§ 685.204 Deferment.

(a) *General.* (1) A Direct Subsidized Loan or Direct Subsidized Consolidation Loan borrower who meets the requirements described in paragraphs (b), (d), (e), (f), (g), (h), (i), or (j) of this section is eligible for a deferment during which periodic installments of principal and interest need not be paid.

(2) A Direct Unsubsidized Loan, Direct Unsubsidized Consolidation Loan, Direct PLUS Loan, or Direct PLUS Consolidation Loan borrower who meets the requirements described in paragraphs (b) through (j) of this section is eligible for a deferment during which periodic installments of principal need not be paid but interest does accrue and is capitalized or paid by the borrower. At or before the time a deferment is granted, the Secretary provides information, including an example, to assist the borrower in understanding the impact of capitalization of accrued, unpaid interest on the borrower's loan principal and on the total amount of interest to be paid over the life of the loan.

(3) A borrower whose loan is in default is not eligible for a deferment, unless the borrower has made payment arrangements satisfactory to the Secretary.

(4)(i) To receive a deferment, except as provided for in-school deferments under paragraphs (b)(2)(ii) through (iv) of this section, the borrower must request the deferment and, except as pro-

vided in paragraph (a)(5)(i) of this section, provide the Secretary with all information and documents required to establish eligibility for the deferment.

(ii) In the case of a military service deferment under paragraph (h) of this section, a borrower's representative may request the deferment and provide the required information and documents on behalf of the borrower. If the Secretary grants a military service deferment based on a request from a borrower's representative, the Secretary notifies the borrower that the deferment has been granted and that the borrower has the option to cancel the deferment and continue to make payments on the loan. The Secretary may also notify the borrower's representative of the outcome of the deferment request.

(5)(i) After receiving a borrower's written or verbal request for a deferment, the Secretary may grant a graduate fellowship deferment under paragraph (d), a rehabilitation training deferment under paragraph (e), an unemployment deferment under paragraph (f), an economic hardship deferment under paragraph (g), a military service deferment under paragraph (h), or a post-active duty student deferment under paragraph (i) of this section if the Secretary confirms that the borrower has received a deferment on a FFEL Program loan for the same reason and during the same time period.

(ii) The Secretary will grant a deferment based on the information obtained under paragraph (a)(5)(i) of this section when determining a borrower's eligibility for a deferment, unless the Secretary, as of the date of the determination, has information indicating that the borrower does not qualify for the deferment. The Secretary will resolve any discrepant information before granting a deferment under paragraph (a)(5)(i) of this section.

(iii) If the Secretary grants a deferment under paragraph (a)(5)(i) of this section, the Secretary notifies the borrower that the deferment has been granted and that the borrower has the option to cancel the deferment and continue to make payments on the loan.

(b) *In-school deferment.* (1) A Direct Loan borrower is eligible for a deferment during any period during which—

(i) The borrower is carrying at least one-half the normal full-time work load for the course of study that the borrower is pursuing, as determined by the eligible school the borrower is attending; and

(ii) The borrower is not serving in a medical internship or residency program, except for a residency program in dentistry.

(2) For the purpose of paragraph (b)(1) of this section, the Secretary processes a deferment when—

(i) The borrower submits a request to the Secretary along with documentation verifying the borrower's eligibility;

(ii) The Secretary receives information from the borrower's school indicating that the borrower is eligible to receive a new loan;

(iii) The Secretary receives student status information from the borrower's school, either directly or indirectly, indicating that the borrower is enrolled on at least a half-time basis; or

(iv) The Secretary confirms a borrower's half-time enrollment status through the use of the National Student Loan Data System if requested to do so by the school the borrower is attending.

(3)(i) Upon notification by the Secretary that a deferment has been granted based on paragraph (b)(2)(ii), (iii), or (iv) of this section, the borrower has the option to cancel the deferment and continue to make payments on the loan.

(ii) If the borrower elects to cancel the deferment and continue to make payments on the loan, the borrower has the option to make the principal and interest payments that were deferred. If the borrower does not make the payments, the Secretary applies a deferment for the period in which payments were not made and capitalizes the interest.

(c) *In-school deferments for Direct PLUS Loan borrowers with loans first disbursed on or after July 1, 2008.* (1)(i) A student Direct PLUS Loan borrower is eligible for a deferment on a Direct PLUS Loan first disbursed on or after

July 1, 2008 during the six-month period that begins on the day after the student ceases to be enrolled on at least a half-time basis at an eligible institution.

(ii) If the Secretary grants an in-school deferment to a student Direct PLUS Loan borrower in accordance with § 685.204(b)(2)(ii), (iii), or (iv), the deferment period for a Direct PLUS Loan first disbursed on or after July 1, 2008 includes the six-month post-enrollment period described in paragraph (c)(1)(i) of this section.

(2) A parent Direct PLUS Loan borrower is eligible for a deferment on a Direct PLUS Loan first disbursed on or after July 1, 2008—

(i) Upon the request of the borrower, during the period when the student on whose behalf the loan was obtained is enrolled at an eligible institution on at least a half-time basis; and

(ii) Upon the request of the borrower, during the six-month period that begins on the later of the day after the student on whose behalf the loan was obtained ceases to be enrolled on at least a half-time basis or, if the parent borrower is also a student, the day after the parent borrower ceases to be enrolled on at least a half-time basis.

(d) *Graduate fellowship deferment.* (1) A Direct Loan borrower is eligible for a deferment during any period in which an authorized official of the borrower's graduate fellowship program certifies that the borrower is pursuing a course of study pursuant to an eligible graduate fellowship program in accordance with paragraph (d)(2) of this section.

(2)(i) To qualify for a deferment under paragraph (d)(1) of this section, a borrower must—

(A) Hold at least a baccalaureate degree conferred by an institution of higher education;

(B) Have been accepted or recommended by an institution of higher education for acceptance on a full-time basis into an eligible graduate fellowship program, as defined in paragraph (d)(2)(ii) of this section; and

(C) Not be serving in a medical internship or residency program, except for a residency program in dentistry.

(ii) An eligible graduate fellowship program is a fellowship program that—

(A) Provides sufficient financial support to graduate fellows to allow for full-time study for at least six months;

(B) Requires a written statement from each applicant explaining the applicant's objectives before the award of that financial support;

(C) Requires a graduate fellow to submit periodic reports, projects, or evidence of the fellow's progress; and

(D) In the case of a course of study at a foreign university, accepts the course of study for completion of the fellowship program.

(e) *Rehabilitation training program deferment.* (1) A Direct Loan borrower is eligible for a deferment during any period in which an authorized official of the borrower's rehabilitation training program certifies that the borrower is pursuing an eligible rehabilitation training program for individuals with disabilities in accordance with paragraph (e)(2) of this section.

(2) For purposes of paragraph (e)(1) of this section, an eligible rehabilitation training program for disabled individuals is a program that—

(i) Is licensed, approved, certified, or otherwise recognized as providing rehabilitation training to disabled individuals by—

(A) A State agency with responsibility for vocational rehabilitation programs;

(B) A State agency with responsibility for drug abuse treatment programs;

(C) A State agency with responsibility for mental health services programs;

(D) A State agency with responsibility for alcohol abuse treatment programs; or

(E) The Department of Veterans Affairs; and

(ii) Provides or will provide the borrower with rehabilitation services under a written plan that—

(A) Is individualized to meet the borrower's needs;

(B) Specifies the date on which the services to the borrower are expected to end; and

(C) Is structured in a way that requires a substantial commitment by the borrower to his or her rehabilitation. The Secretary considers a substantial commitment by the borrower

to be a commitment of time and effort that normally would prevent an individual from engaging in full-time employment, either because of the number of hours that must be devoted to rehabilitation or because of the nature of the rehabilitation. For the purpose of this paragraph, full-time employment involves at least 30 hours of work per week and is expected to last at least three months.

(f) *Unemployment deferment.* (1) A Direct Loan borrower is eligible for a deferment during periods that, collectively, do not exceed three years in which the borrower is seeking and unable to find full-time employment.

(2) A borrower qualifies for an unemployment deferment by—

(i) Providing evidence of eligibility for unemployment benefits to the Secretary; or

(ii) Providing to the Secretary a written certification, or an equivalent as approved by the Secretary, that—

(A) The borrower has registered with a public or private employment agency, if one is available to the borrower within a 50-mile radius of the borrower's current address; and

(B) For all requests beyond the initial request, the borrower has made at least six diligent attempts during the preceding six-month period to secure full-time employment.

(3) For purposes of obtaining an unemployment deferment under paragraph (f)(2)(ii) of this section, the following rules apply:

(i) A borrower may qualify for an unemployment deferment whether or not the borrower has been previously employed.

(ii) An unemployment deferment is not justified if the borrower refuses to seek or accept employment in kinds of positions or at salary and responsibility levels for which the borrower feels overqualified by virtue of education or previous experience.

(iii) Full-time employment involves at least 30 hours of work a week and is expected to last at least three months.

(iv) The initial period of unemployment deferment may be granted for a period of unemployment beginning up to six months before the date the Secretary receives the borrower's request,

and may be granted for up to six months after that date.

(4) The Secretary does not grant an unemployment deferment beyond the date that is six months after the date the borrower provides evidence of the borrower's eligibility for unemployment insurance benefits under paragraph (f)(2)(i) of this section or the date the borrower provides the written certification, or an approved equivalent, under paragraph (f)(2)(ii) of this section.

(g) *Economic hardship deferment.* (1)(i) A Direct Loan borrower is eligible for a deferment during periods that, collectively, do not exceed three years in which the borrower has experienced or will experience an economic hardship in accordance with paragraph (g)(2) of this section.

(ii) An economic hardship deferment is granted for periods of up to one year at a time, except that a borrower who receives a deferment under paragraph (g)(2)(iv) of this section may receive an economic hardship deferment for the lesser of the borrower's full term of service in the Peace Corps or the borrower's remaining period of economic hardship deferment eligibility under the 3-year maximum.

(2) A borrower qualifies for an economic hardship deferment if the borrower—

(i) Has been granted an economic hardship deferment under either the FFEL or the Federal Perkins Loan programs for the period of time for which the borrower has requested an economic hardship deferment for his or her Direct Loan;

(ii) Is receiving payment under a Federal or State public assistance program, such as Aid to Families with Dependent Children, Supplemental Security Income, Food Stamps, or State general public assistance;

(iii) Is working full-time (as defined in paragraph (g)(3)(iii) of this section) and has a monthly income (as defined in paragraph (g)(3)(iv) of this section) that does not exceed the greater of (as calculated on a monthly basis)—

(A) The minimum wage rate described in section 6 of the Fair Labor Standards Act of 1938; or

(B) An amount equal to 150 percent of the poverty guideline applicable to the

borrower's family size (as defined in paragraph (g)(3)(v) of this section) as published annually by the Department of Health and Human Services pursuant to 42 U.S.C. 9902(2). If a borrower is not a resident of a State identified in the poverty guidelines, the poverty guideline to be used for the borrower is the poverty guideline (for the relevant family size) used for the 48 contiguous States; or

(iv) Is serving as a volunteer in the Peace Corps.

(3) The following rules apply to a deferment granted under paragraph (g)(2)(iii) of this section:

(i) For an initial period of deferment, the Secretary requires the borrower to submit evidence showing the amount of the borrower's monthly income.

(ii) To qualify for a subsequent period of deferment that begins less than one year after the end of a period of deferment under paragraph (g)(2)(iii) of this section, the Secretary requires the borrower to submit evidence showing the amount of the borrower's monthly income or a copy of the borrower's most recently filed Federal income tax return.

(iii) A borrower is considered to be working full-time if the borrower is expected to be employed for at least three consecutive months at 30 hours per week.

(iv) A borrower's monthly income is the gross amount of income received by the borrower from employment and from other sources, or one-twelfth of the borrower's adjusted gross income, as recorded on the borrower's most recently filed Federal income tax return.

(v) Family size means the number that is determined by counting the borrower, the borrower's spouse, and the borrower's children, including unborn children who will be born during the period covered by the deferment, if the children receive more than half their support from the borrower. A borrower's family size includes other individuals if, at the time the borrower requests the economic hardship deferment, the other individuals—

(A) Live with the borrower; and

(B) Receive more than half their support from the borrower and will continue to receive this support from the

borrower for the year the borrower certifies family size. Support includes money, gifts, loans, housing, food, clothes, car, medical and dental care, and payment of college costs.

(h) *Military service deferment.* (1) A Direct Loan borrower is eligible for a deferment during any period in which the borrower is—

(i) Serving on active duty during a war or other military operation or national emergency, as defined in paragraph (h)(5) of this section; or

(ii) Performing qualifying National Guard duty during a war or other military operation or national emergency, as defined in paragraph (h)(5) of this section.

(2) For a borrower whose active duty service includes October 1, 2007, or begins on or after that date, the deferment period ends 180 days after the demobilization date for each period of the service described in paragraphs (h)(1)(i) and (h)(1)(ii) of this section.

(3) Without supporting documentation, the military service deferment will be granted to an otherwise eligible borrower for a period not to exceed the initial 12 months from the date the qualifying eligible service began based on a request from the borrower or the borrower's representative.

(4) The provisions of paragraph (h) of this section do not authorize the refunding of any payments made by or on behalf of a borrower during a period for which the borrower qualified for a military service deferment.

(5) As used in paragraph (h) of this section—

(i) *Serving on active duty during a war or other military operation or national emergency* means service by an individual who is—

(A) A Reserve of an Armed Force ordered to active duty under 10 U.S.C. 12301(a), 12301(g), 12302, 12304, or 12306;

(B) A retired member of an Armed Force ordered to active duty under 10 U.S.C. 688 for service in connection with a war or other military operation or national emergency, regardless of the location at which such active duty service is performed; or

(C) Any other member of an Armed Force on active duty in connection with such emergency or subsequent actions or conditions who has been as-

signed to a duty station at a location other than the location at which the member is normally assigned;

(ii) *Qualifying National Guard duty during a war or other operation or national emergency* means service as a member of the National Guard on full-time National Guard duty, as defined in 10 U.S.C. 101(d)(5) under a call to active service authorized by the President or the Secretary of Defense for a period of more than 30 consecutive days under 32 U.S.C. 502(f) in connection with a war, other military operation, or national emergency declared by the President and supported by Federal funds;

(iii) *Active duty* means active duty as defined in 10 U.S.C. 101(d)(1) except that it does not include active duty for training or attendance at a service school;

(iv) *Military operation* means a contingency operation as defined in 10 U.S.C. 101(a)(13); and

(v) *National emergency* means the national emergency by reason of certain terrorist attacks declared by the President on September 14, 2001, or subsequent national emergencies declared by the President by reason of terrorist attacks.

(i) *Post-active duty student deferment.* (1) A Direct Loan borrower is eligible for a deferment for 13 months following the conclusion of the borrower's active duty military service and any applicable grace period if—

(i) The borrower is a member of the National Guard or other reserve component of the Armed Forces of the United States or a member of such forces in retired status; and

(ii) The borrower was enrolled on at least a half-time basis in a program of instruction at an eligible institution at the time, or within six months prior to the time, the borrower was called to active duty.

(2) As used in paragraph (i)(1) of this section, "active duty" means active duty as defined in 10 U.S.C. 101(d)(1) for at least a 30-day period, except that—

(i) Active duty includes active State duty for members of the National Guard under which a Governor activates National Guard personnel based

on State statute or policy and the activities of the National Guard are paid for with State funds;

(ii) Active duty includes full-time National Guard duty under which a Governor is authorized, with the approval of the President or the U.S. Secretary of Defense, to order a member to State active duty and the activities of the National Guard are paid for with Federal funds;

(iii) Active duty does not include active duty for training or attendance at a service school; and

(iv) Active duty does not include employment in a full-time, permanent position in the National Guard unless the borrower employed in such a position is reassigned to active duty under paragraph (i)(2)(i) of this section or full-time National Guard duty under paragraph (i)(2)(ii) of this section.

(3) If the borrower returns to enrolled student status on at least a half-time basis during the grace period or the 13-month deferment period, the deferment expires at the time the borrower returns to enrolled student status on at least a half-time basis.

(4) If a borrower qualifies for both a military service deferment and a post-active duty student deferment, the 180-day post-demobilization military service deferment period and the 13-month post-active duty student deferment period apply concurrently.

(j) *Additional deferments for Direct Loan borrowers with FFEL Program loans made before July 1, 1993.* If, at the time of application for a borrower's first Direct Loan, a borrower has an outstanding balance of principal or interest owing on any FFEL Program loan that was made, insured, or guaranteed prior to July 1, 1993, the borrower is eligible for a deferment during—

(1) The periods described in paragraphs (b) through (i) of this section; and

(2) The periods described in 34 CFR 682.210(b), including those periods that apply to a “new borrower” as that term is defined in 34 CFR 682.210(b)(7).

§ 685.205 Forbearance.

(a) *General.* “Forbearance” means permitting the temporary cessation of payments, allowing an extension of time for making payments, or temporarily accepting smaller payments than previously scheduled. The borrower has the option to choose the form of forbearance. Except as provided in paragraph (b)(9) of this section, if payments of interest are forborne, they are capitalized. The Secretary grants forbearance if the borrower or endorser intends to repay the loan but requests forbearance and provides sufficient documentation to support this request, and—

(1) The Secretary determines that, due to poor health or other acceptable reasons, the borrower or endorser is currently unable to make scheduled payments;

(2) The borrower's payments of principal are deferred under § 685.204 and the Secretary does not subsidize the interest benefits on behalf of the borrower;

(3) The borrower is in a medical or dental internship or residency that must be successfully completed before the borrower may begin professional practice or service, or the borrower is serving in a medical or dental internship or residency program leading to a degree or certificate awarded by an institution of higher education, a hospital, or a health care facility that offers postgraduate training;

(4) The borrower is serving in a national service position for which the borrower is receiving a national service education award under title I of the National and Community Service Act of 1990;

(5)(i) The borrower is performing the type of service that would qualify the borrower for loan forgiveness under the requirements of the teacher loan forgiveness program in § 685.217.

(ii) Before a forbearance is granted under § 685.205(a)(5)(i), the borrower must—

(A) Submit documentation for the period of the annual forbearance request showing the beginning and ending dates that the borrower is expected to perform, for that year, the type of service described in § 685.217(c); and

§ 685.205

34 CFR Ch. VI (7-1-22 Edition)

(B) Certify the borrower's intent to satisfy the requirements of § 685.217(c).

(iii) The Secretary grants forbearance under paragraph (a)(5) of this section only if the Secretary believes, at the time of the borrower's annual request, that the expected forgiveness amount under § 685.217(d) will satisfy the anticipated remaining outstanding balance on the borrower's loan at the time of the expected forgiveness;

(6) For not more than three years during which the borrower or endorser—

(i) Is currently obligated to make payments on loans under title IV of the Act; and

(ii) The sum of these payments each month (or a proportional share if the payments are due less frequently than monthly) is equal to or greater than 20 percent of the borrower's or endorser's total monthly gross income.

(7) The borrower is a member of the National Guard who qualifies for a post-active duty student deferment, but does not qualify for a military service or other deferment, and is engaged in active State duty for a period of more than 30 consecutive days, beginning—

(i) On the day after the grace period expires for a Direct Subsidized Loan or Direct Unsubsidized Loan that has not entered repayment; or

(ii) On the day after the borrower ceases enrollment on at least a half-time basis, for a Direct Loan in repayment.

(8)(i) The Secretary may grant a forbearance to permit a borrower or endorser to resume honoring the agreement to repay the debt after default. The terms of the forbearance agreement in this situation must include a new agreement to repay the debt signed by the borrower or endorser or a written or oral affirmation of the borrower's or endorser's obligation to repay the debt.

(ii) If the forbearance is based on the borrower's or endorser's oral affirmation of the obligation to repay the debt, the forbearance period is limited to 120 days, such a forbearance is not granted consecutively, and the Secretary will—

(A) Orally review with the borrower the terms and conditions of the for-

bearance, including the consequences of interest capitalization, and all other repayment options available to the borrower;

(B) Send a notice to the borrower or endorser that confirms the terms of the forbearance and the borrower's or endorser's affirmation of the obligation to repay the debt and that includes information on all other repayment options available to the borrower; and

(C) Retain a record of the terms of the forbearance and affirmation in the borrower's or endorser's file.

(iii) For purposes of this section, an "affirmation" means an acknowledgment of the loan by the borrower or endorser in a legally binding manner. The form of the affirmation may include, but is not limited to, the borrower's or endorser's—

(A) New signed repayment agreement or schedule, or another form of signed agreement to repay the debt;

(B) Oral acknowledgement and agreement to repay the debt documented by the Secretary in the borrower's or endorser's file and confirmed by the Secretary in a notice to the borrower; or

(C) A payment made on the loan by the borrower or endorser.

(9)(i) The borrower is performing the type of service that would qualify the borrower for a partial repayment of his or her loan under the Student Loan Repayment Programs administered by the Department of Defense under 10 U.S.C. 2171, 2173, 2174, or any other student loan repayment programs administered by the Department of Defense.

(ii) To receive a forbearance under this paragraph, the borrower must submit documentation showing the time period during which the Department of Defense considers the borrower to be eligible for a partial repayment of his or her loan under a student loan repayment program.

(b) *Administrative forbearance.* In certain circumstances, the Secretary grants forbearance without requiring documentation from the borrower. These circumstances include but are not limited to—

(1) A properly granted period of deferment for which the Secretary learns the borrower did not qualify;

(2) The period for which payments are overdue at the beginning of an authorized deferment or forbearance period;

(3) The period beginning when the borrower entered repayment without the Secretary's knowledge until the first payment due date was established;

(4) The period prior to a borrower's filing of a bankruptcy petition;

(5) A period after the Secretary receives reliable information indicating that the borrower (or the student in the case of a Direct PLUS Loan obtained by a parent borrower) has died, or the borrower has become totally and permanently disabled, until the Secretary receives documentation of death or total and permanent disability;

(6) Periods necessary for the Secretary to determine the borrower's eligibility for discharge—

- (i) Under 685.206(c), (d) and (e);
- (ii) Under § 685.214;
- (iii) Under § 685.215;
- (iv) Under § 685.216;
- (v) Under § 685.217;
- (vi) Under § 685.222; or
- (vii) Due to the borrower's or endorser's (if applicable) bankruptcy;

(7) A period of up to three years in cases where the effect of a variable interest rate on a fixed-amount or graduated repayment schedule causes the extension of the maximum repayment term;

(8) A period during which the Secretary has authorized forbearance due to a national military mobilization or other local or national emergency;

(9) A period of up to 60 days necessary for the Secretary to collect and process documentation supporting the borrower's request for a deferment, forbearance, change in repayment plan, or consolidation loan. Interest that accrues during this period is not capitalized; or

(10) For Direct PLUS Loans first disbursed before July 1, 2008, to align repayment with a borrower's Direct PLUS Loans that were first disbursed on or after July 1, 2008, or with Direct Subsidized Loans or Direct Unsubsidized Loans that have a grace period in accordance with § 685.207(b) or (c). The Secretary notifies the borrower that the borrower has the option to

cancel the forbearance and continue paying on the loan.

(c) *Period of forbearance.* (1) The Secretary grants forbearance for a period of up to one year.

(2) The forbearance is renewable, upon request of the borrower, for the duration of the period in which the borrower meets the condition required for the forbearance.

§ 685.206 Borrower responsibilities and defenses.

(a) The borrower must give the school the following information as part of the origination process for a Direct Subsidized, Direct Unsubsidized, or Direct PLUS Loan:

(1) A statement, as described in 34 CFR part 668, that the loan will be used for the cost of the student's attendance.

(2) Information demonstrating that the borrower is eligible for the loan.

(3) Information concerning the outstanding FFEL Program and Direct Loan Program loans of the borrower and, for a parent borrower, of the student, including any Federal Consolidation Loan or Direct Consolidation Loan.

(4) A statement authorizing the school to release to the Secretary information relevant to the student's eligibility to borrow or to have a parent borrow on the student's behalf (e.g., the student's enrollment status, financial assistance, and employment records).

(b)(1) The borrower must promptly notify the Secretary of any change of name, address, student status to less than half-time, employer, or employer's address; and

(2) The borrower must promptly notify the school of any change in address during enrollment.

(c) *Borrower defense to repayment for loans first disbursed prior to July 1, 2017.*

(1) For loans first disbursed prior to July 1, 2017, the borrower may assert a borrower defense under this paragraph. A “borrower defense” refers to any act or omission of the school attended by the student that relates to the making of the loan for enrollment at the school or the provision of educational services for which the loan was provided that would give rise to a cause of action against the school under applicable State law, and includes one or both of the following:

(i) A defense to repayment of amounts owed to the Secretary on a Direct Loan, in whole or in part.

(ii) A claim to recover amounts previously collected by the Secretary on the Direct Loan, in whole or in part.

(2) The order of objections for defaulted Direct Loans are as described in § 685.222(a)(6). A borrower defense claim under this section must be asserted, and will be resolved, under the procedures in § 685.222(e) to (k).

(3) For an approved borrower defense under this section, except as provided in paragraph (c)(4) of this section, the Secretary may initiate an appropriate proceeding to collect from the school whose act or omission resulted in the borrower defense the amount of relief arising from the borrower defense, within the later of—

(i) Three years from the end of the last award year in which the student attended the institution; or

(ii) The limitation period that State law would apply to an action by the borrower to recover on the cause of action on which the borrower defense is based.

(4) The Secretary may initiate a proceeding to collect at any time if the institution received notice of the claim before the end of the later of the periods described in paragraph (c)(3) of this section. For purposes of this paragraph, notice includes receipt of—

(i) Actual notice from the borrower, from a representative of the borrower, or from the Department;

(ii) A class action complaint asserting relief for a class that may include the borrower; and

(iii) Written notice, including a civil investigative demand or other written demand for information, from a Federal or State agency that has power to

initiate an investigation into conduct of the school relating to specific programs, periods, or practices that may have affected the borrower.

(d) *Borrower defense to repayment for loans first disbursed on or after July 1, 2017, and before July 1, 2020.* For borrower defense to repayment for loans first disbursed on or after July 1, 2017, and before July 1, 2020, a borrower asserts and the Secretary considers a borrower defense in accordance with § 685.222.

(e) *Borrower defense to repayment for loans first disbursed on or after July 1, 2020.* This paragraph (e) applies to borrower defense to repayment for loans first disbursed on or after July 1, 2020.

(1) *Definitions.* For the purposes of this paragraph (e), the following definitions apply:

(i) A “Direct Loan” means a Direct Subsidized Loan, a Direct Unsubsidized Loan, or a Direct PLUS Loan.

(ii) “Borrower” means

(A) The borrower; and

(B) In the case of a Direct PLUS Loan, any endorsers, and for a Direct PLUS Loan made to a parent, the student on whose behalf the parent borrowed.

