why the exemption is in the paramount interests of the United States.

(b) In the event an exemption is granted, the exempting department or agency must send a copy of the exemption decision to the EPA debarring official for inclusion in the official record.

#### §1532.1200 How will I know if I am disqualified under the CAA or CWA?

There may be several ways that you learn about your disqualification. You are legally on notice by the statutes that a criminal conviction the CAA or CWA automatically disqualifies you. As a practical matter, you may learn about your disqualification from your defense counsel, a Federal contract or award official, or from someone else who sees your name in the EPLS. As a courtesy, the EPA will attempt to notify you and the owner, lessor or supervisor of the violating facility that your names have been entered into the EPLS. The EPA will inform you of the procedures for seeking reinstatement and give you the name of a person you can contact to discuss your reinstatement request.

#### § 1532.1205 What procedures must I follow to have my procurement and nonprocurement eligibility reinstated under the CAA or CWA?

(a) You must submit a written request for reinstatement to the EPA debarring official stating what you believe the conditions were that led to your conviction, and how those conditions have been corrected, relieved or addressed. Your request must include documentation sufficient to support all material assertions you make. The debarring official must determine that all the technical and non-technical causes, conditions and consequences of your actions have been sufficiently addressed so that the Government can confidently conduct future business activities with you, and that your future operations will be conducted in compliance with the CAA and CWA.

(b) You may begin the reinstatement process by having informal discussions with the EPA representative named in your notification of listing. Having informal dialogue with that person will make you aware of the EPA concerns that must be addressed. The EPA representative is not required to negotiate conditions for your reinstatement. However, beginning the reinstatement process with informal dialogue increases the chance of achieving a favorable outcome, and avoids unnecessary delay that may result from an incomplete or inadequate reinstatement request. It may also allow you to resolve your disqualification by reaching an agreement with the EPA debarring official under informal procedures. Using your informal option first does not prevent you from submitting a formal reinstatement request with the debarring official at any time.

#### §1532.1210 Will anyone else provide information to the EPA debarring official concerning my reinstatement request?

If you request reinstatement under §1532.1205, the EPA debarring official may obtain review and comment on your request by anyone who may have information about, or an official interest in, the matter. For example, the debarring official may consult with the EPA Regional offices, the Department of Justice or other Federal agencies, or state, tribal or local governments. The EPA debarring official will make sure that you have an opportunity to address important allegations or information contained in the administrative record before making a final decision on your request for reinstatement.

#### § 1532.1215 What happens if I disagree with the information provided by others to the EPA debarring official on my reinstatement request?

(a) If your reinstatement request is based on factual information (as opposed to a legal matter or discretionary conclusion) that is different from the information provided by others or otherwise contained in the administrative record, the debarring official will decide whether those facts are genuinely in dispute, and material to making a decision. If so, a fact-finding proceeding will be conducted in accordance with 2 CFR 180.830 through 180.840, and the debarring official will consider the findings when making a decision on your reinstatement request.

(b) If the basis for your disagreement with the information contained in the administrative record relates to a legal issue or discretionary conclusion, or is not a genuine dispute over a material fact, you will not have a fact-finding proceeding. However, the debarring official will allow you ample opportunity to support your position for the record and present matters in opposition to your continued disqualification. A summary of any information you provide orally, if not already recorded, should also be submitted to the debarring official in writing to assure that it is preserved for the debarring official's consideration and the administrative record.

#### §1532.1220 What will the EPA debarring official consider in making a decision on my reinstatement request?

(a) The EPA debarring official will consider all information and arguments contained in the administrative record in support of, or in opposition to, your request for reinstatement, including any findings of material fact.

(b) The debarring official will also consider any mitigating or aggravating factors that may relate to your conviction or the circumstances surrounding it, including any of those factors that appear in 2 CFR 180.860 that may apply to your situation.

(c) Finally, if disqualification applies to a business entity, the debarring official will consider any corporate or business attitude, policies, practices and procedures that contributed to the events leading to conviction, or that may have been implemented since the date of the misconduct or conviction. You can obtain any current policy directives issued by the EPA that apply to CAA or CWA disqualification or reinstatement by contacting the Office of the EPA Debarring Official, U.S. EPA, Office of Grants and Debarment (3901R), 1200 Pennsylvania Avenue, NW., Washington, DC 20460.

#### §1532.1225 When will the EPA debarring official make a decision on my reinstatement request?

(a) The EPA debarring official will make a decision regarding your reinstatement request under §1532.1205(a), when the administrative record is complete, and he or she can determine whether the condition giving rise to the CAA or CWA conviction has been corrected-usually within 45 days of closing the administrative record.

(b) A reinstatement request is not officially before the debarring official while you are having informal discussions under §1532.1205(b).

#### §1532.1230 How will the EPA debarring official notify me of the reinstatement decision?

The EPA debarring official will notify you of the reinstatement decision in writing, using the same methods for communicating debarment or suspension action notices under 2 CFR 180.615.

#### § 1532.1300 Can I resolve my eligibility status under terms of an administrative agreement without having to submit a formal reinstatement request?

(a) The EPA debarring official may, at any time, resolve your CAA or CWA eligibility status under the terms of an administrative agreement. Ordinarily, the debarring official will not make an offer to you for reinstatement until after the administrative record for decision is complete, or contains enough information to enable him or her to 2 CFR Ch. XV (1-1-22 Edition)

make an informed decision in the matter.

(b) Any resolution of your eligibility status under the CAA or CWA resulting from an administrative agreement must include a certification that the condition giving rise to the conviction has been corrected.

(c) The EPA debarring official may enter into an administrative agreement to resolve CAA or CWA disqualification issues as part of a comprehensive criminal plea, civil or administrative agreement when it is in the best interest of the United States to do so.

#### § 1532.1305 What are the consequences if I mislead the EPA in seeking reinstatement or fail to comply with my administrative agreement?

(a) Any certification of correction issued by the EPA debarring official whether the certification results from a reinstatement decision under §§ 1532.1205(a) and 1532.1230, or from an administrative agreement under §§ 1532.1205(b) and 1532.1300, is conditioned upon the accuracy of the information, representations or assurances made during development of the administrative record.

(b) If the EPA debarring official finds that he or she has certified correction of the condition giving rise to a CAA or CWA conviction or violation on the basis of a false, misleading, incomplete or inaccurate information; or if a person fails to comply with material condition of an administrative agreement, the EPA debarring official may take suspension or debarment action against the person(s) responsible for the misinformation or noncompliance with the agreement as appropriate. If anyone provides false, inaccurate, incomplete or misleading information to EPA in an attempt to obtain reinstatement, the EPA debarring official will refer the matter to the EPA Office of Inspector General for potential criminal or civil action.

#### §1532.1400 How may I appeal a decision denying my request for reinstatement?

(a) If the EPA debarring official denies your request for reinstatement under the CAA or CWA, you can ask for review of the debarring official's decision in two ways:

(1) You may ask the debarring official to reconsider the decision for material errors of fact or law that you believe will change the outcome of the matter; and/ or

(2) You may request the Director, Office of Grants and Debarment (OGD Director), to review the debarring official's denial within 30 days of your receipt of the debarring official's decision under §1532.1230 or paragraph (a)(1) of this section. However, the OGD Director can reverse the debarring official's decision denying reinstatement only where the OGD Director finds that there is a clear error of material fact or law, or where the OGD Director finds that the debarring official's decision was arbitrary, capricious, or an abuse of discretion.

(b) A request for review under this section must be in writing and state the specific findings you believe to be in error and include the reasons or legal bases for your position.

(c) A review under this section is solely within the discretion of the OGD Director.

(d) The OGD Director must notify you of his or her decision under this section, in writing, using the notice procedures at 2 CFR 180.615 and 180.975.

#### §1532.1500 If I am reinstated, when will my name be removed from the EPLS?

If your eligibility for procurement and nonprocurement participation is restored under the CAA or CWA, whether by decision, appeal, or by administrative agreement, the EPA will remove your name and that of the violating facility from the EPLS, generally within 5 working days of your reinstatement.

#### §1532.1600 What definitions apply specifically to actions under this subpart?

In addition to definitions under subpart A through I of 2 CFR part 180 that apply to this part as a whole, the following two definitions apply specifically to CAA and CWA disqualifications under this subpart:

(a) Person means an individual, corporation, partnership, association, state, municipality, commission, or political subdivision of a state, or any interstate body.

(b) Violating facility means any building, plant, installation, structure, mine, vessel, floating craft, location or site of operations that gives rise to a CAA or CWA conviction, and is a location at which or from which a Federal contract, subcontract, loan, assistance award or other covered transactions may be performed. If a site of operations giving rise to a CAA or CWA conviction contains or includes more than one building, plant, installation, structure, mine, vessel, floating craft, or other operational element, the entire location or site of operation is regarded as the violating facility unless otherwise limited by the EPA.

#### §1536.10 What does this part do?

This part requires that the award and administration of Environmental Protection Agency grants and cooperative agreements comply with Office of Management and Budget (OMB) guidance implementing the portion of the Drug-Free Workplace Act of 1988 (41 U.S.C. 701-707, as amended, hereafter referred to as "the Act") that applies to grants. It thereby—

(a) Gives regulatory effect to the OMB guidance (Subparts A through F of 2 CFR part 182) for the Environmental Protection Agency's grants and cooperative agreements; and

(b) Establishes Environmental Protection Agency policies and procedures for compliance with the Act that are the same as those of other Federal agencies, in conformance with the re2 CFR Ch. XV (1–1–22 Edition)

quirement in 41 U.S.C. 705 for Governmentwide implementing regulations.

#### §1536.20 Does this part apply to me?

This part and, through this part, pertinent portions of the OMB guidance in Subparts A through F of 2 CFR part 182 (see table at 2 CFR 182.115(b)) apply to you if you are a—

(a) Recipient of a Environmental Protection Agency grant or cooperative agreement; or

(b) Environmental Protection Agency awarding official.

#### §1536.30 What policies and procedures must I follow?

(a) *General.* You must follow the policies and procedures specified in applicable sections of the OMB guidance in Subparts A through F of 2 CFR part 182, as implemented by this part.

(b) Specific sections of OMB guidance that this part supplements. In implementing the OMB guidance in 2 CFR part 182, this part supplements four sections of the guidance, as shown in the following table. For each of those sections, you must follow the policies and procedures in the OMB guidance, as supplemented by this part.

Section of OMB guidance	Section in this part where supplemented	What the supplementation clarifies
(1) 2 CFR 182.225(a)	§1536.225	Whom in the Environmental Protection Agency a recipient other than an in- dividual must notify if an employee is convicted for a violation of a crimi- nal drug statute in the workolace.
(2) 2 CFR 182.300(b)	§1536.300	Whom in the Environmental Protection Agency a recipient who is an indi- vidual must notify if he or she is convicted of a criminal drug offense re- sulting from a violation occurring during the conduct of any award activity.
(3) 2 CFR 182.500	§1536.500	Who in the Environmental Protection Agency is authorized to determine that a recipient other than an individual is in violation of the requirements of 2 CFR part 182, as implemented by this part.
(4) 2 CFR 182.505	§ 1536.505	Who in the Environmental Protection Agency is authorized to determine that a recipient who is an individual is in violation of the requirements of 2 CFR part 182, as implemented by this part.

