

**Subpart B—Approval and Disapproval of Housing Counseling Agencies****§ 214.100 General.**

An organization may be approved by HUD as a HUD-approved housing counseling agency upon meeting the requirements of § 214.103 and upon completing the application procedures set forth in this subpart B.

(a) *Approval.* The approval of a housing counseling agency and the certification of a HUD certified housing counselor does not create or imply a warranty or endorsement by HUD of the approved agency, or its employees, including counselors, to a prospective client or to any other organization or individual, nor does it represent a warranty of any housing counseling provided by the agency or a HUD certified housing counselor working for an agency. Approval means only that the agency has met the qualifications and conditions prescribed by HUD, and a HUD certified housing counselor only means the housing counselor has successfully passed an examination pursuant to these regulations and works for a participating agency.

(b) *Effective date.* Agencies approved by HUD on or before October 29, 2007 and agencies that have submitted applications to HUD on or before September 28, 2007 and that are subsequently approved, are required to be in full compliance with the requirements in this part on October 1, 2007. Agencies approved after October 29, 2007 must comply with this part.

**§ 214.103 Approval criteria.**

The following criteria for approval apply to all agencies, MSOs, and intermediaries, including all local housing counseling agencies, branches, and affiliates that are included in one application:

(a) *Nonprofit and tax-exempt status.* A housing counseling agency must function as a private or public nonprofit organization, or be a unit of local, county, or state government. The agency must submit evidence of nonprofit status and tax-exempt status under sec-

tion 501(a), pursuant to section 501(c) of the Internal Revenue Code of 1996 (26 U.S.C. 501(a) and (c)). Units of local, county, or state government must submit proof of their authorization to provide housing counseling services.

(b) *Experience.* An agency must have successfully administered a Housing Counseling program for at least one year. An intermediary must have operated in an intermediary capacity for at least one year. To be considered part of an LHCA's, MSO's, or intermediary's approval application, and to participate in the HUD-approved portion of the intermediary's, SHFA's, or MSO's Housing Counseling program, affiliates and branches must have successfully administered a Housing Counseling program for at least one year.

(c) *Ineligible participants.* An agency, including any of the agency's directors, partners, officers, principals, or employees, must not be:

(1) Suspended, debarred, or otherwise restricted under the Department's, or any other federal regulations;

(2) Indicted for, or convicted of, a criminal offense that reflects upon the responsibility, integrity, or ability of the agency to participate in housing counseling activities. These offenses include criminal offenses that can be prosecuted at a local, state, or federal level;

(3) Subject to unresolved findings as a result of HUD or other government audit or investigations.

(d) *Community base.* A housing counseling agency and its HUD Program branches and affiliates must have functioned for at least one year in the geographical area(s) the agency set forth in its housing counseling work plan.

(e) *Recordkeeping and reporting.* The agency must have an established system of recordkeeping so that client files, electronic and paper, can be reviewed and annual activity data for the agency can be verified, reported, and analyzed. Client files, both electronic and paper, must be kept confidential, in accordance with § 214.315. This system must meet the requirements of 2 CFR part 200, subpart D, 24 CFR 1.6, and 24 CFR part 121 and can be easily accessible to HUD for all monitoring and audit purposes.

## §214.103

## 24 CFR Ch. II (4-1-23 Edition)

(f) *Client management system.* All participating agencies shall utilize an automated housing counseling client management system for the collection and reporting of client-level information, including, but not limited to, financial and demographic data, counseling services provided, and outcomes data. The system used must provide the counseling agency with the tools necessary to track and manage all counseling and educational activities associated with each client. Agencies must utilize a Client Management System that satisfies HUD's requirements and interfaces with HUD's databases.

(g) *Housing counseling resources.* The agency must have the following resources sufficient to implement the proposed housing counseling work plan no later than the date of HUD approval:

(1) *Funding.* The application for approval must provide evidence of funds immediately available, or written commitment for funds to cover the cost of operating the housing counseling work plan during the initial 12-month period of HUD approval.

(2) *Staff.* The agency must employ staff trained in housing counseling. All staff providing housing counseling, including homeownership counseling or rental housing counseling, must be HUD certified housing counselors, and at least half the agency's counselors must have at least 6 months of experience in the job they will perform in the agency's housing counseling program.

