[67 FR 13059, Mar. 20, 2002, as amended at 75 FR 77745, Dec. 13, 2010; 79 FR 24196, Apr. 29, 2014; 86 FR 61019, Nov. 4, 2021]

3.104-2 General.

(a) This section implements 41 U.S.C. chapter 21, Restrictions on Obtaining and Disclosing Certain Information. Agency supplementation of 3.104, including specific definitions to identify individuals who occupy positions specified in 3.104-3(d)(1)(ii), and any clauses required by 3.104 must be approved by the senior procurement executive of the agency, unless a law establishes a higher level of approval for that agency.

(b) Agency officials are reminded that there are other statutes and regulations that deal with the same or related prohibited conduct, for example—

(1) The offer or acceptance of a bribe or gratuity is prohibited by 18 U.S.C. 201 and 10 U.S.C. 2207. The acceptance of a gift, under certain circumstances, is prohibited by 5 U.S.C. 7353 and 5 CFR part 2635;

(2) Contacts with an offeror during the conduct of an acquisition may constitute “seeking employment,” (see subpart F of 5 CFR part 2636 and 3.104-3(c)(2)). Government officers and employees (employees) are prohibited by 18 U.S.C. 208 and 5 CFR part 2635 from participating personally and substantially in any particular matter that would affect the financial interests of any person with whom the employee is seeking employment. An employee who engages in negotiations or is otherwise seeking employment with an offeror or who has an arrangement concerning future employment with an offeror must comply with the applicable disqualification requirements of 5 CFR 2635.604 and 2635.606. The statutory prohibition in 18 U.S.C. 208 also may require an employee’s disqualification from participation in the acquisition even if the employee’s duties may not be considered “participating personally and sub-

stantially,” as this term is defined in 3.104-1;

(3) Post-employment restrictions are covered by 18 U.S.C. 207 and 5 CFR parts 2637 and 2641, that prohibit certain activities by former Government employees, including representation of a contractor before the Government in relation to any contract or other particular matter involving specific parties on which the former employee participated personally and substantially while employed by the Government. Additional restrictions apply to certain senior Government employees and for particular matters under an employee’s official responsibility;

(4) Parts 14 and 15 place restrictions on the release of information related to procurements and other contractor information that must be protected under 18 U.S.C. 1905;

(5) Release of information both before and after award (see 3.104-4) may be prohibited by the Privacy Act (5 U.S.C. 552a), the Trade Secrets Act (18 U.S.C. 1905), and other laws; and

(6) Using nonpublic information to further an employee’s private interest or that of another and engaging in a financial transaction using nonpublic information are prohibited by 5 CFR 2635.703.

(See 3.104-4(a).)

(2) Paragraph (a)(1) of this subsection applies to any person who—

(i) Promptly report the contact in writing to the official's supervisor and to the agency ethics official; and

(ii) Either reject the possibility of non-Federal employment or disqualify himself or herself from further personal and substantial participation in that Federal agency procurement (see 3.104-5) until such time as the agency authorizes the official to resume participation in that procurement, in accordance with the requirements of 18 U.S.C. 208 and applicable agency regulations, because—

(A) The person is no longer an offeror in that Federal agency procurement; or

(B) All discussions with the offeror regarding possible non-Federal employment have terminated without an agreement or arrangement for employment.

(2) A contact is any of the actions included as "seeking employment" in 5 CFR 2635.603(b). In addition, unsolicited communications from offerors regarding possible employment are considered contacts.

(3) Agencies must retain reports of employment contacts for 2 years from the date the report was submitted.

(i) Served, at the time of selection of the contractor or the award of a contract to that contractor, as the procuring contracting officer, the source selection authority, a member of a source selection evaluation board, or the chief of a financial or technical evaluation team in a procurement in which that contractor was selected for award of a contract in excess of \$10,000,000;

(C) Approve issuance of a contract payment or payments in excess of \$10,000,000 to that contractor; or

(D) Pay or settle a claim in excess of \$10,000,000 with that contractor.

(2) The 1-year prohibition begins on the date—

(i) Of contract award for positions described in paragraph (d)(1)(i) of this subsection, or the date of contractor selection if the official was not serving in the position on the date of award;

(ii) The official last served in one of the positions described in paragraph (d)(1)(ii) of this subsection; or

(iii) The official made one of the decisions described in paragraph (d)(1)(iii) of this subsection.

(3) Nothing in paragraph (d)(1) of this subsection may be construed to prohibit a former official of a Federal agency from accepting compensation from any division or affiliate of a contractor that does not produce the same or similar products or services as the entity of the contractor that is responsible for the contract referred to in paragraph (d)(1) of this subsection.

[67 FR 13059, Mar. 20, 2002, as amended at 79 FR 24196, Apr. 29, 2014; 84 FR 19840, May 6, 2019]

3.104-4 Disclosure, protection, and marking of contractor bid or proposal information and source selection information.

(a) Except as specifically provided for in this subsection, no person or other entity may disclose contractor bid or proposal information or source selection information to any person other than a person authorized, in accordance with applicable agency regulations or procedures, by the agency head or the contracting officer to receive such information.

(b) Contractor bid or proposal information and source selection information must be protected from unauthorized disclosure in accordance with 14.401, 15.207, applicable law, and agency regulations.

Individuals responsible for preparing material that may be source selection information as described at paragraph (10) of the “source selection information” definition in 2.101 must mark the cover page and each page that the individual believes contains source selection information with the legend “Source Selection Information—See FAR 2.101 and 3.104.” Although the information in paragraphs (1) through (9) of the definition in 2.101 is considered to be source selection information whether or not marked, all reasonable efforts must be made to mark such material with the same legend.

(d) Except as provided in paragraph (d)(3) of this subsection, the contracting officer must notify the contractor in writing if the contracting officer believes that proprietary informa-

(1) If the contractor agrees that the marking is not justified, or does not respond within the time specified in the notice, the contracting officer may remove the marking and release the information.

(2) If, after reviewing the contractor’s justification, the contracting officer determines that the marking is not justified, the contracting officer must notify the contractor in writing before releasing the information.

(3) For technical data marked as proprietary by a contractor, the contracting officer must follow the procedures in 27.404-5.

(e) This section does not restrict or prohibit—

(1) A contractor from disclosing its own bid or proposal information or the recipient from receiving that information;

(2) The disclosure or receipt of information, not otherwise protected, relating to a Federal agency procurement after it has been canceled by the Federal agency, before contract award, unless the Federal agency plans to resume the procurement;

(3) Individual meetings between a Federal agency official and an offeror or potential offeror for, or a recipient of, a contract or subcontract under a Federal agency procurement, provided that unauthorized disclosure or receipt of contractor bid or proposal information or source selection information does not occur; or

(4) The Government’s use of technical data in a manner consistent with the Government’s rights in the data.

(f) This section does not authorize—

(1) The withholding of any information pursuant to a proper request from the Congress, any committee or subcommittee thereof, a Federal agency, the Comptroller General, or an Inspector General of a Federal agency, except as otherwise authorized by law or regulation. Any release containing contractor bid or proposal information or source selection information must