(c) Sections of the OMB guidance that this part does not supplement. For any section of OMB guidance in Subparts A through F of 2 CFR part 182 that is not listed in paragraph (b) of this section, Environmental Protection Agency policies and procedures are the same as those in the OMB guidance.

#### §1800.1 Authority.

The National Aeronautics and Space Administration (NASA) awards grants and cooperative agreements under the authority of 51 U.S.C. 20113 (e), the National Aeronautics and Space Act. This part 1800 is issued under the authority of 51 U.S.C. 20113 (e), Pub. L. 97–258, 96 Stat. 1003 (31 U.S.C. 6301 *et seq.*), and 2 CFR part 200.

# §1800.2 Purpose.

This part adopts the Office of Management and Budget (OMB) guidance in subparts A through F of 2 CFR part 200, as supplemented by this part, as the NASA policies and procedures for uniform administrative requirements, cost principles, and audit requirements for Federal awards. It thereby gives regulatory effect for NASA to the OMB guidance as supplemented by this part.

#### §1800.3 Applicability.

(a) This part establishes policies and procedures for grants and cooperative agreements awarded by NASA to non-Federal entities, for-profit organization, foreign organizations, and foreign public entities as allowed by 2 CFR 200.101. For supplemental guidance, NASA has adopted section numbers that correspond to those in the OMB guidance in 2 CFR part 200.

(1) Non-Federal entities must follow the policies and procedures appearing in subparts A through F of 2 CFR part 200 and as supplemented by this part.

(2) Foreign organizations and foreign public entities must follow the policies and procedures appearing in subparts A through E of 2 CFR part 200 and as supplemented by this part.

(3) U.S. and foreign for-profit organizations must follow the policies and procedures appearing in subparts A through D of 2 CFR part 200 and as supplemented by this part. The Federal Acquisition Regulation (FAR) at 48 CFR parts 30 and 31 take precedence over the cost principles in subpart E of 2 CFR part 200 for Federal awards to U.S. and foreign for-profit organizations.

(b) Throughout this part, the term "award" refers to both "grant" and "cooperative agreement" unless otherwise indicated.

(c)(1) In general, research with foreign organizations will not be conducted through grants or cooperative agreements, but instead will be accomplished on a no-exchange-of-funds basis. In these cases, NASA enters into agreements undertaking projects of international scientific collaboration. NASA's policy on performing research with foreign organizations on a no-exchange-of-funds basis is set forth at NASA FAR Supplement (NFS) at 48 CFR 1835.016-70 and 1835.016-72. In rare instances, NASA may enter into an international agreement under which funds will be transferred to a foreign recipient.

(2) Grants or cooperative agreements awarded to foreign organizations are made on an exceptional basis only. Awards require the prior approval of the Headquarters Office of International and Interagency Relations and the Headquarters Office of the General Counsel. Requests to issue awards to foreign organizations are to be coordinated through the Office of the Chief Financial Officer, Policy Division.

#### §1800.11 Definitions.

The following definitions are a supplement to the definitions set forth at 2 CFR 200.1.

Administrative Grant Officer means a Federal employee delegated responsibility for award administration; e.g., a NASA Grant Officer who has retained award administration responsibilities, or an Office of Naval Research (ONR) Grant Officer delegated award administration by a NASA Grant Officer.

*Effective date* means the date work can begin under an awarded instrument. This date is the beginning of the period of performance and can be earlier or later than the date of signature on a basic award. Expenditures made prior to the effective date are incurred at the recipient's risk unless prior written permission has been given by the Grant Officer.

*For-profit organization* means any corporation, trust, or other organization that is organized primarily for profit.

*Grant Officer* means a Federal employee responsible for the signing of the Federal award documents.

Historically Black Colleges and Universities (HBCUs) means institutions determined by the Secretary of Education to meet the requirements of 34 CFR 608.2 and listed therein.

Minority-serving Institutions (MSIs) means an institution of higher education whose enrollment of a single minority or a combination of minorities (minority meaning American Indian, Alaskan Native, Black (not of Hispanic origin), Hispanic (including persons of Mexican, Puerto Rican, Cuban, and Central or South American origin), Pacific Islander or other ethnic group

underrepresented in science and engineering) exceeds 50 percent of the total enrollment, as defined by the Higher Education Act (HEA) (20 U.S.C. 1067k(3)).

*NASA Technical Officer* means the NASA official responsible for the programmatic, scientific, and/or technical aspects of assigned applications and awards.

Original signature means an authorized signature as described in this definition. If the system (such as NSPIRES) used to submit required documents allows for electronic signatures, then the submission of the documents, by the authorized representative of the organization serves as the required original signature. If, however, a paper copy submission is required, all documents submitted shall be appropriately signed in ink with an actual signature by the authorized representative of the organization.

*Prescription* is defined as the written instructions, to the Grants Officer, for the application of terms and conditions.

Research misconduct is defined in 14 CFR 1275.101. NASA policies and procedures regarding research misconduct are set forth in 14 CFR part 1275.

Summary of research means a document summarizing the results of the entire project, which includes bibliographies, abstracts, and lists of other media in which the research was discussed.

STANDARDS FOR FINANCIAL AND PROGRAM MANAGEMENT

### §1800.305 Federal payment.

Payments under awards with forprofit organizations will be made based on incurred costs. Standard Form 425 is not required. For-profit organizations shall not submit invoices more frequently than quarterly. Payments to be made on a more frequent basis require the written approval of the Grant Officer.

[85 FR 71817, Nov. 12, 2020]

### §1800.306 Cost sharing or matching.

In some cases, NASA research projects require cost sharing or matching. Where cost sharing or matching is required, recipients must secure and document matching funds to receive the Federal award.

# PROPERTY STANDARDS

# §1800.312 Federally-owned and exempt property.

funds in nonprofit institutions of higher education and nonprofit organizations whose primary purpose is conducting scientific research without further obligation to NASA, including reporting requirements. Award recipients that are not nonprofit institutions of higher education or nonprofit organizations whose primary purpose is conducting scientific research shall adhere to regulations at 2 CFR 200.312 through 200.316.

[85 FR 71817, Nov. 12, 2020]

## §1800.315 Intangible property.

Due to the substantial involvement on the part of NASA under a cooperative agreement, intellectual property may be produced by Federal employees and NASA contractors tasked to perform NASA assigned activities. Title to intellectual property created under the cooperative agreement by NASA or its contractors will initially vest with the creating party or parties. Certain rights may be exchanged with the recipient.

REMEDIES FOR NONCOMPLIANCE

### § 1800.339 Remedies for noncompliance.

NASA reserves the ability to impose additional conditions in response to award recipient noncompliance and terminate a Federal award in accordance with 2 CFR 200.339 through 200.343 and as set forth in the GCAM.

Payment of fee or profit is consistent with an activity whose principal purpose is the acquisition of goods and services for the direct benefit or use of the United States Government, rather than an activity whose principal purpose is Federal financial assistance to a recipient to carry out a public purpose. Therefore, the Grants Officer shall use a procurement contract, rather than a grant or cooperative agreement, in all cases where fee or profit is to be paid to the recipient of the instrument or the instrument is to be used to carry out a program where fee or profit is necessary to achieving program objectives. This part promulgates a regulation adopting the Office of Management and Budget (OMB) guidance in subparts A through I of 2 CFR part 180, establishing the United States Nuclear Regulatory Commission (NRC) policies and procedures for nonprocurement debarment and suspension. NRC thereby gives regulatory effect to the OMB guidance. It also supplements the OMB guidance by identifying NRC implementing officials and identifying how to pass these requirements through to other entities.

## §2000.20 Does this part apply to me?

# §2424.10

# §2424.10 What does this part do?

In this part, HUD adopts, as HUD policies, procedures, and requirements for nonprocurement debarment and suspension, the OMB guidance in subparts A through I of 2 CFR part 180, as supplemented by this part. This adoption thereby gives regulatory effect for HUD to the OMB guidance, as supplemented by this part. This part satisfies the requirements in section 3 of Executive Order 12549, "Debarment and Suspension" (3 CFR 1986 Comp., p. 189), Executive Order 12689, "Debarment and Suspension" (3 CFR 1989 Comp., p. 235) and 31 U.S.C. 6101 note (Section 2455, Pub. L. 103-355, 108 Stat. 3327).

# §2424.20 Does this part apply to me?

This part and, through this part, pertinent portions of subparts A through I of 2 CFR part 180 (see table at 2 CFR 180.100(b)), apply to you if you are a—

(a) Participant or principal in a "covered transaction" (see subpart B of 2 CFR part 180 and the definition of "nonprocurement transaction" at 2 CFR 180.970, as supplemented by §2424.970 of this part);

(b) Respondent in a HUD suspension or debarment action;

(c) HUD debarment or suspension official; or

(d) HUD grants officer, agreements officer, or other official authorized to enter into any type of nonprocurement transaction that is a covered transaction.

### §2424.30 What policies and procedures must I follow?

The HUD policies and procedures that you must follow are the policies and procedures specified in each applicable section of the OMB guidance in subparts A through I of 2 CFR part 180, as that section is supplemented by the section in this part with the same section number. The contracts that are covered transactions, for example, are specified by section 220 of the OMB guidance (i.e., 2 CFR 180.220), as supplemented by section 220 in this part (i.e., §2424.220). For any section of OMB guidance in subparts A through I of 2 CFR 180 that has no corresponding section in this part, HUD policies and procedures are those in the OMB guidance.

# 2 CFR Ch. XXIV (1–1–22 Edition)

# Subpart A—General

### §2424.137 Who in HUD may grant an exception to let an excluded person participate in a covered transaction?

The Secretary or designee may grant an exception permitting an excluded person to participate in a particular covered transaction. If the Secretary or a designee grants an exception, the exception must be in writing and state the reason(s) for deviating from the governmentwide policy in Executive Order 12549.

# Subpart B—Covered Transactions

### §2424.220 What contracts and subcontracts, in addition to those listed in 2 CFR 180.220, are covered transactions?

In addition to the contracts covered under 2 CFR 180.220(b) of the OMB guidance, this part applies to any contract, regardless of tier, that is awarded by a contractor, subcontractor, supplier, consultant, or its agent or representative in any transaction, if the contract is to be funded or provided by HUD under a covered nonprocurement transaction and the amount of the contract is expected to equal or exceed \$25,000. This extends the coverage of the HUD nonprocurement suspension and debarment requirements to all lower tiers of subcontracts under covered nontransactions, as perprocurement mitted under the OMB guidance at 2 CFR 180.220(c) (see optional lower-tier coverage in the figure in the appendix to 2 CFR part 180).

# Subpart C—Responsibilities of Participants Regarding Transactions

# Department of Housing and Urban Development

§2424.995

(1) You may, but are not required to, check the Excluded Parties List System (EPLS).

(2) You may, but are not required to, collect a certification from that person.

(b) In the case of an employment contract, HUD does not require employers to check the EPLS prior to making salary payments pursuant to that contract.

### §2424.332 What methods must I use to pass requirements down to participants at lower tiers with whom I intend to do business?

To communicate the requirements to lower-tier participants, you must include a term or condition in the transaction requiring compliance with subpart C of the OMB guidance in 2 CFR part 180, as supplemented by this subpart.

