The Board shall refund such importers their assessments as collected by Customs no later than 60 calendar days after receipt by the Board.

(c) *Organic.* (1) A producer who domestically produces Christmas trees under an approved National Organic

Program (7 CFR part 205) (NOP) organic production system plan may be exempt from the payment of assessments under this part, provided that:

(i) Only agricultural products certified as “organic” or “100 percent organic” (as defined in the NOP) are eligible for exemption;

(ii) The exemption shall apply to all certified “organic” or “100 percent organic” (as defined in the NOP) products of a producer regardless of whether the agricultural commodity subject to the exemption is produced by a person that also produces conventional or non-organic agricultural products of the same agricultural commodity as that for which the exemption is claimed;

(iii) The producer maintains a valid certificate of organic operation as issued under the Organic Foods Production Act of 1990 (7 U.S.C. 6501–6522) (OFPA) and the NOP regulations issued under OFPA (7 CFR part 205); and

(iv) Any producer so exempted shall continue to be obligated to pay assessments under this part that are associated with any agricultural products that do not qualify for an exemption under this section.

(2) To apply for exemption under this section, an eligible producer shall submit a request to the Board on an *Organic Exemption Request Form* (Form AMS-15) at any time during the year initially, and annually thereafter on or before the start of the fiscal period, for as long as the producer continues to be eligible for the exemption.

(3) A producer request for exemption shall include the following:

(i) The applicant’s full name, company name, address, telephone and fax numbers, and email address;

(ii) Certification that the applicant maintains a valid certificate of organic operation issued under the OFPA and the NOP;

(4) If a producer complies with the requirements of this section, the Board will grant an assessment exemption and issue a Certificate of Exemption to the producer within 30 days. If the application is disapproved, the Board will notify the applicant of the reason(s) for disapproval within the same time-frame.

(5) An importer who imports Christmas trees that are eligible to be labeled as “organic” or “100 percent organic” under the NOP, or certified as “organic” or “100 percent organic” under a U.S. equivalency arrangement established under the NOP, may be exempt from the payment of assessments. Such importer may submit documentation to the Board and request an exemption from assessment on certified “organic” or “100 percent organic” Christmas trees on an *Organic Exemption Request Form* (Form AMS-15) at any time initially, and annually thereafter on or before the beginning of the fiscal period, as long as the importer continues to be eligible for the exemption. This documentation shall include the same information required of a producer in paragraph (c)(3) of this section. If the importer complies with the requirements of this section, the Board will grant the exemption and issue a Certificate of Exemption to the importer within the applicable time-frame. Any importer so exempted shall continue to be obligated to pay assessments under this part that are associated with any imported agricultural products that do not qualify for an exemption under this section.

(6) If Customs collects the assessment on exempt product under paragraph (c)(5) of this section that is identified as “organic” by a number in the Harmonized Tariff Schedule, the Board must reimburse the exempt importer the assessments paid upon receipt of such assessments from Customs.