(iii) A “borrower defense to repayment” includes—

(A) A defense to repayment of amounts owed to the Secretary on a Direct Loan, or a Direct Consolidation Loan that was used to repay a Direct Loan, FFEL Program Loan, Federal Perkins Loan, Health Professions Student Loan, Loan for Disadvantaged Students under subpart II of part A of title VII of the Public Health Service Act, Health Education Assistance Loan, or Nursing Loan made under part E of the Public Health Service Act; and

(B) Any accompanying request for reimbursement of payments previously made to the Secretary on the Direct Loan or on a loan repaid by the Direct Consolidation Loan.

(iv) The term “provision of educational services” refers to the educational resources provided by the institution that are required by an accreditation agency or a State licensing or authorizing agency for the completion of the student’s educational program.

(v) The terms “school” and “institution” may be used interchangeably and include an eligible institution, one of its representatives, or any ineligible institution, organization, or person with whom the eligible institution has an agreement to provide educational programs, or to provide marketing, advertising, recruiting, or admissions services.

(2) *Federal standard for loans first disbursed on or after July 1, 2020.* For a Direct Loan or Direct Consolidation Loan first disbursed on or after July 1, 2020, a borrower may assert a defense to repayment under this paragraph (e), if the borrower establishes by a preponderance of the evidence that—

(i) The institution at which the borrower enrolled made a misrepresentation, as defined in § 685.206(e)(3), of material fact upon which the borrower reasonably relied in deciding to obtain a Direct Loan, or a loan repaid by a Direct Consolidation Loan, and that directly and clearly relates to:

(A) Enrollment or continuing enrollment at the institution or

(B) The provision of educational services for which the loan was made; and

(ii) The borrower was financially harmed by the misrepresentation.

(3) *Misrepresentation.* A “misrepresentation,” for purposes of this paragraph (e), is a statement, act, or omission by an eligible school to a borrower that is false, misleading, or deceptive; that was made with knowledge of its false, misleading, or deceptive nature or with a reckless disregard for the truth; and that directly and clearly relates to enrollment or continuing enrollment at the institution or the provision of educational services for which the loan was made. Evidence that a misrepresentation defined in this paragraph (e) may have occurred includes, but is not limited to:

(i) Actual licensure passage rates materially different from those included in the institution’s marketing materials, website, or other communications made to the student;

(ii) Actual employment rates materially different from those included in the institution’s marketing materials, website, or other communications made to the student;

(iii) Actual institutional selectivity rates or rankings, student admission profiles, or institutional rankings that are materially different from those included in the institution’s marketing materials, website, or other communications made to the student or provided by the institution to national ranking organizations;

(iv) The inclusion in the institution’s marketing materials, website, or other communication made to the student of specialized, programmatic, or institutional certifications, accreditation, or approvals not actually obtained, or the failure to remove within a reasonable period of time such certifications or approvals from marketing materials, website, or other communication when revoked or withdrawn;

(v) The inclusion in the institution’s marketing materials, website, or other communication made to the student of representations regarding the widespread or general transferability of credits that are only transferrable to limited types of programs or institutions or the transferability of credits to a specific program or institution when no reciprocal agreement exists with another institution or such agreement is materially different than what was represented;

(vi) A representation regarding the employability or specific earnings of graduates without an agreement between the institution and another entity for such employment or sufficient evidence of past employment or earnings to justify such a representation or without citing appropriate national, State, or regional data for earnings in the same field as provided by an appropriate Federal agency that provides such data. (In the event that national data are used, institutions should include a written, plain language disclaimer that national averages may not accurately reflect the earnings of workers in particular parts of the country and may include earners at all stages of their career and not just entry level wages for recent graduates.);

(vii) A representation regarding the availability, amount, or nature of any financial assistance available to students from the institution or any other entity to pay the costs of attendance

at the institution that is materially different in availability, amount, or nature from the actual financial assistance available to the borrower from the institution or any other entity to pay the costs of attendance at the institution after enrollment;

(viii) A representation regarding the amount, method, or timing of payment of tuition and fees that the student would be charged for the program that is materially different in amount, method, or timing of payment from the actual tuition and fees charged to the student;

(ix) A representation that the institution, its courses, or programs are endorsed by vocational counselors, high schools, colleges, educational organizations, employment agencies, members of a particular industry, students, former students, governmental officials, Federal or State agencies, the United States Armed Forces, or other individuals or entities when the institution has no permission or is not otherwise authorized to make or use such an endorsement;

(x) A representation regarding the educational resources provided by the institution that are required for the completion of the student's educational program that are materially different from the institution's actual circumstances at the time the representation is made, such as representations regarding the institution's size; location; facilities; training equipment; or the number, availability, or qualifications of its personnel; and

(xi) A representation regarding the nature or extent of prerequisites for enrollment in a course or program offered by the institution that are materially different from the institution's actual circumstances at the time the representation is made, or that the institution knows will be materially different during the student's anticipated enrollment at the institution.

(4) *Financial harm.* Financial harm is the amount of monetary loss that a borrower incurs as a consequence of a misrepresentation, as defined in § 685.206(e)(3). Financial harm does not include damages for nonmonetary loss, such as personal injury, inconvenience, aggravation, emotional distress, pain and suffering, punitive damages, or op-

portunity costs. The Department does not consider the act of taking out a Direct Loan or a loan repaid by a Direct Consolidation Loan, alone, as evidence of financial harm to the borrower. Financial harm is such monetary loss that is not predominantly due to intervening local, regional, or national economic or labor market conditions as demonstrated by evidence before the Secretary or provided to the Secretary by the borrower or the school. Financial harm cannot arise from the borrower's voluntary decision to pursue less than full-time work or not to work or result from a voluntary change in occupation. Evidence of financial harm may include, but is not limited to, the following circumstances:

(i) Periods of unemployment upon graduating from the school's programs that are unrelated to national or local economic recessions;

(ii) A significant difference between the amount or nature of the tuition and fees that the institution represented to the borrower that the institution would charge or was charging and the actual amount or nature of the tuition and fees charged by the institution for which the Direct Loan was disbursed or for which a loan repaid by the Direct Consolidation Loan was disbursed;

(iii) The borrower's inability to secure employment in the field of study for which the institution expressly guaranteed employment; and

(iv) The borrower's inability to complete the program because the institution no longer offers a requirement necessary for completion of the program in which the borrower enrolled and the institution did not provide for an acceptable alternative requirement to enable completion of the program.

(5) *Exclusions.* The Secretary will not accept the following as a basis for a borrower defense to repayment—

(i) A violation by the institution of a requirement of the Act or the Department's regulations for a borrower defense to repayment under paragraph (c) or (d) of this section or under § 685.222, unless the violation would otherwise constitute the basis for a successful borrower defense to repayment under this paragraph (e); or

(ii) A claim that does not directly and clearly relate to enrollment or continuing enrollment at the institution or the provision of educational services for which the loan was made, including, but not limited to—

- (A) Personal injury;
- (B) Sexual harassment;
- (C) A violation of civil rights;
- (D) Slander or defamation;
- (E) Property damage;
- (F) The general quality of the student's education or the reasonableness of an educator's conduct in providing educational services;
- (G) Informal communication from other students;
- (H) Academic disputes and disciplinary matters; and
- (I) Breach of contract, unless the school's act or omission would otherwise constitute the basis for a successful defense to repayment under this paragraph (e).

(6) *Limitations period and tolling of the limitations period for arbitration proceedings.* (i) A borrower must assert a defense to repayment under this paragraph (e) within three years from the date the student is no longer enrolled at the institution. A borrower may only assert a defense to repayment under this paragraph (e) within the timeframes set forth in § 685.206(e)(6)(i) and (ii) and (e)(7).

(ii) For pre-dispute arbitration agreements, as defined in § 668.41(h)(2)(iii), the limitations period will be tolled for the time period beginning on the date that a written request for arbitration is filed, by either the student or the institution, and concluding on the date the arbitrator submits, in writing, a final decision, final award, or other final determination, to the parties.

(7) *Extension of limitation periods and reopening of applications.* For loans first disbursed on or after July 1, 2020, the Secretary may extend the time period when a borrower may assert a defense to repayment under § 685.206(e)(6) or may reopen a borrower's defense to repayment application to consider evidence that was not previously considered only if there is:

(i) A final, non-default judgment on the merits by a State or Federal Court that has not been appealed or that is not subject to further appeal and that

establishes the institution made a misrepresentation, as defined in § 685.206(e)(3); or

(ii) A final decision by a duly appointed arbitrator or arbitration panel that establishes that the institution made a misrepresentation, as defined in § 685.206(e)(3).

(8) *Application and Forbearance.* To assert a defense to repayment under this paragraph (e), a borrower must submit an application under penalty of perjury on a form approved by the Secretary and sign a waiver permitting the institution to provide the Department with items from the borrower's education record relevant to the defense to repayment claim. The form will note that pursuant to paragraph (b)(6)(i) of this section, if the borrower is not in default on the loan for which a borrower defense has been asserted, the Secretary will grant forbearance and notify the borrower of the option to decline forbearance. The application requires the borrower to—

(i) Certify that the borrower received the proceeds of a loan, in whole or in part, to attend the named institution;

(ii) Provide evidence that supports the borrower defense to repayment application;

(iii) State whether the borrower has made a claim with any other third party, such as the holder of a performance bond, a public fund, or a tuition recovery program, based on the same act or omission of the institution on which the borrower defense to repayment is based;

(iv) State the amount of any payment received by the borrower or credited to the borrower's loan obligation through the third party, in connection with a borrower defense to repayment described in paragraph (e)(2) of this section;

(v) State the financial harm, as defined in paragraph (e)(4) of this section, that the borrower alleges to have been caused and provide any information relevant to assessing whether the borrower incurred financial harm, including providing documentation that the borrower actively pursued employment in the field for which the borrower's education prepared the borrower if the borrower is a recent graduate (failure to provide such information results in

a presumption that the borrower failed to actively pursue employment in the field); whether the borrower was terminated or removed for performance reasons from a position in the field for which the borrower's education prepared the borrower, or in a related field; and whether the borrower failed to meet other requirements of or qualifications for employment in such field for reasons unrelated to the school's misrepresentation underlying the borrower defense to repayment, such as the borrower's ability to pass a drug test, satisfy driving record requirements, and meet any health qualifications; and

(vi) State that the borrower understands that in the event that the borrower receives a 100 percent discharge of the balance of the loan for which the defense to repayment application has been submitted, the institution may, if allowed or not prohibited by other applicable law, refuse to verify or to provide an official transcript that verifies the borrower's completion of credits or a credential associated with the discharged loan.

(9) *Consideration of order of objections and of evidence in possession of the Secretary.* (i) If the borrower asserts both a borrower defense to repayment and any other objection to an action of the Secretary with regard to a Direct Loan or a loan repaid by a Direct Consolidation Loan, the order in which the Secretary will consider objections, including a borrower defense to repayment, will be determined as appropriate under the circumstances.

(ii) With respect to the borrower defense to repayment application submitted under this paragraph (e), the Secretary may consider evidence otherwise in the possession of the Secretary, including from the Department's internal records or other relevant evidence obtained by the Secretary, as practicable, provided that the Secretary permits the institution and the borrower to review and respond to this evidence and to submit additional evidence.

(10) *School response and borrower reply.* (i) Upon receipt of a borrower defense to repayment application under this paragraph (e), the Department will notify the school of the pending applica-

tion and provide a copy of the borrower's request and any supporting documents, a copy of any evidence otherwise in the possession of the Secretary, and a waiver signed by the student permitting the institution to provide the Department with items from the student's education record relevant to the defense to repayment claim to the school, and invite the school to respond and to submit evidence, within the specified timeframe included in the notice, which shall be no less than 60 days.

(ii) Upon receipt of the school's response, the Department will provide the borrower a copy of the school's submission as well as any evidence otherwise in possession of the Secretary, which was provided to the school, and will give the borrower an opportunity to submit a reply within a specified timeframe, which shall be no less than 60 days. The borrower's reply must be limited to issues and evidence raised in the school's submission and any evidence otherwise in the possession of the Secretary.

(iii) The Department will provide the school a copy of the borrower's reply.

(iv) There will be no other submissions by the borrower or the school to the Secretary, unless the Secretary requests further clarifying information.

(11) *Written decision.* (i) After considering the borrower's application and all applicable evidence, the Secretary issues a written decision—

(A) Notifying the borrower and the school of the decision on the borrower defense to repayment;

(B) Providing the reasons for the decision; and

(C) Informing the borrower and the school of the relief, if any, that the borrower will receive, consistent with paragraph (e)(12) of this section, and specifying the relief determination.

(ii) If the Department receives a borrower defense to repayment application that is incomplete and is within the limitations period in § 685.206(e)(6) or (7), the Department will not issue a written decision on the application and instead will notify the borrower in writing that the application is incomplete and will return the application to the borrower.

(12) *Borrower defense to repayment relief.* (i) If the Secretary grants the borrower's request for relief based on a borrower defense to repayment under this paragraph (e), the Secretary notifies the borrower and the school that the borrower is relieved of the obligation to repay all or part of the loan and associated costs and fees that the borrower would otherwise be obligated to pay or will be reimbursed for amounts paid toward the loan voluntarily or through enforced collection. The amount of relief that a borrower receives may exceed the amount of financial harm, as defined in § 685.206(e)(4), that the borrower alleges in the application pursuant to § 685.206(e)(8)(v). The Secretary determines the amount of relief and awards relief limited to the monetary loss that a borrower incurred as a consequence of a misrepresentation, as defined in § 685.206(e)(3). The amount of relief cannot exceed the amount of the loan and any associated costs and fees and will be reduced by the amount of refund, reimbursement, indemnification, restitution, compensatory damages, settlement, debt forgiveness, discharge, cancellation, compromise, or any other financial benefit received by, or on behalf of, the borrower that was related to the borrower defense to repayment. In awarding relief, the Secretary considers the borrower's application, as described in § 685.206(e)(8), which includes information about any payments received by the borrower and the financial harm alleged by the borrower. In awarding relief, the Secretary also considers the school's response, the borrower's reply, and any evidence otherwise in the possession of the Secretary, which was previously provided to the borrower and the school, as described in § 685.206(e)(10). The Secretary also updates reports to consumer reporting agencies to which the Secretary previously made adverse credit reports with regard to the borrower's Direct Loan or loans repaid by the borrower's Direct Consolidation Loan.

(ii) The Secretary affords the borrower such further relief as the Secretary determines is appropriate under the circumstances. Further relief may include one or both of the following, if applicable:

(A) Determining that the borrower is not in default on the loan and is eligible to receive assistance under title IV of the Act and

(B) Eliminating or recalculating the subsidized usage period that is associated with the loan or loans discharged pursuant to § 685.200(f)(4)(iii).

(13) *Finality of borrower defense to repayment decisions.* The determination of a borrower's defense to repayment by the Department included in the written decision referenced in paragraph (e)(11) of this section is the final decision of the Department and is not subject to appeal within the Department.

(14) *Cooperation by the borrower.* The Secretary may revoke any relief granted to a borrower under this section who refuses to cooperate with the Secretary in any proceeding under paragraph (e) of this section or under 34 CFR part 668, subpart G. Such cooperation includes, but is not limited to—

(i) Providing testimony regarding any representation made by the borrower to support a successful borrower defense to repayment; and

(ii) Producing, within timeframes established by the Secretary, any documentation reasonably available to the borrower with respect to those representations and any sworn statement required by the Secretary with respect to those representations and documents.

(15) *Transfer to the Secretary of the borrower's right of recovery against third parties.* (i) Upon the grant of any relief under this paragraph (e), the borrower is deemed to have assigned to, and relinquished in favor of, the Secretary any right to a loan refund (up to the amount discharged) that the borrower may have by contract or applicable law with respect to the loan or the provision of educational services for which the loan was received, against the school, its principals, its affiliates and their successors, or its sureties, and any private fund, including the portion of a public fund that represents funds received from a private party. If the borrower asserts a claim to, and recovers from, a public fund, the Secretary may reinstate the borrower's obligation to repay on the loan an amount based on the amount recovered from

the public fund, if the Secretary determines that the borrower's recovery from the public fund was based on the same borrower defense to repayment and for the same loan for which the discharge was granted under this section.

(ii) The provisions of this paragraph (e)(15) apply notwithstanding any provision of State law that would otherwise restrict transfer of those rights by the borrower, limit or prevent a transferee from exercising those rights, or establish procedures or a scheme of distribution that would prejudice the Secretary's ability to recover on those rights.

(iii) Nothing in this paragraph (e)(15) limits or forecloses the borrower's right to pursue legal and equitable relief arising under applicable law against a party described in this paragraph (e)(15) for recovery of any portion of a claim exceeding that assigned to the Secretary or any other claims arising from matters unrelated to the claim on which the loan is discharged.

(16) *Recovery from the school.* (i) The Secretary may initiate an appropriate proceeding to require the school whose misrepresentation resulted in the borrower's successful borrower defense to repayment under this paragraph (e) to pay to the Secretary the amount of the loan to which the defense applies in accordance with 34 CFR part 668, subpart G. This paragraph (e)(16) would also be applicable for provisionally certified institutions.

(ii) The Secretary will not initiate such a proceeding more than five years after the date of the final determination included in the written decision referenced in paragraph (e)(11) of this section. The Department will notify the school of the borrower defense to repayment application within 60 days of the date of the Department's receipt of the borrower's application.

(3) A borrower's payments under this repayment plan may be less than \$50 per month. No single payment under this plan will be more than three times greater than any other payment.

(h) *Graduated repayment plan for Direct Consolidation Loan borrowers entering repayment on or after July 1, 2006.* (1) Under this repayment plan, a borrower must repay a loan in full by making monthly payments that gradually increase in stages over the course of a repayment period that varies with the total amount of the borrower's student loans, as described in paragraph (j) of this section.

(i) *Repayment period for the extended and graduated plans described in paragraphs (d) and (f) of this section, respectively.* Under these repayment plans, if the total amount of the borrower's Direct Loans is—

(1) Less than \$10,000, the borrower must repay the loans within 12 years of entering repayment;

(2) Greater than or equal to \$10,000 but less than \$20,000, the borrower must repay the loans within 15 years of entering repayment;

(6) Equal to or greater than \$60,000, the borrower must repay the Consolidation Loan within 30 years of entering repayment.

(k) *Income-contingent repayment plans.* (1) Under the income-contingent repayment plan described in § 685.209(a), the

required monthly payment for a borrower who has a partial financial hardship is limited to no more than 10 percent of the amount by which the borrower's AGI exceeds 150 percent of the poverty guideline applicable to the borrower's family size, divided by 12. The Secretary determines annually whether the borrower continues to qualify for this reduced monthly payment based on the amount of the borrower's eligible loans, AGI, and poverty guideline.

(2) Under the income-contingent repayment plan described in § 685.209(b), a borrower's monthly repayment amount is generally based on the total amount of the borrower's Direct Loans, family size, and AGI reported by the borrower for the most recent year for which the Secretary has obtained income information.

(3) Under the income-contingent repayment plan described in § 685.209(c), a borrower's required monthly payment is limited to no more than 10 percent of the amount by which the borrower's AGI exceeds 150 percent of the poverty guideline applicable to the borrower's family size, divided by 12, unless the borrower's monthly payment amount is adjusted in accordance with § 685.209(c)(4)(vi)(E).

(4) For the income-contingent repayment plan described in § 685.209(b), the regulations in effect at the time a borrower enters repayment and selects the income-contingent repayment plan or changes into the income-contingent repayment plan from another plan govern the method for determining the borrower's monthly repayment amount for all of the borrower's Direct Loans, unless—

(i) The Secretary amends the regulations relating to a borrower's monthly repayment amount under the income-contingent repayment plan; and

(ii) The borrower submits a written request that the amended regulations apply to the repayment of the borrower's Direct Loans.

(5) Provisions governing the income-contingent repayment plans are in § 685.209.

(1) *Alternative repayment.* (1) The Secretary may provide an alternative repayment plan for a borrower who demonstrates to the Secretary's satisfac-

tion that the terms and conditions of the repayment plans specified in paragraphs (b) through (h) of this section are not adequate to accommodate the borrower's exceptional circumstances.

(2) The Secretary may require a borrower to provide evidence of the borrower's exceptional circumstances before permitting the borrower to repay a loan under an alternative repayment plan.

(3) If the Secretary agrees to permit a borrower to repay a loan under an alternative repayment plan, the Secretary notifies the borrower in writing of the terms of the plan. After the borrower receives notification of the terms of the plan, the borrower may accept the plan or choose another repayment plan.

(4) A borrower must repay a loan under an alternative repayment plan within 30 years of the date the loan entered repayment, not including periods of deferment and forbearance.

(5) If the amount of a borrower's monthly payment under an alternative repayment plan is less than the accrued interest on the loan, the unpaid interest is capitalized until the outstanding principal amount is 10 percent greater than the original principal amount. After the outstanding principal amount is 10 percent greater than the original principal amount, interest continues to accrue but is not capitalized. For purposes of this paragraph, the original principal amount is the amount owed by the borrower when the borrower enters repayment.

(m) *Income-based repayment plan.* (1) Under this repayment plan, the required monthly payment for a borrower who has a partial financial hardship is limited to no more than 15 percent or, for a new borrower as of July 1, 2014, as defined in § 685.221(a)(4), 10 percent of the amount by which the borrower's AGI exceeds 150 percent of the poverty guideline applicable to the borrower's family size, divided by 12. The Secretary determines annually whether the borrower continues to qualify for this reduced monthly payment based on the amount of the borrower's eligible loans, AGI, and poverty guideline.

§ 685.209 Income-contingent repayment plans.

(a) *Pay As You Earn repayment plan.* The Pay As You Earn repayment plan is an income-contingent repayment plan for eligible new borrowers.

(1) *Definitions.* As used in this section, other than as expressly provided for in paragraph (c) of this section—

(i) *Adjusted gross income (AGI)* means the borrower's adjusted gross income as reported to the Internal Revenue Service. For a married borrower filing jointly, AGI includes both the borrower's and spouse's income. For a married borrower filing separately, AGI includes only the borrower's income;

(ii) *Eligible loan*, for purposes of determining whether a borrower has a partial financial hardship in accordance with paragraph (a)(1)(v) of this section or adjusting a borrower's monthly payment amount in accordance with paragraph (a)(2)(ii) of this section, means any outstanding loan made to a borrower under the Direct Loan Program or the FFEL Program except for a defaulted loan, a Direct PLUS Loan or Federal PLUS Loan made to a parent borrower, or a Direct Consolidation Loan or Federal Consolidation Loan that repaid a Direct PLUS Loan or Federal PLUS Loan made to a parent borrower;

(iii) *Eligible new borrower* means an individual who—(A) Has no outstanding balance on a Direct Loan Program loan or a FFEL Program loan as of October 1, 2007, or who has no outstanding balance on such a loan on the date he or she receives a new loan after October 1, 2007; and

(B)(1) Receives a disbursement of a Direct Subsidized Loan, Direct Unsubsidized Loan, or student Direct PLUS Loan on or after October 1, 2011; or

(2) Receives a Direct Consolidation Loan based on an application received on or after October 1, 2011, except that

a borrower is not considered an eligible new borrower if the Direct Consolidation Loan repays a loan that would otherwise make the borrower ineligible under paragraph (a)(1)(iii)(A) of this section;

(iv) *Family size* means the number that is determined by counting the borrower, the borrower's spouse, and the borrower's children, including unborn children who will be born during the year the borrower certifies family size, if the children receive more than half their support from the borrower. A borrower's family size includes other individuals if, at the time the borrower certifies family size, the other individuals—

(A) Live with the borrower; and

(B) Receive more than half their support from the borrower and will continue to receive this support from the borrower for the year the borrower certifies family size. Support includes money, gifts, loans, housing, food, clothes, car, medical and dental care, and payment of college costs;

(v) *Partial financial hardship* means a circumstance in which—

(A) For an unmarried borrower or a married borrower who files an individual Federal tax return, the annual amount due on all of the borrower's eligible loans, as calculated under a standard repayment plan based on a 10-year repayment period, using the greater of the amount due at the time the borrower initially entered repayment or at the time the borrower elects the Pay As You Earn repayment plan, exceeds 10 percent of the difference between the borrower's AGI and 150 percent of the poverty guideline for the borrower's family size; or

(B) For a married borrower who files a joint Federal tax return with his or her spouse, the annual amount due on all of the borrower's eligible loans and, if applicable, the spouse's eligible loans, as calculated under a standard repayment plan based on a 10-year repayment period, using the greater of the amount due at the time the loans initially entered repayment or at the time the borrower or spouse elects the Pay As You Earn repayment plan, exceeds 10 percent of the difference between the borrower's and spouse's AGI,

and 150 percent of the poverty guideline for the borrower's family size; and

(vi) *Poverty guideline* refers to the income categorized by State and family size in the poverty guidelines published annually by the United States Department of Health and Human Services pursuant to 42 U.S.C. 9902(2). If a borrower is not a resident of a State identified in the poverty guidelines, the poverty guideline to be used for the borrower is the poverty guideline (for the relevant family size) used for the 48 contiguous States.

(2) *Terms of the Pay As You Earn repayment plan.* (i) A borrower may select the Pay As You Earn repayment plan only if the borrower has a partial financial hardship. The borrower's aggregate monthly loan payments are limited to no more than 10 percent of the amount by which the borrower's AGI exceeds 150 percent of the poverty guideline applicable to the borrower's family size, divided by 12.

(ii) The Secretary adjusts the calculated monthly payment if—

(A) Except for borrowers provided for in paragraph (a)(2)(ii)(B) of this section, the total amount of the borrower's eligible loans are not Direct Loans, in which case the Secretary determines the borrower's adjusted monthly payment by multiplying the calculated payment by the percentage of the total outstanding principal amount of the borrower's eligible loans that are Direct Loans;

(B) Both the borrower and borrower's spouse have eligible loans and filed a joint Federal tax return, in which case the Secretary determines—

(1) Each borrower's percentage of the couple's total eligible loan debt;

(2) The adjusted monthly payment for each borrower by multiplying the calculated payment by the percentage determined in paragraph (a)(2)(ii)(B)(1) of this section; and

(3) If the borrower's loans are held by multiple holders, the borrower's adjusted monthly Direct Loan payment by multiplying the payment determined in paragraph (a)(2)(ii)(B)(2) of this section by the percentage of the total outstanding principal amount of the borrower's eligible loans that are Direct Loans;

(C) The calculated amount under paragraph (a)(2)(i), (a)(2)(ii)(A), or (a)(2)(ii)(B) of this section is less than \$5.00, in which case the borrower's monthly payment is \$0.00; or

(D) The calculated amount under paragraph (a)(2)(i), (a)(2)(ii)(A), or (a)(2)(ii)(B) of this section is equal to or greater than \$5.00 but less than \$10.00, in which case the borrower's monthly payment is \$10.00.

