

§ 171.610 Can I arrange an Incentive Agreement if I want to farm idle lands?

We may approve an Incentive Agreement if:

(a) You request one in writing at least 90 days prior to the beginning of the irrigation season that includes a detailed plan to improve the idle lands, which contains at least the following:

(1) A description of specific improvements you will make, such as clearing, leveling, or other activities that will improve idle lands to a condition that supports authorized use of delivered water;

(2) The estimated cost of the improvements you will make;

(3) The time schedule for your proposed improvements;

(4) Your proposed schedule for water delivery, if necessary; and

(5) Justification for use of irrigation water during the improvement period.

(b) You sign our Incentive Agreement containing terms and conditions we specify.

§ 171.615 Can I request improvements to BIA facilities as part of my Incentive Agreement?

Yes. You may request and we may agree to make improvements as part of your Incentive Agreement that we determine are in the best interest of the irrigation facility servicing your farm unit.

Subpart G—Non-Assessment Status

§ 171.700 When do I not have to pay my annual operation and maintenance assessment?

You do not have to pay your annual operation and maintenance assessment for your land(s) within the service area of your irrigation facility when:

(a) We grant you an Annual Assessment Waiver; or

(b) We grant you an Incentive Agreement which may include waiving your annual operation and maintenance assessment; or

(c) Your land is re-designated as permanently non-assessable or temporarily non-assessable.

§ 171.705 What criteria must be met for my land to be granted an Annual Assessment Waiver?

For your land to be granted an Annual Assessment Waiver, we must determine that our irrigation facilities are not capable of delivering adequate irrigation water to your farm unit. Inadequate water supply due to natural conditions or climate is not justification for us to grant an Annual Assessment Waiver.

§ 171.710 Can I receive irrigation water if I am granted an Annual Assessment Waiver?

No. Water will not be delivered in any quantity to your farm unit if you have been granted an Annual Assessment Waiver.

§ 171.715 How do I obtain an Annual Assessment Waiver?

For your land to be granted an Annual Assessment Waiver, you must:

(a) Send us a request in writing to have your land granted an Annual Assessment Waiver;

(b) Submit your request prior to the bill due date for the year for which you are requesting the Annual Assessment Waiver; and

(c) Receive our approval in writing.

§ 171.720 For what period does an Annual Assessment Waiver apply?

Annual Assessment Waivers are only valid for the year in which they are granted. To obtain an Annual Assessment Waiver for a subsequent year, you must reapply.
