Such evidence submitted, and other information available to the Administration, shall be considered in any finding. In view of current and projected employment opportunities afloat, the Administrator will grant the shoreside employment option infrequently and only on the basis of comprehensive evidence.

(2) The Administrator may consider positions of operational, management or administrative responsibility, including, but not limited to, the following marine-related categories, to be under the provisions of § 310.58(a)(5)(ii) of this subpart and the service obligation contract: Civilian employment in Federal and State agencies related to maritime affairs; steamship companies; stevedoring companies; vessel chartering and operations; cargo terminal operations; naval architecture; shipbuilding and repair; municipal and State port authorities; and port development, marine engineering, and tug and barge companies.

mcs.marad.dot.gov. The reporting form has been approved by the Office of Management and Budget (2133-0509).

(e) *Breach of contract*. (1) Breach before graduation: (i) If the Maritime Administrator determines that an individual who has attended the Academy for not less than two (2) academic years has failed to complete the course of instruction at the Academy, such individual may be ordered by the Secretary of Defense to active duty in one of the Armed Forces of the United States to serve for a period of time not to exceed two (2) years. In cases of hardship, as determined by the Maritime Administrator, the Maritime Administrator may waive this provision in whole or in part.

(ii) If the Secretary of Defense is unable or unwilling to order an individual to active duty under the previous paragraph, or if the Maritime Administrator determines that reimbursement of the Cost of Education Provided by the Federal Government would better serve the interests of the United States, the Maritime Administrator may recover from the individual the Cost of Education Provided by the Federal Government.

(iii) For purposes of paragraph (e)(1)(i) of this section, an "academic year" is defined as the completion by a student of a total of three (3) trimesters, whether at the Academy or at sea. Thus, liability under paragraph (e)(1)(i) of this section begins for students when they begin their seventh (7th) trimester, whether at the Academy or at sea.

(2) Breach after graduation: (i) If the Maritime Administrator determines that an individual has failed to fulfill any part of the service obligation contract (described in § 310.58(a)), such individual may be ordered to active duty to serve a period of time not less than three (3) years and not more than the unexpired portion of the service obligation contract relating to service in the foreign or domestic commerce or the national defense, as determined by the Maritime Administrator. The Maritime Administrator, in consultation with the Secretary of Defense, shall determine in which service the individual shall be ordered to active duty to serve such period of time. In cases of hard-

ship, as determined by the Maritime Administrator, the Maritime Administrator may waive this provision in whole or in part.

(ii) If the Secretary of Defense is unable or unwilling to order an individual to active duty under paragraph (e)(2)(i) of this section or if the Maritime Administrator determines that reimbursement of the Cost of Education Provided would better serve the interests of the United States, the Maritime Administrator may recover from the individual the Cost of Education Provided.

(iii) The Maritime Administrator may reduce the amount to be recovered from such individual to reflect partial performance of service obligations and such other factors as the Maritime Administrator determines merit such reduction.

(f) *Waivers*. The Maritime Administrator shall have the discretion to grant waivers of all or a portion of the service obligation contract in cases where there would be undue hardship or impossibility of performance due to accident, illness or other justifiable reason. Applications for waivers shall be submitted in writing to the Academies Program Officer, Office of Policy and Plans, Maritime Administration, 400 7th St., SW., Washington, DC 20590.

(g) *Deferments*. In exceptional cases, the Administration may grant a deferment of all or part of the agreement under paragraph (a)(5) of this section and the service obligation contract, for a period not to exceed 2 years, only for graduates considered to have superior academic and conduct records while at the Academy and only for the purpose of entering a marine or maritime-related graduate course of study approved by the Administrator or for the purpose of pursuing studies as recipients of scholarships or fellowships of national significance; *Provided*, that any deferment of service as a commissioned officer under paragraph (a)(5)(iii) of this section and the service obligation contract shall be subject to the sole approval of the Secretary of the department which has jurisdiction over such service (including the Secretary of the department in which the U.S. Coast Guard is operating and the Secretary of Commerce with respect to

§ 310.59

NOAA). A graduate shall make application for such deferment through the Superintendent of the Academy, who shall forward each application, together with the Superintendent's recommendation for approval or disapproval and an evaluation of the applicant's academic and conduct records, to the Academies Program Officer, Maritime Administration, Office of Policy and Plans, NASSIF Building, 400 7th St., SW., Washington, DC 20590 for appropriate action.

(h) *Determination of compliance with service obligation contract; deferment; waiver; and appeal procedures.* (1) A designated official of the Administration shall:

(i) Determine whether a student or graduate has breached his or her service obligation contract;

(ii) Grant or deny a deferment of the service obligation, except for obligations otherwise a part of the graduate's commissioned officer status; and,

(iii) Grant or deny a waiver of the requirements of the service obligation contract in cases of undue hardship or impossibility of performance due to accident, illness or other justifiable reason.

(2)(i) If a student or graduate disagrees with the decision of the designated official, the student or graduate may appeal that decision to the Maritime Administrator. The appeal will set forth all the legal and factual grounds on which the student or graduate bases the appeal. Any grounds not set forth in the appeal are waived.

(ii) Appeals must be filed with the Maritime Administrator within thirty (30) calendar days of the date of receipt by such student or graduate of the written decision of the designated official. Appeals must be filed at the Office of the Maritime Administrator, Maritime Administration, Room 7210, 400 7th St., SW., Washington, DC 20590. Each decision will include a notice of appeal rights.

(iii) A decision is deemed to be received by a student or graduate five (5) working days after the date it is mailed by first class mail, postage prepaid, to the address for such student or graduate listed with the Office of Policy and Plans. It is the responsibility of such student or graduate to ensure

46 CFR Ch. II (10-1-22 Edition)

that their current mailing address is on file with the Office of Policy and Plans, Maritime Administration, 400 7th St., SW., Washington, DC 20590. Students and graduates can determine the current address on file with the Office of Policy and Plans by logging into the service obligation contract compliance Web site at <http://mscs.marad.dot.gov>. Changes in the address listed can be made through the Internet.

(3) The Maritime Administrator will issue a written decision for each timely appeal. This decision constitutes final agency action.

(4) If a student or graduate fails to appeal within the time set forth in paragraph (h)(2) of this section, the decision of the designated official will be final and constitute final agency action.

(i) *Remedies.* To aid in the recovery of the Cost of Education Provided the Maritime Administrator may request the Attorney General to begin court proceedings, and the Maritime Administrator also may make use of the Federal debt collection procedures in chapter 176 of title 28, United States Code, and other applicable administrative remedies.