(iii) If the borrower's monthly payment amount is not sufficient to pay the accrued interest on the borrower's Direct Subsidized loan or the subsidized portion of a Direct Consolidation Loan, the Secretary does not charge the borrower the remaining accrued interest for a period not to exceed three consecutive years from the established repayment period start date on that loan under the Pay As You Earn repayment plan. Any period during which the Secretary has previously not charged the borrower accrued interest on an eligible loan under the income-based repayment plan or the Revised Pay As You Earn repayment plan counts toward the maximum three years of subsidy a borrower is eligible to receive under the Pay As You Earn repayment plan. On a Direct Consolidation Loan that repays loans on which the Secretary has not charged the borrower accrued interest, the three-year period includes the period for which the Secretary did not charge the borrower accrued interest on the underlying loans. This three-year period does not include any period during which the borrower receives an economic hardship deferment.

(iv)(A) Except as provided in paragraph (a)(2)(iii) of this section, accrued interest is capitalized—

(1) When a borrower is determined to no longer have a partial financial hardship; or

(2) At the time a borrower chooses to leave the Pay As You Earn repayment plan.

(B)(1) The amount of accrued interest capitalized under paragraph (a)(2)(iv)(A)(1) of this section is limited to 10 percent of the original principal balance at the time the borrower entered repayment under the Pay As You Earn repayment plan.

(2) After the amount of accrued interest reaches the limit described in paragraph (a)(2)(iv)(B)(I) of this section, interest continues to accrue, but is not capitalized while the borrower remains on the Pay As You Earn repayment plan.

(v) If the borrower's monthly payment amount is not sufficient to pay any of the principal due, the payment of that principal is postponed until the borrower chooses to leave the Pay As You Earn repayment plan or no longer has a partial financial hardship.

(vi) The repayment period for a borrower under the Pay As You Earn repayment plan may be greater than 10 years.

(3) *Payment application and prepayment.* (i) The Secretary applies any payment made under the Pay As You Earn repayment plan in the following order:

- (A) Accrued interest.
- (B) Collection costs.
- (C) Late charges.
- (D) Loan principal.

(ii) The borrower may prepay all or part of a loan at any time without penalty, as provided under § 685.211(a)(2).

(iii) If the prepayment amount equals or exceeds a monthly payment amount of \$10.00 or more under the repayment schedule established for the loan, the Secretary applies the prepayment consistent with the requirements of § 685.211(a)(3).

(iv) If the prepayment amount exceeds a monthly payment amount of \$0.00 under the repayment schedule established for the loan, the Secretary applies the prepayment consistent with the requirements of paragraph (a)(3)(i) of this section.

(4) *Changes in the payment amount.* (i) If a borrower no longer has a partial financial hardship, the borrower may continue to make payments under the Pay As You Earn repayment plan, but the Secretary recalculates the borrower's monthly payment. The Secretary also recalculates the monthly payment for a borrower who chooses to stop making income-contingent payments. In either case, as a result of the recalculation—

(A) The maximum monthly amount that the Secretary requires the borrower to repay is the amount the bor-

rower would have paid under the standard repayment plan based on a 10-year repayment period using the amount of the borrower's eligible loans that was outstanding at the time the borrower began repayment on the loans under the Pay As You Earn repayment plan; and

(B) The borrower's repayment period based on the recalculated payment amount may exceed 10 years.

(ii) A borrower who no longer wishes to repay under the Pay As You Earn repayment plan may change to a different repayment plan in accordance with § 685.210(b).

(5) *Eligibility documentation, verification, and notifications.* (i)(A) The Secretary determines whether a borrower has a partial financial hardship to qualify for the Pay As You Earn repayment plan for the year the borrower selects the plan and for each subsequent year that the borrower remains on the plan. To make this determination, the Secretary requires the borrower to provide documentation, acceptable to the Secretary, of the borrower's AGI.

(B) If the borrower's AGI is not available, or if the Secretary believes that the borrower's reported AGI does not reasonably reflect the borrower's current income, the borrower must provide other documentation to verify income.

(C) The borrower must annually certify the borrower's family size. If the borrower fails to certify family size, the Secretary assumes a family size of one for that year.

(ii) After making a determination that a borrower has a partial financial hardship to qualify for the Pay As You Earn repayment plan for the year the borrower initially elects the plan and for each subsequent year that the borrower has a partial financial hardship, the Secretary sends the borrower a written notification that provides the borrower with—

(A) The borrower's scheduled monthly payment amount, as calculated under paragraph (a)(2) of this section, and the time period during which this scheduled monthly payment amount will apply (annual payment period);

(B) Information about the requirement for the borrower to annually provide the information described in paragraph (a)(5)(i) of this section, if the borrower chooses to remain on the Pay As You Earn repayment plan after the initial year on the plan, and an explanation that the borrower will be notified in advance of the date by which the Secretary must receive this information;

(C) An explanation of the consequences, as described in paragraphs (a)(5)(i)(C) and (a)(5)(vii) of this section, if the borrower does not provide the required information; and

(D) Information about the borrower's option to request, at any time during the borrower's current annual payment period, that the Secretary recalculate the borrower's monthly payment amount if the borrower's financial circumstances have changed and the income amount that was used to calculate the borrower's current monthly payment no longer reflects the borrower's current income. If the Secretary recalculates the borrower's monthly payment amount based on the borrower's request, the Secretary sends the borrower a written notification that includes the information described in paragraphs (a)(5)(ii)(A) through (a)(5)(ii)(D) of this section.

(iii) For each subsequent year that a borrower who currently has a partial financial hardship remains on the Pay As You Earn repayment plan, the Secretary notifies the borrower in writing of the requirements in paragraph (a)(5)(i) of this section no later than 60 days and no earlier than 90 days prior to the date specified in paragraph (a)(5)(iii)(A) of this section. The notification provides the borrower with—

(A) The date, no earlier than 35 days before the end of the borrower's annual payment period, by which the Secretary must receive all of the documentation described in paragraph (a)(5)(i) of this section (annual deadline); and

(B) The consequences if the Secretary does not receive the information within 10 days following the annual deadline specified in the notice, including the borrower's new monthly payment amount as determined under paragraph (a)(4)(i) of this section, the effective

date for the recalculated monthly payment amount, and the fact that unpaid accrued interest will be capitalized at the end of the borrower's current annual payment period in accordance with paragraph (a)(2)(iv) of this section.

(iv) Each time the Secretary makes a determination that a borrower no longer has a partial financial hardship for a subsequent year that the borrower wishes to remain on the plan, the Secretary sends the borrower a written notification that provides the borrower with—

(A) The borrower's recalculated monthly payment amount, as determined in accordance with paragraph (a)(4)(i) of this section;

(B) An explanation that unpaid interest will be capitalized in accordance with paragraph (a)(2)(iv) of this section; and

(C) Information about the borrower's option to request, at any time, that the Secretary redetermine whether the borrower has a partial financial hardship, if the borrower's financial circumstances have changed and the income amount used to determine that the borrower no longer has a partial financial hardship does not reflect the borrower's current income, and an explanation that the borrower will be notified annually of this option. If the Secretary determines that the borrower again has a partial financial hardship, the Secretary recalculates the borrower's monthly payment in accordance with paragraph (a)(2)(i) of this section and sends the borrower a written notification that includes the information described in paragraphs (a)(5)(ii)(A) through (a)(5)(ii)(D) of this section.

(v) For each subsequent year that a borrower who does not currently have a partial financial hardship remains on the Pay As You Earn repayment plan, the Secretary sends the borrower a written notification that includes the information described in paragraph (a)(5)(iv)(C) of this section.

(vi) If a borrower who is currently repaying under another repayment plan selects the Pay As You Earn repayment plan but does not provide the documentation described in paragraphs (a)(5)(i)(A) or (a)(5)(i)(B) of this section,

or if the Secretary determines that the borrower does not have a partial financial hardship, the borrower remains on his or her current repayment plan.

(vii) The Secretary designates the repayment option described in paragraph (a)(4)(i) of this section if a borrower who is currently repaying under the Pay As You Earn repayment plan remains on the plan for a subsequent year but the Secretary does not receive the documentation described in paragraphs (a)(5)(i)(A) and (a)(5)(i)(B) of this section within 10 days of the specified annual deadline, unless the Secretary is able to determine the borrower's new monthly payment amount before the end of the borrower's current annual payment period.

(viii) If the Secretary receives the documentation described in paragraphs (a)(5)(i)(A) and (a)(5)(i)(B) of this section within 10 days of the specified annual deadline—

(A) The Secretary promptly determines the borrower's new scheduled monthly payment amount and maintains the borrower's current scheduled monthly payment amount until the new scheduled monthly payment amount is determined.

(I) If the new monthly payment amount is less than the borrower's previously calculated Pay As You Earn repayment plan monthly payment amount, and the borrower made payments at the previously calculated amount after the end of the most recent annual payment period, the Secretary makes the appropriate adjustment to the borrower's account. Notwithstanding the requirements of § 685.211(a)(3), unless the borrower requests otherwise, the Secretary applies the excess payment amounts made after the end of the most recent annual payment period in accordance with the requirements of § 685.209(a)(3)(i).

(2) If the new monthly payment amount is equal to or greater than the borrower's previously calculated Pay As You Earn repayment plan monthly payment amount, and the borrower made payments at the previously calculated payment amount after the end of the most recent annual payment period, the Secretary does not make any adjustment to the borrower's account.

(3) Any payments that the borrower continued to make at the previously calculated payment amount after the end of the prior annual payment period and before the new monthly payment amount is calculated are considered to be qualifying payments for purposes of § 685.219, provided that the payments otherwise meet the requirements described in § 685.219(c)(1).

(B) The new annual payment period begins on the day after the end of the most recent annual payment period.

(ix)(A) If the Secretary receives the documentation described in paragraphs (a)(5)(i)(A) and (a)(5)(i)(B) of this section more than 10 days after the specified annual deadline and the borrower's monthly payment amount is recalculated in accordance with paragraph (a)(4)(i) of this section, the Secretary grants forbearance with respect to payments that are overdue or would be due at the time the new calculated Pay As You Earn repayment plan monthly payment amount is determined, if the new monthly payment amount is \$0.00 or is less than the borrower's previously calculated income-based monthly payment amount. Interest that accrues during the portion of this forbearance period that covers payments that are overdue after the end of the prior annual payment period is not capitalized.

(B) Any payments that the borrower continued to make at the previously calculated payment amount after the end of the prior annual payment period and before the new monthly payment amount is calculated are considered to be qualifying payments for purposes of § 685.219, provided that the payments otherwise meet the requirements described in § 685.219(c)(1).

(6) *Loan forgiveness.* (i) To qualify for loan forgiveness after 20 years, a borrower must have participated in the Pay As You Earn repayment plan and satisfied at least one of the following conditions during that period:

(A) Made reduced monthly payments under a partial financial hardship as provided in paragraph (a)(2)(i) or (a)(2)(ii) of this section, including a monthly payment amount of \$0.00, as provided under paragraph (a)(2)(ii)(C) of this section.

(B) Made reduced monthly payments after the borrower no longer had a partial financial hardship or stopped making income-contingent payments as provided in paragraph (a)(4)(i) of this section.

(C) Made monthly payments under any repayment plan, that were not less than the amount required under the Direct Loan standard repayment plan described in § 685.208(b) with a 10-year repayment period.

(D) Made monthly payments under the Direct Loan standard repayment plan described in § 685.208(b) for the amount of the borrower's loans that were outstanding at the time the borrower first selected the Pay As You Earn repayment plan.

(E) Made monthly payments under the income-contingent repayment plan described in paragraph (b) of this section, the Revised Pay As You Earn repayment plan described in paragraph (c) of this section, or the income-based repayment plan described in § 685.221, including a calculated monthly payment amount of \$0.00.

(F) Made monthly payments under the alternative repayment plan described in paragraph (c)(4)(v) of this section prior to changing to a repayment plan described under this section or § 685.221;

(G) Received an economic hardship deferment on eligible Direct Loans.

(ii) As provided under paragraph (a)(6)(v) of this section, the Secretary cancels any outstanding balance of principal and accrued interest on Direct loans for which the borrower qualifies for forgiveness if the Secretary determines that—

(A) The borrower made monthly payments under one or more of the repayment plans described in paragraph (a)(6)(i) of this section, including a monthly payment amount of \$0.00, as provided under paragraph (a)(2)(ii)(C) of this section; and

(B)(1) The borrower made those monthly payments each year for a 20-year period; or

(2) Through a combination of monthly payments and economic hardship deferments, the borrower has made the equivalent of 20 years of payments.

(iii) For a borrower who qualifies for the Pay As You Earn repayment plan,

the beginning date for the 20-year period is—

(A) If the borrower made payments under the income-contingent repayment plan described in paragraph (b) of this section, the Revised Pay As You Earn repayment plan described in paragraph (c) of this section, or the income-based repayment plan described in § 685.221, the earliest date the borrower made a payment on the loan under one of those plans at any time after October 1, 2007; or

(B) If the borrower did not make payments under the income-contingent repayment plan described in paragraph (b) of this section, the Revised Pay As You Earn repayment plan described in paragraph (c) of this section, or the income-based repayment plan described in § 685.221—

(1) For a borrower who has an eligible Direct Consolidation Loan, the date the borrower made a payment or received an economic hardship deferment on that loan, before the date the borrower qualified for the Pay As You Earn repayment plan. The beginning date is the date the borrower made the payment or received the deferment after October 1, 2007;

(2) For a borrower who has one or more other eligible Direct Loans, the date the borrower made a payment or received an economic hardship deferment on that loan. The beginning date is the date the borrower made that payment or received the deferment on that loan after October 1, 2007;

(3) For a borrower who did not make a payment or receive an economic hardship deferment on the loan under paragraph (a)(6)(iii)(B)(1) or (a)(6)(iii)(B)(2) of this section, the date the borrower made a payment on the loan under the Pay As You Earn repayment plan;

(4) If the borrower consolidates his or her eligible loans, the date the borrower made a payment on the Direct Consolidation Loan that met the requirements of paragraph (a)(6)(i) of this section; or

(5) If the borrower did not make a payment or receive an economic hardship deferment on the loan under paragraph (a)(6)(iii)(A) or (a)(6)(iii)(B) of this section, the date the borrower

made a payment on the loan under the Pay As You Earn repayment plan.

(iv) Any payments made on a defaulted loan are not made under a qualifying repayment plan and are not counted toward the 20-year forgiveness period.

(v)(A) When the Secretary determines that a borrower has satisfied the loan forgiveness requirements under paragraph (a)(6) of this section on an eligible loan, the Secretary cancels the outstanding balance and accrued interest on that loan. No later than six months prior to the anticipated date that the borrower will meet the forgiveness requirements, the Secretary sends the borrower a written notice that includes—

(1) An explanation that the borrower is approaching the date that he or she is expected to meet the requirements to receive loan forgiveness;

(2) A reminder that the borrower must continue to make the borrower's scheduled monthly payments; and

(3) General information on the current treatment of the forgiveness amount for tax purposes, and instructions for the borrower to contact the Internal Revenue Service for more information.

(B) The Secretary determines when a borrower has met the loan forgiveness requirements in paragraph (a)(6) of this section and does not require the borrower to submit a request for loan forgiveness.

(C) After determining that a borrower has satisfied the loan forgiveness requirements, the Secretary—

(1) Notifies the borrower that the borrower's obligation on the loans is satisfied;

(2) Provides the borrower with the information described in paragraph (a)(6)(v)(A)(3) of this section; and

(3) Returns to the sender any payment received on a loan after loan forgiveness has been granted.

(b) *Income-contingent repayment plan:* The income-contingent repayment (ICR) plan is an income-contingent repayment plan under which a borrower's monthly payment amount is generally based on the total amount of the borrower's Direct Loans, family size, and AGI.

(1) *Repayment amount calculation.* (i) The amount the borrower would repay is based upon the borrower's Direct Loan debt when the borrower's first loan enters repayment, and this basis for calculation does not change unless the borrower obtains another Direct Loan or the borrower and the borrower's spouse obtain approval to repay their loans jointly under paragraph (b)(2)(ii) of this section. If the borrower obtains another Direct Loan, the amount the borrower would repay is based on the combined amounts of the loans when the last loan enters repayment. If the borrower and the borrower's spouse repay the loans jointly, the amount the borrowers would repay is based on both borrowers' Direct Loan debts at the time they enter joint repayment.

(ii) The annual amount payable by a borrower under the ICR plan is the lesser of—

(A) The amount the borrower would repay annually over 12 years using standard amortization multiplied by an income percentage factor that corresponds to the borrower's AGI as shown in the income percentage factor table in a notice published annually by the Secretary in the FEDERAL REGISTER; or

(B) 20 percent of discretionary income.

(iii)(A) For purposes of paragraph (b) of this section, discretionary income is defined as a borrower's AGI minus the amount of the poverty guideline, as defined in paragraph (b)(1)(iii)(B) of this section, for the borrower's family size as defined in § 685.209(a)(1)(iv).

(B) For purposes of paragraph (b) of this section, the term "poverty guideline" refers to the income categorized by State and family size in the poverty guidelines published annually by the United States Department of Health and Human Services pursuant to 42 U.S.C. 9902(2). If a borrower is not a resident of a State identified in the poverty guidelines, the poverty line to be used for the borrower is the poverty guideline (for the relevant family size) used for the 48 contiguous States.

(iv) For exact incomes not shown in the income percentage factor table in the annual notice published by the Secretary, an income percentage factor is

calculated, based upon the intervals between the incomes and income percentage factors shown on the table.

(v) Each year, the Secretary recalculates the borrower's annual payment amount based on changes in the borrower's AGI, the variable interest rate, the income percentage factors in the table in the annual notice published by the Secretary, and updated HHS Poverty Guidelines (if applicable).

(vi) If a borrower's monthly payment is calculated to be greater than \$0 but less than or equal to \$5.00, the amount payable by the borrower is \$5.00.

(vii) For purposes of the annual recalculation described in paragraph (b)(1)(v) of this section, after periods in which a borrower makes payments that are less than interest accrued on the loan, the payment amount is recalculated based upon unpaid accrued interest and the highest outstanding principal loan amount (including amount capitalized) calculated for that borrower while paying under the ICR plan.

(viii) For each calendar year, the Secretary publishes in the FEDERAL REGISTER a revised income percentage factor table reflecting changes based on inflation. This revised table is developed by changing each of the dollar amounts contained in the table by a percentage equal to the estimated percentage changes in the Consumer Price Index (as determined by the Secretary) between December 1995 and the December next preceding the beginning of such calendar year.

(ix) Examples of the calculation of monthly repayment amounts and tables that show monthly repayment amounts for borrowers at various income and debt levels are included in the annual notice published by the Secretary.

(x) At the beginning of the repayment period under the ICR plan, the borrower must make monthly payments of the amount of interest that accrues on the borrower's Direct Loan until the Secretary calculates the borrower's monthly payment amount on the basis of the borrower's income.

(2) *Treatment of married borrowers.* (i)(A) For a married borrower who files a joint Federal tax return with his or her spouse, the AGI for both spouses is

used to calculate the monthly payment amount under the ICR plan.

(B) For a married borrower who files a Federal income tax return separately from his or her spouse, only the borrower's AGI is used to determine the monthly payment amount under the ICR plan.

(ii) Married borrowers may repay their loans jointly. The outstanding balances on the loans of each borrower are added together to determine the borrowers' payback rate under paragraph (b)(1) of this section.

(iii) The amount of the payment applied to each borrower's debt is the proportion of the payments that equals the same proportion as that borrower's debt to the total outstanding balance, except that the payment is credited toward outstanding interest on any loan before any payment is credited toward principal.

(3) *Other features of the ICR plan—(i) Alternative documentation of income.* If a borrower's AGI is not available or if, in the Secretary's opinion, the borrower's reported AGI does not reasonably reflect the borrower's current income, the Secretary may use other documentation of income provided by the borrower to calculate the borrower's monthly repayment amount.

(ii) *Adjustments to repayment obligations.* The Secretary may determine that special circumstances, such as a loss of employment by the borrower or the borrower's spouse, warrant an adjustment to the borrower's repayment obligations.

(iii) *Repayment period.* (A) The maximum repayment period under the ICR plan is 25 years.

(B) The repayment period includes—

(1) Periods in which the borrower makes payments under the ICR plan on loans that are not in default;

(2) Periods in which the borrower makes reduced monthly payments under the income-based repayment plan or a recalculated reduced monthly payment after the borrower no longer has a partial financial hardship or stops making income-based payments, as provided in § 685.221(d)(1)(i);

(3) Periods in which the borrower made monthly payments under the Pay

§ 685.209

34 CFR Ch. VI (7-1-22 Edition)

As You Earn repayment plan or the Revised Pay As You Earn repayment plan;

(4) Periods in which the borrower made monthly payments under the alternative repayment plan described in paragraph (c)(4)(v) of this section prior to changing to a repayment plan described under this section or § 685.221;

(5) Periods in which the borrower made monthly payments under the standard repayment plan after leaving the income-based repayment plan as provided in § 685.221(d)(2);

(6) Periods in which the borrower makes payments under the standard repayment plan described in § 685.208(b);

(7) For borrowers who entered repayment before October 1, 2007, and if the repayment period is not more than 12 years, periods in which the borrower makes monthly payments under the extended repayment plans described in § 685.208(d) and (e), or the standard repayment plan described in § 685.208(c);

(8) Periods after October 1, 2007, in which the borrower makes monthly payments under any other repayment plan that are not less than the amount required under the standard repayment plan described in § 685.208(b); or

(9) Periods of economic hardship deferment.

(C) If a borrower repays more than one loan under the ICR plan, a separate repayment period for each loan begins when that loan enters repayment.

(D) If a borrower has not repaid a loan in full at the end of the 25-year repayment period under the ICR plan, the Secretary cancels the outstanding balance and accrued interest on that loan. No later than six months prior to the anticipated date that the borrower will meet the forgiveness requirements, the Secretary sends the borrower a written notification that includes—

(1) An explanation that the borrower is approaching the date that he or she is expected to meet the requirements to receive loan forgiveness;

(2) A reminder that the borrower must continue to make the borrower's scheduled monthly payments; and

(3) General information on the current treatment of the forgiveness amount for tax purposes, and instructions for the borrower to contact the

Internal Revenue Service for more information.

(E) The Secretary determines when a borrower has met the loan forgiveness requirements under paragraph (b)(3)(iii)(D) of this section and does not require the borrower to submit a request for loan forgiveness. After determining that a borrower has satisfied the loan forgiveness requirements, the Secretary—

(1) Notifies the borrower that the borrower's obligation on the loans is satisfied;

(2) Provides the information described in paragraph (b)(3)(iii)(D)(3) of this section; and

(3) Returns to the sender any payment received on a loan after loan forgiveness has been granted.

(iv) *Limitation on capitalization of interest.* If the amount of a borrower's monthly payment is less than the accrued interest, the unpaid interest is capitalized until the outstanding principal amount is 10 percent greater than the original principal amount. After the outstanding principal amount is 10 percent greater than the original amount, interest continues to accrue but is not capitalized. For purposes of this paragraph, the original amount is the amount owed by the borrower when the borrower enters repayment.

(v) *Notification of terms and conditions.* When a borrower elects or is required by the Secretary to repay a loan under the ICR plan, and for each subsequent year that the borrower remains on the plan, the Secretary sends the borrower a written notification that provides the terms and conditions of the plan, including—

(A) The borrower's scheduled monthly payment amount as calculated under paragraph (b)(1) or (b)(3)(vi)(D) of this section, as applicable, and the time period during which this scheduled monthly payment will apply (annual payment period);

(B) Information about the requirement for the borrower to annually provide the information described in paragraph (b)(3)(vi)(A) of this section, if the borrower chooses to remain on the ICR plan after the initial year on the plan, and an explanation that the borrower will be notified in advance of the date

by which the Secretary must receive the information;

(C) That if the borrower believes that special circumstances warrant an adjustment to the borrower's repayment obligations, as described in paragraph (b)(3)(ii) of this section, the borrower may contact the Secretary at any time during the borrower's current annual payment period and obtain the Secretary's determination as to whether an adjustment is appropriate; and

(D) An explanation of the consequences, as described in paragraph (b)(3)(vi)(D) of this section, if the borrower does not provide the required information.

(vi) *Documentation of income and certification of family size.* (A) For the initial year that a borrower selects the ICR plan and for each subsequent year that the borrower remains on the plan, the borrower must—

(1) Provide to the Secretary, for purposes of calculating a monthly repayment amount and servicing and collecting the borrower's loan, acceptable documentation, as determined by the Secretary, of the borrower's AGI or alternative documentation of income in accordance with paragraph (b)(3)(i) of this section; and

(2) Certify the borrower's family size. If the borrower fails to certify family size, the Secretary assumes a family size of one for the year.

(B) For each subsequent year that a borrower remains on the ICR plan, the Secretary notifies the borrower in writing of the requirements described in paragraph (b)(3)(vi)(A) of this section no later than 60 days and no earlier than 90 days prior to the date specified in paragraph (b)(3)(vi)(B)(1) of this section. The notification provides the borrower with—

(1) The date, no earlier than 35 days before the end of the borrower's annual payment period, by which the Secretary must receive the documentation described in paragraph (b)(3)(vi)(A) of this section (annual deadline); and

(2) The consequences if the Secretary does not receive the information within 10 days following the annual deadline specified in the notice, including the borrower's new monthly payment amount as determined under paragraph (b)(3)(vi)(D) of this section, and the ef-

fective date for the recalculated monthly payment amount.

(C) The Secretary designates the standard repayment plan for a borrower who initially selects the ICR plan but does not comply with the requirement in paragraph (b)(3)(vi)(A)(1) of this section.

(D) If, during a subsequent year that a borrower remains on the ICR plan, the Secretary does not receive the documentation described in paragraph (b)(3)(vi)(A)(1) of this section within 10 days of the specified annual deadline, the Secretary recalculates the borrower's required monthly payment amount, unless the Secretary is able to determine the borrower's new monthly payment amount before the end of the borrower's current annual payment period. The maximum recalculated monthly amount the Secretary requires the borrower to repay is the amount the borrower would have paid under the standard repayment plan based on a 10-year repayment period using the amount of the borrower's loans that was outstanding at the time the borrower began repayment under the ICR plan. The repayment period based on the recalculated payment may exceed 10 years.

(E) If the Secretary receives the documentation described in paragraph (b)(3)(vi)(A)(1) of this section within 10 days of the specified annual deadline—

(1) The Secretary promptly determines the borrower's new scheduled monthly payment amount and maintains the borrower's current scheduled monthly payment amount until the new scheduled monthly payment amount is determined.

(i) If the new calculated monthly payment amount is less than the borrower's previously calculated monthly payment amount, and the borrower made payments at the previously calculated amount after the end of the most recent annual payment period, the Secretary makes the appropriate adjustment to the borrower's account. Notwithstanding § 685.211(a)(3), the Secretary applies the excess payment amounts made after the end of the most recent annual payment period in accordance with the requirements of § 685.211(a)(1), unless the borrower requests otherwise.