# Subpart D—Responsibilities of Federal Agency Officials Regarding Transactions

### §2424.437 What method do I use to communicate to a participant the requirements described in the OMB guidance at 2 CFR 180.435?

To communicate to a participant the requirements described in 2 CFR 180.435 of the OMB guidance, you must include a term or condition in the transaction that requires the participant to: comply with subpart C of 2 CFR part 180, as supplemented by subpart C of this part, and include a similar term or condition in lower-tier covered transactions.

# Subpart J—Limited Denial of Participation

# §2424.1100 What is a limited denial of participation?

A limited denial of participation excludes a specific person from participating in a specific program, or programs, within a HUD field office's geographic jurisdiction, for a specific period of time. A limited denial of participation is normally issued by a HUD field office, but may be issued by a Headquarters office. The decision to impose a limited denial of participation is discretionary and based on the best interests of the federal government.

# 2 CFR Ch. XXIV (1-1-22 Edition)

# §2424.1105 Who may issue a limited denial of participation?

The Secretary designates HUD officials who are authorized to impose a limited denial of participation, affecting any participant and/or their affiliates, except mortgagees approved by the Federal Housing Administration (FHA).

### §2424.1110 When may a HUD official issue a limited denial of participation?

(a) An authorized HUD official may issue a limited denial of participation against a person, based upon adequate evidence of any of the following causes:

(1) Approval of an applicant for insurance would constitute an unsatisfactory risk;

(2) There are irregularities in a person's past performance in a HUD program;

(3) The person has failed to maintain the prerequisites of eligibility to participate in a HUD program;

(4) The person has failed to honor contractual obligations or to proceed in accordance with contract specifications or HUD regulations;

(5) The person has failed to satisfy, upon completion, the requirements of an assistance agreement or contract;

(6) The person has deficiencies in ongoing construction projects;

(10) The person has made or procured to be made any false statement for the purpose of influencing in any way an action of the Department; or

(11) Imposition of a limited denial of participation by any other HUD office.(b) Filing of a criminal Indictment or Information shall constitute adequate

§2424.1130

evidence for the purpose of limited denial of participation actions. The Indictment or Information need not be based on offenses against HUD.

(c) Imposition of a limited denial of participation by any other HUD office shall constitute adequate evidence for a concurrent limited denial of participation. Where such a concurrent limited denial of participation is imposed, participation may be restricted on the same basis without the need for an additional conference or further hearing.

(d) An affiliate or organizational element may be included in a limited denial of participation solely on the basis of its affiliation, and regardless of its knowledge of or participation in the acts providing cause for the sanction. The burden of proving that a particular affiliate or organizational element is currently responsible and not controlled by the primary sanctioned party (or by an entity that itself is controlled by the primary sanctioned party) is on the affiliate or organizational element.

# §2424.1115 When does a limited denial of participation take effect?

A limited denial of participation is effective immediately upon issuance of the notice.

### §2424.1120 How long may a limited denial of participation last?

A limited denial of participation may remain in effect up to 12 months.

# §2424.1125 How does a limited denial of participation start?

A limited denial of participation is made effective by providing the person, and any specifically named affiliate, with notice:

(a) That the limited denial of participation is being imposed;

(b) Of the cause(s) under §2424.1110 for the sanction;

(c) Of the potential effect of the sanction, including the length of the sanction and the HUD program(s) and geographic area affected by the sanction;

(d) Of the right to request, in writing, within 30 days of receipt of the notice, a conference under 2424.1130; and

(e) Of the right to contest the limited denial of participation under §2424.1130.

# §2424.1130 How may I contest my limited denial of participation?

(a) Within 30 days after receiving a notice of limited denial of participation, you may request a conference with the official who issued such notice. The conference shall be held within 15 days after the Department's receipt of the request for a conference, unless you waive this time limit. The official or designee who imposed the sanction shall preside. At the conference, you may appear with a representative and may present all relevant information and materials to the official or designee. Within 20 days after the conference, or within 20 days after any agreed-upon extension of time for submission of additional materials, the official or designee shall, in writing, advise you of the decision to terminate, modify, or affirm the limited denial of participation. If all or a portion of the remaining period of exclusion is affirmed, the notice of affirmation shall advise you of the opportunity to contest the notice and to request a hearing before a Departmental Hearing Officer. You have 30 days after receipt of the notice of affirmation to request this hearing. If the official or designee does not issue a decision within the 20-day period, you may contest the sanction before a Departmental Hearing Officer. Again, you have 30 days from the expiration of the 20-day period to request this hearing. If you request a hearing before the Departmental Hearing Officer, you must submit your request to the Debarment Docket Clerk, Department of Housing and Urban Development, 451 Seventh Street, SW., B-133 Portals 200, Washington DC 20410-0500.

(b) You may skip the conference with the official and you may request a hearing before a Departmental Hearing Officer. This must also be done within 30 days after receiving a notice of limited denial of participation. If you opt to have a hearing before a Departmental Hearing Officer, you must submit your request to the Debarment Docket Clerk, Department of Housing and Urban Development, 451 Seventh Street, SW., B-133 Portals 200, Washington DC 20410-0500. The hearing before the Departmental Hearing Officer is more formal than the conference before the sanctioning official described above. The Departmental Hearing Officer will conduct the hearing in accordance with 24 CFR part 26, subpart A. The Departmental Hearing Officer will issue findings of fact and make a recommended decision. The sanctioning official will then make a final decision, as promptly as possible, after the Departmental Hearing Officer's recommended decision is issued. The sanctioning official may reject the recommended decision or any findings of fact, only after specifically determining that the decision or any of the facts are arbitrary, capricious, or clearly erroneous.

(c) In deciding whether to terminate, modify, or affirm a limited denial of participation, the Departmental official or designee may consider the factors listed at 2 CFR 180.860. The Departmental Hearing Officer may also consider the factors listed at 2 CFR 180.860 in making any recommended decision.

# §2424.1135 Do Federal agencies coordinate limited denial of participation actions?

Federal agencies do not coordinate limited denial of participation actions. As stated in §2424.1100, a limited denial of participation is a HUD-specific action and applies only to HUD activities.

# §2424.1140 What is the scope of a limited denial of participation?

The scope of a limited denial of participation is as follows:

(a) A limited denial of participation generally extends only to participation in the program under which the cause arose. A limited denial of participation may, at the discretion of the authorized official, extend to other programs, initiatives, or functions within the jurisdiction of an Assistant Secretary. The authorized official, however, may determine that where the sanction is based on an indictment or conviction, the sanction shall apply to all programs throughout HUD.

(b) For purposes of this subpart, participation includes receipt of any benefit or financial assistance through grants or contractual arrangements; 2 CFR Ch. XXIV (1-1-22 Edition)

benefits or assistance in the form of loan guarantees or insurance; and awards of procurement contracts.

(c) The sanction may be imposed for a period not to exceed 12 months, and shall be effective within the geographic jurisdiction of the office imposing it, unless the sanction is imposed by an Assistant Secretary or Deputy Assistant Secretary, in which case the sanction may be imposed on either a nationwide or a more restricted basis.

### §2424.1145 May HUD impute the conduct of one person to another in a limited denial of participation?

For purposes of determining a limited denial of participation, HUD may impute conduct as follows:

(a) Conduct imputed from an individual to an organization. HUD may impute the fraudulent, criminal, or other improper conduct of any officer, director, shareholder, partner, employee, or other individual associated with an organization, to that organization when the improper conduct occurred in connection with the individual's performance of duties for or on behalf of that organization, or with the organization's knowledge, approval, or acquiescence. The organization's acceptance of the benefits derived from the conduct is evidence of knowledge, approval, or acquiescence.

(b) Conduct imputed from an organization to an individual or between individuals. HUD may impute the fraudulent, criminal, or other improper conduct of any organization to an individual, or from one individual to another individual, if the individual to whom the improper conduct is imputed participated in, had knowledge of, or had reason to know of the improper conduct.

(c) Conduct imputed from one organization to another organization. HUD may impute the fraudulent, criminal, or other improper conduct of one organization to another organization when the improper conduct occurred in connection with a partnership, joint venture, joint application, association, or similar arrangement, or when the organization to whom the improper conduct is imputed has the power to direct, manage, control, or influence the activities of the organization responsible for the improper conduct. Acceptance

# Department of Housing and Urban Development

of the benefits derived from the conduct is evidence of knowledge, approval, or acquiescence.

## §2424.1150 What is the effect of a suspension or debarment on a limited denial of participation?

If you have submitted a request for a hearing pursuant to §2424.1130 of this subpart, and you also receive, pursuant to subpart G or H of this part, a notice of proposed debarment or suspension that is based on the same transaction(s) or the same conduct as the limited denial of participation, as determined by the debarring or suspending official, the following rules shall apply:

(a) During the 30-day period after you receive a notice of proposed debarment or suspension, during which you may elect to contest the debarment under 2 CFR 180.815, or the suspension pursuant to 2 CFR 180.720, all proceedings in the limited denial of participation, including discovery, are automatically staved.

(b) If you do not contest the proposed debarment pursuant to 2 CFR 180.815, or the suspension pursuant to 2 CFR 180.720, the final imposition of the debarment or suspension shall also constitute a final decision with respect to the limited denial of participation, to the extent that the debarment or suspension is based on the same transaction(s) or conduct as the limited denial of participation.

(c) If you contest the proposed debarment pursuant to 2 CFR 180.815, or the suspension pursuant to 2 CFR 180.720, then:

(1) Those parts of the limited denial of participation and the debarment or suspension based on the same transaction(s) or conduct, as determined by the debarring or suspending official, shall be immediately consolidated before the debarring or suspending official;

(2) Proceedings under the consolidated portions of the limited denial of participation shall be stayed before the hearing officer until the suspending or debarring official makes a determination as to whether the consolidated matters should be referred to a hearing officer. Such a determination must be made within 90 days of the date of the issuance of the suspension or proposed debarment, unless the suspending/debarring official extends the period for good cause.

(i) If the suspending or debarring official determines that there is a genuine dispute as to material facts regarding the consolidated matter, the entire consolidated matter will be referred to the hearing officer hearing the limited denial of participation, for additional proceedings pursuant to 2 CFR 180.750 or 180.845.

(ii) If the suspending or debarring official determines that there is no dispute as to material facts regarding the consolidated matter, jurisdiction of the hearing officer under 2 CFR part 2424, subpart J, to hear those parts of the limited denial of participation based on the same transaction[s] or conduct as the debarment or suspension, as determined by the debarring or suspending official, will be transferred to the debarring or suspending official, and the hearing officer responsible for hearing the limited denial of participation shall transfer the administrative record to the debarring or suspending official

(3) The suspending or debarring official shall hear the entire consolidated case under the procedures governing suspensions and debarments, and shall issue a final decision as to both the limited denial of participation and the suspension or debarment.

### §2424.1155 What is the effect of a limited denial of participation on a suspension or a debarment?

The imposition of a limited denial of participation does not affect the right of the Department to suspend or debar any person under this part.

### §2424.1160 May a limited denial of participation be terminated before the term of the limited denial of participation expires?

If the cause for the limited denial of participation is resolved before the expiration of the 12-month period, the official who imposed the sanction may terminate it.