(3) *Language skills.* The agency must have housing counselor(s) who are fluent in the language of the clients they serve, or the housing counseling agency must use the services of an interpreter, or the agency must refer the client to another agency that can meet the client's needs.

(h) *Knowledge of HUD programs and local housing market.* The agency's housing counseling staff must possess a working knowledge of HUD's housing and single-family mortgage insurance programs, other state and local housing programs available in the community, consolidated plans, and the local housing market. The staff should be familiar with housing programs offered by conventional mortgage lenders and

other housing or related programs that may assist their clients.

(i) *Contracts or agreements to provide eligible housing counseling services.* An agency and its branches or subgrantees or affiliates must deliver all of the housing counseling activities set forth in the agency's housing counseling work plan. It is not permissible to contract out housing counseling services, except:

(1) In geographic areas where a need for housing counseling services is demonstrated and no HUD-approved housing counseling agency or its branches, affiliates, or subgrantees exists. Under this exception, the contract must delineate the respective Housing Counseling program responsibilities of the contracting parties, the agency providing services (contractor) must meet the HUD approval eligibility standards, and the contracting agency must receive prior written approval from HUD.

(2) Intermediaries and SHFAs may enter into agreements with affiliates to provide housing counseling services. The agreements with affiliates may be in the form of an exchange of letters that delineate the respective Housing Counseling program responsibilities of the parties. Agreements must be sufficiently detailed to establish accountability and allow for adequate monitoring in accordance with 2 CFR part 200.

(3) With prior approval from HUD, and at HUD's discretion, intermediary organizations may operate a Housing Counseling program with a network of affiliated counselors, rather than affiliated counseling agencies, if the structure is designed to meet a special housing counseling need identified by HUD.

(j) *Community resources.* The housing counseling agency must have established working relationships with private and public community resources to which it can refer clients who need help the agency cannot offer, including agencies offering similar or related services to non-English speaking clients.

(k) *State and local requirements.* An agency and its branches and affiliates must meet all state and local requirements for its operation.

(l) *Facilities.* All housing counseling facilities of the agency and its

branches, affiliates, and subgrantees must meet the following criteria:

(1) Have a clearly identified office, with space available for the provision of housing counseling services. The office should operate during normal business hours and offer extended hours when necessary;

(2) Provide privacy for in-person counseling and confidentiality of client records;

(3) Provide accessibility features or make alternate accommodations for persons with disabilities, in accordance with section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), 24 CFR parts 8 and 9, and the Americans with Disabilities Act (42 U.S.C. 12101 *et seq.*).

(m) *Housing counseling work plan.* (1) The agency must submit a detailed yet concise housing counseling plan that explains: The needs and problems of the target population; how the agency will address one or more of these needs and problems with its available resources; the type of housing counseling services offered; fee structure, if applicable; the geographic service area to be served; and the anticipated results (outcomes) to be achieved within the period of approval.

(2) The plan must be periodically reviewed and, when changed or amended, the agency must notify and provide a copy to HUD.

(3) The plan must meet the basic requirements described in § 214.300.

(4) An agency's housing counseling work plan must also address, if appropriate, alternative settings and formats for the provision of housing counseling services.

(n) *Certification of housing counselors.* (1) In order for an agency to participate in HUD's Housing Counseling Program, all individuals who provide counseling, including homeownership and rental housing counseling, must be HUD certified according to requirements in this section.

(2) For an individual to become a HUD certified counselor, an individual must pass a standardized written examination to demonstrate competency in each of the following areas:

- (i) Financial management;
- (ii) Property maintenance;
- (iii) Responsibilities of homeownership and tenancy;

(iv) Fair housing laws and requirements;

(v) Housing affordability; and

(vi) Avoidance of, and response to, rental or mortgage delinquency and avoidance of eviction or mortgage default.

(3) HUD will certify an individual housing counselor who has met the requirements of paragraph (n)(1) of this section upon verification that the individual works for a participating agency.

(4) Participating agencies and housing counselors must be in compliance with requirements of paragraph (n) of this section as of August 1, 2021.