(ii) If the new monthly payment amount is equal to or greater than the borrower's previously calculated monthly payment amount, and the borrower made payments at the previously calculated payment amount after the end of the most recent annual payment period, the Secretary does not make any adjustment to the borrower's account.

(iii) Any payments the borrower continued to make at the previously calculated payment amount after the end of the prior annual payment period and before the new monthly payment amount is calculated are considered to be qualifying payments for purposes of § 685.219, provided that the payments otherwise meet the requirements described in § 685.219(c)(1).

(2) The new annual payment period begins on the day after the end of the most recent annual payment period.

(F)(1) If the Secretary receives the documentation described in paragraph (b)(3)(vi)(A)(1) of this section more than 10 days after the specified annual deadline and the borrower's monthly payment amount is recalculated in accordance with paragraph (b)(3)(vi)(D) of this section, the Secretary grants forbearance with respect to payments that are overdue or would be due at the time the new calculated monthly payment amount is determined, if the new monthly payment amount is \$0.00 or is less than the borrower's previously calculated monthly payment amount. Interest that accrues during the portion of this forbearance period that covers payments that are overdue after the end of the prior annual payment period is not capitalized.

(2) Any payments that the borrower continued to make at the previously calculated payment amount after the end of the prior annual payment period and before the new monthly payment amount is calculated are considered to be qualifying payments for purposes of § 685.219, provided that the payments otherwise meet the requirements described in § 685.219(c)(1).

(G) If a borrower defaults and the Secretary designates the ICR plan for the borrower but the borrower fails to comply with the requirements in paragraph (b)(3)(vi)(A) of this section, the Secretary mails a notice to the bor-

rower establishing a repayment schedule for the borrower.

(c) *Revised Pay As You Earn repayment plan.* The Revised Pay As You Earn repayment plan (REPAYE plan) is an income-contingent repayment plan under which a borrower's monthly payment amount is based on the borrower's AGI and family size.

(1) *Definitions.* As used in this paragraph (c)—

(i) *Adjusted gross income (AGI)* means the borrower's adjusted gross income as reported to the Internal Revenue Service. For a married borrower filing jointly, AGI includes both the borrower's and spouse's income and is used to calculate the monthly payment amount. For a married borrower filing separately, the AGI for each spouse is combined to calculate the monthly payment amount, unless the borrower certifies, on a form approved by the Secretary, that the borrower is—

(A) Separated from his or her spouse;

or

(B) Unable to reasonably access the income information of his or her spouse.

(ii) *Eligible loan*, for purposes of adjusting a borrower's monthly payment amount in accordance with paragraph (c)(2)(ii) of this section, means any outstanding loan made to a borrower under the Direct Loan Program or the FFEL Program except for a defaulted loan, a Direct PLUS Loan or Federal PLUS Loan made to a parent borrower, or a Direct Consolidation Loan or Federal Consolidation Loan that repaid a Direct PLUS Loan or Federal PLUS Loan made to a parent borrower;

(iii) *Family size* means the number that is determined by counting the borrower, the borrower's spouse, and the borrower's children, including unborn children who will be born during the year the borrower certifies family size, if the children receive more than half their support from the borrower. Family size does not include the borrower's spouse if the borrower is separated from his or her spouse, or if the borrower is filing separately and is unable to reasonably access the spouse's income information. A borrower's family size includes other individuals if, at the time the borrower certifies family size, the other individuals—

(A) Live with the borrower; and

(B) Receive more than half their support from the borrower and will continue to receive this support from the borrower for the year the borrower certifies family size. Support includes money, gifts, loans, housing, food, clothes, car, medical and dental care, and payment of college costs; and

(iv) *Poverty guideline* refers to the income categorized by State and family size in the poverty guidelines published annually by the United States Department of Health and Human Services pursuant to 42 U.S.C. 9902(2). If a borrower is not a resident of a State identified in the poverty guidelines, the poverty guideline to be used for the borrower is the poverty guideline (for the relevant family size) used for the 48 contiguous States.

(2) *Terms of the Revised Pay As You Earn repayment plan.* (i) The aggregate monthly loan payments of a borrower who selects the REPAYE plan are limited to no more than 10 percent of the amount by which the borrower's AGI exceeds 150 percent of the poverty guideline applicable to the borrower's family size, divided by 12, unless the borrower's monthly payment amount is adjusted in accordance with paragraph (c)(4)(vi)(E) of this section.

(ii) The Secretary adjusts the calculated monthly payment if—

(A) Except for borrowers provided for in paragraph (c)(2)(ii)(B) of this section, the borrower's eligible loans are not solely Direct Loans, in which case the Secretary determines the borrower's adjusted monthly payment by multiplying the calculated payment by the percentage of the total outstanding principal amount of the borrower's eligible loans that are Direct Loans;

(B) Except in the case of a married borrower filing separately whose spouse's income is excluded in accordance with paragraph (c)(1)(i)(A) or (B) of this section, both the borrower and borrower's spouse have eligible loans, in which case the Secretary determines—

(1) Each borrower's percentage of the couple's total eligible loan debt;

(2) The adjusted monthly payment for each borrower by multiplying the calculated payment by the percentage

determined in paragraph (c)(2)(ii)(B)(1) of this section; and

(3) If the borrower's loans are held by multiple holders, the borrower's adjusted monthly Direct Loan payment by multiplying the payment determined in paragraph (c)(2)(ii)(B)(2) of this section by the percentage of the total outstanding principal amount of the borrower's eligible loans that are Direct Loans;

(C) The calculated amount under paragraph (c)(2)(i) or (c)(2)(ii)(A) or (B) of this section is less than \$5.00, in which case the borrower's monthly payment is \$0.00; or

(D) The calculated amount under paragraph (c)(2)(i) or (c)(2)(ii)(A) or (B) of this section is equal to or greater than \$5.00 but less than \$10.00, in which case the borrower's monthly payment is \$10.00.

(iii) If the borrower's monthly payment amount is not sufficient to pay the accrued interest on the borrower's loan—

(A) Except as provided in paragraph (c)(2)(iii)(B) of this section, for a Direct Subsidized Loan or the subsidized portion of a Direct Consolidation Loan, the Secretary does not charge the borrower the remaining accrued interest for a period not to exceed three consecutive years from the established repayment period start date on that loan under the REPAYE plan. Following this three-year period, the Secretary charges the borrower 50 percent of the remaining accrued interest on the Direct Subsidized Loan or the subsidized portion of a Direct Consolidation Loan.

(B) For a Direct Unsubsidized Loan, a Direct PLUS Loan made to a graduate or professional student, the unsubsidized portion of a Direct Consolidation Loan, or for a Direct Subsidized Loan or the subsidized portion of a Direct Consolidation Loan for which the borrower has become responsible for accruing interest in accordance with § 685.209(f)(3), the Secretary charges the borrower 50 percent of the remaining accrued interest.

(C) The three-year period described in paragraph (c)(2)(iii)(A) of this section—

(1) Does not include any period during which the borrower receives an economic hardship deferment;

(2) Includes any prior period of repayment under the income-based repayment plan or the Pay As You Earn repayment plan; and

(3) For a Direct Consolidation Loan, includes any period in which the underlying loans were repaid under the income-based repayment plan or the Pay As You Earn repayment plan.

(iv) Any unpaid accrued interest is capitalized at the time a borrower leaves the REPAYE plan.

(v) If the borrower's monthly payment amount is not sufficient to pay any of the principal due, the payment of that principal is postponed until the borrower leaves the REPAYE plan.

(vi) A borrower who no longer wishes to repay under the REPAYE plan may change to a different repayment plan in accordance with § 685.210(b). A borrower who changes to a different repayment plan in accordance with this paragraph or paragraph (c)(4)(vi)(C) of this section may return to the REPAYE plan pursuant to the requirements in paragraphs (c)(4)(vi)(D) and (E) of this section.

(3) *Payment application and prepayment.* (i) The Secretary applies any payment made under the REPAYE plan in the following order:

- (A) Accrued interest.
- (B) Collection costs.
- (C) Late charges.
- (D) Loan principal.

(ii) The borrower may prepay all or part of a loan at any time without penalty, as provided under § 685.211(a)(2).

(iii) If the prepayment amount equals or exceeds a monthly payment amount of \$10.00 or more under the repayment schedule established for the loan, the Secretary applies the prepayment consistent with the requirements of § 685.211(a)(3).

(iv) If the prepayment amount exceeds a monthly payment amount of \$0.00 under the repayment schedule established for the loan, the Secretary applies the prepayment consistent with the requirements of paragraph (c)(3)(i) of this section.

(4) *Eligibility documentation, verification, and notifications.* (i)(A) For the year the borrower initially selects the REPAYE plan and for each subsequent year that the borrower remains on the plan, the Secretary determines

the borrower's monthly payment amount for that year. To make this determination, the Secretary requires the borrower to provide documentation, acceptable to the Secretary, of the borrower's AGI.

(B) If the borrower's AGI is not available, or if the Secretary believes that the borrower's reported AGI does not reasonably reflect the borrower's current income, the borrower must provide other documentation to verify income.

(C) Unless otherwise directed by the Secretary, the borrower must annually certify the borrower's family size. If the borrower fails to certify family size, the Secretary assumes a family size of one for that year.

(ii) After making the determination described in paragraph (c)(4)(i)(A) of this section for the initial year that the borrower selects the REPAYE plan and for each subsequent year that the borrower remains on the plan, the Secretary sends the borrower a written notification that provides the borrower with—

(A) The borrower's scheduled monthly payment amount, as calculated under paragraph (c)(2) of this section, and the time period during which this scheduled monthly payment amount will apply (annual payment period);

(B) Information about the requirement for the borrower to annually provide the information described in paragraph (c)(4)(i) of this section, if the borrower chooses to remain on the REPAYE plan after the initial year on the plan, and an explanation that the borrower will be notified in advance of the date by which the Secretary must receive this information;

(C) An explanation of the consequences, as described in paragraphs (c)(4)(i)(C) and (c)(4)(v) and (vi) of this section, if the borrower does not provide the required information; and

(D) Information about the borrower's option to request, at any time during the borrower's current annual payment period, that the Secretary recalculate the borrower's monthly payment amount if the borrower's financial circumstances have changed and the income amount that was used to calculate the borrower's current monthly

payment no longer reflects the borrower's current income. If the Secretary recalculates the borrower's monthly payment amount based on the borrower's request, the Secretary sends the borrower a written notification that includes the information described in paragraphs (c)(4)(ii)(A) through (D) of this section.

(iii) For each subsequent year that a borrower remains on the REPAYE plan, the Secretary notifies the borrower in writing of the requirements in paragraph (c)(4)(i) of this section no later than 60 days and no earlier than 90 days prior to the date specified in paragraph (c)(4)(iii)(A) of this section. The notification provides the borrower with—

(A) The date, no earlier than 35 days before the end of the borrower's annual payment period, by which the Secretary must receive all of the documentation described in paragraph (c)(4)(i) of this section (annual deadline); and

(B) The consequences if the Secretary does not receive the information within 10 days following the annual deadline specified in the notice, as described in paragraphs (c)(2)(iv) and (c)(4)(v) of this section.

(iv) If a borrower who is currently repaying under another repayment plan selects the REPAYE plan but does not provide the documentation described in paragraph (c)(4)(i)(A) or (B) of this section, the borrower remains on his or her current repayment plan.

(v) Except as provided in paragraph (c)(4)(vii) of this section, if a borrower who is currently repaying under the REPAYE plan remains on the plan for a subsequent year but the Secretary does not receive the documentation described in paragraph (c)(4)(i)(A) or (B) of this section within 10 days of the specified annual deadline, the Secretary removes the borrower from the REPAYE plan and places the borrower on an alternative repayment plan under which the borrower's required monthly payment is the amount necessary to repay the borrower's loan in full within the earlier of—

(A) Ten years from the date the borrower begins repayment under the alternative repayment plan; or

(B) The ending date of the 20- or 25-year period as described in paragraphs (c)(5)(i) and (ii) of this section.

(vi) If the Secretary places the borrower on an alternative repayment plan in accordance with paragraph (c)(4)(v) of this section, the Secretary sends the borrower a written notification containing the borrower's new monthly payment amount and informing the borrower that—

(A) The borrower has been placed on an alternative repayment plan;

(B) The borrower's monthly payment amount has been recalculated in accordance with paragraph (c)(4)(v) of this section;

(C) The borrower may change to another repayment plan in accordance with § 685.210(b);

(D) The borrower may return to the REPAYE plan if he or she provides the documentation, as described in paragraph (c)(4)(i)(A) or (B) of this section, necessary for the Secretary to calculate the borrower's current REPAYE plan monthly payment amount and the monthly amount the borrower would have been required to pay under the REPAYE plan during the period when the borrower was on the alternative repayment plan or any other repayment plan;

(E) If the Secretary determines that the total amount of the payments the borrower was required to make while on the alternative repayment plan or any other repayment plan is less than the total amount the borrower would have been required to make under the REPAYE plan during that period, the Secretary will adjust the borrower's monthly REPAYE plan payment amount to ensure that the difference between the two amounts is paid in full by the end of the 20- or 25-year period described in paragraphs (c)(5)(i) and (ii) of this section;

(F) If the borrower returns to the REPAYE plan or changes to the Pay As You Earn repayment plan described in paragraph (a) of this section, the income-contingent repayment plan described in paragraph (b) of this section, or the income-based repayment plan described in § 685.221, any payments that the borrower made under the alternative repayment plan after the borrower was removed from the REPAYE

plan will count toward forgiveness under the REPAYE plan or the other repayment plans under paragraph (a) or (b) of this section or § 685.221; and

(G) Payments made under the alternative repayment plan described in paragraph (c)(4)(v) of this section will not count toward public service loan forgiveness under § 685.219.

(vii) The Secretary does not take the action described in paragraph (c)(4)(v) of this section if the Secretary receives the documentation described in paragraph (c)(4)(i)(A) or (B) of this section more than 10 days after the specified annual deadline, but is able to determine the borrower's new monthly payment amount before the end of the borrower's current annual payment period.

(viii) If the Secretary receives the documentation described in paragraph (c)(4)(i)(A) or (B) of this section within 10 days of the specified annual deadline—

(A) The Secretary promptly determines the borrower's new scheduled monthly payment amount and maintains the borrower's current scheduled monthly payment amount until the new scheduled monthly payment amount is determined.

(1) If the new monthly payment amount is less than the borrower's previously calculated REPAYE plan monthly payment amount, and the borrower made payments at the previously calculated amount after the end of the most recent annual payment period, the Secretary makes the appropriate adjustment to the borrower's account. Notwithstanding the requirements of § 685.211(a)(3), unless the borrower requests otherwise, the Secretary applies the excess payment amounts made after the end of the most recent annual payment period in accordance with the requirements of paragraph (c)(3)(i) of this section.

(2) If the new monthly payment amount is equal to or greater than the borrower's previously calculated REPAYE plan monthly payment amount, and the borrower made payments at the previously calculated payment amount after the end of the most recent annual payment period, the Secretary does not make any adjustment to the borrower's account.

(3) Any payments that the borrower continued to make at the previously calculated payment amount after the end of the prior annual payment period and before the new monthly payment amount is calculated are considered to be qualifying payments for purposes of § 685.219, provided that the payments otherwise meet the requirements described in § 685.219(c)(1).

(B) The new annual payment period begins on the day after the end of the most recent annual payment period.

(5) *Loan forgiveness.* (i) A borrower who meets the requirements specified in paragraph (c)(5)(iii) of this section may qualify for loan forgiveness after 20 or 25 years, as determined in accordance with paragraph (c)(5)(ii) of this section.

(ii)(A) A borrower whose loans being repaid under the REPAYE plan include only loans the borrower received as an undergraduate student or a consolidation loan that repaid only loans the borrower received as an undergraduate student may qualify for forgiveness after 20 years.

(B) A borrower whose loans being repaid under the REPAYE plan include a loan the borrower received as a graduate or professional student or a consolidation loan that repaid a loan received as a graduate or professional student may qualify for forgiveness after 25 years.

(iii) The Secretary cancels any remaining outstanding balance of principal and accrued interest on a borrower's Direct Loans that are being repaid under the REPAYE plan after—

(A) The borrower has made the equivalent of 240 or 300, as applicable, qualifying monthly payments as defined in paragraph (c)(5)(iv) of this section; and

(B) Twenty or 25 years, as applicable, have elapsed, beginning on the date determined in accordance with paragraph (c)(5)(v) of this section.

(iv) For the purpose of paragraph (c)(5)(iii)(A) of this section, a qualifying monthly payment is—

(A) A monthly payment under the REPAYE plan, including a monthly payment amount of \$0.00, as provided under paragraph (c)(2)(ii)(C) of this section;

(B) A monthly payment under the Pay As You Earn repayment plan described in paragraph (a) of this section, the income-contingent repayment plan described in paragraph (b) of this section, or the income-based repayment plan described in § 685.221, including a monthly payment amount of \$0.00;

(C) A monthly payment made under—

(1) The Direct Loan standard repayment plan described in § 685.208(b);

(2) The alternative repayment plan described in paragraphs (c)(4)(v) of this section prior to changing to a repayment plan described in paragraph (a), (b), or (c) of this section or § 685.221;

(3) Any other Direct Loan repayment plan, if the amount of the payment was not less than the amount required under the Direct Loan standard repayment plan described in § 685.208(b); or

(D) A month during which the borrower was not required to make a payment due to receiving an economic hardship deferment on his or her eligible Direct Loans.

(v) For a borrower who makes payments under the REPAYE plan, the beginning date for the 20-year or 25-year repayment period is—

(A) If the borrower made payments under the Pay As You Earn repayment plan described in paragraph (a) of this section, the income-contingent repayment plan described in paragraph (b) of this section, or the income-based repayment plan described in § 685.221, the earliest date the borrower made a payment on the loan under one of those plans; or

(B) If the borrower did not make payments under the Pay As You Earn repayment plan described in paragraph (a) of this section, the income-contingent repayment plan described in paragraph (b) of this section, or the income-based repayment plan described in § 685.221—

(1) For a borrower who has an eligible Direct Consolidation Loan, the date the borrower made a qualifying monthly payment on the consolidation loan, before the date the borrower began repayment under the REPAYE plan;

(2) For a borrower who has one or more other eligible Direct Loans, the date the borrower made a qualifying monthly payment on that loan, before

the date the borrower began repayment under the REPAYE plan;

(3) For a borrower who did not make a qualifying monthly payment on the loan under paragraph (c)(5)(v)(B)(1) or (2) of this section, the date the borrower made a payment on the loan under the REPAYE plan;

(4) If the borrower consolidates his or her eligible loans, the date the borrower made a qualifying monthly payment on the Direct Consolidation Loan; or

(5) If the borrower did not make a qualifying monthly payment on the loan under paragraph (c)(5)(v)(A) or (B) of this section, the date the borrower made a payment on the loan under the REPAYE plan.

(vi) Any payments made on a defaulted loan are not qualifying monthly payments and are not counted toward the 20-year or 25-year forgiveness period.

(vii)(A) When the Secretary determines that a borrower has satisfied the loan forgiveness requirements under paragraph (c)(5) of this section on an eligible loan, the Secretary cancels the outstanding balance and accrued interest on that loan. No later than six months prior to the anticipated date that the borrower will meet the forgiveness requirements, the Secretary sends the borrower a written notice that includes—

(1) An explanation that the borrower is approaching the date that he or she is expected to meet the requirements to receive loan forgiveness;

(2) A reminder that the borrower must continue to make the borrower's scheduled monthly payments; and

(3) General information on the current treatment of the forgiveness amount for tax purposes, and instructions for the borrower to contact the Internal Revenue Service for more information.

(B) The Secretary determines when a borrower has met the loan forgiveness requirements in paragraph (c)(5) of this section and does not require the borrower to submit a request for loan forgiveness.

(C) After determining that a borrower has satisfied the loan forgiveness requirements, the Secretary—

§ 685.210

(1) Notifies the borrower that the borrower's obligation on the loans is satisfied;

(2) Provides the borrower with the information described in paragraph (c)(5)(vii)(A)(3) of this section; and

(3) Returns to the sender any payment received on a loan after loan forgiveness has been granted.

§ 685.210 Choice of repayment plan.

(a) *Initial selection of a repayment plan.* (1) Before a Direct Loan enters into repayment, the Secretary provides the borrower a description of the available repayment plans and requests the borrower to select one. A borrower may select a repayment plan before the loan enters repayment by notifying the Secretary of the borrower's selection in writing.

(2) If a borrower does not select a repayment plan, the Secretary designates the standard repayment plan described in § 685.208(b) or (c) for the borrower, as applicable.

(b) *Changing repayment plans.* (1) A borrower may change repayment plans at any time after the loan has entered repayment by notifying the Secretary. However, a borrower who is repaying a defaulted loan under an income-contingent repayment plan or the income-based repayment plan in accordance with § 685.211(d)(3)(ii), or who is repaying a Direct Consolidation Loan under the income-contingent repayment plan or the income-based repayment plan in accordance with § 685.220(d)(1)(ii)(A)(3) may not change to another repayment plan unless—

(i) The borrower was required to and did make a payment under the income-contingent repayment plan or income-based repayment plan in each of the prior three months; or

(ii) The borrower was not required to make payments but made three reasonable and affordable payments in each of the prior three months; and

34 CFR Ch. VI (7-1-22 Edition)

(iii) The borrower makes and the Secretary approves a request to change plans.

(2)(i) A borrower may not change to a repayment plan that has a maximum repayment period of less than the number of years the loan has already been in repayment, except that a borrower may change to either the income-contingent or income-based repayment plan at any time.

(ii) If a borrower changes repayment plans, the repayment period is the period provided under the borrower's new repayment plan, calculated from the date the loan initially entered repayment. However, if a borrower changes to the income-contingent repayment plan under § 685.209(a), the income-contingent repayment plan under § 685.209(b), the income-contingent repayment plan under § 685.209(c), or the income-based repayment plan under § 685.221, the repayment period is calculated as described in § 685.209(a)(6)(iii), § 685.209(b)(3)(iii), § 685.209(c)(5)(v), or § 685.221(f)(3), respectively.

§ 685.211 Miscellaneous repayment provisions.

(a) *Payment application and prepayment.* (1) Except as provided for the income-contingent repayment plan under § 685.209(a)(3) or the income-based repayment plan under § 685.221(c)(1), the Secretary applies any payment first to any accrued charges and collection costs, then to any outstanding interest, and then to outstanding principal.

(2) A borrower may prepay all or part of a loan at any time without penalty. If a borrower pays any amount in excess of the amount due, the excess amount is a prepayment.

(3) If a prepayment equals or exceeds the monthly repayment amount under the borrower's repayment plan, the Secretary—

(i) Applies the prepaid amount according to paragraph (a)(1) of this section;

(ii) Advances the due date of the next payment unless the borrower requests otherwise; and

(iii) Notifies the borrower of any revised due date for the next payment.

(4) If a prepayment is less than the monthly repayment amount, the Secretary applies the prepayment according to paragraph (a)(1) of this section.

(b) *Repayment incentives.* To encourage on-time repayment, the Secretary may reduce the interest rate for a borrower who repays a loan under a system or on a schedule that meets requirements specified by the Secretary.

(c) *Refunds and returns of title IV, HEA program funds from schools.* The Secretary applies any refund or return of title IV, HEA program funds that the Secretary receives from a school under § 668.22 against the borrower's outstanding principal and notifies the borrower of the refund or return.

(d) *Default—(1) Acceleration.* If a borrower defaults on a Direct Loan, the entire unpaid balance and accrued interest are immediately due and payable.

(2) *Collection charges.* If a borrower defaults on a Direct Loan, the Secretary assesses collection charges in accordance with § 685.202(e).

(3) *Collection of a defaulted loan.* (i) The Secretary may take any action authorized by law to collect a defaulted Direct Loan including, but not limited to, filing a lawsuit against the borrower, reporting the default to nationwide consumer reporting agencies, requesting the Internal Revenue Service to offset the borrower's Federal income tax refund, and garnishing the borrower's wages.

(ii) If a borrower defaults on a Direct Subsidized Loan, a Direct Unsubsidized Loan, a Direct Consolidation Loan, or a student Direct PLUS Loan, the Secretary may designate the income-contingent repayment plan or the income-based repayment plan for the borrower.

(e) *Ineligible borrowers.* (1) The Secretary determines that a borrower is ineligible if, at the time the loan was made and without the school's or the Secretary's knowledge, the borrower (or the student on whose behalf a parent borrowed) provided false or erroneous information, has been convicted of, or has pled *nolo contendere* or

guilty to, a crime involving fraud in obtaining title IV, HEA program funds, or took actions that caused the borrower or student—

(i) To receive a loan for which the borrower is wholly or partially ineligible;

(ii) To receive interest benefits for which the borrower was ineligible; or

(iii) To receive loan proceeds for a period of enrollment for which the borrower was not eligible.

(2) If the Secretary makes the determination described in paragraph (e)(1) of this section, the Secretary sends an ineligible borrower a demand letter that requires the borrower to repay some or all of a loan, as appropriate. The demand letter requires that within 30 days from the date the letter is mailed, the borrower repay any principal amount for which the borrower is ineligible and any accrued interest, including interest subsidized by the Secretary, through the previous quarter.

(3) If a borrower fails to comply with the demand letter described in paragraph (e)(2) of this section, the borrower is in default on the entire loan.

(4) A borrower may not consolidate a loan under § 685.220 for which the borrower is wholly or partially ineligible.

(f) *Rehabilitation of defaulted loans.* (1) A defaulted Direct Loan, except for a loan on which a judgment has been obtained, is rehabilitated if the borrower makes 9 voluntary, reasonable and affordable monthly payments within 20 days of the due date during 10 consecutive months. The Secretary determines the amount of a borrower's reasonable and affordable payment on the basis of a borrower's total financial circumstances.

(i) The Secretary initially considers the borrower's reasonable and affordable payment amount to be an amount equal to 15 percent of the amount by which the borrower's AGI exceeds 150 percent of the poverty guideline amount applicable to the borrower's family size and State, divided by 12, except that if this amount is less than \$5, the borrower's monthly rehabilitation payment is \$5.

(ii) The Secretary may calculate the payment amount based on information provided orally by the borrower or the borrower's representative and provide

§685.211

34 CFR Ch. VI (7-1-22 Edition)

the borrower with a rehabilitation agreement using that amount. The Secretary requires the borrower to provide documentation to confirm the borrower's AGI and family size. If the borrower does not provide the Secretary with any documentation requested by the Secretary to calculate or confirm the reasonable and affordable payment amount within a reasonable time deadline set by the Secretary, the rehabilitation agreement provided is null and void.