# §2424.1165 How is a limited denial of participation reported?

When a limited denial of participation has been made final, or the period

# Pt. 2429

for requesting a conference pursuant to §2424.1130 has expired without receipt of such a request, the official imposing the limited denial of participation shall notify the Director of the Compliance Division in the Departmental Enforcement Center of the scope of the limited denial of participation.

## PART 2500—UNIFORM ADMINIS-TRATIVE REQUIREMENTS, COST PRINCIPLES, AND AUDIT RE-QUIREMENTS FOR FEDERAL AWARDS

AUTHORITY: 42 U.S.C. 1861, et seq.; 2 CFR part 200.

SOURCE: 79 FR 76079, Dec. 19, 2014, unless otherwise noted.

#### §2500.100 Adoption of 2 CFR Part 200.

Under the Authority cited above, NSF has formally adopted 2 CFR part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards ("the Uniform Guidance"). The Foundation's implementation document, the NSF Proposal & Award Policies & Procedures Guide, may be found at: http:// www.nsf.gov/publications/pub\_

summ.jsp?ods\_key=papp.

NSF's implementation includes the following deviation from the Uniform Guidance:

Award Cash Management System-NSF is continuing collection of award financial information through the implementation of the Award Cash Management Service (ACM\$) and the Program Income Worksheet. ACM\$ replaced the NSF Federal Financial Report (FFR) and the NSF FastLane Cash Request process with a single web based user interface. ACM\$ is used to collect award level detail financial information at the time of each payment request submitted by the awardee institution. The Program Income Worksheet is used to collect program income financial information from awardee institutions on an annual basis. ACM\$ and the Program Income Worksheet utilize approved government-wide data elements from the FFR for the collection of financial information as provided for in the Uniform Guidance paragraph 505(c) and prescribed in 2 CFR 200.327. The requirement for Federal agencies to use the FFR data elements for cash management and financial reporting was publically announced in FEDERAL REG-ISTER on August 13, 2008.

SOURCE: 72 FR 4944, Feb. 2, 2007, unless otherwise noted.

#### §2520.10 What does this part do?

This part adopts the Office of Management and Budget (OMB) guidance in subparts A through I of 2 CFR part 180, as supplemented by this part, as the NSF policies and procedures for nonprocurement debarment and suspension. It thereby gives regulatory effect for NSF to the OMB guidance as supplemented by this part. This part satisfies the requirements in section 3 of Executive Order 12549, "Debarment and Suspension" (3 CFR 1986 Comp., p. 189), Executive Order 12689, "Debarment and Suspension'' (3 CFR 1989 Comp., p. 235) and 31 U.S.C. 6101 note (Section 2455, Public Law 103-355, 108 Stat. 3327).

#### §2520.20 Does this part apply to me?

This part and, through this part, pertinent portions of the OMB guidance in subparts A through I of 2 CFR part 180 (see table at 2 CFR 180.100(b)) apply to you if you are a—

(a) Participant or principal in a "covered transaction" (see Subpart B of 2 CFR part 180 and the definition of "nonprocurement transaction" at 2 CFR 180.970).

(b) Respondent in an NSF suspension or debarment action.

(c) NSF debarment or suspension official.

(d) NSF grants officer, agreements officer, or other official authorized to enter into any type of nonprocurement transaction that is a covered transaction.

#### §2520.30 What policies and procedures must I follow?

The NSF policies and procedures that you must follow are the policies and procedures specified in each applicable section of the OMB guidance in subparts A through I of 2 CFR part 180, as that section is supplemented by the section in this part with the same section number. The contracts that are covered transactions, for example, are specified by section 220 of the OMB guidance (i.e., 2 CFR 180.220) as supplemented by section 220 in this part (i.e., §2520.220). For any section of OMB guidance in subparts A through I of 2 CFR 180 that has no corresponding section in this part, NSF policies and procedures are those in the OMB guidance.

### Subpart A—General

#### § 2520.137 Who in NSF may grant an exception to let an excluded person participate in a covered transaction?

The NSF Director and the Deputy Director have the authority to grant an exception to let an excluded person participate in a covered transaction.

### 2 CFR Ch. XXV (1–1–22 Edition)

## Subpart B—Covered Transactions

#### § 2520.220 What contracts and subcontracts, in addition to those listed in 2 CFR 180.220, are covered transactions?

Although the OMB guidance at 2 CFR 180.220(c) allows a Federal agency to do so (also see optional lower tier coverage in the figure in the appendix to 2 CFR part 180), NSF does not extend coverage of nonprocurement suspension and debarment requirements beyond first-tier procurement contracts under a covered nonprocurement transaction.

## Subpart C—Responsibilities of Participants Regarding Transactions

#### § 2520.332 What methods must I use to pass requirements down to participants at lower tiers with whom I intend to do business?

You as a participant must include a term or condition in lower-tier transactions requiring lower-tier participants to comply with subpart C of the OMB guidance in 2 CFR part 180, as supplemented by this subpart.

## Subpart D—Responsibilities of Federal Agency Officials Regarding Transactions

#### § 2520.437 What method do I use to communicate to a participant the requirements described in the OMB guidance at 2 CFR 180.435?

To communicate to a participant the requirements described in 2 CFR 180.435 of the OMB guidance, you must include a term or condition in the transaction that requires the participant's compliance with subpart C of 2 CFR part 180, as supplemented by subpart C of this part, and requires the participant to include a similar term or condition in lower-tier covered transactions.

#### §2600.100 Adoption of 2 CFR Part 200.

Under the authority listed above, the National Archives and Records Administration (NARA), through its National Historical Publications and Records Commission (NHPRC), adopts the Office of Management and Budget (OMB) Guidance in 2 CFR part 200, except regarding indirect costs (see §2600.101). Thus, this part gives regulatory effect to the OMB guidance and supplements the guidance as needed for NARA and NHPRC.

#### §2600.101 Indirect costs exception to 2 CFR 200.414.

As approved by the Archivist of the United States, the National Archives does not permit grant recipients to use allocated funds from NARA or NHPRC for indirect costs. Grant recipients may use cost sharing to cover indirect costs instead. NARA's policies on indirect costs are located at http://www.archives.gov/nhprc, and are included in grant opportunity announcements.

#### §2700.10 What does this part do?

This part adopts the Office of Management and Budget (OMB) guidance in subparts A through I of 2 CFR part 180, as supplemented by this part, as the SBA policies and procedures for nonprocurement debarment and suspension. It thereby gives regulatory effect for SBA to the OMB guidance as supplemented by this part. This part satisfies the requirements in section 3 of Executive Order 12549, "Debarment and Suspension'' (3 CFR 1986 Comp., p. 189); Executive Order 12689, "Debarment and Suspension'' (3 CFR 1989 Comp., p. 235); and section 2455 of the Federal Acquisition Streamlining Act of 1994, Pub. (d) SBA grants officer, agreements officer, or other official authorized to enter into any type of nonprocurement transaction that is a covered transaction.

## §2700.30 What policies and procedures must I follow?

The SBA policies and procedures you must follow are the policies and procedures specified in each applicable section of the OMB guidance in subparts A through I of 2 CFR part 180, as that section is supplemented by the section in this part with the same section number. The contracts that are covered transactions, for example, are specified by section 220 of the OMB guidance (i.e., 2 CFR 180.220) as supplemented by section 220 of this part (i.e., §2700.220). For any section of OMB guidance in subparts A through I of 2 CFR 180 that

## §2700.137

has no corresponding section in this part, SBA policies and procedures are those in the OMB guidance.

## Subpart A—General

#### §2700.137 Who in the Small Business Administration may grant an exception to let an excluded person participate in a covered transaction?

The Director of the Office of Credit Risk Management may grant an exception permitting an excluded person to participate in a particular covered transaction under SBA's financial assistance programs. In addition to the contracts covered under 2 CFR 180.22(b) of the OMB guidance, this part applies to any contract, regardless of tier, that is awarded by a contractor, subcontractor, supplier, consultant, or its agent or representative in any transaction, if the contract is to be funded or provided by the SBA under a covered nonprocurement transaction and the amount of the contract is expected to equal or exceed \$25,000. This extends the coverage of the SBA nonprocurement suspension and debarment requirements to all lower tiers of subcontracts under covered nonprocurement transactions, as permitted under the OMB guidance at 2 CFR 180.200(c) (see optional lower tier coverage in the figure in the appendix to 2 CFR part 180)

## Subpart G—Suspension

## §2700.765 How may I appeal my suspension?

(a) If the SBA suspending official issues a decision under §180.755 to continue your suspension after you present information in opposition to that suspension under §180.720, you may ask for review of the suspending official's decision in two ways:

(1) You may ask the suspending official to reconsider the decision for material errors of fact or law that you believe will change the outcome of the matter; or

(2) You may request that the SBA Office of Hearings and Appeals (OHA) review the suspending official's decision to continue your suspension within 30 days of your receipt of the suspending official's decision under §180.755 or paragraph (a)(1) of this section. However, OHA may reverse the suspending official's decision only where OHA finds that the decision is based on a clear error of material fact or law, or where OHA finds that the suspending official's decision was arbitrary, capricious, or an abuse of discretion. You may appeal the suspending official's decision without requesting reconsideration, or you may appeal the decision

of the suspending official on reconsideration. The procedures governing OHA appeals are set forth in 13 CFR part 134.

(b) A request for review under this section must be in writing; state the specific findings you believe to be in error; and include the reasons or legal bases for your position.

(c) OHA, in its discretion, may stay the suspension pending review of the suspending official's decision.

(1) You may ask the debarring official to reconsider the decision for material errors of fact or law that you believe will change the outcome of the matter; or

(2) You may request that the SBA Office of Hearings and Appeals (OHA) review the debarring official's decision to debar you within 30 days of your receipt of the debarring official's decision under \$180.870 or paragraph (a)(1)of this section. However, OHA may reverse the debarring official's decision only where OHA finds that the decision is based on a clear error of material fact or law, or where OHA finds that the debarring official's decision was arbitrary, capricious, or an abuse of discretion. You may appeal the debarring official's decision without requesting reconsideration, or you may appeal the decision of the debarring official on reconsideration. The procedures governing OHA appeals are set forth in 13 CFR part 134.

(b) A request for review under this section must be in writing; state the specific findings you believe to be in error; and include the reasons or legal bases for your position. (c) OHA, in its discretion, may stay the debarment pending review of the debarring official's decision.

(d) The SBA debarring official and OHA must notify you of their decision under this section, in writing, using the notice procedures set forth at §§ 180.615 and 180.975.

(2) The amount of funding that must be devoted to conducting program activities in order for a project to result in meaningful outcomes; and

(3) The amount of project funds that will remain available for conducting program activities after a negotiated rate is applied.

(b) After conducting the analysis required in paragraph (a) above, the head of each SBA grant program office will determine in writing whether there is sufficient justification to deviate from a negotiated indirect cost rate.

