§ 304-6.7 Must we report on the Standard Form (SF) 326 any information that is protected from disclosure by statute?

No. Information that is protected by statute from disclosure to the public should not be reported on the SF 326. However, if you omit otherwise reportable information from the SF 326 because the information may not be disclosed, you must notify OGE unless

otherwise prohibited by law and, if requested by the Director of OGE, make the information available for inspection by an OGE employee with the requisite clearance.

§ 304-6.8 Will the reports be made available for public inspection?

Yes, OGE must make any report filed by an agency under this part (that is not protected from disclosure by statute) available for public inspection and copying on the later of the following two dates:

(a) Within 30 days after the applicable due date.

(b) Within 30 days after the date OGE actually receives the report.

§ 304-6.9 Does acceptance by OGE of the Standard Form (SF) 326 constitute a determination by OGE that the data submitted is adequate or a concurrence by OGE in the agency's conflict of interest analysis?

No. OGE is responsible for making the information provided by the agencies available to the public. It is each agency's responsibility to file the accurate and complete reports and to make the appropriate conflict of interest analysis.
