§ 302-15.1 What are property management services?

“Property management services” are programs provided by private companies for a fee, which help an employee to manage his/her residence at the old official station as a rental property. These services typically include, but are not limited to, obtaining a tenant, negotiating the lease, inspecting the property regularly, managing repairs and maintenance, enforcing lease terms, collecting the rent, paying the mortgage and other carrying expenses from rental proceeds and/or funds of the employee, and accounting for the transactions and providing periodic reports to the employee.

§ 302-15.2 What are the purposes of the property management services allowance?

The purposes of the property management services allowance are to:

- (a) Reduce overall Government relocation costs by using the property management services allowance in place of allowances for the sale of the employee’s residence; and
- (b) Relieve employees transferred to OCONUS duty stations from the costs of maintaining a home in CONUS during their tour of duty.

previously authorized property management services as long as the employee continues to meet the requirements of §302-15.6 and any other conditions established by the agency.

- (c) What procedures you must follow when it authorizes such payment.

§302-15.6 Under what circumstances may my agency authorize payment under this part?

(a) For a relocation to an official station in the United States, your agency may authorize payment under this part when:

(2) Your agency has determined that property management services is more advantageous and cost effective for the Government than having to sell your residence;