## §2867.10 What does this part do?

This part adopts the Office of Management and Budget (OMB) guidance in subparts A through I of 2 CFR part 180, as supplemented by this part, as the Department of Justice policies and procedures for nonprocurement debarment and suspension. It thereby gives regulatory effect for the Department of Justice to the OMB guidance as supplemented by this part. This part satisfies the requirements in section 3 of Executive Order 12549, "Debarment and Suspension" (3 CFR 1986 Comp., p. 189), Executive Order 12689, "Debarment and Suspension'' (3 CFR 1989 Comp., p. 235) and 31 U.S.C. 6101 note (Section 2455, Pub. L. 103-355, 108 Stat. 3327).

## §2867.20 To whom does this part apply?

This part and, through this part, pertinent portions of the OMB guidance in subparts A through I of 2 CFR part 180 (see table at 2 CFR 180.100(b)) apply to any—

## 2 CFR Ch. XXVIII (1–1–22 Edition)

## §2867.30 What policies and procedures must be followed?

The Department of Justice policies and procedures that must be followed are the policies and procedures specified in each applicable section of the OMB guidance in subparts A through I of 2 CFR part 180, as that section is supplemented by the section in this part with the same section number. The contracts that are covered transactions, for example, are specified by section 220 of the OMB guidance (i.e., 2 CFR 180.220) as supplemented by section 220 in this part (i.e., §2867.220). For any section of OMB guidance in subparts A through I of 2 CFR 180 that has no corresponding section in this part, Department of Justice policies and procedures are those in the OMB guidance.

#### §2867.137 Who in the Department of Justice may grant an exception to let an excluded person participate in a covered transaction?

Within the Department of Justice, the Attorney General or designee has the authority to grant an exception to let an excluded person participate in a covered transaction, as provided in the OMB guidance at 2 CFR 180.135.

## Subpart B—Covered Transactions

#### §2867.220 What contracts and subcontracts, in addition to those listed in 2 CFR 180.220, are covered transactions?

Although the OMB guidance at 2 CFR 180.220(c) allows a Federal agency to do so (also see optional lower tier coverage in the figure in the appendix to 2 CFR part 180), the Department of Justice does not extend coverage of nonprocurement suspension and debarment requirements beyond first-tier procurement contracts under a covered nonprocurement transaction.

## Department of Justice

## Subpart C—Responsibilities of Participants Regarding Transactions

§ 2867.332 What method must a participant use to pass requirements down to participants at lower tiers with whom the participant intends to do business?

A participant must include a term or condition in lower-tier transactions requiring lower-tier participants to comply with subpart C of the OMB guidance in 2 CFR part 180, as supplemented by this subpart.

#### §2867.437

## Subpart D—Responsibilities of Federal Agency Officials Regarding Transactions

#### § 2867.437 What method must be used to communicate to a participant the requirements described in the OMB guidance at 2 CFR 180.435?

To communicate to a participant the requirements described in 2 CFR 180.435 of the OMB guidance, the communication must include a term or condition in the transaction that requires the participant's compliance with subpart C of 2 CFR part 180, as supplemented by subpart C of this part, and requires the participant to include a similar term or condition in lower-tier covered transactions.

## Subpart F—Audit Requirements

#### §2900.20 Federal Agency Audit Responsibilities.

In the DOL, in addition to 2 CFR 200.513, the department employs a collaborative resolution process with nonfederal entities. (a) Department of Labor Cooperative Audit Resolution Process. The DOL official(s) responsible for resolution shall promptly evaluate findings and recommendations reported by auditors and the corrective action plan developed by the recipient to determine proper actions in response to audit findings and recommendations. The process of audit resolution includes at a minimum an initial determination, an informal resolution period, and a final determination.

(1) Initial determination. After the conclusion of any comment period for audits provided the recipient/contractor, the responsible DOL official(s) shall make an initial determination on the allowability of questioned costs or activities, administrative or systemic findings, and the corrective actions outlined by the recipient. Such determination shall be based on applicable statutes, regulations, administrative directives, or terms and conditions of the grant/contract award instrument.

(2) Informal resolution. The recipient/ contractor shall have a reasonable period of time (as determined by the DOL official(s) responsible for audit resolution) from the date of issuance of the initial determination to informally resolve those matters in which the recipient/contractor disagrees with the decisions of the responsible DOL official(s).

(3) *Final determination*. After the conclusion of the informal resolution period, the responsible DOL official(s) shall issue a final determination that:

(i) As appropriate, indicate that efforts to informally resolve matters contained in the initial determination have either been successful or unsuccessful;

(ii) Lists those matters upon which the parties continue to disagree;

(iii) Lists any modifications to the factual findings and conclusions set forth in the initial determination;

#### §2900.21 Management decision.

In the DOL, ordinarily, a management decision is issued within six months of receipt of an audit from the audit liaison of the Office of the Inspector General and is extended an additional six months when the audit contains a finding involving a subrecipient of the pass-through entity being audited. The pass-through entity responsible for issuing a management decision must do so within twelve months of acceptance of the audit report by the FAC. The auditee must initiate and proceed with corrective action as rapidly as possible and should begin corrective action no later than upon receipt of the audit report. (See 2 CFR 200.521(d)).

[80 FR 81441, Dec. 30, 2015]

#### §2900.22 Audit Requirements—Appeal Process for Department of Labor Recipients.

In the DOL, the DOL grantor agencies shall determine which of the two appeal options set forth in paragraphs (a) and (b) of this section the recipient may use to appeal the final determination of the grant officer. All awards within the same Federal financial assistance program shall follow the same appeal procedure.

(a) Appeal to the head of the grantor agency, or his/her designee, for which the audit was conducted.

(1) Jurisdiction. (i) Request for hearing. Within 21 days of receipt of the grant officer's final determination, the recipient may transmit, by certified mail, return receipt requested, a request for hearing to the head of the grantor agency, or his/her designee, as noted in the final determination. A copy must also be sent to the grant officer who signed the final determination.

(ii) Statement of issues. The request for a hearing shall be accompanied by a copy of the final determination, if issued, and shall specifically state those portions of the final determination upon which review is requested.

## **Department of Labor**

Those portions of the final determination not specified for review shall be considered resolved and not subject to further review.

(iii) Failure to request review. When no timely request for a hearing is made, the final determination shall constitute final action by the Secretary of Labor and shall not be subject to further review.

(2) Conduct of hearings. The grantor agency shall establish procedures for the conduct of hearings by the head of the grantor agency, or his/her designee.

(3) Decision of the head of the grantor agency, or his/her designee. The head of the grantor agency, or his/her designee, should render a written decision no later than 90 days after the closing of the record. This decision constitutes final action of the Secretary.

(b) Appeal to the DOL Office of Administrative Law Judges. (1) Jurisdiction. (i) Request for hearing. Within 21 days of receipt of the grant officer's final determination, the recipient may transmit by certified mail, return receipt requested, a request for hearing to the Chief Administrative Law Judge, United States Department of Labor, 800 K Street NW., Suite 400, Washington, DC 20001, with a copy to the grant officer who signed the final determination. The Chief Administrative Law Judge shall designate an administrative law judge to hear the appeal.

(ii) Statement of issues. The request for a hearing shall be accompanied by a copy of the final determination, if issued, and shall specifically state those portions of the final determination upon which review is requested. Those portions of the final determination not specified for review shall be considered resolved and not subject to further review.

(iii) Failure to request review. When no timely request for a hearing is made, the final determination shall constitute final action by the Secretary and shall not be subject to further review.

(2) Conduct of hearings. The DOL Rules of Practice and Procedure for Administrative Hearings Before the Office of Administrative Law Judges, set forth at 29 CFR part 18, shall govern the conduct of hearings under paragraph (b) of this section. (3) Decision of the administrative law judge. The administrative law judge should render a written decision no later than 90 days after the closing of the record.

(4) Filing exceptions to decision. The decision of the administrative law judge shall constitute final action by the Secretary of Labor, unless, within 21 days after receipt of the decision of the administrative law judge, a party dissatisfied with the decision or any part thereof has filed exceptions with the Secretary, specifically identifying the procedure or finding of fact, law, or policy with which exception is taken. Any exceptions not specifically urged shall be deemed to have been waived. Thereafter, the decision of the administrative law judge shall become the decision of the Secretary, unless the Secretary, within 30 days of such filing, has notified the parties that the case has been accepted for review.

(5) Review by the Secretary of Labor. Any case accepted for review by the Secretary shall be decided within 180 days of such acceptance. If not so decided, the decision of the administrative law judge shall become the final decision of the Secretary.

# §3187.3 Definition of a museum.

For the purpose of this part:

(a) Museum means a public, tribal, or private nonprofit institution which is organized on a permanent basis for essentially educational, cultural heritage, or aesthetic purposes and which, using a professional staff:

(2) Cares for these objects; and

(3) Exhibits them to the general public on a regular basis.

(i) An institution that exhibits objects to the general public for at least 120 days a year shall be deemed to meet this requirement.

(ii) An institution that exhibits objects by appointment may meet this requirement if it can establish, in light of the facts under all the relevant circumstances, that this method of exhibition does not unreasonably restrict the accessibility of the institution's exhibits to the general public.

(b) The term "museum" in paragraph (a) of this section includes museums that have tangible and digital collections. Museums include, but are not limited to, the following types of institutions, if they otherwise satisfy the provisions of this section:

(14) Zoological parks.

(c) For the purposes of this section, an institution uses a professional staff if it employs at least one staff member, or the fulltime equivalent, whether paid or unpaid primarily engaged in the acquisition, care, or exhibition to the public of objects owned or used by the institution.

(d)(1) Except as set forth in paragraph (d)(2) of this section, an institution exhibits objects to the general public for the purposes of this section if such exhibition is a primary purpose of the institution.

(2) An institution that does not have as a primary purpose the exhibition of objects to the general public but which can demonstrate that it exhibits objects to the general public on a regular basis as a significant, separate, distinct, and continuing portion of its activities, and that it otherwise meets the requirements of this section, may be determined to be a museum under this section. In order to establish its eligibility, such an institution must provide information regarding the following:

(i) The number of staff members devoted to museum functions as described in paragraph (a) of this section.

(ii) The period of time that such museum functions have been carried out by the institution over the course of the institution's history.

(iii) Appropriate financial information for such functions presented separately from the financial information of the institution as a whole.

### §3254.10 What does this part do?

This part adopts the Office of Management and Budget (OMB) guidance in subparts A through I of 2 CFR part 180, as supplemented by this part, as the National Endowment for the Arts (NEA) policies and procedures for nonprocurement debarment and suspension. It thereby gives regulatory effect for the NEA to the OMB guidance as supplemented by this part. This part satisfies the requirements in section 3 of Executive Order 12549, "Debarment and Suspension" (3 CFR 1986 Comp., p. 189), Executive Order 12689, "Debarment and Suspension" (3 CFR 1989 Comp., p. 235) and 31 U.S.C. 6101 note (Section 2455, Public Law 103-355, 108 Stat. 3327).

# §3254.20 Does this part apply to me?

This part and, through this part, pertinent portions of the OMB guidance in subparts A through I of 2 CFR part 180 (see table at 2 CFR 180.100(b)) apply to you if you are a—

(a) Participant or principal in a "covered transaction" (see subpart B of 2 CFR part 180 and the definition of "nonprocurement transaction" at 2 CFR 180.970.

(b) Respondent in a NEA suspension or debarment action.

(c) NEA debarment or suspension official;

(d) NEA grants officer, agreements officer, or other official authorized to enter into any type of nonprocurement transaction that is a covered transaction;

# § 3254.30 What policies and procedures must I follow?

The NEA policies and procedures that you must follow are the policies and procedures specified in each applicable section of the OMB guidance in subparts A through I of 2 CFR part 180, as that section is supplemented by the section in this part with the same section number. The contracts that are covered transactions, for example, are specified by section 220 of the OMB guidance (i.e., 2 CFR 180.220) as supplemented by section 220 in this part (i.e., §3254.220). For any section of OMB guidance in subparts A through I of 2 CFR 180 that has no corresponding section in this part, NEA policies and procedures are those in the OMB guidance.

# Subpart A—General

### §3254.137 Who in the NEA may grant an exception to let an excluded person participate in a covered transaction?

The NEA Chairman has the authority to grant an exception to let an excluded person participate in a covered transaction, as provided in the OMB guidance at 2 CFR 180.135.

# § 3254.220

### Subpart B—Covered Transactions

#### § 3254.220 What contracts and subcontracts, in addition to those listed in 2 CFR 180.220, are covered transactions?

Although the OMB guidance at 2 CFR 180.220(c) allows a Federal agency to do so (also see options lower tier coverage in the figure in the appendix to 2 CFR part 180), NEA does not extend coverage of nonprocurement suspension and debarment requirements beyond first-tier procurement contracts under a covered nonprocurement transaction.

# Subpart C—Responsibilities of Participants Regarding Transactions

#### § 3254.332 What methods must I use to pass requirements down to participants at lower tiers with whom I intend to do business?

You as a participant must include a term or condition in lower-tier transactions requiring lower-tier participants to comply with subpart C of the OMB guidance in 2 CFR part 180, as supplemented by this subpart.

# Subpart D—Responsibilities of Federal Agency Officials Regarding Transactions

#### § 3254.437 What method do I use to communicate to a participant the requirements described in the OMB guidance at 2 CFR 180.435?

To communicate to a participant the requirements described in 2 CFR 180.435 of the OMB guidance, you must include a term or condition in the transaction that requires the participant's compliance with subpart C of 2 CFR part 180, as supplemented by subpart C of this part, and requires the participant to include a similar term or condition in lower-tier covered transactions.

(b) Respondent in a NEH suspension or debarment action.

(c) NEH debarment or suspension official;

(d) NEH grants officer, agreements officer, or other official authorized to enter into any type of nonprocurement transaction that is a covered transaction:

# §3369.30 What policies and procedures must I follow?

The NEH policies and procedures that you must follow are the policies and procedures specified in each applicable section of the OMB guidance in subparts A through I of 2 CFR part 180, as that section is supplemented by the section in this part with the same section number. The contracts that are covered transactions, for example, are specified by section 220 of the OMB guidance (i.e., 2 CFR 180.220) as supplemented by section 220 in this part (i.e.,§3369.220). For any section of OMB guidance in subparts A through I of 2 CFR 180 that has no corresponding section in this part, NEH policies and procedures are those in the OMB guidance.

# Subpart A—General

# \$3369.137 Who in the NEH may grant an exception to let an excluded person participate in a covered transaction?

The NEH Chairman has the authority to grant an exception to let an excluded person participate in a covered transaction, as provided in the OMB guidance at 2 CFR 180.135.

# § 3369.220

# Subpart B—Covered Transactions

#### § 3369.220 What contracts and subcontracts, in addition to those listed in 2 CFR 180.220, are covered transactions?

Although the OMB guidance at 2 CFR 180.220(c) allows a Federal agency to do so (also see optional lower tier coverage in the figure in the appendix to 2 CFR part 180), NEH does not extend coverage of nonprocurement suspension and debarment requirements beyond first-tier procurement contracts under a covered nonprocurement transaction.

# Subpart C—Responsibilities of Participants Regarding Transactions

#### § 3369.332 What methods must I use to pass requirements down to participants at lower tiers with whom I intend to do business?

You as a participant must include a term or condition in lower-tier transactions requiring lower-tier participants to comply with subpart C of the OMB guidance in 2 CFR part 180, as supplemented by this subpart.

# Subpart D—Responsibilities of Federal Agency Officials Regarding Transactions

#### § 3369.437 What method do I use to communicate to a participant the requirements described in the OMB guidance at 2 CFR 180.435?

To communicate to a participant the requirements described in 2 CFR 180.435 of the OMB guidance, you must include a term or condition in the transaction that requires the participant's compliance with subpart C of 2 CFR part 180, as supplemented by subpart C of this part, and requires the participant to include a similar term or condition in lower-tier covered transactions.

### §3474.1 Adoption of 2 CFR part 200.

(a) The Department of Education adopts the Office of Management and Budget (OMB) Guidance in 2 CFR part 200, except for 2 CFR 200.102(a) and 2 CFR 200.207(a). Thus, this part gives regulatory effect to the OMB guidance and supplements the guidance as needed for the Department.

### §3474.5 How exceptions are made to 2 CFR part 200.<sup>1</sup>

(a) With the exception of Subpart F— Audit Requirements of 2 CFR part 200, the Secretary of Education, after consultation with OMB, may allow exceptions for classes of Federal awards or non-Federal entities subject to the requirements of this part when exceptions are not prohibited by statute. However, in the interest of maximum uniformity, exceptions from the requirements of this part will be permitted only in unusual circumstances.

(b) Exceptions for classes of Federal awards or non-Federal entities will be

# §3474.15 Contracting with faith-based organizations and nondiscrimination.

(a) This section establishes responsibilities that grantees and subgrantees have in selecting contractors to provide direct Federal services under a program of the Department. Grantees and subgrantees must ensure compliance by their subgrantees with the provisions of this section and any implementing regulations or guidance.

(b)(1) A faith-based organization is eligible to contract with grantees and subgrantees, including States, on the same basis as any other private organization, with respect to contracts for which such organizations are eligible and considering any permissible accommodation.

(2) In selecting providers of goods and services, grantees and subgrantees, including States, must not discriminate for or against a private organization on the basis of the organization's religious character, affiliation, or exercise, as defined in 34 CFR 75.52(c)(3) and 76.52(c)(3), and must ensure that the award of contracts is free from political interference, or even the appearance of such interference, and is done on the basis of merit, not on the basis of religion or religious belief, or lack thereof. Notices or announcements of award opportunities and notices of award or contracts shall include language substantially similar to that in appendices A and B, respectively, to 34 CFR part 75.

# §3474.15

(3) No grant document, agreement, covenant, memorandum of understanding, policy, or regulation that is used by a grantee or subgrantee in administering Federal financial services from the Department shall require faith-based organizations to provide assurances or notices where they are not required of non-faith-based organizations. Any restrictions on the use of grant funds shall apply equally to faith-based and non-faith-based organizations. All organizations that participate in Department programs or services, including organizations with religious character or affiliation, must carry out eligible activities in accordance with all program requirements, subject to any required or appropriate religious accommodation, and other applicable requirements governing the conduct of Department-funded activities, including those prohibiting the use of direct financial assistance to engage in explicitly religious activities.

(4) No grant document, agreement, covenant, memorandum of understanding, policy, or regulation that is used by a grantee or subgrantee shall disqualify faith-based organizations from participating in Departmentfunded programs or services because such organizations are motivated or influenced by religious faith to provide social services, or because of their religious character or affiliation, or on grounds that discriminate against organizations' religious exercise, as defined in 34 CFR 75.52(c)(3) and 76.52(c)(3).

(c)(1) The provisions of 34 CFR 75.532 and 76.532 that apply to a faith-based organization that is a grantee or subgrantee also apply to a faith-based organization that contracts with a grantee or subgrantee, including a State.

(2) The requirements referenced under paragraph (c)(1) of this section do not apply to a faith-based organization that provides goods or services to a beneficiary under a program supported only by indirect Federal financial assistance, as defined in 34 CFR 75.52(c)(3) and 76.52(c)(3).

(d)(1) A private organization that provides direct Federal services under a program of the Department and engages in explicitly religious activities, such as worship, religious instruction,

# 2 CFR Ch. XXXIV (1–1–22 Edition)

or proselytization, must offer those activities separately in time or location from any programs or services funded by the Department through a contract with a grantee or subgrantee, including a State. Attendance or participation in any such explicitly religious activities by beneficiaries of the programs and services supported by the contract must be voluntary.

(2) The limitations on explicitly religious activities under paragraph (d)(1) of this section do not apply to a faithbased organization that provides services to a beneficiary under a program supported only by indirect Federal financial assistance, as defined in 34 CFR 75.52(c)(3) and 76.52(c)(3).

(e)(1) A faith-based organization that contracts with a grantee or subgrantee, including a State, will retain its independence, autonomy, right of expression, religious character, and authority over its governance. A faith-based organization that receives Federal financial assistance from the Department does not lose the protections of law.

NOTE 1 TO PARAGRAPH (e)(1): Memorandum for All Executive Departments and Agencies, From the Attorney General, "Federal Law Protections for Religious Liberty" (Oct. 6, 2017) (describing Federal law protections for religious liberty).

(2) A faith-based organization that contracts with a grantee or subgrantee, including a State, may, among other things—

(i) Retain religious terms in its name;

(ii) Continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs;

(iii) Use its facilities to provide services without concealing, removing, or altering religious art, icons, scriptures, or other symbols from these facilities;

(iv) Select its board members on the basis of their acceptance of or adherence to the religious tenets of the organization; and

(v) Include religious references in its mission statement and other chartering or governing documents.

(f) A private organization that contracts with a grantee or subgrantee, including a State, may not discriminate against a beneficiary or prospective beneficiary in the provision of program

# Department of Education

goods or services on the basis of religion or religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. However, an organization that participates in a program funded by indirect financial assistance need not modify its program activities to accommodate a beneficiary who chooses to expend the indirect aid on the organization's program and may require attendance at all activities that are fundamental to the program.

(g) A religious organization's exemption from the Federal prohibition on employment discrimination on the basis of religion, in section 702(a) of the Civil Rights Act of 1964, 42 U.S.C. 2000e– 1(a), is not forfeited when the organization contracts with a grantee or subgrantee. An organization qualifying for such an exemption may select its employees on the basis of their acceptance of or adherence to the religious tenets of the organization.

(h) No grantee or subgrantee receiving funds under any Department program or service shall construe these provisions in such a way as to advantage or disadvantage faith-based organizations affiliated with historic or well-established religions or sects in comparison with other religions or sects.

# § 3474.20 Open licensing requirement for competitive grant programs.

For competitive grants awarded in competitions announced after February 21, 2017:

(a) A grantee or subgrantee must openly license to the public the rights set out in paragraph (b)(1) of this section in any grant deliverable that is created wholly or in part with Department competitive grant funds, and that constitutes a new copyrightable work; provided, however, that when the deliverable consists of modifications to preexisting works, the license shall extend only to those modifications that can be separately identified and only to the extent that open licensing is permitted under the terms of any licenses or other legal restrictions on the use of pre-existing works.

(b)(1) With respect to copyrightable work identified in paragraph (a) of this

section, the grantee or subgrantee must grant to the public a worldwide, non-exclusive, royalty-free, perpetual, and irrevocable license to—

(i) Access, reproduce, publicly perform, publicly display, and distribute the copyrightable work;

(ii) Prepare derivative works and reproduce, publicly perform, publicly display and distribute those derivative works; and

(iii) Otherwise use the copyrightable work, provided that in all such instances attribution is given to the copyright holder.