(iii) A reasonable and affordable payment amount is not—

(A) A required minimum loan payment amount (*e.g.*, \$50) if the Secretary determines that a smaller amount is reasonable and affordable;

(B) A percentage of the borrower's total loan balance; or

(C) Based on other criteria unrelated to the borrower's total financial circumstances.

(iv) Within 15 business days of the Secretary's determination of the borrower's loan rehabilitation payment amount, the Secretary provides the borrower with a written rehabilitation agreement which includes the borrower's reasonable and affordable payment amount, a prominent statement that the borrower may object orally or in writing to the reasonable and affordable payment amount with the method and timeframe for raising such an objection, a statement that the rehabilitation is null and void if the borrower does not provide the documentation required to calculate the reasonable and affordable payment amount, and an explanation of any other terms and conditions applicable to the required series of payments that must be made. To accept the agreement, the borrower must sign and return the agreement or accept the agreement electronically under a process provided by the Secretary. The Secretary does not impose any other conditions unrelated to the amount or timing of the rehabilitation payments in the rehabilitation agreement. The written rehabilitation agreement informs the borrower of the effects of having the loans rehabilitated (*e.g.*, removal of the record of default from the borrower's credit history and return to normal repayment).

(2) The Secretary provides the borrower with a written statement confirming the borrower's reasonable and affordable payment amount, as determined by the Secretary, and explaining any other terms and conditions applicable to the required series of payments that must be made before the borrower's account can be rehabilitated. The statement informs the borrower that the borrower may object to the terms and conditions of the rehabilitation agreement, and explains the method and timeframe for objecting to the terms and conditions of the rehabilitation agreement.

(3) If the borrower objects to the monthly payment amount determined under paragraph (f)(1) of this section, the Secretary recalculates the payment based solely on information provided on a form approved by the Secretary and, if requested, supporting documentation from the borrower and other sources, and considers—

(i) The borrower's, and if applicable, the spouse's current disposable income, including public assistance payments, and other income received by the borrower and the spouse, such as welfare benefits, Social Security benefits, Supplemental Security Income, and workers' compensation. Spousal income is not considered if the spouse does not contribute to the borrower's household income;

(ii) Family size as defined in §685.221(a)(3); and

(iii) Reasonable and necessary expenses, which include—

- (A) Food;
- (B) Housing;
- (C) Utilities;
- (D) Basic communication expenses;
- (E) Necessary medical and dental costs;
- (F) Necessary insurance costs;
- (G) Transportation costs;
- (H) Dependent care and other work-related expenses;
- (I) Legally required child and spousal support;
- (J) Other title IV and non-title IV student loan payments; and
- (K) Other expenses approved by the Secretary.

(4) The Secretary provides the borrower with a new written rehabilitation agreement confirming the borrower's recalculated reasonable and affordable payment amount. To accept the agreement, the borrower must sign and return the agreement or accept the agreement electronically under a process provided by the Secretary.

(5) The Secretary includes any payment made under paragraph (1) of the definition of "satisfactory repayment arrangement" in § 685.102(b) in determining whether the 9 out of 10 payments required under paragraph (f)(1) of this section have been made.

(6) A borrower may request that the monthly payment amount be adjusted due to a change in the borrower's total financial circumstances only upon providing the documentation specified in paragraph (f)(3) of this section.

(7) During the rehabilitation period, the Secretary limits contact with the borrower on the loan being rehabilitated to collection activities that are required by law or regulation and to communications that support the rehabilitation.

(8) If a defaulted loan is rehabilitated, the Secretary instructs any consumer reporting agency to which the default was reported to remove the default from the borrower's credit history.

(9) A defaulted Direct Loan on which a judgment has been obtained may not be rehabilitated.

(10) A Direct Loan obtained by fraud for which the borrower has been convicted of, or has pled *nolo contendere* or guilty to, a crime involving fraud in obtaining title IV, HEA program assistance may not be rehabilitated.

(11)(i) If a borrower's loan is being collected by administrative wage garnishment while the borrower is also making monthly payments on the same loan under a loan rehabilitation agreement, the Secretary continues collecting the loan by administrative wage garnishment until the borrower makes five qualifying monthly payments under the rehabilitation agreement, unless the Secretary is otherwise precluded from doing so.

(ii) After the borrower makes the fifth qualifying monthly payment, the Secretary, unless otherwise directed by

the borrower, suspends the garnishment order issued to the borrower's employer.

(iii) A borrower may only obtain the benefit of a suspension of administrative wage garnishment while also attempting to rehabilitate a defaulted loan once.

(12) Effective for any defaulted Direct Loan that is rehabilitated on or after August 14, 2008, the borrower cannot rehabilitate the loan again if the loan returns to default status following the rehabilitation.

(i) An original or certified copy of the death certificate;

(ii) An accurate and complete photocopy of the original or certified copy of the death certificate;

(iv) Verification of the borrower's or student's death through an authoritative Federal or State electronic database approved for use by the Secretary.

(2) Under exceptional circumstances and on a case-by-case basis, the Secretary discharges a loan based upon other reliable documentation of the borrower's or student's death that is acceptable to the Secretary.

(3) In the case of a Direct Consolidation Loan that repaid a Direct PLUS Loan or a Federal PLUS Loan obtained on behalf of a student who dies, the Secretary discharges an amount equal to the portion of the outstanding balance of the consolidation loan, as of

§ 685.212

the date of the student's death, attributable to that Direct PLUS Loan or Federal PLUS Loan.

(b) *Total and permanent disability.* If a borrower meets the requirements in § 685.213, the Secretary discharges the obligation of the borrower and any endorser to make any further payments on the loan.

(c) *Bankruptcy.* If a borrower's obligation to repay a loan is discharged in bankruptcy, the Secretary does not require the borrower to make any further payments on the loan.

(d) *Closed schools.* If a borrower meets the requirements in § 685.214, the Secretary discharges the obligation of the borrower and any endorser to make any further payments on the loan. In the case of a Direct Consolidation Loan, the Secretary discharges the portion of the consolidation loan equal to the amount of the discharge applicable to any loan disbursed, in whole or in part, on or after January 1, 1986 that was included in the consolidation loan.

(e) *False certification and unauthorized disbursement.* If a borrower meets the requirements in § 685.215, the Secretary discharges the obligation of the borrower and any endorser to make any further payments on the loan. (f) *Unpaid refunds.* If a borrower meets the requirements in § 685.216, the Secretary discharges the obligation of the borrower and any endorser to make any further payments on the amount of the loan equal to the unpaid refund and any accrued interest and other charges associated with the unpaid refund. In the case of a Direct Consolidation Loan, the Secretary discharges the portion of the consolidation loan equal to the amount of the unpaid refund owed on any loan disbursed, in whole or in part, on or after January 1, 1986 that was included in the consolidation loan.

(g) *Payments received after eligibility for discharge—*(1) *For the discharge conditions in paragraphs (a), (c), (d), and (e) of this section.* Upon receipt of acceptable documentation and approval of

34 CFR Ch. VI (7-1-22 Edition)

the discharge request, the Secretary returns to the sender, or, for a discharge based on death, the borrower's estate, any payments received after the date that the eligibility requirements for discharge were met.

(2) *For the discharge condition in paragraph (b) of this section.* Upon making a final determination of eligibility for discharge based on total and permanent disability, the Secretary returns to the sender any payments received after the date specified in § 685.213(b)(4)(iii) or 685.213(c)(2)(i), as applicable.

(3) *For the discharge condition in paragraph (f) of this section.* Upon receipt of acceptable documentation and approval of the discharge request, the Secretary returns to the sender payments received in excess of the amount owed on the loan after applying the unpaid refund.

(h) *Teacher loan forgiveness program.* If a new borrower meets the requirements in § 685.217, the Secretary repays up to \$5,000, or up to \$17,500, of the borrower's Direct Subsidized Loans, Direct Unsubsidized Loans, and, in certain cases, Direct Consolidation Loans.

(i) *Public Service Loan Forgiveness Program.* If a borrower meets the requirements in § 685.219, the Secretary cancels the remaining principal and accrued interest of the borrower's eligible Direct Subsidized Loan, Direct Unsubsidized Loan, Direct PLUS Loan, and Direct Consolidation Loan.

(j) *September 11 survivors discharge.* If a borrower meets the requirements in § 685.218, the Secretary discharges the obligation of the borrower and any endorser to make any further payments—

(3) On a Direct PLUS Loan incurred on behalf of an eligible victim if the borrower qualifies as an eligible parent; and

(4) On the portion of a Direct Consolidation Loan that repaid a PLUS loan

incurred on behalf of an eligible victim, if the borrower qualifies as an eligible parent.

(k) *Borrower defenses.* (1) If a borrower defense is approved under § 685.206(c) or under § 685.206(d) and § 685.222—

(i) The Secretary discharges the obligation of the borrower in whole or in part in accordance with the procedures in §§ 685.206(c) and 685.222, respectively; and

(ii) The Secretary returns to the borrower payments made by the borrower or otherwise recovered on the loan that exceed the amount owed on that portion of the loan not discharged, if the borrower asserted the claim not later than—

(A) For a claim subject to § 685.206(c), the limitation period under applicable law to the claim on which relief was granted; or

(B) For a claim subject to § 685.222, the limitation period in § 685.222(b), (c), or (d), as applicable.

(2) In the case of a Direct Consolidation Loan, a borrower may assert a borrower defense under § 685.206(c) or § 685.222 with respect to a Direct Loan, FFEL Program Loan, Federal Perkins Loan, Health Professions Student Loan, Loan for Disadvantaged Students under subpart II of part A of title VII of the Public Health Service Act, Health Education Assistance Loan, or Nursing Loan made under part E of the Public Health Service Act that was repaid by the Direct Consolidation Loan.

(i) The Secretary considers a borrower defense claim asserted on a Direct Consolidation Loan by determining—

(A) Whether the act or omission of the school with regard to the loan described in this paragraph (k)(2), other than a Direct Subsidized, Unsubsidized, or PLUS Loan, constitutes a borrower defense under § 685.206(c), for a Direct Consolidation Loan made before July 1, 2017, or under § 685.222, for a Direct Consolidation Loan made on or after July 1, 2017, and before July 1, 2020; or

(B) Whether the act or omission of the school with regard to a Direct Subsidized, Unsubsidized, or PLUS Loan made on after July 1, 2017, and before July 1, 2020, that was paid off by the Direct Consolidation Loan, constitutes a borrower defense under § 685.222.

(ii) If the borrower defense is approved, the Secretary discharges the appropriate portion of the Direct Consolidation Loan.

(iii) The Secretary returns to the borrower payments made by the borrower or otherwise recovered on the Direct Consolidation Loan that exceed the amount owed on that portion of the Direct Consolidation Loan not discharged, if the borrower asserted the claim not later than—

(A) For a claim asserted under § 685.206(c), the limitation period under the law applicable to the claim on which relief was granted; or

(B) For a claim asserted under § 685.222, the limitation period in § 685.222(b), (c), or (d), as applicable.

(iv) The Secretary returns to the borrower a payment made by the borrower or otherwise recovered on the loan described in this paragraph (k)(2) only if—

(A) The payment was made directly to the Secretary on the loan; and

(B) The borrower proves that the loan to which the payment was credited was not legally enforceable under applicable law in the amount for which that payment was applied.

(3) If a borrower's application for a discharge of a loan based on a borrower defense is approved under § 685.206(e), the Secretary discharges the obligation of the borrower, in whole or in part, in accordance with the procedures described in § 685.206(e).

§ 685.213 Total and permanent disability discharge.

(a) *General.* (1) A borrower's Direct Loan is discharged if the borrower becomes totally and permanently disabled, as defined in § 685.102(b), and satisfies the eligibility requirements in this section.

(2) For a borrower who becomes totally and permanently disabled as described in paragraph (1) of the definition of that term in § 685.102(b), the borrower's loan discharge application is processed in accordance with paragraph (b) of this section.

(3) For veterans who are totally and permanently disabled as described in paragraph (2) of the definition of that term in § 685.102(b), the veteran's loan discharge application is processed in accordance with paragraph (c) of this section.

(4) For purposes of this section, a borrower's representative or a veteran's representative is a member of the borrower's family, the borrower's attorney, or another individual authorized to act on behalf of the borrower in connection with the borrower's total and permanent disability discharge application. References to a "borrower" or a "veteran" include, if applicable, the borrower's representative or the veteran's representative for purposes of applying for a total and permanent disability discharge, providing notifications or information to the Secretary, and receiving notifications from the Secretary.

(b) *Discharge application process for a borrower who is totally and permanently disabled as described in paragraph (1) of the definition of that term in § 685.102(b)*—

(1) *Borrower application for discharge.* Except as provided in paragraph (d)(2) of this section, to qualify for a discharge of a Direct Loan based on a total and permanent disability, a borrower must submit a discharge application to the Secretary on a form approved by the Secretary. If the borrower notifies the Secretary that the borrower claims to be totally and permanently disabled prior to submitting a total and permanent disability discharge application, the Secretary—

(i) Provides the borrower with information needed for the borrower to apply for a total and permanent disability discharge;

(ii) Suspends collection activity on any of the borrower's title IV loans held by the Secretary, and notifies the borrower's other title IV loan holders to suspend collection activity on the borrower's title IV loans for a period not to exceed 120 days; and

(iii) Informs the borrower that the suspension of collection activity will end after 120 days and collection will resume on the loans if the borrower does not submit a total and permanent disability discharge application to the Secretary within that time.

(2) *Physician certification or Social Security Administration (SSA) disability notice of award.* The application must contain—

(i) A certification by a physician, who is a doctor of medicine or osteopathy legally authorized to practice in a State, that the borrower is totally and permanently disabled as described in paragraph (1) of the definition of that term in § 685.102(b); or

(ii) An SSA notice of award for Social Security Disability Insurance (SSDI) or Supplemental Security Income (SSI) benefits indicating that the borrower's next scheduled disability review will be within five to seven years.

(3) *Deadline for application submission.* The borrower must submit the application described in paragraph (b)(1) of this section to the Secretary within 90 days of the date the physician certifies the application, if applicable. Upon receipt of the borrower's application, the Secretary—

(i) Identifies all title IV loans owed by the borrower, notifies the lenders that the Secretary has received a total and permanent disability discharge application from the borrower and directs the lenders to suspend collection activity or maintain the suspension of collection activity on the borrower's title IV loans;

(ii) If the application is incomplete, notifies the borrower of the missing information and requests the missing information from the borrower or the physician who certified the application, as appropriate, and does not make a determination of eligibility for discharge until the application is complete;

(iii) Notifies the borrower that no payments are due on the loan while the Secretary determines the borrower's eligibility for discharge; and

(iv) Explains the process for the Secretary's review of total and permanent disability discharge applications.

(4) *Determination of eligibility.* (i) If, after reviewing the borrower's completed application, the Secretary determines that the physician's certification or the SSA notice of award for SSDI or SSI benefits supports the conclusion that the borrower meets the criteria for a total and permanent disability discharge, as described in paragraph (1) of the definition of that term in § 685.102(b), the borrower is considered totally and permanently disabled—

(A) As of the date the physician certified the borrower's application; or

(B) As of the date the Secretary received the SSA notice of award for SSDI or SSI benefits.

(ii) The Secretary may require the borrower to submit additional medical evidence if the Secretary determines that the borrower's application does not conclusively prove that the borrower is totally and permanently disabled as described in paragraph (1) of the definition of that term in § 685.102(b). As part of the Secretary's review of the borrower's discharge application, the Secretary may require and arrange for an additional review of the borrower's condition by an independent physician at no expense to the borrower.

(iii) After determining that the borrower is totally and permanently disabled, as described in paragraph (1) of the definition of that term in § 685.102(b), the Secretary discharges the borrower's obligation to make any further payments on the loan, notifies the borrower that the loan has been discharged, and returns to the person who made the payments on the loan any payments received after the date the physician certified the borrower's loan discharge application or the date the Secretary received the SSA notice of award for SSDI or SSI benefits. The notification to the borrower explains the terms and conditions under which the borrower's obligation to repay the loan will be reinstated, as specified in paragraph (b)(7)(i) of this section.

(iv) If the Secretary determines that the physician's certification or the SSA notice of award for SSDI or SSI benefits provided by the borrower does not support the conclusion that the borrower is totally and permanently

disabled, as described in paragraph (1) of the definition of that term in § 685.102(b), the Secretary notifies the borrower that the application for a disability discharge has been denied. The notification to the borrower includes—

(A) The reason or reasons for the denial;

(B) A statement that the loan is due and payable to the Secretary under the terms of the promissory note and that the loan will return to the status that would have existed if the total and permanent disability discharge application had not been received;

(C) The date that the borrower must resume making payments;

(D) An explanation that the borrower is not required to submit a new total and permanent disability discharge application if the borrower requests that the Secretary re-evaluate the borrower's application for discharge by providing, within 12 months of the date of the notification, additional information that supports the borrower's eligibility for discharge; and

(E) An explanation that if the borrower does not request re-evaluation of the borrower's prior discharge application within 12 months of the date of the notification, the borrower must submit a new total and permanent disability discharge application to the Secretary if the borrower wishes the Secretary to re-evaluate the borrower's eligibility for a total and permanent disability discharge.

(v) If the borrower requests re-evaluation in accordance with paragraph (b)(4)(iv)(D) of this section or submits a new total and permanent disability discharge application in accordance with paragraph (b)(4)(iv)(E) of this section, the request must include new information regarding the borrower's disabling condition that was not provided to the Secretary in connection with the prior application at the time the Secretary reviewed the borrower's initial application for total and permanent disability discharge.

(5) *Treatment of disbursements made during the period from the date of the physician's certification or the date the Secretary received the SSA notice of award for SSDI or SSI benefits until the date of discharge.* If a borrower received a title IV loan or TEACH Grant before

the date the physician certified the borrower's discharge application or before the date the Secretary received the SSA notice of award for SSDI or SSI benefits and a disbursement of that loan or grant is made during the period from the date of the physician's certification or the receipt of the SSA notice of award for SSDI or SSI benefits until the date the Secretary grants a discharge under this section, the processing of the borrower's loan discharge request will be suspended until the borrower ensures that the full amount of the disbursement has been returned to the loan holder or to the Secretary, as applicable.

(6) *Receipt of new title IV loans or TEACH Grants after the date of the physician's certification or after the date the Secretary received the SSA notice of award for SSDI or SSI benefits.* If a borrower receives a disbursement of a new title IV loan or receives a new TEACH Grant made on or after the date the physician certified the borrower's discharge application or on or after the date the Secretary received the SSA notice of award for SSDI or SSI benefits and before the date the Secretary grants a discharge under this section, the Secretary denies the borrower's discharge request and resumes collection on the borrower's loan.

(7) *Conditions for reinstatement of a loan after a total and permanent disability discharge.* (i) The Secretary reinstates a borrower's obligation to repay a loan that was discharged in accordance with paragraph (b)(4)(iii) of this section if, within three years after the date the Secretary granted the discharge, the borrower—

(A) Has annual earnings from employment that exceed 100 percent of the poverty guideline for a family of two, as published annually by the United States Department of Health and Human Services pursuant to 42 U.S.C. 9902(2);

(B) Receives a new TEACH Grant or a new loan under the Perkins or Direct Loan programs, except for a Direct Consolidation Loan that includes loans that were not discharged;

(C) Fails to ensure that the full amount of any disbursement of a title IV loan or TEACH Grant received prior to the discharge date that is made is

returned to the loan holder or to the Secretary, as applicable, within 120 days of the disbursement date; or

(D) Receives a notice from the SSA indicating that the borrower is no longer disabled or that the borrower's continuing disability review will no longer be the five- to seven-year period indicated in the SSA notice of award for SSDI or SSI benefits.

(ii) If the borrower's obligation to repay the loan is reinstated, the Secretary—

(A) Notifies the borrower that the borrower's obligation to repay the loan has been reinstated;

(B) Returns the loan to the status that would have existed if the total and permanent disability discharge application had not been received; and

(C) Does not require the borrower to pay interest on the loan for the period from the date the loan was discharged until the date the borrower's obligation to repay the loan was reinstated.

(iii) The Secretary's notification under paragraph (b)(7)(ii)(A) of this section will include—

(A) The reason or reasons for the reinstatement;

(B) An explanation that the first payment due date on the loan following reinstatement will be no earlier than 60 days after the date of the notification of reinstatement; and

(C) Information on how the borrower may contact the Secretary if the borrower has questions about the reinstatement or believes that the obligation to repay the loan was reinstated based on incorrect information.

(8) *Borrower's responsibilities after a total and permanent disability discharge.* During the three-year period described in paragraph (b)(7)(i) of this section, the borrower must—

(i) Promptly notify the Secretary of any changes in the borrower's address or phone number;

(ii) Promptly notify the Secretary if the borrower's annual earnings from employment exceed the amount specified in paragraph (b)(7)(i)(A) of this section;

(iii) Provide the Secretary, upon request, with documentation of the borrower's annual earnings from employment on a form provided by the Secretary; and

(iv) Promptly notify the Secretary if the borrower receives a notice from the SSA indicating that the borrower is no longer disabled or that the borrower's continuing disability review will no longer be the five- to seven-year period indicated in the SSA notice of award for SSDI or SSI benefits.

(c) *Discharge application process for veterans who are totally and permanently disabled as described in paragraph (2) of the definition of that term in § 685.102(b)—*

(1) *Veteran's application for discharge.* Except as provided in paragraph (d)(1) of this section, to qualify for a discharge of a Direct Loan based on a total and permanent disability as described in paragraph (2) of the definition of that term in § 685.102(b), a veteran must submit a discharge application to the Secretary on a form approved by the Secretary. The application must be accompanied by documentation from the Department of Veterans Affairs showing that the Department of Veterans Affairs has determined that the veteran is unemployable due to a service-connected disability. The Secretary does not require the veteran to provide any additional documentation related to the veteran's disability. Upon receipt of the veteran's application, the Secretary—

(i) Identifies all title IV loans owed by the veteran and notifies the lenders that the Secretary has received a total and permanent disability discharge application from the borrower;

(ii) If the application is incomplete, requests the missing information from the veteran and does not make a determination of eligibility for discharge until the application is complete;

(iii) Notifies the veteran that no payments are due on the loan while the Secretary determines the veteran's eligibility for discharge; and

(iv) Explains the Secretary's process for reviewing total and permanent disability discharge applications.

(2) *Determination of eligibility.* (i) If the Secretary determines, based on a review of the documentation from the Department of Veterans Affairs, that the veteran is totally and permanently disabled as described in paragraph (2) of the definition of that term in § 685.102(b), the Secretary discharges the veteran's obligation to make any

further payments on the loan and returns to the person who made the payments on the loan any payments received on or after the effective date of the determination by the Department of Veterans Affairs that the veteran is unemployable due to a service-connected disability.

(ii) If the Secretary determines, based on a review of the documentation from the Department of Veterans Affairs, that the veteran is not totally and permanently disabled as described in paragraph (2) of the definition of that term in § 685.102(b), the Secretary notifies the veteran that the application for a disability discharge has been denied. The notification to the veteran includes—

(A) The reason or reasons for the denial;

(B) An explanation that the loan is due and payable to the Secretary under the terms of the promissory note and that the loan will return to the status it was in at the time the veteran applied for a total and permanent disability discharge;

(C) The date that the veteran must resume making payments;

(D) An explanation that the veteran is not required to submit a new total and permanent disability discharge application if the veteran requests that the Secretary re-evaluate the veteran's application for discharge by providing, within 12 months of the date of the notification, additional documentation from the Department of Veterans Affairs that supports the veteran's eligibility for discharge; and

(E) Information on how the veteran may reapply for a total and permanent disability discharge in accordance with the procedures described in paragraph (b) of this section if the documentation from the Department of Veterans Affairs does not indicate that the veteran is totally and permanently disabled as described in paragraph (2) of the definition of that term in § 685.102(b), but indicates that the veteran may be totally and permanently disabled as described in paragraph (1) of the definition of that term.

(d) *Discharge without an application.*

(1) The Secretary may discharge a loan

§ 685.214

34 CFR Ch. VI (7-1-22 Edition)

under this section without an application or any additional documentation from the borrower if the Secretary—

(i) Obtains data from the Department of Veterans Affairs showing that the borrower is unemployable due to a service-connected disability; or

(ii) Obtains data from the Social Security Administration (SSA) showing that the borrower qualifies for SSDI or SSI benefits and that the borrower's next scheduled disability review will be no earlier than five nor later than seven years.

(2) [Reserved]

(e) *Notification to the borrower.* (1) After determining that a borrower qualifies for a total and permanent disability discharge under paragraph (d) of this section, the Secretary sends a notification to the borrower informing the borrower that the Secretary will discharge the borrower's title IV loans unless the borrower notifies the Secretary, by a date specified in the Secretary's notification, that the borrower does not wish to receive the loan discharge.

(2) Unless the borrower notifies the Secretary that the borrower does not wish to receive the discharge the Secretary discharges the loan—

(i) In accordance with paragraph (b)(4)(iii) of this section for a discharge based on data from the SSA; or

(ii) In accordance with paragraph (c)(2)(i) of this section for a discharge based on data from VA.

(3) If the borrower notifies the Secretary that they do not wish to receive the discharge, the borrower will remain responsible for repayment of the borrower's loans in accordance with the terms and conditions of the promissory notes that the borrower signed.

[77 FR 66142, Nov. 1, 2012, as amended at 84 FR 65007, Nov. 26, 2019; 86 FR 46982, Aug. 23, 2021]

§ 685.214 Closed school discharge.

(a) *General.* (1) The Secretary discharges the borrower's (and any endorser's) obligation to repay a Direct Loan in accordance with the provisions of this section if the borrower (or the student on whose behalf a parent borrowed) did not complete the program of study for which the loan was made because the school at which the borrower

(or student) was enrolled closed, as described in paragraph (c) of this section.

(2) For purposes of this section—

(i) A school's closure date is the date that the school ceases to provide educational instruction in all programs, as determined by the Secretary; and

(ii) "School" means a school's main campus or any location or branch of the main campus, regardless of whether the school or its location or branch is considered eligible.

(b) *Relief pursuant to discharge.* (1) Discharge under this section relieves the borrower of any past or present obligation to repay the loan and any accrued charges or collection costs with respect to the loan.

(2) The discharge of a loan under this section qualifies the borrower for reimbursement of amounts paid voluntarily or through enforced collection on the loan.

(3) The Secretary does not regard a borrower who has defaulted on a loan discharged under this section as in default on the loan after discharge, and such a borrower is eligible to receive assistance under programs authorized by title IV of the Act.

(4) The Secretary reports the discharge of a loan under this section to all consumer reporting agencies to which the Secretary previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan.

