### § 344.1 Purpose and scope.

(a) *Purpose.* The purpose of this part is to ensure that purchasers of securities in transactions effected by FDIC-supervised institutions are provided adequate information regarding transactions. This part is also designed to ensure that FDIC-supervised institutions subject to this part maintain adequate records and controls with respect to the securities transactions they effect.

(b) *Scope; general.* Any security transaction effected for a customer by an FDIC-supervised institution is subject to this part unless excepted by § 344.2. An FDIC-supervised institution effecting transactions in government securities is subject to the notification, recordkeeping, and policies and procedures requirements of this part. This part also applies to municipal securities transactions by an FDIC-supervised institution that is not registered as a “municipal securities dealer” with the Securities and Exchange Commission. See 15 U.S.C. 78c(a)(30) and 78o-4.

### § 344.2 Exceptions.

(a) An FDIC-supervised institution effecting securities transactions for customers is not subject to all or part of this part 344 to the extent that they qualify for one or more of the following exceptions:

(1) *Small number of transactions.* The requirements of §§ 344.4(a)(2) through (4) and 344.8(a)(1) through (3) do not apply to an FDIC-supervised institution effecting an average of fewer than 500 securities transactions per year for customers over the prior three calendar year period. The calculation of this average does not include transactions in government securities.

(2) *Government securities.* The recordkeeping requirements of § 344.4 do not apply to FDIC-supervised institutions effecting fewer than 500 government securities brokerage transactions per year. This exemption does not apply to government securities dealer transactions by FDIC-supervised institutions.

(3) *Municipal securities.* This part does not apply to transactions in municipal securities effected by an FDIC-supervised institution registered with the Securities and Exchange Commission as a “municipal securities dealer” as defined in title 15 U.S.C. 78c(a)(30). See 15 U.S.C. 78o-4.

(4) *Foreign branches.* Activities of foreign branches of FDIC-supervised institutions shall not be subject to the requirements of this part.

(5) *Transactions effected by registered broker/dealers.* (i) This part does not apply to securities transactions effected for an FDIC-supervised institution’s customer by a registered broker/dealer if:

(A) The broker/dealer is fully disclosed to the customer; and

(B) The customer has a direct contractual agreement with the broker/dealer.

(ii) This exemption extends to arrangements with broker/dealers which involve FDIC-supervised institution employees when acting as employees of, and subject to the supervision of, the registered broker/dealer when soliciting, recommending, or effecting securities transactions.

(b) *Safe and sound operations.* Notwithstanding this section, every FDIC-

### § 344.5 Content and time of notification.

(10) In the case of a transaction in a debt security effected on the basis of yield:

(12) In the case of a transaction in a debt security, other than a government security, that the security is unrated by a nationally recognized statistical rating organization, if that is the case.

### **§ 344.6 Notification by agreement; alternative forms and times of notification.**

An FDIC-supervised institution may elect to use the following alternative notification procedures if the transaction is effected for:

(a) *Notification by agreement.* Accounts (except periodic plans) where the FDIC-supervised institution does not exercise investment discretion and the FDIC-supervised institution and the customer agree in writing to a different arrangement as to the time and content of the written notification;

provided however, that such agreement makes clear the customer's right to receive the written notification pursuant to § 344.5(a) or (b) at no additional cost to the customer.

(b) *Trust accounts.* Accounts (except collective investment funds) where the FDIC-supervised institution exercises investment discretion in other than in an agency capacity, in which instance it shall, upon request of the person having the power to terminate the account or, if there is no such person, upon the request of any person holding a vested beneficial interest in such account, give or send to such person the written notification within a reasonable time. The FDIC-supervised institution may charge such person a reasonable fee for providing this information.

(c) *Agency accounts.* Accounts where the FDIC-supervised institution exercises investment discretion in an agency capacity, in which instance:

(1) The FDIC-supervised institution shall give or send to each customer not less frequently than once every three months an itemized statement which shall specify the funds and securities in the custody or possession of the FDIC-supervised institution at the end of such period and all debits, credits and transactions in the customer's accounts during such period; and

(2) If requested by the customer, the FDIC-supervised institution shall give or send to each customer within a reasonable time the written notification described in § 344.5. The FDIC-supervised institution may charge a reasonable fee for providing the information described in § 344.5.

(d) *Cash management sweep accounts.* An FDIC-supervised institution effecting a securities transaction for a cash management sweep account shall give or send its customer a written statement, in the same form as required under paragraph (f) of this section, for each month in which a purchase or sale of a security takes place in the account and not less than once every three months if there are no securities transactions in the account. Notwithstanding the provisions of this paragraph (d), FDIC-supervised institutions that retain custody of government securities that are the subject of a hold-

**12 CFR Ch. III (1-1-23 Edition)**

in-custody repurchase agreement are subject to the requirements of 17 CFR 403.5(d).