(2) Grantees and subgrantees may select any open licenses that comply with the requirements of this section, including, at the grantee's or subgrantee's discretion, a license that limits use to noncommercial purposes. The open license also must contain—

(i) A symbol or device that readily communicates to users the permissions granted concerning the use of the copyrightable work:

(ii) Machine-readable code for digital resources;

(iii) Readily accessed legal terms; and

(iv) The statement of attribution and disclaimer specified in 34 CFR 75.620(b).

(c) A grantee or subgrantee that is awarded competitive grant funds must have a plan to disseminate the openly licensed copyrightable works identified in paragraph (a) of this section.

(d)(1) The requirements of paragraphs (a), (b), and (c) of this section do not apply to—

(i) Grants that provide funding for general operating expenses;

(ii) Grants that provide support to individuals (*e.g.*, scholarships, fellowships);

(iii) Grant deliverables that are jointly funded by the Department and another Federal agency if the other Federal agency does not require the open licensing of its grant deliverables for the relevant grant program;

(iv) Copyrightable works created by the grantee or subgrantee that are not created with Department grant funds;

(v) Peer-reviewed scholarly publications that arise from any scientific research funded, either fully or partially, from grants awarded by the Department;

# §3474.21

(vi) Grantees or subgrantees under the Ready To Learn Television Program, as defined in the Elementary and Secondary Education Act of 1965, as amended, Title II, Subpart 3, Sec. 2431, 20 U.S.C. 6775;

(vii) A grantee or subgrantee that has received an exception from the Secretary under 2 CFR 3474.5 and 2 CFR 200.102 (*e.g.*, where the Secretary has determined that the grantee's dissemination plan would likely achieve meaningful dissemination equivalent to or greater than the dissemination likely to be achieved through compliance with paragraph (a) or (b) of this section, or compliance with paragraph (a) or (b) of this section would impede the grantee's ability to form the required partnerships necessary to carry out the purpose of the grant); and

(viii) Grantees or subgrantees for which compliance with these requirements would conflict with, or materially undermine the ability to protect or enforce, other intellectual property rights or obligations of the grantee or subgrantee, in existence or under development, including those provided under 15 U.S.C. 1051, et seq., 18 U.S.C. 1831-1839, and 35 U.S.C. 200, et seq.

(2) The requirements of paragraphs (a), (b), and (c) of this section do not alter any applicable rights in the grant deliverable available under 17 U.S.C. 106A, 203 or 1202, 15 U.S.C. 1051, *et seq.*, or State law.

(e) The license set out in paragraph (b)(1) of this section shall not extend to any copyrightable work incorporated in the grant deliverable that is owned by a party other than the grantee or subgrantee, unless the grantee or subgrantee has acquired the right to provide such a license in that work.

(f) Definition. For purposes of this section,

(1) A grant deliverable is a final version of a work, including any final version of program support materials necessary to the use of the deliverable, developed to carry out the purpose of the grant, as specified in the grant announcement.

(2) A derivative work means a derivative work as defined in the Copyright Act, 17 U.S.C. 101.

#### §3485.12 What does this part do?

(a)(1) The Department of Education (the "Department" or "ED") adopts subparts A through I of the Office of Management and Budget guidance in 2 CFR part 180. Thus, this part gives regulatory effect to the OMB guidance and supplements the guidance as needed for the Department. This part satisfies the requirements in section 3 of Executive Order 12549, "Debarment and Suspension" (3 CFR part 1986 Comp., p. 189), Executive Order 12689, "Debarment and Suspension" (3 CFR part 1989 Comp., p. 235) and 31 U.S.C. 6101 note (Section 2455, Pub. L. 103–355, 108 Stat. 3327).

(2) The table of contents for this part contains only those sections in part 3485 that include supplements to the guidance in part 180 and new sections needed to implement the guidance for the Department's programs. In those sections of the OMB guidance that are supplemented, the section in part 3485 includes both the text of the OMB guidance that is not affected by the change and any additional paragraphs that need to be added to the OMB guidance. For example, §180.220 of this title contains only paragraphs (a) and (b). The text of §3485.220, which supplements §180.220 to extend lower-tier transactions to certain transactions below the primary tier, includes both the text of paragraph (a) and (b) of §180.220 and the text of added paragraph (c).

(3) In those sections in part 180 that do not have paragraph designations and that the Department supplements, the section in this part implementing the OMB guidance designates the undesignated paragraph from part 180 as paragraph (a) and the first supplemental paragraph as paragraph (b). For example, 2 CFR 180.330 includes an undesignated lead in paragraph and two subparagraphs designated (a) and (b). In §3485.330, the undesignated paragraph in 2 CFR 180.330 is designated paragraph (a) and the two subparagraphs are designated paragraphs (1) and (2). The added paragraphs are designated paragraph (b) and (c).

(b) The authority for all the provisions in 2 CFR part 180 as adopted in this part is listed as follows.

AUTHORITY: E.O. 12549 (3 CFR 1986 Comp., p. 189); E.O. 12689 (3 CFR 1989 Comp., p. 235); sec. 2455, Pub. L. 103–355, 108 Stat. 3327 (31 U.S.C. 6101 note); 20 U.S.C. 1082, 1094, 1221e–3, and 3474.

# § 3485.32

### §3485.32 What policies and procedures must I follow?

The Department's policies and procedures that you must follow are the policies and procedures specified in this part and in Subparts A through I of 2 CFR part 180. The contracts that are covered transactions, for example, are specified in §3485.220. Section 180.205 of this title does not require supplementation, so it is not included in the table of contents for this part and is not separately stated in this part.

(Authority: E.O. 12549 (3 CFR 1986 Comp., p. 189); E.O. 12689 (3 CFR 1989 Comp., p. 235); sec. 2455, Pub. L. 103–355, 108 Stat. 3327 (31 U.S.C. 6101 note); 20 U.S.C. 1082, 1094, 1221e–3, and 3474)

### Subpart A—General

#### §3485.137 May the Department grant an exception to let an excluded person participate in a covered transaction?

(a) Yes, the Secretary delegates to the ED Deciding Official the authority under this section to grant an exception permitting an excluded person to participate in a particular covered transaction.

(b) If the ED Deciding Official grants an exception, the exception must be in writing and state the reason(s) for deviating from the Governmentwide policy in Executive Order 12549.

(Authority: E.O. 12549 (3 CFR 1986 Comp., p. 189); E.O. 12689 (3 CFR 1989 Comp., p. 235); sec. 2455, Pub. L. 103-355, 108 Stat. 3327 (31 U.S.C. 6101 note); 20 U.S.C. 1082, 1094, 1221e-3, and 3474)

# Subpart B—Covered Transactions

# §3485.220 Are any procurement contracts included as covered transactions?

(a) Covered transactions under this part—

(1) Do not include any procurement contracts awarded directly by a Federal agency; but

(2) Do include some procurement contracts awarded by non-Federal participants in nonprocurement covered transactions.

# 2 CFR Ch. XXXIV (1–1–22 Edition)

(b) Specifically, a contract for goods or services is a covered transaction if any of the following applies:

(1) The contract is awarded by a participant in a nonprocurement transaction that is covered under §180.210 of this title, and the amount of the contract is expected to equal or exceed \$25,000.

(2) The contract requires the consent of an official of a Federal agency. In that case, the contract, regardless of the amount, always is a covered transaction, and it does not matter who awarded it. For example, it could be a subcontract awarded by a contractor at a tier below a nonprocurement transaction, as shown in the Appendix to Part 3485—Covered Transactions.

(3) The contract is for Federally-required audit services.

(4) The contract is to perform services as a third party servicer in connection with a title IV, HEA program.

(c) In addition to the contracts covered under 2 CFR 180.220(b) of the OMB guidance, this part applies to any contract, regardless of tier, that is awarded by a contractor, subcontractor, supplier, consultant, or its agent or representative in any transaction, if the contract is to be funded or provided by ED under a covered nonprocurement transaction and the amount of the contract is expected to equal or exceed \$25,000. This extends the coverage of the ED nonprocurement suspension and debarment requirements to all lower tiers of subcontracts under covered nonprocurement transactions, as permitted under the OMB guidance at 2 CFR 180.220(c) (see optional lower tier coverage in the figure in Appendix A to Part 3485—Covered Transactions).

(Authority: E.O. 12549 (3 CFR 1986 Comp., p. 189); E.O. 12689 (3 CFR 1989 Comp., p. 235); sec. 2455, Pub. L. 103-355, 108 Stat. 3327 (31 U.S.C. 6101 note); 20 U.S.C. 1082, 1094, 1221e-3, and 3474)

# Subpart C—Responsibilities of Participants Regarding Transactions

#### §3485.310 What must I do if a Federal agency excludes a person with whom I am already doing business in a covered transaction?

(a) You as a participant may continue covered transactions with an excluded person if the transactions were in existence when the agency excluded the person. However, you are not required to continue the transactions, and you may consider termination. You should make a decision about whether to terminate and the type of termination action, if any, only after a thorough review to ensure that the action is proper and appropriate.

(b) You may not renew or extend covered transactions (other than no-cost time extensions) with any excluded person, unless another Federal agency responsible for the transaction grants an exception under §180.135 of this title or ED grants an exception under §3485.137.

(c) If you are a title IV, HEA participant, you may not continue a title IV, HEA transaction with an excluded person after the effective date of the exclusion unless permitted by 34 CFR 668.26, 682.702, or 668.94, as applicable.

(Authority: E.O. 12549 (3 CFR 1986 Comp., p. 189); E.O. 12689 (3 CFR 1989 Comp., p. 235); sec. 2455, Pub. L. 103–355, 108 Stat. 3327 (31 U.S.C. 6101 note); 20 U.S.C. 1082, 1094, 1221e–3, and 3474)

#### §3485.315 May I use the services of an excluded person as a principal under a covered transaction?

(a) You as a participant may continue to use the services of an excluded person as a principal under a covered transaction if you were using the services of that person in the transaction before the person was excluded. However, you are not required to continue using that person's services as a principal. You should make a decision about whether to discontinue that person's services only after a thorough review to ensure that the action is proper and appropriate.

(b) You may not begin to use the services of an excluded person as a principal under a covered transaction

unless another Federal agency responsible for the transaction grants an exception under §180.135 of this title or, if ED took the action, an ED deciding official grants an exception under §3485.137.

(c) If you are a title IV, HEA participant—  $\ensuremath{\mathsf{}}$ 

(1) You may not renew or extend the term of any contract or agreement for the services of an excluded person as a principal with respect to a title IV, HEA transaction; and

(2) You may not continue to use the services of that excluded person as a principal under this kind of an agreement or arrangement more than 90 days after you learn of the exclusion or after the close of the Federal fiscal year in which the exclusion takes effect, whichever is later.

(Authority: E.O. 12549 (3 CFR 1986 Comp., p. 189); E.O. 12689 (3 CFR 1989 Comp., p. 235); sec. 2455, Pub. L. 103–355, 108 Stat. 3327 (31 U.S.C. 6101 note); 20 U.S.C. 1082, 1094, 1221e–3, and 3474)

#### §3485.330 What methods must I use to pass requirements down to participants at lower tiers with whom I intend to do business?