(c) *Borrower qualification for discharge.*

(1) For loans first disbursed before July 1, 2020, in order to qualify for discharge of a loan under this section, a borrower must submit to the Secretary a written request and sworn statement, and the factual assertions in the statement must be true. The statement need not be notarized but must be made by the borrower under penalty of perjury. In the statement, the borrower must—

(i) State that the borrower (or the student on whose behalf a parent borrowed)—

(A) Received the proceeds of a loan, in whole or in part, on or after January 1, 1986 to attend a school;

(B) Did not complete the program of study at that school because the school closed while the student was enrolled, or the student withdrew from the school not more than 120 days before

the school closed. The Secretary may extend the 120-day period if the Secretary determines that exceptional circumstances related to a school's closing justify an extension. Exceptional circumstances for this purpose may include, but are not limited to: the school's loss of accreditation; the school's discontinuation of the majority of its academic programs; action by the State to revoke the school's license to operate or award academic credentials in the State; or a finding by a State or Federal government agency that the school violated State or Federal law; and

(C) Did not complete the program of study through a teach-out at another school or by transferring academic credits or hours earned at the closed school to another school;

(ii) State whether the borrower (or student) has made a claim with respect to the school's closing with any third party, such as the holder of a performance bond or a tuition recovery program, and, if so, the amount of any payment received by the borrower (or student) or credited to the borrower's loan obligation; and

(iii) State that the borrower (or student)—

(A) Agrees to provide to the Secretary upon request other documentation reasonably available to the borrower that demonstrates that the borrower meets the qualifications for discharge under this section; and

(B) Agrees to cooperate with the Secretary in enforcement actions in accordance with paragraph (d) of this section and to transfer any right to recovery against a third party to the Secretary in accordance with paragraph (e) of this section.

(2) For loans first disbursed on or after July 1, 2020, in order to qualify for discharge of a loan under this section, a borrower must submit to the Secretary a completed application, and the factual assertions in the application must be true and made by the borrower under penalty of perjury. The application explains the procedures and eligibility criteria for obtaining a discharge and requires the borrower to—

(i) Certify that the borrower (or the student on whose behalf a parent borrowed)—

(A) Received the proceeds of a loan, in whole or in part, on or after July 1, 2020 to attend a school;

(B) Did not complete the program of study at that school because the school closed on the date that the student was enrolled, or the student withdrew from the school not more than 180 calendar days before the date that the school closed. The Secretary may extend the 180-day period if the Secretary determines that exceptional circumstances related to a school's closing justify an extension. Exceptional circumstances for this purpose may include, but are not limited to: The revocation or withdrawal by an accrediting agency of the school's institutional accreditation; revocation or withdrawal by the State authorization or licensing authority to operate or to award academic credentials in the State; the termination by the Department of the school's participation in a title IV, HEA program; the teach-out of the student's educational program exceeds the 180-day look-back period for a closed school loan discharge; or the school responsible for the teach-out of the student's educational program fails to perform the material terms of the teach-out plan or agreement, such that the student does not have a reasonable opportunity to complete his or her program of study or a comparable program; and

(C) Did not complete the program of study or a comparable program through a teach-out at another school or by transferring academic credits or hours earned at the closed school to another school;

(ii) Certify that the borrower (or the student on whose behalf the parent borrowed) has not accepted the opportunity to complete, or is not continuing in, the program of study or a comparable program through either an institutional teach-out plan performed by the school or a teach-out agreement at another school, approved by the school's accrediting agency and, if applicable, the school's State authorizing agency.

(3) If the Secretary determines, based on information in the Secretary's possession, that the borrower qualifies for the discharge of a loan under this section, the Secretary—

(i) May discharge the loan without an application from the borrower; and

(ii) With respect to schools that closed on or after November 1, 2013, and before July 1, 2020, will discharge the loan without an application from the borrower if the borrower did not subsequently re-enroll in any title IV-eligible institution within a period of three years from the date the school closed.

(d) *Cooperation by borrower in enforcement actions.* (1) In order to obtain a discharge under this section, a borrower must cooperate with the Secretary in any judicial or administrative proceeding brought by the Secretary to recover amounts discharged or to take other enforcement action with respect to the conduct on which the discharge was based. At the request of the Secretary and upon the Secretary's tendering to the borrower the fees and costs that are customarily provided in litigation to reimburse witnesses, the borrower must—

(i) Provide testimony regarding any representation made by the borrower to support a request for discharge;

(ii) Produce any documents reasonably available to the borrower with respect to those representations; and

(iii) If required by the Secretary, provide a sworn statement regarding those documents and representations.

(2) The Secretary denies the request for a discharge or revokes the discharge of a borrower who—

(i) Fails to provide the testimony, documents, or a sworn statement required under paragraph (d)(1) of this section; or

(ii) Provides testimony, documents, or a sworn statement that does not support the material representations made by the borrower to obtain the discharge.

(e) *Transfer to the Secretary of borrower's right of recovery against third parties.* (1) Upon discharge under this section, the borrower is deemed to have assigned to and relinquished in favor of the Secretary any right to a loan refund (up to the amount discharged) that the borrower (or student) may have by contract or applicable law with respect to the loan or the enrollment agreement for the program for which the loan was received, against the school, its principals, its affiliates and

their successors, its sureties, and any private fund, including the portion of a public fund that represents funds received from a private party.

(2) The provisions of this section apply notwithstanding any provision of State law that would otherwise restrict transfer of those rights by the borrower (or student), limit or prevent a transferee from exercising those rights, or establish procedures or a scheme of distribution that would prejudice the Secretary's ability to recover on those rights.

(3) Nothing in this section limits or forecloses the borrower's (or student's) right to pursue legal and equitable relief regarding disputes arising from matters unrelated to the discharged Direct Loan.

(f) *Discharge procedures.* The discharge procedures in this paragraph (f) apply to loans first disbursed before July 1, 2020.

(1) After confirming the date of a school's closure, the Secretary identifies any Direct Loan borrower (or student on whose behalf a parent borrowed) who appears to have been enrolled at the school on the school closure date or to have withdrawn not more than 120 days prior to the closure date.

(2) If the borrower's current address is known, the Secretary mails the borrower a discharge application and an explanation of the qualifications and procedures for obtaining a discharge. The Secretary also promptly suspends any efforts to collect from the borrower on any affected loan. The Secretary may continue to receive borrower payments.

(3) If the borrower's current address is unknown, the Secretary attempts to locate the borrower and determines the borrower's potential eligibility for a discharge under this section by consulting with representatives of the closed school, the school's licensing agency, the school's accrediting agency, and other appropriate parties. If the Secretary learns the new address of a borrower, the Secretary mails to the borrower a discharge application and explanation and suspends collection, as described in paragraph (f)(2) of this section.

(4) If a borrower fails to submit the application described in paragraph (c) of this section within 60 days of the Secretary's providing the discharge application, the Secretary resumes collection and grants forbearance of principal and interest for the period in which collection activity was suspended. The Secretary may capitalize any interest accrued and not paid during that period.

(5) Upon resuming collection on any affected loan, the Secretary provides the borrower another discharge application and an explanation of the requirements and procedures for obtaining a discharge.

(6) If the Secretary determines that a borrower who requests a discharge meets the qualifications for a discharge, the Secretary notifies the borrower in writing of that determination.

(7) If the Secretary determines that a borrower who requests a discharge does not meet the qualifications for a discharge, the Secretary notifies that borrower in writing of that determination and the reasons for the determination.

(g) *Discharge procedures.* The discharge procedures in this paragraph (g) apply to loans first disbursed on or after July 1, 2020.

(1) After confirming the date of a school's closure, the Secretary identifies any Direct Loan borrower (or student on whose behalf a parent borrowed) who appears to have been enrolled at the school on the school closure date or to have withdrawn not more than 180 days prior to the closure date.

(2) If the borrower's current address is known, the Secretary mails the borrower a discharge application and an explanation of the qualifications and procedures for obtaining a discharge. The Secretary also promptly suspends any efforts to collect from the borrower on any affected loan. The Secretary may continue to receive borrower payments.

(3) If the borrower's current address is unknown, the Secretary attempts to locate the borrower and determines the borrower's potential eligibility for a discharge under this section by consulting with representatives of the closed school, the school's licensing agency, the school's accrediting agen-

cy, and other appropriate parties. If the Secretary learns the new address of a borrower, the Secretary mails to the borrower a discharge application and explanation and suspends collection, as described in paragraph (g)(2) of this section.

(4) If a borrower fails to submit the application described in paragraph (c) of this section within 60 days of the Secretary's providing the discharge application, the Secretary resumes collection and grants forbearance of principal and interest for the period in which collection activity was suspended. The Secretary may capitalize any interest accrued and not paid during that period.

(5) If the Secretary determines that a borrower who requests a discharge meets the qualifications for a discharge, the Secretary notifies the borrower in writing of that determination.

(6) If the Secretary determines that a borrower who requests a discharge does not meet the qualifications for a discharge, the Secretary notifies that borrower in writing of that determination and the reasons for the determination, and resumes collection.

§ 685.215 Discharge for false certification of student eligibility or unauthorized payment.

(a) *Basis for discharge*—(1) *False certification.* For loans first disbursed before July 1, 2020, the Secretary discharges a borrower's (and any endorser's) obligation to repay a Direct Loan in accordance with the provisions of this section if a school falsely certifies the eligibility of the borrower (or the student on whose behalf a parent borrowed) to receive the proceeds of a Direct Loan. The Secretary considers a student's eligibility to borrow to have been falsely certified by the school if the school—

(i) Certified the eligibility of a student who—

(A) Reported not having a high school diploma or its equivalent; and

(B) Did not satisfy the alternative to graduation from high school requirements under section 484(d) of the Act that were in effect at the time of certification;

(ii) For loans first disbursed before July 1, 2020, certified the eligibility of a student who is not a high school graduate based on—

(A) A high school graduation status falsified by the school; or

(B) A high school diploma falsified by the school or a third party to which the school referred the borrower;

(iii) Signed the borrower's name on the loan application or promissory note without the borrower's authorization;

(iv) Certified the eligibility of the student who, because of a physical or mental condition, age, criminal record, or other reason accepted by the Secretary, would not meet State requirements for employment (in the student's State of residence when the loan was originated) in the occupation for which the training program supported by the loan was intended;

(v) Certified the eligibility of a student for a Direct Loan as a result of the crime of identity theft committed against the individual, as that crime is defined in paragraph (c)(5)(ii) of this section; or

(vi) For loans first disbursed on or after July 1, 2020, certified eligibility for a Direct Loan for a student who did not have a high school diploma or its recognized equivalent and did not meet the alternative eligibility requirements described in 34 CFR part 668 and section 484(d) of the Act applicable at the time of disbursement.

(2) *Unauthorized payment.* The Secretary discharges a borrower's (and any endorser's) obligation to repay a Direct Loan if the school, without the borrower's authorization, endorsed the borrower's loan check or signed the borrower's authorization for electronic funds transfer, unless the proceeds of the loan were delivered to the student or applied to charges owed by the student to the school.

(b) *Relief pursuant to discharge.* (1) Discharge for false certification under paragraph (a)(1) of this section relieves the borrower of any past or present obligation to repay the loan and any ac-

rued charges and collection costs with respect to the loan.

(2) Discharge for unauthorized payment under paragraph (a)(2) of this section relieves the borrower of the obligation to repay the amount of the payment discharged.

(3) The discharge under this section qualifies the borrower for reimbursement of amounts paid voluntarily or through enforced collection on the discharged loan or payment.

(4) The Secretary does not regard a borrower who has defaulted on a loan discharged under this section as in default on the loan after discharge, and such a borrower is eligible to receive assistance under programs authorized by title IV of the Act.

(5) The Secretary reports the discharge under this section to all consumer reporting agencies to which the Secretary previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan.

(c) *Borrower qualification for discharge.* This paragraph (c) applies to loans first disbursed before July 1, 2020. To qualify for discharge under this paragraph, the borrower must submit to the Secretary an application for discharge on a form approved by the Secretary. The application need not be notarized but must be made by the borrower under penalty of perjury; and in the application, the borrower's responses must demonstrate to the satisfaction of the Secretary that the requirements in paragraph (c)(1) through (7) of this section have been met. If the Secretary determines the application does not meet the requirements, the Secretary notifies the applicant and explains why the application does not meet the requirements.

(1) *High school diploma or equivalent.* In the case of a borrower requesting a discharge based on not having had a high school diploma and not having met the alternative to graduation from high school eligibility requirements under section 484(d) of the Act applicable at the time the loan was originated, and the school or a third party to which the school referred the borrower falsified the student's high school diploma, the borrower must state in the application that the borrower (or the

student on whose behalf a parent received a PLUS loan)—

(i) Reported not having a valid high school diploma or its equivalent at the time the loan was certified; and

(ii) Did not satisfy the alternative to graduation from high school statutory or regulatory eligibility requirements identified on the application form and applicable at the time the institution certified the loan.

(2) *Disqualifying condition.* In the case of a borrower requesting a discharge based on a condition that would disqualify the borrower from employment in the occupation that the training program for which the borrower received the loan was intended, the borrower must state in the application that the borrower (or student for whom a parent received a PLUS loan)—

(i) Did not meet State requirements for employment (in the student's State of residence) in the occupation that the training program for which the borrower received the loan was intended because of a physical or mental condition, age, criminal record, or other reason accepted by the Secretary.

(ii) [Reserved]

(3) *Unauthorized loan.* In the case of a borrower requesting a discharge because the school signed the borrower's name on the loan application or promissory note without the borrower's authorization, the borrower must—

(i) State that he or she did not sign the document in question or authorize the school to do so; and

(ii) Provide five different specimens of his or her signature, two of which must be within one year before or after the date of the contested signature.

(4) *Unauthorized payment.* In the case of a borrower requesting a discharge because the school, without the borrower's authorization, endorsed the borrower's loan check or signed the borrower's authorization for electronic funds transfer, the borrower must—

(i) State that he or she did not endorse the loan check or sign the authorization for electronic funds transfer or authorize the school to do so;

(ii) Provide five different specimens of his or her signature, two of which must be within one year before or after the date of the contested signature;

(iii) State that the proceeds of the contested disbursement were not delivered to the student or applied to charges owed by the student to the school.

(5) *Identity theft.* (i) In the case of an individual whose eligibility to borrow was falsely certified because he or she was a victim of the crime of identity theft and is requesting a discharge, the individual must—

(A) Certify that the individual did not sign the promissory note, or that any other means of identification used to obtain the loan was used without the authorization of the individual claiming relief;

(B) Certify that the individual did not receive or benefit from the proceeds of the loan with knowledge that the loan had been made without the authorization of the individual;

(C) Provide a copy of a local, State, or Federal court verdict or judgment that conclusively determines that the individual who is named as the borrower of the loan was the victim of a crime of identity theft; and

(D) If the judicial determination of the crime does not expressly state that the loan was obtained as a result of the crime of identity theft, provide—

(1) Authentic specimens of the signature of the individual, as provided in paragraph (c)(2)(ii) of this section, or of other means of identification of the individual, as applicable, corresponding to the means of identification falsely used to obtain the loan; and

(2) A statement of facts that demonstrate, to the satisfaction of the Secretary, that eligibility for the loan in question was falsely certified as a result of the crime of identity theft committed against that individual.

(ii)(A) For purposes of this section, identity theft is defined as the unauthorized use of the identifying information of another individual that is punishable under 18 U.S.C. 1028, 1028A, 1029, or 1030, or substantially comparable State or local law.

(B) Identifying information includes, but is not limited to—

(1) Name, Social Security number, date of birth, official State or government issued driver's license or identification number, alien registration number, government passport number,

and employer or taxpayer identification number;

(2) Unique biometric data, such as fingerprints, voiceprint, retina or iris image, or unique physical representation;

(3) Unique electronic identification number, address, or routing code; or

(4) Telecommunication identifying information or access device (as defined in 18 U.S.C. 1029(e)).

(6) *Claim to third party.* The borrower must state whether the borrower (or student) has made a claim with respect to the school’s false certification or unauthorized payment with any third party, such as the holder of a performance bond or a tuition recovery program, and, if so, the amount of any payment received by the borrower (or student) or credited to the borrower’s loan obligation.

(7) *Cooperation with Secretary.* The borrower must state that the borrower (or student)—

(i) Agrees to provide to the Secretary upon request other documentation reasonably available to the borrower that demonstrates that the borrower meets the qualifications for discharge under this section; and

(ii) Agrees to cooperate with the Secretary in enforcement actions as described in § 685.214(d) and to transfer any right to recovery against a third party to the Secretary as described in § 685.214(e).

(8) *Discharge without an application.* The Secretary discharges all or part of a loan as appropriate under this section without an application from the borrower if the Secretary determines, based on information in the Secretary’s possession, that the borrower qualifies for a discharge. Such information includes, but is not limited to, evidence that the school has falsified the Satisfactory Academic Progress of its students, as described in § 668.34.

(d) *Discharge procedures.* This paragraph (d) applies to loans first disbursed before July 1, 2020.

(1) If the Secretary determines that a borrower’s Direct Loan may be eligible for a discharge under this section, the Secretary provides the borrower an application and an explanation of the qualifications and procedures for obtaining a discharge. The Secretary also

promptly suspends any efforts to collect from the borrower on any affected loan. The Secretary may continue to receive borrower payments.

(2) If the borrower fails to submit the application described in paragraph (c) of this section within 60 days of the Secretary’s providing the application, the Secretary resumes collection and grants forbearance of principal and interest for the period in which collection activity was suspended. The Secretary may capitalize any interest accrued and not paid during that period.

(3) If the borrower submits the application described in paragraph (c) of this section, the Secretary determines whether the available evidence supports the claim for discharge. Available evidence includes evidence provided by the borrower and any other relevant information from the Secretary’s records and gathered by the Secretary from other sources, including guaranty agencies, other Federal agencies, State authorities, test publishers, independent test administrators, school records, and cognizant accrediting associations. The Secretary issues a decision that explains the reasons for any adverse determination on the application, describes the evidence on which the decision was made, and provides the borrower, upon request, copies of the evidence. The Secretary considers any response from the borrower and any additional information from the borrower, and notifies the borrower whether the determination is changed.

(4) If the Secretary determines that the borrower meets the applicable requirements for a discharge under paragraph (c) of this section, the Secretary notifies the borrower in writing of that determination.

(5) If the Secretary determines that the borrower does not qualify for a discharge, the Secretary notifies the borrower in writing of that determination and the reasons for the determination.

(e) *Borrower qualification for discharge.* This paragraph (e) applies to loans first disbursed on or after July 1, 2020. In order to qualify for discharge under this paragraph, the borrower must submit to the Secretary an application for discharge on a form approved by the Secretary, and the factual assertions in

the application must be true and made under penalty of perjury. In the application, the borrower must demonstrate to the satisfaction of the Secretary that the requirements in paragraphs (e)(1) through (6) of this section have been met.

(1) *High School diploma or equivalent.*

(i) In the case of a borrower requesting a discharge based on not having had a high school diploma and not having met the alternative eligibility requirements, the borrower must certify that the borrower (or the student on whose behalf a parent borrowed)—

(A) Received a disbursement of a loan, in whole or in part, on or after January 1, 1986, to attend a school; and

(B) Received a Direct Loan at that school and did not have a high school diploma or its recognized equivalent and did not meet the alternative to graduation from high school eligibility requirements described in 34 CFR part 668 and section 484(d) of the Act applicable at the time of disbursement.

(ii) A borrower does not qualify for a false certification discharge under this paragraph (e)(1) if—

(A) The borrower was unable to provide the school with an official transcript or an official copy of the borrower's high school diploma or the borrower was home schooled and has no official transcript or high school diploma; and

(B) As an alternative to an official transcript or official copy of the borrower's high school diploma, the borrower submitted to the school a written attestation, under penalty of perjury, that the borrower had a high school diploma.

(2) *Unauthorized loan.* In the case of a borrower requesting a discharge because the school signed the borrower's name on the loan application or promissory note without the borrower's authorization, the borrower must—

(i) State that he or she did not sign the document in question or authorize the school to do so; and

(ii) Provide five different specimens of his or her signature, two of which must be within one year before or after the date of the contested signature.

(3) *Unauthorized payment.* In the case of a borrower requesting a discharge because the school, without the bor-

rower's authorization, endorsed the borrower's loan check or signed the borrower's authorization for electronic funds transfer, the borrower must—

(i) State that he or she did not endorse the loan check or sign the authorization for electronic funds transfer or authorize the school to do so;

(ii) Provide five different specimens of his or her signature, two of which must be within one year before or after the date of the contested signature; and

(iii) State that the proceeds of the contested disbursement were not delivered to the student or applied to charges owed by the student to the school.

(4) *Identity theft.* (i) In the case of an individual whose eligibility to borrow was falsely certified because he or she was a victim of the crime of identity theft and is requesting a discharge, the individual must—

(A) Certify that the individual did not sign the promissory note, or that any other means of identification used to obtain the loan was used without the authorization of the individual claiming relief;

(B) Certify that the individual did not receive or benefit from the proceeds of the loan with knowledge that the loan had been made without the authorization of the individual;

(C) Provide a copy of a local, State, or Federal court verdict or judgment that conclusively determines that the individual who is named as the borrower of the loan was the victim of a crime of identity theft; and

(D) If the judicial determination of the crime does not expressly state that the loan was obtained as a result of the crime of identity theft, provide—

(1) Authentic specimens of the signature of the individual, as provided in paragraph (e)(2)(ii) of this section, or of other means of identification of the individual, as applicable, corresponding to the means of identification falsely used to obtain the loan; and

(2) A statement of facts that demonstrate, to the satisfaction of the Secretary, that eligibility for the loan in question was falsely certified as a result of the crime of identity theft committed against that individual.

(ii)(A) For purposes of this section, identity theft is defined as the unauthorized use of the identifying information of another individual that is punishable under 18 U.S.C. 1028, 1028A, 1029, or 1030, or substantially comparable State or local law.

(B) Identifying information includes, but is not limited to—

(1) Name, Social Security number, date of birth, official State or government issued driver's license or identification number, alien registration number, government passport number, and employer or taxpayer identification number;

(2) Unique biometric data, such as fingerprints, voiceprint, retina or iris image, or unique physical representation;

(3) Unique electronic identification number, address, or routing code; or

(4) Telecommunication identifying information or access device (as defined in 18 U.S.C. 1029(e)).

(5) *Claim to third party.* The borrower must state whether the borrower (or student) has made a claim with respect to the school's false certification or unauthorized payment with any third party, such as the holder of a performance bond or a tuition recovery program, and, if so, the amount of any payment received by the borrower (or student) or credited to the borrower's loan obligation.

(6) *Cooperation with Secretary.* The borrower must state that the borrower (or student)—

(i) Agrees to provide to the Secretary upon request other documentation reasonably available to the borrower that demonstrates that the borrower meets the qualifications for discharge under this section; and

(ii) Agrees to cooperate with the Secretary in enforcement actions as described in § 685.214(d) and to transfer any right to recovery against a third party to the Secretary as described in § 685.214(e).

(7) *Discharge without an application.* The Secretary discharges all or part of a loan as appropriate under this section without an application from the borrower if the Secretary determines, based on information in the Secretary's possession, that the borrower qualifies for a discharge.

(f) *Discharge procedures.* This paragraph (f) applies to loans first disbursed on or after July 1, 2020.

(1) If the Secretary determines that a borrower's Direct Loan may be eligible for a discharge under this section, the Secretary provides the borrower the application described in paragraph (e) of this section, which explains the qualifications and procedures for obtaining a discharge. The Secretary also promptly suspends any efforts to collect from the borrower on any affected loan. The Secretary may continue to receive borrower payments.

(2) If the borrower fails to submit a completed application within 60 days of the date the Secretary suspended collection efforts, the Secretary resumes collection and grants forbearance of principal and interest for the period in which collection activity was suspended. The Secretary may capitalize any interest accrued and not paid during that period.

(3) If the borrower submits a completed application, the Secretary determines whether to grant a request for discharge under this section by reviewing the application in light of information available from the Secretary's records and from other sources, including, but not limited to, the school, guaranty agencies, State authorities, and relevant accrediting associations.

(4) If the Secretary determines that the borrower meets the applicable requirements for a discharge under paragraph (c) of this section, the Secretary notifies the borrower in writing of that determination.

(5) If the Secretary determines that the borrower does not qualify for a discharge, the Secretary notifies the borrower in writing of that determination and the reasons for the determination, and resumes collection.

§ 685.216 Unpaid refund discharge.

(a)(1) *Unpaid refunds in closed school situations.* In the case of a school that has closed, the Secretary discharges a former or current borrower's (and any endorser's) obligation to repay that portion of a Direct Loan equal to the refund that should have been made by the school under applicable law and regulations, including this section. Any accrued interest and other charges associated with the unpaid refund are also discharged.

(2) *Unpaid refunds in open school situations.* (i) In the case of a school that is open, the Secretary discharges a former or current borrower's (and any endorser's) obligation to repay that portion of a Direct Loan equal to the refund that should have been made by the school under applicable law and regulations, including this section, if—

(A) The borrower (or the student on whose behalf a parent borrowed) is not attending the school that owes the refund;

(B) The borrower has been unable to resolve the unpaid refund with the school; and

(C) The Secretary is unable to resolve the unpaid refund with the school within 120 days from the date the borrower submits a complete application in accordance with paragraph (c)(1) of this section regarding the unpaid refund. Any accrued interest and other charges associated with the unpaid refund are also discharged.

(ii) For the purpose of paragraph (a)(2)(i)(C) of this section, within 60 days of the date notified by the Secretary, the school must submit to the Secretary documentation demonstrating that the refund was made by the school or that the refund was not required to be made by the school.

(b) *Relief to borrower following discharge.* (1) If the borrower receives a discharge of a portion of a loan under this section, the borrower is reimbursed for any amounts paid in excess of the remaining balance of the loan (including accrued interest and other charges) owed by the borrower at the time of discharge.

(2) The Secretary reports the discharge of a portion of a loan under this section to all consumer reporting agen-

cies to which the Secretary previously reported the status of the loan.

(c) *Borrower qualification for discharge.*

(1) Except as provided in paragraph (c)(2) of this section, to receive a discharge of a portion of a loan under this section, a borrower must submit a written application to the Secretary. The application requests the information required to calculate the amount of the discharge and requires the borrower to sign a statement swearing to the accuracy of the information in the application. The statement need not be notarized but must be made by the borrower under penalty of perjury. In the statement, the borrower must—

(i) State that the borrower (or the student on whose behalf a parent borrowed)—

(A) Received the proceeds of a loan, in whole or in part, on or after January 1, 1986 to attend a school;

(B) Did not attend, withdrew, or was terminated from the school within a timeframe that entitled the borrower to a refund; and

(C) Did not receive the benefit of a refund to which the borrower was entitled either from the school or from a third party, such as the holder of a performance bond or a tuition recovery program;

(ii) State whether the borrower (or student) has any other application for discharge pending for this loan; and

(iii) State that the borrower (or student)—

(A) Agrees to provide to the Secretary upon request other documentation reasonably available to the borrower that demonstrates that the borrower meets the qualifications for discharge under this section; and

(B) Agrees to cooperate with the Secretary in enforcement actions as described in § 685.214(d) and to transfer any right to recovery against a third party to the Secretary as described in § 685.214(e).

