

§ 424.56

and the assignment accepted by the MDPP supplier.

[53 FR 6634, Mar. 2, 1988, as amended at 63 FR 20130, Apr. 23, 1998; 69 FR 66426, Nov. 15, 2004; 82 FR 53364, Nov. 15, 2017]

§ 424.56 Payment to a beneficiary and to a supplier.

(a) *Conditions for split payment.* If the beneficiary assigns the claim after paying part of the bill, payment may be made partly to the beneficiary and partly to the supplier.

(b) *Payment to the supplier.* Payment to the supplier who submits the assigned claim is for whichever of the following amounts is less:

(1) The reasonable charge minus the amount the beneficiary had already paid to the supplier; or

(2) The full Part B benefit due for the services furnished.

(c) *Payment to the beneficiary.* Any part of the Part B benefit which, on the basis of paragraph (b) of this section, is not payable to the supplier, is paid to the beneficiary.

(d) *Examples.*

Example 1. An assigned bill of \$300 on which partial payment of \$100 has been made is submitted to the carrier. The carrier determines that \$300 is the reasonable charge for the service furnished. Total payment due is 80 percent of \$300 or \$240. Of this amount, \$200 (the difference between the \$100 partial payment and the \$300 reasonable charge) is paid to the supplier. The remaining \$40 is paid to the beneficiary.

Example 2. An assigned bill of \$325 on which partial payment of \$275 has been made is submitted to the carrier. The carrier determines that \$275 is the reasonable charge for the services. Total payment due is 80 percent of \$275 or \$220. The \$220 is paid to the beneficiary, since any payment to the supplier, when added to the \$275 partial payment would exceed the reasonable charge for the services furnished.