(a) Before entering into a covered transaction with a participant at the next lower tier, you must require that participant to—

(1) Comply with this subpart as a condition of participation in the transaction. You must do so using the method specified in paragraph (b) of this section; and

(2) Pass the requirement to comply with this subpart to each person with whom the participant enters into a covered transaction at the next lower tier.

(b) To communicate the requirements in this part to a participant, you must include a term or condition in the transaction that requires the participant's compliance with part 180, subpart C, of this title, as adopted at §3485.12, and requires the participant to include a similar term or condition in lower-tier covered transactions.

(c) The failure of a participant to include a requirement to comply with Subpart C of 2 CFR part 180 in the agreement with a lower tier participant does not affect the lower tier participant's responsibilities under this part.

(Authority: E.O. 12549 (3 CFR 1986 Comp., p. 189); E.O. 12689 (3 CFR 1989 Comp., p. 235); sec. 2455, Pub. L. 103-355, 108 Stat. 3327 (31 U.S.C. 6101 note); 20 U.S.C. 1082, 1094, 1221e-3, and 3474)

# Subpart D—Responsibilities of the Department's Officials Regarding Transactions

#### §3485.415 What must I do if a Federal agency excludes the participant or a principal after I enter into a covered transaction?

(a) You as a Federal agency official may continue covered transactions with an excluded person, or under which an excluded person is a principal, if the transactions were in existence when the person was excluded. You are not required to continue the transactions, however, and you may consider termination. You should make a decision about whether to terminate and the type of termination action, if any, only after a thorough review to ensure that the action is proper.

(b) You may not renew or extend covered transactions (other than no-cost time extensions) with any excluded person, or under which an excluded person is a principal, unless you obtain an exception under §3485.137.

(c) *Title IV*, *HEA transactions*. If you are a title IV, HEA participant—

(1) You may not renew or extend the term of any contract or agreement for the services of an excluded person as a principal with respect to a title IV, HEA transaction; and

(2) You may not continue to use the services of that excluded person as a principal under this kind of an agreement or arrangement more than 90 days after you learn of the exclusion or after the close of the Federal fiscal year in which the exclusion takes effect, whichever is later.

(Authority: E.O. 12549 (3 CFR 1986 Comp., p. 189); E.O. 12689 (3 CFR 1989 Comp., p. 235); sec. 2455, Pub. L. 103–355, 108 Stat. 3327 (31 U.S.C. 6101 note); 20 U.S.C. 1082, 1094, 1221e–3, and 3474)

# 2 CFR Ch. XXXIV (1-1-22 Edition)

#### §3485.437 What method do I use to communicate to a participant the requirements described in §180.435 of this title?

To communicate the requirements in this part to a participant, you must include a term or condition in the transaction that requires the participant's compliance with part 180, subpart C, of this title, as adopted at §3485.12 and requires the participant to include a similar term or condition in lower-tier covered transactions.

(Authority: E.O. 12549 (3 CFR 1986 Comp., p. 189); E.O. 12689 (3 CFR 1989 Comp., p. 235); sec. 2455, Pub. L. 103-355, 108 Stat. 3327 (31 U.S.C. 6101 note); 20 U.S.C. 1082, 1094, 1221e-3, and 3474)

# Subpart E [Reserved]

# Subpart F—General Principles Relating to Suspension and Debarment Actions

#### §3485.611 What procedures do we use for a suspension or debarment action involving a title IV, HEA transaction?

(a) If we suspend a title IV, HEA participant under Executive Order 12549, we use the following procedures to ensure that the suspension prevents participation in title IV, HEA transactions:

(1) The notification procedures in §180.715 of this title.

(2) Instead of the procedures in §§180.720 through 180.760 of this title, the procedures in 34 CFR part 668, subpart G, or 34 CFR part 682, subpart D or G, as applicable.

(3) In addition to the findings and conclusions required by 34 CFR part 668, subpart G, or 34 CFR part 682, subpart D or G, the suspending official, and, on appeal, the Secretary determines whether there is sufficient cause for suspension as explained in §180.700 of this title.

(b) If we debar a title IV, HEA participant under E.O. 12549, we use the following procedures to ensure that the debarment also precludes participation in title IV, HEA transactions:

(1) The notification procedures in §§ 180.805 and 180.870 of this title.

(2) Instead of the procedures in §§ 180.810 through 180.885 of this title,

# Department of Education

the procedures in 34 CFR part 668, subpart G, or 34 CFR part 682, subpart D or G, as applicable.

(3) On appeal from a decision debarring a title IV, HEA participant, we issue a final decision after we receive any written materials from the parties.

(4) In addition to the findings and conclusions required by 34 CFR part 668, subpart G, or 34 CFR part 682, subpart D or G, the debarring official, and, on appeal, the Secretary determines whether there is sufficient cause for debarment as explained in §180.800 of this title.

(Authority: E.O. 12549 (3 CFR 1986 Comp., p. 189); E.O. 12689 (3 CFR 1989 Comp., p. 235); sec. 2455, Pub. L. 103-355, 108 Stat. 3327 (31 U.S.C. 6101 note); 20 U.S.C. 1082, 1094, 1221e-3, and 3474)

#### §3485.612 When does an exclusion by another agency affect the ability of the excluded person to participate in a title IV, HEA transaction?

(a) If a title IV, HEA participant is debarred by another agency under E.O. 12549, using procedures described in paragraph (d) of this section, that party is not eligible to enter into title IV, HEA transactions for the duration of the debarment.

(b)(1) If a title IV, HEA participant is suspended by another agency under E.O. 12549 or under a proposed debarment under the Federal Acquisition Regulation (FAR) (48 CFR part 9, subpart 9.4), using procedures described in paragraph (d) of this section, that party is not eligible to enter into title IV, HEA transactions for the duration of the suspension.

(2)(i) The suspension of title IV, HEA eligibility as a result of suspension by another agency lasts for at least 60 days.

(ii) If the excluded party does not object to the suspension, the 60-day period begins on the 35th day after that agency issues the notice of suspension.

(iii) If the excluded party objects to the suspension, the 60-day period begins on the date of the decision of the suspending official.

(3) The suspension of title IV, HEA eligibility does not end on the 60th day if—

(i) The excluded party agrees to an extension; or

(ii) Before the 60th day we begin a limitation or termination proceeding against the excluded party under 34 CFR part 668, subpart G, or part 682, subpart D or G.

(c)(1) If a title IV, HEA participant is debarred or suspended by another Federal agency—

(i) We notify the participant whether the debarment or suspension prohibits participation in title IV, HEA transactions; and

(ii) If participation is prohibited, we state the effective date and duration of the prohibition.

(2) If a debarment or suspension by another agency prohibits participation in title IV, HEA transactions, that prohibition takes effect 20 days after we mail notice of our action.

(3) If the Department or another Federal agency suspends a title IV, HEA participant, we determine whether grounds exist for an emergency action against the participant under 34 CFR part 668, subpart G, or part 682, subpart D or G, as applicable.

(4) We use the procedures in §3485.611 to exclude a title IV, HEA participant excluded by another Federal agency using procedures that did not meet the standards in paragraph (d) of this section.

(d) If a title IV, HEA participant is excluded by another agency, we debar, terminate, or suspend the participant as provided under this part, 34 CFR part 668, or 34 CFR part 682, as applicable—if that agency followed procedures that gave the excluded party—

(1) Notice of the proposed action;

(2) An opportunity to submit and have considered evidence and argument to oppose the proposed action;

(3) An opportunity to present its objection at a hearing—

(i) At which the agency has the burden of persuasion by a preponderance of the evidence that there is cause for the exclusion; and

(ii) Conducted by an impartial person who does not also exercise prosecutorial or investigative responsibilities with respect to the exclusion action;

(4) An opportunity to present witness testimony, unless the hearing official finds that there is no genuine dispute about a material fact;

# §3485.711

(5) An opportunity to have agency witnesses with personal knowledge of material facts in genuine dispute testify about those facts, if the hearing official determines their testimony to be needed, in light of other available evidence and witnesses; and

(6) A written decision stating findings of fact and conclusions of law on which the decision is rendered.

(Authority: E.O. 12549 (3 CFR 1986 Comp., p. 189); E.O. 12689 (3 CFR 1989 Comp., p. 235); sec. 2455, Pub. L. 103–355, 108 Stat. 3327 (31 U.S.C. 6101 note); 20 U.S.C. 1082, 1094, 1221e–3, and 3474)

# Subpart G—Suspension

#### §3485.711 When does a suspension affect title IV, HEA transactions?

(a) A suspension under §3485.611(a) takes effect immediately if the Secretary takes an emergency action under 34 CFR part 668, subpart G, or 34 CFR part 682, subpart D or G, at the same time the Secretary issues the suspension.

(b)(1) Except as provided under paragraph (a) of this section, a suspension under §3485.611(a) takes effect 20 days after those procedures are complete.

(2) If the respondent appeals the suspension to the Secretary before the expiration of the 20 days under paragraph (b)(1) of this section, the suspension takes effect when the respondent receives the Secretary's decision.

(Authority: E.O. 12549 (3 CFR 1986 Comp., p. 189); E.O. 12689 (3 CFR 1989 Comp., p. 235); sec. 2455, Pub. L. 103–355, 108 Stat. 3327 (31 U.S.C. 6101 note); 20 U.S.C. 1082, 1094, 1221e–3, and 3474)

### Subpart H—Debarment

### §3485.811 When does a debarment affect title IV, HEA transactions?

(a) A debarment under §3485.611(b) takes effect 30 days after those procedures are complete.

(b) If the respondent appeals the debarment to the Secretary before the expiration of the 30 days under paragraph (a) of this section, the debarment

## §3513.20 Does this part apply to me?

This part and, through this part, pertinent portions of the OMB guidance in subparts A through I of 2 CFR part 180 (see table at 2 CFR 180.100(b)) apply to you if you are a—

The DAP will then make a recommendation to the EAC Commissioners who will vote by circulation on whether to accept or reject the recommendation of the DAP. A request to review the debarring official's decision to debar you must be made within 30 days of your receipt of the debarring official's decision under §180.870 or paragraph (a)(1) of this section. However, the DAP may recommend to the EAC Commissioners that the debarring official's decision be reversed, based on a majority vote of the DAP, only where the DAP finds that the decision is based on a clear error of material fact or law, or where DAP finds that the debarring official's decision was arbitrary, capricious, or an abuse of discretion. You may appeal the debarring official's decision without requesting reconsideration, or you may appeal the decision of the debarring official on reconsideration.

(b) A request for review under this section must be in writing; prominently state on the envelope or other cover and at the top of the first page "Debarment Appeal;" state the specific findings you believe to be in error; and include the reasons or legal bases for your position. The appeal request should be delivered or addressed to the U.S. Election Assistance Commission, 1201 New York Avenue, NW., Suite 300, Washington, DC 20005.

(c) After the circulation vote of the EAC Commissioners has been certified, either the Commission debarring official or the DAP must notify you of

(d) [Reserved]

(e) Nothing in this part prohibits the EAC from delegating the appeal review process to another Federal agency through a memorandum of understanding or interagency agreement.
