

§ 25.45

notice for branch offices. Only an insured national bank that is an affiliate of a holding company shall include the next to the last sentence of the notices. An insured national bank shall include the last sentence of the notices only if it is an affiliate of a holding company that is not prevented by statute from acquiring additional banks. Only a savings association that is an affiliate of a holding company shall include the last two sentences of the notices.

§ 25.45 Publication of planned examination schedule.

The appropriate Federal banking agency publishes at least 30 days in advance of the beginning of each calendar quarter a list of banks and savings associations scheduled for CRA examinations in that quarter.

Subpart D—Transition Provisions

§ 25.51 Consideration of Bank Activities.

(a) In assessing a bank's CRA performance, the appropriate Federal banking agency will consider any loan, investment, or service that was eligible for CRA consideration at the time the bank conducted the activity.

(b) Notwithstanding paragraph (a), in assessing a bank's CRA performance, the appropriate Federal banking agency will consider any loan or investment that was eligible for CRA consideration at the time the bank entered into a legally binding commitment to make the loan or investment.

§ 25.52 Strategic Plan Retention.

A bank or savings association strategic plan approved by the appropriate Federal banking agency and in effect as of December 31, 2021, remains in effect, except that provisions of the plan that are not consistent with this part in effect as of January 1, 2022, are void, unless amended pursuant to § 25.27.

Subpart E—Prohibition Against Use of Interstate Branches Primarily for Deposit Production

§ 25.61 Purpose and scope.

(a) *Purpose.* The purpose of this subpart is to implement section 109 (12

12 CFR Ch. I (1–1–23 Edition)

U.S.C. 1835a) of the Riegle-Neal Interstate Banking and Branching Efficiency Act of 1994 (Interstate Act).

(b) *Scope.* (1) This subpart applies to any national bank that has operated a covered interstate branch for a period of at least one year, and any foreign bank that has operated a covered interstate branch that is a Federal branch for a period of at least one year.

(2) This subpart describes the requirements imposed under 12 U.S.C. 1835a, which requires the appropriate Federal banking agencies (the OCC, the Board of Governors of the Federal Reserve System, and the FDIC) to prescribe uniform rules that prohibit a bank from using any authority to engage in interstate branching pursuant to the Interstate Act, or any amendment made by the Interstate Act to any other provision of law, primarily for the purpose of deposit production.

§ 25.62 Definitions.

For purposes of this subpart, the following definitions apply:

(a) *Bank* means, unless the context indicates otherwise:

(1) A national bank; and

(2) A foreign bank as that term is defined in 12 U.S.C. 3101(7) and 12 CFR 28.11(i).

(b) *Covered interstate branch* means:

(1) Any branch of a national bank, and any Federal branch of a foreign bank, that:

(i) Is established or acquired outside the bank's home State pursuant to the interstate branching authority granted by the Interstate Act or by any amendment made by the Interstate Act to any other provision of law; or

(ii) Could not have been established or acquired outside of the bank's home State but for the establishment or acquisition of a branch described in paragraph (b)(1)(i) of this section; and

(2) Any bank or branch of a bank controlled by an out-of-State bank holding company.

(c) *Federal branch* means Federal branch as that term is defined in 12 U.S.C. 3101(6) and 12 CFR 28.11(h).

(d) *Home State* means:

(1) With respect to a State bank, the State that chartered the bank;

(2) With respect to a national bank, the State in which the main office of the bank is located;

(3) With respect to a bank holding company, the State in which the total deposits of all banking subsidiaries of such company are the largest on the later of:

(i) July 1, 1966; or

(ii) The date on which the company becomes a bank holding company under the Bank Holding Company Act;

(4) With respect to a foreign bank:

(i) For purposes of determining whether a U.S. branch of a foreign bank is a covered interstate branch, the home State of the foreign bank as determined in accordance with 12 U.S.C. 3103(c) and 12 CFR 28.11(n); and

(ii) For purposes of determining whether a branch of a U.S. bank controlled by a foreign bank is a covered interstate branch, the State in which the total deposits of all banking subsidiaries of such foreign bank are the largest on the later of:

(A) July 1, 1966; or

(B) The date on which the foreign bank becomes a bank holding company under the Bank Holding Company Act.

(e) *Host State* means a State in which a covered interstate branch is established or acquired.

(f) *Host state loan-to-deposit ratio* generally means, with respect to a particular host state, the ratio of total loans in the host state relative to total deposits from the host state for all banks (including institutions covered under the definition of "bank" in 12 U.S.C. 1813(a)(1)) that have that state as their home state, as determined and updated periodically by the appropriate Federal banking agencies and made available to the public.

(g) *Out-of-State bank holding company* means, with respect to any State, a bank holding company whose home State is another State.

(h) *State* means state as that term is defined in 12 U.S.C. 1813(a)(3).

(i) *Statewide loan-to-deposit ratio* means, with respect to a bank, the ratio of the bank's loans to its deposits in a state in which the bank has one or more covered interstate branches, as determined by the OCC.

§ 25.63 Loan-to-deposit ratio screen.

(a) *Application of screen.* Beginning no earlier than one year after a covered interstate branch is acquired or established, the OCC will consider whether the bank's statewide loan-to-deposit ratio is less than 50 percent of the relevant host State loan-to-deposit ratio.

