

§ 29.929 How will the Department communicate its decision following a hearing on a termination decision?

After the hearing or any post-hearing briefing schedule established by the Department's Office of Hearings, the administrative law judge must send the Department and the Tribe the decision by any method that provides a receipt. The decision must contain the administrative law judge's findings of fact and conclusions of law on all the issues.

§ 29.930 May the Department or the Tribe appeal the decision of an administrative law judge?

(a) The decision of an administrative law judge is a recommended decision that the Department or the Tribe may appeal to the Secretary.

(b) The decision of an administrative law judge becomes the final decision of the Secretary 60 days after it is served on the Department and the Tribe unless a petition for review is filed in accordance with § 29.931. The decision of the Secretary is a final agency action that the Tribe may appeal to the U.S. District Courts.

§ 29.931 How can the Department or the Tribe obtain review of the recommended decision of an administrative law judge?

(a) *Time for filing.* Within 30 days after service of any recommended decision of an administrative law judge, the Department or the Tribe may file a petition for review of the recommended decision with the Secretary. A copy must be served on the opposing party.

(b) *Service.* Each document filed with or by the Secretary must be accompanied by a certificate of service specifying the manner in which and the date on which service was made with the Secretary and the opposing party.

(c) *Form and content of objections.* The petition for review must set out separately and in detail each objection to the recommended decision, and the basis and reasons supporting such objection. The petition for review must state whether such objections are related to alleged errors of law or fact. The petition for review must also identify the relief requested.

(d) *Introduction of new information on review.* If the Department or the Tribe

fail to object to any errors in the recommended decision, the party waives the right to allege such error in subsequent proceedings. The petition for review may not set forth for the first time on brief to the Secretary any matters of law or fact that were not argued before the administrative law judge.

(e) *Reply briefs.* An opposing party has 30 days from the date of service of the petition for review to file its reply brief.

(f) *Failure to file timely and adequate objections.* Late filed petitions for review are not permitted, and incomplete objections will not be reviewed.

§ 29.932 May a Tribe appeal the decision of the Secretary?

The decision of the Secretary on the merits of a petition for review constitutes final agency action. A Tribe may appeal the decision to the U.S. District Courts.

§ 29.933 What is the effect of an appeal on negotiations?

A pending appeal of a termination decision will not affect or prevent the award of another funding agreement or TTP Agreement.

However, if the Department terminates all or a portion of a compact or funding agreement due to a finding of gross mismanagement or imminent jeopardy that is sustained on appeal, and the Tribe has not corrected the adverse findings, the Department has discretion to reject a proposal to award the Tribe a new funding agreement or provide new funds in an existing funding agreement.

(b) Certification. By signing this solicitation, the Offeror certifies that with respect to this solicitation, and any resultant contract, the Offeror—

(1) Is [] is not [] a contractor of a foreign country included on the list of countries that discriminated against U.S. firms published by the Office of the United States Trade Representative (U.S.T.R.);

(2) Has [] has not [] entered into any contract or subcontract with a subcontractor of a foreign country included on the list of countries that discriminate against U.S. firms published by the U.S.T.R.; and

(c) Applicability of 18 U.S.C. 1001. (d) Notice. The Offeror shall provide immediate written notice to the Contracting Officer if, at any time prior to contract award, the Offeror learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(g) Subcontracts. The Offeror agrees that, if awarded a contract resulting from this solicitation, it will incorporate this solicitation provision, including this paragraph (g), in each solicitation issued under such contract.

(End of provision)

§ 30.15 Restrictions on Federal public works projects.

The contracting officer shall insert the following clause in solicitations and contracts as prescribed at § 30.11(a) through (b) of this part:

RESTRICTIONS ON FEDERAL PUBLIC WORKS PROJECTS

(a) *Definitions.* The definitions pertaining to this clause are those that are set forth in 49 CFR 30.7-30.9

(b) *General.* This clause implements the procurement provisions contained in the Continuing Resolution on the Fiscal Year 1988 Budget, Public Law No. 100-202, and the Airport and Airway Safety and Capacity Expansion Act of 1987, Public Law No. 100-223.

(d) *Certification.* The Contractor may rely upon the certification of a prospective subcontractor that it is not a subcontractor of a foreign country included on the list of countries that discriminates against U.S. firms published by the U.S.T.R. and that products supplied by such subcontractor for use on the Federal public works project under this contract are not products of a foreign country included on the list of countries that discriminate against U.S. firms published by the U.S.T.R., unless the contractor has knowledge that the certification is erroneous.

(e) *Erroneous certification.* The certification in paragraph (b) of the provision entitled "Restriction on Federal Public Works Projects—Certification," is a material representation of fact upon which reliance was placed when making the award. If it is later determined that the Contractor knowingly rendered an erroneous certification, in addition to other remedies available to the Government, the Contracting Officer may cancel this contract for default at no cost to the Government.

(f) *Cancellation.* Unless the restrictions of this clause are waived as provided in paragraph (e) of the provision entitled "Restriction on Federal Public Works Projects—Certification," if the Contractor knowingly enters into a subcontract with a subcontractor that is a subcontractor of a foreign country included on the list of countries that discriminate against U.S. firms published by the U.S.T.R. or that supplies any product for use on the Federal public works project under this contract of a foreign country included on the list of countries that discriminate against U.S. firms published by the U.S.T.R., the Contracting Officer may cancel this contract for default, at no cost to the Government.

(g) Subcontracts. The Contractor shall incorporate this clause, without modification, including this paragraph (g) in all solicitations and subcontracts under this contract:

CERTIFICATION REGARDING RESTRICTIONS ON FEDERAL PUBLIC WORKS PROJECTS—SUBCONTRACTORS

(1) The Offeror/Contractor, by submission of an offer and/or execution of a contract certifies that the Offeror/Contractor is (i) not an Offeror/Contractor owned or controlled by one or more citizens or nationals of a foreign country included on the list of countries that discriminate against U.S. firms published by the United States Trade Representative (U.S.T.R.) or (2) not supplying any product for use on the Federal public works project that is produced or manufactured in a foreign country included on the list of foreign countries that discriminate against U.S. firms published by the U.S.T.R.

(2) The Offeror shall provide immediate written notice to the Contractor if, at any time, the Offeror learns that its certification was erroneous by reason of changed circumstances.

(3) The Contractor shall not knowingly enter into any subcontract under this contract: (i) with a subcontractor of a foreign country included on the list of countries that discriminate against U.S. firms published by the U.S.T.R.; or (ii) for the supply of any product for use on the Federal public works project under this contract that is

§ 30.17

produced or manufactured in a foreign country included on the list of countries that discriminate against U.S. firms published by the U.S.T.R. The contractor may rely upon the certification in paragraph (g)(1) of this clause unless it has knowledge that the certification is erroneous.

(4) Unless the restrictions of this clause have been waived under the contract for the Federal public works project, if a contractor knowingly enters into a subcontract with a subcontractor that is a subcontractor of a foreign country included on the list of countries that discriminate against U.S. firms published by the U.S.T.R. or that supplies any product for use on the Federal public works project under this contract that is produced or manufactured in a foreign country included on the list of countries that discriminate against U.S. firms published by the U.S.T.R., the Government Contracting Officer may direct, through higher-tier contractors, cancellation of this contract at no cost to the Government.

(5) Definitions. The definitions pertaining to this clause are those that are set forth in 49 CFR 30.7-30.9.

(6) The certification in paragraph (g)(1) of this clause is a material representation of fact upon which reliance was placed when making the award. (7) The Contractor agrees to insert this clause, without modification, including this paragraph, in all solicitations and subcontracts under this clause.

(End of clause)

§ 30.17 Waivers.

(a) The Secretary may waive the restrictions imposed by section 115 of the Airport Safety Act on the use of a product or service in a project if the Secretary determines that:

(1) Application of the restriction to such product, service, or project would not be in the public interest;

(2) Products or services of the same class or kind are not produced or offered in the United States, or in any foreign country that is not listed by the U.S.T.R. in sufficient and reasonable available quantities and of a satisfactory quality; or

(3) Exclusion of such product or service from the project would increase the

cost of the overall project contract by more than 20 percent.

(b) The President or the Secretary may waive the restrictions imposed by section 109(a) of the Continuing Resolution with respect to an individual contract if the President or the Secretary determines that such action is necessary in the public interest, on a contract-by-contract basis. The Secretary may apply the factors listed in paragraphs (a)(2) and (a)(3) of this section in determining whether a waiver is in the public interest.

(c) The authority of the President or the Secretary to issue waivers may not be delegated. The Department shall publish notice of any waiver granted pursuant to this part by the President or the Secretary in the FEDERAL REGISTER within ten days. The notice shall describe in detail the contract involved, the specific reasons for granting the waiver, and how the waiver meets the criteria of this section.

§ 30.19 Buy American Act.

The restrictions of this part are in addition to any other restrictions contained in Federal law, including the Buy American Act, 41 U.S.C. 10a-10d, and Buy American provisions in legislation governing DOT provisions. Normal evaluation methods for implementing the provisions of the Buy American Act in contracts for the construction, alteration, or repair of public buildings or public works will be applied after determining the offeror's eligible for award on the basis of application of the provisions in this part.