(e) *Collective investment fund accounts.* The FDIC-supervised institution shall at least annually give or send to the customer a copy of a financial report of the fund, or provide notice that a copy of such report is available and will be furnished upon request to each person to whom a regular periodic accounting would ordinarily be rendered with respect to each participating account. This report shall be based upon an audit made by independent public accountants or internal auditors responsible only to the board of directors of the FDIC-supervised institution.

(f) *Periodic plan accounts.* The FDIC-supervised institution shall give or send to the customer not less than once every three months a written statement showing:

(1) The funds and securities in the custody or possession of the FDIC-supervised institution;

(2) All service charges and commissions paid by the customer in connection with the transaction; and

(3) All other debits and credits of the customer's account involved in the transaction; provided that upon written request of the customer, the FDIC-supervised institution shall give or send the information described in §344.5, except that any such information relating to remuneration paid in connection with the transaction need not be provided to the customer when the remuneration is paid by a source other than the customer. The FDIC-supervised institution may charge a reasonable fee for providing information described in §344.5.

**§344.7 Settlement of securities transactions.**

(a) All contracts effected or entered into by an FDIC-supervised institution that provide for the purchase or sale of a security (other than an exempted security as defined in 15 U.S.C. 78c(a)(12), government security, municipal security, commercial paper, bankers' acceptances, or commercial bills) shall provide for completion of the transaction within the number of business days in the standard settlement cycle followed by registered broker dealers

in the United States, unless otherwise agreed to by the parties at the time of the transaction. The number of business days in the standard settlement cycle shall be determined by reference to paragraph (a) of SEC Rule 15c6-1, 17 CFR 240.15c6-1(a).

(b) Paragraphs (a) and (c) of this section shall not apply to contracts:

(1) For the purchase or sale of limited partnership interests that are not listed on an exchange or for which quotations are not disseminated through an automated quotation system of a registered securities association; or

(2) For the purchase or sale of securities that the Securities and Exchange Commission (SEC) may from time to time, taking into account then existing market practices, exempt by order from the requirements of paragraph (a) of SEC Rule 15c6-1, 17 CFR 240.15c6-1(a), either unconditionally or on specified terms and conditions, if the SEC determines that an exemption is consistent with the public interest and the protection of investors.

(c) Paragraph (a) of this section shall not apply to contracts for the sale for cash of securities that are priced after 4:30 p.m. Eastern time on the date the securities are priced and that are sold by an issuer to an underwriter pursuant to a firm commitment underwritten offering registered under the Securities Act of 1933, 15 U.S.C. 77a et seq., or sold to an initial purchaser by an FDIC-supervised institution participating in the offering. An FDIC-supervised institution shall not effect or enter into a contract for the purchase or sale of the securities that provides for payment of funds and delivery of securities later than the fourth business day after the date of the contract unless otherwise expressly agreed to by the parties at the time of the transaction.

(d) For the purposes of paragraphs (a) and (c) of this section, the parties to a contract shall be deemed to have expressly agreed to an alternate date for payment of funds and delivery of securities at the time of the transaction for a contract for the sale for cash of securities pursuant to a firm commitment offering if the managing underwriter and the issuer have agreed to the date

for all securities sold pursuant to the offering and the parties to the contract have not expressly agreed to another date for payment of funds and delivery of securities at the time of the transaction.

[78 FR 76723, Dec. 19, 2013, as amended at 83 FR 26349, June 7, 2018]

(i) Transmit orders to or place orders with broker/dealers; or

(ii) Execute transactions in securities for customers;

(4) Where applicable, and where permissible under local law, for the crossing of buy and sell orders on a fair and equitable basis to the parties to the transaction.

#### §344.9 Personal securities trading reporting by officers and employees of FDIC-supervised institutions.

(a) *Officers and employees subject to reporting.* FDIC-supervised institution officers and employees who:

(1) Make investment recommendations or decisions for the accounts of customers;

(2) Participate in the determination of such recommendations or decisions; or

(3) In connection with their duties, obtain information concerning which

securities are being purchased or sold or recommend such action, must report to the FDIC-supervised institution, within 30-calendar days after the end of the calendar quarter, all transactions in securities made by them or on their behalf, either at the FDIC-supervised institution or elsewhere in which they have a beneficial interest. The report shall identify the securities purchased or sold and indicate the dates of the transactions and whether the transactions were purchases or sales.

(b) *Exempt transactions.* Excluded from this reporting requirement are:

(1) Transactions for the benefit of the officer or employee over which the officer or employee has no direct or indirect influence or control;

(2) Transactions in registered investment company shares;

(3) Transactions in government securities; and

(4) All transactions involving in the aggregate \$10,000 or less during the calendar quarter.

(c) *Alternative report.* Where an FDIC-supervised institution acts as an investment adviser to an investment company registered under the Investment Company Act of 1940, the FDIC-supervised institution's officers and employees may fulfill their reporting requirement under paragraph (a) of this section by filing with the FDIC-supervised institution the "access persons" personal securities trading report required by SEC Rule 17j-1, 17 CFR 270.17j-1.