#### **§ 214.105 Preliminary application process.**

(a) *Submission.* All agencies must complete the forms prescribed by HUD and submit the application and all supporting documentation to HUD. Agencies with branches or affiliates for which the parent entity exercises control over the quality and type of housing counseling services rendered must submit a single application for approval.

(b) Notwithstanding paragraph (a), SHFAs are not required to submit an application for HUD approval. However, to participate in HUD's Housing Counseling program, SHFAs must either submit a request and provide HUD with a list of affiliates, if applicable, and assure that they meet all program requirements, or submit a request through such other application procedure as HUD may periodically announce in the *FEDERAL REGISTER* or other informational sources.

#### **§ 214.107 Approval by HUD.**

(a) *Notice of approval.* If an application package meets all requirements outlined in § 214.103, HUD will approve an agency for a period of up to 3 years. HUD will advise the agency of its approval in the form of an approval letter to the agency's main office.

(b) *Certificate of Approval.* HUD will issue a "Certificate of Approval" to the approved agency. The certificate will show the period of approval.

## § 214.109

(c) *Appearance on list of HUD-approved and participating housing counseling agencies.* For purposes of client referrals, participating agencies that provide housing counseling services directly to clients must provide HUD with the agency name and contact information, which may appear on HUD's Web site. In addition, names and addresses of all participating agencies that provide housing counseling services directly may be made available to the public through HUD's toll-free housing counseling hotline.

### § 214.109 Disapproval by HUD.

If an application package does not meet all requirements in § 214.103, HUD will provide the agency with the reasons for the denial in writing. Within 30 calendar days of the written notice of denial, the agency may submit a revised application, or appeal HUD's decision in writing to HUD, as provided in § 214.205. If an agency decides to submit a revised application, the agency may consult HUD, to determine the specific actions needed to resolve the deficiencies.

## Subpart C—Inactive Status, Termination, and Appeals

### § 214.200 Inactive status.

(a) HUD may change a participating agency's status to inactive, in lieu of terminations of HUD-approved status or removals from the list of HUD-approved agencies, under certain circumstances that may temporarily impair an agency from complying with its housing counseling plan. An agency's status may be changed to inactive on a case-by-case basis for a period not to exceed 6 months, unless an extension is provided by HUD under paragraph (d) of this section. HUD may change an agency's status through either a request submitted to HUD or as a result of information obtained by the Department. Some of the conditions under which inactive status may be considered include, but are not limited to:

- (1) Loss of counselor(s);
- (2) Damage to facilities by natural disasters that renders the agency unable to function properly;
- (3) Loss of funds;
- (4) Relocation;

### 24 CFR Ch. II (4-1-23 Edition)

(5) Other circumstances caused by reasons beyond the agency's control; or

(6) Results of performance review.

(b) Agencies that seek temporary inactive status must submit a request to HUD in writing. Documentation or evidence of the condition(s) that rendered the agency incapable of carrying out its housing counseling plan must be submitted along with the request, if possible. Upon receipt of the request, HUD will review and notify the agency of approval or rejection, in writing. If approved, the agency's name and contact information will be temporarily removed from the HUD-approved Web list of agencies and the telephone referral system.

(c) The agency must notify HUD in writing and provide supporting documentation or evidence when it is ready to resume operation, or no later than the end of the inactive period. After review and acceptance by HUD, the agency's contact information may be restored to the Web list of HUD-approved and participating agencies and the telephone referral system.

(d) At HUD's discretion, if the condition(s) still exists, an extension of the inactive period may be considered or the agency may be terminated or removed from the Housing Counseling program. HUD will notify the agency in writing of its decision.

### § 214.201 Termination of HUD-approved status and grant agreements.

(a) *Cause for termination by HUD.* HUD may terminate an agency's approval; remove an SHFA; remove one or more branches or affiliates from the HUD portion of an intermediary's, MSO's, or SHFA's counseling program; and terminate any grant agreements (if applicable) upon confirmation of any of the following reasons:

- (1) Noncompliance with program requirements;
- (2) Failure to implement in whole or in part the agency's approved housing counseling work plan or failure to notify HUD of changes in the agency's housing counseling work plan;
- (3) Lack of the capacity to deliver the housing counseling activities described in its approved housing counseling work plan;
