§ 890.304 Termination of enrollment.

(a) Employees. (1) An employee’s enrollment terminates, subject to the temporary extension of coverage for conversion, at midnight of the earliest of the following dates:

(1) The last day of the pay period in which he or she is placed on leave without pay or separated from service to perform active duty in the uniformed services, provided that the individual continues to be entitled to benefits under part 333 of this chapter, or similar authority. As provided for by 5 U.S.C. 8905(a), the continuation of enrollment for up to 24 months applies to employees called or ordered to active duty in support of a contingency operation on or after September 14, 2001. The enrollment of an employee who met the requirements of chapter 43 of title 38, United States Code, on or after December 10, 2004, may continue for the 24-month period beginning on the date that the employee is placed on leave without pay or separated from service to perform active duty in the uniformed services, provided that the employee continues to be entitled to continued coverage under part 333 of this chapter, or similar authority.

(2) An employee in nonpay status is entitled to continued coverage under paragraph (e) of this section if the employee’s entitlement to benefits under part 333 of this chapter, or similar authority, extends beyond the expiration of 365 days in nonpay status.

(3) If the enrollment of an employee had terminated due to the expiration of 365 days in nonpay status or because of the employee’s separation from service, it may be reinstated for the remainder of the 24-month period beginning on the date that the employee is placed on leave without pay or separated from service to perform active duty in the uniformed services, provided that the employee continues to be entitled to continued coverage under part 333 of this chapter, or similar authority.

conditions entitling him/her to continue his/her enrollment.

(ii) The last day of the pay period in which he or she separates after meeting the requirements for an immediate annuity under §842.204(a)(1) of this chapter, but postpones receipt of annuity as provided by §842.204(c).

(iii) The last day of the pay period in which his or her employment status or the eligibility of his or her position changes so that he or she is excluded from enrollment.

(iv) The last day of the pay period in which he dies, unless he leaves a member of the family entitled to continue enrollment as a survivor annuitant.

(v) The last day of the pay period which includes the day on which the continuation of enrollment under §890.303(e) expires, or, if he/she is not entitled to any further continuation because he/she has not had 4 consecutive months of pay status since exhausting his/her 365 days’ continuation of coverage in nonpay status, the last day of his/her last pay period in pay status.

(vi) The day he or she is separated, furloughed, or placed on leave of absence to serve in the uniformed services under conditions entitling him or her to benefits under part 353 of this chapter, or similar authority, for the purpose of performing duty not limited to 30 days or less, provided the employee elects in writing to have the enrollment so terminated.

(vii) For an employee who separates to serve in the uniformed services under conditions entitling him or her to benefits under part 353 of this chapter, or similar authority, for the purpose of performing duty not limited to 30 days or less, the date that is 24 months after the date that the employee is placed on leave without pay or separated from service to perform active duty in the uniformed services, or the date entitlement to benefits under part 353 of this chapter, or similar authority, ends, whichever is earlier, but not earlier than the date the enrollment would otherwise terminate under paragraph (a)(1)(v) of this section.

(b) Annuitants. (1) If the annuity of an annuitant is insufficient to pay the withholdings for the plan in which the annuitant is enrolled, the annuitant may elect one of the two opportunities offered under §890.306(q) of this part (electing a plan with a withholding not in excess of the annuity; or, paying premiums directly to the retirement system in accordance with §890.502(f) of this part). The retirement system will send two notices to the annuitant, including one by certified mail return receipt requested. Continuation of coverage rests upon electing direct payment or new coverage within 15 days (45 days for annuitants residing overseas) after receipt of the final notice. Except as provided in paragraph (b)(3) of this section, the enrollment of an individual who fails to make an election within the specified time frame will be terminated. An annuitant whose enrollment is terminated because of failure to make an election may not re-enroll or reinstate coverage, except as provided in paragraph (b)(2) of this section. Each annuitant whose enrollment is so terminated is entitled to a 31-day extension of coverage for conversion.

(2) If the individual was prevented by circumstances beyond his or her control from making an election within
the time limit after receipt of the final notice, he or she may request reinstatement of coverage by writing to the retirement system. The retirement system will determine if the individual is eligible for reinstatement of coverage; and, when the determination is affirmative, the individual’s coverage may be reinstated retroactively to the date of termination or prospectively. If the determination is negative, the individual may request reconsideration of the decision from OPM.

(3) If the annuitant does not make an election under paragraph (b)(1) of this section and is enrolled in the high option of a plan that has two options, the annuitant is deemed to have elected enrollment in the standard option of the same plan unless the annuity is insufficient to pay the withholdings for the standard option.

