(3) Children whose parents object to immunization on religious grounds.

(4) Children whose medical condition contraindicates immunization.

**§ 98.41**

(1) The length of such grace period shall be established in consultation with the State, Territorial or Tribal health agency.

(2) Any payment for such child during the grace period shall not be considered an error or improper payment under subpart K of this part.

(3) The Lead Agency may also, at its option, establish grace periods for other children who are not experiencing homelessness or in foster care.

(4) Lead Agencies must coordinate with licensing agencies and other relevant State, Territorial, Tribal, and local agencies to provide referrals and support to help families of children receiving services during a grace period comply with immunization and other health and safety requirements;

(ii) Prevention of sudden infant death syndrome and use of safe sleeping practices;

(iii) Administration of medication, consistent with standards for parental consent;

(C) Caring for children with special needs; or

(D) Any other subject area determined by the Lead Agency to be necessary to promote child development or to protect children's health and safety.

(2) Include minimum health and safety training on the topics above, as described in § 98.44.

(b) Lead Agencies may not set health and safety standards and requirements other than those required in paragraph (a) of this section that are inconsistent with the parental choice safeguards in § 98.30(f).

(c) The requirements in paragraph (a) of this section shall apply to all providers of child care services for which assistance is provided under this part, within the area served by the Lead Agency, except the relatives specified at § 98.42(c).

(d) Lead Agencies shall describe in the Plan standards for child care services for which assistance is provided under this part, appropriate to strengthening the adult and child relationship in the type of child care setting involved, to provide for the safety and developmental needs of the children served, that address:
