

§ 225.23

it is determined that the following conditions are met:

(1) The minerals agreement is in the best interest of the Indian mineral owner;

(2) The minerals agreement does not have adverse cultural, social, or environmental impacts sufficient to outweigh its expected benefits to the Indian mineral owners; and,

(3) The minerals agreement complies with the requirements of this part and all other applicable regulations and the provisions of applicable Federal law.

(d) The determinations required by paragraph (c) of this section shall be based on the written findings required by paragraph (b) and paragraphs (b)(1) through (b)(4), inclusive, of this section. The question of “best interest” within the meaning of paragraph (c)(1) of this section shall be determined by the Secretary based on information obtained from the parties, and any other information considered relevant by the Secretary, including, but not limited to, a review of comparable contemporary contractual arrangements or offers for the development of similar mineral resources received by Indian mineral owners, by non-Indian mineral owners, or by the Federal Government, insofar as that information is readily available.

(e) If a Superintendent or Area Director believes that a minerals agreement should not be approved, a written statement of the reasons why the minerals agreement should not be approved shall be prepared and forwarded, together with the minerals agreement, the written findings required by paragraph (b) and subparagraphs (b)(1) through (b)(4), inclusive, of this section, and all other pertinent documents, to the Secretary for a decision with a copy to the affected Indian mineral owner.

(f) The Secretary shall review any minerals agreement referred with a recommendation that it be disapproved, and the Secretary’s decision to disapprove a minerals agreement shall be deemed a final Federal agency action (25 U.S.C. 2103(d)).

25 CFR Ch. I (4–1–22 Edition)

§ 225.23 Economic assessments.

The Secretary shall prepare or cause to be prepared an economic assessment that shall address, among other things:

(a) Whether there are assurances in the minerals agreement that operations shall be conducted with appropriate diligence;

(b) Whether the production royalties or other form of return on mineral resources is adequate; and

(c) Whether the minerals agreement is likely to provide the Indian mineral owner with a return on the production comparable to what the owner might otherwise obtain through competitive bidding, when such a comparison can reasonably be made.

§ 225.24 Environmental studies.

(a) The Secretary shall ensure that all environmental studies are prepared as required by the National Environmental Policy Act of 1969 (NEPA) and the regulations promulgated by the Council on Environmental Quality (CEQ) found at 40 CFR parts 1500–1508.

(b) The Secretary shall ensure that all necessary surveys are performed and clearances obtained in accordance with 36 CFR parts 60, 63, and 800 and with the requirements of the Archaeological and Historic Preservation Act (16 U.S.C. 469 *et seq.*), the National Historic Preservation Act (16 U.S.C. 470 *et seq.*), the American Indian Religious Freedom Act (42 U.S.C. 1996), and Executive Order 11593 (3 CFR 1971–1975 Comp., p. 559, May 13, 1971). If these surveys indicate that a mineral development will have an adverse effect on a property listed on or eligible for listing on the National Register of Historic Places, the Secretary shall:

(1) Seek the comments of the Advisory Council on Historic Preservation, in accordance with 36 CFR part 800;

(2) Ensure that the property is avoided, that the adverse effect is mitigated, or that appropriate excavations or other related research is conducted; and

(3) Ensure that complete data describing the historic property is preserved.

§ 225.25 Resolution of disputes.

A minerals agreement shall contain provisions for resolving disputes that