(4) An annuitant’s enrollment terminates, subject to the temporary extension of coverage for conversion, at midnight of the last day of the pay period in which he dies, unless he leaves a member of the family entitled to continue enrollment as a survivor annuitant, or, if his enrollment is not terminated by death, at midnight of the earliest of the following dates:

(i) The last day of the last pay period for which he is entitled to annuity, unless he is eligible for continued enrollment as an employee in which case his enrollment continues without change.

(ii) The last day of the pay period in which his title to compensation under subchapter I of chapter 81 of title 5, United States Code, terminates, or in which he is held by the Secretary of Labor to be able to return to duty, unless he is eligible for continued enrollment as an employee or as an annuitant under a retirement system for civilian employees in which case his enrollment continues without change.

(iii) The day he enters on active duty in a uniformed service for the purpose of performing duty not limited to 30 days or less, provided the annuitant elects, in writing, to terminate the enrollment.

(iv) The last day of the month preceding the month in which a survivor annuitant in receipt of basic employee death benefits under 5 U.S.C. 8442(b)(1)(A) remarries before attaining age 55.

(c) Coverage of family members. The coverage of a family member of an enrollee terminates, subject to the temporary extension of coverage for conversion, at midnight of the earlier of the following dates:

(1) The day on which he or she ceases to be a family member;

(2) The day the enrollee ceases to be enrolled, unless the family member is entitled, as a survivor annuitant, to continued enrollment, or is entitled to continued coverage under the enrollment of another.

(d) Cancellation or suspension. (1)(i) An employee who participates in health insurance premium conversion as provided in part 892 of this chapter may cancel his or her enrollment only during an open season or because of and consistent with a qualifying life event defined in §892.101 of this chapter.

(ii) Subject to the provisions of paragraph (d)(iii) of this section, an enrollee who does not participate in premium conversion may cancel his or her enrollment at any time by filing an appropriate request with the employing office. The cancellation is effective at the end of the last day of the pay period in which the employing office receives the appropriate request canceling the enrollment.

(iii) An employee who is subject to a court or administrative order as discussed in §890.301(g)(3), or an annuitant who was subject to such a court or administrative order at the time of his or her retirement, may not cancel or suspend his or her enrollment as long as the court or administrative order is still in effect and the enrollee has at least one child identified in the order who is still eligible under the FEHB Program, unless the employee or annuitant provides documentation to the agency that he or she has other coverage for the child or children.

(2) An annuitant or survivor annuitant may suspend enrollment in FEHB for the purpose of enrolling in a Medicare-sponsored plan under sections 1833, 1876, or 1851 of the Social Security Act, or to enroll in the Medicaid program or a similar State-sponsored program of medical assistance for the needy, or to use Peace Corps or
§ 890.305  Reinstatement of enrollment after military service.

(a) The enrollment of an employee or annuitant whose enrollment was terminated under §890.304(a)(1)(vi), (vii), or (viii) or §890.304(b)(4)(iii) is automatically reinstated on the day the employee is restored to a civilian position under the provisions of part 353 of this chapter, or similar authority, or on the day the annuitant is separated from the uniformed services, as the case may be.

(b) An employee whose employing office terminates his or her enrollment because his or her order to enter on duty in a uniformed service is for a period longer than 30 days, and who retires on an immediate annuity from his or her Federal civilian position while on such duty, may reinstate his or her enrollment by asking to do so within 60 days after retirement. In the absence of such a request, the retirement system automatically reinstates the enrollment on the day the person separates from the uniformed service. For the retirement system to reinstate the enrollment, the individual must have been covered under this part since his or her first opportunity or for the 5 years of civilian service (excluding the period of uniformed service) immediately preceding the civilian retirement, whichever is shorter.

§ 890.306  When can annuitants or survivor annuitants change enrollment or reenroll and what are the effective dates?

(a) Requirements to continue coverage.

(1) To be eligible to continue coverage in a plan under this part, a former employee in receipt of an annuity must meet the statutory requirements under 5 U.S.C. 8905(b) of having retired on an immediate annuity and having been covered by a plan under this part for the 5 years of service immediately before retirement, or if less than 5 years, for all service since his or her first opportunity to enroll, unless OPM waives the requirement under §890.108.

(2) To be eligible to continue coverage in a plan under this part, a survivor annuitant must be covered as a family member when the employee or annuitant dies.

(b) Effective date—generally. Except as otherwise provided, an annuitant’s change of enrollment takes effect on the first day of the first pay period that begins after the date the employing office receives an appropriate request to change the enrollment.