(2) The Secretary may discharge a portion of a loan under this section without an application if the Secretary determines, based on information in the Secretary's possession, that the borrower qualifies for a discharge.

(d) *Determination of amount eligible for discharge.* (1) The Secretary determines the amount eligible for discharge based

on information showing the refund amount or by applying the appropriate refund formula to information that the borrower provides or that is otherwise available to the Secretary. For purposes of this section, all unpaid refunds are considered to be attributed to loan proceeds.

(2) If the information in paragraph (d)(1) of this section is not available, the Secretary uses the following formulas to determine the amount eligible for discharge:

(i) In the case of a student who fails to attend or whose withdrawal or termination date is before October 7, 2000 and who completes less than 60 percent of the loan period, the Secretary discharges the lesser of the institutional charges unearned or the loan amount. The Secretary determines the amount of the institutional charges unearned by—

(A) Calculating the ratio of the amount of time remaining in the loan period after the student's last day of attendance to the actual length of the loan period; and

(B) Multiplying the resulting factor by the institutional charges assessed the student for the loan period.

(ii) In the case of a student who fails to attend or whose withdrawal or termination date is on or after October 7, 2000 and who completes less than 60 percent of the loan period, the Secretary discharges the loan amount unearned. The Secretary determines the loan amount unearned by—

(A) Calculating the ratio of the amount of time remaining in the loan period after the student's last day of attendance to the actual length of the loan period; and

(B) Multiplying the resulting factor by the total amount of title IV grants and loans received by the student, or, if unknown, the loan amount.

(iii) In the case of a student who completes 60 percent or more of the loan period, the Secretary does not discharge any amount because a student who completes 60 percent or more of the loan period is not entitled to a refund.

(e) *Discharge procedures.* (1) Except as provided in paragraph (c)(2) of this section, if the Secretary learns that a school did not make a refund of loan

proceeds owed under applicable law and regulations, the Secretary sends the borrower a discharge application and an explanation of the qualifications and procedures for obtaining a discharge. The Secretary also promptly suspends any efforts to collect from the borrower on any affected loan. The Secretary may continue to receive borrower payments.

(2) If a borrower who is sent a discharge application fails to submit the application within 60 days of the Secretary's sending the discharge application, the Secretary resumes collection and grants forbearance of principal and interest for the period in which collection activity was suspended. The Secretary may capitalize any interest accrued and not paid during that period.

(3) If a borrower qualifies for a discharge, the Secretary notifies the borrower in writing. The Secretary resumes collection and grants forbearance of principal and interest on the portion of the loan not discharged for the period in which collection activity was suspended. The Secretary may capitalize any interest accrued and not paid during that period.

(4) If a borrower does not qualify for a discharge, the Secretary notifies the borrower in writing of the reasons for the determination. The Secretary resumes collection and grants forbearance of principal and interest for the period in which collection activity was suspended. The Secretary may capitalize any interest accrued and not paid during that period.

§ 685.217 Teacher loan forgiveness program.

(a) *General.* (1) The teacher loan forgiveness program is intended to encourage individuals to enter and continue in the teaching profession. For new borrowers, the Secretary repays the amount specified in this paragraph (a) on the borrower's Direct Subsidized

Loans, Direct Unsubsidized Loans, Subsidized and Unsubsidized Federal Stafford Loans, and in certain cases, Direct Consolidation Loans or Federal Consolidation Loans. The forgiveness program is only available to a borrower who has no outstanding loan balance under the Direct Loan Program or the FFEL Program on October 1, 1998, or who has no outstanding loan balance on the date he or she obtains a loan after October 1, 1998.

(2)(i) The borrower must have been employed at an eligible elementary or secondary school that serves low-income families or by an educational service agency that serves low-income families as a full-time teacher for five consecutive complete academic years. The required five years of teaching may include any combination of qualifying teaching service at an eligible elementary or secondary school or for an eligible educational service agency.

(ii) Teaching for an eligible elementary or secondary school may be counted toward the required five consecutive complete academic years only if for least one year of teaching was after the 1997-1998 academic year.

(iii) Teaching at an eligible educational service agency may be counted toward the required five consecutive complete academic years only if the consecutive five-year period includes qualifying service at an eligible educational service agency performed after the 2007-2008 academic year.

(3) All borrowers eligible for teacher loan forgiveness may receive loan forgiveness of up to a combined total of \$5,000 on the borrower's eligible Direct Loan and FFEL Program loans.

(4) A borrower may receive loan forgiveness of up to a combined total of \$17,500 on the borrower's eligible Direct Loan and FFEL Program loans if the borrower was employed for five consecutive years—

(b) *Definitions.* The following definitions apply to this section:

Academic year means one complete school year at the same school, or two complete and consecutive half years at different schools, or two complete and consecutive half years from different school years at either the same school or different schools. (2) The Secretary considers all elementary and secondary schools operated by the Bureau of Indian Education (BIE) or operated on Indian reservations by Indian tribal groups under contract with the BIE to qualify as schools serving low-income students.

(3) If the school or educational service agency at which the borrower is employed meets the requirements specified in paragraph (c)(1) of this section for at least one year of the borrower's five consecutive complete academic years of teaching and fails to meet those requirements in subsequent years, those subsequent years of teaching qualify for purposes of this section for that borrower.

(4) In the case of a borrower whose five consecutive complete years of qualifying teaching service began before October 30, 2004, the borrower—

(i) May receive up to \$5,000 of loan forgiveness if the borrower—

(A) Demonstrated knowledge and teaching skills in reading, writing, mathematics, and other areas of the elementary school curriculum, as certified by the chief administrative officer of the eligible elementary school or educational service agency where the borrower was employed; or

(B) Taught in a subject area that is relevant to the borrower's academic major as certified by the chief administrative officer of the eligible secondary school or educational service agency where the borrower was employed.

(iii) Teaching service performed at an eligible educational service agency may be counted toward the required five years of teaching only if the consecutive five-year period includes qualifying service at an eligible educational service agency performed after the 2007-2008 academic year.

(5) In the case of a borrower whose five consecutive years of qualifying teaching service began on or after October 30, 2004, the borrower—

(i) May receive up to \$5,000 of loan forgiveness if the borrower taught full time at an eligible elementary or secondary school or educational service agency and was a highly qualified elementary or secondary school teacher.

(iii) Teaching service performed for an eligible educational service agency may be counted toward the required five years of teaching only if the consecutive five-year period includes qualifying service for an eligible educational service agency performed after the 2007–2008 academic year.

(6) To qualify for loan forgiveness as a highly qualified teacher, the teacher must have been a highly qualified teacher for all five years of eligible teaching service.

(7) For teacher loan forgiveness applications received by the Secretary on or after July 1, 2006, a teacher in a private, non-profit elementary or secondary school who is exempt from State certification requirements (unless otherwise applicable under State law) may qualify for loan forgiveness under paragraphs (c)(4)(ii) or (c)(5) of this section if—

(i) The private school teacher is permitted to and does satisfy rigorous subject knowledge and skills tests by taking competency tests in applicable grade levels and subject areas;

(ii) The competency tests are recognized by 5 or more States for the purposes of fulfilling the highly qualified teacher requirements under section 9101 of the Elementary and Secondary Education Act of 1965; and

(iii) The private school teacher achieves a score on each test that equals or exceeds the average passing score for those 5 states.

(8) The academic year may be counted as one of the borrower's five consecutive complete academic years if the borrower completes at least one-half of the academic year and the borrower's employer considers the borrower to have fulfilled his or her contract requirements for the academic year for the purposes of salary increases, tenure, and retirement if the

borrower is unable to complete an academic year due to—

(i) A return to postsecondary education, on at least a half-time basis, that is directly related to the performance of the service described in this section;

(ii) A condition that is covered under the Family and Medical Leave Act of 1993 (FMLA) (29 U.S.C. 2601, *et seq.*); or

(iii) A call or order to active duty status for more than 30 days as a member of a reserve component of the Armed Forces named in section 10101 of title 10, United States Code.

(9) A borrower's period of postsecondary education, qualifying FMLA condition, or military active duty as described in paragraph (c)(8) of this section, including the time necessary for the borrower to resume qualifying teaching no later than the beginning of the next regularly scheduled academic year, does not constitute a break in the required five consecutive years of qualifying teaching service.

(10) A borrower who was employed as a teacher at more than one qualifying school, for more than one qualifying educational service agency, or a combination of both during an academic year and demonstrates that the combined teaching was the equivalent of full-time, as supported by the certification of one or more of the chief administrative officers of the schools or educational service agencies involved, is considered to have completed one academic year of qualifying teaching.

(11) A borrower is not eligible for teacher loan forgiveness on a defaulted loan unless the borrower has made satisfactory repayment arrangements to re-establish title IV eligibility, as defined in § 685.200(b).

(12) A borrower may not receive loan forgiveness for the same qualifying teaching service under this section if the borrower receives a benefit for the same teaching service under—

(ii) 34 CFR 685.219; or

(iii) Section 428 K of the Act.

The forgiveness amount is deducted from the aggregate amount of the borrower's Direct Subsidized Loan or Direct Unsubsidized Loan or Direct Consolidation Loan obligation that is outstanding after the borrower completes his or her fifth consecutive complete academic year of teaching as described in paragraph (c) of this section. Only the outstanding portion of the Direct Consolidation Loan that was used to repay an eligible Direct Subsidized Loan, an eligible Direct Unsubsidized Loan, or an eligible Subsidized or Unsubsidized Federal Stafford Loan qualifies for loan forgiveness under this section.

(2) A borrower may not receive more than a total of \$5,000, or \$17,500 if the borrower meets the requirements of paragraph (c)(4)(ii) or (c)(5)(ii) of this section, in loan forgiveness for outstanding principal and accrued interest under both this section and under section 34 CFR 682.216.

(3) The Secretary does not refund payments that were received from or on behalf of a borrower who qualifies for loan forgiveness under this section.

(e) *Application.* (1) A borrower, after completing the qualifying teacher service, must request loan forgiveness from the Secretary on a form provided by the Secretary.

(2) If the Secretary determines that the borrower meets the eligibility requirements for loan forgiveness under this section, the Secretary—

(i) Notifies the borrower of this determination; and

(ii) Unless otherwise instructed by the borrower, applies the proceeds of the loan forgiveness first to any outstanding Direct Unsubsidized Loan balances, next to any outstanding Direct Subsidized Loan balances, next to any qualifying Direct Unsubsidized Consolidation Loan balances, and last to any qualifying outstanding Direct Subsidized Consolidation Loan balances.

(3) If the Secretary determines that the borrower does not meet the eligibility requirements for loan forgiveness under this section, the Secretary

(6) *Immediate aftermath* means, except in the case of an eligible public servant, the period of time from the aircraft crashes until 12 hours after the crashes. (3) If the Secretary determines that the borrower does not qualify for a discharge under this section, or the Secretary does not receive the completed discharge request form from the borrower within 60 days of the borrower notifying the Secretary that the borrower claims to qualify for a discharge, the Secretary resumes collection and grants forbearance of payment of both principal and interest for the period in which collection activity was suspended. The Secretary notifies the borrower that the application for the discharge has been denied, provides the basis for the denial, and informs the borrower that the Secretary will resume collection on the loan. The Secretary may capitalize any interest accrued and not paid during this period.

(4) If the Secretary determines that the borrower qualifies for a discharge under this section, the Secretary noti-

fies the borrower that the loan has been discharged or, in the case of a partial discharge of a Direct Consolidation Loan, partially discharged. were discharged by the Secretary, the lender, or the institution due to death may be substituted for the original or certified copy of a death certificate.

(4) Documentation that an eligible victim died due to injuries suffered in the terrorist attacks on September 11, 2001 is the inclusion of the individual on an official list of the individuals who died in the terrorist attacks on September 11, 2001.

mined in paragraph (b)(2)(ii)(B) of this section by the percentage of the total outstanding principal amount of the borrower's eligible loans that are Direct Loans;

(iii) The calculated amount under paragraph (b)(1), (b)(2)(i), or (b)(2)(ii) of this section is less than \$5.00, in which case the borrower's monthly payment is \$0.00; or

(iv) The calculated amount under paragraph (b)(1), (b)(2)(i), or (b)(2)(ii) of this section is equal to or greater than \$5.00 but less than \$10.00, in which case the borrower's monthly payment is \$10.00.

(3) If the borrower's monthly payment amount is not sufficient to pay the accrued interest on the borrower's Direct Subsidized loan or the subsidized portion of a Direct Consolidation Loan, the Secretary does not charge the borrower the remaining accrued interest for a period not to exceed three consecutive years from the established repayment period start date on that loan under the income-based repayment plan. Any period during which the Secretary has previously not charged the borrower accrued interest on an eligible loan under the Pay As You Earn repayment plan or the Revised Pay As You Earn repayment plan counts toward the maximum three years of subsidy a borrower is eligible to receive under the income-based repayment plan. On a Direct Consolidation Loan that repays loans on which the Secretary has not charged the borrower accrued interest, the three-year period includes the period for which the Secretary did not charge the borrower accrued interest on the underlying loans. This three-year period does not include any period during which the borrower receives an economic hardship deferment.

(4) Except as provided in paragraph (b)(3) of this section, accrued interest is capitalized at the time a borrower chooses to leave the income-based repayment plan or no longer has a partial financial hardship.

(5) If the borrower's monthly payment amount is not sufficient to pay any of the principal due, the payment of that principal is postponed until the borrower chooses to leave the income-

§ 685.221

34 CFR Ch. VI (7-1-22 Edition)

based repayment plan or no longer has a partial financial hardship.

(6) The repayment period for a borrower under the income-based repayment plan may be greater than 10 years.

(c) *Payment application and prepayment.* (1) The Secretary applies any payment made under the income-based repayment plan in the following order:

- (i) Accrued interest.
- (ii) Collection costs.
- (iii) Late charges.
- (iv) Loan principal.

(2) The borrower may prepay all or part of a loan at any time without penalty, as provided under § 685.211(a)(2).

(3) If the prepayment amount equals or exceeds a monthly payment amount of \$10.00 or more under the repayment schedule established for the loan, the Secretary applies the prepayment consistent with the requirements of § 685.211(a)(3).

(4) If the prepayment amount exceeds a monthly payment amount of \$0.00 under the repayment schedule established for the loan, the Secretary applies the prepayment consistent with the requirements of paragraph (c)(1) of this section.

(d) *Changes in the payment amount.* (1) If a borrower no longer has a partial financial hardship, the borrower may continue to make payments under the income-based repayment plan, but the Secretary recalculates the borrower's monthly payment. The Secretary also recalculates the monthly payment for a borrower who chooses to stop making income-based payments. In either case, as result of the recalculation—

(i) The maximum monthly amount that the Secretary requires the borrower to repay is the amount the borrower would have paid under the standard repayment plan based on a 10-year repayment period using the amount of the borrower's eligible loans that was outstanding at the time the borrower began repayment on the loans under the income-based repayment plan; and

(ii) The borrower's repayment period based on the recalculated payment amount may exceed 10 years.

(2)(i) If a borrower no longer wishes to pay under the income-based repayment plan, the borrower must pay under the standard repayment plan and

the Secretary recalculates the borrower's monthly payment based on—

(A) For a Direct Subsidized Loan, a Direct Unsubsidized Loan, or a Direct PLUS Loan, the time remaining under the maximum ten-year repayment period for the amount of the borrower's loans that were outstanding at the time the borrower discontinued paying under the income-based repayment plan; or

(B) For a Direct Consolidation Loan, the time remaining under the applicable repayment period as initially determined under § 685.208(j) and the amount of that loan that was outstanding at the time the borrower discontinued paying under the income-based repayment plan.

(ii) A borrower who no longer wishes to repay under the income-based repayment plan and who is required to repay under the Direct Loan standard repayment plan in accordance with paragraph (d)(2)(i) of this section may request a change to a different repayment plan after making one monthly payment under the Direct Loan standard repayment plan. For this purpose, a monthly payment may include one payment made under a forbearance that provides for accepting smaller payments than previously scheduled, in accordance with § 685.205(a).

(e) *Eligibility documentation, verification, and notifications.* (1) The Secretary determines whether a borrower has a partial financial hardship to qualify for the income-based repayment plan for the year the borrower selects the plan and for each subsequent year that the borrower remains on the plan. To make this determination, the Secretary requires the borrower to—

(i) Provide documentation, acceptable to the Secretary, of the borrower's AGI;

(ii) If the borrower's AGI is not available, or the Secretary believes that the borrower's reported AGI does not reasonably reflect the borrower's current income, provide other documentation to verify income; and

(iii) Annually certify the borrower's family size. If the borrower fails to certify family size, the Secretary assumes a family size of one for that year.

(2) After making a determination that a borrower has a partial financial

hardship to qualify for the income-based repayment plan for the year the borrower initially elects the plan and for any subsequent year that the borrower has a partial financial hardship, the Secretary sends the borrower a written notification that provides the borrower with—

(i) The borrower's scheduled monthly payment amount, as calculated under paragraph (b)(1) of this section, and the time period during which this scheduled monthly payment amount will apply (annual payment period);

(ii) Information about the requirement for the borrower to annually provide the information described in paragraph (e)(1) of this section, if the borrower chooses to remain on the income-based repayment plan after the initial year on the plan, and an explanation that the borrower will be notified in advance of the date by which the Secretary must receive this information;

(iii) An explanation of the consequences, as described in paragraphs (e)(1)(iii) and (e)(7) of this section, if the borrower does not provide the required information;

(iv) An explanation of the consequences if the borrower no longer wishes to repay under the income-based repayment plan; and

(v) Information about the borrower's option to request, at any time during the borrower's current annual payment period, that the Secretary recalculate the borrower's monthly payment amount if the borrower's financial circumstances have changed and the income amount that was used to calculate the borrower's current monthly payment no longer reflects the borrower's current income. If the Secretary recalculates the borrower's monthly payment amount based on the borrower's request, the Secretary sends the borrower a written notification that includes the information described in paragraphs (e)(2)(i) through (e)(2)(v) of this section.

(3) For each subsequent year that a borrower who currently has a partial financial hardship remains on the income-based repayment plan, the Secretary notifies the borrower in writing of the requirements in paragraph (e)(1) of this section no later than 60 days

and no earlier than 90 days prior to the date specified in paragraph (e)(3)(i) of this section. The notification provides the borrower with—

(i) The date, no earlier than 35 days before the end of the borrower's annual payment period, by which the Secretary must receive all of the information described in paragraph (e)(1) of this section (annual deadline); and

(ii) The consequences if the Secretary does not receive the information within 10 days following the annual deadline specified in the notice, including the borrower's new monthly payment amount as determined under paragraph (d)(1) of this section, the effective date for the recalculated monthly payment amount, and the fact that unpaid accrued interest will be capitalized at the end of the borrower's current annual payment period in accordance with paragraph (b)(4) of this section.

(4) Each time the Secretary makes a determination that a borrower no longer has a partial financial hardship for a subsequent year that the borrower wishes to remain on the plan, the Secretary sends the borrower a written notification that provides the borrower with—

(i) The borrower's recalculated monthly payment amount, as determined in accordance with paragraph (d)(1) of this section;

(ii) An explanation that unpaid interest will be capitalized in accordance with paragraph (b)(4) of this section; and

(iii) Information about the borrower's option to request, at any time, that the Secretary redetermine whether the borrower has a partial financial hardship, if the borrower's financial circumstances have changed and the income amount used to determine that the borrower no longer has a partial financial hardship does not reflect the borrower's current income, and an explanation that the borrower will be notified annually of this option. If the Secretary determines that the borrower again has a partial financial hardship, the Secretary recalculates the borrower's monthly payment in accordance with paragraph (b)(1) of this

section and sends the borrower a written notification that includes the information described in paragraphs (e)(2)(i) through (e)(2)(v) of this section.

(5) For each subsequent year that a borrower who does not currently have a partial financial hardship remains on the income-based repayment plan, the Secretary sends the borrower a written notification that includes the information described in paragraph (e)(4)(iii) of this section.

(6) If a borrower who is currently repaying under another repayment plan selects the income-based repayment plan but does not provide the information described in paragraphs (e)(1)(i) and (e)(1)(ii) of this section, or if the Secretary determines that the borrower does not have a partial financial hardship, the borrower remains on his or her current repayment plan.

(7) The Secretary designates the repayment option described in paragraph (d)(1) of this section if a borrower who is currently repaying under the income-based repayment plan remains on the plan for a subsequent year but the Secretary does not receive the information described in paragraphs (e)(1)(i) through (e)(1)(ii) of this section within 10 days of the specified annual deadline, unless the Secretary is able to determine the borrower's new monthly payment amount before the end of the borrower's current annual payment period.

(8) If the Secretary receives the information described in paragraphs (e)(1)(i) and (e)(1)(ii) of this section within 10 days of the specified annual deadline—

(i) The Secretary promptly determines the borrower's new scheduled monthly payment amount and maintains the borrower's current scheduled monthly payment amount until the new scheduled monthly payment amount is determined.

(A) If the new monthly payment amount is less than the borrower's previously calculated income-based monthly payment amount, and the borrower made payments at the previously calculated amount after the end of the most recent annual payment period, the Secretary makes the appropriate adjustment to the borrower's account. Notwithstanding the requirements of

§ 685.211(a)(3), unless the borrower requests otherwise, the Secretary applies the excess payment amounts made after the end of the most recent annual payment period in accordance with the requirements of paragraph (c)(1) of this section.

(B) If the new monthly payment amount is equal to or greater than the borrower's previously calculated monthly payment amount, and the borrower made payments at the previously calculated payment amount after the end of the most recent annual payment period, the Secretary does not make any adjustment to the borrower's account.

(C) Any payments that the borrower continued to make at the previously calculated payment amount after the end of the prior annual payment period and before the new monthly payment amount is calculated are considered to be qualifying payments for purposes of § 685.219, provided that the payments otherwise meet the requirements described in § 685.219(c)(1).

(ii) The new annual payment period begins on the day after the end of the most recent annual payment period.

(9)(i) If the Secretary receives the documentation described in paragraphs (e)(1)(i) and (e)(1)(ii) of this section more than 10 days after the specified annual deadline and the borrower's monthly payment amount is recalculated in accordance with paragraph (d)(1) of this section, the Secretary grants forbearance with respect to payments that are overdue or would be due at the time the new calculated income-based monthly payment amount is determined, if the new monthly payment amount is \$0.00 or is less than the borrower's previously calculated income-based monthly payment amount. Interest that accrues during the portion of this forbearance period that covers payments that are overdue after the end of the prior annual payment period is not capitalized.

(ii) Any payments that the borrower continued to make at the previously calculated payment amount after the end of the prior annual payment period and before the new monthly payment amount is calculated are considered to be qualifying payments for purposes of § 685.219, provided that the payments

otherwise meet the requirements described in § 685.219(c)(1).

(f) *Loan forgiveness.* (1) To qualify for loan forgiveness after 25 years or, for a new borrower, after 20 years, a borrower must have participated in the income-based repayment plan and satisfied at least one of the following conditions during the applicable loan forgiveness period:

(i) Made reduced monthly payments under a partial financial hardship as provided in paragraph (b)(1) or (b)(2) of this section, including a monthly payment amount of \$0.00, as provided under paragraph (b)(2)(iii) of this section.

(ii) Made reduced monthly payments after the borrower no longer had a partial financial hardship or stopped making income-based payments as provided in paragraph (d) of this section.

(iii) Made monthly payments under any repayment plan, that were not less than the amount required under the Direct Loan standard repayment plan described in § 685.208(b) with a 10-year repayment period.

(iv) Made monthly payments under the Direct Loan standard repayment plan described in § 685.208(b) for the amount of the borrower's loans that were outstanding at the time the borrower first selected the income-based repayment plan.

(v) Made monthly payments under a Direct Loan income-contingent repayment plan, including a calculated monthly payment amount of \$0.00.

(vi) Made monthly payments under the alternative repayment plan described in § 685.209(c)(4)(v) prior to changing to a repayment plan described under § 685.209 or this section;

(vii) Received an economic hardship deferment on eligible Direct Loans.

(2) As provided under paragraph (f)(4) of this section, the Secretary cancels any outstanding balance of principal and accrued interest on Direct loans for which the borrower qualifies for forgiveness if the Secretary determines that—

(i) The borrower made monthly payments under one or more of the repayment plans described in paragraph (f)(1) of this section, including a monthly payment amount of \$0.00, as

provided under paragraph (b)(2)(iii) of this section; and

(ii)(A) The borrower made those monthly payments each year for the applicable loan forgiveness period, or

(B) Through a combination of monthly payments and economic hardship deferments, the borrower has made the equivalent of 25 years of payments or, for a new borrower, the equivalent of 20 years of payments.

(3) For a borrower who qualifies for the income-based repayment plan, the beginning date for the applicable loan forgiveness period is—

(i) If the borrower made payments under the income-contingent repayment plan, the Pay As You Earn repayment plan, or the Revised Pay As You Earn repayment plan, the date the borrower made a payment on the loan under that plan at any time after July 1, 1994; or

(ii) If the borrower did not make payments under one of the repayment plans described in paragraph (f)(3)(i) of this section—

(A) For a borrower who has an eligible Direct Consolidation Loan, the date the borrower made a payment or received an economic hardship deferment on that loan, before the date the borrower qualified for income-based repayment. The beginning date is the date the borrower made the payment or received the deferment, but no earlier than July 1, 2009;

(B) For a borrower who has one or more other eligible Direct Loans, the date the borrower made a payment or received an economic hardship deferment on that loan. The beginning date is the date the borrower made that payment or received the deferment on that loan, but no earlier than July 1, 2009;

(C) For a borrower who did not make a payment or receive an economic hardship deferment on the loan under paragraph (f)(3)(ii)(A) or (f)(3)(ii)(B) of this section, the date the borrower made a payment under the income-based repayment plan on the loan;

(D) If the borrower consolidates his or her eligible loans, the date the borrower made a payment on the Direct Consolidation Loan that met the requirements in paragraph (f)(1) of this section; or

§ 685.222

34 CFR Ch. VI (7–1–22 Edition)

(E) If the borrower did not make a payment or receive an economic hardship deferment on the loan under paragraph (f)(3)(i) or (f)(3)(ii) of this section, the date the borrower made a payment under the income-based repayment plan on the loan.

(4) Any payments made on a defaulted loan are not made under a qualifying repayment plan and are not counted toward the applicable loan forgiveness period.