(b) *Results of screen.* (1) If the OCC determines that the bank's statewide loan-to-deposit ratio is 50 percent or more of the host state loan-to-deposit ratio, no further consideration under this subpart is required.

(2) If the OCC determines that the bank's statewide loan-to-deposit ratio is less than 50 percent of the host state loan-to-deposit ratio, or if reasonably available data are insufficient to calculate the bank's statewide loan-to-deposit ratio, the OCC will make a credit needs determination for the bank as provided in § 25.64.

§ 25.64 Credit needs determination.

(a) *In general.* The OCC will review the loan portfolio of the bank and determine whether the bank is reasonably helping to meet the credit needs of the communities in the host state that are served by the bank.

(b) *Guidelines.* The OCC will use the following considerations as guidelines when making the determination pursuant to paragraph (a) of this section:

(1) Whether covered interstate branches were formerly part of a failed or failing depository institution;

(2) Whether covered interstate branches were acquired under circumstances where there was a low loan-to-deposit ratio because of the nature of the acquired institution's business or loan portfolio;

(3) Whether covered interstate branches have a high concentration of commercial or credit card lending, trust services, or other specialized activities, including the extent to which the covered interstate branches accept deposits in the host state;

(4) The CRA ratings received by the bank, if any;

(5) Economic conditions, including the level of loan demand, within the communities served by the covered interstate branches;

(6) The safe and sound operation and condition of the bank; and

§ 25.65

12 CFR Ch. I (1–1–23 Edition)

(7) The OCC’s CRA regulations (subparts A through D of this part) and interpretations of those regulations.

§ 25.65 Sanctions.

(a) *In general.* If the OCC determines that a bank is not reasonably helping to meet the credit needs of the communities served by the bank in the host state, and that the bank’s statewide loan-to-deposit ratio is less than 50 percent of the host state loan-to-deposit ratio, the OCC:

(1) May order that a bank’s covered interstate branch or branches be closed unless the bank provides reasonable assurances to the satisfaction of the OCC, after an opportunity for public comment, that the bank has an acceptable plan under which the bank will reasonably help to meet the credit needs of the communities served by the bank in the host state; and

(2) Will not permit the bank to open a new branch in the host state that would be considered to be a covered interstate branch unless the bank provides reasonable assurances to the satisfaction of the OCC, after an opportunity for public comment, that the bank will reasonably help to meet the credit needs of the community that the new branch will serve.

(b) *Notice prior to closure of a covered interstate branch.* Before exercising the OCC’s authority to order the bank to close a covered interstate branch, the OCC will issue to the bank a notice of the OCC’s intent to order the closure and will schedule a hearing within 60 days of issuing the notice.

(c) *Hearing.* The OCC will conduct a hearing scheduled under paragraph (b) of this section in accordance with the provisions of 12 U.S.C. 1818(h) and 12 CFR part 19.

APPENDIX A TO PART 25—RATINGS

(a) *Ratings in general.* (1) In assigning a rating, the appropriate Federal banking agency evaluates a bank’s or savings association’s performance under the applicable performance criteria in this part, in accordance with §§ 25.21 and 25.28. This includes consideration of low-cost education loans provided to low-income borrowers and activities in cooperation with minority- or women-owned financial institutions and low-income credit unions, as well as adjustments on the basis

of evidence of discriminatory or other illegal credit practices.

(2) A bank’s or savings association’s performance need not fit each aspect of a particular rating profile in order to receive that rating, and exceptionally strong performance with respect to some aspects may compensate for weak performance in others. The bank’s or savings association’s overall performance, however, must be consistent with safe and sound banking practices and generally with the appropriate rating profile as follows.

(b) *Banks and savings associations evaluated under the lending, investment, and service tests—*(1) *Lending performance rating.* The appropriate Federal banking agency assigns each bank’s or savings association’s lending performance one of the five following ratings.

(i) *Outstanding.* The appropriate Federal banking agency rates a bank’s or savings association’s lending performance “outstanding” if, in general, it demonstrates:

(A) Excellent responsiveness to credit needs in its assessment area(s), taking into account the number and amount of home mortgage, small business, small farm, and consumer loans, if applicable, in its assessment area(s);

(B) A substantial majority of its loans are made in its assessment area(s);

(C) An excellent geographic distribution of loans in its assessment area(s);

(D) An excellent distribution, particularly in its assessment area(s), of loans among individuals of different income levels and businesses (including farms) of different sizes, given the product lines offered by the bank or savings association;

(E) An excellent record of serving the credit needs of highly economically disadvantaged areas in its assessment area(s), low-income individuals, or businesses (including farms) with gross annual revenues of \$1 million or less, consistent with safe and sound operations;

(F) Extensive use of innovative or flexible lending practices in a safe and sound manner to address the credit needs of low- or moderate-income individuals or geographies; and

(G) It is a leader in making community development loans.

(ii) *High satisfactory.* The appropriate Federal banking agency rates a bank’s or savings association’s lending performance “high satisfactory” if, in general, it demonstrates:

(A) Good responsiveness to credit needs in its assessment area(s), taking into account the number and amount of home mortgage, small business, small farm, and consumer loans, if applicable, in its assessment area(s);

(B) A high percentage of its loans are made in its assessment area(s);

(C) A good geographic distribution of loans in its assessment area(s);
