§ 4.9 [Reserved]

§ 4.10 Definitions.

For purposes of this part:

(a) [Reserved]

(b) *Net asset value* means total assets minus total liabilities, determined in accord with generally accepted accounting principles, with each position in a commodity interest accounted for at fair market value.

(c) *Participant* means any person that has any direct financial interest in a pool (e.g., a limited partner).

(d)(1) *Pool* means any investment trust, syndicate or similar form of enterprise operated for the purpose of trading commodity interests.

(2) *Multi-advisor pool* means a pool in which:

(i) No commodity trading advisor is allocated or intended to be allocated more than twenty-five percent of the pool's funds available for commodity interest trading; and

(ii) No investee pool is allocated or intended to be allocated more than twenty-five percent of the pool's net asset value.

(3) *Principal-protected pool* means a pool (commonly referred to as a "guaranteed pool") that is designed to limit the loss of the initial investment of its participants.

(4) *Investee pool* means any pool in which another pool or account participates or invests, e.g., as a limited partner thereof.

(5) *Major investee pool* means, with respect to a pool, any investee pool that is allocated or intended to be allocated

at least ten percent of the net asset value of the pool.

(e)(1) *Principal*, when referring to a person that is a principal of a particular entity, shall have the same meaning as the term "principal" under § 3.1(a) of this chapter.

(2) *Trading principal* means:

(i) With respect to a commodity pool operator, a principal who participates in making trading decisions for a pool, or who supervises, or has authority to allocate pool assets to, persons so engaged; and

(ii) With respect to a commodity trading advisor, a principal who participates in making trading decisions for the account of a client or who supervises or selects persons so engaged.

(f) *Direct*, as used in the context of trading commodity interest accounts, refers to agreements whereby a person is authorized to cause transactions to be effected for a client's commodity interest account without the client's specific authorization.

(g) *Trading program* refers to the program pursuant to which a person (1) directs a client's commodity interest account, or (2) guides the client's commodity interest trading by means of a systematic program that recommends specific transactions.

(h) *Trading manager* means, with respect to a pool, any person, other than the commodity pool operator of the pool, having sole or partial authority to allocate pool assets to commodity trading advisors or investee pools.

(i) *Major commodity trading advisor* means, with respect to a pool, any commodity trading advisor that is allocated or is intended to be allocated at least ten percent of the pool's funds available for commodity interest trading. For this purpose, the percentage allocation shall be the amount of funds allocated to the trading advisor by agreement with the commodity pool operator (or trading manager) on behalf of the pool, expressed as a percentage of the lesser of the aggregate value of the assets allocated to the pool's trading advisors or the net assets of the pool at the time of allocation.

(j) *Break-even point*—(1) Means the trading profit that a pool must realize in the first year of a participant's investment to equal all fees and expenses