(5)(i) When the Secretary determines that a borrower has satisfied the loan forgiveness requirements under paragraph (f) of this section on an eligible loan, the Secretary cancels the outstanding balance and accrued interest on that loan. No later than six months prior to the anticipated date that the borrower will meet the forgiveness requirements, the Secretary sends the borrower a written notice that includes—

(A) An explanation that the borrower is approaching the date that he or she is expected to meet the requirements to receive loan forgiveness;

(B) A reminder that the borrower must continue to make the borrower's scheduled monthly payments; and

(C) General information on the current treatment of the forgiveness amount for tax purposes, and instructions for the borrower to contact the Internal Revenue Service for more information.

(ii) The Secretary determines when a borrower has met the loan forgiveness requirements under paragraph (f) of this section and does not require the borrower to submit a request for loan forgiveness.

(iii) After determining that a borrower has satisfied the loan forgiveness requirements, the Secretary—

(A) Notifies the borrower that the borrower's obligation on the loans is satisfied;

(B) Provides the borrower with the information described in paragraph (f)(5)(i)(C) of this section; and

(C) Returns to the sender any payment received on a loan after loan forgiveness has been granted in accord-

ance with paragraph (f)(5)(i) of this section.

§ 685.222 Borrower defenses and procedures for loans first disbursed on or after July 1, 2017, and before July 1, 2020, and procedures for loans first disbursed prior to July 1, 2017.

(a) *General.* (1) For loans first disbursed prior to July 1, 2017, a borrower asserts and the Secretary considers a borrower defense in accordance with the provisions of § 685.206(c), unless otherwise noted in § 685.206(c).

(2) For loans first disbursed on or after July 1, 2017, and before July 1, 2020, a borrower asserts and the Secretary considers a borrower defense in accordance with this section. To establish a borrower defense under this section, a preponderance of the evidence must show that the borrower has a borrower defense that meets the requirements of this section.

(3) A violation by the school of an eligibility or compliance requirement in the Act or its implementing regulations is not a basis for a borrower defense under either this section or § 685.206(c) unless the violation would otherwise constitute a basis for a borrower defense under this section or § 685.206(c), as applicable.

(4) For the purposes of this section and § 685.206(c), “borrower” means—

(i) The borrower; and

(ii) In the case of a Direct PLUS Loan, any endorsers, and for a Direct PLUS Loan made to a parent, the student on whose behalf the parent borrowed.

(5) For the purposes of this section and § 685.206(c), a “borrower defense” refers to an act or omission of the school attended by the student that relates to the making of a Direct Loan for enrollment at the school or the provision of educational services for which the loan was provided, and includes one or both of the following:

(i) A defense to repayment of amounts owed to the Secretary on a Direct Loan, in whole or in part; and

(ii) A right to recover amounts previously collected by the Secretary on the Direct Loan, in whole or in part.

(6) If the borrower asserts both a borrower defense and any other objection to an action of the Secretary with regard to that Direct Loan, the order in which the Secretary will consider objections, including a borrower defense, will be determined as appropriate under the circumstances.

(b) *Judgment against the school.* The borrower has a borrower defense under this section if the borrower, whether as an individual or as a member of a class, or a governmental agency, has obtained against the school a nondefault, favorable contested judgment based on State or Federal law in a court or administrative tribunal of competent jurisdiction. A borrower may assert a borrower defense under this paragraph at any time.

(c) *Breach of contract by the school.* The borrower has a borrower defense under this section if the school the borrower received the Direct Loan to attend failed to perform its obligations under the terms of a contract with the student. A borrower may assert a defense to repayment of amounts owed to the Secretary under this paragraph at any time after the breach by the school of its contract with the student. A borrower may assert a right to recover amounts previously collected by the Secretary under this paragraph not later than six years after the breach by the school of its contract with the student.

(d) *Substantial misrepresentation by the school.* (1) A borrower has a borrower defense under this section if the school or any of its representatives, or any institution, organization, or person with whom the school has an agreement to provide educational programs, or to provide marketing, advertising, recruiting, or admissions services, made a substantial misrepresentation in accordance with 34 CFR part 668, subpart F, that the borrower reasonably relied on to the borrower's detriment when the borrower decided to attend, or to continue attending, the school or decided to take out a Direct Loan. A borrower may assert, at any time, a defense to repayment under this paragraph (d) of amounts owed to the Sec-

retary. A borrower may assert a claim under this paragraph (d) to recover funds previously collected by the Secretary not later than six years after the borrower discovers, or reasonably could have discovered, the information constituting the substantial misrepresentation.

(2) For the purposes of this section, a designated Department official pursuant to paragraph (e) of this section or a hearing official pursuant to paragraph (f), (g), or (h) of this section may consider, as evidence supporting the reasonableness of a borrower's reliance on a misrepresentation, whether the school or any of the other parties described in paragraph (d)(1) engaged in conduct such as, but not limited to:

(i) Demanding that the borrower make enrollment or loan-related decisions immediately;

(ii) Placing an unreasonable emphasis on unfavorable consequences of delay;

(iii) Discouraging the borrower from consulting an adviser, a family member, or other resource;

(iv) Failing to respond to the borrower's requests for more information including about the cost of the program and the nature of any financial aid; or

(v) Otherwise unreasonably pressuring the borrower or taking advantage of the borrower's distress or lack of knowledge or sophistication.

(e) *Procedure for an individual borrower.* (1) To assert a borrower defense under this section, an individual borrower must—

(i) Submit an application to the Secretary, on a form approved by the Secretary—

(A) Certifying that the borrower received the proceeds of a loan, in whole or in part, to attend the named school;

(B) Providing evidence that supports the borrower defense; and

(C) Indicating whether the borrower has made a claim with respect to the information underlying the borrower defense with any third party, such as the holder of a performance bond or a tuition recovery program, and, if so, the amount of any payment received by the borrower or credited to the borrower's loan obligation; and

§ 685.222

34 CFR Ch. VI (7-1-22 Edition)

(ii) Provide any other information or supporting documentation reasonably requested by the Secretary.

(2) Upon receipt of a borrower's application submitted under this section, the Secretary—

(i) If the borrower is not in default on the loan for which a borrower defense has been asserted, grants forbearance and—

(A) Notifies the borrower of the option to decline the forbearance and to continue making payments on the loan; and

(B) Provides the borrower with information about the availability of the income-contingent repayment plans under § 685.209 and the income-based repayment plan under § 685.221; or

(ii) If the borrower is in default on the loan for which a borrower defense has been asserted—

(A) Suspends collection activity on the loan until the Secretary issues a decision on the borrower's claim;

(B) Notifies the borrower of the suspension of collection activity and explains that collection activity will resume if the Secretary determines that the borrower does not qualify for a full discharge; and

(C) Notifies the borrower of the option to continue making payments under a rehabilitation agreement or other repayment agreement on the defaulted loan.

(3) The Secretary designates a Department official to review the borrower's application submitted under this section to determine whether the application states a basis for a borrower defense, and resolves the claim through a fact-finding process conducted by the Department official.

(i) As part of the fact-finding process, the Department official notifies the school of the borrower defense application and considers any evidence or argument presented by the borrower and also any additional information, including—

(A) Department records;

(B) Any response or submissions from the school; and

(C) Any additional information or argument that may be obtained by the Department official.

(ii) For borrower defense applications under this section, upon the borrower's

request, the Department official identifies to the borrower the records the Department official considers relevant to the borrower defense. The Secretary provides to the borrower any of the identified records upon reasonable request of the borrower.

(4) At the conclusion of the fact-finding process under this section, the Department official issues a written decision as follows:

(i) If the Department official approves the borrower defense in full or in part, the Department official notifies the borrower in writing of that determination and of the relief provided as described in paragraph (i) of this section.

(ii) If the Department official denies the borrower defense in full or in part, the Department official notifies the borrower of the reasons for the denial, the evidence that was relied upon, any portion of the loan that is due and payable to the Secretary, and whether the Secretary will reimburse any amounts previously collected, and informs the borrower that if any balance remains on the loan, the loan will return to its status prior to the borrower's submission of the application. The Department official also informs the borrower of the opportunity to request reconsideration of the claim based on new evidence pursuant to paragraph (e)(5)(i) of this section.

(5) The decision of the Department official under this section is final as to the merits of the claim and any relief that may be granted on the claim. Notwithstanding the foregoing—

(i) If the borrower defense is denied in full or in part, the borrower may request that the Secretary reconsider the borrower defense upon the identification of new evidence in support of the borrower's claim. "New evidence" is relevant evidence that the borrower did not previously provide and that was not identified in the final decision as evidence that was relied upon for the final decision. If accepted for reconsideration by the Secretary, the Secretary follows the procedure in paragraph (e)(2) of this section for granting forbearance and for defaulted loans; and

(ii) The Secretary may reopen a borrower defense application at any time

to consider evidence that was not considered in making the previous decision. If a borrower defense application is reopened by the Secretary, the Secretary follows the procedure paragraph (e)(2) of this section for granting forbearance and for defaulted loans.

(6) The Secretary may consolidate applications filed under this paragraph (e) that have common facts and claims, and resolve the borrowers' borrower defense claims as provided in paragraphs (f), (g), and (h) of this section.

(7) The Secretary may initiate a proceeding to collect from the school the amount of relief resulting from a borrower defense under this section—

(i) Within the six-year period applicable to the borrower defense under paragraph (c) or (d) of this section;

(ii) At any time, for a borrower defense under paragraph (b) of this section; or

(iii) At any time if during the period described in paragraph (e)(7)(i) of this section, the institution received notice of the claim. For purposes of this paragraph, notice includes receipt of—

(A) Actual notice from the borrower, a representative of the borrower, or the Department of a claim, including notice of an application filed pursuant to this section or § 685.206(c);

(B) A class action complaint asserting relief for a class that may include the borrower for underlying facts that may form the basis of a claim under this section or § 685.206(c);

(C) Written notice, including a civil investigative demand or other written demand for information, from a Federal or State agency that has power to initiate an investigation into conduct of the school relating to specific programs, periods, or practices that may have affected the borrower, for underlying facts that may form the basis of a claim under this section or § 685.206(c).

(f) *Group process for borrower defense, generally.* (1) Upon consideration of factors including, but not limited to, common facts and claims, fiscal impact, and the promotion of compliance by the school or other title IV, HEA program participant, the Secretary may initiate a process to determine whether a group of borrowers, identified by the

Secretary, has a borrower defense under this section.

(i) The members of the group may be identified by the Secretary from individually filed applications pursuant to paragraph (e)(6) of this section or from any other source.

(ii) If the Secretary determines that there are common facts and claims that apply to borrowers who have not filed an application under paragraph (e) of this section, the Secretary may identify such borrowers as members of a group.

(2) Upon the identification of a group of borrowers under paragraph (f)(1) of this section, the Secretary—

(i) Designates a Department official to present the group's claim in the fact-finding process described in paragraph (g) or (h) of this section, as applicable;

(ii) Provides each identified member of the group with notice that allows the borrower to opt out of the proceeding;

(iii) If identified members of the group are borrowers who have not filed an application under paragraph (f)(1)(ii) of this section, follows the procedures in paragraph (e)(2) of this section for granting forbearance and for defaulted loans for such identified members of the group, unless an opt-out by such a member of the group is received; and

(iv) Notifies the school of the basis of the group's borrower defense, the initiation of the fact-finding process described in paragraph (g) or (h) of this section, and of any procedure by which the school may request records and respond. No notice will be provided if notice is impossible or irrelevant due to a school's closure.

(3) For a group of borrowers identified by the Secretary, for which the Secretary determines that there may be a borrower defense under paragraph (d) of this section based upon a substantial misrepresentation that has been widely disseminated, there is a rebuttable presumption that each member reasonably relied on the misrepresentation.

(g) *Procedures for group process for borrower defenses with respect to loans to attend a closed school.* For groups

identified by the Secretary under paragraph (f) of this section, for which the borrower defense under this section is asserted with respect to a Direct Loan to attend a school that has closed and has provided no financial protection currently available to the Secretary from which to recover any losses arising from borrower defenses, and for which there is no appropriate entity from which the Secretary can otherwise practicably recover such losses—

(1) A hearing official resolves the borrower defense under this section through a fact-finding process. As part of the fact-finding process, the hearing official considers any evidence and argument presented by the Department official on behalf of the group and, as necessary to determine any claims at issue, on behalf of individual members of the group. The hearing official also considers any additional information the Department official considers necessary, including any Department records or response from the school or a person affiliated with the school as described in § 668.174(b), if practicable. The hearing official issues a written decision as follows:

(i) If the hearing official approves the borrower defense in full or in part, the written decision states that determination and the relief provided on the basis of that claim as determined under paragraph (i) of this section.

(ii) If the hearing official denies the borrower defense in full or in part, the written decision states the reasons for the denial, the evidence that was relied upon, the portion of the loans that are due and payable to the Secretary, and whether reimbursement of amounts previously collected is granted, and informs the borrowers that if any balance remains on the loan, the loan will return to its status prior to the group claim process.

(iii) The Secretary provides copies of the written decision to the members of the group and, as practicable, to the school.

(2) The decision of the hearing official is final as to the merits of the group borrower defense and any relief that may be granted on the group claim.

(3) After a final decision has been issued, if relief for the group has been

denied in full or in part pursuant to paragraph (g)(1)(ii) of this section, an individual borrower may file a claim for relief pursuant to paragraph (e)(5)(i) of this section.

(4) The Secretary may reopen a borrower defense application at any time to consider evidence that was not considered in making the previous decision. If a borrower defense application is reopened by the Secretary, the Secretary follows the procedure in paragraph (e)(2) of this section for granting forbearance and for defaulted loans.

(h) *Procedures for group process for borrower defenses with respect to loans made to attend an open school.* For groups identified by the Secretary under paragraph (f) of this section, for which the borrower defense under this section is asserted with respect to Direct Loans to attend a school that is not covered by paragraph (g) of this section, the claim is resolved in accordance with the procedures in this paragraph (h).

(1) A hearing official resolves the borrower defense and determines any liability of the school through a fact-finding process. As part of the fact-finding process, the hearing official considers any evidence and argument presented by the school and the Department official on behalf of the group and, as necessary to determine any claims at issue, on behalf of individual members of the group. The hearing official issues a written decision as follows:

(i) If the hearing official approves the borrower defense in full or in part, the written decision establishes the basis for the determination, notifies the members of the group of the relief as described in paragraph (i) of this section, and notifies the school of any liability to the Secretary for the amounts discharged and reimbursed.

(ii) If the hearing official denies the borrower defense for the group in full or in part, the written decision states the reasons for the denial, the evidence that was relied upon, the portion of the loans that are due and payable to the Secretary, and whether reimbursement of amounts previously collected is granted, and informs the borrowers that their loans will return to their statuses prior to the group borrower

defense process. The decision notifies the school of any liability to the Secretary for any amounts discharged or reimbursed.

(iii) The Secretary provides copies of the written decision to the members of the group, the Department official, and the school.

(2) The decision of the hearing official becomes final as to the merits of the group borrower defense and any relief that may be granted on the group borrower defense within 30 days after the decision is issued and received by the Department official and the school unless, within that 30-day period, the school or the Department official appeals the decision to the Secretary. In the case of an appeal—

(i) The decision of the hearing official does not take effect pending the appeal; and

(ii) The Secretary renders a final decision.

(3) After a final decision has been issued, if relief for the group has been denied in full or in part pursuant to paragraph (h)(1)(ii) of this section, an individual borrower may file a claim for relief pursuant to paragraph (e)(5)(i) of this section.

(4) The Secretary may reopen a borrower defense application at any time to consider evidence that was not considered in making the previous decision. If a borrower defense application is reopened by the Secretary, the Secretary follows the procedure in paragraph (e)(2) of this section for granting forbearance and for defaulted loans.

(5)(i) The Secretary collects from the school any liability to the Secretary for any amounts discharged or reimbursed to borrowers under this paragraph (h).

(ii) For a borrower defense under paragraph (b) of this section, the Secretary may initiate a proceeding to collect at any time.

(iii) For a borrower defense under paragraph (c) or (d) of this section, the Secretary may initiate a proceeding to collect within the limitation period that would apply to the borrower defense, provided that the Secretary may bring an action to collect at any time if, within the limitation period, the school received notice of the borrower's borrower defense claim. For purposes

of this paragraph, the school receives notice of the borrower's claim by receipt of—

(A) Actual notice of the claim from the borrower, a representative of the borrower, or the Department, including notice of an application filed pursuant to this section or § 685.206(c);

(B) A class action complaint asserting relief for a class that may include the borrower for underlying facts that may form the basis of a claim under this section or § 685.206(c); or

(C) Written notice, including a civil investigative demand or other written demand for information, from a Federal or State agency that has power to initiate an investigation into conduct of the school relating to specific programs, periods, or practices that may have affected the borrower, of underlying facts that may form the basis of a claim under this section or § 685.206(c).

(1) *Relief.* If a borrower defense is approved under the procedures in paragraph (e), (g), or (h) of this section, the following procedures apply:

(1) The Department official or the hearing official deciding the claim determines the appropriate amount of relief to award the borrower, which may be a discharge of all amounts owed to the Secretary on the loan at issue and may include the recovery of amounts previously collected by the Secretary on the loan, or some lesser amount.

(2) For a borrower defense brought on the basis of—

(i) A substantial misrepresentation, the Department official or the hearing official will factor the borrower's cost of attendance to attend the school, as well as the value of the education the borrower received, the value of the education that a reasonable borrower in the borrower's circumstances would have received, and/or the value of the education the borrower should have expected given the information provided by the institution, into the determination of appropriate relief. A borrower may be granted full, partial, or no relief. Value will be assessed in a manner that is reasonable and practicable. In addition, the Department official or the hearing official deciding the claim may consider any other relevant factors;

(ii) A judgment against the school—

(A) Where the judgment awards specific financial relief, relief will be the amount of the judgment that remains unsatisfied, subject to the limitation provided for in § 685.222(i)(8) and any other reasonable considerations; and

(B) Where the judgment does not award specific financial relief, the Department will rely on the holding of the case and applicable law to monetize the judgment; and

(iii) A breach of contract, relief will be determined according to the common law of contracts, subject to the limitation provided for in § 685.222(i)(8) and any other reasonable considerations.

(3) In a fact-finding process brought against an open school under paragraph (h) of this section on the basis of a substantial misrepresentation, the school has the burden of proof as to any value of the education.

(4) In determining the relief, the Department official or the hearing official deciding the claim may consider—

(i) Information derived from a sample of borrowers from the group when calculating relief for a group of borrowers; and

(ii) The examples in Appendix A to this subpart.

(5) In the written decision described in paragraphs (e), (g), and (h) of this section, the designated Department official or hearing official deciding the claim notifies the borrower of the relief provided and—

(i) Specifies the relief determination;

(ii) Advises that there may be tax implications; and

(iii) Advises the borrower of the requirements to file a request for reconsideration upon the identification of new evidence.

(6) Consistent with the determination of relief under paragraph (i)(1) of this section, the Secretary discharges the borrower's obligation to repay all or part of the loan and associated costs and fees that the borrower would otherwise be obligated to pay and, if applicable, reimburses the borrower for amounts paid toward the loan voluntarily or through enforced collection.

(7) The Department official or the hearing official deciding the case, or the Secretary as applicable, affords the

borrower such further relief as appropriate under the circumstances. Such further relief includes, but is not limited to, one or both of the following:

(i) Determining that the borrower is not in default on the loan and is eligible to receive assistance under title IV of the Act.

(ii) Updating reports to consumer reporting agencies to which the Secretary previously made adverse credit reports with regard to the borrower's Direct Loan.

(8) The total amount of relief granted with respect to a borrower defense cannot exceed the amount of the loan and any associated costs and fees and will be reduced by the amount of any refund, reimbursement, indemnification, restitution, compensatory damages, settlement, debt forgiveness, discharge, cancellation, compromise, or any other financial benefit received by, or on behalf of, the borrower that was related to the borrower defense. The relief to the borrower may not include non-pecuniary damages such as inconvenience, aggravation, emotional distress, or punitive damages.

(j) *Cooperation by the borrower.* To obtain relief under this section, a borrower must reasonably cooperate with the Secretary in any proceeding under paragraph (e), (g), or (h) of this section. The Secretary may revoke any relief granted to a borrower who fails to satisfy his or her obligations under this paragraph (j).

(k) *Transfer to the Secretary of the borrower's right of recovery against third parties.* (1) Upon the granting of any relief under this section, the borrower is deemed to have assigned to, and relinquished in favor of, the Secretary any right to a loan refund (up to the amount discharged) that the borrower may have by contract or applicable law with respect to the loan or the contract for educational services for which the loan was received, against the school, its principals, its affiliates, and their successors, its sureties, and any private fund. If the borrower asserts a claim to, and recovers from, a public fund, the Secretary may reinstate the borrower's obligation to repay on the loan an amount based on the amount recovered from the public fund, if the

Secretary determines that the borrower's recovery from the public fund was based on the same borrower defense and for the same loan for which the discharge was granted under this section.

(2) The provisions of this paragraph (k) apply notwithstanding any provision of State law that would otherwise restrict transfer of those rights by the borrower, limit or prevent a transferee from exercising those rights, or establish procedures or a scheme of distribution that would prejudice the Secretary's ability to recover on those rights.

(3) Nothing in this paragraph (k) limits or forecloses the borrower's right to pursue legal and equitable relief against a party described in this paragraph (k) for recovery of any portion of a claim exceeding that assigned to the Secretary or any other claims arising from matters unrelated to the claim on which the loan is discharged.

APPENDIX A TO SUBPART B OF PART 685—EXAMPLES OF BORROWER RELIEF

As provided in 34 CFR 685.222(i)(4), the Department official or the hearing official deciding a borrower defense claim determines the amount of relief to award the borrower, which may be a discharge of all amounts owed to the Secretary on the loan at issue and may include the recovery of amounts previously collected by the Secretary on the loan, or some lesser amount. The following are some conceptual examples demonstrating relief. The actual relief awarded will be determined by the Department official or the hearing official deciding the claim, who shall not be bound by these examples.

1. A school represents to prospective students, in widely disseminated materials, that

its educational program will lead to employment in an occupation that requires State licensure. The program does not in fact meet minimum education requirements to enable its graduates to sit for the exam necessary for them to obtain licensure. The claims are adjudicated in a group process.

Appropriate relief: Borrowers who enrolled in this program during the time that the misrepresentation was made should receive full relief. As a result of the schools' misrepresentation, the borrowers cannot work in the occupation in which they reasonably expected to work when they enrolled. Accordingly, borrowers received limited or no value from this educational program because they did not receive the value that they reasonably expected.

2. A school states to a prospective student that its medical assisting program has a faculty composed of skilled nurses and physicians and offers internships at a local hospital. The borrower enrolls in the school in reliance on that statement. In fact, none of the teachers at the school other than the Director is a nurse or physician. The school has no internship program. The teachers at the school are not qualified to teach medical assisting and the student is not qualified for medical assistant jobs based on the education received at the school.

Appropriate relief: This borrower should receive full relief. None of the teachers at the school are qualified to teach medical assisting, and there was no internship. In contrast to reasonable students' expectations, based on information provided by the school, the typical borrower received no value from the program.

3. An individual interested in becoming a registered nurse meets with a school's admissions counselor who explains that the school does not have a nursing program but that completion of a medical assisting program is a prerequisite for any nursing program. Based on this information, the borrower enrolls in the school's medical assisting program rather than searching for another nursing program, believing that completing a medical assisting program is a necessary step towards becoming a nurse. After one year in the program, the borrower realizes that it is not necessary to become a medical assistant before entering a nursing program. The borrower's credits are not transferrable to a nursing program.

Appropriate relief: This borrower should receive full relief. Because it is not necessary to become a medical assistant prior to entering a nursing program, she has made no progress towards the career she sought, and in fact has received an education that cannot be used for its intended purpose.

4. A school tells a prospective student, who is actively seeking an education, that the cost of the program will be \$20,000. Relying on that statement, the borrower enrolls. The

§ 685.300

student later learns the cost for that year was \$25,000. There is no evidence of any other misrepresentations in the enrollment process or of any deficiency in value in the school's education.

Appropriate relief: This borrower should receive partial relief of \$5,000. The borrower received precisely the value that she expected. The school provides the education that the student was seeking but misrepresented the price.

5. A school represents in its marketing materials that three of its undergraduate faculty members in a particular program have received the highest award in their field. A borrower choosing among two comparable, selective programs enrolls in that program in reliance on the representation about its faculty. However, although the program otherwise remains the same, the school had failed to update the marketing materials to reflect the fact that the award-winning faculty had left the school.

Appropriate relief: Although the borrower reasonably relied on a misrepresentation about the faculty in deciding to enroll at this school, she still received the value that she expected. Therefore, no relief is appropriate.

6. An individual wishes to enroll in a selective, regionally accredited liberal arts school. The school gives inflated data to a well-regarded school ranking organization regarding the median grade point average of recent entrants and also includes that inflated data in its own marketing materials. This inflated data raises the place of the school in the organization's rankings in independent publications. The individual enrolls in the school and graduates. Soon after graduating, the individual learns from the news that the school falsified admissions data. Notwithstanding this issue, degrees from the school continue to serve as effective, well-regarded liberal arts credentials.

The Department also determines that the school violated the title IV requirement that it not make substantial misrepresentations pursuant to 34 CFR 668.71, which constitutes an enforceable violation separate and apart from any borrower defense relief.

Appropriate Relief: The borrower relied on the misrepresentation about the admissions data to his detriment, because the misrepresentation factored into the borrower's decision to choose the school over others. However, the borrower received a selective liberal arts education which represents the value that he could reasonably expect, and gets no relief.

34 CFR Ch. VI (7-1-22 Edition)

Subpart C—Requirements, Standards, and Payments for Direct Loan Program Schools

§ 685.300 Agreements between an eligible school and the Secretary for participation in the Direct Loan Program.

(a) *General.* Participation of a school in the Direct Loan Program means that eligible students at the school may receive Direct Loans. To participate in the Direct Loan Program, a school must—

(1) Demonstrate to the satisfaction of the Secretary that the school meets the requirements for eligibility under the Act and applicable regulations; and

(2) Enter into a written program participation agreement with the Secretary.

(b) *Program participation agreement.* In the program participation agreement, the school must promise to comply with the Act and applicable regulations and must agree to—

(1) Identify eligible students who seek student financial assistance at the institution in accordance with section 484 of the Act;

(2) Estimate the need of each of these students as required by part F of the Act for an academic year. For purposes of estimating need, a Direct Unsubsidized Loan, a Direct PLUS Loan, or any loan obtained under any State-sponsored or private loan program may be used to offset the expected family contribution of the student for that year;

(3) Certify that the amount of the loan for any student under part D of the Act is not in excess of the annual limit applicable for that loan program and that the amount of the loan, in combination with previous loans received by the borrower, is not in excess of the aggregate limit for that loan program;

(4) Set forth a schedule for disbursement of the proceeds of the loan in installments, consistent with the requirements of section 428G of the Act;

(5) On a monthly basis, reconcile institutional records with Direct Loan funds received from the Secretary and Direct Loan disbursement records submitted to and accepted by the Secretary;
